

Our Lady of the Roses

Mary Help of Mothers Shrine

**The Messages of the
Blessed Virgin Mary and Jesus
through Their chosen 'voice-box'
Veronica of the Cross**
[Veronica Lueken, 1923-1995]

1970 to 1971

A reprint of Veronica Lueken's original early messages
printed and distributed in 1973.

Our sincere thanks to the thoughtful pilgrim from Washington State
who discovered Veronica's early messages in her home closet of her
deceased mother's books and sent it to the Shrine office

Our Lady of the Roses ®

Note from the Shrine:

We hope you enjoy his reprint from Veronica's early handout copy to pilgrims from 1973.

We wanted you to see the original text and hand typed copy with Veronica's introductory paragraphs.

Please excuse the poor quality of the typeface. We will print a new version on larger type shortly.

Thank you.

DIVINE REVELATIONS FOR THE WORLD FROM OUR LORD, JESUS, AND "OUR LADY OF THE ROSES, MARY, HELP OF MOTHERS", GIVEN THROUGH VERONICA LUEKEN AT THE SACRED R. C. CHURCH SITE, BAYSIDE, LONG ISLAND, NEW YORK.

The following is a brief account of Veronica's private revelations from HEAVEN.

Veronica, age 48 (in 1971), a mother of five children, had never before received any manifestations from Heaven until June 6th, 1968, when a strange fragrance of roses and beautiful perfume was strongly evident from an unknown location on that date as she prayed her daily Rosary before her bedroom crucifix. This continued for days.

Later, on August 6th, 1968, when Veronica was in her bedroom, there appeared a bright and forceful explosion and what seemed to be a hard slap on the face. Veronica remembered a 'voice' at that time saying: "You must never honor a human being or worldly material without honoring the Mother of GOD first.

Days later Veronica was awakened during the night by a voice (inner sound that impinges on the intellect, not sound of ear) that said, "Veronica, I want you to write, get out of bed, you must write what I tell you". Veronica arose, much frightened and Veronica's husband also awakened and watched as Veronica asked for a pencil. Her husband said it looked like she was in a dazed trance or something. She wrote and wrote things which Veronica did not understand and then returned to bed. Later, Veronica was to learn that this unknown 'face and voice' dictating to her was St. Therese, the 'Little Flower'.

The writing continued for years. It was all mailed to the Carmelite Nuns, LeSieu France, the home of St. Therese during her earthly existence. The hand written manuscripts of messages were scrutinized and commented upon by the Nuns. The writings were then placed in storage there at the Carmelites for posterity.

During this time of the writings, Veronica consulted Father Sullivan of her Parish, as, she was most bewildered by these occurrences. Father assured her that there was no need to be disturbed as she was just to pray, and Heaven does work 'in mysterious ways'. Veronica also consulted with Cardinal Cushing through much correspondence - in summation the Cardinal assured Veronica the same as did Father Sullivan, The Cardinal voluntarily and personally said three Masses for Veronica to give her strength and divine assistance, also during the time of writings, many prodigies and manifestations took place as Veronica continued to write under the directions of St. Therese, AND then our BLESSED MOTHER appeared to Veronica. Our LADY also appeared to a neighbor, a young lady Grace Pera with Veronica on May 19th, 1970.

On April 7th, our LADY said that SHE would come to the sacred site of Veronica's parish Church on the eve of all Feast Days. Our LADY also said at that time that SHE wanted a Shrine there, to be called, "OUR LADY OF THE ROSES, MARY, HELP OF MOTHERS." Full directions were given to the Clergy of the Church to prepare for the first visit of our LADY to the Shrine on June 18th, 1970.

From the date of the apparition and message, messages which our BLESSED MOTHER instructed to be forwarded to the whole world. Miraculous photos were taken during the Vigils by various instamatic Polaroid cameras which produce 'tamper-proof' photos Polaroid has no explanations. Rosaries turning from their natural metallic color gold during the Vigils. There followed cures and conversion and people returning to the faith. Veronica has a file with many many testimonials including a set of crutches left at the Shrine by a young man following his cure. 'I speak the truth in CHRIST, I do not lie, my conscience bearing me witness in the Holy Spirit, that I have great sadness and continuous sorrow in my heart' (Rom-9-1). 'Blessed are you when men reproach you, and persecute you, and speaking falsely, say all manner of evil against you, for my sake. Rejoice and exult, because your reward is great in Heaven; for so did they persecute the prophets who were before you, (Matt-5-11-12). 'Watch, stand fast in the faith, act like men, be strong')(Cor.-16-13).

One item that the BLESSED MOTHER continuously warns us through Veronica is that unless many many more people through the world (the sinners, the luke-warm, the devoted, all the pious and all living saints) increase their Devotions, increase with more fervent prayers, more sacrifices, and learn to truly love their neighbor, love and honor GOD and all his angels and HIS SAINTS: GOD will not hold back the Chas-

DECLARATION

IN ACCORDANCE WITH THE DECREE OF POPE URBAN VIII WE DECLARE THAT IN SPEAKING OF EVENTS, PRODIGES, AND MIRACLES, WE WISH TO SPEAK OF THEM IN THE SENSE IN WHICH THE ECLESIASTICAL AUTHORITY HAS APPROVED THEM, WITHOUT DESIRING IN ANY WAY TO ANTICIPATE THE DECISIONS OF THE HOLY SEE, AND IN ABSOLUTE SUBMISSION TO THE AUTHORITY OF HOLY CHURCH.

JUNE 18, 1970: "My tears fall on you....pray My children. So many souls will be lost. It is because I love you that I come.... Everyone has to care!...These are My Pearls of prayer to Heaven(the Rosary)....Blessed is he who extends his love to his brothers and gives his heart to me.... I love you all, My children, but you MUST pray more!..."

AUGUST 14, 1970: "...This should be a most joyous occasion, My children, but we look down and see thousands of slaughtered innocents!...Thou shalt not destroy a creation of The Most High..." (Reference here to abortion.)

DECEMBER 24, 1970: "...Many sciences, many false religions will try, I say, try to take the place of Truth Personified by Your God! Believe me, My children, when I tell you that they only succeed for the moment, for all this will be separated from the sheep..."

FEBRUARY 1, 1970: "...I must warn you of the appearance of many false prophets, they are sent by Satan to confuse you. Rely not on their word but look for the Word of God"

JULY, 1973.

Bishops throughout the world have persistently ignored—even censured—recent manifestations from Heaven that depict the moral decadence of our times. Italy, Portugal, Spain, France, Poland, Venezuela, Mexico, Czechoslovakia, and other countries have witnessed Heavenly manifestations since the 1930's, only to further witness indifference from the Church Hierarchy. Can this be explained in Our Lady's words to Veronica on February 1, 1971: "I beg you now to keep a constant vigil of prayer...How we cry in Heaven for the sadness ahead...You will not receive a kind ear from the clergy, for man can be wise but stupid. Man has grown soft in the luxuries of his worldly life. Man no longer seeks the Revelation in the Bible...I am forming our Little armies, My children. Won't you join us in this final battle? This is the Armageddon.

Why does one say that Veronica far exceeds any historical messenger of God? Surely the sense meant to be conveyed here is not that of contrasting holiness with others since such belongs to God alone. The intention here is to make clearly manifest the severity and seriousness of the message of Our Lady, namely, that we are in the days of Armageddon. On June 17, 1971, Our Lady said: "...These are not ordinary times, these are not ordinary days; no, if you read the words left by the prophets, you will understand the Book of Life (Bible)..." On April 14, 1973, Our Lady commented: "...Many manifestations will be given that have not been seen since the beginning of creation..." Our Lady further added on April 21, 1973, "...Do not be surprised—for nothing is impossible with the Father. Have you not received a small evidence of this in your photographic manifestations?..." If at Bayside photographic manifestations are occurring that surpass the understanding of professionals solicited for advice, and if this is but 'small evidence' of the power of The Father, then the message of Bayside transcends the ordinary events of contemporary society, including space travel. One cannot react minimally to Bayside if he truly desires eternal salvation.

INTRODUCTION

In every century, in every religion there have always been mystics who claim to have had private communication with their gods. Few have taken them seriously. These mystics endured the slander of the cynic, the vast indifference of the public, the unfolding days of their prophecies. They go on with their visions and sermons sustained by some inner conviction of their own that gives them purpose and direction, their mission, their terrible need to save us from God's wrath and our own depravity. But the case of Veronica of Bayside, New York far exceed that of any historical messenger of God. With the prophecies of the past rarely fulfilled in the lifetimes of previous mystics, we find the prophecies of Veronica already unfolding. We also find picture representation that far surpasses human reason to verify her statements from Heaven.

Veronica Leuken, wife and mother of five children, suddenly found her life completely changed in 1968 when she began to receive heavenly manifestations. First St. Therese appeared and gave her poetry and sacred writings and prepared her for the first coming of Our Lady on June 18, 1970 at the statue in front of the old church of St. Robert Bellarmine of Bayside, New York, which church is presently a gymnasium and on opposite side of the block from the recently constructed St. Robert Bellarmine Church. On the shrine grounds Veronica received specific instructions for the erection of a future shrine to be named "Our Lady of the Roses, Mary, Help of Mothers". In spite of the indifference to the requests of Our Lady, she has appeared on the eye specified feast days since.

DECLARATION suite.

Probably the most astounding message of Bayside is that concerning anti-Christ. Our Lady said that he, the man of perdition (anti-Christ) entered the United States on January 21, 1971, and entered 'your Holy Church'; She further reported that he 'spread destruction throughout your land', before proceeding on into Egypt and Israel, and that he will bring Russia from the North. "Wake up to the Truth" she pleaded, "His reign will be longer than man expects. The interpretation of man has erred the time and one time and a half is in Heaven's time. The earthly time is very much longer. Do not be frightened, My child, at the sights sent to you, for this is for your own protection! Truly the messages of February 1 and 11, 1971 resound with pleas from Heaven: "The next abomination to My Son's heart-do not accept His body in your hands, for some will seek to cast His body in the holy water fountains, for such is the work of Satan, to degrade My Son's body!" Our Lady did not let the matter rest there: "I admonish you again! Parents, remove that diabolical sign of Satan from your children's throats, for it will strangle their souls; this mark of the anti-Christ, the cross that is broken, used as a disguise-the peace symbol..." We are well aware that extreme caution should be used in approaching all private revelations, which caution is graphically exemplified by the classic instances in which a Saint has been proven wrong in his predictions: St. Vincent Ferrer (1350-1419) went about preaching the coming of the anti-Christ and the end of the world in his own generation! Also there is the problem of one saint contradicting another in a revelation. But the exhortations of Veronica of Bayside on anti-Christ, on abortion, on the reception of Holy Communion in the hand, on the peace symbol, etc., are substantiated with 'supernatural' photographic manifestations, and one cannot so easily ignore these. Caution we will use..and prayer, penance, atonement, and sacrifice...and, leaving the final decision in the hands of our Vicar.

