### *A Letter from Veronica - "To Do God's Will"*

A pilgrim from upstate New York wrote a letter to Veronica in the early years and asked, "How do you know God's Will?" Veronica hand wrote a note in response:

Dear Bertha: Sept 26, 1973

*.....To do God's Will - is to follow the Example of Christ; and pray for the Conversion of sinners.*

*May Heaven send you graces more numerous than the Petals of the Roses! Lovingly in Christ V MJJT*

### *Tendon Tear Healed without Surgery*

February 1, 2002

I want to give published testimony and thanksgiving to Our dear Lady of the Roses. I was diagnosed with a tear in the tendon of my right foot and I was in a walking cast for 3 months. I put a *Rose Petal* from the Shrine on my ankle in my sock everyday and after three months, the tendon tear was healed without surgery. That was my prayer and request - for the tendon tear to heal without surgery. Please publish my thanksgiving in the newsletter. Thank you.

Love, Josie - Pennsylvania

### *Blockage Gone*

February, 2002

When I was in the hospital, I had a blockage and the doctor didn't know what it was and my face turned yellow. When they took an MRI and CAT Scan, there was no more blockage, only an empty hole there. It was a miracle. I thank God for it.

### *Bleeding Stopped*

December 19, 2001

In June, my husband had open heart surgery. About two weeks later he developed large amounts of blood in the urine. The doctors did not know where it was coming from. So I prayed to Our Lady and taped a blessed Rose Petal to his stomach. Two days later the bleeding stopped. Thank you Blessed Mother for hearing my prayer! We visited the Shrine grounds on many occasions. I promised the Blessed Mother I'd write and tell you about it.

### *Daughter Spoke After 2 Years*

Our Lady of the Roses, December 2001

My daughter didn't speak to me for about two years. But on a sad note, my older sister passed away Dec. 12, 2001. On that sad occasion my daughter finally spoke to me. It made me very happy and of course sad since my sister passed away. My daughter told me she loves me and she hugged me for the longest moment. I would like to thank *Our Lady of the Roses* for this miracle She let happen. God Bless. Thank you.

***All the Cancer was Contained***

Dear Mr. Lueken,

November 19, 2001

Please use this note to show other people the true miraculous power of Our Lady and Jesus. On July 27, I was seeing my doctor regarding a female problem I had. My previous test results came back positive for cancer. As I sat in my doctors office I was terrified! to say the least. All I could hear were her words, "it's cancer." I would now face a complete hysterectomy. I went home and took a Blessed Rose Petal and prayed every chance I got. I slept with it, went to work with it, and carried it with me at all times. I begged Our Blessed Mother and Jesus to grant me a cure. A warm feeling would come over me as I fell asleep. The day of my surgery, I was really not as scared as I thought I would be. After it was all over the doctors came out and told my daughter all the cancer was contained and no further treatment would be required!! I am truly sure that this was a cure from Our Lady and Jesus. St. Theresa and many other Saints played a roll in this also. If you see fit, please feel free to use this as a testimonial for others. God Bless you and your staff.

Ms. S. - Chicago, IL

***Relief from Depression***

January 2002

Dear Helpers of Our Lady,

Enclosed is a donation in gratitude to *Our Lady of the Roses* for helping me in times of need. A year ago, right before being diagnosed with severe depression I had a most terrible bout with the depression and couldn't get out of bed. The agony of depression was paralyzing so I put a Blessed Rose Petal on my chest and implored Blessed Mother to help me. Immediately I felt a significant relief inside myself and could get up and slowly, but carefully attend to my family's needs. The doctor put me on a medication for depression and now I feel great!

Mrs. W. - Arizona

***Daughter Back in Church***

December 15, 2001

***Not the Angry Person Anymore***

In 1996, I was a very angry person, a lost sheep from faith. I was against the man who my daughter was going to marry. I wrote my petition to Our Mother, praying She will change her mind, but deep in me, Our Lord and Mother spoke to me, 'forgive those who have hurt you, be humble and loving.' Since then I have accepted my daughter and my son-in-law in my life. I am not the angry person anymore. Everyday I put my faith in Our Lord and my Mother everyday.

Mrs. H. - Australia
