PART I

Jesus: "And what is in this picture, My child? Repeat.

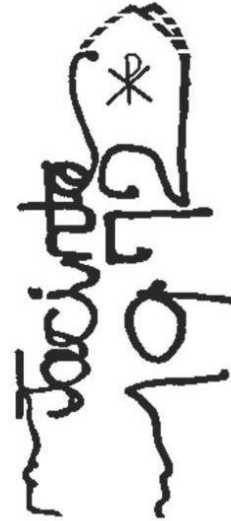

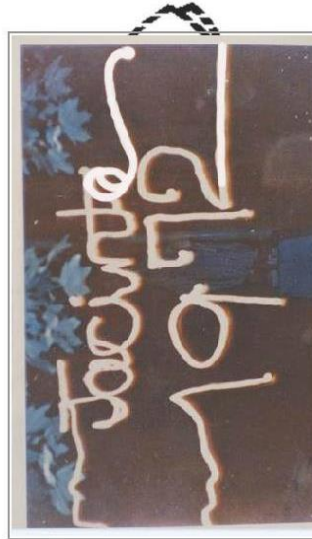

Veronica- "I see the letters very heavily penciled over by Jacinta when she wrote this message. It says - **one part of the message - there are five parts** to the Jacinta 1972 picture, but one part says: **A-C into, I-N-T-O, mitres 1972.**

Jesus: "Repeat that well, My child."

Veronica: Antichrist into mitres 1972."

Jesus: "Be it known to all men upon earth that the Antichrist has entered now among you. Be it known to Our bishops and cardinals: (I do not include Pope John Paul II at this time, because he is under the domination of his bishops and cardinals.) **I look upon My Church at this time and I find gross errors.** I tell you now, all bishops and cardinals of the world: My Church shall not be defaced. You shall not defame My name. I will allow this to continue but for a short time. If you do not acknowledge Me properly before the world, I assure you I will not acknowledge you before the Father; and you will not have eternal rest with My Father in Heaven" Vigil of October 2, 1989

JACINTA & FRANCISCO OF FATIMA

Jacinta Marto: "Oh, why do you not listen to my words? [In a child-like, pleading voice.] Have you forgotten the dangers Our Lady gave in writing to you?"

They were specifically given to protect you in your times. **I wrote on the picture to bring this before you.** I do, Veronica, hope that you will continue to send my picture throughout your world. The time before the great punishment is short. So many will die, and they cannot enter into the Kingdom. It is sad to enter into purgatory, but there is gladness of heart in the knowledge that one day you will enter into the Kingdom. But to see the souls fall into hell, we cry tears in abundance upon your world!"

-Vigil of March 24, 1973

Veronica: "Our Lady now has come over to Jacinta, and She's placed Her arm about her. And there's a little boy standing next to Jacinta. I know he's Francisco. He has his hat off now. He's standing with his hat, like a long cap, in his hand. And he's smiling.

I see now a large cross over Saint Peter's. It's a very large cross, but now it's bending, it's bending. And now the cross is being bent like a pretzel, and it forms a large number 4. I know the 4 means the evil man."

Our Lady: "The Cross of Christ is to be replaced by the worship of man, no longer the cross of the living God. Man has set himself up as an idol. All idols are destroyed by the Father.

Life upon your earth will be shortened. The extension would bring more souls into the darkness. I have gone throughout the world and prepared you. You will continue, My child, to send out Our message to the world." ~ Feb. 1, 1973

Our Lady: "My child, they converse of the secret that I gave at Fatima. It is a simple explanation. It could not be fully revealed because of the drastic nature of My message. How I warned and warned that satan would enter into the highest realms of the hierarchy in Rome. **The Third Secret, My child, is that satan would enter into My Son's Church.**"
- Vigil of May 13, 1978

Jesus: "The photograph miraculous, given to the world through Jacinta, the child seer, has been discarded and forgotten. **It was, it is still a mystery to mankind. But the secret has been given to the simple of heart.** Those of great knowledge, who hold the highest places upon earth, have lost sight of the road, the road to their redemption. It is only in the hearts of those who remain simple and pure of thought and deed that these miracles of photographs, of cures of spirit, of cures of body, will be given."

- Vigil of July 15, 1976

JACINTA CONFIDED THE SECRET TO MOTHER GODINHO

In these latter days, many things that were hidden are to be revealed. St. Theresa has made known through Veronica a revelation: - little Jacinta of Fatima had confided the Third Secret of Fatima to Mother Godinho, who was caring for her in her final illness.

Jacinta, knowing she would die soon, related the message to Mother Godinho with instructions to pass it on to a priest Our Lady chose - Canon Formigao as he was unable to arrive in time to see Jacinta.

According to the revelation of St. Theresa, the Third Secret was the main part of the final message Our Lady gave to Jacinta.

Mother Godinho as an intermediary, to pass the message to the priest had her own ambitions to start a religious Order. She gave the priest only part of the message concerning Portugal and not the full secret.

Our Lady once more revealed to Jacinta, shortly before her death in February 1920, what is really the essence of the Third Secret of Fatima; that 666, satan, - Anti-christ, would enter the highest realms of the hierarchy in Rome beginning in the year 1972.

'FATIMA 1917 - AMERICA 1971'

Polaroid Photo Sept 14, 1971- Exaltation of the Cross

Veronica: "A miraculous picture was received. A man took a picture of the shrine grounds and Our Lady's statue with a Polaroid instant camera, which develops on the spot - no negative. In eerie, supernatural scrawl across the whole face of the picture are these words: **JACINTA 1972.**

The next day Jesus said:

"Consider this a puzzle for the human race to figure out. If not solved in time to come, I will set the answer upon the world Myself. The future is now! The future is now!"

Vigil of September 14, 1971

Veronica: "The world must recognize the importance of the Jacinta 1972 picture. Our Lady asked that all read and examine the picture well. It is one of the greatest gifts given to mankind in these latter days, a manifestation from Heaven. All who are in the light will recognize and interpret the photograph Jacinta 1972, and they will not be taken unawares."