Another area of friction is Our Lady's reference to the POSSIBILITY (never stated as absolute, for that rests in man's will) of the removal of Pope Paul VI in order to seat upon the throne of the Papacy '...him who seeks to destroy...' an antipope. On October 6, 1972, Our Lady revealed: "He will have on his coat of arms the Half Moon Sickle..." Is it coincidence that the holy bishop St. Malachy referred to the pope succeeding Paul by this phrase: De Medietate Lunae, that is, of the half moon?

0 0 0 0

Punishments are coming, Our Lady cries, and She is alerting mankind to them. Already the first prophetic chastisement of Veronica (see April 1, 1972) - floods - was fully realized with the worst natural disaster in American History by Hurricane Agnes in June of 1972. Northeastern Pennsylvania, among other areas, surely tasted God's recipe. But it didn't end there. The Philippines and Korea followed with floods in August of 1972, and the Mississippi River unfurled its wrath in the Spring of 1973. Now we await the 'great heat' - to coincide with the Garabandal warning and the Kohoutek Comet. Let us not forget the infant epidemic foretold. And then there's that Ball of Redemption...the terrible World War III out of Jerusalem...the three days of darkness...! Does it have to come? NO! It should be well noted that those calamities that threaten the human race are CONDITIONAL in quality. It is constantly made clear at Bayside that if man turns from his sins, returns to God and does penance, the scourges will not fall. Noted other examples are the messages given at La Salette, Fatima, and those by Our Lord to Blessed Anna Maria Taigi. The most notable example of course is that found in Sacred Scripture itself when Jonas preached to the men of Niveh.

Prayer, penance, atonement, sacrifice: the wearing of sacramentals, the frequentation of the Sacraments, the PRAYER of The Rosary. THIS IS THE MESSAGE OF BAYSIDE. Won't you, dear reader, cooperate with us in this venture?

MARCH 24, 1973: "... (Our Lady speaking to Veronica)... You will be very busy studying the incoming stores hidden in these photos. We have adopted this means to communicate with a blinded generation. As we gather the sheep, many will receive manifestations... Many will be given the sight to see beyond the veil as we rise up to do full battle with Lucifer! The days upon your earth are counted..."

APRIL 14, 1973: "... Many warnings have gone by unnoticed as such in your country, and the world. The intellectual scientists of your decadent age have chosen to set up a barrier to truth by 'rationalization' without inspiration from God, Your Father... Many manifestations will be given that have not been seen since the beginning of the creation... GOD IS GOD WAS AND GOD ALWAYS WILL BE..."

APRIL 1, 1972: "... Floods, great heat, you will have visited upon you a plague... Keep your monuments (statues, etc.) in your homes. Pray that the Devil remains from your home, and you will be saved! Your country will be cleansed by trial, and should this not bring you back, you will be led to your own baptism of fire! Atonement, sacrifice - I beg of you NOW!..."

FEBRUARY 10, 1973: "... Do not be deluded by Satan's plan to take from your mind the existence of a purging place and Hell! They do exist - and they have existed since the time of the angels, when they were cast forth - as man, too, will be cast forth when he becomes disobedient and arrogant to his God!

MAY 30, 1971: "...I do not wander the world for socializing. Yes, I came because of love....My child, tell the world now there is a Hell. The evil one seeks to remove the thought of 'punishment' from sin. Sin will then be a 'a way of life!' It becomes easier to delude you then, to capture your soul...."

JUNE 17, 1971. ... "Yes, you can be conditioned to accept error! You can be conditioned to be confused and no longer recognize the truth...you can be deluded and misled and not see the evil about you!

MESSAGE GIVEN ON FRIDAY, JUNE 19, 1970, FROM OUR LADY TO VERONICA
(in voice locution)-

"Be patient! We have much work to do! YOUR work is JUST beginning."

JUNE 20, 1970, Saturday, at 1:35 PM Our Lady said (in locution) to Veronica:

"Many Rosaries must be said! There must be VIGILS kept on feast days AT THE SHRI. The first VIGIL will take place on July 1, 1970 (the Feast of the Most Precious Blood of Jesus) at 9:00PM which is the Eve of the Feast of the Visitation of Our Lady to St. Elizabeth. Candles must be carried at ALL VIGILS, to be lighted at the time of TWELVE To herald the new day of the Feast.

"As candles are lighted, this prayer is to be said:

"Mary, Light of the World, pray for us!

Our Lady of the Roses, Pray for us!

Mary, Help of Mothers, pray for us!

(Over and over again)

JUNE 21, 1970. At Holy Communion, Jesus said to Veronica: "The PENANCE OF THE WORLD WILL BE HEAVY!"

OUR LADY OF THE ROSES SHRINE

August 14, 1970

Continued messages given to Veronica by Our Blessed Mother at the site of Her Shrine outside the Old St. Robert's RC Church. The Blessed Mother appeared to Veronica and said:

"This should be a most joyous occasion, My children, but we look down and see thousands of slaughtered innocents! We cry tears of anguish! THE FATHER DEMANDS PUNISHMENT! We beg penance and reparation of you all! All loving hearts must bear the burden of this sorrow to pray for those lost on the road to perdition, forever, to be lost to Heaven. Pray, My children! Never cease in your prayers for many are at the brink of eternity on the road to eternal damnation. THOU SHALT NOT DESTROY A CREATION OF THE MOST HIGH! REPENT! Repent now while there is still time!"

At this moment, Our Blessed Mother said to Veronica: "Look, My child, on the punishment to be! The chastisement will be metered in measure of the extensive infestation of man's sin and his disregard of all urgent admonitions and requests for immediate reparation!

"Veronica remembered the 'voice' saying at that time, 'You must never honor a human being without honoring the Mother of God first! Write this:

"TO A MIRACULOUS MOTHER"

Blessed Mother by my guide,

Be here always by my side.

Take me through this world of sorrow,

Show me there's a bright tomorrow!

"Later, Veronica was to learn that this unknown 'voice' dictating to her was Saint Therese, the Little Flower.

"Well, after this, many prodigies and manifestations took place while Veronica 'wrote under the direction of Therese, and then Our Blessed Mother, Who then appeared to her. Our Lady also appeared to a neighbor, Grace Pera, with Veronica on May 19, 1970.

"On April 7, 1970, Our Lady said She would come to the site of the Old St. Robert's Church, as She wanted a shrine there, to be called: 'OUR LADY OF THE ROSES, MARY, HELP OF MOTHERS!' Full directions were given for construction, etc. Directives were to be given to the clergy of St. Robert's to prepare for the first visit of Our Lady to the 'shrine' (on) June 18, 1970.

"From date of first apparition and message, miraculous photos, Rosaries turning from silver to gold color, followed by cures and conversions, took place. Our Lady directed a medal to be cast, a miraculous medal of 'Our Lady of the Roses...'

"In one year Our Lady's messages have been made known in America, Europe, South America, Canada, Central America, Asia, and all in the plan of heaven. We need all who 'care; who love, to join in the spreading of Our Mother's and Jesus' Words-time is of essence-we must save all souls. Heaven will bless in abundance those who will reach out to rescue their brothers and sisters from Lucifer, Satan, the ruler of the darkness.

"Our Lady carries the Light; won't you light YOU R candles?"

OUR LADY OF THE ROSES,
MARY, HELP OF MOTHERS
SHRINE

Bayside Hills, New York

"Our Blessed Mother came to Veronica, in locution, on June 18th, 1970, at the site of Her shrine, and said: "My tears fall on you." (At this point, Veronica broke into tears, many tears). "Pray, My children! So many souls will be lost. It is because I love you that I come." Then She said to Veronica: "You will have to suffer, My child, Cry with Me, My child, for I have never stopped crying." (Veronica weeps bitterly.) "Pray, pray always because so many souls will be lost! I have come to save you! Turn back! Turn back! So many souls will be lost! Listen to me! Pray, please pray! There is hope in prayer! The darkness grows deeper. I carry the Light... Much to Suffer.... Listen to Me!" (The Blessed Mother cried bitterly.) "Pray! Pray! Pray! Love Him.... Love My Son! Do not hate My Son!"

"Then Our Lady told Veronica to repeat the message given to her some time back: "All hearts must ascend in true supplication to avoid the sad fate of divine devastation. Dear Holy Mother, Our Mother of Love does beg us to heed these dire words from above: His Heart is torn by careless surrender, of too many souls that don't try to remember, the Father, the Son, the Spirit of Life, smite in the heart with the human knife of HATE! GREED! AVARICE! VANITY!, all indications that sin is insanity! What more must we do but place the full load of saving all souls on the few who are bold who'll stand up and fight for all heaven's glory, and meet with Pope Paul at the end of 'Life's story!'"

Then Our Blessed Mother appeared to Veronica again and said: "Be not slack in your prayers, My children, by following the pleasures of this world's time for there is no measure of 'time' in Heaven! A thousand years (our time) here on earth is as one day (heaven's time)! The brightest stars in Heaven won their crowns through suffering! Heaven lies just beyond the light sent forth by the Father of Love! Do not disrespect our Vicar! He is NOT the cause of the discord or the disorder! Many of His trusted have fallen! Desecrate not the physical presence of My Son on earth! (The Host, the Tabernacle...) Oh, thoughtless, careless child, how long can I hold back His hand? Pray, My children, Pray! Recover all souls from Purgatory! Physical death is but the beginning of the spiritual life, the eternal life! I am the Mother of the

world! Come to Me for I will comfort you."

Then Our Lady said: "Tear down the temples out up by Satan, for many are in your country now! Store up your graces, My children, the final battle is near!"

+++

(Our Lady referred to the "cult of Devil Worshipers" and also the Black Mass now in existence in various cities of our United States, New York, California, San Francisco. They are conducting sacrificial rites of a demonical nature involving human desecration of the body. BLASPHEMY AND MOCKERY of the soul against God! Denial of the Majesty of the Eternal Kingdom of the Father. Many people of high social standing have joined in these groups. They seek the WRATH OF GOD! Their debauchery has been publicized on television and in many of the papers.)

At the hour of 12 midnight, this intonation is said:

"Mary, Light of the World, pray for us!

Our Lady of the Roses, pray for us!

Mary, Help of Mothers, pray for us!"

+++

MESSAGE GIVEN TO VERONICA ON SEPTEMBER

7, 1970, Our Lady of the Roses Shrine, Bayside, N.Y.

Our Blessed Mother frowns on certain fashions-always be Mary-like in dress-avoid shorts and slacks!

Veronica saw the Eagle in vision-it was most frightening, for THE EAGLE was a blackened charred skeleton.

Our Blessed Mother then said:

"Victim souls are needed-souls who will accept out of love the cross-in loving union with Jesus for world atonement. I have come to warn you, My children, the hour grows short-I roam the nations-crying for souls-for the chastisement is imminent! Repent!!! A blackened moon- a bleeding sun-holes in the earth-high waves-screaming voices-all quiet-cities leveled Pray to My Son to send forth the Holy Spirit! Keep your Rosary about your neck-not for decoration-but to pray-to have it always with you. I send forth My graces in abundance. Redemption, Grace, Peace!!!

