

## Our Lady of the Roses, Mary Help of Mothers Shrine

# The Rosary – Pearls of Prayer

Messages from Heaven to Veronica Lueken  
in Bayside and Flushing Meadows, NY

**Our Lady:** Everyone has to care - Not enough who care. So many will be lost! I love you, My children. I love you, My children. I will come soon.

**These are the pearls of Heaven, pearls of prayer. These are My pearls of prayer to Heaven.**

**I am your Mother of love.** Blessed is he who extends his love to his brothers and gives his heart to Me.

I love you all, My children; but you must pray more. I love you all, My children. My arms are filled with roses. My heart is sad. My Rosary has been discarded in many places, and neglected here.

June 18, 1970

**Our Lady:** I want a string of Rosaries across your land, from coast to coast-- a solid chain to keep out the enemy, a solid chain of protection. **Unite in prayer to keep out the enemy.**

**Realize the power in your hand with the Rosary! For in your hands you hold the power of God! If you do not recognize the Rosary, can you expect to be recognized by My Son?**

How much can you expect? Do you hide My Rosary? **It was with a Mother's loving heart that I chose to give you these pearls of Heaven that you reject.**

Woe to all dedicated who seek to remove these from the little ones' hands, for their punishment will be metered in accordance to it!

Why has sophisticated man cast aside these tokens of My love? **Those who remain true to My Rosary will not be touched by the fires.** Gather these treasures, My children, for the time will come that you will not find them on the counters of your stores.

Pray your Rosary slowly, My children, not with your lips, but with your heart.

**Veronica:** Saint Theresa handed Our Blessed Mother a large bouquet of roses. Our Lady placed them one by one in front of Her, to form into a Rosary. Jesus, to her left side, reached out with His right hand to grasp one section of this Rosary, and as Veronica watched, Jesus pull the Rosary garland, and the garland

formed into a globe of the world. The air became heavily perfumed with roses.

**Our Lady:** Resort not to arms, My children. **Just use the Rosary as your weapon.**

October 6, 1970 Eve of Our Lady of the Rosary

**Jesus:** The days upon your earth are counted. The pages have turned much faster than the Father had planned. But the destiny of the world was always in the will of man. Love will not be forced: graces given in abundance, but earned.

**Veronica:** Now it's growing very dim, the light. And Our Lady and Jesus now are going beyond the flagpole. And Our Lady says:

**Our Lady:** **Continue now with the pearls of prayer. Many souls are waiting and thirsting for your graces.**

**Veronica:** In the name of the Father, and of the Son, and of the Holy Ghost. Amen. March 25, 1973

**Veronica:** The sky is becoming very bright. And there are figures - oh, I recognize them now - hundreds, hundreds of figures! They're dressed in different garments. I recognize Theresa. And next to her are her sisters: one, two, three. Saint Catherine is coming over by the right side of the flagpole. And Our Lady now has joined Saint Catherine, and **She is holding up Her Rosary. The Rosary is very large and white, like pearls, very huge pearls.** And as She turns - Our Lady is turning towards Saint Catherine - the pearls have a pink glow to them now. And the crucifix is very large and golden.

Our Lady now has turned to the rear, and She is pointing to all the clergy who are lining up behind the nuns. And there's a man coming forward now. Oh, he is very young. He has curly hair, and he is smiling. **And I know it's Saint Dominic. Saint Dominic is saying:**

**St. Dominic:** I have passed on to my brothers on earth a great secret, the secret of salvation from Mary, the Queen of Heaven.

**Do not cast these (beads) aside for your temporary worldly pursuits and interest. All time must be used now for the repatriation of all souls!**

**All crowns in Heaven were won by trial. Do not turn from suffering, my brothers. Learn the value of suffering.**

## Messages on the Pearls of Prayer, the Rosary

**Veronica:** Now Our Lady is raising Her hand with Her beautiful crucifix. Our Lady has the very large Rosary with the golden Our Fathers and the beautiful white Hail Marys that catch all of the colors of the heavens. They're the most gorgeous - they're like pearls. **Our Lady says they're pearls of prayer. They're truly like pearls that Our Lady has in Her beads.** The crucifix is a beautiful light golden color, and it's so brilliant that it is very difficult to watch Our Lady moving it in Her hand. It's so beautiful! Our Lady is now making the Sign of the Cross: In the name of the Father, and of the Son, and of the Holy Ghost.

