Eve of the Presentation of Our Lord

Our Lady - ". . . My words will have entered into the hearts of many. Many will cast them aside, preferring eternal life with the Father to damnation with Lucifer.

"O My children, how I long to open before your eyes the future. I cannot hold back the arm of punishment much longer. Sin and abominations more despicable than since the beginning of creation are being conceived in the minds and hearts of man. These abominations have been created by satan in his plan to capture all children destined for the Kingdom of the Father.

PLAGUE TO CLAIM MANY CHILDREN

"There will be visited upon your country a plague. Many children will be taken from your world. It will be an act of mercy from the Father. Many young souls will be destined for the kingdom of hell, claimed by Lucifer, were they to remain upon earth.

"The Father will chastise those He loves. Many minds have been poisoned by satan, and the world goes into deep darkness.

"What is to come upon your world was planned for a great time in the future. But you have hardened your hearts and turned deafened ears to Our pleas, so your future will be now. All who are of well spirit have nothing to fear.

"Our hearts are torn by the many who choose of free will to cast aside the graces given by the Father. Many have accepted the false maxims of humanism, modernism, and pure satanism. Delusion! Delusion allowed by the Father for the separation of the sheep from the goats. Weep not, My child, for those who fall into hell, for they will have had every opportunity with their eyes open to stay on the path to the Kingdom.

"Prayer, atonement, and sacrifice, a constant vigil of prayer in your country: that is all the direction you will need. You do not fight the war of the spirits with idle words cast on the winds, bargaining for pieces of silver with souls, seeking self-glory and worldly honors, temporary in your state of life. You bargain your souls for your temporary existence and lose eternity!"

THE SUFFERINGS OF POPE PAUL

Veronica - . . . a large church, and there are many figures dressed very regally entering into this church. Many are strangers. I do not recognize them. It is in the center of a large square. And over the dome there's a cross. The cross is very large. Oh! [Veronica bursts into tears.] On the cross . . . is the Holy Father. Looking up . . . looking up, and down by the doors . . . [Veronica continues in a sobbing voice.] are cardinals. . . . I, I can . . .

I see now a large room. There's a desk by the window, and standing outside are many clergy looking in the windows. And I see our Holy Father sitting at the desk. He's very, very weak. He seems unable to hold himself in the chair. He now walks over to the side of the room. There's a large statue of the Blessed Mother. He's praying to Our Lady. He's holding up his hands now, imploring Her for help. On his hands are the marks of the crucifixion. [Veronica continues to weep.]

Outside the door there are two cardinals standing. Each one has a key, a large golden key in his hand. They've removed their hats. Now they removed their hats . . . oh, they're, they're demons! [Veronica gasps in great distress.] They're now taking the keys and they're tying them up with a rope. They're whispering to each other now. And they're pointing, they're pointing over to a . . . another cardinal. He stands there with a cross, and he's holding out his hand. And these two cardinals are now giving him the keys.

I know now it's Saint Peter's - the large church. And standing over it is Michael. He's holding a banner, and he says:

St. Michael - "Enter me into the House of God, or I will indeed return forcibly into the House of God."

Veronica - Now Our Lady . . . Our Lady . . . Our Lady's standing at the right side of the flagpole. She's talking very low. Our Lady says:

Our Lady - "Man is walking the ladder down to his own destruction. Tears and blood will mix upon earth, washing your earth clean, cleansing it of the abominations to the Sacred Heart of My Son.

"Man upon earth has chosen to give the creation of the Father to satan. The abyss is open; the war rages now in full battle. The ultimate victory will be with the Father. We watch, We wait, and We separate the sheep.

"My child, there is great sorrow in your heart. We cannot at this time lighten your cross. Many victim souls, victims to the merciful love of Our Father, victims who will willingly give of themselves for the repatriation of many souls that are falling into darkness"

Veronica - . . . standing with Our Lady, Saint Thomas. He said:

ST. THOMAS AQUINAS

St. Thomas - "You must say Aquinas, my child. Saint Thomas Aquinas.

"Rigid discipline is necessary in the rule of all dedicated. Discipline and obedience to the will of God and not the will of man must be restored upon earth. Your offenses against your God and your destruction of souls, leading more onto the path into darkness, have not passed unnoticed by the Father. You have received your warning.

"Men of God in the House of God, turn back from your ways of satan! Recognize the hand of satan upon you. Starve your souls of the demons that you have allowed to enter upon you! Return to discipline and the rule! You will not take our words and rewrite them to satisfy the desires of mere man! Have you placed yourself beyond the angels? They, too, were cast from the Kingdom for their arrogance. Intellectual pride has led you down the wrong road. Many mitres will fall into hell."

Veronica - Saint Theresa is now standing next to Our Lady.

ST. THERESA'S LITTLE WAY

St. Theresa - "Veronica, my sister, do not be saddened now. We have cried, and our tears have fallen upon you and the world. I have given - yes, I have left upon your earth my little plan for salvation, given me by Our Lady: trust and confidence and love. Love our Jesus, love our Father, and call to the Holy Ghost. No one is ever passed by unanswered. Satan seeks to remove from among you the existence of these truths.

"Manifestations will be given to those chosen by the Father to propagate the work of saving souls by the intercession of Mary, the Mother of God, from these sacred grounds, hallowed by Her presence."

Veronica - Now Gabriel and Raphael are coming very close down by the flagpole on the left. He's leaning over, and he's saying:

TUSAZERI: VERONICA'S GUARDIAN ANGEL

St. Gabriel - "You have not chosen to keep in constant contact with your protector, my child. Tusazeri has always been with you; do not forget who has been placed to guide you."

Veronica - I . . . have asked Our Lady if I could have permission to tell who Tusazeri is. Our Lady says I may. Tusazeri is one of the high archangels of Heaven who Jesus sent to be with me when Theresa started the Mission for Heaven in 1968. He was sent by Jesus to protect me in this work against satan. Many times I have forgotten to call upon him when there are difficulties.

Our Lady - "I caution you, My child, to remain more secluded. I do this for your protection and for the mission which I have given you. Satan comes in many faces and many forms. We do not wish you to be exposed to more suffering than necessary. Retire, My child, more from this world which now has been given to satan. The four agents of hell on special mission are accomplishing their despicable task.

"Many will be removed from the tribulations before the coming of My Son to set the world right again.

"The six days of suffering are not for you, My child. But you will be less disturbed by the workings of satan if you tell your beads when your heart grows heavy.

"Many ask for signs; many will receive them when they open their hearts to the Holy Spirit. Graces in abundance We shower upon you. These consecrated grounds will be instrumental in bringing many souls back into the light.

"An agent of special mission now roams in the western world. He will create abominations that can only be conceived from the mind of satan. It is power against power. The father of all liars has led many astray, blinded them to the truth.

"Pray, pray, My children, a constant vigilance of prayer: bead to bead, link to link, state to state, and country to country, unified by prayer against the common enemy of your God."

JACINTA OF FATIMA

Veronica - Oh, now by Our Lady there's a - oh, there's a great light. And there - oh! Oh, it's Jacinta! I know her now, and she's pointing over to the trees. And she's holding up one finger. She says:

Jacinta - "All has come true as I gave to you from Our Lady, but Our Father still plans to bring you back.

"Everyone has so much in many things upon your earth, but yet they all look so unhappy. They are rich, and yet they are so poor.

"I come to tell you of the poor Holy Father. I cried much for him. We love him. But man will destroy him now.

"Many little children are being destroyed on your earth. Our Father sent the angels to you, but you send them back to us. It is only because satan does not want a large army upon earth of our Father's children. Those that will be left will bring much grief and misery to the world, for they will be taken by satan and used.

THE PHOTO 'JACINTA 1972'

"I gave you the picture. I wrote on your picture. I did not know how to write much on earth, but I wrote. Our Father showed me how to write. Won't you give everyone my picture? I want them to remember what I tried to tell them."

Veronica - Our Lady now has come over to Jacinta, and She's placed Her arm about her. And there's a little boy standing next to Jacinta. I know he's Francisco. He has his hat off now. He's standing with his hat, like a long cap, in his hand. And he's smiling.

I see now a large cross over Saint Peter's. It's a very large cross, but now it's bending, it's bending. And now the cross is being bent like a pretzel, and it forms a large number "4". I know the "4" means the evil man.

Our Lady - "The cross of Christ is to be replaced by the worship of man, no longer the cross of the living God. Man has set himself up as an idol. All idols are destroyed by the Father.

"Life upon your earth will be shortened. The extension would bring more souls into the darkness. I have gone throughout the world and prepared you. You will continue, My child, to send out Our message to the world. We will give you more help."

Veronica - Our Lady now is standing at the right side of the flagpole, and She's holding this very large Rosary. It's beautiful. Oh, the beads are very large. Oh, they're pearls. They're beautiful. And when She - Our Lady's turning over towards the right side, and the pearls have a very pink glow. They're beautiful. But the bead of the Our Father is so golden. And Our Lady is smiling now, and She's looking down, and She's pointing over to the right. Oh, I know!

Now Our Lady is raising the crucifix; it's a very large, golden crucifix on Her Rosary. And She's now blessing a dedicated son. Now Our Lady is leaning over, and I see Her making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Continue, My children, now with your prayers, for many are needed to hold back the darkness.

"Before this battle is over, many who remain to stand forth to protect the honor of My Son will be subjected to torments from their own. Many martyrs will enter into the Kingdom. The persecution within the House of God will be heavy. The agents of hell seek to destroy My Son's House on earth. Many of the dedicated will grow weak and fall in with the plan of satan, preferring to accept a life without suffering on earth, refusing and casting from their minds the reality of the eternal life of the Kingdom.

DESECRATION OF THE SACRED HOST

"The desecration to the Body of My Son must be stopped now! The abominations have reached into the House of My Son.

"The weakness can be placed upon the dedicated because they have cast aside the necessity of prayer. They have grown soft in the ways of the world.

"Every man of God in the House of God must set himself forth as an example of the living God. As a man of God chosen from the world to lead the sheep, he has been endowed with the graces to gather the souls. He can take these graces and cast them aside, accepting to bargain with Lucifer, and with his power as a fallen man of God, he has the power to take many souls with him into hell!

"We watch this battle, and the Father has His plan. No evil will ever be triumphant. The Father allows this condition to reach the high point of iniquity, and then it will be stopped!"

Veronica - Jesus has His hand raised like this. I try to imitate. And He's saying:

Jesus - "I bless you: In the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - And He's making the sign like this, like the Trinity. Oh, yes. Now Jesus said . . . I see Our Lady. "Oh, we're so wet down here."

She said:

Our Lady - "My child, you haven't passed over the veil yet."

Veronica - Oh, now Our Lady is now joining Jesus. She's floating, She's floating over to the side of Jesus. Oh, and Jesus now has placed His mantle . . . it's a very deep - not red, but it's like a burgundy, like a maroon color. And He's wearing slippers. They're like sandals; they're brown. And His gown under the mantle is like a cream color.

Now Jesus is bending over. Oh, He's going to bless everyone on the left side of the flagpole. Oh, He's raising His hand now, like this, and He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady and Jesus are coming over, and They're standing just at the right side of the flagpole. Oh! I - oh, there's a nun now, there's a nun coming down. She's just come out of the sky. Oh, I know who she is now - it's Rita. And she's bowing down, and she's saying:

St. Rita - "Evelyn, my poor sister, carry your cross. Join me and I will help you carry your cross. Find the little book and learn the lesson I leave to you."

Veronica - Oh! Now Jesus is . . . Oh, now He's going to bless all again. He's standing here. And Our Lady is raising at the same time Her large, golden crucifix upon Her Rosary. Now the Rosary, though - it's strange; now the Rosary is still in place. Oh, it's left Our Lady's hand. The Rosary is suspended in the air. And Our Lady's extending Her crucifix up and blessing now: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is leaning forward, and I'm to repeat:

Jesus - "I send among you the Holy Spirit. Open your hearts and He will enter upon you. None will be lost if they will seek the light. All this We give to you for the asking.

"The tribulations will be given for the cleansing of your earth. The pages are turning very fast, much faster than the Father would wish. But man now has in his power to govern the remaining hours of his time upon earth. We follow your course. We watch; We wait with great hope. But you will find in the days ahead that the words given to you by My Mother throughout your world were not given without reason. You have been warned many times. Now the decision is with man."

Veronica - Now it's growing very dark. And Jesus now - He hasn't turned His back, but I notice that now He's gone back and moved over to the left side of the flagpole. And Our Lady is just slightly behind Him. And Our Lady now is whispering to me:

Our Lady - "Continue with your prayers, My child. The days ahead will make known to you the necessity for these prayers. Great trials are to enter upon your country and the world. Man has made the road and set the pace for his own destruction.

"In the name of the Father, and of the Son, and of the Holy Ghost."

February 10, 1973

Eve of Our Lady of Lourdes

Veronica - Michael is on the right side of the flagpole. Now he's coming down forward, and he's saying:

St. Michael - "Make haste and listen well to the words of the high Queen of Heaven. Her direction will be followed, or you will receive the punishment due an ungrateful generation."

Veronica - Now Our Lady is coming down. Oh, She's dressed beautifully. Our Lady is all in white. All around the outside of Her robe - it covers Her head from Her feet all the way across Her head and down to Her feet - there's golden trim. It's very brilliant. As the light shines upon it, it glitters. And now as it glitters, I see tiny hosts appearing. They seem to be floating all about Her head, beautifully glittering.

Now Our Lady is coming down. She's over by the right side of the flagpole. And She's looking down over to the right side and over to the left, and She's holding out Her hand. Oh, but in Her hand is a large heart, and it's dripping with blood! And Our Lady says:

Our Lady - "See His heart, so torn by the offenses against Him!

"My hand grows tired. I hold back the darkness. I have wandered throughout the world begging for atonement. My pleas have fallen upon many deafened ears and many who have allowed themselves to be blinded through the pleasures and seeking of worldly riches."

Veronica - Now Our Lady is floating over - She never walks; She's floating over to the left side of the flagpole. And I see coming through the clouds, many, many angels.

Now I see a man. He's coming forward, and he says:

ST. ROBERT BELLARMINE

St. Robert Bellarmine - "I stand above my namesake, for the battle ahead will be one not only for the salvation of the human soul, but for the existence of the true Church of God!"

Veronica - Now over on the right side, there is a man. Oh, I know it's Saint Benedict. He's holding a large book. And he's pointing to the book, and he said:

ST. BENEDICT

St. Benedict - "The rule will be followed without change!"

Veronica - Oh! Now Saint Benedict is pointing up, up to the sky. And he said:

St. Benedict - "See what is planned by the Father for those who have hardened their hearts!"

Veronica - Oh! Oh! Oh! I see . . . there's a great darkness now covering the world. And now there is a large ball. It looks like a sun. But now it's very small in the distance. I see it approaching by years, by months, by days.

And now Our Lady is standing over to the right side, and She's saying:

Our Lady - "Count now each day and live it as though there will be no tomorrow on your earth!

"Penance, atonement, sacrifice, I have asked and cried for. Your country now holds the balance for the destruction of the world.

"We watch the battle that rages upon earth. Awaken and look with enlightened hearts upon fact and truth. You are now living in the battle of the spirits, the days of approaching darkness.

"I have chosen to remain upon earth as a Mediatrix between God and man. I will remain here with you, and have sent many guardians upon earth to guide you in the battle ahead.

"Our hearts and tears fall upon the young, the victims of their elders. The judgment of God will not be understood by human man. Therefore, you will all direct by good example and prayer. Do not seek to castigate your neighbor, but by good example and prayer lead him back onto the road to the Kingdom.

"There is much error and delusion upon earth. Many have fallen into the ways of the world, leading to a society based on humanism, modernism, and pure satanism. Before the battle is completed, you will have chosen your road and the ultimate eternity for your soul.

"Blindness of heart and intellectual pride have set many of Our high priests onto the road to damnation. Their example will take many with them, but they, too, can be returned if they will turn from their worldly ways, and return to prayer and starve their bodies of the demons that have entered upon them.

"There shall be no rationalization among men for sin. For sin is damnation, and there will be no excuse! Shall this world of yours continue, you will continue onto the road to a damnation in eternity of hell. Do you wonder why We plead with you now, My children, to make yourselves ready for what lies ahead?

"Your country and your world will be cleansed by trial. How foolish those who choose the easy road, the road that leads to darkness. How sad that they exchange a life of beauty in the Kingdom for the torments of damnation in hell with Lucifer.

"Pray, pray much, My children, for those who are in darkness. You who have been graced to have your eyes opened to the truth are under obligation now to spread the word and recover those who need your help in prayers and sacrifice. These graces were given to you so that you will be champions in the battle."

Veronica - Now I see over to the left side of the flagpole - Our Lady now is going over to the left side, and there are two men now standing with books in their hands. And I recognize Saint Thomas of Aquinas, Saint Robert Bellarmine. And now there's a young man coming forward. He's dressed - it looks almost like a choir boy's outfit. It's . . . I, I don't recognize his garments. They look like a priest, but he has a cape over his - the black garment. And now he's holding up a book, and it says, "The Book of Life."

And he's pointing now over to Saint Robert, Saint Robert Bellarmine. Now Saint Robert is holding the Book up. Oh! And it's, it's all red; the Book is red. But upon the cover there's a large, black cross. He says:

St. Robert Bellarmine - "The Book is going into deep darkness also. The words will not be rewritten to suit man. The words of God will not be changed to pamper man on earth.

"There will be given many warnings before the Chastisement. One major warning will be given soon to your country. The Chastisement and cleansing will come in two parts of the world. One will be in your side."

THE CHASTISEMENT

Veronica - Oh, Our Lady's showing me a large globe. I can see the United States and Canada. And I can see South America. And also now Our Lady's pointing over to the left side of this globe, and there's Asia, Egypt, Africa. And then . . . Oh, there is a terrible war. Many, many people are dying. Many, many people will die, Our Lady said, many souls unprepared to come to the Kingdom.

Now Our Lady is pointing over - over on the right side there's a large globe. Now out in the sky I see . . . it's a ball. It looks like the sun. But no, it's twirling - it's swinging very fast across the sky, and it has streamers of fire coming out from behind it. And it's twirling so fast. Oh, and the heat - it's very intense.

Now one of the tails has hit - oh! Oh! I see . . . I, I see cities now. There's great fire. And all the lights - there's no electricity - all the lights have gone out. And people are running and trying to find candles. But the air has become stagnant, and there seems to be no oxygen. And they can't light the candles. It's very, very dark.

THE PUNISHMENT OF NEW YORK

Now this ball, it's swinging. It seems to be - it's going very fast through the sky. And as it passes over, there are great particles of dust. [Veronica coughs.] People standing out in it, they're - they, they can't breathe. It's choking. It's like dirt falling from the sky. Now, now there are large rocks, and . . . and - oh! Oh, some of them are falling upon the people. The buildings - some of the buildings have fallen, and the people are running away. But there's no place to run because now there's, there's - the waves have started to rise very, very high.

And oh, the waves are now ten, twelve feet high; and they're pulling into the land! And I see now - I see part of - oh! Oh! Oh! New York! Oh! Oh! Now the comet is swinging over. It, it's . . . not just New York; it covers the whole land.

But I see now - Our Lady now is pointing over to the right, and there's a map. And I see little dots of light. I see one, two, three - over on our side on the map, it looks like from New York down to Florida - I see one, two, three, four . . . it looks like eight or nine candles.

And then over towards the center, there are about . . . maybe fifteen or twenty candles. And over, over on . . . looks . . . from Washington down to Mexico, I see very few candles - only, only maybe about four.

Now Our Lady's coming over. And now Our Lady said I am to listen, but not repeat.

[Pause]

Our Lady - ". . . that man will be subjected to a cleansing that has never been experienced since the beginning of his world. All who are of well spirit will have no fear, for all is in the plan of the Father. Man has hastened what had been planned for the future. There is great hope that the little armies set up throughout the world will hold back the darkness."

Veronica - Now - oh, Our Lady's coming forward. And, oh! Saint Theresa is with Her, and - oh, Saint Theresa and her sisters. And it must be very windy up there because their skirts are blowing. And Theresa is smiling. And she said:

St. Theresa - "My sisters, I have come many times to the sacred grounds because I promised to direct you from Heaven. I do not misguide you when I follow the direction of the Queen of Heaven. I do not place myself above man and his failings, and I stand only as a small little speck in the world and in the firmament of Heaven. But I, too, know what lies ahead for you in your world.

"You must open your hearts to the Holy Spirit. There is much delusion. Many souls are now on the road to hell. We cry, we shed many tears for those who will be lost to the Kingdom.

"Satan has entered into the homes of my sisters. A strong example of discipline and purity must be shown within the homes of my sisters. Do not follow like the sheep to the slaughter."

Veronica - Now Saint Catherine Labouré is coming down, and she's standing next to Our Lady and Theresa. And she says:

St. Catherine Labouré - "How many times must the Queen of Heaven shed Her tears upon a world that turns its back upon Her? We await the final outcome, and the hand will be placed upon the world heavily.

"We are much distressed in Heaven to find the number of our sisters who have fallen in line and lead with great joy of heart down the road to the abyss. They do not seek the road to the Kingdom, but the pleasures of the world which will only be temporary. Eternity: do you not seek an eternity for your life and your soul? How long is eternity, my sisters? It is forever! Your earth-years are but short, but the Kingdom is forever.

"Have you no shame to expose your bodies? Do you not know your example has been given to you falsely to lead you into the darkness? Open your hearts to the Holy Spirit. Accept the sacramentals given by the Lord high God of Heaven and the Queen of Heaven. Wear them, and do not let the demons enter upon you.

"We stand forward in the battle for the recovery of all souls from Lucifer."

Veronica - Now it is growing very dark. Theresa and her sisters, they are floating backwards, up, high above the flagpole. And they're going right into the sky. I can barely see them.

Now there's a very, very bright light about Our Lady. And She's coming down. And now She's standing over the flagpole, to the right side, and She has Her hands extended out, like this. Oh, now from Her hands are coming rays.

The rays now - oh, they're . . . they . . . they are coming down on both sides of the flagpole, the rays. Now they're very, very strong. There are three rays from each of Our Lady's hands. And they're coming down upon the people. And Our Lady now is smiling. Oh, She is so beautiful! Now there are stars forming about Her head. They're all like a circlet. Oh, it's so beautiful.

Our Lady's cape now is blowing. Now the color - there are blue lights now coming down from Heaven, shining onto Her cape. Oh, the cape is so beautiful now. It's blue, it's blue with a gold trim.

Now Our Lady is placing Her hand now over Her heart. And now She's reaching out and placing Her - oh, She has the Rosary. Our Lady has Her Rosary in Her hands. It's beautiful. Oh, they're beautiful beads. They're all pearls, pearls. And the Our Father is golden. Now the crucifix is golden, very large and golden.

Now Our Lady is coming over to the right side of the flagpole. Oh, She is going to bless everyone with Her crucifix, like this. Our Lady is holding it like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady looks down, and She's floating over to the left side, our left side of the flagpole. Oh, and She's extending Her hand now, and She's blessing everyone on the left side with the crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady says:

Our Lady - "I send upon you graces in abundance, graces for the asking, the power of cure and conversion through prayer, instruments for the conversion of sinners. All sacramentals blessed on the sacred grounds of My Son - I say My Son, for I give no credit, My children, to Myself as the Queen of Heaven, but do honor to the Father of Heaven and earth, for the graces He chooses to send you for the conversion of your souls."

Veronica - Now Our Lady said:

Our Lady - "You will continue with the prayers of atonement, the Rosary, the instrument of peace."

Veronica - Our Lady said that throughout the world there is a delusion. Man is being taught that he will not be sent to hell or purgatory, no matter how much he offends his God, because his God is an all-loving God. Yes, He is an all-loving God.

And now I see Michael is now coming forward with Our Lady again. She said I am to remain in my seat. Our Lady said:

Our Lady - "Continue the discourse, My child.

"He is the Father, an all-loving God, but He has given man his free will. He has set man upon earth as His champion to make his way back to the Kingdom. It is your free will to choose Lucifer or the Kingdom of your God.

"Many now in the world have chosen to follow Lucifer. They can be recovered by the good hearts and prayers of those who have great love for mankind. Penance, atonement, and sacrifice given to others will be returned to you three-fold.

"Do not be deluded by satan's plan to take from your mind the existence of a purging place and hell. They do exist, and they have existed since the time of the angels when they were cast forth, as man, too, will be cast forth when he becomes disobedient and arrogant to his God."

Veronica - Now Michael is coming forward, and he's holding the balance. He says:

St. Michael - "See, my child, how uneven the scale balances. Recognize that the sins of man have placed a heavy load upon the scale. When the balance is fully edged"

Veronica - Now Michael is holding the balance which is filled with - he's writing now in the sky the word "ABOMINATIONS": A-B-O-M-I-N-A-T-I-O-N-S. He said:

THE ANGELS WITH THE BOWLS

St. Michael - "When the peak of iniquity has been reached, and the abominations fill"

Veronica - Now he's holding a golden chalice, and he's looking into the chalice. And I see blood flowing from the chalice. It's a very large, golden chalice. Now I see three angels. They're standing over to the left side of the flagpole, and they have what looks like soup bowls in their hands. They're holding three bowls out.

Now one angel raises his hand above his head, like this, and with his left hand now he is turning the bowl over. Now the other angel points over to the right. Now he's coming over to the right, and he has raised up his hand and says - and he's pointing with four fingers, and he also has this large - that looks like an urn or a bowl, and he's turning it upside down.

THE HORSES OF THE APOCALYPSE

Now the third angel - oh, behind him are four horses. Oh, the horses behind the third angel, they're all colored: one is black, one is red, one is white, and one is green. They're four colored horses.

Now I see a large body of water, and I see two angels. Now they're standing over the waters, and they place their hands over the waters. And the waters are now - are rising very, very high.

Now there are four angels. It's like they were on a four-cornered pond. And they're standing now, each with spears, at the four corners of the pond. And now Michael is coming to the right side, and he's saying:

St. Michael - "This, my child, is another puzzle for man to figure out. If not solved in due time, the Father plans to set the answer upon the world Himself."

Veronica - Now it's growing very, very dark. Oh, no, there's a light now up in the top of the sky. Oh, and Our Lady's coming forward now. Oh, and She's holding in Her hand the Baby, the Infant Jesus, and She's holding Him very close. And She said:

Our Lady - "Many infants of similar age shall be removed from the world, many against the will of the Father, and many through the will of the Father. Man shall make atonement for his offenses against his God."

Veronica - Now it grows very, very dark, and Our Lady is now - She hasn't turned Her back, but She's gliding back, back over the flagpole and over our heads now. She's standing over And Our Lady says:

Our Lady - "Continue now with your prayers of atonement and the beads of prayers I have given you for the recovery of souls."

[Pause]

Veronica - Now Jesus is coming over to the right side of the flagpole. And He's raising His hand above His head, with His three fingers extended, like this. Oh, and now He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus - oh, He looks - oh, He's so beautiful! Oh!

Oh, He's wearing a burgundy-colored robe, and He has this cream-colored robe over it - under it, I mean; the burgundy robe covers His tunic. And He has sandals on; I can see Jesus' feet. Oh, He is showing me His shoes. They're sandals. And now Jesus is floating over to the left side of the flagpole. Now He said to repeat after Me:

Jesus - "I send unto you and diffuse among you the graces for conversion and cure, all graces that will be necessary for the propagation of My Mother's mission on earth."

Veronica - Now Jesus is raising His hand and then making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost. Now He's floating far over above the trees, over on the left. And He's standing, and He's looking down now.

Oh, and Our Lady now is coming over by Him. Oh, now Jesus has turned to Our Lady, and Our Lady is extending Her Rosary. It's very large, beautiful! The light is very bright.

Now Jesus is looking down, and He's raising His hand. He's just over by the trees, over between the two forks of the trees there. And He's extending His hand over His head, and He's blessing all the sacramentals: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus now is floating over to the flagpole. Yes.

Jesus - "My children, We do not send upon you unjust punishments or chastisements. They are given only to bring you back to Us. All who remain in the light and close to Us will have no fear of the days ahead.

"You will carry the banner for Our Vicar. He has accepted his mission upon earth. He will enter into the Kingdom in glorious triumph. The prayers of atonement and the sacrifice for the repatriation of souls must continue unto the days of the final battle.

CHAMPIONS FOR THE KINGDOM

"Be champions, My children, for the Kingdom, for the glories of the Kingdom far surpass the temporal pleasures of your world.

"I bless you, My children, and I diffuse among you the graces for conversion and cure. Keep the sacramentals that have been given to you through the ages of your world's time. They have been given for reason. Do not cast them aside, for when you do thus you will cast aside your protection against satan and his agents who are loose now in full battle upon earth."

Veronica - Now Jesus is raising His hand high above His head, and He's blessing now, and making the sign of the Trinity, like this, with His fingers.

Now He's floating backwards, back up above the flagpole, and He's standing with Our Lady. And Our Lady now is looking over to the right, and Saint Michael is standing there now. And Our Lady is saying:

DEMONS HAVE TAKEN POSSESSION OF MANY

Our Lady - "Michael must be returned to My Son's House. The demons must be cast from My Son's House. They have taken possession of many to do the will of Lucifer.

"Continue, My children, with your acts of sacrifice and prayers of atonement. One day you will all understand the necessity for these acts and the actual results for the conversion of sinners in your world today."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Lady - ". . . accept them as any form of punishment when you have been loyal to your God. For many trials that you do not understand are for the sanctification of your soul and the souls of your loved ones."

Veronica - "Oh. . . . Yes."

March 18, 1973

Eve of Saint Joseph

Our Lady - "My child, I wish to speak with you alone for the first few moments of your gathering here.

[Pause]

"You will not fully understand the ways of the Father in accomplishing the salvation of many souls of His children. I have stressed many times in the past that all will be tried and tested. Prepare to do full battle with satan. The strength necessary for your mission will be given to you.

"You have experienced a major attack from satan to stop the good work. But as We knew, this you would overcome.

"You will omit all unnecessary associates from your immediate work. You do not have the time left for idle talk and entertaining. The message must go in great haste throughout the world.

"We expected, My child, for you to fall into many pitfalls. Our warnings are given, but many go unheeded. However, all evil is never triumphant. The Father shall turn all evil to good.

"Man is carried away by his intellect and emotions. He would find more strength in trial in prayer.

"The greatest attacks from satan are upon the young. All parents will be held responsible for the fall of their children's souls.

"The closer you come to your salvation, the harder satan will fight and send his agents to destroy.

A SANCTUARY OF PEACE AND SOLACE; CURATIVE WATERS TO COME FORTH

"I dispense among you many graces to strengthen you in the battle ahead. The days for the great trial of chastisement grow near. We are now gathering the sheep.

"The sacred grounds founded here by the Father shall be a sanctuary of peace and solace to many in the future. Upon these grounds will come forth curative waters. Upon these grounds will be found the evidence of the hand of the Father.

"We will use many voice-boxes and promote manifestations in many lives to strengthen Our armies throughout your world.

"Our great sorrow lies in the abominations being committed in the House of God.

"Do not be led astray by the fallacy that - the duly consecrated and lawful priest ordained by sacred hands shall always have the authority from His God to bring the true Body, supernatural and physical, to Our children on earth. We sorrow for the manner in which man is doing this. We find abominations and diversions within the House of God. However, you must know as fact that in the place of a high priest of God there are two outstanding forces from the Holy Spirit when they bring the Son of God to you - evident and truthfully brought in body and spirit!

"My Son placed upon earth representatives. They will counsel in truth or answer to the Father for their fallacies, for their abominations, for their half-truths, and for their falling into all the false modes of modernism and humanism which We find prevalent among many.

DO NOT LEAVE HOME PARISH; CONSECRATION IS VALID

"We ask all to remain steadfast and do not leave their home parishes. The heart of the House of God is the coming of My Son through the Consecration of His Host. Though We sorrow of the antics of many of Our high priests and clergy, you cannot deny the validity of the Consecration.

A PRIEST FOR LIFE

"When a man has given himself, and chosen from out of the world as a priest of his God, he will be a priest for life.

"I do not choose to be repetitious in My words of the past. I only emphasize that you prepare and make ready for the cleansing which is soon at hand.

"I have traveled throughout your world shedding tears in many places, tears of sorrow, as I watch your world going farther into the darkness. It took much less for the Father to cleanse your world when He chose Noe to start anew.

"All who remain in well spirit shall approach the coming days with great hope. The rescue will be with the coming of My Son.

"There will be visited upon your country and the world a great plague. Many children will die in this cleansing - young souls rescued from the contamination of a world that has given itself to satan!

"The prayers of many upon earth, My child, have opened the doors of purgatory. Joyously, We have gathered to Us many released by the goodness of heart of those upon your earth.

"You have the graces and knowledge of truth among you that will guide you in the rescuing of your brothers from satan. Your example must be one that is constructive.

"Sin in your country and in the world has become a way of life. The young recognize nothing but sin. They have been moderated and become accustomed to vileness in their world of entertainment, no godliness in their government, no godliness in their schools. Now the main burden of the salvation of their souls will rest with the parents.

TEILHARD DE CHARDIN IN HELL

"Many of Our clergy have become blinded through their love of worldly pleasure and riches. Many have accepted a soul once high as a priest. Teilhard is in hell! He burns forever for the contamination he spread throughout the world! A man of God has his choice as a human instrument to enter into the kingdom of satan.

"Man will not defy the laws of God without going unpunished. You are a perverse generation, and you call the hand of punishment down fast upon you.

"There will come over the earth a great darkness, the air stagnant, lacking oxygen. There will be no light; the candles will be few. Then the heat will become intense.

"You will be warned by the approach of the Chastisement some time before. Penance will come too late for many. Already the Father has started the Ball on its way to you now. O My children, why did you turn your back upon - on Me now?

"I have been forced now to bow to the will of the Father, accepting with great sorrow the knowledge that many will be claimed before they can be ransomed.

"All who have been given the graces necessary for their salvation will with knowledge go forth and rescue their brothers.

"I stand upon the head of the serpent. My heel will crush him, but not until man and the world have been cleansed. I come as a Mediatrix of all graces, Representative through My Son in the Father.

"There is a light, a great light upon earth. All shall bask in this light as they fight the great battle. Those who are in the light will find themselves scourged; those who are in the light will walk the road of My Son. They will be crucified by their own.

"Unless man can deny his mother, his father, his sister, his brother, his children, and walk on the path of righteousness as a disciple of Christ, he shall not enter into the Kingdom of Heaven.

"The greatest test of heart is how much you shall give, not how much you will receive. It is only in giving that you shall truly receive the light. Each man must armor himself with every means of obtaining graces to strengthen his immortal soul.

"My Son is lonely. He has been abandoned in His tabernacles and His home. The doors have been locked. He remains there, a prisoner of His own. My Son is very lonely in His House. Won't you come with compassion and ease His loneliness? You do not abandon those you love. Have you no love for your Creator? Have you no love for He Who gave His life upon earth for you? Have you no love for He Who still sheds His blood for you?

"I have, O woe to man, this saddest of stories: one of man against man, brother against brother, mother against daughter, father against son, in the battle of the spirits.

"Now, O poor aged and helpless, poor on earth, you will now be victims of your own.

"Doctors of the earth, what have you done to yourselves in your practices? You do not seek to preserve life, but to destroy.

"My poor children, hopeless of heart, know now that the future after the cleansing will be glorious, far more glorious than your human mind could ever conceive. Beauty of beauties! Emotion superb! The fulfillment of every desire that man could conceive on earth will be yours in the Kingdom. Is this, My children, what you will discard for the few short earthly years given to you, as you run about aimlessly seeking the pleasures of your world and the riches, willing to close your hearts and your ears to the truth? Many have chosen this path, for they find to shut out the truth will take the conscience, God-given to them, away. How mistaken they are! They cannot run from the Spirit.

"There will be in your world accidents that are not accidents, deaths not of natural causes, planned by the satanic sons."

Veronica - I can only at this time reveal part of the message given by Our Lady.

A SATANIC GROUPING OF ONE-WORLD PLANNERS

Our Lady - "There is now in the world a satanic grouping of one-world planners. They will eliminate slowly in their plan the Church of Jesus. This will be accomplished in great haste, should the Seat of Peter be abandoned at this time.

"We ask that all prayers continue in perpetuity. A constant vigilance of prayer will go throughout the world. Your world can no longer be saved by any means of man, for now man stands in judgment before his God.

"Should I give you at this time dates as you ask, My child, there will be no constructiveness in this measure. Be prepared now, and you will be ready for what lies ahead.

"Love of your God, honor to your God, and following the rules set forth by your God shall not be a temporary habit, but must be inborn and a renewal complete.

"All who parade as angels of light but carry black hearts do not go unseen by the Father. They shall be pulled as weeds from the garden.

"There is no force, be it in your Heaven or on your earth, that is above your Creator. Man in his arrogance shall meet the fate of the fallen angels.

FILTH IN PRINT IN CATHOLIC SCHOOLS

"You will remove now from their sacred schools set up within the district and parishes of the houses of God the filth and abominations in print. You will restore truth in the schools controlled by the houses of God.

"All clergy who do not accept the truth and follow their vocation with pride and godliness as representatives of their God shall meet the fate of the fallen angels.

"Confusion and delusion are the work of satan. You have been given the truth, and you will be guided in the truth if you remain close to My Son.

"We are permitting at this time manifestations and evidence of miracles, more abundant than ever in the past history of your world. This is a means We shall use to fight the armies of satan. I promise, as the Mother of God and Queen of Heaven, to bestow upon all who come to My sacred grounds, powers within their sacramentals for cure and conversion.

THE PERPETUAL VIRGINITY OF MARY

"I want it known at this time that I dwelt upon earth in human form, but so placed by the Father in His plan from time and eternity. I came upon earth in virginity, and I left earth in virginity. My life upon earth was planned far in advance of My coming. I was but an instrument of the Father in His plan for the salvation and redemption of mankind.

VERONICA CHOSEN FOR STRENGTH IN SUFFERING

"When My work was completed, I was taken through the power of God into the Kingdom to join My Son, just as you, Veronica, when your work is completed, will be taken in your soul and spirit to the Kingdom.

"I made this promise to you, and I do not speak in idleness. You, My child, were not chosen by accident. You were chosen for your strength in suffering.

"I wish this, My child, to be given in print, though I know that you would prefer it not be given to the world. But, My child, you are no longer an identity, but an instrument of God, a transmitter of the message to mankind. Therefore, all words I choose for you to speak out will be given to mankind.

"Once, My child, you have learned that it will be necessary to completely retire from your human attachments, you will find that all suffering will be useful for the salvation of other souls.

"We are not displeased, My child, at your reaction to Our tests. But We are pleased very much, My child, by the fact that you have come through triumphant, as We knew you would. Do you, My child, not know that you must be purified, too?"

Veronica - Over to the left side of the flagpole is Saint Theresa. And now she's motioning to the right side of the flagpole. And there - Theresa says:

St. Theresa of Avila - "My sister Theresa is on my side."

Veronica - Oh! Theresa of Lisieux. She says, "Lisieux." Theresa says:

St. Theresa of the Child Jesus - "I can speak in English. I do not have to use my native French. Veronica, I followed the rule given by Theresa of Avila, Avila.

"The rule must be continued. The changes brought into your world have been to corrupt the sisters of the convent. Those who choose to follow the fashions and fads have been misled, and many are on the road to hell. Their example has also placed many souls with them on this road. The habits of the sisters are abominations in the eyes of the Father!

"There will be no strength in the House of God for man unless he returns to his ways that have proven strength in the past. By your fruit will you be known, and many now lie rotten upon your earth. They have also fallen from the trees before they grew to bear fruit.

DOORS OF THE CHURCH SHALL NOT BE CLOSED

"It is the plan of satan to close the doors of the House of our God. His purpose shall not be accomplished, but in this battle many souls will be lost to Heaven."

Veronica - Now over the flagpole there is - oh, it's Michael. Michael is coming forward. It's very, very windy. Now Michael has over his - he has a short sort of a garment on, but over it he has a cape. It has a gold clasp that's holding it together. But the wind has caught it now. It looks like it's velvet, a velveteen cape. And it's blowing.

But Michael now is holding a spear. The tip of the spear is very golden. Now Michael is taking the spear, and he's pointing back towards the church. He said:

St. Michael - "Open the doors and allow me to enter. Bring me back to stand guard over the House of God. You open the doors to demons with your permissiveness."

Veronica - Now over on the right side of the flagpole is Raphael. Oh, and Saint Joseph - Saint Joseph is now standing there. And Saint Joseph is being joined - Our Lady is going over to him. And also behind now . . . oh, now to the right of Saint Joseph is - oh, Saint Anne. I know Saint Anne. Oh! Oh! Oh! The Holy Family. Written above them the words, "The Holy Family." It's written, it's written like in the same kind of writing on the picture of Jacinta. "The Holy" - it's all written together in script - "Family," in golden letters.

Now Joseph, he has on a long, brown, cape-like garment. And Joseph - oh, oh, he's smiling. And he said:

St. Joseph - "I am a man of few words, preferring to stand behind my Son. But I do feel great sorrow for the state of man on earth and his family life. The family that does not pray together can not stay together, for prayer chases the demons from the household. Why has man no longer chosen to bless his home with sacramentals and the waters?"

PARENTS TO USE THE ROD

"I wish that all fathers of households stand forth and practice their role. They will use the rod and not permit their children to go astray. Firmness is needed in your world that is filled with laxity, permissiveness, and degradation.

"Your children have been misled by many who shall answer to the Father. As teachers they have failed in their role. Therefore, as parents you must succeed in yours.

"The greatest detrimental factor in the family and home is the desire for the material. Better that you live in the gardens and fields with the nourishment of manna from Heaven, than to be filled with the abominations of the world.

"Man has lost his way. Man has set himself from the road to the Kingdom. He has not much time to return to the road. He will gather his family about him and save those he loves, and in the charity of his heart seek to set an example for his neighbor."

Veronica - I see over on the left side of the flagpole a large cross, and it's setting over Saint Peter's. The cross seems to be darkening; it's becoming very black. I see a great darkness settling over Saint Peter's. Now there's appearing in the sky a book, and the book has a large cross upon it. It's a golden book, but the cross is black.

Now Our Lady is coming over. She's whispering; She's bending down. Oh.

"Oh! Oh! Oh, yes! Yes. I'll be ready. Yes. Oh! Oh! Oh, yes. But my, my family Yes. I . . . yes."

Our Lady said that at this time this has to remain confidential, so I cannot put it into print or on, Our Lady said, the tape. But I've been given a message. It's quite astounding, but I'm very happy in one way. The only way I can explain it - I'm very, very happy. I'm very happy. Of course, it surprises me, but I'm very happy.

"Thank you, Blessed Mother! But Yes, I understand. Yes."

Now Our Lady says that:

Our Lady - "You will all continue your acts of sacrifice and penance for the clergy because they will be sorted as sheep and goats. The hierarchy will also be given the same test. All that is rotten will fall, until the Church and House of God will be restored to the original plan of the Father."

Veronica - Our Lady says She is very pleased at the reception and the extent in which Her words have gone throughout the world, for it is reaching those destined for the Kingdom. But now Her main concern is that they reach others.

Our Lady - "But this work of spreading the message must be taken up by all. It must be remembered that satan will fight every inch of the way, knowing the powers given him by the Father when he was esteemed as the highest in Heaven. He will use

these powers to stop the work on earth. Therefore, remain in the light with the sacramentals and all go forth as disciples of Christ."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Lady says to continue with the prayers of atonement, and when She gives me the sign with Her Rosary, Jesus will bless all sacramentals with His arrival. Our Lady suggests that I sit down for a moment. Oh. Oh.

[Pause]

I don't know exactly what it means, but Our Lady said that you will be numbered among the poorest of the poor but the richest of the rich.

March 24, 1973

Eve of the Annunciation of the Blessed Virgin Mary
Unscheduled Vigil

Our Lady - "Satan has defeated his own purpose. As he confusion in the world and in My Son's House, he has defeated himself, as now prayers rise to Heaven against him.

"My child, Veronica, in the days ahead you will grow accustomed to the unusual. As you give yourself directly to Us, you will be guided by the Holy Spirit. Do not be concerned of the written message that lies dormant now. The Message of Heaven is reaching the multitudes.

"Your personal mail will be taken care of in due time.

MANIFESTATIONS ON PHOTOS

"You will be very busy studying the incoming photographic manifestations. Many are temporarily blinded to what story lies hidden in these photos. We have adopted this means to communicate with a blinded generation. As We gather the sheep, many will receive manifestations. The sight to see beyond the veil will be given to many as you line up in battle against Lucifer.

"The days upon your earth are counted. The Ball of cleansing is on its way. All who remain close to My Son during this crucible of suffering shall have no fear. All who fall into the darkness during this crucible of suffering will have done so of their own choice."

THE CHASTISEMENT FROM HEAVEN

Veronica - I see a large ball of fire. It's twirling very fast. It's growing larger as it's coming closer. As it's coming - as it's twirling through the space I see there are stars falling. It is a group of stars; there are stars falling about it. And they're glowing very much now, the stars, as they come down to the earth.

It's moving very fast. It's now going over behind the moon. The moon now is bleeding on one side. Part of it seems to be melting. Oh, it's twirling very fast, it'sover on the right side; it's like a burning star. It looks almost like the fourth of July, like a sparkler, only very red and orange.

Now as it comes closer it's very, very hot. In sections this ball looks white; it's a white heat. Now also something is breaking away from it; it's like chunks of molten rock and heat.

Now I see the water, and I see the waters are rising very high, very high. Oh, the waters are rising at least - oh, fourteen, fifteen feet higher than they normally would be. And they're now coming over the shoreline, and I see them now covering a city. And the city now - the water's pulling down, and right where it was, underneath the buildings have fallen. And pieces - I can see some doors. And I see two people sitting on a door. And they're being pulled, and they're trying to fight their way onto the foundation of a house. Oh! Oh!

Now I see the ball. It's pulling away and it's going out into the sky. But it has this large tail, and the tail now is - it's just breaking up, and pieces are falling down back onto the earth here. And also, on the other side, there's a [Words not clear. A large map appeared, indicating Asia and Africa] . . . Asia. And above them I see written: "YELLOW." Then looking at the map I see Africa. And above Africa is this cloud.

And now there's a large hand pointing - it has no arm; it's a hand, and it's pointing over to the right side of the flagpole. And it's, it's pointing now, and the finger's writing: "NO PEACE WITHOUT GOD." "HOURS," H-R-S, "HRS EQUAL YEARS." "HRS EQUAL YEARS. LOOK TO THE LEFT SIDE OF THE PICTURE."

Now Our Lady is coming forward. Oh! Now - oh, there are great rays. Now Our Lady is bathed in a - oh, a beautiful pink, pink glowing light. Oh, it's so bright! I have never seen the light so bright, so pink. Now She's standing there. And She has on a beautiful white gown; it has a pink cast in the light. And She has on a blue shawl, and it's - oh, She's - Our Lady said it isn't a gown, it is a cape. And also, motioning to Her neck Oh! She's showing the golden tassel. Now, oh, about Her neck there is a golden tassel with loops.

Our Lady said it is not Ballantine beer. I, I, I don't know what it is, but it seems, it looks like sort of a Ballantine beer sign. And Our Lady said it's not Ballantine beer - She thinks it's very funny. It looks like pretzels. And now Our Lady is just smiling, and She's pointing over to the left. And She says to remind Evelyn . . . Evelyn, that she will continue with her mission.

Now Our Lady is coming over, and She's now Oh, look at that! Our Lady is blessing Evelyn . . . oh-h . . . with Her Rosary, with the golden Rosary. And She's standing over - now Our Lady is right here. [Veronica sounds very excited.] Oh-h-h! I could touch Her hands. Oh, I could touch Our Lady's hands. Oh! Oh, She's very close. I don't have the pillow here. Oh, Our Lady says She doesn't need the pillow. She can just stay where She is. Oh! And She said:

Our Lady - "I extend this special grace, for I assure you, My child, Evelyn, you will need it in the future. You will be certain to bless your camera with pure waters before you use it."

Veronica - And now Our Lady is now floating - She doesn't stand, She floats - over to the right side of the flagpole. And now She's extending Her Rosary. Her Rosary is very white. Oh, it's very large, and the beads are like pearls; they're very white. And the Our Fathers are golden. But the crucifix is extremely large. It's golden. Now Our Lady is taking the crucifix - She wants me to show you the manner - like this, and She has placed it like this. And now She is blessing in the sign of the cross. Now Our Lady wants me to repeat, but I am to sit down.

Our Lady - "I ask many to make unscheduled vigils here on My sacred grounds. Many prayers are needed for those who have not been given the grace to come here.

YOU MUST NOT SIT BACK

"Graces are earned and can be gathered by the prayers and penance of others. Therefore, you who have received these graces have a great responsibility to your brothers. You must not sit back and accept your redemption with pride, for this offends the Father. Your graces will be earned with thorns. Therefore, you will overcome your obstacles with prayer and sacrifice.

"All sacramentals will be worn as armor. No sacramentals are given for decorative purposes. They are to be with you in time of need, and to protect you from infiltration from satan.

"Man has his free will and can cast aside his armor at any time. He may paint a picture of purity and holiness before the world, but the Father will see into his heart. The truth will be pictured in your heart.

"Yes, the hours, the days, the months are counted. I have spent many years of earth-time preparing you for this momentous occasion. It shall not be a time of fear, but a preparation for that glorious day when My Son gathers His household and renews it. You will all go through a heavy crucifixion. Only in this way will you be able to follow My Son into the Kingdom.

"Before the arrival of My Son, many will have weakened and chosen the easy road. This gives Us great sorrow in the knowledge of what is to come. However, you have been made knowledgeable in advance of what lies ahead. Therefore, when you fall, you will have made your own decision.

"Continue, My children, your prayers of atonement. Many are needed, for souls are falling fast into hell - much faster at the present time than We can recover them. Great graces will be needed, and they will be gathered by your prayers and acts of atonement."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

[Pause]

Our Lady - "My child, Veronica, you will disattach yourself more from all worldly interests. You are no longer a worldly identity, but an instrument of God. Therefore, your life will no longer continue on a normal or free scale and judgment. All directives will come to you from My Son. You will limit your associations with others. These associations will be limited to your immediate workers. You have no time for entertaining now, for the time grows short to gather the souls. We ask full dedication to your mission.

ONLY A FEW TO BE SAVED

"I have the foreknowledge to impart to you that only a few will be saved in the coming Chastisement. Many will be taken from the world before this crucible of suffering. Many will be chosen by the Father to remain in martyrdom, awaiting the coming of My Son. The six days of suffering are not for you.

"Those who have given their lives and souls to Lucifer are now blinded to what lies ahead. They will be eating and drinking and marrying, and then will come the Ball. Their flesh shall burn and dry up and blow off the bones as though it had never existed! All those who have defamed their bodies, the temple of the Holy Spirit within them, these bodies shall burn!"

Veronica - Oh-h! Now Jesus is coming over with Our Lady. And He looks very beautiful. Jesus has on a - oh, it's a beige-colored sort of a cape. It's, it's very full and He's gathered it over His arm. And He's wearing now brown sandals. They look like - oh, brown, like skin-like sandals. And now Jesus is smiling. He thinks - oh, He thinks it's quite amusing, He says, that I'm comparing "My clothes to those of the world."

Jesus says He likes fullness of garments, . . .

Jesus - ". . . but the enemy of God has fashioned a way of life and dress to destroy your spirit. Better you hide your nakedness from the agents of hell. Therefore . . ."

Veronica - And Jesus is pointing now, and He's putting His hand like this. He's covering - I don't know; I believe it means the people.

"Better," He says,

Jesus - ". . . you all set a good example for your children."

Veronica - Oh! Oh!

Jesus - "The age of reasoning calculated on earth is not in the plan of Heaven. A parent shall be the leading force in the life of his children regardless of chronological age on earth. Therefore, every parent will be held responsible for his part in the destruction of his children's souls.

"The forces of evil are gathered against the young. Parents will be the anchor in their home. Guard the souls of your children, for they meet the agents of hell once they step outside your doors. Prayer, and prayer alone, with the graces gained in sacramentals and sacraments will be your fortification against the agents of hell now loosed in great numbers upon your earth.

DEMON 5 TO COME UP FROM HELL

"As this battle progresses, number five will enter from the abyss. The corruption will increase until man will wish he would be removed from the earth. He will beg for mercy. Yes, death of the body would be preferable to existence upon this world that has been given to satan.

"There will be small lights in the world, candles lit to hold back the darkness.

"My Mother has been sent to you as a Mediatrix between the Father and man. She has placed Herself in sacrifice for lost souls.

"I have watched as you have degraded Her, and you have sought with the agents of hell to destroy Her. You will know now that My Mother will crush the prince of darkness, and he will lie before Her, chained by Michael and cast into the pit. He rages now upon your world, knowing that his time grows short.

"Recognize, My children, the signs of the times. Open the Book of life and read what John has left you. We instructed him well in the mysteries that will unfold through many seers in many places throughout your earth. If you seek, you will find the answer. Those in grace will understand the meanings of the wordings of John."

Veronica - Now Jesus is going over to the left side of the flagpole, and He's extending His hand high over His head. And now He's blessing in the sign of the Trinity, like this. And now He's going over - Our Lady is right beside Him, and over by the right side of the flagpole. Now Our Lady has reached up, and She has in Her hand now roses, flowers. Now Our Lady says:

Our Lady - "I have used the petals of the roses as instruments significant of the graces that I will bestow upon you."

Veronica - Now Our Lady is - oh, I see. She's taking the roses, and She's taking the petals, and She's throwing them. She's - oh, She is just . . . they're, they're floating; they're floating right down onto the ground. Oh, they're - oh, Our Lady flings too far. I can't get them. But they're floating down now onto the grounds. And She said:

THE CONSTRUCTION OF AN OASIS

Our Lady - "I now dispense upon these sacred grounds the power from the Father for conversion and cure. All in the plan of Heaven for the construction of an oasis in the dark times. My Shrine shall be called Our Lady of the Roses, Mary, Help of Mothers.

"Come to Me, all mothers who weep for their children. Come to Me and I will solace you. Understanding pours forth from My Mother's heart. Come, and I will place My mantle about you, and you will find great comfort with Me.

"Many mothers shall stand in great trial in the days ahead. Satan will enter upon many homes, and parents will be placed upon the cross.

"I will always be here waiting for you. There is no time in Heaven. Therefore, there is no calculation of time upon My sacred grounds. I am always here. During the vigils of the eves of feast days, We ask for special gatherings for the propagation of the message to go throughout the world. However, We ask all to come here without this special purpose, but to accept the graces that We will dispense henceforth in abundance."

Veronica - Now Our Lady is going over to the left side of the flagpole, and She's bending down now. And She wants - oh, Our Lady says that:

MANY WORKERS WILL COME AND GO

Our Lady - "During the work ahead, many workers will come and go. As My Son started with many and ended with few, so will those who walk His road."

Veronica - Now Our Lady is floating over to the right side of the flagpole, and She's joining Jesus. Now Jesus is standing there, and He's raised His hand, and in it He's holding a ball with a cross on the top. He said:

Jesus - "The days upon your earth are counted. The pages have turned much faster than the Father had planned. But the destiny of the world was always in the will of man. Love will not be forced: graces given in abundance, but earned."

Veronica - Now it's growing very dim, the light. And Our Lady and Jesus now are going beyond the flagpole. And Our Lady says:

Our Lady - "Continue now with the pearls of prayer. Many souls are waiting and thirsting for your graces."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

[Pause]

The sky - the stars are in the sky, but the sky is very red. It's almost like blood. The sky is very red.

March 25, 1973

Feast of the Annunciation of the Blessed Virgin Mary

Our Lady - "It is not My intention to fill your heart with fear at the sight of what is to come upon this ungrateful generation. I have wandered throughout the world, shedding many tears. My pleas for penance and atonement have fallen on many hardened hearts and deafened ears. Now all I can do is prepare you for the days ahead.

"You will keep all sacramentals with you as I have directed in the past. Satan will seek to remove this protection from you.

"Many of Our dedicated have fallen in line with the false maxims of modernism. Our hearts are truly saddened at the blindness that has entered into the hearts of many in the House of God.

"The symptoms of the weakness of the human soul are in abundance about you. The graces dispensed from Heaven have been accepted only by the few. Many have preferred to accept sin as a way of life.

"I do not have to give you the count of hours, days, or years before the coming Chastisement. What matters is that you prepare your souls now for what lies ahead of you.

[Pause]

INVOCATION TO ST. MICHAEL

"The forces of evil always surround a shrine of purity. Therefore, you will use the invocation to Michael at all times. We have asked that Michael be entered back into the holy House of God. His removal has opened the doors for the entrance of the evil spirits into the House of God.

"Many are being led down the road to eternal damnation. They follow as sheep to the slaughter.

"I find among Our dedicated many acts of abominations, disrespect, and loss of vocation.

PRIESTS NOT TO REMOVE HABITS

"A duly ordained priest in the House of God shall not remove his habit. He shall not take the badge of honor of his vocation from him. In doing thus, he subjects his soul to contamination from worldly influence.

"Do you not feel honor for having been chosen from a multitude of souls to be representative of your God upon your world? Have you shame for your vocation? Woe to the man who turns his eyes and heart upon the world and adopts the maxims of the world, all creations of satan!

"After the final cleansing, only a few will be saved.

"I have wandered throughout the world as a Mediatrix between God and man. I have come to you as your Mother and pleaded for the salvation and redemption of your souls. Many are fast falling into the web woven by satan."

Veronica - To the left of the flagpole Our Lady is coming forward, and She has Her hand about a little girl. She's about ten years of age. Oh, I recognize her now - it's Jacinta. Now Jacinta is coming over to the flagpole.

JACINTA WROTE ON THE PICTURE

Jacinta - "Oh, why do you not listen to my words? [In a child-like, pleading voice.] Have you forgotten the dangers Our Lady gave in writing to you? They were specifically given to protect you in your times.

"I wrote on the picture to bring this before you. I do, Veronica, hope that you will continue to send my picture throughout your world.

"The time before the great punishment is short. So many will die, and they cannot enter into the Kingdom. It is sad to enter into purgatory, but there is gladness of heart in the knowledge that one day you will enter into the Kingdom. But to see the souls fall into hell, we cry tears in abundance upon your world!"

Veronica - Now over to the right side of the flagpole, coming through the sky, is a nun. It's Saint Catherine. I recognize the headpiece; it's very large and white. It's like a wing-like - a hat, sort of a cap, and it's very large and heavy looking.

And she's holding up her finger and pointing over to the left side of the sky. Oh, over at the left side is a large medal, and on it is written - oh, it is the Miraculous Medal. And now above it are the words written in the sky like the Jacinta writing: "O Mary, conceived without sin, pray for those who have recourse to Thee."

Now over to the right side, Catherine is being joined by four nuns; they're coming through the sky. Now it's very bright, the sky is becoming very bright. Oh, and I recognize Theresa. Theresa, and there are three sisters behind her. Oh, Theresa . . . oh, she's bending over now, and she says:

St. Theresa - "Listen carefully, Veronica, to my words.

"I gave my life upon earth as a child. My little way was a way of love. True love seeks no self-gratification, but the well-being of the beloved. It is only in giving that you shall receive.

"All must now retire from your world that has been given to satan. You will not have both. You must now pick up the cross and carry it. Only in this way will you stay on the road. It is a narrow road, and when you leave, it is difficult to find the way back.

"The direction to the Kingdom has been given to you all the duration of life on your earth. It is a simple plan of love. You do not offend and hurt those you love; so why have you chosen to offend and hurt Jesus and our Mother, Mary?

"I have watched with my sisters the abominations in the convents. Why have they chosen to follow as foolish maidens the modes of an evil world? They do not pray; therefore, they have become blinded. How many have abandoned Jesus for the love of the world! What shall the Father do, when they enter beyond the veil, with them?

"Satan has set upon the world a mode of fashion. It is a destructive way of life. The convents shall not follow the fashions of the world. The men of God shall not follow the fashions of the world."

Veronica - Now over to the left side, I see the comet streaking across the sky, and I see words written under it: "MONTHS, DAYS, HOURS." Now over to the right I see a large - oh, it's a musical "G" clef. Now Our Lady is coming closer over on the right side of the flagpole, and She says:

Our Lady - "Prayer, penance, and sacrifice are your only recourse. It truly rains teardrops from Heaven.

"You, My child, Veronica, will make adjustments in your family life, and prepare for the taking over of the responsibility of your mission by those whom I have already appointed to assist you.

MANY TAKEN FROM WORLD BEFORE CHASTISEMENT

"Those who remain close to My Son and remain well of spirit will have no fear for the days ahead. All that is rotten will fall, and your world will emerge cleansed and triumphant in the eyes of God. However, before the final act of God, His Chastisement upon man for his unrepentance, many will be taken from the world.

"You do not have to seek the entertainment of your world. You will nourish your souls with pure waters. We have left with you the Book of life. You will read it now. But I must caution you: you will not accept this Book after the year - "

REJECT NEW VERSIONS OF THE BIBLE

Veronica - And Our Lady is raising Her hand, and She's saying:

Our Lady - "One, nine, six, four: 1964. All publications of truth will be found prior to this date.

"Man now seeks to rule his world without his God, even seeking in his arrogance to create life.

"Man seeks to gain wealth of temporary nature by giving himself to satan. How blind and foolish he is, for he accepts this wealth at the cost of eternal life in the Kingdom of his God. For you, with your free will, will have made the choice to join Lucifer in eternal damnation and torment, or to come into the Kingdom of life.

"The value of prayer has been taken from your consciousness purposely. You will all return prayer to your homes and the House of God. Bad example in the House of God has set many souls onto the road to hell.

"We do not expect brothers and sisters to go about condemning each other. We expect good example and prayer.

COME TO ME, MOTHERS WHO WEEP

"Upon these sacred grounds will be given many graces: graces needed for the recovery of straying souls, graces in abundance for the asking, graces for cures and conversions. Come to Me, mothers who weep for their errant children, and I will comfort you. I will show you the road for their recovery.

"Many parents have grown lax as they become involved in material gain. They have fallen in their role as parents and will answer to the Father for the fall of their children's souls. Each parent will be held responsible for the fall of his child's soul.

"Do not depend on the world to bring the truth to your children. This truth you, as parents, have been instructed in, and it is you who will have to take over the instruction of your children at the present time.

"Satan has placed many agents in the House of God, and all fields of entertainment, culture, and government are now set up for satan.

"You ask, My child, how this situation evolved. It was not in the plan of God to bring the great Chastisement upon you at this time. It is the will of man that has forced His hand upon you.

"The great plague and darkness will come before the Ball of Redemption.

"Gradually you will find the extinction of man evolving, from the earth. The Father does not plan to completely eradicate man from earth as He did during the time of Noe, choosing only a few to set up the Kingdom.

"There will be a great War"

Veronica - And over to the left side of the flagpole there's written a word: "YELLOW AGAINST WHITE, WHITE AGAINST BLACK," and then there's a large cross over the world. It's a globe of the world, and there's blood dripping over on one side. And there's a pool of blood; it's like a river. And now the word comes out from inside the blood, and it says "PALESTINE": P-A-L-E-S-T-I-N-E, and underneath, "JERUSALEM."

Now Our Lady is going over to the right side of the flagpole. Oh, Our Lady said I must now stand and sit.

Now there are two men coming forward. They're dressed - they look like monks now. The one on the right, he looks like a monk, and he's carrying a large book, but it looks very old. It has a brown cover; it looks like a calf-skin kind of cover, but it has a golden cross on the cover.

And he's now leaning over and talking with a young man - oh, a young man who's coming up out of, he's coming in the sky. Oh, I recognize him because I have seen him before. It's Aloysius. Oh, yes, it's Aloysius. Oh, and he's smiling because he knows I recognize him.

Oh, now Aloysius says:

St. Aloysius - "You do not recognize my teacher, my child."

Veronica - Oh, the man in the hooded cape is Saint Robert Bellarmine. Oh, Saint Robert. Now Saint Robert is coming forward, and he's looking down. Oh! Oh, he's not very happy! I don't know.

"Should I repeat this, Our Lady?"

He's looking down now, and he's saying:

St. Robert Bellarmine - "Why have you changed the rule?"

Veronica - Now he's going over to the left side, and he's looking down also at the left side of the people. And he's opening the book, and he's pointing to the book. And he says:

St. Robert Bellarmine - "Fasting! While you bloat your bellies and starve your souls, why do you not fast and do penance?"

Veronica - Now Saint Robert is coming over to the right side of the flagpole.

St. Robert Bellarmine - "Why do we find these abominations in the House of God? What is this new modernism you claim so constructive in the House of God, while we see destruction about us and the loss of souls to the King of Heaven? Arrogant man! What are you calling down upon yourself but your own destruction? Lovers of pleasure! Fornicators without conscience, even among the men of God! What punishment do you call down upon yourselves! You who should stand forth as an example to your flock have led them from the road!"

Veronica - Now Saint Robert is going over to the left side of the flagpole. Oh, he's being joined by Saint Theresa. And there are many nuns, but they're from different orders. I don't recognize them. They're dressed very differently in their habits, but they all have one thing in common: their skirts are very long.

Now Our Lady says:

NO CHANGES IN HEAVEN

Our Lady - "You will notice, My child, there are no changes in Heaven. The skirts will be placed back to the floor. The greatest of punishments of eternal banishment will be given to those who have abandoned their vocation, led astray, but with self-will, by the plans and guiles of satan."

Veronica - Now Our Lady is coming forward. Oh, it must be very windy. She has the most beautiful blue cape. Oh, it's very pretty! The cape is a blue that I have never seen before. It's almost like the blue on the clearest day in the sky. It's a beautiful blue. Now around Her cape there's a trim of gold. Now the gold is so brilliant - oh, the light shining upon it Now I see there are hosts. The hosts are rising high above Our Lady's head.

Now Our Lady is coming forward. Oh! Oh, and Jesus now is coming forward. He's, He's coming out of the clouds. Oh, He's smiling. And now Our Lady is coming over. She's not walking, She floats; Our Lady floats. And She says:

Our Lady - "I do not have to repeat, My child, the great sorrow in Our hearts for the abominations being committed in your world against the Sacred Heart of My Son. See, My child, My heart pierced with sorrow."

Veronica - Oh! Oh! Oh, it's - oh, I see . . . oh, now - oh, from Our Lady's chest there's a large heart. Oh, it's growing larger. It covers the whole front of Her gown. But it's bleeding, and I see knives! They're knives - oh, there's so many knives, and . . . Oh, I can't look! I can't look! I can't - [Veronica's voice is broken with grief.] And also Her hands - now Our Lady is reaching Her hands up, and She's holding them above Her head. She said:

Our Lady - "I stand almost in crucifixion for the abominations against My Son."

Veronica - And oh, now there's a very large cross in the left side of the sky. Now the cross is very black, and it's floating now . . . Oh, now I see it's floating onto the top of a large cathedral. Oh, it's Saint Peter's. Now also, over the cross, there's an eagle. The eagle is very black; it doesn't look very nice. It looks like death. I don't know . . .

Now it's growing very dark. And the building - the lights seem to be going out. And there's a bell tolling. I can hear it; it's going: Bong . . . bong . . . bong . . . bong. . . Now it's - the sky is growing very dark, and I can't see the building.

Now Our Lady is coming forward, and She says - oh, I can't repeat it.

"Oh. Oh. Oh, yes. The picture, yes."

Now Our Lady is coming over, and She said:

Our Lady - "You will continue with your prayers of atonement. Many prayers are needed. Your world is covered in darkness."

[Pause]

Veronica - Our Lady says that all must now read their Bible. If you follow the writings of John, you will not be lost in the occurrences that lie before you. Parents must bring the Book of truth and life, the Bible, to their children. Their children now are being destroyed with literature created by satan - infiltration through the mind.

Our Lady - "You must accept the fact, My children, that satan, Luciel, was not divested of his great knowledge and power before he was cast from Heaven for his disobedience and arrogance to the Father. Therefore, he has on your earth great power. One of these powers he has over man is that he lives in a world invisible to your human eyes unless you are given the grace by the Father to see. Therefore, you must be guided in truth by knowledge from holy priests in the House of God, and the truth in instruction received by many parents in their childhood.

"God the Father has given each man an inborn conscience. He will sin when he chooses to blind himself to the truth.

"Your children have lost their way because they have lost the knowledge of God. Man is forever seeking, but never finding the truth. Pride, intellectual pride in the House of God and the scientific men of your world has set them on the course for their own damnation. They are following the road of the fallen angels.

"There must be kept a constant vigilance of prayer in your country and throughout the world. The agents of hell are loosed in force upon your world. Prayer can stop them. You are now in the war of the spirits as noted in the Book of life, the beginning of the latter days.

"The agents of hell will enter upon any unclean soul, be it man, woman, or child. He will use this manner to accept a human body to work his will, the will of satan.

"Unless, My children, you retain great graces and remain close to My Son, you will fall into the darkness.

"Sin has now become a way of life in your world. The souls continue to fall into hell as numerous as the snowflakes that fall from the heavens!

"Bring your children back to the knowledge of the existence of the world of the Father and the Kingdom. They wander as lost sheep, seeking but never finding the truth. In their search, they have met the agents of hell and the plan set forth by satan. Many plagues have entered upon your country and pass unnoticed, accepted as a way of life."

PLAGUE OF DRUGS AMONG THE YOUTH

Veronica - Our Lady is referring to the use of drugs among the young people.

Our Lady - "It has been promoted to destroy the mind and the will, allowing the young soul to be susceptible to the entrance of evil, and taken from God into the kingdom of Lucifer.

"Only through the graces that can ransom this soul will one return, be returned to the Kingdom. Those who receive in abundance, much is expected of them. They will not sit back, knowing they have received the light, but must go forth and share their graces with others.

"Discipline must be returned to the House of God and the homes. Permissiveness must be stopped. You will not save souls by giving him the luxuries of life and pampering his worldly body.

"Man no longer recognizes the value of depriving himself of these luxuries and suffering. He lives for the moments on earth. He blinds himself to the truth of his temporary pilgrimage upon earth."

Veronica - Now Jesus is coming over to the right side of the flagpole. He says:

Jesus - "Hasten, harken, and listen, for I do not use My words idly! You have brought down upon yourself condemnation from the Father. A complete reversal of your present turning from the laws of God will be necessary, as the Ball has already been sent on its way. Many will die in the great flame of this Ball of Redemption. Those given the grace now will be prepared and gather the sheep.

"All sacramentals must be worn and kept in the homes. The monuments, statues, must be kept in the homes and the House of God, for they will not then fall during the trial of chastisement. All who keep My monuments in their houses will not be destroyed."

Veronica - Jesus says the monuments are the statues.

Jesus - "All who practice the false science of astrology are unbelievers. This false science was created to take the knowledge of the power of God from man. No stone or cosmic force shall guide the life pattern of a man. Only his Creator, the Father, holds the destiny of each man in His hand. However, do not deny the fact that man of his free will can turn his back on the Father.

FOUR DEMONS ON SPECIAL MISSION

"There is loosed upon your earth now four demons on special mission. The knowledgeable souls will understand My words. The fifth will be released within a short time. The sixth will be present before I come with Michael to restore the peace.

". . . fulfill My promise with a cure of the invalided soul if you follow My direction, My child."

Veronica - Next to Our Lady, on the right side, is Saint Michael. Oh, my, is he big! Oh, he's - oh-h! He's very tall. Oh, Our Lady looks like a little statuette next to Michael. And Michael, now - it's very hard looking at him because Michael has very metallic-looking, 'brassy' hair, sort of, like metallic. Oh, he says: "Do not say 'brassy,' my child. It is, it's God-given. You could surely choose to use a better word." Oh, he said "translucent." Oh. Well, anyway, it's, it's very, very bright and brilliant, like gold, so I thought it was metallic.

Oh, Michael is smiling, and he's pointing over. . . . Oh, he's - oh, right across there, there's horses now. Oh, they're coming across the sky so fast! But these horses have got colors. They look very funny, because it's a white horse and a red horse and a black horse and green horse. And now they're going across the sky very fast. And Michael is standing back, and he's holding up - now he has this scale; no, it's like a scale or balance. He's holding it in one hand, and he has like a spear. It's a long stick with an edge - it's not quite a point; it has . . . oh, I see, it has three points on it, like three prongs. And he said:

St. Michael - "Time passes very quickly in the Book of life."

THE GRIM REAPER

Veronica - And now he has stopped, now, one. And I see the other horses have passed into the sky, but the black horse now is coming over. Oh, it looks awful. Sitting upon the black horse is this horrible Oh, it's - oh, I can't look at him. He looks - it's not even a he; it's like an animal. It's - oh! It's horrible! He's all black and charred, and he has . . . he looks like . . .

Our Lady says:

Our Lady - "Do not be frightened, My child. You have the sight of what is to be. It is death."

Veronica - But it looks like a skull, with almost like horns, like a demon. But yet it has the body of a man, because it has like its legs, which are black, very black and dark, over the sides of the horse.

Now he has something in his hand; I can't see it. Oh, my goodness! He's holding a skull. He's holding a skull - it's an actual skull, like, you know, a human skull, in his hand. Now he's holding the skull up very high, over his head. Now the horse is beginning to move, and it's going over to the left side of the flagpole. And now - oh, he's going into the sky. I can't see him. Oh, I don't - I can't look at this. Oh! Oh!

Now Our Lady is coming over. It's becoming much brighter. It's becoming much brighter. And now Our Lady's coming forward; She's looking very serious. And Our Lady said:

Our Lady - "Blood will flow freely upon the earth. I cannot come with words of untruth and promise you a great peace until the world is cleansed. I cried for years for atonement and penance, but My words fell on many deafened ears. Now you have all been prepared and We expect you to adjust your lives accordingly.

"Continue now with the prayers of atonement on the beads of prayer, and Jesus will then bless all sacramentals."

[Pause]

Veronica - Jesus would now like to bless all the sacramentals. All who are able will please kneel.

Now Jesus is coming over; He's been standing here talking with me, and He wants you to bring forth all sacramentals, items of God: cards, holy pictures, Rosaries, medals, any items that need the graces for the purification of your soul and those you love.

Now Jesus is raising His hand over His head very high, like this, and He's making the sign of the Trinity, like this. And now He's moving over very slowly, and He's looking down now. He's just in front of the flagpole. He's looking down now. He's going to raise His hand again, and He's blessing all those right in this area with the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady now is coming forward, too; and She has a large Rosary, the white one with the gold Our Fathers and the large golden crucifix. Now She's standing next to Jesus. Now She's talking with Jesus, but Jesus now is raising His hand. Oh, I can see on His hand - oh, you can see the holes right in His hand. They're very, very deep, though healed over. I can see - I can see where the spikes went right through His hands. Oh, the marks are there. It looks like - oh, it's not bleeding, but it looks very like dried blood, coagulated. But I can see actually - oh, now Jesus is raising His hand very high, and He's going to bless everyone on this side of the flagpole: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady - now She's raising Her crucifix from the Rosary, like this. She's holding it like this, and now - oh, She is making the sign of the cross. And She's smiling. Now Our Lady is bending way down, and Her robe, the cape, which is a beautiful blue, is blowing and - oh, it's blowing. And Our Lady has a very full skirt on, very full. And now She's leaning over, and She's blessing in the sign of the cross on this side of the flagpole.

Now Our Lady is coming - oh, She's floating over, and Jesus is following Her. And Michael now, I can see Michael - he's standing behind Our Lady. He's very, very large. He must be at least - oh, eight or nine times taller than Our Lady; and he's very wide, but he doesn't look like out of proportion. He looks absolutely beautiful. But I can't see his face; his hair, though, I can't miss his hair. His hair is just like metal, and - oh, he thinks that is funny, too. It is very strange, his hair, Michael's hair; it's more like metal. It's cut quite short about his head.

Now I see he's looking over - oh, I see; he's waiting for - Our Lady is now moving over to the right side of the flagpole, right between the flagpole and the tree. And She's raising now Her crucifix, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is coming forward, and She said:

Our Lady - "All blessings of graces dispensed from the sacred grounds will be instrumental in promoting the work of the ransoming of souls throughout the world."

Veronica - Now Our Lady is moving over to the left side, and - oh, She has now in Her hands a Rosary, but it's not the one She had before. It's made of, all of flowers. Oh, it's like the one we used to have; it's all made of roses. The Rosary is made of, actually of roses, roses. And I see now - oh, but instead of the roses, each Our Father is a large cross. The cross is white, and the roses are red. Now that would mean that the Our Father is the white cross, and the Hail Marys are red roses: one, two, three, four, five, six, seven, eight, nine, ten - ten roses and then the white cross again. Now Our Lady is holding it very high and - oh, now the crucifix from it - it's not golden; it's also a white cross. Oh, and She says:

Our Lady - "You see now, My child, why I instructed you to place the white cross upon the base."

Veronica - Oh! Oh, yes, the base of the statue. Our Lady told me yesterday, the day before yesterday, to place a white cross upon the base of the statue. The cross now from Her Rosary is exactly like this white cross. Oh, now Our Lady is smiling. Now She says:

Our Lady - "You will continue with the prayers of atonement.

"I will be with you always on these sacred grounds. Though I have asked for dates for special vigils, this does not mean that the grounds will not be open in perpetuity.

"All who come here will be solaced and nourished with graces to prevent the infiltration of satan upon their human souls, so that they will be able to withstand the pressures of satan in their lifetime upon earth and return in glorious triumph to the Kingdom.

"You have been placed as children of God upon earth, as champions of Heaven. We are saddened when one is captured by satan. We are joyful, and there is great joy in Heaven among the angels and the Father when you are able to take back from satan just one child for Us. So, My children, go forth with great hope and spirit and rescue your brothers and sisters. Disperse throughout the world in great haste My words from these sacred grounds.

"I have visited on your earth many places throughout world's time, but now We are in the time of crisis. Each who have the grace will go forth as a disciple for My Son. By this manner you will climb the ladder fast into the Kingdom."

Veronica - Now Jesus is coming forward, and He's now raising His hand again. He says:

Jesus - "I bless you all, My children, and I dispense among you the graces for your salvation and the recovery of all souls from satan: In the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - Now He has taken His hand and He's made the sign of the Trinity over the crucifix. He says that I'm not to fully understand His reason for doing this. There are many secrets of Heaven that would no longer be sacred should they be revealed to the world at this time. Oh, now Jesus is moving backwards, and He's standing with Our Lady. Now He said:

Jesus - "You will continue with the beads of prayer to Heaven."

Veronica - That would be the Rosary.

April 14, 1973

Eve of Palm Sunday

Our Lady - "I cannot promise you a life now filled with glory and the material. Your road will be filled with thorns. You will understand in the future that all trial was for your purification. We will send many - We will allow many to approach you to form your crucible of suffering. This is the plan of the Father as you continue as the voice-box from Heaven. We caution you to remain far from the world that has fast gone into darkness.

"I have gone throughout the world for many earth-years, crying for your understanding of the Chastisement that is soon to come upon you as an unrepentant generation. Many of My warnings are repetitious for reason. Though My voice grows weak, I carry on with strength knowing that in My struggle to reach Our children on earth We can reach but one more soul in these struggles.

"Yes, the plan for your cleansing has already been started by the Father. Many proceed in darkness and have blinded themselves to the truth. We have sent many seers throughout your world with messages from the Father. Our warnings have fallen on many deafened ears and hardened hearts. When the Chastisement comes upon you, many will see and yet not believe."

THE CHASTISEMENT

Veronica - I see far into the sky what appears to be a star, but no - it's very glowing and orange in color. As it comes closer, it no longer looks like a star, but a small sun. It's spinning very fast. Oh, it's cutting a large path about the earth. The fire that comes out from behind is very intense. [Veronica coughs.] The vapors are heavy.

I see many people; they're clutching at their throats. They are unable to breathe. There's dust falling from the air; it's growing very dark. The dust and the vapor covers the light. The sky is very dark. It's daylight, but it becomes like night. It's very dark, so dark now that you can't even see your hands in front of you.

The cars, the cars going through the streets But now they stop. Their lights have gone off; the cars are stranded on the roads. The people are leaving the cars, and they're running in every direction. Many are falling now to their knees. Oh . . . oh!

Oh, the waves now are coming high. They're very high, and they're washing into the shore now. The buildings - I see buildings just - they're just being washed away. Churches are standing. I see the whole inside of an office building, but the walls are down and there's one wall just left on the side, and there's a desk up against the window. And I see - down below I can see it's at least twelve levels in the building. But the floors have fallen down, and I see some people underneath a desk. They're trapped under the wood. Oh! . . . Oh! . . . Oh! . . . Oh! [Veronica moans at the terrible sight.]

Now I see the sky, and the sun is very red and black, though. It's turning black. There's no light. Now over to the right is the moon, but the moon now is black, and it has a white rim about it. But the moon is black. Ah! . . . Ah! . . . Ah!

Now Our Lady is coming forward, but She's dressed now very strangely. She's dressed all in black, like a nun, though, with a white piece about the top of Her head. She's standing there with Her head bent very low. Now She's holding out Her hand in front of Her, and in Her hand there is a heart. But there's a sword, like a knife; it's right through the heart. Our Lady is looking over, and She's saying:

Our Lady - "I am truly the Mother of Sorrows."

Veronica - Now it's growing very light. The light is growing very bright about Our Lady, so bright that Her garments don't look black anymore; they look almost a gray, a gray. Oh, now they're becoming white, oh, a beautiful white. And the shawl about Our Lady has a golden trim. Oh, now She's coming forward, and Our Lady's smiling. Our Lady says:

Our Lady - "Too many years have been wasted on earth in idle talk. Penance, atonement, and the rules of discipline have been cast aside, weakening the souls and opening the door for the entrance of the evil spirits."

Veronica - Oh! Oh, I see a terrible, cell-like-looking hole. It's very dark, and it's very, very deep. It's like looking into the ground - very deep. There are steps going down, and all along the walls - they're very hot; they're burning, like orange. The heat is terrible! And down there are - down at the bottom are horrible, horrible things! They look - they're like animals, but yet they look almost human. There are four of them. They look like - they have little ears. Oh, they're horrible looking! They're mean, and I know they're demons. There are four of them.

DEMONS WORK INSIDE CHURCH

Now they're floating up, up, up, up. Now they're coming out here in the light. They all are looking about with a smug look of satisfaction on their faces - if you could call them faces, they're so horrible. Oh-h-h . . . oh-h-h! So evil, mean! Now one is pointing over - oh, he's pointing over, and I can see St. Peter's, the cathedral. And he's saying: "It will not be long before we shall accomplish our mission." Oh! Now he's holding in his hand a red hat, a hat. He said: "I'm waiting for my entrance."

He holds his hand up - oh, his hand's horrible! The fingers are long and thin, and they look like claws. There's nails coming out; they're claws. But He's looking down, and he wants me to see this. Oh, it's horrible! He has this large, red cardinal's hat in his hand. He said: "I will sit upon the throne of Peter, and I will destr-o-y the Church of God!" Oh, it's horrible! Oh, no!

Now Our Lady is coming forward, and She's placing out Her hands. Now She's looking down, and Michael has come forward. He's standing there with a bow, and Our Lady now - Michael, Michael is pulling the bow! He's going to run it through him! But Our Lady said: "No! It is not time. The purification of the world is at hand."

Now I see this horrible-looking creature. He's floating, and he's standing now beside the door of Saint Peter's. Now he's being joined by two human beings. Oh, my goodness! Oh! Oh, I see him actually . . . he's going . . . he seems like he's infusing into him! He's entering into him! Oh, how horrible! Now I can't see him, because he's standing there now, but he's a human.

Now this human, who has been infused, has across his chest two keys, two golden keys. Now next to him stands another figure. He's wearing a red hat, and he's got ropes in his hands. And now he's running the rope - but as he opens the rope, it's a snake. The rope is a snake, and it's curling about the keys. Oh, it's curling about the keys. Oh, my! Oh!

Now the keys are melting, and the keys are forming into a . . . like these . . . like the bishops wear. They have these like a . . . that, that cane, like, with the top. They're, they're - it's not a scepter; the crook, that looks like a large, long cane with a top on it. And around the cane is curled the snake. Oh, it's a golden snake. Our Lady said:

Our Lady - "Powers, provincials, money: destruction of the human soul for worldly gain."

AN IMPRISONED VICAR

Veronica - Oh! Oh! Oh! Now I am . . . Our Lady is taking me into a bedroom. Oh! I see sisters - they're nurses - in the bedroom. Oh, and there - I can see him in his bed - is the Holy Father. The nurse now has a needle, and she's rolling up now the sleeve. He has on . . . it looks like a robe, the Holy Father, and she's giving him a needle in his arm. He . . . and he looks very sick. Now the needle was placed into his left arm, into his left arm. Now as the needle is placed into his left arm, Pope Paul is reaching over onto a table near his bed. He's reaching for his crucifix. He's placing it across his chest.

Oh, next to him now is Padre Pio! Next to Pope Paul! Now Padre Pio is coming down over to the left side of the flagpole. Oh, I can see him very clearly. He has on a brown garment, and it's tied; it's very loose, and it's tied about his waist. He said:

Padre Pio - "My spiritual children: hear me, for I bring you the word of truth. Demons roam in the houses of God! Prayer must chase them out! Atonement, prayer, and sacrifice! I speak out for an imprisoned Vicar."

Our Lady - "The balance is being added to the left. Therefore, when your world has reached the peak of iniquity, you will be planet struck. A glorious mystery will be sent upon earth through the merciful love of a forgiving Father for His errant children. However, this will be the final act to bring you back before the cleansing with fire.

"We do not intend to completely destroy earth as in the past, but We shall cleanse the earth by steps. Suffering shall be your vessel for cleansing. Man has allowed demons to direct his actions. Man has desecrated the temple of the Holy Spirit by succumbing to the wiles of satan. Man offends his God with his way of life.

THE SIGN OF THE SON OF MAN

"Man has chosen to destroy life created by the Father. Innocent souls are sent on the road to the prince of darkness. With the coming plague, many of the young will be removed before they become of the age of reasoning, held accountable by the Father for their actions. It is an act of mercy from a sorrowing Father.

"The sign of the Son of Man will appear before the great Chastisement.

"The forces of evil are gathering, My child, to stop the good work. You will commend all to the Father in His direction. Should the prayers of atonement be discontinued on these sacred grounds, the Chastisement in earth time will be hastened. Prayer, atonement, sacrifice! Starve your bodies of the demons which you have allowed to enter upon you.

"Many of Our teachers have given themselves to lust and pleasures of the flesh. This has not been hidden from the Father. And those who have been chosen from the world as leaders in the House of God shall be answerable to the Father for their false direction of the sheep.

"You will pray, My children, that many will be given the graces necessary for the salvation of their souls. Left to their own diversions and way of life, they will be lost to Lucifer."

Veronica - Our Lady said I may repeat this to you:

Our Lady - "You will be given, My children, no heavier a cross than you can carry. Think of the great graces you can accumulate with your suffering. To walk to the Kingdom is a thorny road. Pick up your cross, My children, and follow My Son into the Kingdom.

"Do not be concerned, My child, of the heavy mailing. We will send great assistance in your need. I would offer My counsel that you eliminate all unnecessary entertaining. There are moments that could be used more constructively for the propagation of the Message from Heaven. I would suggest, My child, that as you grow tired you would lie down and tell your beads. Your communication with the Father in a quiet manner would afford you more peace of spirit. We understand the trials that are permitted upon you.

"There will be no need to openly defend your actions. You will never be without an explanation. The truth always shines forth. The graces for conversion and cure will be given in abundance. When the time is right, those in authority will understand.

"Do not be impatient, My child, for perhaps you will be prideful. Better that you leave all to the Father in His plan. You are an instrument of the Father, a transmitter of the Message from Heaven. Therefore, your personal life is of no concern to others. They come to find the truth of My appearances, but many come of curiosity and unbelief. However, many will be given great graces, even without the asking, because of the sacrifices and prayers of another.

"I have asked you, My child, to give the word for the purgatorial society. Many armies of Heaven shall gain members from those who come from the place of cleansing into the Kingdom. Would man know the full value of suffering and accept the will of the Father, he could expiate his exit much faster from purgatory.

"The sins of the flesh, impurity, and immodesty of fashion, have sent many into hell, claimed by Lucifer. Their example has also taken many from the road to the Kingdom. Your world is now in rule of satan. The Father allows his time so that the separation of the sheep and the goats may be accomplished.

"For those who have no knowledge of the Book of life, the Bible, you will read the direction of the prophets of old. John, Joel, and Matthew have left you words of truth and prophecy.

OBSCENE LITERATURE

"Rid your homes, parents, of the obscene literature. Bring the word of God into your home, for you alone will be held with major responsibility for the fall of your children's souls. The example being shown in many homes is poor. Worldly pleasures and living have claimed many. False prophets roam the world to destroy the divinity and knowledge of My Son. The rulers of darkness run rampant throughout your world. The rulers of darkness have entered the House of God.

"Michael must be returned to the House of God. All men in the House of God must turn from their worldly ways and be an example of the living Christ. They will get down on their knees and pray! Starve their bodies of the demons which they have entered - allowed to enter upon them!

"The monuments, statues, must be returned to the House of God.

"Man must now turn himself from the ways of the world and retire within the guidance of the Holy Spirit. He will search for the things of God.

"Many warnings, My child, have been given to your country and the world. They have gone by unnoticed. The intellectual scientists of your decadent age have chosen to set up idols of worship. How foolish to set man before his God, when man is but a temporary pilgrim upon earth. Can you, arrogant man, prolong upon earth eternally your life? No-o-o! You will all enter, sooner or later, beyond the veil for your judgment. No man shall place himself above his God!

"There is no need, My child, to caution the world and be repetitious in My words. Now you will promote a full schedule of prayer and atonement.

"Many prodigies and manifestations from Heaven will enter upon the lives of many. Many manifestations will be given that have not been seen since the beginning of creation.

"God is; God was; and God always will be."

Veronica - Now across the sky in large letters is written by the finger: G-O-D. And now through the whole word to the "O" is: I-S.

Our Lady now is extending Her Rosary with the large crucifix, and making the sign of the cross high over Her head, like this: In the name of the Father, and of the Son, and of the Holy Ghost. Our Lady says:

Our Lady - "Continue with your prayers of atonement, My children. Many are needed, for the time grows short."

Veronica - Our Lady now extended Her hand. She's coming down very, very low. Oh, She's bending over, and Our Lady now . . . Her hand . . . extend the cross Oh, yes! Oh, Our Lady has now reached over and kissed the crucifix.

Oh, there's a tremendous light now. Oh, now Our Lady is smiling, and She's floating backwards very, very high up near the flagpole. It's beautiful. Oh, Our Lady has golden slippers on. They're like sandals. I can see Her feet now. And now it's growing very, very bright, but it looks like a very large cloud. And Our Lady is now going behind the cloud. Oh, She says:

Our Lady - "I am not leaving, My child; I am here with you always. But you will continue now with your prayers."

[Pause]

Veronica - There's a large cross in the sky now. It's a golden cross. Oh, and now - oh, Jesus is coming forward from the cross. All who are able, please kneel. Oh! Oh! [Words not clear.] Beautiful! Oh, He's smiling now. . . . [Words not clear.] Oh, He has His hand out, but I can see His Oh, He's holding His hand up. Oh, He wants me to listen.

Jesus - "All sacramentals, objects of God - "

Veronica - Jesus says the sacramentals will be blessed at this time, because one of His dedicated plans to leave early, and He wants the sacramentals blessed. Now Jesus said all objects of God - beads, medals, cards - will be raised.

Now Jesus is raising His hand high above His head. Now He's coming over to the left side of the flagpole. And now He's blessing like this, in the sign of the Trinity, all who are on the left side. And now Jesus - oh, Our Lady now has come over by Jesus. She's standing by Him, and Our Lady is smiling. And now Jesus is raising His hand. Now He's by the flagpole on the left side - oh, very high, and He - like this - and He's making the sign of the Trinity.

Now He's going over, He's floating like - He just floats right over, Jesus. Oh. Now He's raising His hand above His head: In the name of the Father, and of the Son, and of the Holy Ghost. In the sign like this, like . . . [Words not clear.] like this.

And now Our Lady is also - now She has Her Rosary. The beads are very large and white. No, they're like pearls because they're pink all around the outside. In the light the beads look pink around the outside. And now Our Lady also is holding out Her Rosary. And - oh, I see - Our Lady is taking the Rosary and She's winding around She has now in Her left hand a globe. And it has the cross upon it. And Our Lady is winding Her Rosary all about the globe. Oh!

THE ROSARY AS MAJOR INSTRUMENT

Our Lady - "The beads of prayer will be the major instrument for the lessening of the Chastisement upon your country. The plan of the Father is for the cleansing. All must go through this crucible of suffering. However, those of well spirit shall have no fear, knowing they are under the protection of My mantle."

Veronica - Now Jesus is stepping - He's not stepping, He's floating. Now He's - oh, He's coming down very close behind Our Lady's statue. Oh, now He's pointing to His chest, and on His chest is . . . oh, it's . . . oh, it's a heart. But it's, it's very torn-looking, and it looks . . . real - it's a heart, and it's bleeding. And He says:

Jesus - "My blood shall cleanse your earth anew. All who come to Me in belief shall receive the chalice of My suffering."

Veronica - And now I see Our Lady standing there; She has a large golden chalice in Her hand. And She's now kneeling very sadly at Jesus' feet. And the drops are coming down into the cup of the chalice. Oh! Now also . . . now forming about Jesus' head is a crown, but it's, it's made of thorns. And Jesus is saying - now He's placing out His hands, like this, and He's saying:

Jesus - "See, My child, what ungrateful man has chosen to bring upon Me anew."

Veronica - Oh! Oh! Now His hands - Jesus' hands now are also dripping blood. Oh!

Jesus - "They crucified My Mystical Body."

Veronica - And now He's turning His hands over, and the blood is now coming down. And I notice there's a large globe now. Jesus is floating up a little. There's a large globe now where Jesus was standing. And the blood is flowing right over the globe. Oh, now it's growing very dark, and now Jesus, though

There's a very brilliant white light about Jesus. But He's floating now over back beyond the flagpole. I - oh, He . . . the cloud now - He's standing on what looks like a cloud. It's very, very fluffy-looking. Oh! And there's Michael. Michael is now standing beside Jesus. Oh! And he's holding the balance. Now Michael is coming forward.

St. Michael - "You will all heed the counsel of the Queen of Heaven and earth. Man will offend His God no longer, or receive his just punishment!"

Veronica - Now Michael is going over to Our Lady's side. Our Lady now has floated over to the right side of the flagpole, and She's standing there just looking down. She looks very sad. And now She's pointing up to the sky.

And I see now a set of keys. And the keys, though, are draped. The keys are crossed like this, but they've got like a black drape over them. It looks like a black cloth has been placed over the keys, like in mourning. And Our Lady now - She's placing something upon Her head.

Now Our Lady's standing there, and She's holding a candle, sort of candlestick, candelabra, and it has three candles on it. And She's going down on Her knees now, Our Lady, and She's holding the three candles on the candle, like this. It's like - made like that, with a handle. And She's placing a black cloth over Her head. Our Lady looks like She's praying.

And She's - now She's rising up, and She's standing next to - they're suspended, the keys, crossed with a black cover over them. Now it's getting very dark, and I can't see Our Lady anymore. Now - oh, I can't see Her, but Our Lady is saying to me, though:

Our Lady - "My child, continue your prayers."

April 21, 1973

Eve of Easter Sunday

JESUS IN THE SEPULCHER

Veronica - It is cold and it is very damp. I see a hillside. There's a large hole, cave, in the side of the hill. Inside the cave there is a rock. The rock is very polished; it's like a slab. And lying on the rock is a figure. There's like sheeting wrapped about the figure, completely about, looking like - almost like a mummy.

Now I see that the hands are crossed across His chest, and they're bound tightly with this sheeting. But there's blood; there's blood seeping out on the sheeting. Oh! [Veronica finds it difficult and painful to describe the sorrowful scene.] Also, His face is covered, and there's blood coming out of the top of His head on the sheeting. Oh! Now all about Him is a light; it's a very bright, white light.

Now next to Him is a large figure. The figure is very, very white and luminous, very bright. I can see it is an angel. And over to the left side it's very dark, but the light that's coming out from the figure of the angel lights up the whole inside.

It's a small area. It looks almost like a vault, because there are rocks placed up against the side of the walls. Oh. Now over - I can't get out; there's a large rock Now the opening - I'm inside, and the rock's been placed up against the opening. Oh. Oh, I hear voices outside the rock, sad voices.

Now I'm outside the rock, and I see Our Lady. She's bent forward, but She's being helped to Her feet by a man. He has on a brown robe. And there are two ladies. They're wiping their faces with their scarves from their heads. Now they've lifted Our Lady onto Her feet, and there She's walking quietly from the front of the entrance.

Now there's a lady - she's turned back, and she's walking over to the entrance. And she's thrown herself against the large rock; she's trying to pull it open. Now the top of her cape has fallen down onto the ground at her feet. Her hair is very long. And she's now digging with her nails, trying to remove the rock. She's turning now and she's crying. She's crying, and the tears are pouring down her face. Now she's walking over to the side - it's a hill - and she's sitting down now on a rock.

It's growing very, very dark. All about, I see the entrance stationed with lighted figures of angels. One is in front of the rock. He carries a large spear. It's Michael.

Now - oh, I see coming from the sky figures; they're dressed in purple robes. They're filing in front of the cave, the tomb.

THE PROPHET ISAIAS

One of them is coming forward now from the group. He has in his hand a cloth; it's purple, almost black, in color. And now he places it over his head. And he's holding up what looks like a golden candelabra; it has three candles on it. And now he's singing. It sounds like he's singing, but it sounds more like - his voice is like I never heard before. [Veronica imitates the solemn lament with a strong voice:]

Cover your head in mourning,
Light your candles of prayer;
For the time has not come
For the light to enter into the world.
The Son of Man lies dead in the tomb,
A spotless Sacrifice for the sin of man.

Veronica - There's a man in a long, dark cape. He's placing what looks like a white scarf about his neck. Now he has on his head . . . it's a round hat, looks like a yarmulke, but it's red. And he's reading from a book and holding up his three fingers, the thumb and two fingers, like this. He looks like he's quite old.

He says - he's writing over his head with his finger: I-S-I-A-S; I-S-I-A-S. Isaias? Now he's looking down, and saying:

Isaias - "Never a bone in His body did they break."

Veronica - There is settling over the hillside a very dark cloud.

[Pause]

I see a small - oh, it's a house, but it's made differently than our houses that we see. It looks more like, made like of clay, sort of, like mud. It's one large room, and over to the side of the room there are rocks piled; it must be where they cook.

Now I see a man. Oh, I know it's John. He's sitting at a table. The table doesn't look like what we have; it looks like the tree has been cut in half - the block, and not the legs for them. And it seems like there were notches cut in the block of the wood, and a piece of wood hammered in to hold the leg onto the top of the table. I'm looking at it from the left side of the table onto the right.

Now Our Lady is sitting next to John by the table. And the other two ladies - one is over, and she's making something, some kind of broth, over by the rocks. And she's bringing it over now, and placing it in front of Our Lady. But Our Lady is shaking Her head, no. She looks very sadly.

They're all alone. There's one, two, three, four - only four people in the room. Our Lady has Her hand now placed over Her heart, over Her heart. And Our Lady is saying to John:

OUR LADY OF SORROWS

Our Lady - "I could no longer suffer the sword in My heart, had I not known the plan of the Father for Me and My Son in the salvation of mankind. The promise of His return, made known to Me by the Father, is My hope. The loss, the anguish, the suffering of His torture has not been lessened by this knowledge."

[Pause]

Veronica - I see a large open place. There are many people milling about, running about. It has grown very dark. Ah, ah, the thunder - it's like thunder, it's loud. Everyone is frightened. They're falling and they're running away. They're running away. Oh!

There are three crosses on the hill. Oh! Oh! [Veronica weeps in distress while describing the scene.] Oh, and the man on the left, he's tied, but oh . . . oh . . . There's a man, a soldier, he's got a big thing, looks like an axe. It's got - it's like a piece of rock tied onto a stick and he's hitting him in the legs with it. And the man is crying, "Have mercy on me!" And he, the soldier, he's hitting him in his legs, crushing his bones. The blood is pouring out. Now the man on the left, his head has fallen forward. Oh.

JESUS PIERCED IN HIS SIDE

He's going over now - oh, he's taking this wide stick; it has a, a point on the end. [Veronica cries out in fearful anticipation.] And oh! He's . . . oh, oh, he's - it's Jesus on the cross, and he's pushed it into Him just above His stomach! Oh! Now he can't pull it out. He's being covered . . . it's not blood; it's water. But he can't - he's running; he can't seem to wash it off his face. He's wiping his hands. It's over his hands; he can't get it off his hands.

Now the stick, the spear, is falling onto the ground. Oh! The man - there's another man . . . oh . . . [Veronica moans.] He's over on the right side. Oh . . . he's, he's gone, too. Oh, they've both left. The man over on the left, his legs are all crushed. The bone of his knee is now - you can see the bone of his knee coming out. Oh! He's suffering. Ah! He is on the right side of Jesus. He's looking over at Jesus. He says: "I, I have Your promise and I will cleanse myself for You."

THE DESCENT FROM THE CROSS

Now it's very dark. There's no one on the hill. But I see there's a man - two men. They're carrying a ladder. Oh! And now Our Lady is there. It's very windy; Her dress is blowing very, very hard in the wind. It's raining now, it's raining. And the man is telling the two ladies to keep Her to the side.

Now they're going up and they're, they're putting the ladder up against the cross. Oh! Oh, they're cutting with a knife the ropes on His wrist. And the man down at the bottom of the ladder - now he's going over, he's cutting the ropes at His ankle. Oh! They - oh, they can't remove the cross out of the hole. They can't get it up - up! They had to take Him forward from the cross.

The ladder is being brought over to the side. Now when the ropes were cut, He fell forward, and His fingers, bloodied, tore away from the wood. They're lifting Him down now. The man's holding the ladder, and ah . . . ah! They're trying to take His feet out of the spike! Ah . . . ah . . . ah . . . ah . . . ah. They're hitting it now. They got the wood, the wood; they're pushing it now out of the hole. The cross has fallen down now. Oh! They're holding Jesus, and the cross fell down. And now they can hit from the under side. The spike's coming out. They're not tearing His feet. The hands had to be torn. Ah!

Oh, now the three ladies are rushing over. Now the man, he's now lifting Jesus up, and Our Lady now is sitting on the ground. She has Jesus now . . . the blood is on Her gown, all on the front. She wants to remove the headpiece from His head, but She can't. It's in too deep! They have to . . . ah . . . oh!

Now there's a man - he's walking up to Him. It's John now speaking with Our Lady, and they want Her to leave. She doesn't want to leave. Her hands are very bloody. She now places Her hand over Jesus' face, like this.

JESUS LAID IN THE TOMB

Now there's an older man. He's talking - it's John, I know John. The other man, he's talking with him, telling him to take the women away.

Now another old man has come. And the lady with the long hair is now speaking with Our Lady. And then another lady now is holding Our Lady's arm, and they're taking Her from the hill.

They have a wooden board, and now they're lifting Jesus onto this board, and they've placed this white sheet . . . Now they're carrying Him over past the other poor man on the cross, and they're walking down the hill. There are two of them carrying Jesus. They're walking down the hill past two houses, and up the hill again.

And now there's the entrance to the cave. And they're going now into the cave. And now one of the ladies - it's, I know it's the lady, Mary Cleophas. She has a basket, and it has leaves and things, in a basket. And she gave the basket to the man, with the leaves in it, and these - they look like berries. Now she's turned away; she's covered her head and her face with her top of her gown, and wiping her face. She walks away.

And now it's getting very dark. I can't see into the cave. I can just see there Jesus' feet, and they're taking these leaves, and they're placing the leaves on top of His legs. And now they're winding, like sheets around His legs. One is holding up His feet and winding the sheet, and laying another - it looks like leaves, sort of - on; then another piece of the sheet gets wound around it. Now it's growing very dark, and I can't see anymore. [Veronica utters plaintive moans.] Ah . . . ah!

Now it's growing very light, and Our Lady is coming forward. She's dressed all in black, with a white trim around Her head. Our Lady wishes that I repeat Her words:

Our Lady - "My child, you see how deep is My sorrow, and how greater My sorrow knowing that the world has forgotten so soon. Was My loss, My suffering, in vain? Was My Son's suffering for you in vain?

"I have traveled many times about your world. Few have listened, preferring the ways of the world to the ways of the Kingdom.

"Your world is progressing farther into the darkness. Unless there is a complete reversal in man's ways now, he cannot escape the Chastisement planned by the Father. The Father's mercy is great, but He looks down now upon an ungrateful generation, a generation that has forsaken His Son. The sacrifice of God for His children is repeated anew by the wanton actions of man now on earth. Man has chosen to give himself to satan.

"You will all go through a great crucible of suffering. In the plan of the Father, the sheep shall be separated from the goats. I am truly the Mother of Sorrows.

"You must keep a constant vigilance of prayer upon earth now. Reparation, penance, and atonement is all that will now lessen the Chastisement, which man will have brought upon himself and his world.

"The agents of hell roam throughout your world and have entered into the highest places of My Son's House. Recognize the faces of evil about you. Pray, pray for the light, and you will not be led into the darkness."

THE WARNING

Veronica - [Veronica sees writing in the sky, and spells out the letters:] J-A-C-I-N-T-A. Now they're fading out, and there are numbers: 1-9-7-2 - 1-9-7-3. Now there's a large question mark, like this, next to the "3". Now that's fading out, like smoke being blown away. It was "JACINTA 1972 - 1973," and then a large question mark.

. . . It's as though everything has exploded in the sky - the flash! And it's very hot! It's very warm! Oh! Oh! It feels like a burning. Oh! Now the sky is very white. Colors - blues, purples - it's like a huge explosion. Now this voice, the voice And the voice, Our Lady says, is a voice within you: "Your warning before Chastisement!" Flash, fire, and the voice within you. The final Warning before Chastisement!

Our Lady - "On the meadow is a very holy place. My beloved child . . . (oh!) will see anew much beauty about him. There will come upon the world a glorious mystery. The Father is merciful to His children. He chastises those He loves.

"Many will see and yet not believe, crediting science for a phenomenon from the Father. Intellectual pride will be the downfall of many.

"The lilacs are in bloom. Gather the lilacs from the bush, and bring them to the shrine. For the present, My child, this will remain a secret.

"Do not be surprised, for nothing is impossible with the Father. Have you not seen a small evidence of this in your photographic manifestations?

"My Son will be present to bless all sacramentals, with the lighting of the candles to herald His Resurrection, and the glorious coming of redemption of man, and the opening of the Kingdom of Heaven to man.

"My Son has truly been the spotless Sacrifice, the most perfect Sacrifice for the redemption of man."

Veronica - Our Lady is standing now by the left side of the flagpole. She's dressed in a very dark - oh, this black or dark blue - gown. Now She has a veil, and it covers Her face, though it's transparent, because I can see Our Lady's face through the veiling. It covers Her face down to Her chest. She's holding Her hands in front of Her in prayer. Now She's bending over. She says:

Our Lady - "Continue, My children, with your prayers of atonement."

[Pause]

THE RESURRECTION

Veronica - Now I see five soldiers. They have on short dresses, but with metal sections coming down from the waist. And over their heads are metal hats, silver-colored metal hats that cut down to a V-shape on their foreheads. They're standing there by the rock with long spears in their hands.

Now they are going back; they're walking backwards in fright. They are frightened! They're walking backwards, because there's a great light; it's seeping through the cracks. There's a great light. It's seeping through the cracks, and the light is pushing, pushing the rock forward. Now the rock is going over; the light is forcing the rock over to the side. The soldiers - two are running, running up the hill. One is covering his face with his arms. He can't look, the light is so bright.

Now coming through the light are two large figures. Beautiful! Very large. Beautiful! Oh, they are angels. I can't see their faces, but their - oh, they are so large! Now one is standing there. He's raising his hand. He says: "He is risen!"

Now two soldiers - one now is getting up; he's running. And the other one is sitting there; he's fallen to the ground in shock. Oh! Inside the cave it's very bright, very bright.

I see now . . . the arm - oh, I see it, an arm. Oh! That slab - it has the cloth lying on the slab And walking out through this tremendous light - it's Jesus. Oh! He's now coming out of the light, though; He's not glowing, like inside the light by the cave.

Now He's coming out, and He's got slippers on His feet. And He now has a robe on Him; it's white. It's very soiled looking, but it's a white robe. And I notice these bandages are hanging from the slab, the rock, onto the ground. The ground is dirt, dirt; it's just dirt on the ground inside the cave. I can see now, because the light now has left the cave. And Jesus now has started to walk. He's going up the hill; He's walking very slowly up the hill.

MARY MAGDALEN AT THE TOMB

And now - oh, there's a lady; she's coming down to the side of the cave. And she's looking in, and now she says, "Oh!" And she runs over now, and she's picking up the pieces of the cloth. And she's looking around the cave, and she's running out now.

And she's running up the hill. And she's running over - oh, "Where have they taken Him? They have stolen Him from us." And she - now she's reaching out, and she's fallen down on her knees and saying: "Please! Where is He?" Now -

Jesus - "Don't . . . do not place your hands upon My garments. I have not ascended in the Father."

Veronica - Now the lady is looking up, and she's smiling. And now Jesus is placing His hand over her head, and He says:

Jesus - "Go, Mary, and tell all what you have seen."

Veronica - Now Jesus is walking; He's climbing up the hill. And Mary now is - she's fallen on her face, just like she's praying. No - now she's getting up, and she's running down the hill. And I can see her - she's running down the hill now, and she's running towards these buildings. There are one, two . . . five buildings. They don't look like regular buildings; they look like houses made from clay, or like a hut, sort of like clay. And now she's running into one.

Now it's getting very dark; I can't see anything. I can't - it's getting very dark. Ah, oh. Oh. Oh. Oh, yes, I can see now Our Lady's full face. She said:

Our Lady - "I can now remove my dark scarf and put on the colors of the Resurrection, because it is almost the hour of twelve."

Veronica - Jesus is coming forward. Oh, it's so brilliant, so beautiful! Oh! He's all bathed in white. Oh, He has on a white robe, and even His slippers are white. And oh, the light is so bright it bathes the whole area. And I can barely see the flagpole now, the light is so bright.

Now Jesus is smiling, and He's raising both His hands out. Oh, I can see the marks on His hands. Now He is placing His hands across His chest, like this, and He's raising His hand. Oh, now Jesus is coming over to the right side of the flagpole.

"All objects of godly nature will be blessed," Jesus says, -

Jesus - ". . . for the propagation of My Mother's work and mission on earth. I now bless you and dispense among you the graces for conversion and cure."

Veronica - Now Jesus is raising His hand, with His fingers like this, and He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is coming over. Oh, He's just about - oh, He's coming down now. Oh! Oh, now . . . to raise all your crucifixes, Jesus said, your Rosaries, your cards, your medallions. Now Jesus is raising His hand high above His head: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady, Our Lady now - oh, She's no longer in Her black dress. She has a beautiful white gown on, and it's all trimmed in gold. Now the gold goes all about Our Lady's garment from the hem; it completely surrounds Her head. And She has now a garland of roses about Her head - oh, right over the gown. And Our Lady is smiling now, and She's following Jesus.

Now Jesus is coming over to the left side of the flagpole. Now He's raising His hand in front of Him now, this way, and - oh, He's blessing with His three fingers: In the name of the Father, and of the Son, and of the Holy Ghost. And He's looking over now, Jesus, to the tree, and down now, and He's raising His hand above His head: In the name of the Father, and of the Son, and of the Holy Ghost.

Now over to - oh, right beyond the flagpole, they're coming down . . . Oh! Oh, they look like children. They're very small. Now they're dressed in all colors of the rainbow. Beautiful! They're little angels, but they look like children. And they're wearing garlands of roses about their hair.

And now they are holding in front of them - oh, it's a rope-like . . . oh, but it's a Rosary. It's Our Lady's Rosary made of flowers, garlands of roses. And the Rosary - oh, the cross is just like our cross. And now they're holding it way out. Now they're bringing it around behind Our Lady and Jesus.

And now Jesus is smiling. And it's a little windy, because His robe is blowing, and Our Lady's gown, too. Now Our Lady is showing me Her - oh, Her slippers. They're golden; they're golden slippers, and they have roses right at the instep. They're very pretty slippers. Oh, oh!

Now Jesus is coming over, and . . . oh, I don't know if I should repeat it. Oh, in my own words.

Jesus said that the work will continue for His Mother's mission on earth. The darkness is very deep. And We are preparing you for your destiny and the crucible of suffering, which is unavoidable due to man's regression and turning from the truth of life and light.

Now Jesus now is . . . oh, He's pointing to His chest, and He says:

Jesus - "You will all come to Me in belief, and protect yourselves with the rays from My most merciful Heart."

Veronica - Now it's very, very bright. Now Our Lady said that we can rise. It will no longer be necessary to kneel. We can rise. Oh.

Now Jesus, now He is . . . oh, the cross! I'll extend the cross. Oh! And Jesus is blessing the cross. Oh, and of course, all sacramentals are blessed. Ah, yes. In the name of the Father, and of the Son, and of the Holy Ghost.

Oh, now Jesus now is - now He's going back; He's floating backwards. And Our Lady now is coming forward now, and Michael is with Her. And oh, there are - oh, the sky is just filled with all those beautiful little angels in their different-colored gowns. Oh, it's just beautiful! It's like a May Day; it's like a beautiful festival. Oh, the colors are beautiful: pinks and blues and yellows. And the rose petals around their hair: some are yellow, and others are red and a very light, pale pink. Oh, all the glorious colors! It's just like - now as the light is shining, it's almost like the sunrise. Oh, and the light is becoming very bright. Now - Jesus now is over to the left side of the flagpole. And Our Lady said:

Our Lady - "You have lighted your candles with Us. Now do take them through the darkness and recover your brothers."

April 22, 1973

Easter Sunday Holy Hour

Veronica - Our Lady said that mittens must be worn in all processions - gloves, Our Lady means. Mittens must be worn in all processions - white.

I believe Our Lady wants me to tell you this: that a constant vigilance of prayer must be kept on the grounds, even if but one or two are present.

NEW YORK BUILDINGS WILL FALL INTO THE WATERS

Our Lady - "The coming Chastisement will be lessened in your area if you will follow the direction I have given you from Heaven: a constant vigilance of prayer.

"Your city is now planned for destruction. The shelf will be weakened, and the buildings will fall into the waters. Therefore, those who come to Me and My Son in belief will be spared the greatest agonies of what lies ahead in the plan of the Father for the cleansing of your world.

"It is not My custom or plan to instruct you and direct you during the hours of atonement. However, the sands of the hourglass are falling fast. You have need to know now, that you will prepare yourselves. Those of well spirit will have no fear. All that is happening and will happen, will happen in the plan of the Father. It is allowed for your cleansing; however, man can set himself in position for a faster, more speedier extinction of his race.

GROUNDS TO BE PLACE OF REFUGE

"I have wandered throughout the world, and I will be with you during all tribulations. My grounds are consecrated and have been renewed by the Father. They will be a place of refuge in the trials ahead.

"Come to Me, you who are burdened with sorrow: mothers in torment, fathers looking for straying children. They are the major victims of the plan of satan. Graces in abundance I give unto you for the asking.

"Save yourselves and those you love in the Sacred Heart of My Son, ever merciful, always there to forgive. For when He forgives, He forgets. No sinner shall ever be turned away if he comes in heart with repentance."

May 10, 1973

Eve of the Queenship of Mary

Our Lady - "I have given you many insights in manifestations of the days ahead. I have gone throughout your world preparing you and crying for atonement. The world, the souls, have progressed into deep darkness.

"There are many now on earth who have joined Me in My suffering. We ask that all do not abandon the House of My Son. You will approach the days ahead with great trust and knowledge that the eventual victory over the existing evil will be with My Son.

"Come to Me, all you who sorrow, and I will join My Son in drying your tears. The Father has placed many graces upon souls who gather on the sacred grounds. These consecrated grounds are an instrument of Heaven. Many conversions and cures will manifest to the world the reality and existence of your God.

"Many offenses are being committed in the House of God and the hearts of many: offenses to tear down the divinity and true existence of My Son in the Father."

Veronica - Our Lady requests that the crown made by loving hands be placed about Her medal. Our Lady said to place the medal through the crown.

Our Lady - "I caution you, My children, that you keep a constant vigil of prayer going throughout your country and the world now. The Ball of cleansing has been sent on its way to you. The extent of this punishment upon man will be governed by the manner in which he will make atonement now to his God. Your future is now!

ABYSS OPEN IN FULL FORCE

"There roams now throughout your world the legions of hell. The abyss is open in full force, and satan now gathers his army to do full battle against the House of God. Rather than see the full extermination of man, there will be sent upon you - "

Veronica - Oh, Michael is appearing now. Michael is appearing on the right side of the flagpole. He's standing now with a banner in his right hand. The banner is in a V-type shape. It's much different than the banners that he has carried before. It has a V-shape, and it's more perpendicular than horizontal. And there is writing on the banner. The writing is: "FAITHFUL AND TRUE."

And now he's pointing - Michael is pointing to the left side of the sky. And written in large letters - but the letters now are fiery, like tongues of flame - are the words: "GOD IS." The letters, G-O-D, are small, but the "IS" now is very flaming.

BALL LIKE A HUGE SUN

Now over to the right side of the flagpole - oh, Michael is pointing out to the sky, and I see a very large ball! It's, it looks like the sun, but it seems to be swinging in an arc. It's traveling very fast. But it's very, very large; it's very large.

And the tail, it's all colors of the rainbow. But there's great heat. The tail, there is - falling from the tail now is a great deal of what looks like vapor and smoke. Oh, it's a choking, smoky vapors. Oh! And I notice now the vapors cover the moon and the sun. So this is not a sun, but something - a ball that looks like a huge sun.

Now I notice that . . . oh, Our Lady now . . . oh, Our Lady is coming over and standing next to Michael. She's pointing over out into space, and I see a globe of the world. It is the earth. I can see from the outlines it is the earth. And it looks very white and glowing.

But Our Lady's pointing now, and I see this ball. It looks very small now, though, and it's got a long streak behind it. And it's coming toward this direction, toward the earth. And above it now is written the word, "WARNING": W-A-R-N-I-N-G.

And now Our Lady is coming down much closer. Oh, She's at the center of the flagpole. And She's saying in a very low voice - I can barely hear Her - She's saying:

Our Lady - "I cannot bring My voice forth, for the sorrow in My heart stills My voice. The Father plans great punishment upon your earth. It is not out of malice, but out of love for you that He will allow this cleansing. The Father will chastise those He loves."

Veronica - Now the sky is growing very, very dark. And Our Lady now is - She's not stepping, but She's floating back. And She's now stepping - oh, She's floating onto the top of a ball. And the ball now is - oh, Our Lady's just standing on the ball, and it's floating over to the left side of the flagpole. It's by the trees; it's right next to the trees. And now Our Lady is standing there. And She - Our Lady says:

Our Lady - "I am not leaving the area of My sacred grounds. But We must hasten you to continue your prayers of atonement."

[Pause]

Veronica - There's a tremendous cross now appearing in the sky. Oh, the cross is being placed - it's a large globe of the world - the cross is being placed upon the world. Oh! Oh, it's, it's quite frightening to me. It doesn't . . .

Now I see a great light coming from the ball and the cross. Oh, and now the cross is disappearing, and the world is - the globe is lightening, but only in various places. But now standing off to the side - Our Lady is standing off to the side. And now She is floating up onto the ball. Now the ball, it's - all these markings on it are disappearing. It looks more like a large moon. And Our Lady is standing there now.

And oh, She's dressed very beautifully, very beautifully. She has on a long white gown, and - oh, this is the first time I saw Our Lady - She's wearing a green cape. It looks like velvet, green velvet, with golden trim. And She has golden slippers. Oh, but on the slippers - She's motioning, She's pointing down to Her slippers - oh, I see She has roses; they're golden roses, though, at the slippers. And Our Lady is standing there.

Now She's placing Her hands out in front of Her. Oh, and from Her hands there are - they're so bright, the rays! There are rays coming from Our Lady's hands. Oh, they're very, very bright. They're very warming. They're very bright. They're on this side. On the right side, there are three rays. They're very, very bright. Oh, they, they're falling on this side. And now Our Lady is stretching out Her right hand, and - She's stretching out Her right hand, and now (that would be on our left side) I see these tremendous rays.

And Our Lady now - about Her head are stars; the most beautiful stars now are forming over this crown. Our Lady has on a beautiful crown. It's golden, but it has green stones. And the points - around the top of the crown, it comes in points, almost V-shaped points, and they have these beautiful - oh, beautiful stones in these points. Oh, Our Lady looks beautiful, absolutely beautiful!

Now She's going to extend Her hand again, both hands. Now from both hands - those rays are coming from both hands, and they're floating down. I know they're hitting right down here on the grounds. Oh, it's just beautiful!

Now Our Lady now is holding something in front of Her. It's a tremendous Rosary. It's - the beads are very large. They're white, but they're glowing pink as She turns now. Our Lady is raising Her crucifix on the Rosary. The Rosary is very large. Oh, and now the crucifix is golden, and Our Lady is - She wants me to show you how She is holding the crucifix. Oh, like this. And now Our Lady is blessing all: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is smiling, and She's coming over to the left side of the flagpole. And She's raising Her hand again with the Rosary. The Rosary hangs very, very low, down almost to Her feet. It's very heavy. And She's holding the cross up now, like this, and She's blessing now: In the name of the Father, and of the Son, and of the Holy Ghost.

Now She's stretching Her hands out, and as She stretches them out She says:

Our Lady - "See, My child, I do carry the roses always with Me."

Veronica - Oh, Our Lady has - in one hand She has the roses, but they're like a beautiful pink, and - oh, a mixture of pink and red in the roses. But over on Her right hand, which would be our left side, She has a white - oh, the rose almost looks golden and white. Oh, I know what Our Lady means with the gold and the white rose. Our Lady is referring to Pope Paul and the papacy. And the other roses are the graces that She is accumulating - that are being accumulated on earth here. Oh, Our Lady said:

Our Lady - "I have given you the sacramentals and My beads of prayer. Your prayers must now rise to Heaven. I have sought through countless apparitions on your earth - and I have come to many lands - to hold back the darkness. However, man has shut Me out, not only from his earth, but from his heart. How can I keep the heavy hand of punishment from falling upon you when you have chosen to harden your hearts?

"My child, Veronica, I place great dependence on you and all who have joined in My armies throughout the world to gather the souls. The path of man has gone far from the path that would lead to the Kingdom. He has now traveled the wide road, and this road has brought him to his own destruction.

"The Father chooses to send upon you first a great manifestation, a Warning. And should you not listen to the voice within you, He will have no recourse but to go forth with the plan for full cleansing. My Son has given you His word; you have received one of the final warnings given to man.

"Therefore, you will count your days as days in which you will retire from the world that has been given to satan. You will save your soul and the souls of those you love. It will mean great denial of your human instincts.

"The number, the number in the Chastisement who will be taken before their atonement and penance, has sent - this knowledge has sent a great knife through My heart. Many will leave unprepared, and therefore, join the kingdom of Lucifer, the prince of darkness.

RETIRE WITHIN YOURSELF

"The more, My children, you choose to go and live among men, the less you will feel yourself in union with the Father. You must retire within yourself. Gather your families about you in prayer.

"Your children must be protected against the world, your world of evil. Better that they starve their bodies than to starve their souls. The seeking of worldly gain has sent many souls into hell. The example being shown in many homes is abominable. Many parents will pay a hard price in the loss of the Kingdom for their lack of discipline and proper direction of the souls entrusted to them.

"Through the merciful love of the Father, you have the time, as you hear My warnings, to prepare yourself and those you love. Should you choose to ignore this and listen to the scoffers and those who are the agents of hell in your world, you will have done this of your own free will. You will not be forced into the gate of Heaven; you will come of your own free will.

"Man has adopted a way of life in which he no longer recognizes sin as sin, or offenses against the nature and existence of his God. Many upon earth have fallen into the web of satan, and accepted the false maxims of modernism and humanism. Many have rationalized their sins until they are blinded. Many who are teaching are teaching in error. It is only for the Father to judge whether this be of heart or of true purpose. Therefore, those who lead souls into the path of sin and eventual damnation will be held accountable before the Father.

"You will continue, My children, with your prayers of atonement."

[Pause]

Veronica - Our Lady said you will pause now, and all who are able will kneel.

Jesus now is coming down on the right side of the flagpole. Oh! Oh, with Him there are many angels. Oh, they're beautiful! Oh, they're . . . Now Michael is also at Jesus' right side. Oh, he's just beautiful. Now Jesus has - His robe is a very, very bright red. It's a bright red, and He has it over His right arm. Now Jesus is smiling, and He has placed up His hand, like this. Oh, He wants me to listen.

Jesus - "I have come, My children, not to add to the words of My Mother, but to give you My heart, a heart that has been torn by the many offenses of men. I bestow upon you many graces: graces for conversion and cure, graces for the salvation of your souls."

Veronica - Now Jesus is raising His hand above His head, like this, and He's extending His fingers. And He's blessing, like this - they're like three together, and He's going in the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over - oh, He's right next to the trees. Now He's looking down. He's smiling. Now I notice Jesus' hair has fallen forward. His hair looks like a very reddish brown, but it could be the light. The light is very pink around Jesus. And He's raising His hand now, and blessing all in the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Oh, Jesus says:

Jesus - "Do not look, My child, farther over to the trees on the left, for there is an agent of hell outside the boundaries of the sacred shrine grounds. However, Evelyn will take a picture of - off the sidewalk and down to . . . towards the convent."

Veronica - Evelyn will take a picture off the sidewalk and down to the convent.

Now Jesus is over - and Our Lady also is placing Her hand out, and sending rays over in that direction. Therefore, Evelyn will have no fear of taking the picture off the grounds towards the convent.

And now Jesus is coming very slowly over to the left - our left side, but His right side - of the flagpole. And He's looking down now, down onto the people, and He's smiling now. He's whispering.

"Oh! . . . Oh! Yes . . . Oh!"

This I am not permitted to speak out. It's, it's - Jesus wanted me to know something.

Now He's smiling, and He's raising His hand, and He's making now the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost. And now He's going over to the edge of the trees. And now He's blessing everyone on that side: In the name of the Father, and of the Son, and of the Holy Ghost.

Michael now has gone beyond the trees, and I see him staring down, Michael. And he is now - I don't know . . . He's got a bow, and he's, he's pulling the string on his bow. And I just heard something that went "ping." It - and he pulled the bow,

and it went - I hear it again; it's "ping!" There must be two of them. Oh! So now Michael is coming back, and he's standing beside Jesus. He looks very satisfied. Oh.

Oh, now Our Lady is coming over by Jesus. And Our Lady said:

Our Lady - "You will have no fear. It is quite normal for a shrine of purity to be surrounded by the agents of the prince of darkness. They will not approach you; they will use other distractions. In the name of the Father, and of the Son, and of the Holy Ghost. Amen."

May 30, 1973

Eve of the Ascension of Our Lord

Veronica - Oh, Michael has appeared; he's on the right side of the flagpole. And now he's coming forward, and he's very brilliant. Michael - he's so brilliant that I . . . I see Our Lady now is coming over on Michael's left side. Our Lady is now whispering to Michael, and Michael is coming forward. And now he's bending down, and he's saying:

Michael - "Harken now and listen well to the words of the Queen of Heaven. Do not allow these words to go idle in your minds. They have been given to you for reason. Your world is approaching fast onto a great Chastisement. The balance is falling heavily to the left."

Veronica - Now Michael is holding what looks like a scale; it's - oh, it's like a golden scale, like you see, like in those courthouses, like. But Michael is standing behind it, and he's pointing now to one part. It's held by three . . . like it's golden ropes. And he's point - he says:

Michael - "Observe all the abominations of the world that far outweigh the graces being accepted by man."

Veronica - Now Our Lady is coming over and closer. And She's leaning down, and She is saying:

Our Lady - "Veronica, My child, I wish that you spread - and do this very fast - the Message of Heaven, for the time grows short for the Chastisement upon man.

"I have wandered throughout the world shedding many tears. Who has hastened to ease My suffering heart? The offenses against My Son have increased so that the Father feels that there must be an intervention from Heaven.

"I have prepared you well with My visits to these sacred grounds. All who have listened will have nothing to fear, for all will be good for those of well spirit.

"It truly rains teardrops from Heaven. The Father calls for a heavy penance upon a world that has used murder for worldly gain. We look and count the numbers of innocent souls, souls that have not lived out their mission on earth and being sent to Us untimely. Your generation is one that calls for heavy penance! The Father is merciful, and all chastisement will be for reason."

Veronica - Now - oh, on the left side of the flagpole it's growing very light. It's very bright. And I see now in the distance, it's a . . . it's a . . . it's shooting - it looks like the fourth of July. There's a round ball, and it's shooting out sparks. And the sparks now, they're orange. But now as it's spinning, it's taking on different colors of yellow and orange. And now I see it's very close. But over on the right side, it's very warm; it's very hot. And now the ball is spinning high over our heads, and coming from it are these vapors. [Veronica coughs.] It's very difficult to breathe. The vapors are very heavy.

And now I notice that the sun now is turning very dark. It's growing very dark. And the moon - now the moon has come out. It's coming down, but it also is taking on a very gray cast. And now everything is becoming so dark that I'm raising my hand in front of me, but I can't even see my hand! And Our Lady now is - I hear Her voice, but now the world is in complete darkness. And She says:

Our Lady - "Light your candles, My children. They will burn in the darkness."

Veronica - Now the sky is opening up, and I see a great light. And - oh, the sky is opening up brilliantly. It's very beautiful now, in blue. And now Michael is coming forward with Our Lady, and now - oh, there is Saint Theresa. Oh, now Theresa is coming. And it's very windy; her skirts are blowing. And she's smiling now, and she says:

St. Theresa - "Observe, Veronica, my skirts are quite long. They will not be affected by the wind."

Veronica - And now Theresa is looking back towards the grounds. I believe she's pointing over to the convent. She said:

St. Theresa - "I, my child, can speak in your tongue. This I was given by the Father; for surely, my child, Veronica, you would not understand me.

"It has been made known to you many times that there are many offenses being committed in the convents. However, our warnings are falling on deafened ears. You try, and I tried in my life on earth, to imitate Our Lady. But now Our Lady cries, for so many are mocking Her. So many are going now down the road to perdition by following the modes of a world that has been given to satan.

"Suffering - so few care to suffer or carry their crosses. It is much easier to accept the ways of the world. But in the final outcome you lose so much.

NUNS TO HAVE SKIRTS TO THE FLOOR

"My sisters, you must place your skirts down to the floor, for you offend Our Lady, and the Father looks with critical eye upon your actions. You must retire from the world and show by good example. Then many more sisters will enter into the convents if you give them good example.

"All mothers of the houses in the convents must watch who enters their homes, for Satan has placed many within the convents to destroy them. Those who enter should not be counted by their intelligence, but by their hearts; for the Father has not chosen those of great intelligence and worldly acclaim to do His will. He knows, and He looks into your hearts.

"There will be a great War. Many souls will be lost. All that happens will be given in the will of man. No one will fall unless he has chosen this road of his own free will."

MIRACULOUS MEDAL AND BAYSIDE MEDAL

Veronica - Oh, Our Lady now is coming forward, and standing next to Her is Saint Catherine. She has this large white hat on. Every time Saint Catherine comes she has this white hat. It looks like wings, and - oh, Catherine thinks that's quite funny, but I don't know how else to explain. It's very large and white. And Catherine now is smiling, and she's holding up - oh, it's a very large emblem. No, it's a medal. And she said:

St. Catherine - "It took me two years, my child, to have this cast. We are quite happy that we find that yours was cast much sooner."

Veronica - Oh! Oh! And now she's placing . . . it's the, her medal, her Miraculous Medal that Our Lady gave to Saint Catherine - she's placing it now next to the flagpole. I don't know what's holding it up there, but it's just suspended on the flagpole. And now Our Lady is raising Her hand, and She's drawing an arch in the sky, like this. And now She's drawing, and - oh, Our Lady has drawn the second side of Her medal here, of Our Lady of the Roses. It's a round circle with a ball on the top, and the radiation of the graces from the cross.

And now Our Lady is coming forward. Oh, She's dressed beautifully. She has on a white gown with a gold - it looks like twisted cord, golden twisted cord, and it's tied at Her waist. It hangs on Her right side. But now Our Lady has a very large Rosary in Her hands. It's white, but the Our Fathers are pink. Oh, it's like a rosebud. The Our Fathers are pink; they're like a rosebud. Now the crucifix is very golden. Now Our Lady said:

Our Lady - "Observe, My child, what I am doing."

Veronica - And Our Lady is twisting the Rosary around Her golden sash. Now She is coming forward. And Our Lady's cape - it's Her mantle, I think it's called - it goes all the way across Her head and down to Her feet. And on Her feet She has these slippers. They're golden, and they have roses, pink roses right on the tips of the slippers. And Our Lady looks quite tiny because Saint Catherine now is standing behind Her. But she's quite elevated over Our Lady. It makes Our Lady look quite tiny. And Our Lady says:

WEAR THE ROSARY ABOUT YOUR NECK

Our Lady - "I have placed the beads of prayer at My waist. I look across the world, and I see so few that carry their beads of prayer. Whatever shall they do when they are forced to run? When the Chastisement comes upon you, many will flee with whatever they have on their backs or on their persons. Therefore, My children, it is not for decoration that I have asked you to wear your beads of prayer about your neck. It was for when you flee; you will have your armor upon you.

"Do not be concerned with the opinion of man, for you are following the directives from Heaven. We are now in the process of separating the sheep from the goats. The numbers who will remain after the heavy penance will be counted in the few. It saddens My heart to know that many will have given themselves to Lucifer."

FLYING SAUCERS FROM HELL

Veronica - Oh! Oh, I see a - oh, it's a very large pit, I guess, a hole. And sitting down there at the edge of the hole are some horrible-looking things. They look like animals, but they have almost the figures of people. And they're sitting around now, what looks like a glass. And the glass is reflecting up through the hole, and it's almost like a looking glass because its . . . the rays - there are rays being shot out from this glass, and the rays are going up, up this hole. And I'm watching the rays. And they're shooting out onto the grounds. And as they're going up, riding these rays are these horrible, ugly things, these - I know they're demons; I know. Now Our Lady said:

Our Lady - "Watch, My child, what else is exiting from the hole."

Veronica - Oh, my goodness! There are things that look like bright lights, but they're like dome-like on the top. And they don't have any windows; they're just great lights. And Our Lady now is standing at the edge of this hole, and She's pointing. And She's saying:

Our Lady - "Man will not accept the truth. These are transports of hell."

Veronica - Oh, Our Lady's referring to these things that are being seen on earth. Our Lady said:

Our Lady - "Make it known, My child, that the false miracles of the end time are now at hand. Satan seeks to confuse you. Make it known, My child, that there is no life beyond your earth as you know it. Man will go out into space. Better that he uses these efforts to find his way back to God.

"Intellectual pride, My children, has been the downfall of many. You will not enter the Kingdom unless you strip yourselves of this pride and return to Us as little children.

"Sin and abominations have been accepted in your country and in the world as a way of life. Whatever shall We do with the souls who are coming fast over the veil unprepared? Whatever shall the Father do with them?

"When the Chastisement is given to man, it will not annihilate the world as in the time of the floods, My children. No, the Father plans a gradual cleansing of earth. With the return of My Son, there will remain only the sheep.

"I must caution you: before the return of My Son, many will not stand in the test. They will go the easy road. But there is no easy road to the Kingdom; it is a way of trial and suffering. But, of course, the greatest knowledge is that if you will ask for Our guidance, you will not be lost. Continue, My children, with your prayers of atonement. There are so many who thirst for your charitable prayers."

[Pause]

Our Lady - "My child, you will act in great haste. I know the heavy cross that you carry at this time. But you must understand, My child, that all purification will be given in manner that the human mind cannot comprehend. When you learn the value of suffering you will find it a joy, for the graces will be given in abundance."

[Pause]

Veronica - Oh! Oh, Jesus has now come over by Our Lady. Oh! Oh, it's so - He's so bright. Jesus is now coming down by the flagpole. Oh, He's dressed all in white! Oh, He's very bright. Usually I could see Jesus, but now the light is so bright. He's all in white. Oh! And now He's bending over, and He's whispering very low. Oh, Jesus says:

Jesus - "You are observing, My child, My state of purification when I returned to the Father. You will not understand life beyond the veil until you pass over. The light that guides a soul will emanate in profusion from the eternal soul when you pass over the veil. Those who purify themselves on earth will come to Us as a shining star."

Veronica - Now over on the left side, Michael is standing there. But now I see the sky is becoming just filled with these - oh, they're angels! Now there's little ones that look like children. They're beautiful. They're dressed in all the colors, like rainbows - blues . . . and they're wearing garlands of flowers around their hair. Oh, they're - I don't know if they're boys or girls; it's hard to see, their faces are so bright. The light is so bright, but I can see the colors. The colors are just beautiful: pinks - a pink, like a mixture of sort of purple, and the yellow, though, the yellow is white; it's like very misty yellow.

And now I notice that it must be windy because the gowns are very long and they're blowing; they're blowing in the wind. Now Jesus is moving over, and He's standing next to Our Lady. And the light is very bright, very bright about Him. Now He's bending down now, and He says:

OUR LADY ASSUMED INTO HEAVEN

Jesus - "My Mother came to Heaven in the body." [The feast of the Assumption]

Veronica - Oh! Oh, and now He's pointing over to the left side, and I see, I see a Lady. Now it's Our Lady, but She's lying down on a . . . on a slab. But now there's a great light over Her as She's lying on the slab, and - oh, this light seems to be lifting Her. The light is very bright. It's coming down from the sky, and it's now lifting Our Lady. And now She is just floating up, up, up, up. Oh-h-h! And She's now standing over And now She's removing, it looks like sheeting, sheets, like were wrapped around Her, and they're dropping off.

And now - oh, She has on a beautiful blue cape, a mantle, and a white dress, and now there's a blue sash about Her dress. And She's holding out Her beads, Her Rosary. They're very large. The Rosary - the beads are white, but the Our Fathers now are - oh, they're very large and they're golden. The gold is brilliant. It's shining so brilliantly that actually it's shooting out rays. The Our Fathers now from Our Lady's beads are shooting out rays. They're coming over in this direction. It's just like streaks of golden fire. Oh! All the way back - oh, right back over the trees. And they're beautiful. Oh, beautiful! Oh!

Now Our Lady is moving over with Jesus, and now Jesus - oh, He would like now at this time to bless all the sacramentals. You'll extend all the objects of God, your beads of prayer, your medallions, (Jesus means medals), your cards of beauty (Jesus means your prayer cards and holy pictures). And now Jesus is raising His hand. Oh, it's so bright, I can barely look at it.

Now the light's coming out of His hands. They're coming down; they're streams of light. Oh, they're so bright! Now coming down now - Jesus is standing over by the trees now, and the lights are coming down on everyone. Oh, they're coming right through the trees down onto everyone standing on the right side. They're very bright. It hurts my eyes to look, they're so bright.

Now Jesus is walking over, and there's something - now where the lights are coming down there's something glittering. It's just like pieces of glass falling. They're just glittering and falling down, just like - oh, not rhinestones, like pieces of slivery glass. Now - oh, now Jesus is floating over; He's at the center of the flagpole. Oh, now He's extending His hand over His head, and He's making the sign of the Trinity, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming over. She's floating over. She's right next to Jesus. Now They're coming over. Oh! Oh, They're going over on the left side - oh, by the flagpole. And now Jesus has His hand way high over His head. He's blessing everyone now on our left side - that would be Jesus' right side: In the name of the Father, and of the Son, and of the Holy Ghost.

Oh, now He's coming over, and He's shifting His cape, like - there's a long, white robe. It's very bright; it's almost like the sugar, the color of sugar. It's very white. And, but it's glowing; there's a tremendous glow coming from inside of Jesus' clothes. And He's coming over, and He's shifting the cape over onto His left arm, and He's bending forward. And now He says:

Jesus - "My child, I give now three directives: penance, atonement, and make sacrifice now. Your world has gone into deep darkness. Should the Father permit a continuation of the present state of the world, Lucifer will gain count over the souls. Therefore, you are being given now at this time on your earth a Warning. Prepare yourselves with acts of sacrifice; and beg mercy of the Father that many are not taken during this Warning and the eventual Chastisement, which is not long in coming should you not mend your ways and return your earth to the state in which the Father planned to have it."

Veronica - Oh! Oh! Oh, now Jesus is pointing over to the sky, and I see that ball again. It's, it's, it's turning very fast, and it seems to be coming through a vast space. And now as it's going through the sky, it's hitting - it's hitting stars. It's hitting stars; I know they're stars. And many of them are falling down to the earth, the stars. And it's bouncing. It doesn't seem to have even any path. It seems to be hitting back and forth! And there's another star - oh! It's going to - oh! Oh! Oh, I thought it was going to hit us. Oh!

Now it's twirling. And now it's going back into space. It's becoming very small, the ball. It's very small, but it's very, very orange-looking. And I can still feel the heat. Oh, now it's getting very dark. Now it seems very dark. And I can't see it now. Oh!

Now Our Lady is coming out from this - there's a large cloud, a very large cloud. And Our Lady is coming forward, and I see She is wiping Her eyes. She's passing Her hand over Her eyes. And oh, oh, She's crying. I . . . oh, Our Lady said:

Our Lady - "I know My desire, My child, that I should open before the eyes of all the picture of what lies ahead. However, this I cannot do. We must follow the plan of the Father."

Veronica - Our Lady says that I have asked many times if She would appear at this time to all. And She said:

A MAJOR MIRACLE AT BAYSIDE

Our Lady - "No, it is not in the will of the Father at this time. However, you will be given many manifestations, and then My Son will perform from these sacred grounds a major miracle that will bring all to the knowledge and reality that there exists a God Who is the Creator and rules Heaven and earth."

Veronica - Now it's getting very, very dark. And it's just - oh, the cloud, there's a very large cloud coming over; the cloud is very large. And it looks like Our Lady is just stepping on into it . . . Oh, no. Oh, no, it's a ball. There's a ball now coming out from the cloud. And Our Lady has now - She's floated up onto the top of the ball. And the ball now is floating over to the right side of the flagpole; it's by the trees. And Our Lady says:

Our Lady - "I am not leaving the area of the sacred grounds. Please, My children, continue with your prayers.

[Pause]

"Thank you. Thank you, My child.

"My children, satan has many plans to stop the prayers of atonement; however, We are always ahead of him. He has forgotten the power of the Father.

"You must warn the world now that too many years were wasted in speculation when I gave the warnings many years ago. You do not have the time now in idle talk or speculation. There are many agents of hell now. They have entrenched themselves in every walk of your life: your schools, your government, and even they walk in the holy House of God. However, the Father permits this war. This war is one of the spirits. It is far greater a war than man could ever fight upon earth with humans; for now, My children, you are at war with the unseen world.

"Do not deny the fact that there is an unseen world about you. When you accept this fact, you can fight it. Satan can enter upon and claim and make an agent any human being who has fallen far from grace, be it a man, a woman, or a child. Therefore, recognize this fact, and disassociate yourselves from temptations and the ways of error set forth by these agents of satan. Recognize the faces of evil about you. Recognize the wolves in sheep's clothing.

NO TIME LEFT TO SPECULATE

"You will all read the Book of life. You will not accept the errors being written into the Book of life at the present time.

"I warned many years ago of the state of this world to come, but who listened? You do not have those years now to speculate or to hesitate. You will act now upon My counsel, or you will fall!

"Prayer, atonement, and sacrifice - save yourselves; save your souls and the souls of those you love. And if you have the charity of heart for your brothers, you will offer your sacrifices for their salvation, for many will be lost because they have no one who cares to pray for them. The greatest weapon you have now is prayer; you will use it. Man has many opportunities to make atonement to his God, but he has become involved in a materialistic world.

"You must retire from this world that has been given to satan. Recognize the evils that are created for your downfall: humanism, modernism. They are satanic - creations of satan to place you and blind you to the truth, place you on the road to damnation. For the man of perdition now is loosed upon your world. He roams your world, and he is gathering many agents."

SIX DEMONS ON SPECIAL MISSION

Veronica - Now Our Lady is pointing to the sky. Oh! And there are the numbers "6-6" . . . And now in black letters, and She's circling it in black, is "5". "6-6" and "5". The "5" now has, is circled now. Our Lady's tracing with Her hand, two V-like ears; they look like ears. They're like ears over the circle. Our Lady says:

Our Lady - "Number five, and then six, and wait for Michael.

"You will stand behind your Vicar. The agents of hell surround him. They will not remove him from the Seat of Peter. A greater punishment falls upon man should he be removed from the Seat of Peter! It is the plan of Lucifer to sit his agent upon the Seat. I have warned you many times that your ways have led you into great destruction.

"The hand of God will fall heavy upon your world. For a man to let himself fall into perdition in his lay life . . . but when this perdition has entered into the House of God, it calls for a speedy and fast destruction! For all that is rotten will fall. Weak vines will break, boughs will be bent, but the cross of the living God shall not be bent by the will of man and to satisfy the desires of a corrupt generation! No-o-o! For woe to those who promote evil in the House of God! They will be held accountable in full measure for the fall of the souls entrusted to their care.

"The penance upon the world is being meted at this time, and it will be heavy. Man now holds the balance for his own future, if he has been given this future."

Veronica - Now Our Lady is pointing over to the left side of the flagpole. There's appearing a large map. Now it's - the map I know is Africa. And Our Lady is taking now - She has something in Her hand that looks like an eraser, and She's coloring over, and many parts of Africa now are colored black. Now Our Lady's turning, and She's saying:

Our Lady - "These are the areas that are fast going into darkness. They will join in the great tribulation."

Veronica - Oh! Now Our Lady is speaking about the great War that will come upon man.

Our Lady - "It will be in unison with the great Chastisement."

GREAT WAR AND THE COMET

Veronica - That's the comet.

Now Our Lady is pointing up to the sky, and now She's drawing a large question mark, a large . . . like that. And oh, She's saying:

Our Lady - "You wonder, My child, why I have placed this mark over the heavens. It is the will of the Father, for as I have repeated Myself, I do say now that you hold the balance for your future."

Veronica - Now it's growing very, very dark. Now Our Lady - no, there's - that cloud is floating now over from the trees. The cloud is very light. It's floating over, and now following it is a bird, a dove. Oh! It's a - oh, it's a beautiful bird. It's got something in its mouth; it looks like an olive. I know it's an olive branch. Our Lady is saying:

Our Lady - "The olive branch of peace. It will not fly over your country at this time."

Veronica - And now this bird is flying very fast. It's going clear across the sky very fast. And now it's returning, but it doesn't have the olive branch in its mouth. And it's fluttering and it's floating; its wings are flapping very slowly, and it looks like it's been wounded. And now I see it falling down beyond the trees.

SAINT FRANCIS OF ASSISI

And oh, oh! And over by the top of the steeple, I see Saint Francis over there, by - over the top of the church there's Saint Francis. Oh, and he's picking up this bird; He's holding the bird in his hand, the bird. The bird looks like it might have died; its very limp. And Saint Francis now is placing his hand over the bird. No, it's sitting up in Saint Francis' hand, and Saint Francis is pointing over, over to the right side. He wants me to look over the right side.

VISION OF MAP, WAR PLANNED, PEACE DENIED TO AREAS

He - oh, I see. He's pointing over, and over the right side is a map. And he said peace also will be denied the areas shown. Oh, dear! I can see Egypt, and I see, oh, Asia. Oh, I see a lot of people there; they're all marching. They look like, kind of like Chinese . . . Chinese. And oh, they're getting ready for war. They've got all these tanks . . . all these tanks. And they're all marching, the armies; there's a whole lot of them. There's so many of them! Many of them look like young children, but there's so many of them. Oh! And Our Lady said:

Our Lady - "They are gathering their strength."

Veronica - I know that's China, and all these kind of - I guess yellow countries.

Our Lady's placing - She's writing "Y-E-L-L-O-" on the top, right over the map there. And oh, it looks like they're getting ready for an awful war or something. They're - oh, yes, they're all marching. Oh, oh. They're all dressed alike; they're very, very . . . Oh, there's women, too. There's women, too, that are marching with them, and the girls - the girls look very young; they look very young.

Oh! Oh! Oh, now over them I see - oh-h . . . oh, it's Russia! I see Russia now is talking. Oh, they're at a big desk, a rather large desk. And that . . . umh! At the desk I can see . . . I know he's Russian. But sitting next to him . . . looks like someone I have seen before, like . . . I don't know . . . looks almost like Mr. Kissinger . . . I don't know. But he's sitting at the desk also, and it looks like they're planning; they're talking about . . . arms or support. I think there's going to be something going on. And Russia is going to . . . I think it sounds like they're going to fight. They're going to fight - oh, it's Egypt. I think they're going to go to war against Egypt and Africa. And - oh! And then Our Lady said:

Our Lady - "Gathering at Palestine. Gathering at Palestine."

Veronica - Oh, now it's getting very dark, and the sky is clearing. I can't see anything. And I can hear Our Lady.

Our Lady - "I have not left now. I will direct you further, but you must get out the message in great haste. Physical infirmities have been promoted many times by satan. You will not accede to your physical weaknesses. You must work, My child. Work with great haste, for the time grows short."

Veronica - And now Our Lady is standing there. Oh, She's stepping - not stepping, She's kind of floating onto the top of the ball. Now the ball is over, it's going beyond the trees. And now it's stopped. It's starting to - the ball! I can't see the ball! It looks like the world in a way, but it's all lighted; it's very white, this ball. It's very large. And it seems to be just suspended, just right in the air. And Our Lady's standing there. And She thinks it's quite funny; Our Lady is smiling. She says:

Our Lady - "Nothing is impossible here, My child. This you will all find when you come over the veil. We can do much more up here than you can do down there!"

Veronica - Oh! Oh! Oh! Oh, it's beautiful. And Our Lady's just going to stand there. And She says:
Our Lady - "Now continue with your prayers."

Veronica - . . . Her clothes, they're not quite like ours; they're electrified. Oh, but they glow. I asked Our Lady why Her clothes looked so transparent to me here. Our Lady said that is because there are many things that are a secret to Heaven, and they would no longer be sacred if they were all revealed to you.

I am asking Our Lady - it's kind of a silly question - are the clothes She has on like ours, like. She says not quite. Our Lady's gown is always very, very brilliant, and the light is coming through them, so I kind of wanted to know if they're the same material as we have on earth, and She says no.

Our Lady says:

NO RACE OR COLOR IN HEAVEN

Our Lady - "Over the veil We recognize no color or race. Pure spirits are spirits."

Veronica - Our Lady said there is no color or race over the veil. A spirit is beyond human explanation.

Our Lady - "You will be fully recognizable to each other when you pass over the veil. Therefore, you must have great heart in the knowledge that you will join those who were with you upon the earth, and you will have full knowledge of that meeting.

However, there will be many human emotional attitudes removed over the veil. For the only suffering allowed - this may be difficult, My child, for you to understand - but through the will of the Father, it is only My Son and I and those who have accepted the mission of the present time to come to earth that must suffer with many human feelings. However, over the veil there will be nothing but joy and peace and feeling of complete exhilaration here.

I, standing beside My Son, am subject to all human nature. It has been My choice, because I join My Son in the repatriation of My children's souls here on earth. Many mysteries will be made known to you when you come over the veil.

KINGDOM JUST BEYOND THE FARTHEST STAR

"You ask, My child, where is the Kingdom? The Kingdom is in existence, an actual place way out in the heavens beyond the farthest star. When I step onto this large ball, you see Me ride completely up into the heavens, for I am taken back to the Kingdom. It is not what the world claims now. Satan seeks to call Us a myth. O My children, I can assure you We are far from a myth, for We are living and watching all of this battle raging."

Veronica - Oh, now Our Lady is pointing, and oh, I see She's moving over. The ball is moving over to the right side by the trees, and Our Lady is saying now - and She's holding out the Rosary, and She said:

Our Lady - "Tell your beads, My children."

Veronica - Oh, She means pray the Rosary.

[Pause]

Oh, Our Lady is giving a direction now. Our Lady says that She would like you, when you hear of a death upon earth, whether you know a person or whether you don't, She requests that you say an Act of Contrition and three Hail Marys, for a great indulgence will be granted for the soul, the departed soul. That would be an Act of Contrition and three Hail Marys for a departed soul. Therefore, they would be getting a grace necessary for their repatriation into Heaven. Our Lady said great indulgence will be given for the recitation of the Act of Contrition and three Hail Marys.

June 8, 1973

Eve of the Sacred Heart of Jesus

Veronica - There are flashes now over the left side of the trees. The trees are lighting up, oh, very blue. There's a border outline of about - oh, a good foot of light all around the trees. It's because Our Lady and Michael now are coming from over by the trees there. Oh, Our Lady now is moving over to the right side there - our left side, our left side of the flagpole. Now Our Lady is - She's just standing and looking down.

She has on a long blue robe. The outer covering is blue, and Her gown is white. And there's a blue sash around the center of Her gown. It's very pretty; Our Lady looks very beautiful. Oh, and tonight She's wearing - oh, Her crown is all of roses! Our Lady is wearing a beautiful crown of roses.

Now Michael is coming forward. And he's bending down now; he's still holding the scale. The scale looks very golden in the light. And there are - oh, I see Michael now. He's pointing with his spear over to the other side of the flagpole. Oh, he's pointing to - his spear.

Oh, over on the right side, our right side, there's a horrible-looking thing. Oh! It looks like - oh, it looks like an animal; but it's got claw-like hands, very long, claw-like fingers. And it's got two ears; they're pointed. And his face - there's no face. It's like a - oh, oh, it's sickening. It's like - oh, I can't describe it. It's not an elf; it's, it's horrible. And now he's very small; his body looks stunted. But on his feet - they're very pointed - there's a . . . his feet look like webs, like frog's feet almost, like webbed toes.

Oh, now Michael is now placing out the scale in front of him, and Michael is saying:

MAN WALLOWS IN ERRORS

St. Michael - "Man travels the road to deep darkness. Man wallows in errors, a cesspool of errors. Confusion, deception, deceit, and lies! Why have you allowed yourselves to be led down this road?"

Veronica - Now - oh, over the flagpole, over to the left side, it's growing very light. I can barely look; it's very bright. And there's now - oh! Oh, Jesus is coming forward. Oh! Oh! Oh, He's very beautiful. It's so bright, the light, I can barely see His hair and His face.

But Jesus has on a red robe; it's tied at His neck with a golden string. Now He's placing the robe over His hand, like this, and - oh, He's opening His . . . the top part of His robe. Oh! Now I see there's a large heart. There's a large heart on the front part of His gown. But the heart now - there's a large sword; it's, it's, oh, it's going through His heart. And there's blood now dripping down His gown. Oh!

Now He's coming over; Jesus is coming over closer. He's just above our heads now, and He's looking down. Oh, I . . . it's . . . Oh, I feel . . . [Veronica is in great distress at the sight.] The drops are all coming down on us. Oh! Oh! Now Jesus is bending down. He's placed His hand over His heart. Oh, it's His right hand, and the blood is seeping through His fingers. And Jesus is saying:

Jesus - "See, My children, what ungrateful man has chosen to do to Me. Have I suffered for you in vain? Will you ask a severe punishment upon you for your offenses against your God? Blindness, corruption, deceit! Sins more foul than since the time of Noe! Whatever shall become of you?"

"My Mother has made many visits to your earth. She pleads your cause well with the Father. However, the time for your atonement has been shortened. You will all save yourselves now in the merciful drops of My Blood shed for you through generations, shed now for an ungrateful generation that has chosen to give himself to satan."

Veronica - Now Jesus is closing the robe across His chest, and He's now going backwards into the sky. And Our Lady now is coming forward. Oh! Oh, Our Lady now is going over to the right side of the flagpole, our right side. And She's motioning now up to the sky. Oh, and there are two men coming down now.

They are dressed - they have long robes on. I don't recognize them now because I can't see their faces yet. Oh, now they're coming closer. Oh, one is Saint Robert Bellarmine. He has a very large Bible in his hand, and he's bending down. And he is saying:

GOATS AND SHEEP

St. Robert Bellarmine - "Shout, my child and my children, from the rooftops! Man must now read the words of the prophets of old. He will direct his life in the light of truth, or he shall enter into a crucible of suffering. The Father will chastise

those He loves. You cannot understand, as mortal, the ways of Heaven. All evil will never be triumphant. The sheep shall be separated into two camps: the goats and the sheep."

Veronica - Now Our Lady is going over to the right side of the flagpole. She's now taking from Her waist - oh, Our Lady has Her Rosary. That's why this - oh, I, I see. Our Lady said we're to wear the Rosary during Her visits here on the belt, on the belt of our gowns. And they're to be removed so they will not be lost.

Our Lady now is bending forward. She has a beautiful Rosary. It's all white, and the Our Father beads are very large. They're golden - they're beautiful, golden. Oh, they're so bright. The light is catching the Rosaries now, and they are so bright that they sparkle. Oh, and now Our Lady is bending over. She's extending the Rosary out over - oh, Our Lady wants me to touch the Rosary. Oh! Now She's coming closer. Oh . . . oh . . . oh, now I can touch it. Oh, yes! Oh. And Our Lady is kissing now the cross of Jesus - the suffering of Her Son, Our Lady said. And, oh, Our Lady says:

Our Lady - "Remember, My child, I bestow upon all who come to My sacred grounds, the power to bring back and rescue from satan their brothers and sisters. You must not forget the power of prayer to the Father. Ask in the name of My Son, and He cannot refuse you.

"Continue, My children, your prayers of atonement."

[Pause]

"You will deliver to the world the Message from Heaven. You will permit no elaboration or additives to My words or any words from Heaven. You must not speak on your own. As Our messenger, you are not opinionated, My child, for you will only act as a voice-box for Heaven.

"There are many agents of hell loosed upon earth now, My children. They have all means at their disposal for your capture, for the capture of your soul. Recognize, My children, the faces and forces of evil about you. Do not be misguided by the agents of hell who try to take from your mind by subtle means the fallacy and error that there is not another world beyond the veil. I can assure you, My children, that this knowledge will soon be made known to them.

"The Father has great plans for restoring a proper balance to the world. My children, I repeat Myself with purpose. You must, you must retire now from a world that has been given to satan. It is a time of trial and cleansing. I have come to you many times, in many places throughout your earth, giving you directions and the armor for your survival during this greatest of battles. None will be lost unless they go of their own free will.

"Prayer, atonement, sacrifice: is this too much to ask of you in the face of what you will soon find coming upon you? I do not come to earth to fill hearts with fear, but I bring reality of what is to befall an unrepentant generation.

"There are many throughout the world, your world, that will be given a test. This is a test of faith and love; for many will be asked to give themselves to the Father as victim souls, victims to the merciful heart and love of the Father in repatriation for those souls who offend most the Father."

FLASH AND GREAT HEAT

Veronica - Do not look up to the sky - the flash! Oh, it's - oh, I see a terrible light. It's a flash, but it's hot. Oh, it's so hot! Oh! Now I hear voices, and the people are screaming. They're frightened.

"There's no reason to be frightened. Our Lady will save you. There's no reason to be frightened. Don't run! Don't go outside; stay inside. Oh, pray! Remain on your knees and pray!"

Our Lady - "The world before the great Chastisement will be plunged into darkness."

Veronica - Now Our Lady is coming forward. Our Lady now is bending down, and She says:

Our Lady - "It is a most frightening sight, My child, even to those who have been given the grace of knowing what lies ahead.

"There are many manifestations and many souls who will speak out for Us throughout the world. All will have heard the word of truth before the final cleansing."

Veronica - Now Our Lady is going over to the left side of the flagpole. And now She's placing both Her hands out in front of Her. The Rosary now is caught onto Her band about Her waist, the blue band.

And Our Lady now is placing Her hands out, like this. Now Her right hand is going in front of Her left hand, and - oh, there's a very bright light coming from Our Lady's hand, like this. It's coming down from the sky. It's a very bright light. Oh! It's, it's, it's beautiful! Oh, the light is so bright. It's so bright that you . . . it's . . . there's . . . I . . . Oh, Our Lady now is saying:

Our Lady - "These are the rays of hope I give to man during the coming trials. We all stand ready to guide you here, as We will guide Our beloved children throughout the world. Wear your sacramentals; do not take them from you, for they will be your armor. As the agents of hell roam the earth, they will not enter upon a soul who has armed himself with the sacramentals and graces given freely for the asking from the Father. Recognize, My children, that you are mortal, which will make the battle more strenuous."

A VISION OF HELL

Veronica - Now I smell - oh, a terrible odor of, like sulphur and rot. Oh! [Veronica has difficulty breathing.] Oh!
"Our Lady, I don't want to look!"

Oh, Our Lady wants me to look. There's a deep hole. Oh, it's, it looks like a - oh, a cavern. Oh, and it's, it's very - it actually smells like rotten flesh. And now Our Lady is taking me down, down, down. Oh, my! Oh, my goodness! Oh! Oh, I see people, and they're all, as we're passing, they're reaching their hands out. Oh, oh, Our Lady . . . I must look. Oh!

Our Lady - "My children, you see the poor souls that cannot be rescued. Many have come here because they failed to listen to the words of the Father. They have fallen victim to the pleasures of the flesh. More souls enter daily into this terrible place of suffering because of the sins of the flesh."

Veronica - Oh! Oh! Now we're going down further! Oh! These bodies are floating - they're people. I see they're people, but they're, they're lit up like coals - they're an orange color. Oh! Oh! But right behind them are these horrible things. Oh! Oh! Oh! Oh! They're all different, but they're horrible. Oh!

Now Our Lady is taking my hand and we're going up. We're floating up, up. It's getting much lighter now. I can see . . . I can see the sky. Oh. Oh, Our Lady now is walking over - She's not walking, She's floating over, and it's growing very dark. It's very, very, very dark. And now Our Lady is saying:

Our Lady - "My child, this color is of sorrow. The only light in the darkness is the Sacred Heart of My Son."

Veronica - Now in the center, over the flagpole, there's a large white heart. Now it's turning a very deep, deep, deep red - ah, red-orange. Oh, oh, it's, it's very large; it covers the whole sky. Now Our Lady is floating over, and She's reaching out, and She's placing Her hand over the heart.

And now She's pointing over, and She's - and the sky is becoming filled with people - many, many people. But they're walking, and they're carrying crosses on their backs. Many are wearing crowns of thorns on their heads. Our Lady says:

Our Lady - "See, My child, many who will go the way of the cross before the final cleansing."

Veronica - Oh! Oh, now Our Lady is coming very close, very close. She's - oh, Our Lady is saying:

Our Lady - "Do not sorrow, My child. It is with joy that they carry their cross for My Son. The world - your world does not know the value of suffering, My child. If they did, there would be more who would offer themselves to My Son for the mercy of the Father in the days to come. Accept all suffering with joy."

Veronica - Now - oh, over to the left side of the flagpole is Theresa. I know Theresa very well. Now Theresa is coming down by herself. No, and she's floating over by Our Lady. She's by herself, but Michael is standing next to all those people. They're all in the back with the crosses; they're holding the crosses up now, straight up and down. And they're standing there, just looking at Our Lady and Theresa. Now Theresa is coming forward, and she is saying:

St. Theresa - "Veronica, my sister, please send out the Message from Heaven in great haste. The time grows very short. The great offenses to the Sacred Heart of our beloved Jesus multiply. Therefore, the scale grows most uneven."

Veronica - Oh.

SKIRTS TO THE GROUND

St. Theresa - "You must hasten, my sister, to make known the sorrow of Jesus at the department of many of His dedicated in the houses of God. They must not follow the ways of the world, for they lead surely down the road to destruction.

They must now lower their skirts to the ground. They must return to lives of piety, poverty, and chastity. Many are giving themselves to the pleasures of the world. Many have brought scandal into the House of God. Pray for them, my sister; pray much, for many souls are being misguided. Pray, my sisters and my brothers, for all the priests in the House of God. They are in need of much prayer. Only you, in your goodness of heart and love of the Father, must act now to save them.

"There are four agents from hell upon earth. One is now - "

Veronica - Oh, and Theresa is pointing, and I see Saint Peter's. It's a very large church. It's very large. Oh, and I see this horrible-looking thing. This thing, he's going now into the door. He's very smug-looking. Oh, and he's now gone into a back room - in the room off the church; it's a room off the side of the church. There's a lot of people gathered there. There are cardinals and bishops. I can tell by the way they're dressed.

Now one is going over, and he's counting. He's saying: "One! two! three! four! five! six!" And he's placing his hand now on the chest of the cardinal. Now as I watch - oh! Oh, I see him - he's just like . . . oh, he's like evaporating into his body; he's just going right in! Now I can't see him anymore. But I see - oh! Oh! Now I see - oh, my! Oh! Our Lady says:

Our Lady - "Yes, My child, you will have no fear in speaking out, for they must be warned."

Veronica - I see now that the one, the cardinal, is now taking off his - he has a very wide hat. Now as he's taking it off he's smiling, but as he takes it off, his hat off, he has ears like a, like a devil - these things coming out of his head like a devil! And he's holding up the number - he's holding up his hand: five and one make six. Oh! Oh! Now it's growing very dark. I can't see anything. And Our Lady says:

Our Lady - "You will continue, My child, until Jesus gives you further directions for your mission."

Veronica - Oh, Our Lady now is coming over. She's on the right side of the flagpole. Oh, She's very beautiful. She has the blue cape on and the blue sash about Her waist. And I asked, "Please, Our Lady, I can still smell that stink on the earth." Oh.

Our Lady - "My child, this strange odor that nauseates you will remain with you for some time, for you will accept this as part of your cross for the salvation of souls. It will bring to mind the scene constantly that I have brought you down to see.

NO SUFFERING EVER WASTED

"I know, My child, that you have found the cross growing heavy, but We place great dependence and confidence upon you. The Father knows your great love for Him. Therefore, you will continue with confidence. We cannot promise you a life without suffering, for graces are not earned easily, My child, though they are given freely. However, you will follow the direction of your sister, Theresa, who has taught you her little way of gaining Heaven through suffering.

"My child, make it known that no suffering is ever wasted, for there are graces following behind these crucibles."

Veronica - Now Our Lady is raising Her Rosary, and now She is blessing: In the name of the Father, and of the Son, and of the Holy Ghost. Our Lady said:

Our Lady - "You will continue with the prayers of atonement and will sit down now, My child."
[Pause]

Veronica - . . . and He's standing by the left side of the flagpole. Oh, He's just standing there and smiling. It's very bright about Jesus, as there's always a tremendous light. It just seems to come out from underneath His garments. It's just beautiful. Now Jesus' hair looks very long. It's parted in the center, and it hangs down to His shoulders, but it goes sort of just a little above the front of His shoulders and to the back. Jesus is smiling. Jesus says:

Jesus - "My child, you always recognize Me, but the deceitful one has many faces. So you must be most cautious of your associations. There is no deceit in Heaven. The spirits that come to you from the sacred grounds are true. The deceitful one lies beyond the sacred grounds.

"I caution you anew: beware of an evil force that surrounds a shrine of purity. They will try to stop you with all cunning and deception, so call much to your guardians. They wish to save you from all unnecessary suffering."

TUSAZERI

Veronica - Oh, yes! I . . . it's . . . oh-h-h! Oh, now I see him, Tusazeri. Oh! When Jesus . . .
"Can I tell?"

Jesus says I can tell now. Oh, when Jesus said He is assigning one of the highest guardians of Heaven to the work, for me, I didn't see him. But now I can see him.

Oh, Tusazeri: he's very, very big. Oh! Oh, now I see he's turning around, and he's twisting, and he's becoming very transparent. Oh, he's twisting so - he's creating quite a breeze. Oh! Now he's twirling, and he's showing - oh that is actually a wisp of smoke. Oh!

Now Jesus is placing out His hand to stop him from twirling because he's making the trees blow. Oh, Jesus now is placing out His hand. And now Tusazeri has stopped twirling around, so I can recognize him. Oh! Oh, now he's very, very large. Now Jesus is saying now:

Jesus - "My child, you will recognize him. Blessed is he who does not see and believes. However, I give you this grace for the furtherance of your mission. You will explain, My child, what I have just said to you."

Veronica - Oh, Jesus means that this is the first time I saw Tusazeri. When Jesus assigned him to me a year ago, He said He was sending one of the highest guardians in Heaven to assist me in the work, but I have never seen Tusazeri until tonight. He's very large. He's almost as large as Michael.

Oh, now Michael is appearing on the right side of the flagpole. Oh, he's saying:
St. Michael - "Not quite, my child!"

Veronica - Oh, he is standing there now. Now Michael has a large bow in his hand; he has a large bow in his right hand, and he's carrying that scale still in his left hand. And the scale has a large black block on it. I don't know what the block is, but it must be the abominations that Michael speaks of.

Now over to the left, now, Jesus is standing. And He's changing His robe over to His other arm. Now Tusazeri has gone back behind Jesus. He's standing behind Jesus now . . . they sort of float. He's just floated behind Jesus. And Our Lady is coming over, and She's - Our Lady is speaking very softly, and She says:

Our Lady - "Continue with your prayers, My children. Many are needed."

Veronica - Now Jesus is - oh, now Jesus is coming forward. He's on the left side of the flagpole now, and He's extending His hand - oh, high above His head now, and He's making a sign . . . He has His - like His three fingers out, and He's making the sign of the Trinity. It's squared off, like this. He's smiling. He thinks it's quite funny the way I'm explaining it, but it's hard to explain from down here. In the name of the Father, and of the Son, and of the Son, and of the Holy Ghost.

Now Jesus is going over to the left side of - our left side of the flagpole it would be, over here. And He's now coming forward a little. And I notice His robe is blowing, so it must be a little windy. He's about the center part of the flagpole now. And He's extending His hand over His head: In the name of the Father, and of the Son, and of the Holy Ghost.

Oh, now Jesus is floating over now. Our Lady is coming forward, too, and She's following right behind Him. He's coming over to the right side of the flagpole, and He's coming down very close. He's right over the - behind Our Lady's statue here. And now - Oh, Jesus is extending His hand high above His head: In the name of the Father, and of the Son, and of the Holy Ghost.

And now Jesus is looking down, and He's smiling. Now He's going to bless all of the peoples on my right side, that would be His left side down. Oh, now He's placing His hand now over here on the right side.

Jesus is placing His hand before Him, and there are those rays again! There are rays - oh! Now He - oh, He's now placing His hand out straight in front of Him, and the rays are coming down now over on the left side. They're just between us now. I feel like I'm right in the middle of them now. And the rays are very strong; they're very, very bright. I can - now I can reach out, and I can feel them coming in here, but they're not hot. They're just very bright.

Oh, now Jesus is floating over with Our Lady, and He's standing there. Now He's raising His hand. Our Lady also is placing Her Rosary in front of Her, and She's going to bless everyone with Her crucifix from Her Rosary, like this: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is floating over to the left side of the flagpole. He's standing by the trees. And now He says:

Jesus - "Continue, My child, now. You may play your music box."

June 16, 1973

Eve of the Most Holy Trinity

Veronica - To the left side of the flagpole, the sky is opening up. It's turning a beautiful blue. And coming through the clouds now - it's very gray, but the whole side of the sky is opening up a beautiful blue, and Michael is coming forward. Oh, he's carrying the scale in his hand, the balance.

Now Our Lady is coming through this great blue haze. It's just beautiful; the trees are all lit up now with this haze. It's very light, almost a white now, about the trees; and Our Lady now is coming forward. She - Our Lady looks very unhappy. And She says:

Our Lady - "You will listen, My child, very carefully so that you may repeat My words with exactness.

"There will come upon the world a great Chastisement. Man has set a fast pace for his own destruction.

"My child, you will please ask your leader to continue the prayers. You must not stop the prayers. The message will go to the world through the channels I have given you, My child.

"Out in your world, beyond the farthest star visible to man's eyes, is the instrument planned by the Father for your chastisement. Pray! Pray, My children, a constant vigilance of prayer now until that moment of darkness.

"I have wandered throughout the world for countless earth-years warning and preparing you for the great Chastisement. Many warnings have been given to man, but they have passed by unnoticed by most. Man has now the choice of his destruction or his reprieve.

THE FALSE MAXIMS OF HUMANISM

"All who follow the light will carry heavy crosses. Do not place your soul in jeopardy by being led astray by the false maxims of humanism in your world and by the agents of satan who now roam throughout your world seeking the destruction of souls.

"We call now - the Father calls for a complete reversal of man's ways. He must return to the rule of rigid discipline in his lay life and in the lives of the men of God. The representatives of My Son will not follow the ways of the world!"

STARVE YOUR BODIES OF THE DEMONS

"You must restore within the House of God a strict discipline of life and procedure. Return to sacrifice and self-denial. You must starve your bodies of the demons which you have allowed to enter upon you. You cannot partake of the full pleasures of earth, all created for soul-destruction, and enter also into the Kingdom. There is no middle road. The left follows into the darkness, and the straight road is in the light.

"O My children, how weary I grow as I wander throughout your world shedding many tears, tears of great sorrow for what will befall your ungrateful generation! The Father plans a great Chastisement for earth's children.

"O My children, will you not listen to My pleas? It is for you that I cry. It is for your return that I beg. What more can We do but give you Our hearts? See, My child, the heart so torn asunder by the sins of ungrateful man."

Veronica - Oh! Oh! Oh, to the right side of the flagpole, I see the right - it - oh, it's Jesus. Now He's extending His right hand and opening - oh, He's opening His garment. And oh, on His garment is a huge heart; but from all angles, right and left, there are knives piercing His heart.

Now He's removing - oh, I can - Jesus has a crown of thorns about His head, which He's removing now and placing in the center of His chest. It balances over a huge sword. Now He's pointing to the sword. The sword goes straight through His heart and comes out the other side. Oh, Jesus said:

Jesus - "See, My child, the heavy sword that man has placed within My heart. This sword has been placed there by the men of God who have chosen to set up their own rule within My House. This sword shall be taken out by Michael and be brought upon the world to cleanse you and to force your return to the ways of your God!"

A LARGE BALL OF FIRE

Veronica - Now Michael is coming over to the right side of the flagpole. Oh, he has taken the sword now. Oh, he's drawn it out! Now the sword is all bathed in blood. It's a very large sword. Now it's growing very dark, very dark; the sky is growing very dark. Oh, now Michael is extending the sword. It reaches across the whole sky, but there's blood dripping from the sword. Oh, it's dripping down, and he - oh . . . oh . . . oh . . . oh. Now it's growing very dark.

I see a great light, a flash! It's so hot, this flash! Oh, there's a large ball of fire. Oh, it's very hot, and it's whirling through the sky, and it's shooting off sparks behind it. The sparks - they're large pieces of rock, and they're falling, falling down.

Now the waters, the waters are rising very high. I can see the waters. Oh! Oh! Oh, the waters have come in. They're so high! And I see some cities. I see a large city, and the waters are now - oh, they're pounding against the ground. And now I see the buildings - they're falling! Now the ground is cracking, and the buildings are falling into the holes. Oh! Oh! oh!

Our Lady - "My child, in the final cleansing many will be removed from the earth. Many good will suffer with the bad, but the good will be triumphant beyond the veil. Learn, My children, the value of suffering for the sanctification of your souls and the souls of those you love.

"Do not waste your time now, the time left in earth-time, in idle talk and idle pursuits governed by pleasures of the flesh. Awaken and shout from the rooftops, for the time grows short! My children, you must all go forward as disciples of My Son. Each holds a great responsibility to his brother.

THE LEGIONS OF CHRIST

"Graces in abundance, My children, are given to you to strengthen you in the battle ahead. You will truly be the legions of Christ. Do not expect comfort. Do not expect glory. No, you will scratch the earth and burrow in the dirt. Your glory shall be in life everlasting with the Kingdom.

"You must now all gather in the light. For wherever two or more are gathered in My Son's name, know that He will be among you to guide you.

"Call upon your guardians often, My children. You have forgotten your angels. Do not listen to the mockery of the world. They seek to take the reality of the guardians of Heaven from you so that they can send you to Lucifer.

"When you have great sorrow or trial, call to your guardian. Ask My Son for His help in the Father. Do not seek comfort among man, for he has none to give you, for man has become arrogant. Man has become self-seeking and lovers of pleasure. Man has become uncharitable.

"You have cast aside the truth in the Book of life, choosing to rewrite the words of your prophets of old. You will not rewrite the Book to adjust to the ways of man! You must bring man to follow the ways of his God. How long do you think We will tolerate the abominations being committed upon the earth and in the House of God?"

Veronica - Now Michael is coming forward. He's standing with a large sword in his hand. Oh, the sword reaches across the whole sky. Michael now is standing, and He's bending over. Oh, he's so beautiful! His hair is - oh, such a beautiful gold. It's sort of metallic, but a beautiful golden color. Now Michael - his voice is booming! I almost - oh, I have to hold my ears, it's so loud!

St. Michael - "Shout from the roof: The time grows short! Repent now of your sins! Make restitution to your God now!"

Veronica - Oh, now Michael is starting to write in the sky with his finger.

MAJOR OFFENSES AGAINST GOD

St. Michael - "I shall list the major offenses against the God of Heaven and earth: 1. Blasphemy! 2. Infamy! 3. Immodesty! 4. Worship of false idols! 5. Disrespect of authority! 6. Infidelity in the family! 7. . . ."

Veronica - It's so small, the writing - I can barely see it. Oh, now Michael's coming forward, and he's writing much larger.

St. Michael - ". . . Chastity - sacredness in the marriage state abandoned for the pleasures of the flesh. Damnation follows this course! 8. Abominations in the House of God: 1. Disrespect of dress. 2. Rewriting of the words of the prophets. 3. Arrogance among the men of God. 4. Intellectual pride among the men of God. 5. Loss of true vocation. 6. . . ."

Veronica - Now Michael is coming forward and standing very close. He says:

St. Michael - "Men of God, return now to your life of prayer! Make right the House of God. Rigid discipline must now be restored in the House of God. The leadership in the House of God has much in need."

Veronica - Oh, Michael says:

St. Michael - "You will repeat this, my child. Rigid discipline and self-control and self-denial must be exercised by the men of God in the House of God. Can you not sacrifice for the souls in your care and your own soul?"

Veronica - Now it's growing very dark, and I see . . . Michael is pointing the sword downward, and the sword is dripping with blood.

THE FOUR HORSES

Now - oh, it's getting very light, and there are . . . I see horses. There are men galloping across the sky. Oh, they're horrible! Oh, the first horse is red, and on it is sitting - it's a man. He's dressed all in a red robe, but it has slits in the eyes. And he's got a sword in his hand, and it's dripping blood. Oh, and written above it is: "WAR AND DESTRUCTION."

Then there's a man now - the horse is black; it's very dark looking. The black horse has a mask over its eyes. And sitting on the horse is a horrible - it's, I guess, a man. He has on a black robe also, with slits in its eyes - round, sort of, but rounded out; and he's got a band about his head, a black band, almost a band of mourning. Now he is holding up now - oh, from behind him, in the back near the horse, he's holding up what looks like a balance also. Now he's stopped the horse, and he's taking what looks like a coin, and he's dropping it into the balance, and he's saying: "How much will you give for the bread?" Now he's now returning the balance to the side of his horse, and the horse now is galloping off beyond the trees.

Oh! Now there comes a figure through the sky. It's a horrible-looking figure. Oh, he's also on a horse. The horse is green, but with two large black eyes set in his green face. And he says: "Pestilence! Pestilence will be set upon earth!"

Oh! Oh! Oh, they're terrible! Oh, it's the bodies! I see bodies, and there's bugs crawling all over them! Oh! [Veronica moans at the disgusting sight.] Oh, the bodies! Dig holes - bury them! Oh! Oh! And I see people. They're trying to dig holes, but there are so many bodies, so many that they can't get them into the holes. Oh! Oh!

Now it's growing very dark, and I can't see anything. But now - oh, there's a bright light over by the trees. Oh, and Our Lady's coming forward. Oh, She looks very beautiful. Oh, Our Lady has on a white robe, and it goes all about Her head, and it's trimmed in gold. And She has this golden sash about Her waist.

Now on Her feet are slippers, golden slippers; but they're made like with ties, because they're between Her toes. I can see the golden rope between Her toes. Oh, Our Lady is very beautiful, very beautiful!

Now She says to repeat Her words.

Our Lady - "My children, it is not My intent to fill you with fear, but I must awaken you to what will be your eventual fate. It is not a picture that gladdens the heart.

"All who remain in the light will have no fear in the days ahead. They will find solace and refuge in My Son's Sacred Heart. Bring My Son into your homes in monuments and daily remembrance. You will find this a great rock in a world that will go into darkness. Your homes must become a fortress in the battle ahead.

"Instruct your children well in the salvation of their souls. Know that when they leave beyond the doors of your home, they will be subject to satan. Teach them, My children, parents, the value of prayer. Prayer must be returned to your homes. Your example must be one of purity. Your example must be one of fortitude. And most of all, My children, remember you must show and practice love for the Father.

VISIT MY SON OFTEN

"I will not abandon you. I will always be here. Come to Me often. Visit My Son often in the tabernacles of your world. He grows very lonely, My children; there are so few visitors now to His House. Won't you come often and solace Him?"

"You will all pray much that the convents will not be empty. True vocations are needed. Pray, pray much for your priests. They are under heavy attack.

"My child, you will give My words to the world. You will be subject to heavy attack by satan. His ways are subtle. Recognize the face of evil.

"In your busy life, My child, you must make more moments of quietude. Silent communication with the Father is advisable.

"You are much concerned, My child, with your mission. Do not become overly concerned, for you are being guided by your guardians. The work will be lifted much from your shoulders. You will find you have been sent many arms.

"I know, My child, We ask much of you; but We will give much in return. Your return will not be of this world, but We promise to all who believe and follow the road to the Kingdom life everlasting in glorious triumph with the Father. No human sight, no human words could ever reveal to you the joys and pleasures of the Kingdom. This We reserve for you when you come over the veil.

"Pray a constant vigilance of prayer. Satan cannot enter upon you if you keep a constant vigilance of prayer. Do not be disturbed, My children, by the attack of the evil ones. It is a plan to disturb. Continue with your prayers."

[Pause]

". . . that the closer you find yourself to the Father, the faster satan will set his agents upon you."

Veronica - Michael is now coming beyond the trees - over, over beyond the trees. And he's now coming very close down to the tree, and he's standing there. And he's joined now - there are . . . oh, about five other angels now coming down. Oh, now Our Lady has come over to the left side of the flagpole, and She says:

Our Lady - "You will rest now, My child, until Jesus blesses the sacramentals. Continue with your prayers that fall like rain upon thirsting souls. If you ask, you will be nourished with pure waters from Heaven."

Veronica - There is appearing a large, a large arrow pointing up towards Heaven, a very large arrow; it's pointing to Heaven. And now the back of the arrow is trailing a long, long tail across the sky over to the right. And it's now - it's making a very large "W", the tail, in the sky: Warning!

[Pause]

Our Lady - "You must specify the plan of Heaven clearly. The Father waits for your penance. The scale must be balanced with goodness. The hour for your warning grows near. The Father awaits your atonement. There will be no dates given. You will approach the days with hope that man will mend his ways in the eyes of his God."

Veronica - I see three angels coming down on the right side of the flagpole: Michael, Gabriel, Raphael. Now the one on the right, Raphael, is stepping forward. And he says:

St. Raphael - "You must shout the words from the rooftops! Work with great haste. Time grows short."

Veronica - Now I see Gabriel now, the one in the middle, is coming forward. He's holding an hourglass; and he's turning the hourglass upside down, and sand is running through it. The sand is very red. Oh, now he's placing his hand under the glass, in the center. The sand is almost through to the end. Now it's stopped. And now the hourglass is being handed over to Michael. Now Michael is standing; in his right hand he has the balance, and in his left hand he's holding the hourglass, like that.

THE ANCIENT OF DAYS

I see an angel coming forward. The angel is extending a golden cup. He said I'm to place my hand, put the ring in the golden cup. I - oh!

[Pause]

Oh! Oh, it's a large golden monstrance. Oh, it's beautiful! It has a Host in the center, but the Host is very brilliant, very brilliant. It's beautiful! And now there are two angels standing, one on the right side of the Host, the other on the left. And up above it is - oh, an old man . . . looks like a man, but he's so nice. He's so nice.

Now Our Lady is over on the right side. Oh, Our Lady says:

Our Lady - "See, My child, the ladder of life: Father, Son, and Holy Ghost."

Veronica - Oh! Oh, how beautiful! Oh! Oh, I see a very, very bright light. And there's a man; He looks very old. And now the angel who is standing to the side is saying:

The Angel - "Observe the Ancient of Days. He is the Father of all love and goodness."

Veronica - And I see now great rays of light. The old Man - He sits on a beautiful golden throne - very beautiful, with red velvet. And - oh, it's very expensive-looking, golden and beautiful. Now the light is shining very . . . down from His hands and all about the throne, and it's falling down now - oh, it was like a triangle underneath Him. But now the triangle is forming a large ball, a large ball.

And - oh, Michael has appeared and says:

St. Michael - "The Father governs all life."

Veronica - Now it's getting smaller, and I see the ball is growing very small. And now it's floating back into the distance. It's going back behind the flagpole, and the clouds are coming all over about the flagpole. Oh, I can see the stars now.

Our Lady - "My child, silent prayer and much meditation will give you peace of soul.

"You will find sent to you many companionable spirits to help you with My mission on earth. We will not give you any heavier a burden than the Father knows you can carry. You will not be free from trial, for your spirit must go through a crucible of suffering.

"Do not be concerned of what condition your body, but guard well your spirit. Your body is but a shell that will pass to dust, but your spirit is eternal. Feed your soul."

Veronica - Now Our Lady is extending Her Rosary. It's very white; the beads are very pearl-like. And the Our Father - well, the Our Father beads are very beautiful; they're golden. Now Our Lady is holding Her crucifix high over Her head. It's a very large crucifix, very golden. And She's making now the sign of the cross upon all the people. And Our Lady is smiling, and She's coming over to the left side of the flagpole: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is floating over to the right side of the flagpole, and She's extending Her hand with the crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady places Her hands with the Rosary in front of Her, and there are great rays. Oh, the lights coming out of Our Lady's hands are coming down now upon the grounds. They're very heavy. Oh, the lights are beautiful! It's like - oh, it's like a fire, but it's not hurting. Oh, the rays are just beautiful! I can pass my hands through them. Oh, they're beautiful! Oh!

Now Our Lady is coming forward.

Our Lady-"I dispense upon you, My children, many graces in the Father - graces for conversion and cure, graces for the salvation of all souls.

"You will sit now, My child, for you will do much penance this week for the world. Those who are made strong must carry the weak.

"My Son will soon be with you to bless all sacramentals, all objects of godly nature. You may sit now, My child."

[Pause]

Veronica - Now Jesus is coming over. Oh, He has a large - oh, a large heart placed right across the front of His gown. Oh, and He's placed His left hand . . . now with His right hand, He's extending it over His head, like this. Now Jesus is standing at the right, our right side. Now He's - oh, He's raising His hand over His head, like this, and He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is coming over closer to the flagpole. And He's smiling, and He's extending His hand out again, like this - like this, and He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is coming over to the left side of the flagpole. It's very windy because His gown is blowing. I can see that Jesus has these brown sandals on. Oh, yes. Now He is extending His hand in front of His face, like this, and He's saying:

Jesus - "In the name of the Father, and of the Son, and of the Holy Ghost. I send upon you graces more abundant than the petals of the roses."

Veronica - And now Jesus is going over to the side of the tree, and He's coming down. He's looking down now, and He's now bending over, and He's blessing in the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is coming over, and He's - now He's placing His hands out like this, and from His hands now are coming rays - oh, like the rays that Our Lady placed out before. Oh, they're beautiful! Though in the rays now, there are shimmering little silver crystals. Oh, they're just beautiful! Oh, just beautiful! Oh, and they're all coming down now on our faces. They're crystals. Oh, they're beautiful! Oh! Oh! Oh, they're very light; it's just like feathers. Oh, it's just beautiful! And now I - Jesus is bending over, and He is saying:

Jesus - "My child, nothing is impossible in the Father."

Veronica - Oh! Oh, beautiful! Now the sky is filled - oh, with angels. Oh, beautifully dressed in all colors of the rainbow. Oh, they are beautiful! Oh! Oh, now they're singing; they're singing. I, it sounds - I don't know if I can - [Veronica sings:] "Alleluia! Alleluia! Alleluia!" Oh!

Now there is a light, a great light. Oh, they're pointing to the sky, and I see there that great light. Oh! Oh, but now it looks - it looks like the comet. It's that thing, like the ball. It's coming through the sky, and the angels are standing there now. They don't seem to be bothered by it. And now one of the angels is coming forward. Oh! Oh! Oh, he's recognized me.

The Angel - "Veronica, I have been with you a long time."

Veronica - Oh, now he's coming down; he's floating down. Oh! Oh! Oh! Oh!

The Angel - "I have never left your side, Veronica, but you must call on me more often. I do not wish to grow lazy."

Veronica - Oh, Tusazeri, Tusazeri. Oh!

THE SECRET OF HAPPINESS

Tusazeri - "I will give you the secret of happiness in the Father. No soul will ever grow lonely, for beside them is a friend, a guardian from Heaven. They are always with you, these guardians of your soul. However, you can send them away, but that makes us very sad. Know that we are here upon earth to protect you, to guard your soul from the entrance of satan and his agents.

"Allow us to fight the good fight with you. The battle will be a battle of glorious triumph for the Kingdom of Heaven. All Heaven watches the battle raging upon earth. You have much armor, but we have great defense from Heaven. Do not cast us aside, for we are always with you. However, you must reach out to us with your heart. Call, and we will follow you as you make your pilgrimage through the world."

Veronica - Now it's growing very, very dark, and - oh, it's growing very dark, like the light's getting very, very low. Now by the flagpole it's all black. It's all black, the sky, but there's a candle, one candle lighted in the sky - just one large candle, and under it is the word "FAITH": F-A-I-T-H.

Now those words that were written in gold, "FAITH", are fading away, and over them is the word "GOD": G-O-D. Now that's fading away like it's melting, and across the whole sky is the word I-S: "IS." "GOD IS." And now Michael has appeared, and he says to put the exclamation point on the "IS." "GOD IS! Period!" He says.

Now Michael has placed his sword down as though he was digging into the ground, but he's not. I don't know what he placed it into. Oh, I see he's placed it into satan. So I think it's satan; it's a horrible-looking thing. Looks like it's human, and yet it looks animal - like an animal. It looks like a snake. Oh! Oh! Oh, but Michael said:

St. Michael - "You have nothing to fear but fear. Face it, and it will disappear. Face it with prayer."

Veronica - Our Father, Who art in Heaven, hallowed be Thy name. Thy Kingdom come; Thy will be done on earth as it is in Heaven. Give us this day our daily bread; and forgive us our trespasses, as we forgive those who trespass against us; and lead us not into temptation, but deliver us from all evil. Amen.

Hail Mary, full of grace! The Lord is with Thee; blessed art Thou among women, and blessed is the fruit of Thy womb, Jesus. Holy Mary, Mother of God, pray for us sinners, now and at the hour of our death. Amen.

Now Our Lady said we will take -

Oh, now Jesus is standing to the right side of the flagpole. He says:

FATIMA

Jesus - "Make known the journey of My Mother at Fatima."

Veronica - "Oh, this one. I will print more."

Jesus says I will print more words to give to the people of the story of the journey of His Mother at Fatima. It is most important.

July 1, 1973

Eve of the Visitation of Mary

Veronica - On both sides of the flagpole, there are blue streams of light - beautiful, beautiful large blue streams of light. They're coming down. They're - oh, they're very bright. Now they are heading down to the side of the statue.

Oh, Our Lady now has come over to the right side of the flagpole. She has on a beautiful white gown, and it's trimmed in gold. Now Her white mantle, though, is trimmed in gold, and with the light from the flagpole reflection of the blue, it looks almost blue about Her head. Oh!

SAINT PETER

Now She's being joined . . . coming down far from the sky in the distance, I see three figures - no, four. Michael is leading; he's carrying the balance and a large spear. And with him are two men. One is dressed in a long brown robe, and the other - oh, he's dressed very beautifully in purple and gold, and he has on a crown. Oh, it's a very large crown, highly tiered. And I know now, he's Peter, Saint Peter! Oh! Oh, now he's holding out in front of him a large Book. He's pointing to the Book.

St. Peter - "Open, my child, and read the pages in the Book of life."

Veronica - Oh, now the Book is becoming very big. It's suspended in air; it's suspended in the air. And there's a great light now coming down onto the pages of the Book. Now the pages are turning; over to the left the pages are turning. It's just like the wind's blowing them. Now the light is pointing, and it's just as though it's encased in a golden light about the Book.

Now Peter is moving over to the left side of the flagpole. Oh, he's pointing down to the Book, and he's saying:

St. Peter - "The rules in the Book of life have not been followed. Man has chosen to set upon the world a rule of satan. Man rewrites the words to satisfy his own base nature and human frailties. Man must cleanse himself by trial and penance to make atonement for the offenses against his God."

Veronica - Now standing next to him is a man. He's quite an elderly-looking man. He has a long beard, and there's a brilliant circlet of light about his head. He's holding up a medallion in his hand. Oh, I know it's Saint Benedict. He's saying:

St. Benedict - "You have not followed the rules set down by your God, or the teachings of the prophets of old. You will make a complete reversal of your ways of arrogance in the House of God. You must retire from a world that has been given to satan. You must divest yourself of all worldly desires for gain. You must live a life of sacrifice and simplicity. Only in this manner will you return to the road that leads to the Kingdom."

Veronica - Now there - the sky is becoming very dark. And in this darkness, way in the distance I see, I see a burning star. It's twirling now, the star, and it's giving off flames, fire, sparks. It's turning very fast. Oh, and it's cutting across the sky now just to the right, and in its - behind it there's a large stream of fire. Oh, it's very warm. Oh, and now the stream of fire is sending down rocks and smoke. [Veronica coughs.] Oh, the smoke is so dense! [Veronica coughs.] Oh, now it's becoming very, very dark, very dark.

Oh, voices - I hear voices crying. There seems to be confusion throughout the world. Now all I can hear is the pounding of water and the screams of people. Oh!

Now Our Lady is coming out of what looks like a dense fog, and She's bending down. She looks very sad, and She is saying:

Our Lady - "There will be no peace, there will be no salvation of the soul, unless you save yourselves and those you love in the Sacred Heart and merciful Heart of My Son."

TWIRLING BALL

Veronica - Now I see this large ball again. It's cutting across the sky. Our Lady is standing. She's pointing with Her hand up, and then the ball now is rolling very fast. It seems to have no direction. It's coming across the sky, and up and down and back, as though it's gone absolutely crazy. It's twirling in every direction.

Now I see a large, large rock that's being - it's falling from it now, and it's going down into the water. When it hits the water, the water is rising very high. The rock hit it as though it was like a bomb. It caused the waves to rise very, very high; and I

see some ships that are carried down. This rock is sinking into what looks like an ocean. And I see three or four ships that are carried down with it. It's like a whirlpool. Oh!

Now Michael is coming forward on the right side of the flagpole. All about the flagpole and Michael now, there's a beautiful blue light. It's very, very brilliant. It lights up the whole sky. And over to the left side I see the gathering of many angels. They're all standing, but they look like they're ready to do battle. Oh!

Now Our Lady is coming forward, and She's being joined by Saint Peter and a man who looks like - oh, he's dressed very roughly in brown clothes, and he has a hood over his head. And Our Lady is bending over now, and She's whispering:

SAINT PAUL

Our Lady - "This, My child, is Saul - Saul, whom you know as Paul."

Veronica - Oh, Saint Paul. Oh, now Paul is bending over, and he's saying:

St. Paul - "I speak to all the children of the world. You have been given armor and graces to rescue your brothers and sisters in this battle. Do not waste these graces, but multiply them. Disperse among the world a fine example of charity and faith."

Veronica - Now Saint Peter is coming forward, and he's taking the large crown off of his head. Now he's standing there. His hair is quite long. And he's now placing his cape that was behind him, about his head. And he's saying:

St. Peter - "All who do not cast aside the warnings given throughout your world by the Queen of Heaven will be saved. The battle that rages throughout your world is a terrible battle, my children, one in which satan has set himself and his armies to gather all those destined for the Kingdom of the Father.

"You are now fighting with the world unseen to your human eyes; therefore, you will depend much on the hidden secrets of Heaven to guide you. Do not be without your armor, found in the sacramentals given to you throughout the ages. Do not cast aside the admonitions of those who came before you, those who were given the rule by the Father, those who were set up to set up the House of God.

