Veronica - There is a large round host appearing directly center and to the right of Our Lady's statue. Our Lady is coming from behind the host. The host is filled with light; it's making a circlet of light about Our Lady as She's rising now higher above the host. Now the host is becoming darkened in color, and Our Lady is standing on it now. And She's coming down - it's like riding on top of a ball. Our Lady is coming down now slowly. And now the circlet, a ball-like host - I don't know how to explain it - that Our Lady is now standing on is assuming the shape of a - more like the earth, the globe. Yes, it is now a globe of the world.

Our Lady is dressed in a pale blue gown. She has a darker sash about Her waist and a beautiful white mantilla. The white is whiter than snow and has a deep glow. The light about Our Lady is very brilliant. Our Lady is now placing Her first finger upon Her lips.

Our Lady - "My child, listen very carefully. Much that I give you now must be kept secret for a short time.

"My children, the forces of evil are gathering in the Eternal City of Rome. You must all pray a constant vigilance. Your Holy Father has accepted a heavy cross.

"The Message from Heaven has entered upon the Eternal City. It is only through humbleness of heart and prayer that those who have a high station in My Son's House will understand the errors they have fallen into and will turn back now while there is time. They have consorted with the enemies of God. The road to hell is often paved with good intentions, My children, but you have been deluded by many.

PASTORS HAVE LOST THEIR WAY

"In your striving to bring peace and brotherhood, you have lost your way, O pastors of My Son's houses. There shall be, without prayer, a battle: bishop against bishop and cardinal against cardinal, and all that is rotten shall fall.

"My children, open your hearts, your eyes, your ears. You are fast going onto a road of your own destruction, of your own making. I could place above My head two hands to count the time extended to mankind, but do not count all on your two hands, My children. The Chastisement that is coming fast upon mankind is conditional to the response now of all.

"I must now bring to you a fact forgotten by many - the existence of the supernatural upon your earth. You are now in a battle of the spirits. It is a war far greater than any human war of the body, for now you are fighting the unseen, unseen to most human eyes.

666 NOT ONE MAN

"The man of perdition, known by you as Mr. 666, is not one man. Repeat, My child, your instructions of 1970. The man of perdition, Mr. 666, as revealed by the prophets but forgotten through time: six is for the six who are coming - demons of special mission loosed from hell in these final days; six is for the six days of great suffering; and six is for the six who will be punished.

NOT THREE AND ONE-HALF YEARS

"Starting from the year 1971, My children, you will call this the countdown. Time, time and a half, as given by your prophets, has been misunderstood. It is not three and one-half years on earth's time but far longer, for the time, time and a half is stated in Heaven's time. Time as man knows it upon earth bears no resemblance to time in Heaven.

"My words have gone throughout your world warning you to prepare your souls and the souls of your children in the time left. My child, you will continue upon your mission with perseverance. Remember, when you feel pangs of heart, you will say, My Jesus, my confidence!

"I cannot, My child, promise you all roses without the thorns. You must carry the cross as well. No man shall be above his Master. Therefore, remember My Son's life upon your earth, My child, and you will understand that you will travel a similar road.

"Man shall reject what he refuses to accept, even if it is a truth. He will refuse because of two prominent reasons. One, he has become blind, blind through sin. He has become misled and deluded.

"My children, there are many dead people among you: they are living bodies with dead souls. All hell has opened wide now to do battle with My children. Satan has been given his time. You cannot, in your human nature, understand what is taking place fully. You must give your confidence and trust to My Son.

WOMEN TO WEAR A HEAD COVERING

"My child, tell all to act as good example in My Son's House. Women must wear a head covering in the holy places and in prayer. It is not because of custom; it is because the angels demand proper deportment during the Holy Sacrifice.

"I find, My children, that many of Our pastors are going fast downstream in fast currents. They are like ducks following the leader. O pastors of My Son's houses, whatever shall become of you? By your example, you have been leading many onto the road to hell.

"The world has entered upon My Son's Church. You have made it a meeting place for all manner of sinners, all commissions of abomination. Holiness, dedication, piety must be returned to My Son's House, Church. All manners of change and novelty are destroying the souls entrusted to you!

"O My children, the Ball, the Ball of Redemption is approaching you - the Chastisement. Many shall die; only a few will be saved.

"Yes, My child, many shall die in the great flame of the Ball of Redemption. All who stand here this evening shall be in that generation spoken of by the prophets. Many shall be removed in the mercy of the Eternal Father; many shall rise and meet with My Son.

"My children, you must read all periodicals and news medias by being prudent and scrupulous. You do not receive the truth from atheists, My children.

WHEN MY SON RETURNS

"Your country and many countries throughout your world have already fallen. They have now been entered upon by the giant political machine that seeks to enslave the world - the octopus of evil. For the love of money, prestige, and power, many shall sell their souls to get to the head. O My children, when My Son returns, will He find even a small flicker of faith left in your hearts?

"You must understand that none shall come to the Eternal Father except through My Son. You ask, My child, of the thousands of lives upon earth, those who do not accept My Son, what has become and what will become of them? If they have received the knowledge of My Son and reject Him willfully, they cannot be saved. Of course, My child, the Eternal Father is all-merciful; We cannot condemn, He cannot condemn the innocent of heart. However, there are rules of Heaven, too, justified rulings, that none shall see the Beatific Vision unless they come through My Son.

"The catechisms, My children - We find abominations, lies, and sinfulness abounding in these books. Your children, their minds are being corrupted and destroyed. The eyes are the mirror of the soul.

REMOVE DIABOLICAL BOOKS FROM SCHOOLS

"Each parent has an obligation to his children to remove these diabolical books from his school. The laxity of parents, the apathy of those who have influence . . . O My children, tears shall be shed; there will be gnashing of teeth soon! I ask you, I plead to you as your Mother to prepare your household now.

"My child, many arms shall be sent to you to help disperse the message throughout the world. You will not be given any heavier a cross than you can carry.

"The greatest weapon against evil now is prayer and sacrifice. The world must do great penance now to escape the terrible Chastisement.

"Do not accept as fact much that is printed in your news medias and books, My children. Pray before you read that you may receive the light to separate fact from lies and fallacies. Under a controlled state, you will only be given what they, the masters, choose to give to you to read and absorb. That is human control. However, it is a sad fact that when they control the human they enter upon the soul of many.

"You will, My children, pray for your bishops and your clergy. Pray for those who have still a small flicker of faith in their hearts that they may rekindle their faith and stand up and be counted.

U.S. HEADS FAST TO SCHISM

"We do not want a separation within My Son's House, the Roman Catholic Church under Peter and now Pope Paul VI. We do not want a separation within My Son's House. The United States of America heads fast to a schism. Fight, My children; do not give in to the forces of evil. Fight the enemy with prayer.

"Repeat, My child, the direction given to you, dictated by Theresa:

Exhortation

Dear Holy Father, worried and wan
Will struggle with Jesus to gather the sheep.
The pastures are rich, but the sheep grow thin,
For the souls have succumbed to the sickness of sin.
You'll need more reinforcements from Heavenly shores,
So deep is the darkness of earth's shallow mores.
All hearts must ascend in true supplication
To avoid the sad fate of divine devastation.
Dear Holy Mother, your Mother of love,
Does beg you to heed these dire words from above:
His heart is torn by careless surrender
Of too many souls who don't try to remember
The Father, the Son, the Spirit of life_
Smite in the heart by the human knife
Of hate, greed, avarice, vanity:
All indications that sin is insanity.
What more must you do now but place the full load
Of saving all souls on the few who are bold,
Who stand up and fight for all Heaven's glory
And meet with Pope Paul at the end of life's story.

"The cross, My child, that was placed upon your flag has full meaning now to you, for your country, America the beautiful, shall fall unless there is now a complete reversal - not a renewal, My child, but a reversal of the ways that have set you into darkness."

Veronica - Our Lady now is taking Her Rosary and She's extending the beautiful golden crucifix upon Her Rosary out like this, and She's now placing it in front of Her and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is going over to the right side, directly over the second tree. Now coming down behind Her is Michael. It's quite windy because his gown now is blowing. Michael is carrying the balance, the golden balance, in his right hand and in his left hand he has a large sword; it's pointed downward. He's holding it very tightly in his left hand, and the balance is held in front of him. He's coming now directly behind Our Lady. Our Lady now is extending Her hand out with the crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, with graces: graces for cure and conversion, cure of the body and cure of the soul."

Veronica - Our Lady now is going across the sky. She's just gliding; it's like She's being carried in the wind directly across the sky. Now She's stopping over the first tree. She's quite high up in the sky, and Our Lady is extending Her right hand out with the crucifix of Her Rosary: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is placing Her hands across Her chest. Her arms, they're crossed now in a cross-like position. It is a stance of utter sorrow, humility, and acceptance.

Now Our Lady is pointing up, and appearing in the sky is a bear; there - a bear. It's a huge bear right over Our Lady's statue. It's so big it covers the whole sky. A bear. It appears to be looking at Our Lady. It's a very ominous-looking bear. Now there's a red glow all about the outside of the bear. And it's putting its paw up like it's going to attack Our Lady. The red bear is attacking Our Lady. Oh! Michael, though, is placing his sword - he's placing his sword between the bear and Our Lady. Now the bear is like he's mesmerized; he seems to have been stopped, just stopped right there. Oh, my!

Now it's growing dark. It's like the bear, it has just been faded out of the sky. And Our Lady is coming forward; She looks very beautiful in the light.

Our Lady - "Continue, My child, with your prayers of atonement. There is much that We must give to you this evening, but you will watch My hands and when I touch My lips you may speak and if I do not, you must remain silent."

[Pause]

Veronica - The sky is opening wide. There is a pink cast all around the outer edges of a circular pattern of light now coming - it's between the two trees, directly above Our Lady's statue. Now as the light is opening up, it barely opens up - there's no way I can explain it. And Jesus is coming through the light. He's wearing a - not white, but it's an off-color white; it's like a cream-colored gown, and there's a belt about His waist. It's a rope-like belt, almost a yellow color, a very pale yellow, like a beige yellow. And Jesus has His burgundy cape about His shoulders. His hair is loose, and it must be windy because His hair is blowing. Now Jesus is touching His hand, His first finger to His lips.

Jesus - "My child, I did not hasten to interrupt the reading of the photographs because much has been given this evening to all. It would not be necessary to give extensive discourses on the photographs, My child, for if I want them to read them I assure you they will.

"My Mother has gone throughout your world constantly awakening mankind to the dangers ahead. Because these warnings have often fallen upon deafened ears, hardened hearts, and blindness produced by excessive sin, there comes a time that there are steps taken, sometimes forcefully, to bring mankind back. If your world continues on its present course of destruction, I assure you, if left to yourself, there will be no flesh left. Therefore, many warnings have been given to mankind, but obviously they go by unnoticed.

"Unless you heed the admonitions of My Mother, voice-boxes that have gone now throughout your world constantly warning of the course mankind is following, a course that leads to his own destruction - unless you heed these warnings now, the Eternal Father will have no other recourse than to send upon you a great Chastisement, a Chastisement such as has never been seen by mankind in the past. And when it is over, there will be no way to measure the destruction upon your world and the loss of lives.

"Through the Eternal Father you have been given a warning and the time to do amends. What more can I say to you but that the hand of the Eternal Father shall be placed heavily upon your country.

"My House, the houses throughout your world are fast becoming dens of thieves. I shall cleanse them in My own time, and that time is short.

"My pastors, I do not intend to repeat Myself, but I have given you fair warning that We have looked into your hearts and found you lacking. By your example, which is majorly now poor, as you have followed like sheep to your own slaughter and you have accepted errors, lies, fallacies, and you have run with your sheep - yes, you've gathered your sheep and taken them with you - run fast towards the abyss. You have turned away from the light to accept all manner of novelty, implementation, until the light has grown dim within My House. I have cried in the past to you: shall you stand before Me and say that your teaching has been pure in My sight? Amen I say to you, in the name of your Creator, that you shall be cast into the pit.

RANK HAS NO PRECEDENCE

"Many mitres now hold major responsibility for the loss of their sheep. You have scattered them in all directions. And now what do you intend to do to restore My House? Restore My House now, for I shall return and I shall send you out of My House, forever lost to Heaven. Your rank has no precedence over another soul when this soul is being sent into the abyss. You hold a major responsibility for the loss of My sheep.

"My child, much must remain now in secret until the proper time. The world is fast approaching a great Chastisement. Those who have chosen to cast aside My Mother's warnings, only too late will they become aware of how they have wasted the time given to them to prepare their households. All who are of well spirit will have nothing to fear, but pray for those who have hardened their hearts and closed their ears to the warning from Heaven, for I say among you there will be many tears shed and great gnashing of teeth.

"In the ultimate Chastisement, houses will blow in the wind; skin will dry up and blow off the bones as if it had never been. Many eyes will see and still not believe, so hardened are the hearts now in sin.

PRIDE AND LUXURY YOUR DOWNFALL

"Your country, as a leader for the world, is setting itself in for greater chastisement. And why? Because of your example! Your luxury has been your downfall; your pride has been your downfall; and the Eternal Father has allowed you, in your sin, to continue fast upon your way so that you will reach satan, the prince of darkness, whom you have chosen to give yourself to!

"This darkness has entered not only upon My Church but into the hearts and the very homes, the life pattern of My children. Awaken from your slumber; look about you and recognize the signs of your times.

"Do not, O pastors, in your pride, think that you shall not fall under judgment. Oh, no! Your judgment will be far greater. For those who receive much, much is expected of them.

"You will all keep a constant vigilance of prayer. Keep your families close about you in the knowledge of truth. Parents must now nourish the souls of their children. Do not expect others to do this for you, for once your children have left your home

they must be well equipped to face the world that has been given to satan. The faith, the truth, the knowledge that I left with you must now be kept alive in the hearts of your children.

"My Mother is a Mediatrix between God and man. Through the mercy of the Eternal Father, Who does not wish that one should be lost to Him, you have been given extensions of time.

"The world cries peace, peace, and there is no peace, for they do not look for peace. The only peace is with their God. But they have set up now false gods to worship, idols of silver and gold to worship, power - and what is power but man's own destruction!

"Gather your treasures now and store them in the eternal Kingdom. You will, each and every individual, come over the veil with exactly what you left materially - with nothing! Your only merit shall be in the graces stored in your account in the Kingdom eternal. These graces are given freely for the asking.

"Every man shall be a master of his own soul. You will not place the responsibility for your fall upon another, with no human conception of obedience, for no man shall be obedient to satan.

"My children, keep in your homes the knowledge of truth, your books, your manuals that were given to you in the light. Do not succumb to the errors of your times, your times of humanism and modernism, for it is all obscured from your view, the truth, for this modernism and humanism - the trend has been promoted by satan."

Veronica - Now Jesus is rising up high above Our Lady's statue, and He's going over to the first tree and He's now bending over. He's lifting His cloak and placing it about His left arm. And He's holding His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over across the trees, and He's just above Our Lady's statue now. And Michael is coming from behind the first tree. He's carrying the golden balance, and his left hand has a sword pointing downward. And now he's standing over on Jesus' right side. Now Jesus is turning slowly; He's pivoting to the right now, and He's putting His hand out in front, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going way over to the left side. He's standing above the tall tree, and now He's placing His hand out in front of Him: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Eternal Father blesses you in the days ahead, and We send to you the Spirit of light to guide you."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Continue now, My children, with your prayers of atonement. They are sorely needed to balance the scale."

June 5, 1976

Eve of Pentecost

Veronica - The sky is becoming very clear. There's a deep blue cast over above Our Lady's statue. And now a large - I don't know how to explain it - it's almost like a cloud formation, making the letter "W" in the sky. And "W" is always warning to the world.

The blue coloring seems to be fading out. There is a bright light over on the left side, our left side. Our Lady is coming forward now. She has on a beautiful white gown with a blue sash about Her waist, and over Her shoulders and cascading over Her head is a light blue mantle, a beautiful light blue mantle.

Our Lady now is touching Her first finger to Her lips. That means to listen and repeat. Our Lady is extending Her arm out now and pointing upwards to the sky. In the sky is appearing - oh, a hammer and a sickle. The hammer and the sickle now is lighting up in a bright red color.

Our Lady - "My child, the world is approaching a great crisis - revolution upon revolution, because mankind has not heeded My warnings of the past. The Red Bear shall go forward and do his dastardly works of deception.

"The Holy Father, Pope Paul VI, is suffering much, My children. Those whom he has trusted have turned against him, have eaten at his table, have shared his confidence, to then betray him. O My children, you do not listen. You go upon your way with hardened hearts, and you have closed your ears to My warnings.

COUNCIL STARTED WITH GOOD INTENTIONS

"Bishops in My Son's House, Church, you have gone astray. You have scattered Our sheep. You have joined with all manner of heretics and false teachers. You started with good intentions in your Council, but you became deluded in your search for peace and brotherhood. You allowed all manner of error to creep slowly into My Son's House, Church. You must understand that you are setting in motion the formation of a World Council of Churches, but it will not be the Church of My Son. It will be a church of man, a church without the true foundation.

"My children, for the love of money and power, many are selling their souls. What have you to gain if you gather all of the honors, the glories, the treasures of earth and come across the veil with no measure of compensation to allow your soul to enter into the Kingdom of your God, the eternal Kingdom, your final home?

"Many mitres are on the road now to perdition. Awaken from your slumber, O pastors; you have fallen asleep! You do not read the Book of life and love, your Bible. You have set yourselves wandering through the darkness. You are deluded, for you have accepted a new way, one evolved from humanism and modernism. It is all the deception of satan. My Son in the Eternal Father allows mankind to fast go onto the road to his own destruction, because sin has become a way of life among you.

"My children, do not compromise your Faith. Do not join with the enemies of My Son. And I say unto you: All who know of My Son and deny that He is the Christ, they are the Antichrist. Birds of a feather will flock together. Do not become unevenly yoked. You must not gather all churches with the one true Church, for you cannot do this now. You are deceived, and you are deceiving.

"You must not compromise your Faith. You cannot lower your standards and bring others into My Son's Church, for you bring in all manner of heresy and abominations. By your example did you gather Our sheep, and by your example now do you scatter them. I say, as your Mother: Turn back from your road, for you are on the way to perdition. Know that there has been sent upon you demons of special mission who have evolved your world on the road to full capitulation to the agents 666.

"Scientists, theologians, ever seeking but never finding the truth. In their pride, arrogance, they go forward searching, but never finding the truth, for the truth is in their hearts but they are blinded by their pride.

"Do not be deceived by the teachings of false teachers who claim, My children, that all will enter into the Kingdom because My Son sacrificed Himself for you. The Kingdom of your God was made for all, but all do not enter it. There is a Heaven; there is a purgatory; and sadly, there is a hell, the place of eternal damnation. The sheep are being separated from the goats, the wheat pulled from the chaff.

"The Ball of Redemption shall cleanse your world in a baptism of fire.

"O My children, how far you have strayed from the truth! The knowledge given to you by your prophets were written down in truth to guide you, but now you change the words to suit your basic carnal human natures. Go back and read, My children, the true words of your prophets. But do not accept changes in the Book, for these changes have been promoted by satan. Heresy, O mournful heresy, whatever shall become of you!

"Parents, I caution you anew to guard the souls of your children by your teaching and example. You cannot save your children's souls by giving them to false teachers and the world, for the world has now been given to satan.

"Many martyrs, many saints shall come after the battle. Many martyrs shall come from out of the battle. Pick up your cross, My children, and carry it, for no man is above his Master. As they persecuted My Son, so will they persecute you who follow Him.

"O pastors, will you stand before My Son and say that your teaching has been pure in His sight?"

NO EXCUSES FOR MURDER OF UNBORN

"The children are the innocent victims of their elders. Your country and many countries of the world stand now in judgment by the Eternal Father for the murders of the unborn. No man shall destroy a creation of the Eternal Father. The spirit of life is breathed at the moment of conception into the body of a living child. At the moment of conception, the soul is placed by the Eternal Father into that child, and no excuses for murder shall be accepted by the Eternal Father.

"Darkness of spirit has entered upon your country and the world. Pray much, My children, for the value for life and the living grows dim. In your world of spiritual darkness, there shall be a loss for the love of life. Death will become commonplace as man loses his love of neighbor. But first and above all, he has lost his love of his God.

EUTHANASIA IS MURDER

"No man shall murder - and it is murder, My children, when he shall give the excuse of saying an individual is no longer living or a part of the world because he has become emaciated, because he lives only with prayers and the help of all scientific means. The Eternal Father has placed a soul in that body. That body is the temple of the Holy Spirit! No man can know when that soul must return to the Eternal Father. No man shall hasten its exit from a body by murder! Euthanasia is murder! Shall you become a judge over the living and the dead?"

"I give fair warning, as your Mother, that the world has set itself upon a course for its own destruction. In My Son's House it shall be bishop against bishop and cardinal against cardinal, for satan has set himself in their midst. It shall be mother against daughter, father against son. There shall be discord in the home as the family heads struggle to maintain the Faith.

"O My children, the battle of the spirits is far greater than any human war that man knows of. The days as given by your prophets are here. Recognize the signs of your times, My children, and act upon them. All who have been given the great grace to hear My voice, to accept the warnings from Heaven, know that much is expected of you, for you must go forward and recover your straying brothers and sisters.

"Pray a constant vigilance of prayer, My children. Pray for the struggle that now is taking place in the Eternal City of Rome and the struggle that is entering upon many countries of Europe. The evil of the Red Bear is spreading, My children. Prayer, atonement, and sacrifice. How long can I hold back the heavy hand of My Son?"

Veronica - Now it's growing very dark. Our Lady is moving high above the trees on the left side. Now Michael is coming down behind Her. He's dressed in a very long white gown. His hair is short and it's very brilliant; it almost has a metallic appearance. There's no way I can describe it. It's almost metallic, and the gleam of it is startling, because it seems to cascade over his shoulders in a yellow-golden glow.

Our Lady now is reaching to Her waist, and She's taking out Her Rosary. And Our Lady is placing the crucifix in front of Her, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is going across the sky high above Her statue. She's looking down very sadly. Our Lady looks very sad. And She's placing now Her crucifix out in front of Her and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is going clear across the sky. She's floating; She's carried like on the wind. There's no movement of legs or anything. It just seems as though She's weightless and carried over now above the tree, right directly to the right of Our Lady's statue. Now Our Lady is leaning down and extending Her crucifix out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My child, you will be seated now, for there is much that I must discuss with you in secret at this time."

[Pause]

ST. JOHN NEUMANN

Veronica - Over in the sky above Our Lady's statue, but far to the rear, there are many figures coming now through the sky. I recognize Saint Theresa. And there's a man standing next to her. He has on a cassock and a large cross about his neck. It's a silver cross. Blessed Neumann! The man, Blessed Bishop Neumann, is carrying in his right arm a book, and he's pointing now with his left finger to the book.

Bishop Neumann - "The catechisms - the truth is not being given as given by the Holy Spirit to mankind. The truth is going into darkness. In my city there will be a great meeting of those hierarchy who hold responsibility for these atrocities. In the good Book, in the books that teach the children, there is much to be restored.

"Many have entered upon a life of self-indulgence. They no longer understand the value of their calling by living a life of poverty, humility, and chastity. Strip yourselves now of those trappings of the world that ensnare you and snare your souls, my brothers, and destroy your vocation.

"The years left to you are few to recover the flock, the sheep that you have scattered. Awaken now from your slumber, O you of little faith! The Red Hats, the Purple Hats wandering in darkness of spirit! O my brothers, I am fully aware of your trial; I am fully aware of the errors that have entered upon you. Your obedience is to the Eternal Father. No man shall be justified in promoting error and heresy! I say unto you that you shall be judged in the least! Turn back, my brothers; you are crumbling the walls. But Jesus is the foundation, and you shall stand before Him and He shall ask you of an account of your time, and how many souls have you brought to Him?

"You must all turn back now, get down on your knees, and live a life that strips your human nature of all that has corrupted you. Restore the truth!"

Veronica - Now the blessed man, Bishop Neumann, is now handing his book, the Bible, to Michael. Michael has carried it now in his left hand, and his right hand is holding a balance. The good Bishop has now in his right hand a large golden crosier, the bishop's staff. He has now a mitre upon his head; it's a beautiful golden and red color. And the two sides, there is a band, a ribbon that is coming over his right shoulder now, hanging down; it's a beautiful gold and red ribbon, a deep red. It's not a red as we know it, but it's a rich, velvety-looking burgundy red.

Now it's becoming very, very brilliant over on the right side by the trees, and coming now through this tremendous brilliant light is Jesus. He has no shoes on. He has on a cream-colored gown with a cape, a burgundy-colored cape about His shoulders. Jesus' hair is streaming down onto His shoulders and His back. He's smiling now. I can see Him very clearly, but it is a very sad smile.

Now Jesus is going - He's just carried on the wind - He's going across the sky, and now He's nodding to Our Lady and the blessed Bishop. And Saint Theresa now is standing behind the Bishop. And now Jesus is touching His lips.

Jesus - "Listen and repeat."

SOILED THEIR GARMENTS

"My children, I could bring before you all who have passed over the veil, all who also stood the test of time and the test of faith. It is sad that I must bring the knowledge to you that many who had started with the greatest of prospects have now soiled their garments. But for the prayers and acts of sacrifice of loving hearts, many of these mitres would fall into hell.

"I do not have to add upon the words of My Mother. It is sufficient to say that all has been made known to you, to mankind: the coming days, the approach of the great Chastisement, and the Warning that will soon come upon mankind to awaken him from his slumber. You have all entered upon a crucial time in the history of mankind. Pray a constant vigilance of prayer.

"There are many voice-boxes throughout your earth, and We say to them: Shout the message from the rooftops! Good words kept in a closed mouth is like placing meat, meat on a dead man's grave. I repeat: good words kept in a closed mouth is like placing meat on a dead man's grave."

Veronica - Jesus is now going across the sky and He's standing just above the Pope's flag, the papal flag. Now He's taking His hand and placing it in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "My children, pray a constant vigilance of prayer for your Vicar, Pope Paul. The enemies are gathering.

"Communism shall be the scourge of mankind. All that is rotten will fall. Recognize the signs of your times, My children, and you will not fall into the web of satan.

"I give fair account to all of Our bishops throughout your world that you must give account to Me in judgment for your sheep, and shall you stand before Me and say that your teaching has been pure in My sight? Many mitres shall fall into hell, for you are on the road to perdition.

"You shall not compromise My House, My Church. You shall not gather souls by destroying the principles of My Church, for you have scattered the sheep. By your fruits have you been made known to the world. It truly cries teardrops from Heaven. You have been given a warning, and you will act upon it.

"O My children, My Mother has gone throughout your world as a Mediatrix from God to your world to meet with rejection and scorn, and that is why We can truly say that only a few will be saved.

"Those who have been given the grace to hear these warnings and act upon them, much shall be expected of them. Continue in the days ahead with great perseverance, fortitude, and hope, knowing that the eventual victory is with Heaven. This is the day spoken of, written of, and prophesied in the past. It is the time of the separation of the sheep from the goats, a time of trial for mankind. The Eternal Father has a plan for all. No man can fully understand the ways of the Eternal Father, for they are surely not akin to man's. Continue with your prayers of atonement, and by your example reach out and gather Our sheep."

Veronica - Now Jesus is placing His hand in front of Him, like this, with His three fingers extended, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Father blesses you, and We send among you the Paraclete. Continue now, My children, with your prayers of atonement, for they are sorely needed."

June 12, 1976

Eve of the Most Holy Trinity

Veronica - The sky is becoming very clear. It's turning into a beautiful lighted coloring of blue. Now directly over Our Lady's statue to the left, in white, there is forming the letter "V" for victory. And Our Lady now is coming forward from the center of this "V" formation.

Our Lady is dressed in a long white gown with a cape, a mantilla-like cape. It covers Her head down to Her toes - a cloak-like cape. And it is a brilliant white, but there is a border of gold all about the cape. Our Lady has on a flowing white gown beneath it, and there is a belting of gold about Her waist. Our Lady is very slender.

It's quite windy, and the wind is catching Our Lady's cape. Now on Her head there is a crown, a circular crown, a ball-like crown with a cross on the top of it. The crown is made all of gold. It's very beautiful. Our Lady looks very fragile and young. I would say She looks almost about thirteen, fourteen years of age, very child-like.

Our Lady now is standing with Her fingers joined in prayer, pointing upward.

Our Lady - "My child, I am demonstrating the stance that Heaven expects of Our children in their prayer life. During the Holy Sacrifice there is much disrespect evident. You must, during the Sacrifice, place your hands together this way, and join in spirit with My Son during His Sacrifice.

"My child, you will receive this evening many photographs of the coming Warning. I have directed you in the past to prepare for this Warning and the great Chastisement.

"Mankind will accept or reject My message in his free will. However, My child, do not become involved in petty matters. You must not concern yourself of all that is said or written about you that is derogative to you. I cautioned you upon a visit before, My child, that it would be best if you avoid reading these comments, for I know you are susceptible to feeling and emotions that are not constructive to your mission. It will attack your weak body.

"You must pray more for your bishop. He is traveling upon a dangerous road, for he is consorting now with the enemies of his God.

"A great delusion has entered upon mankind. The forces of 666 are gathering. They are in your country and in every major country in your world now.

"Remember, My children, do not waste your time looking for one individual man. The man of perdition spoken and written of in the past is a general term. It is not one man, but it is a massing of the spirits. You are truly now engaged in a great war of the spirits. It is a war far more deadly than human promotes. It is a war that will claim the souls.

MR. 666-A GENERAL TERM

"My children, recognize the evil about you. Mr. 666, the man of perdition - a general term, My children, I repeat - they are the forces of evil now that are working towards the elimination of the knowledge of the existence of your God. My Son's House, His Church, is under great attack by satan. Hell and the forces of hell are loosed upon earth, but they shall not prevail against My Son's Church.

"Pastors in My Son's Church, I come to warn you that you are being misled. Those who have the greatest power have now lost the Faith.

"My children, you must pray more, do much penance, for the Warning is coming upon mankind.

THE SKY SHALL ROLL BACK

"There will be a tremendous explosion, and the sky shall roll back like a scroll. This force shall go within the very core of the human. He will understand his offenses to his God. However, this warning will be of short duration, and many shall continue upon their road to perdition, so hard are the hearts hardened now, My child.

"A great Miracle shall take place. Scientists will seek to rationalize this Miracle.

"We battle, My children, the very forces of hell let loose now. All hell is raging, for satan knows that his time is growing short.

"Do not, My child, concern yourselves, yourself or your brothers and sisters in My mission to reach mankind, do not concern yourselves with public opinion, for you will waste valuable time. Go forward with perseverance, endurance, and fortitude. Go forward and gather Our straying sheep.

"Your Holy Father in Rome, the traitors gather about him. A red cardinal has now set himself to rule.

"The rabat is the teacher of life, but woe to those who choose to foul their garments!

"Your country, My child, My children, and many countries throughout your world have given themselves to debasement and all practices of evil. There shall be set upon the world much sorrow, much trial, with gnashing of teeth.

"Many minor warnings, My child, have been given to mankind, but they go by unnoticed. In your human nature, many shall not listen until it is too late. Why must you receive the sword before you will listen? Wars are a punishment for man's sins!

"Many shall die in the great flame of the Ball of Redemption. The miracle you seek, My child, shall be a great warning to mankind.

"The world is passing through a great crucible of suffering. As time progresses faster and faster and the hourglass runs faster and faster, My children, you will see your world progress into a form of total madness, for sin, My child, is surely insanity. Sin has become a way of life in your country and many countries. I should say, My child, most nations throughout your world now have accepted the rule of satan. Woe, woe, woe to the inhabitants of the earth! When the world and My Son's Church becomes as one, know that the end is near and at hand.

"Do not be concerned, My children, for the eventual victory is with the forces from Heaven. Satan shall claim any woman, man, or child who has fallen from grace. Satan will claim them to do his work to destroy souls. He will enter, he has entered upon governments, in all walks of life. He now has control of your medias, your entertainment, your schools, and your Justice Department. Justice? Justice is in blindness. The Faith has grown weak. When My Son returns, shall He find even a small flicker of faith left?

"The simple context of Faith is being cast aside and replaced by all manner of novelty and implementation. You have received a firm foundation. There is no need to change. Heaven, the Eternal Father knows no change, for He is, He was, and He always will be. There is no change in Heaven.

"My children, whatever shall become of you! You dress in nakedness; you come into My Son's House in nakedness. Immorality is widespread throughout your world. Read, My children, and learn: When a country has reached a point of no return, it has always started with the fall of morals!

YOU PAMPER THE BODIES

"Parents, have you no discipline to give your children? As parents, you shall be responsible before the Eternal Father for the fall of your children's souls! Take yourselves, parents, from the world. Open your eyes and look into the lives of your children. You have become engrossed, as parents, with worldly cavortings and pleasures. You pamper the bodies, the temporal bodies of your children, while you starve their souls, the eternal soul of your children.

"What are you teaching your children in your homes? Parents, you bring depravity in your reading matters - books of filth! You call yourselves sophisticated and worldly? For what? To impress a mankind? When you come over the veil no man shall stand forward and be able to plead your cause. You will come stripped before the Eternal Father Who will look into your heart, and what measure of merit have you brought with you.

"Day by day, hour by hour, minute by minute, souls are falling into hell. And many go into purgatory and will spend days, hours, months, years to be cleansed! Some, My children, will remain in purgatory until the end of time. Many come into purgatory because of sins of the flesh. Many have gone into hell, eternal damnation and banishment, because of sins of the flesh.

"For the love of money and worldly pleasure, many are selling their souls to get to the head. The Red Hat has fallen and the Purple Hat is being misled. Come out from them, My children, or you will be partakers of their sins.

"Each man, woman, and child who has reached the age of reasoning is accountable for the salvation of his soul. No man shall stand before the Father and say: I destroyed my soul to please man. You cannot please man and the Eternal Father, for you will love one and hate the other.

UNITED YOU SHALL STAND

"In My Son's Church it is becoming a House divided. United you shall stand, and divided you shall fall! And why are you becoming divided? Poor leadership, My children, poor example, and not enough prayers!

"I plead as your Mother, I beg as your Mother, to stand there as a fortress and fight the evil. Do not run away; do not abandon My Son's Church. Remain and pray; fight! The greatest weapon for mankind now is prayer. The Eternal Father is merciful. He will chastise those He loves to bring them back to the fold. All who persevere to the end will be saved.

"My children, you must pray much for Our Vicar, Pope Paul. He is truly a prisoner in his home, his Church. Woe, woe to those pastors who sit with him at the table and then produce the knife behind his back!

WARNED ABOUT MODERNIZATION

"In the Eternal City of Rome now, red forces gather. And why? Because they do not pray enough. They are, My children, busy running in all directions, setting up new government, new procedures, all manner of implementation and novelty, trying to rise high above the Eternal Father, placing man on a pedestal to worship. Long were you warned to beware of modernization in My Son's House. Humanism is satanism! You do not bring a soul back by laxity and feeding his carnal nature. Discipline is needed, but first and above all, this discipline must start with the leaders.

"My child, the message has reached the Eternal City. You will have no need to personally contact the cardinal and the archbishops. You, My child, will pray for them, and remain in the retirement that was imposed upon you.

"You will receive, My child, many photographs this evening. Read them carefully. Much must be given in secret at this time."

Veronica - Now Our Lady is reaching to Her waist, and She's taking out Her long Rosary. It's such a beautiful Rosary! The beads are so large - oh, they're like, almost like golf balls, they're so big! Now Our Lady has the crucifix in Her hand. It's a golden crucifix, beautiful! And as She's turning now, Our Lady is smiling. It's a very sad smile. And now Our Lady is extending the crucifix out, like this, in front of Her and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is going across to the left side of the sky. And now She's floating over to the top of the tree and looking down, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now there's a great light coming from over the trees, and Saint Michael is coming forward. Oh, and Saint Theresa is behind Her. Now Theresa is pointing up to the sky, and there is a tremendous star coming through. It's growing larger now; it's coming just above Our Lady's statue. And there's, there's - oh, there's a red throne-like seat, and there's an elderly man sitting upon the throne. He has very white hair, snow-white hair, and a white beard. And he's now - he looks very kingly, and he's now smiling. He looks like a dear old grandfather.

Our Lady now is touching Her lips, meaning listen.

Our Lady - "My child, I give you sight, My Son gives you sight of the Eternal Father.

"You will not understand, My child, fully, the meaning of the Trinity, for it is the Father, the Son, and the Holy Ghost in one: God the Father, God the Son, and God the Holy Ghost, the Paraclete."

Veronica - Now it's becoming very dark and I can't see the kindly old man on the throne. And the star is disappearing. It seems to be covering the whole scene entirely, a beautiful star. It's a five-pointed star - one, two, three, four, five points. Oh!

Now Our Lady is touching Her lips.

Our Lady - "My child, you will be seated now and read the photographs. My Son will talk to you, for there is a matter of great urgency."

[Pause]

"My child, the Eternal Father is a spirit, but nothing is impossible with the Eternal Father. To all He is everything. There is no race, no color; to all He is everything. This is the greatness of your God.

ABORTION AND EUTHANASIA

"The Eternal Father is much distressed by mankind's actions. They must not try to control the start and expiration of a life. Abortion is murder, My children, for you bring to an untimely end a mission of a soul. The Eternal Father breathes the spirit of life into the body at the moment of conception. No man shall destroy this body until it has completed its mission as directed by the Eternal Father, for any man who destroys the mission and the body is guilty of murder. Euthanasia, untimely death, My children, man has transgressed into a form of evil far worse than in the time of Noe or Sodom. Therefore, how great shall be the punishment to mankind!

"In these days, My children, the signs of the times come fast upon you. There will be no charity of heart; selfishness shall abound. There will be little light of piety. Morality - the word shall not be accepted. Sin has become a way of life.

"I shall never, My children, grow tired; My voice shall continue to reach mankind until the great baptism of fire. O ye of wicked intent, who will seek to destroy Our voice-boxes, know that you may destroy, but others shall follow. The word of God shall go throughout your world, and all will have received fair warning, and then shall come the sword.

HIGH WAVES TAKING WITH THEM CITIES

"There will be tremendously high waves roaring and taking with them cities. Buildings shall disappear from their moorings. The atmosphere shall spew forth currents of great heat. A darkness of spirit and a darkness of atmosphere shall settle in a deadly quiet upon mankind.

BEWARE OF THE SUNRISE!

"As the day follows night, so shall this Warning follow soon. Beware of the sunrise! Do not look up to the sky - the flash! Beware of the sunrise! Do not look up to the sky - the flash! Close your windows; draw your shades; remain inside. Do not venture outside your door, or you will not return. Pray! Prostrate yourselves upon your floors! Pray with arms outstretched, and beg for mercy of your God the Father.

"Do not seek to receive your animals into your homes, for the animals of those who have remained of well spirit will be taken care of.

"O My children, how many will try to go back and restore their homes when it is too late!

"Keep blessed candles, water, blankets, food within your homes. The candles of those who have remained in the state of grace shall not be extinguished, but the candles in the homes of those who have given themselves to satan shall not burn! Amen I say to you: as night follows day, a great darkness shall descend upon mankind."

[Pause]

Veronica - It's becoming very still. The clouds that have gathered over our heads are parting, and there's a tremendous bright light coming through the clouds. It's crystal; it's dispersing the clouds, and Jesus is coming through the center of the light.

It's very windy. His hair is blowing, and the cape - He has on a burgundy-colored cape and a cream-colored gown with a belting around the center. It looks like cording. It's a cream, almost a dark cream, beige-looking cording about His waist. And Jesus' feet are bare. I can see His feet from under His gown. Now Jesus is touching His lips with His first finger. It means to listen.

Jesus - "My child, My Mother has given the warning to mankind. She has wandered throughout your world as a trumpet from Heaven, a trumpet that will sound a warning that shall reach every man, woman, and child.

"I have come not to repeat, but to manifest to you as your God that you, mankind, have been given fair warning to do penance, atonement, and right the wrong while you have the time.

MADE THEMSELVES RULER BY FORCE

"Your Vicar, Our Son, Pope Paul VI, he is bound, symbolically bound, tied up, a prisoner in his own house. O you who have made yourselves ruler by force over your Vicar, symbolically tied him up, know that your time grows short. It is with the power allowed to satan that you shall fall, for all that is rotten shall fall.

"Because of your sin, because of your arrogance and pride, you have brought into the Eternal City forces of evil. You have opened the doors, allowing men of weak faith and those heretics and men - separated brethren - to enter upon you. You shall not compromise My House, My Church, for you are separating My sheep.

"Awaken from your slumber, O pastors! You have become soft and pliable to the enemy, because you have fallen asleep on your job! Compromise! Change! If you have a solid foundation - and you were given a solid foundation - what need is there to change, for you seek then to change the foundation. You are chipping away at My Church; you are burrowing like rats into the foundation of My Church.

"I shall return, and I shall send you out of My Church, O you of little faith. It is not your soul that you have set into jeopardy, but it is the souls of those under your care and direction. You are misleading, and you are setting many souls onto the road to perdition. When you cast aside your collar and join the world, you cast aside your vocation. I give now fair warning to Our shepherds: Gather My sheep now, for many mitres shall fall into hell!

"Parents hold a great measure of responsibility for the safety and safeguarding of their children's souls. There will be much trouble, many tears cried by parents, for they do not listen until it is too late.

"Heresy, O mournful heresy, whatever shall become of you! Restore the truth; keep the foundation intact, for I know that the time approaches when you will search far and wide for a true man of God.

"There will be a great Chastisement set upon mankind. There will be a gradual removal of many before this Chastisement. The world rejects these warnings; they have learned nothing from their past. Those who have the power, those who have the knowledge and ability have reversed their course in life, and are using this knowledge and power to destroy souls.

"How long, you ask, shall the saints keep crying out for their just revenge? Many have received their peace at the cost of the shedding of their blood, and many more shall enter at the cost of the shedding of their blood.

WARS AND UPHEAVALS OF NATURE

"You will hear of wars and upheavals of nature, but it is only the beginning. There will come upon mankind a great War and the Chastisement, but I promise you that I shall return, for if I do not there will be no flesh left upon earth.

"You have cast aside the warnings of My Mother. She warned and warned of the encroachment of the bear upon mankind. She warned of the evils of communism to mankind, but how many of you listen and act upon these warnings? Now is it too late, My children?"

"You will all keep a constant vigilance of prayer. Save your children. Keep the Faith in the hearts of those you love, for those who knock upon your door are evil.

"Do not be concerned of your body, but have at least a small measure of fear that you do not lose your soul, for your life eternal is in the spirit. There is no death to mankind in the spirit. Your eternal life is over the veil, and every man, woman, and child born upon earth must pass beyond the veil sooner or later.

"Do not fall for the fallacy that My trial and My suffering upon your earth has automatically given you free access to the Kingdom of the Father. No! This must be by merit. You must want to enter the Kingdom; you must prepare for the Kingdom; you must make ready for the Kingdom now, for many are called, many shall be called, but only a few can enter. Man has a free will; he is given the choice.

"Your country, America, and many countries now are in control of the machine, controlled in turn by satan. You will all pray that your country, the United States, receives a leader who accepts his God, for woe to your country if you receive an agent of 666. Already you will learn by past.

"Many signs shall be given for your direction. If you are not blind, you will recognize them. I assure you, My children, when the Chastisement is to come upon you, you will all know.

"It is not by accident that you are called by My Mother, for it is by merit and the prayers that have risen to Heaven for your salvation. For those who have received the grace to hear the Message from Heaven, you have a great obligation to go forward and bring this message to your brothers and sisters. Do not expect a rest upon your earth, for you will have eternal rest very soon.

"My children, do not concern yourselves of the opinion of mankind, for you have been chosen from the multitudes to do battle in this great time, the times given by your prophets, the times of the latter days. Many saints shall rise out of this conflagration; many latter day saints shall come through the battle."

Veronica - Now Jesus is placing His cape over His left hand, His arm, and He's placing His right hand out in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over to the left side just above the tree, and He's now bending down, placing His arm out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Father blesses you, and We send to you the Paraclete."

Veronica - Now Jesus is going across the sky. He's not walking; He's floating. It's as though the wind is just carrying Him across the sky. And He's looking down now, and placing His hand out in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Continue now, My children, with your prayers of atonement, and by your example be true candles searching in a world of darkness."

[Pause]

"Call upon Saint Michael often in the battle ahead. Keep your guardian angels always on call."

June 18, 1976

Sixth Anniversary of Our Lady's Apparition At Bayside

Veronica - The sky has a very deep red tinge. There are circlets of blue light coming through this red tinge that's becoming more of a pink color. Now the sky is opening up, and Our Lady is coming forward. The light is very brilliant.

There are many graces being given this evening. I'm certain that everyone can see the manifestation of graces coming from the sky in all directions. There are slivers of glass-like, crystalline slivers symbolic of the graces being given.

Our Lady is dressed in a flowing gown, a beautiful white gown. In the light and the colors about Her, the gown seems to be casting off a pink glow. Our Lady's feet are bare. No, as She turns I notice now there are small rosettes, a rose on the instep of Our Lady's feet, a small golden rose on each foot. Our Lady has on a blue veil, a mantle, a blue, a very pale blue that's cascading over Her shoulders.

Our Lady is looking over now to Her left, our right. Our Lady is taking Her Rosary from Her waist, extending it in front of Her, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My child, I have enlarged upon the blessings being given this evening to all, on this momentous occasion of My visit to earth."

Veronica - Our Lady now is going across the sky to our left. The graces are coming down in abundance in the form of slivers of crystalline lights. The lights are all over the sky. I'm certain there isn't a soul present who isn't aware of these lights. Our Lady now is bending forward and extending Her right arm out, with the crucifix from Her Rosary: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is going across the sky. She's standing directly above Her statue and touching Her lips with Her hand, the first finger of Her hand.

Our Lady - "My child, I wish that you be seated. I know of your great trial. I cannot expect you, My child, to understand why you are permitted this cross.

"As a voice-box from Heaven, My child, you will not be free of the cross. Many victim souls are needed now throughout your world. The saints in Heaven cry for vengeance upon an ungrateful mankind.

"I have traveled throughout your world with the warning from Heaven. Many have accepted and many have rejected. However, this message shall be given to all. Man has been given a free will and shall accept or reject, and it will be his punishment if he rejects.

"The Eternal City of Rome shall go through a great convulsion. You will notice, My children, the many symbols of the noose. The noose means Judas. In the Eternal City of Rome, the forces are gathering to oust your Vicar. I cry bitter tears of remorse, for much has been given to your Vicar to suffer from those he has trusted. The Red Hats in the Eternal City of Rome have been given fair warning that they have set themselves onto the road to perdition. Sadly, they are taking many souls with them. The Red Hat has fallen, and the Purple Hat is being misled.

"O My children, Our pastors, awaken from your slumber! You have scattered Our sheep. You must gather them now, while there is time. The children are the innocent victims of their elders. The Faith must be given to them by their parents. Your children are wandering. They shall be like dead souls in a living body.

"All manners of aberration and evil have entered upon My Son's Church. Recognize the forces of evil about you. A great delusion has been sent upon mankind, so that all who have given themselves to satan shall run fast into the pit. Satan knows that his time is growing short, and in this manner must gather those who have given their souls to him. O My children, do not be influenced by the mockery and those who cast aside the warnings from Heaven.

"Many will sell their souls to get to the head. There are many traitors in the city of Rome. Without your prayers, many mitres shall fall into hell.

"My children, you have fallen into errors. My Son gave you a concise, a direct plan for your salvation in His House, His Church. All manner of novelty and change must be stopped now. You will not gather souls with compromise.

STOP NOW YOUR MEANDERINGS

"You who call upon the Spirit forcefully command the spirit of darkness, the prince of darkness, to send his agents into you. You are treading where angels would fear to go, My children. You cannot force the Spirit to come to you. It is a gift given at the discretion of the Eternal Father. Stop now your meanderings into regions of darkness.

"Your world cries peace and brotherhood. And the more you cry peace the farther you go from peace, and why? Because you seek to find peace without your God. Man cannot send up his prayers unless they are founded on charity and a search for salvation through My Son. No man shall come to the Eternal Kingdom of the Father except through My Son.

MICHAEL MUST BE RETURNED

"In your search for peace and brotherhood, you are building another religion, My children. It is a false religion of humanism and modernism. How many warnings were given to you in the past, warnings against these forces, the forces sent out from hell! You pastors who have rejected Michael as the guardian of the Faith and My Son's House, you must return him in prayer and visual sight, his monuments, his statues to My Son's House, Church.

"Pastors, you go farther from your Faith. You deny the existence of the supernatural, for you are building a church of man. Turn back, for you will be forced to turn back by My Son. Because of your impiety, because of your immorality, and because of your atheistic leanings, My children, your country shall enter a great crucible of suffering. Many countries of your earth shall be cleansed by trial.

"The Eternal Father will chastise those He loves. O My children, prepare now. I have given you the plan for the days ahead. Wear your sacramentals. Do not discard them, for satan wishes you to discard them. They are your armor, your protection in the battle ahead. Many of the sacramentals given by My Son to His Church have been discarded as superstition and of no value. Darkness and delusion have entered upon the hearts of many of Our pastors. Cardinals, bishops, awoken from your slumber!

"My child, you will keep a constant vigil of prayer. Bar your doors to all but your family and close workers. It is a sad fact, My child, that there will be division within the homes of your country. Peace will not be given to mankind until he makes atonement to a dishonored God. The saints in Heaven cry out for vengeance upon a wicked generation.

"The Eternal Father cries tears of great pity and sorrow, for mankind continues upon the road to his own destruction. Be ye warned, My children, that the Ball of Redemption shall be set upon mankind. Skin will dry up and blow off the bones as if it had never been. Eyes will see and still not believe, so hard are the hearts hardened to the truth.

"Spiritual darkness is a wall, a wall that shuts out the light. You will all continue with a constant vigilance of prayer. My beads of prayer to mankind, the Rosary, shall lead you across your land. Recognize, My children, all of the graces given from Heaven for your enlightenment, enrichment, and fulfillment. You, My children, are children of light. Continue with perseverance in the days ahead. Do not slacken your pace, but send out My message fast. Shout it from the rooftops. The time, time and a half, as written by your prophets grows short. It will come upon mankind, the destruction, while the voices cry for peace."

Veronica - Now Our Lady is reaching to Her waist, and She's taking into Her hand the beautiful white Rosary, the white Rosary that has the golden Our Father bead. Now Our Lady is placing the crucifix out in front of Her and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

DO NOT JOIN THE SECRET SOCIETIES

Our Lady - "I bless you all, My children, as the Eternal Father sends you His blessings with My Son and the Holy Spirit. I caution you anew, My children, do not join the secret societies of satan. It is truly a synagogue of satan.

"These secret societies have covered themselves with all labels of brotherhood, goodness, and unity of man, but in what respect, My children, but subversion of your faith. Discipline must be returned to My Son's House. Those who have the charge of souls, Our hierarchy, must exercise discipline and holiness.

"You must all keep a constant vigilance of prayer for your hierarchy. Do not set yourselves to judge. For remember, the Eternal Father is always the final judge. We do not condone evil, but the Eternal Father is always the final judge."

Veronica - Our Lady now is rising higher into the sky. The wind is blowing. Our Lady looks very beautiful. The graces are still cascading down like slivers of tiny rivulets of glass. They're coming out from Our Lady's hands now. There are streams of light coming out of Our Lady's hands, just like they're, they're just coming from Her fingers. They're tremendous lights; there's no way I can explain them in my human words. They're a powerful light, and they're cutting right through the air onto the grounds and the peoples. Oh, they're just beautiful!

Our Lady now is placing both of Her hands out at Her side, but in an arc. She's moving Her hands now in an arc, like this, and the lights are pouring from Our Lady's fingers down upon the grounds. They have a great warmth. I feel a warmth that's beyond expressing in human words. It goes far beyond earthly existence.

Now Our Lady is placing the crucifix directly in front of Her, the large golden crucifix of Her Rosary, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Continue, My children, My child, with your prayers of atonement. They are sorely needed.

". . . opportunity, My child, you will send a note to My dear child who made the banner. It pleases Our hearts very much to accept this beautiful symbol of love. It will stand with all the banners gathered for My special sacred place upon the Shrine grounds.

"Yes, My child, the Shrine has been built; the edifice will be erected in time. Continue now, My child; you will be directed further by My Son."

[Pause]

Veronica - There is a large white bird, a very beautiful bird. It's going over now to our left side. It's a huge bird, covering the whole sky. Directly behind the bird, Jesus is standing. He has on a beige-colored gown that's belted about the waist. His feet are bare. He has no sandals; His feet are absolutely bare. Now His hair is blowing quite a bit; it must be very windy. Now Jesus is coming over, directly above Our Lady's statue, and He's looking about Him. He's smiling. Jesus has a very sad, but a beautiful smile upon His face.

Jesus - "My child, there is little that I could extend glee for. I do not come to bring you a message of doomsday, as My Mother does not come for that reason. We bring you the truth. Can We open before you a picture of joy, peace and brotherhood, when all about Us We see deception and evil and the fast working of satan within your hearts?"

"O My children, I will not go into a long discourse with you of the evil aberrations and all manner of deceit that has entered into the hearts of mankind, soul destroyers more numerous than in the days of Sodom or the time of Noe. In that respect, My children, what kind of a stern hand shall be placed upon you, as you go fast onto the road to your own destruction!"

MY MOTHER'S ROSARY IS BROKEN

"Your country and many nations upon earth have given themselves to all manner of sins of the flesh, corruption, and evil so vile that no human mind could conceive of this evil. But it has come up from the very depths of hell!"

"I admonish, as your God, all who are in My House to mend your ways. My heart is sobbing, My hands are bleeding. I long to see My creation and be filled with joy. My Mother's Rosary is broken, and no one wonders why, because too few pray. Many have discarded these beads of prayer, thrown them away, and have gone chasing after all manner of sin for diversion.

"Sin has become a way of life in your nation and many nations upon earth. You have, in your country, the gathering of the forces of evil. Never before in the history of mankind has man set up Babylon.

NEW YORK RESERVED FOR GREATEST PUNISHMENT

"Your city, New York, shall be set in reserve for a punishment far greater than shall be given to any city upon your earth. The forces of evil fan out like a cancer, polluting the world.

"Amen, I say to you: you will listen and act upon the warnings given to you throughout your world by many emissaries from Heaven. Act upon them or be destroyed.

"Justice has been clouded. Many minds have been poisoned by satan in your world. Evil has entered upon the homes. Children are the innocent victims of their elders.

"The time, time and a half is upon mankind and coming to its close. Have you listened and acted upon the warnings of My Mother? There will be gnashing of teeth and much woe set upon the earth by the dark forces of 666. My children, you will continue with the direction of My Mother in the days ahead. She has been sent to you as a Mediatrix between your God and man. Listen with an open mind and an open heart. Seek, and you will be given the way to the light.

"My Mother has gathered Her children throughout your world. None shall fall unless he falls of free will. Pray a constant vigilance of prayer, My children. Keep your monuments in your homes, your statues. Wear your sacramentals, for graces are needed to offset the forces of evil that are now raging to ravage the world."

Veronica - Now Jesus is placing His hand out in front of Him, like this. His fingers are extended, and the three fingers pointed outward. He's making now the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over to the right side. Our Lady now is coming behind Him from the first tree. She's crossing over and standing now at Jesus' right side. Jesus is extending His hand out now. He's over, directly over by our left side, next to the tall tree, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus is now bending down to Our Lady. She's just about, oh, the shoulder level beneath Him. And He's saying something to Her; I can't hear it. Now They're both going, They're gliding across the sky. They don't walk, They're like carried on the wind. They're almost weightless. There's no way to explain it.

Our Lady now is following behind Jesus, and They're going across the sky. And Jesus is bending down now. He's just above the Michael banner by the tree, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is touching Her lips with Her finger.

YOU MUST NOT GIVE LIP SERVICE

Our Lady - "My children, when you pray, for you are rescuing your brothers and sisters, you must not use what could be termed as lip service. You must pray with purpose and feeling from the heart. Each word will be prayed slowly, with understanding and reason, like this: Our Father . . . Who art in Heaven . . . hallowed by Thy name . . . Thy Kingdom come . . . Thy will be done . . . on earth as it is in Heaven. Give us this day our daily bread . . . and forgive us our trespasses . . . as we forgive those who trespass against us. And lead us not into temptation . . . but deliver us from all evil. Amen.

"Continue now, My children, with your prayers of atonement."

June 24, 1976

Eve of the Sacred Heart of Jesus

Veronica - The sky was very dark. There are blue lights now coming through the darkness. Now directly over Our Lady's statue there is a round cirlet of blue light. The sky is opening up, and in the center of this cascading light Our Lady is coming forward. It's becoming much brighter now; the whole sky is lighting up.

Our Lady is dressed in a white gown, a beautiful brilliant white gown with a blue sash about Her waist. And over Her shoulders and covering Her head is a deep blue mantle. It's a dark blue - not the usual pale blue, but a very deep dark blue, almost a purple.

Our Lady is carrying in Her right hand a very large brown Scapular, and in Her left hand She has Her Rosary. Our Lady is now fastening Her Rosary to Her blue belt, the sash, looping it over, and I notice it's beautifully looped. Our Lady has it dangling now from Her right side.

Our Lady - "My child, you must strive to be as perfect as the Eternal Father created you to be. This perfection is for strengthening your eternal soul. The perfection that you seek, My children, is in the spiritual realm.

"Man must now prepare for this final battle with satan. I do not have to repeat My warnings of the past to mankind. Suffice it, My children, to say that you must now pray a constant vigilance of prayer.

"There will be a gathering of Our bishops within the celebrating city of Philadelphia. Be it known to Our bishops that they must pray more, or it will become a carnival of errors. Satan has a plan of destruction in My Son's Church, His House. He knows, satan knows that his time is growing short.

"I must warn you, O you who wear the Red Hat and the Purple Hat, that you have been misled. Many are on the road to perdition. And those who have been given great grace, they must exercise this grace by sharing it with others for the recovery of souls.

"I give fair warning to all that your pursuit of humanism and modernism shall send many from My Church upon your earth. My Son has had His heart torn anew by the many who have cast aside His teachings, who seek to destroy the foundation of His Church, My Son. There are many Judases in His House. It truly rains teardrops from Heaven.

"My children, there are many candles in your world, a world that has fast gone into spiritual darkness and corruption. Immorality has stricken the children. Immorality is bringing your country, your nation, America the beautiful, the great, onto a road to its own destruction. You will celebrate, My children, your past, your present, but what have you given for your future? A nation that has gathered the material and lost the spiritual!

"O My children, I have come to you as a Mediatrix from your God. I bring to you a warning from Heaven. There shall be sent upon you a great Warning, and if this Warning is not heeded, you shall receive the Ball of Redemption.

"All prophecy, My children, all warnings have been conditional, conditional to man's response. My children, We now count only in the few those who will be saved.

"Your scientists, My children, are running to and fro, searching for the answer to their coming destruction. Scientists and men of learning ever searching, but never coming to the truth.

"Wars are a punishment for man's sins.

"My children, My heart is torn. I stand with you observing your road, the path you are traveling. Many lives shall be lost in the great War.

"The forces of evil are gathering about the city of Jerusalem. I walked there, My children. My home will be destroyed. There shall be much blood shed upon My home.

"My children, pray a constant vigilance of prayer. Do not set yourselves to judge your brothers and sisters, but do not run about to and fro crying peace, love, and brotherhood, when it is but a disguise for total destruction; when it is but a disguise of elimination of My Son's teachings from your lives.

EVIL FORCE LIKE AN OCTOPUS

"There is a great evil force now enshrouding your world. It is like an octopus reaching out in every direction to ensnare the world. It is a force of evil set up by satan. There are many arms of the octopus controlled by the monies of the world. For the love of money and riches, many will sell their souls to get to the head.

"O My children, what do you gain if you gather all of the riches of the world and destroy your soul? When you come over the veil - and you will come over the veil - what will you bring with you? Nothing of the material. You must gather your riches in Heaven now. They are supernatural, the graces, the merits that will allow you to enter into the Kingdom of your God. None shall enter this Kingdom except through My Son. None shall see the Eternal Father if they do not recognize My Son.

"Do not expect, My children, in your human nature to be able to understand the mysteries of Heaven that are sacred, but believe and you shall be given the way.

"Parents, your example is poor. You must now guard the souls of your children. Do not make exception for your way of life, for your way of life has become sinful. Your children are becoming the innocent victims of their elders.

"Parents, protect the souls of your children. Teach them modesty and piety. Keep them pure of spirit, for they will soon reach the darkness. Once your children leave the safety of your homes, they must have armor about them - sacramentals and graces based on faith, My children. This will take them through the darkness, the maze of destruction that satan has set all about them.

"My children, I will not tire, I do not tire as I guide you in these latter days. Many have rejected My message, many close their eyes in blindness. But pray that this self-instilled blindness does not enter upon their spirit.

VERONICA AN ENIGMA TO MANY

"My child, do not be concerned of the opinion of mankind. You will always be an enigma to many. You will continue as the Eternal Father directs you. All will appear before your very eyes. In your human nature, My child, We do not expect miracles of yourself. We accept your human nature with all of its failings. So, My child, remember sainthood is developed upon earth but it is gained in Heaven.

"You will continue, My child, to send My message out with great haste. Many arms shall be sent to help you. You will not be given more of a burden than you can carry. Do not be too anxious to know of the future, My child. I must be discreet in guiding you. It is for your protection, My child.

"You will remain in solitude, My child. You do not, at this time, have time to socialize. You must now give all of your efforts and strength to sending out My message."

Veronica - Now Our Lady is taking Her Rosary from about Her waist, and She's holding the beautiful crucifix. It's all golden; it's a beautiful, bright golden color. And Our Lady is extending it out now in front of Her, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is going over to Her left side, our right side, and She's rising high above the banners and the trees. Our Lady now is bending over and She's extending Her crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now just beyond the second tree there's a brilliant golden light now coming from deep into the sky, out of the sky. And Michael is coming forward now. He's dressed in a long white gown. His hair is so brilliant; it's catching the light now. And Michael is coming forward. He's carrying in his right hand a scale, a balance, and in his left hand he has a long spear. The spear is pointed up now, and Michael, though, is swinging it in an arc and pointing it downward.

Michael is coming up just behind Our Lady. And Our Lady now is moving. She's gliding over, directly over Her statue, and She's now bending forward and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is going, She's gliding, and Michael is directly behind Her, over to our left side. She's standing now just about a few feet from the limb of the tree on our left, and She's now pointing with Her hand over, directly over and down beyond the trees. Now She's lifting Her crucifix and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as the Eternal Father in My Son blesses you and sends among you the Paraclete."

Veronica - Our Lady is going - She is backing up, gliding backwards, high above the tree on the left, and standing there. It's very windy because Her gown is blowing, and Our Lady's cape is also blowing forward. Our Lady now is smiling and motioning.

Now Michael is taking his place directly above Our Lady's statue. He's left Our Lady's side and he's standing just above Her statue, high in the sky, and he's pointing over now to his left with the spear, and there are letters appearing in the sky, dark, black letters edged in white: D-I-S-C-O-R-D: "DISCORD," I-N: "IN," R-O-M-E. "DISCORD IN ROME."

Now high in the sky the letters are disappearing, but there are figures forming now of three rabbits, three figures of rabbits. They refer to, they're symbolic of figures, human figures. The rabbit would be a priest, a high priest. One of the rabbits is lighting up, a very bright white - the high rabbit of Rome, the Pope. And next to him are two red rabbits. They're ominous-looking rabbits, but all in red. Now it's beginning to grow dark, and it's just like the figures are evaporating. It's completely disappearing.

Now Michael is raising his sword, and it's half-way suspended in the air, and there are drippings of blood coming from the sword. Now Michael is pointing with the sword, and there's a red horse now galloping across the sky. My goodness! It's a very large red horse, and it's going now from the left side to the right side and galloping off to the left again. Now it's disappearing behind the tree there. Oh, my!

Our Lady is now moving Her head, saying yes. Our Lady appears very sad. Now She's pointing upward to the sky, and She's saying:

Our Lady - "Communism is the scourge of mankind. Blood and revolution."

Veronica - Oh, my!

Our Lady - "Be seated, My child, now. My Son has much to discuss with you."

[Pause]

Veronica - Our Lady now is coming forward.

NOT TO BE AN EARLY PEACE

Our Lady - "Do not be discouraged, My child. My Son shall come with the sword. The world will go through great trial, but there will be peace. I cannot promise you an early peace as I did in Fatima, for all was conditional, and man did not respond, My child."

Veronica - Our Lady now is standing with Her hands out in front of Her, very pleadingly, and She has a very sad look.

Our Lady - "My child, I cannot bring words of joy and gladness when I see the path that mankind has taken, the path to his own destruction. I promise to be with you all until the end of your time. Then we shall all join with My Son in victory.

"Do not be discouraged, My child, My children. There are many blue armies throughout your world. There are many voice-boxes. By their fruits will they be known. Do not be overly concerned, My child, of your mission, but go forward with perseverance. Pray a constant vigilance of prayer. Extend in charity your graces to your brothers.

"It is sad, My child. I know your grief, for you have much expectation. But remember, My child, remember My Son upon your earth, for as they rejected Him, so will many reject you.

"Every voice-box upon earth, My child, shall go through the passion of My Son. There will be many victim souls upon earth and there will be many great saints who will come out of this battle."

Veronica - Our Lady now is placing Her hand in front of Her, and from Her fingers are these great brilliant lines of light. Oh, they are so brilliant! Now Our Lady is also placing Her left hand out, like this, and these lights - long, oh, penetrating streams, streaks of light - they're very powerful lights. There's no way I can explain or put them into words.

Our Lady - "Graces, My child, graces in abundance; graces for the asking."

Veronica - Now Our Lady is placing Her hands now in front of Her, like this, and joining Her fingers together in prayer. Our Lady now is going backwards high up into the sky. She's floated back, and Michael now is appearing at Her right side.

Our Lady - "Continue now, My child, with your prayers. They are sorely needed for your world."

[Pause]

Veronica - The sky is becoming a very deep red. It's very strange, because above the red, beautiful deep red, I see a large body of water. And beyond the water it's like looking into another land, or onto another land. I'm standing now on this side of the shore. Now over on the other side, Jesus is walking across the waters.

Jesus - "My child, what you are seeing will remain with you. There is much that shall be revealed through you to mankind until you fulfill your mission upon earth. I open for your pleasure, your understanding, a window, My child. Observe and repeat what you see."

Veronica - I see beautiful waters, and I see land. And I feel that I am now standing in another land. I feel a great feeling of joy and peace. And I am not alone, for over on the shore I see many people. I recognize some of these people.

Now Jesus is coming over. He's standing on my right side, and He's pointing.

NOT TO FEAR DEATH

Jesus - "My child, the peoples of earth have a great fear of the unknown. But make it known to them that coming across the veil is not to be feared. There is no death, My children. I assure you, there is no death. It is a temporary state of transition. When you come over the veil, you must proceed through a mist, and then a judgment. After this judgment, if you come through the light, you will be able to join those who came here before you.

"My child, My children, know that there is everlasting light and joy. Your pilgrimage upon earth is just a temporary abode. Will you destroy now your chance to be with Us in the Kingdom, the Kingdom of light, light and supreme happiness?

"Many are called, but few can be chosen. It is in the knowledge of the Eternal Father, and it is not for mankind to understand the judgment of the Eternal Father. There is a banishment, a place that is known to you as Hades or hell, and there is a place of purging. In the knowledge of the sacred and the mysteries of your Faith, you cannot, in your human nature, understand the supernatural to its fullest. If I revealed to you, My child and My children, all at this time, then the mysteries of Heaven could no longer be sacred.

"I give you this insight to strengthen you in the days ahead, to strengthen you with the knowledge that your pilgrimage upon earth is but of a short duration, and you must not give in and devote your time to searching for power, for riches, for all of the world's treasures that you must leave behind when you come over the veil.

"Pray, My children, a constant vigilance of prayer. Send My Mother's message throughout the world. For you who have gathered with Her to pray and do penance, much more is expected of you. All who have been gathered to the bosom of My Mother, and all who have come beneath Her mantle have not arrived there by accident, but by a special calling. This calling was not always upon your own, but because of graces extended to you through the prayers of another.

"You have in your armies to bring you across the veil not only your relations, friends, and well-wishers upon earth, but you have the armies of Heaven now joining with you in this final battle.

"Go forward, My children, with the banner of Faithful and True. Protect our Vicar, Pope Paul VI. Spread the message fast. Send it to all corners of your earth. Shout it from the rooftops and do not slacken your pace, for you must go forward now in the time the Eternal Father has allotted to mankind.

"I bless you all, My children, and send among you the Paraclete. You will keep a constant vigilance of prayer. And pray for your bishops, who now will enter upon a great test. Satan will sit among them in your city of Philadelphia. Therefore, you will all gather to them with your prayers and acts of penance, for you must balance the scale for them and not bring additional suffering to the hearts of My Mother and the saints in Heaven who cry out for a just punishment upon a deceitful and destructive mankind."

Veronica - Jesus is now placing His hand out in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is gathering His robe about Him. The robe is burgundy. It's a beautiful deep red; it's more like a wine color. And now Jesus' gown is blowing. He has nothing upon His feet; His feet are awfully bare.

And now He's going forward. He's just gliding. He's not moving His feet, but He's like being carried on the wind over to our left side, just directly above the first tree. And He's leaning down now, forward, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now coming out from behind Jesus in the sky is Michael. And Our Lady now is coming forward. She was standing on our left side, behind the tall tree. Now She's moving over, too. She's being carried, gliding like on the wind, and now She's reached Jesus' right side. They're all coming across the sky now and standing directly over Our Lady's statue. Our Lady is smiling. And Jesus is placing His hand out in front of Him, like this, with His fingers extended: In the name of the Father, and of the Son, and of the Holy Ghost.

And Jesus now is placing His right hand out, like this, over to His left side, His right side, with His fingers extended far out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, and extend to you graces, graces in abundance, graces for cure of body and cure of spirit."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

July 15, 1976

In Honor of Our Lady of Mount Carmel

Veronica - There are two long rays of blue light coming from opposite sides of the sky and meeting just over Our Lady's statue. One ray is now opening up and forming a narrow - what looks to be, appears to be a road, a very narrow road. And over on our left side - the right side has the narrow road, and on our left side, just over the trees, beaming down from Heaven, there are two streams of light forming a wide road. But the wide road is going downward and seems to be going down into the ground beyond the trees. The narrow road ends over Our Lady's statue head.

There are blue dots of light appearing all over the sky. It's just beautiful. The sky is beginning to lighten, to grow very bright, and I can see now the slivers, tiny minute particles of glistening, crystalline graces Our Lady speaks of many times, the graces that will be evident to the human eye.

Now over on our right side there is a sheath of light coming forward. Our Lady is coming down now; She's floating as though She was on a staircase. She is coming down on this narrow road, and behind Her is Saint Michael, covering most of the sky. His hair, his head is so large that it reaches past the flag of our country.

Our Lady now is floating over - She doesn't walk, She's carried by the wind, over to our left side. It would be the right side of the sky for Our Lady.

Our Lady is holding in Her right hand a very large Scapular. It's a piece of brown cloth. There are no figures upon it, but it's very neatly stitched. It's a huge replica of the brown Scapular. And in Her left hand Our Lady is carrying the Rosary. It's a beautiful white Rosary with the golden Our Father and a gleaming crucifix. The crucifix is so brilliant that, as Our Lady turns, the light upon the crucifix is very dazzling to the eyes. Our Lady now is kissing the brown cloth and placing it about Her neck. The panel of brown cloth hangs forward upon Our Lady's tunic, Her mantle.

Our Lady is dressed in a very deep blue mantle and a white, a gleaming white gown with a sash of - it's not blue; it's like an off-beige color. Our Lady is now placing Her Rosary and twining it upon the cording around Her waist. The crucifix is hanging far down onto the leg section of Our Lady's gown.

Our Lady is touching Her lips with Her first finger, and that means to listen well.

Our Lady - "My child, you must understand that it is not often that I send you upon a distant mission. However, in our desperate times you must be ready to follow My direction without notice in advance.

"It is sad, My child, that there are so many delusions and errors prevalent upon earth. The souls fall into deep darkness, as they are misguided by Our clergy and those who have cast aside the light to run fast headlong into the darkness.

ST. FRANCIS OF ASSISI

"My child, it has soothed Our hearts, for you have defended Our beloved son, Francis, Saint Francis of Assisi.

"Yes, My child, even the blessed ones are attacked upon earth by satan, for they know that these blessed have joined in the fight ahead against the forces of 666, the man of perdition now loosed upon your earth. The battle continues; the evil has accelerated.

"I will instruct you, My child, for the knowledge of all mankind. The word 'nakedness' and 'naked' has been misconstrued, and has been taken out of context from the good Book, the Bible. Watch, My child, as I will enfold, unfold the story for you."

Veronica - The sky is beginning to open up on the right side. I see a very quiet body of water, a sea. And there is in the water a boat; it is a wooden structure, very crudely made. It is lying listlessly in the water. And now, as Our Lady brings me forward, I can see men - one, two, three, four, five, six, seven, eight, nine - nine men are standing in the boat, and they are pulling upon a net that's stretched over the side of the boat.

Three of the men have tunics tied about their waists, but off their shoulders. The men have been fishing, but they have not filled their nets, Our Lady says. The men have been fishing, but they have not filled their nets.

NAKEDNESS NOT TO BE PRACTICED

Our Lady - "You will observe, My child, that none of these men are naked, for the word 'naked' can be misconstrued, when what is meant is stripped or uncovered, but not wholly. Nakedness is not to be practiced before another human. Adam and Eve, your first parents, when they found themselves naked, they covered themselves with the leaves. Therefore, watch, My child, and record the truth."

Veronica - I see over on the left side of the boat a man, a tall man. He has a beard and long brown hair. Now as I watch he is tying the cord belting tighter about his waist. He has on a tunic, a long tunic, but underneath I can see the upper part of an undercovering.

Our Lady - "My child, it is called a loin cloth."

Veronica - A loincloth. And the tunic being worn by the man is now being taken off from his shoulders and he tightens the belting, so that it lies suspended about his waist.

The waters are warm, the air is heavy, and they continue to labor, the men, to bring up the fish. They are becoming discouraged, and they are looking about them. Another man who is dressed in a long tunic that is belted, girded very tightly about his waist, approaches the first man standing to the left. I can hear his voice. He is saying: "Simon Peter, look! There is the Master on the shore."

Simon Peter - it is the man on the left, and he turns and looks the short distance that lies to the shore. Excitedly, he brings up his tunic, the top covering, and places his arms in the sleeves and brings the tunic closer about his chest as he ties the rope closer.

Our Lady - "Never did Peter stand, My child, naked as man will call nakedness. The word 'naked' can be taken out of context, I repeat. Peter found the work heavy and hot. He removed only the top of his tunic by girding it tightly about his waist as he worked, as he labored with difficulty with the heavy nets to bring up the fish."

Veronica - Now the man who had approached Peter is pointing to the shore. And now Peter is growing very excited, and the other men are starting to pull at the nets. They have grown very heavy, and I can see now fish jumping up. Oh, my goodness! The nets are filled with fish jumping up and down. Oh! And the man on the right side talking to Peter, says: "The Master has filled the nets."

Now Peter is going over to the front part of the boat and he's leaping in, feet first into the water. It's not very deep. They're not far from shore, and he's now trying to swim, and wading to the shore. And over on the shore is Jesus; I can see Jesus. He's standing there in His long white tunic, His robe on His arm.

It's very warm. It's early morning, around ten or eleven o'clock, Our Lady said. Ten or eleven o'clock, but it's very warm and humid.

And now I can see Peter rushing up onto the beach - it looks like a beach. And the sand, though, is not a white; it's sort of a reddish, muddy-colored looking. And he's now throwing himself at Jesus' feet.

Now they are preparing wood, and there's a fire in it. It had been prepared previously, because it's burning quite well. And Jesus is saying: "Come, let us eat."

And now the men out in the boat are all quite excited, and they're coming in and trying to pull the heavy nets overflowing with fish behind them. They are all talking excitedly of the power of Jesus to fill these nets after they had labored most of the night without success.

Now it's growing very dark, and Our Lady is moving closer, just above the flag, the American flag.

Our Lady - "My child, you understand now why I allowed you to carry the cross.

"Saint Francis, your patron, he did not appear naked before his bishop. It is an expression, a symbol of divesting yourself of all your worldly desires and goods. He wished to live a life of poverty and piety, loving all creatures of God, for they reflected the joy and the dignity of his Master, the Lord high God in Heaven.

"My child, much penance, much atonement is needed for the abominations being committed from the hearts of men. My Son's House, His Church, is under constant attack by the forces of 666. These demons set loose in these end times, My children, will enter into the body of any man, woman, or child who has fallen out of grace.

"My children, do not fall for the error - do not fall into error: you must pray for the light before you read the Scriptures. Many have set themselves to change, renovate, and place deceit in the lines written by the prophets.

"My child, do not be concerned of expressing your true feelings. If you cannot accept the penance, will you be able to accept a heavier cross, My child?

"When I send you upon a mission, My child, do not be concerned of the outcome. You have accomplished what I set you out to do.

CANNOT HAVE INSTANT PRIESTS

"Man must be cautious in the manner in which he is trying to set My Son's Church to right. There are many who are rushing headlong into error and confusion. The priesthood will be step by step, lesson by lesson. We cannot, My children, have instant priests at this time. You ask why, My child, and I must give you the facts.

"My Son taught His priests, His disciples, the Apostles, in the time He was upon earth. He infused in them accumulations of knowledge that was supernatural in manner. In your human mind and your human limitations, My child, you will not be able to fully understand the ways of the Father. The twelve disciples, Apostles, set down the rule, and they were taught in truth, facts, and solid foundation.

"Man through the ages became dissatisfied and filled with pride. He sought to bring in, to enter upon the Bible his own interpretation of the wordings. To the simple of heart, those who do not succumb to pride and arrogance, the wordings are quite clear.

EXTENSIVE STUDY REQUIRED

"A true priest is a man who has been legally ordained; a true priest is a man who will need extensive study to prepare him to be able to understand and teach the truth. The first Apostles were given this knowledge by Jesus; the descendants of Peter are given this knowledge by the Holy Ghost.

"It is only when these descendants of the priesthood do not pray and have entered themselves into the world of humanism and modernism that they no longer bring the light to the sheep. They scatter the sheep in all directions, sowing confusion, abominations, fallacies, and lies. And you ask, as did Pilate: And what is truth? My Son is truth, in God the Father and the Spirit. My Son is the light of the world. If you make instant priests, what good is it without the salt?

"My children, there is much to correct in the procedures that man has chosen to right the wrong. Pray a constant vigilance of prayer that satan does not enter upon the good works.

"My children, you must continue to wear your sacramentals. You must come to My Son by the tabernacles of the world. Join with Him; pray with Him; do penance for your brothers and sisters. Much atonement is needed. There will be much gnashing of teeth and woe set upon the world by the evil one.

"My child, you will not speculate with dates. I assure you, all the knowledge the Eternal Father wishes to give to you will appear before your very eyes. Be patient and long-suffering, My child.

"The Message from Heaven is reaching to all corners of the world, the earth. I bless Our children, your neighbors, your brothers of the north who wear the white berets. I bless those in your country, My child, the United States, who wear the white berets and the blue berets.

"I understand, My child, there is confusion. The blue berets will be worn only by the ladies who are in the circle of light. They are signatures and signify the placement within the circle of light. This message of the blue berets was a personal one, My child, and not to be adopted universally. I repeat: all will wear the white berets, all but the ladies of the inner circle.

"Continue, My children, with your prayers of atonement. Pray for your bishops; pray for your Holy Father, Our blessed son who now is carrying his cross. Do not be astounded at the turn of events that will soon come upon you.

"As I directed you before, there is an impostor; there is one who is a double for your Holy Father. The game of the reds and the blues are played like chess, My child. You must watch well.

"There will be a gathering in your city of Philadelphia, My child. Pray that out of the confusion that will reign, that much good could develop.

"The Eternal Father watches with great anxiety, My child. Keep a constant vigilance of prayer for your bishops. Do not be concerned of public opinion, and do not waste your energies and your precious time in trying to combat adverse opinion. Go forward, carrying your banner of Faithful and True."

Veronica - Our Lady now is extending Her Rosary. She's taking it from about Her waist, and She's holding it out, like this, with the crucifix hanging. It's quite heavy. Oh, it's beautiful, though - a golden hue, a color that's just so brilliant it almost hurts your eyes to try to look into the center of the light. Our Lady is extending now Her Rosary out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is now going over to our left side, just a little above the tree, and extending Her hand out: In the name of the Father, and of the Son, and of the Holy Ghost.

Michael now has joined Our Lady, and they're going over to our right side. They're traveling quite fast on the wind; they're just gliding. Our Lady now is bending over, and She's extending Her Rosary out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as the Eternal Father blesses you in the Spirit, and send among you graces, graces for cures and conversion - cures of the body and cures of the soul."

Veronica - Now Our Lady is going backwards into the sky. Saint Michael - he's over on Her right side now; he's cut across, and he's standing at Our Lady's right side. He has the balance in his right hand, the golden balance, and a spear that he's holding up now in his left hand. I can't see Michael's face. I don't think I have ever seen Michael's face - the light is so bright. The color is reflecting, the brilliant lighting is reflecting on his hair, and it lights up all of the sky about Our Lady over to the left side of the tree.

Our Lady - "Be seated, My child, and await My Son."

[Pause]

Veronica - The sky is becoming a deep, smoky red. It's a warm color, a fiery red. Now over on the right side, to the right of Our Lady's statue, high over the banners, there's a sheath, a streak of white light now coming through the sky. And directly above it, Michael is coming forward and stepping over - he's not stepping; he's gliding over to our left side, his right side.

Now through the light - the light now is branching out, and there are streams of light coming from the center. That makes one, two, three beams of light coming directly down.

Oh, and high above the beam, directly over Our Lady's head, is Jesus. Oh, it's quite windy; His hair is blowing. He has no shoes on His feet, not even sandals; they're bare. And His hands now are extended. He has His hands extended in front of Him, and that's where the rays are coming from - both hands. There's a ray coming out from each hand. It's very beautiful. Now the ray in the center is extending upward and going directly to His chest. Oh, beautiful!

Now Jesus is coming down, followed by Michael. And Our Lady now is appearing in the light. She's coming down just behind Jesus, and Michael is on the right side now. Our Lady is stepping - She's gliding between Jesus - She's on Jesus' right side, and Michael is next to Her.

Now Jesus is taking His garment away from His chest, and there's a huge pink - oh, almost a deep pink-colored heart emblazoned on His, the front of His tunic. Jesus is placing His hand in front of Him, like this, and touching now His lips, which means to listen and repeat.

Jesus - "My child, for those who have been given an abundance of graces, much is expected of them. You will be given no more a burden than you can carry.

"There is now in the city of Rome a conspiracy of evil to remove your Vicar from the Seat of Peter. The forces, the red forces are gathering. Pray a constant vigilance of prayer. When the upheaval in Rome takes place, My children, know that the end of your era is at hand.

"Your country, the United States, is standing now, has placed itself upon a brink, a road to disaster. Much will depend upon your free will of exercising the power to place in your government men of God or men of dark secrets. Pray for your government and your leaders; pray that you choose wisely, for your country will be in chaos.

"My children, My Mother has cautioned you of the days ahead. I do not have to enlarge upon Her direction. Keep a constant vigilance of prayer throughout your country and the world. You must be persevering and diligent. There are many armies of satan now throughout your world. The Eternal Father plans the strategy to combat this evil. However, man holds his destiny by his actions.

"The Ball of Redemption, the direction for the Chastisement, is with the Eternal Father. Be prepared at all times for the approaching Warning. All who are of well spirit will have nothing to fear. They will go through these times with great fortitude in the knowledge that the eventual victory is with Heaven.

"All parents hold the measure of responsibility for the salvation of their children's souls. Do not expect others to save your children. You must retain the Faith in their hearts through your homes and your family unity. Satan has sown discord within the family circles. It will be a struggle in the days ahead to keep your children from falling into the web of evil that is slowly ensnaring the world. Satan is weaving his web of evil like the black widow.

"The forces of 666 are spreading their evil throughout your world. Do not be deluded; do not set yourself in speculation, for you have been given the meaning of 666 in the past: six is for the six who are coming, and have come; six is for the six days of great suffering; and six is for the six who will be punished.

THE JACINTA PHOTOGRAPH

"The photograph miraculous, given to the world through Jacinta, the child seer, has been discarded and forgotten. It was, it is still a mystery to mankind. But the secret has been given to the simple of heart. Those of great knowledge, who hold the highest places upon earth, have lost sight of the road, the road to their redemption. It is only in the hearts of those who remain simple and pure of thought and deed that these miracles of photographs, of cures of spirit, of cures of body, will be given.

"It is sad, My children, that We have to look upon a world that has become much darker, more corrupted and defiled than in the time of Noe or Sodom. Awaken now from your slumber, My pastors. There is not much time left to gather My sheep. And shall you stand before Me and say that your teaching of My sheep has been pure in My sight? No! I say unto you: many of you have fallen asleep.

"Do not be deluded by those who say: Where is His coming? Has He fallen asleep? For I assure you, as day will come out of night, as light shall emerge from the darkness, I will return."

Veronica - Now Jesus is going over, directly above our flag, the American flag, and He's pointing downward to the flag.

Jesus - "Look, My children, upon a nation, America the beautiful, that has given itself to satan. Look upon a nation that has conspired with the enemy, the enemies of God. Look upon a nation guided by My Mother for years of plentitude on earth, and look upon a nation that shall be chastised through suffering.

"The Message from Heaven shall go throughout your world, and then shall come the end. There will be a baptism of fire set upon mankind. How soon, My children? It all depends upon you and your actions. Prayer must be joined with action, works, good deeds of atonement.

"Those in Rome who have been given a high place to guide the souls of mankind must now clean with inventory. Their works have been found wanting; their direction has been found wanting; and none shall escape the wrath of an angry God.

PASTOR SHALL FLEE IN TERROR

"Unless you pray more for your bishops, there will be chaos in Rome: bishop against bishop, cardinal against cardinal, while satan stands in the midst of them. Blood shall flow in the streets of Rome. Your Pastor, the leader of your sheep, shall flee in terror.

"I say now, My children, I long to bring words of cheer and joy to you, but know that if the scale is not balanced soon, this joy shall be with the ultimate victory."

Veronica - Now Jesus is extending His hand out, like this, with the three fingers in front of Him, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

It's very windy. Now Jesus is floating; He's just gliding on the wind across the sky over to our right side, directly above the second tree. And He's looking down now and placing His hand out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus is now going over to our left side. He's joining Our Lady and Saint Michael, who have been standing there motionless. Our Lady does not look very happy; She has a very sad expression upon Her face. And now Jesus is going ahead of them and moving over high above the tree. And He's standing now, bending over now, and placing His hand in front of Him: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Father blesses you, and We send among you the Spirit of light. Continue with your prayers of atonement. Go forward and send the message throughout the world. Shout it from the rooftops, for the time is growing short."

Veronica - Now Jesus is rising very, very high into the sky. The light that's coming out from all about Him now is closing in, and He's going directly beyond the light; it's as though the sky has opened up and closed again.

Our Lady is standing over with Saint Michael, just directly above the Michael banner, and She's touching now Her lips.

Our Lady - "My child, continue with your prayers of atonement. I will be with you through the days ahead."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

July 24, 1976

Eve of Saint Joachim and Saint Anne

Veronica - The sky this evening is covered with a haze, a dark haze, bordering on a smoky gray. Now the wind is carrying this haze over to our right side, and the sky is becoming much brighter with tinges of blue all about the trees and also a hazy formation of pink, a color that is difficult to describe. It's not a bright pink - a dull shade of pink. However, it's different in comparison to the brightness of the pink that is present when Jesus arrives.

Now I see some stars that are falling from the Heavens. And there's appearing a very brilliant ball of light directly over Our Lady's statue. The light is growing much brighter and wider in circumference. Our Lady now is stepping from out of the center of this circle of light that appears almost host-like in shape.

Our Lady - "My child, I am fully aware of your disquiet of spirit. I have cautioned you in the past to remain in seclusion from the world. If you find yourself falling into the error, My child, know that it is satan who seeks to confuse you. You must bar your doors to all but your immediate workers and your family."

Veronica - Our Lady now is pointing upward with Her right hand, far over to the trees on our right side, and there are two figures now coming down from the sky. There's a lady. She's dressed in a very flowing gown. It's not white, it's like an off-gray. It's a very full-skirted gown, and she has upon her head a head covering that is pointed, with - oh, a very sheer material that comes out from the points. It's almost cone-shaped in appearance, the headdress of the lady. And behind her there is an elderly gentleman coming forward. He is now touching her shoulder. He's stepping over to her left side; she is on the right side of him.

Our Lady - "My child, it is My father and My mother of the earth, Joachim and Anne."

Veronica - Now they are coming over. I can see the man very well. He's not an elderly man. I would say he appears to be in his forties. And Saint Anne, she also appears very young. I would say in her - oh, in my judgment, my human judgment, she appears to be in her . . . perhaps early thirties.

Our Lady now is standing next to Saint Anne, and Our Lady looks very petite and young, almost like a - well, a twelve or thirteen-year-old girl now.

DISINTEGRATION OF THE FAMILY

Our Lady - "My child, you are observing the foundation for all life and dedication to the Eternal Father - the home and the family. In your world today that has been caught in the snare of the wiles of satan, many families are heading to oblivion, disintegration, and destruction. The forces of evil, the agents of 666, have now infiltrated into the very heart of mankind: the home, the family.

"O My children, if you could only recover the peace and quiet of spirit that was once much evident in your homes and now has been replaced by all manner of creations of satan, creations that distract the minds of the innocent, creations that have taken the knowledge of their God from the children, while fathers and mothers are lost as they run to and fro gathering all the material wealth upon earth, seeking pleasures that are soul destroyers, and setting an example that can be and lead to an abomination within the family circle.

"The parents, the mother and the father, My children, must set a firm example to their children. When these children leave the family's home, they are subjected to all trials of error, deception, delusion, and lies.

"The parents of many have fallen into the error of feeding the body and starving the young souls. These souls, in the eyes of the Eternal Father, are young flowers that must be nourished with pure waters of truth, purpose, dedication to the road - place them on the road that will lead to the eternal Kingdom of God your Father in Heaven.

"But where are your children? They are fast approaching their destruction. Many of your children have gone now beyond the point of no return. Many parents must accept a penance, a severe penance, for the recovery of their children's souls.

"O My children, I could repeat and repeat My many warnings to your world of the approaching Ball of Redemption, the Chastisement of your God. I can repeat to you now the approach of the Warning. How many have listened to My cautioning and direction of your young souls and how many have acted upon this direction?

"O My children, if I could, as a loving Mother, bring to you a word of good cheer! And what hope can I, as your Mother, bring to you, but your confidence shall be My Son, Jesus, your God.

"Scientists within your world are ever seeking but never finding the truth.

"My child, do not be concerned of the opinion of man. It is a human weakness of pride that all who follow the road to the eternal Kingdom must be divested of. Do not be affrighted, My child. I give you this with a loving Mother's direction.

ROME TO GO THROUGH LABOR PAINS

"The Eternal City of Rome shall go through labor pains. The struggle shall lead to blood within the streets. There shall be a war among your clergy. It shall be bishop against bishop and cardinal against cardinal, for 666 has entered upon Rome. I repeat, My children: awaken from your slumber! 666, the forces and agents of satan, have entered upon Rome!

"Your father, your Holy Father, Pope Paul, is a prisoner in his own House, his Church. Recognize the signs about you; do not be deluded by the mockers who cast aside My direction. You must all pray a constant vigilance of prayer for your Vicar. The agents of 666 have already chosen his successor, My children.

"Do not be concerned of your body discomfort in the days ahead, all who seek to bring the message to mankind, the Message from Heaven. Sacrifice, My children; do penance for your brothers and sisters. Without your grace, your application of abundance of graces to them, many will be lost. Many will die in the great flame of the Ball of Redemption.

"Clergy, followers of My Son, you who have sought a vocation and were graced to be chosen from among mankind, will you not gather Our straying sheep? Will you not gather My lilies from the field and give them the waters of life for Us?"

Veronica - Now I see a great field. There's a darkness hanging over this field, and there are many, many crosses stretching as far as the eye can see.

ONLY WHAT THEY WANT YOU TO KNOW

Our Lady - "My child, you are witnessing the many who shall die in the great War. Already the forces are working to the consummation of this great World War, My child. Do not be deceived by the editorials, by your newspapers that have now been controlled by these forces, for you will only be given the knowledge of what they want you to know. It is often concealing the truth.

"It is only when you stay within Our circle of light, My children, that you will understand your times, you will understand the meaning of the signs given to you. Once you cast yourself from inside, outside of the circle of light, you will find, My children, it is very difficult to return. Graces are given in abundance, and much is expected of those who have received these graces.

"You will pray for the hierarchy in Rome, My children and My child. The penance that they will be given for their errors and deception will bring a great sorrow to those who can extend pity and charity to those who have fallen. Pray a constant vigilance of prayer, My children. Your country, America the beautiful, will experience a great trial. Pray that your new leaders will be men of God with great insight and purpose for following the rule, My children."

Veronica - Now Our Lady is taking Her Rosary, Her beautiful large white Rosary with the golden Our Fathers, from about Her waist, and She's placing it in front of Her, like this, with the crucifix extended. The crucifix is a beautiful golden color. And as Our Lady is turning now, She's smiling very sadly. But the crucifix is gleaming, it's glistening. It's a beautiful gold. And Our Lady now is placing it out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is moving over - She's not walking, She glides, She's just carried on the wind - and extending Her hand out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now from behind Our Lady, Saint Joachim and Anne are coming forward. She's standing now, Saint Anne, next to Our Lady. She's just a slight bit taller in the manner in which they're standing. And also Saint Joachim is behind her.

And Michael now is coming down from the sky. He has emerged through the sky in a tremendous form. Michael is very, very large; he covers the whole span of the sky in front of us, a beautiful figure of a warrior from Heaven.

And now Our Lady is going over to our right side, and She's bending over with Her crucifix and Her Rosary: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as My mother and father bless you and accept all of the prayers that have come to them this evening."

Veronica - And Our Lady is pointing up to the sky now with Her crucifix, and there's a tremendous white crucifix - it's very supernatural-looking, in the sky, right over by the trees. It's all aglow with light; it's an absolute panorama of colors. There's no way to explain it; it's a brilliant white cross right in the sky. Now Our Lady is touching Her lips with Her fingers.

Our Lady - "My child, you will be seated now. I have much to explain to you in photos."

[Pause]

Veronica - The sky about the trees is becoming a very pink color. And just over Our Lady's statue, a little to the left, there's a very luminous glow of light coming out through the dark sky. And right in the center of it now Jesus is standing. He's stopped. He was coming forward, but He's stopped now and He's looking around. He has on a white, an off-white, a beige-colored gown with a heavy belting or cord about His waist. And His robe is a deep burgundy color.

It's quite windy up there, because Jesus now is having difficulty with the wearing of His cape. And He's placing it now, winding it, the cape, about His right arm and coming forward.

The light shines directly, is shining directly onto Jesus' hair. His hair has a deep reddish brown coloring. And the light is so very brilliant about His head, I cannot see Jesus' face that clearly. Now He is also raising His first finger to His lips, which means to listen.

Jesus - "My child, the world is facing a desperate struggle, a struggle to retain the Faith, a struggle to stay out of the clutches of the enemies of your God. Prayer in a constant vigilance must be kept in the days ahead.

"The agents of hell, the forces of 666, have entered upon the Holy City of Rome. In the past years of earth's time My Mother has warned again and again of these coming days that are now in your present.

"I do not have to repeat the full Message from Heaven given to you countless times in many places throughout your world by My Mother. She has come to you as a Mediatrix between God and man; She has come to you as your Mother to direct you, to bring you through the world of darkness, a darkness that already has claimed for satan the souls of many.

"I cannot promise you at this time a major change in your present struggles to retain My Church. You must all approach the days ahead with the knowledge that it is deemed by the Eternal Father that all mankind shall be tested and tried in a crucible of suffering. The sheep shall be separated from the goats, and We shall pull from the chaff the good kernels, those who will retain and restore My Church.

"I give due warning to all cardinals and bishops who guide the souls and have scattered the sheep that you have been examined by your Eternal Father and found wanting. The day is fast approaching when many of you who wear the high hats of rank shall stand before Me and give account of your gathering or scattering of My sheep. Shall you stand before Me and say that your teaching has been pure in My sight?

"It is sad, My children, that those who have been given the rank to guide the lives of millions have used that very power to destroy. Man is gathering now all manner of destructive missiles. And material values have deteriorated to a plane that is despicable in its seeking for wealth and power by destroying the human being and his soul.

"How many of you have even listened with small measure to the directions of My Mother? How many of you share the responsibility for turning away from Her and even to destroy Her in the minds and hearts of your countrymen? All evil will eventually be turned to good. The forces of evil, in the almighty knowledge of the Eternal Father, are given their time for the separation of the sheep from the goats.

NOT TO BE A FULL DESTRUCTION

"There will be upon your world a major War of such proportions that no human has ever experienced the terror nor the destruction of these forces. War is a punishment for man's sins. All of the direction given in warning is conditional to mankind. There shall not be a full destruction set upon the world again, but I assure you, My children, when you go through this crucible only a few shall be saved.

"The road to the eternal Kingdom of God your Father is a narrow road, one that can only be followed with penance, one that asks you: 'Come, follow My road.' But it will be a road filled with thorns and heavy crosses.

"If it were not otherwise, I could give you a picture of ease. But all I can offer you, as your God, is facts and truth and hope. Your hope at this moment is in receiving the Message from Heaven and acting upon it."

Veronica - Now Jesus is rising very high up into the sky. He's not walking; He seems to be just absolutely carried weightless high up over and just beyond the right side of Our Lady's statue. And Our Lady now is coming over from our left side, and Joachim and Anne are now following Her. And Michael is coming down just behind Jesus. He's carrying the golden scale, the balance, and a very long sword which is pointing downward.

Now Our Lady is looking over towards Jesus. And Jesus now is shifting the weight of His cloak onto His left arm, and He's placing His hand out in front of Him, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus is now floating over; He's gliding over to our right side, just directly above the second tree and placing His hand out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now there's a great brilliant light above Michael. It's opening up the whole sky about Our Lady and Jesus and Saint Anne and Joachim. They're all now going individually across the sky and pausing just over the Michael banner. And Jesus is extending His hand out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Father blesses you and sends among you the Spirit of light. Continue now with your prayers of atonement, which are sorely needed."

August 5, 1976

Eve of the Transfiguration of Our Lord

Veronica - The sky was previously black, but there is a beautiful deep coloring of blue forming all about and over Our Lady's statue. To the right and just above Our Lady's statue, the sky is becoming very clear. There are no stars, but the blue is so beautiful! There's no way I can explain it in human words, the brilliance of the light now that's forming directly in the center of the blue circular light now that's growing very intense in brilliance.

Our Lady is coming forward from the center of the light. She has on a beautiful shimmering white gown with a belt of deep blue. The belt is tied. It's more like a sash than a belt. It's tied very loosely, and it's draped down on Our Lady's right side, the long sash-like belt. Our Lady has Her Rosary now in Her hands. She's praying with Her hands together, and the Rosary is draped over Her fingers. I cannot see Our Lady's hair, because Her head is bent very low; She's praying. Now Our Lady is coming much closer, and She's raising Her head.

Our Lady - "My child, I too am in deep prayer and meditation. There must be a constant vigilance of prayer.

NEITHER THE ANSWER OR CAUSE

"Much that I have given by direction to My children in the past is coming before you. There is a great challenge to science in your city of Philadelphia. But know, My children, that your men of science shall not find the answer or the cause. In this war of the spirits, much amazement shall register in the minds and hearts of mankind. It is in this manner that the Eternal Father plans to bring many back to the fold. You cannot understand, in your human nature, the ways of the Eternal Father, My children.

"Should Our bishops continue in their errors, should Our bishops not recognize the signs of the times, and continue running fast into the abyss and taking many with them - if they do not, in their arrogance and pride, turn back and open their hearts and minds to the truth - well, My children, there will be many chastisements sent to mankind, and each one must grow more severe, until these chastisements shall encompass the whole world.

A GREAT ROTTING OF CROPS

"O My children, in your country, the United States, there shall be a great rotting of the crops. My children, prepare now for what is to be.

"Many years ago, My children, I gave many warnings of like nature to mankind. Some listened, and others chose to mock and cast aside My warnings. I am truly your sorrowful Mother. I have come to you as a Mediatrix between God and man to give you every opportunity, My children, to avoid what you are heading fast onto - a road of destruction.

"When you, as a nation, give yourselves over to debasement, immorality, and turn your backs upon your God, denying His divinity, and denying His very existence among you, My children, the Eternal Father has no other recourse but to chastise you. It would be more advantageous, My children, if your men of learning should set themselves to find the truth. And what is the truth, My children, but the knowledge given to you by God the Father, and not the knowledge of man!

"All of the major countries of your world, My children, are preparing for war. All cry peace, peace, and place a mask over their intentions as they prepare for war. Your country, I promise, as I have promised in the past, to give you My protection. America the beautiful has become soiled with corruption. America, once beautiful, has taken on a new leader, and his name is satan. A country that has cast aside a true moral value, a country that has abandoned its God to seek more and more of the material and power over the lives of mankind, this country has sown the seeds for its own destruction.

"O My children - "

Veronica - Our Lady is placing Her hand out, like this, and Her beads are now falling over Her left hand, down.

Our Lady - "My children, I come again, not realizing in the past that this state of the world would be repeated as it was in the past. Mankind does not learn from his past, but he repeats his errors with more ferocity, more debasement and debauchery. Many in your country and the countries of your world are walking with living bodies and dead souls.

DISTURBANCES IN NATURE TO CONTINUE

"The disturbances in nature, My children, shall continue. Your country shall experience a great disturbance. Awaken now and pray a constant vigilance of prayer.

PASTORS MUST STOP THE CHANGES

"Pastors, those who have in their care Our sheep, you must stop now these changes that you seek in novelty, for they are destroying the young souls and scattering Our sheep.

"I repeat, My children, the great Council in Rome of Vatican II, the promises were great, but satan sat among you and he played you like the chess board.

"You were given a foundation of Faith based on Tradition and knowledge of the prophets. You cannot start this new religion, for it will lead you to one religion that is not of My Son, that will not have His true foundation, and you will take My Son's Body and defame it, no longer giving the knowledge of His divinity. What manner of foul escapades are you planning, O you of little faith? Whatever shall become of you? The Red Hats have fallen and the Purple Hats are being misled. Woe, woe, woe to the inhabitants of the earth!

"My child, do not slacken in your work because of the opinion of man. Know, My child, that it is not you who are speaking but the voice from Heaven.

"Remain in your home, allowing no one to enter. You also, My child, must keep a constant vigilance of prayer. It will not be always necessary to repeat the learned prayers, My child, but you will speak quietly from your heart to the Eternal Father and My Son.

"During the great tribulation, My children, many shall be removed from your earth. In due time you will understand.

"You must continue to pray much for your priests. You must continue to pray for your leaders of government. Pray that they bring into your homes the knowledge of their God, for many are now fast pursuing a course of destruction, not only of the body but of the soul.

"My heart has carried a burden of sorrow because of the manner in which Our dedicated nuns disport themselves. O misguided souls of My children, whatever shall become of you! As brides of My Son, you pledged a life of purity and dedication. Have you forgotten your vows as you have taken yourselves into the world, misguided by humanism and your modern trend? There has been and there will be no change in Heaven. The Eternal Father commands that you keep your body pure, because it is the temple of your spirit.

"In the cause of obedience, pastors and Our dedicated nuns, remember this: you cannot be obedient to one who has defamed his habit, to one who has cast aside his faith, to one who goes forward as a destroyer of souls. The rabat is the teacher of life, but do not be fooled by those who foul these habits.

"666, My children, the agents of hell, have entered upon the world. 666, the agents of hell, have taken major positions now in the Eternal City of Rome. And what must you do now? Good words in a closed mouth is like placing dead beef on a dead man's grave. Take yourselves away from those who are destroyers of the soul, for you have nothing in common with them. What is there between or commensurate between the light and the darkness? Do you have, you who have gained the knowledge and retained your faith and remained pure of spirit, what do you have in common with the forces of evil? Avoid all occasions of sin. Do not be partakers of their sin, for birds of a feather shall surely flock together.

"My children, you must remember all of the directions I have given you in the past to prepare for the Warning. You must review in your leisure time all of the directives from Heaven. When this battle has reached its finish, My children, all will have been tested."

Veronica - Our Lady now is placing Her Rosary like this, about Her hand, and extending Her crucifix, Her beautiful golden crucifix, out like this, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is going over now to our right side, and She's bending down and extending Her crucifix out: In the name of the Father, and of the Son, and of the Holy Ghost.

Now over the right side, the first tree, Michael is coming forward. Oh, he's tremendous in size! He covers the whole sky. And he's now carrying his balance, the balance, the golden balance, in his right hand, and his long sword, spear-like sword, with the tip pointing upward.

And Our Lady now is going across the sky. She's pausing just directly over Her statue and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is stopping directly over the tree on the left, the large tree, and She's extending Her cross out, the crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, for My Son, for the Eternal Father, and the Holy Spirit which is among you."

Veronica - "Yes."

Our Lady - "Now, My child, you will be seated."

[Pause]

"Only a few will be saved. As it was in the day of Noe, so it will be now in your time. The peoples will be eating and drinking and making merry, and marrying and giving in marriage, and divorcing. People shall run to and fro, seeking knowledge and the material. Recognize, My children, the signs of your times. The scrolls have unfolded; the pages are turning fast. All must come to pass.

"I repeat, My children: the world shall not be destroyed. It is the promise of the Eternal Father that never again shall the world be completely destroyed, but gradually all will be evened. The forces of evil shall run their course, as it will be a measure of testing for human mankind. All that is rotten will fall.

"Many are now proceeding as sheep to the slaughter. They travel with their leaders, neither thinking nor caring nor reasoning for the truth. They are truly, My children, like ducks fast going downstream and caught in a whirlpool to their own destruction. It is a game most disastrous of playing follow the leader. And who are your leaders, My children? They are souls that have been taken over by satan, and now are under his rule. Pray for them. Until they leave their human bodies, they still can be recovered. Pray for their conversion.

THE MASS IS STILL VALID

"My child, you and those who have gathered throughout your world as candles to carry the light through the darkness will accept much suffering as they watch the forces of evil gather. My Son is being recrucified by His very own. Do not lose faith or hope; do not abandon My Son's churches throughout your world, My children. The Mass, the Holy Sacrifice, is still valid.

"Do not judge your Church, My children, by the standards of man, for a legally-ordained priest, a man who has been legally ordained, will be used by the Eternal Father, through the Spirit, to bring to you My Son, His Body and His Blood, which He is shedding in sorrow now for you. For all who travel this pilgrimage of life, remain with My Son at the tabernacles of your world, for He will be, and is, the true Bread of life for you.

"Parents, guide your children, for you will suffer much if you neglect this duty. Guide them not in the ways of the world, but the way of your God."

Veronica - Now it's growing very dark directly above Our Lady's statue. And Our Lady is going over to the left side, directly over the tree, and She's touching Her lips now, like this.

Our Lady - "You will continue, My child, with your prayers of atonement and read the photographs and await My Son's arrival."

[Pause]

Veronica - The sky is opening up directly over Our Lady's statue. The whole sky is now cascading in color. It's a deep pink, but its rays of pink are fanning out from the center of this brilliant light. There is no way to explain it in human words. It's a pink, pink rays in every direction, straight out from the circumference, around the circumference of the light.

Now directly in the center, I can see Jesus coming through the light. He has nothing on His feet; His feet are bare. And He has on a cream-colored gown. Tonight I can see very pronounced the wounds in His feet, right over His insteps, on His insteps. Now Jesus is holding His hand out in front of Him, the right hand. It means to be silent and listen.

Jesus - "My children, I do not wish to enlarge upon the message from My Mother. I assure you, no other words could stress the accuracy and the urgency of Her message to Her children. Many warnings have been given to mankind in the past, and many are being given now.

STOP THE DESECRATION

"Awaken from your slumber, My pastors. The pastures are rich, but the sheep are growing thin. The greatest responsibility for the destruction of souls I place upon the shepherds. I give fair warning to those in command, the highest rank in Rome, I give fair warning as your God, that Heaven has set a time and an hour to stop the desecration within My Church. My Mother pleads constantly for an extension of time to mankind to expiate the sins of man."

Veronica - Jesus is pointing over to His right side, our left side, and there in the sky is forming a huge black cross, a very ominous sign.

Jesus - "Yes, My child, a heavy cross is being placed upon the world. Man cannot understand in his human nature the way of the Eternal Father, and man does not endeavor to understand. He no longer asks for or seeks the grace to know the

supernatural and the way to Heaven. Many shall sell their souls to get to the head. But I assure you, My children, that each and every one shall leave this earth in the manner in which he entered upon it, with nothing material and only a treasure stored in Heaven or destroyed on earth, and the soul condemned to hell or long earth-years in purgatory.

"My children, 666, the forces of satan, have accelerated the evil among you. Those who have chosen to sell their souls will gather momentum and run fast into the abyss. The greatest sorrow in Heaven now is the knowledge that 666 has set up his place among the rulers of Rome. I, your God and your Judge eternal, give you in command the direction to turn back and restore My House while there is time. I plan in the near future to come among you and set My House to right.

"Many trials and a great tribulation will be given to mankind to cleanse your world, the earth, of the evil that man has allowed to come upon himself. Each and every soul shall stand in judgment for his commissions and omissions upon earth. Many souls are falling fast into hell. And do not remove from among you the knowledge and the truth of the existence of hell. It is a place of eternal damnation and banishment. Purgatory is a great sense of loss and suffering of banishment, but eased by the knowledge of an end that will lead to Heaven.

"The road, My children, to the eternal Kingdom is one of trial and suffering, and I say this because now these days of trial are upon you, and all who are coming upon the road to the eternal Kingdom in Heaven will reach the doors through suffering.

"You must all pray a constant vigilance of prayer in your country and the countries throughout your earth. You are fast approaching a major conflagration in which the loss of life will be tremendous and beyond all human understanding, for so great will be the destruction.

MANY SIGNS OF AN ANGRY GOD

"As I have promised you, man shall receive a major Warning. During the interval, many signs of an angry God shall appear before you, giving each soul the opportunity to make amends with atonement and sacrifice.

"Each soul that has reached, who has reached the age of reasoning must give a good example of faith, modesty, purity of purpose, and dedication to his God. There shall be no compromise of the Faith in My Church. There shall be no compromise with the world, for My Kingdom is not of your world. My Kingdom is eternal. My ways are not the ways of the world.

"You must now cleanse yourselves of the contamination that you have allowed to enter upon My Church. Right the wrong; restore My House. The Eternal Father is most merciful in His dealings with a degenerate generation. He is long-suffering and merciful, but the time is fast running out. I say this not to place fear in your hearts, but to give you a statement of fact. You must all work, pray, and set by an example the road ahead. Light this road by your example, so that others may be given the light."

Veronica - Now Jesus is placing His hand out in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

It's very windy, and as Jesus is cutting across now the sky, He's just gliding. His cape is blowing right about Him. And now He's leaning over. He's over on the left side, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is coming out from behind the tree on the left, and She's following Jesus across the sky. And Michael is just about a few feet behind Our Lady, and he's carrying the balance and the spear. Now Jesus has gone, He's gone over to the right side, and He's bending down and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Continue with your prayers of atonement, My children. Keep a constant vigilance of prayer, and guard the souls of your children by your good example."

August 14, 1976

Eve of the Assumption of the Blessed Virgin Mary

Veronica - The sky is very dark. But there are lights, blue lights, now cutting through the darkness on both sides of Our Lady's statue, above the statue. Over to the left, the light, the blue light is growing larger in circumference, and Our Lady now is coming through the light. The sky, the whole sky is becoming very brilliant.

Our Lady is dressed in a beautiful white gown, and over Her head and shoulders is billowing very loosely a mantle, all of white. And about Our Lady's head is a garland of roses, beautiful fresh roses, pink in color with red in between. Every third rose is a red rose. Our Lady is smiling. She's now coming forward, just above the statue on the left. And She's extending Her Rosary, like this, in front of Her.

Now Our Lady is touching Her lips with Her first finger, meaning to listen.

Our Lady - "My child, We in Heaven have great sorrow because of the many trials that shall be set upon mankind. Blindness and hardness of heart have called upon mankind a chastisement. Many warnings have been given in the past, and many warnings are being given now. And how many are listening to these warnings?"

"My children, Our sorrow is deep. We watched with great anticipation and hope that the gathering of Our bishops would bring forward much good, but sadly, We found confusion and delusion in this gathering in your city of Philadelphia.

"My child, you must make it known to all that We find the gift of the bronze statue an abomination. It must not be placed as a memorial before the eyes of all, for it brings great sorrow to My Son and to all in Heaven. Do not expose My Son's Body to the eyes of the wicked! Do not strip Him of His dignity and His respect, for you will only bring upon yourselves a far greater punishment from the Eternal Father.

"I, your Mother, look down with pity and sorrow upon you, O you of little faith, O you who have cast aside the truth and blackened your souls for gain, O you who have soiled your faith with all manner of experimentation and folly.

SKIES ABLAZE WITH FIRE

"My children, parents of Our young, you must guide your children now. Do not expect others to save your children's souls, for they will be lost. Soon, unless there is a complete reversal of your ways that offend the Eternal Father much, you will see your skies ablaze with fire.

NOT TO BE A CARNIVAL OF PLEASURE

"My children, We watch the new way, the manner in which you give a blessing to those who have fallen asleep upon earth. My children, do not make it a carnival of pleasure, for many who have fallen asleep have not passed over the veil into the Kingdom of the Eternal Father. It is a sad time for many, not a time to rejoice, for they have not received salvation; they cannot receive it until they are purged. Their souls must be cleansed. And many shall spend long years in purgatory, and many have already fallen into hell. So it is from the father of liars that you promote this fallacy and lie that all are saved when they die.

"My children, satan has promoted this fallacy, for then you do not pray for those who have died. You leave them to go into the abyss, without prayers. You leave them to spend many long years in purgatory, for lack of prayers. And why? Because you believe the errors. The Eternal Father permits these errors to go throughout your world so that those who persist in believing the error shall follow satan fast into the abyss. For the lack of grace, many shall pass into hell. And do not be deluded, My children, by the fallacy created by satan through mankind that all are saved. Many are called, but few are chosen.

"You must all pray a constant vigilance of prayer, My children. Many reject My warnings; scoffers go throughout the world rejecting the warnings from Heaven. But too soon will they know the truth, and there shall be gnashing of teeth and bitter tears set upon them.

"Yes, My child, it brings sorrow of heart when you must experience the power of satan in the world. Do not set yourself to judge, My child, but you must pray for all men of sin.

"I have cautioned you in the past, My child, to recognize the faces of evil about you. Many parade as angels of light. Remember, My children, all who cry 'Lord, Lord' shall not enter the Kingdom of God, your Father. And many shall prophesy, and many shall follow, but the light upon them, within them, shall be dim. Many go throughout the world seeking self-gain. They have a measure of piety, they have a small measure of faith, but they deny the very foundation.

"I, your Mother, promise all who will remain close to My Son in the days ahead, salvation through My Son.

"You must all wear your sacramentals. Do not cast them aside because scoffers laugh and deride you. Know, My children, that as they scoffed and laughed at My Son, so will you be laughed at. Can you not accept this heavy cross? Do not be swayed in your mission by these scoffers.

"Remember, My children, you will give the Message from Heaven to another, and then go on. Even with rejection, go and knock upon another door.

"My Son and all Heaven pray and watch constantly, and send graces for the defense of the Faith.

"My children, there is a great war of the spirits now, not only throughout your world, but in the Eternal City of Rome. The forces of 666 rage in Rome, and the forces now have spread like an octopus throughout your world. Keep, My children, a constant vigilance of prayer, for wars are a punishment for man's sins.

"The Message from Heaven has not been given, My children, to bring fear to your hearts, but to awaken you from your slumber. Many are being misled; many are accepting error and going like sheep to the slaughter; and many follow like ducks downstream. And what solution, My children, do you have now to your problems of discord, disillusionment, and the turning away from My Son's House, His Church? You must return; you must accept the simple truth which has been given to you. Tradition is part of this firm foundation. The modes of modernism and humanism shall destroy the world.

ONE PRAYER CAN BRING THEM BACK

"Men without God, your atheists of your world, shall be awakened forcefully. Pray, My children, for those who appear lost, for one prayer can bring them back from the brink. The power, My children, of prayer is great.

"The Message from Heaven has reached the Eternal City of Rome. And now, My children, you will pray that they learn by it, and recover the souls that shall otherwise be lost to Heaven. Pray for your Vicar, Pope Paul VI; pray for Our suffering son.

ONE IMPERSONATING YOUR VICAR

"It is common knowledge now in the city of Rome that there is one who has been impersonating your Vicar, an actor of great talent, one who through surgery has gained the countenance of your Vicar. It is now common knowledge, My children, and now there shall be a game of chess played. There will be bishop against bishop and cardinal against cardinal, for satan has set himself in their midst. Bishop against bishop and cardinal against cardinal, for satan has set himself in their midst. All that is rotten shall fall.

"My Immaculate Heart, My children, shall protect and guide you in the days ahead. But the eventual triumph is with Heaven. This, My children of light, will be your hope for your future, that the triumph of man over evil is through My Son. Be with Him while you can at the tabernacles of your world. Comfort Him in His suffering, for He is being recrucified in His own House.

"Pray a constant vigilance of prayer, My children. Pray for your children. Set a firm example of discipline and faith for your children."

Veronica - Our Lady now is taking Her Rosary, like this, and extending it out, and making the sign of the cross with the crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as the Eternal Father blesses you in the Son and the Spirit."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now Our Lady is going over to the right side. Now coming right behind Her is Michael. He's a tremendous size. I can never see his face, the light is so bright. But his hair is a golden color, a metallic golden color, and the illumination of the golden rays from it just are blinding to the eyes.

Michael is wearing a long white loose gown. I can't see any hands or feet, it's such a full, voluminous gown. And he's carrying, though, a balance. It seems to be suspended in the air in his right, what would be his right hand, but I can't see the hand, the light is so bright. And over on the left side is a spear, a long spear, and the point is being held upward, way up into the sky. And Michael now is following Our Lady over to the right side, our right side.

Our Lady is extending Her crucifix from Her Rosary out in front of Her, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, and I send among you graces for cure and conversion, cures of the body and cures of the soul."

Veronica - Now Our Lady is backing up. She's floating backwards, and going high above the tree on the right side. And Michael is now at Our Lady's right side, and they're standing there. Now Our Lady is placing Her first finger to Her lips.

Our Lady - "My child, continue with your prayers of atonement. They are sorely needed. My beads of prayer, the Rosary, must go throughout the world, a constant vigilance of prayer, bead to bead and link to link."

Veronica - Michael is coming forward now, directly over Our Lady's statue. And he's pointing his spear down. He's holding the balance in his right hand, and now with the balance held high up in the air, he's saying:

Michael - "Who is like unto God! Who is like unto God!"

Veronica - Michael is standing there, and he just gives a feeling, a presence of great strength. And should I be only as a human, less graced by Our Lady, I'm certain I should die right here on the spot from fear, at hearing Michael. He's tremendous, covering the whole sky. But I have no fear, for I have learned to know Michael, and to love him as one of the greatest warriors of Heaven.

Our Lady is standing over by the right side of the tree, directly above it. And Michael now is remaining above Our Lady's statue, high in the sky. He's looking down, and he's pointing now over to the spear, with his spear onto the left side of our sky here, and there are letters forming in the sky, in black letters: "PESTILENCE AND WAR."

Now Michael is pointing with the spear, and there is a black horse running across the sky. It's a large black, ominous-looking horse, and it has a rider on it. The rider is dressed all in black; he looks almost like an executioner. He has a hood upon his head, and he's carrying something in his hand. I don't know what it is. It looks like a basket of some kind. Now behind him there's a green horse, and the green horse is, has also an ominous look. And now there's a voice crying: "Pestilence and sickness. Illness of the body. Pestilence, illness of the body."

Now they're far out of sight; they've gone into the sky. And I can't see the black and the green horse anymore. Now over on the right side, there are letters forming in the sky. They're all white and the word spelled is H-O-P-E, "HOPE." And above the word "HOPE" now is appearing a chalice, a beautiful golden chalice, with a host suspended above the chalice. Oh, it's a beautiful-looking chalice with a host. Oh!

Now Michael is motioning over to Our Lady with his spear. Our Lady is saying:

NOT A MERE MEAL

Our Lady - "All who wish to be saved must remain with My Son in the Eucharist, for it is truly the Bread of life. You cannot have the light within you without partaking of this Bread of life. You must not reject the Real Presence of My Son. You must not make this Sacrifice a mere meal, for you have then brought the greatest of desecrations and abominations before mankind. My Son, your God, is, was, and always will be.

"You cannot in your human nature, My children, understand all, for surely it would no longer be sacred. Much shall be revealed to mankind in the days ahead. Learn by the example and the directions being given from Heaven, My children. Do not wait until it is too late.

"Now, My child, you will look well into the photographs."

[Pause]

Veronica - The sky is becoming aglow with a very deep pink light. It's almost circular, going about the top of Our Lady's statue and outward to the tree.

Now directly over Our Lady's statue, in the center of the sky, Jesus is coming forward. He has on a beige gown with a knotted belt, a cord-like belt about His waist. It's hanging down quite low, and about His shoulders is a burgundy-colored cape. And it's not covering His head like a mantle; it's hanging about His shoulders.

Now Jesus is placing His first finger to His lips, to listen.

Jesus - "My children, My Mother has directed you well. Before the trials are finished upon your earth, before I return to you in triumph with all the personages of Heaven, your earth will be cleansed with great suffering. Many martyrs shall come out of the conflagration.

"My children, I bring to you now a little-known story of the Assumption of My Mother. Yes, there were present two small children, standing outside the crypt as I brought My Mother forward. She lay but a short time in Her burial shroud, and I came with Michael and Gabriel to take My Mother to the Kingdom of the Eternal Father to receive Her much awarded crown.

"My Mother received Her crown through suffering and perseverance. She walked among men for many years after I ascended to the Father. She waited and prayed and directed those about Her with care and patience. She strengthened the foundation of My House upon earth, and was awarded the crown gained by Her efforts. My children, know that My Mother left your earth in both body and spirit. She joined Me with the Eternal Father.

"Now, because of your times, My Mother has come to you as a Mediatrix between God and man. My Mother has gone throughout your earth, crying tears of great pity and sorrow for what is to come upon mankind. All warnings are conditional to the response of mankind.

ACKNOWLEDGE THAT ERROR HAS BEEN FOLLOWED

"Awaken from your slumber, My pastors. You will turn back now and retrieve what you have lost when you have succumbed to the errors of humanism and modernism. Do not be filled with pride. Be humble and accept your cross. Acknowledge before mankind that error has been followed, for to err is human, My children. But when you know you have made a mistake, what have you to gain but to follow this road of folly. Turn back and start again.

"I left with you a true foundation of faith. This faith is slowly being taken from your world. There are only small flickers of light throughout your world. The darkness is heavily closing in upon you. Know, My children, that you must hasten to follow the direction of My Mother.

"All who have command by their rank in the governing of Our sheep must do a full pardon in suffering, must gain this full pardon in suffering from the Eternal Father.

"Know, My children, that to enter the Kingdom of your God, you must be spotless; you must be purified. If this purification is not obtained upon your earth-years, you must then be purified in the place of waiting and suffering, of deprivation - purgatory.

"And woe to the man who does not fight the wiles of satan to save his soul, and will spend an eternity in the abyss of hell. Each and every soul has been given the opportunity for his salvation. Do not fall for the error created by satan through mankind that all will be saved in the end. Many have passed over the veil, never having this opportunity to make amends, and have been sent to the darkest pit of hell.

"Do not be affrighted, My child. You must understand that I cannot delude you with a message of great cheer, but I can give you hope for your future. This hope I give to you through My Mother, as She goes and continues to go throughout your world, bringing you the direction to Heaven, leading you from out of the darkness."

Veronica - Jesus is placing His hand in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now right behind Jesus, Our Lady is coming forward. She's coming over from the right side, our right side, just beyond the tree. And Michael is coming down now with Her. They're going across the sky. Now they're floating, they're not walking. They're carried by the wind; it seems to me that they're just carried by the wind, over to Jesus. Now Jesus is nodding His head, and they're going over now to the left side across the sky. Now Jesus is placing His hand out in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now there is a tremendous light forming on the right side of the sky, and Jesus is pointing upward. And then, going across the sky again are the black horse and the green horse. They're ominous looking; they're like - very ominous. It's almost a picture of dread, of suffering of some kind.

Now Jesus is pointing far over by the trees, and just above the tree is a candle. And above the candle is the Bible. And now Michael is coming over and pointing at the pages of the Bible with his spear. And a booming voice - it's Michael's voice, but it's booming throughout the whole sky. He's saying:

St. Michael - "Mark well the pages of your Book of life, your Bible. They are hastened now by man's actions to turn quickly, bringing about the final judgment upon mankind. Prepare yourselves by reading these pages, the Apocalypse, the Revelations of Saint John."

Veronica - Now Michael is . . . with his spear, he's closing the Bible. And it's growing very dark around the Bible.

St. Michael - "You see, my child, how satan has poisoned the minds of many. The Book is being rewritten to satisfy the basic carnal nature of mankind. Learn the truth by reading a Book that has not been changed. The days ahead will be made known to you. Observe your medias of communication, and learn by the signs of your times."

Veronica - Now above Our Lady's statue is forming a very large cross, a black cross. It's a very dark-looking cross, and it's got the shape of the type of cross you see in the cemetery. It's like a headstone cross.

Now it's disappearing. I can't see that headstone cross anymore. And Our Lady is coming over, and She's holding up Her Rosary in Her right hand and She has a Scapular, a very large brown Scapular, in Her left hand.

Our Lady - "These, My children, shall be your weapons. Continue now with your prayers of atonement."

August 21, 1976

Eve of the Immaculate Heart Of Mary

Veronica - The sky is taking on a very strange glow. The usual blue lights are replaced now by a deep green. Now coming out of the center of the sky, the shadowy green coloring is separating, and Michael is coming forward. Oh, Michael has the balance in his right hand, the golden balance, and in his left hand is a very long sword, pointed, sharply pointed on the end. Michael is pointing the sword downwards.

St. Michael - "Hasten, harken, and listen to the words of warning to a generation that has become perverse, degraded - and abominations committed to offend your God. In justice and for penance, there will be visited upon your earth great trials - droughts, famine, rotting crops, hurricanes, floods, all manner of earth tremors and disturbances of nature, increasing in volume, spreading throughout your world. There will be eruptions and manifestations that shall bring terror to the hearts of many, in places that have never seen nor heard of such volume of sound and fierce eruptions of the earth.

"Be ye warned that houses will blow in the wind, and skin will dry up and blow off the bones as if it had never been. Eyes will see and still not believe, so hardened are the hearts of mankind.

"The warnings, the numerous warnings that have been given to mankind have gone by unnoticed, and man continues upon his road to his own destruction. Sins of the flesh have multiplied, and many souls are falling fast into the abyss, their eternal reward being damnation in hell."

Veronica - It's growing very dark now about Michael. He's receding. He's going backwards high up into the sky. He's floating, he's not walking. It's as though he's carried on the wind into the sky. The booming of his voice is still ringing in my head. It's a tremendous sound, that were I not closer to Our Lady, I should fall forward and faint with fright.

Our Lady now is coming forward from our right side, just above the statue. Our Lady is dressed in a beautiful white gown. Her mantle is a pure white with a gold trim all about the outside. About Her waist is a braided, a golden braided cord-like sash, and Our Lady has Her large Rosary hanging from the sash at Her right side. Our Lady is placing Her fingers to Her lips.

Our Lady - "My child, all who follow the road to the light must carry the cross. The greatest suffering that can be entered into your heart is to know of the fall of a friend. Pray, My child, a constant vigilance of prayer, for no man can be free from the attacks of satan while he is upon your earth. Pray much that you and others shall not fall into his web of evil. I repeat: no man is free from these attacks until he comes over the veil.

"You must, My child, go forward with your mission without fear. Remember you must always have a witness or two to attest to a wrongdoing, and you will pray a constant vigilance for the wrongdoer. The Eternal Father is always the final judge. We do not condone a wrong, My child, but the Eternal Father shall always be the final judge.

"In the Eternal City of Rome, My child, the message has been received, and there are skeptics, and there are those who mock. Only too well will they know the truth, and there will be tears of great sorrow shed.

"Your Holy Father, Pope Paul VI, is carrying his cross with great dignity. His strength is waning. He has accepted a living martyrdom. Pray for him, My children. There are many traitors about him; there are only a few who have remained true.

SECRET SOCIETIES SUBVERTING CHURCH

"As this battle with the agents of 666 continues, out of fear and lack of the light, many shall fall into the web of the octopus. The secret societies, My children, are gaining fast advocates to undermine and subvert My Son's Church. It will appear, My children, that satan has gained a great ground, but know that his time is growing short. It is sad, My children. I cannot explain to you fully the ways of the Eternal Father. Much must remain a hidden secret to you until you come over the veil.

"Your country, the United States of America, and many other countries of the world are being deceived. While they go forward seeking peace, the enemies of your God and your country are fast preparing to attack. Pray a constant vigilance of prayer, and recognize the faces of evil about you. Pray for the leaders of your country, My children. You hold the balance for the fate of your country.

"Many graces shall be given in the days ahead. It will startle and puzzle the scientific world, the many manifestations that shall be given to mankind. It is in this manner that the Eternal Father shall seek to gather many of the straying sheep. The pastors have fallen asleep. Many have succumbed to the errors of modernism and humanism. Pray for them, My children, that they will come out of their slumber before it is too late.

"Parents, you must guard, safeguard your children's souls. You must indoctrinate into their being the knowledge of your God, and the existence of the supernatural, and the eventual exit from your world, and the coming across into the realm of the supernatural in the spirit. You must give your children the knowledge of the existence of hell, purgatory, and the eternal Kingdom of Heaven.

"The world has become a cesspool of sin and error. No country has escaped the contamination. America the beautiful has succumbed to the evils. The morality of the young has fallen to the evil created by the masters of deceit.

BALL TO BRING MANKIND TO ITS KNEES

"My children, I travel throughout the world as your Mother. I come to you as a Mediatrix between God and man. I plead with you, as your Mother, to listen to My words of direction and caution. The time is growing short. There hovers far out in your universe the Ball of Redemption. This Ball shall be guided by the Eternal Father to bring mankind to its knees, My children."

Veronica - Oh, my! Our Lady is pointing up to the sky, and I can see a tremendously large ball of fire. It's beyond description. It's the most frightening thing I've ever seen. And it's going through the air at a very fast speed, and I can see over on the right side of the sky an outline of the earth. And the ball is heading for the earth and it's striking, the tail is setting fire to the side, I can see here, of the earth. Oh! Oh! The tail has intersected the earth, and the ball is now circling the earth. Oh! Now it's growing very dark. I can feel the great heat. Oh!

Our Lady - "My child, this is your near future. This is the Chastisement that shall be set upon mankind. The six days of suffering are not for you, My child. Do not be afeared of the many sights the Eternal Father has allowed for you to record, My child, for mankind. It is for the benefit of their souls. It is part of the cleansing that has been deemed necessary by the Eternal Father. It will bring about the separation of the sheep from the goats.

"The Eternal City of Rome shall go through a great crisis. Blood shall flow in the streets. The clergy shall meet with great oppression. O My children, I cry bitter tears of anguish.

"In the past, many warnings have been given through voice-boxes throughout your world, My children. Many of your saints were given the sight to see. There is a great price for the ability, My child, to see, for beneath every rose is a very heavy cross, My child.

"You will be joined by Theresa, My child. You have another mission to accomplish.

"I caution you anew: you will allow no one within your home, only those who are a close association and arm of your mission. No stranger must enter your home, be it man, woman, or child.

"You will accept no food or drink upon the vigil grounds.

"Understand, My children, that all directions from Heaven are conditional to your response. The Eternal Father does not wish to set this misery upon His children. The Eternal Father is most merciful. My Son's hand is heavy. And I stand beside you always, My children, pleading for your cause, pleading for your benefit, and pleading for your acceptance of this Message from Heaven. Believe Me, My children, when I tell you that only a few shall be saved in the final count.

"Pray a constant vigilance of prayer for your clergy, your bishops, your cardinals, all the leaders of your world's governments. Chaos, destruction, confusion, lies, all manner of evil has been set loose upon your earth. No family shall escape a measure of suffering brought about by the agents of 666. Continue, My children, with your prayers of atonement. They are sorely needed in these desperate days."