"The children are the innocent victims-misguided by the dedicated who feed half-truths and black abominations to starve young souls. Woe to defiled man! Why do you deny My angels? The beauties of Heaven are in their arms. Remember, My children, Heaven and earth will pass away-all will be as white-but I hold the key to the Kingdom-given by My Son-No one will come to the Father but through My Son. Stay under My Mantle, My children, and you will find peace...reject me or My Son, and the end of life as you know it will be hastened! I am the Advocate of Peace...the Mediatrix between God and man...abundant with graces for the asking. I am now the guardian of the cross...I stand beneath the cross...I shed My blood beneath the cross...No soiled hands can touch My Son's body...only God can purify the hands" (consecrated hands).

Look, My child...."

(Here is, in detail, the VISION given to Veronica, of what is to be....)

"I saw men, women, children...all rushing...panic stricken along a road. Fleeing! Some devastation of HORROR! It was very evident on the petrified faces of fright and shock of the people in flight on foot, women pulling children along with them, unable to keep up with the fast pace. To flee...shielding the children's faces from a sight

so awful!...Along the roadways I saw BLACKENED BODIES, CHARRED BODIES! I screamed NO! NO! Save us, Mother of God! Please save us! I retched...my stomach sickened...the sight so awful!"

The Blessed Mother continued and said: "My voice cries a Mother's constant plea, to make sacrifices and atonement, now FOR THE TIME WILL COME WHEN THIS WILL BE DENIED YOU!!! Visit My Son often for He is lonely!"

At this time, Jesus, Mary, St. Joseph and St. Therese appeared to Veronica. Jesus and Mary were dressed in white. Joseph in tan robe. Therese in Carmelite brown and white cape. St. Therese looked down and cried out: "My garments! What are they doing to my garments!?!?! (It was the change she saw in the habits of nuns that are most disapproved of in Heaven as 'Half-Hearted' vocations, with vanity and much worldly attachments in mind.)"

Our Blessed Mother continued and said: "Build a wall, My children, a wall of PRAYER to protect you from the contamination! Wear My Rosary! Never let it be far from your hand! Satan will seek to discard this chain! It is the chain to salvation! It is your link to the Kingdom! St. Joseph has been forgotten. Love Him! Pray to St. Joseph for He will guide you on the path. The enemy is within Holy Church! Satan will find many to create heresy with the loss of the true faith! Resist the knife that seeks to cut Holy Church asunder for My Immaculate Heart will triumph over all evil. The present strife is but a symptom of the underlying sickness- the loss of soul! Prayer is your beacon in the dark world!...Sadly, I say, My children..this glorious land has fallen to the enemy of God, weakened by lusts of the flesh, bought by the love of material gain!...Oh, sorrow of sorrows for the fall of man! I will always be with you, to save you! To save you! I bless you all, My children!"

+++

AUGUST 21, 1970
OUR LADY OF THE ROSES SHRINE
Bayside, New York

The Blessed Mother said to Veronica:

"Stand beside My Vicar! There will be many martyrs in the conflagration. Do not abandon the Holy Father for He is your Father on earth! Do not abandon My Son's gift to you in Holy Church for it is our home on earth. It is your heavenly habitude sheltering you from the dark knights that are wandering about to drag you to the bottomless pit!!! Find shelter in Jesus' arms! Remain close to Him!"

At this time, Jesus spoke to Veronica in locution: "Do not test My mercy, My children, for your penance will be most severe! Comfort Me, My children, for it hurts to turn the other cheek! I must admonish you to STOP THESE MURDERS NOW!! THE PUNISHMENT PLANNED IS FAR WORSE THAN YOU COULD EVER CONCEIVE IN YOUR IMAGINATION! FATHER AGAINST SON! SON AGAINST FATHER! DAUGHTER AGAINST MOTHER! Woe to man who refuses to repent his sin! The brightest star in all Heaven will be dimmed on THAT DAY! Mothers stand together! Outwit the enemy that seeks to ravage your children!"

"Heed My admonition...you are not safe in all security...retire in prayer...retire from the things of the world...allow the Holy Spirit to guide you, and you will be saved...each soul has a covenant with the Lord."

"Pray always...save souls...your Rosary in your hands...I bless you all My children!"

+++

CHRISTMAS EVE, December 24, 1970
Message given to Veronica by Our Blessed Mother at the site of Her Shrine at 9.00PM

Our Blessed Mother appeared to Veronica and said: "You see the task I ask of you is most difficult, for you will have to forsake all others and trust in Me and My Son." (Many faced the objections of family and friends who preferred to spend this evening in revelry and worldly occupation. The devotion to Our Blessed Mother and

the Eternal Father must come first!) The Blessed Mother continues:

"The numbers of those in the service of Thy Father is growing smaller. Pray for the vocations that are sorely needed! A great void is being created by the loss of vocations for the little ones are left to wander. My poor children, you desire so much in material things and so little in the spiritual. We look down upon so many homes that are becoming the reason for the destruction of children's souls! The memory of the truth of My Son's existence **MUST BE KEPT IN THE HOMES!!**"

Veronica was, at this time, permitted through the Love of Our Father, to view, in VISION, the beautiful scene of the Blessed Nativity:

"I see a hole, dug deep within a hill-the entrance is very large! I can see a Lady sitting on the ground. The ground looks dusty and hard. There are some animals around Her-there are three sheep! The Lady gathered the lambs closer for warmth, about the little figure lying on a mound of straw or dried grass. There is a man. It must be St. Joseph, dressed in brown cloth robe, looking down at the Infant. The Infant Child is very small, wrapped in cream-colored sheeting. The Lady, Our Blessed Mother, was pushing the sheep closer. A large animal with large horns and tough-looking brown skin (the size of a cow perhaps) was standing near the entrance. It is very dark in the cave, but there seems to be light all around them-the light seems to be coming from the 'air'. There are two very large angels behind the man (St. Joseph), but I don't think the Lady, Our Blessed Mother, is aware of this because she keeps looking down. Oh, how poor they look, but they look so happy! Our Lady is sitting straight on the hard ground, in the dust,. It must have been very difficult for her to have brought forth the Child into the world, but she looks so happy. Our Lady said: "THE FOOD WE ATE WAS HARD, BUT THE LIGHT WAS UPON US AND WE ACCEPTED ALL WITH JOY!" I could see that Our Lady had a piece of what appeared to be dried fish and that it was most difficult to chew. Joseph had a dark, almost black section of what appeared to be bread in his hand. It was not a wide loaf, but quite flat, like it was baked without rising or something. It also looked hard and dry. I can hear music! Our Lady and Joseph are smiling because they can hear the music-the cave was filled with the many voices of little children in song singing, 'Hail Little Savior dressed in the light, born to join in Heaven's flight!'"

Our Lady said, "Many came bearing gifts, but we looked down into their hearts and sent them on their way." Then someone, a man in white gown, poked his head through the opening into the cave, but he didn't hear the music or see the angels. (It would have been evident in his face.) The man started to talk to Joseph. I could not catch his words. I am convinced it is only by special grace given by the Father that one can share in a supernatural manifestations

"The face of the Infant Child was most unusual for He had looked so young and yet His face held the knowledge and wisdom of the ages! Mary looks so lovingly happy, but there is also a tinge of wistful sadness for she knows already the apath ahead, the sorrows she will face in the future, for it has been made known to her. Mary said, in the softest of tones, 'Behold the Handmaid of the Lord. Do with us as You will!'" The Angel came to Mary's side and said, 'This Child will be nourished by the LIGHT!' THE vision given to Veronica had ended!....

The Rosary continued on throughout the cold night at the Vigil and again Veronica was given a second vision. However, this vision was not so pleasant. Veronica said, "I could see the Eagle again! All the demons had made a straight path up from Hell. They are trying to push the Eagle from behind! They are trying to push the Eagle over the side on the edge of the cliff! I see a power! ENGLAND!!! But I cannot fully understand the involvement with 'SATAN'. They pretend to be friends. They are to be watched! It looks like a conspiracy! It is the UNITING OF FORCES TO DESTROY AMERICA! They are doing their work well so far, but Our Blessed Mother stresses the 'power of prayer to hold back the darkness'. These are desperate times! Do not be deceived by the momentary cries of 'Peace!' I see the 'false prophets' increasing in number. Cunning in their deceit **EVEN TO THE ELECT!**"

Our Blessed Mother continued Her message to Veronica and said: "Many sciences, many false religions will try, I say, try to take the place of truth personified by

your God! Believe Me, My children, when I tell you, they only succeed for the momen for all this will be separated from the Sheep! The eyes of Heaven are upon you! Bring My words to your neighbors, for we need all to be apostles for the Father in the recovery of souls."

Referring to the Christ Child, Infant doll, so lovingly brought to the Shrine by Evelyn Murphy, to be placed in Our Mother's Arms (represented by Veronica due to the size of the doll and beautiful gown of red satin velvet and white fur trim), Our Blessed Mother said (for the gown kept slipping off on the headcovering in the wind): "The child has the warmth of the light! He does not need clothes!"

May Heaven send a shower of Roses and all blessings in the Light, in the coming New Year to you ALL!

... May God Bless you always, "Veronica."

+++

OUR LADY OF THE ROSES, MARY HELP OF MOTHERS SHRINE,
St. Roberts, Bayside, New York

A short time before the start of the vigil on the Eve of the Holy Family, December 26, 1970, our Blessed Mother instructed Veronica to write this poem-a message for all the loving souls in God's Garden of Souls on Earth, who participate in the vigils of reparation at the Shrine.

"Mary, Guardian of the Flowers"

In a Garden of Souls stands a lady so Fair,
She caresses each petal growing weak from despair,
Breathes the strength down upon them, brings the

WATERS OF LIFE,

Feeds the plants that have weakened from the
EARTH'S constant strife.

The flowers spread out in colors profuse,
Each bud a fair promise of heavenly use.
Tender hands take the bent stalk grown weak from the flight,
From the darkness of soil that has shut out the light.
Turned the blossoming petal with soft tender hands,
To face up to the Light that shines down from His land,
Sprinkles stardust to cover the flowers with Grace
As they grow on the path that leads straight to the place
Where the fairest of Flowers sits next to Her Son
As She welcomes you all from A MISSION WELL DONE!"

+++

MESSAGE GIVEN TO VERONICA BY OUR BLESSED MOTHER ON THE EVE OF THE FEAST OF THE HOLY FAMILY, DECEMBER 26, 1970

"Your sacrifice, My children, will be a tower of strength for all who refuse to accept the Light in these dark days. While you reject all body comforts, we look down upon warm hearts" (Temp during the Vigil was in teens.) "Your example will be the beacon, for they have closed their ears to the Truth and remain blinded by worldly pur uits and pleasures. It is sad to see, My children, that the Light has left many homes. The children are walking in darkness. Must My Son forcefully admonish you with a strong hand? So many of the good will then have to suffer along...I repeat again, that the punishment metered out to you for the disobedience and turning away from God will be more than your human minds can conceive possible!"

