November 2000
Holy Souls in Purgatory

*This is the one and only group started by Veronica Lueken through the Blessed Virgin Mary directly from Heaven.
'Our Lady of the Roses, Mary Help of Mothers Shrine.' All else is man-made.*

We felt that it is of the utmost importance to include the entire message pertaining to the Holy Souls during this month of November. We left out our usual photo and shortened the testimonials. The plight of the Holy Souls is so very desperate. Prayers and sacrifices offered on behalf of the Holy Souls in Purgatory covers all the Spiritual and Corporal works of Mercy.

Please be generous to them in November and also remember them with masses provided by your Churches.

Vigil of February 10th, 1974

Veronica - "Now She's looking down very sadly, Our Lady, and She is saying:

Our Lady - "Many prayers are rising to Heaven, My child. Many souls await your prayers to be released from the place of purging. There are not enough prayers for those who are being purged. Many are forgotten once they have left their worldly lives. Families, once united in love, why have you forgotten your loved ones?"

Veronica - "I'm now looking beyond the gates. They're the gates I saw when Our Lady released all those wonderful, happy people, but now as I look beyond the gates I see many people, but they are in a condition I....it makes me very unhappy to see. They are very illuminous and glowing. They seem to glow an orange color, like they're burning. And their arms are all raised up, or outwards towards the gate. And now I hear cries. Many voices are crying,

"Spare us, O Lord! Quench the fires of thirst within us!"

Veronica - "And now I hear a voice. It's the voice of a woman. She's an elderly woman. She is crying:

"Virginia, Virginia, why have you forgotten me?"

Veronica - "Ahh. Oh. Now it's growing dark. It's very, very hurting to see these people. I know they're human beings, but they're in a void. It's a painful void. It's like they're suspended in a, in a, in a, in a void where there's nothingness. And they're reaching up, and they're crying because they're helpless. I see now two who have sort of floated up toward this gate. And they are looking out, and they're asking,

- *"Please! Two Masses for me. There is no one to release me. Please,... two Masses for me!"* Oh!

"Robert. Helen. Two Masses for me." Oh!

Veronica - "Now Our Lady...it's growing dark. I can't see these people any longer and Our Lady now is coming over to the right side of the flagpole.

Our Lady - "My child, it is sad that there are many who will spend eternity, unto the end of your time, awaiting their release, for they have no one to sacrifice or pray for them. Many who have entered into this purgatorial purging site have done so because of sins of the flesh.

"You may not understand, you cannot understand, My child, the ways of the Father. But a soul must be as pure as the brightest star in Heaven before it can enter into the Kingdom. Many parents are responsible, My child, for long stays for their

children in Purgatory. They do not protect or prepare their children's souls. Do not rely on the false teachers who are gaining in number about you. Each parent must assume full responsibility for the salvation of his children's souls."

Vigil of May 22 1974

Our Lady - "You must tell My children upon earth that they must not cease their prayers for their friends, their brothers, their sisters who are waiting with much anguish to be released from Purgatory."

Veronica - "Oh! Ah! I'm looking, oh, -I'm looking - oh, I'm looking into a very, a very deep chasm, hole like. It seems like a void, a large space. I can see many, many people - many people. They're not red and burning like the people who were down in the big black hole, but they're a very light orange color. But I see that there is a deeper, a deeper hole below them. Now Our Lady is coming over."

Our Lady - "My child, I wish to reveal to you one mystery of life beyond the veil. There is not just one place of purging. No, My child, there are stages for the purging. Many will be here in the lowest stage unto the end of your world, only because there is no one who can make restitution to the Father for the offenses committed by these souls while they were upon earth. Yes, My child, there are many here who have no one to pray for them. They are helpless as they wait. One thought, one kind memory can ease part of their suffering. Just one kind thought, one memory can ease a part of their suffering. Many here have been forgotten by their own.

"I say to you now, My children, while you are upon earth: You shall reap what you have sown. Therefore, use your time wisely by gathering the graces, graces in abundance now within your reach. You have, as you are still upon earth, a Heaven-given power to release your brothers and sisters. Pray for them; make sacrifices for them; release them. And when you do, their power will be great enough to bring you into the Kingdom."

Veronica - "I see also, Our Lady now is taking my hand. We're going down past these poor people. They can see us. Oh! Oh, we're going down now, farther down. Our Lady refers to it as the 'second stage'. And now I see - oh, there are many priests, many priests down here. Oh. Oh. and there are - they are also Bishops and Cardinals. I can recognize them! They're holding their faces in their hands."

Veronica - "Oh! Oh. Now Our Lady is moving over. "Don't leave me here!" [Veronica sobs.] Now Our Lady is taking my hand; we're going up. Take me out! Oh! I don't want to look! [Veronica sobs]

Now Our Lady is pointing down."