Veronica - Our Lady now is raising Her Rosary, and She's placing Her beautiful golden crucifix in front of Her, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as the Eternal Father blesses you through My Son and in the Spirit. Cures and conversions, cures of the body and cures of the soul - ask, My children, and you shall receive, for graces are being given in abundance."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Lady - "Continue, My child, with your prayers.

[Pause]

"Do not concern yourself, My child, any more with other questionable activities throughout your world. I assure you, My child, you have all you can do to accomplish your own mission. No evil shall ever be triumphant. Pray for all men of sin, My children and My child.

[Pause]

"It would be best for your peace of spirit, My child, if you do not enter into correspondence on that matter."

Veronica - There's a tremendous white cross forming in the sky. It covers the whole sky. Now the cross is turning a cast of blue. It's not an ominous-looking cross. It seems like a minor trial, just a minor trial for the present.

Our Lady - "In the future, My child, you will be extended the grace to be given the names of the guardian angels. It will be a solace and great strength to many."

Veronica - Now Our Lady is backing up. She's floating, She's not walking. She's just backing up into the sky. It's beautiful! The light is glowing; it's fanning out from Our Lady's cape with a beautiful white light. It's like looking through crystal. It's beautiful. And Michael is over on the right side, and I see above Our Lady, many figures of young angels, they look like. They don't have - there's no way to describe it - they don't have bodies, but they have long robes and the outlines of heads, but I can't see any faces. But they have upon their heads garlands of roses, very small roses. And their gowns are all the colors of the rainbow. It's beautiful. And they make a circlet all above Our Lady, behind Her, but it's like a ring, a half ring all about Our Lady. Very beautiful.

And the sky now is radiating colors. Behind Our Lady and the angels are all the colors of the rainbow - yellows, reds, pinks, blues, but they're mixed in a way I have never seen except on the photographs. Beautiful!

Our Lady now is taking Her crucifix and Her Rosary, and She's kissing the crucifix, like this. And Our Lady is nodding now.

Our Lady - "Continue, My children, with your prayers of atonement. My child, you will read your photographs carefully."

Veronica - . . . backing up now. It's the most beautiful thing I have ever seen. It appears that Our Lady is going right into the center of the rainbow. It's radiating colors as Our Lady is backing up now. And She's standing there. I can see Her now very clearly. She's smiling. And Our Lady now is touching Her lips and Her eyes. Oh, that means to read the photographs.

[Pause]

The light about the trees is becoming very bright. The sky was dark, but it's becoming a hazy gray. It's very difficult to explain. Our Lady is coming forward from behind the tree, and Saint Michael is following Her. And over on Our Lady's right - that would be directly, a little above Our Lady's statue - the sky is opening up. It's like the darkness is being pushed back, and Jesus is coming forward.

He has on a cream-colored long gown, very long. Jesus' feet are bare. I can see the wounds now as Jesus is coming forward. I can see very clearly the wounds on His insteps. And Jesus has a burgundy robe about His shoulders, but He's shifting them over now onto His left arm.

Now Jesus is placing His hand in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is coming over now. She's going behind Jesus, and She's standing on His right side. Our Lady just comes about, a little above Jesus' shoulder. Now Jesus is touching His lips, which means to listen.

Jesus - "My children, how light of heart I would be if I could come to you with words of comfort and cheer. I cannot speak with fallacy or deception. Therefore I must give to you a fact, and this fact cannot be colored with the light, for this fact is that man has set himself upon a road of destruction. He is going faster and faster to his own destruction. Weapons are being made now to engage the world into a great conflict. The forces of evil that now enshroud your world are gathering momentum to bring about a war, a conflagration that will engulf the whole world.

"I bring you hope in one fact, My children, and that is that the ultimate victory shall be with Heaven. All that transpires now and in the near future shall be allowed - I say allowed - by the Eternal Father for your cleansing.

"There are many errors set upon mankind by those who have the rule, by those in command of souls. All clergy must now do an about-face, and take inventory on their own souls before they can go forward in the light and gather the sheep that up to now, My children, have been scattered.

THE MEETING PLACE OF ALL HERETICS

"My Church is becoming fast the meeting place of all heretics. My Church, My House upon earth, is being defiled. Young souls are being sent out into the world to meet with all manner of evil and contamination. And what of Our leaders? Parents, do not depend on your leaders. You must, as parents, now assume full responsibility for the salvation of your children's souls.

"There will be much woe and gnashing of teeth set upon the world by the evil one. The forces of 666 are gathered for the final battle with mankind. All hell now is loosed upon earth. Recognize the signs of your times, and do not be caught asleep,

My pastors. Measure for measure shall you make an account to the Eternal Father for your laxity, your permissiveness, and your sin. We look upon Our clergy and are much distressed to find you wanting. Shall you stand before Me and say that your teaching has been pure in My sight? Amen, I say to you: I shall turn you away. I shall spit you out into the fires, as you have joined the venom.

ACTS OF TREASON

"In the Eternal City of Rome, I watch the gathering of the vultures. All bishops will now come forward and affirm their faith now! You are following like sheep to the slaughter. You are bringing division in My House. A House divided shall not stand; it shall fall! I, your God, I am your foundation. The foundation is solid, but the walls are crumbling. And what are you doing about it? You are reconstructing these walls. They are becoming an edifice of man, not of your God.

"Do you, in your human nature, feel, in your arrogance, that you will be commended for your acts of treason to your Vicar? No! You stand on the threshold of your own condemnation!

"You shall not bring about a division in My House from the blood of your Vicar. O you of little faith, what manner of falsehood and false teachings are you bringing into My House? I will set upon you a sword. I shall send upon you the reaper to cut down the harvest and separate the chaff from the kernel.

"The foundation of your Faith has been given in simplicity to you, and you, O man of little faith, have sought a change that has scattered Our sheep and destroyed souls. Shall I commend you for this? No! I say unto you: You shall receive the sword!

"My little ones - and I say in fact, My little ones, who are of humble heart and spirit, who seek not the pleasures and gain of worldliness - My little ones, I comfort you with the knowledge that you will receive the keys to the Kingdom. Be not discouraged in this world of darkness, My children; go forward with My Mother. Her direction is true to you. You may not understand all that is being given, but accept this with confidence, for when the time is right, all will be made known to you.

"Many miracles and cures, cures of the body and cures of the spirit shall be given. Much shall be rejected, for so deep is the evil. This evil has penetrated far into the very heart of My House. You must now turn back and restore My House. I, your God, give you this command for the salvation of your own soul.

"The Eternal City of Rome shall pass through a great conflagration. Discipline must be restored. Obedience, yes, but true obedience to their God and not to the mores of man. Much evil is being condoned, disguised under the guise of obedience. Let us, My children, call this a false obedience, clouded by errors and satanism.

"Unless you accept Me as your Host, you cannot escape falling into the darkness. I carry the light, and I pass this light on to you as your God. No man shall fall into the abyss unless he does this of his own accord and will. But I assure you, My children, My sufferings and My death upon your earth opened the gates of Heaven to all mankind, but all do not enter. All cannot enter unless they believe and accept the rule.

"Do not cast aside the knowledge of the supernatural. Do not reject the existence of hell, purgatory, for many shall go there unless - and I say unless, My children, they awaken and restore the very nature of their souls to the light."

Veronica - Jesus is moving over; He's floating. He hasn't turned around, but He's going over to our left side, directly over the Michael banner. And He's extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is pausing just directly over Her statue. She's holding a - oh, She's holding Her Rosary in Her right hand, and in Her left hand there is a very large Scapular, a brown Scapular. And Michael now is coming up just behind Our Lady, and he's holding a sword and the balance. But the balance is very uneven. It's got black ingots, or something on the scale, and it's balanced very heavily to the left. That is not a good sign.

Now Jesus is coming directly over, and He's joining Our Lady directly over Her statue. And He's extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

It's going, it's getting a little windy, because Our Lady's now, gown is blowing. I can see Her slippers. Our Lady has on sandals. They are light colored; they're almost like leather, almost like thongs on Her feet.

And now Jesus is passing in front of Our Lady and bending over and making the sign of the cross. He's directly over the short tree by the banner. In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Father blesses you in the Spirit, and We send among you the Paraclete to protect you and enlighten you in the days ahead. Continue now with your prayers of atonement and acts of sacrifice. They are sorely needed."

September 7, 1976

Eve of the Nativity of Our Lady

Veronica - The sky has been a very misty, subdued coloring of pink, but there is blue now - Our Lady's call. Her call signal is blue in the sky, blue dots. But the whole area surrounding the call colors of Our Lady, the area is turning into a velvety-looking plush, almost like a floor covering. It's just beautiful, a carpeting of deep blue velvet. Oh, it's just so beautiful!

Our Lady now is coming forward, and She's stepping onto this very beautiful blue carpeting. Our Lady is dressed in a white gown, a beautiful almost translucent color of white. And She has on a golden type of belting about Her waist. Her Rosary, the beautiful white Rosary with the golden Our Father, is hanging from the belting. Our Lady has a mantle of deep blue, a beautiful color blue. And all along the border of the mantle, there's a golden trim. Oh, from here it would appear to be around an inch and a half trim, all about the outside of Our Lady's mantle.

Now over Our Lady's head, at the top of Her head, over the mantle and onto Her forehead, is the most beautiful crown. Oh, Our Lady looks very regal, so beautiful. The crown is made of gold, but it has the most beautiful colored stones all around the base. I don't know just what stones you would call them in our human language, but they seem to have all the colors of the rainbow, and they glisten.

And as Our Lady's turning now, She's smiling and looking down. Now She's taking the Rosary from about Her waist, and She now has placed the crucifix of Her beautiful Rosary to Her mouth.

Now Our Lady is coming forward. She's rising a little higher into the sky. She's just above Her statue. Now She is touching Her first finger to Her lips.

Our Lady - "My child, listen well and repeat after Me. I understand fully the great suffering that has been allowed to you, My child. Did I not tell you in the past that your road would be covered with thorns? Would I allow you to see all that you must suffer, My child, what value would there be for souls? You must endure with perseverance all trials that are set upon you for your sanctification and the edification of souls upon earth.

"I have often cautioned you, My children, to not only listen with your ears and with your heart, but also to use your God-given sense of reasoning. You must learn to recognize the faces of evil about you and the forces of evil that have now been set loose upon mankind.

"666, the forces of hell, will be found wherever there is darkness and darkening of the spirit. 666 will debase souls in a manner so evil that no human mind could conceive this horrible evil, perpetrated through the human element, but directed by satan and his agents. This evil, so foul to corrupt the morals, degrade the soul, is promoted by satan.

REJECTING THE SACRAMENTS

"When a man has stepped over the threshold and allowed himself to fall into mortal sin, he must be purified by trial, but he must also, My children, be purified by the rule of penance and confession. What manner of evil is being set now upon mankind that compels him to lose his soul by rejecting the Sacraments, by no longer confessing to his confessor, but coming to receive My Son in sacrifice, while his soul is degraded by sin of mortal nature!

"O My children, leaders of Our flock, Our pastors, you must spend more time in voicing out, crying out against the evils that have invaded your society. You are, in your permissiveness, scattering Our flock. You are, in your permissiveness, floundering, and the bark is sinking. I have asked you to keep the bark of Peter afloat, to bail her out. And how? To return, turn away from your errors. In your arrogance and pride, can you not strip yourselves of your pride and turn back and restore My Son's Church?

"O My children, your world is going into deeper darkness of spirit. Recognize the signs of your times. Do not be caught asleep, Our pastors. Awaken from your sleep, before it is too late. The foulest of crimes against your God are being committed. And these crimes are being committed in the name of humanism and modernism and satanism. Many of the learned men of science have turned their searching for knowledge to channels of corruption and satanism.

"I repeat, My children: When the morals of your country have fallen, your country shall fall into grave error, which shall lead to a great Chastisement for your country and the world. How many warnings must be set upon you? How many lives shall be lost needlessly? Shall man accept, without trying to avoid, a War that will encompass your whole earth to its very destruction?

IN SPACE LIES A VOID

"You men of science, you go forward out into space, looking and searching for another world. You will find nothing. Out in space, My children, there only lies a void. The other world is across the veil; it is the world of the supernatural. Man of science is ever searching, but never coming to the knowledge of truth.

EVERY SOUL HAS A MISSION

"Your country, the United States of America, and many countries throughout the world, shall be visited with great trial in penance for the commission of murder of the unborn. No man shall set himself to destroy a creation of your Lord high God in Heaven, your Creator. Every soul has been sent upon earth with a mission. The Eternal Father finds man committing the greatest of abomination by destroying these souls, by sending them back without a fulfillment of their mission.

"The spirit of life is breathed into the body at the moment of conception. At the moment of conception a life begins, a growing life, a living life, and to destroy this life is murder.

"Where, My children, shall you draw the line? What next shall you experiment with? The value of life shall be lost; man will seek destruction.

"O My children, you ask how much time. The time is very short. The Ball of Redemption is hovering over mankind. The Eternal Father waits; He perseveres; His heart is torn with anguish.

"Those who have been given the grace to know the truth, to retain the truth, must go forward as apostles of the latter days. Bring to your brothers and sisters the knowledge, with hope, of My Son's return.

"Do not succumb to the easy road, the wide road to your destruction, because you seek not the things, the graces of the spirit, but you run headlong fast through your world, through your short time, heading fast to eternity while you gather all of the pleasures and all of the material things of your world. And for what? You shall pass over the veil to your judgment the way you came in, with nothing of material value. You must gather your graces and store them now for your repatriation and your entrance into the eternal Kingdom of God the Father in Heaven.

"Pray, O My children, pray a constant vigilance of prayer for your Holy Father, Pope Paul, in Rome. Prayers can move even the hardest of souls to repentance. Were it not for the prayers of many, many would fall fast into the abyss of eternal damnation. For those who have received graces in abundance, much is expected of them, My children.

"I have asked you, I have directed you, as your Mother, to retire - retire from your world that has been given to satan. You must earn your daily bread by living in the world, but you must not become of the world. Your children must be guided with a strong discipline and love. But this love must be coming from the light, My children, for so few cry love, and they have lost the true meaning of love. For love is your God the Father in Heaven.

"The Eternal Father is simple in His direction to you. He has given the plan for your redemption through countless channels and through countless years of earth. He has sent among you prophets to bring you the direction for your salvation.

"My children, you must not cast aside your scriptures; you must not go forward with change and novelty, for satan then has taken over and will control your minds, poisoning them until you no longer can separate the white from the black, the truth from the lies, and the fallacy from the hallucination, till all shall travel in circles of bewilderment, no longer knowing where to turn, or where to go to find the truth.

THEY COME WITH BLANK MINDS

"My children, My Son, your God, He is the Truth; He is the Word; He is the Way. Do not abandon Him in this crisis within His Church. Stay, My children, and fight; fight with prayers and acts of penance and good works. Remain with Him at His tabernacles, My children. They have not been closed yet. Comfort Him by your presence daily. He is sorrowful, for He is lonely, My children. So few visit Him, and those who visit Him on Sunday, the day of the Lord, they come with blank minds, minds clouded by pleasure, bodies stripped to impurity and immodesty. They come not to honor, but they come by habit, with no purpose.

"My children, if you love, as you profess with your mouth, act upon this. Show by example, a good example to your children. They must receive this knowledge and the way from their parents and the example in their homes. O My children, the reward to you in the end will be far greater than you can ever imagine, for you will be looking for the salvation of your loved ones. And how sorrowful and dejected a state for a mother or father to realize too late that they did not do enough, they did not care enough, to lead their children onto the road to Heaven.

"Pray for your pastors. Be not too quick to judge, but do not condone evil.

"There must be a constant vigilance within the homes. Parents must not be caught up in the cares of their worldly living, in their pursuit of pleasure and entertainment, and leave their children to wander, undisciplined, unguided, and falling into sin and the loss of their souls.

"The good books of truth are still among you. Pray for the light, My children, and be guided so that you may not fall into error, for man is now creating a church of man, and it will not be the Church of truth and the light, the Church of My Son, Jesus. Man is bending His cross to suit his carnal human nature. Man is defiling My Son. The Eternal Father allows this abomination for but a short time, for He will eventually turn all evil to good. It is a testing time, My children, for all, the separation of the sheep from the goats.

"Know and learn by this, My children, that you who have been given the grace to hear My words of warning, brought to you from the Kingdom of your God, Heaven, you have received every opportunity now to save your souls and the souls of your children. Do not slacken as apostles of your God. Go forward and await the coming of My Son, which will not be much longer,

My children. I assure you, the time is growing short. Read your Apocalypse, the Revelations of John, and you will understand the days ahead."

Veronica - Our Lady now is taking Her Rosary from Her waist, and She's extending the crucifix, the beautiful golden crucifix, out like this and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as the Eternal Father blesses you with My Son and the Holy Ghost. I give you hope, My children, though the warnings are often severe. Recognize what is happening now about you, and you will understand the story of the scriptures and the prophets."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Lady now is going over to our left side, and She's bending forward and making the sign of the cross with Her beautiful crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Now over on the left side, the sky is becoming very clear, and Michael is coming forward. Michael has a long white gown that comes down to - I can't see his feet. I have never seen Michael's feet or his hands. But he's fully covered by this billowing white gown, and I can see his wings. Wings isn't the word that could describe the beautiful contour of these elevations that grow out - they seem to grow out from his back. They're beautiful, downy, soft feathers. And they reach from just above his shoulder, down His back to where his feet would be, if I could see his feet.

I can't see Michael's face, but the gleam of his hair is so brilliant, the golden gleam. Oh, my! Michael is so large. He covers, he covers the whole left side area of the sky. Our Lady looks very, very tiny next to him.

Now Our Lady is turning over to Her left side, and She's now gliding across the sky and leaning forward. She's over at our right side, just beyond the middle tree, and She's making the sign of the cross upon the people: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, and send among you graces: graces for cures of the body and cures of the spirit, graces to bring many back onto the road from the darkness. Continue, My children, with your prayers of atonement. They are sorely needed.

"Remember your Holy Father, Pope Paul. Remember your cardinals and your bishops. Keep unified, My children. Do not set My Son's Church asunder. Do not separate yourselves from the Holy Father. Remain and protect him, for there are many enemies about him.

"Your news media, My children, are controlled, as other means of communication. You must be very careful what you read now, for you will often be deluded. Much that is credited as coming from the Holy Father is not coming from him, but from those about him who are now in full control.

"The forces, the red forces are gathering within the Eternal City of Rome and throughout all of Europe, My children. Unless man turns back quickly, blood shall flow in the streets. Revolution shall come, and many shall die. The world is entering a time of great trial. Pray a constant vigilance of prayer, My children."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Lady - "Be seated, My child. I have much to discuss with you in private."

[Pause]

Veronica - The sky is opening up directly above Our Lady's statue. There is a haze now floating forward. It's very pink, but a brilliant, now, pink; there's no way to explain it. The light now is pinpointing from directly far deep into the sky, but it's coming forward. The light is opening up, just as though there was a searchlight coming through the sky, and it's opening up as it's coming closer. Oh, I can see Jesus now coming from - out from the sky. Oh, my! Look at that!

And behind Jesus, there are figures all dressed in white. They're wearing long white robes. Now I see two are men. They're heavily bearded, and they're carrying wooden staffs, canes, in their right hands. And one is carrying a very heavy book, it looks like, but it looks more like it's been put together like parchment piled on top of each other.

Oh, now Jesus is coming over, and He's now standing very, very close to the first tree on our right. Jesus is placing His fingers over His mouth, like this.

Jesus - "My child, listen carefully and repeat after Me."

Veronica - Jesus is pointing now to His right, and coming down from the sky are other figures. I don't recognize them. Oh! Oh, yes, I do. They are Matthew, Luke, John. Oh!

Jesus - "My child, you are observing the founders of My Church upon earth. It was the beginning of truth that was carried through the ages by dedicated souls and those who followed the simple rule and the narrow road.

"Man has progressed fast onto a road that is taking him farther away from the truth and farther into the darkness of spirit. He is creating, in his searching, a new church, a new world, a world that is shutting out the light. The knowledge of his God is being taken from among him and being substituted by all manner of humanistic modes with modernizing, improvising, experimentation. And what is behind all this, but a quest for change. And why does man change, My children? Dissatisfaction, guidance by satan, the spirit of darkness entering into the hearts of mankind.

"Woe, I say unto you, My children, you are wandering into the darkness. And pastors, what counsel can I give you but to give you a fair warning that you have been watched carefully and found wanting.

"The founders of My Church, your prophets, have given you in truth the scriptures. It is a simple way, but a way that has become clouded by a man and men, who have become prideful and arrogant in their learning to the vantage point of satan.

"Turn back, My children, My sleeping pastors, turn back and recover My sheep, for you have scattered My flock. You who have been given the grace in vocation to guide and be leaders to Our sheep have scattered them, because you no longer know the true meaning of dedication, purpose, and faith. The Faith, My children, has been dimmed, and much of the responsibility for this loss of faith I place, as your God, upon Our pastors.

"No man shall take it upon himself to change the laws, the commands of your God to satisfy the mere carnal nature of mankind. I implore you, as a merciful voice from Heaven, to turn back and restore My Church. I implore you, as your God, with full knowledge of the punishment that is planned for the redemption of a generation that has fallen to satan.

RESTORE PROPER TEACHING

"O My children, your earth, your world now is a cesspool of sin, error, and corruption. Take yourselves and your children away from these errors; seek and remain with the truth and the light. And what is truth, My children? It is a simple rule of learning. The way was given to you and you have lost it.

"Pray a constant vigilance of prayer now throughout your world. Restore the proper teaching now in My Church, while you have this extension, but of short duration, this extension of time before the great trial.

"My child, I recognize your distress in the weeks past. You have been allowed much trial and suffering, for in a short and small time, My child, you have gathered the feeling, the anguish, the sorrow of all Heaven when one who showed great promise for the priesthood loses his way, succumbs to satan, and has now power to destroy souls.

"Woe, woe, woe to the man who shall use his rank as teacher, the priesthood, to destroy souls. The lowest ladder to hell could never be enough for an abominable creature that has defiled his garments.

"Pray, My children, a constant vigilance of prayer for your priesthood. Remember they, too, have a human nature.

"Your lives upon earth shall be a constant struggle to avoid the snares of satan. This is the way of the cross, My children, and every man, woman, and child shall travel this road in order to be purified and to enter the Eternal Kingdom of your God. I say unto you, My children, never since the time of Sodom, and never since the earth went through the trial of being cleansed by great waters, shall man see what will soon come upon him for his sin, for his succumbing to the pleasures of the flesh, and for discarding his God for all of the creatures and spirit of darkness, allowing the prince of darkness, satan, your adversary, to gain control of your country and your world.

"Pray, My children, a constant vigilance of prayer. Only a few will be saved. How few, My child, you ask, are these few? I say unto you: the numbers shall be counted in the few who will be saved.

"I give you the greatest of hope in your world of darkness that the victory shall be with Heaven. Know that the greatest trials suffered are but a small forfeiture for the great glory of being victorious over the adversaries loosed upon your earth. They come as creatures of night, but they must possess the bodies of humans. Understand this in the supernatural, My children: no man, woman, or child of reasoning is free from the attacks of satan.

"Do not discard your sacramentals as being outdated or outmoded. Know the insidious plan of satan to remove your armor from you so that you will not have the necessary protection for your spirit, your soul, My children. The world will look upon you and call you with laughter and mockery, fanatics. The world will point their fingers at you and say that you are deranged. But know, My children, that I, too, knew the mockery of My own. But know that the greatest glory of all is a living martyrdom for your God, for great will be your glory in Heaven."

Veronica - Jesus is now coming forward and bending over and placing His hand now in front of Him, like this, with the fingers extended, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now behind Him - Jesus is going over to our right side. He's standing over the middle tree and bending over, extending His hand and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now directly behind Him, I can see these men, two of them. They're quite elderly. Their beard and their hair is snowy white almost, and they're carrying what appears to be Bibles, large books. Jesus says, "Tomes. They are called tomes." And now behind them are other figures dressed like monks or priests. Oh, they're very numerous. And Jesus is saying:

Jesus - "These, My children, are the true defenders of the Faith."

Veronica - Oh, there are many figures now. I recognize coming down from the sky, Saint Paul, Saint Matthew, Saint Mark, Luke, John, and then there's a word appearing over a group that's standing on the left: "MARTYRS." And they're all dressed in white, but they're carrying like bishops' staffs - you know, crosiers, those hooks, you know, the long sticks. And they're wearing about their heads, though, a very strange wreath-like - they look like grass wreaths or some kind of a plant; they're green. They look like, just like the crucifixion wreath upon Jesus' head.

Jesus - "They, too, My child, carried their cross."

Veronica - Oh, they're martyrs from the past.
Jesus is touching His lips.

Jesus - "And also, My child, the present and the future."

Veronica - And there are many, many figures coming now down behind them, and I can see some of them are ladies, women, children, men. And the sky now is becoming filled with white crosses. Oh, my! It's not a very pleasant picture of what is to be. Many white crosses.

Now Jesus is touching His lip and holding up His hand, like this. Oh, He's crossing now, going across the sky; He's just floating. And Our Lady now is coming down also. She's come from behind that tall tree, the one in the middle. And Our Lady is crossing over to Jesus and all the figures are coming down. Michael also is now directly behind Our Lady. And Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and the Holy Ghost.

Jesus - "I bless you all, My children, and I send among you the Spirit of light."

Veronica - And Jesus now has thrown His hand forward, like this. There are tremendous rays coming out of His hand. And now He's moving His hand with - the rays are coming all over the grounds. Oh, it's so brilliant, it hurts my eyes to look at them, and I can feel a heat. A ray - there's no way to explain it. It's like a penetrating heat coming down from the rays. Now it's becoming duller, like the lights going out now. And it's like, they're almost like evaporating. And Jesus now is touching His lips.

Jesus - "Continue now, My children, with your prayers of atonement. Much penance is needed in the days to come. Victim souls must give their being in sacrifice for the sins of mankind."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

[Pause]

Jesus - "My child, it is most difficult to be mature. My Mother directed you well. You must make some decisions, My child, upon your own. Pray always for the light. Maturity, My child, also means that you must know when to say no. Sometimes, My child, discipline can wrench your heart, when you must administer it to one who is close to you.

"Do not be concerned, My child. The matter will be straightened out soon. Both, My child, matters shall be straightened out soon.

"Take one more picture, My child, and you will receive your answer now."

September 14, 1976

The Exaltation of the Holy Cross and eve of Our Lady of Sorrows

Veronica - There are two long beams of blue light coming from far behind Our Lady's statue through the sky. Over on our left side at the end of the beam of light, Our Lady is coming forward. And on the other light beam Jesus is also coming forward. And the light, the beams now are moving. It is almost like a carpeting of blue for Our Lady and Jesus to walk over. However, They're not walking. They are gliding, coming forward almost as though They were carried on the wind.

Jesus is standing with His hand over His heart. His cape is like a mantle, His cape, because it's covering His head and falling over His shoulders down to the ground.

Jesus - "I appear with My Mother, My child. It is not My usual custom, but because of this great trial upon your family, I have joined with My Mother to give you your message, a short one, My child.

"The greatest of trials, My child, will be given to those who have been chosen for special missions upon your earth. It is truly the way of the cross. My Mother and I are united with the symbol of My cross before mankind."

Veronica - Now high in the sky over Jesus and Our Lady, there are appearing two huge hearts. And now the hearts are coming together in the center, and there is a band around them. It is like a crown of thorns being placed about the two Immaculate Hearts.

Our Lady now is coming forward. She's standing just directly above Her statue.

Our Lady - "My child, We give you great trial in your lifetime. Do not question the ways of the Eternal Father in your anguish, My child. The road to Heaven will always be filled with thorns, for your pilgrimage upon your earth is a pilgrimage of sorrow, trial, requiring perseverance, hope, and faith.

"My child, We ask for victim souls, victims to do penance through sacrifice for the Eternal Father, Who watches a generation that has become perverse.

"Your Holy Father in Rome suffers much, for there are many traitors within the ranks.

"My children, pray a constant vigilance of prayer for your clergy. The greatest of abominations are entering upon the hearts and deeds of Our dedicated, Our clergy. Because of the prayers of many, because of the sacrifices made by the few - and I say the few - there are those of high rank who are beginning to see the light. I say this, My children, in not as a poetical term, but as a literal fact.

WARS AND FAMINE

"There will be wars. There will be famine. It will be brother against brother and sister against sister, for sin has become a way of life for many. The wages of sin is death, death of the spirit. Do not be concerned, My children, of the death of the body, for it is the eternal soul that the Father seeks to gain."

Veronica - Our Lady now is rising high up into the sky, and She's taking Her Rosary from about Her waist and placing the crucifix of Her beautiful Rosary out in front of Her, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children. With My Son I bless you, for the Father I bless you, and send for My Son with His acknowledgment, the Spirit of truth among you."

Veronica - Jesus is smiling. I can see through the tremendous light that is coming out from His face. It's lighting up the whole area about us. Jesus is now touching His first finger to His lips, which means to listen.

Jesus - "My children, through countless earth-years My Mother has wandered throughout your world bringing you a warning, a direction from Heaven, to turn back from your ways that offend the Eternal Father much. Many warnings have been given to mankind, and many more shall be given, these warnings increasing in ferocity until man shall be embroiled in a major War.

WHEN YOU SEE THE HOLY FATHER FLEEING

"My child, you speculate much about the coming Warning. I have asked you many times not to speculate on dates, but I give you one indication that the time is ripe. When you see, when you hear, when you feel the revolution in Rome, when you see

the Holy Father fleeing, seeking a refuge in another land, know that the time is ripe. But beg and plead that your good Pontiff does not leave Rome, for he will allow the man of dark secrets to capture his throne.

"There is in your world today a spirit of evil loosed upon mankind. All manners of filth and abomination are spewed upon mankind. The man of dark secrets, Mr. 666, the agent of hell, the forces of evil are now among you. Many minds are being poisoned by satan, My children. Recognize the faces of evil about you. Do not fall prey to all manner of experimentation, to modernism and humanism, for it follows close upon satanism.

SKIN WILL DRY UP

"Many leaders who wear the red hats, My children - pray for them, for many have fallen to satan. I say unto you, as your God: Turn back, Red Hats, for you, too, shall meet the fires of hell. The Red Hat has fallen, and the Purple Hat is being misled. Woe, woe, woe to the inhabitants of the earth! Houses will blow in the wind, and skin will dry up and blow off the bones as if it had never been! Eyes will see and still not believe, so great is the power of satan now upon mankind.

"I warn you now, My children, that you must turn back and start again. Do not renew My Church by commending it to satan, by destroying it. You cannot destroy the foundation. You crumble the walls. Like rats you are burrowing, O Red Hats, into the foundation of My Church. I say unto you, there is not a man living upon earth now who hears My voice that shall not face the great trial ahead.

"My Mother, your Mother, the Mediatrix between God and man - respect Her, listen to Her message, for She has come to you through the merciful heart of the Eternal Father to a perverse generation that is calling down upon it its own destruction. You run to and fro, your scientists run back and forth, always seeking and searching but never coming to the truth, for they have lost the knowledge of their God. They have lost the knowledge of the supernatural, using rationalization until sin and evil have become a way of life among you.

"Many children will be taken out of your world, My child, to save their souls.

"What does it gain a man if he gather all of the world's riches and suffers the loss of his soul? Your earth-years are few. Each man must pass beyond the veil and be judged. And do not fall for the delusion of there being no judgment, for, My children, you will find out too soon.

"You will all keep a constant vigilance of prayer going throughout your country and the world. If you recognize, if you accept the truth and the knowledge of the supernatural, you will know the great power of prayer to disperse the demons. I give you this lesson of reality, My children: the demons cannot stay with the sound of prayer ringing in the air.

"Pray a constant vigilance of prayer for your Vicar. He is under great trial. He is being crucified by his own. Pray for your children, the young souls that are being fed polluted waters in the name of truth.

"I, your God, command those who hold rank in My Church to remove the heretics; excommunicate those who accept themselves to join secret societies to demolish My Church. Do not compromise your Faith, My children, for there is only one direction you will proceed, and that is down."

Veronica - Jesus is placing His hand in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is gliding over to our left side, high up over the trees. Our Lady has on a beautiful pale blue mantle. It's trimmed in gold all about the outside. And Her gown is a cream-colored, very billowing gown, with a cord, a golden cord, tied about Her waist.

Our Lady now is loosening Her Rosary from about Her waist, and extending Her crucifix out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

GO FORWARD AS A MILITANT GROUP

Our Lady - "I bless you all, My children, and give you the grace through the Eternal Father, the grace of cures of the body and cures of the spirit.

"Pray, My children, a constant vigilance of prayer. Do not allow My warnings to fall on deaf ears. You must go forward as a militant group, My children, filled with discipline, and no self-seeking; but you must go forward with prayer and the sacramentals I have given to you through your prophets and the ages, the years of earth's time. They are your armor, My children, and you will not fall into the web of satan if you use your sacramentals. Put them to good use, My children; arm your little ones against the forces of evil about you."

Veronica - Our Lady now is going over to our right side, and She's coming up behind Jesus. And Jesus is standing now and looking down upon the people over on the right side, and He's extending His hand down, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is rising very high up into the sky, and She's - now the sky is becoming very, very bright, very bright, and Our Lady is pointing upward with Her hand, and there is a tremendous white cross now forming in the sky. It's a brilliant cross. And now - it's a large cross, but behind it, I see many, many smaller crosses. They are also white. It's like a field, a whole field of crosses.

PUT YOUR SUFFERING TO GOOD CAUSE

Our Lady - "My child, you are observing many who shall wear the white robes in Heaven. Many martyrs shall be made, My child, in the days ahead. Many shall gain their crowns through suffering. It is truly the way of the cross, My child, to Heaven. Do not let a moment go by, My child, without using, without putting your suffering to good cause.

"A simple lesson was given to you by your guide, Saint Theresa the Little Flower. Review your lessons, My child, in your books. You will gather these messages, My child, and place them into a book.

"Know that your trial of this evening was planned by the Eternal Father in Heaven.

"Why are you crying, My child? You should rejoice, as We rejoice in Heaven. You shall receive great grace, My child, from your suffering. I give this to you as a riddle, a puzzle, but the next few days will give you the answer. Smile, My child, for there is great joy in Heaven when We are joined by the angels.

"You must understand, My child, that many are allowed to suffer for reason. You, My child, will tell your daughter that Heaven truly works in mysterious ways for the salvation of souls. The greatest sorrow one day will be turned to the greatest joy. *[Veronica's granddaughter just passed away at age 2.]*

"Remember, My child, I, as your Mother, fully understand the great sorrow in your heart, for did I not give My Son to the Eternal Father? Did I not have My heart torn asunder by this loss? Yes, My child, I also had a human nature. I could cry; I could be sorrowful. I felt a great sadness, My child. I feel, and I give to you the simple lesson: It is only through experience, My child, that can we have true compassion for the sufferer.

"Now, My child, you will fully understand the way of the cross. After penance, My child, there is always a great joy.

"I bless you, My child. You will be given the strength to continue with your mission. Accept, My child, the will of the Eternal Father without question. I assure you, My child, He always has your best interest at hand."

Veronica - Our Lady now is placing Her crucifix out in front of Her, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My children, My child, continue with your prayers of atonement. Many graces shall be gathered for those who are roaming in the darkness. One day you will all understand and be joyful with the knowledge that your sacrifice and your penance has saved many from the abyss."

Veronica - I believe in God, the Father Almighty, Creator of Heaven and earth; and in Jesus Christ, His only Son, our Lord; Who was conceived by the Holy Ghost, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, died, and was buried. Oh! He descended into hell; the third day arose again from the dead; He ascended into Heaven . . . He ascended into Heaven . . . she ascended into Heaven . . .

[Veronica sees her newly-deceased 17 month old granddaughter, who waves to her. Veronica begins to weep.]

[Pause]

Our Lady - "You see, My child, all cannot be understood at this time in your human nature.

"Pray, My child, a constant vigilance of prayer. Pray for perseverance, My child.

"Continue now, My child, with your prayers. You will understand all soon.

"I did not promise you a life of ease. I did not promise you a life of security. I only directed that you would carry your cross.

"That is better, My child. Do not be concerned; you are still human, My child.

"All pure spirits are beautiful, My child. They fill you with amazement. But this is only a small measure, My child, of what is over the veil.

"Do not shed another tear, My child; your loved one has been saved. But cry for those who have not received this grace, My child, for many souls are falling into hell as fast as the snowflakes that fall from your heavens. Pray for all men of sin, the poor souls, My children, who have no one to pray for them. Without your prayers, they would be lost forever to the Eternal Father.

"Your city, New York, is teetering, My child, teetering on a brink of destruction of its own making. There are forces of evil gathered within your city. Keep a constant vigilance of prayer, My child, going. Only your prayers will hold back this great evil. Without these prayers, My children, there will be a great destructive act committed in your city of New York. The forces of evil are gathering. Pray, My children.

"Continue now, My child, with your prayers of atonement, and read your photographs."

September 28, 1976

Eve of SS. Michael, Gabriel, Raphael, the Archangels

Veronica - The sky is becoming a most beautiful blue. In the center of the blue, a circular coloring of blue all about the sky bordering on the trees - oh, it is just beautiful - the light is becoming more brilliant. It's a circular light, and directly in the center there's a brilliant, diamond-like star emerging deep from within the sky. It's coming out - it's definitely a huge star, a brilliant, gleaming white - oh, very intense in color, the star is. Oh, now it seems to be floating directly up over our heads, and Our Lady is coming forward.

Oh, Our Lady looks beautiful! And behind Her, behind Our Lady, the sky now is becoming filled with figures of angels. Oh, they are dressed in gowns of different colors, beautiful pastel shades of blue, pink, a very pale lilac. And their gowns are trimmed in a border of gold, a gold cord-like trimming all about the edges of their gowns.

Now in the front I see very small cherubim-like angels, youngsters. They have wreaths on their heads, of roses. They're very small roses, rosettes.

Now the little ones, they're holding banners in both hands across their chest. And written on the banner is "GLORIA," G-L-O-R-I-A, in gold. "GLORIA, GLORIA, GLORIA." The three little cherubims in the front are holding these banners. They're a silken-looking, scroll-like banner that covers from hand to hand on each of their chests. There are three. Now they're coming forward, and I can see the writing much more clearly: "GLORIA, GLORIA, GLORIA."

And then, now over to the right, there is an angel. I don't recognize him. I assume it's a 'him.' It's very difficult to say whether it's a 'he' or 'she,' because I cannot see their faces, only their outlines. But he - I do feel it's a 'he' - has a banner much larger than the ones held by the cherubims, and it says: "IN EXCELSIS DEO," D-E-O, E-X-C-E-L-S-I-O-R. It looks like "DEO." Oh, it's beautiful! And his banner is shimmering. I find the letters very difficult to read, because he's moving from right to left and back again, showing everyone the banner he holds.

Now behind Our Lady, there are - Michael is standing. He's far in the background because of his massive size. He's covering the whole sky in the background. And over on our left side is Gabriel. I know Gabriel, because he's holding this very strange-looking horn. It has a very thin, long blowing part, the horn part, but at the bottom - it runs from where he would blow into it at his lips, and it's running now to his feet and curling up. It's a very peculiar-looking horn. And over on our right side by the first tree, directly above it, is Raphael. Now he's standing and holding out his hand, like this, and he's holding what appears to be a dove, a small white dove.

The air seems to be alive - there's no way I can explain it - with sounds of beautiful music. It sounds almost like being at a High Mass in the Church of Jesus. Just beautiful! Now there is a chorus of voices. They're young voices, the purity of the sound. And I can't understand the words, but it's the most heavenly type of music. I could not explain it in human words.

Our Lady now is coming forward. It's quite windy, and Her gown, Her beautiful gown - Our Lady is dressed all in white, but with also the gold trimming similar to the cherubims and the angels all about Her mantle. Our Lady's mantle is above Her head, and it cascades over Her shoulders down to Her feet. I can see Our Lady's feet just coming out from under Her long gown. Our Lady has on the most beautiful golden slippers, and directly on the front, in the center, there is a small golden rose, a rosette, very tiny.

Our Lady now is holding Her Rosary, Her beautiful Rosary with the golden Our Fathers and the white Hail Marys in Her right hand, and She's extending the Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My children, this is a time of great rejoicing in Heaven, for We have much to be thankful for, even in Our great sorrow of the times. Many have joined Us in Heaven to enter into the battle ahead, the battle against the forces of Antichrist. Louis Even is among us, and many others whom in time their names shall be disclosed to you, My children.

"In the realms of Heaven there are many stages to reach perfection. The highest place in Heaven, My children, is the beatific vision of the Eternal Father. I mention this in fact to you, My children, because there is a prevalence of much error now in your world teachings. The pastors, the shepherds whom We have given control over Our flocks of young souls, are leading many into error, and placing these young souls on the road to eternal damnation.

"You must not, as shepherds, compromise My Son's House. I say compromise, because you are contaminating the pure waters; you are bringing in errors that can lead to almost - I say almost - a complete destruction of My Son's Church.

"Recognize, My pastors, the signs of your times. You have fallen asleep. Delusion has been set upon you because of pride and arrogance. O Our sleeping pastors, you have fallen into error because of pride and arrogance.

"Repeat, My child, the message of your times given to you in the past:

The end is not as far as you can see;
Already there is apostasy.
Man cast his lot and gathered the coals,
To stoke the fire that burns the souls.
The days are numbered, the hours are few;
So work and pray, and try to do
The work that's given in the light,
Until that sad time when all is night.

WARNINGS GONE BY UNNOTICED

"My child, many exhortations and warnings have been given to mankind. You must go forward and refresh their memories. Many have forgotten the warnings from Heaven, for they go about saying, 'Where is the promise of His coming, and where are the warnings that you speak of and write of?'

"O My children, you are truly blind! These warnings have been given for time, and an extension of time to mankind before the major catastrophe shall be sent upon you, the baptism of fire. You have received these warnings that have gone by unnoticed: floods, hurricanes, fires, disasters, accidents that are not accidents, earthquakes in places that have never experienced such terror before. How many warnings must the Eternal Father send upon mankind before they will awaken and do penance?

"Prayer, atonement, and sacrifice, My children - is this too much to ask of you, in the realization of what you are going to pass through?

"In Rome, the Eternal City of the Father, there is much confusion, error. And heresy, O mournful heresy! Whatever shall become of you?

"I cry bitter tears; I cry tears of a Mother Who watches with a pierced heart as Her children are fast plunging themselves into a mass confusion and self-destruction promoted by satan and his agents.

"My children, satan, who lives in the supernatural world that you in your human nature cannot see unless the Eternal Father permits you to see for reason, he works through persons, places, and things, My children. Any soul that has fallen out of grace, a soul that has transgressed into mortal sin, may be used by satan for the destruction of other souls. The sin of pride shall bring destruction to many in My Son's House.

"What manner of abominations do you, Our pastors, permit in My Son's House? You are recrucifying My Son. You work like rodents to destroy. You are subversive to undermine My Son's House. Restore it before it is too late!

"Can you not strip yourselves, O pastors, of your pride? Can you not humble yourselves and admit you have worked in error, rationalizing sin, rationalizing error to the destruction of the young souls and those entrusted to your care? Pastors, shepherds, you are scattering Our sheep!

"The prophets who have been sent to you in the past ages of time, they gave you the building from the foundation, My Son. You are allowing the walls to crumble. You are changing the Book of life, your Bible, to suit your own purposes. Do not allow those who do not have the grace of the light to write and rewrite the Bible.

WOMEN MUST COVER THEIR HEADS

"My children, My Son, His heart is pierced by the manner in which many come to His House with disrespect, apathy, and using His House as a meeting place for all manner of abominations. In due respect on this night of the feast of the high angels in the eternal Kingdom, they demand - and Michael commands - that women must cover their heads during the Holy Sacrifice of the Mass. It is not through custom that this is asked of you. Do not be deluded by satan, My children. Women must cover their heads in respect for the Sacrifice of My Son, in respect for all laws of your God and not of man; for man now, My children, is setting up his own laws, his own rules, and man shall destroy himself in this manner.

"The foundation is solid, My children. The gates of hell shall not prevail against My Son's Church. Though those who follow the light must go through a crucible of suffering for the restoration of My Son's Church, know, My children, that the eventual victory is with My Son.

"My children, you are not alone in your struggle. There are many armies of light now rising, with Michael to guide them, throughout your world. Persevere in the days ahead, My children, for you are truly children of the light. And, My children, you must remain within yourself, and not give yourself to the world, for what do you have in common with children of darkness?

"You must expect to have a road filled with thorns, My children. Pick up your cross and carry it; follow My Son. The road to Heaven is a narrow road. Many turn and leave it and find the way back most difficult.

"Your years upon your earth are very short, My children. Do not sacrifice your life eternal; do not sacrifice your entrance into the Kingdom of Paradise, the Eternal Father and the saints, the angels, and all who have received the light and treasured this light on the road to Heaven.

"Those who have entered the Kingdom, My children, have never faltered, have gone forward step by step, gathering the graces necessary for the preservation of their souls and the souls of their children and their loved ones.

"In all charity I ask you, My children, to remember your brothers and sisters throughout your world. Many shall not remain on the road to Heaven because there is no one who will pray for them. The power of prayer is great, My children.

ALL PROPHECY CONDITIONAL

"All prophecy given to you, My children, is conditional to man's response. Remember this in the days ahead.

"In Rome there are gathering forces of evil. We call them, My children, the red forces. Unless the children of light upon earth can reach into these areas of darkness, there will be a great trial set upon Rome. The forces of 666 are raging throughout your world. They have entered into the highest places of government and in My Son's Church. Do not be deceived by the rank and position of a man upon earth. Rank and position do not - "

Veronica - Oh, my goodness! Now - oh, Our Lady is pointing. Directly over on the right side, there are two figures emerging. I'm not happy at seeing them. They seem very ominous. These two figures are carrying golden keys, but they're like, they're holding the keys out and they're crossing them, but not across the chest. They seem to be unified in - it's like soldering the two keys together in a cross. Now these two - I know they're bishops - they're wearing very high mitres upon their heads, and they have about their chest a cross, but the crosses that are upon them are black, a very ominous-looking cross upon their chest.

Now over on the left side - their right side, our left side - there's a huge building now coming through the sky. Oh, my goodness! It's Saint Peter's. But there seems to be an explosion of some kind, and the building is now dividing - oh, my goodness - dividing in two sections, almost like some kind of a quake has hit it. But no - it's strange, it seems more like it's been divided by blood. Oh!

Our Lady - "The blood of martyrs, My child."

Veronica - Our Lady said, "The blood of martyrs."

Our Lady - "Pray, My children, for there is a great decision coming upon mankind. I cry bitter tears of remorse and anguish. It is not the wish of Heaven that there be a division in My Son's Church. Pray, My children.

CAST OUT THE HERETICS

"The way back is very simple. O shepherds of Our flock, return to your teachings. Set aside your false pride, for pride will always come before the fall. It is a simple rule and lesson given to you by your prophets, the founding Fathers of My Son's Church, chosen by Him. Bring back these rules of discipline. Do not set upon the world this heavy cross of division in My Son's Church. Do not experiment. Cast out the heretics. Cast out the secret societies. Cast out from among you those who have given themselves to satan. Cast out with excommunication the heretics."

Veronica - Our Lady now is moving over, and She's sitting down now. She's sitting down on what appears to be a large rock. Now Our Lady is very upset. She's placing Her hands on Her face; She's crying.

I notice as Our Lady bends down Her head, the roses are falling from Her crown. And now I can see the roses have fallen from Her crown. But Our Lady is wearing a very high golden metallic crown beneath the roses. It is a very unhappy, sad sight.

Our Lady is looking up and pointing. And there is Saint Peter's, just torn asunder, torn with strife.

"Division in My Son's Church," Our Lady says, "division. O woe, woe, woe!"

Now the sky is getting very dark. It's like a great deep darkness is settling all over the world. But I can see little lights, little candles that are - they seem to be floating in the sky now, going all about the sky.

Our Lady now is over, She's still over sitting on that rock on the left side. And Our Lady now is holding now in Her hand - She's placed out Her hand, and someone I can't see in the darkness has given Her this very large candle. Our Lady is holding the candle. Now Our Lady is looking over.

Our Lady - "My child, give the message quickly throughout your world. Shout it from the rooftops. I have given you, the Eternal Father has graced you with the sight of what can be, My child. Send the message out with great haste, that you and all who are living do not become a part of the scene you have viewed, My child.

"Sit back, My child, now. Pray a constant vigilance of prayer for your country and the world. Pray for your Vicar. Pray for your bishops. The Red Hats have fallen and the Purple Hats are being misled! Do not be guided by a clenched fist. Recognize that evil, satan, has entered upon My Son's Church. Send him out with a constant vigilance of prayer. Restore My Son's Church! The walls are crumbling; restore it with the truth."

Veronica - Now the sky is almost black. Our Lady is sitting still on the rock.

[Pause]

Our Lady - "My child, do not be concerned of the opinion of man. Do not involve yourself with worldly seekings. I assure you, My child, you have all you can handle to do the work that Heaven has given to you. Your mission is gathering speed. Work with perseverance, My child.

"I would advise you to seek more time for quiet meditation, My child. Do not be concerned in the short lulls that come into your life, My child. I assure you, it will all appear before your very eyes.

"I cannot give you permission, My child, to approach your Vicar at this time, but be patient.

"Now you will read the photographs, My child, and the rest must be - remain in secret."

[Pause]

Veronica - Michael is over on the left side, directly above the statue and the tall tree. He's covering the whole left side of the sky, straight across the head of the statue, up above it and over.

Now - oh, over on the right side, coming through the darkness, I can see Jesus emerging through the - it's almost like a panel of black. And . . . but the light that is coming from within Jesus, there's no way to explain it. He's all lit up, like He's all aglow.

Now Jesus has on a burgundy-red cape. It's very windy, because the cape is blowing. The wind must be blowing over from our right to left, because Jesus' cape is being carried over across His shoulders. Jesus has on a beige-colored gown with a cord-like rope, a tan color, about His waist. And He has on sandals. His feet are bare, but He has on, it looks like skin-like brown leather sandals with two straps across the toes. I don't know how they're held on. I can only see the straps that go to His toes.

Now Jesus is removing the cape. It's like a cape that covered His head. It seems to be all one piece, like a parka almost, a covering. And now Jesus has placed it down. And His hair is very long. He's smiling; Jesus is smiling now. And He's starting to talk; I can see His lips moving. And oh, how close I am to His beard! Jesus has a short beard; it's very well trimmed. And He's smiling. And I can see that there is a small growth on His upper lip. Oh, my!

Jesus is now touching His lips with His first finger; that means to listen.

Jesus - "My child and My children, this should be a time of great rejoicing in celebration for the angels. The Eternal Father has given to you friends, My children, guardians for your lifetime upon earth. Do not cast them aside. Do not accept mankind's attitude that has been promoted by satan. Mankind has sought to reject these protectors, to send them out from among you.

"Remember, My children, the words given to you through My Mother, direct from the Eternal Father and the Kingdom of your God. You have been given sacramentals, and you have been given living guardians to be with you through the whole time of your existence, your life upon earth. They can be your protectors if you will allow them. Do not trade them in for the adversary, satan.

"My children, there have been voice-boxes chosen from among you to send throughout your world the Message from Heaven. I assure you, My children, this message that has been given to you must be acted upon, for it will all come to pass in reality. All warnings from Heaven were conditional and are conditional to man's response.

"Your God is a loving God. The Eternal Father does not seek to bring destruction upon mankind. You cannot understand in your human nature the ways of the Eternal Father, My children, but trust in Him. Believe and you will be given the way.

"The foundation is solid, My children. I am the way. I am among you. The light will not be extinguished among you, regardless of the efforts by men of sin to extinguish this light.

CHANGE SHALL BRING NOTHING

"The truth in Faith and Tradition has been given to mankind. Change shall bring nothing but error, confusion, and the destruction of souls. If you, My pastors, continue upon your present course, you will bring the bark of Peter through rough seas. You are now setting it afloat, and in your plan known to Heaven, you prefer to send the captain away, and allow the bark of Peter to flounder. However, yea I say unto you, O ye of little faith, I know I remain within you regardless of your rejection of Me. When I chose you from among men to represent Me upon earth, you were a special one; and regardless of your rejection of the light, I shall use you, My pastors, for no evil shall ever be triumphant.

"Awaken from your slumber, My pastors. You are misleading My sheep. The truth lies hidden deep in your heart. Open your hearts to the light. Do not reject this light and bring darkness upon your world, darkness of spirit.

"All manners of abomination are being committed in My House under the guise of false humanism and modernism. Were you not warned in the past about the errors that can be set loose by these methods? You reject them because of science. You rationalize sin until sin has become a way of life upon your earth. And what does it gain you as you run about, going to and fro gathering your coins, filling your coffers, building great palaces. And for what? To be destroyed because of sin, lacking a true purpose. And what form of religion and worship are you building? A utopia of man? No! I say unto you: you are fast plunging to your own destruction.

"You will not change My Church to suit the basic foul carnal nature of mankind, but you will change mankind in the manner that I directed you through the ages, and bring mankind to Me by the light.

BEING OBEDIENT TO SATAN

"My pastors, you shall not give as your excuse for your false teachings, a rule of obedience! And who are you being obedient to but satan? Shall you stand before Me and say that your teaching has been pure in My sight? I say unto you, I shall spit you out as vipers into the flames!

"You, pastors of little faith, you have become symbols of worship among yourselves. Man is now building his own cross. Shall you set up man to be worshipped in the body? And what has become of the soul?

"The Eternal Father will chastise those He loves. Are you, in your arrogance and pride, wishing this upon mankind? O My children, take the blindness from your hearts, and look upon the destruction you have wrought within My Church, within the hearts of those who trusted you to guide them. You have taken this trust given to you by Heaven, and what have you done? You have cast it aside, and you, too, My pastors, shall meet the fate of the fallen angels. Many mitres shall fall into hell!

"Man shall not be deluded. Man shall not believe that My suffering upon the cross shall guarantee an entrance into the Kingdom regardless of the state of that soul. Oh, no! Man must make his way to the Kingdom by merit.

"I give you fair warning, the few warnings that are left to you, to turn back now and restore My Church. Do not look back and wonder of the reaction of mankind, for no man shall save you when you come over the veil to be judged.

"Think, O pastors: Shall you stand before Me and say that your teaching has been pure in My sight? All who cry 'Lord, Lord,' shall not enter into the Kingdom, for I look into your hearts and I find you wanting.

"My children, you must pray for your pastors. You must pray for your leaders of government. Much worldly power has been given to them, and many are using this power for the destruction of souls. Pray a constant vigilance of prayer. Go forward as disciples of your God. Many shall receive sainthood in these days, My children.

THREE-QUARTERS OF MANKIND

"Persevere in the days ahead, My children. Do not slacken in your quest for souls. My Mother shall always be with you in the battle ahead. She has been sent to you as a Mediatrix between God and man. Do not reject Her message as you have done in the past. Can you not learn from your past in your history? Must you continue to make the same errors?

"Now you are bargaining with the final count, My children. For as night will turn into day, and day will fall into darkness, that day will come when you will cry out for mercy, and it will be too late. The Ball of Redemption shall take from your earth three-quarters of mankind. Your country, America the beautiful, has not witnessed a massive scale of destruction and death. Is this what you call down upon yourselves? You, My children, hold the balance.

"Pray a constant vigilance of prayer in your country and in the countries throughout your world. Pray that satan does not poison the minds of those in power in such a manner as to bring a faster destruction upon mankind.

"The forces of evil are gathering. 666 now controls all the world; and sad to say, My children, 666 has entered upon Rome, and the fight for power has begun. Pray for your Vicar. Pray for all men of sin. And above all, My children, pray for your children, for many parents shall shed tears of great remorse - too late!"

Veronica - Jesus is placing His hand now in front of Him, like this, with His three fingers extending, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now it's very windy. And Jesus is going over across the left side of the sky. Our Lady now is coming forward. I didn't see in which direction She came, but Our Lady now is coming right up behind Jesus, and Michael is following, and Gabriel and Raphael, and all of the cherubims, the small, beautiful angels.

The sky is becoming very bright now. The terrible fear that gripped my heart - the beauty of all the angels seems to just fill you with courage and hope, and the wonder of knowing what lies beyond the veil.

Jesus is smiling now, and He's placing His hand out, like this, with the three fingers extended: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Father blesses you, and sends among you the Spirit of light."

Veronica - Now Jesus and Our Lady - Our Lady now is just in front of Jesus to His right, and They're going across the sky. Now They're just - and Michael is high up over Jesus' head. He covers the whole sky. He's a tremendous size! Oh, beautiful, though; he looks absolutely beautiful!

Now Jesus is just above the first tree, and He's bending down now and He's extending His hand out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is placing Her Rosary now in front of Her with the crucifix, the large golden crucifix, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Continue now, My children, with your prayers of atonement. They are sorely needed."

[Pause]

Veronica - . . . beautiful voices. The music is so beautiful. It sounds like thousands of voices.

The sky is covered . . . oh, it's just . . . oh, I, I don't know the count, even, of the angels - there are so many of them. Oh, and they all are like different sizes. They're all standing on steps now. One, two, three, four, five, six, seven, eight, nine steps. They're almost standing like in ladder formation, for they are beautifully placed, and they're - oh, it's fantastic!

They are dressed in long gowns; every one of them has on long gowns. And over on the right side, I count the nine steps up. Oh, my!

Michael is standing right behind the whole group. He covers the whole sky from left to right. Oh, the size of his head! Now I can't see his face; it's so bright I can't see his face. But oh, he has this hair - oh, it's metallic; it's a golden color, very close-cropped to his head. And his - there's no way of explaining it - it's huge. His head's very large, and his shoulders go from one end of the sky to the other; he just covers the whole sky. He's a true warrior of Heaven. It's fantastic! Oh, but beautiful; it's not scary. It makes you feel just wonderful, looking at him. Oh!

Now Raphael and Gabriel, they're smaller. They don't seem to be as awesome as Michael. Michael is huge! Oh, it's beautiful.

Now there - I don't know where the music is coming from. I don't see them singing; they don't seem to be moving their lips. But the most beautiful music - it's like a chorus, but I never heard this before. It's - oh, it's beautiful! It feels like you're inside of a church, the music.

Now it's becoming very gray. The sky is getting a very misty color - it's like smoky. A gray smoke and haze is starting to form now.

"Oh, don't go away!"

Oh, the sky is like it's fading away. It's just like evaporating. Oh, my! It's beautiful. Oh, those colors are just beautiful! Now it's becoming very dark; it's a dark gray.

Our Lady is now coming forward on the right side.

Our Lady - "My child, continue with your prayers of atonement. There will be a time in the future when you will understand everything. However, you must remember, My child, that much must be kept secret, for it would no longer be sacred.

"One more photograph, My child, before the evening."

October 2, 1976

Eve of Saint Theresa, the Little Flower

Veronica - The sky is very gray tonight, but there is a pink cast outlining the trees. The coloring almost is somber. There is a large white ball coming through the sky on our right side, directly over the first tree. Our Lady is standing on top of this ball. It's like a globe. I could almost feel it's a globe of the world; however, I do not see the outline of the earth upon it.

Our Lady is very beautiful. She's in Her bare feet, though. I can see Her gown blowing at the bottom, and Her feet are coming out from under Her skirt, Her very long skirt. Our Lady has a very pure white dress with a sort of a cinched waistline. Our Lady has Her belting tucked in about Her waistline, and the skirt is very voluminous.

Now as the ball is moving over to the left - that would be Our Lady's right - it just looks like Our Lady is standing and riding on top of the ball. She's very beautiful.

Our Lady has a mantle, a pale blue mantle that covers Her whole head down onto Her shoulders, and goes down Her back until it almost becomes a part of Her gown. It's very beautiful. The wind is blowing, and Our Lady's mantle now is blowing all about Her.

Now Our Lady is taking Her Rosary from about Her waist. She's loosening it. It's a beautiful Rosary. It has large golden Our Fathers in the beads, and the Hail Marys are a white, a pure pearl-like white. However, as Our Lady now is moving all the colors of the rainbow are shining out from the beads. It's just beautiful.

Our Lady is smiling. The light is very brilliant about Her. It would be difficult, without God's grace, to look into the light to see Our Lady's face.

Our Lady now is taking Her golden crucifix from the Rosary and extending it in front of Her, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is placing the Rosary in Her left hand, and She's holding the crucifix now to Her lips, kissing it, and returning now the Rosary to Her waist. Now She is touching Her lips, which means to listen carefully.

Our Lady - "My child, I have always directed you without error. In the past, I had told you many times, My child, that the road to the Kingdom of your God is filled with thorns. It is by trial and suffering that you can truly carry the cross.

"The greatest trials are given, My children, to those who are on the narrow road to the Kingdom. You must all learn the value of suffering. The Eternal Father allows this for reason. If you will study the past lives of your saints, My children, you will understand why I say that penance and suffering are truly the way of the cross.

"Your world is in deep spiritual darkness. The Message from Heaven is reaching all of the far corners of your earth. It is in the will of mankind, allowed by the Eternal Father, for all to hear the message and to make their own choice. In the days ahead, the days that will lead to the great crucible of suffering, there will be a gradual separation of the sheep from the goats.

"A great responsibility has been given to the pastors of My Son's Church. We have looked into the hearts of many pastors and found them wanting. It is a sad fact, My child, that even those who wear the mitres may fall into hell.

"My children, you go through your earthly life looking for the roses, but you must understand that the cross is always beneath the roses."

Veronica - Now Our Lady is pointing up to Her right side, and the sky is opening up. There's a tremendous great light now. It's widening; it's pinpointing from a central location and widening out. It's like a spray of sunshine coming through the darkness. And behind the light, coming forward, I see Theresa. Oh, Saint Theresa and her sisters. Oh, and behind them are many nuns and clerics. The nuns are dressed in different habits. However, they all have one thing in common: the gowns are long and dark and very modest.

Our Lady now is placing Her hand out to Her side. And Theresa is now gliding over. They don't walk. Everyone is being carried on the wind like they were weightless. Now Theresa is taking Our Lady's hand. Oh, she looks also so happy. There is such an expression of joy and peace and love upon Theresa's face, as she's turning to Our Lady.

Our Lady - "My child, the example given by Theresa and all who have given their lives in vocations, this example must be returned to My Son's Church. Because you do not pray enough, My children, because you have given yourselves to sins of the flesh, many wars have descended upon you, many trials of earthquakes and floods and great heat have come upon you. My children, there is a most terrible calamity approaching mankind, and I beg you, as your Mother, to avoid this, to get down now upon your knees and do penance, atonement, and sacrifice to the Eternal Father Who has already been offended too much.

THE RISE OF ANOTHER CHURCH

"Through countless earth-years, My children, I have wandered among you. The Eternal Father has sent Me as a Mediatrix between God and man, bringing you a warning from Heaven. It is a simple message of faith, My children. In the

knowledge, the all-knowing knowledge of the Eternal Father, He foresaw the days ahead and tried to prepare you, My children, for these days. Prophets were sent among you, and what have you done with their message? You have cast it aside, disowned your prophets, your saints, and you have decided among you, O you of little faith, to bring about the rise of another church that is not of My Son. You are building, in your arrogance, a church of man. You scurry to and fro, crying love, love, brotherhood, and friendship, but the words come not from the heart but from the mouth!

"O My children, I have given you the knowledge of what will happen to your world and what is taking place now to bring about your own destruction. Are you going to go blindly like sheep to the slaughter, My children?

"In the Eternal City of Rome, the Message from Heaven has been made known. Now I admonish you, as your Mother, to act upon My warnings, My children. There must be a complete reversal in the manner in which you have set out to tear asunder My Son's Church and His teachings. In blindness of heart, you have taken the rules and remade them to suit the basic carnal nature of mankind. You must bring back the Commandments of your God, as given to you by the prophets, without addition, without change, and without the rationalization of sin!

SEMINARIES POLLUTED WITH ERROR AND SIN

"In your schools of learning, My children, your seminaries, they are polluted with error and sin! Whatever shall become of you? Many now in My Son's churches are closing their eyes to the error and deceit! They allow contaminated souls to teach the young! And why? Not because there is a fear or love of God; because he has a fear and love of his fellow man! And why, but for worldly gain!

"What has happened to your vocation, pastors? What will it gain you if you set yourselves away from the Eternal Father by gathering all of the world's goods and wealth? You cannot come across the veil with one fraction of what you gather upon earth! The ways of man are not akin to the ways of your God. He will not accept your gold and your silver. He will not accept your worldly power and control of lives upon earth. And He will reject you, O pastors, if you are responsible even in the smallest measure for the destruction of souls!

"As My Son was forced to cast out of the temple thieves, so shall He come among you and cast you, O pastors, fling you from without His House! O ye of little faith, you are burrowing like rodents into the foundations of My Son's Church! You run to and fro, crying peace, love, and brotherhood! There shall be no peace, or love, or brotherhood without Faith and Tradition and Truth! And you seek to separate Faith from Tradition. And what have you but lukewarm souls and apostates!

"Repeat, My child, the message again, given to you through Theresa:

The end is not as far as you can see;
Already you have apostasy.
Man cast his lot and gathered the coals
To stoke the fires that burn the souls.
The days are numbered, the hours are few;
So work and pray and try to do
The work that's given in the light,
Until that sad time when all is night.

"Much, My children, shall be given to you by riddle, but those who implore the Holy Spirit among you to enlighten them shall not find this a riddle long. It is a puzzle, yes, for all mankind to understand the solution. It is a puzzle that must be solved in your lifetime and in this generation, My children, for if you do not solve it, My Son will set in motion His plan to give this answer to you.

THE DAMNABLE MACHINE OF SATAN-TV

"O My children, it truly rains teardrops from Heaven. How I have begged you to pray for your bishops. How I have begged you to pray for the leaders of your government. Too few pray for them. Too few even pray for members of their own household. And why? Because the damnable machine of satan, television, has been used now to destroy the solidarity of a home. It has come in and separated communication between the individuals of the home.

"O My children, do not be deceived by the ways of satan that he sets among you. He will not come to you so that he will be recognized immediately. He will come to you as an angel of light. He will give you all that appeals to your human nature, but it will sicken your immortal soul.

A CRUSADE FOR MY ROSARY

"My children, keep a constant vigilance of prayer throughout your country and your world. Unite in a crusade for My Rosary, My children.

"I do not wish to look down among you and hear the voices that will cry to Me, 'Oh, if I could only recapture what could have been!' But it will be too late."

Veronica - It's growing very dark now, and Our Lady is pointing up to the sky with Her right hand. The sky is opening up, and I see what appears to be a war of some kind. I see lined up on the left side, yellow people. Our Lady says, "yellow-skinned races." And on another side, the white-skinned races. And down below there is a group of dark-skinned races.

Our Lady - "O My children, the great War, the war to end all wars, can bring a destruction to mankind, will bring a destruction to mankind far greater than any human eye has ever seen or experienced or will ever in the future see or experience again, for in this great catastrophe, were it not that My Son has promised to come among you, there would be no living flesh left!

"The leaders of your governments do not give the truth in your medias of press, for there are armaments being made, great instruments of metal, that can destroy and wipe out a nation! Much of this destruction, My children, does not have to be done with human bodies. These are instruments of destruction with wide range of traveling, My children.

PROFESSORS IN SEMINARIES STEEPED IN SIN

"And why, My children, will this great War come about, the war to end all wars? Because of man's sin! In your country, My children, in your seminaries in the United States and Canada, My children, and the world, you have professors now so steeped in sin . . . they who call themselves My Son's chosen priests, they are vile sons of satan who are now rationalizing sin! There shall be no rationalization placed upon sin. The commandments shall not be looked at objectively and given to excuses, or reasoning to condone sin! No, My children, it is the minds poisoned by satan that spread this filth and error, this distortion of doctrine, this distortion of Tradition, and this distortion of your Faith!

SEMINARIES HELL-HOLES OF ERROR AND HERESY

"Awaken, pastors, from your slumber! Can you, O bishops, not spare but the little time to look into your seminaries? I say but one expression to you: they have become hell-holes of error and heresy! Clean out your seminaries, My bishops! My Son will lay upon you a heavy hand in penance! Is this what you want? Do you not have the courage of your convictions to stand by the truth of your Faith? Have you given yourselves to such foul sin, O bishops, in your personal lives that you do no longer recognize sin as being a way of life? Are you also condoning sin to become a way of life? And what will you gain, for as you live so shall you die in sin!

"O pastors of My Son's House, I beg you, as your Mother - for it truly rains teardrops from Heaven - restore My Son's House to its former glory. Do not give yourselves to filling your coffers. The Eternal Father wants none of your gold or your silver or your power over mankind, if this power destroys the souls He has entrusted to you. Yes, Heaven looks upon those who have entered My Son's House to destroy it! You cannot hide your hearts from the Eternal Father. He allows you to go about your way, hoping that in your error you will come out of the darkness and restore yourselves to the light.

"You must all, pastors in My Son's House, pray more. You do not pray enough. You do not meditate! And what have you done to the good books given to you to help you in your prayer life? You have cast them aside and run about like chickens without heads. And looking for what? To gather the sheep by humanism and modernism. And I say 'chickens without heads,' for you flap your wings in pride; you stomp about in your arrogance; and you have no heads, for you have lost them to satan!

"O My children, would I, as your Mother, could I, as your Mother, but bring you words of cheer and consolation! But do you, as children of the light, not understand how My heart is torn, torn by the many insults, the abominations being committed in My Son's House?

JESUS' RETURN SOON

"The armies of Heaven upon earth now are gathering, My children. You are not alone in the battle ahead. You will never be alone, for My Son and I, the Eternal Father and the light are always with you. And you, My children of light, will all see Us again. You will see Us with your human eyes, many with their human eyes, and many shall rise to join My Son when He returns, which, My children, will be soon, much sooner than any who hear My voice can expect.

"I give you this great encouragement and hope in the days ahead, My children: that all who believe, that all who will hold their candles of light and search through the darkness to bring the knowledge from the Eternal Father in Heaven to the straying sheep, they will be saved."

Veronica - Our Lady now is extending Her Rosary out with the crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Theresa is reaching to her waist, and she's also extending her Rosary out and holding it, and she's bowing to Our Lady. And Our Lady is smiling now. And Our Lady is going over - She's crossing in front of Theresa and Theresa's sisters. I see Celine and I see her other sister. And there is a whole group now of men in long cassocks coming down. Oh, they look like beautiful souls - priests. Oh, they do make you feel so wonderful to look upon them. Oh, they're also, they all have their Rosaries. These men have these large black Rosaries hanging about their waist on belts, like cord-like belts at their waists. And two of them have a Passionist Father's sign upon their chest, over on their left side of their chest. Oh, it's beautiful.

And now down behind Theresa, I see Saint Gemma Galgani. Oh, I know her. Oh, Gemma Galgani. Oh!

Now Our Lady is extending Her crucifix from Her Rosary out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now everyone is turning to their left, our right, and they're crossing across the sky. They're following Our Lady, behind Our Lady.

And Michael now is coming out from the sky right over Our Lady's statue, high in the sky. Michael is coming forward. He's carrying a golden balance in his right hand, and this very long and menacing-looking sword he has in his left hand. And it's very bright. I can't see Michael's face because of the light. It's a tremendous white light.

And Our Lady now is coming over, and She's stepping very gently onto the tall tree in the center. It looks like She's standing on the bough of the, the outline of the tree. And She's now leaning over, bending forward, and making the sign of the cross with Her Rosary: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as the Eternal Father and My Son, and the light - We send the light among you, My children. Be consoled that the light shall never be lost among you.

"Continue now, My child, with your prayers of atonement, and do remember your Vicar, Holy Father, Pope Paul VI. You must defend him in the battle ahead. There are many who he trusts that are deceivers, for they have truly joined the ranks of Judas.

"Pray a constant vigilance of prayer, My child and My children, for your priests."

[Pause]

POPE PAUL'S ENCYCLICAL ON BIRTH CONTROL

Veronica - Our Lady says:

Our Lady - "The encyclical of Pope Paul on birth control is true and must be followed by mankind. There shall be no rationalization of sin. There shall be no excuse for the murder of the unborn. Sin has become a way of life among mankind, but Heaven does not condone murder. Heaven cannot condone sin, though the Eternal Father in His mercy is most merciful and long-suffering and forgiving. But man must repent of his sin now, while there is time.

"Already the measures are being taken necessary in the propagation of the damnable abomination of the destruction of life further by euthanasia, My children.

"As man goes farther into the darkness, he has lost complete contact with his spirit, the Spirit of life and light, and he is losing his soul, surrendering his eternal life to satan.

"What does it gain you, My children, if you gather all of the treasures of the world, of your earth world, and not one treasure shall you store in Heaven for your entrance over the veil? You will come without credits, My children, and you cannot enter into the Kingdom of your God. And many - sadly to say, My children, as fast as snowflakes shall fall from your heavens, many are falling into hell, eternal damnation and suffering, and the agonizing . . . knowing that forever and ever beyond all living there shall be nothing but emptiness and suffering.

"O My children, purgatory is heart-wrenching to Us in Heaven to see the souls who must spend many long years in purgatory, because they did not listen and make amends for their sins while they were upon earth. And now these amends have been meted to them in the life, the supernatural life of suffering in purgatory.

"O My children, if I could open unto you and allow you to see the suffering of one soul in purgatory, there is nothing that you would give upon earth - there is nothing that you would not give upon earth, My children, to keep from spending one moment in that state of purgatory. And many, My children, have been here, and will be here to the end of time.

"Learn the value of prayer, My children. It is most powerful for the return of straying souls."

Veronica - Our Lady now is going very high up into the sky. Michael now has come down by Her right side, Theresa and her sisters, and these many priests and brothers, and some of them are monks. Some of them look like some kind of monks; they have on a habit that I'm not familiar with. They're like cloaks about their heads; they're deep brown. Oh, they look so very, very happy, and there's a peace that's beyond explaining in human words. I can't explain it, Blessed Mother.

Our Lady - "You do not have to, My child. No human word could describe the joy of Heaven.

"Now, My child, you will continue to examine the photographs that I give you. However, I caution you to not make this a circus, for you will lose the power of the photographs if it continues. These photographs, My child, were given to you for the purpose of understanding the message. They are not to be used outside of the work of your shrine, My child. They are not for personal reasons in an individual life."

[Pause]

Veronica - . . . coloring. It's a beautiful pink. The edges all about the trees are a deep pink, almost bordering on red.

Now Jesus is coming forward from the center of this great light that's pinpointing directly over Our Lady's statue. The sky is opening up. It's like the clouds just blowing away in either direction, and there is a pale blue light directly over Our Lady's statue now. And Jesus is coming forward, and the light's behind Him, and that seems to come out of His clothes. There's no way to explain it. The light is radiating out from Jesus in all directions. It's very brilliant.

Now Jesus is taking His cloak - He has a burgundy-colored cloak about Him - and placing it over His left arm, and He's holding up His hand, like this, with the three fingers extended, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is taking His finger and touching His lips, which means to listen carefully.

Jesus - "My children, you may hear the detractors, the unbelievers, say there is repetition upon repetition by My Mother and a repetition of the warnings given constantly to save mankind. Understand that in the loving heart of My Mother, She perseveres with hope, with the knowledge that eventually some may be saved by Her constancy.

"O My children, the louder We shout the warnings from Heaven, the deeper grows the darkness. It truly rains teardrops from Heaven.

"Understand now and act upon the message given through My Mother for the Eternal Father, that only a few will be saved. How few can be counted among the world's teeming millions? That knowledge will be given to you in the near future.

"I do not have to emphasize My Mother's message to the world, the urgency of acting upon it at this time. The forces of evil are accelerating throughout your world.

"Many leaders in your government and many leaders in My House have fallen into error and grave deception. Pray a constant vigilance of prayer for your pastors. Pray for your priests. Know that even they can carry their mitres into hell.

"There is a satanic attack upon My House. The forces of 666 have entered upon Rome! Heresy, O mournful heresy! Whatever shall become of you? I repeat in warning - and act upon this warning: the Red Hat has fallen and the Purple Hat is being misled.

"My children, do not be deluded by those who cry peace, peace, love, and brotherhood, as they lead you further down the road to damnation and destruction. Do not cry for the destruction of the human body, but woe, woe, woe to the man who allows the destruction of the soul!

"Parents have a grave responsibility in these hours of trial ahead to gather their children in their households and instill in them the truth and the knowledge of their Faith. Do not open your doors and shove your children out of your thresholds to be guided into the darkness and to meet with the ravenous wolves outside your doors! Accept your duty and responsibility as a parent for the salvation of your children's souls.

"Error, heresy, deception permeates and pollutes the hearts of many teachers. Many shall sell their souls to get to the head.

"The knowledge of the world beyond the veil, this knowledge is being lost to your children. Bring prayer into your homes! Teach your children the basic foundation of their Faith, the Commandments of your God! Do not water them down. Do not rationalize sin, for without your guidance, parents, your children shall be lost!

"There will be many tears shed and much gnashing of teeth set upon mankind in those days. Only a few will be saved. And woe to the man who goes blithely upon his way, not caring for his future life.

FIRST ALLEGIANCE TO GOD

"You have no obligation to any man, My child and My children. Your first allegiance is to your God, the Father in Heaven. No man shall stand with you over the veil and ransom your soul. You shall come across the veil exactly as you entered it, with nothing but the treasures you have stored with Us in Heaven. If We find that your treasures are not counted in the supernatural, and you have gathered all upon earth, you will come bare and be banished from the eternal light.

"Do not fall into the error and fallacy that all men are automatically saved by My Sacrifice upon your earth. It is a lie straight from the darkness, from the prince of darkness, satan. Heaven was opened to all, but all shall not enter it, for many reject the light and do not have the time to return to it before they cross over into eternity.

"My children, your life upon earth is but a few short years, and shall you sacrifice eternity forever for these few short years, giving yourselves to all pleasures of the flesh and all manner of worldly gains. For what? For absolutely nothing! You

do not gather your treasures for your God and for your soul; you pamper your human instincts and your bodies! Cast aside these shackles that bind you to the earth. Clothe yourself in garments of purity, modesty, and godliness. Do not accept the ways of satan while you are upon your earth, for then he shall claim you forever.

"Pray a constant vigilance of prayer, ever upon your knees to your God the Father. Beg Him! Do penance, if not for yourselves, but share, in charity, your graces for those who, without your prayers and sacrifices, shall be lost forever to the eternal Kingdom. For those who receive in abundance, much is expected of them.

"I repeat a fair warning to all bishops and cardinals now upon earth who have set themselves to rule in error: you are being judged in Heaven. Many of you now plan to join the ranks of the deceivers in the Eternal City of Rome. You gain nothing, for there is nothing that the deceiver, an atheist, can give you. His word is not in truth. You cannot build your world on the promises of a deceiver.

"Learn a simple lesson from the past, My children. When the morals of a country start to go down into darkness, and the teachings turn from God to man, that country will soon be ended. First the spiritual life and then the material life of your country shall be destroyed.

"Accept your cross, My children. Carry it well, for it is only a short and narrow road to the eternal Kingdom, and when you choose to drop your cross and go onto the wide road it is very difficult, My children, to return. Better that you persevere in truth and in faith.

"Do not cast aside Tradition for modernism and humanism, for these are the creations of satan! You cannot separate Faith and Tradition, for one stands together with the other to unify My Church. It is the foundation of My House. I gave you the direction that has withstood the test of time, and you, in your arrogance and fallen nature of mankind, have now taken it upon yourselves to change My Church.

"By your fruits will you be known. By your fruits are you now known. Learn from this simple lesson. All that is rotten shall fall. The gates of hell shall never prevail against My Church. I am with you to the end of time.

"The Eternal Father watches the battle ahead, allowing man who has chosen to go fast onto the road to satan and destruction to plunge there faster in his greed and his avarice.

"O My children, clothe yourselves with modesty and piety. Seek food for your souls. Search for the light, and keep your candles burning with My Mother, for in the days ahead, if you extinguish your candle, My children, you will be lost in the darkness."

Veronica - Jesus is now - He's going up higher into the sky, and He's holding now His hand in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Father blesses you and sends among you the Spirit of life.

"Pray a constant vigilance of prayer. Constancy and perseverance will keep you on the road to Heaven, My children."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

October 6, 1976

Eve of Our Lady of the Rosary

Veronica - The sky has been very dark all evening since I arrived, but directly above Our Lady's statue there is an area opening up in the most beautiful shade of pale blue, a pastel blue. Oh, it's like a smoky dark atmosphere is just being blown away. The light now is becoming very bright about the trees. It's tingeing the trees in a very pale blue. It's a beautiful color.

Our Lady now is coming forward; She's emerging straight through the sky. It's just as though there must be an absolutely supernatural aura about Our Lady, because She comes through this panel of coloring like it has no body. There's no way to explain it, human-wise. Our Lady is standing directly over, just a little bit to our left, above Her statue.

Our Lady is dressed in a beautiful white gown. It's very billowing and full. She has nothing on Her feet; Our Lady's feet are bare. And She has now a white mantle, a beautiful white mantle that's very full, and it's blowing in the wind. Now the mantle about Our Lady covers Her completely, almost down across Her forehead. I can't see Her hair, but there is a beautiful golden border all about the outside of Our Lady's mantle. About Her waist there is a golden, corded type of belting.

Our Lady's Rosary, the beautiful white Rosary with the golden Our Fathers, is strung . . . is hanging down from Her waist. But now Our Lady is reaching down and She's removing, She's loosening the Rosary quickly from about Her waist, and She's extending now the Rosary towards us, like this, and She's extending it with the crucifix draped over Her hand. It's a beautiful golden crucifix. Our Lady now is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is kissing the crucifix and using Her first finger to touch Her lips, the sign given by Our Lady to listen very carefully and repeat.

Our Lady - "My child, I know that a great sorrow grips your heart. I did not promise you a road filled with roses, My child. The cross is always beneath the roses, and your road will be filled with thorns. It is only in this manner that you can follow My Son.

"My child, you must read most carefully the white loose-leaf folder in which you have the notations given by My Son to you in the past. I bring one in particular to your mind, for the one who plans to now smear you, My child, in your mission - I say unto him that he must cease and desist his actions, or he will bring upon him a true exposure of his nature.

"My child, in the white book that I speak of to you, read the passages carefully and think, My child. When My Son said to you - and your young son, Raymond, was present - He said to write this: 'Beware of one who will come to you in black. He cannot enter into your home unless he is dressed in black. He will gain your confidence, My child. He cannot come unless he comes with a companion.'

"Now, My child, you will understand that many of the messages given in your white book were for your future.

NOT TO HAVE ANY SPIRITUAL DIRECTOR

"Also in your white book, My child, for this deceiver who has set himself with satan to destroy your mission from Heaven, I say unto him that My Son has made it known that you, My child, are not to have any spiritual director, for you will do better by yourself. My child, the man is a deceiver, and you must stay as far from him as possible until I put him down.

"O My child, could I have but spared you this cross I would have, but you will learn much from it. No, My child, you did no wrong in exposing his folly. The morals of the young must not be corrupted. Nudity and nakedness shall never be condoned by My Son or Heaven, and no man shall take his religion and use it to twist out of context the words of the Bible, or to use these words upon young minds, pure minds of innocence, to gain a control by brain-washing them to suit his own purpose. And this purpose is not of God.

"My child, I repeat: Do not concern yourself with this man, for My Son shall put him down.

"There is much to be done, My child, to send out the Message from Heaven. Satan will set many obstacles in your way. He will send among you many degraders and those who will cast doubt and disparaging remarks upon My mission. My child, you are but a voice-box from Heaven and you act, and must continue to act, in complete obedience to the Eternal Father in Heaven. One cannot enter into his heart personal opinions, for the object is the salvation of souls. Therefore, My child, you acted in complete obedience, so do not concern yourself any longer of this matter.

"There is in the Eternal City of Rome, My child, much error, confusion, and deception. The plan of those who carry on their backs the number 5 of communism is to overthrow the rule in the Eternal City, gain control in politics in a manner to control the world. They seek to overthrow Rome, these agents of hell and atheism, My child; they seek to overthrow Rome and gain control of the power of the House of My Son throughout the world. They will subvert it from within, My child.

BETTER THEY CALL THEMSELVES "REDS"

"There are many Judases in My Son's House now. Better that they call themselves 'reds' and be honest. There are many Judases in the houses of My Son throughout the world, and there are many who have placed their heads in the clouds. Their minds are befogged by satan, and their minds are poisoned by satan. They spread error, confusion, and lies.

"O My children, the word has been given to you. It is a simple measure of truth that has been written within your holy Book, the Bible. There is no reasoning that is of God to change the wording and the object of the passages as laid down exactly by your Apostles, the founding Fathers of My Son's Church. O My children, open your hearts to the truth. You are being deceived by satan when you make these changes in the name of modernism and humanism.

"There will be many signs given upon earth. We promise you, My children, that these trials and signs and disturbances of nature shall come upon you, but not - those who are in the light, they shall not become unaware of the meaning. Many who will go through the great crucible of suffering will go through this time with hope and perseverance, knowing that they have been given the direction and the plan of Heaven beforehand.

"O My children, pray a constant vigilance of prayer. Keep the truth in knowledge of your Faith within your heart. Expound it widely; do not close your mouth when you may bring the truth to others. Good words kept in a closed mouth is like putting messes of meat on a dead man's grave. Good words kept in a closed mouth is truly, My children, a waste. It is like placing meat on a dead man's grave.

"O My children, do not cast aside the teachings of your founding Fathers. They were given to you for reason. And now man, in his arrogance and his searching for a truth that is not of their God, man in his arrogance and pride seeking to reach Heaven without knowledge of the supernatural - whatever shall be his end but destruction. Man of science is ever searching, but never coming to the truth!

"There is the knowledge of what is taking place, in Rome. There is a great knowledge now spreading in the Eternal City. Pray, My children, a constant vigilance of prayer as We approach with the message a high dignitary, one of great power, and one who is wielding the rod over others under him in the Eternal City of Rome. Pray for his conversion back to the truth and the light. You do not wish, My children, to see him pass over the veil without penance and contrition, for he will be claimed by satan.

"O My children, it truly rains teardrops from Heaven! The Judases within My Son's House are multiplying, and those of weak faith have become lukewarm and going like ducks downstream, following the leader to their own destruction.

"Pray, My children, a constant vigilance of prayer for your pastors. Do not abandon My Son's Church, but stay and fight by example and prayers. The power of prayer is great. The demons cannot remain where there is a sound of prayer cascading and resounding across the air.

MANY SIGNS IN THE HEAVENS

"There will be many signs given in the heavens to awaken man to the coming of the great Chastisement, the Ball of Redemption. Hearts will shudder with fear. Men will drop with fright, so great will be this astounding reaction in the atmosphere of man.

"O My children, We call upon all parents to bring discipline into the hearts of their children. They are wandering without purpose and knowledge of their religion. They are wandering without leadership. You, as parents, have the greatest responsibility for the salvation of your children's souls.

"There will be tears, great tears and gnashing of teeth and much woe set upon the earth by the evil one. The demons of hell are now loosed upon earth. The agents of 666 roam throughout the world and have entered upon the Eternal City of Rome. Know, My children, that the gates of hell shall not prevail against My son's Church; however, there will be a testing and a trying period among mankind where the sheep shall be separated from the goats. All that is rotten will fall! By their fruits will they be known, and all that is rotten will fall.

"You must keep the knowledge of the truth by gathering all of the books of truth, My children. They are still among you, though many have been burned, buried, and destroyed.

TAKEN UP TO WAIT FOR JESUS' COMING

"There will be candles of light lit throughout the world, armies of Heaven. Many in these days of trial will disappear from the world, your earth. It will be a great mystery to mankind when they are taken up to wait for the coming of My Son. It will be a great joy to those privileged to meet with Him when He returns.

"O My children, persevere in your present days and the few days left in earth's time. I assure you, My children, if you carry your cross with resignation and maintain a truth, maintain the Faith - be faithful to your Vicar, Pope Paul, in Rome, but learn to recognize the faces of evil that surround him. Much - most now, My children, of your medias are controlled by the evil ones. It will take man of great knowledge and light to fully be able to understand what is true, truth, what is fact, or what has been made

fiction by the enemies of your God. It is a known fact that now, My children, your newspapers are controlled. Your television is an agent of satan, an abominable agent of satan, corrupters of souls.

NOT TO FALL INTO PLAN OF THIRD WORLDERS

"Many priests, bishops, cardinals in My Son's House need prayers from the laity that they may be strong enough not to fall into the plan of the third worlders, who are also known, My child, as the one worlders. They seek to destroy My Son's Church and build one on the creation of man. My Son has cried many times great tears of sorrow and has said: 'Will there be any faith left when I return? Will I find even a small flickering of faith left in their hearts when I return?' It truly rains teardrops from Heaven!

"My children, keep a constant vigilance of prayer. Do not slow down your mission, My child, by listening to those who cast doubt and suspicion upon your mission, for that is just what satan wants, My child - to confuse and confound you, and make you set yourself about running without purpose to clean out all of the little cesspools that satan stagnates, My child. In other words, My child, understand what sometimes to you - as a human, you cannot understand the ways of Heaven fully. But I know, My child, that you are familiar with My choice of words.

"Satan has poisoned many minds throughout the world, even entering into the high places of My Son's House, and the leaderships, the governments of your world. You must pray a constant vigilance of prayer for all of your brothers and sisters.

"There will be a heavy cross set upon mankind soon, My child. Many crosses shall come out of this."

Veronica - Now appearing just directly over the United States flag is a big black cross. It's an ominous-looking cross, except that it has like the Trinity sign on the extending arms of the cross. It's like . . . in one way it could be beautiful, but it's so dark and ominous looking, which means suffering and penance.

Our Lady - "Yes, My child, many shall be given crosses and many shall not be able to stand up under them. You will all be tried like metals in the fire. It is truly the way of the cross, My child."

Veronica - Our Lady now is extending Her crucifix on Her beautiful Rosary out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now directly behind Our Lady, Michael is coming down. He's covering the whole sky. He is huge! Oh, he is so beautiful! And also, there are many other angels. They're dressed in - oh, there are multitudes of them coming down now; they're dressed in all the rainbow, all the colors of the rainbow. They're beautiful blues and pinks and yellows, but they're colors that I can't describe. You couldn't call them a true blue, pink, or yellow, because they seem to catch all the light and set up like rainbow glows over their smocks, their long dresses. And the lights like rainbow hues are cascading all over the sky now, especially around Our Lady.

Now Our Lady, with Michael behind Her, She's going over by our left side and extending Her Rosary out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning. It's very windy up there, because Her mantle and Her gown is being caught by the wind. And Our Lady now is coming over to our right side. Oh, it's just beautiful, absolutely beautiful! It's the whitest dress and mantle I have ever seen. It's just beautiful! And the light is so brilliant that without the protection of God, I'm sure I would be blinded. It's so beautiful!

Our Lady now is extending Her cross out, like this, the crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, and send among you graces: graces for cures and graces for conversions, cures of the body and cures of the spirit.

"Now, My child, you will continue with your prayers of atonement. They are sorely needed for mankind."

[Pause]

Veronica - D.S. has been given fair warning by Our Lady to cease and desist, or he will be exposed. It is in the merciful heart of Jesus and the Eternal Father that a warning is given when an action will be taken by Heaven.

Our Lady - "Pray a constant vigilance of prayer, for satan shall attack all who seek to remain on the road to Heaven. The greatest attacks will be upon those who become and fall in the name of pride and arrogance. Yes, My child, you must pray for him, for his soul is in great danger.

"It is a merciful act from Heaven that you give this message to him, My child. Do not be afeared; he will go no farther than the Eternal Father permits.

NO INSTANT PRIESTS

"Now, My child, you will understand My messages of a short time ago, and you have learned with difficulty - I should say, My child, the hard way - that there can truly be no instant priests. This merger that he made was not of God. It has been allowed by the Eternal Father in order to set some people straight, My child. There are others who will follow in his path, and they will bring much sorrow to Heaven.

"It is a lesson that he has learned; but now he must act upon it and go to a confessor - a good, a true Roman Catholic priest. He must go to a confessor, a Roman Catholic priest, My child. In the mercy extended by the Eternal Father, you will tell him again: He must go to a Roman Catholic priest and make a full confession.

"Amen, My child, and I bless you for your courage to speak out in a time such as this, My child. It is only when you can lose all self-interest and think not of yourself, but to reach out with your heart and your faith to save a soul, My child, that you are fully graced by Heaven.

"You will write him, My child, once more, and give him this message: He must confess to a Roman Catholic priest. He has been deceived by satan."

[Pause]

Veronica - The sky is black, but the letterings are in blue: 3, 5. That means assault. 3, 5, assault. The "3" is disappearing, and the "5" is becoming very large across the sky.

Now the number is disappearing, and the sky is opening up. It's very beautiful. It's dark all about, but just like a huge host coming through the sky. It's becoming whiter as it emerges from the darkness, a huge white host. Oh, and directly . . . now the host seems to be floating downward. Oh, and standing now on top if it - that's the only way I can explain it - is Jesus.

He has also bare feet. I can see His feet standing on the host. It's like a, almost like a ball carrying Him forward, like Our Lady usually rides on. And He has a cream-colored gown with a heavy, braided type of rope-like cord about His waist. And His mantle - it's not a mantle; it's like a cloak - is a burgundy-red color, not a red, sort of a . . . I can't explain the wine color. It's a very beautiful color. And the reflection of the light that's coming out from Jesus, all around Him, is casting a reddish glow all about the sky. Now Jesus is touching His lips. That means to listen.

Jesus - "My child, I do not have to repeat My Mother's message to you. I only extended this far to caution you to avoid that man.

"Yes, My child, do not waste precious time in trying to use your own human means to set the wrong right. I assure you, My child, We can do it much faster.

DO NOT CAST ASIDE INDULGENCES

"You can expect, My children, in any mission from Heaven, many irritations, and much that will be set in your way to try to stop the good work from Heaven. Recognize the faces of evil about you, and learn from them. Pray that you, too, may not fall into the entrapments of satan. Pray a constant vigilance of prayer. Wear your sacramentals, and do not cast aside indulgences and other graces that are given to mankind for his protection. I assure you, My children, in the days ahead, you will need all of them.

"I ask, in admonition, Our pastors to awaken from their slumber and set My House straight.

"My Mother has come to you as a Mediatrix between God and man, bringing you this warning from Heaven. You, in your free will, shall have the choice to listen to Her message and act upon it, or cast it aside in your pride and arrogance. And when you cast it aside, you will be held fully responsible for the loss of your soul and those souls that have been given into your care.

RED HATS BURROWING LIKE RATS

"Awaken from your slumber, My pastors; you have been misled. I repeat: the Red Hat has fallen and the Purple Hat is being misled. I repeat again: you, O Red Hats, you are burrowing, burrowing into My Church like rodents, seeking to undermine the foundation of My Church. But I say unto you: I am your foundation, and you shall not shake Me loose, though you crumble the walls within My House. We wait with great patience for your return.

"O My children, your world is fast heading into the cataclysm. Prepare yourselves well. Guard your children's souls now, and you will not be sorry later.

TO SET UP THEIR OWN CHURCH

"There is much work to be done to return My House, My Church, to its previous state of dedication, purity, and holiness. Much that has happened within My House, the direction was not given by your Vicar, Pope Paul. In arrogance, many Red Hats have set themselves to set up their own church, and it is fast becoming one of man and not of your God. There are no angels directing you in this building. The spirit you receive is not of light, but of darkness in your building. Restore My Church to its former glory, or I shall set My hand down fast upon you! The Eternal Father is long-suffering and merciful, but My hand is growing heavy!

DESECRATE HER MEMORY

"My Mother cries constantly, daily, tears for your mercy. My Mother shall no longer be betrayed by those She loves - betrayed, I say, for you desecrate Her memory. You remove Her from among you in every manner possible to take the knowledge of Her being from among your children.

"Your children, their hearts, their souls are empty. They no longer have knowledge of the supernatural. They are fast heading into a world of reasoning that permits sin as a way of life. And why? Because you, as leaders, have destroyed the trust placed in you; you have betrayed Me and your Faith, and as such, you command from Heaven your own destruction! Shall you stand before Me, O Red Hat and Purple Hat, shall you stand before Me and say that your teaching has been pure in My sight? I say unto you: I will spit you out, as the vermin you are, into the flames of eternal damnation!

"Woe, woe, woe to the inhabitants of the earth that has given itself to all manners of sins of the flesh, pleasure-seeking, never seeking food for the soul, but running about gathering all materials and pleasures of your earth life. And for what? To leave behind in a sudden cataclysm! No man shall escape going beyond the veil sooner or later, and have you prepared yourselves for this pilgrimage?

"My children, read well the directions of My Mother. Open your hearts to the truth. Do not slacken in your mission, My child and My children; do not slacken in your mission by listening to those who seek to cast your mission in doubt and suspicion.

"Satan has claimed and poisoned the minds of many. It is satan who seeks to stop the good work of My Mother. He is the adversary; he is the prince of darkness; he is the father of all liars! And I say unto you, as your God: his time is growing short, and he knows it; for now he is set loose upon your earth and he roams among you, using many faces and many bodies, for he is truly the soul of the man of perdition. He has entered upon mankind with agents of great power, for they are using the forces of hell against My Church.

"As it was ordained by the Eternal Father in days past, this time of great trial will come about, must come about, for the purging of all mankind, that a generation that has given itself to satan in all manners of perversion must be cleansed by trial.

WEEP FOR YOUR CHILDREN

"All that is rotten will fall. Seeds that must grow into flowering plants must receive pure waters. Many of these flowers must be removed from God's garden upon earth to save their souls, My children. It is better now that you all weep for your children, for many are called, but few are chosen.

"Pray a constant vigilance of prayer, My children. Many graces are being extended to you through My Mother. Accept them with generosity; share them with your brothers and sisters who are less fortunate. Many souls that would otherwise fall into hell and eternal damnation have been saved because of the thousands of prayers that have been rising to Heaven for their salvation. Only, My children, in the time of your great reward in Heaven will you understand fully how great was your mission upon earth."

Veronica - Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is coming over to Jesus. She's coming from our right side, directly over the first tree. Behind Her is Michael. And the sky is now just filling with all beautifully gowned angels. They're all sizes. And I don't know if they have ages, but they look, some of them look like young children, and others are older. And they seem to be graduating up into steps high behind Jesus and Our Lady. And Michael is coming forward now, and I can't see most of, now, the angels on the left side of the sky, because Michael has covered them with his great size.

And now Jesus is coming over to our left side. He's extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's turning. It's very windy. Our Lady and Jesus, Their gowns are being caught by the wind as They are going across the sky now. They're crossing over directly to our right side. Now Jesus is standing between the two trees, and He's bending over and making the sign of the cross. He's clutching at His chest with His left hand. I don't know if He's holding His heart, but it is a very sorrowful-looking gesture. But Jesus now is extending His fingers out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Eternal Father blesses you, and send among you the Spirit of life.

"Do not allow your minds to be clouded by satan. Keep a constant vigilance of prayer going throughout your country and all of the countries of the world. Pray for those who have received the greatest of crosses, those who no longer can receive Me, My children, in the Eucharist."

November 1, 1976

All Saints' Day and Eve of All Souls' Day

Veronica - The sky has been very dark, but there is a blue glow now coming forward on the edges of the trees. The light is very pronounced. It's a very deep blue. Through the center of the sky there is a blue haze forming directly above Our Lady's statue. The sky is opening up. It's as if these clouds are rolling back, and through the center there is a brilliant white light, a crystal-like light. And stepping forward - not really stepping, but gliding - Our Lady is not walking; She's carried forward weightless. Our Lady is coming forward now and standing directly above Her statue. It is very windy.

Our Lady is dressed in a very full gown, a beautiful white gown with a blue sash, a deep blue sash about Her waist. And She has a mantle, a cloak-like mantle that goes across Her head and down onto Her shoulders and down to Her feet. Our Lady's feet are uncovered. I can see they are bare except for a small golden . . . it looks like a sandal, because there's a rosette almost centered upon each foot of Our Lady. She's standing now with both Her feet together, and She's raising Her hands in front of Her in a prayerful position with Her fingers up.

Our Lady has Her Rosary draped about Her hand, Her beautiful Rosary that has the large beads with the golden Our Father and the white beads that are like pearls. But as Our Lady now is turning and looking over the peoples, the beads are catching the light. It's a brilliant light. Our Lady is glowing; it's the only way I can explain it humanly. Our Lady is glowing. The glow, the light, seems to come out from within Her. It's making a brilliant cast over the whole sky. Our Lady is smiling. I can't see Her features very distinctly, but through the light I can see Our Lady is smiling. And She's bending over now.

Now directly behind Her, Michael is coming forward. He is tremendous! He's covering the whole sky. There's no way I can give you a full description of his width and his height. It's very awesome. He's not frightening. He fills you with great courage. He's fearless. And you feel, looking at him, that he is truly a warrior from Heaven, a perfect guardian for Our Lady and the Church.

Our Lady now is touching Her lips, which means to listen and repeat.

Our Lady - "My child and My children, I am coming to you with words of warning from Heaven, words that are often repeated for your edification. My children, all of My warnings of the past must be heeded. I have promised to remain with you throughout the coming days. There will be much trial set upon mankind. I promise you, as your Mother and as a Mediatrix between God and man, that all who remain faithful and true shall be saved.

"There is now in your world a spirit of darkness. Many are following leaders that are fast heading onto a way to perdition.

"There are now in the city of Rome many Judases who parade as angels of light. They are deceivers, and their father is the father of all liars, satan.

"O My children, do not discard My warnings, but act upon them. I have come to save you.

"My Son, He is suffering because of the many abominations being committed within His House, His Church.

"Recognize the faces of evil about you, My children. They do not come to you with their true face and spirit. I repeat: they come as angels of light, but they bring doctrines of devils.

"I caution you, pastors of My Son's House, to not involve yourselves in the politics of your world. There must be a separation between you and politics.

"In the Eternal City of Rome, there is gathering a force, a force with a basis of secret societies. I admonish you, as your Mother, to remain free from these secret societies. It is for good reason that the leaders within My Son's House have always warned in the past against these secret societies and the dangers to the Faith.

MODERNISM ALWAYS LEADS TO HERESY

"The good pastors of My Son's House have always warned of the danger of modernization and modernism, for modernism shall always lead to heresy. Modernism shall cause the Faith to darken and be lost in the hearts of many. And modernism shall lead to atheism, My children. Awaken from your slumber and recognize the signs of the times. The red forces are gathering throughout your world. Communism shall be the scourge of mankind.

"Through countless years upon your earth, I have cried out in warning to you. O My children, keep your sacramentals about you. Accept and do not reject the Sacraments of My Son's House: Baptism, Confirmation, the Holy Eucharist, Penance, Extreme Unction, Holy Orders, and Matrimony. And Matrimony, My children - you reject the natural laws of your God. You are substituting a pagan way of life!

"These laws were given by your God. These rules were given by your God; they are not man-made! You in your arrogance, O pastors who rule within My Son's House, you have rejected the supernatural. You reject the teachings the very founding Fathers of your Church gave unto you, and you reject them for a modern teaching of satan!

"My Son chose, in His earth life, those who would begin His Church that will last until the end of time, for the gates of hell shall never prevail against His Church. Though many shall come with evil in their hearts and plans of destruction to My Son's Church, I say unto you: you will get nowhere in your pursuit, for you have set yourselves against your Almighty God.

"Turn back, pastors who value your material wealth, and you are selling your souls to get to the head! Shall you stand before My Son, O pastors, and say that your teaching has been pure in His sight? Many mitres shall fall into hell!

"My children, what will you gain if you become a leader in your world of earth and you lose your eternal reward with the Father in Heaven? What have you gained but your own destruction! Do you not realize that your life is but a temporary pilgrimage upon your earth? You must prepare yourselves. You must guide your sheep, the children of earth, until they reach the portals of Heaven.

"We ask Our children to pray, pray much for their pastors, your cardinals and your bishops, for the sad fact is the Red Hat has fallen and the Purple Hat is being misled.

FREEMASONRY-SYNAGOGUE OF SATAN

"Do not be misguided, O leaders in My Son's House, Church; do not accept the fallacy that masonry is condoned by your God! It is for reason that all of your pastors have condemned freemasonry as a synagogue of satan. Do not fall into the error and the deceit of those who claim brotherhood and goodness, for what god do they recognize in their naturalism? It is not God the Father in Heaven; it is not My Son. It is a deity that will bring destruction to anyone who enters into such a secret society.

"My child, I have given to you, in your possession, a book. Guard it well, so that it will not be taken from you. You understand, My child, the very first page read - and this is a secret society that many of your pastors condone - the very first page reads: 'And Mozart, who was a Roman Catholic, when he weighed the credits of Catholicism and freemasonry, he found that freemasonry was far above Catholicism.' My child and My children, is that the writing that is constructive for your Faith? Is this not an undermining of My Son's Church? 1968 this book was printed, and given into the hands of all members of the lodge.

"My children, many ask why I come to you here in your country and your state of New York. I come here for reason, the major reason being that the greatest of evils come from your city.

LIKE CHICKENS WITHOUT HEADS

"My children, the world, your world cries peace, peace, when there is no peace, for they are looking for peace without their God. In their arrogance, as satan whispers to them, they believe that they have risen far above their God and can establish a utopia upon earth. They run about like chickens without heads, crying peace, peace, and love and brotherhood. Better that they get down upon their knees and ask their God for enlightenment.

"Pray, My children, a constant vigilance of prayer in your country and throughout the world. Pray that your country, the United States, has God-fearing leaders, My children.

NOT CONCERN YOURSELVES OF PUBLIC OPINION

"My child, you will not concern yourselves of public opinion, for you well understand the simple lesson given to you by My Son some time ago, that you must do your works in secret so that the Father, Who watches you in secret, will give you your reward. If mankind accepts you in full, My child, know that you have already received your reward. Ponder upon this, My child, and you will understand."

Veronica - Our Lady is going over now; She's rising high up into the sky. She's going over to our left side, directly above the first high tree, and She's removing now the Rosary, Her beautiful Rosary, from about Her hands. Now She's taking the crucifix, the large golden crucifix, extending it out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Michael is coming down. He's standing now covering the whole side of the sky. He's carrying a balance, a golden balance in his right hand, and a very long spear. The spear is not pointed down. He's holding it by a long handle. The spear head is now pointing upward.

Now Our Lady is going across the sky. She's stopped directly over Her statue, and She's bending over now and making the sign of the cross with Her crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is going across the sky, over on our right side. She's standing now directly above the two first trees, almost in the center with the opening, and She's bending over now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, for the Eternal Father, and We send upon you graces, graces for cures and conversions: cures of the body and cures of the spirit. Remember, My children, your life is eternal. Your human body must remain behind, but you live on forever. Ponder upon this, My children, and adjust your lives to true values and pursuits."

Veronica - Our Lady is going over now directly above Her statue. She's smiling. It's very windy. Our Lady is motioning now.

Our Lady - "Be seated, My child, and continue with your prayers of atonement."

[Pause]

Veronica - . . . a very large cirlet of light. It covers the whole sky all about the outside of the trees. In the center, Jesus is coming forward with Michael and many other people. I call them people; I know who they are now from their figures - they're saints. They're following Jesus. Right behind, the whole sky now is covered with a multitude of people. Oh, I recognize some of them. Ah, there's Saint Theresa and her sisters. And I see Saint Martin de Porres. He's standing over on Jesus' left side. And oh, Saint Peter - he's wearing a very regal headdress. I know it's the papal tiara, the very large beehive type of hat. He's dressed very beautifully, all in white and gold. And there are many nuns and what appear to be priests coming forward. It's a very large gathering of people, souls. I don't know how to express it. They look human, almost, except that I can't see their faces very well. The light is very brilliant.

Now Jesus is coming forward. And He's dressed in an ecru colored gown. It's not white; it's an off-white, almost like a cream color. And He has a tight belting about His waist. It's a cord-like - I don't know what it's made of - like skins, I think, a cord-like belting. And Jesus has on deep brown sandals. His feet are bare. And He has a burgundy colored cape. It's very loose about His shoulders, and the wind is carrying it. Oh, now Jesus is placing His hand in front of Him, like this. I can see the markings of the nails upon His hand, the wound. Now Jesus is touching His lips.

RETAIN THE OLD BOOKS

Jesus - "My child and My children, you see all about you the souls who suffered through trial upon earth and gained their eternal reward. They stand before you and all mankind as examples to be followed. You must follow them in order to reach the eternal Kingdom, My children. The knowledge of their existence, the story of their lives, are being removed from among you for a diabolical reason, My children. That is why My Mother and I caution you again to retain all of the old books, the publications, for your children. Do not discard them for the modernized versions, for they are not of the truth.

"Life upon your earth is but a pilgrimage of short duration. Sooner or later, you will expire in your earthly body, but your soul, the eternal spirit within you, must go forward and enter upon its reward.

"My children, all of the directions of My Mother were given to you, not to bring fear upon you, but to prepare you for what is coming upon mankind.

"You, Veronica, must continue your mission without fear. Your messages are for all mankind.

"Each individual soul has a true spirit of light within him. However, through his own free will, he can extinguish this light and accept a spirit of darkness. Pray a constant vigilance of prayer within your homes. And pray that before your pilgrimage is over, that you do not fall into the diabolical deceit that satan now spreads like a web of evil throughout your world. No man, woman, or child shall escape, without effort, this diabolical ensnarement of satan.

"Your world has given itself over now to paganism and worship of false idols of materialism. Many are selling their souls to get to the head. And for what? The destruction of their souls!

"Do not accept the deceit that the father of all liars, satan, has set among you. You understand, My children, that satan will come to you as an agent of light. In your human nature you are not allowed to see him in his true form, the spirit. Therefore, he will accept the body of a human to promote his diabolical plan.

"My children, do not cast aside all of the graces offered to you within My House. Do not discard your sacramentals, for it is a plan of satan to take these guardians of your faith from you.

"My Mother has cautioned the pastors in My houses upon earth to remove themselves from this octopus of evil that is spreading fast throughout your world, the diabolical plan of satan to destroy My Church. But I say unto you: he is only permitted this reign of evil for the separation of the sheep from the goats. It is a manner known only to the Father in His plan, the Father in Heaven - a manner in which those who have given themselves to evil shall continue and fast fling themselves into the abyss. It is a test of faith for all. You cannot compromise My Church; you cannot compromise your faith, for you will be lukewarm, and as such, I do not know you, and I will not know you when you come for your judgment.

"I repeat My words to all mankind: shall you, as pastors, stand before Me and say that your teachings have been pure in My sight? I say unto many of you that I shall spit you out as venom into the flames, and cast you headlong, mitres upon your head, into the abyss of eternal damnation.

FOLLOWING LIKE DUCKS UPON WATER

"I hold, as your God, I hold you responsible, O wearers of the Red Hats and followers of the Purple Hats, who are following like ducks upon water downstream - and I say downstream - to the rapids that shall engulf you until there is no turning back, and you shall receive the Ball of Redemption. You shall receive a baptism of fire, and many shall die in the great flame of the Ball of Redemption.

"The balance for your reprieve has been held in the past by the few. My Mother and many personages from Heaven have entered upon your world to retain that balance. My Mother begs for clemency and mercy for a degenerate generation.

"No, it is not the plan of the Eternal Father to destroy your earth again completely, but there shall be a cleansing by trial - a chastisement upon mankind such as never has been experienced, and after the climax, never shall it happen again. Only a few will be saved, My children.

SIT TOGETHER IN COUNCIL WITHOUT PURPOSE

"My Mother's voice has carried far and wide through earth-years, and what reception has She met with but rejection! And rejection within My House! You sit together in council without purpose. You seek to train and teach without holiness.

"O men of the cross, you have fallen in with satan. Awaken from your slumber. Recognize that you are being deceived. This delusion has been set upon you, allowed by the Eternal Father. In this manner shall you be separated, for what is there in common between the light and the darkness? You will remain with those in darkness of spirit, or you will take yourselves away and suffer all to remain in the light, and follow this light to the eternal Kingdom. If you choose of your free will to remain in this darkness, shall you be given the time to be recovered? Nay, I say unto you. Many shall die in the great flame of the Ball of Redemption.

"My Mother has directed you well. She has asked you, O parents, to prepare your households, to restore the light to your homes and in the hearts of your children before it is too late. And there shall be much gnashing of teeth and weeping set upon the earth.

"Do not be misguided by those who, in the spirit of darkness, take the knowledge of the supernatural from you. Yes, in order, My children, to stay in the light, you will be rejected by many. You will be scorned; you will be called insane, because, I repeat: there is nothing in common between the light and the darkness. As they rejected Me upon your earth, you, too, must go the way of the cross. But carry your cross, My children, with purpose and fortitude. And I assure you, as your God, that the road you follow in the light will be well worth your perseverance. The joys of Heaven are for all, but all do not attain this height, My children, for they are not willing to sacrifice and do penance and to follow the way of the cross."

Veronica - Jesus is going over now. He's turned over to His right side. And I see many figures now; they're all coming forward, and they're carrying . . . some have books. Jesus says, "Tomes." Tomes. And they are pointing to the books. I know they are Bibles. They are various sizes, and some of them look very massive and heavy, and others are smaller.

Jesus - "The age, My child; they represent centuries upon earth."

Veronica - Now over on the left side, I see twelve men are grouping together, and they're coming forward.

Jesus - "My child, they are the first chosen ones, those who were given the rules of My Church in knowledge, the founding Fathers, My children.

"Do not be deluded by those in your world who take the true knowledge they have written down, from you. Read, My children, not the new modernized version of your Bible, but read one that is worthy of your reading, that has not been changed. For the changes are not of God but of man."

Veronica - Now Jesus is placing His hand in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus is going over. He's floating. They all glide; they don't seem to walk like our feet. They are just carried on the wind. Jesus is going over to our left side, and He's standing just . . . His robe, His cloak is touching the upper part of the tree on the left. And He's bending over now with His hand extended, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Michael and the twelve Apostles are following Jesus, and they're going across the sky. And some of the angels - I can see them up above the figures high in the sky; they're coming forward now, and they're following behind. I see one, one angel - he looks like an angel; he's carrying a very large white lamb, a baby lamb in his arms, and he's following. Now he's coming forward and he's right behind Jesus. Now Jesus is now coming across the sky, and He's standing just over the first tree, and bending down and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children. Continue with your prayers of atonement. One day you will understand the plan of Heaven. Do not despair that you are not on the grounds that My Mother originally picked. Heaven has set this plan for your course, My children. Do not question it, but be patient."

Veronica - Now Jesus is standing just above Our Lady's statue, and it's growing very, very bright all about His head. There's a tremendous white glow. It's very difficult to look into. I can't see Jesus' features now because of the tremendous light. And He's standing . . . out in front of Him, like this, with His hand extended, and making the sign of the cross.

Jesus - "Continue now, My children, with your prayers of atonement. Pray for your Vicar. Pray for your pastors. Pray for all who are fast heading into darkness, that they may recover."

November 20, 1976

Eve of Christ the King

Veronica - The sky is a beautiful pink this evening. There are blue lights coming now all about the outside fringes of the trees, and directly in the center of the sky, over Our Lady's statue, there is a circular beam of light coming through what appears to be very fluffy pink clouds.

Oh, directly in the center is Our Lady. She's standing and looking about Her to the right and to the left. Our Lady is reaching now to Her waist, and She's taking out Her Rosary and extending the crucifix upon Her Rosary forward, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is coming forward. I can see Her feet now. Our Lady does not have any slippers on; Her feet are bare. She has a very long, beautiful white gown with a deep blue sash. The sash is tied at Her left side. Our Lady had taken Her beads from the right part of Her sash. Our Lady has a beautiful long mantle about Her head. I can't see Her hair. The mantle comes very low over Her forehead. All about the mantle there are glistening, diamond-like, crystalline . . . I don't know what they are, all about Our Lady's mantle - diamonds, or some form of a beading. I can't see them too well because they're so bright and so shining that I can't look at them very long. The light from Our Lady's mantle has encompassed Her face. I can't see Our Lady's face that clearly, but the sense, the feeling of Our Lady smiling, that's unmistakable. Our Lady is smiling. It is a sad smile. Now Our Lady is coming forward, and I can see Her face more clearly. She's very sad.

Now Our Lady is raising Her finger to Her mouth. That means to listen and repeat.

Our Lady - "My child, the years are passing quickly upon your earth. O My children, how long I have gone throughout your world cautioning you, warning you, begging you to turn back from your path of destruction. Many are blinded to the truth; satan has poisoned the minds of many. O My children, take off your blindfolds and look upon what you have created with the help of all of the agents of darkness."

Veronica - Our Lady is pointing up to the sky. The sky has become very dark, a black color, black, a deep black. Now the darkness is rolling away, and I can see Saint Peter's, and Rome, the Eternal City of Rome. I can look up now on the side of the building. It is a group of buildings, not by the dome but off to the right side. It appears a separate building. And I see the Holy Father coming out upon the balcony. He's being held up on both sides by priests. They appear to be priests; they're clerics dressed in black. I can see their Roman collars. They're whispering to him, and he's shaking his head, no. There's some kind of a conversation going on that's upsetting our Holy Father very much. "No," he says. And now they're taking him back through these wide windows and into a room, and they're sitting him at a desk. And he can barely hold himself up in the chair. He's placed his hands to his eyes. He's terribly upset.

Now there are people coming into the room. I don't recognize them. Yes, I recognize one. It's Cardinal Villot. They are talking about something that is upsetting the Holy Father very much, and he's shaking his head, no. His "no" is provoking much anger with those who are gathering now. They're coming closer to his chair. The chair is just a little in back of a desk. Now the Eternal City of Rome appears to be darkening.

A FIGUREHEAD IN HIS OWN HOUSE

Our Lady - "There is to come upon Rome a great trial, My child. The forces of evil have gathered. They will seek in the coming new year to remove your Holy Father, Pope Paul VI, from his rule. Already he has become, My child, but a figurehead in his own house, for there are many Judases about him - many who, for the love of money and power, have sold their souls to get to the head.

"Woe, woe, woe to the man who casts aside his role as a representative of My Son to accept silver and gold, and in like manner, has sold My Son. His Church will proceed through a great crucible of suffering, for a House in darkness, My children, wears a band of death about it.

"My child, it is not necessary that I give you names and dates, for the guilty ones are well aware of their deception. The Red Hat has fallen and the Purple Hat is being misled.

THE CONSPIRACY OF THE OCTOPUS

"O My children, recognize the signs of your times, the conspiracy of the octopus. Like a web of evil, the hands of the masters reach out to gather, unite, and destroy My Son's House.

"O My children, keep a constant vigilance of prayer going throughout your country and all of the countries of your world. I have warned you that unless you turn back and restore My Son's House to its former prominence and to its true purpose

of the salvation of souls; unless you restore the basic traditions and truth of My Son's House, you will receive a just and fitting penance: you will receive the Ball of Redemption.

UNDER ONE FOLD OF A DICTATOR

"My child, do not slacken in your work. Pay no heed to the opinions of others. You must understand, My child, that man is now trying to build another new religion, a new church, and it will not be of My Son. It will be a new religion that gathers all the world under one fold of a dictator. And know, My children, that when one man, or a select group of men, gain so much power over individuals and an individual, know that no evil can be controlled then, and the eventual end is destruction, death, suffering.

"My children, I repeat and I repeat My warnings to you in desperation and in hope that you will listen and act upon My direction. I have traveled throughout your world, passing through many earth-years of time, time that is not recognized in Heaven, for there is no time in Heaven.

"My children, I have cautioned you to watch and prepare for the days you are living in now, and the days you are going forward into, the time known as Antichrist. My children, I have cautioned you to read the Apocalypse of Saint John and learn. It is not a book beyond your knowledge and understanding, if you implore the Eternal Father to allow you to understand. If you ask, you shall receive the insight to understand what is to come upon mankind, and what is now here in your time.

"Pray a constant vigilance of prayer, My children. They do not always have to be written words, but pray from your heart; open up your heart to My Son. Ask all of the angels of Heaven to guide you and be at your side during these desperate days of darkness of spirit.

"This, My child and My children, is what will be: in darkness will they seek the way? But this, My child, is what will be: in darkness will they seek the way, or shall they continue to give themselves into all manner of evil, worship of false idols, placing their God away and setting up idols to worship? Astrology is a science, a false science for unbelievers.

"Do not cast aside the directions given you by your prophets. They came to you with the truth, and what are you doing with this truth but you are changing it. You are working to change and destroy.

IN BLIND OBEDIENCE

"O My children, what more can I say to you? What more can the Eternal Father do to awaken you - you who are apathetic, not caring until you are struck by destruction; you who watch as the warnings go by, not caring until it enters your home; and you who go by like ducks in the waters, not caring or wondering or questioning why you proceed in that path; and you who, in your blindness; and you who, in your blindness of blind obedience, have given yourselves to destruction and destroying My Son's House in your obedience to man! No man shall be obedient to satan.

"My children, long ago I warned you from Fatima, I warned you through many voice-boxes throughout your world that the time will come when you will embark upon a stormy sea, and it shall be bishop against bishop and cardinal against cardinal, and satan shall set himself in your midst. He shall maneuver and pit you and play you against each other in his plan to destroy My Son's House. Recognize what is happening now upon your earth. I say unto you, O pastors in My Son's House: if you do not listen, if you continue to proceed upon your present course, you ask for the heavy hand of My Son to come upon you. Your world shall be cleansed with a baptism of fire. My children, have you not learned anything from your past? As in the time of Noe, with the destruction of Sodom and Gomorrah, have you not learned that a degenerate generation calls upon itself a heavy hand of chastisement from the Eternal Father?

"Yes, My child, I understand your deep grief and sorrow. O My child, We are like voices crying in the wilderness: get ready and keep on the narrow road, for the time is growing short. Do not, My child, slacken in your mission by all of the opinions of mankind. Accept the cross and carry it, My child, without complaint.

"You will receive very little recognition, My child, upon your earth pilgrimage, but remember it is the recognition of the Eternal Father in Heaven that is all that you must seek. When you leave, My child, you can take nothing with you but love and prayers.

"Pray a constant vigilance of prayer for your bishops. The hierarchy in Rome, My child, is under great stress. There shall be a gradual separation of the sheep from the goats. O My children, waken now for the time is growing short."

Veronica - Our Lady is pointing up now to the sky, and there is appearing a very large clock. It's directly over the tree to our right side. The clock now has hands. There is a dividing line cut through the middle, pointing directly from twelve to six; it goes down like you're slicing a pie. The line is now directly connected between the twelve and the six. And the two hands now have revolved, and they're pointing to four and eight.

Our Lady - "Observe, My children, the sign of your times, the peace symbol of deception, the time of Armageddon: the fight between good and evil, the forces of evil man against the Eucharist, My Son and His Church. Peace shall be restored, but not until there has been much gnashing of teeth and woe set upon your earth by the evil one.

"Pray a constant vigilance of prayer, My children. Do not discard your sacramentals; do not listen to those mockers and those who seek to remove from you your protection. They were all given for reason. Many were given, My child, for these very days. The medal of Saint Benedict must be worn; the Scapular must be worn, the brown Scapular. And My children, never have your Rosary farther than your hands can reach from you, for oh, how great will be the sorrow of many when they must run with what they have on their backs. And if they do not have the consolation of a sacramental, My children, they will not be able to persevere in the days ahead.

"Pray a constant vigilance of prayer, My children. Do not accept the errors, the deceit that is now gaining, accelerating in your country. Pray for your new leaders, My children, or there will be great sorrow in your government.

"Yes, My child, much - I would say, My child, in fact that the Eternal Father knows all now, all that is to take place - much is allowed for reason that no human mind could understand or conceive. All is in the will of the Eternal Father in Heaven. But remember, My children, that you, as human beings, have been given a free will, and as such, many have taken this God-given grace of free will to cast aside the light and accept the darkness."

[Pause]

Veronica - "Yes."

Our Lady - "You will read carefully, My children, all that comes out of the Eternal City. Pray that you will understand what comes from the masters of deceit and what comes from your Holy Father. And I do caution you, My children, your Holy Father writes little now.

"I have asked you, My child, to write to your bishop. Pray for him, for you will see a great change.

"The medias are controlled, fully controlled, My child. Therefore, you cannot judge from the written word or the visual approach.

"Continue, My child, upon your mission with confidence. Remember your morning prayers. You will be given the strength to continue upon your mission. My child, though your burdens are great, understand that the Eternal Father will never give you more than you can carry."

Veronica - Our Lady now is placing Her hands out in front of Her. She has the Rosary in Her right hand, and the brown Scapular is dangling from Her left hand, like this. And Our Lady is placing Her hands out, like this, and there are great rays of light now coming from Her hands. Oh, they're beautiful! It's like crystal-diamond rays. Oh, they're all coming down now onto the grounds. Oh, they're just beautiful. Oh!

Our Lady - "Graces, My child. I send you from the Eternal Father graces in abundance, graces for the asking - graces for cures and graces for conversions, cures of the body and cures of the spirit."

Veronica - Now Our Lady is placing Her hands back like this, and the lights now are slowly, like evaporating; they're dimming. And now they seem to be just disintegrating, like into the clouds. Oh, it's beautiful!

Our Lady - "Now, My child, be seated and continue viewing the messages in secret."

[Pause]

Veronica - The sky is very dark. There's no way to explain it. It's a gray haze that seems to be covering all of the area above Our Lady's statue. But there is now in the center, just directly over Our Lady's statue, through this gray haze, there is a red patch of light coming through. No, it's not red; it's more like a burgundy color. I can't explain the coloration. But it's coming now closer. It's as though something is coming through the clouds. It's a red heart. That's the only way I can explain it; it forms the whole outline of a heart. Now the heart is tipping. It's almost like a rose. Now it's strange, the heart is almost like a rose. And it's tipping, and there are drops of liquid - it could be blood - that are coming from this heart-shaped rose.

Now it's disappearing, just like it was a formation of, almost like a haze. Oh, now directly over, there's an area of blue, a deep blue, and the center of it is . . . well, it's almost host-like. But the center now is opening up, as though there was a perforation of light, and it's opening up very deeply. And Jesus is coming forward now. And I can see behind Him, as the circle of light is opening, Michael. And I see someone, a figure, carrying a very large cross.

SAINT JOAN OF ARC

Oh, my! Walking behind Jesus is this figure of - I thought it was a man at first, but now I can see it's a tomboyish-looking girl. Oh, I know who it is now; it's Joan of Arc. Oh, she's carrying a very large wooden cross. It has no corpus on it. And she's dressed in very strange-looking garments, almost like a warrior. She has like metal all over her waist. And it's like a

dress formation, but very heavy armor. That's what it is; it's armor. Now she's holding the cross now high, as high as she can, with its weight over her - you know, in front of her but up over her head. Now she's just standing there. And Michael is coming forward with Jesus.

Now Jesus - the wind is blowing. His cape is blowing out over to the right of us. It's very windy. Jesus also has bare feet. I can see His feet. He has nothing, no sandals on His feet. His garment is a, sort of an off-white color, like an ecru, a beige. And He has a belt. The belt is like rope. It's almost identical to the color of His garment, a beige rope, like a tie, a sash. Now Jesus is shifting His cape, like, over onto His arm, on His left arm, and He's now touching His lips with His fingers. That means to listen and repeat.

Jesus - "My child, in the days ahead remaining before the coming Chastisement, you will be given a new mission. Much of the message that will be given in the future shall be given to you in secret, My child, for your protection and also the propagation of My Mother's work.

"Understand, My children, that My Mother came to you to protect you and to guide you out of this great mass of darkness that now enshrouds your earth. This darkness is of the spirit. This darkness has promoted in your country evil such as has never been seen before in your country. My children, I cannot, in all goodness, give you a full accounting of what transpires now in your country and in many countries throughout your world - evil such as no human mind could conceive, but evil that is coming right from the very depths of hell.

"I must warn again, My pastors, that you are proceeding along a course that will bring destruction to many of My houses upon earth. However, it will be a gradual separation of the sheep from the goats. All that is rotten must fall!

"I look upon a world that is plunging faster to its own destruction. Much of your punishment shall come from your own hands, a creation of man promoted by the direction of satan. My children, understand what is happening upon earth now. You are in the days spoken of and written of in the past and in your present by prophets from your God.

"Man in his knowledge and his superior arrogance has set himself now in his pride to bring about a one-world religion and a one-world government. Know now that this is a course for destruction such as has never been seen or experienced upon your earth before.

"As in the time of Noe, there were sent to you voices crying out: get ready and turn back before it is too late! As it was in the time of Noe, so it is now that many laugh, deride, mock, and close their ears to these warnings. And why? Because in their blindness they have been allowed by the Eternal Father to continue upon their road as they fast give themselves to satan. But it is a sad fact, and one that brings much grief to all the personages of Heaven, that as they plunge faster into the darkness, those with the power in My House, as representatives of Me, have chosen to take souls with them onto their road to perdition. Amen, amen, I say to you, that none shall escape this Chastisement.

"There will be a baptism of fire set upon your earth. There will be a war far greater and more disastrous than any war that man has ever involved himself in. Do not cry peace, peace and security, when there is no peace and there is no security. No man shall construct peace without his God.

"No man holds the key to the eternal Kingdom unless he merits this honor. Life upon your earth is but a short pilgrimage to each and every one of you. How you spend your time upon your earth will determine your eventual reward.

"Through errors, confusion, and outright deception, there is a great darkness closing in upon the Eternal City of Rome. There is a great darkness covering all the lands now of your earth, and there is a great darkness enveloping the very nature of mankind, and many now walk the earth with living bodies and dead souls! And you ask, My children, can there be a revival, a renewal? And what do you seek to revive and renew but Lucifer!

"Discontent, arrogance, pride - O Red Hats, what have you brought upon My sheep, but you have scattered them? You promote confusion. You take the very heart of Me from My children. You turn them away from the living Bread. Woe, woe, woe to you, Red Hats, and you, Purple Hats, who follow to your own destruction! Open your hearts to the truth; take away your blindness. Remember I am your God, and as such, you shall stand before Me, and shall you say that your teaching has been pure in My sight? I say unto you, O ye of little faith: I shall take you and spit you out as venom into the flames, forever damned in the abyss!

STOP FILLING YOUR COFFERS

"You have been warned and you have been warned, and I say unto you, O Red Hats in My House: you will now take stock; you will look about you and take the blindness from your hearts. You will stop filling your coffers at the expense of the loss of My sheep. What does it gain you, O Red Hats, if you gather all the world's treasures and come before Me with not one merit of grace to enter you into My Father's Kingdom?

"These warnings from Heaven have fallen upon many deafened ears and hardened hearts, but oh, I say unto you: there will be much gnashing of teeth and tears, but too late, too late!

"Do not travel along the wide road with the fallacy that you can offend your God and then be accepted as you are, a contaminated piece of human humanity with a darkened soul and spirit of evil, that you can enter into the eternal Kingdom of your

God. I say no unto you; I will not know you. You will defend My House; you will defend My teachings; you will defend Me; or I say unto you, O Red Hats, I shall not know you!

"My child, the Message from Heaven shall take a great toll upon your strength, but understand, My child, that you will not be given more of a burden than you can carry. Go forward and shout this message from the rooftops, My child; there is very little time left.

"I will not encourage you to speculate on dates; it is not necessary. I do not expect the sheep to come running for a short respite from the evil and their sins. It must be a permanent turning away from the evil, My children. Therefore, there will be no dates given, for what would there be to gain if you know the date and you come and change so that you will be ready, where your heart does not carry a true conversion?

NOTHING TO FEAR

"Live your life, My children, day by day as though the end were at hand. You will not be caught unawares if you remain with Me in My houses throughout the world. You have nothing to fear but fear itself, My children. The Message from Heaven has not been given to you to promote fear in your hearts but to bring to you the reality of what is to come upon mankind. It is in this manner that We have separated and are separating the sheep from the goats. Those who will be saved will be counted in the few, My children.

"You will wear your sacramentals and guard the doors of your homes. Prepare your children so that when they go outside of your home, they will not fall into the conspiracy of evil. Pray a constant vigilance of prayer. The power of prayer is great to the ears of the Eternal Father. Ask and you shall receive.

"Give charity of heart in action to your brothers and sisters, but do not be deluded, My children, into comparing and bringing a comparison of charity and humanism together. When the world and My House, My Church, become as one, you will know that the end is at hand, My children. Recognize the signs of your times and act upon them."

Veronica - Now Jesus is placing His hand out in front of Him, like this, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus and Saint Michael and Joan of Arc - I know her now - they're all now going across the left side of the sky, and they're standing just above the trees. And Jesus is bending over now, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus has turned over to His left, and they're coming across the sky. They don't walk, they just seem to be weightless. They're just gliding across the sky. And Jesus now is standing. Michael has gone over to His left side now. Michael is holding the balance, a golden-like balance, and a very long spear, sword-like spear, in his hand.

And Jesus now is bending over, with His hands like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Continue now, My children, with your prayers of atonement. They are sorely needed. Pray for your Vicar. Pray for your bishops and your priests. Keep a constant vigilance of prayer going throughout your world. Many shall be saved by your prayers."

November 22, 1976

Eve of the Presentation of the Blessed Virgin Mary

Veronica - The sky is a very brilliant blue this evening, a pretty blue. It's not a menacing look, but it's almost the blue that Our Lady wears on Her clothes, Her mantle.