"Satan now walks among you; he brings many agents to set confusion and delusion throughout the world. This confusion is not only in your lay life, but is found in the House of God. You can only set the House of God and the world to right by prayer, penance - heavy penance now, and sacrifice.

"We find, we look upon a world in heavy darkness - darkness of spirit. We look into the houses of God and find darkness of spirit. Woe to evil man who receives these warnings and casts them aside! He has been given many chances to make atonement for his offenses against his God.

ST. PETER SENT TO BRING YOU BACK TO YOUR SENSES

"I, Peter, stand before you as an epitome from Heaven, one who has been sent by the Father to bring you back to your senses before the heavy hand of the Father must cleanse your world."

Veronica - Now Michael is coming forward. He's standing next to Saint Peter. Paul, Saint Paul is also stepping forward. And now Paul is also - he's reaching over and taking from Peter a Book.

St. Paul - "What have you done to my writings? Why have they been changed to cater to man and his carnal nature?"

Veronica - Now Peter is coming forward, and he says:

St. Peter - "My children, why have you made these changes? Do you not know that you have opened the door for the entrance of the evil spirits upon you? All hell, the abyss is open wide now. The battle rages upon earth.

"You will all have been given the choice for your salvation or damnation. When you fall, you will have done thus of your own free will, preferring the temporal pleasures of earth to the eternal joys of Heaven. Oh, my poor, straying flock! Whatever shall become of you? Awaken! Pray much, and see the plan of satan."

Veronica - Now Peter is raising his hand above his head, very high, and he is saying:

St. Peter - "I bless you all, my children. In the power of the Father, I send you the grace to save yourselves and those you love in the destructive, dark days that lie ahead of you on your earth."

Veronica - Now he's going above his head, and he's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Peter is holding his hand out, and he's turning over to our left side of the flagpole, his right, and he's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Peter is being followed by Paul, who's carrying this large Book, the Bible, behind him. And then Peter is also - he's replacing the large crown, the tiara, about his head, upon his head.

And now the angels are coming down. Oh, there are many, many of them coming down from the sky. They're following down behind Peter. Oh, they are just beautiful! Oh, they're carrying now a large banner. Oh, they're just like children up front.

But the large banner they're carrying is beautiful. It's in white and gold and blue, and there's lettering now. It's very small, but I can read it: "FAITHFUL AND TRUE ALWAYS." Oh, and now there are crossed, golden keys upon the banner.

Oh, and now Michael is standing; he has one hand on the banner, and the other - he's holding the scale way out in front of him. And now he's talking. It's very brilliant; the light around Michael is very brilliant. And now he says:

St. Michael - "Listen well, my child, so you do not miss a most important message."

Veronica - Now he's pointing up to the sky, and written in the sky is the word "WARNING": W-A-R-N-I-N-G. Now he's - Michael is going like this, and the letters are disappearing. Now he's writing with his finger: S-O-O-N. Now he's taking his hand and pointing, and the letters now are just disappearing, evaporating. Oh!

Now Our Lady is coming forward. She has on now - Her mantle looks very deep blue; it's very beautiful. Now there's a great deal of light. The sky is becoming very bright. All the black clouds seem to be rolling back. Now Our Lady is coming forward, and She's smiling. And She's saying:

CALL UPON YOUR GUARDIANS

Our Lady - "My child, do not be overly concerned of the message. Much help, many arms will be sent to you, and the Father's work will be completed. Your mission upon earth will be one in which you will carry a heavy cross. Being human, We do, My child, expect you to succumb to many human feelings. However, you will rise always above this in the knowledge that Tusazeri is always by your side. Do not, in your busy day, forget to call upon your guardians. We have sent many upon earth to help Our workers.

"My child, We hear the cry of many mothers; We hear the cry of sorrowing parents. Our hearts are torn at the many abominations upon earth. Pray much; make many sacrifices. Your example will be instrumental in returning your children back to their grace.

"All parents must set a strong example of faith in the home. Your children are being subject to much error and much soul destruction outside your home. Discipline and truth must be brought to the children. The greatest responsibility for these children will be given to the parents. Guard their souls well.

"The time grows short, My child. Make great haste! Shout from the rooftops! The warning from Heaven must go throughout the world. The time grows short."

Veronica - Our Lady is coming forward. And now She's leaning over, very sadly. She's saying:

Our Lady - "My child, we must act in great haste. You must warn your Vicar: he must not leave Rome. The Seat of Peter must not be vacated, for the one of dark secrets will enter upon it. There is a plan for the removal of your Vicar. He must not leave Rome. Demon four . . . demon five to enter Rome. Watch and pray much."

Veronica - I see now two figures. Oh, they're horrible looking. They look like half animal, half human. Oh, they're standing now on the right side of the flagpole. Now they're pointing way out into space. And I see St. Peter's, the cathedral. And I - they're slowly making their way to St. Peter's. Now they're standing, the two of them, right in that circle - the square that's right in front of St. Peter's.

And now one of them has reached up over his head, and he's grabbed in the air, and he's holding onto a key, a golden key. But the key now is turning from gold - it's getting black, black, and blacker. Oh, now he's taking the key and he's throwing it down onto the ground, and he's stomping on it. Oh, he's a miserable-looking thing! He's stomping on it. Oh!

Now the other creature behind him - I know it's a demon - he's picked up this black-looking key, and he's going over to the basilica there - the outside of the church, the outside - and he's standing there, and he's looking up very smugly, and he's touching the top of what looks like his head. But it's - oh, like a horrible-looking thing with points - ears, I guess. And he looks almost like an elf. And he's touching his head.

Now he's putting his hand out, and he's got in his hand a tiara. I know it looks - but it's not as brilliant and bright - like Saint Peter had on. But it's, it's a tiara. And now he's putting it on his head. Oh, how awful! How awful!

Now Michael's coming over, and he has a large, very large spear in his hand, a very large spear. And now he has his bow, and he's shooting something. And the hat has been knocked right off of this demon's head - the tiara, I guess. I don't like to call it even a tiara; it's not bright and brilliant like Peter had on. It looks like made of - sort of like papier-mâché, or cardboard, or something. It doesn't look real. And it's been knocked over.

And now it's growing very dark, and I can't see those two demons any longer. Oh, and now it's growing light by the flagpole, and I see letters now in the sky. It's "PENANCE": P-E-N-N-A-N-C-E. "PENANCE": P-E-N-N-A-N-C-E. And it says now: N-O-D. No, "NOW": N-O-W. But the "D" is falling underneath, and it says: "D FIVE"; "D FIVE"; "DEMON FIVE." "PENANCE NOW. DEMON FIVE." And underneath it says: "ARRIVING." "PENANCE NOW. DEMON FIVE ARRIVING."

Now Our Lady is coming forward. She's very pretty. I see now Her mantle goes back down Her shoulders and . . . very brilliant. This is the first time I've seen Our Lady's hair. I can see Her hair. It's a - oh, a light brown, almost a blonde, from the light. I can't tell; the light's very bright. And Our Lady is smiling. And now She's leaning over, and Our Lady is saying:

Our Lady - "I will be here always, My children, even unto the final battle. Then We will gloriously join you all for the setting up of the Kingdom."

Now Our Lady is placing Her hands out, like this, in front of Her, and She's saying:

Our Lady - "Come to Me, all you who have sorrow, for I will dry your tears. I come to you with graces in abundance, just for the asking. These graces will give you the strength in the dark days ahead. We place upon these sacred grounds . . . "

Veronica - And Our Lady is now motioning. Oh, She's motioning with Her hand.

Our Lady - ". . . the power for the conversion of your erring children, and the power of cure through the grace of the Father. Come to Me, and you will find solace.

"My Son will soon bless all the sacramentals. Many of these sacramentals will be instrumental for the conversion and cure of souls: cure of body and cure of spirit, conversion of souls and spirits."

Veronica - Oh, now over to the right side Theresa is coming down. Oh! Oh, and she is with Saint Catherine, and her three sisters. Oh, and Theresa now is - oh, it must be quite windy because her skirts are blowing, and Catherine's also. But she's holding onto her hat. The hat looks like it's going to blow off. Oh! No - oh, she's now - she's plopped it down on her head. Oh, Saint Catherine almost lost her hat.

Oh, now she's coming forward and standing by Theresa. And now they're, they're looking down at their . . . shoes? Oh, no. Our Lady is also coming over, and She's looking down now at the skirts. Oh, now Theresa is speaking very softly; I can barely hear her.

NEW HABITS CREATIONS OF SATAN

St. Theresa - "Veronica, I see many of those new - I don't call them garments - creations of satan. Why haven't they brought them down?"

Veronica - Oh! Oh, Theresa is just shaking her head very sadly, and she's looking over to the convent. And now her sisters are also shaking their heads yes, yes. Now Theresa says:

St. Theresa - "Dire destruction will be their end. Oh, pity these poor souls! They have hardened their hearts; they close their ears.

"The Father plans a great Chastisement for the world. Our prayers of supplication rise to Heaven for more time. All the forces of Heaven work with you upon earth to save you from the abyss."

Veronica - Oh!

St. Theresa - "Time is of essence. You must send the warning of Heaven throughout the world. Many souls will fall into hell. Many will fall because they have no one who cares."

Veronica - Oh, now St. Paul is coming forward, and he's standing next to Theresa.

St. Paul - "Yes, my children, you have not learned the value of prayer. You disport yourselves among worldly pleasures. Man has slowly gone back to the animal stage. His desires are not of God. His passions are of satan. And his relative . . ."

Veronica - Oh! Oh! Oh! Oh! Oh! Now I - oh, dear! Saint Paul says that many of these abominations that are destructful to human souls - these lessons are being taught by bad example, bad example of the teachers.

Oh, now - oh, Theresa and Saint Paul, oh, are going over to the left side of the flagpole. Now I see a large building. It looks like a gym. Oh, my goodness! I see nuns taking their habits off, and they have - oh, my goodness! - leotards. Oh, my! Now they're standing, and they're . . . they're . . . look like they're dancing, but it looks kind of ridiculous. One still has her habit on, but it's so short that it looks almost like a mini-dress. And Saint Paul now has crossed his hands, like this, and he's watching and he's shaking his head.

And Theresa now has turned her back, and she's motioning over to her sisters. And - oh, and Saint Catherine's following. Also, another group of nuns have come up behind Saint Catherine, and they're going also into this convent. I think it's a convent, but it's sort of a hall that's been given to - oh, my! It says: "Creative Dancing: The Liturgy in Motion." Oh, my! Oh! Oh! "Understanding Man." Oh! All these letters are appearing in the air; they're suspended in the air as these nuns are dancing.

Now there's a nun, she's in still - she's kind of older, but she's playing the piano very joyfully. And Saint Paul now - he's stepping outside, and he's motioning to the nuns, Saint Theresa and Catherine. And he's taking his hand now - he's very angry - and he's slamming the door. He slammed the door!

St. Paul - "Away with these abominations! Damnation upon them! The Father will seek justification for your destruction. Your example has set others on the road to hell. You will not be free from the destruction."

Veronica - Now Our Lady is appearing, and Theresa and Saint Catherine and the other nuns are going backwards over the tree. They're disappearing. And Our Lady is coming forward, and She looks very sad. She's holding Her hands in front of Her, and She has this large Rosary. The beads are very white, but the Our Fathers are very golden. Oh, it's very, very brilliant. And Our Lady says:

YOUR DAYS ARE COUNTED

Our Lady - "My beads of prayer, your acts of penance and atonement. You must open your hearts now to the truth. Your days are counted. The penance planned by the Father is heavy. The Ball has already been sent upon its way. Pray a constant vigilance of prayer."

Veronica - Now I see a clock. It's a very large clock. Oh, it's appearing across the whole sky. And now across the clock, the face of the clock, like sort of a metronome, there is like a rod, a reed or something. It looks like a stick, and it's going back and forth. It's like ticking. Just as though - it sounds almost like the ticking of - I don't know, just like a bomb or something. I don't know. It's ticking: tick, tick, tick, tick, tick.

And above it now I see a large light. It seems to be coming from the trees, and hitting onto the eagle of the flagpole. And in the light - in the light, there is a sword, a very large sword in the sky. Oh, and next to the sword there is an hourglass. The hourglass is covering the whole sky. Oh, but the hourglass looks like it's filled with blood. Oh, not sand, but blood. And it's dripping onto the hourglass slowly, drop by drop. And above the hourglass now, there's appearing a large chalice, a golden chalice.

And Michael now has come over, and he has placed the sword above the chalice. The sword now is dripping blood. It's dripping from the chalice into the hourglass - from the sword into the chalice into the hourglass. The sword, the chalice, the hourglass. Oh!

Now it's getting very dark - very, very dark. Now I can't see Michael or the other things, but Our Lady is coming forward, and She is saying:

Our Lady - "I have given you your armor. I have made known to you what lies in the days ahead. Prepare yourselves now. You have been warned."

Veronica - Our Lady has now bent down, and She's kissing the crucifix. Oh, mine too! Oh! And Our Lady now is putting Her cross out, like this, and She's blessing everyone, like this. And Our Lady is going over now to the left side of the flagpole - our right side, Her left side - and She's raising Her Rosary up very high. It's a beautiful Rosary. And She's blessing everyone, like this. Oh, now She's going over by the trees, and She's raising Her Rosary like this, Our Lady is. And She's going like this on the people. Now Our Lady is going over to the left side of the flagpole.

[Pause]

Now everyone will please kneel down, because Our Lady says now Jesus will come to bless the sacramentals.

In the name of the Father of the Son, and of the Holy Ghost. Amen. A firm Act of Contrition, requested by Our Lady at this time, and all who will kneel now . . . Oh! Oh! Oh, Jesus now is coming down. Oh! Oh, it is so bright! Oh, He's - oh, He's dressed in His beautiful red robe. It's - oh, it's beautiful! Oh, He's smiling. Now the robe - He has underneath His . . . oh, a cream-colored gown. And Jesus has on these sandals; they're brown with brown leather on them. And He's smiling. Now Jesus is shifting His cloak over onto His left hand. Now He's coming forward, and He's bending over. And He says:

Jesus - "Repeat, My child, what I am about to say.

"I bless you all as the Father blesses you all, and We dispense among you the powers of the Holy Spirit."

Veronica - Now Jesus is raising His hand over His head, and He has His hands like this. Now He's blessing in the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost. Now He's coming forward, and Jesus is looking down on this side. He's bending over. Now He's turned back, and Our Lady is now coming over behind Him. And He's looking down over on this side. And Jesus is coming over, and He says:

Jesus - "You will all receive the blessing of the Father. Any sacramentals will be your armor in the dark days ahead. All objects of God - cards, beads of prayer, and all of sacred nature - will receive the blessing from the Father. They will safeguard you in many trials in the days ahead."

Veronica - Now Jesus is coming over. He's floating over. He doesn't walk, He's floating. And He's standing now at the left side of the flagpole. And He's raising His hand high above His head, like this, and He's saying:

Jesus - "I bless you in the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - Now Jesus has His two - His three fingers together, and He's coming over. Now He's standing at the left side of the flagpole. And He's raising His hand high, and He's also giving the blessing, and He's looking down: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is extending Her Rosary very far in front of Her. Now Jesus is looking down on the people on this side. He's coming forward. Jesus is just about now over the leaves of that tree. And He's looking over and motioning to Our Lady. And Our Lady is holding the large crucifix from Her Rosary out, like that.

Now Jesus is looking forward, and He's bending over on this side. He's standing, and He's now putting His fingers together like this. And He's blessing in the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is coming over, and Our Lady is stepping forward. Our Lady looks quite shorter than Jesus. It might be the way She's standing forward, but She comes up to just about a little below His shoulder. And She's saying:

Our Lady - "You will now continue with the prayers so sorely needed in these days. In the name of the Father, and of the Son, and of the Holy Ghost. Amen."

Veronica - Now Jesus - oh, Jesus has raised His hand, and Our Lady is looking over. And Jesus now is pointing His hand up to the sky. And now over there on the left side by the - oh, by the flagpole -

Jesus says:

Jesus - "Watch, and guide your life by these words."

Veronica - "WARNING": W-A-R-N-I-N-G. "PREPARE NOW. CLEANSE YOUR SOULS OF ALL SIN, MORTAL AND VENIAL."

And then I see all the words are just floating away, like they were made of smoke. And now there's a big word "NOW": N-O-W. And it's - and Jesus now is taking His hand, and He's going like this, and it's underlining the word "NOW," like this. It's put a whole line across the word "NOW." Now it's all beginning to like evaporate.

Now Our Lady said continue with the prayers of atonement. In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

July 15, 1973

Eve of Our Lady of Mount Carmel

Our Lady - "You are much concerned of your past week. We shower you with many graces; however, this does not mean that you will be free from the attacks of satan. I must caution you these attacks will come double.

"The road to sanctification is not an easy road. We expect all to fall and tumble. But you will pick yourselves up and continue to carry your crosses.

"We find it necessary at this time to uniform all Mary workers, to unify them. The greatest advantage satan has is when he can divide. All Mary workers must unite for the common cause. Spiritual jealousy and disunity accomplishes nothing."

Veronica - Oh, there are the most beautiful blue lights forming around the outside of the trees. Our Lady gives this as Her sign for entrance. There's a very large cloud floating from the tree. It's coming out now over to the flagpole. The cloud is parting now in the center, and I can see far, far into the heavens. It's like floating far out into space. It's - oh, it's beautiful! The sky is a very clear blue. And we seem to be going farther out into space. Oh, there are many stars, very brilliant stars.

But now I see the stars, and there's a, an orange and red glow coming across the sky. Oh, it's cutting across the sky. Oh, it's very, very large. I can see that ball again. Oh, it's very, very large. Oh, it's traveling at a very fast speed. Now it's going across the sun. These, the vapors are covering a greater part of the sun, and they're so heavy that it seems to make the world outside dark.

Now the ball is turning around. It's made a complete revolution. And now it's starting to go back out into space. And - no, now something's happened. Something's happened; it's coming around again, and I, I see it. It's very close to the earth. I recognize the earth. Oh, the earth looks very light, sort of a white color from where I'm watching it. Now this ball is starting to circle. The tail now is cutting across - oh, it's cutting across a good section of the earth, on the right side of the globe as I'm watching it.

Now everything's clearing. The vapors seem to be clearing away. And on top of the globe there's a large cross, just a plain cross - it has no corpus on it. A very large cross. The ball looks like the earth. Now I see the ball is starting to turn. It's like it's on an - oh, I don't . . . an axis. And as it's turning, I see the cross starting to evaporate, until it's, it's like disappearing like smoke from on top of the world.

And I see now about three-quarters of the world has turned dark, almost black. Now underneath, there are letters forming underneath the large globe. The words are: "WHAT IS TO BE." W-H-A-T "IS TO BE." Now there is a hand pointing up, a hand pointing up far above the globe. And now the finger is pointing and starting to write across the sky: "GOD": G-O-D, and a large letter "I," "IS." "GOD IS." Now the hand is pointing way over to the right side of the flagpole by the trees. Now there, it's - the finger of the hand is pointing, and it's starting to write again: "WARNING." W-A-R-N-I-N-G. "TO MANKIND SOON." S-O-O-N. Now I see an eagle. There's a very large eagle in the sky; and over the eagle is written: "UNITED STATES," and under the eagle is written: "NEW YORK."

Now Our Lady is appearing. She's coming closer. There is a very large cloud formed over the words and the picture of the eagle. Now the cloud is floating over, and Our Lady now is coming through the cloud. And She's now bending over.

Our Lady - "Yes."

Veronica - Our Lady says:

Our Lady - "Most of this message must remain secret at this time. Only part may be revealed.

BABYLON THE GREAT

"This is - Babylon the great will fall. Babylon, the master of deceit, will fall. Many good must suffer as martyrs with the bad. Babylon the great will fall! She has raised herself high above her God, and she invokes the vengeance of a just punishment. Ships will look upon her as she burns. Woefully they will shield their eyes from the sight. Babylon the great, the harlot upon nations, the harlot among nations, will fall. Babylon the great, who has led many astray, will fall.

"There are many who walk upon earth, many who are false prophets. You will recognize them by their fruits. Many propound false doctrine - fallacy created by the father of all liars, Lucifer, the prince of darkness. Lucifer and his agents have spread their errors throughout the world.

"Michael must be returned to the House of God, for a House that is in darkness will fall. The foundation is firm, but man and his creation will fall!

"Man has called himself great; man has sought to go beyond his Creator. In this manner is he bringing about, bringing upon him his own destruction.

"Parents share a major responsibility for the fall of their children's souls. We look into homes, homes that have become hovels of abominations. Judge not by the richness and materialism of these homes, but the destruction of the souls of the children within these homes. Parents, what example have you given to your children, with your permissiveness and your following the modes of the world?"

"My child, Veronica, the Mission for Heaven carries a heavy cross. When We chose you for this mission, We did this knowing that We had your love and confidence. You will not be free from trial and suffering. We did not promise you gain in this world, for the graces stored in Heaven will be used for the recovery of souls close to you and others who accept the word of God.

"Satan roams throughout your world. He uses every means gained through knowledge of the Father. You will not be approached by him in his true likeness, for he will use the means of persons, places, and things to lead you astray. A soul that falls into the web of Satan must not lose hope, for he can be recovered. Believe and you will be given the way.

FIVE MAJOR ADVERSARIES

"There is now upon your earth the legions of hell; five major adversaries of the abyss roam your world. There will be accidents that are not accidents, sudden deaths that are not in the plan of the Father.

"Children grow more disobedient and arrogant to parents. Man has lost the true meaning of love and charity of neighbor.

"I counsel you all to take your Book of life, Bible, and become knowledgeable of these latter days. The plan for the days ahead is covered quite thoroughly in this Book of life.

"Man would find his way to the Kingdom if he would cast aside the soul destroyers that he now has in his home, which destroy not only his soul but the souls of innocent children. For the love of money, these soul destroyers flood your earth.

"The time will come, without your prayers and actions, when you will no longer recognize sin as sin. You will become accustomed to sin as a way of life. The numbers to be saved in the final count will be in the few.

WARNING: BEGINNING OF SORROWS

"I come to earth from Heaven. I have roamed your world in tears. It truly now rains teardrops from Heaven. With the coming of the Warning to mankind, pray and pray much, for it is the beginning of the terrible sorrows.

"Men of science are ever seeking, but failing and falling far short of the truth.

"You will keep the monuments, statues, in your homes and in the House of God.

"My Son asks that you all comfort Him in His tabernacles throughout the world. He grows lonely. So many graces are never accepted.

"Satan sows throughout the world fear and confusion. You will save yourselves and those you love in the Sacred Heart of My Son.

LIVE EACH DAY AS IT COMES

"You, My child, Veronica, must learn to live each day as it comes. For worry is the weakness of all humans, but it is not constructive to the mission. Trust and confidence in the direction of the Father is all that you need to stabilize you in your work.

"We have been gathering the prayers and sacrifices of the many who have come to these hallowed grounds. It lightens My heart and eases the sorrow brought to many through My Son.

"As you live the remaining time upon earth of your lifetime on earth, you will guard your souls with all the sacramentals given for your protection. To those who are in darkness, you will be an object of scorn, derision, and scoffing. Know that none can be above My Son, for they will follow the road to the Kingdom just as My Son did. Prayer, atonement, sacrifice. Many will return with the phenomenon My Son plans soon."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen. Our Lady is now - well, She's not walking, She's floating up onto this large ball; and the ball is floating over now to the right side of the flagpole. Now Our Lady is looking down. Her voice is very low; I can barely hear Her.

Our Lady - "My child, I am not leaving the sacred grounds. I am just looking over the surface of your world. I am looking for the candles. Daily We hope to see more candles added."

Veronica - I see water. The water is running between a valley. There are hills at either side, hills, but they're not mountains. The water is rising very high. There's going to be floods. Floods! Floods! Many lives will be lost, many lives. Floods . . . heavy rain . . . the closer the disturbance of the atmosphere. Many will die in the floods. The absence of clear drinking water will bring about a disease of the intestinal tract. Many waters will become contaminated.

Our Lady - "The murder of the unborn promoted in your city of evil has been watched by the Father with great anger. The unjust in your city and state will be dealt with severely. Pray a constant vigilance of prayer for them. Many will enter into hell, claimed by Lucifer, without the time to repent and make amends to their much offended God.

"Never cease your prayers, My children. If I could open your eyes to your future, you would run fast from your worldly pursuits and retire within a life of prayer as victim souls to the Father, victims to His merciful love, victims for the salvation of all souls. Woe, I say to you now: many will die in the great flame of the Ball of the Redemption. The Ball nears: many will die in the great flame of the Ball of Redemption!

"You, My child, will not leave your home without the Shrine cross in your protection."

Veronica - Michael is now coming forward. He's over the flagpole. He's so large! He's now standing with his wings spread over the . . . very high in the sky now. I've never seen Michael opening his wings . . . so large; it's beautiful! Oh, he's beautiful! Oh!

Our Lady - "Do not slacken or slow down the steady pace of the work in your mission. Should the worker be laid low, he will be gifted with many graces by the Father.

"You will not concern yourself, My child, of the opinion of man. Your mission is to give the message as a voice-box of Heaven. When this is done, you will pray and leave the rest to the Father. Souls can be converted by prayer and example. Speak once and if not hastened, speak no more, but pray. We do not condone evil, but you must keep in heart that it is not always their decision. Speak once and if not hastened, speak no more."

[Pause]

Veronica - Please kneel, because Jesus is going to bless all the sacramentals.

Now Jesus has waited quite a while. Jesus said there was quite a dispute over the photographs. However, Jesus said you must be most cautious in the photographs given in the days ahead. They will be reproduced only by - I guess He means me; and then the others will be sent out. Satan will work very hard to destroy His work here.

Now Jesus is coming over to the right side of the flagpole. He has on a beige-colored robe, and it's very beautiful. It has gold trim all around the outside. And He has on a - oh, a cream-colored gown, and brown - they look like leather slippers. And He's barefooted; I can see His feet in the slippers.

And now He's taken the cape from His head - there was a cape on His head, from the robe - and now Jesus is placing His hands out. Oh, I can see the wounds on His hands. Now He's raising His hand above His head. Jesus says:

Jesus - "You will extend all sacramentals, all objects of God, your beads of prayer, your medals, your cards, and anything of godly nature. They do not have to be removed from your person."

Veronica - Now Jesus is raising His hand high above His head, and He's blessing in a triangle, the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is standing next to Jesus, on His right side. And She has this large Rosary. Now the Rosary is - oh, the beads are white with gold. And Our Lady said:

Our Lady - "Will the people please do honor to your God and stop your chattering, because in the presence of Jesus you must show due respect. Too much disrespect is already being condoned in the House of God."

Veronica - Now Jesus looked down and He smiled very, very quietly, sadly. And He's raising His hand again, and He said to me:

Jesus - "Proceed, My child."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is going over to the right side of the flagpole. Oh, now He's looking over and raising His hand now over His head: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is extending Her Rosary. The Rosary has a very large golden cross. And She's extending it, like this, and She's blessing now everyone - oh, in the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost. And Our Lady's looking over to this direction: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady's going, She's floating over by Jesus and Michael. And there's - oh, two very, very huge angels. I know there's Gabriel, and the other I don't recognize. It's not Raphael, but he's very, very huge. Now he's coming down, and Jesus is coming now midway; He's coming very close to the ground. Oh, He's right in the center of the flagpole. I never saw Jesus

standing so low. And He's looking down now, and He's blessing now. He's reaching over and He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is rising - oh, He just is floating very - up, up, and Our Lady also; and They're coming over to the right side of the flagpole and looking down. Now Jesus is saying:

Jesus - "I have given you your final warning. You will follow the direction of My Mother, or you will fall into line with the forces of evil. We have chosen these grounds with purpose. We expect to retrieve, from your hearts and efforts, many souls that otherwise would have been lost to Us. All prayers and acts of atonement will be used for the repatriation of wandering sheep.

"The shepherds, Our representatives in your world, will lead their sheep with firm discipline and faith - faith in the light. They will remove all destructive minims of modernism and humanism from their teachings. Suffering is purification. The world is filled with soul destructors. Discard, cast off these evil trappings and clothe yourself in sackcloth. Go forth through the world as pilgrims so that you may return eventually to the Kingdom from whence you came."

Veronica - Now Jesus is coming over to the left side of the flagpole, and He's raising His hand very high.

Jesus - "I bless you . . ."

Veronica - And He's going like this:

Jesus - ". . . as the Father blesses you: In the name of the Father, and of the Son, and of the Holy Trinity. God is, God was, and God always will be. But first and above all, GOD IS!"

Veronica - And now written in the sky are the words: "GOD IS." G-O-D with large letters of "IS." Now it's growing very, very dark. I can't see Our Lady. She seems to be just going backwards. There's a large cloud now that is floating over, and Our Lady is standing almost behind the cloud. And Our Lady said:

Our Lady - "I never leave the sacred grounds. I am always here waiting for you. Come to Me all you who are burdened with sorrow. I will dry your tears and comfort you and give you all the graces necessary for your salvation."

Veronica - Now there's a tremendous white light. Oh, it's so brilliant! And Our Lady is standing now in the light. And around Her head is this crown of stars. It's very beautiful. Our Lady looks very beautiful. She's all in white. And - oh, Her slippers are white, but they have what appears to be golden roses right on the tips. And She has a gold belted rope about Her waist. And now She's taking Her large Rosary and She's winding it around the rope at the waist. And now it's hanging down from the golden rope about Her waist. Oh, and now it's growing very dark. And Our Lady now has raised Her hand, and She's saying:

Our Lady - "Continue, My children, with your prayers of atonement. Many souls must be saved."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

July 25, 1973

Eve of St. Anne

Veronica - The sky is very dark above the flagpole, and there has appeared on the right side of the flagpole a cross. But the cross is black in color. It, it is quite a frightening-looking figure.

Now Our Lady is coming over to the right - no, the left side of the flagpole. She's very beautiful; Our Lady is very beautiful. Oh, now She's bending over, and She's saying:

Our Lady - "My child, you are observing conditions upon earth. Should they continue, a heavy penance will be given to mankind.

"We have given you in print many photographs of the coming Chastisement. Scoffers will close their eyes and be blinded to the manifestations.

"You, My child, Veronica, will not become discouraged. You will continue your mission undaunted by the opinion of man. The Father is in full control of earth's situation. In the war of the spirits, many true souls will carry heavy crosses."

Veronica - I see a large ball. It's very hot. The brilliance hurts my eyes, burns my eyes. It's like a ball of fire. The colors are shooting out in rays of orange and purple and yellow, but they're very hard on the eyes. My eyes burn.

This ball is traveling at great speed through the air. Behind it is a long streak of multi-colored gases, looking - oh, like vapors. They're very choking and dark, cutting off the light. The smell is like sulphur, like burning matches. [Veronica coughs.]

Many people are running outside to watch. They shouldn't; it will hurt their eyes. They must stay indoors.

I see a large globe suspended in the air. It is the globe of the earth. I see this large ball. It's heading very fast, with its long tail behind it giving off these gases. It's very big, and it's very long. And way off in the distance, I can see what is a ball; it's a sun. It's very burning and red.

Now the tail is - seems to be blowing over to the sun. It seems to be going all around the sun as though it's being pulled in. But no, now the ball is beginning to turn. It's bouncing.

And now the ball is making a dive into . . . the path of the earth. Now it's caught like a top, and it's spinning, and it's starting to go around . . . around, around the earth. And the tail now is pulling away from the sun. And the ball is going around the earth, and the tail now is starting to drift over onto the earth.

I see now the oceans, the waters. I see the waters; I see, I see the waters churning up, and this land is just going down into the water.

Now it's growing very dark. And Our Lady now is coming forward. It's grown very dark, but Our Lady - the light about Her now lights up the sky, and Our Lady is leaning over. She's saying:

Our Lady - "Repeat, My child, well, the words you will now hear from Me.

"I have given you the sight to see what is to befall man if he does not make a complete reversal now in his sinful ways. The many offenses against his God must be corrected by penance, atonement, and sacrifice. If you continue to give yourselves to lives of pleasure and sin, you will be removed from your way of life forcibly by trial.

"Many warnings have been given throughout your earth for many earth-years. You are receiving your final warning. The Father plans to cleanse the earth gradually until it is returned to the original plan of Heaven. All who have listened to My words will be prepared.

"We look upon a generation and see demons coming from their mouths, tails of demons for tongues - tongues that would be better used for prayer. It is not what goes into man that destroys his soul, but what comes out!

"My child, you will be discriminated against; you will be scoffed at, for your words from My lips are not those of comfort at this time. They are words of truth of what is to befall man, for he has become a perverse generation, worse than in the time of Noe.

NEW YORK WILL FALL

"Your city We place as Babylon - your city, the city of murder and evil, corruption and godlessness - your city will fall!

"Those who have remained in the light and accepted the graces given to strengthen them in these dark days will be saved. This I promise you as your Mother. My Son, and in the Father, does not wish that any be lost. Every opportunity will be given to man to prepare himself and be made ready for the trial.

"The Day of days is at hand. The Day of the Lord, and the Coming of My Son, is not far off. Do you not recognize the signs of your times? Have you not read the words of the prophets of old? No! You have destroyed the temple of the Holy Spirit, and the spirit within it, by casting your eyes and absorbing yourselves in the creations of satan. Take up the Book of life, your Bible, and bring yourselves back to the truth!"

ST. ANNE AND ST. JOACHIM

Veronica - Now I see a great light. Oh, it's just beautiful! And coming through this light, which is like an arc, is a lady. She's dressed similar to Our Lady, but in a darker garment. And she has on a cream-colored scarf over her head. And next to her there's a man. He's dressed in brown, a long brown robe, and he has on brown sandals. And he has a short beard. Oh, I know now. It is Saint Anne and Joachim.

Now Saint Anne is coming over; she's floating over to the left side of the flagpole. She's standing by Our Lady. Saint Anne is just a little bit shorter than Our Lady. They are whispering now together; I can't hear them. Now Saint Anne is shaking her head like this, yes, and she is saying:

St. Anne - "Oh, how sad to look upon the homes of earth! Whatever has become of motherhood? Bad example, such poor example I see in many homes. You must return to the simple life. The love of riches will destroy your souls.

LACK OF DISCIPLINE

"Involvement of the parents in worldly pursuits and living take them farther from the graces of Heaven. The greatest offenses to the Father is the lack of discipline and true direction of many parents on earth today. My children - "

Veronica - And Saint Anne is placing her hand out, like this.

St. Anne - "You still have time to make restitution and atonement, and to save your children. You must bring them back to the Sacraments. You must be an example of modesty and true faith to them. Children will learn much by your example."

Veronica - Now Saint Joachim is walking over; he's standing now between Saint Anne and Our Lady. Now Saint Joachim is standing there. He has a long - it looks like a rod in his hand. And he's standing there holding the rod up, and he's saying:

St. Joachim - "In one hand you will hold the Book of life, and the other, discipline."

Veronica - And he's brandishing the stick, like this.

St. Joachim - "Humanism in your world has been created by satan. You will bring back the adages of old of 'Spare the rod, and you will spoil the child.' Discipline must be returned to the homes.

MAN THE BREADWINNER

"Where is the place of the man and father? Where has he gone from the homes? Why has woman sought to take his place? Satan has created this delusion. The place of woman is in the home and the rearmend of the child. The man will be the breadwinner and safeguard his home.

"Women, mothers of the world, why do you expose your bodies? Why do you create lust in the eyes of others, and in their hearts? What example are you as mothers? Animals! Many homes now are infested with human animals!

"Return to the graces of your Sacraments and holy Church, or condemn yourselves to eternity with Lucifer! Consecrate your home with the Holy Spirit. Use the waters of life to chase the demons from within your home.

"The presence of My Son must always be in your hearts. You, as parents, will take your children to the tabernacles of the world. You will fortify their souls with my Son.

"Yes, my child, you wonder why I say 'my Son,' for He is God. But in earthly life I was His father.

"I do not often speak out, but the world has sent itself into spiritual darkness. All Heaven now mobilizes for the final battle. It is through the providence of the Father that we of Heaven are permitted to speak with you. It is through the merciful heart of the Father that you are being warned. The destruction will come fast upon you, and we pity those souls unprepared.

"Your homes will be homes of prayer and good example. You may have to be an object of scorn and derision among your neighbors; but O my children, if they knew what awaits them, they would come and join you on their knees."

Veronica - Now it's growing very dark. Our Lady now is going over to the right side of the flagpole. Now Our Lady is bending over.

Our Lady - "My child, you will sit down now for the present. Jesus will instruct you further and bless all sacramentals. Continue with the prayers of atonement so sorely needed now, for the time grows short."

Veronica - Our Lady now is extending Her Rosary, the cross, like this, and blessing: In the name of the Father, and of the Son, and of the Holy Ghost.

[Pause]

Veronica - Please kneel, all who are able, for the blessing of the sacramentals.

Oh, it's very bright. Jesus is standing out now; He's placing His hands out. And He has on a red robe; it's maroon-colored. And His hair is - well, it looks very much lighter, almost reddish-brown, because of the lights about Him.

And now He's smiling, and He's raising His hand now - oh, He says that He will start over on His right side to bless the populace, He says. Now Jesus is coming over to the left side of the flagpole. He says:

Jesus - "You will extend all your sacramentals. I will place upon these the power for conversion and cure, the power to retrieve from the wiles of satan those who would otherwise be on the dark road leading to the prince of darkness."

Veronica - Now Jesus is raising His hand, and His fingers are like this, three together, and He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is moving over closer to the left side of the flagpole. And Our Lady now is behind Him, and She's holding Her Rosary. It's a very large white Rosary with the gold bead on the end, the gold Our Father. And Her crucifix is very golden.

And now Jesus is standing next to Our Lady, and He's raising His hand very high above His head, like this, with three fingers: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's coming over very slowly; He's floating over to the right side of the flagpole. Now He is looking down and awaiting quiet. Jesus says there's disturbance below Him. Now He's looking up again, and He's raising His hand high above His head, and blessing in the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus and Our Lady are going over by the trees. They're standing just above the trees. And Our Lady is smiling. Now She's raising Her Rosary; She's raising Her Rosary and holding the cross, like this. And now She is blessing in the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And Our Lady now has placed Her Rosary in Her left hand, and She's holding Her hand out, like this. Now from Her hand are coming lights - lights, beautiful lights! And they're coming down now across the sky, and down, down here on the left side, and behind the back of the statue. The rays are very brilliant. They're a bluish-white ray, and they're - there must be one, two, three rays - three of them, coming right from the trees, down beyond the statue, and down onto the ground. And Our Lady is smiling.

Oh . . . Well, I don't know if I should repeat it, but Our Lady said:

Our Lady - "Did you follow the direction of Our graces well, My child?"

Veronica - Oh, now Jesus and Our Lady are coming over to the center of the flagpole. Oh, They're very beautiful! There's - oh, such a wonderful feeling of peace. Jesus is looking down now and over, and He's pointing now over to the left side of the sky, and - oh, He's writing again with His finger. And He says:

Jesus - "ALL": A-L-L "WARNING CONDITIONAL TO YOUR RESPONSE": R-E-S-P-O-N-S-E.

Veronica - Now Jesus is coming over to the right side of the flagpole. He is saying:

THE ELEMENTS CAN BE BROUGHT DOWN

Jesus - "Nothing is impossible with the Father. The elements can be disturbed. All the elements of Heaven can be changed and brought down upon you, all in the will of the Father. He has created, and He can destroy. However, it will lighten your hearts to know that the Father does not plan to destroy your earth, but to cleanse it by trial until it returns to the pure state of its original creation."

Veronica - Now it's growing quite dark, and Jesus and Our Lady are stepping back. Now Our Lady is bending over with Her Rosary. The Rosary is being held - She's holding them in Her hands, like this.

Our Lady - "My child, one more word of direction to the world: We find great discord among the workers of earth. United you will form a strong front, but you are all divided. You must unify as Mary workers, and set a strong front against the forces of evil. If you do not unify, you will be infiltrated by the agents of hell.

"United you will stand against satan. If you divide, he will conquer many. This is a simple lesson that must be learned by Our workers in the mission of saving souls.

"All sacramentals will be distributed throughout the world. The beads of prayer shall go throughout the world, link to link and bead to bead.

"Your country can still be saved a greater part of the major disaster planned for it. However, the balance now falls heavily to the left, which is of evil. You must make now atonement, and restore your country and the world to a state pleasing to your God. This is the final warning being given to man before his coming chastisement."

Veronica - Now Our Lady is raising Her hand: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Lady - "Continue, My children, with your prayers of atonement. They are sorely needed."

August 5, 1973

Eve of the Transfiguration of Our Lord

Veronica - Over to the left now of the trees there's appearing a great light. It's blue. It outlines the trees. Oh, and Our Lady now is coming forward. She's so beautiful! Her robe is white. It's very long, and Her robe is trimmed in gold. She's very beautiful. The gold goes all about Her robe, over Her head.

And I can see now, as She's stepping forward, She has on sandals. They're beautiful. They're golden. And on the center of the sandal, near the tip of Her feet, there are flowers. Oh, they're roses, but they're made of a golden color.

Now Our Lady is floating over, and the light is following Her. It's opening up the sky. It's a very pale blue-white light. And Our Lady now is coming over to the left side of the flagpole. Now Our Lady's standing there holding Her Rosary out in front of Her. It's a very large Rosary, white. And the crucifix is golden.

Now as Our Lady is turning, She's looking down upon all the people, and She's smiling. Now Our Lady is coming closer. She's now about the middle of the flagpole. And Our Lady now is talking very softly.

Our Lady - "My child, We have made a great advance in the promotion of prayer. This lightens My heart and balances the scales. However, it will take much prayer, much sacrifice, and severe penance for the peoples of the world to forestall the coming Warning and Chastisement.

PERMISSIVE ATTITUDES

"You will make it known to the world, and especially, My child, to the men in the House of God, that We can no longer tolerate their permissive attitudes in the offenses which they permit, and are acting in laxity of their permission of offenses to the Eucharist.

"The House of God will be a sanctity of silence and adoration. The House of God will be a place of honor among men. The House of God will not be entered in nakedness.

"Fear? Why do you fear the body - what will happen to your worldly body or your position in your temporary life? Men of God, why do you honor the temporal things of the world?"

LIKE THE WEB OF A SPIDER

"Many prayers are needed now, for many in the House of God have chosen to leave the road. Pray, My children, pray much that they return and lose their blindness. The plan of satan is like the web of a spider, going in all directions through the House of My Son.

"God is master of the world, of Heaven and of earth. Satan has been given his time to claim those who have chosen to enter into his kingdom. The sins of the flesh have condemned many now to hell. "We look into homes that have become filthy - filthy holes of abominations, example of depravity. The Father will hold all parents responsible to the greatest degree for the fall of their children's souls. The greatest teacher in the home will be the example of the parents.

"Your children are wandering into the web of satan, going farther from the House of My Son. The truth is being removed from their hearts. They are setting among themselves groups. They shall not remove from their lives vows of My Son. As the only sanctified House upon earth, their souls will be destroyed when they are not given the Bread of living life. This Bread will only be obtained in the sanctified House of My Son. Satan seeks to remove the tabernacle from among you.

HONEYED WORDS

"Man must guide his life in faith and trust of God. His doubts, his confusion will lead him into the web of the enemy, the enemies of God. Many now roam your world. They parade as angels of light. Their words are honeyed, but they speak with the tongues of the demons.

"Satan knows the full Scriptures; he can quote. Satan learned much from the Father when he was in the realm of the Kingdom. He will use all of his knowledge now to seduce you, My children. Recognize the faces of evil among you. Pray for the light.

"You will not cast aside the sacramentals given to you; they are for your protection. The enemies of God laugh and scorn these sacramentals, but one day they, too, shall be trodden underfoot.

"Know with great hope, My children, and trust that the eventual victory will be with My Son. The Father has set His plan. He will let these abominations run their course unto the final cleansing of the earth.

"Your country will not be free from the chastisements and warnings long due a country that has given itself to satan.

"Pagans roam the world, pagans walk into the House of God. Man, you have reduced yourselves to the state of an animal. Your intellectual pride has set you down the ladder to the fires.

"The greatest sorrow in My heart, My child, is the debasement that man has allowed for his body, the sacred temple of his spirit. He has now lost the knowledge of sin. His life has become a way of sin. The word of God has lost its way from his heart.

"Shout, My children! Shout from the rooftops the truth. The world can no longer escape the punishing hand of the Father. The world must be cleansed, and cleansed soon. Too many souls now are entering into the Kingdom of the prince of darkness. How many tears I have shed to see these souls that have gone into hell."

VISION OF THE TRANSFIGURATION

Veronica - I see now a great light. It's very, very bright and brilliant. And I see open country. It's very hilly, like mountainous. And Jesus is walking up this very high mountain, and with Him are three men. They're dressed in brown garments. Oh, they're very - they almost look like Franciscans. They have sandals on their feet, and these very rough garments with a rope tied about their waist.

It's very warm; it's a very warm day because one of the men has wiped his forehead with his sleeve. Now Jesus is motioning to them. They're walking up, and they're now between two trees. But now they're up on the top of the mountain, and they can look all about. And it seems that from the mountain you could see all the parts of the countryside. And now one of the men dressed in brown says, "This will be the ideal place for the three tabernacles."

"Three . . . three?" said Jesus. "There will be one tabernacle!"

Veronica - And then all of a sudden - oh, all of a sudden, the three men now, they're throwing themselves back. The light is so bright. Oh, oh! And now I can't see Jesus. The light is so bright, it's blinding. It's a white light. And Jesus is lost in it. The light is rising now up into the sky. Oh! Oh! It's a brilliant white. Oh, it's beautiful!

Now I can see, like in a haze, I can see Jesus standing in the light. Now the men have thrown themselves down. Now one is covering his face with his hands. His eyes can't watch the brilliance of the light. My eyes burn, it's so bright.

Now Jesus is talking. It's as though the voice is booming from the sky.

Jesus - "There will be tabernacles throughout the world, but these tabernacles will be of one God. The Son of God shall be honored. God is, God was, and God always will be among you. Man shall not close down the tabernacle of God. The Word will always be among you. Whenever two or three are gathered in My name, know that I am with you.

"I have set before you leaders in My House. There are those now who roam throughout the world, setting themselves, filled with intellectual pride, to interpret what I have given through the Holy Spirit to the leaders in My House. You will not break away from My House and set yourselves up as examples for the young to follow. Return now to My House, or forever be damned."

Veronica - I see now large groups of young people. They're standing, everyone talking at once. And then over to the right is another group. They talk of things of God. They read from the holy Book, but they are not absorbing the truth. Now Our Lady is coming forth, and She is saying:

Our Lady - "They must remain with the leaders. The goats shall be weeded from the House of God, so do not leave. Stand forth as examples of truth. Many enemies of God have entered into the House of God. But this is the plan of Satan. You will not leave. You will stay and patch the cracks. The foundation is solid. The foundation is My Son.

"Man is human, subject to error. God is Divine. He turns all evil to good. So stand forth, do not procrastinate. Do not judge. Speak out against evil and pray.

"Prayer is the greatest weapon against the evil forces now that are in your world and that roam in the houses of God throughout your world. You will chase the demons of hell from the House of God with prayer. You will chase the demons of hell from your own hearts with prayer.

"It is only, My children, through the mercy of the Father that I be allowed to come to you as a Mediatrix between God and man to warn you, to prepare you for what lies ahead. Your future now has been written in Heaven.

MANY CATASTROPHES BEFORE MAJOR CATACLYSM

"The world will soon receive a Warning. Many minor warnings in catastrophes will be interspersed before the major cataclysm. Recognize the signs of your times, My children, for if you do not you are blinded, blinded by your worldly living. Come out of your blindness. Open your hearts and your eyes to the truth. You are now fighting in the final battle.

"The Father has created, and the Father can destroy in an instant.

"One day of your earthly week-time will be given to the Father in prayer and meditation. It is the Day of the Lord. Know now that this is but a small penance and sacrifice for what lies ahead. I promise all who follow My direction to be protected during these days, as I shelter them beneath My blue mantle."

Veronica - Now Our Lady is opening Her robe. It's now - instead of white, there's a blue light now shining from every direction onto Her mantle. And now Her mantle has - it's opening up, and She's standing now with Her full gown. But the mantle seems like it has grown to gigantic proportions, and it's covering the whole sky. The wind, or something, is carrying it across the sky, until Our Lady's standing like a beautiful Queen.

She has in Her hand a golden scepter, in Her left hand. And in Her right hand She's holding the Rosary out, a blue Rosary.

The robe is very blue, and it fans out in every direction behind Her. She's very beautiful.

And Our Lady now is placing Her scepter in Her hand with the Rosary, and She's extending something now out. Oh, it's the Scapular. I can see the figures on the Scapular.

Our Lady - "These, My children, are the sacramentals I give you for the salvation of your souls."

Veronica - Now it's growing very, very - sort of a dark blue; the sky is becoming a very dark blue. The stars now are coming out of the sky, and Our Lady is going back into the sky. She seems to be floating. She doesn't walk; She just floats right back into the sky. Now Our Lady is saying:

Our Lady - "I am not leaving, My child. There will be further direction from Jesus, and you will meet two very fond helpers from Heaven. They have been waiting to meet you, My child."

Veronica - Now Our Lady is raising Her hand with the Rosary, and She's blessing in the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

[Pause]

Now all who can will kneel. And Jesus now is standing at the right side of the flagpole. He's wearing a red, deep red robe. It's quite long, and He's carrying it over His left arm. It's so heavy; it's quite heavy. From here it looks like it might be made of velvet. It's a very, very heavy robe.

And now Jesus has His hair combed - it's quite long, but from the light it appears to be a - oh, sort of a pinkish-brown. But that's only the light, I believe, that's coming from within Him. It's shining all about Jesus' figure. Now Jesus is bending down. He says:

Jesus - "My child, you will have the children extend all of their sacramentals."

Veronica - Now Jesus is coming forward. He's floating forward; He seems to glide. And He's standing now over by the right side of the flagpole. Now He's raising His hand, like this. His three fingers are like this, together. And He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking down on the pilgrims over on this side. Now He's moving over, and He's coming over next to the side of the flagpole. And He's raising His hand high above His head: In the name of the Father, and of the Son, and of the Holy Ghost.

Now also in the background now there are three men coming forward. Oh, they're the same - I recognize two of them because of their garments - the two men that were with Jesus, like on that mountain.

Now they're coming forward, and Jesus has turned to the side and nodded His head. And they are standing now next to Jesus, and Jesus is on the left side of the flagpole. And He's extending His hand again, like this, over His head: In the name of the Father, and of the Son, and of the Holy Ghost. Jesus is blessing in the sign of the Trinity.

Now He is going over, and the two men are following Him. They're gliding over to the left side here by the trees. Now they're coming down very close. They're by the first leaf over there. Oh, I never saw Jesus standing so close. Now He's looking down, and He's raising His hand again and He's blessing: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is now coming over to the center of the flagpole. And He is bending over now, and His hand now is reaching over to the two men. He said:

ST. JAMES AND ST. JOHN

Jesus - "I introduce, My child, to you, James and John. I do not believe you recognized them with Me."

Veronica - And then - now also coming through the sky, right out of the sky, is another figure. Oh, he's very, very, very elegantly dressed. And he has, though - it looks like a papal hat. Yes, it is the Pope's hat, with the three sections to it. Now he's removing that and holding it in his hand and taking the scarf-like covering from his head. And he says now:

St. Peter - "I am Peter, and the rule will still stand."

Veronica - Oh! Now Jesus is coming over, and He's bending down. Oh!

Jesus - "Veronica, My child, My words you will repeat so that you will not be forgetful. We have not given you a heavier cross than We know that you can carry. The message must go out in great haste.

"All who work for the Father, and though they be laid to rest, will rise in great glory. The reward given to the workers of My Mother are not counted on earthly values. The reward is given by the Father. So do your acts and works in secret. Retire from the world, and the Father will reward you, Who watches also in secret.

"I bless you, My children. Continue with your prayers of atonement. They are sorely needed in your world that is now covered with deep darkness of spirit."

Veronica - And Jesus has placed His hand over, like this, and it is as though a large globe is forming across the sky. And it's all black; it's covered in a very deep black, almost as though a shroud has been placed over the world.

And now Our Lady is coming forward, and She's carrying a candle. Our Lady is carrying a candle in Her hand. Our Lady is saying:

Our Lady - "These candles are not just symbols, My child. These candles will be the light of the world."

Veronica - And now it's growing very, very dark, and Our Lady is bending over. And now She has extinguished the candle. Wsh-h-h! She blew out the candle, and says:

Our Lady - "We will guide you through the darkness that lies ahead. Prayer, atonement, and sacrifice. I repeat: the sacramentals must not be taken from your bodies. In the name of the Father, and of the Son, and of the Holy Ghost. Amen."

August 14, 1973

Eve of the Assumption of Our Lady

Veronica - There is starting to form around the trees the blue lights, the beautiful blue lights.

Now I see over to the left side of the flagpole a large cloud. The trees now - all about the trees is a beautiful blue, hazy light. Oh, Our Lady now is coming forward. Beautiful! Oh, She looks so - oh, queenly.

Now Our Lady is turning over to Her left side. And now - oh, She's holding in Her arms a small child. It's a little Boy. He's very pretty. He has golden hair; it looks like a light brown. And He's sitting now in Her arm. He also has a beautiful crown on His head. It's made of red velvet with golden trim. And He's dressed like a little King. He has on a red velvet little cape, and His gown is quite long. But He is barefooted, because I can see His feet; they're underneath the gown.

VERONICA HOLDS THE CHILD JESUS

"Oh, Our Lady . . . yes."

"Oh! Oh, He's weightless! He's very light. He's very pretty. Oh, He's very beautiful, but He has no weight. Oh! Oh, yes! Oh! Our Lady . . . He's - little Jesus, He is weightless. A little Boy. Oh, He's not two years old."

Our Lady says:

Our Lady - "Yes, you're right, My child. He is not two years old. He is a year and one-half."

Veronica - Oh! Now it's growing dark. The blue lights are all about the trees. Oh, the blue lights are all about the trees, but it's growing dark. And Our Lady now is going behind the trees. I can barely see Her.

She has now the Baby still in Her arm. He's very beautiful. I'm still looking into His face. And He doesn't have the face of a usual child. His face . . . His face has the . . . only one word - the "wisdom of the ages" in His face.

Oh, now it's growing very dark. And there's an arrow pointing; there's an arrow pointing in the sky now over to the right side of the flagpole. And now by the arrow there is a large - it looks like a weight, but it has a stick down, and what looks like sort of a knife-like thing, and it's swinging back and forth, back and forth.

Our Lady now is coming over to the left side of the flagpole. She says:

Our Lady - "This, My child, is the pendulum."

THE FOUR INSTRUMENTS OF HEAVEN

VISION OF THE BEGINNING OF THE CHASTISEMENT

Veronica - And now it's swinging back and forth. Now it's being lowered. I see four angels now coming down through the sky, and they're standing above the pendulum.

Now Our Lady says:

Our Lady - "You see, My child, the four instruments of Heaven, the agents from Heaven that will start the Chastisement upon man."

Veronica - Now I see . . . it's like looking at a large picture, and a moving picture, almost. There's a large map, and beside it a globe of the world. The globe now is turning and turning, and as the globe turns it's like a movie. The scene keeps changing fast on the left side of the globe.

I see . . . I see islands, and then I see very large waves. And then I don't see the islands. It's like sand bars being washed right out into the water.

But now on top of the water there are people floating, and there are pieces of wood, and there are people, bodies. Oh! Oh!

Now I see . . . it's very warm and very gray. And it seems like it's getting very dark. As it grows dark, the people are running in every direction. They don't seem to know where to run. I see closed doors and people knocking on the doors. The doors are closed.

But the doors now are painted with a large red cross on the door. The cross, though, the cross is like being made in blood. The cross on the door is like blood on the door. The blood of the cross! There are lights, candle lights through the windows of the doors with the cross. And I see the people lying out beyond the doors. They seem to be falling over. Somewhere in the air, there is something that is cutting off their breathing, because they're clutching at their throats. And they're falling forward on their faces.

I see some faces looking out of the windows, but now they're clutching their eyes; they're covering their eyes. Oh, they can't look. They can't look outside the windows.

The sky is very red and dusty. There's like a very big explosion. The explosion - it's like, almost like a bomb being dropped. But there's no wrenching apart of bodies, but there's tremendous heat. I'm watching this tremendous heat.

The globe now is appearing again. It's spinning. I think it's the globe. No, it's a ball. It's a fiery ball, and it's spinning and going about the globe. And it's trailing a long tail. It has gases. I know they're gases, because there is a terrible smell. The smell is so - - [Veronica coughs.]

Now I see a great, large - I know it's a powerhouse. It's a large building, a stone building. And they're pulling on all these levers. But I see fear, great fear in the faces of all these men. They're running up and down steps. There are levers on the steps, and they're pulling at these levers. But nothing's happening. And they're - now they're running down the stairs, and they're running outside. And when they run outside it's like going into total blackness. There are no lights, and it's dark, pitch black.

I see the men trying to walk outside. They're talking; two men are talking to each other by the door. They want to reach their cars, but they cannot find the distance. One man is groping his way, and the other is just standing.

Now over on the left I see houses, beautiful houses up on a hill. But the water - I see water, water rising very, very high. The water is going twelve, thirteen, fourteen feet high. Now there - oh! It's very windy and it's very noisy, because the water is hitting the sides.

Now I see the houses starting to shake. And these houses are like on the edges of the water, and all the dirt now is starting to come from under them. And they're just sliding down the side, sliding down. And I hear screaming; people are screaming.

Now over to the right there are more houses. The water now has reached over into the living rooms. And I see a church; this church is made of all wood. It's - it looks like a very old church. The Church of SS. Peter and . . . I can't read the rest. And it's got a very tall steeple on it. But the water has only reached up to the - the water should be in, but yet the water hasn't gone beyond the first landing. There are two landings to this church.

Now standing up near the door is a priest. I recognize him; he has his cassock on. And he's standing there now, and these people are gathering. They're coming now in rowboats. They're coming up to the church in rowboats. And he's asking them to come inside to pray. The church is so filled that the boats now are just staying side-by-side against the sides of the building. The building hasn't fallen, but the houses have. There's a house almost within six feet next to it, but that's gone. It's crumbled down; it just fell in, like . . . the whole roof was down.

And over to the right of the church there was another house. It looked like a country store in the house. There's rooms over it, but that's also broken down now and fallen in. And - oh, in the store window I see some bodies that are - they're under some large blocks of wood that were a counter table that fell in. Oh!

Now above the - above the flagpole is appearing letters: "FLOODS": F-L-O-O-D-S, "GREAT HEAT AND THE PLAGUE." Then there's a large - now I see a hand, a large hand. The five fingers are like this, and it's waving it's hand across the sky, like this. I can't see whose hand it is, but the hand is very lighted. I fear it is - yes, it is Jesus. Oh, He's standing there now with His hand out, like this, and I can see the wounds in His hand. Now He's extending His other hand out, like this. Oh, and as I watch, there is blood coming from His hand, flowing down now upon the world.

Now there's a great - oh, my goodness! The sky now is becoming a large, circular globe, all around. All around . . . a large, circular globe.

Now the globe is starting to get darker and darker, and redder. It's receding, and it's coming back. No, it's not a globe of the world; it's like a ball. It looks like a giant piece of ice, sort of - giant piece of ice. And it's starting to spin very fast. And I see it traveling across the sky, and it's developing some kind of colors about it. It's becoming yellow and orange, and it's tremendous! It's like looking at a huge sun. It's tremendous! Oh!

Now over, though, to the right there's a large - it's the sun. I know it's the sun. It's a big sun! But this now is heading to the sun, and all of a sudden it cuts over, and the, the heat is terrible! Oh, it's so hot! Oh! Oh! Oh!

Now I see this huge ball has now circled about. There are two balls now in the sky. There's the huge red one, the sun; and then the center, the ball. It's larger than the other ball, the white ball on the left. But the one in the center is larger. And it's tremendous!

Now it's starting to travel at a great speed. And I see now another ball forming with outlines of mountains; it's a globe of the world. It's a very large globe of the world, and it's horrible. Oh, it's - the ball, it's coming around about it. It's going around. It's going to make a complete revolution. It's going around. Now as it comes up to the top around the globe . . . it's zooming now out, and I can see it. It's very, very small in the distance, but all of these particles of dust, and - it feels like rocks - are falling down now. And as they fall, some of them are very large. And they're floating onto the lands and the houses. Oh!

Oh, it's much brighter now, and Our Lady is coming down. Our Lady is looking down sadly, and She is saying in a very low voice:

A MOST FRIGHTENING SIGHT

Our Lady - "My child, do not be afeared. It is a most frightening fate that man is choosing for himself. I have traveled far and wide throughout the world crying, begging for atonement and for man to turn back now from the path that is leading fast to his chastisement.

"Many warnings from Heaven have passed on unnoticed by man. He has lost touch, My child, with the Father. He has given his spirit over to satan. Therefore, he goes on his way in darkness and blindness. O My children, if I could receive from the Father, My pleadings for your salvation, an extended time for your atonement, My heart would not be torn.

"There are many agents of hell loosed upon earth now. They have entered into the House of God, and they possess the body of many men to do the will of satan. You must not abandon the sacramentals that I have given you through the Father for your protection and your salvation.

"There will be many manifestations throughout the world. There will be many chosen as My voice-box. Before the final Chastisement each man will have had and made the choice, had the opportunity to choose between My Son and satan. The forces of evil are gathering fast for the final battle. Satan knows that his time is short.

"Prayer, atonement, and sacrifice: is this too much to ask of you in the face of the reality of what lies ahead for your country and the world? Shall you be forced to fast and starve your bodies? Shall you be forced to your knees with disaster?"

GUARDIAN AND PATRONESS

"I have long been a guardian and Patroness of your country. It has prospered and become a symbol to the world. However, now it has blackened the cross, and it has made itself up as a center for the worship of man and worldly treasures. The example of those in authority has been debased. The example of many in authority has set many onto the road to hell. Nothing has gone by unnoticed by the Father.

"Man of sin, turn back now from your ways. Do penance on your knees; beg for your atonement; beg for the graces you'll need. The hour for the hand of God upon you is approaching speedily.

"Your world has given itself now to pagan pleasures. Your world has turned now to satan! Idols, false idols to worship!

"You will not deny the divinity of My Son. You will no longer offend the Father in the Son, in the Holy Ghost within the House of God and in your world, for you call down a heavy penance upon yourselves.

"I have not come, My children, to set fear into your hearts. I have come only as a Mediatrix and a Mother. I have come to warn you that you have offended God much, and the scales must be balanced soon. Many graces will be given to those who come and ask for them. None will be forced onto the road of satan, for they will go willingly before the final count.

"You will not turn your backs upon the houses of God. My Son has set His example among you. My Son, with Simon Peter, gave you the way. You will follow the Vicar of Christ. On your earth you will not remove him from the Seat of Peter and place one who has been planned from hell. Watch and pray.

"My child, this you may repeat. I give you the choice."

Veronica - "I'm very forgetful, Blessed Mother. I can't remember everything."

Our Lady - "Then, My child, it is your choice to record what I say to you.

"The mission given to you will soon be completed. The work for the establishment of My Shrine will continue. Man will never stop the plan of the Father as He renews this world.

"Patience, trust, and guidance in the Father, My child, will be your way of life. The more you become involved with man and worldly living, the farther you will be from the Father. Therefore, I would advise you to confine yourself and restrict your worldly activities to your family and the major work of the establishment of My Shrine here in your world.

"You will also at this time plan work action, prayer sessions. All the strength and help necessary will be sent to you by the Father. Trust, and do not question His motives.

"You will keep a constant vigilance of prayer throughout your world and your country. No dates will be given, but I can assure you, My children, a date has been set.

"None will be lost who will save themselves in the Sacred Heart of My Son. None will be lost who will keep the sacramentals and all objects of godly nature in their homes.

"This will be difficult, for the scoffers will increase and the licentiousness will increase. And you will be soon a minority. However, it is in the plan of the Father that we shall gather the House of God and restore it in the world to its proper proportions. Man then will be returned to his former state, for he will then no longer be forced to offend his God, forced through the agents of hell who will be removed from your earth.

"Pray, have great confidence in the knowledge that the eventual victory will be with Heaven. The Father permits these times of trial for the cleansing of man. It is better, My child, this way than to have to cleanse entirely, as in the past. The Father sorrows greatly that Lucifer has thus far been successful in the capture of many souls.

THE SACRED AND IMMACULATE HEARTS OF JESUS AND MARY

"Full dedication will be made to the Sacred Heart of My Son and the Immaculate Heart endowed to Me by the Father. I place My blue mantle of protection over all My children who come to Me. I have come here, and I will remain here upon these sacred grounds and upon many sacred grounds throughout the world until the final victory.

"I bless you all, My children. Continue with your prayers of atonement. They are much needed!"

Veronica - And Our Lady is taking Her large Rosary and blessing Herself, and also the world, as She extends Her Rosary: In the name of the Father, and of the Son, and of the Holy Ghost.

And now Our Lady is taking Her Rosary, and She's drawing a large circle in the sky with the Rosary. And now She's taking Her hand away, and the Rosary now is just hanging in mid-air. It's formed a complete large circle, with the beads and the cross hanging down, suspended in the air. Now Our Lady is going over to the left side of the flagpole. She said:

Our Lady - "You will sit down now, My child, and Jesus will be here very soon to bless the sacramentals of all these beautiful hearts which I send My graces and the graces from the Father to."

Veronica - Now Our Lady is extending Her hands out. And those rays are coming down now. She's standing over by the left side of the trees, and Her hands are extended out. And - oh, they're very bright; they're - oh, they're just coming out of Her hands! It's just like tremendous lights! There are three, though, in each hand. I notice each - they're equal, each stream of light is equal. But there are three in each hand, and they come down beyond the flagpole.

And - let's see, from Her left hand they seem to be landing right almost beyond the trees. And the right hand - now Our Lady is moving Her hand, and it's going across my head. The lights are going now - the beams are going right across my head, down to the back, back there.

And Our Lady now is smiling. And She's shaking Her head, which means yes. And now . . . Our Lady now is motioning to the seat.

[Pause]

Veronica - All now who can will kneel, as Jesus is now standing by the flagpole. He is going to bless all the sacramentals. He's just now beyond the flagpole, over to the right. Now Jesus is looking down. Oh, He looks so beautiful; the light is so beautiful.

He's dressed now, Jesus - He has His red robe on. It's deeper now; it looks almost a maroon color. And He has on a cream-colored gown. The gown is very long, but now - oh, this evening He is not wearing sandals. Oh, He has His feet very bare. And I can see the marks in His feet. Oh, and He's standing there now, and He's pointing to His cloak, which He's opening. And - oh, on the center of His gown there is a large heart. It's a very red heart, and in the heart there's a knife. It's like a sword, a gold-like sword. It's very brilliant, the gold of the sword through His heart.

And now Jesus is pointing down to the sword, and He's bending over, and He is saying:

Jesus - "It is for the love of gold that many have chosen to fall into error and follow the ways of the man of sin."

Veronica - Now Jesus is closing the robe over His heart, His chest. He's drawing both of the sections over. And now He's looking over at all the peoples, and He's smiling now. Oh, He is going to bless now the sacramentals. Jesus is raising His hand, like this. Now Jesus says:

Jesus - "You will raise, and if you cannot raise these objects of God, they will be blessed on your person or on the ground. I bless you in the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - Jesus is raising His hands, and He's blessing in the sign of the Trinity. And now behind Him, the sky is filled with all angels. Oh, they're so many of them. Oh, they're just so beautiful! And they're strewing from - they're carrying something in their hands which they're throwing out. They almost look like white rose petals. They're floating down, down, down on us. They're beautiful! They have, they're weightless. It's like rose petals, white rose petals.

Now Jesus is moving over to the left side of the flagpole and He's raising His hand, and He's blessing now all those on this side - that would be His right side - with His hands, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is moving over, and He's being joined by Our Lady. And They're standing there. Our Lady now is holding Her Rosary forward in Her hands, like this. And Jesus now is raising His hand high above His head, and He's making the sign of the Trinity down: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is coming forward. He's coming down very close. Oh, He's just about, oh, off the middle section of the flagpole. He says:

Jesus - "I bless you, My children, in the Father and the Holy Ghost. I dispense among you the graces for the conversion of sinners. Come to Me; ask and you will receive the graces and strength to chase from your household and My houses the demons which have entered."

Veronica - Now it's becoming very bright, very brilliant! It's very, very white. Oh, I - Our Lady now is becoming - there's a tremendous light coming out of Our Lady now. And now Jesus is coming over, and He says:

Jesus - "I want to show you, My child, the Assumption of My Mother."

THE ASSUMPTION OF OUR LADY

Veronica - Now I see, I see like a hillside. And there's a cave-like, oh, I guess it's a grave, sort of, but it's not like in a graveyard. It's like cut out of a hillside. And there's a slab, there's a slab of stone. And I see - it looks like a mummy, because I see a body all wound up in white sheeting-like pieces. But it's sort of not white sheeting, exactly; it's like very rough-looking with dots sort of in it, like muslin, sort of, and wound up just like a mummy.

Now Jesus is - oh, He's coming. Now this place is all closed off. There's no door. It's like - oh, like a mausoleum or something, but it's more like a cave. And I see Jesus now; He's coming right through the rock. And He's standing there now, and He's placed His hand on the sheeting. And all of a sudden there's a tremendous light around this, like a person in the sheeting. Ah! And I see the sheeting is just unwinding, falling away. And there - it's Our Lady, but She's sitting up. And Jesus is standing next to Her. And now as the sheeting is falling off, it's just falling away from Her, disintegrating.

She has a most beautiful white gown - oh, pure white. She's barefooted now. And Jesus has placed out His hand, and He's taken Her hand. And She's all lit up. Beautiful!

Now I see Our Lady is - I know it's Our Lady - She's getting younger and younger. When the sheet was first away from Her, She looked kind of old, maybe - well, maybe seventy-three, seventy-four. But now She looks a little girl. She's beautiful! She's very young-looking.

And Jesus now is taking Her hand, and They are both just rising. They're going up, up, up, and right through the rock! Absolutely! They went through the rock! Now I see Them outside the door, and I see Jesus and Our Lady, and the light is tremendous. Oh, and Jesus now is holding Our Lady's hand.

And there are, oh, hundreds of angel figures about Them. And there's beautiful music. Ah-ah, alleluia, ah-ah, alleluia. [Veronica repeats some of the music she hears.] And there's voices; they're so loud they're - it sounds like millions of voices.

I see Them, and Our Lady now is rising. Our Lady is all beautiful in white. It's - I can't explain it. It's just like in a tremendous light. And now They're rising far, far up into the sky. And I can't see Them any more. Now it's though They've disappeared right into the sky. Absolutely gone, and the sky now has become a very deep, deep, deep blue.

Now the light is coming down again. There's a shining sliver of light coming over by the tree. And Jesus is standing there. And He said:

Jesus - "My child, I have given you as grace to the world the knowledge of My Mother's Assumption into Heaven. Continue, My children, with your prayers of atonement. Many secrets of Heaven will be given to you for the edification of your souls in these days. You see, My children, nothing is impossible with the Father, in the Father."

Veronica - Now Jesus is raising His hand, and He's making the sign of the cross, like this, across the people. And He's extending His hands out. And I can see the marks in His Hands now. And He's going over to the side. He's bowing His head.

Jesus - "Continue, My child, with the beads of prayer."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

August 21, 1973

Eve of the Immaculate Heart of Mary

Our Lady - "I have waited for the time when the Spirit would enter down upon the children. My heart is greatly saddened because of the misdirection of these many young souls. The example being given to them has been one created by the prince of darkness. Those in authority and the parents in many homes will hold and be accountable to the Father for the fall of many young souls. We ask now all to join in a constant vigilance of prayer.

U.S. FACING GREAT DEVASTATION

"Prayer must be returned to your country, for your country is now facing a great devastation.

"There are only few times, My child, that I can come to you without tears. There is little that I see to bring joy to the hearts of My Son and those of the Kingdom. Your world is covered in darkness.

"The people and souls of your world have become overly concerned with their bodies. They have starved their souls, rejecting the many graces Heaven has proffered to them.

"My child, you will now direct those about you to stop their disruption and give due respect to the nature of the sacred grounds."

Veronica - I'm sorry. Our Lady says that those on the sacred grounds must stop this unnecessary talking. I repeat: Our Lady said, directs that you on the sacred grounds, you will have to stop the disruptions, especially within the ropes. Our Lady said - Our Lady said there must be no disruptions within the circle. There is too much idle chatter.

Now you must understand the sacred presence of Our Lady and Jesus. Our Lady told me to explain this in Her own words. You are not showing good example when you do not recognize the presence of Our Lady and Jesus and conduct worldly talking in Their presence. You are to conduct yourself with prayers of atonement.

Our Lady - "My child, it hurts Me deeply to have to admonish those upon My sacred grounds, but their example will be followed by others.

"Understand, My child, the nature of the sacred grounds and My Shrine. I have come here as a Mediatrix between God and man to guide you through the trials which lie ahead. All who follow My direction must become humble in spirit and divest themselves of all desire for worldly accomplishments.

BRING BACK PUBLIC PRAYER

"Your country must bring back public prayer. Your country must make atonement for the offenses being committed against the God, your Lord, the King of Heaven and earth, your Creator.

"Man upon earth has chosen to give honor to man. After the great cleansing, the fruits of man's hands shall fall! Much will be reduced to ashes and rubble. He will rebuild in the manner the Father directs, under the direction of the Father.

"I repeat: Your country will not escape the great Chastisement. Many will die in the great flame of the Ball of Redemption. Have you prepared yourselves, My children? Have you prepared your children and other members of your family? Have you brought them back into the grace and light of the Father before this great Chastisement? No-o-o! Many of you have laughed and scorned My warning.

"The words from Heaven are reaching throughout the world. We have chosen many voice-boxes throughout the world. The message is in unison. You will all now unite to spread the word of penance, atonement and sacrifice, the use of sacramentals daily. You will open the tabernacles of the world and feed the starving souls.

"My child, I have a directive for you which you can be given in secret if it is your wish.

"You will be attacked with great cunning by satan. You will bar your doors to all but close workers and the family.

"Understand, My child: you do not look in the right direction. Satan will try to stop your mission through those of your own. It is not the unbelievers, or those without the waters of life given to them, but it is those who have cast aside the truth and, through bad example and direction, will attack you. Satan has many agents, using both the young and old. Pray; pray much.

"I have placed you, My child, upon your back for reason. You must now have more quiet contemplation. I cannot speak to you when there is constant confusion.

"The message, My child, will go as planned by the Father throughout the world. Trust in His guidance. Worry is in the nature of all man. It is a weakness of man; but still, My child, you are human.

"There is much speculation, My child, upon the coming plan of Heaven. All is in the will of the Father. There is no need to await dates, or to know dates, for the purification of your soul must be a permanent transition.

"There is no reason to fear the days ahead. I have prepared you and guided you thus far, and I will be with you unto the coming of My Son in the final battle. Heed well the words of the Archangels who wish to protect you. You must beware and watch; pray much.

"There is an evil force that surrounds the shrine of purity. They will try to stop you with all cunning and deception. Ah, My child, how foolish they are. They have placed themselves above the Father. The battle of the spirits rages; the sheep will be separated from the goats.

"I have now the word of the Father which will be given to you, but will not be revealed at this time to the world, My child. We entrust you with this for reason. Now watch, My child."

Veronica - Oh!

[Pause]

Our Lady - "You will write once more to the Reverend Father and send Heaven's instructions that there be the Holy Hour, a purgatorial hour of reparation on the First Friday of each earth-month. This is by direction of My Son: on the First Friday of earth-month, a Holy Hour of purgatorial reparation."

Veronica - Now over to the left side of the flagpole Our Lady is standing, and there's a - oh, a nun with Her. Oh, I know it's Theresa. Oh, yes, it's Theresa, and with her are her three sisters. And there are many - oh, they're monks or brothers, behind them. They're dressed in brown with cords about them, and they, they all have one thing in common, though. Their heads are all kind of shaved off. And they aren't - two of them - no, one is standing on the left; he has a short beard. And there are some with beards and some that don't have them. Now they're standing there all in a group behind Theresa.

Now Theresa is looking over to Our Lady, and Theresa is pointing over to the right side of the flagpole. And there's a big letter in the sky, a big "W", a large, flaming red "W" moving across the whole sky, a red "W". Oh, it's so bright and it's brilliant; I can barely look at it. It's fiery red. Oh, the letter is getting very wide. It's becoming very thick and orange and red and all colors, like of red fire. It doesn't look very nice.

Now down from below the "W", it, it looks as though something is melting. It's dripping drops of, almost fire or blood. They look like fire or blood dripping. Now it's becoming smaller and smaller, the "W". And now it seems to be just fading away into the sky. The sky has become very dark.

Now Theresa and Our Lady are coming forward. And Our Lady now is leaning over very close. Oh, She's very pretty.

Now She's pointing over, and there's a terrible black cloud now forming. It seems to be coming over their heads and floating over to the right side of the flagpole.

Now in the black cloud is also that letter again, "W". "W", and there's small writing underneath. Underneath it's - it looks like a picture. It is; it's of an eagle. The "W" is over the eagle. It's - the eagle, it's just sitting there, very peaceful-looking. But the eagle, the feathers are very - kind of torn. It looks like it's been pulled apart.

Now underneath is written in letters "U.S.": U.-S. And the "W" now is over the eagle. There's a tremendous black cloud now, and the cloud now is passing through the eagle. Now the cloud seems to be gathering up the eagle and carrying it away, floating up, up, up, up, up over the flagpole.

Now Our Lady is coming forward. It's becoming very bright. Ah! Now Our Lady is holding up Her Rosary. It's a beautiful Rosary. It's, the Our Fathers are golden, and the Hail Marys are very large and white. And She's holding it up in front of Her, like this. And Our Lady is bending over, and She is saying:

Our Lady - "The beads, the sacramentals, the hope of the world. The salvation of mankind is with these, the treasures of Heaven given to you in the mercy of the Father. A heavy cross will be given, set upon earth."

Veronica - Now I see that ball again, spinning. I see a ball, a very large ball. It's spinning very, very fast. It looks like it's red-orangey and yellow, and as it's spinning - it seems to be spinning very fast. It's going across the sky; and as it crosses the sky, it's shooting out flames. It has - oh, it's very, very large. Now it appears that it's growing larger as it comes closer. It's a tremendous-sized ball. Oh! Oh, my!

Now Our Lady is standing over to the left, and She's bending over.

THE NEED FOR CLEANSING

Our Lady - "Listen well, My child. All is in the power of the Father. What is to befall man, he has brought this upon himself. He has brought about the need for cleansing. You will all approach the days ahead with great trust, with great love in the mercy of the Father.

"Much will be given to you now in records of photographs. There is much, My child, that I ask you keep now until the Father directs the release of these facts.

"A constant vigilance of prayer must be kept now. The Father watches and waits now for the abatement of the commissions and acts of abomination that He sees on earth. There is a heavy hand placed upon a generation that refuses to turn back from the road that has been paved by satan. When you reject your God, you must be chastised."

Veronica - Now there's a bright light coming on the right side of the flagpole, a very bright light. Oh, Jesus is standing there now. Oh, it's very, very bright, the light about Him. Now He's leaning down, and He says:

Jesus - "Listen, My child, and repeat well My words.

Amen, amen, I say to you: Man of earth, you have offended the Father. Your abominations have sent many souls into the abyss. Repent now; make atonement, for the time grows short. You will be chastised and cleansed as in the plan of the Father."

Veronica - Now - oh, Jesus is holding His hand up very high over His head. And He's making a blessing, but the blessing is in a huge cross.

Now all about, all about the flagpole there's a tremendous pink ray. It's covering the whole side of the right side of the flagpole and the left side - pink rays of light. Now Jesus is coming over, and He's leaning down.

Jesus - "Continue, My child, with the prayers of atonement. I will bless all sacramentals later. We have reached the crisis, My child; there is great urgency that the Message reach all."

[Pause]

Veronica - Now all who are able will kneel and raise your sacramentals. However, now Jesus is standing on the right side of the flagpole by the tree, and with Him is Our Lady.

Our Lady is very beautiful. She's dressed in white with gold trim, and She has on golden sandals. And they're beautiful! They have little rosettes, sort of, made of gold, on Her slippers.

Now Jesus has - oh, He's very, very - looks very tall. Our Lady looks quite tiny standing next to Jesus. And He has on a red-burgundy robe, and it's tied at the neck by a - looks like a golden string. And now Jesus has on this long - it's a very long gown. It's not white, but sort of a beige color. And He has sandals. They're closed sandals, but I can see His toes. Oh! Oh, He's drawing His feet back and smiling.

And now Jesus said you are to raise your sacramentals and any objects of God and they will be blessed. Now Jesus says:

Jesus - "All blessings for the conversion and cure of souls I bestow upon you on these sacred grounds of My Mother's mission, the power for conversion and cure."

Veronica - Now Jesus is looking down and over to the trees. He's saying - can I repeat it?

Jesus - "My child, it's not necessary for you to dig into your bag. I assure you I can see well into the objects you have."

Veronica - Oh, now He's raising His hand. He's - oh, Jesus is just over by the trees now, and He's raising His hand. He has His fingers together, like this, and He's blessing in the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is smiling. His hair is quite long. The light is so bright it makes His hair look reddish brown. It's parted in the middle; it's just about down past His shoulders. And now Jesus is smiling. I think He thinks it's quite funny that I'm talking about His hair.

Now He's coming over, and He's raising His hand. Oh, Jesus is raising His hand again, with His three fingers like this, and He's blessing in the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now behind Him - oh, I'm sorry I didn't mention her sooner, but Saint Catherine is with Our Lady, Saint Catherine Labouré. She's standing there. When she turns around - Our Lady doesn't move, but it always seems when Catherine turns, her headpiece hits Our Lady on the head. But Our Lady is smiling. And Catherine now is, I guess she's turning her hat, headpiece. I guess it's sort of been knocked off a little, so she's turning it around and pushing it down now on her head. And now Catherine is going over with Our Lady.

And now I see Theresa; oh, there's Theresa. And she's coming over now with Jesus. They're all gathered together on the left side of the flagpole.

Now Jesus is raising His hand; He's looking down. He's smiling and Our Lady is, too. Our Lady has Her Rosary, the very large Rosary She carries, now extended in front of Her, like this. And Jesus now is raising His hand: In the name of the Father, and of the Son, and of the Holy Ghost.

And now He's going over. They don't walk; they sort of float. They're just drifting over, floating over to the side of the tree on the left side. And now Jesus is raising His hand again. But now He's pointing down, instead of over His head, very low, and He's going like this - His fingers, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

And now Jesus and Our Lady, They, They're rising; They're going much higher now, over the trees and over by the flagpole.

And now Theresa is whispering with Our Lady. And now Theresa is coming forward. And Theresa is saying:

St. Theresa - "There has been little change in my convents. I am very saddened at what we can see beyond the doors. My sisters, do not allow the world to enter into my convents. So many good sisters are needed for fine example. I stand with our Mother and look into many convents of the world. I do not recognize what goes on there. I know it offends the Father much.

REMAIN AND FIGHT THE GOOD BATTLE

"You must not follow the ways of the world. You must restore the habit and be an example, a good example to other sisters of the world. There are far too many who have given up the work for the Father. This saddens all Heaven. Please, my sisters, do not leave. Remain and fight the good battle for the Father. Bring others into the convents, but you must pull out the weeds and be very careful who will enter into the convent, for satan has set many among you to destroy the good work."

Veronica - Now I see a map, and it's turning into a globe of the world. And there are many countries that are being blackened out. I don't know why they're becoming very dark, but the globe, the whole globe seems to be coming dark. And there're little pinpoints of light; they look like candles, in just - oh, various parts of the globe.

Now Our Lady is standing by the globe, and She is pointing now. And She's saying:

Our Lady - "You can well understand, My child, why a drastic hand and drastic means must be now used by the Father to restore order to mankind."

Veronica - Now Our Lady is, is floating back; She's stepping back. Now Jesus is standing over by the trees. He's just looking down. And now Our Lady is raising high Her Rosary, very high. And the cross is golden, very large and golden. And She's making the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

And Our Lady is looking over, but I don't know why. She's looking over in that direction very sadly, and looking down now on the people. And now Our Lady is saying:

Our Lady - "It truly rains teardrops from Heaven.

"Continue, My children, with your prayers of atonement; so many are needed."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

September 7, 1973

Eve of the Nativity of the Blessed Virgin Mary

Veronica - Far into the distance - it's like looking at a motion picture - I see a small town, and the houses seem to be made of sort of mud - hard, baked mud. I'm looking now at a small house. It has a very large room in the front. I notice the door is made of just a slab of wood, and at the side of the door there are like ridges. And the door looks like it's held onto the rest of the wall-piece by large pieces of - oh, it looks like wooden spikes that have been hammered into open sections, holes. They don't look at all like our doors here that we use - the bolts to hold them in place.

Now I'm looking into the house. Everything there looks very rough and hand-made. The table is a large piece of wood. No, it's made of three sections, like a tree has been cut in half and three sections placed together; and also, the legs of the table are made cross-wise, like this, and held in place by, also, these wooden - not spikes, but wooden, almost like wooden nails, pegs, hold it in place. I guess the legs are balanced by the weight of the top of the table.

Now I see a lady. Oh, she's not a very young lady. Oh, well, she looks like she might be about forty-five or fifty years old, and she's quite heavy in expectancy. Now she's walking about the room and sitting down by the table. Now on the table is a very large loaf of - I know it's bread. It's - looks very rough, and she is breaking the bread.

And now she is bringing over from the side of the room - there's a cut like, made like a fireplace, and there are a lot of stones in the fireplace, and sections of wood. And now there's an iron - I guess it's iron, a metal rod that's going in between the stones; and there's a hook made of some kind of metal. It's very black-looking, and it's holding a very rough-looking - I guess we would call it a pot. It's a huge kettle, sort of. And now the fire is coming from the stones and the pieces of wood. And there is something cooking in this large pot-kettle.

And now the lady is walking very slowly over, and she has a large wooden type of scoop. And she is now going down into this pot and pouring what looks like soup, I guess. It looks like soup, but it's - it looks like a mixture of long, like - oh, celery. Some type of vegetable, I guess, but it's something I, I have never seen before. It looks like almost a grass-type of vegetable, and she's pouring it into bowls. The bowls now are - the bowls are very strange. They're made of wood. They look like they've been carved out by someone. They're not smooth. They look like they've been carved out by hand.

Now there's a man coming in the door. He's also - well, he's not a really old man, but he's, I think about - oh, fifty-five or sixty. Now he's sitting down. And I notice that now the lady is looking up, and she's shaking her head yes.

Now the man is going over, and she's - he's helping the lady from this bench she was sitting on. She was going to eat the soup, but she has left it now, and she is going into the other room.

It's a very small room. It's a very small-looking house, but back off the back room is a larger room, and inside this room is a lot of wood. And I see like, it looks like - oh, a wood-working shop, because there are tools, very rough-looking tools, like they were made by someone. Nothing looks finished like we have. Everything looks very rough. And I see there large spikes of metal. And over to the side I can see almost like the table, two cross-legged, and then a piece of wood through. The man is making what looks like a cradle. It's a basket-type of thing, a cradle.

And now in that room that's next to where this is all being made, there is, I guess, a bed. It's not a very comfortable-looking bed. It looks like it's been made on wooden blocks, just like a large piece of wood. But it's - there's a lot of like dried grass, and then like a yellow-looking sheet tucked underneath, so it looks like it's only about - oh, twelve inches thick.

But now the man is leading the lady over, and she's lying down. She looks very pained and distressed - no, she's not distressed, but I do think she's in very, very severe pain.

And now the man is going out into the front room, and he's placing another one of those kettles, and now he's blowing; he's blowing. And he has like - looks like a large piece of woven - like from palm, and he's fanning the fire, like this: and now it does make the pot boil. It's beginning to smoke a bit out of it. And now he's dipping pieces of - oh, sheeting; it looks like muslin.

Now two ladies have come into the room, and they are taking the rags, or whatever they are, and placing them on a piece of wood and carrying them very excitedly into the room, in the second room. Now the man, he's sitting down on a chair; he looks very worried. And he's sitting there, and now it seems that he is waiting and waiting. And I see him now on his knees, and he's raising his hands above his head, and he's praying. And now he has - he has bowed his head down to the ground, down to the ground, far down to the ground.

THE BIRTH OF MARY

And now one of the ladies has come out of the other room. It doesn't have a door, and you can't see from the front room into the room. But one of the ladies is coming out, and she's speaking to him. And he's getting up from his knees, and he's sitting in the chair. Then the other lady came out, and she's very much excited, and they all went back into the room.

And now I can hear noises. They are - there are cries of - very, very low cries, and I recognize them as a baby's cry. And now everyone is smiling.

And now at the door there's a great light! The doorway from the front room into the room where the lady is lying now in the bed - I can see her; she looks very, very tired, but she is smiling now. And now the two ladies come over, and one is carrying a small, little bundle wrapped in - oh, it looks like muslin. Now they're placing it down by the lady on the bed. Oh, she is so happy.

Now I can see over to the right there are two large figures, beautiful figures. Oh, they - I know they're angels. Oh, there are two beautiful figures of angels, and they're just - oh, they're just beautiful, tremendous in size. The whole room is all aglow, but I don't think that the man notices the light. It's very bright.

Now I'm going over; I'm moving over. I am able to look down now. Oh, I'm right by the lady's bed. Oh, there's a little child, a very pretty little child. Her face is so pretty; I know it must be a girl. Oh!

And now above her bed, over her head, I see a large crown of stars, and written in the stars, in between the crown, in golden letters there, M-A-R-Y. Oh, it's "Mary." Oh! Oh, how beautiful!

Now it's growing very, very dark, and I can't see the house. All I can see outside now is - there is a donkey, a donkey. He's walking around the house, and at the side of the house It's a very rough house. They don't have any glass in the windows; it's just open. And now there was a piece of that muslin-looking sheet put over the window. I can't see in that window. But the donkey, now, is eating what looks like dried grass, straw, at the side of the house.

Now the man is coming outside by the door. He is very, very happy. And he's running very fast; he's running and running. Oh, he's running into - oh, look! It's, it's - well, it looks sort of like different than the other houses. It has a big star on the top of the door, like this, six points on it, a star. And he's pulling, he's pulling a man out of the - out of this place. Oh, I know what it is now. It's, it's sort of a Jewish temple. And he's pulling him, and this is a very old man he is pulling by the hand.

Oh, he's dressed in a long, long black robe, this man, and he has a very long beard. It's way down to his, almost down to the middle of him. And he's pulling him now to the house, and they're both entering the house. Oh, I know he's a man of God, like clergy, a rabbi, a rabbi. And now they're going into the house. And now it's growing very dark, and I can't see any more. Oh!

Now the whole house has a rainbow around it. Oh, the whole house has a beautiful rainbow. The colors are, oh, such beautiful colors of blue and gold and pink. Oh, it covers just the whole area of the house. It's a very, very poor-looking house. I, I don't think I ever saw a house that looked like that. It looks like it was made by people; I mean with their hands. Oh! Oh! Oh!

The house - it's becoming very bright again. And I see two ladies coming down now over on the left side of the flagpole. There are two ladies coming down. Oh, it's beautiful! There's an older lady, and now she has what looks like a young girl with her. Oh, no, it's Our Lady. I recognize Her. She's - oh, oh, it is Saint Anne, Her mother. It's Mary and Saint Anne. Oh, how beautiful! Oh, they look so happy!

Now Saint Anne is coming over. She's coming down very close, very close, over by the flagpole. Oh, she is just so happy. And she said - Saint Anne, I can barely hear her voice, her words are so low.

St. Anne - "You have witnessed, my child, the arrival of my beloved daughter, my first and only child, one whom I cherished - a true miracle from the Father."

Veronica - Now I see Saint Anne. She is looking now all about her, down here where we are. And now Our Lady has reached into the folds of Her clothes, and She's holding out Her Rosary. The Rosary is white with a golden crucifix. Now Saint Anne is coming forward with Our Lady. She wants to speak.

St. Anne - "My child, Veronica, listen to my words carefully. Your world and your country faces a great disaster. Man has cast aside the teachings of the Father. He no longer uses the sacramentals; he no longer follows the road to the Kingdom.

"How sad our hearts are to look into many homes that have become the habitude of demons. You must not cohabit yourself with ignorance to truth. Your complete surrender to satan leaves no recourse but for the Father to intervene for the salvation of the young. The family must be the anchor for the souls, the little ones entrusted to your care. The example in many homes is poor.

"The example among your teachers leaves much to be corrected. Those who have been given authority of teaching must not surrender the truth in the light and substitute it for the false maxims of humanism and the advancement of what you call scientific intervention among man. For with all your knowledge, with all your learning, you have not learned the basic foundation of faith."

Veronica - Now Our Lady is going over to the right side of the flagpole.

Our Lady - "My children, there is gladness in My heart that you come on My natal day.

"My heart cries even on this day that should be of great joy to Me, for it is one signification of the unity in families and the existence of true heart between brother and sister, father and mother. However, We have seen satan pit father against son, mother against daughter, sister against brother. The world is in darkness. Many souls have descended farther into the darkness.

"Man has accepted now in your country and throughout the earth, a way of life that condones the breaking of all Commandments of the Father. Ah, the poor little ones that have been led astray by bad example! Sin has become a way of life in your country. We have begged for your good example of prayer, sacrifice, and atonement.

"Satan has been allowed to roam in great force with his agents. In this manner man will be given his own choice for his everlasting salvation or damnation.

"I repeat once more for your edification: your country will meet with great disaster. Floods, great heat, and the plague. The mercy of the Father has been extended to its limit. Only a complete reversal in your evil ways will avert the Chastisement planned by the Father for your country and the world.

"My child, you will carry a heavy cross. You cannot expect the road to be filled with roses. My child, the road to Heaven is filled with thorns.

"I know, My child, there are moments in your daily life when you feel a darkness of the soul, a loss. Do not be afearred, for this is but your human nature. Pray. Do not lose sight of silent meditation and prayer. We know your work is very heavy. Penance is always hard, My child. You will reap many benefits, not to yourself, but to others. The Father reserves a special reward for those who follow His direction, even when the cross grows heavy."

ST. ALOYSIUS

Veronica - Now there is a man. Oh, he's a nice man. He's a happy-looking man. Oh, he has such a joyful expression on his face! And he's carrying a large Book. Oh, I recognize him now. He's the young man I saw many years ago with Our Lady. He's about twenty-four years old, and has curly hair, very happy and smiling. And he's holding a large Book out for me to read, and he's pointing to the pages. Oh, but I can't see here.

Oh, yes, now the Book is right before my face, and I can read it. Oh! "Blessed is he whom the world calumniates, and blessed is he who suffers from the hands of others for My sake, for his reward shall be forever with the Father."

Now he's backing up with his Book. Oh! And - oh, he's closing it, and the Book has a very large golden cross on it. Oh! Now he's speaking:

St. Aloysius - "Blessed be ye when the world persecutes you for the Word of God. When man says all manner of lies against you, you shall not defend yourself, but commend all to the Father. When you can do this . . . "

Veronica - Oh, and he's smiling. Oh, he's such a wonderfully happy-looking young man. Now he's repeating:

St. Aloysius - "When you can do this, then you will know that you have divested yourself of all worldly self-pride. It is a grace from the Father. Do not be discouraged. Veronica, pray for the virtue of continuous purity of heart and purpose. Accept all in the will of God and you will find yourself riding the waves and not fighting the tides, of the dark tides."

Veronica - The young man, I recognize, is Aloysius.

Now Our Lady is coming down. Oh, She's coming down very low on the left side of the flagpole. Our Lady says:

Our Lady - "My children, I have no need for a repetition of My words. I have prepared you for what lies ahead. Now you will act upon My direction and you will be saved. Should you cast aside My many warnings and prophecy to you, you will suffer the consequences. Do not take the words given to you idly, in the past, for We have prepared you for your future, which is now.

"I have come to earth as a Mediatrix between God and man. This was allowed of Me by the Father, for you are now in the days which are fast approaching the change of your era.

SETTING UP THE KINGDOM

"Soon your world will face a complete change. Many will be taken out of the world. Your country and the world will be cleansed by the Father. When this cleansing is complete in stages, those who remain will set up the Kingdom with My Son. You have hastened, with your sinfulness, a great disaster to come.

"I ask you now, as Queen of Heaven and guardian of your country and the world, to keep and promote a constant vigilance of prayer. Only in this manner can you avert what is fast coming upon you. O My children, if you could see what is there, beyond your celestial heavens, heading fast upon you, you would fall to your knees."

VISION OF THE BALL OF REDEMPTION

Veronica - Now I see - oh, I see that Ball again. It looks like - well, it changes colors. It's a huge ball. It's white on one side, but then, as it's spinning it turns colors of orange and red. And now it's shooting out - sometimes I think it's like a fire. Now

it's traveling very fast through the sky. It has a very long stream of, of smoke, and vapors, and, like - it's also dropping off pieces of - oh, rocks, and ice. And oh, it's tremendously large. Oh, it's the largest thing I have ever seen in my life! It's a huge ball!

Now Our Lady is standing over to the right, and She's pointing upward, and She says:

Our Lady - "This, My child, will be the instrument of cleansing.

"You will keep confident many aspects given to you in the past. You will not speak on your own to others, for all messages to the world will be given from the sacred grounds. We do this, My child, for the protection of Our work here on earth and for your protection. The enemy will seek to dispute you, to discredit you. Therefore, do not give them fuel to add to their fires.

"Only the Father has the decision of the Ball. Man of science ever seeking, but never reaching the truth. Man of science reaching out to govern the universe, but finding satan.

INTELLECTUAL PRIDE AMONG MEN OF GOD

"The greatest barrier is intellectual pride among the men of God. Once they remove this barrier by much penance and return to prayer, the blindness will be taken from them and they will see the errors of their ways. Pray, My children; pray much for them. The power of prayer is great with the Father.

"The monuments must be returned to the houses of God."

Veronica - Our Lady means statues.

Our Lady - "The children must have replicas of solid nature to cast their eyes on. For what enters through the eyes comes into the mind. And what comes into the mind develops and comes out again. What have you given upon earth for your children to absorb but sin, depravity, and loss of the knowledge of God. All who keep the monuments in their homes and houses will be saved.

"Many manifestations will be given throughout your world. Many seers will cry out and shout the Message of Heaven. None will have not been reached with the message when the Ball arrives.

"Your future is now. The decision for man's extinction, his destruction, lies now with man. the Father watches; He waits as you approach great days of darkness.

"You will all now return and honor My Son in the tabernacles throughout the world. The doors of the houses of God must remain open to do homage to My Son. A constant vigilance of prayer must be kept in the houses of God and in the homes of the people."

MOSES

Veronica - Now there are two men coming down by Our Lady. One is a very old man. He looks so tired and worn with care. He has long hair; it's very gray. He's holding in his hand two large stones, sort of like slabs, and he's pointing to them. Now he's holding them in front of him above his head. He is saying:

Moses - "Time does not change the Commandments of your God!"

Veronica - Oh, I know the man is Moses. And he's holding the Commandments of God. He looks very angry; he looks very angry. Now I see him holding up his hand, his right hand. He's balancing these two - they look like very rough slabs of stone. And he's saying:

Moses - "Time does not change the Commandments of your God. The rule must be followed with discipline."

ISAIAS

Veronica - Oh! Oh, now there's another man coming down by Moses, and he is also carrying a large Book. Oh, it's Isaias.

Isaias - "Repeat, O messenger of the Father, the words I give to the world."

Veronica - He's a man of great strength, and he could be frightening. He's standing there, but as he's looking down now, it seems that his eyes are boring right through me. He's looking over the people. He says:

YOUNG WILL PROPHECY, OLD WILL DREAM DREAMS

Isaias - "Do not still the working of the Holy Spirit among men. The young will prophesy; the old will dream dreams. Man, in the mercy of God, will receive many signs from Heaven.

"Throw the filth in print that you now give your children, and give them back the books of truth. Mothers, practice your duty as guardians of your children's souls. Open the Book. Gather your family about you, and teach them from the Book of life."

Veronica - Oh, he means the Bible.

Isaias - "The family must have a firm foundation of faith."

Veronica - Now I see a lovely lady. I know now it is Saint Anne. And she has a little girl by her hand, and they're going into that building again that I saw before. It's a church, sort of. But it's like a Jewish church, I guess - a temple, because on the door is sort of a star. It has one, two, like, three, four, five, six - a lot of points on it. About six points.

And now I notice that it's - everyone is going into this one large room, and in the room there are a lot of drapes, like, in front of the walls, over the walls. And there's, on the side it looks like a roll, some piece of paper. And now this rabbi is walking over, and he's pulling down this paper that has all kinds of strange - like symbols on it of, of letters. I don't know; I never saw them before.

And now - then I hear - there are three men now standing. They're wearing black, sort of little beanies on their heads, and they're wearing like scarves, like; they're very ornate scarves, like golden tassels on the end. Now they're making very funny sounds, like they're singing. [Veronica imitates their chant.] There are three of them; they're singing.

And now I see everyone is bowing their heads. And the women now are taking scarves and putting them over their heads; they're like pieces of muslin over their heads. And they're sitting now there. And the three men with the books are singing in those strange sounds, like. [Veronica again simulates their chanting.] It's hard to sound them because it's very strange; I never heard it before. And they're going on and on and on, and they're - and now the people there now - the three men have closed the books, and the people are going up, and they're drinking something. They're being handed cups - little, like vessels, and they're drinking. It looks like wine. They're drinking wine. Now the men are drinking the wine, but the women aren't. They're all sitting up front in the seats.

The women have filed into the front seats, and the men now are drinking the wine. And they're coming down now, the three men, and this man on the left who must be a rabbi, I guess, sort of a priest, rabbi, and he is giving them this - these little cup-like things, and they're drinking. And they're passing in front of him and sitting down now. But the women now are all sitting alone in the front, and the men are sitting in front of them. First the men all sit in a row, and the women sit behind them.

Now it's growing very dark, and I can't see anything anymore. Very dark.

Now I see letters being written in the sky. There's a very large cross with a ball underneath it. Over, over the flagpole a very large cross with a ball around it. And then, now that's going over to the right, and over on the left are the large words:

"ONE FOLD, ONE SHEPHERD."

The words are dripping, like in gold and yellow and white letters:

"ONE FOLD, ONE SHEPHERD."

Oh!

Now Our Lady is coming forward, and She's smiling.

Our Lady said:

Our Lady - "I wish to speak with you in private, My child, but with your heavy work perhaps you wish to put it on the machine."

Veronica - Oh!

Our Lady - "My child, do not give in to discouragement. You must trust more in the Father. You waste precious moments and are tiring yourself and wasting your energies by fighting the battle seemingly alone. Silent prayer; reach higher in prayer, My child. Spare these moments, and you will be given more grace. You must make more time for communication with the Father in private.

MAN OF SCIENCE TO BE BEWILDERED BY SPECTACLE

"We grow weary, for so few have recognized the warnings given to man. The arrogance of scientific man has not given due credit to his God. He will rationalize, man of science, until he will endeavor but never reach the pinnacle of de-Christianizing man of earth. He has not yet felt the hand of an angry God upon him. My child, man of science will soon find himself bewildered by a spectacle he will find no explanation in human mind for. Let man of science go out into the universe seeking but never finding.

NEW SECTS CHARISMATIC IN NATURE

"My child, many young are looking for the truth. Many are seeking, but finding satan. They must be warned of these pitfalls. They must be warned to avoid the false prophets who now abound upon your earth setting up many new sects. They are charismatic in nature, but creations of satan.

"Many demons are loosed upon your earth. They have been given great power from satan. You are now in the battle of the spirits, the final battle before the Second Coming of My Son unto the world.

"My child, speak once, and if not hastened, speak no more, but remember and keep in heart that it is not always their direction.

"Obedience, My child, places many restrictions. You will understand that many pastors, many men of God face restrictions. It may not be of their decision.

"However, a guide to clergy and the lay people, My child, is truth. You will not sacrifice in any way your soul for the things of your earthly world. Man has one master only, the God who created him and his universe. Man will answer to only his Master.

"Be it clergy, man of great gain and renown, or the poor of earth, you all have one thing in common, My child: you all must stand before the Father for judgment, and you shall be separated like sheep and goats. For many are called, but few are chosen.

"There are many now who must wait in a place of purging. The agony of loss tears deep into their hearts. Won't you relieve their time of expiation with your prayers and acts of sacrifice? These helpless friends and family await your releasing them from their torment. Do not forget those who have passed beyond the veil, for one day you, too, must go beyond the veil.

"As ye sow, so shall ye reap. Give, and it will be given to you. Pray now for those who are helpless, and you, when you enter, will be prayed for. There are many now who will be in the place of purging unto the end of your time, for they have no one who will pray and expiate their punishment. The fires of longing burn deep into the beings of those who wait. They thirst for your prayers. Many priests await their release. Why have you forgotten them?

"I have been asked to ask you to have three Masses said for a great benefactor of your work, Cardinal Cushing. Masses, please, for Cardinal Cushing."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

[Pause]

In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is over by the right side of the flagpole. Oh, He's dressed beautifully. He has on a rose-colored robe, and His hair is combed very beautifully. It's parted in the center. And the light is so bright that I can't see His face this evening, because it's so bright. But - oh, no, now I can see He's smiling. Now Jesus is saying:

Jesus - "You will direct, My child, to have all sacramentals raised for blessing."

Veronica - And now Jesus says it's not necessary to open up your packages, that He can well see into them. Now Jesus is raising His hand above His head, with His fingers like this, and He's blessing in the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is floating - He doesn't walk, He's floating over towards the flagpole, and He's looking down now, and He's raising His hand again: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming over by Jesus, and They're coming over. Oh, They're passing the flagpole now, and They're on the left side of the flagpole. And now Our Lady also is extending Her Rosary before Her, a beautiful Rosary, white, with - the Our Fathers on the beads are very large and golden, and the cross is gold. And now Our Lady is also extending Her Rosary, the crucifix, above Her head, and She's making the sign of the cross, like this.

And now Jesus is going over; He's on the left side. And now He's raising His hand above His head, and He's looking down now, and - oh, He's coming closer to the left side of the trees, and He's raising His hand now: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is now placing His hand up - that is for me to listen.

Jesus - "I bestow upon all who come to My Mother's sacred grounds graces, graces far in abundance than your human mind can conceive. Graces for conversion, graces for cure - all for the asking. Ask and you shall receive. Nothing is impossible when you come to Me in belief."

Veronica - Now Jesus is raising His hand again. Oh, but this time now, He is making the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost. And now He's turning over; He's standing over on the left side, but He's looking over in this direction. He is also making the sign of the cross.

And now Our Lady and Jesus are coming over together to the right side of the flagpole. Now Our Lady is bending down towards the earth. She's saying:

Our Lady - "You will continue, My child, with the prayers of atonement. They are sorely needed, for the sand of the hourglass is flowing faster and faster. In the name of the Father, and of the Son, and of the Holy Ghost. Amen."

September 13, 1973

Exaltation of the Holy Cross and Eve of Our Lady of Sorrows

Our Lady - "My child, the forces of evil are gathering against you. The agents of hell have multiplied throughout the world and your country.

"The world, your earth, must recognize and accept the warnings from Heaven. I have given to My children countless hours of earth's time, beseeching you to turn now from your evil ways, ways that offend your God and destroy your immortal soul, condemning yourself to the eternal fires of hell. There are many, My child, who come to scoff; there are many who come of the curious. However, they, too, will receive in due time the grace to recognize the truth.

"My tears fall heavily upon the young. It truly rains teardrops from Heaven. Delusion, deception, paganism - it has become a way of life for man to give himself to the pleasures of the flesh. The light has not returned to many homes. We look into the heart of man and find darkness.

MANY WILL SEE AND STILL NOT BELIEVE

"There will be sent upon your earth a great Warning of great magnitude. It will be recognizable to all. Many will see and still not believe. Pray for those who have covered themselves with blindness. When I speak to you, My child, of blindness, it is the state of the spirit. The world of man has lost sight of the road to the Kingdom. Man no longer honors My Son upon his knees. Should you not return to the rule, you will be forced to return to your knees.

"I have been sending the word from the Father throughout the world. Many seers carry the word to the multitudes.

"Your world and your country wallow in a cesspool of error, corruption, and debasement. Satan has set among you in the highest places of rule, giving them power for the destruction of human souls. These agents of hell have been placed in your schools to destroy your young; in your government to bring you to your knees before one who is not of God; and sadly, his agents have entered into the House of God to do battle.

"Michael must be returned to the House of God immediately. Man's free will has cast him aside. He will not be returned unless man asks.

"Your children, through misdirection, the direction of those entrusted with the salvation of their souls, have now been gathered into clans of satanism. The home must now be a fortress and a school for the young, as well as the old. Your example and your return to prayer will be the balance for the salvation of your souls and the souls of your children."

Veronica - I see a large ball over by the trees on the left side. The trees are very illuminated with white light. The sky about it is very illuminated; it's very bright. But over now to the right, the left side of the flagpole, there is a large ball. These white illuminations that become like vapors now are floating over towards the flagpole. They are approaching this huge ball, and atop the ball there is a cross.

Now over on the right side of the flagpole there's a Lady standing there. It is Our Lady, but She is dressed all in black. She looks very dejected, filled with despair. And now She's pointing over the flagpole.

THE GRIM REAPER

By the eagle, over the eagle, there is a large skull. The skull looks like death. Now over to the left side, the ball is floating upward. The cross has disappeared, and the ball now is all black.

Now standing over to the left side of the ball is a figure dressed in black, but he's frightening because I can see his face, and it's a skull. Mister Death. He's pointing his finger over to the eagle. His hand has no flesh; it's a bone, a bony hand. And he's pointing up to the eagle.

Now it's growing very dark, and it's raining. It's a storm, and there's great thunder. Ah! Ah! Oh!

Now that horrible figure in black with the bony finger is pointing up. And now over to the right side there's a huge ball. The ball is very red hot. It's, it's, it's traveling very fast through the sky, but it's a bright orange. And it's streaming flashes behind it, and smoke. And it's traveling very fast across the sky.

Now I see many people down in the roadways, covering their faces. Many are reaching into their pockets. They're searching for their beads. One woman, a very old woman, now she's holding her beads, and she's crossing herself constantly. "Mama mia, Mama mia."

Now I see the ball, and it's becoming very dark. The dust and the particles seem to cut off the light.

Now over to the right, coming through this haze - the ball now seems to be above the haze, and Our Lady is coming forward now. Oh, She's not dressed in that black. Oh, now She's dressed in a beautiful white, white gown. It's trimmed in gold all around the edges, and Our Lady has Her hands like this. And the beads are coming from Her hands, white beads. And Our Lady is standing down and looking down towards us. She's coming closer down now, on the right side of the flagpole.

Our Lady is talking very softly, so softly I can barely hear Her.

Our Lady - "My child, there is little time left for My message to go throughout the world. Pray now a constant vigilance.

"Do not be led by your emotions to disregard My direction to you. You will now make a complete retirement from your world. Only necessary and close workers will be allowed to enter your home. There is no time, My child, left for entertaining.

"The cross We allow you to carry will make your work most difficult, My child. Therefore, We guide you to exercise your God-given grace of knowledge and perception. Do not tax the strength left in your earthly body. You will accomplish and finish the task given to you by Heaven. Do not allow satan to fill you with despair. Your mission will be accomplished.

"You will now limit yourself also to two meals a day.

"We have asked for victim souls throughout the world. We have looked into your heart and accepted your dedication.

"The Father will direct the war of the spirits unto the ultimate victory over evil and the return of earth to the state in which the Father originated its being. After the trials and the cleansing, man will be set in glorious triumph over evil and follow the plan of the Father.

"I have given you the sacramentals, and you must wear them. All who discard them to accede to the mockery and jest of those who follow the road of satan must then join the ranks of those who will fall. Without your armor, you will not be protected against the infiltration of the agents of hell. These agents of darkness, these agents of the prince of darkness exist as beings, beings that you are unable to see with your human eyes.

CHILDREN SHOULD LEARN SCRIPTURES

"Your children must be returned to learning the Scriptures of the prophets. All parents must gather their children and remove them from the agents of satan. Bring the truth to your children through the Book of life, the writings of the prophets of old, the Bible. This legacy was left to man to guide him in his daily life. Instead, man has chosen to read and absorb, to destroy his eternal soul with books of evil, corruption, blasphemy, atheism - all soul destructors, destroyers of purity of heart and body.

"I tell you now, as the Mother of God, your world stands now in judgment before the Father. I beg you now to turn back and keep a constant vigilance of prayer, for many will die in the great flame of the Ball of Redemption.

"My child, do not give in to your human feelings of despair. Pray a constant vigilance; close your ears to the discourse of those who will seek to disquiet your spirit. Listen but to the words of the Father. For many who will knock upon your door are of the evil one.

"Penance, My child, is hard. Sacrifice, My child, is difficult. Ah! The rewards of the Father for perseverance is beyond all that I could show you at this present time. Faith, My child; carry forth your mission for the Father in trust and perseverance. You will be given the strength to complete your mission.

"The Father chose you, My child, long before He set you upon earth. This startles you, My child, but you do not know all the secrets of the Kingdom, for should I reveal them to you, many would no longer be sacred.

"Have great courage in your struggle, knowing that all that happens is allowed by the Father for the salvation of souls. By this manner you will reap many benefits, if not for yourself, but for others.

"Love your enemies, My child. It is easy to love those who love you back, but far greater a grace to love those who calumniate you, those who set and say all manner of evil things against you. Pray for them, My child. You do not have to answer for your actions, for the Father looks into the heart.

"My child, you are a messenger from Heaven, and as such, you will only take your direction from the Father. Many will be sent to mislead you. Many will mislead you. But this, My child, will bring upon you only additional suffering. You must not allow your ears to be filled with suggestions not from Heaven.

"You will pray for all direction. Make no decisions until you consult the Father in quiet manner. Babbling tongues often enter satan within your confine. The battle of the spirits goes on; satan rages throughout your world. You must be prudent and watchful. But first and above all, My child, you must pray more in quiet.

"Many graces, many manifestations will be given to those who have assembled here on the grounds chosen by the Father. I come among you as a Mediatrix of graces, graces free for the asking. I am a consoler of mothers, a director of the wandering young, and above all, a light on the road to the Kingdom. Won't you, My children, light your candles with Me and follow Me as I direct you on the road to Heaven?

"Prayer, atonement, sacrifice - cast aside the things of your world and offer yourself, consecrate your lives to the heart of My Son. All who do this will be saved.

"I bless you, My children: In the name of the Father, and of the Son, and of the Holy Ghost. Amen."

[Pause]

Veronica - . . . Jesus is letting the light go across, Our Lady said, oh, across the sky, right across the sky. Our Lady said Jesus is allowing the light to go across because Michael is over on the right side. He looks - a beautiful light going across with Our Lady. Oh, yes. Oh! Right across.

[Pause]

Our Lady - "My child, I have directives for you. You will now go about your worldly duties in silence."

Veronica - I don't understand.

Our Lady - "You, My child, will now retire from the world, and in doing that, your tongue must also learn to be quiet. Therefore, you will gain more graces by accepting unjust opinion for your self-mortification. We have found, My child, that you have been in the habit of losing your temper. Therefore, We now place you in the rule of silence. You will now only speak . . . [Segment missing from tape.] in the human state. You, My child, must practice the golden rule of silence when under pressure and discord.

"When the vipers of satan are sent forth from the mouths of others, you do not wish to join them with the tainting of your soul by allowing them to enter you and come out again. It is not what goes in, My child, that will destroy you or your soul; it is what comes out. Therefore, speak only holy words. Speak only pure and holy conversation. If this cannot be accomplished, you will then observe the strict rule of silence. Practice this, My child, and you will find it becoming a way of life to you.

"I bless you, My child, and all who come with loving hearts onto My sacred ground. This - these grounds will truly be an oasis of graces in a barren land."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

[Pause]

Saint Theresa has appeared on the left side of the flagpole, and Theresa is coming forward. Oh, she has on a beautiful white - oh, it's almost a cream-colored cloak over her head and down around her feet. Oh!

Now she's saying:

NUNS TO RETURN TO THEIR HABITS

St. Theresa - "My sisters, you have paid no heed to my words. You are dressing yourselves like pagans. The convents will be empty. Whatever shall we do for example? You must not follow the modes of the world. My sisters, you have been misled. Return to your habits. None will enter your convents with true vocation with the example you set now upon yourselves and the world.

"Is it because you have lost the love of your God? Do you not feel great honor for the symbol of your being a true spouse of your God? Half-hearted vocations, sinfulness within the convents! O woe, my sisters, whatever will become of you now? Better that you wear the true habit and sign of dedication than to burn in the fires of hell.

"You will not bring true postulants into the convents by your example now. You walk in darkness, my sisters. Pray for the light, or your convents will be closed. This is the plan of the enemy of God. You must take yourselves from the world and worldly pursuits."

Veronica - Now Our Lady and Jesus are coming over. They're by the right side of the flagpole. Our Lady is dressed in white with golden trim about Her dress. She's wearing golden slippers; they're like sandals. I can see Her feet. She's carrying a very large Rosary. The beads are white; the crucifix is golden.

Now Jesus is standing over by the trees. He's looking down. Jesus has on a red-burgundy robe. Now Jesus is quite tall. Our Lady only comes up to His shoulder. He's carrying part of His robe on His right arm, over His arm; it's very full. Our Lady's garments and Jesus' are both very full, like yards of material in making them.

Now Jesus is holding up His hand, His right hand. I can see the marks in His right hand. Now Jesus is pointing up to the sky, over the flagpole. And written in the sky are the letters, W-A-R-N-I-N-G: "WARNING."

Now Jesus is taking His hand down, and He's going like this. Jesus - quiet!

Now Jesus has raised His hand. Oh, Jesus is going to bless all the sacramentals. All who are able will please kneel. Now Jesus is looking down; He's smiling. Jesus says:

Jesus - "I bless in the Father all objects of God, objects of godly nature, blessed on the grounds chosen for the conversion of sinners in your world. It will not be necessary to remove these objects if they are enclosed within packages."

Veronica - Now Jesus is raising His hand, like this, three fingers, and He's over now on the right side by the trees.

Jesus - "I bless you in the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - And Jesus is making the sign of the Trinity with His three fingers.

Now Our Lady is standing there, and She's carrying Her Rosary. She's holding it in front of Her, like this. Now the cross hangs center-wise, like this, and Our Lady is just extending Her cross. Now She's floating over to the flagpole on the, our right side, and that would be Her right side.

And now Jesus is moving over, and He's looking down and over the - upon the people, and He's raising His hand now, and He's making - oh, the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady and Jesus are going over, over to the left side of the flagpole. Now Jesus is looking down. He's looking sadly and upward to the sky. And there are the words, "WARNING" again. Written in the sky, just over the trees: W-A-R-N-I-N-G.

Now He's - Jesus is coming down about the center of the flagpole. And Our Lady now is behind Him, and He's raising His hand now high above His head. And He's saying:

Jesus - "I bless you in the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - And now it's growing very bright. There's a great, bright light coming beyond the trees. Oh, and - oh, it's Michael. He's - oh, he is very enormous. He's so very large! And then behind him is another - I know it's an angel. He's dressed in a long white robe, something like Jesus'. But Michael is dressed in a short, a short type of dress, sort of. But his feet are covered with lacings of - it looks like golden cords, and they lace onto his sandals.

Now Michael is pointing up to the sky. And over by the eagle, and above now the eagle, are the words "WARNING": W-A-R-N-I-N-G.

Now Jesus is coming now over again back to the right side of the flagpole.

Jesus - "Veronica, My child, you will continue your mission. Many prayers are needed. Already the plan for the separation of the goats from the sheep has started. Great trials will be placed upon a generation that has hardened its heart and turned a deaf ear to its God."

Veronica - Now it's growing very, very dark. The light seems to be receding, and Our Lady is now - not walking; She doesn't walk. She seems to glide, over to the right side of the trees. She says:

Our Lady - "You will continue, My children, with your prayers of atonement. Many are needed now."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

September 28, 1973

Eve of SS. Michael, Gabriel, and Raphael

Veronica - It has grown very bright, and I see there are many angels now in the sky. I know they're angels from their figures. Some are more - I'm able to see them clearer than others. Others seem to be lost in a cloud-like formation.

But now one is coming forward. No, there's one - oh, it's Michael; I recognize Michael. He's coming forward, and he's carrying a very large chalice. The chalice is golden, but it's filled with a red liquid, but it's - the liquid looks like blood.

Now Michael is coming forward. He's now in the middle of the flagpole. Now he's got this chalice; it's a large golden chalice, very bright. It's very shining and brilliant. Now Michael is leaning over. He is saying:

UNCLEAN HANDS

St. Michael - "Look, my child, upon the abominations that have fallen into the cup. Unclean hands shall stain the Body of your Creator."

Veronica - Now there are many angels gathering about Michael. Michael's very large, very beautiful, but tremendous in size. The other angels - they're not as large and awesome as he.

But now Michael is coming forward, and he's pointing over to the left side of the flagpole. And he's now motioning, and there are four angels stepping forward. And in their hands are - they look like bowls or dishes.

Now one is placing something in the dish now. And there's smoke rising from the dish. It's a deep dish, like a bowl. And now he's coming over to the center of the flagpole, and he's standing there with the bowl in front of him.

And Michael now has in his hand - he's on the right side - a long spear, and he's pointing down this way. And now I see the bowl. The angel is turning the bowl upside down and all the - it's burning coal, fire. Ah! Ah! It's very hot - huge rocks of fire!

Now it's growing dark, and Michael is coming over now to the left side of the flagpole. And he's stepping forward.

St. Michael - "Repeat well, my child, the words I am to give now to the world:

"Man of God and human of the world, you have received your final warning. Repent now and do much penance for the offenses against the Most High. Your chastisement will be measured by the sin of man."

Veronica - Now Michael is moving over.

Now coming down from above the flagpole is a large cross, a large cross. It's orange and flaming, and it's now going over, floating across, and it's above the trees. The cross - the centerpiece is like the handle of a sword.

Now on the left side of the flagpole another angel is coming forward. He has a large bowl in his arm, and he's throwing out seed; it looks like seed. He said: "This seed will fall upon earth and it will rot in the ground. What will you pay for the bread?"

And now it's growing very dark, and I see a man sitting on a horse. The horse is black. The man is dressed all in black. He's carrying a scale. It looks like a scale; it has two sections. It also is black, black wood. And he's now reaching into a leather-like sack at his side, and he's placing And he's now looking down, and he's got a horrible smile, a very horrible look on his face. And he's counting out large coins, dropping them into the scale. Now he's dropped his bag to the side, and he's rushing off.

And behind him there's a large angel. Oh, it's Gabriel. Now Gabriel's standing there. He has in his hand a horn! It looks like a long, golden-like instrument, a horn. Now he's raising the horn above his head and pointing over to the right side of the flagpole. And he's saying:

St. Gabriel - "The walls will come tumbling down. The walls will come tumbling down."

Veronica - And now it's growing very dark. And I'm looking - it's like a motion picture. I see water, but oh, it's very deep. And it's churning, and it's - oh, it's a storm.

And now written above is "TEMPEST": T-E-M-P-E-S-T.

Now the water is getting higher, and there are walls coming down, and people are running. And the buildings are coming down. Oh! Oh!

Now Our Lady is coming forward. Oh! Oh, Our Lady is coming forward, and She's dressed beautifully. She's all in white. Oh, She has on a white gown with a gold belt, a tie, a golden tie about it. And She has a white cape. Oh, it's beautiful. The cape has all golden trim, and the cape goes from Her feet all the way up around Her head.

And I can see Our Lady's hair now. It's a light brown, almost - almost blonde. But no, it's a light brown.

And Our Lady is smiling. And now She's coming forward. Our Lady's now in the middle of the flagpole. But over - oh, She's moving over to the middle, by the trees.

Our Lady - "My child, there is not much more that I can add to My words. I have wandered throughout your world for many earth-years, giving heed to the plan of the Father to awaken you to your eventual destruction should you continue on your present path.

"There will be given to man phenomenons and a great Warning. Many will see, My child, and still not believe.

"The Father has counted His sheep. He is familiar with the souls of all. Each hair upon your head has been counted, and your soul is mirrored before His eyes.

"Man will be unable to fully understand the ways of the Father. He is merciful, My child, but He must also chastise. It is in this manner that He will restore earth back to His original creation.

"I have asked the Father to lift your physical cross, My child, as time grows short and there is much work to do. Many arms will be needed in the battle ahead. Deep darkness will settle over the earth."

Veronica - Now Our Lady is pointing up with Her finger, like this, up, high up into the sky. Now there's a large ball, but it looks like the earth. And I see a great darkness because there's a great smoke and fumes and gases. And the sun - the sun is very bright, but it's being covered now by a great haze. And the earth now is very dark.

"It is mid-day," Our Lady says, "mid-day, but it is like the darkest night."

Now it's becoming brighter. And I can see hundreds and hundreds of angels, beautiful angels. Some look very young, like children. They're dressed in different colors. Oh, the colors are just beautiful. They're long gowns.

Now Our Lady is standing over to the right. She's dressed still in Her white with the golden trim.

And now I see other figures coming forward, hundreds of them. The sky is filled with these beautiful figures. Oh, I know they're angels. But I don't see hands. They're just in long robes, but beautiful robes. I can't describe their faces. The light is so bright, but the beauty, the feeling -

Our Lady says:

Our Lady - "My child, you will describe what you see."

TUSAZERI

Veronica - Oh, I see three beautiful figures. I know Michael. And, and - oh, Gabriel, I know. Raphael . . . oh, yes. Raphael is the fairest angel. Oh, and now - oh, Tusazeri! Our Lady says:

Our Lady - "No, he has not left your side. You are being permitted to see him, My child."

Veronica - He's not quite as large as Michael. He's very kind. Our Lady says:

Our Lady - "He is now your truest friend and guide for the mission, your protector and one of the highest archangels in the Kingdom . . . Tusazeri."

Veronica - Oh, now Tusazeri is coming down. Oh! Oh!

Now Our Lady is coming down. Now Our Lady is talking very softly; I can barely hear Her words.

Our Lady - "My child, you will make it known that My message at Fatima must be followed through. The warnings have not been heeded throughout the world.

"Intellectual pride among the men of God has caused much confusion. Know, My child, that satan has placed his agents in the House of My Son. Beware of those who parade themselves as angels of light, yet they have dark hearts, and they are agents of the prince of darkness. You will be given insight, My child, to recognize the face of evil.

THE MAN OF SIN

"The world waits for the arrival of the man of sin. He has been among you, My children, for quite some time. One, (Our Lady is counting) two, three, four, five."

Veronica - Our Lady is holding up five fingers, like this. Now as She holds up the five fingers, Her Rosary is like this. And Our Lady now is shaking Her head, like this, very sadly. She means, "Yes, five."

Our Lady - "There is one who will be released to bring about the sudden arrival of My Son.

"You must make it known to man that a House in darkness has a band of death about it. All that is rotten will fall. Corruption in the House of God will be eliminated."

Veronica - Our Lady says:

Our Lady - "House of God is known in the world as Church.

"Man has only one means now to avert the planned Chastisement and Warning. The Warning and the Chastisement will follow soon upon each other if man continues on his present course. He must now humble himself before the world. He must do much penance, sacrifice, and make atonement for the many offenses against his God. Only in this manner will I, as a Mediatrix between man and God, be able to hold back the destruction which is fast heading towards earth.

"Science and man of intellectual pride will find that he falls far short of the knowledge of his God. The very forces that he used to advance himself upon earth, he has turned against himself to destroy his world.

"When the Warning is sent upon man, there will be no doubt in the minds of man that it descends from the heavens. However, those who have already committed themselves to satan will see and yet not believe.

"You must now do much penance and mortification, for only by prayer and mortification can you hold back the darkness and the destruction.

"My child, I have appeared to many of your brothers and sisters throughout the world. Many have been chosen as voice-boxes for the salvation of souls and to ransom man from the Warning and Chastisement fast coming upon him. However, My child, sadly, today many of Our warnings have fallen upon hardened hearts.

"Man of his free will must now make his decision: the will of the Father, or the selling of his soul to Lucifer. You cannot, upon your earth, My child, serve two masters.

"O My children, how many tears I have shed throughout the years. How many times I plead to the Father for an extension of His mercy to you.

"The eventual Chastisement, My children, will be great, and the loss of the spirits to Heaven much. The count falling into hell grows greater every day. That is why it will be necessary to have this intervention from Heaven. You hold now, My children, the balance in your hands."

Veronica - And now I see a large ball. And on top of the ball there's a cross. And now suspended above the cross is a scale, and to the right of the scale is an hourglass. But the hourglass is empty. And Our Lady now is pointing to the hourglass, and She says:

Our Lady - "You see, My child, time has run out."

Veronica - Now behind Our Lady - She's pointing way in the distance, and I see many crosses, and standing before the crosses, many people: children, men, women, old people, young people, many crosses.

And then over to the right I see that large ball, but it's not the earth. It's a large ball, and it's beginning to spin. Ah! Ah! It's spinning. It's so - spinning so fast that it's starting to move across the sky. And there are gases. [Veronica coughs.] It's blinding.

The gases are all colors. The colors are like orange and yellow, and fading almost into a gray. It's stopped all the light; I can't see anything of the sun. Oh, and it's - and it's crossing now. There's another ball; it's crossing. Oh, the ball looks like the earth. Yes, it's crossing.

Now there are three of those balls. It's crossing between - I know that's the sun and the earth. And behind it now - it's come from behind the sun. I see - it's going around the sun. It comes from behind the sun, and now it's going past the sun now, past the earth, and it's got a terribly wide, long streak of fiery-looking fumes. Ah! Ah! Oh!

Now I see it's going back into the sky. And I'm looking now close onto the earth. And I see - I can't tell. I see . . . there are people, dead people.

Now that man is standing there that was on the horse, and he's dressed all in black. He looks like - he looks horrible, because upon his head is like a - it's not like a monk's hat; it comes to a point. It looks like the - like some kind of a clannish hat, almost like a triangle, black.

Oh, and he's pointing. He's a man with no skin on his fingers, the bone. And he's pointing now to the globe, like this, with his finger.

And now I see written above his head, "DEATH": D-E-A-T-H. And now there's an arrow pointing over, and I see the word written, "HOPE": H-O-P-E.

And now below the word "HOPE," which are bright and golden in color, written in the sky, there's a cross.

Now Our Lady is standing to - the cross is on Her left side; She's over to the right side. And now Our Lady says:

Our Lady - "Many victim souls will give themselves for the salvation of mankind."

Veronica - Now it's growing very dark. Our Lady says:

Our Lady - "I am not leaving, My child. But you must rest now and return to your seat. Jesus will be here to bless all sacramentals very shortly."

Veronica - There's a man with Our Lady standing up there. Our Lady said if I were to speak with you with a loudspeaker you would all hear me. But I think you will all hear me.

ST. LOUIS DE MONTFORT

Our Lady said that I was given this book. It's a very old book, from the time of Saint Louis de Montfort. And I - Our Lady said that I'm to read this passage from it:

"There are many who call themselves devotees of Our Lady. But words do not prove what is in the heart, but actions. They can fall," he says, the man, Saint Louis - it's Louis. Oh, he said to call him Saint Louis. Oh! ". . . into seven categories. We have much false devotion to Our Lady. They are: 1. They are the critical devotees. These are those who call themselves devotees of Our Lady . . ." But they have categories, says Saint Louis de Montfort. They are: "the critical devotees, the scrupulous devotees, the external devotees, the presumptuous devotees, the inconstant devotees, the hypocritical devotees, and the really interested devotees.

Now Saint Louis says, "Those, the critical devotees, are for the most part the proud scholars, those of much learning, with rash and self-sufficient spirits, who have at the bottom of their hearts some devotion to the holy Virgin, but who criticize nearly all the practices of devotion to Her which the simple people may pay simply and holily to their good Mother, because these practices do not fall in with their own humor and fancy."

So those who are of intellectual pride would not approve because it does not fit in with what is in their fancy. "They call in doubt all the miracles of our Faith and the history recorded by authors worthy of our Faith, or drawn from the chronicles of religious orders," they call them down, for the "narratives which testify to us the mercies and the power of the most holy Virgin. They cannot see," these who have the intellectual pride, "without uneasiness, how simple and humble people are - can be on their knees before an altar or an image of Our Lady, sometimes in the corner of a street, in order to pray to God there, and they even accuse them of idolatry, and as if they adored the wood or the stone. They say that for their part," those who have intellectual pride and do have the rule of governing, "they are not fond of these external devotions and that their minds are not so weak as to give faith to such a number of tales and little histories that are in circulation about Our Lady.

"Therefore," Saint Louis says, "watch and pray and allow the Holy Spirit to work among you. In other words," Saint Louis says, "Do not stop the workings of the Holy Spirit, for it is not for man to judge the hand of God among you."

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

[Pause]

Everyone who can, please kneel, because Jesus is here, and He's on the right side of the flagpole. He's been standing here patiently waiting for the finishing of the prayers.

Now Jesus - oh, He wants me to describe His clothes to you. Oh, Jesus is wearing a light pale gown. It's almost, sort of - it's not white, but it's yellowish, sort of. No, not yellowish, He says - tannish, with a burgundy-colored cape. It's quite long; it goes down to Jesus' feet, but He has it now thrown back.

Now He has on sandals, and He's smiling. The sandals look like they're made of brown cord. And Jesus thinks it's quite funny the way I'm describing Him. No . . .

Now Jesus says that you will extend all sacramentals, objects of God, of godly nature.

Now Jesus is moving over towards the flagpole. Now He's standing, and He's starting to place His robe - He's putting it across His hand, like this. Oh, I see, so - oh, I see; He's opening up His robe. Now Jesus has His hand up above His head, like this, the three fingers. Now He says:

Jesus - "You will extend, but it will not be necessary to remove from cartons, all objects of God. I place upon these sacramentals graces for conversion and cure, for the restoration of sinners, and the return of holy Church to the rule. In the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - Now Jesus is raising His hand above His head, like this. He wants me to describe it. I'm facing this way, but He has His three fingers, and He's going like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over to the - near the trees. He's in the center, over by the trees. Now He's coming down - oh, He's going quite close to the trees now.

Oh, and He's now raising His hand, but He's making the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost, on the people over here.

And now Our Lady now is coming from behind the trees, and She's following Jesus. They're floating over past the flagpole. Now They're on the - on the left side, our left side, Their right side. And Jesus now is coming down quite close. Our Lady is standing right next to Him now.

Now Jesus is extending His hand above His head on this side, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's going over, and He's just above the trees now. He's looking down; Jesus is looking down over there. And now He's raising His hand again, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And now Our Lady is extending Her Rosary. Our Lady's Rosary is very large; it's white, and the - no, the Our Father beads are very golden. And the crucifix, the cross, is very golden. It's very large. Our Lady has a very large, white-beaded Rosary.

Now She also is taking the cross, like this, and She's blessing now: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is bending over, talking very softly:

CURATIVE WATERS

Our Lady - "I extend and dispense many graces from the Father to all who will come seeking Our comfort. There will be upon these lands curative waters. And I have directed that there be built an edifice that will do honor to the Father. It will be a major instrument for the recovery of souls in this city, which now stands forth second to Sodom.

"I bless you, My children, and I dispense among you many graces from the Father. In the name of the Father, and of the Son, and of the Holy Ghost."

The Guardian Angels and Eve of Saint Theresa of the Child Jesus

Veronica - Just above the flagpole, Theresa is standing with Our Lady. Our Lady is dressed very beautifully. Now Theresa is coming forward with Our Lady, standing to the right side of the flagpole. Now Theresa is bending over. She is referring to her headpiece. She has a white band about her hair under her veil. Now Theresa is whispering. I'm to repeat:

St. Theresa - "My sisters, it is the will of God that you show no vanity in your habit. Therefore, you will cover your hair."

Veronica - Now Theresa has a band, a white band, and her veil, her black veil covers it. She's pinning it now with what looks to be a clip, over a very stiff, white headpiece that covers her hair completely to her forehead, so that I don't see any hair at all - just her face.

Our Lady now is standing over on Theresa's left side; Theresa would be at Our Lady's right side. And Our Lady is dressed very beautifully in white, and above Her head there's a large circlet of diamonds. No, they look like diamonds, but they're more like the stars. Beautiful! They're just beautiful. They're suspended over Our Lady's head. And Our Lady has on a beautiful white gown. And the cape is very long, and it's bordered with golden braid - very beautiful.

Now Our Lady is looking down. Oh, She has on slippers; Our Lady has on golden slippers. But - oh, She's smiling and raising Her skirts slightly. Oh, on Her slippers She has flowers. They're roses, but they're made of gold - very beautiful!

Now Our Lady is speaking with Theresa. Theresa is smiling, and she's - now Theresa is coming forward, and Our Lady is nodding to her. And Theresa is saying:

RETURN TO MORTIFICATION

St. Theresa - "My sisters of the convents, you must return to a life of mortification and self-privation. You have succumbed to the lures of satan, loving more the pleasures of worldly flesh than the ecstasies that lie beyond the veil when you pass over. Your lives must return to the rule, the strict rule of self-discipline. Your example is very poor to the children. Your actions have not gone by unnoticed by the Father. You will be called to task for your bad example."

ST. PIUS X

Veronica - Now coming down behind Our Lady and Theresa, there's a man. Oh, I know He's dressed all in white. He's quite a stocky man, and he has like a yarmulke on his head, sort of. "Oh, no," he says, "I am Pius." But - and he's pointing up. [Veronica sees writing.] "X . . . X . . . Ten." Oh, Pius, Pope Pius the Tenth! Saint Pius the Tenth.

Oh, he's a good-looking man. He has - I can see very close-cropped hair; it's very white. And he's smiling, and he's saying in a very heavy, masculine tone:

Pope Pius X - "I left behind with you many writings, warning of what was to come about when I left your earth. Why have you cast them aside? They were inspired from the Father. You are traveling now onto the road of modernism, and rationalizing your offenses against the Father."

Veronica - Now he's standing with his hand in front of him, like this - like this, and making the sign of the cross, like this, upon everyone. Now he's also turning over towards the left side of the flagpole, and going like this. His hand is together like this, his fingers. He's blessing everyone with his hand, like this. Oh!

Now Our Lady and Theresa are floating - they don't walk, they just seem to glide - over to the right side by the trees. And they're standing there, and Our Lady is looking over past the flagpole. Oh, and Michael is standing there now. Oh, he's very large. Michael is very large, very beautiful. His brilliance - I can't see beyond the light. I couldn't describe his face. Our Lady says to describe what I see.

Oh, I see a very large, man-like looking figure, but he's got very - you know that he's not earthly because he's very ethereal looking. He's dressed differently than we do. He does have about him a short skirt, but he has on a mantle of silver that looks like armor about his chest. And he's holding a spear.

Now Michael is pointing up to the sky, and - oh, my goodness! There is - there's a terrible creature; it's a snake-like creature. It looks - oh, the cobra. It's a snake in the sky. And now it's standing up on almost the tip of its tail, and it's weaving back and forth. It's beginning to weave back and forth like a pendulum. And now Our Lady - it's very frightening to watch it. And now Michael is coming forward, and he's pointing up with the spear. And Michael is saying:

St. Michael - "See, my child and my children, the spell that satan has cast upon you. You harken to his call and follow him as sheep to the slaughter. You must use all the armors given to you through the ages of earth-time for your protection."

Veronica - Our Lady now is coming forward. And I see Michael pointing up with the spear. And that horrible-looking thing seems to be disappearing, evaporating, like - like it was smoky, and disappearing. I can't see it anymore. Now Our Lady is coming forward. She's very beautiful. And She's holding out Her Rosary. It's a very large white Rosary, with golden Our Fathers and a very large golden crucifix. Now She's leaning forward.

Our Lady - "My child, shout to the world: With My beads of prayer and other sacramentals you can save your souls and the souls of those you love, and there will be a reprieve from Heaven if you fulfill the request of the Father to make full atonement for the offenses to the Father, Who is the Lord high God of Heaven and earth."

Veronica - Now I see suspended in the air a large Scapular. I recognize it as a brown Scapular. It's very large. And it has the figure of Our Lady, and She's holding the Infant Jesus in Her hands. And on the other side - it's strung clear across the sky - are figures, box figures of some type of writing that I don't understand - these figures I don't understand, on this . . . so that I could count almost box-like figures.

And Our Lady now is pointing over behind the flagpole, and there is also another Scapular that has one string. Oh, it is the green Scapular. Our Lady says:

Our Lady - "Repeat, My child: The promises I have made still hold true, for all who wear these sacramentals will enter over the veil and escape the eternal fires.

MAKE THESE SAFEGUARDS

"You will, My child, instruct the mothers and young peoples of the world to devote the remaining time to making these safeguards to their human body and eternal soul. Better they occupy themselves with objects of God than those diversions created by satan at the present time.

"My child, many of the objects of God have been cast aside to be replaced by soul destroyers. The soul destroyers must be removed from within the homes, the schools, and the streets of your country, and especially the foul dens of evil promoted by the prince of darkness in your cities. Your children are the principal objects for seduction by satan.

"Parents hold now a great responsibility for the fall of their children's souls. Many of those chosen to direct these souls have lost their way and have taken the road of temporal pleasures and seducements of satan. They have given themselves to the world and have lost the road to sanctity and the Father.

"Remove the corruption from within the House of God, and you will find your doors opened and the houses of God renewed. A House in darkness wears a band of death about it. A Church in darkness wears a band of death about it. All that is rotten will fall. Truth shall not be clouded in darkness.

"The spirit of evil roams throughout your country and the world. Soon there will be sent upon you a great Warning. Take heed and recognize the hand of the Father upon you. Should you turn your backs upon this Warning, you will receive in due time the great Chastisement.

"My child, what more can I add in human words to the warnings that I have given in many places through many voice-boxes throughout the world? Three human words must stand forth as your way of life: Penance, atonement, sacrifice - now!"

Veronica - And the words are being written in the sky: N-O-W: "NOW!"

And over to the right side of the flagpole, there's a huge hourglass, a huge hourglass, and there's no sands left in the upper half. And over to the left side, I see a pendulum, and it's swinging back and forth, back and forth. And above the flagpole is a large round ball that's starting to spin faster and faster and faster! It is rotating, and it's a tremendous size! Tremendous! And it's going very fast about the eagle. Oh! Oh! Oh, I see a ball - oh, it's tremendous! Oh, and it's shooting out behind it vapors and the gases. Oh, it's a most frightening sight. Oh!

"Science!" There's a voice booming; it's so loud it hurts my ears. Oh, Michael - Michael is coming forward.

St. Michael - "My child, my voice resounds through urgency. Science! Men of science ever seeking, but never reaching the truth! Intellectual pride has been the downfall of many."

Veronica - Now Our Lady is coming forward. She doesn't look as happy as She did before; She looks very sad. And Our Lady is talking very, very low; I can barely hear Her.

Our Lady - "My child, My heart is saddened because of the knowledge that so many will be lost to the Father when the great Ball of Redemption descends upon your earth.

"Now that the Message of Heaven resounds throughout the world, the forces of evil have now come forward with increased ferocity. My child and My children, be prepared for a great battle with satan. The more you advance forward and become a close apostle and disciple of the Father, the more satan will set his snares for you.

"If your country refuses to accept the words from the Father, you will not escape the great Chastisement."

Veronica - Now Our Lady is walking forward - She's not walking, She's floating forward. And now there are three beautiful angels, and they're placing about Our Lady a beautiful blue cape. Oh, it's so beautiful! It's almost like the one we have here. Oh, it is so beautiful, every direction the light shines upon it. And they are placing upon Our Lady's head a golden crown. Oh, Our Lady looks very beautiful, very beautiful!

Now Our Lady - oh, there's an angel coming forward, and he - oh, the angel is carrying a wreath. It's like a headpiece all made of roses, white roses. And Our Lady now is looking back, and Theresa - oh, Theresa now is coming forward. Oh! Oh, she looks so beautiful! She has now on a white cape - it looks white in the light - over her long . . . it's a brown, now, dress; it's very long. And she has a beautiful white cape on. And now she has also - the cape is white.

And Our Lady - now she's kneeling down in front of Our Lady, and Our Lady is placing on her head the white circlet of roses. It's just beautiful! Oh, beautiful!

Now from the sky I see all of these angels coming forward. Oh, there're hundreds of them; they're so beautiful, so beautiful! Oh, and also there're many nuns. They're all dressed in long habits, but they're quite different in their habits. The way their headpieces are, they must be of different orders.

But now three are coming and standing near Theresa and Our Lady. Now Our Lady is placing Her hand out. Oh, and Theresa now is standing up. Oh, now I see her very clearly, very clearly. Oh, now Theresa is saying:

CHILDHOOD - THE ROAD OF SANCTITY

St. Theresa - "Veronica, the road to Heaven is filled with thorns. You will gather the petals along the way, but these you will not keep for yourself. You will prefer the thorns.

"The road to sanctity is one of childhood. It is one of abandonment to the will of the Father. Veronica, you have not yet learned to abandon yourself to the will of the Father. However, do not feel sad, for I, too, had to pray for this grace. You must pray more to accept and desire nothing of the world.

"Do you remember, Veronica, the little poem-message I gave to you a short time ago? Repeat it, Veronica."

SPIRITUAL CHILDHOOD

All I can do is just love You,
For my riches are here in my heart.
They're not locked or chained against stealing;
They're always free to depart.
I offer this gift to You, Jesus;
Accept it with Your precious joy.
I'm Yours to hold there in Your Kingdom,
Just treat me as Your little toy.

St. Theresa - "Yes, Veronica, you have not forgotten the lesson of long ago."

Veronica - Now Our Lady is coming over, and now bending forward.

Our Lady - "You have been concerned, My child, that you have not had the opportunity to send forth the present message to the world. Do not be concerned, for My major message has now gone throughout the earth. You will find there will be many obstacles placed in the path for the dispensing of this message. However, the Father has a plan for each soul.

"Go forward with prayer; go forward with trust and abandonment to the will of the Father. You will be guided here from the sacred grounds, but satan will do greatest battle now to stop you, My child. Know that We are with you, and We send you the graces to accept My Son's cross."

Veronica - Now Our Lady is raising Her cross from Her Rosary very high above Her head, and She's blessing everyone, like this. Oh, She's holding it like this: In the name of the Father, and of the Son, and of the Holy Ghost.

And Our Lady is turning over now towards the right side - our right side. In the name of the Father, and of the Son, and of the Holy Ghost. And now Our Lady is pointing over and upward. Oh! Oh! There's - oh, Jesus is standing there, too. Now He's going like this. Oh.

Jesus - "Return to your seat, My child. I will bless the sacramentals in due time, but the prayers of atonement are much needed. Continue, My child, and do not be affected by outside disturbances.

"I did not ask you to kneel, for I have a plan to strengthen you in the battle ahead."

Veronica - Now Michael is going over - he's holding a very large golden chalice, very beautiful! Oh! But - can't talk; it's like Jesus . . . look . . . oh, so sad.

Now Jesus is coming forward. And Michael is standing there. Now Jesus is smiling.

Jesus - "I will, My child, be with you always. Comfort Me by visiting with Me more often in My House.

I know the schedule I give you is very heavy, but My child, you will find you will accomplish your clerical work much faster if you join Me and unite your heart with Mine in My House daily."

Veronica - Now I see a beautiful red heart. It's beautiful, though it's bleeding. And I see . . . it . . . I see - oh, I see more . . . oh, my body floating - oh, way up, up towards the flagpole. And then - now, it's like my self is just standing right next to - it's sort of two hearts.

"My heart is Yours. I consecrate myself to Your holy Heart. I consecrate my family, my friends, and those most in need, to Your Sacred Heart."

Now Jesus is coming forward. He's speaking very softly.

"Should I speak out?"

Jesus - "My child, I can speak to you in private, or you can share My conversation with the world."

Veronica - "I seek for, O Jesus, to share the conversation with the world, for nothing is mine, for all that I have is given to me but for a short time by the Father. Therefore, I do wish to share all with the world."

Jesus - "Veronica, My child, the words you speak now were not of your own, but I have instructed little Theresa to stand with you in the future days. She has guided you well in the first step of My plan. Now she will direct you with My Mother."

Veronica - And Our Lady now is coming forward. Very beautiful - oh, She's so beautiful! Now Jesus is also saying:

Jesus - "I have asked you purposely to sign "V" with the sign of My suffering and the letters "J-M-J-T." We are united with you for the salvation of mankind. All messages given in the past are for mankind."

Veronica - Yes.

Jesus - "You are to close your ears to the sound of the serpent. You are to retire into a life of prayer and mortification. You will understand fully, My child, when the time is right.

"No, My child, I am not displeased. I expect a human reaction from you. No, My child, it is not necessary for you to speak to Me for the world.

"Your question will be answered very shortly, My child. I promise you the sign, and it will be given very soon. Confidence, My child! My words are not given idly."

Veronica - Now Jesus is raising His hand like this, His three fingers, and blessing: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Be seated, My child. Continue with the prayers of atonement, much needed for a darkened generation."

[Pause]

Veronica - I see a large ball. I see a large ball, and it's spinning. And on one side it looks white, but the other side looks orange. Now I see it coming very close. It's the earth; I can see it's the earth. And I see . . . I see large, huge waves. Oh, they're very high! It . . . just a house . . . very fast - the water starts to rise very fast, and people are running; they're running. One woman is running, and she has a little girl about two years old. She is trying to run with her. The water . . . the water . . . I see it's washed down the houses, because they're floating down. They're floating now - oh, it's impossible to believe! It's like a huge dam broke, and the water's just rushing now over the city.

Then - oh, it is raining very heavily, and I see waters again, but not like the others. These are coming from - like mountains. And the water is pouring down from the mountains onto the houses. And they're terrible! Houses are just washed away like they're a piece of paper. And people - they're trying to hold onto the trees. Oh! Oh!

I never saw a city . . . with water . . . It's impossible, but it's happening. Oh, people are in subway stations and the water is coming in.

Now it's growing very dark, very dark. And now there is appearing over the dark sky a great letter. Oh, it, it doesn't look good. The letter is "W." It's written in the sky: "W," but it's all in black, a huge "W," all in black, written above the eagle. The tip of the "W" comes almost level with the top of the flagpole, the center part of it. "W."

"Warning! Warning! Warning!" A voice repeated three times: "Warning! Warning! Warning!" Three times.

[Pause]

Jesus now raised His hand. He is ready to bless the sacramentals. All who are able will kneel in the presence of God. In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is coming over to my right side, on this side. Now Jesus is - oh, He's very beautiful. Oh, there's no way to explain the light; the light is so beautiful! Oh, now Jesus is raising His hand over His head, like this, His three fingers together, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost - blessing all sacramentals on the right, on my right side; that would be by the tree.

Jesus is nodding. Now He's coming slowly over to between the trees and the flagpole. Now He's raising His hand and looking down now, like this. And He's making now the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is saying:

Jesus - "I send upon you graces, bestow upon you graces in abundance: graces for cure and conversion, graces for the salvation of your soul and the souls of your loved ones."

Veronica - Now Jesus is moving over to the left side, which is His - my left side, and Jesus is just over by the flagpole. Now He's raising His hand, and He's saying:

Jesus - "It will not be necessary to remove your objects of God from your person or packages."

Veronica - Now He's raising His hand, and He's blessing in the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is floating over, over close to the trees now. He's just down by the leaf. In fact, His sandal now just about touches the leaf. And He's raising His hand now, but it's low - it's almost even with His chest. And He's saying:

Jesus - "I bless you in the name of the most high God, and of the Son, and of the Holy Ghost: one God, united in three Divinities; one God."

Veronica - Now Jesus is now going over to the center of the flagpole. Now Jesus - oh, He wants me to stand up and repeat. Oh, on my own? All right.

MARRIAGES CANNOT BE DISSOLVED

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Jesus wants you to know that many marriages are not approved of by Heaven. The example within the homes have led many children onto the road to hell. There will be no rationalization of adultery, there will be no rationalization of the breaking up of the home in divorce. Marriages, consummated and blessed by God the Father, shall not be dissolved by the whims of man.

Know ye now that satan rules throughout your world for a short time. He has the power to turn the husband against his spouse, and the wife against her husband. Know you now that you cannot escape the fires of hell if you dissolve a marriage blessed by God the Father. It is permanent, and in the eyes of God, permanent unto death.

Now Jesus wants me to explain in my own words, which I find difficult. It's much easier when I repeat Our Lady's or Jesus' words. But this: man must understand that satan works through the mind. That there are many homes broken by estrangements, divorce, and separation. Know that satan promotes most of these. His advantage is to disunite in the home.

You see, when you break up the family, you can conquer the souls. The family has been started by God as an anchor. Children are blessed when born into a home which has been created by God through the uniting of man and woman in the Sacrament of holy Church. Therefore, all abuses that man has now subjected him and his family to have been created by satan for the destruction of his soul.

Know that when you find yourself straying from the path, it is not to follow your fancy, but the rule of satan. It is he who has placed temptation before you; it is he who will seek to take you from your home so that he will eventually capture your soul when you pass over the veil.

This may be difficult for you to understand, but it's quite simple. Many homes are breaking up today; many children are going astray. It's not just a sign of the times; it's a sign of the entrance of satan and the loss of grace in the homes. Therefore, you can rebuild your home by returning to the plan of God. Unite as husbands and wives with a common goal to please God. Once you both go in opposite directions, following your fancy and the wills of the flesh and the desires of the flesh, you go onto the wide road that leads to satan and hell.

October 6, 1973

Eve of Our Lady of the Rosary

Veronica - Our Lady is now coming down by the right side of the flagpole. The light is very bright. Oh, Our Lady is beautiful. Oh, the light is so bright I can barely look into Her face. Now Our Lady is standing and looking sadly down. Our Lady says:

Our Lady - "My child, you have recognized now the faces of evil who parade as angels of light. Pray for those who persecute you for My sake.

"My child, I did expect a human reaction from you. It saddened My heart much, but it was not unexpected, for My Son has been a prisoner in many of His houses throughout the world. Man brings his destruction faster upon him.

"Prayer, atonement, and sacrifice! My voice grows weak. I have wandered many years throughout your earth begging you to make restitution to the Father for the many offenses being committed in the House of God and in the hearts of human beings.

"The abyss is open wide; the demons are loosed upon earth. The battle rages. And now the time of the great sorrows has started.

"My child, My children, I do not come to you to bring words of doom - no, but words of hope and courage. Man has brought upon himself the time for great punishment and chastisement.

"In the mercy of the Father, a Warning will be sent to man very soon. Should man not heed this Warning, he will be cleansed until there remains upon your earth only those who will set up the Kingdom with My Son.

WORLD SOON TO BE IN CHAOS

"All who have heard My words and heeded the warning from Heaven will not be unaware of the trials that lie before man now. Already the forces of evil have darkened the world and now have entered upon the governing powers of the world. Soon the world will be embroiled in great chaos. Man will fight a struggle for his survival.

"In My many visits to My children upon earth, I have given you the means for your salvation. The sacramentals must be used, and the example of all parents must be one of goodness and godliness.

"Man must not flee from the houses of My Son. Much evil and corruption has entered into the hearts of many, even in the houses of My Son. However, it was doomed and deemed for this time to come about, for man to pass through a crucible of suffering, one which is a test. All that is rotten will fall. The sheep will be separated from the goats.

"I ask you, My children, to retire from your world which has been given to satan. Keep pure and holy thoughts in your minds and hearts. Set an example of godliness for your children, for many shall be gathered in the days ahead. Many will be taken unprepared to enter the Kingdom.

"My warnings have gone unheeded in many areas of your earth. I have found the doors closed to My entrance. It truly rains teardrops from Heaven!

"My child, you can expect a heavy cross, but know that We give and dispense upon you many graces, graces that you will not understand until the Father reclaims you to the Kingdom.

"It is too late, My children, to fight among yourselves. Life upon your earth is but a short duration. The human life is but a short duration. Therefore, why do you spend it in pursuits that have set your souls on the road to hell?

"My child, this should be for all of Us a day of great joy, for I shower upon you many graces, but My heart is saddened now, for many now will fall into the abyss."

Veronica - I see - the sky is growing very, very dark. But now there's a bright light over to the left side of the flagpole. The sky is becoming very bright. And now as I watch, there's a ball. This ball is traveling very fast. It's small, but it's growing larger as it heads towards the top of the flagpole, almost hitting the eagle. Oh, it's very large! The ball covers the whole sky.

Now all about it I see vapors, like smoke. [Veronica coughs.] I can barely breathe. This ball now is turning very fast. And I see in the distance another large ball, but it looks like the sun. Yes, it is the sun. Oh! Oh!

Now as this ball's turning, I see a large "W" being written in the sky, but the "W" on the right side of the flagpole, the "W" is written in big - it's a big red letter. It doesn't make me feel good to look at it. The "W" looks very frightening. It is like blood is dripping from the letter.

THE SPECTER OF DEATH

Now across the sky there's a horse - there's a man on a horse. And he's riding very fast across the sky now. And he's carrying a sword in his hand. And he's pointing down now towards where we are here. Oh, and now he's coming down from the left. He looks - he's a figure all dressed in black. He has nothing but like slits or holes for eyes, and a mask-like covering of his head. It's very frightening.

Now he's standing there, and he has a large . . . it looks like a - no, it's a scythe. It's like a long handle with a long sword, but curved on the top of it. And he's standing there, and he has the hourglass in his hand now, but he's casting the hourglass at the flagpole. Now he's casting it - he's trying to hit the eagle on top of the flagpole. And he is saying: "The hour is at hand!"

Now he's swinging this scythe. And I see . . . terrible - oh, it's terrible! It's . . . it's like people killing each other with guns, and there are terrible sounds, oh! . . . of explosions. Oh! Oh! Oh!

Now the man in the black hood and the gown is going over to the right side of the flagpole. And he's pointing - he's pointing up to the sky. And he has - he's like a skeleton; he has no skin on his hand. And he is saying: "See the specter of death that awaits man!"

Now it's growing dark, and he's mounting his horse and he's riding across the sky. Now he's disappearing into the sky. I can't see him anymore.

Now it's growing brighter. I feel much better; it's growing brighter. Oh, Our Lady is there. Oh, Blessed Mother! Our Lady is standing there, and She's wiping at Her eyes.

Our Lady - "You see, My child, man has not listened nor heeded My warnings. Now the time of sorrows has begun.

"All who remain with Me throughout these dark days will be saved. I promise to spread My mantle wide. Come to Me all who are burdened with sorrows: mothers, hearts filled with grief; fathers who have sons of affliction. I will comfort you, and I will strengthen you.

"Visit My Son as often as possible. He is very lonely in His houses throughout the world. He looks upon closed doors and waits.

"I, My child, have no need to repeat the many warnings that I have given you from these sacred grounds. My words must be summed up, My child, with the three words of direction: prayer, atonement, sacrifice.

"My child, in your work you must exercise great care, for satan will seek to enter upon your mission. It is better, My child, that you keep your close associations of quality without quantity.

"We will not give you more of a burden, My child, than you can carry. All of your mission will be accomplished in the will of the Father. But We cannot promise you a road without thorns, My child.

"There are many questions in your mind. You are free, My child, to ask these. I give you, My child, the choice to speak with Me in silence or share your knowledge and questions for the salvation of your brothers and sisters.

THE MASS IS ALWAYS VALID

"Yes, My child, Jesus is always present in His House. The Holy Sacrifice of His Mass is always valid when performed by a duly ordained priest. No matter what his human character is, at the time of the Consecration the Father sends the Holy Spirit down to use this human being known as your high priest, to bring to you the Body and the Blood, spiritual and physical, of My Son to you.

"Question not the ways of the Father. You could not fully understand the ways of Heaven. Should this be possible now to you, My children, what then would there be sacred among you? There are many secrets that cannot be shared until you pass beyond the veil.

"You ask, My child, about the state of soul of the priesthood. This, My child, is not for you to question or judge. A human being he is, yes. Subject to error, yes. Subject to fall, yes. But still during the Consecration, and when he hears you in the confessional, the Holy Spirit comes down upon him, using him as an instrument to bring absolution to you.

"It is satan's plan to drive you from My Son's House by creating a fallacy and the outright lie, My children, that the Mass is no longer valid and My Son not present! We see and watch and use human instruments to make the corrections necessary to right the houses of My Son. Many have hardened their hearts and do not listen to these warnings from Heaven. Then, My child, all the Father can do is to chastise them.

"The balance is heavy to the left. Sin has put a heavy cross upon the world. War is a punishment for man's sins! The Father does not bring destruction upon man. Man has brought this destruction upon himself because he has turned from the Father and fallen into the web of satan, succumbing with free will to the temptations of the flesh, for worldly gain and the love of pleasure."

Veronica - Our Lady now is looking from the right to the left. She's looking all over the grounds, very sadly. And Our Lady is smiling. She's saying:

Our Lady - "My children, I am well aware, My Son is aware of your supplications, your beseechments to Us. We know and We see into your hearts. No one will be forsaken by the Father, My Son, the Holy Spirit, when he asks for help.

"The Father plans to send many manifestations of the Holy Spirit throughout the world in this battle against satan. Many seers will spread the message until the word has reached every corner of earth. This mission has almost reached its fulfillment.

"Many have lost their souls for worldly gain. O My children, what have you to gain when you lose Heaven? Your gain is but a temporary gain. You must leave your earth as you were sent to it by the Spirit, taking nothing. You will have no credentials but the graces you have accumulated in your earthly existence.

"The road to Heaven, My children, has never been an easy one. It is satan who makes the road easy to lead you down the wide path.

"You must return to your homes and My Son's House the monuments, statues, My child, of godly nature. Your children cast their eyes upon the creations of satan now. They are soul destroyers. Bring back into your homes all the monuments of God, the statues.

BAD EXAMPLE OF PRIESTS AND NUNS

"High priests of God and foolish virgins who have given themselves to the world, why have you chosen to go down the path to ruination? Your example has set many on the road to hell! Are you ashamed to stand forth and wear the habit of your order? No, you will not enter the Kingdom of Heaven by entering the world! When the world and the House of God become one, it is the end!

"My children, know well the words of truth that you will never gather the souls to the Father by casting aside the directions of the Father given through the prophets of old. You cannot set up new standards. Nothing ever changes in Heaven. The Father is, the Father was, the Father always will be! And the world will be as it was in the beginning, or it shall be changed gradually back to its normal state. This change will come about by a slow cleansing. It will be truly, My children, a crucible of suffering.

"I ask all who care to spread My Message of Heaven. There are many who have not yet received the word. The time grows short. Hasten, My children; work and receive many graces for your labors for the Father.

"The glories of Heaven far supersede anything that man can place in his mind of creation. There are no human words to describe the Kingdom of God to man. It is far beyond what any human could experience in emotion or visual.

"Many years ago the Father permitted My intercession for you in another part of your world. My tears fell upon many nations. My pleas went out to the world. But in earth's time, too long, My children, were their actions. Too long did those who should have known better set forth to save the souls! No! They preferred the ways of the world.

"Man no longer is humble. He will not be on his knees before his God. Therefore, he will be forced to return to his knees!

"My child, I perceive that you are quite upset. It is not My plan to frighten you. But, My child, what else can I say in the sight of what lies ahead for mankind? Can I tell you there will be peace, when there will be no peace? Can I tell you all will be well when the darkness of spirit covers the earth?

"I am not One who can lie, for the father of all liars is satan. It is he who has deceived you with lies upon your earth. I bring you the truth from Heaven; but you must repent now, mend your ways, return your earth to its original state of godliness. Turn back now from satan; return to your God and make heavy penance for the many offenses against Him, for He plans great penance upon earth!

"I have placed Myself before the Father as a Mediatrix between God and man. I beg Him for time to reach My children upon earth. I know your limitations. I know your emotions, My children, for I, too, was once an earth creature.

VISITS BY SAINTS OF HEAVEN

"There are many in Heaven known to you who shed tears of sorrow with Me. They, also, were upon earth and had to make their way here to the Kingdom. Their success has given them great zeal to return and gather you all back onto the road to the Kingdom. Many will be visited by the saints of Heaven. This has been deemed necessary by the Father because of the great battle that is now raging upon earth for the souls.

"The armies of God will be set up to fight the armies of satan. You all, My children, have been given the choice for your salvation or eventual damnation.

"My child, you will sit now and rest. You must conserve your strength, for there is much work ahead. There are many souls to be reached in the time left for you. I bless you, My child and My children."

Veronica - Our Lady is raising Her beads. They're beautiful white beads; they're very large. And the Our Father is golden, and the crucifix is a beautiful golden color. And Our Lady now is blessing everyone: In the name of the Father, and of the Son, and of the Holy Ghost. And Our Lady is holding the crucifix, like this. She has a very large, golden crucifix. It is very beautiful. In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is speaking very softly. Her voice is very low, and She's saying:

Our Lady - "Continue, My children, with your prayers of atonement. Many are needed.

"Many graces will be given to all who come here to My sacred grounds. I have chosen these grounds from many sites throughout earth for reason. Your city is like a cesspool. Your city is a cancer, the evil spreading out throughout the world.

"I know that among you there are many who will accept the cross and be disciples for My Son. Join Me, My children, as We gather your brothers and sisters. In the name of the Father, and of the Son, and of the Holy Ghost. Amen."

Veronica - "Yours is heavier, Mother; mine is very light. Yours is much heavier. Oh, yes, it's beautiful. It's very small. It's very beautiful, O Mother. Yes. Oh, He's just beautiful, Mother!

VERONICA HOLDS THE INFANT JESUS

"Could I hold Him? He's not heavy at all now. He's very light. Oh, yes. No, He wasn't a bit heavy, Mother. He has a perfect smile. Here, Mother . . . The Rosary, yes, yes. True . . . true. I enjoyed it very much! Yes. Thank you, Mother!"

I asked Our Lady if She could appear to everyone. Our Lady said, "One day, yes, but now the Father gives not this permission," for She would be, Our Lady says, "profaned, profaned." Our Lady will give sight to many, and one day sight to all. I have asked Our Lady, as I feel I would like to share all with everyone what I am able to see, and I asked Our Lady if She could allow everyone to see Her. But She said it's not in the will of our Father yet, because She would be profaned.

Our Lady said:

Our Lady - "Blessed is he who does not see, but yet will believe, for of such is the Kingdom of Heaven. Graces in abundance are given to you from these sacred grounds. Many will receive manifestations far beyond all human understanding. Do not discount them and look in the wrong corners, for satan will work among you creating wonders. But I assure you, My children, that you will not be deceived because satan cannot continue his deception. God is all-knowing and good. Satan is like the rotten apple; his odor will be given to you in time. He rots and he fouls."

[Pause]

Veronica - Our Lady says to tell you that the world would not have reached its present state if you had not forgotten the value of prayer. Prayer has been cast aside. And Our Lady says -

"I would rather, Mother, repeat Your words."

Our Lady - "My children, satan has taken from your minds and your hearts the reality of the world to come beyond the veil. In this manner, he gives you all the delights that pamper your human nature, making you succumb to the temptations of the flesh. Therefore, recognize the faces of evil among you. Do not follow like sheep to the slaughter. In your hearts, if you do not fall from the road and remain close to My Son in His House - come to Him often for counsel, and you will not be led astray by the agents of the prince of darkness who now roam throughout your world.

"My heart bleeds as a Mother for the youth of your land and the world, for they are truly the suffering victims of their elders, of poor example in the homes, poor example in the governments of your country and the world, and poor example in the House of My Son. What more can We do? My Son knows no answer but to bring an end to your era.

"I have begged you, My children, to turn back from your ways. There is no sand left in the hourglass. Heaven's time is not akin to man's. But I can assure you, My children, that earth's time grows very short. You will not be fully cleansed as in Noe's time. No, your world will not be destroyed wholly, but in a gradual cleansing until all that will remain will be those who will join My Son in setting up the Kingdom.

"I bring you the words of truth from the Father, and I beg your understanding that as your Mother I come to earth now to warn you and to guide you, with great hope that you will listen now and heed the words of My Son from Heaven. You are on the road to your own destruction. Many will be lost in the great flame of the Ball of Redemption!

"You must now cast aside the books created by satan for your destruction. You must return to your homes the Book of prophecy (Our Lady means the Bible) and read it. It is not a book that is nostalgic. I have heard, My child, that word used often by many in your world. It is not old-fashioned; it is not a myth. O My child, the words We have heard uttered, even in the houses of God, fall upon Our ears. We close Our ears, hoping to soften the thorns in My Son's heart, the knives that you have chosen to pierce into His heart.

"Already the chalice has overflowed. The balance of your destruction lies in your hands.

BILLIONS TO BE LOST

"Man will now make complete atonement to the Father, or he will receive his recompense by a major Warning to mankind, and should this go unheeded, a great chastisement. In this chastisement, My children, billions will be lost. Many lives will be lost."

Veronica - Oh! Oh! Our Lady says:

PLANET STRUCK

Our Lady - "Your earth in due time will be planet struck. This is the will of the Father. The pages of the Book of life and love (the Bible, Our Lady says) are turning faster and faster. Man fans the flames of the fires, and many fall into hell as fast as the snowflakes that fall from your heavens on earth's time.

"You hold the balance for your own salvation and for the continuance of earth as you knew it. Penance, prayer, and atonement. Soon My words will be stopped. The Father now deems that the remaining time be spent in prayer and atonement, good works and example. These are the instruments for the salvation of mankind.

"You will continue now, My children, with your prayers of atonement. My Son will soon be here to bless your sacramentals."

[Pause]

Veronica - She is so beautiful! Oh, She's stand - no, She's sitting down now. She was walking forward. She's dressed beautifully. Our Lady's sitting on a - oh, Her crown, it's just beautiful! It has - oh, red velvet. I never saw Our Lady dressed like this. Just so beautiful! She looks so, so queenly. And oh, on Her head is the most beautiful crown. It is all golden, and it has stones. I never saw stones like this; they're in points. The top of the crown comes out in points and the most beautiful stones.

Oh, and Our Lady now - the gown She has on is like a pink color, and - but it has a cape, because She's sitting on it. And it has a golden tie around the cape, and it extends down past the throne - I guess you call it a throne. It's a huge seat, beautiful golden seat, and so bright! But it looks like it's made of pure gold.

And Our Lady's cape now comes down below Her feet. And Our Lady is smiling because I'm looking at Her shoes. And She thinks it's quite funny that I'm looking at Her shoes, but I never saw Her slippers with - they have like golden rosebuds on Her slippers. Our Lady is now putting Her foot forward. I can see the golden rosebuds on Her slippers. It's so beautiful, Our Lady is. Now Our Lady is bending down, and She says: "Continue, My child." Our Lady is very pleased, sounds like She thinks it's quite funny that I'm describing what She looks like. But let's now continue.

Oh, Our Lady says:

Our Lady - "My child, you expected the battle . . . I have told you it would not be easy."

[Pause]

Veronica - Jesus is now coming over; He's been here waiting. And I wanted to stop before but He said, "No, you must finish the prayers."

Now Jesus is over on the right side of the flagpole, and all who are able to kneel - I know Jesus would like you to kneel, because - He wishes to be humble, but so few kneel now, He says, in the world. So, therefore, now - oh, He's so beautiful!

Jesus is standing on the right side now. He has on His red robe, and this cream-colored gown. And the robe now is over on His right arm. Now Jesus is coming over. He's floating. He doesn't walk; He kind of floats over. And He's standing now by my right side, that would be over by the trees. And now He's going to raise His hand. Now Jesus is - He's going like this to me. He wants me to listen:

Jesus - "My child, instruct the dear souls to hold all their sacramentals that are available, but it will not be necessary for them to remove from the cartons all articles of godly nature. I assure you, My children, I can see through them."

Veronica - And now Jesus is raising His hand high above His head, and He's making now the sign of the cross. He has His three fingers - I don't know if I can imitate it - His three fingers together, and He's saying:

Jesus - "I bless you, My children, in the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - And now Jesus is going over - He's floating over. He doesn't walk; He just seems to glide, like the air carries Him right over. And now Jesus is in the - by the flagpole, right in front, just above Our Lady's statue's head. And His gown now is almost touching Our Lady's crown, right here. Now Jesus is looking over in that direction, and back; He's looking over there and back. But now He's raising His hand high above His head now. He's placing His hand different, though, like this; and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over - Oh, Our Lady now has appeared. She's over by the trees, and She's coming over now. Our Lady - oh, She's so beautiful! She's dressed in a sort of a cream-colored gown with a beautiful cream-colored cape. It has gold trim all around the edge of it. And the gown itself is covered by a cape that reaches right across Her head. I can't see Our Lady's hair this evening. But now She's coming over, and She's standing by Jesus. And Our Lady is smiling. She's very beautiful. Our Lady looks tiny next to Jesus, because He's quite tall.

Now Jesus is coming over to the left side, and He's raising His hand, but not quite so high. It's like above His head here, like this. And He has His three fingers together. And He's now making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is bending down. I'm to repeat:

Jesus - "I bless you, My children, with graces in abundance, graces necessary for the conversion of sinners and the restoration of health for bodily ailments. These graces will be given to propagate the work of the mission of My Mother. Many will scoff, many will reject, but sadly it is of their decision."

Veronica - Now Jesus is going over. Jesus talks more forcefully than Our Lady. Sometimes - it sounds sometimes like Michael; He booms, kind of, in my ears. But it's beautiful, though. He didn't shout quite so loud as Michael the other evening.

And now Jesus is going over, and He's raising His hand now, and He's blessing now everyone by the trees here: In the name of the Father, and of the Son, and of the Holy Ghost - in the sign of the Trinity.

Now Our Lady is coming forward, and She has Her large Rosary. The beads are beautiful; they're like pearls. They're very, very large, very large. Now as She's holding them up, they're glittering. And the colors, though, they're white - I believe they're white; but they seem to glitter all colors, like they're catching the colors of the rainbow. And now the Our Father is golden, and now the - oh, the crucifix is very large. The crucifix is so large that it . . . it's exceptionally large this evening. Our Lady has made it - oh, Our Lady says the crucifix is very large because - oh! - of the heavy cross that will be placed upon the world.

Now Our Lady is taking Her crucifix, and She's now holding it like this. It's very large. And She's holding it straight, like this - like this, Our Lady.

Our Lady - "In the name of the Father, and of the Son, and of the Holy Ghost. I, too, My children, tell you of the great graces gained for your listening to Our call. Our call goes out to the world, and many respond. This gladdens Our Hearts, for We know that with each call there is the possibility of recovering another soul."

Veronica - And now Our Lady is looking over in this direction, and She's raising Her crucifix: In the name of the Father, and of the Son, and of the Holy Ghost. Amen. Now Jesus is coming forward, and He says:

Jesus - "Veronica, My child, and My children, be not dismayed by the agents sent among you. They come to disturb. The scoffers are many, but remember My words: only a few will be saved in the final count. How sad, how sad, My children, the knowledge: only a few will be saved in the final count!"

Veronica - And now Jesus is raising His hand: In the name of the Father, and of the Son, and of the Holy Ghost. Amen. Now Jesus is now floating; He's backwards, going backwards over by the tree, and Our Lady is coming forward.

Now - oh, I hear . . . they're angels. I hear voices singing. Oh! Oh, they know also the songs we sing! They're singing: Hallelu-u-u-jah! Hallelu-u-u-jah! But I can't repeat it. So now there's an angel standing next to Our Lady. Oh, it's Michael! Oh, Michael. You can't miss Michael; his hair is so golden. It hurts your eyes to look at him. His hair is just like a brass, sort of a, metallic sort of brass. Oh, He says: "Translucent, not brass." Well - and Our Lady said we are free now to sing as we please the joyous tunes that are reaching to Heaven.

[Pause]

Our Lady said She would like me to make an announcement in my own words.

"I'd rather that . . . repeat Your . . ."

It's much easier to repeat Our Lady's words than to speak for myself, because I'm a little frightened to speak for myself.

Oh, Our Lady said all right, She will guide me.

Our Lady wants it known that we are gathering all the testimonies of cure and conversion, and they're multiplying. Our Lady said:

Our Lady - "They will more than multiply, My child; they will astound you in the times to come.

"The medal which you cast will be known throughout the world. You will soon understand why We asked you to cast this medal."

Veronica - And now Our Lady says all of the manifestations are to be kept on record. We do have - Our Lady wants you to know we do have actual testimony of cure from blindness, a blindness of twenty-five years; of conversion of a man away from the Sacraments for forty-six years. All of the testimonies of conversions - we have many, and we're keeping on file, and we send as many as we can, for the work is very heavy, through the proper channels. We hope they reach the Holy Father.

And we've also - Our Lady said that She will direct that Lucy receives Jacinta's picture. I've sent it many times to Coimbra, the messages from Jacinta here with Our Lady. Jacinta has appeared now more than three times with Our Lady, and I have sent the messages to Coimbra, Portugal, where Lucy is. Because Our Lady said that Lucy will bear witness to the truth of Jacinta's appearing here.

That is one of the great graces, and presently, Our Lady said, it will remain a mystery, but in time you will understand. Lucy will bear witness to the truth of reality of the appearances of Our Lady at this Shrine.

Now Our Lady said you must also honor the Father.

[The Our Father is recited by all.]

November 1, 1973

All Saints' Day and Eve of All Souls' Day

Veronica - This is Veronica. I have prayed for the direction of Heaven, and due to the urgency of the coming Warning and Chastisement, I must continue ahead with the Message of Heaven to the world. The vigils cannot be stopped at this Shrine. The prayers of atonement must not be stopped. It is the will of God.

Our Lady - "My child, the test has come."

[Pause]

"The forces of evil have gathered to stop the good work. However, My child, you do not have to be affrighted, for We have prepared you for this moment.

"The Message from Heaven will go throughout the world in the short time left for man: penance, atonement, and sacrifice.

"I have gone throughout the world shedding tears for a degenerative generation. My child, the Father now deems it necessary to send upon you an intervention from Heaven."

[Our Lady's message was interrupted at this point by the arrival of a group of local parish authorities, led by the pastor, Monsignor McDonald.

A letter from Monsignor James P. King, Chancellor of the Diocese of Brooklyn, to Father Powell, Episcopal Vicar of the vicariate in which St. Robert's parish is located, was read by Father Powell. It stated that they have "reviewed all the information regarding these vigils, and can only conclude that no supernatural significance can be attached." Therefore, they must discourage these meetings, and henceforth "the church property is out of bounds for devotional use."

After the reading of the letter, the church officials left the grounds without allowing Veronica to make a public defense of the prayer vigils.

Veronica then proceeded to give an explanation to the pilgrims of why the vigils were held and must continue to be held. Finally she was asked to come inside the building and speak with Father Powell.]

Veronica - I've been speaking here with Our Lady in my heart. Our Lady says, should we have been approached in truth and justice, then I would have been subjugated to obedience. But since I was approached by an agent of satan, I do not have to follow him. Therefore, the prayers will continue for those who have the strength to stand up and be counted. It is too late now to be judged by personal opinion. It is too late now to accede to the masters who wish to destroy the souls and render them to satan. Therefore, you do not have to follow the road to hell. Cast off those, Our Lady said, and consult your Bible, for in the end days there will come among you false teachers, one who lives with pride and arrogance, using their rank to lead down the road to hell others.

Therefore, stand forth in the Faith. Prayer, atonement, and sacrifice - more now than ever, for those who have been taken by satan and are being used as tools of the prince of darkness.

[Pause]

All who are able, please kneel. Our Lady - Our Lady said:

SATAN IN THE HOUSE OF GOD

Our Lady - "Do not be discouraged, My children. Did you not recognize the signs of the times?"

"Veronica, My child, why are you so despondent? Did I not tell you that satan had entered into the House of My Son? Prayer and atonement, My child. Soon your lot will be much easier.

"Now My Son will bless these beloved children who have followed the golden rule."

Veronica - Now Jesus is coming over. Oh! Oh! Oh, it's the right side of the flagpole. Oh, and Jesus has on a beautiful red cape. It's a burgundy color. Oh, and He's standing; He's looking - oh, He's smiling, but He looks so sad. Jesus is saying:

Jesus - "Now you understand, My child, how I feel.

"You were given the flower, the petal, with the heavy cross. We prepared you, My child, with the signs."

Veronica - Oh, yes. Our Lady now is smiling. And She's extending Her Rosary. Oh, now She's coming right down to the end. Oh! Oh! Oh, Our Lady said:

Our Lady - "Great courage will be needed in the days ahead. You will pray much, and the Father will counsel you on your next recourse. Spread the message, My child, with great haste.

"Did I not warn you that the agents of darkness would try to stop the truth? Have no fear, My child. It is not man that you should fear. Man has lost his way; he is in deep darkness. Darkness has entered into the hearts of many. Many in My Son's House now have gone down the road to darkness. Pray for them, My child. Do not castigate them in any way, but pray that they may be given the light."

Veronica - Now Our Lady is raising Her hand with the beautiful Rosary. Oh, She has a beautiful white Rosary with a golden cross on it, and She's holding the cross up. And now She's blessing everyone with the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is standing next to Our Lady, and He's holding a ball in His left hand, with a cross on the top of it. And now with His right hand Jesus is going like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is smiling. Oh!

"I - oh, yes. I - oh. I - yes."

I told Jesus that I feel so badly, but He doesn't look that hurt. And He says that:

RECOGNITION WILL COME

Jesus - "The trials will soon be over and recognition will come to all. The Father has a plan for awakening those who have fallen asleep in My House."

Veronica - Oh!

Jesus - "Now, My children, continue with your prayers of atonement."

Veronica - And now Jesus is raising His hand, and He's motioning now over, oh, over by the trees. Oh, He's blessing with His hand this way: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's coming over with Our Lady. Our Lady is very beautiful, but She looks, oh, so tiny next to Jesus now. Oh, it's because He's a little higher. He's a little higher than Our Lady; makes Him look very tall.

And now They're coming over to the left side of the flagpole. And oh, Our Lady and Jesus now - Our Lady's raising the Rosary. The beads are very bright. The white bead sections are glowing like pearls. And now Jesus is raising His hand now. Oh, but He's holding the cross. He's taken the cross now from the world, and He's holding it now above His head. Now He's blessing all with the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning, and He's right near the flagpole. And He's extending the cross over. The cross is made just of wood; it has no corpus on it, just wood. In the name of the Father, and of the Son, and of the Holy Ghost. And now He's going over to the right side again, our right side, and He's extending the cross over: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus says:

Jesus - "All cards of godly nature and all sacramentals have received the grace of conversion and cure.

"Know that this night you have joined Me on the cross. Therefore, since you have acknowledged Me before man, I will acknowledge you before the Father. My children, you have heeded the call of My Mother, and you will be counted among those saved.

PREPARE FOR WARNING

"So now prepare for the days ahead. Pray much, wear your sacramentals, and beware of the sunrise. Do not look up to the flash. Pray; pray much during those days. The world will go into deep darkness. Prayer will be your only recourse. The light will flicker throughout the world, and man will be plunged into heavy darkness. My Mother will be here on these sacred grounds.

"The saints cry out in Heaven for retribution against evil man. The balance has fallen heavily to the left, and man now will receive the just recompense of his evil.

"All who have remained in the light will pass through this great cataclysm without fear, knowing that it is in the plan of the Father to shake from the trees all the rotten fruit. Amen, amen, I say to you: This generation shall not pass without chastisement!"

Veronica - Now Jesus is raising His hand: In the name of the Father, and of the Son, and the Holy Ghost. Now Jesus is pointing up. Oh, my goodness! There's a huge ball. Oh, my goodness! Oh! It's, it's - oh, it's huge! It's the largest thing I've ever seen in my life. And it's spinning, and it's spinning, and it's traveling across the sky. And now the sun, the sun - oh, it's almost the size of the sun! Oh, my goodness! Now as it's spinning, it's gaining fire. It's starting to turn very red. And it's starting to shoot out sparks and rocks. Oh, my goodness! Oh, don't look up to the sunrise. It will blind you! Oh! Oh, my! Oh, oh, oh!

Now it's growing very dark, and I can't see anyone. Now Our Lady is coming - oh, Our Lady is coming out. It's just like the sky has gone all black. And Our Lady is coming forward. She's saying:

Our Lady - "Courage, My child. Can you expect less a lot than My Son received? Do you not recognize the signs of your times? The world now will go through a crucible of suffering. All that is rotten will fall. And all that remains will be those who will join My Son in glorious triumph in the setting up of the Kingdom.

"I will be here, My child, for man has yet to find the way to enter upon the spiritual. Come to Me with your sorrows and I will dry your tears. The heart can always rise to Heaven, for few men can read the thoughts of another."

Eve of Christ the King

FLYING SAUCERS

Veronica -

In a cave so deep and wide,
Your flying saucers seek to hide;
Sent up through space, confusion to found.
Your earth is now clothed all around
With spirits of darkness who travel by night.
But do not be frightened; pray for their flight.

I see going across the sky tonight many strange-looking figures. They're traveling very fast, so that you almost have to look in each direction to catch them as they go by.

Our Lady now is coming down. Oh, Our Lady is standing by the left side of the flagpole. She's very beautiful. Our Lady has been talking to me, but She said it was not necessary to repeat unless I care to keep it for memory. Our Lady said She is very happy that I am here this evening. Our Lady said:

Our Lady - "I missed you, My child, upon My grounds."

Veronica - Our Lady wants me to describe Her clothes. Oh, She's beautiful. Our Lady has on a beautiful white, cloak-like garment that covers Her head down to Her feet. It's all white, but it has gold trim. It's very bright and brilliant, the trim. I believe they're stones, some type of golden stone set into the edge of Our Lady's garment. Beautiful!

Now Our Lady is raising Her hand. Oh, She has Her Rosary; it's the white Rosary with the golden crucifix. Beautiful! The beads are very large.

Now Our Lady is pointing over to the right side of the flagpole. And coming down are two figures; they're very small now, but - oh, now, coming through the sky I can see it's Michael. Oh! Oh!

Now suddenly the sky is all alight with pink. The radiation of colors are going from pink to blue and to white; pink, blue, then white. Beautiful! The huge rainbow now - behind the flagpole is a beautiful rainbow. It extends from the ground upwards in most gorgeous colors of blues, and whites, yellows, green. The green is beautiful. Oh, now the rainbow is fanning out to the left and the right. And - oh, there's a very brilliant, brilliant light. Oh, and Jesus is coming down now.

Oh, Jesus is dressed beautifully, but He is in His bare feet. Oh, He has on a red velvet cape, and it's thrown across His shoulders so that His garment, His white undergarment, His gown, is very long and loose at the waist. But it's tied with a gold rope-like piece about His waist.

Now Jesus is holding His hand up, like this. And now I see all these small angels are coming about Jesus. And Michael is tremendously tall. He's placing upon Jesus' head a most beautiful crown. The crown is golden. It's light, but it has all green emeralds all in the crown. And the top, though, is a red velvet, solid pieces of beautiful red velvet.

Oh, and Jesus' hair, it falls down to His shoulders. His hair's a reddish brown; it's very beautiful. Oh, Jesus looks so beautiful! And He's smiling.

Now Jesus is pointing over to the left side of the flagpole. And by the left side I see coming through the clouds - it's not clouds, it's very dark. It's very dark about it, but I see a very large ball. The ball looks very heavy. It's standing still. No, it's not the fiery ball; it looks like the moon. Yes, it's the moon because I can see the holes on it. And I see the moon now; it's turning very black.

And now Jesus is saying:

Jesus - "There shall be very little life on earth."

Veronica - Now Jesus is going over to the right side of the flagpole. He looks - He doesn't look very happy. Jesus is saying:

Jesus - "Listen carefully, My child, and repeat My words.

"Man has set his destiny. Many victim souls have held back the darkness for countless years on earth time."

Veronica - Oh! Oh! Oh!

Jesus - "Man has failed to recognize the signs of his times. You will all now keep a constant vigilance of prayer throughout your country and the world.

"The Father has full control of the course ahead.

"You have no reason to be so fearful, My child. All who have remained of well spirit will have no reason to be fearful.

"Yes, My child, during all kinds of trials many of the good must suffer with those who have brought the evil upon them and the world. The Father has heard your request for recognition of My Mother's sacred grounds. You must, My child, persevere in your mission. The Father has set the plan. My child, you will accept the Father's will without question. It truly rains teardrops from Heaven.

"The Eternal Father desires the return of His Commandments to the homes and to the schools and to your government.

"The plan for your salvation has been given in countless places through many seers throughout the world. Our words have fallen upon hardened hearts and deafened ears. The sheep have been misled and led astray by those who should have provided a shining example as representatives of the Father. A full measure of penance will be given to all those who hold the responsibility for the fall of young souls. None will escape this heavy punishment.

"Your prayers are needed. Your prayers must be returned to your way of life. You must now starve your bodies and make atonement to the Father for the many offenses against the Father.

"My Mother has come to you as an advocate, a missionary on earth, crying for your salvation. She knows the heartache of a Mother cast aside.

"My child, when you accept this humble lesson, you will find your cross will be lightened. Do not look for the plaudits of man, but do your work in secret, so that the Father Who watches in secret will reward you accordingly. My child, that is all that is truly worth your lifetime on earth - the entrance into the Kingdom.

EACH SOUL HAS MOMENT OF RECOGNITION

"Every soul, My child, that has entered, fallen into hell, has had his choice. In each life there is that moment of recognition of soul. You have all been given a God-born conscience. The Creator, your Father, did not birth you in ignorance. Those who fall into the abyss have done this of free will.

"No man who comes to the Father in belief will be turned away. No sinner is too much of a sinner to be recovered. The Father, the Eternal Father, gathers the sheep, not wishing that one be lost to Him.

"Every soul of the light must now go forth as an apostle of the Father. If you were engaged in mortal combat of the body with another, you would expound great effort to win your cause. Therefore, My children, why have you not used your energies for the salvation of your eternal soul?

"No, you have fallen into the web of evil. You have given yourselves to lustful pleasures and worldly pursuits. Many of you will not have the time or opportunity to mend your ways and return to the light before the great Chastisement."

VISION OF THE ETERNAL FATHER

Veronica - Now I see a very old man. He's very kindly, but He looks awfully old. And He's pointing His finger, like this. And a voice is saying:

Eternal Father - "Do you know Who I am, My child?

I repeat: I am the Ancient of Days. I hold the balance for mankind."

Veronica - Now He's pointing over, and I see - it's like a string and it's got a ball on the end of it, and it's swinging back and forth, but as it swings it seems to gain more string. And it's coming closer and closer, and back and forth. And now as it goes back and forth, it's starting now to twirl. Oh, my goodness! And now it's broken the string, and it's starting to twirl very fast. Oh! And as it's twirling, it's growing in size. Oh, and it's spinning, but it's going straight on across. Oh!

Now it looks white, but it's starting now to shoot out vapors of orange and, and gray, like smoke. Oh, it is huge! It's a tremendous - oh, it's blinding and glaring into my eyes. Oh! Oh! The Father said to place your cloth before your eyes.

Oh, it's a tremendous size, and it's coming so fast. Oh! Now - oh, now as I watch, the ball has slowed down, and it's approaching - oh, the ball, a huge ball to the right. Oh, no - it's the sun!

Now our Father is coming over. And He's standing high up in the air, and above His head is like a white bird. There's a white bird above His head. And He's pointing over to this huge ball, and now He's holding up His hand and writing. "One, two. One, two." The numbers "1, 2" are written across the sky. "One, two."

Now Our Lady is coming forward. Oh, She is beautiful! And Our Lady is bending down. She's talking very softly. Her voice now sounds very - like music. And now behind Her there are many figures. I recognize them as saints. I know they are, because they're so beautiful; they're all illuminated. And I notice the nuns. Oh, I recognize Theresa. Theresa - oh!

Now Theresa is pointing over to the right side, and I see a round table, and there are men sitting at the table. They're all dressed in white, like sheets. No, not sheets - like, oh - well, they're gowns, like. We don't wear them. They're down to their feet. I can see under the table. And they're all sitting around, and they're now pounding on the table, like this, with their hands. And they're all doing this together. They're pounding on the table, and they're pointing up.

And as I look up I see this ball now, but it looks almost like a clock. The ball now is spinning, but it's becoming very light. And now there's like a clock-like figure, and there are lines forming in the clock, one straight down the center from the twelve to the six, and then another goes over the four to the eight. And then I see a black-robed figure on the right, and the black-robed figure is extending his hand. Oh, but his hand has - it looks like a skeleton. Now he's reaching over and he's drawing something over this clock. And it's a large "P." A large "P" is being drawn over the clock. Oh!

And Our Lady says:

Our Lady - "Do not be concerned, My child. The light has not entered upon many. The saints in Heaven cry for retribution.

My child . . . "

Veronica - Our Lady says:

Our Lady - "My child, you will continue to disperse My message throughout the world. In the plan of the Father, your time is counted by days. You will meet with much opposition, My child, but do not be stayed from your mission. Continue with perseverance, and one day you will count the souls that have been ransomed from satan. Prayer, atonement, and sacrifice.

"The Father plans a great Warning to mankind. It is not in the plan of the Father to bring fear upon mankind, but the Father will chastise those He loves.

MISSION NOT UNDERSTOOD BY CLERGY

"When those who represent My Son in His House understand your mission upon earth as a voice-box for Heaven, the full recovery of souls before the cleansing will be accomplished. It is with sorrow of heart that I must make it known to you that many will die in the great flame of the Ball of Redemption. Those counted to be saved are in the few.

"Man has set himself into the web of satan by straying from the path given by the Father. Discipline, self-discipline, and obedience to the rules of God are the only path."

Veronica - Oh! Oh!

Our Lady - "There are many in the House of God who have been misled. They are not to be castigated, but make known to them the Message from Heaven. The Father is always the final judge. Speak once and if not hastened, say no more. But keep in heart, My child, that it may not be of their decision. Errors abound, confusion reigns, and many are running in circles. Do you not recognize the ways of satan? He is the master of confusion. A practiced rule sets a firm foundation."

Veronica - Now Jesus is extending His hand high above His head and making the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming forward, and She's standing with Theresa. Oh, and there is Saint Catherine Labouré. I can never miss her because she's always wearing that big hat. Oh! Oh, yes. Now she's turning it over so it's not - it seems to catch onto Theresa's veiling. Theresa has like a black veiling, and Saint Catherine's hat always catches onto Theresa's veiling when she turns. So she's now pushing it over to the right.

Now I see a man. There's a man coming down by the right side of the flagpole. Oh, I know it is Saint Thomas Aquinas. Oh, Saint Thomas is bending down, and he's carrying this large Book. I recognize it; it's the Bible. And Saint Thomas is saying:

PRIDE AND ARROGANCE OF MAN

St. Thomas - "Confusion, delusion, misrepresentation. Man must not rewrite under the direction of satan. Pray for the light. The words of the founding Fathers have always passed the test of time. Novelty in the House of God will bring darkness and open the door for entrance of the evil spirits. Return to the rules. This foolishness is bringing upon you the wrath of the Father.

"It is arrogant of man to set himself above the Father. It is pride of man who wishes to place himself above the founding Fathers. The rules for your salvation and the way was given fully in the Book of life and love. No changes will be made. The contents will not be altered to follow the fancy of man. When you start burrowing into the foundation, you weaken the structure. However, the foundation of the House of God is in the light. The walls may crumble, but the foundation is always there. Rebuild the walls, patch the cracks, and return the sheep that have strayed.

"We see, we look with consternation upon the actions of those who should be setting by their rank good standards. We find the houses of God being emptied. The House is abandoned by the whims of man, man who has turned to satan. Prayer has been abandoned in the House of God and in the lives of the laity. Unless you pray, you will be lost.

"Sacrifice - has man forgotten the rule? Error, debasement, all manner of filth abounds. A thorough cleansing is called down upon you by the Father. However, this world created by the Father shall be cleansed, not fully as in the time of Noe, but shall be cleansed until those who remain will join with the most high host in setting up the Kingdom."

Veronica - Now I see many figures coming down through the sky, and they're standing behind Saint Thomas. They're all dressed in different types of garments, most of them like monks, I think. They're like monks. They have long garments. They're holding Bibles. And now one is stepping forward. Oh, no! It's Saint Paul.

Now Saint Paul, he's saying:

DEMONS LOOSED ON EARTH

St. Paul - "Repeat, my child, this word to mankind. There is now upon your earth loosed the demons from the abyss. It is the test of your times. Each soul will be tested like the metal in the fires, and those who come through these times of trial without bending shall be given the key to the Kingdom."

Veronica - Now coming behind him - oh, dressed beautifully - is a man. He's quite tall with a long, dark beard, and he's carrying in his hand a - oh, two keys. They're golden keys. And he has on his head a beautiful crown. Oh, it's - oh, he's just beautiful. It's a purple-colored cape he has on with gold trimming, and white - oh, it looks like fur, beautiful fur - ermine, I believe. And now he's coming forward, and he's bending over. And he says:

St. Peter - "Acknowledge the rightful leader of man, pious Paul VI. There is much disobedience in the House of God which has not gone by unnoticed by the Father. Entered upon man and into the House of God are evil demons from the abyss. They have set themselves to do battle with the men of God. Recognize the signs of your times. You are now in the battle of the spirits.