Our Lady - "You see, My child, why I ask that you call for the prayers for your priests. Without your prayers, many will spend years, many years of purging in the second stage."

Veronica - "Oh! Oh! Now we're over and are going up into the light. Oh! Oh, I feel like I've come out of some place where I was burning all up. Oh! Oh! Oh, I can breathe again.

Our Lady - "Yes, My child. If only all mankind could look beyond the veil, My travels throughout your world would not be necessary."

Vigil of September 7, 1974

Our Lady - "Come with Me, My child, and look!"

Veronica - "Oh! I'm looking down now into another pit. It's like the very ground is opening up and I see a very dark place but it's bright on the top. But we're going down further and I see people but they're glowing also. Now, down, deep down into the hole I see - it's like a void and I see people sitting there. Some are orange, others are just starting to turn orange in color. And they're crying. I can hear words. They're all in a horrible anguish and I hear two - I think they're speaking to each other:

"Oh, if we could only go back and tell. If we could only reveal to those on earth what we now are living."

"Now Our Lady is taking my hand. We're just floating. We're just floating up around this large deep pit."

Our Lady - "You see, My child, the place of waiting, the place of cleansing. Very few escape waiting."

Veronica - "It is Purgatory! There seems to be various levels as I look down. On the top - the place I would rather stand if Our Lady would let me - a little further up, it's not the terrible feeling of anguish. It's not so bad here, Our Lady! It's brighter and brighter."

Our Lady - "That, My child, is because the human soul knows that it's release is near."

Veronica - "Now Our Lady is taking my hand and we're floating up, up and Our Lady is pointing up to the sky. Oh, and there's a beautiful great light in the sky."

Our Lady - "My child, that is where all mankind should strive to reach. Beyond the farthest star is an eternity of happiness with the Father in the Kingdom of Heaven.

"Is it worth, My child, for any man to make the decision of living upon earth - so short in years, a life offensive to the Father that he cannot then enter into the Kingdom of God? Shall you trade your souls for worldly gain and the few short years of pleasure, the destruction of your soul upon earth?

"My tears are great My child for so few search for the truth and so many are taking this truth from among them. Believe My children and you will be given the way. Seek and you shall find. Ask and it will be given to you, however, you must care, you must want to come to Us. No love can be forced upon you."

Vigil of November 1, 1975 - Eve of All Souls

Our Lady - "However, there are many souls, My children, waiting to be taken from the place of purging, purgatory. They are helpless without your aid. Will you not give to them these graces that you can gain so freely upon earth in your lifetime! They will reward you threefold for your warmth of heart. Many shall be in Purgatory till the end of your world unless you help them. Many discard and forget the memory of a loved one as time erases it from their minds.

"Remember, My children, one day each one of you will be in the same position. Shall you have someone to pray for you, unless you give this example now and this teaching? Who will pray for you, when you come over the veil? Who will offer indulgences and sacrifices for you? Would it not be better, My children, to start now to safeguard your entrance into the Eternal Kingdom?"

To the Lady Workers

I have received your most wanted message from the Lady of the Roses Mary Help of Mothers. I am so thankful, so pleased and so happy.

My husband was diagnosed with cancer in his stomach. I am so sorry and worried about this I prayed to Our Lady which I know pretty well about Her being a Mother and very kind. I said to myself that I knew She has the power for miraculous cure through the rose petals that were sent to me by the Shrine workers. His operation is successful and after one week in the hospital we went home to my daughter's house to rest and to get well. The doctors from the hospital told us that after a week he will return to the hospital for xray and to be examined for his chemo therapy. On that night. So I told him that he will put the rose petal to his stomach and together we prayed the Rosary and pray to the Blessed Mother. After 30 minutes my husband woke me up and told me what happened to his stomach that as if somebody massages his stomach 3 times and told me he is well. So thank the Blessed Mother and Our Lord Jesus for this. So when he was xray, the doctor found out that it is clear and no sign of cancer anymore and no more therapy. I was so happy and I cried and cried and give a millions of thanks and praises to Our Lady and the Lord Jesus.

And the doctor in the hospital when we go home to the Philippines he will go to a doctor for check up. After a month we went to the doctor and hospital for his xray and check up. They found out that it is clear and no more sign of his cancer, but only acid. I don't know to describe how I feel and praising and thanking *Our Lady of Rose* and the *rose petal* help my husband and his recovery. Now we are still in the Philippines and I told people how he was cured and every person asked from me rose petals. I told them that there is an address on the rose petals and told them to write. Well this is what I can tell you and many thanks to all you. More power to every each of you may Our God the Almighty and the Blessed Mother bless you all. Respectfully yours, C. R, Philippines

"Please submit all testimony of cure, conversion of heavenly manifestations for the records we keep for Holy Church."
