The Message of Our Lady and Our Lord to Veronica Lueken

Our Lady of the Roses, Mary Help of Mothers Shrine • P.O. Box 52 • Bayside, New York 11361

June 18, 1990 • 20th Anniversary of Our Lady's Apparitions at Bayside

A promise from God if...

A CURE FOR AIDS

Veronica—Oh, the blue lights are appearing all about Our Lady's trees now. You know, it is Her signal that She's coming.

Oh, there's a bright light—oh, like a ball of light, coming through the sky at the top. And I can see Our Lady is standing on the ball, just like She did twenty years ago! Oh, the ball seems to represent the earth. And Our Lady now is looking all about Her; She's coming very close. In fact, now She is drifting off of the ball, and the ball is going to our left. And Our Lady is coming down to the top of the tree directly behind Her statue. Our Lady is looking about Her.

Oh, She has on the most beautiful gown! It's white and luminous. And She has a mantle that extends all about Her head and down to Her feet. And now as I look at Our Lady's feet, I can see She has delicate petals of roses now coming from Her feet and coming down our way; they must be special graces.

Oh, Our Lady is so beautiful! I don't know—I want, I wish She would appear to everyone to see Her like She is. It's the most beautiful sight in the whole world!

"I love you Blessed Mother! Yes."

Now Our Lady is looking, and She's putting Her first finger to Her lips, like this. That means to listen and repeat.

OUR LADY—"My child and My children of the world, I am very elated at the response from which the workers for Our Lady of the Roses responded, and have brought in many new souls. Before the evening is over, you will understand what I am telling you, My child.

"But first of all, I come also for this reason: there is much going on in the world now that is evil. As I tried to make you understand several years ago, that satan has entered now into My Son's Church upon earth, and satan has control now of all the medias. Therefore, it is up to the parents now to see that their children do not become polluted and lose their souls.

"We're all aware in Heaven of the drug epidemics, the volcanoes erupting; but you see, it was to come about. Now I hear, I hear the prayers of many who call out for mercy because they have the disease called AIDS. My child, make it known to them, in writing, that this was a direct admonition by the Eternal Father for their performing terrible acts of indecency upon earth that destroys the young souls who follow them. I am talking, My child, about homosexuality. It is rampant all over the earth.

"You have to understand, the Eternal Father is not a punishing God. However, He is most interested in the children; and it appears now that the sins of the parents are being placed upon the shoulders of the children. And O My children, if I could only show you the list that the Eternal Father has for Him to go through the world and bring these souls back. The sins of the parents shall be visited upon the children.

"O My children, I hear your cries because of the AIDS epidemic in your country and the world. I plead for you to the Eternal Father, to remove this plague from among mankind. And I have great news for you this evening, My children. The Eternal Father and My Son have made it clear to Me that if man will repent of his ways that have given—been given to him by satan, We will see that you do have a cure for AIDS.

"A certain length of time has been set about by the Eternal Father. It is the time for you to repent and do penance for the sins of the world. There are many who are willing to help Us now. We watch you all, My children, and We will guide you to an eventual victory. All who suffer upon earth because of satan's battle with them will know that through Our mercy not all will be lost.

"I want you to stress, My child, the existence of hell and purgatory. It has been forgotten by many. Even the priests in My Son's churches have overlooked this essential knowledge. In fact, some now mock it as being untrue. My child and My children of the world, please believe Me. I have been through purgatory. I have been through hell. And I tell you all: please, do penance for your brothers and sisters who do not have the way.

Over 5,000 pilgrims—many who came on the 70 buses—including many priests and religious, gathered from around the globe enduring a driving rainstorm to honor Our Lady of the Roses.

MAN CREATED BY THE HOLY SPIRIT

"The way to Heaven is really led by a scene of love. The Eternal Father is not One to punish you, for He wishes to save all mankind. He has created you. Even that, My child, is being discarded. I hear the voices that cry out that you were not created by the Holy Spirit. But I say unto you, men of the cloth, too, that you do not follow your religious beliefs. You've given them up, and you work among precepts for man.