"You will not continue on your path of destruction, each man succumbing to his own worldly pleasures and desires, leading to worldly gain and the loss of his soul and those souls best influenced by their rank.

"You must all now starve your bodies and rid yourselves of the demons which you have allowed to enter upon you. A House in darkness wears a band of death about it. All that is rotten will fall. The light grows dim."

Veronica - Now Our Lady is coming forward. And She's bending over, and She's saying very softly:

Our Lady - "Do not be affrighted, My child, by what you have seen. Know now that none are beyond recovery.

"Pray; pray much. Make many sacrifices of your senses. These are most pleasing to the Father. Sacrifice will recover a straying soul.

"All of the trials of the past set upon earth have passed unnoticed as coming from the Father. Therefore, the Father plans to awaken mankind and those who have fallen asleep in His House by a great Warning. And should this not be instrumental in the recovery of more souls to Heaven, then the Chastisement will not be long in coming."

Veronica - Our Lady now is pointing down to Her feet, and She's saying:

Our Lady - "See, My child, beauty is never in exposure. For man has given himself to the pleasures of the flesh, and in this manner many souls are falling into hell.

"Sin has become a way of life now in your country and throughout the world. The agents of darkness abound and capture many, and set themselves forth to destroy those who are destined for the Kingdom.

"Be on guard; wear your sacramentals. Remain with My Son by His tabernacles throughout the world, and receive the strength necessary for the days ahead.

COUNSEL BUT NOT TO JUDGE

"No man shall set himself to judge another. You may counsel, but you must not judge. The Father is always the final judge."

CHASTITY, PIETY, GOODNESS REMOVED

Jesus - "My child, as We look upon the deepening darkness of earth, the spirits of darkness that cover your world, We look into your books of knowledge and find many of your earth words - chastity, piety, goodness - being removed. All the creations of satan to seduce you and take you down into the bottomless pit are being placed at your disposal.

"Return the monuments to My House."

Veronica - Jesus is pointing. Jesus says:

Jesus - "The statues, the monuments must be returned to the House of God. For what enters through the eyes and the mind leads to contamination or edification of the spirit. Keep pure and holy thoughts entering your mind, for it is also the focal point of entrance for the evil spirits."

Veronica - Now Our Lady is bending down, and She's saying:

Our Lady - "I know, My child, My words are repetitious. But as a Mother of true heart I stand, I will be with you, counseling you in the days ahead. I know the ultimate victory is with Heaven. However, Our hearts are saddened at the numbers that will fall into the abyss before this battle is over.

"Pray much; make many sacrifices, and guard your immortal souls with the armor of sacramentals. Graces We dispense upon you in abundance."

Veronica - Theresa has come forward and asked me to repeat to all her message. Theresa has asked that we have the opportunity to reach many souls with her message.

Those who have not read in print will now hear the Message from Heaven from Theresa; it is in poetical form, but not of poetry. It is a Message from Heaven.

Dear Holy Father, worried and wan
Will struggle with Jesus to gather the sheep.
The pastures are rich, but the sheep grow thin,
For the souls have succumbed to the sickness of sin.
You'll need reinforcements from Heavenly shores,
So deep is the darkness of earth's shallow mores.
All hearts must ascend in true supplication
To avoid the sad fate of divine devastation.
Dear Holy Mother, your Mother of love,
Does beg you to heed these dire words from above:
His heart is torn by careless surrender
Of too many souls that don't try to remember
The Father, the Son, the Spirit of life_
Smite in the heart with the human knife
Of hate, greed, avarice, vanity:
All indications that sin is insanity.
What more must you do but place the full load
Of saving all souls on the few who are bold,
Who'll stand up and fight for all Heaven's glory
And meet with Pope Paul at the end of life's story.

[Pause]

Veronica - Everyone who is able to, please kneel, because Jesus is coming down by the flagpole with Our Lady. Jesus is quite tall. He looks a good - oh, foot taller than Our Lady, and more than that, unless it's the way He's standing up there.

But Jesus said now please extend all your sacramentals. However, Jesus said it is not necessary to reach into your bundles or disturb your packages, because He said:

Jesus - "I can assure you, My children, I can see into your packages."

Veronica - And now Jesus is coming forward. He's about in the middle of the flagpole. And He's extending His hand out, like this, and He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Oh, Jesus is smiling. Oh, and now it's quite windy up there, because as Jesus is going over to the right side - He's between the flagpole and the trees, and His cape is blowing out behind Him.

And I see that He has on sandals. Jesus has on these brown sandals; they sort of go between His toes. And now Jesus is raising His hand now, right in front of Him, like this, with His fingers: In the name of the Father, and of the Son, and of the Holy Ghost. Jesus is blessing in the sign of the Trinity.

And now He's standing forward, and He's placed His hands like this, together - I can't do it - and He's making now the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is leaning over, and He says:

Jesus - "Repeat, My child, after Me.

"I bestow upon these sacred grounds many graces: graces for conversion and cure. All who seek will find."

Veronica - Now Jesus is going over to the left side of the flagpole now. He's past the flagpole, and now He's standing forward.

And Our Lady now is coming over. She glides. They don't walk; They just seem to float right on the air. And Our Lady's coming behind Jesus, and She's smiling. And now Jesus is going to bless everyone on our left side - that's Their right side. Now He's raising His hand above His head, like this, and He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady, too - now She's extending Her Rosary. The Rosary's very large. The beads are white, but the Our Father, I can see, are golden; the Our Fathers are golden. And now Our Lady is holding Her cross out, like this, and She's raising it now in front of Her and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over to the - He's just by the trees, over on the left side, and He's coming down closer, though. He's almost - oh, my! He's almost down - oh, by Father - oh, no - over there, over there. There must be a priest on that side. And now Jesus is smiling, and He's saying:

Jesus - "You are very knowledgeable, My child. I see that Theresa has trained you well."

Veronica - Oh, and now He's raising His hand up; Jesus is raising His hand, and He's coming down. He's leaning over: In the name of the Father, and of the Son, and of the Holy Ghost. and now Jesus is looking - He's looking down the ground. Oh, Jesus is saying:

Jesus - "I am very happy to see the numbers of My dedicated here this evening."

Veronica - Oh, now Jesus - now He's rising. Oh, He's just going up over by the right side of the flagpole. And Our Lady is coming forward. And Our Lady says:

Our Lady - "You will continue now with your prayers of atonement.

"Remember, My children, to keep your sacramentals with you at all times. They are your armor in the days ahead."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

December 7, 1973

Eve of the Immaculate Conception

Veronica - Our Lady now is coming forward. She is standing on top of the moon. But now She is coming forward. Oh, She is very beautiful! Our Lady has on a blue cape, and it's lined in a deep gold, satin-looking material. Oh, it's beautiful! And Our Lady has on Her feet slippers. And on the center of each, it's like a criss-cross-like type of slipper-sandal, made of gold. But on the center is a golden rose, a beautiful golden rose on each foot.

Now Our Lady is coming over, and She has upon Her head a most beautiful headpiece - a crown. It's all made of gold. Oh, and it has brilliant stones, like stars, set in the crown. They're beautiful: greens and blues and a pink. And all the colors are blending now. There's a great light about Our Lady's head.

And now Our Lady is coming forward, and behind Her is Michael. Oh, he is so - he is tremendous! Michael is very large. Oh, Our Lady looks so small next to Michael. Oh, now Our Lady is leaning over, and She's saying, very softly:

Our Lady - "My child, Veronica, you will not defend yourself. You have received good counsel this evening. Accept your cross without complaint. We know the limits of your human nature, but be assured that you will be given the necessary graces to carry on your mission."

Veronica - Oh!

Our Lady - "There will be placed upon the world a very heavy cross. Your country shall not escape a long due chastisement. The Father is not hard of heart. He is most merciful and has suffered long. However, it will be the purification for many.

"I have been much saddened, My child, at the reception of My warnings to many. They have closed their ears and their hearts to My pleas. How sad will be their awakening. The Father has His hand poised to send upon you a just Warning and Chastisement. All those who have remained of well spirit will have nothing to fear. They will go through this Warning and Chastisement without heavy incident."

Veronica - Oh. Oh, my! Oh! I, I can see it - I see a large ball of fire. Oh, it's very large and it's twirling; it's, it's, it's turning at a great speed. And it's shooting off pieces of metal or rock. And it's going across the sky. It, it looks like it's traveling fast, but it's still a distance. It's quite in the distance, but I can see it. It's turning now from white to orange. Now it's - seems to be developing a very large gas-looking tail. Oh!

Now I see a finger. It's like part of a hand, and it's writing in the sky: "FINAL," F-I-N-A-L, "WARNING." Oh! Now Michael is coming forward. He has in his hand a large, golden-looking balance, a scale - I guess it's a scale. And it's leaning very heavily over to his left. And now Michael - his voice is very loud. It hurts my ears; it's booming. He's saying:

A GREAT CATAclysm

St. Michael - "Listen and heed well the warning from the Queen of Heaven. You have chosen to close your ears to these warnings. There will come upon the earth a great cataclysm in the heavens. In this manner you will be forced to acknowledge your God. Man has offended the Creator too long. Make atonement now, for your time grows short."

WAR

Veronica - Now Michael is pointing over to the right side, past the flagpole. The sky is becoming very red, very orange-looking. And I see - I'm looking over - it's like looking to another part of the world. Yes, I see many people are dying. I see - oh, terrible fighting, and also the fighting - the people are marching from the left into the country. They have yellow skins; they're of the yellow race. And now also from the south I see dark-skinned people, and I see the word "AFRICA," A-F-R-I-C-A. "CHINA AND RUSSIA FROM THE NORTH." And now Michael is coming forward, and he says:

St. Michael - "Pray that you do not lose your young in this battle."

Veronica - Now Our Lady is coming forward. She looks very sad.

Our Lady - "My child, My heart is heavy. I have passed many earth-years and coming to many places as a Mediatrix between you and the Father. I will be with you through your trials. Keep in heart that man must not be placed above the Father, that the spirit cannot be removed unless you will it. Therefore, you will always be with the Father through your spirit.

"You must recognize the evil force that surrounds a shrine of purity. They will try to stop you with all cunning and deception. Pray for the light; the archangels wish to protect you."

Veronica - Written in the sky is a large "W". "W" means warning. Ah! Oh. Oh. Oh.

O my God, I am heartily sorry for having offended Thee, and I confess to all my sins because I dread the loss of Heaven and the pains of hell; but most of all because I love Thee, my God, Who art all good and deserving of all my love. I firmly resolve, with the help of Thy grace, to confess my sins, to do penance, and to amend my life. Amen.

Our Lady - "My child, science has placed itself above the Creator. Scientists cannot know and be knowledgeable in the ways of the Father. They know not to differentiate between the soul and the human body.

"You will keep a constant vigilance of prayer in your country and throughout the world. Only in this way will the Father lessen the extent of the coming Warning upon your city, your country, and the world."

SAINT FRANCIS OF ASSISI

Veronica - Now joining Our Lady, there's a man. He's dressed in a long brown robe, and he's carrying a book in the right - his right arm, and he has like a long stick in his left hand. And sitting on his shoulder is a white bird, a beautiful white bird. Oh, I know it's Saint Francis!

Now the light is pouring - there are streams of light coming out from his head. He's bending his head, but he has no hair on the top of his head. And now he's smiling. He has a little short beard, and he's smiling. And he's saying:

St. Francis - "Man must learn and turn back and re-learn the rule of sacrifice and poverty. Man and those in the House of God have given themselves to the pleasures of the flesh. Self-denial is demanded by the Father. You must now starve your bodies of the demons which you have allowed to enter upon you. Prayer, penance, and sacrifice are the cries of those of Heaven for your salvation and the lessening of the Warning and punishment planned by the Father for your cleansing."

Veronica - Now there's another man coming down from behind him. He's dressed very beautifully in a purple robe, and it's gold-trimmed; and he has a very large crown on his head. It looks like the crown that Pope Paul wears. Oh, it's Saint Peter.

SAINT PETER

St. Peter - "I must not slacken in the objective given me by the Father to make known to you that the men in the House of God have given themselves to error. You will not change the words of the Book of life to satisfy the basic desires of mankind. These actions are not of the spirit of godliness, but of the spirit of darkness. These actions are being promoted by the prince of darkness."

Veronica - Now Saint Peter is raising his hand, and he has a beautifully ornate - it's like a scepter, but it has a cross on it. And he's blessing everyone with this scepter-cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost. Now Saint Peter has placed out his hands, and he -

St. Peter - "Continue with your prayers of atonement."

[Pause]

Veronica - Now Our Lady is coming forward.

Our Lady - "My child, you must carry forth with diligence and purpose the Message from Heaven. You are not in normal times; you are not among the normal spirit of goodness. You are now in the midst of the spirit of darkness. Therefore, you must pray a constant vigilance of prayer, and you must be aware of the faces of evil. The forces of evil are gathered to stop the good work. However, no man shall place himself above the Father.

"Fear, My child - what have you to fear but the loss of the Kingdom. Fear is promoted by Lucifer. You will fear no man, but pray for them. Be humble of heart and pray that they, too, may be given the light.

"There are many who are carrying, My child, heavy crosses. Many of these crosses will be taken from them, but We ask others to carry them with perseverance and purpose. For it is their sacrifice that will be instrumental in the recovery of many souls. Know the value of suffering."

Veronica - Now I see - Oh, Our Lady is pointing over, and there are a great many nuns coming down. I recognize them as nuns. Now the four in the front are dressed in long black skirts, and they have black shoes - I can see their shiny black shoes. And I recognize Theresa.

Oh, now it's very windy, and Theresa is coming forward with three other nuns. And they're standing now to the left side of the flagpole. And Theresa - she's starting to whisper; she's talking very low.

SAINT THERESA TO THE NUNS

St. Theresa - "Veronica, they have not lowered their skirts. This offends the Father greatly. Their hearts are hardened to the truth. Modesty and chastity! They have lost their way. They go into deep darkness.

"Oh, my poor sisters! Why have you gone on this foolish road? You have joined, and united yourselves with the world. But the world has now been given to satan. Turn back, for you shall not enter the Kingdom on your present road. You must bring modesty back to my convents. Sacrifice! You do not need to stuff yourselves with the pleasures of the world.

"My sisters, what has happened to the black fast?"

Veronica - I'm looking now into a large room. It's not very well decorated, but I can see the nuns sitting at the table. It must be a convent. It's a long table. But I believe they're nuns from their veils, but they have on regular dresses. Some have on a gray, a deep gray dress with short sleeves. And I can see their stockings and their shoes. Their shoes look like oxfords, but they're, they look very modern. But Theresa now is pointing over, and she's shaking her finger, like this. And Theresa is now saying:

St. Theresa - "My sisters, you offend the Father and you bring great punishment upon yourselves. Your example has been very poor. The children are being misled by your actions. They no longer give you your due honor and respect. But this you promote of your free will. You have preferred to follow the ways of the world. You must return now to the rule or you will not be able to enter the Kingdom.

"I have promised to be with you. My time in the Kingdom has not been easy, for I look upon a world in darkness. I have promised to spend my time in the Kingdom helping you to find your way here. I will not rest until the world has been returned to the Father.

"The images have been removed from my convents. I am very sad. The children have forgotten me; the children will forget all. The images, statues, must be returned to the houses of God and the homes."

Veronica - Now it's growing very dark, very dark. Now I see a very large globe; it looks like the world. And the world now, it's all dark; and it seems that there are candles, little flickers of light, and only one, two, three - the numbers are so few. And now as I watch the candles are going out, until it seems that there are only, maybe, one . . . seven, eight . . . fourteen candles left. Fourteen candles left. Now Our Lady is coming forward, and She is saying:

Our Lady - "Yes, My child, only fourteen candles are left."

Veronica - Now Our Lady is going back. She seems - She's floating, gliding back. And now She's going over and standing by the side with Michael, and there are many angels. I know they're angels. I can't see their faces. But they vary in size. But Michael, of course, is very large. And behind him is this large figure; I know it's Raphael. And then behind him there stand about - one, two . . . it's like steps - about eight steps, like forms of angels. Groupings of angels on steps, going up. Now Our Lady is smiling, and She says:

Our Lady - "We do have a complete Kingdom, My child."

Veronica - It's just beautiful. On the first steps I see these very small - they're child-like figures. They're dressed in beautiful gowns. Each one is a different color. The colors are - so beautiful! I've never seen the colors like this here - pinks and blues, so, so deep and beautiful! Oh!

And now they are passing a garland. Oh, they're passing to each other - the little angels in the first row - a garland. And the garland now is opening up. But - oh, it's a huge Rosary, and it's made of flowers, of roses. Beautiful! And they're standing behind Our Lady now, and Our Lady is looking at the garland of the Rosary. And Our Lady is standing. And now She's coming forward. And now Michael is coming behind Her. And Michael is saying:

St. Michael - "The world must follow the example of the Queen of Heaven. Modesty, purity of heart and purpose."

SAINT BERNADETTE

Veronica - And now there's a young girl coming forward. A young girl, and she's standing there. She's dressed like in peasant clothes, very rough-looking clothes. She looks very poor. And She's kneeling before Our Lady. And now she's turning towards me, and she's saying: "This is truly the Immaculate Conception."

And she's smiling. It's a young girl of about fourteen. And she's smiling, and she's saying: "This is truly - " she is repeating - "this is truly the Immaculate Conception, the Mother of God, Mary most holy!" Oh!

Oh, and now she's rising, and Our Lady has placed Her hand on her head. She looks like a girl of about fourteen. And she has on a white veil, like over her head. And she has on very - they look almost like wooden shoes, and a long dress that's like a dirndl skirt, a long dress with pleats, so that this looks so beautiful! Oh, it's so beautiful! Oh! Oh!

Now she's fading away, and Our Lady is going over beyond the flagpole, and She's pointing upwards. And the sky now is becoming very light and blue. Oh, so beautiful! Now Our Lady is going back, and it's becoming very bright.

Our Lady - "My child, I am not leaving. I am only moving so that you can see the world as it will be after the purification."

Veronica - Oh! Oh, I, I see . . . I don't see anything. It looks like the wild west, like we see. Everything is like - I see some people; they're digging in the ground, and they're planting. It looks like they're planting tomato plants or something. And I see all the people now. The strange thing about it, they're all digging in the dirt, but they have very fancy clothes on! And now one is over, and he's directing that a drill - they do have a drill, some type of drill, and it's going down into the ground. And he's talking about water. Water.

Now I, I look over, and I see very strange-looking houses. They look like they're - they've been made of just wood and twigs and some canvas over them. Looks very strange; it doesn't look like there's much around - almost like a desert. And these people, though now, they're all gathering, and they're coming together, and they're kneeling down. And one man now is taking a crucifix - and he's making a wooden crucifix with two pieces. He's tying them with a piece of what looks like cloth to make the sign of the cross. And they're all kneeling down now, and they're praying. It's very strange because it doesn't seem like there's many people.

Now they're all looking up; they're looking up to the sky, and the voice, and the voice now - now they're looking up to the sky, and as they look up to the sky, they see figures. And they're listening. And it's so beautiful because they're listening to the voices from Heaven.

Now Our Lady - It's growing very dark. And Our Lady said:

Our Lady - "Only a few will be counted."

Veronica - Now Our Lady says to continue with the prayers of atonement, for Jesus has a great message for all.

[Pause]

Veronica - Everyone who can, please kneel, for Jesus now is here. Oh, and He's going to bless all the sacramentals, all objects of God.

Oh, now Jesus is coming forward. Oh, He looks so beautiful! He has a red cape upon His shoulders. It's not red, it's burgundy color - a deep sort of, of red. And Jesus is smiling. He thinks it's quite odd that I'm describing His, His robe. And Jesus has on this long white gown. No, it's like a yellow color. And He has on brown sandals. Yes, Jesus wants me to describe His clothes. Now Jesus' hair looks almost red, but He says it's really a dark brown. It's from the color of the light that's about Jesus. Now He is coming forward, and now He is saying:

WARNING OF GREAT MAGNITUDE

Jesus - "My child, listen carefully, for I have a great message for mankind. The Father has deemed it necessary to send upon the world a Warning, a Warning of great magnitude. This Warning will be meted in the extent of the sin of man and the offenses committed to the Father and the heart of My Blessed Mother. Therefore, My Mother has been allowed to intercede for you that you may be prepared for the coming Warning.

"Wear your sacramentals, and retire now into a life of prayer and self-sacrifice. This will please the Father much and mitigate much of a Warning to you. However, the scale has not been balanced to the satisfaction of the Father, and now there must be an intercession from Heaven.

"We send upon you many graces from the Father, graces for conversion and cure."

Veronica - And now Jesus is raising His hand high above His head, like this, with His fingers extended like this, and He's making now the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over to the right side of the flagpole almost by the trees, and He's looking down now, and He's placing His hand like this, and He's making the sign of the cross upon everyone down below: In the name of the Father, and of the Son, and of the Holy Ghost. Now He's leaning over, and He's talking to someone over there.

Jesus - "My son, you do not have to go through your bag. I can assure you I can look into its contents."

Veronica - And now Jesus is coming over, and He's floating over - He doesn't walk, He floats. And now He's raising His hand in front of Him, like this, and He's making the sign of the cross on everyone.

And now Our Lady is coming down and standing beside Him. Our Lady is a good - at least a foot shorter than Jesus. And She's smiling. Her robe is blowing out; it must be very windy up there. Our Lady is standing just on the right side of the flagpole. The eagle sign comes to Our Lady's - just about Her hip.

Now She's going around, because Jesus is going over now to our left side, and He's looking down. He's smiling very - oh, He's very happy. And He's raising His hand. Now He's blessing everyone on this side, like this, with His fingers in front, and He's making the sign of the Trinity, like this: In the name of the Father, and of the Son, and of the Holy Ghost. And now He's going over, and Jesus is just about between the flagpole and the trees. And He's looking down now, and He says:

Jesus - "I am most pleased to see My dedicated here this evening."

Veronica - And now He is raising His hand, like this, and making the sign of the cross now and bending over; Jesus is bending over quite far. He's looking at someone over on the left side. And now He's making another sign, like this, with the cross, over a man. I think there's a man over there - he must be a clergy.

Now Jesus is rising, He's rising. And Our Lady now is taking Her Rosary. Our Lady's Rosary is very large. It's big white beads, and the Our Father bead is golden, but the crucifix is very golden. Now Our Lady is taking the crucifix. She's telling me to hold it as She is, like this. And now She is going to bless everyone on this side with her golden crucifix: In the name of the Father, and of the Son, and of the Holy Ghost. Our Lady is leaning over.

Our Lady - "Repeat, My child: I bestow upon you from these sacred grounds many graces for the days ahead. You will go through these days without fear, knowing that you are protected by the Sacred Heart of My Son."

Veronica - Now Our Lady is coming over to the right side. She's passed the flagpole now, and She's looking down. And Our Lady is smiling. Now She's raising Her Rosary now over the heads of the people over here. And She's like this, and She's going: In the name of the Father, and of the Son, and of the Holy Ghost. And now Our Lady is placing Her hand out, like this, and from Her hand there are rays of light. They're coming right down on this side. It's beautiful! Oh, the rays of light are coming down all over here! Now, though, She's now going - that was from Her right hand.

Now She's turning around, Our Lady, and Jesus is right behind Her. And the light is so great that it's streaming down on both sides. It's very hard to look at; it's so brilliant.

And now Jesus is placing out His hand, like this, like this, and these rays of - oh, they're brilliant lights. They're very, very hard to look at. And they're coming down now on this side, the left side of the flagpole. And now Jesus is smiling. And He's saying:

Jesus - "This surprises you, My child. But you have not learned of the majesty of the Father."

Veronica - Oh, it's beautiful! The rays now, I notice now - Our Lady is holding Her hand out and instead of light, now the rays are like rainbows. The colors are just beautiful. And they're coming down. And now there are like crystals, crystals now - Our Lady is waving Her hand like this, and there are crystals falling. Oh, they're beautiful! Now Our Lady says that they are manifestations of the graces, and they will be visible in your photographs this evening. Oh, Our Lady said they will be visible in the photographs. Oh, and now Our Lady is smiling:

Our Lady - "My child, though man will disprove these manifestations, they are in for a great surprise. The Father has a plan to awaken those who have fallen asleep in His House."

Veronica - Now Our Lady and Jesus are both raising Their hands and making the sign of the cross. Now the light seems to be closing in like a circle. The light seems to be all circular around Our Lady and Jesus. It's beautiful. And Our Lady is talking - She's saying, oh, about 1969. Yes, Our Lady spoke of 1969, when She gave, with Theresa, a message about these grounds being encircled with graces, and the manifestation of the circle in the sky, which I believe you've observed before. Many times Our Lady will have the Father encircle the area; this has happened many times.

Now Our Lady is nodding. And now They're moving over and They're both standing, Jesus and Our Lady, over by the trees, over by our right side of the flagpole. Now Our Lady is leaning over:

Our Lady - "Continue, My children, with your prayers of atonement."

December 24, 1973

Eve of the Nativity of Our Lord, Christmas Eve

Our Lady - "I have asked you to remove the worldly hat in representation of Our great sorrow for the offenses being given and the bad example being demonstrated in many of Our convents. The hair must not become evident as a source of vanity among Our nuns. Have great sorrow, My child, for many in the convents, by their bad example, have set many onto the road to perdition.

"There will be sent upon the world a great Warning. Should this Warning go unheeded, and man does not make a complete reversal of his ways which offend the Father much, there will be sent upon mankind a great Chastisement. Many will become victims and fall into the abyss."

VISION OF EARTH AFTER THE CHASTISEMENT

Veronica - I see the world, and I see a great darkness covering half of the world. Our Lady now is coming forward, and She is standing sadly and covering Her head with a dark cloak. Her gown was very brilliant and white, but now She is placing over Her head a very dark cloak, almost black.

And She's - now She's putting Her hand out, like this. And Michael is coming forward now. Michael is coming forward, and he's handing Our Lady a candlestick. It looks like a candlestick; it's made of a shining, brass-like material. Maybe it's gold, a golden metal. But it has three candles in it.

Now Our Lady is holding the three candles in front of Her, and She's bowing Her head. And now there're many voices behind Her, but they are singing very strange songs. They're very - I have never heard the songs they are singing. Ah-h-h. Ah-h-h. Ah-h-h. Ah-h-h. [Veronica repeats the melody she hears.]

I see people, many people making their way into buildings. The buildings have been hit by something, because many of the walls are down. Many of the walls are down, and there seems to have been a great disaster. I see great poverty about them. There doesn't seem to be any, any signs of prosperity or any signs of, of industry. Everything seems to be as though it had been leveled.

Now it's growing very dark. And as it's growing dark, Our Lady is holding up this - it looks almost like a candelabra. It's, it has the three candles. And Our Lady now is touching the candelabra over towards Her heart; She's holding it over Her heart.

Now Our Lady is extending Her Rosary, which was tied to a golden cord braided at Her side, and She's saying:

Our Lady - "Pray much, My children, for you do not know what lies before you. Prayer, atonement, and sacrifice! I have wandered throughout your world shedding tears, bitter tears of sorrow upon My children who have failed to listen to My pleas. I have come to save you from what you have led yourselves to - your own destruction. I have given you the plan for your salvation. I have set Myself as victim for you before the Father, begging an extension of time for your repatriation. Many We have reached, but many have turned away in mockery, and have hardened their hearts and deafened their ears to Our pleas. All Heaven will watch the battle ahead. Many will die in the great flame of the Ball of Redemption."

Veronica - Oh! Oh, I see the sky; it's becoming a very, very bright red, almost an orange, a red-orange. And it's like I'm suspended, and the light is so bright it hurts my eyes. And I see this huge ball. Now in the center - it's a gray-colored ball, almost - oh, I don't know what it's made of, but a rock-like formation. But as it's turning now, it's beginning to change color, becoming a purplish, hazy, orange-looking ball. And now it's beginning to gather great speed. And as it's going faster across the sky, part of it has broken off now, and it's going now behind the sun. I see the huge ball and the sun; it's a ball of fire. And this is another ball of fire. And a piece now is broken off, and it's hitting into the sun. And there - Oh! Oh, it's an explosion. Oh, I can't look! Oh! Oh!

Everything seems so still, and I see people now holding onto the chairs in their houses. Everything's rocking. It's like the very foundation is rocking in the houses. And they're all frightened. And many are running into the streets. Oh, the others are running and closing their windows. They're pulling down the shades. Oh! Oh! Others are looking - I can see them looking through their windows, but they do not go outside. They must not go outside.

I see a great mist coming in the sky, a great mist. And there are pieces of - they appear to be rock or dust rock falling. And the people who are outside, they're stumbling. Something's happening to them. They don't seem to - they're like drunk; they're stumbling. And now the ones I'm watching, two of them have fallen. They've fallen on their faces now, and they're trying to get up. Now they're - they're falling forward, and they're not moving.

And I see now this darkness - a great, great mist. And then a deep, musty-looking haze, and it's now going and passing across the moon. And now there's no moon; there's no light. The moon's absolutely covered; I can't see it. There's no light.

Now the sun also seems to be shooting out particles - I don't know - it's particles. And I can see this other ball that looks like a small sun now; it's coming from behind. And it's still - it's twirling, but it is also shooting out particles of, of rock, fiery rock.

Now one piece is very large, and it's falling down now, and as it - it's falling into the water. And then the water is just like steaming and fizzling. And there was force, I guess, when it hit the water, because the water is rising very, very high. Oh!

Now it's growing light. It's growing light, and Our Lady's coming forward. And now She's removing the black, hood-like type of covering from Her head. She says:

Our Lady - "My child, the sight you see is not one that will ever be forgotten by mankind, for not since the days of Noe shall such destruction be visited upon man. You will pray, My child, a constant vigilance of prayer. All My children must now keep a constant vigilance of prayer.

WARNING MUST BE EFFECTIVE

"I cannot stress the fact that I have not come to fill you with fear, but to bring you the facts of what the Father has planned for your chastisement. The Warning which will be sent upon man must be effective; and in the mercy of the Father, a great spectacle will then be placed in the sky for all to see. However, the agents of hell will try to prove - disprove the hand of the Father in this Miracle.

GARABANDAL

"You must cleanse your souls of all sin, mortal and venial. Come to My Son in belief. Believe what you see at Garabandal, and turn back from your ways that have been created by satan. Return to the Father; do penance and atonement, for your chastisement will soon follow upon the great spectacle.

"I bless you all, My children, as the Father blesses you with sad heart."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Lady - "All who have remained in well spirit shall have no fear, for the Father has a plan for bringing man back to Him. Your man of science is always seeking, but never finding the truth. He has climbed the ladder to the pinnacle of knowledge, but never reaching the truth.

"In his arrogance, he has set himself above the Father, seeking to create life and destroy it at will. This will not be condoned! This will not be allowed to continue! The creation of the Father will not be destroyed by man! Your country has given itself to satan; therefore, My children, you have set the path for your own cleansing.

"My child, all that you will have to know of the future will be given to you in photographs. You will study them and dispense the knowledge given to you. Sit, My child, now, and follow My direction.

[Pause]

"My child, do not seek to defend yourself with others. You will accept your cross without complaint, knowing that the Father Who speaks to you in secret is watching all in secret. You will not have to answer for your actions to man. Therefore, do not seek acknowledgement, My child, among man; for if you receive your award - reward from man, what can then We offer you in Heaven? Know that you cannot expect less a lot than My Son had received. It is the way and the road to your purification.

"My child, many ask you for dates, for times. It is not important. It is not necessary that you know dates, but to be prepared. I know that I have not gone throughout the world without using every means and effort to awaken you to the danger that lies ahead.

"A great Warning will be sent upon your earth. Learn from this, and mend your ways; for if you do not, you will then receive a great Chastisement. I repeat this, for many have to learn through repetition. I promise that I will be with you unto the Second Coming of My Son.

"Many false prophets have gone throughout the world, many that were not of the Father, their father being the father of all liars. Recognize, My children, the faces of evil about you. Many come disguised as angels of light. You must all pray for the light.

"You will not cast aside the words of the many prophets who came before you. They were given knowledge from the Father, knowledge that was to fortify you and prepare you for these days that have entered upon mankind - the days of the struggles and sorrows, the days of darkness - unto the Second Coming of My Son.

"I dispense upon all many graces: graces in abundance, graces for the asking. Come to Me, My children, all who are burdened with sorrows, mothers forsaken by their children. There is great discord in family life. I have given you the

sacramentals, and the plan to restore peace within your homes. You must bring My Son back into the hearts of your children. You must return prayer to your home.

"The example being shown by many parents is poor. How can you expect your children to follow the road to the Kingdom when you have lost the road yourselves, and by your example you have set your children onto the road to perdition. A great responsibility has been placed upon the parents of the world, for they will stand in judgment before the Father for the fall of their children's souls.

"Those teachers who have misled, under the direction of satan, the young souls - better that they had died in their mother's wombs, than to face the road that lies before them leading to the abyss and the fires! All who murder for gain shall be destroyed! All that is rotten will fall! All who share in the murder of the young, whether for gain or in arrogance seek to go beyond the Father, they, too, shall fall with the rotten fruit.

THE KEYS OF THE KINGDOM

"My children, I do not come to the proud and the men of knowledge. I come to the little ones - little in worldly knowledge, but filled with the spirit of truth; those with little of worldly possessions, but carrying the keys to the Kingdom. It is these children of God who will remain to greet My Son when He returns.

"Many are called, but few are chosen. The numbers counted will be in the few after the final cleansing. Many minds have been poisoned by satan; many have sold their souls for worldly gain. How sad that they have forgotten that all time comes to an end, all life must reach its end, and all human life passes on to the veil.

"Beyond the veil are the Kingdoms of Heaven and the kingdom of the prince of darkness. Do not sorrow, My child, for you have knowledge that not all will enter the Kingdom without cleansing. How much better it would be if man would learn the value of suffering, and serve his purgatory upon earth, for very few have entered into the Kingdom without a purification.

"Make it known My child that there is a Heaven, that there is a hell and a purgatory. Know that life continues. There is no death; there is only a separation of the body from the living soul. It is only satan who takes the truth from your hearts. It is in this manner that he will seduce you, and claim you after you pass over the veil. You must all now stand forth and be counted.

"The road for all followers of My Son will be filled with thorns. It is not an easy road, but I assure you, My children, it is a road that leads to eternal glory.

"What was to happen in the future shall be now. This, man has sought to bring upon himself. I have prepared you and instructed you, and the Father has permitted Me to come to you as a Mediatrix between God and man.

UFOs-TRANSPORTS FROM HELL

"In this final battle, there are many agents of hell loosed upon earth. They are traveling in transports. Do not be won over to a false theory of life beyond the heavens, other than the Kingdom of God. Know that it is satan who sends these vehicles before you. They are to confuse and confound you. These objects that take flight across your earth are from hell. They are only the false miracles of your times. Recognize them, My children; they are not a figment of man's imagination. They are present in your atmosphere, and they will become more dominant as the fight goes on for the souls.

"There have been divisions of armies set up, two groupings. Lucifer, Luciel, despicable creature of the darkness, has set himself to destroy man, man's soul, and take them to the abyss, the souls of My children. When you fall, you will have fallen of your own free will. No man enters hell unless he has given himself freely to satan."

Veronica - Now I see . . . oh, I see - it's like a large hole. I see the ground is opening and people, people are just falling, they're floating down into a very deep hole. But they seem to have no weight. They're unable to control their movements, and they're just hitting each other, and there's terror on their faces. And they're going down. There's a great, tremendous, flaming light.

And also now coming up are horrible creatures. Now - oh, and they're screaming in terror, the people; but their bodies now are glowing like, like orange, like they're afire, like glowing coals. Oh! Oh, and these other things that - they look like half animal and half human - they're also placing their claw like hands and pushing onto the figures, the human beings; they're pushing them and they're tormenting them. And their very faces are so horrible. But they are - they look - they're so horrible and ugly, that they look like they're enjoying the tormenting of the poor souls. Oh!

Now these bodies of these lost souls - they seem to have an endless burning, like live coals. And they're looking upward, and it's a desperate - they're trying to go up, up, out of the hole. But the more they fight to go up, the further down they go - down into the pit. Oh!

Now I see many down at the bottom of this pit, and they're sitting there. They're no longer floating. The others must be new ones coming down. And those that are sitting are sitting in dejection, and they're repeating: "Forever lost! Forever lost!" Oh! Oh! [Veronica moans at the sorrowful sight.]

Now it's growing dark. And now the light is coming out in the sky. Oh, it's Our Lady. Oh, now Our Lady has removed the black covering from Her head. She looks very beautiful. She's dressed all in white with a gold trim. And I see now that She

has a golden - not a necklace, but a clasp about Her, and it's tied into a knot. The knot has some circles in it, like - looks like three circles, three golden circles.

Now Our Lady is holding up Her hand, and She has Her Rosary in Her hand. It's a very large Rosary - has very large beads, and the Our Father's golden. And Our Lady says:

Our Lady - "You will tell your beads, My child, constantly. A constant vigilance of prayer throughout your country and the world is now necessary."

Veronica - And now Our Lady is raising Her Rosary like this, with the crucifix, and She's making the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is facing over - and if you could see, as She is raising Her cross I can see that great ball again. It's very, very large. Oh, my goodness! And now there's also - there's something over to the left of the ball. It looks like - oh, I don't know, a space-ship or something. It's like a long, modular-looking type of metal casement. And I see that it's behind it, but all of a sudden I see the top of it being blown off. The top of this metal casing now - it's just like it's disintegrating from the intense heat of this large ball. Oh, my goodness! [Veronica coughs.] The smoke! Oh, my goodness!

Oh, I see now there are - there are people inside of this metal casing-like, this casing. But they're, they're not living; they're all dead. Oh!

And I see now the metal casing; now it's starting to explode. And it just - it just blew into a million pieces. And afterwards there's nothing left of it. I can't see anything; it just seemed to explode and be carried away by a great force. There's not a thing left of it. Oh!

[Pause]

Jesus has just appeared. He is at the right side of the flagpole. And He is so beautiful. He's smiling. Oh, Jesus says:

INTERVENTION FOUND NECESSARY

Jesus - "You're not to be afear'd of the coming days ahead, for you will pass through this without injury to your human body. Should you receive the fright, you have been prepared.

"The Father has found it necessary to send upon the world an intervention. In this manner He plans to bring many back to their senses. They have lost their way, having surrendered themselves to the pleasures of the world. Many will return when they are forced back by suffering. The Father is of great heart that He may reach His children without further intervention after the great Miracle."

Veronica - Now Jesus is moving over to the right side of the flagpole, almost by the trees now. He's standing there. And He's looking down very, very, very quietly. There's such a peace and joy, such a wonderful feeling of peace and joy!

Now Jesus is moving over, and He's coming over by the flagpole on the right side. And He's smiling, and He's now placing His finger to His mouth, like this. He's telling me to await His words. Now Jesus asked that all who are able, to kneel.

Jesus - "It is in reparation for the many knees that do not bow. All sacramentals will receive great graces from the Father. These graces will be given in abundance in these days of great trial."

Veronica - Now Jesus is going over to the right side of the flagpole - it would be our right side. And He's bending down now, and He's raising His hand - it's like this, and He's saying:

Jesus - "I bless you in the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - He's making the sign of the cross now. And Jesus has on a beautiful robe. It's the burgundy color that He usually wears. It's a very deep red, almost like a wine color. It's a very long robe, and it covers down to His sandals.

Now Jesus has on a pair of sandals. He's smiling. I guess He thinks it's funny the way I'm describing Him. He says they're not sandals, they're cord. Jesus said they're cord. I called them sandals, but Jesus says they're cord.

And now He's moving over, and He's smiling. And now He's raising His hand again, and He's looking down. And He's saying:

Jesus - "My son, you do not have to rummage into your bag. I assure you I can see into your belongings."

Veronica - And now He's raising His hand, and He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming - oh, Our Lady is coming down. There's a very bright light, and Our Lady is coming forward, and She's standing with Jesus. And She's smiling. And now She's coming - They're floating over. They don't walk; They just float - just seem to be carried like on the air.

And now Jesus is coming over on the left side of our flagpole here, and He's looking down now at the people very, very quietly. It's such a wonderful look of love and peace. And Our Lady also is very serene, though She looks a little sad.

And now as I'm looking at Our Lady, She's pointing up to the sky, and oh, I can see why She's sad. I look up and I can see that ball again. And now Our Lady, though, is pointing down now, and Jesus is raising His hand again, and He's blessing all sacramentals.

Now Jesus says:

Jesus - "All objects of God, of Godly nature - cards, medallions - will be blessed from the Father. They will be used in the days ahead as instruments for conversion and cure. In this manner shall the work of My Mother be propagated."

Veronica - Now He's raising His hand, like this, and He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over - He's standing just above the trees. Now He's rising much higher; He's going up toward the last limb of the tree. But He's looking down now, and He's . . . Our Lady is also taking Her Rosary like this, and She's extending the cross out: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is coming over to the middle of the - by the left side of the flagpole, and He's saying:

CALLED BY THE FATHER

Jesus - "You will find, My children, that these blessings will carry you through the dark days ahead. Many of you will be used as instruments of Heaven, as you have heard throughout the world of many instruments. There is great need for many to go forth and bring the word of truth. All who have come to My Mother's hallowed grounds have come here not by accident, for they have been chosen. Consider yourselves as called by the Father, as apostles of the Father, and go forth with the truth, knowing that the eventual victory will be with the Father in the Kingdom.

"I bless you all, My children, as the Father and the Holy Spirit blesses you. And continue with your prayers of atonement. Many prayers and many acts of sacrifice are needed in the days ahead."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now Our Lady and Jesus are going over to the right side of the flagpole, and They're standing now and looking down. And Our Lady is bowing Her head, and She's saying:

Our Lady - "Continue with your prayers, My children. The power of prayer rises greatly to Heaven."

December 29, 1973

Eve of the Holy Family

Notes: [Veronica announced to the pilgrims attending the vigil that night that the Warning which the Eternal Father planned to set upon the world on December 28, 1973 had been delayed. Man had been granted an extension of time due to the number of victim souls. The major instrument for the reprieve was the sending of Vers Demain by Our Lady to help reach as many souls as possible. Vers Demain, known also as the Pilgrims of St. Michael, is a lay group from Canada that promoted the Bayside Message from 1973 to 1977.]

Veronica - Our Lady is coming down by the right side of the flagpole. Oh, She's very beautiful. Oh, the light is so bright! Oh, Our Lady looks almost like a little girl. She's dressed in a white robe, but it has gold-entwined and embroidered type of ornamental gold trim about Her robe. And now Our Lady is smiling, and She's extending Her Rosary. And She is saying:

Our Lady - "You spoke well, My child, of My children from the House of Saint Michael. You see, We do have a plan for saving your country. This surprises you, My child, much. As I have told you in the past, the Father has a plan for everything. You will not concern yourself of the future, but live each day now to the fullest, consecrating yourself and your family to the Sacred Heart of My Son.

"Yes, your country and the world must go through great trial. However, I do not wish to fill you with fear, but to prepare you for what is to come.

THE SECOND COMING

"All who remain of well spirit will have no fear, but will go through these days of trial with great hope and rejoice with the Second Coming of My Son.

"I must caution you once more, My child, to be most careful of who enters upon your home. The enemies of My Son will try to stop you. You must not travel without your cross.

"I, My child, am doing My utmost to lessen the punishment upon your country and the world. However, My children, you must understand that I cannot do this alone, but you must follow My direction. I have given you the plan for your salvation. You will wear your sacramentals and remain close to My Son in the tabernacles of the world.

"The road before you and all who are destined for the Kingdom will be one of trial. Prepare yourself to be scorned, to be mocked, and to be cast aside by your own.

"No, My child, I cannot take this cross from the world. The world must go through a heavy Chastisement. The time can only be counted with the balancing of the scale. When the weight of iniquity has reached its heaviest, you will know that the wrath of the Father will fall heavy upon mankind.

"My child, there is a simple tale of love: that which you cherish you keep near you. Why have you all discarded the objects of your God? Why have you cast aside the blessed images?"

Veronica - Our Lady means the statues and the pictures. Our Lady is much displeased by many of the pictures of Her Son. They are, Our Lady says, a mockery to His Blessed Heart.

THE WARNING DELAYED

Our Lady - "The Warning which is yet to come upon your city and the world has been delayed. However, the murders in your city have not ceased. The murders of the unborn must cease now, or your city will fall. All who have even a small measure of participation in the slaughter of the Holy Innocents shall be burned in the abyss.

"Your country has lost the knowledge of the Father. Sin within your country is truly an abominable way of life. Your children are walking the road to perdition. Woe to those who have the responsibility of nourishing the souls and set them onto the road to perdition. Better that they had died in their mother's womb!

"You will keep, My child, My children, a constant vigilance of prayer. The danger has not passed by you as yet.

"Prayer, atonement, and sacrifice - is this too much to ask of you? Were you to view your days of the future, you would find prayer, atonement, and sacrifice very little to save yourselves and your children.

"My graced children, you must all unite now and fight the common enemy of My Son. Go forth as disciples of the Father, knowing that the ultimate victory is with the Father in the Kingdom.

"Better, My children, that you have a small circle of blessed friends than to socialize among the wicked. Make your home a fortress of godliness. Remove your children from a world that has become . . . and given to satan. The greatest responsibility for the young souls will be given to the parents. Keep the Faith in the heart of those you love."

Veronica - Now Our Lady is extending Her Rosary out, like this. And now Our Lady is extending out -

Our Lady - "I bless you, My children: In the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - Our Lady is now smiling, and She's looking over to Her right, our left, and She's going like this. Our Lady's Rosary is very large; the beads are very large. They're white, and the Our Father is golden and the crucifix has - now I notice the crucifix has a large globe on the top. Yes, a large globe over the crucifix. Our Lady is saying:

Our Lady - "Yes, My child, My Son is carrying the burden of the world's sins upon His shoulders again."

[Pause]

Veronica - Now all who are able, please kneel, because Jesus is coming now to bless sacramentals.

MICHAEL, THE WARRIOR OF HEAVEN

Oh, Our Lady is with Jesus, and also Michael. Now Michael . . . oh, he has now - I never saw Michael with a cape on. Now he has a cape; it's very large. The cape is a green color, bordered in, in gold trim. It's like a gold braid. Now Michael, though, is taking the cape off. I see that he has on a strange-looking sort of - oh, I don't know, it looks like a warrior's outfit. No, I couldn't call it short sleeves because it's like woven, fine woven type of braid on his arms down to his elbows. And on his chest there is a, it appears to be a silver metal, metallic-like vest.

And he has now - oh, dear, a short skirt. Oh. Oh, but he has on his legs like a braided, corded type of sandal. But I notice on the back of the heels, it looks like wings, like - like one section of a wing on the back of his heels. He's turning sideways. Now the corded braiding of his leg also matches the gold braid on his cloak that he just took off. Now he's putting it over his arm. And Michael is still holding now that scale. He has the golden scale in his hand, and he's standing now. Michael - oh, my goodness! He's, oh, at least six or seven times taller, oh, than Jesus or Our Lady. And he doesn't look out of proportion, but he's very big! Now I can't see Michael's face because of the light; it's very bright.

But now Jesus is coming forward. Jesus wants me to describe His garments. He has on a burgundy-colored robe and a cream-colored - not dress, gown; He says gown, not dress. And He has these . . . oh, sandals. They're like crossed pieces of sandals; they look brown. Now Jesus is opening His cloak, and I see now it's imprinted on His garment a - oh, it's a heart, a very red heart. But it looks like there's a sword through it, a golden-looking sword. And Jesus is now bending over, and He said:

Jesus - "It is the gold, My child, that has put the sword into My heart."

Veronica - Oh, I guess . . . I, I, I believe Jesus means - and He's shaking His head yes. It is the love of money that has put the sword in His heart. The world's love of money and gain.

Now Jesus is coming over, and He's closed now the cloak, so I can't see that part of His gown that has the heart. And Our Lady is right behind Him.

Our Lady is - looks very beautiful now. She has a crown on Her head. It's a golden crown, but with a velvet type of lining inside. And on the crown is - oh, it's . . . on the top it has like a ball with a cross on the top of it. It's a golden, round ball with a cross on the top. Our Lady is smiling. Oh, Our Lady says:

Our Lady - "You described it very well, My child."

Veronica - And She's bending Her head down, and now Our Lady is raising the crucifix of Her Rosary. Our Lady carries the Rosary now about Her waist; there's a gold cord about Her waist. And She's taking it now from Her waist. And now Jesus is coming forward, and He's extending His hand, like this. And now Jesus is saying:

Jesus - "I will bless all sacramentals. They will be instruments for the conversion of sinners - cures and conversions far beyond what man has ever anticipated. All this I give you if you will believe and come to Me."

Veronica - Now Jesus is raising His hand, like this, and He is making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady and Jesus are floating over to the right side of the flagpole, and They're looking down now. And Jesus is raising His hand again, like this. Now He's, though, making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

BALL OF FIRE

Now Jesus is pointing up to the sky. Oh, He wants me to - oh, there's that ball again! That - oh, it's very large. It's a ball of fire, and it has a - oh, I can see the tail very clearly now. It's a long, orange tail. It's really a fiery red. It's very, very hot-looking. Now that - it's really hurtling through the sky; it's just - zing, like that.

Now Jesus is pointing now down over - oh, He's making His way over to our left side of the flagpole. He's floating over - He just seems to glide; Our Lady and Jesus just glide over.

Now Jesus is coming down further; He's just about the middle of the flagpole, but over here on the left. Now Jesus is smiling. Now He's raising His hand again in front of Him, and He's making the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

And Our Lady now is raising Her golden crucifix, and She is also raising it so very high above Her head, like this, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. And now Our Lady is turning over in this direction: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is saying very, very softly - I can barely hear Her. Oh!

Our Lady - "Many conversions and cures, many graces shall be given. Graces in abundance, graces for the asking. All who come to My sacred grounds shall not leave unfulfilled."

Veronica - And Our Lady now is raising the crucifix again: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is bending forward, and He's saying:

Jesus - "Remember the words of My Mother well, for We do trust that you have not cast Her words aside or listened to them with deafened ears. My Mother's warnings shall be heeded or the world shall go through a heavy crucible of suffering. This We do not wish to send upon you, but this man shall lead himself to if he does not heed the warnings from Heaven."

Veronica - Now Jesus is blessing us, like this - I'm trying . . . He says to bring my two fingers together, fingers together like this. Oh! In the name of the Father, and of the Son, and of the Holy Ghost.

Now there's a tremendous light, and I see - oh, there's Michael. And also next to him are two - well, they're smaller in size, but they're gigantic! Oh, they cover the whole sky. Neither of them look out of proportion. That's Gabriel and Raphael. And now I hear there is music in the background. Oh, I can hear the music - beautiful! It's a choir, it's just . . . voices of - they sound like children. There's no way to describe it.

Now it's growing very gray-looking, and Our Lady now is coming forward. And Jesus now has gone over to the right side, our right side, by the trees. And Our Lady now is saying:

Our Lady - "Continue, My children, with your prayers of atonement. Many are needed. In the name of the Father, and of the Son, and of the Holy Ghost. Amen."

Veronica - Now there are coming down from the sky slivers - they look like pieces of glass. It's just beautiful! Slivers - pieces of glass. Our Lady says they're graces, graces. But, oh, they look almost like frozen ice. I don't know how to describe them. They're just beautiful! They're in every direction; they're just beautiful!

December 31, 1973

Eve of the Solemnity of Our Lady

Our Lady - "My child, I gave you sight of the transports from hell. This night shall be one of destruction and terror for many.

THE TIME OF GREAT SORROWS

"I have asked and warned that man does not spend this night in ribaldry. Your country and the world is entering upon a new era. The time of great sorrows approaches."

Veronica - Our Lady now is moving over to the right side of the flagpole. It's very bright. Our Lady - the light of Our Lady is very brilliant this evening, and the whole sky seems to be lit up with tiny slivers of glass-like - oh, almost like tinkling slivers of glass, as they radiate - catch the radiation of the lights of Our Lady. It's very beautiful. It makes the sky look like a thousand small mirrors placed all about Our Lady. It is so beautiful. And the light that radiates from Our Lady is caught in the mirror-like small slivers of what appear to be glass, and reflected down upon the grounds here. It's very beautiful.

Our Lady - "Your country and the world must make heavy penance and atonement to the Father. The Ball has not been taken from its course.

ATMOSPHERIC HOLOCAUSTS

"There will be great atmospheric holocausts upon your land. Your seas shall rise in great distress.

"You must double your efforts, My child, to reach the souls in the short time left for their repatriation. The forces of evil are loosed upon your country and the world. The evil powers will set about to gain full control now of My Son's House and your country. Many lands throughout your world have already fallen to the enemies of God.

"When man learns through trial to desire not the wealth of this world and the pleasures of the body, he will find that he will be given a true peace.

"Worldly pleasures are evident in the actions of many this terrible night. Satan will claim countless souls as he leads them into his way of perdition.

"You are now living in the difficult times. The battle rages with satan. It is the battle of the spirits. This war of the spirits will continue unto the Coming of My Son. I am truly the Mother of Sorrows."

Veronica - Our Lady now is walking over to a large rock. There's a large rock. It seems like the land is very barren. It almost looks like a desert land. I, I see in the distance large hills. Oh, they do look like pyramids, like you would find in Egypt - pyramids.

Now Our Lady has found a small rock, and She's sitting on the rock now, and - oh, She's bowing Her head forward and placing Her hands over Her face. Our Lady is crying.

Now Our Lady is pointing over to the large hills, and one in particular now is becoming very clear. It has a carved figure. Oh, I recognize it. It's the sphinx, the sphinx. They have a carved, like animal-like head. And now Our Lady is pointing to it, and She is saying:

AGENT 6 TO COME OUT OF EGYPT

Our Lady - "From out of this land will come number six, completing the reign of the spirits. He will promote the great War. Many will leave the earth by extermination of warfare.

"My child, your country and your leaders are not going onto the road to peace. They are walking farther into the darkness. You must all pray that they receive the light. Your country and much of the world will experience great suffering.

OPEN THE HOUSES OF GOD

"My child, you will make a special effort with all those who have the true love of My Son in their hearts to open His houses that many souls may visit Him in the tabernacles throughout the world. My Son is a prisoner in His own House. Yes, My child, He is very lonely. It is a sad fact, My child, that the peoples of your country and your hemisphere have nourished their bodies well, but have starved their souls."

THE TRUE BREAD OF LIFE

Veronica - I see a large table, a long table. Oh, it looks like a banquet with - oh, all kinds of food laid out beautifully upon the table: all cuts of meat, all kinds of fruit, all kinds of cakes. It looks like a great feast. And many people are crowding about the table.

But over to the side of this large room there's a little golden door open, and in the door I see a small golden chalice. And the chalice is filled with - not wine; it looks like blood! And it's flowing over the chalice. Now as I watch, it's going over the sides of the chalice down onto the floor of the tabernacle, and running in rivulets now down from the altar-piece onto the floor.

Now the people are looking over and shaking their heads, turning their backs, and continuing their great feast. And standing at the end of both - at both ends of the table are two horrible figures dressed in black. One I know is satan, and the other - I don't know who he is, but I know that he's an agent of hell. And they stand now, and they're urging the people on to feast.

Now I'm looking onto the table, and the food that looked so good now looks rotten. The food has rotted on the table! The people stand there startled. There's no food there that they can eat. It has rotted on the table. Now it's growing very dark on the scene, but the light is by the tabernacle. And I hear a voice saying: "This is the true Bread of Life."

There's a great light about the tabernacle. And now the light is so bright that it's taken the rivulets of blood; I can't see them anymore. But around now the whole opening of the tabernacle is a huge Eucharist. It's just glowing beautifully. And now right in the center - oh, it's Jesus. I, I see His face. It's right in the center of the Eucharist. And Jesus is saying:

Jesus - "Yes, My child, you see that I am the true Source of Life. For when you come to Me, you will nourish your soul. You will nourish your eternal being. You will learn, My child, in due time that the Bread of life will sustain you without earthly food. Man must return to fast and penance. Many demons can only be dispelled by much fast and penance, the greatest source being prayer.

"You must keep a constant vigilance of prayer in your homes and the houses of your God. You must also recognize the faces of evil about you: those who parade themselves as angels of light but are truly ravenous wolves, agents of hell. They seek the destruction of souls. We are looking into the homes of many this evening, My child, and are much displeased at the example of the parents.

"The little armies clustered together throughout your world, gathered by My Mother, shall be victorious over all hell.

"Parents must bring into their homes reading matter that brings the knowledge of God to their children. The Father is much grieved that satan has entered into many homes and the souls of many children in this manner: by the placement of books of degradation within the homes, many by their parents.

"The Father directs all in family unit to lead the simple life. This will mean the eradication from their way of life the sophisticated, new rationalization of sin.

"The offenses to the Father have made the great saints of Heaven cry out for retribution. It is your Mother who begs for your reprieve. The greatest teacher among mankind now, My children, will be prayer and your example.

"Seek not the riches of your world, but store your treasures in Heaven where thieves cannot rob them and murderers kill you to remove them from you. Everything on your world's earth must perish. Your treasures in Heaven are everlasting."

A NEW EARTH

Veronica - I see a great castle - it looks like a castle; it's made of gold and all precious stones inserted into the cornices of the building. But this great castle-like structure, though, is built around a city, and it appears to be floating down now from the sky. And I hear a voice saying: "A new earth and a new Kingdom." It's a very beautiful-looking - it looks like a whole new city. And the words are repeating again: "A new earth and a new city. A new Kingdom."

Now it's growing very dark. I can't see anything. It's very dark. And now - now Our Lady, though - Our Lady is appearing over by the right side of the flagpole, just over the trees, and She's smiling.

Our Lady is dressed in Her cream-colored - it's a cloak that goes about Her head down to Her feet. And it's trimmed with a border of gold braid - oh, about two inches wide. And Our Lady has a gown, and it has a golden twisted rope at Her waist. And now I see there's something hanging from Her neck. It's also a gold braid, but it's - the braid is twisted into three knot-like circles, three circles knotted in the gold braid. Very pretty. Now Our Lady is extending Her Rosary, the large white Rosary, and the Our Father is golden. And Our Lady now is saying:

Our Lady - "Continue, My child, with your prayers of atonement. Many are needed. The great danger has not passed. "You may sit now."

[Pause]

Veronica - Jesus is now coming forward on the right side of the flagpole. It doesn't seem to be raining up there like down here. Oh, the light is very brilliant; it is so bright I can barely look into it. Oh, and - oh, Jesus doesn't have His sandals on. In fact He's bare-footed. Oh!

Now Jesus is standing there, and He's looking around now. The light about Him seems to be very pink. It's a very brilliant pink light. And Jesus is just standing with His hands now out, like this. And the light is very, very brilliant. It's beautiful! Now He is bending over - Jesus is bending over. He has a cape about His shoulders, but it's - it looks almost a pink color. It's not a burgundy red, but a pink, almost a light pink. It's just beautiful!

His gown is white, but it seems to have a pink cast on it. And on His gown is an emblem - no, it's a heart, a very red heart. And the heart has thorns, but it looks like a golden crown, almost, around the heart. It's a crown of thorns that's made of - looks like gold, around His heart; almost like a headpiece, as though it could be placed on the head.

Now Jesus is bending over, and Jesus says:

Jesus - "My Mother is known as the Mystical Rose. Remember, My child, the Mystical Rose."

Veronica - And now Jesus is smiling. All who are able, please kneel; Jesus is going to bless the sacramentals. Jesus is here. Please kneel, all who are able.

Now Jesus is standing, standing - He's like floating. He doesn't stand, He just seems to glide on the air. He's on the right side of the flagpole. And it must be warm up there, because Jesus doesn't have His sandals on. He seems to be bare-footed. And He's wearing very light garments which look very "summery." And the color of pink about Him - the light is very pink. Now it's because of His cape. His cape is almost like a light pink.

And now Jesus is smiling. And the light about Him is very brilliant. And I can see all those shining slivers of - oh, Jesus says they are graces being dispensed. They look like tiny pieces of mirrors falling all about Him from the whole sky.

Now standing next to Jesus is Our Lady. And Jesus now is bending over. He says:

Jesus - "The Mystical Rose."

Veronica - Now Jesus is raising His hand, like this, in front of Him, with His fingers like this, and He's about - now Jesus is floating over about half-way between the flagpole and the trees. And He's raising His hand, like this: In the name of the Father, and of the Son, and of the Holy Ghost. He made the sign of the cross.

And now He's looking down into the area by the trees, and He's now bending over and raising His hand again: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is standing just a little bit off to the right, behind Him, and She's smiling. Now Our Lady is all in white with the gold trim, but She has a beautiful crown on Her - She has a beautiful crown - it's all golden - about Her head. It's almost - with a circlet of stars around it. The golden crown has all like diamond stars about it.

Now Jesus is going over to the left side of the flagpole. The sky is becoming very pink, very pink. And Jesus now is looking down. He's on the left side of the flagpole, and He's raising His hand again, like this, and He's making the sign of the Trinity now: In the name of the Father, and of the Son, and of the Holy Ghost.

And now Our Lady also is raising Her Rosary, Her large white Rosary, and She's taking the crucifix and holding it out like this, like this. And now She is making the sign of the cross with it: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over to the tree. He's just about near the top branch - no, the third branch of the tree. In fact, His cloak is now touching the tree, and He's looking down and He's blessing the people, like this: In the name of the Father, and of the Son, and of the Holy Ghost - making the sign of the cross.

Now Jesus is pointing over to the flagpole. Oh, now instead of the, that bird - the eagle on the flagpole, there appears to be a round ball with a cross on the top now. It's a large round ball with a cross on the top. And Jesus is nodding His head.

And Our Lady now is pointing up to the sky, over to the right. And - oh, dear! I can see now this very large burning ball that's spinning very fast. Oh, it's got a tremendous long tail. It's, it's just all colors, like almost from a purple to an orange and a yellow. It's fanning out to the sky. It's covering the whole sky. The faster the ball is traveling, the, the, the tail part of it is just covering the whole sky, until now it's almost - it's so dense that it's covering - I can't see the side of the flagpole.

Now Our Lady is coming forward. It's becoming very hazy from that smoke, the vapor, whatever it is. And Our Lady is coming forward now, and She says:

Our Lady - "Continue with your prayers of atonement, My child. They are sorely needed. The danger has not passed."

Holy Hour

CHASTISEMENT DELAYED

Veronica - Our Lady said that the Chastisement has been delayed.

Our Lady - "However, your country and the world will do heavy penance for the offenses against the Father. The Ball has not been sent upon you; however, it is sad, My child, that there will be a time of great trial. The Father has a plan for restoring His world.

"You must not be afraid, My child, to deliver Our message to Our clergy. There are many things being perpetrated in the name of holiness and unity. But, My child, it is a delusion from satan. Man must pray more; man must sacrifice; man must turn from the pleasures of his worldly living.

WARNING TO CLERGY

"We are not happy at the conduct of many of Our dedicated. Their example has taken many of Our children from the road to the Kingdom. We give warning to Our dedicated that the Father is much displeased, and this brings great hurt to His heart. You will not cast aside the writings and the teachings of the Fathers of your Church. You must stand fast in the Faith. There is no man on your earth who will not stand in judgment before the Father. Therefore, you will not bow to man and make him an idol for worship.

"The Father is the Supreme Being and Creator of your being. Therefore, you will all make atonement to the Father and prepare yourselves for many will be removed from your earth."

February 1, 1974

Eve of the Presentation of Our Lord

[Veronica arrived late at the vigil, after attending the wake for her son, Raymond, who had died in a hunting accident.]

Our Lady - "I know of your great sorrow. You cannot fully understand the ways of the Father because now your heart is heavy. Know, My child, that the Father loves you and watches over you.

"If you remember, My child, I told you some time ago that many children will be removed from your world. It is for the sanctification of their soul.

"I, too, know the anguish of loss, My child, but you also will be solaced with the knowledge that your son has entered the Kingdom.

"You see, My child, you cannot understand now, but you will soon.

"Many will be spared the trials ahead. I did not promise you a road with roses without the thorns. You, My child, have been asked to carry a heavy cross. But you will not be given more than you can carry.

"You have forgotten, My child, a long time ago I asked you for your son. That is why I have cautioned you never to try to search out the ways of the Father but to subject all to His will, for it is truly for your best interest.

"Rejoice, My child, for your child has been saved. How sad that there are many that We could not take into the Kingdom. How sad that many parents have lost their way and have taken their children into the darkness.

A CENTER OF ATONEMENT

"I have asked for this hallowed ground to be given over as a center of atonement. The will of the Father shall not be cast aside and given to the will of man. All will come to pass as has been directed by the Father.

"Rejoice, My child, for you have this night been given the knowledge of a great grace.

"Your world has not balanced the scale, for the iniquity mounts.

"It is with great joy that We tell you that the Message of Heaven has reached many. You see, My child, you become discouraged, but you must realize that nothing is impossible with the Father. No man will stand in the way of the Father when He sets out to save a soul. Learn the value of suffering, for with your suffering you can save many souls.

"There has been, My child, great question on the place in your world of evil created by satan. Yes, satan rules now upon your world, but his time grows short. He will accomplish no more than the Father allows. This world of darkness will soon give way to the light. However, My child, much conflict, much confusion, and the loss of many lives will take place before the final cleansing.

"The prayers, the sacrifices of many have risen to Heaven. They have not gone by unnoticed. It is for this reason that you have been given a short reprieve. I can only promise you a short reprieve, for at the present time I see much evil developing in your country.

"There has entered into your country a new worship of idols. Man is going deeper into the darkness, ever searching but going farther from the truth. The truth lies in every man's heart if he will open his heart to the Father.

"How many, My child, are counted in darkness? They count in the millions. There are many agents of hell now upon earth, and they have entered into the House of My Son.

MAKE PRAYER A WAY OF LIFE

"Prayer, atonement, and sacrifice - this has been given to you as instruction from the Father. You must return prayer to your home, to your schools, and make it a way of life for your children.

"Many parents will suffer for their laxity in the discipline of their children. Do not depend on false teachers to bring you the truth. A House in darkness wears a band of death about it. A Church in darkness wears a band of death about it."

Vision:

Veronica - I see now . . . there are . . . the sky is clearing, and I see a large room. It looks like a meeting room. It's very plain, but the table is made of a very burnished type of wood. It's a very long table, but it's in a circular pattern. And I see there are seats about the table.

And now a large door is opening from the hallway, and through the doorway there are people coming through now. They're dressed in all types of very strange garments. Oh, they're church people, churchmen. I recognize a cardinal, and I know bishops, and behind them are black-dressed clergy.

Now they're all filing in, and they're taking seats at the table. Oh, my! Now looking in from the door is a horrible figure; I know it's satan. And he's smiling; something is going on that meets with his approval.

But now . . . oh, to the left Our Lady is coming forward. Our Lady is coming forward to the left side of the flagpole, over by the trees. And Our Lady looks very sad, though She's dressed very beautifully. Our Lady has on a white brocaded gown; it's a robe, and it has gold trim all about the robe. Our Lady looks very tiny now. No, She's coming forward, and She's smiling. But Our Lady is pointing over to the room again, and Our Lady is saying:

ANOTHER COUNCIL TO BE CALLED

Our Lady - "Watch, My child, what is to be. They will call another Council. Oh, but Satan now has his plans. O woe, woe to evil man - what is to come upon them!"

Veronica - Now as Our Lady is talking, I see coming out of the sky a red figure. Oh, it's a heart, a very large red heart. And around the heart is . . . oh, it looks terrible! It's a crown of thorns. And oh, my goodness! Now I see . . . it's a cardinal, and he's walking over to this crown of thorns that's about the heart. It's a huge heart. Now I notice he has something in his hands, and he's taking . . . oh, in his hands there's a golden key. Now he's placing the key . . . and he has a terribly malicious, very, very evil look on his face. Now he's taking both his hands and he's winding it, and he's making the crown tighter. Oh, my goodness! He's trying to absolutely squeeze the heart. He's turning with the golden key the crown. And now the heart is starting to bleed. Oh! Oh! The drops are coming down and they're . . . and now - -

"Stop! Stop!"

Oh! And now he's tightened the band around the heart, and he's removing the golden key. But the key is soaked with blood.

Now coming over towards him is another man. And this man is also dressed with a large-brimmed . . . the hat is red, but it has a very wide brim with tassels hanging from it. And he is handing him the key. And the other man also carries another key. Now he's coming forward, and one key is dipped in blood. And the man, the man on the right, he's placing the keys across his chest, like this, in a cross. And I can't see his face, but I don't like him. He doesn't look nice; he looks evil. Now it's growing very dark, and I can't see anything.

But now there's a large church, and it's in a square. I know it's St. Peter's. And I can hear bells ringing. I don't know why, but the bells are ringing. And they're going very loud. I can hear these bells ringing, and they're going like this: BONG . . . BONG . . . BONG . . . BONG . . . BONG. And then . . . oh, oh, the noise! And now as I'm watching this, something is going on because all of these men dressed in purple and . . . oh, purple and gold, they're walking very slowly, and as they get up the steps (it's a large cathedral) they are taking off their hats and they're bowing before the door and they're walking into the church.

Now I see many strange people going into the church. They don't look like our bishops or cardinals. They're dressed with black, and long hats, like box-like hats. And now I see all races, like . . . I can see Chinese people, and black people; they're all entering in. But . . . and now I see that someone's outside, and - it looks ridiculous, but I see what looks like a bishop. And he has a sledge hammer, and while they're going in he's starting to hit, hit the walls. He's chopping away at the walls.

And now he's going to the front door. They've closed the doors. And he's now banging on the door with this - it's a very large sledge hammer. Now he's being joined by two other men, but they also are dressed like bishops. And they also have sledge hammers. Now they're talking. I can't hear what they are saying. But now one is going over to the other side of the door, and . . . oh, now he's started to hammer, and he's chipping away at the side of the building. And then, now the third man is whispering, and he's calling them over. Now one has the golden key in his hand, the one dripping in blood, and he said, "Soon it will be done. It will not be long."

Now it's growing very dark. It's growing dark, and I can't see the church, the cathedral, any more. But just above it . . . oh, Our Lady is standing above it now. And She's pointing, and - oh, Jesus is over on the right side. Oh, Jesus is over on the right side of the flagpole. And He's pointing to His chest now. Oh, He's opening now His robe, and - oh, my goodness! It's the same symbol that was in the sky - the same heart, but with the crown of thorns that are all twisted. And now the drops are dripping down His gown. And dripping down. Oh! Oh! Oh!

And Michael now . . . oh, Michael is coming down now, just beside Jesus. Oh, Michael's standing there. And he's holding his sword, but he has it over his head. And now Michael is coming forward. He's motioning to me to listen.

St. Michael - "Harken, mankind, to these words. You have offended the Lord high God and will receive just punishment. The sins of man cry out to Heaven for chastisement.

"You will keep in your world a constant vigilance of prayer."

Veronica - Now Our Lady is coming forward, and She has Her Rosary in Her hand now. It's a beautiful Rosary. The beads are very large, and there's a golden Our Father. And Our Lady is extending the Rosary out to me. I can touch it. Oh! Oh!

"Oh, I can't tell it?"

I can't tell it now. Now Our Lady is motioning to me; She's going over to the right side of the flagpole.

Our Lady - "You will continue, My child, to send the message throughout the world. Do not be affrighted that you will not be able to do this mission, for I will send you much help, as I have in the past.

"We have been much pleased to be able to balance the scales for a reprieve from the Father. Time in Heaven cannot be calculated with the time of man. However, I can assure you, My children, that your days are counted. The times of trial have already started upon you. The Ball of Redemption will come. The great Warning will come, and many will die in the trials that will be sent upon you.

"You must, My child, go forward with all My children of grace and persevere. Many will fall, for they cannot stand under the trial. However, the Kingdom of the Father awaits all who stand forth and keep the Faith.

"Retire from your world which has been given to satan. Look for the light and you will find it. There is not one soul who will be given to satan without having given of his own will. Satan can only claim you through your will.

WELL OF CURING WILL ARISE

"The Father sends many graces upon you. He has chosen this center of atonement with great purpose. Many will be saved. Many miracles of cures and conversions will go forth through the world from these hallowed grounds. The cause of Heaven shall not be stopped. The well of curing will arise, and man will not stop the waters from flowing.

"Know well, man, that you cannot defy the Father, for it is in the will of the Father that this land be claimed for the salvation of souls. All who come to these hallowed grounds, My child, will receive graces in abundance, graces of cure and conversion. The crippled shall walk, the blind shall see. Those in darkness shall come forward into the light.

"My child, is it necessary for Me to repeat My words? Have I not reached the world with an essence of the truth? The truth lies in every man's heart, for every man has been given an inbuilt conscience from the Father. However, of your own will can you shut off your contact with your Father, for you give yourself to the world.

"Pray much for your priests. Many have fallen from the road. Many - sad, My child, but many are making their way fast into the abyss. And many follow them like sheep to the slaughter. Even those will be saved if there are enough prayers and sacrifices made for them.

"We place a great burden, My child, upon the few who have been given the graces to understand. Know, then, that We do not send this suffering upon you and others without reason. You cannot enter the Kingdom, My child, unless you are willing to carry the cross.

"I have never, My child, forced you to accept any mission. You must do this of your own will. This decision will mean a very heavy cross for you.

"Yes, My child, I knew before you answered what it would be, for that was why the Father chose you long ago. There are many now, My child, like you throughout the world. You are not alone in the battle. All must unite against the common enemy for the Father.

"Do not fight among yourselves, My children, for satan will seek to divide you. When you find there is discord with your workers you will pray, for you will not settle the score with argument. Pray, and you will be given the way.

"You may sit, My child, now, for Jesus will bless the sacramentals in due time.

"No, you did not offend Us with your lateness, My child, for you know I directed you that way. I, too, know of great sorrow to a Mother's heart.

"For your mission, My child, I told you many times that you would not be freed from the cross. You will follow the path of My Son.

"The remainder of your earthly days will be for the Father. We have already accepted your consecration."

Veronica - Now Our Lady is raising Her hand above Her head with Her Rosary, like this. Now Our Lady is holding it above Her head and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is smiling and She is pointing with Her finger - oh, to the plaque.

Our Lady - "We are very pleased, My child. It is apparent that you put Our instructions fast into action."

Veronica - Oh, Our Lady now is going back now beyond the flagpole. She is smiling, and She is holding out Her hands. Oh, from Her hands now those rays . . . the rays are coming down. They hurt my eyes; I can barely look at them. Our Lady is holding out Her hands like this, and the rays are coming down, right down, down onto the grounds. There are three very brilliant rays. They're so bright that I can hardly look at them. Oh, they're very bright! They're beautiful. Now the rays are not white now, they're turning colors. They're predominantly blue, but they have the most gorgeous colors of yellow and orange and green. Oh, they're coming from both of Our Lady's hands.

And now Our Lady is lifting Her hand over Her head, and there is a green circlet of light all about Our Lady's figure, a green circlet of light.

And now Our Lady is holding Her hands down now, and the lights are disappearing from Her fingers. It's becoming quite dark under Her hands. But the green circlet of light is very bright above Her head. And Our Lady is saying:

Our Lady - "Michael, My child, has not been entered into My Son's House. You must work with more effort. You have started now. It will not be long before he is re-entered into My Son's House. Then perhaps, My child, many of the cracks will be repaired. We have great hope. We have great trust that in this manner We will be able to spare you, give you more time before the great Chastisement."

Veronica - Oh, and now Our Lady is going back, She's going back into the clouds, but . . . Oh, I see now there is a large ball coming out of the sky. And it's beautiful; it's a large ball, a gray-white. And Our Lady now is floating up onto the top of it, and She's just standing there. The ball's not moving, but the clouds seem to be passing right through the ball. And Our Lady now is saying:

Our Lady - "I am not leaving, My child. I am only standing here. Continue with your prayers of atonement. We have gathered many graces.

1,242 SOULS GATHERED

"I have a secret, My child, for you that you may now reveal to My beloved children. At six o'clock your time, I gathered this evening one thousand two hundred and forty-two precious children of God and took them into the Kingdom. One thousand two hundred and forty-two precious children of God."

RAYMOND ENTERS HEAVEN

Veronica - And now Our Lady is pointing down. And I see . . . oh, it looks like a gate. And I see . . . they look like people, but they are very transparent; they're people. They're very transparent, and they all seem very joyous. And Our Lady now is standing, and with Our Lady there are many angels; I know they're angels from the way they're dressed. And now there's a ladder. There is a great light opening in the sky, and there's a ladder coming down from the sky. It looks like a ladder, but it's solid gold. It's like a stairway of solid gold. It's just beautiful! And I see all these people. Oh, and they're so happy. They're rushing out . . . they're rushing out. . . . Oh, there's my Ray! [Veronica sobs.] Ray! Oh, he's waving! Oh! Oh!

"Thank you, Mother. Thank you."

Our Lady - "You see, My child, I promised you, and I have never broken a promise."

Veronica - Oh, and now, now it's getting very gray and I can't see anything. I want to always remember. I saw my Ray, and he was waving at me. He saw me! He saw me! Oh! Oh!

And now Our Lady is coming forward.

Our Lady - "You see, My child, I have great rewards, great graces for you. Your trials have many thorns, but I always give you a rose."

Veronica - Oh! Oh! Oh, Our Lady is -

"Can I say it? Can I say it, Mother?"

Our Lady says . . . oh, I can say it. Our Lady says:

Our Lady - "I would have taken him on the ladder sooner, My child, but I wanted you to see this. And I wanted to give it to you as a special surprise. Remember, My child, Saturday, six o'clock. Saturday, six o'clock."

Veronica - And now it seems very, very . . . Oh, and Our Lady now has placed Her hand to Her lips, and She says:

Our Lady - "Now, My child, continue with your prayers of atonement. Many are needed, for there are many mothers who will be graced with this that you have seen."

[Pause]

Veronica - Everyone who is able, please kneel. Jesus is coming; He's coming to bless the sacramentals. Now Jesus is coming down, and He's on the right side of the flagpole. The light is so bright I can hardly look at the light. Oh, it's so bright! Now Jesus is coming down closer. Oh, He's very close to the flagpole now.

"Oh, don't step - "

Oh, I thought He was going to step on the top of the banner. And He's smiling, no. And now He's going a little higher. I thought He was going to step on Faithful and True there, and stand on it.

He's saying:

Jesus - "I would not have crushed it, My child. I am weightless, you know."

Veronica - Oh! Oh, now Jesus is going over . . . He's about between the flagpole and half-way between the tree over here. Now He's smiling. Now He's covered the front of His garment. He has on a burgundy - oh, burgundy-red cape. And His garment, His robe, is - oh, a cream-colored robe. Oh, it's very beautiful.

Now Jesus . . . I noticed His feet have sandals. I can see they're sandals, because they're not like our sandals. They are caught at the toe. They're very . . . made very frugally, and just by tying brown - it looks like brown skin tied across His ankle and down through His toe, and it seems to be hooked on - no, sewed into the bottom. I can see it very clearly.

Now Jesus is going over and coming down closer now. Now He's shifted His robe over to His left side now. Oh, He's raising His hand, like this, with His three fingers together. And now He's raising it above His head. Oh!

Jesus - "I bless you in the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - Now Jesus is making the sign of the Trinity, like this. Now He's looking down. And there must be a little confusion over there, because Jesus said:

Jesus - "You do not have to take your sacramentals from the bags. I'm able to bless all that is upon the grounds. It is not necessary to take them out."

Veronica - Now Our Lady is coming over. Oh, Our Lady is coming down now. She came out of this huge cloud. And the ball's not there. But Our Lady is coming over to Jesus. She's standing by Him now, and She's smiling.

And now Jesus is raising His hand again. He's closer to the tree now, and He's looking down. Now He's placing His hand high above His head. But this time now His fingers are close together, and He's making, I know, the sign of the cross now: In the name of the Father, and of the Son, and of the Holy Ghost.

And Our Lady is extending Her Rosary out in front of Her. And the Rosary now is lighting up. Oh, it's very brilliant. Oh, She's taking the crucifix, Our Lady - it's a large golden crucifix, and She's placing it now in front of Her, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady has turned and She's floating over - They don't walk, They just seem to float - right over to the left side of the flagpole. Now Jesus is following Her. Now He's gone in front of Our Lady. And He's facing this way now, and He's smiling. Now He's shifting His robe a little, and He's placing His hand now in front of His face, like this, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady has gone behind Jesus, and He's moving forward. And He's coming over to the left side by the tree. And now He's placing His hands like this, and He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is coming forward.

Jesus - "The graces placed upon these sacramentals will be instruments for conversions and cure. They are not given to you for decoration; they are given to you for your protection, for conversion, for cure, and for the propagation of My Mother's mission here on earth."

Veronica - Now Jesus is turning towards Our Lady, and Our Lady is smiling. She's nodding. And Our Lady is coming forward. And now Our Lady is saying:

Our Lady - "My children, know the value of these sacramentals. Guard your children well. You must awaken to the knowledge that you will not be protected without the sacramentals. Guard your children's souls. They must be surrounded with an aura of purity. Remove them, if necessary, from the sources of contamination, be it your schools or even false pastors. Is not the destruction of one small soul heartbreaking to the Father? The value of one small soul recovered far surpasses all the saints ascending to Heaven. Therefore, be cautious with your children, My children, for it is you who will suffer when their souls go to satan."

Veronica - Now Our Lady is going backwards, She's floating backwards. And Jesus is moving over to the right side, and He's passing the flagpole now, and He's looking down. And now Jesus is saying:

Jesus - "You will continue to propagate the work of My Mother's mission here, for We will be with you unto My arrival to set My House in order."

Veronica - Now Jesus is blessing again: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Continue now with your prayers of atonement."

February 10, 1974

Eve of Our Lady of Lourdes

Veronica - By the left side of the flagpole it's becoming very bright. The darkness seems to just be giving way, and there's a beautiful arc of light. And Our Lady now is coming forward. She looks very tiny now. But now . . . no, She's closer. And Our Lady is dressed in white with gold trim, and She has upon Her head a beautiful crown. The crown is made of gold. I can see that it's an open crown, because the crown covers Our Lady's garment. She has like a cape over Her head, but the crown is sitting over the cape. I can't see Our Lady's hair. The cape comes forward over Her forehead.

Now Our Lady is saying:

Our Lady - "You understand, My child, the need for modesty in the world."

Veronica - Now Our Lady is moving over to the right side of the flagpole. Now She's looking down very sadly, Our Lady, and She is saying:

SOULS IN PURGATORY FORGOTTEN

Our Lady - "Many prayers are rising to Heaven, My child. Many souls await your prayers to be released from the place of purging. There are not enough prayers for those who are being purged. Many are forgotten once they have left their worldly lives. Families, once united in love, why have you forgotten your loved ones?"

VISION OF PURGATORY

Veronica - I'm now looking beyond the gates. They're the gates I saw when Our Lady released all those wonderful, happy people. But now as I look beyond the gates I see many people. But they are in a condition I . . . it makes me very unhappy to see. They are very illumined and glowing. They seem to glow an orange color, like they're burning. And their arms are all raised up, or outwards towards the gate. And now I hear cries. Many voices are crying, "Spare us, O Lord! Quench the fires of thirst within us." And now I hear a voice. It's a voice of a woman; she's an elderly woman. She's crying, "Virginia, Virginia, why have you forgotten me?"

Oh, now it's growing dark. It's very, very hurting to see these people. I know they're human beings, but they're in a void. It's a painful void. It's like they're suspended in a void where there's nothingness, and they're reaching up. And they're crying because they are helpless.

I see two now who have sort of floated up towards this gate. And they're looking out, and they're asking, "Please, two Masses for me. There is no one to release me. Please, two Masses for me." Oh! "Robert, Helen, two Masses for me." Oh!

Now Our Lady . . . it's growing dark; I can't see these people any longer. And Our Lady now is coming over to the right side of the flagpole.

Our Lady - "My child, it is sad that there are many who will spend eternity, unto the end of your time, awaiting their release, for they have no one to sacrifice or pray for them. Many who have entered into this purgatorial purging site have done so because of sins of the flesh.

"You may not understand, you cannot understand, My child, the ways of the Father. But a soul must be as pure as the brightest star in Heaven before it can enter into the Kingdom. Many parents are responsible, My child, for long stays for their children in purgatory. They do not protect or prepare their children's souls. Do not rely on the false teachers, who are gaining in number about you. Each parent must assume full responsibility for the salvation of his children's souls.

"There will come upon the world a great trial. This trial will enter into the House of My Son. Perseverance will be fruitful.

"The truth has been given into every man's heart by the Father. He has in his will the power, as a human, to accept or reject the truth. He will do this in bargaining for the pleasures and riches of a temporary world, discarding the eternal treasures of Heaven.

"My children, why do you not learn the value of suffering? The books of truth have been removed from among you. You must read the lives of the founders of My Son's House and those great saints who cry in Heaven for vengeance upon satan and his agents - now! For many souls are being taken into the abyss.

"The Eternal Father has set before you the rules and discipline for your salvation. They will not be replaced by the rules created by man to feed his worldly inclination for soul-destruction. Many will sell their souls to satan to get to the head.

"The House of God, My Son's House, will proceed through great trial. All that is rotten will fall. Satan now rages and will do full battle in the House of God.

"The greatest hope, My children, I can offer you is that the eventual victory over the evil will lie with your allegiance with My Son. The Father has full mastery over your world, permitting this time of trial in order to separate the sheep from the goats. You will be tried as metals in the fire."

Veronica - Now I see, coming from behind Our Lady, a man. Oh! No, now I see another man. There are two men. Now one is dressed like a monk; he has on a long gown with a cape. And the other, though, is dressed very beautifully in purple with gold trim, and he carries a stick, a golden scepter in his hand. But he's carrying a very large red book in his right hand, and the scepter is in his left hand. Now upon his head is a large crown. The crown is - oh, it's a papal crown. It's very high and has like tiers on it. Now he's stepping forward, and he says . . . I can hear him; he's talking very low:

St. Peter - "Do you not recognize me, my child? I am Peter."

Veronica - Oh! Oh, it's Saint Peter. Now Peter is opening the Book. It's a very large Bible. And he's pointing now with the scepter, and he's turning the pages. And he's saying:

St. Peter - "Changes, changes, changes. Destruction! Delusion!"

Veronica - Now I see that now Peter is removing this crown from his head, and he's placing it in his right hand. And now he is placing . . . oh, he's reached out and he's placing a crown of thorns on his head. Now I hear . . . standing behind him . . . oh, it's Michael, Michael. He's very, very large. But Michael now is coming forward closer. He's standing next to Peter, and Peter has his head bent down very low. He looks very sorrowful, as he holds the tiara in his right hand.

And Michael is saying:

St. Michael - "They will crucify the Mystical Body of Christ!"

Veronica - Oh, it's . . . oh! Oh! Now it's growing very dark. Now Peter is going backwards. He seems to be floating backwards. He's not walking, he's carried backwards right into this very dark cloud that I see. And Our Lady now is coming over by the right side of the flagpole.

Our Lady - "My child, you must not slacken; you must not accede to satan's plan to stop your work! This I caution you, for he has set many foils to stop your work. Continue, My child, in perseverance. I cannot promise you all roses. You have received the thorns, and you will receive more thorns. But eventually, My child, your arms will be filled with roses."

Veronica - Oh! Oh, now coming forward on the right side of the flagpole is Saint Theresa. Oh! Oh, Theresa. Oh! Now her arms are filled with roses. Now Theresa is taking the roses and she's throwing them out. Oh! Oh! Oh! Oh, now Theresa is throwing the roses out in each direction. I see two now that are going over on this side. And, oh! Now Theresa is holding a crucifix forward. The roses are gone. And now she's holding the crucifix out. And now Theresa is saying:

St. Theresa - "Veronica, you will carry your cross in perseverance, for you will find great joy and comfort. I have told you in the past of the days ahead. Know that your trials will be given by the Father, for in this manner will you and others be instruments from Heaven for the salvation of many souls. Do not question the ways of the Father, for there is a plan for every soul He has sent upon earth.

"Sorrow enters into the hearts of many mothers. It is but a sorrow of loss. Better, My child, that you understand that the greatest sorrow of all is the loss of the soul.

"There is - "

Veronica - Now Our Lady is coming forward; She is going to speak. And Our Lady is saying:

Our Lady - "My child, you must make it known there is a great fallacy in your world. Know and tell all that life is beyond the grave. You do not sleep in the dirt, for when the spirit leaves the body it enters into eternal life. Satan would seek to commit you all to darkness and keep you in the dirt so that he can destroy the true tenets of your Faith.

"Life begins when We recall the soul. This does not mean, My child, that the body will be remaining forever in the dirt. The body shall return to dust as it was created. But the real being lives forever unto that day when it will be rejoined joyfully with all unto their body. This will be the day after the cleansing of the world, after the setting up of the Kingdom by My Son, when satan will be set loose to do his dastardly work. And then will come the end.

MANY FALSE CHRISTS

"I must caution you in the days ahead to look not in vain for the coming of My Son. There will be many false christs among you. He will come to you in only one way: descending from Heaven as He ascended into Heaven, and He will come accompanied with the forces, the warriors of Heaven and the saints. Remember well, many false christs will come into your world. Reject them! Do not be misled by their false miracles. Reject them, knowing that Jesus will come down in view of all with the saints and the angels.

"There is much confusion, My child, in your world - confusion that has been created by satan. There is only one major means now to rid satan from the House of God and your homes. That is prayer and turning to My Son. Save your souls and the souls of all those you love in the Sacred Heart of My Son."

Veronica - Now Our Lady is going over, and now She has Her Rosary in Her hand. It's a very large white Rosary, and the crucifix is very golden. As She turns it's so brilliant I can barely look at it. But Our Lady is raising the Rosary now, and She's making the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

And Our Lady is turning over now to the left side of the flagpole. And She's raising the crucifix and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming down to the center of the flagpole. And She's saying:

Our Lady - "Do not forget, My children, the sacramentals. Satan will work hard to capture your soul. We have given you your armor. Do not cast it aside."

Veronica - Now Our Lady is blessing again: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.
Our Lady is saying:

Our Lady - "You will sit down, My child. Jesus will bless all the sacramentals in due time. Continue with your prayers of atonement. They are sorely needed."

[Pause]

Veronica - Our Lady has touched the medal from Lourdes, also, with the cross of Her Rosary, Her very large white Rosary with the golden crucifix. And Our Lady also bent down low. It was quite low to come down to try to kiss it, so She said that I would kiss it for Her. But She blessed it with Her crucifix.

All right, Our Lady is blessing it down here. I believe She is . . . now She is . . . oh, Our Lady is bending over, and now . . . oh, She is going to step on the crown. No, She won't step on the crown. She's bending over. I don't . . . oh, the book. No. Oh, Our Lady is bending over now and She is touching the top of the box now with Her crucifix. And Our Lady now is bending down. Oh, She said I should extend one up to Her. All right. Right here. If I can just get . . . there. There. Oh, Our Lady is now kissing the box. She says:

Our Lady - "That will suffice, My child, for all the medals and sacramentals in the boxes."

Veronica - And now Our Lady is taking Her crucifix and She's touching it to the boxes over here, and She's making the sign of the cross. Now Our Lady . . . oh, She asked me to remove one from the box. All right. All right. And . . . there. Oh, very high. I . . . that's right. Oh, Our Lady wound up kissing my two fingers. Oh, I'm to place it within the box. Oh!

Our Lady says:

Our Lady - "Your medals have been blessed by Heaven."

Veronica - Oh, Our Lady is now kissing Her crucifix. She's going up a little farther up now by the flagpole. And She's smiling. And now She's raising Her crucifix and She's blessing the sacramentals, like this. Oh, Our Lady is now going back over to the right side of the flagpole. Oh!

Our Lady - "My child, all sacramentals will be blessed by Jesus. You must have patience."

[Pause]

Veronica - All who are able, please kneel, because Jesus is here and He will bless all the sacramentals.

Now Jesus is coming forward. He's . . . the light is very bright; I have to bend down now in order to shield my eyes from the light. The light is very, very bright tonight.

Now . . . oh, now Jesus is moving over to near - He's between the flagpole now and the trees. Now Jesus is looking down. He has on a red robe; it's a beautiful red robe. It looks like it may be made of satin, or sateen. It's catching the light. And now Jesus is wearing a gown under the robe. It's a cream color. It's not white; it's like an off-color cream color. And He has on brown sandal-like slippers.

Oh, and now Jesus, now . . . I notice His hair, but He has a crown now upon His head. The crown doesn't have a top. It's a single circlet, and the crown is similar - it comes down upon His head similar to the crown of thorns, but it's made of gold and it has beautiful points, like. The points are made in three sections. I count one on the left, one in the center, and one at the side. But Jesus is smiling, and He's bending down His head. I can see He also has two more sections, with three . . . it looks like leaves, on each side. Now Jesus is moving over towards the trees.

Now Our Lady, Our Lady is standing behind Him. But now Her robe is not a white with the golden trim, it's a pure blue. Our Lady's covering is blue over Her, and Her - though Her gown looks very white. The light is very bright.

Now Jesus is bending over.

Jesus - "My child, I will bless the sacramentals. It will not be necessary to remove them from your packages, for I assure you that I can see through them. This will avoid much confusion, My children."

Veronica - Now Jesus is coming over into the middle of the flagpole, between the flagpole and the tree. He's very beautiful. Now He has kind of swung His robe over onto His left arm. It looks very heavy. It . . . yes, it's satin; I can see now. And He's raising His hand, like this, and He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over . . . He doesn't walk. Our Lady and Jesus seem to just be carried by the air; They seem to float. And now They're just over by the tree, above the tree. And Our Lady is smiling, and She's looking down. She's placed Her Rosary now about Her waist. They're not in the hand; She's placed them at the band at Her waist. She has a golden rope-like band about Her waist, and Our Lady's placed Her Rosary there. And She's standing next to Jesus. Our Lady is shorter than Jesus. It might be the way They're standing, but She looks like She only comes up to Jesus' - just below His shoulder.

And now Jesus is bending down now and looking down, and He's smiling. And He's raising His hand again with His fingers like this, together. It's like three fingers together. And now He is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now I see coming through the sky - oh, there's Michael. Now Michael . . . and there are two others; I know they're angels, because they are very, very big. But they're not frightening, they're just awesome. They're very, very large.

Now they're following behind Jesus. Jesus is coming across now; He's going over - He's at the left side of our flagpole here, the left side. And Our Lady now is standing at the right side of the flagpole. And Michael now is - has gone, and he's behind Jesus. And he's standing now at Jesus' right side.

Now Jesus is raising His hand high above His head, like this, and He's looking down, and He's now making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. And now He has stopped and He's looking down here especially, because He's coming down closer. And in - now I see He is making a sign of the Trinity over someone on this side.

And Our Lady is smiling. Our Lady said:

Our Lady - "This is for the protection of Our dedicated."

Veronica - Oh, and Our Lady now is joining Jesus. She's come over and removed Her Rosary also. Now Jesus is raising His hand in front of Him, though. He's looking down, and He's going to make the - oh, it is the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

And Our Lady now is taking Her Rosary and placing Her hand out with the Rosary now. Oh, there are rays coming from Our Lady's hands, in this direction. They're coming right down. Our Lady is standing just about, oh, the middle of the flagpole - over, though, over between the trees and the flagpole. But the lights are still coming down from Her hand that's holding the Rosary. And they're coming down this direction. I can't count the lights, it's so bright. But there seem to be three rays here, directly down here. One . . . I can count three.

And now Jesus is going back behind Our Lady, and He's raising His hand again. And Our Lady now is placing both of Her hands out in front of Her, and rays, the rays are coming right out of Our Lady's hands. They're beautiful. There, there's no way to describe them; they're not like an electric light bulb or anything. They're, they're beautiful. It's almost like clear, clear crystal.

Now Our Lady has now taken Her hands back, and She's placing the Rosary back about Her waist. And now She's coming over with Jesus, and They're standing now at the right side of the flagpole. Now Jesus is . . . Jesus is talking very softly. I am to repeat.

TRUE DIRECTORS OF SOULS

Jesus - "I have a word of direction for all whom I have chosen to represent Me in My houses throughout the world. You must be aware that satan now is loosed within My House. Do not fall into his web. I have placed in your hearts the truth. You will go forth as true directors of souls. You cannot destroy these souls entrusted to you by misdirection. Pray for the light and you will be given the way.

"Delusion, delusion. O heresy, mournful heresy! That I should see this day come when I shall have to intervene with a Chastisement that will claim many souls unprepared.

"My Mother has begged the Father through many earth-ages to hold back this Chastisement, but I must tell you it is not long in coming. My Mother has shed many tears. My heart has been pierced by the sins of mankind. Have I sacrificed Myself in vain for you? How have you repaid Me through the Father? I ask nothing but your love. Do not give yourselves to satan. Return to Me. Accept the graces I give you, or you will be lost."

Veronica - Now Jesus is raising His hands, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now Our Lady is coming forward, and She is looking very sad.

Our Lady - "My child, it is a dark day for mankind. Man has failed the test anew. Murder and violence - sin is a way of life in your country and the world. How long can I hold back the great cataclysm from upon you? Do not think or go about your daily lives without preparation, for it will come upon you suddenly.

"I have warned you, I have given you the plan for your salvation as given to Me by the Father. It is through the merciful heart of the Father that I have come to these sacred grounds as a Mediatrix between God and man. However, your days are counted. Gather your loved ones. Save your soul and the souls of those you love, for many will die in the great flame of the Ball of Redemption.

"You had won a reprieve, My child and My children. Your prayers and your sacrifices rose to Heaven. However, it is but a reprieve. The time will come when the tests and trials will grow great. However, you will go through this period with perseverance and trust, knowing that the eventual victory will be with My Son.

"I promise you as your Mother never to leave your side. Come to Me and I will strengthen you with the graces endowed through the Father upon you.

"I bless you, My children. Continue with your prayers. There are too few in your world who now care."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

[Pause]

Our Lady is going back over to the right side of the flagpole.

Our Lady - "My final word, My child - though My words shall not be ended until I join with My Son in gathering you all to My bosom - know this: prayer and atonement, sacrifice - what great reward lies ahead for those who will listen to the plan from Heaven!"

Veronica – “This is Sunday, February 17. In the will of God I'm not able to attend in person to pray for the priests of the world, who are under great attack from satan.

It is the plan of satan to try to destroy the Church of Jesus. However, everyone must persevere during this crisis. They must not leave holy Church because the foundation is Jesus. That shall never be changed. There are now in great numbers in the Church, many agents of satan. They work from high places. Know that many have been placed within the Church to create confusion and disillusionment. Do not leave! Our Lady begs you do not leave, but pray, for prayer is the strongest weapon given by the Father to chase satan from within the Church.

There will be a time of treat trial. Many clergy will be pressured to make a heavy decision. However, the truth lies in every man's heart. Know that your first allegiance is with the Father. You cannot accede to the wishes of man, for you do not know who walks beside you.

Satan, who lives in the kingdom of the spirit, cannot be seen by the human eye unless permitted by the Father for His reasons in this great battle. Therefore, know that these demons that are loose now upon earth are in the millions. They cannot work unless they enter into the human body. They promote accidents which are not accidents.

The powers of satan are great. However, satan cannot kill you, the human body. However, he can kill the soul. This is what you must remember. He will promote situations to kill your human body; however, this will only be allowed by the Father for reasons which would be made known to you in the future.

Prayer, atonement, and sacrifice must be your principal guidance in the days ahead. The Commandments of the Father must not be cast aside for the new modes of humanism and modernism. You'll not save souls by catering to the human instincts of man, for you will feed the body and starve the soul.

It is not an easy road to Heaven. Satan will make it most difficult, for it is his desire to take to hell, his kingdom, all the souls of the children of God. Keep your sacramentals about you, for they are your protection. All manners of sacramentals, all instruments for your protection must be used at this time because we are at war. It is a war of the spirits.

Human man must now rely on the graces he may attain through the Sacraments of holy Church. Do not be turned away by the man whom God has chosen with consecrated hands to bring you the Body of Christ. Do not judge your clergy by human standards. Remember, he is a human being. However, during the time of consecration, through the Holy Spirit he will bring you the physical Body and Blood of Christ.

Christ is living. However, Christ can only live in pure souls. Do not be led astray by the modern creation of satan that man will be saved because he is a creature of God. No! Man must dedicate himself to God and wish to enter the Kingdom. He has his free will. Man will not automatically enter the Kingdom because he has been created by God. No! God sets the soul at the time of . . . when the . . . The soul enters into the body at the time of creation. This time of creation is at the time of conception.

The Father has a plan for every soul He places upon earth. Therefore, man commits murder when he, through his free will, destroys the soul in the body of an unborn child. This is a direct breaking of the Commandment of the Father "Thou shalt not kill."

Satan has placed his agents well in high places. Justice and men who have been chosen and sent into office to promote justice have also fallen to the plan of satan. The legions of hell have taken over the United States and most countries now of the world. The legions of hell have massed in true House of God.

There is a great war ahead. It will coincide with the war in the mid - East. However, the greatest concern is for the salvation of the soul eternal. Many bodies will be destroyed by man due to these legions of satan in war and great disasters. However, the major importance for all parents and all individuals in the world is that they set their lives now to rights with God. They must live with God daily. They must accept all the graces that the Father has placed within their means to obtain. The greatest strength will lie with the Eucharist.

Satan set confusion in the House of God so that many will leave. Recognize this fact, for you have fallen to his plan. You leave because you judge the Church of Jesus, not on the standards of Christ, but on the standards of man. Many have been placed within the Church for this very reason, to create confusion and bring about a total destruction of the Church of Jesus Christ under Pope Paul VI, the true leader and descendant of Peter, of Saint Peter, the first Pope.

Do not be led astray by the many reports coming from your news media, for you must remember they, too, are under control of the enemies of God. You will only be told what they want you to know, and the truth lies not in atheistic hearts. You cannot expect the truth from an atheist.

March 18, 1974

Eve of Saint Joseph

Our Lady - "My child, it is not without risk that you will continue as an instrument of the Father. The world about you is now controlled by the agents of satan. However, know now that the Father has the world in control, but He will now allow you to be tested like metals in the fires. The sheep will be separated from the goats."

Veronica - Oh, Our Lady is coming forward now. Oh, She's very beautiful! Our Lady is standing on the left side of the flagpole. Oh, and She's turning. And Our Lady now is looking down and pointing to the statue. [The original statue had been removed and a new one was purchased to be used for the vigils.]

Our Lady - "My child, it is a very pleasing likeness.

"It brings great gladness to Our hearts to see the number of true souls who are ready to stand and defend My Son.

"Yes, My child, there are dark days ahead, for the agents of hell roam throughout My Son's houses. Many will sell their souls to get to the head. However, all who persevere through these days of terrible tribulations will be saved.

"There will be many martyrs unto the day of the great abomination."

Veronica - Now coming forward towards Our Lady I can see a man. He is dressed in a brown, very rough-looking type of gown, like the Franciscan brothers wear. It's a gown that's very loose, and it's tied about the waist with a piece of rope. It looks like rope, but it's more like a piece of skin-like type rope. And the man is smiling. He has a beard, and his hair is quite full, and it reaches down to his nape of his neck. And he's smiling.

And Our Lady is bending forward, and She is saying:

Our Lady - "My child, do you know who this is?"

Veronica - Oh, it is Joseph. Oh, and now . . . oh, oh, and Anne.

Now behind them there's a great light. There is a great light, and - oh, Jesus is coming forward. And He's standing behind Our Lady and Saint Joseph and - oh, Saint Anne. The light is so brilliant that it forms a very large arc over their heads. Now Our Lady is talking; She's talking very, very quietly. It's almost like listening to the wind rustling the breezes in the trees. It's very low. Our Lady says:

Our Lady - "My child, the families of earth have lost their way. The example to the children is poor. Our hearts are saddened by the many parents who have given themselves to the ways of the world and in this manner have sent their children on the road to perdition. I cannot promise you, as My Son promises, a kingdom on earth and a gain into the entrance of Heaven, unless you will forsake the pleasures of your worldly living and live a life of sacrifice and prayer.

"You must, My child, make it known that earthly years are short. The years beyond the veil are eternity, forever unto forever.

"Many prayers are needed for the recovery of the representatives in My Son's House. Many examples are poor.

"Without the number of prayers needed to balance the scale and acts of reparation from the children of earth, there will be placed upon the Seat of Peter one who will put and place souls and the House of God into deep darkness.

"Satan has poisoned many minds, My child. Those who have the power to save are now using this power to destroy. We place the greatest responsibility for salvation of the young souls upon the parents. Do not expect those without your household to bring the knowledge of the Kingdom to your children, for their knowledge is not of Heaven; but their knowledge is of the prince of darkness, satan, Lucifer, most despicable of creatures!"

FLEE FROM FALSE PASTORS

"My child, I must clarify what I have told you in the past, for there is great discord in talk of this nature. When I requested that you flee from false pastors, I did not imply that you were to run from the House of My Son. No. We meant, My child, that you were not to rely or to absorb the misconceptions and the, the - "

Veronica - "Oh! Shall I repeat it?"

Our Lady - "You are not to absorb those who have entered into the web of satan to propagate modernism and humanism, which is satanism, among the young.

SATAN ENTERED HOUSE OF GOD

"I must repeat, for the salvation of all mankind, what I have said in numerous messages to the world through numerous seers. It is a sad fact, but one that cannot be denied, that satan has entered into the House of God. Pray him out with a constant vigilance of prayer. The Red Hat has fallen, and the Purple Hat is being misled.

"Pray a constant vigilance that you may not be led into the darkness. Read the Book of life and you will not be misled. Do not depend upon the agents of satan to rewrite this Book, but hold to your hearts and remain steadfast in the truth of your Faith. For the truth shall set you free from satan, and you will not continue into the darkness.

"O My poor, misguided children! Why have you given up your chance to reach the eternal Kingdom for the temporary gains and pleasures of the world? Do you not know that when you enter beyond the veil, you will leave as you did come? All that you can take with you are the merits of graces that have been stored in your treasury in Heaven.

"Man sold My Son, and man is selling My Son again for pieces of silver!

"Man will not change the House of God to satisfy the desires of man! But man must fulfill and follow the discipline and rule set down by the Fathers, the founders of Holy Church! There is no other road to Heaven. You cannot win souls by giving them the things of your world which are not spiritual. We look upon worlds of famine, but the starvations of the soul far outnumber the starvations of the human body."

Veronica - Now it's growing very dark. It's growing very dark, and Our Lady is pointing over to the right. Oh, and there's a large globe. It looks like a globe of the world. And I see a great darkness covering half of the world. Now Our Lady is pointing over to the left side above Her head. Oh!

Our Lady - "Martyrdom!"

Veronica - Our Lady points upward, and I see a figure now upon a cross. But the figure has white robes on. And on the top of the cross, the upward beam, is a tiara. Oh, my goodness! It's the papal tiara.

Now Our Lady is coming forward. She's placing a scarf about Her head. It's very . . . oh, it's a black scarf.

Now Our Lady has placed it over the covering - Our Lady has a white gown on with gold trim, and the white gown has an outer covering that goes about Her head. It also has a golden trim along the outside. But now Our Lady has placed a black, veil-like covering about Her head. And She's holding now - they appeared from out of nowhere - three candles. And the three candles now are in like a holder, like a candelabra. And Our Lady is bowing Her head, as She now is walking. And Her hand now, She's holding Her hand out with the candelabra, pointing to the figure on the cross.

The figure on the cross is Pope Paul.

Now Our Lady is coming forward. It's grown very dark about Her. But She's moving now over to the right side of the flagpole. Oh, and Saint Joseph and Saint Anne are coming forward and standing next to Her.

Joseph is quite tall. He's about at least . . . oh, he looks a foot taller than Our Lady. And Saint Anne is about the same height as Our Lady. And now Saint Joseph is bending forward.

St. Joseph - "My child, Veronica, it is not often that I speak, preferring to remain behind as consolation to my dear Family. However, my heart is torn as I watch the abominations and the destruction of young souls. Would I offer myself as sacrifice for the salvation of these young souls, I would present myself to the Father.

"Many young souls will be taken from your world that they may enter the Kingdom and not fall to satan."

Veronica - Now Saint Joseph is turning towards the rear, and there is a . . . oh, there is a beautiful angel coming forward. It's not Michael, but . . . oh, it's Raphael. And he's handing Joseph a large book. Now Joseph is turning and he's holding out the book. Oh, yes. I can see the pages. It is our Bible. And now Joseph -

WIVES SUBSERVIENT TO HUSBANDS

St. Joseph - "Repeat, My child, my words:

"Families, bring honor to your homes. Fathers, be a father; discipline your children. Mothers, do not discard your role as a mother. Why have you sought to stand side by side with your husband without being subservient to him? You have lost your honor. The example you give to your children can lead them nowhere but into the darkness. A strong tree will bear good fruit. A tree that is fed with impure waters will not grow to maturity, but will die and wither on the vine.

"Prayer must be entered into the lives of your children. Prayer must be a way of life now, for you have chosen of your own will to cast aside the words of the Father."

Veronica - Oh! Oh, now Jesus is coming forward. The light is so bright I can barely see Our Lady. She has moved over now to the right, that would be by Jesus' - on Jesus' left. And Jesus is saying:

Jesus - "Prepare, My children, for the great battle ahead. The forces of evil now will do full battle for control of My House. Know that satan shall not be victorious, but it is in this manner that you will be tested. Persevere and you shall win your crown."

Veronica - Now Jesus is pointing over. Oh, and Our Lady and Saint Anne and Joseph are moving over towards Him. They're floating. They're not walking, they're floating. And Joseph is still holding the Book. And now Joseph is nodding to Jesus, and Jesus is smiling. And Joseph is saying:

St. Joseph - "Teach your children, my beloved children of earth, from the good Book. You will not be deceived. However, I must caution you to not buy those printings that are being given now disguised as truth."

Veronica - Our Lady now is coming forward, and She says:

ONLY BIBLES BEFORE 1965

Our Lady - "Remember, My child, I cautioned you in the past to read only the writings prior to 1965.

"My child, you must listen or you will have to suffer bodily. I have cautioned you often to not leave your home unguarded. The agents of hell have received direction to dispose of you. You do not have to be afearred, My child, for were they to destroy the body, what matters is that they do not destroy the soul, for it is eternal. Your body shall return from whence it came, but your soul shall remain forever in the Kingdom of Heaven or, sadly, given to Lucifer in the abyss and the fires.

"The photographs given you, My child, are given for reason. Study them well.

"Yes, you will not travel without your cross.

"There is no reason to fear, My child, for you have Creazuus now with you and Tusazeri."

Veronica - Oh! Creazuus? Creazuus. Oh, Creazuus is the angel guardian given to my son Raymond while he was here on earth.

"Our Lady, thank you. Thank you, Blessed Mother."

Our Lady - "My child, you do not have to feel embarrassment for showing your human feelings, for I, too, am a Mother.

"Yes, My child, there is a plan for each life the Father sends to earth. That is why We are much grieved, for many of the souls that the Father has allowed to be conceived have been brutally sent back without fulfilling their mission. Murderers shall die! Murderers shall burn forever in the abyss!

"Life and the spirit enter into the being conceived in the human body of woman at the time of conception. No man shall place himself above the Father and make the decision of life or death.

"We have tolerated - -"

Veronica - Oh, my goodness! Michael is coming forward now, and he's carrying the scale. And Our Lady is pointing. The scale is very heavy.

Now Jesus is coming forward. Oh, my! Oh, yes. Jesus says:

Jesus - "Listen carefully, My child, for this warning is of great magnitude. The Father grows angry. Our hearts are torn. The graces We give for the recovery of souls are cast aside by many. How long can this continue without the intervention of the Father? We will not tolerate the murder of the unborn. Man shall go through an extreme crucible of suffering.

"Know the value of suffering. You must be thoroughly cleansed before entering the Kingdom of Heaven. Either you will be cleansed in your worldly life, or you will suffer over the veil.

"Listen well, men in the House of God, and man in his lay life upon earth: Your actions have been tolerated, but they have not gone by uncounted. You will make atonement for each soul that you have sent back to the Father with its mission unfulfilled. Your world shall go through a great crucible of suffering, suffering that has not been seen since the time of Noe or before the time, for the fires shall descend upon your earth! Skin, flesh will dry up and blow off the bones as if it had never been. Many eyes will see and still not believe, so strong is the hold of satan upon many.

"You will eat of My Flesh and drink of My Blood in My houses or you will not be with Me. Do not cast aside My House because of the values of man. My representatives will bring My Body and Blood to you during the Consecration. Do not judge My House by the standards of man. But woe unto that day when you can no longer receive My Body and Blood!"

Veronica - Now Our Lady is coming forward, and She has Her very large Rosary extended. It's beautiful. The Our Father is golden and the Hail Marys are white, but as they turn, as Our Lady is turning, they have a beautiful pink glow. It is as though they're catching the colors from Jesus' robe. Jesus' robe is a burgundy color, and it's reflecting on Our Lady's beads. The beads are very beautiful.

Our Lady looks very sad, though. Now She is extending Her cross of Her Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Lady - "You will continue to send the Message from Heaven throughout the world, My child. Many souls will be recovered, but sadly, many will reject the Message from Heaven. It truly rains teardrops from Heaven. After the great trial, the numbers saved will be counted in the few.

"I have asked My beloved children to read the Book of life so that they may become knowledgeable. For it is in the knowledge of your God that you will be able to stand forth as true disciples of the Father. The Book of life and love, the Bible, shall never be taken from you. And the words once read will remain in your heart. Fathers of families, and mothers, give the example of this knowledge to your children. Take them with you to a quiet corner and read, for in this manner will they learn the truth and be given the light. Outside your doors, My children, We do not see many good examples.

"Yes, My child, Our hearts are heavy. Immodesty, immorality, fornication - all the abominations that destroy the soul have captured many souls for satan. The example in the home is poor.

"Woe unto that day, that last day when parents will look upon children and they will see the judgment of the Father upon themselves and the children! Man will weep; man will gnash his teeth in sorrow!

"It is through the merciful heart of the Father that I have been allowed to come to earth as a Mediatrix between God and man. Do not cast Me aside. Do not send Me away, for if you do you will lose souls and you, as teachers and representatives of My Son, shall enter the kingdom of satan. Woe unto the leaders who use their rank to destroy the souls!

"You shall not lead the souls to the slaughter!"

Veronica - I see . . . oh, I see . . . they look like dignitaries, like . . . well, they're priests, but they're all dressed in . . . oh, robes of purple and gold and very bright, brilliant red. And two of them are carrying like birettas.

"Our Lady, birettas?"

Birettas, She says, in a red. And behind them . . . they're walking . . . oh, they're walking on top of a large globe. And as they walk, they're being followed by sheep, thousands and thousands of sheep. But as they're walking - oh, they're walking and standing at the edge of a great chasm - oh, a great hole. And as I watch, I see all of these sheep going down into the pit. Oh! Oh! The pit is hell!

Oh, it's terrible. Now they're not sheep, they're, they're people! And now I can hear them screaming. And it's starting to burn, for the fire, it's like . . . I see some, they're - they seem to have no sense of movement; they're just blowing and bouncing back and forth as they're going down. Their bodies look like, like a coal that's been burned, and it's glowing. Oh! And oh, as they're going down, off to the side are those horrible-looking "things!" Oh, they're demons. They, they look like they almost have the bodies of humans, but their, their hands and faces are like animals - claw-like hands, and their faces have terrible elf-like heads with pointed ears. Oh, and each one is different, but ugly.

"Oh, Blessed Mother, take me out of here."

Oh! Oh! Oh!

Our Lady - "You see, My child, satan seeks to take the reality of hell from the minds of man. There is hell, there is the kingdom of satan. And all who enter this kingdom will have done so of their own free will. The Father shall not force anyone onto the narrow road. For man, when he is placed upon the earth, the Father has done this so that he may eventually return in glory, triumphant over satan, to the Kingdom.

"In many places, through many years, I have given you the plan for your salvation. The Father has sent many instruments among you. You have been given the sacramentals; you have been given the plan for your salvation of prayer, sacrifice, and atonement. Save yourselves and the souls of those you love in the merciful and Sacred Heart of My Son, present in all the tabernacles of the world.

"I repeat anew, do not judge My Son's House by mere man, for when you receive - the word you use, My child, is Eucharist - you receive My Son. When He is given to you, brought to you by the legally-ordained priest chosen by My Son - though, sadly, many now go on the dark road - chosen by My Son to bring His Body and Blood to you.

POINT OF SATURATION OF EVIL

"There are forces in your country now, a conspiracy of evil to remove the word of God from among you. Not only your country, but the world has now reached a point of complete saturation of evil. When the forces of iniquity have reached their peak, the Ball of Redemption shall not be stopped, but you will receive your baptism of fire.

"It is through the prayers, the sacrifices, and the suffering of many martyrs upon your earth at this time that the merciful Father had extended you the time to make amends. However, your days are counted."

Veronica - "Yes. Yes, Mother. Yes."

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

[Pause]

Jesus - "Murderers!"

DEATH TO AGED, CRIPPLED, MENTALLY ILL

"The time will come, My child, when those who are upon the earth will envy those who have passed beyond the veil. Insanity, sin. Sin is insanity. The aged will be put to death, the crippled will be put to death, the mentally ill will be eliminated. The value of life will be gone. The value for life will be destroyed. Murders - sanctioned among those with the power to destroy the souls!"

Veronica - Oh! There's a large heart. It's all cut, and the blood is coming from the heart. [Veronica sobs.] I can't hold, though, I can't catch them. Oh!

Jesus - "My Blood will be upon the hands of many."

Veronica - Oh!

Jesus - "The Mystical Body of Christ."

Veronica - I see . . . there's a man coming now forward. He's dressed all in white. He has a little white hat, like a . . . [word not clear] sort of hat on his head. And he has a Rosary at his side. There's a band about his waist. His hair looks very white. He's carrying a Bible in his hand, his left hand, and the cross in his right hand. Now he's smiling.

St. Pius X - "Do you know who I am, my child? Think."

Veronica - Oh, it's Saint Pius - oh, Saint Pius X.

EXCOMMUNICATE MODERNISTIC CLERICS

St. Pius X - "Yes, my child. I do not have many opportunities to speak to the peoples of earth. But in this time of great anxiety and great darkness upon earth, I wish to make it known to those who represent the Father and the Church of His Son that they must restore discipline. They must not surrender to the modes of the world, this being the errors of modernism, humanism.

"Strength in the Holy See! Man wearing the robe of the cleric must be excommunicated so that he may not contaminate the world with errors of modernism. You shall not remain with a soul when there are millions and thousands of souls to be saved.

"Discipline, rigid discipline must be restored. The founding Fathers gave you the example and the knowledge, but you want change. The Father expects no change. Truth is truth. It is only satan who wishes to destroy the truth in change. The rock has always withstood the test of time. But one will be entered into the House of God, and woe to man when he places him upon the Seat of Peter, for then the great Day of the Lord shall be at hand.

"Your future is balanced now; your days are counted. Those who live by the sword shall die by the sword. Measure for measure."

Veronica - Now it's growing very, very dark. Oh, but . . . no. Oh, oh. Your Excellency is smiling, and he's raising his hand, like this, and going like this, making the sign of the cross. Oh! In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

[Pause]

Our Lady - "You are giving Me quite a long list of requests."

ONE TO RECEIVE COMPLETE CURE

"Yes, I can assure you on this night one among you shall receive the grace of complete cure, cure of what scientific man has called impossible. But We will prove to you, My child, that nothing is impossible with the Father.

"Graces for cure and conversion shall be given from these sacred grounds.

"Now, My child, I will tell you one major reason why the Father sent Me to you and chose this site as a center of reparation. It is because of the murder of the young. It is because your city, your nation, has great influence throughout the world. Your example will be followed by many. But you must return the Father and restore discipline in your daily lives, or you, too, will fall to the sword.

"I repeat, the evil spreads out like a cancer, strangling all in its web. The mariners will stand far off and weep in grief as they see you burning. O city of Babylon, your sins have caused your destruction. Repent now or be lost forever."

Veronica - Our Lady is showing me the great disaster. I see large buildings. They're like a deck of cards that have fallen over. A great shaking of the earth, and the buildings are falling.

Now written over the sky is the word "DEATH": D-E-A-T-H. And underneath it is written the word "SIN": S-I-N. Now Our Lady is looking over to the writing "DEATH, SIN."

Our Lady says:

Our Lady - "They are inseparable, My child."

Veronica - Now Our Lady is passing Her hand before Her face, like this, and the words "DEATH" and "SIN" are wiped away. And now She's pointing upward, and the sky has become very light. It's very bright. And now the words are written "GOD": G-O-D, "LIFE": L-I-F-E. Now both words are appearing, both sets of words again. "SIN" now is on the top. "SIN, DEATH; LIFE, GOD." "SIN, DEATH; LIFE, GOD."

Now the sky is very dark now. Our Lady says:

Our Lady - "Continue with your prayers of atonement."

[Pause]

Veronica - All who are able to kneel, please kneel, because Jesus now wants to bless your sacramentals. In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now Jesus is coming forward. Oh, the light is so bright! The light, oh, just seems to come out from His body. I guess you call it body - it's so bright! I can see Jesus' hair. It's very . . . it's sparkling. I believe it's from the reflection of the light, makes His hair look sort of a reddish brown. It's . . . He's smiling. And now Jesus is going over towards the trees on the right. And He's shifting His robe. Jesus has on a pale, cream-colored gown, and it's tied with a . . . like a sash that hangs down on His right side. And He has on these sandals. They're brown sandals, sort of made of loops, like rope. And now Jesus has a cloak over Him. Now it's tied at the neck, but it hangs down very loosely. It's like a coat. And now Jesus is placing it on His left hand; He's wrapping it around His left arm. And He's raising His right hand now. He's motioning to me to listen.

Jesus - "I send My blessing, as the Father blesses you in the Spirit, blessings that will be needed for cures and conversion. Major in importance, the cure of the sick soul. Cures of body and cures of spirit."

Veronica - Now Jesus is raising His hand, like this. His three fingers are together, and He's making now the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is looking down over His left shoulder, that would be in that direction, and He's saying:

Jesus - "Do not open all your packages. I assure you, My children, I can see into them."

Veronica - Now He's coming over, and He's between the trees and the flagpole. Now Jesus is placing His hand now out, like this, and . . . oh, He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus . . . oh, Our Lady is coming now; Our Lady is coming out of a cloud. There's a huge white cloud, and Our Lady is coming down and standing . . . She's standing right beside Jesus.

Our Lady is all in white with a gold trim - it's an edging to Her outer garment that runs from Her feet all the way over. It's like a cloak that covers Her head and down to Her feet. And Our Lady now has Her Rosary, the large Rosary, in both Her hands. And She's following Jesus. Now Jesus is just at the right side. He's touching the flagpole, just above it. Oh, His foot now is touching the flagpole.

And now Jesus is putting His fingers together, and He is blessing, oh, in the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now He's going over to the left side of the flagpole. Oh, now Jesus is looking down and smiling. Oh, He is motioning over to a priest. There's a priest over on the left side of our flagpole here. And Jesus is smiling. Now He is bending down quite low. And Our Lady is smiling. And Our Lady has extended Her Rosary forward, like this, over the head of some people just to the left of the flagpole, but over in this direction. And now Jesus is putting His fingers together, like this, and He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is still extending Her Rosary. Oh, She's now taking the cross, the gold, the large gold cross, and She's holding it forward, like this. And now Our Lady is making the sign of the cross with Her Rosary: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus and Our Lady are . . . well, They're floating. They don't walk; They just float over right next to the trees. And They're looking down. And Jesus now is placing His hand close to His chest, like this, and He's making the sign of the cross, like that: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now Jesus and Our Lady are going, They're going . . . They're rising very high. Now They're standing, oh, about two feet above the tree. Now They're coming over towards the flagpole. Oh, and Our Lady now is bending forward.

Our Lady - "Continue, My children, with your prayers of atonement. Many are needed, for there are many souls in darkness.

"All sacramentals have been graced with the power of cure and conversion, the recovery of sick souls and sick bodies.

"Many manifestations will be given to bear witness to the reality of My visit to your grounds. Many instruments of Heaven have been chosen to bring the word in this battle of the spirits. The word of God shall be forever. The Kingdom of God will be triumphant over the darkness. However, these are the Days of days, and the battle rages."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now Our Lady requests - oh! Oh, now coming forward are a group of nuns. Oh, I recognize Theresa. Oh, there's Saint Theresa, and the three nuns that . . . two are beside her, one in the back. And there are four more nuns coming.

St. Theresa - "C'est le jour Francais."

Veronica - Oh, I don't speak French.

St. Theresa - "Le jour Francais."

Veronica - I - oh, oh. Oh, Theresa requests that we continue the Rosary in French. Oh! Oh! [A number of French-speaking pilgrims were present.]

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

[Pause]

Our Lady - "My child, you cannot expect a normal life now, normal in your human understanding. It is the will of the Father that you be an instrument, one among many in these dark days. Much has been asked of you, My child. But I assure you the reward will be great in Heaven. I carry My arms filled with roses. These I prefer to give you, but the road between your world and the Kingdom is filled with thorns. It is the way of the cross.

"As an instrument of Heaven, you have accepted a consecration to the Father for the remainder of your earthly life. You will meet with much opposition. All that you do, you will do for the Father and give little care for the opinion of man. Theresa, your sister, will guide you along the path, as you will learn the necessity of having a true thirst for souls.

"Forsaking all others, you will submit your self and your will to the Father as an instrument for Heaven. I would advise you, My child, to remain close to your home and restrict yourself to less worldly conversation. Retire more into a life of prayer when you are not given to your Scripture writing.

"Your mission will be accomplished. You will work with perseverance. The Father will not give you more than you can accomplish at this time.

"You will find in the future that the more contacts you have with worldly associations, the less spiritual you will feel. Therefore, do not subject yourself to this test. You will endeavor to live in the spirit.

"During this season of penance, you will be directed to exercise silence.

"You will deliver the Message from Heaven. Speak once and if not hastened, speak no more, but pray and leave the rest to the Father.

"That is all, My child. You may now be seated and continue with the prayers of atonement."

March 24, 1974

Eve of the Annunciation of the Blessed Virgin Mary

Veronica - There's a great light now coming forward through the sky. The sky is opening up, and the light is so brilliant that it, it's hard to watch. Oh, Our Lady now is coming forward. She has on the most beautiful white gown. It's a pure white, with golden trimming all around the edges of Her robe, the outer robe that reaches from Her feet, across Her head, down to the other side. About Her waist there is a golden cord, and there's a large Rosary. The beads are very large. Our Lady has it tied to the golden cord on Her right side.

Now Our Lady is standing with Her hands together in prayer. Our Lady says:

Our Lady - "Follow Me, My child. The thumbs are crossed, the fingers extended to touch. It is in this manner that you will pray, My child."

Veronica - Our Lady now is looking about Her. She's looking down among the people. She looks very sad; Our Lady looks very sad.

Our Lady - "My child, there is great sadness in Our hearts, for so many souls are being taken into the abyss. They have destroyed their chances forever to enter into the eternal Kingdom of God.

"Many of these souls have gone down the wide road because they pursued the lusts of the flesh. If you do not live in the spirit, you will live in the ways of the world. This way is a road to destruction, for Satan has now gained control of the wide road.

CHILDBEARING THE GLORY OF WOMAN

"As a Mother, My heart is torn, for the example of many mothers on earth is poor. Woman, who has come from Adam, would regain her glory by childbearing. This, too, has she cast aside for the ways of darkness. No longer does she seek to purge her soul and to enter the Kingdom of the Father. Her sins multiply, for no longer does she not only miss the opportunity of purging, but she has committed murder! All the evils of the flesh.

"Women of the world reject their places as helpmates to their husbands. What manner of creature have they become? The Day of the Lord approaches fast upon you, for what has been foretold is coming to pass.

"Immorality, uncleanness, destruction of the temple of God - the blackest of evils have entered into the hearts of many. The children - whatever shall become of the children? The teachers - lying teachers, with falsehoods, half-truths, and abominations!"

Veronica - Now coming forward there is a man. He has quite long hair and a beard, a short beard. And he's carrying a Book, and he has a long stick in his hand. And Our Lady is now turning towards him. Our Lady says:

Our Lady - "My child, recognize Saul, whom you will know as Paul. His words are the words of truth, but they must not be rewritten to satisfy the base nature of human man."

Veronica - Now Paul is looking up and down. He doesn't look very happy. He has quite a stern look upon his face. And he now is leaning forward and saying:

NO WOMAN ON THE ALTAR

St. Paul - "Repeat what you hear, my child, and shout it from the rooftops. No woman shall be on the altars of God! Disobedience, lack of respect for the Holy Father - what will this bring you to but your own destruction! A Church that falls into darkness will fall. The foundation will rock, but the foundation shall not be destroyed. For it will be renewed and built as it was ordained by the Father.

"Much tribulation lies ahead, but these trials have been brought upon you by man. As it was in the days of Noe, so it is in your day that man is prideful and arrogant, seeking to place scientific knowledge above the Father. Rationalization for sin, so that sin now is a way of life! Souls in darkness, homes in darkness, and churches in darkness - whatever will become of you? You ask for the wrath of the Father upon you!

"All that is rotten will fall! You have been given the time to mend your ways and turn back onto the narrow road. You are not without the truth, but many have sold their souls to get to the head, preferring the things of the world and not of the spirit. You cannot live in the world and live in the spirit, for you cannot have both. The world now belongs to Satan. The spirit of light leads to the eternal Kingdom of God. You will live in the spirit of light. False teachers among you take the light from you and

bring you into deeper darkness. You will read the Book of love and life, the Bible. However, you will not place your souls in jeopardy by reading printings after the year of earth 1964."

Veronica - Now it's growing very dark. And the man with the Book is stepping now . . . he's floating; he doesn't step. He's standing now behind Our Lady, Who is reaching to Her side and bringing out Her Rosary. Her Rosary is very large, very large. The beads are white. But as Our Lady is turning now and looking down upon the people, the beads have a beautiful pink glow. Now hanging from the beads is a golden crucifix. Our Lady now is picking it up, like this, and extending it now in front of Her and blessing the people: In the name of the Father, and of the Son, and of the Holy Ghost.

Now I see great light coming from the sky. Our Lady is standing over to the left. But there are beams of light coming down from the sky onto the grounds. They're very beautiful, very beautiful. They go into the sky beyond what I can see. Oh, but now the sky is opening up, and I see a great many figures. They're all dressed in white robes. They're coming forward.

Now Our Lady is coming over to the center of the flagpole, and She's bending down.

SENT BEFORE TRIBUNALS

Our Lady - "My child, you see now the martyrs of old. Unless you can pick up your cross and follow My Son, you cannot join the Kingdom. Upon earth your road will be bathed in blood. In this manner will your spirit be cleansed, and you will be refreshed in the Kingdom and clothed in garments of purity. You will be forced to stand forth as disciples of My Son, bearing witness to the truth. Many will be sent before the tribunals. Do not be afear'd, My child, of what you will say, for the Spirit of truth will enter upon you, and it is through this voice-box that the truth will be known.

"Satan has set upon earth modes of life for your children that are soul destructors. Looking for My Son, they go aimlessly in every direction and leave the narrow road, wandering onto the path that will lead them to satan.

"In your country and throughout the world, We look upon abominations being committed in the name of religion. My Son's heart is torn, for not only has He been placed upon the tree in the days of great suffering, but now He is recrucified in the world and in many of His houses, churches.

"Recognize the faces of evil among you. They will not come in their true form, but they will parade themselves as angels of light, angels of mercy. By their fruits will they eventually be known to you, for the light will cast out the darkness.

"The Warning that will come upon man and the great Chastisement will be soon upon you. It is in the merciful heart of the Father that your time has been extended, a time to make amendment of your lives, cleanse your souls of all sin, mortal and venial. Pray much; sacrifice your senses.

DEMONS CAST OUT BY FASTING AND PRAYER

"My child, it is with great sorrow that We must look into the hearts of Our dedicated. They do not know the light is dim. Many of these demons cannot be cast out without fasting and much prayer. Prayer and fasting - substituted, My child, by the ways of the world.

"Men who are representatives of My Son in His houses must now gather the flock and replenish their starving souls. It is apparent, My child, that many care more for filling their coffers than to feed their souls. The love of money has destroyed many. The love of power, power for the things of the world, has destroyed many. You cannot have both. You will not have this world and the Kingdom of God! For when you leave over the veil, you will enter the kingdom of the prince of darkness, or you will join Us with great joy in the Kingdom of the Father.

"Contenance, My child, is the sacrifice asked by the Father. You cannot divide yourselves. There must be a full dedication to the will of God. If you care more for man and cannot turn to the light and follow My Son, you are not a true representative of My Son. For He who cares more for man cannot give his heart to My Son.

"My child, Our pleas fall on deaf ears. How long must I beg for chastity when immorality reigns upon your world. Foolish virgins, whatever will become of you? You have become confounded. You have cast aside your garments of honor. Why have you cast them aside? Are you ashamed to be known as spouses of Christ? Are you not becoming brides of satan?"

Veronica - I see a large globe now, a very large ball. It's coming from out of the sky. It looks like a globe, yes, of the world. And now I see a world covered with darkness. But there are lights, flickers of light in various places. Now Our Lady is coming forward and pointing to the globe.

Our Lady - "Those lights, My child, are My little armies. Though small now in number, they will grow unto the coming of My Son. The ultimate victory against the forces of evil are with Us, My children. Go forth as disciples of My Son with this knowledge in your heart that the victory lies with Us. For the time will come when I shall crush forever the head of satan.

"My child, make it known to the world that woman must return to her place as woman, for she has been misled. Was it not woman who fell to satan in the beginning?

"Her disobedience to the will of God brings much sorrow upon her and her children. It would be better now, My children, if woman would be silent, for she does not know the road she is traveling. It is only satan who has set her to rebel against her destiny.

"Know, My child, that satan has many faces. He will enter, and his agents will enter into the body of any unclean soul - man, woman, or child to work his will. Therefore, My child, you will exercise great caution in opening your door to strangers.

"I cannot stress, My children, the necessity of your wearing your sacramentals. Many graces have been given to these objects of God to protect you from infiltration by satan and his agents.

"We are at war, a great war, a war of the spirit. Your armor will be that you clothe yourselves with the word of God. The Father has set the path for you. He commands that you do not cast aside His rules of discipline."

MOSES

Veronica - Now there is coming forward . . . oh, it's a very old man. He has white hair, very white, and it's quite heavy. And he has a very thick beard. It's very white. He looks like a very old man. And he looks very sad. Oh, he is holding in his left hand . . . and it looks very heavy; he's having difficulty now. Oh, now it's being lifted up by a hand, an unseen hand. But now there is a light behind it. Oh, it's an angel. I recognize it's a very large angel. Oh, it is Raphael. Oh! Now . . . oh, the man's name is Moses.

Now he is leaning forward and holding two large slabs of like concrete that are together, welded together, like, almost in book form, and pointing with his finger. Oh, they are the Commandments of the Father.

Now the man, the little old man, oh, he's just . . . Oh, Our Lady says:

Our Lady - "He is not that short, My child, in stature."

Veronica - Oh, now he's coming closer. I can see him more clearly. Oh, yes, he's not that short. He is quite tall. Now he is pointing to the writing. The writing is . . . it is not in English. I can't read it, but I can recognize numbers. And he is pointing to the writing, and he says:

Moses - "These are the Commandments of the Father. Break one and the gates of hell are open to you.

"You will place these in prominence in your household. Would I be upon your earth now I would shed bitter tears of sorrow, for I see among you a renewal of despicable abominations that caused me great sorrow upon earth. You hasten the coming of the Lord high God upon you. The wrath of the Father shall descend upon you."

Veronica - Now he is turning towards Our Lady, Who is looking at him sadly. And he is saying:

Moses - "Were it not for the intervention of the Queen of Heaven, you would have received already your just punishment. Know now that your days are counted. Repent! Turn back from your road of sin. Enter into the light. Prayer, atonement, and sacrifice - is this too much to ask of you in the face of what lies ahead of you?"

Veronica - Now it's growing very dark, very dark. And oh, there it is. Oh, my goodness! I see - there's a large ball of fire. It's hurtling through the sky now with great speed, and it's throwing off chunks of fire and rock.

And now I'm standing out with Our Lady. Oh, it's like standing out in a great space, and I can look down and I see the earth, and I see this great ball of fire. And it is coming very fast towards the earth.

Now Our Lady has taken me by the hand, and we are moving over to the other side of the earth. Oh, there are great fires upon earth; death, plague, misery.

Oh, and now Our Lady is pointing, and She is turning now, pointing to the sky above us. And She says:

Our Lady - "War is a punishment for man's sin."

Veronica - Our Lady says much prayer, much sacrifice is needed, for there will be a great War. It will touch the lives of every man, woman, and child on earth.

And She is standing at the left side of the flagpole. Our Lady looks very sad, and She is shaking Her head.

Our Lady - "My child, you see man's inhumanity to man. This is what results from the loss of the light. The Father chastises those He loves, permitting the separation of the sheep from the goats. Those who have been called into the light have great obligation to go forward and gather the straying sheep, their brothers and sisters who have fallen into the darkness. Great rejoicing there will be if you bring one back, just one back to Us.

"Many graces have been given. Many graces will be given, graces for conversion and cure, from these grounds that have been chosen by the Father as a center of atonement.

THE DAY OF THE LORD

"You are approaching the Day of the Lord. You must be prepared. The Father has granted Me this occasion to come to you as a Mediatrix between God and man. Do not take My words idly, for I have spoken to you in truth of what is to be. Prayer, atonement, and sacrifice. Divest yourselves of all that is worldly, for it is only in this way that you will stay on the narrow road. It is difficult, My children, once you leave this road, to come back. It takes much sacrifice, much prayer, much penance.

"My Son has given Himself to you, for His Word became flesh. I offered Myself as a Mother so that the Word would reach the world. Humbly I stand before you, as the Mother of your God, and beg you, as a Mother of earth, to listen and hasten to take action upon My word, for your time grows short.

"All who hear the call of the Spirit, the Holy Spirit, must not hesitate, for many will not have this opportunity again.

"The word will be preached by many throughout the world. The Father has sent among you many voice-boxes to bring the words of truth and the words of guidance.

"Yes, the road, the narrow road is one of suffering. You will be mocked, you will be spit at, you will be laughed at, made an object of scorn, but you will pick up your cross and follow the way of your Lord."

Veronica - Now the sky is growing very dark. Our Lady is going over to the left side. She is standing now just above the trees. Now there is a large ball, a globe-like ball, coming down now out of the sky, and Our Lady is floating now up onto the ball. And She is smiling. Oh, it's very windy up there, too, because Our Lady's gown is blowing. And now She is looking down, and Our Lady says:

Our Lady - "You will now continue with your prayers of atonement, My child. Jesus will join Me in blessing the sacramentals."

[Pause]

Our Lady - "You will pray much for Our Vicar, the Holy Father, who faces great persecution. There are many agents of darkness who are close to him - the false faces of evil about him. You will remain faithful and true to Our Vicar. Accept not the stories, the tales of deception that the enemy sends among you.

"I bring you the truth. Keep this in your heart.

"Scientific achievement in your age - much has been promoted by the knowledge of satan.

"You must caution your young that astrology is of satan. It is a false science created by the prince of darkness to take the knowledge of God and His Kingship from the hearts of the young. Know, nothing in your universe governs your life but the Father Who has created you. No stone, no universal light - not the light of the Spirit, of the Holy Spirit, but the elements of your universe - can govern your destiny. The Father has every hair counted on your head. He knows your past, your present, and your future.

"There are many false prophets among you now. Recognize them by their fruits. Astrology is for the unbeliever. The children must not be misguided.

15 MINUTES READING THE BIBLE

"I have asked, and I repeat anew, that you will spend at least fifteen minutes in reading the Scriptures in the Book of life, the Bible. This knowledge you will need to fight the errors of your age.

"Man must not change the words in the Book of life to suit, to bring out the base weakness of human nature, for the words as written must remain unchanged. The word of God is eternal."

Veronica - I see a great body of water, and I see two shorelines. On one side I see multitudes of figures dressed in white. They're carrying candles. And on the other side, the other shore, I see horrible figures. They are horrible. They look like half man, half human, but they have the feet and the hands and the heads of, of horrible creatures - demons.

And Our Lady is pointing at the demon-shape figures, and She says:

Our Lady - "They are polluting the waters. The flowers are wilting. The stalks cannot grow strong."

Veronica - Our Lady is referring to the peoples of earth.

Our Lady - "The flowers are God's children in His garden of souls on earth."

Veronica - I'm very upset. Our Lady is pointing, and some of these creatures have . . . have . . . have habits on them. Some of these creatures are, are dressed like priests.

Now Our Lady is coming forward. And She is saying . . . Her voice is very soft, very low. Speaking very quietly, Our Lady is now.

Our Lady - "It is in sadness, My child, but even Our dedicated are given the choice for the salvation of their souls. Great graces are given, but many are cast aside. This is of man's free will."

Veronica - Now the light is getting very, very bright. And I see . . . oh, now Jesus is coming over. And Our Lady now is moving fast over to the right side of the flagpole. Now everyone who is able, please kneel.

Now Jesus is standing, and He's smiling. Oh, He is very beautiful. The light is very strong. Now Our Lady is standing just on Jesus' right side, on the right side of the flagpole.

Now Jesus has on a pair of . . . I can see His bare feet in His sandals. And He has a darker garment; it's almost a brown, His gown. It's a deep sort of beige, but almost a very light tan. And He has a robe now. The robe is very red, a brilliant red, with gold trimming. And it's tied about His neck with a gold-braided band, and from the band there is hanging a wooden cross.

Now Jesus is coming over, He's coming down by the tree on the right side.

Now Jesus is saying:

Jesus - "If you will extend your sacramentals, I will give, through the Father in the Spirit, graces for conversion and cure - graces for the repatriation of the straying sheep."

Veronica - Now Jesus is looking down, and He is smiling.

Jesus - "You do not have to open your packages, for I can see into them."

Veronica - Now Jesus is raising His hand in front of Him, like this, with His three fingers, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is coming very - He's coming down closer. Oh, and He's now moving. Our Lady is going over to the left side. He's still on our right side of the flagpole. But now Our Lady is touching the flagpole with Her Rosary. And Jesus now is raising His hand, and He's now blessing in the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over, following Our Lady. Now Our Lady has stopped now. And Jesus has gone ahead of Her, and She's standing behind Him.

And now there is a great light coming from the sky. Oh, it's Michael. Michael is now coming down and standing right beside Our Lady. And now Jesus has gone forward on the left side of the flagpole. Oh! And now Jesus is extending His hand now high above His head, like this, and He's now making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's placing His hand out . . . He's placing His hand out, and there is a light, a tremendous light coming down on the left side of the flagpole. It's now hitting just about beyond center, in the back. Now He is raising His hand over His head now, and the light is fading. Jesus says:

Jesus - "You wonder, My child, what the Father has in store for the individual. That you will find in time."

Veronica - Now He's going over to the tree. Now Jesus is standing by the tree, and Our Lady is behind Him. And Michael is standing there. He has the balance, the scale, in his left hand, and in his right hand there is a large, spear-like-looking stick. Yes, it's a spear. And he's standing behind Our Lady.

Now Jesus is placing His hand in front of Him and looking down now. He's just by the tree. In the name of the Father, and of the Son, and of the Holy Ghost.

Now they're turning, and Our Lady and Jesus and Michael. Michael - they're following one after the other. They're floating over. Now Jesus is turning, and He's looking down. Now He looks very sad. And Jesus is saying:

Jesus - "My Mother has given repeated warnings. Many have chosen to cast them aside. Soon there will be few words, and you will find that the Father has sent His Chastisement upon you.

"Hasten, harken, and listen, for you have been warned and you must now take fast action. Save yourselves and the souls of those you love. Come to Me, as My heart is extended to you all. I gave My Body. I am with you in Body and Spirit. Do not cast Me aside, for I am the living Bread of your life. Without Me you cannot enter into the Kingdom of the Father.

"Were you to know the glories of the Kingdom, you would run fast and turn away quickly from the evils of the world that has given itself to satan. For beyond your universe there lies the greatest joys, joys far beyond all expectation or conceivable in your human mind. This We give you for the asking.

"Come to Me, My children, for I am very lonely. I am visited only by the few. You must drink of My Blood and eat of My Body, or you will not have the light within you."

Veronica - Now Jesus is raising His hand again: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now Jesus and Our Lady are going . . . They are rising. Now They are just above the figure on the flagpole, the eagle. And Our Lady now is coming down and going over to the left side of the flagpole.

Our Lady - "Continue now, My child, with the prayers that I have directed you to start."

April 6, 1974

Eve of Palm Sunday

Veronica - Now at the left side of the flagpole there's a very brilliant white light, and it's very much in the distance. Oh, but it's becoming brighter now, and wider. Oh, and out from the circle, a circlet of light, is a huge figure. Oh, it's Michael! Now Michael is carrying in his right hand a balance, and in his left hand he has a long spear. Now Michael . . . I can see now that he has a whole attitude of despair, despondency, the way he is standing now with his head down upon, almost upon his chest.

Now coming behind him is a figure. Oh, it's Our Lady. Oh, Our Lady is beautifully gowned in white. And there's golden trim about Her head covering. It goes all from Her feet around Her head, down to Her feet. And on Her feet are these beautiful golden sandals. Now on the sandals I can see . . . they look like golden roses, one on each foot. They look very dainty; the sandals look very dainty. They're very beautiful.

The light is very bright. It's very hard to look into. I can almost see Our Lady's face. I can't see Her face, the light is so bright. But now I notice that Michael is coming forward, and he's motioning for me to listen. He has placed his hands now to his lips.

St. Michael - "My child, you will listen well to the words of the Queen of Heaven. Your world will stand now in great trial."

Veronica - Now Our Lady is coming forward, and She has in Her right hand - oh, it's a Scapular, a very large Scapular, the brown Scapular. And now She is taking, from Her belt She's taking out Her Rosary. It's a very large Rosary. It's white, beautiful white, very large beads. And the Our Father is golden, and the crucifix is now white, but it's becoming, strangely, very dark. Now Our Lady is coming forward. Now She looks, Our Lady looks very sad.

Our Lady - "My child, it is with heavy heart that I must tell you that there will be great chastisement to your world. The sins of man have multiplied far beyond My expectancy. Our tears fall in abundance upon an unrepentant generation. There will be placed upon your world great trial."

DARKNESS OVER THE WORLD

Veronica - I see now a very large ball. It's coming closer. Now on top of the ball is a huge cross. It's a cross, but no corpus on it. It's a very large cross. Now I see the ball, which is light. It's turning gray now, and it's now becoming very dark. Our Lady says:

Our Lady - "You see, My child, the great darkness that will come over the world.

"The prayers, the acts of sacrifice made by the few on earth - I can only say 'few,' My child, for they do not balance the numbers and multitudes upon earth - these prayers have won a reprieve for mankind. However, it is in the plan of the Father that the cleansing begin. Man has not recognized the warnings given by the Father. Therefore, they will become more severe in nature.

"You will find that many will be placed upon the cross as victims for their Faith. All who follow My Son will carry a very heavy cross. The time of the persecution is now accelerating. Prepare yourselves; retire from your world, which has been given to satan. Guard the Faith in your home, in the hearts of those you love.

"Heresy, O mournful heresy! Whatever shall become of you?

"Loosed upon your earth are the demons from the abyss. They have multiplied and are prepared to do great battle. The Time of times and the Day of days approach. Understand and make preparation, for you are approaching the period of darkness.

CATAclysm OF COSMIC FORCE

"There will come upon you suddenly a great cataclysm of cosmic force. Recognize this as not an occurrence explained by science, but as the hand of the Father upon an unrepentant generation."

VISION OF TRIBULATIONS

Veronica - Now I see a river, a great body of water. It's very large; it's almost like an ocean. But now there are four figures coming down through the sky. They're dressed in long white robes. The first figure now is coming and standing over on the left side of the river, and he's carrying a banner. It has a figure on it, but it - the banner looks like a V-shaped figure. From here it looks like it might be - oh, something that . . . like a tornado or something with great force.

And now I see the figure in white, the angel, is raising his hand for me to be silent. He says:

GREAT WAVES

First Angel - "Waves, great waves will rise high above your land. Waters to carry and cleanse."

Veronica - Now the second angel is coming forward. He's carrying a sword in his hand. It's a very long sword. Now he is going over to the left bank of the waters. He's standing there now, and he's placing across his chest a black band. And on the band is written: D-I-V-I-S-I-O-N, D-I-V-I-S-: "DIVISION." Now he's placing the sword downward, pointing it downward with his right hand. And now the sword is being placed over his head, and over his head I see small writing. There's a hand - I see it from the wrist upward, and it's writing as though with the first finger. It's saying: "FATHER AGAINST SON, MOTHER AGAINST DAUGHTER, SISTER AGAINST BROTHER." And then underneath: "DIVISION WITHIN THE HOMES."

HUNGER

Now it's growing dark, and the writing is disappearing. Now I see another figure coming forward. Now he's carrying a long - what looks like a piece of reed or wheat, and he's got a balance in his hand, a scale. But it looks different than the one Michael carries. He also has a black band across his chest, and he's standing now on the right bank of the - joining the other angel on the right bank of the river, of the great body of water. And now he's holding the balance up, and he's pointing now to his chest. And written across the black band is: "HUNGER": H-U-N-G-E-R. Now he's taking the balance and he's raising it high above his head, and he's saying:

Third Angel - "Denarius, denarius. A measure for the wheat. What will you give for your bread?"

ENGLAND FALLING INTO SEA

Veronica - Now it's growing very dark. And I am looking over the body of water, and I see very high waves. And they're coming closer to the land. Oh, it looks, it looks like in Europe. It looks like England. And I see tremendous waves washing at the shore. Oh, and I see the bottom half of it facing onto the water. It's now breaking away and falling into the sea. Oh! Oh!

Now it's growing very dark. It's growing very dark now. I see another figure. He's dressed in white. He's also wearing a black band across his chest, but on the band is a horrible figure of a skull. A skull, just a horrible, gaping skull. Now this figure of the angel, he has two swords which he's now crossing upon his chest. And now he's pointing both swords downward to . . . as though the earth. It's the earth, because a great globe is standing there now, with a cross on it.

And now I hear many, many voices, and they're crying: "War! War! War!" Now it's growing dark. Our Lady is coming now. Our Lady looks very beautiful, but She's very sad.

GREAT WAR

Our Lady - "Yes, My child, I am heavy of heart. There will be a great War.
"You are saddened, My child, at the knowledge of what is to come. Blood will flow through your streets.

WORLD NOW WORSE THAN TIME OF NINEVEH, SODOM & GOMORRAH

"I have wandered countless earth-years throughout your world, offering the plan for your salvation and to save you from destruction. How many have listened to My pleas? The evil the Father finds abominable. Your country, your world, is in far worse a condition of soul than it was in the time of Nineveh, Sodom and Gomorrah, and Noe. What, then, can you expect for your future?

"You have cast aside of your free will the Book of life, Bible; you have chosen to follow satan, the father of all liars. You have followed him as you listened to his call - all for the pleasures of the flesh and the gain of money. Many have sold their souls to get to the head.

"Your redemption will be returned to you with great trial. Many will die in the great flame of the Ball of Redemption, which will be sent upon you as part of the plan of the Father for restoring the world to its original purity. All who are left will be with the Father in My Son Jesus, to set up the Kingdom, the Kingdom of the Father.

"I have asked you to read your Book of life, the Bible, so that you will know the truth and not be led astray by the men who come to you as angels of light, but are ravenous wolves. They are sons of satan! Recognize they have crucified My Son, and

they are now setting to recrucify Him again. This they will accomplish through His Mystical Body. But know you this: they will be given only a set time by the Father, and they will be cast into the abyss.

"The gates of hell are open wide, but they shall not prevail against the Church of My Son. This He left to you as a guide, as you go on the narrow road and make your way back to the Kingdom. Too many have set themselves on the wide road and given themselves to satan. Oh, the anguish of heart, oh, the gnashing of teeth at that moment when they pass beyond the veil! What does it gain you now if you receive the whole world and lose your soul?"

"Over the veil your life is eternal. Death, My child, is a word that should be stricken from your earthly language. There is no death. Life is eternal. Your body will one day rise anew, and you will be recognizable to each other. But unto that time you are living beyond the veil. There is no death. It is only the enemies of the Father that try to erase this truth from your mind. In this manner they can set you on the road to satan. For they are truly the sons of satan, as they were always the sons of satan, when they killed My Son, too, upon earth.

"Compromise, My children? What have you to gain when you compromise your Faith? You divide yourselves so that the enemies of God will conquer you.

"All who do not recognize My Son as the Christ, in the Father, in the Son, and of the Holy Ghost, they are not of My Son; and they are not worthy of the Kingdom of Heaven. And they shall not enter the Kingdom of Heaven. This is from the Father.

SOCIETIES OF SATAN

"You have upon your earth many societies of satan. They have monopolized the industry of your world and the medias of communication. They have done the work of satan well. This was allowed by the Father because of your unwillingness to turn from your sin.

"All who are with the Father shall be saved. None shall come to the Father except that they come by the road of My Son. My child, too many fear for the safety of their bodies. Better that they fear for the salvation of their souls."

Veronica - Now I see it's growing very dark. And there are . . . oh, legions of figures. I say legions, because they look hundreds of figures, but they're dressed in very dark garments. They're crossing across the sky. I have never seen any dressed like this in black. Oh, and as they turn now, they're facing me.

"Go 'way!"

Oh! Oh, they're terrible! They're - oh, they're horrible! They're - oh!

"Oh, Blessed Mother, no, I don't want to see them. Oh!"

And now Our Lady is coming forward.

Our Lady - "Do not be affrighted, My child. This the Father asks of you, that you will recognize what is upon earth now. However, know that they will not appear to man as you see them now."

Veronica - Oh, they're awful!

Our Lady - "But know well that they will enter into the body of any man, woman, or child that has given his or her soul to satan. Satan cannot work upon his own and in his own image. He must enter into the body of another.

"Prayer - pray much, My child and My children, for you can only send them from you by prayer, acts of fast, and atonement.

"I have asked in the past, many times, that the leaders and the teachers in the House of God, the Church of My Son, that they fast and do great penance, pray more, for they have allowed the demons to enter upon them. The Father finds the leadership very poor, and He will adjudge accordingly, and all shall receive the fruits and merits of their actions and their leadership."

VISION OF POPE PAUL VI

Veronica - Now I see . . . it's growing very light. Oh, I've never been over there, but I recognize . . . and I'm standing with Our Lady in a very large area. It's . . . I'm looking at a very large church. I recognize it's St. Peter's. And Our Lady now is taking me by the hand, and She's pointing up to a building. And now we're going into the building. And I see . . . oh, I see Pope Paul. Oh, he's sitting in a very awkward position in his chair. He looks like he's sort of hanging over his chair.

Now there are two men coming in. They're dressed in purple and red, sort of. They have like little round, like yarmulkes, round hats on their heads. And they're going and they're propping him up. I don't know what's wrong with him. They're propping him up in the seat. He looks like he's half asleep, or something. Oh, he does look very sick; he looks very sick.

Now they're taking his hand, and they're putting a pen in his hand. And they are shouting something at him: "Sign it! Sign it!" And now I see Pope Paul. He's raising his head and he's looking at them very groggily, like there's something wrong with him. And he's leaning forward, and he's trying to read a paper on the desk. But now he fell across the desk. And now the

two men have pulled him up. They look like bishops or something. They have belts about their waists, made of like cords with tassels. Now they've pulled him up and sat him back on the chair. And they're taking his hand now and placing it over the paper. And he's shaking his head, no! No! No!

Then they - oh, the man on the right now has taken the paper and he's speaking to the other man. I don't recognize them; I never saw them before. And he's saying: "We'll wait until later." And now they're going out.

And Our Lady now is putting Her fingers to Her lips, and we're leaving the room. And Our Lady now is saying:

ENEMIES SURROUND POPE PAUL

Our Lady - "My child, there is great deception in the Holy City. Pray much for your Vicar. He is under great trial. Enemies surround him. And on one hand, My child, can you count those who can be trusted."

Veronica - Now Our Lady is wiping Her eyes. She's very sad. And She's saying:

Our Lady - "It is a knife in the heart when We see the fall of the souls of Our children. But it is countless knives in the hearts of My Son and I when We know that Our houses have fallen to satan."

Veronica - Our Lady said the House is the Church.

Our Lady - "Michael, the guardian of the earth's Church, must be returned.

"You must not try to understand the ways of the Father, for much lies hidden to your knowledge.

"You will wear your sacramentals at all times. You have all now been marked with the sign for redemption, and many will cast aside this great grace of free will. Pray much, My children, that they will be recovered, for the heart of the Father is most merciful.

"Make it known upon earth that those who should show the great example of purity, piety, holiness, they have lost the road; and with them they will take many souls.

"Know that there are divisions of supernatural existence. There is hell. There is purgatory. And there is the Kingdom of the Father. Satan has great power, but not above the Father. He knows his time grows short. That is why satan now gives you full battle.

"Know, My children, that you are approaching the Day of the Father. The time of great sorrows is upon you. You will all be tried and tested. Those who persevere shall join My Kingdom.

"There are many things, My child, that you will not know, for you could not understand them in your human mind. This will only be made known to you when you cross over the veil. Were they all made known at this time, what would be sacred in the Kingdom, My child?

"Yes, My child, many minor warnings have been set upon the world, but they go unrecognized. They will be accelerated. Many lives will be lost. Many will come over the veil unprepared. It is a great sorrow to My heart. It is a great sorrow to the heart of My Son. Only a few will be chosen.

"Pray much, My children, for the souls who spend countless years in purgatory. Many are forgotten, but for the charity of heart of the few who remember those who have no one to pray for them.

"Eternal rest grant unto them, O Lord, and may perpetual light shine upon them. May all the souls of the faithful departed, through the mercy of God, rest in peace.

THE FIRST SATURDAYS

"Join Me in prayer and meditation. Join Me on the First Saturdays for five Saturdays. Won't you join Me and release a waiting soul? For what you give you will receive threefold. It is not what you receive, but what you give thatof life. Store your graces in Heaven where they shall not perish, for all you have on earth is only loaned to you for your earth existence.

"But it is apparent, My children, that many are storing their treasures upon earth, caring not for the life eternal.

"Recognize, My children, the great evils that now are upon earth. We look with great sorrow upon the secret societies of earth, societies of satan. You call their nature the Antichrist. All who are against My Son, not recognizing Him as the Savior, they were the sons of satan and they shall be the sons of satan, unless they recognize My Son as their Savior.

"The Father is always the final judge, but We do not condone evil, and you must speak out in defense of the truth. If you are silent in the face of destruction, you hold great responsibility for the loss of souls. If you cannot stand and fight for My Son, can you expect Him to recognize you and stand before the Father in your defense when you come over the veil? All who deny My Son shall be denied."

Veronica - Now Our Lady is taking Her Rosary, and She is extending it forward in front of Her. And She's raising now the cross, the crucifix on Her Rosary. And She's saying:

Our Lady - "I bless you all, My children. Continue with your prayers of atonement.

"I have gathered My little armies throughout the world. The battle of the spirits will accelerate, but you will go forward with perseverance and the knowledge that the victory, the final victory, will be with My Son and the Father in the Kingdom of God.

"Visit My Son often. You must eat of His Body and drink of His Blood, so that you will have the strength to resist the evil forces that have now invaded and multiplied upon your earth.

TAKEN BEFORE TRIBUNALS

"The enemies of My Son will seek to take this great grace from you. So hasten, My children, be with My Son while you can, for the day will come when you will cry bitter tears and have to hide yourselves from your tormentors. For you will be taken before tribunals and set to the test for your Faith.

"Yes, My child, you ask Me, has it been many years that I have traveled throughout the earth? Countless earth-years, and why? Because, My child, My message was not heeded. Man has become perverse, degraded, and debased. He has given his body and his spirit to Lucifer, satan.

"The Father set you upon earth to do battle with satan, and to return in triumphant glory to the Kingdom. Instead, We find that many of you have made your choice and gone into the darkness. You have been deceived; you have accepted delusion. You will now recover yourselves in the heart of My Son you call the Eucharist.

"You will read your Book of life so that the truth will enter your mind, and cast off the books of satan that now enter your homes and the hearts of your children.

"Parents will be true parents in the light of God. For the day will come when there will be great anguish in the hearts of parents who have fallen and failed to bring discipline and the knowledge of God to their homes.

"The statues, the monuments of godly nature, must be returned to My Son's House and to the homes. Prayer, atonement, and sacrifice, My children; wear your sacramentals.

"My heart is heavy and My voice grows weak, but I have promised you that I will be with you unto the coming of My Son. Know that with your perseverance, one day you will understand that it was well worth the struggle, My children - eternal life of happiness and glory.

"My child, you will sit now and join those in prayer."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

[Pause]

Veronica - Everyone who is able, please kneel, because Jesus and Our Lady have been here for some time.

Now it's windy down here; but it's windy also up there where Jesus and Our Lady are, because now Jesus has on a gown and an outer covering, a cape, and I notice that it's also blowing like we are down here. And now Jesus is smiling. And He says:

Jesus - "Yes, My child, the Father knows the ultimate victory. There is much to have great sorrow for. But We are of great joy knowing that there are many who will join Us in the battle."

Veronica - Now Jesus and Our Lady are moving over. They don't walk, They're floating. They just glide on the air. And They're going over to the right side. They're just a little above the tree now. And Jesus is shifting His robe. He's gathered it - it's quite long, and the wind's catching it, so He's rolling it around now His left arm - that's the cloak, like over His long gown. Oh yes, Jesus has on sandals, but it looks awful cold. No. No, Jesus says there is no feeling of cold.

Oh, now Our Lady is smiling, and She's pointing over to the tree. And now She's right behind Jesus. Oh, now Jesus says:

Jesus - "You do not have to open your packages. The blessings will be given in abundance. These blessings, these graces from the Father, will be instruments in the conversion and cure of soul and body."

Veronica - Now Jesus is raising His hand, His right hand, like this. He has just about three fingers together, like this, and now He is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady has Her large Rosary, and She has them in Her hands, extending across Her chest. They're very large, beautiful white beads with the golden crucifix. And the gold Our Father catches the light as She's turning. Now Our Lady is coming over toward the center between the flagpole and the tree.

And now Jesus is smiling. The light is so bright it makes His hair look sort of a reddish brown. And now Jesus is looking down, and He's placing His hand out now in front of His chest, like this. And He's bending down now and He's making - oh, the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

And now as Our Lady is standing there, She's extending Her Rosary forward. But there are lights now coming out of Her hands. They are - oh, they're just streaming down now onto the grounds. It lights up the whole area on the right side of the flagpole. The rays are very bright. These rays are coming from Our Lady's hands. Oh, they're very beautiful, very bright. Oh, and now they're turning from a white to almost a very light blue. It's very pretty; the blue is very pretty.

Now Our Lady - now the light is fading from Our Lady's hands, and She's moving over now on the . . . She's past the flagpole now, and Jesus is right behind Her. Now Jesus is going forward. Our Lady has stopped by the flagpole, and now on the left, our left side of the flagpole now. Oh, and Jesus now is extending His hand. It's up near His chin now, like this, and He's making the sign of the cross, while looking down: In the name of the Father, and of the Son, and of the Holy Ghost.

And Our Lady now is just at His left side. And She now is holding up Her Rosary with the crucifix on it, and She's now blessing in the sign of the cross with Her crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking down, and He's smiling. And He's turning to Our Lady, and He's saying:

Jesus - "I see We have this evening upon the sacred grounds, My dedicated."

Veronica - Oh, there must be a priest on the left side, because Jesus calls the priests and nuns dedicated, so there must be a priest and a nun.

Now Jesus is smiling and shaking His head, yes. Now He's standing . . . now He's coming closer. Oh, He's moving over now towards the tree and looking down. Now He's extending His hand out, and He's making the sign of the Trinity, like this, with three fingers: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady now is - oh, She's put the Rosary on Her belt, like . . . She has this golden cord around Her waist. Now She's put the Rosary on the cord, and Our Lady now is holding Her hands out. And the rays now are coming out of Her hands. They're beautiful! Oh, they're just flooding the grounds. Everyone looks all lit up. Oh, they're beautiful! The rays are like crystal; they're beautiful. Now also, they are turning a light blue; they're a beautiful, pale blue. Oh, it lights up the whole area. The trees look blue now. All of the trees and the flags have turned a very light blue. It's just beautiful.

Now Our Lady is rising. Now the rays are starting to die away, sort of; they're just like evaporating. And Our Lady is rising higher. And She's standing now by the flagpole. And Jesus now is shifting His cloak over to the side. Now He's raising His hand again in front of Him, like this, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now They're moving over, and They're coming, Jesus and Our Lady - Jesus is in front and Our Lady is following Him, and They're moving over by the right side of the flagpole now. And They're standing. And Our Lady now is bending over.

Our Lady - "You will continue, My children, with the prayers of atonement. Many are needed, for there is great trial for your country."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

April 13, 1974

Eve of Easter Sunday

Our Lady - "I know that you are quite confused about your mode of dress this evening. I have not placed the black scarf upon your head for reason. The women of your country shall wear the blue beret. This will be in affiliation with the work of bringing Michael into your country, My child.

"I know that this comes as great surprise to you. I cannot always tell you in advance, My child, of the plan of Heaven. There is much that you must find in due time when the Father appoints the hour."

Veronica - Now the sky is becoming very light. It's very blue, it's a beautiful blue. The light is shining about Our Lady. Our Lady is dressed in a white gown, but She has on a cloak over the gown. It's a beautiful blue. Now Her feet - oh, She's standing with Her feet bare. Oh, Our Lady is without slippers this evening. She's standing now barefooted.

And now She has the blue cloak about Her head, and She's pulling it closer down about Her head, like this.

Our Lady said this will be known as the prayer shawl, the prayer shawl.

Our Lady - "My child, I must caution you in the days ahead. There are many enemies of the Father now in your world. They are in your life, unrecognizable by their human nature.

"You have been living in fear, My child, but this is not necessary. Fear is a tool of satan. However, We understand your human nature. Nothing will be accomplished without the will of the Father. Do not be afeared for your human body. The greatest sorrow would be the loss of the soul.

BODILY AILMENT TO TAKE CHILDREN

"There is great darkness upon your earth. We have sent now a great trial to parents. Many children shall be taken into the Kingdom. Tears will fall from the eyes of parents, but those who are in the light will understand the plan of the Father. We do not wish to have the souls of the young destroyed by the plan of satan. Therefore, many of the young will be taken from the world. Science and man of great learning will not know the secret of this great trial. This trial will be in body ailment. There shall be no cure by human science for it, for it is the hand of God upon man.

"Yes, My child, there have been many miracles of cure given by the Father. In due time, they will be recognized. The one you speak of, My child, you will remain silent, for she will come forward of her own accord.

"As a messenger for the Father, We expect you, My child, to deliver the Message of Heaven; and the rest shall be done through the intercession of the Father upon persons, places, and things.

"There will be many false prophets upon the world; there are many false prophets in the world, My child. They bring doctrines that are not of the truth. A great delusion has been set upon man. Error abounds in the House of God. A House in darkness shall shut its doors, for a band of death will be placed about it.

"Pray, pray much, My children, for many are being led fast into the darkness. The example of the teachers are poor. The example set before the children are those conceived by satan. Confusion, error, and gross half-truths We find in the teachings.

"Satan has entered into the highest places in your civil life, My child, and in the houses of My Son throughout your world. His reign will be short in earth-years. I have not come to your earth to fill you with fear. I have come to prepare you for the days of trial.

"For countless earth-years I have chosen to give you the plan for your salvation. Should you cast this plan aside, you will enter onto the wide road which leads to your destruction. It is of your free will that you will give your soul to satan, or you will lead it onto the path of light. The road to satan is easy in your human nature, but Heaven is earned very hard. Many are called, but so few are chosen.

"It will not be an easy road, My children, to follow My Son. There are days of great persecution approaching. Persevere and the Kingdom of Heaven will be yours.

"You wonder how you shall know those who are in the light and those who have given themselves to satan and act as his agents. I assure you, My children, by their fruits they will be known in time.

"My child - "

Veronica - "Oh, no, Blessed Mother. . . . Yes."

WORLD AND CHURCH IN DARKNESS

Our Lady - "My child, you cannot keep from fulfilling your mission to bring the Message of Heaven by holding back the truth. Go forward, My child, now, and bring this message to the world: satan has entered into the House of God. He rules now

from the highest places. The world and the Church of God is in deep darkness. Those who are in command - many have fallen away. Pray, My children, much, for with your prayers and sacrifices they, too, can be recovered.

"Your country has lost its way. Your country will be cleansed by severe trial, My children. What more can I add to My words of the past but to say: be in readiness, for the hour is at hand."

ST. THOMAS AQUINAS

Veronica - Now I see the sky is growing very bright behind Our Lady. And there is a man coming forward. He's carrying a very - he's dressed in a brown gown, and it's tied about the waist. And he has this cape over his head. He looks sort of like a monk. It's all - he's dressed all in brown.

Now he's coming forward, and he's carrying . . . it's like a staff with a curve on the end of it. And he's holding a very large Book in his hand, in his right hand; the staff is in his left.

Now he's looking over very sadly. His voice is very low. He is saying:

St. Thomas - "You see, my child, the sign of the Book and the staff. It has gone to the left. I carry the staff in my left hand for reason.

"You see the Book, my child. Watch, watch carefully."

Veronica - Oh, the Book that was formerly white is now turning a deep, deep, deep purple. Now it's going from purple to black. The cover has become black. Oh!

Now the man - oh!

Our Lady - "Recognize, My child, who you are talking with."

Veronica - Our Lady now is placing Her hand out, Her right hand, and there's a great light coming about the man who is holding the Book, the very darkened Book, and the staff.

"Oh, Our Lady, I know now. Oh, it's Saint Thomas. Oh!"

Now Saint Thomas is leaning forward.

St. Thomas - "My child, I wrote much about the errors of the times. Many will come and strengthen you in your work, for they will bring forward also the errors of the times."

Veronica - Now I see . . . now Saint Thomas is placing the Book out; it's just suspended in the air. And he's placing his hand forward, like this, as though he's saying no to the Book. No.

And then he's pointing up to the heavens, and up above his head, and there's a great light coming down now. And I see a bird, a beautiful white bird. Oh, it's so beautiful. It's floating, it's not even flying. It's gliding down now. It's over the Book. And it's casting rays, like, the bird. It's - the rays are coming out from under the bird onto the Book. And there's a great - now it sounds like there's a deep, booming noise in the sky; it's -

Now Our Lady is bending over.

Our Lady - "My child, do not be startled. It is the voice of the Father that you will hear. Repeat His words."

MEN OF GOD TEACHING ERROR

Eternal Father - "The Holy Spirit has not entered into the hearts of the men of God. They must starve their souls of the demons which they have allowed to enter upon them. They are teaching in great error. Many have fallen for the love of money. Many will take souls into the abyss with them.

"Turn now from your plan of wickedness. Destroy the Vicar and you will destroy yourselves, for you will hasten Me to send upon you the Ball of Redemption."

Veronica - Now there is a great light coming down, and I see this bird gliding across the sky, over across the eagle. Now it's growing very dark, and it's just - the bird is just going into the sky. It's very dark.

Now Our Lady is coming forward, and She's standing by the right side of the flagpole.

Our Lady - "How many tears, My child, have I shed, great tears of sorrow upon mankind. The irreverence in My Son's House grows daily. O sorrow of sorrows, whatever shall become of you?"

Veronica - Now it's growing very bright, and I see coming down behind Our Lady two large figures. Oh, now there are three. Oh, Our Lady now is bending over, and She's wiping Her hands across Her face. She looks very sad, very sad. And She's pointing over to the left side now.

And oh, over on the left side there's a cross. Oh, I can see it. There's a cross, and Jesus is on the cross. Oh, and Our Lady now is going over. It's growing very dark, and there are two men. There's one on either side of Him. It's growing very dark.

Now Our Lady is going over, and She's kneeling at the feet of Jesus - it's Jesus on the cross. And She's extending Her hands out. Now, slowly, I see blood coming down, dripping down onto Our Lady's hands. She's now kneeling beneath the cross. Now She's placing Her hand out and the angels - I know the angels, the three. It's Michael, Gabriel, and Raphael. They're coming over, and Our Lady is motioning to the cross.

And now She's asking Raphael - Michael has stepped back, and Raphael is coming over. And he's placing a very golden - it's a chalice. He's now kneeling beside Our Lady, and he's holding this goblet-like chalice out. And the blood is just dripping from a wound in Jesus' side. But now as I watch, I see there are more wounds. It's like His Body is becoming covered with, with gashes and wounds.

Now it's getting very dark. Oh! Our Lady now, everything about Her is in darkness. Her robe now even looks dark. Yes, and She's turning now. She's turning and standing up, beside the cross. Now She's talking. Her voice is so very low I can barely hear Her.

Our Lady - "My child, I have reason to be of great sorrow, for My Son is passing through a great crucible of suffering, suffering far greater than when He was upon your earth. The Sacrifice of the Lamb continues. How much can a heart tear with sorrow?"

Veronica - Now Our Lady is bent over, and She looks like She's crying. I have never seen anyone so dejected, so sorrowful.

THE ETERNAL FATHER

Now I'm looking over to the right, and I see the figure of a man. He's sitting in a very ornate-looking chair. It's a beautiful chair; it's like a throne. And now above Him there's a great light. And I see the words: "LORD OF LORDS, KING OF KINGS, KING OF THE UNIVERSE, CREATOR OF THE LIVING, RECOVERER OF THE DEAD, RESTORER OF LIFE, HOPE FOR THOSE WHO DESPAIR, REFUGE FOR THE SINNER."

Oh, now I see it's growing very bright. It's - the brightness is covering now the words. They're like disappearing, like smoke from the sky. Now it's growing dark. And I can see, though, the throne. Now upon the throne is the figure of a man. Oh, it's - oh, Our Lady is looking up and pointing.

Our Lady - "My child, none can view the great vision, the beatific vision; none can view this, for it would be that you would be removed from your earthly body. This awaits mankind only over the veil. We send to you only what your human mind can comprehend. Were We to show you, My child, what lies beyond the veil, the beauty, the full encompassment of your emotions would still your earthly heart. This We cannot give to you until you come across the veil.

"There will be, My child, upon earth many chosen to be victims, victims for the mercy of the Father upon mankind.

"The greatest hope, the greatest joy, My child, I can give to mankind is the knowledge that the ultimate victory over satan will be the outcome of the Second Coming of My Son to your earth.

"You must warn - and make haste, My child - warn Our clergy. They are setting the road for the entrance of the greatest one of evil, the exponent of all that the prince of darkness can set upon the world. He is entered among you and he will bring about the full destruction of mankind.

"Pray much, My child; pray that all who hear My voice and heed the message will act with great haste to bring this message to mankind, for the time grows short for your redemption.

"There have been upon earth many voices heard in Heaven, voices of speculation. Dates are not necessary, My child. What need is there for dates, but that you be prepared at all times. Were I to give you a date, mankind would turn and mend their ways. But of what actual value will this be to the soul of mankind, for when the danger to his human nature is over he will return to his sinful ways. No, My child, I shall not give dates. I shall tell you to be prepared at all times.

"This assurance I will give to My children of the light: they will not be caught unprepared, for I have promised to be with you through the battle ahead.

"You must make a special effort to be with My Son by the tabernacles in His House, houses throughout the world. Unless you eat of His Flesh and drink of His Blood, you cannot have the light within you.

"Do not judge the House of God by the works of man. The foundation of the House of God is the Father in the Son and the Holy Ghost. The foundation that you understand in your human nature is Jesus.

NO PUBLICATIONS AFTER 1964-65

"You saw, My child, the Book in great darkness. I have warned you many times to caution those about you not to buy in print any publications after the year of 1964 or 5 earth-years. Grave errors are abounding in these publications.

"You must warn and caution the children of earth not to abandon the Vicar of Christ. The enemies about him seek to set the pace for his downfall. They will bring into print through the medias of your world - your newspapers, your radios, and that agent that you have known as television - grave errors, misquotes, misconceptions, and lies! Know now that these lies were created by satan, for satan is the father of all liars, My child. He is the epitome of deceit and deception.

"What is the darkness, you ask, My child. The darkness I speak of is a great darkness of the spirit. Learn a simple lesson of faith. What does it gain a man if he gains the whole world and suffers the loss of his soul? Would you give a thousand pounds of silver for one day in the abyss?"

A VISION OF HELL

Veronica - Oh, my goodness! Oh! Oh, I see those horrible things again. They're down now . . . I see . . . I'm looking into a very deep hole, a very deep hole. Oh, my goodness! Oh! Now down there I see . . . I know they're human. They're falling. I see faces of great fright. They're frightened. Oh, save them! Save them!

Now all about them - they seem to have lost all weight. They can't control themselves; they're in a floating position, the people, going down into the abyss. It's a very deep hole.

Now at the sides are these horrible creatures. They - I can't describe them in words. They have, they have horrible faces with, with pointed ears, and some have small slit eyes and others have round eyes, deep-set sockets, almost like skulls. But they have all the same kinds of hands and feet. They're like webs, like, like sort of frog-like hands with long nails, claw-like nails. And their feet are not - they have, they look like, might be five toes, but they're all webbed. And they also have long nails. And with the nails of their webbed feet they are clinging onto the sides of the walls of this hole. Oh! Oh, it's horrible. Oh!

"Oh, take me out of here, please, Mother."

Oh! Oh! Oh, now I'm coming up. I can't - I don't want to look down there. Oh! Oh!

Now Our Lady is coming over. Oh, I feel much better. Our Lady now is putting out Her hand, and She says:

Our Lady - "Come, My child. It is a sight that will bring much terror to many. Know now that what you see is loosed upon earth."

Veronica - Oh! Oh!

THE MAN OF DECEPTION

Our Lady - "Yes, many will receive the manifestation of seeing with their human eyes these demonical creatures of hell. It is for the edification of mankind. There will be great mysteries; there will be great miracles set upon earth. However, My child, all must be wary because when he, the man of deception, is recognizable to mankind - as he will set you with number upon the path of deception - he, too, will be a figure of virtue. He will be covered as a sheep with robes of purity, but look into his heart, My child."

Veronica - Oh, I see a horrible, black-looking, ugly thing that was down there in the, in the pit. It's inside of this man who - outside he looks, he looks holy and human; but he's actually one of those things - he's actually a creature of hell.

Our Lady - "Now, My child, I will give you one secret unknown to many, but you must make it known to mankind. This man of deception shall try to follow My Son. He will convince many that he is the Messiah. You must make it known now that the Messiah will not come unless He comes down with the legions of angels from the heavens, as He ascended.

"Repeat anew, My child: this false messiah shall not be accepted upon earth. My Son, Jesus, is the only Messiah. He has already come to your earth, but He will return. But He will come down from the heavens as He ascended, with the legions of saints, those who have washed themselves clean with the Blood of the Lamb.

"Now, My children, you are going through the time of test and trial. All that is rotten will fall. The sheep will be separated from the goats.

"There will come upon mankind in due time a great Warning, a great Warning of magnitude beyond human comprehension. And then should you not change your ways, there will come upon mankind one of the greatest chastisements ever seen before, nor ever shall be seen again. Skin will dry up and blow off the bones as though it had never been. Many eyes will see and yet not perceive the truth, so much have they blinded themselves to the truth of the light, turning away from their God and giving themselves to the lures of the world that has now turned to satan.

"My child, your revelations, the Message from Heaven, will bring great trial upon you. Know now that is your consecration - it has been your consecration to go forward with purpose, self-denial, for the salvation of souls.

"There is a plan to deceive the nations. A delusion is allowed by the Father. This is the delusion that you accept upon earth that casts the darkness into the souls of mankind. This delusion I can give you, My child, in few words. It is a delusion evolved from humanism, brotherhood, modernism, all covered by the evils of satan. Deception upon deception. O heresy, mournful heresy! Whatever shall become of you? Why have you cast aside the truth?

"The cross of My Son is now becoming the cross of man. Man does not set himself to honor God through My Son, Who is God! No! He has set up man to worship as an idol.

"Return to the light and cast aside this deception, My children, for you only bring upon yourselves a punishment far greater than ever has been seen upon earth, and never shall be seen again. For when you go through this great Chastisement, there will be few creatures left upon earth."

Veronica - Now I see coming through the sky a tremendous, huge ball. Oh, it's like a giant sun. But as it's traveling through the sky now, it seems to be turning colors - white and orange, and spinning so fast that it's like it's hurling through space. Oh, it has a tremendous heat. It feels like I'm just watching it, standing so close to it, and it's awfully hot. Oh! Oh!

Oh, now as it's going through space, I see now it's going towards a very large ball. But now as I'm looking at it, the other ball is coming close to - no, it's like, it's a globe of the world. Now this ball is coming.

And now Our Lady is coming forward.

COMET DESTROYS LARGE CITY

Our Lady - "Watch, My child, what is to be."

Veronica - Now I'm looking into a street. It's a very large city. And I see people pointing up to the sky, and they look like they are filled with terror. They're running and they're screaming. And I see mothers with children in their arms, and they're running. They're all running, but they seem to be running from the city. They're going out into the country. And I see them running. Oh!

But now as they look back, a great voice is saying: "Don't look back. Take what you have and flee!"

Oh, my goodness! Oh, I see, back - if I look back I see what looks like bodies, but I can't recognize them because they look - oh, they look like they've been burned, burned black.

Now I see - everything is flattened back there. It looked like it was a city, but it's flat. And there's smoke rising, and everything looks like it was just knocked over like a stack of cards. Oh! Oh!

It doesn't - I'm looking now - it's so quiet; there isn't anything there. It looks like a very large city, but there's no one there.

Now I'm looking out - I'm standing, and Our Lady said:

Our Lady - "Look, My child, out there. The mariners are weeping."

Veronica - Mariners weeping? Now out on the water there are ships out on the sea. And I see something very strange. I see the men there. They're all holding their hands to their faces. And they look like they're actually crying. The men are crying. And then one man is saying: "But that I could have the dust to throw over my head of that once great city. Oh, Babylon the great, you have fallen!" They're all looking now onto the - over towards the land, and the land is just like it has been completely destroyed.

Now it's getting dark, it's growing very dark. Now over to the left, right around the trees, is a beautiful blue light. Oh, oh, it's - Our Lady is coming forward. Now Our Lady has on a beautiful white gown. And Her robe is white - no, it's almost a cream color.

"Oh, Blessed Mother."

Now Our Lady is coming forward. She looks very pretty. She's over by the tree and She's coming forward. And She has Her beautiful white beads in Her hand.

Now She's motioning to listen.

Our Lady - "My child, how many warnings have I sent upon the world, and yet they go unheeded.

"I wish that you make known, or refresh the memory of My children with My visit to the land of Fatima."

Veronica - Now Our Lady is pointing to the sky, and there are very large letters written in the sky: "F-A-T-I-M-A."

Now Our Lady is coming over. She's very beautiful. Oh, now I -

Our Lady - "Yes, My child, I perceive that you feel much better at this time. It is naught but a thing of sorrow to see what lies before mankind should he persist on his present course.

"My child, I may speak to you in confidence, or I will give you the choice of recording this for your knowledge.

[Pause]

"Since you have chosen to give this to mankind - I had expected this of you, My child - you will learn another simple lesson of the Father. Do not expect to be recognized by mankind, for his reward is not worth, My child, your efforts. Do your work as given, expecting no reward or recognition from mankind. For the Father has a special plan for all He chooses to do His work.

"You see, My child, it is well worth waiting for, for when you receive glorification from mankind you have already received your reward. I know, My child, that that you do not want, for you have been given the opportunity to know what lies ahead. You choose well.

"The road to martyrdom, My child, is not one that would be accepted in your human nature. However, all who enter the Kingdom of the Father must carry the cross.

"Know, My child, now, that all are being separated. Many are already marked with the sign of the beast or the mark of the cross. In your perfection you will be given this insight to recognize the enemies of your God. Pray much that you be guided by the Holy Spirit, and that you may fulfill to the greatest of glory of the Father, your mission of reaching mankind with the message. We will give you many arms in your struggle to set this message upon the world.

"We ask that you pray much. Pray for those in the House of God who have lost their way. Many mitres are now going onto the road to perdition. Pray for them, for it is of great sorrow to Our hearts to see a man of God fall from his mission.

"Satan has entered into the highest places of the Church.

"Pray much. I have asked you in the past to help patch the cracks. The bark of Peter flounders.

"You will stand fast with Our Vicar. Do not allow your hearts, through your ears and human senses, to be misled. The enemies of God send out false interpretations.

"You will read as I have instructed, My children, many times, the Book of life, the Bible. It is with knowledge that you will have the power to recognize those who walk in error, who teach in error or outright deception. You will recognize in this way those who are the enemies of the Father.

THE SONS OF SATAN

"Yes, My child, the words were not misquoted. My Son did use the words 'the sons of satan.' The sons of satan do the work of satan, for their father is the father of all liars. These sons of satan have worked many years to tear down the House of God, but they shall not succeed.

"It is sad, My child, to know that those who We have chosen have set themselves in conspiracy against the House of My Son. For the love of money many will sell their souls. They care more for the pleasures of earth than for the eternal glory of the Kingdom of the Father. How sad it will be, the weeping, the gnashing of teeth, when they come over the veil and know that they will long for what may have been.

OBEDIENCE TO GOD COMES FIRST

"My child, there is much confusion in the world. We ask obedience - yes, We ask, My child, obedience. But this story I must repeat to you. It is one of truth. Your obedience is to the Father in Heaven. Abraham, directed to give his son as sacrifice: it is the law of God, as written by Moses, that thou shalt not kill; but when the Father had asked this sacrifice, he, Abraham, listened unto God, and knew that the law of God first and above all is, 'Thou shalt honor the Lord thy God with thy whole heart, with thy whole mind, and with thy whole body.'

"All who desecrate the temple of the Spirit, the body, shall set themselves on the road to eternal damnation. For the body is the temple of the Holy Spirit."

Veronica - Now I see a very bright light, and there is a large figure coming forward. Oh, it's an angel. But he has a black band across his chest, and I see in his hand a sword. And he's standing now forward. And now he has the sword in his right hand, and he's pointing it down. I feel as though I am looking up from the earth, and he's pointing the sword down. And in his left hand he has a skull. It's like a - it's a skull, just no skin on it, a skull in his left hand.

Now up above in the sky I see letters forming: D-E-A-T-H: "DEATH TO THE BODY."

Now I see over to the right many crosses, many, many crosses. But standing before these crosses are figures of people, but they have on long white gowns. They don't look unhappy. They have on long white gowns. I see hundreds of them.

Now Our Lady is coming forward.

Our Lady - "You are looking, My child, upon the many martyrs who will come from your earth before this battle has ended. The battle that rages now, My child, upon earth is not one of the body but of the spirits. The spirits of wickedness and darkness now fight the light.

"When the peak of iniquity has gained its fullness, know that the end is at hand. The Father will allow this as a chastisement to His children.

"Pray much, My children; wear your sacramentals. All who keep the monuments in their homes will be saved."

Veronica - Our Lady means the statues.

Our Lady - "Yes, My child, the statues.

"Keep pure and holy thoughts in your mind, for all others are the creation of satan. As long as you remain on earth in your earthly body, you will have a strong battle against the forces of darkness. Come victorious through this darkness, carrying the light. My Son has given you the light, and you will go forward as candles through the darkness."

Veronica - Now Our Lady is raising Her cross on Her Rosary. It's a beautiful, large cross, golden. And the Rosary is beautiful. Her Rosary is very white, but as Our Lady now is turning it catches the tremendous light that's about Our Lady and it makes the beads glow like they're pink. They're a beautiful pink color. But no, there is almost a blue in them, too. Oh, they're beautiful! Our Lady is smiling, and She says:

Our Lady - "I promise you, My child, one day you will hold these beads.

[Pause]

"Yes, Theresa is there on the road. Remember, you will find her with her arms filled with roses as she told you.

"Yes, My child, he is here with us. Have you not recognized his writing? [Veronica had recognized the handwriting of her deceased son, Raymond, in a miraculous photograph.]

Veronica - Oh. Oh. [Veronica sobs quietly.] Oh, now Our Lady is reaching over. She's touching my face.

Our Lady - "Dry your tears, My child. I know they are tears of joy; but you can never be rid of this sorrow of heart, for you are human. So do not be ashamed that you shed tears. I, too, My child, shed tears, for I was human. That is the price, My child, of being mortal.

"All this will be in the past when you come over the veil. There will be no tears, no sorrow, no wonder. All will be revealed to you in an instant. Joy supreme will reign - the glorification of the spirit, happiness beyond anything your human mind could comprehend. Is this not worth, My child, the struggle? Can you cast any of this aside for the temporary pleasures of your life on earth - a life so short, when over the veil it is eternity.

[Pause]

"I know, My child. Should you mortify yourself and repeat it, it is of your will."

Veronica - "I do have a terrible temper. Yes, Blessed Mother, I do get awful angry at times, I guess. I'll try to do much better. Oh, I remember - silence, then it won't come out."

Our Lady - "My child, you must remember: it is not what goes in that will destroy your soul; it is what comes out."

Veronica - "Sorry. I'm sorry, Blessed Mother. Oh."

Our Lady - "That is quite normal, My child. You are still human. Pray much, and you will be spared from having anything come out that will set you to have deeper penance. Each time that you spot your soul, We shall have to send severe penance; so better you avoid this, My child. We do not wish for you to do penance across the veil; therefore, in your human state you must suffer much. It is this manner that is used by the Father to prepare you when you come over the veil. That is the secret, My child, of suffering. For We keep, as you would say in your human language, a sheet for scoring: those of merit, and those that do not add to merit. Each side with non-merit We cleanse by suffering, trials.

"Learn, My children, the value of suffering. They are sent to you for reason, for much of your suffering is your salvation. Think, My children; use the God-given facilities of the mind in the light. Know the value of suffering and you will accept it in the will of the Father."

Veronica - Now Our Lady is extending Her hand over Her head with Her Rosary, like this, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

SOON A RECOGNITION OF GROUNDS

Our Lady - "Continue, My child, with the prayers of atonement.

"Many graces will be given from this center of atonement. Soon there will be a recognition. However, My child, you will close your ears and eyes to any glorification of the world. Know that this is all in the will of the Father and is not the will of man. However, the prayers of the people have risen to the Father. They are gathered for the glorification of the Father in the redemption of souls. Many souls shall be released from purgatory through your efforts.

"I bless you in the name of the Father, and of the Son, and of the Holy Ghost.

"My Son will soon be here to bless your sacramentals, and He has a word of great caution to you, My child. You will sit now and await His coming."

Veronica - On the instructions of Our Lady, this is for notification:

U.S. WOMEN TO WEAR BLUE BERET

Our Lady - "I request that those in the United States wear now the emblem that I have . . . [word not clear]. You are to wear the blue beret. But in praying, you will cover your head with a shawl. This will be for the members of the legions that I have set upon the world in your country. My child, you will understand in due time.

"The blue, My child, is the color I chose for the women in your country, but they will cover their heads with a shawl during prayers. I know that this amazes you much and you do not understand, but I will explain it to you fully later, My child.

"You must remember it will be the women of the United States that will wear the blue beret, the women. We wish that the men adopt the wearing of the white beret, as We know that the direction from the country you have joined in the fight against satan with is being directed by the Father.

"The men of the United States will wear the white berets. The women of the United States will wear the blue berets, and wear, as My direction, the prayer shawl. White berets for the men, blue for the women of the United States. Yes, My child, you will receive one from your brethren."

Veronica - "Yes. Yes, Blessed Mother. Yes."

Our Lady - "Continue, My children, with your prayers."

Veronica - "Oh, yes. Yes."

Our Lady - "Don't worry, My child. There is nothing impossible with the Father."

WOMEN SUBJECT TO HUSBANDS

Veronica - Oh! Our Lady said he will do - oh, dear! Our Lady said - oh, in my own human words, that he will put his wife back into her place where she belongs. Our Lady said that the women are not women; they are men. And they must be returned to their role as women and mothers. Therefore, they will wear the blue cap in signification of their honor to their husbands.

[Veronica now speaks in a rapid, high-pitched voice.]

Our Lady - "My child, I am giving you a different voice because I want you to sound exactly as I do.

"They will wear the blue berets, for they will not be above their husbands. They will do as they have done in the past in honor of the Father; and in the path of the Father, they will listen to their husbands and honor their husbands within the home. If they do thus, they will receive honor from their children. The example in the homes is very, very poor.

"So husbands, now, you will act with love to your wives, but you will keep them in discipline. Many of them have lost their way. Discipline. And wives, honor your husbands and do your role as mothers in honor to your God. We see the example of the homes is very poor.

"It is not without meaning that We have chosen these colors. Womanhood must be returned to the state in which the Father created it. Right at this moment a great chastisement is coming upon you, for you have cast aside your role as women. This you will not do without receiving great chastisement.

"There will be division in homes unless the fathers stand forth as examples to their sons and daughters, and the mothers return to their roles as mothers in the light of God, the Father.

"That is all, My child."

Veronica - All who are able, please kneel.

Jesus - "My child - "

Veronica - Oh, there's Jesus now. Jesus is coming forward. He's on the right side of the flagpole. Oh, He's dressed all in a burgundy-red robe. Oh, now He has on a cream-colored gown, and brown sandals on His feet. He looks very beautiful. The light is very strong. Oh, it's very beautiful. And - oh, yet . . . I could just stay here and just look at Jesus.

Jesus - "My child, I notice that you are quite overwhelmed by the manifestation in photographs. Yes, many will not be understood by man. They are graces far beyond what most minds can comprehend. But they are the messages in secret that you will need for the propagation of the work. I would advise, as they read the photographs, that they pray for guidance to the Holy Spirit so that they will understand fully."

Veronica - Now Jesus is coming closer. He's going over to the right side of the flagpole, near the trees. Now I - oh, it's getting very bright. And Our Lady is coming; Our Lady is joining Him over by the trees. Oh, She looks very beautiful. Our Lady has on the white robe, and Her gown is very, very white. The light is making it look almost like a milk-white - beautiful! And around Our Lady's covering over Her head - it's like one complete robe that covers Her head down to Her feet, and it's trimmed in a gold braid, a golden braid. It's a beautiful color gold.

Now Our Lady is taking the Rosary which She had at Her waist - Our Lady had it round about Her waist, and She's holding it forward now. And Jesus is looking over and smiling. Now Jesus is turning.

Jesus - "Extend your sacramentals, My children, for they will be given the power for conversion and cure for the propagation of the work from Heaven. Your mission will be as disciples of the Father for the salvation of souls."

Veronica - Now Jesus is raising His hand in front of Him, like this, and He's making the sign of the cross with His three fingers: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is shifting His robe. It's very long, and He always carries it on His left arm so that . . . It's a little windy. Now Jesus is floating over. He doesn't walk; He just seems to glide on the air. And Our Lady is following behind Him. And now above Our Lady it's very bright, and there's a circlet of, like a crown about Our Lady's head. It's very beautiful. It looks like a crown of diamonds or stars - beautiful! Oh, it goes right about Our Lady's head.

Now Jesus is coming. And He's facing now - He's right by the right side of the flagpole. And He's looking down, and He's now putting His hand in front of Him, and He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is going over by the side of Jesus. Now They're both coming over to the left side of the flagpole. And now Jesus is looking down, and He's smiling. And now He's placing His hand out, like this, in front of Him: all the fingers together, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady, too, has Her Rosary now. In both Her hands there's a very large, beautiful Rosary, and the crucifix is gold. And Our Lady is now holding Her crucifix forward, and from the crucifix there are rays, tremendous, brilliant rays coming from the cross.

And Our Lady is saying:

Our Lady - "Recognize, My children, the power of the cross."

Veronica - Oh, the rays are just coming down in every direction. It's beautiful! But they're almost like, now - oh, they're so bright they're like bright, brilliant tongues of fire, but white fire. It's beautiful.

Oh, now it's going - the light seems to be now going almost back into the crucifix that Our Lady is carrying. And She's turning now to face Jesus. And Jesus now is going over to the middle - He's between, now, the trees and the flagpole on the left side. Now He's placing His hand in front of Him, and now He's looking down and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming over, and She's standing now by the trees, just . . . oh, above that second wide band. And Our Lady is looking down now, and She's smiling and She's pointing over - there's someone under the trees. And now She's motioning to Jesus. And Jesus is bending down now, and He's making - oh, He's raising His hand above His head, like this, and bending over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing His hand now on His heart, like this, and He's coming over now to the middle of the flag - by the flagpole and the tree. And He said:

Jesus - "My children, all that I speak and spoke of in the past should not be accepted as symbolism. It is a reality. But only will you understand My words and the writings of the prophets of old when you give yourself in the light and ask for the Holy Spirit to enlighten you. Do not allow the forces of darkness to cloud your mind. Pray for the light."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.
Now Our Lady and Jesus are going back, back behind the flagpole. Now it's growing quite dim.
But Our Lady now is coming over. She says:

Our Lady - "My children, continue with your prayers. I do not leave. I am always present on My grounds. I have asked that you come here. When you come with your burdens, they will be lightened. Graces of conversion, graces of cure, they are being given in abundance. Ask and you shall receive. None are turned away without results."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

May 22, 1974

Eve of the Ascension of Our Lord

Veronica - It's becoming very blue. It's a beautiful blue shade around the trees.