September 7, 1977

**Veronica:** In the name of the Father, and of the Son, and of the Holy Ghost. Amen. Oh!

This, of course, is Our Lady's most important feast--not most important, but one of the greatest feast days of the Rosary, **Our Lady of the Rosary, and it is this instrument that Our Lady has given us to guide us and to help us to reach the Kingdom. And it's--Our Lady calls them Her pearls of prayer to Heaven. Therefore, these are truly pearls from Heaven.** All of these beads--each one, though some have not learned the graces hidden in them, they are not a monotony of prayer when you learn to understand that each bead that you say is another grace. You can add on and on and on until you have countless graces, and Our Lady will gather these and take them on the first Saturdays and release the next waiting soul in purgatory, if you haven't already allotted your graces to your family or friends. There is always one soul in purgatory who has no one to pray for him or her, so your graces then will be gathered to release that soul. And that soul, when it reaches into the Kingdom will pray for you and bring you there much faster, too.

*In the name of the Father, and of the Son, and of the Holy Ghost. Amen.*

Sunday Holy Hour, October 7, 1973

**Our Lady:** I give you, My children of the world, your protection. I give you the sacramentals that are necessary for your protection in the days ahead: **the Rosary of prayer, beads of prayer to Heaven, pearls of prayer to Heaven;** the Scapular of faith to be worn constantly and never removed from your earthly body.

June 18, 1979

**Our Lady:** My children, pray constantly. The Eternal Father has sent Me to you as a Mediatrix between God and man.

**I give you the pearls of prayer, the Rosary.**

I give you the Scapular of great grace, and I promise you as your Mother that he or she who wears this Scapular upon his person at the time of his death upon earth shall not suffer the fires of hell.

My children, all have been marked now by the cross or by the mark of the beast. My children, the Eternal Father now has tallied the score upon mankind.

August 4, 1979

**Our Lady:** There have been sacramentals given to mankind for his protection. **My Mother extended to you the pearls of prayer, the Rosary.** My Mother extended to you the brown cloth, and you will wear it or perish!

August 14, 1978

**Veronica:** Our Lady is now taking Her Rosary, the beautiful Rosary with the golden Our Fathers and the white Hail Marys - but as Our Lady is turning and looking about now, and extending Her crucifix, all of the colors of the rainbow radiate from them like pearls, the Hail Mary beads. They're absolutely beautiful! And Our Lady is extending now the crucifix on Her Rosary, and making the Sign of the Cross: In the name of the Father, and of the Son, and of the Holy Ghost.

October 2, 1980

**St. Michael:** Hail to the Queen, Queen of Heaven, Mother of earth, and Mediatrix of all graces! Listen to Her well, for Her words will soon be few.

**Veronica:** Our Lady has appeared. She is dressed now in red. She has a red satin gown with gold ruffles. There is a cloak over Her gown; it's pure white. The white is so white that it sparkles. And I can barely see Her arms, which She is extending now from Her gown. She has a large Rosary. The beads are made of pearls, beautiful pearls, and the links are gold. The crucifix is solid gold. And as She turns it, it's very glittering.

August 15, 1972

**Veronica:** Our Lady now is extending Her hand, and in Her hand is a large Rosary. The beads are very large. They are made of a white, glistening material, like pearl. The crucifix is very large and golden. Now Our Lady is extending the crucifix very high, and She is blessing everyone now with the crucifix.

Now Our Lady has gone over to the left side of the flagpole. She is raising Her hand again, and She is blessing everyone with the Rosary and the large crucifix.