"Do not make My Son's Church a place just for man. It was, through the Eternal Father's plan, to be a place of honor and direction to set you on the road to Heaven and not lose your road and wind up in hell or purgatory. You see, the enemies of your God believe that if they can confuse you and make you believe errors, they will take over completely. But I know, My children, if you listen to Our direction, that will not happen.

"I say again: if man will repent of his sin and discard the homosexual life they're living, I will give them a cure for AIDS.

"Now also, My child and My children, there is another fact to be known to mankind, and shouted from the rooftops: the murders of the unborn will not be tolerated. You will read Job, chapter 33, verse 4: *The Holy Spirit made me, and the breath of the Almighty gave me life.* Do not listen to those disciples of Satan that are trying to take this knowledge from you. All mankind has been created by the Eternal Father, in the Son and the Holy Ghost.

CHANGE NOW OR SUFFER ANOTHER PLAGUE

"The existence of the Trinity, too, is being attacked. We are fully aware of what is going on. And I can tell you, My children, if there are not immediate changes, another plague shall be set upon your country and other countries of the world. Eventually the suffering will be so great, if man does not repent, that there will be few souls left on earth.

"You are in great danger at this time, the United States of America. I tried to warn you some time ago that you allowed a two-legged demon to enter into your country. Do not believe an atheist, because they do not hold the truth.

"O, My children, I know that you had struggled through the years to bring this message from Heaven. And I know, My child, Veronica—I relieve you of one cross; but you cannot be free of all suffering, because it is needed. You will understand this, My child, when you enter through the golden doors.

"Yes, My child. Yes."

Veronica—"You don't want me to repeat it? Am I going that soon? Oh, yes. Yes. Yes."

Our Lady—"Now, My child, one more message to mankind, and I will let you rest, because My Son wants to speak to you. He has grave concern of what is happening to the earth."

Veronica—"Yes. You don't want me to repeat it? I understand. Yes. Yes, I will."

Now Our Lady is going over to Her left side, our right side, directly over the trees. Oh, She's so luminous, I'm sure everyone could see Her. She's so beautiful! And She, She is so loving that I can feel it; it's just like having another mother.

Now Our Lady is going over and making—taking Her Rosary like this. She has the golden Our Fathers and the white, luminous Hail Marys, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking over, and She's saying:

Our Lady—"Is that a nun I see over there? Where are her garments?"

Veronica—"I don't know, Blessed Mother."

CONVENTS MUST BE FREE OF TV/RADIOS

Our Lady—"My child, you will also make it known that We are not happy to see the world enter all of Our convents. They discard the habits; they're no longer maidens of purity. And I tell you, My children, that cannot be tolerated. Modernism must not be a way of life for Our dedicated. Our nuns have to have discipline, My children. Do not bring the world into the convents. I ask that the convents remain free of all television and radios, and return to their prayer life.

"Also, My Son wants it known that He is fully aware of the prayer life, the lack of prayer life, in His dedicated. They have

become men of the world, and no longer men of God. I know this shocks you, My child, but it cannot be avoided. There has to be a change.

"Satan is working now throughout the world. 666 is upon mankind, and it cannot be denied. There will be murders abounding, and the abortions shall continue until mankind receives a just chastisement.

"I have wandered throughout the world all these earth-years, trying to warn mankind that if they love My Son, they will honor Him. But now many are dishonoring Him. The Eternal Father will only put up with this for a short time, and man shall receive a just punishment.

"Now, My child, you go forward now, and My Son will await you. But I wish that you enter by the circle, the infirm circle, because there are some asking Me now, and praying that you come over to them.

"Yes, My child, you go, and My Son shall speak to you when you return."

Veronica—Now—oh, over the tree right there, Jesus is coming through the trees! I didn't notice that, I was so busy watching Our Lady and the ball rolling away.

He looks just beautiful! Jesus has on a red velvet gown, with gold trim all around the edging. And I can see His sandals, like He has brown sandals, but they are tinged in gold around the sides of the strap. And Jesus is looking all about Him. It's kind of windy up there, because His hair is blowing back and forth.

Our Lady now has motioned to Him, and She's pointing towards the infirm circle. Now Our Lady is saying—She has placed her fingers to Her lips—to listen and repeat.

Our Lady—"My Son is going with you, My child, this evening."

Veronica—Oh!