Now Our Lady is coming forward; She's standing by the left side of the flagpole. And over on Her right, that's our left, is Michael. I recognize Michael. He has his short skirt on this time. However, Our Lady's skirts seem to be caught much faster, and the wind is blowing them. Oh, Our Lady now has caught Her skirt by Her right hand.

Now Our Lady is coming forward. Now She's bending Her head down very sadly.

Our Lady - "My child, I have great sorrow in My heart. We look upon great discord in your world. The forces of evil have overcome many.

"It is sad, My child, that so few recognize the voice of Our Vicar. We observe that his voice was stilled also upon these sacred grounds.

GREAT REVOLUTION IN THE NATIONS

"There will be great revolution in the nations of your world. Only a few will be saved in the final count.

"Already the people of your world have been marked for their judgment."

Veronica - Our Lady now is walking over - She's gliding over to the right side of the flagpole. Now Saint Michael is joining Our Lady over by the right side of the flagpole. Now Michael is pointing downward with his spear. Oh!

St. Michael - "War, the greatest of wars will befall mankind for their offenses against the Lord high God of Heaven and your Creator. No man upon earth shall be free from this affliction."

Veronica - Now I see - oh, I see a terrible war. Oh! Oh! It's a fast war, the explosion so great - one explosion destroys . . . I see a large map and a terrible explosion, and one whole country has disappeared.

Now it is growing very dark, very dark. But Our Lady is standing to the right. Now She's coming forward.

Our Lady - "My child, man must now take himself from the world which is in full control of satan. His reign will be short, but he is working night and day. Know, My child, that he never sleeps.

"You will find, My child, many who will turn from you as the thorns become more numerous. However, know that We have gathered Our own about you, those who are destined to come to the victorious climax and the establishment of the Kingdom of the Father upon your earth.

"Persevere; wear your sacramentals; guard the souls of those you love. Keep the Faith in the hearts of those you love. You cannot have the world, your world on earth, and the Kingdom of Heaven.

"Know, My child, that you will undergo great persecution, persecution from your own. You will understand, My child, in time, that the Father sets a great test upon those He has chosen for special mission.

"My child, shout, shout from the rooftops. Your brothers and sisters must not turn from My Son's House. They are judging, My child, on the actions of man. Man, men of your earth, are but the walls of My Son's Church. He is the foundation. Do not run away from Him, but console Him. He is lonely, My child. The doors are locked."

Veronica - Now I see a large table in a - oh, a very rustic-looking room. It's quite old. Now around the table are some men. Oh, they're all . . . oh, middle-aged or older men. Most of them have beards. In fact, all of them have beards. Now Jesus' though, His seems to be shorter than the others. And now they're all talking. And Jesus is stan - oh, He's standing now and holding out His hand before Him. Now in His hand there is a very large . . . oh, it's a heart, a heart.

Now Jesus is looking down. He's standing behind a very large table. I recognize now, I know that the men in the beards are the Apostles with Him.

Jesus - "Know, My child, that the heart of the Sacrifice is in what you call the Eucharist. You will eat of My Body and drink of My Flesh or you will not have the light within you. You will not have the light within you, but will fall into darkness if you do not eat of My Body and drink of My Flesh."

Veronica - Oh, the blood! Jesus' blood! And the blood is pouring now from this heart He has in His hand. Oh! Now I see in His hand the heart is surrounded by thorns. He's holding it forward, and the heart is growing larger and larger and larger. Now I can't see Jesus behind it, but I can hear His voice. And He's saying:

Jesus - "Look upon this heart, My child, so torn by the sins and offenses of mankind. My heart is aching. My hands are bloody. I long to look upon My creation and be filled with joy. Who will comfort Me in My loneliness?"

Veronica - Now it's growing very dark, and I, I see many, many people now grouped together. They're running; they seem to be fleeing. They're fleeing from figures that look like executioners. And now I hear a loud voice. The voice is saying, shouting, "Blood will flow through the streets."

Now it's growing light, and Our Lady is coming forward. She's holding out now in front of Her, Her beautiful white Rosary. Oh, the Rosary is so beautiful! The Our Father is golden and the Hail Marys are white. But as Our Lady turns, a beautiful pink glow comes from the beads. Now Our Lady is holding them in front of Her.

Our Lady - "My child, make it known to the world that these are the beads of salvation for mankind."

Veronica - Now Our Lady is reaching at Her side, and She's holding up a very large Scapular. I can see the pictures on the Scapular, for the Scapular is very large. Our Lady is saying - She's talking very softly; She doesn't sound as sad now as before.

Our Lady - "No, My child, I am not that sad, for I have great hope that with these beads of prayer and this pledge to the Father of sacrifice I can obtain the salvation of many souls that otherwise would be lost to Us.

"Bring to the world, My child - pray for those in darkness, but bring to the world the knowledge that all must pass beyond the veil and be judged. So many have given themselves to the world, to the pleasures of the flesh. The pleasures of the flesh will destroy the souls and cast them forever into the abyss.

"Mothers, whatever shall become of your children? Only you can save now your children. The leaders have gone astray. They have scattered the sheep. Gather your little ones before they, too, become lost. Fortify their souls against the evil about them by placing the sacramentals upon their body. For the body is the temple of the Holy Spirit within.

"My child, the many prayers, the many sacrifices have won a reprieve for your country and mankind. But so soon do they forget when the danger has subsided."

POPE PAUL VI

Veronica - Now it's growing dark. And Our Lady is pointing with Her finger over to the left side of the flagpole. Oh, I see the inside of a large room. And sitting at a desk I can see Pope Paul. He's signing a paper. Now he's placed the pen down and he's going over to a kneeler; he has a kneeler before a very large statue of Our Lady. Oh! He is . . . I don't understand his words.

Now Our Lady is coming over, and She is saying:

Our Lady - "I will repeat them for you, My child. The heart of your Vicar cries in anguish, 'Mother Immaculate, give me the strength to persevere in the days ahead. You have made it known to me the way of the cross. I shall accept the will of the Father.'"

Veronica - Now I can see the Holy Father bowing his head.

Now Our Lady is going over to the right side of the flagpole, and She's bending down now. And Michael's there. And now behind him are the most beautiful young angels. Oh, they're beautiful! They're dressed in colors of the rainbow - oh, blues and pink and yellows. Oh, there's more yellow than blue.

Now Our Lady is smiling.

Our Lady - "You recognize, My child, there is more yellow than blue. Yes, the papacy, your Vicar is strengthened in his knowledge. However, you must make it known to the bishops of the world that disobedience to his command will not be tolerated any longer by the Father in Heaven."

Veronica - Now Our Lady is coming very close.

Our Lady - "You, My child, must retire into a complete world of prayer, sacrifice.

"We are much pleased with the gathering of the beloved souls. One day all will know how many, how great the count of the souls recovered from Lucifer by these acts of love and sacrifice.

"I promise you I will be with you to the Second Coming, the return of My Son in glorious triumph over the great forces of evil now rampant in your world.

"Do not be afeared, My child. Look forward with great joy in the knowledge that the Father has full control over His adversary, satan. The Father chastises those He loves. Know, learn the value of suffering, for it is in this manner that many will escape purgatory.

"I assure you, My child, could man look into purgatory, he would beg to find - he would search out every moment of his life upon earth a manner to purge himself by penance and suffering. The years are few upon your earth; time beyond the veil is forever and endless.

"Many now have given themselves to the world. This saddens Our hearts greatly, for the road is wide that leads into darkness and the lighted road is narrow. You cannot bargain with your soul.

A GREAT CELESTIAL MANIFESTATION

"The Father is all-merciful, wishing none to be lost. However, many chastisements will be sent upon mankind. This will be tempered with a great, majestic celestial manifestation from the Father. And after this, My child, should man not recognize the signs of his times, there will be sent upon him the Ball of Redemption. The few with faith have held back this great Warning and Chastisement. However, the scale must be balanced, as time is running out, My child. Work with great haste; persevere in your mission. Accept the will of the Father.

"Know that in His providence He is all-knowing and seeks for the redemption of mankind. The great Chastisement will be a baptism of fire upon mankind. Prayer, atonement, and sacrifice - My voice has cried, has pleaded, has begged for mankind to turn back now from his path or receive a just punishment from the Father.

"Your country, America, the United States - I had promised to protect and spread My mantle of love upon you. Even now many plot and plan to dethrone My Son and to cast Me aside. How foolish of mankind to reject the graces the Father gives with abundance! Gather them, My children, I cry to you. Gather these graces now. Treasure them and bring them to your children, for great trials are approaching mankind. Your country, for its many abominations and sins of immorality, shall not be free from chastisement.

"The example of the teachers and the example of many parents is poor. Therefore, what great measure shall the parent who abandons his or her child to sin, what measure shall the punishment be meted unto them by the Father! Hell shall overflow with the souls of those who rejected the word of God and accepted the words of satan, through fallen mankind.

"Know, My child, that the evils in the world are in the hearts of men. Satan cannot come to you in his true supernatural nature; he must work through human mankind. Recognize this, then you will recognize the faces of evil about you. Retire into a life of prayer; persevere and you will be saved.

"Already, My child, there are many tears being shed for the loss of life in the world. Many come to Us unprepared. The plan of the Father must go forward, for it is the separation of the sheep and the goats.

"Graces of cure and conversion will be given for the asking. Never tire, My child, in searching the world for a soul.

ORDER OF MICHAEL IN U.S.

"The Order of Michael will be established in the United States. Michael is the guardian of My Son's House. Michael will be entered into My Son's House, or your country will fall. The doors will shut. Persecution will reign in the House of My Son, and all that is rotten will fall.

"Pray much, My child. Pray a constant vigilance of prayer, Rosaries of prayer throughout the world - link to link, bead to bead, soul to soul across your nation and the world. You are living now in the days of trial, and you will all be tested and receive your just reward from the Father."

Veronica - Now Our Lady is moving over towards the tree. Oh, She's smiling very sadly. And now She's placing Her hand in front of Her, and there are rays coming from Her hand. And now the rays are going up from the sky and down onto the people. Now the sky is opening up, and there are rays coming from the left side down from the sky, down to the ground. They're beautiful! Blues tinged in yellow, beautiful rays. Now Our Lady is coming over. The rays are still coming down from the sky. And Our Lady says:

Our Lady - "Graces, My children, you see graces in abundance."

Veronica - Oh.

Our Lady - "Now, My child, you may sit, for there will be days of great trial ahead for you. Conserve your energy. Dispense with much unnecessary labor misunderstood. You do not have to socialize to win a soul. Better that you pray, My child. It will be the greatest agent for recovery of a soul.

"Be sure, My child, that you do not forget to call upon your guardian, and know that Creazuus is with you also. Yes, My child. One day you will understand why."

[Pause]

"You must tell My children upon earth that they must not cease their prayers for their friends, their brothers, their sisters who are waiting with much anguish to be released from purgatory."

Veronica - Oh! Oh, I'm looking - oh, I'm looking into a very, a very deep chasm, hole like. It seems like a void, a large space. I can see many, many people, many people. They're not red and burning like the people who were down in the big black hole. But they're a very light orange color. But I see that there is a deeper, a deeper hole below them.

Now Our Lady is coming over.

STAGES OF PURGATORY

Our Lady - "My child, I wish to reveal to you one mystery of life beyond the veil. There is not just one place of purging. No, My child, there are stages for the purging. Many will be here in the lowest stage unto the end of your world, only because there is no one who can make restitution to the Father for the offenses committed by these souls while they were upon earth.

"Yes, My child, there are many here who have no one to pray for them. They are helpless as they wait. One thought, one kind memory can ease part of their suffering. Just one kind thought, one memory can ease a part of their suffering. Many here have been forgotten by their own.

"I say to you now, My children, while you are upon earth: you shall reap what you have sown. Therefore, use your time wisely by gathering the graces, graces in abundance now within your reach. You have, as you are still upon earth, a Heaven-given power to release your brothers and sisters. Pray for them; make sacrifices for them; release them. And when you do, their power will be great enough to bring you into the Kingdom."

Veronica - I see also . . . Our Lady now is taking my hand. We're going down past these poor people. They can see us. Oh! Oh, we're going down now, farther down. Our Lady refers to it as the second stage. And now I see . . . oh, there are many priests, many priests down here. Oh! Oh, and there are - there are also bishops and cardinals. I can recognize them. They're holding their faces in their hands. Oh!

Now Our Lady is moving over.

"Don't leave me here!" [Veronica sobs.]

Now Our Lady is taking my hand; we're going up.

"Take me out! Take me out! Oh, I don't want to look."

Now Our Lady is pointing down.

Our Lady - "You see, My child, why I ask that you call for the prayers for your priests. Without your prayers, many will spend years, many years of purging in the second stage."

Veronica - Oh! Oh! Now we're over, and we're going up into the light. Oh! Oh, I feel like I've come out of some place where I was burning all up. Oh! Oh! Oh, I can breathe again.

Our Lady - "Yes, My child, if only all mankind could look beyond the veil, My travels throughout your world would not be necessary.

"I have great news for you. Though your country and the world will have great chastisement, know that you will exist into the next year of earth-time. During that year you will be given the opportunity to gain many graces.

"The mission for recognition of these sacred grounds will go forward with great speed. The numbers shall be countless who will receive cures and conversion. All glory to the Father, the Lord high God in Heaven. Subject all will to His providence. You see, My child, though there are thorns you may still carry the roses. The power from Heaven shall be known through the roses.

"My child, you will make it known to your brothers and sisters of the white berets that they give Us great joy in Heaven. Courage, perseverance - I promise you, My children, you will enter into the Kingdom. As you have renounced the world and acknowledged My Son before mankind, know now that My Son will acknowledge you all before the Father.

"Now, My child, you understand the meaning of the roses.

"My child, Theresa - "

Veronica - Oh! Oh! Our Lady now is placing Her hand out. Oh, there's Saint Theresa, Saint Theresa. Oh! Oh! Oh! Now Theresa is coming forward. I don't understand . . . Oh, Theresa is saying - I can understand. I don't know her language, but I can understand what she is saying.

St. Theresa - "See the Queen of Heaven, the Mystical Rose. Know now that you will recognize the mystical rose petals. They will be sent throughout the world, for they are instruments of cures and conversion.

"Veronica, do not be distressed. My sisters have refused to place their skirts upon the floor. Soon they will run to place their skirts upon the floor. For if they do not place their skirts upon the floor, Veronica, their skin will burn."

Veronica - Oh! Now Our Lady is bowing Her head, and She's pointing over.

Our Lady - "You may sit."

Veronica - Our Lady said that the Father is most displeased at the example being given by many of His dedicated. Priests in the House of God shall dress and act as priests. Nuns in the convents shall conduct themselves not as foolish maidens, but as pillars of chastity.

JACINTA PHOTO TO GO WORLDWIDE

Now I see coming forward . . . oh, a little girl and a boy. Oh, I know them. Oh, it's Jacinta and Francisco. And Our Lady's standing there, and She has on a white gown with gold trim. And now She's placing Her hands out, and She's bringing them forward. And they're standing in front of Our Lady. They're very cute. And now . . . oh, Jacinta is pulling - oh, the little boy has a hat on his head, and she's pulling it off. The hat looks like a stocking, sort of, and Jacinta's pulling it off. And now she's holding in her hand a picture. Oh, it's the picture Jacinta 1972.

Now Jacinta is wiping her eyes. Oh! And Our Lady is looking down and speaking with her. Our Lady now says that Jacinta is very sad that her message has not been heeded and not accepted. Oh, the picture.

Our Lady - "You will send the picture again around the world."

Veronica - Now Our Lady is coming forward.

Our Lady - "No, sit.

"The world, My child, will refuse the supernatural manifestations of the Father. It is only because they have hardened their hearts and are allowed by the Father to be blinded. How sad to know that those who have been given the power to obtain great graces have chosen to cast them aside. Pray much for them, My children, for without your prayers they will never come back to the road to the Kingdom.

"You will have, My child, a Mass said for the one I have spoken to you now of.

[Pause]

"They did not fall asleep. My Son ascended in full view. His loved ones were not asleep."

Veronica - Our Lady says there is much fallacy in the world. The great Apostles of Jesus did not fall asleep. They were wide and fully awake when they watched Jesus ascend into Heaven.

BIBLE NOT TO BE CHANGED

Our Lady - "My child, do not forget. You will correct these errors by writing the Gospel Truth. You will go forward with the cross in your right hand and the Bible, the Book of life, in your left. And all who deny this Book are not of the light.

"This Book will not be rewritten to satisfy the whims of man. What the Holy Spirit has said shall not be changed. Restore the Book of life back to its proper place of truth. You will not change your world and the writings of the men who founded My Son's House to suit the whims of mankind! Mankind will change his ways to come under the guidance of the Father and reach the Kingdom he was destined for.

"Man will not bend the cross of My Son, setting up man as an idol of worship! Man will bend his own will and subject it to the will of the Father.

"Yes, My child, you will find in the days ahead that as you fight the tide, the rising tide of evil, you will go forward three steps, falling back one; forward four steps, falling back two. But then your pace will be fast. Perseverance and prayer.

"Once you divest yourself, My child, of all worldly attachments, you will find that your mission has fewer thorns. However, do not feel affronted, My child. A soul set on the road to sanctification must also make her way forward, step by step, in the will of the Father."

[Pause]

Veronica - All who are able please kneel, for Jesus is here and He's going to bless all of the sacramentals.

Oh, Our Lady now is coming down. Oh, the light is so bright! Oh, and Our Lady now is dressed in Her white - it's a robe that covers Her gown. The gown is a cream color, but Her robe is - oh, a brilliant white with golden trim. Oh, now Our Lady looks much younger. She looks - oh, She looks almost like a little girl, oh, next to Jesus. Oh, Our Lady is a little shorter than Jesus; Jesus is quite tall.

Now Jesus is coming over and He has on His red robe, and He's placing the robe over His left hand. And Jesus is smiling. He's very beautiful. Oh, He's . . . oh, now Jesus is coming down, and He's looking all around. And He's pointing over here. And He says:

Jesus - "Do not forget to give the rose to My beloved priest."

Veronica - Over to the left, over here. Pass it over. Now Our Lady says, yes, Our Lady says that he's over there. Over there, She said. Now Our Lady said also over there, there are two nuns. But She does wish that they would come fully clothed. However, She knows that they are only dressed that way due to misdirection, so they must not be embarrassed to accept Her roses, for they are given with great love. Over there.

Now Jesus is smiling, and He's holding out His hand. Now He's placing His hand out and His fingers are raised, like this. And He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is smiling and looking down. He seems quite amused because someone seems to be - he's like fishing around in the bag, He says. "That's not necessary," He says, "I can see quite well into your packages." And He's raising His hand again, Jesus. He's coming closer to the right side, our right side of the flagpole - over here, on my right side.

Now Jesus is looking down, and He's now raising His hand, but He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

And Our Lady also is raising Her very large crucifix on Her Rosary. Now She's extending it out, like this. Oh, and - In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is walking over. He doesn't quite walk. He like glides; He's just floating. And Our Lady is right behind Him. Oh, and Michael is standing over by the trees with . . . oh, there's Saint Theresa and three other nuns. And they're looking down. And now Jesus is coming over at our left side. He looks so beautiful. The light is so bright. Now Our Lady is going over to behind Him. Now Jesus is raising His hand, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is stopping right there now, and He's placing both of His hands out. Oh, there are rays coming down from His hands. They're going through the trees over here. The rays are very bright, very bright. They're white, but they're very bright. And now they're going down by the trees. And then I see the tremendous flames, like of - I can't feel them, they don't feel burning, but they're orange lights, and they're also going down now. They're coming in from above Jesus' head, from the sky. Oh, and they're also falling almost like raindrops to the ground here.

Now Our Lady is smiling, and Our Lady is saying:

Our Lady - "This quite surprises you, My child."

Veronica - Now Jesus and Our Lady are moving over closer to the tree. Oh, and They're looking down. Now Jesus is placing His hand before His face, and He's making the sign of the cross downward: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady and Jesus are going up - oh, They're moving quite fast up and over now. Our Lady's turned and She's waiting. Now Jesus is going in front of Her, and They're stopping now at the flagpole. Now Jesus is coming forward.

Jesus - "My child, My Mother has spent many earth-years as She has asked for a reprieve for your generation. This was given to you but for a short time. Gather your graces and follow the direction of My Mother, as the Father has deemed that She guide you through this darkness."

Veronica - Now Jesus is placing His hand now in front of Him: In the name of the Father, and of the Son, and of the Holy Ghost. Amen. Now Jesus is going over and Our Lady is stepping to the side, but She's turning towards Him. And Jesus is now leaning over.

Jesus - "We are pleased, My child, with the countless numbers of souls that have responded. However, the pace of the mission must not slacken, for there is always another soul to be recovered.

"I bless you, My children, and send upon you the Holy Spirit to guide you in the dark days ahead. None will be lost but of their own free will.

"Prayers, atonement, and sacrifice must be made now for the sins of man. And the angels and saints cry from Heaven for retribution upon this perverse generation. The few who solace My Mother's sad heart are not many. I say few, for they are counted in the few.

"In the plan of the Father, if you make it necessary to go forward and speed up the time of this plan, there will be much gnashing of teeth, sorrow, and many tears shed upon your world. Listen carefully and heed the direction of the Queen of Heaven. For you will not accept Her words lightly, but you will act upon them or you will receive your just punishment.

"I bless you in the name of the Father, and of the Son, and of the Holy Ghost. Continue, My children, with your prayers of atonement. Many are needed."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

May 30, 1974

Eve of the Queenship of the Blessed Virgin Mary

Veronica - Our Lady is coming down from the trees. She's been standing over the trees.

Our Lady - "My child, I am waiting for the vigil of prayers to finish."

[Pause]

"My child, these prayers will be set against the agents of darkness.

"My child, peace, peace, the world cries for peace. There will be no peace upon your world until they recognize My Son as their Savior. Treachery and deceit lies in the hearts of men. Your country and the world lies in a quagmire of evil. There will come upon your world a great War. Do not be deceived by your medias of communication, for you do not receive the truth.

"Man in your world, to enter the Kingdom of the Father, you must be reborn in the Spirit. You must turn and reject the world about you that has now been given to satan. You cannot have both. We look upon a world that is plunging fast into deep darkness of spirit.

"The Father has allowed Me, in His mercy, to come to you as a Mediatrix of graces: graces for the asking, graces in abundance.

"I stand now on turbulent waters with My Son. The bark of Peter flounders in dark waters, but My Son is watching this battle. I have, My children, My hand on the helm.

"A Church in darkness wears a band of death about it. The foundation shall not crumble, though the walls have developed many cracks.

"A great delusion has been allowed to come upon mankind. He will believe error. In this manner, those who have given themselves to satan will be gathered and set like the goats on one side of the Father. He shall then call the sheep. One will be called, one will remain. The chaff shall be separated from the good kernels.

"My child, shout from the rooftops. There is little time to speak in whispers. Shout from the rooftops. The pleasures of the flesh condemn many to hell. War is a punishment for man's sins."

EGYPT

Veronica - I see now a map, and I'm looking upon the countries that look like desert. I don't recognize them. And I see pyramids; that I know is Egypt. Egypt, yes. And I see people dressed in long garments with covers over their heads in bands. They're like from the desert countries. And they now are running forward. They're gathering guns from large crates, and some are carrying sticks. Thousands and thousands of people are running forward. I see horses now galloping from behind.

CHINA

And now it's growing dark, and there's another side of the map showing. I recognize - it's an Oriental country. The people look like Chinese. They also are gathering in thousands. And I see, though the people look very poor and most are walking without shoes, I see now to the left of them large - thousands and thousands of people dressed in uniforms. They're a green-brown uniform. I can see the colors. And they have a red star on them. I see on their arm bands a red star. And they have caps, hats that are like a hunting hat with a peak, but there's a red star on the hat.

Now I can hear the noise of like, gunfire. It's like great cannons, or - oh, the noise sounds so horrible, because I can hear the voices of people screaming. Oh!

Now it's growing dark, but there is a light coming through the sky. Oh, I - it's Michael. Oh, I see Michael. Now Michael is dressed in his short type of skirt, but he's holding the golden balance in his hand, in his right hand; and in his left hand he has a long spear. His hair is very brilliant. It's so bright I can't look into Michael's face. It's very bright. Now Michael is holding up his spear.

St. Michael - "Listen well and repeat my words.

"Woe, woe to man of earth. He calls down upon himself a just punishment for the abominations he commits in his heart and the abominations in the sacred temples of God. Wars, famine, flood, cataclysm, and the Ball of Redemption. Know that in this order man shall be cleansed."

ST. PETER

Veronica - Now I see another figure coming down from the sky. He's closer over by the flagpole. And he's dressed in beautiful, in a beautiful gown. It's like a robe of purple satin and gold trim. He looks very beautiful. Now he has a beard, and he's carrying a key - no, two keys in his hand, in his right hand. They're crossed. He's holding them by the center. And in his left hand he has a Bible, I recognize. Now he's placing the keys on the Bible, and he's coming forward.

St. Peter - "My child, look upon the Book of life, so sorely tried by mankind. Man in his arrogance has chosen to rewrite the words of those who came before him to set the foundation for the Church of the Son of God."

Veronica - Now I see upon his head - I recognize him now - he's wearing a beautiful tiara. It's a very high-crowned tiara, beautifully made of gold. And it has layers, and they're inlaid with beautiful stones: green, and there's a pale purple, and a white, a pure white - beautiful stones. I know it's, it's the papal tiara on his head. Oh, it's Saint Peter. And he's shaking his head yes, like this.

St. Peter - "My child, how often we have sent - been sent from Heaven to caution you of the days to come, to prepare you to defend your Faith. You will go forward as lights in the darkness, faithful and true. Defend your Vicar from those who seek to dethrone him and place upon the Seat of Peter one who is of dark secrets, an enemy agent from the abyss."

Veronica - Now Saint Peter is floating backwards; he's going back. He's not turning around, but he's just going back, in back of the flagpole. And Michael is coming forward, and Our Lady now has come over. She's coming from the left side by the trees, and standing by Michael. Now Our Lady is brushing Her hand across Her eyes.

Our Lady - "Yes, My child, We are not free from sorrow here in the Kingdom. Many of those who have left your earth have chosen of their free will to join Us in this final battle. You ask Me, My child, how long? That is on man's decision. Your prayers, your acts of sacrifice and atonement to the Father had won you a reprieve. How long, My child? This is with the Father."

PADRE PIO

Veronica - Now Our Lady is coming forward, and She's now raising Her hand and pointing up to the sky, like this. And the sky now is becoming very bright. And now I see - oh, I recognize her. There's Theresa. And the little boy and girl with her - oh, that's - oh, they're Jacinta and Francisco. Oh, my! Down behind them there's Padre Pio! Oh, he's smiling; he looks very happy. He's smiling. And he's shaking his head, yes. Oh! Oh, he has - now he's raising his hands up in front of him. Oh, my goodness! Just like Jesus, they have holes in them. Oh, but he has the most beautiful smile! He looks so happy!

Oh, Our Lady - oh, I asked if he could speak. Oh, Our Lady says,

Our Lady - "Not in this manner, My child, as yet."

Veronica - Oh, now Padre Pio is standing on the right side of Our Lady, and Michael now is standing next to him. And I - he looks, though his beard is gray, he has such a young-looking face. It looks beautiful. And his eyes are sparkling. And now I notice Theresa. I can see Theresa very clearly. She's standing now next to Our Lady, sort of behind Her and Michael. And she's also nodding her head, yes. Now Our Lady has placed Her hand about the little girl, Jacinta. And now She's looking down at Jacinta, and Our Lady is saying very softly:

Our Lady - "You see, My child, many here have chosen of free will to remain with you in the days ahead. Those who will be removed from your world and enter into the Kingdom will also be given this choice whether to receive their rest now or wait until final victory of My Son."

Veronica - Now Theresa is coming forward. And she's now carrying a cross, and she's holding it on her right side; that would be over to the left, it looks from here, but it's her right side. And now she is raising her hand - oh, and she has these flowers around her cross. And now Theresa is throwing them out. Oh! Oh! Oh, they are just coming down so fast. I don't see how she could be holding so many under the cross and all around the cross. Though she's throwing them out, I don't see any leaving her cross. And now she is smiling, and Our Lady is coming forward.

Our Lady - "These, My child, are the graces in abundance, graces that can be given to those who thirst in solitude, in the solitude of purgatory, who thirst for your prayers. I repeat, one little thought, one word of memory is like a drop of water upon parched lips.

"Those whom you will choose to release from purgatory shall gain for you your entrance into the Kingdom. Do not waste a moment so precious to your soul and those who beg your remembrance. Do not waste, My children, this time given to you in foolish pursuits of the flesh.

"You must be reborn; re-dedicate your life to the Father. There is no easy road to Heaven. It is a narrow road, My children, of prayer, sacrifice, and atonement. You cannot bargain for your soul. There is no price for your entrance into the Kingdom. You cannot buy your way in. Many upon your earth have sold their souls to get to the head. Their souls have been given to satan. There will be crying and gnashing of teeth when the realization of their eternal damnation is made known to them.

"My child, you will go forward with the Message from Heaven. Michael must be entered back into My Son's House.

"Pray, pray much for the priests in My Son's House. Many have lost their way. Many have been misled. Those who have the power are using this to destroy many souls. Know that no man has rank, no man can use his rank, his station in worldly life when he comes forward for judgment before the Father. The veil is thin and the cord is fine. It can be cut at any time. You can enter over the veil at any time in the plan of the Father.

BISHOPS NOT TO COMPROMISE

"My child, you will make it known to the bishops of My Son's House, those in authority, that they must not compromise. They do not gather souls by compromising their Faith. They must stand forth as symbols of chastity, piety, and humbleness. What has become of these virtues in mankind?

"Your city is a cesspool of degradation. Your city shall not escape the punishment planned by the Father. This punishment, this great Chastisement, shall be meted in measure of the numbers of countless murders committed within your city and the cities of the world - cesspools of sin!

"Priests in the House of God, have you forgotten your dedication? Can you not stand forward and fight for My Son? Your errors, your laxity, and your carelessness have destroyed the Faith in the hearts of the young. Parents, where are you while your children are on the road to hell? Can you not close your doors from the world and teach your children? Have you also given yourselves to the world and satan?

"Unless you keep the monuments of My Son and His House in your homes, you will not be saved. The eyes are the mirrors of the soul. Remove from your homes those books of impurity, those pictures of immorality that we see now in so many homes. Is it modern, My child, My children, to destroy your children by bringing the world of satan into your homes? Remove them!"

Veronica - Now Our Lady is coming, coming down and She's moving over now to the right side of the flagpole. Oh, Our Lady is very beautiful. The light is so bright; I can't see Her face because the light is so bright.

Oh, Our Lady has upon Her head the most beautiful crown. Oh, it's made of pure gold, but the stones are so brilliant. I think they're diamonds, but there are also very bright red rubies. And I know the greens are true emeralds; the color is so brilliant that you can barely look into it. Oh! oh, the colors now from Our Lady's crown - She's turning now to the left and then to the right - they're so brilliant that the colors are shooting across the sky.

The sky now is becoming very lighted, very brilliant. And I see now a whole - oh, a whole group of angels. They're so beautiful. They're dressed in long gowns, but they're different colors. Now they're arranging themselves like steps, rows upon rows of beautiful angels. And they're singing. And now I can hear them, but it sounds like - it's music I've never heard before. Alleluia. Alleluia. [Veronica imitates some of the sounds.] I can't repeat it. It's so beautiful. I can hear the word, Alleluia. Oh, it's just beautiful.

Now Michael is coming forward. He's so brilliant, also his hair. Now his hair also radiates as he's turning over to the right and looking at the angels. Oh, he's nodding. And now in their hands I see these beautiful roses, but they're made of gold. The roses are pure gold. Oh, now they're - now the group in the front is coming over. Oh, and they are forming a circle around Our Lady. It's a round circle and Our Lady is in the center. And they're holding up the rose, and it looks almost like a cartwheel of colors because the angels now - they have their gowns, they're very, oh, young angels, small - and their gowns are different, brilliant colors of the rainbow. And as they form around Our Lady and they hold up these golden roses, oh, it looks like, oh it's - I can't put it into words. It's beautiful!

Now Our Lady is floating forward, and the angels are going up and forming back into one-line formation. And now Our Lady has in Her hand a golden rod-like, oh, scepter. And She has Her Rosary now in Her left hand. Now Our Lady is pointing over to the scepter. Oh, She's pointing over here.

Our Lady - "My child, you will be seated now. There is much that I must speak to you of. No, My child, I prefer that you be seated. You will conserve your energy at this time."

[Pause]

Veronica - Over on the right side of the flagpole now, Michael is coming forward. He's carrying now a banner in his right hand. The banner is yellow in color with gold trim, and there's writing on the banner. Oh, it says, "Faithful and True." Now Michael is going over by the right side of the tree. On the right side, oh, just over the trees, and he's pointing - he's holding the banner now in his left hand, and he's pointing - he has the spear in his hand - up to the sky.

And now - oh, Our Lady is coming forward. Now Our Lady is dressed in a white robe. Oh, it's beautiful. She looks very young. Our Lady looks very young. It's a white robe with golden trim, and it covers Her whole head. Now Our Lady has on a gown; it's like a cream-colored gown. And there's a gold braided belt about Her waist. And Our Lady now has in Her hand, in Her right hand I can see - oh, Our Lady's carrying the Scapular. It's a very large Scapular. Oh, and now Our Lady is placing the Scapular - oh, I can read it. It's Our Lady's Scapular, Our Lady of Mt. Carmel. And now - oh, Our Lady has in Her left hand a beautiful white Rosary. The Our Fathers are golden and the beads are white, but they're pink. No, it's the way Our Lady turns, the beads look pink when She turns. Oh, they're reflecting the beautiful light.

Now, oh, over to the left side of the flagpole it's very, very bright. It's so bright I can barely look, over by the flagpole. Oh, and oh, Jesus is coming forward. Oh, He looks beautiful! The light is so very bright. It's almost burning my eyes. Now Jesus is raising His right hand out and the light is becoming dimmer. Oh, I can see more clearly now. Oh, Jesus is coming forward now. I can see He's almost barefooted. Oh, my. He's looking down now. Oh, Jesus is smiling. Now He's pointing up, and He's pointing to the star above His head. And He says, Jesus is pointing to the star and He says:

Jesus - "You will observe a beacon of hope."

Veronica - Now about the star it's starting to glow over Jesus' head, and there's an anchor. An anchor? Yes, it looks like an anchor. Oh, an anchor, a golden anchor, right under the star. Now Jesus is moving over - He's floating over. And Our Lady now is moving up. Oh, now Jesus is coming over to the right side of the flagpole. Now He's almost about at the middle. Now He's raising His hand.

Jesus - "I dispense among you graces, My children, graces for cure and conversion. Graces for the repatriation of souls which would otherwise be lost to Heaven."

Veronica - Now Jesus is raising His hand in front of Him, like this, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is shifting - His robe must be heavy; Jesus is shifting it over, the cloak part of His robe, to His left hand. And He's raising His hand; now He's facing - over, looking over towards the trees and down, and He's raising His hand, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming over and She's raising - oh, Our Lady has now Her beads in Her right hand. And they're extended from the left, but She's holding the golden crucifix. Oh, it's very brilliant. Our Lady's crucifix is very brilliant. Now She's standing by Jesus, and He's smiling. Oh, He is so beautiful. Jesus' hair looks almost like a tinted pink. No, it's from the light; it's the reflection from His robe. But Jesus' hair is long, onto His shoulders. And it looks almost like a reddish pink, but that's the reflection, I know.

And now Our Lady is coming over and She's extending the cross out, the crucifix. And now, oh, Our Lady is placing it in front of Her, like this, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is looking down.

Our Lady - "Veronica, My child, you may tell My children - it will not be necessary to remove their treasures from their packages. The graces are supernatural."

Veronica - Now, now Jesus and Our Lady are floating over - oh, They don't walk, They're just gliding on the wind, it looks like. They're gliding over, and They're standing at the left side of the flagpole and looking down. Now around Our Lady's head there, it's becoming very bright. Our Lady has the beautiful crown on still now, but there is a circlet of lights, they look like stars about Our Lady's head.

And Jesus now is reaching from under His robe. Oh, and He's giving Our Lady a - oh, it's a golden, the golden scepter. And He's holding it out and Our Lady is taking the scepter. She's placing the scepter in Her right hand. Now in Her left hand She has the beads. Now Jesus is coming now forward. He's coming down almost to the middle of the flagpole. Oh, oh, oh, He's almost standing on top now of the - oh, of the flag over there. Oh!

Jesus - "No, My . . ."

Veronica - Oh, Jesus says:

Jesus - "No, My child, I will not break it."

Veronica - Oh! Now Jesus is raising His hand up, like this; His fingers now are outstretched, and He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

And now He's turning over to the tree. He's facing the tree, Jesus: In the name of the Father, and of the Son, and of the Holy Ghost. He's made the sign. Now He's placing both of His hands out. Oh, I can see, I can see the marks in His hands. Oh, they're healed, but they look very raw. The - oh, the cuts in Jesus' hands look very raw. He's placing them out now so I can see them. But now they're going down. Jesus is placing His hands down - downward, like this, and, oh, there are rays coming from Jesus' fingers now. He's raising them up, like this, and these rays are going right across my head and down, back down, oh it's just like walls of light going down across the back and back, back onto the people. The lights must reach all the way back. Oh! Oh!

Oh, now Jesus is walking over. The lights are disappearing, they're just like evaporating. It's like smoke. And now Jesus is walking over, He's floating over to the center of the flagpole. And He's coming forward. Now behind Him, Michael is coming forward behind Him. And Michael has now raised his hand. And he's saying:

St. Michael - "Hasten, harken and listen well to the words that will be given to you from your Creator."

Veronica - Now Jesus is coming forward and He's, He's not smiling.

LACK OF DISCIPLINE AND LEADERSHIP

Jesus - "My child, at this time there is not much that I can think of that will explain to you in your human language the despair that fills Our hearts in Heaven. The numbers of souls falling daily into hell are increasing because of the lack of discipline and faults of leadership in My House. You will not follow the ways of man, but you will bring man onto My road. When you have joined My House with the world and it has become one, know that the end of your era has come. You are going to receive the test of trial; in this manner shall We separate the sheep from the goats, and those that will be left shall set up the renewed Kingdom upon your earth.

"My Mother has been sent on this mission by the Father to warn you, then to prepare you for what lies ahead if you refuse to turn back from the ways that have set you onto the path of darkness. The forces of evil are rampant now within My House and in the hearts of men. Unless you turn back now, make atonement to the Father for the many offenses against Him, you will receive the sword.

"I cannot caution you enough to heed the messages of My Mother given to you in the past. Do not take Her words idly. My Mother has come as a Mediatrix by permission of the Father to intercede for an extension of mercy to you. However, the hearts of Heaven are being torn by numberless thorns inflicted by an ungrateful generation. How long do you think We will allow the murders and the abominations to continue?

"This warning has been given in countless places through many voices chosen as messengers by the Father. Soon these voices will be stilled. But the message will have gone throughout your world. No one will go to satan unless he has chosen this road of his own free will. Each man shall stand before the Father in judgment. None shall escape the veil.

"Wear your sacramentals; do not cast aside the monuments and statues and objects of godly nature, for all who keep these in their houses will be saved. Amen, amen, I say to you, unless you turn back now, your country shall not escape a great Chastisement."

Veronica - Oh, oh! I see that . . . that fire now streaking across the sky again. And it looks like a huge ball of fire. It's twirling, oh, and it's tremendously hot. I feel as though I'm standing right under it. Oh, it's a huge ball! Oh, my goodness! Oh, it's so, it's so big. It feels as though it's almost on top of us. Oh! Oh! Oh, now it's growing dark. It's just passed over the sky, but it was so frightening.

Now it's growing dark, but Our Lady now - the tree on the right is very lighted with a blue light, and Our Lady is standing just above the trees. Now Jesus has gone back into the sky. It's, it's like He passed right back through a curtain, a wall, and I can't see Him now. The light is growing very dim. But Our Lady is standing over by the tree, on the right side. Now She's bending down.

Our Lady - "Continue, My child, with your prayers of atonement. Many are needed, for the strong must carry the weak."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

June 8, 1974

Eve of the Holy Trinity

Our Lady - "My child, your heart is heavy. You join Us in Our great sorrow. A great darkness covers the world. It is a darkness of the spirit. The road you travel will be a road filled with thorns. The cross will be heavy as you follow the path of My Son.

"The battle rages with great fury, the battle for the human soul. Satan has captured many, and has set them to bring others into the abyss. The abominations being committed in the hearts and the minds of the human race will not be tolerated much longer by the Father. My Son is being recrucified by those whom He sought to recover for the Father.

"The enemies of your Father - the Father of all creation, Who will sit in judgment soon upon mankind, He is greatly offended by the manner in which the great Sacrifice is being performed. The Father sent My Son to you as a great Sacrifice to open the doors of Heaven to a sinful generation. However, this fact has been cast aside and replaced by a scientific knowledge that has come from satan. Man in his arrogance casts aside the truth and the light, going farther into the darkness.

NOT TO CHEW THE HOST

"Michael has set himself over the houses of My Son. He seeks to stop the abominations being committed in these houses, churches. You will not chew My Son; you will not defame Him. You will not distort His image. You will give Him the honor that is due your God.

"Those who have been given the leadership in My Son's House will one day stand before the Father, and will they be able to say that their leadership has been just in His eyes? Shall you stand before Him and say that your teaching has been clean of impurity?

"It is sad, My child, but true, that many care more for recognition by man than for their eternal salvation.

"My child, many turn their eyes and their hearts from the truth. They do not care. Love! The word 'love' We hear constantly coming to Us. Love - so few know the true meaning of love. So few are willing to sacrifice the things of this world of yours, so temporal in nature. Better that you store your treasures in Heaven.

"There is a great evil force, My child, assembling in your world. It is the satanic force of the abyss. Satan is the leader. Recognize the faces of evil about you. They will not come in their diabolical form, My child, for they must enter into the body of a human. They will do the will of satan. By their fruits will they eventually be known.

"Do not be led away from the truth. You have only one obligation, and this is to your God, not man. You will lead your soul on the path to the Kingdom of Heaven. It is a narrow road, and you cannot bargain with satan.

"Remember, My child, keep the knowledge of the light, the truth, in your heart and pass this knowledge to your brothers and sisters. My Son was sacrificed for you. How many have remembered this?

"There are, My child, many mysteries of the Faith. They cannot be made, made fully known to you at this time. Much must be hidden, for then it would be no longer sacred, My child. No human mind can fathom or conceive the true meaning of the existence of the Father in the Son and the Holy Ghost. It is far beyond the human mind to understand. This knowledge will be given to all when they pass beyond the veil. Make it known, My child, to the world: there is no death of the soul. The human body will be temporarily separated from the soul. At the end of time, both will be reunited for the glorification of the Father.

"The soul lives on forever. The soul is entered into the body at the moment of conception. We abhor, We will not tolerate the murder of the unborn! Mankind seeks a terrible chastisement far beyond what his human mind or sight can ever conceive, for his actions against the creation of the Father.

"Murderers! As such you break the Commandment of the Father 'Thou shalt not kill.' Damnation, eternal damnation will be the lot of all who take part in the murder of the unborn. Repent now of your sin! Make restitution to the Father, for you will be held accountable for the murders of the unborn.

"My child - "

Veronica - Oh, Our Lady is moving over now to the flagpole. She looks very beautiful. She's dressed in a white long gown.

It has a blue sash at the waist. And Our Lady looks very young. She has a white scarf that goes about Her head down to Her feet. It's more like a cloak.

Now Our Lady is smiling, but it's a very sad smile. I can feel how very sad Our Lady is.

Our Lady - "It truly, My child, rains teardrops from Heaven. Remember, I told you that We would go forward five and drop back to three, but advance to four. This is in the gathering of the souls, My child.

"We cry, We ask for many victim souls, victims who will give themselves for the repatriation of their brothers and sisters. Only in this manner will many be saved. The numbers in the final count will be few, My child, few when you think of the thousands upon your earth."

Veronica - I'm seeing now - the sky is becoming very bright. And Our Lady now is pointing up to the sky over the trees. Oh, my goodness! Over the trees is a tremendous blast of fire. Oh, and I see - it looks like a world spinning. It's a huge ball, and it's revolving, but it's coming through the sky very fast. And it's shooting out these flames. Oh, they look like gas flames, because they're - they have no depth to them; they're very transparent. They're fumes. But now as the ball is spinning faster - oh, my goodness! There are rocks being shot out. Oh, it's so hot! Oh! Oh! Oh! Oh, my goodness!

Now Our Lady is coming forward. The ball is receding now; it's going back into the sky. It's very frightening. It's very large. Oh.

Now Our Lady is coming forward, and She's placing Her hand to Her lips.

Our Lady - "My child, I do not wish to frighten you, but I must make you aware of the terrible catastrophe that will befall mankind unless he has a change of heart in the near future. The time is running out, My child. Too few have listened to Me. I have roamed the world countless years of earth-time, but the hearts have been hardened and the ears have been deafened. Too few have sought to ease this great suffering of Mine, My child. I am truly the Mother of great sorrows.

"If the Father would give Me this power, I would send before you the picture of what is to be so that by this sight, if not through love but fear of the Father and His intervention, you will return to Us.

"Too many, My child, care more for the recognition of man than for the Father and everlasting life in the Kingdom. They are following, like sheep to the slaughter, a man."

Veronica - Now Our Lady is pointing over past the right side of the flagpole, and I see now Michael. Oh, he's very large, very beautiful. Oh, Michael is beyond description. Oh, he covers the whole sky, though he doesn't look out of proportion. He's tremendous in size. His face I can't describe because I can't see it too well, the light is so bright. But his hair is a metallic, a blonde, sort of a gold, but a dark sort of a gold. But it doesn't look like human hair; it's metallic.

JACINTA AND FRANCISCO

Now Michael, he's placing his spear down by his side on the - you can't say the floor; it's by his feet, but it's suspended in the air. And he's motioning over. And now, coming from behind him . . . oh, it's . . . I know her. Oh, it's Jacinta, Jacinta. Oh, and Francisco's with her. Oh, she's very sweet looking. But she, too, looks sad.

Jacinta - "No - "

Veronica - Oh, she's speaking. I can't understand.

Jacinta - "No, Veronica, the picture - it was not accepted. This gives me great sorrow. But one day it will be accepted, so do not put it in your file, Veronica. Send the picture throughout the world. Perhaps then mankind will listen to what Our Lady told me to tell them when I was on earth.

NUNS WOULD WEAR WORLDLY CLOTHES

"I, too, was asked by Our Lady to give a message. I did not understand all that Our Lady said, but I gave the message. Our Lady told me that the nuns would start to wear clothes that would offend the Father and Our Lady very much because these new fashions were created by satan to seduce the souls."

Veronica - Now Jacinta is looking up to Michael, and Michael is bowing his head. And Our Lady now is moving over. She's standing by the left side of the flagpole. Now She's moving over and standing right behind Francisco. Now Jacinta is looking up at Our Lady and smiling, and Our Lady nodded Her head. And Jacinta now is going to speak.

COULD NOT GIVE THE DATE

Jacinta - "Yes, I tried to warn everyone of what was going to happen to the world of the future. Our Lady said that the little Father in Rome would suffer great persecution, but much of this persecution would come from his very own, those that he trusted. That is why the picture was given to you, to send the message throughout the world.

"It is true that I gave a final message, but I, too, could not give the date - only to warn the world that a great Warning would come to mankind. It would be a great cataclysm Warning, and then there would be a great Miracle, and after that, if

nothing changes and man continues to offend the Father, He would have to start this terrible, terrible trial. For there will be a great War and there will be a great, terrible Chastisement."

Veronica - Now Jacinta is looking up to Our Lady, and Our Lady is motioning with Her hand. Now Jacinta is going over, up to the left side of Michael. Now Michael is coming forward. He's now - the spear he carries is gone up now into the sky. And now he's reaching out and he's holding the spear. Now Michael is pointing the spear downward, and he's saying:

Michael - "Since your perverse generation has chosen of free will to cast aside the warning from Heaven, you will, in diverse places and in your country - the once beautiful-of-spirit United States shall suffer great trial and come to its knees. What was to happen in the future shall be now! Mankind shall now determine the date."

Veronica - Now Michael is turning back, and he's pointing over to the left side of the flagpole, beyond the left side. And I see . . . oh, I see a terrible, terrible fighting, a war. I don't believe it's in the United States, because these people look like they're Egyptians, and Arabs, and dark-skinned people. And now, though, as the - I hear the great roar of bombs.

I'm looking up, and the sky's becoming very lighted. And I am seeing thousands and thousands of people marching. But they look like Chinese, or Mongolian. No, they're - I believe they're Chinese; they're Asiatic. They're marching across the land, and they're boarding some kind of transport. They're going onto the water. Oh, it's a great War. Oh! Oh!

Now Michael is coming over to the left side of the flagpole, and he's looking down.

Michael - "My child, we have asked you to send the word to mankind that they will read in the Book of life, the Bible, the words given to them that will fulfill the prophecy of the latter days, Apocalypse. You are living the days of the Revelations. Read them and be knowledgeable, and you will not be caught without the light."

Veronica - Now it's growing very dark. Oh, Our Lady is coming forward.

Our Lady - "My child, what more can I say but to beg you to listen as We cry for your prayers, your sacrifices, the Rosary, your beads of prayer to Heaven - link to link, chain to chain - your armor against the invading forces of satan that now have full control of your world.

"Yes, My child, shout from the rooftops. There is no time now to fear man. You must go forward with the light. Carry your candles. You will all be apostles of the latter days, candles through the darkness.

"No, My child, you will not be abandoned in the struggle. As I have said before, I will repeat again: I will be here with you, with you all, until the coming of My Son in the final battle. Graces in abundance shall be given through visits to these sacred grounds, grounds chosen by the Father - graces for cure and conversion, graces for reclaiming the souls destined for the abyss.

"How many tears shall be shed by the mothers who have grown lax in their children's guidance. Do not expect - mothers and fathers, do not expect your leadership outside your homes to bring your children pure waters of life. No! The waters they feed them now have been saturated with poison. Only you can guard your children's souls. Do not turn them over to the agents of satan.

"Nourish your soul with My Son, the Eucharist, the Bread of life. The Eucharist, My Son's Sacrifice for you, is the nourishment necessary for your soul. Do not partake of My Son's Body as if it were a meal to be devoured like animals!

"My child, it is sad. But you must not judge; you cannot judge the heart. Therefore, you will pray. We know of the great sadness in your heart and the hearts of those who stand to defend the Faith, but it is not unnoticed by the Father. For all who will stand with My Son shall be recognized by the Father in Heaven.

KNEES BOWED, HEAD COVERED

"Remember, My child, shout it from the roof. My Son is with you until the end of your time. It is truly His Presence, His Real Presence, His divine Presence, His Body and His Blood. Do not treat Him with disrespect! Bow your knees; cover your head! Do not chew Him!

"Who knows the full Divinity? Who can recognize this knowledge? Satan blinds many to this knowledge. Pray for the light. You will only accept My Son in the manner due the Kingship, due your God. Honor My Son; do not dishonor Him before mankind.

THE BLACK MASS

"My child, you ask about the satanic infiltrations in your country. You will not at this time concern yourselves with names. It is enough that you share with the world the knowledge that there is a perpetration of satanic worship you call the black

mass. The numbers who join these ranks are countless. They do honor to the prince of darkness, and they have given themselves to the prince of darkness.

"It takes great sacrifice, much prayer, great penance to bring them back from their lives of darkness - earthly lives, My child, for their souls are already dead - dead, not as you know the human body dead, but the spiritual body, soul, is dead.

"Any man who of free will has given himself to satanic worship is dead forever, damned forever to the darkness, the torment, and the abyss. Man should not experiment, My child, and seek out these agents of hell. They are there about you, but you cannot win them by joining them, for you are only mortal. Flee from any who bring knowledge of such atrocities against the Father in Heaven.

"Keep pure and holy thoughts, My child. Tell the world the soul, the mirror of the soul, are the eyes. It is not what goes in, but what develops and comes out that will destroy the soul. For the power of satan is great now.

"Wear your armor, your sacramentals. I assure you, My children, if you cast this armor aside you will be lost. They are given to you for reason. It is only the agents of hell who will try to disprove this fact with one reason: to capture your soul for satan.

SMALL TO WORLD BUT GIANTS IN HEAVEN

"In the days ahead, My children, you can expect great ridicule; you can expect to be thrown and cast aside, groveling under the heel of the oppressor; but know that though you be small to the world you will be giants in Heaven. For when you enter, My children, beyond the veil, you will be clothed in garments shining with light, more glorious than any human mind could ever conceive. The glories of Heaven - what human could experience this without having to enter beyond the veil?

"My child, that is why much is still hidden to you. Your human body could not survive the great ecstasy, the glory of what lies beyond the veil."

Veronica - Oh, I see a tremendous, great light. It seems to be, it's not a . . . oh, it goes out into the sky; it's like a cone-shaped light. It's just beautiful! And Our Lady now is standing - She's coming closer down by the flagpole. Our Lady is on the right side, and She's coming down now about the middle of the flagpole. And She's pointing up to this cone-shaped - I don't know what it is; it's like a light. And it's growing smaller at the tip as it goes into the sky.

Our Lady is saying, in a very - it is so quiet, the voice is so low I can barely hear Her.

HEAVEN BEYOND FARTHEST STAR

Our Lady - "You are observing, My child, the path to the farthest star. Heaven, the Kingdom of the Father, lies far beyond the farthest star. It is a place of actuality, My child. However, the human body cannot enter, as it is a force that is beyond your human knowledge to understand. It is the land of the soul, the land of the spirit, the home of the Father and all who remain faithful and true."

Veronica - Now Our Lady is coming over. She's going over to the right side of the flagpole. Now She's taking Her Rosary - Our Lady had Her Rosary looped over Her belt, and She's extending it out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And Our Lady is facing over now to the left side of the flagpole. Oh, She's standing . . . She's moving over, and She is just at the right side, but facing left. And She's raising Her beautiful golden crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My child, you will be seated now until Jesus comes, as He has a most urgent message for you."

[Pause]

Veronica - "Will you announce, please, that everyone will kneel. Jesus has been here now for at least fifteen minutes. Kneel, please."

He's over there on the right side of the flagpole. Now Jesus is standing on the right side of the flagpole with Our Lady. He's been here for some time, but He was watching the display in the sky. There's been a great display, the moving of the stars. But you're not to be startled, because Jesus can do much more than move the stars.

Now Jesus is coming forward. He's been standing with Our Lady for some time over by the tree here, between the flagpole and the tree. Now Jesus is smiling. And He has on a burgundy-colored robe. And now He . . . the gown is cream-colored, but I can see Jesus has on sandals. They're brown, leather-like sort of straps on His feet - more like rope, though; they're twisted like rope.

Now Jesus is looking down. He thinks it's quite funny the way I explain it, but . . . Oh, yes. Now Jesus is coming over with Our Lady. Our Lady is joining Him. She's on His left side, but She's going over now to Jesus' right side. She doesn't walk; Our Lady is floating.

Now Jesus is shifting His robe. It always hangs, but it must be heavy because He's putting it on His left arm. Now Jesus is putting His hand in front of Him, like this, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus said you will extend all sacramentals. However, it will not be necessary to take them from their wrappings, as He can see into them. In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is coming over to . . . He's still on the right side of the flagpole. He's standing there now looking down, and He's placing His hand out, like this.

Oh, there are the rays now coming from Jesus' hand again. And they're coming over, they're going over my head and they're coming down beyond . . .

Oh, Jesus said the message is that:

Jesus - "Do not fear for your dedicated who have lost their way. They, too, can be recovered by your prayers and acts of sacrifice."

Veronica - Now Jesus is going over, He's floating over to the left side of the flagpole. He's smiling. It's a little windy because His hair is blowing. Jesus' hair is quite long; it looks sort of a reddish brown, and it's blowing. Oh, He has, Jesus has a short beard. Oh, it's very nicely cut.

And Our Lady is behind Him now, and She's coming over. Now Our Lady is extending Her crucifix. She has a very large golden crucifix, and the beads are white. No, they're pink. It's hard to say the color. They're like white, but they - when She moves they get a pink glow. And the Our Fathers on the beads are golden.

Now Our Lady is raising Her cross, like this, and She's blessing: In the name of the Father, and of the Son, and of the Holy Ghost.

And now Jesus is looking down; He's smiling. He's just about the middle between the, on the left side of the flagpole, but He's standing just about the middle of the pole and the tree. And He's looking down now. Now He's placing His hand down in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going up a little higher - just floats; the air carries Him up. He's just a little below the top of the pole, and He's standing there now, and He's placing His hand in front of Him, like this. Oh, He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "There will be, My children, many graces dispensed among you, graces for conversion, graces for cure, all for the asking. Nothing is impossible in the Father. In the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - Now Jesus is moving over with Our Lady. Now He's going back further up towards the sky, but . . . no, Jesus is bowing His head. He said He's going to remain there. And Our Lady now is standing over just a little in front of Jesus with Michael. And I see the little girl and boy with Her. Oh, it's - Jacinta and Francisco are still with Her.

And all about Our Lady now the stars are just twinkling; they're just glowing. They seem to be going off and on, just like lights behind Our Lady. The stars are going off and on. They're so brilliant they look like diamonds. There's a whole cluster of them around Our Lady's head, but there seems to be a circle of rainbow stars all around Our Lady and Jacinta and Francisco. They form all around them. It's just beautiful. They're pure white, or they look like white fire. It's so beautiful!

Now Our Lady is leaning forward.

Our Lady - "Continue, My children, with your prayers of atonement. Many are sorely needed at this time."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

June 15, 1974

Eve of the Solemnity of the Most Holy Sacrament

Veronica - Our Lady now is approaching; She's by the left side of the trees. The trees now are beginning to become all lighted and blue, but the blue is almost a pale purple. The blue about the trees now looks like a pale purple.

Now Our Lady is coming forward, and behind Her, standing over to Her right, is Michael. Now Michael is wearing a long garment this evening. He has a sash about his waist now. It's a golden sash. And his gown covers his feet. I can't see his sandals or if he has anything on his feet, the gown is so very long.

Now Our Lady is coming over. She's standing in the middle by the flagpole, to the left of the flagpole. Now Our Lady has a shawl about Her head, but the shawl is not a bright white, either. It's a . . . sort of tinged in purple.

Now Our Lady is speaking very softly; I can barely hear Her.

Our Lady - "My child, I wear the colors of My sorrow. The numbers counted at the final count will be few, all because so few have chosen to turn aside My many warnings given upon earth through many seers in many places.

"Mankind, the children of earth, have become obsessed with the pleasures of the flesh. Their eyes are blinded, so that they have taken themselves onto the wide road leading to the abyss.

Many voices in the light, governed by the Spirit from Heaven, have cried out the warnings to prepare, prepare for the great trial that lies ahead for an unrepentant generation. The Father, your Creator, He does not seek to set upon you the fiery cataclysm. However, it will be the great and eventual destiny of mankind, if he does not heed the warnings from Heaven.

"I have come, My children, as a Mediatrix from the Father and My Son, to warn you that you must turn now from your present course. It is a course that offends the Father very much, for you have allowed yourselves to be governed in error and deceit.

"The children are the victims of their elders. The parents hold the balance now for the recovery of the souls of their children. Many have turned upon their parents and given themselves to the world of evil about them.

SACRAMENTALS: SPIRITUAL ARMOR

"It is sad to see, My child, that many have removed their sacramentals. Oh, how sad this is! For they do not know that they leave the road open for the entrance of the evil spirits upon them. It is not for decoration that these objects were given you from your God. No, they are your armor, your protection in these days.

"Do you not recognize, My children, the signs of your times? No! You fail to recognize these signs, because you no longer recognize the Book of life as a guide for you. The Revelations have been cast aside and replaced by myths and the illogical reasoning of mankind. 'Scientific reasoning,' they have called it, My child. But no, it is the deception and darkness of satan.

"My child, you are not alone in the battle ahead. The Father has allowed Me the time to gather many little armies throughout the world. Their banners are known to all who proceed in the light. Their banners will be rejected by all who proceed in the darkness.

"I have told you, My child, many times, that your road will be filled with thorns. All who seek to stand and defend My Son shall receive these thorns. But how pleasurable and how magnificent will be the reward for all those who persevere in the days ahead!

MANY ERRORS PROPAGATED IN CHURCH

"We of the Kingdom of the Father find many errors being propagated in My Son's House, Church. It is the great deception that is permitted for mankind in these latter days. It will be in this manner that the sheep shall be separated from the goats. All who have given themselves to satan will be known. For their fruits shall fall, for they will wither on the vine, and all that is rotten shall fall!

"Pray much, My children, for your pastors that they be given the strength from the Father to go forward in truth and in the light. It is sad to say, My child, that many have lost their way, preferring to receive the rewards of mankind. Their knowledge of the supernatural has been cast aside and replaced by humanism and the modernism of your times, rationalizing even sin, My child!

"We have asked all who are with My Son not to abandon His House. Do not judge His House on the man who has been governing it - your pastors and your clergy, for they are only human, subject to sin, even. Remember that the heart and the true foundation of Jesus' House is the Eucharist, that you receive in the Holy Communion. Woe unto that day, My child, when this is even denied you!

TREND TOWARDS SEPARATION FROM ROME

"There is developing, My child, in your country and the world, a most dangerous trend. It is one of separation from the Peter, the head of your Church. You will not bring about this separation from the seat of Rome! You have nothing to gain, but everything to lose, for should you go ahead with this plan of separation, you will lead onto the road of the abyss, leading to the abyss, many souls. Woe unto those pastors! Woe unto the clergy who now set themselves up as leaders to confuse, confound, and mislead!

"Novelty, My child, has been the ruination of many souls. Change - why does mankind call always for change, My child? Is not the test of time a certain guide for mankind? We do not change to please mankind, but We set ourselves as examples to bring mankind to his God.

"Intellectual pride, My children, intellectual pride has sent many, set many onto the path of hell. Yes, do not cast aside this knowledge, this truth of the existence of hell. The agents about you working for the prince of darkness have made it their business to take from your minds the reality of the existence of a realm of punishment.

"I have asked all of My children to read the Book of life. It is your guideline to the future. You will all pray to the Holy Spirit to guide you in your reading that you do not fall into the errors of your day.

"There is great danger of separation from Rome, My children. For mankind is searching, searching into a world that they can never fathom. We see upon your world many organizations and secret societies. They are of satan.

"As in the days of Noe, My child, so it is in your time. Many have given themselves to the worship of false idols. Many have given themselves to the worship of satan. Abominations are being committed in the lay lives and also within the houses of My Son. Permissiveness will not guarantee conversion, My children. Your example has sent many from the path.

"All who have been chosen by the Father to be given the grace of Baptism shall have, from that day forward, a covenant with the Lord.

"It is the will of the Father, My children, that I repeat to you that all who have any part, even a small measure, in the murder of the unborn shall be condemned eternally to the abyss. The Commandments of the most high God, your Father in Heaven, were not given to cast aside, but it is a rule of discipline. And these Commandments must be adhered to. Thou shalt not kill a creation of your Father!

"You have chosen of your own free will, O men of darkness, to send back to the Father souls that have not completed their mission. The score is being counted and you shall receive the fruits of your abominations. Turn back now and make atonement for your murders!

"Your city, My child, is a cesspool of sin. The cities in your country and the world have become cesspools of sin. Remember Sodom! Remember Gomorrah! The sin being committed now upon earth is far more grievous than during those times. Therefore you will be redeemed by a baptism of fire. The hand of God grows heavy; The Father will not tolerate these murders.

"What, My child, does it gain a man if he gathers the treasures of the whole world and forever loses his soul? Pray much, My child; pray much, My children, for if you return to Us but one straying soul and snatch this soul from satan there will be great joy in Heaven forever. And your reward will far surpass anything that you can deem in your imagination!

"Nothing is impossible with the Father. Therefore, call upon Him in these dark days. For He will, in His merciful heart, rescue those whom you will make sacrifice for - whom you, in your true love of mankind will pray for and do penance for.

"You will understand, My child, in time, that those who are given great graces must carry a very heavy cross. There is much that cannot be revealed to you at this time, for there are mysteries of Heaven and a great mystery of earth. At the proper time all this will be made known to you.

GREAT DELUSION AND ABERRATIONS

"We here in Heaven are much grieved, because we see mankind turning from the facts of the supernatural, the light of the Father. They're calling in a manner that makes our heart heavy, for they're reaching out and calling in a manner that has not been directed by the Father from Heaven. They set upon themselves great delusion and great aberrations from the truth. Pray much, My children, that you do not fall into these errors.

"You will find in the days ahead, My child, that they will set many against you, for it is to silence you as they have many other voice-boxes from Heaven in the past. There are many who are in darkness that cannot stand the light intruding upon their world. They enjoy and love their sin so much that they choose to cast aside the knowledge of the veil and the eternal Kingdom of the Father in Heaven.

"The Father has given you a great grace, My children, in the past - a reprieve from the Ball of Redemption. How long We can keep this fiery cataclysm from coming upon you - well, that, My child, lies with the atonement of mankind. Know that the pages of the Book of life must come to pass. However, if you will turn back from these abominations, these aberrations, and these sins of the flesh, My child, I promise to go before the Father and beg for your reprieve, for I am a Mother and truly the Mother of great sorrows."

SAINT ROBERT BELLARMINE

Veronica - Now Our Lady is walking - no, She's not walking, She's floating over to the right side of the flagpole, and She's looking down. Now behind Her I see a group of men coming forward. They all look very scholarly. Oh, I recognize now Saint Robert, Saint Robert Bellarmine. He's holding a Bible in his left hand. I know it's a large Book.

Our Lady says:

Our Lady - "It is a tome, a tome."

Veronica - And now he has his right hand raised, Saint Robert, and he has his large cross which he's placing now on top of the Book. Now he's nodding, Saint Robert, to Our Lady. And Our Lady is nodding Her head, yes. And now he's coming forward.

St. Robert - "My children, the words of the Queen of Heaven have directed you well. The words of truth and life have been given to you in the past by those directed by the Father from Heaven. You call these men of enlightenment, the prophets of old. But do not, my children, cast them aside as being old and outdated. No, my children, this Book was given to you, as it is for your very lifetime. The word of God the Father is eternal. It shall not be changed to please mankind. You will not cater to the lusts of the flesh. It is not an easy road to the Kingdom. It was never meant to be an easy road. It is a road gained by great grace and merit. It is a road that can be obtained by sacrificing your worldly pleasures.

"You cannot bargain with satan and the Father. There is no middle road. You must stay on the narrow road that leads to the light, or you will go farther into the darkness."

Veronica - Now Saint Robert is moving backwards. He's like just gliding back, just a little above Our Lady, and he's picking up the cross now that had been lying down on the Book, and he's holding it in his right hand.

Now Our Lady is coming forward. Her robe now is very brilliant and white. And now it's not - the cloak over Her head doesn't look purple anymore. Oh, it's a brilliant white, and it has a beautiful gold trim around the edge.

Now Our Lady is pulling out Her Rosary. The Rosary is beautiful, the beads are very big. They're white, but as Our Lady is turning and looking about down here, the beads are taking on a pink, a very pink luminous glow. And the Our Father is golden. Now Our Lady is holding the crucifix up, like this, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

ST. CATHERINE LABOURE

Now Our Lady is pointing up with the crucifix, up to the sky on the left side of the flagpole, Her right side. Now I see a great gathering of people, but they're all dressed in very different clothes than I've ever seen. Oh, they must be from the past, because their dresses - the women are dressed in very long gowns. And some are nuns; I recognize the nuns. Oh, and I know it's Saint Catherine - there's Saint Catherine Labouré! Now she has on the large white hat, but she's not turning her head, because the edge of it is touching the nun on her right, and it seems to be hindering her turning around. And she's smiling.

Now Our Lady is going over and She's standing now at the left side of the flagpole, right next to the - to Saint Catherine. And now Our Lady is coming forward.

Our Lady - "My child, satan has a most terrible plan. You must make it known to the world that he will try to discredit all those whom We have chosen in the past to bring to you the truth. You will gather, My child, all the copies of the Books that are being discarded from your shelves, the Books of life and love, the Books of truth. Many are being burned, for they have been replaced by books that have been written by the agents of hell. Hurry, My child, rescue these Books, for soon they will be few among you. Read them well and they will be forever in your hearts. Direct your children in the light. Do not allow them to fall into the darkness of error."

Veronica - Now Our Lady is pointing two of the nuns, and all of these people that are dressed - the ladies all have these long dresses on. And Our Lady is now nodding Her head.

Our Lady - "You see, My child, you use the word 'Mary-like,' but the word is truly 'chastity,' 'modesty.' It is a word, chastity, the word modesty, soon forgotten on your earth.

RETURN ST. MICHAEL TO CHURCH

"Pagans! Pagans, My child, pagans roaming also in the House of My Son! Is there no one who will go and chase them out? I have asked you, for the Father, to return Michael to My Son's House. He is the guardian of the Faith. Michael must be entered into My Son's House.

"Pastors, shepherds of the flock, why do you scatter Our sheep? Do you not know that your responsibility lies with the Father, your Creator, Who has chosen you to direct His sheep? Why have you chosen to scatter them? Gather these sheep, or forever you, too, shall enter into the abyss. There is no place in Heaven for one who has cast aside the role so important, of such greatness, one who is a representative of My Son in His House, chosen from among thousands, millions upon your earth. How sad that so few recognize any longer their true calling!

"If only, My children, I could break through this barrier that you have set against Us and bring to you the knowledge that you have only one obligation: that is to follow the direction of your Father in Heaven. For it is only He that you will stand before in judgment. No man on earth can deny that one day he must cross beyond the veil and stand in judgment before the Father.

"Gather your graces, My children, not as counted in worldly goods, but graces that can be gathered in abundance free for the asking. It is a mission of love. Gather these graces and store them in Heaven, for it will be on this measure that you shall gain your eternal reward."

Veronica - Now I see . . . Our Lady, She's going over to the right side of the flagpole. And now She's pointing up, up to the sky over by the left side of the flagpole, and there are letters now forming in the sky. They're brilliant; they're made like of stars, tiny diamonds set into beautifully stenciled letters: "FAITHFUL AND TRUE."

Now Our Lady is gliding over, and She's raising Her Rosary very high above Her head with Her right hand, like this, and in Her left hand, Our Lady - oh, She has a very large Scapular. I can see the Scapular, the figures on it. And now Our Lady is smiling and coming forward. Oh, She is so beautiful! Oh, Our Lady is so beautiful!

ROSARY AND SCAPULAR TO CRUSH SATAN

Our Lady - "My child, persevere to the end. Have no fear of the days ahead, for with My Rosary and this, the Scapular, We shall crush the head of satan.

"There will be a great war. Many will be lost to Us, as they have not prepared themselves for this great war. Many have not recognized the signs of their times, being too involved, My child, with the pleasures of their world. Their search for riches that will rust and rot have taken them away from their search for eternal life.

"The Chastisement which will be sent upon mankind will be, My child, a great ball of fire."

Veronica - Oh! Now Our Lady is pointing up to the sky. It's becoming very dark, and I can see it. Oh! Oh! [Veronica coughs.] Oh, it's so hot! I see a great, huge ball. It's hurling through the sky, and it's shooting out particles of color. But there is an awful fog; it's a tremendous fog of dust. And now it's traveling at a great speed, and I see now a piece of it has broken away, and it's coming down - oh, a piece of it now fell into what looks like a huge body of water. And oh, the water is just steaming and it's churning up. Oh! It must be awfully large because the water is rising. And I see now people running through the streets and they're screaming. They seem to be running aimlessly; they don't know where to hide or run.

"It's very frightening, Mother! Oh!"

Now it's growing light. It's very frightening. Our Lady now is coming forward.

Our Lady - "My child, I know of your great fear. I cannot avoid allowing you to see the great catastrophes, the great destruction that will be sent upon mankind. Shout, My child, from the rooftops! Do not slacken in your mission. Know that the strength will be given to you to go forward. We are sending many arms to help you. Courage, My child; there is no man on earth that you need fear, for you will be guided by the Father in Heaven. He has a plan for each life set upon earth.

"We have asked you, My child, to join with other voice-boxes throughout the world in spreading this Message from Heaven. The time grows short. Years or months, My child, what difference is it that We give you the date? It is only important that you be ready, for I can assure you, My children, that the great Warning will come upon you at a time you least expect. And then a prodigy of great proportion - in the merciful heart of the Father, you will receive a great light from Heaven. Many in the world will reject this miracle, for they have joined the forces of evil set to stand and squash, My child, every feat of the supernatural sent by the Father to bring mankind back onto the road to the Kingdom.

"And after this, if mankind does not repent and change his ways, there will be sent upon him the great destruction in two parts: the great War, that will take from your earth one third of mankind, and then the Ball of Redemption, the second third. And what is left, My child? O sorrow of great sorrows! What is left, though, shall be in the few, but they will join My Son in rising up in glorious triumph to rebuild the Kingdom of Heaven upon earth.

"We are raising up at this time many disciples, many apostles of the latter days. They will stand in great trial upon earth, but like the voices in the wilderness, in the darkness, they will go forward carrying the light searching in the darkness; they will go forward carrying the light searching with their candles through the darkness for the recovery of their brothers and sisters. From

these hallowed grounds, chosen by the Father, there will be given, for the edification of mankind and the propagation of the mission of recovery of souls, many cures and conversions.

"Pray much, My child. Make many sacrifices. The greatest pleasure to the Father is to watch the sacrifices of the senses being made by mankind."

Veronica - Oh!

Our Lady - "You, My child, must now practice the mortification of your eating habits. We have not asked this before of you, for it was not time in the Father's plan. Now We ask this as a great penance for the recovery of many souls. You will now, until the Father deems that it will not be necessary, restrict yourself to one meal a day. No, you will not be hungry, for you will receive your nourishment from My Son. Do you understand, My child?"

Veronica - "Yes, Mother."

Our Lady - "Water will be allowed. Now you will sit, My child, and you will be directed further by Jesus. Yes, My child, you will sit."

PENTECOSTALS NOT OF GOD

"You must warn them now, My child, that they are being misled. The secret societies and the search for the Holy Spirit is entering into the realm of satan. Too many are searching outside the House of God. You, My child, must make it known that the word you call 'Pentecostals' is not of God. It is an error. It has been introduced to try - I say try, My child, for it will only bring battles but not destruction. It will be an insidious evil that will enter to try to take away what is known as the 'institutionalized' House of My Son.

"When I use, My child, the name 'institutionalized,' I do not mean it as a business, as many have made it a business. I mean it as a firm foundation of the Faith. The truth and the knowledge of the Faith from the Father in Heaven has already been given to you. You have a firm foundation. Why are you trying to shake it by introducing sects and groupings that call upon the mores of satan? Do not allow those who have entered into My Son's House to mislead you by interpreting the words of your prophets of old to suit, suit their own worldly means of finding the road to Heaven. I say worldly, because it is leading them fast from the road.

FLEE THESE GATHERINGS

"Many call upon the Holy Spirit, My child, but the spirits they invoke are not from Heaven and the light. They come up fast from the abyss. Flee! Have no part of these gatherings, for they are not from the light. In time, My children, you will evidence the disasters that these gatherings provoke. Many who should know better have given themselves over to this diversion. You need not this diversion. My Son is always with you in the Eucharist.

"My children, many are turning from your Sacraments, searching for a new world, a world that is abounding with the word 'love, love!' But who knows the true meaning of the word love? How many are willing to sacrifice for this love? How many are willing to starve themselves of their worldly desires for this love? How many would be willing to give their lives for this love?

"No, My children, unless you pray - not invoking the spirits, but to pray as the words were given to you - you shall not have the understanding in the light. Do not be confounded and confused. The prayers from Heaven are simple. Do not go searching for the sensational, for you will start your prayers always with: Our Father, Who art in Heaven . . . , not bla bla bla bla bla bla that We hear, My child, coming up here. The misinterpretation of the word 'tongues' - do you know what you read in the Book of life? Man has put a very twisted interpretation. La la la la la - to Us, My children, that is what it sounds like.

"I know, My child, that My directions this evening have given you great discomfort and fear. It is not often that My message has to be so severe, but if We cannot bring you onto the proper road, My children, by reasoning with you, shall the fear of God the Lord be sent upon you to turn you back?

"You do not seek the light in the right places. Pray for the light, but always pray, Our Father, Who art in Heaven . . . , so that you do not invoke the father of all liars, the prince of darkness, satan. For many of you now are calling upon satan. Therefore, pray for the light. Wear your sacramentals, tried and true."

SATAN WORSHIPERS

Veronica - Oh! Our Lady is also pointing over with a very angry look on Her face. And I see - oh, a terrible . . . oh, it's - oh, my goodness! I know what it is; I see . . . I know they're human beings, but they're wearing black garments and slit holes in their faces. And Our Lady said:

Our Lady - "See, My child, the worship of the prince of evil. You are shocked, My child? Do not delude yourselves that this does not exist upon your earth now, the worship of satan. Pagans! Pagans in the House of God! Pagans roaming your nations, leaders of your nations giving themselves to satan!

"The destruction is fast approaching mankind. There is nothing that satan will not do to seduce the nations. Awaken now from your lethargy, your love of riches; open your eyes to the truth."

Veronica - Oh, now I see - Our Lady is pointing over, and there is - oh, my goodness! It looks like people are fighting. Oh, it's a terrible war! Oh, it's a terrible war! And there's so much blood. Now I see a stream of blood, and it's going across the waters and it looks like Italy, and France. Oh, my!

Now Our Lady is coming forward, and She's placing upon Her head a black shawl.

Our Lady - "Yes, My child, much blood will be shed upon the earth. Many will be martyred for the cause of My Son before this battle is over.

"I have great hope, My child, great confidence that the armies of the light raised throughout your world will be able to go forth and reach the world with the truth, so that your generation can avoid the greatest part of the punishment that has been allotted, that will be given to mankind if your world does not turn from the evil and the offenses being committed - offenses that will not be condoned by the Father, for you have given yourselves, as a perverse generation, to satan.

"Guard the souls of your children well, parents, for there will be tears flowing and much gnashing of teeth in those days when many are claimed. For one will be in the field, and then one will be taken. The world shall be cleansed gradually, and with a baptism of fire.

"It is through the grace of the Father that all those who have received the Message from Heaven have the time to prepare their souls and the souls of those they love. And with the charity of heart they will also go and prepare others who have been less fortunate in receiving the light, for many have rejected it. But in the mercy of the Father, the power of the prayer on your part shall bring those straying sheep back also to the fold. Convert the unbeliever! Go forward now as apostles of truth!

"When this cataclysm comes upon mankind, there will be no excuse, there will be no casting aside the fact in knowledge that you have given yourselves over to either satan or the Father in Heaven. Each man has a covenant with the Lord; each man shall hold full responsibility for his soul and the souls of those he loves.

"Reject not the knowledge that there is a supernatural world about you unseen to your human eyes. You must be separated from your human body before you will have this knowledge of life beyond the veil. But do not be deluded now by the agents of satan who try to take this knowledge from you that you are but pilgrims upon this earth - a short stay, a time of pilgrimage in which you will gain your merit or set your soul onto the road to damnation. You have been given the way. You will follow it with discipline, sacrifice, and prayer, or you will be lost forever. Pray much, My children, for many prayers are needed. Your world is in deep darkness.

"My child, you will meet with much disapproval by many of Our clergy. I prepare you for this, for many have fallen into the web of satan, not recognizing these gatherings of Pentecostals for what they truly are: a creation to distort and deceive.

"You must remember, My child, that satan was cast out, Lucifer, Luciel, with great knowledge of how to deceive the nations and mankind. No, My child, I cannot explain to you now why all of this power was not removed. It is a secret of Heaven.

PAUL VI CONDEMNS PENTECOSTALISM

"Yes, My child, many have given themselves to disobedience of your Holy Father, your Vicar. We have asked him to condemn the practice of calling upon the spirit. He has followed the direction of the Father, but many of his clergy have fallen into disobedience of your Vicar. Many have chosen to go their own way, following their own rules without discipline. Many have set themselves up to guide others without the true knowledge, for they have cast aside Our Vicar and his warnings. Yes, Our Holy Father suffers much, My child. Pray much for him, for his strength is greatly taxed by those who give him much sorrow. Those he has trusted have set the knives into his heart."

Veronica - Oh, now Our Lady is moving over to the right side of the flagpole. Oh, She is bending Her head. Oh, and Jesus is coming over now; He's coming through the clouds. Oh, there's like a great mist just over the flagpole by the . . . oh, the great figure of that eagle on the pole. There's a great mist, like a fog. It's almost like the formation of a cloud. And Jesus is right in the center of it. Now He's coming down very slowly. He's gliding down, and He's standing by Our Lady.

Now Jesus is leaning forward.

Jesus - "You will finish the prayers of atonement, My child."

[Pause]

Veronica - All who are able, please kneel. Jesus is with Our Lady over on the right side of the flagpole. Now Jesus is smiling. Oh! Oh, He's so beautiful! Oh, and Our Lady now is coming over. Now Jesus is motioning. She's coming over to His right side. Now Jesus has His robe; the robe is a burgundy color. Oh, and He is leaning forward.

Jesus - "My child, as you will notice, I seldom change the color of My robe. This can be a lesson to mankind that change is not always of the good spirit. It compounds confusion and error."

Veronica - Now Jesus is going over, He's - well, He's floating. He doesn't walk, He seems to glide on the air. Now He's looking down and He's placing His hand in front of Him. Now He's bending His face over.

Jesus - "My child, it will not be necessary for My children to open their packages. Graces flow in abundance from the Father onto these sacred grounds. Everything and every soul shall be bathed in the light. In the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - Now Jesus has His hands placed together, like this, three fingers, and extended out, and He's turning over, well, to - on His right and raising His hand like this: In the name of the Father, and of the Son, and of the Holy Ghost. He's making the sign of the cross.

Now Our Lady is extending Her Rosary with the crucifix, like this, and She's raising it like this in front of Her and making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning to the right and She's waiting now. And Jesus has gone before Her, and He's now going over to the left side of the flagpole. Now Our Lady is coming behind Him and - oh, Saint Michael . . . Michael is over there. He has a long white robe on still, and he's standing there with a balance in his hand and a spear. The balance is in his left hand and the spear is in the right hand. And he's looking down and he's pointing the spear downward. I don't think it's a good sign when he points the spear downward. I know that he means it shows displeasure of the actions of mankind now in the world, and which would lead to eventual punishment.

Now the spear is still pointed downward. And Jesus, though, is coming over, and He's in the center now between the flagpole and the trees. And He's placing His hand in front of Him and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming behind Him with Michael, and they're now almost - Jesus is almost standing on the branch of the tree. Oh, and He's looking down now, and He's placing His hand down. It's just about level with His chest, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "My children, you will receive graces in abundance. My Mother has come to you in the will of the Father as a Mediatrix between mankind and the Father, to save, to recover as many souls as are willing to sacrifice and do penance in the time left for them. Know that you will not cast aside the warnings of My Mother."

Veronica - Now Jesus is rising, He's going up over the flagpole. And Our Lady now is following Him. She's just floating up, She's just gliding. Oh, and Michael now is by Our Lady. He's at the left side of Our Lady, and they're standing now over by the flagpole. Now Jesus has come forward, and He's placed His hand up by His face, and He means to listen.

Jesus - "My child, We have given the Message from Heaven. It will be accepted or rejected in the will of mankind. The choice for the eternal salvation of his soul still lies with each man. None will be forced into Heaven. Graces will be given in abundance for the recovery of souls, but one must want to, My child. One will ask and receive by merit the keys to the Kingdom.

"I send upon you, in the Father and the Holy Spirit, graces for the cure and conversion - cure of the bodies and cure of the soul, all for the asking. All who are labored with sorrow, come to My Mother and be solaced. There is no rest in Heaven. There is no time as you measure it upon earth.

"Know that My Mother is ever present on these grounds. Ask and you shall receive, for She has set Herself with willingness as a Mediatrix for you, for She is your Mother, and all mothers upon earth will look up to My Mother as an example of purity and sacrifice."

Veronica - Now Jesus is looking up, and He's placing His hand out to Our Lady, and Our Lady now has come forward, and He's taken Her hand - Jesus has taken Our Lady's hand, and now They're both gliding over to the right side of the flagpole near the trees. Now Jesus is bending over.

Jesus - "My child, you will continue now with the prayers of atonement. So many are needed."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

June 18, 1974

Fourth Anniversary of Our Lady of the Roses

Our Lady - "As at My first appearance here upon these sacred and hallowed grounds chosen by the Father, you will be on your knees once again.

"We sent to you on that day a true and holy priest, one who will also be with you on the days to come."

Veronica - Oh! Our Lady now is coming down from the left side of the flagpole by the trees. The light is very beautiful about the trees. It's a bright white light, but pale blue - turning pale blue in color.

PADRE PIO

Now behind Our Lady there's a man. Oh! He's wearing a brown monk's habit. Oh, It's Padre Pio. Oh! Now his hands are raised in front of him. He's smiling. I'm looking now at his beard. His beard is very white, but he has a very young face. He's smiling. Oh, he's so happy! And he's placing his hands in front of him, like this. Oh, and now he's taking some cloth - it looks like, it looks like he has on a pair of mittens or gloves with the fingers cut out. Now he's removing them from his right hand, and he's holding his hand forward. Oh, and I can see his hands. They're very badly bruised. Oh, my! Oh, it's very sore looking. He has a hole right through his - the center of his palm.

Now Our Lady is coming forward. She's moving quite close now. She's just a little above the Michael sign. Oh!

Our Lady - "My child, it is only through the knowledge of suffering and the value of suffering in knowledge that you can attain the Kingdom of Heaven. So few are willing to suffer for My Son, preferring the pleasures of the world.

PRIESTS MISGUIDED BY SUPERIORS

"My child, make it known to Our priests in My Son's houses upon earth, churches, that We want Our priests to shine forth as pure examples of chastity and holiness. They have been misguided in direction by many superiors, who also follow like sheep to the slaughter, the misdirection of their superiors. It is like a wheel turning, My child, with the fire slowly destroying it.

"The example that must be shown and given to the children of earth by Our priests must set them apart as representatives of My Son. They do not have any equal upon earth, for their vocation is a special gift of God. We are sad, My child, to look upon the darkness that covers the soul of many.

"The greatest error in My Son's House is the delusion set upon man by satan that souls will be gained by joining them in their corruption. No! The example must be pure and set apart from the worldly instincts.

"Human nature, My child, sets man on the path to sin. He can overcome this sin by staying with My Son, close to My Son in the tabernacles of the world. Unless you eat of His Body and drink of His Blood, you cannot have the light within you, for it is His Body that is food for your soul.

"Your soul, My child, is an entity apart from the human body, which is subject, the body, to decay and be destroyed. However, the only destruction to the human soul that is eternal as created by the Father, is the destruction that can be wrought by satan.

"The free will of man sets him on the road to the Kingdom of God or on the road to the darkness of eternal damnation with the prince of darkness, Lucifer.

"My child, it saddens Us much to look upon a generation with the slow disintegration of home life. The example being given within the homes to the children is foul! Discipline! Where have you led your children, My children?

"You are disturbed, My child, by the present events. I cautioned you to be prepared for the forces of evil that will close in upon these sacred grounds in an attempt to stop the good work. Prayer shall cast out the darkness.

"Yes, My child, We look upon a world that has given itself to satan. The people of the world and the nations now degrade themselves in debauchery, fornication, and all sins of the flesh. More souls, My child, are going into hell because of these sins of the flesh. They are falling into hell as fast as the snowflakes that fall from the heavens."

A VISION OF HELL

Veronica - Oh, my! Oh, I see that large pit. It's an - oh, it's a hole, a cavern going down into the ground. Oh, my goodness! Now I see . . . they look like human bodies, but they're glowing. They're almost on fire, like coals. But I recognize

their shape; they're people. And I can see, almost, their faces, except for the orange glow that they're in. They're filled with terror; their faces are filled with terror.

Now over to the side there are horrible, horrible creatures. They look almost half human and animal. They have no hands. They're like - in one of them that's clinging to the side of the wall. And as these bodies of the fallen souls float by, they reach out tramping them, by holding onto the side of the wall and kicking at them with feet. But the feet have long, claw-like nails, almost animal claws. Their feet and their hands are, are terrible - like claws, also. Their faces I can't describe. They're horrible!

Now I seem to be going up, up, and it's not so hot as it was down in the hole. And I can't hear the screaming as much. Oh! Oh! Coming out of the hole . . . oh, it's like coming out of a furnace. Oh!

And now Our Lady is coming over. She's coming from the right side of the flagpole. And the sky is becoming very bright. Now Our Lady is leaning over.

Our Lady - "My child, it is not a pleasant sight, but one which cannot be avoided by many, for they choose to sell their soul to Lucifer. Many have been redeemed by the acts of atonement and prayers of the faithful and those who have the capacity to love.

"The Father is most merciful, not wishing one to be lost without cause. However, do not be misguided by those who preach a false doctrine, My child, that there is no hell or purgatory or place of purging. It is only Lucifer's work to deceive you so that your sin has become a way of life.

"Your country has fallen into deep darkness of spirit. The nations of the world now advance fast into their own destruction, brother against brother, sister against sister, mother against daughter, father against son. Oh, whatever will become of a degenerate generation?"

Veronica - Our Lady now is standing right below Her - She said, "the guiding star."

Up above, there's one star in the sky; Our Lady is standing right below it. The lights from the star is making pinpoints of radiance onto Our Lady's crown. It's very beautiful. Our Lady has a crown set with beautiful stones. The colors from the stones are red and blue, purple, green, yellow. Oh, it's the most beautiful sight I have ever seen.

Now Our Lady is pointing upward to the star.

Our Lady - "My child, cast your eyes upon the farthest star in the sky. You will have to proceed much farther beyond that star to reach the Kingdom of the Father. It is the world of the spirit. You cannot enter unless you leave your body, your human body.

"Make it known to the world, My child, that the soul when it leaves the body has full consciousness, full knowledge of what goes on about it. Know that the Father created mankind to follow in the majesty of the Father. However, sad to say, My child, many have sought to join and equal the majesty of the Father. This arrogance and pride sets them onto the road to their own destruction, for as the Father cast out of Heaven those who set themselves above Him, so shall all who set themselves upon earth above the Father be cast into the abyss of eternal damnation.

"Parents, I cannot direct you with more urgency than I can now, to call your aid in governing the lives of your children with great care. The foundation of their faith must start in the homes. The young years, the tender years of their childhood must be given to the knowledge of the Father and the role they must play upon earth as pilgrims, as disciples for the Father in Heaven.

"There is great error, My children, in the world today. Satan has poisoned many minds, even among those who were given great grace of knowledge and the power to direct the young souls. They are using this power to destroy.

"Know now that nothing is hidden from the Father. All will be held accountable for their part in the destruction of a young soul. We do not set you up to judge your brothers and sisters, My children, but your example must be one that is constructive.

"It saddens Our heart much, My children, to know that there are so few who will dedicate their lives solely to saving their brothers and sisters.

"There are many symptoms of the basic illness of mankind. Godlessness, My child - they have forgotten their Father in Heaven. The Father will chastise, My child, those He loves.

A PAGAN GENERATION

"How many tears have I shed as I stand looking down upon a pagan generation! Nakedness, impurity of heart, reaching in to the corruption of the soul. Keep in mind, My children, that as you sow, so shall you reap.

"The greatest power you have at this time, My children, is to pray. Satan and his agents cannot stay where there is prayer. Chase them out now! Chase them out with a vigilance of prayer in your home and in your churches, and throughout the world."

Veronica - Now Our Lady is coming forward. She looks very beautiful. Oh, Our Lady has on Her feet - Her gown and Her cloak over the gown is beautiful. It's a shining white, with gold trim all along the border. Oh, She looks so beautiful!

Our Lady looks very young now - oh, like a little girl, I would say of about thirteen or fourteen. Oh, and now Our Lady is looking down. She's very pleased with Her slippers. Oh! Oh, yes, Our Lady has on golden sandals. And on each front tip of the center of the sandal straps there is a golden rose. Oh, it's so dainty, so beautiful. And as Our Lady turns, the light is reflected from the roses on Her feet.

And Our Lady now is extending Her right hand out, like this. Oh, and in Her right hand is another rose, a golden rose. Oh! Now coming down behind Our Lady are the most beautiful - oh, the colors are just beautiful! They're small angels - oh, cherubims. And they do have . . . oh, they have . . . it does look like one has a heart. Oh, yes, the one over on the left dressed in blue, she's dressed in blue, and she has - it looks like a girl angel - she has a garland of roses about her head. They're white, beautiful white. She looks very tiny. But she is holding a golden-looking heart. It's just a little bit smaller than she is, extending - which she's holding in front of her chest, this way. And she's smiling.

And now, standing over completely in a circle about Our Lady, there are other small angels dressed in different colors. The brilliance of the light coming from behind them and all around them make the colors just glimmer out so they hurt my eyes almost to look. It's so beautiful! Oh!

Now they're extending over in front of them a garland - oh, they're roses, beautiful roses. From here they look like fresh roses, yellow and red and white. Beautiful! Now Our Lady is turning, and oh, it's so bright! The crown on Her head is glistening; oh, it's just gleaming in the light. Beautiful! Oh!

Now Our Lady is coming down, and She's motioning behind me.

Our Lady - "You may sit now, My child. I have much to discuss with you, but much of this must be in secret for this time."

[Pause]

Veronica - Our Lady is kissing the Rosary. She knows that I have a new Rosary that must be blessed. Oh. Oh.

Our Lady - "I cannot take away the plan that will be put in motion by the Father soon. Gradually many children will be removed from earth to save their souls.

"Parents, heed this admonition now, that you will save yourselves great sorrow if you now prepare your children. I cannot, My child, at this time give you added knowledge of what is to come. I can only as a Mother direct you, My children, to listen and heed My warning. Prepare your children, for many will be taken from your world. You do not understand, you cannot understand the great sorrow of loss. Many will experience in the future this great sorrow. It will be of great comfort to know that you have prepared your children.

"I do not, My child, give this direction to set fear into the hearts of My children. I cannot avoid telling you this, for I do not wish to see the tears and know the heartaches of these mothers.

FATHER DOES NOT FORCE LOVE

"You ask, My child, why I cannot go forward with a full miracle of knowledge to all. I can only answer you in this manner. The Father will not force a love.

"No, My child, I cannot enlarge upon this at this time. There are many secrets of Heaven that would no longer be sacred if they were revealed to you.

"Yes, My child, there will be a great War, and a great Miracle, and then the great Chastisement. It is all to come to pass.

"Yes, My child, the great Chastisement will be a baptism of fire. In your country there are areas, My children, that will fall into major catastrophe."

CALIFORNIA COASTLINE TO FALL

Veronica - Oh, my! Oh! I see . . . I know . . . I see great waves. Oh, they're pounding onto the shores all along the coastline. There are beautiful, big homes on the coastline. They look very wealthy homes, large and white, and like estates. They're all built up on a hill. And I see . . . oh, my goodness! The land is just sliding right down into the water, and the houses are going down with them. And I can see people running, trying to flee from the ground that's starting to split open. And it's falling right into the water. Oh, my! Oh! Oh! I see . . . I know where it is. It's California. Oh, my! Oh!

Now Our Lady is coming forward.

Our Lady - "That is not, My child, the only area that faces great destruction."

EASTERN COASTLINE TO FALL

Veronica - And now Our Lady is pointing over, over on the other side. It's like looking at a map. And there's another coastline; I know we're over on the East Coast. And I see . . . oh, I recognize New York, and Long Island. It extends out into the water. Oh! And I see a great flash, a burst of fire. And the water is rising very high. And that coastline, too, is just like dissolving and falling into the water. Oh!

Now Our Lady is pointing overhead, and She's pointing high into the sky. And there's a tremendous, large ball. And it's coming through the sky at a tremendous pace of speed. And as it's coming it looks almost round in shape, but it's orange and it's glowing. It's very, very hot. Oh, my!

Now Our Lady is touching Her lips. And now -

Our Lady - "My child, this is all I can show you at this time, but you will listen carefully to My direction.

ORDER OF ST. MICHAEL

"The order of Saint Michael will go forward throughout your country and the world. You will heed the direction of the Father that Michael be entered back into the houses of My Son, churches. Michael is the guardian of the House of God. He shall not be kept out of the houses of God. If you do not allow the guardian in, you will open the door for the entrance of the evil spirits. The prince of darkness has set upon the earth many agents. They do not come in their abominable forms, but they enter into the bodies of the fallen human.

"Do not be deceived, My children, by those who parade as angels of light, but beneath their exterior they have the black hearts of Lucifer. I do not expect you to cast wary eyes upon your neighbors, but to remain within yourselves, caring less for the things of your world, and resorting more to prayer and sacrifice. Your daily lives must be godly lives, led by the Holy Spirit sent to you.

"We are quite pleased with the words the Spirit sent unto man that the family that prays together will stay together, My child. No truer a message was ever coined. The family that prays together will stay together.

SEEKING IN FALSE CHANNELS FOR HOLY SPIRIT

"My child, in the Message from Heaven, make it known to mankind that they must not cast aside the God-given knowledge of the supernatural. However, they must be warned not to go about seeking in false channels the Spirit of light, for We look upon great error in their seekings, for they have found the spirits of darkness. No evil shall ever be triumphant. In the course of time, by their fruits will they be known.

"The Rabat - rabat is the teacher of life, the priest, but you cannot be fooled by those who foul their garments. Pray for them much, My children, for being human, there is a struggle to remain in the light.

"The forces of evil are rampant upon your world. Many will take the easy road, the wide road leading into the abyss. Pick up your cross, My children, and follow My Son. It is the only road that will lead to eternal happiness. So few are willing to suffer. We hear cries of love, peace, happiness, joy. And all We see is suffering and sorrow. Why, My children? Because you are looking for your peace, joy, and happiness in the wrong places. There cannot be peace, joy, or happiness unless you follow the plan set down by the Father in Heaven.

"Every day, every hour, We watch your world, the peoples of earth debauching themselves in sin, a sin more grievous than in the time of Noe. They, the peoples of earth, disport themselves in a manner more foul than ever seen, even in the time of Noe. For they now go forward in a sophisticated, foul sin - a way of life that the children are slowly sinking farther and farther into the cesspools of error and darkness. Should this way of life continue, there is no alternative but to visit upon you the great Warning and Chastisement.

EXPECT GREAT OPPOSITION

"My child, you can expect in the future great opposition, even from Our clergy. For My own will know Me, My own will seek Me, and My own will find Me.

"Generation through generation, man carries the same stigma of blindness and hardness of heart. Many have hardened their hearts and closed their eyes to the truth. Why, My child; you ask Me why? Because, My child, it is sad to say that should they open their eyes and their heart should melt, and they should look with their hearts, they would have to give up their sin which they love. They care more for the pleasures of the world than for the things of Heaven.

"In a land, in a home where there is abundance, much is expected.

"You will go forward, My child, propagating the Message from Heaven. Detach yourself completely from the world about you. Your direction will come to you and appear before your very eyes. Many miracles of cure and conversion will be

given for the edification of the souls and the establishment of these hallowed grounds as a place of great cure and conversion, as I have come to you in the plan of the Father as a Mediatrix between God and man.

"You will continue, My child, with your prayers of atonement."

[Pause]

Veronica - All who are able, please kneel. Oh, there are great lights now coming from the sky. Oh, they're, they're just like pinpointing; the sky is opening up. Oh, and Jesus now is coming down. Oh! You could see Him! Oh, He looks so beautiful! Oh, my! Oh, now Jesus is coming forward, and Our Lady is looking up. He's coming down now, and He's standing by Our Lady. Our Lady is moving over, She's floating backwards over towards the tree. Now Our Lady is standing just above the tree, and Jesus is going over to Her right side.

Now He's saying something; I can't hear. And Our Lady is nodding. Now Jesus is looking all about Him. He seems very pleased. And now Jesus is coming forward. And it's a little windy, because His, His gown is blowing. Oh, and He's in His bare feet. Oh! Now - oh, I can see the marks on Jesus' hands. He's moving His robe over to His left arm now, and I can see the holes. Actually, it's very rough skin; it looks - oh, very, oh, painful looking. It's red and swollen about His wrist.

Oh, and now Jesus is looking down; and He is saying, very quietly:

Jesus - "My child, it is with great joy that I look upon the loving souls.

"My Mother has been sent to you as a Mediatrix from the Father. You will listen to Her counsel, for you stand in great trial in the days to come. It is only through the intercession of My beloved Mother that you will be directed out of the darkness. The Father, in the Spirit, deems that all must make atonement for the offenses against the Creator. We send upon you many graces, graces for cure and conversion, graces for the wayward souls. Do not reject these, for you will then be forever lost."

Veronica - Now Jesus is placing His hand out in front of Him, like this. And He has His three fingers together, and then making the sign of the cross. Now He's pointing His hand downward, over just by the trees. Oh! In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is taking Her large crucifix to the beautiful Rosary. Oh, it's golden; the crucifix is golden. Our Lady is extending it out, like this, and She's making the sign of the cross. She's pointing down with it: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is rising a little higher, and Jesus is also going . . . He's about the middle of the flagpole now, and He's floating over - I say floating. He doesn't walk, He just glides. The air seems to carry Him over to the left side of the flagpole. Now He's looking down, and He's smiling. And He's placing His hand out in front of Him, like this. His fingers are like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's motioning to me to listen. He's touching His mouth with His hand.

Jesus - "My child, you will make it known that it is not necessary to remove the objects of godly nature from their packages. I assure you the graces can penetrate anything man-made."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is going over to the - oh, He's almost touching that branch of the tree. No, He's going up now and moving over to the center. And Our Lady is right behind Him. Now She's standing and looking down, smiling; Our Lady is smiling. And now Jesus is placing His hand downward, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And now Jesus is saying:

Jesus - "I bless you, My children, in the Father and in the Spirit. Know that We are inseparable, as We are one, Who send upon you graces in abundance. Listen well to the counsel of My Mother and you will not be lost to Us."

Veronica - Now Jesus is rising up. He's going over now, He's floating over and turning to His left - that would be to our right side. And now He's going over with Our Lady.

Jesus - "My child, you will continue now with the prayers of atonement. I could add onto the words of My Mother; however, it will not be necessary at this time. I am certain that My Mother's words carry great weight with you."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

July 1, 1974

Eve of the Visitation of the Blessed Virgin Mary

Veronica - . . . a very light blue, a beautiful blue shade. And now I see, I see a great star; it has three points. And written above it are the letters T-R-I-N-I-T-Y: "TRINITY."

Now it's growing much brighter over by the left side of the flagpole. And I see, I see a man on a cross. The cross is lying almost horizontal. But no, both sides of the cross have long cords. And I see there's a man on the cross, and the cross is being pulled across its side and long ways. And it's very strange; the cross is being pulled by - I can see the clergy, cardinals and bishops. Now the man on the cross - oh, the man on the cross is the Holy Father, Pope Paul.

Now - oh, there's a beautiful blue light now forming just to the right of the flagpole. And the very sky is opening, and it's like the sky is just filled with small blue clouds. And as they're opening, I can see - oh, Our Lady is coming forward. Oh! Oh, She looks so beautiful! Our Lady is dressed in a white gown, but She has on a very full blue cloak over Her head and down to Her, Her feet. Now Our Lady has on a pair of sandals; I can see Her toes. The sandals are a pale gold in color. They're very bright and brilliant, because as Our Lady now is moving forward the light is very bright. It's very, very hard on your eyes, it's so bright.

Now Our Lady is bending over.

POPE PAUL CRUCIFIED

Our Lady - "My child, the scene that you have just witnessed is in the present. Our Vicar and your Father on earth is being crucified by those who have pledged themselves to follow him in obedience. It saddens the heart of all in Heaven to observe the disobedience of the children of earth to Our Vicar. These seeds of disobedience have been sown by satan.

"Your world is now in anguish; your world is in deep darkness of the spirit. I have been given this time, My children, to bring you a stern Message from Heaven. Because of your great abominations, because of your pride and disobedience, because of your turning from your Maker, the Creator of Heaven and of earth, there will be sent upon the world, your world, a sword of great magnitude.

"The scoffers have turned their backs upon the truth. Those who ridicule the Message from Heaven will find themselves sadly awakened in the near future.

"Your country has given itself to destruction; your country wallows now in filth and abominations; but most of all, your country, most glorious, given much in abundance by the Father, has fed the human and destroyed the soul!

"I have promised, My children, in the past to protect you. I can no longer extend this promise, for the balance is heavily to the left. The Father plans to chastise those He loves. The numbers of souls falling into hell are as numerous and more plentiful now than the snowflakes that fell in your wintertime.

"Yes, My child, there will be sent upon mankind a great Chastisement. The Ball of Redemption hovers near. The Father extends His hand. His heart beats waiting, His heart all-merciful for you. But the sands in the hourglass are running out.

"The Spirit of truth, My children, has been sent to you countless numbers of times in the present and the past. Many have rejected them, choosing to set themselves onto the road of error and damnation. Pride, intellectual pride in the House of God, is more a formidable barrier than outright licentiousness! This barrier destroys! Strip yourselves of this pride and arrogance! Return to your state of poverty of the body and meekness of the soul! Unless you make yourselves like unto the little children, you will not enter into the Kingdom.

"There are upon your earth now many voice-boxes from Heaven. I have come to you, My children, in numerous places and to many people throughout your world. The Father has sent Me to you as a Mediatrix.

"I Who knew the temptations of the world had to fight and struggle as you do, My children, for I am not unaware of your problems. But I have set before you the plan for your salvation. Of free will many have tossed My words, not hearkening, aside. They steep themselves in deceit and the pleasures of the flesh, all of a temporal nature, casting aside the truth in knowledge that all life upon your earth must one day come to an end.

"You all, as human creations of the Father, must return to your Creator and you will be judged as the seed you have sown, as it has flourished and grown a true, straightened stalk with pure waters, a credit to your Creator, in the battle against satan. But, no! Many of you have become weak. You have chosen to go onto the wide road, preferring the pleasures of the flesh and the gain of worldly goods.

"You will be taken from your earthly life as you entered it, with nothing but the graces you have accumulated or rejected, in your lifetime upon earth. Are you, My children, prepared for this? Have you prepared yourselves and your children? Many of you will not be allowed beyond the years that you expect. You do not know the day nor the hour.

"There is a plan in Heaven for every life that the Father places upon the earth. Your world has steeped itself in murder. Thou shalt not kill! All who have given themselves to this lust and murder shall be set into the abyss and suffer eternal

damnation. Sin, the most abominable of offenses to the Father, has become a way of life with many now. Whatever shall become of your children? The example of many parents is poor. There will be many tears shed upon earth and much gnashing of teeth in those days. Your future, your future, you ask; your future is now!"

Veronica - I see . . . it's a seat, a large seat covered in red velvet. And all about it is gold trim. And the back of the seat has a, a back that's very ornate. It has a crown, a golden crown, set into the back of the seat. Now there's a man sitting upon the seat. Oh, he's a very kindly-looking man, but he looks like he's quite old. His beard is very white and long. On his head there is a crown. It's made of red velvet. And on top there are two golden spokes, and on top of the spokes there is a huge cross. Now the man in the seat, he's raising - he has a scepter, sort of like a cane-like scepter, almost like a shepherd's crook, one of those shafts. And he's pointing over to the left side of the sky.

Oh, my goodness! I see coming out of the sky a very large ball. It's twirling, it's coming at a very great speed. And now it's hot. Oh! Oh! Oh, my goodness! It's a huge ball. I'm almost very close to it now. I can feel the heat. Oh! And I see colors now coming from around the ball: yellow and pale pink. Oh, it's, it's a ball of fire. Oh, my goodness! Oh! Oh!

THE ETERNAL FATHER

And now - oh, oh, my! And now I'm down here and I can see the man sitting on the throne. He's very kindly-looking. He's very old, but he's very kindly-looking. Now written above his head there are letters forming in the sky now in golden colors. And they're very brilliant. And it says: "THE ETERNAL FATHER." Oh, "THE ETERNAL FATHER." Oh!

Now the Eternal Father is pointing with His scepter over to the area again where that terrible ball was. And now there are words forming in the sky: "WAR": W-A-R. And then underneath I see a great explosion. It's, it's like a big picture of a mushroom, like. Oh, my goodness! Oh!

And now Our Lady is coming forward. She looks very sad. Now She's coming over to the left side of the flagpole and bending down.

Our Lady - "My child, you will shout from the rooftops. Do not hesitate in your mission. Do not be set back by the opinion of mankind. Shout it from the roof, My child: wars are a punishment for man's sins. There will be a great War, My child. Oh, I am truly, truly the Mother of Sorrows! Your world will go up in great smoke, My child."

Veronica - Oh! Oh! Oh!

Our Lady - "You are frightened, My child. I do not wish to set fear upon you. But you must see what will befall mankind very soon unless you and others work with great haste to send the message and warning from Heaven. You must not slacken in your mission, My child. Pray for the light and you will be given the strength."

Veronica - Now Our Lady is rising high up by the flagpole. And now the sky is opening up. Oh, I can see Michael. I recognize Michael. He's very large. He's coming down next to Our Lady. He covers the whole sky. Our Lady looks very tiny next to Michael. And Michael now has a spear in his right hand.

St. Michael - "Soon, my child, you will see the spear dipped in blood."

Veronica - Now Our Lady is coming forward.

Our Lady - "My child, you do not understand the words. As My guardian, he, too, wishes to warn you that the time is growing short. Mankind brings down upon itself a great sword. The penance will be hard. All who remain with My Son in the light will have no reason to fear. They will go through these days with much courage and perseverance.

"The greatest measure of responsibility, My children, will fall upon the parents, to see that their children's souls are guarded from contamination. You must pray much in your homes so that you will not be misled. Satan has set upon the world many agents. They work and plan and never sleep, planning the destruction of the human soul. Recognize the faces of evil about you. They will not come in recognizable form or face. Being human, they will not appear to you in their diabolical, supernatural state. They must work through the bodies of men and women, and even - sadly, My child - children.

"Do not cast aside the armor, the material armor given to you by the Father. You will wear your armor, not as decoration but for protection! Do not take your armor from about your necks because you listen to the jests of others. It is satan who has set them against you.

"My child, remember the words well that I will now give you. Repeat them daily: beware of an evil force that surrounds a shrine of purity. They will seek to stop you with all cunning and deception. So heed the warning of Heaven and the archangels. They have been sent to protect you. Pray much for the light. Beware of an evil force that surrounds a shrine of purity. They will try to stop you with all cunning and deception.

"Michael must be entered into the House of God. Return him or you will fall. A House in darkness, a Church in darkness wears a band of death about it. All that is rotten will fall!

"My child, I am filled with great despair."

Veronica - Oh, dear!

Our Lady - "I despair for the numbers of souls who have hardened their hearts and given themselves to satan. The most despicable of abominations We view upon earth. Nothing is hidden to the Father. You will not escape your just judgment. Remember, My children, Noe, Sodom; whatever will you receive now when your sins cry to Heaven for retribution?"

VICTIM SOULS NEEDED

"The Father, My child, gave you a great reprieve upon your earth. His heart is all-merciful, not wishing for one to be lost. But now the time has come to separate the sheep from the goats. Pray much, My children. Make many acts of penance, sacrifice. Many victim souls are needed in the days ahead, victims to the merciful love of the Father - those who are willing to give of themselves for the repatriation of another soul. Give, and all will be given to you by the Father. For it is truly, My children, in giving that you shall receive.

"Repeat once more, My child, the warning to mankind: All who have been either accessories or prominent in the murders of the unborn and do this of free will and conscience shall be condemned to the eternal fires of the abyss, hell! Murder is rampant; life as you know it no longer is viewed from Heaven. We see man a creature of lust, murderous of heart, without scruples, hoarders of wealth, starving the righteous. The sword of destruction will claim many.

"Prepare yourself, My child, for a great test. There is no reason to fear, for the Father will turn all evil to good.

"You will sit now, My child, until My Son is here with us."

[Pause]

Veronica - Oh, the sky is opening up. It's just beautiful! Oh, the light is so bright it hurts my eyes. Oh! Oh, Jesus is coming down. Jesus is coming down now. Now before Him now His feet, Jesus' feet are bare. Oh, He hasn't any slippers on. Oh, He thinks that's funny, but He has no slippers on. But His robe, His gown is very long. It's only when the wind blows I can see His feet. Now Jesus is coming down by the right side of the flagpole. He's smiling. And now He's taking His cloak - Jesus has on a . . . oh, it's a burgundy-colored cloak, and it's tied at His neck by a band of brown-colored cloth. It's like a piece of leather. And it's tied there on His neck. And now Jesus is taking the cloak and He's putting it on His left arm. Oh, He is saying:

Jesus - "That, My child, is that I may have My right arm free."

Veronica - Oh! Now Jesus is coming forward. Oh, and I see now Our Lady is coming through the clouds. There's forming a beautiful blue and white grouping of clouds, and they seem to be - oh, Our Lady seems to be floating on the clouds. And they're bringing Her very close now. Jesus is moving forward. And Our Lady now is on the right side of Jesus. Oh, She's very beautiful! Now with Her are - oh, I see some nuns. Oh, I recognize the nuns. Oh! Oh, it's Saint Theresa. Oh, it's Saint Theresa, and there are three other nuns with her. Oh, they're her sisters. Oh, yes. Now they're coming forward very close now.

Jesus is coming forward. He's standing now - oh, is He going to step on the banner? Oh, no. Oh, Jesus is standing just above the banner now, on the right side, very close to the ground. Now He's looking down. Now Jesus is putting His hands together like this, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning His head over, and He's looking down over by the tree.

Jesus - "Do not discomfort yourself, My child. It is not necessary to open your pocketbook. I assure you I can see into it."

Veronica - Oh! Now Jesus is smiling.

Jesus - "You extend, My children, all sacramentals if you have them at hand. However, I can bless them with the blessing of the Trinity without your removing them from their bagging. In the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - Now Jesus is floating up; He's going high up. The air seems to carry Him. He just floats right up to the top. Oh, now He's crossing across to the left side of the flagpole, and Our Lady is right behind Him, and the four nuns. Theresa's up front, and there are two nuns now that are going to the side of Theresa, and the other one is behind her. And they're coming now

over to the left side. And now Jesus is looking down, and He's putting His hand down now in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is coming down and He's looking down by the tree. Now He's placing His hand out like this, and from His hands - oh, my! There are rays coming from Jesus' hands; there are streams of very bright light. Oh, my goodness, they're coming down now onto the left side here of the grounds. And, oh, my goodness! Oh, they're very, very bright.

Now Jesus is looking up and over the trees, and He's pointing now to the sky. We're to look up. Oh, my! There written in the sky - He's pointing over to the trees - it says: "FAITHFUL AND TRUE. FAITHFUL AND TRUE. FAITHFUL AND TRUE." It's written three times: "FAITHFUL AND TRUE."

Now Jesus is looking down, and He's placing His hand in front of Him now. He's coming down by the trees. And Our Lady is right there. Now Our Lady is taking Her Rosary, which She has about Her waist. It's a beautiful Rosary. It's all white, the beads, and the Our Father is this large golden bead. And Our Lady now is taking the crucifix and holding it before Her. It's - oh, it's so beautiful! It's made of gold; I can see it. And She now is extending it out in front of Her: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking to Our Lady, And Our - He's nodding. And Our Lady now is coming down very close to the trees next to the - oh!

Our Lady - "My child, make it known to all those who have accepted Our invitation to come to these consecrated and sacred grounds that there will be an abundance of cure and conversion - cure of the spirit and cure of the body, return to the Faith. All this will be accomplished by your prayers and your tests of faith."

Veronica - Now Our Lady is placing the crucifix in front of Her and blessing: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is holding the beads out in front of Her. Now the beads . . . now She's putting them into Her hands, and She's taking something out from Her side. Oh, it's a large Scapular. Now Our Lady -

Our Lady - "Repeat, My child, after Me: With this armor shall We defeat satan - My beads of prayer and the pledge of sacrifice for eternal salvation."

Veronica - And Our Lady is holding up the Scapular. It has a picture of Our Lady on it. And now it's growing very large and it's glowing.

Our Lady - "It glows, My child, for it signifies the power of faith."

Veronica - Now Our Lady is now taking Her hand away. And I can't see what happened to the Scapular; it's disappeared. Oh, now Our Lady is rising. She's starting to go backwards, up over the banner. And now She's coming over to the right side of the flagpole. And Jesus is now behind Her. And now Our Lady is bending forward.

Our Lady - "Continue, My children, with your prayers of atonement. Not a moment must be wasted, for the time grows short, the time for your recovery of the many souls that have gone into the darkness. In the name of the Father, and of the Son, and of the Holy Ghost. Amen."

July 15, 1974

Eve of Our Lady of Mount Carmel

Veronica - The sky around the trees is becoming very blue. It is Our Lady's blue color; it's a very deep blue. There's no way to explain it, because it's a blue that I know hasn't been captured here either by a brush or by man's even creative mind. The heavenly blue color is so beautiful that it gives you a complete feeling of warmth and goodness just looking at it.

Now the light is becoming much larger. Oh, and Our Lady is coming now from behind the tree. Oh, Our Lady is beautiful! Oh, She is dressed all in white - oh, a very shining white gown. And about Her head is this cloak. Now the cloak is trimmed in a golden trim. Oh, it's just beautiful!

Now Our Lady is smiling. The light is so bright, I can't see Her face too well. But I can see Her features because She's smiling. Now Our Lady is floating over - oh, it's becoming very bright about Her. There's a white light now forming by Our Lady. She's between the two trees.

Now She's holding above Her head - no, She's pointing. It's not being held, but there's a big white cross now forming in the sky over Our Lady's head. Now the cross is floating away from Our Lady. Oh, Our Lady has upon Her head a most beautiful circlet of stars. Oh, they're just beautiful! Oh! Now the cross, the white cross, it looks like it's almost formed from a cloud. It's floating over to the middle of the - between the flagpole and the tree. Now underneath there's a large ball. Oh, now the cross is being set down upon the ball. Now Our Lady is floating over, and She's pointing to the ball with the cross on top. Oh!

Our Lady says:

HEAVY CROSS FOR WORLD

Our Lady - "My child, a heavy cross will be placed upon the world. Know that there will - [Sound of excited talking can be heard.]

"My child, please ask for quiet. There is much irreverence.

[Pause]

"Now you understand, My child, why I have asked that My beads of prayer be spoken at the time of the message I give to you. You must keep satan from the grounds. He will not enter upon My grounds, but he will send agents to distract and cause discord.

[Pause]

"I repeat, My child, a heavy cross will be placed upon your world.

"Satan has set himself to do great battle in My Son's House. Hurry! Shout from the rooftops! Warn all of Our clergy that they are under heavy attack by the agents of darkness. They must not be misled. Their influence is great over the young.

"Many who carry high honor in My Son's House by their rank have set themselves into My Son's House with black hearts. They come to destroy; they have been sent to destroy. But they shall not destroy! A House in darkness must close its doors. Errors, evil, destruction of the youth, the souls contaminated by dark waters - this shall not be tolerated by the Father.

"All who have given themselves to the fleshpots of the world have received their reward. All who have sold their souls to get to the head in My Son's House, they have received their reward. The abyss of hell is open wide. None shall escape a just judgment from the Father. This judgment will come soon upon you in force!

"I have told you, My children, in many places, through countless earth-years, of a coming great Chastisement to mankind. Many there are who have cast aside these words, for the faith has grown weak in the hearts of many. Do not take My words idly. I have been sent by the Father through His merciful love of a degenerate generation to save you. Every chance, every means of salvation has been offered to you. The time is running out.

"There will be a great War. In this war many lives shall be lost, both young and old. None shall escape the fury of this War. There also will be a great spectacle in the heavens. Learn by this wonderful spectacle!

MIRACLE AT GARABANDAL

Veronica - Oh!

[Pause]

"I can't repeat it? It's beautiful! Oh!"

Our Lady - "My child, many will see and still not believe, so great is the darkness of the spirit. Believe what you see at Garabandal!"

"No, My child, it will not be removed by mankind. It has been four long years, but I promised you that you would see this, My child.

"The forces, the evil forces, My child, of 666 will lead a band of fools against Garabandal.

"The majesty of God will be much evident at this time. Should this great Miracle be cast aside and rationalized by atheistic, scientific man, I assure you, My children, the Chastisement will come upon you with great force.

"The cataclysm spoken of through the ages must come about soon. All who remain in the light, all who have been with My Son in the tabernacles of the world, all who have solaced His injured heart shall go through this trial in much less of fright than will be experienced by those who have given themselves to the darkness of spirit.

"You, My child, Veronica, will be given the strength to continue with your mission. If We force you to rest, it is for reason. Give all to the will of the Father. Do not question at any time His methods. There are many who will ostracize you, My child. There are many who will condemn you. Accept this in the spirit of mortification, and you will save many souls. There is no need to defend yourself, so you will stop, My child, writing letters.

"You are quite disturbed, My child. No, We are not offended. The road to sanctity is learned by steps. It is only your human nature that makes you seek the plaudits of men. Learn a simple and humble lesson. Should you receive the acknowledgement from man, the Father Who sees you in secret has already given you your reward. The reward in Heaven is far greater than any man could ever offer. You will remember this, My child, when you give in to your human instincts.

"I stress, I repeat the way given by the Father for you in the days ahead: prayer, atonement, and sacrifice. Much is needed. You must bend your knees to honor your God. Women must not expose their flesh. Paganism will not be tolerated by the Father, neither in your lay life nor in the House of My Son. It is an abomination for women to speak in the House of God! I hear a word . . . defilement of man: liberation! My child, what is this liberation women ask for? Satan has created the plan for their destruction. Take your Bible, take the Book of life and study it and learn! You have given off a wretched stink of the devil! Woman, you were created by the Father as a helper for your husband! Now you are in competition to be as your husband.

"All manners of vile creatures now run upon your earth. They are no longer human creations of the Father; they are animals. Fornication! Adultery! Filth! And you wonder, My children, why I cry and shed bitter tears, for I know what lies ahead for you if you continue in the manner in which you offend your God now. Destruction! Destruction from man and destruction upon you from the Father!

"Your country and the world has given itself to lust, pleasures of the flesh, worship of satan, abominations in the House of God. These abominations and these offenses, My children, are far worse than in the time of Noe! You will burn! The world will be cleansed by a baptism of fire.

"Wake up now, My children; prepare yourselves! Make restitution. Get down on your knees. Turn back from your path, for you are leading into the darkness the young! You are destroying the souls of the young. And as such, you will be condemned forever to hell!

FEW TRUE MOTHERS

"The example We see of many parents is poor. Mothers - where is the word 'mother' on your earth? So few true mothers remain. They compete with their daughters, My children. Vanity, lust, fornication, adultery - all in the homes! All vile manners of fornication, tearing down the sanctity of the home. Parents, mothers, you are responsible as a parent for the souls of your children. If you permit them to expose their bodies to the public eye, you are guilty of a sin! You are guilty and shall receive your recompense.

"Discipline your children, you who will remain in the light. Discipline them, or you shall cry bitter tears of anguish. You will have to be an outcast. You will be laughed at and scorned. Yes, My Son was laughed at and scorned. Do not expect your cross to be any lighter. You will have to pick up your cross and follow My Son, the same road.

"You are living now in the times known in your world as the Antichrist, against My Son. All who reject My Son as the Messiah cannot enter into the Kingdom! What fallacy is there being permitted in My Son's House! You are uniting unbelievers for your own destruction. My Son founded His House upon earth. You will not bring in unbelievers and change it! You will not convert souls by permissiveness. You will destroy! You feed the bodies and you destroy the souls.

LATTER DAY SAINTS

"We shall rise up among you - My Son has a plan - the latter day saints, the saints of the last days. Our armies, My child, are building up to fight satan. Know that the eventual victory is with Us. With this knowledge, go forward with great hope and perseverance. Accept all of the scorn of the world, all the rejection of mankind; for, My child, My own will know Me.

"The voice of truth, the Message from Heaven, will go throughout the world. And then will come the end.

"The Father has deemed it necessary, My child, to increase the numbers of photographs miraculous. They will be of great consolation to many. They will be a means for the human eye to see. They will verify and make known the truth, for the faith has become so weak that man will not believe unless he sees. And this We are giving to you, My children. The Father sends you graces in abundance, graces for cure and graces for conversion. Gather them while there is time, for the time is growing short."

Veronica - Now Our Lady is extending Her Rosary. It's - oh, it's a beautiful Rosary. It's very large. The beads are white, the Hail Marys, and the Our Fathers are beautiful golden. Now Our Lady is holding the cross up right in front of Her, and She's making the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is holding Her hands out with the Rosary, like this. The Rosary's suspended in Her left hand, and Our Lady now is holding a crucifix. Now from Her hands - oh, there are tremendous lights. Oh, they're beautiful! They're rays. Oh, they're coming now across the grounds. Oh, they're so bright I can barely look at them. They're so beautiful! The rays are coming out of Our Lady's hands. They're coming across by the flagpole and out over our heads and out onto the street. Oh, they're just beautiful! And they're turning now all the colors of the rainbow: blue, orange, yellow, green. Oh, they're just beautiful!

And now Our Lady is coming down, and the lights are beginning to . . . they're just like dispersing. And Our Lady is saying in a very, very soft voice:

Our Lady - "You will continue now, My child, with the prayers of atonement. Many are needed."

[Pause]

Veronica - All who are able, please kneel because Jesus is going to bless the sacramentals.

Now Jesus has been standing as we were praying. He came down from the left side of the flagpole. And Jesus is just above Saint Michael's banner now. He's standing there; He's smiling. The light is very bright. It's so bright I can barely see Jesus' face. Now the light is shining on Jesus' hair. It looks very deep, sort of a pink glow. It makes His hair look sort of a reddish brown. But - oh, now Jesus is shifting His robe. And He's bending forward now. And Jesus is placing His hand like this in front of Him. Oh, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is bending over.

Jesus - "My child, you must work with great haste. Your lack of energy will be the force fighting you from satan. We will send you the much-needed arms to proceed with your mission. I bless you, My child."

Veronica - Now Jesus is walking over to the side of the flagpole, on the right side. And He's standing over the trees now. He's coming down a little closer. Oh, and Our Lady now is coming out. There's a very large cloud between the flagpole and the tree, and Our Lady now is - it's like She was riding on top of it. It's coming closer behind Jesus. Now Our Lady is coming out of it. It's just like a smoke screen, the cloud. And Our Lady is coming and She's standing by Jesus. Our Lady is smiling. Oh, the beads - Our Lady is nodding to the beads. They are very, very similar. Oh, yes. Oh! Our Lady is very pleased with the beads. I didn't know if I was permitted to have them, since they're like Our Lady's. Oh, Our Lady likes them very much. Oh! Oh!

And now Jesus is bending; He's nodding. Now Jesus is coming down closer. He's down almost at the side of the Michael banner now. And He's touching it with His right hand. Jesus is placing His hand on the banner of Saint Michael. Oh, and now He's taking His hand and He's bending down. Oh, and He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is floating up. She's going very high up by the flagpole. And now Jesus also is going backwards. He's going up. Oh, He's crossing over - no, He's coming over on the left side. And Our Lady now is over on the left side, and She's coming down. She's standing just a little behind Jesus. Now Jesus is smiling, and He's now extending His hand out in front, like this, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's moving over and He's looking down. Now Jesus is placing His hand out, like this. Oh, and there are rays coming from His hand - oh, just like Our Lady's. They're very bright. Oh, they're coming down now over the grounds here. Oh, they're very bright. I don't want to touch them because they, they look very, very bright. Oh!

Jesus - "No, My child, you will not touch them with your hands."

Veronica - Oh! Now Jesus is moving over now. The light is dimming; I can look over now. And He's coming over again to the right side of the flagpole. Oh, now He's carrying now a cross. He's carrying a wooden cross in His right hand, and He's leaning over now and He's extending the cross over in His hand and He's blessing: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is placing the cross in His left hand, and He's putting His hand out again. Oh, there are the rays; oh, the rays are coming out of His hand. They're very, very bright. Oh, my goodness! Oh! Oh! They're a little frightening. Jesus says:

Jesus - "Do not be frightened, My child. They are great graces."

Veronica - Oh! Now - in the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "My child, you will make the Message of Heaven known to all. They must not take My Mother's words idly. Make great haste to make the message known to the world. The time is running out. There will be great trial upon mankind. The direction for your salvation, for your redemption, has been given countless times in the past and in your present. What happens now in your future depends upon mankind. The Father will chastise those He loves."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

[Pause]

Oh, my goodness! Now there is over the flagpole a - oh, oh, it looks - it doesn't look good. There's a banner; there's a banner. It, it's squared off like this, and it has like a V- shape cut in the bottom. It's like this, with a V-shaped cut. It's all in purple, the banner. It has gold fringe on it, but it has a cross. The cross is gray. I don't know what it means right now, but there's a banner. It's purple, a very dark purple, almost a black, with a gray cross in the center of it. And the bottom of the banner is not squared off; it's cut in a V shape, like this. And there are golden tassels hanging on each side, and it seems to be suspended on a rod. Oh, my! It gave me a very - sense of foreboding. Oh! In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

July 25, 1974

Eve of St. Anne and St. Joachim

Veronica - There's a large circle of blue light. It's perfectly formed around the flagpole between the two trees. Now the trees are becoming very lighted. The beautiful blue light and the rays of the light are coming down onto the Michael banner. They're very beautiful. The rays are lighting up the whole sky. Oh, and there comes Our Lady now.

Oh, Our Lady is on this large ball; it looks almost like the moon! The ball is so very large. It's solid. It looks solid; it is not transparent. And now it's just gliding across the sky now and coming down by the flagpole. Our Lady is standing on top of it. She's very beautiful. Now Our Lady is looking from the right to the left. Oh!

Our Lady has a long white gown on. It's very beautiful, with a blue sash. The sash is long. It comes almost to the tip of the gown. And about Her head, Our Lady . . . I can see only small strands of Our Lady's hair. They look very brilliant, like a deep brown, but with gold coloring around the edges from the light that's shining from Her covering that's over Her head. Our Lady has a gold trim on the border of the covering, and it's reflecting onto Her face and head. Beautiful!

Our Lady - "My child, you will be subject to much trial. As your country and the world progresses into deeper darkness, all who stand for and acknowledge My Son will meet with much persecution.

"You will refrain from defending yourself by writing or the spoken word. You must understand that they proceed like the ducks in the photograph given to you.

"The man in the mask, he rules over your country. The others are but hirelings to do his bidding.

"You must learn to recognize the faces of evil about you, My child. They will come forward with a semblance of piety and an exterior of the elect.

"You ask Me, My child, for a sign for the world, a major miracle. No, My child, you are not being presumptuous, but you must give to the will of the Father.

"Perseverance and courage will be necessary in the days ahead. The strength and grace will be given to continue the mission.

"The Father has sent Me as a Mediatrix to bring this warning to the world. You must turn from your present ways that offend the Father much, for you are bringing upon mankind a great Chastisement. Many warnings have been given in the past, but they have gone by unrecognized as coming from the Father.

DEDICATED HAVE JOINED WORLD

"The Father will not tolerate the abominations being committed in the houses of God. Many of His dedicated are being permissive in their approach to the salvation of souls. You will not gain nor redeem souls by lowering the standards. Many of Our dedicated, clergy and foolish maidens in the nunneries, have given themselves to the world, the flesh, and the devil. How sad that such great graces could go by and be cast aside for the temporary pleasures of the world.

"Your world and your country have gone into a deep darkness of spirit.

"The Warning promised to mankind will not be long in coming. It will be given to you as a merciful act of the Father to awaken mankind before it is too late and the great Chastisement will be sent upon you.

"I have asked many times that all of Our legions of workers unite in a common cause to save souls. We are much grieved to see that there is much dissension among the ranks of workers. Satan will promote confusion and dissatisfaction, for it is his way to disunite. To divide will be to conquer!

"You, My child, will continue your mission under the direction of the Father. As you fight your way through the darkness of the world, you will remain on the narrow road. It will be a road filled with thorns. We cannot promise you a life of great happiness and approval in your world. But, My child, is this what you want? You cannot have both. But I assure you, give up the world and remain dedicated to the work given to you and your reward will be great in Heaven. Do not be swayed or grow grieved by the judgment of mankind upon you, for as they judged My Son, so will you receive the same. Only those who listen to Our direction shall recognize the signs of the times.

SNARES OF SATAN

"It grieves Me much as a Mother, for I am truly a Mother of great sorrow - grieve as I watch My children succumb to all the snares of satan, giving themselves to the lusts of the flesh. Paganism, lewdness, nudity - whatever shall become of you and your children! Unless you keep pure and holy thoughts in your mind and keep your body clean, you cannot enter into the Kingdom of Heaven. Your body is the temple of your eternal spirit. Your eyes are the mirrors for your soul!

"Why do you put abominations - place abominations in your homes to destroy the souls of your children? Why do you not have the monuments of your God? All who keep the monuments in their homes shall be saved.

"My children, I direct you with an earnest heart, as I have great knowledge of the future. This has been given to Me in the Mission from the Father. There will be great trial in your country and the world. Many will give themselves to the world, as they will not have the strength of grace to continue to fight the evil forces of your world. This strength you will be given by being with My Son in constant prayer and union in the Eucharist.

"I spoke, My child, of the elect. We refer to the elect as Our dedicated clergy, men of God chosen from the sheep to be the shepherds. Satan has sent a great delusion upon your world. Satan roams in the House of God. O leaders of Our sheep, shepherds of Our flock, will you stand before the Father and say that your teaching has been pure in His sight? No! Many of you are misleading. Many of you are misled and carry your error into the souls of others. Awaken! Strip the blindness from your eyes and hearts! Do not destroy souls for the acknowledgement of man! You will not set up man as an idol to worship.

"Discipline will be needed. A firm foundation has no need to be reinforced with new ideas.

"All manner of confusion is being sowed upon your earth by satan. You are like sheep running in every direction. And you will become prey for the wolves in sheep's clothing. You have been given your cross. Wear your sacramentals, be with My Son at the tabernacles of the world, and accept the graces that the Father bestows upon you, and you will not lose the way.

PRIEST NOT AN ORDINARY MAN

"Our clergy must not set themselves into the ranks of the ordinary man! A man of God is not an ordinary man. He is a representative of My Son. As such, he must be looked upon with respect, but this respect must be earned.

"Many have cast their garments aside. Replace them, for you are in great error!

"Foolish maidens, why have you removed your habits? You are blind to the fact that you no longer receive the respect or the honor. And your leadership is poor; your example is poor to the young. Foolish maidens, please replace your habits!

"I repeat, My child, that much discipline will be needed. The manner of clothing that We see being permitted by the parents to be worn by their children is an abomination in the eyes of the Father. They are sinful, they are degrading, and they lead others into sin. Cover your bodies, for they are temples of the Holy Spirit.

"Men shall not dress as women and neither shall women dress as men! Shorts, slacks shall not be worn in the presence of My Son! There will be no rationalization accepted for the commission of these acts of impurity.

"Your country is on the road to its own destruction, as were many countries of the past. Think; explore the history of your country and the world. Your morality is your scale. Strip your country of its morality and your country will fall; the world will fall."

Veronica - Now I see a group of people around a large table. They look like they are in conference, but these people are not from one country. It seems like they're from various countries, and they're having a conference of some kind. And across in the center of the first table there is a placard, a sign, and written on it is: "THE FATE OF THE UNITED STATES." Now these people, they don't look very nice; they look evil. I do recognize some Orientals. It is as though they are sitting in and planning the fate of the United States.

Now it's growing dark, and Our Lady is coming forward. Oh, I can't see these people. Now Our Lady is coming forward, and the light is very bright. It's beautiful. Our Lady is standing on the right side of the flagpole.

Our Lady - "My child, you are viewing a great conspiracy. Do not be affrighted by what you see. Place all in the care of My Son.

"Yes, My child, know that there is a conspiracy to remove My message from among mankind. It grieves Me much to know that so many have hardened their hearts and are blind to the truth.

"Go forward, My children, with great hope in the knowledge that the eventual victory will be with My Son. We are in the war of the spirits. It is a far greater war than any human war upon your world, for your soul is eternal.

"My child, it is time that the great message of deceit and error be revealed. The conspiracy of error and deceit will be in the plan of satan and the rulers of darkness to destroy My Son's House and set up a union of one world, one church of God that will be godless!

"Know now that when the world and your Church on earth become as one, the end is at hand. The gates of hell open wide. They will claim all, even mitres that have given themselves to worldly gain and the destruction of their sheep. The gates of hell shall not prevail against My Son's House!

"You, My child, Veronica, must lead now a very secluded life. I do not tell you this to bring fear. It is not My mission to bring fear into the hearts of mankind. I must make you knowledgeable of the plan of satan and the eventual methods that the Father will use to cleanse your world.

"The Ball of Redemption will be sent upon mankind. The world will be baptized by fire.

"All parents must prepare themselves to do great battle with satan. He will pit father against son, mother against daughter, and there will be much dissension within the family. Pray, pray within your homes and you will go through this period of sorrow with hope and confidence in the victory over the evil, the evil that has entered into many homes.

"The time will come - parents, listen well: the time will come when your children shall turn you over to be executed, so great will be the power of satan!

"Understand, My child, no man, no power, not even satan is above the Father. However, you cannot understand the ways of the Father. He permits these things that you find so confusing to understand, My child, He permits them for the eventual good. He will turn all evil to good, for no evil is ever triumphant.

"You will meet with great opposition from the clergy, My children. It is sad but a fact that many have lost their way. Pray for them, for they, too, can be recovered with your acts of sacrifice and prayers.

"The Red Hat has fallen and the Purple Hat is being misled. How sorrowful Our hearts are in Heaven!

"The Commandments of the Father have been cast aside. They were given so that your world would live in peace and flourish. Now you seek to invite Exterminatus. Exterminatus, My child, is the demon of destruction known as war.

FLYING SAUCERS MANIFESTATIONS FROM SATAN

"There is loosed upon your earth countless numbers of demons. The gates of hell are opening wide. The false miracles of the end days promoted by satan are much in evidence upon your world. Science gives many explanations, but they have not come forward with the truth. Your flying saucers are but a supernatural manifestation from satan!

"It would be better, My child, if the clergy would spend their time in not disproving the honorable miracles from God the Father and seek out the truth of these dishonorable, dishonest miracles - that they call miracles - of satan. The miracles from hell are transports, transports of demons!

"Many of the clergy, My child, will not accept My message because they have given themselves to the world.

"The greatest weapon you will have, My child, is prayer, a constant vigilance of prayer throughout your world and your country. You will go forward, My child and My children, protected by My blue mantle, a covering of light, with the cross of My Son in your right hand and the beads of prayer in your left. For in your hands, then, you will hold the greatest weapon in this war of the spirits. Prayer, atonement, and sacrifice, My children. The balance is heavily now to the left. Watch and pray much. The hourglass is running low."

Veronica - Now Our Lady is moving over - She's gliding over to the right side of the flagpole by the trees. Now coming down from behind Her in the sky is Michael. Oh, he is huge! Our Lady looks so tiny, like a little figurine next to Michael. He is so huge - beautiful, though. Oh, Michael has a long spear in his right hand, and he is holding the balance in his left. It's a golden scale, but it's got like a chalice on one side of it. But there's something coming out of the chalice; it looks like blood.

Now Michael is bending forward.

St. Michael - "You see, my child, the abominations to the heart, the Sacred Heart of Jesus. No man shall set himself above his God!"

Veronica - Now Our Lady is motioning over, She's coming over to the flagpole now and standing there. And now She's so bright. I can see Her face now, Our Lady. She looks very young.

Our Lady - "My child, please tell the world, spread the message that I gave many years ago. Much of it remains hidden to the world - the message of Fatima. Jacinta has been forgotten. They have buried My message as they will try to bury My message here on these sacred grounds. However, it is too late now, My children. You must warn and awaken the clergy. They are being tested."

Veronica - Now Our Lady is holding out Her Rosary. The Rosary is very beautiful. Oh, and now She's putting Her Rosary up like this, over the crucifix: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is bending forward.

Our Lady - "You will sit now, My child."

[Pause]

Veronica - All who are able to, please kneel. Oh, now Our Lady is coming forward. The light is very, very bright. Our Lady is standing over by the right side of the flagpole. She's just over the limbs of the trees. Now behind Her, there's a man dressed in a long brown gown with sandals, brown sandals on his feet. And he has dark brown hair and a beard, and he has nothing on his head. I. . . Oh, Joachim?

Our Lady . . . oh, and next to him there's a lady. And she's a little heavier than Our Lady, and she's dressed in a brown and white garment that comes down to her feet. But her feet look like they're also in sandals - oh, brown sandals; they look like skin, brown leather skin. Now about her head there's a scarf. It's brown with white trim. Oh! Oh, it's Saint Anne and Joachim. And next to them Jesus is smiling, and He's coming now forward.

Now Jesus is placing His hand in front of Him, like this, with the three fingers like this. Now Jesus is raising His hand in front of Him, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is touching His fingers to His mouth. He wants me to listen.

Jesus - "My children, you may expect great opposition in the promotion of My Mother's mission. You will go forward with great perseverance and courage. The grace will be given to all to remain steadfast in the truth.

TEST FOR ALL

"You may expect to be persecuted as I, too, was allowed by the Father to go through this trial. Know that this battle will rage with great ferocity, but the final outcome will be a triumph for all Heaven. You are being tested, and you will be given great trial. Stand fast in your Faith, keep the truth in your heart, and remain on the narrow path. Cast aside all your human inclinations for worldly gain or recognition. You will be treated and you will be forced to grovel, but do this and you will save souls. They will trample you, but know that the prophets before you had to be trampled before they rose above their persecutors. Your example will save many souls, My children, so continue with the Mission from Heaven."

Veronica - Now Jesus is raising His hand in front of Him: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing His hand out like this, and the rays are coming out. Oh! They are very, very bright, very bright! I can barely look into them. They are coming now across the grounds and going out over the people. Oh, they're beautiful! Now Jesus is looking over. He's smiling.

Jesus - "They will not blind you, My child. Continue to look."

Veronica - Now the rays are going over, and Jesus is pointing over with His hand to the left side of the flagpole. Now Jesus is floating over, and Saint Anne and Joachim and Our Lady are following Him over to the left side of the flagpole. Oh, they do look so happy and peaceful.

Now Our Lady is looking down, and She's extending Her Rosary out. And now Saint Anne is coming up to Our Lady, and she's whispering. And Joachim is standing there by Anne. And now Jesus is looking down, and He's placing His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is coming forward. He's just between the Michael banner and the trees. He's dressed in a beautiful burgundy-colored robe, and - oh, He is all aglow with light. It's just beautiful! Oh, now He's extending His hand out again, and - oh, the lights are coming out! The lights are brilliant rays coming out from Jesus' hands. Now they're going all across, down, and down onto the back - the road. Oh, and now Jesus is placing His hand now across His chest.

Jesus - "Many graces will be given: graces for conversion, graces for cure. All who will give up their lives will find life."

Veronica - Now Jesus is coming over to the right side of the flagpole. And now He's shifting His garment into His left arm. It looks very heavy. The robe Jesus is wearing over His gown is very heavy, and He is shifting it over to His left arm. And He's placing His hand out again, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going up. He's rising up, He's just floating up over the flagpole. Now He is bending over, and Our Lady is nodding yes. Now Our Lady is saying:

Our Lady - "You will continue, My children, with your prayers of atonement. They are sorely needed."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

August 5, 1974

Eve of the Transfiguration

Veronica - The sky is becoming very lighted. There's a beautiful blue haze now about the trees by the left side of the flagpole. Our Lady is coming down. She's standing just above the trees, but She's coming down very slowly. And behind Her is Michael. Michael is very, very large. Oh, he covers the whole sky. But he doesn't look out of proportion. He's just beautiful! Now Our Lady is coming over to the middle of the flagpole. Her voice is very, very low, very low.

Our Lady - "My child, I have been here all day. There have been many devout souls coming with great pleas that have touched My heart. Many will receive cures of conversion, and of bodily ailments. However, many will also be asked to carry the cross as victim souls to the merciful love of the Father.

"The creation of the Father, earth, is in great distress, My child. There is a great Warning approaching earth. Many who receive My message will cast it aside as creating fear. How sad this is, for they are misled.

"There are many false teachers among you, My children. You have the Faith. You must keep the truth in your hearts. The Book of life has been changed to suit the basic carnal nature of mankind. You must not read the new Book of life recently published. You will search through your stores and recover the truth in writings. This must be before the year of 1964 in your earth-years.

ENEMIES OF GOD ENTERED CHURCH

"The enemies of God entered into the houses of My Son many earth-years ago. Their plan has been insidious, and with much cunning they came forward, coming into the highest places in power within the houses of My Son. In this manner, My children, have they been able to mislead, misguide, and set many souls onto the road to destruction of their eternal souls.

"We place a great responsibility upon all parents to bring the truth to their children. Many will perish, many will die in the great Chastisement. How many shall be rejected from the Kingdom, My child? Only the time left for mankind shall be the balance.

"Know that the forces of evil have gathered to try to silence My voice, My child. I cry great tears of sorrow upon mankind. When the Father chose you, My child, He knew of your perseverance and your great courage in faith. Therefore, We depend much upon the message being sent through you, My child, throughout the world.

"Satan has the power to attack your body. You will increase your internal prayers to fight his agents who have set themselves to drain your strength. I have asked you to remain in seclusion. This is for your protection and for the propagation of the message.

"The message, My child, that I have entrusted to you will be rejected by many. Know and learn a simple lesson. I do not speak to you in riddles or symbols, but in plain truth in the light. Those in the darkness will not understand, for they have not penetrated this darkness of spirit.

DISOBEDIENCE IN HOUSES OF GOD

"There is great disobedience in the houses of My Son throughout the world, and a great predominance of such in your country. Pastors have chosen their own way. Many are in great disobedience to Our Vicar. Man has been set up as an idol of worship. No man shall be above the Creator, for all man will eventually return to the dust. The soul is eternal; life continues. The word 'death' should be removed as such from your books. There is no death. Your body is but a casing, a temple for your holy spirit. When you desecrate this temple, you desecrate your spirit. You blacken this holy edifice of the Father and as such, without redemption, you must be given to satan.

"In the world today, man has been marked. He carries the mark of the beast or the sign of the cross. Those in the light will recognize among their brethren these signs. Flee from all evil! Only prayer can bring back those who carry the mark of the beast upon them. You will not enter into the dens of iniquity. You must flee from all occasions of sin. For as the eagles will gather where the bodies lie, so will the agents of the prince of darkness gather among their own.

"I have cried, My child, many bitter tears of sorrow. It is a great remorse to know that We are watching a repetition of the terrible days of old. Sodom and Gomorrah - they were as nothing in comparison to your Babylon today! Your world and your country have accepted sin as a way of life. The young are the victims of their elders. The example is poor, and many souls will be led onto the road to eternal damnation.

"Pray much. Wear your sacramentals. I cannot stress this enough to you, My children. Your sacramentals are your armor. Let them mock you! Let them call you deranged. Does this matter, these few words of arrogance and pride and disdain, when you know that all man must reach his ultimate end and stand in judgment before the Father? Do you build your life to

please satan, or are you building your life and leading your pilgrimage onto the road to the Kingdom of your God? Only you will answer this.

"Luciel was cast from the Kingdom of light. He is here upon your earth plane. You were sent by the Father as pilgrims, warriors from Heaven, to do battle with satan. It sorrows the Father much when satan adds his count higher. The battle of the spirits is on now, My child, in great force. You cannot bargain with your soul!

"We see the greatest of abominations being committed upon your earth - the defilement of the sacred temples, your bodies. The Holy Spirit cannot enter into a defiled body. It must be cleansed first. This cleansing will be done of your free will or, in the mercy of the Father, you will receive this cleansing through chastisement.

"My Son will return to your earth as He ascended from your earth. He will return with the legions, the armies of Heaven, in the final battle against the agents and forces of evil. He will destroy the nations that have given themselves to satan. He will destroy those who have become agents of satan.

FATE OF MANKIND IN THE BALANCE

"His mercy, the Father, knows no bounds; therefore, you must get down now on your knees and pray and do much penance for the great offenses being committed now upon your earth. There is a scale now - no man knows the balance, but this scale holds the fate of mankind. When the forces of iniquity far exceed the forces of good, know that the great Warning and Chastisement is upon you. Those in the light will feel that they have entered into a world of insanity, so great will be the sin of mankind. Persevere and you will be saved. Do not fall prey to the creations of satan.

"Your homes must be a refuge for your children. Keep the monuments, the statues, in your homes and teach your children, as parents, the basic foundations of their Faith; and they will not be caught in the web of satan that is slowly, like an octopus, reaching out in all directions and devouring the young and the old.

"Yes, My child, the Ball of Redemption hovers near. The raising of the hand of the Father directs the course of this Ball. No date will be given, for there is no advantage in divulging dates. The renewal of mankind must be a complete and lasting renewal. Therefore, you will continue in the direction given by the Father. I have come as a Mediatrix through the will of the Father to direct you as a Mother. As a Mother, I implore you to listen to Me now and follow this direction, for if you do, you will be saved. If you cast aside My words, the direction from Heaven, you will be lost."

Veronica - Now Our Lady is extending Her hand out, Her hand, and She has Her beautiful large Rosary, the white, pearl-like beads, and the Our Father is completely gold; it is a beautiful set of beads. Oh, and Our Lady now is holding up the cross. The cross is shining; it's golden. And She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is smiling, and She's looking over to the right side of the flagpole, and She's extending Her hand out with the crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming down a little closer. She's standing just above - on the left side of the flagpole, above the banner of Saint Michael. Our Lady is saying:

Our Lady - "Remember, My children, the promise I have made to you. I have spread My blue mantle over all who have come, who have been given the grace to come to these sacred grounds. There will be dispersed among you many cures and conversions for the propagation of the Mission from Heaven. Come to Me, all mothers who are burdened and in sorrow, for I will dry your tears."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Lady - "You will sit now, My child."

[Pause]

Veronica - Now the light is becoming very, very bright over the flagpole. Oh, it's so bright it hurts my eyes to look at it. Oh! Now a very circular light is opening up. Oh, I can see now. It's Jesus. He's coming down now through this great circlet of light. Oh, I can see His feet first. He's now bare-footed. Jesus doesn't have His sandals on tonight. And He has on a cream-colored gown, and His robe is a deep rose color, a burgundy color. And now Jesus' hair is shining from the light. It looks like a reddish brown.

And now He's smiling. Oh, now Jesus is coming down. He's at the right side of the flagpole, and He's now extending His hand out, like this, with His three fingers, and He's making the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's bending forward.

Jesus - "Listen well, My child, and repeat what I have to say to you as a messenger from Heaven. These words are of great importance to mankind.

ABOMINATIONS IN THE EYES OF GOD

"Men shall not co-habit with men. Women shall not co-habit with women. These acts are an abomination in the eyes of the Father. The sacred temple of the Holy Spirit, your body, is being desecrated, defiled, and destroyed! And not only the temple, but the soul within is condemned, without repentance, to eternal darkness in the abyss!

"Man shall not condone or rationalize sin! He caters to the basic carnal nature of fallen mankind. Man sets himself up above the Creator. He seeks to create life. He shall not create life! He will bring forward a monster! Science, man of science, ever seeking but never reaching the truth!

"Arrogance, pride is always the beginning of the end. It is only in the simple hearts of man, the simple hearts, the child-like candor of an adult, that the truth will be found and the way. I am the way! No one shall come to the Father but through Me, for I am the way. All who deny My visit to your world, all who have not accepted Me as the Messiah, they are against Me, and as such, will seek to destroy all who uphold the truth.

"You will receive your opportunity, each and every individual soul, to make your choice. This time is fast approaching upon you. Have you made your decision? If you accept the wide road and follow those who are against Me, you will never enter into the Kingdom of the Father. For if you do not recognize Me, you do not recognize the Father!

WITHOUT OUR LADY YOU WILL BE LOST

"My Mother has been allowed to accept My cross. She did this of great heart for Her children. I do not like to watch, I sorrow to watch the abominations and the disrespect given to My Mother. It is only the enemies of the Father in Heaven that take this truth from you. You will not stop the words of My Mother. She is your co-Redemptrix, and as such, it is She Who has been given the mission to bring you back onto the road to the Kingdom. Without Her you will be lost."

Veronica - Now Jesus is coming down. He's near the center of the flagpole. And He's pointing up now with His right finger, like this, to the sky, just between the flagpole and the trees.

Jesus - "Watch the finger!"

Veronica - And now it's as though a great hand now is floating up into the sky and starting to write. I don't understand. It's the "Y"; it's a "Y". It's more like a horseshoe loop with a line. And then there's a "7" line. And then there's the "Y" line again, a "Y" with a loop.

Now Jesus is coming over. He's just above the banner, and He's leaning forward and He's saying:

Jesus - "All who are with Me will recognize the signs of the times."

Veronica - Jesus says you will extend now your Rosaries and all objects of God to be blessed. Now Jesus is raising His hand in front of Him, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady now is coming, She's coming from behind the trees. She was standing just above the trees on the right side. And She's joining Jesus. Now there are streams of light coming down from Heaven onto Our Lady and Jesus. They're moving over to the left side of the flagpole. Now Jesus is looking down, and He's placing His hand forward, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is saying:

Jesus - "I bless you all, My children, as the Father blesses you in the Holy Spirit. We dispense among you the graces for your salvation. None will be lost but of his own free will. Remember this: the way to Heaven will be the way of the cross."

Veronica - Now Jesus is placing His hand in front of Him, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now Our Lady is coming forward. She's standing right in front of Jesus, and She's saying:

Our Lady - "It is Our greatest, fondest wish that the Message from Heaven be heeded. You do not have thirty years to spread this message, My child, so work with great haste. Use all the arms We send you. Do not give in to your body tiredness, for satan will set every obstacle in your path to stop your work. Do not be afeared. Many arms will be sent to you."

Veronica - Now Our Lady is extending Her Rosary, the beautiful white-pink Rosary with the golden Our Fathers. Now She's holding up the golden crucifix. In the name of the Father, and of the Son, and of the Holy Ghost.

And now Our Lady is taking Her Rosary and She's holding it out in front of Her, like this, and - oh, the rays are coming from Our Lady's hands. Oh, they're beautiful! There are rays now that are changing color. They look like rainbows - blues, greens, deep purples, orange. They're just beautiful. Oh, and all about Our Lady now there is coming down from the sky - they look like slivers of glass, very tiny slivers of glass. Now they're falling just like rain down, down upon the ground.

Now Our Lady is saying (Her voice is very, very low):

Our Lady - "My child, they are graces."

Veronica - Oh! In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Lady - "Continue with your prayers of atonement. So many are needed, My child."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

August 14, 1974

Eve of the Assumption

Veronica - The blue lights are now starting to form around the trees, and the lights are coming across the sky. They're a deep blue light; they're not pale, but a deep blue.

Now it's becoming very bright, and I'm looking into a large room. The room is not fancy; it's quite a large-sized room with a table. It's a rough-looking table. It looks just like a slab of wood placed together - maybe two pieces of a tree, and a couple of other parts of a tree trunk are holding it up.

Now I see a great many people in the room, but they all . . . they have their heads bent down very low, and all their heads are covered. I recognize the men. Their heads are also covered with what looks like dark-colored sheeting, like shawls on their heads. And there are very strange sounds being made. It sounds almost like they're singing, but the singing sounds like crying.

Now two men are coming forward and walking over to the side of this room. The room has no flooring; it's dirt, and the walls look like . . . almost the walls of a cave.

Oh, I see a large rock suspended on two boulders. Oh, my! And I see a lady; she's laid down on this slab-like rock, and she's covered over with a white sheet.

Now all of the men and the women are walking around about her and some are kneeling. And now one woman is going to the head of her; she has a sort of a candelabra - there are three candles in it. And she's placed now a black-colored shawl on her head, and she sounds like she's wailing. She's crying, but I never saw anyone cry like that.

Now I can look down and I see the face of the lady. I know - oh! It's . . . I know who it is; it's Our Blessed Mother. She looks like She's asleep.

THE ASSUMPTION OF OUR LADY

Now the women are leaving the room, and I see the men looking over to the right side of the room. They look very startled, and the room is becoming very bright. Oh, and there coming into the room is Jesus! Oh, He looks so beautiful! He's dressed all in white. The light is so bright I can barely look at it. And with Him is Michael and the most beautiful little girls . . . or I think they're girls; they're young angels, cherubim. And they're going over now . . . and Jesus is walking over, and He is now taking the hand of Our Lady, and She's just sitting up. She's sitting up, but She seems to be weightless. Now Jesus is walking over towards the exit, or the door. It's not a door. It has no door; it's just an opening, like a cave. And Our Lady is going with Him, but She's not walking, She's floating. And I see all the men there - they've fallen on the ground, and some of them are holding their faces and others are looking, just staring.

And now they're outside. Oh, it's more beautiful outside, but it's quite warm. Oh, my! I'm watching now . . . the sky is beautiful, and Jesus now and Our Lady and Michael - Michael is behind Our Lady, and they're going up, up, up, up! They're going up into the sky.

Now Our Lady dropped from Her that cloth that was around Her; the white cloth dropped away. And Our Lady now has on a - oh, a beautiful white gown with a gold belt, and She has now Her head covered by a beautiful cloak-like cape, and that hangs down the back. You can only see Her now from the back. And I can see Jesus. His robe now is also blowing in the wind. Oh, and they're going now - they're growing smaller. I can see them. And I hear beautiful sounds, music. It's like voices, beautiful voices! [Veronica imitates some of the musical sounds.]

Now Michael is going over to the side of Our Lady, on Her left side, and He's placing something on Her head. It's - oh, it's a crown. But it goes over - he placed it over Her robe. I can't see Her hair. It's very beautiful. Now there seems to be a great mist, a cloud-like mist, forming. The clouds and the sky is closed in. Oh!

[Pause]

Our Lady - "Seventy-two years of service to the Father."

Veronica - Our Lady is repeating:

Our Lady - "Seventy-two years of service to the Father.

"I was honored by the Father in your years of twelve. My young years, My child, were spent in seclusion. I, too, was not without persecution when I carried on the apostleship of My Son.

"You must never slacken or give in to your human weakness, for you will be given the strength to finish your mission.

"It is sad to look into the future, My child, and know that already the enemies of your God are planning to dispose of a godly leader. The righteous man shall be met with much scorn and persecution. It is the sign of your times.

"The leaders of your country and the rulers of your world are faster and faster plunging forward, bringing in the reign of the evil one whom you will know as the Antichrist of one world. The plan for his rule has been set for many years. Many prayers, many acts of atonement will be needed, or your new leader will be removed from among you. Pray, pray much for him, for the righteous man will meet with much persecution.

"You will rest now, My child, and I will continue with the message for mankind in a short time. Many prayers are needed in atonement."

[Pause]

Veronica - Our Lady is now coming forward. She's standing at the right side of the flagpole. Oh, Our Lady looks beautiful! I never saw Her in these colors. She has on a blue gown. Now it's a very deep blue, and a white - oh, the only way I could say it looks like, is ermine with a gold border about the outside edge. And Our Lady has on a crown, a most beautiful crown. It's gold, and it has a red, plush red - oh, velvet inside, and the outside is set in stones. I can see the green and purple, a very pale purple, and white, and a very pale yellow. It's beautiful!

Now Our Lady is looking to the right and the left, and oh, it catches, the crown catches the light of the stars, it looks like, because it's sparkling. It's so beautiful! I can only see just a bit of Our lady's hair, because the crown is set over Her outer covering, Her head-piece, which goes down to Her feet.

Now Our Lady has on a pair of slippers. They're very pretty. The slippers are golden, and oh, She has a golden rose, like a rosette - they're very tiny - on the center of Her sandals. Now I can see Our Lady is in Her bare feet except for the ties of the sandals, which are golden with a gold rose on each foot.

Now Our Lady is smiling, and She's bending forward.

Our Lady - "Listen well, My child, and repeat after Me.

"There is great delusion and deception in the world. You must make it known to My clergy that We grieve much over the actions of many. They are leading many of Our sheep onto the road to the abyss. Many do this in obedience; many are misled; but most of all, many are selling their souls to get to the head.

"Those who have the highest rank in My Son's House, in the houses throughout your world, are using their rank to destroy many souls. Pray, pray much for them, for they, too, shall burn in the fires of hell.

PLAN FOR ARRIVAL OF DEMON 6

"The plan for the arrival of demon 6 is in motion. This will come about when the world and My Son's House, Church, have united as one. Know now when the Church and the world have become one, the end is at hand. You are being warned, and I have warned you many times, My children. But these warnings now will become fewer and fewer, for the hourglass is running low.

"Do not say this is not true, this will not happen because you have won a reprieve. There are many victim souls here, there are many victim souls throughout your world who have held the balance, who have sacrificed themselves, their human bodies and their natures, for the redemption and reprieve for your souls. You who have hardened your hearts and closed your ears to Our warning, when will you awaken? When it is too late, and there is no return!

"All man is and was a creation of the Father, but not all man, or all men, will enter into the Kingdom of the Father! Only a few will be numbered in the final count. You all will receive this chance, and you may reject it or accept the graces and the path given to you to win eternal life with the Father, or eternal damnation in the abyss!

"You will not destroy My Son's House, Church, by consorting with the enemies of My Son! You will not convert the enemy by lowering the standards. Your example must be one of a steadfast faith.

"Change! What need is change when the foundation has stood through the test of time? It is a dissatisfied man, a greedy and lustful man who seeks change. Does he change to bring man to God? No! He changes to take man from God and give him to Lucifer!

SATAN PRESENT AT VATICAN II

"Satan was present, he listened with careful ears at the great Council. He awaited every move, and he placed his agents among you! Recognize and reconstruct your path. You have been deluded. You are on the wrong road. Turn about now, or you will sow the seeds for your own destruction!

"How many warnings will you receive before the hand of your Father will descend upon you? No date do I give unto all mankind, but only to few. All those who accept the grace given freely for the asking will not be caught unawares. They will prepare themselves. All mankind upon earth should prepare for his death.

"We look upon a world where mankind goes about defaming himself and the Father, wallowing in all manners of lust and pleasure, abomination - even in the House of God! He lives as though he never will die. No human flesh will be eternal, but the soul is eternal and will live on forever.

"Do not, My children, destroy your souls for the few years that you will be as pilgrims upon your earth. Build up your graces; save them, one by one. Search for these graces that you do not have to wait in the deep pits of purgatory before you can join Us. I go, My child, many times down into the pit to relieve these suffering children of Mine. But how great is My sorrow as We watch those going into the eternal pits of Lucifer and We can never retrieve them!

"You, in your mercy and love of heart, can reclaim many of those who at this moment of earth time are on the road to darkness and Lucifer. Your example, your prayers, and your works - prayers without work, My children, they will never succeed in recovering souls. They must be worked together: prayer and work, example. Do not waste your time in frivolous occupation. Work for the Father and your reward will be great; work for Lucifer and you will receive his reward, and forever you shall cry the tears of the damned.

"You ask, My child, again, about the Ball of Redemption. Yes, the Ball is out there, My child, in your atmosphere. There will be a great Warning, there will be a phenomenon of great magnitude, and there will be a great Chastisement. All must come about. However, mankind holds the balance for the coming events.

"Your world will soon be engrossed in a major catastrophe, such as never been seen by mankind before - a war so great that none shall escape the effects of this great catastrophe.

"What can you do, My child? You can pray and pray. Be on your knees. So few now bend their knees. War is a punishment for man's sins.

WOMEN TO COVER HEADS

"The irreverence given to My Son in His houses upon earth cry out to Heaven for vengeance! Women, you will not disport yourself in nakedness in My Son's House! You will cover your heads - not because you come in vanity, thinking that your hair is a beauty, or the crowning glory of your being! Look to your soul to be your crowning glory. Your hair will be covered with the worms just as your body will enter into the dust. Better that you spend your time shining your soul than glorifying your body.

"Cover your body before My Son! Do not defame and disgust Him by your presence and your acceptance of His divinity! Why, you are naked like pagans! Cover your heads You do not follow the modernism and modes of an evil generation. No! The angels demand that all respect be given to the divinity of the Son of God in the houses throughout the world. Do not be misled by false pastors - those who care more for their worldly living and their easy living, and those who will not stand forward because the faith has become weak, and defend My Son before the enemies of God! No! They, too, will be cast aside with the goats. Fair warning I give. I cannot say that the Father is satisfied with the teaching of those He has chosen to guide the children and sheep of the world. No! I must say, there is great sorrow in Heaven."

Veronica - Now Our Lady is moving over to the left side of the flagpole. Her head is bent down very low. She does look very, very, very upset. And She's pointing down now over by the convent, over there.

Our Lady - "My child, have you seen the latest attire? Disgraceful, sinful, lustful creations of satan! No true vocation is in the house of those who dress as such.

"Now, My child, I will give to you an explanation most worthy to the young of your world.

MEN NOT TO WEAR LONG HAIR

"The long hair worn by My Son and those He chose to be His Apostles - why was their hair long? So that they would be rejected by the world. At that time, My child, only the old, the elderly, wore their hair in such fashion, and those dedicated to the rabbinicalhood - priesthood. It was not the custom of the day to wear hair long. If you will look into your books of history, you will note this. But My Son did not wish to be looked upon with vanity, though beautiful was His face. He chose to be unrecognized among the crowds, as did those He chose to be His teachers, the Apostles.

"Therefore, the teachings of Paul are true. It is an abomination for man to wear his hair long. Read the Book of life; read it by calling upon the Holy Spirit to enlighten you, and you will understand. Do not accept these Books written after the year of earth-year 1964, for they will have been changed to suit mankind.

"You are not to lead your lives under the direction of man, but under the direction of your God. The plan for your salvation was given to you in the Book of life and love, your Bible. Read it and learn by it."

Veronica - Now Our Lady is extending Her hand. She has Her Rosary, Her beautiful white Rosary with the golden Our Fathers, and She has the cross now, and She's placing it high ahead of Her, and She's making the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

And Our Lady now is facing over towards the right side of the flagpole, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now She's facing forward and also making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My child, you will continue now with your prayers of atonement. Pray that those who We call to will listen to Our admonitions and warnings, for the time is growing short."

[Pause]

Veronica - All who are able, will you please kneel. Our Lady now is at the right side of the flagpole. And there is a great light coming over Her head. Oh, it's Jesus! Oh, He looks beautiful in the light. Oh, the light is so strong, I can barely look into it. Now Jesus is coming closer. He's standing next to Our Lady. The light from Jesus makes Our Lady's crown shine so beautifully! Oh, now Jesus, He is dressed in a - it's like a beige gown and it's very loose, and He has on brown sandals. They look like brown, leather-like skin sandals. And He has His robe, a cloak about His neck. Now it's thrown back; it's not full. I can see His sleeves. They are very loose and white. It looks like a one-piece tunic, beige color, but the cloak is like a burgundy.

Now He is standing forward. Jesus is raising His hand up, like this, with His three fingers, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is leaning forward.

Jesus - "My child, you will continue to spread the Message from Heaven. Many arms will be given to you in your need. When the message has reached the world, the judgment will then be set upon mankind. All will then have been given time to make his decision.

"It grieves Me to have to admonish those in My houses throughout your world to mend their ways which the Father finds most displeasing. The individual state of My teacher's soul is of one concern, but the misguidance of the numbers of sheep entrusted to his care is the concern of all Heaven. The Father looks into your hearts and finds that many have been hardened.

"There will be no rationalization for sin! There will be no acceptance of modernization of My words or My teachings! There is no reason, no absolute reason to find new ways and create new methods for bringing My words to the multitudes. The plan was simply laid out to you. Therefore, listen and learn a simple lesson. You are being warned that your present actions are displeasing the Father, and you will receive a chastisement in accordance and with measure of this displeasure.

PRIEST NOT A COMMON MAN

"We do not find that you are continuing in your lives of prayer and sacrifice. They are becoming a forgotten creed. I admonish you now that you are not to set yourselves in as a common man. When I chose you to represent Me as a priest in My House, you are not to make yourselves a common man, for you will not bring souls into the Kingdom by joining them in their sin. Yours must be a pure and shining example. You must follow your vows of chastity and poverty. Among you, We find little of this being practiced. You wallow in all the filth of mankind! You savor all the pleasures of the world, and you are breaking the rules of the Father! These include the Commandments given to mankind.

"Wake up now! There is not much time left for you to make atonement. The mercy of the Father is great. None will be lost if he will turn now from his present course. Return My House to its state of a firm foundation, and mend the cracks that you have wrought into its walls. Bring My sheep, gather them back into My houses. No longer disperse them with your example. You will not change My words! You will not change My direction. You will stay on the narrow path and you will bring My sheep onto this path, or you will answer to the Father and be condemned as such for having destroyed the sheep entrusted to you."

Veronica - Now Jesus is going over to the left side of the flagpole, and He's looking down, and He's placing His hand out, like this. Now He is saying very softly:

Jesus - "All sacramentals will be blessed. Many of them have been removed from among you. Your armor and your protection have been removed from among you, but you will keep your sacramentals and the monuments in your homes. Satan removes them, for then he will claim the souls of you and your loved ones that much faster."

Veronica - Now He's placing His hands in front, like this, and making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing His hand out like this. He's standing over to the left side of the flagpole, and as He is placing out His hands, there are rays coming from His hands. And they are coming down now onto the left side, down here onto the ground. They are going over - they are very brilliant; they are a combination of blue and white light. I'm trying to count the streams of them: one, two, three, four, five. And now above them, above the Michael banner, Jesus is raising now His left hand, and there's an arc being made. And under the arc there is a large circle with a ball. It's a ball with a cross on the top. And next to the cross

there is like a dagger, a dagger with a handle on it. And underneath, next to the ball - the cross is on top of the ball, and the dagger stands next to the cross, and the part of the cross that goes like this. The dagger with the handle is curved, and then underneath the dagger there is that letter, that strange letter again. It looks like a "Y", but it's like a "U" with a downward stroke. It's like a "Y", but it's like a "U" with a line.

Now Jesus is coming forward. He's much closer now. He's coming down by the large, long Michael sign. And He's bending over.

Jesus - "My child, you are confused of the symbols I have given to you. In time, they will be made known to you."

Veronica - Now Jesus is rising. He's just floating; He's not even walking. He's floating up, up, up to the flagpole. And Our Lady now is coming over. She is standing on the right side of the flagpole. Now She's standing over by Jesus, and Our Lady is smiling. It's very beautiful. She's wearing the crown, the beautiful golden crown. Now Jesus now is shifting the covering He has, the cloak, on His shoulders now and leaning forward. And He's placing His hand out, and He's making the sign of the cross. And He's saying:

Jesus - "I bless you, My children, as the Father and in the Holy Spirit."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus and Our Lady are going up. They are rising, They're just floating up, over to the right side of the flagpole. Now Our Lady is bending over. And it's very windy up there because Her skirt is blowing. And Jesus' cloak is also wrapping itself around the flagpole from the wind. And Our Lady is saying:

Our Lady - "You will continue, My child, now, with the prayers of atonement. Many are needed."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

August 21, 1974

Eve of the Immaculate Heart of Mary

Veronica - Our Lady came down a short while ago while I was standing and She placed Her fingers before Her lips, as She did not want to start Her conversation before the prayers were said first.

Our Lady requests that a firm Act of Contrition be made, with the three Hail Marys for those who are dying, leaving this earth, going over the veil, unprepared.

[Pause]

Our Lady - "My child, the photographs you have been receiving, many were given to you for the present and some for the future. These photographs, miracles in print, are given for your edification. They bear witness to the Message of Heaven, and they will be a personal gift to many for their personal edification.

"Nothing is hidden to the Father. He follows the course of satan. Satan has many agents now in your country and the world. He has placed them in the highest positions of power.

"The Father, because of your great sins, will allow your country to reap what it has sown. America, the United States, has opened its door widely to the agents of the sons of satan. Now you will reap what you have sown.

"My child, fear grips your heart. When you find yourself gripped with fear, you will take your Rosary and tell your beads carefully. I understand, My child, for you are only human.

"The plan for the destruction of your country and the destruction of My Son's House in your country is in motion. This plan did not come in a few short years, but like an octopus, it grew with many arms.

"In your photographs miraculous, We gave you several of the man in the mask. Now, My child, you will know who the man in the mask is.

SECRET SOCIETIES NOT TOLERATED BY ETERNAL FATHER

"It is through My voice-boxes throughout the world that We must send this warning of caution to all of Our cardinals and bishops. The Father will not tolerate their entering into secret societies! The discipline and rules set down by My Son and those He chose to write the Book of life and love must be adhered to. We direct, in the name of the Trinity, that you bishops and cardinals of the world must use your full powers as hierarchy to excommunicate and defrock all who seek to dethrone My Son and destroy the Faith!

"Many of you are in disobedience to Our Vicar! Many of you set yourselves up as gods in your own parish. Where is your charity? Where is the piety? Love, love - the word 'love' We see everywhere, but so few know the true meaning.

"Your separated brethren - yes, My children, We wish that they return to the fold, but you will not change yourselves and meet them on their road. You must bring them back to the narrow road.

"My Son set His House upon earth. All who left, left in rebellion, in protest. Are you to join them? Shall you compromise your Faith? No! All who sell out the houses of My Son shall receive a recompense of eternal damnation.

"There are, My children, thieves, robbers in My Son's houses! Moneychangers in the temple! The Father watches all and tolerates for the sake of the elect. The Chastisement will claim many, good and the evil."

Veronica - There's a terrible fire. I see a very deep pit. The smoke and vapors have been coming up, choking me, cutting off my breath. I see a tremendous vapor of smoke.

Now Our Lady is coming forward. She's very beautiful. When Our Lady looks down I lose all the feeling of fear, and such great confidence comes upon me.

Our Lady - "My child, what have you to fear? All mankind must come to the end of his life upon earth and cross over the veil. The Father knows the time for every exit. There is a plan for every life upon earth - even yours, My child."

Veronica - And Our Lady, Our Lady is smiling. She's very beautiful. Now Our Lady is wearing Her white gown with the blue sash, but now She has about Her head a very beautiful blue cape-like mantle. It's very beautiful.

And Our Lady is extending Her hands out. Now Her hands are extended. Her Rosary is at Our Lady's side. It's tied onto the blue belt, here. And She's extending Her hands out in front of Her, like this. And Our Lady is saying, very softly:

Our Lady - "My children, I have promised to guide you in the days ahead. I cannot promise you a life of ease, wealth of material value. I can only bring you the reality of what will be. Your country will go through great trial. All who will stand forth in defense of My Son shall receive great persecution.

"The powers that have now grown beyond all expectations, the evil powers of darkness, have control now, My child.

"Many prayers of atonement have risen to Heaven from the hearts of Our beloved children upon earth. However, the scale is balanced heavily to the left.

"In your country and throughout the world you will find, My child, many like these little armies We are looking down upon now. The Father has endowed My beloved children with great graces for the recovery of souls. There will be a great battle ahead. You will continue with perseverance, knowing that the ultimate victory is with the Father in Heaven.

"I need not repeat My words of the past, My child, that the evil forces of satan, using the bodies of mankind - those who have fallen to satan, they will be used to lead astray Our children. Unless you wear your sacramentals and remain close to My Son in the tabernacles of the world, you will not escape falling into the darkness - the darkness of spirit that is reaching out and covering the world now, almost completely. I say almost, My child, for there are still lights of heavenly beams shining forward to guide those who are looking for the way. The way is My Son.

SODOM, GOMORRHA, NINEVEH, BABYLON

"Man of pride and arrogance has set himself above the Father! Your country and many countries of your world are following the same course as in the past. Why have you not learned from the past? Sodom! Gomorrah! Nineveh! Babylon! All fell because of sin. Sin is insanity! Minds have been clouded by satan. Awaken My priests from their sleep. Open your eyes!

"As time goes on, My children, you will find that you, as followers of Our armies fighting satan, will be in the minority, regional-wise, but should We place you all together, you will find that the army is large world-wide, My child. However, after the great battle against the agent 6 and the Chastisement, the numbers saved will be counted in the few.

"O My child, how many tears I have shed as I look into the hearts and the edifices of My Son, His churches upon earth, defiled by defiled man!"

Veronica - Now I see a very large room. Oh, it's a - there's a gathering of some kind. It's a very large room. And sitting about a lengthwise table that curves over to the right, are cardinals - I recognize from their coloring of their garments. And they have on these hats with the big wide brim. And there are bishops, and I see some in black garments, priests, and I can see Pope Paul. He's sitting over, right in the center of the gathering. There's a great deal of talking because I can only hear snatches of the conversation from both sides.

As I'm looking up, up near the wall, between the ceiling and the wall, I see this horrible thing! Oh, I don't know how to describe it. It's satan! Satan! He's smiling. He has a look of such arrogance, arrogance and horror - I am filled with horror; he's filled with confidence and arrogance. He's listening. I can tell from the expression of his face he's listening. He's planning.

Now Michael is coming forward to the left side. I'm still watching the bishops and the cardinals, and satan up on the wall. Now Michael is coming forward. He's standing by the left side of the tree.

OPEN THE DOORS TO MICHAEL

St. Michael - "My child, shout it from the rooftops! He did his work well. The walls are crumbling. A House, Church, in darkness shall wear a band of death about it! O woe, woe to mankind! You do not know what is before you. Open your doors to me! Do not shut me out! I cannot enter into the churches without your desire."

Veronica - "I don't understand - "

St. Michael - "It is not, my child, for you to understand the ways of Heaven or the Father."

Veronica - "Can't you force your way in?"

St. Michael - "No, my child, I must be asked in. When I am returned to remain guard at the tabernacles, and my name is returned, you will find the people flocking back into the houses of their God. Instead, now I have been locked out and satan has been invited in. His agents fill the seats of the houses of God. The battle will rage with great ferocity in the House of God - bishop against bishop, cardinal against cardinal, until the score has been settled in favor of the Eternal Father, your Creator.

"Yes, without prayer and penance, there will be a great War, a war of such magnitude that without the intervention of the Father not many shall be left to inhabit the world of earth!

"Man has created the instruments for his own destruction. And why has he done this? For greed and power. Love and brotherhood - are they akin to greed and power? No!

"The murders of the young shall not be condoned by the clergy nor the laity! Hell shall claim each human who in conscience and free will has accepted the murder of the young! Remember, My children, satan sends his agents, demons in human form. They will do nothing unless they enter into the bodies of any human - man, woman, or child who has fallen out of grace and given himself to the agents of darkness and the ways of satan.

"I, Michael, guardian of the House of God, give fair warning to all cardinals and bishops in all houses upon earth, churches, that you must set to rights the damage that you have created, the damage that has destroyed many souls.

"It will be a command of the Father from Heaven that all in authority defrock and excommunicate those under their rule who seek to destroy the Faith as given by the Father from Heaven.

FREEMASONS SONS OF SATAN

"Speak, my child; speak now as I have directed you. There is a major law in the Faith of Jesus Christ that none shall enter into secret societies of the Masons. The sons of satan are rulers, known by the name of Freemasons. All who join this heinous - "

Veronica - Oh! Oh, my goodness! Oh!

St. Michael - "All who join this secret society will immediately be condemned to the abyss forever.

"Those in rule will excommunicate and defrock all who enter and make pact with the separated brethren and who will compromise the Faith with the separated brethren.

"The Book of life and love, the Bible - man has rewritten this Book to deceive mankind. He will deceive those who are not in the light. Recognize the faces of evil. By their fruits will they be known. They will come to you as angels of light; but they are ravenous wolves, placing themselves in strategic positions of power to seduce mankind and destroy the Church of Jesus Christ.

"The battle, my child, will accelerate very shortly, for there will not only be a great War of weapons of mankind, but it will be known soon throughout the world as a religious war. It will be the war against the Antichrist, who is here now!

"Your newspapers, even those who call themselves Catholic, have fallen. They have now been given to the enemies of God, for when they seek to destroy the Church of the Son of God, they are enemies of God, and they are of the Antichrist.

"Make it known, my child, that you all now are proceeding in the days of the Revelations. All will come to pass as given in the Book of life. There are many seers now throughout the world who will carry the message forward. Many must accept martyrdom, but the glory beyond the veil far exceeds the suffering of earth time.

TRAITORS IN THE VATICAN

"Control - you must know, my child, and tell the world that satan has control now of many major positions in the House of God, in the Eternal City of Rome. Traitors surround your Vicar. His sufferings are great.

"Already they have chosen his successor. But pray, my children, pray much that he does not be removed, for woe to the world! The crucifixion of the Mystical Body of Christ! Woe to mankind!"

Veronica - Now Michael is stepping back, and he's now pointing with his spear. He has a spear in his right hand. He's pointing with his spear now, and he's pointing to a cardinal. And he's now writing above his head: "W".

Now he's going over - I should be able to see him; he's standing right in front of him, and he's pointing to the next cardinal, and he's writing above his head: "A".

And he's then going to the next one - he's sitting way over at the end, though, and he's writing above his head: "S".

Now he's coming forward, and he's pointing his spear with disdain at a "V", a big "V". A big "V" now is appearing on the head of, I guess he's a bishop, or archbishop. He's wearing the same kind of a, like a . . . a . . . he's got a biretta-like, one of those little round hats. It's sort of a purplish color. And now above his head is written the letter "V".

Now Michael is bending forward.

St. Michael - "They are the initials, my child. You will pray for them, and ask many of earth's children to pray that they come out of the darkness. Their souls wallow in sin. They are blinded, and they are misleading those under their rule.

"V. does much damage to the Holy Father by changing his correspondence. V. rewrites his letters. V. censors his mail. He did not, my child, receive the medals you sent to him. He did not receive your correspondence, my child. The Holy Father shall receive his knowledge from Mary, the Queen of Heaven and his Mother."

Our Lady - "I have asked you now - "

Veronica - Our Lady now is coming forward. She's speaking very fast because She's pointing over to the right side of the flagpole.

Our Lady - "You will not leave, My child, the grounds by your right exit. You will be sure to leave on the left side.

"I have asked, My child, that you remain in seclusion. You will not fear assassination, for this will not be accomplished without the will of the Father. So do not be overcome by fear. Face this fear and it will disappear.

"I must ask you, My child, to forfeit all unnecessary tours. You will not leave your home without your cross, and leave only when necessary, until I give you direction that the danger has passed. Yes, My child, already they have set a plan forward to remove you - remove you physically from your work. If you listen and follow My direction carefully, this will not be accomplished. Bar your doors to all but your family and immediate and trusted workers. You will allow no stranger, be it clergy or laity, into your home.

"Michael shall be at your side constantly and the work of saving souls will accelerate, for there are many arms now coming forward to help you, My child, spread the Message of Heaven."

Veronica - Now Our Lady is rising higher into the sky. It's quite windy because Her skirt is blowing. But She looks so beautiful! Our Lady has on the blue cape and the long white gown. Her feet are bare; She has no slippers on. And She's smiling down. Oh, Our Lady has such a beautiful smile!

Now around Our Lady's head there's forming a crown. Oh, they are like stars, like diamonds, beautiful diamonds around Her head. Oh, She's so beautiful!

Now Our Lady is leaning forward. She's talking very softly.

Our Lady - "My child, do not forget to stress the wearing of the sacramentals. You will meet with much scorn in the world. They will laugh and mock you. O My child, have pity on them and pray for them, for they do not know what the future holds for them! It is a special grace, My child, to be given and hear the word from Heaven, but you and all who have been called have received this grace to be saved.

"I wish at this time, My child, to commend from the Father the great legion of workers from your neighboring country, Canada. The Father is well pleased. The defense of My Son, the stronghold is great, and We place upon those who live their lives for the building of the Kingdom of the Immaculate, the grace of eternal salvation and glory with the Father in Heaven.

"The example of these gifted souls must go throughout the United States. Others will learn by this example. It is in habit that mankind will accept, and then it is in heart that mankind will know and accept. Persevere, ever going forward, guided by the light from Heaven."

Veronica - Now Our Lady is taking Her Rosary from Her waist now, and She's holding it forward, like this, and She's holding out the crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

And Our Lady is turning over to the other side of the flagpole, Her right side, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now I see coming from the sky a large bouquet of flowers. They're red roses, and they're just being placed - there's nobody behind them; I don't know where they came from! But the roses are being placed right into Our Lady's hands.

Now one by one, Our Lady is taking them and throwing them down. Oh! Oh! Oh! They're beautiful! They're beautiful red roses.

"Can I have one, please, Blessed Mother?"

Oh, Our Lady has now thrown - I didn't count them, but they were a great handful of beautiful red roses. They're falling down now. I don't know who will receive them, but they're special graces.

Our Lady - "You will sit back now, My child, and conserve your strength, for Jesus must speak to you in private."

[Pause]

Jesus - "There is much, My child, that cannot be given publicly at this time, for it would set you in great danger. But listen carefully."

Veronica - Oh!

Jesus - "Repeat:

"It must be known that My Mother's message they will seek to stifle, for they are not of the light. These misguided bishops and red hats, be they misguided or fallen, will not allow the world to accept My Mother's mission.

"It is sad that Her message from afar was not permitted in the medias of your country. You can fully understand, My child, how controlled now your medias are.

"Pray much, pray that they do not take the Sacrifice from among you, for the abomination of desolation lies ahead!
"I have watched carefully the actions of Our clergy in My houses throughout the world, and found many wanting.

SACRIFICE OF MASS NOT A MEAL

"The true Sacrifice has been replaced by a meal! Have you forgotten My death upon the cross? You have homes to eat at. Do not come to My House to eat! When you come you are to receive the Bread of life. It is physical and supernatural. I come among you in true Presence. The enemies in My House wish to take this knowledge from among you. Pagans are in My House, abominations and filth! Cleanse My House of this filth! I shall not tolerate your actions and conduct much longer!

"Men in the houses of worship, the Trinity must be made known to the children! Reverence must be taught to the children! Modesty must be given by example to the children! You have brought into My House all manners of whims and fancy, giving in to your carnal natures. Will you stand before Me as My representatives and say that your teaching has been pure in My sight? I shall spit you out and cast you into the fires!

"You fool no one. The Father sees into your heart. Or have you cast the Father aside completely, blinded yourselves with the pleasures of the world for the gain of money? Shall I be sold again as I was, with thirty pieces of silver? You are selling Me!"

Veronica - Oh, my God! Oh! Now I see a crucifix, a very large crucifix with Jesus upon it! Oh, my goodness! Oh, there's blood all over! It looks like He's been torn to shreds! Oh, my! Oh!

Jesus - "See, My child, what sin has done to Me! Is there no one in My House who will stand forward and fight for Me? Who will place balm upon My tortured Body? You are recrucifying Me in My own House!

"Without prayer, sacrifice - return to prayer! O My misguided clergy! Prayer - pray; where are your books? You do not read the books of your God. You have given yourselves to the world. Pray; get down on your knees!

"My child, the warning has almost finished its tour of your earth. Already My Mother has imparted to you the knowledge of what will happen at the completion of this tour. You will now consecrate yourself, your families, and those you love; consecrate them to the Sacred and Immaculate Heart of My Mother, for We have given unto Her great powers for the salvation of souls. Many will seek to dethrone My Mother. Many will cast Her aside, but sadly they shall be lost.

"You ask, My child, for more strength. Accept what is given to you, for there is reason. Your work will not slacken. Many arms will be sent to you.

"You must not go into any hospital at this time. Remember what I have said to you. You must not go into any hospital at this time. Do you understand, My child? I know you question My words."

Veronica - "Oh, no. I don't question them. I don't understand, but I don't question them, Jesus."

Jesus - "My child, the Father knows you love Him, and He has great confidence in you. You must be most careful when you leave your home. It would be best to have a companion.

"Now you will sit back and await the completion of the prayers, and I will bless the sacramentals brought to these sacred grounds by My beloved children."

[Pause]

Veronica - All who are able please kneel, because Jesus is going to bless the sacramentals. Now Jesus is coming over to the right side of the flagpole. If you look, I believe you can see that the whole - our right side of the flagpole is all lit up with a very pale blue, but beautiful light, and Jesus is standing there. He has His hand raised in front of Him, like this, with the three fingers, and now He's looking down and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus says:

Jesus - "Repeat, My child. I bless you as the Father blesses you, as the Holy Ghost blesses you. In the name of the Father, and of the Holy Ghost. Amen."

Veronica - Now Jesus is going over, and He's going over to the left side of the flagpole. Now it's a little windy and Jesus now is gathering His cloak. His cloak is red, burgundy colored, and He's putting it over His left arm. It looks very heavy, like it may be made of, of satin. And He's shaking His head yes, Jesus.

Now Jesus has on these brown sandals. I can see the brown, skin-like sandals. And Jesus has a beige-colored gown on. It's very loose; it has sleeves down to His . . . it goes just a little below His wrists, the cuff. Oh, On Jesus' wrists - I can see the marks of the nails on His wrists.

Now Jesus is placing His hand out in front of Him and He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking down and He's smiling. He's just standing above the Michael banner. Oh, just about a foot above it. And He's looking down now and He's facing towards the trees and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children. My Mother has come, through the wish of the Father, as a Mediatrix for you and the Father, a Mediatrix between God and man. Therefore, know that many graces of cure and conversion will be dispensed freely for the asking. Accept the will of the Father. There will be many cures and conversions as time progresses to the ultimate climax of the battle."

Veronica - Now Jesus is raising His hand now - they're not together, but He is placing His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is bending over and He's making the sign of the cross on Our Lady's wooden cross. Oh, in the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Jesus - "Continue, My children, with your prayers of atonement. Your city will be in great distress, as will your nation. Many prayers are needed, many acts of sacrifice and atonement. There will be many victim souls among you."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

September 7, 1974

Eve of the Nativity of Our Lady

Veronica - The sky is very dark, but now there is a light coming from a great distance. It's making the sky turn into - it looks like almost a large, huge picture.

THE BIRTH OF OUR LADY

I see a very poor-looking home. "An abode," Our Lady says, an abode. It is the house in which She was born. I see a house, a small room. The house consists of two rooms, one large one that has a - what must be what we would call a stove today. It's made of rocks, and is at the left side of the wall, and there's an iron rod, a metal rod (I would think it's iron) that hangs across from the top above these groupings of rocks. And there is a metal kettle - it's a pot that's sitting between the rocks, suspended from this iron rod that's held in place, I notice - it's almost like a fireplace - supported by other rocks. The rod seems to be placed in between two walls, hanging over what must be the cooking area. And off to the right, I see a table. It's made of one piece of very rough-looking wood. And the legs are crossed, like diagonally crossed, and they're holding up the two - four pieces of wood, holding up the structure of the table.

Now on the table there are sheetings, I notice, of muslin-looking cloth. Now there's a man - he's coming out, and he's falling to his knees. He's an elderly man, with his head bowed, and he's falling to his knees now. And there's a voice calling to him, and now he is grabbing these pieces of linen from the table and going into the small room that's over by the left side of the large room.

Oh, there's a lady - oh, she's lying in the bed, and there are two women with her, and they're holding now - oh, it's a baby! Oh, there are two women there and they are smiling. And the woman in the bed looks very tired. She's elderly, quite elderly. Oh, it's obvious that she has given birth to the baby.

Now all about her bed there's a great light shining, and off to the left now I see the figures of two - oh, they're angels, very huge figures to the left of the bed. Now the woman on the bed, she - though she's tired, she looks very happy, very serene and happy. I would say her age must be near fifty or over, in her early fifties. And the two women, they are speaking in a foreign tongue, but I know that they are saying: "The Lord has given you this gift to treasure, for it is the fulfillment of the prophecy. Your life - "

Oh, the voice is coming from the two angels that are standing - the sound seems to be coming simultaneously from both of them, the sound of them both saying together: "The start of the prophecy. Your lives are filled with joy. The start of a prophecy, the fulfillment of the Father."

Now the man - he has a beard, and he's quite elderly. And he's carrying now the bundle. It's a very small child, newborn child, and he's sitting down now on a wooden bench, and the tears are rolling down his face; he's crying. And he's saying: "I am not worthy of this great joy, this gift from the Father." And he's holding the baby very close to him.

Now it's growing very dark; I can't see much. I can't see much now; it's growing very dark.

Now over to the right side there's a great light coming down towards the middle of the flagpole, on the right side. Oh, it's Our Lady! Oh, Our Lady is dressed beautifully. She's all in white, and about Her head is a beautiful circlet of stars. Oh, She is so beautiful! Now She's coming, She's floating down, just above the Michael statue and over the banners. Oh, She's going to step on the banner if She comes any closer.

Oh, Our Lady looks very dainty. She looks very young. She's dressed all in white, and about Her cloak is a golden trim of all gold, and a circlet of light and diamonds is - well, it's stars about Her head.

Now Our Lady is reaching to Her side, and oh, She has Her beautiful Rosary, the one with the huge white beads and the golden Our Fathers. Now Our Lady is saying very softly:

Our Lady - "My child, you have witnessed My humble birth. From the time of My arrival My godly parents brought Me to the temple."

Veronica - Now Our Lady is going over to the left side of the flagpole. Now coming down from the sky are two figures. Oh, I can see them clearly now. Oh, it's - oh, and there are two following behind. And Our Lady is saying:

Our Lady - "Two generations, My child, of goodness and prophecy."

Veronica - Now I recognize them. It's Our Lady's family. It's Her mother and father, Joachim and Anne. And also Her grandparents. Oh, they look so very, very happy. And Our Lady is pointing up to them.

Our Lady - "My child, the example - if We could only return to your world the example given by all who have passed on into the Kingdom.

"The pages of the Book of life are turning much too fast, My child. The evil is accelerating. You must make every effort to increase the prayers upon earth. You must expect to meet with much opposition, for the forces of evil are great.

"I have warned you in the past. My Son has cautioned you. Beware of an evil force that surrounds a shrine of purity. They will try to stop you with all cunning and deception. Call upon your guardians, the archangels, and Tusazeri often. Pray for the light, My child, pray for the light.

"The photographs given to you must be examined with much care. They are given for reason. I must caution you, My child, not to reveal all that is hidden within them. You must use prudence in this matter.

"The Message that comes from Heaven, My child, is for all mankind, for when the Warning and Chastisement comes upon you, it is all mankind that shall feel its effects. Many will die in the great flame of the Ball of Redemption. Pray much that those who laugh and cast aside My warning will be brought out of the darkness in time to save their souls.

"You must hasten, My child, as the time grows short, to warn Our clergy that they must not follow the plan of satan. There is a great delusion sent upon them. In the ranks of Our clergy and in the ruling bodies of My Son's houses, there are many who have fallen to satan. Can I deny this truth and allow you to go as sheep into the slaughtering pit? No, My children! My voice cries out from your sacred grounds. I have been sent throughout the world as a Mediatrix between God and mankind. I have been shut out of many places. My voice has not carried far. However, My children, the awakening will be soon, and it will be a sad day and night for many.

"Many follow because they are misled, My child. When they are given the knowledge of the truth and the blindness is removed from them, they, too, will come into the light. Pray much, for with prayer many souls will be recovered. These prayers must not be without acts of sacrifice and works. For what good are good words without work? For these words, unless they go forward to mankind, it is, My child, like placing meat on a dead man's grave.

"Fear, My child - there is nothing to fear. Face fear and it will disappear.

"I have asked many times that the leaders in My Son's houses watch carefully those in their charge. There has entered upon them a delusion. You must not be sucked into the octopus hands of those who seek to destroy My Son's House, His Church! They come to you as angels of light, with honeyed words and their acts of piety that are surface. However, within you find the blackened heart and the evil intent.

"There are many now, agents of satan. They were, My child, in the synagogues of My time and they are now in the synagogues of your time. However, they are not true men of God; therefore, I shall call them the synagogue of satan. They neither honor their God - they have set themselves to honor man! God has no place in their lives. Man shall be a creature for worship!

"Detach yourselves from these secret societies! Do not be fooled by their honeyed words of humanism and modernism, brotherhood and love, love, love. So many words of love do We hear, and what do you breed but hate and murder! By your fruits will you be known.

"Many have joined these societies not knowing their true intent. Investigate; do not be misled by the wealth that is offered to you in worldly goods and worldly enjoyment. Dig deep into the reality of their existence and know that they seek your destruction from within.