Veronica saw a vision; these re her words: "I see large waves, very high, 10-12 feet, all along the coast. It looks like a map of the east coast of the United Stat -waters arise very high, large holes and cracks appear-buildings seem to drop into

the homes."

Our Lady continued: "My child, My heart is saddened. I look into homes and see the darkness within, for the children no longer feel love or respect for their parents and others. It is already a way of life. The blackest of sins has entered the homes. MOTHERS! HOW DARE YOU FALL DOWN IN YOUR DUTY AS PARENTS! TAKE YOUR CHILDREN TO BE SLAUGHTERED! HOW DARE YOU FALL DOWN IN YOUR DUTY AS A PARENT, AND WHEN YOU FALL IN YOUR DUTY AS A PARENT YOU WILL REMAIN IN HELL FOREVER!" (Our Lady mentioned the murders of abortion).

"Do you deny your God because the punishment has not come upon you as yet? It is only because He is long-suffering and cares not to see one child lost to Him that the punishment you so deserve has been held in abeyance, but each day you continue without penance and atonement will bring you closer to the END! Yes, My child, you have reason to fear, but not for what can happen in this world, but what will be your lot as you pass over to the Kingdom. God will look into your hearts and you will be judged, not by the way or standards of the world to judge, but the complete picture He will see in your heart. Your country cannot conceive nor expect the vengeance of an ANGRY FATHER!

"My voice grows weak, cries but grows weak. How long must I shed My tears for an uncaring world? How long must I care for a world who cares for the things of Satan? Every person will fear, and the good will suffer, for they will fear the damnation ahead for those who chose to lose the Way. REPENT NOW! WHILE THERE IS TIME! MAKE SACRIFICES AND REPRATION FOR HIS ABUSED HEART WHICH IS ALREADY TOO MUCH SHATTERED BY THE SINS OF AN UNCARING WORLD. The choice has always been yours to make. The Kingdom of Satan or the Kingdom of My Son! We want you with us. Turn not from our Pleas into the path of Satan, for he is waiting to gather you into his KINGDOM OF FIRES.

"Persevere, My children, accept the scorn of the world, for your reward for this suffering will be greater than all the knives that tear at your heart in this mission from Heaven.

"Pray always for your priests, your pastors, who are now confused. It is a way of Satan, this confusion, for men grow weak from confusion. Increase your numbers of Rosaries, for they will always hold back the darkness. The graces you will need will come from the Father because of His great Love of this darkening world.

"I love you all, My children, My sons of hope, but He is in great despair. Pray, My children, pray always, and always remember your ROSARY.

"I bless you, My Son Blesses you with the Light from Heaven."

Much later, while everyone was praying the Rosary, Our Blessed Mother appeared again to say:

"Carry your Cross, My children-be not affected by the mockery and insults you will receive when you defend My Son. We will always be with you, so face the world with His Cross in your hand! It will not be an easy mission but the final outcome will far exceed all the greatest joys of expectation. Yes, they will hate you, as they hated My Son when He brought the Word. They will laugh at you as they laughed at Him.

"Prepare for this heavy Cross"

BLESS YOU, MY CHILDREN."

+++

FEBRUARY 1, 1971

EVE OF THE FEAST OF THE PRESENTATION

Veronica - Exorcism

"I have tried to warn you, My children, but My warnings have fallen on closed ears. I CAN NO LONGER KEEP THE DARKNESS FROM YOU! I BEG YOU NOW TO KEEP A CONSTANT VIGIL OF PRAYER. HE IS HERE NOW! OH THE SADNESS OF HEARTS ON THIS DAY. HOW WE CRY IN HEAVEN FOR THE SADNESS AHEAD. HE SHALL SPREAD HIS DESTRUCTION ALL OVER THIS EARTH. THE MAN OF PERDITION IS IN YOUR COUNTRY!

"You will not receive a kind ear from the clergy, for man can be wise but stupid. Man has grown soft in the luxuries of his worldly life. Man no longer seeks the

Revelation in the Bible. I want you, My child, to repeat the words of My Son, given to your young son in his innocence of heart. I repeat the words of Jesus: My heart is sobbing, My hands are bleeding, I long to see My Creation and be filled with Joy! The monuments, your statues, they MUST be kept in your homes, for all who keep them in their homes will be saved. The broken cross, the sign of the Man of Perdition, the sign of the anti-Christ, so-called peace symbol, all who wear this ARE DOOMED! The Rosary is broken, people do not take this seriously. My children, how many signs must be given to you? The man of perdition has spread his folly wide! The Light has not passed through the Papal Village. He has kept it in darkness.

"I am forming our little armies, My children. WON'T YOU JOIN US IN THIS FINAL BATTLE? THIS IS THE ARMEGEDON!

"Do not expect this message to be received well for hearts are hardened and eyes are blinded—all in the plans of the man of sin!

"My Son has asked, 'When I return will I find any faith left?'

"Wear your cross, My children, I cannot caution you enough, to wear your Rosary about your neck, FOR NO ONE WILL BE FREE FROM HIS ENTRANCE; HE CLAIMS THE UNCLEAN SOULS! HE SEEKS THE SOULS OF THOSE DESTINED FOR MY SON'S KINGDOM! HE SEEKS TO DESTROY THIS EVIL MAN FROM HELL. Listen to Me, My children, HE IS WALKING YOUR EARTH NOW! HE HAS THE POWERS OF SATAN! HE CAN USE THE BODY OF A MAN OR A WOMAN OR A CHILD! WATCH AWARE! ASK THE HOLY SPIRIT TO ALLOW YOUR EYES TO SEE! KEEP A CONSTANT VIGIL OF PRAYER! MANY WILL FALL INTO THE ABYSS. WE WEEP FOR THE SOULS THAT WILL BE LOST.

"He will proceed on into Egypt and Israel and bring Russia from the North. Wake to the Truth! His reign will be longer than man expects. The interpretation of man has erred—the time and one time and a half is in Heaven's time. The earthly time is very much longer. Do not be frightened, My child, by the sights sent to you, for these are for your own protection.

"Mothers, I must warn you! Be sure that your children are well guarded, for this Man of Perdition, when he cannot reach you, will try to hurt you through your children. Guard them carefully, be sure that they have the cross about their necks. Do not let these innocent souls be fooled by the ways of Satan. Do not let them bring into your homes this evil broken cross, or it will doom your household! IT IS THE MARK OF THE MAN OF PERDITION! He will remain an extra week, My child, your trials are not over.

"There is nothing for you to fear, My child, he can only use the body of an unclean soul, so I caution you to bar your doors to those not of your family, for your own protection, for the plan of Satan ahead.

"I caution you again! KEEP YOUR DOORS BARRED! It was not the Will of God that forced this cross upon you, My children, for My Voice hath cried to you through endless years TO REPENT, but you heeded not My warnings! My travels have been world-wide. My tears shed in every land. My Voice grew weak and now there will be the GREAT PAUSE! During this time, My children, I can only impress on you the necessity for constant prayer. Guard your doors well now, against the enemy who walks the land. He has come to your locality to try to destroy MY WORK HERE. He knows that we plan to recover many souls by OUR VIGIL OF PRAYER. He will use the clergy to stop you, My child, Trust in the Majesty of My Son, for His Will will be done!

"Accept the days ahead with hope in your heart, for we will soon send you relief in these hours of sadness. The precise moment cannot be made known to you but My Son has a GREAT PLAN. Perhaps in the Will of the Father, this will bring many souls back!

"PLEASE, MY CHILDREN, JOIN US IN HEAVEN, SEND YOUR PRAYERS UP TO US! WE STAND AND WATCH THE GREAT BATTLE!

"I MUST WARN YOU OF THE APPEARANCE OF MANY FALSE PROPHETS; they are sent by Satan to confuse you. Rely not on their word but look for the WORD OF GOD!

February 11, 1971

EVE OF THE FEAST OF OUR LADY OF LOURDES, MESSAGE GIVEN TO VERONICA BY OUR BLESSED MOTHER

"My heart is saddened, My children, that We are forced to send this trial upon you. WAKE UP! WAKE UP! TIME GROWS SO SHORT! WILL ONLY A FEW BE GATHERED IN THIS SHORT TIME?

"My Heart is saddened also at the reception of My Words by the clergy but it is not less than We have expected, for hearts have grown hardened.

"From now until the PLAN is fulfilled, I must STRESS THAT YOU KEEP RESIGNED TO A LIFE OF PRAYER AND SACRIFICE, FOR THAT IS ALL THAT WILL SAVE YOU. We still hope to gather our stray children and therefore, We reveal to you now, the secret of the ages

"The true meaning of Mr. 666, known as the anti-Christ 6 is for the 6 who are coming, 6 is for the 6 days of suffering, 6 is for the 6 who will be punished. Man is wise but through the ages the true meaning becomes lost.

This, My child, We give to you.

"WATCH, WAIT AND PRAY! HE IS STILL IN YOUR LAND! Safeguard your home and your family as I have told you countless times before. The danger will increase to the souls.

"REPEAT TO ALL, THIS PRAYER:

JESUS EXTEND TO US, IN THE LIGHT, IN YOUR INFINITE KNOWLEDGE, THE POWER, THROUGH THE LIGHT, TO UNDERSTAND THE TASK THAT LIES AHEAD, FOR ALL OF US WHO WISH TO BE SAVED.

"Unless you all remain in the state of grace, you will not walk through these days of sorrow without being affected by the evil one. ALL POWER OF SALVATION WILL BE GIVEN TO THOSE WHO BELIEVE!

"THIS MAN OF PERDITION, THIS MAN OUT OF HELL, WILL SPREAD HIS DARKNESS THROUGH HOLY CHURCH! HOLD THE TRUTH ALWAYS IN YOUR HEART! PRAY FOR YOUR PRIESTS, YOUR HIERARCHY, FOR THE FAITH HAS GROWN WEAK! THEY WILL BE VICTIMIZED BY THE EVIL ONE WHO IS NOW LOOSE IN YOUR LAND. HE WILL ONLY POSSESS A SOUL THAT HAS GROWN WEAK! STRENGTHEN YOUR SOUL BY STAYING WITH MY SON, NEAR THE TABERNACLES OF THE WORLD. ACCEPT THE GIFT OF MY SON OFTEN, HIS PHYSICAL BODY, PRESENT IN YOUR EUCHARIST, GIVEN TO YOU ONLY BY CONSECRATED HANDS! HANDS BLESSED BY MY SON AND ORDAINED TO DO HIS WORK AND REPRESENT HIM! TURN YOUR FACE FROM THOSE WHO WISH TO PROFANE THE BODY OF MY SON! THE LIGHT OF THE HOLY SPIRIT WILL GUIDE YOU IN THIS RESPECT! THE INDIGNITIES TO MY SON, THE ETERNAL FATHER AND ALL HEAVEN ARE INCREASING WITH THE INCREASED DESTRUCTION OF THIS MAN OF SIN! HIS GOAL IS THE POSSESSION OF ALL SPIRITS DESTINED FOR MY SON'S KINGDOM.