Right in the center of the sky there is forming a very strange-looking figure 8, the number 8, but the 8 is written as though it's made with stars or dots.

Now the 8 is now sort of just evaporating. That's the only way I can explain it. And these dotted, almost like diamond-like figures are forming the number 3. That would mean warning to the priesthood. And then, now, over to the left of the 3, there is forming, in the same diamond-like pattern, a number 5, which would mean warning to the priesthood, men who are representatives bringing the Eucharist, that the fifth column is working in Rome. That would mean that communism is rearing its ugly head in Rome. And this is to alert all bishops, cardinals to prepare themselves for a major battle against the forces of Antichrist.

There is forming now a very large circle in the sky with a cross on top of it.

Our Lady - "My child, you will not repeat what I am about to show you."

[Pause]

Veronica - Now the figures are disappearing.

"I will remember them, Blessed Mother."

Our Lady is coming forward now. She was standing over at the left side, high up - our left side, in the sky as She was directing the explanation of the symbols, the numbers and the figures that appeared. The last part I cannot speak openly about. That will be included in Our Lady's mission.

Our Lady - "My child, the greatest onslaught of satan will be to the priesthood of My Son. With all the abounding errors that are now raging throughout My Son's House, there can be given to mankind the hope in their redemption with the coming Chastisement. A great Warning will be given before the Chastisement.

"Oh yes, My child, many will see and still not believe.

DANGERS OF YOUR INNOVATIONS

"O pastors in My Son's House, how many times must I warn you of the dangers of your innovations, the dangers of your experimenting in My Son's House? You will not convert, you will not return Our straying sheep with your improvisations. You must return discipline to My Son's House. This discipline must start with the rulers in My Son's House.

"Satan has poisoned many minds. The hour grows short and the sand is running out.

"What manner of dereliction do We hear in a form of music that takes the hearts and minds of Our children from prayer? My Son's House, His Church, is a house of prayer to the Eternal Father through My Son. You are making it a meeting place and a hall of gathering for all of the demons loosed upon your world. Slowly My Son's House is being changed into a church of man, until all vestige of recognition will be removed from it.

"O My children, awaken from your slumber and recognize the signs of your times. I repeat and repeat Myself in a firm effort and resolution to awaken many before it is too late. I wander for many earth-years crying to you: Shout it from the rooftops: the Ball of Redemption is near. Many will die in the great flame of the Ball of Redemption.

"My child, you will be given many photographs of great knowledge. Read them carefully. We give you these photographs, My children, as proof, a physical, visual proof that many need to believe. It is sad, My children, that most blessed are they who do not see and can believe. Believe, and you will be given the way.

"Many of the present calamities in your world and the future, many of these events are foretold and have been foretold in the hundreds of photographs being given in My visits to earth.

"The young children must now be given a firm, solid foundation of their faith by their parents, My children. Do not expect others to take over your responsibility as leaders, as parents, as guardians of the souls of your children. I assure you, O parents, that if you neglect this duty you will cry bitter tears of remorse. There will be great woe set upon your world by the evil forces of the man of perdition, 666. And, O parents, in this knowledge, think now and prepare now the souls of your children, that you shall not in the future cry bitter tears of regret and doubt and uncertainty as you question whether your children have been saved, whether your children have entered into the eternal Kingdom of the Father in Heaven.

"Do not be misguided, My children, by the fallacy being promoted, even from the mouths of Our pastors, that all will enter into the Kingdom of the Eternal Father in Heaven. It is a fallacy. Many are called, but few are chosen.

"Each child who reaches the age of reasoning and has been baptized by the waters of the Holy Ghost must then, at this age of reasoning, make his way with parental guidance onto the narrow road that leads to the eternal Kingdom of the Father in Heaven. While on this road, without proper guidance, and in full knowledge in judgment of the Eternal Father in Heaven, many choose to leave the road, go onto a wide one that leads to eternal damnation in the abyss or many long earth-years of suffering in purgatory.

"No man can well understand the thinking, the manners of the Eternal Father. He is the final judge over each and every soul. However, man in his free will has chosen to defy his God, has chosen to cast Him out of his life, has chosen satan above his Creator, God the Father in Heaven. In your lives upon earth now We see all manner of filth and degradation. We see worship of false idols, giving honor and glory to graven images, graven images of stone, and electricity, and fire, and images of the prince of darkness, satan.

"O My children, shall My Son find even a small measure of faith left in the hearts of man when He returns? And He shall return! He shall return with an army from Heaven and put down the antichrist forces gathered now in your world.

"Man, in all of his arrogance and all of his knowledge, is plunging fast into a great holocaust, into a war such as mankind has never seen before, and will never experience again when it happens, My children. I have cried out to you, as your Mother, in many places, through many voices throughout the world: Make ready, for the time has come upon you to prepare.

"In My travels throughout your world, My children, the warm heart of your Mother has been extended to you with the knowledge of how to save yourselves and your children and those you love, and, in your charity, to extend this love and reach out for your brothers and sisters, those who have not been given the graces you are gathering now - reach out and gather them for Us.

AN ECUMENISM DESIGNED FROM HELL

"My Son, His heart is torn asunder by His representatives in the priesthood who now are Judases in His own House. They consort with the enemies of your God. In the manner of humanism and modernism, and an ecumenism that has been designed from hell, man now is plunging fast into making ready the full capitulation of My Son's Church and the world under a dictatorship of evil.

"When the world and My Son's Church becomes as one, when the evil men of the cross have sought to destroy My Son within His own House, know that the end is near at hand. I say unto you, as your Mother: as you sow, so shall you reap!

"The harvest for the grim reaper will be great. And now in the world's trials that are at hand, warnings have been cast aside and not acted upon. These trials now in the coming year shall separate the sheep from the goats, the kernel from the chaff, as the reaper goes forward for his harvest.

LIKE SPOILED CHILDREN WITHOUT DISCIPLINE

"O My children, I repeat Myself and repeat Myself, carrying like the wind all of the sorrows of your world, all the sufferings of the voices and hearts that come up to Us. We pity you, My children, for, in your arrogance, you are like spoiled children without discipline, knowing not that you are starting your own destruction.

"Remember My past direction, My children, to you all to keep your sacramentals about you. Retain in your household the monuments, the statues, that are fast being cast aside. Know that satan would like to take from you the knowledge of the supernatural, even to camouflage his own existence by setting up skeptics, scoffers, and intellectuals who are ever seeking but never coming to the truth.

"Protect your children from all of the evil that abounds. When they leave your homes, protect them with their sacramentals. Keep a daily constant reminder of their faith within their hearts, and this you can be helped to attain by keeping the statues, the visual effects that will retain in your children's hearts the knowledge of the truth of their faith.

"O My children, go forward in the days ahead as children of the light. You will all go forward in the darkness as candles, lights in this darkness, for this, My children, is what will be: In darkness will they seek the way?"

Veronica - Our Lady now is backing up. She's floating - not walking, but She seems to be carried right on the wind, weightless. She's going up high now into the sky on our left side, and She's pointing over now with Her right hand to the right side of the sky, and there's appearing a very large map, the outline of Africa. I recognize it. And Our Lady says:

Our Lady - "Discord and strife; discord and strife with communism."

Veronica - Now the outline of Africa is disappearing, and we see now an outline appearing. I recognize it as western Europe, western Europe. And Our Lady is repeating: "Discord and strife; discord and strife with communism."

Now Michael is coming forward, and he's pointing also to our right side of the sky with his spear, and there is appearing the outline of Italy. It's a boot-like outline, and there's a star, a star that's dimming right on the boot. And this voice is booming very loud - I know it's Michael.

St. Michael - "Discord and strife, and blood shall flow in the streets with revolution. The Eternal City of Rome shall be purged - communism."

Our Lady - "My child, do not be shaken with fright. It is necessary that you see what is to be."

Veronica - Now the sky is starting to clear. There's a big circlet now forming directly over Our Lady's statue, and the peace symbol is appearing, the lines down pointing to the twelve and the six, the four and the eight. And a hand is going round about like a clock, and stopping on the four and the eight. Now the hands are folding up and pointing to the ten and the two.

Our Lady - "Remember, My child, that when the world cries peace, peace, know that the end is not far off."

Veronica - Our Lady is now floating back, back high up into the sky. And Michael now has his spear - it's in his right hand, and in his left hand is the golden balance. It's weighted heavily to the left. Our Lady now is standing with Her Rosary, Her beautiful Rosary with the golden Our Father and the pink-white translucent Hail Marys. Our Lady is extending now Her Rosary in front of Her, the crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as the Eternal Father blesses you with My Son, and send among you, the Eternal Father sends to you the Spirit of life and light.

"Call upon your angels often, My children; they are your guardians. Do not discard your protection. They are always with you to help you and to guide you in the crisis ahead."

Veronica - Our Lady is extending now Her crucifix of Her Rosary out, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Continue now, My child, with your prayers of atonement. They are sorely needed."

[Pause]

Veronica - The sky is very pink this evening. Now directly over Our Lady's statue - it's most frightening - there's appearing a hammer and a sickle. It's all in red; the whole figure is in red.

Now over on the left side, directly above the statue, the sky is opening up. It was very dark, but there is a brilliant white light. And as the light opens up it's illuminating the whole sky, and the sign of the hammer and the sickle is disappearing over on our right side. It's evaporating, thank God! And Jesus is coming forward.

It's very windy up there, too, because His gown is blowing. And He has His burgundy cape; that's also blowing. But He doesn't seem to be cold, because He's standing very straight. The light is very brilliant about Jesus' face. He has a very sad smile.

Jesus - "I greet you, My child, with the warmest of affections. Your mission from this time on will be fraught, My child, with much danger. You must proceed with great caution, barring your doors to all but your immediate family and close workers. I can direct you, as My Mother will direct you, My child, but should you choose not to follow Our direction exactly, you must then suffer the consequences in penance.

"The world is in great chaos, My child. My House is becoming a den of iniquity for many. Sad that those whom I have given the grace to represent Me are taking their leadership as tools, tools that are now being designed for the conquest of souls by satan.

MANY ENTERED WITH FALSE PRETENSES

"In the power I have given them, My children, remember that the rabat is the teacher of life: rabat, My child, representing the rabbit that I give you in photographs to point out to you the meaning of the priesthood or a priest in general. I repeat: the rabat is the teacher of life, My child and My children, but do not be fooled by those who foul their garments. Many have entered the priesthood with false pretenses, My children.

"You must always pray for your priests. We do not condone evil, nor will We condone fallacy and errors; however, the Eternal Father in Heaven shall be the final judge.

"I repeat the direction of My Mother to you many times, that prayers without works shall be fruitless, My children. Good example and words spoken out with wisdom, given to you from the Holy Spirit, shall help gather My sheep in these dark days.

"In exhortation, I repeat to all the pastors of My House - remember these words and ponder upon them, O pastors: shall you stand before Me and say that your teaching has been pure in My sight?"

THE EVIL MEN OF THE CROSS

"There is a formation within My House that I give and label as the evil men of the cross. They are impostors. They have entered to destroy. They have reached and attained the highest leadership in My House upon earth. They are recrucifying Me in My House. Your Vicar is a prisoner within My House.

"I caution you in the days ahead to read all periodicals and approach your news medias with a critical eye, for you seldom will receive now the truth in print or through your news medias, My children, which are fully controlled by the Grand Masters and those who are seeking to bring about the one-world religion and the one rule of government - a measure of enslaving all of mankind under the forces of Antichrist.

"The man of perdition, 666, is in Rome. The man of perdition, 666, is in every country of earth now. Every nation is polluted by the errors of the forces of darkness. When the world receives the baptism of fire, there will be few left.

"My Mother, as a Mediatrix between God and man, has held in abeyance the heavy hand of your God, that must soon be set upon you in order to save your generation. For I assure you, My children, in the destruction you are fast heading into, there will be little flesh left unless We rescue you from your own-made destruction.

"The Eternal Father in Heaven is most merciful, and My children, none shall be lost except they choose this of their own free will.

"Do not fall into the error of your day, the error that is being given a worldwide circulation in your houses, churches - My Church and all heretical sects - that because of My death and My crucifixion no man will die. But what is death, My children, but a destruction of your immortal soul, a soul that is in darkness and destroyed by being given to satan for eternal damnation. Do not be misguided by those who say you may sin, you may break all the rules of your God and still be saved. It is a fallacy and an abominable error straight from the depths of hell, and the creation of satan to delude you until there is no way back.

"Each and every man, woman, and child of the age of reason is accountable to the very end for his way, the road he has chosen while upon earth. Life is eternal for all, but where shall you spend this eternity? Though My Mother cries and pleads to you as a fallen generation, you must understand that not all who cry 'Lord, Lord,' can enter into the Kingdom. It is won by merit and obedience to your God. And I repeat: obedience to your God, but not obedience to a man who defies your God.

"O My children, My little children, you scatter in all directions, blinded to your faith, blinded to the realization that your country has fallen to satan, and blinded to the knowledge of even the existence of life beyond your grave. I say unto you, as your God, that the living, the greatest part of you is your spirit, your soul. It will never die. And you retain, My children, all knowledge in intellect. You do not lose your perception. You have full knowledge across the veil of what you will have gained or lost. Your emotions, My children, are retained, I say unto you. And you will realize the greatest depth of suffering imaginable if you do not prepare for your eternal reward in Heaven, if you do not seek the way. This, My child, is what is taking place: in darkness will they seek the way? In darkness will they seek the way, or will they continue right into the abyss?

"Mitres shall not escape the flames of eternal damnation. For those who have been given great grace, much is expected of them, more so, My children, than those who are ignorant or deluded. But mighty man, rulers among men, you who have been given the knowledge of your faith, and you cast it aside for worldly acknowledgment and gain, I say unto you: many mitres shall fall into hell. And cast not aside the realization of the existence of hell and purgatory. You are sons of satan who take this knowledge away from My sheep. And the father of all liars is satan.

"My children, you will follow My direction; you will follow My Mother's direction and act upon it, or you will not be saved.

"The end shall come upon mankind fast. It will not be the full destruction of your world. I, as your God, will see to that. Never more shall you perish as you did with the Flood, but I say unto you: only a few will be saved, and only a few among your teeming millions shall survive the great cataclysm and the Chastisement.

"Do not be deluded and close your ears to the warnings from Heaven because others say to you: O where is the promise of His coming, and where are these chastisements He speaks of? Do you need them at your own door before you will awaken to the truth? Have I not sent upon you enough warnings? But for the grace given to you from the Eternal Father, and having My Mother as a Protectress to you, you would have received your just punishment far sooner, My children.

"Many times it is only the few who keep this chastisement from you. It is only the few lights in the darkness that will hold back a full destruction upon mankind. This will be in the all-knowing judgment of the Eternal Father.

THE EXISTENCE OF DEMONS AND ANGELS

"Pray, My children; pray a constant vigilance of prayer. Keep the knowledge of the supernatural within your hearts and the hearts of your children. Bring them the knowledge of the existence of the demons. Being human, you have no recognition, no visual acknowledgment, unless the Eternal Father permits it for the enlightenment of mankind. But know, My children, that as much as you exist, they exist. Also, do not take from your children the knowledge of their guardians, the angels. As you exist, they exist.

"One day, My children, I assure you, each and every one of you will understand what My Mother has said to you and what I have brought to you as you listen to the directions from Heaven. One day when you all have passed over the veil, when

you all have met with Me up in the heavens, you'll know and understand that the directions given to you from Heaven were for your edification and to prepare you. And think, My children, of all the great joy of heart when you realize that all of the sorrow, all of the persecution, was as nothing in comparison to the great joys of Paradise."

Veronica - Jesus now is extending His hand out in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over to the left side, high. He's rising a little higher in the sky. He's just directly now over the tree, and He's bending over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Michael and Our Lady now are coming down from the sky; they're joining Jesus. Michael is standing on Jesus' left side. And now Our Lady is coming down behind Jesus and standing by His right shoulder. Now They're going across the sky. They're just floating; They seem weightless. It's beautiful to watch. They're just moving across the sky. And Jesus is bending over and placing His hand out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is raising Her hand, and in Her right hand She's holding a Scapular, a very large brown Scapular. And Our Lady is saying:

Our Lady - "Remember this blessed piece of cloth, My children."

Veronica - Now Our Lady is also now placing the Scapular about Her left arm; She's hanging it there. And She's taking Her Rosary from about Her waist.

Our Lady - "Remember the beads of prayer, My children. They will be given as a manner of bringing mankind back to My Son, for they will give you graces necessary for cures and conversions, cures of the body and cures of the spirit."

Veronica - Now there's a tremendous light covering the whole sky. Oh, it's so brilliant it almost blots out Our Lady's whole outline features. Oh, it's beautiful!

Jesus and Our Lady now are going backwards, like into the sky. The light is very, very bright. Our Lady is nodding Her head, and Jesus is now placing His hand out, and He's making another sign of the cross right here, directly in front of us, over Our Lady's statue.

Jesus - "Continue now, My children, with your prayers of atonement."

[Pause]

Our Lady - ". . . many victim souls upon earth, My child, victim souls who shed the very blood of their hearts as penance, atonement, and sacrifice for the sins and offenses that tear the heart of My Son.

"Pray, My child, for all men of sin.

"Accept all trials and tribulations, My child, as many victim souls are needed.

"You will be given the strength to follow through your mission, for many arms will be sent to assist you in this mission.

"I bless all your workers, and your relations of good intentions, My child.

"Whenever you find the cross is heavy, you will say: My Jesus, my confidence! Pray more, My child, and you will find that the cross does not cut too deeply."

December 7, 1976

Eve of the Immaculate Conception

Veronica - Directly over Our Lady's statue the sky is opening up, and there's a cast of blue, a beautiful blue coloring that's becoming lighter. And straight through the center of the sky there is an opening forming, and Our Lady is coming forward. Oh, I cannot see how She is fully dressed because the light is so brilliant. It's like looking into a piece of translucent glass. It shimmers almost like a cut diamond. I'm sure, without Heaven's help, I would certainly be blinded by the rays that are coming forward now down onto the grounds about us.

Our Lady is coming forward. She's gliding; She's not walking. It's as though the very air is carrying Her. And Our Lady is extending Her hands out, and from Her hands there are rays now coming down. I feel very warm and very - it's very uplifting, the effect, the emotional effect from these rays as they are coming down now all about the grounds, beyond the statue. And Our Lady is extending Her hands and the rays are going over our heads onto the grounds.

Our Lady is turning to the right and also to the left. Now the rays are beginning to dim. They're beginning to evaporate. It's the only way I can explain the way they are disappearing.

Our Lady is dressed in a most beautiful gown, and over Her head is a mantle in a very pale blue. It almost matches the coloring of the sky behind Her. Our Lady has a sash about Her waist. She's smiling. I can see Our Lady's face very clearly now. She's smiling. And now Our Lady is placing Her first finger upon Her lips.

Our Lady - "My child, listen carefully and repeat the story I am about to give you.

"Many years ago in earth's time, I came among you in the will of the Eternal Father to bring to mankind a warning from Heaven that man must repent and do penance. My warnings have given mankind an extension from the great Chastisement that will come upon mankind.

"It is sad, My child, for I have begged and pleaded for mankind to mend its ways now because, as in the days past, many are casting aside My warnings.

"One of good spirit must enter upon the Eternal City of Rome and bring out the conclusion of My warning given at Fatima.

"I will give you now a brief rundown of this warning for your enlightenment.

"As I told in the past, I repeat to you now, that unless mankind makes a complete reversal in his present ways of sin and abominations, the Eternal Father will set upon you a chastisement such as has never been seen before upon your earth, and but for the mercy of the Eternal Father, no flesh shall be left after it.

"While your world is crying peace, peace, you go about arming yourselves for the destruction and the promotion of death.

"The morals of your world, the sins of the flesh, condemn many to hell, My children. Do not cast aside My warnings. I come to you as a Mediatrix from God, a Mediatrix between God and mankind. My heart is heavy, for you are fast approaching the great Warning and the furious onslaught of the Chastisement.

"O My children, if I could only show to you, before your very human eyes, only a small measure of the Chastisement that will be set upon mankind, how fast you would turn and run and remain close beside My Son at the tabernacles of the world.

"Parents, I admonish you, as guardians of your children's souls, to keep a firm discipline in your household. The agents of 666 roam throughout your world. Do not be deluded by those who have cast aside the knowledge of the supernatural. Do not accept the teachings of false teachers.

ASTROLOGY A CREATION OF SATAN

"Yes, My children, there are many false prophets going throughout your world. And who are the false prophets but those who deny the divinity of My Son. And who are the false prophets but those who promote the worship of false idols. Astrology is a creation of satan. Astrology is a false science. No man shall accept astrology and be classified as a believer.

"My children, what manner of blindness are you accepting? You are setting yourselves to destroy the souls in My Son's House upon earth, His Church.

"Those who have been given the rule within My Son's House are using their knowledge to twist and pervert the teachings of the prophets. What manner of church are you building now, O mankind, as you fast plunge to your destruction? A church of man that will have no resemblance to the Church that My Son left for you!

THE GREAT APOSTASY

"Do not accept the fallacy that any man upon earth and mankind are gods. There is but one God. And no man shall set himself above his Master. O My children, cannot you recognize the signs of your times? The great apostasy is upon you!

The end is not as far as you can see;
Already there is apostasy.
Man cast his lot and gathered the coals
To stoke the fire that burns the souls.
The days are numbered, the hours are few;
So work and pray and try to do
The work that's given in the light,
Until that sad time when all is night.

"My children, prayers without works hold no strength. For all who are given great graces in the light, much is expected of them. You must not tire in your mission, My children.

"I bless you, as the Father blesses you from Heaven, as My Son sends among you the Spirit of light. For My Son and the Trinity, My children, I bless you, for you are now disciples of the latter days.

"O My children, that Day of days is fast coming upon you, the day when the earth shall shake and the heavens shall be torn asunder. There will be much gnashing and weeping set upon mankind. The Ball of Redemption nears. Many will die in the great flame of the Ball of Redemption.

"Wars are a punishment for mankind's sins. The sins of the flesh condemn many to hell. Rank shall gain you no entrance into Heaven. Many mitres shall fall into hell.

"My children, wear your sacramentals. I repeat and admonish you to wear your sacramentals always. Do not discard the monuments, your statues. Do not fall into the fallacy promoted by many that you must cast them aside as being worshippers of idols. O My children, you do salute your flag; you do build in bronze and stone the figures of those who had prominence in your world, so why cannot you build in bronze and stone the images of the personages of Heaven?

"Your life upon your earth is but a short pilgrimage. Your life eternal is forever. And where shall you be when you pass over the veil? The choice is yours, My children. Shall you enter the Kingdom of the Eternal Father, or shall you spend many earth-years of time being purged in purgatory, or woe to all who give themselves to satan upon earth, and must be condemned eternally to hell!

"The forces of 666 are doing great battle throughout your world. They have entered fully upon the Eternal City of Rome. The Red Hats have fallen and the Purple Hats are being misled.

"My children, awaken from your slumber; you are walking in darkness. This, My child, is what will be: in darkness will they seek the way? In darkness, My child, will they seek the way?

"My child, you must not slacken or retreat in the face of the onslaught of the enemies of your God. You must continue to go forward. Many arms will reach you to move forward in the closing times of mankind.

THE RAPTURE

"I give you great grace of heart, My children, to know that many shall be taken from your earth before the great Chastisement. It will be of great mirth, My child, to reveal to you that there will be much consternation and conflicting thought when these beloved children disappear from the earth. Many of your news medias shall state that they have been carried off by flying saucers. Oh no, My children! They were carried off into a supernatural realm of the Eternal Father to await the return of My Son upon earth.

"I repeat the message of the past, My child: the flying saucers you speak of, they are transports of hell! They are supernatural; they are a creation of satan to bewilder and confuse mankind. Many prodigies shall be viewed upon earth, in the atmosphere. Beware of all false miracles. Test the spirits, My children.

"I caution you all to remain within your family circles. Bar your doors to all but your immediate families and close friendships. The forces of evil are gathered to destroy the children of God.

"Pray, My children, a constant vigilance of prayer, and, in your charity, extend your heart to your brothers and sisters who are traveling in darkness, darkness of spirit. Upon your earth, My children, death is everywhere, for sin is death, and there are many human bodies that are carrying dead souls within them. And I repeat: as it was in the past, so shall it be now, for the dead shall be burying the dead!

"O My children, I hear cries of desire for words of cheer and comfort, but do you wish that I do not prepare you for what is to be? The greatest confidence and comfort you shall receive is My Son. Remain with Him at the tabernacles of your world.

HOLY ORDERS NOT RECEIVED THROUGH THE HOLY SPIRIT

"Beware of those who parade as angels of light, with ravenous hearts of wolves. I repeat, My children: beware of those who disport themselves in garments of the clergy, but they have not received Holy Orders through the Holy Spirit.

"Recognize the faces of evil about you, My children. The angels of light are many who seek to destroy My Son's Church upon earth. However, this will bring great knowledge and hope to mankind: the word of God is true, and the gates of hell shall not prevail against My Son's Church. Though the walls many crumble, the foundation is firm, for the foundation is My Son. Pray a constant vigilance of prayer throughout your country and your world. Unite in a common front against the enemies of your God.

"Pray for your Vicar, Pope Paul VI. He is surrounded by Judases within his own house and eating at his table.

"Pray for your clergy - your bishops, your cardinals, your pastors. The major attack from Satan will be upon the clergy in My Son's houses. I beg you, as your Mother, to have great heart, to extend your charity of heart for your clergy. The darkness is deepening within My Son's House, and a Church in darkness wears a band of death about it. Pray a constant vigilance of prayer, My children."

Veronica - Our Lady now is reaching to Her waist and She's taking out Her very large Rosary. It's a beautiful Rosary. It has a huge golden Our Father bead and the Hail Mary beads are white, but as Our Lady is turning they are very translucent and they seem to reflect all the colors of the rainbow. They are just beautiful! Our Lady is extending Her crucifix now, the beautiful golden crucifix of Her Rosary, like this and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now from behind Our Lady there are people coming forward. They're gliding forward. And I can see Michael, and there are some nuns - Saint Theresa and her sisters. And behind them I can see Saint Martin de Porres and Saint Paul. Saint Paul is carrying a very huge Bible. And he has a small stick, and he appears to be pointing to a page in his writings. They're like parchment papers. It's a very rough-looking gathering of papers. They're not bound. I say Bible because I know it was their Bible, his writings.

The rule he's pointing to, I can read, refers to discipline during the Holy Sacrifice of the Mass.

WOMEN TO KEEP SILENCE IN CHURCH

[Veronica reads the following:]

"The conduct of women during the Holy Sacrifice of the Mass shall be one of silence. No woman shall speak out during the Holy Sacrifice of the Mass. Women must wear head coverings when they enter the House of God. The House of God is a place of prayer, and not a meeting place or dance hall. No woman shall speak from the pulpit. No woman shall enter the ministry."

POPE JOHN LAID LOW

Now Pope . . . let's see, Pope John! is coming forward. Oh, he looks very, kind of plump. Ahh! Oh, he's very happy. He's dressed all in white with a golden sort of a tassel-type belt about his waist. And he has on a red cape and a very large sort of sun hat, cardinal's hat . . . round, with a very large brim, and there's something hanging from it. I can't see. It looks like gold tassels of some kind. And he's smiling and shaking his head, yes, yes.

I hear a voice that's booming, saying:

Pope John - "The rule has not been followed. The rule has been distorted. Return the House of God to a place of prayer. Return discipline to the House of God.

"I was laid low by the enemies of God."

Veronica - Now the sky is becoming very, very dark, and I see an outline of Saint Peter's. And I can see the whole square in Rome, the Vatican. And I see a black cross forming over Saint Peter's. It's a very ominous-looking cross; it looks like a sign of something to take place that's very, very bad. And written above it are the numbers "77."

Now Our Lady is going over to our left side. She's directly over the tree, and bending over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is going over now to the right side, and She's nodding Her head. And Saint Michael is coming down. Saint Michael is standing now just directly behind Our Lady over by Her right side, Her right shoulder. He covers the whole sky, he is so large. There's no way to explain how he is formed; it's unbelievable! He - it's like he covers the whole sky. It's very strange.

Now Our Lady is bending over, and She's extending Her crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Continue, My child and My children, with your prayers of atonement. They are sorely needed.

[Pause]

"My child, make it known to mankind that penance and confession is a private communication between the confessor, the penitent, and God.

"There are many abominations, My child, being committed within My Son's House. Many say it is not the little things that count, but O My children, these little things are adding up fast. They will culminate in a vast explosion and a separation in My Son's House.

"We do not wish division in My Son's House, My children. United you will stand, and divided you will fall.

"Do not make a mockery of the Sacraments in My Son's House. Do not blaspheme in My Son's House. My children, you will bring the wrath of God upon you.

"My child, there are others who will join you in the balance of this present year to do atonement, to be accepted as ransom for the bishop in Rome. He, My child, is destined for hell. He will only be saved and given an extension of time through the victim souls who will give themselves for his salvation. Yes, My child, they have already been chosen by Heaven for the test. Watch, My child; they will be made known to you."

[Pause]

Veronica - There's a very large circle of light extending all about the trees. The coloring is very difficult to describe. It's pale gold, tinged in pink. It's like a radiation from the center of the sky. Now directly over Our Lady's statue, the sky is opening up as though the clouds were being blown away, and coming directly from the center, almost like a pinpointing directly over Our Lady's statue, Jesus is coming forward.

It's very windy because His cape is blowing. I can see Jesus' feet now as He's coming closer. He's gliding down. There's no way to explain it. He's not moving His feet; it's like He's carried weightless through the sky. Now He's coming down just above Our Lady's statue.

Jesus is shifting His cape - it's a maroon color - over to His left arm. And He's placing His hand in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "My child, you will continue to send the Message from Heaven throughout the world.

"Many victim souls are needed in the days ahead, those who will give themselves as victims to the merciful heart of the Eternal Father to ransom those who otherwise will be lost.

USING RANK TO DESTROY SOULS

"The world, the peoples of earth, My children, are in great darkness of spirit. Were this darkness to reach only the lay peoples, there would be not that much concern, My children, but now My heart is torn to watch as those dedicated go deeper into darkness. It is a scale that is graduating through leadership. The evil is accelerating. Satan is poisoning the minds of many. Those in leadership, who should know better, are now using their rank to destroy souls. The measure of iniquity is the gauge, the scale, for the coming Warning and Chastisement.

"My children, listen well to the direction of My Mother. My Mother has gone throughout your world through countless eras of earth-time, crying out in a voice coming from the very depths of Her Mother's heart to you, Her children, to turn from your present course that is setting you onto your own destruction. When the world and My Church unite as one, know that the end has been reached.

"The world and the spirit have nothing in common. You cannot serve two masters, for you will love one and learn to hate the other. And you, lovers of pleasure and material wealth, gather now all that satan now throws to you, heaps upon you, for you will then receive your just reward. Riches, you pile them up upon your earth. For what? You will leave them all behind and stand naked before your God, stripped naked, baring all of your past and soul. And for what? Because you will have no measure to enter the Kingdom of your God.

"Gather your treasures and store them in Heaven, where neither rust nor moth shall enter upon them, nor thieves will steal them. Gather your treasures and store them now, for they will be the balance for your soul.

"Each and every man, woman, and child who has reached the age of reasoning will be held accountable when he enters over the veil.

"My children, there will be set upon your earth great trial. The sickle shall be sent among you. The forces of evil are gathering, planning with all scientific knowledge the destruction of the world's populace.

"O My children, take the blindness from your hearts and your eyes. Recognize the signs of your times and the path you have set yourselves upon.

"There is only one way, My children, when you turn from your God: it is down. Moral corruption, casting aside the Commandments of your God, building and worshipping idols of man, paganism in My House, leaders that have given themselves to satan - shall I continue to list for you all of the abominations committed by mankind until I cry out that you have become a degenerate generation and you call upon yourselves a baptism of fire?"

TWO SUNS ON YOUR HORIZON

"It is a sad fact, but one that cannot be escaped, but held in abeyance by the prayers and acts of atonement of the few - it is a sad fact that two great penances shall be set upon mankind: a scourge of war and the Ball of Redemption. How soon, you ask? Does it matter when a time? Are you prepared now? It will fast come upon you unexpectedly. There shall appear two suns on your horizon. Fear shall grip the hearts of many, and this fear shall come from the knowledge that you rejected the warnings from Heaven and did not act upon them.

"My children, that Day of your Lord is approaching. I shall return as I have promised, but there shall be much woe set upon your earth before My coming. Man in his arrogance, pride, and self-seeking has turned from his God, using all scientific knowledge given from satan. Man in his scientific knowledge is ever seeking, but never coming to the truth.

"As it was in the time of Luciel, Lucifer, so I look upon a generation that is seeking to fly to Heaven, that is seeking to enter into supernatural knowledge, and finding satan!

"My children, the way has been given you. I am the way; I am the light. If you cast Me out of your life, you enter into darkness. And the prince of darkness is satan, the corrupter of souls, the master of deceit, the ruler of your world now! You have opened the doors to My Church, allowing all manner of evil to enter upon it. You have been deluded by error, and the rulers have given themselves to wantonness. Pastors, I say unto you: you are scattering My sheep. And I say unto you that I shall come and cast you out of My House.

"You have set the stage now for the full capitulation of My House by the group under the synagogue of satan. As Judases, you conspire in disobedience against your Vicar, Pope Paul VI. Know that there is no honor among thieves and murderers. And woe to the man who murders the body, but double woe to the man who destroys the spirit!

ELIMINATE EXPERIMENTATION

"I say unto you, O pastors: restore My House to its former glory. Eliminate your experimentation. Like the eagle, you shall build your nest in the sky, and I shall send you down.

"My Mother's message is coming to mankind in its final stage. Her tears fall upon a degenerate generation. My Mother has been received by many with dishonor and disloyalty. You, O man of little faith, you who walk in darkness, you are not hidden from the all-knowing eyes of the Eternal Father. I send upon you a final warning, a cry for penance, atonement, and sacrifice. I shall not wait until the young have lost all knowledge of their God by atheistic teachers.

"The Message from Heaven has fast gone throughout the world. The hourglass is running low. Pray a constant vigilance of prayer. Do not slow or slacken the pace of gathering My sheep, My children. Do not become secure in knowledge that you'll be saved. Remember, My children, as much is given to you, doubly much is expected of you in return. Presumption cannot be accepted.

"Pray; pray for your pastors. Protect My Vicar with your prayers. The Eternal City of Rome is approaching a bloodbath, and why? Because too few have prayed for its ransom.

MASS IS VALID

"You will go forward in the days ahead, retiring from your world that has been given to satan. Do not allow your parish doors to close, My children. By your example, unify as a parish group and you will patch the cracks. Do not lose faith in My Mass; it is valid. Man may distort but it is valid, I say. When a legally-ordained priest of the Roman Catholic Church conducts this Mass, it is valid, I say.

"My children, raise up your voices in thanksgiving to your Eternal Father that your country has still the tabernacles open to My sheep, for the time will approach when you will go searching, and the doors will be closed to you.

"America, your country, the United States, a land of plenty, has never witnessed mass slaughter and death. But, My children, unless - and I say unless - you turn back now, your country will witness death such as never has gripped the heart of man before, a terror brought about by the knowledge that there has been a rejection of truth, a rejection of your God.

"Too late, too late, will tears pour from the hearts of mothers falling upon the dying, and suffering and anguish in not knowing where they are over the veil. Prepare, O parents, for this time, and you will have great peace of heart in the future. Treasure the knowledge of the light given to you, and nourish it. The souls of your children, nourish them with pure waters. Do not allow the world's peoples to contaminate your children with their errors.

"The way to the eternal Kingdom of your God is a simple way. The way has been given to you. It needs no change. It is a simple way of understanding the foundation. And I, My children, I am the foundation of your Faith. Believe in Me, and you will be given the way. Ask and you shall receive; seek the light and you will not fall into darkness."

Veronica - Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is coming down now behind Jesus, and They're going over across the sky, over on the left side. Jesus is just above now the tree, and He's bending over and extending His hand out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing His hand out, His right hand, and He has His left hand extended across His chest, by His heart.

Jesus - "Save yourselves and your children through the Immaculate Heart of My Mother and My Heart that is now encased and torn by the sins of man."

Veronica - And now Jesus is extending His right hand out, and He has on it a heart. It's, oh, it's very - oh, I don't know how to explain it. It seems horribly hurting. There is like a band of thorns about it, and the blood is dripping now down from His hand.

Jesus - "See, My child, what ungrateful man has done to Me. Will you not console Me in My hour of trial? Pray with Me; weep with Me. Comfort Me, My children. Acknowledge Me before man and I will acknowledge you before the Father."

Veronica - Now it's growing very dark. It's very dark. And there's a large round globe now appearing in the sky with a cross upon it. It's a very ominous-looking sight, a cross upon the world.

Now Jesus and Our Lady are going high - They're not backing up; They are being carried up very high into the sky. And Jesus is now touching His lips with His right finger, like this.

Jesus - "My child, continue with your prayers of atonement. Confine yourself to your home, My child, and do not listen to the opinion of man. Your direction will be given by My Mother."

December 24, 1976

Eve of the Nativity of Our Lord, Christmas Eve

Veronica - There is a large beam of light coming in from the left side of the sky. It's outlining the trees on our left. Now beyond the light, I would say directly over the second cluster of trees, Our Lady is coming forward.

The brilliance of Her garment, Her outer garment, is lighting up the whole sky around Her. Our Lady has nothing on Her feet; Her feet are bare. Her skirt is very voluminous, and it's blowing in the wind as Our Lady is moving over directly now above Her statue. I cannot see Our Lady's hair. Her mantle is coming very low down upon Her forehead. But it's very windy, because Our Lady's mantle is blowing out from Her gown. About Our Lady's waist is a beautiful blue sash. The color blue is very warm. And it's a light blue, but it has a most beautiful blue color.

Our Lady is taking Her Rosary from Her waist. The beads are tied about Her waist. Our Lady now is taking Her Rosary and extending the crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My child, do not be afeared of what has happened in your mission. You will understand, My child, full well the ways of the Eternal Father as He sends the knowledge within you.

SATAN STAGING HIS FINAL BATTLE

"My child, I have cautioned you in the past and I repeat Myself for your welfare and the continued progress of your work, your mission from Heaven, to close your ears to those who seek to destroy the Mission from Heaven with idle tales of gossip and untruth. Know, My child, that satan is staging his final battle against all of the children of God. The warnings given from Heaven have not been accepted by all, but I assure you, My children, that soon - and very soon, I say - you will all be forced to your knees.

THE UNHOLY RAY

"There is an accelerating web of evil that is extending itself into the lives of every man, woman, and child now upon your earth. In the past, My children, I gave you one message of great importance: to guard your children from the unholy ray. [Our Lady spells it out: R-A-Y.] The forces of 666 have set upon your country a diabolical plan to reduce and debilitate the bodies of your children.

"O My children, you cannot in your human nature understand fully the workings of the supernatural about you. Man, in his arrogance, is ever searching but never coming to the truth. And what is the truth, My children? The truth is My Son!

"The lessons of your Faith have been given to you for all time without change. My Son is forever, for God is, God was, and God always will be. My Son is your God in the Father and the Holy Ghost. Do not cast aside your knowledge in faith of the Trinity. Do not cast aside your knowledge in faith of My Son's divinity. Do not recrucify My Son upon your earth and in His Church, His House. You call upon you a heavy hand of punishment from the Eternal Father!

"All manner of evil is being condoned with permissiveness by the pastors in My Son's House. All manner of abominations are being committed in My Son's House. Clean out the errors; restore the light within My Son's House, for a Church in darkness wears a band of death about it.

"My children, the forces of evil are gathering within the Eternal City of Rome. They exercise great control over the human element, and satan now exercises great control over the supernatural. The Eternal Father will allow him his time, as you will all be tested as metal in the fires. Shall you bend, in your free will, your human free will, shall you bend the cross and distort it into a cross of mankind? Shall you bend My Son's cross? O evil men of the cross, whatever shall become of you?

"Like sheep fast plunging for the slaughter, you await eternal damnation as you have cast aside your Faith. You have opened the doors for the entrance of all manner of heretics and evil in My Son's House. O ye of little faith, whatever shall become of ye?

NO PEACE WITHOUT PENANCE

"My children, I cannot promise you an easy way to the Kingdom. I cannot promise you peace without penance. I can promise you hope, for the eventual victory over evil is with My Son.

"You must now make your choice. The time is now! What was to happen in the future shall be now! The sides are now being divided. My Son's House is now being divided. Shall you restore it now while you have time, or shall you accept slaughter within your country - death, death in such magnitude that there will not be time nor people to bury your dead? The Ball of Redemption will soon be upon mankind, and many shall die in the great flame of the Ball of Redemption.

"Your world cries peace, peace, where there is no peace. You consort with the enemies of your God in My Son's Church! And what have you in common, the light with the darkness? Shall you be unevenly yoked?

"Compromise! Compromise, and you shall fall! You shall not, O pastors, win souls for the Kingdom of your God by compromise! Your example is poor! Shall you stand before My Son and say that your teaching has been pure in His sight? Oh no, I say unto you! You shall be cast into the fires of eternal damnation!

LIKE CHICKENS WITHOUT HEADS

"Experimentation and all manners of abomination being committed in the name of humanism and modernism - for what but destruction! You travel about like the chickens without heads, flapping your wings in pride and arrogance, for your heads have been taken off. And those with heads, they extend into the clouds, dark clouds above them, blinded by their arrogance, blinded by their pride! Get down to your knees and take off this pride and arrogance that has made you blind to the truth!

"Man of science ever seeking but never coming to the truth, for it is only the simple of heart, the little ones, who shall receive the light. The numbers that shall be saved shall be counted in the few, My children. No man, woman, and child of knowledgeable age shall be destroyed except by his own desire.

"Restore the discipline in your personal lives. Restore the discipline in My Son's Church while there is time! O My children, I stand before you pleading for your cause to the Eternal Father. A heavy hand of chastisement shall be set upon mankind! Many of Our children of the light shall be asked to do much penance and sacrifice to save those who are lukewarm.

"There is no time, My children, for self-seeking. Divest yourselves of all worldly desire for the material. The sins of the flesh condemn many to hell.

"In the struggle to retain My Son's Church, His House upon earth, it shall be bishop against bishop and cardinal against cardinal, for satan has set himself in your midst!

"As in the past, My children, man goes on his way as he was, never learning from his history.

"As in the past, My children, I have wandered your earth choosing among you voice-boxes to use as instruments for Heaven.

"Now, My children, a great war rages against the forces of evil. It is a war that is far greater than any human nature war experienced by mankind, for you are now in the latter days. It is a war of the spirits, the fight between the good and the evil, the time of Armageddon!

"Laugh, you who scorn My message - derision and mockery you may give, but if you do not accept and act upon the warning from Heaven, you shall not be counted in those saved.

"Remember, My child, it would be best for your mission if you do not listen to the public opinions. I understand, My child, in your human nature, your desire for recognition of the mission. But know now, My child, as I have counseled you in the past, that you shall not accept the roses until the end of your mission. Your road will be filled with thorns. Accept the cross, My child, without complaint; carry it to the end.

"You are not alone, My child. As the battle accelerates, you will find many companionable spirits. The joy of unity will be among you. Yes, My child, there is a plan from Heaven to unite all of you together. Those who will be saved will be counted in the few, My children, but better that there be few with quality than quantity without the salt.

"My child, you will be subject to much temptation. You will pray a constant vigilance of prayer. Accept all that is adverse to your human nature; accept it as penance, My child. All suffering shall be given for a reason. Accept it, My child, without complaint, and you will find the road much easier for you.

"Understand, My child, that human nature being as it is, the enemies are mistaken in their plan when they attack the human nature of Our voice-box without searching for the supernatural. Remember, My child, all of the forces of evil will seek to discredit you in the eyes of man, but great will be your glory, as you are watched by the Eternal Father.

"If you do not expect much, My children, you will rejoice with the little that is given upon earth. You will understand, My child, in the course of time.

"I will send much help to you, My child, in the days ahead to accomplish your mission.

"No, My child, you cannot approach your Vicar at this time.

"I must caution you to bar your doors to all but your immediate family and very close workers. Beware of those who come to you as angels of light with ravenous hearts. Beware of those who wear the garments of sanctity, but they have soiled them by sin. The rabat, priest, is a teacher of life, My child, but do not be fooled by he who has soiled his garment.

"I bless you, My child; I bless you with the gift from Heaven of continued perseverance. You will not be given any heavier a burden than you can carry. I send graces, My child, to your good relations.

"Do not be concerned of the attacks of satan. He is most cunning in his approach, My child, so you must learn to recognize the faces of evil. Pray a constant vigilance, and observe the signs given to you, My child."

Veronica - Our Lady now is extending Her crucifix like this, straight in front of Her, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is going across the sky on our left side. She's just floating. The wind is carrying Her over, that's the only way I can explain it. She seems to be weightless. There's a tremendously bright light about Our Lady. It's coming, it seems to be coming right from inside of Her. How can I explain it? It's very brilliant, beautiful, a beautiful light. And Our Lady now is bending over - She's way over above the tree - and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now behind Our Lady, Saint Michael is coming down. Oh, he really is - oh, he's covering the whole sky, his tremendous size! Oh, and Our Lady now is going, floating - I can't explain it - gliding across the sky over to our right side. Our Lady is looking down now and making the sign of the cross with Her golden crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, and send among you graces, graces for cure and conversion: cures of the spirit, cures of the soul and the body, cures that will bring to many the reality of the Mission from Heaven."

Veronica - Now Our Lady is gliding back, floating backwards. She hasn't turned. Our Lady is looking over to the right side. And Michael now is also going back high up into the sky. And he's standing now. Michael has the balance in his right hand. It's a golden balance, and it's leaning very heavily to the left side, his left side. And he has in his left hand a very long-handled spear. It has a very sharp point on it. The spear is like suspended from his hand, and pointing high up into the sky.

Our Lady is now touching Her first finger to Her lips.

Our Lady - "My child, you will all continue with your prayers of atonement. They are sorely needed."

[Pause]

Veronica - There are three rays of blue light just directly over Our Lady's statue. Now all about the light, the blue rays are becoming very, very dark. There are three very dark, elongated rays that look like, almost like fingers. And all about these finger-like lights there are tinges of pink now coming forward through the sky. And now there's a large leaf - I don't know what the leaf stands for - a green leaf. I believe it's a leaf that has two parts at the stem, almost like a piece of wheat. Now standing over, I can see Jesus coming forward. He's coming from a great distance because He hasn't just come forward; it's like He's traveling through a long - like a ray of light.

Now Jesus is coming forward directly to our left. He's standing just a little above the statue now. It's very windy. His hair is blowing. Jesus' hair is cascading, like over His shoulders. It's - the coloring is very brilliant this evening; it's, I believe the pink tinge is coming from His cape. It's a deep . . . oh, scarlet-colored cape now. It's not the burgundy color; it's almost a red. And Jesus has no shoes on; also His feet are bare. And I can see the markings on His insteps. And He has on a cream-colored gown with a tight belting. The belting looks like a piece of cord or skin, or something.

Now Jesus is shifting His cape over onto His left arm, and He's touching now His lips with His first finger.

Jesus - "My child, you will continue to send fast the Message from Heaven.

"My Mother has directed you well in the past, and She will continue to use you for a short while as a voice-box.

INTO A COMMON DICTATORSHIP

"There is a massive web of evil now fanning out from a nucleus of power. There is a plan now to engulf your world into a united center of power with a central head of man - man uniting all nations into a common dictatorship, man seeking to discard My House and set up one to his own liking and nature. I allow you to proceed but for a short time.

"I shall not add to the words of My Mother. She has counseled you well. She has counseled you for many years. You have your choice now to accept Her wisdom, to accept or reject Her God-given knowledge of what is to come upon mankind.

"I repeat: wars are a punishment for man's sins. And the wages of sin is death. I look upon you, man of earth, and find that many of you are already dead. You are dead souls in a living body. You have all but a short time to rekindle your spirit with the light. You cannot bargain your soul, for you will discard the light. You cannot sell your soul to satan for gain in your few years of pilgrimage upon your earth. You shall not sell your soul to get to the head.

"Pastors in My House, I look upon you and find you wanting. I do not have to single you out, each and every one, and divide you now on your merit. You are already dividing yourselves into two camps. There will be great discord and struggle and trial within My House, and there will be great discord, struggle, and trial among the human race.

"My children, do not sell your souls for your temporary pilgrimage upon earth. Gather the supernatural graces being given from Heaven to you. There is no easy passport into My Kingdom. The way has been given to you. The cross is heavy, but the reward is great for your perseverance and your maintaining your Faith.

"What does it gain a man if he gathers all of the world's riches, and comes before Us with no merit to enter into the Kingdom eternal of his God?

"The judgment of the Eternal Father is not akin to the judgment of mankind. He does not reward you for gathering the material. He does not reward you for gaining the highest pinnacles of success in your world upon earth, but He does reward you for following the rule He has given you.

"The greatest chastisement shall be given to those who have accepted the honor to represent Me in My House, and have sold their vocation, as they have become arrogant, prideful, and self-seeking.

"Turn about and maintain a true renewal of your spirit, O pastors. I have looked upon you and found you wanting. You will cleanse My House of the heretics, the errors, the fallacies, and the liars that you have allowed to enter upon it. You will cleanse it and set My House straight, or I shall come among you and send you out of My House into the fires of eternal damnation.

YOU TRY MY PATIENCE

"Your God is long-suffering and merciful, but you, as a degenerate generation, you try My patience! But for the pleading of your Mother, My Mother, the Mediatrix from God to man, you would have already received your just chastisement. But for the few prayers that rise as a balance to Heaven, you would already see death and destruction in your country and many of the countries throughout your world.

"No man shall escape the Ball of Redemption. The effects shall engulf every man, woman, and child still living in the body upon your earth.

"All mockers and those who have scorned My Mother's message, Her warning, shall soon shed bitter tears of remorse. Too late, I say unto you, too late will you take the blindness from your hearts.

"You will all keep a constant vigilance of prayer going throughout your world and your country. Do not speculate on dates. It is important that you be prepared now, for what was to happen in the future shall be now!

"Many graces for cures and conversions have been extended, and will continue to be extended to mankind in these latter days. Pray a constant vigilance of prayer that you do not become victims to the prince of darkness.

"Parents, safeguard the souls of your children, or there will be much gnashing of teeth and woe set upon you by the evil one. Discipline, a firm hand must be given to the young, for they are truly the victims of their elders.

"Those who should give a good example are now leading the young onto the road to perdition. I say unto you, O pastors, better that you had died in your mother's womb than to come forth and destroy young souls, for you shall receive a punishment commensurate with your evil!

"I ask perseverance and fortitude and purpose in the days ahead of My children. The reward for your perseverance will be great. I must warn you that it will not be an easy road; it will be a road filled with thorns. However, as I walked this road, surely, My children, you will do this for the salvation of your soul."

Veronica - Now Jesus is extending His hand out, like this, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going across the sky on our left. And Our Lady is coming down now high out of the sky with Saint Michael. Saint Michael is on Her right side. He's still carrying the balance, and the spear is now pointed downward. It's at a very strange angle. Now Jesus is going over. He's just above the tree, and He's bending over, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, and I send among you the Spirit of light."

Veronica - Now Our Lady is turning and She's going across the sky. Now Jesus is coming up right - He's in back of Her, and Saint Michael is just between Our Lady and Jesus. And they're all going over by the right side, our right side of the sky, and Jesus is bending over.

Our Lady is holding up the crucifix of Her Rosary in Her right hand, and now there is appearing . . . I don't know where it came from; I didn't see it before, but Our Lady has a brown Scapular now in Her left hand. It's a very large brown Scapular. I can't see anything on it. It appears to be two pieces of brown, dark brown cloth on a long brown string. Now Jesus is extending His hand out, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now the light, it seems to be getting very . . . it's not dim, but it's getting like circular. As Jesus walked, the whole sky was lighted up. But now as Jesus is going back into the sky and Our Lady - They're just floating back; there's no way to explain it - the light seems to be closing in around Them. It's not covering the whole sky now. It seems to be closing in, and They're standing almost in a circle of light. Now Jesus is touching His lips with His finger.

Jesus - "My child and My children, continue with your prayers of atonement. They are sorely needed."

December 28, 1976

Eve of the Holy Family

Veronica - There is a glistening of glass-like particles falling. There are thousands, perhaps even millions, of these glass-like particles. A voice is saying: "Graces, My child, graces."

Now directly over Our Lady's statue, the sky is opening. It's becoming very warm and brilliant. Our Lady is coming forward from the center of this opening in the sky. It must be warm up there, because Our Lady is dressed in Her usual garments - a flowing white dress with the blue sash about Her waist, and She has on a most beautiful light blue mantle about Her head. I cannot see Our Lady's hair.

Our Lady is carrying in Her left hand a very large brown Scapular. And She is now touching Her waist. But I notice the Rosary, the beautiful white Rosary with the golden Our Fathers that is hanging from Her waist. Our Lady has the Rosary tied about the right section of Her sash. Our Lady is touching Her lips with Her first finger.

Our Lady - "My child, We rejoice because of the great penance that many choose to perform for the salvation of souls.

ABORTION IS MURDER

"Our hearts are torn because of the wanton murder of the young by evil man. Abortion, My children, is murder, the most foulest of deeds, that is punishable by death! And what is worse than death of the soul?

"I say unto you, as your Mother, that any man or woman who performs or takes part of this abomination of the murder of the unborn shall be given a heavy penance upon earth, or if this penance is not given upon earth, that person found guilty in the eyes of his God shall suffer eternal damnation in the fires of hell.

"O My children, there are countless souls being returned to the Father. And you ask, My child, what becomes of them? Limbo is overflowing with the rejected souls, the murders of the unborn. Pray a constant vigilance of prayer for the men of sin who perpetrate these atrocities.

GRAND MASTERS SEEK TO GOVERN THE LIVES OF ALL

"It is all, My children, part of the diabolical plan to reduce man to a state of servitude to evil. There are Masters in the world, Grand Masters in the world, who now seek to govern the lives of every man, woman, and child. They are gathering together to bring mankind under servitude.

"My children, you are aware of one arm of the octopus that you know as communism. I assure you, My children, that is but one small arm of the octopus that is reaching out in all directions upon earth to engulf man and enslave him. These arms reach out to promote a one-world government and a one-world religion, a religion that shall not have My Son as its head.

"The greatest harm to mankind is being promoted through the channel of My Son's Church. Many who wear the red hats have not turned to My Son. They reject His divinity; they reject Him as part of the Godhead. They reject Him as their God, and they have joined forces with the prince of darkness and his consorts.

"My children, I repeat over and over through countless earth-years My message of warning to mankind. I travel all throughout your world, appointing through the Father in Heaven, many voice-boxes to shout My message throughout your world. The time for easy speaking, My child, is over. The time for walking softly is over. You must now run fast and shout it from the rooftops!

"All of the messages given through My voice-boxes must come forth and be renewed in the minds and hearts of mankind. Pray a constant vigilance of prayer throughout your world. Pray for your bishops. Many mitres are falling into hell.

MANY MARRIAGES ARE NOT SACRED

"Your world, your countries have given themselves to debasement and debauchery. There is eating and drinking, and marrying, and giving into marriage. And many marriages are not sacred. Many marriages are frowned upon by your God.

"O My children, you cannot stray from the light and reach happiness of mind or spirit. When a man accepts blindness of heart, he will go searching for the light, but without the special grace from Heaven he will go farther into the darkness. Seek; ask, and you shall be given the way.

"There is a great spirit of darkness covering the Eternal City of Rome. I, your Mother, as Mediatrix between God and man, implore you now to turn back, for you are creating your own destruction. A Church in darkness wears a band of death about it!

"My children, pastors in My Son's House, you must not compromise your Faith! What manner of church are you creating? Who has yielded My Son into the hands of the enemies of God?

"My children, the time is growing short. There are many victim souls now in your world who have carried the balance, the balance that grows heavily to the left. When the peak of iniquity is reached, know that the final cleansing of mankind shall be at hand!

"My children, I cannot, as your Mother, refrain from bringing to you the facts. I give you hope in My Son. Remain with Him at the tabernacles in your world. I bring you confidence from My Son, that if you persevere you will overcome all of the evils now rampant in your world.

YOU MUST NOT CHANGE THE BIBLE

"You have been given by My Son a firm foundation of faith. He has sent among you, through past centuries, prophets of the light. My Son left with you your Bible. You must not change it. The rules cannot be compromised! Tradition is Faith! My children, you are building a church of darkness! The Red Hat has fallen and the Purple Hat is being misled.

"And the maidens who have given themselves in dedication to their God, what have you done to yourselves? You disport yourselves as harlots! Vanity, pride, self-seeking, materialistic - virgins of Christ who are no longer virgins of Christ! Whatever shall become of you? You are not nuns, you are a miss - a misfortune to your vocation!

"Your God, the Eternal Father, commands that you promote respect for your vocation by proper dress of modesty. The Eternal Father, your God, commands that you retire from the world that has been given to satan. You must be a true and pure spirit, an example to all mankind. And you have used yourselves and your role as nuns to destroy souls by your poor example! O ye of little faith, whatever shall become of ye?"

Veronica - Now the sky is growing very dark all about Our Lady. Over on our right side, over the papal flag, there is forming a large black cross, a very ominous sign. Now over Our Lady's head the sky is opening up, and I see the whole area around Saint Peter's. I see the big dome-like cathedral and the square with people walking.

Now as I watch, I see the Vatican being divided, split - split by the blood of the Vicar. Oh! Oh, it's very frightening! Now standing above Saint Peter's in the sky, I can see Pope Paul. He's very thin, emaciated looking. He's holding his hand over his heart, and the blood is pouring down from his fingers onto his robe, and down over Saint Peter's. It's a very frightening sight!

Now over on the right side, the left side of Pope Paul, the sky is getting brighter. And there's a huge eagle now forming in the sky, coming out from back in the sky. And the eagle is almost black in appearance. And there's a voice shouting, like a screeching sound: "Woe, woe, woe to the inhabitants of the earth! Woe, woe, woe to the inhabitants of the earth!"

Now over on the left side of the sky, directly above the first tree branch, there is an angel standing. The angel is dressed in a long white robe, and he has in his hand a horn, a very strange-looking instrument. It has a very long and rounded cup in the end, a long stem with a rounded cup. And he's starting to raise his horn to his mouth, and I can hear a blast coming out of it. It's a very frightening type of sound. It gives me a feeling of gathering of forces, like a war about to start.

Now the sky is becoming very dark. Everything is disappearing. It seems to be like evaporating from both sides of the sky, and Our Lady is coming forward directly over Her statue. Our Lady is bowing Her head sadly, as though She is saying, yes, yes.

Our Lady - "My child, symbolism mystifies you for a time, but you will understand all.

"Your world has rejected the call from Heaven. Your world asks for a chastisement. Your world is heading for a destruction greater than mankind has ever experienced. It will be the time of all times, and the Day of your Lord.

"My children, keep a constant vigilance of prayer. Guard your children against the forces that lie in wait for them when they leave the protection of your home. You, as parents, must be vigilant to protect your children's souls and prepare them to go over the veil.

"The sacramentals given to you were given for good reason. Do not cast them aside; do not be swayed by those scoffers who call them idol worship. Understand, My children, when man is at war the enemy will seek to take down his guard. And man of the spirit is at war now, and the enemy seeks to destroy him.

"It will be brother against brother and sister against sister; and it shall be bishop against bishop and cardinal against cardinal, as satan has set himself in their midst. Persevere to the end and you will be saved. All who acknowledge My Son before man shall be acknowledged by Him before the Father.

"And I repeat again: what will it gain you if you gather all of your world's treasures and lose your soul? How long is a lifetime upon your earth? What does it compare with your life over the veil, your eternal life that has no ending? Only you must decide where you will spend your eternal life: with the Father in Heaven or long tormented years in purgatory for purging, or shall you spend eternity in damnation and the fires of hell?"

"My children, you must well understand the plan of the enemy. If he can take from your minds the knowledge and the realization of the existence of hell and purgatory, he will condone sin in your society. And sin has become a way of life for many of you. Awaken from your blindness and search for the light. I have set many candles about in your world. You will not remain in darkness if you will seek the light. My Son is the way. Ask; send your voices in supplication to the Eternal Father and you will be guided out of your darkness.

"My children, I repeat My promise to mankind that I shall be with you here upon your earth unto the arrival, the Second Coming of My Son. What was to happen in your future shall be now. Because of man's stubbornness and sinful lives, what was to happen in the future shall be now.

"Pray a constant vigilance of prayer. Retain, nourish, and preserve your Faith, My children. Do not succumb to the wiles of satan, satan who will act within the bodies of any man, woman, or child that has given himself to sin.

"There will be much woe and gnashing of teeth set upon your earth by the evil man of perdition. My children, you must understand your times. Recognize the signs of your times about you, and you will know how to overcome the evils.

"Wear your sacramentals; they are your armor in the days ahead. Keep the monuments in your homes. All who keep them are to be saved.

"Remain with My Son in the Eucharist. Nourish your souls with the Bread of life. You cannot have the light within you unless you partake of this Bread of life.

PEACE WITH THE COMING OF MY SON

"There will be peace, My children, but not before the world has been cleansed. A heavy penance will be set upon mankind. But there will be peace with the coming of My Son. He will dry all tears. He will take the torments from hearts, and man shall be restored to his true nature.

"Man has far strayed from the plan deemed by the Father for him. Man has rebelled against his God, and his God must now set in plan a measure to retrieve the straying sheep.

"As humans, My children, you cannot understand the ways of the Eternal Father, but trust in Him. He has a plan for all. The adversary, satan, will be given his time, but his time will then be ended.

"Prepare your children well, and they shall not bring sorrow to your hearts. Children must return to the fold. Children must have respect for their parents, respect for their elders, and children must remain pure of heart and pure of spirit. This We find lacking now in your world. The purity of your children has been destroyed!

"Parents must struggle now to retain the Faith in the lives of their children. You must accept the responsibility for the salvation of your children's souls. Teach them; prepare them; fortify them against the rigors of the attacks of satan when they leave the comfort and the safety of their homes. Do not expect your pastors to guide you now. Many have fast fallen into darkness, and must be brought out themselves.

"You will all keep a constant vigilance of prayer. Pray for your priests; pray for your pastors; pray for your children.

"My voice is carried throughout your world, and many have hardened their hearts and closed their ears. And why? Because pride and arrogance have blinded them to the truth. Only prayer, penance, and atonement can bring them back."

Veronica - Our Lady now is taking Her Rosary from about Her waist, and She's extending the crucifix, the beautiful golden crucifix forward, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is turning over to Her right side, our left side, and going directly above the banner, between the banner and the first bough of the tree. She's bending over, extending Her crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now behind Our Lady, Saint Michael is coming forward. He's a tremendous size; he's covering the whole sky. I can't explain the dimensions. It's unbelievable to see how very large he is! Now he's truly a guardian for Our Lady and for all souls.

And Our Lady is going over now to Her left side, that's our right side, directly above the second tree. She's bending over, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as the Father sends His blessing through My Son and the Holy Ghost. Pray a constant vigilance of prayer. Graces shall be given, graces and cures of the spirit, graces for cures of your body."

Veronica - Now Our Lady is going backwards. She's just floating; She's not walking. She's carried backwards directly high into the sky. The light is very brilliant. Oh, Our Lady is so beautiful! She has on golden slippers. And oh, the light is so bright! It must be very warm up there, because Our Lady doesn't look cold; She looks very brilliant and warm. Now Our Lady is touching Her lips.

Our Lady - "Continue, My child, with your prayers of atonement. They are sorely needed.

[Pause]

"A great punishment is coming to your country, the United States."

Veronica - Our Lady says that the sins of the flesh shall send many into hell.

A reprieve has been given to the bishop to keep him from falling into hell. The reprieve will be but a short one. A victim soul has been chosen to extend this reprieve to the bishop.

THE ANGELS READY WITH THE BOWLS

Rome, the Eternal City, shall have a blight. Jesus cannot smite this blight because of the sins of pride and the compromise within the hierarchy with the forces of evil. Our Lady says that Jesus, His hand is growing very heavy, and the angels are ready with the bowls. That is why the horn has been sounded.

Our Lady - "Read, My child, the photographs now."

[Pause]

Veronica - A deep pink is fanning out from the tops of the trees. Now the whole sky is lighting up directly over Our Lady's statue, but the coloring is a deep pink. It's just beautiful! Now out of the center of the sky, Jesus is coming forward. He has . . . it's strange; He has no shoes on! His feet are bare. He has a long white robe. It's not white, really, the gown on Him - it's like an ecru color, a beige sort of color. And about Jesus' waist there is a cord, a cream-colored sash, like a cord, almost rope-like, the way it's tied about His waist. Jesus has on a burgundy cloak. It's down over His shoulders, His hair now is down over His shoulders. And it's quite windy, because Jesus' cloak is blowing now. He's coming very close; He's directly above Our Lady's statue. Now Jesus is shifting His cloak now, and He's taking His hand and He's touching His lips.

Jesus - "My child, you will continue to send the Message from Heaven throughout your world. Do not be slackened in your mission by the opinion of man. You must understand, My child and My children, that you will meet with great opposition, for you are now engaged in a war of the spirits. The very forces of hell are out to stop you in your mission. Understand that your road will be filled with thorns. It is truly the way of the cross.

"My children, My Mother has come to you as a Mediatrix between God and man. My Mother has directed you well. You will now act upon Her counsel, or you will fall!

THE ARMAGEDDON IS HERE

"Understand, My children, that there will be scoffers who will set in motion plans to deceive the nations. Understand, My children, that you are living in the days of trial and the days spoken of by the prophets. The Armageddon is here. 666 is here. All manners of evil so foul that no human mind could have conceived them have been set loose upon earth. The very bowels of hell have opened up and spewed forth demons of great strength, demons set loose upon the earth such as have never entered upon the earth before. It is a war, a war that will test the faith of all.

"You will persevere to the end and you will be saved. You must not compromise. I repeat: you must not compromise within My House.

MICHAEL MUST BE RETURNED

"Michael, guardian of the Faith, guardian of My Church, must be returned! You have cast aside your guardian and opened My doors to all manner of heretics and liars! You cannot accept the word of an atheist! You must not accept the word of a communist, for they are not of your God, but they are followers of darkness!

"My children, do not be deceived by those who go throughout your world and say, love and brotherhood; peace and prosperity, with love and brotherhood. Peace, peace, you cry, when man does not make peace. He prepares for war! Love and brotherhood - there is no love in the hearts of man, and neither is there love in the hearts of man for his God! His spirit is darkened, his eyes are blind, his heart is hardened, and that is why your world must be cleansed.

"As in the time of Noe, one was sent to you crying like a voice in the wilderness, but trying to prepare you, bringing the warning from Heaven - a warning that was ignored and cast aside with derisive laughter. I say unto you: as it was in the time of Noe, so shall it be in your generation. What was planned by the Eternal Father for your future shall be now. No man, woman, or child shall escape the testing!

"My Mother has given you My way. It is a simple road that must be followed. The rules have been given to you that must not be changed, as you cater to the basic carnal nature of man, a generation that has fallen! You will not make changes within My House, for you have dispersed My sheep. You will restore My House to its former glory. Strip you hearts of your pride! Recognize your errors and restore My House!

"I say this to you for your Creator, as your God: Restore My House, or I shall come down and restore it Myself with a firm hand! And shall you stand before Me, O pastors, and say that your teachings have been pure in My sight? I shall take you and spit you out as spittle into the fires of eternal damnation! Vermin that came out of the flowers!

THE RED HAT HAS FALLEN

"You have despoiled Our garden of souls, O pastors! You have trampled the lilies! You have trodden upon your Faith and truth. You have whittled away like rodents into My House, My Church! O man of little faith, whatever shall become of you? I repeat for your fair warning that the Red Hat has fallen and the Purple Hat is being misled. Take the blindness from your hearts. Seek the light, for you are in darkness, and a house in darkness wears a band of death about it.

"All who remain in the light of well spirit will have nothing to fear, My children. You will go forward in the days ahead with perseverance, for all who persevere to the end will be saved.

"Keep a constant vigilance of prayer in your homes, throughout your world. The power of prayer is great. The demons must flee at a constant vigilance of prayer.

"Keep pure and holy thoughts in your minds, for the eyes are the mirror for your soul. Your example, as parents, must be one of discipline, of faith, and of purity. As you sow, so shall ye reap.

"There will be, I repeat, much woe set upon the earth by the evil forces now loosed upon your earth. Recognize these signs and act upon them. Protect your children, protect your homes, and above all, pray that you, too, will not be led into darkness.

"My Mother will continue to guide you in the days ahead. My Mother, through the merciful plan of the Eternal Father, is your Mother, and as such, She will lead you through the darkness of the days ahead.

"Keep your sacramentals about you. Retain the Faith in your homes. The candles are few now, but they are lighting throughout the world, My children.

"The battle of the spirits rages and the evil is accelerating. Pray a constant vigilance of prayer throughout your nation and the world. I will send and gather among you voice-boxes, guides, and I will send to you the archangels to guide you in your days of trial, error, and sorrow."

Veronica - Now Jesus is placing His hand out, like this, in front of Him, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming down behind Jesus, and Saint Michael is standing at Our Lady's shoulder. There's no way to explain it. He's covering the whole sky. But he's like an immense guardian over the whole area above Jesus and Our Lady. And now Jesus is going over to our left side of the sky. He's directly between the banner and the tree, the top of the tree. Now Jesus is bending over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning over to the left. Now Jesus is going forward, and Our Lady is just behind Him. They're coming over to the - our right side now, directly above the papal flag. Jesus is bending over and He's making the sign of the cross with His fingers, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going back. He's floating backwards. There's no way to explain it; He's just being carried by the wind, back. And He's pointing up now with His right hand to the sky, and in the sky is forming a very large circle. It's like a ball, and above it, the cross. It's like the whole circle of the earth, the globe of the world, and there's a cross upon it.

Now it's beginning to evaporate. It's though it was made like of a smoky figure, and it's beginning to evaporate. Now it's becoming very dark, and there still is retained in the sky this very heavy, dark cross.

Now Jesus is nodding His head, and He's touching His finger to His lips.

Jesus - "Continue now, My child, with your prayers of atonement. Mankind has come to the brink."

December 31, 1976

Eve of the Solemnity of Our Lady, New Year's Eve

Veronica - All about the trees there is a deep pink coloring, but directly in the center of the sky, over Our Lady's statue, a large blue light is appearing. It's almost - the light is not circular, but it seems to be forming streaks into a "V", the letter "V". I know it stands for the Vatican, Vatican in Rome.

Now there is a widening of the light, and it's losing its blue cast and it's becoming a gray-white hazy formation. And now the sky is opening up. There's no way to explain it. It's like, almost like a haze rolling back. And the sky is opening up and Jesus is coming forward with Our Lady.

They are coming directly above Our Lady's statue together. Jesus has on a long cream-colored gown with a very tight sash; it looks like a cord-like sash - not material, but maybe some type of skin, round type skin. Now His robe is a burgundy red, not a brilliant, bright red, but an off-rose color, like burgundy; and it's blowing quite heavily in the wind. And Jesus is now catching it and placing it over His left arm. He's standing now with His hand extended, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus and Our Lady are going over to our left side, that's Their right side, and Jesus is bending over with His hand like this, extending it and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is smiling. Our Lady is dressed beautifully. The light about Her is making Her gown look very white. Our Lady has on a blue sash, a wide blue sash, and Her Rosary, the beautiful large-beaded Rosary with the white Hail Marys and the golden Our Father, are hanging over the blue sash on Her right side. Our Lady is reaching now beneath Her mantle and She's taking out a large brown Scapular. Our Lady is now placing the Scapular into Her right hand and holding it forward. I can see no figures on the Scapular; it's a plain brown cloth, quite large.

Now Jesus and Our Lady - Our Lady is directly behind Jesus now. She comes to, Her head comes to about His shoulder, a little below His shoulder. And They are passing over to our right side, and Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now from behind in the sky, high up in the sky, Michael is coming forward. He covers the whole back view of the sky; there's no way to explain the immense size of his appearance. I can't say "body" because there's no human way I can describe the way he covers the sky. It's beyond any explanation I can give in words. He's absolutely beautiful and powerful, and you have a great feeling of joy and confidence looking at him. Our Lady is smiling. And She's touching now Her fingers, Her first finger to Her lip.

Our Lady - "My child, you will listen carefully, for We come this evening to you with great urgency. My Son has knowledge to give you of great importance."

Veronica - Jesus is now placing His right finger to His lips.

Jesus - "My child and My children, I come early for a reason. I bring you a message of great importance.

"There is now a conspiracy forming within the Eternal City of Rome. It is an event that strikes at My heart; it tears My very Being asunder, for this knowledge is of the antichrist forces that planned to take over the city of Rome.

DIMINISHING POWER OF THE VATICAN

"This conspiracy of evil has been building up through earth-years. There will be a diminishing of the power of the Vatican. And should, because of the lack of prayers and penance - I say should they progress at their present speed, the city of Rome shall face and experience a bloodbath!

"My child and My children, the hierarchy of the Eternal City know full well of what I speak.

"Because of the number of heretics, because of the number of Judases in My House, there will be allowed this trial upon the Vatican. And I say unto you: because of your lukewarmness and your loss of faith, your Vicar shall be given in sacrifice for the sins of mankind.

"O My children, My Mother approached you in warnings; My Mother gave you Her heart, as a loving Mother would, to save Her children. She has gone from pillar to post, from house to house, from country to country, begging with you, pleading to you, to listen and turn back, for your world and My House is being plunged into deep darkness.

"Arrogance and pride has made man close his eyes and become blind to what is happening. Because of his sin, he has been allowed to be blinded. Satan gathers his army of souls - fallen souls, lukewarm souls, and man of pride - to bring about the downfall of My House, My Church. But I say unto you, as your God: the gates of hell shall not open wide enough and empty fast enough to destroy My Church.

"Though man in his free will has given himself to satan, though the Red Hats have fallen and the Purple Hats are being misled, I say unto you that I am your God, and as your God, I shall allow these trials to fall upon you; and in that manner shall I separate the sheep from the goats.

"Through countless earth-years, I have sent among you prophets of light, prophets of truth, to prepare you and warn you of what is to come upon mankind, but you never learn from your past. You continue on your road of errors. You plunge fast into a new world of religion, a religion based on humanism and modernism and satanism.

PURPLE HATS FOLLOW IN BLIND OBEDIENCE

"Errors are compounded upon errors in My House. The Red Hats are given to all sins of the flesh. The Purple Hats follow in blind obedience, and they, too, fall to all manner of sins of the flesh and worldliness - self-seeking, arrogant, and prideful. Because of these reasons, My children, they are blinded to the truth.

"Many good souls of light have offered themselves to Heaven as victim souls for the repatriation of the lukewarm and the fallen souls in My House. We accept in all charity of heart from Heaven these fruits from the light, these fruits from the hearts of the humble. But I say unto you: there are not enough prayers, there are not enough sacrifices and penance to save many among the Red Hats and the Purple Hats.

OBSESSED WITH IMMODESTY AND FILTH

"My Mother and the saints in Heaven cry bitter tears of remorse and anguish for you. Your country and the world, My children, has become obsessed with immodesty and filth - all creations of satan, all soul destroyers. And how many of you go along your way - not My way, My children, but your way - to your damnation with your permissiveness, with your self-satisfaction, with your lust, and your desire for the material! Have you destroyed your soul so that you no longer recognize that one day each and every one of you must die in your body and come out of your body in your soul, your spirit eternal, that will live on forever?

"My children, understand Me now: you do not die. Only your body must go back into the dust, but you do not die. You live on. But the choice is given to you whether you shall join Us in Heaven, or whether you must do penance in purgatory, be purged until your garments have been washed white and clean enough to enter the place of the Lamb. My children, there is also a place of eternal damnation, the abode of the prince of darkness, satan, the deceiver, the father of all liars.

"My children, recognize the signs of your times. You are all being tested now. What was to happen in the future shall be now! My Mother has gone throughout your world begging and pleading for your understanding of your times.

"Because many - I will say most of you, My children - have given yourselves to your worldly pleasures and seeking and the material, you have lost contact with Us. You do not live in the spirit, you live in the body. You are living bodies with dead souls within you!

"My children, this very night numbers of lost souls shall come before Us and I cannot recognize them for their darkness of spirit. They must be claimed by the prince of darkness, forever lost to Heaven. Is this what you want for your future?

"Parents, you are becoming degenerate in the raising of your children. You have fallen in line with the agents of hell. Do you consider yourselves adult? Do you consider yourselves responsible? Do you consider yourselves sophisticated because you join the world? And what knowledge do your children have of their future life? What knowledge do you impart to them of their God? I say unto you: there will be many tears shed and much gnashing of teeth very soon, My children."

Veronica - Now Our Lady is reaching up to Her face. She's placing Her hand across Her eyes. She's very sad. Now She is touching Her first finger to Her lips.

Our Lady - "My child, what more can I say, what more can I do to awaken the peoples of earth to the knowledge of what is fast coming upon them? Many souls are falling into hell because of sins of the flesh. Many souls are being misled because pastors who have left their vocation to enter into the world of satan have abandoned Our sheep in the darkness.

"O My children, I shall cry out loud and long to you; I shall remain upon earth with you in the days ahead. You must all keep a constant vigilance of prayer going throughout your world and your country. The scourge of communism is galloping throughout your world with the grim reaper behind it.

DO NOT SCOFF AT THE SUPERNATURAL

"The gates of hell are open wide; many demons have entered upon earth. And, My children, do not scoff at the supernatural. We look upon all manner of foul actions being committed by Our children upon earth. They scoff at demons; they scoff at the very devil, satan, but what will they do when they realize too late that they cast aside the light and accepted the darkness? For what?

"My children, you must pray much for Our Vicar, Pope Paul, in Rome. There are many Judases about him. I repeat the words of My Son to you that there is a conspiracy afoot, a conspiracy of evil.

"No man can understand, in his human nature, the ways of the Eternal Father to govern the battle ahead; but I assure you, My children, the Eternal Father has a hand in all. The final victory shall be with My Son and Heaven. This war of the spirits, the fight against the forces of Antichrist, 666, that is loosed now upon your world and the Eternal City of Rome: the forces of evil, the forces of darkness, against the forces of light O My children, as you approach your new year, understand that I have warned you in the past that this will be a year to be reckoned with.

"My children, prophets of the past were given full knowledge of the days you live in. Read your Apocalypse, My children. The Eternal Father in Heaven had a plan to enlighten you in these days. Do not cast it aside as dry reading. Pray for the light and you will understand what you read.

"You will pray your beads of prayer constantly. They will be of great solace for you.

"Your friends, those who govern the nations, the foreign nations of your world, are not your friends, My children. They plot and plan behind your back. While they cry peace, peace, peace, they prepare for war! There shall be no peace among mankind unless you follow the direction of Heaven. The plan for peace was simple as given to you, My children: penance, atonement, sacrifice to your God.

"Do penance now, My children. The Ball of Redemption is heading your way. You have won in the past a reprieve, My children, but the balance for this destruction upon mankind is heavily against you. The Ball of Redemption approaches, and many shall die in the great flame of the Ball of Redemption.

"O My children, continue to send the Message from Heaven throughout the world. Do not slacken in your pace. Persevere and you will be saved. Keep the sacramentals in your homes and on your children; they are your armor. Do not cast aside the monuments of the personages of Heaven, the statues. All who keep these monuments in their homes shall be saved.

"My children, there is a war now going on far worse than any physical war that man can experience, for it is a war of the spirits. Many saints of the latter days shall come forward from this era. My children, do not compromise your Faith but defend it against the forces of evil. Protect with love, with prayer, with sacrifice, the Eternal City of Rome and the papacy.

THE MYSTICAL BODY SHALL BE WITHOUT A LEADER

"My children, the Mystical Body shall be without a leader; he shall lose his head. And there is one now in Rome with consorts, evil consorts, who plans the removal.

"My child, you will continue to bar your doors to all but your family and close workers. You will, My child, read the three photographs very carefully. There will be much that cannot be made public at this time."

Veronica - Our Lady now is taking Her Rosary and She's extending the crucifix from the Rosary out, like this. It's a beautiful golden Rosary. It's very brilliant. The golden crucifix has a cast that is - as Our Lady is turning, it's just reflecting the light, and it's very brilliant. Our Lady is extending the crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is coming up to Our Lady. He was standing a little bit off to Her right and in the back. He's coming forward now, and He's nodding. And Our Lady is going across the sky now. She's just gliding. She doesn't walk, She seems to float; the air carries Her. And Our Lady is now stopping directly above Her statue, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is gathering His cloak about Him. And He's very close to Our Lady now. He's moving over to the right side. And Saint Michael is coming down. He's carrying a large spear in his right hand with a long ribbon, but I think it's wood; I don't know the consistency of it. I can't tell here, but it looks like some type of a wood composition. And it has a spear at the end of it, a very pointed, shiny-looking implement. And Michael has the balance, the golden balance, in his left hand. And it's swinging, but I can see that it's heavily to the left. I don't believe that that's good.

Now Michael is following Jesus over. And Our Lady is coming across our left side here, and She's bending over now. Our Lady is standing directly above the tall tree, and She's bending over now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as My Son blesses you for the Eternal Father and the Spirit of light.

"You will all continue your present course in sending the Message from Heaven. Do not be slackened in your pace by public opinion, My children. You must give the Message and go on. Your emotions must not be tied up by longing for the acceptance of the Message, My children. That is all part of the way of the cross."

Veronica - Our Lady now is placing Her crucifix from Her Rosary quite far out in front of Her now, and She appears to be blessing the grounds here right directly under Her statue: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is saying:

Our Lady - "The Vatican, My child, the Vatican."

Veronica - Now Our Lady is going high up into the sky; She's just moving backwards like the air is just carrying Her back. It looks very warm up there. Our Lady doesn't have anything on Her feet, and neither does Jesus. And They're moving all back. And Saint Michael now is going further back into the sky, and he covers completely from our left to our right side. Our Lady now is touching Her lips with Her first finger.

Our Lady - "My child, read the three photographs and continue with your prayers of atonement."

February 1, 1977

Eve Of The Presentation Of Our Lord

Veronica - The sky is covered by a pink haze. Directly over Our Lady's statue, the clouds are blowing away slowly. It's like there's an opening coming out of the sky. The opening is widening now, and it appears I'm looking into a vast void. I cannot explain it in words.

Now from the center of this large space that is now being covered by a blue haze, there's a triangular drawing. It's made with the three points sort of squared off, like the Trinity. Now directly behind the Trinity, I see a great light that seems to be starting as a pinpoint but coming forward.

Directly behind the light, I can see Michael. Now the whole sky is becoming ablaze with light. Michael is coming forward. He's dressed in a long gown, a flowing white gown. He's carrying in his hand, his right hand, a chalice, a very large golden chalice. He carefully extends the chalice. And now there is a great silence.

CUP IS OVERFLOWING

St. Michael - "My child and children of God, I have come to warn you that the cup is overflowing. The abominations of the world shall bring upon mankind great suffering.

"Man, in the creation of God, has cast aside his mission to do honor and glory to his God. Man has given himself up to all manner of abominations and sin. Slowly the cup has been filling up, but now it flows over. Because of your sin, because you have cast aside the way, mankind shall be cleansed by trial."

Veronica - Now Michael is pointing up over to the right side, directly over the banner and the tree, and there's forming in the sky a sword, a very lighted sword. It has a cross handle, a cross upon the handle. The sword has a very ominous look about it. And now on the right side, our right side, directly next to the handle of the cross-like sword, there's appearing a large black cross. Michael's voice is booming out so loudly I almost have to hold my ears.

St. Michael - "Men in the House of God, pastors, shepherds, go down upon your knees and do penance now! What was to happen in the future shall be now!"

SIN OF HERESY

"The major offense being committed in your world is an offense far above any sin committed in such majority in the past. You have committed the great sin of heresy. You have opened the doors of your Eternal City, the home of your Vicar, to all manner of heretics and non-believers.

"You violate your sacred trust. You have taken the Body of your Creator, the Son of your God in the Trinity, and violated Him. You must do your eating at home! When you come to the great Sacrifice, the Holy Sacrifice of the Mass, you come in reverence. You must go down upon your knees and do penance now for the offenses to your God!

"During the Holy Sacrifice of the Mass, there is a change of the bread and a change of the wine, and it is the real Presence, the Body and the Blood of your God!

"As in the past, cannot you recognize the mystery of Heaven and earth? Did not the staff of Moses turn into a serpent in the will of God? Did not the river in Egypt turn into blood in the will of God? And cannot God, in His will, come to you changing the bread and wine into the actual Presence, the real Presence, the factual Presence of His Body and Blood?"

"But no-o-o, because you do not pray enough, because you lack humility, because you have given yourselves to the world and pleasures of the flesh, you have lost the way; you have gone into darkness. And a Church, a House in darkness wears a band of death about it! All that is rotten shall fall! The heavens and earth shall shake! Many shall die in the great flame of the Ball of Redemption.

"Have you prepared your soul and the souls of those you love - your family, your children, your friends? Have you, in your charity, reached out to bring the message, the warning from Heaven to your friends, your brothers, your sisters?"

"Because of the great abominations in your country and in many countries throughout the world, you shall be cleansed by trial. Floods, death, destruction - you bring upon yourselves this chastisement. Great heat and the plague."

Veronica - Now Michael is going backwards. He's just floating. There's no way to explain it; it's like the air is carrying him. He covers the whole sky. It's a beautiful, awesome sight. But he's going backwards now, and pointing, holding the chalice high above his head. There's a great light now coming from all about the chalice, but there is like a bubbling over of blood, red blood floating out of the chalice upon the world.

Now over on our right side, the sky is becoming very lighted. Our Lady is coming forward. She's dressed beautifully in a white gown that's belted with a blue sash. And She has all about Her shoulders and Her head a beautiful mantle, white, but there is a gold trim all about the outside of the mantle. Our Lady looks very sad.

Now She is taking from Her waist Her Rosary, Her beautiful Rosary with the golden Our Fathers and the white Hail Marys. But as Our Lady is now turning the beads, they're so beautiful; they seem to catch all the lights in the sky - pinks and blues, and they're radiating colors from the Hail Marys. Our Lady is taking Her crucifix now and holding it in front of Her and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is passing over to our left side. She's standing directly above the statue, leaning forward, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning slightly to Her right, our left side, and She's extending Her crucifix of the Rosary out, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming forward. She's standing directly above Her statue, and touching now Her lips with Her first finger.

Our Lady - "My child, there is not much time left. You must hasten to send out all of the messages and all of the sacramentals given to you. We will send to you much help in the packaging.

"O My children, how many times I have extended the grace from Heaven to you to listen to the Message from Heaven, the warnings being given to mankind, and to act fast upon them. The times spoken of and written of in the past are now coming by, My children. It will be a sad time for many, and it will be a glorious time for many. O My children, your country and many countries of the world shall go through a great trial.

"Do not cry for those who pass on. Many are being taken for their salvation.

"O My children, please, in your charity, contact Our bishops, contact your pastors, and give them My message. I cry many tears of great sorrow for those who have refused the words from Heaven, for those who, in their blindness, do not look or seek the way.

"Satan has poisoned many minds. Man of science has rejected the supernatural. Man of science has rejected the true Presence of My Son among you.

"Know, My children, and remember always that My Son is with you in the Eucharist, given to you from the legally-ordained and cleansed hands of your priests. And I repeat, My children, the cleansed hands of Our priests who are legally ordained.

EXPERIMENTATION AND HUMANISM

"There are many novelties, there are many abominations and offenses being committed in My Son's houses throughout the world. Man has given himself to experimentation and humanism, and man has not learned from his past or listened to his past Vicars, the Popes of old, who warned of the approach of heresy and modernism. You were given the measures to be guided by to prevent the entrance of the Antichrist into your world and into My Son's Church. But man of God, followers of the cross, you cast the cross down and you stomp upon it!

"Pastors, shall you stand before My Son, your God, and say that your teaching has been pure in His sight? O ye of little faith, you follow like sheep to the slaughter! You carried the truth within your heart, but you now blacken and darken your spirit by taking the wide road, the easy road. You cannot commend your soul to satan by accepting the errors, the heresies, the fallacies, and the lies created by the father of all liars, satan.

"No man shall stand by you and plead your cause as you stand before your God in judgment, stripped of all your worldly gain, stripped of all your worldly knowledge! Your soul, your spirit will stand before your God for eternal judgment, and what shall you gain if you have gathered all of your world's treasures and then have lost your soul? You shall be condemned to eternal damnation and banishment, given over to satan, for as your father upon earth was satan.

"You cannot worship, you cannot follow two masters, for one you will love, and the other you will hate or learn to hate. And is there not much hate against My Son in the world now? Is there not much derision and laughter and abominations against His divinity? Do you not take His sacred, purified Body and cast it into the water font? Do you not, in your arrogance, do you not, O pastors, protect My Son's Body, His Body that is being carried to be mocked and abused in a form of worship from satan?

"O pastors, evil men of the cross, whatever shall become of you?"

Veronica - I see, coming down now from the sky behind Our Lady, a terrible scene. I see Jesus nailed to the cross. I see a Body torn, with very few solid pieces of flesh left! I see His head covered by a crown of thorns, biting, cutting, tearing into His skin, and the blood flowing down.

Over on the left side of the sky, Our Lady is being supported by Michael. Our Lady is pointing upward.

Our Lady - "See, My child, what evil man and the antichrist forces have brought upon My Son. He is being re-crucified by His own!

"As I have directed you through countless earth-years, as I have warned you, the man of perdition has entered upon the Eternal City. The man of perdition, known to you as 666, has entered upon your world.

EVIL ACCEPTED AS GOOD

"O My children, you shall see a madness cover your earth. It shall be father against son, mother against daughter, sister against sister. Charity shall grow cold in the hearts of many. Man shall become more and more lovers of pleasure, lovers of self, no longer recognizing sin, until sin has become a way of life among you. Fear shall grip the hearts of many as evil shall be accepted as good - blindness that reaches down, My children, into the very depths of your being, your soul.

"I cry out, as your Mother, as a Mediatrix from God to mankind. Listen to Me, and act upon the directions from Heaven. Save yourselves and your children. There is little time left.

"Shall you be given a full scourge of communism and slavery? Shall the elements be used against you to cleanse your world? Shall mankind feel the great heat and burning of the Ball of Redemption? You who laugh and scorn this message, the day will come when there shall be much gnashing of teeth and woe set upon the earth.

"As it was in the days of Noe, so it is now that man never learns from his history. He repeats his mistakes over and over.

"I give you, My children, the simple solution to your problem. It is faith, My children, truth in faith. Believe and you shall be given the way.

"The Eternal Father shall send upon mankind many signs to awaken him. Will you recognize them, or shall they go by in continuance of being unnoticed, unrecognized as coming from your God? My children, unless you pray more, you shall not recognize the signs; unless you remain with My Son at the tabernacles of your world, you shall not recognize the signs; unless you eat of the Body of My Son and drink of His Blood, you shall not have the light within you.

"My children, you wander about, running in every direction, and what are you looking for that you have not already received from your God, the direction for your salvation?

"My children, Heaven and the way does not change. It needs no improvement. It is a simple way, given to you from the beginning of time by the Eternal Father, and made known to you by the visit of My Son to earth.

"Read, My children, your books that I have pleaded with you to gather before they are destroyed. Do not give yourselves over to the publications of the Antichrist in your world. As you pray, you will ask the Spirit of light to enlighten you in knowledge that you may know when there is error, that you may recognize the truth, and that you shall not fall victim to the errors of your world.

"My children, I promise you, as your Mother, to be with you until your world and mankind has been righted by My Son. Step by step, through the darkness into the light, shall I lead you, My children. But it will be a road filled with thorns. The cross will grow heavy. You will stagger, you will fall; but I assure you, My children, you will rise even stronger.

"You will pray for your pastors; you will pray for the Red Hats and the Purple Hats. It is a sad fact that cannot be overlooked, My children, that the Red Hats have fallen and the Purple Hats are being misled.

"I ask you to not set yourselves up to judge your brothers and sisters, but you cannot sit back and do nothing or say nothing, for good works kept in a closed mouth is like putting messes of meat upon a dead man's grave. Prayers without works, My children, will not give you the strength to conquer the evil. By your example, your good example of modesty and faith, you will bring many back onto the road to Heaven.

"My children, I cannot at this time bring you a great message of earthly joy and gain, but I can assure you that at the end of the trials - and I say trials, My children, for you will all be tested as metals in the fire - you will all be tested so that the process started by the Eternal Father of separation of the sheep from the goats shall be finished.

BE OF GOOD CHEER

"My children, keep a constant vigilance of prayer going throughout your country and the world. Do not cast aside the sacramentals given to you in the past. And be of good cheer, My children, though the world is in deep spiritual darkness."

Veronica - Our Lady now is moving backwards; She's going up and standing next to Michael. Now Our Lady is extending Her Rosary out again, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as My Son blesses you. You will continue now with your prayers of atonement. My child, Veronica, you will be seated, for My Son will bring you words of great urgency."

[Pause]

Veronica - The sky is growing very pink in color. It gives a feeling of great warmth. The light all about us is taking on a pink hue. And it's very warm. It almost feels like you're emerging into spring. Now directly in the center of this great light - it's very brilliant; it's very difficult even to look through it - I can see Jesus coming forward.

He's not wearing anything upon His feet. He has a beige-colored gown with a belt about it. It's a twisted, cord-like belt. And Jesus has His burgundy-colored - it's like a deep red; I can't explain the color red - cape. His hair is blowing; Jesus' hair is blowing. I can see it very well now because He is very close over Our Lady's statue, but a little to the right, directly to the right of the first tree.

Now Jesus is looking down. And I can see now that He is pointing over to His right side. And Our Lady is coming forward, and Michael, and there are many other people behind them. Oh, it looks so nice; it looks like a gathering of saints! I can see Theresa and her sisters, and I see three men dressed in very regal robes behind Theresa and her sisters. I would say they're popes, because they have on those beautiful long - they look like beehive sort of crowns. You know, the layers - I can see the layer upon layer of gold network. It's beautiful. And they're all dressed in white and gold, the coloring. They look very like kings, almost. I can't explain it. Beautiful. The light is very gleaming.

Now Jesus is motioning to me and touching His first finger to His lips, which means to listen and repeat.

Jesus - "My child and My children, I feel that at this time there is not much more I can add to the message of My Mother to stress the urgency of your times.

"It will do nothing constructive, at this time, to expound upon you, to you, the names of those who have caused the greatest chaos in My House, My Church. Far be it from any human to set a judgment upon another, for those who have been given the power to destroy souls within My House shall receive a judgment beyond any human words to describe, or feelings to understand.

"O My children, I have tried to warn you through many seers upon earth. Prophets of old and prophets of your day have come forward, have given you the Message from Heaven, the warnings to prepare yourselves, to do penance, and to make amends for the offenses against your God.

"There has been set upon mankind many warnings that have gone by unnoticed. Now these warnings in the form of a chastisement shall become more severe and more numerous. Those of simple heart and child-like nature shall understand a small measure of the ways of the Eternal Father to gather His straying sheep.

"My children, you cannot, in your human nature, understand the plan from Heaven. You must accept it in good faith, My children. The plan for your salvation has been given to you.

"Oh, the greatest of sorrow is upon Our hearts because of the loss of the little ones. Your country, My child, and many countries throughout your world, shall do great penance for the murders of the young, the abortions, the murders being committed in your country. The saints in Heaven cry out for punishment upon a wicked generation. Never in the past, in all the slaughters of history, has there been such wanton killing of the young and the innocent! I say unto you, as your God, you shall be brought down to your knees! You, evil mankind, you shall be cleansed in a bloodbath!

"Your Eternal Father has watched, has waited with great patience for you to turn back and restore My House, to turn back and gather Our sheep.

"Your world is covered with deep darkness. And the wages of sin is death! O My children, many shall die in the body upon earth, but do not cry for the loss of the body, but cry tears of deep anguish for the loss of the soul, for many are falling fast into hell, forever banished from the Kingdom of Heaven into nothingness and despair. The fires of hell, My children, are so fierce in emotion and far beyond what any human mind could comprehend in explanation. Should I show to you, My child and My children, the full forces of hell that are loosed upon your earth, your body could not withstand the torment! You would die immediately in your body, My children.

"Because of the merciful heart of the Eternal Father, He spares you from this sight. But as time goes on, and you refuse the graces from Heaven, you shall be given this grace from Heaven - the power to see the evils about you. But shall you be recovered in the spirit?

"You wander about now in your earth, man of science, seeking to reach the gates of the eternal Kingdom. Man of science, in his arrogance, seeking to create life. I say unto you: no man shall take the power of creation into his hands, for he will destroy himself.

"My children, your Vicar shall be taken from among you. Too few prayers now are given for him. Many acts of sacrifice, many victim souls will be needed to keep him with you throughout this year. There is in the Vatican, the Eternal City, a force of evil so great that it shall bring great trial upon the good, suffering to those who will stand faithful and true.

"My children, the time is approaching when it must be bishop against bishop and cardinal against cardinal; for those who should know better, who have been given graces beyond the ordinary man, they have used this power to set themselves against their God. Many are evil consorts of satan sent into My House to destroy. They are not unknown to Us. We will turn all evil to good. However, the ways of the Eternal Father are unknown to mankind.

"You will all keep a constant vigilance of prayer, for without prayer, you cannot have sight; without prayer, you will be unable to recognize the signs of your times.

"My Mother has come to you as a Mediatrix between God and man. Reject Her direction, reject Her counsel, and you shall be rejected before the Father.

"All of you who now plan in conspiracy in My House to bring about a new world religion, a religion that is not of the God you know, but a religion that is coming up from the depths of hell - deluded you are, O pastors! A delusion has been set upon the world so that those who are evil shall be cut down, and those who are lukewarm shall fall. And those who persevere to the end shall be saved.

ALL MANNERS OF HERETICS

"My children, there are all manners of heretics in My House - a delusion of uniting all within My House. It is an error, and it will bring the shutting of many doors of My House.

"You cannot change My House so that man will accept it in his liking. You must change man to be acceptable to his God. No man is above the Eternal Father. He permits you to go upon your way so that your final destructive act will turn about and send you deep down into the abyss.

"I do not wish to repeat at this time the ever increasing list of abominations being committed in My House. I only say unto you to hasten, harken, and listen, for you shall not receive another warning of this nature.

"All that is evil shall fall. Trial upon trial, calamity upon calamity, until all that remains will rise up, will be purified, will be purified so that the gathering shall glorify and adore God the Eternal Father, and the gathering shall no longer set man up as an idol to worship in humanism.

"My children, you ask why the suffering? It is a sad but proven fact that many will not turn back until they are brought to their knees. You see, My children, when you pamper your human bodies, when you gather all the material goods of your world, you are not nourishing your soul; you are not accepting the Spirit of light; but your world is giving to you the spirit of darkness, and buying your soul. And many have sold their souls to get to the head; many within My House have sold their souls to get to the head.

"I look upon you, O Red Hats, and find you wanting. I look upon you, O Purple Hats, and find you in ignorance and going downstream like ducks, playing follow the leader to what, as your leaders lead you over the brink to the abyss! Where shall My straying sheep go to find the truth?

"The little candles of light are not numerous in your country. The candles are being extinguished in other countries throughout your world, but I say unto you: in this battle, the gates of hell shall not prevail against My Church, for I am your foundation! You shall not build of man into a church. You shall build a church of man rejecting the cross of your Christ!"

Veronica - Now it's growing very gray all about the trees; it's a very sad-looking, ominous, futile-looking color. I feel that, as numerous as the signs I've seen, I know it foretells something very, very sad that's to come upon the world, a time of suffering for many.

Jesus - "My child, you will continue upon your mission. Do not concern yourself of the idle chatter and talk of the deceivers. It would be of great and constructive usage to eliminate all negative obstructions, My child. You understand.

"Naturally, My child, in this battle against satan, his agents will multiply and attack. Recognize the faces of evil about you, My child. For those who have faith, no explanation is necessary; for those without faith, My child, there is no explanation.

"Pray a constant vigilance of prayer. Have pity upon your bishops, for many now have gone onto the road to perdition."

Veronica - Jesus is extending His hand out now in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming next to Jesus. She looks very beautiful. Our Lady just stands about up to Jesus' shoulder, or just a little below it. Her head is not quite as high as Jesus' shoulder. He is very tall. And Our Lady is now following Jesus - He's leading - over to our left side, and He's standing there and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now - oh, there's Saint Theresa and her sisters, and all those people. They're nuns and they're priests. I can see them in all habits, and different types of habits, and some with little variations in the headpieces on the ladies. And they're coming all forward, and they're standing now grouped around Our Lady and Jesus. They're all moving over to our right side. And bending over, Jesus is making the sign of the cross with His three fingers: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, and send to you the Spirit of light. Pray a constant vigilance of prayer. Have courage and persevere in the days ahead, for all who persevere will be saved."

Veronica - Now Jesus is going back up into the sky. He's carried like on the wind. He seems weightless. I can't explain it. And now He's standing far up in the sky with Our Lady. Our Lady is on His right side. And Theresa now has come forward. She's standing. It's quite windy, because their habits are blowing. And behind Theresa are her sisters and all the other nuns. They're beautiful. And those three men that are Popes - I don't recognize them, but they're Popes.

Oh, I see one. I recognize him. He's quite plump. Oh! Oh! That's Pope John! He's raising now and putting on his head - he's taken his - that long tiara off his head, and he's placing a red hat, like a red hat with a big brim on it. And he's smiling and he's pointing to his hat: "The Red Hats. The Red Hats." And I don't know exactly what he means about the Red Hats. Oh, it's a warning to the Red Hats.

Now everything is getting very dim, and there's a big question mark now forming in the sky directly over Our Lady's statue, a big question mark. It's strange. It's just like something is in the balance: will it happen, won't it happen; it's conditional, a big question mark. Something is pending in Heaven, something very, very catastrophic, and we're being asked: Is this what you want?

"Are we going to receive a reprieve, Blessed Mother?"

And Our Lady has bowed Her head down. She won't answer me. Now Our Lady is touching Her lips.

Our Lady - "You will continue, My child, with your prayers of atonement."

February 10, 1977

Eve of Our Lady of Lourdes

Veronica - The sky looks very dark this evening. There's a beautiful blue haze coming out from behind the trees, beyond the trees, and forming a circle of light over Our Lady's statue. The sky is opening up. Our Lady is coming forward from the center of the light.

Our Lady is dressed in a beautiful white gown; it is the whitest white I have ever seen on Our Lady. And about Her waist She has a beautiful deep blue sash. Our Lady is smiling very softly. She looks very beautiful. Our Lady has nothing upon Her feet. Her feet look very delicate coming out from under Her hem. Our Lady is now touching Her first finger to Her lips.

Our Lady - "My child, you will listen carefully and repeat after Me. I will not exert you this evening because of your condition, My child.

"My Son gave you knowledge earlier this week, My child, that you would wear a crown of thorns.

"I am much grieved to know the terrible abominations being committed within My Son's Church. The evil men of the cross now are taking the Real Presence and defiling My Son's Body.

"Alone I stand before you now and say unto you, O wicked men of the cross: the Eternal Father looks into your hearts and finds you wanting. You cannot escape much longer the Chastisement that shall be sent upon you. O ye men of little faith, whatever shall become of you? Heresy, O mournful heresy!"

Veronica - Our Lady now is rising. She looks very beautiful. There is a great light now coming from within Our Lady; it's very difficult to describe. She's lighting up the whole sky all about Her with this beautiful, beautiful light. There's no way to explain it; it's crystal-clear of purity.

Now Our Lady is placing Her two hands out in front of Her and saying: "I am the Immaculate Conception."

Now down behind Our Lady, coming down from the sky, there are many, many figures; many are angels, I can tell by the coloring of their gowns. The angels are dressed in beautiful colors of the rainbow. The angels now are young - they look young because they're kind of tiny. And they're all holding a rose in their hands. They're grouping now, the smaller angels, about Our Lady. They are little children; they appear to be replicas of little children.

Our Lady - "My child, they are spirits of light. Many spirits of light entered into mankind and have been extinguished by evil man. Murders upon murders, the corruption accelerates. You shall call down upon mankind a most severe chastisement, My children. Awaken from your slumber.

"All about you now, My children, there is deep darkness of spirit. Holiness, piety, sanctity must be returned to My Son's House, His Church. O men of the cross, when will you come forward and defend My Son? You are re-crucifying Him again. His crucifixion is again by His own!

"My child, you ask why the Eternal Father waits with such great patience? It is because He does not will that anyone be lost to Heaven. He waits with patience, He is long-suffering, and He's looking into the hearts of each and every man, woman, and child now of conscionable age.

"O My children, if only you would awaken from your slumber, for a House in darkness wears a band of death about it.

"There will be a Chastisement sent upon mankind of such greatness and suffering that never will man pass through such a crucible of suffering with the completion of man's redemption by the Ball of Redemption and the great War.

"My children, the scoffers multiply. You must close your ears to their derision. Go forward with hope and confidence, for My Son shall be your confidence.

"Parents, you cannot pass the responsibility for the salvation of your children's souls to others. Charity grows cold in your world. Men of the cross go seeking pleasures of the flesh and have entered into worldly living and seeking the material.

"All manner of abominations are accepted now as being normal to your way of life. Sin has become a way of life in your world.

"As it was in the past, so it shall be that men shall be eating and drinking, and marrying and giving in marriage, and then shall come the end.

"As it was in the past, voices go throughout your world, voices crying through the wilderness, voices and candles searching through the darkness, bringing the Message from Heaven to prepare yourselves and your families, your loved ones. And in your charity of heart, extend your knowledge of what is to be to your neighbor.

"We are forming, My children, many armies of light throughout your world. It is a sad fact that many of our groups do not unite. They have set themselves to bicker and fight and argue, losing precious time for the redemption of souls. It is satan's way to waste your time, My children. It is better if you concentrate upon your own mission.

"My child, you cannot escape the fact that you will receive, My child, the proof, the evidence of a fall of man within My Son's Church.

NOT TO CREATE A SCHISM

"We ask you from Heaven not to leave, not to create a schism from your main body in Rome. You must remain within My Son's Church and pray a constant vigilance of prayer. Satan and his agents have entered in full battle upon My Son's Church. Satan has entered into the highest ranks within My Son's Church and the world. He will manipulate powers, provincials, until he brings about a great chastisement, because man will not listen and mend his ways.

"My children, the way to the Eternal Kingdom of the Father is a simple way. Man must not set himself to experiment. Man must not change the laws of his God to fit and suit the basic carnal nature of mankind. Mankind must change his ways to suit and please the Eternal Father in Heaven.

"Sins of the flesh is one of the major reasons for the destruction of souls.

"Satan will give to mankind all manner of riches to blind him to the spiritual.

DISOBEDIENCE TO YOUR VICAR

"Mankind will go about with their heads in clouds, with itching ears, accepting false doctrines from false teachers. Novelty, experimentation, modernism, humanism! Because you sin and lose the light, you now fall prey to these creations of satan. Have you not been warned before from the Seat of Peter? Oh, no! You cast aside the direction of your Holy Father in the Eternal City of Rome! Evil men of the cross, you act in disobedience to your Vicar.

"You may, in your evil ways, fool some of the people, but you cannot fool your God, Who watches you and permits you to fall fast into hell. O ye men of little faith, awaken from your slumber. You are following like sheep to the slaughter!

"The red forces are gaining momentum in the Eternal City of Rome. Your country, the United States, and other countries of the world, in their measures of compromise to communism, shall fall to communism. You cannot choose a middle road. You must go either to the right or to the left.

COMPROMISE WILL ENSLAVE YOU

"Compromise will bring you nothing but despair and sorrow. Compromise, My children, will enslave you. Recognize what is happening within your country and many countries of your world. The Bear is plundering now and has plans to plunge forward throughout the world - the Red Bear, My children, known to you as the Red Brown Bear.

"My Son has a plan. It is His manner to separate the sheep from the goats. Those men of great learning, who are ever searching but never coming to the truth, can they not recognize the signs of their times? Many minor catastrophes have entered upon your world, My children. They go by unnoticed as they build up into a greater catastrophe.

"Why, My children, has it always been known as human nature to turn away from the truth until you are forced back upon your knees through suffering?

MESSAGE AT FATIMA DISCARDED

"Many years have gone by, My children, since I tried to warn you at Fatima. My message was scorned then by many, discarded and hidden from the world, but My message now cannot be discarded or kept hidden, for you have reached now a point in your life, My children, your lifetime upon your earth, when your days are now being counted.

"Repeat, My child, the message given to you:

The end is not as far as you can see;
Already there is apostasy.
Man cast his lot and gathered the coals
To stoke the fire that burns the souls.
The days are numbered, the hours are few;
So work and pray and try to do
The work that's given in the light,
Until that sad time when all is night.

"My child, I do not wish to bring undue strain upon your body at this time, but you must now give the message written with you by Theresa."

Exhortation

Dear Holy Father, worried and wan
Will struggle with Jesus to gather the sheep.
The pastures are rich, but the sheep grow thin,
For the souls have succumbed to the sickness of sin.
You'll need reinforcements from heavenly shores,
So deep is the darkness of earth's shallow mores.
All hearts must ascend in true supplication
To avoid the sad fate of divine devastation.
Dear Holy Mother, your Mother of love,
Does beg you to heed these dire words from above:
His heart is torn by careless surrender
Of too many souls that don't try to remember
The Father, the Son, the Spirit of Life -
Smite in the heart with the human knife
Of hate, greed, avarice, vanity:
All indications that sin is insanity.
What more must you do but place the full load
Of saving all souls on the few who are bold,
Who'll stand up and fight for all Heaven's glory
And meet with Pope Paul at the end of life's story.

Veronica - Our Lady now is taking Her Rosary, Her beautiful large Rosary with the golden Our Fathers and the pink Hail Marys. She's extending now Her crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is going over to the left side, our left side of the sky. She's bending forward now, extending out the crucifix of Her Rosary, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now down behind Our Lady, Saint Michael is joining - oh, the huge crowd of people up there. Oh, I can recognize now Theresa and her sisters. And I see the three Popes. I know they're Popes. They're all dressed in white and gold, a very bright white, and they have that beehive crown upon their heads. They're following Our Lady. The three of them are carrying books; they look like huge Bibles in their hands. And they're following Our Lady across the right side of the sky.

Our Lady now is bending over and extending out Her crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you, My children, as the Father in Heaven sends you a blessing, sends you blessings, blessings for cures, graces for conversion.

"Remember, My children, that all suffering is for reason. Pray a constant vigilance of prayer in your homes and throughout your world. Only prayer, love, and sacrifice can now save mankind and give him time to make amends, to do penance and atonement.

"I beg you, as your Mother, to listen to Me, as I have come down from Heaven to warn you that you must now turn back. The time is growing short."

Veronica - Our Lady now is going back high into the sky. She's standing there now, and She has Her Rosary in Her right hand, like this. She's holding it out, and in Her left hand She has a very large brown Scapular. And Our Lady is holding them out.

Our Lady - "Your strength, My children, shall be in your beads of prayer and the wearing of the brown cloth."

Veronica - Now Our Lady is placing Her hands across Her chest, like this, and She's now rising up very high into the sky. She looks so beautiful! The light is coming out from all about Her. She looks - now She's gone up so high into the sky that She looks almost like a medal from a distance - so brilliant. Oh! And the angels, the little children - they look like little children - the angels and Theresa and Michael - Michael is just behind everyone because he's covering the whole sky! They're all standing there now, and Our Lady is bowing Her head.

Our Lady - "Continue now, My child, with your prayers of atonement."

[Pause]

Veronica - The sky has become very dark. There's no way to explain the very ominous feeling this darkness gives you. I see directly over Our Lady's statue a large black cross.

Now over on the right side it's becoming very blue. It's a beautiful blue color now, all forming over beyond the trees. Now Jesus is coming forward through the light.

He has on a beautiful white gown; it's a pure white. And about His waist is belted a cord-like - I do believe it looks almost like a animal skin-type cord belting. Jesus has on His feet sandals; they're skin-like sandals made of two beltings, like of cord through His toes onto the flat sole of a piece of almost like, not cardboard-I can't explain it. It looks like it has been made from skin, animal skin.

Now Jesus is shifting His cape - He has on a beautiful burgundy-colored cape - onto His left hand, and He's extending His hand out, like this, forward in front of Him, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over across the sky, and Our Lady is coming down now. She came right through the dark sky. She's all aglow. She has a beautiful translucent glow. I can't explain it. It's a beautiful light that seems to be coming right from out from inside of Her. And Our Lady is coming over and standing by Jesus. Now Jesus is touching His lips with His first finger.

Jesus - "Listen well, My child. I have a simple lesson of faith for all.

WORD HELL MUST BE RETAINED

"It has grieved Me much in the past, as it grieves Me now, that mankind is making changes to My words. I assure you, My children and pastors within My houses, My Church upon earth, there is no necessity to change My words. Heaven, hell, purgatory, and especially, My children, the word 'hell' must be retained in your prayers.

"Repeat, My child, the confessional prayer.

O my God, I am heartily sorry for having offended Thee, and I confess to all my sins, because I dread the loss of Heaven and the pains of hell, but most of all because I love Thee, my God, Who are all-good and deserving of all my love. I firmly resolve, with the help of Thy grace, to confess my sins, to do penance, and to amend my life. Amen.

"Yes, My child, We do not condone variations and changes. It is the enemies of your God that have set themselves to promote change upon My words. The word of your God is eternal and must not be changed. My children, there is no change in Heaven. As it was in the beginning, so shall it be unto the end of time, time as you know it upon your earth.

"My children, parents, you must guard, safeguard your children's souls. You cannot expect others to do this for you. As parents, you have been given a God given trust to instruct your children. In your world and a polluted mankind, a fallen generation, little children cannot retain their innocence of heart; little children cannot retain their modesty and purity of intention; little children are being educated in filth, corruption, and the breaking of the Commandments of your God. Woe, woe, woe to a man who defiles the young! Better that he had died in his mother's womb!

"My children, parents of the young, you must keep the Faith in your homes. Your example must be one of godliness. You must keep your children upon the right road, the narrow road. Do not foster in them a love of the material; do not foster in them by your example the love of pleasure, the love of pleasure that exceeds, far exceeds the love of their God.

"Parents, I must warn you again. I do not wish to repeat upon My Mother's counsel, but I must warn you again that unless you, too, as adults, do not accept worldliness into your heart, unless you in your heart remain as little children, trusting with Faith, learning by example from your elders, these elders that were instructed through the ages of time in My Church - do not succumb to the modes of the world: humanism, modernism, satanism. And I repeat: what will you have gained for yourselves and your children if you gather all of the world's treasures and you have stored nothing for your redemption in Heaven?

"I repeat again that it will be harder, more difficult, for a rich man to enter Heaven; it would be much easier in that respect for a camel to go through a needle's eye than a rich man with his love of the material, his pursuit of pleasure, worldly gain, his denial of charity, humility, his acceptance of arrogance, power! And what power does he gain? A power over mankind, you say? I say unto you: The power you are developing is destruction to mankind!

"My Mother counsels you well when She warns you of compromise with the enemies of your God, the dangers that you bring into your country. My children, the words of atheists hold no weight; there is no trust in the ungodly man, and you cannot consort with them, for you will love one and hate the other. Is there not a spirit of hate now against all of the personages of Heaven?

"My children, awaken from your slumber. Shall those to be counted, saved, shall they be only in the few? My children, that will be your decision. I repeat: while the world cries peace, peace, love and brotherhood, they sow hate and

destruction! The words that come out of the mouth do not come from the heart! Words of destruction! The Eternal Father, He looks into your heart. No man can set himself to judge another, but you cannot hide your heart from the Eternal Father.

"My children, as the short time left goes on, you will find a complete withdrawal from sanctity in your world. Man will give himself to pleasures of the flesh; sin shall be a way of life, and the good shall be persecuted. But you must remember in this persecution: persevere and you will be saved!

"Do not compromise your Faith; do not sell your soul to get to the head, for you gain nothing. Your life upon your earth is but a temporary pilgrimage. You have been placed on your earth to do honor to your God. You must live your life for your God and not for man.

"Each day of your life must begin with prayer and end with prayer. Accept all of the graces that are given to you freely. Do not reject the means given to you through your Sacraments.

REALITY OF INDULGENCES

"Do not cast aside the reality of indulgences, My children. The truths I gave you are being discarded. Even now We look upon abominations in My House. As it was in My crucifixion upon earth, so it is that I look upon a total re-crucifixion by My own!

"My child, you tremble. You wonder. And why, My child? Because there is now a plan, My child, a plan of Heaven to separate the sheep from the goats, My child.

"Many will not accept the knowledge given by My Mother, but do not concern yourself of the scoffers; do not take to heart, My child, the rebuffs. Go forward, give My Mother's message to the world. Others and many arms will be sent to aid you.

"My children, retain your Faith; do not take the light from within your homes. There are many candles of light now burning throughout your world. These candles shall not be extinguished by the darkness. The gates of hell shall not prevail against My Church.

"Though the world and My Church shall go through a crucible of suffering, you will emerge from it victorious and stronger. However, My children, the one fold and the one shepherd is not as man thinks it will be. It shall not be under a dictator, or a one-world religion, or a one-world government, for I am the Good Shepherd. I am your Shepherd and I shall gather My sheep.

"No man shall set himself to rise above his God and command the power of his God. Man is not a god in himself. I hear claims of this, My children. It is a falsehood from satan! Man was made in the image of his God, but he is not a god! There is only one God.

"My children, these will be glorious days for you. There will be a battle ahead, but My own shall know Me. And the Faith shall be kept within the hearts of mankind, even in the terrible days of battle.

"Fear shall not enter in your hearts, My children, for fear is a tool of satan. There is nothing to fear, My children. Even death should not be feared, for there is no death. Life continues over the veil, My children.

"The enemies of your God wish to remove the supernatural from among you. The enemies of your God seek to take the knowledge of immortality from you, but know, My children, you will retain your Faith and defend it, and defend My Vicar.

"We look into the hearts of Our clergy and We find disobedience to Our Vicar.

NEWS MEDIAS CORRUPTED

"Your news medias are corrupted, as are many other medias in your country and the world. Man who has been given the Faith, the true Faith, shall recognize the fallacies, the errors, and the lies that come out of these medias. Know, My children, that in a world of deep darkness of spirit, your Faith is the only truth. No man can build another for you.

"You will listen to My Mother and accept Her counsel. For all of the sufferings endured with patience, My children, graces in abundance shall be given to you.

"The road ahead will be filled with thorns, but it is the way of the cross, My children. As I lived upon your earth, all who follow My road must carry the cross."

Veronica - Now Jesus is rising. He's going backwards. There's no way to explain it. He's like floating. It's like the wind is carrying Him backwards into the sky. And Our Lady is coming down on His right side. Now Jesus is extending His hand out, like this, with His three fingers together, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is going over on our left side. And Jesus is now coming across and He's leaning over. He's clutching His cape on His arm, His left arm, close to Him, and He's making with His right hand, the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Theresa and the beautiful little angels now are coming down from the sky. I notice they have wreaths on their heads now. They're like leaves. They almost look like wreaths that Jesus had in His crucifixion. They're green, though they

seem to be more life leafy-structured on the wreaths on their heads. And they're going across the sky. And Jesus now is leading with Our Lady.

And Michael is behind, but now he's beginning to cover the whole sky as he comes forward. Oh, and Jesus is pointing up.

Jesus - "My child, you observe the guardian of the Faith and guardian of My Church, Michael."

Veronica - Oh! Now Jesus is coming over on our right side, and He's bending over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, and send to you the Spirit of light.

"Do not forsake your guardian angels, My children. They have been given to you for reason. Do not forget them in your everyday life, but ask their intercession; ask for help and their aid, My children. They have been given powers far beyond what a human could understand, My children. One day you will be knowledgeable in this respect.

"You will continue now, My children, with your prayers of atonement. They are sorely needed."

March 18, 1977

Eve of Saint Joseph

Veronica - In the center of the sky, directly over Our Lady's statue, there is a figure emerging out of the sky. It appears to be the outline of a boot, but the boot has a very ominous black coloring. It's all shadowed in a dark coloring.

Now over on our right side, there is a large white ball coming through the sky. Our Lady is standing on top of the ball. It's carrying Her forward directly over the flag. Our Lady is pointing with Her hand to the black boot.

Our Lady - "My child, this is just an omen to you and to the world of the great trial that is to come upon your Holy Father, Pope Paul and the Eternal City of Rome.

"And why has man progressed so far into darkness of spirit? Because, My children, he did not pray enough; because, My children, the warnings that I have given to mankind in the past have gone by unnoticed and not acted upon. How many warnings must be given to mankind before they come out of their darkness of spirit and recognize that the agents of hell are gathering in force about them?

"My child, you have experienced but a small measure of the great sorrow that has come into the hearts of all in Heaven. We look upon a world that has given itself over to debasement. We look upon a world that is fast heading, plunging towards its own destruction.

"My children, I have been among you countless earth-years giving you the Message from Heaven. In My heart, as your Mother, I would wish to bring to you a message of great cheer. I can bring you at this time a message of hope. But I must give you the facts, and the fact, the major incident that will come upon your country is involvement in war. And short thereon, shortly thereon, there will be sent upon the world and your country the Ball of Redemption. And many will die in this great flame of the Ball of Redemption.

"The octopus of evil having many arms now is reaching out. The evil and the agents of satan in human form have entered into the highest places in world governments and in My Son's Church.

"My children, you must speak out about the evils that are allowed to be perpetrated in My Son's House. All manners of abominations are taking place. Your country and many nations of the world have given themselves over to sexuality and perversion. Sin has become a way of life among you.

"Your children, what will become of your children? What manner of example are you permitting to be given to your children?

"Mothers and fathers, you must now bring rigid discipline into your household. As parents, you have an obligation to protect your children's souls. Do not depend upon or expect your pastors or your teachers in your schools to protect and build up the defenses for your children against the onslaught of evil. As parents, the full responsibility for the salvation of your children's souls will fall upon you."

Veronica - Our Lady is moving over now high up into the sky over to our left side. Our Lady looks very beautiful! She's wearing a long white gown, and there is a blue belting about it. It's a wide belting that hangs over by Her right side. And Our Lady has a mantle, a white mantle bordered in a golden - like a brocade. Oh, it measures about an inch all about the edge of Our Lady's mantle.

Now Our Lady is pointing up to the sky.

Our Lady - "Watch, My child, and see what is to be."

Veronica - Now coming out of the sky I can see two figures, two bishops. They look very regal, of great importance. Now the bishops have in their hands each a golden key. And they are now joining their hands and are crossing the golden keys. Now the bishop on the right, he's changing in figure: on his mitre now there are coming out what appears to be horns. Our Lady is saying: "A symbol of evil, My child."

Now also on his right side, the other mitred figure has horns now coming out right through his mitre. They now are raising the keys over their heads in a very strange way. They're clutching them, and the keys seem to be melting, melting in their hands. And their hands now are but a clenched fist held tightly over their heads. I fear to say.

Our Lady - "It is, My child, the sign of the communist."

Veronica - Now Our Lady is pointing over again, and high up in the sky, over the statue, the boot, the whole outline of Italy is coming through now. It's still very dark and black looking.

Our Lady now is holding out Her Scapular and Her Rosary. Our Lady has the Scapular in Her left hand and the Rosary in Her right.

Our Lady - "My child and My children, you cannot blind yourselves to the truth. You cannot look upon what is happening with wishful thinking, thinking that it will evaporate out of your lives. It will not, My children.

"As I said in the past, a great trial is coming upon mankind. A great trial will enter upon all who remain with My Son in your times of strife. It will be bishop against bishop and cardinal against cardinal, for satan has set himself in their midst. I repeat, and I repeat to deafened ears and hardened hearts: modernism in one hand and satanism in the other.

"Man has fast plunged into deep darkness of spirit. Man is ever searching. Great men of science are searching, and for what? Forever searching and never coming to the truth!

SEEK TO CHANGE THE TRUTH

"And what is truth, you ask, My children? My Son is the truth! My Son is the foundation of His Church. He has given you the rule. He has sent among you in the past prophets that have built His Church on truth and light. And what have you done? But you of little faith, you seek to change the truth and twist it to suit your own worldly inclinations!

"My Son in the Eternal Father allows you this time to go about your way. In this manner of trial, and error, and confusion, and discord, will the sheep be separated from the goats.

"As I warned you in the past and you did not listen, unless you prayed more, did more penance, sacrifice, communism would go throughout your world, ravishing nations, destroying your Faith, entering into the highest places of My Son's House. Can you deny what is happening now in your world? Remove the blindness from your eyes and look! Come out of the darkness before it is too late, for a House in darkness wears a band of death about it! I repeat: a Church in darkness will close its doors.

"Many are selling their souls to get to the head. For what? A temporary life of pleasure and ease, loving all of the enticements of satan in your world, and gathering nothing to admit you into the eternal Kingdom in Heaven. Of what value is your wealth, your position, your knowledge, when you pass over the veil, as each and every one of you shall pass over the veil, as each and every one of you shall pass over the veil? And what is death but a transition, My children, a passing into a permanent life out of a temporary existence.

"O My children, I bring you hope in perseverance. My Son is your confidence. You have been given a firm foundation. Teach your children. Keep the light burning in your home.

NOT BE AFRAID TO EXPOSE EVIL

"Do not be afraid to expose evil. If you do not bring into the light others who are fast encased in darkness by their own will, or by acts of obedience to evil; if you do not seek to save them, to bring them out of this darkness, you, too, will be guilty of arrogance and pride - and charity, charity that must be extended - a lack of charity, for charity must be given to others. Those who receive in abundance, whether it be graces or the material, must use their abundance to save others.

"Prayer, My children - you must pray a constant vigilance of prayer, but you must also gather graces through works.

"I see, My children, a great evil transpiring upon earth. Those who have the power to stop the evil have chosen to go downstream like ducks upon water, letting everything slide off their backs, neither caring nor visualizing the future. And why? Because they have given themselves to the world.

"Just as My Son stood before Pilate and he washed his hands and said: 'This man is innocent; I see no wrong in him,' however, in his heart he knew of innocence but he feared reprisal from the crowd, My children; he valued his life, he loved his sin, and he was too much involved with the pleasures of this life and the world.

"You see, My children, it is taking place all over again for those in command in rule. They go along 'passing,' as you say, 'the buck,' each one not willing to admit his error or his participation in evil, but only too willingly allowing others to take the blame or the responsibility. And I assure you, My children, if evil is being allowed, the 'buck passer' is just as guilty as the original one who had started the evil.

"If you know in your hearts, O pastors, that souls are in danger of being corrupted, misled, and even destroyed, and you do nothing about it, because you do not wish to offend your superiors, because you value your life in this world too much and your good living; I assure you, O pastors, you shall stand before My Son and He shall not know you. You will be disowned, banished from eternal life in Heaven, and you shall join your father who is the father of all liars, satan, and the prince of darkness.

"The greatest evil being now committed in My Son's House is denying His divinity, defiling His sacred Body, casting mockery upon it, allowing immorality to enter into My Son's House.

"The rabat is the teacher of life; the priest is the teacher of life, but, My children, do not be fooled by those who have fouled their garments.

OBEDIENCE TO AGENTS OF HELL

"Obedience, My children - what is obedience when you become obedient to children of darkness, when you become obedient to agents of hell? And these agents of hell now are loosed upon your earth. They have now taken over human bodies, and they have not stopped at the lay person, My child. They have entered into the clergy. And how can this be, you ask, My child? Sin, sin has entered into the hearts of the clergy. You must pray for them. All who have the charity of heart must keep a constant vigilance of prayer for them. The Eternal Father - in Rome, He looks upon what is taking place now there. It truly rains teardrops from Heaven!"

Veronica - I see now the sky opening up, very high in the sky, and there is a white bird, a beautiful white bird. It looks like a dove, now coming down high up in the sky. And as it flies down - it's like floating - there are tremendous streams of white light. They're beautiful, crystal, fiery-looking almost like looking into a stream of clear water, the light.

And directly above it I see a man. I can see Him from His waist - not His waist, His chest up. He has a long, very full snowy-white beard and He has very white, snow-white hair, very curly about his head and it falls down to his shoulders. He's a very kind-looking man.

And now I see a hand, a finger, the whole hand now emerging out of the sky and pointing over, over to our right side. Now over on our right side, there is a whole scene coming out of the mist. I see St. Peter's, the whole square in Rome there, and a building, a round building. And I see now up above it - it's strange, I see Pope Paul standing above Saint Peter's, and blood seems to be coming from his hands. And the blood from his hands - his hands are outstretched, like in supplication, and the blood is coming out of his hands, and it seems to be flowing down over Saint Peter's, the big building, the domed building, the church. Oh, it's very frightening!

Now Our Lady is coming over on our left side, directly over Her statue.

Our Lady - "My child, your Vicar suffers much; he cries succor, My child. There are many Judases about him.

"You must understand, My child, the message of some time ago. Yes, it is a fact and a truth that there is another who impersonates him and goes about having photographs taken. And there is a voice that comes out upon your air waves, a very good imitation of your Holy Father. It is all the master deception created by the evil forces that are seeking to destroy your Faith, My child.

PLANS TO BUILD A NEW CHURCH

"You must pray, pray much for your Holy Father. He suffers greatly from disobedience of those under him in his rule. Yes, My child, it appears now that there is a form of insanity taking place in Rome, for priests, prelates, cardinals, and bishops are all running around with their heads in a fog. They have great plans, My child, to build a new church, a church of man. But My Son has other plans. Their time is running out.

"My child, My children, this new church they are building but no angels help to build, only demons; they are building a church of man, using as a foundation the basic carnal nature of mankind. There is nothing beautiful of spirit; it is all humanistic, My child, modernistic. And what are they doing but they are building the church of man with satan as the director!

"O My children, pray much! We do not want to see a division in My Son's House. The Roman Catholic Church must remain one! But this does not mean, as the church of man states, that you will bring all manner of heretics and separated brethren in. No, My children, that is an error, a delusion from satan. You cannot change My Son's House and bring them in and change for them! They must change and come back to the original rule given by My Son and those who were with Him in the building of the foundation.

SEPARATED BRETHREN

"I repeat, My child and My children: separated brethren must change. They have protested in the past; they have taken themselves away from the truth and the one true Church. They must reject the errors they have made in the past and come back and start again. They cannot bring their errors into My Son's House.

"You are opening the doors now for all manner of heretics, separated brethren. They do not come to unite in good spirit and heart; they come to take over. They seek to change you, O pastors, who are being deluded. And what do I see in My Son's House but separated brethren upon His pulpit! Even from the temples, the synagogues of satan, upon His pulpit! And for what?

"And who are My pastors now that have joined in this plan of destruction? Who ordained some of them? Not legitimate hands. They come to destroy. They come in like rats, burrowing, undermining My Son's Church! Do you think you are not watched? Are you above your Creator that you think you can deceive the world permanently? No, I say unto you! You are being given your time, for you who have given yourselves to satan are now exposing your true nature to the world.

DYING PREMATURELY OF BROKEN HEARTS

"Yes, My children, you must continue to pray for your priests, your pastors. Many are confused, filled with anxiety, not knowing which way to turn in their troublesome life. Many are dying prematurely of broken hearts. And what are you doing about it? Nothing! You wait, and what do you wait for? You expect another to come and save you from these evils. No! Each and every Christian in the Roman Catholic Church must come forward and fight this evil with prayer and example.

"Shout from the rooftops the Message from Heaven! For if you become lax and go uncaring about your way, I assure you, My children, there will be many tears shed, much gnashing of teeth, and greater woe set upon your world and your earth by the agents of 666, the Antichrist, that is now ravishing My Son's Church, the hearts of the dedicated, poisoning the minds of the dedicated, and destroying the souls of the young.

"Wake up now, America! Wake up, all nations of the world, and pray, for the closing time is upon you. What was to happen in the future shall be now. It is for you to help change this.

"I promise now, My children, as I have promised in the past, that I will remain with you and guide you till My Son returns to set His House right. Persevere and you will be saved. Believe and you will be given the way. Do not compromise My Son's House; do not compromise your Faith.

"My children, wear your sacramentals. In the days ahead you will understand full well why. It will be a source of great solace to many in the days ahead."

Veronica - Now Our Lady is holding out the crucifix of Her Rosary, like this, and now She has draped the Rosary over Her hand, like this, and She's holding the crucifix out. And Our Lady has in Her left hand a brown Scapular, a very large brown Scapular. I can't see a picture on it; it seems to be just a brown cloth, two pieces of brown cloth on a string. And Our Lady is placing Her hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is looking up, and from high in the sky behind Our Lady, Saint Michael is coming forward. And I can see now Theresa - I always recognize Saint Theresa - and her sisters, and there are many other nuns, and - they look like priests; I can see their cassocks. And they're coming forward. Some are carrying Bibles, and some are carrying staffs, like bishops' staffs, and others have very heavy wooden crosses in their hands, holding them up.