EXCOMMUNICATION FOR JOINING SECRET SOCIETIES

"It is under the pain of sin and demand from the Father in Heaven of excommunication all those who enter into the secret societies of the synagogues of satan - the sons of satan.

"You do not understand, My child, fully, My words. The world as created by the Father was to be a place of goodness and paradise, But your first father and mother sinned against the Father and had to then make his life upon earth a constant battle against the enemies of the Father, to make his way back to the Kingdom of Heaven.

"My Son is ever present in the Eucharist and the tabernacles of the world. If you continue on your present course, these tabernacles will be removed from among you. Pray, pray much that you receive the light to know the road that is being paved for your country and the world.

"The children of God will face enslavement by the enemies of God, known as your world Christianity, unless you pray and carry the banner of Faithful and True to God the Father.

"My children, I cry to you as a Mother. Do not deny Me this chance to reach you by removing Me from among you. I have come to direct you so that many souls destined for the abyss will be retrieved. We have watched with joyous hearts the recovery of many, and We have watched with saddened hearts as many fell into the abyss.

"Death will be commonplace in your world. Many children will be removed from among you. The agents of hell will multiply. Pray, for prayer is the greatest weapon given to you now to remove this evil from among you.

"My child, the warnings were given in your past earth life by many, for the spirit of truth was given to many to leave with you. But these memories, these words of truth, and the parchments on which they were written are being removed from among you and replaced by the writings from hell! I repeat 'hell,' for, My child, We do not hear the word being used often. Hell

and purgatory and the Kingdom of God - why have you forgotten these words? The enemies of God have done their work well among you. Come out of the darkness!

"Nothing is hidden from the Father. He looks into the hearts of all. Know that the Kingdom of Heaven awaits all, but none will enter unless he repents of his sin and makes restitution for the damages to mankind. I say these words, My child, for you to repeat for those with the power to damage and destroy.

"Pastors, shepherds of the flock, cleanse your House now while you have the time, for a House in darkness, a Church in darkness, wears a band of death about it! All that is rotten will fall! Wake up from your sleep! Take the blindness from your eyes and follow the truth given to you in your vocation. You have only one answer: reverse yourself from your present course of destruction. Recognize the faces of evil about you. Satan has many faces and agents. They will come in human form to destroy. The cunning and the dexterity of satan - there are no bounds that he will not use to claim a soul."

VISION OF HELL

Veronica - Oh, my goodness! I see - oh, It's a stench! The odor is so horrible! I see a huge pit, and it's real burning. The walls are orange and burning hot. Oh! Oh, and I see these horrible creatures; they're clinging to the sides of the rocks. Some have wings on them with horrible - they look almost human; half human, half animal, but they have pointed ears. And they have . . . oh, my God!

"Please, Blessed Mother, take me out of here!"

Oh, my God! They have feet that look like claws, and arms with hair, but they also - the fingers have long fingernails; they're like claws. And they have the most horrible grinning expressions on their faces.

Now I see, I see bodies of humans falling, fall - as they fall they're starting to glow. They're glowing like an orange color, like coals. And they're screaming, "Help! Mercy! Mercy! Too late! Too late!" Oh! Oh, my God! And I see they're going so fast - I don't know where they're falling from. They seem to be raining, like almost from the sky, into this pit. And I see - oh, my God! I see some are priests. Oh! Oh! And I see one, he has a - oh, my God! - a cardinal's hat on his head; and there are three - now I can count them, they're three - they have mitres on their heads. Oh, my God! Oh, it's so horrible! The heat is so great, and the stench! I feel like I'm just burning.

"Oh, Blessed Mother!"

Now I'm going up higher. The air is clearer. It's not so heavy. Oh! Oh, now it's becoming brighter. Oh, I'm so glad. Oh! Oh!

Our Lady - "My child - "

Veronica - Our Blessed Mother now is taking me - I feel like I'm all filled with sweat, the heat is so great!

Now Our Lady is looking at me sadly, and then moving over to the right side of the flagpole. I can see the black hole now. Oh!

Our Lady - "My child, you have viewed the poor souls lost forever into eternity.

"Come with Me, My child, and look."

VISION OF PURGATORY

Veronica - Oh, I'm looking down now into another pit; it's like the very ground is opening up. And I see a very dark place, but it's bright on the top. But we're going down further and I see people, but they're glowing also. Now down, down, deep down into the hole, I see - it's like a void, and I see people sitting there. Some are orange, others are just starting to turn orange in color. And they're crying. I can hear words. They're all in a horrible anguish, and I hear two - I think they're speaking to each other, "Oh, if we could only go back and tell. If we could only reveal to those on earth what we now are living."

And now Our Lady is taking my hand. We're just floating; we're floating up around this large, big pit.

Our Lady - "You see, My child, the place of waiting, the place of cleansing. Very few escape waiting."

Veronica - It is purgatory. There seems to be various levels as I look down. On the top, the place I would rather stand.

"Our Lady, let me go up, a little further up. It's not the terrible feeling of anguish."

"It's not so bad here, Our Lady. It's brighter and brighter."

Our Lady - "That, My child, is because the human soul knows that its release is near."

Veronica - Now Our Lady is taking my hand, and we're floating up, up, and Our Lady is pointing up to the sky. Oh, and there's a beautiful, great light in the sky.

Our Lady - "My child, that is where all mankind should strive to reach. Beyond the farthest star is an eternity of happiness with the Father in the Kingdom of Heaven. Is it worth, My child, for any man to make the decision of living upon earth, so short in years, a life offensive to the Father that he cannot enter then into the Kingdom of God? Shall you trade your souls for worldly gain and the few short years of pleasure - the destruction of your soul upon earth?

"My tears are great, My child, for so few search for the truth. And so many are taking this truth from among them.

"Believe, believe, My children, and you will be given the way. Seek and you shall find. Ask and it will be given to you. However, you must care, My children. You must want to come to Us. No love can be forced upon you.

SACRED GROUNDS A CENTER OF ATONEMENT

"I have asked for these grounds to be consecrated for the recovery of souls. I have asked that the clergy, who have been given this sacred duty to the Father, preserve these sacred grounds as a shrine, a center of atonement. The balance for your nation and your state, My child, lies with the prayers that come to Us from your country and the world.

"The enemies of the Father have worked well to remove Me, My children, from among you. Keep the monuments, the statues, in your homes. Recover the old Testaments and Books that are being cast into the fires and destroyed and replaced with the works of satan. Read these good Books of old to your children. Keep the Faith in the hearts of those you love, for you will find satan sending his agents to your doors. Guard your families with the sacramentals given to you. Pray a constant vigilance of prayer, My children. I cannot caution you enough. My voice grows weak. My years on earth-time grow short. I come to you, My arms filled with graces - graces for the asking, graces in abundance, graces for cure and conversion.

"Eternal life is the reward for those who will stand fast in the Faith and defend My Son. Your earthly body will all be consigned to the dust. So why should you care more for the pleasures of the flesh and the living of your earthly body when you can gain the Kingdom of Heaven by a short sacrifice, My child?

"I repeat, My child - and listen well and ponder upon My words: Mankind must now reverse his present course. The truth, the light is dim throughout your world. The agents of satan will seek to try to remove from among you your religion of truth.

"I have said before, My child, and I will repeat again: You will find the world engrossed in not only a worldly war of the flesh, but one of the spirit, a war of religion. You will all carry the banner Faithful and True, knowing that the ultimate victory will be with My Son.

"How foolish are those who think that they shall set themselves above the Father, their Creator! Have they not learned their lesson from the past? Lucifer and his agents, they were cast out of the Kingdom! Do you think that you will enter when you deny the Father upon earth? No! You will claim your just reward with satan in his kingdom. Hell, an eternity of hell awaits all who desecrate and deny the existence of the Father in My Son and in the Holy Spirit.

"Compassion, My child, shall be a word unknown soon. Mercy and kindness - that, too, will disappear as iniquity will grow to such great extremes that mankind shall barricade himself to escape it.

"I say that compassion and mercy shall disappear, for many will use those words only as words to gain their true cause, the destruction of a human soul.

"Pray much, My child; persevere in your mission. The Message from Heaven will reach throughout the world. Use the word common to your human nature, the Revelation. The apocalyptic days are upon you. All must read the Book of life. Do not accept any printings after the year of 1965. For if you do, you must pray for the light so that you will not be deceived.

"You will now, My child, be seated and await My Son."

[Pause]

DEMON 6

Veronica - Letters are coming out in the sky now. They are large letters: "PERSECUTION, PERSECUTION OF THE MYSTICAL BODY." It's written: "PERSECUTION OF THE MYSTICAL BODY OF CHRIST. DEMON 6 IS BEING RELEASED."

Our Lady - "There will be many among you who will claim to be the Christ. Remember, My children, My Son shall return only the way He left. As He ascended into the heavens, He will come down, return, descend from the heavens with the armies of Heaven behind Him. Accept none who will pass themselves off to you as the Christ, the living God! Reject these creatures of hell in human form. Reject them, though they may come to you with great powers of satan.

"Number 6 - beware of the Antichrist among you - number 6! He will promote now the Third World War, the great war of destruction to mankind - a war that has never been met with a sequel upon mankind, a war of destruction so great that countries shall disappear in a fraction of a second. So great will be the power of 6 that he shall start this war!

"The Father watches, My child. Man leads himself onto the road of his own destruction. Satan has deceived mankind and placed into his hands the means for his own destruction - not only of his soul eternal, but his human body. Many bodies will be burned, leaving bones exposed."

Veronica - Now Our Lady is coming forward, and She's raising Her hand. Oh, She has Her large golden crucifix on the end of Her Rosary, and She's raising it and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Continue, My children, with your prayers."

[Pause]

"My child, I wish to clarify this with you: When I speak to you of these secret societies, know that there are many now. The numbers are far greater than you know that have entered into them. Some go as they think they have reached a place of esteem. Many have been baptized, destined for the Kingdom of the Father. However, warn them, My child, that they are in great danger of losing this precious gift. Recognize the deception within these societies. They do much good, but the evil, the true purpose beneath this good, is abominable, for it seeks to remove from among you God the Father and all knowledge of His Being.

"The saddest fact, My child, is this great army of satan seeks to destroy My Son's Church, and will use its own members to try to destroy. However, the foundation is My Son. It will never be destroyed. But the walls can crumble, and the numbers of souls lost will be counted in the many. For only a few will be saved!

"What have you to gain, My children, if you gain the whole world and lose your soul? Think! Ponder! Save your soul and the souls of those you love!

"Many have cast aside and will not be given the chance to make this recovery, My child. That is why you have watched and felt My tears falling upon mankind.

"The Father will chastise those He loves. Many will return in this hardship. Know that the Ball of Redemption is a reality that will come upon your world. The Ball of Redemption nears.

"Remember the power of prayer. Enter and be with My Son at the tabernacles throughout your world. He is lonely. The doors are shut. Many receive Him with dishonor in their hearts. Many make Us turn Our faces in embarrassment and shame, My child, for the desecration being committed within the houses of My Son are many.

"A great portion, a great measure of responsibility lies with the parents for the saving of their children's souls.

"Persevere, My children, My child, in the days ahead.

"The agents of satan have gained control in the major medias of your country. The great eagle has been plucked. It will not rise again unless a major miracle of return to the Father, return to Faith, is accomplished.

"You will, My child, bar your doors to all but your immediate family and trusted workers. I cannot caution you enough. Heed My words, My child. Never doubt the Message from Heaven, for you are guarded by the angels but have a free will. And sadly, My child, if you do not follow the direction given you, you must accept the consequences."

Veronica - Now I see going across the sky - oh, they're horses. There's a white horse and a red horse - strange colors for horses, white and red. They're galloping. Oh, they're going very fast across the sky. And then there's a black horse. Oh, and then next to the black horse there's a large - it looks like a question mark, a question mark next to the black horse. Now next to the question mark, there's a very strange figure coming out; it looks like a clenched fist. It looks like somebody is shaking their fist, like this. Right next to the question mark - looks like a sickle, and there is a large hand, but the hand is blue and black. It's like a black hand, and it's held over like this.

"I don't know what it means, Blessed Mother."

Our Lady - "You will, My child, in the future.

"Yes, My child, they have placed a price upon your head. However, do not fear for you have your armor."

Veronica - "No, I'm not afraid. I'm just scared!"

Our Lady - "There is nothing, My child, that you must fear. All you must fear is for the attacks of satan and his seduction of souls. Remember My words to you before: your family is the world. As a messenger for Heaven, your family is the world, the world of human beings. It is a great task, but there are many with you. The word of God shall go throughout the world and then will come the darkness.

"The greatest knowledge, My child, is the eventual victory and reign of My Son upon earth. There will be great trials. Many will fall by the wayside, unable to carry their crosses. Many will choose the easy road. But keep a steady course, for My Son is at the helm. Know, My child, that the bark of Peter flounders, but My Son is at the helm. Those who are asleep will be awakened. Pray for those in darkness that they may come into the light, My child."

Veronica - Now it's growing very dark. Our Lady is moving over to the right side of the flagpole, over the trees.

Our Lady - "Do not look startled, My child. I am not leaving. I will be here now until My Son comes."

POPE PIUS X

Veronica - And above - now Our Lady is pointing up. Oh, Michael is standing just above Our Lady, over by the trees on the right side. He's holding the balance in his hand, in his right hand, and he has his large spear in his left hand. He's standing above Our Lady. And next to him is a man; he's an elderly man. Oh, he's got beautiful robes on, and I notice on his head he has a tiara. He must be a Pope. And now he looks - he's very kindly looking. And He's shaking his head. He is a Pope. Oh! Oh, above him now is written "Pius X." And he's shaking his head. It's Pius X, Pope Pius X? Oh!

Pope Pius X - "I recognized, my child, the evils that were to fall upon the world. Search for the knowledge I have left to you. I, too, was enlightened by the Holy Spirit. Read well the legacy of truth that I left to you. Modernism must be erased from your world!"

Veronica - Now Michael is coming over to - he's standing above the flagpole, and he's looking down. He looks quite stern.

St. Michael - "Harken to my words, O man of sin! You shall not defile or defame the Mother of God, the woman of virtue and purity whom you seek to dethrone in Her place among you. Vengeance, the saints cry out for vengeance! How long will you survive the Ball of Redemption?"

Veronica - Oh, my goodness! Oh, there's - up in the sky, there's that tremendous thing, a ball of fire. It looks like another giant sun. Oh, my! It looks like a giant sun; it's so big! And it's spinning. There are two suns! It looks just like two suns. They're almost the same size. Oh, the one on the left is spinning, though; it's heading towards the other one. Oh, my! Oh, it's like two suns in the sky. They're tremendous! Oh, the ball on the left is coming very fast. It's an absolute ball of fire, and it's giving out like trails of gases, like it's vapors, because they're not solid. It's like flames and smoke and vapors. Oh! Oh, my!

Now it's growing very dark, and Our Lady now is coming forward. The light is very bright upon Our Lady over by the trees. She looks so beautiful! Now Our Lady is motioning to sit back.

Our Lady - "Continue now and join the prayers, My child, for many are needed."

[Pause]

Veronica - The prayers must continue, for Jesus is on the right side of the flagpole. Beautiful! He's smiling, but - He has on a burgundy-colored robe. But Jesus now is touching His lips. I can't talk now.

Jesus - "You will make it known to the world that those whom I have chosen to be shepherds of My flock will suffer greatly in the days ahead. However, they must guide by the light those who have not in earthly training. For My priesthood have been given the knowledge of truth. They must live this life; they must not give themselves to the world. For at this present time, My children, My houses upon earth are being opened to all the agents of hell. You must cleanse My House now, or you will have to close your doors.

"You must not unite with the forces of evil. Be not deluded. You must not compromise the Faith!"

Veronica - Now Jesus is coming down. He's looking down upon the people. And now Jesus is coming over, and He's standing now by the left side of the flagpole. Now He's coming down and standing above the banner of Michael.

Now Jesus is dressed as before I described, but He did not want the prayers interrupted. Jesus has on a burgundy-colored robe; it's an outer covering. And He's barefooted. And I can see, I can see the great holes - it's almost like holes. It seems like the light is shining upon them, and I can see the terrible holes in His feet, right at the insteps. The one on His left foot seems to be down closer to His toes. They're very, very painful looking.

Now Jesus is placing His hand out in front of Him, like this, and His hand - the fingers are being brought together, like this, the three fingers. And now He is placing His hand out in front and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning over, and He is smiling down. And He is placing His hand out, like this. And there are lights coming out of His hands. They are very, very bright. Oh, they're very bright! I see the rays - they're like extremely white lights, very bright, coming down now onto the grounds. And Jesus now is smiling, and the lights are very bright.

Jesus - "Strength and fortitude. Strength and fortitude."

Veronica - Jesus repeated twice: "Strength and fortitude."

Jesus - "Piety and chastity. Piety and chastity."

Veronica - Now Jesus is rising a little higher over the Michael banner. And He's coming over now to the right side of the flagpole. He's smiling. Jesus looks very peaceful. Oh, there's a feeling of such joy and peace that comes over me that - oh, there's . . . I can't explain it.

Jesus - "My child, there is no human way you could explain the mysteries of Heaven."

Veronica - And now Jesus is smiling. And now He is placing His hand down again, like this, and the rays are coming down on the right side. Oh, they're so bright! I can't look into them, they are so bright. Oh, I'm trying to count through Jesus' fingers how the rays, how many there are: one, two, three, four, five, six, seven rays. Oh, they're just beautiful! They're going right down. Now they're almost turning a pink, down onto the grounds and across, back, back, back over the trees into the street. Oh!

Now they seem to be just disintegrating; they're like evaporating. And now Jesus has placed His hand down, and now He's placing it in front of Him, and He is looking down and making, with His three fingers together, the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you, My children: In the name of the Father, and of the Holy Ghost. Continue with your prayers of atonement.

"Strength and courage, perseverance in prayer. Acts of sacrifice will be needed in the days ahead. Do not follow the ways of mankind. The truth has been given to you. Live in the light. Do not cast your souls into the darkness."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is floating up. Oh, He's floating up, up, up to the . . . He's almost next to the top of the flagpole. Oh, and Our Lady now is coming from over behind the trees. And Our Lady is standing next to Jesus. Our Lady comes up to about His shoulder, a little below His shoulder. And oh, the light is so bright about Them! It's beautiful!

Now Jesus is bending down.

Jesus - "Continue with your good prayers, My children."

Veronica - Oh! In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

September 13, 1974

Exaltation of the Holy Cross and Eve of Our Lady of Sorrows

Veronica - There's a great light now coming just beyond the trees. Oh, it's making the area very, very bright. Oh, it's just beautiful! The light is white; it doesn't have the blue tint. Now coming through the light I see . . . oh, it's Michael. Oh, it's Saint Michael. He has on a short outfit, though, with laced-like leggings, they look like, up his legs. And he's looking down now. He's carrying a very long spear, and the balance is in his left hand. Now he's coming forward. Oh, Michael is very, very big. Oh, he covers almost the whole sky, but he doesn't look out of proportion.

St. Michael - "My child, the Queen of Heaven and of earth, the Mediatrix between God and man, has prepared you well.

"The saints and those who were washed clean by the blood of martyrdom, they join all in Heaven crying for vengeance against deceitful mankind and the abominations that offend the Eternal Father - abominations in the House of God!

"Mankind, entering into deep darkness, has set himself to remove from among you the knowledge of the supernatural. In this manner will you fall more easily into the darkness and eventual destruction of the abyss!

"You will listen and follow the direction of the Queen of Heaven or you will receive a just recompense. The punishment that will be visited upon mankind shall be meted in accordance with the sins and abominations in the House of God and in the heart of man."

Veronica - Now the sky is opening up. It's just like a curtain pulling back. I can see dark, very dark clouds rolling. And they're opening up, and - oh, Our Lady is coming forward. Oh, She looks so beautiful! Our Lady is standing over at the left side of the flagpole. She's coming forward very quickly.

Now on Her feet, as the wind is catching Her gown, I can see Our Lady has golden slippers. And on each toe - not the toe, but the tip of Her slipper, there is a golden rose. Our Lady - Her feet look very dainty in the slippers. She looks so beautiful. With the light about Her, Our Lady, Her gown looks very, very white. And the light is catching the trim of Her cloak that covers Her head. It goes all the way across Her head, down Her shoulders and to Her feet. It's like a coat, an over covering.

Our Lady has at Her side a Rosary. Oh, it's the white Rosary with the golden Our Fathers. Now Our Lady is removing it from about Her waist. She has what Our Lady is calling "a girdle, My child, about the waist." A girdle, like a belt, but Our Lady called it a girdle about the waist.

Now Our Lady is extending Her Rosary in one hand, like this, forward. Now She is reaching into the folds of Her dress, and She's holding up - oh, Our Lady is holding up a Scapular, a brown Scapular. Oh, it's a very large brown Scapular, so that I can see the picture on it, of Our Lady holding the Infant Jesus. Oh, it's very pronounced. Now Our Lady is leaning forward.

Our Lady - "My child, this is your armor and the armor for all mankind. With these sacramentals We will withstand the onslaughts of satan and his agents. Yes, My child, the agents of hell, the demons from the abyss always gather outside of a shrine of purity. They never sleep.

TRANSPORTS FROM HELL

"It has been deemed necessary by the Father to give unto you a photograph of the transports from hell. You will inform your men of knowledge - scientists - that the vehicles known as UFOs are but transports from hell sent to deceive and confuse mankind and set him in quest of another world that does not exist.

"Your protector and the guardian of your Faith has not been entered into the houses of My Son. Know that you will defeat yourselves with this action. Michael must be entered into the prayers and hearts of mankind. All clergy, all shepherds of the flock, must praise the Father through His guardian, Michael. You must return Michael in your prayers after the Holy Sacrifice!

"Men of God, have you forgotten your vows? Intellectual pride, My child, has set mankind onto the road to his own destruction.

"Your country, My child, is in a desperate state of soul. Without a major change or an intervention from the Father, many souls will be lost. Pray a constant vigilance of prayer. Pray that satan does not enter into your homes and claiming your children. Many mothers will cry bitter tears of anguish - too late, too late! Prepare now for what lies ahead.

"Your country, My child, and the countries of earth have become cesspools of sin. Your leaders are worshipping the creation of their hands. They seek power to destroy. They will set up among themselves a church of man, excluding My Son from among them. Satan shall sit upon the altars of My Son's houses. Pray, pray, My child; desperate days face mankind!

"The plan for the capitulation and ultimate fall of your country, America the beautiful, desecrated for gain - the plan is evolving fast. Your government, your media have given themselves unto the agents of satan.

"Yes, My child, if man had prayed more and turned to the Father, much could have been avoided. Man has been given a free will; and it is in the plan of the Father that he, as man and human, will seek his eventual life in the Kingdom of God, or with satan in the abyss.

"You will pray much for your leaders in your government. Corruption and deceit abound in your country.

"It is sad, My child. I am truly the Mother of great sorrow! Knives pierce My heart. I cry tears of blood."

Veronica - Oh! Oh, now there's blood! Our Lady now is extending Her Rosary out, and there's blood now coming from Her face, from Her eyes, down onto Her gown - oh, so much that the gown is now stained red! Oh! Oh! Oh! [Veronica cries.]

Our Lady - "My child, you cannot wipe away these tears of blood. The blood of the martyrs of old and the martyrs of the future shall be with you.

"My child, there are many armies given the light of knowledge to bring to mankind the truth in faith. Work and pray much. You will be sent many arms to aid you in this crusade of light against the darkness of satan.

"I have told you in the past, and I must repeat, My child: a heavy cross will be carried by all who will stand fast in the Faith with My Son. You, My child, and others who will set the example for those who will be saved, must accept a life of martyrdom. You will be scorned, you will be ridiculed and you must, My children, be different. Were you of the world, you would be accepted; but now that the Father extends to you the grace to be of the light, you will be rejected by your world which is now in the hands of satan. His time grows short. He works fast for the souls! You must increase your lives of prayer and sacrifice.

"There are many traitors, enemies of the Father in Heaven, in My Son's houses. They will fall like rotten fruit as We shake the trees, on that day when My Son shall set all to right. All that is rotten will fall! A good tree will not bear bad fruit. By their fruits will they be known to you.

"Do not, My child and My children, be deceived by the faces of evil who come to you as angels of light but are ravenous wolves seeking to corrupt and destroy.

DAYS OF TRIAL AHEAD

"My Son is a firm foundation. His House will go through much trial but will never be destroyed. Before the House of My Son shall fall, mankind shall be cleansed with fire. The sun shall scorch your earth and the skin will burn and dry up and blow off the bones as though it had never been. Eyes will see and many will still not believe, so weak is the faith! When My Son returns, shall He find, My child, even a flicker of faith left? The numbers saved will be counted in the few. Pray, pray much, My child. Days of great trial are ahead.

"The leaders in My Son's houses upon earth, those who represent Him, must set a better example as shepherds. Shall you stand before My Son, shall you as shepherds stand before Him and say that your teaching has been clean in His sight? No! He will see through you and cast you into the fires of hell!

"The warning has come late for many, My child. Others have hardened their hearts and their eyes are blinded, as they have given themselves to the pleasures of the flesh and the riches of the world. Many have sold their souls to get to the head.

"My Son's houses, My child, the churches of earth, are on troubled seas. He stands fast at the helm. Do not abandon Him! Pray, pray that they do not remove from among you His tabernacles. Listen, My children, I have a message of great importance that you learn. Listen well!

"You must pray for the leaders of your country. Pray that those who come to despoil and destroy will be removed in time that your country may be saved from the punishment, the Chastisement planned by the Father.

"There is only, My children, one road to enter into the Kingdom of Heaven. It is through My Son, in the Father.

"All who deny My Son as the risen Christ, they are of the Antichrist and are against My Son and His houses on earth. Do not join them by the deceitful ways of satan that you call brotherhood and love. Seek beneath the surface for the truth!

"Satan is the father of all liars. Many in your government, My children, are liars, for they have joined the synagogue of satan. Pray, pray that they change and mend their ways so that your beautiful country will not join those who have been given over to the enemies of God.

"For money, the world bargains for souls. For money, many shall lose the Faith. For money, many will sell out their trust as pastors. For money, your country and the countries of the world shall bring themselves to the edge of destruction by the promotion of a great War, a war that will affect the lives of every man, woman, and child.

"It will be a time of great tribulation for all, a tribulation so great that were not My Son to take pity on you and intervene, no life would remain upon your planet. Pray, pray, My children, for you do not know what lies ahead of you.

FORCES OF SATAN IN UNITED NATIONS

"It is in the direction of the Eternal Father that you remove from your country the forces of satan now running rampant in the grouping you call the United Nations.

"You must as a nation take yourself away from this group of satan. You have opened your doors to the enemies of God! These enemies do not defend you, but they wait to pounce upon you like vultures! They are bringing you down to your knees now, My children. Like vultures, they will await their time.

"I shall not, My child, be repetitious in My speech of the many abominations and atrocities that condemn the souls of mankind to hell. In purity of heart, in purity of spirit, redeem yourselves by coming to My Son in belief. Believe and you will be given the way."

Veronica - I see that black horse now. It's a horse - it's galloping right across the sky now. It's a black horse, and there's a horrible-looking man upon it. He's dressed all in black. He looks like an executioner, because he's got a - it looks like a grass cutter; it's like a Y-shaped hoe, sort of. He's the reaper. Reaper! The word "REAPER" is written over the sky, over his head. "DEATH, FAMINE, STARVATION." All the words are written now in the sky. Oh! Oh, my! He's galloping fast across the sky. Now I can't see him anymore. He's gone beyond the trees. Oh.

"Oh, Blessed Mother."

Our Lady - "The enemies within your house, My child, will seek to silence you. Do not be afear'd. You are protected by one of the highest guardians in the Kingdom.

"Yes, My child, satan can kill, but only if the Father permits this for the betterment of mankind. As I gave you directions in the past, you must follow these, My child. For with your free will you must accept the consequences if you do not listen. Bar your doors to all but your immediate family and close workers. You must obtain more rest. You shall not win souls by socializing. Better that you pray, for silence is often golden. Your walls, My child, have developed ears.

"No, My child, satan cannot read your mind. This is a great grace. He can only follow your plans by your expression and outward action. Learn to communicate by the spirit, My child. Think your way to Us. Pray interiorly. Many words multiplied from the mouth do not necessarily bring you great graces. Better a few that come from the heart than constant prattle without meaning.

INDULGENCES NOT REMOVED

"Much of your Faith in graces and indulgences, My child, they have been removed. Gather the books given to you in the past. Though mankind has set himself above His God to remove these from among you, know that in the will of the Father, they have not been removed. You will receive all the numerous graces of indulgences as directed by your good leaders of old.

"Pray a constant vigilance of prayer. All who pray together will surely, My child, stay together, united against the common enemy of God. You must not, My children, compromise the Faith of My Son's House. You will not save souls by meeting them when they have fallen away and protested against the true teachings of My Son. You must bring them into His House, not tear down His House and enter upon those who have fallen and constructed another structure. No! Patch the cracks in My Son's House. Set a better example and the walls will echo to the praises of the Father and the return of many souls into the light.

"There will not be, My child, a one-world religion if there are enough prayers to offset satan's plans. We ask for many victims, victim souls who will make reparation to the Father for those offenses that are now making heavy the balance used that determines the extent of the great Chastisement upon mankind.

"Pray much. Wear your sacramentals, and go forward with your guardians."

Veronica - Now Our Lady is going over to the left side of the flagpole by the trees, and She's standing there now and extending Her Rosary with the cross. She's taking it and making the sign of the cross on the people: In the name of the Father, and of the Son, and of the Holy Ghost.

And now behind Her is Michael, and there are many, many other angels. Two in particular I recognize because they are extremely, extremely big. Oh, they are so awesome, but they don't look abnormally big. It's just that they cover the whole sky. Raphael, Gabriel. Oh!

Our Lady - "Be seated now, My child, and join in the prayers of atonement.

[Pause]

MANNA FROM HEAVEN

"I have a great secret to give to you and all those who are knowledgeable. Human food is not necessary. Know, there is a secret I reveal to you at this time. You can be nourished by the Body and Blood of My Son. For the secret, My child, is that you will be fed the manna from Heaven.

"You ask, My child, what is 'manna'? At this time, My child, let us just call it the food of the angels.

[Pause]

THE BOOK OF THE APOCALYPSE EXPLAINED

"My child, bring your seat forward. I would like to converse with you. You have followed My directions well to read the writings of the good John, Saint John, as I wish him to be known upon earth. The Father used him as an instrument to give you the knowledge of the end days. I will explain the part, My child, that puzzled you most.

"All are in symbolic form, but if you pray to the Spirit for the light, your mind will be opened to the truth. Know that there will be two phases with the closing of the Book of the Apocalypse placed on parchment by Saint John, the good John, on the island.

"There will be great trial and punishment, tribulation in the House of God, the houses of God throughout the world, and in the lay life of the human being. The fight will be a war of the spirits. The pages of the apocalyptic times must turn. All who remain after this time of great trial will join with My Son in setting up the Kingdom that I promised you, the time of great peace. It will only be with you, this great peace promised, at the return, the Second Coming of My Son, Jesus.

"After the great tribulation, the number saved will be counted in the few. They will join with My Son and continue on with a life of great joy and glory to the Father as planned in the beginning. Satan will tempt none ever more unto the time allotted given to him before the great and final judgment.

"Satan will be chained, My child, for a number of earth-years. He will no longer roam to tempt mankind. My Son shall be the Ruler upon earth; and then after this time, satan will be loosed once again to tempt mankind, as man will then evolve back into his human nature and find himself offending the Father and sinning once more.

"Then will come the general, final judgment upon mankind, the end of time. It will be at this time that there will come unto you a new Heaven and a new earth - the new Jerusalem promised from the beginning of time by the Father.

"Your spirit will return to your bodies. United will be the body and the soul. And as such, you will be set in judgment.

"That, My child, will give you a condensed knowledge of what lies in the pages I asked you to read.

"You must, My child, awaken your brothers and sisters to the fact that the days ahead have all been in the plan of the Father, knowledgeable to Him, as He knows all past, future, and present.

"Read the Book of love and life, your Bible. Do not discard these apocalyptic days, My children. Try to unravel these symbols and secrets. They are not difficult. Hidden within the pages you will find the full story of the days ahead. However, the pages will turn only as mankind deems, slowly or faster. At the present time, My child, it is like a great wind has taken the Book and blown it away, and the pages are turning faster and faster, bringing man faster to the end of his time.

"Do not be afraid, My child, to repeat all that I have made known to you. They will call you a prophet of doomsday. Ah, but, My child, how sad it will be when they recognize all that was given to them, the knowledge that they chose to cast aside, caring more for the things of their world than for the joys and treasures of Heaven that cannot ever be despoiled or removed. A life eternal with happiness and glory discarded for the pleasures of the world of satan! O My children, is it not any wonder that My tears fall! They fall as teardrops from Heaven. I am truly a Mother of great sorrow!

"Yes, My child, We hear all these words - I say words - of peace, peace, peace, and brotherhood, but man shall never find peace nor true brotherhood without his God. He shall not unite as one, the ways of the world and My Son's House, Church! Man shall not be set up as an idol to worship! The following of this course has condemned many to hell. Be they layman or wearing mitres upon their heads - they, too, have fallen into the abyss. By their free will they have chosen to offend the Father and discard the trust given to them in their vocation.

"Return My Son's House to the state of holiness and purity. Do not be silent any longer. Discipline - pastors, where is your discipline? You will not count souls by filling your coffers. Daily collections - money changers in the temple!

"The gifts from Heaven that are eternal have no price placed upon them. They are free for the asking. Ask and you will receive, My children.

"My child, there will be many armies strong with the Faith, though not with material gain or even the comforts of the human body. They will live in the spirit, neither seeking the plaudits, the praise of the world nor any worldly gain, accepting a pledge and vow of chastity and piety and poverty. We ask this in reparation for the many foolish maidens who have cast aside at this time their vows when they became the brides of Christ. They cast Him aside, divorced Him from their hearts, and sought the pleasures of the world and mankind.

"Many homes are defiled by the example of the parents. The children, innocent victims of their elders, whatever shall become of them? Pray, pray for the children! Parents, you who have heard My words of caution, protect your children, for satan has seated himself beside your door. He waits to devour your child when he leaves your home, setting agents among you.

"Your example must be one of strength and faith. Keep the faith in the hearts of those you love. For the souls who knock upon your door are to be pitied, for they wallow in evil. Pray for all men of sin."

Veronica - Now all who are able, please kneel as an act of atonement. For many do not bend the knee for Jesus during the Holy Sacrifice, Our Lady says.

Now Our Lady is pointing up and the sky is opening and - oh, Jesus is coming forward now. He has no shoes on. He has bare feet. And He has on His white gown and His cloak is a red, sort of a burgundy red cloak, and it's tied about His neck. And it must be very windy up there, too, because His cloak is blowing. And Jesus is smiling.

Now He is placing His hands out in front of Him, and the rays are coming now from His hands. They're coming down now - oh, they are so bright - on both sides of the flagpole. Oh, one of His hands is pointing - the rays are coming down over on my right side, over here. Oh, my! Oh, they are so bright. And now Jesus, on His right hand, the rays are coming also down on the left side of the flagpole. Oh, and they're turning colors now. The rays look green and blue - oh, all the colors of the rainbow. Oh, they're just beautiful! Oh!

Oh, now Jesus is going up over the flagpole, and He's coming down now by . . . just a little above the Saint Michael banner. Now Jesus is bending forward, and He is placing His fingers together, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And now Jesus is looking down.

Jesus - "I bless you, My children, as the Father blesses you in the Holy Ghost. Your prayers of atonement will bring back many who otherwise would be destined for the abyss."

Veronica - Now Jesus is going over to the left side of the flagpole, and Our Lady is with Him. Oh, She's so beautiful! There's a great light now about Our Lady's head. Oh, I notice now She has on a very small crown, a golden circlet. It's almost, though, like - almost like a crown of thorns, though. The crown is a circlet, but it's woven almost like the thorns that Jesus had in His crucifixion.

Oh, now Jesus is coming over and He's looking down. And now He's extending His hand out, like this, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And now Jesus is coming down closer.

Jesus - "My child, you will work with much haste. The time grows short. The enemy has entered into your government. Pray much for them. The demons possess many. They come in great multitudes, for they know the strength of prayer in your area. Should this be removed, your city, your state, and your country will go through a period of great suffering never seen before in this country."

Veronica - Now Jesus is moving over to the right side of the flagpole, and He's placing His hand out again. And Our Lady now is coming before Him, and She's extending Her Rosary as Jesus places His hand out. And He is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Additional graces I give unto you, My dedicated. Those who remain true to your teachings know that there is none whom you will answer to but the Father. Eternity is forever. Do not bargain your souls for the few years you have on your planet earth."

Veronica - Now Jesus is rising high. He seems to be just floating backwards. Oh, He's just carried up. And Our Lady is standing there and looking down.

Now Michael is coming from behind the trees on the right side, and behind him are beautiful - they're like children; they're small angels. They're dressed in all different colors of the rainbow. Oh, they're beautiful, they're just beautiful! Oh, and they have about their head flowers; they're floral wreaths of roses. Some are yellow. And the little angel - it looks like the figure of a little child, a girl - it looks like a girl little angel, and she has on a circlet of pink roses about her head. And then next to her is an angel dressed all in white. But that angel, a little child-like figure, has a green, leafy-looking wreath about her head.

Now Our Lady is coming forward.

RESTORE THE PROCESSIONS

Our Lady - "My child, what has happened to the processions in honor of your God and the memory of the suffering My Son? We do not see any down upon earth. Can this not be restored for the glory of Heaven?"

Veronica - Oh, Our Lady is referring to the lack of processions and outward atonement to the Father.

Our Lady - "Remember, My child, I have requested that mittens be worn in all public processions."

Veronica - Mittens are gloves, Our Lady says.

Now Our Lady is taking Her golden crucifix - Her Rosary is beautiful, the Rosary Our Lady is carrying. The beads are white, very large, but they seem almost to be a pink. They catch every turn. They're like pearls. I never saw real pearls, but they're like, I would think, pearls because they seem to catch all the colors of the rainbow as they turn, and they glow beautifully. And the Our Father - the bead must be solid gold. They're so beautiful! And the crucifix - Our Lady has a crucifix, and I don't see a corpus on it. It's a crucifix without the corpus, but . . . And now She is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And Our Lady is smiling now, and She's floating over. And Michael is behind Her and the little children angels. They're so tiny; they're like cherubims, almost. They're dressed in long gowns in different colors: pink, blue, a deep sort of an orange. A beautiful orange, a color I never saw before, but it's a combination of an orange and a brown, sort of. And now they're coming over with Our Lady. And Our Lady is bending down, and She's holding the Rosary out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "We send upon you, My children, many graces: graces of cure and graces of conversion, graces in abundance for the asking. We send forth a shower of roses upon you, and the graces will be as plentiful as the petals of the roses."

Veronica - Now Michael is coming forward, and he's standing beside Our Lady. And he says:

St. Michael - "Honor well the Mother of God, the true Mystical Rose of the Kingdom of Heaven."

Veronica - And now Michael is - now he's standing behind Our Lady, and he's placed his sword - it's like a long spear - above Our Lady's head. He said:

St. Michael - "I do this, My child, in reverence to the Queen of Heaven for the many offenses to Her Immaculate Heart being committed at this time in the hearts of mankind and upon your earth."

Veronica - Now Our Lady is going up, up, over towards the trees on the right side with Michael. Now Our Lady is bending forward.

Our Lady - "Continue, My child, with your prayers of atonement. They are sorely needed at this time."

September 28, 1974

Eve of SS. Michael, Gabriel, and Raphael

Our Lady - "Can you see Me beyond the raindrops?

"You see, My child, your worry was groundless. Face fear and it will surely disappear.

"It truly rains teardrops from Heaven. Our solution, My child, to offset the enemies of God, is not always within your comprehension. You will understand in due time. It is for the protection of all, the human needs, the human body, that We send upon you this heavy rainfall.

"I assure you, My children, you will understand that none can climb onto roofs when the rain is falling upon them. They did not count upon the power of the Father, for He truly controls the elements.

[Our Lady refers to a plan for someone to climb onto the roof of the old St. Robert's church and attempt to shoot Veronica during this vigil.]

"My child, bear with Us for a while. The rain will not continue throughout the evening. It was for your safe conduct onto My sacred grounds. Know that you will not become ill from these heavenly drops. Many graces will be received. I ask that you give these graces for the salvation of souls. I ask this in the name of a wonderful child of grace who has joined Us now from the heavenly Kingdom to fight the agents of hell loosed upon earth.

"You, My child, will make it known to the good peoples from the Province of Canada that their beloved director has joined Us in the fight. I assure you, My children, that he will have now the power to aid you far more so if he had remained a few more short years upon your earth. [Louis Even, founder and director of the Pilgrims of St. Michael, died the previous evening, Sept. 27, 1974.]

"It was the will of the Father that he join and accept the road of saintliness so that he could direct the fight against the forces of evil and darkness, the great fight that now rages upon earth. You will not cease your prayers for your departed director, for he wills that you pray to Heaven to him, for him, and these prayers shall be given to the souls in purgatory.

"You see, My child, how needless it is and what a drain to your human body to absorb yourself in worry. You must have great confidence, for you have been given much knowledge of the power of the Father. Fear is a tool of satan. I repeat: face fear and it will disappear.

"My child, satan can lead you to the brink of disaster but he cannot push you over. You must go of your own accord. And neither does satan have the power to kill. He can set the stage, the scene, but he cannot claim your life. For you, as a creature of the Creator, you may not be above Him; and neither are the angels, though fallen, that He has created. They do not have the power over life and death.

"I assure you, My child, that none will be removed unless the Father deems it necessary for the salvation of other souls.

"I have prepared you in the past, My child, for much persecution. I have not directed you falsely. All who follow My Son will carry a heavy cross. It is through suffering that you will gain a measure of perfection.

"Every moment of your life is not wasted if you will learn a lesson, a very simple lesson, on the road to sanctity. You will use every moment of your life and give up your hardships as a sacrifice, as a penance for your soul or the salvation of other souls. Think, My child, throughout the hours of your day, how many graces you may accumulate for the waiting souls in purgatory, especially those who have been abandoned by their loved ones, forgotten. For when you are out of sight, you are slowly out of mind.

REMEMBER THE POOR SOULS

"Remember these poor souls, My children, those who have been abandoned and those who no longer have anyone upon earth to pray for them. Unless you offer your sacrifices and prayers, many will have to serve long terms of waiting before entering the Kingdom. There are many, My child, without your prayers, who will be here in this place of suffering until the end of earth time.

"Man upon earth has abandoned his God. He has set up a creature, man, to worship. When man takes this course, the Father has no other recourse than to abandon him to his lust and his sins until they so multiply that he destroys himself. However, My child, it is sad that he also has the power to take others with him into the abyss. Therefore, pray; pray much - a constant vigilance of prayer, My children, for all men of sin.

"Recognize the time you are living in. Recognize the signs of your times. Read the Book of life and love as I have directed you in the past years, the Bible, and you will find that one of the founders, the founding Fathers, graced by My Son, left you words of truth. You will read in the Book of life the chapter Romans, Saint Paul's letter to the Romans. Quote, My child, in the Spirit.

"As Saint Paul wrote to the Romans, that when man has given up God and replaced Him by the creatures, he would be abandoned, allowed to go onto his path of sin.

"Since women have exchanged their roles as women, preferring to be as men, and have abandoned their true, true value of life - have abandoned their role as a mother to carry the creation of their God within their wombs, they, therefore, will also find that their husbands and sons will find rejection of women, and men will seek lustfully pleasures with men, known, My child, as homosexuality. And they will be given and abandoned to their lust, until all creatures upon earth would live in fear. Women then will find themselves turning lustful eyes to women - lesbianism, My child. And then will set in all manners of iniquity: murders, covetness, idolatry, adultery! O My child, the evil abounds upon earth!

"My child, you have been subjected to your first great trial. No, My child, We are not displeased with your reaction. It was natural. You must remember Peter. In heart he did not turn from My Son, but he spoke in words that did not bespeak of his heart, for he, too, was human. We expect much of you, My child, since much has been given to you. However, We still expect that you will fall to human failures.

"You will give all to the providence of the Father. He directs your path well in the mission you have to bring the word from Heaven to all the souls.

"Know, My child, that you are on a road to victory when you meet with much opposition. If your road was easy, know, My child, that then you have reason to worry. For as My Son was treated, man reacted in a like manner. Repeat, My child, the words of My Son:

"If I was of your world you would understand Me, but since I speak not of your world but in the spirit, from the Kingdom of My Father, you do not understand Me; you reject Me. If I was of your world, you would accept Me, for you would understand what I speak to you. But since I speak of the spirit and you are not of the spirit, but if you are of the spirit, you are of the spirit of darkness and do not understand the light that I speak of.

LISTEN WITH YOUR HEART

"Therefore, take the blindness from your heart, close your eyes, close your ears, listen with your heart and you will be given the light. Ask and you shall receive. It is of free will that you reject the word of God or accept it. Every man will be held accountable for his soul. None will fall to satan unless of his own free will. The time grows short. I admonish you, My children, there is to come upon you a great Warning of such magnitude that every man, woman, and child will feel the burning fires within.

"No, My child, you will not see the burning of the bodies, as you viewed in the abyss. I told you, My child, and I repeated it, it is a Warning. It is not the Chastisement I speak of.

"It is from the merciful heart of the Father that you will receive a great Warning. Man will feel that the very powers of the elements have shaken the very foundations of his being, so great will be the impact of this Warning from the Father. But none shall doubt that it had come from the Father.

"When is it to be, My child? If I knew and was assured that you could keep a secret, My child, I would give you the date, but I must admonish you that We did tell you, My child, some time ago, that We have chosen you because one of the faults that We find most suitable for your mission is that you cannot keep your mouth closed.

"Yes, My child, I am visiting many places upon your earth. Many reject Me. They are meeting with the same cross, but know that you are not alone in the struggle, for the Father has given Me the candle and I search through the darkness for My children.

"There are many seers now throughout the world. Do not be afraid to accept the message, My children. If it is not against the Father and His will, if it does not detract from holy Church set up by My Son with the lawful successor of Peter whom He has chosen, you shall have no fear of the message, for the Holy Spirit is working among you now."

Veronica - Our Lady . . . There's no rain up there. It's just beautiful! There's a beautiful bright light all about Our Lady. She's dressed all in white; even Her sandals now are white. And the roses - but the rosettes, tiny little roses that always were golden, are red now. They're actually real roses. They're on the tips of Her sandals. Our Lady's sandals are white. They're made of like a cord, white, and there's a flat piece under Our Lady's feet. Her feet look very delicate.

Our Lady . . . I'm watching Our Lady. She's moving over, over on the right side of the flagpole. Oh, and She looks very delicate. Our Lady is very slender. I can see Her because Her dress is blowing quite forcefully now, and I can see that Our Lady is very slender.

Now Our Lady is placing Her mantle about Her head. And She's now placing Her hand out in front of Her, like this, and moving Her hand about. And I see all these clouds being pushed away as though She was opening up the sky, like this. Oh! Our Lady says:

Our Lady - "Soon you will have more comfort, My children."

Veronica - Our Lady is moving Her hand like this. "And you can close the umbrella now," Our Lady said.

Now over by Our Lady, on the right side of the flagpole - I didn't see them before, but now I can - there are oh, beautiful figures. There are three figures. I recognize Michael. I can spot him anywhere because he is so large. Oh, and there are two others; they're angels. They're dressed in long white robes. I know they're angels because they have these things behind them, on their shoulders. They're beautiful! They're very downy, soft, and like folds. They're in folds; I can feel them. They're closed.

Our Lady says:

Our Lady - "They are wings, My child. But perhaps mankind can find a more beautiful name for these creatures than 'wings.'"

Veronica - "That's right. That's right, Blessed Mother."

They are so beautiful. They shouldn't be called "wings." They're just like soft, downy feathers. And they reach from the top of their shoulders down to their bottom, where their feet should be. I see no feet. I just see the white gowns and these feathery-like - -

" 'Wings' is what we call them, Blessed Mother."

I . . . and they fall right down to their feet.

Now Our Lady said:

Our Lady - "Watch, My child."

Veronica - Oh, my goodness! That's Raphael! He's - oh, he's opening his wings, and they - my goodness! - cover the whole sky! Look at that! Oh, my goodness! His wings cover the whole sky. They're tremendous!

Our Lady - "You ask, My child, what they are used for. For the purpose that you make your machines on earth - to fly, of course!"

Veronica - "As spirits, Our Lady - they fly?"

Our Lady - "Oh, yes, My child, especially when We allow you to view them. How else would you recognize them? You certainly could not recognize them in the spirit, My child. It is beyond your human mind to comprehend."

Veronica - Oh, the size of Michael - it goes far beyond Raphael and Gabriel! Oh! Oh, he is three or four times larger than Raphael or Gabriel. He's beautiful! Oh!

Now I see, now Michael is still holding his scale. He's placed his hand out now, and he is holding the balance, the scale, in his hand. And Our Lady now is going over to Michael and pointing; Our Lady has Her finger pointing, like this.

Our Lady - "My child, you see that the scale is not balanced. Unless it is evenly balanced, the Warning and great Chastisement will be sooner than mankind could believe possible.

"Know, My child, We do not wish to send upon you the Warning, upon mankind, for there will be some who would perish from fright. It is sad, My child. I know already of four humans who at that moment would perish but for an extension of this Warning, for they will come to Us unprepared.

"You ask where they are, My child? They are not within your range of friendship. You must understand, My child, that the Father has His eyes upon mankind in the world. Nothing is hidden to Him.

"You must hasten, My child, to bring the words of the Book of life and love to the peoples. I have asked that the Gospel Truth be written. If you find it difficult to place on paper, you'll place it upon a tape, My child, and give it for writing.

"I have tried to warn the world, My children, that the respect for human life will diminish, for when you take one step down into the abyss - toward the abyss, My children, sin becomes a way of life and respect for human life and dignity is forgotten.

"Words mean nothing, My child. It is the fruits that give the true meaning to the words. Many are engaging in mass slaughter of the souls and the bodies of young children being given by the Father for a reason. They are placed on earth to bring glory to the Father in Heaven. However, they are being sent back to the Father with untimely deaths! Know now that you shall not escape the punishment due an ungrateful, degenerate generation. Man of science ever searching, but never finding the truth!

MURDER TO BECOME A WAY OF LIFE

"It is a proven fact, My child, that when you take one step and go, it is like a habit. Murder will become a way of life. Charity of heart, charity to one's fellow man will diminish. All manner of iniquity will abound upon earth.

"The young shall be slaughtered. The old shall live in fear that they, too, will meet untimely ends, for the prince of darkness abounds upon your earth. He has captured the souls of many and using their human forms to do his will.

"Know, My children, that you gain nothing but an eternity of damnation when you have given yourselves to the ways of the world, the pleasures of the flesh and the devil. There is not one, not one, My child, My children, not one among you who can say that he will never die and pass over the veil. Judgment awaits each and every soul.

"We ask you to set by good example, to bring the words of the Father to mankind. In doing this you are not judging, but bringing the admonition from Heaven.

"Man shall not use a rationalization for sin! Your Vicar cries tears. A knife has been thrust in his heart, for many disobey him. There are many enemies about him. They go about their ways, doing their own will to their own fancy. There is no discipline in My Son's houses."

Veronica - Our Lady means churches. The House is a Church. The House of God is a Church of God, the Church of Jesus Christ.

Our Lady - "The Roman Catholic Church, under Peter, and now directed by Pope Paul VI in Rome. You will pray for your Vicar, for he is still human, My children, and needs your prayers.

"You will follow the schedule I have given you, My child, until I remove this fence from upon you. I use the word 'fence,' My child, for one reason. I have asked you to remain in seclusion for your well-being. You must keep in mind My admonition to you some time ago, that I can direct you from the Father, My child, but you have the free will to go your way. And if you do, you'll have to receive the recompense of your not following My direction. I say this not to admonish you, My child, but to make the road ahead of you much easier than it has been to the present. You understand the past. You have given yourself much suffering, My child, that was not asked of you. However, you put it to good cause. You may apply it to all of the souls waiting to enter the Kingdom.

"Do not worry, My child. These sacred grounds will never be taken from the hearts of mankind. It is the will of the Father.

"No man shall stand as judge upon these grounds. No man shall set himself above the Father, for what takes place in sacredness upon the grounds shall be directly from the Father and His merciful heart. Cures, conversions, and many manifestations, miracles in the eyes of mankind, shall take place. Many shall be rejected. But know, My child, the weakness of mankind. Many will reject them because they do not want to face up to the knowledge that they offend their God.

BLINDNESS A PENANCE

"Many are allowed to be blinded as penance to them, for they must find their way out of the darkness that they have allowed themselves to fall into. Pray; pray a constant vigilance of prayer. Take yourselves from those diabolical machines that you cast your eyes on daily."

Veronica - Oh, Our Lady means the television.

Our Lady - "Yes, My child, they have been created by satan to seduce your minds. Remove them from your homes, for many of your children will be seduced by them and be forever lost to the Kingdom of Heaven.

"Know, My child, there is no reconciling the truth. There is no meeting it halfway. Avoid all occasion of sin and you will not have to suffer for going off the trail, the road.

"I admonish you about this diabolical machine, the television, for you may consider it as a mechanical agent of satan now, but in the future, My child, it will be used to brainwash your children into submission to evil. All manners of evil and degradation will be portrayed on this diabolical machine. Remove them from among you! They will expound the pleasures of the flesh and the degenerateness of your generation.

"All parents will have the greatest measure of responsibility for salvation of their children's souls. Keep your sacramentals upon you. You will be hounded, you will be rejected, you will be scorned, you will be called insane - only because you are in the light!

"My child, you will be sent to the tribunals. However, you will not submit to the judgment of mankind upon your mental stability, for it is the will of satan that they will follow.

"Know, My child, that your country is in grave error, and is falling into great sin. And when your morality has gone and has changed to immorality, know that your country has fallen! For it is the path that all that fall to the enemies of God lead. Recognize why you have fallen - because of the simple truth that you have turned from your Creator!

"Remember the sacramentals. They were given to you for reason. Once you leave your homes - your homes are fortified by your statues, monuments to your God, but when your children close the doors behind them, they meet with satan. They will pass the test if they receive a firm foundation of truth from their homes and their pastors, teachers who are truly in the light.

"I ask, My child, that all parents give themselves to reading the Book of life and love to their children, be it in the morning or afternoon, or a small measure of their evening free time. You will find that it is not a dull source of reading as many think. It is a Book of true wisdom and knowledge.

"Yes, My child, graces are given in abundance from these hallowed grounds. Many years ago, My child, We sent unto you a teacher."

Veronica - Oh, my goodness! There's Theresa. Oh, Theresa is coming down now and standing by Our Lady, Saint Theresa. She's by the left side of the flagpole. Our Lady is over on the left side of the flagpole, and standing on Her left, and Theresa is just about - her hand is touching the flagpole. Oh, she looks very beautiful, too!

Theresa's face is all I can see. She's covered fully with her garments. She has a white cloak over her dark - it looks almost a brownish-black garment. No, it's like a brown, it looks. And Theresa now is holding up her Rosary which is attached to her belt, like this.

St. Theresa - "My child, I, too, will add my few but humble words to the Queen of Heaven.

VOWS DISCARDED

"Please, my sisters, return your garments to the floor! Your example is not one of piety and chastity. Your vows have been discarded. You enter into a world that has been given to satan. Retreat from this world. Go back to your life of prayer. Better a life of solitude than a life of eternal damnation.

"Prayer has given way to worldly pleasure. My sisters, you are truly foolish maidens. You have given yourselves as brides of Christ. A bride does not commit adultery in her heart. When you reject the Son of God, you truly commit this in your heart. The spirit has no part of the flesh. You must live in the spirit and fight the pleasures of the flesh. For these pleasures are not being used in the manner given by the Father.

"Chastity and poverty, these are given for reason. Do not discard this little way to sanctity."

Our Lady - "Repeat, My child . . ."

Veronica - Our Lady says:

Our Lady - "Repeat the little letter and poem given to you by Theresa."

Veronica - Now Theresa is coming over to the right side of the flagpole. And now she is saying:

St. Theresa - "I will repeat and you will answer:

Dear Jesus, all I can do is just love You,
For my riches are here in my heart.
They're not locked or chained against stealing;
They're always free to depart.
I offer this gift to You, Jesus.
Accept it with Your precious joy.
I'm Yours, to hold there in the Kingdom.
Just treat me as Your little toy.

Veronica - Now Theresa is smiling. She's very, very pleased. Oh!

St. Theresa - "I'm pleased, my sister, Veronica."

Veronica - Oh! Sister?

St. Theresa - "I am pleased because you gave this to mankind. It is called, 'The Way to Spiritual Childhood.' For as the Father hath said, unless you become as little children, giving all to the will of God, you cannot enter into the Kingdom of Heaven. It is very simple, my sisters. The reasoning is not difficult to understand. It is just to forget yourself and think only of Jesus and our Blessed Mother."

Veronica - And now Theresa is looking over to Our Lady. Our Lady has gone over to the left side of the flagpole.

Now Our Lady is extending out Her Rosary in Her right hand, the big white Rosary with the gold Our Fathers. It has a very large crucifix, but the corpus isn't on it. I can see the golden crucifix. Our Lady is smiling now, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now Theresa is coming over and standing by Our Lady. And she's also raising her cross and nodding, and she's placing now her Rosary by her side.

St. Theresa - "We asked - and it was given in the past, my sisters - that you keep these beads of prayer at your side so that you do not waste a moment of your earthly life, gathering the graces for your soul and the souls entrusted to your care, your loved ones and your brothers and sisters upon earth.

"Do not waste a moment of your time, my sisters, for there is not much time left. You are going to receive a great Warning from the Father."

Veronica - Now Our Lady is going up, up beyond the flagpole, over the eagle. And Our Lady is motioning like this, and She means for me to sit down.

Our Lady - "Continue with your prayers, My children. You will offer a full set of the mysteries of the Faith for the departed soul of our beloved child, Louis Even. It will make him most happy, My child, if it will be said in his native tongue."

Veronica - Oh, the Rosary will next be said in French, the native tongue of Louis.

Oh, I see a man, but he doesn't look like Our Lady. He's not solid. He looks almost like Padre Pio when I first saw him. I see a man; he's a little man, very thin. And he's - he doesn't look old anymore. I know he must have been old, but he looks very young. He's very happy; he's smiling. And he's shaking his head, like this. He's just standing by Our Lady, and going like this: "Oui, oui, oui." He said: "Oui." And he's shaking his head. Now I see him . . . he seems to be just like evaporating. I can't see him any more, though Our Lady is still there.

Our Lady - "My child, do not question the mysteries of your Faith. There is much that is sacred in Heaven. And were it revealed to you it would no longer be sacred. One day you will understand.

"Now, My child, join your brothers and sisters in prayer. And remember, in his native tongue."

Veronica - Oh, my! Oh, oh! I don't even feel tired. Oh!

Our Lady - "You don't feel tired, My child, because you have been removed of a great burden. Yes, My child, much is allowed for your edification and knowledge. It is by example, and perhaps experience, that you will better learn a simple lesson.

"Remember, he has not asked that you discard the prayers. Gather these prayers in his name for the next waiting souls. Because he has entered into the Kingdom, as others, does not mean that you will cease your prayers. You must pray to him, if you do not pray for him. Pray to him, for now he sits with the Father in the Trinity.

"You see, My child, nothing that is done for the Father, in the name of the Father, goes unrewarded. He has gained his crown."

Veronica - Oh!

Our Lady - "Years of servitude to the Father, a true lily of the field, entered into the Kingdom of the Father."

Veronica - Our Lady is smiling. She's very happy. Oh, Our Lady is so happy!
I see . . . oh -

Our Lady - "You see, My child, the great joy in your heart now. Know that this is for all who will turn their hearts to Heaven. Work for the Father in Heaven. Do not give yourselves to the world, for your only true home is with Us over the veil.

"You will remain upon your knees, My child. I assure you it will be a source of great penance."

[Pause]

Veronica - Our Lady wishes it known that you have no fear of the rain.

Our Lady - "It is, My child, a great grace."

Veronica - Yes, it is four years that I have knelt in all weathers - the rain, the heat, the snow, and the sleet, and I have never had a cold. This is in the glory from the Father, for nothing is impossible with God. I was subject to many colds before

doing Our Lady's work, but since that time four years ago I have never had so much as a sniffle. Yet through rain and heat, snow and sleet and all temperatures, hot and cold, we have knelt here for four years and I have never had so much as a sniffle.

Praise be to God in the glory of our Mother, Queen of Heaven and earth. It is through the great grace of our Father that not once has there been a report of any illness resulting from a visit to the sacred grounds. Know that the will of the Father will be done. Great graces will be given in abundance - graces for the asking, graces for cure and conversion.

It no longer rains teardrops from Heaven but an abundance of graces upon you.

Our Lady - "That was well spoken, My child. I see now that you can travel a little on your own."

Veronica - "Oh, I thought I was repeating it, Mother."

Oh, no, I said that.

Our Lady - "It was the Spirit of truth speaking within you."

Veronica - "Oh, the Holy Spirit?"

Our Lady - "Yes, My child. You will understand in due time. Never fear what you are to speak of, for the words will be given to you by the Spirit, for it will not be your words but the Spirit within that will guide you.

"It is true, My child, that there are two spirits upon earth: those in the light and the darkness. There is great fear upon mankind, and woe be it when the spirit of darkness enters into the soul, claiming the soul for the works of Lucifer, satan. By their fruits will they be known. A good tree will not shed bad fruit, for all that is rotten will soon fall.

"The waters that nourish the plant, the human body, must not be polluted by error and lies from satan, for satan is the father of all liars. Know that there are great lies abounding now in the teachings to the children. Many are teaching in error. Awaken! Remove the blindness from your hearts!

"You were given the foundation for your truth of Faith. You will not cast it aside as you give in to the whims and the wiles of satan and the leanings of failing to mankind. The human frailty is quite evident among mankind now, for he has given in to his basic carnal nature. All manner of evil abounds upon earth. Chase this with a constant vigilance of prayer.

"My child, make it known the great power of prayer, to mankind. Satan and his agents cannot stand the sound, for it resounds upon their ears like a great clamor, making them flee. Chase them with a constant vigilance of prayer.

"The waters blessed by the true men from My Son's houses, the priests - do not cast it aside as being of superstition. That is an error created by satan. Use these waters abundantly from the fonts in My Son's houses, churches, for they have great power over evil. Bless your homes and your children daily. It is better, My children, that you receive a baptism from water, than a baptism of fire that will eventually bring mankind to its knees!

WANDERING LIKE LOST SHEEP

"Penance! Atonement! Sacrifice and prayer! The rule is not followed. Return to the narrow road. You are wandering like lost sheep, not knowing whence you go. Return before it is too late!

"Pastors, do not scatter the sheep. For you will one day stand before the Father and He will say to you, 'Do you stand before Me and say that your teaching has been pure in My sight?' And O My children, the Father will say to you, 'Go from Me, you vipers, into the eternal fires of damnation! They are the rewards of the souls that you have destroyed!'

"How much, My children, can I add to My words of caution and warning? I have promised to be with you unto the Second Coming of My Son. There will be great trial upon earth. The peace that I promised many years ago will not come to mankind until the return of My Son. It will take a major reversal of man's ways to bring about this peace that I have promised you. It truly rains teardrops from Heaven. Many are not listening now, My child, as many rejected My words years ago.

"Do not wait, My children, until you are forced to your knees. Come to Us now, for your reward will be in far greater abundance, filled with graces, graces far beyond what your human mind could comprehend.

"Measure for measure will be given unto you for your works and your actions to your brothers and the safeguarding of your immortal soul and the souls entrusted to your care. And if you have the mercy of heart and the goodness of spirit, you will share this light with others.

"Light your candles, My children, with Me. Search with Me through the darkness. Bring the Message from Heaven to the world. These candles, the lights of wisdom and love, shall be lit throughout the world. Every country shall have the knowledge of the truth. The Gospel, the words of the Father, shall go throughout the world before you receive the judgment.

"You see, My child, these creations of mankind, in their scientific knowledge, have truly been the source of their own destruction. They hasten their own destruction. With the works of their hands, and not their hearts, they conceive all instruments of torture and destruction to harm their fellow men. What good does it do a man if he gains the whole world and suffers his soul to be lost?

"Man must exit, My child - man must go over the veil, into the wall for judgment, with what he came in with, absolutely nothing but the merits he has gained in his lifetime, his pilgrimage on earth. Store your treasures in Heaven now, My children, for they will be counted; every hair on your head is being counted.

"Now, My child, you will continue with the prayers. Many are needed. The world is in sad trouble.

"The state of your world and your country can be summed up in a few simple words: Man loves the creature more than the Creator.

"When the world seeks to enter upon My Son's House and destroy it, know that he has reached his time of judgment. A great Chastisement shall be set upon the world after the Warning I spoke previously of, My child. Many will die in the great flame of the Ball of Redemption. Pray for all men of sin. Satan has poisoned many minds.

"Yes, My child, the world will call you different. You must be different to be with Us. We were also given the manner of treatment that will be given to all Our children who try to be different.

"Remember, you are all on a pilgrimage on your earth but for a short time. You are working your way to the Kingdom. Do not go onto the wrong road. And if you are on it, come back now. That is why I call to you. I am truly a Mother of Sorrows, but My Immaculate Heart reaches out to all mankind.

"My child, accept all the false judgments of mankind. Offer this for the salvation of souls. Remember, even as We are behind the veil, My child, I hear the great - "

Veronica - Oh, dear! Oh!

Our Lady - ". . . the profanities, the degradation that is being cast upon Me."

Veronica - "Oh, Blessed Mother, upon You?"

Our Lady - "Yes, My child, I am being defamed."

Veronica - "Oh!"

Our Lady - "That is why the Father has asked for all those who care enough, to make reparation for these injuries to the Sacred Heart of My Son and to My heart that bleeds anew for every act of malice and murder and sacrilege being committed by mankind. We are not without feeling here in Heaven, My child. That is one of the mysteries you will understand when you pass over the veil.

"The state of consciousness you know of, My child - you understand that you have full consciousness over the veil. Therefore, what does it matter what mankind does to your human body? Just pray that he does not give you to satan - your soul, for it is the only true being that is eternal.

NO REINCARNATION

"My child, repeat: An error that has saddened My heart and My Son's - you have only one body. At the moment of conception the spirit of life is placed by the Creator, our Father, into a body carried in the womb of the woman at the moment of creation. The spirit, when the body dies as you know it, called death, returns to the Father. It does not enter into another body."

Veronica - Our Lady means reincarnation.

Our Lady - "After all, My child, at the general judgment, if you're running around, let us say, in more than one body, which body shall you choose to enter into at the general judgment? Does it not sound like an absolute insane fallacy?"

"The Father sends the spirit, the soul, into the body. At the moment of conception a life is created. Therefore, all who murder the unborn have taken upon themselves the judgment over life and death of an individual, a living creation of God. And as such, he is guilty of breaking the Commandment of the Father: 'Thou shalt not kill!' And all who do not make compensation, repent of their sin, are eternally condemned to the damnation and fires of hell!

"No excuses, no rationalization is accepted by the Father. He is the final judge. You cannot judge each other. However, you cannot shut your heart and your eyes and your ears to what goes on about you - murder by the thousands!

"A state of life exists now far worse than it was in the time of Herod! The Holy Innocents were slaughtered, but your numbers now of children being slaughtered are counted in the millions. Damnation is the eventual judgment upon any man or woman who takes any measure in the slaughter of the unborn. Will you have the time to make restitution and renew your soul before you come to Us for judgment? Turn back now and restore your country to its original dedication to the Father! Remove this great evil from among you!

"Keep the Faith in the hearts of your children. Pray that they do not turn searching for the truth and find satan. For many now have set up their own way of dedication to this prince of darkness, giving themselves to all manner of degrading practices. Woe unto the man who has dedicated and given his soul to satan upon earth! He is claimed forever in the abyss!

"Now, My child, you will pray. Continue a constant vigilance of prayer. There is not a moment to lose."

Veronica - Oh, now across the sky, centered by the eagle, is a great heart. Oh, it's just a tremendous heart formed in the sky, with the eagle in the center of it.

THE EAGLE, ST. JOHN

Our Lady - "The eagle, My child, does not only represent your country as a symbol, but remember Saint John.

"Why do I say remember Saint John? Because he rose high, soaring high like the eagle in his writings of the Father. He gave you the truth. Read what he has written in the Book of love and life and you will know the path that lies ahead for mankind. He did not write in error. He wrote in the spirit of truth, Saint John. Read Revelations in the Apocalypse."

Veronica - Now Our Lady is smiling. And She's now raising Her crucifix on Her very large, beautiful white Rosary. The Our Father, the golden bead is so beautiful; it must be made of pure gold.

Our Lady - "Yes, My child, all is perfection in Heaven."

Veronica - The colors coming from the white beads are like nothing I have ever seen before. They're absolutely beautiful - all the colors of the rainbow. But I notice that the pink color seems to predominate.

Our Lady - "Yes, My child, for it is the color We have given to identify My Son, Jesus."

Veronica - Oh, yes.

Our Lady - "You see, My child, He is always in My heart."

Veronica - Oh!

Our Lady - "That is why I asked that you bring your red beads this evening, for they signify the wounds to His Sacred Heart."

Veronica - Oh!

Our Lady - "Pray on them. Tell your beads much. Many graces shall be given."

Veronica - Our Lady means for me to explain that when She says "tell," She means pray. Pray much on your beads. The words - Our Lady said that She uses the words chosen by Heaven, and what She was accustomed to in Her living on earth, in order that theologians will one day recognize the manner in which they have spoken. It will bear witness to the truth.

[Pause]

Oh, there are two flying saucers now. They are going very, very high into the sky. Oh, dear! Look at that thing!

Our Lady wishes it known that flying saucers are supernatural, but through the grace of God not all will see them. They are manifestations of the end days of satan to confuse and confound. They have been photographed many times from the sacred grounds, Our Lady said.

NO LIFE ON OTHER PLANETS

Our Lady - "Be not afeared, for you are being allowed to see what satan plans to delude mankind with. There is no life as you know it, or human being, or otherwise, upon another planet. The creation of the Father has been given to you in the Book of love and life. Do not fantasize of life on other planets, My children. It is a falsehood. Were it not so you would have been told, for the Father hides nothing from His children. He created man, known Adam and Eve, and as such they were the first of your - of the Father's creation. You may say, your first mother and father symbol.

"Do not accept the teachings of error that they are just a story. I assure you, My children, they are and were real. They were the first creations of the Father, and they fell to satan.

"They were placed upon earth in order to win the good fight for the Father against the forces of evil - satan, who has sworn his vows against the Father to seduce all mankind, to defy the Father anew, for he has never learned his lesson of obedience and subservience. He is an arrogant creature, and many men follow him in their arrogance and intellectual pride.

"Know that all who disobey the laws of the Father and set upon mankind laws of error, laws that are made by mankind the creature and not the Creator, shall receive the same judgment as the fallen angels.

"Lucifer roams your world; he claims your world now. But his time grows short, so he goes about now as a ravenous wolf. Guard yourself carefully.

"I hear voices, My children, voices that state that it is not I Who is speaking to you because I spread words of fear. I do not spread words of fear upon you, My children. I give you the truth of what is to be! In your human nature you do not wish to understand any form of punishment. The Father is merciful, but He will chastise those He loves if it can save their souls from satan.

"Love, love! We hear the words of love constantly, but so few know the true meaning. The word is being abused. All manner of sin is being permitted in the name of love and brotherhood, all manner of corruption in your life and government in the name of brotherhood.

"Pray for the light. There is much darkness among you.

BLINDNESS OF SPIRIT

"When I speak of the darkness, My children, We speak of the forces of evil: all that is not of God, blindness of the spirit; We speak of the state of the soul. The state of the soul can be often recognized by the actions of the man.

"Recognize the faces of evil about you. Pray that they do not influence and antagonize the spirit so that you will fall into the web of evil.

"Do not be afeared, My child and My children, for I have spread My mantle over your grounds."

Veronica - Our Lady is standing there and She's extending Her arms out, like this. It's just beautiful! And oh, Her mantle is a beautiful blue color, a light blue. I can't describe it. It's bluer than the sky in the afternoon. It's so beautiful!

And Our Lady now is opening Her mantle. She has on a long gown, Her beautiful white gown, but it's sort of casting like blue, due to the light. Oh! And it seems from the position Our Lady is in - it looks like a mantle that covers the whole sky. Her hand is extended so She doesn't look out of proportion. It's just the area - Her hand goes over by the trees, both Her arms.

Our Lady - "My child, you will soon receive a photograph. The Father has permitted this to be given to you. Others will be able to see, My child, what you have been given to see by the Father.

"Those who do not understand, know that you were chosen not by merit, My child, but by necessity. It is not many who will go forward with perseverance.

"Know, My child, if you follow My direction you will not fail.

"Others will not understand your long discourse with Me. Yes, it is different. But there is reason. It is the reason We have called you, My child, a voice-box.

"You ask Me for a major miracle of appearance."

Veronica - And Our Lady is smiling.

Our Lady - "We will leave that, My child, with the Father."

Veronica - And Our Lady is smiling, and I, I know . . .

Our Lady is saying:

Our Lady - "I have a great secret."

Veronica - And She's smiling. Oh!

Our Lady - "In due time.

"You do not understand the persecution, My child, the value of it. Know that many souls will be won."

Veronica - Oh!

Our Lady - "You may return now to a state of prayer."

[Pause]

". . . of the lights. Know that they were placed there for reason. Your good spouse was not wrong with the need for lighting. The agents who are of the darkness will work in the darkness, My child. Better they are exposed in the light.
"My child, you are well hidden behind My statue, but I surely do trust that they will not remove My head."

Veronica - "Oh, do You mean Your head, Blessed Mother, on the statue? Or do You mean - "

Our Lady - "Both, My child. My words, My direction, and My statue."

Veronica - "I'll hold onto it. They'll never get the statue, Blessed Mother!"

Our Lady - "Well, My child, I'm sure that that would save My statue, though both of you will surely not fit in one car."

"Enjoy, My children, the rains - graces in abundance. Know that this is an advantage, for it rains many graces upon you.
Ask for more.

"My child, do not defend yourself in writing. The Father has all under control. All will be enlightened in His time.

"You can now join the prayers, My child, and await for the arrival of our Jesus.

"The weather is clearing, My child. You will remain upon the ground.

"My child, how foolish they are to think that your removal will stop the word. Know that no one is irreplaceable. The Father has all under control.

"You will give the flowers out."

[Pause]

Veronica - It mustn't be raining very hard up there, because Jesus is coming forward with Our Lady. And it's a little windy, but it doesn't seem to be raining on Them, like us. Now Jesus is smiling.

Oh, now He's coming down. Jesus is standing by the right side of the flagpole, our right side here. And He's smiling, and He's placing His hands out.

RAIN FOR VERONICA'S PROTECTION

Jesus - "My child, We continue the rain upon you for reason. You will understand when the culprits are removed from the grounds."

Veronica - Oh!

Jesus - "Therefore, know that nothing is hidden to the Father."

Veronica - Now Jesus is smiling.

Jesus - "It is not at this time raining teardrops from Heaven, but an abundance of graces upon you, My children. Absorb them! You are truly children of the light."

Veronica - Oh, now Jesus is placing His hand out in front of Him, like this. His fingers are joined together and He's making the sign of the cross. He's just about between the flagpole and the right tree over here. Now He is looking down.

Now Jesus has shifted His cloak over to His left arm. His right hand is extended like this, in front of Him, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. And now Jesus is looking down. He seems to be very amused.

Jesus - "My child, you will instruct them that they do not have to go searching in their bags. I assure you I can see into them."

Veronica - Oh! Oh, Our Lady is also smiling. And She's extending Her Rosary out and blessing the people: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Jesus - "One who is upon the bus will be given a great cure this evening. You must assure - make an assurance from them that they will give you this in writing. You will receive this writing within a week. It must be publicized for the promotion of My Mother's mission upon earth."

Veronica - Now Jesus and Our Lady are going over to the left side of the flagpole.

Jesus - "This miracle of cure, My child, I am approaching."

Veronica - It must be on the left side - over here - of the flagpole. Someone must be very ill. And Jesus is going now - He's placing out His hands, both His hands, like this, and there are lights coming out of His hands, down, down onto the people. The lights are very, very great. Oh! Oh, they're so strong! I can barely look into them. Oh, now Jesus is putting the lights - they are coming down, they're going a little over my head, towards the rear; I can follow them. I don't want to touch them, no.

Now Jesus is now withdrawing His hands back, and the light is just fading very, very, very slowly. It's fading; I can't see it anymore.

Now Jesus is looking down. He's smiling. He doesn't seem to be wet up there, but He's smiling, and He's now placing His hands out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking over in the area of the trees, and He's placing His hand out, like this. Now He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, in the Father and the Spirit. Know that many graces shall be gained with your penance. It is truly a penance to sit in this weather. However, it is for reason. Know that the abundance of graces shall be given in three-fold this night to you."

Veronica - Oh! Now Our Lady and Jesus - They're floating, and there's a big - I don't know; it's a "V". I don't think it's my name, but - my name starts with "V", but it's not for me, Jesus said.

There's a big white letter in the sky now appearing, a big "V". But it's - no, Jesus says it's for victory over the evil. And underneath there are two "M's". An "M" and then another "M" across. It's like two "M's" crossing. But I think Jesus says: "Martyrs, martyrdom." Oh, but victory over the evil.

Now Jesus is looking down and He's placing His hands out. And He's going now - He's making a sweeping motion, this way, from the right, His right, over to the left with His hand. I don't understand - a sweeping motion, like this. And Jesus is now pointing upward.

And now, as I am looking up, I see . . . oh, He said: "The future." Oh, dear! There is . . . Oh, and now Jesus says:

Jesus - "What was to happen in the future shall be now. It is for you to help change this, My child, by giving out the Message from Heaven in great haste."

Veronica - Now I see in the sky the words written - it seems like an unseen hand. The words are just writing by themselves without any pen. They're appearing in the sky, the word W-A-R-N-I-N-G: "WARNING COMING": C-O-M-I-N-G; "WARNING COMING SOON": S-O-O-N. "BE": B-E "PREPARED": P-R-E-P-A-R-E-D. "PREPARE NOW. WARNING COMING SOON. BE PREPARED. PREPARE NOW." That's what Jesus has written in the sky. Oh!

Now Jesus is placing His hands fully in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Jesus - "Continue with your prayers of atonement. This has been a center set up by the Father for the repatriation of sinners."

Guardian Angels and Eve of Saint Theresa of the Child Jesus

Veronica - The blue lights are appearing in the sky. Our Lady is on Her way down here.

The sky now is filled with round, host-like figures. They're completely circular, but they're not white in color; they're blue, a very pale blue - looks like dots of blue throughout the whole sky. But they're - they look like hosts, but they're bathed in a blue light.

Now there is an opening in the sky. It's like a light piercing right through the blackness of the sky and making it all lit up. There's a tremendous light, but it's like a pinpoint fanning out through a large cone. Oh, and following in behind it is Our Lady.

Oh, Our Lady is dressed beautifully! She has on a white gown with a very long cape. Now the cape is white, but there are stars about Her - they must be stars because now the round circular blue lights are twinkling, like they're stars. They're going off and on, just like a star.

And Our Lady now is floating down. She doesn't walk; She just glides down, floats down to the left side of the flagpole.

Now Our Lady is pointing upward. She has removed Her Rosary and She has the cross like this, and She's pointing upward.

Now over to the right side of the flagpole there's a very, very strong white light, but in a pinpoint, fanning out through a cone, same as by Our Lady. Oh, and coming down now through the light, at the edge of it now, as she's floating forward - oh, I know Theresa! Oh, Saint Theresa!

And now, following her, the sky is opening up and Michael . . . and there are a great number of angels with him. Michael and - the angels look young but they are carrying with them some instruments. They look like harps. One has a long horn that looks like a long silver horn. It's a very strange looking type of instrument. It's very narrow at the top - almost, I would say, about twelve inches long, and then it fans out into a horn-like round sphere.

Now the angel carrying this horn is a little taller than those that he is standing with. Oh, he is taller - oh, it's Gabriel! Now what is he doing with the horn?

Gabriel is holding the horn now, and he's balancing it on the right side of his head. And he's saying:

St. Gabriel - "It is almost time."

Veronica - Now Our Lady is coming forward, and She's bending down.

Our Lady - "Yes, My child, it is almost time.

"Yes, My child, there is nothing to fear but fear as an emotion. Face this fear and it will soon disappear.

"There is no man on earth that you must fear. The agents of hell and those in darkness are many. If there is to be fear, fear those who seek to destroy your souls.

"We ask obedience, My child, to your elders but not when it is misleading. You must search out the sheep and the goats. We do not expect you to join the goats. Remember, My child, all will be judged with a firm hand.

"You will pray for all men of sin. Satan has poisoned many minds.

"All the children of earth are being tested like metals in the fire. Many have turned from the narrow road that leads to the Kingdom and have set themselves upon the road to damnation.

"Corruption and evil abound upon your earth. Murders, murders in abundance - murders that call for the wrath of God upon mankind! None shall escape the Ball of Redemption.

"From these sacred grounds chosen by the Father, you have held the balance for your state and your country. The many prayers that rise to Heaven from the hearts of Our children on these grounds have given you a measure of reprieve.

"There will be a great Warning sent to mankind. And should this not be acted upon, a great Chastisement shall soon follow. The numbers lost in this Chastisement are beyond all that human mind would comprehend.

GREAT EARTHQUAKE IN U.S.

"A disaster of great magnitude is approaching your country. Have you prepared for this? There will be in your country a great quake. The earth shall tremble, the homes shall fall, and many shall be sent into oblivion! Many shall not be prepared and will be claimed by satan.

"Pray! Pray, My children. Send your messages far and wide. A great disaster is approaching mankind. Your country will not escape this chastisement.

"Do not, My child, put this in the same measure as the Chastisement in the near future. This will be an additional warning to mankind.

"Awaken now from your slumber! You are soon to feel the hand of God upon your country - you who have turned from your Creator, you who have set yourselves up in pride and arrogance against your Creator!

"Parents, what have you done to your children? Have you turned them from the narrow path? Are you giving the souls of your children to satan? Woe to the parent that seeks not the welfare of her children's souls!

"I use, My child, the expression 'her,' because mothers, what has become of your role as a mother? Many are leading their children onto the road to sin and corruption. Their example is abominable!

"Immoral practices are being condoned in the homes. We see the home life of the children being destroyed. What example, as parents, do you give to your children? As you sow, so shall you reap! The sins of the parents shall be visited upon the children. Many parents will shed bitter tears, but too late! Too late!

"My child, it is not passing by the Father. Nothing is unseen to the Father. He knows your past, your future, and the present. Many parents have set their children against the Mission from Heaven. They will receive a just recompense for this offense.

"I say unto you, you who have led My sheep astray, return them to the road, or you will stand before Me . . .!"

Veronica - Oh, my goodness! The sky is opening up now. Oh, my goodness! There's a very kindly-looking man, but he looks so awe-inspiring! He's sitting now . . . the very seat is coming forward. There's a large, throne-like seat made of red velvet, and there's a man sitting on it. He's a very old man with very white hair and a white beard, and he has a golden scepter in his right hand. And now he's raising his hand up with the scepter. I think he wants me to listen.

ANCIENT OF DAYS

Eternal Father - "My child, you are speaking with the Ancient of Days. You will not recognize Me now, My child. I am giving you the sight within your human means. I am the Ancient of Days, the Alpha and the Omega!"

Veronica - Oh, Now there's a great circle of light all about the chair and over the head of God the Father.

Now it's like the very sky is booming with a voice all about me. It's one loud voice saying: "Woe, woe, woe to the inhabitants of the earth! Woe! Woe! Woe!"

Now I see . . . it's just like it's fading away . . . the very old Man sitting on the couch - the Father. I can't see His face, but the feeling of such peace, and joy, and strength, and it's beautiful!

Now . . . and the voice is saying:

Eternal Father - "Keep talking, My child.

"Woe, woe, woe to the inhabitants of the earth! Many voice-boxes have been used to give you this message. We are offended in Heaven by the actions of many of Our clergy. We do not have to set you in names. You are well aware of your actions. Know that they will not go by unchastised.

"Pray, My child and My children; pray a constant vigilance of prayer. Offer your sacrifices and your prayers for those who are leading the sheep astray. Your prayers can keep them from going farther into the darkness."

Veronica - Now it's growing very, very dark. I can't see the kindly old Man anymore up there. But now - oh, it's lighting up again, the sky, and I can see Our Lady. Our Lady is coming forward, and She's smiling.

Now Our Lady is being joined by a . . . oh, a large group of nuns. I can see them. Now three of them are behind, I know, Theresa. Theresa is standing right by Our Lady. Oh, she's smiling, and now she's pointing back to the shoes. Is it the shoes?

The three nuns behind her have on black shoes, black stockings, and then their skirts are very long - down to the ankles, just about, almost covering their shoes.

And now I can see their habits so very, very brightly. They're illuminated so I can see they have on a very full, voluminous skirt, black, and a belt about their skirt, and the Rosary hangs from their right side down.

The Rosaries are very large. They're black. And they have on now a cloak. The cloak they're wearing is pushed back from their habits, but it's like a - not white, but a beige color, the cloaks, and they're clipped at the neck. And now they have also a veil. I can't see their hair. Their hair is completely hidden, and the veil comes down over the forehead and has a white band under the black veil. And I can see they have pins in their headpiece because they have like little black, pearl-like pins. And now one of the nuns is taking one out to show me. Oh, it's like a hatpin, a long hatpin, with black round blobs on the end, sort of like a little round, pearl-like black end, very tiny.

And now she's reaching up and she's sort of sticking it into her headpiece again, her veil. And she's smiling.

St. Theresa - "Celine."

Veronica - Celine? One of the girls is named Celine. And now Theresa said:

St. Theresa - "My sister."

Veronica - Her sister. And now Theresa is saying:

St. Theresa - "The women and the young girls must find more healthy pursuits. They do not use their time wisely, for they are out in the world seeking, but finding satan. They are misled.

"My sisters, you will not save souls by joining in the pleasures of the flesh! You will not save souls by casting aside your vows of poverty, chastity!"

Veronica - Now I see something very awful. I see the nuns in a room, and they're stepping out of their garments and they're placing on . . . it looks ridiculous, kind of, because they still have their headpieces on, but they're placing on short skirts. And some of them have shorts. And now they're turning on a phonograph, and - my goodness! They're doing all kinds of dancing and gyrations! It looks kind of ridiculous. It's undignified and just doesn't befit them.

Now Saint Theresa is coming forward.

ABERRATIONS IN THE CONVENTS

St. Theresa - "My child, all manner of aberrations are being committed in the convents. Please warn my sisters they offend God very much. Their example is very poor. There will be not many who enter the convents with this poor example. This hurts the heart of our good Jesus very much, Veronica. They must have a firm example of discipline and chastity, piety.

"The children are misled by them. They no longer receive respect, but as they have sown they are reaping. Why do they not speak of the Mother of Heaven and earth? Why do they not speak of our good Jesus? They speak of the world. Their books are of the world. How can these poor children know of God the Father and the Trinity? They do not know Them because all is being taken from them. The statues, we do not see the statues anymore. Our children, they are casting their eyes on creations of satan!

"Big girls, there is so much the mothers could teach them. They do not sew anymore. They do not play the instruments of music. Better they play this way than to go out and find the creations of satan. They do not stay in their homes, because their homes are not homes. They are castles of sin!"

Our Lady - "My child - "

Veronica - Our Lady is coming forward now, and She is reaching Her hand up to Her eyes. Our Lady looks very sad.

Our Lady - "My child, the sins of the world are far greater now than they were in the time of Noe. Therefore, the punishment, the Chastisement will be meted in accordance - measure for measure of man's sins and abominations against the Father.

"The great heat will be sent upon mankind. The plague will follow.

"I have come to the world not to cause fear, but to prepare you. We are gathering the sheep. We are warning the goats. It is because of the injury to My Son's heart that I cannot use the word 'children' at this time when speaking of these evils. We must call them the sheep and the goats.

"A mother sorrows when her children are lost to her. I am truly the Mother of Sorrows!

"Yes, My child, many years ago We set eyes upon you for the future. Theresa, Our fragrant flower, a perfect lily from Our garden upon earth, was chosen to direct you. We do see, My child, that she did her work well.

"You, My child, react to human strain. I do not wish to make you sorrow, My child, but I must admonish you, you must not be of bad temper. Rest cures all. Quiet moments of prayerful solitude will do you more good, My child, than running around and wasting your energies on socializing. Retire more and lift your heart to the Father in secret.

"Always remember, My child, it is not what goes in but what comes out that can offend the Father most. Know, My child, We understand your human frailties. It will be great penance for you to suffer these irritations without expressing your distaste.

"Understand, My child, that when you are doing a mission for Heaven, satan will send three times the number of agents against you. You will be under constant attack. However, you will call upon your guardian angel for more protection. Do not seek to fight this battle alone. We have sent you Tusazeri. Call upon him more often.

"You are, My child, too concerned upon the opinion of man. Better that they reduce you to a grain of sand, for the graces you receive are great in abundance. It is in mortification that the purification of the soul is speedy.

"Remain close to My Son in the tabernacles of the world. Nourish your soul with His Body. It is the only true Bread of life. Unless you have this Bread within you, you will not have the strength to fight the agents of hell, now loosed in great force upon your earth.

"All who continue in the battle ahead must accept martyrdom. It does not, My child, necessarily mean death of your body, but it will mean persecution.

"Stand fast in the Faith. Keep the Faith in the hearts of those you love. Extend your charity of heart to all of your brothers and sisters throughout the world. Pray a constant vigilance of prayer.

"The good Book of life and love, the Bible, will be a source of comfort to all, for it will dispel the confusion that is set upon many by misleading shepherds. Read your Books, and read them with prayer. Ask the Spirit of truth to guide you in your reading and you will not misinterpret the lines.

"The Father sends the light of knowledge into the hearts of all who ask. Ask and you shall receive this light. Call upon the Holy Spirit to enlighten you on your pilgrimage throughout your world. None shall be lost except of his own free will.

"My child, hasten to bring forth the truth in the Gospel Truth. The agents of hell seek to take the truth from among you. There is a hell, there is a purgatory, there is Heaven, the Kingdom of God.

REALITY OF HELL

"It is only to deceive and destroy the soul that the agents of hell, the followers of the prince of darkness, will try to convince you with honeyed words and the power of their rank, that there is no hell. O My children, how sad that you are following this road. Blindness, blindness of the spirit! How soon many will find the fires of hell engulfing them!

"Sin - the greatest of sins are being committed on your earth. Sin has become a way of life. Turn back! Turn back, for many will die in the great flame of the Ball of Redemption.

"My child, I have not slowed My steps. I am now appearing to many throughout your world. You are not alone in this battle. The forces of evil are ravaging the souls. We must strengthen ourselves by reaching quickly the souls throughout the world. Satan never sleeps. That is his advantage over mankind. Shout, My child. Shout the Message from Heaven to the rooftops!

"You will now, My child, place yourself on your seat and join in the prayers. You will receive two photographs. Study them well, My child. Be seated, My child."

[Pause]

Jesus - "My child, My arrival was late. There is reason for this."

Veronica - All who are able please kneel, for Jesus is standing now over the Michael banner on the right side of the flagpole.

Now Jesus is coming forward, and Our Lady now is coming down with Him, Our Lady and Theresa and the three nuns behind Theresa. One - I know her now, her sister. She called her Celine.

Now they're coming forward, and Jesus is now shifting His robe. Oh, Jesus has on a beige-colored gown with brown sandals on His feet. And He doesn't seem cold because He's shifting His gown, and His robe is hanging down over His feet. Now Jesus is looking forward.

Jesus - "Veronica, My child, you must hasten the message. The time grows short when the world will receive the Warning from the merciful heart of the Father. If this Warning is not heeded, I can assure you it would not be long before the arm shall be set upon you heavy.

"Listen well, My child, and remember what I have to say to you. Follow the direction of My Mother and do not seek to walk upon your own path.

"The photographs are given to you for reason. Read them carefully. The importance of your work has reached the ears of those who will seek to silence your voice now. I do not seek to place fear into your heart, My child. I must only caution you at this time that you must be most careful in your associations.

"You will meet with no strangers until the danger is over. You will leave this world by living a life of solitude. Association is not necessary. Socializing will not be necessary in your work, My child. You will retire in a world of prayer, meditation, and sending the message throughout the world. The enemy shall come to you in many forms, in many places. Therefore, you must guard your life well.

"Now, My child, I give you My peace in courage and perseverance. The strength will be given to you to continue your mission, but know that the battle rages now for souls. Satan will send great forces against you and all who work for My Mother. But know now that Her voice will not be stilled throughout the world, for We will rise up great enemies against these forces of satan. As they seek to send enemies among you, We shall crush them.

"I know, My child, you feel great fear. It is your human nature. Know, My child, you shall not be removed from among your friends until the Father deems it."

Veronica - Now Jesus is placing His hand in front of Him and He's looking down and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking over to the right side of the flagpole. He has a very strange look on His face, and He's saying:

Jesus - "My son, you will gain nothing by using that instrument of destruction, for My eyes are upon you!"

Veronica - Oh! Now Jesus is placing His hand down, and He's pointing over to the tree.

Jesus - "Begone satan! In the name of the Father, and of the Son, and of the Holy Ghost. I admonish you to return to hell. There is only one God, the Lord high God in Heaven! And as for you, you will return to satan and tell him these exact words that I have told you. In the name of the Father, and of the Son, and of the Holy Ghost. Amen."

Veronica - Now Jesus is looking down and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "My child, now you know the great danger you will face if you seek to go on the path without listening to My Mother. We can warn you, but if you do not listen you must accept the consequences."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Jesus - "You will receive many graces by visiting these sacred grounds - graces in abundance, graces for cure and conversion.

"The forces of evil will gather to try to stop the good work. Pray for the light. You will be guided by your angel."

Veronica - Now Jesus is extending His hand out. In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "My children, it will not be necessary to take your sacramentals from their wrappings. I can see into them."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over to the left side of the flagpole again. He's gone back and forth, for there is something by the trees that frightened me. Jesus made a motion over to the trees.

Now Jesus is coming slowly over to the left side of the flagpole, and He's looking down now.

Jesus - "He has left, My child, so do not have fear in your heart."

Veronica - Now Jesus is extending His hand out. He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

And now He's placing His hand out, and a light is going out onto the grounds. And I see these beautiful brilliant white lights. They're coming out of Jesus' hands, and it's coming right down onto the grounds here. Oh, they're so beautiful! Now they're fanning out, and they seem to make all the colors of the rainbow. Oh, they're just beautiful! And Jesus is smiling.

Now He's taking His hand down and He is placing it in front of Him, across His chest like this, and oh, it just seems that there is a tremendous red light shining through Jesus' heart.

And now Our Lady is coming over closer down next to Jesus, and She's saying:

Our Lady - "You see, My child, the thorns that have been placed in My Son's heart. How many will soothe His aching heart? How many will reach out and try to save their brothers and sisters in these dire times?"

"Prayer, much prayer will be needed, for the forces of evil are set against all. Pray a constant vigilance of prayer. A great Warning is soon to be upon mankind. And then, I must tell you now and repeat Myself, if this Warning is not heeded and followed and accepted as coming from the Father, there will come upon mankind a Chastisement such as has never been seen since the beginning of time. Many will die in the great flame of this Ball of Redemption.

"Do not be swayed by those who call it fear and tactics of fear. I assure you, My children, they are a fact! Listen now and learn by this. You have been given the grace to hear My voice. Act upon it now, for the time grows short."

Veronica - Now Our Lady is extending Her Rosary. Now Jesus is rising high up to the end of the flagpole. And Our Lady is extending Her Rosary out with the crucifix: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now Our Lady is bending over.
"Should I repeat it, Blessed Mother?"

Our Lady - "Yes, My child, so that you will remember what I have to say to you.

"Do not be misled by the outer clothing of man, for there are many wolves in sheep's clothing, wearing the apparel of rank. Know that many have given themselves to satan.

"Pray, pray much for those who wear the highest mitres, for they, too, have set themselves onto the road to hell. Your prayers and your acts of sacrifice and those who hear My voice, pray much for the Red Hats that have gone onto the wide road."

Veronica - Oh, that's awful!

Our Lady - "Pray, My children, a constant vigilance of prayer. In your charity of heart, pray much for your clergy; they are in great distress of spirit."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

October 6, 1974

Eve of Our Lady of the Rosary

Veronica - The sky is beginning to lighten up. Oh, it's just beautiful. The sky is a very pale blue, but mixed with the darkness of the sky, it gives almost like a purplish blue. Beautiful!

But around the rims of the trees, it's becoming very light, a very pale sky-blue, bordering all the trees on the left side. Oh, the sky is beginning to open up. Oh, and from a great distance I can see Our Lady. I recognize Her from Her skirts.

Oh, Our Lady now is coming down through the sky. Oh, it's beautiful! She's not standing on anything, just floating right down through the sky. It's beautiful!

Now Our Lady - She's dressed a little different than I have seen Her before. She has on a white gown with a white mantle, but about Her head it looks almost like a crown of thorns, but it's made of gold. It's an absolute brilliant gold circlet about Our Lady's head formed almost, though, like a crown of thorns.

And Our Lady has suspended at Her right side a large white Rosary with the golden Our Father.

Our Lady - "My child, you must make more time in your busy schedule to read the Book of love and life - fifteen minutes for your day.

"Many no longer find the Revelations in the good Book. When the Book is closed and finished, it is not the end of all revelations to mankind. Know, My child, that many are given as private discourse.

"I have appeared to many voice-boxes throughout the world in My efforts to reach all mankind in these dark days. However, it is sad that those who have the most knowledge are using it to turn away the light.

FAITH AND TRADITION

"When you speak of Faith, My child, make it known to the world that Faith is also Tradition. The deposit of Faith lies with holy Church. However, We see many who are using their rank to destroy the Faith. Know that the Father is watching them, permitting them to go their way as they sow the seeds for their own destruction. It is sad, My child, that I should wander and see such a dimness of faith in the hearts of Our dedicated.

"Satan has poisoned the minds of many and tainted the souls. Many are misleading. Pray for all men of sin.

"In the deposit of Faith there is also the supernatural. This, too, is being cast aside as superstition. What a sad awakening they will find when the Father sets down a heavy hand upon them!

"The Father has chosen the words Faithful and True for reason. It will be the banner for all children of God who remain in the light.

"You will pray for your cardinals and bishops. The time is coming, My child, when you will see bishop against bishop and cardinal against cardinal, as satan has set himself among them.

"In your world which has been given over to satan by mankind, it is the little ones, those with the hearts of children, that We have chosen to come to. Pride, intellectual pride, has cast many from the road. Woe to those who seek to destroy the Faith given to them with their pride and arrogance!

"The world is in deep darkness. There is great test of Faith now. The sheep shall be separated from the goats.

"I have cried throughout your world in many places, through many voice-boxes, to make ready, for the time of trial is upon you. The great flame of the Ball of Redemption will claim many.

"It will not be necessary, My child, to speculate on dates, for what does it gain Us if We give you a date and man changes his ways for the moment? For when the time of trial has passed over, he will return then to his sinful ways. The change must be a permanent one, My child.

"You, My child, will not defend yourself before mankind. Your greatest defense will be the truth. Do not be worried of the words you will speak when they send you before the tribunals. The Spirit of truth will come to you from the Father.

"The pages of the Book of love and life are turning very rapidly, My child. See!"

Veronica - Now Our Lady is pointing up to the sky, and there's a very huge Book. And above it, there's a large cross. Now the cross was white, but it's slowly beginning to turn a purple color, and now a black. It's a very mournful-looking cross.

Now I see the cross is bending, just like it's pliable. And this black cross now is bending like a pretzel, almost, into the shape of a number four. And Our Lady now is pointing, using the crucifix - no, it's just the cross, the cross on Her Rosary. She's pointing to the black cross that is being bent to the number four.

Our Lady - "Observe, My child, the idol that man has set up to worship. Man, the creature, now is taking the place of the Creator.

ARROGANCE OF MAN

"Man in his arrogance now decides upon life on your earth! Man in his arrogance seeks to create life on his own. This, My child, will be impossible to him. The Father is the Creator of life, and He also has every day counted in the lives of the souls on earth. He knows the past, the present, and the future. Nothing is hidden to Him.

"Why do the evil prosper, My child, you ask. Why are all who follow My Son allowed to be set upon like sheep amongst wolves? Know that by this trial will many souls be gathered. There are many good shepherds throughout the world, My child. By their fruits will you recognize them.

"You will continue, My child, to bar your doors to all but your immediate family and close workers. It is for your physical safety. Understand My words and keep them with you always, My child. We can direct your actions, but you have your own will to follow them or to choose your own direction. However, if you do not listen you must then suffer the consequences and find perhaps a sad lesson.

"We have asked you, My child, to refrain from participating in any public gatherings. You will continue in this direction. You will limit your daily life to prayer, the necessities of keeping your household, and attending the vigils of prayer and the time for meeting for the discourse and messages to the world.

"Observe, My child, the letters that form in the sky:"

Veronica - "I-N-R-I. I-N-R-I."

Our Lady - "You will all pray for the leaders of your government and the countries of the world. Satan has set much confusion among the leaders.

"The photographs miraculous, My child, must be sent throughout the world. You will make a special effort to copy them and distribute them to My children throughout the world.

"It is in your human nature that mankind will not accept anything against his nature. Therefore, do not be misguided by those who say that I bring fear into your hearts! I only bring the truth of what is to be. If you do not change your ways now and make restitution for the offenses being committed against the Sacred Heart of My Son, the Father - His hand grows heavy!

"The prayers of a few have held back the just punishment, but the sands of the hourglass are slowly running out. How foolish mankind can be with his reasoning and judgment. He is quick to judge his fellow man. Better that he pray for the light.

"Do you not recognize, My children, that Satan will seek to distort and deny My words? Open your ears! Pray for the light! As shepherds, why do you choose to cast Me aside when I have been sent to you by the Father?

"The offenses to the divinity of My Son are great!

"I accept the torments which are heaped upon Me by an ungrateful generation. You will not cast aside the knowledge of the supernatural. You will not cast aside the truth of Faith and set up a faith based on the immorality of man. No! You will retain the Faith and Tradition as given to you, not making changes that cater to the basic carnal nature of mankind. You are misleading Our sheep. Pray! Get down on your knees now and pray! You will gain nothing by socializing. You have idolized money and become money changers in My Son's houses!

"My Son shall fling you out of the temples again. Moneychangers in the houses of God! Destroyers of the Truth! Turn back now, for your judgment will be far greater than those given to an ordinary man, for you as a priest of God have been chosen by the Father to represent My Son. And as such, your judgment for misleading and denying the basic truth of your Faith will be far greater!

"My child, I feel your trembling. You must go forward with perseverance and fortitude. Remember Our direction to you. These are human qualities - fear, indecision, doubt, uncertainty - but, My child, when you pray one little Ave, lifting your heart to Heaven, these fears will be dispelled. One little Ave.

"My child, look up to the heavens."

Veronica - Oh, I am seeing a beautiful large building. It's something like . . . it looks like it's out of a fairy tale. It's just absolutely beautiful! It's a building made of all gold. And it has stones set in all the colors of the rainbow. Oh, it's just beautiful!

And I see people. They're dressed - they're all colors and all sizes, and they're dressed in all different types of garments of various colors. And they all, though, have one thing in common: they're all happy - a beautiful, pure happiness, a joy. I feel it; I can feel it coming right down from them. It's a feeling of joy and peace and happiness beyond anything I could even describe.

Our Lady is smiling and She's placing Her hand out. She has the Rosary, and Our Lady has a rose in Her hand, a beautiful red rose.

THE MYSTICAL ROSE

Our Lady - "My child, in My mission with you I did not explain the meaning of this rose. It is a symbol of perfection and piety. It is the queen among flowers, a beauty beyond all human understanding, in the supernatural. That is why the good of heart have referred to My Queenship as the Mystical Rose."

Veronica - Now Our Lady is rising high above the flagpole. Oh, Our Lady looks so beautiful!

Now I see a huge figure. It's an angel, and I know it's Michael; I can tell. He's got some kind of a short skirt on. Oh, my! Oh, and he has these leggings, sort of like, they're all like woven, like a basket weave, up his legs. And Michael now has placed his spear to the side, but it's suspended in the air. It's strange to see. I don't know what he's lying it on, but he's placed his spear horizontally down, and it's just hanging in the air.

Oh, now Michael is taking a garland of roses. They're fresh roses, bright red - oh, the most beautiful bouquet-like, but it's like a crown. It's been woven into a crown.

Now Michael is rising above Our Lady and bending over. And on this circlet that Our Lady has on Her head - it looks like a crown of thorns made of gold; but now over it, Michael is placing the beautiful crown of roses. Oh, it's so beautiful! Oh, they are so beautiful! They fit so perfectly over the circlet, the golden headpiece Our Lady has on.

Oh, now Our Lady is coming down. Oh, She looks so queenly, so beautiful! Oh, Her dress now is so sparkling white, and the cape is also a very brilliant white - it almost hurts my eyes looking at it. Oh, it's so beautiful!

Now Our Lady is extending Her Rosary out. Now as I'm watching - oh, how beautiful! The Hail Marys are changing shape and color. They're no longer white; they're turning into little rosebuds. Oh, how beautiful!

Our Lady - "Now you know, My child, why I chose to call this the Rose-a-ry. A 'ry' around the rose. A wreath around the roses."

Veronica - Now Our Lady is holding Her Rosary out and it's just beautiful! Now on the Our Father, the rose now that's on the Our Father bead is yellow, a beautiful golden yellow color, and the Hail Marys are a brilliant red, beautiful red.

Now the whole Rosary in Our Lady's hand is just a garland of flowers. It's just beautiful! The crucifix, the cross without the corpus, has remained a deep gold. Oh, it's so beautiful!

Our Lady - "You see, My child, wonder of wonders. Nothing is impossible with the Father. Ask and you shall receive.

"This, My child, is why We have not chosen the high and the mighty and those of richness on the earth to be Our voice-boxes. They are involved with finding the treasures of the world and they do not cast their hearts and eyes for the Kingdom.

"They do not ask, My child, anymore. They do not seek; and if they do seek, they seek in the wrong direction.

"Please, My child, hasten to send out My message with great speed. The forces of evil are gathered against you to stop you.

"Remember My words, My child; make it known to all of My children: beware of an evil force that surrounds a shrine of purity. They will try to stop you with all cunning and deception, so heed the warning of the archangels. They wish to protect you. Pray for the light, My child. Pray often. Call upon your guardian angels to direct you. They are always at your side. Tusazeri - do not forget your special guardian for your mission, My child.

"Yes, My child, you have great uplifting from the sacred grounds. In your mission, I could not promise you a life without suffering. You will understand one day, My child, the value of suffering. You will refer to each trial as the cross beneath the roses. Remember, My child, the cross beneath the roses.

"Know, My child, I cannot promise you the good life as you know it in the worldly way, for you are storing your graces in Heaven.

"There has been a question, My child, of that diabolical machine setting in your house. We wish that you cover it or remove it from your living room. It is a tool of satan. Remove it; it brings corruption into your household. Remove it at once! Better that you take it to the axe.

"No, My child, no excuses. You do not need this tool of satan to enlighten you. We will send these lights from Heaven. Remove it at once, your television. It is a sinister tool of the devil.

"You do not know what your children are watching. Day by day, daily in their lives, the filth and corruption is put into their ears and their sight. The eyes are the mirror of the soul. Guard your children's eyes well. Monitor your sets! Better that you cast them from your household.

"Remember, My child, out of sight, out of mind. That is why Our statues have been removed from among you and replaced by the edifices of satan. Out of sight, out of mind!

"And how many have My Son in their hearts today? How many of your children are being misled? How many have already fallen into the abyss? Woe, woe to the parent who does not heed My words and act upon them! You will be crying tears of anguish, gnashing your teeth, too late! Too late!

"Guard your children's souls. Do not depend on the agents outside your doors, for the agents of darkness abound.

"Wear your crucifix about your neck with pride. Are you ashamed to make it known that you are with My Son? My children, you must wear your sacramentals. The attacks upon you, both spiritual and bodily, will increase. Wear your sacramentals and place them about your children.

"Better there is death to the body than the death of the eternal soul!

"Man in his arrogance has cast aside the truth of the everlasting soul, the nature of man, the immortality of the soul. Know there is no word such as 'death' - only to the human body. You are as you are, an entity that lives forever. But over the veil, you have your choice of the kingdoms: forever in the light or the darkness. Forever with God the Father, My Son, and all those who have washed their robes clean in suffering and martyrdom for My Son, or you will join in the kingdom of the damned - the darkness, the wailing, and the torture of heart, knowing that you are forever lost in the abyss.

"Woe, woe, woe to those parents who lead their children onto the road to the abyss!"

VISION OF HELL

Veronica - Oh, my goodness! I see that horrible, horrible pit! A deep hole, and those horrible creatures! They seem to cling to the sides of the stone. They're half human, half animal. Their fingers and their feet are like claws, long claws with long nails. Now they also have . . . oh, my goodness! I know now what it is - they also have wings, those two that are clinging. They have wings, but they're not beautiful like the angels.

Now I hear this voice saying: "The fallen ones, My child, the fallen ones. The fallen angels."

Oh, my! Oh, they look like - ugh! Sickening, black, charred! Pinpointing ears, slit eyes, teeth that are extended over their lower lip - if you want to call it lip; it's like a gash in their face - and fang-like teeth. And now their body seems to adhere to the sides of the stone. But one is reaching out now with a claw-like - oh, it's horrible! He's going like this.

And now I see many, many people. I recognize them by their forms, but they're transparent and sort of orange-colored burning coals. And they all have a look of terror and shock, and they're screaming, though I can't hear, there's so much crackling and noise of laughter - the horrible, hideous laughter. Oh, my! Oh, and the people, I know they're people. Oh, I'm so frightened!

Oh, I see many young people out there. They look fifteen, sixteen years old. Oh, God! Boys, girls. And I see - oh, my goodness! I see a nun now. Her skirt's blowing. She looks like she's falling head first down into the hole! Oh, my goodness! But the skirt she has on is not long, it's short - up way above her knees. Oh, my goodness!

"Impiety! Impurity! Immorality! Such is the fate, fate of all foolish maidens!"

Veronica - There's a voice, it's booming in my head:

"Impiety! Impurity! Immorality! Such is the fate of all foolish maidens!"

Veronica - Oh, my goodness!

"Blessed Mother, take me out!"

Oh, my goodness! Oh!

Now I seem to be coming out of this pit, and there's really smoke; it's gray, and it smells like . . . Oh, I can taste it - sulphur and rot! Oh! Oh! Oh! [Veronica is nauseated.] Oh, now coming up - it's like a very long ride through the air. Oh, now I'm coming out, and there's sunlight. Oh! Oh!

Now Our Lady is coming over.

Our Lady - "You see, My child, it is the place of the damned. Man seeks to remove this truth from among you. Know that there is a hell, and there is a place of purging before you enter the Kingdom of the Father. A soul must be as pure and white as a snowflake before it becomes contaminated in the earth's atmosphere, before it can enter the Kingdom of the Father.

"In the Kingdom, My child, there are many mansions. Therefore, you cannot judge, but set a good example among others. The Father is always the final judge. We do not condone a wrong, but the Father is always the final judge."

Veronica - Now it's growing very, very bright. Oh, I feel like I can breathe again. Oh, I don't smell that horrible odor anymore. It was like burning flesh and sulphur, and oh, it was sickening.

Now Our Lady is coming down, and I feel as though She was holding me by the hand. Now She is letting my hand go.

Our Lady - "You will pray now, My child. Make it known to mankind that We have chosen these grounds as a center for atonement.

SHRINE OF OUR LADY OF THE ROSES

"You will write anew a letter to the leaders of My Son's House and tell them that it is the will of the Father that they build upon these grounds an edifice of purity and piety, a basilica of dignity, a basilica for the repatriation of souls. Graces shall be given in abundance to all who come here, graces for the asking.

"It will be a shrine of world renown, to be called Our Lady of the Roses, Mary Help of Mothers.

"We request that all of the dedicated join now with the faithful in prayer on these sacred grounds. The beads of prayer you will tell for three hours on the eve of all feast days. It will be a source of great penance for mankind. This, My child, is the balance We have spoken of through you for many years.

"A center of atonement - Our Lady of the Roses, Mary Help of Mothers. Send this message, My child, to your clergy.

"They must pray more and seek the light. The knowledge of the reality of My mission here will then be given to them. Pray a constant vigilance of prayer, and all will be given the light.

"Now, My child, you will sit. Restore your strength until My Son comes to you."

[Pause]

Now it's becoming very bright over on the right side of the flagpole. Jesus appeared quite some time ago, but He said to finish with your work.

Now Jesus is coming down, and He's almost standing on top of the Michael banner. Now Jesus is dressed in this beige-colored gown, but on the outside He has a cloak. It's a burgundy color, almost a red, but sort of a plum shade, though, with tinges of purple in it. Oh!

Now Jesus is shifting His cloak over onto his right arm - left hand; it would be our right side - His left arm. And now Jesus is extending His hand in front of Him, and He is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming down. She was just beyond the tree. She's coming down with Michael. I see Michael, and there are about seven, eight, nine other angels behind Michael. Beautiful! Oh, they're beautiful! They're different sizes. They look like, almost like . . . well . . .

Our Lady says:

Our Lady - "Choirs, My child."

Veronica - "Criers?"

Our Lady - "Not criers. Choirs."

Veronica - Oh, choirs of angels!

And now they're coming all over and going - they're standing behind Jesus. Now Jesus has nodded, and He's placing His hand in front of Him, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He is touching His lips. I am to listen?

Jesus - "My child, you must not slacken the pace. It is most urgent that the message go throughout the world. Link by link the words of light will go throughout the world. You are approaching the days of great trial. Prepare now. My Mother has directed you well. She has given you the sacramentals for your salvation. Do not cast them aside. The modern versions hold no graces."

Veronica - Now Jesus is going over to the left side of the flagpole, and He's looking down now, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He is extending His hand out, like this, before Him and He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you, My children, as the Father and the Spirit of truth blesses you. Continue in your prayers of atonement. Many are sorely needed.

"My Mother is a Mediatrix. She has taken Her stand beside you and will continue to guide you in the days ahead.

"Man in his arrogance and pride, intellectual pride, has cast aside the warnings given by My Mother. His will be a sad lot when he awakens to the knowledge that he has refused graces given from the Father. No man can stand alone without these graces, for the forces of evil are gathering about him. Pray for the light."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now Jesus is shifting His cloak. Oh, no! It's fallen now onto His shoulders, and I can see now - He's touching the side of His cloak and opening it up, and there is a huge red heart on His chest.

Jesus - "All who keep this symbol of My great love for mankind in their homes will be saved."

Veronica - And now Jesus is stretching His hand forward. Oh, my goodness! But there are drops of blood coming from His hand. Now He is placing both forward in front of Him, and I can see the holes in His hands and the blood dripping from them. It's falling down now upon us. Oh! Oh! Oh, my!

Now Our Lady is coming over. She's bowing Her head.

Our Lady - "Save your souls and the souls of those you love through the blood of My Son which has been shed for mankind."

Veronica - Oh, now it's growing much dimmer. Now Jesus is going up. He's floating up. I don't see any more of the blood coming down. Oh!

Now Jesus is just standing just above the flagpole. And He's now nodding His head. His hair is quite long onto His shoulders. And now He's coming forward very slowly, and He's stooping over, bending His head.

Jesus - "Continue, My child, with the prayers of atonement."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

November 1, 1974

All Saints' Day & Eve of All Souls' Day

Veronica - The sky is beginning to open up now. There is dark and black. It's becoming very light. The blue is the beautiful shade of blue. The blue isn't uniform; it seems to be just patches in the dark sky. But now it's becoming brighter as Our Lady is coming forward. Oh!

Our Lady - "I understand, My child, that you were filled with great fear. You must learn to face fear and it will disappear.

"I would advise you, My child, to re-read all of the messages of the past. You have forgotten much. Did I not direct that you would keep a constant vigilance of prayer? This would be to fortify you in moments of crisis.

"It would be better, My child, for you if you refrain from listening to the words of others and retire into inner prayer. You would lessen the discomfort to yourself.

"You will continue, My child, to give My message to the world. Do not be concerned of who will believe you and who will not. It is only important that you go the way of the Father. It is your human vanity which you must shed. If you accept the plaudits of the world, My child, you have already gained your reward.

"Your prayers, My children, will be offered for all of the unborn who have been sent back to the Father without fulfilling their mission upon earth.

"Your country has set itself upon a road to destruction. The value for human life has been lost. Pagans! Pagans all about us! Whatever shall become of you? Mothers, fathers, your tears shall be shed for your children.

"Your country is embarking upon a course for its own destruction. Pray a constant vigilance of prayer now, for your future is very dark. Prayer, a constant vigilance of prayer, is your major road back to your God.

"I will no longer be able to hold back the heavy punishing hand of My Son. I have gone throughout the world using many voice-boxes to reach you. Awaken! Take the blindness from your heart! You are receiving one of your final warnings at this time. I say one, because soon My voice will be stilled. I will come to you all, as I had promised. All who call to Me, I will be with you up to the Second Coming of My Son among you.

"The forces of evil rage throughout your once glorious country and the countries of earth. Many will fall. Many will disappear from the surface of your world. O My children, if I could but allow you to see what is in store for you, your country and the world, you would walk on your knees.

"I have counseled you in the past, My child, to remain in seclusion.

"There is loosed upon your world now many transports of hell. Many children of earth will witness this phenomenon from satan. Be not deluded. They do exist, but they are a supernatural phenomenon from the abyss - satan!"

Veronica - Our Lady speaks of the flying saucers loosed upon the earth.

CONSPIRACY OF EVIL

Our Lady - "There is in your country and the world, a conspiracy of evil. The world powers seek to unite, to bring you under bondage. Awaken now! Your country is heading for great trial.

"You will pray and do much penance for the leaders of your government. Great evil has been set upon them as punishment for turning from the laws of the Creator. For avarice, self-gain, souls are falling fast into hell.

"My child, I hear the words of many who claim that I set fear into the hearts of My children. It is not My intention to bring fear among you, but to prepare you for what lies ahead. If - and I say if, My children, for the Father is persevering and waiting. He is waiting for you to turn from your present path. You have given yourselves to satan, the pleasures of the flesh. You have cast aside the basic truths that will keep you on the narrow road to the Kingdom. You have replaced them with a delusion sent by satan. This, My child, I will explain with only three words: humanism, modernism, and satanism.

"Know that the Warning is fast approaching mankind. Know that there will be a Chastisement far greater than mankind has ever seen. Those who remain after this cleansing will be there not by accident but at the will of the Father. They will join with My Son to set the world right again.

"There are many saints, My child, in the Kingdom of the Father now who have won their crowns through suffering. The road to Heaven is not an easy one. It is filled with thorns.

"The eagle, the beautiful country that I have placed under My protection, the eagle has been plucked by satan. The Father has given you over to a reprobate sense. You defile your bodies among yourselves. Immodesty! Immorality! You lower yourselves to the rank of the animals! The animals were created by the Father beneath man. But now you grovel like the serpents!

"The vision of hell, My child, I will not set upon you to see again. I know what you have seen in the past will remain forever vivid in your mind.

"Work with great haste, My child, to spread the message of Heaven. There is not much time left.

"You will pray much for your Vicar, Our beloved son Pope Paul VI, who is undergoing much trial from those he trusts. Know that nothing is hidden from the Father. The time will come when you shall be sifted like the wheat. The chaff will be separated from the solid kernels.

FLOWERS IN GOD'S GARDEN

"Remember, My children, the souls upon earth are placed in God's garden. They are flowers that must be nourished with pure waters of teaching so that their stalks will be strong and grow to the heavens, their faces turned upwards to receive the rays of light from the heavens. These stalks are bending. They are breaking. Who will save them in the ill winds that blow now?

"The strong, My child, must carry the weak. Labor for souls, for it is truly a labor of love, My child. We will send many arms to you in this great crisis.

"I caution you once again, beware of an evil force that surrounds this shrine of purity. They will try to stop you with all cunning and deception, so heed the warnings of your archangels, My child. Pray for the light.

"We wish, My child, that all who have given themselves to the work from Heaven, the mission upon earth, to go forward fearlessly, with great perseverance and courage. Know at this time, My child, and in the future, that no man has precedence over your life. Your life is the eternal life in the Kingdom of the Father. What will it profit one of My children if he gains the whole world and suffers the loss of his soul? Many will sell their souls to get to the head. And what have you gained but eternal damnation in the kingdom of the prince of darkness!

"There is, My child, great evil in the world. When the world and My Son's houses are united into one, know that the end is at hand. The gates of hell shall not prevail against My Son's House!

ROLE OF WOMEN

"I ask you, as your Mother, to turn back now from the ways that offend the Father! You are recrucifying My Son! You desecrate His Body! We do not want the women standing upon the altars of the houses of My Son! Why do you not listen, My children? We gave you the plan for setting up the House of God. My Son set the plan. He sent Paul to you with the plan. Read, My children, the Book of love and life, your Bible. You are misguided.

"Women, you must be with your husband as a helper. You will not meet him on even ground, for you are destroying your image before God and man and you have nothing to gain.

"Women, what has become of you? You cast aside your role as a mother. You send your husband off to consort and defile his body with another man! Women consorting with women, shamelessly, without honor! You defile the temples of the Holy Spirit, your body! You must keep your bodies clean. They are the receptacle for the Holy Spirit.

"Much, My child, is passing into the hearts of mankind from the diabolical machines in the homes. How many times, My child, have I begged that all remove these machines from their homes - the televisions. They vomit filth! They corrupt the minds of the young and old. They are the boxes created by satan to invade your homes! They have invaded your homes. Take the axe to them!"

Veronica - I see now a great gathering of angels. I recognize them as angels. They're so beautiful! Saint Michael, Gabriel, Raphael. Oh, they're so beautiful! Oh, and all about them there are little children. Oh, and Our Lady is coming down.

"Oh, Mother! Oh, Mother!"

Our Lady is dressed in a beautiful full cape. It goes all the way down to Her feet. And She has a garland of roses about Her head. Oh, She looks so beautiful! And She has golden slippers.

"Oh, Blessed Mother!"

Our Lady - "You will accept, My child, the crosses sent upon you. One day you will understand why the Father has allowed this.

"You will sit now, My child, and recover your strength.

"My child, remain seated. You must inform My children in your country that they must put into your government God-fearing men who follow the rules of the Father. If you bring murderers into the house, robbers and thieves, they will rob you until nothing remains. You will be stripped of all earthly wealth and this wealth will be turned over to one small group to govern the lives of many!

"If your country will do penance, return to a life of prayer, they can escape for a time the planned punishment and Warning. The scale is not balanced to the right, but leans heavily to the left. Know that the peak of iniquity is being reached and I will no longer be able to hold back the punishing hand of My Son.

"You, My child, are not alone in your suffering. We have sent into the world many voice-boxes with similar message to mankind. The Gospel of truth is being sent throughout the world with great speed.

APPROACHING SIXTH SIEGE

"Recognize, My children, the signs of your times. Read - I ask you for your knowledge, to read the Book of life, your Bible, and the writings of John, Saint John the Apostle, in the Apocalyptic times. You are fast approaching upon the sixth siege. How many more, My child, after the sixth? There are no more sieges, My child. Yes, the curtain is fast falling down.

"The peace I promised you many years ago must now wait for the Second Coming of My Son. Man did not hasten and listen then, no more than We are finding that man is listening now. Only a few will be saved in the final count.

"None will cast aside this chance to be saved, unless he does this with full knowledge and of his free will. All will be given the word, the interior warning, before the coming great Chastisement of the ball of fire!"

Veronica - Oh, my! Oh, my goodness! Oh, there's a terrible - oh, Mother! It's worse! I see a huge ball of rock, but it's burning. Oh, my goodness! It's traveling at a great speed across the sky, and it has this - a tail. It's a large, gaseous sort of thing that's pulling out from behind. It's huge, twirling; it's going so fast across the sky that it's shooting out colors of fire, yellow and orange. And the center - now I can see the center; the center is a bright, blood-looking color red. It's awful!

And now it's growing very, very dark. And there's an eagle perched above on a sort of a stick, like a twig, a cut tree or piece of a log, and the eagle now - it's not a nice-looking eagle. It looks very dark and black. I think it's an eagle; it's a bird with a white beak and black feathers. Oh, it doesn't look good. It's looking down now, and it's opening it's beak, and I hear a voice saying:

"Woe, woe, woe to the inhabitants of the earth! Bloodbaths in the Eternal City! Blood will flow through the streets. Revolution and death! Woe, woe, woe to the inhabitants of the earth!"

Oh! Oh, the voice is very booming. Oh, it's terrible!

Our Lady - "My child, you ask why I cry? I shed tears of great anguish. I watch anew the desecration to My Son's Body being committed upon earth.

ONLY PRIESTS TO GIVE COMMUNION

"None shall place their hands upon His Body! My Son has given you in trust those He has chosen among mankind to represent Him, your priests. None others shall carry My Son to mankind! You shall not defile His Body by giving Him into the hands of women, or those that have not been prepared by the Father as legally ordained priests in the houses of God. Laziness, preoccupied with the world and the pleasures of the flesh! Return to your habits and set an example as a man of God in the House of God - an example that will gather the sheep, not scatter them!

"I repeat, My child, an urgent plea to mankind through My many voice-boxes to turn back from your ways that offend the Father much.

"If you do not pray and cleanse your government and daily lives of the evil which you have allowed in, many houses of My Son will shut their doors and you will no longer have the light among you. Pray a constant vigilance of prayer. Chase the demons out of My Son's houses. Those in authority must remove the bad seed from My Son's houses!

"The time will come when brother shall fight against brother, cardinal against cardinal, bishop against bishop, satan setting himself in their midst. But know that the Father will have all under control. It is in this manner that He will separate the sheep from the goats.

"I bless you, My child. Continue with your mission. I would advise you to give more time to daily prayer, and be not concerned of the opinions of mankind. Do not feel sad, My child; you are only human.

"Remember, My child, when you become discouraged, I cannot promise you a life of great happiness in this world."

[Pause]

Veronica - Now there's a tremendous light, a long stream of light coming from the back.

Oh, now I see two very large figures of angels. They're carrying bowls. They're golden deep, scooped dishes, and they have - they're reaching in with their hands, and they're sprinkling something down here. They're throwing it out from the bowls.

Now they're standing over by the right side of the flagpole, just over the banner. Oh, now in back of the banner - oh, Michael is coming down. I don't recognize the two other angels. They're dressed in white, long - they almost look like sheets, but they have a tie at the waist - a piece of cord, it looks like, just a plain piece of . . . of a pale, almost a white cord. Oh!

Now coming down from behind Michael is Jesus, but He is placing His hand to His mouth.

Jesus - ". . . until the prayers are finished. You will join them, My child."

[Pause]

Jesus - "My child, you feel the heat, unusual heat. Know that at the time of the Chastisement, the brightness of the coming celestial punishing agent from the Father will light up the night as the day. The heat will turn your winters to summer. Yes, My child, the celestial body will throw off a great amount of heat upon your earth.

"We have asked you not to speculate on dates. The Father always has the final judgment.

"Remember, My child, after penance comes great joy. Accept all of your trials upon earth as penance and you will put them to much good."

Veronica - Now Our Lady is coming forward, and She's pointing over on the left side of the flagpole. And now the sky is opening up. It's very black, and I see a very dismal-looking cross, but - oh, my! The whole area around it just gives you a feeling of great sorrow.

Oh, my goodness! Now Jesus is on the cross. He's both tied and nailed. He's nailed at His hands, and He's tied at His wrists. But His Body now is filled with - oh, my goodness! He looks like His skin is torn. A horrible sight! It looks as though He has been lashed continuously.

And Our Lady now is standing over - She's coming over from the right side to the left side of the flagpole, and She's pointing up.

Our Lady - "See, My child, the affliction My Son suffers because of the sins of man.

"Many of the great saints have given themselves to work for the repatriation of souls upon earth. They have not asked for rest.

"Your little teacher, Theresa, she has worked continuously for the repatriation of souls, My child. She will work with all the personages of Heaven until the Second Coming, the return of My Son to earth.

"Yes, My child, you will soon see her again.

"Yes, My child, man has set himself upon his present course. Wars are a punishment for man's sins.

"Do not reject, My child, the value of suffering."

Veronica - Now Our Lady is going over to the right side of the flagpole. And Jesus is standing there. He has on a very deep red robe. It's almost a burgundy color. It doesn't have a brilliant red - it's a very regal color of red. Oh, and He has a cream-colored gown, and it has a tie, a belt at the waist. And Jesus has these light tan sandals on His feet.

Now all who are able, please kneel. Our Lady requests you kneel in the presence of Jesus. And at the name of Jesus, every head must bow. Jesus.

Now Jesus is standing - He's been here for some time, but He asked me not to announce His arrival until the finish of the prayers. Now Jesus is coming forward. He's just above the banner, the Michael banner. Oh, and Our Lady is standing next to Him. Our Lady looks quite small next to Jesus. And Jesus is smiling.

It's quite windy up there, too, isn't it? Yes, because Our Lady's gown - Our Lady has on a very full white gown, very beautiful! And Her head is covered by a long, cape-like blue . . . oh, a mantle. It's a deep blue, much deeper than the blue coverings Our Lady has worn before, right? Oh, yes, it is another color of blue. And it's almost bordering on purple, the blue.

Our Lady - "Every color, My child, has a meaning."

Veronica - Now Jesus is now shifting His cloak, His robe, over onto His left hand. Now He's extending His hand before Him, like this, with the three fingers together, like this, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Oh, now Jesus is looking down in every direction. He's looking over the crowd, and He's smiling. Now Jesus is pointing over to this side, for some reason, to the left, and He's going over now with Our Lady. They're passing beyond the flagpole now, and Our Lady is right behind Him.

Now Jesus is looking down. He sees . . . I don't know; He's pointing over by the tree. Now Jesus is placing His hand out in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is coming over, and He's moving over to the right side. And Our Lady is coming forward, and She's raising Her Rosary - Our Lady's Rosary, the beads are very large. It's a very large white Rosary with a pink glow to the beads. And the Our Father is golden. Oh, it's a beautiful Rosary. And now Our Lady is holding the crucifix - it has no corpus on it; it's a golden . . . just a cross. And Our Lady is holding it in front of Her, like this. Oh, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is coming forward.

Jesus - "You will do well, My child, to emphasize the need to hasten the message of My Mother to the world. She has been sent to you as a Mediatrix, knowing that a Mother can always reach the hearts of Her children. Do not cast Her words aside or take them lightly. My Mother has given you the truth in example. We have permitted from the Father the grace to fall upon many of seeing what your human eyes are unable to see. Many receive the graces but they cast them aside. Gather these graces. Store them for your entrance into the Kingdom. You will only come to Us through merit."

Veronica - Now Jesus is raising His hand, like this, and He's making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Jesus - "Hasten, harken, and listen, My dedicated. I speak to you with great urgency. There is great darkness that has entered upon the hearts of many of Our dedicated. Remove this blindness from your hearts. You have only one course to follow, that is the truth in the light. This has been given to you with your ordination. Do not cast it aside. A great measure, a great share of responsibility will be allotted to Our dedicated for the fall of all souls under their care.

"I must caution you that a great delusion has entered upon your world. Do not follow in the ways of man, for he has set himself up with an idol. Remain humble, charitable in your approach to your sheep. Arrogance and pride shall send man from the narrow road to the Kingdom. Intellectual pride has cast many into hell. The warning I give you must not be taken lightly. There is much being perpetrated in My House that offends the Father greatly.

"I do not have to emphasize upon this message given by My Mother. She has stated the cause and the facts well. You will act upon Her direction or you will receive a just recompense for your actions.

"Gather My sheep. The time is growing short. Recognize the signs of your time. Do not be blinded by the ways of the world. No man shall be able to stand before the Father for another. You will come before the Father with your merits. You will leave your world, the earth, with exactly what you entered into it with - nothing, nothing save the merits of graces that you have stored with Us. By these merits shall you win the Kingdom."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Jesus - "Continue, My children, with your prayers of atonement. Many are sorely needed."

November 20, 1974

Eve of the Presentation of the Blessed Virgin Mary

Veronica - Our Lady now is coming down. She's halfway, midway between the flagpole and the trees. Our Lady is wearing a light blue cape over Her gown. The gown is a pure white. And Our Lady has a blue sash about Her gown. Oh, now Our Lady is just standing very quietly. It sounds as though there, there isn't a sound. All about me, it's like a stillness. And the sky is becoming a very gray-white, hazy look. Now Our Lady is standing with Her hands out, like this, before Her.

Our Lady - "You see, My child, My hands extended in pleading.

"The Father, your Eternal Father, has the plan for the redemption of mankind. Mankind shall be redeemed by fire. The sins being committed are the sins of great abomination and destruction to your eternal soul. Your bodies are the temple for your soul. You are defiling the temple of your spirit. The sins of the flesh shall send many into the abyss.

"I have gone throughout your world through countless years of earth time, crying for your sincere repentance. Words come to Us from the lips, but the hearts are empty. The Father will listen to the words of the lips, but He will look, My children, into your hearts.

"My Son is saddened by the many abominations being committed in the houses throughout the world."

Veronica - Our Lady means churches.

Our Lady - "A House in darkness will wear a band of death about it. All that is rotten shall be shaken from the tree. The Warning promised to mankind from the merciful heart of the Father was delayed to gather more souls to the Father, but now the sands are running out. Time, time and a half and then the end of time.

"Knowledge is power, but this power can either save or destroy. Mankind now is using his scientific knowledge, going farther into the darkness. Man of science ever seeking, My children, but never reaching the truth. The light has not entered into his heart.

LEARN TRUTH FROM THE BIBLE

"In your Book of life, your Bible, you will find the words of guidance and truth. You shall not cast the words of your prophets aside and cater to the basic carnal nature of mankind. Man will not change to please man; man will stay on the narrow road and please his God.

"All manner of abominations are destroying the children of earth and sending them fast into the abyss. We see the greatest of sins being committed, in secret and publicly - women consorting with women, men degrading their flesh with men. O woe unto you, My children! Whatever will become of you? You will take up the Book of life, your Bible, and read it now. Learn by it. The truth is for you to find, but you are leading yourselves into the darkness. You follow a delusion created by satan. You will hold fast, My children, to your Faith. You will not change the basic foundations of My Son's House."

Veronica - I see a great room, a large room. It's filled with people; they're all talking - it's like a mass confusion of sound. There is much dissension and arguments going on. Now Our Lady is coming down and pointing, as She leads me into the room. I'm going further into the room with Our Lady and She's pointing over with Her hand.

Our Lady - "See, My child, the start of destruction in My Son's House! Talk, talk, talk - to destruction. More prayer, My children! Pray yourselves out of the darkness. Idle talk will get you nowhere. Pray, My children! Return to your life of discipline. You have forgotten the value of prayer. Satan cannot stay where there is prayer, nor can his agents.

"My child, you will shout it from the rooftops. Make it known to Our clergy that they are being misled. They must pray; they must return to their discipline. They are misleading Our flock. Our sheep are wandering. O woe, woe! Whatever shall you do when the Chastisement comes upon you?"

Veronica - Now Our Lady is pointing outside the room, and we're going down a long hallway - it's a dark corridor. And I'm looking over, and there's a room; it looks like it's quite old in structure. And inside now - Our Lady is taking me inside the door - there's a very heavy desk, a beautiful old ornamental desk. Oh, and sitting at the desk is the Holy Father. Oh! Our Lady said:

Our Lady - "Come, My child, I wish you to know what is happening in the Eternal City."

GREAT TRIAL FOR POPE PAUL

Veronica - Now I can see the Holy Father. He's very wan; he looks like he's suffering greatly. He's very tired, he looks so tired. And as I watch he's brushing the tears from his face. Now he's joining his hands and he's walking across the room and he's kneeling before a beautiful statue of Our Lady. Oh, and he's holding his face - he's crying. Now Our Lady is coming over and She's placing Her hand, Her right hand, upon his head. I don't think he knows that Our Lady is standing by him. She's placing, now, both of Her hands upon his head.

Oh, now Our Lady is moving over to the center of the room. I, I just feel like I'm rooted to the floor. I can't move over to the Holy Father. I'd like to go over and touch him, to console him, but I can't move. Now Our Lady is coming over.

Our Lady - "You see, My child, the great trial of your Holy Father. He suffers much from the disobedience of those he trusts. His friends, his true friends in Christ, are numbered in the few.

"You will go forward, My child, and continue to spread My message throughout the world. Learn a simple lesson of charity. You will not judge another. You must remember, My child, the Father, your Eternal Father, is always the final judge. Though We do not condone a wrong, the Father is always the final judge.

"You will make it known to the world of the existence of the heavenly guardians, the angels. The children must be given this knowledge. They must be taught the truth. Call upon your angels who are ever present with you, sent to you from the merciful heart of the Father to guide you in your pilgrimage. You are, My children, but pilgrims upon your earth, but for a short time. You have been placed as warriors against satan by the Father. Know therefore that you will have no rest upon earth, but you will have a constant struggle against the forces of darkness. Never cease your prayers. Never remove your sacramentals, for they are the greatest armor given to you in your battle to gain eternal life in the Kingdom of My Son.

"You will, My child, be less concerned with the opinions of others. Your human nature is evident, for all man must rid himself of self-pride.

"There are times, My child, when you must act with maturity. Though you remain simple in heart, and follow as little Theresa showed you, you must also make many decisions. Praise Us and then pray for the light, and then make your decision, My child.

"Yes, My child, I will be with you all up to and including the arrival of My Son. Many graces of cure and conversion shall be given to all who ask.

ABORTION BRINGS DAMNATION

"There is a plan for every soul placed upon earth, My child. That is why the punishment, the chastisement of mankind, will be great. He offends the Father with his murders of the unborn. I repeat, My child, the sad news that all who of free will have any part or measure in the slaughter of an unborn child and soul from the Father shall be condemned to the eternal fires of hell, the prince of darkness claiming his soul, and joining the ranks of the forever damned!"

Veronica - Oh! Oh, my goodness! I see - oh dear, I see a large hole. It looks like - it looks like a crater. And Our Lady is going, walking over. She's not walking; She's floating over.

Our Lady - "Come, My child. This you must see and bring to the world."

Veronica - "Oh, Mother, no!"

Our Lady - "Look down, My child, into the realm of the damned."

Veronica - Oh! Oh!

Our Lady - "Describe, My child, the scene."

Veronica - Oh, my! There's a large, cave-like hole; the walls are blackened with charcoal, and there are flames - there are hot, searing flames climbing up the walls. And over on the right side - oh, there's a horrible thing. He's - I don't know how he stays on the wall; it's not that rough. But he has wings, like - oh, like a bat, sort of, and he has legs, and the feet are like frog's claws, and his head is - oh, like an elf, and pointed ears, and slit eyes, and he's grinning horribly. Oh! Now he's reaching out.

Our Lady is taking my hand. We're floating down - it's awfully hot. Oh, we're floating down and these things - now there's more of them. Our Lady is whispering:

Our Lady - "They are the fallen angels, My child."

Veronica - Oh! And we're going down farther. Oh, and there's thousands and hundreds of people now. But they're - I know they're people, but they're shapeless; they seem to be like burning coals. I can see the shapes of their bodies, but they're naked. Oh, my goodness! I can't - I know they're naked. Our Lady? Oh! Oh! They're, they don't even have any weight; they're floating, and they go up and down, and they're screaming. The noise, it hurts my ears. Oh! Oh! They're screaming. Oh, they look terribly frightened. And now they're - some are upside down and falling down into the hole. And when they get down then something like a blast of hot fire and air shoots them up again. It's like they're without motion or direction. Oh! Oh!

Now Our Lady is moving upward, and I'm going up. There's a terrible stench - oh, like of sulphur and . . . [Veronica coughs.] Oh! Oh, sulphur and like rotten something . . . something, I don't know. I can taste it.

Oh, now it's getting brighter. Ah, now we're outside. Now it's getting very bright. I feel better. Oh! Now Our Lady is coming over and we're coming down. Oh!

Our Lady - "You see, My child, there is a hell. There is a realm of deep darkness and damnation - forever, eternity without light.

"Is this, My children, what you want? This is your destination now, for many are on the road to perdition. Awaken, My clergy, those entrusted with the Faith. Turn back, turn back; you are on the wrong road! Restore My Son's House; patch the cracks! Tradition, My children - you cannot separate Tradition with the Faith. You cannot separate Tradition from the Faith.

SIN A WAY OF LIFE

"Sin has replaced Tradition, My children. Sin has become a way of life. Your children, what are they reading but filth and soul destroyers! Your teachers, what are they teaching but heresy! Remove the blindness from your hearts. The abomination of desolation closes upon you! You are building the world of destruction and deception. You will place mankind in bondage to satan. Your country shall become a lost land. Many countries of your world have given themselves to sin, corruption, and turned from their God and they have fallen.

"When you remove your Creator you leave a void, you leave the door open for the entrance of the evil spirits. There is a world about you unseen to your human eyes. This world of satan has great strength. This world of satan has claimed many of your children, your brothers, your sisters.

"Wars are a punishment for man's sin. A great War shall remove many from the world. Woe, woe, woe, My children, to the inhabitants of the earth!

"You will read the warnings and the message in the Book of life, known as the latter days of the Apocalypse. Read it, study it well, and learn by it. The course of mankind is traveling fast to the conclusion of the book of the Apocalypse.

"The guardian of the Faith is Michael. You will re-enter him into My Son's houses. We ask that all who have been given the light reach out with the Message from Heaven. Bring this light - light your candles, My children, with Me and search through the darkness for your lost brothers and sisters."

Veronica - Now Our Lady is removing from Her beautiful blue sash - oh, She has the most beautiful white Rosary. And the beads are very large, and they're pink in color. And when Our Lady turns they glitter. Oh, they are so beautiful! They catch all the colors of the rainbow. They're so beautiful! Oh, and the Our Father is golden. And - oh, Our Lady now is holding the crucifix, Her golden crucifix; She's holding it out like this. And Our Lady is now making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

And now Our Lady is replacing the crucifix onto Her sash. And now Our Lady is extending Her hand, and in Her hand is a round, beautiful, blue-looking globe with gold spots on it. And on top of the globe is the most beautiful golden cross. Oh! Now - oh, my! The cross and the ball are being raised, and then - oh, look at that! Forming about the ball and cross is a beautiful little Boy. Oh, look! Oh, look! He's about - oh, a year and a half . . . no, about a year old. Yes . . . sort of light brown hair, very curly. And now Our Lady is using Her right hand - She's holding Him now - She's moved Him over and cradling Him in Her left arm. And Our Lady now has a golden little crown and She's placing it on the little fellow's head. Ah! Ah! Oh, it's so beautiful! Our Lady now is smiling down at the little Baby.

Our Lady - "You see, My child, I have made Him ready for the temple. Cannot My children of the earth follow My example and prepare their children? Where is their love of heart?"

Veronica - Now it's growing very bright about Our Lady, and - oh, my goodness! Our Lady is now floating over to the left. And now the Child is gone. And Our Lady is standing there now, and She's motioning.

Our Lady - "You may sit now, My child."

[Pause]

Veronica - Oh, Michael is over the flagpole. Michael is so large he covers the whole sky. Oh! Oh, my! Look at that!
Oh!

[At this point Veronica put out her tongue as if to receive Holy Communion. It appeared that Saint Michael himself gave her Holy Communion. She then withdrew her tongue. She was beaming with happiness. It seemed she had received Holy Communion mystically.]

Oh! Oh, there are so many wonderful friends here tonight. There are so many angels. Oh, my! Oh!
Oh, it smells like a florist, smells like a florist, like a funeral florist. A funeral. . . . [Words not clear.] Oh! Oh! Oh!

Our Lady - "Some saw Me, My child, and some did not."

Veronica - Our Lady came out from the gray sky there, and - oh, I couldn't shout it loud enough, but there everybody would see Our Lady. She's gone now.

I'm looking into a room - it's a room, and I see some clothes piled over to the side. And I see some girls dancing; they're all standing by the side of the room and kicking up their feet. And they have leggings on, like black leotards. And Our Lady is now holding Her finger up, like this.

Our Lady - "No, no! No, no! You are looking into the room of Our spouses of Christ. See, My child, what satan has done."

Veronica - Oh, they're nuns. Oh, my, but they're all doing some kind of modern dancing. Oh, now Our Lady has reached down and She's picked up a skirt. But Our Lady is holding the skirt like it disgusts Her.

Our Lady - "They, My child, call this the habit."

Veronica - Now Our Lady has put it down and She's placed Her feet over it, and She's stomped on it.

Our Lady - "The snake writhers through the garments, My child."

Veronica - Our Lady's not happy with the dresses worn in the convents.

Our Lady - "You must warn your sisters in the convents, My child, that the Father is much displeased by their actions. Their example is poor, and the doors will close on all convents that have given themselves over to the pleasures and lusts of the world.

"It is better, My child, if We have few with quality than quantity with destruction. The doors will close. And pray much, My children, for those that remain are falling fast to satan.

"You will bar your doors. You will understand the meaning of My words and follow them through. Whenever you have a decision to make, I repeat, you will pray once, pray again, and then you will be given the light of understanding. Pray once, pray again, and you will be given the light.

"The words of truth will go throughout the world and then, My child, will come the end of your era as you know it. You will unite with all who have been given the light to join the forces from Heaven in fighting this final battle upon your earth, the duration of which will depend, My children, on the balance, which leans far to the left at the present time. The Father is most patient, but the Warning approaches.

"Look, My child, now, straight up."

Veronica - Oh! The flash! Get ready - the flash!

Our Lady - "All workers must unite into a solid front to bring about the triumph of My Son. We are not pleased with the dissension in the ranks of Our workers. The arms I spoke of to you formerly, My child, are the workers throughout your world. We do not like to see the separation among these groups - separations set in by satan.

"Many arms will be sent in the battle ahead. You ask, My child, about the establishment of another community. You will be directed properly in the future. Have patience, My child. It will appear before your very eyes. One step at a time."

AN ORDER TO BE ESTABLISHED

Veronica - Our Lady refers to the establishment of an order.

Our Lady - "This order will be founded on basic tradition. This order will gather those of true spirit. This order will be composed of both men and women, and a cloistered convent. The means will be sent to you all by the Father. It will be a refuge in the time of trial for many. This refuge will be located, My child, in your country, the United States.

"You will proceed in sending out the message, and do not slacken your pace by fear. You will face fear and it will disappear."

[Pause]

Veronica - Jesus is going to bless the sacramentals. Now if you look over on the right side, I'm sure that through the grace from the Father, there are some that will be enabled to see Our Lady and Jesus standing at the right side of the flagpole.

Now Our Lady is coming forward, and Jesus is standing behind Her. He's been there waiting for the conclusion of the prayers.

Now Jesus has on a burgundy-colored robe. It's like a cloak that's tied at His neck with a - oh, it's a braided type of rope-like cord; it's gold in color. And Jesus has this gown - it's a light tan. And oh, His feet are bare. He doesn't have His sandals on. And now Jesus is coming down. The light is so bright. It's warm, but it's bright; it's beautiful!

Now Jesus is shifting His cloak over onto His left arm, and He's extending His hand out in front of Him, like this, with the three fingers, making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And now Jesus is looking down and He's smiling. Oh, He said:

Jesus - "It will not be necessary to open your packages to bring out your sacramentals. I assure you, My children, their presence on the ground will be sufficient."

Veronica - Now Jesus is looking over.

Jesus - "Special graces are given, some that will not be understood by the human mind. Know that nothing is impossible with the Father."

Veronica - And Jesus is smiling, and He is referring to the blessings given on the grounds, how they can be dispensed by the spreading of the rose petals among the sacramentals. Now Jesus says:

Jesus - "My child, you stated that well."

Veronica - Now Jesus is going with Our Lady over to the left side of the flagpole, and He's looking down. Now Their gowns are blowing; it must be quite windy up there, too. And now Jesus is placing His hand over, like this, in front of His chest and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And Our Lady now is smiling and She's placing Her hands out in front of Her, like this. Our Lady has Her Rosary, the very beautiful large white Rosary with the golden Our Fathers, and now Our Lady is taking the crucifix. It looks like - I can't see the corpus; it's like a golden cross without the corpus. And Our Lady is extending it out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Oh, now Jesus is looking over towards the trees. Now He's coming down, He's floating down, just a little above the trees, almost standing on the limb of the tree. And now Jesus is looking down, and He's placing His hands like this and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He just seems - Jesus can move backwards without even turning around. He's just going, floating up backwards, up, up.

Now Our Lady is standing over by the, our left side of the flagpole. Now Jesus is just . . . now beside Her. He floated up backwards without even turning around. And up - now He's standing by Our Lady, and He's touching His lips. Oh, He wants me to listen.

Jesus - "My child, We are very pleased with the progress of My Mother's mission to reach all souls in these desperate days. Know that the road for your salvation has been given to you. You will stay on this road, or you will find yourself wandering in the darkness. The truth in light has been given to you in your hearts. You have a basic foundation for your Faith. You will follow the simple plan given to you by the Father, the Commandments and the discipline. Your example must be one of strength in truth. Only in this manner will you recover souls, for many of Our sheep are wandering. Do not set yourself to win the treasures of your world, for you will forfeit then the treasures of Heaven.

"On your pilgrimage in your world you must lead a life of austerity, one based on sacrifice and discipline. Return to prayer, dedicate yourselves with true vocation. Do not follow the modes of your world based on the themes of modernism, and setting of man up as an idol to worship by humanism, and eventually subjugating your will to follow the plan of satan. Prayer, redemption through sacrifice! There is no other course that leads to Heaven. The road is filled with thorns. The road is narrow,

but the reward is great. Deny yourself of your worldly pleasures. Sacrifice and retire into a life of prayer. You will not gather the sheep with socializing. You must return to a life of inner contemplation and prayer. Get down on your knees and return to a pure spirit of child-like quality."

Veronica - Now Jesus is raising His hand right in front of Him, like this, and placing the three fingers together and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Continue now with your prayers of atonement. The power of prayer is far greater than you could ever know."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

November 23, 1974

Eve of Christ the King

Our Lady - "My child, why are you affrighted? Have you not suffered more severe trials in the past? The forces of evil are gathered against My work, My child, but the Father has a plan.

"Continue, My child, with the prayers."

[Pause]

[There was a great deal of commotion at this time, as some were attempting to disrupt the vigil. The pilgrims overcame this difficulty with a constant repetition of the Hail Mary.]

Veronica - Our Lady now is coming forward. Oh, She is so beautiful! Our Lady is wearing the deep blue cloak over Her gown of white. Her gown now is trailing down below Her feet, and I can see Our Lady's feet. She has no slippers on. Oh, and Our Lady has Her - a belt, a blue sash. Now Our Lady is motioning to Her Rosary.

Our Lady - "You see, My child, you do have a replica of My beads."

Veronica - Oh, Our Lady -

RESPECT FOR THE EUCHARIST

Our Lady - "You will make it known to the world, My child, that the Father is much distressed by the manner in which His Son, My Son, comes to you in the Eucharist. Many are bringing Him with disrespect.

"Do not discount in your daily lives the little things, My children, for they add up and make a multitude of offenses to the Father. The angels command respect to My Son. You will cover your heads when you pray.

"The forces of evil are deep rooted in your country and the world. The Father plans a cleansing of your world, My child. It grieves Us much in Heaven to know this. The blindness has hardened the hearts of many. Will they seek the way? My Son plans to return to your earth. Will He find even a flicker of true faith left in the hearts of Our children?

"The Father plans to chastise, My child, those He loves. I am truly the Mother of great sorrow.

"The world is rejecting My words, My child, as they did many years ago when I made My visit to the little children in the country Portugal. Yes, My message to the world was not acted upon, and they, too, received a just chastisement by war. Wars, My child, are a punishment for mankind's sins.

"The abominations are multiplying. The measure of chastisement will be measure for measure, brim overflowing of the chalice. My child, they polish the chalice on the outside, but the cup is filled with abominations.

"My child, We are not without feeling; My Son is not without feeling. He suffers much. Many have turned aside from My pleas.

"Out in your universe there is the agent that the Father plans to send upon you for your chastisement. O My children, awaken from your sleep! The Warning is fast approaching upon you.

"Your world has been given to satan but for a short time. The agents of darkness have multiplied in your world and in My Son's House. The forces of evil will be set against you, My child, and your work. Know that the Father controls all. You will continue to give My message to the world.

"There are many gifts, My child, that go by unnoticed by mankind. The Spirit of truth has not left the world. The light is searching through the darkness."

Veronica - Now I see a great light above Our Lady's head. It's a beautiful blue light. Oh, and now from beyond the light there are stars. Oh, they're more brilliant than the stars in the heavens. They're like diamonds. They're so beautiful! And now they're shining all about the crown of Our Lady's head. Oh, they're just beautiful! Oh! They're like suspended in the air. I can't see what's holding them in place, but they're a beautiful crown of stars about Our Lady's head. Oh!

Now over on Our Lady's right there is a - oh, it's Michael! Michael is coming forward, and he's carrying a - oh, a scale in his right hand. And in his left hand he has a very long spear. Now Michael is about to - he's opening his mouth, and he's shouting:

St. Michael - "Hasten, harken, and listen to my words! You will not discount this Message from Heaven, for the Chastisement will be soon upon you! What was to happen in the future shall be now! Hasten, harken, and listen, for the warning is being given to your world! You invoke upon yourselves the due chastisement to a degenerate generation!"

Veronica - Oh, it's so frightening, Michael's voice. It hurts my ears, it's so loud. Oh!
Now Our Lady is bending forward.

Our Lady - "My child, many will hear the voice of their angels. It is in this manner that We hope to avoid for a time the great Chastisement. It is sad, My child, that many will still reject Our words, so deep is the darkness in their hearts.

"The eagle, your country, has fallen to satan. You must pray a constant vigilance of prayer. Your country will send itself into bondage. Satan shall rule in your leaders, all because you reject My Son! Already Our sheep wander. Whoever will go forward and gather Our lost little ones?

"There is in your country and the world a great conspiracy of evil. You will pray much and make many sacrifices for the recovery of the souls of many who have lost their way. Sitting upon their heads are the mitres of - mitres of authority, My child. It is only because there are few who pray for them. Remember, My child, do not forget your clergy, for many shall go deep into the abyss, and spend many years in purgatory because they have no one to pray for them. Your priests need many prayers. Many are misled, and many have sold their souls to get to the head.

"My children, wake up! What do you gain if you gather your treasures in the world, and store none in Heaven? You will leave the world with nothing, and if you come to Us without merit, We must reject you. And you will be cast into the fires, or spend many long years purging yourselves in the land of waiting.

HUMANISM, MODERNISM, SATANISM

"My child, the great delusion in your world today is the darkness of spirit created by talk leading to evils of humanism, modernism, and the worst of all evils, satanism. The evil, My child, is so great that man has set himself up as an idol.

"In your country and the world, My child, I repeat, there is a great conspiracy of evil. Truth - where is the light of truth? Souls are tarnished because they are not being fed the pure waters of truth. My Son - My heart is pierced to see the many abominations being committed in My Son's House.

"Pray a constant vigilance. The prince of darkness and his agents cannot stay when you pray. Your country, no longer beautiful of spirit, has given itself to murders: Father against son, mother against daughter, child against parent.

"O woe to the parents who lead their children into sin. Whatever shall become of your children? Your example is poor. Your teachers bring darkness to the soul.

"There must be, My child, a complete reversal of man's ways that offend the Father. Unless this is accomplished in a measure of time allotted by the Father, there will be sent upon you a great Chastisement."

Veronica - Oh, my goodness! I see, I see this ball. Oh, it's spinning very fast. It looks like - I can see one side of it now. It looks like a rock formation, and it has - oh, fire streaming from behind it. It's very large. Oh! Oh, my goodness! And as it's spinning it seems to be gathering like smoke about it. It's orange and yellow and white - smoke and fire. Oh! Oh, my goodness! Now I see it. It's like going very fast through the sky, and it's heading towards another thing that - I know it's the earth; I can see the outline. Yes, it's the earth. And oh, my goodness! Oh, my goodness! I see water rising very high over the sides of the land and the houses. Oh, it's like, like the sea just pounding in over and washing down the buildings.

Oh, now Our Lady is coming down and pointing up. I can still see the buildings that have been torn down. And I see people. They're very frightened; they're running in every direction.

Our Lady - "My child, it is truly a sad scene that I must show you."

Veronica - Now I see a lot of people lying on the ground, and I know they're dead. And now there are people trying to dig trenches, but there are so many they can't bury them. And now there's -

Our Lady said:

Our Lady - "Look, My child."

Veronica - Oh, my goodness! There's a horse, a man and a horse, but there's a light shining upon them and it's all green. "DEATH AND PESTILENCE." Written above their head is "DEATH AND PESTILENCE." Oh, my! Oh!

"Oh, Blessed Mother!"

CROSS OF MARTYRDOM FOR POPE PAUL

Our Lady - "My child, you must pray much for your Vicar. He is undergoing great trial. He carries a heavy cross. Many of his children are disobedient to his orders. He accepts for the salvation of souls the cross of martyrdom.

"You must continue, My child, in the direction I have given you in the past. You will bar your doors to all but your immediate workers and family. It will not be necessary for you to entertain. The value of prayer is far greater.

"My Son is much grieved, My child, in the manner in which many come to Him in His House. They come with disrespect. They do not have love for Him in their hearts. My child, please, they lead themselves onto the road to satan. They must not accept My Son with sin in their hearts. Many do not go to Our representatives. They accept My Son with sin on their souls! Shout it, My child, from the roofs: you must honor the Eucharist!

"You will go forward, My child, with perseverance and trust in the providence of the Father. You will be directed if you do not fall from your prayers. You must make time in your busy schedule for quiet meditation. Make it a habit, My child, to repeat to your brothers and sisters that they must wear the sacramentals given as their armor through the years.

"Penance, My children, the world must do heavy penance. You must keep in heart that you cannot have the world and the Kingdom of God. For you will love one and reject the other. The world and the Kingdom of the Father are not companionable. When you are not of the light you will love the world, but if you reject the world you will find the light.

"You, My child, must learn a simple lesson. If you are given your reward upon earth, what have you to look forward to in the Kingdom? Do your work, My child, in secret so that the Father Who sees you in secret shall reward you. It is only the human frailty of pride that makes man seek recognition. Yes, My child, pride is a sin. Mortification - this, My child, will be sent to you for reason. Soon you will thirst for mortification, for only in this manner will you retrieve the souls.

"I place, My child, your hand in Mine, knowing that I protect you in the days ahead. I place My blue mantle over all My children. What is there to fear but fear? Face fear, My child, and it will soon disappear. I bestow - "

Veronica - Oh, Our Lady is opening Her, Her gown. Her cape is so wide. And She's placing Her hands out, like this. Oh, it's just beautiful! Our Lady says:

Our Lady - "I bestow upon My beloved children, those of light and faith, the graces for conversion and cure, the redemption of the wandering sheep. Go forward, My children, in perseverance and great courage, knowing that I am with you always."

Veronica - Oh, and now there's coming down from the sky the most beautiful glittery diamonds. Oh, they're little slivers of glass. Oh, they're falling all around. They make me feel good. Oh, and Our Lady is smiling.

Our Lady - "Graces, My child, graces in abundance. Graces for the asking."

Veronica - Oh! Oh, now behind Our Lady I can see - oh, it's Theresa. Oh, Saint Theresa.

St. Theresa - "Veronica, my sister, you must not be held back by fear and doubt. Work with great haste to reach my brothers and sisters. We are much grieved, they do not dress properly. Their example is poor and the convents are empty. How sad we are here in Heaven! Where shall we find sisters to guide the sheep?"

Veronica - Now behind Theresa there are a lot of people coming down. They're all nuns; I know they're nuns, because they're dressed in long dresses. And behind them are men. They have on brown habits with cord around their waist, and I know they're Franciscan brothers because of the way they're dressed. And they have on sandals.

Now Our Lady is smiling.

Our Lady - "My child, We do not see much of this upon your world now. Out of sight, out of mind. The external trappings mean much. You must cover yourselves with good example. Immodesty is a sin, My child. All bodies that are exposed will burn. The great flame of the Ball of Redemption will burn all exposed bodies. Cover yourselves well, My children, and you will be covered with the armor of God. Impurity of heart is promoted by lewd actions, My children. You not only sin, but you force others onto the road to destruction by your actions.

"Mothers and daughters, women of the world, you must be an example of purity and piety to your children. It is only by your action as parents that your children will learn. Many parents will cry bitter tears of anguish when they see their children lost to them forever.

THE RAPTURE

"In the great trial ahead, My children, many young will be taken from the world. In the great Chastisement many of My children will be removed, some without going into the deep sleep. Yes, My child, nothing is impossible with the Father. Many will be taken without going into the veil."

Veronica - Our Lady means dying. Many will be taken without knowing the death of the body. Oh! Oh! Oh!

Our Lady - "Yes, My child, the words in your Book of life are true. There are two standing out in the field: one will be remain, and one will be taken. Yes, My child, there is nothing to fear. All that happens will be good for those of well spirit. Fear is truly a tool of satan. Confidence, My child, always confidence in the power of the Father.

"We are much pleased, My child, at the cooperation among My children who form the armies against satan. One day all will know the count of recovered souls.

"You must all stand firm in your Faith. Do not abandon My Son's House, Church. Know that you must not judge My Son's House by the actions of man. Man has been created by the Father, and man in his human nature can fall, My child. Do not judge My Son's Church by the actions of man. Know that regardless of the actions of man, My Son will always be there in the Eucharist. A duly ordained and consecrated hand of a legal representative, your priest, will always be able to bring to you My Son's Body and Blood in the Eucharist. The enemies of My Son wish to take this truth from you. They say that the Mass is not valid. That is not true, My child. Through the power of the Father in the Spirit, My Son comes to you. He comes to you physically and spiritually in presence. Do not accept the error of your day that this is a story or myth, My children. I assure you, My Son is there with you.

"I repeat, My children, you must eat of the Bread of life to be nourished. That Bread is My Son! He nourishes your eternal soul. Without this Bread of life you will not have the light within you. Remain close to My Son in the tabernacles of the world, for He is very lonely, My child.

NO COMMUNION IN THE HAND

"The agents of hell seek to ravish My Son's Body, My child. Protect Him! Do not allow the agents of satan to desecrate Him! Foul and unclean hands snatch Him. My child, save My Son! I plead with My children not to place My Son's Body in unclean hands. You must not give My Son's Body over to unclean hands. O woe! Whatever shall become of this degenerate generation!"

Veronica - Our Lady is looking very sad. She's brushing Her hand across Her face. Now Our Lady is pointing to Her chest, and there's a large red heart now appearing on Our Lady's chest. And - oh, my goodness! It's all swords in Her heart. And Our Lady now is placing across Her head a black scarf.

Our Lady - "You see, My child, how deep is My sorrow. I am truly the Mother of Sorrows. Make many sacrifices, My child. Instruct My children to follow the rule. Many shall fall into the abyss because they have no one to pray for them and do penance for them. Charity, My child, charity must be extended to all. Works without charity are works that are dead, My child.

"No evil will ever be triumphant. The Father will turn all evil to good.

"If you, My child, find your road filled with thorns, know that you are truly traveling the way of the cross. You cannot expect any less a lot than My Son received when He brought the message to the world. For if you were bringing a message known to the world you would be accepted. But since you bring a message of the spirit, those not of the spirit will reject you, My child. Pray for them, for the power of prayer is great.

"Pray much for your rulers, your government, your schools, and My Son's houses throughout the world. A House, a Church in darkness wears a band of death about it. Many will close their doors when they succumb to the darkness. Pray, My child, a constant vigilance of prayer. Prayer, atonement, and sacrifice, My voice cries, for the time grows short. The sands are running out, My child."

Veronica - I see a very large hourglass. It's a very large glass, and I see red - no, they're pink-colored sands. And it's dripping into the bottom of the glass, but it looks like it's about an eighth filled on the top now. An eighth filled.

Our Lady said:

Our Lady - "Yes, an eighth filled.

"You will sit now, My child, and await My Son."

[Pause]

Veronica - All who are able, please kneel. Our Lady now is coming down to the right side of the flagpole, and now right behind Her is Jesus. Oh, it's so bright, the light is so bright! Now Jesus is coming down. Oh, He's standing now in front of Our Lady.

Now Our Lady is going over to His right side; They're over by the right side of the flagpole. Now Jesus is moving over. Oh, Michael is coming down. Oh, he's now dressed in a long skirt, a robe. It's white with a golden belt, sort of a rope about his

waist. Now Michael is carrying the balance in his right hand, and he's holding in his left hand an hourglass, the large hourglass, like this.

Now Jesus is coming forward.

Jesus - "Listen, My child, to this direction. It will not be long before My Mother will use few words. The message will be given in its entirety to the world. This message will be spread throughout the world, joined by many seers in many places. When the world has been covered, all will be placed to the test. Know that there will be sent upon mankind a Warning of great proportion, and then, should this go unheeded, you will receive a great Chastisement. All who are of well spirit will have no need to fear, for all will be good for those of well spirit.

"Do not cast aside the graces needed for your redemption. My Mother will remain at your side during the days of trial. All will be given in judgment according to their merit. None will fall into the abyss unless of his own free will. It is the will of the Father that none be lost to satan. Wear your sacramentals and keep in mind the direction of My Mother, for She has been sent to you as a Mediatrix. Do not take Her words idly, for She has given you the light of truth."

Veronica - Now Jesus is placing His hand in front of Him, like this, and He's making now the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking down; He's smiling. Oh, and He's placing His hand out in front of Him and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady and Jesus are rising high up, up by the flagpole. They're almost up to the top. And now They're moving over across to the left side, our left side. Now Jesus is coming down; He's standing just above the banner. Oh, He's going to step on it! No, He's moving down now, Jesus, over by the tree, and He's placing His hand out. He's shifting His robe now over to His left arm, and He's placing His right hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is taking Her Rosary - She has a very large Rosary - the white beads, and now the crucifix. There's no corpus on it, but it's a large crucifix. And Our Lady is placing it in front of Her.

Our Lady - "I bless you in the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - And Our Lady now is placing the cross by Her heart on Her chest, like this. Her hands are crossed, like this. Now Our Lady is rising. She's going backwards, up, up over by the flagpole, and She's looking down now over on the right side. And Our Lady now is extending Her crucifix in front of Her: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is rising up, He's going up. He just floats; He's just carried on the wind. And He's standing by Our Lady.

Jesus - "Continue, My children, with your prayers. Many are needed."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

December 6, 1974

Eve of the Immaculate Conception

[The area usually occupied by Veronica and those attending the vigil had been fenced in. As a result, instead of being in her usual place, Veronica was facing the street and the old St. Robert Bellarmine Church was on her left.]

Veronica - The sky is becoming very lighted, and there are thousands of stars. They're twinkling in the sky. Now the sky is becoming very bright about the trees, and the edges of the trees are turning a very light blue.

Oh, Our Lady - oh, Our Lady is coming forward, but coming in the same direction; Our Lady is coming sideways. And behind Her is Michael, and about - oh, I can count them: about ten or eleven more angels. From their clothes, their dresses, I know they're angels. Now they're all coming forward. They don't walk; they're floating. Oh!

The grounds are in different colors, the most beautiful colors of yellows and blues and greens. Oh, they're such beautiful colors! I can't describe them. There are no words that could describe the colors.

Now the angels that are standing over to the right . . . Our Lady now is turning and facing us. Oh, how awkward it seems, to be faced in this direction. Now Our Lady is smiling.

Our Lady - "My child, there is no inconvenience. You must understand that My basilica will also cover the ground that you are now upon. Therefore, My child, you are not outside My Shrine.

"I know, My child, that this has all given you a great puzzlement, but you will go as the Father directs. He has a plan for bringing about the building of this Shrine.

"My basilica, My child, will be built on a firm foundation of faith. Tradition cannot be placed aside from faith. Together they are the foundation.

"We watched the evil that advanced upon Our children. It is with great consternation that the Father observed the entrance of the evil one into your schools. There is great darkness in the hearts of many of Our clergy. There is great darkness in the hearts of many of Our children. It is like, My child, a contagious disease spreading so fast - darkness of the spirit.

"Won't you, My child, weep with Me and join Me in this great sorrow? Accept the heavy cross the Father allows you to carry.

"I cry also, My child, when I watch the desecration of My Son's Body. This desecration is being promoted by many who had been given the outstanding honor of representing My Son in His houses throughout the world, the churches.

PLAN TO REPLACE VICAR

"O My children, how often have I cried to you, to warn you of a coming great Chastisement! The balance has not moved; it lies heavily to the left. Already in the holy city of Rome, there is a plan now developing to replace Our beloved Vicar. Pray, pray much that he does not be removed, for the man of dark secrets is waiting to enter upon the Seat of Peter."

Veronica - Now Our Lady is coming over. She's floating - it's as though the air seems to carry Her right over towards us. Now Our Lady is over by the tree. She's looking down. Oh, and Our Lady is extending Her Rosary. She has the most beautiful Rosary. Our Lady's Rosary is white, but the Our Fathers are golden - the most beautiful Rosary!

Our Lady - "My child, you will listen carefully and repeat what I have to say.

"Children of the world, know the plan of satan among you. He cannot work without using the body of a human. Loosed upon your world now are a legion of demons from hell. They seek to bring about the full capitulation of mankind and the reign of the man of sin.

"Your world is fast heading for a major catastrophe of war. This war will enter upon the life of every man, woman, and child.

"We have wandered throughout your world looking for a House that retains a small semblance of holiness. There are few, My children! It is sad to say that the faith is flickering and the candles are dimming. Will My Son find even the smallest light of faith left when He enters once more upon the world?"

"The spirit of wickedness has entered upon the high places. Those in authority with the greatest power to bring about the fall of mankind are using this power.

MONEY AN IDOL

"The idol being used in your world to bring about its destruction has a foundation based on worldly gains, the idol being money. For coins will many sell their souls!

"You will accept your trials, My child, without complaint. You must understand, My child, that when you live in the spirit those who are of the world will reject you. When you have chosen the road of the spirit you must place an armor of strength against the mockery of the world. The opinion of mankind must not slow your work, My child.

"Man, even man in My Son's House, Church, has found the way to rationalize his sin. There is no rationalization, My children, for sin! For sin will bring about the death of your soul. Your soul is immortal, but when I speak of the death of your soul, I mean its fall to satan and its banishment into the eternal fires of hell.

PROTESTERS MUST RETURN

"Many questions arise, My child, about My Son's House. There is only one true foundation - that is the House of My Son with Peter as the first ruler and head, and now your Vicar, Paul VI. All others have protested against the law and rule and broken away. They must be returned to the fold. However, My children, you are proceeding along a path of delusion. You will not bring these souls back to My Son's House by changing to meet their standards. Man must change to meet the standards of his God!

"The words of My Son are timeless. They cannot be called outdated. There is no reason to change. The Father never changes the rule. There is, My child, no easy road to the Kingdom. It is a straight but narrow road. Should you wander from this onto the wide road, you will find the road back very difficult.

"There is in My Son's House a complete casting aside of the knowledge of the supernatural. Know, My children, that it is not a myth or fallacy, the existence of Lucifer and his agents. They are loosed now in full force. You are living in the days, the latter days, as written for you by John. You will read the writings of John, his Revelations, and you will not be in darkness. You will recognize the signs of your times. Your world will be baptized by a great fire. The Ball of Redemption will pass through your world, and many will die in the great flame of this Ball of Redemption.

"As has been promised to you by My Son, you will receive a great majestic Warning from the heavens. This will prepare you to either improve and strengthen your spirit, or you will become more hardened and farther from the light. Believe what you see and learn by it.

"Many manifestations, My child, will be given for the edification of mankind. My Son, in the Father, has chosen this manner to go throughout your world and find many seers to bring the message of your salvation. These seers, My child, have met with much persecution and rejection. It is only because the world rejects the Message from Heaven, for you bring the message of the spirit.

"Your world, your country is in a cesspool of immorality! Your children - unless you parents will accept your role as parents and bring your children with discipline back to My Son, there will be much gnashing of teeth and weeping, but too late, too late, My children!

FILTH IN THE SCHOOLS

"Parents, awaken from your sleep! Look into the lives of your children! What are they doing for their recreation? Where are they going when they leave your homes? And what are they learning in their schools? Filth, rot, abominations, and soul destroyers!

"Teachers - teachers of lay life, clergy teachers - shall you stand before My Son and say that your teaching has been pure in His sight? No! I say unto you, He shall gather you up, you straying shepherds, and cast you into the fires! Many mitres will fall into the abyss. Pray, My children; pray for your clergy! The greatest attack from the agents of the prince of darkness will come to your clergy.

"Pray, My children, a constant vigilance of prayer. Have mercy upon your brothers and sisters. We ask you not to judge each other, but to pray. We do not condone a wrong. We speak out to correct a wrong, but we do not judge. The Father is always the final judge. Speak once, My child, and if not hastened, speak no more but keep it in your heart, for it may not be his decision.

"Obedience, My child, obedience - how sad that the true meaning has met with distortion. Satan has used the rule of obedience to bring about the destruction of souls. There is, My child, only one majesty Who commands your obedience. This is the Father - the Father, the most high God in Heaven, the Kingdom of light. You must not honor man before your God. You must not sell your soul to man! For you, therefore, are selling your soul to the devil.

"There is about you, My children, a world unseen to your human eyes. These creatures of the darkness never sleep. Beside you, to protect you, are the angels of light from Heaven. How few call to their guardians! At the moment of conception, the spirit of life is breathed into the body - at the moment of conception! At the moment of emergence from the mother's womb, a guardian of light is given to the born child.

"We are saddened to know that you will place in your government one who has the power to continue the slaughter of the Holy Innocents. Woe to your country and woe unto man! For abortion is murder, and murder means death. O my child, who has any measure in the slaughter of the unborn and do this of conscience and free will, will be condemned eternally to the abyss.

"Every means shall be used to promote the slaughter of the aged and the unborn.

"Sin, My child - "

Veronica - Now Our Lady, Our Lady is coming down closer on the left side of the tree. She looks very, very unhappy. And now Our Lady is taking the cloak that's around Her head and passing it across Her face. She's crying.

Our Lady - "Sin, My child, has become a way of life. Whatever shall become of the children, the little ones?

"It is for this reason, My child, that the Father plans to send a plague upon the world. Many young will die. It is in this manner that many young will be saved. Pray, My child, much, for many parents will cry bitter tears.

"No, My child, do not feel sadness of heart, for you will understand that the age in which they will be taken will leave no reason to doubt that they entered with the angels.

"You see, My child, it will be a great battle against the forces of evil to pray, for Satan knows that with prayer the souls will return to My Son. If he can stop the prayers, My child, he can regain Our beloved children, casting them into the abyss.

"The struggle has been from the beginning of time, My child. The struggle for souls will continue until My Son arrives. The Mystical Body upon earth will go through great tortures as of a woman in labor. I repeat Myself, the numbers saved will be counted in the few.

"You must keep the sacramentals upon your body. Your body is the temple for your spirit. Many sacramentals have been given to you through time.

"When man has fallen, he will have been given every opportunity to save himself. And when he falls, he will have made his own decision.

"Do not discount My warnings, My child, of the miracles of hell which gather about the grounds. The transports of hell are ever present. The world has chosen to call them flying saucers. Know, they are transports of hell.

"See, My child, the power of Heaven."

Veronica - Oh, I see . . . Our Lady is placing out Her hand, and I see a light coming down onto the grounds here. And oh, my goodness! People are just floating right up, oh, as though they absolutely had no weight! They're floating up, up, up, until now there must be twenty or thirty people standing next to Our Lady. Oh! And now Our Lady is placing Her hand down and they are coming down, floating down.

Our Lady - "You are watching, My child, one of the maneuvers My Son will use when He arrives. No, not this evening, My child - when He comes to bring peace to your world.

"Oh, yes, My child, when My Son comes He will come because it would be of great necessity to save mankind. No flesh will remain unless He comes, so great will be the strife upon earth."

Veronica - Now Our Lady is extending Her Rosary, Her beautiful white Rosary with the golden Our Fathers, out in front of Her, like this. And She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My child, you will now continue with the prayers of atonement."

[Pause]

Veronica - Please kneel. Our Lady now is coming down from the tree. She's over on the left side of the tree. And now Our Lady is coming down, and . . . Oh, how to measure between the trees?

Our Lady is smiling.

Our Lady - "It is a little awkward, My child, to station Myself when I have been accustomed to seeing you in the other direction."

Veronica - Now behind Our Lady there is, oh, a brilliant light. It is almost like a star that's opening up, and - oh, oh, it's beautiful! Oh, now I see - oh, I can see Jesus is coming forward now. Oh, the light is so brilliant I can barely look at it. It's so brilliant that it's like a mass of diamonds sparkling. Oh, it's beautiful!

Now Jesus is coming forward. He has on a cape; it's a burgundy color, a deep red. And He has sandals, brown sandals on His feet, and a cream-colored gown with this piece of, like a . . . oh, not rope; I guess it's called a rope - Jesus is nodding yes - about His waist. And now He is placing His hand forward in front of Him, like this. Oh, that means to listen.

Jesus - "My child, the time has come to use the words with strength. You will repeat as a voice-box:

"I give you, the world, a fair and just warning from the most high God of Heaven and earth!

"To all of Our bishops and cardinals: awaken from your sleep! This warning is given so that you will have time to make amends. You are burrowing like rats into the foundation of My House! In your quest to improve, you are destroying My House! In your arrogance, you are traveling the road of the fallen angels! Modernization - you shall not change to please human nature! You will bring man to his God through discipline. The rules have been given to you, set down very clearly in the Book of life, the Bible. You will not change the words to suit your fallen nature! My word to you is this: Return My House to the rule! A House in darkness will shut its doors. The filth must be cleansed!"

Veronica - Now Jesus is coming forward, and He's placing His hand above His head and He's pointing out into the sky.

Jesus - "Look, My child, look what is approaching your earth!"

Veronica - Oh, I see this huge ball. I've seen it many times, but it's always frightening. Oh, my goodness! Oh, it's an absolute ball of fire! Because it's traveling so fast, it's shooting out this fire from behind it. It's very, very big! Oh, it's like an oven of fire. The color is absolutely hot!

Now it's getting dark, and my eyes don't burn anymore from looking at the heat and feeling the heat.

Jesus - "Yes, My child, it is not a pretty sight. Flesh will dry up and blow off the bones as if it had never been! Many eyes will see and still not believe, so weak is the faith upon earth! Prepare yourselves and set your house in order!

"All will be judged according to what lies in his heart. No man is hidden from his God. Faith - what has happened to you? My representatives, you have given yourselves to the pleasures of the flesh and the world and the devil. Discipline! Starve your bodies of the demons which you have entered upon yourselves by your careless attitudes, by your permissiveness, and by your lack of discipline in My House, allowing My sheep to wander and be lost to Us!

"Your teaching - there is much to be changed. Return the spirit of truth, the aura of holiness within My House now, or you will be judged among the least!"

Veronica - Now Jesus is moving over. He's going across towards the tree on the right side, and He's looking down now. It's awfully frightening. And now behind Him, oh, is Michael.

Michael is coming down now. He's holding the scale, the large golden balance, in his hand, in his right hand, and he has the sword in his left hand. Now Jesus is raising His hand and pointing to the balance.

Jesus - "My child, your world is imbalanced. The souls of mankind are imbalanced. The Chastisement is heading for your world. Awaken from your slumber! The sands of time are running fast. Will you be ready?

"Though the world of fallen man and his nature seeks to still the voice of My Mother, this he will not succeed in. The words, the Message of Heaven, shall go throughout the world, and then shall come the end.

"It is not a message of fear that I give you, or My Mother brings to you. It is a message of hope in your world of desolation. Stand fast in your Faith! Retire from your world which is now given to satan. Guard your children well, and We will meet and rejoice in the battle that will be won with the help of My Mother.

"I bless you, My children, and bestow upon you the graces necessary for your salvation and the salvation of the children's souls."

Veronica - Now Jesus is placing His hand out, like this, in front of Him, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is behind Jesus, and She's coming forward now. And Jesus is going over - He's floating over to the left side, near the tree, and He's coming down a little closer to the grounds. Oh, He's very close down now. And now He's bending over and placing His hand out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady and Jesus are rising up - oh, They're going up very slowly. They just seem to . . . I have no way . . . just float up, up, up. Now They're just above us. And now Jesus is bending over.

Jesus - "My child, you must hasten to send the message throughout the world. Time, time is running out. Do not be concerned. Many arms will be sent to you to help you - peoples of great faith, strength, and courage. You will also proceed with the establishment of the refuge for the good sisters."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

THE ORDER OF OUR LADY OF THE ROSES

Oh, Jesus is referring to the establishment of the Order of Our Lady of the Roses, the Carmel of Our Lady of the Roses. It will consist of a large plot of land with a cloister for nuns who will live a life of meditation and contemplation, away from the world. They will continue the balance of prayers needed for the recovery of souls, of both the lay and the dedicated souls, the priests, the clergy.

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Jesus - "You will continue now, My child, with your prayers of atonement."

December 24, 1974

Eve of the Nativity of Our Lord, Christmas Eve

Veronica - Our Lady is coming down now by the left side of the flagpole. Our Lady is carrying a little Infant in Her hands, Jesus. Now Our Lady is placing Her finger against Her mouth. Now Our Lady is coming down a little closer to the left, our left side of the flagpole.

Now Our Lady, She has upon Her head a most beautiful golden crown, and the - oh, it's so beautiful! It has stones in the crown that are blue and golden; the gold around the stones is the most brilliant color yellow. It hurts my eyes to look at it, it's so beautiful!

Now Our Lady has on a very, very beautiful gown. It's a different material than She ever wore before. It's, it's almost like a silk. But it's very billowing, very loose. And there's about Her shoulders a blue cape. It's tied by a golden . . . a braid about Her neck.

And now Our Lady is holding Her hands out in front of Her. She's holding the - a little Boy. He's about two - no, about a year and a half old. Oh, He's very cute. He has on a gray dress - oh, a gown; and it has a belt about it. And now I can - now Our Lady is putting Him forward in front of Her so I can see Him. Oh, He's a beautiful Child. But I'm looking at Him, and He's looking right into my face. And He's a child, but His eyes - His eyes are so beautiful! And they seem to have a look of absolute divinity and knowing.

Now Our Lady is gathering the little Child to Her chest, on the left side, Her left side. And She's looking very sad.

Our Lady - "Yes, My child, I was well aware of the trials that would befall Me. Nothing is hidden to the Father. And in His time it will be made known to you.

"I have heard the words of scorn and derision that have followed the message that I give to the world, My child. It is sad that this warning is being ignored by many. I have come as a Mediatrix between God and man. I have been sent by the Father to warn you that unless you change your ways and go back onto the narrow road set forth by the Father, I can no longer hold back the punishing hand of My Son. There are many seers throughout the world now who have been given the light and are instruments for the dispersal of My message throughout the world.

"Priests in the houses of My Son, why do you waste your time trying to disprove My warnings to the world? You are rationalizing My supernatural manifestations. Pride and arrogance have set many onto the road to destruction, soul destruction.

WARNING AND CHASTISEMENT

"It is sad, My child, that those who have the most power to do good are using this power now to destroy the young souls. Shout, My child, My message from the rooftops. The time is growing short. There will be a gross, immense, terrifying to many, Warning to mankind. And if mankind does not heed this Warning, a great Chastisement coming from the heavens shall be set upon mankind.

"You, My child, must remain in retirement. It would be well if you find more time, My child, for silent meditation.

"Already My warnings have fallen upon hardened hearts and deafened ears. The blindness is spreading throughout My Son's houses. You must now pray a constant vigilance of prayer. Your country has set itself upon the road to its own destruction. Pray a constant vigilance.

"The materialism and modernism that man claims as his way of life now is setting him on a fast path to destruction. Make it known, My child, to the world that your life, all life upon your earth is but of short duration. All must pass over the veil and be judged. Satan has set darkness, darkness of the soul, among you. His deception has claimed many. Many of Our mitres have fallen to this deception. Yes, My child, there are not enough prayers or sacrifices for your priests.

"There will be in your country a conversion in your government leaders.

"The miracle of photographs, My child, are given for reason. Study them carefully.

"The waters of error, deceit, destruction, and death are rising fast in your country.

BIBLE BEING REWRITTEN

"You, My child, must give more effort to spreading the Gospel Truth. The Book of life and love, the Bible, is being rewritten. It is done, My child, with great cunning and deception. Only those in the light, made knowledgeable by the light, will recognize this deception. Little by little the errors are being spread.

"Read, My child, read! You must not forget the fifteen minutes a day of reading the Book of life and love, your Bible. Do not be concerned of the words of mankind. Know that all who follow My Son must carry His cross. It is only your human

pride that will make you seek the acknowledgement of mankind. This is a weakness, My child, of all human nature. Pray and you will be strengthened in this virtue. You will find that you will accept suffering and rejection more easily.

"You must go back, My child, to the early years, 1968, and reread the messages given to you by your sister, Theresa. She has trained you well, Theresa, the Little Flower.

"Yes, My child, I am sending to you many photographs of the coming Ball of Redemption. You will send these widely throughout the world, not caring for their acceptance, knowing that you do your part, My child, in dispersing these pictures.

"What man cannot see with his human eyes, My Son has chosen to place in print for you. It is because your faith, My children, has grown very weak. You will not believe unless you see. Blessed is the child who will believe and does not see.

"All who have been given great graces, much is expected of them. Know, My child, that the road of the seer, the voice-box, shall be filled with thorns. At the end of that road you will find a garden filled with roses."

Veronica - Now coming down by Our Lady - Our Lady is coming down over by the tree, on the . . . well, Her right side of the tree, but our left side. And there's a tremendous white light. It's so bright I can barely look into it. There's a beautiful white light coming down over Our Lady's head. Oh, and behind the light I can see one, two, three - oh, four, five nuns coming down. They're all dressed in - they have black veils, but in the light they look like they have long brown habits. Oh, I can see the nun standing - she's coming forward now and standing by Our Lady on her right side. Oh, I know Theresa! Oh!

Now Our Lady is motioning to Her lips, touching Her lips with Her finger.

Our Lady - "My child, you will call upon your guardian angels more often. We have assigned many to Our children. They have great supernatural power, My child. Do not make your work difficult. You cannot handle it all alone. Call often upon Michael and your guardians. Call to Theresa. Yes, My child, call to Theresa.

"You are, My child, amazed at these revelations? Know that nothing is impossible with the Father. Many manifestations will be given to mankind in these days of trial. Know that you must work fast, My children, to give My message to the world. The enemies of your God are gathering to stop you. Do not be affrighted, My child. You are protected. No life shall pass beyond the veil until the Father wills it so.

"Do not be concerned, My child, that you do not work with your greatest speed. There is reason for placing you abed. Often, My child, in your busy day you do not make the time for silent meditation.

"There will be sent to you many arms to help spread My message to the world.

"In time you will understand My direction for the building of the convent and the basilica.

"You will accept each day as it comes. Persevere, My child, persevere in Faith, Hope, and Charity. You must meditate and repeat often the stanzas of Faith, Hope, and Charity, for much truth and light are in the words Faith, Hope, and Charity.

"Yes, My child, your leaders will need many prayers and acts of sacrifice. They have not been given the light. Even they shall be enlightened if there are enough prayers and acts of sacrifice. Your government now has allowed the entrance of many men of sin. Know that unless you pray, their influence will bring great trial to your country.

"Satan and his agents have been loosed now in final battle. How long, My child, you ask - how long shall it be? It will, My child, come upon you suddenly. Many will not be prepared.

"I do not come, My children, to bring you a message of fear, but a message of what is to be. Recognize now the signs of your times. Read your Bible and learn.

"Do not be affrighted, My children, by the attacks of satan upon you. Know that if you were not recovering Our sheep, you would not be set upon by satan."

Veronica - Now Our Lady is reaching down and extending Her gold Rosary. The crucifix is very golden. And now She's placing it in front of Her and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is smiling now, and She's turning now to Her right - would be over to the left. And She's looking down, and She's raising now the golden crucifix out in front of Her, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is moving over. It's hard to explain how Our Lady moves. She floats, She's just floating over. Now Theresa - I can see Theresa now coming beyond the trees with the other four nuns. And they're coming over by Our Lady. And now Our Lady is looking down over by the right side and extending Her golden crucifix out: In the name of the Father, and of the Son, and of the Holy Ghost.

I can see - it's very large and shiny now; I can't see a corpus on Our Lady's crucifix. Oh, it's beautiful. It's a beautiful golden cross. Oh, and the beads are white, but as Our Lady now is bending down the beads are turning light pink, a beautiful pink color. And then now - oh, I can't explain, but the beads reflect all the colors of the rainbow. It's beautiful! Oh, the beads are very large. They're almost the size of a dime. Oh, but very round. And the Our Father is a golden color, beautiful golden. Oh!

Now Our Lady is motioning over.

Our Lady - "Be seated, My child; you will need your strength. My Son has a most urgent direction for you.

"Make it known to the world, My child, that no fence can reach to Heaven. Satan cannot take the light from you if you remain with My Son in the Eucharist. Pray, My child, that the doors of the tabernacles are not shut to your country - so great are the conquests of satan.

"Yes, My child, your country shall not escape the tribulation of the other countries that have fallen to sin. Your country shall experience death and violation, tribulation, and the plague. The Father will chastise those He loves. The sheep shall be separated from the goats. In this manner will your world be prepared for the coming of My Son.

SECOND COMING OF JESUS

"Know that My Son shall come to you as He joined the Father. He shall descend from the heavens with all the legions of angels and saints. He will set your troubled world to right.

"Persevere, My children; persevere in the light. I spread My blue mantle over you. I promise, as your Mother, to be with you through the tribulation, and I will be with you to the Second Coming of My Son.

"The sacred grounds are not closed to mankind, for no fence can reach to the heavens. There is a division between the human and the supernatural, My child. It is in this supernatural state that My children shall be with Me on the sacred grounds. You will continue, My child, to bring the sheep to My oasis, the sacred grounds of grace. The wall has been set now to stop you, but no wall shall transcend the supernatural.

"You understand now, My child, how needless it is to set yourself to worry, for you drain your human strength. The will of the Father, the most high God in Heaven, will be done. Satan is not above the Father. He will do great battle, but I, your Mother, shall crush his head.

"To give Me honor does not detract or take from the honor to My Son. I say this, My child, to you and My children in all humility. I, your Mother, I, too, am but an instrument of the Father in Heaven. My Son has chosen to send Me to you as a Mediatrix between your world and the world of the Father.

"The world, My child, and Our representatives, the clergy, must heed My warnings. A House, a Church in darkness wears a band of death about it. My Son is the foundation. The walls have cracked. My children, will you not give your love and heart to My Son? Will you not solace Him in His anguish of heart? Many have profaned His name. Weep for Him; pray with Him, My children. Join the legions of angels in the salvation of souls."

Veronica - Now Our Lady is floating backwards. She's going high - She's going higher up now. Up, up, into the sky.

Our Lady - "No, My child, I am not leaving. I just wish that you will now join the prayers of the faithful.

"Your Vicar, My child, will be set upon by the forces known as antichrist. These forces will unite in the promotion of the great War, a war that mankind has never seen before, a war so violent, so destructive that no human flesh would be left if My Son does not intervene."

Veronica - Oh, I - Our Lady is pointing over to the left side, by Her right side. And I see . . . it's . . . looks like a desert. It's a land I never saw before. It's very hilly, but it looks very dry. The dirt has a very yellowish, dried, caked look. I think it's a desert. And I see many, many people. They look, they're dark-skinned, and they're all holding rifles. And now they're pushing also some type of machines in place. They look like they're getting ready for a, a battle. Oh!

Now Our Lady is pointing over beyond them. And I see more people, hundreds and hundreds of people. They're dressed in uniforms. They're like, they look like brownish-green uniforms. I can't tell . . . they seem like men and women - yes, they're men and women, but they're all dressed alike, in pants. And they're marching. And they're carrying a flag; it's a white flag with a red circle on it. A white flag with a red circle. And they're marching now, and they're carrying guns, long rifles. Oh, and they are also like preparing for war.

Now Our Lady is pointing over to the right side, and - oh, my goodness! There's that ball! I see a very large ball now; it's twirling through the sky. Oh, my! Now Our Lady is coming over, and She's pointing.

Our Lady - "See, My child. It is huge, but now look. It is a pinpoint of light."

Veronica - I see a . . . it looks like a . . . oh, a very small white light, like, but it's starting to spin. Now it's going through the sky. It's almost like a shooting star, but it's got a, a great white tail behind it. And now it's coming - it's turned on its course, and it's coming right down towards us. And it's - oh, my! Now it's not white; it's starting to get colors - yellows and orange and almost like a blood-red. It's very big. Oh, it, it, it looks like a huge sun. Oh! Oh! Oh!

Now Our Lady is pointing over.

Our Lady - "See, My child, the Ball of Redemption - mocked now by mankind, but soon an actuality."

Veronica - Oh, my! Now this huge ball of fire is going back into the sky. I could feel the heat; it's very hot. Oh!

Our Lady - "Yes, My child. Not only the great War, but the great celestial destructive agent. Those who are left will have gained their crowns, made clean by trial, chosen to join My Son in victory.

"The six days of suffering, My child, are not for you.

"Warn Our priests, My children; pray for them, and verbally send Our warning to the world. Write it, speak it, My children. They are preparing themselves for their destruction. They are stepping fast onto the road for the soul destruction of mankind.

"The world as you know it shall be changed - not completely, My child, annihilated as in the time of Noe, but changed. The peace promised shall be given at this time. It will now, My child, take a complete reversal of mankind's ways that offend the Father much to hold back and give you more time for preparation before the coming great War and the Ball of Redemption. Pray a constant vigilance.

"Many victim souls are needed, victims in reparation for the offenses to the divinity of My Son.

"The Father has not lost count of these abominations being committed in the houses of My Son throughout the world, the churches, being committed among the peoples of earth - families disintegrating into cesspools of filth, immorality, parents that lead their children to sin. The abyss is open wide and souls, My children, are fast falling into the eternal flames of damnation, so deep is the darkness of spirit in your world now.

"You will join the prayers, My child. Do not repeat this."

Veronica - "Yes. . . . I won't. . . . I will pray."

[Pause]

. . . I can barely look into it. Oh, Our Lady is now coming forward, and She's standing over on the left side. And there's a tremendous flash of light behind Our Lady. It's very white, it's very bright. And oh, now coming forward through the light is Jesus. Oh, I recognize Him. He has on His . . . it's like a burgundy color, the red - oh, no, burgundy color, sort of an off-color red, long cloak. And now as He's coming forward I can see Him clearly, though the light is so bright it hurts my eyes. And now He . . . Jesus has on a long white gown; it's very loose. And it's quite windy because His gown is blowing. And He has a belt about it; it looks like a piece of rope. And now Jesus has His head uncovered. The cloak is very loose about His shoulders.

And now He is extending His hand out, like this.

Jesus - "My child, you must hasten and not slacken in your mission to bring the words of My Mother to the children of earth. The hourglass is emptying fast. The sands of time are running out. Time, time and a half is upon you. There will come upon your earth a great Warning. It will be a most profound warning to mankind. If this goes unheeded, you will be baptized by a ball of fire.

"Your world, the souls of the Father, are wallowing in their sin. Sin has become a way of life. You will hasten now and harken to My words. If you refuse this chance, the time given for your repatriation by the Father, there will be no recourse but to set and cleanse the world with fire.

"A great War is progressing to explode upon your world when you will expect it the least. Your world cries peace, peace, love, when there is no peace; love, when the meaning of love is no longer known.

"My Mother has shed many tears upon an ungrateful generation, an unworthy generation that has taken Her sacrifice and cast it back into Her face! Woe to those who share a responsibility in desecrating and offending the heart of My Mother! Measure for measure shall he receive his just reward!

"Mercy and charity is not practiced among you. Awaken now from your blindness! My clergy, you are swimming fast down a current that will take you over into the abyss. Return to My teachings of truth. They are simple in knowledge, but they are truth. Scatter My flock and I shall gather you and cast you fast headlong into the abyss!

"Shepherds, return to your rule! Shall you stand before Me and say your teaching has been true in My sight? I repeat, I shall gather you and spit you out into the abyss! No rank shall be left, no excuse for the desecration and destruction of those entrusted into your care will be accepted. You are receiving from My Mother a warning, one of the final warnings being given to mankind. You will act upon it NOW!"

Veronica - Now Jesus is coming down over a little closer, and He's bending over.