"Many will not accept your revelations My child, for man has yet to understand the difference between the physical body and the spiritual soul. Man fails to recognize the existence of the unseen world about you. Right now, the demons are gathering for this full scale war of the spirits.

"UNLESS YOU CONTINUE TO LIVE IN THE SPIRIT, YOU WILL BECOME BLIND TO THE SIGNS THAT MY SON AND I WILL GIVE TO THOSE WHO ARE DESTINED FOR THE KINGDOM. SATAN AND HIS HENCHMEN ARE LOOSE UPON YOUR EARTH. HE SENDS HIS HIGHEST ADVOCATES NOW, TO DESTROY MY CHILDREN. THE PATH YOU TRAVEL WILL BE LEFT FOR YOU TO CHOOSE! WE CAN ONLY BEG YOU OUT OF LOVE TO LISTEN AND GUARD YOUR SOUL! It is not OUR WISH to instill fear in you, My children, but We have found it is necessary to be stern. Perhaps in this way, a few of our straying lambs could be gathered. It is not always in the best interest of loved ones, TO HIDE THE BITTER TRUTH - TO GLOSS OVER THE FACTS OF A COMING DESTRUCTION. We must approach this with a practical eye and an open heart. Also - with confidence in the ULTIMATE victory of all Heaven and the gathering of the beloved soul with us. The path of the war and the length of the sorrows will all depend on men. For--it is their choice to follow Satan or to fight for My Son. This we give to you in confidence that you will join us in the battle.

"THERE IS NO TIME LEFT FOR THINKING OF YOUR WORLDLY PLEASURES OR YOUR WORLDLY GAINS FOR IN THE END THEY WILL BE NIL!

"How We long to be able to spread words of cheerful vein, of happiness and joy.

but My children, how can one smile and laugh, when the heart is crying. Many will be taken out of the world in the conflict ahead, but do not despair, for with your prayers, even these may enter the Kingdom of Heaven.

"Pray My children, never cease your prayers, for that is the only step to take for the recovery of souls. Not only those you love but those who had no longer have a soul caring enough to pray for them.

"Our arms send forth a shower of BLESSINGS upon you all at this moment of a great joy to My Heart, the reception of the MEDAL OF OUR LADY OF THE ROSES. I thank you, My children, for there are many surprises in store for you, that We give with glad Hearts, in these dark days. You see, My children, we WILL SHOW this man of perdition where the true power of God lies, for EVENTUALLY, My children, I WILL CRUSH HIM THROUGH THE POWER OF THE ETERNAL FATHER!

"REMEMBER JANUARY 21, 1971! This was the day My children, when the MAN OF PERDITION CAME TO YOUR CITY AND ENTERED YOUR HOLY CHURCH. NOW HE MOVES ABOUT AND WILL SPREAD DESTRUCTION THROUGHOUT YOUR LAND BEFORE HE PROCEEDS ON TO EGYPT, REMEMBER THIS DATE, MY CHILDREN, FOR IT WAS A SAD DAY FOR MANKIND. FOR WHAT COULD BE SADDER THAN THE ENTRANCE OF THE ANTI-CHRIST INTO YOUR LAND!

"The attacks upon you, My child, will not cease, so keep your amor, the protection We have sent you. This must remain a secret between us, for the time being for your safety. GUARD IT WELL!

"THE NEXT ABOMINATION TO MY SON'S HEART.--DO NOT ACCEPT HIS BODY IN YOUR HANDS, FOR SOME WILL SEEK TO CAST HIS BODY IN THE HOLY WATER FOUNTAINS, FOR SUCH IS THE WORK OF SATAN, TO DEGRADE MY SON'S BODY! OH WOE TO UNGRATEFUL MAN WHO CARES NOT FOR THE BLOOD THAT MY SON SHED FOR THEM! THEIR OWN DESTRUCTION WILL BE MADE, THROUGH THEIR OWN HANDS IN THEIR OWN EVIL HEARTS, FOR THE BLACKENED SOUL CAN SEEK FASTER THE WAYS OF SATAN. WE CRY ALSO, FOR THE MANY SOULS THAT WILL BE LOST BECAUSE OF MIS-DIRECTION. OUR HEARTS ARE MERCIFUL BUT MANY WILL STILL BE LOST!

"I ADMONISH YOU AGAIN! PARENTS, REMOVE THAT DIABOLICAL SIGN OF SATAN FROM YOUR CHILDREN'S THROATS, FOR IT WILL STRANGLE THEIR SOULS! THIS MARK OF THE ANTI-CHRIST, THE CROSS THAT IS BROKEN, USED AS A DISGUISE - THE PEACE SYMBOL DESTROY THEM! BEFORE THEY DESTROY YOUR CHILDREN! PLACE THE CROSS UPON THEIR NECKS FOR, THAT WILL BE ALL THAT WILL SAVE THEM! DO NOT FALL DOWN IN YOUR JOB AS A PARENT, FOR YOU WILL ALSO BE HELD RESPONSIBLE FOR THE CONDITION OF YOUR CHILDREN'S SOULS WHEN THEY ARE BROUGHT TO US!

"REMEMBER, AS YE SOW, SO SHALL YE REAP! PLANT GOOD SEED NOW, WHILE THERE IS STILL TIME!

"I WILL CONTINUE WITH MY SON TO GUIDE YOU IN THESE DARK DAYS, MY CHILDREN. WE SHOWER ALL BLESSINGS OF HEAVEN UPON YOU, SO HAVE CONFIDENCE AND REMEMBER TO KEEP YOUR ROSARY WITH YOU ALWAYS! KEEP IT ABOUT YOUR NECK IF POSSIBLE, FOR THAT MOMENT WILL COME WHEN YOU WILL NEED IT.

Our Lady said, "(Mary) and Ben, bless you, My children, your names will be written in Heaven!"

"A work of art, a work of love that has brought tears of joy to Our Hearts. For this, I bless you all, My children. We now have placed a full set of armor upon us. Through this treasure (the medal of Our Lady of Roses) will flow many Graces from Heaven. HAVE THEM ALSO BLESSED BY A TRUE LOVING PRIEST AND WEAR THEM FOR THE DAYS AHEAD! FOR, AS THE CRIPPLED WILL BE CURED, THE BLIND CAN SEE, SO SHALL ALL BE SAVED- WHO BELIEVE AND WEAR THIS MEDAL!

MESSAGE TO THE WORLD GIVEN TO VERONICA BY JESUS ON FEBRUARY 28, 1971

"I REFUSE ANY SOUL THE PRIVILEGE OF BEING WITH MY MOTHER UNLESS PROPERLY ATTIRED WOMEN WILL NOT DRESS AS MEN IN HER PRESENCE-NOR WILL WOMEN CONDONE THE ATTIRE DURING THEIR EARTHLY EXISTENCE! CAN YOU NOT SACRIFICE FOR ME? - BETTER THE ABUSE OF THE FLESH THAN THE FIRE TO THE SOUL. MY MOTHER IS MUCH GRIEVED THAT HER MESSAGES ARE NOT READ WITH CARE - HEED THE MESSAGE OF SEPT. 7. 1971 AND FATIMA 1917 - I WILL NOT DISPENSE ANY LONGER MY GRACES TO ARROGANT OR PRIDEFUL MAN, THAT WILL NOT LISTEN!

IT WILL BE YOUR DUTY, MY CHILD, TO CHASE THESE INTERLOPERS FROM MY MOTHER'S SACRED GROUNDS! I WILL NOT GATHER SOULS AT THE EXPENSE OF MY MOTHER'S ANGUISHED HEART OR RESPECT, PLEASE HEED THIS WARNING!"

PRAYER OF SAINT MARTIN OF TOURS FOR ALL PRIESTS:

"SON OF GOD MOST HIGH, HAVE MERCY ON THY SERVANT, A MISERABLE SINNER. RELEASE ME FROM THE SINS THAT HAVE GROWN UP IN MY HEART, WHICH ARE IMPLANTED IN MY POLLUTED SOUL. O SAVIOUR JESUS, GRANT THAT HEREAFTER, I MAY BEHOLD THY DIVINE GLORY!"

Intellectual pride is objectively a more formidable barrier to God's graces than is pagan licentiousness. Once this barrier of pride is removed -- only through complete self-reversal - and great pain -- God will plant the seeds, not only of conversion--but of sanctity.

GEMMA GALGANI

YOUNG MARTYR OF THE BLESSED SACRAMENT, GEMMA GALGANI, STIGMATIST LED HER LIFE AS ONE LONG LENT TO RESTORE THE BALANCE AS IT WERE, FOR OTHER LENTS NOW BEING ABUSED OR NEGLECTED BY LESS WORTHY MEN. IN HER LIFE THERE IS A DIVERSE WARNING, THAT HE IS NOT TOO WELL PLEASED BY THE MANNER IN WHICH OTHERS, WHO SIGN THEMSELVES AS HIS FAITHFUL, HELP EXPIATE FOR THEIR OWN SINS, ESPECIALLY DURING THE 40 DAY PERIOD, SO SACREDLY SET ASIDE FOR THIS PURPOSE.

MODERN MAN HAS FORGOTTEN, OR MORE PRECISELY WOULD PREFER NOT TO REMEMBER HER, GEMMA, BECAUSE THEY WOULD RESENT HER TRAGIC, ALL TOO REAL INTRUSION, INTO HIS ESCAPED WORLD OF PAPIER-MACHE MADE DELIGHTS AND IRRESPONSIBLE FLINGS.

GEMMA, AS A VICTIM SOUL MADE UP FOR THE MANY WHO HAD CAST ASIDE THE LENTEN SEASON FROM THEIR HEARTS AND LIVES.

PRAYERS

Eternal Father, through the merits of your Son, Jesus, we invoke You to send St. Michael, to defend us against Satan. Cast out all evil spirits, that may seek to enter our hearts and minds. Amen!

Most Holy Son of God protect us. Michael, our dear guardian, through the love of our Most Beloved Father, for a lowly sinner, protect us now and through the Mission ahead, against the attacks of Satan and his wretched henchmen that are set amongst us, to carry out a devious plan against all Heaven, and bring tears to the Heart of Our Beloved Queen of Heaven.

I love You, Father -- I surrender my heart to the Most Wonderful Spouse, the Lord of all creation and most worthy of the Name Beloved. O Sacred Heart of Jesus, may I place my heart in your protecting Hand -- I am but a weak soul -- unable to cleanse myself but for a short duration, of this stigma of sin. In your protective and loving Hands I will surrender to the Glory of the Light that will protect this weak soul from entrance by Satan and his ogres. The Eternal Father rests on Sunday -- Loving Jesus, how I long to call on You, but how can I do this knowing that the burden of this world's sins, You have carried with You, the six other days! I long to hear Your Voice -- that Secret Voice of Love -- sent on the wind of instant transport, to be absorbed by the thirsting heart of this soul, that has dried up -- a shriveled, a miserable wretch from the pollution of Sin -- cleanse me, Dearest Father, as I wish to come to You as a spotless sacrifice, in reparation for the many offenses to You and the Blessed Trinity, with the shining Glory of Heaven - Mary, Our Mother.