And they are all gathering about Our Lady. And Our Lady now is going over to our left side. She's standing just above the tree and holding Her hand forward, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is going across the sky. She doesn't walk. I can't explain it; it's like the wind is carrying Her, and also Theresa and her sisters, and all of the nuns and the priests behind her. And they're all dressed very - in long clothes, very, very modestly, in long gowns. I can't see - I can see now, as the wind's blowing, the priests have on black shoes and so does Saint Theresa and her sisters. No, they have on brown. They look like - no, that's a man's shoe over by her dress. They have on sandals. They look like brown sandals, just, you know, one piece of roping. They're like discolored, they look like discolored nuns; they have their feet bare. Oh!

Now Our Lady is going over to our right side, and She's leaning over and making the sign of the cross with Her Rosary crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as the Eternal Father blesses you and sends among you the Spirit of light. Pray a constant vigilance of prayer."

[Pause]

Veronica - Directly over Our Lady's statue, there's a circlet of darkness. But now, directly through the center, I can see Jesus coming forward. His feet are bare, and His gown and His cloak are blowing quite a bit. It must be very windy. Now Jesus is holding out His hand, like this. It's like, as He's coming through the sky, as though He's dispelling, pushing back the darkness.

Now Jesus is looking all about Him. He's looking from the right to the left. I can see His hair blowing. His hair looks like a reddish brown. I can see Him very, very well from the right side now as He is looking over. Now He's coming down. He's floating down a little closer above Our Lady's statue, and He's placing His first finger upon His lips.

Jesus - "My child, listen carefully and repeat what I have to say.

"In your world now there is a great delusion. Error, confusion abounds.

"I do not have to repeat My Mother's direction, Her directives to you. Needless to say, the Message from Heaven has gone throughout the world. You must all pray more and work with great haste.

"In your country, the United States, you must pray for your leader. There is a great necessity for God-fearing men to be among you in positions, high positions in your government.

"My children, I am certain that you all are familiar with the corruption and the evil that has entered upon your government and all of the governments throughout your world. I have watched with dismay and sadness of heart as your

governments gather together in a united nation. I feel that they have surrendered themselves now to the enemies of your God, for the major powers are gaining forces, forces of evil to destroy their fellow men.

"My children, do not be deceived by the reports being given to you from your news medias, for they are controlled by the father of all liars and his agents in human form. While your world cries peace, love, and brotherhood, they prepare for war! While your world cries peace, love, and brotherhood, they slaughter their brothers, they murder the children. And what kind of peace will you have when you defy your God? I say unto you: there will be no peace when man has given himself to sin.

"All the nations of the world gather while the vultures gather over their promised land, going unrecognized as signs of the times multiply.

"Your scientists are masked with false faces shouting love and brotherhood, while they compound all manner of evil devices to destroy the bodies and minds of men.

"Lust and greed, avarice and vanity cloud the minds of men even in the highest places of rank in your world, in your government. Man has given himself to seeking pleasure, pleasures of the flesh that send many into hell . . . unbridled passion, debasement among men.

"As I warned through My Mother in the past, 666 is loosed upon your earth. He has entered My Church to do final battle with My clergy.

"And you must help to avoid having your children contaminated by those who have given themselves to satan. As parents, you cannot sell your children's souls into slavery. You must guard them well. The full measure of responsibility falls upon your shoulders as parents.

FALSE TEACHERS IN MY HOUSE

"Pray for your pastors, but recognize the faces of evil about you. I say unto you: there are false teachers in My House; and be careful, watch and pray, that they do not lead you to satan!

"My children, do not listen to the mockers, the deceivers, those who seek to blind you to the truth with worldly reasoning and rationalization of sin. Sin, My children, is sin! Hell exists, as purgatory exists!

"No man can enter into the eternal Kingdom of the Father unless he comes in the light, even if he must wash his robes clean with suffering. And better that he spend this time in penance and suffering upon your earth than over the veil in the place of purging.

"Yes, My children, as time goes on in these closing days, you will watch those of evil intent become brazen in their approach. They no longer know the meaning of shame or modesty. Like the brazen serpent they come forward and flaunt themselves before you. And why? Because your leaders have enacted rules, regulations, and laws that hold no water, have no discipline and no purpose. They are too busy compromising.

"It is the easy way to compromise, My children. It casts the responsibility onto another, so that you may not be bothered. But I say unto you, pastors and laymen, you must accept this responsibility to protect your Faith, to restore My House to its former glory, to chase out the rodents in mitres that are burrowing like rats into the foundation of My Church.

"Bishops and cardinals, shall you come before Me and say that your teaching has been pure in My sight? I shall spit you out like the vermin you have become and send you into the eternal flames of damnation!

"No man shall use the excuse before Me that he was directed by another to sin in obedience! And who are you obedient to - satan or your God? Shall you follow a man who has now been taken in by satan and used as an emissary of hell? Is this the type of leader for your children? I repeat Myself: chase the rodents from My House! Many mitres shall fall into hell!"

Veronica - Now Jesus is going backwards into the sky. He's pointing with His right hand up over the right side of the sky, and there is appearing a very large globe, a ball-like globe, with a cross upon it. And over on the right side is what appears to be a stone figure, but I don't know what it means. It looks like an iron cross with a swastika in the center of it, one of those figures, swastikas, in the center of the iron cross. And then over on the left side, as you pass the ball with the cross on the top, on the left side, is the hammer and the sickle, the sign of communism and slavery.

Now the hammer and the sickle now is floating. It seems to have lost its moorings. It's floating over, over Our Lady's statue, and now I can see the whole continent of Africa. And the hammer and the sickle now is floating down. It's in the southern part of Africa. Now I see it's going north. And I see blackness. Oh, it's like the continent is going into darkness. It's a very frightening-looking sight!

I see people fighting. I see nuns running, and priests running. And I see mothers with children running. They're both black, they're white. They're running. And I see now red flags over buildings, a menacing-looking, blood-red flag.

Now the sky is becoming clearer. It's just like it's all evaporating, it's disappearing. Now the sky is closing in, and Our Lady is coming forward. Jesus is standing over on the right side.

TERRORS AND HEARTBREAK OF WAR

Our Lady - "My child, no words of mine or any human can explain to you the terrors and the heartbreak of war. Wars are a punishment for man's sins. Wars will always be among mankind as he continues to offend his God.

"Pray, My children, a constant vigilance of prayer. Pray that your leaders will recognize the signs given by your God. Shall these increase in volume: the earthquakes, the pestilence, the fires, the floods, the great heat? My children, who holds the balance for this? You, My children, do! The merciful heart of the Father watches patiently, but I repeat: the sands are fast running out of the hourglass.

"Shout the Message from Heaven from the rooftops! Do not slacken in your mission from Heaven. Remember, My children: there is no man or woman upon this earth that you must explain yourselves to in this mission, for you are directed by the Eternal Father in Heaven in My Son and the Holy Spirit."

Veronica - Now there is forming all about the sky a large set of Rosary beads. Very beautiful. It looks like crystal glass beads, but they're very large and they cover the whole sky all about in a circlet. And the cross, the crucifix is hanging now over the tree. And directly in the center is forming a huge ball, a globe of the world.

Our Lady - "Yes, My child and My children, I desire, for the salvation of souls, that My Rosary and My Scapular be sent throughout all of earth; for I will, with your assistance, as a Mediatrix from Heaven to man, bring many souls to your God through My Son in the Eucharist. With your help, My children, you will bring many who otherwise would be lost."

Veronica - And Our Lady is extending Her Rosary out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Continue now, My children, with your prayers of atonement. They are sorely needed."

April 2, 1977

Eve of Palm Sunday

Veronica - There are streams of blue light coming now out from the sky. The sky has been very dark this evening. And directly over Our Lady's statue in the center of the sky, there's a huge golden monstrance. It's suspended in the air. I can't see any other foundation under the monstrance.

And over on the left side now the scene, the monstrance is disappearing, evaporating, and over on the left side I see a great crowd of people. It's a dry, sunny afternoon. And Jesus is now among the group of people. And they're sitting Him upon an animal; it looks like a donkey. It's small; it's not a very large animal. It's not as large as a horse. I believe it's a donkey.

Now Jesus is sitting up on the donkey. He's sitting sort of sidesaddle. He has nothing upon His feet, not even His sandals. And as He's now moving forward, there are two men dressed in identical white robes, but they have on their feet sandals. They look like apostles. Yes, one man has a brown beard and dark hair, a brown beard, quite a long beard. And the other man also has a beard; he's not clean-shaven. And he has a scarf-like cloak about his head.

They're holding onto the reins. There is a - not reins really, it looks like a cord has been tied about the donkey's neck. And one man is holding the cord, the string, and the other is just walking in front with him. And there are great crowds of people running ahead of him, and they're shouting, and all I can hear is one word: "Master, bless me!"

And a woman is pulling from the crowd a young boy. He has under his arm a stick; I guess you'd call it a crutch, but it's not like we have. It's a very crude-looking stick with an arm-piece under his left shoulder, and he's balancing his foot. And the woman is now trying to stop the caravan. It looks like a caravan, because people are forming all about behind Jesus. And they're riding outside what appears to be the outskirts of a city, because there are gates going into these buildings that look like they're made of sort of like a clay, a clay-I don't know - stucco, clay on the outside, very crude-looking buildings. And the woman is now - she's pushing her son, her crippled son, in front of the donkey.

And now Jesus is raising His right hand to stop. And He's leaning forward and He's talking to the woman: "What do you wish of Me?" And the woman is raising both her hands out. "My child! My child! Cure him, O Lord!" Now Jesus is leaning over and He's placing His hand on the head of the child. And a man behind the child is saying, "He will never be cured. His leg is rotting."

Now as - Our Lady is coming up and She's standing behind Jesus and His burro, the donkey, and She's smiling very lovingly at the mother and the child. And Jesus says to the woman, "Remove the bandage from his leg."

"Oh, no! No!" says the mother. "I cannot. It is too horrible to see!" Now the woman, though, is reaching forward, compelled with a compulsion she cannot understand, but she will obey, and she takes the cording - it was like sheeting wrapped all about the boy's leg, and it is a horrible sight to see. It's like it's rotted away with cancer or gangrene. Something's wrong.

Now Jesus is getting off of the donkey, and He's walking forward, and He places His hand upon the head of the young boy. He appears to be, the boy, about eight or nine years old. And He says, "Throw down your support and walk!" And the boy is looking up into Jesus' face. And, frightened at first, he looks into His face and he sees something that startles him; he can't understand. But as the people are watching, I can see the boy's face. He's no longer startled, but amazed because he looks down now upon his body, his legs, and before the very eyes of all, there appears a change: slowly, slowly, but within the time, the space of only three short minutes, the skin has formed over the eaten, destroyed, decayed bone sections, and within four minutes the leg had returned to normal.

Jesus smiled very quietly, and the two escorts in the front helped Him back onto the burro, the donkey, and they continued on the way, while the mother is running about excitedly telling all of this wondrous miracle from the Man who has called himself the Son of God. "This is truly the Son of God."

Now the crowds are getting greater and they're rushing forward. But now there are others that have come forward and holding back the crowds on both sides. "Let Him through! He must go through the gates!" Now the crowds are respectful and they're moving back, though there are still some people shouting and jeering. It seems that the scoffers are always with you, the unbelievers.

Now they are going into this area. It seems to be the start of an enclosure, into a huge, like center place. I don't know how to explain it. It's like as though you're entering into a court before entering into the major part of the city. And as He's going now, there are huge palms being thrown all about Him as cushioning. And now the crowds are following; I'm walking upon the palms, and the donkey is passing through. Jesus has been able to reach out and He's gathered now some of the palms into His seat, like; He's holding them across His lap. And He's going now, they're proceeding into the courtyard of this huge city.

Now it's becoming very dark. I can't see anymore from here. And over on our right side now, there's a great area of light coming through the dark sky. Our Lady now is coming forward.

She's dressed in a beautiful white gown with a mantle of white. There is gold trim all about the outside of Her mantle. And about Her waist, She has a beautiful deep blue sash that hangs over on Her right side. It's belted. And Our Lady has Her Rosary also next to the belting, Her beautiful white Rosary with the golden Our Father.

Our Lady is standing now with Her hands in prayer. They're joined together with the palms upward. Now Our Lady is lifting Her first finger of Her right hand and touching Her lips to listen.

Our Lady - "My child, for those who have received in abundance, much is expected of them. Victims, victim souls are needed for the repatriation of the fallen souls in My Son's Church.

"O My children, I repeat and repeat My warnings to mankind, hoping that as I go throughout your world shouting these warnings from Heaven, another will listen and carry the message to others throughout your world. I have brought you in the past the truth in knowledge from the Eternal Father that there is to come upon the world a great Chastisement. Measure for measure, man shall do penance willingly or unwillingly.

MANY HAVE ENTERED TO DESTROY

"My children, a Church in darkness wears a band of death about it. All that is rotten shall fall. The world's peoples and My Son's hierarchy are being tested. Too long has man used My Son's Church to deceive, for many have entered not in good spirit but to destroy. And now their fruits are being noticed, as they came from bad seed.

"My children, I do not speak in riddles to you, no more than My Son's prophets spoke to you in riddles. There is much given by Heaven that remains a mystery to man because he does not accept the graces from Heaven, graces that will open his eyes, open his heart for the entrance of the light. Man in his search for worldly acclaim, bringing with him humanism and modernism and doctrines of devils into My Son's House and the world's peoples; man in his search for the truth, using science and scientific minds, have found themselves farther from the truth and the light; for man is ever searching but never coming to the truth.

"Those who have the greatest power in My Son's Church for the salvation of souls are using these powers to destroy. I say unto you: remove the blindness from your hearts. Awaken from your slumber, O pastors, and recognize the signs of your times. The Antichrist, known as the 666 forces, are among you. They now are in full control of the world's nations and peoples.

"The count and the countdown is approaching, and what will be left but the remnant. And who are the remnant, My children, you ask, but the few who will be saved!

"O My children, many are coming now in My Son's name with all good-sounding, scholastic-sounding words of love and brotherhood and charity, but I say unto you: you are hypocrites! All manner of words come from your lips, while your heart harbors evil.

"My children, you have been given the knowledge throughout the ages that false prophets shall come into your world. These false prophets shall be known because they will bring in doctrines of demons!

PRIESTS UNDERMINING TRUE CHURCH

"We see a church of man being built, a church that has no angels guiding it, a church that is made, as the true Church of My Son is being chipped away at, undermined by My Son's own priests! How dare you debase My Son's heritage by allowing all evil to be condoned in His Church!

SIN OF HOMOSEXUALITY

"You men who were formerly of the light and have given yourselves to the darkness, you condone this foul act of homosexuality. And why? As satan inspires you and directs you, you go about looking for excuses for sin! You condone it with permissiveness! You have taken the direction and the Commandments of your God and you re-evaluate! You take them to your scholars who have heads of fog, and in your masterly, worldly way, you delude those of less learning to believe, because of your high-sounding words and theses and all manner of scholarly knowledge, you delude those who do not have the God-given knowledge to believe your rot! You even deny the truth of what the Eternal Father did to Sodom and Gomorrah for the sin of homosexuality.

"You who cry love your neighbor, do not twist the truth and say that Sodom and Gomorrah fell because they were inhospitable! Oh, no! I say unto you: hospitality had nothing at all to do with this. It was a manner of degrading, debased sin, using a creation of the Father for vile acts, animal acts, and far worse until your filth and pollution has entered into the minds and souls of the young! You defilers of mankind, the skin shall burn off of your bones soon!

"My child and My children of grace, remember in the days ahead: your world and your country shall appear to all those in the light as though insanity has come upon them. The good shall be trodden upon, and the evil ones shall gain in worldly goods until all voices cry to Heaven: 'Lord, Lord! When shall you send Your vengeance upon them? Why do the wicked go about their way in gain while they trod underfoot the godly?'

"My children, the Eternal Father has a way that no human mind or man could understand. He is patient; He is all-suffering and long-suffering, never wishing that one should be lost to satan.

"The world's peoples will cry: and where is His coming? They await My Son, but for what? Are they ready for Him? No, I say unto you: if you receive tomorrow the Chastisement, three-quarters of mankind will be destroyed without deliverance! Is that what you want, My children?"

KNOCK ON THE DOORS

"I ask you now to go about, even on foot, and knock on the doors, bringing the Message from Heaven. If you are rebuked, and they close the doors in your face, keep on traveling, knowing that you did not lack the charity to try.

"My children, parents, you must be now guardian of your children's souls. Satan is doing major battle upon the teachers in My Son's House.

"Your governments, your medias of communication, your medias of entertainment are now fully controlled. The United States of America has been plucked. The vultures are gathering for the kill. I say, My children, unto you that unless you pray, this year shall not pass without the weeping and gnashing of teeth. I repeat Myself that, unless you do penance now, this year shall not pass without much weeping and gnashing of teeth, for much woe shall be set upon the world by the agents of 666.

"In the past, My children, I have explained to you for your knowledge, 666 means: 6 is for the six who are coming and have come; 6 is for the six days of suffering; and 6 is for the six who will be punished.

WARS AND RUMORS OF WARS

"The great War is approaching. There will be wars and rumors of wars increasing throughout your world; earthquakes and pestilence.

"My children, if I could open to you a scene before all of what is in store for mankind, I assure you, you would only too gladly do all in your power to restore My Son's House to its former glory and sovereignty. You would chase out the interlopers, the heretics and the satanists that have entered into the structures of My Son's Church. Do not be fooled by those who wear the garments of clerics, and they have defiled them!

"Know, My children, that you must pray a constant vigilance of prayer for Our priests. And why? Many in wrong counsel shall lead your children to satan!

"My children, I do not wish to place fear in your heart, but I cannot allow you to go forward without knowing what is happening about you. I assure you, My children, it is not productive to keep the truth from all and to substitute a climate of false hope and false peace. Know, My children, it is by peace, peace, peace - when the world cries peace the highest and the loudest, know that the destruction is at hand! Do you think there is honesty among thieves? Do you think there is honesty among atheists? Are you so blind, My children, not to recognize that communism has a great hold upon your country and the countries of the world?"

I WARNED YOU AT FATIMA

"O My children, I warned you many years ago, I warned you in Fatima that, unless you prayed and did penance, Russia and the agents of the sickle and the hammer would go throughout the world cutting down nations and bringing death, destruction, and slavery.

"And you, My country, America the beautiful, you are all-wise but stupid in management, for you have the picture of your coming destruction right before your face and you refuse to look. Like drunkards, you build your hopes on what? Not faith! On man? You think that man shall stop the destruction? No, I say unto you! Because of your fall to immorality, because of your loss of faith and turning from your God, you are allowed to be blinded. You do not even recognize the darkness you are living in, for sin has become a way of life among you.

"I repeat, My children: retain, nourish, safeguard, promote the knowledge in true faith of My Son and His Church. If you compromise your Faith, you are lost! A House in darkness is a House, a Church, that has lost the Faith, that has betrayed the Faith and that has re-crucified My Son again.

"My children, Rome is under great siege. Your Vicar, Pope Paul VI, is in great danger. We ask prayers, penance, and sacrifice for his welfare. No man can understand the balance set by the Eternal Father to retain your Vicar.

"All of Our children of the light, I repeat, will knock upon the doors. They will now be called 'the light bearers'. Yes, My child, they will be known as 'the light bearers.'

MANY CULTS RISING

"Many sects, cults, that are rising, My child, are the false prophets spoken of in the Scriptures. They will increase in number. They bring doctrines of devils, witnessing not to My Son but the invention of man.

"My child, a battle against evil, the battle will not be easy, for satan, when he captures a soul, that individual will be as biased in conviction, he will be as dogmatic in his conviction, and only prayer and penance will break down his armor.

"Pray a constant vigilance of prayer, My children. Penance, atonement, and sacrifice I beg of you. Be examples of piety and purity, My children. There is not much holiness left in My Son's House. Do not leave My Son's House. The foundation is strong, though the walls are cracking. Won't you help patch these cracks?"

"The gates of hell shall never be triumphant against My Son's House. Persevere and you will win your crown. The separation of the sheep and the goats will continue as evil accelerates.

"My children, pray and do penance and keep good heart, knowing that the eventual and final victory will be with My Son. Though there be only a remnant left, victory will be with Heaven."

Veronica - Our Lady now is taking Her Rosary from about Her waist and extending the cross out, like this. Oh, it's a beautiful Rosary. She has a very large white Rosary and the Our Father beads are golden, but the Rosary is white. But as Our Lady is turning, there's a beautiful glimmer of colors that shoot out - I can't explain it - sort of pinks and blues from Her beads. Our Lady now is extending the crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is going across the sky. Now over in the back of Our Lady I can see - I don't know how long they've been there, but Michael is coming forward, and there are many angels now in the sky - oh, so very many of them. They're beautiful. Some look - I don't know how to explain them - like young angels. I can't explain them because they don't have arms or anything. They just seem to be like - I can't explain it. I see robes on them, but they lack faces. But they're so beautiful. And they have upon their heads all crowns of roses, these little ones.

And now Our Lady is going across the sky. She's standing right directly over the banner, and She's looking down now and extending Her hand out with Her crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is turning now to Her right and Michael is coming down. He has still that balance, he has the golden balance in his left hand. And he has that spear. It's a long staff-like spear with a point on the end of it, and it's pointed down. And now he's following Our Lady. They're just gliding across; they don't walk or anything. I can't explain it. They just glide across the sky, and they're standing now over the tall tree. And Our Lady is bending over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is moving over. Michael is following Her. And there's a pink haze coming all about Our Lady and the angels. Beautiful! The sky looks now a combination of light blue, pink, and a pure white glow all about Our Lady. And Our Lady is now nodding Her head.

Our Lady - "Continue now, My children, My child, with your prayers of atonement."

[Pause]

Veronica - The sky has been very dark this evening, but it's becoming very clear. It looks beautiful. There's a tremendous pink glow now all about the trees. And directly over Our Lady's statue, a little to the left, though, there's a tremendous light. It's almost host-like in shape, round. I can't explain it. It's like something that's coming from a great distance, piercing, you know, the dark sky. And - oh, now the sky is opening up. It's - oh, I can't explain it. It's just like some - I see piercing light has kind of just cut right through the sky, and - oh, Jesus is coming forward. Oh!

It's very windy. His cape, cloak, is blowing. He has no shoes on; His feet are bare. And now Jesus is coming forward. He's standing directly - oh, I would say, way up in the sky above the, the, the, the - above the statue. Jesus is smiling.

Jesus - "My child, no obstructions."

Veronica - Now Jesus is looking over to the right.

Jesus - "My child and My children, I waited for verification to you in the photographs. It will be necessary, My child, at this time, that the photographs be given worldwide. If they are accumulated in your own home, My child, they will be destroyed. It is better that they go now out.

"The world and the world's peoples are fast running to the edge of their own destruction. My Mother has wandered now countless earth-years pleading with you to make an effort to change your ways, restore My House, and do the atonement necessary to not only hold back the darkness that engulfs your world, but to hold back the great Chastisement and the ever increasing accidents that are not accidents, catastrophes, wars, famines, earthquakes. My children, so few recognize these signs being given to you.

"The Eternal Father is not an angry God, but, My children, He will chastise those He loves. Mankind has given itself over to all manners of sin and degradation until We see a world that has become a cesspool of sin and error. There was a great possibility for retrieving many before the great test, until it became evident that because of pride and arrogance, those with the greatest power to prevent the Chastisement have plunged forward faster, heading the world to its own destruction by fire.

TV-INSTRUMENT FOR MIND CONTROL

"My Mother did well to warn you not to be deceived by the stories in your news medias through your communications of the box, the satanic delusion in the box in your homes, the televisions. I assure you, My children, when My Mother warned you of this diabolical box, it was for reason. It has become the center of brainwashing for your children, and it will become the mechanical instrument for controlling your mind. At this time I will not go further into detail, but watch what your scientific man shall command to destroy his fellow man.

"Satan has now set into the minds of mankind all of his diabolical knowledge. He will be permitted, and I say permitted, because the Eternal Father watches, He waits, and He allows for reason, but satan now has deluded many. Your world and your world leaders speak of peace and love and brotherhood, but they do not know the meaning of love or peace or brotherhood, for while their lips tell lies, their hearts prepare for war, for man has become crazed for power.

"Little by little, through the years, man has orientated and made the human being in his mind, with his loss of free will through drugs and brainwashing through other mediums, man has now been reduced to almost a robot state.

"Do not, My children, be deceived by the father of liars, and his deception in raising up armies that gather under the banner of communism, atheism, satanism, agnosticism. And while they work both day and night to gather the powers and the arsenals to enslave your country and the world, what do you do? You are like children going through the fields picking daisies, tripping along merrily, high on your way of life; your drugs and your alcohol and your dreams created by false mediums.

"My children, I ask you and I have asked you through Scripture to remain as children in your hearts, but I did not ask you to be stupid and not recognize the difference between light and darkness. They have no compatibility.

COMPROMISE WILL GET YOU NOWHERE

"In your search for love and brotherhood, you have opened My Church in the name of love and brotherhood to all manners of evil and demons! I assure you, My children, compromise will get you nowhere; the promises and the words of atheists will get you nowhere. You will not win souls by lowering your standards or making changes to suit the basic carnal fallen nature of mankind.

"You have reduced My Church, O pastors, to shambles and a mockery. And what shall I do to you, you who will come before Me and say that your teaching has been pure? I shall cast you out and send you into oblivion in the fires! And many will come before Me and say, 'Lord, Lord! Did I now prophecy in Your name?' O ye workers of iniquity, you cannot hide your hearts from Me. In My name you will destroy souls? You offer in a starving world half a loaf, giving the whole loaf poison.

"Children of the world starving for the light and the truth, I am the Way. I am the Light, and My Church is the light for mankind now, even though My own pastors have darkened it by their actions and their avarice and their greed and their vanity and pride! Know that when they have given over My Church to the world, and as satan deludes them to unite all into a one-world religion and a one-world government, you are enslaved and it is the end!

"And what can you do now, My children? Penance! Heavy penance is asked, and heavy penance will be given to many without asking. You cannot understand in your civilization the value of suffering. The Eternal Father has a plan to use this suffering. Pray a constant vigilance of prayer now throughout your world.

"Parents, assume your responsibility as parents. Safeguard your children's souls. Do not expect others to save them for you.

"We know the evils rampant in Rome; We know the tortured heart of your Vicar, Pope Paul. The Eternal Father has a plan for settling that issue.

"My children, My Mother has given you sight into the future. What was to happen in the far future shall be now. And I assure you, My children, if you want this changed, if you want a reprieve, the Eternal Father will not turn from you, but this desire for time must come from the heart and not for selfish reasons.

"You will keep your sacramentals about you. Do not be misled by the agents of Antichrist now and their campaign to take you out of the light. Pray a constant vigilance of prayer.

"Remain simple of heart, trusting as little children in your Faith, for if you seek the answers from scientists, you will find nothing but destruction and despair; for scientists and men of great knowledge are ever seeking but never coming to the truth. They will not recognize the supernatural, because in their darkness of spirit, they no longer know the difference between the physical body and the spiritual soul. And, My children, since they do not know the difference any longer, they choose to say it is not. But God is, God was, and God always will be! There is a Heaven, the eternal abode of the good; there is a hell, the eternal abode of the damned; and there is a place of purging for those who have not accepted penance and atonement or made a true repentance of their sins upon earth. They must then wait and purge, cleanse themselves in this place of waiting, purgatory."

Veronica - Now Jesus is going across the sky. He's now moving over to the left side and He's leaning down. Now He's making the sign of the cross, like this, with His fingers: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He is pointing up to the sky over Our Lady's statue, and there's a big '3' and a 'W' written in the sky. '3, W' together are the symbols Jesus uses for denoting war, war.

Now Jesus is moving over. He's coming across the sky, and Our Lady now is coming down from behind the tree on the left with Michael. And all the angels are grouped now across the sky. And Our Lady now is coming up to Jesus. She's standing at His left shoulder, and now They're turning and Jesus is leaning over, with His hands like this. He's directly above the banner, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now They're going over to the right side. Our Lady is following Jesus. It's very windy because Their garments are blowing way out. It's very windy up there. And now Our Lady has stopped over the tree, and Jesus is between the two trees and He's looking down and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Father blesses you and sends to you the Spirit of light."

Veronica - Now They're moving across, and now there are great cascades of lights, but they're colorful. It's hard to explain. It's the blues and pinks and - oh, it's just beautiful.

And now over, directly over Our Lady's statue, there's a huge black cross forming. I don't know exactly what it is, but it doesn't make me feel good. It's a very heavy cross, like some kind of a very heavy cross is to be set upon the world. Oh!

Now Jesus is moving over, and He's touching His lips with His first finger.

Jesus - "Continue now, My children, with your prayers of atonement. They are sorely needed."

April 9, 1977

Eve of Easter Sunday

Veronica - . . . over Our Lady's statue. The left beam is so very strong that it seems to be piercing the area all about the rear of the exedra.

High up in the sky - the darkness of the sky is disappearing - Our Lady is coming forward. The beams of light, I can see now, were coming from Her hands. Our Lady has Her hands extended in front of Her. I can see Our Lady's face now; She's very sad. Our Lady is removing Her Rosary from about Her waist and She's holding the crucifix of Her Rosary in front of Her, like this. Now She is raising the crucifix to Her lips.

Our Lady - "My child, I weep tears of great sorrow because of the desecration, because of the lack of piety, holiness, and respect of the priesthood to My Son. As your earth years progress, My children, Our clergy are going faster into darkness and taking many with them - children of light becoming children of darkness.

"Yes, My child, you have received in photographs the truth. You will read them well, My child. Make copies and send them throughout the world. 666, the man of perdition, is among you. The evil is accelerating, My children. My voice cries out, 'Turn back now! There is not much time left!'

NOVELTIES DESTROYING CHURCH

"Bishops and cardinals in My Son's Church, whatever shall become of you? You have cast off the light and proceed farther into the darkness. You are running about making changes, introducing novelties. And for what? For the ultimate destruction of My Son's Church. No, I say to you, you shall be cast out of My Son's houses. A church in darkness wears a band of death about it; a church that consorts with evil and evildoers shall close its doors.

"My children, I repeat and repeat to you the warning from Heaven. I go forth throughout your world as a Mediatrix between God and man. Hopefully, I implore you as your Mother, to restore My Son's Church to its former glory. You must repent of your sin. You must cleanse your government of all evildoers.

"Your country and many countries of your world have allowed themselves to be taken over by consorts of evil. Communism now is gaining fast into all of the countries of your earth. Leaders are capitulating, leaders are falling away from the Faith and giving themselves to worldly living, domination of the human being, and casting aside the God-given rights of the human being.

"My children, you will keep a constant vigilance of prayer going throughout your country and the countries upon earth. There will be many warnings given to mankind, warnings that shall accelerate and increase within the year.

"My children, I have warned you in the past that 666, the man of perdition, the spirit of evil, and all agents of hell now loosed upon your earth shall cause much gnashing of teeth as he sets woe upon your earth.

"Yes, My children, it is a true fact that only a few will be saved in the final count. You will be fortunate if you can gather into one room the true priests of My Son as the war rages, the war of the spirits, a war far more disastrous than any created by a human being in the past.

"Your country and all the nations of the world now are fast heading for their own destruction. Because of pride and arrogance and worldly seeking of gain by your leaders, an arsenal of weapons is now stored for your destruction and for the destruction of many nations in your world. My children, you hold your destiny now, for in your free will you will listen to the counsel from Heaven or you will be destroyed.

"America, My mantle has been spread over you in protection, but you whom I've protected in the past, you also cast Me aside, for when you dishonor My Son, you dishonor His Mother, and you dishonor all of the saints in Heaven.

"Many martyrs shall emerge from the conflagration, My child. Pick up your cross and follow My Son.

DEMONS HAVE ENTERED CHURCH

"My children, what manner of abomination is being committed in My Son's House? Can you not cry with Him, suffer with Him on His way to the cross? No! Demons have entered into My Son's House. They claim the human body to use them to defile My Son's House until evil men of the cross are setting a church up now, a church of man with no angels guiding them, with no supernatural intervention from Heaven guiding them. This church of man shall be built on naturalism, modernism, and humanism.

BISHOPS FOUND WANTING

"I say unto you, O bishops, you have been looked upon and found wanting by the Eternal Father. You have attuned yourself with satan. You are goats!

"My children, pray for your bishops. Pray for your cardinals. Rome is under great siege. Persecution is heavy for your Vicar, Pope Paul VI. He accepts his cross. And how many of you are following his direction? Do not be deceived, My children, by directives that bring you evil into your hearts - deception from satan. The way of My Son is a simple way. You must follow it with purity of heart and faith, faith of a child, and not faith that a scientist develops - in what? In his own human capacity of knowledge and learning! Man of science, ever searching but never coming to the truth.

"We look upon you, My children, and find that you are consorting with astrologers, sorcerers, paganism - even bringing this way of life into My Son's Church! Like pagans, you dance down the aisles during the Holy Sacrifice! Like pagans you come undressed, My children, to the Holy Sacrifice! You conduct yourselves without respect or love!

"Voices in the millions cry, 'love, love,' reaching up in charismatic renewal of what, My children? They implore the Spirit. Why do they not implore My Son in the Eucharist? The Eternal Father sends the Spirit at His will. Men shall not gather to thrust themselves out into the universe. I say unto you, for My Son, that all who cry, 'Lord, Lord,' shall not enter the Kingdom of Heaven!

CLERGY BRING IN DOCTRINES OF DEMONS

"All who stand before My Son as teachers in His House, shall they stand before Him and say that their teaching has been pure in His sight? Will you stand before Him, O clergy, and say that you have prophesied for Him? And what did you do but bring in doctrines of devils into My Son's House! He shall take you in your defilement and cast you into the eternal fires of hell.

"My children, hell and purgatory - forgotten! My Son's death upon the cross - forgotten, as you happily raise your voices, call Him Savior, and think all are saved without penance, atonement, and sacrifice! Shall you sin and be always forgiven without penance? No, I say to you! Only a few will be saved. Many are called, but few are chosen.

"The way to Heaven is a simple road, but you must be imitators of My Son. You cannot have the world and its riches and acclaimance and Heaven too. You cannot accept two masters in your life, for one you will love, and the other, the other you will grow to hate.

"Many of you have used your God-given sense to turn away from the light because you do not pray; you cast aside God-given knowledge to you, willing, in your human nature, to close your hearts and your ears.

"My children, you do not learn from your past. It is pride and vanity that sets man away from his God. Life upon your earth is but a short duration for all. Think, My children, think while you have the time to think. Evaluate and re-evaluate your life. Cast aside the worthless, cast aside all that can only be kept upon your lifetime on earth. Are you storing any merits in Heaven for your entrance? Each and every one of you, My children, must come across the veil, the veil that will be taken from your eyes when you approach immortality.

"O My children, there are doctrines of demons being given throughout your world now. The teachings of the prophets of old are being cast aside as being too old for a modern world.

"We do not wish to see a division among Our children. Slowly we see a 'tug of war,' a long road for both Christian and non-Christian, the struggle for existence in the world, with the soul as the price to pay for this existence. Who are you selling your soul to? Satan?

666 NOT ONE MAN

"My children, I repeat, 666, known forever in the Book of life, the Bible, as the man of perdition, is not one man, but the forces of evil gathered like vultures to destroy the Christian and Christianity, to enslave the good and make powerful the bad, to make sin a way of life until each and every living creature of knowledgeable age must make the decision: Who is your master, man or God?

"My children, believe, just believe and you will be given the way. Even if your faith is only a flicker, don't let it go out! It must be nourished, My children, or it will die, and you will die eternally.

"All of the sufferings you must endure are but short and small crosses, My children, in comparison to everlasting life over the veil. Accept these crosses, carry them for My Son, and He will acknowledge you before the Eternal Father. He will await you with a crown for your perseverance and faith.

"Mothers and fathers, I admonish you to keep close watch upon your children; be a fortress of faith to your children. And woe to the parent who sets a bad example in the home, for his punishment will be far greater than any human knowledge that can be given to him of what will take place over the veil.

"My child, you have this evening faced a great test. Know, My child, that it will be only a straight road to Heaven. In charity, you will counsel, but you must also, My child, admonish the wrongdoer. The father of all liars is satan, and satan has

many faces, My child. I know you will learn by your experience. Know, My child, the Eternal Father does protect you, but you must also make some decisions upon your own.

"You will continue to read the photographs, My child. For your protection, much cannot be given to be made public.

"As you see, My child and My children, the division is among you. You will all carry the banner Faithful and True. Many martyrs will be found among you, My children.

"Parents, do the best in good spirit for your children so that when they are taken from you, you will have no regrets or remorse, for you will know with certainty where your children are."

Veronica - Now Our Lady is taking Her Rosary and extending the crucifix, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, for My Son, in the Father, and the Holy Spirit."

Veronica - Now Our Lady is going over to our left side. She's standing directly above the first tree, and She's leaning over now. It's growing quite windy because Her skirt is blowing now.

Our Lady is extending Her Rosary out, with the golden crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now the sky behind Our Lady is becoming very illuminated, very, very lighted. It's beautiful! And coming now through the center of the great light is Michael. Oh, and Saint Theresa, and oh, a large gathering of nuns and priests. I can tell from their garments that they're priests and brothers.

And now I notice a very large throng of people coming out of the sky, and now over on our right side. They're all dressed in long flowing white gowns. They cover very loosely their arms and legs. They have no sandals or anything upon their feet. They're standing there, and they're all holding green palms - you know, the palm is very green and yellow looking, but very long, like pieces of palm - over their right shoulders. They're holding them with both hands and over their right shoulders.

Our Lady now is going across, and She is now extending Her crucifix to them.

Our Lady - "You see, My child, the many martyrs I counseled you of. They also will wash their robes clean with the Blood of My Son."

Veronica - Our Lady now is going over, She's standing right directly in front of the group of people with their long white robes, and She's extending Her crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is going up and down from the group of nuns. The nuns are directly behind Her. I can see Saint Theresa very clearly.

Now Michael is coming down also. He's directly behind the nuns. And the people in the white robes are coming over and standing, they're clustering around Our Lady.

Now Our Lady is pointing to the sky. 'W 3' is written in the sky, 'W 3' in black lettering. It's very, kind of ominous looking, frightening.

Our Lady - "War, My child and My children, many wars, much suffering will be set upon the world. Wars are a punishment for man's sins."

Veronica - Now there is forming in the sky the outline of a country. I can see it; it's Africa, the whole continent of Africa. And it's very frightening. I see people in black robes, like they look like a grim reaper. They look terrible, death-like faces, skulls in black robes. And they've got what looks to be a very large sickle in their hands. Oh, they're the picture of death. Oh, my!

Now Our Lady is going over to our left side. She's now standing over the tree, and She's pointing to another area of the sky. A map is forming there, too. It's the outline of the United States.

Our Lady - "My child, watch carefully."

Veronica - There are now areas being like pinpointed upon the map. I see California. It looks like southern California, and there are two dots on that side of the map, two in southern California.

Now there is a line developing. It's sort of an area - I can tell that it's a line that's marking out something. It's going directly across the southern part of the United States, and it's stopping just over the left border of Georgia, and there's one point being made there. They're like - seem to be landing points for something going to happen.

Now the line continues and it's now swerving upward and it's going into North Carolina. And then, suddenly the line is like - oh, I don't know - taking a fast curve over to the east coast. But then, as it goes along the coast, I see a large question mark.

It appears to - that line appears to be heading northward along the east coast, and there's another question mark. I don't know how to explain it. It's a very ominous looking map.

Our Lady - "You will understand soon, My child."

Veronica - Now the sky is becoming very dark. It seems that the maps, both maps, that have been like suspended in the air, in the sky, are starting to evaporate, disappear completely.

Our Lady now is going over, directly over the statue, high up in the sky, and She's standing there now with both Her hands up in a very prayerful looking position, both palms together.

Our Lady - "This, My child, is the way I have counseled all to remain during the consecration of the Holy Sacrifice of the Mass."

Veronica - Now Our Lady is taking Her Rosary again into Her hands - they were dangling from Her left wrist - and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Now, My child, you will take a series of six pictures and read them carefully."

[Pause]

Veronica - Over on the right side of the sky, the sky is opening up and there's a beautiful, brilliant cast of pink. It's a very warm looking pink coloring that's spreading all about the sky. Now coming directly from the center of this very hazy looking sky, I can see Jesus. He's like floating forward. I can't explain the way He moves. It's, He's like carried on the wind.

Now Jesus has nothing on His feet. And He's holding His cloak - you know, the outer garment He has - over His left arm, and He's holding His hand in front of Him, like this, and making the sign of the cross with three fingers. His three fingers are extended forward, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is touching His lips with His first finger, which means to listen carefully.

Jesus - "My child and My children, My Mother has counseled you well in the past, and She will continue to counsel you upon the way. Needless to say, Her voice has carried throughout your world with the warnings from Heaven to fall upon many deafened ears and hardened hearts.

"You ask, My child, in pleading, what does the future hold? Man holds a great part of his destiny in his hand, My child. The Eternal Father has watched with patience and charity of heart as man goes blindly farther into the darkness.

666 INTENT UPON VANQUISHING ROME

"Romans, awaken now! 666 has entered among you. The forces of evil are intent upon vanquishing the Eternal City of Rome. Satan has entered into the hearts of those who hold the highest places in My Church. If it were not for the pleadings of My Mother and the many souls who have given themselves as victims, victims that cry out and plead for mercy to an undeserving generation . . . My children, come out of the darkness now! You are plunging to your own destruction. For rejecting the light, for turning aside from the truth, for destroying the Faith in the hearts of the young, you shall receive a chastisement far greater than man has ever known from the beginning of your world. Your world, many nations shall be consumed by fire.

"It is not in the heart of the Eternal Father to set this chastisement upon you. It is not in the knowledge of mankind to know the reasoning or the ways of the Eternal Father for setting judgment upon mankind, but in His mercy and love, He extends to you the knowledge of what is to come upon you because of sin.

"Wars are a punishment for man's sins; famines, pestilence, great heat, the plague. The major catastrophe to mankind is approaching. Warnings have been given and gone by unnoticed. Man continues upon his way of evil. Many are selling their souls to get to the head.

"My child, We do not ask you to give names in print now. The world will judge by the fruits produced, for no man can give himself to evil and remain hidden, for the light shall search him out.

"My children, you must exercise great care in accepting what comes to you in print and through your news medias. In the plan of the forces of 666, control will be set upon mankind, control that shall lead to slavery. The master of all deceit is in your world now. Shall you become puppets of him? Can you not fortify yourself for the salvation of your soul? Do not run about like chickens without heads, neither gaining graces nor reckoning with the truth. Remain in the light, the knowledge given to you through your prophets. Do not join those who bring doctrines of devils into My House.

SEND ALL TO KNOCK UPON DOORS

"My Mother shall continue to direct you in the days ahead. My child, I caution you to recognize the faces of evil that approach you. You will bar your doors to all but your immediate family and close workers. My child, you must, for your safety and the propagation of the Mission from Heaven, exercise great care. There will be additional workers sent to you, My child. The message must reach all corners of the earth. Hasten now and continue. If necessary, My child, send all to knock upon the doors. Yes, it is a necessity, My child. The time is running out.

"There will be much woe set upon the earth by 666: accidents that are not accidents, floods, famines, sin, impurity, immorality. My child, you will go about your earth - My children, you will all go about your earth wondering if mass insanity has set upon mankind. Oh, yes, My children, sin is surely insanity. As time accelerates and becomes an era of evil, My children, many will feel that life has reversed itself, for the good will be persecuted and the evil shall be glorified. As it was in the time of Noe and Sodom, so it is now, but the evils are far worse and more sophisticated. But as it was in those days, My children, so it will be now. The Chastisement is fast approaching upon mankind. Do not slow or slacken the pace of your work because of scoffers. I assure you, My children, even the scoffers will one day recognize the truth, but too late.

"Keep a constant vigilance of prayer going throughout your world and your country. Unite with those of true reason to become part of Christ's holy legion."

Veronica - Now Jesus is extending His hand out again, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is gathering His cloak, the burgundy robe that He has about His shoulders, about him, and He's going across the sky to our left side.

Our Lady is coming down now. It's very windy. Our Lady has on sandals. They're a brown, skin-like type of sandal. And Our Lady's dress is a beautiful white. But She has on this evening a blue cape about Her shoulders and over Her head. The mantle is not a blue, it's almost like a purple. It's a, a sad looking color, like suffering, or - oh, it's . . . I can't explain it. It's - Our Lady appears to be a complete symbol of suffering.

Now Our Lady is following Jesus. Jesus is going across the left side of the sky. And now the sky is opening up on the right side, and all of those figures in white - the martyrs and Theresa and her sisters and the nuns and priests and many others - the sky is now filling with what appears to be hundreds of people. And now they're lining up almost in a formation, behind Our Lady and Jesus.

Now Michael is way over on the right side of the sky. He covers the whole sky. It's strange, there's no way to explain Michael. He seems to, even, part of him seems to go right through the people all standing there. He's a spirit that is beyond explanation. He's very, very large.

Now Jesus is coming over on the left side, and He's bending forward and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is touching His chest and He's extending His hand out. And He has a heart, a flaming red heart in His hand, but there are droplets of blood now coming through His fingers.

Jesus - "See, My child and My children, My heart so badly torn by the ingratitude of mankind."

Veronica - Oh! Oh! And I see now these figures in white. They're moving forward now and they're coming down from the sky, directly over Our Lady's statue.

Jesus is still holding the hand with the heart that's bleeding, and the blood is now running onto the gowns, the robes of these people dressed in white.

Now the people are bending over, and I can see that they're picking up wooden crosses from the ground, very huge, heavy crosses now. I can count one, two, three, four, five - five people now are picking up very heavy crosses. They're placing them upon their right shoulders, and now they're beginning to walk across the sky over to the left side. They, they look like the crucified Christ! The whole five of them look like it. Oh!

Our Lady is now standing - She's coming over. And now they've passed out of my sight. I can't see the five.

Our Lady - "My child, you see what is to be. It will be made known to you in the near future."

Veronica - Now Jesus is like backing up. He's going high into the sky. And Our Lady is now going over to Him. She's like floating across the sky. Oh, and She's standing now, looking up at Jesus, and He's nodding His head. They must be saying something. I can't hear any voices, but I do know that They're talking in some manner to each other. And now Our Lady has nodded Her head.

Now Jesus is extending His hand out now. That dripping heart, the bloody heart has disappeared. I can't see it anymore. But He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Continue now, My children, with your prayers of atonement. They are most sorely needed for your clergy."

May 14, 1977

Eve of the Queenship of Mary

Veronica - The center of the sky is opening up, and all around the outside, in a circular formation, the sky is turning a very deep pink. Directly over Our Lady's statue, I can see this very bright light coming through the sky.

Our Lady now is coming forward. She's dressed, She's dressed in a beautiful white gown. Her belting is golden. And Our Lady has upon Her head the most beautiful crown I think I have ever seen Her wear. It's circular, made of pure gold. It's made in a brilliant, beautiful spun gold. The crown is quite large. It's set directly on Our Lady's head. Our Lady has Her mantle, and the crown is set onto the top of Her mantle. It comes forward on Her head. And directly on the top of the crown is the most beautiful golden cross.

Our Lady is turning. She's looking over to the right and the left. Now She's coming closer, Our beautiful Mother! She's smiling. She looks absolutely beautiful! Our Lady's skirt is blowing. She has nothing upon Her feet; they're bare.

Our Lady now is reaching to Her waist and She's holding out Her Rosary, the beautiful Rosary with the large Our Father beads of gold, and the Hail Mary beads are a white, but they're catching all of the brilliant colors that are circling Our Lady now. I don't know where the beautiful colors of rainbows are coming about Our Lady. Oh! It is fabulous!

Now Our Lady is taking Her Rosary and extending it out in front of Her, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is placing Her Rosary across Her arm and holding the crucifix in Her left hand. And She's motioning now with Her first finger to Her lips.

Our Lady - "My child, listen carefully. I come to you as your Queen; I come to you as a Mediatrix between God and man.

"Since I came to you upon these grounds, My child, much has happened, much has happened to bring great sorrow to Our hearts. The evil is accelerating at great pace.

"My child, you will be subject to much attack from unbelievers. You must not make yourself susceptible emotionally to these attacks. Remember, My child, you must carry the cross.

"Your country, your leaders, and many countries throughout the world are in great distress. O My children, voices of peace, peace, resound in Our ears, but there is no peace; there will be no peace, because mankind has turned away from the light. He goes further into the darkness.

"Your country's leaders know much of what is developing throughout your world. The countries that have cast aside their God are now preparing for mankind's destruction. Armaments are gathered by the Antichrist. I hear, My children, voices crying for disarmament, and the louder they cry, the more they gather.

"I have warned you in the past, My children of the world, of the earth, that you are consorting with evil. You have given yourselves to a diabolical plan of satan, for you no longer turn your heart in prayer or humility or love, or even in sorrow. You do not turn to your God, but you go about seeking a man to honor. You give to man a knowledge that is not gained by satan. Because - My child, I have this knowledge to give to mankind at this time: because he has set himself up as a god among the nations, the nations shall rise in discord.

WORLD APPROACHING INFLAMMENT

"My child, it is not general knowledge, but those whom your country's leaders are consorting with are plotting, they are waiting, and who will cast the first seed of destruction into mankind? Yes, My children, the world is now approaching inflammation.

"My child, your country's leader knows what is happening. The truth cannot be told in full through your medias and your newspapers. In the direction from his God, many leaders shall go about pleading for peace. Many leaders know the extent of the build-up of armaments throughout the world, the nuclear destruction that shall be set upon mankind.

SCOURGE OF COMMUNISM

"My children, I do not come to you to bring fear into your hearts. I come to you with facts and knowledge of what is to be if you do not listen to Our counsel. Communism, the enslavement of mankind, the elimination of his God - communism shall be the scourge of mankind.

"My children, your Vicar is a prisoner in his own house. My children, many mock My counsel. I have given you knowledge in the past of the infiltration of evil into My Son's House, His Church. And how many act upon this counsel? If you have the heart and the spirit of light, you will act upon My counsel.

"O My children, go forward as bearers of the light. Do not become discouraged. If you meet with a rebuttal, My children, turn away and go on to another. There are many souls to reach now in this time of Antichrist, My children.

DESECRATION TO MY SON'S BODY

"The greatest sorrow that smites My heart, My children, is the desecration to My Son's Body. These abominable acts are being committed by His own in His houses, His churches upon earth. I repeat again that none shall bring the sacred Body of My Son, His Body and Blood, to another but a legally-ordained priest with consecrated hands. I say, My children, consecrated hands, blessed hands, washed clean by the Holy Spirit! No man shall render excuses for defilement of My Son's Body.

"My children, I repeat: it is better that there be few with quality than quantity with nothing.

"A simple lesson, My children, must be learned by mankind: there will be no peace unless he turns back from his ways that offend his God, and have brought sorrow, great sorrow, to the hearts of all in Heaven. Satan roams your world now. He goes forward ravishing the nations. He is now within the octopus of evil reaching into all forms of human life and works.

"Recognize, My children, that your battle now is not of human nature, but your battle is the supernatural agents of hell loosed among you.

"I caution you all, My children, to do not remove your armor, your sacramentals. They were given to you for your protection and reasons that you must accept in faith, if not that you do not have the reasoning to understand. Accept and believe in faith.

"My child and My children, the Eternal Father is always the final judge of mankind and a man. We do not condone evil, but the Eternal Father is always the final judge.

"How much is expected of a man in the service of God, My child, you ask? Confidence, love, honor, and a firm knowledge of the Faith.

"I have pleaded through countless visitations upon your earth for parents to retain the Faith within their children's hearts in their homes. I caution you, I shout to you: do not hand over the souls of your children to unbelievers. When your children go without your doors, My children, they are subject to all manner of evil, evil that has entered within your school systems, evil that is in all medias of communication. And voices cry out: 'What are we to believe, and what is truth?' My Son is truth; My Son is the way.

"You must read your Bible. I assure you, My children, in the days ahead you must read your Bible, for this knowledge will be power to you.

"Satan is crafty; he is the master of deceit and delusion. Even in My Son's House some of His highest now have been caught in the web of deception. Pray for your priests, My children, pray for your bishops and your cardinals.

"My child, you must not concern yourself with other places of apparitions. I assure you, you will have all you can handle with your own mission, My child. You must recognize satan's devious ways he will set to confuse you by having you involved in chasing other situations, My child, that will cause you to become involved in unnecessary pursuits.

"I have asked you to remain free from answering your telephone for reason. Now, My child, you will understand why. You must come with quiet of spirit with Us, My child, and satan has every means, even mechanical, to disturb you.

"In reference, My child, to the sorry situation you have asked Me of, you must not concern yourself with that involvement.

"I need not repeat the consequences to mankind, My child, if they continue to harden their hearts against My counsel. Should mankind force My Son's hand upon them, the world as you know it, many nations shall disappear from the face of your earth. The Ball of Redemption, many shall die in the great flame of this Ball of Redemption.

"O My children, God the Father in Heaven cries tears of bitter pity, knowing what is to come upon mankind.

ROMAN CATHOLIC CHURCH WILL STAND

"Do not be deluded, My children, by the agents of satan among you in human form who preach doctrines of devils. The truth has been given to mankind through the ages. The Holy Roman Catholic Church of My Son will stand. The members shall be reduced to few. Only a remnant, My child, shall carry the banner Faithful and True. But the gates of hell shall fight a heavy battle against My Son's Church, but they shall not succeed.

"I give you, My children, great heart in the knowledge that you are being tested. All who remain in the light will have nothing to fear, for fear is actually a part of satan's plan. I give you counsel of what is to be, not to place fear in your hearts, but to prepare you for what lies ahead.

"Parents have a great responsibility for the salvation of their children's souls. You must be of good example; you must guard your children, as their souls are precious gems. Woe to the parent who has shirked his duty and has cast their children to the wolves. I say unto them: they shall cry bitter tears of heartbreak, and there shall be much gnashing of teeth.

"Listen, My children. Take the blindness from your hearts and see with knowing eyes; do not be blinded to what is happening about you. The Antichrist, you call 666, is now in Rome doing full battle. The Antichrist, known as 666, is now entered upon your world, your country, and every nation upon earth. Are you so blind, My children, that you cannot recognize

this yourself? He sows discord among nations; he takes the knowledge of God and replaces it with an honor to man. Man has set himself up to be a god!

"My children, shall this be a repetition from the beginning of time, a repetition of the same mistakes, going the same road to perdition? Even in Heaven this test was given of free will to the angels, and Lucifer gave himself over to disobedience and pride, and he lost the light and became the prince of darkness, the tormentor of mankind, the dark deceiver, ever doing battle with the Eternal Father. He seeks your souls, My children; he seeks every soul upon earth, and he will not stop in his pursuit.

"Recognize the forces of evil, recognize the faces of evil about you. Satan comes to you using persons, places, and things. He has learned much in the past, My children, and he now has learned much in a sophisticated society how to come to you and claim you. No man shall be cast into the abyss unless he goes of his free will.

"Satan is not the Almighty; the Eternal Father rules over satan. But in the plan, that man in his limited knowledge of the supernatural could not understand, satan is being given this time to test every man, woman, and child of conscionable age. It is the separation of the sheep from the goats.

COMING OF THE DAY OF THE LORD

"You say, My children, that these are not unusual times, that this has happened in the past. Oh no, My children, these are times such as man shall go through and shall not experience, by the time it is over, again. These are the days of the days, these are the days approaching the coming of the Day of the Lord. Have you, My children, prepared your household? Have your set it in order, or will you wait and wait and blind yourself with a false optimism until the destruction comes to you?

"In Rome, My children, the Red Hats have fallen and the Purple Hats are being misled. Measure upon measure, Rome, the Eternal City, shall be purged by suffering for its turning away from their God. Measure by measure, America the beautiful shall be purged by trial and suffering for turning away from God. Measure for measure, all countries of the earth shall go through a crucible of trial and suffering for the rejection of their God.

"My child, how I long to bring you a measure of great cheer! How I long to extend My arms and My heart to you and gather you within My Mother's breast! I place My mantle of protection over you all.

"I consign you, My children, all who hear your Mother's voice, as bearers of light. Go forward with Jesus, My Son, as your confidence. Approach your brothers and sisters, for what greater glory, what greater love can a man give to one another but to even face death to save him.

"My children, there will be many martyrs emerging from the conflagration. Many crowns shall be won through suffering.

"It is a battle coming forward now - you are approaching, My children, a battle of the spirits, a war such as mankind has never seen. Many will look and wonder, My children, if mass insanity has set into the minds of mankind! It will, if it progresses, My child - and I hope, in My Mother's heart, that all will listen and receive a reprieve from this trial that will soon come upon you. Prayer, atonement, and sacrifice I beg of you.

"My children, keep your sacramentals about you and the monuments, the statues, in your homes, for all who keep the monuments are to be saved.

"I cannot reveal now, My child, to all what I have given to you in the past. You will carry this knowledge, My child, in secret. It will bring great penance to your heart in suffering, but you will carry this knowledge in secret until I give you permission to speak, My child, publicly.

"I bless all My children with graces, graces for cures and graces for conversion. All who hear My words, they are words of encouragement and perseverance; they are words of confidence, for Jesus, My Son, will be your confidence.

"Ask and you shall receive. Lift up your hearts with hope, and you shall be given the way. Believe, just believe, and you will receive the light! No man shall be lost in the days ahead, My children, unless he wills it; no man shall fall into hell unless he wills it.

"Keep all of the books, My children, that you have guarded so well. The enemies of your God know that the time is growing short. They will seek to destroy the good manuals."

Veronica - Our Lady now is taking Her Rosary and holding it out, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now coming down behind Our Lady - the sky is becoming very brilliant. Oh, is it bright! Michael is coming forward. Oh, he is immense! He's holding the balance now straight in front of him, the golden balance - it looks golden from here - and he's pointing with his spear up to the sky.

Now over on the right side of the sky there are letters forming: "W 3" - that means war - and a big question mark. "W 3" with a question mark.

St. Michael - "I, Michael, guardian of the Faith, give fair warning to mankind that the Eternal Father, Creator and Master of all, has looked upon you and found you wanting. Measure for measure shall man be brought to his knees by trial.

There shall be set upon mankind a great tribulation such as has been never seen since the beginning of man's creation, and those that pass through this great tribulation shall come forward cleansed in the Blood of the Lamb."

Veronica - Now the sky is getting very dark. Our Lady is now backing up. She's being carried over to the left side of the sky and She's standing there. Now Our Lady is placing Her hands together, like this, in a very prayerful position. Our Lady is bending Her head forward, and She's standing there now. And Michael is now coming forward. He's standing directly over Our Lady's statue. He's tremendous in size!

St. Michael - "Listen well, all mankind of earth. You have received fair warning from the Queen of Heaven. You will listen, or you will receive a just punishment.

"The world shall be seized by tremors, the firmament shall be aflame in explosion, and all that is rotten shall fall!"

Veronica - Now the sky is getting very, very white. The whole sky is becoming - oh, a gray-white mass. And over - Michael is standing over on the right side. He's pointing with his spear. And over on the left side, coming through the sky, is a tremendous red ball of fire! Oh, it's hurtling across the sky. I can feel the heat of it. Oh, I feel like it is almost on top of us, and it's shooting out these flames. I've never seen anything like this; it looks like a hot sun! And there's a tail coming behind it. Now there's a piece breaking off of it, and oh, it's so hot I can't breathe! Oh! Oh! Oh, my! Oh! And there's things blowing down from the sky. It looks like dust; I can't breathe! Oh! Oh! Oh!

And now I see like lights. It's getting very dark. And this Ball's now passing through. And there's a stillness; it's a very strange stillness. It's like everything's been knocked out. There's no sound, but I hear screaming. I hear voices. Oh, it's horrible!

"Oh, my! Blessed Mother!"

Our Lady - "Do not be afeared, My child. You will be asleep. I repeat: do not be afeared, My child. The days of suffering are not for you."

Veronica - Oh! Oh, mercy! Mercy! Oh, now it's not so hot anymore. And the sky is clearing. I can see a few stars now coming out in the sky. The tremendous heat - it's getting cooler now. Oh, it's most frightening.

Our Lady now is coming forward.

Our Lady - "My child, this is part of the great penance I told you of before. It is part of your mission, My child, for blessed are your eyes, for they have seen what many have wished to see and did not.

"You will, My child, remain in seclusion in your home. You will not move just now. I sent you there, My child, for your safety and reason.

"Much must be kept within your heart. You must learn, My child, there are some knowledge that must be not revealed at this time.

"The mission shall progress, My child, with your help and heart. All will appear before your very eyes. Pray, My child, more. Do not involve yourself with too many worldly pursuits. You will bring them to a minimum for your own sanctification and your well-being.

"Continue with your prayers of atonement, My children. Many are sorely needed."

[Pause]

Veronica - Over on the right side, the numbers "82" are appearing in the sky. "82" - I don't understand. "82".

Our Lady - "You will, My child, in time. Just remember the numbers, "82." Be seated now, My child, and await My Son."

[Pause]

Veronica - Over on the left side of the sky, there's a tremendous beam of light now coming forward. The light is centered down upon us. Now I notice, also, there is a great circle of light all about the open part of the sky. It's just like a - I don't know how to explain it; it's completely symmetrical, the circlet of light, the circle of light directly above our head. The circle is formed in the area between the two huge trees.

Now over on our right side, I see many, many figures coming through the sky now. They're wearing white type of gowns. They appear to be angels. No. No, they're men and women dressed in long white gowns.

St. Michael - "Saints of the tribulation."

Veronica - Oh, Michael is now coming through the sky. He's directly over Our Lady's statue. He is immense! I wish I could put into human words Michael's appearance. He is not out of proportion, but he's a tremendous size! It seems that his whole chest - he's wearing a long white robe also, and carrying the golden balance in his right hand and this spear-like sword - I don't know what you would call it - a long stick with a pointed sword on the end, he's carrying that. The sword is pointed upward.

Now he's standing and looking down. I cannot describe Michael's face, because I do not see a face as we know it. I see features, but they're indistinct. But his hair, I cannot miss his hair. He has a golden-colored hair, completely metallic-looking, sort of, like, I can't explain it. It doesn't look like human hair; it looks absolutely brilliant and metallic, a golden color.

Now Michael is pointing over to our right side with his spear.

St. Michael - "See, My child, the martyrs who come out of the tribulation."

Veronica - And I see a great many people all dressed in a white fashion.

St. Michael - "They have washed their robes clean in the Blood of the Lamb."

Veronica - Oh! Now Michael is going across, and he's - I don't know how you can explain the way he is posing over us, standing on the left side. He's still pointing over to the figures of the martyrs of the tribulation.

Now directly over Our Lady's statue, the sky is becoming very lighted, a beautiful light blue. And now the blue is fading. It's like an opening in the sky, like there's something high up there that's completely opening up. Oh, Jesus is coming forward now.

Oh, He has on a red cape about His shoulders. It's quite windy, because His hair is blowing. His hair touches His shoulders. I can't describe the color. His hair has a reddish cast, but I do believe it may be coming from the reflection of the light on His cape, that makes it look reddish cast.

Jesus has on a cream-colored gown with a corded belting around His waist. And He has on brown, skin-like sandals. They only have one - oh, they're like thongs, one piece of leather-like material, and it's belted and goes around His ankle. I don't know how He keeps His shoes on.

Now Jesus is now shifting His cloak over onto His left arm, and He's placing His hand in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing His hand on His heart.

Jesus - "My child and My children, I need not warn you to listen well and follow the direction of My Mother. She has come to you with a Mother's heart of pity. She comes before the Eternal Father and pleads for your repatriation. She stands before you as a Mediatrix between God and man.

"My hand grows heavy! I tolerate with sorrow the abominations that now continue to add on in man's pursuit of worldly pleasure and gain. Man, in his allegiance with evil, has set himself now fast onto the road to his own destruction. I say unto you that the day will soon be upon mankind, the time of great tribulation such as mankind has never experienced since the creation of earth, and shall never see again at its completion. Woe, woe, woe to the inhabitants of the earth in these days!

"My children, I accept in suffering, in patience, and with a consolable heart the abominations against My nature and My divinity in the Father and in the Spirit, but I will not tolerate the abuses to My Mother! You who have cast aside the knowledge of My birth, accepting to degrade My Mother in your hypocrisy and rejection of truth!

"The Eternal Father chose My Mother before Her beginning on earth to be the receptacle for My entrance onto your earth. My Mother was conceived without sin; She knew not the stigma of sin, the original sin of mankind from the first parents. She was destined from the beginning of time, in the knowledge of the Eternal Father, to be a spotless receptacle for My entrance into your world.

NOT AN ORDINARY WOMAN

"My Mother is not and was not an ordinary woman. My Mother was ever-virgin. My Mother bore Me forth without pain and knowledge of My entrance until the sound of the babe awakened Her and Her spouse, Her pure spouse, Joseph. My Mother knew not man before or after My birth. My Mother, as was written in the Book of old, was ever-virgin. How dare you degrade Her, O man of little faith! And where are you, loose shepherds, despoilers of My fold? I say unto you: you shall receive measure for measure a just judgment!

"Bishops in My House, shepherds that have cast aside their roles as shepherds, shall you stand before Me and say that your teaching has been pure in My sight? I say unto you: I shall cast you into the abyss and spit you out as venom into the flames!

"My House has become a meeting ground of robbers and thieves, self-seeking, instruments of satan. Many are selling their souls to get to the head. And what do they gain? What does it matter if you gain all the treasures that the earth has to give you, for you come over the veil with nothing. You will go out as you come in - bare! But those who are of knowledge prepare to come over the veil, and they gather as ransom for their souls the graces I have given knowledge to you of, graces that you reject! I say unto you: Heaven, Paradise was created for all who seek it, but many are called, but few are chosen.

"All who cry, Lord, Lord, shall not enter the Kingdom. I see into your hearts. Man may judge you from your exterior, but I see into your hearts.

"The Eternal Father waits for you to reverse your ways. The Eternal Father waits for you to restore My House to its former glory. Stop running about seeking another master, while you pile up riches of gold and silver that shall melt in the firmaments; while you gather power - and what power do you have but for the destruction of mankind?

"In your blindness for power, you lose all charity of heart to your neighbor; you seek to forcefully enslave him. And for what?

"I say unto you, as your God, that the day is near at hand, the day of reckoning for many. Turn back now while you have time, for the sands are running out. I say unto you, as your God, that there shall be a tribulation set upon mankind and none shall escape the test.

"Have you prepared your household? Are you ready, My children? Has My Mother come upon you and among you to have you turn and toss off Her warnings and counsel? I say to you: the day is near at hand! All who are of well spirit at that time will go through this tribulation with confidence, but woe to the man who has sold his soul to satan.

"My children, I do not wish to enlarge upon or add to My Mother's counsel. I say unto you: you are living now in an age, the age written of, given - the knowledge given to the prophets of old, left to you by John. You are now living the days of the Apocalypse. Everything shall unfold; even the scroll that lay hidden shall unfold.

"Man shall gain knowledge, the evil forces of your world shall bring knowledge upon your world that man shall rise to the heavens as God! I say unto you: he shall be brought down from the stars!

"My children, the power of prayer is great, for prayer transcends your soul into the realm of Heaven. I speak in simple language to you to raise your voices to Heaven in silent prayer. Seek and you will find the way. I repeat: no man shall be lost except of his own free will.

"Pray a constant vigilance of prayer in your country and in the countries throughout the world.

"Rome, the Eternal City, shall be tested by trial. Your Holy Father, Vicar, Pope Paul VI, shall be crucified. And I say unto you: unless great penance is performed for your fallen hierarchy, Rome shall go through a revolution. And, My child, you will retain the message of My Mother in secrecy until She allows you to give it to the world.

"Much has been made known in the past by My Mother. Review for your knowledge Her counsel of the past, for step by step all will happen as My Mother counseled.

STAY AND FIGHT

"My children, parents of the young, remember: you have nothing to gain but sorrow if you neglect the rearing of your children in sanctity and holiness. Do not expect to find this holiness in My House now, My children, but do not run away. Stay and fight! Retain My Church! The numbers will be reduced to the few, but better, My children, there is quality of few instead of quantity with nothing.

"Yes, many martyrs shall come in these days of tribulation, the saints of the latter days. But I say unto you: it will be a war of spirits and many crowns shall be gained. Persevere, My children. Raise up your voices in hope and say: My Jesus, my confidence! Remember: whenever you find the mission difficult, you say, My Jesus, my confidence! You are never alone in the battle.

"Many miracles and phenomenons shall come among you. You will be guided by them, but seek well that they come not from satan. You must give it a test, a test of the spirits.

"Do not be apprehensive, My child. You will learn to recognize these phenomenons. Better that prayer now is a guide to all."

Veronica - Jesus now is raising His hand up, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over to the left side, directly above the tree, and He's now grasping His cloak. It's very windy up there. And He's raising His hand out, like this. His fingers are extended, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming up behind Jesus. I didn't notice She was standing over on the left side. And now Michael also is leading the way. Michael is carrying a - it's not the gauge anymore that he had, but he's got like a - I don't know what it's - an urn? And he's shaking it back and forth and all this. It must be incense. He has the urn, and as they're going across the sky, he's shaking this golden cup on a beautiful golden chain-like string, and all this incense or whatever this smoke is, is coming out.

And they're proceeding across the sky. Now Michael has stopped and he's still shaking this incense or whatever it is. And Our Lady is coming forward and She's nodding. It must be incense. Yes.

Now Jesus is standing. Our Lady now is holding out Her Scapular. Our Lady has a tremendous-sized brown Scapular, large pieces of cloth. I don't see any writing or anything, but they look like very dark brown pieces of cloth, very large. Our Lady is holding that out in her right hand. Now She's taking Her Rosary and She's extending the Rosary also, the Rosary and the Scapular.

And now Jesus is looking over and He's raising His hand now. They're directly over Our Lady's statue, very, very high up into the sky. And there are now beams of light coming out of Jesus' hands. Oh, it's fantastic! The lights are coming down straight across the statue, down onto the ground here. It's - oh, tremendous beams of light; they're like crystal, they're very cut-glass, like crystal, and they're hitting down onto the ground.

Now Jesus - now the light is dimming on His right hand, and I notice the light seems to be just evaporating, but the left hand - I can't explain it - the light is still coming down in very heavy streaks of crystal-clear, like glass. Now Jesus is extending His right hand and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now has moved forward.

Our Lady - "Continue, My children, with your prayers of atonement. They are sorely needed."

May 18, 1977

Eve of the Ascension of Our Lord

Veronica - Coming out of the darkness is a large, what appears to be a question mark. It's really a sickle. It's the type of emblem you would find that's used by the Russian Communist forces, if you put the hammer across it. It's the sickle without the hammer.

Now there is appearing in the sky, on the left side of the sky, what appears to be a hand, a very large hand. It's a - I can't explain - a smoky-looking hand with the first finger pointing over to the right side of the sky. Over on the right side, there are letters forming in the sky "W 3". Numbers, I mean, not letters. The letter was "W", and the number is "3". "W 3", Our Lady made it known, means war or revolution.

Now there is a deep blue and white hazy light developing all about the borders of the trees that border Our Lady's statue here. The light is opening up now in the center of the sky. The beams of blue and pink that are about the sky are seeming to be drawn inward, almost pinpointing the center of the sky area above Our Lady's statue.

Now, as though there was something that is just opening up, a large section of the sky - I can't explain it, it's almost like a mystical door being opened, but rounded. It's beyond human words to describe how the sky is just seemingly evaporating and forming into a large area of light directly over Our Lady's statue. The light is like looking into clear crystal, a beautiful translucent light. But I can't explain it. It is absolutely strange and unusual.

The light now is coming forward and increasing in circumference. Oh, directly in the center of this light I can see Our Lady coming forward. Oh, it's quite windy. Her skirt is blowing about Her feet. Our Lady's feet are bare. She has nothing upon Her feet, not even sandals. Our Lady has on a long white flowing gown, and the belt is a very deep blue, a very pretty color blue. Our Lady has the belt tied into a knot-like formation at Her right side. Our Lady has a long white mantle about Her head. I can't see Her hair. The mantle comes quite forward onto Her forehead.

Our Lady now is raising Her hand. Our Lady has Her Rosary now on Her right arm. It's not about Her, the band of Her belt, as She usually carries it. Our Lady has the Rosary draped onto Her right arm. She's touching Her lips with Her first finger of Her right hand.

Our Lady - "My child, listen carefully to My direction.

"I have witnessed much confusion upon the grounds when I arrived. I must caution you, My child, not to become embroiled in disputes over My message. I must also caution you to limit yourself, My child, to giving the message fully, directly, and without change from the written word taken from the tapes. Satan will seek to sow confusion and error. You must not speak upon your own, My child. It is best that you practice the rule of silence.

"However, I must clarify at this time the dispute over the berets. I ask you to have the women of the United States wear the blue berets without emblem. The men will wear the white berets with emblem 'Michael' in the United States.

"My child and My children, I give you these colors for reason. It is not your part in the mission to question My motives. All will be made clear to you in the near future.

"The photographs miraculous will be continued for a time. Outside the vigil area, I would caution My children to be most skeptical and watch that satan does not enter upon photographs. These miraculous manifestations and phenomenas were given for the edification of the message.

"I need not, My child, subject you to any more stress in viewing the coming Ball of Redemption. I have wandered throughout your earth for many years of earth's time preparing you for your future. I repeat the words of Michael to you: what was to happen in the future shall be now.

"You must continue to send out the Message from Heaven with great speed. Do not slacken upon your way. My child, you will continue, for you will receive no more heavy a burden than you can carry. I told you in the past that many arms shall join you and help send the message throughout the world.

"There will be much disunity sown by satan among the ranks, My child. It is best to confine your emotions and your efforts to propagating the written message.

"Your world and many nations of earth shall receive a crucible of suffering. The degeneration of morals within a nation is the gauge that the Eternal Father will use for punishment.

CRIMES AND VIOLATIONS AGAINST LITTLE CHILDREN

"Oh, My children, My heart is torn, as a mother's heart is torn, when I see all of the crimes and violations of the little children being committed by parents, not only strangers, but parents of innocent children subjecting these innocents to all manner of debasement and violation! Woe to the parent that has given his child to satan for worldly gain.

"My children, filth is placed before your eyes; filth is taped in by the infernal machines of your television, and filth is being brought into your schools and all of your medias of communication!

"As it was in the days of Noe, as it was in the days of Sodom, so you now disport yourselves in a like manner. And I tell you, My children, the hand of My Son shall fall heavy upon you.

"Woe to the parent who sells the soul of his child for human gain! It is better that he as a child had died in his mother's womb!

SECRETLY IN SECRET SOCIETIES

"In the Eternal City of Rome, the forces of evil have gathered. Secretly in secret societies, and openly by brazen mankind shall come forth revolution.

"O My children, because there were too few prayers offered, because too few were willing to give themselves as victim souls for the repatriation of the clergy, many clergy now are on the road to perdition and taking many souls with them.

"My children, recognize the plan of satan. He has gained all of the knowledge of the ages to deceive you. He is the father of all liars. Recognize his plan of world-wide entrapment. Sad to say, My children, it is His own, My Son's own clergy, who have now consorted with evil.

SHEEP AMONG WOLVES

"Parents, you have a great responsibility now for the salvation of your children's souls. You cannot turn them over to others to be trained, for when your children go outside of your doors, they are now as sheep among wolves! And many of these wolves are shepherds parading as angels of light, bringing doctrines of devils into My Son's House and schools.

"It will be bishop against bishop and cardinal against cardinal, and satan will set himself in their midst. Like a game of chess, he manipulates for his benefit, not mankind. Like a game of chess, he will play cardinal against cardinal and bishop against bishop.

"In the Council of Rome, Vatican II, man set out to use his own deviations to promote peace. Look about you, My children, and learn what peace has been brought to mankind. Man cries peace, peace, and he goes farther away from peace. There shall be no peace without faith. There shall be no peace without the plan of God in the hearts of man!

"As you travel farther into the darkness, My children, the world's leaders are preparing for war! Like smoke screens, they send out communications that are misleading and false! While they cry peace, peace, My children, they build up arsenals for war.

"America the beautiful, what beauty shall you have when the fires are upon you? O My children, I repeat Myself over and over again to you, hoping in My Mother's heart that you will listen. The sheep are straying; the shepherds are lost. Many have sold their souls to get to the head.

"Parents, you must protect your children from all who have progressed into a new form of humanism and modernism. They have de-Christianized your children.

"Parents, I caution you, I warn you to train your children at home; keep the light of Faith in their hearts. Without this light, O parents, your children will turn upon you and many shall kill!

"Sin is surely insanity. Sin has become a way of life in your nation and all of the nations of the world.

"There are lights, My child, lights from the circle of light in every nation throughout earth. Though they be few, they have the strength of quality.

"My children, I bring you hope. My Son is your anchor; I bring you the knowledge that this battle of the spirits is guided by the Eternal Father in Heaven. You cannot, as a human being, understand His ways. He is now in the process of separating the sheep from the goats, the saved from the lost, the evil from the good. It is a war now being that man has never seen in the past, and when it is over, man shall not see again. The tempo, the speed that this accelerates into depends, My children, upon your listening to My message and My warnings and direction.

"Keep your sacramentals about your necks. I say about your necks, not for decoration, but because many shall flee with only what they have on their bodies! It is now a supernatural protection, My children, that you have: your medals, your Scapulars, and even your Rosary, your beads of prayer about your neck, your children's necks, and all those who wish to be saved.

"The monuments, the statues, must be kept in your homes. As it was in the days of old, the angel of death shall pass by those who retain the monuments in their homes.

"My child, I feel the shudder of fear that comes from you to Me. You have, My child, seen much in the past and what was to come in the future. Weep not, My child, for lost souls; but go forward and find Our straying sheep. Many are ignorant of truth, My child; many are misled. We ask you not to judge. You will leave all judgment to the Eternal Father Who looks into the heart of man.

"You must counsel with charity of heart and reasoning. There are times, My child, when you must exercise your God-given knowledge for your own edification. Much wisdom will come from experience. As I told you in the past, My child, suffering is of great value to all.

"Penance, atonement, and sacrifice, I beg of all who will listen. Penance, atonement, and sacrifice. Bring this message to all. The Eternal Father does not wish one to be lost to Him.

"All who have been called to the circle of light must go forward as apostles of the latter days; all who have been called to the circle of light must accept and pledge their full support of all who have taken up the Message from Heaven and disperse it throughout the world.

"My child and My children, do not slacken in your pace. There will be many crowns given in Heaven for extra efforts. Persevere, My children. True love of heart and light of spirit will give you the strength to forge a united link of prayer throughout the world.

"It is inevitable, My children, that the Chastisement will come upon mankind. Do not weep, My child, for you will understand that all that is rotten must fall. The wheat shall be separated from the chaff, and all that will come forth will be glorified by the Eternal Father. Many are called, but few are chosen in the harvest.

"Pray a constant vigilance of prayer in your country for your leaders, for all of the nations of earth. Many shall disappear in the conflagration from the face of the earth. Man has now gathered the seeds for his own destruction, My children."

Veronica - Our Lady now is removing - She has the Rosary about Her belt on the right side. Our Lady is taking Her Rosary out now into Her hands. It's a tremendously large Rosary. Beautiful! It has a golden crucifix, and the Our Father beads are golden, and every Hail Mary bead has a pink, oh, very translucent glow about the beads as Our Lady is now fingering them. And She's placing them about Her hands now and taking a prayerful stance, like this. Our Lady has Her Rosary now - they are twirled, like all about Her fingers, and She's standing now in a prayerful stance, like this, with Her hands together in prayer.

And on Our Lady's right arm, I can see a very large brown cloth Scapular. There are no figures or pictures upon the Scapular, but Our Lady has it hanging now very neatly across Her right arm, almost near Her elbow.

Our Lady - "My child, I repeat Myself to you: at the start of the consecration in the Holy Sacrifice of the Mass, you will join your hands together and remain this way until all have received the Body and Blood of My beloved Son, respectfully and rightfully."

Veronica - Now Our Lady is going backwards into the sky. She's going very, very high up into the sky. She looks so beautiful. Our Lady is still standing there with Her hands joined together in prayer. Now She's bowing Her head.

Our Lady - "Continue, now, My child, with your prayers of atonement. They are sorely needed. "You will read the photographs in groupings of three, My child."

[Pause]

Veronica - The sky is becoming very pink all about the outside of the trees. It's a beautiful deep, warm pink. I can't explain it. I don't think I have ever seen the color on paper. It's strictly a heavenly glow coming out from beyond the trees.

Now there are rays fanning to the center of the area of the sky above Our Lady's statue. It seems that the rays are radiating from the pink glow around the trees and they're going inward, almost making - I can't explain it - like spoke-like formation, inward to the center of the sky.

Now these beams of light, the rays, are coming back now, and it's like they're being cast out of a central point, and it's really magnificent. It's like a burst, a star-burst of light coming out of the sky, directly over Our Lady's statue. It's a tremendous, like explosion of light. I can't explain it.

Oh, now the sky is clearing a bit. I can see beyond the points, these tremendous spokes of light going into the sky. And Jesus now is coming forward through these - I don't know what kind of lights they are. They are fantastic. I have never seen this before. There's no way to explain it. It's like - I don't know - it's not coming directly out from Jesus, it seems to also be behind His gown now.

Jesus is coming forward. He's like floating. Our Lady and Jesus don't walk like we do. It seems like They're carried, like on the air or something. They're weightless.

Jesus has on a cream-colored gown, and He has a - I don't know, I don't know, Our Lady says it's like a cincture or something; about His waist there's a brown, skin-like type of cording, a belting. Jesus has on His feet dark brown sandals. They look like leather; I don't know exactly what they are. They don't look like the kind of skin that we have today in our shoes. I don't know what kind of material it is, but it's a sandal; and there's a band that's going around Jesus' foot, and another piece that goes between His toes. It's like a thong type of sandal, it looks like.

And Jesus - now He's shifting His cloak over onto His right arm. It looks very heavy. The cloak is tied - it's like a cape about His shoulders. It's very loose, very full. Jesus' gown also has a lot of material, and it's very loose and long.

And now Jesus is coming directly above Our Lady's statue by the trees. He's standing there, and now He's placing His hand out in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "My children of patience and light, I have come to give you counsel in the days ahead. My Mother's direction must be followed. It would be well if you all go back and re-read the directions, the messages from Heaven, given in the past by My Mother.

"There has been a great measure of punishment planned for mankind. You must understand that all of these warnings given from Heaven are conditional to man's response. As apostles of the latter days, My children, My children of the light, you will never fully understand what you have accomplished for Heaven until you come over the veil and you join My Mother in a mission well done.

MANY SECRETS OF HEAVEN CANNOT BE REVEALED

"There are many secrets of Heaven that cannot be revealed to you, secrets most supernatural because they are sacred to Heaven. If all was revealed to you now, in your human nature, they would not anymore be called divine.

"O My children, the knowledge of the supernatural has been removed from the hearts and the minds of mankind by the man of science who is ever seeking, but never coming to the truth. I gave you all through prophets of old the road, the way that must be followed for your salvation. It is a narrow road that you can make wide, and the wider it becomes, the more difficult it will be for you to remain upon it.

"As seeds in the garden, I sent you to earth, and many of you fell among the thorns and were choked by the cares of the world. Many of you accepted the pure waters, but as you grew, you stopped halfway up the ladder. Many of you were given the pure waters and you climbed high in the knowledge of Heaven to never reach fulfillment because of pride. Pride, My children, is a great sin among mankind, for pride has been the fall of many.

TO SET MAN UP AS A GOD

"O My children, you must read your Book, your Bible. I must caution you that the forces of evil are working to remove this knowledge from among you and to bring upon mankind a new religion, a new way of life that has been developed not to bring man to God, but to set man up as a god. I say unto you: as it was from the beginning when Lucifer sought this knowledge and this rule and had to be cast out of the eternal Kingdom of his God, so I say unto you: though man shall fly high into the heavens seeking knowledge, he will not enter into the Kingdom of his God; he shall not gain the knowledge to bring life in an inhuman manner in test tubes and other means of scientific endeavor; for I say unto you, man shall fly high, but he shall be brought down!

"In your world, there are many now on foot traveling about as apostles of latter days. My children, you are all united as bearers of the light to mankind. I am now gathering My own about Me. My Mother is a Mediatrix between God and man. She will remain with you until the world comes to its completion in the Eternal Father's plan. All that is rotten shall fall; the wheat shall be separated from the chaff, the sheep from the goats.

WORLD SHALL RATTLE AND GROAN

"There shall be set upon mankind the Day of days, a day such as never has been experienced since the beginning of earth's time. The world shall rattle and groan. Eyes shall look upward and the firmaments shall burn. Skin will blow off the bones as if it had never been, so intense shall be the heat of the Ball of Redemption.

"My children, I hear voices of disdain shouting, sadism! Is this a sadist God Who promises such destruction upon His creation?

"I say unto you, as your God, I bring not your destruction. You will bring about your own destruction, for I leave you, as your God, to the exercise of your free will. In your free will, if you reject your God and the plan for man's redemption as given from the beginning of time, I say unto you, you will destroy yourselves.

"Sin is insanity; insanity shall be loosed upon your world. There will come a time, if you continue on your present path, so vile and evil upon mankind that those who are living will envy the dead.

"My children, you are not masters of your own destiny, though you have given yourselves to all manner of debasement; you have given yourselves to powers you do not understand, nor know how vile and how encompassing they are to your nature. You dabble in the occult; you seek for psychic phenomenons; you wander about with heads high in the clouds - your children following suit, and what have they found but satan!

"Astrology, cards of fortune, psychic abilities - for what? Falsehood! Gain to many, worldly gain of money. These vultures and charlatans, preying on human nature and its faults, becoming rich on the ignorance of many! And I watch as some disport themselves as Christians! They are charlatans and agents of hell!

"You who cast your lot with satan, you who guide yourselves by stars and rocks and time and signs, you are pagans in My sight, and you are pagans to your world! You are unbelievers, and you are men without God! Astrology is for the unbelievers.

"I created you, in the Father and the Spirit, in the image of the Father. The Father is not stone! The Father is not only a light, the Father is emotion! What stone has emotion? You were created as men above the animals. You have precedence over

the animals, though you lower yourselves and conduct yourselves worse than animals in fornication! I say unto you: remove the blindness from your hearts. Look about you and set straight your values.

"Parents must guard their children from these insidious evils that have come into the schools, the medias of entertainment, your governments. Every walk of your life now is infiltrated with evil.

ONE HUNDRED TRUE PRIESTS

"When this battle is over, you will be most fortunate, without prayer, if you will find one hundred true priests, men of God, left among you. I say 'true.'

"My children, you must pray for your bishops and your cardinals. Pray for your clergy. Many are falling fast into hell and purgatory.

"Do not fall for the evil that man has created of taking the knowledge from the minds of the young of the existence of hell and purgatory, and even the eternal Kingdom of the Father in Heaven. You must, as parents, now retain this truth in your children's hearts, for I assure you many bitter tears of regret shall soon come upon men. They will cry, but too late.

"My children, keep a constant vigilance of prayer going throughout your world. Make many acts of reparation to the injured heart of the Eternal Father. Retain the knowledge of graces in your teachings. Flee from false teachers who bring you doctrines of devils. The truth is simple. It was given to you and must be retained without experimentation and novelty.

"Modesty must be retained. Modesty must be taught to the young. Keep pure and holy thoughts in your minds and the minds of your children, for your eyes are also the mirror of your soul."

Veronica - Jesus is raising His hand now in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming out. I hadn't noticed where She was standing, but She's coming out of the sky behind Jesus, coming forward.

And over on our right side, above the tall tree, Michael is coming forward. He's - oh, the light about Michael is so intense that it actually covers the whole right side of the sky, past Our Lady's statue and the banners and the flag, the United States flag on the left. It's a tremendous light. I don't fully understand it. It's like coming from within. He seems to exude this tremendous light, Michael. And I notice, too, that Our Lady and Jesus also seem to be like all lit up with this lighting, whatever it is, from Heaven. It's a tremendous white light. It makes it difficult to describe Our Lady's features or Jesus' because the light is so bright, I can barely look into Their faces.

Now Our Lady is pointing upward with Her right hand, and She's pointing to the left side of the sky, and I see that "W 3" again. "W 3" always means war or revolution. And I see now a very large boot, and the boot means Italy.

And standing over at the side of the boot are coming two figures of two men with cardinals' hats on their heads. And they're holding the golden keys in their hands, but I can't say that they make me feel good, looking at them. I get a most terrible feeling of dread and fear, and something wrong. There's plotting. I feel like I'm looking at two plotters in the cardinals.

But now all about them, those two cardinals - I believe they're cardinals. Yes. They - no! One - no! I'm sorry. No, they're not two - both cardinals. One has the round cardinal's hat, and the other has just - oh, a bishop's hat, one of those high mitres. No, there's only one cardinal and one archbishop, and they both, though, are glowing completely red. Their whole figures, the bodies are like all lit up red. It's frightening.

Now Our Lady is holding out Her hand and touching Her lips.

Our Lady - "My child, much shall be given to you in the photographs. You will retain them and read them. However, you will not reveal the contents until I give you this permission.

"Continue now with your prayers of atonement."

May 28, 1977

Eve of Pentecost Sunday

Veronica - The sky this evening is a very deep blue, and all about the trees there's a great iridescent light forming, circular in pattern. It's beautiful. It's almost like a huge host is forming in the sky.

Directly in the center, the sky is opening up. Our Lady is coming forward. She's dressed in the most beautiful white gown. Oh, the light is so brilliant upon Our Lady's gown that it makes it shine like - it's a snowy white, whiter than any sugar. It's so beautiful, I have no way to explain the pure whiteness of Our Lady's gown. Now Our Lady has on a golden belting this evening, a golden belting, and She has a white cape about Her head with golden trim about it.

Our Lady is holding out Her Rosary with the beautiful crucifix upon it, a golden crucifix. Her beads are very white and luminous, but - and the Hail Marys And Our Lady is turning to Her left and nodding Her head. Our Lady is kissing the crucifix, placing it close to Her lips. Our Lady now is placing Her Rosary onto Her belting on Her right side, and assuming the position of Her hands together in prayer.

Our Lady - "Eternal Father, grant us the grace to persevere in the days ahead.
"Call upon Jesus for guidance as you repeat: My Jesus, my confidence! My Jesus, my confidence!"

Veronica - Our Lady now is placing Her first finger to Her lips.

Our Lady - "My child, I have given you counsel in the past of the great attacks you shall receive in your mission. Be not concerned, My child, of rumors and all manners of distraction that will be sent to you through satan. Know, My child, that no man shall add upon, nor change the message from Heaven to suit his own human desire. I have not in the past, and I shall not in the future or the present contradict My counsel, the Message from Heaven, in any way.

"My child, you must accept all of the crosses that come your way, even when there is dissension among the ranks of workers.

"The Message from Heaven shall go throughout the world. The message must enter upon the ears of every man, woman, and child in the world. My children, this message I give to you of free heart. No man has a monopoly, or shall use this for his own gain or advancement. My message is of free heart and it must enter into the hearts of man. By their fruits shall they be known. Know, My child, that it is a great struggle against satan.

"The world is fast heading to the Chastisement, and the evil is accelerating throughout the world. My child, I beg you to continue your mission of praying for your priests, your bishops, and your cardinals. Pray for them constantly. The vigils of atonement and prayer meetings must not be discontinued upon these grounds.

"My counsel, My child, to you shall be given in photographs and in manners that the Eternal Father shall choose.

BISHOPS AND CARDINALS NEED PRAYERS

"Your bishops and your cardinals need prayers. There must be hours of atonement and sacrifice for them. I have called to you to come onto the grounds of My Shrine site in Bayside, and I have directed you to maintain these prayer hours upon these grounds for your cardinals and bishops.

"My children, too few pray for their priests. Too few know that without their prayers, graces do not multiply fast enough to save their priests.

"O My children, Rome is in great danger. There is much deceit throughout the hierarchy. It will be cardinal against cardinal and bishop against bishop, for satan has set himself in their ranks.

"Prayer is the most powerful force now given in your world to stop the advance of 666. My children, if I could open to you a scene in small measure of the coming Chastisement, I would not have to, as your Mother, beg you to listen and act upon My counsel; you would go to your knees and make your way to My Son in pleading.

"I have given in the past many small indications in numerals and photographs of what will happen to mankind. And I say unto you: My word is true, and no man shall enter it into his heart and mind to change My words for his own fancy and advancement. My children, any dissension among the ranks is promoted by satan.

"My child, I caution you now to remove all distractions from among you when you enter for the vigils. I shall not repeat and repeat again My message about the hats, My child. It is sheer folly for those who seek to change My words."

Veronica - Now Our Lady is pointing up to the sky, and forming - just a little bit above the trees the sky is opening up, and I see the whole outline of St. Peter's in Rome. I see above the building a large sickle and hammer forming. It's a very frightening sight. I see raining from the sky - oh, it looks like - I hear voices saying, "Fire and brimstone upon the world!" Now over on the right side of the building, a large "C" is forming.

Now over, just directly over Our Lady's statue, Michael is coming down. He's carrying the same balance in his right hand, and a long sword in his left. He's pointing over to the sky where the scene - it's like a panoramic scene; I can't explain it - of St. Peter's and the hammer and the sickle hanging over the dome, and a great large black "C" in the sky above it.

TO SHORTEN HIS TIME

Our Lady now is coming over and standing a little above the papal flag and pointing upward, holding Her Rosary, to St. Peter's.

Our Lady - "My child, I have warned for many earth-years, and who has listened to My pleadings for prayers of atonement? Man has fallen into his own trap. My child, look! Look what they plan for your Vicar!"

Veronica - Oh, my God! Oh! . . . Oh! . . . Oh! . . . Oh, no! . . . Oh!

Our Lady - "My child, it is a most tragic scene. And this, My child, shall be the outcome of the folly of his trusted ones. Pray, pray for your Vicar, My child. They plan to shorten his time."

Veronica - Oh! Now the sky is becoming very black and somber. It's most frightening.

Our Lady and Saint Michael now are moving across the sky, going over to our left side. Our Lady is beautiful in Her white gown. And the mantle is white. It goes completely across Her forehead. There's a band of beautiful golden trim about Our Lady's mantle. It's a beautiful gold. It looks like spun gold. I can't explain it. Oh, but the light that's coming out from all about Our Lady - She's like all lit up. So beautiful!

Now Our Lady is pointing over to the center of the sky. And I see a group of men within a - oh, a house, I guess you would call it, but it's kind of bare looking. It's one large room. And they're sitting now about a table.

I do recognize them. I know that they're the Apostles. I can count: one, two, three, four, five, six, seven, eight, nine, ten, eleven, twelve. But there are two other people there, too; there are fourteen people in the room. And they're all talking, and they're standing up now and walking toward the center of the room. There seems to be a brilliant light forming all about the room. And now coming from, through the ceiling - I can't explain it - there are like tongues of, like fire. It's not like the burning that you see from flames, like we have here on earth. I can't explain it. They're orange flames. And - oh, they're very long because the flame is - oh, I can't explain it. And it trails, like a vaporous look about it. But the flame itself looks like orange and red, sort of, in color.

Now - oh, oh! The men are standing up. The two men that don't seem to be in the group, they're standing off to the left side. And the men are standing up and they're placing their hands together in a prayerful position - you know, hands together, and these . . . flames, these - oh, they're tremendous. I can't explain it; they're - oh! Now these flames are settling just above their heads. It's very strange. Oh! And all about them now there's a tremendous white glow. And I hear now, they're speaking, but each one is saying something different. And they're startled, they're startled because one man is holding his hand over his mouth; he is very startled in what he is saying! And they're smiling though. I do - can see that they've received some type of knowledge, heavenly knowledge, of what's going on.

Now they're all returning to the table. And I hear a lot of commotion, sort of, outside of this large house-like room. I can't explain. It's more like it's a one-room house. And they're going outside. And there is a large crowd of people walking down into this square-like part of this town. I can see houses similar to the one they came out of. Now these people are all gathered about, and they also have very peculiar languages, tongues.

Now one by one the Apostles are coming up and standing there and shouting out something. It's a foreign language. And then the other Apostles, too, are joining him, and they're all speaking together, but it sounds so strange because they're all speaking in a different language. But the people in the crowds, they're gathering - oh, they're very excited because they are astounded that everyone seems to know what's going on, and yet they can't understand - I can see from their faces they can't understand how these men who aren't from their land can speak exactly, so they can hear and understand.

Oh! It's a magnificent thing to happen! It's . . . oh, it's . . . oh, it's . . . they - oh, I know. They were all able to speak in the language of the peoples there gathered. They must have come from far away, or from different tribes or something. Oh!

Oh, and, oh, now it's beginning to get very dark. Our Lady is coming forward from the left side of the sky.

TRUE MEANING OF TONGUES

Our Lady - "My child, the Eternal Father wished that you view this scene for reason. It has been distorted now in your writings from the world's scholars. They do not understand the meaning of the tongues. Obviously, My child, in the corrupted manner of the world today, they are promoting falsity and what borders, My child, on heresy.

"When the Eternal Father permitted His Apostles to speak in tongues, it was knowledgeable to all of the tongue what they were speaking about. They did not go about babbling idly, My child, as We hear so many doing today upon your earth. They implore the Holy Spirit, but, My child, sadly they are calling down demons.

"I cannot, in your human understanding, explain or make knowledgeable to you at this time, how this can come about. The supernatural cannot be given to you at this time, for it is beyond all human understanding. Much will be made known to you when you come over the veil.

"There is loosed upon your world all of the agents of hell now. 666, the man of perdition, is upon earth. You must all now guard your children and your homes well to prevent their infiltration by the evil forces.

"I have come to you as a Mediatrix between God and man to guide you in the days ahead, My children. Do not discard your sacramentals. Gather all of the graces you are able to in the limited time given you. These graces shall be stored in Heaven; they will be merits for your entrance into the Kingdom of the Eternal Father.

"My children, know now that the battle rages upon earth. It is a war of the spirits between good and evil. The final battle shall bring about the complete separation of the sheep from the goats. By trial shall all that is rotten fall, and the just will become justified.

"My children, keep a constant vigilance of prayer going throughout your world. Nation for nation, city by city, town by town, My beads of prayer must be fingered. And I ask of you all to not just render unto your God lip service and words of the tongue, but open up your heart to Him. The Eternal Father cries for your penance now, or you shall receive the Ball of Redemption. The Eternal Father looks into the heart of mankind. Nothing is hidden to Him.

"My children, you must all now make your home a fortress against the battle of evil that rages outside your door. Your children must be given a basic and firm foundation in knowledge of their Faith. Do not expect them to receive this from others. You, as parents, hold the major responsibility now for the teaching and rearing of your children by a godly manner!

"Your schools, your medias of entertainment - all have succumbed to satan, and are under his control. Your government and governments of all nations of the world - many have given themselves to satan and are under the control of satan. And one nation will one day bring upon destruction to mankind, as satan poisons the minds of man; and one individual, in darkness of spirit and insanity of sin, shall set mankind into a major War that shall bring about the destruction and annihilation of nations and shall burn and set fires upon earth that shall consume the skin from the bodies of mankind, and skin will dry up and blow off of the bones as if it had never been!

"Woe, woe, woe to the inhabitants of the earth that do not restore My Son's House to its former glory, that do not restore the knowledge of Faith to the hearts of man! Woe, woe, woe to the inhabitants of the earth!"

Veronica - Our Lady now is placing Her hands over Her eyes. Oh, She is very sad; She's crying.

Our Lady - "My child, My Mother's heart is torn. I look upon your world and We find that those who are good are becoming lax; those who are bad are becoming worse, and a few now hold the flag for many.

"There will be many martyrs coming out of the coming tribulation, My children, saints of the latter days. The road to the eternal Kingdom is a narrow road. It is not an easy road to travel, but, My children, persevere and you shall remain on the way.

SHEPHERDS HAVE FALLEN ASLEEP

"Share your graces with your neighbors. Be not fast to condemn or judge, but pray for your neighbors. Do not in pride set yourself from them, but search in the darkness for those who shall otherwise be lost to the eternal Kingdom of the Father in Heaven. For those who have received much in graces, much is expected of them. Go forward, My children, and rescue your brothers and your sisters for Heaven. The sheep are scattered; the shepherds have fallen asleep. Won't you help gather the sheep, My children?"

Veronica - Our Lady now is moving back. She's not walking; it seems that She's carried back, high on the wind. They don't move; Jesus and Our Lady always seem to just float across the sky. They don't walk like we do.

Our Lady now is standing just directly above the tree on the left side and placing Her hands together in prayer. Her Rosary now is draped across Her fingers, and She's bowing Her head in prayer.

Michael is coming across the center of the sky, and he's standing there with the balance in his left hand, and he's pointing with his spear over to the right side of the sky again. And I see St. Peter's, the large dome, and I can see the square, and I can see the buildings over on, it seems, on the right side, there. And I think that's where - Michael said, "The residence of the Holy Father."

St. Michael - "Mankind has given itself into all manner of sin and abomination. Mankind shall be cleansed by trial. All that is rotten shall fall. Many shall carry a heavy cross in the days ahead, but carry it with perseverance and dignity and purpose, for no man shall be above his master. As He went the way of His cross, so will you as children of God go His way.

"Amen, I say to you, the day is not far that man shall see a shaking of the earth and tribulations set upon the world such as has never been seen in the past and shall never be set upon mankind again. Prepare your household for the deluge!"

Veronica - Now Michael is going back high into the sky and it's growing very, very bright about Our Lady. She looks very beautiful. Our Lady now is taking Her Rosary out, and She's holding the beautiful golden crucifix in front of Her, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is going now above the statue, and She's bending down and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Michael is following Our Lady. They're going way over on the right side. They're just floating across. The sky is all aglow with light. It's beautiful! Oh, it's like clear cut crystal light. I can't explain it. Just beautiful!

Now Our Lady is bending over with the golden cross and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as My Son blesses you through the Eternal Father and the Spirit of light. Continue now with your prayers of atonement. They are sorely needed."

[Pause]

Veronica - The sky is becoming very pink in color all about the trees. Oh, it's a beautiful soft pink.

Now directly over Our Lady's statue, the sky is opening up. It's like looking through a, a glass sheath. It's very difficult to explain, but there's a tremendous light just beyond, high up in the sky. It's opening up, circular in formation. And coming directly from the center of the light, I can see Jesus. He's floating forward. He doesn't walk. He does what Our Lady does. They just float; They're carried on the air.

Now Jesus is coming forward. He's wearing a deep burgundy colored cape about His shoulders. His hair is down quite long upon His shoulders.

And now Jesus is coming forward. He's placing His hands in front of Him, like this, with His fingers extended up, His three fingers up, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus is placing His hand now over His heart and touching His lips with His first finger.

Jesus - "My child and My children, I must caution you not to bring dissension among the ranks of workers. Nothing constructive can come forth from vanity, pride, or avarice. My children, you are united as children of God in the light. My Mother has called you well, light bearers.

DAY OF THE LORD

"My children, you are approaching the Day of the Lord. There will be set upon mankind a time of great tribulation. Time for your world is running out. My Mother has gone throughout your world shedding tears of pity upon mankind, begging the Eternal Father for additional time for your repatriation. How many have listened to Her counsel and acted upon it? How many have found the warmth of heart and charity of heart to pray for the priesthood upon earth? My children, I assure you in certainty, that there are many who wear the cloth of the clergy that are descending fast into hell and purgatory. Surely, in your charity of heart, you can do penance for them while they are upon earth. The Eternal Father has set the rule for mankind for the redemption of each and every soul.

"My children, no man must set himself to question the direction of My Mother. No man can understand in his human nature the plan of the Eternal Father and how He accepts, measure for measure, extra penance and atonement from mankind. There is truly a balance now kept in this struggle against the evil forces from hell now loosed in fury upon mankind.

PAUL VI-A MARTYR

"Your Vicar, Pope Paul VI, is a martyr for the sins of man. Your Vicar, Pope Paul VI, his life now, the time is running out. You must all now keep a concerted effort of prayer going throughout your world for the papacy in Rome.

"The red forces are on the march. They seek control of the throne of Peter. My children, the man of perdition is among you. Recognize the faces of evil about you; recognize the forces that now ensnare the world, heading it for its own destruction!

"While man cries peace he goes farther from peace. Peace, love and brotherhood! Words, I say unto you! Lip-service from mankind! That is all! What comes from the heart is darkness and evil! Even in the hearts of men in the highest places in My Church, they conspire with enemies of their God. The faith is weak.

"When I return, can I be assured that there will be even a flicker of faith left upon earth? The numbers saved shall be counted in the few. My children, man can be wise, but stupid, not seeing what is happening before his very eyes because he is blinded by sin!

"Sin has become a way of life in your country and all of the nations of earth! I say unto you: many hearts shall grieve, but too late will they seek to do penance! Too late will they seek to right the wrong. As you sow, you shall reap! And as you are sowing now, you shall reap the fury of an angry God.

CHILD PORNOGRAPHY

"Little children, victims of their elders! Defilement among children by adults! Woe to the man who scandalizes the young! Better that he had died in his mother's womb! Suffer all little children to come to Me. The Kingdom of Heaven - the children should symbolize the spirit of innocence and purity and faith, but we see the most vilest of acts being committed against the purity of children. And I say unto you: better that a man receives a millstone about his head and is cast into the sea than to defile the young!

"Reams of pornography! Abuses to children! Ages almost from the cradle! I say unto you: you have called down upon yourselves a just punishment from your God!

"Parents, exercise discipline in your homes, or your children shall be victimized outside their doors. Because of the laxity in the highest places of lawmakers in your country and countries throughout the world, sin has become a way of life! Murders and all manner of foul deeds are being committed!

"Discipline in government . . . The words are emblazoned: 'In God We Trust', but who is the god they trust? Man has become their god!

"All manner of foul pursuits enter upon the lives of mankind, giving themselves over to trust in astrology and fortunetelling. Paganism! With the demons now loosed from hell, I say unto you: you will walk softly; and you walk now where angels fear to tread! Do not enter into the realm of the supernatural. There are forces about you, unseen to the human eye, but they are from hell! You must guard your lives, your spiritual lives, with all of the armor given from Heaven, receiving all of the graces for yourselves and your children. I assure you, when you come over the veil - and many of you shall not pass beyond two years, and you will come over the veil. Are you ready? Have you prepared for your entrance over the veil? You carry nothing but prayers, love, and graces with you. You will be stripped of all worldly possessions and power. The true state of your soul shall stand for judgment.

"You have been given a great grace from Heaven to hear the counsel of My Mother, and you will in your free will accept it or reject it; and woe to the man who will close his heart and his ears to this counsel.

"My Mother shall remain with you in the days ahead. We are always among you. You will say, when in despair: My Jesus, my confidence! Many prayers have been given to mankind; they are not just lip-service, but must come from the heart.

"The power of prayer is great. You must pray for your priests. They do not have a special passport into Heaven. They must also fight their way through the world to get there, and they need your help as well. Give and it shall be given to you; extend your charity of heart and you shall receive two-fold.

"My children, you will continue in the days ahead, sending the Message from Heaven throughout the world.

"I caution you to recognize the faces of evil about you that often infiltrate to do the work of satan. Therefore, you must also pray that these forces do not enter upon your mission.

DEMON 5

"Yes, My child, Demon 5 is a great agent of hell. He will use persons, places, and things to torment you. Yes, My child, his power is great, for there is only one greater than he now: 6. And you will have the whole conspiracy of evil, 666, then.

"Pray a constant vigilance of prayer, My children and My child. Do not absorb the trifles while there is much work ahead to be accomplished. Keep a steady pace without friction and aggravation. Retain charity in your heart for all. Go as true bearers of the light in the dark world you live in now."

Veronica - Jesus is extending His hand out, like this, and making the sign of the cross:

Jesus - "I bless you now with the blessings from Heaven that will come down upon you as numerous as the petals of the roses."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Continue now, My children, with your prayers of atonement."

May 30, 1977

Eve of the Visitation of the Blessed Virgin Mary

Veronica - The sky is a very deep blue this evening. There are shafts of light now coming out of the sky, directly over Our Lady's statue. Our Lady is coming down now. She's floating from high in the sky, forward. I can see Our Lady has on the most beautiful - not slippers, they're like sandals with little golden rosebuds on Her sandals. Our Lady has a beautiful white gown, and over Her shoulders there's a cape, a white cape with golden trim.

All about Our Lady there is a brilliant light. It appears that the light is coming from within. I don't know how to explain it. It seems to exude right through Our Lady and lights up the whole sky about Her.

Our Lady now is joining Her hands in prayer. It looks so beautiful. And She has Her Rosary, the beautiful large Rosary with the luminous white Hail Marys and the golden Our Father. They're draped around Her hand. Oh, Our Lady looks so beautiful. Now Our Lady is taking Her Rosary and twining it onto Her belting. Our Lady's belt is a golden color also. And now Our Lady is raising Her first finger to Her lips.

Our Lady - "My child, confusion abounds this evening, but you must understand that satan is working very hard at this time to bring dissension among the ranks. Do not waste your energies and precious time in trying to restore your present foundation, My child. I am sending you many hands. Therefore, you will go forward and continue to contact Our sheep and gather them for My Son.

"I do not contradict My message, My children. You must understand: My words are true, My counsel true, and I must be followed exactly in this counsel. Man cannot change My words to suit his own desires.

"The world is in great chaos, My children. We must try to rebuild it or we will be destroyed as a nation.

"My children, I did ask for blue hats for reason upon the women of the United States. When one sets himself or herself to question My direction, they fall into much error. It is better for one to pray when there is a misunderstanding. Pray, and you will be given the way.

"Throughout your world, the nation's leaders are searching for peace and finding disaster. There is only one way to find peace, My children: in the heart of mankind through My Son. Whenever your struggle and the cross becomes too heavy, you will say: My Jesus, my confidence, My child; My Jesus, my confidence!

"I ask you, as your Mother, to understand My role among you as your Mother to bring you to the knowledge of what is to befall mankind. There are forces now loosed upon your world, forces of evil so great that they will even attack the body to stop the work. My child, you will undergo great stress and strain of body. You must accept your cross without complaint.

CONTROL OF THE SEAT OF PETER

"The forces of 666 are gathered throughout the world. They seek to destroy your Vicar in Rome and gain full control of the Seat of Peter. The Message from Heaven is known now in Rome, My children. Pray a constant vigilance of prayer for your bishops and your cardinals that they will take their heads from the clouds and open their hearts to the truth!

"The hierarchy has been infiltrated by agents of hell. Many have come posing as angels of light, but with darkness of heart and dark secrets. My children, you must pray more. We will not at this time make public knowledge of names, for now We seek the spirit. Names are not necessary; public castigation is not necessary. We must now, as children of God and light bearers, go forward and gather the souls with acts of mercy, charity of heart. And I tell you, My children, prayers must be accompanied with works.

MEN OF THEOLOGY FINDING SATAN

"In their quest for knowledge, men of theology have been seeking, and finding satan. Your children must now receive their knowledge from their parents, for when they leave your homes, they will find satan waiting, and all of his agents now loosed from hell.

"My children, you will pray for your priests, your clergy, but do not be fooled by those who have fouled their habits. Restore My Son's Church to its former glory. My children, do not abandon your children now when they need you.

"I understand the harvest of souls shall be small for Heaven. My children, listen now and act upon My counsel. The time is growing short. There will be sent upon mankind a Chastisement such as has never been seen upon your earth before, and shall never be visited again upon mankind, for at the end of this Chastisement there will be not much flesh left upon earth.

"Man cries for peace and brotherhood, but these come from his lips; these words do not come from his heart. And how can he have true love in his heart of his brother if he does not accept the father of all love, his God in Heaven? What can a man teach to others if he does no longer have the light in his heart to teach? He can only send forth the darkness and the evil that comes from the hidden corners of his heart to others.

"My children, no evil is ever triumphant. By their fruits will they be known. No evil is ever triumphant. My children, I despair of heart, for many are rejecting My Son. What manner of folly is this to reject My Son? You cannot enter Heaven. You must believe My Son in the Trinity or you will not see the Father over the veil.

"O My children, since the beginning of creation, never has the state of man's soul been so defiled upon earth. In the days gone by, if you read the testaments of your good Book, you will find that man was always warned of his folly, and man was warned of his coming punishment, and the heavy hand of his God then descended upon him.

"O My children, you do not learn from your past, but you commit over and over again the same mistakes and the same follies. But now mankind has accepted a more sophisticated form of sin, so diabolical in its nature that it could only come from the black heart of the depths of hell and satan!

"You must keep a constant vigilance of prayer going throughout your world. You will meet with great opposition in this struggle; the Message from Heaven will meet with great opposition. My children, We ask of you obedience to your God; We ask of you obedience to the Message from Heaven.

"Many miracles, cures, and conversions shall be given in the name of the Eternal Father for the promotion of the mission upon earth.

"My children, remain all humble of heart; seek only for the light; search as light bearers in the darkness; go through the darkest corners of the souls of mankind. Bring your light to them as given to you from Heaven. Always there will be opposition, My children, when satan knows that his time grows short. He will come back from the abyss with demons comparable in power to himself.

"There is loosed now upon your earth the man of perdition, 666. He has entered now into the highest places of rank of My Son's Church, and he has entered upon the highest positions in the governments of the world. My children, I say to you now, to guard your souls and the souls of your children. There are the very forces of hell now loosed among you.

MANY VICTIM SOULS NEEDED

"In the conflagration fast approaching, many martyrs shall be made. The Eternal Father shall ask for victim souls. Many victim souls are needed before the coming of the Ball of Redemption.

"O My children, come to Me, your Mother, with purity of heart and purpose. I will guide you in the confusion ahead. Do not gather the trifles and irritations about you, but cast off what is not important to go forward and build towards the light.

"My children, I bless you for Heaven. I send among you, for My Son, graces: graces for cures and graces for conversion. Graces shall flow freely and as numerous as the petals that cascade from the roses."

Veronica - Our Lady now is opening Her hands. She's putting Her hands to the side, like this, and Her - oh, Her cape is opening, and I don't know where they came from, the most beautiful rose petals are coming down now from Her cape, from underneath. They are endless. I don't know where they could be all coming from, but now the whole sky over Our Lady's statue is filled with the most beautiful fragrance. Oh! Roses! Rose petals! Oh, it's so beautiful! Oh, it's like walking through a garden of roses. Oh!

Now the sky about Our Lady is becoming a beautiful pale blue, and the petals of the roses are still falling. Oh, from all - they're coming now from Our Lady's hands. She's extending Her hands out, like this, and - oh, the most beautiful petals of roses are falling about us.

Now Our Lady is placing Her hands together, like this, and touching Her lips.

Our Lady - "Repeat, My child:

The end is not as far as you can see;
Already there is apostasy.
Man cast his lot and gathered the coals
To stoke the fire that burns the souls.
The days are numbered, the hours are few;
So work and pray and try to do
The work that's given in the light,
Until that sad time when all is night."

Veronica - Now Our Lady is pointing over to Her left side with Her hand, with Her right hand, and directly over the tree, I see Theresa, Saint Theresa and her sisters coming forward. And all about them are white-gowned figures. I know they're angels. Beautiful! Oh, they - oh, I cannot ever put into human words the feeling they give you, the emotion of seeing these beautiful people from Heaven. Oh, and Theresa, too, she's all lit up. Theresa is bending her head forward, and saying:

St. Theresa - "Repeat, my sister, the poem message I gave to you."

Dear Jesus, all I can do is just love You,
For my riches are here in my heart.
They're not locked or chained against stealing;
They're always free to depart.
I offer this gift to You, Jesus;
Accept it with Your precious joy.
I'm Yours to hold there in Your Kingdom;
Just treat me as Your little toy.

Veronica - Oh, Theresa is smiling, and she's also now extending her hand out, like this, and she's throwing rose petals down! I don't see where she got them, because I didn't see her carrying the roses. But now as Theresa's moving her hand, there are rose petals being scattered all over from the sky. They're coming down just around the tree. They're beautiful rose petals. Oh, hers are not - Our Lady's were red, but these have yellow and pink, and they're very, very fragrant. Oh, and they're falling down now all about the grounds.

Now the sky is becoming very, very light all about Our Lady's statue. There's a dark section right above it, and a cross now is forming just over Our Lady's statue. The cross is - I don't know, it's a very somber-looking cross. It's huge and almost like steel, or made of stone, but it's a very dark-looking cross. Kind of frightening, in a way.

Now Our Lady is pointing up; Our Lady is standing on the left side, and She's pointing up to the sky where this large, black-looking cross is just suspended there.

Our Lady said:

Our Lady - "This, My child, is what will be: in darkness will they seek the way."

Veronica - Oh!

Our Lady - "My child, as the world goes farther into darkness, will they seek the way, My child? Will they look for My Son? Will they find Him?"

Veronica - Now Our Lady is directly across the sky, and coming from that dark-looking, somber cross are these ash-like particles that I saw falling before. There have been ash-like particles, it's - I can't explain it. There's something terrible that's going to happen. And there's something like a dust falling from the sky. It's been strangling me almost since the beginning, a dust-like formation. And something - I don't know what it is; there seems to be a disturbance in the atmosphere, a severe disturbance. Oh, dear!

Our Lady - "My child, you must now keep in your heart what I am going to show you. I admonish you: you will not make this known to mankind until I tell you. Promise Me, My child, to not reveal this."

Veronica - "I promise, Blessed Mother. I promise.

"Oh! . . . Oh! . . . Oh, I can't tell it? Oh, maybe You would stop it?"

Our Lady - "Know, My child, I give you this knowledge only for yourself in the mission. What was to happen in the future, My child, shall be now. I repeat: you must hasten to send out the message. What was to happen in the future shall be now.

"Continue, My child, with your prayers of atonement. They are sorely needed. I understand the fear that is set into your heart by the knowledge, My child, but you must guard it at this time."

Veronica - "Oh, I am going to faint!

"Oh, it's horrible! Oh! Oh, I don't want to see that. It's terrible. Oh! Oh! We've got to stop it! We've got to stop it! I can't live with it, the knowledge, Blessed Mother. How soon?"

[Pause]

The sky is opening in a circular pattern all about the outside rim of the circle. It's difficult to explain. There is a deep coloring of pink. Now the pink is becoming wider around the edges, and it seems to be going inward towards the center of the sky, directly over Our Lady's statue. Oh, it's leaving an area almost host-like in formation. And directly from the center of this area, I can see Jesus coming forward. He's a small figure. He's coming from quite a distance. Now He's coming in quite fast. Now - I can't explain it. He doesn't walk; Jesus is just carried. And it must be windy, because His gown is blowing.

Oh, now He's approaching very close. Oh, Jesus has nothing on His feet; I can see His feet are bare. And His gown is long, and it's not a white; it's like an off white, an ecru color, sort of; not a beige, a little lighter than a beige. And Jesus has a belting about His waist. It's made of a brown, skin-like material. That's what it appears to be. Now Jesus is wearing His red cloak, like. It's tied at His - right under His chin, about His neck. I don't know - it seems to be a rope-like cording. It's not like the belting at His waist. I'm trying to see the material. It's almost impossible in the light. It's so brilliant, the light, that I can barely make out the distinctive colors. Now the cloak, Jesus' cloak is very long and very billowing. He's catching it now with His hand now, bringing His cloak closer to His body. And now Jesus is going to gather - He's gathering it about His left arm. I see - He's going to hold it in His left arm, and He's placing His hand in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing His first finger to His lips.

WEAK WILL FALL AWAY

Jesus - "My child and My children, as you go forward upon the Mission from Heaven, you will experience all the fury of satan. All in the days ahead will be tested as metals in the fire. With every war, there are casualties, My children. The weak will fall away. And so it is now in this war of the spirits that the weak will drop by the wayside. You must all go forward in confidence and perseverance. When self-pride and seeking for human gain enters upon the mission, the seeds will not flower and develop constructively.

"My children, there are many changes made in your mission, a direction taken by some that brings wonderment to your heart and questioning. All the solace I give to you now is to accept all crosses sent your way, for they are for reason. In the Mission from Heaven, you must give yourselves over fully to the spirit. The more you become attached to worldly gain or endeavors, seeking the material before the spiritual, the farther you will go from the truth.

"The agents of hell loosed upon mankind are gathering now to do great battle in Rome. Your country, the United States, and many nations throughout the world will go through crucibles of suffering.

"I repeat: all the plans of Heaven for your chastisement can be forestalled, held in abeyance, if you make an effort to do penance and change your ways that have offended your God.

"The rules for mankind were given from the beginning by the Eternal Father. They were commands from Heaven, commands to be followed through love, commands that only can be followed through love, for fear does not beget love. If you will seek the light, you will not remain in darkness; but if you prefer, in your human frailty, to remain in the darkness, shall you have the time to come out of this darkness?

DISTURBANCES OF NATURE

"I say unto you, and I repeat My Mother's counsel to you, that the time is growing short. There will be set upon mankind trials, disturbances of nature accelerating in time, disturbances of nature that go far beyond scientific explanation.

"My children, the hand of your God is descending. With patience the Eternal Father watches, never wishing that even one be lost to Him. The sheep are scattering; the shepherds have fallen asleep. And now, in this crucial hour, new shepherds will come forward. They will be of humble beginnings, with great humility and love of their God.

"O My children, how long can you expect a reprieve? Far beyond what man has ever conceived in his human mind will he experience the Ball hurtling down upon earth, and earth shall be planet struck!

"My children, the scoffers will multiply; those who have gained worldly knowledge and influence will turn away.

"It is not with idle talk or Scripture that the word has gone out to mankind that all of your power gained upon earth will be nothing; all of your wealth stored upon earth will be nothing! And I assure you in truth, it will be easier for a camel to go through a needle's eye than for a rich man to enter into the Kingdom of Heaven. You cannot serve or love two masters. One you will love, and the other you will hate. And your heart shall be where your wealth lies.

"O My children, there will be many martyrs coming out of the tribulation period. You will all follow My way; you will pick up your cross and carry it without questioning or complaint.

START OF THE GREAT SORROWS

"You and the world's peoples will experience very soon the start of the great sorrows upon mankind. If you have listened to the direction and counsel of My Mother, you have prepared your household well. Step by step, the rising tides shall engulf mankind.

"Before many of those who listen now to My counsel, before long, I say unto you: you will have received direct confirmation of the prophecies from Heaven.

"My children, you will keep your armor about you; protect your children with this armor. It has been given to you for good reason. If you cannot understand in your human mind, accept it through faith, and gain. If you reject the counsel of My Mother, you reject the salvation of your soul and your children's souls.

"The world's leaders in the nations of earth have received a great part of the counsel of My Mother. You must all keep a constant vigilance of prayer going throughout your country and the world. Prayer can only now melt the hearts of those who have closed their ears. My children, continue on your mission. Your prayers shall bring many back before the tribulation.

"You must restore My Church upon earth. I ask you as light bearers, to make every effort to retain the truth in knowledge of My existence in the Trinity.

"You will protect your children. The forces of evil are now loosed fully upon your earth. Guard your homes against infiltration of evil.

"My children, My Mother will be with you through the tribulation. Come to Her with your heart. She will console and counsel you all. Her heart is open; Her mantle is open wide to protect you. You will receive on asking, many graces of cures and conversions. They will be given to you as numerous as the petals that come from the heavens."

Veronica - Now Jesus is placing His hand out in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning to the right, and He's gliding across the sky. He's just being carried on the wind. That's what it appears like. He's absolutely weightless. I can't explain it.

Our Lady now is coming from over on the right side. She was standing over the second tree. And She's coming across the sky with Theresa, and her sisters following her, and many other peoples. They appear to be religious of some nature - monks and I believe priests, from their garments. Now they're following Our Lady across the sky.

Our Lady is now just stopping by Jesus. Our Lady is taking from Her waist Her Rosary, and She's extending Her beautiful Rosary with the golden crucifix in front of Her, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus and Our Lady are gliding across the sky. They're standing just - oh, above the flag on our left side, and They're both looking down. They're very high in the sky. I can see the tips of their feet. And Jesus is bending over now and extending His hand out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, and send among you the Spirit of light. You will receive, I repeat anew, many graces, many manifestations in photographs. Retain them, for you will use them consistently."

Veronica - Now Jesus and Our Lady are backing up. They seem - I don't know; They're just going back, higher up into the sky, directly over Our Lady's statue.

And Theresa now is coming over. And her sisters are with her and all the clergy. And I see nuns, but they're wearing all different kinds of habits: some with big, white headpieces, and some of them are just small with black veiling's close to their heads. They, there're quite a number of them. They're only - oh, my! The sky is just covered with all these figures of the clergy.

And now they're joining, they're coming behind Our Lady and they're standing behind Our Lady, and Theresa is holding up a rose, a long stem, but it's a golden rose. Oh, she's holding a very large rose, and she's passing it now to Our Lady. Our Lady is turning to Her right and accepting the golden rose from Theresa. And now Jesus is bowing His head, and he's saying:

Jesus - "Truly the Mystical Rose."

Veronica - Now Jesus is motioning now. Oh, yes!

Jesus - "Continue now, My children, with your prayers of atonement."

June 4, 1977

Eve of the Most Holy Trinity

Veronica - The sky is a beautiful blue all about the trees, a very pale blue. It's a very warm feeling. And all about the center of the sky there is illuminated a beautiful white light. It comes from the center of the sky. And directly over Our Lady's statue, I can see Our Blessed Mother coming forward. She is dressed in a white beautiful gown with a belting, a sash of gold about Her waist.

Our Lady has on Her right side a most luminous Rosary. It's beautiful. The Rosary, I notice now, as Our Lady is taking it from Her belting, has the golden Our Father beads, and the Hail Mary beads are a white. The beads are very large and beautiful. I can't explain how the coloring changes as Our Lady is moving about. The white beads take on all the colors of the rainbow.

Our Lady has a mantle about Her head. It's long and flowing, and there is a border of gold about it.

I can see Our Lady's feet now. She has on sandals. They're golden sandals, like golden rope twined about Her toes and over Her ankles.

Our Lady now is taking Her Rosary and placing the crucifix in front of Her, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is turning over to the right and making the sign of the cross with Her crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Now coming down from the sky behind Our Lady, directly behind Her, I see Michael. His - oh, his span is across the whole sky. There is no way to explain Michael, Saint Michael. He is very, very large and awesome, but he gives you a wonderful feeling of contentment, peace, and support.

Our Lady is going over now to our right side and bending over and making the sign of the cross with Her golden crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is floating. She doesn't walk; She seems to glide with the air across the sky directly over Her statue. Now Our Lady is placing Her Rosary onto Her belt, tying it onto Her belt, and touching Her mouth with the first finger of Her hand.

Our Lady - "My child, I am well aware of your great distress. The cross grows heavy. You must understand, My child, that graces are given and graces can be removed. I have warned all who gather to send out the Message from Heaven that 666 and the agents of hell will be among you to try to stop the good work.

"I repeat My message to the world, and especially to My children in the United States of America: I have requested for reason that the women who are in the circle of light, and the circle of light, inner and exterior, will engulf all who are willing to listen and believe in the Message from Heaven and take it and send it out to the world - mouth to mouth, media to media, prayer for prayer. The Message from Heaven must reach every man, woman, and child because the great tribulation approaches.

SATAN ENTERED AMONG THE RANKS

"My child, I know of your great sorrow of heart. You will pray for your brothers and sisters in Canada. Satan entered among the ranks. My child, pray, for no man is free from the attacks of satan.

"You ask, My child, of the status of the hats. I request that the men of the United States continue to wear the white hat with the emblem 'Saint Michael' upon it; 'Saint Michael' will be upon the white hat.

PRIDE AND AVARICE

"My children, you cannot now slacken in the pace of your work for Heaven. The mission must be continued. Many will come and many will go; many seeds fall away as the plant is flowering.

"My children, I have warned you often that when you are of heart to do the work of the Mission from Heaven, you must not fall to pride and avarice. Your heart must be open to all. My Message from Heaven is free to free spirits. No man shall set himself to enslave others to do his will and command. Man must be a free spirit.

"It is sad, My children, that in your world there are many who are given strength from satan to command and enslave others far from their will.

PRAY FOR THOSE WHO HAVE FALLEN AWAY

"My child, you must understand I have cried to you often to recognize the faces of evil about you. They come as angels of light with ravenous hearts. You will not judge, My child, but you will pray for these who have fallen away.

"I allowed you to suffer, My child, so that you would learn from it. Wisdom is gained through suffering. In all humility will you go forward, My child. I will send many hands to help you.

"Understand now, My child, why the Father allowed man to fall in his human nature. It is a lesson for all. You will now recognize the power of satan among mankind. It is repeated over and over that satan will enter into the body of any man, woman, and child who will fall away from grace, and they will become his chattel to do his bidding. And the greatest bidding that satan has now is for man to stop the prayers!

MAN CALLED BENELLI

"Already, recognize the evil that has come forward from stopping the prayers within the last two weeks, My child. Already in Rome, as I gave you in the past, the man called Benelli has come forward to approach the Seat of Peter and to bring upon Rome the full reign of 666 on the Seat of Peter! I beg you, I implore you, as your Mother, to listen! I have warned you now upon your earth; I have come to you as a Mediatrix between God and man, imploring you to listen to My counsel and My direction. The forces of hell are loosed upon your earth now. They try to stop all missions from Heaven. It is the final battle of the spirits; the forces of good and evil now entangle en masse.

82-YEAR OF THE COUNTDOWN

"My children, as I told you in the past, you will all be tested. All that is rotten shall fall and be cast aside; the wheat shall be separated from the chaff, the sheep from the goats. All will be tested in the days ahead. I gave you the year '82' for reason. I will call it the year of the countdown, the year of the countdown, My children.

"You will keep a constant vigilance of prayer going throughout your world and your country. You will discard that which is not important to your mission and continue gathering the souls for Heaven. The Rosary, the beads of prayer, must continue to go throughout the world.

"My children, your Vicar, Pope Paul, is being removed from the Seat of Peter. You will read the messages, the past messages from Heaven, and learn by them.

"My children, because of sin, insanity is now encompassing the minds of men; satan has poisoned many minds. Scientists are ever seeking but never coming to the truth! Scientists are trying to create a life that is not in any way the nature of mankind. Man is seeking and shall destroy his nature.

EARTHQUAKES, FLOODS, PESTILENCE

"My children, unless you pray more, unless you do penance and acts of atonement now, I cannot hold back the punishment, the Chastisement from mankind any longer. As your days proceed, evil is accelerating and the chastisements, minor and major, shall increase. There will be earthquakes in divers places; there will be floods and pestilence, and there will be the eruption of the elements. My children, My counsel to you shall all come to pass.

"I counsel all leaders of government to return to the commands of his God. I counsel all mothers and fathers, heads of households, to return to the commands of their God. I counsel every man, woman, and child who hears My voice and the Message from Heaven to do penance, atonement, and sacrifice - if not for yourselves, but to save your priests, your clergy, your cardinals, your bishops who are fast heading into the abyss.

"My child, you must restore your strength with rest. You will not be given more of a burden than you can carry. I allowed you, My child, to go through this crucible of suffering to learn. You must remember, My child, that even Judas was given his time among the ranks. In every walk of life, My child, there will always be a Judas as long as there is satan roaming the earth.

"I caution you all and counsel you, as your Mother, to beware now of the supernatural forces that are among you. You must call upon your angels now for protection. They have been sent to you, they were given to you at the time of your birth and conception. My children, you have supernatural loved ones among you, the angels. They are your guardians, but you must call to them, you must acknowledge them on earth.

"My child, We have given to you one of the highest archangels in Heaven in your mission, Tusazeri. And now We will send to you another guardian: Michael shall be with you in the mission ahead, My child.

"Satan will do great battle with your cause. All who carry the message as light bearers into the darkness shall be subject to all manner of attacks from satan, both physical and spiritual. These attacks shall come upon you through persons, places, and things, My children. Safeguard with your sacramentals, your children. They must not go out of your homes without the protection of a sacramental. Gather all of the graces from Heaven that are given freely to you for your protection and guidance. Be with My Son at the tabernacles of the world; comfort Him. His heart is broken because He is forgotten.

"Apathy among the clergy have closed the doors to My Son's houses! Please, My children, awaken from your slumber and see the road that you have set yourselves upon by sin and avarice and pride! Turn back now! I plead to you as your Mother: Turn back now, as the time is growing short!"

Veronica - Our Lady now is raising Her Rosary from about Her waist, and She's holding the crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as My Son blesses you in the Father and in the Holy Spirit. He will send among you the Spirit of light. Many miracles in cures and conversions shall come upon you to bear witness to the Message from Heaven."

Veronica - Our Lady now is floating backwards over to the left side of the sky. She's directly now above the first tree, the top of the tree.

And Michael, Saint Michael now is coming over. He was over covering the sky on the whole right side by Our Lady. And he's holding the balance. And the balance is very heavy. It looks like it's leaning heavily to the left, which is not a good sign. Saint Michael has his sword. Ominously, it's posed - poised down toward earth. Oh!

Our Lady - "My children, continue with your prayers of atonement. They are sorely needed now."

