

## Our Lady of the Roses, Mary Help of Mothers Shrine

### The Complete Message to Veronica Lueken at the Vigil of March 25, 1973

Feast of the Annunciation of the Blessed Virgin Mary

**Our Lady:** It is not My intention to fill your heart with fear at the sight of what is to come upon this ungrateful generation. I have wandered throughout the world, shedding many tears. My pleas for penance and atonement have fallen on many hardened hearts and deafened ears. Now all I can do is prepare you for the days ahead.

You will keep all sacramentals with you as I have directed in the past. Satan will seek to remove this protection from you.

**Many of Our dedicated have fallen in line with the false maxims of modernism.** Our hearts are truly saddened at the blindness that has entered into the hearts of many in the House of God.

The symptoms of the weakness of the human soul are in abundance about you. The graces dispensed from Heaven have been accepted only by the few. Many have preferred to accept sin as a way of life.

I do not have to give you the count of hours, days, or years before the coming Chastisement. What matters is that you prepare your souls now for what lies ahead of you.

[Pause]

**The forces of evil always surround a shrine of purity. Therefore, you will use the invocation to Michael at all times.** We have asked that Michael be entered back into the holy House of God. His removal has opened the doors for the entrance of the evil spirits into the House of God.

**Many are being led down the road to eternal damnation. They follow as sheep to the slaughter.**

I find among Our dedicated many acts of abominations, disrespect, and loss of vocation.

**A duly ordained priest in the House of God shall not remove his habit.** He shall not take the badge of honor of his vocation from him. In doing thus, he subjects his soul to contamination from worldly influence.

Do you not feel honor for having been chosen from a multitude of souls to be representative of your God upon your world? Have you shame for your vocation? Woe to the man who turns his eyes and heart upon the world and adopts the maxims of the world, all creations of satan! After the final cleansing, only a few will be saved.

**I have wandered throughout the world as a Mediatrix between God and man.** I have come to you as your Mother and pleaded for the salvation and redemption of your souls. Many are fast falling into the web woven by satan.

**Veronica:** To the left of the flagpole Our Lady is coming forward, and She has Her hand about a little girl. She's about ten years of age. Oh, I recognize her now - it's Jacinta. Now Jacinta is coming over to the flagpole.

**Jacinta** - [child seer of Fatima 1917] Oh, why do you not listen to my words? [In a child-like, pleading voice.]

Have you forgotten the dangers Our Lady gave in writing to you? They were specifically given to protect you in your times.

**I wrote on the picture to bring this before you. I do, Veronica, hope that you will continue to send my picture throughout your world.**

The time before the great punishment is short. So many will die, and they cannot enter into the Kingdom. It is sad to enter into purgatory, but there is gladness of heart in the knowledge that

one day you will enter into the Kingdom. But to see the souls fall into hell, we cry tears in abundance upon your world!

**Veronica:** Now over to the right side of the flagpole, coming through the sky, is a nun. It's Saint Catherine. I recognize the headpiece; it's very large and white. It's like a wing-like - a hat, sort of a cap, and it's very large and heavy looking.

And she's holding up her finger and pointing over to the left side of the sky. Oh, over at the left side is a large medal, and on it is written - oh, it is the **Miraculous Medal**. And now above it are the words written in the sky like the Jacinta writing:

***O Mary, conceived without sin,  
pray for those who have recourse to Thee.***

Now over to the right side, Catherine is being joined by four nuns; they're coming through the sky. Now it's very bright, the sky is becoming very bright. Oh, and I recognize Theresa. Theresa, and there are three sisters behind her. Oh, Theresa . . . oh, she's bending over now, and she says:

**St. Theresa:** Listen carefully, Veronica, to my words.

**I gave my life upon earth as a child. My little way was a way of love. True love seeks no self-gratification, but the well-being of the beloved. It is only in giving that you shall receive.**

All must now retire from your world that has been given to satan. You will not have both. You must now pick up the cross and carry it. Only in this way will you stay on the road. It is a narrow road, and when you leave, it is difficult to find the way back.