Jesus - "My child, I cannot stress more firmly the necessity of reparation upon earth. The Father has set the date for the coming Chastisement. Hasten, harken, and listen, for I shall not give this warning to mankind again."

Veronica - Now Jesus is backing up. Now He's placing His hand out in front of Him, like this, and He's making the sign of the cross. His three fingers are extended, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over to the left side, over here, just above the tree, and He's looking down and He's placing His hand - His left hand is over His chest, like this. And He's placing His hand down in front of Him and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over, and Our Lady is now behind Him. Our Lady, oh, just about comes up to Jesus' shoulder. She's going over with Jesus to our right side. And now Jesus is bending down and extending His hand out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now Jesus is coming over.

Jesus - "Repeat, My child, after Me:

"The sacred grounds chosen by the Father have not been closed by mankind. Graces in abundance, graces for the asking, will be given and the way returned to all who believe."

Veronica - Now Jesus is making the sign of the cross in the center. He's just about over - oh, He's moving over our heads and He's bending down now: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Jesus - "You, My child, will continue your mission with patience and perseverance, never questioning the will of the Father. My Mother shall be with you through your trials up to the time of My arrival from the Kingdom. Persevere in charity of heart, ever seeking to recover Our straying sheep."

Veronica - Now Jesus is placing His hands out: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now He's rising, He seems to just be lifted up by the air. He's just floating back. Now He's bending over, and Our Lady is coming forward.

Our Lady - "My children, continue with your prayers of atonement. Many are needed."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

December 28, 1974

Eve of the Holy Family

Veronica - The sky was very dark, but now there's a light, a beautiful blue light now. It seems to be opening the sky and pushing the dark clouds back. Oh!

And coming through the light is Our Lady. Oh, and with Her there is an angel. I can see him very clearly. He's carrying a long - it looks like a horn, a golden horn. It's very thin at the part that he's blowing upon, and it curves outward to form like a circular disc at the end. It's a very strange-looking instrument. And I can hear music coming from it, but it's more like a . . .

"The expression," Our Lady says, is "call to arms."

Our Lady - "A call to arms, My child."

Veronica - Now Our Lady is coming down. She's between the flagpole and the tree. The tree is on Our Lady's right side. It's quite windy, because Our Lady's gown is being caught in the breeze. And She looks very beautiful!

Our Lady has on a - it's a light blue scarf about Her head, and it flows down to Her feet. And Our Lady has a light-colored garment, dress, on Her. It's very full, but there's a belt, a blue belt, a sash tied about it, and it's caught in almost an over-knot, and it hangs down by Our Lady's right side. I can see it very, very clearly because Our Lady also has attached to the sash Her white Rosary.

The Rosary beads are very, very large. They are white, but they have a cast of pink about them as Our Lady is moving. She's looking over on the wonderful crowds below. Now Our Lady is reaching down, and She's holding Her crucifix. It's a golden crucifix. It - well, it's a cross, it's a golden cross without the corpus on it. And Our Lady is raising it now just a little in front of Her face, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is floating over closer to the flagpole, and She's looking down.

MURDER OF HOLY INNOCENTS

Our Lady - "Listen carefully, My child, and repeat after Me:

"The Father shall set upon the world a chastisement, a most severe chastisement to mankind. The murders of the innocent babies, children killed without reason, promoted by satan - the murder of the Holy Innocents!

"Know, My children, that all will stand before the Father and be judged for the crime of murder. Repent now of your way. Stop now, while you have the time, the murders of the unborn.

"The Father breathes the spirit of life into the body of the unborn at the moment of conception. The Father has a plan for each life He permits to be born. No man has been given the right by the Father to take away this life. The mission of that soul is returned incomplete. This abomination among mankind shall not be tolerated much longer! You have in your human nature adopted licentiousness! My children, awaken! Come into the light! You have submerged your spirit in deep darkness.

"Those who have been given the rule in My Son's House, Church, there is much wanting in their rule. The laxity of their teaching shall not be tolerated by the Father! My Son is much grieved because He finds the greatest responsibility being lost, the teaching polluted by those He has chosen among mankind to direct and gather His sheep for the Kingdom. Woe to those who have cast aside the rule and given themselves to the pleasures of the flesh!

"Many will sell their souls to get to the head. A religious who keeps a penny, My child, shall not be even worth this penny! What does it gain a man if he wins the whole world and suffers the loss of his soul?

"Every man, My children, has been given a free will. The Father has a plan for each life He places upon your planet. However, your free will has set you upon a road of destruction, for you are turning from the light and going fast into deeper darkness. Hasten, harken, and listen! Shout My message from the rooftop!

"Much of My message, My child, is repetitious for reason. With each word I repeat We find the recovery of another soul.

"There is not much time left, My child, to gather the sheep. Know that the Antichrist, the Antichrist, My child, is walking upon your earth. He goes and follows wherever there is darkness. He will defile souls in a manner that no human mind could conceive, so foul will be his degradation!

"The abyss is opened wide. The demons are set loose upon you. Those who have given themselves to satan will be claimed by him. The great Chastisement will come shortly before the arrival of My Son.

"Know that My Son shall enter upon your world with the legions from Heaven, the angels and the saints. They shall descend upon your earth in force. Do not be deceived by those who walk among you claiming to be My Son, for He shall come to you in only one way - descending from the Kingdom of the heavens.

FALSE CHRISTS TEACHING ERROR

"False christs shall walk among you, teaching error. This deception and error has entered also into My Son's houses throughout the world. Open your eyes! Take the blindness from your hearts! You have been given the truth. You will act upon it. Man in his arrogance seeks to change the word of God. He is being deceived by satan, the adversary.

"I, your Mother, have come to you through the will of the most high God, your Father in Heaven, to bring you this message of warning, this final message before your chastisement: You must turn aside from your ways which offend the Father much! You must return your lives to one of sacrifice and atonement. The world about you is the world of satan. He seeks to buy your affection. He seeks to buy your soul. He will sell you into the abyss!

"Those who care more for the approval of the world, those who care more for the materials of the world, shall not enter into the Kingdom of Heaven. Your life upon your earth is but of short duration. The Kingdom of Heaven and the abyss are eternal.

"The Father, the most high God in Heaven, My child, is always the final judge. Only He can look into the heart. That is why We caution you not to set yourselves in judgment of your brothers and sisters. You may counsel them, you may advise in charity, but you must not judge. The Father is always the final judge. Pray for all men of sin. The power of prayer is great, My child.

"You must enlighten Our children upon earth of the existence of the supernatural, My child. Bring the knowledge of the angels to the children. The children travel and wander in a void.

"Your country has fallen to satan, My child. I have gone throughout your land shedding bitter tears of sorrow. I look upon your land, the most glorious Americas - fallen to the adversary! Know, My child, that his reign will not be final. His reign is but for a short time, but during that time the Father shall set about the separation of the sheep from the goats. Know now that the Father in Heaven will turn all evil to good.

"No man, no creation is above the Father in Heaven. Only He has the power to give life, and no man shall take the power of life into his own hands by extinguishing this body!"

Veronica - Our Lady is pointing over on Her right side. Oh, and I'm looking into . . . it looks like a field. No, it's a dump. It's a dump, a garbage dump. And Our Lady is pointing down.

Our Lady - "See, My child, mankind - the rubble, treated like garbage."

BABIES IN GARBAGE DUMP

Veronica - Oh, I see plastic bags, and - oh, my God! I see bodies of babies. Oh, they're in plastic bags. In one bag I see - oh, my God! Oh, I see three faces! Oh, my God - three heads! Oh, they're actually babies. How horrible! Oh, my God! I don't see a whole body in the bags. I see a horrible mixture of arms and legs. Oh, my God!

Our Lady - "Yes, My child, they are not only slaughtered; they are tortured!"

[Veronica wept.]

"Murder, My child! It is not a pretty sight. Murder, My child! As you sow, so shall you reap! All who share even a slight measure of responsibility for the murder of the unborn shall send themselves into the abyss. Eternal damnation and the fires shall claim them! Repent now of your murders!

"Remember, My children, Sodom and Gomorrah, the great cities of sin. Your city and the cities of your country shall be wiped away - wiped from the face of your earth, so great is the sin in your cities!

"My child, do not flee in fear. You must stay and fight the evil. Think, My child, of the great glory of martyrdom. Know that every man who leaves the earth carrying My Son's cross holds the key to the Kingdom."

Veronica - And I see Our Lady standing there now. She's holding in front of Her a most beautiful golden key. The key has three circles in it - one, two, three, and it has . . . it looks like a regular key, but it is very beautiful!

Now next to the key - Our Lady is pointing, and She's drawing with Her finger a bishop's staff.

Now Our Lady says:

Our Lady - "Remember, My child, this image - the key and the bishop's staff."

Veronica - It looks like a large question mark, the staff. But now as I watch - oh, my goodness! The question mark-like staff - it looks like it's turning a very dark purple. It looks like it's in mourning. Oh, my!

Now Our Lady is placing Her hand out in front of Her, and there are rays coming forward. And as Our Lady is moving Her hand, like this, the key has disappeared. It actually did vanish, and also the lights went out. It was just like the light went out. And this bishop's staff is also gone.

Now Our Lady is coming forward.

Our Lady - "My child, the light was extinguished for reason. Know that the light, the voice of truth, will be dimmed in your world, so great is the darkness of the soul! Mankind shall go through a crucible of great suffering. The Father plans to chastise those He loves. It will be in this way that many shall be recovered.

"You, My child, and others of Our children upon earth, would not be able to understand the way of the Father. That is why I counsel you, My child and My children, to accept all the Father sends you, be it crosses or roses. With each rose that is given, My child, there will be thorns.

GARDEN OF ROSES

"I have chosen, My children, to call My sacred grounds a garden of roses. The rose is the perfect insignia of purity and divinity among the flowers.

"Each soul placed upon the earth, My child, is a flower that must be nourished with pure waters so that the stem may grow and be strong and the flower face of the child shall be turned upward to receive the light. We give to each parent the trust of this fragile flower, the child.

"We are much grieved in Heaven to view the abominations being committed in many homes. The darkness has set into many homes. All parents must open their hearts and look into their homes objectively. Have you set your house in order? Have you brought the knowledge of your God to your children? Have you cast out of your home the abomination placed there by satan - the box of evil, your television? The books of degradation and perversion - pornography? Yes, My child, do not be startled. Many parents read these abominable books and set a bad example to their children.

"Worldly knowledge is always not of God. Man of science is ever seeking but never finding the truth.

"Many parents have lost the way and in this manner shall lead their children astray. Awaken from your slumber, parents! Whatever shall become of your children? Many parents shall gnash their teeth and shed bitter tears of sorrow, too late! Too late - so great is the darkness of your world!

"The act of marriage blessed by the Father must not be dissolved to suit mankind in his carnal nature and loss of the knowledge of God. What God has joined together no man shall place asunder.

"There is much lacking in the homes on your earth, My children. Piety, sanctity - words that are lost among you. You have chosen to accept the ways of the world and bring them into your homes. You have cast out the images of piety We have given you, the statues and the fountains of pious waters."

Veronica - The holy waters, Our Lady says.

Our Lady - "Replacing them with images of satan and immodesty!"

Veronica - Vulgar statues, Our Lady says.

Our Lady - "Throw them out now! Start anew, My children. You will be forgiven if you repent now. The Father wills that not one of you be lost to satan.

"My voice continues to bring the Message from Heaven to you. We have met with great rejection from Our clergy. We have met with great rejection from Our children. Shall you force the hand of My Son upon you? Shall you ask to receive the Ball of Redemption? Know that this Ball is out now in your atmosphere. Know, My child, man of science shall not set his focus upon the celestial heavens and find this Ball until the Father wills that this be done.

"This ball of fire that will be the source of baptism for mankind shall come upon you suddenly. All shall flee in fear, but too late, too late, for they have not heeded the warnings from Heaven.

"All who are in the light will be guided onto the way.

"Do not be concerned, My child, of the opinions of mankind. You will give out My message and the Father will do the rest. You can expect great battle from Our adversary, satan. He has many agents loosed now among the peoples of earth. A soul in darkness can be used in the army of satan.

"You will learn, My child, to recognize the faces of evil.

"Those poor souls, My children, who are in deep darkness have rejected My message. Pray for them. Keep a constant vigilance of prayer, for your prayers can remove their blindness of spirit.

"You, My child, will meet with great persecution. Were it not so, I would tell you thus. Know that as you are successful in the recovery of souls, the legions of hell will descend to fight you.

"You seek, My child, a sanctuary of peace. In your home you must constantly use the blessed waters, for the agents of satan have set themselves to disturb you. They will attack you physically as they have in the past. Know that they shall not damage your soul, so do not be concerned if they make attacks upon your body.

"You must bar your doors, My child, to all but your close workers and immediate family. We do not wish you to suffer needlessly.

"We look into the homes of Our children and find much discord among the parents - father against son, daughter against mother, children against parents. O woe! It is truly a sad sight!

"Holiness must be returned to My Son's Church. Holiness, piety must be returned to the homes.

"A House in darkness wears a band of death about it. The family that will pray together will stay together, My child. Pray a constant vigilance in your homes and you will make the demons flee. They cannot stay in a house of prayer.

"You will understand, My child, why satan has entered My Son's home on earth, the Church. Because there was not enough prayer. Man talks, idly talks of worldly matters, when he should concentrate on the spiritual.

"Prayer, penance, and atonement will be necessary. If man does not seek means of doing penance, the Father shall set upon the world a great penance.

"It is only because, My child, there are not enough prayers that mankind is going fast toward a great War. It is only because there are not enough prayers that there is discord and broken homes. It is only because there are not enough prayers that many children have placed the knives in their parents' hearts.

CHILDREN WANDERING, FINDING SATAN

"Children wander without a goal. My child, they have lost their way. They seek the Father, but without counsel they will find satan. Satan has set up a false road to capture your children. Satan has many agents now in your government and in your schools and in all the medias of your life, your newspapers, and your entertainment medias.

"Know, My children, that you as parents must guard the souls of your children. You must monitor your children's lives. Set an example of piety! We find many mothers an abomination in the eyes of their Father. They disport their bodies like pagans! They permit their daughters to dress shamefully, until these misled children no longer recognize sin and it has become a way of life for them.

"The example of many parents in their homes is poor. Awaken! Awaken now from your darkness! Your children are without shepherds. Your children are without guidance. Parents, you will stand before the Father in judgment for the loss of your children's souls!

"Discipline must be returned to the home. The example must be godly. No longer shall God the Father tolerate laxity among His children.

"You were created, My children, to make your way and fight the good fight against satan until you return from your pilgrimage to the Father at the gates of the Kingdom.

"We cry bitter tears of sorrow at each sorrowful sight of a child lost forever to the Kingdom of the Father."

Veronica - Now I see . . . I'm looking down with Our Lady. She's pointing down to a great chasm, a great hole in the earth. It's - oh, dear! It's an awfully deep pit, and there's smoke, and it's very gagging. It's a stench that's so horrible! It's like a combination of sulphur and something very rotten.

Now Our Lady is covering my head with Her blue cloak.

Our Lady - "I do not wish for you to suffer, My child, this terrible sight of damned souls. You have often viewed this terrible chasm. You will pray more and do much penance for these poor souls who without your prayers and the prayers of your brothers and sisters will be forever confined to the abyss, eternally damned and chained by satan."

Veronica - Oh!

Our Lady - "Yes, My child, make it known to the world that satan has set a delusion among you. He will seek to take from you the truth in knowledge of the existence of his kingdom - hell! He will do this, My child, in the most cunning manner, using the bodies of human beings to do his will. That is why, My child, you must pray much so that the Father will enlighten you through the spirit. The enemies of God walk in human form.

"The demons are always among you, waiting to enter. If they are cast out by prayer, penance, and the reception in heart of My Son in the Eucharist, if you stray from the path, they will return double in strength to try to enter and seduce your soul - so great is the power of satan! However, he shall not be victorious if you do not stray from the path given to you.

"Life upon earth will go forward in constant battle against satan. The way has been darkened by mankind; but I, My children, carry the light. You will all follow Me, your Mother, in the light. I have taken My candle, My children, and I wander throughout your world searching for Our straying sheep.

"It is for you, My true souls in the light, to light your candles with Me and hold back the darkness, the darkness that is rising to flood the world and destroy the souls.

"Know, I repeat, that the forces of Antichrist are loosed upon you. You are in the battle against these forces of evil. The time - recognize these times, My children - the time is upon you. All who are of well spirit will have no fear. All will be good for those of well spirit."

Veronica - Now Our Lady is placing Her hand in front of Her, holding Her Rosary just a little under Her chin, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is smiling sadly, and She's turning to Her left and raising Her cross out in front of Her, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking down. She's way over by the right side and looking down. In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is going over, and behind Her is the angel, the very large angel with the golden horn, long golden horn. Now that he's turned I can see it's as long as he is. It goes from his mouth now, the horn, he's placing it - it goes down to his feet and curves at the end, like. It has a little curve and a large bowl.

Now Our Lady is nodding Her head and She's going over now - She's coming over to our left side. And Our Lady is looking down and raising Her crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is going over - now coming down from the sky I see three more angels. Oh, I recognize Michael. Oh, yes. Michael is over on the left side now. He's coming down now and standing right at Our Lady's side, on Our Lady's right side.

Our Lady is now floating over, and the other three angels are staying over by the right. Now Our Lady is looking down, and She is extending Her crucifix of Her Rosary out: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming over . . . She's just over beyond - Oh, it's a large star I'm looking at. Our Lady is pointing up, and now She's saying:

Our Lady - "Know, My child, that I will be with you. I will be here at the sacred grounds up to the coming of My Son. No fence shall be high enough to shut out the light. No man can go above his God. Ask and you shall receive. Graces in abundance shall be given to you for the asking. My mantle of love is spread about you. My protection is here."

Veronica - And Our Lady is pointing to Her heart.

Our Lady - "Save yourselves and your children in the merciful and Sacred Heart of My Son. He is very lonely, My child. Won't you comfort Him?"

Veronica - Our Lady wishes that more comfort Jesus in the Eucharist.

Our Lady - "It is truly, My child, the Bread of life. Unless you partake of this Bread, you shall not have the light within you."

Veronica - Now Michael is coming forward, and he's standing by Our Lady very closely. And he's bending over and he's shouting; he talks so loud!

St. Michael - "Convert the unbeliever! Convert the unbeliever!"

MICHAEL GUARDIAN OF THE FAITH

Veronica - Now Michael is rising up and going above Our Lady and coming over to the left side. And Michael is bending down and he's taking his spear now, and just at his feet he's writing with the point of his spear: G-U-A-R-D-I-A-N: "GUARDIAN" O-F: "OF" T-H-E: "THE" F-A-I-T-H. "GUARDIAN OF THE FAITH." It's written in white letters now all across the sky.

Michael says: "Guardian of the Faith." Now Michael is taking his sword and he's running it through the letters. It's being erased and he's pointing over . . . oh, by Our Lady. He's pointing to Our Lady, and he's saying:

St. Michael - "Children of earth, you must listen to the Queen of Heaven and earth and act upon Her words, for She guides you well.

"The words of the Queen of Heaven are given to you for reason. You will hasten, harken and listen and act upon Her words. The time grows short! The balance is uneven. The punishing hand of the Eternal Father shall descend fast upon mankind. You have received a true warning from the Father. Prepare yourselves now! Make ready, for you are in deep darkness and the light shall be forced upon you!"

Veronica - Now Michael is going over by Our Lady. He's going to stand right behind Her.

Now about Our Lady's head now there are . . . beautiful! There's a crown; Our Lady has a crown now about Her head. It's so beautiful! It looks like white diamonds, or like stars. It's as though all these stars have been gathered and placed about Our Lady's head. Oh, it's just beautiful! It's like white fire. Oh! And I hear . . . there are voices singing - oh, angelic voices, like a whole choir: "Lady in the light. Lady of the light." Beautiful!

Now Our Lady is placing Her hand in front of Her. Oh, and She's holding the Scapular.

Our Lady - "Yes, My child, when a picture is placed, I prefer that it be the picture of My Son, Jesus."

Veronica - Oh, Our Lady now is showing me the Scapular. Oh, it's Our Lady of Mount Carmel. We know it like that. Oh, and She is holding Jesus in Her arms.

He looks just like a little Prince. He has a small crown upon His head. It's not like Our Lady's. His crown is golden, but it has a red velvet sort of cap to it, a little cap with a cross on top of it in gold. Beautiful! Now Jesus also has a long dress. I can see His feet are bare, His little feet. Oh!

And Our Lady now is bending over.

Our Lady - "You see, My child, modesty must be taught to the child from babyhood. Modesty must be learned from babyhood.

"Now, My child, You will be seated and gather your strength. My Son has a directive for you when He comes."

[Pause]

Veronica - . . . light in the sky. It's a very deep blue. It's a very bright blue. And oh, coming through the light, as though He's floating . . . oh, Jesus is standing right now just above us. Oh, He's coming down much closer than Our Lady did before.

Jesus has on this burgundy-colored red - oh, it's not a red, it's a wine-colored cloak and it has ties about His neck. It has a cord, a dark brown cord. And he has on -

Jesus - "Yes, My child, you may describe My, My feet."

Veronica - Oh, Jesus has on this long gown. It's - oh, a beige color; it's very loose. And it has a tie about the gown, I notice. It's like a belt, but it's the same color as the brown cord that's at His neck. Now Jesus is not wearing anything on His feet. Oh, yes! It's like a sandal, but I can't see where the straps are because His gown is very long. And now - oh, Jesus is now placing His foot out. Oh, I see. It's just a sandal held on with two straps and a piece that's tied about His ankles.

Now Jesus is shifting His cloak over to His left arm, and He's placing His hands out in front of Him, like this. And now He's extending His hand out, like this, and Jesus is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is floating over. And coming down now behind Him, Our Lady is emerging out of a light. There's a great light and Our Lady is coming down and standing next to Jesus. And Michael and the three other angels are with Him. I recognize the two on the right are Gabriel and Raphael. And there's another angel - the one holding the horn, that long golden horn; he's standing there. I don't know his name.

Now Our Lady is going over by Jesus, and Jesus now is placing His hand out in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "My child, words can never express the anguish in the hearts of those in the Kingdom.

"Your world is in deep darkness of spirit. The abyss is open wide and the souls are falling fast into eternal damnation. Born of a free will, you will make your own choice. The Kingdom of Heaven was made for all, but only many have chosen it. The Kingdom of Heaven must be gained through merit and grace. You have been given the way. My Mother has been sent among you as a Mediatrix. Her words must not be taken lightly.

"The plan for your redemption and cleansing has been set in motion. The Ball is out in your atmosphere. The plan for your redemption is at hand. Many will die in the great flame of the Ball of Redemption.

"My Mother has not been sent to set fear in your heart, but to warn you of the coming Chastisement and to give you the extension of time for preparation of your souls and the souls of your children. Heed this warning now and act upon it.

"When a soul is lost, he will have been lost of his own free will. Graces are given to you in abundance. Should you cast them aside or refuse to accept them in your blindness, you shall fall fast into darkness and go onto the wide road to your destruction. Pray a constant vigilance of atonement.

"We have asked for recognition among mankind. The Message from Heaven has been given to many seers upon your earth. This message has been cast aside by many. Many shall be called before the final count, but only a few shall be chosen. This decision is yours.

"The time for preparation grows short. The time of trial is upon you. Your world shall see and experience a crucible of great suffering and trial.

"My Mother has wandered throughout your world preparing you that you may go through this crucible without a loss of faith and hope. Keep a constant vigilance in your homes and upon your earth and you will be given the way. Persevere in the days ahead and you will win your crown."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.
Now Jesus is going over to Our Lady, and He is nodding His head.

Jesus - "My children, continue with your prayers of atonement. Many are needed. You are not alone in your struggle. The world will receive the message. My word will go throughout your world and then the hand of chastisement will fall upon mankind.

"How long, you ask, My child, shall it be? This decision lies only in the hearts of mankind. When the abominations have reached a peak of great iniquity, know then that the end is at hand.

"Death, famine, destruction, seeds of evil flourishing to the extent that you will fear that mass insanity has set upon your world. Sin, My children, is insanity. Wars are a punishment for your sins! Awaken! Take the darkness from your hearts! Make atonement for yourselves, for no man can say he has not offended his God!

"We send you the graces necessary for your salvation. Accept them, nourish them, and share them with your brothers. My Mother shall be with you to guide you through the days ahead. Work with great haste, My child. The message must go quickly."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

December 31, 1974

Eve of the Solemnity of Our Lady

Veronica - Our Lady now is coming forward. Oh, it's very bright up in the sky. It's very, very orange, red cast, overcast looking. In fact, the colors are quite different than I have ever seen them before.

Now Our Lady is coming forward. It seems very dry up where Our Lady is, because Her garments don't look wet at all like ours are.

Now Our Lady is smiling.

Our Lady - "My child, the penance is severe. However, at the end of penance is a great joy.

"You are fast approaching upon your new year, My children. It will be a year of great trial. One of your government leaders will leave you. He will pass over the veil.

"I give you this knowledge for reason. You must pray much, My children, for your government leaders. Satan has a great hold upon them at this time. If you do not pray more and make atonement for the sins being committed now in the hearts of your countrymen, you will suffer much at the hands of the men in your government, for they will be powerless to offset the great evil that will be constructed by the demons loosed from the abyss.

"You will circulate fast, My child, the photograph of the vehicles of hell, the flying saucers. They are gathering in great multitudes upon your earth. Know now that they are of an illusion, a delusion to mankind. It is but one of the false miracles of satan.

FALSE PROPHETS AMONG YOU

"The many false prophets among you, My children, have brought great trial and hardship to your true seers. Know, by their fruits shall you know them.

"My voice and My voice-boxes are meeting with great trial, rejection, to Our great sorrow.

"You are fast approaching upon a new year, a year that will bring tears to the hearts of many.

"The Father shall chastise those He loves. Your country and many countries of your world will suffer trials of famine, earthquakes, tornadoes, and the plague.

"Much has been not recognized in the past as coming from the Father. The Father controls the elements of your atmosphere, My children - the Father, your most high God in Heaven. Do not credit satan with this. It belongs to your God.

"God, your Father, sends the sun to shine upon you. God, your Father can also send the sun to burn you. A second sun lies out in your atmosphere, the Ball of Redemption. I repeat, My children, it is not a myth, nor a story; it is a fact. The Ball of Redemption nears!

"You, My child, will work fast to disperse My message to the world. The time grows short. It is not well to waste this time in speculating on dates. No date will be necessary to be given to you. However, you have been given the knowledge in secret and it will remain as such.

"To give the date to the world, My child, would gain us nothing, for as soon as the danger has passed, man would fall back into his old ways of offending his God. The lesson he learns must be a permanent one of conversion.

"You must stand forth and acknowledge your Father in Heaven. False idols shall be set among you. You must reject them! Man has set himself up as one of these idols. No man is above his Creator. Arrogance and pride is the downfall of many. Sad to say, My child, among these many are the mitres. Mitres!"

Veronica - And Our Lady is writing in the sky: M-I-T-R-E-S.

Our Lady - "You will pray much, My children, for the religious. They are now the major source of attack by satan.

"It is sad, My child, to have to repeat a warning to you that is fast coming upon your country. Your country, as other countries, shall not escape destruction. Blood shall flow in the streets. Your country and the world, My child, cries 'peace, peace,' where there is no peace.

"The man of science has set himself above his God. Man of science, My child, is ever learning but never knowing the truth.

"You must expect, My children, much opposition and persecution. Were you of the world of materialistic man, they would accept you as one of their own. But We, My children, accept you as one of Us. You are born of the Spirit.

"What does it gain a man, My children, if he gains the whole world and suffers the loss of his soul? The Kingdom of Heaven will be forever closed to him. An eternity of damnation in hell, or many years of purgatory await him. You cannot bargain with man and your God!

"You must accept a full consecration of yourself and your families to the Immaculate Heart of My Son and Myself, My children. It is not that I ask this of you with pride, but humility. I, too, My child, am but an instrument of the Father coming to you as your Mother, for I am truly your Mother and a Mother of great sorrow.

"The Father, My Son in the Father, has found it necessary to send Me to you as an emissary from Heaven, a Mediatrix between mankind and the Kingdom of the Father.

"I do not come to set fear in your hearts, but to warn you that unless you change your ways now, your country will go through much destruction and loss of life.

MAJOR WARNING FROM HEAVEN

"The world will receive a major Warning of great magnitude. It will be a spectacle that has never been seen in the world before. Those who have received the message will go through this Warning and take it, My child, with more ease of heart. To those in the darkness, it will force the light into their hearts. Should this not be a sufficient reminder, My children, I assure you the Father has but to set His hand forward to bring upon you the Ball of Redemption. Many will die in the great flame of this Ball of Redemption that nears now!

"What was to happen in the future shall be now! Awaken, My children, from your slumber! You are all blind! You are deluded! You are misled! Awaken now, before it is too late!

"I ask, as your Mother, Our priests - your clergy - to look into their hearts. Shall they stand before My Son and say that their teaching has been true in His sight? Woe to the clergy who has fouled his garments! His badge of honor has been cast aside! It is an outward appearance of his inner soul. Little by little, step by step, the foundation is whittled at by Our clergy. They have been deluded by satan.

"The foundation is My Son. He has given you the truth. He has sent to you many prophets with the Message from Heaven. Why have you chosen to close your hearts to this message?

"Pray, My children, a constant vigilance of prayer, both public and private. No fence can reach high enough to shut out the spirit. I promise, My children, to be here on the sacred grounds with you. These grounds have been deemed by the Eternal Father to be a center of atonement, an oasis in a barren land.

"The spirit cannot be claimed by satan. The spirit will not be broken by man if you pray and wear your sacramentals. The knowledge of the supernatural, My child, has been taken from My children. Refresh their hearts with the truth, My child. Send out My message in great haste.

A FUTURE BASILICA OF OUR LADY OF THE ROSES

"There will be established in your country a refuge, a sanctuary. You will be guided, My child and My children, to this sanctuary. The basilica shall be built on the sacred grounds. Patience and fortitude will win you your crowns.

"You are all being tested and tried. Many will fall away from the cause, for they have not prayed enough. They have not made enough sacrifices to remain in the fold.

"My child, many arms have been sent to help you with your mission. Many more arms shall approach you. You must pray before allowing another group to enter upon your mission.

"My child, you do not know or understand My warning. This group I speak of seeks to dethrone Our Vicar. They are fast gathering a force; but, My child, you must make it known to the world that they are deluded. Clementine the XV - an agent of 666! He is not of the spirit of light. Beware his agents who are now loosed in great numbers in your country and in your world. They seek to bring great harm to Our Vicar.

"Pray for your Vicar. He has accepted a heavy cross, My child.

"It is sad, My child, that those who should know better have chosen to reject My message while they accept the message of satan. I repeat, there is a Heaven, the Kingdom of God. There is a hell, and there is a purgatory. Too late will many learn that this is a fact! Every man, every human being upon your earth must one day pass over the veil. It will be a sad day for many, for many are called, My child, but few can be chosen.

"Sin, the most abominable of sins, has become a way of life with your country and many countries of your world. It is for this reason that mankind, this generation that has become perverse, will have visited upon it trials such as have never been seen since the beginning of creation. It is in this manner that the sheep shall be separated from the goats.

"Persevere, My children, in the days ahead. Many shall be martyred for the Kingdom of God. Always keep in mind, My children, that your body is only a shell, a housing for your spirit which lives on forever over the veil. Your body is the temple for the Holy Spirit.

TV - DIABOLICAL MACHINE

"We ask that you remove the diabolical machines from your homes - the television. This is necessary, for many parents have not monitored their television and permit their children to be destroyed in mind, body, and spirit by this diabolical machine created by satan.

"There is much needed in change, We see, My children, in the schools: both your public schools and your private schools, even those who call themselves Catholic. They are Catholic, My children, in name only, for they have sold themselves for pieces of silver.

"Your world - the people of your earth are traveling the same road as did the peoples of Sodom and Gomorrah, as did the peoples of the time of Noe! What fate, My children, shall you bring upon you? Your chastisement will be far worse than the waters and the flames!

"Those who remain close to My Son at His tabernacles of the world, those who eat of the Bread of life, My Son's Body and Blood, shall be strengthened in the days ahead. You cannot have life within you unless you eat of the Body and drink of the Blood of My Son, called your Eucharist.

DEFILING THE BODY OF CHRIST

"My child, please, you must make it known to Our clergy that they are defiling My Son's Body in many ways. Disrespect and dishonor - how many tears have I shed at the sight! Only consecrated hands shall give and bring My Son to the peoples of earth, legally ordained and given the Holy Spirit - the clergy chosen by the Father to bring His Son to you! Unclean hands shall not touch My Son's Body! You must not allow My Son to be defiled any longer. No children shall carry My Son's Body in the hands!

"Know, My child, that only one exception can be made: when a legally ordained priest is unable to reach the dying, he will send his deacon to bring My Son to him. But only in severe trial and need, I say! Only to the dying. All others, My child, will be given the needed grace if they pray.

"If Our clergy become deluded by satan and lax in their responsibility to My Son, they will be set in judgment before the Father for their part in the defilement of My Son's Body.

"You must warn My clergy, My child, with your message. We are not pleased by the manner in which they honor the Son of God.

"A thorough cleansing must be made within the House of God, the Church. Women shall not receive My Son dressed as pagans - naked, and without absolution! Many have made a farce and a meal of My Son. They come to receive Him without penance. What manner of abomination is this, My child? Mankind must do penance and prepare himself for the reception of the Host, My child.

"We, My child, are much pleased with the speed and the assistance given to Our message by your brothers and sisters of the White Hats - berets. Yes, My child, the Father has a plan for unifying all of Our legions of souls to fight satan.

"I repeat the pleasant knowledge, My child, that their director, Louis, has joined them in the battle. You have, My children, many friends here who have accepted the role as a worker from Heaven. They seek not the rest that they have gained. They have chosen to keep on struggling to save the souls. Your teacher, My child, Theresa, has also accepted her role. She has not rested since coming to Us.

"You ask, My child, does this bring pleasure to the heart? Oh, yes! It is a joy in Heaven to the heart such as man has never experienced in his human being.

"Yes, My child, you will continue coming here. They have placed an obstacle in your path. But know, My child, that I am far above their structures.

"No, My child, you are not acting in disobedience to your clergy. They are quite puzzled by the involvement. Pray for them. With your prayers, My child and My children, even the clergy will receive the strength to fight for the truth, to fight for My Son, to fight for the souls.

"It is only because many have given themselves to the love of the flesh and the material things of your world. In this manner have they become blinded to the truth. It is sad, My child, that many have even sold their souls to get to the head. Pray a constant vigilance. You must remember your priests in your prayers.

"Your directives will be given in due time by the Father for the establishment of the convent and the sanctuary. Wait, My child, for your directives will appear before your very eyes.

"You see, My child, the victory, the final eventual victory is with the Father. This is but like a little game, My child, of saving souls. If you accept this in this manner you will find, My child, that your trials will become easier to bear.

"All who have consecrated their hearts with Us have now received the mark of the cross upon them. It is a lifetime dedication and consecration.

"You will find, My children, that since you have received this mark upon you from the Father, you will be most unhappy if you reject the light. You have been chosen among the many. It is not by accident that you have been sent here by the Father. You are all truly children of God.

SHEEP WITHOUT A SHEPHERD

"The world's peoples are wandering, My child, like sheep without a shepherd. We need discipline, disciplined shepherds. We need shepherds who persevere and are fearless for the Faith. Pray, My children, that the light enters into the hearts of many of Our shepherds.

"They will have much penance and much sacrifice to do, for there are many souls to recover. It is difficult, My child, to return to the narrow path once you have gone onto the wide road.

"There is great evil surrounding the holy city of Rome, My child. Many agents of satan now roam. Your Vicar is in great difficulty and trial. Pray for him, My children. Pray that he retains a great sense of duty and perseverance. Your prayers will be his strength.

"You will call upon your guardian angels often for strength. The world has forgotten these warriors. My children, will you not make them known to your brothers and sisters? They need their support.

"Do not cease the struggle to stop the abominations of murder in your city, your country, and the world. The murder of the Holy Innocents shall bring down great destruction upon your city and your country, My child.

"The balance for your chastisement - the balance, My child, falls heavily to the left. It is not a sign that is good!

"I know, My child, that this brings great sadness of heart to you. It will be another cross that you must carry. This great sadness was in the heart of My Son as He carried His cross, My child.

"I have asked you, My child, to retire from the world. Therefore, I must instruct you now: You will not appear on that diabolical machine. All of your messages shall be given in print and through the workers whom We have sent to you. You will make no public appearances on film."

Veronica - Oh! Oh!

Our Lady - "Those who came, My child, did not come in the light. Now you understand why We asked for you to pray, pray, and pray again before you make a hasty decision.

"Yes, My child, the Father controls all. However, if you do not follow Our direction carefully, you will be subject to much trial, much unnecessary trial, My child. Therefore, remember My instruction: You will retire from your world. You will only be known through your messages. These messages will be given in print and through your tapings.

"You see, My child, any film can be used to hinder your work, for they can be monitored against you - so great is the power of satan at the present time. However, remember, My child, you do not have to fear him, for his power is but of temporary nature. The Father turns all evil to good.

"You will gather the books of truth that still remain with you. Save them, My child, and store them well, for the books that your children receive now are created by satan. There are still many that can be gathered as treasures of truth. Look, My child, in your stores. Many are being thrown from the schools as they shutter their doors. Gather these books and keep them, My children. You will need them in the future."

Veronica - Now Our Lady is moving down. She's coming closer to the top of the flag on the left side. And now Our Lady is removing Her Rosary, Her large white Rosary with the golden Our Father. And the crucifix doesn't have a corpus on it. It's a beautiful golden crucifix, and Our Lady is holding it in front of Her and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is motioning.

Our Lady - "You may be seated now, My child, and await My Son."

[Pause]

Veronica - . . . the sun is shining, and it's like summer. I see these green trees and a beautiful lake. And now as I'm looking at the most beautiful, restful place I have ever seen . . . And now, through the trees - oh, I can see Jesus coming! Oh, it's like another world. It's - oh, a beautiful land. Oh!

Now it must be warm because Jesus doesn't have anything on His feet. And He's coming now through the foliage in the trees. And it's a beautiful deep green, the leaves; and I can see the grass. And now Jesus is walking. . . . Oh, Jesus is saying:

Jesus - "You see, My child, there will be a renewed earth."

Veronica - Oh! Oh, now Jesus has on a cream-colored gown and the burgundy-colored cape, but He has nothing on His feet. And I can see the marks on the insteps of His feet. And also now Jesus is placing His hand in front of Him, like this, and the marks are on His hands.

Jesus - "You are watching, My child, soon after My arrival upon earth."

Veronica - Oh, I see now other people with Jesus. And now Jesus is bending over.

Jesus - "My child, you are looking into the future."

Veronica - Now Jesus is looking over to the trees, and there are people coming through. I see some ladies dressed - they're dressed in similar garments like Jesus has on. It's a long white gown. And the women, their hair - all the women, their hair is long. I notice it's down their back. But they have over their hair like a cloak, a short cloak. It doesn't go all the way down their back. And the men also are dressed in dark . . . some of them are in dark brown habits. I think they're habits. They look more like monk's garments, but they have sandals on their feet, brown sandals. Oh! And - oh, there are many people there.

And now Jesus says:

Jesus - "You are watching, My child, the Order of that day."

Veronica - Now Jesus is coming forward. He's placing His robe over His arm, and He's touching His lips. Oh, He's asking me to wait.

[Pause]

Now all who are able will please kneel. Now Jesus is coming down to the left side of the flagpole now. He's standing forward and bending over, and He's smiling.

Oh, now Jesus is coming closer. Oh! Oh, He's coming over - oh, my! He's coming over the fence! Oh! And He's standing now in front of the trees. Oh! Oh, now Jesus is coming over here! Oh, now He's just above . . . oh, He's just above the flag, the white flag. Now Jesus is smiling. Oh, and He's placing His hand out now in front of Him.

Jesus - "I bless you in the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - Now Jesus is going over. It doesn't seem to be raining up there; it's very, very mild. And the light is very, very bright about Jesus now. And He's going over - He's floating over; He's just above the blue flag - oh, about five feet. And now He's looking down and placing His hand out in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

And now Jesus is going over and Our Lady is coming down now. And I see Michael and about five other angels behind Michael. And Our Lady now is behind Jesus, and He's coming forward now. He's motioning, Jesus is motioning to Our Lady to come over on His right side.

Oh, and Our Lady is standing beside Jesus. She has on a beautiful white gown and the cloak is a light blue, a very pale blue. It goes about Her head; it's like a mantle. It's a very light blue. And Our Lady has a golden crown that's over the mantle. It seems to hug Her head, making the top - I can see now as Our Lady is bending down, the top of Her head. The mantle about Her head is very snug due to the golden crown on Her head. And Our Lady is smiling now.

And Jesus now is placing His hand out in front of Him: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is cutting across, back over, and Our Lady is following Him. They're just floating; They don't walk. They seem to be carried by the air. And now . . . Oh, Jesus is standing now.

Jesus - "My child, the prayers must be continued. The light has been extinguished throughout your world.

"You know from the past that the prayers of the faithful retained you for a short time. You were given an extension for your punishment, an extension that cannot be extended beyond the date set by the Father.

"Know that the great Chastisement will come about. However, what was to happen in the future shall be now.

"My Mother has gone throughout your world, speaking through countless seers in many countries throughout your world, warning you of the coming Chastisement. You will prepare yourselves now. Cleanse your soul of all sin, mortal and venial! Come to Me in belief and you will be saved.

"There will be much gnashing of teeth and woe set upon the world by the evil ones. Know that they do not come to you in their diabolical form, unseen and supernatural. They will enter into the body of a human. They will work through persons, places, and things. Recognize the faces of evil about you! Birds of a feather will flock together. Flee from them as you will the plague!

"You will pray a constant vigilance of prayer throughout your country and the countries of the world. The power of prayer is great.

"The abyss is open. Demons are loosed upon your earth, for they know that their time grows short, and they are going about now as ravenous wolves among My sheep.

"Save yourself, your souls, and save your children. Many will die in the great flame of the Ball of Redemption. You have been given the knowledge of truth. You will persevere and stand fast in the Faith!

"No man shall be above the Father. You will not sell your soul for acknowledgement of mankind. Better you sacrifice your body and save your soul."

Veronica - Now Jesus is placing His hand out: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Jesus - "Continue with your prayers of atonement, My children. You will carry the candles. Light them with My Mother and search through your world of darkness."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

[Pause]

Jesus - "Pray, My child, pray much! Do much penance, for the time is growing short.

"You will not be free, My child, from the attacks of satan. Know that as long as you remain in your human state, you shall always fight satan. Prayer is your best weapon, My child.

"You will abandon yourself to the Merciful Hearts, giving over your will completely to the will of the Father. Accept your cross, My child, for at the end of the road you will receive an armful of roses.

"You understand, My child.

"Yes, she will be there, with her arms filled with roses."

Eve of the Presentation of Our Lord

Veronica - . . . flagpole. The light is coming from a very large cross. It's a greatly illuminated cross in white. No, along the borders of the cross there are different colors of orange and red. They're very powerful-looking rays of color. Now the cross seems to be floating in the air, like coming towards us, and it's becoming larger. It covers the whole sky.

Now I hear a voice. I can't see who it is, but the voice is saying:

"Observe, my child, the great sign of the Son of Man."

Veronica - Now over on the left, just a little to the right of the tree, I see . . . oh, it's Michael! I recognize him. But he's wearing a very long gown, a beautiful white gown. It's very loose about his waist. But he's bare-footed; he has no sandals upon his feet. And now Michael is pointing over to his left - that's on the right of us.

St. Michael - "Repeat after me:

"The sins of man, the greatest of sins coming from out of the hearts of man, shall set upon the world a great crucible of suffering. Know now that you have as a majority rejected the words of warning from the Queen of Heaven. As such, there will be sent upon you a great Chastisement. Already many warnings have been given to awaken mankind that have gone by unheeded."

AFRICA TO FALL TO ANTICHRIST

Veronica - Now Michael is pointing with his hand over beyond the huge cross. Now the cross is beginning to fade, and I see a large map. And Michael is pointing. It's Africa; I recognize the map.

St. Michael - "Observe the course of history, my child. This country will fall to the forces of evil and give itself into the reign of what you have chosen to call the Antichrist."

Veronica - Now Michael is going back high up into the sky. He's floating, he's not walking. It's like the air is carrying him right back into the clouds. His voice now is much softer than it was before.

St. Michael - "Await, my child, the Queen of Heaven."

Veronica - Oh, Our Lady now is coming down. Oh, Michael is behind Her, but also with him I see Theresa. Oh! Oh, Theresa and her sister. I recognize her sister - oh, Celine.

Now Our Lady is coming down. Oh, how beautiful Our Lady looks! Oh! Our Lady is dressed in the most beautiful white gown. Her cape is blue, and it has a border of gold about the outside. It's very beautiful. And Our Lady has on Her head a small crown, a circlet of gold, with little diamond-like stars upon the outside of the crown. Oh, it's just beautiful! Now Our Lady has a blue sash about Her waist. Oh, and on Her feet . . . Her feet look so beautiful. I can just see the top of Her toes here, and She has the most beautiful golden slippers, and a golden rose is on each slipper. Oh!

Our Lady's voice now . . . She has a beautiful voice. It's like - Our Lady's voice is like a whisper. It's soft, and yet it seems to vibrate.

Our Lady - "My child, you will continue to give the Message from Heaven. You must retire in more silent prayer. I have prepared you for the way ahead. It will be a road of great persecution.

"The forces of evil are gathered against My work, My child. However, you will know that this is the meter for the salvation of souls. Were it not so, I would tell you. The sufferings of My children who are carrying their candles have great value for the repatriation of the souls.

"Much must remain hidden from you at this time, My child. You will read the photographs most carefully. I have counseled you into the past not to speculate upon the date. It will not be necessary to speculate, for I assure you, My child, when the word is to be made known, there will be no doubt. I ask you to continue to prepare yourselves for the days ahead.

"You must increase your prayers for your Vicar. He is now a prisoner among his own. The faces of evil are many about him. They parade themselves, My child, as angels of light.

"My child, you must follow My counsel or you will be subjected to much suffering.

"You must expect, My child, to receive great persecution. Graces are given in abundance, but they are for the asking. You cannot bestow graces upon a closed heart.

"I have asked My children to stand upon these grounds as a bastion of faith. Unless the prayers continue, My child, there will be great atrocities committed in your city: murders, fornication, abominations in the House of God, brother against brother, sister against sister, mother against children - so great will be the evil entrenched in the hearts of man!

"It would be best, My child, if you would confine yourself to your home with less time on your telephone. It can also be an instrument for satan.

"You have to accept the will of the Father, My child.

NO FLESH SHALL BE SPARED

"You ask Me, My child, why My tears are flowing? Come with Me and look!"

Veronica - Oh, my goodness! I, I see . . . I, I never saw so many dead people!

Our Lady - "Man against man, nation against nation. No flesh shall be spared."

Veronica - Oh, I see a great, horrible war! I see . . . it looks like a mushroom, a tremendous explosion, and everything is gone! Oh!

Our Lady - "Satan, My child, shall have his hand upon the button."

Veronica - Our Lady is pointing over, and She's going . . . and She's pointing over - it's like you're looking over a large body of water. Now there's the land, and I see many people. They're dressed in uniforms. I recognize them, and on their hats is like a red star. They're, they're army uniforms. Our Lady . . . oh, I know - oh, my goodness, it is Russia!

Our Lady - "See, My child, there are not enough prayers to stop the evil. Unless you pray more now for the conversion of Russia, a great War will soon be upon your earth.

"Socializing, My child, will avail nothing to mankind, for the man who is not of God the Father, his word is not of truth. There is no honor without your God. Promises, promises, pact upon pact, with not a word of truth behind them!

ENEMY TO MOVE FROM WITHIN

"My child, hasten to spread the word! Much evil is planned against your glorious land. Hasten! Spread the word! You as a nation are being deluded. There are enemies all about you, waiting. They plan to move upon you from within. Pray a constant vigilance of prayer. You have not a moment to lose.

"My child, I hear your heart. You do not understand the ways of the Father. Man has set his own course, and he shall reap the harvest of his abominations.

"Do not be grieved, My child, at the sights you are seeing. It is mankind who set themselves onto this path. All who are of well spirit will have no need to fear. It is not that I come to bring fear to your hearts. I come as a Mother, a Mother of great sorrow. The future has been made known to Me, and O My child, so many will die in the flame of the Ball of Redemption! Prepare, My children, prepare! Do not cast aside My voice! I come as your Mother. Prepare, for the Ball of Redemption nears.

"I shall not take you to watch again, My child, the Ball. The sight has already taxed your strength. That is why I promised, My child, the six days of suffering will not be for you.

"You will keep a constant vigilance, My child. Bar your door to all but your close friends and workers.

"Wear your sacramentals, My children. They are given to you for reason. There is not enough that you can guard your immortal soul with in those dark days that are facing you.

"I have asked in the past, My children, that you read the Book of life, the Bible. It will be a source of strength and knowledge to you. If you are knowledgeable, you will not fall into error. Error has entered upon My Son's House because My Son's representatives, the clergy, have given themselves to the world. They must return to a life of prayer and dedication of the spirit. Our sheep are starving.

SCIENCE REPLACED SUPERNATURAL

"The world of the supernatural has been cast aside for a world of science. How foolish of mankind to set himself above his God and Creator! Man of science is ever seeking but never finding the truth. Pride, arrogance, atheism! What, My children, has been developed within your country to give you less a chastisement than that is planned by the Father? How many victim souls have set themselves for the repatriation of your country? My child, the numbers are in the few.

"I must tell you now that all who remain with My Son will carry the cross. However, know that the victory is with My Son, for satan and hell shall fall. The state of My Son's House is temporary. It is in the plan of the Father that the sheep shall be separated from the goats. All that is rotten shall fall. A House, a Church in darkness wears a band of death about it.

"Pure waters must nourish the flowers."

Veronica - Our Lady means the souls.

Our Lady - "In these great days of battle of the spirits, My child, many saints shall emerge.

"My own, My child, shall know Me.

"Many, My child, have rejected My message. Many have rejected the photographs. Why? The Father looks into their hearts. Many shall reject them, for if they were to be accepted, My child, they would have to change their ways. And many do not wish to change, so great do they love their sin.

"Sin, My child, has become a way of life in your country and in the world.

"The children are the victims of their elders. Parents, guard your children well, or your tears shall flow. As you sow, you shall reap!

"You will, My child, be given much assistance in the days ahead. Go forward on your mission with perseverance and great confidence. Accept the will of the Father. Give yourself completely in trust to Him.

"Many manifestations of the supernatural shall be given to My children: cures and conversion, cures of the spirit and cures of the body.

"The Spirit of truth has not been extinguished in your world. Seek and you shall be given the way. Believe and you will be given the way.

"The Faith has grown weak, My child, on your earth. I am now, My child, going throughout your earth. Many shall light their candles with Me. However, My child, in the final count only a few shall be saved.

"I ask you, My child, to retain your manner of dress. Soon all who are following Me by example shall be made known by their manner of dress. The worldly shall dress of the world, and those of the spirit shall hide themselves from the eyes of man.

"Satan rules your world now. He goes about as a ravenous wolf among you. Your free will now is your balance. The reward is great for all who stand with My Son in this conflict.

"You have but two final destinies: Heaven and hell. Know that satan will try to remove the reality of the existence of his kingdom, hell, from you. If he makes a farce of his existence among you, he will deceive you so that you will sin and remove yourselves from the Spirit of light. And when you remove yourself from the Spirit of light, you remove yourselves from eternal life in the Kingdom of your Father, the most high God in Heaven.

MUST NOT LOWER STANDARDS

"There is a great means of restoration of My Son's House. It is a simple way, but it will bear fruit. Our clergy must return to a life of prayer. You shall not gather your sheep by going among them and lowering your standards.

"The foundation for My Son's House has always been firm. You shall not use your rank in My Son's House to whittle away at the walls! You are going like rodents burrowing into the foundation of My Son's House! I do not need to name you with names, My children. You who wear the Red Hats and the Purple Hats, you know who I speak to! When are you going to cast aside the darkness from your hearts? Restore My Son's House to its proper foundation, or else you will receive the sword! Many mitres are falling into hell!"

Veronica - Oh! Oh, my goodness! Our Lady is pointing over, and I see . . . I, oh, I see bishops! I know they're bishops. I don't know the rank, but I can tell from their hats they're bishops. There are two now, they're standing . . . And as I watch, everything is turning black. All the color is going from their mitres, and their robes that were golden and purple, they're now black! Black! Oh, and now as I watch, I see this hole opening wider. And now they're going and looking down, and plunging into the hole.

Our Lady - "The abyss, My child."

Veronica - Our Lady said the abyss. Oh!

Our Lady - "You have reason to be upset, My child. It is not them alone that enter."

Veronica - And I am looking now over - Our Lady is pointing, and it's just like one by one, and two by two, and three by three - I see a whole row full of people following, and they're entering where these bishops were standing. And as they enter they also turn black in color, very dark - just like they're destroyed in darkness. Just like the very darkness is enveloping them and destroying their bodies!

Our Lady is pointing over.

Our Lady - "Not their bodies, their human bodies, My child, their eternal souls. Damned forever to the abyss! Many mitres are now leading their sheep into the abyss."

Veronica - Oh!

GREATEST ATTACKS UPON HIERARCHY

Our Lady - "Pray, My child, pray much, for the greatest attacks of satan now are upon your hierarchy. Misdirection, delusion, misleading! O My child, I am truly the Mother of great sorrows!"

Veronica - Now it's growing much brighter. It's like the daylight is coming. The darkness was so great. Oh, it was a darkness when I was standing there.

Our Lady says:

Our Lady - "Yes. Explain, My child, so that man will know how deep the darkness is in your world."

Veronica - It was, walking into the darkness, it was like walking into death itself, but a black death - a death without any light, a stifling death, a smothering death; and battling your way back, Our Lady says, leads with confusion, disillusionment, and no light.

Our Lady - "My child, My children, you will remain with My Son in the Eucharist. He is with you - His Body, His Blood - He is with you in all the tabernacles of the world."

Veronica - Now Our Lady is placing Her hands in front of Her, like this.

Our Lady - "I implore you, My children, do not leave My Son to be a prisoner in His House! He is lonely! Won't you come and solace Him?"

"Do not judge My Son's House by the ways of man! The foundation is there, even when the walls are crumbling. Patiently pray and wait, and wait for the hand of My Son to restore your world.

NO PEACE

"I cannot in truth promise you peace at this time, for there will be no peace. It is a point now of almost, My child, no return. The miracle you seek now must be a complete reversal in the ways of mankind. It is the only factor that will hold back the Ball of Redemption upon you.

"Pray, My children, a constant vigilance of prayer. You will be solaced during your moments of trial, for the Father sends upon you the Spirit. It will appear before your very eyes, and you shall share in the glories of Heaven, for nothing is impossible to the Father.

"No evil shall ever be triumphant. The Father shall turn all evil to good.

"Remember, My child, as I directed you before, when you grow weary, you will quietly retire and speak to Us with your heart. No practiced words will be necessary. You may talk to Us with your heart."

Veronica - Now Our Lady is raising Her Rosary up. She has the most beautiful Rosary. It's white, and it has the golden Our Fathers. And Our Lady now is taking the crucifix, like this, and holding it out in front of Her and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And now Our Lady is turning over to Her right. And She's smiling now, and placing Her crucifix out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Oh, now Our Lady is going over . . . oh! Oh, She's coming forward . . . oh, and looking down. Now She's placing Her hand out, like this, with the crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Now behind Our Lady, there is a great light. And - oh! Oh, I can see Theresa and the three nuns behind her. I recognize her sister on the right. And now over on the left side of the nuns is Michael, and Gabriel, and Raphael. And there are many others behind them.

POPE JOHN XXIII

The sky is beginning to open, and I see a great many people there. Oh, I recognize some! I see Saint Theresa, and looking over, and there's Saint Catherine. Oh, my! And Pope John!

Pope John - "Oh! Ho, ho! Oh, no, I am not any thinner yet!"

Veronica - Oh! Oh! And then, over . . . he's pointing over now, Pope John. He's got a lot of rings on his fingers! And he's pointing over, and he's pointing - it's a very large book. And he's saying:

Pope John - "The Bull! The Bull!"

Veronica - Oh, he means to find out about a Bull? Oh, a book? A Bull?

Pope John - "Rules and Regulations . . ."

Veronica - Pope John says:

Pope John - "Rules and Regulations must be followed. This modern world has given itself to satan. Rules and regulations must be followed."

Veronica - Now he's smiling. He's very . . . well, he's always smiling. He's a very happy man. Oh!

POPE PIUS XII

And now pointing over, I see another . . . I see another man. He's - oh!
"Pope Pius XII," he said. Oh! And he now is pointing over to the book, also.

Pope Pius XII - "Rules and regulations, my child, they must be followed. You will not change the rules to suit the man. The rules have already been written down. There is no reason to have them rewritten. It is satan who is rewriting the rule. Awaken from your stupor! Take the cobwebs from your minds! You are blinded to the truth. A sad state exists in the House of God. Awaken from your slumber!"

Veronica - He looks like he's a small man. He's thin and has a close shaven head. It looks like his hair is quite thin, and he's wearing one of those beanies - a yarmulke, I guess you'd call it, on his head. And now he's smiling, and he's waving his head yes, like this.

Oh, and he's also dressed very beautifully, all in white. And I can see his white slippers - just beautifully, like white satin. Oh, it's just beautiful.

And now, looking over I can see Pope John. Oh, and he also is dressed in white and gold, and has white slippers on, too. He's very well covered - like a cape over his shoulders, and oh, I can see his garments very, very well. Oh, they're beautiful.

And now Pope John is bending down.

Pope John - "Would you, my child, recognize me if I removed these garments? No, you would not. This is fair example to the clergy of the world. You will not be recognized by the Father if you remove your garments, either."

Veronica - And now he's pointing up. He's got a ring on this finger, and he's pointing up. And I see a lot of men and women, but they're all dressed - I know they're brothers and priests and nuns, and they all have on long habits.

Now he's coming over, Pope John is coming over. He says:

Pope John - "What is this change that has taken place upon your earth? It is the work of satan! Cover your bodies, or they shall burn!"

Veronica - Oh, now Theresa is coming over, too, by Pope John, and she's standing there. And Our Lady now is coming over, too, and She's standing - they're all standing together. And Our Lady is saying:

Our Lady - "How many more earth-years will I be permitted to be among you, My children, with My voice crying out to make ready, for the time of My Son is approaching.

"I have set upon the world many seers to unify my little armies throughout the world. The Father has placed Me on this mission of being a Mediatrix between God and man.

"I shall be with you through the days ahead, and We reserve for all who remain faithful and true, a crown, a crown eternal."

Veronica - Now Our Lady is motioning, and Our Lady says:

Our Lady - "Now, My child, you will await the arrival of My Son."

[Pause]

Veronica - Oh, Jesus has on a . . . I'll try to describe it. I just . . . oh, really, it's a beautiful . . . There's a tremendous white light about Jesus, and He has on a different cloak. It's a different color red. It's a dark, almost a maroon color. And now I can see - I see Jesus' face much clearer, because the light is all on the outside, and I can see He's very young looking. Oh!

And now - oh, now Jesus is shifting His arms. He's carrying something in His hand. Oh, it's a cross. It's a large wooden cross that He had under His cape, and He's holding it forward. He's holding His cross forward.

Jesus - "Listen carefully, My child, and repeat after Me. This message is for the clergy.

"You must not change My House to cater to the basic sinful nature of mankind. Man must change for the good. Man must make his change to please his God.

"The representatives of My House will not change to please mankind. Discipline must be returned to My House. You who have set yourselves in disobedience to Our Vicar will answer for your discretion to the Father. You have been given the time to make amends and atonement for your many sins against your rule. You will not bargain My House for worldly gain! The cost is too great, for you are counting this gain in the loss of My sheep. Restore My House, or you shall fall completely! And from the ashes shall rise the Kingdom.

"You are receiving one of My final warnings! You are asking for the Chastisement! My Mother has passed among you, and has begged for the time - an extension of time, so that you will make this atonement. However, your time is growing short. Prayer, penance, and sacrifice, or you will wash your robes in your blood!

"All who have closed their hearts to My Mother's message will be brought down to their knees in shock! No man shall be tolerated by the Father when he gains prestige at the cost of the loss of one soul."

Veronica - Oh, now Jesus is going back, and He's turning now to Michael. Michael is over on Jesus' right, on our left, and Our Lady is standing there. Our Lady is looking at Jesus. Our Lady doesn't look very happy. She looks very upset.

Now Jesus is turning back. He has nodded to the Blessed Mother, but He's turning back.

Jesus - "Repeat after Me, My child:

"A House in darkness will wear a band of death about it. All that is rotten will fall, and from the ashes shall rise the Kingdom.

"Father against son, mother against daughter: discord in the family. You shall be sifted, the kernels from the chaff. I will set among you a sword!"

Veronica - Now Jesus is placing His hand in front of Him, like this. His hands are extended out, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over - He's passing over by the tree and He's looking down, placing His hand out: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over . . . And Our Lady now is following Him. She's like floating. She doesn't walk; it's just like She's carried, like on the wind. She just floats right next to Jesus. And Jesus is turning around.

Jesus - "Time, My child, you ask the time? Remember you are ageless in the Kingdom, and there is no time."

Veronica - Oh! Now Jesus is turning back, and He is placing His hand out: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's floating up. He hasn't turned around. Jesus is going over, and now Michael is coming down forward, and he's got this large sword. It's very long, and he's placing the point downward. And he said:

A TRUE RENEWAL FROM THE ASHES

St. Michael - "I will send a sword upon the world. A sword upon the world! And from the ashes shall be a true renewal!"

Veronica - Oh, now Jesus is now placing His hand out, and Our Lady is extending Her Rosary: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming forward. He's nodding; Jesus is nodding His head. And Our Lady is coming forward.

Our Lady - "You will stand, My children, in example. You will remain true to your Faith, for it is not mankind that you are fighting but the spirits of evil, the forces of darkness that cover your world. Know that the victory will be with you and My Son, and one day We will all rejoice in the Kingdom, knowing that We have returned from a mission that was well done."

Veronica - Now Our Lady is placing Her hand out. Oh, and Jesus is smiling. She's placing Her hands out, like this. And oh, the rays! Oh, they're so bright, I can't look at them. Oh, they're beautiful, but they're so bright! Oh, my! Oh, I can feel them. I have never felt the rays before. I could see them, but I couldn't feel them. Oh, my! Oh, Our Lady has Her hands out now, and - I don't know what they are, but they're, they're so strong! They feel like they could lift you right off your feet.

Our Lady thinks that's quite funny. But oh, my goodness! They're so strong. Oh, now they're going, and it's getting very, very dim. And Our Lady now . . . They seem to just be fading away. Oh! Oh! Oh! And Our Lady now -

Our Lady - "My child, you will continue with your prayers of atonement. What you have seen is a small measure of what is in store for all who follow My Son."

Veronica - Oh! In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

February 10, 1975

Eve of the Feast of Our Lady of Lourdes

Veronica - The sky is becoming lighter. It's lighted by a beautiful blue haze. It's just like the light's penetrating the darkness. I see a tiny pinpoint of light, but it's becoming round. Oh!

Now coming through the center of the light is Our Lady. Oh, Our Lady is dressed in a flowing white gown; it seems to be one piece. But no, the top of Her headpiece comes down almost to the center of Her gown. And She has the most beautiful blue sash tied at the center of Her gown. Oh!

Our Lady now is coming forward, and She has Her hands joined, like this. Now in Our Lady's hands are Her Rosaries. They're beautiful, the very large Rosaries. They seem to fit comfortably into Her hands, though the beads are very large - the golden Our Fathers and the white Hail Marys.

SAINT BERNADETTE

Now Our Lady is pointing over to the right side, Her left side. I see now a small figure. Oh, it's a young girl. She has on a pair of what look like wooden shoes, from under her dress. She has on a skirt, like a peasant skirt. Her clothes are very rough looking, the material. And now she's placing about her head a scarf, like a kerchief. She's tying it now under her chin. Oh, I know who she is now. She's Bernadette!

Now Our Lady is coming forward. She's taking Her hands now, and tying Her Rosary about Her waist.

Our Lady - "Yes, My child, your visitor this evening is Bernadette.

"You will well understand, My child, that the cross is always heavy. Humility and sacrificing of your worldly instincts will make your ascent to holiness much swifter. It is truly the will of the Father that you will do.

"The message entrusted to you, My child, must go out to the world in great haste. The time is growing shorter.

"Many of Our children have chosen to reject My words. Many tears shall be shed in recognition, but too late, My child, too late, My children."

Veronica - Now Our Lady is pointing over to the left, high up in the sky. And now there is a - I can look into a land, two lands. And above each - it's like a tabloid - there is a deep black cross.

Now a voice - it's a frightening voice - is crying. It's booming, the voice; it's terrifying.

"Woe, woe, woe to the inhabitants of the earth! Blood shall flow in the streets! Revolution from corruption! Revolution from corruption!"

Veronica - Now Our Lady is coming forward.

Our Lady - "Yes, My child, it will be truly a most terrible sight. Blood shall flow in the streets. Brother against brother, mother against daughter. Sin shall place little value upon life. Wars, and the great War to end all wars, are a punishment for these sins."

Veronica - Our Lady is pointing up, and I see two dignitaries. They, they look like cardinals. Now one is holding a key, a very large golden key, and the other now is counting out what looks like large silver pieces.

Now Our Lady is coming down just beside the flagpole.

Our Lady - "You see, My child, they are re-crucifying My Son for pieces of silver, for worldly gain. It is time all repeated. Your world is in a spiritual darkness far worse than in the time of Noe.

"Satan has poisoned many minds. Your country has started upon the road to its own destruction.

"Man of science shall rule out the supernatural, My children. Your country shall be cleansed by trial. Many countries in your world shall be cleansed by trial - trial, My child.

"The power of prayer is great. You must pray for those who have set themselves against My Son. Even they can be returned by your prayers and acts of sacrifice.

"The numbers counted, My child, to be saved will be in the few.

"Our hearts in the Kingdom are much saddened by the knowledge that the little children are being led astray. Teachers in the House of God, shall you stand before the Father and say that your teachings have been pure in His sight? No! You will not, for We look upon you and find you lacking! Awaken now from your darkness of spirit! Return to a life of prayer! You have

entered into your world and given yourselves over to pleasures and destruction of the flesh, and sadly, the destruction of your eternal soul!

"The Father looks into the hearts of mankind. All manner of filth and abomination lie therein! Shall you wash yourselves in blood? Or will you get down upon your knees now and make atonement to the Father, the Eternal Father, for the many offenses that are setting now upon you a chastisement such as has never been seen before by mankind! You will burn, My children, in your sins. The Ball of Redemption has not been seen by mankind now, but I assure you, My children, the Ball is approaching!"

Veronica - Oh, Our Lady is pointing up. And I see . . . I see a huge ball! It's, it's like a ball of fire, and it's going very fast across the sky. And shooting out behind it are these streams of fire and rock, and, far as it is, I can feel the heat! Oh! Oh! It's so large, it feels like it's almost on top of us. But over, over on our right, I can see another huge ball. It's like, it's like looking at two suns in the sky! Oh!

Now Our Lady is coming down on our left, much closer.

Our Lady - "You tremble, My child. There is no need to be afearred, for all will be well for those of true spirit.

"The abyss is open wide, My children. Upon your earth are creatures of hell. You must remain close to My Son in the Eucharist. Satan has set many ways to entrap you. He will take over the body of a fallen soul - any man, woman, or child.

"All parents must keep the Faith in their children's hearts. A constant vigilance of prayer must be kept in your country and throughout the world. There will be days of deep darkness."

Veronica - Now I see a large ball with a cross on the top. And over at the side of the ball, writing is appearing in the sky. It's a "Y", a very large "Y". It looks like almost a "U" with a downward stroke.

Now Our Lady is raising Her hand up and motioning this way, and now it's disappeared. I can't see the ball with the cross on the top.

Now Our Lady is coming forward.

GATHER BOOKS OF TRUTH

Our Lady - "My child, you must work with great haste. The enemies of the Father in the Kingdom have set themselves to destroy the knowledge that has been given to you through the ages. You must gather the books of truth. Many have been rewritten to destroy your Faith.

"Remember, My children, that none will enter into the Kingdom except through My Son, for He is truly the way.

"Your body is the temple for your spirit. You clothe yourselves in filth and all manner of abominations. Chastity, piety - your words are being lost, being changed to corruption and immorality.

"The road to the Kingdom, My children, is a narrow road. Many seek it but haven't the perseverance nor grace to remain on this narrow road. Once you have left it, My children, you will find it very difficult to return.

"I know that the days are growing short, and many will be taken from your world. You must all now live your lives as though you will enter beyond the veil tomorrow. Do not waste the time left, My children, in gathering worldly gains. Better that you spend this time in gathering your graces, your merits that will be added beyond the veil.

"If you, My children, read the true Book of life, your Bible, you will find that many warnings were given by Our prophets to you, warning of these days that you are living in. You were to beware of false prophets and false teachers. They will come to you as angels of light with ravenous hearts. They will be members of the synagogue of satan.

"Do not be fooled, My child, by those who have fouled their garments. We in the Kingdom have had Our hearts wrenched by the knowledge that many of Our clergy have destroyed their vocation. They have brought dishonor and disrespect to their vocation. Pray for them, for satan has set himself to claim them. I am, My child, truly a Mother of great sorrow!

"You must recognize the forces of evil now loosed upon your world, My children. You must not follow like sheep to the slaughter. Your obedience is to the Eternal Father.

"We have given you through the past ages the knowledge for your redemption. Man has set himself, in his arrogance, up to be worshipped. No man shall place himself above the Eternal Father. Man upon your earth is traveling the same road of the fallen angels. His arrogance shall be his destruction.

MARK OF THE CROSS OR THE BEAST

"The Father is now in the process, My child, of separating the sheep from the goats. Each man and woman and child shall receive a mark upon him. It will be the mark of the cross or the mark of the beast.

"Yes, My child, there is much evil in your government and in the governments of the world. Do you not recognize the signs of your times? Know that - I repeat now: you are now living in the latter days. Prepare yourselves now, while you have the time. Blessed is the soul that has taken My words and acted upon them.

"I bless you all, My children, as children of the light. I will be with you to the Second Coming of My Son. All who are burdened with their cross, come to Me and I will comfort you. Come to My Son in the tabernacles of the world. Hurry, My children. The agents of hell are loosed and have set in motion a plan now to close these tabernacles to you. Hasten now; gather your graces, My children, while there is still time! Spend much time with My Son in the Eucharist. It is truly the Bread of life. It will be a most dark day, My child, when these tabernacles will be closed to you.

GATHER AS BIRDS OF A FEATHER

"Do not be fearful, My child, of the days ahead. The Spirit of truth shall never be removed from among you. You will all gather as the armies of Heaven. As birds of a feather you will flock together.

"I repeat, My child, to you My direction of the past. You must remain in retirement from your world. I must caution you at this time to bar your doors to all but your immediate family and close workers. Satan has many agents. They will come to you in many forms of deception. Learn, My child, to recognize the faces of evil.

"Make much use of the blessed waters, the holy waters given to you. Wear your sacramentals. Direct Our children never to remove these sacramentals from their person. The forces of evil are multiplying among you.

"You, My children, are being tested by the Father. Go forward in perseverance and fortitude and you will win your crown."

Veronica - Now Our Lady is placing Her hand out, like this, with Her crucifix from the beautiful Rosary, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is smiling. Oh!

Our Lady - "We do not expect you, My child, to react in any way other than you have to your worldly living and the attacks upon you. As you advance in more grace, you will find that you will care less for the opinion of mankind and more for the love of the Father.

"We allow many sufferings to you, My child. It is for reason. We find that your state of worldly occupation has left little time for silent meditation.

"It is only in suffering, My child, that you will learn compassion for the sufferer. The world, My children, has forgotten the value of suffering. How many graces you earn when you make good use of your suffering and your trials, for you have within your power graces that can retrieve from purgatory many souls who are waiting. Your acts of sacrifice and sufferings may also rescue your brothers and sisters who otherwise would fall fast into the abyss, for they have no one to sacrifice or do penance for them, My child. We ask for many victim souls, My child, victims for the merciful heart of My Son, victims who will offer themselves for the balance to mankind.

"We do not expect you, My child, to understand all at this time. There are many things unknown to you, for they would not be sacred if revealed.

"In the days ahead, you will learn much of the supernatural. Many manifestations will be given to Our children. Know that you are truly graced when you have been called to come under My mantle of love."

Veronica - Our Lady now is extending Her arms. And oh, it's just beautiful! She has on this cape now; it's a pale blue cape. And She's extending the cape out, and as She does, there are rays coming out from the cape and Her hands, and it's so nice and warm and so beautiful that you feel like you're There are no words; I can't explain it - completely I can't explain it. Happiness and joy and peace. Oh!

Our Lady now is talking very softly.

Our Lady - "Yes, My child, it is a true peace beyond the veil, a beauty beyond all that can be given to you at this time. We ask, My child and My children, that you believe, for when you do, you will be given the way. Know that nothing is impossible to the Eternal Father. It will appear before your very eyes.

PHOTOS-FACTUAL WITNESS TO THE MESSAGE

"The photographs miraculous, My children, will be given in great numbers. They will stand as factual witness to My words. It is a sad fact in your age, My children, that many will not believe unless they see.

"You will go forward now in your mission, bringing the words from the Kingdom. You must not be overly concerned of whether they will be accepted. You will bring the word and if they cast them aside, you will continue on your way, for there are thousands who need the grace, My children."

Veronica - Now Our Lady is going over on top of the flagpole. She's just above the flagpole. Oh, and She's standing there now, and Our Lady is raising Her cross, the crucifix on Her Rosary: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Lady - "You will sit back now, My child, and await My Son.

"I am not leaving. I am always with My children on these sacred grounds. The fence, My child, is only material and not of the spirit. The world and the spirit are not one. The things of the world belong to the world, and those of the spirit do not belong to your world. It is fruitless to shut out the light, for the light, My children, will pierce the darkness."

Veronica - Now Our Lady is placing Her hands out, like this. And oh, there are rays coming out of Her hands. Oh, they're extending completely - they're going over our heads. Oh! Oh, I didn't feel anything, the heat, but they're so bright that they hurt my eyes looking up at them. Oh!

Now Our Lady is going over to the left side of the flagpole.

Our Lady - "There are graces, My children, graces in abundance, graces for the asking: cures and conversions, cures of the body and the spirit."

Veronica - Oh, now it's growing very bright behind Our Lady. And I see Michael. Oh, Michael is coming down. He's just behind now the tree on the left side. And Michael's coming down, and behind him I see . . . it looks like a brother or a priest. Our Lady says, John Bosco. Oh! Oh! Oh, and also there are many, now, nuns and priests. I can tell from their habits that they are clergy, and nuns, and they all - I can't see their faces too clearly, but you can feel the sense of joy and peace.

Now Our Lady is bending down.

Our Lady - "My child, you perceive rightly. It is only in following the rules set down by the Eternal Father that man can find a true peace of heart. There will be no peace upon your earth without My Son. Reject Him, and you will reject life. You will follow the rules given by the Eternal Father, your Commandments, for if you break these rules, you will break your spirit.

SEEK TO UNITE CHURCH WITH WORLD

"Your country and many countries of the world have given themselves to satan. They seek now to unite My Son's houses, churches, with the world. And know now that should this take place, when the world and My Son's Church become one, the end has been reached.

"Pray a constant vigilance of prayer. Shout My message from the rooftops! Hurry, My children; I must beg you to make great haste, for the time is coming.

"You will be sent, My child, many arms to help you.

"Know that your attacks are promoted by satan to stop your good work. You must recognize this, My child, and keep fighting the good fight. Satan does not sleep, My child. Remember this. Wear your sacramentals at all times. Call upon your guardian often. Call upon your angels, My child. The world has forgotten these guardians. Make it known to My children that in grace, they have beside them a guardian. Their angel has not left. However, many seek to send him away and accept one from the abyss, an agent of hell.

"Your life upon your earth, My children, will be one of constant battle. It is a road filled with thorns, but your arms will be filled with roses when you come to the end of your road. Is this not worth praying and waiting for, My children? Is this not worth sacrificing for, and turning from your sin?

"Amen, My children, I say to you: It will not be long before you understand My words given in the past. Pray a constant vigilance. Turn from your ways that offend the Father much. Repent of your ways, and you will be accepted back into the Kingdom. No man shall fall into hell unless he has gone this way of his own free will, My child.

"I am your Mother, and the guardian of My children. I come to you as a Mediatrix between God and man. We are now in battle with satan, My children. Recognize the signs of your times. You are, I repeat, in the latter days. Prayer - a constant vigilance of prayer!"

Veronica - Now Our Lady is placing Her hand out.

[Pause]

All who are able, please kneel.

Now Jesus is standing just over the flagpole. He had to wait to finish part of the prayers of atonement.

Now Jesus is coming over. The sky is very lighted. And behind Jesus there's Michael, oh, and Our Lady. Our Lady is also with Michael, behind Jesus.

Now Jesus is coming over. He's just between the trees now. He's come over the fenced-in area. Oh! And Our Lady and Michael are behind Him.

And Our Lady now is wearing a beautiful golden crown on Her head. It's set in with all beautiful stones. I can see the green - it must be emeralds - and blues, and a light, pale - almost a pink. Beautiful! Oh, the crown is just beautiful! It's made with spiral, V-shaped points on the top, and they're setting on the top of the points with these little diamonds. They look like diamonds. They're very brilliant white stones, glass-like stones, and they're beautiful. I can see Our Lady's crown very clearly due to the light. There's a very white light all about Jesus and Our Lady, and also Michael.

Now Michael has on a long white gown. He's now going over to Jesus' left side.

Now Jesus is dressed all in white this evening. I . . . this is the first time He is without His red cape. He's all in white. He has on a white gown that's very loose about His arms. It's very, very full. And Jesus has on these brown sandals. They're like - oh, skin, I guess they're made of. They look like brown leather. They have one strap and just a piece across His instep. I can see the sandals.

Now Jesus is raising His hand up in front of Him, like this, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "My child, I do not have to repeat or make any more emphasis to the words of My Mother. You understand clearly that your days are counted in the few before a great Chastisement will come to mankind.

"I must urge you at this time to prepare yourselves for the days ahead. Do not concern yourselves with the opinion of others. You will pray for them, and they will be given the light."

Veronica - Now Jesus is moving over to the right side of the flagpole, and He's extending His hand out in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

And now Jesus is coming over. He is now going back onto the left side of the flagpole, and He's looking down. And it's a little windy, because as Our Lady now is following Him with Michael, their clothes are blowing very, very, very softly. It feels very warm. The rays that are coming out - I can almost feel them; they're very warm - from Jesus and Our Lady. It's a beautiful light. It's . . . They seem to be all aglow. I can't explain it. Oh, it's beautiful!

Now Jesus is looking down, and He's placing His hand out, and He's making now the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

NO PEACE AT THIS TIME

Jesus - "My Mother will be with you on these sacred grounds in the days ahead. The peace you ask for cannot be given at this time. The sins of the flesh have set a heavy penance upon your world. You will all pray now and make atonement, but this you will do upon your knees.

"If the words of My Mother go unheeded to this ungrateful generation, I assure you it will not be long before you will be forced to your knees! Hasten, harken, and listen, for the warnings given to you are urgent! The sands of time are running fast out, and you will not have another chance to turn your hourglass.

"Prayer, atonement, and sacrifice! Wear your sacramentals, and do not waste the balance of your time in idle, worldly pursuits of the flesh. Many souls have fallen into the abyss because they did not seek to practice the truth. And what is the truth, you may ask Me? It has been given to you, though man has chosen at this time to sully it.

"Those whom We have chosen to be your leaders, We look upon them and find them lacking! They will heed this warning, for rank shall be no guarantee of the crown in the Kingdom. A complete and fast reversal of man's ways must be made now - and I say now! For your future shall be now!"

Veronica - Now Jesus is moving over to the right side of the flagpole. He's rising up with Our Lady now, Who's behind Him and Michael. And I see far in the distance, many angels. I can tell from their robes, angels. Now Jesus is bending over.

Jesus - "They are angels, My child, but they come from your earth. You see those who have cleansed their souls and washed their robes in the blood of sacrifice as victims, victims of injustice by man upon your earth. They have given themselves as victims to maintain the Faith. Before your world comes to its final curtain, My child, there will be many who will wear the robes of martyrdom."

Veronica - Now Jesus is rising above the flagpole, and He's now turning to Our Lady. And Our Lady is extending Her Rosary out with the large golden crucifix: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is bending over.

Jesus - "Continue now, My children, with your prayers of atonement. Many are needed, for satan has poisoned many minds."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

March 18, 1975

Eve of Saint Joseph

Veronica - The sky now is beginning to lighten. There are streams of beautiful blue color now coming from the distance. The rays from the blue lights are producing a warmth, a warmth that I've never noticed before.

Now I can see far into the distance, and the sky is becoming very lighted. Oh, Our Lady is coming forward. Oh, She has on a very beautiful blue cape, flowing freely down to Her toes. And Her gown is a beautiful white, a pure white color, with a blue sash. The blue sash is hanging very loosely about Our Lady's waist. Oh!

Now over on Our Lady's right - oh, our right side, Our Lady's left - I see a man coming forward. Oh, He's dressed in a brown tunic-type of robe. It's made almost like one piece in brown, and he has on his feet brown sandals. I can see him very clearly, although his face is so lighted that I couldn't describe his eyes or nose, but I do see his beard. He has a dark brown, almost black beard. And now about his head there is a cape, a cape that is not pointed; it's draped about his head. And now he's removing the cape, and he's coming over by Our Lady. Oh, I know! I know who he is! It's Saint Joseph! Oh!

Now Saint Joseph is speaking with Our lady. Our Lady now is motioning, placing Her finger on Her lips, to listen.

Our Lady - "Listen well, My child, and repeat after Me.

"The foundation for a young life is found in the family. We find much lacking in the example of many parents. They have forgotten their role as parents, and they are feeding their children well with the contaminating abundance of your nation and the world; however, their souls are being starved for the light.

"The role for the prosperity within a family is simple, My child. It is one of a dedication to the Eternal Father. What does it matter, My children, if you gain the whole world's goods and suffer the loss of your eternal soul? Your pilgrimage is but a short one upon earth. Have you stored your reward with Us, or have you given yourselves to the pleasures of the flesh and satan?

MAN OF SCIENCE GIVEN TO MURDER

"The Eternal Father has created life upon your earth. Man of science has given himself to murder! This displeases the Eternal Father much, My children. You have set yourselves upon a path of destruction. Turn back, My children! My voice comes to you but of a short time. Turn back; the sands are falling fast!

"In the past history of earth's time, My child, My voice has cried out for penance, atonement, and sacrifice. I have been cast aside now in your present as I was in the past.

"I have come to you, My children, as a Mediatrix from the Eternal Father, to bring you a great warning. Unless you mend your ways and make a complete reversal from your present path of destruction, you will be allowed to reap your reward in suffering. Your country will be cleansed by trial. The tears of parents will fall, but too late!

"Your country was placed under My protection, My children, but you have a free will. Could I but spread before you a complete picture of your future, you would come back upon your knees to the Eternal Father! It is, My children, a picture of death.

"Satan roams your world. He has many agents in all the medias, My children. Hearts are hardened, ears are deafened, sight is blinded! Sight of the physical body means nothing, My child. It is the light that has been taken from the heart, the soul of mankind, that brings him to destruction.

YOU HAVE BROUGHT SCANDAL

"My Son is much grieved by the manner in which His Sacrifice is conducted within the churches of the world. Pastors! Shepherds of Our flock, have you not the courage to stand up for the light? Do you fear mankind? No man shall save you from your eternal reward if you receive the recompense of your abominations! You shall be cast into the abyss, counted among the least. You have been given a divine vocation. You scandalize those who have been entrusted to you! Awaken now from your blindness! Bishops, the salt - what have you done to your vocation? You have brought scandal, destruction of souls!

"I beg, as your Mother, for you to listen to My warnings. My urgent plea is of major concern to your world now. For if you do not listen to Me now, you will set fast into a major World War. Wars are a punishment for man's sins.

"The sins that are sending many into the abyss, My children, are sins of the flesh. The vilest of abominations are being committed in your land and countries throughout the world. They mock and defile the name of My Son! Even the children, My child, mock and defile His holy name! Who will come forward and solace His injured heart?

"My child, if there were, if there are enough prayers of the faithful, you will be given more time to gather the sheep. The Eternal Father watches the battle. All that happens will be permitted for the eventual recovery of souls. All who fall into the abyss, My child, will do this on their own free will.

"The Eternal Father has made it known to the world through His message that there will be many graces given through the sacred grounds.

"The waters will rise. When, you ask, My child? Very soon."

Veronica - Our Lady is pointing over now to the right side of the flagpole. The sky is lighting up, and I am looking into a mapped area that looks like - yes, it is Africa. And I can see . . . I'm looking over from the African part of the map, and I can see the other countries of Egypt and Israel. And - oh, now Our Lady is saying:

THE CULMINATION OF ARMAGEDDON

Our Lady - "A coalition, My child, of the dark races. The world is fast heading to the culmination of the Armageddon."

Veronica - Oh!

Our Lady - "My child, make it known to My children that they are being deceived. Many who come to them as angels of light are actually an agent of darkness. They go forward in error and gross deception, My child. Make it known: the practice of astrology offends the Eternal Father. It is a false science of the Antichrist. It is the practice of pagans.

"During, My child, the Holy Sacrifice of My Son, man must conduct himself with more propriety. Holiness must be returned to the houses of the world."

Veronica - Churches, Our Lady says.

DANCING AND DIABOLICAL MUSIC

Our Lady - "Women must adorn themselves in modesty. Pagan practices of diabolical music is not condoned by the Eternal Father, nor shall We condone dancing and all manner of worldly entrance within the holy houses of God.

"Woman must cover her head. It is a mark of respect required in the House of God. This, the angels demand.

WOMEN'S LIBERATION

"My child, make it known to the world that woman must keep her place in respect to her husband. It was not Adam, the man, who fell, but he followed the fall of Eve, his wife. For man came from God and Eve was brought forth from man. Therefore, My child, this word I hear 'liberation' is a deception from satan!

"Do you not recognize, My children, the signs of your times? Read and learn: 'Women will become unlike women. They shall go forth, and seven women will take hold of one man and say to him: Make me as you are. I wish to eat your bread.'

"Know, My child, this simple lesson, that in these days of the latter times, women shall seek to cast off their role as mother and a woman. Woman will cast it off under the direction of satan, and murder her children. Woe to the woman who does not repent of this vile abomination! She has walked the road to eternal damnation and hell. Repent, O woman, or forever be lost!

"It is, My child, because the world has lost the need for sacrifice and penance that they have come to this point of murder of the unborn and the young. They care more for the material things of your world, and they starve the spirit. They gather all that satan has set before them, but they gather nothing that the Father offers freely. Satan has placed a price upon all he gives you. His price is your eternal spirit.

"The Father, the Eternal Father, My children, offers you His home. It is yours for the asking. There is no price. This Kingdom of light is yours. Believe in My Son and you will be given the way.

"You must warn those superiors in My Son's House, My child, that they are being deluded.

"Your country and the world is heading fast into the setting up of a one-world religion and government. Recognize the signs! There will be no unity without My Son as the Christ.

"You accept into the holy House of My Son those who betray Him. Awaken from your darkness, your slumber! You are being misled. All who do not recognize My Son as the Christ, they are the Antichrist!

"The Eternal Father has set upon earth His rule. He has sent My Son to you as a pure Sacrifice to open this Kingdom to you. None shall enter the Kingdom of Heaven except through My Son.

LAST SUPPER NOT A MEAL

"You must, My children, make it known to your brothers and sisters that the last meeting of My Son was not a meal! It was not deemed to be a meal by the Eternal Father. It was the start of a Sacrifice. That Sacrifice was known by the Father and My Son, and was to be perpetrated and continued unto eternity!

"When you enter into the houses, churches of My Son throughout the world, you come to participate in the sorrowful - "

Veronica - Oh! Oh, I see . . . oh! Oh, I see Jesus upon the cross. Oh! Oh, He's already expired on the cross. Oh! Oh, now it's becoming darker. I can't see Him. It was so awful!

Our Lady - "During the Holy Sacrifice of your Mass, My children, you shall receive among you the physical and spiritual Body and Blood of My Son. This is not but a memory or a myth, My children! Understand the supernatural! Understand that My Son comes to you fully in spirit and physical Body. That is why the angels who attend the sacred service demand, command that you conduct yourselves with the honor due My Son, in the Father, and the Holy Ghost.

"Women shall not approach the sacred Body dressed as pagans, exposing the temples of their spirit to shame! Cover yourselves, My children, or you will burn!

"I repeat: women will dress as befits a wife and mother, clothing themselves with modesty and holiness. Children will follow the example of their parents. Therefore, if your example is poor, your children will be your thorns. The sins of the parents are surely visited upon the children.

"During the Sacrifice, My children, you must unite yourselves in heart with My Son in His Sacrifice. You will not be distracted by all manners of diversions that We watch being perpetrated in My Son's churches at this moment."

Veronica - Now Our Lady is looking over to the right of Her, and left, and pointing. And I see a large globe on the right side, and the globe is turning. And I see above the globe a very large sun and the moon. And Our Lady is turning now and saying:

Our Lady - "At every second in every moment of the day and night, the Sacrifice continues. Oh, how sad it will be, My children, if this Bread of life is removed from you!

"The Bread of life, My Son, is your salvation. Without Him you will never be able to withstand the attacks of satan and his agents. The forces of evil have accelerated. Protect yourselves and those you love with the armor We have given you. Do not succumb, My children, to the fallacies about you, the half-truths and falsehoods. Know that your sacramentals were given for reason. Do not cast them aside! Understand, My children: if satan removes your sacramentals, he has more advantage over you.

"You need all armor now to withstand his attacks, My children. I have advised you all in the past to retire from your world, which has been given to satan. He knows that his time is growing short, and he has plans to do full battle with you. From time of the beginning, this fallen angel has set himself to destroy the creation of the Eternal Father. Understand, My child, why the Eternal Father does not want one soul lost to Him.

"My children, if I was to give you an overall picture of your present world and those who have been given the power over you and your souls, you would find that many mitres have faces of goats! Yes, My child, goats!

"We use symbolic language, My child, for reason, so do not be disturbed.

"You must pray much for your Holy Father, Paul. Many about him are not in the light.

MESSAGE CAST ASIDE BY CLERGY

"I am much saddened, My child, to have to say to you all that my message given with heart to you has been cast aside among Our clergy. Do not be disheartened, My child. The Father has a plan. Continue with perseverance.

"You will remain in retirement as I have directed you, My child. It is for your safety and the good of your mission. You will restrict yourself to talking with only the immediate close workers and your family. Better that you use all other time, of your leisure time, to pray. Quiet communication with the Father in the spirit will gain you much peace of soul.

"Do not concern yourself, My child, with dates. What would it gain if I allowed you to give a date? For should Our children return to Us it would only be through fear. We expect a gradual return, but it will be a permanent one this way.

"You will go on your mission as the Father directs you. Do not be concerned in the steps. It will appear before your very eyes.

MIRACULOUS PHOTOS

"I would advise you, My child, to advise My children that it would be best if they do not make a rash judgment of the miraculous photographs We give to you. They are given, I assure you, with reason. Some are of a personal nature, and others are for the general populace.

"You will not concern yourself, My child, with who will accept the Message from Heaven. You will go forward and give it to the world and leave the rest to the Father in Heaven. Man has a free will. Some will accept and others reject. However, you will pray for those who reject the message for they, also, will be given the light, the grace from your prayers.

"Yes, My child, I give you an urgent directive. You will not wear apparel beyond your ankles.

YOU MUST BE DIFFERENT

"It is only when you are different, My child, that you are on the right road. When you join the world, then you will be on the wrong road. The world will reject you as they rejected My Son. Were you to join the world in their thoughts and their living habits, you would be accepted, but because you are not of the world, but of the spirit, and you live in the spirit, you will be accepted by the Father in Heaven. This you must always remember. It is not the acclaim of the world that you will look for, but you will make your way slowly with perseverance to the Kingdom.

"Pride, My child, must never enter upon you or your work, for pride is a great sin in the eyes of the Eternal Father. It was pride that sent Luciel, Lucifer, from the Kingdom.

"Do not be concerned of those who seek to send you from My sacred grounds, My child. You will just be most patient. The Father has a plan for all."

Veronica - Now Our Lady has Her beautiful Rosary with the gold Our Father and the white Hail Marys, and Our Lady is raising the gold crucifix just in front of Her.

And now I - oh, I'm looking up to Our Lady's head, and She has the most beautiful crown of roses around Her head. Oh, it's just beautiful! I can - they're so beautiful! I can smell the aroma of the flowers. Oh! Oh, I feel

There's a great light coming from beyond the roses, all up into the sky from Our Lady's head. Oh, yes, it looks like almost a huge white, golden crown. The light shines so beautifully that it's reflecting the color of the roses. Our Lady has The roses are red, and white, and yellow. Oh, they're beautiful! They're all woven together, almost like the crown of thorns, but of roses. Beautiful! Oh!

Now Our Lady is pointing over to the right, Our Lady's right, and there are some nuns - I see from their habits they're nuns - coming forward. Oh, I see Theresa. Oh!

Now Theresa is speaking. I can't understand. It is spoken in French.

Our Lady says:

Our Lady - "Now listen well, My child, and you will understand."

BRING BACK THE FAST

St. Theresa - "Dear sister, Veronica, I have all sensitivity to what is taking place upon earth. I have even looked into my former home on earth. It distresses us all here in the Kingdom to find the changes promoted by satan. You must not accept change, my sisters, to please man if it does not please the Eternal Father. Return your habits to the floor. Bring back the fast, my sisters, the fast of sacrifice. Do not go outside the gates, for satan is waiting there for you.

"You are being misled, my sisters. Stand fast in your Faith. We await you all in Heaven, and my arms will be filled with roses for you. Do not discard your habit, for you will be unrecognized to the world, and also unrecognized by the Father in Heaven.

STAND FAST IN YOUR FAITH

"You must pray more. You will not bring the souls to the Father by acting as a mere man, for you are above man. You have been chosen as a bride of Christ. Do you prefer mere man to the Father and eternal life? O my sisters, lock your doors! Return to your prayers and your life of sacrifice and penance! If you do not pray, and pray much, you will not find many with you who are graced.

"Many of our dedicated are on the road to perdition. They have thought themselves strong enough to go out into the world and lead a worldly life. They will fall faster, for satan has set his trap for them! Return, I say, my sisters, to you! Return to a life of solitude, sacrifice, and penance.

"You will not be lost to us if you do not lose yourselves in the world. If the leadership, my sisters, in the convent is poor, pray more, and stand fast in your Faith.

"Nothing is impossible to the Father. Ask and you shall receive."

Veronica - Now Our Lady is coming forward, and She's holding now a cross. It's a wooden cross, and I don't see a corpus on it. And She's holding the wooden cross in front of Her, like this.

Our Lady - "My child, this is the symbol accepted by little Theresa. All who follow My Son must place themselves upon this cross. It is the way of Christ.

THE FALSE MESSIAHS

"You must make it known, My child, that man will not on his own merits bring about the one shepherd and the one religion. No, My children, you must not be misguided. This unity of mankind will only come when My Son returns to your world.

"I must caution you not to be led astray by the false messiahs upon your world. Do not be blinded by their miracles. You will understand now and keep it in your hearts that My Son shall return the manner in which He ascended. He will descend to you from the sky. So, if one says to you: 'Come, he is here. I will take you to him.' Do not go! If they say to you: 'He is out in the field. Come, I will take you to him.' You will not go. For you will know when My Son arrives. He will come down with the angels with a loud shout of triumph to set your world in order. Prior to this time, My child, your world will be in great chaos. War upon war, destruction from the Ball of Redemption!

"If My Son did not return, My child, there would be no flesh saved, so great will be the trial upon earth and mankind.

"In my earth-years, I know I have given you sufficient knowledge to prepare yourselves. You will not approach these final years without preparation. Prepare your souls and the souls of your children and those you love. Only a few will be saved.

"Your country and your world must embark upon a constant vigil of prayer. The family that will pray will stay together.

"Mothers must teach their children the true Faith. Fathers must fulfill their mission as fathers to their children. The example in many homes is poor and will not be tolerated by the Eternal Father. Measure for measure, you shall reap what you have sown.

"Parents must give to their children the knowledge of the Commandments of the Father. No excuse is accepted for casting aside these Commandments.

"Discipline your souls, My children, your spirit! Discipline your human body. Do not allow yourselves to be swallowed up in the mire of destruction.

"Make it known, My child, the world that lies beyond the veil. Make it known, My child, for so many have forgotten the reality of hell, purgatory, and the Eternal Kingdom of the Father, Heaven.

"It must be made known also, My child, that there are demons loosed upon your earth, demons from the abyss, far more powerful than have been set upon the earth in past history. Their reign will come to an end. All of the children of earth will be tested.

"Yes, My child, mankind shall be set in two camps: on one side the sheep, on the other the goats.

PRAY MUCH FOR GOVERNMENT LEADERS

"You will pray much for your clergy. You will pray much for your government leaders.

"And parents, you will adopt a rigid and strict rule in your family, for you now are holding the balance for the salvation of your children's souls. Your sacrifice now will bring you gladness of heart, for at the end of penance is a great joy. Yes, My child, I say penance, for to remain in the light in your dark world will be great penance to mankind. However, there is always the joy in knowledge that eternity in the Kingdom of light is your reward."

Veronica - Now Our Lady is taking Her Rosary like this, oh, and She's extending the crucifix out and making the sign of the cross: In the name of the Father, and the Son, and the Holy Ghost. Amen.

And now Our Lady is beckoning.

Our Lady - "You will be seated, My child, until the arrival of My Son."

[Pause]

Veronica - All who are able, please kneel.

Now Jesus is standing . . . oh, He's not exactly standing; He's beginning to move. He's floating forward now. He's over on the left side of the flagpole, and He's coming closer now. Oh!

And Our Lady is now behind Jesus. And She has on a blue cloak over Her white long gown. And Our Lady has a beautiful golden circlet upon Her head - it's a crown. Just beautiful! There are no stones in it. It's, it looks like it's solid gold. Oh!

Now Jesus is coming over. He's now coming - He must be across the fence. He's standing now high up in the air, just over the banner. Oh! And now, Jesus has on His . . . His cloak is a deep burgundy color. And His hair is quite long, onto His shoulders. And the light is so bright it makes His hair look sort of like a - oh, a reddish glow about it. But I can see at the bottom of His hair it's dark, though. It might be a dark brown.

And now Jesus has also on sandals, like the kind Saint Joseph had on with the brown leather straps. And His gown is a . . . not a white; it's sort of like an off-yellow color, a beige color, and there's a piece of twisted, what looks like a rope, about Jesus' waist.

Now He's taking His cloak and placing it across His left hand. And now Jesus is standing in the front, and He's placing His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is moving over, and He's going across the sky now to the left side of the flagpole. Now He's bending down. And Our Lady now is coming over by His right side. Oh, She's a good deal shorter than Jesus. The way They're standing now, Jesus looks a good - at least four or five inches taller than Our Lady. And now Our Lady is smiling. Now Jesus is saying:

Jesus - "My child, repeat after Me.

"I have given you a warning that must be acted upon now! You ask the time allotted by the Father for you to make amends. I may assure you now that were you to receive knowledge of this time, you would fast act upon Our direction.

"Your world is wallowing in sin, a sin far worse than during the time of Noe! Therefore, if you do not do penance now and change your ways that offend the Father much, you will receive a far worse punishment than given in the time of Noe.

"Your country must return to its knowledge and belief in the Father.

"No man shall escape a due chastisement. Many good, those in the light, will have to be victims in the oncoming Chastisement. Know, My children, that all will receive in measure of the state of their spirit.

"Go forward now in the time given to you to do atonement, for your chastisement is approaching fast upon you.

ALL TO FEEL BURNING OF FIRES

"My Mother has come to you as a Mediatrix. She has prepared you well and given many warnings throughout your world. Many have chosen to cast them aside in their arrogance and pride. All shall one day feel the burning of the fires.

"Do not cast these warnings aside in your pride. None shall escape the veil. All shall come before the Father in judgment, sooner or later. Have you made ready for this exit from your world? Or do you think man in his arrogance shall find life eternal upon your earth? What fools they are who adopt this knowledge, for they have been deluded by the master of deceit, Lucifer! Many are selling their souls to get to the head! Sadly, they gain nothing but an eternity in hell!

"Oh, yes! There is a hell, and there is a purgatory! The place of purging has hope, but hell is forever without hope! All shall receive their just judgment by merit.

"Pray a constant vigilance of prayer, and in your charity save your brothers and sisters. The Father is the final judge of all. He looks into your hearts. Therefore, We have not set you to judge your brothers or sisters but to counsel them in charity.

"You cannot be alone in your world, but you do not have to join the forces of evil to win them over. Prayer, a constant vigilance of prayer, and good example, shall be the road you are on to the Kingdom."

Veronica - Now Jesus is placing His hands out in front like this, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And Our Lady now is extending the cross, the crucifix from Her Rosary, and She's also making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is bending over.

Jesus - "I bless you with graces from the light, graces for cure and conversion, body and spirit. Do not reject the graces that are given in abundance for the asking."

Veronica - Now Jesus is moving over, He's going across the sky. He's coming over by the . . . oh, He's just about standing over the roof of the building. And now He is placing His hand out in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over - He doesn't walk; He just is gliding, or the wind is carrying Him over. And as He moves, the light is very, very bright about His whole figure. It's very hard to look into it. It's so bright, but I can see Him very clearly. And Our Lady is behind Him.

And just over beyond Our Lady, I can see Saint Joseph standing there. And He's moving His head up and down. I believe he's saying yes, that's so. Yes. Oh, I can see he is shaking his head, nodding his head yes. Oh, and Saint Joseph is standing quite a bit behind Our Lady and Jesus. I do feel that that is the way he has chosen to remain, in the background.

And Our Lady is smiling, and She's looking back at Saint Joseph, and She's smiling. And now Jesus is extending His hand in front of Him: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children. Continue with your prayers of atonement. They are sorely needed."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

March 22, 1975

Eve of Palm Sunday

Veronica - I haven't been able to see Our Lady up to this time, but I can hear Our Lady. She is saying:

Our Lady - "My child, I will be delayed, for I am bringing to Heaven many souls from purgatory.

"You understand, My child, that during this penitential season of your year, many of your brothers and sisters have received a reprieve from their sentence of purging. Because of the prayers of many, many may be released from their place of purging."

Veronica - I see a tremendous, a very bright white light. It's coming down from the sky now by the left side of the flagpole, right by the trees. And the light is cutting through what appears to be a wall of complete darkness. It's black in color. And now the light is opening the wall, and I see what look like two sections of gates that are opening. They're opening from the center, and I see now . . . I know they're people, but they don't have like a solid form. They're very transparent, sort of an orange, glowing color.

Our Lady now is moving over to the right, and the people are coming forward. They're all so exhilarated and happy that I can feel every bit of their emotion. It's wonderful. Oh!

I'm watching the many people that are coming out of purgatory. Oh, and they are all ages. I see some young people. There are two girls; they look about - oh, seventeen, and maybe one's about fifteen. And there are four boys. Oh, they are very young. They look like they may be around sixteen, eighteen. Oh!

Now the wall that opened up - it seems to be closing in now, and the darkness is returning. And now I notice that there is a tremendous white light, but the light is forming like a ladder, and the people are rushing into the clouds. Oh, they're not looking back. They, they seem to be hastening forward in their eagerness to see what they can see, to reach where they can see. Oh, I can't see beyond the clouds, but oh, whatever it is, it's the fulfillment of every dream and every wish that they've ever had in their lifetime. Oh!

Now I can't see the last person. There must have been hundreds in my count. I would say hundreds entering Heaven.

Now Our Lady is coming forward. She's standing at the left side of the flagpole. Our Lady has on a beautiful white cape which reaches from Her feet and goes about Her head. Oh, and upon Our Lady's head there is a golden crown, a small crown. It's held on by Our Lady's cape and Her forehead. It's set deep down onto Her forehead, and - oh, Our Lady is pointing over to the right side, but I can't help but notice the brilliant blue sash that Our Lady has about Her gown. Oh, it's very pretty.

Now Our Lady is pointing over on the right side of the flagpole. Oh! Oh, I can see Theresa and her sisters. Oh!

Now Our Lady is rising above the flagpole. And Our Lady now is taking a very dark scarf which She seemed to have - no, She has it under Her robe, and She's placing it about Her head. The scarf is black in color. Our Lady now And the sky is darkening about Our Lady. And She's looking over to the right side of the flagpole.

Oh! Oh, my! I can see Jesus, and He's nailed to the cross. Oh, my!

Our Lady now is placing Her hand in front of Her. And oh, Saint Michael - Saint Michael is coming down from the clouds. He's over on the left side of the flagpole. He's coming down, and he's carrying not only his spear, but in his left hand he has what looks like a candelabra with three candles upon it, and the candles are lighted. And now he's handing this candelabra to Our Lady. And Our Lady looks very sad.

Now Our Lady is talking in a very soft voice:

Our Lady - "My child, I am truly the Mother of great sorrow. As I cast My eyes about your world, I see much taking place that is repeating the time of My Son and His great Sacrifice.

"I cry bitter tears, for I can only ask, My children, why have you allowed satan to take you on your present path? Did My Son give Himself in sacrifice for nothing? Have you forgotten your purpose for living upon earth?

"The numbers released from purgatory, My child, are few, far too few in total count of your world's population.

BALL IS IN OUTER ATMOSPHERE

"There is in your outer atmosphere the celestial object that will be sent upon you in the will of the Eternal Father. You have been given in the past many warnings, warnings that you have chosen to cast aside. A great chastisement, a punishment of terrible magnitude, My children, is heading fast to mankind. Have you prepared your children for this great trial? Have you taken them and aided them along the road that has been darkened by satan? O woe to the parent that has starved his children of the light!

"Your country and the world, My child, are steeped in great darkness of spirit. Man has cast aside his true role as children of the Kingdom of the Father Eternal. They have accepted the pitfalls of satan. Many are running to their doom, My child. In their minds that have been deluded and blinded by satan, they have created instruments for their own destruction.

"You must keep a constant vigilance of prayer in your country and throughout the world. The forces of evil are gathered to set upon your world the start of a major catastrophe - extensive murder and death! Scientists and men of knowledge are ever seeking but never finding the truth!

"Understand, My children, when I speak of darkness of the spirit. Satan must assume the body of a fallen man, woman, or child to promote his diabolical deception. Sadly to say, My child, satan has captured the minds of many in high places. This condition, My child, did not come about in one move, but has crept upon you through the course of time and planning by satan. My warnings of the past also fell on deafened ears and hardened hearts. What shall you do now?

"I have traveled throughout your world, crying, begging, pleading with Our children for penance, atonement, and sacrifice. It is your souls and the souls of your children that We seek to save. Immortality is for every man. There is no death except to those who cast aside the light. Life is eternal, My children. Awaken from your sleep! Remove the blindness from your hearts! You are bargaining away your eternal soul for the short pleasures of a temporal lifetime upon your earth.

A FEW LEADERS STRATEGICALLY PLACED

"I have asked you, My children, to pray for the leaders of your country. This is urgent to all at this time, for it shall be a few leaders strategically placed in positions of power by satan who will bring death to millions of the populace. Pray, My children, a constant vigilance!

"It is through chastisement and punishment, My child, that man can be brought back to his senses."

Veronica - I see now a huge heart in the sky. It's made of light. I say "light" because against the dark sky, it seems to be formed by a white light. It's almost like an invisible finger writing in the sky. It's a beautiful heart, with an orange flame that comes out from the center. But around the heart I see a crown of thorns. It's just like the crown that's on Jesus' head. Oh, and now from the crown I see punctures in Jesus' heart, and there is blood dripping slowly from these wounds. Oh! Oh! Oh!

Now Michael is coming forward. He's carrying - oh, it's a chalice in his hand; it's a golden chalice. And Michael now is dressed all in white, a beautiful bright white. And the way Michael is standing now, it's the first time I've seen him with his wings outstretched behind him. Oh, he's tremendous! He's a tremendous size! Oh, now Michael is going forward, and behind him - oh, the sky is becoming filled with angels. I can recognize them. Oh, some look like they're children. They're very small. The ones up front are carrying - it seems like garlands, but they're made of green leaves. Oh! Oh, they're holding them forward now. The green leaves are forming a circlet, a crown. Oh, there must be at least fifteen or twenty small angels, childlike in appearance. Oh!

Now Our Lady is coming forward, and She's pointing to look down. Oh, Michael is going under, oh, the heart - the suffering heart of Jesus, I know it is, and he's placing this golden cup He's holding a chalice - it's a large golden chalice - in his hand. And he's - oh, he's placing it so the drops fall into the cup.

And Our Lady now is coming over. She's still wearing now the black scarf about Her head. I don't see the candelabra, but Our Lady is pointing.

Our Lady - "Look, My child, upon a sad sight. Mankind is wresting from My Son His very heart. The chalice is filled to overflowing from the abominations of mankind! The Eternal Father, His hand grows heavy! I do not know, My child, how much more time can be given to you and Our children of earth in the light, to gather Our sheep.

"You will, My child, continue without slackening your work. There are many souls to reach before the great Warning.

"Sin has become a way of life in your country and your world. The peak of iniquity is being reached. Abomination upon abomination are filling the heart of mankind. Man has given his heart to satan. He has bargained away his eternal soul. The sins of the flesh condemn many to the eternal fires of hell, My child."

Veronica - Now Our Lady is turning and looking over Her left shoulder. And I see a man coming down now from the sky. He's dressed in a - oh, it doesn't look white, it looks like it may be a cream-colored, an off-white, long gown. And he has on brown sandals on his feet, and a very loose gown, because he has what looks like a piece of brown, skin-like rope about his waist.

Now he's carrying a very large book in his right arm, sort of the crook of his right arm, and in his left hand he has a long stick with a curve on the top of it. I saw that - it's like a bishop's staff. Oh!

Now from the sky there's a tremendous beam of white light. It's going onto the book. And the man is coming forward. I can see him clearly now. He has a beard, and his hair is a dark brown. Now with the light it looks almost reddish, too, from the light. But his beard is a medium length; it's not down to his chest.

Now he's pointing. No, he's taking now his . . . that staff he has, and he's just placing it and it's being suspended in the air. He was placing it down, but it seems to be just held in mid air. Oh! And he's pointing now to the book, and he says:

"My child, make it known that man has not listened to the warnings from the Queen of Heaven. We must caution you to read your Book of life, the Bible. The way has been given to you in this Book.

"Man, in his arrogance, has set himself to change the rule. Man, in his pride and arrogance, has fallen to error. Read and learn!"

Veronica - Now I know who he is. Our Lady is smiling. Yes, it is Saint Paul. Oh! And now Saint Paul, he's turning the pages in the Book.

St. Paul - "Listen, My child, how satan has corrupted the word."

Veronica - And now he's becoming quite angry and pointing, jabbing with his finger the Book, and saying:

St. Paul - "Observe: Women shall be meek in the presence of their husbands. We hear the call of 'liberation'! Whom shall woman be liberated to but satan!

"A man, as a figure of the Christ, my child, shall be the head of his household. So it is from the Lord.

"A woman shall adorn herself not in pearls and braided hair, but in goodness and piety and good example to her children. A woman will not expose her body as a pagan. What manner of example has she given to her children? Woe to the parent who brings scandal to her children!

"Woman, remove your arrogance! You are searching in darkness. As a sign of reverence, you will cover your head. It is not that I call it custom, My children; it is that the angels demand this in the presence of the Sacrifice, Mass!"

Veronica - Oh! Saint Paul, he seemed to scream out "the Sacrifice, the Mass" so loud that I can still It feels like it just boomed through my head. Oh!

Now Our Lady is coming forward, and She's shaking Her head like this, very sadly.

Our Lady - "Yes, My child. The Eternal Father has looked upon mankind and found him wanting.

HEAVEN GAINED BY GRACE AND MERIT

"You must hasten to remove the blindness and error from My children's hearts. Send My message, My child, fast out to the world! It is an error to say to My children, and misguide them, that they may break the rule and enter the Kingdom of Heaven. This is not true, My children. Grace and merit shall bring you to the Kingdom, grace and merit. You have a free will to make your choice. Pray for the light. Nothing is impossible to the Father.

"We must explain again, My child, for many do not understand. There is no death. We hear the word 'death,' but we can call this - sin is death, My child. All who follow and believe will not know death, My child. When you sleep on and leave your body and come across the veil, you will receive your reward in judgment.

"Shout it from the roof! There is, My child, a hell, there is a purgatory, and there is the Kingdom of the Father Eternal, known by your word as Heaven.

"Believe, My children, and you will be given the way. But you must seek. Pray for the light.

"The Eternal Father has sent you much armor for the days ahead. The sacramentals given to you must be worn. A special grace has been endowed to you through these sacramentals by the Father.

"The photographs miraculous, My children, will be given for your edification. They will be witness to the truth. Continue in your mission, My child, without fear.

"Be guided not by the opinion of mankind. Pray a constant vigilance."

Veronica - Now Our Lady is pointing up, up. Oh, and I see . . . it looks like a tremendous explosion of fire. Oh, and people, I can see people running through streets. Oh, it's like, like a terrible conflagration of fire. Oh!

And now I see above it, a huge black bird. Oh, it's not a nice looking bird. It's not like the eagle. It looks like a vulture or something, with its wings spread. And now the vulture is getting ready to fly. Oh, my goodness! And it's heading to do war with the eagle, the eagle that has no strength. It has been plucked by satan. Oh! Oh, it looks like there isn't a feather left on the eagle. Oh, it's a sad-looking sight. Oh!

Now Our Lady is coming over and pointing.

Our Lady - "You see, My child, the state of your country. Satan has done his diabolical work well in your country and the countries of earth. If you had prayed more, this could have been avoided. Mankind has substituted a prayerful life for one of gaiety and debauchery. For this he shall reap the reward of his sin.

"All who are of well spirit will not fear the days ahead.

"We ask - the Eternal Father speaks, and demands that all bishops in the houses of God throughout your world must turn back to prayer. They must turn back from the road they have chosen, a road filled with error, corruption, and sin. Man will not make changes in the House of God to please the basic carnal nature of mankind! But man in the House of God - the leaders, the clergy chosen by the Eternal Father, shall turn man from his path of destruction and bring him into the House of God. This he will not accomplish by lowering the rule or standards. Man must change his ways and follow the ways of God.

LIVING IN ERA OF ANTICHRIST

"You are, My children, living in the era of Antichrist. Recognize the signs of your times, and you will not fall into error. Read the Book, My children. You read books of corruption and vile debauchery. Restore the truth in your heart, into your children and homes. Open the good Book, the Bible, and read it in your homes.

"My Son has already set up the rule for the houses throughout the world, the churches. They are written in the Book of love and life, the Bible. Read and learn, and follow the truth!

"There is no time or change in Heaven. The Father never changes. It is only satan who seeks change to disturb, corrupt, and degrade. Satan roams wherever there is darkness of spirit. He will debase mankind in a manner so foul that you will know that no human could conceive of such vileness of sin.

"You must enter the houses of your God properly clothed and with goodness of heart, not disporting yourselves as pagans.

"A quietude must be returned to the House of God. You come to communicate, My children, in spirit and body with My Son Who is with you in your Eucharist in Spirit and Body, a true physical Presence. Many now are despoiling His Body. How many have set themselves to solace Him in the evil that is about the world now?"

Veronica - Oh!

NO COMMUNION IN THE HAND

Our Lady - "Yes, My child, it is a sad but true fact that many have given Him again to the despoiler. There are within your country many churches of the adversary - satan. You must not take the Body of My Son in your hand! You open the door for the entrance of evil spirits to defile My Son's Body! The consecrated fingers of a duly ordained man of God, the priest, shall place My Son into your mouth, and you must absorb His Body with goodness and love.

"It will be a true communion of spirits, My child.

THE EVIL ONE DANCED

"We took upon pagan practices, My child, in the House of God. It will not be tolerated by the Father. Remember, My child, the evil ones danced around My Son as He shed His blood upon the tree.

"A delusion has been set into the hearts of the clergy by satan. They must pray more, and you must pray more for them, My children.

"Yes, My child, it is sad but a fact that many mitres will fall into hell. A soul is not judged by rank but only by merit, My child.

"The soul, the spirit, has no body, and the things of the flesh are not judged for the state of the soul.

"Your country shall be cleansed by trial. I have cried for many years for repentance, and you as a nation have chosen, with others, to murder the young! For this abomination, the Father will cleanse you with fire!

"The trials upon mankind, My children, will be so severe that those who are living will envy those who have passed on.

"You ask, My child, how much time there is for mankind? In your earth-years, they are few. Only the Father knows the day and the hour, but you will not be in darkness of knowledge. You will recognize the signs of your times. Be prepared and live each day as if, My child, there was no tomorrow in your world. Prepare your soul for the entrance over the veil. Many will die in the great flame of the Ball of Redemption."

Veronica - Now Our Lady is taking from Her beautiful blue sash the large white Rosary. Oh, it's a beautiful Rosary. The beads are very large, and they have a golden Our Father. And the Hail Marys on the beads - now Our Lady is turning and holding them out. They are a beautiful pink color. Oh, now Our Lady is taking the crucifix like this. I can't see the corpus on it. It looks like a large golden crucifix, and She's raising it up and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "You will continue, My child, sending My words throughout the world. Many arms will be given to you for this work. Do not be concerned of the opinion of mankind, I caution you, My child. In this manner you will avoid much unnecessary suffering.

"I bless you, in the name of the Father, and of the Son, and of the Holy Ghost. Continue, My child, with the prayers of atonement. Many are needed."

Veronica - Now Our Lady is going back. It looks like She's floating back into the sky.

Our Lady - "I am not leaving, My child. I am always here on the sacred grounds. We bring to mankind graces in abundance: graces for cure and conversion of the body and spirit, graces for the asking."

Veronica - Now Our Lady is placing Her hands out in front of Her, like this, and oh, my goodness! The lights are coming out of Our Lady's fingers. Oh, they're coming down on the ground and over here, too. Oh, and all about Our Lady now it looks like tiny cut slivers of glass. Beautiful! Oh, they're just raining from the sky. Oh, it's all colors, as they are now coming down to the ground. They're catching the light from Our Lady's fingers, and they look like all the colors of the rainbow. They're so beautiful! Oh! Oh, they are just beautiful!

Our Lady now - I can't see Her face, the light is so bright. Oh, it's so beautiful! Now it's getting a little windy, because Our Lady is now - Her skirt is blowing and Her mantle is blowing. Oh, but the . . . oh, the slivers of what look like cut glass are still falling from the sky. Oh! Beautiful!

Now Our Lady is motioning over. Oh.

Our Lady - "You may now sit, My child, and await My Son."

[Pause]

Veronica - All who are able, please kneel. Jesus is coming down. Oh, He's so beautiful! He hasn't any sandals on His feet. He doesn't look cold, either. Oh, Jesus has on a deep burgundy color robe, and He has a long white gown. And the light is so beautiful, it - I can't explain it. It makes you feel so warm and so . . . just wonderful! Oh, now Jesus is smiling. Oh, His beard looks a little longer than when I saw Him the last time. And oh, Jesus has His hair very nicely combed. It's a reddish brown. And now I can see the belt. It's like a piece of rope Jesus has around His gown. And it's tied at the center, because His gown is very full. It's like - it's not a . . . well, it's a white, but sort of an off-color white, sort of like a linen-looking gown.

And now Jesus is coming over, and He's shifting the cloak onto His left hand. And now He's touching His lips. Oh, He means for me to listen.

Jesus - "Repeat after Me, My child.

"The warning being given to the world by My Mother must be acted upon. You will continue upon your mission of recovery of Our sheep with perseverance and fortitude. You must pray always for the light.

"Your pilgrimage upon earth, My children, will not be without trial. The road is filled with thorns, but at the end of your pilgrimage you will be in a garden of roses.

"The warning being given by My Mother must be acted upon, I repeat, because the remaining time is counted. The Eternal Father has watched your actions, the actions of those who are entrusted by the Father with Our sheep, and He has found many wanting. You are being admonished before you will be chastised. Heed the warning being given to you now.

"You must, in the time given to you, make a complete reversal of your ways that offend the Father much. You'll do this not for mankind in his earthly life, but for the salvation of souls. Awaken from your slumber! Leaders, you have fallen asleep. You have been lulled into darkness because you have given yourselves to the pleasures of the flesh. As leaders of Our sheep, My clergy, do not be misled by your modernist and your humanist. You are being led into the darkness. A deep darkness covers your world. You will know the hand of the Father upon you! As day goes into night and the sun will set, you will know the hand of the Father upon you.

"I do not give you this warning to place fear in your heart but to bring to you a fact, for your future is now. What was to happen in the future shall be now! It is for all of you to help change this by sending out with great haste the Message from Heaven. The day and the hour is known to the Eternal Father. Make no mistake in being misled in fallacy that you may sin and offend the Eternal Father without punishment. As you sow, so shall you reap. And as of now, My children, you are reaping a whirlwind!"

Veronica - Now Jesus is moving over - He's going over onto the left side of the flagpole. Now He's placing His hand out in front of Him, and He's making the sign of the cross.

Now Jesus is bending over.

Jesus - "I bless you, My children, as the Father blesses you in the Spirit. Know that nothing is impossible with the Father. Ask and you shall receive. Believe and you will be given the way. None will be lost to satan unless he goes with him in his own will."

Veronica - Now Jesus is extending His hand out: In the name of the Father, and of the Son, and of the Holy Ghost. Oh!
And now Our Lady is coming up behind Jesus. Oh, Our Lady looks quite tiny next to Jesus. He looks so tall. And now
They're both going over to the right side of the flagpole. And Jesus is placing His hand out now and looking down. He's coming
forward now. Oh, and He's bending down. In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is raising Her crucifix on Her Rosary, and extending it down and out. In the name of the Father, and of
the Son, and of the Holy Ghost. Amen.

[At this moment a man in the rear began to shout, and the people began praying more fervently to quiet the disturbance.]

Jesus - "My child, satan knows that his time grows short. You will chase him out with a vigil of prayer. Go forward
upon your mission. I repeat, his time grows short."

March 29, 1975

Eve of Easter Sunday

Veronica - . . . just above the flag. And now the sky is opening up around the cluster of light, and there's a beautiful white stream of light coming out of the circular blue lights. Oh! Oh, the light that we see is coming from Our Lady's hands. Our Lady is coming right through the circlet of blue light. Oh!

Oh, Our Lady is dressed in a . . . oh, a white, She has a white over-scarf. Oh, She - Our Lady is dressed differently than She has been before. She has a long white cape, but above Her head is a white over-scarf. And Our Lady's gown is a pure white with a blue sash about Her waist. Very beautiful!

Our Lady is talking very softly. Her voice is very low.

Our Lady - "My child, you will repeat the message I gave you yesterday. It is in poetical form, but it is a message.

The end is not as far as you can see;
Already there is apostasy.
Man cast his lot and gathered the coal
That stokes the fire to burn the souls.
Your days are numbered, your hours are few;
So work and pray and try to do
The work that's given in the light
Until that sad day when all is night.

"You understand, My child, the great warning that I have given recently to the world. Without the counted number of conversions by the Father, without prayers, sacrifice and much atonement, which is sorely needed at this time, your world will be engrossed in a third War of such great magnitude, My child, that almost no flesh shall be saved.

"Already the sins of mankind have set him upon the road to his own destruction - father against son, mother against daughter, brother against sister. Many nations shall disappear from the face of your earth. Is this, My children, what you want? Are you ready to face death? Are you ready to come over the veil and stand before the Eternal Father in judgment? No, I say unto you! Many of you shall never reach the portals of the Father! You shall be cast into the abyss!

"The value upon life has been lowered to an extreme. Man shall murder without conscience - brother against sister, families torn asunder by sin!

"We have asked for victim souls, victims to give themselves in reparation to the Father.

"I do not have to repeat, My child, My countless warnings of the errors in your life. There are great delusions being set upon mankind by satan. Your schools, your way of life, has been steeped in sin. Turn back, My children, from your present course of destruction!

"My child, you will continue upon your mission with perseverance. Know that you must face fear and it will disappear. No man is above the Eternal Father. Every hair on your head has been counted.

MANY MOTHERS SHALL LOSE SONS

"Many mothers shall face in the world calamity the loss of their sons. Many shall truly join Me upon the cross."

Veronica - I see . . . it looks like a large field. Oh, it's like a countryside, because there are mountains. And I am looking down now upon a river. Oh, no, it's more like a lake, because I can see all the foliage and the trees around it. But down now over in the woods there are many, many crosses - crosses white-washed, painted white.

Now I am looking down. And now I'm walking among these crosses, and they do not have names upon the crosses.

Our Lady - "My child, look and weep with Me, for you are witnessing the total destruction that will come upon mankind in the great War, your Third World War. So many will die, My child, that there will not be time to mark the graves.

"Mothers shall long to see and know where their sons lie, but to no avail. This comfort shall not be given to them, so great will be the loss of life. Can you not turn back now and beg the forgiveness of the Eternal Father before it is too late? Are you so blind to the truth, My children, that you do not see the road you are traveling on?

"Satan has set his plan well among you, My children. He has placed his agents in all the medias of your life. Your children are the victims of these agents. Only you as parents, leaders, and teachers, can restore the balance with the Father. You are now bargaining with the human soul. Many shall fall into the abyss.

"You must shout from the rooftops, My child, the existence of hell, the knowledge of which satan seeks to take from you. There is a hell, a place of torment and eternal damnation. There is a purgatory, a place of purging, My child - suffering great as in the abyss, but with the knowledge of a reprieve in time to come. It is a bleak longing of the spirit to look upon the Father. Know, My child, this longing of the heart in the fires is of great magnitude encompassing the being of the waiting soul. Should I allow you, My child, to witness and feel this longing you would not remain in your earthly body.

"I have asked you to pray for your world leaders. Many are selling their souls to get to the head. However, My children, even they can be turned back from their darkness with your prayers.

"Remember, My child, My words of caution to you. Beware of an evil force that surrounds a shrine of purity. They will try to stop you with all cunning and deception, so heed the warning of the archangels. They wish to protect you. Pray for the light, My child.

"I have asked you, My child, to refrain from any action that would cast disparaging views upon your work. It will not be necessary to force yourselves upon My sacred grounds. I assure you, My child, when the time is right, I will place you back on the grounds. You do not understand the ways of the Father. No evil is ever triumphant. The Father will turn all evil to good.

"You ask, My child, if I had full knowledge of My Son's rising. Oh, yes, My child, I did have this knowledge. However, it did not ease the pain in My heart. I, too, was in a human body. Know, My child, a mother is never free of this sorrow of heart.

"At the end of penance is a great joy. Man has forgotten and closed his heart to the value of suffering. The Father, the Eternal Father and your God, allows you to suffer for reason. It is the purification of your soul.

"Your city, My child, shall be cleansed by trial, as will the cities of your world.

"Man has set himself on a road steeping his soul in darkness of spirit. Charity has grown cold. Aberrations of the body are accepted as normal when they are abnormal. Man is practicing all the vile corruption set upon your world by satan! Unless mankind makes a reversal of his present course, there will be no recourse by the Eternal Father than to allow you to use the instruments of destruction you have created to destroy you.

"Pray, My children, a constant vigilance of prayer.

"For countless earth-years, My child, My voice has cried a similar message of prayer, atonement, and sacrifice, to fall upon deafened ears and hardened hearts. Shall you ask for the Father to send the Chastisement upon you? Awaken, My children, from your slumber!

"My child, you must find more time for quiet meditation. Do not be concerned of the opinion of mankind. I have asked My children to retire from this world of yours that has been given to satan.

"Your sacramentals shall give you courage in the face of adversity. Know that all will be tried as metal in the fire.

GREAT WAR TO COME SUDDENLY

"Yes, My child, this great War will come upon you suddenly. Wars, My children, are a punishment for the sins of mankind.

"Must We send upon you trial and adversity, My children, before you will come to My Son at the tabernacles of the world?

"You must gather, My child, all of the peoples of earth. Bring them here to pray as a solid wall against the darkness. You hold the balance to hold back this darkness, My child.

GIVE OUTWARD GOOD EXAMPLE

"We ask now, My children, for a full dedication to the cause of Heaven. You must give all outward good example of your mission. Women must clothe themselves in modesty and good works. Men shall not wear clothes immodest. You will find it better to spend more of your moneys for loose-fitting clothes, My children. The means will be given to you.

"Do not be concerned of the knowledge of the world. Do not concern yourselves, My children, of the acceptance of mankind in your world. I have given you the knowledge in the past that in order to follow the narrow road to Heaven, you must be different. You cannot be of your world, earth, and in the spirit. One or the other you must choose. The world of the spirit has nothing in common with the world of man. For satan is directing the course and actions of mankind, for he does not call to the Holy Spirit to guide him.

"Sad to say, My child, only a few will be counted in the final count. Many will die in the great flame of the Ball of Redemption. This agent celestial that will be used by the Father is already on its course to your earth.

"Scientists are ever learning but never finding the truth, My child.

"You are confounded and deluded, My child, by not recognizing the faces of evil among you. The habit of the cleric has often been soiled because of intellectual pride, My child. Know now that intellectual pride is a far greater barrier against sanctity, will hinder you from the path of sanctity faster, My children, than outright licentiousness and evil. Intellectual pride is the downfall of many. Pride, My children, is a sin.

"In order to reach the Kingdom of the Father, you must divest yourself, remove all pride and worldly searching. You must become as confident, as trusting as a child. Know that all is yours for the asking. Believe and you will be given the way. My Son in the Eucharist is always with you to strengthen you.

"You will pray, My children, for your hierarchy. They, too, will be tried. And sadly, many are found wanting at this time. Pray much for them, My children.

ONE TO SOW GREAT DISCORD AND DIVISION

"Your Holy Father, Paul, Pope Paul VI, is under great trial. Pray that he is not removed from among you, for there is one waiting to replace him who shall sow great discord and division in My Son's House. Pray a constant vigilance of prayer, My children.

"You must make it known that My children must accept their angels as guardians. The power given to them by the Eternal Father is great.

"Satan shall do full battle to the children of God. He knows that his time is growing short."

Veronica - Now Our Lady is going - backing up. She's floating, just moving back. And I can see now Our Lady's feet. Oh, She has on a pair of sandals, but they are a one-strap sandal, only going by Her toes. The sandal is a brown skin-like shoe, sandal, and there is a - on the edge of the sandal, on the outer rim, there's a golden rose. I know it's golden because it's so beautiful that the light is catching it. And oh, it's very pretty.

Now Our Lady is moving over to the right side, oh, just beyond the flag. And Our Lady is extending Her Rosary. She has a large white Rosary, and the Father on it is golden and the Mary beads are - oh, they're a pink, glowing . . . oh, a soft pink color as Our Lady's turning now. And She's extending the crucifix out, like this, from Her Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Remember, My child, you must bring all peoples to pray. No man shall escape the great War when it is upon you. Pray a constant vigilance, My children."

Veronica - Now Our Lady is looking upward and She's pointing out with Her hand, like that. And there is Michael! Oh, Michael, and there are six or seven other angels with him. And now Michael is frowning, and he's talking. Oh, it's very, very loud!

St. Michael - "Children of God, stand fast in your Faith. Be a good example to your children, for when they will leave you, you will not wonder what fate they have received beyond the veil. Prepare your children's souls well. Do not expect the teachers of your schools, your government, and institutions to give the truth to your children. This, as parents, you must do."

Veronica - Now Michael is pointing his spear downward. He has a very long spear, and he's pointing downward. And, and I notice now - it's strange, but he's pointing the spear down, and there are drops of blood coming down from his spear, downward.

And now Michael is looking up, and he's gazing across the crowd. And he says:

St. Michael - "Blood shall flow in the streets, my children. Abominations upon abominations reaching into the hearts of mankind, destroying the souls.

"I shall be entered into the houses of your God, or you shall not have a full protection against the forces of evil that are raging now throughout your world."

Veronica - Oh, now Michael is going up with Our Lady. They're moving over to the center of the sky, and Our Lady now is looking down sadly. And I see She's pointing now to what looks like a map. Oh, my!

Now as I am watching - it's a map of . . . oh, I can see Jerusalem, and Egypt, Arabia, French Morocco, Africa. Oh, my goodness! There seems to be a very dense darkness now settling upon those countries. Oh, my!

And Our Lady is saying:

Our Lady - "The start of the Third World War, My child.

"You must hasten to send My message of warning throughout the world. Much help will be given you in this mission, so continue, My child, in your work. You will be strengthened by My Son."

Veronica - Now Our Lady is placing Her hand with the Rosary right in front of Her. Oh, it is so beautiful! Oh, and Our Lady is making the sign of the cross. Oh! In the name of the Father, and of the Son, and of the Holy Ghost. Amen. Oh!

Our Lady - "Remember, My child, proceed on your mission without fear. You shall not be removed from your work until the Eternal Father sees that it will be necessary."

Veronica - "Yes."

Our Lady - "I will continue to communicate with My children by using the photographs. Much will be given in secret to them. It is a grace that can only be given for those in the light. All others will look and find nothing.

"The Father has a plan for the work ahead, My child. It will appear before your very eyes, so continue on your mission, knowing that the eventual victory is with My Son. His return will not be long in coming.

DO NOT ACCEPT FALSE CHRISTS

"Remember, My children, My Son shall return only in the manner in which He ascended. He will descend to earth and all will see Him. Do not accept the false christos who will be sent among you. They are agents of hell! Turn from them! Flee from them! You will know them by their fruits, My children. I tell you this: you shall not be kept in darkness. By their fruits will they be known.

"Pray a constant vigilance of prayer. Wear your sacramentals, for they have been given to you for reason. Pray for those who scoff at these graces, for they do not know what they are doing. Pray for them, My child, that they may be given the light, for they have given themselves to the ways of the world, caring more for the plaudits of man than for the promise of the Eternal Father. They will gain all that satan has to offer in your world, but will come across the veil with no merit - only to find their eternal reward in the abyss.

"Yes, My child, you will feel faint at the knowledge of the existence of hell. Better that mankind has fear of the Eternal Father if he does not have love! For now many are in a void of spirit. They neither know their God, nor do they care to know their God.

"Why, My child, you ask, has this state come about? Because mankind refuses, My child, to humble himself. He must be above his brother! Pride! Intellectual pride shall destroy many, even in the houses of God. Pray, My child, for many are called but few are chosen."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Lady - "You may now, My child, be seated."

[Pause]

Veronica - All who are able, please kneel.

Now Jesus is coming forward. He's been standing over on the left side, our left side, just beyond the light. And now He's coming forward.

It's quite windy. And Jesus has on - oh, He has no shoes; His feet are bare. And He's just gliding forward. He hasn't moved His feet; He seems to just be carried on the air.

Oh, and now Jesus is placing His hands out in front of Him, like this. Oh, and I can see the marks on Jesus' hands. Oh!

Jesus - "You see, My child, the fruits of man's sin!

"As I look upon your world, I live anew My passion and My suffering. I look upon your world, and I am forced to say: Has My Sacrifice been in vain?

"Always in the past the Father has sent upon your world a just punishment. The Father has created, and the Father will take away. From your world, many souls will be removed.

THE RAPTURE - ONE LEFT, ONE TAKEN

"He will be plowing in the field together as brothers: one will remain and the other will be taken. Mother and daughter sitting at the spindle: one will be taken and one will remain.

"Many shall be removed before the great flame of the Ball of Redemption cuts across your world. The sins of mankind have hastened this trial upon you. All who remain in the light will have nothing to fear. Believe and you will be given the way.

"My Mother has come to you as a Mediatrix. Her voice has gone throughout your world. Many have rejected Her words, and those who accept them will be saved. Many will die in the great flame of the Ball of Redemption. You will keep a constant vigilance of prayer.

"We have asked Our clergy to return to their lives of prayer. They will gain nothing by joining the world, nothing but the destruction of souls and misleading Our sheep. Awaken from your slumber, shepherds! Do not cast aside, in your pride, the warning from Heaven. You, too, will stand in judgment!"

Veronica - Now Jesus is placing His hand out like this, in front of Him. And He's looking down now. He's smiling.

Jesus - "It will not be necessary to remove the sacramentals from your covering, bags. I can see into them."

Veronica - Now Jesus is raising His hand like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over - He's going past the flag now. And oh, Our Lady is coming down beside Him. And now Jesus is bending over, and He has His hand in front of Him, like this.

Oh, He's shifting now His cloak. It seems quite heavy, Jesus' cloak. It's a burgundy color. And He's shifting it onto His left arm. And He's placing now His hand in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over, He's floating over, over past the flagpole. Now I can see . . . oh, and Our Lady is now following Him. Our Lady looks a good - oh, at least a foot shorter than Jesus. Maybe it's the way She's standing behind Him. But now He's coming down - Jesus is coming down right over, just over the trees, and He's placing His hand out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's rising.

Jesus - "Listen well, My child, and repeat after Me.

"The world and its people have received one of its final warnings. The balance is heavily to the left. The peak of iniquity has put a sad fate upon mankind.

"You will keep a constant vigilance of prayer in your homes and in your public life.

"We demand, the Father commands public atonement! The scale must be balanced, for unless you achieve this by your sacrifice and acts of penance, you will receive a judgment far more severe than mankind has ever been set upon in the history of your creation!

"Prayer, atonement, sacrifice! This is far little to ask of you as We view the abominations and the destruction of souls daily upon your earth! Sin has become a way of life! Sin is death!"

Veronica - Now Jesus is placing His hand out in front of Him, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Jesus - "You, My child, will continue with your mission. You will be given much help. The time is truly growing short.

"Watch and pray for the light. Do not forget your guardians. The archangels have been sent to help you in your mission. Call upon them often."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now Jesus is nodding. Oh, we may stand and continue with the prayers of atonement.

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

April 5, 1975

Eve of the Annunciation of the Blessed Virgin Mary

[A large, jeering crowd of protesters was gathered around the grounds this evening, and was creating a great disturbance. The shouting and noise continued throughout the vigil.]

Our Lady - "My child, continue with calm of spirit. You have been allowed to witness the re-crucifixion of My Son. Know now that I, too, was set upon, but did not fear this overwhelming majority.

". . . raining teardrops from Heaven, My child. The forces of evil have accelerated. Pray for all men of sin. It is with great pity that you must open your hearts to them. Many will die in the great flame of the Ball of Redemption. Satan has blinded many to the truth, My child. Continue with your prayers of atonement."

Veronica - Our Lady is standing in the center.

Our Lady - "Peace, My child - have peace, My child, in your heart. You have been allowed to carry the cross. It is a measure, a small measure of the atonement needed to hold back the Warning and the Chastisement.

"If you were not successful in gathering the souls with My Message from Heaven, this confrontation would not have taken place. Be assured the count is great in Heaven at this time, but many will die in the great flame of the Ball of Redemption.

"Continue, My child, the prayers with great ease. None will perish, I assure you. There is nothing to fear. Chase fear; face it, My child, and it will disappear.

COMPANIONABLE SPIRITS

"The crowds, My child, were far greater when they placed My Son upon the tree. You well understand, My child, how I felt at that time. Experience, My child, will make us companionable spirits. The Father has not allowed this for reason that human beings in their human nature would be able to understand, My child. In due time you will understand the reason.

"If your country and the peoples of your country and the world had not gone into darkness they would be joining you in prayer. But so deep is the darkness of the spirit in your country and the world! It truly rains teardrops from Heaven, My child.

"Continue with your prayers of atonement. They have great power to balance the scales, which lean heavily to the left. When the peak of iniquity has been reached, My child, the great Chastisement will fall upon mankind. Shout My message through the rooftops, My child. The time is growing short. The great Warning is approaching.

RIOTS IN THE STREETS

"This situation would not have occurred if Satan had not entered upon the medias of your life. The corruption within your homes, the corruption within your schools, the laxity of parents in guarding the lives, the souls of their children - all this has come about because of the sins of mankind. Riots in your streets will become commonplace, My children, when the enemies of God bring about your complete fall. Only prayer, sacrifice, and atonement can save you, My children.

"I have wandered throughout the world bringing this Message from Heaven to mankind. The Father has counted and found you lacking.

"Know that a great Warning will be sent upon mankind. All who remain in the light of grace will have no fear. They will pass through this great Warning without suffering. I cannot promise you that none will die in this great Warning, My child, for there will be death. Prepare now, for this is just a small measure, My children, of what you will have soon.

RED FLAG OVER CONVENTS AND CHURCHES

"This scene, this diabolical quandary, My child, is spreading throughout your world. Blood shall flow in the streets of all nations. The red flag shall rise over many convents and the houses of My Son. All that is rotten will fall! A House in darkness wears a band of death about it. A Church in darkness, My child, wears a band of death about it. Pray for your clergy, for many mitres will fall into hell.

"Yes, My child, many mitres will fall into hell because too few pray for them. Their graces must also be merited, My child. Man finds his destiny with his own free will.

"You ask for a miracle, My child? My Son performed many miracles in His lifetime upon earth. Many turned from Him, many denied Him in the face of these miracles.

"The Father, the Eternal Father, My child, is in full control of the world. Satan rages throughout your world but for a short duration.

"Guide My sheep, My clergy; guide them in the time left to you. Return them to the fold; they are straying.

NO THIRD REPRIEVE

"The merciful heart of the Eternal Father has given you two reprieves in the past, My children. The third reprieve shall not be given. Know, My child, that the Warning will come upon you soon.

"Yes, My child, there is nothing to fear. Many have been misdirected and misled. They are following like sheep to the slaughter. We will remove the evil one from among you soon. He has done his work well for Satan, My child. Know that no evil is ever triumphant. The Father, the Eternal Father, turns all evil to good. He will use your discomfort, the Eternal Father, and guide it into channels for the salvation of souls. Your sufferings are not wasted, My children. Bear with Us for the salvation of souls.

"Continue now with your prayers of atonement. Persevere, for the hours of prayer shall release many from purgatory."

Veronica - Our Lady is coming forward. She's coming across the fence. Oh, Our Lady looks beautiful! She has about Her a blue cape, and the coloring of the cape is catching in the light, making the whole sky around Her a most beautiful deep blue.

Our Lady is standing with both of Her hands out. Her palms are showing, and in each hand She is holding a rose, a most beautiful red rose. Now Our Lady is taking the rose in Her right hand and throwing it forward.

Our Lady - "Graces, My child and My children, graces in abundance for the asking: graces for cures and conversion.

CURATIVE WATERS TO ERUPT SUDDENLY

"Yes, My child, the waters will erupt suddenly. However, you must be cautious that they do not try to still the flow by capping the waters.

"I repeat, My child, there would not be opposition if you were not succeeding in bringing the sheep back to Us. Continue upon your mission with confidence and perseverance, My child. The means to accomplish this shall be sent to you.

"Satan knows that his time grows short. He will give you great battle, My child. Bar your doors to all but your immediate family and friends. Retire into a life of more prayer, My child. You will find it restful to your body.

"Satan never sleeps, My child. He has many agents now upon the grounds, My child. I have often cautioned you to remember the message from My Son: Beware of an evil force that surrounds a shrine of purity. They will try to stop you with all cunning and deception, My child, so heed the warning of the archangels. They wish to protect you. Pray for the light. Call upon your angel guardians often, My child. They have been given to you for reason.

"Pray for those who calumniate you, My child, for even they can be returned to the light.

"The children are the true victims of their elders. The example given to them is poor. Many children shall be removed from the world, My child. It will be necessary for the salvation of their souls. It will be a great plague.

"Remember, My child, they turned away and did not listen to the message of the prophets of old. Nineveh fell, Sodom and Gomorrah, and so will your country and your city. I place upon you the word 'if,' My child. This 'if' can only be used for a short time, for the time allotted to mankind to make redemption to the Father is short.

PLAGUE IN ROME AND ENGLAND

"Have great pity, My children, My child, for the souls that will be lost. In the holy city of Rome and in the country on the sea there will be a plague. In the country on the waters of England there will be a plague.

"The Third World War shall start soon, My child, and claim many lives. Many countries shall disappear from the surface of your earth. Wars are a punishment for man's sins, My child.

"The Father chastises those He loves. Pray, pray much. Make many sacrifices, and your tears shall be not one of sorrow but of comfort, knowing that your family and your children have been saved. Many parents shall shed tears of bitter misery, but too late, too late, My children.

"Pray for the clergy in your parish, My child. The Father has set now - "

Veronica - Oh, my goodness! [Veronica is shown a vision concerning the clergy in her parish.]

Our Lady - "Yes, My child, now that you know, you will pray for them. Blindness of the spirit, darkness of the soul, is death, My child.

"The photographs given to you have been given for reason. Study them carefully, and you will find the present and the future within them.

"You cannot place this message, My child, upon your tape. [Veronica receives a secret message from Our Lady.]

"You will receive a complete fact in your next photograph, My child. This will be the proof that you want. Continue now, My child, with the prayers of atonement. They are sorely needed now."

PADRE PIO

Veronica - Padre Pio is present with us now. He is speaking in a tongue I don't understand. I know it must be Italian. I don't understand. Now I hear the words being repeated:

Padre Pio - "My spiritual children, you must unite in a common cause.

"Your world shall be chastised soon. Many shall die in the great flame of the Ball of Redemption. You have been given an extension of time to gather the souls, my children. Do not expect to follow my road and the road of the Savior without suffering. It is truly the way of the cross.

"Use more time in daily prayer. Not enough pray, my children.

"Place more attention upon the Holy Sacrifice. It is being celebrated in a manner that is not approved of by the Eternal Father. Take the time to honor your God with your heart. My brothers and sisters, the Holy Sacrifice cannot be done in thirty minutes, or even in sixty minutes, properly. There is no time in Heaven, and you shall not place a time upon the Holy Sacrifice on your earth."

Veronica - Oh, he's, he's also - the good Father, Padre, has injuries on his hands, too. He's holding them up now, but he's smiling.

Oh, I can see him so clearly. He's much clearer; even the light is not so bright that I can't see his face. He has grayish, dark hair with gray, mostly gray, and a nice beard. And he has a very sweet smile. Oh!

Padre Pio - "Receive your Savior often, My child, and you will be comforted."

Veronica - And now he's placing his hand out, and he's making the sign of the cross.

"Thank you, Reverend Father, Padre."

Now the sky is closing up. I can't see him anymore. And it's very cloudy. But Our Lady now is coming down over by the right side of the sky, near the tree.

Our Lady - "You see, My child, all suffering shall be used for the salvation of souls. None enter into the Kingdom except by the way of the cross. The road to Heaven is filled with thorns, but at the end of the road, My child, you will receive a very large bouquet of roses."

Veronica - Now Our Lady is extending Her Rosary, the very large white Rosary with the golden Our Father, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Lady - "Continue, My child, with your prayers."

[Pause]

Veronica - Oh, Jesus is placing His hands out in front of Him, and He's pointing now to His heart on His chest.

Jesus - "My child, now you will understand what We have been observing throughout your world - man's inhumanity to his brother.

"I have asked you to come here. My Mother has come to you as a Mediatrix between God and man. She has spared no effort to reach you with the Message from the Eternal Father.

"Know that the graces are counted for the coming Warning and the great Chastisement. Layman and clergy shall stand before the Father in judgment.

"Know, My child, that you have gained many graces with your sacrifices. And My children, you are children of the light; therefore, you have nothing in common with the darkness. The forces of evil surround the sacred grounds, and satan does battle with Our children.

"You will repair to your home, My child, and cooperate with your director.

"The prayers that will not be given to these souls - tears shall flow from their hearts, for the time is not long in coming for the great Warning. After that, My child, I can assure you they will come also upon their knees.

"Amen, amen, I say to you, no evil is ever triumphant. Pray for them, My child. Hold no malice in your heart, for if you know their future, you would surely cry for them.

"Continue until you leave, My child, these grounds for the present.

"Know that no one shall escape the flame of the Ball of Redemption.

"You will continue on your mission with perseverance, My child, and confidence. Satan has a loud mouth, but he has a shallow future."

Veronica - Now Jesus is raising His hand above His head - oh! Oh! Oh, He's blessing us with the sign of the cross.

Jesus - "No, My child, a miracle shall not be given to this generation at this time. You understand the Father has a plan.

"The message given to you in secret, My child, must not be revealed at this time."

Veronica - And now Jesus is raising His hand above His head: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

May 7, 1975

Eve of the Ascension of Our Lord

[Veronica was warned through a photograph not to attend the vigil that evening, as there was a plan to have her shot. Therefore, she remained at home.

A large, noisy mob had been assembled at the sacred grounds in an attempt to disrupt the vigil. Many stout-hearted pilgrims, however, remained the whole evening to pray with great fervor. The Shrine has a tape recording of some of the shouting and disruptive tactics of the crowd that evening. The sky that night was bright with a pink-colored glow.]

Jesus appeared to Veronica in her apartment and gave her the following message:

Jesus - "You must understand, My child, that there is a test for obedience in the plan from Heaven. My Mother is standing as guardian over Her flowers, My child. As a voice-box for Heaven your obedience is often tested, My child. It is well that you did not disregard the message in photograph given to you this evening.

"You must understand, My child, that We are fully aware of the plan of satan. We can direct you sometimes in photographs. We ask you to read them and study them well, in the past and in the future. We can give you this direction, My child, but you must not act of your own free will, but you will pray and read the photographs.

"We chose that you remain, for your work must not be finished by violence.

"You ask, My child, an explanation. This will not be given to you, for there are many things of the plan of the Father that you in your human nature would be unable to understand. Have no fear. My Mother stands as guardian over Her garden of souls.

"I have allowed this test and trial, My child, for there will be a time soon when those who have given themselves as followers of the light from Heaven, they must accept responsibility and leadership, working with great haste for the establishment of a center of atonement.

"My Mother will always be there for those who come seeking Her."

May 17, 1975

Vigil of Pentecost

Our Lady - "My child, I am coming a short distance to be with you. My sacred grounds have been visited by many throughout this day.

MILLIONS WILL COME

"My heart is truly grieved that We must wait a short time before the millions of people will come by and accept the graces being given by the Eternal Father to many.

"No, My child, it is not the will of the Father to go to the park.* It is the will of satan, the father of all liars, who will dispense with you by sending you to the park, My children. Be patient; pray with perseverance. The Eternal Father has a plan. Your discomfort, your sufferings, will bring many to the Kingdom of the Father Eternal.

* [The vigils were relocated to Flushing Meadows Park, from St. Robert Bellarmine old church in an agreement by the court, local police and Parks department to accommodate the increased numbers of people attending the vigils.]

"My child, We allowed you to suffer the cross of illness because you did not read your photographs well. We have asked you not to place yourself in a position to be on public view excessively. We have cautioned you to retire to a life of prayer and meditation.

"We do not wish you to set about yourself defending your motives, My child. The truth will speak for itself as a fact. You will pray much for your clergy.

"There will soon come upon you a great day of grace. As it was in My day upon earth, My child, so it will dawn a day of great grace to mankind.

"The Eternal Father sends the Holy Spirit upon you all.

"My child, you will meet with great opposition; you are meeting with great opposition from Our clergy, but do not take it upon yourself to judge who has fallen by the wayside. You will give the Message from Heaven to all.

"I repeat a simple lesson, My child, to you. Do not expect nor accept your reward upon earth, for then your reward will be great in Heaven with the Father Eternal. Be light of heart, My child; proceed with perseverance, courage, and fortitude. This the Eternal Father sends to you on this great day.

SATAN SEEKS TO STOP PRAYERS

"You will well understand the value of prayer in the days ahead. Know that satan seeks to stop the prayers. Prayer is your greatest weapon, My children, now against the forces of evil that are set upon you.

"My child, Veronica, you will make it known to Our children upon earth the value of prayer in the beads of prayer, your Rosary. Know that mankind must carry these beads individually and as a group. It is an act of penance to all.

"Mankind uses the word 'indulgence,' My child. We call this 'grace.' Your prayers are powerful, My child, more so than you can ever understand. They will be gathered and used to release the suffering souls in purgatory. They will be gathered and used to bring many from this place of waiting into the eternal joys of the Kingdom of the Father.

"Your journey upon earth is but of a short time for all. Every man shall be tested. The word of God the Father is eternal and will go throughout the world; and sadly, My child, we are heading to a great climax."

Veronica - Now Our Lady is coming over by the tree. Oh, I'm so happy!

Our Lady - "My child, did you not think that I would abandon you in your trials? Yes, I am always on the sacred grounds in the will of the Father, but I shall not abandon you. For I know that a fence has been set upon you as a test, a test of perseverance and fortitude.

"My Son has you all, My children, in His heart. Your tears, your pleas, and even your joy does not go by unnoticed by the Eternal Father, My Son, and the Spirit."

Veronica - Our Lady wants me to explain. She said the Spirit is the Holy Spirit.

Our Lady - "My child, make it known again - I repeat Myself, for We have not finished Our work upon earth, My child - make it known to mankind that there is much error set upon them, a great delusion in teaching the children. The children, My child, must be gathered.

"We find the children and those entering into their adulthood falling away from the truth, My child. Please, won't you help Us gather Our little sheep?"

"As time goes on, My child, you will find the metal scarce to make the beads of prayer. I have instructed you to place the strands of cloth and strands of string, as you call it, My child, together and you can fashion a wonderful beads of prayer. You will take the bead between your fingers, My child, and knot the pieces of string to form another."

Veronica - Our Lady now is holding about three sections of what looks like string - I guess you'd call it string, or rope - and Our Lady now is twisting the three into a rope-like form. And now Our Lady is smiling. She's very happy making this Rosary for us. Oh, now Our Lady is placing them across Her left finger, the strings already joined together, and She's tying them in a bow-like fashion and pulling it taut, and it does make a beautiful little pearl-like bead. Oh!

Now Our Lady is talking very softly. I can barely hear Her words.

Our Lady - "My child, you will repeat this ten times, and then double your bead to make one in honor of the Father."

Veronica - Oh, Our Lady means the Our Father bead.

Our Lady - "You will make this by joining the cloths doubly together in a knot. You see, My child, you can even use your fingers in an emergency when you do not have the materials to pray.

"It is not a prayer of repetition without meaning, Our Rosary, My children. It is a prayer that as you pray you will be surrounded by an aura of peace and holiness. You will find yourself coming closer to the Eternal Father in spirit.

"Pray many Rosaries, My children. In your charity, gather them for the poor souls who have not learned of Our beads of prayer. Yes, My child, there are many who do not know of the beads of prayer. Won't you, in your charity, send them throughout the earth?"

MESSAGE TO BE MET WITH FORCE

"Man, in his arrogance, My child, will reject much of the Message from Heaven. In his blindness of spirit, in the deep darkness that has been set upon earth's children, they will reject this message because they will meet it with force. And why, My child? Because they do not wish to change, preferring the ways of the world and the modes of mankind. O My children, how much longer will the Father give you to rescue your souls?"

"My children, go to your pastors, the shepherds of Our flock. Tell them that your Mother from Heaven cries tears. It truly rains teardrops from Heaven! Tell them, My children - be messengers of the Eternal Father - that a great Warning will soon come upon mankind, and if mankind does not change, there will be death, death prevailing upon your earth. Many shall die in the great flame of the Ball of Redemption, My child.

"You cannot expect, My child, your road to be not filled with thorns. It is truly the way of the cross. Pick up your cross, My children; pick them up and carry them for My Son, and your reward will be great with the Eternal Father.

"Pray a constant vigilance of prayer, My children. Prayer is your greatest weapon against the forces of darkness, the forces of evil. Have pity upon your brothers and sisters who have fallen into the darkness."

Veronica - Now Our Lady is coming down to the tree. Oh, She has such beautiful little slippers upon Her feet. Oh, Our Lady is dressed all in white, and She has two long strands of golden trim, a braid-like trim, around Her cloak. And Her cloak falls from Her head down to the tips of Her beautiful little slippers. They're not a sandal-like now; they look like white slippers with a very small rose - I would call it a rosette - upon each slipper toe.

Our Lady is carrying Her beautiful large white Rosary, the white beads with the golden Our Father. Oh, it's the most beautiful Rosary I have ever seen, the colors, as Our Lady is turning now. She's smiling and looking down.

Now Our Lady is looking over to our left side. She does look very sad. I guess Our Lady can see something. Oh, yes, Our Lady is pointing down. And She's now taking Her Rosary and taking Her crucifix, the cross, the golden, beautiful golden cross, and making the sign of the cross upon the peoples.

Now Our Lady is moving back. She's just floating. Oh, Our Lady can move - She doesn't have to walk; She's just carried right back as though She was being carried by the wind. And Saint Michael - oh, I see Michael! He is so big; he's truly a warrior of Heaven and a guardian for Our Lady.

Now Michael is bending over, and his voice is booming so loud that - oh, my ears feel like they're going to burst!

St. Michael - "My child, I am not but a guardian of the Father, the eternal Kingdom, and the Queen of Heaven, but I am also a guardian of the children upon earth. I am the guardian of the houses throughout the world, of God - the churches, My child - but many have forgotten this."

Veronica - Now Our Lady - Our Lady is smiling, and She's looking down.

Our Lady - "My child, yes, you must shout it from the rooftops! Michael must be entered into the houses of God throughout the world."

Veronica - Now behind Our Lady - Our Lady is pointing up to the sky. Oh, and I see so many people coming down now, and they're standing by Our Lady. Oh, there are men and women and small children. Our Lady is saying:

Our Lady - "You see, My children, these are the saints in Heaven. They were once among you, and have won their crowns through perseverance, prayer, and sacrifice. Their example should be followed, for they will lead you to the Kingdom of God the Father, the eternal Kingdom of joy, peace, and reward - a reward far beyond all that your human mind could comprehend, My children.

"Will you bargain away this reward for the few short years, My children, you have upon earth? Satan has set much before you upon earth to entice you to take your soul into the abyss with him. O My poor little children, you are being misled! Evil man has set himself to take the knowledge of the existence of satan from among you.

"Parents - please, My children, be a good example to your children! Teach them that there is a Heaven, the eternal Kingdom of God the Father; teach them that there is a purgatory, a sorrowful place of waiting and suffering. However, there is a small joy of knowledge, My child, that one will one day be taken from this place of waiting and suffering to enter spotlessly clean, and their robes washed by My Son, into the Kingdom eternal, forever and ever with the Father Eternal.

"My child, the way to Heaven, it is not easy. It will be set with frustration, with trial, with suffering. It is truly the way of the cross, My child. Were it otherwise, I would surely tell you so.

"Your men of great learning upon earth, My child, have risen to the heights of Heaven with their arrogance, their pride, and their satanic diversions. They have risen far beyond what the Father would call a safety line for mankind. As in the days past, man is following the road of the fallen angels. The Eternal Father cannot accept into the Kingdom, the Kingdom of Heaven, man who does not repent of his arrogance, his pride, his false teachings, and his sin. No man shall enter the Kingdom of the Father unless he repents of his pride, his arrogance, does penance now while there is time.

"The abyss is open wide and daily, My children, claiming many young. Who has the responsibility for the fall of these young souls? False teachers! False parents, birthing a child and not following the path of the Eternal Father!

NEW YORK TO BE STRUCK DOWN

"Then, parents - you who resort to murder of your young - do you think the Father will not strike you down? You shall not enter the Kingdom of Heaven unless you repent of your sin of murder. Your city, New York, My child, will be struck down!

"My child, I am not setting fear into your heart. I feel your trembling. I know your heart, My child, but you are an instrument of the Father, and as such, I depend on you, My child, to transmit to Our children on earth much of what is to happen in the near future.

"Remember, My child, your guardian Michael has warned you in the past that the future is now! Man has not balanced the scale to the satisfaction of the Eternal Father. He is a God, My child, of mercy. He is patient, ever-suffering, but all will not enter into the Kingdom of the Father.

"Yes, My child, each time I see a sheep being lost forever to Us I cry until My tears have become tears of blood!

"I would be willing, as your Mother, to wash you in My blood for your salvation. My Son washed you in His Blood for your salvation. Are there not enough among you to make penance, do penance and sacrifice for your brothers?

"The few who will remain after the great Chastisement will join My Son in setting up the Kingdom.

"You are now being separated as sheep from the goats by trial. It is the way of the Father that cannot be understood by man. The world and the spirit are not compatible, My child.

"Your world, earth and the inhabitants of earth, are now fighting the battle against satan. Your world has been given to satan for a short duration.

"You all - each individual soul still living upon earth will be given the choice to join the Kingdom of the Father, or surrender himself to satan and the kingdom of the prince of darkness and damnation and sorrow, and forever lost.

"As We go throughout the world, My children, We see many who are called 'dead.' Better that they die in the body and be cleansed of the soul than to live in the body and die in the spirit. What does it befit a man, nor benefit a man, if he gains the riches of the whole world and bargains and gives away his soul to satan?

"There will be gnashing of teeth, much woe set upon the earth, for satan and his agents are unchained.

"Make it known, My child, the urgency of your times. You are living now the latter days! Awaken Our sleeping pastors. You are living now the latter days!

"Have you made your choice already, My pastors? Have you sold your souls to get to the head?"

Veronica - Now Our Lady is sitting down. Oh, Our Lady is sitting on a rock, and She's crying. Oh! [Veronica weeps.] Now Our Lady is placing Her hands to Her face, and She's crying.

Now Our Lady is looking up, and I -
"I don't know how . . . to . . . comfort you, dear Mother."

Our Lady - "Accept your suffering, My child, for it is only in suffering that you can join Me as a companionable spirit. It is only in suffering, My child, that you will feel compassion for your brothers and sisters.

"The time is now, My child, the forces of evil against the forces of light: father against son, mother against daughter, bishop against bishop, and cardinal against cardinal, with satan setting himself among them!

"Remain in the light! I, My child, bring you with My Son, the light. My Son wishes that I place My mantle of refuge over you all.

"I promise you, My children, that I will not abandon you in your trial. Your country is entering into a time of great trial and suffering. No man, no woman, no child shall escape this suffering. There will come a time, My child, when prayer shall strengthen you and give you the hope, the faith, and the charity to live in a world that goes into complete darkness of spirit.

"Know, My child, that as the world rejected My Son when He came with the truth, so will you, My child, be rejected by many. This, My child, is the heavy cross I spoke to you often of.

"You will find your comfort, My child, in the many who We will send to you to be your arms in this battle. There are lights, candles of truth throughout the world. In various places, in various nations of your world, you will find the candles of light. Join them, My children, for united you will stand, and divided you will fall to the enemies of God. Unite in a constant vigil of prayer, knowing that the eventual victory is with the light and the truth. Though hell and satan will fight against the Kingdom of the Father, he will fall and be cast with his agents into the pit of damnation, fire, and chained to never more tempt Our children and take them into the abyss with him!

NO DATES TO BE GIVEN

"My Son, the Eternal Father, and the Spirit have deemed the time, the places, and the hour for the final battle. No dates will be given to you, My child, to give to the world. Preparedness - be ready at all times, for you do not know the day nor the hour. I have promised that you would not meet your trials without warning or knowledge. Those who have given themselves to the Eternal Father in Heaven in love and dedication will find that they will go through these trials and survive in spirit and body much better, My child, than those who have rejected the light.

"I want you, My child, to retire as much as possible to a life of prayer, meditation, and penance. You do not have to engross yourself in reading periodicals or worldly reading. The Spirit of truth will be given to you by the Eternal Father.

"I bless you, My children, with the graces necessary for conversions: cures of the body and spirit, and victory over the forces of evil."

Veronica - And now Our Lady is extending Her beautiful golden crucifix of Her Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And Our Lady now is opening Her hand. Oh, Our Lady is holding the most beautiful rose. Oh, I have never seen colors like this rose. I can't describe it. It's, it's sort of a fuchsia rose, but it has a gleam about it that would be almost called a golden light coming out of the colors. Oh, it's just beautiful!

Our Lady is bending over.

Our Lady - "My child, you cannot describe it, for it has been made in Heaven."

Veronica - Oh!

Our Lady - "Go forward, My child and My children, in great perseverance. I cannot promise you that you will not be set to trial, but know that no evil is ever triumphant. The Eternal Father will turn all evil to good, and work with this evil to convert an errant and arrogant nation. Pray, My children, much - a constant vigilance of prayer. The Father, the Eternal Father, has a plan for you all.

"I bless you with the shield of the Immaculate Conception, My children: In the name of the Father, and of the Son, and of the Holy Ghost. Amen."

Veronica - Oh, Blessed Mother! Oh, so beautiful! Our Lady is moving over now to the other side of the tree. Oh!

Our Lady - "Do not be concerned, My child, that you have this trial of waiting outside the sacred grounds. The day will come when you will be back upon the grounds, but you must now go with the plan of the Eternal Father. Patience, My child."

[Pause]

Veronica - Oh, coming down now - oh, there's Saint Theresa. Oh, now Theresa has on - oh, a long gown, you know - a habit. And she has a cord-like belt about her waist with a very large set of Rosary beads, but they're a black color. They're very large beads, and dark. And now Theresa is smiling. I don't understand French. Oh, I can hear now; Theresa is saying:

St. Theresa - "You see, my child, I did love my simple beads. I did not accept anything that was of worldly nature if I could find a substitute.

"Poverty! Poverty, my children - have you forgotten the need for poverty? There were vows, My children, of piety and poverty. Have they been cast aside now to follow the evil mode of modernism? My dear sisters, the convents - there are not many of my sisters left! Why?"

Our Lady - "Because they do not pray enough, My child."

Veronica - Our Lady is joining Saint Theresa. Our Lady said, "They do not pray enough, My child." It was Our Lady's voice.

Now Saint Theresa - oh, Theresa is moving over by Our Lady. And now Our Lady is taking her hand. Oh, it's so nice! Oh, and Theresa is bending over.

SAINT THERESA SENT TO WORK WITH VERONICA

St. Theresa - "Yes, Veronica, my sister, this is our beautiful Mother. And one day you and all who have come to our Mother will join Her in the Kingdom.

"If you could look beyond the veil, my sisters and my brothers, oh, you would not want to return to earth anymore. There is a joy and beauty far beyond what any human mind could comprehend.

"I am with you always, Veronica, my sister, because our Mother and our Jesus have sent me to you to work with you to save souls. That is why you will recognize my presence with the roses.

ERRORS IN TEACHING MUST BE REMOVED

"Yes, Our Lady wills that I remain with you for a while, for there is much work to do to outwit satan in his plan to capture the children of the Eternal Father, our brothers and sisters. We must work now, work fast, my sister, to remove the errors in teachings - the false doctrines of modernism and humanism set upon the hearts and minds of mankind.

"Many are misled, my sister. But you must come with us and see the great error in teaching of modernism and humanism."

Veronica - Now Theresa and Our Lady are moving over, and they're pointing up into the sky. It's like watching a movie up there, because I can see now, there are buildings . . . Oh, I can see young men walking out of the buildings, so they must be like monasteries or seminaries.

Now Our Lady is standing over by the door of one and watching as these young men are walking out. And Theresa is now walking over by Our Lady by the door, and she's turning around. I . . . oh, I'm going with them. Oh, I'm right by the door.

St. Theresa - "Veronica, my sister, look! Look how they are dressing! Would you recognize them as dedicated brothers of the Father Eternal?"

Veronica - Oh!

HERESY IN THE CLASSROOMS

St. Theresa - "And what are they teaching in the classrooms? Oh, my sister, you must tell the world - all the children of earth, of the Eternal Father - that they are teaching heresy! Oh, that's untruth. Satan is deluding many and poisoning their minds. Heresy, O mournful heresy! Oh!"

Veronica - Oh, now Theresa is wiping her eyes. Now she's very upset.

SISTERS NOW MISSES OF THE WORLD

St. Theresa - "Our sisters do not wear the beautiful garments. Our sisters now paint themselves. Oh, our sisters now curl their hair. They are no longer dedicated to the spirit. They have become no longer the brides of Christ but the misses of the world!

"O my sister, will you not send a writing to them quickly before it is too late! They must change their ways now, for they offend the Father much. They must come out of the world and retire into the spirit. All dedicated with vocations must retire from this world that has been given to satan. They must live lives of the spirit, for you cannot be of the world and of the spirit, for you will accept one and deny the other.

"And the forces of evil, of Antichrist, in your world, my sisters and brothers, are poisoning the minds of many. They also come as angels of light, but they have the hearts of wolves, ready to spring and devour. They are agents of hell. They come in human form. Were you to see them in their normal forms as devils, my sisters and brothers, you would not befall for their wiles. But they come as angels of light in human form. Learn to recognize the faces of evil about you.

"You must ask the shepherds and pastors of the world, as our Mother said, Veronica, to turn now and teach the truth to the children. They are starving of the spirit of light.

"They must be taught to pray more. Prayer is no longer a way of life. Prayer must be returned to the homes and the churches of the world, and the schools, and the public and private lives of all the children of God, my brothers and sisters. If you pray more, you will learn to love prayer. It will become a way of life that you cannot turn from, for it will give you something that you have never found in the world."

Our Lady - "Turn, My child, to the right, for there is one approaching who is not of the spirit of light. I tell you this: do not be affrighted, for it is the plan of satan to remove you, but it is not the time, so do not be affrighted.

"You will now, My child, pray with your friends of Heaven and join now the children of earth in prayer, and wait for My Son to come to you with a message from the Eternal Father.

"In the name of the Father, and of the Son, and of the Holy Ghost. Amen."

[Pause]

Veronica - Now Jesus is coming down with Our Lady. Our Lady is with Jesus. Oh, and now - oh, my! Jesus is extending His hands out. Oh, I can see the awful holes in Jesus' hands! I can see the holes in Jesus' hands, and He's extending them forward. And now - oh, Jesus is saying:

Jesus - "My children, I know of your sorrows, I know of your joys; but know that I promise you a joy far beyond anything that you have experienced when you come through this jungle of trial set before you. Along the way, watch in charity to rescue your brothers and sisters. Pray now a constant vigilance of prayer.

"In matters of faith, in matters of morals, and in matters of doctrine, you must not stray from the truth!

"There is no middle road to Heaven. It is of short - note 'short,' I say, My children; understand Me well - I say 'short' because the time grows short upon your earth. The road is narrow to the Kingdom of the Father. Follow Me, My children; follow Me. I will succor you, succor - "

Veronica - Jesus is now shouting the word "help."

Jesus - "I will help you if you come to Me. I am still present in the tabernacles of your world. Do not abandon Me, for I am your refuge.

"My Mother has been sent to you to guide you in the days ahead. She is a Mediatrix between mankind and the Eternal Father. Do not cast Her words aside or treat them lightly, for you are then going fast into darkness.

"When you come before Me, the Eternal Father, and the Spirit, you will be judged. If you are found lukewarm, neither being hot nor cold, I will vomit you from My mouth and cast you into the fires of eternal damnation! You cannot play the middle road, My pastors! You cannot mislead My sheep by giving in to the values of man! You must not change - you must not trade your soul and bargain for your world. No man can have both, the world and the spirit.

PASTORS ON WRONG PATH WILL EXPOSE THEMSELVES

"When the world and My churches throughout your world are united, know that the end is at hand! The Eternal Father will not have the world come into His House, for the flesh and the devil have nothing in common with the spirit. Take yourselves away from this error of damnation, desecration, abominations! You who know you are following the path to perdition, come out of your darkness now! I do not have to give your names in trust to Our messengers throughout the world. In charity, I do not expose you before the nations. However, the time will come when you will expose yourselves before the nations.

"The world and My Church will not unite as one, for there is nothing in common with flesh and the devil!

"My child, satan does great battle upon earth. The grace will be given to you to withstand the holocaust that will be sent upon mankind.

"My hand grows heavy. How long shall I extend it and not descend it upon you? My Mother has gone throughout your world crying tears, tears that fall upon a degenerate and ungrateful generation. Come out of your darkness now, for there will be

sent upon you a great Warning of great magnitude. There will be sent upon you a Chastisement. No flesh shall escape. Are you ready to accept the reward from your foul deeds?

"My shepherds, your sheep are straying. They are dying. They are starving for truth.

"Return to a life of dedication. Return to a life of perseverance and trial, and not give yourselves to the enemies of your God. Return to a life of true charity and prayer. You cannot bargain with the Father in Heaven. You may bargain with satan and lose. You will bargain with satan and lose.

"You are receiving a merciful warning, and should this warning not stir you from your slumber, you will shake - be shaken from your slumber.

"My children of grace, despair not in your present crisis. Go forward with great hope. Retain the Faith in your hearts, in the hearts of your children. Extend in charity and love this Faith to others. Give, and it will be given to you. Bring the little children to Me. I will nourish them with the light."

Veronica - Now Jesus is extending His hand out, and - like this, with His fingers, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking down, and I see He looks very sad. Oh, there must be something going on, because Jesus looks very sad. But He's placing His hands over, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And now Our Lady is brushing Her hand across Her eyes. I know She's very sad, but She's smiling. Her smile is one of, of hope.

Our Lady - "Hope that these hardened hearts, My child - "

Veronica - Our Lady now is asking me to repeat.

"I hear you, Mother, I hear you."

Our Lady - "Hope that the hardened hearts, My children, will be softened and opened, so that the light can penetrate and take away the darkness of spirit.

"Pray for them, My children, you who have the charity and love that is a part of your union with My Son; pray for them, for every - each one, My children, can be rescued if you pray for them and do penance for them. Satan, in his strongest hold upon them, will make them fight against you, but you must never give up in your prayers and dedication to save these souls.

"Pray a constant vigilance, My children. My Son is with you, even unto the end of time as you know it. I am with you always. I am with you when you call Me. My Son is with you.

"Gather the graces that you have in abundance now. You will find the search for them becoming more difficult in the future. Gather them and treasure them. These graces are given by your visits to My Son in the tabernacles of the world. These graces are given when you pray with purpose of indulgence.

"Expiate the time you would spend in purgatory now - now, My children, while you are upon earth still. Many will die soon; many will go unprepared.

"I beg you, as your Mother - I beg you in the light, to come out of the darkness now."

Veronica - Our Lady now is blessing us with Her cross: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

May 18, 1975

Pentecost Sunday

At approximately 7 p.m. on the night of Sunday, May 18, 1975, the Feast of Pentecost, Jesus and Our Blessed Mother appeared in the living room of the apartment of Veronica, in the presence of Veronica, her husband Arthur, and Mr. N. S., who was visiting the family after the Sunday Holy Hour.

There was a bright illumination in the area of the living room leading to the bedrooms. Arthur was sitting on the couch, Veronica and Mr. S. were sitting at the living room table. Veronica had just returned to the table from her bedroom, where she had retired to rest and meditate in quiet. She had just finished praying the Rosary.

Veronica sat down at the table, and was shocked at the appearance of the great light. Then our Blessed Mother appeared, just as at the vigils. But this time She was dressed all in the color red. Our Lady had a calm smile, filled with warmth and love.

This is the text of Our Lady's message, as taken down in pencil by N.S.:

Our Lady - "My child, you have passed the test and have given complete obedience to the Eternal Father.

"Now is the time for a small change. The numbers of the faithful are reaching to and far in excess of what can be accommodated. Therefore, you will tell the bishop: 'You will be given a sign by the Eternal Father.' He (the bishop) will find this sign unquestionable.

"You will, My child, receive the message from Me on the eve of all feast days as in the past.

"The peoples of the world will continue to go to the Shrine in great numbers - that will not consist of crowds - until the basilica is opened by the sign given to your bishop. The peoples must continue to pray.

"Accept the offer of the Department of Police, and I will do the rest. There is a time for everything, My child, even for change.

"The peoples will not lose faith in your mission, My child, but will gather in multitudinous numbers to do penance and atonement until the Warning, which will come very shortly. I assure you, My child, you will not have to wait very long. I assure you, you do not have very long to wait, My child.

"The prayers of atonement will continue on other grounds temporarily, to accommodate the crowds. It will not diminish the veneration of the sacred grounds, which will be held in abeyance."

Jesus then appeared, standing next to our dear Mother. He also was dressed in a red, burgundy-colored cape, with a white flowing gown. The wounds in His hands were very evident. His hands were extended to Veronica. He said:

Jesus - "Veronica, child of grace, I hold you very close to My heart, and all your good relations. I extend My heart and peace of spirit to you all.

"The way of your Lord must remain a mystery to you at times. The way I speak of is in reference not to doctrine, but a manner in which to proceed by direction.

"You will now meet with all concerned. Your spouse will instruct My child Ann to bring forth two photographs. Only you will know the meaning of these photographs. It is the proof you will need."

Jesus then blessed all in the room with His right hand.

May 28, 1975

Queenship of Our Lady

[Acting on instructions from Our Lady, Veronica accepted the offer from the police department to move the site of the vigils to Flushing Meadows Park. This was the first vigil to be held in the new location.]

Veronica - Oh, my goodness! Oh, I'm startled to see the blue lights appearing here over our heads. Now the sky is opening. It's just like when we were over by the sacred grounds.

Now - oh, I see two beautiful figures of men with long robes coming through the sky. Oh, I recognize them. They're Michael and Gabriel. Oh, my!

Now there's a light over on the, on Michael's right side - oh, a tremendous white light. It's very brilliant. Oh, and there - oh, I can see Him! There's - oh, Jesus is standing by Michael.

Jesus - "My child, why are you so shocked? I promised that I would be with you this evening. I always keep My promise, My child.

"I traveled far in My day, My child, forced by adversity to move on.

GROUNDS TO BE PURIFIED

"You will not return to the sacred grounds until the area has been purified, My child.

"I have directed you in the past to take your ears away from the guidance of the human mind. You will listen only in the spirit.

"Know, My child, that the way is difficult to many.

"A deep darkness surrounds now a shrine of purity. You must keep a constant vigilance of prayer.

"Pride and obstinance, My child, and arrogance shall send many mitres into the abyss. You must pray much and do great atonement for your clergy.

"This evening, My child, My Mother shall not appear in sight to you. Alas, My heart bleeds, for My Mother is a prisoner now upon Her own grounds. You will comfort Her at this time, My child, by recovering many souls for Heaven with your prayers and acts of atonement.

"Make known the message to the world. My Mother's voice shall not be stilled. The Message of Heaven must go quickly throughout the world, My child, for the time is growing short.

"Hearts have been hardened, ears have been closed to the Message from Heaven, My child, only because they are on the road in deep darkness.

"How often has My Mother counseled you to avoid the snares of satan set forth in humanism and modernism among you!

"The children of the world are truly the victims of their elders. Parents shall shed tears of bitter misery, for they will be rejected by their children.

"There shall be discord in homes, and the parents who have set their children onto the road of spiritual darkness, My child, shall reap the reward of their evil - lacking discipline, and setting their children's hearts without mercy, without love, and without knowledge of their God.

"Many, My child, are feasting in My houses, sowing seeds of discord and impurity! Cleanse your House now, My clergy, for My hand shall descend upon you!

"The knowledge of the supernatural must not be taken from the hearts of My children. My shepherds, awaken from your blindness; you are misleading Our sheep!

"How long shall the Eternal Father persevere in hoping that you shall turn from your present ways that are leading souls onto the road to perdition? Hasten, harken, and listen, for the warning given to you now is one of the final warnings being given to mankind.

"All who have given themselves to the pleasures of the flesh, all who have given themselves to the new modes of humanism and modernism set down for ensnarement of the human race by satan, all those who close their ears to Our voices, shall burn!

NO SPIRITUAL EARTHLY DIRECTOR

"You, My child, shall not concern yourself with the opinion of others. You will accept no spiritual earthly director, My child, for I have counseled you in the past, and I will continue to counsel you in the future.

"I must ask this sacrifice of you, My child, to remain away from the sacred grounds until your bishop is given his sign. This will not be long in coming.

"Open, My children, My children of the light, your hearts to those who have gone into darkness. Offer, in your charity, My children, prayers of atonement for your brothers and sisters who have gone into darkness. Only a few will be saved in the final count.

"Yes, My children, you will receive graces in photographs. Nothing is impossible with the Eternal Father. He has a plan for everything, My child. Even your sufferings are put to good use.

"Pray for your enemies. Love those who castigate you, My child. Accept the way of the cross, My child. It is the short road to the Kingdom of the Eternal Father.

"Know, My children, that I am always with you. My Mother is with you. We will guide you in the future. Your future is now. The days grow short. Accept your cross, My children, and go forward searching as candles in the darkness.

"As disciples of the Eternal Father, you will truly be the light of the world. I give you, My children, the simple honor of following Me as lights in the world.

"My heart will shine in your darkened world; My Blood shall be your salvation.

"My child, you will continue your mission with patience and perseverance. Throughout the world, throughout mankind, We have chosen many as voice-boxes for Heaven, My child. It is truly a heavy cross, but one that shall make the road to the Kingdom, the Eternal Kingdom of the Father, much shorter for you.

"Do not do your deeds before mankind to be known, My child, but do them in secret, for the Father Who sees them in secret will surely reward you. If you win the acclaim of mankind, My child, you will then have received your reward. Accept the rejection, the persecution, My child; it is all part of the cross."

Veronica - Now Jesus is placing His hand in front of Him, like this:

Jesus - "I bless you, My children, and I give you peace of heart, My children, in your present struggles. Know that you shall travel the way of the cross.

"My evening with you is not over, My children. Proceed with your prayers of atonement. I have much to discuss with you.

"You will now be seated, My child.

[Pause]

"My child, know the plan from Heaven: the numbers that will gather will triple and far exceed what you could ever expect in your human expectations, My child. There will be cures and conversions beyond what man has experienced in your country. It is in this manner, My child, that the work for My Mother's Shrine shall go forward.

"The sufferings you will accept for the propagation of the mission of My Blessed Mother shall be in reward to you the recovery of many souls for the Kingdom of the Eternal Father. Names shall be written in Heaven, My child.

"I allow your persecution, My children; I allow you to be walking outside the sacred grounds, for there are many souls to reach in this manner. The Eternal Father has full control of your world. The sorting continues - the separation, My children, of the sheep from the goats.

"You are now true disciples of the Eternal Father. We hold you close to Our hearts, and We shall comfort you as you go along Our way.

"You will use the expression, My children, 'Let us hold back the darkness.'

"All who receive this discipleship, My child, shall separate themselves from worldly living. You are fast approaching the establishment of the monastery. Do not grow impatient, My child. It will all come to pass in the will of the Eternal Father.

"Have pity upon your neighbors, My children. Pray for them. Pray for those who castigate you. Pray for those who slander you, for in their hearts many are misled and truly do not know what they have done. Do not judge, lest you be judged, My children. Accept your cross and carry it without complaint."

SAINT FRANCIS OF ASSISI

Veronica - Now I see a man is coming at the right side of Jesus. Oh, I know it's Saint Francis! I can see him because he has his brown habit on and sandals, and he has a light tan-colored . . . it's like a belt, but it's like a piece of rope, though, about his waist. And he has - He's now showing me his large Rosary.

St. Francis - "My child, Veronica, we despair in Heaven, for we do not see the beads of prayer being fingered often in our monasteries.

"Many of our brothers of the orders have given themselves to worldly living, My child. They do not know that they have fallen into the snare of satan. The simple life, My child, is the best for the dedicated.

"The dedicated, those who have accepted a vocation, must live only as human beings in the world, but must accept the spiritual.

"Our brothers of the cloth, My child, have rejected the supernatural. They are running fast onto the road to perdition. Pray for them, My child. The simple life of pure dedication and the simple rule is all that can keep them from falling into the abyss.

"Discipline must be returned to the orders. Many must now retire from the world that has been given to Satan.

"Know now, my brothers and sisters of religious orders, you will be mocked, you will be scorned, but you will please the Eternal Father and receive your reward in the Kingdom. Shall you trade your eternal life with God the Father for a few short years of plenty upon your earth? Many have sold their souls to get to the head."

Veronica - Now Saint Francis is gliding over. They don't walk like we do. It seems that the air is just carrying him over by the left side of Jesus. And he's standing now. And he has a wooden rod in his hand - looks almost like a walking stick, but it's just a long stick, and he's pointing over to the right side of the sky.

And he's saying now as he's pointing with his large stick There's a - oh, a large book, a Bible now sitting in the sky; I can recognize from the pages turning. It's suspended. And now I see the cross growing very dark. It had a large cross on the cover, but it's becoming almost black.

St. Francis - "See my child, the desecration of the words! Change, change, and the Book in darkness!

"Man must not change the words of the Book of life to suit his own human nature, but he must continue with truth in knowledge - truth that goes back through the ages to all who were given the light by the Eternal Father.

"No man shall set himself above the Eternal Father, either in knowledge - "

Veronica - Oh, now I see large dome, and I can't see Saint Francis anymore. But I see a large dome, and I know it's Rome.

Oh, and standing on a balcony There's a large window, and over to the left I can see Pope Paul, and he's waving. He has on a white robe, and I can see a very large cross suspended from his neck on a chain, a golden cross. And he's waving now.

TWO EVIL-LOOKING CARDINALS

And standing behind him are two men. I know they're cardinals. But oh, they're not nice to look at. Oh, my! These two men, cardinals, don't look like they're graced. Oh, they look evil.

And now, written above on the - it's right on the stones above Pope Paul's head, and arrows pointing to the two cardinals. There are words: "A CONSPIRACY OF EVIL AGAINST THE PAPACY." Oh, my goodness! A conspiracy of evil against the papacy. Oh, dear!

Now it's growing - the sky is growing very dark. I can't see the Holy Father. Now there's a light on the right side. Oh, and Jesus is coming forward.

Jesus - "My child, it is true. There is a conspiracy of evil to unseat your Holy Father, Our Vicar. You must pray much for him, for when he is removed, one will take the Seat of Peter to destroy Our houses throughout the world - churches, My child.

"Know, My children, why you suffer this heavy cross. There is a conspiracy of evil now in your country to stop the good work and the Message from Heaven.

"Yes, My child, it is sad but true that many will give themselves to the destroyer for the love of money and worldly power.

"The time, My child, for the Warning must remain a secret.

"My child, man has not profited from his past history. He goes forward blindly sowing the seeds of his own destruction. As it was in the time of Noe, so it shall be upon your earth: man shall be eating and drinking and marrying, and then will come the end.

"Man of science ever seeking but never coming to the truth.

"A country is designed for destruction, My child, when that country has turned from his Creator and given himself over to debasements of the flesh! Paganism, immorality, lust, licentious conduct - all this and more, will send a country to its destruction.

"Your country, My children, has been protected always by My Mother. However, you have taken it upon yourselves to reject Her and turn yourselves to your carnal natures. The sins of the flesh shall send many into the abyss.

"Your country shall not escape the great War. Your country shall not escape the cleansing by the Ball of Redemption.

"We shall, My child, continue to enlighten you through photographs. You will now consult with Our children and see the proof, My child.

[Pause]

"I have come again to bless all sacramentals."

Veronica - All who are able to, please kneel.

Oh, Jesus is very - oh, the light is very, very bright, but I can see His cloak. He has on His red, burgundy-colored cloak. And now Jesus is shifting it over to His left arm, and He's pointing now to His chest. Oh, He has a huge heart. It's a very deep red heart, but there seems to be a dagger through it. Oh!

WON'T YOU SOLACE JESUS?

Jesus - "Yes, My child, it is My pierced heart, My sorrowing heart. Won't you, in your charity, solace Me?"

Veronica - Oh, now Jesus is coming forward, and He's placing His hand out in front of Him, like this, and His three fingers are extended, and He's leaning over now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now behind Him the sky is opening up. And oh, I can see Michael and Raphael and Gabriel, and oh, many, many children. They look like children. They're very young, dressed in all colors - gowns. It's just beautiful! It looks almost like a May party. Beautiful colored gowns - pinks and blues and a fuchsia color. The colors are oh, so beautiful, absolutely beautiful!

Now they're holding in their hands garlands; they look like wreaths of green leaves, like processional wreaths. And now they're, they're just holding them in their hands, and they're going over and following Jesus. Jesus is moving over to our left side. He's looking down now, and He's placing His hands out again, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's coming over - it seems like such a wide expanse of sky - now He's coming over to our right side, and He's looking down. Now His fingers are being joined together, like this, and He's making - oh, the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you, My children, as My Mother blesses you. Continue with your prayers of atonement. All sacramentals have been blessed. There is no need to remove them from their packages. Graces for conversion and graces for cure, I extend to you in your faith."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is - oh, it must be very windy up there. I can see His gown is being caught by the wind. It's very windy. Oh, Jesus doesn't have any shoes on; His feet are bare. Oh, and I can see the wounds on the tops of His instep. Oh, and Jesus is smiling now. And He's pushing His hair back. I can see Jesus' hair very plainly now. It's a - well, it's a brown, but it looks almost reddish - perhaps from His robe, from the top of His cape, makes His hair look a beautiful sort of a russet color, oh, in the light.

Now Jesus is touching His lips.

Jesus - "You will continue, My children, with your prayers of atonement. They are sorely needed at this time. As I have told you in the beginning, the time is approaching for the Chastisement to mankind. Your country will go through great trial. We have asked; We have begged; My Mother has come to you with Her Message from Heaven, which you have chosen to reject from your own free will. All those who have listened will go through this crucible of suffering with great hope in their redemption.

"Know that there will be sent upon you a fiery Ball from the heavens. Many will die in this great flame of the Ball of Redemption. I do not give you fear, but I give you fact, My children. Prepare your souls and the souls of those you love. The time of great sorrows is approaching."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

June 5, 1975

Eve of the Sacred Heart of Jesus

Veronica - In the sky there is forming a very large black "W". I know that the "W" means warning.

Now all about the black "W" I see as though it were burning fingers of fire, tongues of fire, coming out from underneath the outline of the "W" in the sky. Now the letter "W" is beginning to disperse. It's blowing away as though it was a cloud formation.

Now it's beginning to get very bright - oh, very bright, so bright! And there's a warmth now as the sky is opening up. It feels as though the sunlight is coming through now, though it's very cloudy, I know, to the sides. It's as though - oh, it's not the sun; it's a beautiful light. Oh!

Oh, and Jesus is now coming out of the light. It's like a - it started as a pinpoint of light, but as it came closer it opened up. And oh, now Jesus is coming closer. I can see now that He's wearing a cream-colored gown. Now His cape is not red now. It's almost a cream color, but it's lighter than His undergarment. I would say it's a white, an off-white color, and it has a cape. It's a cape-like cloak with a hood. And I, now Jesus has the hood off; He's placing it over His shoulder. Now the cape is held by a golden cord-like string about His neck.

Now in Jesus' right hand He's holding a very large wooden cross, and He's placing it out in front of Him, like this.

Jesus - "My child, many have asked about this cross without the corpus. It is a symbol of the suffering that will be allowed to a victim soul. Each man and woman upon earth will now be tested in the days ahead.

"Many in their blindness, My children, do not recognize the days in which they are living.

MANY SHEPHERDS GIVEN TO THE WORLD

"My houses upon earth, churches, will undergo a great trial. It will be truly a test of faith. Many of My shepherds have given themselves to the world of the flesh and satan.

"My Mother has gone throughout your world with a warning from the Eternal Father for mankind. She has met with much resistance because the hearts of many are hardened, and their hearts are blinded to the truth.

"My Mother extended to you the way. You cannot leave this way and seek another, for you are fast then going into the darkness.

"All My churches upon earth - all that go into darkness will fall. All that descend into darkness will close their doors. A House in darkness wears a band of death about it."

Veronica - Now Jesus is moving over. He doesn't walk, but He's floating over just above the tree on our right side. And He's pointing over to the right. And oh, Michael is coming down now. Oh, and Michael . . . and there are many angels behind him.

Now I notice that Michael is carrying a very large book. And now Michael is saying:

St. Michael - "A Tome, My child, a Tome."

Veronica - Now Michael is running his fingers through the pages, and they're just blowing like the wind is catching them. And now they're stopping, and he's pointing with his finger to a page. And he's saying:

MAKE KNOWN THE APOCALYPSE BY ST JOHN

St. Michael - "The apocalyptic age, my child. Make known the writings of Saint John. Man must read the writings of John and he will understand the trials that are before him.

"The apocalyptic pages are known also as the Revelations.

"It was said in the days of old, through your prophets from your God, that much will be made known to you in the end days. This I say to you: the pages shall be revealed now to you."

Veronica - Now Michael is taking his hand and closing the Book, and he's pointing over now to the right side. And Jesus now isn't standing there. Oh, Jesus is now over behind Michael.

And oh, my goodness! There - oh, Jesus is now placing His left hand up, and Our Lady is standing there! Oh!

Now Jesus is smiling.

BISHOP WILL BE GIVEN SIGN

Jesus - "My child, did you feel abandoned without My Mother at your side? Do you not know the power of Heaven? My Mother was shackled by man's arrogance to Her sacred grounds, Her Shrine, My child, but nothing is impossible with the Eternal Father. She will come to you, as you are not outcast in Her heart. She will come to you, My children, wherever you are sent on your pilgrimage to gather souls. You are temporarily outside Her sacred grounds in Bayside, but, My child, in due time you will all return. Your bishop will be given the sign as promised.

"You must now pray, do much penance, and work with great haste to gather Our straying sheep.

"Have pity and pray for your shepherds who have fallen into the darkness. Even your prayers are necessary, My children, to recover them. Do not be lost in the fallacy that because they are shepherds they cannot fall to the errors of the flesh. The attacks of satan are great upon them. So few pray for Our clergy.

"Your Holy Father is undergoing much trial, My child. You must now gather your prayers for him.

EVIL ONES INFILTRATED CLERGY

"Yes, My child, I spoke to you of the evil ones who have infiltrated into the clergy. They are not entering with dedication and spirits of light, but they are bringing in the spirit of darkness. By their fruits will you know them, My child. I have asked you to be not fooled by those who wear the garments of the dedicated but have fouled their garments. You must pray more for the light and recognize the faces of evil about you, My child.

"No, My child, I am not angered at your reaction of the past week. I would, though, caution you to not speak with the clergy who now have taken possession of My Mother's sacred grounds. I must caution you to remain, My child, yourself, away from those sacred grounds. Do this as great penance to yourself, My child, your spirit. It is for your safekeeping and the well-being of My Mother's work that I ask this of you.

"Do not be affrighted, My child, in the days ahead. My Mother will be with you wherever you are.

"We have asked that many of Our children come to visit with My Mother at Her sacred grounds.

"We know the trial ahead for all who seek to bring the truth to mankind for My Mother. Many shall reject Her message, and many of Our children of the light will receive great persecution as they seek to bring the Message from Heaven to their brothers and sisters.

"There will be many thorns among the roses, but at the end of your road, My children, there is a special crown waiting for you."

Veronica - Now it's getting very bright behind Jesus and Michael. And I see now - oh, a beautiful light. It's like crystal, almost like cut-glass. And Our Lady now is standing right in all of the shimmering light, and She's smiling. I can see Our Lady very plainly now. And She's holding out the beautiful Rosary, Her white beads with the golden Our Father.

And Our Lady is talking very softly:

TRIALS TO CONTINUE UNTIL SIGN TO BISHOP

Our Lady - "My child, you are quite amazed at My appearance. Know that nothing is impossible with the Eternal Father. You are not able in your human nature to understand the ways of the Eternal Father. But know that your trials will continue for a short time until your bishop receives the sign from the Eternal Father.

"Continue to spread My message throughout the world.

"I bless you all, My children. In the name of the Father, and of the Son, and of the Holy Ghost. I bless you, My children, and all your good relations."

Veronica - Now Our Lady is going over behind Jesus, and She's going now into . . . it's a large white cloud. It seems to just be absorbing Our Lady. Oh!

Now Jesus is coming forward. I can't see Our Lady anymore.

Jesus - "Do not be saddened, My child. My Mother is returning to Her sacred grounds, but I am with you for the rest of your evening in your prayers of atonement.

"Continue now, My child, and I will give you directions later after your prayers are gathered for the evening."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Jesus - "You will sit now, My child, and I will give you further directions. But this message must be accepted in secret."

[Pause]

"My child, you must make it known to the world that many of the aberrations taking place in My houses throughout the world are being not condoned by your Holy Father, Pope Paul. The arrogance of mankind in the clergy has brought about many offenses in the Divine Service - offenses to the Eternal Father.

PLAN TO DESTROY CONFIDENCE IN POPE PAUL VI

"There is a plan afoot, My child, and in print to destroy confidence in the Holy Father, Pope Paul VI. It is the plan of the enemy to remove him from the Seat of Peter.

"You must pray much for him. All of his writings are being monitored, My child. There are many enemies in his office. They neither seek the salvation of souls, nor the advancement in truth of the Church, My child. They are bringing great delusion to mankind and seeking to send many out of the houses of God throughout the world.

"By their manner of confusion and disillusionment, many have fallen away and lost the Faith, My child. If this continues, shall there be even a flicker of Faith left when I return to your earth?