[Pause]

Veronica - The sky all about the trees is becoming a very deep pink in color. There are streams of light coming directly from over Our Lady's statue, down onto the grounds. They're beautiful long streams of light, as though there was a giant sun behind it. I can't put it into human words. The light streams are beautiful. They're translucent and brilliant. It's like cut-glass and crystal now. And all about these streams, I notice these graces, the rivulets of graces that come like tiny miniature cut-glass figures falling. That's a symbol Heaven has given for graces falling down among the people.

Now directly over Our Lady's statue, the sky is opening up, and Jesus is coming forward. Now as Jesus is floating forward - He doesn't step, He's just coming closer by floating - He is extending His hand in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is gathering His cloak - His cloak is a burgundy color, almost a red, but I think you would call it a burgundy color - and He's placing it over His left arm. And He's loosening the tie about His neck. Jesus has on a long gown. It's very loose and full. And He has nothing upon His feet; His feet are bare. I can see His long skirt-like gown blowing, and His feet are bare. I can see upon Jesus' insteps the marks from the terrible spikes that went into His feet.

Now Jesus is placing His hand upon His lips.

Jesus - "Listen well, My child. I know of your anguish of your past week.

VANITY AND PRIDE COMES BEFORE THE FALL

"The forces of evil loosed upon your world gathered to try to stop the good work from Heaven. My child, it is a lesson for all that vanity and pride comes before the fall. You understand, My children, that man has a free will and is allowed to exercise it. And the greatest sin among man is pride. The angels in Heaven that joined Lucifer, satan, were cast out of Heaven as they became arrogant and sought to be God.

"My children upon earth, you must always be aware of temptation and the possibility of falling into the web of evil spun by satan to ensnare you. Pray for your brothers and sisters in Canada, My children. But for less prayers you, too, may have been ensnared in this trap.

"Prayer must be kept going throughout your world, My children, now. I gave you a good illustration of the product of lessening of prayers. As you now well understand, it has come to pass what My Mother told you in Her counsel would come to pass, for in Rome now, one who has received the warning from Heaven has proceeded further on to become an agent of hell in the quest for the Seat of Peter.

"My child, you will not write again to Rome. Now you will pray for the cardinal.

THE HEAVENS IN UPHEAVAL

"My children, as time proceeds further onto the road that leads to the great Chastisement, as man goes further into darkness of spirit, there will be set upon the world great trial. You have entered into the time of great sorrows. You will find the heavens in upheaval; plagues, floods, great heat will befall mankind. My children, it will be a test for all.

"As you progress upon your road to sanctity the attacks from satan will become greater. My children, you must never let down your guard, but you must constantly pray a vigilance of prayer. It is sad, My children, that you have been put to this great trial in your mission, but you must learn by it. I repeat: You will pray for your brothers and sisters in Canada.

"My children, I must clarify for you the point of discord between your brothers and sisters of the North and yourselves. My Mother, through My counsel, has asked that the women of the United States, young and old, who join Her in this final battle against satan, that they will wear the sign of subservience to their husbands and dedication to the Mission from Heaven by wearing a blue beret.

"The men have been asked to wear a white hat with the emblem stating 'Saint Michael' imprinted upon it. This, My children, shall clarify a point of discord that was promoted by satan to divide the workers. You may well understand now how satan can poison the mind.

"You will all continue, My children, on your mission to save souls and alert the world's children to what is approaching fast upon them, the Chastisement and the Ball of Redemption.

"Rome will undergo a great trial with revolution and bloodshed. Pray, My children, a constant vigilance of prayer. Sin will accelerate until the world shall be steeped in bloodbaths and insanity.

"And why, you ask, must this all come about? O My children, My Mother has given you counsel and warning through numerous appearances upon earth. She came to you as a Mediatrix between your God and man to warn you and plead your cause before Heaven. And how many have listened to Her counsel and acted upon it?

"My children, all who are of conscionable age shall be held accountable for the salvation of their soul! You cannot place the lives of your children, their spiritual lives, into the hands of others, for these hands have been despoiled. Many children just beyond the cradle are being now degraded and desanctified and destroyed morally by their elders for profit and gain.

"O woe! It has been said of old that money is the root of all evil, and money has become the god among mankind, for many are selling their souls to get to the head. And what does it gain a man if he gathers all of the world's treasures upon earth? He must leave them behind and stand naked before his God, unless he has covered himself with graces for his entrance over the veil.

"My children, remove the blindness from your heart and understand the counsel from Heaven. It is through grace that you hear this counsel, and it is through grace that We ask you to carry this counsel forward to your brothers and sisters. You are not your brother's keeper, but you must fight for their lives, their spiritual lives, because the shepherds have fallen asleep, or fallen into spiritual darkness. You who have the light, you who have been chosen from among the multitudes to be light bearers must now go forward and search through the darkness and recover your brothers and sisters who otherwise will be lost.

"There are many good shepherds still among you, My children. Do not despair. I will always be with you in the tabernacles of the world, and I will always be with you in spirit. And one day, My children, I will return to you in body and spirit.

"You will all keep a constant vigilance of prayer in your homes. Guard your doors well against evil. Gather the graces for your children and keep their armor upon them at all times. You will meet with much rebuttal from the world, for people of the world accept only the world, and people of the spirit are known only to those of the spirit, My children. This is a riddle that you will understand in due time. Do not become unevenly yoked. Do not subject yourselves or your children to sources of temptation and evil. Birds of a feather will always flock together. Learn by this lesson, My children.

DEMON OF COMMUNISM

"The forces, the red forces in Rome are gathering. The octopus is now reaching throughout all of the earth. The demon of communism and the agents of hell gather now to do great battle to all of God's children upon earth.

"My children, remember, in the days ahead, for they will be days of great trial and suffering; whenever you feel you despair, you will say, My Jesus, my confidence!

"You must receive the Bread of life often, for I am always in you. My children, retain a firm foundation of faith in the hearts of your family and your children, for when they leave your home, satan takes over. And if they have this firm foundation, satan shall not crack it and cause it to fall. If they have this firm foundation, though you may fall into rough seas, you will keep your head above the rising tides.

"My children, keep a constant vigilance of prayer, I repeat, going throughout your country and the world. Satan cannot stand the sound of prayer! The demons must flee from the sound of prayer! And use all of the sacramentals given to you, for none can be avoided; they must be gathered, so great are the forces of evil now loosed upon earth. The agents of 666 are in full reign. As My Mother told you in the past, they are six demons on special mission loosed now upon earth: 6 is for the six who have come, 6 is for the six days of terrible suffering to mankind, and 6 is for the six who will be punished.

"In the days ahead, in the darkness of spirit, many prophets shall be among you. There will be cures and conversions, cures of body and cures of spirit. And also among you there will be the false prophets, My children. Test the spirits! All that is rotten must fall eventually.

"My children, you must understand: you cannot avoid coming in contact with temptation and evil. As long as you are upon earth and in the battle of mankind, you will be tested constantly and tempted. That is the greatest battle that mankind has to look forward to in the days ahead, the battle of the spirits; and from this conflagration will come many saints of the latter days.

"My children, go forward now. My Mother will continue to direct you in the days ahead. Pray a constant vigilance of prayer; no special prayers, but do not render lip service. The words must come from the heart."

Veronica - Jesus is now extending His hand out in front of Him, like this, with His three fingers pointed out, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over to the left side of our sky here, just directly above the tree, and He's bending over. And Our Lady now is coming across; She's floating across. I can't explain it. They seem to have no weight up there. She's coming across

the sky and standing just at Jesus' right side. She's a little shorter than Jesus. Jesus looks like He's quite tall. Oh, I would say He is six feet tall at least, and Our Lady comes just up to His shoulder.

And now She's turning and looking down. I can see Her smiling. And Jesus is extending His hand out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going across the sky to our right side. Our Lady is following Him. Now Michael has come out from behind the trees over on the left side, and he's following Our Lady and Jesus. He covers the whole sky. He is tremendous! But he doesn't look out of proportion. He's just tremendous! And now Jesus is stopping just above the first tree, there on the right, and looking down. And it's beginning to get windy because His skirt is blowing, and the cape is just about taking off on His right side. Oh, now Jesus is extending His hand out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, and send among you the Spirit of light.

"Continue now with your prayers of atonement. Many are needed. Graces must be gathered in the days ahead."

June 16, 1977

Eve of the Sacred Heart of Jesus

Veronica - The sky is a very deep blue this evening, and there is cascading off the trees a beautiful white, luminous light. It's circling all about the trees. The light now has changed into tinges of blue - a most beautiful coloring. Now directly over Our Lady's statue, in the center of the sky, the sky is opening. There's no way I can place it in words. It just seems to be folding. The sky is folding outward, and Our Lady is coming through this very deep mist formation. I can't explain it in human words. Our Lady is coming forward. She's not walking, She's gliding. She's carried forward almost as though upon air.

Our Lady is dressed in the most beautiful white gown. It's very luminous and billowing. As Our Lady is now coming forward, it's blowing in the wind. Our Lady has about Her a beautiful cape. Her mantle is white, and there is about a border of, perhaps, I guess - I can't count it, but I would say about an inch and a half wide of gold, a beautiful metallic-looking gold trim all about Our Lady's mantle.

Our Lady is reaching to Her side, Her belting, and taking Her Rosary from the belting, Her beautiful Rosary with the golden Our Fathers and the white Hail Marys.

Our Lady is smiling. She's coming much closer now, standing almost directly above Her statue now. Our Lady is now going over on our left side - that's Her right side. And now behind the statue, high up into the sky, I can see Michael coming forward. He's a tremendous size, covering the whole sky about Our Lady. Just beautiful!

And over now, over above the trees on our right side, there are many, many angels coming forward. I know they're angels because they are very distinctive in their appearance.

Our Lady now is bending over and She's blessing everyone with the crucifix of Her beautiful Rosary: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is gliding back; She's moving now backwards. She's still facing towards us, but She's moving now backwards, directly now above Her statue, and She's bending down and smiling. In the name of the Father, and of the Son, and of the Holy Ghost.

Now Michael is coming forward. I notice now in his right hand he's carrying the balance. I can't see Michael's face. The light is so bright, but I can't miss the whole outline of his spiritual body. It's the only way I can explain it. He doesn't look human, as we know a human being - a spiritual body that covers the whole sky. His size is tremendous. I believe that is why Our Lady calls him a warrior from Heaven.

Now Michael is following behind Our Lady, a very protective shield for Her. And Our Lady is bending over and making the sign of the cross with Her Rosary: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is now going backwards into the sky. She is now just a little above the statue. Our Lady is placing Her first finger upon Her lips, which means to listen.

Our Lady - "My child, I realize that you had a commitment earlier on this day. But, My child, I must caution you at this time that on the day of your meeting with Me, you will avoid all distractions. Silent interior prayer is much needed, My child, for your peace of spirit.

"Come, My child, over with Me and sit here."

Veronica - Our Lady now is pointing to a very large rock. It's a rock on a - like a hillside. And Our Lady is motioning over, and I can feel myself being taken over by Our Lady onto this rock, and we're sitting down. It's such a beautiful, comforting feeling to sit by Our Lady.

Our Lady - "My child, sit with Me while I have discourse with you on the conditions of your world that bring great sorrow to My heart, and My Son's heart.

"As I have traveled through countless earth-years upon your earth, I have begged for penance and atonement, crying tears of pity for mankind. The hand of My Son grows heavy. The voices of the saints cry out for a just punishment upon a degenerate generation. O My child . . ."

Veronica - Oh, Our Lady now is placing Her hands over Her face. She's so sad.

Our Lady - "My child, many seek to comfort Me in My sorrow, but many more must comfort My Son in His sorrow. The abominations being committed by mankind, even entering into the House of My Son, His Church, have torn His heart anew.

GREAT CHANGES IN NATURE

"My child and My children, listen to Me as I plead with you. There will be great changes in nature upon your earth. Scientists have cast aside their God, and now demons are loosed upon earth who will set in motion diabolical manifestations within the hearts and sight of mankind.

"Pray, My children, a constant vigilance of prayer upon your earth, for you cannot know what is coming upon you soon. O My children, I wandered throughout your earth crying for atonement and penance, and how many have listened to My pleadings? I have come to you as a Mediatrix between God and man, and how many have turned away from My counsel?

"Satan, the master of deceit and the prince of darkness, has entered into the highest places of My Son's Church, and into the highest places of the governors of all the earth's kingdoms until those who make the rules for nations have given over the nations to abomination.

JUDGES ARE PERVERSE

"Judges in the court, you are perverse! Judges in the court, you have degraded your profession! You have, as a ruling body, turned from your God and have accepted the prince of darkness! I say unto you: the Eternal Father plans to shake the tree and all that is rotten shall fall from the vine! My Son is the vinedresser, and I say unto you: all that is rotten shall be shaken from the vine!

"O My children, science runs forward to its own destruction! Man is reaching beyond the stars to his own destruction! Man of science ever seeking, but never coming to the knowledge of the truth, because he has rejected his God.

"The forces of hell are loosed upon your earth; 666 and the agents of hell now take full rule in your governments and the governments of the world. My children, recognize the forces of evil as they enter upon you. Demons from hell shall enter into the body of any man, woman, or child who has fallen from grace.

"I have cautioned you, parents, to protect your children. They must not be without a sacramental upon them! We are now at war, My children, a war of the spirits, far greater a war than man has ever experienced in the history of his creation. It is a war to a final battle. The sheep are being separated from the goats, the wheat from the chaff. My children, have you prepared your household for the test?

"Parents will assume the greatest responsibility for keeping Tradition and Faith, the firm foundation of Faith in the hearts of their children. There will be much woe set upon the earth by the evil one. 666, the forces of hell, are now doing full battle against the children of God.

REVOLUTION

"Rome shall soon have a bloodbath; Rome shall suffer in revolution. And why, My children, why must this chastisement come upon the Eternal City? Because they have turned from their God! Too few do penance and atonement! Prayer has been discarded for all materialism and worldly knowledge. Men shall be eating and drinking, marrying and giving in marriage, until the fires sweep them away!

"My children, I have asked you all to become light bearers through the dark days ahead. You will meet with great trial in your mission. There will be scoffers and those who greet you with derision, but, My children, remember, My Son carried His cross in the same manner. My own will know Me, My children. If you are rejected, wipe the dust from your feet and keep going. My own will know Me.

"Already, My children, those who are to be saved have been marked with the sign of the cross. The numbers now are being counted. The sheep are being separated from the goats. This is a battle of the spirits, and man in his free will shall be given the chance to accept the light or reject it.

"Pray a constant vigilance of prayer in your country and throughout the world.

"My child, your mission shall be extended. You will receive much help from others, My child. Do not involve yourself with trifles, My child. You must conserve your energy for what matters and what is of most importance for the salvation of souls.

"My child, I advise you and counsel you to remain from the telephone. It is a mechanical instrument of satan. You will practice more silence, My child, and meditation in your home life."

Veronica - Our Lady now is moving over to our left side, and She's looking down and extending now Her crucifix out, the crucifix on Her Rosary, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My child, many graces shall be given for the propagation of the Message from Heaven - graces in the forms of cures and conversions, cures of the body and cures of the spirit.

PORNOGRAPHY AND EXPLOITATION OF SEX

"My children, you must separate what is important and what is not. The spirit is your eternal flame. You will guide by it, My children. Nourish your spirit and not your human bodies. Too much time is spent in amusement of the human body, seeking entertainment that is being created by satan to poison your minds. As I have counseled you in the past, your medias of entertainment are polluted. Your children must be protected against this pollution in pornography and exploitation of sex.

"O parents, you have the greatest battle now to keep the souls of your children from contamination. The eyes are the mirror of the soul, so protect your children's eyes: watch what they read and what they look upon. Discipline your children and you shall not cry later as parents."

Veronica - Our Lady now is reaching to Her waist. She still has the crucifix and Her Rosary in Her right hand, but She's taking from Her waist, on the left, Her Scapular. It's a very large brown cloth Scapular. And Our Lady now is placing it about Her neck. Now the Scapular is hanging across Our Lady's neck with a large piece of brown cloth in front.

Our Lady - "My child, this is the manner in which I wish the brown cloth to be worn. The cords must not be separated."

Veronica - Our Lady has the brown cord directly in front on Her chest, and there are two cords going back to Her back. Now Our Lady is turning around and I can see the brown cloth hanging over Her shoulders and down the back.

Our Lady - "I ask for this protection for reason, My children, that you will know the meaning of in the future.
"Now, My child, you will be seated and read the photographs."

[Pause]

Veronica - The sky is becoming a very deep pink color. It's very hazy all about the trees. The light is coming directly through the center of the sky. And now, as the sky is opening up, it seems to be just - I can't explain it, but - oh, it's because of the light that's coming through now about Jesus. Jesus is coming closer. He's now moving very fast. He's standing now just above Our Lady's statue, a little to the right, over the banner.

Now Jesus is placing His first finger to His lips.

Jesus - "My child, I hasten to you for reason. The photographs given to you bear out the urgency of sending the message throughout the world at this time. Because man has given himself through free will over to all manner of abominations, he will be left to his own undoing.

"My children, My Mother counseled you well. Man shall set loose upon himself all changes of nature, atmospheric violation. Therefore, now that you know, My children, you will recognize the hand of God coming upon the nations. Man of science was not directed by his God; his counsel has been from satan.

"My child, you were sent on the past mission for reason. Now you will pray that the message enters into the hearts of those who prepare for a mission into the atmosphere.

EXPLOSION OF NUCLEAR WARFARE

"My children, the Ball of Redemption shall be the climax of chastisement upon mankind. However, because of the abominations and all manner of sin coming from the hearts of mankind, he will be allowed to proceed slowly, and then his path accelerating onto the road to his own destruction. The cries of peace going throughout your world are just a cover for armaments that are being gathered now to enslave and ensnare the world into a war of major proportion. My children, all of the cries of peace that go out throughout your world cannot prevent the explosion of nuclear warfare upon mankind! The hand of God that withheld this punishment upon mankind is being withdrawn!

"My Mother has traveled throughout your world crying tears from a Mother's heart upon you, begging you to turn back now before it is too late. You cast aside Her counsel, man of science, and this evil of free will used to turn the Spirit of light away from mankind and plunge him into the spirit of darkness. Mankind shall receive a great punishment. How many years has My Mother pleaded for your repatriation! The heavy hand of chastisement hovered over you, held back by the few. And now We see those who were lukewarm growing cold; the good, apathetic; and the bad becoming worse.

"As you go forward in your sin, you shall promote major insanity throughout your world: murder, corruption, immodesty, immorality, all manner of foul deeds being committed to destroy the temple of your God, your bodies profaned! My children, all will go through the test. Every man, woman, and child of conscionable age shall meet this test, and all that is rotten shall fall!

"You would do well now, parents, to prepare your household. There will be much woe and gnashing of teeth set upon the earth by the evil one. The agents of hell, known by you as 666, are now loosed in full force upon mankind. And now 666 has entered into Rome, the Eternal City, seeking to set upon the Chair of Peter an agent of hell!

MY CHURCH SHALL NOT CRUMBLE

"My Church, My House upon earth, shall not crumble by the onslaught of satan! It will be a good and just battleground allowed by the Eternal Father for separating the wheat from the chaff. The harvest shall be great, and all that is rotten shall fall! And the chaff shall be gathered and cast into the fires! The numbers to be saved shall be counted in the few, but better, My children, a few with quality than quantity with nothingness!

"I promised you in the past, and I say again: your world, earth, shall not be completely destroyed as it was in the past by the Eternal Father, but know mankind shall go through a crucible of suffering! Slowly, out of all of this suffering, shall mankind emerge anew and refreshed and bathed in the light of his God. Darkness shall be dispelled, but not without suffering. You will be left to your own deviations. It will appear that the light has completely been extinguished in the world as man bathes himself in darkness, as man goes forward gaining more knowledge and more knowledge, but proceeding farther away from his God until one day his ultimate in knowledge shall be his own destruction.

"My children, you will keep a constant vigilance of prayer going throughout your world and your country, for many nations shall disappear from the face of your earth in the conflagration.

FALSE PROPHETS-THOSE WHO PREACH DOCTRINES OF DEVILS

"My children, awaken from your slumber. You are being deceived by false prophets. And who are the false prophets that have entered even into My House, My Church? The false prophets are those who preach doctrines of devils!

"Many have sold their souls to get to the head. And what have you gained then, My shepherds? Eternal damnation in the abyss! Many mitres will fall into hell! Gather My sheep, those who have come out of their slumbering, gather My sheep and win your crown; scatter them and you shall be destroyed!

"Parents, be an example of purity and goodness and disciplinarians in your homes. Your children enter outside your doors into a world of ravenous wolves ready to devour their spirit and crush them, until they cannot rise above the darkness without your help and guidance. You cannot, at this time, turn them over to others to teach the way; you must do this now yourselves! Take yourselves away from your daily pursuits, your seekings of worldly gain and materialism, pleasures of the flesh! For what? You cast aside the true way, and you go farther into the darkness and meet satan and his consorts.

"My children, you cannot have the light within you unless you partake of the Bread of life. Come to Me in all of the tabernacles of your world. Refresh yourself in the Blood of the Lamb. What is there in common between the light and the darkness? Have you chosen your way? The way given from Heaven is a simple way; the rules have been laid down. And why do you make your own rules now and change the rules to suit your carnal human nature? And for what? To bring about your own destruction!

GUARD YOUR CHILDREN WELL

"All must persevere in the days ahead. You have no one but yourselves now to save and your children. And if you have charity of heart and additional graces to offer to the world, go seek your brothers and sisters who otherwise would be lost without your help. Guard your children well and you shall not cry for them; for, My children, all knowledge is given to you when you come over the veil, and how bitter the heart will be torn with anguish of a mother who sees her child cast out of the light.

"Yes, My children, you cannot be given at this time full knowledge of the supernatural, but I assure you, you retain full consciousness of mind, knowing everything, My children, when you come over the veil. And then you shall receive your reward or a just punishment.

"My children, you must not cast aside the doctrines of your Faith; you must not cast aside the knowledge of the supernatural and the existence of supernatural beings. You cannot cast aside the knowledge of there being a hell, a Heaven, and a purgatory. I assure you, My children, if you make the choice in error and do cast them aside, only too soon will you know the truth upon your own when you come over the veil.

"Are you ready now to come over the veil? I assure you, My children, many shall pass over the veil before you count on your one hand. Prepare your household, I shout anew! Keep the foundation of Faith in the hearts of your family. The family that will pray together will stay together."

Veronica - Now Jesus is backing up into the sky. He's going very high. Oh, and Our Lady now is coming down from over on His right side, our left side. Our Lady is coming forward. She's holding, in Her right hand, the Rosary, Her Rosary, a very large, beautiful Rosary, and in Her left hand She's now holding the Scapular. It's not about Her neck anymore. She has it

hanging now from Her left hand. I can see the two large pieces of brown cloth. Our Lady is now placing them out in front of Her, like this.

Now over on our right side, Michael is coming forward, and all the angels now are about him. Michael is so large that they've lined themselves up all in front of Michael, and they're covering the sky.

I can't describe the angels. They seem to be all assorted sizes. And the coloring of their gowns are just beautiful. They're all of the colors of the rainbow, and I notice that the ones standing next to Jesus have garlands of roses about their heads. They look almost like little children. I don't know if they're girls or boys, or whether they have any gender there, but they're beautiful. They look like very innocent little children. And they have rose garlands all about their heads. Oh, they're beautiful! Beautiful!

And the light is so bright now I can't look into their faces. It's a brilliant light. I can't explain the light. It's a tremendous light! Oh, it seems to - I can't explain it. It seems to encompass you and suspend you. I can't explain it.

Now Jesus is touching His lips with the first finger.

Jesus - "My child, much of the message now shall be given to you in photographs. They will not be publicly disclosed at this time."

Veronica - Now Jesus is placing His hand in front of Him, like this, with His fingers raised out, His two fingers up, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

It's very windy now. Jesus is starting to go across the left side of the sky, and Our Lady is behind Him. And Michael is now covering - oh, the whole sky. And now Jesus is just about over near the top of the tree on our left side, and He's bending over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now They're starting across - Our Lady is following directly behind Jesus. Now They're coming across the sky. Now Jesus has passed beyond Our Lady's statue. Now They're just over the Michael banner. And now Jesus is looking down, and He's motioning. I don't know. He's motioning to Our Lady, down to the Michael banner and nodding His head.

And now Jesus is placing His hands out in front of Him, like this, with the three fingers raised, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children. Many graces shall be given to bear witness to the Message from Heaven."

Veronica - Now Our Lady is going backwards into the sky. She's rising very high into the sky. And the light is brilliant. Now the light seems to be coming out like spokes all about Our Lady. And Jesus now is rising also. They just float backwards; They haven't turned Their backs. They're just standing there with - oh, it's very windy. Our Lady's skirt is blowing, and Jesus' cape now has been caught in the wind and it's being wafted around His back.

And now Jesus is standing with His hand over His heart. Oh, there's a beautiful light about Jesus, becoming a very deep pink, a very deep pink. Just beautiful!

Now the light about Our Lady is gone from a white to a blue cast. It's a beautiful blue light, blue and white now. It seems to be changing colors. Now Our Lady is motioning.

Our Lady - "My child, you will be seated now. The photographs must continue."

June 18, 1977

Seventh Anniversary of Our Lady's Apparitions at Bayside

Veronica - The sky is opening up in the most beautiful coloring of blue. There are tremendous rays coming from the center of the sky directly over Our Lady's statue. The rays are not white; they are a pale blue, almost a white. Oh, they are so beautiful, so beautiful!

Now over on our right side, directly over the trees, I see many, many people standing over the trees. They're dressed in all types of garments. They look religious, religious garments. But now as I watch, I see that - no, they are people, people dressed very modestly in long garments. And now the women in the long dresses are placing beautiful blue berets upon their heads. They all look very happy, and I'm sure I feel just as deeply moved seeing all of the blue berets being worn under Our Lady's direction.

Now directly over Our Lady's statue, there is a tremendous, glass-like formation, round, circular in shape. And coming through the center of this tremendous - I don't know a word to describe how beautiful - it's like cut-glass, iridescent, crystalline. Oh, it's just beautiful! Our Lady is coming forward. Oh, She is so pretty!

Our Lady has on a long white gown with a beautiful blue sash about it. The sash - oh, is the coloring of the hats worn by the group of peoples over the trees. Our Lady has a long mantle, a beautiful deep blue coloring in the mantle.

Our Lady now is reaching to Her waist. Her beautiful Rosary with the golden Our Fathers and the beautiful white Hail Marys that are now glimmering as Our Lady is removing them from about Her sash band - they are glimmering. All the colors of the rainbow seem to be caught in the light about them. Our Lady is extending now the crucifix, the golden crucifix of Her Rosary in front of Her, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is motioning. And down from the sky, directly over on our right side, the sky is opening up, and coming forward down from the sky are beautiful angels. Oh, it is the most beautiful sight I have ever seen. They are dressed in all the colors of the rainbow. And now they're extending their hands, and they have in their hands a roping of roses. They're passing these garlands. And as they're passing them one to the other, coming in the direction of Our Lady, hundreds and hundreds of angels are now descending from the sky. They're grouped about Our Lady.

And now Our Lady is bending down upon Her knees, and with Her hands now in prayer before Her, and Her Rosary is now looped about Her fingers.

Michael is coming forward. He has the - his gauge, the gauge he always carries, in his right hand, and he has his spear. But now he is motioning with his hands to the right, and the gauge and the spear now are being settled into place, as though they're just standing in the air. There's no way to explain it.

Now Michael is reaching high over his head, and there upon what appear to be his hands - I can't see his hands; it's all cloth-like appearance - he has this very large, beautiful crown - garland of roses.

Our Lady now is kneeling down. And Michael is now hovering just above Our Lady, and he's placing upon Her head the most beautiful crown, a garland of roses. The roses are a bright red, a brilliant red, but the stems and the leaves appear to be golden in color. Oh, it is so beautiful!

Our Lady now has turned, and She's rising. She looks so beautiful with the blue mantle and the beautiful red roses about Her head.

Now Michael is going backwards into the sky behind Our Lady. And the angels are now grouped about Our Lady in a circle, and they are now passing a garland. It's a continuous garland and it's making its way directly up front. And Our Lady now is circled by a full garland of roses. The roses are all of the colors of the rainbow. I have never seen any flower like this before. They are blues, tints of purple, and golden leaves. I have never seen anything so beautiful: "Our Lady of the Roses."

Now Our Lady is rising a little higher above Her statue, and touching Her lips.

Our Lady - "My child and My children, My heart is full this evening with you. You understand now, My child, why I have asked you not to verbally or in writing defend your mission against the attacks of satan. Go forward, My child and My children, and do not become involved with trifles. There are many souls to be reached throughout the world with the Message from Heaven.

"O My children, I have sent a special guardian from Heaven, through the direction of the Eternal Father, to be with your Vicar, Pope Paul VI in Rome.

666 IN FULL CONTROL OF THE CURIA

"My children, what I have warned you of the past is developing fast in Rome. The agents of 666 now are in full control of the Curia. O My children, I beg you, as your Mother, to pray and pray for your Vicar. Do much penance and acts of atonement for your bishops. Many shepherds have fallen asleep. Satan has poisoned the minds of many. The doors of the Eternal City of Rome were opened and demons entered to wreak havoc in the House of My Son.

"My children, I have often counseled you to recognize the ways of satan among you. He will enter by means of persons, places and things. All upon the earth is now at his command. I have given you, My children, through visits upon your earth, through countless earth-years of visits, your weapons to use in this battle against the dark spirits. Satan has full control of the earth now, and all of the children of God will undergo a great test. The rulers of evil shall multiply in the days ahead. Sin shall multiply, and hearts will be filled with murder, covetness, fornication, and all manner of foul deeds.

"My children, guard your homes against the entrance of satan. You must protect your children now, for often they will go out of your house and meet with the adversary, the prince of darkness and his consorts.

"My children, you must not cast aside any of your sacramentals. You must gather them close to your heart. Your children must not go out with - outside your doors without a sacramental upon them. Do not fall to the blandishments of the evil ones who try to take you away from My Son by removing your sacramentals, by taking from your hearts and minds the knowledge of your God and the need for the Bread of life, My Son, within you.

"My children, as light bearers now go forward; search in the darkness for your brothers and sisters. In your charity of heart, weep for them; weep with My Son, solace Him in your charity. The heart of My Son is torn by the many abominations being committed by His shepherds; the heart of My Son is torn by the laxity and ignorance of their Faith of the parents!

"My children, ignorance can only be excused for a short time. But one man in his free will must go forward searching for the light and the truth. Science shall not give you the way; science shall cloud your mind, for the man of science is ever searching but never coming to the truth. Man now is climbing high into the stars, but he shall be brought down.

"My children, you must pray for your bishops, your clergy. The convents are closing; My Son's houses are being defiled and the doors are closing. A House in darkness wears a band of death about it.

"My children, you must set a good and firm example to others. By your example will you bring many back.

"You must continue, My children, upon the Mission from Heaven with great haste. There is no time to lose, no time to be wasted. You must now evaluate what is important and what is hindering you from your mission and cast aside all trifles. Do not waste time in evaluating upon the sins and the condition of the souls of others. You must not judge. It is better that you pray for another.

POPE PAUL VI-A BLESSED MAN

"Your Father, in the eternal city of Rome, Pope Paul VI, your Holy Father is a blessed man, for he carries his cross. Your Holy Father is a blessed man, for he shall be martyred.

Dear Holy Father, worried and wan
Will struggle with Jesus to gather the sheep.
The pastures are rich, but the sheep grow thin,
For the souls have succumbed to the sickness of sin.
You'll need reinforcements from heavenly shores,
So deep is the darkness of earth's shallow mores.
All hearts must ascend in true supplication
To avoid the sad fate of divine devastation.
Dear Holy Mother, your Mother of love,
Does beg you to heed these dire words from above:
His heart is torn by careless surrender
Of too many souls who don't try to remember
The Father, the Son, the Spirit of life -
Smite in the heart with the human knife
Of hate, greed, avarice, vanity:
All indications that sin is insanity.
What more must you do but place the full load
Of saving all souls on the few who are bold,
Who'll stand up and fight for all Heaven's glory
And meet with Pope Paul at the end of life's story.

"My child, that message was given for great reason and urgency. It contains the key to the mystery of the iniquity that is going throughout your world now. It is the battle, My children, the final battle, the separation of the sheep from the goats. You are all lining up now, My children: you will be children of the light or children of the darkness.

"Pray, My children of the light, for those who do not come out of the darkness. No one shall be cast into the abyss and damned to hell unless he goes there of his own free will.

"Before the final consummation upon earth, know that everyone shall have heard the Message from Heaven and will have made his choice. Pray, My children; prayer, atonement and sacrifice, I beg of you. The time is growing far short; the sands

run faster. It is but for the prayers and atonement of others that you had received two reprieves in the past. And you will go forward now, My children, with hope in your heart and confidence in My Son and the Eternal Father's plan for the redemption of mankind.

"Pray a constant vigilance of prayer in your homes. Keep the monuments, the statues, in your homes and you will be saved."

Veronica - Our Lady now is taking the Rosary from about Her waist. It had been knotted onto Her band about Her waist, the blue sash. And Our Lady now is placing it in front of Her, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, for My Son, in the Eternal Father, and the Spirit of life. We send among you graces: graces for cures and conversions, cures of the body and cures of the spirit. But remember, My children, it is the spiritual cures that are needed most now. Do not place too much value in physical cures. The spirit now must be cured, My children, for many soon shall enter over the veil and they must come with pure spirit."

Veronica - Our Lady is raising Her hand with the crucifix high above Her head, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My children, you have all been marked now with the sign of the cross. Go forward with graces from Heaven. You are now all apostles of the latter days. And many latter day saints shall come from among you. In the name of the Father, and of the Son, and of the Holy Ghost.

"You will be seated now, My child. There are many photographs to look into, but the first three must not be revealed."

[Pause]

Veronica - The sky about the trees is a deep pink. And now there is a whole lighted section opening up in the center of the sky. It's - the coloring is blue. It's very unusual because the pink is beginning to fade away all about the trees, and instead of pink now, it appears that we have a huge host in the sky that outlines all of the trees about the center over here, the site. And Jesus is coming forward from the center of this beautiful, large host that covers the whole sky.

Jesus is wearing - it's very unusual; He is all in white this evening. Jesus has on a white gown. It's a pure white. It's very white, just like sugar. And His feet are bare. And Jesus has all about Him a white - oh, it's like a mantle, a cape, pure white.

Now He's coming forward. Jesus has been in the center of the sky area. Now He's coming forward. And His feet are bare. I can see that the wind is rustling His garments, so that I can see His feet. In fact, now as I'm looking at His left foot - our right side, but His left foot - I can see the marks of the spikes that went through His feet.

Now Jesus is placing His hand in front of Him, like this - three fingers extended, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "My children, bearers of the light - and I say you are My children, for We have watched with great anticipation the reaction upon Our children in the present crisis in My Mother's mission upon earth. It gladdens Our hearts to know that satan has been unable to go forward with his plan to bring sorrow to My Mother's heart anew. As you understand, My children, man has a free will and can use his will for good or evil.

"The Eternal Father in Heaven does not force His will upon mankind. He allows you your choice. Every man, woman, and child of conscionable age, the age of reasoning, shall be held accountable in the days ahead for his actions and his reaction to My Mother's mission.

WORK TO ACCELERATE WHEN TREMORS COME

"I assure you, My children, the work for Heaven will accelerate when the tremors come to the earth. Be ye warned that houses will blow in the wind. And if this does not bring man back to his senses, then skin shall dry up on the bones and blow away as if it had never been! Many will see this, My children, and still not believe that it is the hand of God upon man, because the hearts of man have been hardened by sin; because sin has become a way of life among you.

"O My children, the reward is great in Heaven for all who will persevere in the days ahead. Remember, be prudent and say, My Jesus, my confidence when you are tempted. Temptation is always about you. Satan works through the material, and satan will come into your mind to influence your will.

"My children, it will become evident to you all why My Mother counseled you in the past to avoid all occasions of sin. And sin through the senses of sight is one of the major obstacles confronting mankind in the days ahead. Man has given himself over to pleasures of the flesh far beyond what is safe for the salvation of his soul. Fornication and all manners of desecration to your body, the temple of your spirit, the temple of your God, the light in you - this light has been extinguished by sin.

LIFE BEGINS AT CONCEPTION

"Every man, woman, and child of the age of reason knows right from wrong, for he has been given an inborn conscience. At the moment of his conception life is within the womb, and at the moment of conception a life is forming, regardless of what the agents of hell now pollute the minds of mankind with, creating murders of the young! I say unto you, life begins at the moment of conception and all who extinguish this light are murderers, and without repentance shall be condemned to hell!

"Many shall go forward in the days ahead suffering persecution for My sake. I say unto you, My children: you will follow My path as the dragon covers your earth. The dragon, My children, is the beast of power, the powers that now form 666 upon your earth. You will learn to recognize the faces and forces of evil about you.

"Listen well, My children, to the counsel of My Mother. Do not get itching ears, for you will be given doctrines of demons. Do not seek false shepherds. Flee from them for your own salvation and the salvation of your family's souls.

"Pray for your priests. Many are on the road to perdition and are taking many souls with them by their bad example. Remember, My children, your priest is a human being and subject to temptation in his human nature.

"During the consecration of My Body, regardless of his human nature, whether it be saint or sinner, I come to you in full Body and Spirit. I come to you through him as a medium from God, through him as an instrument from God. Come to Me, My children, through these instruments, legally-ordained priests in My House upon earth, the Roman Catholic Church born from Saint Peter through My hand, and now guided, though shakily, by Paul, Pope Paul VI, your Vicar. He has not expired yet, though the enemies about him wish for his demise.

"My Mother gave you full knowledge of what transpires now in Rome. You will listen to Her counsel and follow it.

"My children, you must now make up your own minds. Shall you be of the spirit or the body? Are you materialistic or are you living in the spirit? Unless you live in the spirit now, you will not be of the spirit when you come over the veil. And many who hear My voice now shall be coming over the veil before you can count the numbers on one hand.

"My children, My Mother did not come to you to bring fear into your hearts; She came to counsel you as a Mediatrix between God and man. Do not question Her message. You cannot cast aside any of Her words of counsel to suit yourselves. No changes shall be made in My Mother's message, for no man shall set himself above My Mother, the Queen of Heaven and earth. She is your Mother also, and that is the reason She persists in begging for your repatriation.

"My children, honor My Mother; console Her in Her agony of seeing Her children falling fast into the abyss. If I could bring you with Me across the veil and watch the countless numbers of souls being lost to Us daily - they are falling into hell as fast as the rain falls, as fast as the snow falls upon your earth!

"My children, console the bleeding heart of My Mother; console Her by accepting Her words of counsel and acting upon them. Prayer is the greatest weapon now you have against the forces of evil loosed upon your world. It is the battle of all battles - satan against the Spirit of life and light. Satan has now mobilized the full forces and fury of hell against you! My Mother has prepared you well if you accepted Her counsel.

"Your world shall go and pass through a great crucible of suffering. The earth shall be shaken and many nations shall disappear from the face of your earth - instantly!

"My children, ponder upon My Mother's words now as you go forward upon the Mission from Heaven. Give all you can in charity of heart. Bring the knowledge to the world, My children. Give and you shall receive threefold.

"Parents, go forward with your Rosary and your Bible. Admonish your children with heart; discipline them for the salvation of their souls. Permissiveness allows them to come face to face with evil. A child must be guided by a strong hand and heart.

CALL UPON YOUR ANGELS

"My children, accept all of the graces being given from Heaven to comfort you and strengthen you in the days ahead. Wear your sacramentals as directed by My Mother. Call upon your guardians, your angels. Many are falling asleep, for they have a lack of work. My children, they, too, suffer laxity among you: they suffer from your neglect. Call upon your angels. They desire and are most happy to be with you and help you.

"My children, it is a war of the spirits now such as never has been seen upon the earth before. Many prodigies, many miracles shall take place, but test the spirits, My children; satan has great knowledge, also."

Veronica - Now Jesus is placing His hand in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now directly behind Jesus - He looks so beautiful in that white outfit. This is the first I've seen Him completely covered in white. It's like a sheeting. I can't explain. It's a pure white, though. The light is so bright I can't see Jesus' face, because His head now is covered by this mantle He has, a white mantle, a sheeting, all about His head.

And now He's pointing upward, and Our Lady is coming forward. I don't know where She came from. I didn't see Her in the background, but She's coming out of the sky now with Michael behind Her. Michael is tremendous. He covers the whole sky. Oh, he is tremendous in size!

And all about Our Lady now, I see these beautiful angels. They look very young, the grouping coming forward now. They look like they may be children. And they're dressed in all different gowns. They almost look like the colors of the rainbow: pinks and blues, and light purples and greens, a very pale green. And they're holding now a rose in their hands, a rose.

Now I see many, many other children in the sky, and they're all holding roses, too. I do feel a little sad. There's something about those children that are different. Our Lady is now touching Her lips.

Our Lady - "My child, you see those who were not born onto the earth. They were returned without fulfilling their mission, murdered by the hand of mankind."

Veronica - Oh, my!

ABORTION IS MURDER

Our Lady - "Abortion, My child, is murder, as you can see. These are the children that were not given life as they would have grown upon earth."

Veronica - I see the most beautiful little boys and girls now. The boys seem to be dressed in Communion suits. They're black and some are wearing white. And they all have a rose in their hand. And I see little girls now coming forward. They're dressed in Communion dresses. They are so beautiful. It, it makes you feel very sad to look at them. They all are carrying a rose in their hand.

Our Lady - "Lives, My child, that have never been lived; pure flowers pulled from the soil."

Veronica - Oh, now Our Lady is raising Her hand to Her eyes. Oh, She's brushing Her eyes, the tears. And now Jesus is touching His lips.

Jesus - "My children, I have warned the nations that the abomination of murders of the young must be discontinued. For measure for measure We are counting these abominations, and the punishments and chastisements shall be metered in accordance with the numbers of murders of the young. No city shall escape the just wrath of an angry God."

Veronica - Oh, now Jesus is pointing over to the left side of the sky, and I see a map of the United States. And I see a great, big cross, a black cross being placed over - it looks like Long Island now. No, it would be about the Manhattan area - a very large black cross. It's very ominous looking. It's being now placed - it's floating; the cross has gone from Long Island - I don't know - from Long Island down, now it's covering, I believe it's all of Manhattan, like in New York City, and - oh, my! I don't know!

Now the cross is disappearing. I can still see the outline of the east coast. Our Lady is now touching Her lips.

Our Lady - "My child, no more shall be given for the time being. You understand, My child, now why I cautioned you to send out the message with great haste.

"You will all now keep a constant vigilance of prayer going throughout your world and your country. No nation shall be destroyed that turns back to a sorrowful Father in Heaven and repents of its sin.

"I assure you, My children, no man shall be lost if he turns from the ways that offend the Eternal Father, and repents of his sin."

Veronica - Now Our Lady is holding Her crucifix out, like this, on Her Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Continue now, My children, with your prayers of atonement. They are sorely needed."

July 15, 1977

Eve of Our Lady Of Mount Carmel

Veronica - Directly above Our Lady's statue there are huge, in ball-like formation - I can't explain it; the blue lights now are dotting all about the sky. They always announce Our Lady's coming. And now the blue lights seem to be evaporating, disappearing on the outside of the tree area.

Our Lady is coming directly forward from the center of the sky over Her statue. Oh, the light is tremendous all about Our Lady! She has on a beautiful brown, deep brown gown, and Her mantle is a cream-colored, beige-white coloring. The mantle goes all about Our Lady's head, extending down onto Her shoulders and to Her feet. Our Lady has a pair of brown sandals. They look like skin-like in consistency. They are - around Her ankle, there's a strap about Our Lady's ankle and two pieces of the skin-like, whatever the sandals are made of, material. They come forward onto Our Lady's toes. They're like belted.

Our Lady now is motioning, but I notice the extension from Her hands of a huge Scapular. Our Lady is holding in Her right hand a very large Scapular. It's made all of brown cloth, and two pieces of deep brown cloth. I see nothing about them, just a plain cloth. Our Lady is now placing the Scapular about Her neck. One piece would be behind Her on Her neck and the other is hanging very far down onto, below Our Lady's belting. It is a very heavy cording.

Our Lady is removing the Rosary which She had belted at Her right side, Her beautiful Rosary with the golden Our Fathers and the white Hail Marys. And Our Lady now is taking the crucifix and kissing it. Now Our Lady is extending the crucifix out in front of Her and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking all about Her on the right and to the left. She has a very sweet smile upon Her face. Oh, Our Lady is happy, and yet there is a great sadness, too. Our Lady now is touching Her lips with Her first finger, which means to listen.

Our Lady - "My child, I know of the great anxiety in your heart and in the hearts of many this past week in your areas. O My children, recognize what is happening to mankind now. I have told you in the past, and I repeat again, many warnings of minor nature have been given to mankind to awaken them from their slumber. The Eternal Father, His hand shall descend upon man because man refuses in his obstinacy to turn back from his sin and make amends for the offenses to the heart of the Eternal Father.

"My children, I have given you the way of My Son. I have come to you through countless earth-years to direct you and counsel you, to keep you from going farther out onto the road with no return. My children, all that has passed in your life shall now accelerate in occurrence.

UPHEAVALS OF NATURE

"O My children, My heart is torn that you will not turn about and get down to your knees. Throughout your world now there will be great trials set upon mankind: upheavals of nature, discord in governments, nations at war, fire raining from the sky! My children, you ask for peace, but you are traveling to your own destruction as you build up armaments to kill your brothers and maim!

"My child and My children, as it was in the time of Sodom and Gomorrah, so it is in your age and your generation, man is becoming debased and defiled! We look upon all manner of degradation and abominations being committed by man. I repeat to you, as was given in old and is true today, that man shall not consort and lie with man as with womankind! This is an abomination in the eyes of the Eternal Father!

"Man shall not cast lustful eyes in the direction of his neighbor's wife, for this is an abomination in the eyes of your God!

"Man shall not lie with beasts, for this is the worst of abominations, a defilement of the flesh!

"My child and My children, man now is far worse in his human nature of defilement of the body, far worse than any sin committed in the times of Sodom and Gomorrah! My children, unless there is a major change in the ways of man that offend his God, We cannot hold back the great chastisement from upon mankind! It will come soon!

"My children, you will experience a time of great suffering. As man becomes defiled in nature, he will lose all sense of charity of heart, for he has no God within his heart. He will abuse his neighbor in all manners of defilement; he will commit murders, robberies, defilement of the young, abuses of the flesh! My children, as time goes on, you will feel that insanity has gripped your world.

"Homes must now become a stronghold of godliness! Homes must be a refuge for the children against the onslaughts of satan now loosed in your world. Parents must give a good example of godliness and piety. Woe to the parent who discards or goes along with apathy in his role as a parent. There will be much gnashing of teeth and woe set upon the earth by the evil ones now loosed from the abyss. The forces of 666 are now raging like ravenous demons throughout your world. They have entered

into the governments of the nations; they have entered into all medias of communication, and they have entered into My Son's Church!

"Pastors, bishops, you must return discipline to My Son's House! A House in darkness wears a band of death about it. All that is rotten will fall! And only a few will be saved, a small remnant!

"My children, as you pass through the great crucible of suffering that will soon be set upon the nations, you will all be tested. The wheat shall be separated, the kernels from the chaff; the sheep shall be separated from the goats. My children, you cannot, in your human nature, understand the ways of the Eternal Father. He is a merciful God, but in His mercy He has reasoning for the separation.

"My children, see My habit given by the Eternal Father. Children of God, in vocations to the sisterhood, whatever shall become of you? You have become foolish maidens without modesty and piety. You run with your heads high in the air in clouds of darkness. You remove your habit and take on the raiment of the world. O My children, you are defaming your vocation!

LONG HABITS-SIGN OF DEDICATION

"Sisters, do you not understand why you were given a long habit to wear? It was a sign to the world of your dedication. You were to become brides of Christ, My children. And what have you given to the world, but a poor example of worldliness without dedication. You have become of the world; you have proceeded onto the wide road.

"Sisters in vocations, turn back! Do not become maidens of the world, foolish maidens, but return and be brides of Christ, brides who have been given the key to the Eternal Kingdom of your God.

"My sisters, without this firm dedication and example of piety and holiness, you cannot induce or lead others into your vocation. The convents are slowly closing. And why, My children? Because there are too few who try to find the real reason. They have succumbed to the lures of the world.

"My children, you are fast proceeding into a time of great struggle and great sacrifice for many, and great suffering. O My children, I cry to you, I come to you as a Mediatrix between God and man. Listen to Me now before it is too late! The nations cry peace, peace, but they prepare for war! My children, it would be but one madman, a man who has given himself to satan to plunge the world, your world, into a bath, a bloodbath of fire!

"You must keep a constant vigilance of prayer going throughout your country and the world. Many minor warnings have been given to mankind and go by unnoticed! The Eternal Father plans to give more, and they will become more severe and more lengthy in time unless you turn back!

"You must restore My Son's House to its former glory, for a House in darkness wears a band of death about it. Return discipline! Bishops, leaders of the flock, take yourselves out of the world! You are compromising My Son's House, the Faith! You are misleading! And woe, I say unto you, that many mitres shall fall into hell!

RATIONALIZING OF SIN

"My children, We hear all manner of rationalizing of sin and error. There shall not be an excuse of rationalization for sin given as you stand, O shepherds, before My Son and He gives you your just reward.

"There will be many prodigies given upon the earth and in the air. Test the spirits, My children, for it is truly now a war of the spirits, a war far greater than man has ever passed through.

"Children of the light, light bearers, you must go forward now with perseverance and confidence. Never slacken in your pace of sending the Message from Heaven throughout the world. When you become despondent or grieved, you will say, My Jesus, my confidence! My Jesus, my confidence!

"You will keep all of the sacramentals with you, upon your person, for in this war of the spirits, My children, I assure you, you will need every one of them. Surely, it will be a battle to the finish. You will be scoffed at; you will be called crazy and all manner of other epithets the unbeliever can devise. But, My children, you will follow the same path as My Son. Pick up your cross and follow Him. The road will be strewn with thorns. I assure you, My children, you will pass through them, but then you will find a field full of roses and lilies."

Veronica - Now Our Lady is moving over to our left side; that would be Her right side. Our Lady is moving over just directly above the banners, and She's extending Her hand out now with Her crucifix and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is going further over on Her right, just directly above the tree, and She's standing out now, like this, with Her hand extended and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is turning. Now directly behind Our Lady, Michael, Saint Michael is coming down, and there are - oh, quite a number of angels; I can tell from the outlines of their figures. They're dressed in long robes. Oh, they're beautiful. The coloring about them is so beautiful. It's like a huge rainbow now forming all behind Michael and all of the angels that are joining them now. And they're following Our Lady across the sky.

Our Lady is standing directly above Her statue, extending Her crucifix out now, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is floating across - She doesn't walk, it's like She's carried in the air; She just floats across the sky. And Her cape, Her mantle, is kind of billowing out behind Her. And Our Lady is going across the sky now, and bending over. The light is very brilliant, and I can see the Scapular. Our Lady has on the long Scapular, and it's dangling now in front of Her. It's a huge piece of brown cloth. And She's now extending out the crucifix of Her Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is backing up.

Our Lady - "Continue now, My child and My children, with your prayers of atonement. They are sorely needed."

[Pause]

Veronica - The sky about the trees is a very deep pink, a beautiful color. However, the rest of the sky is very dark with a very ominous look about it.

Now directly over Our Lady's statue, the sky is opening up. It's just like the darkness is being pushed forward and to the side. And directly from the center of the sky there is a huge circlet of light. It's growing wider as it seems to float forward. Now in the - directly in the center, I can see Jesus standing. He's being carried forward. He's not walking, He's just standing still. But now He's quite close. He seemed to have come from quite a distance. Now He's standing directly above Our Lady's statue. He has on a beautiful burgundy-colored cape and a cream-colored gown with a belting, quite a tight belting. And Jesus' feet are bare. I can see the wounds upon His instep.

Now Jesus is holding His hand upon His heart. And now He's taking His hand away and holding it out, like this, and I can see a huge red heart now emblazoned upon His chest.

Now Jesus is touching His lips with His first finger.

Jesus - "My child and My children, listen well to what I have to discourse with you of. The events within your area did not come by accident. I have told you in the past, and I repeat Myself anew that there will be many minor warnings given to mankind in Our concerted efforts to turn man back from his sin. As it was in the days of Sodom and Gomorrah, your city of New York has become a cesspool of sin.

MANY TO BE TAKEN UP IN THE RAPTURE

"My children, there are many good to be saved; there are many children of God still in these areas about your country. However, I cannot promise you a life without thorns upon your earth. Many good will suffer with the bad. There will be a gradual removal from within your world of the good. Many shall die in their earthly bodies, and many shall be taken up in the rapture.

THREE WARNINGS TO NEW YORK CITY

"My children, as you go forward now, you are entering the time of great sorrows. Without enough prayers and acts of atonement to the Eternal Father, the nations shall rise against nation and there will be much bloodshed and gnashing of teeth among mankind. The loss of charity of heart has taken full grip upon many.

"You understand, My children, I hope, the lesson given to you in the past night* of how man in his sin will become as an animal. I sent onto your city, My child, three warnings. Now the next shall be a terrible cross for many.

"Within your land, the United States, and many nations that have fallen to corruption and sin, great trial will be given. The crops will fail; there will be famine and thirst in many regions. There will be set upon your city, New York, a great plague, My children. Those who are on the waters may escape the rodents.

"I realize, My child, the great terror, the knowledge in sight, I have given you of what is to be, the great terror it brings to your heart. But I assure you, My children, if you are of well spirit, you will have nothing to fear.

"You must remember the vision I gave in warning some time ago of the great cross of suffering upon your city, and covering the nearby areas.** My children, minor chastisements and warnings have been given and will be given until the great chastisement of fire upon all of the earth.

"My children, you must not question the ways of the Eternal Father. He has a plan for every life He has set upon your earth. Because of the major role the city of New York and San Francisco of California have played for the debauchment of souls, a great punishment shall be meted to them. And this is given in the light of true charity and mercy of heart of the Eternal Father that this, too, can be avoided or lessened by your reaction and your action in the face of this warning.

"Pray a constant vigilance of prayer. Make atonement to the Eternal Father for the many offenses! The greatest sin now being committed in your country, the United States, and many countries throughout the world are sins of the flesh. They are sending many into hell! And these sins of the flesh, sad to say, have reached into the consecrated lives of My clergy.

"I am the good Shepherd. I do not scatter the flock, but seek to gather them before the great crucible of suffering. My shepherds upon earth, you must return to a life of discipline and prayer. You cannot be in the world and of the world, for you then will not be of the spirit.

DEMONS OF HUMANISM AND MODERNISM

"There are many children without the light now, and the measure of responsibility is with My shepherds. You must understand that the supreme and first commandment of all and to all mankind is honor to his God. And the Eternal Father is your God in the Trinity. If you reject Him, if you build a new house, a new church upon earth, it will not have the angels at your side; you will have demons of humanism and modernism to your own destruction.

"The Eternal Father waits with a heart of mercy, waiting for you to return.

"Pastors, you are going downstream like flocks of ducks, neither caring nor knowing nor searching for the truth. You are playing follow the leader to your own destruction.

NO WOMAN SHALL STAND IN THE HOLY PLACE

"All who have received the Holy Spirit have consecrated hands. And I say unto you none but legally-ordained priests in My House shall bring My Body to the multitudes! No woman shall stand in the holy place! No woman shall vie or compete for rulership in My House. I say unto you, you must go back and read the Commandments of the Eternal Father; you must go back and read the rules that Paul gave to you. You cast him aside and you write another book, a bible, a tome; you write it to suit your own basic carnal human nature.

"The way has been given to you in the past, and the way does not change. It is a simple way. The rules have been given and you change them for what? Were they imperfect? Have you considered the Eternal Father to be in error? I say unto you, you blaspheme in your consecration. I say unto you, you will return My House to its former status of honor, glory, discipline. You must, as shepherds, give a firm example of holiness.

"My children, the saints in Heaven cry for all of the abominations being committed in My House upon earth, the Church. We do not want a separation within the ranks. United you will stand; divided you will fall!

"There was great unity in My House upon earth, but man became unpious, unholy, and with itching ears he has listened to doctrines set forth by demons. Now, My shepherds, you will close your ears to your modernists and those who seek change and who will build a church of man. No, I say unto you, this shall not be tolerated by the Eternal Father! You are permitted a long rule for reason. The Eternal Father hopes, in His merciful heart, that you will come out of your slumber and see the light. You are walking in darkness.

"My children, you must keep a constant vigilance of prayer going throughout your country, the nations of earth, the world. Prayer has great strength against the demons that are loosed in force now upon your world. The agents of 666 have entered into all of the medias of the world; the agents of 666 are now in Rome. Your Holy Father, your Holy Father, Pope Paul VI, he suffers much because of the disobedience and the Judases about him.

"My children, you will all recognize the faces of evil. Satan has entered into the highest ranks of My Church. Pray now for your priests: your bishops, your cardinals, your clergy. Many prayers are needed, for many are on now the road to perdition and taking many others with them.

DO NOT DESERT MY CHURCH

"My children, do not cast aside your sacramentals. They are your armor in the days ahead. Do not desert My Church. Do not judge it by the man who has stood there in ignorance or in pride and changed it until it will almost be unrecognizable. I am still with you, My children. Do not leave. You must stay and fight. In this manner, My children, shall the sheep be separated from the goats. It is a form of cleansing."

Veronica - Now Jesus is placing His hand out in front of Him, like this, with His three fingers extended, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming down. She was up, high up in the sky on the left hand side, with Michael and the angels, and they're all now coming down. Now Our Lady is coming right up to Jesus. She's standing by His right shoulder; She's just a little below His shoulder. Jesus is quite tall.

And now He's turning and smiling to Her, and They're going over now, over to our right side. They're standing now just above the second tree, and Jesus is bending over now; He's extending His hand out quite far, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My Son - "

Veronica - Now Jesus is going across the sky. He's turning back. He's looking back at the trees and down again. Now He's going directly across, coming above Our Lady's statue. He's turning now. He's placing His left hand over His heart, and His right hand in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Eternal Father blesses you with the Spirit of light. You will receive graces as numerous as the petals of the roses, graces for cures and graces for conversion."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Jesus - "My child, now you will be seated and read the photographs. They are most important."

Veronica - "I don't like rodents, I don't even like mice."

FAMINE IN AMERICA

Rodents and flying creatures eating the crops. A plague. The boats will not anchor to the land. A just punishment upon man. Famine in America the beautiful. No one shall have the price of the wheat. Man shall become like animals, killing their neighbors. It will be like dog eating dog.

Bands of roaming homosexuals shall attack the young. People will live in fear, their doors barred. There shall be no love or charity between neighbors. Fear shall grip the nation. Murders will increase and the crops will rot. Rodents will run, scavengers will fly, transported by air through the states.

For a nation where much has been given, much has been expected. And man of this great nation has rejected his God. It is only through trial and suffering shall he return to his God.

*A massive power failure in New York City due to successive lightening bolts Wednesday and Thursday, July 13 and 14 of 1977. The blackout lasted 25 hours. Looting and vandalism resulted in losses of millions of dollars.

**Veronica saw in vision on June 18, 1977, an ominous-looking, large black cross hovering over the Manhattan and Long Island area of a map of the United States. The vision was amazingly fulfilled less than a month later through the New York blackout.

July 25, 1977

Eve of Saint Anne and Saint Joachim

Veronica - There are blue lights forming all about the sky. The color of the lights is a deep blue, a beautiful coloring that's very difficult to describe in human language. Heaven must have another name for the colors because they are a brilliance that I have never seen in coloring upon earth.

Now directly over the banner the sky is opening up. It's just as though the clouds, which were tinged in blue and pink all about the blue lights, are blowing away like a mist. It's very difficult to explain. Now the sky is opening up directly over the Saint Michael banner. Our Lady is coming through the light. I've always called Our Lady "Our Lady of the Light" for that reason. She's coming forward. And - oh, She looks absolutely beautiful!

Our Lady has on a very white gown. It's so white I can only compare it to the sugar, to our sugar, the whiteness of it. And She has a blue belting about Her gown. The belt is tied very loosely and hangs down quite long. It's of a cloth. I can see it. I call it a belt, but it's like a sash more, it's so wide. A beautiful deep blue.

Our Lady has Her beautiful Rosary about the belting on Her right side. There is a covering about Our Lady's head. It's all white, and it has a tinge of gold trim - I would say about an inch of gold trim all about the outside of Our Lady's mantle. Oh, She's so beautiful! The whiteness of Our Lady's gown lights up the whole sky about Her. She has that tremendous inner light coming from within Her out. It's very difficult to explain. That makes it almost impossible for me to look into Our Lady's face. So beautiful!

Our Lady is holding in Her right hand Her Scapular, the very large brown Scapular with the two pieces of cloth. It has no figure upon the cloth. Now Our Lady is placing the Scapular about Her head, over Her head, and one piece is hanging down, quite far down onto Her waistline, the brown cloth.

Our Lady is taking Her Rosary from Her waistline, and holding the crucifix out, like this. The Rosary Our Lady is holding is a beautiful Rosary. The Our Father beads are golden and the Hail Mary beads are white. And as Our Lady turns, the white seems to - the beads seem to catch the coloring all about Our Lady, and it looks almost like a rainbow of color coming out from each bead. Our Lady is placing the crucifix of Her Rosary forward, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is moving now over to Her right, and looking down, and extending Her Rosary out: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is moving backwards. She doesn't walk; She's just gliding, like carried by the wind back over the Michael banner. Now in the background I can see the sky opening up farther, and Michael is coming forward. He covers the whole sky. He is a tremendous size! Oh, my! Now Michael is standing behind Our Lady and he is carrying the golden balance in his right hand and his spear in his left. Now I hear his voice, a tremendous booming sound that seems to reverberate and vibrate through you as he talks.

St. Michael - "Listen and harken to the words of the Queen of Heaven and earth. She comes to all mankind to warn man of earth that the time is growing short. Many chastisements shall be sent upon mankind to awaken him to the knowledge of his offenses against the rule of Heaven."

Veronica - Now Our Lady is coming closer. She's standing directly above Her statue. And now She is placing Her first finger to Her lips, which means to listen.

Our Lady - "My child and My children, I repeat Myself over and over for reason. With each message and counsel I give, I pray with confidence in My heart that another poor soul will listen to My words of warning.

"There are many evils throughout your world now that have been created by man in his arrogance and pride. Technology and science of man have promoted diabolical machines for the destruction of mankind.

"I have counseled you in the past, My children, that unless you make amends, make atonement, do penance, and sacrifice for the sins of mankind, you will be subjected to many trials and chastisements. The good will suffer with the bad. But know, My children, that those who suffer are victim souls, victims to the merciful heart of the Eternal Father for the sins of mankind.

"My children, there are many errors now being promoted throughout your world in your schools, and in your governments, and even in My Son's Church, His House upon earth. These errors are given because man has given himself to satan. Little by little he is chopping away at the foundation, but the foundation shall not give, because My Son is the foundation of His Church. The walls may crack and the rodents may enter; however, the foundation will not be removed.

"My children, there will be a gradual removal from the world of the earth's peoples. The sheep are being separated from the goats.

"My children, I must give you all fair warning now that if you conform with all of the new modes, and all of the modes of the world, in the name of humanism and modernism leading to satanism, I say unto you that you will conform and die on the

vine! My Son is the vinedresser, the Eternal Father is the vine, and you were all placed as branches on this vine to grow and flower, and bring forth good fruit, but you have chosen to poison the waters, and you are bringing forth bad fruit! Because of this the Eternal Father will seek to shake the vine, and all that is rotten will fall!

"A Church in darkness wears a band of death about it.

"My children, parents, you have a great measure of responsibility now to teach your children in your homes. They must be given a firm foundation of Faith, but the true Faith, My children, not faith that has been distorted until man has brought in now doctrines of demons.

"My children, there is insanity from sin now in your world. Man, in his pride and arrogance and materialism, has brought about a state in which sin is becoming a way of life now. As it was in the time of Sodom and Gomorrah, as it was in Noe's time, My children, you are traveling the same road. You learn nothing from your past but commit the same errors; only now, My children, they are far worse than in the time of Sodom, Gomorrah, and Noe.

"My children, the homes, the refuge for children, whatever shall become of your family life? Parents have turned from their roles as parents, giving themselves over to pleasures of the flesh - pleasure-seeking, feeding themselves with all manner of corruptive influences while the soul is starving.

"My children, why do you not recognize the signs of your times? Why is man, in his blindness, calling down upon himself many chastisements? Floods, earthquakes, famines, plagues, until all shall be cleansed by the Ball of Redemption!

"My children, My Son has given you the way. He is the way. The rules were simple. Pastors in My Son's churches, you do not read your Book of life, the Bible. You are too busy committing yourselves to pleasure; you are too busy indulging your mortal appetites; you are too busy being deluded by satan with all rules of modernism and humanism and secularism - all of the 'isms,' My children, that are leading you to communism.

"O My children, recognize, I repeat, the signs of your times. You are fast selling yourselves into slavery. Your government and the governments of the world are now almost in full control of the agents of hell. The forces of 666 are firmly entrenched in your government, in the clergy - your pastors, your shepherds, your bishops; even satan has entered into the highest realms of the hierarchy in Rome.

COUNCIL OF VATICAN II

"My children, the Council of Vatican II was started with good intent, but the doors were opened to all manner of heretics, causing a slow pollution of the Faith. My children, you must now awaken the pastors from their slumber! They have given themselves over now to a new religion of man.

"O pastors and foolish maidens of the world, those who have given themselves to vocations and then defiled the rule, do you not understand and recognize that you have been deluded by satan? The convents are closing, the churches are empty, and why? My children, I have repeated over and over that if you return to the rule and discipline as given by My Son, you must now have a rule of the cross and not of man. You must read the Bible and act upon it. Cast not aside the teachings of the founders of My Son's Church. Saint Paul, you revile and deride him. You cast him aside, and why? So that you can write and rewrite the words of your God to suit your own basic carnal human nature.

YOU KNOW NOT THE DAY OR THE HOUR

"My children, every man, woman, and child of conscionable age and knowledge must give an account of his actions and the manner in which he spent his time upon earth when he comes over the veil. I assure you, My children, you know not the day or the hour: tomorrow you could leave, within the hour you could leave. Only the Eternal Father and the Trinity knows the time of your coming.

"My children, listen now and act upon My counsel. The time is growing short. Satan has poisoned many minds. Satan has entered into the highest places of My Son's Church. It will be bishop against bishop, and cardinal against cardinal, for satan has set himself among them.

"There will be a battle. There is raging, My children, a battle far worse than any battle ever experienced upon earth in the past, or ever will in the future, for it is a battle of the spirits, the battle between good and evil.

"My children, there are many armies now rising out of this chaos in My Son's House. They are little armies now, but given great strength by the Spirit of God.

"My children, you will all be unified under the banner of Faithful and True to the Eternal Father. To be faithful and true, My children, you must be of the cross, and follow the cross, and not one that has been made by man. You must remain true and faithful to the teachings as given to you by the founders of My Son's Church.

ENSLAVEMENT OF MANKIND

"In your world now of modernism and humanism, socialism, communism, secularism - all of this, My children, is leading to the unification of man into a one-world religion, a one-world church, and a one-world government to the enslavement

of mankind, creating a form of mass atheism in the world. Man is setting up false idols to worship: money, power, materialism. My children, none of this will have any value to you when you leave this world. You must now gather and store your treasures in Heaven if you want and wish to go there. These are called graces, graces given freely for the asking, graces for cures of the spirit before they come over the veil.

"My children, recognize and understand My counsel: The human body shall be left behind, but your soul, the spirit within you, is eternal and lives forever. And where shall you live when you go over the veil? The choice is yours. Will you come to Us in the Eternal Kingdom of joy and happiness and peace and love, or will you spend many earth-years of torment and longing in purgatory to be cleansed? Or sadly, shall you be claimed by satan, the father of all liars, the prince of darkness and damnation? The choice is yours, My children. No man shall enter into hell unless he enters there of free will.

"O My children, your world is so mixed up. Your world and My Son's Church is in deep crisis. I beg you, as your Mother, to listen now while there is time. Restore My Son's Church to its former glory. Bring back now all who have left My Son's House because of disillusionment and misguidance. Unite against the enemy of your God, satan.

"He now roams throughout your world. He has great power now. And the major power he receives is because man of the world is rejecting the knowledge of the supernatural. The supernatural is the spirit. If you reject this knowledge of the supernatural, then you will reject the light. Man cannot rationalize sin; man cannot rationalize his being which eliminates the Creator and His creation from history. My children, it is a delusion set upon the world by satan.

BISHOPS MUST CLEANSE SEMINARIES

"I ask, as your Mother, that the clergy, bishops in rule, must cleanse their seminaries and places of teaching. All heretics must leave. Discipline must be restored in My Son's Church. You will not compromise My Son's Faith, and House. You will not condone sin with permissiveness.

MEETING PLACE OF ALL MANNER OF DEMONS

"My children, My heart bleeds; I cry bitter tears to see the manner in which mankind has reduced My Son's House of worship and adoration to a meeting place of all manner of demons and abominations, defilement of My Son's eternal Body and Blood.

DOORS WILL CLOSE

"My children, unless you restore My Son's House to its former glory, with holiness and piety, discipline and dedication, the doors will close, for a House in darkness wears a band of death about it.

"My children, the gates of hell shall not prevail against My Son's House. My Son is always with you. If you are seeking Him, He shall not abandon you, My little children. Ask and you will be given the way: believe and you will find the light.

"Continue to keep a vigilance of prayer going throughout your world and the countries and nations of earth. Prayer is your strongest weapon now against the adversary.

"My children, I bless you all as the Father blesses you with the Spirit of light. There will be many angels among you. They are forgotten by mankind, but, My children, they are with you. They will help you in your struggles. And I assure you, My children, you will need their help. You will teach the little children the prayer to their guardian:

O Angel of God, my guardian dear,
For whom God's love commits you here;
Ever this day be at my side,
To light and guard, to rule and guide. Amen.

"My children, it is a simple word of counsel, and unless you be as a little child, you cannot enter into the Kingdom of Heaven: trust and confidence in My Son. Ask and you will be given the way."

Veronica - Our Lady now is placing Her crucifix out in front of Her, the crucifix of the Rosary, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children. You will receive many graces, graces as numerous as the petals of the roses.

"Continue now, My child, with the reading of the photographs. There is much work to accomplish."

[Pause]

Our Lady - "The foundation, My child, shall be built in time. Many arms will be sent in its development.

"The foundation, My child, will be called 'Our Lady of the Roses.'

"Do not be concerned at this time, My child, how this will be accomplished, for I have told you in the past and I repeat again: it will all appear before your very eyes.

"As the work progresses, My child, you must be most careful for your physical safety. Satan will do his utmost now to stop you. However, do not be concerned, for there will be others to carry on the mission.

"No, My child, I did not indicate physical violence at this time. But I must caution you to keep your doors barred to all but your close workers and immediate family. It is for your physical safety. Now, My child, you will take the photographs and read them."

[Pause]

Veronica - The sky is very pink all about the trees. It's a very beautiful color pink. And in the center of the sky, directly over Our Lady's statue, there's a tremendous light opening up. It's very difficult to explain. It's like looking into a pinpoint of light that's suddenly coming out of the sky and opening up in a circular movement until it widens and covers the whole sky. It's like a circle of light.

Now directly in the center is Jesus. He's wearing a burgundy-colored cape over His gown. Now His gown is like a beige color. And He has a belt about it. I can't see the belt now because it's not tied to the side hanging over like a sash. No, He has it just belted. And Jesus has on a pair of what appears to be brown sandals. It's sort of like thong effect. It's caught like at the toe and about His ankles.

It's quite windy, because Jesus' gown is blowing now as He's looking about. He's now removing His covering from His head. It was like a mantle. It's one piece - it goes over His head and straight down to His feet. Now it's hanging about His shoulders. Jesus' - it's very full; His cape is very full. Now Jesus is extending His hand out, like this, the three fingers extended, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, for the Eternal Father and the Spirit of light.

"My Mother has been counseling the world through countless earth-years now, and preparing Our children for what must come about. My Mother, as a Mediatrix between God and man, has traveled throughout your world shedding tears of pity upon you. Many listen, but more, My children, have grown hard of heart. They have closed their ears and their hearts to Our counsel. If you look about you now, you will find that the world is progressing into deep darkness of spirit. I repeat that a church in darkness will wear a band of death about it. The doors will close.

"O My children, there is much error, discord set upon the world by the evil one. Satan and his agents now are loosed in full force upon earth. The agents of 666 are in your government, in your countries, and many nations shall be steeped in bloodbaths.

EXPLOSION OF NUCLEAR WARHEAD

"My children, much of the sorrow that will be sent upon mankind, much of it will come about because of his own making. The greatest loss of life, My children, will come with the explosion of a nuclear warhead upon mankind. The Ball of Redemption shall follow, and not much shall be left of flesh upon earth.

"My children, as it has been in the past so it is today in your lifetime that man goes on his way not recognizing the signs of the times, and neither trying to mend his ways that offend the Eternal Father, neither trying to make restitution for the offenses against My Mother, and the Eternal Father.

SKIN WILL DRY UP ON THE BONES

"My children, there will be many warnings given to mankind, one a major merciful one before the great Chastisement. The Ball of Redemption approaches. It will come fast upon mankind, a heat so great that skin will dry up on the bones and blow away as if it had never been. Man will see and still not believe, so great is the sin upon earth.

"My children, parents, I caution you again to take full charge of the rearing of your children by good example and giving them a true foundation for their faith, by bringing to your children the knowledge of their God and the commandments of their God.

"There is little upon earth now, My children, little in penance and atonement in comparison to the world's millions of people to make restitution for these offenses to the Eternal Father, little to hold back the accelerating evil and the great warnings and chastisements that will be given to mankind in an effort to awaken him from his errors and sin.

"These are the days spoken of and written of through countless years of earth's times. These are the latter days, and there will be a crucible of suffering. The saints shall come out of the fires of suffering.

"My children, all who persevere shall win their crowns. Whenever you find yourself weakening you will say, My Jesus, my confidence!

"Retain all sacramentals in your homes. And do not be misled by clergy who have cast off their habits, outwardly and inwardly have cast away the true light. My children, the habit was always a signification of holiness, piety, dedication in My House, My Church. But, My children, do not be fooled by those who have fouled their habits.

"The agents of 666 now are loosed in Rome and have entered into the highest places of the hierarchy. It will be bishop against bishop and cardinal against cardinal, till all that remains will come forward out of the cleansing.

"My children, many of those who received sainthood after they came over the veil look forward with envy to these days that you are living in, wishing in their hearts that they, too, could join in this final battle.

DOCTRINES OF DEMONS BEING INTRODUCED

"My children, you will recognize the signs of your times. The evil has accelerated. Satan has poisoned many minds, even in the clergy. It is now the full responsibility of parents to be the leaders, the teachers of their children. Satan has poisoned the minds of many in the clergy and doctrines of demons are being introduced into My House.

"My children, it is with great sorrow that We look upon the abominations being committed in My houses upon earth. Know now, O bishops, shepherds of My flock, that We look upon you and find you wanting. You bring about a change, and for what? You were not satisfied with the rules, so now you make rules to suit your own basic carnal nature of man. And what are you doing, but you are reforming My House, and for what?

"In arrogance and pride you have placed yourself above your God. Believe, and do you believe, O clergy? Shall you stand before Me and say that your teaching has been pure in My sight? I say unto you: I shall spit you out as vermin into the flames! Vipers upon earth you have become. I say unto you: Your days shall be counted in the few.

"Many of My clergy are on the road to perdition and taking many trusting souls with them. It is a knife in My heart that satan has been allowed to enter into My Church, but now My Mother has been given, as a Mediatrix between God and man, the knowledge and power from Heaven to gather Our armies of little saints upon earth. And it will be these people, humble, of little means, but with full hearts, who will go forward and restore My Church.

"Know, My children, that it is a sure way of cleansing, pulling out the weeds, separating the wheat from the chaff, the sheep from the goats. All that is rotten shall fall, and My Church will be renewed, but not before great trial and disaster falls upon mankind.

"My children, you will all keep a constant vigilance of prayer going throughout your country, the nations of the world. Pray that satan does not enter and take the souls of your children in your homes. You must keep firm guard upon your household.

CLERGY SUCCUMB TO WILES OF SATAN

"My children, pray for your bishops, your cardinals, your clergy. Because there are too few prayers and acts of atonement and penance given for them, they succumb to the wiles of satan.

"Clergy, bishops, cardinals in My House, return to a life of prayer. Take yourselves out of the world. You have become seekers of pleasure, pleasures of the flesh. My children and My shepherds, you will all be judged, and shall I find you wanting?

"My Mother has promised to be with you as I am with you unto the end of time.

"There will be many trials set upon the world. And if you retain your sacramentals and keep your faith, you will go through these times with great courage and perseverance. I repeat: Many shall wash themselves clean in the Blood of the Lamb."

Veronica - Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming down. She was standing over on the right side, directly over the second tree. And Saint Michael, and there are many people now coming from deep in the sky. They're coming out. They're dressed in all different types of habits. They look like clerics. And I see two standing that look like - oh, they have like these Pope's hats, you know, the beehive hats with, like they go - the three levels. And they're coming forward. And now over, directly at Our Lady's right side, I can see, I know who it is. It's Saint Pius X. He's smiling, but very sadly, and he's saying:

MODERNISM MUST BE CAST OUT

St. Pius X - "Keep the Faith. Modernism must be cast out. Heretics must be set loose, but they cannot be retained. My children, you must listen while there is time. Restore the House of your God. Do not defile and commit abominations in the House of your God much longer, for you have been tested, and all that is rotten shall be cast out."

Veronica - Now Jesus is going across the sky. He's going over to our left side, and He's standing and looking down with His hand out, like this. He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming across the sky. And Jesus now - They're just floating. They don't walk; They just glide across the sky. And Our Lady is standing by Jesus. Now They're looking over. Now They're moving across the sky where Saint Pius X - he's standing now over by the second tree. And Our Lady and Jesus now, and Pius X, they're standing together.

And now Jesus is placing His hand out in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Eternal Father blesses you and sends among you the Spirit of light.
"Continue with your prayers of atonement. They are sorely needed."

August 5, 1977

Eve of the Transfiguration of Our Lord

Veronica - All about the trees there is a tremendous bright light. There seems to be a border of about two to three inches in thickness of light all about the trees. It makes a circular border over us.

Now directly over Our Lady's statue, the sky is opening up. It's like the clouds are rolling away. There's no way to explain the sky, the way it seems to separate.

Our Lady is coming in directly over Her statue. She is, She was quite a distance, because as I watched the sky opening, Our Lady was a small figure, but She's now coming in, just carried in on the wind. I can't explain it, but She seems to be floating; She has no weight, it seems.

It's just - Our Lady looks so beautiful! She has on a beautiful white gown with a blue belting about it. And She has a very long mantilla-like covering over Her head, down, reaching down to the bottom of Her skirt. It's a complete mantle of white. And all about the outside of the mantle there is a border of approximately - well, I would say about an inch and a quarter trim of golden braid. Oh, Our Lady looks absolutely beautiful! She's very slender, and it makes Her look very queenly.

Our Lady has a pair of golden sandals on Her feet. They're beautiful and very dainty looking. And I notice now on the strap there is one tiny golden roselet, a small tiny rose on Our Lady's instep, with the strapping going from Her ankle down to Her toes. Right directly in the center there's a beautiful golden rose.

Our Lady is reaching now to Her waist, and She's taking from about Her waist a beautiful Rosary, the Rosary with the beautiful large golden Our Father beads made of pure spun gold. And the Hail Mary beads are a white, but they almost look pink now as Our Lady is turning. They seem to reflect all of the colors of the rainbow. Our Lady is taking now Her crucifix on the Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is touching Her lips with the first finger of Her right hand. She is kissing the crucifix on Her Rosary, and saying:

Our Lady - "My child and My children, I come to you with a grave message of great concern to all mankind.

CRIES FROM TORN HEARTS OF MOTHERS

"Man has relinquished his knowledge, knowledge of his God, to the extent now that sin has become a way of life. We hear cries from the torn hearts of mothers coming forward to Us: Why, they say, why are we now, our hearts torn asunder? It is because, My children, sin is insanity! Sin is produced by the corrupter of mankind, the prince of darkness, satan, the despoiler of souls.

"My children, My voice has carried for years throughout your world of earth warning you of the coming of these times, the times of 666, the great forces of evil that would gather to do battle with the children of God upon earth. The battle now rages, My children. It rages in your government. It rages in the home. Your children are now victims of their elders.

"O My children, do you not recognize that the evil is accelerating in your country and the countries of the world? Murders have become commonplace. There is no realization in the clouded minds of sinful men that murder is an abomination in the eyes of his God. Murder in all forms is being committed and shall not go unpunished.

"My children, I have warned you in the past, and I warn you again, that when you cast aside the knowledge and the belief in the supernatural, you open yourselves to be attacked by the evil forces of the supernatural. You must call upon your God with firm purpose and true heart to protect you, or you will fall!

"Demons now are loosed upon the earth. They claim the body of any man, woman, or child who has fallen out of grace. They take on the spirit of darkness.

NEW YORK ON ROAD TO GREAT CHASTISEMENT

"My children, already your city New York has started on the road to a great chastisement, with many warnings given before. There is one loosed in your city and in your country who is a direct capture of the forces of 666.

"Parents, you have not listened to My counsel and protected your children with the sacramentals. Many children and young people have become now agents of hell going out about the world promoting murders and all manners of abomination to his fellow men.

"My children, awaken from your slumber. Shake your pastor from his slumber. The sheep are scattering.

"O My children, satan has full control now of your country. Satan seeks the soul of every Roman Catholic that he can seduce and bring into eternity of darkness. Satan now is using individual human bodies as his passport into the lives of Christians to destroy them.

"My children, I cannot give you, because of the frailty of your human nature, the full story of how and in what manner satan can do, and plans to do, a full capitulation of mankind into his grasp.

"These days have been warned of by many enlightened in the past. These days have been written for you in your Book of life, your Bible, and the agents of hell now take that Book and remove the truth, making it easier for satan to corrupt the souls of the young and capture the souls of the old.

LIVING WILL ENVY THE DEAD

"My children, if you do not listen to My counsel, you will live in a world in which the living will envy the dead, so great will become the corruption, the murders, the evil, even reaching into the highest places in My Son's Church. Pray, My children, a constant vigilance of prayer, I beg you as your Mother.

HOMOSEXUALITY AN ABOMINATION

"Protect your children from the agents of 666. There will be much woe set upon the earth by 666. Recognize the faces of evil about you. Man must not judge his neighbor. However, he shall not consort with evil. Man shall not condone evil or rationalize sin. Homosexuality is an abomination in the eyes of God and man! The Creator condemns those who do not repent of this sin.

"My Son cries bitter tears of remorse for His Sacrifice that has been cast aside, the knowledge of, and man continues upon the road to his own destruction once again. Have you forgotten so soon?

"O My children, you must make an individual and concerted effort to remain in the light with your families, your children, your loved ones; and if you have great charity of heart, you will endeavor to reach others who have not the graces that you do have.

"Parents must have firm discipline in the home. Parents must supervise the teaching of their children. The forces of evil are gathering fast to the eagle.

COMMUNISM-SCOURGE OF MANKIND

"Communism is the scourge of mankind, the enslavement of a nation. The serpent is in your country, O America the beautiful! The eagle has been plucked!

"Pray, My children, pray that this serpent does not come into your home. Protect it with your monuments, your statues. The evil forces have gathered to remove all knowledge of the sacramentals and the supernatural from your lives. It is a diabolical plan coming up from hell!

"The road to hell has been paved often by good intentions. Remember this, My children. Without prayer you cannot remain in the light. You must always direct your talks, your thoughts to the Eternal Father and the personages of Heaven to protect you and guide you. Seek not the counsel of man when it concerns the state of your immortal soul. For what man is there left upon earth who will counsel you in truth? Very few, My children. For the pastors, the shepherds shall stand before My Son and shall they say that their teaching has been pure in His sight? He shall cast them out as the vermin and the vipers they have become, for many have sold their souls to get to the head. What does it matter, O pastors and shepherds, if you gather and gain all of the treasures of your world, the earth, and you come bare across the veil with no treasures stored in Heaven? You shall be banished in the everlasting dead realm!

HE WILL PLACE A THOUSAND TRUTHS

"Satan is the father of all liars. He is the master of deceit. He will place a thousand truths among you if he can build up one lie of deception, starting it as an acorn and growing into a tree that one day shall be burned down in the fires!

"My children, listen well. You have all been placed on the tree of life, but My Son is the dresser of that tree. You are growing on His vine, but if you conform with the world, you will die on that vine!

"My children, can I bring you a message of joy when My heart is torn by the murders and the loss of respect for your elders? Children against parents, parents going about, running to and fro, marrying and giving in marriage, living adulterously, consorting with evil, with homosexuals and lesbians! What manner of life do you show for your children to make example of? Woe to the parent that scandalizes his child. It is better if that parent had died in his mother's womb! Woe to the pastors that scandalize the children! They shall burn in an eternity of hell for their deception!

"Shall My Son return among you and find even a flicker of faith left in your hearts, O pastors? Only a few shall be saved. Can you not work to be counted among the few? Will you give less honor to man and give more honor to your God, or shall you be forced upon your knees? Pastors and shepherds, the choice is yours!

"O My children, one day all will be made right, but the world shall pass through a great crucible of suffering. It will be a necessary part of the transition, My children, the separation of the sheep from the goats, the light from the darkness; the chaff and

the good kernel shall be separated. The harvest will be great. But, My children, who shall gather the largest harvest, My Son or satan, His adversary?

"Understand, My children, that you have an invisible life about you now, a world unseen to the human eyes, but it exists; in its nature it exists as you exist! There is only one major difference: their existence never dies; you in your human body will die, but your spirit will continue to exist, and where will you live in your full knowledge of your being? In Heaven, or in hell, or shall you spend years of eternity in purgatory? My children, I cry to you; I come to you as your Mother to bring you this message of warning. I repeat and repeat My message in great hopes that perhaps in this repetition I will reach one more soul. The Eternal Father does not wish that one be lost to Him.

"You must all proceed, My children, without slackening your pace. Send out the Message from Heaven with great speed. You will have truly a labor of love for souls. Pray, pray always, My children.

TEST THE SPIRITS

"There will be seen among mankind many prodigies, My children, many supernatural manifestations. You will test the spirits.

"Do not underestimate, My children, the power of satan and his fallen angels and those who he has won to bring his rule upon earth now. Do not underestimate their power, for it is great. However, no power is greater than the Creator. The Eternal Father permits much that man cannot understand to happen for the greater glory of God and for the redemption of mankind."

Veronica - Now Our Lady is taking Her Rosary from about Her waist, and She's extending the crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now directly behind Our Lady, Saint Michael is coming forward. Oh, the sky is opening up. It's so beautiful! Michael is being accompanied by many, many angels; I can see from their dress, their flowing gowns, that they're angels. They have an absolute beautiful feeling; there is no human way to explain it. It's a feeling, an emotion that comes to you; it seems to encompass you, the beauty and the peace and the joy of their being, because they are sanctified in the Lord. Our Lady said they are sanctified in the Lord.

Now Our Lady is placing Her hand out, and She is going over now with the crucifix from Her Rosary, over on our left side. She's leaning over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning. And Saint Michael has remained over the statue, directly in the sky, over the statue. But Our Lady now is floating across the sky, and She's holding the crucifix of Her Rosary in Her right hand. She's coming across the sky now, and She's almost over the tree now, on our right side. She's bending over. And Michael now is coming up to Her and standing behind Her, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as the Eternal Father in My Son, in the Spirit of light. I bless you with powers for cures or conversions - cures, conversions, and much that man will rejoice in, My children. All evidence will be given to mankind of the existence of his God. Rejoice, for man's redemption is near at hand. In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

"Continue now, My child and My children, with your prayers of atonement; they are sorely needed."

[Pause]

Veronica - The sky is becoming very pink all about Our Lady's statue. It's a beautiful warm coloring. Now directly over Our Lady's statue, there is a huge beam of light. And it started as a pinpoint, but now it seems to be piercing the darkness. I can't explain it. The light is like cut glass, and very crystal-like. Now all about, too, I see graces are going to be given this evening, because there are these tiny crystalline slivers that are coming out now all about the light. And - oh!

Now directly over the statue, Jesus is coming forward. It must be quite windy because He has His cloak-it's like a burgundy colored cloak, and He has to catch it about Him now because the wind is catching the cloak.

Jesus has on brown sandals. They're made like a skin-like sandal. I can't explain it. And He has a beautiful beige robe, a loose - looks like sheeting. I can't explain the way the clothes are made. They're kind of different than what we have. They're very loose and folded. It must take yards of material. And He has a belting made of like a twisted rope this time. His belting looks almost rope-like, yellowish-brown, sort of.

Now Jesus is placing His hand out in front of Him, like this, with His three fingers extended, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking all about Him. He is turning His head to the right, and now He is moving it and He's looking all about. Oh, He's smiling. He has the most beautiful eyes. I can see Him very clearly tonight. They're grey-blue, and they are - oh, I can't explain it. He has beautiful eyes! His whole face is beautiful. And He has a short beard; His beard is very trimmed, very short, very nice. He thinks my description is kind of funny, I guess.

Now Jesus is touching His lips with His first finger. That's the indication which means to listen and repeat.

Jesus - "My child and My children, I do not intend to stop the prayers of atonement to give you additional reference to My Mother's Message from Heaven. Be it enough that you have been warned, and warned constantly in counsel from My Mother to mend your ways. Repent, do penance, make atonement to the Eternal Father for all of the offenses that have torn His heart.

"My children, the evil is accelerating throughout your world. Do not fear the attacks from satan upon you. You will understand, My children, that you are all passing through a time of testing, the separation of the sheep from the goats.

GATHER YOUR GRACES

"You cannot accept two masters. One you will love, and the other you will learn to hate. And remember, My children, where your treasures are, your heart will always lie. And better that you gather your treasures in a place where there is neither rusting, nor attacks by moths, and robbers cannot take them from you. Store your treasures in Heaven, My children. Gather your graces. You must ransom your soul and the souls of your children, your households. Do not wait expecting to be repatriated at the last moment, My children. Many are coming across the veil unprepared, and sadly, they cannot be accepted into the Kingdom.

"My heart is torn now at the full acceleration of the evil in your country, your cities, and your world. My Mother made it quite clear to you that mankind is not beyond possession by satan. The human body and the human souls now are being corrupted by evil man through the influence of satan, My children. You must learn to avoid the faces of evil that come to you. You must do all in your human power with the graces that will be given to you freely to cast off the inclination to evil.

AGENTS OF 666 NOW IN VATICAN

"My children, there are forces now loosed upon your earth. The abyss is wide open now. 666 has entered in full force upon your earth. His agents now are in the Vatican. They have captured some of the highest seats in the hierarchy. They have taken over many governments. They are bringing the nations to the edge of destruction.

"When charity is gone, when love becomes the major issue, love of man for man, without the love of God due man, and I say the time will come when the Holy Spirit shall be withdrawn from man, and man shall go upon his way, fast hurtling to his own destruction by his own means, with his own hands. The destruction of the human body is inevitable. The destruction to the soul, the spirit in that human body, will be inevitable. If you do not seek the light, satan shall destroy souls.

"Your children are the innocent victims of their elders. The example in homes is poor, until the house shall be divided. It will be father against son, mother against daughter, as satan sets himself in their midst. Love shall become cool; love for neighbor shall become cool because of fear of neighbor, so great will be the evil of the world.

"My children, you will all link your hands for a solid wall of unity against this evil. Your links shall be prayer and sacrifice, penance! You will use all of the sacramentals given to you from the establishment of My Church upon earth. Let the scoffers laugh at you; accept their condemnation, even, for in the end you will receive your crown.

"You cannot be of the world. You may live in the world, but you must not become of the world or you will be lost. Your life upon earth is but a short pilgrimage. You were placed upon earth to make your way back to the Kingdom of Heaven, and instead many of their own given free will have turned and given themselves willingly to satan.

"The Eternal Father is only the judge for mankind. My children, man judges in his human way; the Eternal Father judges by your heart! He sees your heart; He knows your heart. Nothing is hidden from Him. And everyone who enters the Kingdom of Heaven must enter by merit.

"My children, I repeat, you are only on a short pilgrimage. Some will end this pilgrimage sooner than others, but all of you will one day end your pilgrimage. Life upon your earth is but a temporary time; life over the veil is eternal, forever, eternity. You will have full knowledge through your spirit when you come over the veil. You lose no consciousness of thinking; you have full knowledge, My children. And could I open to you the scenes that come before Us, the weeping and the gnashing of teeth as they are turned away from the gates of Heaven, and must be turned over to the agents of the fallen angels.

"My children, you cannot understand the judgment of Heaven upon mankind. You must accept it by faith, and the evidence given throughout the centuries in the supernatural. Reject the supernatural and you will be lost!

COMMUNISM IS ATHEISM

"Atheists abound upon your earth creating a form known as communism. Communism is atheism!

"Satan is the father of all liars, and he will draw you into his web with all promises, but the promises of an atheist mean nothing, for he justifies all by what he gets in the end that he wants! Liars! Just as the father of all liars is satan.

"My children, do not be deceived by the voices that cry 'Love, love!' when they know not the meaning of love. Love is God the Father! The love being created by mankind leading to a new religion and a new world rule is a love based on humanism and modernism! The Church I established upon earth is eternal, though it suffers now in a crisis.

"I tell you as the vinedresser: all that is rotten shall be shaken from the vine. The reaper will go in the harvest, and ye, all of you who have corrupted the sheep, shall be judged and gathered in the harvest and thrown into the fires!

"I give you fair warning, O shepherds in My House, I have looked upon you and found you wanting! I have looked upon you and wait with great patience for you to recover from the insanity that has been set into your minds and your hearts! Man of science ever seeking and never finding the truth! And what is truth, My children, you ask? Truth is life, and life is the light. Darkness is death! Satan is death! You cannot have both!

"My children, the war of the spirits continues. The ultimate victory will be with Heaven, but We cry great tears of anguish knowing that many shall fall to the wayside being corrupted by those in authority.

"My children, pray a constant vigilance of prayer. Keep your thoughts going to Heaven, the Eternal Father. Ask your angels to protect you. They are invisible supports, My children. Pray, pray to your patrons, your saints. They have removed My visage from among you. My child, explain: that is My face. They have removed My visage, and why? To place out of sight, out of mind!

"The eyes are the mirror of the soul! And what do your children look at but filth and pornography! And who has brought this before their eyes but their parents by their permissiveness and their lack of organization! I say 'organization', because they run to and fro, buying and selling, marrying and giving in marriage, coveting the neighbor's wife and husband! All manner of abominations in the eyes of your God! Even now sin is being condoned until it becomes a way of life. And for what? For the ultimate damnation of a generation!

"My children, the Ball of Redemption is nearing. I have warned you in the past as My Mother has warned you. The scoffers say: And where is His coming? And where is this Ball? It approaches, held back by the prayers of the few who have remained faithful and true.

"My children, you will keep a constant vigilance of prayer going throughout your world. You will accept the scoffers deriding you, calling you fanatics. You will be an example to them; and in your heart, your charity of heart, you will pray for them, for they know not the path that they have set themselves upon. It ends in darkness and hell.

"My children, pray for your priests. Many are on the road to perdition, and taking others with them. Pray for your cardinals and your bishops.

"Prayer is the greatest force now given to mankind to stop the evil. Pray a constant vigilance of prayer in your homes. Public prayer and private prayer is deemed necessary now.

NATION AGAINST NATION

"As was told to you in the Book of life, in these days, My children, all will come to pass. You are living in the end of your era. There will be great discord in the homes. There will be nation against nation; and in the end, My children, many nations shall disappear from the face of the earth.

"It is not for man to question why the Eternal Father permits this. You must understand, My children: the Eternal Father is all goodness and mercy, and you were given a free will to choose Him or Satan. No man shall go to hell unless he goes there of his own free will.

"Pray, My children, now for all those who have not received the light. Your prayers shall be gathered for those who need them the most."

Veronica - Now Jesus is extending His hand out like this, with His three fingers, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming towards Jesus. She's at the right side, our right side, Jesus' left side, directly over the first tree. Now She's floating. Our Lady doesn't walk, She's floating across. The wind is carrying Her; that's what it looks like. And Our Lady now is looking up at Jesus. She's shorter than Jesus. Jesus is very tall, you know, quite tall - about six feet, I think. And now Michael is standing behind Them both, and of course, Michael is tremendous. He is an absolute warrior. That's why Our Lady said that Michael is called the Guardian of the Faith, Guardian of the Faith.

Now Jesus and Our Lady are floating across the sky. They're over on our left side now, directly over the blue banner. And Jesus is moving forward now. He's bending over with His hand extending quite far out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "My children, you will continue now with your prayers of atonement. Pray a constant vigilance. You are going to now face a great test."

August 13, 1977

Eve of the Assumption of Our Lady

Veronica - Our Lady now is coming through over, directly over Her statue, but high into the sky. All about Her clothes there are slivers of light fanning out, almost like points. It's difficult to explain - beautiful streams of light, coming out almost in star-like formation about Our Lady.

Oh, Our Lady looks beautiful! Her arms are stretched out. She does look very sad, very sad. Oh, Our Lady has on a beautiful cream-colored gown with a blue sash. And all about Her, She has a mantle, a beautiful white mantle all trimmed in gold.

Now over on the right side, I see Michael coming through the sky. He's carrying the balance, and he has his sword. But there is something wrong with the balance. It's very black looking. It's no longer a golden color. It has a very ominous black look.

Now Our Lady is coming forward. She has on beautiful slippers. They're not slippers, really; they're like sandals that are more sturdy. They seem to have a casing on the bottom that I never saw before on Our Lady's feet. And she has a golden rosette, a small rose, on the insteps of Her feet, of the sandal piece that comes from the top down to Her toe.

Our Lady is taking Her Rosary from around Her belting, and She's holding Her beautiful golden crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is going over to the left side, high in the sky. She's moving backwards. She doesn't walk, but She seems to be weightless. And the air is carrying Her back. Our Lady is leaning over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is starting to turn to Her left and going slowly across the sky. She's looking down. And I can now see Her expression. Our Lady looks very sad this evening, very sad. And Michael is coming forward. And also behind Her there, the sky is opening up, and there are many, many figures of angels coming forward - beautiful angels in all different colors of the rainbow with wreaths of roses around their heads. And behind them I can see several figures with high papal tiaras on their heads.

Our Lady is going over to the right side now. And She's bending over and extending Her crucifix out, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now Our Lady is moving back. She's coming across and standing directly above Her statue. Michael is there. And all of the angels are coming to group around Her. Now Our Lady is touching Her fingers to Her lips.

Our Lady - "My child, I know your great trial and sadness of heart. Be it known that your country has been given every chance to make amends to the Eternal Father, and has failed! This is the final warning to your country.

ANGEL OF DEATH

"You are being visited by Exterminatus, the angel of death. O My child, you have spent your time in trying to convince those with hardened hearts and deafened ears. My child, death shall reign over your country, unless you awaken from your slumber and turn from your sin!

"Now, My child, you will explain as I counsel you what has happened."

Veronica - Michael is coming forward, and He's raising this balance in his right hand. Now he is touching his lips. The spear has disappeared. He is touching His lips with the balance, like this.

St. Michael - "Repeat after me, my child.

[Michael chants the following words:]

"O man of earth, you have been judged and shall be sent with a final warning. Blood shall flow. Parents shall cry. There shall be evil beyond anything seen upon earth.

"My children of God, have no fear. You will keep your sacramentals about you. You will keep your children's souls guarded, for none shall be attacked who are in the state of grace.

"Be ye known now, it has been loosed on earth - satan; satan, the king of darkness, satan, the master of deceit. His time is short, but he is loose.

SATAN ENTERED A MAN IN 1975

"He entered into the body of a man in 1975, a man who gave himself to him in the practice of occult. He entered into the body of this man, as he cannot roam without the body. He will enter in, when he has finished his mission, into another body. And you will pray a constant vigilance of prayer that he is removed from your country."

Our Lady - [Our Lady's words begin in a normal tone, but end in the form of a chant.] "My child, you are affrighted and for reason. You understand now, My child, all that I have prepared you for. You will now expose the evil one, who is using a human body, and setting his agents out to claim those souls for him who are not in the state of grace.

"My child, all of the training given to you in the past now you will use as you go forward upon your second mission.

"Exterminatus, the angel of death, is now loosed in your country. In the merciful heart of the Eternal Father, it is the final warning to mankind before the Ball.

MURDERS ARE NOT NATURAL

[Veronica repeats as Our Lady chants the following:]

Our Lady - "Awaken from your slumber! The murders are not natural. Awaken from your slumber! They'll gather and increase. Awaken from your slumber! The murders are not natural. They're produced from the prince of darkness entered into the body of a man.

[Veronica now repeats in a normal tone of voice.]

"My child, explain to all now why I cried and asked that you read the Apocalypse. These are the days, and he . . . is 666! Satan is 666! Entered upon earth now, he will move about and enter the body of those who will do his will. And it will be a will that shall bring bloodshed. It will be a will that shall bring tears to the hearts of many. Children shall be the victims of the monsters that have been allowed loose because of your sin! You did not listen to Me!

"My child, I realize your great anguish, as you have had to experience the terrible evils that have entered into your country because of their being involved with the occult.

HIGHEST HEAD OF WICCA

[Veronica repeats as Our Lady proceeds to chant again.]

"In your country now is the highest head of Wicca. He murders and goes about claiming souls who are not in the state of grace.

"Protect your children and your families with sacramentals. Do not go out without your sacramentals. All are marked for death who are not in the state of grace! All are marked for death who are not in the state of grace!

"My children, realize now I have counseled and guided you to be on your guard for this day.

CHILDREN DESECRATED IN BLACK MASS

"He is here. He has entered upon your country in 1975. Your children have been victims to him. The spread of drugs was for reason - to break down the morale and to give your children over to satan. Your children have been desecrated in black mass. Your children have been desecrated in the schools and the governments by the government leaders who do not care.

DIRGE OF AMERICA

[In a normal tone of voice:]

"My children, it is a dirge that I sing to you, because how can I express to you the horror that you have allowed to come upon your country because of your laxity and your sin!

"Sin is insanity! And I assure you, My children, it will not be long before you will feel that your country has become a place of insanity as the angel Exterminatus sends his consorts, demons in human bodies, to kill and maim.

"All who are in the state of grace, all who remain in the light, shall not be harmed.

"I tell you, My children, I counseled you for years: The moment is here in the final battle of the spirits. No one shall escape!

"Satan shall be given his time to claim those who have given themselves to him. Among those who have died at the present time, only one came prepared.

COVENS BEING SET UP

"Satan now in the body of the man. He'll roam the country now. He'll set up his covens. Covens, My child, covens they are called. He'll set them up to kill and maim. Beware! Allow none into your house unless you know them well. Guard your doors against the agents of hell, who will come in to wean your children from your house into households of sin.

"Mothers, protect your daughters' purity. Allow them no rein to be free in choice. Guard them well, for they will be the victims of black mass which shall rage throughout your country.

"This spirit of evilness now is spreading fast throughout your country. The angels of death, they shall now increase.

MANY AGENTS IN COLLEGES

"My children, I have often counseled you to recognize the faces of evil about you. They come as angels of light. They will look like beautiful children. Those in your colleges, most have fallen and capitulated to satan. They are now his agents.

"My children, bring your children back before it is too late. Satan has a plan to take them in. They will be his agents in sin. They will be sent throughout the country to kill. And they will kill within the homes. It will be mother against father, daughter against mother, father against son. It is because of sin. Sin is insanity.

"My child, it is not a pleasant message I bring you. But I have warned and counseled. Much tears have been shed because of the approach of this time. You must now study the Book of life and love, the Apocalypse. The time is here.

"666 himself now is loosed from hell - satan. He has great powers and will entice your children in the covens. He has great powers because he will teach them miracles, show them miracles, that will convince them that he is satan. In this manner he will promise them eternal life, until he has their souls, and damned forever they will be. Too late to their knowledge will they know they have sold their souls to satan!

"Exorcisms can be used, but for many it is too late, My child. The soul has already left the body. Exorcisms can be used, but for many, My child, it is too late.

THEY WILL BE CALLED ANIMALS

"There are many now walking the earth who are shells of humans. They will no longer be called humans. They will be called animals. They have given themselves to satan. They have sold their souls to get to the head. And there are many in the clergy that shall be shot dead.

"These groups that are gathering, My children, they have no respect for life. They'll use all manner of firearms, and they'll even use the knife.

"My children, it is not a reign of terror I set upon the world. I warn you now what is happening has been caused because you failed. You failed to listen to counsel from Heaven. You failed to mend your ways. The few who will be saved are few. And you may now count the days.

"The angel of death is among you. He walks in human form. He'll gather now those about him, and evil he will spawn.

"I tell you now, My children, you must now mend your ways. I tell you now, My children, you will soon be counting days.

"Those who remain, if this evil continues and becomes more widespread, will be in a spirit of fear because they will envy those who have died and do not pass through this crucible of suffering.

"My children, know now that you will bar your doors to all but your immediate family and close workers, the workers who are involved in trying to stop the spread of evil.

"Children shall disappear from the streets, never more to be seen, taken into covens and buried in their burial grounds. Know it now; don't cast it aside and say that this is a reign of terror. Do not cast it aside, for your child may be next!

"Only a child of conscionable age, who is in the state of sin mortal, shall be attacked. The attacks shall become more frequent unless you pray. Pray, My children, a constant vigilance of prayer now. Keep it going throughout your country. Pray that those who are working and praying shall remove this demon from among you.

"Prayer, My children, is all that you have now. You have waited too long. The evil has accelerated now, and your children are surely the victims of your laxity, your permissiveness. You condoned immorality. You condoned sexuality. You made no effort to fight the evils that have corrupted your schools and your governments, and now your homes.

"Parents, who are parents, have not been an example to their children, and have led them astray. The day will come when they will cry, as they look for their little Jane, and Jane has gone away, never more to be seen.

DESECRATION OF BODY IN COVENS

"My children, desecration of body is being committed only doors from you in covens. Do you know what is going on about you? The covens, in two years, have grown beyond anything man could expect. They are homes now for the practice of black mass witchery.

"Many have entered, many have entered because they are misguided by the schools, and parents, and teachers, who do not believe in the supernatural. They experiment with the occult, and then they fall!

"The occult is true. Demons are true. More and more will you see them upon the earth now that satan himself has come upon the earth. He is 666. He promotes the final capitulation of man, the destruction of mankind.

"There is every chance given to mankind, that should he turn back and amend his ways, it shall not increase, the evil.

"However, the future is grim, for as in the past, they go on in sin, My children. And sin is insanity. The murders will increase, till you will think that the world has been engulfed with insanity. No longer will there be charity of heart, love of parents, love of neighbors. Suspicions shall arise, as more are killed before your eyes.

EVIL ONE NOT STOPPED

"My children, awaken! Even your news medias are wrong. They have not stopped the evil one. And they cannot stop him, for he is supernatural, and will go on.

"My child, you will keep in strict obedience to My counsel that you will see no one but the immediate workers and your family. You will go nowhere after dark.

DEMONS STRIKE ONLY AFTER DARK

"Know, My children, that these demons do not strike in daytime. As their souls are dark, so do they seek in darkness others. They only strike after dark. You will remain off the streets, if you have sinned, for you may receive the gun.

"It is a chastisement to your city, My children, and many cities of the world, because they have not heeded the Eternal Father's warnings before. How many shall die in your streets before you turn back?

"My children, the man of sin, satan in the body of a man, he has the powers of hell. He plans his victims well. He goes forth and gathers information of soul, and then he has them marked for death.

FINAL WARNING TO NEW YORK AND MANKIND

"My children, pray for them. Pray for all who do not listen at this final warning. This is the final warning being given to your city and mankind! Now you will pray.

"I shall, My children, counsel you, as the war of the spirits increases. As death becomes prominent on your streets, know that you are guarded by My heart, My Mother's heart. Only those who have rejected the light shall meet death.

SATAN CLAIMING HIS OWN

"The good shall suffer with the bad. But satan shall claim no souls except those that have paved the way to him. He is claiming his own now! Recognize the signs about you. He is going about now, the angel of death, to claim his own.

"All that is rotten shall be shaken from the vine. And I say unto you, O pastors, you, too, have been found wanting, and must mend your ways, or you also will die in the streets.

"My child, you will continue to live in seclusion. You well understand now why you were moved to your present area. Have no fear, My child. Satan and his agents in human form now cannot harm you. The Eternal Father guards you and your family, and your children shall be saved. Suffer, My child; persevere for those who are dying without grace.

"My heart is torn, as I am your Mother. I am a Mediatrix between God and man. And I bring you the command now from Heaven to mend your ways. Sin is insanity, and you will go about seeing insanity now such as never been seen on earth before! City to city, country to country shall the angel of death go.

SON OF SAM KILLINGS

"I shall not at this time, My child, comment further on this terrible trial that has entered upon your city and your country. Recognize it is the same evil influence that is commanding the butcherings, and the mutilations, and the shootings. Recognize the signs of your times. The angel of death now is over your country.

"Pray a constant vigilance of prayer, My children. All who are in the pure spirit of the light will have nothing to fear. If you fall victim to satan, you must immediately run to receive a new store of grace from your pastor in confession and the receiving of My Son's Body. My children, you must concentrate now all on saving the souls of your children and those you love. There is not much time left."

Veronica - Our Lady now is extending Her cross and making the sign of the cross like this, with Her beautiful Rosary, the Rosary that has the huge golden crucifix and the golden Our Fathers. And the white beads are so beautiful. When She turns, they have all colors, the colors of the rainbow. In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I give you, My children, graces: graces for cures, graces for conversions: cures of the spirit, and cures of the body. Many miracles and prodigies shall now be found upon earth; but beware of those that satan creates. Test the spirits. Satan cannot hide long his plan, My children and My child, so do not fear him. Fear is a tool of the devil. Just prepare to thwart him by wearing your sacramentals, keeping your holy water in your homes, keeping your statues, your monuments. For I promise, My children, all who keep the monuments, the statues, in their homes will be saved."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Lady - "My child now you will be seated. There is much work to be done."

[Pause]

Veronica - Directly in the center of the sky, Jesus is coming forward. And He has a pure cream-white gown. Oh, it is very creamy white looking. And He has a belting of some type of brown skin, it looks like, about His waist.

Jesus has on brown sandals. They only have one strap. And He has a red cape now about His head. It looks almost like velvet, a burgundy-colored velvet. Now Jesus is pushing the cape off His head, and He's smiling. But He, too, is looking very sad this evening. Now He is placing His first finger to His lips.

Jesus - "My child, listen well. In My anguished heart, I do not wish to enlarge upon My Mother's counsel. Needless to say, it has been a night of great sadness to have to bring to you the knowledge of the entrance of satan upon your world.

SATAN ENTERED USA IN 1971

"Not, My children, just the agents that you have been battling with, but satan, the prince of darkness, 666, now is in your world. He has been here for some time, but has entered your country in 1971. He will use now the body of any man, woman, or child who has fallen out of grace.

"I assure you, My children, the world has fast come to its close, because of sin. The world has now reached the stage of it reaching a point of insanity, when there will be division in the household: father against son, mother against daughter. But, My children, know now that all that is rotten shall fall.

"Because of sin the angel of death now has entered your country. You were given fair warning through countless visitations of My Mother upon earth, and you did not heed. Only a minority shall be saved in the days ahead.

"Murder, rapings, distortions of all manner of godly inclinations, shall prevail upon your earth. Your children are the major victims of their elders now. As parents you have now a special mission: to protect your children against satan and his agents.

"I assure you, My children, My Mother has told you countless times to recognize the faces of evil about you. They will come as angels of light with countenances of sweetness and joy and piety. But you must pray that you may have a discernment of spirits for your protection. And do not leave them enter into your household to corrupt your children.

"My children, the war is engaging now. It is a war of the spirits. I assure you, My children, death shall become prevalent. Satan is giving his time now to claim those who have given themselves to him. My child, countless souls now have fallen into hell at the hands of Exterminatus.

PRAYER THE ONLY MEASURE NOW LEFT

"I cry bitter tears of sadness for your country, America the beautiful, that shall now be visited by the angel of death. My children, prayer is the only measure now left.

"We appealed through My Mother and other visitations to your country leaders, to your medias, to your schools. And We have placed upon earth individuals who were mediators between God and man. My Mother was a Mediatrix between God and man, and I assure you the response has been poor.

"Unless you pray a constant vigilance of prayer in your country now, the angel of death shall increase his activities. Those who do not have the knowledge of the supernatural will be lost now. Those who reject the grace given to them shall be lost now. And many now shall be claimed by the angel of death.

"My children, I realize that in the past you have been scoffed. And, My child, I realize that you went through great heartache, because you counseled a woman once to allow you to go ahead, as she held you back in restraint and said: 'Do not do that. Stop the vigils. Do as another did in Italy. You must listen to your bishop. My child and My children, if you had not prayed

all this time, what is now starting would have begun many years ago. Your prayers kept your country from the angel of death - his reign. But now, because the prayers were too few, and those who had the power to stop the evil refused to acknowledge it for their own gain and vanity, now they must reap what they have sown.

"My children, you will protect your families and your children. My Mother did not come to counsel you to bring fear to you, but We must prepare you with facts. The angel of death is in your country. And unless you pray, every city in your nation shall feel the hand of death in the streets.

"My children, pray a constant vigilance of prayer. Pray for those who do not have the grace to escape the onslaughts of the demons now loosed upon earth - demons in human bodies. The major demon from hell, satan, now has entered into the body of one in your country. He has been there since 1975. With enough prayers we will remove him from among you. And unless you continue to pray, another shall be entered by satan and another, and another, until your country falls.

"Pray a constant vigilance of prayer. The world shall go through a most horrible crucible of suffering unless you pray.

"My children, We give you graces for cures and conversion. Do not cast them aside. Do not turn your back on the counsel of My Mother because you care more for the opinion of man and the counsel of mankind. Man and mankind will give you nothing when you leave your body, and you must be judged for your reward. You have only yourself to save now and your soul, and the souls of your children.

MANY CHILDREN LOST TO SATAN THIS YEAR

"We cry bitter tears, for We have lost many children of conscionable age to satan this year. It was beyond the Eternal Father's thinking - through channels that no human man could understand - He could not accept them into the Kingdom of Heaven.

"You must understand that no man, or woman, or child of conscionable age will be gathered by satan unless it is of his own free will, for he has rejected grace and given himself to satan. He has disobeyed all of the laws of the most high God in Heaven. And there is a penance for disobedience, as there was a penance when the angels, the highest angels of Heaven, and Lucifer himself was cast from the realm of the Kingdom of God for his disobedience and arrogance.

"So, too, My children, can We not accept you in if you place yourself with satan. It is the way of the Eternal Father that Heaven shall be won by merit and obedience to God, not to man."

Veronica - Now Jesus is placing His hand in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is coming now down from the sky. She was standing far in the back watching Jesus. And now She's coming forward. And Saint Michael is coming from the right side and all of the angels. And I can see some bishops and clerics. They're dressed in, you know, in their clerical long cassocks.

And the angels are all gathering about Our Lady. They're hugging Her skirts. The little ones look like babies, cherubims, but they're dressed in long gowns: pinks, blues, and off-colors, russet colors. So beautiful! And the light is shining upon their heads. They have no faces. It's strange, I can't describe . . . they have not faces. But they're so beautiful. They don't need faces. There's no way to describe it.

And they have these beautiful garlands of roses in their heads, and the garlands are all different colors. In fact, I've seen colors - now I've never seen colors before on earth that are in these flowers, these roses - they do look like roses about their heads.

Now Our Lady is pointing over to the left side of the sky, and high over the trees there is a tremendous black cross in the sky, and next to it a question mark.

I know that Our Lady and Jesus are making it known that unless you now reverse from your present ways, your children shall die in the streets. You parents shall die in the streets. And all who have become corrupted shall be taken from the vine.

Now Our Lady is placing Her hand with the golden Rosary in front of Her, and Jesus is extending His hand out, and They're making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Jesus - "My children, you will all retire from the world now that has been given to satan. You cannot be of the world now, for it is satan's world. He goes about now claiming his own.

"Pray a constant vigilance of prayer in your homes and in your country, and the countries throughout the world. The angel of death is among you."

September 7, 1977

Eve of the Nativity of the Blessed Virgin Mary

Veronica - The sky all about us is turning a very beautiful pale blue. And the blue seems to be disappearing now, and all about the trees there is a white luminous light. It's very beautiful!

Now directly over Our Lady's statue the sky is opening up; it's like, almost like a cloud-like formation forming back and opening up directly over the statue high in the sky. I can see Our Lady now coming forward. She's a small figure; She's coming from quite a distance. And Our Lady is floating in; She doesn't walk. There's no way I can explain it. She's carried by the air.

Oh, Our Lady looks very beautiful! She has on a flowing white gown and a blue sash about Her waist, a very wide sash. I don't think I have seen the sash that wide on Our Lady in all the time She's been speaking with me.

Now Our Lady is holding Her Rosary in Her hand; She doesn't have it about Her waist. She's extending the Rosary in front of Her, and now She's taking the crucifix of Her Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is touching Her lips with Her first finger, which means to listen.

Our Lady - "My child, I know of the great distress that your mission has brought to you.

"As you proceed further upon your work, My child, you will understand much that was given to you in the past.

"There will be a need for great secrecy at times, My child, for if you reveal all to the wrong spirits in humans, you will find that it will bring much hardship and suffering to you. Much of the work shall be given in photographs, My child, for your protection and the protection of the mission.

"I have cried, My heart has been torn in having to witness now what I have earnestly and heartfully tried to avoid to come upon mankind. It is only because the Eternal Father feels at this time that a form of warning must be given to mankind in order to save more souls.

ANGEL OF DEATH SENT AMONG YOU

"The angel of death, Exterminatus, has been sent among you. I have counseled you in the past to protect your children and your households against the invasion into your home of the angel of death. Now, My children, much will be clear to you, though much of My counsel in the past was misunderstood.

"You will read all past messages, My children, and learn by them.

"My armies, the blue armies from Heaven, are gathering throughout the world. My children, have great perseverance and courage in the knowledge that the victory, the ultimate victory, will be with My Son and the armies from Heaven. You are all now undergoing a great test.

SATAN WALKS EARTH IN A HUMAN SHELL

"The evil one, the one of dark secrets, the butcher, the murderer, the liar, is now upon your earth. He has entered, as satan he has entered into the body of a man, a man with a human shell, but is just a casing for the spirit of darkness.

"I warned you in the past, and I warned you again, that unless you remain in the light, any man, woman, or child of conscionable age will be liable for the infiltration of satan, the master of deceit, and his agents. Many minds have been poisoned by satan. What was to happen in the future shall be now. You are passing through the days of the Apocalypse.

"Pastors, when are you going to open your hearts and your eyes and recognize what is taking place? The days are fast approaching to the end of your era.

"My children, I have asked you in the past to read the Revelations of John. You must read them, and you will recognize the signs of your times.

MAN OF A THOUSAND FACES

"Satan was a murderer and a liar from the beginning, and satan has been allowed upon your earth to separate the sheep from the goats. My children, he is the master of deceit. I must tell you as your Mother, that unless you remain in the state of grace, you cannot recognize him. He is a man of a thousand faces. He has great power: he can throw his voice, My children, into animals and even into the air. Unless you give your children a firm foundation in knowledge of their Faith, they will fall to his subtleties, My children.

"You will pray a constant vigilance of prayer in your homes and in your world, and pray for those who are falling fast into hell, victims of the cruelty of satan, victims of the deceit of the prince of darkness. He is a murderer from the beginning, and he is a murderer now.

MANY DISCIPLES IN HUMAN FORM

"He has many disciples now in human form. I have begged you in the past to recognize the faces of evil about you. You must constantly, when you are out in the world, say the Exorcism given to you by the good Pope, the exorcism to the greatest defense you have against the evil now walking your earth. You will say:

SAINT MICHAEL EXORCISM

Saint Michael the Archangel, defend us in battle. Be our protection against the wickedness and snares of the devil. May God rebuke him, we humbly pray. And do thou, O prince of the heavenly host, by the divine power of God, cast into hell satan, and all evil spirits who wander throughout the world seeking the ruin of souls.

STREETS WILL RUN WITH BLOOD

"O My children, your streets will run with blood because you have not listened. Pastors, a great attack is being planned against the priesthood. You will be shot down like targets in the streets. Prepare now and pray. Wear your sacramentals. Protect Our sheep now; the battle is raging.

"My children, your government has been warned of the evils it permits in your judicial system, in your schools, in your news media. You, yourselves, because of your loss of faith and your turning from your God, have allowed this creature to be loosed from hell now and to walk the earth! Only you are responsible for this!

"All who are of well spirit will have nothing to fear. They will go through the days ahead with great perseverance and courage.

ILLUSTRIOUS EAGLE HAS FALLEN

"Parents, I counsel you and warn you again as parents that you will now have sole ownership for the redemption of your child's soul; and if you fail in your obligation as a Christian mother and a Christian father to your children, you will shed bitter tears when you know they are gone before your eyes, cut down in the bloom of their youth by the enemies of God - and there are many now in your country. America the beautiful has fallen to satan. The eagle, the illustrious eagle, has fallen to satan, plucked by sin and corruption from within!

"O My children, I wish, I desire, in My Mother's heart, to bring you a message of great joy; but how can I do this now, for it has become too late! I cautioned you, I begged you, I wandered through many earth-years warning you of this time, but how many listened to My counsel and acted upon it?

"No, My child, you ask Me in secret, how long shall this test be continued? I cannot, at this time, give you the time. It will all depend upon the reaction of mankind and his efforts to amend his life.

KNOWLEDGE OF SATAN BEING GLORIFIED

"The lives of many are filled with degradation and corruption, the knowledge of God, the true God in Heaven, being uprooted and supplanted, and the knowledge of satan being glorified upon your earth. Satan is one of destruction and evil. Satan is the prince of darkness, the master of deceit. And because you turned your back on My Son now, he is allowed now to claim his own; he is sending his disciples now throughout your earth to claim his own. Every city, every state, every country throughout the world will now feel the test; you shall be tried like metal in the fires! When you come out of this test, My children, all that is rotten will have fallen. You will be cleansed by trial.

"My children, you must now use all of the armor that was given to you through the years, of earth-years. You must give all of the knowledge to your children, knowledge that was written down in the Book of life, the Bible; knowledge that was given by prophecy to individuals chosen by the good God, the Lord high God in Heaven. You must now implement this knowledge and prepare for the battle that is now raging.

MAN OF PERDITION

"666, known as the man of perdition, is satan in the body of a human. That human is no longer alive but dead, a dead casing for the entrance of satan. No man ever goes to hell unless he goes of his own free will. Therefore, the man of perdition now loosed in your country has accepted his role of evil for the glorification of satan and the destruction of his soul.

"Many have sold their souls to satan to get to hell faster. Many have sold their souls to gain what? Worldly riches and power of temporary nature! What does it gain you if you gather every treasure upon earth and lose your soul? When you leave

your body, you will be judged. Every man, woman, and child of conscionable age will be judged. And I tell you now, not one bit of your silver or gold shall buy your way into the Kingdom of Heaven. You will only enter by merit.

"O My children, what a day of sorrow this is to Us in Heaven! It is My natal day, but I cannot be filled with joy. I can only cry. My Son cried when He knew it was the time for the test.

SATAN ENTERED BODY OF PRIEST IN 1971

"In 1971 of earth years, My child, I told you that the man of perdition had entered into the priesthood, into the body of a fallen soul - priesthood.

"Understand, My children, you do not pray enough for your priests! They, too, are human, and are subject to error and the deceits of satan. They, too, can lose their souls to satan unless you pray for them and do penance for them, and make sacrifices for them. They do not have a special passport to Heaven, My children. They have to fight along the road filled with many thorns, as you do.

"Pray for them! Pray for your bishops! Pray for your cardinals, and pray for the Holy Father in Rome, who is under great attack. His constitution, his physical constitution, cannot stand much longer. My children, it will be the greatest of trials to you when he is removed, for you will have in Rome then a full capitulation to an antichrist pope.

WAIT FOR RETURN OF MY SON

"My children, pray a constant vigilance of prayer in your country and all of the countries throughout the world. You will be called fanatics! You will be called insane! You will be laughed at with derision! Accept it, My children, for as My Son was rejected, you, too, will be rejected. But My own will know me; My own will know My Son, and you will band together and wait for the return of My Son.

"My children, you are not alone. All of the personages of Heaven have joined in this battle. The saints have waited for this day, and I assure you, My children, before this battle is over many latter day saints shall wash their robes in the Blood of the Lamb."

Veronica - Now Our Lady is raising Her hand with Her beautiful crucifix. Our Lady has the very large Rosary with the golden Our Fathers and the beautiful white Hail Marys that catch all of the colors of the heavens. They're the most gorgeous - they're like pearls. Our Lady says they're pearls of prayer. They're truly like pearls that Our Lady has in Her beads. The crucifix is a beautiful light golden color, and it's so brilliant that it is very difficult to watch Our Lady moving it in Her hand. It's so beautiful! Our Lady is now making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

FEAR A TOOL OF SATAN

Our Lady - "My child, you will continue your mission without fear. You must remember that fear is a tool of satan. You will face fear, My child, and it will disappear. Satan works into the minds of man with fear."

Veronica - Now Our Lady is going over to the left side, directly over the flag, and She is bending down. Now Michael is coming down from the sky. I didn't see him before in the light, the light was so brilliant about Our Lady. Michael is coming down, and he doesn't have the balance in his right hand anymore. He has a spear, a very large spear, and the top is very pointed. And Michael now is busy swinging the spear down. He keeps turning the spear down. I don't know why. The spear keeps turning downward. And Michael looks very grave.

Now Michael also now is - he's placing the spear in his left hand, and he is now making a motion. I don't know . . . Michael's hands are just like a mist - I can't explain it - and he's touching what looks to be his face. I can't see Michael's face, it's so brilliant. And he covers the whole sky.

St. Michael - "Harken and listen to the Queen of Heaven! Her counsel has been given to you and must be acted upon immediately! All that is rotten shall fall from the vine! The vinedresser from Heaven now is shaking the tree."

Veronica - Now Our Lady and Saint Michael are going - they're moving backwards. They're floating backwards. And Our Lady now is going across the sky to our right side. She's directly over the first tree. And Our Lady now is moving over, and She's bending over and placing Her crucifix of the Rosary out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Michael now has placed his sword back into his right hand, a spear, not a sword - it's a spear; and he keeps turning it downward, like this. I don't understand what that means. And now Our Lady is going across, and She's standing directly over Her statue now, over the banner.

Our Lady - "My child and My children, continue now with your prayers of atonement. They are being counted now for the repatriation of souls."

[Pause]

VIOLATION OF THE HOST

Veronica - I see a very large mural in the sky now. It's dark all about it. And I know it's a plaque; it's like a plaque up here in the sky, and it shows the twelve Apostles during the Last Supper. I see great sadness in their faces because of the violation of the Host now.

Satanism engulfs the world. Satanism is being taught in the schools. This could only happen when a country has fallen, Our Lady said. There must be a complete reversal of man's ways now to stop the flow of blood that shall flow in the streets.

[Pause]

The sky is very pink all about Our Lady's statue and the trees. It's a beautiful pink color, a color that's very difficult to express in human language. It's very ethereal-looking. Now directly over Our Lady's statue, high into the sky, the pink seems to be folding back; it's a most beautiful way of Our Lady showing us how Heaven has an ethereal quality about it. There is no human way I can explain it. Perhaps sometimes Our Lady will be able to do this better than I.

Now directly over Our Lady's statue, I can see the sky parting. It's as though a very, very brilliant light is coming through the sky. And I can see, far in the distance, Jesus - His feet, and . . . now He's growing larger as He's coming in closer.

Oh, Jesus is dressed in a long white gown. He has nothing upon His feet; His feet are bare. And it's quite windy, because the wind is catching the hem of His gown; it's blowing.

Jesus has a burgundy cape hanging from His shoulders down over His arms, and about His waist there is a belting made of what appears to be a piece of, like long skin, almost like a shoelace, a giant shoelace, I would say. I can't explain it. And it's tied and belted on His right side. I can see the folds of it now, of the tie.

Jesus is shifting His cape into His left arm. He's twisting it about His arm; it's very heavy. It appears to be a brocaded cape, or maybe like a very fine velvet - I don't know the material, I can't explain it. It's a beautiful burgundy color. And there's a gold tassel type of tie at the neckpiece, and that's what's holding it over Jesus' shoulders, like a roping, a gold roping. Now Jesus is taking the first finger of His hand and touching His lips, which means to listen and repeat.

LIVING IN DESPERATE TIMES

Jesus - "My child and My children, you are living now in desperate times. I, too, had hoped that this moment would not be sent upon mankind, the Days of days, the time of approaching tribulation for mankind.

"My Mother has sought to teach you the way, My children. Many of you have not been instructed properly in the foundation of your Faith.

"Understand, My children, that no man can judge his brother or sister. The Eternal Father is always the final judge. However, there are rules, regulations, and discipline that is even admitted in Heaven.

"My children, you must understand: hell, Heaven, purgatory are actual places of existence. They are the life eternal for mankind when he comes over the veil. Every man, woman, and child of the age of conscience must make the decision for himself what type of life he prefers in the hereafter. Will it be a life of glory and love in the eternal Kingdom of God, or, My children, will it be eternal damnation and suffering, weeping and gnashing of teeth in the fires of hell?

SOULS FALLING INTO HELL AS THE RAINDROPS

"O My children, souls have been falling into hell as numerous as the raindrops now. I do not say snowflakes, I say raindrops; for the souls are fast falling into hell, lost forever to the Eternal Father. This brings great pity to mankind from Us, but We must admonish you now, that what is happening, the full responsibility lies upon your generation, which has turned to satan and given the souls of many to satan. There will be much gnashing of teeth and woe set upon the earth by the evil one.

"We had hoped, My children, My Mother had begged for a reprieve for mankind, and the hand of the Eternal Father was held back through generations; but now, My children, the test is here, the test to mankind. It will be the final stage of the separation of the sheep from the goats.

"You must make your choice now, who and what you will follow in the remaining time of earth-years. You must now decide upon a life in the world but out of the world. You must now live in the spirit of life, and not enter into a spirit of darkness.

"You must, as parents - I repeat My Mother's counsel to you - you must as parents now, be guardians of the souls of your children, for you cannot hand them over to anyone outside of your home, for the souls of whom knock upon your door are evil. Many will be lost in the coming tribulation and the days ahead.

"And where, you ask, is 666, this man of perdition? He is - wherever there is darkness of spirit he will enter. He thrives on bloodshed. My children and My child, I will not go into full detail on this matter of bloodshed. It is beyond your human comprehension to know the life pattern of this man of perdition - satan in a human body.

"My child, you will continue upon your mission with great fortitude. Yes, you may be subject to trial, but, My child, you will be sustained. Call upon your guardians, whom We have sent to you, often. Tusazeri is at your side. All of the archangels of Heaven now are by you. You have nothing to fear. It is a tool of satan that you fear, and it will drain your energy, My child. You need all of your strength. Rest, for rest cures all, My child.

WORKERS SHALL GATHER TO GET OUT THE MESSAGE

"You will be sent many arms in the days ahead, in the battle, My child. Workers shall gather to get out the Message from Heaven to the world. You have a special mission now, My child, and it will continue for some time. All directions shall be given to you and much shall appear from out of nowhere.

POWER TO DISPEL AND DISCERN EVIL IN MAN

"Understand, My child, that you cannot be free now with all of the knowledge given to you, for it will defeat your purpose. Satan has his army now and he is building again. Satan has many disciples upon earth, My child. I have asked you, and My Mother has counseled you, to recognize the faces of evil about you. I have given you the manner, which you must keep secret at this time. I give you, My child, the power to dispel and discern the evil in man. It is given to you for the duration of your mission, My child.

"You will continue to read carefully the messages in photographs. Do not accept any photographs, My child, other than through the worker assigned to you and the vigil photographs. Satan will seek to confuse and confound you, if you accept them out of any other channels.

"I bless you, My child, and your good relations. I bless all of the workers who have joined My Mother in these days of trial. You will understand the ultimate victory will be with the Eternal Father in Heaven. All who pass through this and accept the cross will be given a crown. Many martyrs shall come out of the tribulation, but, My child, is not that an easy way to enter Heaven?"

Veronica - Now Jesus is placing His hand out in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Father blesses you in the Spirit of light."

Veronica - Now Jesus is going across the sky to the left side of the sky. Oh, Our Lady now is coming out. I don't know where She came from. She must have been behind the clouds. I didn't see Her before.

And Michael is following. And then there are a great many angels now filling up all the sky. Oh, they're absolutely beautiful! They look like young children, with all the colors of the rainbow. Their dresses are all beautiful pastel shades. Oh, it's so pretty! It looks very warm up there, and beautiful.