"Yes. Yes, I'll go there right away."

Oh! Oh! Oh! Oh, Jesus is following me; He's coming with me to the circle. That means there's going to be cures.

[Pause]

Veronica—Now Jesus is standing directly over the tall tree by Her statue. He's been there quite awhile. I looked back a couple of times when I was by the infirm circle, and I noticed Him standing there very patiently. He had followed me over, but then returned to the center of the exedra.

Now Jesus is looking all about Him. He is extending His hand, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over towards His left, our right. He's going farther over to the edge of the trees, and He's looking down. Now He's motioning over to the right side, and I see a map. There's a map forming in the sky; it looks like the East Coast of the United States. I can see Florida, I can even see Long Island. But then I see something very ominous. Looks like a big red bear, like in that bear picture. But you know—I know that country. It's in Cuba!

"What is the bear doing in Cuba, Blessed Mother?"

Now Our Lady is coming back. She was also watching at the inner circle, although Jesus accompanied me over there. But now They're pointing up, and I see another country that goes across the other side of the world, it looks like. I don't know to—I'm not too familiar with the areas of the nations. But I believe it's U.S.S.R.—the Russians, you know. And Jesus is shaking His head yes. So in the meantime, He's placed His finger to His lips, like this, which means that He wants me to repeat.

JESUS—"My child and My children, I have very little to say that could solace Me for the evil I see prevalent upon the earth. Your generation have become perverse and indoctrinated by satan, until the cults of satan now are well stacked in your country. Your children will be the victims.

"Yes, My child and My children, I know it is difficult for you to understand, without having an actual meeting with these satanists, to see how vile they are, how they desecrate everything, and how they torment the souls of the children and those they have in their grasp.

"Protect your children! All the mothers and fathers of the world, protect your children, or they will disappear from your homes forever. Even human sacrifice is taking place at this very hour that I am here with you. How can We do anything but beg with you to listen now, before it is too late!

"There will come another great chastisement to the United States. Look, My child, and tell Me what you see."

SOVIET SUBS GOING TO CUBA

Veronica—Oh, I don't, I don't know where it's at, but I see a lot of boats. Oh, they're submarines; they're just coming to the surface. And they look like they're off the coast. There's a map; Our Lady's pointing towards the map of the United States. Hmm. I live on Long Island, and that sure looks like they're coming off the Long Island area.

Now, as though they have been alerted to something, they're going now down into the water. But they are going now under—I can see; Jesus has me watching them—undersea, and they are going to Cuba. I know it's Cuba. Now what they're doing in Cuba I don't know, but it appears that the Soviets are arming them.

Jesus—"Yes, My child, you have spoken well and directed it as I wanted you to. Now this has to be known.

WARN PRESIDENT OF TWO-LEGGED DEMON

"My child and My children, make it known to your Senate and your President that the two-legged demon, as We address him, has entered upon your country; and they are not to be deceived, for he has a major plan against the United States.

"Yes, My children, many prayers are being said at this time throughout the world. The nations are suffering. So therefore, We expect you to understand what may be a riddle, but easy to understand. The United States must not give up its forces in Europe, or the other nations, for they will be disarmed and We will be attacked."

Veronica—Oh! Oh, that's terrible! Oh, yes, I see it—houses just coming down. It's awful! They're shooting! Oh, my goodness!

Jesus—"My child, at this moment, because of the perversity of the world—the world's children—We see it necessary to stand back and watch a just punishment upon mankind.

"I do not want you to think that We are a punishing God. We love Our children, but sometimes, with—the Eternal Father knows the hearts, and they have been hardened. Man has given himself over to pursuits of the flesh, and as such, he condemns his soul to hell or purgatory.

"Pray, My children! Pray for the souls in purgatory. Many shall be there until the end of the world."

Veronica—"Yes, I did see hell already, Jesus. Yes, Our Lady took me down. I really—yes. You want me to go down there again? If you want me to, I will."

Jesus—"Well, don't be affrighted, My child; just look. I am holding your hand."

JESUS AND VERONICA VISIT HELL

Veronica—Oh, my goodness! I see we're, we're drifting into a hole-like, it's like a large hole in the ground. And I hear, I hear people screaming—they're screaming at the top of their lungs! But I look down now; Jesus said to look down. I want to look up, the heat was so great, I don't want to look down. But I will. All right.