**The direction to the Kingdom has been given to you all the duration of life on your earth. It is a simple plan of love. You do not offend and hurt those you love; so why have you chosen to offend and hurt Jesus and our Mother, Mary?**

I have watched with my sisters the abominations in the convents. Why have they chosen to follow as foolish maidens the modes of an evil world? They do not pray; therefore, they have become blinded. How many have abandoned Jesus for the love of the world! What shall the Father do, when they enter beyond the veil, with them?

Satan has set upon the world a mode of fashion. It is a destructive way of life. The convents shall not follow the fashions of the world. The men of God shall not follow the fashions of the world.

**Veronica:** Now over to the left side, I see the comet streaking across the sky, and I see words written under it:

**MONTHS    DAYS    HOURS**

Now over to the right I see a large - oh, it's a musical **G clef**.

Now Our Lady is coming closer over on the right side of the flagpole, and She says:

**Our Lady:** **Prayer, penance, and sacrifice are your only recourse.** It truly rains teardrops from Heaven.

You, My child, Veronica, will make adjustments in your family life, and prepare for the taking over of the responsibility of your mission by those whom I have already appointed to assist you.

**Those who remain close to My Son and remain well of spirit will have no fear for the days ahead.** All that is rotten will fall, and your world will emerge cleansed and triumphant in the eyes of God. However, before the final act of God, His Chastisement upon man for his unrepentance, many will be taken from the world.

You do not have to seek the entertainment of your world. **You will nourish your souls with pure waters. We have left with you the Book of life. You will read it now.** But I must caution you: you will not accept this Book after the year -

*Veronica:* And Our Lady is raising Her hand, and She's saying:

**Our Lady: One, nine, six, four: 1964. All publications of truth will be found prior to this date.**

Man now seeks to rule his world without his God, even seeking in his arrogance to create life.

Man seeks to gain wealth of temporary nature by giving himself to satan. How blind and foolish he is, for he accepts this wealth at the cost of eternal life in the Kingdom of his God. For you, with your free will, will have made the choice to join Lucifer in eternal damnation and torment, or to come into the Kingdom of life.

The value of prayer has been taken from your consciousness purposely. You will all return prayer to your homes and the House of God. Bad example in the House of God has set many souls onto the road to hell.

We do not expect brothers and sisters to go about condemning each other. We expect good example and prayer.

**Upon these Sacred Grounds will be given many graces: graces needed for the recovery of straying souls, graces in abundance for the asking, graces for cures and conversions.**

**Come to Me, mothers who weep for their errant children, and I will comfort you. I will show you the road for their recovery.**

Many parents have grown lax as they become involved in material gain. They have fallen in their role as parents and will answer to the Father for the fall of their children's souls. Each parent will be held responsible for the fall of his child's soul.

Do not depend on the world to bring the truth to your children. This truth you, as parents, have been instructed in, and it is you who will have to take over the instruction of your children at the present time.

Satan has placed many agents in the House of God, and all fields of entertainment, culture, and government are now set up for satan. You ask, My child, how this situation evolved. **It was not in the plan of God to bring the great Chastisement upon you at this time. It is the will of man that has forced His hand upon you.**

The great plague and darkness will come before the Ball of Redemption.

**Gradually you will find the extinction of man evolving, from the earth.** The Father does not plan to completely eradicate man from earth as He did during the time of Noe, choosing only a few to set up the Kingdom.

**There will be a great War . . . .**

*Veronica:* And over to the left side of the flagpole there's written a word:

**YELLOW AGAINST WHITE, WHITE AGAINST BLACK,**

and then there's a large cross over the world. It's a globe of the world, and there's blood dripping over on one side. And there's a pool of blood; it's like a river. And now the word comes out from inside the blood, and it says

**PALESTINE : P-A-L-E-S-T-I-N-E,**

and underneath,

**JERUSALEM.**

Now Our Lady is going over to the right side of the flagpole. Oh, Our Lady said I must now stand and sit.

