

## The Slaughter of the Innocent Souls

Messages from Heaven to Veronica Lueken on Abortion

### Life Begins at Conception

**"At the time of conception, the Holy Spirit makes the child, and the breath of the Almighty gives it life."**

-Our Lady, June 18, 1991

**Our Lord Jesus:** "The Eternal Father finds that children He had great plans for to bring the true Faith to the world and to save His Son's Church, **they have been murdered in the womb.**" - Vigil of October 1, 1988

**Our Lady:** "Know, My child, this simple lesson, that in these days of the latter times, **women will seek to cast off their role as mother and a woman.** Women will cast it off **under the direction of satan, and murder her children.** Woe to the woman who does not repent of this vile abomination! She has walked the road to eternal damnation and hell. Repent, O woman, or forever be lost!"

- Vigil of March 18, 1975

**Our Lady:** "Our hearts are torn because of the wanton murder of the young by evil man. Abortion, My children, is murder, the most foulest of deeds, that is punishable by death! And what is worse than death of the soul? **I say unto you, as your Mother, that any man or woman who performs or takes part of this abomination of the murder of the unborn shall be given a heavy penance upon earth,** or if this penance is not given upon earth, that person found guilty in the eyes of his God shall suffer eternal damnation in the fires of hell.

"O My children, there are countless souls being returned to the Father. And you ask, My child, what becomes of them? Limbo is overflowing with the rejected souls, the murders of the unborn. Pray a constant vigilance of prayer for the men of sin who perpetrate these atrocities."

Vigil of Dec 28, 1976

**Our Lady:** "O My child, My tears fall upon you all when I see all of the innocent little babies being slaughtered . . . **cast into garbage pails** like nothing but dirt and scum. **They are living human beings!** And all murderers shall get their just recompense."

Vigil of March 18, 1983

**Our Lady:** ". . . we cannot tolerate the murders of the unborn. **This is a sacrilege of the most foulest manner** in the eyes of the Eternal Father, and shall be punishable by death."

Vigil of May 17, 1986

**Our Lady:** "And I repeat again to all clergy in My Son's House: you shall not rationalize sin. **Abortion is murder, and murder condemns you to hell without repentance!**"

Vigil of November 20, 1979

**Our Lady:** "I say this for this reason: the Eternal Father is much disturbed at **the numbers of abortions** being committed throughout your country and the world. These numbers go upwards to **fifty to sixty million in one year** through out the world."

Vigil of June 18, 1986

**Our Lord Jesus:** "Doctors now are profaning their profession, those who have given themselves over to **destroying human life in abortions.**" Vigil of June 6, 1987

**Our Lady:** "One of the **reasons the Eternal Father chose your city** [New York City, NY] and your state for My appearance was **because of abortion,** the murder of the holy innocents. Your nation, without repentance, shall be the first struck."

Vigil of March 15, 1978

**Our Lord:** "**The souls you have sent back to My Father will be your score sheet** for the destruction that will fall on you! These innocent angels have been untimely cut out of the plan on My Father. **You are no longer sharing with My Father in creation,** for you have chosen to be against My Father!"

Vigil of May 19, 1971

**Our Lady:** "the **murders of the unborn will not be tolerated.** You will read Job, chapter 33, verse 4: [Bible] *'The Holy Spirit made me, and the breath of the Almighty gave me life.'*

Do not listen to those disciples of satan that are trying to take this knowledge from you. All mankind has been created by the Eternal Father, in the Son and the Holy Ghost.

*"He [Lucifer] entered your city on January 21, 1971.*

*He was in Albany\* first to promote the murderous evil of the killing of the young."*

**Veronica explains:** "in other words, Jesus was saying, if you will check back in history, that previous to - January 21, 1971, he entered your city, which means he came to New York, Lucifer himself in the body of a man, and his agents with him. He was in Albany first to prompt the murderous evil of the killing of the young. Therefore, **abortion was legalized because of Lucifer** and his agents showing up in Albany and taking over the bodies of influential individuals who are out of grace, without faith." Jesus, 1971 in Conversations with Jesus (a Shrine booklet by Veronica).

\* New York was the first state in the United States to legalize abortion. The bill passed and was signed April 11, 1970 by Governor N. Rockefeller and was effective on July 1, 1970. It permitted abortions up to the 24th week of pregnancy, repealing the 1832 NY statute that prohibited it. In the first year of the law, there were nearly 250,000 abortions in New York City later coined the ignominious title by the New York Times: **the "Abortion Capital" of the nation.** In 1973, the NY State Legislature majority voted to overturn this heinous law, but it was blocked by a veto by the NY Governor Nelson Rockefeller.
