## A SAMPLING OF TESTIMONIALS - Jan - June 1998

*"Cures and conversions will come about as I have promised to propagate the work and the mission on earth of raising in your country THE SHRINE." Our Lady, Dec. 30, 1972*

I was very sick bleeding inside and some neighbor gave me the petals of Our Lady of the Roses. My prayers and Jesus our Lady of the Roses found time to cure me. I am grateful for the petal. I would appreciate if you send me some more. I work in a hospital and I would like to do for someone what God did for me.....Thank you..

Respectfully yours,  
Margaret Brooklyn, NY

Dear Staff (OLOR)

On April 20 I mailed a petition to stop smoking. On May 25, my desire to smoke ceased miraculously. This had been a 20 year addiction. In private prayer to Our Lady and Jesus and Our Almighty Father and Joseph. I thanked them. I was told, don't you remember the petition you sent on April 20? I had completely forgotten the April 20<sup>th</sup> petition. Many thanks to (OLOR) staff and Jesus, Mary and Joseph and the Almighty Father.

Dear Workers of Our Lady

I promised Our Lady of the Roses I would have this published if She would grant me this favor.

I had surgery, a knee replacement and leg straightened on Nov 18<sup>th</sup> 1997. For a year I had prayed for guidance in knowing what to do, as I had some fear.

Finally in one of her messages I read "you have good doctors, go to them first and then come to us" That did it, I put myself in Her hands. I told Her I would do it and I did. The surgery was successful. I am walking better each day. It takes about a month to fully walk on my own. I can't thank Our Lady of the Roses enough for all She has done for me. I promised to send a donation each month in thanksgiving - I love you Sweet Mother forever.

I placed the black crosses [wood crucifix from the Shrine] on the front door of my home, the back door, a foyer door connected to my garage, and on one side of my garage door. I ran short and did not have any more for the other side of my garage door. On May 31, 1998 a tornado came thru and ripped our home removing most of the garage where there was no black cross. I believe the crosses saved us. The house across the street was in some path and was demolished. Our 2 cars were picked up and hurled 20 feet away they had no cross, but I had the Sacred Heart and my car was damaged. My daughter had nothing sacred and her car was demolished - totaled out!

The photos of his battered house were in the Daily Star Oneonta NY

I remember back a couple of years ago I asked for prayers and immediately everything moved forward for my daughter Laura - and continues on today. She is so much better she's almost like another person. She's in her own apartment and is living a full life. Her health is fragile, but she's giving it everything she can.

Before I could mail my intentions list, I got a call for an offer for a job. I wrote it down on Monday, then on Tuesday morning I got the call with the job offer. Sylvia C. Chattanooga, TN

I am 90 years old. I had a very bad experience this week. I have to tell you My House was robbed. I cried and cried from that experience. I have a short Rosary I pray every day and night. I still think about that experience. I was asleep and woke up to see a man stealing my jewel box. I screamed and screamed (I live alone) as I passed My Blessed Mother of the Roses. My hand touched Hers and as I took my rosary to pray, I dropped it on the floor. When I put my light on, the crook was gone and I was not hurt. I reached to pick up my Rosary as it fell it formed a real perfect heart. I know the Blessed Mother told me I wouldn't be hurt. I thank Her and prayed to Her every night for years to protect me. That's all and I say that was Her way of telling me she will always protect me. I'm sending you a donation. Please use it to help all the poor souls who have been in my experience. I'll keep in touch ...

Thank you.

Dear Our Lady of the Roses Helper,

I want to tell you about the last prayer request that I sent to be placed at Our Lady's feet.

My youngest brother got himself in trouble and went to jail. That was in 1957. He had 3 children at the time. The mother of the children took the children to a neighbor's and left them. She went to California and never came back. The children were put into foster homes and became lost in the systems.

When my brother was released from prison, he was denied all visiting rights. My parents tried to find them, but grand parents did not have much rights back then and I was only 15 at the time.

When I came of age, I tried and failed too.

As years went by my brother had 3 more children and we made sure our family kept close touch with them. The 3 youngest children always knew that they had 2 half brothers and 1 half sister from the very beginning.

Recently I was sent a book about family heritage. I ordered one in my maiden name. Within 2 hours after receiving the book, I found my 2 nephews. It had been 40 years since I had last seen them.

Within the week we all got together, except for the little girl, she had died in an auto accident at 18.

Now we all feel like a whole family again. The first born nephew never knew that they had any family on their fathers side of the family. Now there are 4 brothers and 1 sister united in love.

I thank Our Lady on bended knee and bowed head for Her part in helping this prayer to be answered. I know Our Eternal Mother is rejoicing that this family is back together. May God keep you and yours always in His grace.

In October 1996 I sent in a petition for the Cure of my grandson Ryan R. He had his weight drop drastically - his lymph nodes were swollen. He was facing lymphoma leukemia or Hodgkin's disease and was very ill. Doctors were unable to find what was wrong with him. I sent in a petition for his cure [to OLR], my local church said prayers for him and many people included him in their prayer. He married his girl friend even though he was so sick. His wife got pregnant and they had a wonderful and beautiful son. Then like a miracle my grandson started to feel better. He put on weight. He is now cured and they are expecting their second child. I am so much in debt to all who prayed for him. In September his next child will come into that happy home. I thank all of you from the bottom of my heart. Please apply this donation for the betterment of the Shrine.

*"Know the plan from Heaven. The numbers that will gather will triple and far exceed what you could ever expect in your human expectations, My child. There will be cures and conversions beyond what man has experienced in your country. It is in this manner My child, that the work for My Mother's Shrine shall go forward." Jesus, May 28, 1975*
