

Michael Bissex, 2, of Huntington, N.Y.; Mrs. Marion Morris, organizer from Stamford, Conn; and Sr. Anna Stoberl R.S.C.J., 89, from Greenwich, Conn. receiving the blessing from Veronica this evening (see page 3 for more information). Michael was cured of Bell's palsy, an affliction he contracted when the chicken pox virus settled in a cavity inside his head. Mrs. Morris has faithfully and tirelessly promoted this dire message for 18 years. Sr. Anna, who has been a nun for nearly 70 years, has been an enthusiastic believer for over 20 years.

### U.S. to fall to one-world tyranny

# The Antichrist ready to emerge

Veronica—... directly over Our Lady's statue, up to the tree on the right. The branch is extending out. I can see Our Lady coming through the sky. Oh, She's just beautiful! There is no way I can explain the brilliance and the beauty of our Blessed Mother. And She—I, I was quite weak when I arrived here, but I feel stronger already. I feel that Our Lady—oh, Our Lady is smiling now, and She's nodding Her head. She's looking all about Her, and She's pointing down to the crucifix.

Now Our Lady said to extend the crucifix high up into the air, that She is going to place upon this crucifix the power of cures and conversions: cures of the body and cures of the spirit. Now Our Lady is extending Her hands out, like this. I can see Her very clearly.

People have asked me in the past how young or how old does our Blessed Mother look. She looks really young, and I, I couldn't put an age upon Her.

The light is touching my left hand for some reason, the light from Our Lady's fingers. They're coming down through my fingers now, and I can feel the rays now from Her left hand—that's on our right side—coming down now onto the grounds. But they seem to go beyond us here over into the rope. I can see—though my back is to it, I can see, Our Lady is showing me the rope behind us. I do believe it's the infirm circle.

Yes. Our Lady is nodding, yes.

Now Our Lady is looking all about Her. And She's extending Her hands out, and She's saying:

**Our Lady**—"Pray a firm Act of Contrition, one Our Father, and one Hail Mary.\* And you will look up again, My child, as I will stay here. This is for reason."

Veronica—*In the name of the Father, and of the Son, and of the Holy Ghost. Amen.*

\*Veronica explains that the Blessed Mother requested (something Veronica knew intuitively) that she not recite this prayer outwardly in Her presence, hence the omission. She prayed it internally, while repeating out loud the ejaculation *O Mary, conceived...* Through God's providence, Our Lady is demonstrating the absolute necessity of knowing and praying these fundamental prayers, but as Veronica looked on, Our Lady characteristically asked that she not recite the Hail Mary outwardly, a prayer that rightfully exalts Her.

Upon deeper reflection, the reason for Our Lady's modest behavior becomes even more apparent: the preeminence of Her virtue of humility, a sublime example for all to imitate. This point is reinforced later in the ecstasy when Our Lady would state privately to Veronica: "I am the Mediatrix between God and man." This also explains the curious absence of Our Lord this evening. Who clearly wanted to defer to His Mother, to Whom He has entrusted this special Mission in these latter days (Genesis 3:15).

A Polaroid photograph taken during this Vigil by Perry Montemaro of Smithtown, N.Y., while the seer, Veronica Lueken, holds blessed candles. Miraculously something else appears. This is one of the photographs alluded to by Our Lady at the end of this message.

A standard procedure has been established by Heaven for each vigil. Veronica (or if she's not present, another

**POPE TO BE EXTERMINATED,  
REPLACED WITH DESPOT\***

worker) holds three blessed candles, and three designated workers each snap three photographs with an instant Polaroid camera.

The end result is always miraculous, with the images appearing having a profound meaning, and thus serving as a vehicle for Heaven to communicate important messages. Some are for public release, while others are just intended for Veronica and her close workers. Veronica is distinctively graced to interpret them.

This particular photograph is a startling visual that bears out Our Lady's prophecy this evening. Note on the top, a woman with a head-covering (man dressed as a woman?) pointing a gun, her arm extended and her finger on the trigger (see illustration above). When you turn the photo slightly to the left, you will note 2 large "Ps," an "8" (in between the "Ps"), and a "Y" (formed by the top of the left "P," the "8," and the full "P" on the right, see illustration below).

The 2 "Ps" stand for: the Pope and prayer. The "8" represents the priesthood or the Holy Eucharist. Our Lady symbolically uses the last letters of the alphabet, "X, Y, Z," to denote the end times.