"Since mankind refuses to mend his ways, to return to his state of sanctity in My holy Church throughout the world, there is no other recourse but to send upon mankind chastisements to return him to the fold.

"I need not repeat now the chastisements planned by the Eternal Father for mankind. I am certain that My Mother has made this quite clear to you in the past.

"You will now set yourselves onto the narrow road to sanctity by penance and sacrifice and making atonement to the Eternal Father, both privately and publicly.

"The lukewarmness of many of Our clergy and the laity - the lay peoples of Our houses throughout the world, the churches, My child - leave much to be desired. It is by their example that many souls are being placed onto the road to perdition.

"Man shall not use his rank to mislead! Man shall not change the rules of his God, change them to satisfy the basic fallen nature of mankind. Man must change himself to please his God!

"We find in the leadership of Our Church many who have fallen into darkness of spirit, many who have given themselves to the modes of the world, involved in the destructive following of humanism and modernism!

"Many of your leaders of the past who were pure of heart, intention, and dedication, warned you of these errors. But you have turned a deaf ear to their warnings, for in your arrogance you seek to build a new house upon your earth.

NO NEED TO CHANGE

"My Church, My House, was given to you in entirety. There is no need now to change. The only change necessary now, My children, is to go back and restore the light.

"Holiness, piety, dedication must be returned to the churches, or the vocations will fall. The churches will be emptied, and the leaders will be imprisoned by their enemies that have come to them as angels of light, but with ravenous hearts.

"The Red Hat has fallen and the Purple Hat is being misled. Pray for all men of sin, for their judgment lies with the Eternal Father Who sees into their hearts.

"The Eternal Father, My child, is always the final judge. Speak once with the Message from Heaven. If not hastened, speak no more but keep in heart that it may not be their decision.

"Give them, your clergy, by your example and prayers, the courage to stay in the light.

"You do not join the enemy to win the battle, My children, for when you join them, you become tainted. When the world and My Church become one, know that the end is at hand.

"You must instruct and bring to your children the knowledge of your saints. Their example is in the light, My children. Those you have set up to idolize upon earth now are the creations of satan. You must accept and follow the example of your saints, those who have been given this honor by your holy Church. They, too, My child, did not win their crowns without trial, rejection, and often, martyrdom."

Veronica - Now Jesus is extending His hand in front of Him like this, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is moving back. He's going over by the left side, over the tree; He's standing there. And I see Michael. Michael is still holding the large Tome, the Bible, in his right hand. And he has his - now he's holding a scale, a balance, in his left hand. The scale, the balance looks like it's made of gold; it's very decorative. But it's - I notice that the scale is heavily leaning to the left, his left side. And Michael now is bowing his head, meaning yes, heavily to the left.

Now Jesus is moving over. He's just being carried over by the tree, just a little to the right of the tree, above the banner. And He's smiling now. The light is very bright; it's so bright that I can barely now see His face. It's becoming very, very white, almost like white fire. There's no way I can explain it. It looks like an absolute glow of white fire. Beautiful!

Jesus - "You will continue now, My child, with the prayers of atonement. They are sorely needed."

[Pause]

Veronica - Jesus says to watch carefully. I see what appears to be a huge star. It looks like a star. I'm not familiar with them. I know it's something celestial - a huge star, and it's coming over very fast across the sky.

Now I see another star. It looks like the . . . oh, it looks like the moon - not a star, the moon. And I see this, this star, or this round - it's got a lot of rings around it. It's a huge body with rings around it. I don't know what that is - a star? Planet? And it seems to be going crazy. It's jumping up and down and jiggling, going back and forth. And now, all of a sudden it's shooting out right into space, and it's heading over across the sky. Oh, if it keeps going it's going to bump into the moon! Oh, my goodness! Oh!

It looks like this, this thing, this star just seemed to come from out of nowhere. It seemed to have shot right out into space, and it's heading for - oh, it looks like the moon. Yes.

Now as it's getting closer, I notice it's very red. It's no longer white. It looked white before, but now it looks very red. And oh, my goodness! It looks like the Ball again! Oh, my goodness! It's red and orange, and it looks from here now, very hot. I can see it very closely. Oh, my!

And now it's going past the moon. No, it's not hitting the moon, but it looks like it's heading for the sun! Oh, my goodness! It's like, it looks like two big balls, like two suns in the sky. Oh, my goodness! Oh!

Now Michael is coming over on the left side.

Jesus - "My child, the ball you see is out in your atmosphere. Man of science is ever seeking but never finding the truth.

"They have cast aside the knowledge of the supernatural. However, no human mind can understand the ways of the Eternal Father, Who controls your elements.

A STAR SENT UPON YOU

"A star shall be sent upon you. I have asked in the past to hold back this time of great trial to mankind by following the direction of My Mother."

Veronica - Now Jesus - I can see His face now; He doesn't look very happy. I have a terrible feeling of imminent danger, or . . . and He's shaking his head, yes.

Jesus - "The Warning, My child, and the great Chastisement.

"Mankind shall reject these warnings, My child, as in the time of Noe. They will be eating and drinking and marrying, and then will come the end.

JESUS' RETURN APPROACHING

"Shout from the rooftops, My child, that the time is approaching when I will return to earth. I would not count your years upon your two hands, My child, now, unless there is a great change in the ways of mankind. Do not hold up two hands, My child."

Veronica - Oh! Oh!

Jesus - "This surprises you, My child. Why does it come as a surprise? Have you not listened to the message of My Mother?

"Now you will understand the great urgency of Our warnings to mankind. The day and the hour is now in the power of the Eternal Father, My child, but I have given you now a time, and you must work fast to bring this message to mankind."

Veronica - Now Jesus is placing His hand in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now, now Jesus is moving His hand over, like this. Oh, He's telling me to seat - stay, remain seated.

Jesus - "You will join now the prayers of atonement, My child. And work with great haste now for the time left to mankind.

"I leave you with a great question mark upon your world. The final answer lies with the Father. You will find this question mark, My child, in many of your photographs. In time you will understand their meaning.

"It is better now if you were to draw a picture of your earth and place upon it a large question mark. For you are living truly in precarious times - all because mankind has set himself unto his own road to destruction. With his free will, he has cast aside his salvation by giving himself to the world, the flesh, and satan.

THE BEAR READY TO STRIKE

"Already, My child, your news medias deceive you. They do not give you the truth in knowledge. The Bear is now massing on the borders. The Bear is massing on the borders; he is ready to strike! Peace, Peace, you cry; but there shall be no peace to mankind, for he has given himself to immorality and degeneration. The Bear is massing now on the borders.

"Your leaders cry peace while they prepare for destruction. For the love of money many will die, for many have sold their souls, My child, to get to the head.

"The power of satan shall be exercised to cast mankind into the war to end all wars, for no flesh shall escape the fires.

"We have asked you in the past and your present time to pray for the conversion of Russia. Too few have come forward to pray for this conversion; therefore, their errors now have been spread throughout your world.

U.S. PREPARED FOR CAPITULATION

"Your country, America the beautiful, is being prepared now for complete capitulation. Now you know, My children, and now you must act upon this knowledge, or you, too, will feel captivity and slavery and the closing of My houses throughout your country. You have blindly walked right into the trap of enslavement set upon you through devious infiltration of your government, your schools, and your medias of communication.

"Awaken now from your slumber and seek your return from your course of destruction by getting down upon your knees and praying in heartfelt, sincere prayer to the Eternal Father, to guide you back from your present road of destruction.

"Your countrymen have sought to silence the voice of My Mother throughout your world. You will not continue to silence the voice-boxes throughout the world, for you are sowing the seeds of your own destruction!

"Amen, amen, I say to you: unless mankind returns God the Eternal Father to his life, he will not have the years of two hands to count upon!

"The present generation, My child, shall pass through this crucible of suffering. Many great saints shall rise from this persecution.

A SPLIT IN AMERICAN CHURCH

"You will find in your country a great split in My houses. Watch and pray much, for you will divide among yourselves. But you must remain loyal to Rome and your Holy Father, Our Vicar upon earth, Pope Paul VI. The agents of hell set around him shall seek to remove him, and you will find upon the Seat of Peter one who is a puppet of satan.

"My Mother has set in the world Her armies of light, candles that search in the darkness. The days ahead will truly be a test of faith.

"The battle of the spirits, My child, will be fought well. The eventual victory is with Heaven. Know that this knowledge alone shall keep you with Us in the present and the near future battle.

"You will find many companionable spirits, comrades named Faithful and True, though they will be far and wide. You will all join for the Kingdom of the Immaculate.

"You now go forward in two factions, My children: the light and the darkness. You will work as true children of the light - children of your God, to hold back this darkness. Many of your brothers and sisters shall be rescued by your example and acts of sacrifice. Do not falter in the trial ahead.

"You will find, My child, that as you advance in Our mission, you will care less about the opinion of mankind. For it is only your human weakness of pride or self-evaluation that keeps you from going forward with more peace of spirit. You are allowed to fall into this error, My child, to make you stronger in the future.

"I would suggest at this time that you do not seek to move out of your present habitation - home."

[Pause]

Veronica - Now - oh, Jesus is coming forward. It's very bright up there. I don't think it's raining like it is down here.

Oh, now Jesus has changed. He has on His burgundy-colored cape over His white gown. And I can see now it's very bright; it's warm and very filled with sunlight all around Jesus' face. And his face - oh, I can barely see Jesus' face. It's so bright; the light is a piercing white - very, very brilliant. There's no way I can put it into my own words, as Jesus says. It's like a white fire, a crystal-clear, like cut diamond. Oh, it's a beautiful light!

Now Jesus - I'm looking down; I can see His feet. Now Jesus has on these brown sandals. And He doesn't seem to be wet at all, so I guess it's not raining up there.

Now Jesus is placing His hand in front of Him, like this - oh, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And now Jesus is looking down. He's saying very low:

Jesus - "O My children, you do not have to uncover your sacramentals. I assure you I can see into their coverings."

Veronica - Now Jesus is moving over to our left side. He's over by the tree now, and He's bending down and He's placing His hand out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

And now He's going over - Jesus doesn't walk; He seems to just glide on the air. He's carried over across the trees now. And now He's going over by our right side, and He's just above the trees, between the two, and He's looking down.

Now He's extending His hands out, like this, but He's making a Trinity sign. Jesus calls it the Trinity sign. In the name of the Father, and of the Son, and of the Holy Ghost. It's like making a squared box - I mean a three-sided, triangular box, Jesus makes with His hand.

And now it's - just where He had made the sign in the air, is suspended this figure in white. It's all illuminated, like three bars: the Trinity sign. And it's still over between the two trees.

And Jesus is moving over now; He's just above Our Lady's head of the statue. And now He's looking down, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And now Jesus is placing His hands out, like this, in front of Him, and the lights, the stream of lights are coming out from Jesus' hands down onto . . . past the statue. And now they're hitting just about in the center, right here before us. I can almost reach out and - no, I can't reach them, but the beams of light are so strong that I'm sure maybe I wouldn't be able to touch them, that something would happen. Oh, it's beautiful!

The beams are falling down onto where the crucifix is, here on this plaza of the Vatican Pavilion, so Jesus must be blessing it with a special grace, also. Oh, it's beautiful!

Now the light is fading away, and Jesus is rising a little higher. Oh, and He's standing off to the side.

Now He's touching His lips with His hand. Oh!

Jesus - "Continue now, My children, with your prayers of atonement."

Veronica - In the name of the Father, and of the Son, of the Holy Ghost. Amen.

June 18, 1975

Fifth Anniversary of Our Lady's Apparitions at Bayside

Veronica - I've been awaiting the blue lights of Our Lady. Instead, the sky is all cast in red - a deep pink, almost a red. Oh, now there is a light appearing just ahead of us in the sky, and letters are forming in the sky: "WAR": W-A-R. I hear a booming voice. I recognize it as Michael's voice. I've heard it quite often.

St. Michael - "Yes, my child, man has sown the seeds for his destruction. Wars are a punishment for man's sins. "The Eternal Father has waited, with His merciful heart extended to an errant generation, to no avail. Hearts have been hardened, ears are closed to the pleas from Heaven. The sheep shall be separated from the goats. "We send from the Eternal Kingdom of the Lord high God in Heaven a warning to mankind. A great War will be soon upon you, claiming many lives throughout your earth. You will prepare yourselves and the souls of those you love. "Your country has fallen to satan. Many countries throughout your world have given themselves to satan. The leaders in your country need many prayers.

BEND YOUR KNEE IN PRAYER

"The heads of all households - mothers, fathers will bend your knee now in prayer with your children. You must now appear to your God with a humble heart, do penance, make atonement and many sacrifices. "I come to you - I, Michael, as a guardian of your Faith.

"My God, I believe, I adore, I trust, and I love Thee. I do penance for all those who do not believe, do not adore, do not trust, and do not love Thee.

"I say unto you, a degenerate generation, that you shall reap the reward of your immorality, your licentious conduct, and your leading astray the young souls in your care! "I, Michael, send my voice to you for the Mediatrix between God and man - your Mother, the Queen of Heaven. You must make amends to your God, for you have offended Him much!"

Veronica - Now I see Michael. He's moving backwards, up into the sky. It's quite windy. He has on a long robe now. He's dressed quite differently than I've seen him before. He has on a long white robe that's caught about his waist with a belt. Now Michael, I just noticed he has in his right hand a balance. It's like a scale, and I notice it's heavily leaning to the left. And Michael also has in his left hand a spear, but the spear has in the center of it, near his hand, what appears to be a cross-bow, a bow. And now Michael is going back farther into the sky. And there's a bright light now appearing right at the left side of Michael, our right side. And now a huge, illuminated white cross is in the sky. The cross is becoming brighter around the center. It's like a monstrance now, a huge bright, white monstrance. And coming out of the center - oh, it's Jesus! Oh! Oh, Jesus is coming forward now. And Michael now is coming back down from behind Him, and he's standing just at Jesus' right side now.

MAN HOLDS THE BALANCE

Jesus - "My child, the guardian of My houses throughout your world has spoken well. The Message from Heaven must be given to all mankind. Throughout your world, We have sent many with the message. Many voice-boxes shall cry out for penance. "Man holds the balance for his own chastisement. The sins of the flesh are sending many into the abyss. "You must turn away from the ways of the world, the ways of materialism, My children, for you are going fast into darkness of the spirit. You must reject the light set forth by satan to ensnare you and capture your eternal soul. You must now retire from your world, earth, and do much penance in the time left to you. "A great Warning shall be set upon mankind and then the ultimate Chastisement, for many will die in the great flame of the Ball of Redemption.

"It grieves My heart much to watch the manner in which man has rejected My Mother upon earth. I have sent Her to you as your Mother, as My Mother, the Queen of Heaven and earth, to direct you in your battle against the forces of evil. Without Her guidance you will not stay on the road to Heaven.

LACKING IN TRUE SPIRIT OF FAITH

"My words must reach those who are leaders in My houses upon earth - churches. We watch and find many of Our leaders lacking in true spirit of faith. Many are misleading Our sheep.

"The ways of modernism and humanism are the ways of satan! You have been warned in the past, and you are being warned now. You are leading your lives in error. A great delusion has been set upon mankind to test Our sheep. All that is rotten will fall to satan!

"A House in darkness, a Church in darkness wears a band of death about it.

"Our Vicar, your Holy Father, is suffering, My child. Many about him have sold their souls to get to the head, caring more for the pleasures and reaping the treasures of the world of man than finding the treasures of the spirit of God. No man can bargain between the eternal Kingdom and satan, the ruler of darkness and lies.

"Awaken, My clergy, from your slumber! Many are being misled.

"My child, you will make no unnecessary trips at this time. I have cautioned you in the past to remain in a life of seclusion for your safety and the propagation of My Mother's mission.

"The forces of evil will not slacken in their fight against you, My child. You must expect much persecution, for the agents of darkness are set with hardened hearts. And the light - My child, it is difficult to pierce with the light the hearts that are hardened.

"Your major weapon will be prayers and penance. Many can only be retrieved, My child, by prayers and sacrifice. Speak once to them, and if not hastened, My child, speak no more, but keep it in your heart that it may not be of his decision.

"A simple lesson has been given to you in the past, My child. You will pray for those who castigate you. Pray for those who have made themselves enemies of your household. Even they may be returned in the light of grace.

"It is easy, My child, to love those who extend their warm hearts to you, but it is a great virtue to love those who have closed their heart to you.

CLEANSE WAYS OF RECREATION AND ENTERTAINMENT

"Keep pure and holy thoughts in your mind at all times. The eyes are the mirror of the soul. Therefore, My child, make it known to mankind that satan has set much before the eyes of mankind to deceive and degrade his good nature. He will subject mankind, through visual aids from satan, to degeneracy and to the ruination of the light within his soul. Newspapers of the enemies of God, magazines of obscenity! Ways of recreation and entertainment, My child, must be cleansed. The medias have all now been given to satan in your country and most of the nations on your earth.

"Recognize the faces of evil about you. They come to you as angels of light with ravenous hearts.

"Pray much, My child, for your clergy. It is better to remain silent in the face of criticism. You have no reason, no need to defend yourself before them. No man is above the Eternal Father. Know that in this manner He will settle all scores, My child. Your means as a human being is limited, so you must depend heavily upon the Eternal Father to guide you.

"Pray much to your angels. You must understand, My child, they have been sent to you for reason. Tusazeri is always at your side.

"Just as the agents of darkness, satan and his agents, do not sleep - there is no time, My child, in Heaven. You can call upon Us at any time.

"I do not expect that you would understand My words, My child. There is much in Heaven that is sacred, and were it to be revealed to you, it would no longer be a mystery and sacred. All this you will know in time when you pass over the veil.

"The knowledge of the supernatural, My child, has been taken from the hearts of mankind. Mankind must understand there is no death. Life goes on over the veil. However, your destiny is in the hands of the Father Eternal.

"You, on your pilgrimage throughout your lifetime on earth, must work, My children, to enter the Kingdom of Heaven. You must pray and work. They are hand in hand a benefit to your spirit.

"Your works must include good heart to others. If you care, My child, you will understand and not have to force any of your actions, for they will come to you spontaneously.

"I bless you, My child: In the name of the Father, and of the Son, and of the Holy Ghost. Continue now with your prayers of atonement.

"My Mother shall visit you very shortly, and I know, My child, this will gladden your heart."

[Pause]

Veronica - Our Lady now is coming forward. The light is very bright. I have a difficult time seeing the top of Our Lady's head, because She has on a most beautiful crown. Now the crown has covered the whole front of Her head. It's very heavy. There's the most beautiful colored stones - oh, I never saw colors like these. I can't call them a blue, or even a green, or purple. It's a mixture of colors that are so beautiful! Oh!

Our Lady is smiling now. She's coming forward. And Our Lady is dressed all in white. The white is very brilliant, and the light makes it so bright that I can barely look into the circle of light about Our Lady. And She has on the cape about Her. It's like a cloak about Her hair. It has a trim of gold, a beautiful, brilliant gold trim of about . . . I would measure it about an inch wide along the border. And our Lady also has about Her waist a band, and it also is a golden color, the tie about Her waist.

And now Our Lady has upon Her feet golden slippers, but they're sandals. And I can see Her feet; they're just about bare. The sandal is held on by a golden strap. Oh, it's a very, very beautiful color gold. Oh!

Now Our Lady is extending Her hands. Oh, in Her right hand She's holding out Her Rosary, and in Her left hand Our Lady has a very large Scapular. It has no picture upon it. It's a very large Scapular. Oh, She's turning it over. There is a picture. It has Jesus, the Baby Jesus, and Our Lady upon the Scapular.

Now Our Lady is talking very softly. Oh! Oh, it's so soft, like - it's almost like the rustling of the trees.

YOU CANNOT WEAR ENOUGH ARMOR

Our Lady - "My child, these are the sacramentals I have given to mankind for their salvation. Many have cast them aside, for they do not accept the supernatural. Know, My child, that you cannot wear enough armor to guard your eternal soul against the forces of evil that are set loose now upon your world. Satan has control of your world. However, Our armies are banding to do him great battle.

"Won't you join Us, My children, in this fight against the forces of evil? Come, light your candles with Me and search throughout the world for your brothers and sisters who have fallen away from the light."

Veronica - Now Our Lady is extending Her hand over. She has a very large Rosary. Oh, it's the Rosary, the white Rosary with the golden Our Father. And Our Lady is placing it in front of Her, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now Our Lady is turning and She's also blessing to the right: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is going over, and - oh, Jesus is coming down now beside Our Lady, and He's smiling. And Our Lady is coming over by the tree on the right, and She's leaning down and extending Her Rosary cross out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is coming forward. Oh, you'll have to kneel. All who can, please kneel.

Oh, Jesus is coming over, and Our Lady is right behind Him.

"I'm so happy to see You! Oh!"

Jesus now is placing His robe - He has on a deep burgundy-colored robe, and He's placing it over His left arm. And He's extending His hand out, like this. I can see His fingers; they're like this. And He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is moving over to our left side. And He's looking down now and He's placing His hand out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

And now He's going over . . . He's going over - He's floating. He doesn't walk, He just - He's gliding right through the air. And Our Lady is now with Him.

And Michael is coming down now. He just came from out of nowhere. I don't know what direction Michael came from; I wasn't watching. But he's now joined Our Lady. He's behind Our Lady.

And now Jesus is placing His hand out, and He's facing over to the right and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you, My children, with an abundance of graces: graces for cure and graces for conversion. Know that the work of My Mother will go throughout your world without cessation. No man is above the Eternal Father.

"In the time left before your chastisement, which will come as an eventuality, you will spend your time now in gathering your prayers and graces for those who do not have the strength of spirit to acquire these graces for their own salvation."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

PRAY WITH YOUR HEART

Jesus - "When you make your supplications to Heaven, My children, you must not make it a tedious task of the lips. You will pray with your heart, thusly:

[Veronica recites very slowly and deliberately:]

Our Father Who art in Heaven, hallowed by Thy name; Thy Kingdom come; Thy will be done on earth as it is in Heaven. Give us this day our daily bread; and forgive us our trespasses as we forgive those who trespass against us. Lead us not into temptation, but deliver us from all evil. Amen.

"All prayers must come not from the lips but from the heart. Do not rush your supplications, for I assure you, My children, there is no time beyond the veil. The time you give now for the salvation of your soul and the souls for whom you love and pray will be gathered beyond the veil, and your joy will be two-fold when you meet and rejoice in the Kingdom of Heaven together."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Continue, now, My children, with your prayers of atonement. They are sorely needed. The time is growing short. Mankind will go through a great crucible of suffering. This cleansing will be allowed by the Eternal Father to gather Our straying sheep."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

July 15, 1975

Eve of Our Lady of Mount Carmel

Veronica - There are a great many clouds forming in the center of the sky. The clouds are opening, and there are streams of white light coming through the clouds. Now the lights are very bright, and as they're - I don't know if it's the flickering of the lights, but there's a tremendous spray, spraying of diamond-like dust now upon us. It's falling in the area of Our Lady's statue. It's very beautiful! It's like slivers of glass-cut diamonds, very beautiful!

Now the sky is turning a very bright blue, a beautiful deep blue. I can't explain the color in human words, of the blue. It's so beautiful.

Oh, there's a light forming now beyond the streams of light, and Our Lady now is coming forward. Oh, right - you can see Her! Oh, Our Lady has Her hands extended, and the lights are coming from both of Her hands. Oh, it's so bright! Oh, I can't describe Our Lady's face because I can't see Her face that clearly because the light is so bright. Oh!

Oh, Our Lady now is coming forward, and She has in Her arms - oh, the Christ Child. Oh, He looks very regal, the Child in Our Lady's arms. He has a small golden crown upon His head, and He has a white gown. I can see the sash at His waist. And His feet are bare, but He has a velvet robe now about His arms, and it's tied at the top under His chin. He looks like a very regal Prince. Our Lady is smiling.

Our Lady - "Your description, My child, is very colorful. Yes, He was a Child of peace, a Prince of peace."

Veronica - Now Our Lady is moving over to the left, and it's becoming very bright. The light is so bright now. Our Lady seems to be obscured in the light. And now there's a man coming forward next to Her. He's, he seems to be just developing from the clouds behind Our Lady. No, he's coming out of them. Oh, I recognize him; it's Saint Joseph.

Oh, Saint Joseph has on a brown gown and sandals. They look like they're made of a brown, skin-like type of rope. Oh, it has - I can count now the straps on his sandal. It's only two - two straps through his toes, and a band across his ankle. And he's now turning and smiling at our Blessed Mother. And I can see that his gown has a head-piece hanging behind his shoulders.

Now he's extending his right arm, and in it he has a long staff. I think it's a staff; it's a long stick.

FATHER-HEAD OF FAMILY

St. Joseph - "My child, you will make it known to mankind that the head of an earthly family is the father. The Father Eternal will guide the father, the head of the household.

"A woman of earth shall not cast aside her role as mother and housekeeper. In her role as mother, she shall be the guardian of her children's souls and a helpmate of her husband, and a guardian also of his earthly soul and the soul eternal. By her example in her household, she has the power, as woman, for good or evil. She shall stay in her home and guide her children."

Veronica - Now it's growing quite dark, and it's though a great dark cloud has passed across the sky. And I can only see now the bottoms of Our Lady's feet and Saint Joseph's.

Now there's a booming voice; I recognize it as Michael's.

CROPS SHALL ROT

St. Michael - "Woe, woe, woe to the inhabitants of the earth! They shall reap the fruits of their labor. The crops shall rot! Mankind shall feel a sword upon his world.

"The Eternal Father has endured your apostasy, your arrogance, your heresy much too long! As an errant and ungrateful generation given to sin and abominations of the flesh, you shall be forced to your knees by trial.

"The Eternal Father, your Creator, has set upon the world a sword."

Veronica - Now Michael is extending his hand out, and there's a very large sword with a cross-like handle, and he's pointing it down, like this.

Now Michael is going over to the center of the sky. He's pointing with the sword upward, and - oh, going across the sky there is a red horse, and a green horse, and a black horse - all sinister looking. They make me feel very ill. But behind it there's a great light; behind the three horses, there's a great light now approaching. And over this light there are words written in the sky in golden lettering: "FAITHFUL AND TRUE."

Now there's a beautiful white horse coming forward. He's prancing; he's almost like he's dancing. And upon the horse - oh, it's Jesus! Oh, Jesus is upon the white horse! Oh!

Now Michael - Jesus, where is He? Oh, He's disappeared. The horses are no longer in the sky.

Now Michael is coming forward.

St. Michael - "My child, you have viewed what is to be, and is to be in your present. What was to happen in the future shall be now.

"Pray for all men of sin."

Veronica - Now Michael is pointing upward. And oh, there's not a horse, but - oh, Jesus is standing there. I can see Him now; He's dressed in a white gown with a beautiful white robe about His shoulders. He's all in white, and His feet are bare, and He has nothing on His head. His hair is quite long, and in the light now it's shining. It's like a reddish brown, very beautiful!

Now He's holding out His hands, Jesus, and His voice -

Jesus - "My hands are bleeding. My Heart is sobbing. I long to see My creation and be filled with joy."

Veronica - Now Jesus is placing His hands out, and there are tremendous large drops of blood coming down upon the world. Oh! Oh!

Now Michael is coming forward. He has in his hands a very large golden chalice, and he's going over now - He's standing now below Jesus, on his knees. He's not standing, he's kneeling now. He's taken a kneeling position, and he's extending the chalice. And the drops of blood are filling up the chalice - oh, faster and faster. And now the chalice is overflowing.

Now Michael is walking over - He's not walking, he's floating. I say walking, but Michael doesn't walk, he floats. He's carried like on the wind. And he's handing the chalice to Our Lady. She's not holding the Christ Child anymore, but now She's accepted the chalice. Michael now is coming forward, and Our Lady is fading -

"Don't go!"

Our Lady - "I'm not leaving, My child, but Michael has words for you to give to mankind."

St. Michael - "Listen! Hasten, harken, and listen, for you are receiving a warning from the Eternal Father!

"Leaders in the houses of God throughout your world, you must teach honorably. You must teach in faith with firm foundation. Tradition must not be separated from the truth. Man shall not build upon earth a church of man. The foundation is Jesus, the Christ, in the Father and in the Spirit!

HOUSES WILL BLOW IN THE WIND

"Woe to mankind who has set upon the world a blight of error! No man shall escape the Chastisement! Houses will blow in the wind. Skin will dry up and blow off the bones as if it had never been! Eyes will see and still not believe, so hardened are the hearts of man.

"Sin and all manner of evil has become a way of life in your nation and the countries upon earth. One by one, in a sudden movement, many nations shall disappear from the face of the earth. Many of the good must do heavy penance and suffer for this evil, but winning their eventual crown in the eternal Kingdom of God the Father.

"The most high God, the Eternal Father, commands you now as a generation to turn back from your ways that offend Him and the angels, the guardian of your Faith, and the saints who have been given their crown and places in Heaven.

"Your days as a generation have been counted. Your ways have been scrutinized by the Eternal Father and found lacking in sanctity.

"Holiness, dedication of purpose, and pure truth must be returned to the houses of God in your world.

"The knowledge of the supernatural must not be discarded by men of science who rationalize sin. Man of science ever searching and never finding the truth!

"As in the days of Noe, as in the days of Joel, there will come upon your world a scourge. Your city, corrupt in your nation - a disgrace in the eyes of God - shall set itself to right the wrong, or shall be destroyed!

"The murders, daily, of the unborn in your city and your nation have balanced the scale heavily to the left. You have been judged as a nation and found by the Eternal Father corrupt, degraded, and lacking in faith! The Eternal Father shall chastise those He loves.

"You will not accept, my child, a diabolical machine into your living room. Remove it! No excuses for the diabolical box of satan!

"Mankind has accepted all manner of aberrations and evil created by satan to corrupt and destroy his chance for eternal salvation. All who wish to be saved must believe, and in believing must follow the rule.

"The example by many of our dedicated is poor; therefore, the heads of families must now take it upon themselves to be guardians of the Faith in their household. The children are the victims of their elders. Therefore, the parents shall teach their children in truth.

"The rabat - rabbi - is a teacher of life. Do not be fooled by those who have fouled their garments. There are devils loosed upon your earth assuming human form for destruction.

"Your country had been placed under the guidance of the Mother of God, Mary, the Immaculate, and as such She begs clemency before the Eternal Father and more time for your redemption before the Ball is set upon you.

"Parents, prepare your household. Are you ready for the test?"

INVASION

Veronica - I see a great body of water. And now it's as though I'm riding in a boat and looking onto the land. And it's seashore is now filling with all figures. They look like they're going to battle. There are now tanks pulling up, and they're lining up. It, it, it appears from here that there is going to be an invasion. But the country knows of this coming invasion and is preparing for the battle.

St. Michael - "Part of this sword, My child, shall be a great War! Nations shall disappear from the face of the earth. Eyes will see and many will still not believe.

"You will pray - as a nation, as an individual, as a family, as a human being - for your Holy Father, Pope Paul VI. He is now carrying his cross with fortitude. There are in the holy city of Rome two red fish. Remove them!

"Know a truth in fact: the Red Hat has fallen and the Purple Hat is being misled.

"Look into your hearts, dedicated men of God! Shall you stand before the Eternal Father and say that your teaching has been pure in His sight? Shall He cast you - spit you from His mouth as vipers into the flames of the abyss?"

"No man shall place judgment upon you. The Eternal Father shall judge you. No man shall escape this judgment.

"My child - "

Veronica - Now Michael is holding in his right hand a scale. It looks like a golden balance, the scale. And he's now showing it to me.

St. Michael - "You can observe, my child, that it is heavily balanced to the left. Iniquity is reaching its peak. As you have been directed in the past by the Queen of Heaven and earth, as the peak of iniquity is reached, then shall man feel the final scourge. The world, your world shall pass through a crucible of suffering. All who are of well spirit have nothing to fear. Hope and trust in your God shall take you through this trial."

Veronica - Oh, my goodness! The sky now is opening up, and oh, there is that Ball. It looks like a huge ball of fire. Oh, it's terrible! I can't look at it. It must be much closer, because I - it's so bright it hurts my eyes. Oh, I would say it looks now about the size of a dime. Oh!

St. Michael - "Your scientists, my child, shall find that this Ball will come upon mankind without warning.

"All men of learning shall now remove their interest from worldly pursuits, get down upon their knees and make atonement to the Eternal Father for their offenses to their God.

"Prayer, sacrifice, and atonement we ask of you now, for the time is growing short.

"I do not have to repeat myself in admonishing you, my child, not to speculate on dates, as you were directed by the Queen of Heaven. It matters not a date, but what does matter, My child, is that a permanent change to goodness is undertaken by mankind."

Veronica - Now Michael is rising up, up into the sky. Now he's standing at Our Lady's - he's going over to Our Lady's right side. Our Lady is just standing there now. She's holding in Her right hand a very large Scapular. And now She has taken hold of Her beads, which are tied very loosely about the band about Her waist, and Our Lady now is removing the beads, and She's holding Her hand out with the golden crucifix of the beads and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming over to the center of the sky. Oh, She's smiling. And Michael is behind Her. He's still holding the balance in his left hand. And Our Lady is extending Her Rosary with the golden crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

The whole sky now is blue, a most beautiful blue. I always call it Our Lady's blue, for there is no description in human words for the color blue that surrounds Our Lady - just beautiful!

Now Our Lady is going to the left, and there's appearing a huge monstrance in the sky. Oh, it's so big! It's a golden monstrance, and the Host is in the center. Oh, it has also a stand. The monstrance is on a golden stand, and there's a Host right in the center. It's so bright!

Now Our Lady is next to it. Our Lady looks small, because the Host and the monstrance is huge in the sky.

Our Lady - "My child, this is My Son. We ask all mankind to save their eternal soul, their immortal soul, in the Blood, the wounds of My Son.

"The tabernacles of the world shall be your refuge. Come to My Son. He will nourish you with His Body. Unless you eat of this Bread of life, you cannot be saved, so great are the forces of evil set upon your world. The abyss is open wide. The demons are loosed now to do battle against the children of God.

SACRAMENTALS - KEY TO SALVATION

"Wear your sacramentals. Do not cast them aside because you are mocked by your neighbors. Wear them proudly, for they are the keys to your salvation now. They are your armor against the evil that is raging now in force, great force, upon your world. Satan knows that his time is growing short, and he will do great battle with Our children.

"Pray for your dedicated, your priests and your sisters. Many have gone fast into darkness of the spirit, for they have chosen to follow the modes of the world. Bring them quickly the Message from Heaven. We do not wish one child to be lost to Us.

"O My dedicated sons, will you not gather Our straying sheep?"

"Believe, My children, and you shall be given the way. Ask and you will receive the light. None shall enter into the abyss unless of his own free will. You have the balance within your heart for your salvation.

"Every man, woman, and child upon earth must make his decision when he is of knowledgeable age, for his salvation. You cannot be of the world and of the spirit. You may live in the world, but you must remain in the spirit.

"A life of prayer and meditation shall give you the necessary graces that will keep you from falling into error."

Veronica - "Yes."

Our Lady - "I bless you, My child and My children, with the shield formed of My Immaculate Conception. In the name of the Father, and of the Son, and of the Holy Ghost.

"Continue now, My child, with your prayers of atonement. They are sorely needed.

[Pause]

Veronica - Everyone who is able, please kneel, for Jesus is coming forward now.

Oh, Jesus is dressed in a white gown, and He's barefooted. He has a burgundy-red cape over His gown. The gown is tied at the center with a rope-like - oh, I don't know, I . . . Jesus says, "Cincture." Cincture.

And now Jesus is placing His hand out, like this, and I can see the wound on His right hand.

Jesus - "My child, you have been given a Message from Heaven. Many have taken upon themselves to cast aside the warning from Heaven. For this reason only a few will be saved.

"The errors and the road to destruction - many have set themselves upon this road through error and not seeking the truth. The light of knowledge is in every man's heart. This knowledge must be turned to channels of the spirit. Man has given himself to pleasures of the flesh. All have been created by satan for your downfall.

"Sadly, your country is following the world onto the road to its own destruction. You must turn back now, for your time has grown short.

"The Eternal Father will chastise those He loves."

Veronica - Now Jesus is placing His hand out in front of Him, like this. His fingers are interflexed, like this, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming down from the sky. She looks very beautiful. Our Lady has a crown on Her head now. Oh, it's made of all stones, the most beautiful stones. Each one is set into a huge, star-like formation of gold. The center is a stone, and the gold prongs come out forming like a Trinity cross on each elevation from the crown.

Oh, Our Lady is dressed all in white. But there's golden trim about Her robe, and also the belt on Her dress is golden, also. And the huge Rosary is now tied to Our Lady's belt. Now She's coming right down. She's at Jesus' now right side. He's moving over. Now Jesus is looking down and smiling. He's moved over to our left side, just over by the trees, and He's placing His hand out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going across the sky, and Our Lady is following. They just float; They don't walk like we do. They look almost like They're standing still, but carried across on the wind.

And now Jesus is looking down. He's just about next to the top of the tree, and He's looking down. Now His hand is going forward: In the name of the Father, and of the Son, and of the Holy Ghost.

BISHOP TO RECEIVE SIGN IN SHOCK

Jesus - "Graces shall continue to be given in abundance while you await the sign to your bishop. Know that he will receive this sign in shock.

"Pray much that your clergy will be enlightened. The ways of Heaven are not akin to the ways of man. You will not understand them fully until you pass over the veil.

"Pray a constant vigilance, for your country has gone into deep darkness."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

July 25, 1975

Eve of St. Anne and St. Joachim

Veronica - The sky was very pink, but now the clouds are . . . just seem to be blowing away. They're separating, and the sky directly over us is becoming a blue. It's a deeper blue. I haven't seen the light coming through yet, of Our Lady. It's almost like a steel door.

Oh, now the light is coming from the left side of us. It's a brilliant, bright light. It feels - there's no way I can explain it, Mother. It's a glass-like, piercing light, beautiful! Clear as the water, crystalline and pure.

Now - oh, Our Lady is coming forward. Oh, Our Lady is very beautiful. The sun is shining brightly above Her. Oh, it's not the sun, it's the light that is coming from Our Lady.

"Please, remove the light. Our Lady said to please do not focus the light upon me."

Our Lady - "My child, we must exercise our human knowledge to prevent error in judgment. You must not set yourself to be an object to all, for the enemies of your God have taken it upon themselves to seek to remove you and silence your voice.

"From Heaven We may direct you, My child, but you must also follow Our direction. You must not grow careless in security, My child."

Veronica - Now Our Lady is pointing upward to this huge door. It's a steel-like door, very large, and above it, I notice it's like an area covered by stars. I believe they're stars; they're brilliant white lights. And . . . oh, now Our Lady -

Our Lady - "My child, I will explain to you. What you are viewing is the gate to the Kingdom - a mystical gate, a supernatural gate that man cannot transcend until he comes to Us in the spirit.

"The Kingdom of Heaven exists, just as your earth exists, My children. However, none can come across into the Kingdom until they depart from their earthly bodies. Your body, My children, are but shells housing your spirit, the life within you.

"The agents of hell, My children, abound upon your earth. You must recognize the faces of evil about you. Do not be fooled by those who come to you as angels of light, but have ravenous hearts. They often assume the identity of Our clergy. They are not of the spirit of light or life, for they are of the spirit of darkness and agents of the prince of darkness, satan.

"You must work, pray, and make atonement to the Eternal Father, for the time is growing short. Do not be slowed down, My child, by those who cast disparaging remarks upon your work. No man shall you be accountable to, My child.

ETERNAL FATHER SHALL GUIDE IN SECRET

"The Eternal Father shall guide you in secret, and you will continue your acts of mercy and the salvation of Our children in secret. The acclaim of your world will not be an honor to seek, My child.

"If We could approach you in all truth, My children, We would ask you to remove your worldly entrapments and cover yourselves with ashes and sackcloth. Remove all signs of worldliness from your exterior, and you will place upon yourselves the garments of sanctity.

"Learn a simple lesson, My child. You will meet with rejection by many, for by rejecting My message they can place it as far from mind as possible. When one does not wish to accept a truth they try to disprove and sully this truth.

"The knowledge has been given to mankind that a great Chastisement will be sent soon upon your world. It is in this manner that the Eternal Father will separate the sheep from the goats.

"You must pray much for your clergy. A House, a Church in darkness, My children, will shut its doors, for a Church in darkness wears a band of death about it.

"You are much concerned, My child, of the emissary whom you sent to the Eternal City. Do not be concerned, for the Eternal Father in Heaven has a plan for him. We cannot reveal all to you, My child, at this time, for then the enemies of your God would take action against you. The Eternal Father has a plan for all, and I assure you, My child, it will appear before your very eyes.

REMOVE WORLDLY CLOTHING

"We expect now, at this time, at this late date, My child, that all who follow the road to Heaven will divest themselves, remove all worldliness from their presence and cast aside for good example to all, the worldly clothing that has been forced upon them by satan. Their example must be one of holiness. You must avoid all occasions of sin.

"My children, many trials will be sent to you in the coming days. These trials will turn many back to the light.

"You must pray much for the leaders of your country and the countries of the world. As I have told you countless times, many will disappear from the face of the earth.

"You will continue to receive your photographs of knowledge. Many are given in secret, and many are for the general exposition to the world, My child.

"Do not be concerned of those who reject these manifestations. It is only because the Eternal Father has not chosen to open their eyes to the truth. It is a grace, My child, a special grace, to be able to see, for many are blind.

"As you go through the coming days, My child and My children, you will give the Message from Heaven to all. Speak once, and if not hastened, speak no more; but keep in heart that it may not be his decision. By that I mean, My child, that many are playing 'follow the leader' onto the road to damnation. They are swimming downstream like ducks, heading for the destruction of the rapids.

"Your country and the world is heading fast to a dangerous climax, My child.

DO NOT LOWER STANDARDS

"You must not compromise your Faith. You will not win souls for Heaven by lowering your standards, My child and My children, and joining the enemies of your God.

"In the past years of your earth's time, I have begged for the conversion of Russia. My words have been taken lightly then, as they are now by many. You must pray for the conversion of Russia, for she will send her errors throughout the world.

"Your country has set itself onto the road to destruction, for they - your leaders have not taken action against the murderers set loose in your society. The murders of the young, the innocent unborn, have not gone by uncounted by the Eternal Father. Measure for measure shall you be given the reward of your - "

Veronica - Oh, as Our Lady is pointing now up, I see - oh, my goodness! Oh! Oh, my! I see that - I know it's a comet. It, it's a round ball of fire, and it's traveling at a very fast pace through the sky. And it's so hot! I can feel the heat, the great heat of this long tail. As it's going through space, it's shooting out a tremendous fiery tail. Oh!

Our Lady - "I repeat, My child, your country shall not escape the destruction of the fires, as you will be planet struck.

"As in the days of Noe, My child, many shall reject the Message from Heaven.

"We do not send you a message of fear, but a message of fact. Repent; make atonement now while you have the time, for the hour of reckoning is coming. It is at hand, My child.

"For the love of money and power of short duration, many have sold their souls to get to the head.

"Saint Michael must be returned to the houses of God, for he is the guardian of the Faith.

"The word of the Eternal Father, your God, is everlasting. He knows no beginning and no end. Therefore, you shall not change the words of God to suit mankind and their basic carnal nature. You must change man to bring him under the rule set forth by his God.

"The Eternal Father, My children, has given you a simple lesson of life. The Commandments must be followed, for shall you break one, you break them all.

REMOVE PORNOGRAPHY FROM SCHOOLS

"You must remove the reading matter, the books filled with obscenities - pornography, you call it, My child - errors and degradation, soul destructors. You must clean your schools. Remove the teachers who promote the destruction of souls.

"Parents, as guardian of your children's souls, you must have the courage to come forward and act upon this, for it will be you as parents who shall cry tears of bitter remorse when you know that these children have been lost forever to the eternal Kingdom. For many shall fall into the abyss. The prince of darkness, satan, shall claim many young souls.

"The Eternal Father is always the final judge; but, My children, do not be misguided by the fallacy, the lie from the father of all liars, satan, that there is no hell or purgatory. Shall you come here, over the veil, and learn this lesson sadly?

"Only a pure and cleansed spirit can enter into the Kingdom of the Eternal Father, your Heaven. This cleansing shall take place upon your earth in suffering, or over the veil in purgatory. Hell is also eternal. Hell is permanent, My children."

Veronica - Now Our Lady is floating. She doesn't walk. She's rising higher up into the sky. And now Our Lady has Her Rosary in Her right hand, and She's pointing. She's holding the Rosary forward, and She's pointing over to the right side. And oh, coming down now, oh, is a lady, another lady and a man. Oh, I know they are Saint Joachim and Anne.

Oh, Saint Anne, she's heavier than Our Lady, and she's wearing a different type of garment. Saint Anne has on a grayish-white type of garment with a rope-like cord about her waist. And she has on a shorter scarf; it's like a whole cape going about her head, sheet-like, and reaching just about to the center of her inner garment.

Now Saint Joachim, he has on a sheet-like garment. It's one piece. He hasn't got a cape over it, but the sleeves are very loose. He's completely covered, and his garment is also tied about the waist. And he has on brown leather, like skin - brown, skin-like leather, I think it is, sandals with a strap that's going through his toes, and also a band. I can see the band, for Saint Joachim's sandals are just coming out from under the hem of his garment.

Now Saint Joachim and Anne are going over to Our Lady, and Our Lady is smiling. Oh, the light, the very bright light now is all about them. They're standing in this - it's like an arc, a beautiful crystalline type of . . . oh, light. It's very hard upon my eyes.

Now Our Lady is touching Her lips with Her finger.

Our Lady - "My children, follow the example in family of My mother and dear father. Children must respect their elders. There is no unity in the homes upon earth, for they have forgotten the example given to them.

"We hear, My children, cries of 'love' throughout your world, but is there the true meaning of love being exercised, or is it just a word that mankind uses in his seeking, his searching for the truth but never finding it, My children? Oh, yes, My children, only love can be given by the Eternal Father the true meaning.

"My Son gave you a perfect example of His love. In His time of suffering many also rejected Him, My child, and many now have forgotten His suffering."

Veronica - Now Saint Anne is coming over. She's standing by Our Lady's right side, and Saint Joachim now is on Our Lady's left side. It's so beautiful!

St. Anne - "Parents . . ."

Veronica - Oh, Saint Anne now is touching her eyes. She feels - I know she feels very sad.

St. Anne - "Parents, you must teach your children. Do not send them out into your world to be instructed by the father of liars who has done his work well in your schools.

"Your home must be a refuge for your children. Place about them the things of your God. Remove from your homes the trappings of the world, soul destructors - soul destructors, My children, that have been created by satan to capture the souls of your children.

"Sin has become a way of life. Awaken now from your blindness, my children upon earth. You are sending your children onto the road to destruction!"

Veronica - Now Our Lady is going up high into the sky, and Saint Joachim and Anne are following Her.

And now Our Lady is pointing with Her Rosary in Her hand over to the right side of the sky, and there are a group of nuns. I can see they're nuns by their habits; they have on the long habits. And Our Lady now is going over with Saint Joachim and Anne.

Our Lady - "You must, My child, hasten to gather your sisters. They must be strengthened in their Faith. They must not succumb to the errors that abound now in the houses of God throughout the world - in the seminaries and the convents, My child.

"The antichrist forces of the agents from hell are out now in great numbers invading Our convents and seminaries, My child. You must hasten to reach your pastors with the message."

Veronica - Now it's growing quite dark. I can't see the nuns. Oh, but now one of the nuns is raising her hand. Oh, it's Saint Theresa. I recognize her now. Oh!

St. Theresa - "Veronica, there's great discord in the convents. You must encourage them by prayer.

HABITS TO BE WORN TO THE FLOOR

"Tell my sisters not to fall into the errors of the world. They must not join the world, or they will be lost to us here in Heaven. They must place the garments of holiness upon themselves - bring their habits to the floor.

"All signs of worldliness must be removed from their persons, for when they join the world, they will no longer be brides of the Christ.

"If a bride of Christ gives herself without change to the world, she will find it difficult to return and accept the truth, for she will become blinded. Please pray, my sisters and brothers, for those who are losing the way."

Veronica - Now Our Lady is coming forward, and She is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Lady - "The world is going fast into darkness, darkness of the spirit. Remember the words of My Son to you, My child: 'This, My child, is what will be: in darkness will they seek the way. In darkness, will they seek the way?' Repeat this, My child, the words of My Son: 'This, My child, is what will be: in darkness, will they seek the way?'

U.S. SOON TO FACE SPLITTING UP OF FAITH

"You must remain united with your Holy Father In Rome. Your country, America, the United States, will soon face a splitting up in their Faith. This will accomplish nothing, My children, for united you will stand and divided you will fall.

"A House that has set and divided itself cannot be on a firm foundation. You will gain nothing by compromising with the enemy.

"My child, repeat the words of My Son: 'When I return, shall I find even a small flicker of faith left in your world? Teachers In My houses, shall you stand before Me and say that your teaching has been pure in My sight? I will say: Away from Me, you workers of iniquity, into the fires of eternal damnation!'

"Yes, My child, Our children must read the Book of life, the Bible, for knowledge is power. You will read in the spirit and ask the Eternal Father for guidance that you do not fall into the web of satan that will result in blindness and falling into error, casting aside the truth for invention, experimentation, humanism, modernism, and satanism.

"Man has cast aside the knowledge of the life eternal - the supernatural. He shall rationalize himself out of the Kingdom of God. Only too soon must he go across the veil and shall be rejected for his casting aside the truth.

"For those who have been given the light, My child, much is asked of them. They must pray for their sisters and brothers. Many must carry heavy crosses. Your suffering in the light leads to the Kingdom of Heaven and a crown - a crown, My child."

Veronica - Now I see forming in the sky a very large chalice. And on the chalice now there are lights forming; they're three glowing candles.

Now above the chalice there is a huge face of a clock. The hands are pointing to the four and the eight, the twelve and the six. It is the sign of Armageddon, the sign of the Antichrist.

Our Lady - "It is time now, My child, that those of true knowledge and Faith must work, do penance, make atonement so that you may convert the unbeliever. The graces shall be given to all who ask, graces for cures and graces for conversions.

"My sacred grounds in Bayside are held in abeyance, My child. The Eternal Father has the plan for all.

"You will pray for your bishop and your clergy."

Veronica - Now Our Lady is extending Her Rosary out, like this, and She has the cross on the end of Her hand, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Lady - "You will be seated now, My child, and await My Son."

[Pause]

Veronica - All who are able, please kneel. Now just above us, over Our Lady's statue, the sky is becoming very white. But it's bordered - the white section of the sky is bordered on each side by a long . . . it's a wreath. I know it's like a wreath, but on each side it's like a long piece of wheat growing.

Now it's becoming very bright in the sky between the two pieces of wheat, like - oh, they're almost like a long bough. I can't explain it. Now coming - oh, the light is opening up. It's like a pinpoint of light that's opened up until the whole sky is surrounded by this luminous light. Now coming through the light - oh, it's Jesus! Oh!

Jesus has on His - it's a white garment, inner garment, and He has a belt about His waist. It's tied very loosely. The belt looks like it might be like of a hemp, or cord. And Jesus has on His feet now - He has on sandals. I can't see what's holding them on; I can only see the bottoms of Jesus' sandals. And Jesus has His burgundy-colored cloak about His neck, and it's falling loosely now behind Him. And Jesus is coming forward, and He's placing His hand out in front of Him, like this, and I can see the wounds in His hand. Oh!

Jesus - "My child, I will not repeat the mystery of Faith.

"I have watched the world going into deep darkness of spirit. The manner in which man conducts himself in My houses throughout the world have caused great suffering to My Mother and other personages of the Kingdom of the Father.

"I do not have to repeat at this time the word of warning given to you by My Mother to earth's peoples. This warning must be acted upon now, for there is little time left to mankind.

"For all who have come to Me through love, I extend a grace of perseverance. We bestow upon you in your faith graces for cure and conversion."

Veronica - Now Jesus is placing His hand out like this, and He's turning it, like this, and there are rays coming out by the hands - from His hand. But the rays also seem to be coming out from His chest. And they're coming down now in this direction, going past me, down onto the group of people on this side.

Jesus - "You see, My child, the burning fires of My heart. My Blood has been shed for the salvation of mankind. Now My wounds are bleeding anew. Is there not one who will solace Me? My hands are bleeding; My heart is sobbing. I long to see My creation and be filled with joy."

Veronica - Now Jesus is going over to the left side, our left side. Now He's extending His hands out. The light is dying down; it seems to be just disappearing from this direction now. And Jesus is placing His hand out in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is moving over. He's just floating; He seems to glide right on the air. And He's just above Our Lady's statue now and placing His hand out in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is smiling. It's a sad smile. He's not laughing; He's just smiling very quietly and sadly, but . . . and He's looking over now by the trees. Now Jesus is going over and He's looking down now, placing His hand out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is coming over to the center of Our Lady's statue, just above Our Lady's statue, and behind the trees.

Jesus - "My child, you will continue in patience and fortitude. The plan from Heaven will be consummated.

"All who have given themselves to satan shall rush headlong, head first into the abyss. No man shall fall into the abyss except of his own free will.

"Before the cleansing, the chastisement of mankind, each individual soul will have passed through this crucible of testing and suffering. All will be well for those of good spirit.

"My Mother does not come as an emissary to instill fear in your heart with Her message. My Mother has come with prophecy to enlighten you of the days ahead, for the Father will chastise those He loves. It is in this manner - the manner of your God, that cannot meet with comprehension even by a generation that has become arrogant and considers itself above the Father Eternal in knowledge. They shall not comprehend the way of their God.

"You will all retire from your world of satan. Satan knows his day grows short. He will do full battle against the children of God.

"Accept now your cross. Carry it with perseverance. But remain in the light, for it is the only way to the Kingdom."

Veronica - Jesus is placing His hand out: In the name of the Father, and of the Son, and of the Holy Ghost.

GROUNDS IN ABEYANCE UNTIL SIGN TO BISHOP

Jesus - "Continue now, My children, with your prayers of atonement. You are not displaced from the sacred grounds. They are held in abeyance until the Father, the Eternal Father, gives the word to your bishop."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

August 5, 1975

Eve of the Transfiguration of Our Lord

Veronica - The blue lights are slowly opening up a wide area over Our Lady's statue. Our Blessed Mother is coming forward now. She's been standing high over the statue's base for quite awhile. I was watching Our Lady. As we were singing She was coming through the sky, the darkness of the sky.

Now all about Our Lady are these long streams of pale blue light. It's a beautiful color against the dark sky. Our Lady has on a white dress, a beautiful white dress, and a deep blue cape. It's like a scarf that covers Her whole head and down to Her feet. Now on the top of the cape, Our Lady is wearing a most beautiful golden crown. It's a round crown, dome-shaped-like at the top, circular, a ball shape, and it has a golden crucifix on the top of the crown. The crown has beautiful colored stones on the pieces that form an entwining circlet of color in the crown that Our Lady has.

Now Our Lady is placing Her hands forward, like this, and She has Her very large Rosary, the beautiful white Rosary with the golden Our Father beads. Now Our Lady is taking the crucifix in Her right hand and She's placing it to Her lips. She's kissing the crucifix.

Now Our Lady is motioning me to be silent and listen.

Our Lady - "My child, you will repeat after Me all I have to say to the world.

"The forces of evil are gathering in great numbers in the Eternal City of Rome. You must pray now for your Holy Father. The forces of evil are sending their errors throughout the world.

"Through many years of your earth-time, I have asked you to pray and set a good example in your country for those throughout your world who have fallen into darkness and error.

"As in the past, My child, those who have the power for good are using this power to destroy souls. The Father, the Eternal Father, will permit this but for a short time. All that is rotten will fall.

"Satan has poisoned many minds, and many are following like sheep to the slaughter. The evils of modernism and humanism abound throughout your world. I repeat Myself, My child, much, for in My repetition I hope to reach many.

"The mission We send Our special children upon is not accomplished in the manner that will be recognized by these children. I mean, My child, that you must not question the ways of the Eternal Father, but you will go as He directs you without question or doubt. It is only satan who plants a seed of doubt in the minds of My children.

"You find, My child, great wonderment of your mission. I have sent you there for a reason to your city of Washington. The great power of your country comes from those who have now gained a control of your government. The forces of evil have entered upon your government, My child. Many sacrifices must be made for these who have given themselves to satan.

ABORTION

"Our hearts are saddened by the numbers of helpless children being murdered in your city and the cities of your world. As you sow, so shall you reap.

"The murders of the unborn, My child, in abortion have gone far beyond any murders in your history and the history of your world. All who have given themselves in even small measure to the murder of these Holy Innocents shall be condemned to the eternal fires of hell. You, as a man and human of nature, cannot judge the heart. The Eternal Father is always the final judge, but you must by example make known the misery, the rejection, and the chastisement that the Eternal Father will send upon your city, your country, and the world, for the murders of the unborn.

"There is a life, a spirit of life, My child, breathed into the body at the moment of conception. A life is born, a life has been sent by the Eternal Father with reason. For greed, for avarice, for a worldly gain, you murder the creations of the Eternal Father! You bring upon yourselves destruction!

"Your country, My children, America, the once beautiful, has become a nation of sin, corruption, vileness - lacking charity, modesty, piety, and lacking the knowledge of God the Father Eternal. Your children - the children of your country and the children of your world - their souls are being starved for the light.

"The teachers in the House of God, will you stand before the Eternal Father and declare that your teachings have been pure in His sight? No, I say unto you! You must now mend your ways. You who have given yourselves to the world of satan, you must turn now and make amends. Restore My Son's House to a House of sanctity and piety and holiness! You will gain nothing by uniting My Son's House with the world.

"Soon, very soon, My children, a great Warning will be sent to mankind. How many of you shall take note of this Warning, that it has come from the Eternal Father, from His merciful heart, to give you time to prepare?

"Then the Ball of Redemption shall come to cleanse the world with a baptism of fire! Have you prepared your children? Have you cleansed your homes?

"Parents - mothers, fathers, protectors of souls - why have you given yourselves to the world, entering into the darkness and taking your children with you? What have you gained if you gather the riches of earth? For you will go into the veil - beyond the veil and face in judgment the Eternal Father! What merits will you have but those you have given to the world? What have you given to the Eternal Father? Your merits beyond the veil are not counted in earthly measure, but they are those of the spirit. Have you covered yourselves with a spirit of darkness or of the light?

"As human beings, My children, the Eternal Father has given you a free will! No man shall be forced into the Kingdom of the Eternal Father. He will have made his own choice.

"The Commandments of the Eternal Father that have been given to you through generations must be followed with discipline! You will not compromise your Faith! You will not compromise and gain souls, for you are turning them away from My Son's House. Awaken from your slumber! My pastors, you have fallen asleep!"

Veronica - Now Our Lady is raising Her hand, and She's pointing up high into the sky, and I see She is writing. Our Lady is pointing and a writing is appearing now over Our Lady in the sky: P-E-R-S-E-C-U-T-I-O-N: "PERSECUTION," F-O-R: "FOR," T-H-E: "THE," C-H-I-L-D-R-E-N: "CHILDREN," O-F: "OF GOD," G-O-D. "PERSECUTION FOR THE CHILDREN OF GOD."

Now the lettering - it was in a brilliant red color, red-orange, red bordered with orange - it's beginning to fade away. It's almost like a smoky figure now, fading away.

Now Our Lady is motioning to me like this, making the sign of the cross with her hand.

Our Lady - "My child . . ."

Veronica - Oh, now as Our Lady is speaking, there's a tremendous blue light. It seems to be shooting right across the sky over Our Lady's head.

Our Lady - "My child, graces are given in abundance for the asking. The world will go through a crucible of great suffering. All who are of well spirit will have nothing to fear. They will recognize the signs of their times and go through this suffering knowing there is hope in the light.

"You will, My child, continue to receive many messages in photographs. Read them carefully.

"I understand, My child, that you receive many requests. You must tell these dear souls that we are not in a fortune-telling business. It is not the will of the Father that you engross yourself in prophecy other than that given to you by the Eternal Father.

ASTROLOGY A FALSE SCIENCE

"The destiny of every man lies in the hands of the Eternal Father, My child. We are much distressed to find many of Our children becoming engrossed in this game, My child, of astrology. Do they not understand that it is promoted by satan to deceive them? The Eternal Father has the destiny of each man, for He has created him, My child. There is not a stone or a star, or a dark light - and I say dark, because we must not confuse this with the light from Heaven, My child - there is no manner of metal, or light, or heat, or radiation that has an effect on man's future.

NO REINCARNATION

"I shall not enlarge upon this statement at this time, My child, for it is very complicated to most human beings. However, I will repeat Myself: astrology is a false science, created by satan. Also you will make it known, My child, that there is only one spirit for one body. There is no reincarnation. That is also a fallacy and deception given to the world's people by satan.

"You may enlarge upon this by stating, My child, that at the end of time, the general judgment, each soul will be reunited with its body at the general resurrection of mankind. Now if you were, My child, to have more than one body, what body shall We place that one spirit into? You see, My child, for those minds that have not been clouded by satan, it is easy to understand that it is a falseness that has been sent upon the minds of Our children by satan. It is truly a battle of the spirits.

"Satan will send many false miracles into the world, but they are of short duration. And by his fruits will he be known.

"You will practice a life of more prayer, My child and My children, vocal prayer and interior prayer. Use prayer, for it causes great despair to Our adversary, satan. He must flee at the sound of prayer.

"You ask, My child, of the power of satan? Yes, he has been given great power. However, he is not above the Eternal Father in Heaven. The Eternal Father will turn all evil to good.

"I wish, My child, that you continue to spread the Message from Heaven. Send it in great haste throughout the world. We are gathering Our sheep. The goats are numerous in numbers, and sadly, many shall fall into hell. Among these, My child, are many mitres. You must pray for your priests, your clergy. There are so few prayers given to them upon earth.

"I have asked you many times to pray for the conversion of the nation Russia. Unless there are more prayers and acts of sacrifice, Russia shall send her errors throughout the world, causing great suffering and loss of Faith.

"Satan now has entered into many houses of My Son, churches throughout the world. A pastor must remain true to his Faith. If he gives himself to the world, he will find it difficult to return to the narrow path that leads to the Eternal Kingdom of God the Father.

"Awaken Our children with the knowledge that no man must answer but to the Eternal Father. When he goes over the veil, he dies in his human body upon earth. So why do you give yourselves and sell your souls to satan who has placed the spirit of darkness into many humans upon earth? You must learn to recognize the faces of evil about you.

WORLD NOT TO BE UNITED IN ONE RELIGION

"Satan has placed many agents in high positions in your governments of the world and also in the houses of God. You will not compromise your Faith, My children. You will not unite the world into one religion, for it will not be that given by My Son, but a religion of darkness.

"The foundation for your Church, My children, is My Son. The Trinity shall be your guide: In the name of the Father, and of the Son, and of the Holy Ghost. One God in three Persons, My child, but in one God: God the Father, God the Son, and God the Holy Ghost.

"You must warn Our clergy that many are being deceived. They must merit the respect of their flock by their example and holiness. The more they enter into the world, the less they will be of the spirit of light. Man must live in the world but not be of the world.

"So many are now catering to the basic carnal nature of mankind. They seek to bring a false maxim of goodness to mankind by feeding them all the pleasures of your lifetime, all the material things of your world, but their spirit, the eternal life within them, is being starved.

"When you leave your body, My children, your spirit will live on forever. However, there is no guarantee without merit of the Eternal Kingdom of the Father. You must want to go there, My children. You must work to go there. You must pray, you must make sacrifices, and really know the true meaning of 'love' that is being exaggerated, My child, in your world. They cry 'love' and 'peace' where there is no love and no peace. The only example of love, true love, is in the cross, My child - the lifetime of My Son upon earth and His Ascension into the Eternal Kingdom.

"In the general resurrection of all souls and bodies, My Son shall take the bones and rise them up, knitting them and uniting them, and placing upon them incorruptible flesh, for death will be conquered. Pain shall be no more. Sin shall be no more. Joy will abound. Charity will abound - goodness, mercy, kindness, and all the goodness created by the Eternal Father.

"As your world proceeds deeper into darkness of spirit, all of these will disappear, My child, 'till those who are upon earth will envy those who have gone on through the veil.

"You will not, My child, speculate in dates. It does not matter a date, but to be prepared, for I have given you enough signs and direction to prepare yourselves for what lies ahead. You will be scoffed at; you will be slandered; you will be mocked. There is only one way, My child, to the Kingdom Eternal: that is by carrying the cross.

"All suffering is for a purpose, a reason known to the Eternal Father. You will accept all in good heart, My child, for one day it will all be made known to you.

SEEK OUT BOOKS OF TRUTH

"You will ask Our children of good spirit to make known the lives of those who have gone before you, known as the saints. They have given good examples for your children. Satan wishes to take them from the minds and hearts of your children. Go, seek out the books of truth that still retain these stories of truth of these departed souls, those who have given themselves to the Eternal Father during their lifetime upon your earth.

"Many cures and conversions, My child, will be given during the course of your work upon earth. There are many instruments now, children of God, going throughout your world upon earth to bring the Message of Heaven. When this ground has been covered, the full coverage with the Gospel of the Father throughout the world, you will know, My child, that the sand has run through."

Veronica - Our Lady is showing - She is pointing up to the sky, and there's a large . . . oh, it's an hourglass, and it's quite full. The sands have run through, and Our Lady is saying very, very low. I can barely hear Her.

Our Lady - "You see, My child, there is not much time left, so work with great haste.

"You will now be seated, My child, and join in the prayers of atonement."

[Pause]

Veronica - As I look into the sky I see a very large door. I recognize it as a door, but it's made of stone. I feel that I am looking onto a vast stone, like a tablet. Oh, it's not a pleasant sight. I don't know what the stone stands for. Oh, now there's a voice crying out. It's the cornerstone of life. Oh!

Over on the left side the sky is becoming very clear. It was dark, but it's like a great light piercing the darkness, going through the darkness, and - oh, now coming forward is Jesus. Oh, all who are able, please kneel!

Now over on the right is a beautiful green glow, and coming through this is Michael. Oh, he is huge! Oh, Michael covers the whole expanse of the sky. Oh, my! Now Michael is carrying in his left hand the balance. It's a golden balance, but it's leaning very heavily to the left.

And over on the left now, Jesus is coming forward. He has a deep red, a burgundy scarf - no, it's a cloak, over His long garment. Now Jesus is in His bare feet; I can see His feet under His gown. And His hair is very long. Now Jesus is turning over to His left side, to Michael, and He is nodding His head.

Now Michael is coming forward. Jesus is standing over on my left, and Michael is coming forward. And his voice is booming. It's so loud, it kind of gives me a tremendous feeling of explosion in my ears.

St. Michael - "Hasten, harken, and listen to the voice of what is to be!

"I come to you - I, Michael, guardian of the Faith, guardian of the Kingdom of light - to bring you a message of warning from the eternal Kingdom.

DESECRATION OF HOST

"You have desecrated the Host! You have defiled the Spirit! You, as a generation, call upon yourself a punishment far worse than any that has been seen by mankind in the past, or shall ever be seen in the future. Your world is fast heading into a baptism of fire!

"A House in darkness, a Church in darkness wears a band of death about it.

"The balance for your destruction is heavily to the left."

Veronica - Now Michael is extending his left hand, and in it is this balance.

BLOOD SHALL FLOW IN REVOLUTION

St. Michael - "Yes, my child, you find the balance heavily loaded, leavened by the sins of mankind and all manner of abominations that cause the Blood of your Creator to overflow in the chalice. This Blood shall wash mankind clean. Blood, the blood of mankind, shall flow in the streets in revolution! Wars are a punishment for the sins of mankind."

Veronica - Now as I look up, I hear this great - it's a clamor of horses, and it's - they're galloping; they're galloping, and it sounds like hundreds of horses galloping across the sky. But in the lead is this horse - it's all black; it's a deep, absolute pitch black. And the man upon the horse, he looks like an executioner. He's wearing a black hood, and he's carrying in his left hand a bow. Oh!

Now I see a huge ball. It's turning at an awfully fast pace; it's spinning. It's shooting out fire, and it's very hot. It's coming closer, and I can feel the heat. It's burning! Oh! Oh! Oh! Oh, I've never seen anything so hot. There are gases forming around it. It must be gases; it's all colors - a deep yellow, and an orange, and there's a tremendous heat! Oh!

Now I hear . . . it's Michael standing over on the right. His voice is booming again.

St. Michael - "Skin will dry up and blow off the bones as if it had never been. Eyes will see and still not believe, so hard have become the hearts of mankind.

"Prayers, atonement - is this too much to ask of you in the face, the reality, of what is to come upon you?"

Veronica - Now it's growing cooler. The huge spinning ball - I can't feel the heat. Oh, it's like a weight, a tremendous weight has been lifted from the sky. I could barely breathe. Oh!

Now it's becoming much brighter. Oh, now Jesus is coming forward. He doesn't look very happy.

Jesus - "My child, My tears still fall upon an unrepentant generation, a generation that is fast going into deep darkness of spirit. All manner of sin and abominations corrupt mankind. Murders, murders far in excess of any in all the past history of mankind is being executed in your country and in the countries of earth. They have now given themselves a balance that will demand the extreme penalty from the Eternal Father of a baptism by fire.

"Man, in his arrogance and prideful nature, has set himself to reach high into the heavens, seeking to control the forces of life and death. No man shall be above His Creator, for the secret of life shall not be given to any man.

"Life forces are complete - under the control of the Spirit of life, the Eternal Father.

CLERGY LIKE DUCKS FOLLOWING DOWNSTREAM

"The spirit of darkness has set upon mankind the separation of the sheep from the goats. Many of you, My clergy, have given yourselves to the world. You follow downstream into the abyss! You are like ducks, on midstream."

Veronica - Oh!

Jesus - "The Eternal City is falling into deep darkness of spirit. The candles are lighted, the battle will rage. Your Vicar will carry his cross to the end.

"The power of prayer is great. The mercy of the Eternal Father knows no bounds. You are all being tested. Every man shall be tested as metal in the fire. You will continue under the direction of My Mother, retiring from your present state of world conditions that have been given under the power of satan. It is the will of the Eternal Father that you continue with perseverance and patience in the days ahead. It has been ordained from the beginning of time. All must come to pass.

"My Mother has been sent to your earth as an emissary from Heaven, a Mediatrix between you and the Eternal Father. However, it is with much sorrow that We have observed the manner in which She has been rejected by many.

"Measure for measure, each man shall receive the recompense of his sin. Nothing is hidden to the Eternal Father Who is your final judge. You will all now retire from your world that has been given to satan. The time will come when many will look with envy upon those who have died.

"Man, My child, has set this course by his own arrogance, pride, and sinful nature, seeking more the pleasures of his world than storing his treasures in Heaven. Many shall sell their souls to get to the head. What does it gain a man if he gains the whole world's treasures and suffers the loss of his eternal soul? You will exit, My children, you will leave your present life exactly as you entered it, with nothing of material value. Your merits are being stored now.

"It is sad, My child, to note that many have already sold themselves to satan.

"Many prayers are needed for your clergy. The leaders of many have gone into deep darkness. Through false ideology, maxims of modernism and humanism, mankind has entered into a delusion. All who have followed satan will fall fast into darkness of spirit, no longer recognizing the light. When I return, shall there be even a small light of Faith left upon your earth? The numbers saved will be counted in the few.

"I do not have to repeat Myself any further, but to give mankind a fair warning from the merciful heart of the Father that your time is growing short. You must now enter onto a life of prayer, atonement, and sacrifice. You cannot be of the world and of the spirit. You will be given, each individual, a choice. The decision will rest with you.

"Pray much for your neighbors, your brothers and your sisters. Your prayers have great power. It is of great charity to pray, My children, for many have prayed for you all, or you would not be here among those counted upon this sacred mission.

"It is not by accident that you are called by My Mother, for your names have been written in Heaven."

Veronica - Now Jesus is extending His hands out, like this.

Jesus - "I bless you all: In the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - He's making the sign of the cross with His fingers, like this. Now Jesus is turning over to His left, our right side, and He's smiling. Now He's looking down, and He's extending His hand out: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over to our right. He's just above the tree, oh, the very highest point of the tree, and He's looking down now. Oh, Jesus is shifting His cloak over onto His left arm. It's tied at the top. I can see a - not a tassel, it's like a piece of rope. It's a golden colored rope. Now Jesus is placing His hand out: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as My Mother blesses you, with a shower of graces. You will continue on your mission, for as I will repeat to you, you are not here by accident. But with this great grace you have great responsibility to send this Message from Heaven throughout the world, for if you are able to recover just one more for Heaven, an additional star shall be placed in your crown."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Continue now, My children, with your prayers of atonement. Many are sorely needed."

August 14, 1975

Eve of the Assumption

Veronica - The sky is very lighted tonight. It's strange that the stars in the heavens form a Trinity circle here. Not exactly a circle; it's like a triangle, a Trinity triangle.

Now there is a very heavy mist forming in the center of the sky. Oh, no, it's not a mist; it is a light, a gray light. Now as it's coming closer, it's becoming very bright. Oh, it's the light from Heaven.

Now the light is opening up much wider, and I can see beyond the light now. Our Lady is standing on what appears to be a half of a moon. The bottom half is covered by a cloud formation. Our Lady is standing there. It's quite windy. Her gown is blowing about the globe She's standing on. And Our Lady is smiling. Through the light, I can still feel that the smile Our Lady has is not one of happiness, but it's a very sad smile.

Our Lady - "My child, the evil has accelerated throughout the world. It gives me little reason to smile, My child. There must be action taken now against the forces of evil. The children of the world are truly the victims. Mothers and fathers of the world, will you not protect the souls of your children? You must take action against those who are propagating the evil.

"Parents, have you examined what your children have been reading? Their eyes, which are the mirror of the soul, are being polluted, their souls being destroyed by the pornography being sold for profit and gain. Why is there no action, My children, to safeguard your children? Many parents will cry bitter tears of anguish, but too late, too late!

"I have wandered throughout your world exposing these evils, bringing them before you for your action. So many have passed by, feeling an apathy to My words.

"Experience is a great teacher, My children, but you are fast setting yourselves upon a road that will lead to a terrifying experience, for you are bringing destruction to your world.

"The Eternal Father has been merciful to you. He has watched with a saddened heart as man, in his arrogance and greed, has gone down the road to perdition. Those who have the power to do good and to fortify the young souls against the evils of your day and age - they, too, have turned their backs, for they have sold their souls to get to the head.

"All that is rotten shall fall! A Church in darkness wears a band of death about it!

LEADING YOUNG TO PERDITION

"My Pastors, those who have dedicated themselves as teachers of the young souls, you are scattering the flock! Turn now from your worldliness and your seeking of materialism. What have you gained for yourselves or those whom you have taken a vow to protect and guide to the eternal Kingdom of the Father? You are leading them down, by your example, the road to perdition!

"Pastors of the world - those given to guide the sheep to Heaven - shall you stand before My Son and say that your teaching has been pure in His sight? He will cast you into the eternal fires of damnation, you who have forgotten your role as pastor!

MEDIATRIX BETWEEN GOD AND MAN

"Through the merciful heart of the Eternal Father in My Son, I have come to you as a Mediatrix between God and man, a bearer of tidings from Heaven. I wish them to be tidings of great joy, but you have darkened your spirit and set upon your world a complete blackness, a darkness of the spirit. Therefore, I must bring to you tidings of warning, for the Eternal Father has poised His hand. He will let loose upon you a Chastisement that has never been seen or set upon mankind in the past!

"You who have turned away from your guide - your angels, your guardians, your true pastors; you who have abandoned yourselves to the world, giving vent to all pleasures of the flesh; you who have turned from your God and set upon the world all manner of abominations in the hearts of mankind, and even in the churches of the world - you shall stand in judgment before the Eternal Father, and you shall reap what you have sown.

"My child, I do not seek to set fear in your heart. As a messenger from Heaven, My child, you must continue with great perseverance. Satan has a plan to stop you, but you must retire more to a contemplative life. It is better if you spend more time in silent meditation, My child. Silence can be golden. The more you will go out into the world, the less you will be of the spirit.

"My child, do not succumb to any worldly temptation. You must follow My direction very carefully, My child, or you will set upon yourself great suffering.

"I have asked you to clothe yourself in the long garment for your protection and as an example to others. No man shall set himself to place judgment upon you, My child. Therefore, you will not concern yourself of the opinion of mankind.

A TASK FORCE TO STOP PORNOGRAPHY

"My child, you must now set up a task force to stop the wave of evil in pornography that is engulfing your country and the world. Action is needed. There are many true spirits who will help you in this fight. It is truly a battle of the spirits."

Veronica - Now Our Lady is moving over to the left - Her right side, our left side. And there are great tears coming from Her face. I can see them because they look almost like diamonds as they are going down Her cheeks. And Our Lady now is placing Her hands upon Her face.

Our Lady - "My child, it truly rains teardrops from Heaven. Chastity and virtue - whatever has become of them? I look upon My children and I am filled with great shame, for sin has become a way of life among you.

"If you accept this way of life filled with sin and abominations of the flesh, you cannot enter, My children, into the Kingdom of Heaven. The few short years given to mankind upon earth, My children - is it worth this to throw away eternal life for these few short years upon your earth? When you cross over the veil, My children, it is forever - forever and ever, in the hereafter. There is no return once you leave your body, no return unto the General Judgment by the Eternal Father.

"There are great tears shed at the loss of every soul, and so many souls are falling into the abyss - as numerous as the snowflakes that fall from your heavens. There is no age over the reasoning age. They are young and they are old, My child; all manner of souls are falling into the abyss, the place of no return.

"The numbers going into purgatory, My child, have become few, and those entering into the eternal Kingdom of joy are even fewer. Whatever shall become of Our children?"

Veronica - Our Lady is crying very heavily, and She's placing Her hands over Her eyes.

Our Lady - "Whoever will solace My suffering heart - a Mother of Sorrows!

"Prayer, penance, atonement, My children - shall I be cast out of here, also? I have wandered throughout the world and found the doors closed to Me! The words from Heaven, the message of warning, will go throughout the world, even when they shut the doors, My children.

ALL MANKIND SHALL KNOW MESSAGE

"You must continue with great vigilance to send My message throughout the world - person to person, link to link, pen to pen, and word to word. The whole creation of mankind shall know the Message from Heaven, and if the balance, the scale, has not met with approval by the Eternal Father, the world shall be cleansed by a baptism of fire.

"It has been written in the good Book, My children, and it must come to pass. But I cry bitter tears, knowing that this time that was to be in the future shall be now!

"Have you, as parents, prepared your family? Have you set your household in order?"

BIBLE IN HOMES

"I have asked you to place in your homes the Book of life and love, your Bible. Parents, you must read this to your children, for they shall not receive the knowledge of their God outside of your door. The teachers have given themselves to the world. Blinded of spirit, hardened of heart, and deafened of ear have they become. Too late they will awaken in shock, knowing that the time has run out for their repatriation.

"The Ball of Redemption is out there, My children. The Eternal Father has the day and the hour."

Veronica - Now behind Our Lady - there's a tremendous light forming behind Our Lady, and I can see quite a number of figures coming through the light. Oh, it's Michael!

Michael has this time - he has a white gown on with a golden sash about his belt. And Michael's hair now is very evident, the light is so bright. Michael's hair - it's not like human hair. I can see it's almost metallic; it's very translucent and golden. It's very hard to look at because the light shining upon it from above Our Lady's head is so brilliant that it's like golden slivers of steel cutting through your eyes. It's very difficult to look at it.

Now Michael is coming forward. He has the golden balance in his right hand, and he's got the spear - it's like a bow and arrow; yes, it is a bow and arrow in his left hand. And behind him I see . . . there are two very, very large angels. Oh, they're not quite as tall and as bright as Michael, but they're very, very big - Gabriel, Raphael, and the lower chorus of angels - the choirs of angels. Michael says they are the choirs.

There are many, many angels now forming all over the sky. They're coming right through a cloud-like formation. They're very beautiful! They look exactly like warriors. Oh, they are just breath-taking!

BRING KNOWLEDGE OF GUARDIAN ANGELS

Our Lady - "My child, mankind no longer calls to his angel guardians. Will you not, parents, bring the knowledge of their guardians to them? If they must go out into your world, which has been given to satan, they must have their guardians with them. They are only for their calling, unless you as parents shall lift your hearts to Heaven and ask for their guardianship for your children.

"My child, it is difficult for you as human to understand the ways of Heaven. Ask and you shall receive, but many shall receive if others ask for them. It is a simple lesson of love, My child.

"Many prayers are needed for your clergy. But for your prayers, many shall be lost to the Kingdom of God. It is a fallacy, My children, that those who wear the garments of teachers of the light shall enter into the eternal Kingdom. They are still human, My children, and must make their way with the cross, also. They need your prayers as well as your children and neighbors. It is an act of charity of heart to pray for your pastors, My children.

"We are displeased, discouraged, and disheartened, My children, at watching inside the homes of many. The 'many' has become multitudinous, My children. We find much lacking in the homes. The family life has deteriorated and corroded. Little by little, We see the structure of the family life disintegrating. There is little discipline and not holiness, by far, in many of these homes, My children. The teaching is poor, to say the least.

"You must restore to your homes the pictures, the objects of worship, the statues, so that your children will receive a small knowledge of the existence of the eternal Kingdom and those inhabitants of the spirit. Unless you do this, My children, your children in turn will be lost to you, and to the Kingdom of the Father.

"I speak to you with great heart and hope, but I cannot escape sending to you the Message from Heaven which is a warning - a warning that unless you mend your ways that offend the Eternal Father now, your world will be cleansed by trial.

BODIES SHALL LIE IN MARKETPLACES

"There will be a terrible War - a catastrophe, My children. It will be beyond anything mankind has ever seen. Nations shall disappear from the face of the earth. Bodies will burn and blow away and find no resting place. There will be revolutions in the countries of the world: brother against brother, sister against sister. Bodies shall lie in the marketplaces, unburied and uncovered, so great will be the dead! My children, is this what you want?

"The Eternal Father is the Creator of goodness and holiness. He looks upon your world and finds murder and all manner of abomination and sin. The sin in your world is far greater now, My children, than has ever been seen by mankind, for you have a way of life, a sin that has been calling for - "

Veronica - Oh, now Our Lady is pointing up to the sky. Oh, my goodness! Oh, my! I see this terrible, trailing ball of fire. It's so hot, I feel like I'm being scorched - the heat! Oh! Oh, now it's going back into the sky. It feels a little cooler. Now Our Lady is coming forward.

Our Lady - "My child, I do not wish to set fear in your heart, but I cannot keep from you this terrible knowledge of the trial that will be sent upon mankind. Shout it from the roof, My child! You have been given a great mission to alert mankind and prepare them.

"I have asked you to pray for the conversion of Russia. Have you not prayed for her as a nation, for the peoples who are led in darkness? And these errors are being sent throughout your world. Pray a constant vigilance of prayer. The leaders of your country are slowly succumbing to the evil. The example among your leaders is poor.

"When a man condones an evil and sets himself as an example to the multitude, he shall be struck by the sword!

"Unless mankind follows the plan from Heaven, My child, your Vicar will be removed from the Eternal City and blood shall flow in the streets.

"You cannot understand the ways of Heaven, or the knowledge of the Eternal Father. Therefore, you must follow the direction from Heaven carefully. Prayer, penance, and atonement - you have been given a time to change. The time is running out.

"Those who are of well spirit will have nothing to fear, My child, for they will go through this crucible of suffering with more hope and courage, knowing that the eventual victory is over the veil with the Eternal Father. There will be many martyrs in the conflagration that lies ahead. It will truly be the cross.

"You must, as a child of God, pick up your cross and carry it, even if it is heavy. Suffering shall be a way of life soon for many. It is all in the plan of the Eternal Father to separate the sheep from the goats. You are all being tested, My children. Man, in his free will, will either accept or reject the offer from the Eternal Father of Heaven."

Veronica - Now Our Lady is extending the golden crucifix of Her Rosary out, and She is making the sign of the cross.

Our Lady - "I bless you, My children, in the name of the Father, and of the Son, and of the Holy Ghost.

"Veronica, My child, you must bring forward the knowledge of My going into the Kingdom. I was assumed. It is your Feast of the Assumption. I extend to all My children the knowledge that they shall join Me and My Son in the eternal Kingdom when they cross over the veil. Prayer, penance, and atonement - it is the way of the cross."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Lady - "You may be seated now, My child."

[Pause]

Veronica - There is a gray formation of lights in the sky over the Michael banner. Now centered around the light there's a huge monstrance forming in the sky. It's a very - it's not a golden monstrance; it seems to be made of a cloud formation. It's a gray color. Now coming from the center, on top of the monstrance - oh, I can see Jesus standing there. He's coming forward. He's just carried forward. He doesn't walk like we do; He seems to float right on the air.

And now Jesus has His cloak - it's a burgundy red-colored cloak over His arm, His left arm, and He's standing now with His hand in front of Him, like this. He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now all who are able, please kneel.

Jesus - "My children, I do not have to enlarge upon the words of My Mother. I am certain that the Message from Heaven is becoming well known to all.

"It is in the merciful heart of the Father that you be given the time to make amends.

"The forces of evil are gathered now to start a great War. Do not become unguarded. You are not receiving a fair knowledge of what is taking place by the governing powers of your world.

"I admonish you, My children, to keep a constant vigilance of prayer - prayer, atonement, and sacrifice. With the knowledge of what lies before you, you will be certain in time that this was little asked of you.

"The balance for your chastisement is with mankind. In the merciful knowledge and power of the Eternal Father, you have received a great grace to be called within hearing of My Mother's voice. Know that with this grace, much is expected of you. You will all be apostles of light, going forward and gathering the straying sheep. No man will be lost to Us except of his free will.

"I bless you all, My children, with an abundance of graces: graces for cures and graces for conversions, all for the asking."

Veronica - Now Jesus is placing His hand out, like this. His three fingers are together, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over - He's floating. It's very windy, because His cape is being carried behind Him as He's going across now. And Jesus is looking down and extending His hand out before Him: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking down. He's going over to the tree. He's just above the tree, and He's looking down.

Jesus - "My child, I hear your pleas. You will be cured."

Veronica - And He's placing His hand out now, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus said -

Jesus - "Yes, My child, feel free to repeat My Words."

Veronica - Jesus said one who is by the tall tree will be cured of an affliction that has been known to mankind as incurable.

Now Jesus is nodding. He's going forward now, coming over just above the banner. And He's looking down now and He's placing His hand out, like this: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Jesus - "I shall not take from your time of prayer to repeat Myself, My children. You have been given good direction by My Mother. You must now take yourselves from your world that has been given to satan. His time is growing short, but he will do great battle with the children of God.

"Continue with your prayers of atonement and your acts of sacrifice. They are sorely needed at this time."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

[Pause]

Jesus - "You will continue to keep watch. Pray a constant vigilance and you will understand. Measure for measure, the Father will give to mankind.

"My Mother has come to you as a Mediatrix, a Mediatrix between God and man. Her words have gone throughout the world and will continue to go throughout your world in the days of trial.

"Scoffers will not believe. Hardened hearts will walk in darkness!

"Know that if you ask for the light - believe and you will be given the way! Many will die in the great flame of the Ball of Redemption!

"Perseverance! Persevere in Faith and you will be saved!"

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going back - He's floating backwards, and He's standing now by Our Lady. They're going quite high now, high into the sky, and looking down. Now Their figures are so small, They look almost like statues standing there. And I see Our Lady is nodding Her head.

Our Lady - "Continue, My children, with your prayers of atonement. You cannot understand at this time, how much depends upon your prayers and acts of atonement."

August 21, 1975

Eve of the Feast of the Queenship of Mary

Veronica - The sky is becoming brighter. It's almost a fiery glow covering the whole sky. Our Lady now is coming out from behind a very large dark cloud. The cloud is dispersing, it's disappearing like smoke.

Our Lady is standing with Her hands out in front of Her. Everything looks very dark and grim.

Our Lady - "My child, no color could portray the condition of your earth and it's peoples. A great darkness of spirit has settled upon earth.

"There will be much revolution among Our children, the nations of the world.

"The evil is accelerating. It will be father against son, brother against brother, and sister against sister. There will be much disunity in the home.

"The forces of evil travel with the sickle and the hammer. Unless a country is given to servitude of its God by prayer, penance, and atonement, it cannot withstand the forces of evil!

GRACES CONDITIONAL; MUST BE MERITED

"In the past, My children, I had promised to safeguard many lands. I had placed My mantle of protection over many foreign lands. However, all graces must be merited, and are conditional. Therefore, unless there are many prayers and acts of atonement, the country of Portugal will sadly find blood running in the streets. Corruption of government and godliness will make way for lawlessness and slaughter of the innocents. The light will grow dim and darkness will settle upon the land.

"Pray, My children, a constant vigilance of prayer. I ask you in your country, the Americas, to pray, or you shall follow the same path as Portugal. The forces of evil are gathering within the United States. Your leaders are giving themselves to corruption, too proud and arrogant to be simple of heart and get down on their knees to beg guidance from the Eternal Father in Heaven.

"By their fruits will they be known. My children, you will recognize the faces of evil and the forces of evil about you! It is a sad fact that those who are leaders are setting examples of depravity, debasement. They cover themselves with the spirit of darkness. You will pray much for your leaders. All that is rotten will fall.

"My child, We are much saddened by the example in your government by your leaders. It would be best if the father of the household in Washington would take to task his wife and chastise her by the rule of godliness to cleanse her mouth, for it is not what goes in that corrupts the soul - the soul of others - but what comes out of a foul mouth.*

"You must shout the Message from Heaven from the rooftops. There is no time to be concerned of worldly opinion. Each man has to save his soul. Those who are of age of reasoning have the responsibility to spread the word of God throughout the world.

"Parents must protect their children from the forces of evil that are set upon the children when they leave their household. You must, as parents, give your children a firm foundation of faith, discipline, and the knowledge of the value of prayer.

"We sadly look into the homes, My children, and find much lacking. The example is poor, all because there are too few who pray.

"Yes, My children, I have warned you through the past years of these coming times of trials. How many have listened and prepared for these times? Too few, My children, too few! Only a few will be saved in the final count.

"The specter of war is spreading throughout the earth.

"Man of science is ever searching but never finding the truth. For he searches through the darkness not looking for the light, My children."

Veronica - Now Our Lady is coming forward. She's extending Her hands out, and in them She has a very large Rosary, a beautiful white Rosary. The Our Fathers are golden - a huge golden bead for the Our Fathers and the Hail Marys are a white. But no, they're not exactly a white bead, because as Our Lady is moving about, they're catching the light and sending off brilliant colors of the rainbow.

Our Lady now is raising Her Rosary. It has the beautiful golden crucifix, and Our Lady is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My child, you will recognize the manner in which satan and his agents work to try to destroy souls. They also will use persons, places, and things to work their destructive evil upon mankind.

"I repeat Myself, as in the past, My children. The demons have a form, but they do not use this form unless the Eternal Father gives you the knowledge and insight into the supernatural to observe them in action. They will use the body of a human being, one who has fallen out of grace and the light. Any man, woman, or child is susceptible to this possession.

"The knowledge of the supernatural must be given to the children. Pastors in My Son's houses, are you bringing this knowledge to the children? Have you chosen to scatter the sheep? Whatever will become of them? You must exercise discipline and good, firm example for the flock.

ERRORS, ARROGANCE, AND SLOTH

"Stand up, pastors in the houses of My Son, and give firm discipline by example and words chosen from the Book of love and life, the Bible. Remember all that can save a soul must be given to mankind. Good words kept in a closed mouth is like placing meat on a dead man's grave. What good is it to keep this knowledge to yourself, for would it not be, My children, selfishness not to share the way with the sheep? Awaken from your slumber, pastors! There is not much time left. You will have to account to My Son for your errors and for your arrogance and for your sloth. Awaken, pastors in My Son's houses! You are misleading the sheep.

"O woe, O woe! The Red Hats have fallen and the Purple Hats are being misled. The Red Hats have fallen and the Purple Hats are being misled. O woe, woe, woe to the inhabitants of the earth!"

Veronica - Now Our Lady is rising high, high up into the sky. The light is very brilliant. I can't see Our Lady's face now. She has on a beautiful white garment, and the cape is also a beautiful white. It's trimmed in gold edging all about the outside. Our Lady has on beautiful sandals. On each toe of the sandal I can see a golden rose, a small golden rosebud. Our Lady looks very dainty in Her garments and the beautiful shoes - sandals.

Now Our Lady is going over to our right side. She's standing just above the tree. Now She's bending down. Our Lady - Her voice is almost like a whisper. It seems to become entwined, intermingled with the rustle of the leaves.

Our Lady - "My child, work with great haste to give My message to the world. The time is growing short. Satan has set upon you an attack, My child. No man of science will recognize this illness. He seeks to slow you, My child. Recognize, but keep going. You will be given the stamina and the fortitude to proceed. Rest will cure all, My child. I admonish you now to not consider at this time entering a hospital.

"The forces of evil, My child, are gathering"

VISION OF THE APOCALYPSE

Veronica - Our Lady is pointing up to the sky, and there is a horse now - it's galloping. It's going very fast across the sky. It's a very sinister-looking horse. It's red in color, and there's a figure sitting upon it. Oh, my goodness! It's turned this way, and it has the face of a skull! It's no face; it's a bare skull, covered by a cloth, a red cloth that hangs down the side of the horse. It's a terrible-looking sight.

Now above the horse, as it's running now - it's galloping to the left - there's a word coming out now. I can read it. "WAR": W-A-R.

Now running, also, I see what looks like - oh, looks like a bunch of rats. It looks like rats going across the sky, and above it now I see the word "PESTILENCE." Pestilence! Pestilence will follow upon the war.

Now it's growing very dark, except over by the trees. Our Lady is standing above the tree.

ETERNAL FATHER HAS A BALANCE

Our Lady - "My child, do not be affrighted by what you have seen. We cannot avoid giving you these facts for mankind, but remember the Eternal Father in His mercy has a balance. All is conditional, but this balance, My child, has not been righted. Therefore, what you see is at the time unavoidable.

"The Warning, My child, will come soon, and if mankind does not heed this sign from the Eternal Father, there will follow fast on it the Chastisement by the Ball of Redemption.

"We hear voices crying to Heaven, 'Where is this that you speak of - where is this Ball of Redemption, this ball of fire, this baptism of fire?' My child, you have seen it often. It is out in your universe, waiting to approach earth in the time of the Eternal Father. But it is there!

"The Eternal Father has chosen to blind many to this fact because they have hardened their hearts to Him. Many tears shall be shed, but too late, for they have given themselves to the pleasures of the world: materialism and humanism and modernism, which is not of the Eternal Father.

SATAN SET UPON YOU NEED FOR CHANGE

"The way has been stated in writing, by example, and in action by your prophets and those who have set the foundation with My Son for His House. Therefore, it is satan who has set upon you the need for change, change, change, My children. And by his fruits do you know him.

"Example and a firm foundation is tested and found true - true by Tradition and true by Faith, My children. There is no need to experiment and make change, for you then will find satan guiding you deep into darkness. A House, a Church in darkness wears a band of death about it."

Veronica - Now Our Lady is going up, up high into the sky. Oh, it's so beautiful! The light is so bright. Oh! Now above Our Lady's head there's a circlet of stars forming. It's like diamonds all suspended above Our Lady's head, a beautiful circlet of diamonds.

Oh, now on the right side of Our Lady, I can see two children coming down from the sky now. Oh, I recognize them already. It is Jacinta and Francisco. Oh!

Now Our Lady is going over, She's placing Her right arm about Francisco's shoulders, and now Our Lady is speaking in a very soft voice.

Our Lady - "My children, as in the past, We have given a message of warning from Heaven to little seers and big seers."

Veronica - Our Lady is smiling.

Our Lady - "But, just as in the past, many have chosen to cast this warning aside. It is a human failing that many will only rely on experience to teach them. But much of this experience will bring great heartache to mankind.

"You must remember the warning, the message given to you by the children, Jacinta and Francisco. You will find that My words are the same then and now. I bring you, as a Mediatrix between God and man, a warning from Heaven that unless you mend your ways, do penance, and make atonement for your sins against nature and against the laws of your God, you will be destroyed!

"War is a punishment for man's sins!

"The good will suffer much, but they will go through this crucible of suffering with hope and great faith, knowing that by their perseverance in the time of trial, they will win their crowns in Heaven.

"My Son looks upon a generation that has given itself to pleasures of the flesh. Debasement, sensuality, and sexuality are rampant in the hearts of many. You will know that as the morality of a country goes, so goes the country onto the road to damnation.

"As in the houses of My children, so the leaders must be of good spirit in the houses of My Son, the churches of the world. The leadership is examined by the Eternal Father and found lacking.

"I repeat Myself: Pastors, awaken from your slumber! You must not offend your God any longer, for He is already too much offended!

"Pastors and mitres will also fall into hell. A human soul is but a human soul, and will pass into judgment. No soul shall cross the veil without facing this judgment by the Eternal Father.

"Do not succumb, My pastors, to the fallacy that all will be forgiven, for that is asking too much at this time. When a man sins, it is a sorrow to the merciful heart of the Eternal Father, but when he leads another into sin, it is an abomination in the eyes of the Eternal Father! Therefore, pastors, clothe yourself in good works, modesty, chastity, and piety. Holiness must be returned to the churches of the world.

"My Immaculate Heart is extended to the children of God in the world. Light your candles, My children, with Me and search through the darkness. Rescue your brothers and sisters. You must be now disciples for the Eternal Father. You will pray much for your pastors and your Vicar, Pope Paul in Rome. He is carrying a heavy cross, and being human, he needs many prayers."

Veronica - Our Lady now is extending Her hand out with the golden crucifix.

Our Lady - "I bless you all now, My children: In the name of the Father, and of the Son, and of the Holy Ghost. I bless you with the shield of My Immaculate Conception: In the name of the Father, and of the Holy Ghost, and the Son - My Son, Whose heart bleeds for the condition of the souls of mankind. Save yourselves, My children, in the Sacred Heart of My Son."

Veronica - Now the sky is growing very dark. It's as though the whole sky is turning black, but tinged in a red coloring around the edges.

Now Our Lady is coming forward, and She's bending over.

NOT ONE WORLD AND ONE RELIGION YET

Our Lady - "My child, make it known to the world that man - children of God, led astray, you must not compromise your Faith! There shall not be one world and one religion at this time, for no man shall now gather the flock. Not one man shall gather the flock together. This will be done by My Son when He returns in the final stages of Armageddon.

"You must remember - do not be deceived, My children, by those who claim to be the Christ, for they will say, 'Come out to the field, for he is there. Come out to the barn! Come into the centers!' But no, My children, My Son shall come as He ascended. He will come down from the sky, shouting with a call of triumph to all. He will come down with the legions from Heaven of angels and all of the souls who have bathed themselves in His Blood and now wear the garments of light and life.

"Wait and watch, My children; pray much, for the Book of life is unfolding; the pages are turning. You are truly in the days of the Apocalypse. Read the Revelations, My children, and know what lies ahead. As you were told in the past, much will be opened to you, for the days of the Armageddon are here. Read the Revelations, your Apocalypse, My children. Saint John was given the knowledge to reveal to you the days in which you are living. Recognize the signs of your time."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Lady - "You will sit now, My child, and reserve your strength.

[Pause]

"Life, My child, is but a pilgrimage for all, a vale of tears. You cannot have happiness, sublime happiness upon your earth, for then you will not be following the way of the cross. Life is but a vale of tears, but with these tears you will wash your soul.

"Persevere, My children, in the days ahead. The attacks from satan will be great, but recognize them and pray him out with a constant vigilance of prayer.

REMOVE TVs FROM HOMES

"I ask that a task force be set upon the world to eliminate the products of the forces of evil that seek to debase, destroy the souls of your children. Remove from your homes the corrupters of souls: the pornography, the infernal box - your television - and the destructor of souls, modesty and purity - the nakedness of the body.

"Parents, you shall be judged for the destruction by permissiveness, of your children's souls. Clothe them in goodness, holiness, and piety, and make modesty a way of life for the young.

"We have asked many to give example of modesty. The world will laugh and scorn and make fun of them, for they must bring forward this example by even exaggeration, My child. That is why I have asked to lower the dress of the woman to her ankles. It is only by example that many learn.

"The sacredness of marriage and the married life of man and woman must not be destroyed by debased sensuality. It is a private consummation between man and woman and the family. It is not an object of derisive laughter and scornful jokes, My children.

"Your actions are observed by the Eternal Father Who looks into your heart. Pure thoughts, pure mind, pure spirit - what goes into the heart will come out. The eyes are the mirror of the soul; therefore, you must cast your eyes on objects of godly nature, not soul corrupters. Remove these from your home, or one day you will weep bitter tears for your children, but too late, too late!

"Your schools, your homes, your government, your medias of communication and entertainment are debased, and going farther into darkness - all for the love of money and power. What does it gain a man if he wins the whole world and the treasures of the world, for he will leave them behind when he leaves his body, and his eternal spirit must stand before the Father and be judged: Heaven, hell, or purgatory. You laugh; many laugh at the knowledge given to you of the existence of the supernatural - Heaven, hell, and purgatory. But those who laugh shall cry, but too late, too late, My children.

"It is better to remove your children from among these corrupters if necessary. Teach your children in the home. By example you may save or destroy.

ONLY PRIESTS TO GIVE HOST

"Pastors, no hands other than those consecrated by a legally ordained priest shall give the Host to others. Better that you spend more time consummating your role as the representative of Christ than joining the world.

"The extraordinary ministers have become a farce! Women? Children? Whatever shall become of you? The rules of discipline in the houses of My Son have already been given to you. Only legally ordained representatives of My Son - they receive the Holy Spirit, and the Holy Spirit deems that they shall bring the Host to the man and the woman recipient and the children. Only in dire need of death shall a man - I say a man, not a woman or a child - shall a man be given the power through the legally ordained priest to bring in urgency and haste the Host to the dying.

"This debasement to My Son's Body shall not go unpunished.

Awaken! You are blind to the truth, My pastors. Are you to follow the call of the siren, the serpent, or are you going to listen to the words of truth and light? You are following like sheep to the slaughter. Come out of your darkness of spirit!

"Through the merciful heart of the Eternal Father you are being warned. Search your heart; allow the light to come in, for the light is dim in the hearts of many."

Veronica - Now it's growing quite dark, and Our Lady is going back into the sky. She's going high up into the sky.

Our Lady - "No, My child, I am not leaving. I will be with you during your prayers of atonement. Now you will read the photographs given to you."

[Pause]

Veronica - Jesus is coming through the blue lights. The sky is all lighted in blue now, and Jesus is coming through the light. He has on His - oh, I can see it very clearly now - His gown is a burgundy red, with a white undergarment. It's like a red cape over His white garment. And He has on . . . I can see His feet. Jesus is coming now closer. He's just about over the tree by the banner, the blue banner. And now He's touching His lips; it means that I have to listen.

Jesus - "My child, I know you were carried away in seeking a fortune. However, I do not wish this to be a habit."

Veronica - Oh, I cannot reveal publicly what I was carried away in the pictures about; however, if Our Lady wishes to reveal that in the future, She will. But we will put this down, Jesus said, in record that I was given approximately one, two, three very important photographs. As Jesus said, we are not in a fortune telling business, but the Eternal Father works in mysterious ways.

Jesus - "My child, you will continue to disperse the Message from Heaven. It is of great urgency, for a major crisis is coming upon your world.

"The balance is leaning heavily to the left. There is no way to right this balance except through chastisement. Man sets himself upon his own road, and it is in the merciful heart of the Father that He brings him back through suffering.

"The forces of evil are gathered now to take over a major position in your world and in My Church. However, the balance is in prayer. Those who are in the light will rise to this occasion and fight the evil by prayer, penance, acts of sacrifice, and action. Prayers without works cannot be constructive at this time.

"Your world is fast proceeding on a course to destruction.

My Mother has spent years here with you, warning you and directing you back from your path of darkness. However, man has hardened his heart and closed his ears. In many places throughout your world, My Mother - Her voice has been silenced through the seers of the world. It is with great urgency that I tell you now you must go down upon your knees and make amends for the sins of mankind.

"I do not follow the words of My Mother to instill fear within your heart. I bring you the truth of what is to be. Some will reject this, as they prefer to cast aside anything that disturbs their spirit or their human nature. Is not it better, My children, to prepare and avoid - if you can avoid - a catastrophe?"

"The Eternal Father will not force His will upon you. You must subjugate your human nature and give your will to the Eternal Father. Prayer, atonement, and sacrifice - is this too much to ask of you?"

Veronica - Now Jesus is going over to the left side of the trees, just over the trees. Now Our Lady is coming down. She's dressed all in white - beautiful, bright white. And She has on Her white gown, and I can see the golden rosebuds on Her slippers.

Now Our Lady is standing - She's moving over to Jesus' right side, and She's clasping Her very large Rosary in Her right hand, holding it out; and from Her left hand there is hanging a very large Scapular. It's the Scapular of Our Lady of Mount Carmel, the brown Scapular. Our Lady is smiling and shaking Her head, yes.

Now Jesus is placing His hands out in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

And now Our Lady and Jesus are moving over. They're just over the head of the statue, and Jesus is now placing His hand out. He's shifting His cloak onto His left arm, and He's placing His hand out, like this:

Jesus - "I bless you in the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - Now Jesus is moving over, and the light behind Him is becoming very blue. Oh, it's a most beautiful blue! It's outstanding, because around Our Lady the blue is an absolute backdrop for Her beautiful white robe with the golden trim. Oh, it's beautiful!

Now Jesus is coming down closer over the tree. He's almost stepping on the top of the trees there. Oh, and He's now placing His hand out: In the name of the Father, and of the Son, and of the Holy Ghost.

END TO COME AS THIEF IN THE NIGHT

Jesus - "I bless you, My children, as My Mother blesses you, with graces for cure and conversion.

"Continue on your mission of saving souls. Time is not measured by days nor hours, for there is no time in Heaven. The end shall come to you as a thief in the night. Be prepared and follow the direction of My Mother carefully. I repeat: She will not abandon you in the days ahead. But follow Her direction and you will not go through this crucible of suffering without hope."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now Our Lady and Jesus - They're backing up. They're not walking like we do; They're just like floating up. Oh! Right now - oh, They're standing there now. It's quite windy up there, because Jesus' gown is blowing. Oh, and Our Lady's, too - Her cloak is blowing out. Oh, it's a very voluminous cloak. Our Lady's dress also is very full; it's very full.

Now it's becoming quite dark in the sky about Our Lady and Jesus, but there's a blue cast, the most beautiful blue circlet of light, all about Our Lady and Jesus.

Jesus - "Continue, My children, with your prayers of atonement. They are sorely needed."

*First Lady Betty Ford, in an interview in 1975 on "60 Minutes," the popular CBS nationwide TV program, asserted that she would not be "surprised" if her daughter Susan had a premarital affair, as this was perfectly normal for young girls and, among other things, expressed her pleasure with the infamous 1973 Supreme Court abortion decision, calling it "the best thing in the world, a great decision."

September 6, 1975

In honor of the Nativity of the Blessed Virgin Mary

Veronica - There's a very large, circular, pale blue light that's coming in from the east. Now there is a light being cast forward from the circular light.

I must look at the photograph.

[Pause]

The large, pale, circular light is becoming a solid matter. Oh, Our Lady is standing on top of this . . . what appears to be a ball. It's the only way I can describe it - a large round globe.

Now Our Lady - oh, Our Lady looks very beautiful! She has on a light, very white -

"How could I describe it, Blessed Mother?"

The light is so brilliant about Our Lady that Her gown looks very white. It's whiter than sugar and whiter than light. Oh, it is beautiful! Now Our Lady is placing Her first finger upon Her lips.

Our Lady - "My child, do not be overly concerned about the photographs I have given you. You will study them in private, My child. I would be more cautious in giving the hidden information to the public, My child. You must understand that many of these photographs are not to be given to the public. It is a manner in which the Eternal Father has chosen to direct you in secret. They could, My child, be given to the agents of 666.

EACH SEER GIVEN HIS WORK

"You must not become overly concerned with other places of apparition. Each seer has been given his work from the Eternal Father. We must all unite now for the common good.

"We are much distressed in Heaven to see the leader of your land falling prey to satan. The woman shall truly be the downfall of her husband.

"We have asked the man, your leader, to discipline his wife, his spouse. However, in your world of liberated woman, it is obvious, My children, that your women do wear pants.

"I shall use a comparison, My children, as many have fallen for the modern modes.

WOMEN NOT TO ADOPT ATTIRE OF MEN

"I repeat the warning from Heaven that man shall not dress as woman and woman shall not adopt the attire of a man, because the external indications, My children, soon penetrate the heart and expose a darkness of spirit. Many shall judge you by your attire.

"The example among the parents is poor. There must be more discipline in the homes, for your children are being misled and sent on the road to destruction.

"There will be many voice-boxes throughout the world. The time is growing short. United you will go forward. Do not set back your work by division among the ranks of workers.

"Man does not recognize the warnings from the Eternal Father. There shall be great disturbances of nature. There shall be floods, earthquakes, and great loss of life. Pray that this destruction does not come close to your families. Many children shall die.

"My child, We hear voices of discord crying to Heaven. It is the voice of the unbeliever. The Faith has grown weak in mankind. The pastors are scattering the sheep. Oh, when will they awaken from their slumber - too late to save Our wandering sheep?

"We ask all who have been given the grace of knowledge of what is to be: send this Message from Heaven throughout the world in great haste!

ABOMINATIONS OF DESOLATION

"The abominations of desolation center throughout mankind and in the House of My Son."

Veronica - Our Lady now is placing Her hands over Her eyes. She looks very sad.

Our Lady - "Yes, My child, the tears are falling from Heaven. We see a plot against Our beloved Vicar. We see the enemy within planning to remove him. Already, My child, his hands are tied.

"You must all pray a constant vigilance of prayer now, My children, for unless you are directed by prayer to the Eternal Father, your chances of escaping the darkness is slight.

"The time of times is here, My children, the day of the return approaching. The abyss is open. The fight for souls continues - a battle far greater than any that mankind has ever seen or will see, for you are fast approaching the baptism of fire. Have you prepared your soul and the souls of those you love? For skin shall dry up and blow off the bones as if it had never been. Eyes will see and still not believe, so great is the power of satan now upon your earth!

"Man in his free will, My children, has given himself to pleasures of the flesh. They no longer seek the light. They steep themselves in sin - all manner of abominations and soul destroyers. They care more to gather their treasures counted by silver and gold. And power! What power, My children, are you gaining among yourselves? The power to destroy!

"No man is above the Eternal Father. Every man shall stand before Him. He must give a good account, in merits, of his conduct upon earth. The veil is before all. All must enter and be counted.

"In your world, My children, the sheep are being separated from the goats. The forces of evil are fighting the light. We watch while the saints cry out for vengeance. How much blood shall be shed to wash your world! Blood shall flow in the streets. Madness shall take hold of mankind until there will be no trust, no love in the hearts of those who have not turned to the light and the Eternal Father. Murder shall become a way of life! How much shall man set upon himself in evil before he awakens to the fact that he has set about his own destruction!

MANY HAVE CHOSEN TO DESTROY

"Many have been baptized, washed clean in the Faith, and now have chosen to destroy.

"I sent you, My child, into your capital city to approach two with great power. We were not mistaken in the reaction, My child. More prayers are needed. You will write, and you must give out the knowledge without hesitating, that Heaven expects and commands the last of his clan in manhood to speak out and defend his Faith in your city of Washington! If he does not, My child, he will be condemned. He will be taken, My child, at a time when he is unprepared.

"Warn him once more, My child and My children, in the mercy that you have for your brothers. Speak out without fear, My child. It is too late; the hour grows late. You must now speak out and use the name."

Veronica - Oh!

Our Lady - "You will write to Ted Kennedy and tell him that he faces eternal damnation.

"You will contact Our representative who has given himself to the world and tell him that he also is facing damnation.

"This I say unto you, for you are being warned! Remove yourself from that profession, Father!"

Veronica - Oh!

Our Lady - "Father Drinan, come out of the darkness!

"Yes, My child, I know your fear to speak out, but you must now. I have already given you the plan for your future. Therefore, the time is near, and you must continue your work with perseverance and without fear. Face fear and it shall disappear.

"Understand, My child, your mission is not to judge. You are but a voice-box from Heaven, and the message you receive is from the Eternal Father. The world now is fast approaching a most terrible climax. Therefore, we must work and pray and make much penance, for the time is growing short.

"The world shall be witness to suffering far greater than mankind has ever experienced. There will be father against son, mother against daughter, brother against sister, and brother against brother.

MASS INSANITY TO PREDOMINATE

"Mass insanity shall be predominant, so great is the power of satan, as mankind has given himself to the world, the flesh, and the devil.

"You will not make judgment upon your present events, because your news medias, My children, have also joined the father of all liars, satan.

"Your children shall seek and not find the light unless as a parent you bring discipline and the knowledge of your God within your homes to your children. Do not expect others to nurture, to feed the souls of your children.

"You will not judge the pastors in the churches of the world. You will pray for them. However, evil is never condoned. Your allegiance is to the Eternal Father in Heaven. Offend Him not! Not for a mere man shall you offend the Eternal Father.

"Your city and many cities and countries throughout the world will suffer for the murders of the Holy Innocents. Life, the spirit of life, is breathed - the soul placed by the Eternal Father into the body of the unborn at the precise, exact moment of

conception. Do not fall prey to the fallacy there is no life until the child emerges from the womb. No! I say to you: life begins at the moment of conception. The Eternal Father breathes the spirit of life at the moment of conception. No man shall take this life, for as such he is guilty and found guilty by the Eternal Father of murder!

"The commandments given through the ages by the Eternal Father must be brought forward to be studied and obeyed. Many are misled. Do not judge them, but seek first their spirit. Many are misled; they do not know their God. You cannot love without knowing. Who will bring this knowledge to the innocent children?

"It is better a young womanhood to be placed under the guidance of holy ones, than to set forth in the world of satan to be destroyed. We must, My child, build up refuge for the young.

"My Son has often repeated to the world: 'When I come shall I find even a flicker of truth of the Faith left?' Only, My children, a few will be saved in the final count. The Ball of Redemption approaches. Do not count and speculate on dates. It will come upon you suddenly!"

Veronica - Now Our Lady is going over to our right side. Now She's going high up into the sky and standing. And as She's extending Her Rosary . . . Our Lady has a very large Rosary. It's beautiful - very large Hail Mary beads; they're white. But no, as they catch the light, they're the most beautiful colors of the rainbow. But the pink, the pink is the most beautiful color. And now the Our Fathers - Our Lady has Her fingers now upon the Our Father bead. It's a most beautiful golden color.

Our Lady now is extending Her crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children. I place My mantle of protection about you.

"In the future, which is now, My children, those who are of well spirit will have nothing to fear. I have given many words to you in the past to prepare you for this moment. Now, My children, you will continue to pray a constant vigilance of prayer, and you will understand why I have spent so much time with you.

"As I have promised in the past, I will be with you forever, and on your earth unto the Second Coming of My Son, when all will be put to right.

"You must accept the will of the Eternal Father and carry your cross without complaint.

"My child, Veronica, you will increase your prayers in silence. More moments of meditation will bring you great peace of spirit. And I assure you, My child, the Eternal Father is not unaware of your problems.

"You will not understand the value of suffering. It is a source of great strength of spirit. Pick up your cross, My child, and go forward without fear.

"You cannot expect rest in this life, My child, for you will rest, if you wish, over the veil. However, My child - "

Veronica - Oh! Oh, Our Lady is going up further, and She's pointing. Oh, and there's Saint Theresa! Oh, my! Oh, Saint Theresa is so beautiful! The light is - oh, it's bright. Oh, I can see her face, though. Ah!

"Her voice is very soft, Mother."

THERESA NOT RESTING IN HEAVEN

St. Theresa - "Veronica, my sister, I did not choose to rest on earth, or over the veil. I do pray that you will also make this decision, for we need all in the battle ahead. I shall not accept a rest, for I will spend my time in Heaven coming down to your earth to help gather the souls. Hold my hand, my sister, and the road will be easier. Together we could tread over the petals and escape many of the thorns. Do you know, my sister, how to do this? You must pray more, and ask for more suffering. And I have a secret for you: the Father will give you less!"

Veronica - Oh!

St. Theresa - "Pray more and ask for more suffering, and the Father will give you less. You see, the Father is most gentle, Veronica. You will learn to love Him as I did, and as I do."

Veronica - There's a . . . oh, there's a - Theresa is now pointing up, and there's a beautiful white light. And I see a man, a very kind man. He has - oh, he has very white hair and a heavy beard, and he's smiling. He looks like, sort of like a real nice grandfather. Oh, He thinks . . . oh, our Father is smiling. He has a crown on His head. It's a beautiful red velvet crown, but it has golden points and inserts all around the outside of the crown. And He's wearing what looks like - it blends in with the chair - a red velvet cape, but this cape covers Him all over, down to His feet. And He's holding - it looks like a scepter in His right hand. And He's pointing down now to His chair, and He's . . . like bouncing a ball. It's going up and down as He moves His hand, like this.

Now Our Lady is coming over. Our Father is disappearing, like in the distance, and I can still see the ball bouncing. It's an orange-colored ball, and it's going up and down.

Now Our Lady is motioning by touching Her lips.

COMET TO RUSH INTO ATMOSPHERE WITHOUT WARNING

Our Lady - "My child, that is a most tremendous ball you are seeing. It is the Ball of Redemption. It is at the fingertips of the Eternal Father to do as He wills. Pray that mankind will awaken and escape this great Chastisement, My child. It will rush into your atmosphere without warning. Scientists will look with fright, as will the ordinary man.

"Know, My child, that no scientist will know an explanation for its appearance. The Ball of Redemption nears, and many will die in the great flame of this Ball of Redemption. Pray that you may be able to hold back the darkness.

"Now, My child, you will be seated and continue with the prayers of atonement.

[Pause]

"My children, you must join your hands in reverence at the Sacrifice of My Son. It is an expression of love, gratitude, and respect. Reverence and respect and holiness must be returned to My Son's houses, churches throughout the world - reverence, holiness, and respect from the beginning to the end of the Sacred Service.

"Women must keep their heads covered, My child. It is not because of fashion or modes; it is because the Eternal Father and the angels demand proper deportment during the Holy Sacrifice. It offends the heart of My Son much to see that satan has taken away so much piety and holiness in His churches throughout the world.

UNCONSECRATED HANDS NOT TO HANDLE HOST

"We ask and repeat that no one handle in unconsecrated hands the Body of My Son! It will be defiled and discarded, unless only a legally ordained priest, a man of God with purified fingers of the Holy Spirit, give the Body and Blood of My Son to each one under his care.

"There is no need, My child, for women to rush into the sacred portals. There are enough throughout the world, men consecrated and chosen as ministers of the Eternal Father, of the Body and Blood of His Son, to distribute among mankind this sacred Body. I have cried tears of great sorrow. I am truly the Mother of Sorrows, as I watch this constant desecration of My Son's Body!

"Women with vocations, you have become worldly! You have chosen of your free will to degrade your bodies and your habit. Whatever shall become of you, foolish maidens of the world? Return while there is time! Purify your bodies through suffering. Place upon your bodies garments of holiness - down to the floor! You shall not set yourselves to tempt your pastors! Satan has set a delusion among you. You have become maidens of sin.

STILL MANY REFUGES OF PURITY

"My child, there are still many refuges of purity throughout the world. You will direct those of pure heart to enter. We need, We must have examples among the young. The Eternal Father will accept many in this glorious vocation, with prayer."

Veronica - Now Our Lady is placing - She's reaching up, and there's a green wreath now on Her hand. And now She's reaching out, and I see many little children, girls in white dresses - they're long white dresses, and they're wearing green wreaths on their head, and they have on white gloves. It is a very long procession. They're beautiful little children - girls.

Our Lady - "My child, I give you the knowledge of many of the Holy Innocents that could never be upon earth. They have been sent back to the Eternal Father without fulfilling their mission. Do you not observe the workings of satan? Vocations fall with the destruction and murder of the creations of the Eternal Father. You have not, in your arrogance and fallen nature, given them the opportunity to adore and honor the Eternal Father.

"Yes, My child, My heart is heavy. It is a day I cannot accept for Myself, in My nativity, for My memory is filled with the countless murders of the young.

"Birth, My children, should be a day of great rejoicing. Now it is a defiled institution.

"The leaders in your country, My child, have given themselves to the world. Their abominations affect the lives of many. However, the sword is leveled by Michael and shall be sent through them. They, too, must repent and must make a complete reversal of their ways that offend the Father much, or they, too, shall be cast into the abyss."

Veronica - Now Our Lady is going - She's starting to float over - She doesn't walk, She just floats. She's going up high, high up into the sky. And I feel . . . it's like rain, a very light rain coming down.

Our Lady - "It's not a happy time on a birthday to cry, My child.

"Pray, My child. I cannot give you the date in public, My child, but you must pray much and make great haste in sending out the warning from Heaven."

Veronica - There's a tremendous letter in the sky. It's all tinged in a black color. It seems to be set against a blue light. It's - I can see the outline; it's a huge "W" for Warning, and above it, I see a tremendous white, fiery light. No, it's a - it must be a flaming ball. But it's so hot, it's burning - it seems to be burning white heat.

Now over on the left, our left side, it's - the sky is becoming very clear, very bright, and there's a formation of a very large rainbow. I say rainbow, but it's not filled with a profusion of colors. It has a hazy gray cast.

Now from the center - it's almost host-like in formation - oh, Jesus is coming down now. I can see Him now clearly. At first it looked almost like a statue in the distance, but now He's coming forward. He has on a red cloak; it's tied at His neck. And Jesus' hair is blowing, so it must be windy. And now He's placing His hand out like this, and I can see the wound on His right hand. Now He's pointing up to the sky.

THE ETERNAL FATHER SET A MEASURE

Jesus - "My child, much has been given to you in knowledge. The Eternal Father has set a measure. Measure for measure shall the world reap the whirlwind.

"There shall come upon mankind a Chastisement of tremendous magnitude, a Chastisement that has never been seen, nor will it ever be seen again by the eyes of man. In the mercy of the Eternal Father, there will be given to you a Warning, a visual warning, and then if mankind sets himself against the Eternal Father, choosing to continue in his life of sin, he will receive a just judgment from the Eternal Father, and he will be cleansed of his sin by a baptism of fire! The Ball of Redemption spoken of by My Mother is on its way. Measure for measure, your days are counted. Pray a constant vigilance of prayer.

"I do not come to set fear in your heart, as My Mother has not come to set fear in your heart, but We bring to you the knowledge of what is to come. Your future is now! Live your life daily, expecting what is to be an eventuality."

Veronica - Now Jesus is placing His hand in front of Him.

Jesus - "I bless you all, My children: In the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - Now Jesus is moving over. The sky is brightening. It's - oh, it's beautiful, a most beautiful blue. Oh, and now as Jesus is moving, there are rays, pink rays coming out all around Him. It's a circlet of pink, a most beautiful-colored pink.

Now Jesus is just about over the banner, and He's blotting out now something that is very bright behind Him. It appears to be a huge burning object. Now Jesus is placing His hand out in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady - oh, Our Lady is coming down. She's coming in from the left side, our left side, and now She's floating over to Jesus. And She's standing right at His right side. And It's quite windy; Our Lady's gown is blowing. I can see now Her right sandal. It has a beautiful golden rosebud on the - just the tip edge of Her sandal, Her shoes.

And now Jesus is going over to our right side, just over the tree. And He's now shifting His cloak. It's very, very - it looks very heavy and long. And now Jesus is placing His cloak over onto His left arm. He's gathering it up, and He's placing His hand out now, His right hand: In the name of the Father, and of the Son, and of the Holy Ghost.

BELIEVE AND GIVEN THE WAY

Jesus - "You will continue to keep watch. Pray a constant vigilance, and you will understand. Measure for measure the Father will give to mankind.

"My Mother has come to you as a Mediatrix, a Mediatrix between God and man. Her words have gone throughout the world and will continue to go throughout your world in the days of trial.

"Scoffers will not believe; hardened hearts will walk in darkness. Know that if you ask for the light . . . believe, and you will be given the way.

"Many will die in the great flame of the Ball of Redemption. Perseverance - persevere in Faith, My children, and you will be saved."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going back; He's floating backwards. And He's standing now by Our Lady. They're going quite high now up into the sky and looking down. Now Their figures are so small They look almost like two statuettes standing there. And I see Our Lady is nodding Her head.

Our Lady - "Continue, My children, with your prayers of atonement. You cannot understand at this time how much depends upon your prayers and acts of atonement."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

September 13, 1975

Eve of Exaltation of the Holy Cross and in honor of Our Lady of Sorrows

Veronica - . . . and across the dark sky, there's the figure of a serpent.

Now the sky is beginning to clear; the darkness is fading. Oh, Our Lady now is coming forward. She's over on our left side. Oh, the sky is becoming very bright, a brilliant glow that is extending over to the trees. The whole sky now is just centered in light. Oh!

OUR LADY DRESSED IN BLACK

Our Lady is dressed very strangely. I have never seen Our Lady in a dark color. She has on a black cape, and the - it's a mantle. And She has also about Her head a black cloth. It's separated from the mantle. I can see it hanging over Her shoulders. Now Our Lady is pulling the mantle about Herself so that I can't see the color of Her gown. Our Lady's feet are bare, and She's coming down.

Our Lady - "My child, I have sent you to wander in search for souls. Your world is heading for a great Chastisement. Do not be concerned of those who mock My words and mock the Message from Heaven. Pray for them, for tears will flow as freely as the blood.

"I am truly the Mother of great sorrow. I have come to you as a Mediatrix in these latter days. I repeat for you now the words of My Son: 'This, My child, is what will be: In darkness, will they seek the way?' In darkness, My child, will they seek the way?"

BALL OF SUPERNATURAL ORIGIN

"There is in your atmosphere of earth a Ball of Redemption hurrying to earth. It is of supernatural origin. Those who have cast aside the knowledge of the supernatural shall not be given the grace to observe the coming Chastisement. When it enters upon your atmosphere, hearts shall be gripped with fear. Many shall run to hide themselves, recognizing the wrath of their Lord.

"The Ball of Redemption shall pass through your land and your world in a sheath of fire! Many shall die in the great flame of the Ball of Redemption. As in the time of Noe, so shall it be upon your earth - a Chastisement far greater than any chastisement sent upon mankind. This Chastisement, My children, is being gauged, measured, and held in abeyance for the proper moment in the knowledge of Heaven - the moment deemed by the Eternal Father for the cleansing of mankind.

"The leaders of your country and the leaders throughout the world have taken upon themselves a measure of sin creating insanity.

"In the light of the Spirit descending from Heaven, you shall be given the knowledge of truth, My children. Accept it and take it as your candle, for you must now go throughout your world saving your brothers, preparing them for what lies ahead.

"The great Warning promised to mankind is soon coming upon you. If this is not accepted as coming from the Eternal Father, you will bow your heads in sorrow with the loss of your Holy Father, Pope Paul VI, and then shall descend the hand upon you. There shall be set upon earth a sword.

[Pause]

"My child, do not be affrighted at what you are seeing now, for it is in repetition of the many insights given to you in the past. You will continue, My child, to send out the Message from Heaven. Hasten, for the time is growing short!

"Your country shall harvest a destruction that counts human nature defiled by mankind as its reward. As you sow, so shall you reap.

THE GREAT RAINS

"There will be sent upon your country a plague. Many shall die. When the great rains start, know that many shall die.

"My child, mankind has lost the knowledge of the value of suffering. Many shall not turn to their God, My child, until they are forced to their knees with suffering.

"The spirit of darkness - the prince of darkness - has set his forces upon your world, and the evil is accelerating.

"While mankind seeks peace, he prepares for war. He consorts with the enemy for the destruction of souls. He consorts with the enemy for the destruction of nations. For power and darkness of spirit, many shall die.

"My message, My child, cannot be one of a light vein, for how can I bring to you a knowledge of such heartbreak and sorrow that shall be set into the hearts of mankind!

"My child, the leadership in your country is poor. You will pray for your government leaders. The Eternal Father has looked into a cesspool of corruption. They will cleanse their house, or it will be burned!

GREAT TRIAL AHEAD IN CHURCH

"For the love of money and power, My child, many souls have been sold to satan. For the love of money and power, many have misled the sheep. Pastors, shall you stand before My Son and say that your teaching has been pure in His sight? What manner of vile corruption have you set, in your teaching, upon the children?

"Brides of Christ in Our convents, whatever shall become of you? You know neither discipline nor love of suffering for souls. You adorn yourselves with all things of your world. You strip yourselves of graces needed for your salvation and the salvation of your brothers and sisters. You shall not, in your vocation, compromise your Faith. You cannot have worldly gain, worldly acknowledgement, and still enter into the Kingdom of eternal life.

"My child, in the great trial ahead in My Son's House, Church on earth, there shall be bishop against bishop and cardinal against cardinal, as satan has set himself in their midst.

FATIMA CAST ASIDE

"My warnings at Fatima were cast aside as they are being cast aside now, My children. It is a failing of human nature, My child, that that which does not give pleasure to the carnal nature of man is not accepted. Man shall blind himself to the truth, as he does not wish to face the truth. And those who seek to bring him the truth are cast aside and do much penance, My child.

"My child, you shall not seek to meet with Our Vicar in Rome, for if you do, you will meet with the adversary. All contact with the Eternal City, My child, shall be through mail and others whom We will send to you. You must proceed in the mission and work from Heaven, My child, with great caution. Bar your doors to all but your close friends, relatives, and those whom We have sent as immediate workers.

VICTORY WITH JESUS

"As it was in the time of My Son upon earth, so it shall be in your time. All children of God shall enter upon a crucifixion. But carry your cross, My child, My children; carry your crosses with great fortitude and perseverance, for the victory is with My Son.

"You will find a great struggle in gathering the sheep, pastors of light. You will not compromise your mission, Our pastors. If you compromise by pleasing those who have set themselves to rule you, and if you compromise without the love of God and accepting the will of God, and replacing it for the will of man, in obedience that has been darkened by sin and false obedience, blind obedience - no! You shall not cast aside your God to please any man! Come forward; step out of the darkness, Our pastors! You are misleading Our sheep.

"The children - the children, what shall become of them? Heresy, O mournful heresy! Who will cleanse My Son's House upon earth? Abomination upon abomination - the sword pierces My heart. The defilement of My Son's Body! O abomination upon abomination - whatever shall become of you?

FALSE PASTORS TO BE CAST OUT

"All reverence, My children, all discipline must be returned to My Son's Church. False pastors shall be cast out! Tradition must be maintained. You shall not bring in doctrines of devils! No! You shall not seek change, as you are given this by satan. My Son does not want change that sets you into darkness.

"A firm foundation shall withstand the trials and storms of time. All that is rotten shall fall. My Son, My children, is your foundation. The Church of man shall be the destruction of man!

"There are evil powers, My child, being set up to enslave your world. I have begged you, I have asked you through countless years to pray much for the conversion of Our adversary. One nation - Russia, My children - shall be your scourge, as they shall go across the world, ravenous in appetite, destruction as their means for enslaving the world!

"Pray, My children, that they should but destroy your body and not your soul.

"I have asked you to retire from this world of yours that has been given to satan. Homes shall be a fortress against the evil. You will nourish the souls of your children within your home. Strong fathers of strong will - discipline! Mothers of good example - examples of purity and piety, and chastity! It is a sorrow to My heart to observe that the nature of mankind has become as animal.

FORNICATING LIKE ANIMALS

"All manner of fornications and abominations are being committed by mankind. The sanctity of the marriage vow has been defiled and cast aside. You are fornicating like animals!

"You must hasten, My child, to warn the good sister whom you visited that she must guard her door and bar it well to all who seek to enter to destroy. They come as angels of light with great knowledge, but it is the knowledge of the world and not of the spirit.

"Speak once, My child, and if not hastened, speak no more but keep it in your heart that it may not be his decision."

Veronica - Now Our Lady is opening up Her cloak. Oh, She has on a beige-colored gown, and it has a gold belt about it. And Our Lady has on slippers, but they appear to be a brown leather slipper - more like a sandal, with a strap and two pieces of leather through the toes. Now Our Lady is reaching to Her waist, and She's holding now forward Her Rosary, the beautiful white Rosary with the golden Our Fathers and the golden crucifix.

Our Lady is holding the crucifix in front of Her and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is going over to the right side, and She's bending over now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is going - oh, it's getting very bright now above Our Lady. Oh, and Michael is coming down. He's wearing a long white gown now, and he has a sword, a very heavy-looking sword in his right hand. He's holding it by the handle, a cross-like formation on the handle.

Now Our Lady is moving over to our left side, and She's placing Her hand out with the Rosary: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Michael is coming over to Our Lady's right side, and he's placing the sword out just in front of him, like this.

St. Michael - "Hasten, harken, and listen, for I shall not repeat this to you!"

THE MAN BEHIND THE MASK

"There is a man who hides behind the mask ruling your country! He will soon approach and reveal himself. He is the man who compromises your country for the love of power.

"He has affiliated A-L-L of the money powers of the world, joined them for unity of a one-world government.

"Step down and reveal yourself, the leader - "

Veronica - Oh, my goodness! Oh, my goodness! The man behind the mask - Mr. Rockefeller, the man behind the mask!

GRAND MASTERS IN CONTROL

Our Lady - "There sets in your country masters of great magnitude. Recognize the Grand Masters in control! As it was in the time of My Son, they now control your country. A synagogue of satan is covering your land!

"My child, you will not hesitate in revealing the knowledge of truth.

"Teilhard de Chardin is in hell! Your leader Roosevelt is in hell!"

Veronica - Oh!

Our Lady - "Franklin Roosevelt, My child. His spirit is one of darkness. He enters anew upon earth from the abyss.

"My child, I do not expect you to understand at this time all I am having you repeat.

WEB OF EVIL CREATED BY MONEY POWERS

"For the love of money and worldly living, Our pastors have given themselves to satan. Unless they remove themselves from this web of evil created by the money powers of the world, they, too, shall be judged and cast into the abyss. Many have sold their souls to get to the head.

"A coalition of evil is being formed in the Eternal City, My child. You will pray for Cardinal Villot and Benelli, Giovanni Benelli.

"You must tell them, My child, by letter that their actions are not hidden to the Eternal Father. He has looked upon them and found them wanting.

"Come out of the darkness now, or you shall be cast into the abyss!

"My child, you must pray much for your great pastor in Rome, the eternal Father, your Vicar, Pope Paul VI. He suffers much at the hands of his enemies. My child, he is but a prisoner in the Eternal City.

"The forces of evil are working to remove him, My child.

AMERICA NOT SOLD INTO SLAVERY

"My child, you must not have fear at speaking the truth. It is for the salvation of souls and the recovery of your country. America the beautiful must not fall to Communism, My child. America the beautiful shall not be sold into slavery. Cast out the money changers in your government!

"What manner of government is there that condones sin? Abomination upon abomination - giving monies for the murder of children, giving monies for the murder of the elderly!

"Your government, My child, has been infiltrated by men of sin."

Veronica - Oh!

Our Lady - "There is much, My child, that cannot be revealed at this time. You must remain silent.

PRAYERS NEEDED FOR PORTUGAL AND SPAIN

"There are many prayers, My child, being offered for the repatriation of the country Portugal. Unless there is a measure of prayers in accordance with the balance set by the Eternal Father, the forces of evil shall take over the beautiful land of Portugal and enter upon Spain. Pray a constant vigilance of prayer.

"The world is fast plunging itself into a bloodbath, My child!

"We ask in the eternal - in the powerful, My child, power of prayer, for you to keep a constant vigilance of prayer, for you do not know what lies ahead of you."

Veronica - Now Our Lady is placing Her hands out in front of Her, like this, and She's motioning - She's placing them out and turning them over to the right. She's just standing there. It's very windy and Her cape is blowing about Her. And Our Lady is bowing Her head.

MOTHER OF GREAT SORROW

Our Lady - "I am truly a Mother of great sorrow. Who will solace My heart and the injured heart of My Son?

"Prayer, penance and sacrifice, I beg of you, as your Mother! Many shall die in the great flame of the Ball of Redemption."

Veronica - Now Our Lady is placing Her arms down across Her chest, like this. I can see Her; She has Her Rosary clasped very tightly in Her right hand, and - oh, now from Her left hand there is a Scapular. It's a very large brown Scapular. And Our Lady is just standing there now.

Our Lady - "My child, you may be seated now, for there is much that I wish to discuss with you.

[Pause]

"My child, you will not judge, for by their fruits will you know them. Satan cannot conceal himself long.

CAST U.N. FROM YOUR SHORES

"You must now, My child, speak out the truth. Your country must send from its shores the coalition - the United Nations. Your country must purge itself of the many seekers of fortune at the expense of the loss of the souls of thousands, those who seek worldly gain and riches by bringing into your nation corrupters of souls and mind destroyers - pornography and drugs, My child.

REMOVE YOURSELF FROM W.C.C.

"I must warn you at this time, as your Mother, that you must remove yourself from this gathering of world churches. My Son has given you His true Church upon your earth. All others have left it, as they could not follow the rule. As protesters, they have cast side the truth.

"You must not compromise My Son's Church by bringing in the measure of humanism and modernism, for you have opened the door to satan.

"Do not be swayed by the fallacy that all will enter into the Kingdom of Heaven, for only 'many,' My children, shall enter into the Kingdom of Heaven - if they follow the rule.

"In the coming Chastisement only a few shall be saved.

W.C.C. INSTRUMENT OF ADVERSARY

"I shall clarify my former statement, My child. You must remove yourself from the World Council of Churches. It has become an instrument of the adversary. There is but one Church, My children - the Church as set forth by My Son under Peter.

"Your city and many cities throughout your country shall feel the plague. It is for the murders of the unborn that your city receives the plague.

"I shall not burden you, My child, with additional messages to the world at this time in reference to the internal destruction of your country. However, you will find this work increasing, My child. Your mission shall now be developing branches in unison with other missions throughout your world. You will unite in a constant vigilance of prayer. All centers shall unite to fight the common enemy of your God.

"My blue armies of the world must gather now for the final battle against satan. It is a battle of the spirits: brother against brother, father against son, mother against daughter - a time such as mankind has never seen nor will see again at its conclusion.

"My child, you will hasten to gather all past messages.

"Many cures and conversions shall be given to strengthen your mission. It will be a great miracle to many.

"Now, My child, you will sit back and examine the message in secret. You will receive two photographs of great importance."

[Pause]

Veronica - There's a tremendous cross. It's a wooden cross, coming now - it's like it's just emerging right out of the sky. Oh, and now right above it now - the cross is lowering down onto the earth, and above it Jesus is standing.

Oh, He's dressed in His burgundy cape, but he has a whole - His head is covered with a crown of thorns. But it's not a crown; it's a headpiece all with thorns. It's like a cap. Oh, my goodness!

Now Jesus is coming over. He's just floating forward. The cross now is like it's gone flat down onto us, the world, and Jesus is going over to the left side.

Jesus - "My child, My Mother has directed you well. In the time remaining you will be given many urgent messages. The work will accelerate as you will unite with other missions throughout the world. It is the time of the separation of the sheep from the goats. None shall escape judgment.

"Man in his arrogance has chosen to cast aside the warnings from Heaven. It is a time of trial for all mankind.

"All will be tested in this crucible of great suffering. In the mercy of the Eternal Father all will be tested. In your human knowledge you will not understand the ways of the Father, for they are not akin to those of man. All who are of well spirit will have nothing to fear. It is in the will of the Eternal Father that all will be tested.

"I bless you all, My children. Carry your cross, for it is the only way to enter into the Eternal Kingdom."

Veronica - Now Jesus is coming down, and now He's over on the left side. He's coming down by the tree. And He's placing His hand out in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is floating over. He's not walking; He's gliding, like - floating just on the air over to the right side now past Our Lady's statue. And He's now stopping, with His hand out in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I give you graces from Heaven: graces for cures and conversion. These will be necessary in the gathering of souls."

Veronica - Now Jesus is placing His hand out, like this. He's just above the first tree, and He's looking down. He's placing His hand out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's just pausing and looking down and putting both His hands out in front of Him. Jesus is placing His hands out like this, in front of Him. Now He's bringing them down now to His side and He's floating up over, over to the center, above the statue.

Jesus - "My child, the time is here for the mission of the repatriation of souls. All who have been given the knowledge in the light must now light their candles with My Mother and go searching through the darkness. A constant vigilance of prayer must be kept.

"The world, your world, will be cleansed by trial. None shall escape the effects."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going backwards. He's floating backwards; He hasn't turned around. But He's going high now, high up into the sky. And now over on the right Michael is standing. The same - he has this white gown on, and he's holding the very large sword in his right hand, and he's placing it with the tip down now, pointing it down.

And now Our Lady is coming over. She's standing near Michael. It's quite windy up there. Our Lady's gown - now Our Lady doesn't have the black covering on that She had, but now She has a white mantle and a white gown, and Her mantle is trimmed in a gold, beautiful gold shining trim all around the outside. Oh, and Our Lady now is holding what appears to be a ball, a globe - I guess it's a globe of the world - in Her right hand. And She's just standing there. The light is very brilliant. It's so bright! It's almost impossible to describe Our Lady's face because of Her gown and the bright light.

Now Jesus is going over onto the left side of us.

Jesus - "Continue now with your prayers of atonement. They are sorely needed."

September 27, 1975

In honor of the Dedication of St. Michael the Archangel

Veronica - The sky is very dark, but there are shimmering lights of a very deep blue that seem to be parting the sky in several places. The long blue lights now are coming to a point straight ahead of us over Our Lady's statue.

Oh, now the sky seems to be opening up; it's like a rivulet, a cascade of beautiful silvery, diamond-like clusters of crystal-clear - I don't know how to explain it - as though the light has given out slivers of crystal-clear, diamond-like - oh, graces. A voice is now saying:

"Graces, my child."

Oh! Now coming through the sky I can see . . . oh, Michael; I recognize Michael. And now behind him from the other two points of blue light with the shimmering borders are two other figures. Oh, Gabriel and Raphael, oh, I recognize. Now they're standing all together. Now Michael is coming forward. He's holding his balance, the golden balance, in his right hand, and a very long sword in his left. And Michael is extending the balance.

St. Michael - "My child, the balance has become heavily to the left. It is a sign that much reparation shall be needed. The course of mankind is heading straight to the abyss. Many shall be called but few shall be chosen.

"Through countless years of earth's time the Queen of Heaven has come to your earth to bring you a warning from the Eternal Father. As in the past, you follow a course of blindness. You have hardened your hearts to the truth, preferring the delusion set upon you by satan. You must now remove this blindness from your hearts, for your time is growing short.

"There have been set upon earth many voice-boxes issuing the warnings from Heaven. How many of you have listened and followed the course given by the Queen of Heaven to you for the salvation of your soul and the souls of those in your care? Have you gathered your graces to use them selfishly, or have you proceeded under the direction of the Queen of Heaven to share these graces in searching throughout your world, the dark corners of your earth, for the salvation of the straying sheep?

"I, Michael, guardian of the House of God, guardian of the Faith, give you warning that you have been found lacking in the eyes of the Eternal Father, and shall receive a just punishment."

Veronica - Now Michael is coming closer to us. He's coming forward, and he's holding up now the balance. He's cast the balance until it's suspended now by itself in the air, and he's now grasping his spear. It's a very long spear. Now I can see the end, the handle, has a cross on the handle, a very large cross.

Now Michael is pointing the sword-like spear - it's a sword now, because the handle seems to be much larger than when I first saw it - he's pointing it downward now.

Now Gabriel is coming over; he's standing now. And coming from the sky is a very strange-looking instrument, like a horn. It's a long, tube-like golden instrument, like a horn. It's a long, tube-like golden instrument, with a wide circular base. Now Raphael is coming over. And he's now touching the shoulder of Gabriel. He's saying to Gabriel - I can hear them:

St. Raphael - "Wait, my brother, for the time has not come to blow your horn. The Eternal Father has set the day and the hour."

Veronica - Now it's growing quite dark. And now Michael is coming forward, but Gabriel and Raphael are going over to the left side, our left side, and they're standing just above the trees. Now Michael is pointing upward to the sky. Oh, now the sky is opening up. Oh, it's a beautiful circular light. I can't describe it.

Oh, Our Lady now is coming forward in the light. Oh, Our Lady is dressed in the most beautiful white gown. It's very full, and it's such a pure white. It appears as the white of sugar, it's so clear. Oh!

Now Our Lady is carrying in Her right hand a Scapular. It's a very large brown Scapular. I can't see any figures upon it, but it is a brown cloth, and it has also a brown string. It's exceptionally large. And Our Lady now is removing Her Rosary. She's carrying the large white Rosary with the beautiful golden Our Fathers. Now Our Lady is taking the crucifix and placing it upon Her lips, like this, and holding it forward in front of Her and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming down. She looks so beautiful. [Veronica sighs.] Our Lady has on Her head a crown, but it's a circlet - it looks like a circlet of diamonds, a most beautiful crown. It has golden webbing, but above each tip is a point like a, a triangular point. I can count them: one, two - Our Lady is bending Her head forward so I can count the beautiful points: one, two, three, four, five, six, seven, eight.

Our Lady - "For the Eucharist, My child, eight for the Eucharist."

Veronica - On top of the point, the golden point made like the Trinity, is a beautiful star-like diamond. Oh! Now Our Lady is coming over to our left side, and Michael is coming forward. It's quite windy, because Michael has on also a long white robe - like gown; it's a gown tied about the waist with this - oh, it's a cord. It's a beige, cord-like material. Now Michael doesn't have any slippers or sandals upon his feet.

Our Lady is wearing white sandals, and they're made of two V-like straps. And on the tips of Her feet are the most beautiful golden rosettes. Our Lady calls them rosettes. They're baby roses, golden roses. Oh!

AN IMPOSTOR IN PLACE OF POPE PAUL

Our Lady - "My child, I bring to you a sad truth, one that must be made known to mankind. In doing this, My child, you must proceed without fear. It must be made known to mankind. Our dear beloved Vicar, Pope Paul VI, he suffers much at the hands of those he trusts. My child, shout it from the rooftops. He is not able to do his mission. They have laid him low, My child. He is ill, he is very ill. Now there is one who is ruling in his place, an impostor, created from the minds of the agents of satan. Plastic surgery, My child - the best of surgeons were used to create this impostor. Shout from the rooftops! He must be exposed and removed.

"Behind him, My child, there are three who have given themselves to satan. You do not receive the truth in your country and the world. Your Vicar is a prisoner.

CARDINALS CASAROLI (1914-1998), BENELLI, (1921-1982) AND VILLOT, (1905-1979) [All deceased]

"Antonio Casaroli, you shall condemn your soul to hell! Giovanni Benelli, what road have you taken? You are on the road to hell and damnation! Villot, leader of evil, take yourself from among those traitors; you are not unknown to the Eternal Father. You consort with the synagogue of satan. Do you think you shall not pay for the destruction of souls in My Son's House?

NOT POPE PAUL VI IN PUBLIC APPEARANCE

"The Antichrist, the forces of evil, have gathered, My children, within the Eternal City. You must make it known to mankind that all that is coming from Rome is coming from darkness. The light has not passed that way. The appearance in public is not Paul VI, it is the impostor pope. Medication of evil has dulled the brain of the true Pope, Pope Paul VI. They send into his veins poison to dull his reasoning and paralyze his legs. What evil creature have you opened the doors to the Eternal City and admitted? The agents of satan!

"You plan to remove the Eternal Father from your heart and the hearts of those whom you seek to deceive. You scatter the flock.

"My children, you must now pray for the light. You must know the truth. All that is given to you is being sent from the traitorous heart of those who have seized power in the Eternal City of Rome.

"My child, you will be mocked for this message. You will be scorned by many, but you are bringing the truth.

"The enemies within the Eternal City have opened the doors wide and allowed the enemies of God to enter. They consort with the devil.

"You will cleanse your city. You will send out the traitors, excommunicate the wrongdoers who do not repent of their sin. What does it gain a man if he gain the whole world and suffer the loss of his soul? Your gathering in worldly wealth shall give you no passport to Heaven.

"Come out of the darkness! The Red Hats have fallen and the Purple Hat is being misled. Cardinal against cardinal, bishop against bishop! All that is rotten shall fall. Blood shall flow in the streets - revolution upon revolution! Do you not know - have you learned nothing from the past history of mankind - that the Father will chastise those He loves?

"Awaken! You have fallen asleep, Our pastors! You shall not follow as sheep to the slaughter those pastors who have given themselves to satan, those pastors who have sold themselves to the world of satan. Many will sell their souls to get to the head.

THREE MEN IN COMPLETE CONTROL

"It is the diabolical plan of satan to have the hate of the world turned to the Vicar, Pope Paul VI, in Rome. The plan of satan is to heap upon his shoulders all the error and wrongdoing; however, those who he has trusted have betrayed him, have now assumed complete control of his mission. There are in figurative language, My child, three popes now in Rome. Three popes, My child, not counting Pope Paul VI: three men who are being directed by satan.

"You cannot accept now what comes from Rome, for they do not come - these bulls and these directions are not written by the pen of Pope Paul VI. They are written by the pen of Benelli and Villot. They have given direction, My children, to Antonio Casaroli to infiltrate into the high places of the public, conducting of emissaries from Rome to all nations of the world,

agents of satan. Do you not know now why the good have been persecuted? Do you not know why the hands now shake the hand of the devil, the enemies of God?

"Your world is revolving into a crucible of suffering. The children of God shall be persecuted; but persevere, My children, for your reward is great in Heaven. The time will come - without prayer and atonement of mankind, the time will come when those who are upon earth will envy those that have passed on and are dead.

"Father against son, mother against daughter, brother against sister! To all who have even the slightest glimmer of light, of truth, they will say, 'Has insanity fallen upon mankind?'

"Man is slowly reducing his nature to that of animal. Sin has become a way of life. Immorality, debasement, debauchery - all manner of vice and evil floods your country and the countries of earth. How long do you think the Eternal Father shall tolerate this conduct?

"My children, My voice carries far throughout your world. I come to you as a Mediatrix between God and man. I bring you a warning from Heaven. Your country, the United States, and Canada shall be cleansed by trial.

"You have a balance in your country, My children. Only a few, a minority, have held back your just punishment. The Eternal Father is keeping count. Only He has the final decision.

"My child, your country now is wallowing in a cesspool of corruption, corruption in the highest places. They have cast aside the knowledge and honor of their God, for they have set up wealth, fortune, and power as an idol of worship. They have set man up as an idol of worship.

"Parents, parents of good heart and faith, continue to gather your children in your homes. Instill in their heart the knowledge and truth of their God, for when they leave your homes they are going out like innocent sheep into pastures, pastures beset by ravenous wolves.

CHANGES NOT FROM POPE PAUL VI

"I must, My child, make it known at this time that you must go back in the immediate years and bring the knowledge to mankind that these changes, the changes that have given bad fruits, have not been given to you through the Holy Spirit and through your Vicar, Pope Paul VI. It is the web of satan reaching out. Many are now, My child, puppets. The strings are being pulled by Benelli, Villot, and Casaroli and their followers.

"My child, you must work with great haste to spread this message throughout the world. I cannot give you the future at this time, My child; but you must now proceed, for the future is now, My child, the future is now!

"You will continue to receive many photographs, My child. Much must be kept in secret, for they are instruments for your mission.

"I have sent you out on several missions, trips, My child, for reason. However, it is a good lesson to learn that the more you go out among men the less you will feel a peace of spirit. That is why I have directed you in the past to retire from your world.

"You must understand, My child, that a degree of grace has been given to you and others. Mankind would not understand without the help of the Eternal Father. You must remain in your circle of light, for those who have not joined this circle will not understand you, for you will speak to them in matters of the spirit and you will speak then in a foreign tongue to them.

"Yes, My child, it is a special grace to recognize the photographs and to join the Mission from Heaven.

"There must be a constant vigilance of prayer throughout the world. Your beads of prayer, your Rosary, shall bring many graces to you and your families.

TV - A SOUL DESTROYER

"I have many times cautioned you and all of My children against the use of the diabolical machine, your television. There will be no excuses accepted for having these in your presence. They are destroyers of the soul and corrupters of the mind: they take you from your moments of meditation; they take you from reading the words of the good Book, your Bible; they present to you a way of life that is not akin to the way of your God.

"My child, you must find a good soul who will continue to print and send out to the world the true prayers of your Faith. Experimentation by your pastors has led to much soul corruption. There is no novelty in Heaven. There is no need to change, for when man becomes discontented he seeks a change, and it is most often not for the better.

"You see, My child, the three spirits of light I just sent across your sky: the Father, the Son, the Holy Ghost. Three doves, My child - they follow Me across the world. The day will come when I will direct them to alight at My statue's feet.

"No, My child, you will not be concerned what to do with them, for they will return with Me.

"Remember, My child, you must read the photographs carefully."

Veronica - Now Our Lady is holding out Her Rosary with the beautiful golden crucifix upon it, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming a little closer.

Our Lady - "My child, you are becoming scrupulous. You must not concern yourself of My direction, but to follow it without self-will. You will direct your will only to the Eternal Father, with confidence. I assure you, My child, all will appear before your very eyes.

"When you are giving the names I give you, My child, you are not judging, because you must remember you are a voice-box.

"Now, My child, you must be seated, for there is much work to continue with. Continue the prayers of atonement; they are sorely needed."

[Pause]

Veronica - The sky now - it's a very strange, round, ball-like figure, but it's almost like a quarter-moon; it's a very strange light. Oh, now just beyond the light - oh, the sky is beginning to clear, and oh, Jesus now is coming forward through the light. Oh, He's -

All who are able, please kneel in due respect to Our Lord Jesus.

Now Jesus does not have anything on His feet. I can see His bare feet. And He has on a beige-colored gown, and it's tied about the waist with a cord. It's a darker brown cord, almost like a hemp. And He has about His shoulders His burgundy cape, and it's blowing. It must be very windy, too, up there, because the cape is blowing.

Now Jesus is coming down quite close now. He's coming over to our left now, standing just by the tree. Now He's placing His hands out in front of Him, like this: His two fingers are raised forward, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And now He's rising. Oh, He's just - oh, to watch it's beautiful! Jesus does not walk, He's just carried like on the wind, as though He's weightless. And He's smiling. Now Jesus is coming over toward the center of our view here, and just above Our Lady's statue, and He's looking down. Now He's touching His lips. That means I must listen.

Jesus - "My child, My Mother continues to direct you well. You must hasten to send the message throughout the world. Time is running out. Do not be concerned of those who cast aside the message. Your only concern will be to give this message to them. Of their free will they are being given the chance to come back onto the road or to leave it forever by going the way of the world.

"My child, do not be affrighted; do not be fearful of the message given to you by My Mother. The truth must come to the light. There are grave dangers ahead for mankind if he proceeds on his present course of soul destruction. The world will be cleansed by a baptism of fire. All that is rotten must fall. In this crucible of suffering many of the good must carry a heavy cross.

"The world will reject the message of the spirit, for their hearts have been hardened and their ears are closed.

"The road to the eternal Kingdom is a narrow road, and when you leave it, My children, it is difficult to return. You must now wait and watch in the days ahead. My Mother has directed you well; She has prepared you for this future which is now. All who are of well spirit will go through these times with much hope, perseverance, and fortitude in the knowledge that the victory is with Heaven. It is a testing of mankind. The sheep shall be separated from the goats.

BISHOP COUNTED WITH GOATS?

"My child, you must warn your bishop that We have watched him and found him wanting. Shall he remain counted with the goats? Pray for him, but make it known to him that We look into his heart.

"My child, My Mother has directed you as a voice-box. You will give the message to the world exactly as She gave it to you, never concerning yourself of opinion."

Veronica - Now Jesus is placing His hand out in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now it's getting much darker. Oh, it's getting very dark, except for Jesus. Now He's - the light is very bright about Jesus. And He's going over to our right side, and He's looking down and placing His hand out in front of him: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you, My children, as My Mother blesses you, with the light of eternity. Know that in the days ahead you will be given the grace of seeing miracles appear before your very eyes. They will not go unrecognized, for you will test the spirits. All that is rotten will fall, and by the fruits will they be known."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going up. He's like floating, being carried on the wind backwards; He hasn't turned around. He's smiling, but He's just rising very high into the sky. Oh, now He's touching His lips.

Jesus - "My child, you will continue now with your prayers of atonement. And We do not wish that you remain with the lighting, the lighting of the candles."

Veronica - "Yes."

In the name of the Father, and of the Son, and of the Holy Ghost.

October 2, 1975

Holy Guardian Angels and Eve of Saint Theresa

Veronica - The sky is becoming very lighted, and the rays of light are a pale blue, and they're forming the letter "Y", "Y". Now in the center of the "Y" - now the "Y", the upper part is becoming a chalice, the cup of a chalice. And standing over the chalice . . . Our Lady is coming; I can see Our Lady in the distance. She's very small, and as She comes in through the distance She looks like a small figure of a statue. But now as She's coming closer, Our Lady's gown is blowing.

Through the light Her gown looks like a pinkish color. It's very light and very pink. I believe it's because of the light, because now Our Lady is coming out of what appears to be the top cup of the chalice, and moving over onto the left side.

Oh, Our Lady looks very beautiful! Oh, She looks very young tonight. And I can see now Our Lady's hair. I very seldom see Her hair coming out from Her mantle. And She's smiling.

Our Lady - "My child, We are very pleased that you have been reading the photographs carefully. I was as much distressed, My child, because of those who have not accepted the graces given to them. These photographs are given often in secret, but because of the ways of the Eternal Father many will look and still not see.

"On these photographs, My child, of special message and meaning, there are many that you will have to point to and describe, for they are only for your eyes.

"The camera must be blessed to purify them for taking the miraculous photographs.

BLEEDING STATUES MUST BE INVESTIGATED

"Satan has started a great war against us, My children. Satan will also bring forward false miracles. However, you will not be deceived by them because he may propagate his error but for a short while. If you will investigate each miracle, the hand of satan will make itself known. The bleeding statues, My children, must be investigated.

"You have, My child, received now the full story of the approach of Antichrist to the Eternal City of Rome. It is a sad fact that the apocalyptic days are here, and the visions of John will now unfold to completeness. There is much that was not revealed, but these are the days of the Revelations.

"You will read the visions of John, the Apocalypse, and you will find yourself filled with the spirit of knowledge and wisdom. The story of the end days will unfold as you read. You will not be found without knowledge if you will take the Book of love and life, your Bible, and read it.

IMPOSTOR: DECEPTION OF CENTURY

"I have warned you that there are three popes now in the city of Rome. They have, I repeat, brought forth an impostor, while they have laid low Pope Paul VI, your true Father. It is the deception of the century!

"My child, you will have no fear in giving this message to the world. We of Heaven entrust you with this knowledge. The deception must be exposed to mankind. It is the only manner in which you can prevent the Seat of Peter from capitulating and falling into full control of the antichrist 666 forces.

"You have not, My child, sent the letters that I have asked you to, to your bishops and also to the cardinals and archbishops of Rome. You must do this immediately. There is no time to be lax.

"We have chosen to give this message through you, My child and My children in the United States, for We find that there is much courage in the hearts of your countrymen. There is a time for everything in the plan of Heaven. Much has been given in photographs, My child, in the past. They are for now, for your future is now.

SCAPULAR TO BE WORN BY ALL

"You will keep a constant vigilance of prayer in your country and throughout the world. The Scapular must be worn by all. It will be your badge of courage and your hope in a discordant world and generation, a generation that has set itself onto the road to perdition. The sins are abounding; the sins are increasing; the evil is accelerating. My children, you send the hourglass on a fast course to your destruction. The time is growing short.

"You must be patient, My child, for the convent you seek will be given to you. We allow you to see the evils in the convents and the monasteries, My children. They must not be tolerated to suit mankind, for mankind has offended the Eternal Father. His hand shall fall heavy upon your world.

"All manner of warnings have been given to mankind, and many have gone by unheeded. Atonement and reparation must be made to the injured heart of the Eternal Father.

"My children, if I could unfold for you before your eyes the future, the future which is now, you would hasten to bring about a complete reversal of the ways of mankind that offend the Eternal Father and have set mankind onto a road to destruction.

"All manners of sins and abominations are being committed in the lives of mankind. These abominations have now entered fully into the House of God!

"The children are the innocent victims of their elders, being taught perversion and a way of life that has become a sinful way. Sin has become a way of life to many.

"You will gather the old books of knowledge, true knowledge of your God, and treasure them, for the enemies of God in the Eternal City shall seek to destroy this knowledge. For they seek to bring about a religion that is not under the banner of Faithful and True, the true Pope Paul VI, and the plan of God the Father.

"Sinful mankind is setting himself to bring about a religion of universal proportions, but it will be a religion of man and not of God.

"Satan has entered into the highest places of the Eternal City. Bishop shall face bishop, and cardinal shall set himself against his brother. In this manner all that is rotten will fall.

"You ask, My child, how this sorrowful state has come to pass. It is, My child, because too few pray, too few know the value of suffering, and too few have sought to do atonement for the offenses committed against My Son and His Immaculate Heart.

"I, as your Mother, have been sent by the Eternal Father in My Son, in the Holy Spirit, to warn you that you must now turn back while there is time, from your present ways - your road of sin, immorality, and corruption.

"Your children are being raised to know no sin. They conduct themselves as pagans worshipping false idols, giving themselves to mind-destructive drugs, seeking pleasures that are abominations to the human flesh!

"Parents, are you blind? Do you not see your children, what is happening to them? What have you done to save their souls? You are too busy in your worldly lives! You pile silver upon gold, but have you prepared your children's souls with merit to enter the Kingdom of the Eternal Father, or are you passing these tender souls into darkness and the realm of the prince of darkness, satan?

"There shall be much woe and gnashing of teeth and sorrow in the hearts of many parents, tears that will flow - too late, too late!

"As parents your duty is manifold. You must teach your children within your homes. You must safeguard their purity. Modesty! Mothers, your daughters - do you permit them to expose their flesh to lustful eyes? Are you stripping from their young souls modesty and purity of purpose and spirit? What kind of example are you giving as parents in your homes?"

Veronica - Now it's growing very bright behind Our Lady, and I can see a group of people coming down now. Oh, they're nuns! They have on dark habits. And now one is coming forward, and she's standing next to Our Lady. Oh, it's Saint Theresa.

St. Theresa - "My sisters, whatever has possessed you to set yourselves upon such a course to perdition? Have you no sense of shame in your attire, exposing your body to lustful eyes? Why have you discarded your protection? What model of purity and sanctity are you when you have become maidens and not brides of Christ?

"The Eternal Father is watching. He has a very heavy hand, my sisters, that shall be set upon you! You must not follow like sheep to the slaughter the cry of the serpent. You are all blinding yourselves to the truth.

NUNS TO HAVE LONG HABIT TO GROUND

"The road to Heaven, my sisters, is a narrow one and not difficult to follow, unless you choose to turn away. Even a short duration in the world will soil your soul. You must not, my sisters, give yourselves to the world in thought or deed or dress. Your example must be as one as Our Lady is dressed - a long habit that reaches to the ground. When you, my children and sisters, discard a proper attire - dress and habits - you do much destruction to your order, to your vocation, for you no longer are an example of purity and commanding respect. You do not receive respect. You are a scandal to your vocation, my sisters! You must not be obedient to the cry of the serpent.

"The rule must be followed within the convents. My sisters, you will gain nothing by leaving and going into the world. It is a deception of satan to destroy your vocation and true purpose as brides of Christ. Come out of the darkness, my sisters!

"It is the Eternal Father Who is the final judge, but a nun who has left her convent and given herself to the world and seduces a priest, a representative of Christ, to leave his vocation and destroy his soul - that nun shall enter hell!

"Turn back, if you have been deceived! The merciful Father shall forgive if you repent of this great sin. If you do not repent and return to your vocation and allow the priest whom you have blinded by seduction - if you permit him to remain in his sin, your punishment will be two-fold, for not only have you sinned but you have caused another to sin!

"A priest is a man of God, chosen solely from the world to be a representative of the Son of God, my sisters and brothers. As a man of God, he brings to you the Body and Blood of your Savior.

NONE BUT CONSECRATED HANDS TO GIVE HOST

"I tell you, my brothers and sisters, that none shall take in his or her hands the purified Body of your Savior! Only the consecrated fingers and hands of the representative of Christ the Lord shall give and bring this gift to mankind!

WOMAN NOT TO SPEAK OUT AT MASS

"No woman, my sisters, shall set herself within the altar railings! No woman shall speak out at the holy service! Have you not forgotten the truth and the rule? It is the Eternal Father Himself who gave your prophets this rule.

"A woman must be subservient to man. She is not a chattel; she is a helper of man and husband. But a woman must speak to man. She must not assert herself unrightly in the houses of God.

"Jesus the Lord, your Lord, my sisters and brothers, has made the rule. You cannot change it to suit yourselves. You have been blinded by satan. The liberation in your hearts has been placed there by satan. You gain nothing but your own destruction. Nuns, those who have accepted the rule and taken the habit, must remain in the habit.

SEX EDUCATION-PRIVATE DISCOURSE BETWEEN CHILDREN AND PARENTS

"The mind and the eyes are the mirror of the soul. Therefore, you will cast your eyes upon goodness and holiness and purity. You will not watch the infernal machine - your television. You will not read books of sex education, books that do not belong in your schools! They are a private discourse between children and parents.

"The Eternal Father finds abominations and sins, all sins and manner of sins of the flesh, being committed because of the false teachers who now have set themselves in the House of God.

"You have been warned, my sisters and brothers; you have been warned in the writings from the prophets. Why have you cast them aside, not recognizing the signs of your times?

"I carried with me upon earth, my sisters, a little book of knowledge. Why can't you carry this with you - Imitation of the Christ?

"Fair maidens do not blush, my sisters. They do not blush, for they know not embarrassment or sin. The purity, the beauty of purity, is gone forever from their lives. If you do not have purity of purpose in your worldly life, you cannot enter the Kingdom of light, the Kingdom of the Father, where purity reigns.

"Is it not better, my sisters, to have to suffer to be different for just a little while upon your earth? Life is eternal in the Kingdom of God. Your life upon earth is but a short pilgrimage. Shall you give yourself to satan while on earth and be claimed by him over the veil? Is it not better, my sisters, to follow the rule: obedience with honor, not with dishonor to your God - obedience that is given with good and noble purpose and with truth.

"You cannot be obedient to those who have given themselves to satan: destroyers of the rule, those who seek novelty and change. Change, my sisters? what need is there for change, when you have stood the test of time?

"The world, your world upon earth, is in deep darkness of spirit. Good sisters, who have remained true with multitudes of graces through prayer, will you not light your candles with our glorious Mother and go throughout the world seeking those who have been lost in the darkness?

Dear Holy Father, worried and wan,
Will struggle with Jesus to gather the sheep.
The pastures are rich but the sheep grow thin,
For the souls have succumbed to the sickness of sin.
You'll need reinforcements from heavenly shores,
So deep is the darkness of earth's shallow mores.
All hearts must ascend in true supplication
To avoid the sad fate of divine devastation.
Dear holy Mother, your Mother of love,
Does beg you to heed these dire words from above:
His heart is torn by careless surrender
Of too many souls that don't try to remember
The Father, the Son, the Spirit of life_
Smite in the heart with the human knife
Of hate, greed, avarice, vanity:
All indications that sin is insanity!
What more must you do but place the full load
Of saving all souls on the few who are bold,
Who'll stand up and fight for all Heaven's glory

And meet with Pope Paul at the end of life's story.

"My Sister, remember the message I gave you in 1969. You can see, my sister, it is coming true fast.

The end is not as far as you can see;
Already there is apostasy.
Man cast his lot and gathered the coals
To stoke the fire that burns the souls.
The hours are numbered, the days are few,
So work and pray and try to do
The work that's given in the light,
Until that sad time when all is night.

"You must, my sister, hasten to give out the message: All peoples of earth must remain true to Pope Paul VI, faithful and true in his present duress. He suffers much from those about him who are deceivers.

"Satan has entered, my sisters and brothers, into the highest ranks of the hierarchy. Therefore, you will recognize the faces of evil. By their fruits will they be known."

Veronica - Now it's growing very dark, and Theresa is now going over to Our Lady. It's bright where Our Lady is standing, over by the left side. And Theresa is standing there, and the other nuns now are backing up. They're just floating backwards up into the sky.

And Our Lady now is placing Her hand out and pointing over to the right side of the sky. And there are two red fish now floating - it's like they're swimming right across the sky, two red fish. And next to them, on their tails, there are letters forming: "B" and "C".

Now also - it's like a triangle; the "B" and the "C" now are throwing out rays, and at the tip end of a V-like formation is the letter "V". "V", "B", "C".

Now I hear a tremendous sound. I recognize it; it is Michael.

St. Michael - "The Red Hat has fallen. The Purple Hat is being misled. Woe, woe, woe to the inhabitants of the earth! Blood shall flow in the streets!"

Veronica - Now it's growing very, very dark, and - oh, my goodness! There's a - I can see Pope Paul now, the real Pope Paul. He's very thin. He's very wan. He is very sorrowful. And I hear him now. He is opening his mouth, and he's saying:

Pope Paul - "Succor! Succor!"

Veronica - Oh, dear! Help! [Veronica is sobbing.]

And on his chest, I see the crucified body of Jesus. And now there's coming a very ugly-looking thing above - floating out of the sky, above Pope Paul. And he's holding a long knife, or axe - no, it's a knife - above his head.

Now the sword is pointing over to the left, and it's pointing down. And there is a huge Bible - I know it's a big Bible - and a voice is hollering: "Tome! Tome!" And on top of the Bible, there's a huge black cross covering it. It doesn't look good. A terrible, ominous-looking black cross, and the Bible, which had golden pages and red, is now beginning to fade. It's fading and turning black.

Now over the whole scene - it's just like a moving picture - there's coming a huge sickle with a hammer through the center, a sickle with a hammer through the center. And all about it now are red hats. They're those large sombrero type of hats.

"I don't know how, Blessed Mother, to explain it."

They're round with round crowns on them. They look like very big hats, and they are bright red, and they've got tassels, like golden tassels hanging from them, and they're all suspended. And one now is perched on top of the sickle. It's just setting almost like a crown, on top of the sickle.

Now it's becoming very dark, and I can't see it anymore.

Our Lady now is coming forward.

Our Lady - "My child, you are now seeing the fulfillment of prophecy. You will understand all in due time. The world must keep a constant vigilance of prayer. There is no other recourse. The Eternal Father has a heavy hand.

"Mister 666, My child, the antichrist forces, are now loosed fully upon earth. Without your prayers and the prayers of the multitudes, he will bring about a full destruction among mankind: wars, all manners of abominations, darkness in holy places, darkness in the hearts of men, darkness of spirit.

"Those who remain good and in the light will carry a heavy cross, My children. However, it will be a badge of honor, for it is your key to the Kingdom. It is a test allowed by the Eternal Father to mankind. All that is rotten will fall away, but those of true spirit, of well spirit, My children, shall survive all trial."

Veronica - Now Our Lady is taking Her cross and She's placing it in front of Her: In the name of the Father, and of the Son, and of the Holy Ghost.

And Our Lady is placing Her hand out, like this. She has a beautiful Rosary - huge white beads that have all the colors of the rainbow emanating from them in all directions. It's beautiful! And the cross, the crucifix, is golden, and Our Lady now is extending it out in front of Her, over towards our right, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you, My children. Continue with courage. It will take much perseverance to give My message to the world, but your greatest hope, your greatest strength, is with the knowledge that you are on the winning side. My Son shall come down to earth in triumph to stop your suffering in time, My children.

"Keep your robes clean and spotless, for He will recognize you, My children, in that manner when He returns to your earth. Wash them in the Body and Blood of My Son. Remain close to Him, My children, in the Eucharist. Wash your robes in His Blood.

"I bless you all, My children, and extend to you graces of cure and conversion. In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

"My child, you will be seated now and read the photographs."

[Pause]

Veronica - Now there's a great circle of light coming; it's perfectly circular. It's like ringing the whole area here, and also, from the center, it's almost like looking at a wheel on a bicycle. There are radiation points of light from the center. And now Jesus is coming forward, and He - oh, it's beautiful! Oh, He looks so beautiful! The light is so bright that I can barely look into it. I'm sure my eyes must be burned, it's so brilliant.

Now Jesus is coming forward. He has sandals on His feet; I can see the brown straps. And it's quite windy up there, because His cape is blowing and also His hair. Jesus' hair looks quite long. It does touch the cape, His shoulders, and His hair - I can't tell very well, but the light is so brilliant it does look a reddish brown. It's quite straight and curling at the ends; I can see it. Oh, and Jesus is smiling.

I can see now for the first time in a long time, I can see His beard. He's got a very short, very well-manicured beard. Oh, and Jesus is smiling.

Jesus - "My child, I am happy that there can be joy in the hearts of mankind, for they understand well the plan of Heaven.

"Yes, My child, the time has come to reveal to the world the truth. It must be made known to mankind the condition, the disposition of the Eternal City. Satan has waited for these days; he has planned his battle. And We, and you, My children, as children of God the Father, shall battle him well. Do not be affrighted at the coming days. It has been all written in time in the great Book, the Tome.

"You will understand in days to come the plan from Heaven. It is a testing period for all. All that is rotten will fall, and man shall be tested as metal in the fires. M-e-t-t-l-e, My child, mettle in the fires.

666 NOT ONE MAN

"You will observe, My child, the existence of the agents of hell, known as 666 to you all. It is not one man you shall seek, but a full army of demons led by six demons of major incidence. They have been sent from the abyss on special mission. They are doing full battle against the children of God now. You are in the days known as the apocalyptic days of revelation.

"My Mother has come to you because of the necessity of your times. She has been shut out and cast aside in many places, for mankind has hardened his heart to the truth. He prefers to blind himself in worldly pleasures and pleasures of the flesh, never keeping in mind that his life upon earth is but of short duration.

"What does it gain a man if he wins the whole world and suffers the loss of his soul? Life is eternal over the veil, and not one of you, My children, shall escape the judgment. No man shall fall into the abyss unless he goes there of his own free will. Believe and you shall be given the way.

"Your world now has plunged itself into deep darkness of spirit. Come out of that darkness, My pastors! You have been given many warnings, and they have fallen upon deafened ears. How many warnings do you think you shall receive from Heaven? You are misleading Our sheep.

"The Red Hats shall stand before Me, and shall you say to Me that your teaching has been pure in My sight? Away from Me! I shall cast you into the abyss. Vipers, join the brood of vipers, soul destroyers!

"No man shall stand before Me and have on his count the loss of souls entrusted to him. No man shall excuse himself with rules and obedience, with rules set forth by satan. You will not give yourselves to the world. You will not take My Church and give it to the world of satan, turning it from a place of sanctity and refuge to a meeting place of all foul practices, lacking respect and honor! You take off your collar and expose your true nature. You are of carnal desires. As such, you shall not enter the Kingdom of Heaven.

"My child, you will continue to bring the Message from Heaven to the world. The time is truly short.

"If mankind was given the knowledge at this time of how much time in earthly days on earth he has, he would now be down on his knees and making atonement with speed.

"However, it is the will of the Eternal Father that each man be given his chance and opportunity to save his soul. No man shall enter into the abyss, the kingdom of satan, the prince of darkness, except of his own free will, for he will have led himself onto the road to satan."

Veronica - Now Jesus is placing His hand out in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you, My children, and extend to you the strength to go forward and persevere, for the Kingdom of Heaven is for all who are seeking. Ask and you shall be given the way. Many are called but few are chosen. But believe and you will be given the way."

Veronica - And Jesus now is extending His hand out in front of Him and making the sign of the Trinity: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is moving over. He's going over to the left side, past the statue of Our Lady and over by the tree. And He looks very beautiful. The light is very bright. Oh, and now He's placing His hand out in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I give to you My peace of spirit, My children. Continue with your prayers of atonement. Continue with saving your brothers and sisters, for without your prayers many will be lost to Us."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Eve of Our Lady of the Rosary

Veronica - There are a large number of clouds in the sky. It's very misty. In the center of the sky, coming from out of one of the clouds - it's a cloud-like formation - I can see Our Lady.

Oh, Our Lady is dressed all in white, beautiful white, but Her feet are bare. I can see Her feet now emerging from under Her full gown. Her mantle is very loose about Her shoulders and Her head. She is so beautiful! There's a trim of gold all about Her mantle.

Our Lady is holding in Her right hand a beautiful round garland of roses. And now Our Lady is holding the garland out, and the sky is becoming very lighted. It's beautiful! And coming through the sky now are many, many beautiful young angels. They look like children of all sizes, but very young. They're dressed in gowns, long gowns. I can see their feet. Their feet are bare, but their gowns are beautiful pastel colors of pink, blue, a deep russet orange. Oh, so beautiful! And on their heads they have garlands of roses. Oh, there's a brilliant light above them. It's a warm light; it's like looking into another world. It is so beautiful! Oh!

Our Lady now is motioning to a taller young angel over on Her right, and they're starting now to place their hands in front of them. And they're forming, they're weaving from the flowers - they're taking from their heads the garlands - I can see it's a long string of roses. Now - oh, they're making the Rosary of flowers. Oh, how beautiful! There are colors in the roses I have never seen here. Oh, they're tinted, they're beautifully tinted, like the colors of the rainbow.

Now the Our Father bead - it's not a bead, it's a rosette - is being made. And they're twisting them, but the Our Father bead is white. The flower is white of the Our Father. Oh, and they're continuing down for the five mysteries. Oh, how beautiful! They're almost finished now. They are working very fast with their hands.

Now there must be - I could count them, Mother - one, two, three, four, five, six, seven, eight, nine, ten, eleven, twelve, thirteen, fourteen, fifteen. There are fifteen beautiful young angels. Oh, and they're holding now the garland of roses that they have woven into the Rosary.

And now there is a golden crucifix, a beautiful golden crucifix hanging down now just through the sky. Now they're rising over Our Lady, and the beautiful flower Rosary is hanging down behind Our Lady. It covers the whole sky. It is so beautiful!

Now over on the right, Michael is coming forward. Oh, Michael is carrying in his hands a beautiful golden crown, and in the center of the crown they have roses, beautiful red roses, blood-red roses. Now Michael is going over to Our Lady. She is smiling; Our Lady is smiling, and She's taking out Her Rosary from Her waist. Our Lady has a tie about Her waist. It's a rope-like tie of golden rope, and Our Lady is taking out Her large beautiful white Rosary with the golden Our Fathers and the golden crucifix. And now She's holding it between Her hands, like this. And Michael is placing upon Her head the golden crown. It's the crown - Our Lady is saying:

Our Lady - "My child, Fatima, Fatima!"

Veronica - Oh, Fatima, the crown of Fatima. Oh, it's been garlanded in roses on the tips.

Now Our Lady is moving from the center. She has the beautiful crown on Her head. It's covering right through down to Her - almost Her eyebrows. The light is very bright. I cannot see Her face fully, but I can see Her smile. Oh!

Our Lady - "My child, in this age of deep spiritual darkness, I have little reason to smile. How can I smile, My child, when so many souls are going into the abyss daily? Please, My child, hasten to send Our message throughout the world. The time is growing short.

"I wander throughout your earth visiting many places and talking through many voice-boxes. How many have listened to My words of caution and warning? How many have chosen to cast them aside, preferring the short time upon your earth and living in sin!

"You must make it known to your brothers and sisters, My children, that there is no life eternal upon earth, but only with the Eternal Father in Heaven.

"Our hearts are greatly torn by the knowledge that the forces of evil have gathered in the Eternal City, My children. You must keep a constant vigilance of prayer going throughout your country and the world. The power of prayer is great.

"My child, you have not sent the letters to those whom I have asked you to. You must not become involved in chasing, My child. Satan will set many obstacles in your way. You must discard that which is not of greatest importance. Every soul is precious to the Eternal Father and must be saved. Every measure must be taken to save this soul, My child.

"You will speak once and if not hastened, you will speak no more; but keep it in your heart, My child, that it may not be his decision. Pray that your bishop will receive the light of understanding.

"I repeat, it is not derogatory to speak, My child, to him. He must know that he is traveling with the goats. He must be saved, My child.

"The Red Hats have fallen and the Purple Hats have been misled/ The time will come when there must be a separation of the sheep and the goats. There will be bishop against bishop and cardinal against cardinal, and satan shall set himself in their midst.

GREAT DELUSION IN ROME

"There is in the Eternal City of Rome, My children, a great delusion. The light has not passed that way. Error upon error is coming forth. The enemies of God have taken the highest positions in My Son's Church. It will be cleansed by trial.

"All who are of well spirit will have no reason to fear. They will go through this time of tribulation with great heart, knowing that the eventual victory is with My Son. The time of times and the days prophesied in the past are at hand. Have you cleansed your soul for this coming?

"The children are the innocent victims of their elders. All parents are cautioned anew to guard their children's souls. The truth of the knowledge of their God must be given to them by their parents. They shall not receive this knowledge when they leave your homes.

"Immorality and all manner of debasement of the flesh is taking place upon earth. The sins of the flesh shall condemn many to the abyss.

"My child, in your mission from Heaven, you will go as the Father directs you. All will appear before your very eyes. I do not wish you to make any judgment without prayer, My child. And you will use the photographs given for your knowledge. Read them carefully.

"The world will reject this message, My child, for your world is in deep darkness of spirit. However, it is a sad fact that many are called but few are chosen.

"Pastors upon earth, why have you scattered your sheep? Why do you follow the call of the serpent? Why have you taken My Son's House, Church, and destroyed the knowledge of their God? You are building for yourselves a church that will be one of man and not of your God. Stone upon stone you build, using all of the treasures of your world to build it. But they will crumble; each stone shall fall. None will be left unturned in the Chastisement. Then what will you have gained for your sins?

"A just punishment, My child, shall be sent upon mankind. Shout this from the rooftops! All manners of sins and abominations have entered into My Son's House on earth, His Church.

"Satan does full battle with the children of God, My child. You must gather all true books of knowledge of your God and store them well. They are slowly being destroyed by the enemies of your God.

"All those who are given the light shall light their candles and search through the darkness for their wandering brothers and sisters, brothers and sisters that shall be lost without your prayers and sacrifices.

"My child, you must make it known to the world that there is a major deception in the Eternal City. Your Vicar, Pope Paul VI, suffers much at the hands of his friends, friends that have betrayed him for pieces of silver and power. They open the doors to the Eternal City for the demons from the abyss! All manner of abominations are being committed.

HIERARCHY USING RANK TO DESTROY TRUTH

"Those who have the highest places in My Son's Church are now using their rank to destroy the truth. You cannot build on the carnal nature of mankind, the fallen nature of mankind.

"You must now, My children, read the direction given you by Saint John. He was given the prophecy of your times. You are in those days, My children, the days of apostasy.

The end is not as far as you can see;
Already there is apostasy.
Man cast his lot and gathered the coals
To stroke the fire that burns the souls.
The days are numbered, the hours are few;
So work and pray and try to do
The work that's given in the light,
Until that sad time when all is night.

"My children, you must retire now from a world that has been given to satan. You must live now in the spirit. You must be in the world, but not of the world.

"The major downfall in the House of God lies with the fact, My child, that the pastors prefer worldly living with world treasures, never counting the merits needed to enter the eternal Kingdom of God the Father. These merits are not gained by your

gatherings of world treasures. They come from your heart. These hearts of Our pastors have been hardened. Their ears are clogged, My child; they do not listen. Their eyes are blinded, not seeing the miracles We send to open them.

"Pastors, do you reject the Message from Heaven because you fear it? Or do you prefer to ignore it because it will expose your error?"

"Pride! False pride, My children, is the downfall of many. Cast aside this worldly pride! You have only one to face when you come over the veil: it is the judgment of the Eternal Father.

"You owe, My children, no allegiance to man who offends the Eternal Father. The Commandments given by the Eternal Father must be followed.

"My child, you must hasten to make it known to the world that satan has employed many agents to enter into the bodies of those in the highest places of My Son's Church. They will deceive with cunning; they will rationalize sin until satan has his great count of souls. Too late they will turn back and cry, but their cries for mercy will come too late to save them. Many mitres shall fall into hell.

JEANE DIXON DELUDED

"You must, My child, warn your sister, Jeane Dixon, that We are offended by her actions. Many souls are going onto the wide road. She has deluded herself, for she has followed the theories of demons. Astrology is for the unbelievers. Warn her, My child. You must not care for public opinion or worldly accusations to you. You are fishing, My child, for souls.

"Through many countless earth-years, My child, I have wandered preparing mankind for these days. You are living the days of the Apocalypse. You will read the writings of your John, Saint John. The Eternal Father gave him full knowledge of your days.

"When you open the good Book of love and life, your Bible, you must pray to the Spirit, the Holy Spirit, to enlighten you as you scan the pages. You will find, My children, that the world of knowledge shall unfold before your very eyes.

"Veronica, My child, you must have no fear in giving the message to your bishop. It is most urgent, My child."

Veronica - "Oh! Yes."

Our Lady - "My child, you must make it known to your workers that satan shall attack them in many ways. They must guard their households well and keep the sacramentals about their children.

"Do not be concerned of the sufferings of parents, for the children shall bring many crosses to the households. This suffering endured by the parents, My children, will make you more compassionate to others. You will become companionable spirits through suffering.

"In the days ahead, My child, you will be guided upon your mission. You must learn to recognize the faces of evil about you. Face fear and it will disappear. I assure you, My child, you shall not be taken from your mission until the Eternal Father feels that you have completed it well.

"The convent, the refuge, My child, shall come to you in time. You must continue to send the Message from Heaven throughout the world. It will be a lifetime dedication to all the children of God. Many arms shall be sent to help you, My child.

"You will receive great joy in the days ahead, for your mailing shall increase, My child, bringing you all knowledge of the many cures and conversions that have been given through the merciful heart of the Eternal Father."

Veronica - Now Our Lady is taking Her Rosary and She's extending the crucifix out, like this. Oh, it's shining so brilliantly, the Rosary, the beads. All the Hail Mary beads are becoming a beautiful pink. They're glowing pink, and a deep blue. It's like the rainbows have cascaded off the beads. It's the most beautiful sight I have ever seen. Oh! And Our Lady now is placing the crucifix in front of Her: In the name of the Father, and of the Son, and of the Holy Ghost.

And Our Lady now is raising Her crucifix, and She's kissing it.

Our Lady - "I bless you, My children, as the Eternal Father sends you His blessings and powers of cure and conversion for the propagation of the Mission from Heaven.

"There shall be, My child, many cures. In time they will be known to the world.

"Yes, My child, you shall return to the sacred grounds soon. There will be a spring, My child.

"I bless you in the name of the Father, and of the Son, and of the Holy Ghost. Continue, My children, with your prayers of atonement. They are sorely needed."

[Pause]

Veronica - Oh, and now there are shimmers of lights coming down. Our Lady is spreading Her hands out, and there are slivers of light - beautiful, like diamonds, and they are all coming down. Oh! Oh!

Our Lady - "Graces, My children, graces."

Veronica - Oh! Oh!

[Pause]

. . . of light that jolted me off my feet, practically, and it was Michael sending his alert to get down on my knees. At the name of Jesus, all heads must bow and all knees must bend.

Now the sky is becoming a very pale pink. It's a beautiful warm color, and there is a very misty accumulation of clouds over by our left side. And now from behind them - the clouds seem to be dispersing, fading just like a mist, blowing away, and - oh, Jesus is coming forward.

Oh, He's dressed in His - it's a burgundy cape, a deep red burgundy. And Jesus' feet are bare; He has no sandals on. And His gown is a - it's not white, it's like an off-white, a beige, and it's tied about the waist. It's very loose. He's wearing a long gown, and His cape is clasped about His neck by a string that's tied in a, not a bow fashion, but a knot.

And now Jesus is shifting His cape over onto His left arm, and He's placing His hand in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's touching His lips with His right front finger.

Jesus - "My child, you will listen carefully and repeat after Me.

SETTING UP MONEY CHANGERS IN CHURCH

"Pastors in the House of God, We have been watching and finding you wanting. How many warnings shall you receive as you conduct yourselves and your sheep like pagans in the House of prayer? You are setting up money changers in My House, and I shall cleanse them again!

"No man shall defile the House of God. No man shall use this House for self gain. All that is rotten shall fall!

"There will be sent upon mankind a Chastisement. Your earth shall tremble. Do not hide yourselves in the mountains. Your soul is exposed before the Eternal Father. None shall hide from His wrath.

"I send you fair warning: You must hasten, harken, and listen, and make amends. Do great atonement, for your time is growing short.

"Your earth, a world that has given itself to satan, shall be cleansed by a baptism of fire. None shall escape. Every man, woman, and child shall feel the effects of this cleansing.

"All who remain in the light shall pass through this dark time with perseverance and hope. The Trinity shall stand above you. There shall be at the end of the tribulations a new world.

"It is the plan of the Eternal Father to separate the sheep from the goats in this manner. Recognize the signs of your time and prepare, for the time is growing short.

MANY MIRACLES – BELIEVE AND GIVEN WAY

"Many manifestations are given to you. It is in the merciful heart of the Eternal Father that many miracles shall be wrought for you. But blessed is he who does not see and still will believe. Believe and you shall be given the way.

"I bless you, My children, as the Father blesses you, and the Spirit: In the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - Now it's growing very light. The light is so bright I can barely follow Jesus' robe. He's going over - it's blowing, oh it's blowing very hard now, and Jesus' robe is coming out from behind Him. He's going over to the right side of us, and He's looking down over the trees, placing His hand in front of Him: In the name of the Father, and of the Son, and of the Holy Ghost.

LIVING DAYS OF THE APOCALYPSE

Jesus - "I repeat Myself, My children. There must be much atonement, many acts of sacrifice, and heavy penance, for the time grows short. You must now hasten to send the Message from Heaven throughout the world. You must merit your entrance into the Kingdom. None shall be lost except of his own free will. No man shall go into the abyss and join satan unless he wills this. Gather your graces and protect your children, for you are living the days of the Apocalypse."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Continue now with your prayers of atonement. They are sorely needed."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

November 1, 1975

All Saints Day and Eve of All Souls Day

Veronica - The sky has become very blue. Michael has been standing over to the right side, by the tallest tree. He's bathed all in a blue light, but beyond the light there seems to be a dense darkness. Michael now is standing in a position I never saw him do before. His wings are spread out, almost like two long sheaths, like a cape-like formation coming out almost like banners from his shoulders.

Now Michael is pointing over to his right, just above Our Lady's statue.

Oh, Our Lady now is coming out of the sky. The sky has been very dark this evening, but Our Lady now is brightening up the whole atmosphere because of the brilliant light that's coming from Her garments.

Our Lady has on a long white gown, and Her cape hangs very loosely. It must be very windy, because Her cape now is blowing out from behind Her. Our Lady is turning to Her right. And now She's looking . . . She's smiling.

Now behind Her there appear to be millions of little stars - crystal, diamond-like figures. And they're growing larger, and they're coming back from the sky, coming forward. They're almost like lights now, circular lights. Oh, now in between these stars, I see figures of many people. They're dressed in long white garments. Oh, I don't recognize many of them at this time, but I know they are saints. The light is very brilliant. I can't see faces, but their figures are very, very plain and visible. Their feet are bare. Every one of them has nothing but a white gown covering down to their elbows. Now on their heads - I can see now their heads - they are wearing green wreaths; they are like crowns.

Our Lady now is touching Her lips with Her first finger.

PRAYER TO BE ACCOMPANIED BY WORKS

Our Lady - "My child, you are looking upon the sea of martyrs. All whom you observe now have been tested and found true upon earth. All who wish to join them in their future lives must use their example of piety, chastity, and good works. Prayer can move the mountains and reach the highest places in Heaven. However, My children, prayer must be accompanied by works.

"Those who have entered into the Holy City of Rome, My children, have set themselves about to discard the memories of these dear canonized souls, My children. You must work very fast to retain this memory with your children.

"There will come forth in your era many saints, My children, the latter-day saints. You will all be tested in your time.

"You must, My child, bring forth the truth to mankind of the existence of hell. We watch an evil influence entering upon your children. This influence of diabolical nature is being brought to them by teachers who have been ordained to promote the truth and the salvation of souls.

"All who have fallen into the web of satan and the evil-doers of the Holy City of Rome shall be held accountable and shall not escape eternal damnation in the fires of hell for their destruction of the young souls and those who have been given to their care.

NOVELTY IS CREATION OF SATAN

"In your misguided, foolish way of finding the light, My pastors, you have given yourselves to delusion. Abominations are being committed now in My Son's houses, churches throughout the world. This brings much sorrow to the people of Heaven. This brings much sorrow to the Eternal Father. And in turn this will bring much sorrow to the hearts of those who will struggle to retain the truth. Faith and Tradition shall not be separated. Novelty is the creation of satan.

"My child, I have set you on another course. You will go forward with determination and subject your will only to that of the Eternal Father. I have asked you in the past, and I ask you now to remain away from your worldly influence. You will retire more in meditation, quiet meditation, My child.

"Your country, America the great, and your neighbor, Canada, has set itself by its actions that offend the Eternal Father onto a road of chastisement. Your country, My children, the United States, has not known the terror, the agonizing heartbreak of death in the streets. You are fast approaching a major calamity. Blood shall flow in your streets.

"I beg you as your Mother, as a Mediatrix between God your Father and earth, to listen to My words of direction given to you in many places by many seers throughout your world. You are fast approaching a major calamity.

"All who have remained in the light, seeking to rid their soul of all contamination of the outside world, will have nothing to fear. I bring you this message of warning, My children, not to place in your heart a feeling of fear, but to make you ready.

"Those who have been striving to keep the balance even have been recognized and their names written in Heaven, My child. The Eternal Father is the final judge of all.

"We are pleased, My child, that you have acted upon Our direction to send the message to the cardinals in the Holy City.

"You must, My child, have no fear at giving this message to the world. The destruction of a body is not important, but cry, My child, for the destruction of a soul. It is the eternal part. Man has found that he prefers to gather all the treasures of earth, casting aside the knowledge that one day he must leave all of his treasures and stand before the Eternal Father and be judged. His spirit, the soul, must live on forever and ever into eternity. He will go to hell, purged in purgatory, or come through the gates of eternal bliss and happiness in the Kingdom of the Eternal Father. Every man who has given himself to satan and damnation will have done this of his own free will and accord.

"You will receive, My child, many photographs of knowledge. I do not wish that this taking of photographs become a novelty, an attraction to the sacred grounds and this site, My child. You must make it known that this is a vigil of prayer and meditation. Many prayers are needed to balance the scales, which lean heavily to the left. This site and the sacred grounds, My child, are centers of atonement.

"You will continue with the direction of the Father. Much of the plan will appear before your very eyes. You must not question, My child, the plan of the Eternal Father, but you will go where He sends you.

"Retain, My children, the statues, the monuments, all sacramentals in your life, for it will build the light within the souls of your children. The enemies of your God, the Eternal Father, and the truth, they set themselves to take these from you for one reason: to remove the knowledge of the reality of the existence of your holy saints.

"Man has difficulty, in his imagination and thinking, to understand the existence of a world that cannot be seen by the human eye, unless allowed by the Eternal Father. It is a special grace. This grace, My children, is being given to many through the photographs. What your human eyes cannot see will appear upon your photographs. Many should be enlarged for more clarity of reading.

"My child, you will make it known that Our children upon earth must speak often in the spirit with the good souls who are waiting to join them. Ask and they shall receive guidance.

"In human understanding, My child, it must be made known to mankind that your saints who are now in the heavens, in the Kingdom of your Father, they have full knowledge of the trials of earth and mankind, and therefore will be of great solace to you. Learn by their example. They did not seek the treasures of the world, but they truly sought to store these graces of treasures in the Kingdom.

SOULS IN PURGATORY

"However, there are many souls, My children, waiting to be taken from the place of purging, purgatory. They are helpless without your aid. Will you not give to them these graces that you can gain so freely upon earth in your lifetime? They will reward you threefold for your warmth of heart. Many shall be in purgatory to the end of your world unless you help them. Many discard and forget the memory of a loved one as time erases it from their minds.

"Remember, My children, one day each one of you will be in the same position. Shall you have someone to pray for you unless you give this example now and this teaching? Who will pray for you when you come over the veil? Who will offer indulgences and sacrifices for you? Would it not be better, My children, to start now to safeguard your entrance into the Eternal Kingdom?"

Veronica - Now Michael is coming forward. I don't see the wings behind him anymore. He's standing; he's very, very large. Oh, Our Lady looks so tiny next to him. And he has his spear in his right hand, and he's pointing outward. Now he is speaking, and his voice is so booming that I can barely even catch the words; they are resounding almost like a cymbal and a clanging. It would be most frightening if I didn't know Michael.

