### *Our Lady of the Roses Saved My Life*

December 20, 2002

Our Lady of the Roses Shrine,  
Some months ago I asked for prayers for my cure. I had a large aneurysm in my aorta (stomach area). If I didn't have the operation and it burst, I would die and if I had the operation there was very little chance of surviving. Well on October the 7th, this year I was operated on and through the intercession of Our Lady of the Roses, I survived the operation; although I'm still recuperating. I wish to thank Jesus and Our Lady of the Roses for saving my life. Yours in Jesus, Mary and Joseph,  
Joseph - Canada

### *Led to the Church*

Dear Bayside Workers,  
I am so glad that the original Shrine is being preserved by hearty souls like yourselves. I have followed the Shrine since I was 13 years old and the messages of Our Lord and Our Lady led me to the Church in 1981 at age 18. Over the years the message of Bayside has been a great inspiration to me. May Our Lord and Our Lady continue to bless your mission. Keep up the good work. You all are in my prayers.  
Sincerely, Peter - California

### *Petal Helped Back*

June 22, 2003

I am writing in reference to a Rose petal someone gave me 9 years ago. I had hurt my back. Needless to say I have used it many times with wonderful results. It is worn and torn. Please send me a replacement and one for my husband. He suffers from leg pain. No tests have shown up anything. We have started rubbing his legs with the Rose petal. We pray for a cure. I will send money on request. I thank you.  
Joan - Long Island, NY

### *Recovered from Burn*

March 5, 2003

I had a CAT Scan in December. It burned me inside and out. I lost two layers of skin. The (five) doctors said I should have died. I kept praying, fasting, then God, Jesus and Blessed Mother brought me through. I give thanksgiving to Them and the Saints.  
Margaret - Louisiana

### *Cured of Cancer at Shrine*

July 7, 2003

I made a trip to Bayside after I was diagnosed with cancer and knelt and prayed at the feet of Our Lady. I'm sure She cured me. Please continue to pray for me and all my family and remember my late husband who died in February of this year from cancer. Thank you.  
Marie - Massachusetts

### *No Glaucoma or Cataracts*

August 26, 2002

Dear Our Lady of the Roses,  
Two years ago my eyes were hurting me and I was having trouble seeing things. My eye doctor said I had glaucoma started on my right eye and cataracts on both of my eyes. I had to see an ophthalmologist. Before I went, I started blessing my eyes with Holy water Blessed by Jesus and Mary three times a day. I also held a Rose petal to my eyes and said a Hail Mary. When I went to the doctor, there wasn't any glaucoma on my right eye and my cataracts are completely in remission. My eyes no longer hurt me and I can see clearly now. I want to thank Our Lady of the Roses and Jesus for this miracle.  
Mrs. B. - Pennsylvania

### *Cured of Depression*

August 22, 2002

After suffering with depression for over 20 years, I placed a petition at a Vigil for help. The very next time I saw my doctor he suggested a new medicine. It almost immediately cured me. I have had no recurrences for over 12 years! Jesus and Mary I love you.  
Mrs. G. - Bronx, NY

### **Cancer Free**

May 7, 2003

Staff of Our Lady of the Roses,  
Please send me ten Blessed Rose petals in laminated plastic. Enclosed is a check to cover the cost. I want to give them to those in need.

I received my Rose petal in a mysterious way. I returned home after running a few errands and as I got out of the car, I found the Rose petal either on the driveway or windshield. I really cannot remember. I do remember thinking to myself where did this come from? I had never heard of Our Lady of the Roses. I decided to call the telephone number on the card to find out more about Our Lady of the Roses.

I was diagnosed with breast cancer October 2002. I prayed a lot and kept Our Lady of the Roses close to me. Thankfully my prayers have been answered. I am cancer free for one year and seven months. I recently sent a Rose petal to my grandniece whose breast cancer returned after four years in the form of bone cancer. She also had tumors in her arm which were extremely painful and she was unable to work. After receiving the Rose petal, the tumors in her arm are gone. Although she still has the bone cancer the pain she had in her arm is gone and she was able to return to work. Please continue to pray for us. Gratefully in prayer,

Mary Ann - New York

### **Survived from a Seizure**

Our Lady of the Roses,  
About a month ago I called in for prayer for Mike S. who had a seizure and was in the hospital. He was so ill he was not expected to live. While in intensive care, I placed a Rose petal on his head. He now is out of the hospital. He is still taking medication for the rest of his life due to the heart. I just want to thank God and Our Blessed Mother and ask that his health continues. He is only 49 years old. Sincerely, God be with you, Love always,

Ms. B. - Sacramento, CA

[the Shrine workers put his name in the hand of Our Lady's Vigil Shrine statue the day Ms. B. called for a prayer petition to Our Lady of the Roses]

### **Severe Pain Stopped**

May 1, 2003

Dear Lady of the Roses,  
Two days back I got a very severe pain at the back, near my neck. I couldn't bear it, and it was in the night. Then and there I placed the Rose petal and the severe pain stopped and it was near my neck till the following evening past. Our Lady of the Roses, a million thanks for that. It was a miracle.

Mrs. W. - Arizona

### **Lungs Clear of Fluid**

April 26, 2003

Dear Workers of Our Lady,  
Enclosed is the check that I promised Our Lady if She would ask Jesus to remove the excess fluid from my lungs so I would not have to get it drained. Thank you Jesus and Mary for my miracle.

Ms. D. - Minnesota

### **Toe Cured of Growth**

July 24, 2003

I had a fast growing growth removed from joint muscle above my big toe and was removed. They didn't get it all and it was coming back. I taped a Rose petal on it and it was cured.

Mrs. G. - Oregon

### **Pain in Back and Legs Gone**

A few days after I received my Rose petal, the pain in my back and both legs went away. Now they are only sore and I still walk with a walker. Thank you Mother and Jesus.

Ann - Texas