Now there are two men coming forward. They're dressed - they look like monks now. The one on the right, he looks like a monk, and he's carrying a large book, but it looks very old. It has a brown cover; it looks like a calf-skin kind of cover, but it has a golden cross on the cover.

And he's now leaning over and talking with a young man - oh, a young man who's coming up out of, he's coming in the sky. Oh, I recognize him because I have seen him before. It's Aloysius. Oh, yes, it's Aloysius. Oh, and he's smiling because he knows I recognize him. Oh, now Aloysius says:

*St. Aloysius* - You do not recognize my teacher, my child.

*Veronica:* Oh, the man in the hooded cape is Saint Robert Bellarmine. Oh, Saint Robert. Now Saint Robert is coming forward, and he's looking down. Oh! Oh, he's not very happy! I don't know. Should I repeat this, Our Lady? He's looking down now, and he's saying:

*St. Robert Bellarmine* - Why have you changed the rule?

*Veronica:* Now he's going over to the left side, and he's looking down also at the left side of the people. And he's opening the book, and he's pointing to the book. And he says:

*St. Robert Bellarmine* - Fasting! While you bloat your bellies and starve your souls, why do you not fast and do penance?

*Veronica:* Now Saint Robert is coming over to the right side of the flagpole.

*St. Robert Bellarmine* - Why do we find these abominations in the House of God? What is this new modernism you claim so constructive in the House of God, while we see destruction about us and the loss of souls to the King of Heaven? Arrogant man! What are you calling down upon yourself but your own destruction? Lovers of pleasure! Fornicators without conscience, even among the men of God! What punishment do you call down upon yourselves! **You who should stand forth as an example to your flock have led them from the road!**

*Veronica:* Now Saint Robert is going over to the left side of the flagpole. Oh, he's being joined by Saint Theresa. And there are many nuns, but they're from different orders. I don't recognize them. They're dressed very differently in their habits, but they all have one thing in common: their skirts are very long.

Now Our Lady says:

*Our Lady:* **You will notice, My child, there are no changes in Heaven.** The skirts will be placed back to the floor. The greatest of punishments of eternal banishment will be given to those who have abandoned their vocation, led astray, but with self-will, by the plans and guiles of satan.

*Veronica:* Now Our Lady is coming forward. Oh, it must be very windy. She has the most beautiful blue cape. Oh, it's very pretty! The cape is a blue that I have never seen before. It's almost like the blue on the clearest day in the sky. It's a beautiful blue. Now around Her cape there's a trim of gold. Now the gold is so brilliant - oh, the light shining upon it . . . Now I see there are hosts. The hosts are rising high above Our Lady's head.

Now Our Lady is coming forward. Oh! Oh, and Jesus now is coming forward. He's, He's coming out of the clouds. Oh, He's smiling. And now Our Lady is coming over. She's not walking, She floats; Our Lady floats. And She says:

*Our Lady:* I do not have to repeat, My child, the great sorrow in Our hearts for the abominations being committed in your world against the Sacred Heart of My Son. See, My child, My heart pierced with sorrow.

*Veronica:* Oh! Oh! Oh, it's - oh, I see . . . oh, now - oh, from Our Lady's chest there's a large heart. Oh, it's growing larger. It covers the whole front of Her gown. But it's bleeding, and I see knives! They're knives - oh, there's so many knives, and . . . Oh, I can't look! I can't look! I can't - [Veronica's voice is broken with grief.] And also Her hands - now Our Lady is reaching Her hands up, and She's holding them above Her head. She said:

*Our Lady:* **I stand almost in crucifixion for the abominations against My Son.**

**Veronica:** And oh, now there's a very large cross in the left side of the sky. Now the cross is very black, and it's floating now . . . . Oh, now I see it's floating onto the top of a large cathedral. Oh, it's Saint Peter's. Now also, over the cross, there's an eagle. The eagle is very black; it doesn't look very nice. It looks like death. I don't know .

. . . .  
Now it's growing very dark. And the building - the lights seem to be going out. **And there's a bell tolling.** I can hear it; it's going: Bong . . . bong . . . bong . . . bong. . . .  
Now it's - the sky is growing very dark, and I can't see the building.