The meaning now is quite evident. Unless we pray (P)—and pray hard— for the life and safety of John Paul II (P, 8), the satanic plans which are in the final stages of development (Y) will achieve its cursed objective: the brutal and violent end to the life of the beloved Vicar of Christ.

*"I will continue to communicate with My children by using the photographs. . . . It is a grace that can only be given for those in the light. All others will look and find nothing."*

\*absolute ruler, tyrant

Our Lady, March 29, 1975

Our Father Who art in Heaven, hallowed be Thy name; Thy Kingdom come; Thy will be done on earth as it is in Heaven. Give us this day our daily bread; and forgive us our trespasses as we forgive those who trespass against us. Lead us not into temptation, but deliver us from all evil. Amen.

Veronica (r.) posing with her secretary, Ann Ferguson, after this Vigil.

A firm Act of Contrition: O my God, I am heartily sorry for having offended Thee, and I confess to all my sins, because I dread the loss of Heaven and the pains of hell, but most of all because I love Thee, my God, Who art all good and deserving of all my love. I firmly resolve, with the help of Thy grace, to confess my sins, to do penance, and to amend my life. Amen.

O Mary, conceived without sin, pray for us who have recourse to Thee. O Mary, conceived without sin, pray for us who have recourse to Thee. O Mary, conceived without sin, pray for us who have recourse to Thee.

Our Lady is smiling. Oh, I only wish we could get a portrait of Our Lady as She's smiling now. You feel—the feeling is beyond human words to describe. She's so beautiful and you feel so relaxed, as though you don't have a problem in the world. Our Lady has an aura about Her, and I'm certain that this aura is also encircling many upon the grounds.

Now Our Lady is looking about Her, and She's touching Her fingers to Her lips like this, which means to listen and repeat.

**O**UR LADY—"My child and My children, and especially you, My child, Veronica, I brought you here this evening because I have a dire and urgent message for the world at this time. The Eternal Father, His hand is now getting ready for a chastisement upon mankind. I say this to you all: do not be afear'd, for all who have remained faithful and true shall escape this punishment.

"My child and My children, as it was in the past, so it shall be. There are many now foul deeds being committed upon the earth that cry to Heaven for retribution. The leaders of your country have lost their way, My child and My children. They are now making sin a way of life.

"In My past, My own experiences, My child and My children, I went through great sorrow, and saw this persecution set upon My Son by the world. Now He is made to suffer anew, and I join Him on His new cross.

"Yes, My child and My children, mankind is recrucifying My Son. They have forgotten; they have lost their way.

#### **STUDY YOUR BIBLE**

"My child and My children, the pages are turning fast in the Apocalypse. Have you listened to My counsel in the past, My children? Are you making an effort to study the Book of life and love, your Bible?

#### **SODOM AND GOMORRHA DESTROYED BY FIRE**

"There is not much time left. Many will be taken from the earth. I will not at this time, My child and My children, go into full detail. However, I want you to stress the knowledge of Sodom and Gomorrha. You saw in the story of Sodom and Gomorrha, its obliteration by fire and brimstone. Can you expect less of a trial? My children, you do not listen; you do not learn from your past. You are on the same road to perdition!

"The Eternal Father has watched with hope. And with His convictions now coming to the point of great knowl-

edge to Him, He finds that at this time many must be taken from the earth.

"Your word of homosexuality can be explained by the story of Sodom and Gomorrha. Read in your Bibles or consult your clergy. Find yourselves, My children, a humble, pious clergy. Many have fallen away from the Faith. Many have sold their souls to get to the head. And this, My children, I say of all denominations!"

Veronica—Our Lady is looking about Her, and now She's taking... I, it's very sad. She's taking the coverlet around Her shoulders, the cape, and She's wiping Her eyes. Now I can see Our Lady is struggling very hard, for composure. This is very hard upon Her. Now She's looking at me, and Her eyes are boring right into my eyes.

#### **NOT ONE SHRED OF PAPER**

**Our Lady**—"My child, you must bring all past messages to the fore. Soon you will be unable to deliver them upon the grounds. Therefore, I ask that not one shred of paper be discarded, for it will be needed.

"My child and My children, your children are leading lives without direction or knowledge of eternal life in Heaven. Sin has become a way of life in your country and many countries of the world, little children led astray by their elders.

#### **SECRET CONFERENCE BEING HELD TO EXTERMINATE POPE**

"My child and My children, you will continue to pray for your Vicar in Rome, Pope John Paul II. At this very moment, there is now being held a conference in secret to the world for his extermination, and to place upon the Seat of Peter the despot.