And all the angels are dressed in very long gowns. I can't see any feet or anything on them. Oh, they're so beautiful! And they're wearing wreaths of garlands. It looks like a wreath of roses, garlands of roses all about their heads. Oh, they're just beautiful: yellow roses and pinks, and some colors I never saw before, like a fuchsia color. It's beautiful!

Now Our Lady is joining Jesus. She is over on His right side. And They're standing just above now the high tree, and Jesus is leaning over, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is nodding. And now He's going forward. He's shifting His cloak onto His right hand. And He's looking back at Our Lady now. And Our Lady is coming over. And He's placing His arm about Her shoulders, His left arm. Jesus is very tall; either that or Our Lady is very short, because She looks quite tiny next to Him. He looks very tall. And They're going across the sky now. And Michael is following. And all of the angels are closing in; they're coming from the back of the sky, it looks like. And they're coming down closer to Our Lady and Jesus. Now they're over just between the two trees. And Jesus is now leaning over, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now they're all turning, and they're looking to the center of the sky. And now they're going across the sky, and they're just coming over the trees now. They're just directly over Our Lady's statue. And Jesus is now pointing up to the sky, and they're all looking up.

SOMBER-LOOKING CROSS

And there's - oh, my! There's a very, very heavy, somber-looking cross now in the sky. It's black-colored. It's really black and somber. But then there's a - on the right side of the cross, there's a huge Host; I know it's a Host. It's an illuminated

round, circular Host. And now there's blood dripping now from the Host. And now there's a chalice appearing in the sky. And - oh, dear! It looks like there's absolute blood just dripping out of that Host into the chalice. Now the chalice is filled, and blood is flowing over the chalice.

Now I see Our Lady. She's placing Her hand out, like this, and touching Her lips.

CHALICE IS FILLED

Our Lady - "You see, My child, the chalice is filled. That is why the man of perdition is allowed to enter upon earth.

"Continue now, My children, with your prayers of atonement. Much penance is necessary at this time for all. Many victims are needed: victims for the merciful heart of the Eternal Father, victims for repatriation of those who will fall into the web of evil and become victims of satan in the days ahead without your prayers. The power of prayer is great, My children; you will understand My words in the days ahead."

Veronica - Now Our Lady is taking the Rosary from Her side; She had it tied to Her belt at the right side. She is extending the Rosary now, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as My Son blesses you in the Father and the Spirit of light."

[Pause]

Veronica - Our Lady said: "You, Benjamin, will read all past messages, and make good use of your angel. You, Ted, will also follow suit, and read all past messages, and make good use of your angel. Perry will suffer a slight trial for reason. You, Nicholas, will embark on a journey soon. You will understand in due time when you are given direction, but be prepared.

"The children of all Mary workers must be guarded well, for the attacks from satan will come through the children. It will only disrupt the family unity, and will also cause a disturbance to the Marian work. So understand, mothers and fathers now, who wear the blue hats and the white hats, satan will attack you forcefully."

September 13, 1977

Eve of the Exaltation of the Holy Cross

Veronica - It has been very dark this evening. But all about the trees now there is a beautiful blue glow. It seems to be coming out from the sky. It's very difficult to put into words. It's like something that is just coming in very supernaturally. The coloring is beautiful, though.

Directly over Our Lady's statue, high in the sky, there's a beautiful stream of light almost looking crystal in appearance. Directly from the center of the light Our Lady is coming forward. She's dressed in a beautiful white gown with a heavy blue sash about Her waist.

It is quite windy because Our Lady's mantle now - the mantle reaches all about Her head and down to Her feet - it's blowing. I can't see Our Lady's hair, because under Her mantle Our Lady has a sort of - I don't know what you would call it - a sheeting, a piece of very wide white material that frames Her face, almost nun-like. I don't see Our Lady's hair at all.

About Our Lady's waist, She has Her beautiful Rosary, the Rosary with the golden Our Father beads and the blue Hail Marys.

They're really white, but they shine almost like blue now, because they're catching the color of Our Lady's sash.

Our Lady has on very dainty slippers. I can't see Her toes. She's encased in white slippers with tiny rosebuds on each instep. One rosebud, a golden rosebud - it looks almost metallic on Her slippers.

Our Lady now is taking Her Rosary from about Her waist, and She's extending Her beautiful crucifix, the golden crucifix, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is placing the Rosary over Her left hand, and She's touching Her first finger to Her lips, which means to listen.

Our Lady - "My child, I understand full well the suffering of the past days in your life. Even as a voice-box for Heaven, My child, we ask you to make the decision in free will. The mission is becoming difficult for you, but We ask your participation fully, even under attack by satan.

"My child, the object of your new mission is to prevent satan now from killing. It is a war of the spirits that few can understand. But as time goes on it will be understood by all.

RESTRAINING FORCE (MICHAEL) TAKEN AWAY

"My child, you will shout it from the rooftops that the restraining force has been taken away, and satan now is upon your earth. The prince of darkness, the great deceiver, the man of perdition, is satan, 666 in the body of a human being - a human being that has given himself to satan and is no longer human but a walking dead body encasing the spirit of evilness, satan.

"My children, this spirit of evilness is not of ordinary origin. In the past your world has had in its midst demons of lesser nature. However, because of your wickedness, because of your corruption, because of your debaseness, because of your evilness now, the gates of hell were opened wide and the spirit of darkness entered upon your earth.

AMERICA TO SUFFER A BLOODBATH OF MURDER

"Satan now is walking in your country to claim his own. He was a murderer from the beginning and he is a murderer now! Your country, America the beautiful, and many countries throughout the world will suffer a bloodbath of murder.

"My children, I came to counsel you for many earth-years and you did not listen! Already those who are to be saved have been marked with the sign of God, the cross. Those who have given themselves to satan now, loving their evilness and wrongdoing, shall be claimed by satan. He has many ogres now in many disguises roaming throughout your country, city by city, state by state. And this will advance, without prayer and penance, into every country of your world. He is the spirit of darkness. He will go wherever there is darkness.

"My children, your country and its leaders have asked for a just punishment from the God Almighty. Your country has given itself over to corruption and evilness.

MAN OF PERDITION NOW IN YOUR CITY

"My child, this man of perdition, the main force, the main individual spirit of 666, is now in your city, in your state, and in the cities throughout your country. Unless you make a decision of your own free will to cast aside your blindness of spirit, to open your hearts and receive the light, you will fall from the hand of a murderer. It will be father against son, mother against daughter, for satan shall promote murder in the household.

"Parents, a measure of insanity has come upon the young. Satan, because of planning, now spreads wickedness and evil far worse than any human mind could conceive. This evilness must come straight from the depths of hell! The master planner of deceit, the father of all liars and murderers, is satan, who has now taken human form to do his work of claiming those who have given themselves to him.

"My children, your world has cast aside the knowledge, the existence of the supernatural. Your leaders and even those pastors in My Son's House have laughed at the supernatural. They cast Michael out of My Son's Church, and now satan is in His Church! It is satan now who rules within My Son's Church and the world. He has been given his time now to claim his own. All that is rotten shall fall. The vinedresser, My Son, shall shake the vine, and all that is rotten shall fall!

AMERICA THROUGH FIRST STAGE OF CRUCIBLE OF SUFFERING

"You have as a nation passed through the first stage of the crucible of suffering. The merciful Father, in His good heart and providence of nature, has asked that you be given the time to restore your country, your nation, to a love of your Eternal God. This is the final warning the Eternal Father now will give to your nation.

"Sin is insanity, and without penance and prayer, your children, your adults, your lawmakers, shall act and conduct themselves in a manner that can only be called insane. All that is good shall be trampled upon; all that is evil shall be glorified. Your country has been stripped of its morals. You have decayed now, and all that can come through now are snakes!

NUMBERS TO BE SAVED IN THE FEW

"My children, the numbers who will be saved are in the few. Every man, woman, and child of conscionable age will have made his and her choice before the battle is over. No soul shall be claimed by satan unless he has paved his road to satan.

"I have asked you in the past to take yourselves out of your world that has been given to satan. You may be in the world, but you must not join it in its corruption and loss of Faith. If you wish to attain the glories and joys of the eternal Kingdom of Heaven, you must merit it with discipline and by following the rules.

"The road to Heaven is a narrow road, filled with many thorns. You must carry your cross across this road. The road to Heaven is not an easy road for many; but I assure you, the results will be magnificent, for you will receive a crown that far surpasses any thorns you have received upon earth.

"My children, in your city of New York, and in many of the cities now throughout your country, the United States, and even into Canada, this man of perdition, the chief force of evil, 666, he is traveling now and establishing himself in many cities throughout your nation.

HAVE NO FEAR IN EXPOSING THIS DEMON FROM HELL

"My child, you must have no fear in exposing this demon from hell. Yes, My child, do not be affrighted to receive the mockery of those who do not believe. You must shout the truth that this man is not an ordinary man! He is supernatural. He can change his appearance right before your very eyes! He can cast his voice into animals.

"The world will call this crazy, My child, but much is happening to those who do not understand, and they, too, will be called crazy when they are enlightened!

"My children, I warned you for many earth-years that there would be a total war of the spirits upon earth. This war you are fighting is supernatural. It is a difficult war, because only faith - ask and you shall receive the way; seek the light and you will find it, and your eyes will be opened. Many shall be able to look into the unseen world with grace.

"My child, your groups are becoming numerous throughout the world. Heaven is sending many forces to join you. You will receive much help in the battle ahead. You must not become discouraged. Remember, My child, We depend much upon you.

"There are many who understand the supernatural, My child. You are not alone in the battle.

GREAT OPPOSITION TO MESSAGE

"There will be upon earth great opposition to this message, My child. It is natural in the reality of satan's plan to try to take every soul from the Eternal Father in Heaven. He is going about now throughout your world, and when you remove him from his present body, he will proceed on into another.

"Do not be affrighted, My child; I shall not send you upon another mission.

"Much of this mission must be kept secret at this time, My child. No names will be given, for your protection and the advancement of the work. You will study the photographs very carefully, My child. It is better if you keep them to yourself.

"The photographs being given from without the circle, My child, you can only give a surface covering of them. Much must remain a secret at this time."

Veronica - Now Our Lady is taking Her Rosary from Her hand now - She had it around Her left arm - and She's extending the crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is touching Her lips.

Our Lady - "My child, you must ask all Mary workers to continue sending out all of the messages of old. The directions will be understood more clearly now."

Veronica - Now Our Lady is pointing up to the sky and Saint Michael is coming down from the right side, over on our right side of the sky. He's a tremendous size! Oh, my goodness! He covers the whole sky! Oh, he is really powerful! Oh!

Now he is coming down behind Our Lady. Oh, he is tremendous! Very beautiful! Not out of proportion. I can't explain it. He's really a warrior of Heaven.

Now Our Lady is going over to our left side, and She's leaning over now and extending Her crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Now She's going over across the sky and stopping now, and She's facing forward and touching Her lips.

Our Lady - "My child, before I continue on, I must warn all parents that this man of perdition has made his way into all schools. The young, the ages of 20's and 30's, are the principal victims now for satan.

SACRAMENTALS WILL REPEL DEMONS

"He has an army of ogres wandering now throughout your country and all of the countries of the world. They are in possession of great power, so wear your sacramentals and protect your children and your households. Learn the use every day of holy water throughout your household. Insist, even with obstructions, insist that your children always wear a sacramental. One day they will understand that they will repel the demons."

Veronica - Our Lady now is extending Her hand out again with the crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is going over now to the right side. Michael is following behind Her. He has a very large spear in his hand. Oh, dear! Now he's jabbing. I don't know what he's jabbing at over there, but he's got his spear, and he's pointing it down.

Saint Michael - "Begone, satan! Begone, satan!"

Veronica - Oh, dear!

Our Lady now is looking forward. She looks much distressed. She's placing Her hand over Her heart with Her Rosary. Now Our Lady is coming across the sky, and She's standing over, directly over Her statue; and Michael continues to look over to the tree. Now Our Lady is extending Her crucifix straight out in front of Her, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Remember, My children, the Exorcism to Saint Michael must be repeated daily in your homes, in your lives, and in My Son's Church!

CHASE SATAN FROM MY SON'S CHURCH

"You must chase satan from My Son's Church. You must do everything in your human nature to dispel him from My Son's Church and your country and the countries of earth. It is to your advantage to listen and act upon My counsel, or you will cry bitter tears of regret when it is too late!

"There will be much gnashing of teeth and woe set upon your earth by the evil one who is now loosed. He is going about as a ravenous wolf. You must be careful, My children; he comes to you often as an angel of light. Pray for the light! Learn to recognize the faces of evil about you. They put on false fronts."

Veronica - Now Our Lady is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Now, My child, you will be seated and read the photographs."

[Pause]

Veronica - The sky is a beautiful color. There's no human way to explain it. It's a very deep - oh, it's a warm-looking color. And directly over Our Lady's statue now the sky is opening up. Jesus is coming forward.

He has on a beautiful - not pure white, it's an off-white, I would say, a cream-colored gown. And about His waist He has what appears to be a piece of brown, skin-like cord. It's more like a piece, a large long piece of cord. And Jesus has on a pair of sandals. I can see now - His gown is blowing in the wind - He has on brown, skin-like looking sandals, deep brown.

Now Jesus' cape - it's very windy, and He has His burgundy cape now gathered about His arm, His left arm, and He's raising now His hand in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is touching His lips with His first finger, which means to listen.

Jesus - "My child and My children, the world has entered into deep darkness of spirit. All of the forces of hell are now loosed upon your earth. The retainer, Michael, was rejected by many, and the evil one, the adversary, satan, had to come forth from the pits, the abyss of hell, to do final battle with mankind.

"My children, recognize the given signs of your time. It is a battle now to the finish; it is a battle now that will lead to the separation of the sheep from the goats.

THE VAMPIRE

"My children, I have a fact to be made known to you that may be scoffed at, but I must give you the truth for your knowledge and protection. There is one called 'man' among you now who is diabolical of nature, using a human body. This evil one We have named 'the vampire' because in his diabolical nature, in his supernatural state, he has developed a necessity for the consumption of human blood to retain the human body he travels in. Know ye well now that he is going about your city looking for young blood.

CHALLENGE TO EXIST IN HUMAN FORM

"Many have been slaughtered at his hands; many are being slaughtered by his hands. Children, unknown to their parents, are entering into his covens, making themselves susceptible to eventual death, not only of the spirit but of the body. For the evil one, there is no love. For the evil one, there is only the challenge to exist in human form.

"My children, this message will be met by much mockery, derision, and unbelief. This unbelief will only exist until the full exposure of the activities of this vampire among you.

"He works in covens. Satanists, evildoers, perpetrators of murder, sexual carnage, diabolical deviations far beyond what any human mind could conceive of - they have to come straight from the mind, the supernatural mind of this man in human form.

"My child, the knowledge - his name has been given to many. They will find it most difficult without heavenly intervention to trace him, as he is a man of a hundred faces, a man of many natures. Only those with the knowledge given from the Eternal Father shall be able to subdue him.

"It is a battle now, My children, a battle in which those who have given themselves to satan will be claimed by satan now - not in the future, but now! He is roaming throughout your cities; he is roaming throughout your states, making new covens of iniquity. He is seducing your children unknown to parents. He has entered into the schools; he is teaching the occult. He is bringing satan, the knowledge of the supernatural, but only from hell!

OCCULT PRACTICES DABBED IN SCHOOL CURRICULUMS

"My children, recognize, O parents, and teach your children that these miracles he performs are false miracles from satan! Teach your children to beware of the occult practices now being dabbed into your school curriculums. It is evil; it has been placed there by satan.

"Do not scoff and laugh at these words and the words of My Mother; they are words in fact and truth. It has been told in the past, through generations of time, that this man of perdition would enter upon your world, and he is here! Because you have given yourselves over to evilness, corruption, satan has had to be loosed now among you.

NOT A FEAR CRUSADE

"My children, We do not seek to start a fear crusade, but We wish that you be prepared for what is happening now in your country and in all of the countries upon earth. You will have great battle to remove this evil one from among you, but pray a constant vigilance of prayer. Restore your homes to piouness. Religion, My children - do not accept the false religions of the evil one.

"Many have given themselves over to astrology, tarot cards, ouija boards, and now you have reaped your reward in murders and bloodbaths, and a form of insanity in the young, where it will be mother against son, son against father, mother against daughter, daughter against mother, as the battle of the spirits proceeds.

"My children, keep a constant vigilance of prayer going throughout your world. I am here with you always to guide you for the asking. You have a free will and conscience. You must make your choice now; the time is growing short.

ARMY OF OGRES IN MANY DISGUISES

"The man of perdition, 666, is here now upon your earth. He has an army of ogres who come in many disguises. Recognize the faces of evil about you. They come as angels of light, and many now are in the priesthood. Do not be fooled by the garments of the priesthood, for some have been soiled.

"I shall not admonish My clergy anew. My Mother has directed and counseled you well to mend your ways, for many cardinals and bishops shall fall fast into hell. And many who have been seduced by their new modes of modernism and humanism shall go with them into hell. No man shall escape a reward for his evildoing! No man shall excuse his evildoing! The Eternal Father has looked into your hearts and found you wanting.

"My children, keep a fortress of faith in your hearts and the hearts of your children. Guard them well and you will go through this crucible of suffering. It is only because man has turned from the Eternal Father that this has been allowed to come upon him. Now the test will be like placing metals in the fires. All will be tested.

"My children, keep, I repeat, a constant vigilance of prayer going throughout your country and the world. Send the Message from Heaven quickly throughout your world and your country, for the time is running out.

"Your country is fast heading to a full bloodbath of war because of corruption and greed.

"All will make a firm effort to read the past counsel of My Mother throughout the years and Her visits upon earth. My Mother has promised to be with you until I come again in body and spirit to you. No one shall be abandoned if he asks to be saved, My children."

Veronica - Now Jesus is placing His hand in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Father blesses you and sends among you the Spirit of life."

Veronica - Now Jesus is going across the sky; He's over, directly over the first tree on the left, and He's bending over. And Our Lady now is coming down. She was standing way over to the right side. She's coming over to Him now, and She's looking down. She has Her Rosary in Her right hand. And Jesus is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning. It's very windy; Her skirts are blowing. And She's now proceeding across the sky, directly across to the right side. Our Lady is standing by the first tall tree, and Jesus has joined Her. And Michael is in the back; he's holding his spear down. He's holding his spear down. Now he is jabbing again.

Saint Michael - "Begone! Begone, prince of darkness! Your time is short!"

Veronica - Now Our Lady is shaking Her head sadly. Now Jesus is placing His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking over His shoulder, and He's placing His hand out, like this. Now Jesus is placing His hand back on His right side, and He's going across the sky. And He's just standing now with Our Lady - They're backing up a bit, and looking over to the tree. And Michael is holding his spear now up; it's directly up, pointing up to the sky. Our Lady is nodding.

Our Lady - "Continue, My children, with your prayers of atonement. Do not be afeared; the spirit cannot enter into the light."

[Pause]

Our Lady - ". . . which you will understand more fully in time. Pray more often, My child; meditate in silence. Do not become drained by the attacks of satan upon you. You must recognize that you will not be free from these attacks while you are seeking to thwart his mission.

YOU WILL RECEIVE REJECTION FROM MANY

"You will receive rejection from many, for they no longer recognize the difference between the human body and the spiritual soul. Scientists of great knowledge are ever seeking, but never coming to the truth. They are seeking the way in darkness."

September 28, 1977

Eve of Saints Michael, Gabriel, and Raphael

Veronica - There's a beautiful blue cast all about the trees and over Our Lady's statue. And directly over the statue, if you look high up into the sky, the clouds - there are no clouds; there's a ring of dark coloring that's hazy but separating straight through the center.

Our Lady is coming forward. She's dressed in the most beautiful blue gown, and She has a very wide blue sash about Her waist. And Her cape is a beautiful blue, a very deep color blue.

And it's very windy. Our Lady's looking about. She's tying Her band piece at Her neck. It's so windy. Our Lady wants to keep the cloak about Her head.

Now behind Our Lady the sky is opening up. It's like - there's no way to explain it; it's like an evaporation, the whole area about Our Lady's head. And coming forward is Michael. I recognize Michael. He's taking up the whole sky. But directly at the side of him there's Gabriel, Raphael, and oh, there are many, many angels, all sizes and colors. I don't know - their clothes are the colors of the rainbow. They're absolutely beautiful!

Our Lady is smiling. She's taking Her Rosary from about Her waist. She has a beautiful Rosary with - the Our Father beads are a - oh, a golden bead; they are so brilliant that as Our Lady is turning it catches the light. It's a pure spun gold. The Hail Mary beads are a deep pink and blue; they're cascading, the colors. The light is tremendous tonight with all the angels gathered about Our Lady.

Now Our Lady is taking the crucifix from Her Rosary, like this, and extending it forward, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is placing the Rosary into Her left hand, and She's making the sign to listen; She's touching Her lips with Her first finger of Her right hand.

Our Lady - "My child, you will now experience a time of peace. We understand the difficulty of giving the message to the world, My child, for it is not easy for a human to assimilate and understand the supernatural.

"My child, We have used you as a voice-box to bring to the world the knowledge of the entrance of satan and the dark forces of hell that are loosed now upon the earth.

SCOURGING THROUGH THEIR CHILDREN

"Your city and all of the cities of your nation and the countries of the world will receive a scourging through their children because of the laxity exercised by parents in safeguarding the morals of their children's souls.

"The state of the world at the present time has called down upon it a punishment that has been abated for a short time by the acts and sufferings of those who have given themselves as victim souls to the merciful heart of the Father. There are many, My child and My children, in the world who care for their fellow human beings. There are many who will fight to the bitter end in bringing justice to the world, in keeping the light of faith burning in the hearts of the children that can be reached by them.

"Parents, you have now the chance and the time to right the wrong that has been done to your children. Can you in all sincerity and honesty say that you have been guiltless in the fall of your children? O parents, great suffering has been given to many, and much suffering will still be experienced in your world.

"Through many earth-years the Eternal Father sent to you prophets; the Eternal Father gave you warnings of what was to come upon mankind. The days approached for the final battle between good and evil, and how many prepared for this battle, My children?

"In the cities of the United States of America there are forces of evil, dark forces working now in your schools, in your medias of entertainment; and these dark forces have entered into the highest positions of wealth and power.

"My children, you must understand good and evil. You must seek out knowledge of the supernatural, for knowledge is power to you.

"My Son is being subjected upon earth to all manners of abominations being committed within His House, His Church, and in the hearts of man. My children, all of the evil that surrounds you cannot affect your spirit unless you absorb it, and you nourish the evil from within your heart.

"My children, sin is insanity. Your children, unless you continue to pray and to use all of the armor given to you through your past history of My Son's Church . . . you must continue to use this armor. Keep the sacramentals upon the human body of your child.

SCIENTISTS SEEKING TO PLAY GOD

"Much must be accepted in faith, My children. Man of great knowledge is always seeking, but never coming to the truth. Man of great knowledge, your scientists, are trying to now play God upon earth, seeking to create life and destroy life. Sin is truly insanity!

"I warned you as a nation, as a country, and I warned all of the nations of earth that you were fast plunging towards your own annihilation. Man is building armaments now for his destruction.

"Corruption is eating the heart out of your country and all of the countries of earth now. What you have experienced in your cities shall be widespread without a recourse of man to do penance, make atonement for the sins of man.

"O My children, it is not the will of the Father that all should see at this time with their human eyes the corruption that is prevalent upon earth.

CHILDREN PUTTING TO DEATH THE PARENTS

"I warned you in the past, My children, that as you become murderers in heart, your children shall become murderers in heart. And it shall be parents and children, division in the home; parents and children fighting. Children rising up and putting to death the parents! And why? Because they have no light in the home, no light of faith. Souls are in darkness, and the prince of darkness is satan.

"Recognize and accept the truth, My children. Satan walks now upon your earth. As a spirit he must enter into a human body; be it man, woman, or child of conscionable age, he will use these bodies to promote what he plans: the eventual downfall of mankind. My children, recognize the plan of satan.

"I have cried for years as your Mother; I have wandered upon your earth trying to warn you, but how many listened to My counsel and warnings and acted upon them? Too few, My children. Too few, far too few to avoid the catastrophes!

"Lucifer, satan, Luciel, cast from the heavens - he rebelled against his God, as you, children of God, once children of the light, are rebelling against your God. If you are abandoned and left to your own resources, you will destroy each other!

"My children, I have promised you in the past, and I still promise you, that peace shall be restored. But you are now going through a time of trial and testing.

"You must recognize now the signs of your times. You are not blinded if you have followed Our counsel.

ONLY A FLICKER OF TRUE FAITH LEFT

"My children, My Son has been abandoned in His House. His Body, His beautiful Body is being desecrated by many. And the evil forces of darkness in human bodies, in the form of satanism and worship of the prince of darkness at black mass - they are desecrating My Son's Body, and why? You permit this because you have lost heart! You have lost faith! There is only a flicker of true faith left in your world, My children. When it is extinguished, man, those who are living, will envy the dead.

"Already, My children, charity of heart has grown cold. Already, My children, murder is becoming now a way of life, and who shall be, or escape, these murders within the home?

"Man is a creature of habit. Man will repeat himself in his errors until eventually he makes sin a way of life!

"The Eternal Father is long-suffering, My children. He does not want one to perish. And now, those who have been given that flicker of light to retain in the world of darkness must go forward now with the Message from Heaven.

"Your city New York has been tested, and will be tested further, My children. The cancer of sin has fanned out from your city, the metropolis of New York. The influence of this cancer is evident now in the corruption of your nation and many nations of the world.

"All who join in the forces of light will be tested as metals in the fire. Persevere, My children; persevere and you will win your crown.

"Pray a constant vigilance of prayer in your homes. Take yourselves out of your world now, which has been given to satan. It is the empire of satan now - the world, My children. You will be living in it, but you must not join the world. For the world is a world of the flesh and the devil.

"My children, I know that you have retained the truth in your hearts. You must nourish it. For the time will pass quickly, and you will have upon you the great Chastisement. All who come out of this, My children, will be few, but My Son shall be victorious over the forces of darkness.

"All who hear My voice, who accept My counsel, will be saved.

"My children, do not cast out the monuments, the statues, from your homes. They are not relics to be adored. We hear all of the complaints and the disparancies coming in relation to those mementos that you have, My children. You must understand, ignorance is often the reason for these accusations of worshipping idols and statues.

"My children, it is only because they do not have the Faith, or they have lost the Faith, and they cannot understand. Pray for them, My children. You cannot accuse or punish a blind man, but you must try to help him so that he will understand and live a life approaching the light. If you cast him off, he is lost.

"We depend now, My children, on the few to set themselves now to rescue those who are in the deepest darkness. Prayer is the most powerful force in the light now, My children. It is a form of penance; it is a form of begging for the repatriation of souls. Pray a constant vigilance of prayer. Keep this chain of prayer going throughout your country and the world.

"The Eternal Father has a plan for the salvation of mankind, My children. Have confidence in My Son. And you, My child, when you are given over to any doubt or despair of heart, you will say, My Jesus, my confidence! My Jesus, my confidence!

"Many miracles in photographs, My children, shall be given. They will encourage you in the battle ahead.

"My child, in relation to the satanism, you have now taken a step forward. But I will assure you now, My child, that it is a battle, a battle that has not been finished.

"Strength shall be given to continue upon the mission, My child. You will now make the move that you wish, and I will direct you. The message shall appear, My child, soon, from out of nowhere. You will understand.

"Much of the mission must be kept a secret, My child. You must understand, there are those who have not been given full knowledge of the mission, and they cannot, without this knowledge, understand.

"Please, My child, work fast and quickly. Do not slacken in the pace. Send the Message from Heaven throughout the world. The children of the light must all be enlightened.

CALL TO ARMS FOR HEAVEN

"The medias now have taken up the call to arms for Heaven. There are many armies rising throughout your earth, My child and My children. You are not alone. Unite under a banner of Faithful and True to the Eternal Father in Heaven."

Veronica - Our Lady is now raising the crucifix of Her Rosary, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as the Father blesses you for My Son and the Spirit of light: In the name of the Father, and of the Son, and of the Holy Ghost.

"Be seated, My child, now, and read the photographs."

[Pause]

Veronica - There is a brilliant pink glow all about the trees. Oh, it feels very warm. There's no way I can explain the emotion it gives you; there's no human way I can put into words the feeling that you receive when these lights appear all about the trees. They're the call lights of Our Lady and Jesus.

Now directly over Our Lady's statue, high in the sky, it's like clouds are being rolled back. There is no way I can explain it. The sky is opening up, and directly in the center there's a crystalline light, a brilliant - oh, I'm sure if it wasn't for Heaven's providence I would be blinded by the light, it's so brilliant. Now through this pinpoint of light I can see Jesus coming forward. Oh, it's very windy.

Jesus has on a cream-colored, almost a beige gown, belted about the waist with a piece of - it looks like skin-like material, a belting made of skin, I believe. It is a very, very thin piece, maybe an inch thick, it looks like. And Jesus has sandals on His feet. They're also a brown, skin-like material, almost like thongs; they come through His toes.

Jesus is now shifting the weight of His cape. The cape is a burgundy color, and it's tied about His neck with a piece of cord, too. I can't see it too well because it's ruffled at His neck. Now Jesus is pushing it over. It must have a hood on it because it's heavy behind His neck. And Jesus is shifting it now.

Now Jesus is extending His hand out, like this, with the three fingers poised, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now the sky is becoming very lighted at the right side - that would be Jesus' left side - and Our Lady now is coming forward. She looks so beautiful. But She's quite a bit shorter than Jesus. Jesus must be at least six feet tall; He's very tall. Our Lady comes to just about His shoulder, a little above His shoulder.

Our Lady has Her gown, Her cloak tightly clasped about Her, and Jesus is saying - I can't hear what He's saying to His Mother. But now Jesus is turning, and He's touching His lips with His first finger.

Jesus - "My child, We understand the turmoil of your emotional encounter with the agents and forces of hell. In time, My children, many shall have these encounters with the forces of darkness.

"You must understand now. I feel in My heart, the time is now come to tell you and give you the full measure of knowledge of what is happening upon earth.

GATES OF HELL OPENED WIDE

"Hell, the doors of hell, the gates have been opened wide. Satan is now walking the earth. In spirit he cannot operate in full measure. He must enter into the body of a human being to work his will.

"O My children, he is the spirit of evil and darkness, and he will debase souls in a manner so vile that no human mind could conceive of the degradation he will promote through human beings. There will be loss of charity of heart, no love of neighbor or family.

"My children, you ask why this happens. You have promoted this of your own free will, My children. The light has not left the world, but the light of faith is very dim.

"There are armies now rising throughout the world, armies that My Mother has gathered in My name. I assure you, My children, it will be a glorious battle ahead. All who enter it with good spirit will be given the strength to persevere in this battle of the spirits.

"My children, much must be accepted in faith. My child, Veronica, you have been tested; and there will be another test following. However, you will not be alone in the second part of your mission.

"My children, this battle is raging upon earth now. You are fighting now forces unseen to the human eye, but they exist and are among you.

"My children, My Mother has wandered through many earth-years throughout your world, crying and pleading the cause from Heaven. Many have rejected Her counsel, and sadly, they have learned of their error too late.

"Many parents are shedding now bitter tears of sorrow, for their hearts have been torn by the actions of their children. Many parents will gnash their teeth in bitter sorrow as the time goes in and approaches the time of the great Chastisement.

"My children, time, time, and now there is only left the half-time. I repeat: time, time, and only left the half-time. Do not try to speculate and calculate on dates, My children. It is not necessary. All now will proceed from the will of the Eternal Father.

"You ask, My child, how a state such as this could come upon human nature? My child, it is because of this very basic human nature and frailties that man, in exercising his own free will, has brought the world of mankind to the brink of destruction; because man has rejected the teachings, the teachings of old, the teachings that never shall grow old, for they are the basic foundations from your God, the Eternal Father, your Creator. And now you reject your Creator, and in your arrogance and pride, you seek, as did Lucifer, to dethrone your Creator, and set up a world government of man.

"O My children, you are heading toward the fatal abyss. O My children, now the world is proceeding in the same path as Lucifer started, and was cast forever from the Kingdom of God. Lucifer, in his arrogance, was given much knowledge, but he used this knowledge against his God! He, too, had a free will. My children, no man, woman, or child shall fall into hell, the eternal abode of the damned, unless he gives himself to satan willingly, of free will.

"My child, I understand your turmoil in trying to fathom the ways of the Eternal Father in relation to salvation and mankind. My child, this is beyond your capabilities to understand. Therefore, do not burden your heart and your spirit with this dilemma. All will proceed in the plan of the Eternal Father. No evil, My child, is ever triumphant. The Eternal Father will use it and turn it to good.

"You will continue upon your mission, My child. My Mother shall direct you. We have sent to you, to aid you in your mission, one of the highest archangels of Heaven, Tusazeri, and you have been joined now by two more. You will find this most pleasant, My child, in the future. Call upon Michael, for he stands first now in Heaven to defend you.

"My child and My children, this is a war of the spirits, a war far greater than mankind has ever fought since the beginning of time. You are now in similar nature, in spirit, fighting as did Michael, the forces of evil that entered into your Father's House.

"My children, work, pray; do not slacken; do not give in to all of the blandishments of human nature and mankind in your mission. You will go forward, for there is a great reward for perseverance and faith, My children.

"I accept, with a stricken heart, the abominations that are being committed in My House. Satan was allowed to enter. Man chose to take Michael, the guardian of Faith, from My House; and the doors then swung wide open to admit the prince of darkness and his realm of corruption and evil.

"My children, satan has entered into the highest places of government and the highest positions in My Church. They, too, will feel the sword.

"It is a just God who will place judgment upon mankind. He is truly a merciful God, but you must not provoke His anger. For reluctantly many have to be rejected when they seek to enter the Kingdom of Heaven.

"Parents, you must safeguard your children against heresy and lies promoted by the father of all liars, satan, in your world. Keep the faith in your children's hearts, or you shall cry in bitter torment.

"The strength of faith, My children, shall be your beacon in a darkened world. Your world, the earth, is fast plunging into deep darkness of spirit. Soon the elements shall be set upon mankind, a form of minor cleansing before the great Chastisement.

"The Ball of Redemption is approaching earth. All who have remained in counsel and steadfast in faith with My Mother shall recognize this and be prepared, for the signs of the times have been given in numerous places, in many ways, through persons, places, and things throughout your earth.

"Prepare, My children, and go forward as light bearers, carriers of the Faith and truth. My children, before the final capitulation of mankind to the evil forces of destruction, all will have washed their robes clean in the Blood of the Lamb. Console yourselves in your hearts, My children, in the knowledge that what is happening has been deemed by the Eternal Father as a necessary chastisement. For whom the Father loves He finds need to chastise.

"I bless you all, My children, as the Eternal Father blesses you, in the Spirit of light, and We send among you many agents from Heaven.

CALL UPON YOUR ANGELS

"Your angels, your guardians, they are numerous now upon earth, and are willing to be at your side at your command. My children, do not cast them away. You cannot make it upon your own. I repeat, call upon your angels often. They are there as warriors from Heaven."

Veronica - Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is coming forward. She's holding in Her right hand a very large Scapular, a beautiful - it's just a brown cloth on a string. Our Lady is holding it out in Her hand like this; She wants us to see it.

And Jesus now is smiling. Jesus is going across the sky over to the left side. He's standing directly at the right side of the tree, and He's bending over like this and extending His hand, making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Michael is coming down. My! He is covering the whole sky. He's tremendous! Now I can see that his - he has a gown on, but there is a swirl of the gown. This must be what you call the wings, but I can't explain it. It's not like wings; it's too beautiful to be called wings. It looks like I'm looking at layers of soft, fuzzy down piled layer upon layer. It's beautiful!

Oh, and now I can see Gabriel is walking over. He's not walking, he's floating over, and he's holding, he's holding the balance in his hand, the golden balance. And it's not his hand - I can't see his hand; it's like the end of his gown. It's extended out, and the balance is being held. And Michael now is raising a spear, and he's pointing to the balance. Oh!

Now over on the right side Michael is pointing up with his spear, and directly above the tree there's an hourglass. And it looks like it only has about - oh, an inch and a half of, of like sand, it looks like, coming through. It's almost empty. Michael is taking the sword, and he's pointing down with the spearhead of his sword, down. This big sword he has, he's pointing down. It usually means some type of war. And he's, he's nodding his head yes, war. Oh, my!

Now Jesus is extending His hand out, like this. Jesus is standing just above the first tree, looking down and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing His hand over His heart; He looks very sad about something. He's looking down now onto the grounds. Our Lady now is coming over. She's going in front of Jesus and cutting across. Now She's standing just about directly, a little over to the right of Her statue.

Our Lady - "Continue now, My children, with your prayers of atonement. They are sorely needed."

October 1, 1977

Eve of Saint Theresa of the Child Jesus

Veronica - The sky is becoming very bright. All about the trees, there's a luminous glow. I can't explain the color. It's not just a blue; it seems to be a crystalline type of coloring of a mixture of blue and white. It's beautiful, almost cloud-like in formation.

Directly over Our Lady's statue, the sky is opening up just as though the clouds are evaporating. And coming forward, directly in front of Our Lady, I see a huge gathering of angels, tremendous angels!

It almost - now they're going about Our Lady in a cluster, garland-like in formation. Oh, yes, they're holding in their hands, oh, a long corded type of floral piece - it's like a Rosary. Yes. Yes, now I can see. Our Lady is encircled by a huge garland Rosary. And directly over on the right side of Our Lady's statue, hanging down, is the crucifix of this Rosary.

Now as it's being extended around Our Lady, I can see the sky opening in the back, and coming forward is Theresa and her sisters, and there are many clerics. I can tell by their habits. They're all wearing the long habits, and oh, they look absolutely beautiful!

Now, directly behind the first line of clerics, I can see two figures. They must be popes. They're wearing the long beehive headpiece. Oh, it's so beautiful! The light is so brilliant about them. I can't describe it. It's like looking into a mirror reflection. And there is cascading all about us slivers of glass-like particles. Our Lady says they are graces.

Now Our Lady is coming forward. She's floating - everyone floats. I can see the angels moving now as Our Lady is coming forward, closer in. Our Lady now is taking the Rosary from about Her waist.

She's wearing tonight the most beautiful white mantle. Our Lady's gown is a pure white, almost sugar-white in appearance. She has a very heavy blue belting, a wide sash about Her waist.

Now Our Lady has taken Her Rosary, Her beautiful Rosary with the golden Our Fathers and the white Hail Mary beads, and Our Lady is extending the crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is placing the Rosary back onto Her waist. She's beading it. And it hangs very heavily down at Her right side. Our Lady now is placing Her first finger to Her lips.

Our Lady - "My child, I understand full well the difficulties you have encountered in your mission. You must well understand now, My child, why We placed you in your present area. The first part of the mission has been accomplished. The second part is about to begin. You will understand, My child, when you complete your move.

"Do not be afeared at the progress of this mission, My child. You must understand that your success or failure in this mission will determine whether the prince of darkness shall encroach further upon the peoples of the world.

SATAN CHOSE CITY OF NEW YORK

"Because of the major role the city of New York plays in the world governments and the governing of your nation, the United States, My child, it is for this reason that satan chose that area for his start to bring into your country a full overthrow of Christian belief. It is his endeavor now to replace the Church of My Son with the church of satan.

"Already, because too few listened to and acted upon My counsel in the past, already, My children, your nation is covered now by secret societies and churches of satan, being founded by the master of deceit and the father of all liars, the prince of darkness, satan.

"My children, I do not have to explain to you the evils that he will create and manifest through your children and all those who have given themselves to seeking the occult, whether it be, My children, in the homes or in the classrooms of your nation, your schools. Satan has planned his role well. It has taken many earth-years for him to reach this point, My child.

"You understand that the knowledge of the supernatural has been stilled and has been rejected among mankind. The knowledge of the supernatural has now been placed in the minds of man as a myth to be laughed at and meet with derision.

"My children, I tell you now, that unless you pray a constant vigilance of prayer - and I say again that prayer without works is like placing meat on a dead man's grave; it bears no fruit. You must also act upon My counsel and direction. There are human means that must be exercised. My children, you will make a concerted effort to take and purge from your schools the practice of the occult. Already, many of your children have entered into these secret societies without your knowledge, and they are propagating it throughout your country and the countries of the world.

"My child, I set you amidst all of the darkness so that you could bring out to the world, as you searched with your candle of light, the evil abode of the prince of darkness.

"You cannot understand in your human nature how his role is being played now among man. But I assure you, My children, you must not cast aside the supernatural, for I told you in the past, and I repeat it anew, that satan now is loosed from hell and he is walking the earth. He is going about now searching for an abode in the body, the shell of a human being. Any man, woman, or child of conscionable age can be his abode.

"He will use individuals, places, and things. Being of the highest intelligence next to God, the Eternal Father, he has the knowledge to promote accidents that are not accidents. He has control of nature.

"Understand, My children, you must not question but accept in belief. You understand, My children, if you set yourself to question, you are advancing on the same path as Lucifer when he, too, questioned the Eternal Father, and he lost Heaven forever. He was placed upon earth, and the Eternal Father sent an army of souls to defeat him.

"The fight now rages upon earth, My children. I and My Son and all the forces of Heaven now gather to do battle with the prince of darkness. This, My child, is what will be: In darkness will they seek the way? This, My child, is what will be: In darkness will they seek the way?

"My children, prayer is now the strongest fortress you have now in your homes against the evil. Your children are the major victims now of 666.

ONE-WORLD GOVERNMENT AND ONE-WORLD RELIGION

"I cannot at this time give you the full import of the existence of this web of evil throughout the world. It is the major plan of satan to bring about a complete one-world government and a one-world religion. And it will not be of My Son. It will be a church of man based on humanism, modernism, and satanism. O My children, if I could only open the doors of the world and set your eyes to see what We see now being perpetrated in My Son's houses throughout the world! It is no wonder that I cry bitter tears of pity, for you know not what you do, and you know not what the future holds for you!

"Already, in many of My Son's churches, side by side, are they sacrificing My Son, and also satan sacrifices unwilling victims to his black mass. My children, you must fight to retain the divinity of My Son, and not have satan encroach upon it. It is a war far worse than man has ever seen in history. These are the days spoken of and written of by the prophets of old.

"We send among you now many present latter-day prophets to bring you the Message from Heaven. We say unto you now, prepare your household, for the sword is descending upon mankind! As you sow, so shall you reap.

"You have sown in the hearts of your children corruption, greed, avarice, vanity, materialism, humanism, modernism, loss of morals; and now what will you get but murder within the home! Sin has become a way of life. Life will have no value. Charity has grown cold in the hearts of most. My children, I repeat again: Only a few will be saved in the final count. The rapture is approaching.

"My children, do not be afear'd of the judgment of the world upon you; for as they judged My Son, and He walked among thorns, so will you be judged. The cross will be heavy. You will be rejected by the world, for you in the light have nothing in common with the darkness. You will be rejected by the world; but gloriously, you will be accepted by Heaven.

"My children, there is a separation now being made among your workers. We cannot contain within the ranks those who have become lukewarm. Many will fall by the wayside, for the cross will become too heavy. You will pray for those who have not gathered their graces to fight in this final battle. My children, they will not be lost, but they endanger their souls by entering into the world.

"My children, you will pray for your Holy Father, Pope Paul VI, in Rome. There will be a great change made soon.

"The enemies of your God are gathered within the Holy City of Rome. Sad to say, My children, but a fact of truth, that many of the councils now shall bring forth diabolical ventures.

SECOND COMING OF MY SON

"You will pray a constant vigilance of prayer now in your homes. You will reject the world, for it has become now the abode of satan. You will guard your children's souls against the infiltration of the world's evils.

"My children, you must now make the choice. You have a free will. We cannot force you into Heaven. You must want to come, My children. I promise you, as your Mother, and as a Mediatrix between God and man, that I shall be with you to the Second Coming of My Son.

"Do not fall victim to those who will make claims of being My Son; for you will know when My Son arrives, for He will come down from the heavens with a shout of glory and all the forces of Heaven. No man shall not be aware of His entrance. So do not become deluded by those false christs that will walk among you."

Veronica - Our Lady now is taking Her Rosary from about Her waist, and She's holding the crucifix in front of Her, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Theresa is coming down, and Our Lady now has turned to her, and She's nodding Her head. Theresa now is touching her, her lips with her first finger.

St. Theresa - "My sister, Veronica, you must continue. And please counsel my sisters in vocations that they have fallen asleep. They must remove the blindness from their hearts. They have been misled! Modesty and discipline must be a rule of habit."

Veronica - Now Theresa is moving backwards, and the sky now is darkening all about the angels. It's darkening, and there seems to be a very ominous feeling. I don't understand why it's becoming so dark. Now Our Lady is pointing up to the sky. And I see a big "M" written in the sky, a big black "M". Oh, Our Lady now is touching Her lips.

Our Lady - "You will make now, My child, a series of three photographs, and I will explain to you the "M". Much of this work must be kept now in secret for your safety and the well-being of the mission."

[Pause]

Veronica - . . . a very beautiful pink coloring, a very subdued but soft pink, very warm-looking. Now directly over Our Lady's statue, the sky is opening up, like the clouds are rolling back. Jesus now is coming forward. He's floating forward, and I can see Our Lady behind Him, and Theresa and Saint Leo, Pope Leo, and Pope Pius X. Oh, I can recognize them! Oh, and Theresa's sisters. One has a different garment than the others on, but they all are dressed in long habits. They look very, very saintly. Beautiful!

Now over on the left side, I can see Michael. Michael is a tremendous size! He has to stay in the rear because he is so large. He's covering the whole sky.

There are many, many graces being given this evening. I can see all of the slivers of graces. There's no way to explain them. They look like - oh, crystalline glass falling. I can't explain it. Beautiful!

Now Jesus is shifting His cloak onto His left arm, so that He is extending His right arm out, like this; and with His three fingers extended, like this, He is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking all about Him. It's quite windy, and His hair is blowing now. His cape has like a hood. I can see the hood in the back, but it's down now about His neck. And I can see His cloak is tied with a gold piece of braid. I don't know exactly what it's made of, but it covers around the material. It's a rope-like piece of braid, and it's holding Jesus' cloak on. Now Jesus is taking His first finger and touching His lips. That means to listen and repeat.

Jesus - "My child and My children, I do not have to, at this time, enlarge upon My Mother's counsel to you. For many earth-years you have been warned of the approach of these days. Because your generation has fallen into a way of life that is not akin to Heaven's plan, the forces of hell have been loosed now; and every man, woman, and child will be put to the test in the days to come.

A GLORIOUS TIME FOR MANY

"It is truly now a battle of the supernatural. If you remain close to My heart in the Eucharist, if you nourish your souls with My Body and Blood, I assure you, My children, you will not fall into the darkness. This will be a glorious time for many, for many will be given the sight to see into the supernatural life. It will be necessary now in the fight against satan, Lucifer, and his army of ogres.

"The entire forces of satan are known as 666. He will, eventually, with his army, be destroyed. However, it is in the plan of the Eternal Father that the world proceed now upon this test.

"There will be much gnashing of teeth and woe set upon the earth by the evil one. He will seek out souls to vanquish in dark places; for as he is a prince of darkness, he must live in the darkness. My children, those who are in the light have nothing in common with the darkness. Put on your armor of grace and fight now the prince of darkness and his consorts.

WOLVES IN SHEEP'S GARMENTS

"Do not be fooled by their outward appearance of piety and holiness, for many of them will come as angels of light, but they have ravenous hearts of wolves. They are the wolves in sheep's garments, and sad to say, My children, I find many of these are in My House, My Church upon earth.

"Throughout the earth-years of time, I have given direction, through the Holy Spirit, for the course of My Church; but man, as in the time of Lucifer in Heaven, man in power has decided to take it upon himself to go above His Creator, seeking to create life, seeking to accept the knowledge of life and use it to destroy, until the world has created a force of executioners from hell.

"My children, sin has become a way of life, and your children shall turn upon you. It will be father against son, mother against daughter, division in the household - all because you did not prepare your house for these times. Recognize now the signs of your times!

"Satan walks the earth, entering into the body of any man, woman, or child to work his will in the world. You will see murders; you will see acts committed by your children so despicable that you will say that only satan, from the abyss, the depths of hell, could create and conceive of such evil!

"There will be degradation, for the morals of your country are being destroyed. There will be no honor, for there is no honor among thieves; and there are thieves who have stolen into My House, My Church. They are robbers, seeking to destroy My children.

"You will pray a constant vigilance of prayer. Clean your household while you have the time, for I assure you, My children, some of these households will be cleansed forcibly!

ASTROLOGY FOR UNBELIEVERS

"You all have been given a free will to follow the course you choose: You now will give yourselves to satan, or you will now line yourselves up among the ranks of the believers. Astrology is for unbelievers, satanic in origin. Man has set up a god of materialism, and this will destroy them.

"I assure you, My children, My Mother's counsel was for your defense, for your protection in these days. These are truly the days of the Apocalypse; these are truly the latter days, and from out of this conflict there will rise many latter day saints.

"You will proceed onward, My children, under the banner of Faithful and True, guided by the great warrior of Heaven, Saint Michael the Archangel.

"You will bring back into My Church and your country and all of the nations of the world the Exorcism to rid a country of the evil one, satan, the prince of darkness, who has now in his possession a pair of boots of destruction. You will say:

Saint Michael the Archangel, defend us in battle. Be our protection against the wickedness and snares of the devil. May God rebuke him, we humbly pray; and do thou, O prince of the heavenly host, by the divine power of God, cast into hell satan, and all evil spirits who wander now throughout your world seeking the ruin of souls.

GIFT OF DISCERNMENT OF SPIRITS

"You will all keep in your hearts this prayer for consolation and direction. If you come upon a questionable soul, you will say inwardly the Exorcism, Saint Michael, and your eyes will be opened to the truth. Many shall receive the gift of discernment of spirits. It is a necessity now in the fight, the battle against the unseen forces of the supernatural.

"Keep a constant vigilance of prayer going in your country and throughout your world. The time, time and a half is here. The time has passed, the time has passed, and the half now is here."

Veronica - Jesus now is placing His hand in front of Him, like this, with the three fingers extended, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over to our left side. He's crossing slowly across the sky. He seems to be weightless. Oh, it's just beautiful to watch! He doesn't walk; He just is gliding across the sky. And Our Lady is following Him, and Theresa, and I can see now all of the angels gathered behind them.

Now Jesus is looking down. He's smiling very sadly. Now He's placing His hand out in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking about Him. It's very windy, because His cape is blowing. Oh, my! Now Jesus is going across the sky. He's heading over directly by the first tree there. Our Lady is behind Him. Our Lady comes a little below His shoulders. He looks very tall. Jesus looks very tall, about six feet tall, I think.

Now Jesus is going over. He's standing between the two trees, and He's looking down now and placing His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now they're all turning, and I can see Jesus pointing upward. Oh, my goodness! He's pointing upward. There's a huge cross. And then down below the cross is a sword. It's very silvery-looking. It has a cross for a handle; and it's coming down, and has, though, a hook on the bottom, like-I don't know what you'd call it - a saber-type of hook? The cross, though, comes down, and then it has a hook. Our Lady now is touching Her lips.

Our Lady - "It is for the harvest, My child - the angel of death in the harvest."

Veronica - My!

Now Our Lady is taking Her Rosary, which is about Her waist now, and She's taking the Rosary and extending it out, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing His hand up, like this:

Jesus - "You will continue now, My child and My children, with your prayers of atonement. Do not be concerned of the opinion of man. Your allegiance is first to the Eternal Father.

"You will meet with much opposition, My child, in the future; but you will continue to say, My Jesus, my confidence. Your angels are with you; all are now upon earth in this battle. The ultimate victory is with Heaven, My children. We allow this to see how you will fight to keep the light in your world."

Veronica - Now Jesus is extending His hand again: In the name of the Father, and of the Son, and of the Holy Ghost.

Now they're all going back - they're sort of like floating backwards. They're not walking, but just carried up, like the wind seems to carry them. It must be beautiful, just floating! Oh, my! Now Our Lady is nodding Her head. It means to sit down and read the photographs.

October 6, 1977

Eve of Our Lady of the Rosary

Veronica - The sky is a beautiful pale blue directly over Our Lady's statue, but strangely there is an outline, a very dark outline of what appears to be a door, a very large door. Now directly in the center of this formation of a door there is a tremendous light. Oh, I can see Our Lady now coming forward.

She's dressed in a beautiful white gown. It's so brilliant, the light about Our Lady, that the trim on Her gown is sparkling and metallic-looking. And Our Lady's mantle is a pure white, a brilliant white. Oh, it's whiter than sugar. I can't know of any other comparison in the whiteness of the gown and the mantle of Our Lady. Directly along the outer edge there is a sparkling - oh, a filament of gold all about the trim of Our Lady's mantle. Oh, it's just magnificent in color!

Oh, Our Lady now is drifting. She doesn't walk; She's floating forward directly over Her statue. Now She's extending Her Rosary, which She's taken from about Her waist - a beautiful, huge Rosary. It's - I believe, for our own comparison, the beads, the coloring, the beads are very large; for that reason we can see that they are very translucent. Beautiful! There is the golden Our Fathers and the Hail Mary beads now have multicolors. They are all of the colors of the rainbow. It's so beautiful!

Our Lady now is pointing upward, and there is descending from the sky a crown, a beautiful crown of roses. Oh, there's not a thing behind it; it's just descending onto Our Lady's head now. It's circling Our Lady's head directly onto Her mantle. Oh, Our Lady looks so beautiful! The Queen of the Roses. Oh!

Now Our Lady is pointing, and the sky seems to be rolling back, and all of these angels - they're all sizes, perhaps ages, if there is an age, a chronological age, for angels. They look like - some look like children. They're dressed in all of the colors of the rainbow. It is so beautiful! Now they're all forming a circle about Our Lady. Beautiful! I should say a half circle; they're not going in front of Her. They're lining up directly behind Our Lady. Oh, it's so beautiful! Queen of the Roses, Queen of the Rosary.

Now Our Lady is placing Her large Rosary back about Her waist, onto Her sash, and She's touching Her mouth with Her fingers; that means to listen.

Our Lady - "My child, there are difficult days ahead for all mankind. The sands of the hourglass have traveled fast because of the increase of the corruptive state of your country and many nations throughout the world.

SORCERY AND MIND CONTROL

"My child and My children, the greatest anguish of heart that We suffer now is because of the sorcery that has come into the lives of many of your children. We call this sorcery, My children, because there has been a combination of the practice of the occult, witchcraft, with drugs. The minds of your children are being destroyed and distorted by the use of mind-controlling agents from hell. And I say from hell, My children, because it is the diabolical plan of satan to control the minds of your children.

"O parents, if I could only allow you to see into your near future - and I say near, because your near future is not counted by years, but months now.

"You will find that sin is truly insanity. Children shall rise up against their parents and put them to death. Murder shall be rampant in your streets, My children. And why? Because you have now set up another god to worship, a god of materialism and atheism.

"My children, arrogance and pride have reached even into the hearts of Our clergymen. In the plan of the Eternal Father they are permitted to be blinded because of sin and avarice and pride.

POLLUTED SCHOOL SYSTEMS AND ENTERTAINMENT MEDIAS

"O My children, the parents of your nation, the parents of the world, must now assume a full responsibility for the salvation of their children's souls. You cannot depend upon your school systems, your entertainment medias, your avenues of knowledge to the young, for they have become polluted and are cesspools of error and degradation. In the plan of the Eternal Father, My children, it has now become necessary to remove many of the young from the world.

"Sorrowfully in the past, I have warned you all and counseled you, as your Mother, as a Mediatrix from God to man, that you must mend your ways and do penance. And what did you do to stop any chastisement upon you? Very little, My children, very little! The good have gone upon their way, neither caring to save their brothers. Selfishness has entered into the hearts of even the good. My children, without charity you are as nothing.

"My Son is being - His Body is being defiled by man. And do you think this shall be permitted for long? I assure you, My children, you are coming to the closing era of your world.

"Man, in his arrogance and his search for knowledge, tries to create a new life for man. And what is he doing but paving the road to his own end, his destruction! There will be soon a great War, a war in which the flesh shall be burned off the bones of

man. And after this war very few shall be left upon earth. In My past counsel to you, how many have listened? Too few have acted upon My counsel, and now you shall reap what you have sown.

"My children, there shall be set upon mankind a major disaster. One more world-wide warning shall be given, and then the major disaster of the Ball of Redemption.

"My children, I have traveled to and fro, back and forth across your earth, pleading with you as your Mother to do penance, make sacrifices, and pray. Pray a constant vigilance of prayer in your countries, in your homes. You must not allow the Faith to be extinguished in the hearts of your children, for without the light they will fall fast into darkness; and in the darkness they no longer will be recognized as humans but shall be reduced to an animal state.

"O My children, you have cast aside the reality of the existence of satan now in your world, earth. It is satan's plan to make you believe he does not exist. It is in this manner that he can go across your earth, to and fro, gathering his armies in fallen souls.

USE SAINT MICHAEL EXORCISM DAILY

"My children, you must use the Exorcism of Saint Michael constantly, daily, in your lives, for those who knock upon your door now may be evil. Many are human bodies that are dead, but with live, diabolical spirits within them.

"My children, gather all of the past books of knowledge given by your God to you. Do not allow the satanic agents to destroy them.

"There are only two forces upon earth, My children: good and evil. You cannot at this time walk a middle course, for if you become lukewarm you shall fall.

"This, My child, is what will be: in darkness do they seek the way?

The end is not as far as you can see;
Already there is apostasy.
Man cast his lot and gathered the coals
to stoke the fires that burn the souls.
The days are numbered, the hours are few;
So work and pray and try to do
The work that's given in the light,
Until that sad time when all is night.

"My children, much is given in riddle or parable to you for a reason. There is a war now advancing, far greater than any physical war fought by man in the past. It is a war of the spirits. Every now agent in hell walks the earth. They plan to build up their armies; and We from Heaven shall meet them on the course.

"My children, keep a vigilance of prayer in your homes; keep a vigilance of prayer going throughout your nation and all of the nations of the world. It is a battle now for souls, My children. The eventual victory is with My Son in the Eternal Father. However, this is now a testing time for all mankind, the separation of the sheep from the goats. All that is rotten must fall.

"Now, My children, you must proceed with caution and test the spirits about you. Many shall parade themselves as angels of light, but they are wolves in sheep's clothing, for they have ravenous hearts, and they are agents of hell.

SATAN HIMSELF WALKS YOUR EARTH

"Satan, the man of perdition, the prince of darkness now is upon your world; he walks your earth. Satan, not his consorts or demons, but satan himself is loosed now from earth and walks your earth. He has been permitted to send onto you the test, My children. He has entered upon your earth to claim his own.

"Pray, My children, for your brothers and sisters, for many are fast falling into hell. Satan was always a murderer, and that, My children and My child, shall be his great vantage point. You will understand My counsel, My children, within a short time.

"You will continue to send throughout the world sacramentals for the protection of the young. Guard your families; protect your homes. They must become a fortress for your family, for when your children leave, they are subjected now to all of the agents of hell.

SAINT BENEDICT-FIGHTER OF DEMONS

"The sacramentals - your Rosary, My children, the beads of prayer, your Scapulars, were given for reason. And you must keep the sacramental, given for these very days from Saint Benedict, upon you. I, My child, have always called him the fighter of demons.

Veronica - Now Our Lady is raising Her Rosary. She's taking it from about Her waist, and She's extending the crucifix out like this, a beautiful golden crucifix. Oh, it's so bright and brilliant, the gold. Oh, it just catches all the lights about the heavens. Oh! And Our Lady is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as My Son blesses you in the Father, and sends among you the Spirit of light. In the name of the Father, and of the Son, and of the Holy Ghost.

"Continue now, My children and My child, with your prayers of atonement. There is much work to be done."

[Pause]

Our Lady - "It is a most difficult mission, My child. We know all human frailties, but do not be concerned. You will be given the strength to continue. Rest cures all, My child.

"Experience will teach many of the fall of the young. They are truly the victims of their elders, My child.

"You have been placed in your present abode for a reason. I am certain, My child, you understand why. Much given in the photographs must remain a secret at this time. Three will be taken now, My child, and no word will be spoken of them."

[Pause]

Veronica - The sky is very pink all about the trees, and there is radiating from out of the circle of pink, brilliant streams of white light that are coming directly to the center of the sky over Our Lady's statue.

And now, through the center of the light, I can see Jesus. He's coming forward. It's very windy, because the wind is whipping His skirts about His feet. He has a very long gown on. It's a beige color. And He has a belting; it's like a skin-like type of belting, some type of - I don't know how it's made, but it's a darker tan, almost the color of His sandals. Jesus has on dark brown sandals.

Now His cloak has fallen onto His shoulders. He has a burgundy cape, and it's very heavy. It looks almost like a velvet material; it's a very heavy material. And Jesus is shifting now the cape onto His left arm, and He's extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming down also from the left side of the sky, directly over the tall tree. She's floating over. It's so beautiful how the air carries Them forward. They don't walk like we do; They just glide. And Michael now is coming directly behind Jesus, down from the sky. He covers the whole sky; he is tremendous!

Now Our Lady is whispering; She's talking to Jesus. And They're nodding. And Jesus now is touching His lips with His first finger.

EXPERIMENTATION WITH SATELLITE

Jesus - "My child, there is great urgency at this time that the world must know that there is a nation with a satellite. Their experimentation shall bring great sorrow to many in the near future. O My children, you do not realize that in your search for knowledge and power, you have created weapons of your own destruction.

"Satan has poisoned the minds of many. It is satan now who roams your earth. He has been given his time, and he seeks to claim his own. Nation shall rise against nation. My children, the forces of 666 are worldwide now, and it will bring great distress to the nations.

TELEPHONE A DIABOLICAL INSTRUMENT

"In your country, the United States, and North America, there are many agents of hell loosed now. They have entered into all of your medias of communication. My child, I must caution you again that the telephone is a diabolical, mechanical instrument of satan. Beware!

"Do not be affrighted, My child. I tell you this, and repeat it again, for your protection and for the well-being of your mission.

"My children, I will not counsel you anew upon the horrors being perpetrated in your country and in your cities by the agents of hell. My children, if you reject the supernatural, you reject your own reprieve and salvation. You cannot fight what you cannot see, and you cannot see if you allow yourselves to be blinded. My children, We ask that you remove this blindness from your hearts and accept what is happening in your world.

"The man of perdition walks the earth now. He is satan. And he shall enter into the body of any man, woman, or child who has fallen out of grace, and will work his rule among you. And he'll work his destruction among you. He is the prince of darkness. And he will seek out his consorts who have given themselves over to sin and abominations. My children, he is lining up his forces now. They have entered into every city in your country, and they shall soon be made known. They have adopted their own instruments of destruction.

"My children, all that has been given to you in counsel by My Mother in the past must be studied. For now you have reached the point in the road; you can neither go from the road or stay in one place now, because now you must go forward. The road has become very short, and this road, My children, is the way to Heaven.

"Much you will not understand at this time, My child and My children. But all that has been given must come to pass.

"You will pray a constant vigilance of prayer in your homes, in your country, and the countries throughout the world. Darkness of spirit has settled into every nation upon earth, and these diabolical dark forces shall bring much sorrow and gnashing of teeth to mankind.

CHURCH OF HUMANISM

"Man has sought to become a king among nations. And man has sought to destroy My Church upon earth. And he builds himself one that cannot be recognized as being in the light, for it is a church now of humanism. And woe to those who have set themselves up to worship idols, and have commanded through satanism. My children, have you all progressed into insanity? For surely you have been counseled in the past that sin is insanity, and you now shall reap your own harvest in suffering.

"My children, I hear all cries of peace and brotherhood. And where is the peace, and where is the brotherhood, as you progress along the road to your own destruction?

"Charity has grown cold in the hearts of most. And those who profess a vocation in the clergy have become neither lukewarm nor active, but they go downstream to their destruction like ducks, neither caring whether the abominations destroy souls in My House. They call forth the heavy hand of the Father upon them! All manners of violations to all humanness and dignity is taking place even within the portals of My Church - violations against sanctity.

"O My children, man has called down this time upon himself. The Eternal Father is a merciful Father, but He is hard pressed now to give you a reprieve.

"The light of faith is flickering. Shall I find even a small flicker of faith left in the hearts of man when I return? My children, in your sin and insanity, it will be a day when man wishes and envies the dead. He will wish that he could be dead, and yet he will go through a crucible of suffering that he has brought upon himself. The living will truly envy the dead!

"My children, I could go through a long discourse with you, repeating over and over the pleas of My Mother. She has been truly a guardian of Her children upon earth. She has set Herself to plead your cause before Heaven. For I assure you, My children, if it were not for My Mother, you would have received a just chastisement years before this.

"You will all keep a constant vigilance of prayer going throughout your world and your country. No man shall fall into hell unless he goes there of his own free will. For I assure you, My children, there is a hell, and there is a purging place, and there is the eternal glory of Heaven - yours for the asking. Believe and you will be given the way.

"My children, many parents shall cry bitter tears of anguish as they find too late that their children are lost to them forever. Satan is claiming the souls of many young now.

"Seek the light, My children. It is a simple way. I am the way, I am the light. I've left a legacy to you. Nourish your souls with My Body and Blood. Do not abandon Me at the tabernacles of earth. My children, you must eat of the Bread of life. And I am the way.

"My child, I do not seek to bring fright to your heart at the knowledge of what is to be soon. However, you have been well prepared in the past by My Mother. The second part of your mission has started, My child. You will understand. It will appear, the direction, before your very eyes."

Veronica - Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going across the sky to our left side. He's standing now; He's cutting over, and Our Lady is coming right behind Him. Oh, it's so beautiful! The sky is all lighted up now behind Jesus and Our Lady. And those beautiful angels with all of the colors of the rainbow, their dresses are - oh, they're so beautiful!

Now Jesus is coming over; He's standing directly above the tree and extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning; She's looking over Her left shoulder. Now Jesus - and She's waiting. And Jesus now is going faster. They're going across the sky now, and They're heading over on our right side. Now They're just coming above the first tall tree there. Now Our Lady is saying - I can't hear what She's saying to Jesus. Now He's looking down, and He's smiling. He's raising His hand out, like this, with three fingers, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Father blesses you, and We send to you the Spirit of light. Continue now with your prayers of atonement; they are sorely needed."

[Pause]

Jesus - "My child, politics will not influence the advance of the man of sin. When your leaders recognize the existence of a supernatural world, My child, much more shall be accomplished in saving your city, your state, and your nation. As long as they accept everything upon a human basis, My child, they will never be able to defeat one who is supernatural. This may be a puzzle to some, My child. My own will know Me.

"You will continue upon your mission, not being influenced by your human companions. It would be best if you keep much of this knowledge to yourself, for many cannot understand without the full story, My child.

"Every seer of Heaven has his and her own work to perform. One never has to question the ways of the Eternal Father. All must be accepted with confidence, My child.

"Workers, My child, are always chosen for their perseverance and fortitude. We cannot at this time keep those that the wind can bend. The winds will become much stronger, My child. Therefore, We had to separate the wheat from the chaff. Only the full kernels may develop into stronger stalks.

"The evil that now darkens the world, My child, all of this knowledge was given in the past. I repeat: he, the man of perdition, is wherever there is sin in excess. He will debase human beings in a manner so foul that one will recognize that it is truly a creation from the very depths of hell. Perversion, degradation, and all foulness comes from hell. Sadly, My child, all this will be propagated through the use of human bodies.

"Recognize the faces of evil about you for your protection. Pray for the light.

"We will accept, My children, all who give themselves as victims to the merciful heart of the Father. Many latter day saints shall rise from the conflagration. You will, My child, take one composite set of photographs."

November 1, 1977

All Saints' Day and Eve of All Souls' Day

Veronica - The sky is a beautiful blue haze this evening, and all about the trees there is a tremendous glow, a light that is coming, host-like in formation, all about the trees directly over our heads and over Our Lady's statue.

Now in the center of this beautiful glow the sky is opening up. I can see Our Lady. She's coming forward. Oh, She is so beautiful! Our Lady has on a white gown. Oh, it's so beautiful! It gives you a feeling of complete warmth and beauty. Everything about Our Lady is perfection.

Our Lady has a deep blue sash about Her waist. And She is taking now Her Rosary, the beautiful Rosary with the golden Our Fathers and the Hail Mary beads that change colors as Our Lady is turning the beads.

Our Lady has a mantle on. It's a white mantle with a golden trim around the border. The trim is about three-quarters of an inch wide. Oh, Our Lady is so fragile looking! The light is so beautiful that it has an impact upon you emotionally. There is no human way I can explain this.

Our Lady now is extending Her crucifix, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My children and My child, much has transpired since I last met with you upon these grounds. The world is in deep darkness of spirit.

"O My children, the evil has accelerated. The abominations are continuing, and fast you are heading into a world conflagration and chastisement.

SATAN UPON EARTH IN HUMAN FORM

"O My children, My child, listen to Me well and shout it to the world that satan is now upon earth in a human form. As in the past I counseled you, My children, to prepare your families, your homes, your children, for the onslaught of satan when he walks the earth. Now he is here upon your earth, and you must do battle with him. You have been given your armor in sacramentals.

"You must not abandon My Son. You must go to the tabernacles of the world and eat of His Body and His Blood, the Bread of life.

PROTEST OFFENSES BEING COMMITTED

"My children, you must protest the offenses being committed against the divinity of My Son. Prayer is a great weapon, but unless you act and pray too, My children, you proceed nowhere. You become lax, indifferent; apathy sets in. Each and every individual of conscionable age shall be tested.

NO GOODNESS IN WITCHCRAFT

"Now, My child, you will listen well and repeat.

"The practice of sorcery and witchcraft has become widespread in your country and many nations upon earth. There is no goodness in witchcraft, for it is directed by satan, the master of deceit.

"My children, there are only two forces now upon earth: good and evil, light and darkness. You are now being tested, and you must now make your choice. Which side shall you join - the road that leads to eternal damnation, the road of darkness of spirit, or will you walk the road to Heaven, the road filled with light?

FREEMASONRY NOT OF GOD

"My children, recognize the faces of evil now loosed in the world. I bring you a sad lesson in knowledge. In the past We have counseled through prophets, your Popes, to forbid all who have joined in My Son's Church, forbid them to become part of freemasonry and the Masons. And why? Because, My children, they are not of God; and if they are not of God, they are the Antichrist. And why are they the Antichrist? Because they worship false idols!

MASONS WORSHIP GODS OF NATURE

"In the Commandments of your God you will remember: 'I,' said the Lord, 'I am your God; thou shalt not have strange gods before you.' And who are these strange gods of masonry and witchcraft? Isis! My children, man has accepted gods of

nature! Pagans you have become! You reject your God the Father; you reject the Trinity; and you have dabbled and burned your fingers in the unknown, the darkness of satanism.

"My children, your children, parents, are the victims now of your laxity. They are the victims of their elders. All foul manner of acts are being taught them in their schools, in their secret societies. And why? Because you as parents are too lax in your duty. You flitter to and fro looking for pleasures and gathering the materials of your world. And for what? For I shall soon make them as naught, nothing.

"My children, there is no honor among thieves, those who rob the light from your souls. My children, your country, the United States, has given itself to satan - corruption and evil, defilements in the home, corruption in your government!

"My children, understand: you cannot have two masters. One you will love and the other you will hate. Has My Son become now hated in your world, one to be mocked and scorned anew? Has My Son's Church met now with a new ruler? Have you torn down My Son's Church and erected one of man? Yea, I say unto you: Your time is short.

THREE-QUARTERS OF MANKIND SHALL GO

"My child and My children, I have wandered throughout your world crying tears of pity for you. I have counseled you for many earth-years, and how many have accepted this counsel and acted upon it? Too few, My children. Can you not understand that when the Ball of Redemption is sent upon you three-quarters of your world shall be gone?

"O My children, you go forward and you look for love and peace and brotherhood. In the evil secret societies of masonry they, too, say peace and love and brotherhood. It is not the truth based on the love of God the Father. It is not the truth with the love of the Trinity. It is a mockery to Christianity! And you all follow like sheep to the slaughter, even those who call themselves representatives of My Son in His House. Traitors you are, and as traitors you shall be judged by God the Father!

"Shall you stand before Him, O pastors, and say that your teaching has been pure in His sight? Yea, I say unto you: He shall spit you out as the vermin you have made yourself, for you have lost the light and accepted the darkness. And sadly a fact is known that you as the leader have taken many onto the road to perdition with you.

CONFORM AND YOU WILL DIE ON THE VINE

"My children, you will pray much for your pastors, your clergy. The Red Hats have fallen and the Purple Hats are being misled. Rome is in darkness. And I say unto you now, conform and you will die on the vine! Conform to the new mode and you shall die on the vine.

"My child, modernism promoted heresy; heresy promotes satan. It is because of the sins of man that this time has come upon your world. You are all now living in the latter days, My children. Many shall carry a heavy cross in the days ahead. The good shall be persecuted. Lovers of evil shall glorify those who dwell in evil.

"My children, you will have to remain simple in heart and desire, neither caring for nor seeking worldly acclaim or possessions. Store your treasures in Heaven, My children, where neither moth nor rust shall corrupt them, where neither robbers shall take them from you.

"Too many, My children, have lost their souls seeking to get to the head. Riches are all vainglory in your world, My children. Power is vainglory, for all is passing fast.

"Pray a constant vigilance of prayer in your country and the countries throughout the world. A great test is to come upon mankind. Wear your sacramentals. All who keep the monuments, statues, in their homes shall be saved.

"Do not abandon My Son; do not judge and abandon My Son on the actions of man. Pray for your priest, for he, too, is in a human body.

NONE BUT A DULY-ORDAINED, LEGALLY-ORDAINED PRIEST

"I repeat again and again that none but a duly-ordained, legally-ordained priest in My Son's House shall bring His sacred Body in the Host to another. Foul deeds are being committed upon My Son's Body! And you allow them, neither caring . . ."

Veronica - Our Lady is now reaching down to Her mantle. She is bringing it up to Her eyes, placing it over Her eyes.

Our Lady - "My child, My heart is torn. It feels as though a thousand knives have pierced My heart. Every day another enters. How many shall console Me in My sorrow? I am truly the Mother of Sorrows. And why? Because My eyes look and watch the multitudes of My children entering into hell day by day! I cannot stem the tide now. I ask, I beseech, I plead with you as your Mother, to hold back the darkness. Fight the forces of darkness and evil that have entered upon your world.

"In the past the demons were loosed upon your world, but the prince of darkness remained chained. But now he is loosed. My children, in the plan from Heaven he has been allowed his time. Satan, the supreme master of hell, now walks your earth in a human body.

"I do not, as your Mother, seek to fill your heart with fear, but you must now face reality and the facts. The days given in the Book of life, the Bible, the days spoken of and written of by your prophets are here. I caution you to read the Book of Revelations, the Apocalypse of Saint John, My children. Read and learn; read again! For soon there will be darkness and you will be unable to read. You will store it all in your hearts and your memory.

"My children, I ask you not to judge your brothers or sisters. You must avoid all occasions of evil. Protect your children and your homes, for the souls of many who knock upon your doors are evil.

"You will call upon Michael often to guide you and guard you in the days ahead. Each and every one of you, My children, have received a guardian upon earth. You must now call upon and entreat your guardian to protect you. This is a very difficult time for mankind.

MY JESUS, MY CONFIDENCE!

"My children, I cannot promise you an easy road. The road to Heaven is not easy; it is filled with thorns. But I assure you, My children, if you will pick up your cross and carry it, at the end of this road you will find roses and beauty far beyond anything the human mind could ever comprehend. The battle, My children, will be won when you say in your trial, My Jesus, my confidence! My Jesus, my confidence!"

Veronica - Our Lady is now taking Her Rosary out, like this, and extending the crucifix and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is now turning to the right. Now directly behind Our Lady the sky seems to be just folding away. It's very difficult to put into words. It's just folding away. And I can see Michael and many, many angels. Oh, they're dressed in different colors of the rainbow. Some are, I could say they were children forms of angels - they're tiny, and others look kind of older, if you can explain it that way. I don't know. They have no age, but they are absolutely beautiful! They're following Our Lady now as She goes across the sky to our left. She is leaning down now, extending Her beautiful Rosary, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning to Her left and She is starting across the sky. She doesn't walk; there is no way to explain it. Our Lady just glides across the sky. She's carried almost on the wind. Now She is stopping just above the second tree, leaning over, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as the Father in Heaven sends His blessings upon you in the Trinity and disperses among you the Spirit of light. My child, you will read your photographs now. There is much work to do."

[Pause]

Veronica - Our Lady says that you must be made aware of the terrible trials now upon earth. Your children are in great danger to fall into the web now being spun by satan through the measures of, Our Lady said, freemasonry and communism. This web is one of evil. It is a massive plot. It has been planned many years ago but placed in practice now.

POWERS OF WITCHCRAFT NOT TO BE TESTED

Our Lady - "Your children are being debased and defiled through sorcery, drugs, and indoctrinated through your schools. The powers of witchcraft must not be tested, for forces are now loosed upon your earth. The supernatural must be recognized, for it is evident that too few are preparing themselves for these days you are living in.

SACRIFICING OF HUMANS IN BLACK MASS RITUALS

"My children, do not laugh as I caution you that walking among you are those who are no longer human in nature nor pursuits. They have given themselves to satan and no longer can be recognized as human. My children, they are sacrificing other humans in their rituals of black mass. Many young enter upon this scene seeking friendship among their fellow men, and why? Because they have a void in their lives that you as parents have not filled. And the leaders in My Son's House, they have been abandoned by them. They do not have a foundation of faith nor learning to protect them and to give them the armor to withstand these onslaughts.

SECRET SOCIETY BLOODLETTING FOR YEARS

"My children, as parents you must recognize now that your children have rejected the knowledge of their God, the Father in Heaven, and have replaced this with false gods. I say unto you now, a secret society kept secret for years was practicing witchcraft. This secret society has been bloodletting for years unknown to members that were not on the third step.

"My children, all that was given in the foundation of faith, all that was indoctrinated into the true priesthood was for reason. And now you see the results of casting aside the traditions of your Faith.

1940 WAS HIS BEGINNING

"My children, you are facing now a great trial. Unless the world recognizes the supernatural, they cannot protect themselves from what is now loosed upon earth. I repeat: satan, not the lesser demons of hell but satan himself, now walks your earth. Earth year of 1940 was his beginning; he entered upon your country in 1971. Satan, the prince of darkness, the father of all liars, the master of deceit, is now here to claim his own.

"This message, My child, will be met with scorn and mockery, but you must continue upon your way. Every voice throughout the world shall hear this message, and then, My children, shall come the end. The gospel of truth will be sent throughout the world, and then, My children, shall come the end."

[Pause]

Veronica - The sky has become a very deep pink in color. All about the trees there is a very brilliant light now. The pink is slowly disappearing, and the center of the sky is becoming like a crystal. I can't explain it. There is a brilliant light as though you were looking through cut glass. But directly in the center there is a circular pattern of color of light. The stream of light is so brilliant it could, I'm sure, without Heaven's graces, it would burn, sear your eyes. It's the most beautiful light!

Now directly, almost like a pinpoint, I can see Jesus coming through this light. It's beautiful! He has nothing upon His feet. His gown is a beige color tonight. It's beige with - He has a belting of a skin-like material. I don't know exactly what it is, but it does look like calfskin or something. It's a narrow belting; it's holding the folds of the skirt-like material of His gown. Jesus has about His shoulders a burgundy cape. It has a hood which - now Jesus is passing His hand through His hair, and the hood now is coming down upon His shoulders. Now Jesus is stepping forward. He's looking about Him, and placing His hand out front, like this, with three fingers extended. He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is placing His hand upon His heart.

Jesus - "My children, My Mother has counseled you well. Man in his heresy, in his falling away from the truth, has lost the knowledge of the supernatural. Because of this loss, he is blinded to what is now taking place about him.

"Your world is in deep darkness of spirit. All hell now is loosed upon earth. It is the time of trial and test for all.

MECHANICAL APTITUDE TO SET UPON WORLD THE GREAT FIRES

"My children, it is because of man's sin that this trial has come upon you. Through countless earth-years My Mother wandered to and fro pleading with you to accept and not reject Her counsel, for as errant children you would receive your just reward. Man has now, in his search for knowledge, the facilities, the mechanical aptitude to set upon your world the great fires. Man, who has ever been searching and never coming to the truth!

A BATTLE OF THE MAJESTIES

"My children, there are two forces upon your world: good and evil. It is a battle of the majesties. And this is a war of the spirits far greater than any war man has been engaged in since the beginning of time. The evil has accelerated and your children are the principal victims.

TEACHERS IN SCHOOL SYSTEMS HAVE FALLEN TO SATAN

"Parents, you must now become the disciplinarian in your home. You have the major responsibility now for safeguarding the souls of your family. Do not expect your children to be guided the right way in the light by the teachers in your school systems, for all have fallen to satan.

"Satan, the prince of darkness, the master of deceit, now controls every media in your country and the countries throughout the world. As he was a murderer and liar from the beginning, so he is still a murderer and liar.

"My children, the choice is yours. The Ball of Redemption is nearing mankind. You are being warned, and you must act upon this warning now. What was to happen in the future shall be now!

"My children, and I say My children, though many have rejected Me, I say unto you, you must now turn from your ways that have offended the Eternal Father much. The heavy hand of chastisement shall be placed upon you.

"I repeat the words of My Mother to the clergy: Conform with the world and you will die on the vine. I am the vinedresser. The vine is the tree of life, eternal life. You were My branches. But this tree now is being shaken, and all that is rotten shall fall!

"You are all living now and passing through the latter days, the days counseled by My Mother to you in past messages through various seers throughout your world. You have been prepared well. And now as you go through this crucible of trial and suffering, you will learn by it. And if you have strengthened yourself through My Mother's counsel, you will pass through this crucible with strength and courage.

"My children, yes, you shall receive a warning, but it shall be minor in comparison to the great Chastisement.

"Immodesty has led to the corruption of the young. Paganism has been condoned by your leaders in your countries throughout the world. You learn nothing from your past history, for you repeat and repeat the same errors! And I assure you, again there will be a repetition of a just punishment.

"The spirits loosed upon your earth are supernatural, and man must not reject this knowledge, for he will be without his armor. The forces, the dark forces of evil now do final battle to mankind. Gather your armament; pray a constant vigilance of prayer in your country and all of the countries and nations of the world.

"My children, the firmaments shall be aflame. Many shall look and wonder, but those who have listened to the counsel of My Mother shall be prepared.

PROPHETS OF DOOM

"We do not come to you and send prophets of doom to you without reason. I use this expression, My children, as We have heard it repeated many times by those who do not understand, or reject My Mother's messages. We come to you to give you this last chance to restore your nation and the nations upon earth; for if you do not restore them, I assure you, My children, I shall place the final judgment upon you.

"Clergy in My House, I have looked upon most of you and found you wanting, for you have given yourselves over to all pleasures of the flesh. You have become arrogant and self-seeking, neither watching nor caring as your sheep scatter. Woe unto the man, whether he be clergy or layman, who defiles the young!

"My children, you must pray more for your clergy. They, too, receive heavy attacks from satan. They have not been given a special passport to Heaven. They need your help and your prayers.

"Charity of heart you shall extend to all your brothers and sisters, for without charity, My children, you have grown cold. Without charity you have become in a mass of darkness. Without charity, My children, the world will be lost.

"Through satan's blandishments and corruptive nature, he has induced you to accept errors and delusions. The Eternal Father permits this delusion for reason - the separation of the sheep from the goats.

MEDITATE MORE ON THE PASSION

"My children, My Mother will continue to counsel you in the days ahead. You must use all of the armaments given to you in sacramentals. You must pray a constant vigilance of prayer in your homes, in your countries, and you must meditate more on the Passion. Why, My children? Because you, too, as followers of Mine, shall go through your passion upon earth. My child, this startles you, I understand. But time shall bear out this message.

"My child, you ask about a most difficult mission. You will take each day as it is given to you. I repeat: Step by step, it will appear before your very eyes. Pray more, My child, in silence and quietude. Do not let the distractions of the world hinder your mission. I will give you the answer within this week, My child. Nothing will be lost."

Veronica - Now Jesus is extending His hands out, like this, with His three fingers extended. He's smiling.

Jesus - "I bless you as the Father blesses you in the Trinity, and I send unto you all the Spirit of light. In the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - Now Jesus is moving over to our left side. He's floating across the sky. Oh, now I see Our Lady coming down directly over the banner. I didn't see Her standing back there. She's coming down now and joining Jesus. She comes to about His shoulder; Her head comes up to His shoulder. And oh, my! Michael is covering the sky. Oh, my! He covers the whole sky! I have never seen anyone so big. He's very awesome. He's not out of proportion, but boy, he's huge! Oh, my!

Now over on the right side there are many, many angels coming now. Oh, they're just coming through the sky. Isn't that amazing! Oh, they're so beautiful! Now they're grouping all about Our Lady and Jesus. And Jesus is looking back; He's smiling. It's very beautiful.

His hair now is blowing in the wind. It's quite long. It looks reddish brown. I don't know if it's from His cape or the lights, but His hair does look sort of reddish brown. I can see that very clearly. Now they are . . . Jesus is extending His hand, like this - He's directly next to the first tall tree - and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now they're all turning to their left, and they're going across the sky. They just glide; they don't have to move their feet. Oh, my! Weightless, they look absolutely weightless! Oh, my!

Now Jesus is coming, He's coming over by the first tree on our right, and He's standing there. Now He's just standing there above the tree and bending over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And Our Lady is smiling. Our Lady is placing Her hands together, like this, with Her Rosary draped over them. Now She's looking, and Jesus is now passing Her. He's standing and He's coming right over the statue. Our Lady now is coming over by His right side. And Michael now is there.

Now over on the left side the sky is opening up. Oh, my! I see many, many peoples. I don't know what they represent. I see many people there, and there's a man standing there. Oh, my! There's a man standing there, and he's pointing. Oh! Oh! It's a soul! Oh! It's very transparent. It's a soul!

"Oh, yes. Yes. Yes, Jesus. Yes, yes, I will."

Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Now, My child, you will be seated and do exactly what I told you."

November 19, 1977

Eve of Christ the King

Veronica - The sky is becoming a beautiful light blue in color, and directly over Our Lady's statue there is a very large circle of light. It is so beautiful and warm feeling. There is no human way I can tell you the feeling of joy and peace in this light. It's a beautiful light. I don't believe there is anything on earth that could describe the coloring and the warmth, the emotional impact it has upon you. Oh!

Now in the center of the light the sky is like folding away, opening up. And the light now through the center of the sky is very intense, much deeper in impact to you. I can't explain it; the light is so tremendous!

Our Lady is coming forward through the light. She isn't moving Her feet; Our Lady seems to just float right down from the center of the light. Directly over Her statue Our Lady now is standing in the sky. I can't count by feet; I'm not too familiar with counting by feet, but I would say Our Lady is a good, oh, twelve feet above Her statue.

Our Lady has on a most beautiful white gown. It's pure white. Our Lady's feet are bare except for one strap going over across Her feet from the toe to Her instep. Her shoes - I guess you'd call them sandals - are made of a fine gold-spun material. They are very delicate looking. Now Our Lady is turning. Her mantle is a beautiful white, trimmed all along the outer border with a gold metallic thread. Oh, the trim is about, it looks like it's about - oh, three-quarters of an inch, a very fine trim.

Our Lady is smiling now and looking down. She's reaching to Her waist and taking Her crucifix into Her hand from the Rosary. Our Lady has a tremendous-sized Rosary about Her waist, a beautiful Rosary with the golden Our Father, and the Hail Mary beads are white. But as Our Lady is turning, coloring is coming from the Hail Mary beads. The colors are all the shades of the rainbow; they are just beautiful! Our Lady is extending the crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is placing the crucifix to Her lips and kissing the crucifix, the body of Jesus. Our Lady now has placed the crucifix and the beads into Her left hand, and with Her right hand She is touching Her eyes.

SATAN HAS FULL CONTROL OF CHURCH

Our Lady - "My child, My heart is greatly saddened by the evil that has entered into the hearts of the priests of My Son's Church upon earth. I have asked and begged those who have the knowledge in light to go forward in prayer, in charity of heart, giving the Message from Heaven to all, including the priests in My Son's House. And now I cry bitter tears of remorse, because now satan has full control of My Son's House. The gauge was metered by the desecration being committed now to My Son's Body.

"Your country and many countries upon earth have given themselves over to paganism, and pursuing this course has now taken the young down the path to abomination. Your children are now victims, for they have entered into a form of idol worship. Your children are victims now, because they have not been given a foundation of their Faith. The laxity falls upon the parents, because through countless years of My wandering upon earth I counseled you, I directed you, I warned you to watch your children, to safeguard their souls from the evil that has entered now into all of the medias of your world.

"My children, parents, I have counseled you to safeguard your homes, to make your home a fortress against the evil forces that now rage in your world. Man of perdition, these dark forces from hell, are now doing full battle in My Son's Church and in your world.

SATAN HAS FIRM HOLD ON CHILDREN

"While man has cast aside the knowledge and the belief of the supernatural, satan and his agents have had the time now to take a firm hold upon your children. O My children, all manner of foul and debased acts shall be committed by your children. The teachers now are agents of hell.

"My children, you must now act upon My counsel. Each and every one who hears My voice must act. It is too late now to sit back and expect your neighbor, your brother, your sister, to go forward as a solitary agent. You must now gather together to fight the evil.

"My children, I have promised you always that I will be with you. You shall not be abandoned in the days ahead. The greatest lesson man will learn in the days ahead is: should he place his trust in another man, he is doomed for disappointment and sorrow. You will always keep your eyes turned upward and say, My Jesus, my confidence!

MURDERS SUCH AS NEVER SEEN BEFORE

"My children, in recognizing the supernatural you must understand that these agents from hell exist, and must enter into the body of a human being to work their will. As you see the advanced evil now in the world - lust, homosexuality, immorality, murders . . . Yes, My children, I say murders, because you are going to experience murders such as never has been seen in such quantity and defiled methods.

"My children, I hear voices crying for hope. I hear voices crying for a message of peace and hope. My Son is your peace. The Eternal Father in the Trinity is your peace. All of the material gain in the world affords you nothing, My children. You must now change your values.

"Because of laxity and not following My counsel, many who have started out with great fervor have fallen away. My children, you must all pray more. Pray for your priests; pray for your brothers and sisters.

"My children, I counsel you now to read your Bible. You must read the Apocalypse, the Revelations, and you will understand that all that is transpiring had to pass, My children, sooner or later.

"All of the personages of Heaven watch the battle now raging upon earth. The man of perdition whom you all call 666 is satan himself now loosed into the world. He now walks in the body of a human being, My children. He has many agents of destruction accompanying him. My children, you must always be on guard, for they are crafty, they are wily, and they have great knowledge. However, when the battle is over, they shall be brought down from their lofty peak.

"My children, I could give you many names that would encompass and describe the entrance of satan into your world: the forces of communism, the forces of atheism. O My children, what manner of words can describe the activity of these agents? They promote delusion: they promote heresy, defilement, misconceptions. And as satan is the Father of all liars, they, too, are liars.

"My heart is torn, My children, at the manner in which you do honor to My Son in His House! The angels demand proper deportment during the Holy Sacrifice of My Son. A woman must have her head covered. It is the command of the angels who are present at the Holy Sacrifice. All flesh and nakedness shall burn with the Ball of Redemption. Cover your bodies! They are temples of the Holy Ghost!

NEVER TO FIND CURE TO DEATH OF THE BODY

"Man was created in the image of the Eternal Father. Shall you make Him bow His head in sorrow as you defy Him now? Do you think with all of your scientific knowledge and endeavor that you can escape eventual death of the body? No, I say unto you: that is one, one measure of knowledge that man shall never find.

"I watch My children running to and fro, marrying and giving in marriage, neither caring nor thinking of what lies ahead, never preparing for their entrance into Heaven. They push aside the knowledge of immortality and substitute all manner of immorality and sin.

"The Commandments of the Eternal Father must be followed. The Commandments of the Eternal Father will not be changed to suit the basic carnal nature of human mankind. No, I say unto you, you scholars of great renown, you will not escape the abyss, you who go about bringing satan into My Son's House! You with itching ears who run about seeking change; you who seek to make yourselves god! Remember the lesson of old. Lucifer, Luciel, he followed the same path - avarice, vanity - and he was banished. And I say unto you, My children, as you sow, so shall you reap!

"The greatest responsibility now for protecting the souls of the young will rest with the parents. Do not expect those outside your home to save the souls of your children, for once they leave your home they set upon the course of satan. The world is now given to satan for a short time. The sheep shall be separated from the goats.

"Jesus, My Son, is the vinedresser. You will all be there as limbs on the vine; but if you conform now to the world, you will die on the vine!

WE ASK FOR MANY VICTIM SOULS

"My children, many latter day saints shall come out of the crisis. The Eternal Father knows full well the outcome. He watches with a heavy heart. We ask for many victim souls in the days ahead, those who will prostrate themselves before My Son on the cross and catch the blood coming forth from His wounds again as He is thrashed and beaten anew by mankind. My Son is being re-crucified by His own.

"My children, you will keep a constant vigil of prayer going throughout your country and the world. I ask you to go forward as bearers of the light. The world now is in deep darkness. The light shall not be extinguished. However, many shall fall away, as they do not have the strength of spirit to continue on the road to the Kingdom of Heaven.

"We will ask in the days ahead many sacrifices from Our children. Each and every bearer of the light will be given the test.

"My child, you will continue with your second mission. The direction will appear before your very eyes. I understand full well the great sorrow the knowledge given to you in this mission has brought to your heart. Do not slacken in the pace, My child. Heaven watches the battle. Many arms shall be sent to help you.

"Do not be concerned of the opinion of mankind, My child. Satan has many devious ways to try to stop the work. The mission will progress, and you will, My child, spend more time in private and silent meditation in your home. Remember, My child, rest cures all. Satan will seek to drain your strength by chasing you about on trivialities. Cast aside that which is not important to your work."

Veronica - Now Our Lady is extending the crucifix of Her Rosary out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as My Son blesses you with the Father and the Spirit of light. Continue now with your prayers of atonement. They are sorely needed."

MUST BE WILLING TO SACRIFICE ALL

Veronica - Our Lady said that each and every person who bears the light must now go forward willing to suffer for Christ, Her Son. Each and every person who is carrying the light must be willing to sacrifice all, whether it be human emotions, safety, or comfort. It is the true way of the cross, Our Lady said. Sacrifice, penance, atonement.

At the end of the great conflagration and crisis only a few will be left. Only a few will be saved. They will be truly the remnant. There will be, Our Lady said, a Second Coming of Her Son.

COMMUNION IN THE HAND PROMOTED BY SATAN

All of good spirit and heart will make now a concerted effort to soothe the injured heart of Jesus at the tabernacles of the world. Communion in the hand was promoted by satan because of the rise of satanists now in our country and in the world. They are conducting black mass secretly and openly. The children are the greatest victims of this evil.

HOST BEING USED IN BLACK MASS

The Sacred Species, the Host, is being used during these rituals of black mass and satanism in a most abominable way. Please, Our Lady says, do not accept the Host in your hand. Do not allow this to be done without an outcry. No man shall be worthy to accept My Son's Body.

SATAN SEEKS TO REMOVE THE PRIESTHOOD

The priests are deceived, Our Lady said, in Her Son's House; they are deceived. They do not realize that satan has planned to dethrone them from their vocation. Little by little satan seeks to remove the priesthood.

As a representative of Jesus, a legally-ordained priest must be the only instrument of God to bring the Body of Jesus to the multitudes. Only in a severe manner must a man - and this severe manner being the absence of a priest in the face of a death - then the priest will allow a deacon - a man, not a woman - a deacon, a man in the extremist emergency to take the Sacred Body of Jesus to a dying person. And that will be the only time.

The books are being changed to cover the evil being perpetrated now. The young are being indoctrinated to accept changes which will take away Tradition and even doctrine. Our Lady said we must all pray a constant vigilance of prayer. It has a great power over the demons.

[Pause]

. . . quite windy because His gown is blowing. Jesus has on a beige gown, very long and full, and He has a belt about it made of a brown, cord-like skin, I guess it is. And His cape - Jesus has on a burgundy-colored cape that is hanging very loosely about His shoulders. And it has a gold cord; it looks - it's gold in color, sort of a deep yellow, and that is holding it in place. Now I can see that there's a hood on the cape because Jesus now is shifting the cape over onto His left hand. It's very heavy; it looks like it may be made of a velvet material. It's a very beautiful burgundy color.

Now Jesus has it on His left hand, and He's extending now His hand in front of Him, like this, extending His three fingers out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing His hand over His heart, and He's looking now to His right. Our Lady is coming down. I don't know where She was before; I didn't see Her over on the left, but Our Lady now is coming forward. And Jesus is watching, and She's standing now at Jesus' right side. Oh, the light is so beautiful! Oh, there's no way to explain it; it makes me feel so good. It's beautiful! Now Jesus is touching His first finger to His lips; that means to listen.

Jesus - "My child and My children, at this time I do not intend to enlarge upon My Mother's counsel. Need it be said that a fair warning has been given to all mankind. My Mother has set Herself as a victim for you, a victim because of the sins of mankind.

"Your world, humankind, mankind, is fast hurtling toward a great disaster. I have warned you in the past that if you continue upon your present course your world will become unrecognizable to many. Sin is truly insanity.

"Mankind is allowing himself to fast plunge into a way of life that is not akin to the plan the Eternal Father set forth for him. He is attempting, mankind, to build a new world, eliminating his God. I say unto you, this will not be tolerated much longer. The few who have given themselves as victim souls have carried the weight of the world upon their shoulders. The cross will be heavy for them and others, but I assure you, My children - I repeat only the words of the past and the future that only a few will come out saved from the final trial.

"Your country, the eagle, has fallen and been plucked by satan. The great bird no longer flies high. No, I say unto you: because of your immorality, your materialistic seeking, your scientific pursuits to outdo the Eternal Father in His plan for mankind, you bring upon yourselves great trial and punishment.

SIMPLE PLAN OF CHILDLIKE SUBMISSION

"My children, the way? I am the way. The way, the plan was given to you. It is a simple plan of childlike submission to truth, doctrine, and Tradition. Man seeks to build a new way for himself based on humanism and modernism, and all of the other defilements, division, and destruction of souls that shall accompany these efforts.

"My children, I counsel you to turn back now while there is still time. You must counteract now the evil that you have allowed to accelerate in your world. You must not compromise your Faith. When you leave your human body, your immortal soul will be judged by merit. None shall escape this judgment.

PERSONAGES OF HEAVEN WEEP WITH MY MOTHER

"You, all of you, My children, have been placed upon earth to do battle with satan for the glory of Heaven. And now all of the personages of Heaven weep with My Mother, for they see the great crisis and turmoil in My House upon earth and in the hearts of mankind.

"Only the truth and Tradition shall keep you free from enslavement. There are the forces of evil now loosed upon earth, and the master of deception walks now upon your earth. Satan, Lucifer, is now out of the abyss and walking upon earth. Prepare your home now as a fortress and safeguard the children's souls.

"You must recognize the supernatural or you will be lost. There is a war now going on, a war far worse than any human war of the nations ever seen before, and never to see again at its conclusion. It is truly the battle of the spirits, the forces of light against the forces of darkness. My children, you are all being tested: of free will, will you make your decision. No man shall fall into hell unless he wills himself there.

NOT ENOUGH PRAYERS FOR PRIESTS TO ENLIGHTEN THEIR HEARTS

"Yes, My children, Our hearts are torn as We see many are falling into the abyss, lost forever to Heaven. Pray for your priests who have not received enough prayers to enlighten their hearts. Pray for your brothers and sisters, extend your charity to the sinner. Do not condemn him, but pray for him.

DO NOT ACCEPT CHANGES MADE BY SATAN

"My children, you must retain Tradition; you must retain a firm foundation of your faith by keeping all of the good publications. Do not accept the changes that have been made by satan to seduce your souls.

"Come to Me, My children, at the tabernacles in your world. It behooves you to accept every chance given to eat of the Bread of life, because the day will come when you will knock on the doors and they will not be opened.

"Pray, My children, a constant vigilance of prayer. Whenever you feel despair or discouragement, you will say, My Jesus, my confidence. Look upward to Heaven; keep your eyes upon the sky, My children, and search through the darkness for your brothers and sisters that have gone astray."

Veronica - Now Jesus is extending His hand out, like this, the two fingers out, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going across the sky; Our Lady is following Him. Now over on the right side the sky is opening up, and there are many people coming through the sky. Oh, my goodness! They are all dressed in different types of habits; they look like nuns and priests. And I can see Theresa; I know Theresa! Oh, and her sisters. They're coming over, over from the right side, and they're standing next to Our Lady. They're all gathering around Our Lady and Jesus, and Our Lady is smiling.

Now Jesus is floating over. They don't walk, they just float. Oh, that must be wonderful, just carried on the wind! And they're going across the sky over on the left side. And Jesus now is leaning over and extending His hand out, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now they are turning around and they are going across the sky. Now Jesus is leading; Our Lady is behind him, and Theresa and her sisters, and all the groups of people. I can see one man in a beautiful white robe with that big crown on his head, the papal crown, that - I think they call it the beehive - very, very high, a beautiful golden crown. There are like three tiers on it: one, two, three, yes - oh, it's beautiful - and a cross. Oh! And now they're going across the sky, and Jesus is stopping now just by that second tree. He's leaning over, with His hand like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing out His hand like this, and there are lights coming down. Oh! It's a - oh, right from His hands there are streams of light. Oh, they're coming right down through the sky and down onto the grounds. They're just beautiful! Oh! Oh, they're just beautiful!

Now Jesus is going over across the sky. He's cut over to His right, that would be on our left side, and He's standing now over the statue, Our Lady's statue, and He's placing both His hands out like this, like this. Oh, and the rays are coming out again from both His hands. Oh, they're just beautiful! Oh, they're very, very bright. Oh, just beautiful! Oh!

Now Jesus is taking His right hand and He's placing it across His chest. Now those rays, they're like suspended. And now they're just fading away; they're just like evaporating. Oh, just beautiful! Now Jesus is touching His lips with His first finger.

Jesus - "My child and My children, you will continue now with your prayers of atonement. Hasten to send the Message from Heaven out, My child."

November 21, 1977

Eve of the Presentation of the Blessed Virgin Mary

Veronica - The sky has been very overcast this evening, but directly over Our Lady's statue there is a clearing now. The clouds seem to be rolling back and the whole sky now has become a beautiful haze of light. Directly in the center of this light, which seems to be circular at this time, Our Lady is coming forward. Oh, She's dressed so beautifully; it makes you feel like you're in a garden of flowers. The, the emotion is so warm and the brightness of the light is so warm and comforting! There is no human way I can explain the impact of the feeling when you see Our Lady coming forward through the sky. So absolutely beautiful!

Our Lady has on a white gown, a very loose fitting but long white gown with a blue sash about Her waist. Her mantle is also a white but it's a little off-white, the mantle, more bordering on a cream color or beige-like mantle, and it has just a very narrow border of gold around the outside, tape-like in fashion. Our Lady has never uncovered Her head and I often wondered why.

Our Lady - "For penance, My child, for penance."

Veronica - Our Lady now is taking Her Rosary, Her beautiful Rosary with the golden Our Fathers and the Hail Mary beads. I know Our Lady's Rosary is white when She has it about Her waist, but now as She is loosening it and taking it from Her waist, the beads are catching the colors of the rainbow. They are so beautiful! I have never seen anything like these. The Hail Mary beads are all colors now as Our Lady is turning. Now Our Lady is extending the crucifix, the golden crucifix on Her Rosary, out like this and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is kissing the crucifix very gently. Our Lady is standing now and looking about. Now She is touching, as She looks down, She is touching Her lips with Her first finger.

Our Lady - "My child, you will listen most carefully and repeat what I have to say. It is an urgent message to the world. But this urgency now lies in centers of your country.

WITCHCRAFT, WORSHIP OF SATAN

"Like a cancer many areas of your country have become polluted by witchcraft, the worship of satan, cannibalism, murder, and all manner of idol worship. My children, you must understand the realism of the existence of satan in your world.

"You must search for the truth. You must now go and find the good books of truth, those that have not been tainted, corrupted by change. In these good books you will learn of the existence of a supernatural world, a world that you cannot see with your own human eyes.

"In rare circumstances and occasions the Eternal Father deems it necessary for the ordinary creature to act as the eyes for the world. That is why I have come in My travels to many countries, to many nations upon earth to give the urgent warnings for mankind, choosing humble souls and those with a purity of heart of a child, neither questioning nor seeking to dethrone her or his God in Heaven - obedience to truth, doctrine, and Tradition.

"My children, in the supernatural world there are figures and beings - demons. They are creatures from hell. Many have been there in the abyss since they were cast out of Heaven with their leader, Lucifer, Luciel, the prince of darkness. Others have become demons by entering, after they leave their human bodies, entering into hell. They are now consorts of evil.

"My children, I do not ask you to run about seeking the demons in the human beings. I assure you, My children, when necessary the Eternal Father will show them to you for reason. My visits, and the visits from Heaven of other personages, are for reason.

"SAM" IS SATAN IN A HUMAN BODY

"I have always asked you, the Eternal Father has written it in the good Book, your Bible, to always test the spirits. My children, the evil, the spirits of darkness always reveal themselves with time. They cannot conceal their farce and lies. My children, you will understand now that satan is trying to conceal his nature and his being to mankind to deceive you. If you do not believe in the existence of Lucifer, satan, and his agents, demons, he can go forward working his will among you unseen, unknown, unbelieved, but creating disaster and death to souls.

"My children, the man you call 'Sam' is satan in a human body. He has powers beyond what most human beings could understand.

"You will line up in groups. One will be the scoffers, those who neither care to nor wish to nor desire to know the truth or seek the truth. The other group, you will have the lukewarm, who neither care nor believe nor wish to act upon any counsel.

And My children, then you will have the legions of good souls, those in the light, who will go forward and with every ounce of their energy of their human bodies, with every prayer that they can wrest from tired lips and bodies, they will go forward and fight this evil.

"Your children are the principal victims of the demons now that are loosed upon earth. O parents, I have begged you and counseled you in the past to guard your children's souls and watch them well, for when they leave your homes they are exposed to the agents of hell in human form. There is now a legion of devils, demons upon earth. They can exist without being seen, and that makes the position of your children and others precarious in the struggle to save their souls.

"My children, you have been given armor. I have repeated over and over and admonished you to wear your sacramentals for a reason. You are fighting a war now with the unseen, the supernatural. In the plan from Heaven there are sacraments and sacramentals that can offset the evil and protect you and your loved ones from this evil.

"SAM'S" MIRACLES ARE FALSE

"I assure you, My children, 'Sam' and his agents will perform what the world will call 'miracles,' but they are false miracles. Satan, Lucifer, has retained great power when cast from Heaven. He has one mission upon earth now and has been in the past: to take from God, the Eternal Father, the Almighty and the Trinity, to take from them the souls that the Eternal Father has sent upon the earth to do battle with satan and his agents from hell.

"My children, can you not recognize why the leaders in your government have been deluded and allowed the slaughter of the young? Satan had a plan to reduce the armies of Heaven.

THERE ARE NO WHITE WITCHES

"My children, you must not laugh and call it just delusion, deception, or imagination when I speak to you of the existence of witches. There are no 'white witches,' My children; they are all corrupters and followers of satan.

HOMOSEXUAL BANDS WILL ROAM YOUR STREETS

"Satan is developing armies throughout your country and the countries of the world. He will corrupt their minds and bodies, using drugs. They will enter your children into all habits of perversion. Homosexual bands will roam your streets killing and perverting the young. No child shall be free from the attacks if you as parents do not stand your guard.

"Already Our hearts are torn because of the grief of many parents who have lost their young to this monstrous machine now that is gaining momentum throughout your country and the world. My children, recognize now the evil. Do something about it! Don't sit back and say, 'My neighbor will act,' or, 'This does not concern me.' I assure you, My children, if you do not act, you will be forced to act when it enters upon your home.

"My children, satanism, murder, corruption, perversion now is a way of life among your young. Satan very cunningly and with purpose entered into your colleges. He used the sinful minds of men to bring his methods into your schools, and in many of My Son's churches now they are preparing for his entrance.

CHURCH OF MAN

"My children, little by little, step by step, the road has been paved to the erection and construction of a new church. It will not be a church of My Son. No angels shall direct the building. It will be a church of man. But as man builds his monument to man, I assure you, My children, the Eternal Father, the Godhead, shall bring down that false church of man. You are testing His patience to the limit. How long do you think He will persevere in His suffering for an unworthy generation of sinners?

"My children, all who are of well spirit will understand the urgency of bringing this message to you and the world. All who have been given the mission to be carriers of the light to mankind will not be free from attacks of satan. My children, there is a heavy cross for all who follow the way of My Son. Satan will send many agents to disturb.

CUNNING BEYOND HUMAN UNDERSTANDING

"My child, you have spent many hours in searching the truth of the evil forces now loosed in your immediate area of New York. Satan, the evils of satanism, only appear when sin has become a way of life, and the evil has brought an immense blanket of darkness to an area. 666, satan in human form, is wherever darkness is. He is the prince of darkness, the father of all liars, the master of deceit. And I say, My children, the master of deceit, for he is cunning beyond all human understanding.

"You must all remain in the light. You must not give yourselves over to the pleasures of your world, for those in the world will fall easily to satan.

READ BIBLE AT LEAST 15 MINUTES A DAY

"You will all keep a constant vigilance of prayer going throughout your country and the world. I admonish all parents now to spend at least fifteen minutes of your day reading the Bible to your children and your family. It is now a command from the Eternal Father! For the little children no longer know or recognize the angel guardians. The little children have no conception of the truth of the Divinity or the existence of My Son. The little children are now being taught the ways of satan.

"O My children, I have counseled you now through many earth-years of the coming great Chastisement and the minor warnings that will be given to mankind. Do not be deluded by those who go to and fro speaking and crying out of love and brotherhood and peace. There is no peace in the home or heart where satan reigns, and satan reigns throughout your country now. America the beautiful, the once beautiful, under God, has now fallen to satan.

"You must have rise up now great armies, legions of light, to fight the legions of darkness. Pray for guidance, My children. Each and every one of you has been given an angel guardian. Call upon your angel often and you will have great comfort.

"Many manifestations shall be given to mankind, but you must test the spirits, My children, now, for now you are engaged in the greatest battle of all, the battle of the spirits.

"We have great confidence in Our children of light, and you must always remember, it has already been deemed through time, at the will of the Eternal Father, that the eventual victory shall be with My Son and His Church.

"It is a testing time now for all. You will go forward as bearers of the light with the Message from Heaven, sending this message out quickly to all corners of the earth because the time is growing short."

Veronica - Our Lady now is extending Her Rosary out with the crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as the Eternal Father blesses you for My Son and the Spirit of light. Continue now with your prayers of atonement."

[Pause]

Veronica - The sky has become a beautiful blue, but all about the trees there's coming forward - there's no way I can explain the appearance or the coloring about the trees - it's a beautiful light-colored pink. Oh, it's just gorgeous! Now there are rays cutting through the light blue color of the sky. The rays are exactly the same coloring - pink, a most gorgeous pink color, very pale, but I can't explain it. I don't think I have ever seen a painting with this color pink. It's just beautiful!

Oh, the rays are coming from Jesus' hands. Jesus came through this blue haze-like opening in the sky. Oh, it's very windy. Jesus has on a burgundy-colored cape and His feet are bare. He has no sandals. His feet are bare, I can see as His skirts are being caught by the wind.

Jesus has on a beige gown. It has a brown, skin-like belting. Now I can see that Jesus' cape has fallen from His head. He had like a - it's a one-piece cape with a hood attached to it; it appears mantle-like. And now it's down on the back end of His shoulders, and Jesus' hair is blowing. He's standing now with His hand upon His heart. Now He's floating forward. Oh, He's just about directly above Our Lady's statue by the tree. Now Jesus is taking His hand and He's pointing over high in the sky. Oh, and just above the trees there's appearing a symbol. It's a circle with a cross underneath it.

ACCEPT NOT THIS SYMBOL

Jesus - "My child and My children, accept not this symbol."

Veronica - Oh, it's a, it's a very, I see it's a, it's a circular outline with a cross underneath, but it's not completely symmetrical, the circle; it looks more like a distorted circle, more like a - oh, I can't explain it. It's more like a rectangular sort of - I can't explain it; it's not a true circle, it's some odd type of figure I haven't seen before above the cross.

Jesus - "You will understand, My child, because this symbol will become most prevalent about the throats of your children. Do not accept this symbol, because it is part of the plan of Antichrist, the forces of evil."

Veronica - Now Jesus is looking all about Him. Now He's touching His lips again; I am to listen and repeat.

Jesus - "My child and My children, My Mother has explained it well to you. Needless to say, there is not much I can add to Her counsel. I can only caution you not to take Her words without acting upon them.

"Many parents shall cry bitter tears of remorse. If their neighbors do not in all charity try to stop the overpowering evil that has entered now upon your homes, in your government, and is covering the entire earth with a maze of deceit and darkness - My children, as in the past, in the time of Noe, in the time of Sodom and Gomorrah, man was eating and drinking, marrying and giving in marriage, never caring for his future, neither listening to the warnings from Heaven, until that sad time when all passed away.

"It was water, it was fire, and it will be again a baptism of fire for mankind. The Ball of Redemption, mentioned so often by My Mother in the past, hovers over you.

CHILDREN BEING PROGRAMMED TO KILL

"The Eternal Father watches and waits for your penance and atonement. His heart, and the hearts of all personages of Heaven are saddened by the lack of charity in the hearts of mankind. Your children are being programmed to kill. Your children are turning now to false idols to worship. Your country has become now paganized.

"You have never learned from your past, My children. It is the same story over and over. You are now upon a road to your own destruction.

"You shall, as you go, My children, throughout your world bringing the Message from Heaven, you will be called all names, but, My children these names may hurt your heart, but do not be concerned of these thorns, for I, too, walked your earth and was subject to the same trials. Can you not follow Me upon My path and carry your cross without complaint?

"You must all remember, My children, to pray more, whether it be meditating, or group prayer. Many of the sacramentals given to mankind have been given for this very age that you live in now. You are all now passing through the latter days - the time written of and spoken of by your prophets.

"O My children, I have cried out to My pastors to gather My sheep, to teach them and enlighten them, and what do We find? That Our pastors have fallen asleep! Cardinals, bishops, awaken from your slumber! A heavy hand shall be placed upon the world, and you shall not escape punishment for the loss of even a single soul to Heaven!

"Woe, woe, woe to the man who is responsible for the destruction of a young soul! My children, it would be better if that man had not emerged from his mother's womb, or a millstone had been tied about his neck and cast into the sea, before he committed his foul deeds.

"My children, do not scoff and turn your backs upon what is happening about you because it has not touched your life. If you do not act now, every life shall be touched by the agents of hell.

"Your country now has become perverted, paganized by its leaders. Sin is insanity, and can you not say that your children, many have become insane with sin? Many now consort as animals.

YOU FORNIFICATE LIKE ANIMALS

"Immorality, homosexuality, and what do We hear now but permissiveness in sex, even from the mouths of Our trained ones known as theologians? Have you all lost your minds or your souls to satan? Human sexuality you call it? Animal sexuality I call it! You fornicate like animals. And why did the Father deem it necessary to intervene upon Sodom and Gomorrah?

"My children, who will accept the responsibility for the murders that now are rampant in your country and many countries throughout the world? It has been told to you that it will be father against son, daughter against mother; houses shall divide within, and why? Because both the light and the darkness shall meet, and who shall be the victor, but the light?

"My children, there is nothing to gain by allowing demons to rule your lives, for demons are filled with hate and malice, destruction and death. No good lies within the supernatural of demons. It is the world of satan. And you have allowed your world to be taken over by satan, the father of all liars, the master of deceit, and a murderer from the beginning.

"I have warned you in the past, and I still give you this counsel as does My Mother, that unless now you do penance, and restore My House, My Church upon earth, and your homes, your country and many countries of the world shall become unrecognizable through evil.

"The Bible, the true Book of life and love, must be read now in the homes. You will all make a concerted effort to teach your children from the Book of life and love, your Bible. And I say unto you, do not use the changed versions, for they have been changed by satan.

MORTAL SIN A GRIEVOUS OFFENSE

"Permissiveness shall not be accepted by your God. Sin is sin; there is no compromise for sin. Mortal sin is a grievous offense to the Eternal Father. The commandments shall be followed without permissiveness.

"My children, We are not stern in Our discipline, but We are factual. There is a measure of discipline that must be used to train the young, and it is habit that they learn. Over and over must you retain the Faith by repetition.

ARMIES OF LIGHT LINING UP

"One day, My Church shall be restored to its former glory. The light of truth shall return. But, My children, it will be a great battle before that day. We are lining up now the armies of light, and satan has gathered his agents, the army of darkness. You will all be given the opportunity to choose your side.

"You are all being tested now, My children. The day will come when you will understand all, and know that you were all participants in the great battle fought with God Almighty, your God, in destroying the agents of hell loosed now upon your world with the leader, satan, Lucifer."

Veronica - Now Jesus is placing His hand out in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming down from the sky. I didn't notice - She was high up in the sky; I didn't notice how far up She was. Oh, my! Our Lady is coming down now, and She's standing just at Jesus' right side. She comes just a little bit below His shoulder. Jesus is very tall; I think He would be near six feet tall. He looks very tall.

And now over on the right side Michael is coming forward. He is tremendous. I say the right side, but actually it's just the way he's standing. He covers just about the whole sky behind Our Lady and Jesus. He is a tremendous size! Oh, my!

And now over on our left side there are many, many figures of angels. Oh, they're just beautiful! And yes, they do have wings. There's no other way I can explain it. They are, behind their backs they have these very lofty, feathery looking . . . wings is all I can call them, though I'm sure there must be a prettier name for them, because they are very downy soft-looking, and they reach from the - what we call our shoulders down to the bottom of their gowns. Very beautiful!

And they're all standing with their hands together in a prayer-like position. Oh, very beautiful! I don't think they have age, but they do have a difference in size that makes some of them look like little children. They're just beautiful! Their gowns are all different colors. I can see the yellows, and the pinks; a very pale green with gold, oh, shining on it like the material, metallic material. It's very beautiful!

And now they're all pointing; they're moving their hands upward and they're pointing towards, like this, with their hands extended toward Our Lady and Jesus. And now Jesus - I can see Him smiling. He's looking over to the angel - oh, it's so beautiful! It's like a whole Heavenly Court there, a family. It is so beautiful! Oh, now Jesus is touching His lips.

DEMONS VERY AFRAID OF YOU

Jesus - "My child, now you will continue your prayers of atonement; and remember upon your second mission, do not be concerned of infiltration by the demons. I assure you, My children, that they are very afraid of you! You have no reason to fear."

December 7, 1977

Eve of the Immaculate Conception

Veronica - There is a beautiful blue circular haze all about the sky. They seem to be, the lights, the blue lights seem to be radiating out from the trees that border all about the grounds and the excedra.

Directly over Our Lady's statue the sky is opening up. It's like . . . I can't explain it; human words can never describe Our Lady's illumination coming through the sky. It's quite windy up there, too, tonight because Our Lady's skirt is blowing in the wind.

Oh, Our Lady looks absolutely beautiful! She has on a beautiful white gown. About Her waist there is a blue sash, a deep blue sash, quite wide. And Our Lady has Her Rosary tied, strung, hanging down at Her right side of the sash. The mantle about Our Lady's head is a beautiful deep white. The white is a brilliant white - I would say similar to, to the color of sugar, clear white. All about Our Lady's cape there is a border of gold. It's a metallic gold; it gives that appearance as Our Lady now is turning and looking about. It looks almost like metal, spun gold. I would say the border is about, oh . . . oh, about three-quarters of an inch wide.

Our Lady is smiling now. The light is brilliant. The light is like a clear crystal, a beautiful crystalline light that no human could ever duplicate.

Our Lady now is coming down closer; She is standing just above Her statue now. Our Lady now is removing Her Rosary from about Her waist. She is holding the crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is kissing the crucifix, and now She's placing it next to Her heart.

Our Lady - "My child and My children, I come to you with a heavy heart, knowing that as I travel to and fro trying to protect you, your world is plunging fast into deeper darkness of spirit.

"O My children, you do not realize the road that you have taken. It is a road to fast destruction for your country and many countries of the world. If you do not turn back now, many nations shall disappear from the face of your earth.

TRUE MEANING OF 666

"I have counseled you in the past of the meaning of 666. Through the ages and man's rationalizing of the good Book, the Bible, My children, the meaning had been lost, but I brought to you the true meaning. 6 is for the six who are coming, and are now here upon earth: six demons of satan with special mission to destroy. 6 is for the six terrible days of great suffering, and 6 is for the six who will be punished.

"My children, recognize the great conspiracy of evil that now enshrouds the world. Recognize the evil that is being perpetrated, infused into the daily living of your children, who are the major victims of your present state of society.

"My children, I told you in the past that sin is insanity. I warned you again and again that you must protect your children from the influences of satan. These influences, My children, have come through your medias, your government, your teachers, your entertainment medias. Satan covers your world.

"If you cannot recognize the insanity that has been set upon mankind, surely you will know that murders are being committed far in excess of what would be called normal in daily living. Satan was a murderer from the beginning, and he continues as a murderer. Your children are being indoctrinated into evil. Your schools, and sad to say, My children, the schools that were created under My Son's leadership, His Church, have been indoctrinated by evil.

PASTORS HELD AS RESPONSIBLE

"We hold the pastors of My Son's House, We hold them as being responsible for the fall of the children. Be ye warned now, My children, that woe to the man who has this responsibility upon his conscience and his soul. Scandals have been brought into the lives of your children. Perversion, homosexuality, immorality, perverted sex, My children - where shall you stop but at the abyss!

PARENTS ARE YOU INSANE?

"Sin has become a way of life in your country and many countries throughout your world. In your insanity you will bring about your own destruction. My Son's creation, in the Father and the Holy Spirit, the good Book of life and love, the Bible is being replaced by the book of satan. Parents, you look upon this with a smile? Are you, too, insane? Do you not recognize the infiltration of your home life by satan? Your children shall turn upon you and put you to death! There will be division within the home: father against son, mother against daughter, as parents will struggle to retain the truth and the light within the homes.

"Prayer is the greatest weapon you will have now against satan, My children. I have wandered to and fro, through countless earth-years of time, crying for prayer, atonement, sacrifice! The Eternal Father has a balance that leans heavily now to the left. It is not a good sign, My children.

"We find slaughters of the innocents. We find Our own pastors condoning sin, rationalizing sin, allowing free conscience to their sheep. For what? Mass confusion. A delusion has been set upon the world.

"My children, habit is the way for guiding your children in the Faith - repetition of the truth.

"You must keep all of the books of truth that are fast being cast aside even in My Son's House upon earth, His Church.

ROME THE SEAT OF ANTICHRIST

"Your world, mankind, is now developing into a one-world government and a one-world religion that will cast aside My Son. Woe, I say unto you, as I cried before, that unless you pray, unless you act now, 666 shall entrench himself in Rome, the Eternal City of Rome, and then it shall become the seat of the antichrist forces. My children, remove the blindness from your hearts and your eyes. Can you not recognize what is happening?

"I cry bitter tears of sorrow. I ask all My children to save My Son's House, His Church upon earth. And how may this be accomplished? By prayer, My children; by good example; constructive criticism. You cannot give full confidence to satan or his agents. You cannot expect another to take your part in this battle of the spirits. Each and every one of conscionable age must now go forward as a bearer of truth and light. These days, My children, are the days that had been spoken of and written of by the prophets of old.

ILLUMINATI, CHURCHES OF SATAN, WICCA

"There is now a conspiracy of evil in your country, the United States. Recognize the meaning of Illuminati. It has been now interwoven with the churches of satan and the massive international organization of Wicca. They are now fighting My Son's Church. It is satan who guides them, for these people who have entered into the organization of Wicca and Illuminati, they are dead bodies and dead souls!

"You ask, My children, how this can be? Much that will take place now in the near future you will see and be astounded at. Remember, My children, that Lucifer has great power. However, his time is growing short, and realizing this he has accelerated his evil.

FALSE OBEDIENCE

"Many in My Son's Church have fallen away. Pray for your brothers and sisters, My children. Pray for your bishops, your priests, who are under great attack by reason of false obedience.

"Many of the things that are taking place in your world today, My children, were planned carefully by Lucifer for his own advantage in this final battle. He, too, will use persons, places, and things to his advantage.

"Recognize the forces of darkness, of evil that are about you. You must all retain your sacramentals. Wear them, My children; they were given for good reason. You understand, My children, that it is a common truth that when you start opening the door the enemy will rush in.

"In the name of humanism and modernism the Mystical Body of My Son, Jesus, is now in great crisis. Only you as a generation shall determine the outcome of this battle. Pray a constant vigilance of prayer in your homes - private prayer, public prayer. The demons must run at the sound of prayer.

PSYCHOLOGISTS AND PSYCHIATRISTS

"Much, My children, you must accept in faith. Scientists of your world and your psychologists and psychiatrists rationalize everything, until sin is accepted as a way of life - scientists who are ever searching but never coming to the truth! The supernatural cannot be rejected, because if you reject the supernatural, you do not have the armor to fight it. It is a crafty plan of satan to make himself unknown, so that he may go among you, and destroying like a ravenous wolf.

"My children, through countless visitations to your earth, I have prepared you for My Son. I have been a Mediatrix between God and man at the direction of the Eternal Father in the Trinity. I open My mantle above you, My children; and know now that I will protect you in the light. All who believe shall be given the way. But, My children, I repeat the words of My Son: This, My child, is what will be: in darkness will they seek the way? This, My child, is what will be: in darkness, will they seek the way?

"Spiritual darkness covers your world now. The test is here, My children. It is the time of trial for mankind, the separation of the sheep from the goats.

"Do not be affrighted, My child and My children, at this knowledge. No man or woman or child has ever fallen into hell unless of his own free will. The way to Heaven is a straight and narrow road, My children. Once you leave, it is most difficult to

return. Remember, My children, many of you who leave the road will expect to come back in time, but I know that many shall not be given the second chance.

"Many warnings of minor nature, upheavals of nature, shall take place, and all will accelerate in timing. Know, My children, and recognize the signs of your times.

"I have asked you in the past and I ask you again to read your Bible. Read over and over the writings of John, the Apocalypse, and you will not be lost in knowledge. As you read, the Holy Ghost will enlighten you and you will know, My children, the next step in God's plan, the Eternal Father's plan, for your redemption."

Veronica - Our Lady now is taking Her Rosary from about Her waist. She's holding the crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as the Eternal Father in My Son and the Holy Ghost blesses you for your edification and the promotion and continuance of the Mission from Heaven.

"My child, you will hasten to send out the Message from Heaven. The time is growing very short."

[Pause]

TO PROMOTE FEAR BY MASS MURDER

Veronica - A very heavy cross will be placed upon the United States. There is rising an army, a satanic army. The ages of the young are from twenty to the thirties. They are now massing in the thousands. Revolution and murder are their plan. The plan is to promote fear by mass murder.

Our Lady asks that you all pray constantly that this sorrow will not enter upon your personal lives and your family. I asked Our Lady why, and Our Lady said it is in the plan of the Eternal Father that man - many shall return from this suffering. Man, Our Lady said, does not learn from his past. He continues making the same mistakes.

[Pause]

There is a blue haze all about the sky above Our Lady's statue. But the haze now is - there's no way I can explain it; it's like the sky is just evaporating. And on the outer edge, making a complete circle, directly over our heads, and leading out past Our Lady's statue, there's a circle of a deep, beautiful pink color. It's a very warm-looking color; in fact it has made me feel very warm and good. I don't know how to explain it. There's something very comforting about the pink light. It gives you an absolute feeling of peace.

Now directly over Our Lady's statue where the sky has been, like evaporating - I can't explain it; it just seems to be just evaporating. I can see Jesus now coming through the sky. He's coming from quite a distance, because - now He's coming closer; I can see His feet very well now.

He has on a pair of brown, skin-like sandals, and there is a roping from the toe of the sandal that's coming across Jesus' instep, and then it seems to be tied just at His ankle. I don't know how He keeps the slippers on. Jesus is smiling.

He has on a gown. It's not white; it's like a linen-looking gown, made of like an off-white color. And He has the same color of belting as in His slippers, like an animal piece of skin or something, as the belting about His waist. It's like just a tie, a narrow tie, belting.

And Jesus has on - oh, I'm surprised. He has a mantle, but it's the same color as His gown. He hasn't got the burgundy cape on. He has on a kind of a rough-looking mantle. The material is like a heavy linen. It's not white, it's like an ecru or a beige color. Now it has a hood about it, which - Jesus is now shaking His shoulders. The hood has now fallen down onto His shoulders.

Now Jesus' hair is quite long. And now He's turning and looking about Him. Now Jesus is extending His hand out, like this, with the three fingers extended, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is placing His hand over His heart. And now He is touching His lips with His first finger, which means to listen.

Jesus - "My child and My children, My Mother has counseled you well on the present state of spirit of mankind.

"HOW LONG, O LORD?"

"We hear voices rising to Heaven: 'How long, O Lord, shall You allow these abominations to continue?' My child and My children, the time is growing very short.

"Already as you watch the days go by, you cannot avoid noticing the acceleration of evil. It will be truly father against son, mother against daughter. There will be division within the home as satan seeks to divide and conquer.

"Parents must now exercise discipline in the home. Your children now will be subjected to all manner of evil and corruption from the forces of darkness that are loosed upon your earth.

A CONSPIRACY OF EVIL

"Need I add to My Mother's counsel that your country now has been invaded by a diabolical force, a conspiracy of evil for the destruction of the United States. Your children, the youth of your country, shall be used as instruments for this destruction unless you as parents and leaders - government leaders, I call unto you to act now and prevent the slaughters that will increase daily within your country.

"The practice of the black mass, abominations, corruption being promoted even within your teaching institutions - and this does not mean that I can look upon the corruption in My House, My Church, and condone it with permissiveness. I say unto you, O pastors, you will awaken from your slumber now, for your sheep are straying. A House, a Church in darkness wears a band of death about it! All that is rotten shall fall from the vine; for I, your God, shall shake the vine, for I am the vinedresser!

"Recognize the signs of your times: the olive branch. I say unto you, unless you pray more you will fall by the wayside.

"The road to the Kingdom of your God is a narrow road filled with many thorns. Can you not, for your redemption, travel this road for Me? Can you not carry your cross as I did?

"Many martyrs shall come out of these days, My children. They will wear crowns from suffering.

"There are two forces now loosed in your world: darkness and light, good and evil. You shall make your own decision on which road you will travel.

"You cannot wait, you cannot expect your brothers or sisters to guide you completely. Unless you accept the sacramentals given to you, unless you eat of My Body and drink of My Blood, you cannot and will not have the light within you, for I am truly the Bread of life.

"My children, you have not been abandoned in your trials. There will always be times of loneliness in the human heart when great trial is placed upon it, but when you meet that time of loneliness, you will say, My Jesus, my confidence!

GUARDIAN ANGELS WAIT WITHOUT MISSION

"Call upon your angels, your guardians. They have been rejected. They wait without mission upon many of you. You have been given a guardian from the time of your entry upon earth. They will help you, protect you, and guide you if you ask for their counsel.

"Remember, My children, in this battle of the supernatural, you must utilize every manner of grace, every sacramental. You must proceed with purpose and determination on the road to the Kingdom of your God. Every obstacle will be placed in your way. It is not an easy road. All who enter Heaven will enter by merit.

"I repeat, do not spend your short time upon earth gathering the world's riches and power, for they are as nothing when you leave your body. Better that you store your graces in Heaven, gathering them to redeem you when you come over the veil.

RICHES OFTEN CONDEMN A MAN TO HELL

"Many live in dire poverty of material goods, and this We allow, for We foresee that riches often condemn a man to hell. Values must be changed among mankind. Spiritual re-awakening, or else a complete spiritual darkness will bring about the Ball of Redemption.

"The Eternal Father has a plan for mankind. You will all continue with a constant vigilance of prayer going throughout your nation and all of the countries upon earth.

"You must not compromise your Faith, for you were given a firm foundation. Humanism and modernism will lead to nothing but destruction and satanism.

"My children, do not reject your brothers and sisters who have fallen away from their Faith, but pray for them that, in the mercy of the Eternal Father, they may be recovered for Heaven."

Veronica - Now Jesus is extending His hand out like this and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming down from the sky. I didn't see Her standing over there. Oh, She's coming down now, and She's going around by Jesus' right side. Our Lady - Her head comes just a little below His shoulder.

Now They are going over across the sky. They're not walking; They just float. They seem to be weightless. It's beautiful, the way They just glide across the sky. And now They are just about over, directly over the tree, the first tree on the left. And Jesus is bending down now and extending His hand out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now behind Our Lady the sky is opening up, and I see many, many figures coming forward. Oh, yes, they're angels. And I do see some nuns. I recognize their habits, the long dark habits. Oh, and there are priests and other clergy.