Eternal calls the soul - heart. I give you my heart, Dearest Father, do with me as You will.

WARNING FROM THE ETERNAL FATHER THROUGH VERONICA!

"WOE TO EVIL MAN- MY HAND WILL FALL HEAVY UPON THEM - DO THEY NO LONGER CONSULT THE HOLY SPIRIT OR BE GUIDED BY PURE FAITH! WOE TOMAN THAT SEEKS THE WELL BEING OF THE BODY - I SHALL STRIKE THEM WITH A SWORD THAT SHALL NOT GATHER THE TEARS OF MY SON TO SAVE THEM FROM FALLING ON AN UNGRATEFUL WORLD. I HAVE CREATED AND I CAN

DESTROY, HEED ME NOW - THE FINAL CURTAIN HAS BEEN RUNG DOWN. MY BELOVED LITTLE CHILDREN THAT HAVE REMAINED TRUE TO ME, WEEP NOT, I GATHER YOU CLOSE TO MY BOSOM, INTO THE LIGHT OF MY KINGDOM. DISTURB NOT YOUR SOUL WITH THE DISCORD OF UNGRATEFUL MAN - I KNOW MY OWN - BUT I AM LONG SUFFERING - MY SON HAS SHED HIS BLOOD ON AN UNWORTHY GENERATION. HEED MY WORD, YOU HAVE CALLED DOWN MY WRATH - I HAVE CALLED UPON YOU FOR ATONEMENT - TO BE TURNED AWAY. YOU WILL ANSWER TO YOUR FATHER, AND I SHALL SPIT YOU OUT AS VENOM FROM THE FLAMES.

"SANCTUS SANCTUS BENEDICTIO!" (THE CHALICE) - RAISED IN BLESSING

MESSAGE OF OUR LADY OF THE ROSES, MARY, HELP OF MOTHERS GIVEN TO VERONICA ON MARCH 24, 1971

PLEASE PRAY THE ROSARY MORE SLOWLY AND THINK OF WHAT YOU ARE PRAYING! MY SON'S MERCY KNOWS NO END! MY SON HAS A PLAN FOR HE DOES NOT WANT TO SEE ANYONE LOST!" At this time there was a great disturbance which had disrupted the perpetual meditation of the Rosary when Our Lady said: "MY CHILDREN, DO NOT BE AFRAID! THIS IS ONLY A PLAN OF SATAN'S TO DISTURB YOU! CONTINUE WITH YOUR PRAYERS. REALIZE, MY CHILDREN, THAT THE POWER OF SATAN IS VERY GREAT AND HE SEEKS TO STOP YOU IN YOUR PRAYERS OF ATONEMENT! PLEASE BELIEVE WHAT I TELL YOU, MY CHILDREN! THERE IS NOTHING TO FEAR!"

A quietness fell upon all the people. The Rosary continued and Our Lady spoke again to Veronica, saying:

"MY CHILD, AT THIS TIME, THERE IS NOTHING FURTHER TO SAY! I EXPECT YOU TO BE GUIDED BY THE SIGNS OF THE RAST AND I WILL GUIDE YOU TO THE 'GREAT PAUSE' THAT IS A HEAVY HEART TO BRING THE SOULS YOU LOVE TO US SOON! I AM NOT LEAVING YOU, MY CHILD, THE BLESSED MOTHER HAD STEPPED BACK) I AM STANDING A DISTANCE FROM YOU! MY HEART IS HEAVY! I FEEL THE LAST DROPS OF BLOOD HAVE LEFT MY HEART, AND MY SON'S HAS ALREADY FILLED THE CUP! I WANT YOU NOW, MY CHILDREN, TO KEEP A CONSTANT VIGIL OF PRAYER! I WILL BE WITH YOU TO GUIDE YOU! MY SON HAS MADE YOU HIS MESSENGER AND THIS WE EXPECT OF YOU THE CARRYING OF THE MISSION OF LOVE THAT WE HAVE ENTRUSTED TO YOU AS OUR VOICE BOX! THOUGH WE MAY SEEM DISTANT TO YOU, ALL YOU WILL HAVE TO DO IS CALL, LIFT YOUR HEARTS AND THOUGHTS TO US FOR WE ARE ALWAYS WITH YOU EVEN IN THE DAYS AHEAD! JESUS IMPLORES EVERY SOUL THAT CAN TRULY LOVE THEM ENOUGH TO BRING ANOTHER SOUL TO THEM AS THEY WILL THEN SURELY RECEIVE A STAR IN THEIR CROWN IN HEAVEN FOR OH, WHAT GREAT JOY IN HEAVEN TO KNOW THAT WE WERE ABLE TO SNATCH FROM LUCIFER A BELOVED CHILD WHO HE SOUGHT TO ENSNARE! NONE WILL BE LOST TO US IF ALL ARE ENOUGH WHO CARE. THERE CAN BE ULTIMATE JOY WHEN WE GO BEYOND THE DARK DAYS AHEAD FOR MY IMMACULATE HEART WILL TRIUMPH OVER THE DARKNESS. I WOULD LIKE YOU TO CALL ON MICHAEL OFTEN! HE IS THE GUARDIAN OF MY HOUSE!... I MUST BRING FORTH THE SAD TRUTH, MY CHILDREN, THAT A HOUSE IN DARKNESS WILL WEAR A BAND OF DEATH ABOUT IT! TO SURVIVE IN THOSE DAYS AHEAD, YOU WILL HAVE TO LEARN TO LIVE IN THE SPIRIT! CAN YOU NOT UNDERSTAND THE MEANING?... TALK TO US, MY CHILDREN, WITH YOUR EARTHS! DO NOT SPEAK TO US WITH YOUR LIPS! WE ARE AWAITING PATIENTLY! WE NEED YOUR LOVE! PLEASE, MY CHILDREN, DO NOT FORGET US FOR ONLY WE WILL BE ABLE TO CARRY YOU THROUGH THE DARKNESS!... IT SURELY RAIN'S TEARDROPS FROM HEAVEN! REMEMBER, MY CHILDREN, I AM YOUR MOTHER! I CARRY THE LIGHT! TONIGHT A STAR HAS FALLEN FROM THE SKY! TWO MORE WILL FALL BEFORE THE GREAT DARKNESS!"

"FATIMA... 1917
AMERICA... 1971"

MESSAGE OF OUR BLESSED MOTHER GIVEN THROUGH VERONICA ON APRIL 3, 1971

My Son has seen the defilement that evil man has created. The penance will be

severe. Few have heeded My cries. I have wandered the world in tears. Who has sought to ease My anguished Heart? Now you may look into your own heart and find the answer of the days ahead, for you have made your choice. My Son and I have begged you for atonement, for sacrifice, to deny yourself these temporary pleasures of your earthly life. In many places, in many ways We have been cast aside. The burden of saving all souls has fallen on those of true faith. There is still time to gather the souls. Please, I beg of you to now spend every moment aside from your necessary worldly duties and obligations in prayer and sacrifice. It was not long ago that I cried this warning, but it also went unheeded. My Son's Mercy knows no end but, what shall We do with these young boys that are coming to Us unprepared! It is too late now to spread this message for its best advantage - now I must beseech you, My children, to pray - keep your Rosary with you, day and night - you must pray!

"I must now caution you in the days ahead, you must not be lead or misled by the events that the evil one will bring upon you in his attempt to destroy My Son's House (Church). You must help your priests. It is not constructive to speak out in anger against My Son's House. If you have anything to say that you feel is being done wrong go to the ones concerned, your priests, your bishops. Do not spread words among the disbelievers, those waiting to take anything that can be thrown back to destroy My Son's House. You must realize now that the trouble within My Son's House has been caused by defiled man of perdition-the anti-Christ, who has been loosed among you in this final battle! If you would put aside your worldly pleasures, your pampering of your body, your eyes would no longer be blinded. You could see the existence of the evil one in your country -- but not! You have chosen to cast us aside for temporary pleasures. Those who have loved Us enough to care - there is nothing to fear, for we will extend Our Mercy far and wide.

"Be guided by the Holy Spirit that comes to you through the Eternal Father. In the darkness He will guide those who keep Him in their hearts. Our Father is the Lord, High God in Heaven. Defiled man knows his father as the black prince of Hell, and this father of the dark abyss spreads destruction, fear, violence, hatred, murder of innocent babies, hear Me now, and remember what I say, you have brought the sword upon you by your own actions! For as the Father gave you a free will to choose your road -- if you sought not the grace necessary to stay on the right road, it is because there were too few prayers, too little who cared to save themselves or you!

"I am also a mother! I am the Mother of the World!, and I suffer the heartache of My Son, as a Mother. I too, can no longer stand the swords in My Heart. Therefore, We, too, in Heaven, must bow to the Will of the Father -- and His Will, Will be done!! "My child, you must continue your mission without fear or distractions. Stay within yourself as has been directed. Pray, My child, pray day and night! I will always be with you -- for always in the darkness I will send forth a shower of graces upon you, upon all who call to Me.

"There are many sins against the Holy Spirit. This offends My Son very much. If you do not understand you will go to your priest and he will explain it to you. You must pray for My Vicar, for there will be a great sorrow.

Our Lady said before leaving, "The prayers you give for atonement are applied to the souls in purgatory, for you will need them, yes, these souls, with you in the final battle!"

(SO PLEASE RELEASE SOULS FROM PURGATORY SO THAT THEY CAN HELP US! THEY WILL BE IN OUR ARMY!)

+ + + + +

MESSAGE FROM THE ETERNAL FATHER THROUGH VERONICA ON APRIL 7, 1971

"MANY ROSARIES MUST BE SAID TO LIGHTEN MY HEART!"
OUR BLESSED MOTHER REQUESTED BY COMMAND OF OUR FATHER THAT A VIGIL BE HELD ON THE SACRED GROUNDS OF THE SHRINE FROM 4 TO 12 MIDNIGHT ON APRIL 7, 1971.

Mail has been received testifying to the tremendous response of loving hearts who promoted all night vigils in California, Florida, Canada, Kentucky, Massachusetts.

New York, etc. etc. The Blue Armies of Our Lady and the Padre Pio groups -- I bless you all with my heart and God will shower all graces upon you now and in the next wor

On April 10th at 6 P.M. the MIRACLE OF THE SUN WAS VIEWED BY ALL ON THE SHRINE GROUNDS, GLORY TO GOD AND HIS ADVOCATE, OUR ADORABLE MOTHER MARY!

Our Blessed Mother joined us on April 10th to give this message to all Her children:

"My child, this is what you will suffer / gather the 144,000 true souls. My child how well you will carry My Son's Cross!, for many will pass on the same road My Son did before this life, as you know it, will pass away. You must remember, My children that the most bountiful harvest is gained when we start pulling out the weeds -- for when the stalks are bent, for they failed to weather the storm- the soil blows away and new seed must be planted. How hardened the hearts of many! Oh, poor, unseeing man, that would rather see many die so that they can be rescued from their doubts! Who would see others die to be proven true in their judgment - pride! Pride befits the ultimate fall! Could you not sacrifice your own destructive pride and search in those Satan dens on this earth - to save your fellow man -- your brothers and sisters!