EXCOMMUNICATE ALL WHO COMPROMISE THE FAITH

St. Michael - "Children of the world, you have been given time to make amends for the sins and abominations committed by both clergy and lay peoples in the houses of God throughout your world. You will no longer defile the high Host of Heaven. The portals must be cleansed of all sin and abominations. You must excommunicate, as clergy, high clergy in Rome, all who seek to compromise the Faith, all who enter into a compromising agreement with the agents of satan who seek to control mankind and the world without their God. You shall not compromise your Faith; you will not save souls by compromise. You must now start to clean your house, for if you do not listen to this direction, you shall be cast out of the portals by the Son of God."

Veronica - Now it is growing very, very dark. Michael is going back, backwards into the sky, and Our Lady now is going over to the right side near the tree. She's standing there, and Her head is bent quite low down on Her chest; she looks a picture of abject sorrow. It's And now Our Lady is pointing with Her hand. She has Her Rosary in Her right hand,

and She is extending Her left hand out. It has a long Scapular, two brown pieces of cloth on a dark brown string; I can see it. And Our Lady is pointing.

Now in the sky there is forming a huge globe. I can see it's an outline of earth and the world. And Our Lady now is passing Her hand with the Rosary across Her face.

Now Michael is coming forward.

MURDER OF UNBORN IN ABORTION

St. Michael - "You observe, man of earth, the abject sorrow of the Queen of Heaven and earth. Her heart has been pierced by the sins of mankind. You, as a nation, shall fall without prayer and penance. The Queen of Heaven set Herself to warn you of the penance that would be given to you if you committed murder - the murder of the unborn in abortion.

"No man shall set himself above his Creator; no man shall judge who is to live or die upon earth.

"The Eternal Father breathes the spirit of life into the body at the precise moment of conception; and as such, there is a plan by the Eternal Father for each living being, this being created at the moment of conception. What right have you to cast yourselves in the role of murderers? Do you think that you shall go unpunished? No! Blood shall flow in your streets, but it shall not be the blood of the Holy Innocents. Murderers, you shall die by the sword!"

Veronica - Now Michael is standing, and he's placing the sword downward upon the earth. Now I am watching the globe; it's coming forward in the sky. Now it's growing very large, and I see what appear to be candles, candles of light, and oh, they are very widely spaced on the globe. But I notice now that the candles are lit, but the globe appears to be growing very dark, very black.

St. Michael - "A Church in darkness wears a band of death about it! This, My child, is what will be. In darkness will they seek the way? This, my child, is what will be. In darkness will they seek the way?

"Your world has been plunged into deep darkness of spirit. The separation of the sheep and the goats continues.

"You ask, my child, why do the wicked prosper? The Eternal Father has the answer, my child. Each soul is important to Him. The wicked must be converted. Every chance must be given to them to recover their souls.

THOSE IN LIGHT WILL GO IN HIDING

"There will come a time upon your earth - "

Veronica - Now Michael is pointing the sword in every direction.

St. Michael - "I repeat, there will come a time upon your earth when those who carry the light of truth will go in hiding, so few will remain in the light - so few because in their human nature they cared more for the riches of the world, of earth, than to wait with perseverance and confidence for the intercession of the Eternal Father for their salvation.

"Peace! Your world cries 'peace' when there is no peace; 'love,' when there is no love.

"Why have you cast aside the words given in the Book of life, your Bible? The Eternal Father gave you the plan for your future in the Book. Why do you change it? Because you do not agree with the word of your God. You must change it to suit your carnal natures! You are setting yourselves fast to build a church of man and not a Church of God. What will you gain? For your church of man shall be given to satan, and all who join this church shall give themselves to satan and eternal damnation.

"Those who are misled shall be given the road back to the light. Prayer and penance is much needed at this time. The leaders are scattering the flock. Do not think your heart is not known, our clergy, in Heaven. The Eternal Father watches your actions, your behavior, your misguidance, and your selling your souls for silver!"

Veronica - Now Our Lady is coming forward. Michael is going back up high into the sky, and Our Lady is coming over by the left side, just above the tree.

Our Lady - "My child, you must not have fear in your heart. The knowledge of what is to be will bring fear. But with understanding that the Eternal Father is all-merciful, you will go through this period of test and trial with confidence and perseverance. You must surely carry the cross, as did My Son, for then you will merit your key to Heaven.

"The weakness of human nature will come upon all; no one is free from this test. However, if you remain close to My Son in the tabernacles of the world, tabernacles that are being defiled and bringing much sorrow to My Son's heart . . . My children, remain with Him; let Him nourish your soul, strengthen you with His Body and His Blood, and you will go through this time of trial with fortitude and peace of spirit."

Veronica - Our Lady now is extending Her Rosary out now, like this, and She - oh, it's a beautiful Rosary, the large white one with the golden Our Father beads. And the crucifix is a beautiful deep gold, and as Our Lady turns it has a beautiful brilliant glitter to the beads. They almost look pink, almost like a rainbow mixture of pink colorings with blue and white. Our Lady is extending the Rosary out now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And Our Lady now is turning over to the left, our right side, extending Her hand out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as the Father in the Son and the Spirit shall bless you in the days to come. Though the lights are dim, you will never be lost in the darkness. I give you this grace of knowledge, for the children of God shall gather for the battle ahead."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Extend, My child, the crucifix that you recovered in the church of Saint Robert's.

"I bless you, My child, and this cross discarded with sorrow in Our hearts. It will bring immeasurable joy to your heart. In the name of the Father, and of the Son, and of the Holy Ghost.

"Now, My child, you shall have two crosses, but this one you will take with you, so you will always be close to My sacred grounds. Many graces have been given for the return to the Sacraments of Our wandering sheep. Bless them, My child, on every occasion with this crucifix. A holy priest once held it, and he will be returned to the flock when he receives the courage of his convictions to stand forward as a true shepherd."

Veronica - Oh, Our Lady allowed me to touch Her crucifix on the large Rosary. Oh, it's beautiful! It feels very warm and almost like it's throbbing.

Our Lady now is coming very far down to kiss the crucifix.

Our Lady - "You will use this cross, My child, this crucifix, in saying the prayers to relieve the suffering souls in purgatory, with your sister, little Theresa, guiding you in the future.

"Now My child, you will be seated. Conserve your strength, for My Son wishes to speak with you."

Veronica - Our Lady has replaced Her Rosary back onto Her waist, and She is just extending Her hands out. It's almost beseeching. Our Lady looks very, very sad, but The light is so brilliant I can't see Her face, but Her arms are extended out, just like this, from Her cape.

Now there is a blue light surrounding Our Lady, and Her cape now has changed in color from white to blue. Oh, it's like a complete change of Her garments. She has a blue cape and a white gown, and there is a blue sash about Her waist. And She has on golden little slippers with a rosebud, golden rosebuds, upon each foot. Oh, it's actually the strap of a sandal; it's a sandal-like slipper, criss-crossed in the sign of a cross, it looks like. And the rosebud sits right in the center, almost like a host, on the sandal straps. Oh, pure gold - the slippers look like they are made of spun gold. It just looks beautiful! Oh!

Now Our Lady is rising quite high now. She is becoming almost . . . in the distance She looks almost like a statue, except that Her cape is blowing in the wind. Oh!

Our Lady - "My child - "

Veronica - Our Lady is pointing down.

Our Lady - "You will tell Our dear child, Frank, that Louis Even blesses him with his presence.

"Yes, My child, nothing is impossible with Heaven. You will now watch the photographs and you will receive a direct assurance.

LOUIS EVEN AND SAINT THERESA

"Yes, My child, did I not tell you before that all good works are counted with great merit by the Eternal Father.

"Yes, My child, Louis did not enter purgatory, but he came here quickly, and is not resting. He has decided to work with Theresa."

Veronica - I see Saint Theresa, and I see him! Oh, Louis Even, from Vers Demain. Oh, he is smiling. He thinks it is very funny that I am laughing. Oh, my! Oh, he is also wearing now - he is putting his head down; he wishes me to see this green wreath on his head. It's a martyr's crown, Our Lady says. A martyr's crown. Oh!

Our Lady - "He, My child, performed many acts of penance in secret, which he gave to many thirsting souls in purgatory. Learn by his actions."

Veronica - Now - oh, they are both going backwards into the sky. It's closing up.

Our Lady - "Sit back now, My child."

Veronica - Now there is a bright circlet of light. I don't know. Mr. Even and Our Lady were going backwards into the light, so I do hope you could get the picture of it. But now there is just a brilliant white light. They've gone back into the light. I can't see Our Lady, Mr. Even now. Oh, he looked very happy. My!

Now Our Lady is coming forward again.

Our Lady - "My child, the Kingdom of the Eternal Father is not empty, you know, though many souls sorrowfully have given themselves to satan. With your prayers and acts of atonement of the children of earth, We can rescue many, though they may go into a temporary place of purging. We can thus rescue many with your prayers and penance.

"Yes, My child, many tonight will receive photographs of their loved ones."

[Pause]

Veronica - The sky is beginning to open up. It's just as though the black clouds and the mist is just folding, blowing away, and there is a circlet of light. It's a brilliant white light, very clear, almost like looking into a clear glass of water. It's the only way I can explain it.

And now, coming forward, is Jesus. Ah, He has - His feet are bare, but the cloak He is carrying over His arm, on His right arm, is quite heavy-looking. And Jesus has on a beige . . . it's not white; it's almost like a cream, beige-colored gown, and it's tied about the waist by a piece of light brown cord. It appears to be cord.

It is windy, because Jesus' hair is blowing. His hair reaches His shoulders, and it appears from the light to be a reddish brown color, although it's hard to say because it's brown, but it could be a dark brown. But I notice the glare from the light that just seems to be oozing right out from Jesus, all over - it reflects on His cape, which is a deep red, a burgundy, sort of wine-colored red.

And now Jesus is smiling. Oh, now He's touching His lips; that means I will listen.

GRACES GIVEN IN THE SHADOW OF THE CROSS

Jesus - "My child, you must continue your mission with great perseverance. Many arms have been sent to assist you. I cannot promise you a world rich with the goods of your earth. In fact, My child, I will send you on a mission that will strip you of worldly goods for the sanctification of your soul.

"Whenever graces in abundance are given, there is always the shadow of the cross, My child.

"My Mother has now traveled throughout your world with the Message from Heaven. You will all heed this message and act upon it, or you shall be forced back onto the road to the Kingdom. Those who return will return because they have a measure of light still with them. Others, sadly, will hear but not recognize the voice from Heaven, so deep into darkness of spirit have they traveled.

"We continue the time of trial, going forward with penance upon your world. The measure of chastisement from the Eternal Father is given to compensate for the abominations being committed in the House of God, in the houses of God throughout your world. Heresy, O mournful heresy! Whatever shall become of you?

"Pastors, you must gather the sheep and not scatter them. You are misleading Our sheep. Shall you come before Me and say that your teaching has been pure in My sight? No! I see into your heart daily. I find you wanting, for you are destroying many souls by your teachings.

SET UP YOUR SEATS BEFORE SACRIFICIAL ALTAR

"You have succumbed to the weakness of the flesh. You have opened the doors, allowing all manner of evil to enter. You gather to your bosom those who have cast aside the Faith. What do you expect to gain with your actions? You chip away and you burrow like rats into the structure, the foundation of My houses throughout the world. You have set your seats up before the sacrificial altar! You - you Pharisees in My House, I will descend upon you and I shall scatter you and send you from My temples.

"I give you fair warning. Your time is growing short, you who have sold My House to a synagogue of satan! Turn back from your path. You shall not succeed, for you shall not set the gates of hell in front of My Church, for they shall not prevail against My Church.

"Satan shall gather those who have given their souls to him. For pieces of silver, many have sold their souls to get to the head. For what? Damnation!

"You say now there is no hell. Where do you think Lucifer was cast? And those who followed him? He was cast from the Kingdom of the Eternal Father, as you, too, shall be cast from the Kingdom. And where did he go? Deep into earth, setting up a kingdom, gathering the straying sheep by error, deception, heresy, untruth, delusion.

SEPARATED BRETHERN WITH THEIR ERRORS

"No! You shall not mislead My sheep; you shall not open My doors and greet a separated brethren with their errors and their corruption. You must convert, but you shall not convert by compromising the Faith.

"Woe, woe, woe to the inhabitants of the earth! Your times are such as have never been seen in the times of mankind. You sin in a manner far more foul than in the times of Sodom and Gomorrah. And whatever shall become of you? As in the time of the Flood the world was cleansed, you shall receive a baptism of fire.

"Can I come to you - may I enter your hearts with words of cheer while My heart is torn with grief? The abominations committed in My House far exceed the measures of sacrifice mankind does now.

"Clergy in My houses, where are your straying sheep? Can you not reprimand the evil doer? Shall you consort with satan, allowing all manner of foul conduct and abominations in My House? Cleanse your House now, pastor, for you are being judged. The Eternal Father looks into your heart; your time grows short.

"All that is rotten will fall, and a Church or House in darkness wears a band of death about it. A House in darkness will close its doors.

FOLLOWING NEW DEMONS

"If you continue, O pastors and those who rule the Eternal City in Rome, there will be no other recourse but to reduce you to ashes and build anew. How many souls shall be lost to the Kingdom because of your misconduct? You are following new demons loosed from the abyss with all manners of new religion.

"You have been given a truth; you have been established in Tradition and Faith. Why do you get itching ears and seek novelty for the destruction of your soul and those in your care?

"Awaken, My pastors; you have fallen asleep. Awaken now, before it is too late! You will not bring in the doctrines of demons into My House and among My sheep.

"Many mitres shall fall into hell! Rank is not a signification of the soul.

"I enter the hearts of the pure and those who ask, and what are you doing to My Body? You are desecrating the temples of the Holy Spirit. You are desecrating the Church of your God! Will you listen now and restore My House, or shall you be forced to restore it? This - the answer, My pastors, lies with you now.

"The warnings from Heaven have reached far and wide throughout your earth. Shall your pride and arrogance come before the salvation of souls? Open your ears; reach out for the truth before it is too late. You have been deluded. You shall not follow the doctrines of devils!

FALSE OBEDIENCE

"You shall not follow a man who leads you on a wide road away from truth and your Faith and into the abyss. No man is above the Eternal Father, and no man shall commit his eternal soul into the care of another who has the rank in obedience to destroy this soul. No! No man is a keeper for another soul. Each individual shall stand before the Eternal Father and give an account on his own. The destroyer of souls shall not be there to support him. He had already done his work for satan.

"Awaken now, each individual soul: man, woman, and child of age of reason. You must think for yourself in the light. You must seek the truth and not give yourself to the doctrines and creations of demons."

Veronica - Now Jesus is extending His hand forward, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you, My children, as the Eternal Father blesses you in the Spirit. Pray a constant vigilance of prayer. Do not discard your armor in sacramentals. The war of the spirits rages. You must keep a constant vigilance."

Veronica - And now Jesus is turning over to His right and making the sign of the cross with His hand, His fingers extended: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's going across the sky. He's not walking; He just floats. The wind seems to carry Him right across, above the trees. He's looking down now. He's over on our right, and He's placing His hand out in front of Him: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Continue, My children, with your prayers of atonement; they are sorely needed.

"You must now work fast to send the Message from Heaven and the warning throughout the world. The time grows short. Do not count in earth-years, for the time in the Eternal Kingdom is not akin to the count of mankind's time. You must be prepared, for it will come upon you suddenly. Therefore, My children, heed this lesson and do not allow your soul to be unguarded."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

November 20, 1975

Eve of the Presentation of the Blessed Virgin Mary

Veronica - There's a large round circlet of light. The sky was black, but a deep haze, a blue haze is forming in the circle of light.

Oh, Our Lady now is coming through the light. Oh, there's no way I can explain it. She's just floating out of the haze. It's almost cloud-like now in formation, this covering. It's a very brilliant light.

Oh, Our Lady is very beautiful. She has on a garment - it's pure white, but there's a golden belt-like tie around Her waist. Our Lady now . . . Her feet are bare; She has no slippers on. And also She has now a wreath in Her hair. Our Lady looks very tiny, very youth-like.

Our Lady - "My child, you are observing My dress in the Presentation at the Temple. I was very young, and I was taken to the Temple by My parents to preserve My chastity and sanctity for the future.

"Man cannot understand the ways of the Eternal Father. Therefore, I in Heaven can understand that man is not knowledgeable in the ways of the Father and has set himself to desecrate My memory. They reject the fact of the power of their God in preserving My chastity in the will of the Father.

"Parents must seek now the measures to take to preserve the chastity of their children in their girlhood. The world, given to satan in these latter days, My child, is filled with abominations and corruptives. Parents have a great trust now placed in them by the Eternal Father to safeguard their children's souls.

"The teachers in the houses of My Son have failed in their duty to protect these young souls and preserve them for the Eternal Father. We cry tears of great pity for what lies ahead for Our children of earth. A great Chastisement shall be sent upon mankind. Have you prepared the souls of your children?

"The parents of earth must make a firm effort to safeguard their children by giving stern direction, if necessary, and not be permissive in the rearing of their children. Do not allow your children to rule you, but set a good example and use a firm discipline. The children are the victims of their elders, for the example of the elders is poor.

"The young children must be taken by their parents to the temples, the houses of My Son throughout your world. They must learn by habit a good example of cleansing of their soul by Confession. The good priests of earth, those who have been dedicated and received this consecration from My Son, must take these tender souls and nurture them in their Faith.

"Heresy, O mournful heresy! Pastors, this shall not be tolerated. You must not destroy Our young flowers, the children. You must nurture them with pure waters of faith. This faith must not be tainted by modernism and humanism. You have set upon the world a confusion of mind and a darkening of spirit.

"We find, My children, that many have gone astray. Many have given themselves to the errors of the world. Blindness of heart has set many onto the road to destruction.

ROME SHALL BE BESIEGED

"We have appealed to Our high pastors to gather the sheep. The city of Rome shall be besieged, because wars are a punishment for man's sins."

Veronica - Oh!

Our Lady - "We have chosen, My child, to place you elsewhere for your protection and your sanctification.

"Your mission will unfold in the near future. All will appear before your very eyes, My child. You must be patient. Face fear and it will disappear. I assure you, My child, you shall not be removed from your mission until the Eternal Father deems it necessary.

"It pleases the Eternal Father that you have sent the warning to Rome, My child. Now you must pray a constant vigilance of prayer for your shepherds.

"The forces of evil are gathered in the Eternal City. You will meet, My child, with much opposition of the message.

"Your Holy Father, Paul, suffers much. He is surrounded by enemies. Those he can trust are few.

"The time grows short, My child. You must hasten to send out the message with great speed. The strength shall be given to you. Graces for cure and conversion will be given in abundance.

"You will read the photographs carefully, My child, for much of your message shall be given in secret.

"The evil forces are gathered not only in the Eternal City, My child, but throughout all of your earth. It is the battle of the spirits. Know that the eventual victory is with My Son and His return.

"Peace, My children? You seek peace, but you do not look in the right places. You wander in a haze, for you have not given yourselves and your will to the Eternal Father. You reject the knowledge of My Son, for you seek to substitute a religion of man. No man is above the Eternal Father. All knowledge has been given to you.

"You must not seek novelty in My Son's House. Many abominations sadden My heart. There is great lack of respect during the Holy Service, My children. My Son's House, His houses throughout your earth, have become meeting places of demons.

ONE FROM EGYPT TO CAUSE GREAT CATASTROPHE

"You must keep a constant vigilance of prayer, for one will come out of Egypt and cause a great catastrophe to mankind.

"Beware of accepting confidences of enemies of your God. Your country, My child, is in great danger, for they will place - your government leaders will place their trust in enemies; and deception upon deception shall be set upon your country. Your leaders will be forced to keep this knowledge of great importance from you. However, deception is not the work of the Eternal Father in Heaven, but the agents of satan loosed now in great abundance in your country and in the world.

"There are organizations, My children, in your daily lives that have been set up by satan. They come as angels of light, infiltrating even into the sacred houses of My Son, the churches.

"You must learn to recognize the faces of evil.

"The foundation of your Faith and Tradition have been given to you. You do not seek novelty and change.

"A truth cannot be changed and adjusted to suit the nature of man, but man must change and adjust his lifetime to bring him to the Kingdom of the Eternal Father and not satan.

"You must not compromise your Faith, My children, by bringing in those who have separated themselves from your true Church. This Church was founded by My Son, and He set a leader, a Pope, among you.

NOT SET UP A GOVERNING BODY OF HIERARCHY

"Peter and his descendants shall rule. There shall not be set up a governing body of hierarchy! The ruler is your Pope, Pope Paul VI, who is now very ill and kept an invalid!

"I have asked you, My child, to warn the three bishops of Rome that We are watching their actions. None escape the Eternal Father, and they shall receive a just judgment from Him.

"Pray a constant vigilance of prayer, My child and My children. Many prayers are needed for your hierarchy. Many have sold their souls to get to the head, so great is the power of satan in your world.

"No man can fully understand, My child, why the Father allows the world to go forward in great spiritual darkness. It is to separate the sheep from the goats. For those who have given themselves to satan and the world shall fling themselves headlong into the abyss and hell! And those who have set themselves on the narrow road that leads straight to the eternal Kingdom of the Father in Heaven shall find their road filled with crosses - thorns. They shall be cast aside and called different. They shall be abused in all manner of worldly punishments. However, know that this is the road to the Kingdom of Heaven. It is not an easy road, but one that is strengthened by suffering.

"Many martyrs, My child, shall come in the days ahead - defenders of the Faith. Carry your crosses, My children, for those who will be saved shall be counted in the few."

Veronica - Now Our Lady is raising Her . . . the cross, the crucifix of Her Rosary, the beautiful large Rosary, and She is pointing now out with the cross and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is smiling now, and She's looking to Her left, over by the right, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is going over to our left side, Her right side, and looking down with Her cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Continue, My children, with your prayers of atonement. Many are sorely needed.

"The future, your future is now. Pray a constant vigilance of prayer. And work - continue in your work of mercy for your world."

[Pause]

Veronica - . . . It's a beautiful coloring that's sending out absolute . . . it feels like waves of heat. Oh, now over on the left side of Our Lady's statue, there's a piercing light coming through the pink haze. Oh, now coming from . . . oh, He's like He's so far away, but coming towards us; I recognize it's Jesus. Oh!

He also - His feet are uncovered, and He has on a deep red, a burgundy-colored garment over His long gown. The gown is a beige color. And it's quite windy. And now Jesus is shifting His cloak over onto His left arm, and He's holding His hand in front of Him, like this. Oh, and He's blessing with the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking over to the left. Now He's pointing over to His left side, and there's a beautiful white lamb. Oh, it's a very beautiful lamb. The lamb is standing with his neck raised high, and he's looking up. And in the sky there's a large banner forming, and next to the banner there's a girl standing, but . . . I know it's a girl, but she has on a very strange looking clothing. Oh! Oh, I know now it's . . . oh, who it is - Joan of Arc!

Now Jesus is coming over, and He's placing His hand upward.

Jesus - "Martyrdom for all the children of God."

Veronica - Now Jesus is coming. He's touching His lips with His finger, which means to listen.

Jesus - "My child and My children, how many words have been given to mankind by warnings from the Queen of Heaven - warnings that have gone unheeded! The hearts of mankind have been hardened. Luxury upon luxury have entered their lives and have starved their spirits.

"The warnings from Heaven have been given throughout your world. The time of times and the day approaches when mankind shall be forced and separated. The sheep and the goats shall stand apart.

"I have given a warning in general to mankind. I have sent My voice throughout your world summoning before Me those in command of My sheep: shepherds that have gone astray, shepherds that have set themselves in the place above the Eternal Father, shepherds that have scattered Our flock. You have been given in time eternal the truth of your Faith. You shall not change this, making a religion upon earth that is based on the fallen nature of mankind!

"I watch your earth. I tremor for what you are asking as a just punishment for your actions! The Father chastises those He loves. Your world will be bathed with blood. Shall you accept the Blood of the Lamb, or shall you receive the sword? The choice is yours.

"Each individual soul has a mission upon your earth. You will return and stand for judgment, and you will receive the Kingdom of your God, or you shall descend into hell, the abyss, the kingdom of your prince of darkness, satan, the great deceiver of mankind.

SHEPHERDS OF DARKNESS

"What have you gained by your actions, shepherds of darkness? You who deceive and have brought confusion into the hearts of your sheep - shall you go before the Eternal Father and say that your teaching has been pure in His sight? No! I say unto you: you shall be cast aside and join those who have received a just recompense for their deception.

"The gates of hell are open wide. The pressures of hell force themselves upon the world. They have reached the walls of My churches, but woe to man who will sell out his Faith! I say unto you: Your time grows short. Turn back now from your deception!

"A great delusion has been set upon mankind so that those who have given themselves to satan will believe these errors and go fast to their reward.

"You shall not compromise your Faith. You shall not unite with those who seek to destroy your Faith. You shall not gather the straying sheep by joining them in their errors. Heresy, O mournful heresy! Whatever shall become of you?

STIGMA OF FALLEN HIERARCHY

"I shall come soon to cleanse My temples, the churches. I shall cast out you who have given yourselves and set upon My Church a stigma of fallen hierarchy. Awaken from your slumber! Recognize the faces of evil about you, My pastors! Shall you please man, or shall you follow the rule of your God? No man shall save you from judgment. No man shall give you your reward. But satan has set on earth men who shall claim you for satan.

"Any man, woman, or child of the age of reasoning who has fallen from grace shall become a consort of satan.

"Gather you graces, My children; they are given to you in abundance. The enemies of your God shall take these from you if they can. They shall strip you of the manner of receiving these graces. Have you cast aside indulgences? Do you call Our graces now a myth and superstition? How dare you set yourselves to join satan! All manner of false ideology! All manner of false deception! Doers of good who are rulers of evil!

"Do not be blinded, My children, by the angels of light. Watch and pray much, and they shall be revealed to you in time. Evil cannot persevere and exist long. The Eternal Father shall turn this evil to good, if asked. Ask and you shall receive. Believe and you will be given the way.

"My children, My Mother has come to you as a Mediatrix between God and man. Earth-years have passed. Souls continue to descend into the abyss. Your children go fast into spiritual darkness, and as parents, what are you doing to save your children's souls? Are you also joining those who have lost the way? Are you giving yourselves to all manners and pleasures of the flesh while your souls are starving? The spirit of truth is growing dim upon your earth.

SATAN LOOSED IN ALL FURY

"A mass hypnotism of evil abounds. Satan is loosed in all fury upon your earth. Prepare your souls and the souls of your children. I repeat, the time is growing short. You will see murders abound upon your earth, all manner of evil, far greater than man has ever experienced. You will observe this evil and know that no man could produce such defilement. Only satan is the master of evildoing.

"The adversary has many agents now upon your earth. Do not be deceived. Pray a constant vigilance of prayer that you will not be led into the darkness.

CONQUEST OF SOULS PROMOTED

"The conquest of souls is promoted by those who have given themselves to humanism and modernism. They have entered My houses to desecrate the spirit. They have sent your guardian, Michael, from My House. And what have they gained? They have opened the doors for the entrance of all manner of demons, demons now prancing in human form - all manner of desecration.

"Pastors with your permissiveness, I shall stand, and you shall be spit as spittle into the flames!

"Others who persevere shall wash their robes clean in the Blood of the Lamb.

"The world, your world, your earth, shall not come to its climax. There will not be a total destruction of mankind and your earth, but there will be a sudden cleansing by trial, great trial, trial such as man has not seen since the beginning of time. A baptism of fire shall cleanse your earth!

"All those who are of well spirit shall go through these days without fear, with perseverance and hope.

"Shall We keep from you the truth of what is to be? No, there is nothing to gain when you bury your face in the sand and refuse to accept or to even watch and pray to prevent the onslaught of satan.

"The evil, My child, has entered into the Eternal City. You must now keep a constant vigilance of prayer. Many shall reject the truth, for they have already committed their souls to satan.

"The Eternal City shall face soon, My child, a bloodbath. The world shall be bathed in fire.

CHILDREN REMOVED BEFORE CHASTISEMENT

"Many shall be taken before this great catastrophe. Do not weep for the children who are removed from your earth, for it is the merciful heart of the Father that will gather them before the baptism of fire.

"My children, pray a constant vigilance. There is a balance, a scale, set now upon earth; and when the measure of iniquity far outweighs the goodness in the hearts of mankind, know that the end is not far away.

"You will continue to send the Message from Heaven throughout the world, My child. You will bar your doors and follow the direction of My Mother very carefully. We ask this of you to protect you."

Veronica - "Yes."

Now Jesus is placing His hand out, like this, and He's making now the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is . . . He's transferring His robe. He's got His cloak about His shoulders, and it must be quite heavy. And the wind is blowing. And Jesus now has placed the cloak over His left arm, and He's extending His hand out over on His right side, our left side: In the name of the Father, and of the Son, and of the Holy Ghost.

Now over on the left, there's a . . . Oh, I can see Michael. Now Michael is coming over by Jesus, and they're both . . . they're floating across the sky. They don't walk; it's just like they're being carried by the air. And now Jesus is looking down over on our right side and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He is placing His - Jesus is placing His right hand over His heart.

Jesus - "My child, hasten to send the Message from Heaven throughout the world. The hourglass is running out, My child. Pray much; accept much penance for the salvation of souls."

Veronica - Now it's growing very dark, and Jesus is pointing over on His right side. And I see a large round glow; it's the Holy City of Rome.

MANY AGENTS OF SATAN IN ROME

Jesus - "You will pray, My child and My children, for your hierarchy. Many mitres shall fall into hell without your prayers. Satan has many agents now in the Holy City. Recognize these faces of evil.
"Awaken from your slumber, My pastors! The light has not passed that way."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

November 22, 1975

Eve of Christ The King

Veronica - On the left side of the sky there is appearing a crescent, the sign of the crescent moon.

The call of Our Lady - the sky is becoming blue.

Our Lady now is coming forward. She's dressed in a white gown, but She has about Her head a very dark covering. It's almost black.

ASSASSINATION OF VERY PROMINENT FIGURE

Our Lady says there will be an assassination of a very prominent figure.

Our Lady - "This assassination will set your country in great jeopardy, My child."

Veronica - Our Lady is now pointing up to our right side in the sky, and I can see the outline as though the sun was rising, or daylight coming over St. Peter's in Rome.

Our Lady - "There is great confusion, My child, in the Holy City of Rome. You must pray a constant vigilance for your pastors and hierarchy. It shall be bishop against bishop, cardinal against cardinal. Satan has set himself in their midst.

"My child, you must read carefully the photographs given in the past. Much has been given in secret to be revealed at this time.

"All who continue with perseverance in sending the Message from Heaven throughout the world will meet at this time with great opposition, all because the time is growing short, My child. The Warning will soon come upon mankind.

"Do not be discouraged, My child. The reward for those who are not destined for the eternal Kingdom of your God will be given to them upon earth. But many tears shall be shed when they come over the veil, for they cannot be given the keys to the Kingdom. They have already received their reward, the reward of their evildoing and the destruction of souls that they have been responsible for.

"Many mitres are now being covered in darkness of spirit. They must awaken from their slumber.

"I have gone throughout your world, My child, shedding tears of great sorrow, for many souls are going fast into the abyss.

UNEXPLAINABLE ERUPTION IN U.S.

"Your country will receive a chastisement, My child. There shall be an eruption in a place that scientists will not have an account for. They will be unable to explain by natural means this eruption.

"Satan has many agents now in My Son's churches throughout the world. He is working and escalating his evil, My child. Therefore, you must work with great haste to send out the Message from Heaven.

"Do not be concerned of your bodily discomfort, My child. The strength shall be given to you for your work.

"You must not question the ways of the Eternal Father. You will accept all without question, My child. Pray more and retire from your world.

"Before the coming of My Son, My child, many martyrs will be among you. It is the will of the Father, the Eternal Father in Heaven, that all must carry their crosses to gain the Kingdom.

"Many abominations are being committed now in My Son's houses throughout the world, My children.

"I have wandered throughout your world, crying bitter tears of remorse for the punishment that will come to mankind. I do not come to bring fear to your hearts, but to admonish you, as your Mother, to prepare for what is to come upon your world."

Veronica - Our Lady now is placing Her hand before Her eyes. The covering upon Her head is very dark. I could call it almost a deep mourning black color.

Our Lady - "I am truly the Mother of great sorrow.

"My child, will you not do great penance for My Son and your brothers and sisters in your world? So many shall go into the abyss without prayers and acts of mercy.

"There is a balance in every man's life. This balance can be evened, My child, and balanced by the prayers and acts of mercy of others.

"Do not be concerned, My child, of those who reject the Message from Heaven. You will speak once and if not hastened, you will speak no more. But do not set yourself, My child, to judge. Many go forward in false obedience, because they do not have the light to recognize evil.

"Many do not, My child, understand the signs of their times. The days, the latter days are here, My children. You are living in the days of the Apocalypse. The writings of Saint John have been given to you for a reason. You must open your Bibles and read the directions carefully. They are words of prophecy given for a reason. The time is at hand.

"My child, you must retire and allow no one to enter your home who is unknown to you - no one who has not been tested.

"Do not be deceived, My child, by those who come as angels of light but they are carriers of dark secrets.

"I want you, My child, to sit back now and read the photographs I am to give you, but you are not to reveal at this time the message you find. For your safety and the progression of your work, much now must remain in secret.

"You ask, My child, of the latter days? Yes, My child, many shall be taken from the world.

CONFERENCES TO STOP GOOD WORK

"The forces of evil are gathering, My child. There are many conferences now taking place to stop the good work. However, you will continue with perseverance and confidence, knowing that the eventual victory is with My Son. It is the time of the great battle of the spirits. The sheep shall be separated from the goats. All who do not wear the sign of the cross, My child, shall be made known to you, and those who have carried their crosses through this battle.

"No evil shall ever be triumphant. The Eternal Father shall turn all evil to good.

"Pray a constant vigilance, My child. Do not become absorbed with worldly matters.

"We are not in a fortune-telling business, My child. Warn those who read the Message from Heaven that they must not become engrossed in the false science of astrology. It is a creation of satan.

"Only the Eternal Father guides the lives of mankind. Man has a free will and can defy the Eternal Father, but then he is left upon his own to fight his way through the darkness. He will be divested of graces that will be necessary to bring him out of the darkness.

"You must warn Our clergy, My child, that all of the modernism and humanism that pervades now their lives has been created by satan. It is part of the plan, the diabolical plan of satan, to destroy My Son's Church upon your earth. However, the gates of hell shall not prevail against the houses of your Eternal Father in the Son and in the Holy Spirit.

"Sit back now, My child. It is urgent that you receive now the three photographs. The others are but a prelude to what I am to give you now."

[Pause]

Veronica - The light now is becoming very bright. Saint Michael is coming forward. Oh, he is so impressive because of his height. He seems to cover the whole sky.

St. Michael - "Veronica, My child, hasten, harken, and listen to the voice of Heaven!"

Veronica - Oh, he - Michael is pointing up now. He's raising his right hand above his head, like this. Oh, and Jesus is coming forward.

Oh, it's very windy up there because Jesus' cloak is blowing. And He has a pair of brown sandals on His feet. Now His hair is blowing. His hair is reddish brown. I notice it very much tonight because of the bright light.

Oh, Jesus has - oh, He's turning over to the left, and I can see His short beard. He has like a short beard. It's also a reddish-brown color, like His hair. The light reflects upon Him. I can't see Jesus' face, the light is so, so brilliant.

Oh, now Jesus is touching His lips.

Jesus - "My child, in view of what is to happen to your country, what can I say to console those who shall receive the sword in their hearts?"

"There will be a time of chastisement for mankind. The Eternal Father deems it necessary at this time to bring many back by force.

"My Mother has traveled throughout your world, preparing you for this time. All who have listened and gained by Her counsel will have nothing to fear. All who have cast aside Her direction and have given themselves to the world and the ways of the flesh will have much to fear.

"We have asked that all parents prepare their children's souls. Many have discarded this notice from Heaven, and many shall weep bitter tears, but too late!

RETURN TO TRADITIONAL RITES

Jesus - "I send to My clergy, those whom I have given the grace to represent Heaven upon earth, this warning: You must now return to your traditional rites! You must restore My House from its crumbling exterior and rotting interior. You must rebuild what you seek to destroy - NOW!

"Many who call themselves My chosen ones have set themselves to destroy from within. Your actions have not gone by unnoticed by the Eternal Father. Error, deception, deceit, in the guise of sanctity and piousness! You are unmasked before the Eternal Father. You shall start little by little and repair the foundation, or you shall be within and destroy.

"I look upon all manner of abominations being committed in My House. Do you think you will go much longer without chastisement? Awaken from your slumber, My clergy! You deceive no one!

"For your errors and your greed and your giving yourselves to the flesh, succumbing to all of the creations of satan, you gain nothing but an eternity in hell!

"The Eternal Father will chastise those He loves. Many shall die in the great flame of the Ball of Redemption.

"I repeat, you will hasten to make amends to the Eternal Father - NOW! You will all go back and read the words of My Mother given to you. All will come to pass. None shall escape judgment. All will be held accountable for their actions. All will be held accountable for their laxity in the formation of the souls of the young.

ALL NOVELTY AND EXPERIMENTATION TO STOP

"All manner of novelty and experimentation must be removed from My Church - NOW!

"You have been given the rule. You have been given the way. Restore My House now, for a House in darkness wears a band of death about it. The doors will close! Souls will be starved for the light. Blood shall flow in the streets. Death shall become commonplace. Is this what you want?

"The wages of sin is death. What will it gain you if you gain your whole world in treasures, but you cannot take them with you to your judgment? Your judgment is eternal, forever!"

Veronica - Now Jesus is going over on His right side. He is looking down. He also looks very sad. And now He's pointing with His left hand over to His left side, and Our Lady is coming forward now with Michael. They've come out from behind a very large dark cloud.

Our Lady now doesn't have the black veil about Her head. She has on a beautiful white veiling with a circlet of what appears to be stars, but almost a diamond, crown-like circlet over Her headpiece.

Now Jesus is extending His left hand, and Our Lady is putting Her right hand out, and He's bringing Our Lady forward.

Jesus - "You see My Mother, your Queen of Heaven and your Queen of earth. Better that a man has died in the womb of his mother than to disgrace and bring discredit to My Mother.

SCATTER YOU TO FOUR CORNERS OF EARTH

"You who seek to take Her from the hearts of the children by your actions and deceit shall not have but a short time for your deception. I shall come among you and scatter you to the four corners of your earth! I shall cleanse you in a manner that man has never experienced in the past, nor ever shall in the future."

Veronica - Now Jesus is pointing up, up over His head, and there's a tremendous - oh! Oh! Oh, I see a huge ball. It's, it's turning very fast. It's a ball, it's a ball of fire. It's traveling at a great speed. And as it's going through the sky, it's shooting out all of these sparks of fire. And it's turning now over, and it's going back up into the sky. And it's turning now from an orange to white. Oh, the heat! It's like burning. Oh! Oh!

Jesus - "My child, you have seen what is to be. It has been given to you in photographs. The children of your world must be given this message. It is not one of fear, but of reality. Your world will be chastised with a baptism of fire.

"My child, you will continue to send the message of My Mother throughout the world. Every man, woman, and child shall have the opportunity to prepare his soul.

"Time, My child? You shall not give a time to mankind.

"Yes, My child, you have been given all full knowledge in the past years. You will continue to send My Mother's message throughout the world. Face fear and it will disappear, My child.

"I cannot promise you a life of comfort upon your earth, but you must look forward to your coming over the veil. Do not allow any human emotion or a love for another human being to keep you from your mission. The Eternal Father is your star, My child.

"Continue now with your prayers of atonement. Many are sorely needed now. Remember, My child, the two sad facts given to you by My Mother. You must now pray, pray until this happens, for it will bring great sorrow to many!"

Veronica - Oh!

[Pause]

Oh, the sky now is becoming very lighted. There's a huge cross. It extends across the whole sky. It's a beautiful cross; it's made of all light, and it's descending down upon the grounds. It's so bright, and I can feel the warmth of it. Oh! Oh!

Our Lady - "The cross, My child."

Veronica - Our Lady now is coming over on the right side, and She's extending Her large Rosary out with the crucifix, and She's now making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as the Father blesses you in the Son and the Spirit.

"Continue with your mission. I will be with you even to the Second Coming of My Son. It will be a difficult year for all, but know, My children, that it has to be in the purging of mankind."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

December 6, 1975

In honor of the Immaculate Conception

Veronica - The sky was very dark. The clouds are now passing over, and the sky is becoming a very deep blue, a beautiful blue color. And there is a large cloud now coming forward, and Our Lady is just above the cloud.

Our Lady is dressed all in white, a beautiful white gown, pure white, and the mantle about Her head is also white. It has no trim. It's a very simple-looking gown, but beautifully and fully cut. Oh, there is a belt of white cord about Our Lady's waist. Her feet are bare; She has no slippers on. Our Lady is standing now, and She's looking over the crowds of people. And Our Lady now is touching Her lips. That means to listen.

Our Lady - "My child, the evil is accelerating. We have watched the development throughout your world.

"You must pray a constant vigilance of prayer for your clergy. Do not be concerned, My child, if the Message from Heaven is not accepted by all. You must understand human nature. A message will be rejected, My child, when it meets with disfavor or is not understood. Therefore, you will give the message and pray that the Holy Spirit will enlighten those who read this message.

LUXURY YOUR DOWNFALL

"Our hearts are greatly saddened by the evils and abominations being committed in the houses of God throughout the world. Man has given himself to all pleasures of the flesh. Luxury in your country, My children, has been your downfall, for you have forgotten your God and you have starved your soul.

"The Eternal Father is most merciful, My children, and He will chastise those He loves. There is great value in suffering. Many will carry heavy crosses, My children, in the days ahead.

"In the city of Rome, the light is dim. The battle continues, the battle of the spirits. The sheep are being separated from the goats by the Eternal Father. In the end all that is rotten will have fallen.

EVEN ELECT DELUDED

"You are living in the days of trial, the days written of by Saint John in the Apocalypse, the Revelations to mankind. Do not reject as hearsay, or the thoughts from the hearts of mere man, these Revelations, My children, for this prophecy was given to you from the Eternal Father. It is for your knowledge to use in these days.

"Do you not recognize the signs of your times? You are approaching fast the day of great chastisement. There will be gnashing of teeth and much woe set upon the earth by the dark one. Satan has massed his forces among you. All manner of grave deception is being set before you. Pray much, a constant vigilance of prayer, My children; even the elect are deluded at this time.

"If I could pull back the curtain for you, My children, and reveal the full scope of what mankind is doing throughout your world, you would shudder with fright, knowing that so many promises were made but are not being fulfilled. And why, My children, why are these promises not fulfilled? Because they are made from the mouths and hearts of the unbelievers.

KINGDOM ON EARTH FOR THE ATHEIST

"The word of an atheist, My children, is nothing, for he uses whatever means - foul and degraded, it matters not to him, for the end will justify his means. That is the rule of an atheist, My child.

"Human life is of no value to the unbeliever. The unbeliever, My children, does not know of the life beyond the veil. Therefore, he is running wildly throughout his world, gathering all manner of worldly riches; for his kingdom is upon earth with satan, and his future is with satan.

NARROW ROAD TO KINGDOM

"The road to the Eternal Kingdom of the Father in Heaven is a narrow one, My children. Once you leave, it is most difficult to return.

"You must keep your armor upon you, your sacramentals. You must remain with My Son in the Eucharist, in the tabernacles throughout the world. There is much confusion at this time and much error in the houses of My Son. But do not turn away. You must stay and pray and set a good example for those who run about in confusion and trying all manner of novelty.

"The Eternal Father looks into the hearts of mankind; therefore, you must not judge. It is well to give counsel and to bring forth an untruth, but you must not judge.

PRAYER MOST POWERFUL WEAPON

"My children, I must enlighten you on a sad fact. You shall not win converts by joining in their errors and misrepresentations. Prayer is the most powerful weapon against evil. You cannot condone a wrong; you cannot compromise your Faith. You must not join the enemies of My Son. All who do not accept Him as the Messiah, all who reject Him in His House - they are of the Antichrist!

CONSPIRACY TO UNITE IN ONE FOLD

"There is a conspiracy of evil throughout your world, My children. This conspiracy seeks to unite all under what they call one fold and one shepherd. But they are deceived. My Son is the shepherd. He will come and set all to right in due time. But evil man has set himself up as an idol for worship. He caters now to the basic carnal nature of mankind. The cross of My Son is being bent to the left. The cross of My Son is bending, heavy under the weight of traitors!

"There are cries of peace and brotherhood going throughout your world, My children; but there is no peace, there is no brotherhood, for the plotters are at work. They constantly arm themselves; and you, being deceived, My children of America, you disarm foolishly!

"You must tread carefully in the days ahead, My children. Watch and pray a constant vigilance of prayer that the truth may be known to your fellow men.

"There are many false prophets throughout the world, My children. You will recognize them by their fruits.

"Astrology is a false science. All who practice this false science are unbelievers. They constantly polish the cup, make it shining and appealing to mankind, but inside they have all manners of sin and abomination - filthy with corruption.

"The world in complete pattern, My child, is moving fast to a climax. As promised in many messages given to seers throughout the world, My child, there is no end of your world in full destruction, but there will be a gradual cleansing by trial. The Ball of Redemption shall bring a baptism of fire upon mankind.

"Recognize, My children, the signs of your times.

"You will pray for your Vicar, Pope Paul VI. He is laid low under a heavy cross, My children.

IMPOSTOR - PROFESSIONAL ACTOR

"Those who should support him, those whom he trusts most, are now plotting to remove him from the Seat of Peter. The impostor, My child, that I spoke of with you, he is a professional man of the acting trade. He has done his job well.

"My child, the message, the knowledge has been given to Rome. Now, My children, We shall see what course of action they will take to correct their error.

"Do not be concerned, My child, of the world's opinion and mankind's rejection, for My own will know Me. I am truly the light in a darkened world, My child. I say this not in pride, but in fact and reality. I bring the light, the Message from Heaven, in the will of My Son. I come to you as a Mother, a Mother of great heart, with great hope. I come to prepare you, as your Mother, and to warn you that you must now change from your ways that offend the Eternal Father much.

"A great delusion has been set upon mankind. You must not follow into this net! There is an octopus of evil spreading slowly throughout your world. The center, the nucleus, a group of leaders, bent, My children, on world conquest.

"It is not a conquest for souls, but for the destruction of souls. It is a conquest not for the Eternal Father in Heaven, but satan. It is a world gathering of man and mankind.

"When the world and My Son's Church becomes one, know that the end is at hand.

"My child, much help will be sent to you. Many arms are needed.

"The sands are running fast through the hourglass, My child. There is a balance in time for mankind. The Eternal Father is the final judge.

BACK TO REALITY AND TRADITION

"There must be change, My children, but a change back to reality and Tradition. My Son has given you a true foundation, but many come now with axes and they chop away. They seek to build a church without spirit, a church of man. The walls will crumble, the earth will shake. The Eternal Father will send His wrath upon mankind.

"I do not seek to place fear in the hearts of My children, but I must warn you and prepare you for what will happen if you are not successful in turning mankind back from his sins and abominations.

"You must all go forward, My children, sending the message throughout the world. If the door is slammed in your face, keep going. There are many doors to knock at.

"There will be many saints coming out of the great tribulation. They will be called the latter-day saints, My children. There are crowns of joy, stars, and lights awaiting many who will come over the veil as martyrs.

"The children must be guided by the family. The truth, the Faith, the Tradition must be instilled in their hearts by the mothers and fathers of a family. Do not expect your children to go beyond your doors and be instructed in truth, for the world has been given to satan. Many who should be showing a firm and true example have gone the easy way of the flesh, for they care more for the treasures and glory of this world, earth, than what the future has for them.

"Hell is open wide; the abyss is filling continuously with souls that have fallen into darkness. Will you not rescue them, My children, with your acts of sacrifice and prayer?

"The Message from Heaven is growing and growing, My children. There is great hope in Our heart that We can put off for a time the great Chastisement.

"The Warning, as promised, will soon be given to mankind. Many will see and still not believe, for their hearts are hardened. They have closed their ears to the voice of truth.

"Pray, My children, a constant vigilance of prayer. Save yourselves in the Sacred Heart of My Son, present in all the tabernacles throughout the world."

Veronica - Now Our Lady is placing Her crucifix in front of Her, like this. She has the most beautiful Rosary. It has very large white Hail Mary beads, and a huge golden Our Father bead; and the crucifix is also golden. And Our Lady is extending it in front of Her and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, for the Eternal Father in My Son and in the Holy Ghost. Many graces of cure and conversion shall be given from this mission."

Veronica - Now Our Lady is going over to our left side, and She's looking down. It's so brilliant, the light about Her, I can barely look into Her face. Oh, the light is so bright! Snow white garments! Oh, they just are so brilliant! I don't think I've ever seen anything so white and bright. Oh!

Now Our Lady is extending Her crucifix out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "You will sit now, My child, and read the photographs. Much is given in secret."

[Pause]

Veronica - All who are able, please kneel. The sky is opening up. It was very dark, but there's a tremendous circular light coming just above Our Lady's statue's head. It's far up into the sky. There is no distance; I can't even judge the distance. It's a tremendous crystal-clear light. And now, just in the center, Jesus is coming forward. Oh, it's as though the sky has just opened up, parted and opened up in this brilliant, glass-like light. There's no way I can explain it.

Oh, now Jesus has on a burgundy-colored cape. It's tied at His neck by this . . . it's like a tassel-like golden cord. And it's quite windy because Jesus' gown is blowing. Now He has on His feet - I can see Jesus' feet; He has these brown sandals. They have a strap across His instep, and there are two pieces of brown leather-like skin forming the feet of the sandal.

Oh, now Jesus is motioning. He's touching His lips. That means to listen in silence.

Jesus - "My child, in obedience to My Mother you have made great progress in sending the Message from Heaven throughout the world. You must expect to meet with resistance from the enemies of My Church. This opposition, My child, you must not take to heart, for you are succeeding when you bring and flush the enemy out.

"The opposition, My children, will come from those who have given themselves to the world of satan. You must pray a constant vigilance of prayer.

"I admonish My pastors, those who have gathered My flock, My sheep, to take a good look at yourselves. Contemplate in prayer; retire from your world which has been given to satan. You must make your decision now, if you will fulfill your role upon earth as pastors, as leaders of My flock. If not, you will be taken from among them. Your soul in darkness shall continue fast into the abyss.

"Many who have been given the highest honors in My Church have used their positions of leadership to destroy the knowledge of the light from Heaven, to destroy souls by misleading. Errors abound in My House, errors built with motives of self-gain and glory. What will it get you? What do you gain when you destroy your soul?

"I do not have to repeat anew the warnings given to you in the past. You will act upon these warnings and restore My House! I have given you a firm foundation of Faith. What are you building now? Churches of man?

"All that is rotten will fall. A Church in darkness wears a band of death about it!"

"You must not take the knowledge of hell from the minds of the children and your sheep, pastors! There is a hell, the abyss of satan, and there is a place of purging. All must be purified, through trial, if necessary, before they can enter the eternal Kingdom.

"Heaven was made, My children, for all, but all do not enter. The Faith must be accepted. Many shall enter, but in this present trial and the trials and chastisements which will soon come upon you, only a few will be saved.

"Contemplate, My children, upon the full message given to you through My Mother. She has been sent to you as a Mediatrix between God and man. If you reject Her counsel, you will be lost. She has promised to gather you all under Her mantle of protection and guidance. My Mother shall be with you and among you until I arrive after the great Chastisement.

"I will come soon, because if I do not, there will be no flesh left upon your earth. Your countrymen and the leaders of your world have now, in their greed and avarice, made instruments of destruction - satan-inspired destruction of the human body! The value for life, the human life, is gone. Death shall be rampant - murders and abominations, all because man has given himself to a life of sin. Wars are a punishment for man's sins.

"What can I tell you, My children? Shall I cover you with hope and optimism and delude you in the face of reality? I give you hope over the veil. What can I promise you upon your earth? Mankind himself now holds the balance for his own destruction.

"The Eternal Father does not send this destruction upon you, but you will provide this yourselves.

"The Ball of Redemption shall come upon you, guided by the Eternal Father - the final chastisement.

"Many shall be brought back through suffering in the days ahead. Do not fall into the fallacy that many give out now, My children. They try to over-build you with optimism. They delude you into peace and brotherhood, an aura of peace and brotherhood, when there is no peace and there is no brotherhood; for they have removed the knowledge of your God from among you.

PEACE PROMISED NOT AT THIS TIME

"The peace promised by My Mother will not come at this time. Man has set himself on the road to great tribulation.

"All who are of well spirit will have nothing to fear. They will go through this crucible of suffering with hope and courage, for they will have their armor, a knowledge of the value of prayer, and hope in the eternal Kingdom.

"It will be a battle, My children, I assure you, a battle such as never has been seen upon your earth, and never will be seen again. All will enter into this battle. Every man, woman, and child shall feel its effects.

"All of the age of reasoning shall be tested. Many young shall be taken from your world to protect their souls.

"Re-read, My children, the messages given through My Mother and other seers throughout the world. Learn by them and act upon them, for you have been given the pattern for your future."

Veronica - Now Jesus is coming over to the left side, our left side, just above the tree far over on the left, and He's bending down now and He's making the sign of the cross with His hand extended with His three fingers: In the name of the Father, and of the Son, and of the Holy Ghost.

Now it's getting very windy as Jesus is going across now, the sky. He's not walking, He just glides. He's like carried on the wind. And right behind Him now is Michael.

Michael is coming down and standing just behind Jesus. He's a tremendous figure! Oh, he covers the whole sky! He's huge, a true warrior of Heaven. He's so tremendous! Oh, His whole head - it's not out of proportion, but it's so tremendous a size. And his hair is glistening now. He has a metallic-colored hair, of - oh, a bronze-like gold. There's no way I can explain it, but it's not human; it's absolutely metallic-looking.

Now Jesus is going over to His left side, our right side, and He's bending down and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children. Many graces have been given and many graces will be given in this battle ahead. Gather your armor. Do not be without them, for you will find great strength and courage knowing that the eventual victory is with My Mother."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Continue, My children, with your prayers of atonement. They are sorely needed."

December 24, 1975

Eve of the Nativity of Our Lord, Christmas Eve

Veronica - There's a large circlet of light. It's forming a round figure similar to a clock. Yes, it is a clock because there are numbers spaced around the circle. And now from out of the darkness there are two hands coming out of the sky. And the hands now are forming pointers. One, the large hand, is pointing to the eight, and the smaller hand is pointing to the four. But now the hands are . . . seem to be going wild; they're going around in a circle completely, very fast, and stopping abruptly on four and eight. Now the large hand is moving backwards and pointing to the number six. Four, six, eight.

Now it's growing dark and the clock, the figure, is disappearing. It's evaporating like smoke from out of the sky.

Now there's a beautiful light. It's very bright; it's clear, like crystal, and it's so brilliant that I'm certain that I would surely lose my sight if I was much closer to it.

Now coming forward from the circlet of light - it's very brilliant - is Michael. Michael has on a long gown, a very brilliant white gown. Now he's handing me something, and out - no, it's the scale; Michael is handing towards us the scale.

St. Michael - "My child, the balance is heavily to the left. Know you now that the warnings given in the past to prepare yourself are going to be proven to mankind as being a final warning through the Queen of Heaven and earth by the direction of the Eternal Father. The Queen of Heaven has come to you as a Mediatrix from the Eternal Father.

"I, Michael, guardian of the Faith, guardian of the House of God, admonish all pastors to prepare and make ready for the test!

"The world of man shall go through a crucible of suffering, a period of cleansing. All that is rotten shall fall. The straying sheep shall be gathered. One shall be taken, the other remain.

"All pastors shall stand before the Eternal Father for judgment. Have you gathered your straying sheep?"

Veronica - Now Michael is pointing over to his left side, our right side, and the trees are lighting up very brilliantly. It's very beautiful. And now just from beyond the tree on our right side, Our Lady is coming forward. Oh, She's very beautiful! Our Lady looks so very petite and so young. I would say almost about fourteen or fifteen years of age, Our Lady looks.

Our Lady - "Yes, My child, years are counted quite differently in your generation. Maturity was reached at an early age."

Veronica - Now Our Lady is going over across the sky to Michael, and now She's motioning to Michael up high in the sky. And Michael now is taking the spear - there was a spear extended over by his right shoulder, and he's placing the spear over his head, high into the sky.

St. Michael - "Observe, children of God, what is to come upon mankind, a generation that has given itself to all manner of sin of the flesh!"

Veronica - Coming through the sky is that terrible light of orange fire.

St. Michael - "Observe, My child, the Ball of Redemption!"

Veronica - It's a terrible sheet of fire. It's a huge ball of fire that's spinning at a tremendous speed, and it's hurtling itself down towards us. [Veronica coughs.]

The smoke and the debris and the powder and the film that's coming from it is so choking and stagnating! Oh!

Now Michael is placing his finger to his mouth to listen.

St. Michael - "Hasten, harken, and listen! The Message from Heaven is going throughout your world. The Queen of Heaven, your Mother, has come to your earth to bring you the admonition from Heaven. Each man shall accept or reject this message in his free will. The sheep shall be separated from the goats.

ROME – A HAVEN FOR HERETICS

"Rome, Eternal City, the light is dim. Rome, haven for heretics and all manners of abomination, shall you not cleanse yourself before the Eternal Father places His hand upon you in chastisement? You have opened your doors to all manner of evil spirits.

"Holiness and piety! Man - men of God, you must wear your garment of purity, dedication, and piety. What manner of foul deeds do you perform for the destruction of your sheep! For what? Material gain and pride and arrogance? You shall be cast into the abyss! Rank shall give you no advantage when you come over the veil.

"Veronica, my child, you must work now with great speed. The future is now.

"Do not be concerned of the acceptance or rejection of the message, My child. You must continue on a steady course."

Veronica - Now Our Lady is coming forward. She's smiling.

Our Lady - "Veronica, My child, you shall and you are being given a great test. You must retire more in quiet solitude. Your spirit will be more at peace.

"Do not be concerned, My child, of the message of the 27th of September. Surely those who know Me and are My own shall recognize Me. Those who have set themselves as enemies to My Son, they will reject the truth for fear of exposure. Do not be concerned, My child, but continue to send out the message.

"Each man has a covenant with his God, My child. Each man has a responsibility for his soul and the souls of all whom he has given charge of.

"You must write again to the cardinals in Rome, My child. Give them the warning, for one shall be removed in the coming year and unless you pray for him, My child, My children, he will fall into the darkness and the pit of damnation. His death will come suddenly without warning.

"No, My child, I do not wish you to reveal his name at this time.

"When he is removed, My child, another shall replace him, far worse than he in his state of soul.

"All things, My child, shall come to pass as given in your message.

"It would be best for all to read all of the past messages from Heaven. They will come together and make one general compilation of the Message from Heaven.

"Yes, My child, many shall be tested in the days ahead. You must all, My children, fortify your souls with grace. Graces are given freely for the asking. Come, seek, and you shall find the way. My Son is the way and the light. Will you not console His sorrowing heart at your tabernacles throughout your earth? He grows lonely; He is forgotten by many.

A HOUSE OF DIVERSIONS AND ABOMINATIONS

"The few who attend the Sacrifice, the Holy Sacrifice, My child, the few are the true of heart. The many come with all manners of abominations in their hearts. My Son's House has become not a temple of prayer but a house of diversion, abominations, and a gathering place for all demons.

"You must enter, My pastors, Michael into your houses, your churches. It is urgent! He is the guardian of your Faith. You must re-enter him now into your churches.

"Pray a constant vigilance of prayer, My pastors! You do not know what is fast approaching upon you!

NOT OBEDIENT TO SIN AND HERESY

"Pastors, leaders of Our sheep, My Son begs you to listen now while there is time! The Red Hats have fallen, The Purple Hats are being misled. Take the blindness from your heart. You shall not be obedient to sin and heresy, My children. Shall you honor man before your God? Shall you honor man and dishonor your God? Woe, I say unto you, My children, the day will come when you shall stand to be judged, and shall man come forward and give you the grace to enter into the eternal Kingdom of the Father in Heaven? No! You shall be claimed by the prince of darkness and cast into the pit! The eternal fires of damnation shall claim all who do not repent of their sin now.

"Many shall die in the great flame of the Ball of Redemption!

"My children, I come to you on the eve of this day that you have given to My Son in the joyful occasion of His coming to your earth. He came - I lived in poverty of worldly goods but graced with much light of spirit.

"My children, recognize and separate from your lives that which destroys your soul and that which strengthens your soul. You must not succumb to the web being spun by satan. There is, My children, a conspiracy of great evil now throughout your world. There are clusters, groups of evil-doers, even in the houses of My Son, the churches.

"When My Son's Church and the world become as one know that the end is at hand.

"The gates of hell, the prince of darkness - the evil accelerates by his command because he knows that his time is growing short.

"Hasten, My children, to send out the message with great speed. The Warning approaches.

"My child, the Warning is not the Chastisement, but the beginning, My child, of the sorrow of sorrows. You must not speculate on dates. I have often told you why, My child, to avoid speculation of dates.

"The good Books, your true revelations in your Bibles, must be kept and preserved. The forces of the Antichrist seek to remove all true knowledge from among you.

"Know, My children, that these forces of the Antichrist do their work by capturing the spirit, the bodies of men, women, and children. However, you must know that 666, My children, is the large force of satan. Six is for the six who are coming, five being present and the sixth on his way; six is for the six days of suffering; and six is for the six who shall be punished and chained forever in hell.

"Powers and principalities gathered for war!

"Rome, the Eternal City, what manner of fate do you give yourself? Tears and blood, sorrow - no joy, but darkness, darkness of the spirit!

RED FORCES SPREAD THROUGHOUT ROME

"The forces, the red forces, My children, shall spread throughout Rome. Can you not pray and do penance to hold back the darkness?

"Pastors, you must now do great penance. Get down on your knees! Humility! Humility, My pastors! Holiness and piety! Tradition! What are you building among yourselves but a church of man, eliminating My Son in the light.

"Bishops, awaken from your slumber! I repeat, My children, My bishops, shall you be obedient to sin? Shall you unite and destroy your Faith? Shall you compromise your Faith with the ultimate destruction of souls?

"My Son gave you your Faith. He gave you the course, a simple plan to follow. He gave you your first leaders. They wrote down the plan from Heaven into your Bible. Every man seeks novelty, interpreting for his own satisfaction - all manner of delusion and complication, novelty. For what? For the ultimate destruction of your Faith! Sheep running and scattering, churches closing their doors! Why? Because you have replaced the light with darkness.

"O My children, what words can I give to you in addition to bring you out of your slumber? As in the time of Noe, you close your ears. Sodom and Gomorrah, you close your ears and your hearts.

"Only a few shall be saved. Many are called but few are chosen. The road to the eternal Kingdom of the Father is a narrow one, My children. Once you leave, it is most difficult to return.

"Keep your armor upon you, My children. Do not listen to the scoffers who seek to remove your armor from you. Your sacramentals have been given for reason. You will need them, My children. Without them you will leave the road to Heaven. Without them you shall enter into darkness, and without them you shall be blind to the truth.

"You must have the Bread of life within you, My children. Comfort My Son and He shall comfort you in the days ahead. Reject Him and you shall be rejected by the Eternal Father, for none shall come to the Kingdom of Heaven but through My Son and His leadership.

"There are no gods, My children, upon your earth. There is but one God. You have set up many gods to worship upon your earth, even seeking to make man a god. Can you not remember how the gates of Heaven were closed to you? Why? Because of pride and arrogance and listening to the voice of evil. Your first parents, My children, listened to this voice and fell and succumbed to the evil.

"I understand, My children; I know what lies in the hearts of mankind. They do not give your children the knowledge of your first parents, Adam and Eve. They do not give your children the knowledge of the existence of hell. Can you not understand, My children, why? Without this knowledge they shall sin, and sin shall become a way of life.

"My voice has gone throughout your world now, My children. That gives you less time now to prepare. You will keep a constant vigilance of prayer. Each man and woman and child of the age of reasoning must now be disciples of the Eternal Father. You have a responsibility to your brothers and sisters of the world. If you have gathered your graces and feel assured of your worthiness to enter the Kingdom of the Eternal Father, then you must with your grace work doubly hard, My children, to save your brothers and sisters. Even one soul shall bring much rejoicing in Heaven, with the recovery of one soul, My children."

Veronica - Now Our Lady is taking Her Rosary from Her waist, and She's holding the gold crucifix out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as My Son blesses you in the Father and in the Spirit. Continue with your prayers of atonement; they are sorely needed. Much penance will be necessary now to hold back the darkness.

"I bless you, My children, and give to you, through the merciful heart of the Eternal Father, great powers of cure and conversion."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is going backwards . . . oh, oh, up beyond the tree. And She's there pointing down now. Oh?

Our Lady - "No, My child, I am not leaving. I am over here with you for the evening."

Veronica - Now Michael is coming down again, high from the sky, and He's standing by Our Lady's right side. He's holding the balance in his right hand now and a spear in his left. Michael . . . I can't see his features, but I have a deep sense of sorrow. He's not happy.

Now his voice is booming, oh, very loud; it could almost hurt your ears but for the grace of God.

St. Michael - "Woe, woe, woe to the inhabitants of the earth! As in the time of Noe, as in the time of Sodom, woe, woe, woe to the inhabitants of the earth!"

Veronica - Now Michael is motioning over to his left side now, and Our Lady now is going up further into the sky. And the clock is appearing again, that huge round clock. And now the hands are pointing to four and eight again, and they're beginning to turn very fast, very fast, and they're . . . now both hands are stopping on the number twelve.

Now Michael is booming again.

St. Michael - "Woe, woe, woe to the inhabitants of the earth! The hour has struck."

Our Lady - "My child, do not be affrighted. You are prepared. My children are prepared. All who are of well spirit shall have no reason to fear. Continue now, My children, with peace of heart.

"Veronica, My child, you must now read the photographs carefully. But I must caution you there are others who are making novelties of their cameras. It was not given for that reason. The camera must be blessed. Satan has much power over mechanical implements. However, all that are blessed by Me, My children, shall not fall into satan's power."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

[Pause]

There's a beautiful crown - covering the whole sky is a golden crown, pointed in sections, a very regal crown. Oh, and now the sky is getting very bright, and . . . oh, Jesus is coming forward through the sky. Oh, there are lights now, there are lights streaming out from Jesus. They're going, the lights are going in all directions and coming down, streaming down now over by Our Lady's statue. It's a most beautiful, beautiful sight! Oh, the whole sky is covered by these streams of smoky white light. There's no human way I can explain it.

Jesus - "My child, you have explained it quite well. No human words could describe or satisfactorily explain many secrets of Heaven.

"The lights you see, My children, are graces, graces that are given in abundance for the asking."

Veronica - Now Jesus is placing both of His hands out in front of Him. It's quite windy because His cape is blowing behind Him.

Jesus - "What can I say at this time? How can I promise further reprieves for an unrepentant generation?

"How many warnings are given to mankind to go unheeded? O My children, if I could just cast away the darkness and allow you to look into your future, the future that you have forced to be now! What was to happen in the future shall be now.

"I shall say anew, there will be the time that you will be given to great trial. Your world shall be bathed in blood. Your world shall go through a great crucible of suffering. The Eternal Father does not seek to bring fear into the hearts of His children. He sends you an admonition that must be heeded. The Eternal Father has watched and found that you are wanting.

ALL THAT IS ROTTEN WILL FALL

"The world shall not be completely destroyed. That promise was given and that promise shall be kept. However, all that is rotten will fall. Many shall die in the great flame of the Ball of Redemption.

"Amen, amen, I say to you, what has been written must come to pass.

"Much that will take place now in your generation had been planned, My children, for the future. But through your arrogance and pride, you have rose high above what the Eternal Father has given to mankind as a goal. You seek to invade the realms of Heaven. You seek to set up a kingdom of man. And what have you given to yourselves but a kingdom of darkness and sin, and all manner of abominations.

NO SALVATION WITHOUT EFFORT AND MERIT

"Do not fall into error, the error and fallacy that all will be saved without effort and without merit. It is a fallacy. There is Heaven, there is hell, and there is a place of purging. You must be clean, cleansed of all sin. Your garments - many shall wash in blood to cleanse them, but pray that it is the Blood of the Lamb.

"Amen, amen I repeat to mankind, you must awaken from your slumber and delusion. When your world enters into My Church and you seek to set up man as an idol to worship, know that the sword shall be placed down upon you.

"Hasten, harken, and listen, for the time is growing short. Soon words will not be sufficient. The Eternal Father commands great penance from mankind at this time. You hold the balance, My children.

"You will keep a constant vigilance. All manner of diabolical temptation shall be set upon those who are destined to become the children of their God in the eternal Kingdom. As you travel on the narrow road to the Kingdom do not slacken, do not let down your guard, for you will find that the closer you approach the eternal Kingdom, the more you will be attacked by satan. His frustration - in his frustration, My children, to claim your souls, he will send all manner of aggressors to you. So watch and pray much. Pray that your children do not become victims.

"I bless you all, My children. I give you in faith all graces for your conversion and cure: first the cure of the spirit, and then, My children, the cure of your body. But first the cure of your spirit."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing His hand out in front of Him, like this. He's turning to His right side, over on our left. He's extending His hand out now and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's going over, and Michael is coming down now from high in the sky; it's like he's coming out from behind a shield of a cloud. And Our Lady now is also next to Michael, and She's standing over by Jesus' now right side.

Now Jesus is extending His hand out. He's over on our right side now and placing His hand out: In the name of the Father, and of the Son, and of the Holy Ghost.

Now it's growing quite dark over on the right side, and Our Lady is going with Michael. She's coming over high above the statue, and She's extending Her hands out in front of Her, like this. It's . . . Our Lady is standing with Her arms out. It's almost a posture of pleading.

TIME LEFT LESS THAN TWO HANDS

Our Lady - "Listen, My children. Do not reject the warnings being given to you. You cannot count the time left on two hands. Hasten and listen and act upon these warnings."

Veronica - And now Our Lady is reaching down and She's taking out Her Rosary, the beautiful large white Rosary with the golden Our Father. And now She's extending the Rosary, the whole Rosary including the crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is taking His . . . He has on this burgundy cloak, and He's placing it now across the front of His chest and nodding.

Jesus - "You will continue now, My children, with your prayers of atonement. You will understand very soon why I have come and given you this warning."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

December 27, 1975

Eve of the Holy Family

Veronica - The sky is very dark. It has an ominous darkness. There are streams of light now coming through the black sky. The light was a pale white, but it's becoming a beautiful blue. It's very striking against the black sky.

Now in the center of the light there's a tremendous white cross. And now from the cross, the center of the cross, there is coming out the figure of a heart, a red heart. And the heart now . . . from over on the right side of the cross, a large sword, a saber-type of sword, is now being plunged now into the heart. The heart is bleeding.

And over on the left side, by the trees, Saint Michael is coming forward. He's holding a chalice in his hand, a very large golden chalice. He's placing this under the bleeding heart.

St. Michael - "The blood of the Son of Man shall not be shed again for an unrepentant generation. Man shall shed his blood and be slain for the Lamb.

"Many martyrs shall rise in the conflagration.

"Woe to the inhabitants of the earth! Woe to a mankind that has allowed sin to become a way of life. All manners of abomination are being committed in the House of your God throughout your world.

"The Red Hat has fallen and the Purple Hat is being misled.

"Heresy, O mournful heresy, whatever shall become of you?"

Veronica - Now Michael is pointing up. He has a very large sword in his right hand. He's pointing up to the sky, and there's forming a large circle. Now in the circle there's being drawn in black, black strokes, ominous black strokes, lines forming a peace, so-called peace symbol, used today by many of the youth. The symbols now, the hands are pointing to four and eight. There's an extension of a "Y" in this, leading to the top of the circle, the point of twelve. The time has arrived; it is the beginning of the end, the "Y" period in mankind's history.

Saint Michael now is going above Our Lady, high above Our Lady, and standing with his sword. The sword is pointed downward.

St. Michael - "Woe, woe, woe to the inhabitants of the earth! How many warnings shall go out to mankind before he acknowledges his sin and does penance for His God, a God most merciful and just, Whose heart is torn asunder by an ungrateful generation which has given itself to all manner of depravity and defilement of his soul!

HERETICS TO BE TAKEN OUT OF ROME

"Pastors in the houses of your God, you must return from your wanderings and gather your straying sheep. Discipline must be returned. Holiness and piety must be returned. Heresy and heretics must be taken out of Rome! The power of excommunication must be used. You will cleanse the Eternal City now, or you will accept the sword!"

Veronica - Now Michael is pointing with his sword over to the right side, and there I see a terrible sight of little children being grabbed by their heads, their hair, their necks and a sword cutting them, killing them.

MURDERS OF THE HOLY INNOCENTS

St. Michael - "What manner of evil have you created upon earth, the murders of the Holy Innocents again? Man has set himself above his God! He seeks to command death and life at his discretion? Murder! Murder shall - all murderers shall receive a just recompense for their acts!"

Veronica - Now it's growing quite bright over on the left side above the trees, and Our Lady is coming forward. She has on a most beautiful white gown, and above Her head there is a circlet of stars. Our Lady looks very young and very fragile. She has a beautiful white cape over Her head, and the stars, the circlet, seems to be suspended almost in the air. Our Lady is showing me now Her slippers. She has on the beautiful slippers with the golden roses, a rose on each slipper.

Now Our Lady is extending Her right hand out, and oh, the Infant Jesus is appearing in Our Lady's arms. Oh, He looks about . . . oh, about a year old. He's small but so stately in our Lady's arms.

Now Our Lady is pointing over to a map. It's a large map in the sky.

HOSPITALS GIVEN IN TO DEPRAVITY

Our Lady - "My child, all throughout earth, there is mass slaughter now of the innocent children, the unborn, and this has extended now past the unborn. Many children brought into the world are being killed, My child, at their birth. Shout this to all. Your hospitals have given themselves to depravity. They are taking needlessly, lives, My child.

"Yes, My child, it is at the knowledge of the parents. Shall you build a master race? Shall you create only a perfect individual? What shall you do to accomplish this? Shall you eradicate by murder all who are not perfect? Man has no right to place judgment on who is to live or die, My children.

"The Eternal Father sends each life with reason. The spirit of life is breathed into that body at the moment of conception. At the moment of conception the soul is united to that body. Though it grows from a small seed, it is living and must not be destroyed! It is murder, My children, to destroy the seed.

"All who commit this, this terrible act of murder, My children, cannot enter into the Kingdom of Heaven unless they repent of this foul crime. They must in their repentance accept a penance upon earth for their acts that bring great sorrow to the heart of the Eternal Father.

"Man has been given a free will and is using this act of mercy of the Father to allow him to go his way, for the Father shall not force any into the Kingdom, My children. You must want to come in. You must use the balance of your lifetime to gather the necessary strength through graces to stay on the narrow road to the Kingdom. It is most difficult to return once you leave that narrow road. The agents of satan abound upon earth. 666 is now there, My children, in force.

"When Rome unites fully with the world, when Rome removes the Holy Father, Pope Paul, from the Seat of Peter, know that the end is at hand.

ONE-WORLD RELIGION BASED ON HUMANISM AND MODERNISM

"There are many now in Rome, My children, who seek to set up a one-world religion. It is based on humanism and modernism. It is not the religion of Tradition given by My Son Jesus to mankind. Man is building a church of man. It is not one of the cross.

"You ask, My child, why this is permitted? It is only but for a short time. Man is being tested. The sheep shall be separated from the goats. Each soul shall be given the test.

"You do not have to write again, My child, to the cardinals of Rome. They are now aware of the message.

"You will continue, My child, to send the message throughout the world. I will send you many arms to help in this mission.

"You will have no fear in giving the names in print that I give to you. If this was not so I would tell you to remain and keep this in secret. It is not that We place judgment upon a given name of the person. It is that We must warn this individual that his soul is in mortal danger. His soul is in danger of going into the abyss and being claimed by satan for eternity. Even the Red Hats, My child, may fall into hell.

"Your Holy Father, Paul, suffers much from the enemies that surround him. He will accept a martyr's end.

"Do not feel sad of heart, My child. The Father has a plan for all. It is a great grace to accept a martyr's death.

"As I told you a short time ago, one of the cardinals that you wrote to, he will soon depart from the world. Without the necessary penance and reparation - if he does not listen to My warnings he will lose for eternity a reward to be with Us in the eternal Kingdom of light.

"I pray, My child and My children, that you send this message to him that he may be given the opportunity to make restitution to the Eternal Father for the salvation of his immortal soul.

"You question, My child, why this must be. It is a mystery that mankind shall never know until he passes over the veil. It is a will given to each soul to follow and make his choice.

"You, My child, will accept a difficult penance for the world. Now that I have told you, you will go through this, My child, with much fortitude and strength.

"No, My child, do not be concerned. The Eternal Father will not give you more than you can carry in burden.

"You will continue to read the photographs very carefully, My child. They are a special grace to give you strength in the mission ahead. They will also be in the future, positive evidence for the investigation.

"Continue on your mission, My child, with great strength of spirit. All will go as the Eternal Father allows it. Do not be over-anxious for the existence and coming of miracles. They will appear before your very eyes.

"Now, My child, you will sit back and read these photographs."

[Pause]

Veronica - There is a great mist of pink coloring. It's a beautiful warm coloring. And now as the sky is opening up, Jesus is coming forward. He's dressed in a most unusually brilliant white gown, and He has this rope-like cord about His waist.

Jesus has on a cape; it's a deep burgundy-colored cape. It's very loose. From here Jesus looks quite tall. I do say he looks-I would say about . . . oh, six feet tall. He's very tall. And He's smiling.

Now Jesus' hair is blowing. It's down to His shoulders, and it has a reddish-brown cast. Perhaps it's the pink glow of the lights about Him. Now Jesus is touching His lips with His first finger; that means to listen.

Jesus - "My child, your world is to enter a great test of suffering. The warnings given to mankind in the past must not be rejected. They must be examined carefully, all messages of the past, and acted upon.

"Do not slacken, My child, in your mission. You must continue to work with great haste.

"There is a conspiracy of evil now throughout your world. Those who have the greatest power to promote good have used this power to promote evil. This evil is entering upon the lives of every man, woman, and child in your country and in the countries throughout your world.

"As in the time of Noe and the cities of sin, Sodom and Gomorrah, it fell upon the Eternal Father to cleanse this evil from your earth.

"As the evil accelerates, there will be given to the Eternal Father no other choice but to loose upon mankind the Ball of Redemption. Many will die in the great flame of the Ball of Redemption. Your earth shall go through a suffering far greater than ever seen before by mankind. All who live through this will envy those who have died.

"It is not the will of the Eternal Father to set upon mankind chastisement. It is in His merciful heart and His providence, and His knowledge of what is to come, that He has a plan for the recovery of souls and the cleansing of your earth.

"The Ball of Redemption nears. I repeat, many will die in the great flame of the Ball of Redemption.

"In the Eternal City of Rome the light is dim. There is a conspiracy of evil. Holiness must return to the man who represents himself in My name.

"In the Eternal City of Rome, My pastors, you have opened your doors to all manner of heretics and separated brethren who shall not join you for the betterment of My Church, but to destroy and confuse and bring together a new religion of man, one based on humanism and modernism and satanism.

ORDINATION OF WOMEN A HERESY

"The simple plan for the redemption of mankind was given to you in the past by your prophets. Already We hear you clamor for the ordination of woman. No woman shall stand in My House to represent Me! How dare you bring in this heresy to My House! I shall go among you and I shall sling you out from My temples!

"I, your God, demand that you cleanse yourselves now! We extend to you a time to bring this about. You are not hidden in your evil ways from Our eyes. Do you think you shall escape a just punishment? No! Amen I say to you, no rank shall make you escape the fires.

"You who call yourselves My pastors and have sold your souls to get to the head, you who have taken the young to destroy their souls with all manner of novelty and innovations in My House, I did not ask you for change! I did not ask you to discard the words of your first teachers, the Apostles! In your arrogance you laugh and are derisive of their teachings. You set yourselves up another church, not My House. I shall not represent Myself in Body and Spirit in your new house!

"Shall I separate My pastors and cause more confusion? No! The Eternal Father deems to cleanse you. There shall not be another separation.

"Amen, amen I say to you, you have just about reached a point of no return from your destructive ways. You shall not open the doors of the Eternal City to all separated brethren who reject the Christ!

"You will take back the good Book, your Bible! You will restore it to its original meaning. You shall not take this Book and make all manner of change to suit mankind and his weak natures. No! You will change mankind to be pleasing to his God!

NO RATIONALIZATION OF SIN

"You shall not find excuses and rationalize sin. No! There shall be no rationalization of sin, which has now proceeded to make sin a way of life in your country and throughout your world.

"Pastors, take heed! Hasten, harken, and listen, for I shall not warn you again.

"You shall not set up new seminaries that have gone far beyond all truth and tradition and fact. This shall not be tolerated by the Eternal Father.

"One shall be sent among you as a voice crying in the wilderness: *Return before it is too late!*

"My children of grace, those who have listened and acted upon the warnings given from Heaven, you must continue with perseverance. You must act charitable and pray for those who are destined, without your prayers, for the abyss.

"We do not expect you to judge. We do not condone evil. The Eternal Father is always the final judge, but you must not except or compromise your Faith.

"Awaken, pastors, from your slumber! Shall you be obedient to heretics? Shall you please man and reject your God? This decision is yours. In the merciful providence of the Eternal Father, you have been given the time to mend your ways.

BALL TO CAUSE CLIMATIC CHANGES

"In the past many warnings have been given to you but have not been recognized as coming from the Eternal Father. Those that will come now will be recognized, for they will be cataclysms such as have never been seen upon your earth: freezing in areas of your land that have never experienced the freeze; bursts of heat in areas that have never known such great heat. Death shall come upon many. The approach of the Ball of Redemption shall bring upon mankind climatic changes.

"All who remain close to My Mother will not be caught unprepared, My child. This is a great grace for many. Keep a constant vigilance of prayer in your homes and in your country and throughout your world. The beads of prayer, My Mother's Rosary to mankind, is very powerful.

"Do not discard your sacramentals, for they have the power over the supernatural demons. Do not listen with itching ears to those who try to discard the knowledge of the supernatural, the demons and the existence of your angels. I would advise you to call upon them often, for you shall not survive the coming battle without them."

Veronica - Now Jesus is rising high, high up into the sky. It's very windy because His cape is blowing about Him. Now He's placing His hand out in front of Him, like this, with His fingers, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Father blesses you in the Spirit."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over to our right side, just above the trees. He's standing and looking down, and He's placing His hand out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now it's growing very, very bright. Oh, Michael is coming down right from the center of this tremendous light over Our Lady's statue's head, high up in the sky. Now Jesus is going over now and He's facing us, but He's rising very high.

Now there is a circlet of light on the left side over here, and there's a clock on it. And the hands on the clock are pointing to four and eight, the sign of the Antichrist. And the hands are spinning, and they're stopping on the number twelve: the time has arrived.

Now the sky is growing very dark. I can't see Michael now. He seemed to have just gone behind a huge cloud. And Jesus now is going over, and He's standing there. And He's touching His lips to listen.

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

December 31, 1975

Eve of the Solemnity of the Blessed Virgin

Veronica - The sky is very overcast, but there are lights coming from the direction over Our Lady's statue, brilliant bright lights. And over on the right side, just over the tree, there are hosts forming in the sky - beautiful, round Roman hosts.

Now coming down high from the sky, Jesus is coming forward. He has on a dark . . . a beige gown with a rope-like cord about His waist, and over His shoulders there's a burgundy cape.

It doesn't appear to be raining because the light is so brilliant. It's very, very warm.

Jesus - "My child, We shall soon be joined by My Mother.

"Understand there are many missions given to Our children without their full knowledge.

"This is a night of great penance for many. This is a night of great sorrow for many, My child.

"My Mother has gone throughout your world begging for you to do penance and atonement so that you shall have a reprieve from the great Chastisement that was to be in the future. I say, My children, 'was to be.' As man falls deeper into sin and does not do penance for the abominations being committed on your earth and in My houses throughout your world, this leaves no recourse to the Eternal Father but to set upon your world a great trial.

"The minds of those who have fallen out of grace shall be captured and used by satan, the adversary, and his agents. All manner of foul deeds, of cruelty, and of death shall come from their evil minds.

"Your city, My child, New York, shall go through a crucible of suffering, as many cities in your country and throughout the world.

EXCOMMUNICATE THOSE WHO BUILD CHURCH OF MAN

"The Eternal City of Rome must now take action by those in rule, the cardinals and the bishops, to restore this city to the light. Those who seek to build a church of man must be removed by the power of excommunication given to those who rule as representatives in My houses, churches upon your earth.

"As it was in the time of Noe, as it was in the days of Sodom and Gomorrah, so shall it be upon your earth. Man shall be permitted to fall fast into the abyss. Why? Because he has hardened his heart and closed his ears to the truth. He has given himself to all manners of pleasures of the flesh. Sin has become a way of life in your country and in the countries throughout your earth.

"The children of God, the candles upon earth, My child, shall suffer much persecution from the agents of darkness.

"Man runs amiss, My child. He scatters the sheep. He seeks peace where there is no peace. He is going farther into darkness.

"You shall not gather your flocks, My pastors, by compromising your Faith! You shall not gather the flocks for the Eternal Father in Heaven by giving yourselves to the world, by adopting humanism and modernism as your guide.

"It is a simple lesson of faith that you must give to the children and to all in your care. As pastor you shall stand before Me and shall you say to Me that your teaching has been pure in My sight? Amen I say unto you, I shall cast you from Me and send you into the abyss. As you sow, so shall you reap.

REMOVE WOMEN AS LEADERS IN CHURCH

"You will remove woman from My Church, as leaders and rulers. Of what? What manner of foul action do you promote?

"In the beginning I gave to you, through your prophets, the establishment of My Church upon earth. The rules were simple but now have become changed and defiled to please the carnal nature of mankind. You must restore the holiness to My House! You must bend your knees in humility and penance."

Veronica - Now Jesus is pointing up, high up above His head, on His right side. The sky is becoming very clear, and Our Lady now is coming forward. There is a brilliant white light all about Our Lady, and She's holding Her hands out in front of Her very pleadingly. She looks so fragile and so beautiful, I can't express it in human words.

Now Our Lady is going over and standing next to Jesus. Our Lady comes just a short bit below His shoulder. Our Lady has on a pure white gown and slippers, golden slippers. And on each slipper is a small golden rose, a rosette. About Our Lady . . . She has a white, long cape over Her head, held in place by a circlet of roses. They're beautiful roses; the color is a mixture of colors of the rainbow. I have never seen roses like this upon earth. They are so beautiful, they capture every color in the rainbow.

Our Lady now is touching Her lips with Her hand, which means to listen carefully.

Our Lady - "My children, what more can I say to you at this time to further the Message from Heaven to My children? My warnings have fallen upon deafened ears.

"The little children who are pure of heart and simple in nature, they listen; but those who have accepted to rule My Son's House, they close their ears, whether in fear of reprisal from their superiors or in absolute, My children, blindness of heart and spirit. Pray a constant vigilance of prayer for your pastors.

AGENT OF HELL TO BE ON SEAT OF PETER

"Pray for your cardinals in the Eternal City, and most of all, My children, you must pray for your Holy Father, Pope Paul. Without enough prayers, My children, your Holy Father shall be removed from you. And one shall be placed upon the Seat of Peter, one who knows dark secrets. He will not be of your God, but an agent of hell.

"My children, you must be courageous in the days ahead and know that the Eternal Father will have the final count. He allows much to carry you in this crucible of suffering.

"My child, how may I explain to you the mysteries of Heaven? You must accept the will of the Eternal Father without question.

"You ask, My child, why so much is permitted, so much evil? It is because, My child, there are many straying sheep. Were We to allow the full chastisement at this moment, too many of Our children would be lost to Us. The Eternal Father is straining and permitting the time to gather these sheep.

"When the Chastisement comes upon mankind, My children, there will be a punishment never seen before in the history of your earth, and shall never be seen again. Many will die in the great flame of the Ball of Redemption.

"My child, Veronica, do not hesitate to give a full message to the world. My own will know Me, My child. Know that those who do wrong do not want their sins to be exposed. It is not that you judge, but the warning must be given to mankind."

Veronica - Now Our Lady is taking from Her waist Her Rosary, Her beautiful white Rosary with the golden Our Fathers, and She's taking now the crucifix and placing it out in front of Her and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning over to the right, Her right side, and looking down and making the sign of the cross with Her crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is standing there, and He's holding His hand out now, like this, three fingers extended like this, His thumb and His two first fingers, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is floating over. He doesn't walk, He's carried, carried on the wind, over to our left side. And Our Lady is following Him.

Now coming down from the right side is Michael. Oh, he's dressed in a very billowing white gown, and his hair is very glistening tonight. It's like a metallic gold. Oh, and he's so very huge, Michael. There's no human way to describe the size of Michael. He is tremendous! Now he is also going - he's right behind Our Lady, covering the whole right side of the sky. And Jesus now is looking down, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady and Jesus are floating up, up over the statue and standing there. And Michael is now pointing to the sky, and he's . . . and there's a tremendous dark cross forming in the sky.

Now Michael is also touching his - I can't see his lips, but I know he has his hand in the direction of his lips.

St. Michael - "Woe, woe, woe to the inhabitants of the earth! Insanity from sin! Man shall see and receive the fruits of his development by satan."

Veronica - Oh, my goodness! I see a city. The city is on the water. And I see a tremendous explosion. Oh, my goodness! Oh, buildings coming down and toppling like they were just made of plaster. Oh, my God! Oh!

Our Lady now is coming over.

Our Lady - "My child, in the course of your vigil you shall receive two photographs. You will understand, for they will be very clear. This knowledge shall not be given out at this time.

THE PUNISHMENTS HAVE STARTED

"Already, My child, the punishments have started. Man shall proceed on a course of insanity, losing all regard for human life and charity, all because he has given himself to satan and the pleasures of the flesh.

SCIENCE AND TECHNOLOGY PLACED ABOVE GOD

"Satan shall seek out your country wherever there is darkness of spirit, and in those places, My child, all manner of evil shall spring up, evil such as never been seen upon your earth. Human beings infested by the devil, working all manners of evil against his brother and sister.

"O, My child, could I promise you all love and light? Shall I deceive you by opening a picture of peace and joy to you? I cannot lie and bring you what pleases your human nature. This has all been cast aside by mankind, who has placed science and technology above his God.

"My child, you will all keep a constant vigilance of prayer.

"Prayer, penance, and atonement shall be your rule now, My children. Do much penance and make much atonement for the sins of mankind. In this manner We will gather those who are to be saved."

Veronica - Now Our Lady is placing Her hand out now and there are rays coming from Our Lady's right fingers, the fingers of Her right hand, and they're spreading like beautiful warm lights down here onto Our Lady's grounds here, by Her statue. And now they're going over our heads. They're beautiful streams of white light. I don't know the full knowledge of the power of this light, but it does give you a great strength, Our Lady said, in the days ahead. It is grace.

In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Continue now, My children, with your prayers of atonement."

In honor of the Presentation of Our Lord

Veronica - The sky is very dark. The blue lights are appearing directly over Our Lady's statue. That means that Our Lady is ready to appear and give Her message to us.

There's a beautiful round, oh, host-like light coming from the center of the blue coloring now, just above Our Lady's statue. Our Lady now is coming through the light. She's dressed in a beautiful white gown with a blue mantle over Her head. I can't see Her hair. I've often tried to see Our Lady's hair, but She prefers to have it covered.

Our Lady - "Read first the photograph, My child."

[Pause]

Veronica - "Oh, this is a terrible photograph! Blessed Mother, this is a terrible photograph!"

[Pause]

Our Lady - "You will observe, My child, the fires that will rage across earth.

"I know you are drained, My child, from your personal encounter with the agents of hell, the forces of 666 that now rage throughout your world. You could not, My child, in your human nature, understand the full meaning of 666. Do not be swayed in your pursuit for more knowledge of this supernatural phenomenon, My child, for those who mock have fallen into the web.

"I could give you the facts, My child, and you as a voice-box from Heaven will give them to the world; however, a personal encounter with the evil will drain you. In your physical weakness, My child, you will not succumb to those who will set themselves to remove your strength. I ask you now to keep within yourself so that your mission will be completed when the Eternal Father deems it.

CLEAN OUT TEACHING INSTITUTIONS

"I have asked you, My child, several times to write to the Bishop of the Diocese of Brooklyn. You must do that now while there is time. He must make an effort to clean out the evil that through his laxity has entered upon the teaching institutions under his command. Errors and heresy abound.

"I have told you in the past, and I repeat Myself, My children: sin has become a way of life. There is now rationalization of sin. The light is dim. The Holy Spirit is not accepted, and a great spirit of darkness is accepted.

"The world of man has fast plunged into darkness. I have shed tears throughout My visitations to you. How much more can I do to prevent the great catastrophe from falling upon mankind?

A NEW THEOLOGY OF MORALS

"I allowed you, My child, to become aware now in full measure of the evil in the teaching institutions of My Son's Church. A new theology of morals has been set among you. And what is it but a creation of satan!

"The Commandments of the Father were given, and no one shall cast them aside. What man, in his pride, has the knowledge from the Holy Spirit to change these Commandments to satisfy his basic fallen nature?

"O My children, how many can I gather, how many shall the Eternal Father permit Me to gather before the Ball of Redemption falls upon mankind?

"There is a great evil, a conspiracy of evil now in your world. 666, the agents of hell, are now in Rome. Understand, My children, that these agents must claim the body of a human to do their work for satan. Understand, My children, that they have placed themselves, these agents of hell, into governments and human, man and woman. They are fast bringing about their own destruction.

"Your country, the United States, has been given in the control of the forces of evil - 666! Death will become prevalent among your leaders. There is no honor for life in your country and the countries of your world. Therefore, My children, recognize the rampant evil. When the value for life and the preservation of life has been removed, as it has been in the murder of the Holy Innocents, know that no man shall be free from death at the command of the leaders.

"My child, you are much concerned about My message of September. Do not be. It is not for you to know all at this time for your safety. Be assured that what I have said to you has come from the Eternal Father, Who knows all.

"In Rome, My children, We are now engaged in what I shall say in human language is a 'cat and mouse' game.

"Yes, My child, those who are promoting this evil are well aware of My message. If more prayers are given for their salvation, one among them shall be saved, or one among them shall be lost: Villot, Benelli, and Casaroli.

"You ask, My child, about penance. What more can I bring you in direction? There are laws of God and laws of man. The Eternal Father demands penance! The Eternal Father demands a strict rule, with no alterations and no novelty implemented upon His words. You shall not rationalize the Commandments of the Eternal Father! They are simple and they are to be followed simply in faith.

"My child, it is not My mission to give words other than prophecy from Heaven or warnings to mankind, but I must tell you now that even your leaders are not safe in their conduct."

Veronica - Oh!

Our Lady - "Already there is a conspiracy against your intermediary between the evil nations."

Veronica - Oh!

Our Lady - "Yes, My child. Watch the developments throughout your world, for he will be assassinated."

Veronica - Oh!

Our Lady - "You see, My child, there is no honor among those who are not with My Son. Exterminatus will rage throughout the world. The angel of death shall claim many. There will be accidents that are not accidents. Satan shall be given power over the elements.

"Yes, My child, it is but for a short time; then satan shall be chained. You may not question the will of the Eternal Father, My child. You will accept all as is given. There is a plan in Heaven for everyone. However, in man's free will, I must make it known to you that many are called, but few are chosen.

"Do not fall into error. As I look into the hearts of mankind, I see many who have fallen into this error of teaching. My Son died. He died at the hands of those who did not believe. And My Son is now being recrucified in His Church at the hands of those who do not believe. Because My Son died upon the cross does not mean that man shall enter the Kingdom of Heaven without penance!

"What man can say he now stands before the Father and has not made restitution for the offenses against the Eternal Father and shall enter the Kingdom of Heaven? O My child, it is not that way!

"Because My Son died, My children, upon His cross, He opened the gates of Heaven that were shut to mankind at the fall of the first parents. He died for mankind, but shall those who reject Him by sin and breaking the Commandments of the Eternal Father, without penance, enter? No! Sadly, My child, My children, they cannot enter.

"My voice has carried throughout your world for many earth-years. We do not see a measurable change in the ways of man, ways that offend the Eternal Father. We see My Son's Church slowly falling. The foundation is solid, but the walls are cracking. A Church in darkness wears a band of death about it! All that is rotten shall fall!

THE SEMINARIES

"My children, the seminaries in the United States shall close, unless they start now to clean their homes!

"The Eternal Father shall not permit young souls to be destroyed by evil teachers, by those who have fallen into error because of loss of the grace from Heaven, by those who, for worldly gain, choose to sell their souls!

"What manner of evil is in these seminaries, My children, that they promote fallacies and heresy, permissive behavior, a morality that now is based on advanced science and theology! The Eternal Father gave the mode, the manner for man to save his soul - simple, clear, and unadulterated with the evil that now has set My Son's Church in darkness!

"Go back! If you have the time, pastors, go back now! For many mitres shall fall into hell!

"I repeat, the Red Hat has fallen and the Purple Hat is being misled. I cry to you, through the merciful heart of the Eternal Father, turn back now! A new moral theology straight - coming straight up from hell!

"We command, in the name of the Eternal Father, for all bishops of the world to set My Son's House in order! Obedience is obedience to God the Father and not to the agents of hell! Shall you obey mankind and hurt the merciful heart of the Eternal Father?

"My child, when My Son returns, will He find even a small measure of faith left upon earth? The recrucifixion of the Mystical Body!

ROSES SIGNIFY SOULS

"I came to you, My children, and gave you, at the command of the Father, a name of the Roses. The roses, My children, signify the souls, the preservation of life for eternity in the Kingdom of God.

"You will keep a constant vigilance of prayer in your country and throughout the world. The great conflagration approaches mankind. The Father shall chastise those He loves.

A BITTERSWEET MESSAGE

"I cannot, My child, bring you a great message of cheer. I can say to you, I bring you the good news of your salvation. But it is a bittersweet message for all, My children, for I must also tell you what is to be so that you may prepare your soul and the souls of all you love.

"I, your Mother, as a Mediatrix between God and man, come to you in final warning to mankind. You will remain from out of the world that has been given to satan. Protect your homes and those you love with your sacramentals. All who keep Our monuments in their homes shall be saved. The mystery of these sacramentals will be known to all very soon.

"My child, you will continue your mission, but I must ask you to rest. Rest cures all. The Eternal Father will send you arms to help in the great battle ahead. It will be a glorious battle, My child, for the eventual victory will see the coming of My Son back to earth.

"You cannot understand the ways of the Eternal Father, My child. The sheep are now being separated from the goats. Yes, My child, take courage and speak the truth. You must tell the bishop that he has placed himself among the goats, and he must remove himself immediately! The Bishop of Brooklyn.

"Do not shudder, My child. You must save this soul. Each soul is precious to the Eternal Father, My child. No, you will not be accused of judging, for you are only bringing the Message from Heaven. Hurry now, My child; hasten to send the letter to him. In time you will understand why.

"I bless you, My child and My children: In the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - Now Our Lady is taking from Her waist Her beautiful Rosary. She has this very large beautiful Rosary; the Our Father bead is golden and the Hail Marys are a white. But as Our Lady's turning now to extend Her crucifix, the white beads have a most beautiful pink glow. Oh, it's a color that I have never seen. There's no way to explain it. It's filled with a warmth - I can feel the glimmer and the shimmering of the beads. Oh! And it's beautiful.

Now Our Lady is holding the golden crucifix out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is smiling now. It's quite windy and Her mantle now is going behind Her as She goes across the sky. And Our Lady now is bending down with Her crucifix and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you, My children, with graces from Heaven, graces for cure and graces for conversion.

"Be persevering, My children. Be confident in the Eternal Father. You will not be given any more trial than you can proceed through. Your burdens may be heavy, but know that you are going truly the way of the cross."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Now, My child, you will be seated and read the photographs."

[Pause]

Veronica - The sky is taking on a beautiful pink glow. Oh, it's very warm; I can feel the heat. It's like a - I can't explain it in human words. It's a beautiful glow. It just gives you such a beautiful feeling, too, of peace and absolute joy.

Oh, now above this glow - it's like a huge circular, host-like coloring that's streaming out from a central point. Above this there is a writing in blue upon the sky. It's over to our left. It's made of blue shimmering dots. I never saw anything like this before. Oh! Oh, it will be for future messages in photographs.

Now over on - it's directly above Our Lady's statue, there, like a fan-like shape of a light - I can see coming from a great distance, I can see Jesus now coming through the light. But it seems like now He's had far to travel in.

Oh, now Jesus is coming forward. And He has on His burgundy-colored cape. It's quite windy. And on His feet are brown sandals. His feet are exposed. It should be very cold, but no, it's . . . the tremendous light has a great deal of warmth.

Oh, now Jesus is smiling. It's a sad smile. And His hair is blowing. He's coming forward, and He's touching now His lips with His first finger; that means to listen.

Jesus - "My child, I could repeat and repeat the warning that has been given to mankind through My Mother and countless visitations of others from Heaven to your earth. But what more can I say but to tell you that man continues on his road to damnation and perdition. The ultimate outcome shall be his chastisement in a manner such as never has been seen upon your earth, and shall never be seen again, for this chastisement shall remove many from your earth.

"As in the time of Noe, as in the days of Sodom and Gomorrah, the warnings, countless warnings given through those chosen by Heaven to act as mediators for God to bring a prophecy to mankind - scoffers laugh, deride the prophets, and man has learned nothing from his past history. I promise you, your world, the earth, shall not be destroyed in the universe, but mankind shall be removed from your planet. Many shall die in the great flame of the Ball of Redemption.

THE RAPTURE

"Man shall be working out in the field. One shall be taken. Man shall say, 'Where has he gone? He has disappeared without warning.' A woman shall work at the spindle - two at the spindle. One shall be taken, and where has she gone? The mystery unfolds. It is in the plan of the Eternal Father that many shall be taken from among you. The mystery shall be found man.

"I promise in those days that those who remain shall meet with Me to establish My Kingdom of peace and joy upon your earth.

ONE WITH POWERS OF SATAN

"I warn you now: beware and watch, for one will come among you with the powers of satan. Know that he shall say to you, 'I am out in the field. Come to me.' But you shall not go. Others will say to you: 'Go! I have seen him. He is yonder, over beyond the building.' You will say: 'No. I have not seen him.' For I shall come to you in the like manner in which I ascended. I shall descend with a roar of triumph from the multitudes of Heaven. We shall come in great victory. We come out of necessity, for if We do not come, no flesh shall remain upon your earth.

"I cannot promise in that conflagration that some shall not suffer, that good shall die with the evil ones. But know that no death upon earth shall go by without a just reward when this death is in martyrdom.

"I cannot promise any of you a life of fulfillment upon your earth, for this you shall receive from satan. He now - this prince of darkness, the adversary - controls all of your world. It has been given to him but for a short time.

"For you who have the knowledge, recognize the signs of your times. 666 is upon mankind! It is the closing of your era. It hastens with great speed upon you, because you have refused the grace given to you to turn back and do penance and restore My House.

"Before the Chastisement, My Mother's words will have reached throughout the world, and the sheep will have been separated from the goats. All that is rotten shall fall. My House kept in darkness shall fall! It shall be cleansed!

"Shall you, as pastors, stand before Me and say that your teaching has been pure in My sight? I shall spit you out as venom into the flames!

"I repeat: you will now keep a constant vigilance of prayer. Insanity; sin is insanity! Sin has become a way of life. Murders abound. Charity of heart? Very little shines now upon your earth. Light of spirit? Souls going into darkness of spirit!

"Sodom! Your earth is in far greater of evil than even in the time of Sodom. The sin of Sodom is being now committed in a more sophisticated manner of defilement. Defiled man now enters upon My Church.

AS A THIEF IN THE NIGHT

"You will, as pastors, awaken from your slumber. The fathers have fallen asleep. You who mock, you who say, 'Where is His coming?' - I shall come to you. Without your knowing, I shall slip in upon you like a thief in the night. I shall speak to you in the language that you will understand - as a thief in the night!

"I hear the voices of mockers who say, 'Is this a message of scare and fright?' I hear the mockers of My Mother's words who say We have promoted a new theology, a scare theology! This fright We are accused of, shall they experience it when there is no return?

"Amen, amen, I say to you, all that has been written in the Book of life must come to pass. For you who have been given the grace, you will read your Apocalypse. You are coming to the end. Read and become knowledgeable.

"The Eternal Father sends you this message of mercy, for he who falls will have done this of his own free will. For he who shall not be counted among those saved - and only a few shall be saved - shall have gone upon this path of his own free will.

"My child, you must continue with the direction from Heaven. Do not be concerned of your bodily ailment. The strength will be given to you. Do not be concerned of the opinion of man. This grace shall be given to you to overcome this.

"I bless you all, My children, as the Father, and in the Spirit."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now Jesus is going over to the left side, over by the trees, and He's bending now down and placing His hand out in front of Him, like this, the three fingers: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is now going over. He's not walking, He's just gliding. He's carried weightless across the sky, and He places His hand out in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Continue now, My children, with your prayers of atonement. They are being gathered. Each soul is important to the Eternal Father. The Immaculate Heart of My Mother shall be your shield."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

February 10, 1976

Eve of Our Lady of Lourdes

Veronica - The sky is very dark this evening, but there is a brilliant light coming over Our Lady's statue. In the light there are circlets of a - I don't know how to explain it - a light. There are three circles entwined, almost ring-like in formation. These circlets are made of a metallic, brilliant, silver-like metal of light. I can't put it into human words.

Now up above the circlet, Our Lady is coming forward. She has on a most beautiful white gown with a blue mantle. But now about Our Lady's neck there is hanging a golden - oh, it's like a chain, but it seems to be an emblem. It's a golden woven, chain-like decoration over Our Lady's neck and coming down onto Her chest. And there's a tassel, but the tassel also is forming the three circlets. Our Lady is smiling, but it's a sad smile.

Our Lady - "My child, all in the world who are of the light have had much to suffer in your past week. We are aware of the hearts pierced with sorrow for the many who have died in your world.

"You must not, My child or children, question the ways of the Eternal Father. However, I must warn you that much has been happening in the present to alert mankind to the necessity for penance and atonement.

EARTHQUAKE IN GUATEMALA

"You must not, My child, concern yourself with questioning the ways of the Eternal Father. I assure you the majority of the dead, My child, were prepared. In their poorness of material in this world, they nourished their souls with grace in faith.

"The huge earth tremors and the destruction thereof was given for reason. Accept and learn by these warnings from Heaven. Your country, the United States of America, and other countries of your earth have been consecrated to My Heart, My children. It is for this reason that many have been spared in those areas the grievous trials that are now starting for mankind.

"There will be accidents that are not accidents, tremors in areas never before experiencing these terrors!

"As in the past, My child, I made it known through you and others that many shall be removed from your world.

"We in Heaven, My children, are not concerned of your body. It is the destruction of your eternal soul, or its salvation, that is of major importance.

PRIESTS NOT TO SEPARATE FROM CHURCH

"I understand, My child, your anguish as you watch the separation of Our pastors from their Church. It is not the wish of the Eternal Father that you flee from the battle, My pastors. You must remain! You shall not desert the bark of Peter!

"The Eternal City of Rome, My children, is undergoing a great trial. It is a sad fact that the doors were opened and all manners of people that do not possess the light entered: heretics and separated brethren who have come not to join, but to confuse, confound, and rend asunder the Church of My Son.

"You shall all, as apostles of these latter days, My children, persevere and remain steadfast. You must keep a constant vigilance of prayer throughout your world! In the days ahead you will find this of great comfort to you.

"Recognize the signs of your times, My children, and act upon them. Have you prepared your soul and the souls of your children? Many shall be removed from your world.

"The Ball of Redemption approaches. You have been spared by the prayers of the few. These few are counted by the Eternal Father, measure for measure.

"We must continue to caution all parents to maintain the Faith in the heart of their homes and their children.

"The evil has accelerated. Immodesty and impiety are prevalent in your world. A country is known by the moral values, My children. In the history of your world, if you consult and look, My children, you will find that your country and many in your world are now proceeding along the same course taken before the fall of an empire!

"The destruction of moral values, the turning from the Commandments of the Eternal Father, all has happened in the past to bring destruction and a change, just as now you proceed to your own destruction in the name of 'change'!

DISCIPLINE TEMPERED BY LOVE

"The Eternal Father, My children, is constant. He demands of all a discipline, tempered by love, but discipline!

"O My children, I have been with you but a few short years of earth-time. I shall be with you to the Second Coming of My Son to your earth, but many of you will not be upon earth at this time. There will be a gradual separation of the sheep from the goats.

"I am happy, My child, to note that you have written as I directed you to your bishop.

"I understand the trial, the cross, given you by the Eternal Father, but you will find, My child, that this will not be a heavy cross for you. You will understand in due time why this is being allowed. Many arms shall be sent to you to help you.

"You must pray for your hierarchy. The Eternal Father chastises and He warns. He does this, My children, in good heart, not wanting one to be lost to Him. Satan now roams. He has been given great power among mankind. He travels with furious intent for the capture of souls, for he knows that his time is growing short.

"Many pastors, My child, because of the lack of prayer, have fallen into the web of satan. Pray for them, and give an example to strengthen them. I ask you all to remain steadfast with Our Vicar in Rome. Yes, there is an impostor - much to comprehend by those who do not understand. Yes, there is much to comprehend.

"You, My child, will receive your answer in secret. At this time it would not be of gain to expose this malice, this corruption that has entered upon the hearts of some in the highest places.

A WELL-PLANNED CONSPIRACY

"The present evolvement of evil, corruption, and misleading of the sheep did not come overnight, My child. It is a well-planned conspiracy.

"As in the time of My Son upon earth, there are those who do not recognize the Eternal Father. Their father is the father of all liars, satan.

"You must, My child, learn to recognize the faces of evil.

"It truly rains teardrops from Heaven.

"You will not overly concern yourselves of other apparition sites. I assure you, My child, you will be confused and confounded.

"You will continue, My child, to give the message of warning to the world.

"You must not concern yourselves of those who reject this message, for your mission as a voice-box of Heaven is to give the message and hasten on to reach another.

"You will find, My child, your trials increase each day. The reward given to those who love and honor the Eternal Father in their lifetimes shall not be found upon your earth, for you are reserved for your reward in the Kingdom of your God.

"Who, My child, can understand fully the ways of the Eternal Father? That is why you will give over your will to Him.

"The way to the Kingdom is truly, My child, the way of the cross.

"I am well aware, My child, of your sorrow in not being upon My sacred grounds, the Shrine. However, remember I have told you that you will return. Persevere; the time is growing near.

A SPRING OF WATERS FOR CURE

"Yes, there is a spring upon the grounds, of waters for cure. When the time is right, the Eternal Father shall bring the waters up.

"The enemy stands guard; the deceived children of God, My child - you must pray for them. If they receive the light because of your prayers and the prayers of others, they, too, shall understand. They have not received this light because too few have prayed for them. They give themselves over to the human frailty of anger and judgment. Pray for them, and you will see a miracle."

Veronica - Now Our Lady is going over to our left side. It's just above the trees and She's standing there. And Our Lady now is taking from Her waist Her large Rosary. It's a beautiful Rosary. Oh, the beads are very large. Now the Our Father bead is a beautiful golden color. It's pure gold. Oh, I know it's pure gold, it's so beautiful! And also, the Hail Mary beads are a white, but they're translucent with a pink tint. And Our Lady now is moving just in front of the tree, and She's placing now Her Rosary in front of Her with the crucifix and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is going just above, above the statue, and She's smiling. Now Her dress is blowing. Our Lady has on the silver slippers, the sandals with the golden rosettes on Her toes, just between Her toes. Oh, beautiful!

Now Our Lady is extending Her crucifix out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming down. Behind Our Lady, Saint Michael now is coming down. There's a huge cloud behind Our Lady, and Saint Michael is coming through it. It's like a smoke-like formation.

Michael is dressed in a long white gown. He has in his left hand the balance, the golden balance, and in his right hand a spear. And the point now is held down at his feet.

Our Lady now is raising Her crucifix and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as the Father blesses you in the Son and the Holy Ghost."

Veronica - Now the light is growing much dimmer.

Our Lady - "You will sit back now, My child, and continue with your prayers of atonement that are sorely needed for mankind."

[Pause]

Veronica - And now, from the center of the sky directly over Our Lady's statue, it's becoming very bright. The pink is becoming a deep translucent type of mirror-like bright light. It's very difficult to place an explanation in words. Now coming through the light, it's as though the whole sky was parted - a covering of pink, like a blanket - and it's parting, and Jesus is coming forward. He's gliding. I've watched Him and Our Lady come through so many times. It's not like walking; it's gliding.

Now Jesus is smiling. It's very windy, because His cloak now is blowing from behind Him. And He's gathering it now across His left arm and pulling the right part of His cloak across His left arm. I can see Jesus' hair now, but He has His cloak about His head. It is very unusual. I never saw His cloak covering His head down to about the middle of His waist and down behind Him over His tunic - a gown. It's a cream-colored gown. And Jesus has bare feet, except for thong-like slippers, sandals. They're brown, skin-like leather.

Now Jesus is placing His fingers to His mouth. That means to listen quietly.

Jesus - "My child, I do not plan to give you a long discourse this evening. I want to explain the position of the pastors in My House at this time.

"It is not the wish of the Eternal Father that there be discord in the Eternal City of Rome. It is not the wish of the Eternal Father that there be a schism and splitting of the brethren.

"However, because of the times and the sins of mankind, the world of your peoples has gone into deep darkness of spirit. Much error confounds and confuses all. It is the wish of the Eternal Father that you remain steadfast and by example continue to fight with prayer, penance, and atonement, the evils that man has allowed to enter upon the world and the Eternal City of Rome.

"As My Mother has directed you, you will find in time to come that the world shall know the full meaning of Her words. All who have listened and acted upon Her direction shall go through the crucible of suffering that is fast coming upon your world.

"There are many seers throughout your world who will be tested by time.

"You will find, My child, much discord, disagreement, and disbelief because of many facts based on truth being given through you as a seer, a voice-box of Heaven, and others throughout your world.

"You must pray a constant vigilance of prayer that the enemies of your God remove themselves from the major positions of importance, the positions that enable them to destroy the human soul!

"Through the providence of the Eternal Father, My Mother was sent to you as a Mediatrix between God and man in this day of combat of the spirits. No man shall be captured and destroyed, carried into the abyss by satan, unless he wills his soul to him.

TO AWAKEN SLEEPING PASTORS

"Do not receive and accept the falsehood that is given to you in view of the coming event that will be explained by scientific minds as a natural phenomenon, but know that the Eternal Father plans much to awaken Our sleeping pastors.

"The knowledge of the supernatural has been dimmed in your world, for when the Spirit leaves, the light dims and the soul is in darkness.

"I have asked you, My child, to hasten to send throughout your world the message, the warning from Heaven. You must continue at a fast pace, My child. Through the sacrifices, the penance, and the atonement of the few, an extension had been granted in the past, a relief from the searing fires of the Ball of Redemption.

"This chastising agent of celestial origin shall be upon mankind. The judgment of the Eternal Father shall soon fall upon mankind!

"I do not have to repeat Myself or the words of My Mother and the personages from the Kingdom of your God who have come to you to awaken you from your slumber.

NOT ALLOW HERESY TO PREVAIL

"Each man shall be accountable for his own soul. You shall not allow heresy to prevail in My House! You shall not permit the corruption and destruction of the young souls with error, fallacy, and heresy! You shall not, in the name of technology and science, corrupt the teachings given to you by those who came before you, sent by the Eternal Father to enlighten you on the path and the way to your Kingdom, the Kingdom of your God in Heaven!

"In your arrogance, you apostatize! In your arrogance, you cast aside all knowledge of the existence of satan and his hell! Too late shall you learn that there is a hell and there is a purgatory!

"Do not fall into the trap set by satan by misleading you into a false security because of My Sacrifice for mankind to open the gates of the Kingdom of your God. Many are called, but few are chosen. My Sacrifice guaranteed eternal life to all, but all shall not enter, for many have rejected the message of your God from the beginning of time and they did not enter!

"You have a false security that all is forgiven. But is this not sheer insanity in sin to believe that you may offend your God and break His rules and enter? What manner of life would there be in your Kingdom of Heaven? All will enter by merit! Many shall enter through suffering and atonement and penance.

"Your world, in its scientific reaching far out into the stars, has gained a knowledge. Man has ever been seeking and never finding his God. Man is ever seeking, but never coming to the truth.

"O My children of earth, what more can We do to awaken you now from your slumber?

"Each parent has a responsibility now for the souls of those under his care. As parents, you alone shall witness the entrance or the destruction of the souls of your children. Many tears shall be shed, and there shall be much gnashing of teeth! Many will die in the great flame of the Ball of Redemption! What was to happen in the future shall be now."

Veronica - Now Jesus is placing His hand in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Father blesses you and sends upon you the Holy Spirit."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over to His right side, our left side. He's standing just to the right of the tree, and He's looking down now. And Michael is coming down behind Him, coming out of the sky over to the left, and he's standing now by Jesus' right side. He has the balance in his hand and the spear. Now he's just standing - he's moving now just slightly behind Jesus. And Jesus is extending His hand out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's going across the sky. He seems almost weightless, because He floats. He doesn't walk; He glides, absolutely floats. Oh, there's no way to explain it. There's just no weight.

Oh, and now Jesus is going quite fast over to the tree, and He's bending down now and extending His hand out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Continue with your prayers of atonement, My children. And remember, cures and conversions for the asking. Many have gone by unnoticed, unrecognized by the world, but they are being gathered for the future of your holy Church."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

March 18, 1976

Eve of Saint Joseph

Veronica - Over Our Lady's statue the sky is very dark, but coming through the darkness is a bird. It appears to be a dove, but from the size I don't know if it's a dove or a white eagle. Now the bird is disappearing.

There are many figures now coming from the sky through this darkness. Saint Michael is standing on one side of a huge cross. Now Michael is taking the spear he has in his right hand and pointing to this cross. And now he's pointing with the spear over to his left side, our right side. And now, in golden letters - they're very shimmering, almost metallic in appearance - are the words appearing: "THE MYSTICAL BODY. A CROSS UPON THE MYSTICAL BODY."

Now there seems to be a deep darkness forming over a large globe. There's a huge globe, a circular figure now coming through the sky. It's suspended as though it was out in the atmosphere. I see candles, small candles coming through the darkness on various parts of the globe.

Over on the right side of the globe, there's a beautiful bright, white light now. Oh, it's so beautiful, because it's like looking into crystal clear - oh, translucent . . . I don't know any human words to describe the light. Our Lady now is coming through the light.

She's very beautiful. She's dressed in a white gown, and over Her shoulders and Her head, hanging very loosely, is the most beautiful mantle, beautiful because the blue, the color blue - there's no description. It's neither sky blue nor royal. It's a color that I know only Heaven could create for Our Lady. Our Lady has on Her head a crown, a circlet of stars, beautiful diamond-like stars. She's smiling, but Our Lady has a very sad smile.

Now She's placing Her finger upon Her lips, which means to listen.

Our Lady - "My child, I know the intense suffering, the heavy cross that you have been allowed to carry at this time. In the future, My child, you will understand the plan of the Eternal Father. You will accept all that is given to you for penance.

"I have cautioned My children in the past that there will be accidents that are not accidents. Those who are of the world will question this statement, for in their search for knowledge they are ever seeking but never finding the truth. They do not understand the difference between the body, the human body, and the spiritual soul.

"My child, We are much pleased, the Eternal Father is very pleased at the manner in which the Message from Heaven is being dispersed throughout your world. As I promised you, My child, your afflictions shall not stop the message from being sent throughout your world. Time is of great importance. You must work with great haste.

NOT SEPARATE FROM RULING BODIES

"You must, My children, tell your brothers and sisters that they must not at this time separate themselves from your ruling bodies within your Church. Satan has set upon the world much confusion and error. You must pray a constant vigilance of prayer that you do not fall into error. Do not be concerned of the confusion that Satan has set upon all at this time. Believe and you will be given the way. All that is rotten shall fall. The enemies of your God shall be exposed, for by their fruits shall they be known.

"My child, We have allowed you to go through a crucible of suffering. You are, as a human being, under constant test and trial. My Son and I in Our discourse with you, My child, have told you countless times that your road ahead in your earthly existence shall not be all roses, but you must receive the thorns.

"I have a simple lesson to give to all mankind at this time, My child. It is, as We know, charity among mankind. All works and all acts of sacrifice, have they a value when they are not covered by charity? And what is charity, My children? When you come across lives that have been darkened by sin and evil, you must not become smug; you must not feel secure in your own piety and graces given to you, but you must feel a sadness of heart for those who have fallen into the darkness. You must not judge, for the Eternal Father has the only key to an individual heart.

"Satan will set himself to bring much discord among you in your mission. You must be aware of this at all times. I have cautioned you, My child, in the past, to bar your door to all but your close workers and immediate family. I say this for your protection and your peace of heart.

"The world has now become a battleground of the spirits. You must not become engrossed in inconsequential, minor matters involving your salvation, My children. I refer to the separation of your brothers and sisters from My Son's Church, as they are misled. They are misled because it is not the plan of the Eternal Father to have a schism, a breaking away from My Son's Church.

"Your Holy Father, Pope Paul VI, is now in a great crucible of suffering. His days upon your earth are becoming numbered in the few. You will pray for him, and in your works seek to release him from his servitude to those tyrants who have set themselves about him in his human weaknesses and in his infirmity of body.

"Yes, My child, the Message from Heaven has reached the Eternal City of Rome. You will not know until the end of time the full plan of the Eternal Father. In a war, My child, a war of human nature as well as the battle of the spirits, there is One Who will guide during this battle. The Eternal Father in Heaven knows the plan of all. In your human nature, you must not question, but you must receive, accept, and not question the direction of the Eternal Father to you.

"Do not be ashamed, My children, to shed tears with My Son. Weep with Him; pray with Him; please, make Him happy. All who have received much, much is expected of them.

"Do not be concerned, My child, of not having the great numbers of beads requested in your correspondence. We have sent now a manner of construction of these beads, the beads of prayer that will go throughout your world.

"Yes, My child, your letters have reached their destinations. Now you must pray for these poor souls that the grace shall be given to them by the Eternal Father to turn from their ways, that they shall receive the courage to come forward and acknowledge their God in truth.

READ THE HOLY SCRIPTURES

"I ask all of Our children upon earth to read the Holy Scriptures. You shall not fall into error if you start this reading by imploring the Spirit of light to aid you in your readings. The enemies of your God have massed now throughout your world to change and confuse the minds of many.

"My children, do not be concerned of those who may injure your human body, but be fearful, watch and pray that those who can destroy your eternal soul, pray that they do not claim your children."

Veronica - Now Our Lady is pointing up. She is holding Her Rosary in Her right hand, and She's pointing up, onto Her right side.

Now coming through the sky there's a man. He's dressed in a long white gown. He has hair that's reaching to his shoulders. It's gray, gray-brown in color, and he also has a medium beard. Oh, I recognize him - Saint Paul. Oh!

Now Saint Paul is carrying a very large book. And he has a, Our Lady said, a quill in his hand, a quill, and he's writing now on very hard parchment placed on the book.

Our Lady - "My child, you are observing the manner in which much was written down by your prophets."

Veronica - Now it's growing very bright over by Saint Paul's side, and through this light there is a small figure emerging. Oh, it's Saint Joseph; I know it's Saint Joseph. Oh!

Now over on the left side of Saint Joseph, there is a hut-like house. I never saw one like this. It has a roof made of a straw-like material, and inside it seems to be a workshop. Oh, and the sides of the walls are like clay, and they don't have windows; it's just a window-shaped hole in the side, and no door - just an opening. And there's a large table. It looks like a carpenter's shop. Yes, it is, because there is a strange-looking knife lying on the table, and what appears to be maybe the leg of a chair. Yes, that's - it is the leg of a chair.

Now Our Lady is going over to the table and Saint Joseph is with Her. Now Saint Joseph is touching his lips with his hand.

St. Joseph - "My child, it is not my purpose to speak out in the presence of my Queen. I find my words of humble import. However, in these days of deep darkness of spirit, what can I do but caution all mankind to hasten, harken, and listen! Do penance now, for the time is growing short. Those days that were told by your prophets of old are fast approaching. There shall fall upon mankind a great Chastisement. You must prepare your children and your families now.

"All this, my children, our children of earth, all this can be avoided. And how, you ask, my child? In wonderment you approach and ask, and how? By reparation, my children. The Eternal Father is most merciful. He begs for reparation, for His heart is filled with great sorrow as He wants not one to be lost to Him. The world will soon be baptized by fire, and many shall die in the great flame.

"Our home, my children, was a simple home of prayer. Our home was lacking of material goods, but rich in that which is needed for the salvation of the soul.

FATHER THE HEAD OF HOUSEHOLD

"The father shall be the head of his household. A woman shall remain a companion to her husband. What manner of foul evils are now entering upon your homes and the lives of your children? What examples as parents have you given to your children? Many tears of sorrow shall be shed by parents - too late! The abyss, hell, is open wide, and we stand and watch, helpless to recover these souls.

"We look into many homes, my children, and find discord, disunity, and sorrow, confusion and despair, manners of aberration; the matrimonial bond broken, sin becoming a way of life. The family that will pray together shall stay together.

"You must keep your monuments in your homes. You are not worshiping idols as claimed by the unbelievers; you are keeping before the eyes of your children symbols of your God and the Kingdom to come. In your world that has been given to satan, your children open your doors, the doors of your homes, and go forward out into a world that has been given to satan.

"As parents, you must safeguard and prepare your children for these onslaughts of satan. The innocent children are being misled; they are being led into a life pattern that will lead to eternal damnation. What manner of teacher have you allowed to take this pure soul and contaminate it? As parents, you have an obligation to investigate those who associate and direct the lives of your children.

TVs-DIABOLICAL MACHINES

"We look into many homes and we find no close bond of unity. And why? Because you prefer to keep a diabolical machine in your homes, those televisions! These, my children, are all creations of satan. The family does not pray together. The mother does not bring the knowledge of God to her children. The father seeks his way in the world, gathering money and material things that are all passing.

"Cleanse your homes! Start anew! Work together for your reward in the eternal Kingdom. Your homes must be now a fortress against the evil that surrounds you.

"The road to Heaven is a long one and a narrow one, my children. The road to damnation is wide, and it is filling fast."

Veronica - Now it's growing very dark, and it's as if the - it looks like the sky is just evaporating, like a photographic picture fading, just fading back into the sky. And I see now a bright light over on the right side of the sky and a tower of a large building. Oh, I recognize it's Rome.

"My children - "

Veronica - Now oh, right over the dome-like shaped building, Saint Michael is coming down now. He has on a long robe, and he's carrying the balance, the golden balance in his right hand. He's pointing with his spear now, which he's holding in his left hand, to the building. It's the Vatican.

St. Michael - "My child, I shall not repeat the directions given to you in the past for mankind. Know that there are many evils being perpetrated for the destruction of your Church in the Vatican. There are those who have given themselves to the darkness, and there are still candles of light.

VATICAN II BROUGHT FORTH DISCORD AND DISUNITY

"The great Council, the Council that has brought forth discord, disunity, and the loss of souls, the major fact behind this destruction was because of the lack of prayer.

Satan sat in within this Council, and he watched his advantage. He is now playing a game of chess with the Red Hats and the Purple Hats, moving them with great glee as he watches the evil accelerate, and all manners of people are flowing fast through the doors of the Holy City and all ecumenical bodies.

"Your country, the United States, has fast gone into darkness. America the beautiful shall be cleansed by trial."

Veronica - Our Lady is coming down now and standing next to Michael. She's passed Her hands across Her face. She's very sad.

Our Lady - "My child, My heart is heavy, pierced with a great sorrow at what is to befall your country. My heart is torn for those with the influence who have cast aside My message. They have cared more for worldly acknowledgment and goods, selling their souls to get to the head.

A CONSPIRACY OF THE RED HATS

"How many earth-years have I come down from Heaven to reach you with these words of warning and direction? I have pleaded with the pastors within My Son's Church to return to their tradition. I have pleaded for recognition of fact and truth and the destruction that is now being perpetrated by a conspiracy of the Red Hats in My Son's Church. O My children, the Red Hat has fallen and the Purple Hat is being misled.

"Your country, under the label of liberalism, rationalism, humanism, all manners of fallacy, has now committed the most abominable of acts! Justice, law, discipline are being replaced by all manners of evil, permissiveness, loss of knowledge of sin, debauchery . . . a true picture of Sodom and Gomorrah!

NO WOMEN PRIESTS

"I repeat for your enlightenment again: no woman shall stand in the Sacrifice as a priest. How dare you set yourselves for a change created by satan! The plan of the Eternal Father has been made quite clear to you. Your father now is not the Eternal Father of Heaven, but the father of all liars, satan! My Son's Body, sacrificed for you, tortured for you, is now being re-crucified in His own Church!

"Woe, woe, woe to the inhabitants of the earth! Your country, the United States, the Americas, has been free from demolition and destruction on a mass scale, but nevermore shall you know this peace and security! You shall be given the sword!

"O My children, I do not come among you to set fear into your hearts, but to save you. Those who are setting themselves to change the world and to change My Son's Church, their direction is not coming from the light, but from the darkness and the prince of darkness, satan.

"My child, I know your great sorrow, the tears shed hours of the days of your life. I know the great suffering your mission has brought upon you. Could I but spare you. . . . This suffering shall be a hidden grace, My child. You must experience all in order to promote your mission. The knowledge given to you will be your strength.

"Many prophets have desired to see what you have seen and to know what you have had. And I say unto you, My child, that your burden will soon be lightened.

"All that I have promised you in the past through My Son and the Eternal Father shall come to pass. Years upon your earth are not similar to the count in Heaven. The antichrist forces are now raging throughout earth. It is the time of the separation of the sheep from the goats.

"Do not lose faith, My child, in the photographs you are receiving. They are from the Eternal Father. Satan has not entered upon them.

"Do not be concerned of the opinion of mankind, My child, but you will continue to go forward without fear and with much courage and perseverance. The power of satan, My child, is great. He can set the stage and make the plans for extinction of a human body, but this will not happen without the permission of the Eternal Father."

Veronica - Now Our Lady is placing Her Rosary out in front of Her. Oh, the crucifix is very golden on the Rosary, and She's going like this. Oh, and She's blessing us with the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is going over to Her right side, our left side, and She's placing now Her hand out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

There's a beautiful cirlet of light about Our Lady's head. It has stars now all up around the edges. It's so beautiful. There are no human words to explain the light. Oh!

Now Michael is escorting Our Lady over to the right side. And Our Lady is smiling, and She's placing Her hand out with the Rosary, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "You will now sit back, My child, and continue with the prayers of atonement. My Son will converse with you very shortly."

[Pause]

Veronica - There is a series of white lights appearing in the sky now. They're circular; they look like they're small hosts. It's beautiful. It's a pattern of almost, I would say childishly, like snowballs appearing in the sky, but now - no, they are hosts. And they're assuming the pattern of a very pale blue glow that's circular around the outside of the hosts. Now there is a huge light. It's like a transformation of one of the hosts into a very large one, and out of this cirlet of light Jesus is stepping. It is just beautiful.

Now Jesus has on His - the coat is, in the light, so brilliant in color that I notice His cloak is a burgundy-red color. And His gown is very loose. It's very windy, because His gown is blowing, but it's very billowy. And now Jesus has nothing on His feet, though; His feet are bare. I can see now - He's placing His hand in front of Him, like this, and I can see the, the imprint of the - you know, the nail on His hand. Now Jesus is touching His lips. And His hair now is blowing. His head isn't covered. It's very windy, too, where He's standing. But I don't believe it's cold, because He seems very comfortable in the light. Now - -

THE WARNING

Jesus - "My child, listen carefully and repeat after Me. The Warning will soon be given to mankind. It will be a major awakening to many. The rumbling and the shaking of the elements will set fright into many hearts. However, you have been prepared for this time.

"I do not intend to follow My Mother's message to you with added words of warning and prophecy. No, I am certain that the Message from Heaven, the warnings are being dispersed throughout your world.

"The sin of pride and the arrogance of many in My House, Church, have set a pattern of soul-destruction among the young. I have asked that all who have been given the glory from the Eternal Father to follow My road as pastors, shepherds of Our sheep - there is much lacking in their direction. I do not have to give a listing by name; the plan of the Eternal Father shall reach those who permit and commit evil in their vocations.

"We ask that all remain steadfast in their missions. We ask that all do not leave now, but remain and await the Warning that will soon be given to mankind. We do not wish a separation or a division among Our sheep. You shall not compromise your Faith. You shall not be misled into error in the name of humanism and modernization.

"Heresy abounds in My House. All manners of aberration and impurities are being tolerated by My pastors. I say unto you that you must now clean your House! No man who has been chosen from among the multitudes to be a representative from Heaven shall use his rank, his vocation to gain worldly treasures and fall into the pattern of worldly living to the sorrow of those souls entrusted to him. You must awaken now from your slumber. I repeat: cleanse My House now, or I shall set a Chastisement upon you!

"The photographs that have been given have revealed much to mankind in a manner that has not been used by the Eternal Father in your past history. They are given for reason, some of private revelation and others for instruction. Examine them well, you who have been chosen as instruments by the Eternal Father for this mission.

"There will be set upon mankind a great Chastisement that will claim many human lives. The Ball of Redemption approaches your world, and there shall be a baptism of fire.

"My Mother has come to you as a Mediatrix between God and man. Her voice shall not be stilled. Her words of warning and direction shall not be cast aside.

"As a disciple of light, each one of you shall go forward and give the Message from Heaven. If you are rejected, continue on to the next door. Your mission is not to force your will upon mankind, but to bring the message of your God to your brother and your sister and pray that he shall at least look upon and examine this message for the salvation of his soul and the souls of those he loves.

LABORS NOT TO CEASE

"For you who have been given graces, much is expected of you. You must not fall asleep and just wait for the outcome of your mission. You must work and you must pray a constant vigilance of prayer. Your labors must not cease while you are upon the earth. Great shall be your reward in Heaven.

"I promise you, My children, your labors shall bear great fruit for the eternal Kingdom of your God. You shall all gather one day with Me and We shall reminisce of the days upon earth and the glory that your efforts and your struggles through this mission have brought to the Eternal Father, and the many souls that you have rescued from the abyss."

Veronica - Now Jesus is going forward and placing His hand in front of Him, like this:

Jesus - "I bless you all in the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - Now Jesus is placing His cloak over His left arm. He's smiling. The light is growing very, very bright as He comes down closer to us. And now He's going over onto the left side by the tree, and He's looking down and placing His hand out in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's going over. And Michael is coming down from high in the sky in the left side. He may have been standing there, but I didn't notice before, and he's following Jesus. They're not walking; they just seem to glide. The air carries them right across the sky. And Jesus now is looking down. He's placing His hand out, like this, in front of Him, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Continue now with your prayers of atonement and your works with charity. Cures and conversions shall be given, shall continue to be given in abundance."

Veronica - And now Jesus is placing His hands out in front of Him, like this, both hands, and there are streams of white light, tremendous white light, coming out from His fingers. They're falling right down upon the grounds here. Oh, it's like three streams of light out of each hand down onto the ground. It's a beautiful sight! It's beautiful!

Now they're - just seem to be like evaporating. It's - they're slowly dying down, the coloration of the lights. And now Jesus is moving backwards with Michael, and He's nodding His head.

Jesus - "You will continue now, My children, with your prayers of atonement."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Eve of Palm Sunday

Veronica--It is a clear night. The sky is heavily dotted with stars, but the blue lights, the calling lights--Our Lady has always called the blue lights the calling lights--are coming through now the darkness. Our Lady is coming forward, just over and above the right side of the statue. Our Lady has on a beautiful white flowing gown. I can't see Her feet; the gown is quite long. And over Her shoulders and over Her head is a mantle, a deep blue mantle, a beautiful color blue. I haven't been able to find anywhere upon earth the color blue of Our Lady's mantle. And about Her waist is a blue, scarf-like belt. It's a piece, a wide band of cloth tied at Our Lady's right side and falling down.

SHORTAGE OF TEACHING NUNS

Our Lady--"My child, I have tied the knot, the belt, to represent the carrying of My beads of prayer on the dress of the dedicated. The vocations have fallen, My child. Our young children, their souls are darkening daily because there is a shortage, a severe shortage, My child, of teaching nuns. Whatever shall become of the young souls for Heaven? The Eternal Father has a plan to remove many young souls before the corruptive forces will come upon them.

"O My child, how many tears of sorrow do I shed for what is coming upon your Holy Father and Our Vicar, Pope Paul VI, in the Eternal City of Rome! The Eternal Father in Heaven is watching as mankind is setting himself fast upon a path of schism. There will be much strife within the Eternal City, My child. You must keep a constant vigilance of prayer.

"There is a diabolical plan afoot to remove your Vicar this year. You must pray much and do much penance for your Vicar, who is being persecuted by his own.

"The impostor, My child, the actor and imitator that I have spoken of to you is one who will pose himself to bring news to the public peoples of the world.

IMPOSTOR TO DISCREDIT POPE PAUL VI

"The political forces within the Eternal City are forces of darkness. They will set much corruption in motion by using the medias of communication and darkening them with all manner of confusion, aberration, and lies. This impostor, who has been given the image of the Pope, Our Vicar Paul VI, will pose and assume a role of compromise to the world. It is the plan of the evil ones about him--and I say that many are within his ranks in the Eternal City--they will set in motion a plan to discredit your Vicar by placing him in print and photographs in a compromising position to destroy him.

"You must, My child, make it known to the world--this plan. Do not be stopped; do not give in to your persecutors, My child. We have chosen you for your perseverance, your endurance, and your faith. You must join with other voice-boxes of the world in defense of your Vicar, your Holy Father upon earth, or you will all shed tears of great sorrow when they remove him from among you and seat upon the throne of Peter one who is an antipope, a man of dark secrets.

RED CARDINALS

"There are, within the Eternal City of Rome now, red cardinals. There are, within the Eternal City of Rome, those who promote heresy. And there is, in the Eternal City of Rome, a murderer!

"You must all follow My Son in the coming days before His crucifixion anewed--renewed, by doing much penance and sacrifice, My children.

"I must, as your Mother, give you warning, O you who wear the Red Hats and the Purple Hats in My Son's Church, that you have allowed yourselves to be counted with the goats. For the love of power and being misled by humanism and modernism within your lifetime and your rule, O you who have become of little faith, wherever shall your road lead you but to damnation! But sorrow upon sorrow, the road you travel is taking many of those entrusted in your care. You are taking them with you to damnation.

LATIN AS UNIVERSAL LANGUAGE

"The great Sacrifice, My child, has been misunderstood by many. It was the will of the Eternal Father that one universal language be used along with, in comparison with, together with the language of the land. This universal language, Latin, befits and was chosen by the Eternal Father as a universal language for the universal Church, the Roman Catholic Church under the leadership of Pope Paul VI, the successor of Peter.

"Do you not understand, My children, that you were united in beauty, that you were united in understanding?

"Because of the fall in Babylon, many new languages were given because of the sin of Babylon. Therefore, as a member of one country, My children, with a universal language, you carried with you your own country's translation, and were you to visit abroad, you could enter upon any foreign edifice, Church of My Son, and feel comfortable and in one with the man, the priest, the one chosen by My Son to represent Him in His House. If you were, My child, to go from your United States to France, could you understand the words in French? But, My child, you would recognize the words in Latin and you would have your book with you to read in your American language, just as those in France could read in their French

language, bringing upon the world a beautiful and common bond of language among all who have been given the grace to be called to the Roman Catholic Church of My Son.

"Do not leave My Son's Church though, My children, because they have taken this language from among you. You must wait and persevere and weep with My Son for this defilement by man. It is a great sorrow to the Eternal Father that this folly has been perpetrated by the men who wear the red hats and the purple hats within My Son's Church.

"O cardinals and bishops, shall you stand before My Son and say to Him in judgment that your teaching has been pure in His sight?

"Because mankind has fallen into darkness of spirit and allowed to be blinded by the Father, he no longer recognizes sin until sin has become a way of life. I say unto you cardinals, Red Hats in My Son's Church: you are extending in one hand, your left hand, a hand of friendship, and you shall receive the shiv.

"We hear voices, cries of peace, peace where there is no peace. Blood shall flow in the streets. All manners of wars are descending upon mankind. All manners of warnings are descending upon mankind and going by unrecognized until they shall increase in intensity and awaken mankind from his slumber.

SATAN PLANS TO CAPTURE HIERARCHY

"Satan has been given much power. Luciel, cast out of Heaven onto earth, is doing great battle now with Our children. He knows that his time is growing short. His plan, My children--and listen well--is to capture the ruling body within My Son's Church.

START ANEW WITH TRADITION

"You must not, O pastors, you must not compromise your faith; do not be misled. O pastors, you have forgotten your teachings. You must renew in a manner that is not new. You must go back, I say, go back and start anew with Tradition! You cannot separate Tradition, for you held the truth. You were given the grace, the greatest of gifts to mankind, to be born into or come into by conversion, My Son's Church. And now you go about, O you of little faith, to chip away and chop at the wall until it crumbles. But you shall not remove the foundation, for the foundation is My Son. You are recrucifying Him in His own House!

"O shameful manifestation of sin among Our hierarchy! You are not hidden from the eyes of the Eternal Father. Your sins are counted. You shall be judged. The Eternal Father has looked into the hearts of Our clergy and found, sadly, that they are wanting.

"The time of the great sorrows is approaching mankind. The hourglass is emptying. The prayers of the devout have gained in the past many reprieves, but I say to you, My children: the great reprieve will now be denied, for the scale is heavily to the left."

Veronica--Now Our Lady is pointing over to Her right side, our left side, directly over Our Lady's statue by the trees. And Michael is standing there, and he's pointing his sword with his left hand high up into the sky. And stationed over us are four angels. It is a frightening sight; they seem to be standing on corners as though they were placed. Now forming in the sky is a large globe, like a map of the world. Our Lady now is coming forward and standing at Michael's left side.

ANGELS TO DUMP BOWLS

Our Lady--"My child, you are observing the placing of the angels upon your earth. They carry with them incense to send up to the Father, but the bowls shall be dumped, turned over, My child, slowly, but in not the far, but near future, which is now!

"My child, continue upon your mission, knowing that the strength and help you request shall be sent to you. Before the coming Chastisement, all of mankind shall hear the word of the Eternal Father. Each man of knowledgeable age, and woman, My child, shall be held accountable for his actions and the state of his soul to the Eternal Father.

"Yes, My child, you must pray much for the fallen bishop. If there are, and were, enough prayers for him, he would have escaped this deep pit, the mire that he has fallen into. My child, you must grieve for him, for he has now allowed himself to reach a point, a status in his life, where the hope for his recovery is dim. It will be necessary to promote a constant vigilance of prayer for him. I ask you, My child, in charity of heart to do this.

"You will hear, My child, sadly, clamoring and voices being raised against your Vicar. You will go forward carrying the banner of Faithful and True. You cannot expect a life of all roses, My child and My children, for your road will be filled with thorns. Pick up your cross and carry it without complaint, My child and My children.

MAKE SACRIFICE

"Much sacrifice and penance must be done in the days ahead. There are countless manners to make sacrifice, My child. In the days of old a calf, an animal, was given in sacrifice. It was not enough in acceptance by the Father because it did not include the true heart of the giver. The sacrifice that pleases the Eternal Father most is penance of the individual in his spirit. I do not expect you, My child, to understand fully My words at this time.

"Scientists and professional men of your earth are led astray and have become unbelievers in the Eternal Father as God, because they are ever learning but never coming to the truth. Because, My child, they do not know the difference between the physical body and the eternal soul.

"It is sad, My child, that We see much confusion among mankind, seeking in all directions for the truth and having few leaders to give them the direction of light. Therefore, We ask that all who have been given the light in knowledge of truth, that they will go forth as disciples for My Son and the Eternal Father. Go forward in perseverance; go forward in confidence; and go forward knowing that you have been given the true Faith. And all who seek to destroy this Faith, sadly, My child, destroy themselves. Weep for them, My child and My children--those who do not believe. I cry to you: Come, come to Me, your Mother. Believe and you will be given the way.

"Astrology is an abomination in the eyes of the Eternal Father. My children, you must not get involved in this false science; it is for unbelievers. No rock, no light, no stone can direct your life, for your life and its direction is governed by your Creator, the Eternal Father in Heaven.

"I must ask you all to read but a few short chapters a day now, the Book of life and love, your Bible. Knowledge must be gained for all the disciples of My Son, for you will be attacked by scientific minds. But do not be concerned what you will say to them when accosted, for the words will be given to you by the Spirit."

Veronica--Now Our Lady is taking Her Rosary, Her beautiful large Rosary with the golden Our Father and the white Hail Mary beads and extending the crucifix--it's a large golden crucifix--like this, in front of Her: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady--"I bless you all, My children, with graces for cure and conversion."

Veronica--Our Lady is gliding across the sky. Michael is behind Her, and She's going over by our right side. She's standing just between the two trees and looking down. Our Lady is smiling, but it is a sad smile. And She's holding Her hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady--"Continue, My children, with your prayers of atonement. They are sorely needed at this time."

[Pause]

Veronica--The sky is becoming very bright over Our Lady's statue. I can see now Jesus in the distance. There's a tremendous light about Him, so I can't even look into His facial area now.

Jesus has on a deep red, almost--how do you describe it--burgundy-colored robe over His gown. His gown is a beige color. It's not a white, a deep white, it's more like a beige color. And Jesus has on His feet a pair of brown, leather-like sandals. And now that He's coming through the light, I can see Jesus' face now. He looks very sad. Oh, now Jesus is pointing to His chest, and I see emerging through His fingers, rivulets of blood. He's placed His hand, His right hand now over His chest, and there are rivulets of blood coming where there's a wound in His chest.

Now He's taking His other hand and touching His lips, the sign that I am to listen and repeat.

Jesus--"My child, you are approaching a desperate time of your mission. My Mother has directed you in the past to proceed in haste with great purpose and not being obstructed in your work by public opinion. It is through the mercy of the Eternal Father that My Mother was given to mankind as a Mediatrix to bring peace to your earth. This peace cannot be obtained unless mankind follows the direction given by My Mother.

APPROACH OUR PASTORS

"I do not have to repeat to you the numerous warnings of the calamities that are to come upon mankind. All warnings were given as conditional. However, the groups of sheep have scattered and must be unified against the onslaught of evil that is accelerating and in My Church. I appeal to you, My children, to go forward in prayer and sacrifice and to approach Our pastors as disciples of Heaven. It is not the desire of the Eternal Father to set the Chastisement upon mankind. However, the Eternal Father will chastise those He loves.

"It is only through great suffering that your nation will emerge from the mire of sin and evil that it has led itself into by disregarding the warnings of My Mother through your years upon earth.

"My Mother has come to you some time ago warning you of what will happen to mankind if mankind does not make a firm effort to repent of the abominations and sinful ways, sins of the flesh that will bring fire upon mankind--a baptism of fire. Your country and many countries of your world are now going through labors. They will find, without the assistance of the Eternal Father, confusion and destruction.

"Satan has many agents now among you. There are many dead souls in your world already in a body, but carrying among you dead souls.

"Parents are responsible for the guidance and the salvation now of their children's souls. Discipline must be returned to the homes, and parents must set an example of purity and godliness in their homes. Do not expect others to replace you in guiding your children. It is your duty; it is your purpose; it is your station in life; and you will not reject your responsibility, for then you reject your children and will cast them onto the road to hell.

SINS OF OMISSION

"The sins of omission of many parents and the sins of omission being committed by Our clergy have not gone by unnoticed by the Eternal Father. Awaken from your slumber, Our clergy, for We have looked upon you and found you wanting. Look into your heart; examine your conscience well. The light has been given to you, and you have permitted it to darken.

"I repeat: rank has no place with the spirit. Many mitres are on now the road to hell. Reject your Faith for worldly gain and power and you reject your God. If you surrender My Church to the enemies of your God, you surrender your soul to satan and eternal damnation.

"The Red Hat has fallen and the Purple Hat is being misled. Woe, woe, woe to the inhabitants of the earth! You have set upon you a trial. The time of great sorrows is upon mankind. You shall go through steadily a cataclysm and a crucible of suffering. All who are of well spirit will go through this trial with much perseverance and purpose.

"Remember, all who are of well spirit will understand and prepare for the days ahead by following the directions given in the past by My Mother. We have not abandoned you to yourselves, for We support you under the mantle of My Mother, and over My Sacred Heart I place the drops of My blood. I shed this blood anew. I am, as your Savior, recrucified by My own.

"You will force upon mankind what was to be in the future, but now you have forced the future to revert to your present. The pages have turned fast, the words of the prophets ignored. Read well now your Bibles and learn by them, for then you will not be caught unawares.

"Continue with your prayers of atonement for your clergy. For those who have been given great graces, much is expected of them.

"I bless you all, My children, as the Father blesses you and send among you the Spirit of light."

Veronica--In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Jesus--"Continue with your prayers of atonement."

April 17, 1976

Eve of Easter Sunday

Veronica - The sky this evening has a red cast. Through this cast I see, beyond the farthest star, an arc-shaped light. Our Lady now is coming from quite a distance, because She's coming forward very slowly. Oh, now I can see Our Lady much clearer. She looked like, almost like a statue in the distance. Our Lady is standing upon a huge globe, a ball. No, it's almost like looking at the globe of the world.

Our Lady's feet are bare. She has a beautiful white gown with a sash of blue about Her waist. Her head covering is a deep scarlet color. It gives me a feeling of sadness, trial, sorrow.

Now as this carrier, this globe that Our Lady is standing on, comes forward, I can see now it is almost like looking upon a globe of the world. But over the surface there are pinpoints of light, candle-like lights, on the surface of the globe.

Our Lady - "My child, you are observing the many little armies, the blue armies throughout your world. Since you have adopted, My child, My color of blue, it is a signification for Heaven.

"The Message from Heaven has entered upon the Eternal City and has brought about a division. My child, with much prayer and sacrifice, those who have divided themselves, set themselves from within the light and have become agents of darkness, will, through your prayers and sacrifice, return.

"The world shall go through a crucible of suffering, for the Father shall chastise those He loves. There will be great disturbances of nature. My child, all that I have allowed you to see in the past was for reason.

THE BALL-A SUPERNATURAL MANIFESTATION

"The Ball of Redemption hovers closer to your world. It is not an ordinary celestial star, My child. It is a supernatural manifestation performed by the Eternal Father. It will be a chastisement such as mankind has never seen before nor will ever see again. Many will die in the great flame of the Ball of Redemption.

"My child, take no account of those who will seek to stop your mission by accusations to the world from their ministry saying that you have started a crusade, a campaign of fear.

TIDAL WAVES UPON A GREAT CITY

"Shall a warning be given to mankind? I say yes, My children! Many minor warnings have been given in the past, and have gone by unnoticed, by the Eternal Father. These warnings were given by the Eternal Father to awaken mankind. There shall be tremors and earthquakes in places never before seen or experienced. Great tidal waves shall descend upon a great city and it shall fall into the sea. Measure for measure, mankind shall be given his chastisement to cleanse him in a crucible of suffering because of his aberrations, because of his arrogance, because of his turning from the truth, the light, and from the Commandments given by the Eternal Father.

"I repeat much that I have given in warning to mankind in the past, and soon My words will be few. I want you all, My children, to go back and read these warnings and act upon them.

"The Message from Heaven must continue to be given to mankind until the return of My Son. Your world, your earth, is now in a mire of degradation and perversion. Your world, your earth, My children, is setting itself upon a path of destruction. While the world cries peace, peace, the Bear goes forward with destruction, and planning for the destruction of your nation.

ARMS OF THE U.S.S.R.

"The Bear is the Union of the Soviet Socialist Republic, U.S.S.R. We have now, My children, sadly, many sickle-bears in Rome. A sickle-bear is one who is an arm of the U.S.S.R. in Rome, and there are a small number of them, My child, in the Eternal City of Rome. They have entered upon the high places in Rome.

"O woe, woe, woe to the inhabitants of the earth! The Red Hat has fallen and the Purple Hat is being misled. A constant vigilance of prayer must be kept throughout your country and the world.

"My child, you cannot, you must not take it upon yourself to try to fathom, to understand the ways of the Eternal Father. Remain in simplicity, My child. As a voice-box you do not have to understand all that is given to you, for you are repeating My words.

"Be assured, My child, that you must not fear giving My message to those in high places. It is the will of the Eternal Father that each and every man and woman and child of knowledgeable age be given this message before the coming of the Ball of Redemption.

"You ask, My child, why this has been called the Ball of Redemption? Because, My child, it is the manner in which the Eternal Father plans to redeem mankind from his sins.

"As in the days of old when My Son sacrificed His Body upon your earth, it is now that He is being recrucified in His Church and in the hearts of mankind.

"O My children, if only I could open, open the world to you and allow you to see what is going to become of you. You who do not listen and follow My direction - I have come to you as a Mediatrix between God and man. I have been sent to you in these days of great trial. It is truly the time of great sorrows.

"You are now living in the days, the latter days, My children, the time of times that have been given to mankind, that have been written down through the ages by your prophets. The Eternal Father has prepared you, My children, for this time. It is truly the battle of the spirits.

"There have been loosed upon earth demons of great strength, My children. You have been warned now, and you must act upon this warning and protect yourselves and your family.

"The greatest strength for you, My children, is to remain with My Son by the tabernacles of your world. Go to them, My children, while you still can, for the day will come when they will be closed to you. Weep with My Son; pray with Him, for you hold the balance for the destruction or the salvation of mankind.

"What was to happen in the future shall be now, My child. It is for you to help change this by getting out the message in great haste. Many arms shall be given to help you in this mission, My child.

"Live each day to its fullest. There is no time in Heaven, My child, so We will call you at any time.

"It is a sad fact, My child, that many scientific minds are being deluded by satan. It is in this manner that satan can use their human minds to destroy their brothers and sisters. They are creating all manners of destruction - mechanical, My child.

"The angel of extermination shall be sent to mankind. He will remove, through trial, a great number of souls from your earth.

"I have instructed you, My children, in the past to read and read again the writings of John, the Apocalypse, the Book of Revelations. Read and open your hearts to the truth. Read, and you shall not be unaware of what is happening about you. You will find the confusion being cleared when you understand now that there are two factions in your world, good and evil, and the great battle for souls is on now.

"Satan has his armies, and I, My child, through the manner of the Eternal Father in His providence and great knowledge, I have been sent to you as a Mediatrix - I repeat, a Mediatrix between God and man. My Son is beside Me in the battle. We watch and will be with you until His return to your earth.

"The letter, My child, must not be mailed at this time.

"You will now, My child, sit back, for I have several messages to give you, but they must remain in private."

[Pause]

"In Rome, the Eternal City, the forces of 666, the man of perdition, are working. I say 'are,' My child, because these forces are the six demons of special mission, loosed upon earth in these latter days. The world-wide forces are called 666."

[Pause]

Veronica - Our Lady's coming closer over us. Oh, I can see Her now! Her mantle does not look purple like it did before; it's a beautiful deep blue now. And Our Lady's gown is blowing. It must be quite windy. Our Lady is smiling. It's a very sad smile.

Our Lady - "You ask, My child, if I would appear to all. Not at this time, My child. It is not in the plan of the Eternal Father.

"You will observe, My child, that I will fall into habit of closing your ears at times, for I will be speaking to another. There is much that will not be given to you to be given out freely in public discourse for your protection and the protection of your mission.

"You understand, My child, that you are not in an ordinary human war, but a war of the spirits. When you communicate with Us it must be in silence, giving no expression upon your face or words from your lips. Satan and his agents cannot learn what you are thinking, My child, unless you give a form of facial expression or sound. He cannot read your mind. Think to Us, My children; speak with Us in quietude, in solitude of meditation.

"My child, for those who have gone into darkness of spirit or fallen into the errors of your day, know that they will not understand much of Our message to the world. It is because they have been allowed to be blinded by the Eternal Father. They have ears that do not hear; they have hearts that have hardened because of sin; they have eyes that will not see. But to those who have even a small measure of faith, like a seed in a garden of flowers, if they but give this seed a small water of life, it will grow and grow and bear great beauty and fruit.

"There will be many manifestations in your world today, but watch, My child and My children; do not be misled. Satan also has worldly miracles and many supernatural miracles to perform. However, they will be of only short duration. All evil is never triumphant. The Eternal Father will turn all evil to good.

"The human mind will never be able to understand fully the difference between the human body and the eternal soul, the spirit. Satan and his agents, being spirits, must enter into a body to perform their diabolical work in their crusade to destroy the children of God. Therefore, you must recognize the faces of evil about you. Wear your armor of protection, your sacramentals, and be guided in the light. I repeat again: remain with My Son in the Eucharistic Service. His Body and Blood shall strengthen you in the days ahead.

"Do not surrender your soul for honor and glory of your world, a temporary state of honor and glory that you must discard when you come over the veil. You will stand before the Eternal Father in judgment with nothing of worldly nature or value, but only what you have stored for your entrance into the Kingdom.

"You must then, My children, live in the spirit. You must live in your world but not be of the world, for the world now has been given to satan. The world will discard you, reject you, scorn you because you are not of the world. They will not understand your words, and laugh, be derisive, because you are speaking a language foreign to them, for you are speaking a language of the spirit, My child and My children. Therefore, you will not be affected by being called different or even, scornfully, crazy, for, My children, whatever the world will call you - accept the cross, for We are waiting with Our arms extended to receive you when your mission is finished."

Veronica - Our Lady now is reaching onto Her waist, and She's extending Her beautiful Rosary. It has the golden Our Fathers and the beautiful white beads; they glisten with all the colors of the rainbow. And Our Lady is turning now. She is holding out the crucifix on Her Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning over to Her left side. She is going across the sky; She's just gliding. Our Lady doesn't walk - it's like She's weightless. She's gliding across the sky and looking down and extending out Her Rosary, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Continue, My children, with your prayers of atonement. Many are needed. You must go forward in the darkness with your candles."

[Pause]

Veronica - This evening, on the eve of Jesus' Resurrection, we are receiving fantastic miraculous pictures as promised by Our Lady. Everything Our Lady is saying is being given in photographs. I have here in my hand, among many that I have seen taken this evening, one photograph in reference to the priests.

When Our Lady and Jesus speak of a priest, the number eight - it goes after seven; seven is Heaven's perfect number. The number eight is given to signify the Eucharist and the priesthood, which is doing battle with the Antichrist forces, the number four. It is the time of Armageddon.

Using the numbers four and eight, if you will read like a clock our so-called peace symbol of today, you will find the whole story of what is going on in the time of Armageddon. For the hands will point to twelve, which means that the hour has struck; six, for the arrival of 666; four, the Antichrist forces, against eight, the Eucharist, the priesthood of Jesus, and the Roman Catholic Church.

Our Lady - "The true Church of Jesus in Rome is being attacked by the forces of 666. It is a world-wide involvement that cannot be fully described at this time. It is a diabolical involvement that will be made fully known with the Second Coming of Jesus.

"The battle rages now, and all who have given themselves to the world will not understand, for they are of the world. And many now have adopted and accepted a new father - not the Eternal Father in Heaven, but the father of all liars, satan. All who do not recognize Jesus as the Christ is the Antichrist. Learn by this!

LOSS OF FAITH AMONG CLERGY

"The clergy who have given themselves over to errors and are misled, and some of great determination to destroy My Son's Church - why? Because they have lost the Faith. Pray, pray much for your clergy, My children. Without your prayers, many mitres shall fall into hell.

"Your photograph, My child, shows the priesthood on the wide road to destruction and damnation. The narrow road to Heaven is not an easy road, for it requires discipline and sacrifice, but above all, a steadfast determination to retain the Faith."

[Pause]

Veronica - The sky is becoming a deep pink, a beautiful pink color, and from the center - it's like a circlet of light - Jesus is coming forward. He also has bare feet; I can see His feet out under His gown. Now Jesus has on a - it's not a burgundy color anymore; His cape has more of a purple cast to it. It's a burgundy, but it has a sort of a cast of purple.

Now Jesus is coming down closer, and He's touching His finger to His lips. His cloak is now blowing from out behind Him. He hasn't got it - usually He is holding it on His arm, but Jesus has His left hand over His chest. And now His right hand is touching His lip.

Jesus - "My child, you will listen carefully and repeat after Me. It is at this time, due to the urgency of your times, I must warn you now that the agents of 666 are in Rome, the Eternal City. As My Mother has told you in the past, it is the plan of this group, the agents of 666, to remove your Vicar, Pope Paul VI, from Rome.

TAKEN THE RED HAT WITH DARK PURPOSES

"As My Mother has told you countless times in the past, there will be a war. It will be bishop against bishop and cardinal against cardinal, and all that is rotten shall fall. It is sad but true that there are some now in the Eternal City who have taken the Red Hat with dark purposes.

"You ask, My child, why this has been allowed? It is in the Eternal Father's plan to separate the sheep from the goats. The present course of Our Red Hats and Our Purple Hats leads but to one conclusion: that many mitres shall fall into hell.

"You who have been given the grace, a special calling from the Eternal Father, you who betray Me in My own House, I say to you now: turn back and make amends; do penance; pray a constant vigilance. You must return discipline to your vocation.

"The conspiracy of evil - like an octopus, the arms reach out to destroy My Church. But I say unto you: I am the foundation! The walls are shaking. There are many Judases in My House!

"I have set the angel Extermination upon you. All who are of well spirit shall go through these trials knowing the reason for this test.

FORCED TO YOUR KNEES

"You cannot, you must not condone sin; you shall not rationalize sin until sin has become a way of life among you. It shall be brother against brother and sister against sister. Nation shall rise up against nation. There shall be disturbances of nature of such great magnitude that many lives shall be lost! You will be forced to your knees, and only then, in this time of great trial, will you turn back and look for the light.

"My children, do you want punishment? Can you not give up your way of life, a sinful life, to save your soul, your spirit? Shall you destroy your eternal life with Us for the few short years you all have upon your earth? When you leave your body you have full consciousness. You will understand then, only too late, what you have given up.

"There shall be much gnashing of teeth and weeping in the days to come. It is only through a merciful Eternal Father that you have not received the Ball upon you, but it is coming. The prayers of the faithful have gained several reprieves, but the balance is heavily to the left.

"You will all keep a constant vigilance of prayer, My children. The days ahead shall come upon you, but you will not be caught unawares. Follow the directions given by My Mother in the past and prepare your souls and the souls of your children. Do not sell your soul to get to the head, for you gain nothing.

"You will continue, My children, to pray for your bishops. It is through misdirection and loss of grace, because of too few prayers, that they now have set themselves into the darkness.

"A Church in darkness wears a band of death about it. Remember that, My pastors. A Church in darkness shall close its doors! But My Church shall not be extinct or destroyed, for the church of man cannot transcend the spirit."

Veronica - Now Jesus is going over to our left side. He's bending over now and gathering His robe about Him. He's placing His robe, gathering the loose folds over His left arm. Now Jesus is placing His hand out in front of Him, like this, with His fingers raised, His three fingers, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now just behind Him, way high in the sky, I can see Michael. Michael is standing there. He has the balance, the scale in his left hand, and he's carrying a very long spear. The point is pointed downward. And he's motioning over to the right side of the sky, and written in black letters is "WAR": W-A-R.

Now Jesus is placing His hand up, like this, above His head and the words now are disappearing from the sky. Now Jesus is placing His hand out in front of Him, like this. He's over just above the tree on the right side, and He's placing His hand in front of Him and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you, My children, as the Eternal Father blesses you and sends upon you the Spirit of light. Continue now with your prayers of atonement that are sorely needed."

In honor of the Queenship of Mary

Veronica - The sky has been very dark this evening. And Our Lady now is coming forward, directly to the right of the statue, high above in the sky.

Our Lady - "My child, I hasten to talk with you. It is urgent that you send the complete Message from Heaven throughout the world now.

"The photographs, miraculous, that were given to you this evening, My child, will tell you much when you study them.

"I know, I feel the great sorrow that has entered upon the hearts of those who have dedicated themselves in Our little armies throughout your world, My children. You must keep a constant vigilance of prayer. You must go forward with great perseverance and confidence.

"When you find, in your human nature, a failing approaching, you may ask Jesus in this manner: My Jesus, my confidence! You will repeat this: My Jesus, my confidence! You will find, My children, that there is great comfort for you all in the days ahead. Do not be discouraged. Do not be stopped in your mission by the opinion of man.

"O My children, a great chastisement is to come upon mankind. Your country, America the beautiful, shall be washed clean by trial. I cannot promise you now, My children, a turning away of this chastisement. It is imminent upon mankind.

"O My children, you must not make it a habit to reproach your brothers and sisters who have gone astray. Pray for them and do penance for them.

"As a voice-box from Heaven, My child, you must not have fear in giving the message. It is not your voice or your mind that you have placed upon paper and upon your tapings; it is My voice and the voices from Heaven that cry unto you now: turn back, for you are all on the road to your own destruction!

"My Son has been sorrowed; He has been wounded anew by the conduct of those He has chosen to represent Him in His Church upon your earth. O My children, the abominations cry out for punishment from Heaven.

"Will you not, pastors, take the blindness from your hearts and look upon the road which you have set yourselves on with your arrogance and pride and your searching for worldly knowledge and your searching for worldly gain? What will it do you when you stand before My Son and He will ask account of your mission? Will you stand before Him and say that your mission was completed with purity and the recovery of souls? No! Many of you now have set yourselves upon the road to perdition and you are taking many others with you.

THE FIFTH COLUMN

"There is, My children, a great conspiracy of evil now throughout your world - the forces, the columns of evil. Man has given them many names - the fifth column. They have been broken up into political parties, including communism. O My children, they are but small arms of the octopus, the gigantic conspiracy of evil that will unite your world and My Son's Church under the rule of despots!

"There is in Rome, My children, a great struggle for power, a political machine controlled by satan. There shall be a war of the spirits. It shall be bishop against bishop and cardinal against cardinal.

VATICAN II MANIPULATED BY SATAN

"I repeat, My children, as I have told you in the past, that the great Council of Vatican II was manipulated by satan. He sat there among you and he worked you like a chessboard.

"What can you do now to recover? It is simple, My children: turn back and start over with the foundation given to you. You must bring respect back to your priesthood. You must bring respect back to your Holy Father, Pope Paul VI. I have warned you of all the manners of abominations, errors, and delusions that have been set upon you. Listen, and act upon My warnings to you!

"The Eternal Father in Heaven shall have the final command over mankind. He allows you to go on your way scattering the sheep, O pastors, but one day the hand of God shall descend upon mankind.

"My children, Our hearts are torn. My heart, as your Mother, is torn apart as I look upon the remnants - what is left in your country and many countries throughout the world, of My Son's houses, My Son's Church!

"The dedicated, those who have taken a vow of poverty, chastity, and upholders of the Faith - whatever have you done to your Faith, My children? You have made it, in your struggles, unrecognized to many. You have sown confusion throughout your world with a change. And what change, but from satan, guided to destroy. The foundation of your Faith is My Son, was My Son, and will always be My Son.

PASTORS NOT TO BE IN POLITICS

"You must not involve yourselves, My pastors, with the political machines of your world. It is a satanic involvement. I do not have to repeat by name those who have fallen into the web of satan and the world machine. This machine, My children, in simple language, will promote - without prayers and without enough sacrifice to give balm to the heart of the Eternal Father for the abominations being committed - this machine shall set itself to enslave the world's souls.

"My child, it would be best for your peace of mind if you do not spend your time reading reports in reference to your work. I know of your sensitive nature, My child, and I advise you; however, I give you a decision of your own. But for your best interest, I advise you to refrain from reading these reports.

"You will now go forward to move a mountain, My child. You will gather prayers and novenas for the bishop.

"Do not be concerned because I have not received the magnificent edifice that I have asked for the salvation of souls upon the sacred grounds. Know that the Shrine has already been built in the hearts of mankind and in the history of My Son's Church. There will be a magnificent edifice, My child. You must be patient.

"You will, in the future, My child, be guided much by Theresa.

"You will now make it known the names of the guardian angels that We have assigned to many upon earth. However, you will not give the identity of the human soul that has received this special grace from the Eternal Father. Upon the earth there are the Archangels Tusazeri, Sactorius, Tomdarius, Razene, and many others.

"You must ask your guardian angel to ever guide you upon your way. You will also inform Tomdarius that he must keep pure and holy thoughts in his mind. Yes, call upon Tomdarius, My child. You must keep pure and holy thoughts in your mind. My child, this will be a secret for you, Tomdarius, and the soul he guards.

THE DISSOLVEMENT OF MARRIAGES

"My child, you have been much concerned about the dissolution of many marriages now in your country. It is truly a sad happening among mankind, My child, for it is the hand of satan reaching in and capturing the souls of many. What God has joined together in holy Matrimony, let no man place asunder. The liberal attitudes now prevalent in My Son's House bring many tears to Our hearts, for they will lead many souls onto the road to hell.

"Accept your cross, My children, as you struggle through your life with your spouse. When you are united in the holy bond of Matrimony, you are responsible for the soul of your spouse. Unto death shall you part, and only unto death will you part.

"Many of Our children now have entered upon the wide road leading to hell and purgatory. And why? Because too few pray for them. And they have now fallen into line with many false teachers.

"When a union in Matrimony is blessed by My Son through a legitimate, legally-ordained priest, His representative, no man shall take it upon himself for worldly gain, money, prestige, and power, to break the tie that has bound them together by Heaven!

"Bishops, awaken from your slumber! In your permissive behavior, you are sending many souls onto the road to hell! Unless you turn back from these ways that displease the Eternal Father, you, too, shall carry your mitres into hell.

"Shall My Son return and find even a small flicker of faith left in the hearts of mankind?

"Heresy, O mournful heresy! Abominations and filth seeping like cesspools, overflowing into My Son's Church! Corruption, evils diabolical! Cleanse My Son's Church now, or He shall return and take you in hand! He shall cast you from His Church. A Church in darkness wears a band of death about it. The doors will close. But the foundation, My Son, shall never be lost to mankind! And you pastors who have set yourselves to discredit facts of the existence of punishment and hell, shall you receive your lesson the hard way?

"I say now, as your Mother - I plead to you, as your Mother, in the short time given to you, to restore My Son's Church!

"Experimentation, humanism, modernism are all coming from the deep pit of hell! The way to the Kingdom is a simple way filled with thorns - meaning, My children, that you must strip your human nature of all corruption and corruptive forces and searchings. You may live in the world, but you must not succumb to the world. You must not darken your spirit.

"You who have chosen to mock My message, will you be given the day or the hour to go down to your knees and ask for forgiveness? For many shall be claimed in the great flame of the Ball of Redemption.

"Yes, My child, I cannot give you a message, a promise of great joy now, but your hope and your confidence and your perseverance shall be in the knowledge that your world is not of earth, but over the veil in the Kingdom of the Eternal Father.

"All that Saint John, Our prophet to you, has given in print must be read. And ask as you read, for guidance to understand by imploring the Spirit of life, the Holy Spirit, to aid you in your search for knowledge that will not be clouded, darkened, or misleading by satan, but a knowledge of pure light, waters of purity, waters that can then be given by Our pastors to Our sheep who are now roaming without guidance, who are starving for the light.

"Many do not know the existence now of My Son upon earth in the Eucharist, for you, O pastors, in your permissiveness, in your negligence, have allowed errors, falsehood, and defamation of My Son to take place within His very House! Whatever shall become of you?

"My Son's hand grows heavy. I cannot hold it back much longer. Your country shall receive the cross, My child!

"Now you understand, My child, the photograph. The cross to many shall be their salvation. The cross, My child, as you observed upon the photograph, was a cross of light, brimming with life. Accept your cross, My children, when it is given to you, for you will carry it into Heaven."

Veronica - Now Our Lady is rising. She's going high up into the sky.

Our Lady - "Do not be afeared, My child, I am not leaving."

Veronica - Now Michael is appearing just over the tree on the right side over the papal flag. Michael - I can't see his face. The golden gleam upon his hair is so brilliant, I can't see his face.

He has on a long white gown. And he's now pointing to the sky, and there's a figure up in the sky. It looks like a woman in a long, flowing gown with a sword in her hand, pointed down. And there's like a blindfold over her eyes. Now she's tossing away the sword, and she's holding now a golden scale in her hand. And above her is written, "IN GOD WE TRUST." But now the words "IN GOD WE TRUST" are darkening. And now the words are gone. But in big black letters, there are letters, J-U-S-T-I-C-E, and a big black question mark. "JUSTICE?"

Now it's beginning to disappear; it's like smoke fading away. And Our Lady is coming forward. She's placing Her hands upon Her lips.

Our Lady - "My child, you will now continue with the prayers of atonement. Do not be concerned, My child. Heaven is much pleased with your work.

"You can never know, My child, all of the arms that We have sent to help you in this mission. Our armies now are spread throughout the entire earth. They are small armies now, but gathering in strength. Of course, My child, you understand it is far beyond your human nature to comprehend now that the eventual victory is with My Son. All that now transpires upon your earth is a testing ground, a separation of the sheep from the goats.

"Go forward, My children. Continue in this battle of the spirits, for the worldly battles will soon be upon your country and mankind. But there is a far greater battle now going on. It is an unseen battle to those who do not look for the truth and the light. For you have now the very forces of hell set loose upon earth in this final battle. What was to happen in the future shall be now.

"Much that has been given, My children, to warn mankind has gone by unnoticed. Bring it to them by word of mouth and print it. Tell them that these warnings shall become greater, more ferocious, and more destructive.

"Much is being promoted by satan. I cannot, My child, give you a long discourse on this project. However, you must understand that satan has great power upon earth, and he will manipulate mankind to bring about their destruction and try to claim them when they have not cleansed their souls.

"Oh, day by day, My children, I cry constantly tears of great fear and no joy, My child. No, there cannot be joy when so many are falling into hell.

"Do not be torn of heart, My child. One day all this will be righted. You will give the message and continue."

Veronica - Now Our Lady is taking Her Rosary from Her waist, and She's holding out the beautiful golden crucifix, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children. These graces I give to you for the propagation of Our work: graces for cures, graces for conversion, not only of the body, but the spirit. And remember, My children, it is the spirit, your immortal soul, that must come first. You must save your soul. Do not be concerned what they do to your body, for one day you will part from it anyway."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is moving back. She's going high above the Michael banner. And She's looking down now. She's smiling, but very sad.

Our Lady's, now, gown is blowing. It must be quite windy up there. She has on a beautiful white gown with a blue sash. But Her headpiece is so beautiful. She has upon Her head a crown that is circular, but it has the most glittering, brilliant stones about the base. And there are golden roses entwined in the circular part of the crown, and upon the top is a huge cross. It's such a beautiful crown, I don't think I could ever describe it by words.

Now Our Lady is motioning.

Our Lady - "Be seated now, My child. My Son has much to give you for knowledge of the coming days."

[Pause]

Veronica - The sky is becoming all aglow with a very deep pink light. And over by the tree, the first tree, Jesus is coming forward. Jesus has nothing upon His feet. I can see His feet very clearly. He has this long white robe.

He instructed me to place upon my head, over the blue beret, a scarf. I don't understand, but Jesus said I was to wear the scarf over the blue beret.

It's very windy. Jesus now has taken His cloak - it's a long garment, a deep burgundy color, and it's around His head. But now it's beginning to drop over onto His shoulders. It's a very loose garment. And the cape, Jesus is gathering over His right arm.

And He's coming now across the sky. He looks very beautiful. Jesus is smiling. And I can see His hair. His hair is so beautiful. I believe it's a dark - it's a brown, but the reflection of Jesus' garment upon His hair makes His hair look reddish brown.

And now Jesus has - I can see His face so very clearly - He has a very short beard. His hair is quite long. It goes down to His shoulders. And oh - has the most beautiful eyes.

I, I do recognize Him.

Jesus - "Now, My child, you will continue with your mission as My Mother has directed you. What words can I add now to impress upon your minds the great danger that is approaching your nation? Other nations did not heed the warning of My Mother and they also fell.

"You will give out the message exactly, My child, as My Mother has given it to you, with no elaborations and no additives. The wording must be exact.

"My Mother repeats what is in My heart to My pastors. For you who were given great grace, much has been expected of you. I have looked into your hearts, My pastors, and I have found you wanting. Measure for measure shall you receive the just recompense of your actions. You, as pastors of My sheep, shall give full account for the loss of every soul! By your example you have scattered My sheep, and I must now give you a final warning. In the time allowed now, you must do all in your power to restore My House.

"Because of your arrogance, because of your greed, your pride, you have succumbed along with your sheep to all of the evils of the flesh. Many souls have gone into hell because they pursued all the treasures of your earth and did not look upward and bring their treasures to the Kingdom of the Eternal Father. I repeat to you: What does it matter if you gain the whole world and have suffered the loss of your immortal soul?

"Shall you, as pastors, stand before Me and say that your teaching has been pure in My sight? No, I say to you! I will cast you out, send you down into the pit where you belong, for you have degraded your vocation!

"You have destroyed many souls in your search for power, your lust, your arrogance, your pride! You have torn My Church asunder! Shall you restore it brick for brick? Can you regain the souls that you have scattered and allowed to fall under the teachings of false teachers?

"You have been warned in the past that you must not follow the ways of the world. You were, as pastors, to live in the world, but not be of the world. Do you think, as pastors, that I left a heritage to you of words that were not true? You take My Book, the Bible, you tear it and rebuild it with the work of satan! Restore My Church, or I shall come and I shall chase you out of it! All that is rotten will fall.

"No, My pastors, I shall not destroy earth. It will be a gradual cleansing. It will be the forces of light against the forces of darkness. The sheep shall be separated from the goats. The ultimate cleansing shall be given to mankind. It will be a celestial punishment.

"You who mock the words of My Mother, you who in your pride and search for knowledge - ever seeking, but never coming to the knowledge of your God - you who mock and strip My Mother of all of Her purity and Her true place among you as your Mother and your Queen, you degrade Her in My House! You refuse to even open your eyes. You are blind, and why? Because you do not pray. You do not ask Me to remove this blindness from your heart, and I allow you to remain blind so that, in your blindness, without penance and atonement, you shall proceed faster onto the road to your own damnation.

"Recognize the signs of your times. Come out of your darkness. You are asleep, My pastors! I have sent many warnings to mankind. I have allowed satan his time to ravage the earth, as it is a measure of separation of the sheep from the goats. You who have given yourselves to satan, you plunge faster into the pit!

"The plan for your salvation was given. It was a simple plan of faith, faith in what has been given to you in the past! You mock the past in Tradition! You set yourselves to build a new church. The gates of hell shall never prevail against My Church!

"Man shall not judge My Church on the actions of man, for man now is taking it and building a church for man, not to honor his God, the Eternal Father, not to honor and prepare his soul for the entrance over the veil! No! He is now wasting valuable time in promoting a mode of humanism and modernism. You are feeding the nature, the carnal nature of mankind, while you are starving their spirit.

"A deep spirit of darkness now covers your earth, and has entered to do great battle upon the Holy City of Rome.

THE STARS SHALL FALL

"You have received a gross warning. The earth shall tremble; the stars shall fall. Already these warnings go by unnoticed while your scientists sit down and have figured out on paper why, how, when. Do they know when I shall allow the next one to come upon you? No!

"All you who have given yourselves to all manners of evil: astrology, cards, fate readers - and what is fate? Who has the hand of fate among you, but your God, the Eternal Father? No rock, no star, no planet shall guide your life. The Eternal Father placed you upon earth, and He will guide your life unless you turn from Him and accept as your master satan, which you as a majority now are doing.

"Woe, woe, woe to the inhabitants of the earth! Wars and more wars until mankind shall set upon himself a point of non-recovery! Tremors, floods, disaster, accidents that are not accidents - you are blind, My children.

"My pastors, go onto your pulpits now and shout the truth. America the great shall fall! Immorality - your country has become a cesspool of sin and filth.

"In the history of every nation that has fallen, it all started down the same road: the rejection of your God, the acceptance of all manner of evil to be a normalcy among mankind. Sin has become a way of life in your country and many nations of the world, and sin shall destroy you. For sin as a way of life is mass insanity!

"My children, the world cries peace, peace, when there is no peace. Tears flow; voices clamor to Heaven. But why? Because the faith has dimmed in the hearts of mankind. Ask and you shall receive; seek and you shall find.

"Bring the children to Us, but do not take them down the wrong road. Parents, give them the light while there is time. Save your children, for your hearts will be torn with anguish. What greater joy, My children, in the heart of a parent, when a child must come to Us over the veil and this parent has the comfort of heart to know that that child has been saved. And what sadness to a parent to wonder and plead for an eternity upon earth for the redemption of a soul that the parent, through negligence, through blindness, through a dimness of faith, allowed, permitted his child to go onto the wrong road, a road leading to ultimate damnation.

"All were placed upon earth to be saved, but many are called but few are chosen. And why? Because they did not pray. They did not accept the gifts given to them for their salvation. They looked elsewhere. They implemented with novelty and experimentation. Satan has poisoned the minds of many.

CRY OUT FROM PULPITS

"Pastors, shall you count the time left in months or years? No, I say to you! You will all keep a constant vigilance of prayer. You will cry out from your pulpits against immodesty and immorality. You will demand that man turn back to his God, for if he rejects Him, he is lost.

"A pastor who scatters his flock shall be damned. Many mitres shall fall into hell. Rank shall be no excuse for laxity and failure to give the Faith to the sheep.

"My children, you who have been given the light, you who have been called here by My Mother - for your being here is not by accident - I say to you: go forward; persevere in the days ahead; continue with your mission, for you all are children of the light."

Veronica - Now Jesus is placing His hand out in front of Him, like this. His three fingers are extended, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over, over by the second tree on the right side. He's standing above it, and He's looking down now and placing His hand out in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over, all the way over on the left side.

Now Michael is coming down from behind the second tree on the right, and he's following Jesus. They're just floating. They don't walk - like carried right on the wind. They're floating over now to the left side, our left side, just between the two trees, and Jesus is extending His hand out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you, My children, as the Father blesses you, and send to you the Spirit of light.

"Be seated now, My child, and continue with your prayers of atonement."

May 26, 1976

Eve of the Ascension of Our Lord

Veronica - The sky is very dark over the trees, but there is a light coming directly underneath the circlet of darkness. Directly in the middle of the circle there is emerging a huge, stone-like dark cross. It is a cross that appears to be the type in a cemetery. Now there is a very gray mist going across the sky. And over on the left side of Our Lady's statue, high up in the sky, there is a small pinpoint of brilliant light. Now the light is opening up. I can see Our Lady now approaching.

Oh, Our Lady is dressed all in a beautiful, most beautiful blue gown. It's a light blue gown. Our Lady's gown is a hue, a color that's indescribable by words. It is a pale blue, a sky blue, and Our Lady's belt about it is a deeper blue, a darker blue. Now over Her head Our Lady has a white scarf, a - but it's tinged in a golden border of about an inch all around the outside by Our Lady's forehead. The scarf, the mantle, comes quite forward on Our Lady's forehead, covering Her hair completely.

Our Lady is now placing Her hand over Her heart.

Our Lady - "My child, it is with deepest sorrow that I must inform Our children at this time that a great trial is approaching the Holy City of Rome. You must all pray a constant vigilance of prayer for your Vicar.

"There are many enemies, Judases, within the ranks. Satan has entered upon those in high places.

GRAND MASTER HEADS CONSPIRACY

"The octopus of evil, the international conspiracy of evil, has at its head a Grand Master. I cannot at this time, My children, reveal in entirety the order of succession of those who seek to enslave your world.

"The fall of man, this destruction that is fast approaching upon mankind, is being allowed as a redemptive measure by the Eternal Father, a means, a way to separate the sheep from the goats.

"In the past many have cried out, warning you of the coming of false teachers. Now you must open your eyes, come out of your slumber, and pray a constant vigilance for guidance from your Holy Spirit.

"The persecution to all those who follow and defend My Son in truth, in the light, the persecution will be great. The masters of deceit, they are gathering like vultures to send into motion a conspiracy of evil that has been brought about because mankind has given himself to all manner of evil.

"The time given by your prophets of old, the time of times is here. You will all, My children, wear your sacramentals in the battle, the days ahead. What was to happen in the future shall be now. Your world will be baptized by fire. Many will die in the great flame of the Ball of Redemption.

"False teachers and teachings abound in your world now. False teachers roam in My Son's House. You must now, pastors, reverse your ways, for they offend the Eternal Father much. I cannot hold back the hand of My Son; it grows heavy.

"All manners of corruption and evil abound in the hearts of many. The children are the victims of their elders. The children are fast going into darkness. All parents hold a great responsibility for the salvation of their children's souls. Do not expect the truth to be given to your children when they leave the safety of your homes. Satan has control of your earth now. He works through bodies of humans, but these bodies are captured by Satan through sin and they are used, they are used to enslave many.

"The fall of a nation goes downward by steps. Immorality, debasement, debauchery - all manners of foul practices offensive to God and human nature are being practiced now, even in homes, My children. What manner of vile evil do you as parents permit to enter your homes? What manner of example as parents are you giving to your children?

"Many of Our children are wandering without direction, falling prey to all humanism and modernism that has darkened the souls throughout your world. Pastors, you shall be called and shall you stand before, in judgment, the Eternal Father and say that your teaching has been pure in His sight? Better that you fear your God than man! Obedience? Obedience is commanded by the Eternal Father for good, not for evil!"

Veronica - Our Lady now is crying. The tears are coming heavily down Her face.

Our Lady - "My child, We watch and see the houses of My Son crumbling, being destroyed throughout your world. Doors are closing, convents are emptying, and the dedicated are leaving and falling into all manner of sin and abominations. Who shall be in the remnant? Only a few will be saved.

"My voice, My children, and the voice of many from Heaven have cried out to warn you, to prepare you, for you hold the balance for your own destruction or salvation. Your country and many countries throughout the world now are in darkness of spirit. Your medias of communication are controlled. Can you find the truth among atheists? The truth, My children, you will have to carry in your hearts. Shall My Son come back and find even a small light of faith left upon your earth?

BIBLE HAS BEEN REWRITTEN

"My Son left you a legacy of faith. He gave you very clearly the plan for your redemption. It was written down in clear, precise language for all to know, and what have you done, but you have darkened the pages of your Bible. You have rewritten them so that you would gain, and gain what but damnation! You are rewriting the Book of life to satisfy the basic foul carnal natures of mankind! The road to the Eternal Kingdom is a narrow road. Many have left it now and are wandering farther into darkness.

"O pastors, whatever shall become of you? You have scattered the flocks. Your recovery can be a simple measure. You may balance the scale by turning back and accepting the simple way of life and the truth as has been given to you. You must not innovate and use all manner of modernism, which has been created by satan. Many who wear the Red Hat are misleading the Purple Hats.

"You deride, laugh, and mock My words, and why? Because you reject the light and the truth!

"My children, My little humble children, I appeal to you as your Mother, go forward on foot, knock on the doors; bring the light to your brothers and sisters. For those who have been given great grace, much is expected of them.

A CENTER FOR PRIESTS

"There will be established in the United States a center. There must be a home for the priests who have left their mission. They must not return to the world.

"As in the days of Sodom, as in the days of Noe, My children, history repeats itself. You have learned nothing from the past, for you rebuild your future on sin to the point, My children, where you have eliminated a future.

"I hear words of mockery and derision; I hear words of My children who do not wish to accept the Message from Heaven. And why? Because they have hardened their hearts and closed their ears. And why? Because they love their sin! Many will sell their souls to get to the head. And what does it gain you, for one day you must come across the veil and be judged.

"Do not fall into the error that is fast going throughout your world that there is no judgment, that there is no hell or a purgatory. My children, you are being deluded! There is a hell, and there is a purgatory, and there is the Eternal Kingdom of God, your Father. Many are called, but few are chosen. Many spend long years being purged.

BISHOPS DO NOT UNDERSTAND OR BELIEVE

"O My children, many cures of spirit, many cures of body have been given, and have passed by unnoticed by those who would have the most influence to do good. Pray, My children, for your bishops; they do not understand nor believe. They have become ensnared by satan; they have risen high above your world in knowledge - so high that they have tried to transcend into the mysteries of Heaven, and have found hell!

"Scientists and men of knowledge, ever seeking but never coming to the truth!

"My children, many warnings have been given and are being given to mankind, and many more shall be given. The evil in your world is accelerating. Know that all the forces of hell are loosed now upon earth. The full reign of Mr. 666 is on!

"You will not write again, My child, to the bishops in Rome. The message has been received by many. Now, My child, you will pray for them.

"The world, Our children, have forgotten the value of prayer and suffering. In their human nature they avoid prayer and suffering, but this is the fallen nature of mankind. Do not be deluded, My children, in thinking that the time will be given for you to make amends after you have accepted all the evils of the world. No, you do not know the day nor the hour. Therefore, can you take this chance of involving yourselves with the evils of the world? Will you have a chance to do penance and turn back in time? No, I say to you, many shall be taken from the world and be lost forever to Us.

"The plan for your redemption, My children, is simple. It is a plan of prayer, atonement, and sacrifice. Live each day as if you were to leave it the morrow.

"There will be a great War; there will be a great Chastisement; and of course, My children, there will be a Warning, a great Warning given to mankind. But how many shall recognize this also?

"Pray, My children, a constant vigilance of prayer. Wear your sacramentals. Visit My Son often. He is a prisoner in His tabernacle. Console Him in His sorrow, for He has received many thrusts to His heart."

Veronica - Our Lady now is taking Her Rosary from Her belt, Her beautiful white Rosary with the golden Our Fathers. The crucifix is a beautiful golden color, and as Our Lady's turning, it's glittering and the white beads look almost like a pink; they're capturing all the colors of the rainbow, reflecting the light. Now Our Lady is extending Her cross out, like this, the crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is going above Her statue. She's smiling sadly, and She's looking down and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is going over to our right side, just above the first branch of the tree. She's looking down now and extending Her crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as the Father blesses you and sends among you the Spirit of light.
"Sit back, My child, now. My Son will soon discourse with you."

[Pause]

Veronica - The sky above Our Lady's statue and the trees is becoming a very shadowy, deep, misty-looking pink.

Now the cast that looked very misty is like a smoke that's blowing away from the center of the light now that's piercing right through, making a cascade of light. Our Lady called them once graces. They are shimmers of thousands of little slivers of glass, it appears to be, but Our Lady called them graces many years ago. Graces are being given - oh, and they're from the hands of Jesus coming through, now, the light.

Jesus is standing almost directly over Our Lady's statue. He's barefooted; I can see under His gown, His feet. And He has on a cream-colored gown. It's almost a yellow. It's very deep, the color. And He has a belt about His waist. It looks like a cord, almost like a skin type of - I don't know the material, but it does look like a cord, a skin-like cord. Jesus has on His cloak. It's a burgundy color, and it casts out a very pink glow from His cloak up towards His face, and it makes His hair look almost a reddish brown, but I know now that Jesus' hair is a brown - not dark, but a medium brown.

Now Jesus is placing His hand, His right finger to His lips. That means to listen.

Jesus - "My children, the evil has accelerated. This is not a good omen to mankind.

"How much more punishment shall the severity increase to awaken you from your slumber? We have asked Our pastors to put into action the direction given by My Mother to recover My sheep. Instead, My Mother has been received with doubt, laxity, apathy, and an absolute rejection by many. How many voice-boxes must We send among you to awaken you before it is too late?

END EXPERIMENTATION AND NOVELTY

"You are blind, My pastors. You permit untold evil to ravage My House. How long do you think I will permit you to mislead and destroy the souls entrusted to you? I want an end to the experimentation in My House. I want an end to novelty. Restore My House, or I will come and send you out of it!

"My House is becoming fast a den of thieves! My House has become a show place for demons! My House must be cleansed from within. You polish the cup, and the dirt lies within.

"I accept, as your God, your rejection, but I will not accept the rejection of My Mother. You shall not cover Her with filth, filth in your printed periodicals. You shall not desecrate Her name with lies.

"There shall be a war in My House: bishop against bishop and cardinal against cardinal. And why? Because you have allowed satan to play chess with you!

"You shall not be unevenly yoked. What have you in common with the darkness? Are you strong enough, My pastors, to pierce that darkness now? No, I say to you, for many of you have extinguished the light.

"The gates of hell shall not prevail against My House.

"When I come, shall I find even a small flicker of faith burning in your hearts? You who have given yourselves to all manner of novelty, you who have sold your souls to get to the head - you honor man, and you have destroyed your souls. But sadly, not only your own destruction, but you are taking many others with you.

"You say in your periodicals that the voice-boxes are sending out seeds of fear. It is not a fear crusade We give to you, but fact of what is to take place upon your earth.

"As in the past, rejection has been the start of a fallen man. Sin has become a way of life with many. You live in a delusion if you believe that you can offend the Eternal Father and then gain eternal life in the Kingdom. No, I say to you: many are called, but few are chosen.

"Ask and you shall receive, believe and you will be given the way. But you must merit the Kingdom. Your birthright was a start, but you must make your way to the Kingdom. Others may gain these graces for you by prayer and acts of sacrifice, but you will accept or reject the key.

"My children, a great crisis will soon be upon the Eternal City in Rome. Pray a constant vigilance of prayer for your Vicar. All manner of evil is being planned against him. My Mother can direct you in the days ahead. You cannot depend on your human judgment, for it can be clouded by satan.

"Man has given himself to the world, seeking all of the pleasures and material things of his world, and man has lost his spirit, his soul. In your present age, the numbers of souls falling fast into hell accelerate.

"There will be weeping and gnashing of teeth set upon the earth. Be ye warned that skin will dry up and blow off the bones as if it has never been! Houses will blow in the wind. Eyes will see, and still not believe. Satan has poisoned many minds.

"My children, could I come among you and deceive you by bringing you a message of hope, perseverance, without faith? For if you have but a small measure of faith it will grow. Do not extinguish your faith; do not accept the workings of satan. You have been given the truth. Do not tarnish it by listening to man, man who has given himself to satan.

"My Mother has directed you well in explaining the signs of your times. Read back on these directions, My children, for soon Her words will be few. You will keep these directions in your heart and remember them. Bring them to mind often, for you have been given in pages the directives for what is to come upon mankind.

"I left with you the Bread of life; I gave Myself to you. I am always among you in the tabernacles of your world. No man shall enter the Kingdom unless he eats of the Bread of life.

"Your children are the true victims. Gather them close to your homes and your hearts, parents, for there shall be tears of great sorrow among many. Prepare your children for their lifetime eternal. Do not surrender their souls to satan.

"There is now a battle upon earth, the battle spoken of by your prophets in days gone by. You are living those days now. Many saints shall rise from this battle. Many shall be martyred, but then peace shall be restored to mankind. This peace promised by My Mother has now been set ahead, for man did not listen then, as he is not listening now, and you must then accept the Chastisement as deemed necessary to mankind by the Eternal Father.

"You must all keep a constant vigilance of prayer throughout your country and the world. The few who have been gifted with grace must carry a heavy cross. Accept your cross, My children, with perseverance and confidence. The final victory is with Heaven. This shall comfort you in the days ahead, the knowledge that you shall be victorious with My Mother."

Veronica - Now Jesus is rising high above the first tree on the right side of Our Lady's statue. And He's now placing His robe over His left arm, and He's extending His hand out, like this, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

It's very windy. Now Jesus is coming across the sky; He's gliding, and the wind is carrying His robe behind Him. And over above the first tree, Michael is coming out. It's like he has stepped almost from out of a deep mist. And Michael has on a long white gown, and he's carrying the golden balance in his right hand, and he's coming up now behind, just behind Jesus.

And now Jesus is turning forward. He's directly over Our Lady's statue, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over to our left side, and He's looking down now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Father blesses you, and We send the Spirit among you."

Veronica - Now Jesus is going over, directly above Our Lady's statue, and He's pointing up now to the sky with His right hand, and He's moving His finger. Oh, dear! And He's writing: C-O-M-M-U-N-I-S-M, "COMMUNISM"; T-H-E, "THE"; S-C-O-U-R-G-E, "SCOURGE"; O-F, "OF"; M-A-N-K-I-N-D, "MANKIND." "COMMUNISM THE SCOURGE OF MANKIND."

Now it's growing very dark. The words are like evaporating, blowing away in the wind. And Jesus now is motioning over to Michael. And Michael is now placing the balance in front of him. It's suspended in the air, and he's holding in his hand a bishop's staff, one of those hooked staffs, crosier, crosier, and - oh! Oh, dear! Now there's a snake crawling all around the crosier - oh, the bishop's staff. Oh, dear!

Jesus - "The serpent."

Veronica - Jesus said the serpent is now curled about the crosier.

Jesus - "Continue now, My child, My children, with your prayers of atonement. They are sorely needed.

RED FORCES ENTERED UPON ROME

"You will pray much for your Vicar. He is under great attack from those who are close to him. The forces, the red forces, have entered upon Rome. Pray a constant vigilance; the power of prayer is great."

May 29, 1976

Eve of the Visitation of the Blessed Virgin Mary