"Yes, My child, you've heard that word before, the 'despot.' I say it for reason.

#### **THE ANTICHRIST**

"You will continue to pray a vigil of prayer for the clergy of the world. Darkness has descended upon My Son's churches upon earth. Whatever shall become of you all in the chaos that is fast coming to your country and other nations of the world! There will soon enter upon your world a

### **LOCUTION\***

AUGUST 15, 1992 10:30 AM

"Unless the world's peoples make a fast turnaround from their present path of destruction, they will receive a despot."

\*A communication from God (often through angels and/or saints) to the ear or directly to the intellect.

### **ROSES**

October 6, 1992

Published periodically by Our Lady of the Roses, Mary Help of Mothers Shrine. There is no subscription cost.

Our Lady instructed Veronica to hold a Holy Hour every Sunday for the intentions of the Pope and all clergy, and in reparation for the profanation of the Lord's day. The Holy Hour is held at 10:30 AM. The Vigils of prayer are from 8:30 to 11:30 PM (see Vigil Calendar for dates). Both events are at the Vatican Pavilion Site in Flushing Meadows-Corona Park, borough of Queens, in the city of New York. The Apparitions continue to this day, and a message is given every Vigil that Veronica is present.

For more free information, additional copies and a calendar of upcoming Vigils, including a map, call or write:

despot. Number two, I call him. But many have named him, and the Book of life refers to him as the Antichrist.

"Yes, My children, you will recognize him by his deeds. Many will sell their souls to him to get to the head, but all that is rotten will fall eventually. No matter what the struggles to keep the light in your country and the world, you will go forward as soldiers of light, carrying your banner Faithful and True, in the face of adversity.

"My child and My children, I had promised you relief from the suffering now being inflicted even on little children, of AIDS. This will come in due time. This is actually based, My child and My children, on the acceptance of mankind of the Eternal Father and My Son as their leaders.

#### FIND BIBLES PUBLISHED BEFORE '64

"You must all obtain a copy of the Book of life and love, the Bible. Do not accept the new mods. Try to find in your bookstores the old Bibles, My children, for many are being changed to suit the carnal nature of man. I repeat, sin has become a way of life.

"My child and My children, if I could open up the sky above Me and show you a picture of the tears that fall upon you! It's truly raining teardrops from Heaven. For many of you are blind to what lies ahead. There will be a time of great tribulation upon mankind. Will you be able to persevere during this time?"

### The infirm circle

ON SEPTEMBER 30, 1980, Our Lord instructed Veronica to set up a special area for the sick and suffering. They would be the beneficiaries of outstanding graces at all Vigils. However, if Veronica is present, there would be an added grace: a blessing from her Shrine crucifix, gifted with the power of cure and conversion (see message above) and kissed affectionately and reverently by Our Lady at nearly every vigil Veronica attends. Veronica blesses the afflicted with this invocation: "I bless you with the Shield of the Immaculate Conception. In the name of the Father, and of the Son, and of the Holy Ghost."

Numerous cures and conversions have been wrought, some of them massive, with doctors' statements and medical documentation providing authentication.

#### BACKGROUND STORY

### "The Lourdes of America"

Veronica Lueken, the seer of Bayside, is a wife and mother of five children. She is in her late sixties and lives on Long Island, New York. The story of her heavenly visitations goes back to the year 1968 when St. Theresa started appearing to her and giving her poems and sacred writings by dictation. Before this Veronica had not received any manifestations from Heaven.

Our Lady Herself appeared to Veronica in her home on April 7, 1970, informing her that She would appear on the grounds of the old St. Robert Bellarmine Church in Bayside on June 18, 1970; that vigils of prayer be held there (now temporarily held at the Vatican Pavilion site in Flushing), and that full directions be given to the clergy of the parish to prepare for Our Lady's

first visit there. Our Lady also requested that a Shrine and Basilica be erected on this Her chosen Sacred Site, which is to be named "Our Lady of the Roses, Mary Help of Mothers." She promised to come on the eve of the great feast days of the Church, which dates would be given to Veronica beforehand. The Blessed Mother also instructed Veronica to disseminate the messages given to her throughout the whole world.

Our Lady has requested that the Rosary be recited aloud by the crowd during the whole of the Vigil. All are requested to kneel in the presence of Jesus. The Message is repeated word for word by Veronica. Veronica also describes what she sees. All is recorded by audio tape.

