

## Tribulations of Earth Disturbances

**St. Michael:** "Hasten, harken, and listen to the words of warning to a generation that has become perverse, degraded - and abominations committed to offend your God.

In justice and for penance, **there will be visited upon your earth great trials - droughts, famine, rotting crops, hurricanes, floods, all manner of earth tremors and disturbances of nature**, increasing in volume, spreading throughout your world. There will be eruptions and manifestations that shall bring terror to the hearts of many, in places that have never seen nor heard of such volume of sound and fierce eruptions of the earth. "

*August 21, 1976*

**Our Lady:** "O My children, you are truly blind! These warnings have been given for time, and an extension of time to mankind before the major catastrophe shall be sent upon you, the baptism of fire. **You have received these warnings that have gone by unnoticed: floods, hurricanes, fires, disasters, accidents that are not accidents**, earthquakes in places that have never experienced such terror before. How many warnings must the Eternal Father send upon mankind before they will awaken and do penance? "

*September 28, 1976*

**St. Michael:** "Have you prepared your soul and the souls of those you love - your family, your children, your friends?

**Have you, in your charity, reached out to bring the message, the warning from Heaven to your friends, your brothers, your sisters? "**

"Because of the great abominations in your country and in many countries throughout the world, you shall be cleansed by trial. **Floods, death, destruction - you bring upon yourselves this chastisement**. Great heat and the plague."

*February 1, 1977*

**Our Lady:** "Pray, My children, a constant vigilance of prayer. Pray that your leaders will recognize the signs given by your God. Shall these increase in volume: the earthquakes, the pestilence, the fires, the floods, the great heat? My children, who holds the balance for this? You, My children, do! The merciful heart of the Father watches patiently, but I repeat: the sands are fast running out of the hourglass. "

*March 18, 1977*

**Our Lady:** "The great War is approaching. **There will be wars and rumors of wars increasing throughout your world; earthquakes and pestilence**. "

"My children, **if I could open to you a scene before all of what is in store for mankind**, I assure you, **you would only too gladly do all in your power to restore My Son's House to its former glory and sovereignty**.

**You would chase out the interlopers, the heretics and the satanists that have entered into the structures of My Son's Church**. Do not be fooled by those who wear the garments of clerics, and they have defiled them! "

*April 2, 1977*

**Jesus:** "The world and the world's peoples are fast running to the edge of their own destruction. My Mother has wandered now countless earth-years pleading with you to make an effort to change your ways, restore My House, and do the atonement necessary to not only hold back the darkness that engulfs your world, but to hold back the great Chastisement and the ever increasing accidents that are not accidents, catastrophes, wars, famines, earthquakes. My children, so few recognize these signs being given to you. "

*April 2, 1977*

**Our Lady:** "My children, **why do you not recognize the signs of your times?** Why is man, in his blindness, calling down upon himself many chastisements? Floods, earthquakes, famines, plagues, until all shall be cleansed by the Ball of Redemption! "

**Jesus:** "Know, My children, that it is a sure way of cleansing, pulling out the weeds, separating the wheat from the chaff, the sheep from the goats. **All that is rotten shall fall, and My Church will be renewed**, but not before great trial and disaster falls upon mankind. "

*July 25, 1977*

**Our Lady:** "A gradual cleansing by trial shall be set upon mankind. **The elements shall be used to bring great changes upon earth**. They will not only be beneficial, My children. Floods shall rage in the fore, My children. The atmosphere shall burn in this near future because man has set himself among the stars and has gone too high in his pursuits. "

*March 18, 1978*

**Jesus:** "Great elemental tragedies, disasters, man-made and God-sent upon mankind, shall increase in volume, shall increase in intensity and numbers. Remember, My children, you do not understand the supernatural, for there will be accidents that are not accidents. "

*May 26, 1979*

## Tribulations of Earth Disturbances

**Our Lady:** "My children, you must understand that as a nation you are on now the brink of disaster. **If you do not listen to My pleas, the counsel I have given you while coming to you upon earth, you will be destroyed as a nation.** Countries from far off will stand on boats from your shores and weep out and cry:

**'O whatever has happened to this beautiful country that had all the gold, the silver of the worlds, all the nations bowing to it. And now, within a few short hours, it is destr-r-royed!!!'** " *June 2, 1979*

**Our Lady:** "My children, do not be concerned of any worldly possession, for soon many shall know hunger. There is a spiritual hunger now in your world and in your hearts, but soon your country, **the United States, will join other nations in knowing physical hunger and want.** "

*November 24, 1979*

**Our Lady:** "As a nation, as a country - to all nations of the world, I say to you, as your Mother, that as you have sown so shall you reap. How many years have I traveled across your earth, crying with tears of pity and frustration, that the great Chastisement be withheld from mankind, because of the many souls that will be lost to Heaven. How many have listened to My counsel and prepared? Have you become so blinded by your lives of luxury and worldly pursuits that you can no longer recognize what is happening about you? Murders abound. Blood flows in the street. Hunger shall be set upon your country. Many shall die. And why? **Because you have turned your back upon My Son, the only One now who can save you** from what is fast coming upon you. My child, do not be affrighted. Through countless years have you seen this scene."

**Our Lady:** "Earthquakes in your country, the United States, extending up through Canada, earthquakes in places never before known to exist, or the possibility of. And they will know it comes but from the hand of God. Famine, starvation, your crops will rot. The heat will burn, the cattle will starve. And why? Because you refuse to turn back, complacent in your arrogance. " *May 30, 1981*

**Jesus:** "My child and My children, you do not recognize the floods that have been set upon you. These floods shall increase, and many will die; and these floods shall be in diverse places, places not known before to have had such an occurrence. Many mothers' hearts will be saddened. " *June 18, 1984*

**Jesus:** "My child and My children, you must do your utmost to bring back into My House, My Church upon earth, the Faith. I often cried through My Mother's tears. Her tears and Mine abounded over the earth, because through the Eternal Father, man was given a conscience and a free will, to either accept Heaven by sacrifice and penance, and having to face the rebuke of a darkened world".

"I want everyone upon earth to know that the great Chastisement and the punishments of droughts, earthquakes, hurricanes, tornadoes, are but minor compared to the number of lives that will be lost with the great Chastisement. " *July 1, 1985*

**St. Michael -** "My child and my children, your world is heading for a great catastrophe. Earthquakes will increase. Floods will increase. There will be much weeping and gnashing of teeth throughout the world as calamity upon calamity befalls mankind. And why? **Because you do not listen to the Queen of Heaven, Who has come to you as a Queen of Peace to bring the world back from the cataclysm it is facing.** "

**Jesus:** "You will all keep a constant vigilance of prayer going throughout your world and all the nations of the earth. Because if you do not, all the nations of the world shall cry. **You have been given minor warnings with hurricanes, and all kinds of earth disturbances, with droughts,** with everything, My child, that should have alerted mankind, but did not. What are they waiting for? The Ball of Redemption?"

*November 1, 1985*

**Our Lady:** "Your country, My child, the United States, shall know of another tremendous earthquake. I know this grips your heart with fear, My child, but you will see and understand. **There will be more floods, more famine, more blood in the streets.** The enemy will come from foreign nations now to try to shed this blood. Do not take their words to you lightly. They will enter the United States for one purpose - to destroy the morale. "