SAINT PIUS X

I see, way in the distance, it looks like a Pope. From his hair, I can see in the light, it looks like Pius X. Yes, yes, it is. Oh, and he's now extending his hand. He has a white glove on his hand. He's going like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Oh, he has in his left hand a golden long rod, sort of - crosier or scepter? I can't see it too well, because there are all the figures of the clergy in front of him now. But now he is stepping back. Oh! Oh, my!

Now Our Lady and Jesus are going across the sky over onto the right side. Now Jesus is floating down. Our Lady is staying up higher in the sky. Jesus is coming down by the first tree. Now He's extending His hand out like this and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Father blesses you and send to you the Spirit of life.

"My children, keep a constant vigilance of prayer going throughout your country and your world. I cannot caution you enough on the necessity of prayer in the coming days."

Veronica - Now Jesus is going back. He's just floating back. He's - oh, it's just beautiful. He just seems weightless. Ah! And He is standing now next to Our Lady, and Our Lady is nodding.

Our Lady - "Continue now, My child, with your prayers of atonement."

[Pause]

Veronica - Jesus said He is very concerned about the youth, the young people of our country and the world. He is very concerned also about the parents, for when the young children become victimized by the satanic forces of the world, it will surely affect the rest of the family, with great sorrow and distress brought to the hearts of the parents.

To avoid this, Jesus said you must retain a firm foundation of faith in the home. It will be and take extra - it will be a necessity to make extra efforts in that direction by providing your children, Our Lady and Jesus said, with reading matter that is of God, of godly nature.

Be very careful, Jesus said, of all of the entertainment medias that your children are exposed to. Witchcraft and satanism are considered in their time the 'in' thing, but it's only the way 'out' of Heaven, Our Lady said.

Jesus also wants it known that those who are involving your children in these evils do this for profit and gain. Many have sold their souls to get to the head.

WITCHCRAFT AND SATANISM

The enemies of God, the conspiracy of evil in this country and throughout the world now, this group of the octopus that is reaching out in every direction to destroy our country, the United States of America, and many countries now throughout the world, they cannot be labeled alone as communism, Our Lady said. Their atheism is far greater and more involved than just those small arms. Drugs are a plague, and the greatest plague for this country will be the continued acceleration of witchcraft and satanism.

Christians, all Christians at this time, Jesus said, must unite against the common enemy of God.

December 31, 1977

New Year's Eve

Veronica - The sky is very clear this evening. There are streams of beautiful blue light coming down from directly over Our Lady's statue. Oh, they are magnificent! The whole sky is aglow now with these lights. I can see Our Lady now directly over Her statue but high in the sky. Our Lady looks tiny because She is coming in from a great distance.

It's windy; Our Lady's skirt is blowing. Oh! Oh, how beautiful! Oh, Our Lady has on a long white gown, and She has slippers on Her feet. They're more like sandals, with golden ties about Her ankle. And directly on the center of Her instep there is on each foot a small golden rosette - oh, a tiny rose. Oh, it's just beautiful!

Our Lady's skirt is billowing; it's very loose and flowing. And She has a deep blue sash about Her waist. Our Lady has a mantle; it's all white. It's such a pure white, it's difficult to look at it because of the reflection of the light that's coming out from . . . I can't explain it. The glow is coming out from within Our Lady, lighting up the whole area about Her.

Our Lady's mantle has a small delicate edging around the edge, of gold. I can see it's a metallic braided gold all about Our Lady's long mantle that covers Her head completely and flows down over Her shoulders and down to Her feet. Our Lady is always very fully covered.

Now Our Lady is lifting Her Rosary from about Her waist. Our Lady carries Her beautiful Rosary, the one with the golden Our Fathers, and the Hail Mary beads are a white. But as Our Lady now is turning and looking about and taking them from about Her waist, they seem to reflect the colors of the rainbow. I couldn't call them white now; I can't explain the colors because they're magnificent. They are all hues of pink and blue and purple. Oh, they're beautiful!

Now Our Lady is taking the crucifix of Her Rosary and extending it out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is placing the crucifix to Her mouth. Now Our Lady is placing the Rosary in Her left hand, and She's taking Her first finger and touching Her lips.

Our Lady - "My child, the trial was sent upon you; you were laid low for reason. Because of the pressures of the work given in your mission in the past, My child, there was a time for a pause, a moment of recollection and meditation. As you hurry about, My child, your energies are expended and your human body must rest.

"My heart is torn because I have been throughout the earth crying to My children to awaken and see the evil that now is covering the earth.

"My child and My children, man can be wise but stupid. He goes forward scientifically searching for truth. And what is truth? Truth is My Son in God the Father and the Spirit of light.

"My children, your earth has evolved now into a state of immorality and sin far worse than it was in the time of Noe. What can I say further to you, My children, but to counsel you and warn you that the Eternal Father is making ready a great trial for mankind. The heavens shall explode and roll back as a sheet. Hearts shall stop in fear of what is to come upon mankind. This coming Warning, My children, is minor in comparison to the Chastisement, the great Chastisement that shall then follow.

AS NIGHT TURNS INTO DAY SO SHALL MY SON RETURN

"Scoffers go about your world, your earth, saying, 'And where is this promise of His coming?' I say unto you, My children, as night turns into day, so shall My Son return to stop the evil that now corrupts the souls of man.

"Scoffers go about your world neither caring nor searching for truth, casting aside the knowledge given him of the supernatural. He will have no defense to fight the supernatural.

"I repeat again, My children, what I have tried to tell mankind through countless visitations to your earth in the past, that satan is now loosed upon your world. He walks the earth now!

"My child and My children, listen well as I repeat to you the meaning of 666. Six demons of special mission have been loosed upon earth: Lucifer and his cohorts; Lucifer - satan and his army, 666; demons, legions of demons from hell entering into the body of any man, woman, or child who has fallen away from the light.

"Sin is truly insanity, My children. Satan is the father of all liars, and deceiving spirits are now loosed upon your earth. Satan is a murderer and will promote murders far in excess of what has been seen in the past.

"I cry to you, My children, that immorality is the gauge, the measuring point for the fall of a nation. Your country, My children, the United States, has fallen to satan. The great eagle has been plucked by sin. Corruption has entered into the highest places of your government and in My Son's Church. I say unto you, and I say this with counsel from high, the Lord high God in Heaven, the Father of all creation, that as you sow so shall you reap!

"My children, why did you avoid giving My counsel to the world? O you of little faith in the high places of My Son's House, His Church, why did you not give My message to the world as I gave it to you? Pride and arrogance! That is why, My children."

MY VISITATION TO THE CHILDREN AT LASALETTE

"I counseled you in My visitation to the children at LaSalette that unless you pray, satan shall enter into the Holy City of Rome, and satan shall set himself beside My Son's altar! Who cared to listen to My counsel? Pride! Man filled with pride. Pride is a major sin in the hearts of man. And pride always came before the fall!

FATIMA SECRET WAS TO BE REVEALED

"I counseled you at Fatima, and who gave My counsel to the world? Pride and arrogance anew! A secret was to be revealed, and who counseled and prepared the world for the onslaught of satan into My Son's House? No one!

"I say unto you, Red Hats and Purple Hats, you hold a great responsibility for the fall of souls in My Son's House! Shall you come before My Son and say that your teaching has been pure in His sight? No! I say unto you from the torn heart of a Mother, that you shall be cast out, cast into the fires of the abyss! My Son shall spit you out of His realm, O you of little faith!

"You cast aside the counsel of your peers. You cast aside the counsel of the founding Fathers of My Son's Church as He gave them to you! You build a new church of man. No angels helped you cement that foundation, because My Son is nowhere around. O ye of little faith, whatever shall become of you!

"My child and My children, do not be stricken of heart. My Son is your confidence. My child, I counseled you in the past that only a few will be saved in the earth's majority.

BALL OF REDEMPTION HEADING TO EARTH

"The Ball of Redemption has not been held back; it's heading to earth, My child. My voice has cried out for prayers, atonement, penance. How many have listened and acted upon My counsel?

"My children, parents, your hearts will be stricken because there will be division within the homes: father against son, mother against daughter.

"My children, the spirit of wickedness abounds in your country and in all the countries of earth now as satan is given his time to run about and gather his own.

"There are many armies from Heaven now forming throughout your earth, My child and My children. It is the time of test for all. There will be a gradual separation of the sheep from the goats. Every man and woman and child of conscionable age shall be held accountable for his actions in these days, My children, these latter days.

"I must give you counsel on the state of your country as the evil forces gather for a major onslaught.

SECRET SOCIETIES

"Man in his arrogance, in his turning from the light, is now allowing a monster to develop in your country, My child, and many countries throughout your world. For many years this monster lay hidden in the guise of secret societies. My child and My children, the occult must be removed from your country! Neither shall it be condoned by your leaders, nor the parents permit this evil in your school system and medias! Your children are being programmed to kill! Your children will be unrecognizable if you as parents do not act to stop this evil!

"Satan has an advantage, My children. He has convinced many that he is not there or around or even exists. He has convinced many that he is a myth. How clever he has been in his operation, My children!

"There is a time, My child and My children, when a little fear and caution is healthy. Fear, major fears are a tool of the devil himself, but you cannot be arrogant or prideful: you must be prudent also. My children, even in My Son's priesthood, a man of the cloth can be wise and yet be stupid.

"My children, you will continue to send the Message from Heaven throughout the world. The words from Heaven will reach every corner of your world, and then, My children, shall come the end of time as you know it. All who are of well spirit will have nothing to fear. They will go through these difficult times with perseverance and hope. Whenever you feel doubt or anxiety you will say quietly, My Jesus, my confidence!

"I caution you all not to remove your sacramentals from about your person, your necks. There is reason for this. Satan will use every measure, every means available in human and supernatural intellect to take your guardians from you and expose you to fall to his cajolery.

"My children, I will be with you through these difficult times. My Son shall return. The world will be restored as it was to be in the will of the Eternal Father in Heaven. However, what was to happen in the future will be now, My children.

"As bearers of the truth and light, you will all go forward with great strength and perseverance. Cast aside what is unimportant. Little irritations can drain the spirit, My children and My child. You must now know what is important in the mission, My child, and what is just satan's manner to irritate and stop your work. There is a time when every man, woman, and child must meditate in private.

NOT SEEK SUPERNATURAL ELSEWHERE

"My children, I will counsel you as I have counseled you in the past. I must also warn you so that you do not have any hindrance to your mission, that there will be many false prophets in the world. They can mislead many. Therefore, it would be best if you do not go about seeking the supernatural elsewhere."

Veronica - Our Lady is taking Her Rosary now from Her left hand, and She is holding the crucifix up, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now over on the right side directly over the banner, high in the sky, I see Michael. He's been there the whole time, but he's so immense that you don't notice him unless he turns. And he has his long spear with a very sharp point, it looks.

And he's - now he's taking the spear and pointing over towards the trees there, there over on our right. I don't know what he is doing, but he's pointing the spear downward, and there's a shaft of light coming from the spear down onto that area there. It's not - I don't know; I do sense something that Michael knows that I'm not sure of, though it does have an ominous look. Now Michael is lifting the spear up and returning it back to its original position there, at his right side.

Now Our Lady is now - She's touching Her finger to Her lips. Oh, She's kissing the crucifix now on Her Rosary, like this. Now Our Lady is going across the sky over by our left side. It's very, very windy, because the wind is catching Her garments, and oh, they are very full. Our Lady has a lot of material in Her skirt. Oh, now Our Lady is bending over.

Now Michael is coming across the sky, and behind him I can see many, many figures of angels. They're just beautiful, in all the colors of the rainbow. Their gowns are multicolored.

But there is something happening, I don't know, at our right side, that they all are casting their eyes over to the right side. Now they're going, proceeding across the sky with Michael and Our Lady. And Our Lady now is bending down, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is moving back, and She is now going up directly over Her statue. And Our Lady now is also turning over to the left, Her eyes over to the left. That would be our right side. Now She is touching Her lips with Her crucifix.

Our Lady - "My child, you will continue with your prayers of atonement. You will now take three photographs, My child, and you will understand the right side."

[Pause]

Veronica - All about the trees there is forming a deep lighted effect of pink. It's a very warm look. There's no way I can really put it into words, the outline across the trees here directly around Our Lady's statue - it's as though the trees themselves are giving off an illumination of pink, a beautiful pink color. Now directly over Our Lady's statue the sky is like folding away as though it's just opening from a center somewhere, and directly out of the center I can see Jesus coming forward.

He's like floating, He doesn't walk like you or I. I don't see His feet moving, but He is coming forward. He's carried on the wind, it looks like. I don't know how They transport from Heaven that way, but it's beau - Our Lady always comes through the same way. Our Lady is following Jesus. Oh, Jesus is coming now closer down by the statue. He's standing only a couple of feet above Our Lady's statue.

Now Jesus is looking to the right and the left, and Our Lady now is coming down. Our Lady is coming down now, and She is standing on - oh, on the table, the pillow. Now She is taking Her gown and pulling it closer to Her feet. No, now She's starting to rise. Oh, I see; Our Lady is standing above the flickering flames, oh, right on the pillow. Oh, now Our Lady is smiling and She's now motioning upward to Jesus, and Jesus is placing His hand, His first finger to His lips.

Jesus - "My child, I understand your great concern when the forces of evil are planning an assault. However, you must understand, My child and My children, that no harm will come to the mission or the workers.

"I counsel you to follow the direction from Heaven exactly as given. It is given for good reason. My child, in your mission you will understand that discipline and obedience is asked for great reason. You have a free will, and if you choose to use your own will, you will fall into error and must suffer a heavy penance. Therefore, My child, be most prudent and careful.

"I know the great trial this places upon you, My child, as you are not in real spirit a leader but a follower. However, under My Mother's direction you must be a leader. You must also be stern at times with discipline.

"You will understand, My child, in time the ways of satan to cause confusion and terror in the heart of man. However, I have told you in the past and I will tell you again that this is truly a war of the spirits. The victory shall be with Heaven, but the Eternal Father deems it necessary that this war continues for the separation of the sheep and the goats. It is the time planned by Heaven for the great test to mankind.

"My children and My child, listen well to My Mother's counsel and act upon it. The forces of evil are gathered now to do great battle with the children of God.

"My children, I only add this one part to the counsel of My Mother: that you become aware of the existence of the supernatural upon earth. There are forces now loosed upon earth, unseen to your human eyes, unless it be deemed by Heaven that you must see beyond the veil or see the supernatural for the propagation of the work and the Mission from Heaven. However, man must realize now that the world is in deep darkness of spirit and a battle rages with mankind. The forces of hell now prevail against man and My Church. However, the eventual victory shall be with Heaven.

SECRET SOCIETIES UNDER DIRECTION OF SATAN

"There are secret societies now upon earth. They are all under the direction of satan. I command you, as the Eternal Father commands you, and the Spirit of light, I command you as your God that you shall not worship false idols and gods, such as gods of nature. I command you as your God to rid those who create the evil and the destruction of souls, to rid them from My House, My Church. All that is rotten will fall.

"You leaders who carry My mark upon you as high priests in My House upon earth, you have fallen asleep. You have become, many, corrupters of souls. You have cast aside your mission as representatives of your God. You have given yourselves to the world, becoming sensual, prideful, arrogant, and faithless! When I return shall I find even a flicker of faith in your hearts?

"The vocations are nil, and why? Because the example is rotten! Tradition has been cast aside for modernism and humanism.

"The present leaders of My Church in the city of Rome, in your arrogance you have set up My Church without honor, without holiness! In the name of peace and brotherhood, you have whittled away the foundation. I am the foundation! You must now rebuild My Church, for a church in darkness wears a band of death about it. I say unto you; it is better that there are few with quality than quantity with nothingness.

"The Red Hats have fallen and the Purple Hats are being misled. I say unto you, that satan has entered into the Holy City of Rome.

"You have been warned in the past by the descendants of Peter to guard My Church from humanism, modernism, and satanism. When the world and My Church become as one, know that the end is at hand. Many of the descendants of Peter, men of knowledge and piety, gave you the reasons for shunning modernism and liberal attitudes. Many of those wearing the Red Hats have sold their souls to satan to get to the head.

"There are now demons, doctrines of demons now spread throughout My House, corrupters of souls. You call the truth, the supernatural, the existence of My prophets as myths!

"My children, recognize the forces of evil among you. You have no man that can save you when you come over the veil. You will stand before Me and I shall give you your just deserts.

AS SPITTLE INTO THE FIRES OF THE ABYSS

"Shall you stand before Me, O priests in My House, and say that your teaching has been pure in My sight? I shall cast you away as vermin, and I shall put you as spittle into the fires of the abyss where you belong! For you have prostituted My Church!

CHURCH OF SATAN WITHIN MY PORTALS

"For gold and silver anew you sell Me out. I say unto you, your father is satan! You are liars! You are murderers! And now you bring the church of satan within My portals! Worshipers of evil! Lovers of false gods!

"My children, you are fast approaching a great Warning and Chastisement. Prepare your homes well. Prepare the souls of your children; many shall be removed to save them.

"There will be many bitter tears and gnashing of teeth because of the woe set upon the earth by the evil one. Satan, the master of deceit, the corrupter of souls, now walks the earth. Lucifer and his legions of hell are loosed upon earth.

"I repeat as My Mother counseled you: in the past there were agents from hell upon earth, but Lucifer had been chained. And now he is loosed!

"You cannot understand the plan from the beginning of your existence. It must all come to pass. The pages of your Bible must turn, but they are fast turning because man does nothing to stop them.

"The Apocalypse is upon you. You must read the writings of John. Then you will understand. No man shall fall into hell unless he wills it.

"My children, if you do not take action now you will find your world almost unrecognizable with destruction and murder.

"There is nothing that I can add to My Mother's counsel at this time that will awaken you from your lethargy, your blindness of heart. As in the past, man never learns from his history. He repeats and repeats his errors to his own destruction. Your generation shall not pass before a great crucible of suffering cleanses you.

"My children, you will all keep a constant vigilance of prayer going throughout your country and the world. The words of warning from Heaven shall reach every corner of the world, and then shall come the end.

FALSE PROPHETS SHALL ABOUND UPON EARTH

"Many false prophets shall abound upon earth. Test the spirits, My children; satan cannot remain hidden for long.

"My children, this is truly an hour of darkness. All who remain with My Mother, who listen and act upon Her counsel, shall be known as the light bearers for Heaven.

"You cannot slacken in your mission, My child and My children. You will all go forward carrying even a heavy cross to the end of the road. For those who are given great graces much is expected of them - I will say, My child and My children, more is expected of them."

Veronica - Now Jesus is looking to the right and the left, and He's placing His hand out in front of Him like this, with three fingers extended, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Father blesses you in the Spirit of light. Keep a constant vigilance of prayer going throughout your world. You will understand why, My children, soon."

Veronica - Now Jesus is passing across our left side. He's standing directly over the first tree. Now He is bending forward and extending His right hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning and He's pointing over to the center of the sky directly over Our Lady's statue, and there is a tremendous - I don't understand it, but there is a tremendous black cross now appearing in the sky. Oh, I don't know. It's a very, very heavy black cross. I don't really feel good at seeing this; it's a very ominous-looking sign. It's a very large black cross.

Now Jesus is cutting across the sky. Our Lady now has come from the left side of the tree, the first tall tree, and She's following Jesus. And He's cutting across the sky to our right side, and He's standing directly between the two trees. And now He's placing His left hand, it seems to be right near His heart. And He's bending over now and making the sign of the cross with His three fingers: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming over to Jesus and They are looking - I believe They are conversing. I can't hear anything, but Our Lady is standing - They're face to face. There's something They're communicating.

Now Our Lady is turning, and They are coming across the sky. They just seem to be carried in the wind. They don't walk. It's just beautiful to watch the way They go across the sky, like They're weightless.

Now Our Lady and Jesus are facing forward, and Michael is behind Them. He covers the whole sky behind Them. And Our Lady now and Jesus are placing out one hand like this, and there are rays coming from Jesus' right hand. And Our Lady has Her right hand extended, almost like they are two hands of one individual. And the light is coming forward, streams of white light. They seem to be coming past Our Lady's hand. The light is coming past, over our heads and back into the area behind us in the crowd. And Jesus, too, as He's raising His hand, the streams of light are going directly behind us into the crowd. Just beautiful! I can't explain. The light is like sheer glass cutting through. It's beautiful!

Now as Jesus is placing His hand across His chest like this, the light is dying down. And I can't explain - they seem to be just evaporating away. Now it's very, very dim all about Our Lady and Jesus, and They're backing up now.

Our Lady - "My child, We are not leaving. We are now standing here in prayer and meditation."

Veronica - Now Our Lady is placing Her hands together like this, very close to Her, and Jesus now is standing with His hand over His heart like this.

Jesus - "Continue now, My child and My children, with your prayers of atonement. They are sorely needed."

Eve of the Purification of the Blessed Virgin Mary

Veronica - There is a beautiful light falling directly above Our Lady's statue. Our Lady is standing high in the sky, surrounded by a light that makes Her look as though She is inside of a medallion, a medal of some kind. Oh, Our Lady looks absolutely beautiful! In Her right arm She's holding the Infant Jesus. Oh, Our Lady has on a beautiful blue mantle, and it's brought snugly about Her shoulders, so that Our Lady appears to be encased all in blue.

Our Lady now is coming forward. She's now standing directly above Her statue. Our Lady now is turning about to Her right side and motioning with Her arms. Now there is a tremendous light coming from the left side of the sky. And from behind this light I can see Michael, Saint Michael emerging. He's a tremendous, tremendous size.

Now Michael is standing on our left side with his left hand extended with a balance, a golden balance in it, and in his right hand he has a long spear with a very pointed edge in the front. Michael is motioning now to look down at his spear; he's pointing it down. It always is an ominous sign to see the spear go down.

Now Our Lady is moving over to our right side. Oh, the Infant Jesus is no longer in Her arms. The light is becoming very brilliant. Our Lady is extending Her right hand out, and in it She has the beautiful Rosary. The beads are very large. I'm always startled by the size of the beads. There is a golden Our Father and the dazzling Hail Mary beads that are white, but as Our Lady is moving, turning right and left, looking down, the beads seem to catch all of the colors about Her, and they shine like translucent pearls.

Our Lady now is coming back from our right side, over, directly over Her statue. And now Our Lady is placing the Rosary about the band about Her waist. She has on a deep blue sash, and now that the mantle has swung out a bit, I can see that Our Lady has on a pure white gown, a very billowing white gown. Her sash is blue and the mantle is a beautiful deep blue.

Our Lady now is taking Her first finger and placing it to Her lips.

Our Lady - "My child and My children, I come to you with an urgent message of warning to all mankind. The evil has accelerated at great speed. You must all hasten now to keep a constant vigilance of prayer going throughout your country and the world.

DESTRUCTION OF COUNTRY BEING PLANNED

"As I have warned you in the past, My children, while foolish man ran about crying peace, love, and brotherhood, planning to disarm, to leave your country unprotected, others whom your leaders shake hands with are planning your destruction.

"My children, an arsenal of arms now are being gathered throughout the world. They are major instruments of destruction. It is the regime of terror that man has brought upon himself by rejecting his God.

AMERICA LAND OF PAGANS

"Your country, the United States and America, has become a land of pagans. Your country and America and many countries of the world have given themselves over to all manner of pleasures of the flesh and defilement of the human body and desecration of their bodies and their spirits.

"My children, how can I prepare you, how can I lead you onto the right road now, when there is so little time left!

"Before the destruction of Sodom, warnings, many warnings were given to mankind. These warnings also fell upon deafened ears.

MAN HAS JOINED THE ANIMALS

"Man was created above the animals, but he has now progressed downward, down the ladder, bordering on hell. Man has joined the animals in desecration of his body with bestiality, homosexuality, and all manner of perversions.

"Parents, you cannot now expect your leaders in government - city, state, or national, to protect your children, for the forces of evil are solidly entrenched now in your government. Your medias of communication are controlled. Each and every parent must assume now full responsibility for the salvation of their children's souls.

"Those who call themselves pastors in My Son's Church upon earth have given themselves over to worldly pursuits and living, while they scatter Our sheep.

"I say unto you as your Mother, as a Mediatrix between God and man, that I plead your cause constantly before the Eternal Father to give you time to repent of your sin, or you shall receive very soon a just punishment, a just chastisement.

"Many minor warnings have been given to mankind and they go by unnoticed. The greatest trial now upon mankind is produced by the working of Lucifer released from hell with his demons upon earth.

UFOs FROM HELL

"They are performing now prodigies and wonders to confuse and confound mankind. You call one of them the UFOs. They are supernatural manifestations from hell. They are created in the minds of some by the demons, who are capable, because of great power upon earth, to control now the elements, nature.

"And also these demons shall promote accidents that are not accidents. Your seasons shall turn. Upheavals of nature shall be more prevalent. They will increase in intensity until mankind is brought to his knees.

"My children, you must keep a constant vigilance of prayer going throughout your country and the world. Pray for your priests. Pray for the Holy Father, Pope Paul in Rome, for Rome shall also be bathed in blood.

"No nation upon earth shall escape the chastisement. Every nation has fallen short of honor to their God. Every nation has succumbed to itching ears of novelty, bringing in humanism and modernism, leading to soul destruction.

"My children, I cannot admonish you enough to protect the youth, your young ones at home, against the gathering bands of criminal elements that will roam the streets to seduce the unwary.

"My children, all manner of evil now is covering your earth in darkness. It will take many graces, great grace to remain free of contamination.

"You must use everything given to you in the past: the sacramentals, the monuments, the statues. My children, while you remain in your human nature you will be tempted and tried. Many shall fall away from the Faith. Many shall sell their souls to get to the head.

"You cannot live in the world and be of the world and stay on the road to the Kingdom of Heaven. You cannot love two masters, for one will you grow to hate. And, My children, it tears My heart anew to hear the blasphemy being committed against My Son even in His own House!

"O My children, My heart is torn. I go tirelessly back and forth, hinder and yon, calling out from My Mother's heart to you, to prepare yourselves. You must make a fortress of your home against the evil forces now loosed upon earth.

STAY IN YOUR PARISH CHURCH

"Do not turn from your parish church, but stay; remain as a good example.

"All who need strength and encouragement in the days ahead will say with true feeling, My Jesus, my confidence!

"It will come, the time, My children, when it will seem to all that the wicked have captured the earth, and only the wicked shall prosper. But, My children, they gain their reward upon earth, for they have nothing when they leave. And there is not one living creature upon earth that shall not one day return to the dust.

"My child, rest cures all. You must seek to remain more from the world.

"You will conduct the Bible study classes as I have asked you to. It will be limited to a few at this time.

"The work, the Mission from Heaven, shall continue and accelerate. Everyone must receive the Message from Heaven before the Eternal Father places His hand down upon you.

PERSECUTION FOR HOLY FATHER

"Without prayers and penance of the world much blood shall be shed in the streets of Rome. Persecution shall be set upon the Holy Father. Many shall cry out for his blood. There are many traitors sitting at his table with him now, for the Red Hat has fallen and the Purple Hat is being misled.

"My children, I repeat: do not leave your parish church, but remain as an example. The Eucharist, My Son, is always with you. Comfort Him, as His heart is torn by the many abominations being committed in His House and by many of His clergy.

"It will not be an easy road for you and all who carry the light. The forces of darkness are great upon your world now, but remember, My children, at the end of this battle, it will be victory for Heaven and all who have given themselves as children of God and remain faithful and true."

Veronica - Our Lady now is taking Her Rosary from about Her waist and She is extending the crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now down behind Our Lady I can see Michael coming forward, and there are many, many angels about him. They look absolutely beautiful!

Now the angels over on the left side are dressed in different colored gowns. They're just beautiful! All the colors of the rainbow, and colors I haven't seen on earth here. They are absolutely beautiful!

Now Our Lady is going over to our left side. She is standing just above the first tree on the left, and She is making the sign of the cross with Her Rosary: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is smiling. And now She's kissing Her crucifix, and She's going across the sky. The angels have come down much closer. I can see them very well now, though I can't see their faces. There is a tremendous light coming out from behind

them - or, I think it is coming from within them, because it almost blots out everything but their gowns. And Our Lady is going across the sky now. She's standing over on the right side, looking down now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, for My Son, the Eternal Father, and the Spirit of light. Continue now with your prayers of atonement. They are sorely needed."

[Pause]

Our Lady - "The satellite is active."

Veronica - Our Lady said the satellite is active.

Our Lady - "Communism has control of your country. Many leaders have joined the Red Bear because they are lukewarm in their faith, or confirmed atheists.

"You will pray for your President and the United States. An attempt will be made upon his life."

[Pause]

Veronica - All about the trees there is a very heavy cast of pink light. It appears that the trees themselves are giving off this beautiful pink glow. They outline the whole area over our heads.

Directly over Our Lady's statue the sky is clearing just as though there is - like the clouds are evaporating, and directly in the center there is a huge host forming, of light. It's moving forward almost like a globe, a ball suspended in the air.

And coming out of the center of this, what could be called a Eucharistic circle, is Jesus. I can see Him. It's quite windy. His robe is blowing in the wind. He has the mantle part of His robe off His shoulders, and His hair now also is blowing.

Jesus has nothing on His feet; His feet are bare. Now He's coming forward, and He's extending His hand out in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is standing and looking over to His left side, our right side. Now He's looking back. And now He's pointing up with His right hand to the sky.

Our Lady is coming down now. Our Lady is carrying Her Rosary in Her right hand. It's quite windy, because Her gown is also blowing, and Her mantle. Our Lady's head is covered with the mantle and there is a clip now I notice at Our Lady's chin, that's holding the mantle in place.

Our Lady has in Her left hand a Scapular, a very large brown piece of cloth, two pieces of cloth, I notice, on the string, and She's coming up now by Jesus. She's standing at His right side. Now Jesus is nodding, and He's placing His first finger to His lips.

Jesus - "My child and My children, My Mother has counseled you well on the state of affairs taking place upon your earth at this time. Needless to say, your world is in deep darkness of spirit. The evil has accelerated much faster than man can ever assume because of the loss of faith.

MANKIND WALLowing IN FILTH

"My heart has been torn as I watch mankind wallowing in filth in the name of progress and modernism. He is now, man, standing on the brink of his destruction.

"You have, My children, as a nation, gone about looking for peace in the wrong channels. There shall be no peace without your God! For man has created a void now, and this void is like a bottomless pit, and a force reaching up from hell and pulling many down into the abyss.

"The Eternal Father created man in His image. He set rules for the welfare of mankind and his progress to return triumphantly to Heaven. You are all but pilgrims upon earth. Your time is short.

"Many have sold their souls to get to the head! Many have nourished their bodies but have starved their souls! And how? Because you have cast aside the truth! You go forward with itching ears, listening to heretics and liars! Doctrines of demons abound upon earth, and these doctrines of demons have entered into My Church. I say unto you as your God: I shall place a heavy hand upon you.

"A Church in darkness wears a band of death about it. Your world shall go through a crucible of suffering. It will be the time of trial for all, the separation of the sheep from the goats, the wheat from the chaff. All that is rotten shall fall. For I repeat again: It is better that there be a few with quality than a quantity with nothingness!

CHANGING THE BIBLE – PLAGUES

"The rules, My way was given to you in the Book of love and life, your Bible, and I say unto you, you who go about adding to My words and making changes, I shall visit upon you every plague that has been written in the Book of life!

"Man has not learned by his past. He continues upon his way, giving himself over to all pleasures of the flesh, never caring for his future, his future over the veil.

A RENEWAL?

"I gave you My human life upon earth, and what have you done? You crucify Me again in My own House, My Church! You crucify those who stand in righteousness in My Church and cast them out, as you rebuild My Church. For what? A renewal? And what are you renewing? What is your renewal? What are you renewing? Have you found fault with My way? Shall you create a new way of man? I say unto you, you blaspheme! You have cast yourself out of the light into the darkness, O pastors.

"I cannot at this time give you, My child, dates. It would be of no merit to give the date now that you ask, My child. That will be given to you in secret. Let others speculate, but I say unto you, you must be prepared at all times, for it will come upon you suddenly.

"There is no reason to modernize My Church. Discipline must be returned.

"My Mother has made many visits to earth, crying out to you to stop now, turn back, do penance, make atonement for your sins. And what has She met but derision, lukewarmness, and arrogance!

CAST ASIDE OUR LADY AND YOU ARE FINISHED

"Pride and arrogance, even among My clergy. I say unto you: Cast My Mother aside and you are finished as a nation! But for the tears of My Mother, you, O United States of America, would have received a just chastisement long ago. But My Mother has begged for a reprieve, the time for you to mend your ways, to cleanse yourself of your sin, for you have become a pagan nation. You are not alone, My children, for many nations now have become paganized.

"Theologians in My House, My Church, you go forward in arrogance and pride. Do you think you shall go above your Master, your God? Shall you follow the same road as the fallen angels who now use you as chattels? You must return now to a life of penance and prayer, O clergy, while you have the time. For many shall be taken from your earth in the next year.

"You must all keep a constant vigilance of prayer going throughout your country and the world. The very forces of hell now are loosed upon earth. Lucifer and his armies now go throughout your world, for Lucifer knows that he has been allotted but a short time to gather his own.

"Protect your children, O parents; protect your families. Guide your children to Me in the Eucharist. I am still there for a short time. For the enemies of your God plan to take Me from your country. The Eternal Father would stop you now but for the victim souls that plead for a reprieve. Their prayers do not go unanswered, for the Eternal Father waits with great patience, not wishing that one be given to satan.

"Your life, your eternal life and eternity faces all. You must now, in the time given, make your way back to Heaven. Avoid the pitfalls that satan has placed now to ensnare you with. They are tempting to your human body and human nature, but you must fight these temptations.

USE OF RELICS

"Avoid all occasions of sin. Pray a constant vigilance. Gather all the sacramentals you may have hidden for years from your children and your families, and I say this, hidden, for many have cast aside the use of any relics in their homes. Your children must have the statues and the relics as constant reminders of the road they must remain on. The world outside your doors now is a world of satan. Many shall find with sadness to their hearts, that they try to come back too late onto the road to Heaven. There will not be time for many to return. Prepare your household, My children.

"We do not come to you to set fear into your hearts, but We must give you a full realization of the days you are living in. The time that had been written of and spoken of by the prophets of old, that time is now, My children. You are living in the final days of your age.

"All who are of well spirit will have nothing to fear. If your graces are not gathered, you must always remember to repeat: My Jesus, my confidence! My Jesus, my confidence!

"My Mother shall continue to guide you in the days ahead. She has made a promise to you and it will be kept. The battle will accelerate and many shall fall away from the Faith, for they do not have the strength in the battle. Pray for your brothers and sisters. Be charitable even to those who persecute you. You must all pray, but you must all work, My children, for there is no strength in prayer without works."

Veronica - Now Jesus is looking over to the right side and the left. He has a very sad-looking expression on His face. And now He's pointing with His right hand up to the sky. And just directly over the trees, there is a very large cross in the sky. It's a dark cross, almost black. A very large cross.

Now Jesus is placing His hand over His heart. Now His hand - He's extending out His hand, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Father blesses you in the Spirit of light. Continue now with your prayers of atonement. They are sorely needed.

"Remember in your moments of leisure to stay out of the world, My child and My children, and read and reread My Mother's messages from the mission. In the name of the Father, and of the Son, and of the Holy Ghost.

"My child, you will be subjected to much physical trial. Penance is great, but at the end of penance there is always a great joy.

"The world must know the value of suffering. All who came into Heaven came here by the way of the cross. If one would understand the great value of suffering she would ask this regardless of her human inclination to avoid pain and suffering. The graces gained from physical suffering when offered for a just cause, a meritable cause, for those in purgatory the graces are threefold.

"Remember, My children, to offer your trials, your penance for those who are in purgatory, for very few come directly to Heaven but must spend a time of purging just beyond the veil. They are helpless without your aid. You will pray for the souls in purgatory, and in the Lenten season ahead you will gain many graces for them.

"Much of the supernatural cannot be understood in your human nature, but must be accepted by faith."

Veronica - "Yes. . . . Saturday. . . . Yes."

February 10, 1978

Eve of Our Lady of Lourdes

Veronica - The sky all about the trees is lighting up in a most beautiful pale blue haze. Directly over Our Lady's statue the sky is opening up. It's like - I can't explain it - there's a huge light in host-like formation, circular. And directly in the center of the light is Our Lady.

Our Lady is coming forward. She's floating. It's very windy because Her gown is very full, but it's billowing all about Her feet. Our Lady has on beautiful golden sandals, and Her gown is a most beautiful white. It's a white similar to sugar. There is no way I can explain it. About Our Lady's waist there is a deep blue sash, a beautiful deep blue sash.

Our Lady's mantle covers Her head completely; Our Lady's mantle completely covers Her head, over Her shoulders. And I can't see behind Her at this time, but it appears that the mantle reaches down to Her feet. Now it's open in the front. Our Lady's mantle is held by a string just under Her chin.

Now Our Lady is reaching to Her waist. On the right side of Her belting She has a beautiful Rosary, the Rosary with large Our Father golden beads, and the Hail Mary beads are a beautiful white that carry all the colors of the rainbow as Our Lady is turning now. Our Lady is extending the crucifix of Her Rosary, a beautiful golden, very large crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My children, My Son, in the Father and the Spirit of light, blesses you all for coming to attest to your love, devotion, and dedication to the Mission from Heaven.

"My children, graces are given in abundance far beyond what your human mind could understand or comprehend. In due time you will all realize the fruits of your dedication. It is truly for you all a labor of love.

"My children, you must continue to send the Message from Heaven throughout the world. Work with great haste. The elements of nature shall be used against you to try to stop the word from reaching all of your world.

"O My children, I must repeat Myself again because many have not accepted My counsel in relation to the existence of the supernatural beings in your world, loosed upon your world now. They are gathering in force and gaining many members. These members are being collected from the human race, My children. They will become dead bodies and dead souls. My children, We call this giant conspiracy the synagogue of satan.

"Yes, My children, there are forces now gathering to dim the light in your world, to turn your world over to satan. Already in your country, America the once beautiful, the once strong - America, the United States, that has chosen to cast aside the light and go into darkness - yes, already many of the leaders of your country are falling in with the plan for the complete capitulation of your country to satan and world slavery under a one rule and a one religion. And this religion will have no resemblance to that given to you by My Son.

"My children, I have asked you not to abandon My Son's House, His Church upon earth. But I must also counsel you that you must recognize the faces of evil about you, even in My Son's House.

"Regardless of the state of the soul or the human body and its frailties in the body and the nature of man of the priesthood - regardless of how he disports himself upon earth, as a legally ordained priest, he will have the power through the Holy Spirit to bring My Son's Body to you. You cannot judge My Son's Church by those who call themselves leaders, for they also in their human nature can be taken over by demons, and they can be used by these diabolical forces to destroy My Son's Church.

"My children of light, it is you who must save My Son's Church by your example and fortitude and prayer. But I assure you that prayers without action and works will avail you of nothing.

"In the diabolical conspiracy, worldwide now, against My Son and His Church, there are leaders, and these leaders reach into the youth of your nation with a diabolical plan from satan. Man has paganized himself, and he seeks to set up new idols to worship.

SEEKING TO DESTROY THE YOUTH

"Satan is also being glorified in your country and many countries throughout the world. Satan, that is Lucifer and his agents, know that their time is growing short, and they go about now as an army from hell. Like ravenous wolves they seek to destroy the youth of your country and the world.

"Parents, you must now be a true parent of your God, a parent of discipline. Your example must be one that will lead your children to the portals of Heaven, for many shall soon pass over the veil.

SATAN HAS CONTROL OF THE ELEMENTS

"In My counsel of the past, My children, I have told you many times that satan has control of the elements. There will be accidents that are not accidents, disturbances of nature claiming many lives: floods, tornadoes. My children, are you ready to face this crisis?

DO NOT ACCEPT COMMUNION IN THE HAND

"I ask you, My children - you ask Me many times in your prayers, shall you accept My Son's Body in your hands? I say no! And no again, for reason!

"You cannot judge all those about you, My children, who have accepted this diabolical practice under the guise of leadership. No, My children, this was brought about to desecrate My Son, to take from Him the truth of His divine nature. No one who hears My voice must accept My Son's Body and Blood in the hand! The chalice shall turn, and you shall be bathed in His Blood.

"It was, My children, a sinister plan from the depths of hell to remove the knowledge of the divinity of My Son from among you. A Church in darkness wears a band of death about it. All that is rotten shall fall!

"You came upon the earth, O My children: you were branches for the tree of life. My Son is the vinedresser, but many are wilting on the vine now, falling away. For what? For riches! For power! And what will you do when you come across the veil stripped of your riches and power? And O woe to you who have not gathered your graces and stored them in Heaven! You cannot be ransomed from your sin then. You will be banished to an eternal punishment of hell, the abyss, with Lucifer! Forever tormented in your sin!

CHILDREN SHALL BE YOUR SCOURGE

"My children, as I warned you in many earth visitations, I warned you over and over that your children shall be your scourge. It will be father against son, mother against daughter. Murders will be rampant. Cannibalism, children murdering parents! For sin is insanity!

"There is a great conspiracy of evil in your country, My children. It is a conspiracy to bring revolution by using the young. And who is free of this guilt? My children, your medias are responsible for the fall of your country! Your schools, your newspapers, now succumbing to pornography and filth!

DOCTORS ARE NOW BUTCHERS

"Your once loyal to the oath of a doctor, your once loyal doctors are now butchers! For money they kill the young! Abortion, My children, is murder, and as murderers you will receive a just judgment and punishment.

CITY AND COUNTRY TO REAP WHIRLWIND

"As you sow, My children, so shall you reap. And now you have yourselves to reap a whirlwind! Your city, your country shall be caught up in a whirlwind. Who shall pray for you but the few. My children, I say unto you now: but for the prayers of the few, your country, the United States, would have received a chastisement of blood!

"How long, My children, can I hold back My Son's hand from descending upon mankind? I have been allowed to come to you as a Mediatrix between God and man. I shed tears of pity for you, for I have been given by the Eternal Father the knowledge of seeing what is to come upon mankind very soon. Only a few will be left in the final count.

"Do not forget, My children, the Ball of Redemption that is hovering above you. It will descend without notice, and then it will be too late. There will be much tears and gnashing of teeth and woe set upon the earth.

"I have asked you, My children, to read your Book of life, your Bibles. Study them carefully. They will be, and give you a source of great courage in the future, the very near future. Every home must now have the Book of life.

"You will all keep a constant vigilance of prayer going throughout your country and the world.

"In your country, My children, there are leaders, leaders of evil. I could run down and give you account of the names used; but, My children, it would lead you into great confusion, so great is the evil. Therefore, suffice it to say, My children, that you must not close your eyes. You must observe and learn and avoid all sources of evil. All occasions of sin must be shunned.

"When you become discouraged upon your mission, you will say with great reverence and joy of heart and confidence, you will say, My Jesus, my confidence! My Jesus, my confidence!"

Veronica - Our Lady now is raising the crucifix on Her Rosary like this, with the crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is raising Her crucifix and pointing over to the right side. Oh, my heavens! [Veronica gags.] Oh, I can feel it; it's like choking me. There is a tremendous black ball in the sky, and it has a dark tail. I never saw anything like this. It's, it's - oh, it's terrible looking. It gives you a feeling of death. It's a horrible-looking thing. It seems to be turning and turning and turning about in the sky. Now it seems to be making a swerving curve, and it's heading down, like here towards the trees. Oh, it's a frightening-looking sight!

"Oh, Blessed Mother!"

Our Lady - "My child, do not be afeared. As a voice-box from Heaven you must know by sight, My child, also. That is the reason for the photographs."

Veronica - Our Lady now is rising up higher into the sky. She looks very sad. Now Her Rosary is draped about Her fingers, and She's bringing Her hands together, like this, in prayer, as She is looking down about Her.

Now over on the right side that horrible ball has disappeared. And Michael is coming forward. I don't know where he was standing. He's just coming through the sky. He's a tremendous size. Oh, he's just beautiful! He has on a long white gown this evening, but he's carrying in his left hand that golden balance. It's a scale. It's tipped very heavily to the left. I don't think that makes him very happy.

Now over on Our Lady's right side, Our Lady is moving over and Michael is following. There's no way to explain it. He is tremendously huge, covering the whole right side of the sky and half way over above Our Lady's head.

Now coming down from behind Our Lady just directly over the statue, high in the sky, I can see many nuns. They look absolutely beautiful! Oh, I see Saint Theresa. And with her is a young girl. She looks maybe about twelve or thirteen. Oh! Oh, I see now. The young girl is going over to Our Lady, and she is touching Her on Her gown. She is reaching out with her right hand.

The young girl, she looks sort of like, not of our times. She has on a skirt, a very long skirt, very full, and heavy black stockings, it looks like; I can see her stockings. And her brown, leather-like looking shoes, they're very rough looking. and she has on what appears to be a sweater. But it's not wool; I don't know what kind of material it is - maybe linen or something. And she has a blue scarf, a cloth scarf about her head. I can see her hair. Oh, Our Lady now is smiling and touching Her lips with Her finger, like this.

Our Lady - "My child, do you not recognize Bernadette?"

Veronica - Oh. Oh, Soubirous? Oh! Oh, Our Lady now is moving over to our left side. Oh, that's Bernadette. My!

Oh, and down behind them are all the nuns - oh, I recognize Saint Theresa. Oh yes, Saint Theresa and her sisters. And there are many nuns. They are all dressed in different habits, but they have one thing in common: they're all long. Oh, they look so beautiful!

And I know there are two sisters that are Sisters of Charity. They have those odd-looking hats, head-pieces, like. they're not hats, really; they're head-pieces, and they're white.

Oh, now Our Lady is going over to our left side. Now She's extending Her Rosary out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, for My Son, the Eternal Father, and the Spirit of light. Continue with your prayers of atonement. They are most sorely needed."

[Pause]

St. Theresa - "The little way . . . "

Veronica - Theresa says:

St. Theresa - "Use the little way. Be simple of heart and thought and speech. For you must be different to come over the veil, my sister. Accept all trials. Use them for the repatriation of your brothers and sisters in purgatory. You will understand, Veronica, my sister, that soon you will look forward to receiving these little aggravations, for you are then given the opportunity to save more souls, my sister. You will understand.

ADVERSITY THE SECRET TO PIETY

"Graces are given in the most strange ways, my sister. You will learn to love adversity, for it is the secret to piety."

Veronica - I don't know if I repeated it, but it's very fresh in my mind that Saint Theresa has said that we should accept all adversity. We should look forward to even minor irritations, for they can be used as a point of grace, to receive grace that can be transferred to the suffering souls in purgatory. I understand that Theresa made it known to me that it is something that you will understand in time with practice. It is a simple way to Heaven. And Theresa also said now tonight and before, in the past, that you must be quite simple, childlike, in your approach to the world and on your way to Heaven, with the confidence of a child and a trust in the Father, accepting all in the will of God, giving your whole soul and human life into the will of God, accepting the Eternal Father as your guide as you would in a loving father.

Theresa says there is no reason to fear the Father in Heaven, for He is all-loving. All punishment that is given to mankind has been indirectly willed by mankind. He has made his own punishment because he has turned away from the direction, from the direction from God the Father. It is a form of just chastisement and cleansing; for over the veil you must be as pure and holy as an angel to enter the eternal Kingdom of God.

[Pause]

I don't exactly know what it means. It has one, two, three, four points on it. But this diamond figure is tinged in red, almost a blood-like red. I don't know what it stands for, the diamond shape. One, two, three, four points on it. It's a perfect diamond shape, but I don't understand why that is appearing in the sky. And it's all outlined in a bloody-looking outline. I can't explain it.

Now it's disappearing, and the sky all about the trees is starting to light up. Oh, it's beautiful now. I don't know; that diamond shape kind of made me feel sort of tense, frightened. It was a very sinister-looking emblem, or whatever it is.

Now the sky directly above Our Lady is opening up. It's just like the clouds or the sky formation is rolling back. I can't explain it; it's just a beautiful thing to watch. And directly in the center of the sky over Our Lady, high in the sky, I can see Jesus coming forward.

It's very windy up there because His gown is also kind of blowing about His feet. Jesus has nothing upon His feet. Oh, His feet are bare. He has on a beige gown and a burgundy-colored robe about Him. Now as He turns, I notice - no, from a distance His feet look bare. But no, He has on sandals. He has on brown, skin-like sandals, almost looking like thongs, with the cording going from His toes to His ankles. Oh, and I can see now the marks upon Jesus' insteps - my, oh my - from the nails.

And Jesus has on a beige gown, and His cape is dropping about His shoulders. And Jesus now is placing His hand in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is coming forward. He's looking about Him and He's placing His first finger to His lips.

Jesus - "My child and My children, it is not necessary nor of importance at this time that I repeat the direction of My Mother to you. Be it known that all that My Mother has warned you of shall come to pass. How soon? Well, My children, the balance has been given to the few to hold back the darkness, to give mankind a reprieve from the Chastisement.

"The Warning will soon come upon you. Shall you then awaken from your slumber and turn from your present road of destruction? Can you not understand the counsel from My Mother? Can you not give yourselves over to lives of piety and usefulness to man without falling into a delusion based on humanism and modernism in the ways of man?

"Man shall not create a new world as he seeks. For there cannot be a lasting world without His God. And I speak not of the false idols and gods that man creates in his human nature! There is only one Creator.

"You who cast aside this knowledge and choose to set yourselves up by power and the gathering of the world's money to control the masses, you will find that all of your power and all of your volumes of gold and silver cannot hold back the heavens as they descend upon you in a just chastisement. The world, the earth shall tremble; fear shall come upon mankind as he watches the approach of the destruction that he himself has chosen to set loose.

ATTEMPTING TO CONTROL BIRTH AND DEATH

"Little by little you go forward - I say little by little, but I should stress that man is running fast and faster to the edge of the abyss. In his seeking for power and knowledge, man seeks to dethrone his God and create his own god. But who shall set himself above his Creator, even attempting to control birth and death? I say unto you, you shall never learn the secrets, the sacred secrets of death and life, for these are controlled by the Eternal Father. He has created you, and He shall remove you in due time. You are forcing Heaven to set into motion the plan of using the angel of death, Exterminatus, upon you.

"In your wantonness, in your search for fleshly pleasures and sin, many shall die and fall into hell. Sins of the flesh shall condemn many to hell.

"We hear all cries of love and brotherhood, but where is charity? True love? True charity? There cannot be love without your God. There cannot be charity without your God.

"There are only two forces now in the world: good and evil. There is no middle road to follow. The choice is given to mankind: who will be your leader - satan, Lucifer, or the Eternal Father, your Creator?

"Lucifer and his agents, Lucifer is the adversary to your God. Do not sell your soul to him to get to the head. For what have you gained but death? Sin is death!

"My children, you must acknowledge and recognize the existence of a supernatural world now about you. They are living in their own realm. They have great power now over mankind, but it is a testing power, allowed by the Eternal Father to separate the sheep from the goats.

"There is now a battle of the spirits upon the earth, the battle between good and evil. You cannot escape having to make the choice. Which side shall you join?

"The agents of hell, they come to you often as angels of light with all promises. My children, recognize the faces of evil about you. Bar your doors to all but those of close relationship to you, for many of the souls who knock upon your door are evil. You must not consort with evil, for the contamination is strong!

"Satan, his army, they are legion now upon earth. He roams wherever there is darkness. He has entered My Church to destroy My Church, but he cannot, for I am the foundation!

"You will find, My children, full knowledge of the advance of your days if you will follow My Mother's direction to read the Apocalypse of Saint John, the Revelations. Read and learn, and it will comfort you in the puzzling days ahead. You will see many strange sights come upon the earth, but you must be careful to not speculate, and discern spirits. Pray a constant vigilance of prayer.

"Lucifer was cast from Heaven, but he retained much knowledge. He is the father of all liars. He is and was and still is a murderer and a promoter of murder. He will reverse the nature of the Christian if he can. He will have you create a monster while searching for scientific knowledge of the creation of life.

WITCHCRAFT IS DIABOLICAL

"He will promote in mankind a form of insanity, for sin is insanity. Man will descend to the level of the animal, degrading his body, committing murder, extermination of the elderly, extermination of the ill, destruction of the youth. Sorcery, drugs, witchcraft, My children. And don't laugh now: the snickers will be your downfall. Witchcraft is here now upon earth. It is no farce; it is no story; it is a fact. For it is diabolical, and the coming forth of demons.

UFOs ARE FALSE IMAGES

"The UFOs you wonder of are part of the plan of satan. They are false images to promote the fallacy that there is life upon other planets. There is no life, for I only created life upon earth.

"My children, parents, I beg you, for your salvation and the salvation of your families, to retain the truth of faith, the light of faith in your homes. Teach your children. Give them a firm foundation of their Faith, the knowledge in truth. Do not allow false teachers to destroy the souls of your children. Your homes must be made a fortress against the evil. Darkness enshrouds the world. Evil has accelerated. Protect your children, the young, for they are the major ones to face attack by the agents of satan.

"My counsel and the counsel of My Mother often appears severe, My children. But I must repeat and repeat so that your ears are opened and your hearts are opened to the truth. You must walk through the thorns before you come out of the darkness.

SIMPLE AND TRUSTING AS A CHILD

"If you will follow My way, My children, you will pick up your cross and follow Me. The road to Heaven is not an easy road: it is a road of penance, atonement, and sacrifice, casting aside the worldly inducements created by Lucifer. It is a simple way, a way in which a man must bring his heart back to the realm of childhood, for he must be simple of heart and trusting as a child.

"There are many good books still left upon earth, though they bear a label of years before. Read them, My children; they will be of great comfort to you. The light of truth shall not be extinguished in the world, though it becomes a glimmer. When I return, My children, shall I - dare you think that I shall come to earth and find even a flicker of faith left in the hearts of My children?

"And pastors, bishops, cardinals, shall you stand before Me and say that your teaching of My sheep has been pure in My sight? I say unto you: many of you I shall take and cast you into the abyss, for I shall spit you out as the vermin and spittle that you have become! Corruptors of My sheep, you have sold your souls to get to the head.

"The mitres shall be many in hell. I give unto you, O Red Hats and Purple Hats, a fair warning: Restore My Church to its former glory, or I shall come and send you out of My House!"

Veronica - Now Jesus is backing up. He's not walking, but He's floating back high into the sky now, and He's looking down. He's placing His hand out, like this, in front of Him, with His fingers extended, His three fingers - His thumb, His two fingers, like this. And He's making the sign of the cross. He has His left hand across His chest, like this. His right hand is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is gathering His cape. It's blowing very, very wildly; it must be very windy tonight. Jesus is going across the left side of the sky. He's bending over now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is turning to the left, going across the sky, and He's looking down now, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking down over on the right side there. Now He's touching His fingers to His lips.

Jesus - "Listen, My child, but do not repeat."

[Pause]

Veronica - Now Jesus is going across the sky. He's standing directly over Our Lady's statue, and He's now extending His hand out again and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Eternal Father blesses you and sends to you all the Spirit of light. Continue now, My child and My children, with your prayers of atonement."

March 15, 1978

In honor of Saint Joseph

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. A short time before I started for the vigil grounds Our Lady instructed me to carry a copy of the Bible with me, and when I reached the grounds I was to read from Romans I.

In our world today there are many who do not read or know the words of the Bible. Many of the things, the abominations being committed in the world today, have been spoken of in the Bible and proven beyond a doubt that man is following a complete road to his own destruction by his actions. And the greatest curse upon mankind now is sin.

Now in Romans I it speaks of a humanity without Christ. In our present world, man is trying to create an image that has no, no representation to a God, a real God, but he is creating an image of man as a god using humanity and humanism, a false front that basically is evil. We can, Our Lady said, feed the body and starve the soul. And the world goes about now trying to bring - they say, they cry peace and goodness to mankind, but there will be no peace until man turns to his God and stops his worship of idols and the creation of idols. And they do not have to be only graven images of stone and wood, but idolatry is being practiced when a man seeks to make a god of himself, a worship of the body, as we see now in the blatant outpouring of sex, leading to immorality, paganism, and all forms of despicable evils.

Now reading from Romans, it speaks of this humanity, man without Christ:

For the wrath of God is revealed from Heaven against all ungodliness and wickedness of those men who in wickedness hold back the truth of God (from mankind), seeing that what may be known about God is manifest to them. For God has manifested it to them. For since the creation of the world His invisible attributes are clearly seen - His everlasting power also and divinity - being understood through the things that are made. And so they are without excuse, seeing that, although they knew God, they did not glorify Him as God or give thanks, but became vain in their reasonings, and their senseless minds have been darkened. For while professing to be wise, (these scholars and scientists and even pastors) they have become fools, and they have changed the glory of the incorruptible God for an image made like to corruptible man and to birds and four-footed beasts and creeping things.

Therefore, God has given them up in the lustful desires of their heart to uncleanness, so that they dishonor their own bodies, among themselves - they who exchanged the truth of God for a lie, and worshiped and served the creature rather than the Creator Who is blessed forever, amen.

For this cause God has given them up to shameful lusts; for their women have exchanged the natural use for that which is against nature, and in like manner the men also, having abandoned the natural use of the woman, have burned in their lusts one towards another, men with men doing shameless things and receiving in themselves the fitting recompense of their perversity. And as they have resolved against possessing the knowledge of God, God has given them up to a reprobate sense, so that they do what is not fitting, being filled with all (manner of) iniquity, (and) malice, immorality, avarice, wickedness; being full of envy, murder, contention, deceit, malignity; being whisperers (and gossipers), detractors, (and) hateful to God, irreverent, proud, haughty, plotters of evil; and disobedient to parents, foolish, dissolute, without affection, without fidelity, without mercy.

Although they have known the ordinance of God, (were taught and trained, even,) they have not understood that those who practice such things are deserving of death. And not only do they do these things, but they applaud others doing them.

In other words, in simple language, homosexuality is an abomination in the eyes of God. And women who replace their roles as mothers and women in the homes and who cast aside their rightful places as mothers and as teachers of children, leading them to their God - they have cast aside their roles as ordained from the beginning of time by God the Creator. And as such they shall receive a just chastisement. In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

[Pause]

Veronica - The sky all about the statue overhead is becoming a most beautiful blue. It is a color blue that I cannot describe in human words, and I don't even think any painter could put on, on a drawing or a painting these colors. I surely with others will look forward to being in Heaven and enjoying the profusion of these beautiful colors.

Our Lady is now coming through the sky directly over the statue. Oh, She looks absolutely beautiful! Our Lady has on a flowing white gown. Her mantle is a stark white - oh, whiter than sugar. Oh, it's a beautiful white. It's very hard to, difficult to look straight into the center of Our Lady's features because of the tremendous light.

Our Lady has Her hands like this, in prayer. Her Rosary is still about Her waist. I can see the most beautiful Rosary about Our Lady's sash. The sash is a deep blue. It's similar, the blue, to the color that I saw as Our Lady was coming through the sky.

Now over on the right side there is a man now coming forward. I can see him very well. He's much taller than Our Lady. Our Lady looks like a little girl next to him. He has on a tan type of, almost a brown cape all about his shoulders. And he has on brown sandals. They're cut with two cords across his toes and his instep. And he has a wooden stick. It's not a crosier; it's just a stick, a long stick.

And he's walking forward. Well, he's floating, too; he doesn't really walk. I can't explain it, but he's moving without moving his feet. Now he's very close to Our Lady. He's on Our Lady's left side now, and they are both smiling. Our Lady is placing Her fingers to Her lips and pointing over. And the man now - he's smiling. He has quite a long beard. I can see - I believe it's brown. It's - the light is so bright, it's very difficult to see the exact colors unless he's moving to the right or the left a little bit.

Oh, it's Joseph! It's - I know it's Saint Joseph! Oh, my! Now he is placing his two fingers to his lips.

St. Joseph - "My child and children of the world, it is not often that I choose, through the direction of the Eternal Father, to come forward and speak to you, but your world now is passing through a crisis. You must all recognize the test that is being placed upon mankind.

GREATEST ATTACK UPON FAMILY LIFE

"Evil creations from hell - all manner of abominations are entering into the homes of your nation and the countries throughout the world. It will be an absolute necessity now for all parents to act as a director, a leader in the homes. The greatest attack from satan shall be upon family life. If you break down the family, you will break down the nation.

"My children, I cry, too, bitter tears of remorse for what we see now happening in your world, the earth. Man is plunging fast to the brink of his own destruction. There is no place for man to hide from what shall come upon him.

"It is well, children of the earth, that you spend now your time in prayer and penance. Many shall die soon. Many shall die without the opportunity to make amends for the salvation of his soul. Pray a constant vigilance of prayer now, going throughout your world and your country.

"You must follow the direction well of the Mother of God, Mary most holy, or you shall be destroyed as a nation."

Veronica - Our Lady now is moving forward. She's coming closer down to the statue. She's now taking Her Rosary from about Her waist and holding out the beautiful golden crucifix and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. I can see now that Our Lady is crying.

Our Lady - "My child, the forces of evil have gathered to bring on a great destruction to many. My children, I have gone to and fro, crying to you to prepare you, to try to direct you away from what is fast coming upon you. How many have listened to My direction, the directions from Heaven! How many have acted upon them? Too few!

PRAY THAT RUSSIA NOT SEND HER ERRORS

"I have asked you in countless visitations to earth to pray and pray again that Russia would not send her errors throughout the world. But you did not listen, carried away with the cares of your world, being materialistic, casting aside spirituality for power and greed. What will you gain if you obtain this power and you leave your earth without merit and cannot enter the eternal Kingdom of Heaven?

"There are scoffers, there are many who go about saying, 'And when is He coming, My Son, upon earth? He Who says He is King, when shall He return?'

"I say unto you, scoffers and unbelievers: He shall come when He is ready to come; for if He does not come there will be no flesh left upon your earth!

"O My children, prayer and penance is the major, now, blockade against invasion. You will all keep a constant vigilance of prayer going throughout your country and the countries of the world. These prayers must not be stopped.

"My child, you will not concern yourself with rumors or disquieting of your spirit by words. You will keep within yourself and accept all that comes your way, neither questioning nor wondering, My child, for Heaven has a plan for all. Remember, My child and My children, when the thorns pierce and they become difficult to absorb without great pain, you will say, My Jesus, my confidence! My Jesus, my confidence!

"Bless you, My children and My child, for the many hours you spend in sending the message throughout the world. When we are all gathered together at the end of this great battle, you will understand the many, many souls that have been brought to Heaven through your efforts - uncounted now upon earth, but counted, I assure you, My children, in Heaven.

"My child, you must not slacken the pace of the written work. The message must continue to be dispersed with great haste.

"Needless to repeat, My children and My child, man has brought himself to this point of time. We had all begged, we had waited and hoped that man would not push himself faster into what was to take place in the future. But earth-years have gathered, and too few have accepted the counsel from Heaven.

"Every man, woman, and child of conscionable age shall be tested in the days ahead. Keep the sacramentals in your homes and on your persons. Guard well your household from the infiltration of evil.

KEEP CHURCH DOORS OPEN

"My children, I repeat again: you must not abandon your parish churches. We do not want the doors to shut. You must remain there and suffer with My Son and set a good example. The enemies of your God, in many forms, with many names, go about the world now with a major plan of destruction for My Son's Church.

"You will pray for your bishops. You will pray for your cardinals. And I say, woe unto the pastors that have scattered the sheep!

"Parents must teach the children well. Give them a firm foundation of their Faith. The good books are gathered, My children; that makes Our hearts light. Continue to retain them for the near future. They will be needed.

"My child, you will read over the white book and absorb the pages. As I directed you in the past, they will come in handy now, My child."

Veronica - Now Our Lady is going back up into the sky. Oh, She's floating backwards. I can't explain it; She's just weightless and carried back almost upon the wind. And Our Lady's looking all about now. And She's raising Her crucifix of Her Rosary, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Saint Joseph is still standing. He's a very meek-looking man. He's smiling. And I can see that he has a great feeling - oh, I can see he's looking over to Our Lady, and there's such an expression of love. It's - I can't explain it. It's beautiful; it's such a beautiful expression that - oh, my! I'm sure that Saint Joseph should be an inspiration to all fathers in the homes.

Now Our Lady is coming forward a little, over - now She's coming down over our statue, bending over; and She's touching Her lips with Her first finger.

Our Lady - "My child, now you will take a series of photographs. Read them carefully and you will get your next direction. Much of what is in these photographs, My child, must be kept secret for a time."

[Pause]

Veronica - . . . also wants it known that man must not seek revenge upon his brother. Our Lady has said many times: "My Son came not to change the law but to make it known to man, who did not understand the true meaning of the laws."

Our Lady - "The Commandments of God will not be changed to satisfy the carnal nature of mankind.

"A great test will be sent to mankind, a major warning that will bring many back to the Faith. But many shall still see and not believe.

"The knowledge of the supernatural must be acknowledged by the pastors in the churches. Demons are loosed upon earth now. They are an actuality; they are a living entity. They have come now from hell for one purpose: to promote a great destruction to the world.

"Satan now is loosed upon earth, taking on human form to work the will of the prince of darkness and his consorts from hell. All sacramentals were given for this reason: the forces of darkness are great.

"Unless the parents teach their children of the existence of this other world unseen to the human eye, the children cannot then be protected from the attacks of these agents from hell. My child, they are real, they are living, and they have great power. They, too, possess names as do the high angels in the Kingdom of your God in Heaven.

SIGN OF GOD UPON YOUR FOREHEAD

"It is truly, My children, a war of the spirits. It is a time for the separation of the sheep from the goats. You are all now being tested, and if you fail you shall receive the mark of the beast. And if you pass through this crucible, you shall emerge with the sign of the living God upon your forehead, recognizable to all who are your brothers in the light."

Veronica - Our Lady now is moving very high up into the sky. Saint Joseph is on our right side. That would be Our Lady's left side. And coming down now from high in the sky there are many, many angels. Oh, it's so beautiful! The whole sky is lighted and the angels are dressed in all the colors of the rainbow. Oh, it's just so beautiful! It's like spring.

Now they're holding, the angels, one rose in their hands, like this. The roses are a deep, brilliant red - oh, a blood-red color. And now they're tossing the roses down, like this, and they're falling now to earth. Oh! Oh, my!

Now Our Lady is placing Her first finger to Her lips.

Our Lady - "My child, if you think carefully, you will know now why the Eternal Father chose to use the name of 'Roses.'"

Veronica - Oh! Oh!

Our Lady - "One of the reasons the Eternal Father chose your city and your state for My appearance was because of abortion, the murder of the Holy Innocents. Your nation, without repentance, shall be first struck.

"Close, My child, your lips now and do not repeat what I say to you now."

[Pause]

Veronica - All about the trees there is deep pink light coming out of the sky, bordering all the trees. It's lighting up the sky and making it a beautiful pink haze. There is no way I can explain it, other than that it's a light, but yet it's creating a deep pink haze in the center of the sky, over Our Lady's statue and the flag.

Now high up in the sky, the sky is opening. Oh, it's just beautiful. The light now is a brilliant, glass-like white.

And Jesus is now coming through the light and into this haze, this pink haze. It's beautiful! Now Jesus is coming over, directly over Our Lady's statue. He has nothing upon His feet, no sandals. It's quite windy. Jesus has a beige gown, a very long, full, beige gown. And about His shoulders there's a big burgundy colored cloak. I believe it has a headpiece, like a hood on it, because I can see over His shoulders, the hood has been sort of, been laid down behind His neck. Now Jesus has the cape bound by a - oh, it looks like a piece of gold cord at His neck.

Now Jesus is coming forward. He's floating forward, and He's standing like this, with His hand extended like this: In the name of the Father, and of the Son, and of the Holy Ghost.

He is looking all about now. And it's quite windy because His hair is blowing now, loose from about His neck. Jesus' hair is about shoulder-length. I can see it; it looks almost like - oh, it's not red, but I believe it's His cape that's casting the reflection of reddish brown hair. That's what His hair looks like tonight.

Now He's touching His first finger to His mouth.

FORERUNNER FOR THE MAJOR WAR

Jesus - "My child and My children, the events taking place now in your world are a forerunner for the major War that is heading to mankind. With all the warnings given from Heaven, both major and minor warnings, man has learned nothing and has not benefited by it because he has allowed himself to become blind. I have repeated and repeated the counsel from Heaven, and needless to say it has fallen upon deafened ears.

"My children, the pages of the Book of life are turning faster and faster. John gave you the events of your times and many do not recognize the signs.

"Man has made sin a way of life, and sin is insanity. The young, the children, are the major victims now of their elders, but woe to the parents for their lack of discipline. Woe to the parents who have not guarded well the souls of their children; for I say unto you, these very children shall turn upon you. For it will be father against son and mother against daughter, discord within the homes.

"The greatest strength for parents in your so-called modern civilization is the knowledge that the eventual triumph over this evil will be for Heaven. Even My Church shall come out of the conflagration renewed.

"The test will be great, but this will be allowed to mankind as a manner to separate the sheep from the goats. The harvest will be great! But those who did not listen, of free will, and made no effort to repair the cracks in My House, My Church, and those who did not listen and made no effort to save their souls and the souls of their families and children, they shall be caught up in the harvest and burned.

"I say to you, woe to the man who brings scandal to the young. The reaper shall cut you down. The angel of death, Exterminatus, has been loosed upon mankind. You who reject the knowledge of the supernatural shall be lost. You who do not prepare and safeguard your household shall be lost. After the great Chastisement only a few will be saved.

"In your arrogance, O man of sin, you believe, in your arrogance that you shall escape a punishment? I say unto you, as you have sown so shall you reap!

"My children of light, you will continue in your efforts to save your brothers and your sisters. The scoffers will increase, but you cannot be moved by their reactions. You will try to save them, even against their will. Give the message to your brothers and sisters and then go on, for there are many to be saved.

"Do not, My child and My children, concern yourself with trivialities. It is only pride and the need for more virtue of humility that will make you concerned of the opinion of mere man. Pray, My child and My children, for the strength to proceed without interference.

MANY RED HATS HAVE BECOME COMMUNISTS

"In Rome there will be a great crisis of faith. The forces, the red forces of communism shall invade the papal seat. Many who now wear the crown of the Red Hat have become members to this party.

"My children, because too few have cared to seek out the truth, too few have asked for the light. For I say unto you, if you believe you will be given the way. But even those who give all protestations of belief, who cover themselves with righteousness, in their hearts they are unbelievers. That is why, My children, I have said that many are called but few are chosen. And he who calls 'Lord, Lord' the loudest does not always enter the portals of Heaven. For I look into the heart, and judgment comes from the heart.

"I ask you, My children, to divest yourselves of worldly materialism. You must seek the spiritual, for only the spiritual seekings will bring you into the spiritual Kingdom. If you are of the world and you cover yourselves with all of the materialistic seekings, if you gather your treasures in power and money, you shall be lost. For you cannot ransom yourself with prestige or power across the veil. You will enter the Kingdom, the eternal Kingdom of Heaven only by merit.

EVERYTHING ON EARTH IS VANITY AND PASSING

"So, My children, store up your treasures in Heaven where neither robbers nor rust nor moths may dispose of them. For everything upon earth is vanity and passing. And not one man or woman or child can deny that he will also be as passing.

"Pray, My children, a constant vigilance of prayer.

"You must not reject the existence of the angel guardians. They have been given to you for a reason, and you must call upon them often. There are many warriors from Heaven now upon earth. As you progress into the battle of the spirits many prodigies will be given upon earth, but you must test the spirits.

"You must pray for your Vicar, Pope Paul VI. He is truly being crucified by his own. Disobedience and arrogance surround him. His enemies sit with him at his table plotting his removal.

"My children, you will all reread the messages from the past. As it was given, so will it be, My children. There is a time for all to come about."

Veronica - Now Jesus is placing His hand in front of Him like this, with the two fingers extended, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is gathering His cloak about His shoulders. It's very windy, and He's cutting now across the sky. He's just floating across the sky on our left side. And He's bending over now, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning and He's looking up. Oh, Our Lady is coming down now from the sky and Saint Joseph is next to Her. Oh, and Jesus is smiling. I can see - oh, He's just radiant. He's - I can't see His eyes. It's - the light is so brilliant it's difficult to look into His face, but I can feel everything, every emotion. I cannot explain how, but I can feel every emotion that He seems to be sending out, outwardly. Oh, there's such a great emotion of love and family. Now Jesus is bowing His head, and He's now touching His lips with His first finger.

Jesus - "My child, you will continue with your mission following the direction of My Mother. You will be given much help in the near future. Do not be concerned of rejection, My child. You will pray more. It will bring you a great quiet of spirit."

Veronica - Now Jesus is cutting across the sky. He's going - Our Lady is turning now and She's going ahead of Him now. And Our Lady is backing back; She is letting Jesus pass. And He's cutting across the sky. Now He's bending over. He's over on our right side just between the two trees, and He's making the sign of the cross now: In the name of the Father, and of the Son, and of the Holy Ghost. Now He's nodding. Our Lady now is, is motioning with Her hand.

Our Lady - "My child and My children, continue now with your prayers of atonement. Read the photographs carefully, My child."

March 18, 1978

Eve of Palm Sunday

Veronica - The sky directly over Our Lady's statue has been a very dark color, a most sinister color; but now all about the trees a beautiful blue light is forming. It gives you a very warm feeling and a good feeling, because I know the blue lights are Our Lady's call lights.

Now high up in the sky there is a circular light coming directly through the sky. It's host-like in formation. Now it's opening up as though it's just increasing in circumference, the light. And directly in the center Our Lady is coming forward. Oh, it must be very windy this evening because Our Lady's skirt is blowing. Oh, Our Lady is dressed all in white. She has a, a blue sash, a deep blue sash about Her waist. I can see Her Rosary, the beautiful Rosary with the golden Our Fathers and the white Hail Mary beads. It's dangling from Our Lady's waist.

Our Lady is coming forward, and She's holding in Her hand a long spray of palm. Oh, She's just holding it and carrying it forward. Our Lady has a mantle, a pale blue mantle about Her head. It's a beautiful color. I have never seen Our Lady wear a light blue mantle. It's just beautiful! Now Our Lady is extending the palm out like this. And now Our Lady is holding the palm up and She's casting it forward, and it's falling over here onto the grounds.

Now Our Lady is taking the Rosary from about Her waist, like this, and She's holding out the crucifix. It's a beautiful crucifix. It's made of spun gold. And as Our Lady is turning to look in each direction, the light is glittering off the gold crucifix. It's very difficult to look at it. It's so brilliant; it's very, very piercing to your eyes. Our Lady now is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady looks very frail this evening. She has nothing upon Her feet; Her feet are bare. I can see, as the wind's blowing Her skirt, Our Lady's feet. She looks very delicate. Now Our Lady is taking the Rosary into Her hands now, but She's now placing the crucifix carefully into Her left hand and She's touching Her lips with Her first finger of Her right hand.

SAFETY OF THE WORLD THREATENED

Our Lady - "My child, listen well and repeat after Me. My children of the world, I come to you with dire forebodings. Earth is now plunging fast into a major crisis. The safety of the world is threatened. If there are not more acts of penance and prayers and atonement to the Eternal Father in Heaven, man shall be held up to a reprobate sense.

"My children, man has become arrogant, filled with knowledge; but this knowledge is of worldly nature. He is, man, forever seeking for knowledge for the creation of life and the retainment of life. I assure you, My children, this knowledge will never, can never be given to mankind, for this great secret of life will ever, and is forever known only by the Eternal Father, the Creator of mankind and the earth.

"My children, the forces of 666, the forces of darkness now are gathering to do full war with all of the children of God in the light. It will be a battle that will call for great spirit, great sacrifice. And one must retain the knowledge of the Faith, for it will give you necessary strength in the battle.

"In Rome, the Eternal City of the hills, My children, the forces are gathering to bring about the capitulation of the Seat of Peter to communism and atheism, all promoted in the name of humanism. My children, all this is coming about fast because man has neglected sacrifice and prayer.

"A delusion has been set upon mankind. The Eternal Father has deemed that man shall go along now and reap what he has sown. Man is forever searching for peace - peace of heart, peace in armaments. But the more he cries for peace the farther he flies from it. There shall be no peace upon earth unless man returns to his God.

SUPREME DICTATOR OF EVIL

"The state of your world has been reduced by the immorality. The state of your world is capitulating now to all of the forces of the octopus that will seek to bring about a one-world religion and a one-world government under a supreme dictator of evil.

"My children, I have come to earth from the beautiful realms of Heaven to warn you as a Mother. The Eternal Father has sent Me as a Mediatrix between God and man - neither seeking to take the glory from My Son, as many make accusations of. No, My children, I come in support of My sacrificed Son, for He is being re-sacrificed by mankind. My children, I have been through this whole ordeal in the past, and I watch now as you recrucify My Son. Is this how you have set yourselves about to repay Him for His sacrifice: by blaspheming His name, destroying His divinity, destroying the sheep?

"I cry unto you as your Mother, O pastors, you shall all be made accountable to My Son for your errors. And in your arrogance you are setting up a new religion that falls far short of the plan of My Son given to you in the beginning.

"The enemies of your God have infiltrated into the systems of the world, the political systems, and also the lives, the homes of mankind. You now, with the knowledge given to you through your Baptism in the light, must retain the Faith. Be defenders of your Faith in the days ahead.

"It will not be easy, My children; the road to Heaven is never easy. It was not easy for My Son, and you must now, to gain Heaven, pick up your cross and follow Him on the same road. It is a road filled with thorns, but at the end of that road, My children, there will be a glorious reward for all. No human eye can ever see until over the veil the beauty and the glories that await man.

"My children, I assure you as your Mother, as one Who has been with you in the past upon earth leading a life as you do as a human being, that the knowledge of the supernatural must be retained, for there is another world, My children. All of you will one day be subject to this knowledge and the fact of its existence when you die.

"I never, as a rule, use the word 'die,' My children, for only the dead are the dead of soul. But for you to understand My words, I say 'die,' My children, in reference to the soul, the spirit, leaving your body, your human body. Every man, woman, and child must be parted by body and soul at one point in his life sooner or later. You must prepare yourselves well, and your children, for this parting.

"In the days ahead, for the future is now, My children, many will come over the veil. Many shall be taken from the world in the plan of the Eternal Father.

"A gradual cleansing by trial shall be set upon mankind. The elements shall be used to bring great changes upon earth. They will not only be beneficial, My children. Floods shall rage in the fore, My children. The atmosphere shall burn in this near future because man has set himself among the stars and has gone too high in his pursuits.

"O My children, how many earth-years have I traveled among you crying to you as your Mother to come back now from the wide road that you have chosen, a road that will take you only to the abyss and banishment and damnation.

"My children, many young will be taken from the earth to save their souls.

TRAITORS SEEK TO REMOVE POPE

"You must all pray and do penance for the welfare of the Holy Father in Rome, Pope Paul VI. He has many traitors at his table with him. They seek to remove him and place one, a man of dark secrets, upon the Seat. Pray, My children, a constant vigilance of prayer for your Pope, Paul VI.

"The state of the world that is now steeped in murders and all manner of foul deeds, reaching into the judicial systems of the world - this state has been brought about by the fall of mankind to sin. For when man seeks to build a world without his God, relying only on human knowledge and instinct, he can only meet with a sorrowful end.

"As I told you in the past, it will be father against son, mother against daughter, division in the homes, as this will be a product of the accelerating evils.

"You must all read your Bible. Many graces are given for reading but a short passage regularly in the Book of life. My children, the indulgence gained from reading the Book of life will strengthen you against the onslaughts of evil.

"This evil that I speak of, My children, is walking about in human form. The demons are seldom seen in their supernatural state by mankind. The Eternal Father permits this knowledge of seeing to few. This knowledge is only given in order for those chosen to do the work, the Mission from Heaven, this knowledge is given for their edification.

"The plan for the children of God in the days ahead will be given to you step by step, My children. As I told you in the past, and I repeat anew, I shall be with you to the arrival of My Son. Everything I have counseled you in, My children, has come to pass, and much is ready now to come upon you.

"If man continues upon his present path many nations shall disappear from the face of the earth.

ONLY A LITTLE TIME LEFT

"You will all keep a constant vigilance of prayer going throughout your country and the world. You must not slacken, but you must hasten to send the Message from Heaven throughout the world. I assure you, My children, there is only a little time left."

Veronica - Now Our Lady is extending Her Rosary out like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is starting to go across the left side, our left side of the sky. She's just floating; the air seems to just carry Her across. She hasn't moved Her feet at all, but She is just floating across the sky. Now She's bending over and making the sign of the cross with Her crucifix from the Rosary: In the name of the Father, and of the Son, and of the Holy Ghost.

Now directly behind Our Lady - I don't know how long he's been there; I didn't take note of him before - but Michael is standing. He's now coming forward. He's much clearer. He seemed to be hiding almost within this fluffy-looking cloud that's developed on the left side. And Michael now is coming just above Our Lady. He covers the whole sky. There's no way I can explain to you about the magnificent size of Michael. He is truly a warrior of Heaven. He's immense!

Now Our Lady is going, cutting across the sky to the right side just directly above the first tree. And She's looking down now and placing Her Rosary out like this, with the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, and send to you the knowledge that Jesus will be with you and counsel you. You must all now keep a constant vigilance of prayer. And when I say constant, My children, it means daily."

Veronica - Now Our Lady is now joining Her hands together like this . . . and brought together, like this. And now Our Lady is going across the sky. She hasn't removed Her hands from this position. She's turning now, and She's standing directly over Her statue. So beautiful! Oh, She's so very frail-looking, but so beautiful. And Michael now is behind Her. And now behind Our Lady and Michael there's a beautiful, huge cross forming in the sky. It's made of like a, a golden light. I can't explain it. It's not solid, it's not metallic, but it's made from beams of light. But they're golden. It's just beautiful! Oh, it's, it's - I have no way to explain it. It's just beautiful!

Now the light is fading from the cross, and Our Lady now is being carried backwards a little farther up. She's going up now quite a distance and standing there. Now She's raising Her hand like this, and touching Her lips.

Our Lady - "Continue now, My child and My children, with your prayers of atonement. They are sorely needed."

[Pause]

Veronica - The sky is becoming a very deep pink in color. It's a very warm-feeling color, and I've learned to recognize that as Jesus' call color. Now directly over the statue high in the sky, the clouds are parting. They just seem to blow open into a circular area. And directly in the center it's becoming very lighted, a beautiful translucent light. It's like a crystal; I can't explain it. There are no human words to describe the light. It's intense and brilliant, and it's piercing.

And directly now through the light, in the center of this pattern made by the blowing away of the clouds, I can see Jesus coming forward. Oh, it's very windy; His gown is blowing. Jesus has on a pair of sandals this evening. They are brown in color, brown, skin-like. I don't know what they're made of, but they look almost like a leather. There are - there's a strap, and it has two thong-like type pieces of skin coming down to the - across the instep and to His toes.

Now Jesus has on a burgundy cape. It looks like it may be velvet, a beautiful looking cape. And it's tied about His waist, though the wind is catching it now and it's blowing out. Jesus has a belting about His waist to hold His gown in. It's a very voluminous gown, beautiful beige color.

And Jesus' hair is blowing. He has nothing upon His head now, and His hair is quite long across His shoulders. He looks very beautiful. It's the first time in a long time, I can see His beard. He has a short, very well-cut beard, coming to a point. His hair looks reddish brown. It could be the reflection from the cape, but it does look reddish brown.

And now Jesus is - oh, He's smiling. His eyes - oh, I can see His eyes very clearly. They're a gray-blue - beautiful warm eyes, very pretty! Oh, He thinks that's funny, that it's "pretty." Magnificent eyes. I can't explain it; I don't know the words to explain Jesus' eyes. He doesn't have to talk, like when I talk with Our Lady. They're very piercing. I know exactly what He's saying.

Now Jesus is raising His hand like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "My child and My children, We are persevering in Our mission to reach you before the Chastisement. As you know, My Mother has been counseling you, going to and fro across the earth, warning Her children to prepare for what will happen soon upon earth.

"Many minor warnings have been given, but man has not recognized them as coming from Heaven and His God. Sad to say, My children, man has never learned from his past, for he continues to commit all of the sins and abominations that brought pain to the world in chastisements and death of the soul in the past, just as you are doing now. All manner of abominations and sin is steeping your world into a chasm of death.

"What more can I say to you as your God to warn you that unless you make amends to the Eternal Father for your sins, sins of the flesh and sins against the Faith, I say unto you, you shall receive many minor warnings and then you will have upon you a baptism of fire! Skin will burn and dry up and blow away from the bones as if it had never been. Eyes will see and many will still not believe because the hearts are closed to the truth, hardened by sin!

SORCERERS NOW ROAM YOUR EARTH

"There roam now on your earth sorcerers, the man of sin, creating murders and all sin against the Commandments of your God. Needless to say, you cannot continue much longer upon your path, for you are heading for a world catastrophe.

"Your leaders must get down upon their knees and pray for the light, for the forces of darkness are gathering to destroy, and many nations shall disappear from the face of the earth. The mercy of your God knows no bounds. Were it not so We would not stand with you and cry out to you to warn you constantly over and over again to gather the sheep and save them.

ROAD TO HELL PAVED BY GOOD INTENTIONS

"Pastors in My House, you are scattering the sheep with your teachings, false teachings created by demons. You will bring a bloodbath to Rome. Turn back from your folly. Have you not now seen the results, the bad fruits that you have grown? The road to hell is paved by good intentions.

"We will not tolerate division in My Church. Satan knows to divide is to conquer. The captains always remain upon the ship, even when it is sinking. The strong, those with faith, shall bail it out, the ship, keep it afloat until help arrives from Heaven.

"All manner of heretics and unbelievers seek to enter My House, My Church upon earth. You must not compromise the Faith, for you will not win souls by lowering the standards. I gave you through the prophets the rule, the way, for I am the way, the truth, and the light!

"O you hypocrites in My House, you who teach fallacy, errors, and lies, whatever shall become of you? Shall I abandon you to your sin? If I abandon you, you will gain a reprobate sense, and you shall be destroyed in your folly.

"You have been given many warnings in the past, and you are receiving a final warning to return My Church to its former glory. Experimentation must stop. Humanism and modernism is a creation of Satan in My House! A delusion has been set upon you. Your heads are out in the clouds, fogged. You are like ducks floating fast downstream to the brink, the edge. You are playing follow the leader. It is a game of destruction. Turn back now, while there is time!

"A Church in darkness wears a band of death about it. And the light shall not enter until it is cleansed. A Church in darkness, My children, wears a band of death about it. Satan is doing great battle among the hierarchy in My Church. Satan knows his time will be short, and he is gathering his own.

"No man shall be condemned to eternal damnation, no man shall fall unless he falls of his own free will. Man has fallen and become lukewarm because he has sought the material things of life to feed his body, his carnal nature, while he starves his soul. What good will it be if you gather all of the riches of the world and you do not store your treasures in Heaven? You will come across the veil with nothing but the merits of love and prayer.

"My children, you must change your values back to the plan of your God. As a nation, as a country, as in many countries throughout the world, you have become paganized and immoral. My children, it is the gauge for the fall of mankind: immorality and paganism. No nation shall stand without its God, the God in Heaven.

WORSHIPING IDOLS

"Man is creating many new gods, gods to feed his human nature; and it is a basic carnal nature. Idolaters abound. When you worship in abundance things, My children, you are worshiping idols! If you spend your time gathering things, money, power, you are worshiping idols. Remove yourself from these worldly pursuits.

"It is a narrow road to the Kingdom of your God, Heaven. Many are called but few are chosen. The road with Satan is wide. Many walk it and can never leave, because there are too few prayers said for them and by them.

"Nothing is impossible to your God. Man shall never reach the highest pinnacle of Heaven in knowledge.

"Parents, I admonish you once more to protect your children from the forces of evil. They must be given a firm foundation of the Faith. The teachers outside your home are playing follow the leader to their own destruction. And sad to say they are taking many others with them.

"Pray, My children, a constant vigilance of prayer. Pick up your cross and follow Me."

Veronica - Now Jesus is looking all about, and He's now moving across the sky over to our left side. Our Lady now is coming down through the sky. I didn't see Her, where She came from. She just seemed to appear right behind Jesus. I guess She came through the clouds.

And Michael is covering the sky now. And there are many figures coming through the sky, of angels. Oh, they're just beautiful! I don't know if they have age, but they look tiny, some of them, like children, and they're dressed in various colored gowns. They're just beautiful. But they're all wearing rose wreaths about their heads. Some are white and some are red, the wreaths. They're just beautiful. They look - oh, they're beautiful!

Now Jesus is going over. He's cutting across to our left side, and He's looking down, extending His hand out like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning to His left, and He's going across the sky. It's very windy. He's just floating; He doesn't have to move. It's fantastic to see the way He moves across the sky. And Our Lady is following Him. And the angels now are turning and watching. They are standing over on the right side. Now Jesus is cutting across the sky. He's over between the tall tree and the other bough, and He's looking down now, and He's making the sign of the cross with His fingers extended, the three fingers, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing His hand to His heart.

Jesus - "I give you My heart, My children, a heart torn asunder by mankind. But even if I must shed My blood anew for you I have great hopes that in this suffering the world can escape the great Chastisement.

"The pages of the Book of life are turning fast. Be it that they may be slowed by the repentance of mankind."

Veronica - Now Jesus is extending His hand out again, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is bringing His hand out like this.

Jesus - "Continue now, My children, and My child, with your prayers of atonement."

Veronica - . . . still coming down from the sky. They're just beautiful. There are streams of light - oh, they are just beautiful! Now Jesus is . . . but He's going high up into the sky. Oh, He's just beautiful! And He has His hand extended out like this, and the lights are coming right out of His hands. Oh, it's beautiful! Oh! It's - the light looked very similar to the light that was falling when Jesus was coming through the sky. They're just like, they're like crystal. Gorgeous! Oh! No - I call them lights; I wish Heaven would give me a name to fully explain the beauty of these streams of light. They're nothing earthly. When you see them you know they are not earthly. They're almost electrified. I can't explain it, they're so beautiful.

Oh, they're going down. Jesus is moving His hands now, and they're - the light is going down beyond the trees. Now it's beginning to - the light is fading; it's like - I can't explain it - like it's evaporating.

Now Jesus is placing His hands like this, standing like this, and He's nodding.

Jesus - "Continue, My child, with your mission."

March 25, 1978

Eve of Easter Sunday

Veronica - Every quote from the Bible is given for reason. Our Lady says that you must listen carefully and learn by these quotations.

In reference to the spirit of Christ in the world today, quoting from the words of Saint Paul to the Romans:

In the spirit of Christ, listen and harken, and do this understanding the time, for it is now the hour for us and all to rise from sleep because now our salvation is nearer than when we came to believe. The night is far advanced; the day is at hand. Let us therefore lay aside the works of darkness, and put on the armor of light. Let us walk becomingly as in the day, not in revelry and drunkenness, not in debauchery and wantonness, not in strife and jealousy, but put on the Lord Jesus Christ. And as for the flesh, take no thought for its lust; for the world is of the flesh and the devil.

The sky all about the trees is a beautiful combination of blue lights and white. Oh, it's so beautiful! The sky is lighting up. Directly over Our Lady's statue the whole sky is becoming a - it's not a crystal white, but it's a beautiful fluffy white. It's - and directly over Our Lady's statue I see a whole circular pattern of flowers. They look like lilies; they're beautiful white lilies. Oh, yes!

Now in the center of the sky there are radiating lights coming from a central point. I can't explain it. The lights are going - there must be at least, oh, hundreds of them. They're pencil-thin, very, very thin, and coming out from a point in the sky. It's fantastic to see. Oh!

Now the sky is opening up. I can't explain it. When Our Lady comes through, it must be something so beautiful up there. Our Lady comes through this circle of light now. It's a circle, because these radiating streams of light are going out now in every direction, like they're radiating from the central point. Beautiful!

Our Lady is coming through now. She's very small. She must be coming from quite a distance because now as Our Lady is approaching, I can see Her more clearly. Oh, She looks beautiful! Our Lady has on a white gown, a long flowing white gown. And the sash about Her waist is a deep blue, a beautiful blue.

Now the mantle, Our Lady's mantle is identical in color to Her sash. It's a beautiful blue. I don't think I have ever seen upon earth this color blue. It's difficult to explain, but it's beautiful. That's the only word I could use to explain this blue. I've seen it sometimes similar in the sky, the coloring of the sky on a clear day. But this blue is just beautiful. It's neither dark nor light; it's sort of a medium-colored blue, but a true blue. Oh, beautiful.

Now Our Lady is coming forward. She's joined Her hands in prayer before Her, and dangling from Her hands is Her Rosary, Her beautiful Rosary that has - I can see the large Our Father beads in gold, and the Hail Mary beads are in a white, but they have multi-colors. As Our Lady now is moving forward, the beads are moving, and I can see they seem to cascade. The colors just come off of the beads, and all the colors of the rainbow and many more colors. I can't explain the way they come from the - they're luminous - from the beads.

Our Lady now still has Her hands joined. And now She is moving and replacing the beads to the belting about Her waist, the blue belting. Our Lady now is tying the Rosary in to Her belting, and She's placing Her hand forward, like this, and touching Her lips.

Our Lady - "My child and My children, I come to you a little late in the hour, for there is a great urgency for the production of more photographs of direction. My child, this is given to you for your edification. Much shall be given to you through photographs, My child, for a reason. One of the reasons being that being your memory is short, My child, they must be studied over and over again. You will place these photographs in a catalog. The manner will be made clear to you, My child.

"I have wandered about your earth, watching the darkness that covers My children like a full band of mourning upon them. Be it that this is the time that was and is of great sorrow to My heart as I watched My Son, My God, your God, be given into the hands of strangers to be placed in His grave."

JESUS PLACED IN THE SEPULCHER

Veronica - Our Lady is pointing now to our right side, Her left side, and the sky is opening up. And I can see - oh, it's very dark; it's a very dark day, and I can see a hillside. And - oh, my goodness! I can see there are four men carrying what looks to be, I guess you would call it a stretcher. It's like a piece of sheeting held by two long poles on either side. And they're carrying - oh, I can see - oh, my goodness! They're carrying Jesus upon it into this cave-like structure. I can see a tomb. It's, it's very dark, and there's a heavy gray mist hanging in the air. And as they're - now they're carrying Jesus in - I can hear voices, but they are mumbling very quietly. And the voice is saying, "The hour grows late. We cannot do the washing."

I can see them now. They're carrying this stretcher-like thing with Jesus upon it into this cave. It's really like a cave. And as I look about I can see like slabs. They - I don't know if you'd call them monuments, but they look like they're coverings for a - for caskets. They are, there are two over on the right side; they're made of stone, like they're sealing something. They must be bodies. There are two bodies, over to the side. It's like a vault. But it's not a vault; it's not like the vaults in our cemeteries. It's just like it's been hewn out of the side of a cave.

Now they have a stone. It looks like the stone that's been polished. It's almost like an altar. And they're laying Jesus down, His body. I can see now, He is still wearing the crown of thorns upon His head. And he has a diaper-like cloth - I believe it is a loin-cloth - and that's all He has.

He looks very bloody. The blood has dried. It's not running any longer. It's dried upon His side. There is a gaping hole in His side, on the left side under His heart. And the blood has dried all about His face. His face looks very, sort of dirty. It's a lot of caked mud on His face.

Now the men are coming over, and they are just putting His feet together. It looks like they're binding His feet with rope. No, it's like sheets. They rip pieces of sheeting, and they're binding His feet, and they're binding His head, and they're binding His hands.

But He has - now one of the men has run his hand upon His eyes. Oh, dear! Now they are taking a sheeting and they're wrapping the sheeting about Him like, mummy-like, sort of. It's very frightening. But the blood hasn't dried, because it's coming upon the sheeting; it's seeping through. And now I can understand the voices: "We must leave. The hour grows late. We cannot defile the laws."

And now they're leaving, and they're putting a big rock, a big rock up against the opening. It's very rough inside; it looks like it was hastily dug. There's like a hole in the, in the side of the hill. And they roll this big rock into place. And it's a very frightening-looking, ominous sight.

And then up - when they got the rock in place, I can see four strange-looking - I think they're soldiers, they look like soldiers, and they've got these metallic-looking hats on, and short skirts. They're wearing short skirts with metal pieces in front of their skirts. And one looks like he's the leader. And he's motioning to the side. Oh, they're going to stand guard. Oh, they're standing guard "so no one will remove the body of this man who says He is the Son of God, and the King of the Jews. Ha! Ha! Ha!" Oh! Oh, My!

And then now it's getting very, very dark. It's very, very dark. Oh, and I can see a woman, and she's looking over at the door of this cave, like - the rock is rolled into place. But I see fear written in her face. She wants to talk with these guards. They must be Roman soldiers; I never saw any dress like that before. And she's being turned away. One of them is pointing his spear, and he's jabbing her. It's not Our Lady; it's another lady. I know who it is. It's Mary, Mary Magdalen. And she's crying, and she's leaving now.

And I can see now Mary is, she's down by a clump of trees, and she is talking to - I know it's John; it's Saint John and Our Lady. He has his arm about Our Lady. Our Lady appears that She wants to go up to the cave. It's the tomb. And She's terribly upset. And John is telling Her, urging Her not to go over. I do feel they have a fear of the guards. Our Lady now is placing Her mantle tighter about Her head. It's blowing very heavily.

It's become very dark. It's very sad. And Our Lady now and John, and there are two other figures with them; they're men, I believe. No, no, there's another lady and a man. Only five of them there. And now they're walking; they're walking away.

I can see now over the hill directly over the tomb, there's a tremendous light. And I can see the figure of two angels high up in the sky. But yet it's very dark; it's like a deep, deep, deep solemn darkness has set upon the world. The sky seems to be closing in now.

"I can't see anymore, Mother!"

Our Lady - "My child, I do not wish to bring emotional burden upon you, but it is for the edification of mankind, that man must understand the sorrow of a Mother. It is why, My child and My children, that I am most distressed with the actions of mankind in turning aside from My Son when He has given to you all the greatest of sacrifices: His Flesh, His Blood and His Spirit, so that the gates, the entrance to the eternal Kingdom of your God would be open anew to mankind. Has this sacrifice of My Son been in vain? Are you with intention seeking to recrucify My Son?"

"Weep with Me, My child, and pray; pray a constant vigilance. Many mothers shall join Me beneath the cross. Many mothers shall cry as they see their children being lost to them.

"I have wandered back and forth across your earth crying to you, begging that you listen to the counsel from Heaven. Many obstacles are placed in My way, the major one being the stubbornness of mankind, a mankind that has lost his way because he seeks not of the spirit but the things of the material world. All that is of the flesh is now giving itself to satan and his armies from hell.

"My children, you must protect your families now. 666 is not a myth, My children. It is a fact that satan, Lucifer, is walking the earth now. The pages of the Book of life must turn. What was to happen in the future shall be now. Hasten, harken, and listen to the words from Heaven. A due Chastisement shall be set upon mankind soon. You will be given a Warning, a warning of major proportion. Learn by it!

"My Son gave His life for you all, but all shall not enter the Kingdom of Heaven. For many are called but only few are chosen. In the final count, My children, there will be only a remnant who will enter the Kingdom.

"The world, your world, shall go through a great crucible of suffering. You must not question the ways of the Eternal Father, for His knowledge goes far beyond what any man could comprehend, even with science, My children.

"The forces of evil are gathered to do great battle with all of the children of God. You must go forward with confidence, My children. Persistence is needed. I do not ask you to judge your brothers or sisters, for that would not be of charity.

GREAT REVOLUTION IN ROME

"There will be a great revolution in Rome, in Italy, and many countries in Europe, My child, because the man of sin is preparing the way. The forces of communism are gaining and will enter upon the Seat of Peter. You will recognize, My children, by the directions that shall come from Rome.

SATAN PLANS TO SHUT THE DOORS

"I have asked you once, I have asked you again, My children, not to abandon your parish churches. It is the plan of satan to shut the doors. Remember, My children, and I repeat again, that My Son is with you in the Eucharist. He is present with you in Body and Spirit. He will be brought to you by a legally-ordained priest, a man of God. Do not judge My Son's Church or its structure by the ways of man. The Spirit will work miracles over the corruption of the man. A legally-ordained priest is a priest for life.

"Please, My children, pray for your priests. Many are being led astray. Discipline and the rule must be followed in the priesthood. This brings great sorrow to the Eternal Father and My Son to see the manner in which the priesthood has cast aside the rule in the name of modernism and humanism.

"The destruction of souls accelerates. My children, can you not recognize the path you have allowed yourself to go upon? It is a way of destruction. It is not the way as given by My Son, for you have set yourselves to build a new church, a church for the glorification of man.

"My children, a Church in darkness wears a band of death about it. All that is rotten shall fall. No evil shall be ever triumphant, for the Eternal Father shall turn all evil to good.

"You see, My children, satan will not succeed in his plan. He is being given his time, but a short time now, to gather his own. Sad to say, My child and My children, many shall be called, but few are chosen. All who descend into the abyss do this of their own free will, My children. You must pray always that the forces of evil do not make you succumb."

Veronica - Our Lady is now taking Her Rosary from about Her waist, Her beautiful Rosary with the golden crucifix. Oh, it's just beautiful! Our Lady is extending the crucifix like this, out, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning to Her right, and Michael now is coming. I didn't see him standing in the background, but he's coming forward. Oh, he's just magnificent! The light is very brilliant about Michael, and for some reason now - I have never seen him He certainly does have wings. It's beautiful! I call them wings, but I wish there was another name that I could explain them by. They're not what you - should be called wings. They are absolutely beautiful! Sort of a gossamer look about them. I can't explain it.

Now Michael is holding his spear. I can't see his image, his face; the light is much too brilliant. But I can see the metallic-gold look of his hair. Oh, beautiful! He has short-cropped hair, but it doesn't look human. It has a very metallic look about it.

Now Our Lady is floating over. She doesn't walk; She's floating. And it's quite windy, because Her gown is being - swaying now in the wind. And Our Lady is now extending Her Rosary out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Our Lady is turning now to Her left, and She's floating across the sky. And I can see now, Michael is also following Our Lady as She crosses the sky.

But there is a tremendous large black cross in the sky. I don't know. It's an ominous-looking sign. It's a huge black cross. Our Lady now is going over to our right side, and She's bending over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, for My Son and the Eternal Father in the Spirit of light. Continue now with your prayers of atonement. They are sorely needed."

[Pause]

Veronica - The sky all about the trees overhead is turning a deep pink color, a beautiful pink. It's a very warm-looking color. It's now getting very deep all about the trees. Directly over Our Lady's statue the sky is opening up. Oh, there is no way I can explain it. It's just like there's a whole world beyond the veil, the sky, and then it just opens up and allows you to look into it.

Coming forward - I can see Jesus coming down now from high in the sky. He has on a beige gown. It's sort of a cream color; it is a little darker than beige. I can't explain the color. It looks like it may be linen. It's quite heavy. And about His waist He has a belting, a beautiful belting of a cord-like material. It looks almost like linen. I guess that's the nearest I can describe it. The belting is material; it's not the brown skin that He usually wears, like brown skin-like cording. But it's made of material; I can see it.

Now Jesus has on a cape. The cape coloring is a deep burgundy color. It's not red, but it's sort of a scarlet color, a burgundy color. And it's held in place about His neck by a clasp. It's made of two pieces of material similar to the cording about His waist.

Now it's very windy. And Jesus is looking about now. He's, He's collecting His cloak with His left hand. And with His right hand He's raising out His hand like this, with the three fingers extended, the two and the thumb, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking all about. It's very windy. His hair is blowing. His hair is quite long, and it's blowing about as He's looking to the right. And now He's turning over and looking to the left. Now He's placing His hand above His head, and the sky is opening up.

And I can see many, many figures of people. My, oh my! They look - they don't look like - how can you say they're saints? They look like ordinary human beings, though. But they have one thing in common: they're all wearing these white robes, almost like an organization of saints. But they look like people.

Jesus - "My child, you are observing the souls that are waiting to come out of the purging place, the place of waiting until they are fully cleansed. I give you the knowledge of this existence because many prayers are needed for those who cannot help themselves.

"The place of purging cannot be understood in the minds of man, but it does exist as there also exists a place of damnation, the abode of hell. It is a place of everlasting death.

"My child and My children, I give you sight to see for many reasons. I remove the blindness from the hearts of many with great hope and persistence in Our efforts to save as many of Our children as We can, allowing mankind to pursue his course with his own free will.

"My children, many nations shall disappear from your earth. The world shall be cast into a crucible of suffering.

"My child, you persistently seek the knowledge that the Father wishes you to wait upon. No dates shall be given to mankind for reason, My child. You must exercise great care that My words are not misinterpreted. Satan and his armies are seeking to confuse and confound the children of light. That is why My Mother counsels you to keep a constant vigilance of prayer in your personal lives and also in the lives you lead now as human beings upon earth.

OUR LADY SHALL NOT BE BLEMISHED

"With all of the counsel given in the past by My Mother, counsel also brought to earth through various personages from Heaven, has this all been to no avail? My Mother has set Herself as a Mediatrix between God and man for your salvation. In return She has received thorns from many. My Mother, She shall not be blemished by the mouths or actions of man in his fallen nature. I do not ask that My Mother be a victim for the salvation of man's soul.

DAY OF RECKONING VERY SOON

"You as children of your God must make a firm effort now to prepare yourselves and your families, your brothers and your sisters of the world. Prepare them for the great Chastisement that will soon come upon mankind. In your blindness, in your searching for power and treasures of the world, you have cast aside all knowledge given to you by your God, your inborn nature. You have cast it aside, but you will meet with a day of reckoning, and very soon!

"My child, you will gather the Messages from Heaven and continue to disperse them throughout the world. Many hands shall assist you on this course, My child. Do not be concerned of the opinions of mankind. It is only pride and self-concern, My child, that will make you fall into this way.

"You must understand, My child and My children, that as long as you tread the earth's path, you will find many thorns and thistles. However, the rose will always be there.

"Man is bringing upon himself great suffering, physical and emotional suffering, My children. I look upon your world, the earth, and find that you are setting yourselves like play-acting onto a similar stage set in the past by mankind. The final act of this drama, My children, shall be a baptism of fire upon mankind. The world shall not be fully destroyed, but a gradual change shall come, and all that is rotten shall be shaken from the vine.

"No man shall, or can set himself above his Master. For if he does he is following the same road as the fallen angels. Lucifer has been loosed upon your world now for a short time to claim his own.

TEST THE SPIRITS WELL

"Warnings have been given through countless earth-years. My Mother has wandered to and fro using voice-boxes to carry Her directions from Heaven to the world. Confusion will be set upon many because you do not test the spirits well. Remember, My children, there are many false prophets now in the world. By their fruits shall they be known.

"All that has been given to you by My Mother during Her visit with you shall come to pass. Much has happened, but the greatest crisis to mankind is approaching now. You will all pray a constant vigilance of prayer.

"Shepherds in My House, you are being counted, and I find many of you have sold your soul to get to the head. Should this Warning from Heaven fall upon the hardened hearts and deafened ears, I say unto you: Many mitres shall fall into hell!

"My children, you will have great heart in the knowledge that all that happens now shall be allowed by the Eternal Father in His plan for the separation of the sheep from the goats. The light shall fight the darkness. It will be a manner of separation and testing. Recognize the signs of your times, My children. Read the revelations given to you by John, and you will not become puzzled at the events taking place.

"I ask that all of the children of light spend a short time in reading the Book of life, the Bible, for edification and knowledge of truth. It has been said in truth that knowledge is power. But this knowledge must come not from man but from God, the Father of truth.

"And I say this to you, for many of you are listening to the father of all liars, satan. Your world has become a playground for satan and his agents, for sin has become a way of life upon earth. You are being given the choice to sell your souls to satan or to persevere and gain your eternal reward in the Kingdom of light, Heaven.

"Let the scoffers pass you by, neither daunting your spirit nor slowing your pace to bring the Mission from Heaven to a fast conclusion with the salvation of souls. My Mother shall be with you during the days ahead, counseling you, for She is truly the Mother of all.

"Pray a constant vigilance of prayer. The power of prayer is great.

"Many manifestations of supernatural nature shall be set upon mankind. I say unto you again: test the spirits.

"I warn you again to not listen to those voices coming from the depths of hell that say that life is existing upon the other planets of your universe. This, My children, is not true. Were it any different, I should have told you so in the Book of life. Know, My children, your battle shall rage upon earth.

"Satan is creating many false miracles, and one of these are the supernatural manifestations that you call UFOs. My children, they are truly transports from hell. However, hell shall not be found on another planet.

"Pray, My children. It is like a cat and mouse game with satan. You must always be looking that he does not extend his lures before you with delusion, confusion, and lies. My children, look always upward and you will be given signs from Heaven. Raise your hearts in prayer, prayer from the heart - not just from the lips."

Veronica - Jesus now is extending His hand out like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, for the Eternal Father and the Spirit of light. Continue now upon your mission. There are many souls to be recovered."

April 1, 1978

Eve of the Annunciation of the Blessed Virgin Mary

Veronica - Many skeptics say that there is no proof in the Bible in relation to the immorality existent in our country. Well, if man stops believing in the words of God in the Holy Bible, man is left to his own diversions - and the road that leads only to destruction if God abandons man to himself. Now in Saint Paul, who is one of the founders of our Church under God's direction . . . and of course those who are trying to rebuild the Church in the likeness of man instead of God are not even acknowledging Saint Paul as being a founding Father Well, say let us read from Saint Paul's letter to the Corinthians, Chapter, it would be Chapter 3 - no, Chapter 6, third part. He speaks of the evils of immorality. Now he said:

Now God has raised up the Lord and will also raise us up by His power. Do you know that your bodies are members of Christ? Shall I then take the members of Christ and make them members of a harlot? By no means!

Now Paul is referring to all of the immorality existent in our country and most countries throughout the world - I would say most or all of the earth now has this terrible stigma of immorality, defiling of the human body by humanistic approaches . . . by men consorting with men, and doing all defilements to the human body.

Do you not know that your bodies are members of Christ? Shall I then take the members of Christ and make them members of a harlot? By no means! (No!) Or do you not know that he who cleaves to a harlot becomes one body with her? "For the two," it says, "shall be one flesh." Flee immorality. Every sin that a man commits is outside the body, but the immoral man sins against his own body. Or do you not know that your members are the temple of the Holy Spirit Who is in you, Whom you have from God and that you are not your own keeper? For you have been bought at a great price. Glorify God and bear Him in your body.

Now also in relation to a woman's head being covered during the Holy Sacrifice of the Mass and proper deportment within the portals of Holy Church where Jesus is residing. Now I am sure that our liberationists would not go along with us in this respect. However, this would actually signify that much of the liberation movement is being directed by satan, and not by God. Now the headdress for women - this is Saint Paul to the Corinthians, Chapter 11:

Now I praise you, brethren, because in all things you are mindful of me and hold fast my precepts as I gave them to you. But I would have you know that the head of every man is Christ, and the head of the woman is the man, and the head of Christ is God. Every man praying or prophesying with his head covered, disgraces his head. But every woman praying or prophesying with her head uncovered disgraces her head, for it is the same as if she were shaven. A man indeed ought not to cover his head because he is the image and glory of God. But woman is the glory of man. For man is not from woman, but woman from man. (Made from man by God.) For man was not created for woman, but woman for man. This is why the woman ought to have a sign of authority over her head, because of the angels.

In other words, Saint Paul is saying that it's not just custom. This is the excuse given by the liberation movement to stop the head covering of women in the Church. Well, they say that it is custom only in Saint Paul's time. But that is not true because Saint Paul explains, and these are the words direct from God through Saint Paul, that you must have your head covered. It is proper deportment in the eyes of the angels.

[Pause]

Directly over Our Lady's statue the sky is opening up. It's a beautiful white glow coming from directly over the statue. It's so beautiful and warm. Oh, I can't explain it. The glow this evening is different. It's almost like billowing clouds, but it's beautiful.

Now directly over Our Lady's statue the sky is opening up, like it's folding back. Our Lady is coming forward. Oh, She looks very fragile. Our Lady has on a white gown, a pure white gown. Oh, and Her mantle is also white with a thin border of gold all about the mantle. It looks very beautiful, so pure and white.

Our Lady is coming forward. She's floating. She doesn't walk. She's floating forward with Her hands joined together in prayer. She looks so tiny and fragile this evening - oh, like a very young girl. She's smiling; Our Lady is smiling. Her mantle comes quite close to Her forehead. I don't see Our Lady's hair. I have very seldom seen Our Lady's hair - only once. Her mantle is always covering Her head.

Our Lady has Her Rosary dangling from Her fingers, Her beautiful Rosary with the golden Our Fathers and the white Hail Mary beads. Our Lady is looking to Her right and Her left. She is smiling, very soft, a soft smile, but a sad smile upon Her

face. Now Our Lady is taking Her Rosary like this, with Her crucifix - it has a beautiful golden crucifix - and extending it forward in front of Her, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is placing the Rosary about Her waist. She has a beautiful deep blue sash about Her waist. Our Lady is now fastening Her Rosary onto it. Now She is touching Her first finger to Her lips, which means to listen well.

Our Lady - "My child and My children, I have wandered with great speed to and fro across your earth gathering My children who will listen to Me in the last stages of My pleading to mankind. Yes, My children, I say the last stages, because you are fast approaching the close of your era.

"O My children, if you only realized and acted upon My counsel! If you only realized what is coming fast upon you! Be it known to you in the past that there will be many eruptions of nature resulting in hurricanes, whirlwinds, floods, great heat, and plagues upon mankind.

"All of this I have repeated to you over and over, because My Mother's heart is torn for you. My children, many of you have become blinded by sin. Many have closed their ears to My pleadings. Many go about as scoffers and look upon My mission as a subject for ridicule and derision. O My children, sad to say it has been written in the Book of life and has been said again and again, that many are called but few are chosen.

JESUS COULD NOT DIE FOR ALL

"My Son died a cruel death upon His cross for you. He could not die for all, for only many have made themselves ready to come across the veil. Though We wished in Our hearts, all of Heaven wished that man would all turn from his ways, ways that offend the Eternal Father much, and return onto the narrow road that will lead him directly back to the Eternal Kingdom of Heaven - however, man has chosen to set himself upon the wide road filled with earthly pleasures. The sins of the flesh are condemning many to hell, My children.

"In the past for many earth-years, I came to little children, to those without great worldly knowledge and schooling; I approached those who would give their hearts to Me, and would help by the direction of the Eternal Father, through the Eternal Father's plan, would help to bring back many of Our straying children to the fold.

"My children, My Son's Church is passing through a terrible crisis. Please do not abandon it in these days of darkness, but stay and fight with prayers, good deeds, works of mercy, and good example.

"The forces of evil, 666, are firmly entrenched in Rome. Many cardinals, the Red Hats, have fallen, and they now mislead many of the Purple Hats, the bishops.

"My children, you will keep a firm foundation of faith in the hearts of your children. You cannot expect others to do this fatherly and motherly obligation. You as mothers and fathers are the keepers for the souls of your children, and as such you are held accountable in the eyes of all Heaven for the fall of your children's souls. You will also as parents battle satan as he seeks to destroy your families. It will be father against son and mother against daughter, division in the homes, as satan becomes stronger in his conquest.

"My children, pray constantly a vigil of prayer. I ask you not to do just lip service, My children, but pray from your hearts. The words do not have to be studied, but pray from your hearts. Ask and you shall receive. Believe and you will receive many graces.

"The greatest gift you can bring to your fellow man now is to make him believe. Many are deeply entrenched in darkness of the spirit, and without your help the many will be lost to satan - eternal damnation and banishment.

"My children, the forces of evil, 666 - and 666, I repeat, is Lucifer and his agents loosed from hell now to do full battle with the children of God. Lucifer knows that he has been given only a set time, and his time is growing short. You will, My children, if you continue without penance and sacrifice and atonement, you will find set loose upon the earth such horrors of immorality, debasement, murders, licentiousness, robberies. It will seem, My children, as if the world's people have gone mad. And they have gone mad, for sin is surely insanity!

REMAIN AS LITTLE CHILDREN TO ENTER HEAVEN

"I repeat, My children, and I call you My children for reason. For unless you remain as children in heart, simple, devout, with piety, trusting in Jesus without question - unless you remain as little children, you cannot enter into the Kingdom of Heaven.

"My children, many of your brothers and sisters are selling their souls to get to the head. What does it matter if you gain all of the world's graces - and they call them graces, but how they foul the supernatural! It is no grace, My children, to achieve worldly acclaim and fortune. True grace only comes from Heaven, the eternal Kingdom of your God.

"My children, many of these so-called gifts that man seeks upon earth - these gifts are from satan and the seed for his downfall, man's downfall. Satan has placed upon earth all manner of enticements to destroy and soil souls. Recognize, My children, the way of evil set by satan and the true way of the cross as given by the example of My Son.

REJECT WORLDLY ENTICEMENTS

"In order to follow My Son, My children, it will truly be the way of the cross. It is not an easy road, but the final conclusion of your stay upon earth will be as dramatic as any scene that man can ever experience upon earth. I assure you, My children, over the veil you will see a glory and a beauty beyond anything man could ever vision! I assure you again, My children, it is well worth the battle that you remain upon the narrow road, rejecting the things, the enticements of the world, and storing your supernatural graces in Heaven for your entry into the Kingdom.

"Pray for your bishops, your cardinals. Pray for your priests and your pastors. They are the major source for attack now by 666. Yes, My children, 666, Lucifer and his agents entering into human bodies to bring about the fall of Rome to the enemy. Pray for your bishops that they be given the grace in the light to know how deep they have fallen into the darkness."

Veronica - Our Lady now is taking Her Rosary from about Her waist, like this, and extending it out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is turning to Her right and She's floating over across the sky to the first tree. And Our Lady is bending over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is turning now to Her left, and She's pointing up to the sky. And Michael is coming down. He is a tremendous size! Oh, my goodness! He doesn't frighten you. He's very awe-inspiring because of his tremendous size. He's, oh, a real warrior of Heaven. Beautiful! I can't explain his face because I can't see it well, not like Our Lady's. He is all encased like in white and a glaze, like a haze of light all about him. Just beautiful!

Now Our Lady is going over to Her left side, that would be our right side. She's floating across. Our Lady does not have to move Her feet, I notice; She's just standing still, but She's carried like on the wind, clear across the sky. Our Lady is bending over and making the sign of the cross with Her Rosary: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is placing the crucifix across Her chest to Her heart.

Our Lady - "My children, continue with your prayers of atonement. They are sorely needed."

[Pause]

"You must not forget, My child, Jacinta 1972. I spoke with the child, and told her of the fashions that would come to the world that would displease the Almighty Father very much. These fashions would lead many young onto the road to perdition. These fashions have even entered into the convents of the good sisters, and have seduced them into becoming ordinary misses of the world.

RETURN AND RESTORE THE CONVENTS

"My children, you must hasten to tell the good sisters that they must not join the world. They are losing vocations because of their changes. They must restore their habit worn to the ground. It was an example of great strength and piety for others and brought many vocations to the convents. Have you not realized the fruits of your endeavors to become modern? Good sisters, return and restore the convents."

[Pause]

NUNS CLAD IN LEOTARDS

Veronica - Our Lady is pointing up to the sky now on Her left side, our right side, and I can see Theresa, Saint Theresa coming through the sky. I would know her anywhere. Oh, it's quite windy and her gown - she has a long, you know, habit on and it's blowing. And, oh my, Theresa is pointing and I can see the entrance to a convent. I know it's a convent of a church; I can see the door. And she's looking, pushing the door open, and I can see it. I'm right there with her. And oh, my goodness! The nuns are scampering around in leotards! Oh, how embarrassing! And Theresa is standing there looking very shocked with consternation on her face.

St. Theresa - "My heavens, my sisters, have you lost your minds and your way? Whatever has happened to the rule?"

Veronica - Theresa is closing the door now.

St. Theresa - "Let us return to the good Mother."

Veronica - And now Theresa is going just to the right side; she's going across the sky and standing next to Our Lady. And there are many other nuns now coming down from the sky. I didn't see them standing up there before, but they seem to be converging from behind the clouds right up to join Theresa and Our Lady. They're standing grouped about Her. And they all seem to be quite shocked at something. I know what it was - the scene in the convent.

Now Our Lady is placing Her first finger to Her lips.

Our Lady - "You understand, My child, the gravity of the world situation now. Surely the merciful heart of the Father is strained to the breaking point. And the Chastisement cannot be held back much longer. Pray, My child, a constant vigilance of prayer, even as you rest."

Veronica - Now Our Lady is going high up into the sky, very, very high, and She's standing there now looking about. And now She has Her Rosary in Her hands, and I can see She's moving Her fingers across the beads. It's a very large, beautiful Rosary, very large beads.

Now Our Lady is nodding Her head.

Our Lady - "My child and My children, continue with your prayers of atonement."

[Pause]

Veronica - . . . the light is coming down that way. That's why I could follow it. Beams of beautiful crystal clear light. They're like slivers of gold. I can't explain it. But Jesus is standing now directly in the light. Now the sky is opening up. It's almost like forming a huge Host about Jesus. It's so beautiful!

Now Jesus is coming forward. The sky is very bright. The light, it just seems to exude from Him. I can't explain it. It's very hard on your human eyes to watch. But just beautiful! Jesus is coming forward. He has nothing on His feet. I can see the wounds on His insteps of His feet. And He has a scarlet-colored sash this evening about the waist of His gown.

Jesus has on a beige-looking - it's a rough-hewn type of cloth. Oh, I don't know if it's linen or what they use, but it looks very heavy - a beige color. And Jesus has on like a maroon sash - a burgundy color or a maroon - I don't know the color of it. It's a very deep, sort of plummish-looking color.

And Jesus has His cape tied about His neck. It's very windy, and the cape is blowing. Jesus is gathering it up now. It's very long and full - beautiful material. It's - I don't know, it's like a satin. It looks like a satin - very heavy. Now Jesus is gathering it up and putting it over His left arm. He's got the whole fullness of it on His left arm, to keep it from blowing out from around Him. Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking about Him as He's turning His head now to the right. The wind is blowing His hair out. It's quite long, to His shoulders and very loose and full.

Now Jesus is turning over to His left. He looks really magnificent, so tall standing there. He looks very tall, about six feet tall, I would think. Oh, just beautiful!

Now Jesus is touching His lips with the first finger of His right hand.

Jesus - "My child, I am not going to burden you with a long discourse this evening. Needless to say, My Mother has done very well with Her counsel to the children of the world. Your world is proceeding onto a road leading to a crucible of suffering. It will be a way of cleansing for mankind. All that is rotten shall be shaken from the vine.

"My children, I repeat anew to all: Conform to the world and you will die on the vine. Conform and you die on the vine. I will explain this, My children, simply to you. If you choose of free will to join those of the world who have now given themselves to satan, you cannot remain on the tree of life, but you must become then a consort of satan and an agent of hell in human form.

"I explained to you through many visitations upon earth and through many visitations of My Mother upon earth - She explained to you why man will come to a sorry end. Scientists have much to learn in their search for knowledge, for they are looking in the wrong field. It would be better for them if they sought the knowledge of the supernatural and the salvation of the eternal soul.

"My children, there will come upon mankind soon a war of great magnitude. Death will become commonplace to all. If this war continues three-quarters of the world's population shall die.

"All the world's happenings are under the control of the Eternal Father in Heaven. He knows both the past and the future and the present. However, because of man's free will, a gift from the Eternal Father to all, man must choose his road.

"It is only through great grace that a man shall be pushed over the veil into Heaven, the Eternal Kingdom. Graces are given in abundance for the asking. Believe, My children, just believe, and you will be given the way. No man shall fall into hell, the abode of the damned, unless he goes there of his own free will.

"Yes, My children, daily many are called, but sadly only few are chosen. Many are spending long earth-years of time in a place of cleansing, a place of sad waiting known to you as purgatory, the purging place.

"Many have fallen into hell to be eternally damned and banished from the light. Man in his sin chooses his own punishment. Think, My children, and ponder upon that. Left to his own will, man shall blunder to his final destruction.

"My children, you will all keep a constant vigilance of prayer going throughout your world. You must retain the sacramentals, the statues. And do not fall into the error of thinking that they deserve no worship, for when you cast aside the sacramentals and the monuments, the statues, you will say out of sight, out of mind; and your mind will then be taken over by the agents of darkness.

"Retain everything you can, My children, in this battle against the forces of evil. You will need all of your armor, I assure you. Many of you will test this and find to your great sorrow that you have fallen into the web of satan. Once you leave the narrow road it's most difficult, My children, to return. It will often mean a great sacrifice of life to many to return as martyrs.

BATTLE SHALL RAGE IN ROME

"Rome shall go through a crucible of suffering as the good fights with the bad; and I say bad because what could be worse than the forces of evil led by Lucifer, and known to the world as 666. Yes, the battle shall rage in Rome as it rages now throughout your world. He is a man of many faces: 666, Lucifer and his agents.

"The world's people have been alerted to the dangers now existent to your souls. You will all guard your children, for you shall not receive comfort from the enemy. When you become discouraged you will lift your eyes to Heaven and cry out, My Jesus, my confidence!

"Persevere, My children, in the days ahead and you will surely win your crown."

Veronica - Now Jesus is turning to His right, and He's floating across the sky. Our Lady now is coming down through the right side of the sky just beyond that huge cloud. I didn't see Our Lady standing over to the right. She's coming over now, and She has Her hands joined in prayer like this, with the Rosary hanging from Her hands and Her fingers. It's quite a long Rosary with huge beads. Beautiful, though.

Our Lady now - She looks almost like a little girl. She's very tiny next to Jesus; She comes up to just about a little below His shoulder. Now Our Lady is standing. From a distance She looks almost like a small statue. Very beautiful! And I can feel the sadness, though, in Her smile. It's really a heart-rending smile of pity and love for Her errant children.

Jesus is looking over now to the right and the left, and He's bending down now and looking all about Him. Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is allowing His robe now to go free. He had it under His left arm. He had it cropped together. Now He's turning about and His arms are free now, and He's going across the sky. He's not moving His legs. He's just carried - oh, it's wonderful to see - moved without weight, just clear across the sky. Now Jesus is going over to the right side. He's just above the tall tree. He's looking down like this with His hand, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking over, and He's pointing up to the sky with His hand, like this, and there is appearing in the sky a large picture of a globe, a huge ball with a cross on the top of it. And it's stationary; it's just above us directly overhead, a huge ball with a cross on the top. Now Jesus is taking His place. Jesus is on the right side of the ball, and then Our Lady is standing on the left side of the ball, each on both sides of this huge globe.

And I can see the outlines of the world - you know, the countries upon the globe. And there is a huge cross on top of the globe; and above the cross there is a bird, a dove. And the dove, like has something in its mouth; it looks like a piece of palm. I believe it's palm. It looks like a reed, a reed, like palm. And the bird now is circling all about Our Lady, just across Jesus; he's crossing across Jesus and going down around the globe and circling about Our Lady and coming up now. And he's perched on the top of the cross. And he still has that leaf or the reed, whatever that is; it looks like palm, in his mouth - the beautiful white dove. Now Jesus is touching His fingers to His mouth.

Jesus - "My child, you will continue with your mission. You have been given a short rest to renew your strength. You will take this rest, My child, without fear, for I will be with you.

"Now, My child and My children, continue with your prayers of atonement."

May 3, 1978

Eve of the Ascension of Our Lord

Veronica - The sky is a very deep blue this evening, a beautiful warm color. I can't describe the tone of the blue; it's neither dark nor light. There is a creation from Heaven, surely, in this color, because I have never seen it painted on earth, or even drawn by any artist. It's the most beautiful blue I have ever seen; it's a slightly bit darker than the mantle that Our Lady wears in Her appearances here.

Now directly above Our Lady's statue high into the sky, the sky is opening up. It's just like daylight has come through the darkness. It's beautiful! Directly in the center of the opening I can see Our Lady coming forward. She looks very beautiful. Our Lady has on a long white gown. Oh, and there is a blue sash about Her waist. Our Lady has Her hands joined in prayer, like this. Oh, and about Her fingers Our Lady has Her beautiful Rosary with the golden Our Fathers and the white Hail Marys. But the Hail Mary beads are really translucent and colorful as Our Lady is looking about, with Her hands like this.

Now on top of Our Lady's head - oh, Our Lady has this mantle. It's a pure white, as white as sugar. And all about the mantle along the edge there is a gold trim - oh, maybe about an inch and a half wide. Now over Our Lady's head She has the most beautiful crown of roses. They are so beautiful. I can smell the essence of the flower. It's beautiful!

Our Lady is smiling. It's a very sad smile. She looks so young this evening. Now Our Lady is taking the crucifix, the beautiful golden crucifix of Her Rosary, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My child and My children, We have asked for many victim souls, children of God who will offer themselves to the Eternal Father in sacrifice for the repatriation of souls.

"Your world, the earth, is now covered in deep spiritual darkness. It is a sad fact, My children, that man has not profited by his past nor learned through a sad experience. Therefore, I have come to warn you over and over that unless you turn from your ways that offend your God and return the state of earth into even a small resemblance of its glory under God, you will receive a most terrible Chastisement. And many shall die in the Ball of Redemption.

"My children, it is a sad fact also that human nature must often be brought to a chastisement to awaken mankind from his slumber. The Eternal Father watches with great anguish as man proceeds in becoming more debased and immoral.

DATE SET FOR CHASTISEMENT

"The Eternal Father has set a date for the chastisement of mankind.

"Forewarning has been given from Heaven to all cardinals and bishops that the Eternal Father has looked upon them and finds that they have misled the sheep and are giving, in their blindness, the world's people, mankind, over to satan and his agents.

"The man from hell, the man of perdition, walks your earth now claiming many souls.

"The need for a just chastisement is pressed upon Heaven by many of the clergy in My Son's House, His Church. I say again unto you that the Red Hat has fallen and the Purple Hat is being misled.

WOE TO THOSE WHO SCANDALIZE THE YOUNG

"Your country and many countries throughout the world have given themselves over to immorality and unnatural vices of homosexuality and the perversion within childhood. Woe unto the man or woman who has taken part in the scandalizing of the young! Better that that being had died in his mother's womb than to scandalize one of the young! Parents, teachers, have you all become insane, selling the bodies of your children!

"Red Hats, bishops, you go about earth oppressing the children of God, but you neither chastise nor condemn the evil ones in your House, the Church.

"Your world, My children, is crying 'peace and security!' Recognize the signs of your times, for the end is near at hand as the world cries 'peace and security.'

"My children, this is now the time for action with prayer. In normal, semi-normal times, when even the clergy could be labeled as pious and holy, satan set about to attack My Son's Church upon earth. But as time went on even the clergy gave themselves to the world, seeking not the graces from Heaven, neither calling upon the Holy Spirit to guide them, but giving themselves over to worldly pursuits leading to humanism and modernism in My Son's House.

"A greater measure of responsibility will be given to the souls, the creatures - I find, My children, no name that could describe the state of a fallen soul! And what greater sorrow is there in Heaven but the sorrow of finding the teachers who have given themselves over to the world. With itching ears they are willing to experiment, looking for new doctrines, flying high in their knowledge to Heaven, and many labeling themselves as gods. Pagans they have become in their hearts, though they have an

exterior of piety. Their lips come forth the sound of knowledgeable words, but I say unto you: Your words do not cover the blackness of your hearts before the Father.

"Many are selling their souls to get to the head. Satan is in My Son's House now. No evil is ever triumphant; however, the Eternal Father permits this trial to mankind and the Church for the separation of the sheep from the goats. In this trial all that is rotten shall fall.

"The children of light shall go forward with great perseverance, knowing that they will carry a heavy cross. For no man shall enter the Kingdom of Heaven unless he picks up his cross and follows My Son. The road shall not be an easy one, My children. It will be filled with thorns amid the roses. However, as you progress in sanctity, you will find, My children, that you will relish this opportunity through suffering to gain graces that may be applied to the salvation of another soul. When many graces are given to a human being much is expected of him.

"The Eternal Father is in full control of what is happening upon earth. As man has been given a free will, in this manner shall he be tried and tested.

"You will all continue to pray a constant vigilance of prayer. Do not listen to the scoffers who will abound about you.

"My children, you must retire from the world that has been given now to Satan. Satan has set himself to claim his own, and many are falling fast into hell. The sins of the flesh condemn many to hell.

"Veronica, My child, you will write to the Reverend Father and give him the knowledge of the truth of the message from Jacinta.

"No man can understand the full ways of the Eternal Father, Who is long-suffering.

"All that has been given through the years shall come to pass, My children. But I ask you in all charity not to wish for any destruction to come upon mankind; for you may be guilty in your hearts of pride, knowing that you have received the word and have prepared. But, My children, there are many souls now to reach, and you must not slacken in your work. The mission will go forward. You will be given many hands, My child, in your mission.

"You understand, My child, the Eternal Father deemed it necessary that you do penance. You do well, My child, to offer your sufferings for another.

"As there are saints through the ages, My children, there will be many saints coming forward out of these latter times. The children of light must go forward as beacons for others. They must retain the knowledge of the Faith.

"The Eternal Father has permitted a delusion to be set upon the world so that those who have given themselves over to evil and sin must then accept the fruits of their wrongdoing.

"No man in the light shall receive a heavier burden than he can carry, My child.

REMAIN IN YOUR PARISH CHURCHES

"You will all remain in your parish churches. Though you may not understand all of My directions and counsel, you must accept this counsel; for the Eternal Father sees into the future and makes His plan in accordance."