"My Father, your Father, the Lord, High God in Heaven is all Merciful!, and long-suffering!

"My child, We received the thousands of Rosaries from your land sent to Us by loving hearts. Your obedient trial has borne fruit, for there these Rosaries and acts of sacrifice by victim souls who came to Us as victims of love for the salvation of souls in the knowledge of what was to be, Our Father gathered in appeasement. Therefore, the chastisement most justly deserved is now delayed - Our Ways are not the ways of Man - We allow man to expose his true state of soul by his own means, and as such would seek to stop the atonement prayers, these who have fallen to the conquest of Satan! Yes, many have joined Us, here at this sacred place, blessed by the Father - do they raise their hearts in prayer? Or to seek selfish entertainment or self-gratification? Unless you reach out to help gather the souls of all your brothers and sisters, you will not be counted among those gathered during the destruction! Love is always in giving! My child, care not for the judgment of mere man, but shoulder your cross, keep the Words given to you by My Son in your heart, for they will comfort you in your trials.

"I have come here as an advocate of peace! I have come here to beg for prayers atonement!

"Do you come here to just experience miracles or to join Us in the gathering of the souls?! Selfish motives have no constructive future in Our plan of redemption! I say unto you that he who shall set himself to judge will thus find himself judged! My Father will always be the final judge!

"Veronica, My child, start anew with seed that will truly bloom, with stalks that will grow to Heaven.

"For the Rosaries sent to Us, the sacrifice of victim souls, victims to His Merciful Love, the Eternal Father has bestowed a delay, the rest will depend on the penance, the prayers, the sacrifices that you will be willing to give!

"As my Father's Advocate from Heaven, I tell you that your days are already counted!!

"Your country, as you know it, will be destroyed!

"You must turn back to Us now, while there is still time!

"Pray, pray a constant vigil of prayer!

"My child, I will be with you always as you continue to gather the souls in your mission. We will always be with you!

ROSE NOTES:

Testimony is coming in of the intercession of Our Mother for help of the bodily

afflicted, and spiritual bouquets from Heaven.

Our hearts are lifted to note the numerous conversions from Jun 18, 1970 to the PRESENT. PRAISE BE TO GOD AND HIS GLORIOUS GIFT TO US HERE:

OUR LADY OF THE ROSES.

MESSAGE OF OUR BLESSED MOTHER THROUGH VERONICA ON MAY 19, 1971,
THE EVE OF THE FEAST OF THE ASCENSION OF JESUS INTO HEAVEN.

Jesus appeared with Our Lady and said:

"My child, it is not by accident that We chose this site for atonement. The evil is unparalleled in your city. It is like a cancer! Would I set the sword on you now, your city would be leveled, but My Mother begs Me to give you time to atone!"

Our Mother then said:

"Yes, My children, I am here with My Son tonight. Our Hearts should be joyous but We have looked beyond your state into the hearts of your countrymen. We see evil spreading west. Already your children are having their souls desecrated."

Jesus then continued:

"The evil one, I have warned you of, has continued on his dastardly deeds of destruction! When will you wake up from your feelings of false security? You are all blind, My children! Will it take a major catastrophe to awaken you??? The souls you have sent back to My Father will be your score sheet for the destruction that will fall on you! These innocent angels have been untimely cut out of the plan of My Father. You are no longer sharing with My Father in creation! For you have chosen to be against My Father! Would you have listened to Us the man of sin would not have entered your country - you left the door open! Pray that this serpent does not enter your house for he roams gathering these souls for Lucifer!

"We are at war now, but the war of the spirits has far dire consequences than the human beings in worldly war combats! My Mother has given the plan for salvation countless times before! Will there only be counted a few in the final total? This will depend on prayer, works and efforts of love in action demonstrated by all remaining souls on this earth. I have chosen from this world many messengers to repeat Our cries, but they too will share the Way of the Cross."

Our Lady turned to Jesus and said, sadly:

"Oh, My Jesus, how well the darkness covers the land. We look upon hate, greed, paganism and murder. The darkest of sins are being committed! Guard your children from the unholy ray. Keep the monuments (statues) in your home, keep the Rosary about your neck. These were not given for decoration. We cannot bear the blasphemies against us much longer. We admonish you to save your soul and the souls of your loved ones. We are always with you, just raise your hearts in prayer to Us. Your prayers and sacrifices will be needed for your priests."

Jesus continued:

"Yes, they will be needed to safeguard those who represent Me in My House (Church) for the man of perdition (Anti-Christ) will enter higher places to render discord among those who rule My House on earth. Have pity for those (clergy) who will fall into his trap. Only prayer and mortification of the senses can retrieve one of these souls. No one will be free from the assaults to the Church by the one called Anti-Christ unless you keep Me with you (Eucharist), not as an occasional visit but as a daily act of love. Satan has placed his disciples in your schools, your government, your ways of entertainment, your means of communication, all have been infiltrated! You can readily see My children, how far he has progressed to destroy. We are gathering Our armies from Heaven, yes, We are watching and will join in the eventual combat, for My Mother's Heart will heal when We triumphantly remove the evil one from among you!! (Veronica received a personal message that she cannot reveal at this time) Our Lady: "We will continue to guide you in the dark days ahead. We urgently beg you for acts of penance, atonement, sacrifice daily. This will be all that can hold back the darkness!"

"My children, I hear all the prayers and pleas that are coming to Me, I am gathering the graces to strengthen you in the days ahead."

+ + + +

In your charity please remember the medal fund, we want to send them to all souls.

MESSAGE GIVEN TO VERONICA BY JESUS AND OUR BLESSED MOTHER ON THE EVE OF THE FEAST OF THE QUEENSHIP OF OUR LADY, MAY 30, 1971. OUR LADY AND JESUS ARRIVED SEPARATELY - FIRST OUR MOTHER CAME IN THE COMPANY OF ST. MICHAEL - THE GUARDIAN OF JESUS' HOUSE (CHURCH).

OUR LADY SAID:

"I have arrived much earlier, My child, than expected for I am busy in all parts of the world. There is much turmoil. You did well to warn souls of the dangers to come. Yes, there will be much gnashing of teeth because of the destruction set upon the earth by the evil one (Anti-Christ). Unless you listen carefully and with your heart to our guidance you may become a victim in the web of deceit that now enshrouds the world."

OUR LADY DESCENDED TO THE PILLOW PLACED ON MOUNTING FOR HER.

"Thank you, My child, for the comfortable footage. (looking around), "My shrine is truly a place of beauty. On veneration at this sacred place there will be sent forth the graces necessary to retrieve souls from the evil one."

"I cannot urge you enough to continue your prayers. This you must do from love. Our prayers are needed sorely for your priests, for they are under heavy attack by the evil ones, Anti-Christ and his accumulated disciples. Yes, His evil will be as a hypnotism to the weak soul. My heart cries in pity for what lies ahead for your countrymen who go blindly on their way sowing the seeds of their own destruction! We are sending personages from Heaven to help you in the battle ahead. You will not be alone, for We are always with you. This is the hour of the false prophets beware! and those who will claim to take the place of my Son. Already the worship of the evil one is in your city. The mass of the 'black demon' (black mass) has spread throughout the whole earth. You must know the full power of your prayers. The evil one cannot stay where there is prayer! My children, these monsters are unseen to your human eyes, but they are all about you! Run them out! With a constant vigil of prayer! Do not wait until there is not any recovery! The hour grows short! My children, if you have been given the grace to be now in the light, We beg you to share this grace and try from your heart to rescue those who are drifting toward the abyses of Hell! Yes, your prayers and sacrifices are needed for those who do not have the power of grace to help themselves. If you could see the vast numbers who have already succumbed to the evil, you would spend ALL your time on your knee! No excuses must be given in defense of worldly gain! No excuses will be accepted if you did not care enough to save your brother. You will be held accountable for all discard of duty, of inborn Godly conscience. Yes, the world is enshrouded in evil. Yes, it has entered everywhere! To talk solves few problems now on earth. Your only recourse now is prayer. We are of light, and Hope if you cast Us aside you will travel only one road --in darkness! My child, this message must be made known immediately to all!

JESUS ARRIVED AND CONTINUED

"The blind shall not enter my kingdom unless they repent on free will (that is, spiritual blindness). Every man will be held accountable for the fall of his soul and the soul of those entrusted to him! I am warning you now. My Mother, Her Voice grows weak. My heart is ever torn. I look upon my Mother in deep sorrow, for as a Mother she is anguished. If you had listened and you do not listen now, the sorrow is greater than you could subjugate. It is not our methods to instill fear, for fear is the work of the evil one, but laxity and ignorance in knowledge can only bring confusion and misleading influences. Had you remained true to My prophets who sought to enlighten you with written direction from Us, these symptoms We see would not have grown. You no longer find the Revelation in the Book of Life (Bible). Yes, you will

read another book, for man seeks to write another book, his own book, and found Satan (black mass bible), in a section are the names of his conquests! Will you be in that book?

OUR LADY CONTINUED

"We love you all, you are Our children. We do not want to see you lost to Us.

JESUS THEN SAID:

"My Mother will stand in combat in the ultimate victory ahead, but there will be much suffering. Trust in Her, My children, because I have given Her the light, Amen!"

Our Lady continued, "Dear children, I have come to lead you from the evil one. You have a free will - your Father gave you this - you have chosen to use it not to save yourself. You have the choice to be cast into Hell or return to your rightful home with Us. Once, a long time ago, Our Father gave this gift to his people in Heaven, and they too used it to no avail. They too became arrogant and looked upon the Father without respect or love, Your world is a wide road traveling in the same direction: away from the Father!

"You must remember, My children, to call on Michael and the angels whom man has deemed to cast aside; yes, this guardian you will need! We have placed them at your sides; call on them! We are all waiting and watching. No one will be lost if they call on them, Our warriors. Go about and look for a poor wandering soul, the one in darkness. Yes, you will be mocked and turned away; you will follow the same road as I. I have lived life on your earth. If you don't care, so many will be lost to Us.

"Remember, My children, to keep pure and holy thoughts in mind, for your mind is the main point of entry of the evil one. Yes, one stands on each side (demons) ready to enter you! The war is on! In war all barriers can be cast aside down! The evil one uses the foulest scheme: it is to degrade and destroy. He is cunning, often parading as an angel of Light. Unless you have the Light of grace, you will be blind to the truth. How will you recognize them? You will be led to become confused between right and wrong, until darkness, blindness carries you off, another victim. Keep the armor on you: your Rosary, your crucifix, about your neck, or you too will receive the stamp of the man of perdition.!"

Jesus talked to Veronica at this time; not to be revealed.

Our Lady then continued, "I do not wander the world for socializing. Yes, I came because of love, and the pain of the sights before Us, in your world, saddens all heaven. Your children are Our main concern. Direct them well or suffer heartbreak! Do not be disquieted of spirit, My child, for you will be hated as My Son also was hated when He brought the truth. Penance, atonement and acts of love, We cry for!"