#### SACRAMENTALS NEVER TO BE REMOVED

"My child and My children, I have given you—I should say My Son and the Eternal Father have given you your armor. You must keep about you at all times—at no cost must you remove from your bodies your crucifix, the St. Benedict medal, and your Scapular. I say this for reason.

"Now, My child, this week you were placed in great trial. I want you at this time to explain to others just what transpired when you removed your protection."

Veronica—"I do? It's embarrassing."

Our Lady—"Yes, My child, reach out to the world. You were allowed to go through this crucible for a reason."

#### A LESSON LEARNED

Veronica—Well, last week on Monday, I had to go to St. Charles Hospital for tests, seven different tests. Blood tests, EKG, everything you could think of, I went through there.

However, when I first arrived, they said to me, "Take off your medals and your Scapular." The lady seemed to know the Scapular. I said to her, "I really don't want to take off my protection." She said, "We're here to protect you. Here, let me have them and I'll put them in your bag." So off she took them.

Now I was at a terrible position of either losing my test and giving her an argument because she was a very stern individual. So I said nothing at that time, and she went forward and made her tests.

All right. Now I was there quite a while in the hospital, as you understand when you go through those tests and wait, and wait, and wait. Now at that time then, when I was finished, I was quite hungry, and so was Arthur. So we took off for a McDonald's along the highway for breakfast.

Well fortunately, Our Lady and Jesus held back what was to happen until we at least had finished our breakfast. But unfortunately for the others who had just arrived, they were at a disadvantage. Because as we finished the cup of coffee, a man ran to us and said, "Leave here in an instant. The place is going to blow up!" I said, "What?" And then I smelled gas. I knew there was something wrong.

Well, everyone started running, and I mean they ran out of that building with me fast ahead, and Arthur, and my bag, and we jumped in the car and took off. Because you could smell the gas exuding out of that pipe.

Well, I found out later—but this was only the beginning—I found out later that these men who had a big crane had chopped up the gas pipe and out came the fumes. And if somebody had lit a match in that place, because the fumes were all around us, we would have went Boom! So I got outside in the car and I said, "Oh, thank you Jesus, Blessed Mother."

Well, I guess the old boy figured I'll still get her, so I arrived home thinking now I'm safe. Oh, yeah?

I noticed that my dog had been eating a lot of bones and things and left little slivers on the floor. But they were only tiny little slivers. I say this for a reason. But my dog liked these milk bones. They were a sort of a pinkish brown color, if you know your dog. He's a poodle and he loves milk bones. So he gets those.

However, I was sweeping up the floor, with some popcorn that Arthur had dropped, when all of a sudden I said, "Gee, what in the world am I eating? What am I eating?" But in the beginning, I had the feeling I was going to choke, so I opened my mouth. There—what was in my mouth, what was in my mouth but two large chunks of dog biscuit! Now, I'm not eating dog biscuits. So I said, "Ah-hah! He's still after me." And I said, "And I know what it is."

Because you see, Our Lady let me go through this so I'd learn a stern lesson. And She wants everyone to know about this. And anyone that doubts this, I'll prove it to them.

Because my husband came running in, and I said, "They're trying to choke me or something." "So what is it?" says Arthur. I

# CURE OF CANCER

I started going to Our Lady of the Roses Shrine in 1975, and I went with great reluctance because I read the messages and thought they sounded very fanatical. But I felt, well, I should go and check it out anyway, and I'm really happy that I did.

I went there for many years, and became sick in 1979 and found that I had to have an operation. I was diagnosed with having ovarian cancer, with a

very poor prognosis—and it's thirteen years since that happened! I went to the Shrine, and I feel that I was cured by our Blessed Mother and Jesus. . . . Now I know I'm cured because it's thirteen years later. . . . I would hope that anyone that has any doubts about going to the Shrine would go and see for themselves. . . .

I believe the night that I sat in the circle that Veronica came over and blessed me, I believe that was when my cure took place. . . . It was about 1981.

Sincerely,  
Nancy Ligouri  
Stamford, Conn.

August 12, 1992  
Our Lady of the Roses  
Re: Ms. Nancy Ligouri

Mrs. Ligouri was operated upon by me for an intra-abdominal malignancy on March 25, 1979. A copy of the operation and pathology report is submitted. She was found to have an undifferentiated adenocarcinoma, most likely of ovarian origin. The slides were also examined at Memorial Hospital in New York City, and they agreed with the diagnosis. A copy of that report is also submitted.