Oh, my! Oh, I see—I know they're demons, hanging on the walls of the cave-like place where—that Jesus says is part one of hell. And all these souls—there must be thousands of them—are screaming! They're screaming and crying, and they're like burning embers! Their bodies are floating all around; they have no weight. It looks like bodies, and yet it looks like coals burning!

"Oh, Blessed Mother and Jesus please bring me out of here!"

Oh! Oh, it's terrible!

"Yes."

Jesus—"My child and My children, if I could show this to everyone, you would be on your knees every day. I ask you now to pray for the souls in purgatory, and even pray for those who are in hell.* But of course, My children, unfortunately, hell is eternal."

Veronica—Yes.

Jesus—"Now, My child, My Mother made it known to you about the AIDS epidemic. There will be a cure for mankind as soon as We see the legislative bodies and those politicians of the world, who are at this time causing the abortions with their monies and their funding, especially in the United States—abortion is murder, and as such you shall all be condemned as murderers at the time of your death unless you repent now of your sin! The Eternal Father sends each and every soul upon earth.

INCREASE YOUR ROSARIES

"Repeat again, My children, to those hardened hearts and deaf ears that will not listen, no matter what. They must be then attacked by prayer. They have to be—prayers so numerous that I would advise that the Rosary be upped in every home. Parents, your children—please, have them pray!"

Veronica—"Oh, yes. Oh, yes. Oh, yes."

Jesus says the Eternal Father wants you to remember what His Mother said, that you will read Job, chapter 33, verse 4. And it says:

BACKGROUND STORY

"The Lourdes of America"

Veronica Lueken, the seer of Bayside, is a wife and mother of five children. She is in her late sixties and lives on Long Island, New York. The story of her heavenly visitations goes back to the year 1968 when St. Theresa started appearing to her and giving her poems and sacred writings by dictation. Before this Veronica had not received any manifestations from Heaven.

Our Lady Herself appeared to Veronica in her home on April 7, 1970, informing her that She would appear on the grounds of the old St. Robert Bellarmine Church in Bayside on June 18, 1970; that vigils of prayer be held there (now temporarily held at the Vatican Pavilion site in Flushing), and that full directions be given to the clergy of the parish to prepare

for Our Lady's first visit there. Our Lady also requested that a Shrine and Basilica be erected on this Her chosen Sacred Site, which is to be named "Our Lady of the Roses, Mary Help of Mothers." She promised to come on the eve of the great feast days of the Church, which dates would be given to Veronica beforehand. The Blessed Mother also instructed Veronica to disseminate the messages given to her throughout the whole world.

Our Lady has requested that the Rosary be recited aloud by the crowd during the whole of the Vigil. All are requested to kneel in the presence of Jesus. The Message is repeated word for word by Veronica. Veronica also describes what she sees. All is recorded by tape.

Veronica—Yes. It says, *I am the Almighty. I am the Almighty.*

Jesus—“But first, the Spirit of life made me, and the breath of the Almighty gave me life.”

Veronica—Therefore, you shall not destroy a creation of the Eternal Father! Penance will be great upon mankind for anyone who condones these heinous acts! [abortion]

PRIEST BECOMING MEN OF THE STATE, NOT MEN OF GOD

Jesus—“Veronica, My child, I repeat again, though My Mother had been throughout your country for years now, with Her messages: We ask that the priests take themselves out of this world. They are becoming men of the state, not men of God. I accept the degradation and the present confusion in My Church upon earth, but I want a change back to normal. Man is building a church without the Eternal Father.

“Please, My children, pray much, for there will be another great chastisement upon mankind. My Mother had been able to hold it back, but I am sad to say that it is the will in the Eternal Father. During this chastisement, many souls will go into purgatory.

“The road to Heaven is a narrow road. So many never go on it. They become seeped in the pleasures of the world, not thinking that one day they will come over the veil. There isn't a creation upon earth that doesn't have to appear before the Eternal Father at the end of his time.”

Veronica—“Yes. I'm to go back?”

Jesus—“Yes.”

Veronica—“On the, on the left side?”