Jesus: "My Mother gives you the plan for your salvation! Remember, the day will come when you will remember this, when you all will be tried (tested) and found wanting or ready for the jubilant entrance into My Kingdom! Keep your thoughts on this, My children, it will all be yours!

"The medal will be given to all clergy and nuns for the attacks on them will increase! 'He' is banding his evil disciples now. Lock him out! You can lock your door against him and save your country!

"My child, tell the world, now, there is a Hell! The evil one seeks to remove the thought of punishment from sin. Sin will then be a way of life. It becomes easier to delude you, then to capture your soul! Open your eyes, do not be blind, for the blind walk in darkness! Everything about you has been planned well to bring you into the darkness. Everything is planned in every war! Without Us you will be lost. Do not try to fight the battle alone. So they will scoff at angels and demons, but will you scoff when you are face to face with them? Do not follow the bad example like sheep to the slaughter block. Do not let them blind you. You can carry the truth - the Light - always in your heart! Show the example of a living Christ. Carry My Son's Cross, for by your example you can save others, and We will reward you. Do not let

him take them from Us!

"I love you all, My children, help Us! We are with you always and will direct you through the future. Believe and you will be saved!

"Armageddon! Armageddon!"

"I love you all, My children. My Son loves you, do not force Our hand upon you! Yes, We see those whom Satan has placed within our house. You know who you are! You went on the wide road. Throughout your country We see pagan practices! Who led them into such vile practices? There is a well laid plan to destroy My Son's house -many have sold their souls to get to the head! Eternal damnation is their destination!

"Why have they chased Michael from My Son's house? He was their guardian! They must place Michael back in My Son's house! Yes, they have shut doors and minds against him! But they cannot shut him out of the hearts of those destined for our kingdom! What kind of noises do We hear in My Son's house? Demons on the prance! Did they not dance around My Son's cross as He hung there on the wood?

"Confusion! Confusion. It is Satan's method. Fear and confusion. You must recognize the face of evil -you must not be led as sheep to the slaughter! We gave you all an inborn conscience. These evils must be stopped because of the children. The heavy burden will be upon the parents. They must keep the faith in their hearts. It will not be an easy task - Your only refuge will be your home. You will have to bar your door against evil. Yes, you can be deluded and misled and not see the evil about you! It could be, My child like mass hypnotism! Satan has gained much ground throughout your earth. The numbers of conquests increase every day and not enough forces to stop them. We place a heavy burden upon you who have the heart and the faith, You must save your brothers and sisters from this evil!

"We don't wish to see one of our children lost to Lucifer. He now gives all God's children battle. There is such turmoil in the world that we cannot come to you as often, Veronica, for we are needed very badly in the battle of the spirits. We listen to all who call us. We will answer all who come to us in belief, come to us, believe in us, and you will be saved! I have asked you to wear your Rosary to protect you from the evil that now enshrouds the earth. Already those destined for My Kingdom know Me, We know them! Those who have turned to Lucifer, who have turned their backs on us, We know them not! Soon, My child, iniquity will so abound, that even many of the elect will be in fear to be charitable. Yes, charity will grow cold, We have already impressed on you the necessity for prayer, the power of prayer to chase him out. If you do not listen, you too will walk into darkness. You must not go around berating your brothers and sisters, you must pray for them! Without prayer, you cannot fight Satan! These are not ordinary times, these are not ordinary days, no, if you read the words left by the prophets, you will understand the Book of Life. (Bible),

"It is there for all of you, if you would take the time to read it. All must come to pass! And then the ball of redemption will be upon you. At these latter days, we are manifesting too many, My child, many will receive graces far beyond most human minds to understand. Oh, My children, there is nothing We would pass by, in order to save you! But We must caution you in days ahead to be very prudent in your approach to miracles, for in this battle of the spirits, he (Satan in Anti-Christ) will send out his disciples too, but his fruits will be known to you in time, you will discern the blackness of his heart.

"We can see and hear everything! Nothing is hidden from Us. Nothing can be done in secret. The Eternal Father is the Lord High God in Heaven and your Creator. As such He can destroy you! I have told you before that everything has been planned for your destruction and the evil is well rooted in your country now, your country is in dire danger because it has the facilities to promote more evil throughout the world. Therefore the punishment will be far greater! The man of sin is in your country, and the punishment will be far greater for the man of sin is in My Son's house! You will glorify My Son in your house, (Jesus), or you will not stand as a house! You will not glorify man before God! You will not exchange the heart of God for gold or silver. You will stand with the Holy Father and render him no more sorrow. You who have been his disobedient children, stop plunging the knife into his heart! He is

your Father on earth, why do you disobey him?

MESSAGE OF OUR BLESSED MOTHER THROUGH VERONICA ON EVE OF FEAST OF THE SACRED HEART OF JESUS AND FIRST ANNIVERSARY OF OUR LADY OF THE ROSES - JUNE 17, 1971

Our Lady to Veronica:

"My child - you will have no fear at speaking out for us - for to accomplish your mission for heaven this will be necessary."

Then Our Blessed Mother continued:

"Unless you pray for the souls that are falling in My Son's house (church) you will be affected by the disaster that lies ahead of you! Yes, My words were given in the same vein many years ago, and they too, were not heeded. Did you act upon them? No! You hid them from the world! What will you do now? Yes, I warned you many years ago that Satan would enter my Son's house!(church) but you did not listen. Now he is there! Have pity for all men of sin! Have pity for those who represent My Son and have fallen into the web of deceit of Satan! They will all be answerable to us, more so, for they were given the graces to fight this!

"What is the darkness, you ask Me My child, "the darkness is a blindness of heart! Yes, you can be conditioned to accept error! You can be conditioned to be confused and no longer recognize the truth. You have a free will to go your own way, should you fall, you must fall alone! We will not let you take innocent souls with you. You are treading on My Son's house and making it a place of self gratification for arrogant man who follows after his own lusts! Your love of money has been your downfall. Yes, you are misguided. There will be much suffering for those who stand to defend my Son's house! This can never be destroyed for the foundation is solid. The foundation is My Son! But many now dishonor Him in His house. Blind man of self gratification, blind man who pursued after his own heart, his lusts! You call the hand of the Father down heavily upon you! This condition did not arrive over night, or this year, or 2 years ago, . Yes, it has been well planned!....delusions!

Jesus arrived to be with His Mother:

"Oh, mournful, heresy! "Whatever will we do with You? Satan is now banding his disciples within My house. My Heart is bleeding. We watch this, My Mother's Heart is torn!

Then Our Lady continued:

"Your prayers are sorely needed for your priests, your cardinals, your bishops. The heaviest attacks are upon those with the most influence in My Sons house. Yes, there are those who have fallen to Satan. They will drag many other souls to Hell with them. We do not want division within my Son's House--don't leave my Son's house ((Church)

Veronica received directions privately from Jesus, then Our Lady continued, "Yes, We do have hope that your prayers, your understanding, your charity, will bring back those who have gone astray. This can also be accomplished by your good example. Pray My children, keep a constant vigil of prayer. We will shower many graces on you all. We are always with you. Remember, My children, wars are always a punishment for your sins.

MESSAGE OF OUR BLESSED MOTHER THROUGH VERONICA ON THE EVE OF THE FEAST OF THE HOLY PRECIOUS BLOOD OF OUR LORD JESUS CHRIST - JULY 1, 1971

Our Blessed Mother arrived to say:

"My child, I shower graces in abundance on you. I feel all the warm hearts around me. You will be very busy my child dispersing the Message I have given you. Jesus will be here to instruct you. Continue the Rosary."

Jesus arrived and said:

"I have warned the world. If they do not listen they will suffer. There will be much suffering. If you listened to Me this would have been avoided. You will see that the message is given to all the Cardinals, the Bishops and the Priests. The offenses against your God have not diminished. You are to be judged by a meter of the sins against your God. You will find the book containing beauties of prose and keep these. My children, soon they will be taken from you counters. Remember in your hearts the teachings of the Holy Spirit given to you, keep them in your heart. The enemy will come and try to take them from your heart. He (Satan) continues on his road of destruction. There will be little left to recognize. The Children are entering a Spiritual Void, We will not wait until they are lost to us. The Ragat is the Teacher of Light and Life but don't be fooled by those who foul their garments! You will receive much antagonism from the Clergy, prepare yourself! We are at your side always. There is nothing to fear for you will carry the Truth for Us to the peoples!

Our Lady said the picture received with the cleft comes from Heaven. "The prayer coming to heaven are music to Our ears!"

Jesus continued, "The agents of Hell are deep within your country now. The hour glass is running faster and faster, many of your countrymen are consorting with devils. Be not fooled that they come in human form, for My child, you would not expect them to reveal themselves. In time you will know them by the blackness of their hearts. Unless you ATONE, disaster will be upon you! If you cast Us aside you will be lost! ATONEMENT, PRAYER, SACRIFICE, IT IS THY DECISION!"

Our Lady then said, "See My eyes so swollen from the tears I have shed because of the offenses to My Son. But in all the sadness of My heart I will smile for you, My children, won't you smile for Me in the dark days ahead, with confidence of love? Yes, I am truly the Mediatrix of Peace, the Mediatrix between God and Man, I have been given the Light by My Son to hold back the Darkness, but this will all be on your decision for you must listen to Our direction."

Veronica saw in vision and related, "I see a great explosive forceful sight and I hear a voice cry out Cataclisium! Cataclysm, cataclist!! Then I see great bodies of land sinking, the water just seems to swallow them up! Should you not listen to Us now, YOU WILL BE CLEANSED WITH A BAPTISM OF FIRE!"

"You will teach children that We are truly living people. That We live in the Heavens, just a short distance from the farthest star.. You will speak to children of the angels and the many children who are her with Us. They also sorrow for the condition of the Earth, for they also, My children, know how very much Jesus is suffering.

Jesus then said, "Yes My child, I will not permit the offenses to My Mother! She has sent the necessary graces to you, which you have chosen to ignore. The Beads of grace that She gave to you were for our salvation. You must not cast them aside! You will keep the Rosary in your hands in the days ahead. You will wear the Rosary, not for decoration but for that moment you will need them! All men who choose to honor our adversary, Lucifer, all men who choose to place temples of honor to him have already descended halfway to the pit, where they will soon fall! You will not set up temples to dishonor your God. You will not conduct and perform acts of mockery in My House!(Church). Oh My poor blind children, you do not see what is already upon you! You do not recognize the signs, you choose to blind yourself to the truth!"

Our Lady continued, "These are the days, the latter days, I will hold back the darkness. We ask only the help of a few souls, We ask those with the grace to go with their hearts now into the world to save those that are still able to be saved.

"THERE IS GREAT POWER IN PRAYER. It can rescue your brothers falling down into the bottomless pit. I can rescue them for you. Oh, My children, must I tell you the deepest of truths? Must I now, to save you, reveal the most heart rendering of truths that many, yes, many will die in the great flame of the Ball of Redemption! Loosed upon the earth now are agents, they surround you. They are placed here as