Now Our Lady is coming forward, and She says - oh, I can't repeat it.

Oh. Oh. Oh, yes. The picture, yes.

Now Our Lady is coming over, and She said:

**Our Lady:** You will continue with your prayers of atonement. Many prayers are needed. Your world is covered in darkness. [Pause]

**Veronica:** **Our Lady says that all must now read their Bible.** If you follow the writings of John, you will not be lost in the occurrences that lie before you. Parents must bring the Book of truth and life, the Bible, to their children. Their children now are being destroyed with literature created by satan - infiltration through the mind.

**Our Lady:** You must accept the fact, My children, that satan, Luciel, was not divested of his great knowledge and power before he was cast from Heaven for his disobedience and arrogance to the Father. Therefore, he has on your earth great power. One of these powers he has over man is that he lives in a world invisible to your human eyes unless you are given the grace by the Father to see. Therefore, you must be guided in truth by knowledge from holy priests in the House of God, and the truth in instruction received by many parents in their childhood.

**God the Father has given each man an inborn conscience. He will sin when he chooses to blind himself to the truth.**

Your children have lost their way because they have lost the knowledge of God. Man is forever seeking, but never finding the truth. Pride, intellectual pride in the House of God and the scientific men of your world has set them on the course for their own damnation. They are following the road of the fallen angels.

There must be kept a constant vigilance of prayer in your country and throughout the world. The agents of hell are loosed in force upon your world. Prayer can stop them. You are now in the war of the spirits as noted in the Book of life, the beginning of the latter days.

The agents of hell will enter upon any unclean soul, be it man, woman, or child. He will use this manner to accept a human body to work his will, the will of satan.

Unless, My children, you retain great graces and remain close to My Son, you will fall into the darkness.

Sin has now become a way of life in your world. The souls continue to fall into hell as numerous as the snowflakes that fall from the heavens!

**Bring your children back to the knowledge of the existence of the world of the Father and the Kingdom.** They wander as lost sheep, seeking but never finding the truth. In their search, they have met the agents of hell and the plan set forth by satan. Many plagues have entered upon your country and pass unnoticed, accepted as a way of life.

**Veronica:** Our Lady is referring to the use of drugs among the young people.

**Our Lady:** It has been promoted to destroy the mind and the will, allowing the young soul to be susceptible to the entrance of evil, and taken from God into the kingdom of Lucifer.

**Only through the graces that can ransom this soul will one return, be returned to the Kingdom.** Those who receive in abundance, much is expected of them. They will not sit back, knowing they have received the light, but must go forth and share their graces with others.

**Discipline must be returned to the House of God and the homes.** Permissiveness must be stopped. You will not save souls by giving him the luxuries of life and pampering his worldly body.

Man no longer recognizes the value of depriving himself of these luxuries and suffering. He lives for the moments on earth. He blinds himself to the truth of his temporary pilgrimage upon earth.

*Veronica:* Now Jesus is coming over to the right side of the flagpole. He says:

**Jesus:** **Hasten, harken, and listen, for I do not use My words idly!** You have brought down upon yourself condemnation from the Father. A complete reversal of your present turning from the laws of God will be necessary, as the Ball has already been sent on its way. Many will die in the great flame of this Ball of Redemption. Those given the grace now will be prepared and gather the sheep.

All sacramentals must be worn and kept in the homes. The monuments, statues, must be kept in the homes and the House of God, for they will not then fall during the trial of chastisement. All who keep My monuments in their houses will not be destroyed.

*Veronica:* Jesus says the monuments are the statues.

**Jesus:** **All who practice the false science of astrology are unbelievers.** This false science was created to take the knowledge of the power of God from man. No stone or cosmic force shall guide the life pattern of a man. Only his Creator, the Father, holds the destiny of each man in His hand. However, do not deny the fact that man of his free will can turn his back on the Father.