Jesus—“Yes.”

Veronica—“Yes, I will.”

Jesus wants me to go back on the left side. There is somebody over there that He wants to cure. I, I'll do what He says. But He said to go to the left side, over there, and to continue blessing the infirm, because He has His reasons. There is going to be a cure there.

[Pause]

Veronica—... maybe around four or five feet high up there, and They're looking at everyone.

Now Our Lady is taking Her Rosary, which was about Her waist, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is nodding towards Jesus, and He's moving over to our right side. Now He is putting His hand out—let's see if I could do it—like this, and saying:

Jesus—“In the name of the Father, and of the Son, and of the Holy Ghost.”

Veronica—Now Our Lady is moving over towards Jesus, and there's whispering. It feels like—it sounds like the whispering of the trees. I can feel it, but I can't hear the words.

Oh, it wasn't meant to be. Oh! Oh, Our Lady—yes. Our Lady says:

Our Lady—“You can expect much difference of opinion on Our message this evening. However, you are to give it out exactly as I gave it to you.

“We're not going to leave the grounds until the last soul has left, so don't be afraid. We're watching.”

Veronica—“Yes. Thank you.”

Oh, Our Lady—that light is so brilliant about Her. I'm sure if it wasn't God's will it would blind me, it's so bright! And now Our Lady is going back up on the ball, and She's standing there. But all around Her head now—it looks like the stars have come out. There are stars! I almost feel like counting them, the way they're around Her head. One, two, three, four, five, six, seven, eight, nine, ten, eleven, twelve. Twelve stars around Her head. I never saw that before on Our Lady. And Our Lady is smiling.

Now She's pointing over to the infirm circle. Oh, my goodness!

Do you know She's holding Her hands down like this—like this, but the rays are going over our head; they're going back over our head. I don't know what Our Lady is doing there, but She certainly has something very mystical going on because those rays are still radiating from Her fingers, and going over our head. And now I can see part of them; they look like little slivers of glass—I can't explain it, little slivers of glass, like, coming from the rays. And they're, they're falling down all about us. Our Lady calls it “graces.” Oh!

“Yes. Yes, I will. When? Oh, all right. Yes. Yes. Oh, all right. I won't mention it.”

Hmm. My! Hmm. Our Lady is standing right there. She's going to remain with Jesus until the last soul leaves the grounds, you know. She looks so beautiful. She has on Her—you know, Her white gown. Oh! It, it is so beautiful, it almost makes my heart stop. It's such a wonderful feeling, you know, of love. Our Lady, Our Lady acts just like a Mother for everyone, you know. And yet she looks very young. □

An illustration conveying the point made by Jesus this evening.

*In a series of locations to Veronica, Our Lady, thankfully, enlightened us on this matter. The following is a summation. The majority of the wording and terminology is that of Our Lady.

In the principal location on Wednesday night, June 20 at 9:15 P.M., we were told to remember the Apostles Creed: *I believe in God the Father Almighty... suffered under Pontius Pilate, was crucified, died, and was buried. He descended into hell: the third day He arose again from the dead...* When Our Lord descended into hell, He was releasing the penitent souls from purgatory, or Part II of hell.

In the description above, Jesus explains to Veronica that she is in Part I of hell. Part I of hell is the abode of the damned, hell eternal. Part II of hell—what we on earth call purgatory, and theologians often refer to as stage two—is the abode of the penitents. It is these souls, the souls of the purgatorians, that we are to pray for.

Our Lady lamented that there are too many false opinions on hell and purgatory coupled with mankind not even being interested in or preparing for eternal life.

In another location on June 21, 1990, Our Lady reminded us again: “There will be differences of opinion; however, you will be enlightened to combat them.” She recalled, also, that many saints have been enlightened on this subject.

By repeating Himself in this sentence, Our Lord is emphasizing, underscoring the fact that purgatory is in hell. St. Thomas Aquinas, in his *Summa Theologica*, actually articulates the same truth: “Therefore the fire of purgatory is the same as the fire of hell, and hence they are in the same place.” (App. 2 Q. 1 Art. 2)

No doubt, Our Lord's intent is to raise our consciousness and stimulate additional discussion, research, and prayer on this very important doctrine.