Mrs. Ligouri was treated with chemotherapy by Dr. Victor Grann until December of 1979. She stopped the chemotherapy

because it made her feel ill, and she stated that her faith in God was unusually strong and was the most important factor in her continued good health. Her last complete examination by me was performed on January 19, 1989, and there was no evidence of recurrence. A CA-125 was performed on February 1, 1989, and that was normal at 4 units/milliliter. Since seeing me, she has been followed at Kaiser Permanente and continues in good health.

Mrs. Ligouri had a very malignant process in 1979, with a very poor prognosis. Thanks be to God that she is apparently cured. Hope this information is helpful.

Very truly yours,  
Peter A. Goodhue, M.D.

said, "Dog biscuits in my mouth, big pieces!" "How did they get there?" "I don't know," I said, "but then I think I know."

So I ran right in, got my St. Benedict medal out of my purse that I had forgotten to put on in all the excitement, and also the Scapular. And I assure you I don't care if they have to tack it to my nose the next time! I'm not taking off my Scapular and my St. Benedict medal for anyone, including your crucifix also.

So you can see Our Lady allowed this for a reason. And I feel that—you know it was a little embarrassing to come forward, but Our Lady said She wants others to know this because there will be others who will have this experience if they are not protected with their Scapular, the St. Benedict medal, and a crucifix.

Now Our Lady is smiling.

**Our Lady**—"You see, My child, the world would have nothing if man was not free to speak out."

Veronica—Now Our Lady is looking about Her, and She said to listen carefully.

**Our Lady**—"My child, you understand the Eternal Father is most merciful, and My Son does not want the world to be destroyed. However, great tribulations shall be set upon mankind. Sodom and Gomorrah were destroyed, destroyed by fire and brimstone."

## LEADERS GOING DIRECTION OF SATAN

"What can you expect upon your country which allows homosexuality to flourish and become the way of life which now your leaders under a banner of truthfulness and faithfulness to his God, have now torn down that banner and is going in the direction of satan.

"Laws are being made now to protect the offenders of God, the homosexuals. Mankind will have a banner ahead. There will be tribulations set upon the world before My Son returns to gather His own. Yes, in time many will be removed from the earth. However, there will be a tribulation before that moment.

"My child and My children, keep a constant vigilance of prayer going throughout your country and the world.

"And My children of the earth and the once-beautiful United States of America, do not sell your souls to get to the head! Money has been called the root of all evil. Already the young are being tarnished, their souls corrupted by their elders.

## ENSLAVED BY DESPOT

"What, O what, My children, can you expect from the Eternal Father? My Son constantly pleads your cause before the Eternal Father. However, the time is growing short. That's why, My child, I brought you here this evening in your debilitated state, as an act of mercy to the world, to turn from their path of destruction. Your nation, the United States, shall fall to the despot, and you will be all enslaved by him!

"I know, My children, many of you who hear My voice or My words will say, 'How can this happen to us?' But We heard that, the Eternal Father has said Himself that He heard that many years ago when He sent prophets to warn Sodom and Gomorrah, and they, too, did not listen.

## IF YOU SWERVE...

"So now, My children, you will go forth as soldiers for Christ, My Son. If you swerve in your course of dedication, you can lose your eternal soul. Is this not worth fighting for, My children? Go out as soldiers of Christ! Carry the banner called Faithful and True!

"And do not be swerved by the works of mankind. Because what is coming out in your press is controlled, My children, throughout your country and the world. You must pray to be enlightened, so that you will not be deluded by the forces of evil loosed in your country and other nations of the world.

"Now, My child, you will sit back, and I want you to take several photographs of light."

Veronica—"May I decipher them publicly?"

**Our Lady**—"Yes, My child, you may. It will save time."

Veronica—. . . is going back into the sky. Oh, She looks so beautiful. Our Lady is smiling, She's looking all about Her. It must be quite windy up there, because Her cape—I didn't tell you, She has on a beautiful blue cape. I guess you'd call it a cape; it goes all around Her head and down the sides. And She has a cream-colored gown on with a blue sash. I don't think I have ever seen Our Lady in a blue, a light blue cape before, but it looks just beautiful.

Now Our Lady is touching Her lips.

**Our Lady**—"I am not leaving, My child; I will stay here. And if I interrupt you, you will understand that there is a mistake in the deciphering. If I do not interrupt you, you will go ahead." □