**There is loosed upon your earth now four demons on special mission.** The knowledgeable souls will understand My words. The fifth will be released within a short time. The sixth will be present before I come with Michael to restore the peace.

. . . fulfill My promise with a cure of the invalided soul if you follow My direction, My child.

### *Vision of the Horses of the Apocalypse*

*Veronica:* Next to Our Lady, on the right side, is Saint Michael. Oh, my, is he big! Oh, he's - oh-h! He's very tall. Oh, Our Lady looks like a little statuette next to Michael. And Michael, now - it's very hard looking at him because Michael has very metallic-looking, 'brassy' hair, sort of, like metallic. Oh, he says: Do not say 'brassy,' my child. It is, it's God-given. You could surely choose to use a better word. Oh, he said translucent. Oh. Well, anyway, it's, it's very, very bright and brilliant, like gold, so I thought it was metallic.

Oh, Michael is smiling, and he's pointing over. . . . Oh, he's - oh, right across there, there's horses now. Oh, they're coming across the sky so fast! But these horses have got colors. They look very funny, **because it's a white horse and a red horse and a black horse and green horse.** And now they're going across the sky very fast. And Michael is standing back, and he's holding up - now he has this scale; no, it's like a scale or balance. He's holding it in one hand, and he has like a spear. It's a long stick with an edge - it's not quite a point; it has . . . oh, I see, it has three points on it, like three prongs. And he said:

**St. Michael:** **Time passes very quickly in the Book of life.**

**Veronica:** And now he has stopped, now, one. **And I see the other horses have passed into the sky, but the black horse now is coming over.** Oh, it looks awful. Sitting upon the black horse is this horrible . . . . Oh, it's - oh, I can't look at him. He looks - it's not even a he; it's like an animal. It's - oh! It's horrible! He's all black and charred, and he has . . . he looks like . . . . Our Lady says:

**Our Lady:** Do not be frightened, My child. **You have the sight of what is to be. It is death.**

**Veronica:** **But it looks like a skull, with almost like horns, like a demon.** But yet it has the body of a man, because it has like its legs, which are black, very black and dark, over the sides of the horse.

Now he has something in his hand; I can't see it. Oh, my goodness! He's holding a skull. He's holding a skull - it's an actual skull, like, you know, a human skull, in his hand. Now he's holding the skull up very high, over his head. Now the horse is beginning to move, and it's going over to the left side of the flagpole. And now - oh, he's going into the sky. I can't see him. Oh, I don't - I can't look at this. Oh! Oh! [The Grim Reaper - Mr. Death]

Now Our Lady is coming over. It's becoming much brighter. It's becoming much brighter. And now Our Lady's coming forward; She's looking very serious. And Our Lady said:

**Our Lady:** **Blood will flow freely upon the earth. I cannot come with words of untruth and promise you a great peace until the world is cleansed.** I cried for years for atonement and penance, but My words fell on many deafened ears. Now you have all been prepared and We expect you to adjust your lives accordingly.

Continue now with the prayers of atonement on the beads of prayer, and Jesus will then bless all sacramentals.

[Pause]

**Veronica:** Jesus would now like to bless all the sacramentals. All who are able will please kneel.

Now Jesus is coming over; He's been standing here talking with me, and He wants you to bring forth all sacramentals, items of God: cards, holy pictures, Rosaries, medals, any items that need the graces for the purification of your soul and those you love.

Now Jesus is raising His hand over His head very high, like this, and He's making the sign of the Trinity, like this. And now He's moving over very slowly, and He's looking down now. He's just in front of the flagpole. He's looking down now. He's going to raise His hand again, and He's blessing all those right in this area with the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady now is coming forward, too; and She has a large Rosary, the white one with the gold Our Fathers and the large golden crucifix. Now She's standing next to Jesus. Now She's talking with Jesus, but Jesus now is raising His hand. Oh, I can see on His hand - oh, you can see the holes right in His hand. They're very, very deep, though healed over. I can see - I can see where the spikes went right through His hands. Oh, the marks are there. It looks like - oh, it's not bleeding, but it looks very like dried blood, coagulated. But I can see actually - oh, now Jesus is raising His hand very high, and He's going to bless everyone on this side of the flagpole: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady - now She's raising Her crucifix from the Rosary, like this. She's holding it like this, and now - oh, She is making the sign of the cross. And She's smiling. Now Our Lady is bending way down, and Her robe, the cape, which is a beautiful blue, is blowing and - oh, it's blowing. And Our Lady has a very full skirt on, very full. And now She's leaning over, and She's blessing in the sign of the cross on this side of the flagpole.

Now Our Lady is coming - oh, She's floating over, and Jesus is following Her. And Michael now, I can see Michael - he's standing behind Our Lady. He's very, very large. He must be at least - oh, eight or nine times taller than Our Lady; and he's very wide, but he doesn't look like out of proportion. He looks absolutely beautiful. But I can't see his face; his hair, though, I can't miss his hair. His hair is just like metal, and - oh, he thinks that is funny, too. It is very strange, his hair, Michael's hair; it's more like metal. It's cut quite short about his head.

Now I see he's looking over - oh, I see; he's waiting for - Our Lady is now moving over to the right side of the flagpole, right between the flagpole and the tree. And She's raising now Her crucifix, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is coming forward, and She said:

***Our Lady:*** All blessings of graces dispensed from the sacred grounds will be instrumental in promoting the work of the ransoming of souls throughout the world.

***Veronica:*** Now Our Lady is moving over to the left side, and - oh, She has now in Her hands a Rosary, but it's not the one She had before. It's made of, all of flowers. Oh, it's like the one we used to have; it's all made of roses. The Rosary is made of, actually of roses, roses. And I see now - oh, but instead of the roses, each Our Father is a large cross. The cross is white, and the roses are red. Now that would mean that the Our Father is the white cross, and the Hail Marys are red roses: one, two, three, four, five, six, seven, eight, nine, ten - ten roses and then the white cross again. Now Our Lady is holding it very high and - oh, now the crucifix from it - it's not golden; it's also a white cross. Oh, and She says:

***Our Lady:*** You see now, My child, why I instructed you to place the white cross upon the base.

***Veronica:*** Oh! Oh, yes, the base of the statue. Our Lady told me yesterday, the day before yesterday, to place a white cross upon the base of the statue. The cross now from Her Rosary is exactly like this white cross. Oh, now Our Lady is smiling. Now She says:

***Our Lady:*** You will continue with the prayers of atonement.

**I will be with you always on these Sacred Grounds. Though I have asked for dates for special vigils, this does not mean that the grounds will not be open in perpetuity.**

**All who come here will be solaced and nourished with graces to prevent the infiltration of satan upon their human souls, so that they will be able to withstand the pressures of satan in their lifetime upon earth and return in glorious triumph to the Kingdom. You have been placed as children of God upon earth, as champions of Heaven.**

We are saddened when one is captured by satan. We are joyful, and there is great joy in Heaven among the angels and the Father when you are able to take back from satan just one child for Us. So, My children, go forth with great hope and spirit and rescue your brothers and sisters. Disperse throughout the world in great haste My words from these sacred grounds. I have visited on your earth many places throughout world's time, but now We are in the time of crisis. Each who have the grace will go forth as a disciple for My Son. By this manner you will climb the ladder fast into the Kingdom.

***Veronica:*** Now Jesus is coming forward, and He's now raising His hand again. He says:

***Jesus:*** I bless you all, My children, and I dispense among you the graces for your salvation and the recovery of all souls from satan: In the name of the Father, and of the Son, and of the Holy Ghost.

***Veronica:*** Now He has taken His hand and He's made the sign of the Trinity over the crucifix. He says that I'm not to fully understand His reason for doing this. There are many secrets of Heaven that would no longer be sacred should they be revealed to the world at this time. Oh, now Jesus is moving backwards, and He's standing with Our Lady. Now He said:

***Jesus:*** You will continue with the beads of prayer to Heaven.

***Veronica:*** That would be the Rosary.