Veronica - Our Lady now is taking Her Rosary out, with the beautiful crucifix like this, and extending it in front of Her, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is turning, and directly behind Our Lady I can see Michael coming down. He's covering the whole sky. Oh, he looks absolutely beautiful! Oh, the light is so bright I can barely look into it. Our Lady now is moving over to our left side. Oh, She looks so beautiful! And She's now extending Her Rosary out like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now the sky is opening up. It's like the clouds are just blowing away. And I see many, many angels coming forward. They're all different sizes. I don't know if they have age, but some of them look like children. They have these beautiful garlands of roses upon their heads, and they're all in very long gowns. But the gowns are beautiful! They have all the different colors of the rainbow and many colorings I never saw before on earth. Just beautiful!

They've gathered around Our Lady, and they're following Our Lady as She comes across the sky. Now She's looking down. Our Lady is directly over on our right side, past the flag. Our Lady is bending over now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Off by Our Lady now, over on the left side - oh, it's so big I'm sure everyone can see it - there is a large white ball with a cross upon it, a very large ball. It does look like the world; it's just the size of the world. And I see no outline on it, but there's a cross, a big white cross sitting upon it. Oh, now the cross is disappearing, and in its place on top of the globe there's an eagle with its wings outspread, a bald eagle. That must be the United States.

Our Lady - "That is right, My child."

Veronica - Our Lady said that's right.

Now Our Lady is coming over across the sky, and She's standing directly over Her statue. And She's touching Her lips now with Her first finger, to listen.

Our Lady - "My child, you will continue now with your prayers of atonement. In relation to your message now, I wish that you obtain three photographs, and you will take them home with you and study them, My child. Much cannot be given for the public."

Veronica - Our Lady says that the United States has given itself over to Satan, and many cities are far more corrupt than even in the time of Sodom and Gomorrah. And in this knowledge one may well perceive the just punishment that shall be given by the Eternal Father for a generation without repentance.

[Pause]

The sky is becoming very pink all about the border of the trees. And directly over Our Lady's statue high in the sky there are beams of light being shot across the sky. They seem to be going in every direction.

But now these beams are now coming together, and they form the Pax Christi sign. You know, the cross with the "P" cut through it. Oh, it's beautiful! It's very - it's really, it's awesome to see this in the sky. And now it's - the figure is fading away, and the sky seems to be just parting, opening up. It was very heavily - dark, the sky. But now there's a tremendous light seeming to fold back the sky. I can't put it in human language. Just beautiful!

Now Jesus is coming forward through the light. It's quite windy, because His gown is blowing. Jesus has nothing upon His feet; His feet are bare. And His gown is a - not a white, but it's like egg-colored, egg-colored, a cream, with sort of tints of beige in His gown. It's not a white.

Now about Jesus' waist there is a tie. I wouldn't call it a sash, because it's quite narrow. It looks like it may be a piece of skin-like, leather-like skin that He has as a belt about His waist. And Jesus' cape is very loose over His shoulders. It's caught at the - below His neck with a golden clasp.

Now Jesus is looking all about Him. He seems to be looking for someone. I have never seen Him penetrating the crowd so heavily. It's like His eyes are piercing the crowd. Now Jesus is placing His hand upon His heart. And now He is taking His first finger and placing it to His mouth, which means to listen.

Jesus - "My child, in order not to expend your energy, you will repeat the most urgent exhortation to the world. This is a message given in many places throughout the earth in the past years, but it is conclusive and will encompass the full Message from Heaven. Repeat, My child:

Exhortation

Dear Holy Father, worried and wan
Will struggle with Jesus to gather the sheep.
The pastures are rich, but the sheep grow thin,
For the souls have succumbed to the sickness of sin.
You'll need reinforcements from heavenly shores,
So deep is the darkness of earth's shallow mores.
All hearts must ascend in true supplication
To avoid the sad fate of divine devastation.
Dear Holy Mother, your Mother of love,
Does beg you to heed these dire words from above:
His heart is torn by careless surrender
Of too many souls that don't try to remember
The Father, the Son, the Spirit of life -
Smite in the heart with the human knife
Of hate, greed, avarice, vanity:
All indications that sin is insanity.
What more must you do but place the full load
Of saving all souls on the few who are bold,
Who'll stand up and fight for all Heaven's glory
And meet with Pope Paul at the end of life's story.

"My child, I will not at this time enlarge upon My Mother's words. The message is quite clear and extensive. I have heard voices repeating that the message grows long and tiresome to read. But I assure you, My children, better that you scan the pages of the message and receive the light than to occupy yourselves fruitlessly with pursuits of the world.

"You must understand now, upon earth now there is a division: the children of satan and the children of God. As this battle advances on, My children, there will be a true separation; for the homes will be divided: father against son, mother against daughter. Children shall rise up and put their parents to death.

"Slowly but surely man is erasing the true values and traditions. In this manner satan has dulled their reasoning, and sin has become a way of life, leading to murders in abundance, fornication, robberies, immorality, sodomy, and all manner of perversions, reaching even into the hearts of the young and the children.

"The evil has accelerated. The Eternal Father grows weary as you continue upon your road to destruction. You have now been abandoned to a reprobate sense. The Eternal Father has a plan for all, but all cannot enter into the Kingdom of Heaven. For many shall reject the Message from Heaven, and to their sorrow will find themselves unable to return to the narrow road that leads to the Kingdom.

"There are many false teachers and false prophets loosed upon the earth now. You will read and read again the words written by John, the Revelations to mankind.

"You must recognize the supernatural now loosed upon your world. The scientist will reject the supernatural; the scientist will reject faith; and in this manner shall mankind be led fast onto the road to perdition. Scientists are ever seeking but never coming to the truth.

ANNULMENTS SCANDALIZE NATION AND WORLD

"The Eternal Father has given mankind a set of rules, and in discipline they must be obeyed. It behooves Me to say that My heart is torn by the actions, the despicable actions of My clergy. I unite, as your God, man and woman into the holy state of matrimony. And what I have bound together no man must place asunder. And what do I see but broken homes, marriages dissolved through annulments! It has scandalized your nation, and it is scandalizing the world. Woe to the teachers and leaders who scandalize the sheep!

"Your nation has given itself over to murders. You despoil the creation of the Eternal Father with your murders of the unborn! You call yourselves as a nation enlightened. You have committed the most foul of deeds - murder!

"You have in your midst a group united to promote peace and security. You cry 'peace and security' and there is no peace or security; for there shall not be peace or security unless you follow the rules given by your God. Man shall not replace them by a man-made set of rules based on humanism and modernism. The way to Heaven is a simple way, and in your sophistication you reject it.

"You all go about with your heads in the clouds, saying that all are saved. And what are you saved for but the abyss! Who has saved you? Your bodies are the temples of the Holy Spirit, and what have you done but you have destroyed the temple.

"I say unto you: come out of the darkness, restore My Church to its former glory, cleanse your souls by penance. For if you do not choose penance of your own I will set upon you a far greater penance!

"My children, I do not come to set fear into your hearts. Shall I join the ranks of the deceivers and give you words of comfort in days of desperate times? Shall I not as a loving father admonish you and chastise you?

"My children of the world, listen and learn by the Message from Heaven. The time is growing very short. You will keep a constant vigilance of prayer going throughout your world. The power of prayer is great. Bring the knowledge of the truth of faith and tradition to your brothers and sisters. Plant the seed, nourish it with truth, and it will grow!

"My Mother will continue to counsel you in the days ahead. You must persevere, and when you feel yourself weaken you must repeat over and over again: My Jesus, my confidence! You must live now in the spirit. Take yourself away from the wiles of the world of satan. Seek pursuits of the spirit.

YOU WILL NOT BE AN OUTCAST

"You will not be an outcast. My own will know Me, and they will gather. You cannot serve God and the world, for you will soon grow and learn to hate one and love the other. And woe to the man who loves his worldly possessions so that he rejects his Faith and sells his soul to get to the head!

"There will be gnashing of teeth and much woe set upon the earth by 666, satan and his consorts. Protect your families, your children. Eat of the Bread of life. Do not allow My Church to close. I repeat: a Church in darkness wears a band of death about it. But you can save My Church by your prayers and your efforts.

VICTORY IS WITH HEAVEN

"My children, though these days can be called desperate, you are living in the times wished to be lived in by many saints; for they knew the challenge it was to their Faith, and they knew the value of living in these times for the redemption of souls for all Heaven.

"It is truly a battle of the spirits, My children. Wear your sacramentals, your armor. Do not despair, for despair is created by Satan. Be of stout heart, for the victory is with Heaven."

Veronica - Now Jesus is placing His hand in front of Him like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is turning to His right and He's going across the sky. He's just floating. He doesn't walk; He just floats across the sky. Just beautiful!

Now Our Lady is coming down. I didn't see Her standing up there. Our Lady is coming down through the sky. She looks absolutely beautiful, but very young and kind of petite tonight. She looks very, very young. And She's going over and standing by Jesus' right side. Oh, it's just beautiful! Jesus is looking at Her very lovingly. Oh, and Michael is coming down now. He's just encompassing the whole sky. He's so huge! Oh, and the light that's coming out of him - it's very hard to look into. But for the grace of God I'm sure I would be blinded.

Our Lady has, still has the garland of roses upon Her head, a crown. It looks absolutely beautiful! Now Jesus is bending over. He's extending His hand out like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is saying something to Our Lady. I can't hear. And Our Lady is turning now. She is going across the sky, and Jesus is following Her. They're directly over the statue now. And now They're heading towards the right. Oh, They're just beyond the flag. Now Jesus is bending down and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Michael is standing directly over Our Lady's statue. I can't see his face. I could never describe his face, it's so lit up. It's - there is no way I could describe it, but he's immense! I can't even figure out what kind of hair he has. It looks sort of metallic, a golden metallic color. Tremendous, though, he is.

Now Jesus is turning towards the right, and He's going high in the sky. He's just floating. Our Lady and Jesus don't walk; They just seem like They're weightless. They're carried up, up, up on the wind. It's, it's beautiful to watch.

Now Jesus is touching His first finger to His lips.

Jesus - "My child and My children, you will continue now with your prayers of atonement. Another set of photographs will be most revealing to you, My child."

May 13, 1978

Eve of Pentecost Sunday

Veronica - The sky directly over Our Lady's statue is a beautiful blue. It's a light blue. But high up into the sky there is a light coming forward, cutting through the darkness of the sky. Our Lady is directly in the center of the light. It's so beautiful! It's quite windy; Our Lady's gown is blowing now in the wind. Our Lady has on a very beautiful blue cape, a mantle that covers Her head completely; I cannot see Her hair. And the mantle goes down to the tips of Her feet. It's a very flowing mantle. Our Lady's gown is a brilliant white, a beautiful white. And about Her waist She has a sash, a very wide, deep blue sash.

Our Lady is coming forward with Her hands joined in prayer. She looks so beautiful, almost like a giant statue coming through the sky. Now Our Lady is taking Her Rosary from about Her waist, extending the crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is looking about. She has a smile, but a very sad smile upon Her face. Now Our Lady is kissing the crucifix, and now She's replacing the Rosary about Her waist. She's touching Her lips with the first finger of Her hand, which means to listen.

Our Lady - "My child, Our hearts are torn in Heaven as We watch man advancing faster into the darkness, deeper into sin. Man has now cast aside the knowledge of sin. He has found the way to rationalize away sin until sin has become truly a way of life for many.

"The greatest measure of responsibility for the loss of souls shall fall upon the clergy. My Son's House, His Church, is passing through a great trial; however, it is a time for testing for mankind. The eventual victory against satan shall be with My Son, for the gates of hell shall never prevail against His Church upon earth.

"My children, you must understand that man in his human frailties often succumbed to the mores of modernism. Countless times in the past the Spirit of truth came with the knowledge to man that the day would come when a great delusion shall descend upon mankind and cover the earth in a blanket of spiritual darkness. This day has arrived, My children. Recognize the forces of evil about you now. The man of sin, 666, satan, Lucifer, with all the demons loosed from hell, now are upon earth and do great battle with the children of God.

"The Holy City of Rome shall stand with the cross. Blood shall flow in the streets.

"My children, no country now shall be free from the evils of communism. My heart is torn, for I have come to you in countless appearances upon earth to warn you as Our children to avoid compromise with the enemies of God, though they come to you with smooth tongues, rationalizing their behavior. And because man has fallen out of grace, he will accept these lies and become enslaved.

CONSECRATE HOMES TO SACRED HEART

"My children, I have asked you all to consecrate your homes to the Sacred Heart of My Son for reason. You will need all of the protection available in sacramentals and graces to withstand the onslaught of this evil.

"I repeat again: all who conform to the mores of the world will die on the vine. And I say unto you, clergy in My Son's House: conform and you, too, will die on the vine!

"The forces of evil eye with greed the continent of Australia. The world's peoples are now the victim of a power thrust.

"All manner of promises were made at the Council in Rome, Vatican II. The road to hell is often paved with good intentions.

FREEDOM OF RELIGION IN COMMUNIST COUNTRIES A SHAM

"I have warned you in the past and I warn you again: you cannot compromise your Faith with the enemies of your God. In many countries throughout your world it appears, My children - and I say appears - that the Communist country leaders are permitting religion within their rule. This is a sham, My children, a cover-up for the fact that it is state-controlled. The propaganda machines send out much propaganda that deceives the public and those who are willing to believe all given out in the medias.

TV SCHOOLING CHILDREN TO KILL

"My children, you must exercise your God-given sense and knowledge. I warned you in the past that all medias are now controlled. Your children, by manner of the infernal boxes in your homes, the televisions, are being now schooled to kill, to sin. And many parents shall be murdered by their own children! And why? Because you all failed to recognize what is happening before your very eyes: your children are being programmed to kill. A steady diet of violence will lead to the spirit being dulled

and the sensitivity being dulled until even murder is condoned, with all manner of rationalizing for the commission of this sin against your God and all mankind.

"The Ten Commandments given by the Eternal Father were given for reason and must be followed by all, or you will set upon yourselves a firm and sorrowful judgment from the Eternal Father.

"My children, I bring you the sad news that only a few will be saved in the final count.

"You must hasten to try, and I say try and try again, to reach your brothers and sisters with the warnings from Heaven. Accept the rejection they give you, for many graces are given for these rejections you accept for the salvation of souls.

"The road to Heaven shall be covered with thorns among the roses. Pick up your cross and follow My Son along His way, not the way now that man is developing for the destruction of the soul.

"We listen to Our clergy, and We do not hear the words of God the Eternal Father coming from their lips. But they go around to and fro like chickens without heads, crying 'peace, love, and brotherhood.' They have a semblance of piety outwardly, but their hearts are dulled, their spirits are sickened by their quest for power, money, and the riches of the world and the comforts of the world.

"My children, parents of families, you must now accept the great responsibility for the salvation of your children's souls. When My Son returns, He will cry and cry again, 'Where shall I find the Faith?' Shall there be a flicker of faith left when He returns? The way you are proceeding, the world's people have become pagans, worshipers of false idols, engrossed in materialism, modernism, humanism, socialism - every manner of creation from satan.

"Those in power seek to form for man a utopia, a perfect world; man in power even seeking to create life on his own. He has rejected his God, O man of science.

"Man has not learned from his past, My children. He repeats over and over his errors, never learning from his past. And I cry out to you: remember Noe, remember Sodom!

"And woe to the pastor who will not commit himself to action to stop the crimes being committed against the young, as bands of homosexuals roam the streets of the world sodomizing young children. And why? Because justice has fallen into satan's hands.

"Satanic delusions have been set upon the governments of the world, even as they seek to remove from your courthouses the words 'In God We Trust.' It shall now be, 'In Man We Trust, For Man Is Our God!' Woe to the inhabitants of the earth! The just hand of the Eternal Father is poised to strike you.

"Scoffers, whose call in derision, 'And where is this punishment you speak of?' I say unto you: there will be much gnashing of teeth and weeping and woe set upon the earth, for many shall die in the cruel flame of the Ball of Redemption!

"You will pray for the Holy Father, Pope Paul, in Rome.

"Do not set yourselves to judge your brothers or sisters. Satan will seek division among the ranks. You will pray for those who have fallen away.

"My children - Veronica, My child, it is the wish of the Eternal Father that you seek many to give to the foreign missions of the world. This will best be accomplished by packages, My child. The sacramentals must be distributed throughout the world.

"You will all keep a constant vigilance of prayer going throughout your country and the world. Pray for your bishops. Pray for your priests. Obedience has now been distorted even to cover sin, My children.

"You will retain your Faith, for you will have only to stand before the Eternal Father over the veil, to account for your works and prayers upon earth. Remember, My children, when you pass over the veil, you can only take love and prayers with you.

"My child and My children, in relation to the photograph given some years ago, Jacinta 1972, Jesus wants it known to all. If you do not understand this miraculous photograph, remember this. The words of Jesus are: 'Consider this photograph as a puzzle for the human race to figure out. If not solved in due time, I will set the answer upon the world Myself!'"

Veronica - Now Our Lady is extending Her Rosary out with the crucifix like this, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is going over to the left side of the sky. Oh, She looks absolutely beautiful! The light is very, very bright. It's like a crystal-clear glass. I can't explain it. And it's shimmering. As Our Lady's turning I can see the graces that are falling from Her crucifix now, not just Her hands. They seem to be cascading out from the golden crucifix that Our Lady's extending out now. And She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now the sky is opening up, and I can see Saint Theresa. Oh, I'd recognize her anywhere. Theresa is coming forward, and she has her - a great many nuns with her. They're dressed in different habits; they're all very long habits. But I recognize her sisters, Theresa's sisters, with her. Oh, and now Theresa is raising her hand up, like this.

St. Theresa - "Remember, my sister Veronica, remember the missions."

Veronica - Now Our Lady is crossing across the sky to the right. She's just directly over Her statue. Theresa and the other nuns - they're all nuns - are following her. They're not walking; they're also floating across the sky the way Our Lady does.

It's like they're just carried along the wind. Our Lady is going now across to our right side, and She's bending over with Her crucifix like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Theresa is whispering something to her sisters. It's something about the secret. Our Lady now is touching Her fingers to Her lips.

THIRD SECRET OF FATIMA

Our Lady - "My child, they converse of the secret that I gave at Fatima. It is a simple explanation. It could not be fully revealed because of the drastic nature of My message. How I warned and warned that satan would enter into the highest realms of the hierarchy in Rome. The Third Secret, My child, is that satan would enter into My Son's Church."

Veronica - Now Our Lady is extending Her hand out with Her Rosary again and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is backing up. She's not backing; She's just floating backwards. And Theresa - and she is nodding her head.

[Pause]

The sky all about the trees has become a very deep pink. It's a beautiful warm color. Now directly over Our Lady's statue the sky is just folding back. It's like rolling away. It's almost like you could look into another world, like there is something just beyond, rolling back the sky. Just beautiful!

Now Jesus is coming forward through the center of the sky. It's like a door opening up. It's just beautiful! Jesus has nothing upon His feet. It's quite windy, because His gown is blowing about His feet. Jesus has on a long flowing gown. It's not white; it's like a beige color. And He has a deep tan - not tan; well, it's more like a brown, a deep brown sash, a belt about His waist. It looks like a piece of leather almost, a corded-like leather.

And Jesus' cape is a deeper burgundy color. It's like a deep pink-red; I don't know how to explain the color - burgundy. And it's caught about His neck with a gold braided string tied in a knot-like formation. There is a cape. As Jesus is turning now and looking about, I can see He has a hood on the cape, the cape which is very flowing, down to His feet. Now His feet are bare, and I can see the wounds on Jesus' feet. They're very, very red and very fleshy and sore-looking.

Now Jesus is holding up His hand like this. And I can see the wounds in His hands, but they look like they're bleeding. Oh, they are bleeding! Oh, my! Now Jesus is placing His hand out in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking about, and He is putting His hand up like this, motioning. And oh! Our Lady is coming down now from the sky. I didn't see Her where She was standing. But She's now descending from high in the sky. And Our Lady is standing now at Jesus' side. She looks very small, petite, next to Jesus. She's just below His shoulder, oh, about - oh, I don't know, about a half a foot below His shoulder. Jesus is very tall.

Now Jesus is taking His finger and placing it to His lips, which means to listen.

Jesus - "My child and My children, I speak to you with a heavy heart knowing that the Eternal Father has found it necessary to chastise mankind.

"For countless earth-years My Mother has come to earth with a message of warning to Her children. Needless to say, this warning made no impression upon many. It falls upon human nature, the oddity of human nature being that mankind can repeat his mistakes because he has not suffered in his generation the trial that fell upon a distant past degenerate generation. I assure you, My children, that the Chastisement that shall be set upon mankind in your generation shall be far worse than mankind has ever experienced since the beginning of creation! In the conflagration there will be little flesh left.

"As I made known to you through countless seers upon earth, the time is upon mankind now, the testing, the separation of My sheep from the goats.

"This testing was forced upon mankind by a fact that man in his human nature has given himself over now to corruption, immorality, and sin, a sophisticated sin far worse in its vileness than man has ever committed in the past. And I assure you, My children, with the Chastisement this sin shall not be committed again.

"The greatest sin that man has on his weakening conscience is a sin against the Holy Spirit. And this is being committed not only in lay life but in the ranks of My clergy.

"Pastors, I look into your hearts, and what do I see but many who have given themselves over to worldly pursuits and wantonness - given themselves to the destruction from pleasures of the flesh. I assure you that your vocation has not given you a special privilege to sin and mislead and misguide, for then you have cast aside your vocation and then become agents of hell.

"All who call out and cry to Me shall be received in the same meter of justice that they have given out by misleading My sheep. I say unto you, your time for atonement is running out.

"Sin is insanity, and this insanity shall set in motion the elimination of many nations upon your earth. My Mother has cried in the past for you to pray and do penance, or Russia would send her errors throughout the world.

"My children and clergy, you have taken it upon yourselves to destroy the Faith in the hearts of the young. And woe to any man who brings scandal to the children!

"The world, earth, shall pass through a great crucible of suffering. Many minor warnings have been given in the past, and too few recognized them as such. Death will become prevalent in your country. Murders, robberies, fornication, idleness through famine and drought. My children, all who are of well spirit shall pass through these times with perseverance. You must all follow the counsel of My Mother. She has been permitted by the Eternal Father to come to you as a Mediatrix between God and man. Her promise is true. She will remain with you, steadfast in Her promise. It is the will of the Father that She shall direct the children of earth in crushing the rule of Satan.

"Satan now gathers his armies. You must learn to recognize the faces of evil about you. They are living bodies with dead souls. And the eagles and vultures shall gather to pluck their bones when they become dead bodies and dead souls.

"The powers, the forces of darkness are great. You must use every sacramental for the safety of your soul and the well-being of your human body.

"Many shall be asked to sacrifice this body, My children, in the days ahead; but it is a fast and glorious trip over the veil, My children.

"Yes, My child, there is much now that must remain secreted.

"The ranks shall not be thinned among the workers. You will all continue the mission, which has progressed very well, My children.

"I cannot promise you a life of joy, peace, or prosperity in materialism upon earth, My children. Were it different I should permit it. But it has been a proven fact, My children, that riches have been the ruination of many souls. Therefore, you will all be cared for in the spirit."

Veronica - Now Jesus is extending His hand out like this, and making the sign of the cross with three fingers extended like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning with Jesus. Jesus is going across the sky; He's floating. Oh, He's just beautiful! The light is very pink now about Him. It was a stark white and like glass, cutting-glass like, fiery glass. I can't explain it. But now it's becoming a beautiful, beautiful warm pink. And it's all about Our Lady, too. It's making Her white gown look almost like a pink. She looks all encased in pink. It's just beautiful, the coloring!

And They are going across the sky now, and Our Lady has Her hands joined together in prayer. The Rosary is extended. I can see the very large Rosary extended between Her fingers. And now Jesus is over on the right side, completely over by the - over the tall tree. And He's bending down now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now They're going across. Jesus is turning. And now I can see Theresa and her sisters are coming down from the sky. They're joining Our Lady. Oh, it's just beautiful! They're joining Our Lady. Oh, and Jesus now is going across the sky. They just float. They don't walk; they just float. It's just beautiful. Like they have no weight, absolutely no weight. And they're going across the sky.

And Jesus now has stopped just between the tall tree and the banner, the flag. And He's bending over now, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now He's floating backwards; He's moving up backwards, and He's now taken His hand and placed it on His heart. And I can see the blood is coming now down from His hands. Oh, my!

Now Our Lady is now raising the crucifix of Her Rosary to Her lips. And now I can hear - She's speaking; Our Lady is speaking.

BLASPHEMY AND ABOMINATIONS IN THE CHURCH

Our Lady - "See, My child and My children, the sufferings inflicted anew upon My Son. These sufferings are increasing daily by the blasphemy and the abominations being committed in His House upon earth, His Church. His Divine Presence has been sullied. Pray, My children, for your brothers and sisters who are in deep spiritual darkness. Pray, for hell is fast filling up and purgatory is overflowing with souls. So few are entering into the Kingdom without long stays in purgatory. Pray a constant vigilance of prayer, My children.

"Penance is severe, My child, but at the end of penance there is a great joy. The world's children must know the value of suffering in the salvation of their souls and the souls of their brothers and sisters.

"Scientific man has found all means to alleviate suffering in the human race. But now the souls are sick, and what is science to do about that, My children? For all of their knowledge they have lost their beings.

"All who deny the living God are lost.

"The greatest force of evil now, Lucifer and his forces from hell, his demons, are loosed upon earth now. Satan roams in the body of a human being. His time is growing short, and he shall accelerate his evil to capture those who have given themselves to him. It is the point of no return for many.

"Eternity, My children, is forever. Your life upon earth is but a short pilgrimage. Why must you sacrifice the eternal joys of Heaven for a few short years upon earth? Nothing that you gain can save you unless you gather the supernatural graces from Heaven. They are your only passport into Heaven over the veil. Think, My children, what you are doing to yourselves.

"Do not expect your clergy now to save your children and your families. It is your responsibility now. Satan is in My Son's Church. Michael was cast out, and now satan has free rein to roam."

Veronica - "Yes."

May 20, 1978

Eve of the Most Holy Trinity

Veronica - The sky this evening has a beautiful dual tone of coloring, a gray blue bordering all of the trees about us, and as you go forward over Our Lady's statue the blue is shaded into a most beautiful hazy type of purple blue, which would signify a suffering set upon the world or suffering to an individual victim soul.

Directly over Our Lady's statue, high in the sky, rays of light are coming through. They're cutting through the darkness of the gray-blue sky. And in the center of these rays the sky is opening up, and Our Lady is coming forward.

Oh, Our Lady is so beautiful! The coloring of Her gown is a white, but it's a pure white, and there seems to be a light coming through the whole figure of Our Lady. She's coming from quite a distance, because I have to wait now. As She's approaching - Our Lady now is coming much closer - I can't see Her face because of the brilliant light. Oh, yes, now Our Lady is joining Her hands together, like this, in prayer. She has Her beautiful Rosary about Her hands. Our Lady is looking now to Her right.

And now She is pointing upwards to Her left, and coming down is Michael. Michael is - I didn't notice him; he appears sometimes without any warning of lights or call lights. Michael is standing there. He's looking about. He's tremendous now; he covers the whole distance from the right hand side, the first tree, completely over to the left. Now he's standing in a most unusual position with his wings spread far behind him. It's a fantastic sight! I have never seen Michael spreading his wings that way.

He's dressed in a long gown, and he has in his right hand a golden balance and in his left hand a very long spear. Now he is - now he's reversing the procedure; he is placing now the left - his right hand he has the balance, the golden balance, and he's shifting it now, and it's going into his left hand. I don't know how he does that. It's floated over; and in the meantime, while that was going over to his left hand, the spear is going now to his right hand. Oh!

Now Our Lady is motioning that I must listen carefully, as She places Her first finger to Her lips.

Our Lady - "My child and My children, My heart is heavy. All of Heaven grieves, for again the evil continues. Sorrowfully, the penance that is to come upon the world for the murders of the unborn shall be a chastisement far greater in severity than man has ever witnessed in the past nor ever shall pass through again. Your world is plunging into a deep chasm of suffering and destruction.

"A war far greater than any war fought in the history of creation shall come upon mankind soon. Flames shall engulf many nations, burning the skin from the bones, and the skin shall dry up and blow away as if it had never been! Eyes will see and still not believe that these are the fruits of their evil corruptive ways and loss of a belief in the Creator.

"My children, open your eyes! Open your ears and listen to Me! I have wandered about your earth crying as your Mother to listen to Me and act upon My counsel, for I have been given the direction to bring to you this direction to save you from the ultimate destruction.

"My children, your scientists say in their arrogance that they may control this disaster, and I say unto you: they are foolish in their search for knowledge, for they have been searching and never coming to the truth! Man of sin, man of insanity and destruction, you have made sin a way of life, and your fruits shall be death!

"My children, look about you and recognize the signs of your times. What was to happen in the future shall be now! And I repeat, shall be now!

"O My children, can you not gather for Me and your Creator? And I say this, My children, as a Mediatrix between God and man as deemed by the Eternal Father. My Son has asked that you listen. He has pleaded with you to remove the hardness from your heart. I shall not repeat My counsel; I shall not stress the need for repatriation by penance, for, My children, you are forcing a severe penance upon your world.

"Many warnings have been given to mankind, My children, and have passed by unnoticed as coming from your God. And why? Because you have cut yourselves loose from the cord that bound you with the Eternal Father - your birthright in baptism. You have severed the cord. You shall now float about in a void until you shall be sucked down into the chasm.

"There is still salvation for many. Prayer, atonement, and sacrifice I beg of you, My children!

"The armies of hell are gathering. They enter wherever darkness of spirit prevails. My children, 666, satan and his agents from hell, now have control in every country of the earth! And sad to say, now the battle rages in Rome, the Eternal City.

POPE PAUL APPROACHES END OF HIS REIGN

"Your Holy Father, Our child of suffering, Pope Paul VI, is approaching the end of his reign upon earth. How many shall be held responsible for the anguish which tore his heart? How many of you cardinals and bishops have disobeyed him in your arrogance and love of worldly pursuits and pleasure and power? The Eternal Father has looked into your hearts and found many of you wanting.

"Shall you stand, O Red Hats and Purple Hats, before My Son and say that your teaching has been pure in His sight? I say unto you: you cannot cover your sin. My Son looks into your heart, and you, too, who have received glory in your vocation upon earth - you, too, without merit, shall be cast into the abyss of hell. Woe to the teachers who have gone forward with itching ears, implementing, experimenting with My Son's doctrines and teachings, casting aside all tradition for a modern way. And this way is from satan!

"A delusion is allowed upon earth now. It is a manner of separating the sheep from the goats. All who have given themselves to satan shall accept this delusion, no longer having the heart nor spirit for truth and light.

"My children, you will keep a constant vigilance of prayer going throughout your country and your world. For those who have received graces in abundance, much is expected of them.

"My child, I must caution you now, for the peace of your spirit, to cast aside all that will be a hindrance to your mission.

"Remember, My child and My children, no matter what course you proceed upon, if you do not have charity for your neighbor, you have stopped in your progress to sanctity.

"Satan will attack and try to divide, and I ask you all to pray that satan has not singled you out to be the next victim. My children, much is allowed for your edification, and much shall be painful to you. But you will learn, My child and My children, in this manner. Experience is sometimes the greatest of teachers.

"You must learn, My child, though you have not been called a leader in nature, that there are times when discipline must be enforced. That is strength, My child, in discipline with heart."

Veronica - Now Our Lady is taking Her Rosary, the beautiful gold crucifix upon Her Rosary, extending it forward, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is turning to Her right side. Michael is following. He has his wings still outspread like a protective covering for Our Lady. It's just beautiful. And Our Lady is going over to Her right side. She's now between the tree and the shorter tree on the right near the, above the statue. She's extending Her hand out with Her beautiful gold crucifix of Her Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is turning. She looks very beautiful and very slender. Her skirt is blowing; it must be very windy. Now Our Lady is floating across the sky. She doesn't walk; it's as though She has sort of a private elevator, a spiritual elevator with supernatural - because She just stands there and She's just carried across the sky. Oh, Our Lady now is standing now directly between the short tree and the high tree on the right. She's bending over now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

MARK OF THE BEAST

Now She's motioning to Michael, and Michael is now pointing his spear down. I don't know exactly what that means, but it gives me a kind of a funny feeling. I don't know. It's not good. But he's pointing his spear down. And Our Lady now is pointing upward. And over Our Lady's head there is forming an emblem in the sky. It's a cross. It's silver; of consistency it looks like it's a color silver, like. It's a cross on a ball, and in the ball is that so-called peace symbol, the sign of the beast, the antichrist symbol of the beast. A cross, a ball - it's a combination of the cross and the peace symbol. Our Lady said it is the mark of the beast.

Now Our Lady is kissing - very beautiful! Oh, so lovingly - the crucifix of Her Rosary. Now She's extending it out, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Continue, My child and My children, with your prayers of atonement. They are sorely needed for your Holy Father in Rome."

[Pause]

Veronica - The sky all about the trees has a pink glow. It's a soft warm glow. And directly surrounding it, upwards in the sky, there have been blue colorations almost like the call lights of Our Lady that appear before Our Lady is coming through the sky. It's a beautiful combination. The pink coloring is a warm, soft - I can't explain it - it's a true pink, a beautiful soft pink, very - not a pastel shade; almost like a smoky pink coloring.

And high in the sky, the sky is opening up. Tonight it seems to be folding away as though it's rolling back, the sky. Jesus is coming forward. I can see His feet are bare again this evening. Jesus has on a long cape; it's a burgundy-colored cape. And His gown is a beige color. And Jesus has a twined rope - it appears to be rope of some kind, hemp or something, about His waist, and it's hanging down like a sash.

Jesus is now placing His hand upon His heart, like this. And as He has done this - I don't know if it's the pressure of His hand against His heart, but the wounds upon His hand - the wound is bleeding. It's, it must be very painful.

Jesus is now coming much closer. He's standing now directly over Our Lady's statue, and He's looking down. He looks very calm and peaceful, but sad. Now Jesus is looking about. It's windy, and His hair is blowing. His hair is quite long and looks

like a reddish brown. Of course, it could be the reflection. The light is so brilliant that I'm certain - normally I don't think I could look long into the light. It's so piercing - like cut glass! It's very - I can't explain it; it's a very dense but crystalline type of light. Now Jesus is touching His lips with His first finger, which means to listen and repeat.

Jesus - "My child and My children, a long discourse with you will not be necessary at this time. However, I wish to instruct you in the course of your life upon earth at this time.

DEVIOUS AND INSIDIOUS EVIL

"There are many deceptions taking place among you, and one being the falsification of the manner of the salvation of souls. When I was upon earth, I established the rules and I gave you My Church, My House. However, now I watch as many have gone forward with itching ears and novelty, and they are setting upon the world a new religion. Though their hearts may have started with good intent, this novelty and experimentation - My children, I assure you, what you are calling 'Pentecostals' and calling down upon you the 'Spirit,' it is a devious and insidious evil created by satan to take away from you the knowledge and the need for the institutionalized Church.

"My children, you must understand that satan is at war now with My children and will use every means to close My House, My Church upon earth. The war now is entered upon Rome. There must be direct application of prayer, and knowledge applied through the Spirit of your God.

"My children, understand that, with all of your modernization and your intent for good, you have been deceived by satan. Humanism and modernism is bringing about bad fruits, My children. A great measure of responsibility shall be given among those in My hierarchy in My Church that have allowed these errors to come in.

"The suffering victim soul, your Holy Father, Pope Paul - he accepts his suffering with good heart. And there are many Judases about him who parade themselves as angels of light, but they have ravenous hearts of wolves. In disobedience they have used their rank to destroy from within. It was not in vain that Our Vicar cried out to you, 'There must be cracks within, for the smoke of satan has seeped in.'

"Much that you read in your medias of communication, press, and your infernal machine, the television, has been monitored by the enemies of your God. The arms of the octopus are reaching out to ensnare the world, bringing you closer to a war that will end all wars with the destruction of flesh upon earth.

"You cannot in your human nature understand the plan of your God, your Creator, but you can with your inborn conscience know in your hearts that you have misled, O bishops and cardinals, Our sheep! Turn back, I say unto you, for you shall be punished.

"My Mother has been given a fond role among you as a Mediatrix between mankind and the Eternal Father.

SIGNS AND MANIFESTATIONS IN THE DAYS AHEAD

"The Spirit of light and life will come down to aid you in the battle ahead. You must all open your hearts. Keep your eyes cast always upward to Heaven, for many signs and manifestations shall be given in the days ahead. However, you must test the spirits, for this is a game, a war far deadlier than any human war placed upon mankind. It is a war of the spirit world.

"My children, you must understand, in order to deceive you, satan has set among you in human form teachers who will take from you the knowledge of the supernatural. Being of the spirit world, which is unknown in sight to the human eye, you must understand that he, satan, and his legions of demons loosed onto earth now from hell, must remain hidden to advance in their dastardly work.

"My children, you will keep your sacramentals about you and upon your person. They were given to you for reason. Do not allow the scoffers to intimidate you and have you remove your safety and your armor, for satan has his agents now in human form.

"You will all keep a constant vigilance of prayer going throughout your country and the world. Already, My children, My own have been marked, and My own will know Me.

"As disciples of the Eternal Father in these latter days, My children, you will go forward with the message to your brethren. Do not be concerned by rejection. You must expect rejection, for it is better, My children, to expect less, and then you will receive more with a glorious and lightened heart.

TELEVISION

"My children, I caution you once more to watch carefully the lives and recreation procedures of your children. The infernal machine, your television, must be monitored in your homes, if you must have them. My Mother had suggested for your welfare, not forcefully but in obedience, that you remove these infernal machines. However, as parents you will monitor them for your children. And woe to the parents that neglect this duty, for many parents shall be slain by the young.

"The knowledge of sin is extinct among you now, for sin has become a way of life. Children shall rise against parents; murders shall be rampant. This is all the result of the bad fruits that you have sown, My children.

"The Eternal Father watches. His hand is ready for the release of the Ball upon you. It is in the atmosphere, My children.

"Cast aside the scoffers who intimidate you in your work of the mission, My children. Pray for them, but do not allow them to disturb your peace. Go forward, and whatever you will suffer, you will accept as penance for the salvation of souls upon earth.

"The numbers of souls can be counted in the few at this time, who will enter directly into the Kingdom of everlasting light and love, for the numbers of souls now entering into hell are as numerous as the snowflakes that fell from your past winters! And there are many mitres now among them.

"Pray, My children, for your priests, your bishops, your cardinals. Too few pray for them, for in their awe and their knowledge, they believed in the past, My children, that these hierarchy had a special passport to Heaven. No, My children, they have a human nature also, and human frailties, and must be protected by prayer and penance and sacrifice, and this means the prayer, penance and sacrifice of others also, for them.

"In your charity of heart, in your love of human nature that We hear man speaking of as he falls into the errors of modernism and humanism - true love lies in prayers and sacrifice for an individual, for when you come over the veil, I assure you, it is only love and prayers that can follow you."

Veronica - Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming down. I didn't see Her standing over on the right side, but She's coming down through the sky. Michael now has closed his wings. It makes him look a little small. He's quite large, but he looks a little small with his wings down. And he is behind Our Lady and Jesus, and covering the whole - almost three-quarters of the sky above us. And Jesus now is floating over to His right side, our left side. Our Lady is following behind Him. She looks very frail this evening, Our Lady. And Jesus is placing His hand out like this, looking down, and blessing the people: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning. It's very windy. Our Lady's skirts are being caught, too; they're blowing heavily. But Our Lady has a very, very full skirt. It's very noticeable when the wind catches it. And now They're crossing the sky; They're just floating across. It's so wonderful, the way They move without even, like - it seems like moving! I can't explain it. They just go across the sky, carried like on the wind, like They're weightless. Just beautiful! Yes, They look very solid except for the light. Now Jesus is cutting across, and He's come over to the right side, and He's looking down and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady's standing there. She now has joined Her hands in prayer, and Jesus is nodding in agreement.

Jesus - "My children and My child, remember: a constant vigil of prayer. Prayer, atonement, and sacrifice for all mankind, My children. And remember, My child, the message is for all mankind."

May 27, 1978

Eve of the Queenship of Mary

Veronica - The sky is a very deep blue this evening, and all about the trees there are lights coming out of the sky. They're a lighter blue. Our Lady calls them call lights. It's like a signal. I wait for the call lights, and when Our Lady's about to appear these lights appear in the sky. They can be found, Our Lady often said, on the photographs that people are taking.

Our Lady is coming through a tremendous outpouring of light. It looks almost like - oh, the light is forming almost like a monstrosity, like you get in Benediction, a beautiful monstrosity. I can't explain it. That's the way the light is shining, as though something tremendously golden has sent out the rays. The rays are gold, they're not a white. They're a beautiful gold. Now Our Lady is coming through the sky. I can't explain it. She's not walking; She's being carried on the wind, I guess it is. I don't know how God does this. It's just - Our Lady is weightless.

Now Our Lady is descending down; She's floating down. Oh, She looks very beautiful! Our Lady is dressed like a queen. Very beautiful! Oh, She has on a beautiful white, pure white gown and a gold belt. I never saw this before. Our Lady looks absolutely regal! Oh, beautiful! She has a gold belt about Her waist, and Her cape is a white, but the gold trim is much wider, I would say, judging - about two inches all about the border of Her mantle.

And on top of Her head - the mantle covers Our Lady's hair and head - She has on the most beautiful golden crown. The crown is like circular - oh, beautiful, with a large gold cross on top of it, and the crown is filled with jewels. It is beautiful! The colors of the jewels - they're white, a glowing crystal clear light type of - I don't know - you'd say diamond, but this is different. It's really brilliant. And all on the crown are different colored stones. They almost look like cut glass. They're absolutely beautiful! I never saw any like this; they're - I never saw stones like in the crown. Just beautiful. They're all like on the headpiece. It sets down on Our Lady's head, coming forward onto Her forehead.

Now Our Lady is placing Her hands together in prayer, like this, and I notice that Her Rosary, the Rosary with the golden Our Father and the beautiful Hail Marys, are hanging very low. They're very heavy-looking beads, and the beads are very large. The Our Father bead is golden, and the Hail Mary beads are now - I'd call it a white, but as Our Lady is turning, they look more like pink and blue. They're reflecting lights. They're beautiful!

Now Our Lady is floating down, and behind Her in the sky I can see Michael coming forward. He's a tremendous size! I'm always really awed by the size that Michael is. It's beyond words to describe. So beautiful! Oh, Michael is also dressed in a flowing white gown, but due to his size it makes almost like a tabloid behind Our Lady, because She's like silhouetted right against the huge form of Michael. Beautiful, Saint Michael!

Our Lady now is taking Her Rosary and putting it into Her belt, the beautiful golden belt. It's like spun gold. I never saw anything like that spun gold in Her belting.

And now Our Lady is touching Her first finger to Her lips, which means to listen and repeat.

Our Lady - "My child and My children, the world is in great crisis now, My children. The battle rages in the hearts and actions of mankind now. It is truly the war of the spirits.

"My child, I have asked you to go without sleep, but, My child, have no fear. You shall not be laid low by this lack of sleep. There is reason for it. Penance is always difficult, My child and My children, but at the end of penance is a great joy.

ROME IN A STATE OF SIEGE

"My child and My children, Rome is in a state of siege now. You must all pray for your cardinals and your bishops. Because of the love of money, because of the seeking for worldly riches and gain and power, many are selling their soul to get to the head, and they wear the red hats and the purple hats.

"My children, because there are too few prayers and acts of penance, the Eternal City of Rome is under siege. Communism shall be the scourge of all mankind, but it is only one arm, one talon of the octopus. There are many forces in the world other than the major force of evil.

"It is sad to say, My children, that mankind by his actions shall bring about his own destruction.

"It is most difficult, My children - I understand, as your Mother, the difficulty you have in offering yourselves as victim souls for the repatriation of mankind. You must all make yourselves insensitive to the mockery and the abuse from others who have entered into darkness and refuse to allow the light to come in.

"My Son, in His travels upon earth, was rejected. Many scoffed and even cast rocks at Him. This did not discourage Him upon His way, for He was in all obedience with the Eternal Father and the Spirit of life and light, and He always kept His heart and His eyes upwards toward Heaven. His goal gave Him His strength and His perseverance upon the way.

"My children, you must understand that many are called but few are chosen. I cry from this knowledge, for it is My purpose to come to you as your Mother to save all of Our children. But this has never come to a reality because, My children, many have allowed their hearts to become hardened. Their ears are closed, and they only open their ears to listen to all of the

heresy, to all of the modernism and humanistic tendencies, even coming to them from their teachers, even in My Son's Church, His House upon earth.

"My Son is the door to His Church. Unless people enter this door to visit with My Son, they shall not receive a grace. Because many who enter are thieves and robbers, not only seeking to destroy souls, to steal souls from the Eternal Father for satan, but they seek after worldly treasures. My Son's House is becoming a den of thieves. My Son calls to you as His faithful and true disciples to rid His House of these thieves who despoil His Body.

"I have visited My Son's House seeing all of the abominations being committed in the name of peace, love, and brotherhood, a delusion and deception upon mankind from satan. For no love or peace shall come to mankind unless he places his God first and above all men or man.

DOCTORS HAVE BECOME MURDERERS

"In your errors and your darkness of spirit your scientists and your men of great knowledge are seeking to build a utopia upon earth for man. You are feeding his body and starving his soul. No man of science can keep that body eternally alive, but that is not the object that's important. Man of science must recognize the supernatural and the existence of a God, and as such, do honor to God the Father. He must, as a man of science. And doctors in the world, you must do good and cure honorably. You have become murderers! You have used your profession to destroy the unborn. Woe unto any man who has any measure of involvement in the murders of the unborn!

"The spirit of life and light enters into the body at the moment of conception, and you take these creations of the Eternal Father and toss them into garbage pails. Is this what you think of life - a piece of garbage? As such if you consider life, the creation of your Father in Heaven, as a piece of garbage, you all shall be treated as a piece of garbage and rot.

"My children, if I could take you with Me in My journey upon earth, and you should witness the atrocities being committed in the name of science and advancement and humanism - and love! What man knows the true meaning of love! Words - that is all they are, My children - words to cover the evil hearts!

"You must pray for your bishops, for the greatest attack now from satan and his agents - the coalition of 666 - the greatest attack now is upon My Son's Church! The forces of evil are supernatural now, and as such, My children, human scientific means cannot stop these forces. You must also fight them with your supernatural armor.

"My children, if I could take you with Me and allow you to look into the abyss, I assure you with - though I count three who come on the journey, two could not withstand the terror and the fright; their hearts would surely stop on viewing this scene in the abyss: torments and endless torture, both of feeling conscience and body!

NO REINCARNATION

"My children, also remember and alert your brothers and sisters that a great error among all the errors is the knowledge that scientists produce of reincarnation. No, My children, there is no reincarnation for mankind! When he dies and goes over the veil his spirit, the living part of him, the eternal living part, shall be given its just reward, judged only by the Eternal Father as the final judge.

"Only on certain missions shall the Eternal Father return some to earth, but not to accept another human body. I give you this simple illustration, My children: if it were true that the body enters and re-enters upon earth into another body, at the end of the judgment, the final judgment, when your spirit, soul, shall be re-entered into the body it had upon earth - if it were true that you had six or seven or more bodies, which body shall get the soul, the one and only soul?

"My children, your doctrines of faith have been given to you, the dogmas of your religion, and you cannot change them without bringing destruction upon yourself and My Son's Church.

"My Son died for mankind upon the cross - He died for all men, but all shall not enter unless they are converted from their sins. The word 'many,' My children, is always more appropriate, for all have not entered and all shall not enter into the Kingdom of eternal life. Many have fallen into hell, forever damned.

"You will all keep a constant vigilance of prayer going throughout your world and your country. Parents must be vigilant in the homes. Make them a true fortress against the evil that lurks outside your door.

"Your world, My children, is now filled with demons. They will promote accidents that are not accidents, destruction, and even false miracles in the air. And I repeat to you, My children: your UFOs are not unknown to your God, for they come from satan. They are one of the false miracles of the latter days. They are vehicles from hell, transporting demons. Though these demons of the spirit can act upon their own, I cannot, My children, give you full details at this time on the reason for calling them transports from hell. In time this will all be given in knowledge to you.

"You must read your Bible every day, even a short verse, My children. Read your Bible and learn by it. The Revelations, the Apocalypse of Saint John, the scrolls are unfurling.

"My children, you will all go forward as bearers of the light with My Son. You will all carry the banner Faithful and True. Do not be dismayed if you cannot understand the Apocalypse at the first reading. You will pray for the Holy Spirit to enlighten you, and your eyes and your hearts will be opened to the knowledge."

Veronica - Our Lady now is taking Her Rosary like this, with the golden crucifix, a beautiful golden crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is smiling. It's a very sad smile, Our Lady - a very sad smile.

Our Lady - "You understand, My child, My heart is heavy. And I would seek to frolic with mankind, and join the children in their play, even, but this is difficult with so many souls falling into the abyss."

Veronica - Our Lady now is crossing over to our left side, Her right side of the sky. She's leaning down and making the sign of the cross with Her Rosary: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning to the left, and high up in the sky I see a cross, a most illumined white cross in the sky. Oh, it's brilliant! I don't know if it's made of glass. It's very, very brilliant, and it's becoming larger, covering the whole sky directly over Our Lady's statue high in the sky. It's most beautiful! It's like looking through a window pane of glass. Oh, my!

Now Our Lady is coming across the sky, and She's now reached about the upper branch of the tree on the right. Our Lady is bending over now, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My child and My children, continue now with your prayers of atonement, and be in quiet of spirit."

[Pause]

Veronica - The sky is growing very pink all about the trees, and the color - it's a beautiful warm color, and it's spreading upward, forming almost a circular pattern, leaving directly over our head a round circular blue section of the sky. I can't explain it. It's like the pink is radiating from a host, like a huge host-like formation in the sky.

Now directly in the center, I can see Jesus coming forward. His feet are bare, and He still carries the terrible wounds on His insteps. I can see the wounds. Now Jesus is floating down. Oh, He has a staff now. I think they call it a bishop's crosier - one of those with a hook on the end, you know - a round long staff like shepherds use. He has that in His right hand, and His left hand is placed over His heart. I can see it, like this.

Now Jesus' hair is blowing. His cape has fallen over, you know, from His shoulders. And it's quite loose, the cape, because the tie at His neck, which looks like a golden cord, has slipped a little. And I can see Jesus has on a very full gown. It's even sort of pinch-pleated at His waist. Jesus is very tall. Oh, yes, I believe He must be six feet tall. He's very tall. And the light is very brilliant.

People often ask about Jesus' face. He has a beard, a very nicely manicured type of beard, coming to a point. It's solid, and His cheeks look rosy. Yes, it could be the reflection of the light. They look rosy. He's quite amused at what I'm saying, because He's smiling.

Jesus' eyes are very brilliant. Oh, my! They're, I guess, gray-blue, they look like, but it's so bright I can barely distinguish the color. Jesus' hair is parted in the center, and His hair is a - I believe a deep brown. He's turning now and looking about, and as the light sort of reflects in His hair, sometimes it looks sort of like a dark brown and other times it looks reddish brown. I think it's the reflection from His cape or the pink coloring.

Now Jesus has the crosier, which He's placing now in His left hand. And Jesus now is placing His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing the bishop's crosier, the staff, over by His right side. It's just standing there in mid-air. Oh, my! Now Jesus is gathering His cloak about His shoulders, and He's placing His hand over His heart.

Now He's taking His first finger like this, which means to listen and repeat.

Jesus - "My child, you will mention the difference in the speaking and the thought transferral."

Veronica - When Our Lady speaks, I've noticed that Our Lady speaks like you and I, with Her lips moving, but when Jesus speaks He doesn't move His lips. It's His eyes; it's - I can't explain it - Jesus doesn't move His lips. Whatever it is He puts it right into the thought - the words, everything, without even moving His lips.

Jesus - "Repeat, My child.

"My child and My children, children of the world, recognize now that the time is growing short. You must work now with great diligence and fortitude.

"My child, a worker shall be removed from your group. Do not despair. He is saved.

"Many victim souls are being offered to slow the disintegration of My Church in Rome. I say disintegration, because the red armies are gathering within the portals. As My Mother has counseled you, My children, many have sold their souls to get to the head. How many times have I shouted warnings to My hierarchy! How many times has My Mother passed among you,

crying out to you, crying from the rooftops! My children, She has shouted, for the day is upon you now and the darkness is growing deeper, darkness of the spirit.

"Repeat, My child, the message given to you in the past for all mankind.

The end is not as far as you can see;
Already there is apostasy.
Man cast his lot and gathered the coals
To stoke the fires that burn the souls.
The days are numbered, the hours are few;
So work and pray and try to do
The work that's given in the light,
Until that sad time when all is night.

"My child and My children, many messages are given in prose for some, and in straight writings for others. You must remember, My children, not one human being accepts it in the same vein.

JACINTA 1972

"The photograph Jacinta 1972 was given to mankind as a puzzle for the human race to figure out; and I say and repeat again to you: if not solved in due time I will set the answer upon the world Myself. Jacinta 1972.

"My Mother came to you at Fatima warning that unless man stopped his path to perdition, Russia would spread her errors throughout your world causing misery, sufferings, and death and enslavement. My children, you did not listen and act upon Her counsel then, just as many now do not listen and act upon Her counsel. It is a part of human nature to exercise too free a will to reject. And this, I say, falls also onto My pastors who are scattering My sheep in My House.

"No man shall deem himself beyond a just punishment for his actions without repentance. Bishops and cardinals, shall you stand before Me and say that your teachings have been pure in My sight? I say unto you that you have degraded your vocation. You have turned many away from the portals of My House upon earth, and as such I shall call you unto Me and reject you as well as you have rejected the Spirit of life.

POPE PAUL TO RECEIVE HIS REST

"The Holy Father, Pope Paul, shall be removed from among you. He has been long-suffering and will now receive his rest. Woe to you, O mankind, for you shall accept the prime advocate of evil, and you shall seat him upon the Seat of Rome!

"Woe to you, O mankind, for the eagle shall gather where the bodies lie. Woe, woe, woe to the inhabitants of the earth!

"All who are of well spirit will pass through these times with great perseverance in the knowledge that the victory with the final curtain upon mankind shall be with the Eternal Father and all of the peoples inhabiting the Eternal Kingdom of the Father in Heaven.

"My children, the Eternal Father has been also long-suffering in your slights against Him. He has allowed you now to proceed upon your course, and this course is leading you to your own destruction. Shall you all be vanquished by the Ball of Redemption? Is this what you are asking, death by fire, a baptism of fire upon mankind?

"Sin is insanity, and one sinful man shall set the world aflame. A world on fire and nations disappearing from the very face of the earth!

"Many shall be removed in the rapture. My children, the Eternal Father has a plan for each and every life that He has placed upon earth.

"The way, a simple way, was given to mankind. I gave the keys to the pastors of My Church, My House upon earth, and these keys have been tarnished through greed and avarice and the lust for power. My House now is producing bad fruit, and I shall soon shake the tree. All that is rotten shall fall! Remember, My children, the world and My Church shall not be as one. Conform and you will die on the vine!

"I ask you this: do not abandon My House, My Church. Remain in your parishes as an example. If you unify against evil you can vanquish this evil! If you run away, you leave My Church open to thieves and robbers! Shall you deny to your brothers and sisters the opportunity to enrich their souls with My Body and Blood? The parish church must remain open. I shall be there with you, though man is desecrating in his rituals. I shall be there always with you.

"Do not abandon Me at the tabernacles of the world. I am your Bread of life. He who eats of Me shall have life. Without Me you will only find death, death of the body and death of the spirit, My children.

"Parents, save yourselves the anguish of heart: teach your children now. Give them a firm foundation of their Faith. Many young people are taking their lives because they have no faith. And the way the world progresses, My children, when I return to earth shall I find even a flicker of the true faith left?

"You will all read the writings of John, the Revelations, your Apocalypse, and learn by it. You will not be left without knowledge of your times. You are passing through the latter days, the days when many saints shall come out of the great conflagration.

"Pray, My children, a constant vigilance of prayer. Wear your sacramentals. Reject the scoffers. Remember, My children, those who scoff will either not understand or be lost. Perhaps in your charity you will all make a special effort to convert the unbeliever."

Veronica - Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is turning. It's getting very windy. His cape is blowing out.

Our Lady is coming down now. She was over high on the right side. I didn't notice Her at first, the light was so brilliant around Jesus. Our Lady is coming down now. She's joining Jesus; She's standing right at His left side now. And Jesus is cutting across the sky. He's just floating. He doesn't walk, He floats. It's beautiful! It's just like They have no weight. Absolutely beautiful! And now Jesus is looking down. Our Lady is smiling. She has Her hands joined in prayer like this now, with Her Rosary draped from Her fingers. She looks very beautiful. And She's standing there now, not moving; She looks almost like a statue. Just beautiful!

Now Jesus is placing His hand out like this, leaning down and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is turning and She's nodding Her head. And Jesus is now cutting across the sky. He's over now on our right side directly by the tall tree, and He's bending over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is touching His lips.

Jesus - "My child, as I told you yesterday in Our discourse before your sleeping - for your short duration of sleep, My child - I will now accelerate the miracles of cures. It will make the road ahead less difficult with your bishop."

Veronica - Now Jesus and Our Lady are turning now to Their right. They're coming back directly over Her statue. Oh, They look so beautiful! I wish everyone could see Them. Over Our Lady's statue, high in the sky, Jesus and Our Lady, They're just standing together. Our Lady is much smaller than Jesus. He's so tall. Our Lady comes just a little below His shoulder. Our Lady is smiling now, and She's kissing the crucifix on Her Rosary. Oh, and Our Lady is extending Her Rosary out, and making the sign of the cross. Now They're both rising high into the sky. Oh, it's just, it really is tremendous to see the way They float upwards. Now Jesus is nodding.

Jesus - "Continue now, My children, with your prayers of atonement."

May 30, 1978

Eve of the Visitation of Mary

Veronica - The sky is a very deep blue this evening, and all about the trees there is a glimmer of star-like light. I can't explain it to you. It's like a cut-crystal glass, almost like diamonds are glowing all about the trees, like miniature stars. It's very, very beautiful. And directly over Our Lady's statue there is like a formation of stars. I can count them; they're clustered together, almost in a crown-like formation: one, two, three, four, five, six, seven, eight, nine, ten, eleven, twelve stars. Now there is a circlet of light beneath the stars, and Our Lady - I can see Our Lady coming forward.

Oh, She looks very beautiful. Oh! Oh, She's so beautiful! Our Lady is holding both Her hands out in front of Her. She has on a blue, a beautiful blue mantle. It's a light-colored blue, a heavenly color. I can't explain the color. It's a magnificent blue shade. Our Lady has a white gown beneath it. As She's extending Her hands out, both in front of Her, I can see that the gown comes all the way to Her wrists. It's a very full gown, billowy, very flowing. As Our Lady is coming forward, Her skirts are being caught in the wind. She has a blue sash about Her waist. Oh, She's so beautiful! Our Lady's feet are bare.

Our Lady is now taking from about Her waist Her Rosary. It was dangling from Her right side of Her waist, from Her belting. The belting is a deep blue, a little bit darker than Our Lady's mantle. Our Lady now is extending Her Rosary out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is kissing the crucifix. I can see - oh, dear! I can see two great big tears coming down from Our Lady's eyes.

I can see now, coming out of Our Lady's gown in the front - I don't know; it's, it's very startling - I see a heart, a very large red, pulsating heart coming out upon Our Lady's chest. And there is a sword, a short sword that has a silver handle like a cross, and it's into the heart and coming out at the bottom. [Veronica sighs as if in pain.] I can't look upon it. It's startling, it's frightening, it's horrible. It's like a human heart being pierced by a knife.

Now it's growing very dark. I can see the sky being plunged into a deep darkness. And now Our Lady has vanished, and there's a huge cross forming above Her statue. The cross is a brilliant white. The sky is very, very black, and the cross is a brilliant white, illuminated like it's a cross that's come through the sky.

Now the sky is parting. It's like the daylight coming through. And there's a tremendous explosion, a tremendous explosion like a bomb has hit! It's frightening.

Our Lady is now coming down on the left side of the sky. I don't know how She disappeared from the sky. She's coming down on the left side. And now She has Her Rosary in Her right hand, and She's pointing up with the crucifix like this, towards the center of the sky directly over Her statue. Our Lady's standing on the left side.

Now She is touching Her lips with the first finger of Her hand.

Our Lady - "My child, I do not expect you to understand the full import of this message I have given you in sight, but know, My child, that satan knows that the almighty Father in Heaven has sent Me to you to fight the good cause of saving the children of God from satan. Satan now seeks to defile everything holy and sacred to My Son.

"Satan will use human beings who have become walking shells and dead spirits to trample the meaningful cross of My Son beneath their feet. As you seek to harm the Mother, you hurt the Son, and in this manner shall you be repaid measure for measure for your evil.

"Because as a generation you have given yourselves over to sin and abominations even reaching into the House, the Church of My Son, you bring upon yourselves a just punishment. All who remain of well spirit will have nothing to fear. They will go through the approaching trials with great confidence and love for My Son.

CHURCH TO BE DIRECTED FOR SHORT TIME BY SATAN

"The Church of My Son, that is being stripped of all holiness, shall emerge with the world and the world's leaders to be directed for a short time by satan.

"I have asked you, My children, to pray for your Holy Father, Pope Paul, in Rome. Already those in command, who have assumed command by fraud, are planning his successor, and he shall be the agent of hell.

"Do not go about disparaging your Holy Father, Pope Paul VI. He is not the Antichrist. You are deluded in your reasoning if you place this title upon him. He is not the Antichrist pope. The next one shall be he.

"My children, as parents you must now protect your children. My Son's House, His Church, is being stripped of all holiness, the destruction of its doctrine, tradition, paving the way for the ultimate goal of those in the power of satan to destroy My Son's Church by creating a church of man. They are rebuilding slowly while awaiting the next conclave. They are preparing the way for the destruction of all mankind, for when the Church and the world become as one, you will know that the end has come for mankind.

"My children and My child, I know of your great sorrow. They cannot crucify Me any more, My children, with all of their blasphemous slander. My Son has suffered all at their hands. His heart, His wounds have bled over and over because of the sins of mankind. Your generation has become a perverse generation, crying out to Heaven for a just chastisement.

"Your world shall soon be visited by a baptism of fire. Is this what you want? You shall not escape this baptism of fire, for sin is insanity, and one insane mind shall plunge you into a bloodbath and the destruction by fire.

"I shall not spend precious moments of prayer now repeating My counsel to you: prayer, penance, and atonement for all mankind now. The few have held back the Warning; the few have gained time for many more to turn back and be saved. And I repeat to you, My children, the sad truth that only a few shall be saved in the final count - only a few!

"Bishops and cardinals in My Son's Church, you have fallen asleep. You go about with your heads in the clouds, dusty clouds, dark clouds that blind you. Awaken from your slumber while there is time. The time is growing short. How many earth-years do I come to you to warn you? You cannot hide the truth now, My children and My pastors. It is too late. The time of the Apocalypse is upon you; your days are numbered. You must save now your soul and the souls of all under your care. Convert the unbeliever while there is time.

"My children, the Eternal Father in the Trinity has deemed it well that I come to you as a Mediatrix between God and man. Having been a mother upon earth with a human nature also, I understand your failings; I understand your trials, but you can rise above them with prayer and acts of sacrifice. You, too, can be recovered if you will try and ask to be saved. The Eternal Father has created every living being upon earth, and as a good Father, a loving Father, He wishes that all are saved. But it is a sad truth, My child and My children: though He wishes all to be saved, only a few will be saved.

"He died, My Son, a torturous death of heart and body upon the cross, for all. But only many were ready, and only many could be called.

EARTH WILL SHAKE, HOUSES CRUMBLE AND FALL

"Parents, reject now your worldly pursuits for power, monies, material gatherings. They are worthless! For soon the earth will shake, houses will fall and crumble, gold and silver shall be melted in the tremendous heat of the Ball of Redemption. They will be naught to you all, as nothing to mankind. Your only covering shall be prayers and your acts of sacrifice. So gather now your treasures for Heaven, for everything upon earth shall be leveled!

"My children, you did not believe Me in the past when I counseled you that many nations shall disappear from the face of your earth. This will be, My children, and will come about in a short time. This generation shall not pass without many nations disappearing from the face of the earth.

"I come to you as a sorrowful Mother, a heart plunged in pity for Her children, children who have become blind by pleasure, blinded by the pleasures of the world. You do not see beyond your life upon earth, a temporary existence only, My children. You will live forever over the veil, in the eternal Kingdom of your Father in Heaven, or you will be claimed by satan for his kingdom.

"My children, many are now waiting to enter Heaven having spent many earth-years in purgatory. It is a place of purging. My children, accept your sufferings for your Faith upon earth, and you will escape a long duration of purging in purgatory. Many shall be put to the test, My children, for it is the day of the gathering of the saints, the latter-day saints.

"Pray a constant vigilance of prayer in your homes, and keep these prayers going throughout your country and all of the countries of the world. Hold back the darkness that is enclosing upon mankind.

"I will be with you unto the Second Coming of My Son. I promise you, My children, that you will never be alone upon earth. There are angel guardians with you at all times. Seek them out; do not cast them aside, My children. They are as living as you are.

"The agents of hell will make it their pursuit to take this knowledge of the supernatural from you. You must safeguard your Faith and keep the Faith in the hearts of your children and your family members. Pray, My children. It does not have to be words of a special nature. Just pray from your heart. Speak to Me as your Mother. Speak to My Son, for He will aid you. The power of prayer is great, My children. Nothing is impossible to God the Father in Heaven in the Trinity!"

Veronica - Now Our Lady is extending Her crucifix from Her Rosary like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as My Son gives His blessing to you in the Trinity. Pray now the prayers of atonement for many who will be lost soon to Heaven."

[Pause]

Veronica - The sky is very pink all about the trees. There is a large circular lighted area directly above Our Lady's statue. It's becoming very brilliant, almost like the night giving way to day. It's beautiful! Now directly in the center of this opening in the sky, I can see Jesus. He's coming forward. He's dressed in a - not white, but an ecru-type of gown. It's like a beige color. It's

very free-flowing, because as He's coming forward it's blowing. And I can see that He has nothing upon His feet; His feet are bare. The marks of the crucifixion are very evident on the insteps of His feet. Jesus has a brown cord-like encirclement about His waist. He's - looks very . . . I don't see Jesus smiling. I feel that, because of the blasphemy to Our Lady and the many blasphemies and terrible abominations being committed against Our Lady, I can understand very well why Jesus is not smiling. He must feel as I do.

Now Jesus is looking about. He's placing His hand upon His heart. Now His cape is blowing. It must be very windy. The cape is held by this gold braid that He has connecting to hold it about His neck. And now Jesus is looking about Him. Now He's extending His hand out like this, with the three fingers like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing His first finger to His mouth.

Jesus - "My child and My children, We are fully aware of the increase of attacks upon My Mother and upon all the children of the light who shall find it a true crucifixion to remain upon earth.

"My children, I have told you in the past that this is a time of war of the spirits. It is a war far deadlier than any human war using man-made implements upon earth. For now, My children, we are in a war engaged with satan for souls. The eternal light is now being tested upon every human being of conscionable age upon earth. My children, the evil is accelerating. This can only mean that the Ball of Redemption cannot be held back. Many will die in the great flame of the Ball of Redemption! Do not scoff at My words, O you who have rejected the light, for the skin shall burn from your bodies and blow away!

"My children, as in the past, you are deaf to My calling to you for penance. My Mother has accepted a heavy penalty to rescue you, for She is doing this mission at Her expense, as She listens to all of the blasphemy against Her and Her nature of purity and holiness.

"Satan has his reign, a short reign now, to do upon earth. He is claiming his own. No man, woman, or child shall fall into his grasp and enter hell unless of his own free will. Yes, My children, you are being tested.

"Do not fall into the errors of modern thinkers. Your scientists and your new theologians in My House who have cast aside the knowledge of sin and the penance for sin - yes, I died upon the cross to open Heaven to all mankind, but all shall not enter. My death upon the cross does not guarantee every man entrance into Heaven unless he merits it by grace.

"Graces are given in abundance for the asking, but you must seek it, or some charitable brother or sister upon earth must seek it for you. Graces are given in abundance through My Mother's intercession for you. You will listen to Her counsel. Her words are not given to you in idleness but in preparation for what lies ahead in your near future.

"Many warnings have been given to mankind, and they pass by unnoticed and rejected. Scientists with all of their explanations for the catastrophe set upon mankind! Will your men of science find a way to stop the Ball of Redemption!? I say unto you: No! For the Eternal Father shall guide that ball!

"In your ignorance, O theologians, ever studying and seeking knowledge, you do this in pride and arrogance, and you find nothing! For you plunge your minds and your spirits farther into the darkness. And woe upon woe! You spread your errors into those who are entrusted to your care in My seminaries.

ERRORS AND LIES IN THE SEMINARIES

"Woe unto you, teachers who shall stand before Me and say that your teaching has been pure in My sight! And I shall cast you out as vipers into the flames where you belong. You sons of satan! You know not the Father in Heaven, for your father is the father of all liars! You compound lies and errors in My seminaries. I say unto you, pastors, bishops, you are given the time to clean up My seminaries. You are deluded in your searching for humanism and modernism, for you have found satanism. Satan has become your master. You are blinded by your pursuit of worldly pleasures.

"I say unto you: take yourselves out of the world, pastors, and pray more. Retire within yourself. Allow your heart and your spirit to determine the true knowledge, which is of God and not of the world.

MANY MITRES IN HELL

"I do not intend to spend My time counseling My pastors again. My Mother begs as a Mediatrix between God and man for your salvation. Pastors in My House, you have been given many graces that you cast aside, allowing yourselves to be blinded. Awaken now from your sleep before it is too late, for you, too, shall burn. Already many mitres are in hell, forever condemned to damnation.

"My Church, My House upon earth, is undergoing a great crisis; however, no evil shall ever be triumphant. It is a time of testing for all mankind, and all who have developed itching ears, adopting new doctrines and ways that are akin to modernism shall find themselves fast plunging into error and deceit and death. The wages of all sin is death.

"My children, pray for your bishops and your cardinals. Be a good example to all. I ask you to remain in your parish churches for reason. Accept the cross, the suffering that you must persevere in.

NO NEW CHURCHES

"I do not want new churches arising all over the land and throughout the world, for united you can stand, but divide and you will truly fall! Satan wishes division within My House.

"You may accept in your own free will, pastors and laity, My Mother's counsel or you may reject it; but it is you who will receive the ultimate reward or rejection.

"For years, countless earth-years, My Mother has wandered throughout your world counseling you, calling to you, shedding great tears of pity upon you. Has this been all in vain? Are you calling down upon you a fast judgment by fire?

"The Ball of Redemption shall enter your atmosphere unknown to your scientists until it is too late. Many hearts shall stop with fright at the sight of it. But you have been prepared. My Mother has given you a full knowledge of this coming Ball of Redemption. It will be one of the greatest chastisements sent upon mankind. And then there will be even another chastisement similar in scope, of fire. Your world shall be plunged into a war to end all wars. Unless the Eternal Father shall intercede there will be no flesh left upon earth.

"My children, you will pray and pray again, making your life a constant time of prayer. There is no time to seek worldly pursuits and glory and power and riches. They will all be nothing soon. Your greatest strength shall be your Faith. For many shall face a great test, wishing for death in the turmoil ahead.

"My Mother has allowed you, through the Eternal Father, insight to much of what will happen. Now you will understand why She counsels you to review and read all messages of the past, for you will not be found unknowledgeable in the days ahead."

Veronica - Jesus now is extending His hand out like this, with His fingers extended, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is coming down. She was standing over on the right side. I didn't see Her before, but She's floating down now and joining Jesus. She's standing now just directly at His left shoulder. She comes just - Her head comes a little bit below His shoulder. She looks very, very frail, Our Lady, now as She's turning sideways. The light is very, very brilliant. Our Lady is bringing Her hands together, like this, in prayer. I can see the Rosary dangling from Her fingers. It is a brilliant large Rosary.

And now I notice, too, that Our Lady has the brown Scapular about Her hands with the Rosary. Now She's following Jesus. They're floating across the sky. Now Jesus is looking down. He's over on the left side just directly above the flag, and He's bending over now and raising His fingers out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's turning around; He's looking all about Him. There's a great rainbow, I notice now, behind Jesus and Our Lady; there's a beautiful rainbow that cuts clear across the sky. The colors are orange and blue and yellow and gold. Oh, it's just beautiful! It covers almost like a huge, immense crown across the sky. Now Our Lady is looking over; She's allowing Jesus to pass in front of Her. He's leading, and They're going across the sky now, Our Lady and Jesus.

Now over on the left side of the rainbow I see Michael emerging. He covers the whole sky. You can't miss him. Boy, is he big! Oh, my! Oh, Jesus is now - He's over on our right side. He's bending down, extending His hand out like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is still standing there. In fact, She hasn't moved. She looks almost like a statue. Beautiful! Now They're turning, and Our Lady is now taking Her crucifix like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is touching His finger to His mouth like this, which means to listen.

Jesus - "My child and My children, you will continue with your prayers of atonement. And do not forget the missions."

June 1, 1978

Eve of the Sacred Heart of Jesus

Veronica - I am reading from the Bible, Saint Paul's letter to the Galatians, on chapter 5, in reference to how Christians should live. Now quote Saint Paul:

For you have been called to liberty, brethren; only do not use this liberty as an occasion for sensuality, but for charity serve one another. For the whole Law is fulfilled in one word: thou shalt love thy neighbor as thyself. But if you bite and devour one another, take heed or you will be consumed by one another.

This is a good lesson for our modern times, that if you continue to bite and devour one another, take heed or you will be consumed by one another. And this is also referring to the coming Ball of Redemption and the Third World War, the war to end all wars. And I'll continue with Saint Paul as he says:

But I say: Walk in the Spirit, and you will not fulfill the lusts of the flesh. For the flesh lusts against the spirit and the spirit against the flesh; for these are opposed to each other, so that you do not what you would.

So that you do not do what you would - in other words, you have to choose between the spirit or the lusts of the flesh.

But if you are led by the Spirit, you are not under the Law (that makes you fall into the ways of the world and the lusts of the body.) Now the works of the flesh are manifest, which are -

These are the works of the flesh, of the flesh which constantly is in line with satan in the fight against the goodness of God. All right, they are -

Now the works of the flesh are manifest, which are immorality, uncleanness, licentiousness, idolatry, witchcrafts, enmities, contentions, jealousies, anger, quarrels, factions, parties, envies, murders, drunkenness, carousings, and suchlike. And concerning these I warn you, as I have warned you before, that they who do such things will not attain the Kingdom of God.

But the fruit of the Spirit is this: Charity, joy, peace, patience, kindness, goodness, faith, modesty, continency. Against such things there is no law, for God has ordained them. And they who belong to Christ have and must crucify their flesh with its passions and desires. If we live by the Spirit, by the Spirit let us also walk. Let us not become desirous of vainglory, provoking one another, or envying one another.

These are words directly from the holy Bible as written down by Saint Paul in his letter to the Galatians, chapter 5.

[Pause]

The sky is becoming very lighted all about the trees. The light is a hazy blue light. I can't explain it. It's very hazy. I wouldn't say it's a brilliant light. It has overtones of purple, like a sadness to the light, like a sad blue.

LA SALETTE

And over on our right side of the sky I can see Our Lady. However, She's sitting upon a very large boulder, a rock. Our Lady is leaning forward. She looks very terribly upset. Now She has on Her head a very strange-looking crown with points in it. It's circular on Her head, but it fans out. It's a most unusual-looking headpiece.

Our Lady is looking up now, and She's motioning with Her hand, high into the sky. And I see words now taking form in the sky. Oh, L-A, "LA SALETTE": S-A-L-E-T-T-E. La Salette, La Salette. Oh.

Now Our Lady is standing up. She's dressed in a very different gown. It's very full about Her. She doesn't have Her hair covered. It's the first time I have ever seen Our Lady with Her hair flowing. She looks just about like a little girl. Oh, She looks very beautiful!

Now it's becoming dark, and Our Lady is pointing up to the sky, and I can see a countryside. And it's a very barren, desolate-looking place. And I do believe it's France; I know it's France, from the countryside. And instinctively I know it's France.

Our Lady now is motioning with Her hand like this, and placing Her first finger to Her lips.

Our Lady - "Repeat, My child, after Me.

"As I gave you warning in the past, so I come to you now as your Mother and give you a just counsel that unless you listen and act upon all of My counsels of the past, what happened at La Salette shall be minute in scope in comparison to what faces the world now as a just chastisement from the Eternal Father.

HUNGER AND REVOLUTION

"Your country, America the beautiful, shall know hunger. Your country, America the beautiful, shall know revolution. The just shall be crucified. Evil shall run rampant, My children. This curse upon mankind is allowed for the redemption of those few who shall be saved. My children, I have warned you through countless visitations upon earth to mend your ways that offend the Eternal Father very much.

WOMEN TO SUFFER GRIEVOUS BOIL

"Women of your nation and all of the nations of the world, the Eternal Father shall send a grievous boil upon you, for you have become unchaste, for you have become immodest, and you have cast aside your role as a woman, as a mother, and as a bearer of children for the Eternal Father in Heaven.

"Women of the world, you have chosen to become murderers, killing your young. You defy the Eternal Father in your quest for luxury and pleasure. You have cast aside your role as women and have aligned yourselves with homosexuality and lesbianism, and as such you corrupt the young. Woe to a generation that has made sin a way of life."

Veronica - Now the sky is becoming very dark. Oh, it is a heavy, heavy darkness. I feel that this darkness now is settling throughout the whole world.

Now over on the left side - I hadn't seen Our Lady cross the sky, but Our Lady is coming through this terrible panel of darkness. Oh, She's dressed much differently now. I can recognize Her in Her beautiful white gown. She has a deep blue sash about Her waist. Our Lady's mantle covers, a white mantle, completely about Her head down to Her forehead, and it flows freely down to Her feet. Our Lady has very, very delicate-looking sandals upon Her feet with a rosette, a small rose, in the center of Her instep. It's - the shoes are more sandal-like. They're made of gold straps - one strap, thong-like, through Her toes and held with a band of gold about Her ankle. The rosette is perched onto the center of Our Lady's instep on each foot. It's gold; the rosette looks like it's made of spun, pure gold. Very beautiful. Very beautiful!

Our Lady now is placing both Her hands together in prayer. Her Rosary, the beautiful large Rosary with the golden Our Fathers and the white Hail Marys are now hanging from Her hands. Our Lady has a very soft sadness to Her face this evening. Now Our Lady is placing Her first finger to Her lips.

Our Lady - "My child and My children, I have asked you to read your Book of love and life, your Bible, for reason. The scroll is now unfolding for mankind. What was hidden in the past is now being revealed to you. All who are seeking the truth and the light must now read the Revelations of Saint John, the Apocalypse.

"My children, My heart is torn because too few are listening, so very few are listening to My counsel. I cannot say that this is caused by the lack of dedication for those who have accepted the role of disciples of My Son. But I must say that the greatest opposition is coming from Our clergy, who should know better. But, My children, as I said in the past, I repeat again, that satan and his agents, the band of 666, has entered into the highest places of the hierarchy; and therefore he has captured some of Our formerly noble hierarchy to do his bidding.

MASONS SECRETLY PLOT AGAINST CHURCH

"My children, and I ask My pastors to listen to Me as your Mother, as I tell you that you must take yourselves from all secret societies. They do not openly plot against My Son's Church, but they do this in secret! The Masons - My children, the hierarchy must remove themselves from this abominable organization. You cannot deny that many in the Masons are practicing witchcraft and sorcery.

"O My children, satan is roaming now like a ravenous wolf throughout your world. Even many mitres now are falling into hell or are destined on the road to the abyss.

"My children, you will pray for your bishops and your cardinals. Do not become confused by all of the written editions being put out by the enemies of your God. They are doing this, My children, to confuse you.

"Do not tamper with My messages, My children. Do not change them in words: neither add to them nor delete My message. There is a reason that it must be given in its entirety.

"Parents, please - I beg of you as your Mother, to bar your doors to all but your immediate family and workers in the light. Satan has many faces, My children. He will come to you even as an angel of light. If you pray, if you stay in the spirit of light, My children, he will not delude you.

"I ask you again to pray for your Holy Father in Rome. He is very ill. He needs many prayers, for he is being crucified by his own. He is truly the little one in the message of Jacinta.

"My children, do not seek the material pleasures of the world or the wealth of the world, for you cannot be of the world and of the spirit. Our world, the Eternal Father in the Trinity with My Son, Our world is not of the earth. It is a world far beyond the earth, but it is the world that is eternal to all mankind.

SOUL WILL LIVE FOREVER

"My children, there is no word such as death as you know it. Mankind will never die. He must live on into eternity in the plan of the Eternal Father. Only your body must be returned to the dust temporarily until the final judgment. However, the living part of you, the most important living part, your soul, your spirit, will live forever! When you pass over the veil, My children, you will be judged immediately.

"And do not fall into the errors of your modernists who say that there is no hell or purgatory and even deny the existence of Heaven. For I assure you, My children, that each and every one of you shall eventually learn the truth that there is a Heaven, a hell, and a purgatory.

"Accept all of your trials upon earth, My children, knowing that they can be used well for your presentation of your soul when you come over the veil before the Eternal Father for judgment. Gather your graces while you are upon earth. Store them in Heaven! It is the only treasure that you should seek. Everything else, My children, is passing. Every life when placed upon earth has a set time for removal. While you are upon earth you are there to do honor and glory to your God in Heaven. You must know Him, love Him, and serve Him in this world, so that you will be happy with Him forever in the next.

"Many prayers of great graces for the believer have been removed from among you. You must bring them back, My children. Faith, hope, and charity must be restored, not only in prayers but in practice among mankind.

"My children, a word of caution again. You shall not restore My Son's Church to its former glory by compromise. Conform and you will die on the vine!"

Veronica - Now Our Lady is taking Her Rosary, Her beautiful Rosary, and extending the crucifix out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

The sky is becoming very beautifully lighted. Oh, it's so warm and, and beautiful! Peaceful! It's - there's no way I can explain it. It's an absolute peace of spirit. Our Lady now is turning to Her right side, and She's floating across the sky. Now She's looking down and extending Her beautiful golden crucifix of Her Rosary out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning; She's looking all about Her. It's very windy, because Her skirts are blowing. She has on a very full skirt, a very full gown. I believe it's all one piece, because it appears that way. Now Our Lady is turning to Her left, and She's floating across the sky.

Now over on the left side I just noticed Michael. The whiteness, the bright light, must have been Michael emerging through the sky. The brilliance - oh, it's just beautiful! And of course, he's immense! He's a true guardian of Heaven. Oh, my! Look at that - oh, my! His wings are spreading out now. It's - oh, it's most inspiring! Oh, my goodness! I would say if you weren't with Heaven's graces it could be frightening, they're so big! Oh, my goodness!

Our Lady now is cutting across the sky. She's floating; She doesn't walk. She's standing still now, and She's holding Her crucifix of Her Rosary in Her right hand. Now Our Lady has just reached almost to the tip of the first tree by the banner, the papal banner. Our Lady now is looking down and extending Her Rosary out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, for the Eternal Father in the Spirit of light, in My Son. Continue now with your prayers of atonement."

[Pause]

Veronica - All about the trees the sky is becoming a very deep pink. It's a beautiful warm, glowing type of pink. I don't know if the color is coming out - it seems to be exuding from the trees, the outline of the trees itself. That's the appearance it gives. Now directly over Our Lady's statue the sky is opening up just like there is some kind of a doorway, but it's circular, and it's just parting the sky. And I can see Jesus coming forward.

Oh, He has nothing upon His feet. And I notice His feet first because His insteps have these wounds. The wounds are very, very sore looking. They do look like they're fresh wounds. And He's barefooted; He has no sandals on, Jesus. And He has on a beige type of gown. Jesus' gown is more like a beige color - not a white like Our Lady's, but beige. And about His waist - it's a very full gown, very long and full - and He has a belting about His waist of a . . . it looks like a leather-like piece of material, like skin, I guess it is, some kind of hide or skin. It looks quite rough. And He has this as a belt, tied, and the ends are hanging on His right side.

And Jesus has a cape now about His shoulders. It's not over His head. It's like a mantle-type of cape, and it has a clip made of what appears to be gold, like spun gold rope, two pieces that have been tied onto - through . . . I can see now where it's tied. The material has been placed a hole in it, and the two cords have been drawn through the holes, and that's how He's holding His mantle in place. It's not sewed on; it's made through the holes on either side and then tied. And Jesus has it quite tightly about His neck because they come together. Now Jesus is placing His hand upon His heart. He's looking about. He has quite a sad look. His eyes are very piercing. Now Jesus is touching His lips with His first finger.

Jesus - "My child and My children, as I cast My glance upon mankind and watch the world in turmoil, I repeat over again My counsel to all mankind to listen to the words of My Mother and other personages sent from Heaven to be with you in these desperate days. I do not have to repeat the warnings from Heaven, but I must tell you, My children, that you will act upon these warnings or you shall receive the dire consequences.

"All who are of well spirit will go through these days with patience. Be long-suffering, My children, accepting all for the honor and glory of your God.

"There are many now in your world who have become, given themselves over to satan, Lucifer, Luciel, known to you. Satan is Lucifer and his agents. They gather together throughout the world wherever there is darkness of spirit to do great battle with the children of God.

"My children, I have not been unaffected by the slanderous approaches to My Mother through Her children who have gone astray. But know that for every slight to the beauty of My Mother, every thorn in Her heart, shall be given double to the perpetrator of such evil.

"I have warned you in the past, and in all charity of heart I counsel you again to pray a constant vigilance of prayer and not spend your time gathering riches and power upon your earth. I assure you, My children, that if you force My hand upon you, all will be rubble. Your riches will become as naught. Better that you gather your riches that cannot be destroyed upon earth, the supernatural graces and riches to store for your entrance over the veil. It will be but a short time now before many of you who hear My voice and reject it or accept it will be passing over the veil. Many shall die in the great flame of the Ball of Redemption. Are you ready, My children? I repeat: Many shall die in the great flame of the Ball of Redemption! Are you ready, My children?

"My child, you will hasten in your mission. I advise you now to spend less time with worldly associates. You must retire from the world. Bar your doors to all but your family, your immediate family and close workers. There is no time, My child, now for idle chatter or sociability. All must be now for the honor and glory of your God and the repatriation of all souls within the power given from God to all who will give themselves as victims to the merciful heart of the Eternal Father.

"As disciples of the latter days, My children, much shall be asked of you, but I assure you: all that you give in faith and charity shall be returned to you threefold.

"I ask you not to judge your brother or sister but to counsel them. Permissiveness is not accepted in the redemption of souls. It is one thing, My children, to maintain discipline, and another to become lackadaisical and going along like ducks in water, letting everything roll off your backs, neither caring nor searching for the truth. Many of My pastors, the leaders in My House, My Church upon earth, have joined the groups of the ducks. And I must say that many are goats now, My children; and I assure you We are busy now from Heaven separating the sheep from the goats.

"One word of caution, My children: As you go about crying 'peace and security,' the world's leaders are gathering for war. There shall be no peace, no security, without God the Father as the leader for your world, the earth. Reject Him, cast Him aside, and satan then becomes your leader. And he has one mission: to destroy each and every soul upon earth so that he may capture them as prisoners in the eternal kingdom of the damned, Hades, hell - eternal banishment from the light.

"Satan may come to you with many faces. That is why We caution you often to recognize the faces of evil about you. There is a war now, My children, taking place - a war of the spirits, a war, a supernatural war. And you must now use graces to fight in the supernatural.

"Many manifestations shall take place upon earth. One already has taken place: the UFOs that you call unknown flying objects. They are creations of satan and are supernatural. They are to delude you into believing that there is life beyond earth. That is a fallacy and a lie.

"My children, maintain the Faith in your hearts; keep the firm foundation of faith in the hearts of your children and your families. When I return to earth, shall I find among you even a flicker of faith left, My children?

"Satan has set himself now in Rome. He plans to do great battle in the hierarchy. It will be bishop against bishop and cardinal against cardinal. All that is rotten must fall. Do not be concerned in the outcome, My children, for the eventual victory is with Heaven. This is all allowed, permitted by the Eternal Father, by reason of separating the sheep from the goats. It will be a test for all mankind.

"All who accept the errors of modernism and humanism will find it most difficult to maintain the truth and stay on the narrow road. I gave you, in My visit upon earth, the rule and the way. You must follow it or you will fall. Keep a constant vigilance of prayer going throughout your country and all of the countries upon earth.

MANY SHALL DIE OF FRIGHT

"The devastation of the Chastisement shall be a scene to many far greater in scope and magnitude than mankind has ever seen in the past nor ever will in the future. For there will be few left upon earth if I do not come and stop the terrible War and the calamity of the Ball of Redemption that will soon hit mankind. Man shall not be prepared for this great trial. Only those who act upon and listen to the counsel from Heaven shall be ready. And those who are not prepared - sad, My children, but true, that many shall die of fright.

OBEDIENCE TO GOD THE FATHER IN HEAVEN

"I give fair warning to all bishops and cardinals to adjust and mend the rents that they have allowed in My House, My Church upon earth. Experimentation in the name of humanism and modernism must stop now! Obedience must mean obedience to God the Father in Heaven. Man has a secondary role to his God, and no man shall be called 'god' upon earth."

Veronica - Now Jesus is moving over to the right side, our left side of the sky. Our Lady now is coming down. She was high up in the sky; I could see the tips of Her feet as She was coming down. And Our Lady now is coming over to our left side, and She's standing next to Jesus at His left shoulder, just a little bit below His shoulder, She's standing. Our Lady has a very solemn look. Now She's joining Her hands together, like this, in prayer. Her Rosary is dangling from Her hands. Our Lady looks almost like a very petite statue from the distance here.

Now the wind is blowing, and it's rustling Our Lady's skirts. And Jesus' gown is blowing very fully now. They are floating over to our left side. Now Jesus is bending down, and He's making the sign of the cross with His hand: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's turning. He's looking all about, and He's shifting His cape onto His left arm. Now They are going over across the sky on the left side - that's our right side. Now They're just about directly over the statue. Now Our Lady is waiting, and Jesus is passing now. Now Our Lady is following Him. They're not walking. I can't explain it. They just float across the sky like They're weightless. It's really wonderful to watch! Oh.

Now Jesus is coming. He's going over by the tall tree; He's past the first tree. Now He's standing just a couple of feet above the second tree, and He's leaning over like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Our Lady is still standing there with Her hands joined in prayer. And Jesus is nodding now. He's placing His hand close to His heart, like this.

Jesus - "Continue now, My children, with your prayers of atonement."

June 10, 1978

Eve of the Most Holy Trinity

Veronica - The sky all about the trees is a beautiful deep blue. There is a circular pattern of light now high up in the sky, and the coloring is extending out from a central point. I can see the lights now; they're breaking through the sky. All about us are the blue call lights of Our Lady.

Oh, Our Lady is coming through, oh, like a focal point, the center point of the sky. Most beautiful! Oh, Our Lady is dressed in the most beautiful white, clear white gown - almost sheathed in light; all light about Our Lady is so beautiful!

This evening Our Lady is in Her bare feet; She has nothing upon Her feet. Her gown is very long and billowing about Her. Our Lady has a deep blue sash about Her waist. It's cinching in Her waistline. Our Lady's mantle is a white, a pure white, sugary white coloring. I can't explain the coloring; the light is so brilliant that it, but for the grace of God I'm certain it would blind you to look into it. It's so beautiful! About Our Lady's mantle there's a gold trim all along the edging, oh, about an inch and a half wide, the border around the edging of Her mantle.

Our Lady now is joining Her hands together like this in prayer. Her beautiful Rosary, the Rosary with the large golden Our Father beads and the white Hail Mary beads are draped over Her hands so beautifully. As Our Lady is standing there motionless She looks almost like a statue, except that the wind is gathering force now, and it's whipping Our Lady's skirts about Her.

Now Our Lady is taking Her crucifix from Her Rosary like this, and She's now taking the Rosary, putting the crucifix forward, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Our Lady is kissing Her beautiful golden crucifix. Now She's placing the Rosary about Her waist through the belting, the blue belting. It's hanging down now quite long on Our Lady's right side.

Now Our Lady is placing Her hand out like this, and She's touching Her lips with Her first finger.

Our Lady - "My child, I want you in your spare time to give a full account of your experience, the attack from satan the fortnight ago.

"My child, warn the world, My children of the light, that they must always be prudent and not be presumptuous and slacken in their prayer life, for satan is most powerful with his armies of ogres. Yes, My child, you will understand that Lucifer never sleeps. The spirit never rests.

"Your world is plunging into a crucible of suffering for mankind. My children, I hear voices crying out for aid, but the voices cry for material aid. My children, understand that We come from Heaven to rescue your souls.

"Because of the advent of satan, Lucifer and his armies now upon your world, sin shall escalate as sin becomes a way of life for many.

"O My children, I know that My messages are lengthy, but there is reason why they are extensively given. My visits to mankind shall one day cease with the coming of My Son upon you. However, as your Mother I shall counsel you to My last breath. I shall continue to counsel you if I can rescue, with the help of all of My children, one lost sheep from the abyss. It is truly now a war of the spirits.

"Many have given themselves over to satan now and have joined his army. O My children, how blind you have become, blinded by your quest for power and riches. They are all of temporal nature. My children, do not sacrifice eternal life in Heaven for a few short years upon your earth. Each and every one of you shall stand for judgment sooner or later.

"Lucifer and his armies form the massive hand of evil in the world, known as 666. As I explained to you in the past, My children, I repeat Myself to those who did not hear My previous message that 666 is the massive full gathering of demons out of hell with Lucifer as the leader. Lucifer himself, the prince of darkness, is now walking your earth. Because of reasoning that no human mind could understand, Lucifer has retained power next to the power of the Eternal Father in the Trinity. Know then how great is his power in these latter days. His mission upon earth now is to fight the Kingdom of Heaven and to destroy any chance for a soul to enter the Kingdom of Heaven. He is upon earth now, Lucifer, to claim his own.

"My children, I warn you again to not listen to scoffers who seek to pick apart and demolish the truth of these messages from Heaven given through various seers throughout your world, in various nations throughout your world. I have passed yonder and fro, crying out to you as your Mother to prepare yourselves and your homes. A great Chastisement is coming upon mankind, the Ball of Redemption. Your world shall be baptized anew by fire. How many shall be ready?

OCTOPUS, WEB OF EVIL

"O My children, the octopus, the web of evil is fanning out now, covering your whole world, earth, and the nations. Unless you pray more, many nations shall disappear in the short time of moments from the face of your earth.

"Man of science, you have gone beyond your human need as you sought to rise to the heavens and defeat your God!

"My children, many words and names have been gathered to describe the octopus. Yes, this octopus is made up of various evil forces and groups with one main goal, to destroy Christianity in your world upon the earth. It is a war now. The agents of hell are rising now to do war with your God, the Eternal Father in the Trinity. My children, the battle will rage. The eventual victory shall be with Heaven.

"You ask Me, My child, why this is not stopped immediately by the hand of God. You cannot, My child, question nor can you understand the ways of the Eternal Father, but in deep faith, obedience, and perseverance will all of Our children of the light await My Son.

MASS IS VALID

"I ask you again not to abandon your parish churches. You will maintain the papacy in Rome. I tell you anew that 666 now is in Rome. Do not judge My Son's Church by His pastors. In their human nature they can err; however, as legitimate legally-ordained Roman Catholic priests they will bring My Son to you if you come seeking Him at the tabernacles of the world. The Mass is valid, I say unto you!

"My Son is waiting for you at the tabernacles of His Church. My children, do not abandon Him in these days of deep spiritual darkness. You must all keep a constant vigilance of prayer going throughout your country, the United States, and Canada, and all of the countries throughout your world.

COMMUNISM SEEKS TO REMOVE CHRISTIANITY

"One arm of the octopus is communism, atheistic communism. This arm of the octopus will promote discontent, revolution, death. This arm of the octopus will seek to remove Christianity from the earth. O woe unto a man who joins this force!

"My children, you will pray for your brothers and sisters. The Message from Heaven is going now throughout the world. The time is growing shorter. Protect your children. Wear your sacramentals, and protect your marriages, that they remain holy. Many marriages have now become debased and defiled.

"Your world has become a cesspool of errors, giving itself over to fornication, immorality, idolatry, and all manner of foul pursuits. The major crisis is among the young. How shall you rescue them, but by your example and prayer.

"You will all make your homes a fortress of sanctity. Retain the Faith in your homes and in the hearts of your children. We place a heavy burden upon parents now, but by far, My children, this burden shall be lightened for many, to their joy. But many shall receive a far sadder burden in the near future!

GIVE MESSAGE TO ONE AND ALL

"My children, you will give the message to one and all, neither seeking race nor creed nor color as a barrier. All mankind must receive the Message from Heaven.

"My children, prayer, penance, and sacrifice, atonement I beg from you for the salvation of souls."

Veronica - Our Lady now is wiping the tears from Her eyes. Now She's reaching to Her waist and taking Her beautiful Rosary from about Her belting. She's extending now the crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, for the Trinity. Continue with your prayers of atonement. Many graces shall be given in order to propagate the Message from Heaven, My children: cures and conversions, cures of the body and cures of the spirit."

[Pause]

Veronica - The sky has grown very pink all about the trees. It is a deep pink, a most beautiful color. It feels warm, and the coloring seems to feel like - I can't explain it, but very - it gives you a peaceful feeling, an emotional feeling of warmth and comfort. Now directly over Our Lady's statue the sky is rolling back. I can't explain how the sky just seems to open up like it blows away, fades away from a pinpoint in the center of the sky, and almost like, I would say, an invisible door opening, separating.

And Jesus is now coming through the center of the sky. He's floating down, coming from quite a distance because I can see Him much clearer now as He's coming down. Jesus has nothing on His feet. I can see now, as He's approaching, He's just about over Our Lady's statue, the head of the statue - I can see the holes, the very deep punctures on His insteps. They're very sore looking. Oh, my!

Jesus has on a beige gown, and about His waist there is a belting. It looks like it could be a skin, an animal skin-type of belt. It's not material; it does look like - I don't know, like skin you'd get, like leather of some kind. And Jesus has this mantle, a cloak. His hair is blowing very loosely tonight about His shoulders. His cloak is held in place at His neck by this golden piece of cording. It's a tie, it's tied together very tightly. The cloak now is also blowing as Jesus looks around. He's smiling. He looks very beautiful. It's such a wonderful happy smile, but I don't know how to explain it - happy, peaceful, and strong, but kind of sad, too, like He has a deep hurt but He's trying to hide it.

Now Jesus is placing His hand across His heart, and He's extending His hand out like this, with the three fingers extended like this, the thumb and the two fingers in the front, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is replacing His hand onto His chest like this. Now He's taking His first finger and putting it to His lips.

Jesus - "Listen, My child, and repeat after Me.

GOOD BECOMING COMPLACENT

"The world has continued upon its disastrous course. The evil is accelerating. The good people, many of them are becoming complacent, and a lethargy has set in among some. My children of light, do not become self-satisfied in your gifts, for those who have received graces in abundance, much is expected of them. You must go forward now without slackening the pace of the work. Continue to send out the Messages from Heaven. Each and every child upon earth must hear the word from His God before the end.

"My children, My Mother has counseled you well. You will listen to Her counsel and act upon it. Your reward will be great in Heaven for all of the assistance you render to My Mother in Her travels upon earth to rescue the children of God from satan, the armies of hell now loosed upon your earth.

"Do not listen to the scoffers, those who are derisive in their criticism. My children, I assure you: man will always reject what he does not believe in or understand. Faith, My children, is a gift from your God!

"I ask you all to pray constantly that you may not lose contact with the Spirit of God. I ask you all to keep your eyes upward to Heaven that you may not be plunged into darkness.

"Do not become complacent. You must always act with prudence. Lucifer has great power now upon earth. He seeks to seduce all of the children of God. It is a battle now of the spirits raging upon earth. For people who give themselves to worldly pursuits and pleasures, they fall fast into darkness because they have not sought to find the light in truth, neither caring for religion nor seeking their God; for they find the pleasures of the flesh more enticing, and the destructiveness of their way has been promoted by Lucifer and his agents.

"You will understand the spirit world, My children, as you go farther along the road to sanctity.

"Because you accept the light and have grace, My children, it does not mean you shall not be subject to the attacks from Lucifer and his agents. The eyes are the mirror of the soul, the mind the focal entrance point of the spirit. With this knowledge, My children, guard them well.

"My Mother has directed you well, My children. Much may not be understandable to you now, but I assure you all will be known to you in the near future. You must accept much in faith. If you pray more, My children, you will not have to suffer many of the physical and spiritual defeats that you have experienced.

"Satan has control now of all the medias upon earth. He has entered into the highest places of My Church. He has entered his agents now into the governments of the world, the strategic points for command of humankind.

"Remember, My children, the victory, the final victory shall be with Heaven. It is a time of testing for all mankind, and as you are given a free will of choice, the choice, My children, shall be yours to make.

"Parents, protect your homes and your children. Give them a firm foundation of faith, for there will be many tears and gnashing of teeth in woe set upon the world by the agents of hell. Many catastrophes of nature, accidents that are not accidents, murders, robberies, fornication, immorality, and apostasy. These, My children, are the fruits of a generation that has turned away from their God. As it was in the past, so shall your world receive a just judgment.

NO MAN FREE FROM TEMPTATION

"I ask you all, My children, not to test yourselves against satan. You must avoid all occasions of sin and temptation, for no man shall be free from temptation while he remains in human flesh.

"My Mother shall continue to guide and counsel you in the days remaining. Assist Her, I ask you, as children of light. Follow Her direction. Many graces shall be given for the promotion of Her mission."

Veronica - Now Jesus is turning to the right. He's starting to move across the sky. He's just floating. He's not walking; He floats without movement. It's a wonderful thing to see. It's like He completely has no weight. Now Jesus is going over to our

left side. He's looking down now all about Him. He's looking over to the left and the right. Now He's extending His hand out, like this and downward, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming down. She was up at the left side of the sky. I didn't notice Her before, but She's coming down now through the sky, and there are many angels about Her. They're beautiful. They're all dressed in white, and they have garlands of flowers - I know they're roses - on their heads. Just beautiful! They look almost like children, very, very petite, and like - just like children. They're just beautiful!

And they're following now behind Our Lady, and She's now coming up to Jesus. She's on His right side. Now they're turning, and Jesus is going across the sky now, and Our Lady is following, and the angels. And they're now stopping just directly above Our Lady's statue. Jesus is bending over now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now they're turning. It's beginning to get very windy, because the wind seems to be blowing Jesus' skirts, and Our Lady and the angels, too. They have very voluminous full skirts, and they're billowing out. They're following across the sky. Now Jesus is moving over to the right side; He's directly before the tall tree. Now He's bending down and looking down and extending His hand out like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Father blesses you in the Spirit of light. Continue now with your prayers of atonement. Be a good example to all My children. There are many souls to reach now."

Veronica - Now Our Lady and Jesus are moving back. They're coming over towards the center of the sky directly above Her statue. Now They are, They're both there, They're just standing there, but They're moving backwards. Now Jesus is nodding.

Jesus - "Be seated, My child."

June 18, 1978

Eighth Anniversary of Our Lady's Apparitions at Bayside

Veronica - The sky is a deep blue this evening, and directly over Our Lady's statue there is a large cross appearing in the sky. It's a much lighter blue. The coloring seems to light up the sky all about the trees. It's a very large blue cross covering the sky.

Now directly behind the cross I can see the sky opening up. It's becoming much more lighted now. Our Lady is coming through the sky. I can't explain it anyway, but She just comes through the panel of darkness behind the very wide cross covering the sky. Our Lady now is passing right through the cross as though it had no body.

Oh, Our Lady is dressed very beautifully. She has on a blue cape this evening, a pale blue cape, a mantle that's covering Her completely about Her head down to Her toes. Our Lady's gown is a deep white, and She has a beautiful pale blue sash about Her waist.

Our Lady is coming forward with Her hands joined together in prayer like this. Her Rosary is about Her waist. Our Lady is looking to Her right and to Her left. She looks very, very tiny this evening, very fragile. Now Our Lady is taking Her Rosary from about Her waist, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Our Lady is kissing the crucifix, the beautiful golden crucifix on Her Rosary. Now Our Lady is placing the Rosary back about Her waist on the sash, on Her right side. Our Lady is taking Her first finger and placing it to Her lips.

Our Lady - "My child, you will listen carefully and repeat what I have to give in direction to My children this evening.

"I have wandered across your earth as a very sad, heartbroken Mother of all the children of earth. I have wandered, hoping that, with the counsel from Heaven, We can rescue many souls in these days of deep spiritual darkness.

"My heart, as a Mother, is torn asunder because of the permissive attitudes that are allowed by the teaching fathers of My Son's Church. I hear little children of a tender age of three and four being taught immorality of word and action. O My children, the sin upon your earth is far greater than any sin in the past! Surely you will remember Sodom and the punishment that fell upon that city.

"My children, the cities of earth now are polluted with sin and are cesspools of error in teaching, especially in the rearing of the young. O My children, many young children shall be taken from the earth in order to protect them from the pollution.

"While the peoples of earth concern themselves in materialistic pursuits, with the values leaning towards immorality, lesbianism, homosexuality - My children, I could go on and on listing for you all the manner of aberrations that man has allowed to come upon his generation.

"I will say, with a Mother's torn heart, through countless years of going to and fro across your nations, I will say again that the good have become complacent. Lethargy has set in among them. I would say, My children, in all earnestness that the bad have become worse and the good have gained no further graces in their complacency.

"You must all work and pray together for the salvation of all souls upon earth, My children. I have not asked you, as workers for Heaven, to set yourselves to judge your fellow man, but I do ask you to pass on to them the counsel from Heaven.

"The Eternal Father has sent Me to you as a Mediatrix between God and man. Many have rejected the counsel from Heaven. Do not judge them, but pray for them. Many do not understand because they do not seek the truth, My children.

"My Son's Church, His House upon earth, is undergoing a great trial from within. The numbers of Judases are multiplying in Rome, My children. If this continues there will be a bloodbath in the streets of Rome.

POPE PAUL UNDER STRICTER SURVEILLANCE

"Your Holy Father, Pope Paul, is kept under stricter surveillance by his enemies within the ranks.

"My Son always asks with a sad heart: when He returns among you, shall there be even a flicker of true faith left! Shall He find even one hundred true priests left upon your earth?

"Doctrines and traditions are being cast aside in the name of modernism and humanism! The present council and the hierarchy of Rome must remove their hardness from their hearts and realize that the armies of hell, satan, Lucifer is loosed now upon earth as 666 now. His major attack shall be upon Rome and the Vatican!

"You must, My children, understand the workings of the supernatural. Satan, his agents, demons, must enter into the body of a man, woman, or child out of grace to work their will. Being of a world unseen to human eyes unless this grace is granted through the Eternal Father's intervention, you cannot see these demons, but they are existing, they are beings as you are human beings. They are supernatural beings from the dark world, from the pit of hell.

"Already satan is working his way into your consciousness, seeking to take over your minds. He is now promoting false miracles. Those you call flying saucers are images from hell. My children, if you reject the knowledge of the supernatural, you are now playing right into his hands. While he remains hidden among you, he can go about and, like a ravenous wolf, gobble up My children as they fall from grace.

"Do not laugh or mock this message, My children. I speak to you with common words that you may understand the crucial times that now approach you. It will be a time of testing for all mankind. Every single individual of an age with conscience shall be tested.

HIERARCHY INFILTRATED

"My children, do not condemn your Holy Father, Pope Paul in Rome. He has made human errors in the past - I grant you this, My children, as he is still a human being, but they are not major errors. The enemy is in his own house, in the Eternal City of Rome. The hierarchy has become infiltrated.

"I do not at this time have to go through a long discourse with you, My children, giving you names and dates. I'm certain that with the grace from Heaven you have received this knowledge from other sources.

"The armies from Heaven are gathering upon earth. The Eternal Father has full control over the progress of the armies upon earth. My children, you must understand and not question the ways of the Eternal Father.

"Many manifestations shall be given in the days ahead. You must understand and repeat over and over: My Jesus, my confidence! I say this to you because many who listen now to this counsel shall be tested.

"In the years past, My children, I have given messages to individuals both in Rome and in countries throughout the world. Some have listened; others have not. And others have turned away from this counsel. But I assure you that in the final count all will have time to remember this counsel and shall feel sadness of heart when it is too late to recover their merits, their graces for their entrance into the Eternal Kingdom.

LUCIFERIANS LOOSE IN GREAT NUMBERS

"There is an octopus, a web of evil now fanning out throughout your world. Political powers, money powers - these have all gathered to bring about the destruction of Christianity. My children, the Luciferians are loose now in great numbers upon your earth. They will work through persons, places, and things. Remember this, My children: persons, places, and things.

"I counseled you in the past, and I wish you all to remember that many will sell their souls to get to the head! It has not been said without direction that money is often the root of all evil. Many in Rome are selling their souls to get to the head. They lust for power, and this power is not for the betterment of mankind but the individual. Arrogance! Arrogance and lust for money, My children.

"You will all keep a constant vigilance of prayer going throughout your world and your country. The United States of America, My children, without repentance, without restoration of godliness in the government and in the homes, the United States shall feel the first great devastation of its existence.

"One whom God the Eternal Father has chosen to bless with abundance, that one, that nation has a great deal of responsibility to honor its God and promote godliness throughout the world. As of this time, My children, and I say this with hope that it can be only given as 'this time,' your country, the United States, has given itself over to satan and must be cleansed by trial.

"All who have received the message with heart shall go through these trials with perseverance knowing that the eventual victory is with Heaven. No evil is ever triumphant. It becomes a testing ground for all."

Veronica - Now Our Lady is taking the Rosary from about Her waist and extending the beautiful crucifix of the Rosary out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, with graces in abundance from Heaven, graces for cures and conversions, cures of the spirit, the soul, and cures of the body. Continue now, My child and My children, with your prayers of atonement."

[Pause]

LAWMAKERS BECOME LAX

Veronica - As Our Lady talked She gave me a great insight into many of the atrocities being committed in our country. Our Lady did say that the blasphemies have increased. Satanism is rampant in the United States, the worship of satan, and that even the lawmakers in the government of our country become lax, neither caring nor making any effort to stop this flood of filth and perversion that is going to cost the United States a great chastisement from God.

Our Lady says, on this great day of rejoicing, Her eighth year of appearances in the United States, that She came with a tired and sorrowing heart, for the knowledge has been given to Her to give to mankind of the coming terrible chastisement to the United States. There is hope, though, for all mankind and the peoples of the United States that, if they will listen and act upon Our Lady's counsel from Heaven, there is still time to avoid this terrible chastisement. And I assure you, Our Lady - I would say Jesus and Our Lady together have in the past eight years given me insight to see the great Chastisement and the many minor afflictions

that will be allowed upon the peoples of the United States and other countries throughout the world. These afflictions shall go by, many unrecognized by man as coming from God the Father. Eyes will see and still not believe.

The great Warning promised from Heaven is approaching and will be instrumental in bringing many back to the Faith. Our Lady will not give at this time a date for the Warning. This is unnecessary and useless, Our Lady has stressed many times, due to the fact that it is better that man makes a gradual but permanent change for good. Otherwise it will be a matter of a short time, should he be given dates, only a matter of a short time before he will return to his sin. All Heaven wants a heartfelt, permanent change in mankind's ways now that are offending God the Father. America the beautiful has become paganzized by sin and must be cleansed.

[Pause]

The sky all about the trees is becoming a deep pink. It is the call light for Jesus. As in the past, Our Lady has made it known - and it was quite secretive for about three years, but Our Lady's appearance is heralded by blue lights, and Jesus sends forth these pink lights about the trees, that I may know that He is approaching.

The sky now is all lighting up in a circular pattern all about the trees in a deep, beautiful warm pink. Observing the colors now, it makes you feel that it's a real deep summertime color. It has a warm feeling and a very good emotional feeling that comes on seeing the pink lights.

Now directly over Our Lady's statue the sky is folding back. It's hard to explain; it's as though there's a vapor, a mist that's being dispelled directly from the center of the sky.

Jesus is coming forward. He's floating forward; He doesn't walk. I can't explain the way He's carried weightless through the sky. He has nothing upon His feet. I can see the marks of the spikes, the nails, on His insteps. The wounds are very evident. They're very sore looking, and they're red, a deep red. There's no blood coming from them; they're like dry, but they're very, very, very sore looking.

Now Jesus has on an ecru gown. It's very full; it billows about His ankles. He has a brown, cord-like belting that appears to be made from a skin, maybe cording from some kind of an animal skin. It's a deep brown, leathery looking. Now the mantle, Jesus' cloak, it's not made like Our Lady's. It's much heavier and fuller. It is a burgundy, almost a wine color, and it's belted at Jesus' neck by this golden cording that comes from both sides. And Jesus has it tightly knotted today, this evening, at His throat.

Now Jesus is placing His hand forward like this, with three fingers just like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

VOICES OF BLASPHEMY REACH ALL HEAVEN

Jesus - "My children, My Mother's counsel, Her directives, must go with great haste throughout the world. Mankind has not made amends to the Eternal Father for his blasphemy, mankind's blasphemy and his cursing. The voices of blasphemy have reached all Heaven. The saints who suffered upon earth to win their crowns cry out now with hearts heavy with sadness: 'Oh when, O Lord, just and true, shall you set upon mankind a firm and just punishment for their continued disobedience to the law of the Lord high God in Heaven? Oh when, Faithful and True, shall you smite mankind with a chastisement that will be necessary to cleanse Lucifer and his agents from earth?'

"My children, in the past My Church, My people have gone through crucibles of suffering, but I say unto you: My House, My Church upon earth is passing through a trial far greater than any in past history. Lucifer and his agents now are working with diligence and are most successful at this moment in their striving to topple the Seat of Peter and to place in Rome a pope that is the anti-pope of history.

"I assure you, My children, that if you continue on your present course, you shall receive this anti-pope. However, in the plan and providence of the Eternal Father, this will be a plague upon mankind, for it will take away from many a much needed grace to survive the onslaught of antichrist in your world. You need a strong pope, a true Holy Father in Rome.

"You cannot understand the trials your Holy Father, Pope Paul VI, has endured in his papacy.

TAKEOVER OF THE SEAT OF PETER

"My Mother explained to you the plan for the takeover of the Seat of Peter by a select group. In 1975 a message of truth was given to mankind of the great length the evil ones will go to capture the Seat of Peter. There is working throughout your world a group We have called the octopus, a web of evil consisting of principalities, powers, all seeking to destroy Christianity and to bring your country and all of the nations of the world under the rule of one-world religionists. It will be a political machine to enslave the world.

"Because of the love of the material and money, even the Red Hats in My House are selling their souls. I say unto you, Judases in My House: you shall be smitten with a plague. Your evil is not known to the world, but you will come out and expose yourselves soon, for all that is rotten in My House shall be revealed and be destroyed!

"You have cast aside your role, your vocation as representatives of your God in His House upon earth. You have opened the doors of My House to all unbelievers, heretics, and worshipers of Lucifer! You will not compromise My House. You will not take apart the walls! I am the foundation! But you will not also wait to pick the bones of the Holy Father, Pope Paul in Rome! The Eternal Father has a plan to right the wrong in My House.

"I gave you a simple way, the rule to follow. You were set with doctrines and tradition, and in your arrogance you rise above the founding Fathers of My Church and seek to build another religion and a new church, and you are putting it together without any help from the angels of light, for you have employed denizens of darkness.

ENEMY HAS COME IN UNNOTICED

"My children, pastors in My House, awaken from your slumber. As you have fallen asleep, the enemy has come in through your doors unnoticed. You must cast aside now the errors of humanism and modernism. Review over again the teachings from your past Popes and learn by them. They were given for reason! All of your experimentation and change has produced naught. Your fruits are rotten. Do you think, as you produce bad fruits, that I will allow you, O Red Hats and Purple Hats, to remain upon the vine? You shall be shaken from the tree of life.

"Many manifestations shall be given in the days ahead, as there is now a supernatural war in progress. For those with wisdom, listen and understand; for those who have grace to see, recognize the signs of your times and the war of the spirits you are engaged in. Read the Apocalypse of Saint John, the Revelations, and you will follow the unwinding of the scrolls.

"All who are graced to hear the Message from Heaven, listen, act upon it. Treasure this grace given to you from the Eternal Father, that you have the opportunity to be redeemed out of this world of satan.

"My children, you have no reason to be fearful, but you must now pray for patience, wisdom, and understanding in the days ahead. My Mother has prepared you well. Review Her counsel and act upon it. No man shall enter hell unless he goes there of his own free will. Heaven, hell, and purgatory are waiting for many, and woe to the man who rejects this opportunity to save himself from plunging fast into the abyss, and hell.

"Many manifestations will be given in these days. You will test the spirits, for satan now has great power among mankind. Pray a constant vigilance of prayer in your country and all of the nations throughout the world, for your country and the nations of the world shall be baptized by fire.

"Keep your sacramentals upon your bodies, My children. They are far greater a protection than you could understand in your human nature. Protect your households, your children, for when they leave your homes they enter into the world given to satan, and he has one object, My children, in his roamings: he goes about now claiming his own.

"Do not sacrifice your children for a world that is only a temporary abode to all. Seek not the riches of this world of satan, but gather your graces, riches that will remain as your passport to Heaven. For each and every one of you must pass over the veil and be judged sooner or later. And I assure you, My children, in the coming warnings and Chastisement, many shall pass over the veil."

Veronica - Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming down from the sky. I didn't see Her standing up there, but She's coming now through the light, the tremendous light that's like cascading out in slivers of graces all about Jesus. I see these - like crystalline graces; they're like glass-like particles falling from the sky down on the peoples and the trees about, directly over Our Lady's statue where Jesus is standing.

Now Jesus is moving over to His right side; that would be our left side. He's approaching the tree now, the tall tree. Our Lady has joined Him. She's standing now. She's moving over to His right side by His arm. She just comes a little below His shoulder. And Jesus is now extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking about Him. He has a very quiet but sad look upon His face, as though He sees something, something that is very sad. And now Jesus is going across the sky. He's just floating. He's not walking; He just moves across the sky weightless.

Now Jesus is reaching just beyond the first tree. Our Lady now is coming up behind Him, and She's standing - now Our Lady is joining Her hands now in prayer, like this. And Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, as the Eternal Father blesses you, with the Spirit of light. Continue now with your prayers of atonement."

July 15, 1978

Eve of Our Lady of Mount Carmel

Veronica - The call lights have appeared just beyond the trees. The sky all about the trees is lighting up. It is a beautiful blue. Directly over Our Lady's statue high in the sky there seems to be like a mountain, a high peak appearing. It's like the mists are blowing away, and I can see a very high mountain. Now standing on top of the mountain is Our Lady. Beautiful! It comes to like - almost like a symbol, a peak like, a mountain - sort of V-shaped upside down. Our Lady is standing on top of it, just behind this symbol. And - oh, it's so luminous; the light is so bright! It's coming, the light is being sent outward from Our Lady's hands, which She has extended in front of Her like this, very - like in supplication. Our Lady is standing.

Now She's coming forward. This mountain or a symbol - what it is like, I see this upside down "V" formation symbol in front of Our Lady, is coming forward almost like a plaque. Our Lady now - it's becoming windy because Our Lady's skirts are blowing.

Oh, now She is coming much closer. I can see very clearly, though the light is quite blinding, it's so strong. Our Lady is looking about Her. Her hands are extended. Oh, now I can see in Her right hand She is holding Her Rosary, the beautiful Rosary with the golden Our Father and the white Hail Mary beads. Our Lady now is placing Her Rosary about Her waist, like this. She's dressed all in white, Our Lady. She has this trim of gold. It looks like it may be about an inch wide all about the mantle. Our Lady's sash is blue; it's a deep blue, a beautiful deep blue. The Rosary now seems to be dangling, hanging from Her waist.

Now Our Lady is extending out Her hand, and in Her hand She has a very large piece of cloth. Oh, it's a Scapular cloth, a big square of dark brown material. Now as Our Lady extends it, it's blowing out of Her hand, and She's holding on to it with a string. Now Our Lady is placing the Scapular up to Her lips, and She's taking the Rosary from about Her waist now and holding both the Scapular and the Rosary together, extended out like this.

ROSARY AND SCAPULAR

Our Lady - "My child, you will make it known to the world that the Rosary of prayer and the Scapular for protection shall be the major instruments from Heaven to safeguard mankind in the days ahead.

"My child, I understand the great torment of spirit that you have undergone the past several days. It is only through experience, My child, that you could fully understand the reign of satan in the world. When satan takes over a human, the nature, the personality of that individual will change.

"The Almighty Father in Heaven shall give to many insights in knowledge, discernment of the spirit. As I told you in the past, My child and My children, every man, woman, and child shall be marked by the sign of the cross or the mark of the beast.

"My child, as knowledge is given to you and to My children, you must pray more because this knowledge shall place a great emotional strain upon you. In a short measure, a small measure, My children, you will be able to understand the trials, the suffering, but the courage given in the light to My Son and I as We traveled upon earth doing the will of the Eternal Father.

"The Eternal Father has sent Me to you as a Mediatrix between God and man to warn you that you must change your ways that offend your God much. For countless earth-years, My children, I have returned among you to counsel you and warn you that you were approaching the days of the latter times. Many saints shall come forward through the days ahead.

"I must warn you, and you must shout it from the rooftops now, before it is too late, that 666, Lucifer and his agents have advanced upon the world and are in the city of Rome. I say unto you, My children, that you must now work to preserve My Son's House, His Church! Because, unless you pray and do penance now, Rome, the Eternal City, will become the seat of the Antichrist!

PASTORS HANDING OVER CHURCH TO ENEMIES OF GOD

"I repeat: you must pray for your bishops, pray for your cardinals - you who claim you are members of the Church of My Son, His House upon earth. Many pastors have buried their heads in the sands. They are blind of spirit, and why? Because they do not pray. They have given themselves over to worldly pursuits. They do not pray. They do not stay in the spirit but have become of the world, seeking gold and silvers and honor and power among men, until in their pursuits they are handing over My Son's Church to the enemies of God.

"Do you not recognize, My children, pastors in My Son's House, that satan is among you? He has come as an angel of light, deluding you with promises of humanism and modernism for mankind, promises of success and the salvation of souls for whom? For Lucifer!

HERESY AND ERROR

"When one becomes blind of spirit, you walk then in darkness. A house and a church in darkness, My children, wears a band of death about it! A church that falls into heresy and continued error will close its doors.

"I have asked you, My suffering little children, to remain in your parish churches. Pray and be an example. Do not abandon My Son's houses in your district. For while the doors are open - and My Son is the door, though thieves have entered, and robbers - My Son is the door, and if you come through that door you will be received with the light.

"My children, there are many among you in My Son's ecclesiastical bodies that seek to build a new church upon earth. It is not supernatural; it is a natural church of man!

HUMANISTIC APPROACH TO SALVATION

"My children, do not be deluded by the humanistic approach to salvation. My Son gave the rules; the Eternal Father set the rules for mankind in the past and through countless ages of time. You have cast aside the direction of the founding Fathers of My Son's Church, those He has appointed to set down the rules and procedures. You cannot, you must not change the Book of life, the Bible, to please mankind, for you are pleasing satan. You must remember the words of the Book of life that any man - meaning it woman or child of conscionable age, but more befit to say man - who seeks to change but one word in the Book of life, the Bible, shall be cast out of the Kingdom of life and light, Heaven, cast from the light and into the darkness ruled by satan, forever damned.

"My children, as a Mother, I must counsel you to wear your sacramentals.

DO NOT ACCEPT COMMUNION IN THE HAND

"Again and again I wander to and fro directing My children to remain close to the Eucharist, the Bread of life. But do not become misguided: do not accept My Son's Body in your hands. Satan, Lucifer, came as an angel of light and set his agents among the hierarchy of My Son's Church and deluded them. All manner of abominations are being committed upon My Son's Body now.

"The greatest measure of responsibility for the fall of the sheep, a sheep that shall be lost to Heaven, shall be given to the hierarchy; for the Red Hat has fallen and the Purple Hats are being misled.

"My children, God the Eternal Father in Heaven in the Eucharist, God the Eternal Father in Heaven in the Holy Spirit, is first before any man!

"My children, My heart is torn. See the two hearts of suffering before you, My child."

Veronica - Oh, my goodness! Oh, I see two hearts. They look like living, pulsating human hearts. They - oh, my goodness! And I see knives, actual knives, but they are a cross on the handles. The knives are thrust in the hearts, and the blood is coming down like blood falling from the sky.

Our Lady - "My child, sad is the truth that the evil men of the cross shall stomp and trample the cross.

"O My child, much that I have given you must now remain a secret for the time being, for your safety.

"Yes, My child, weep with Me, for I cry for My children.

"If I could receive permission from Heaven to open for you to all see the fierce destruction that is fast approaching your country and the world, you would come to your knees; you would walk on your knees to My Son in the Eucharist. But no! You continue making the same errors as in the past. You call down upon you a just chastisement.

"My children, many have said My message is a frightening one, but what can I tell you but the truth? Gladly would I come to you with words of cheer, but I can only extend to you words of courage and caution.

"My visits upon earth are increasing, My children. Many armies for Heaven are being raised up.

"Do not despair or become discouraged in the battle ahead, My children. I promised you always that I shall be with you. My Son is always with you, but I shall accompany Him as We watch the battle continue, the battle of the spirits.

"My children, understand: it is a great test for all mankind. You who have been given the knowledge of what is happening now upon earth must go forward as apostles, disciples of My Son, and pass this knowledge on to all. If you are too concerned of your own pride and personal comforts, My children, you will not be able to work as an apostle and disciple. It must be a full dedication in the spirit.

PROPER DEPARTMENT OF WOMEN DURING MASS

"My children, We ask that all women during the Holy Sacrifice of the Mass have their heads covered. It is demanded of all by the angels who assist My Son, who are there at the consecration and the reception of the Eucharist. It is not because of

custom that this is asked of you, but because the angels, who demand proper deportment during the Holy Sacrifice, are present and watch the Eucharist.

A REBELLIOUS GROUP CALLED ERA

"My child, you understand well why this direction is no longer accepted upon earth. You have now a new rebellious group called ERA, 'equal rights for women.' O My children, what a delusion this is among you! Do you not recognize that you will lose more than you shall ever gain because you defy the direction of the Eternal Father.

"Paul the Apostle wrote down the words given to him by My Son, Jesus. Adam was created in the image of God as man, and woman was given unto him as his helper. As such, My children, man must always be the head of the household. There shall not be strength in a home divided.

"It is a defiant act, My children, that women no longer cover their heads at the Holy Sacrifice of the Mass. They will not obey, for they cannot understand that man must not change the wording of the Bible. Man and the hierarchy must not change the wording of the Bible to suit mankind's instincts. No! The hierarchy must lead the sheep upon the road to Heaven through the plan of the Eternal Father, and this plan has been written in His good Book, the Bible. If you choose to strike out on your own and form a new Bible and a new way, you are doomed to disappointment and destruction. And worst of all, it will be soul destruction!

"Pray, My children, a constant vigilance of prayer for your hierarchy, your priest. Set a good example among them. Do not be afraid of the scoffers, those who bring derision upon you - derision, My children. Accept your cross. Pick it up, My children, and carry it and follow My Son. The reward will be far greater than any reward that man could ever visualize in his human mind."

Veronica - Now Our Lady is taking Her Rosary like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is turning to Her right side - that's our left side, and She's going across the sky. She's smiling very sadly, but oh, She has a smile. Our Lady now is bending over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now directly over on the left side I see Michael. I didn't notice him before, but he is tremendous. He covers the whole sky from one side to the other. There's no way I can explain. He is a tremendous, absolute warrior of Heaven!

Our Lady is going over now to our right side. She's standing there and looking about Her. Now She is extending the Rosary out like this, with the crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children. Please continue with your prayers that are sorely needed."

[Pause]

Veronica - Directly over on the right side of the sky there is an angel standing there. It's not Michael. It's another angel. I believe it's Gabriel. Oh, my! I don't believe I have ever seen him standing like that before. He has a chalice in his hand. He's a beautiful, beautiful sight! His wings are - I guess you'd call them wings, but they're so beautiful. I don't like to call them wings - like gossamer feathers, or - I don't have human words I can explain what they look like. They are beautiful, like weightless! I can't explain it, but they are stretched across the sky as he's standing there. He has a long white gown on, but held out in his hand is a gold chalice. And his voice is booming:

CUP FILLED TO OVERFLOWING

St. Gabriel - "See, my child and my children, the cup has filled to overflowing. You bring suffering upon mankind because you have rejected, in your arrogance and pride, the Queen of Heaven and Her counsel."

Veronica - Oh, my goodness! Now the angel is going back into the sky. He seems to come from a great distance, because he hasn't turned around but he's floating backwards. And he's still holding the beautiful chalice. It's all made of gold. But he's becoming now - I can barely see him. It's like he's just gone miles and miles back into the sky.

Now over on the left side of the sky, directly over Our Lady's statue, it's becoming very lighted. The sky in the center, directly over the statue is becoming brilliant in light. It's like a pinpoint of light cascading out and coming, like star-like formation, outward.

Now directly in the center of the light I can see Jesus. He's coming forward. He's just gliding; He doesn't move His feet. I can't explain it. He seems to have no weight. He just moves like on the wind. He's carried like through the sky. It's just wonderful to watch!

Jesus is coming now closer down, just above Our Lady's statue. He has nothing on His feet. He's looking all about Him. His hair is quite long. I can notice it now because He's turning to the right and to the left. His cape is a burgundy color. It's held

at the throat with a kind of a cording, a gold cording. Oh, He has a very full type of gown under the cape, and there's a belting of material like - oh, I don't know what it's made of, but it looks like it's made of like a skin, an animal skin. And now Jesus is placing his hand out like this and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now He's placing His hand to His heart. Now Jesus is touching His lips with His first finger, which means to listen.

Jesus - "My child and My children, you are now approaching grave days. My Mother has prepared all of you for the trials ahead. Needless to say, I shall not repeat again the counsel given to you by My Mother. This counsel has been rejected by many, and for all of Her heart that My Mother has extended to you, many have returned this gift with bitterness, mockery, and derision and blasphemy.

"My children, you must now go forward as disciples of the Eternal Father, sending the words of Heaven far and wide throughout your world.

"The Eternal Father is raising up among you many prophets, but you must exercise care in discernment of their spirits, for there will be also many false prophets sent by satan. These false prophets will perform what appear to be miracles, but they are false miracles of the end days, My children. Test the spirits. False miracles will soon be acknowledged by their fruits.

"My children, I have also a great sadness of heart as I watch and wait for my hierarchy in My House, My Church, to awaken and come out of the fog. It is sad that satan, who comes as an angel of light among you, giving you all manner of humanistic theories based on modernism and progression, that satan could blind you to the truth and you will accept error even to the extent of promoting the size of the forces of Antichrist in My basilica in Rome.

PRACTICE OF THE DARK ARTS

"My children, you are recrucifying Me upon earth. Did I not know the eventual outcome, I would cry out to you: 'Was My sacrifice needless upon earth? Is this all that will be returned for My sacrifice - rejection by many, even unto accepting My adversary Lucifer as your god?' Yes, My children, We know the hearts of many who have given themselves over to the practice of the dark arts, invoking demons and giving their spirits, their souls, over to the prince of darkness, Lucifer.

"My children, your country, the United States - the civil authorities and civil leaders hold a great measure of responsibility for having your country fall into a pagan way of life, a life without the light. This can only bring death and destruction to your country. Morally you have fallen; spiritually you are blind.

"My children, the numbers who will be saved shall be counted in the few. Every man, woman, and child of the age with conscience shall be held accountable now for his choice, the narrow road or the wide road: the narrow road leading to Heaven and the wide road leading to damnation and hell.

"My children, parents, protect your families and your children. Keep the light of faith in their hearts. You cannot now expect nor rely upon My clergy, for many are selling their souls to get to the head! Judases in the House of God. Traitors who have risen and grasped doctrines of demons.

"My children, you must recognize the signs of your times. I do not intend to give you a full score of the world's approach to the great Chastisement. What happens between now and then will depend upon the reaction of mankind to the Message from Heaven. Prayer, penance, and atonement now, for your future, what was to happen in the future, shall be now."

Veronica - Now Jesus is extending His hand out like this and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Pray, My children, pray before you are forced to pray upon your knees in your streets."

Veronica - My God, I believe, I adore, I trust, and I love Thee. I beg pardon for all those who do not believe, do not adore, do not trust, and do not love Thee.

O my Jesus, forgive us our sins, save us from the fires of hell. Lead all souls to Heaven, especially those who have the most need of Your mercy.

"Yes. . . . Yes."

July 25, 1978

Eve of Saint Anne

Veronica - The sky all about the trees is a deep blue, and there is a light now opening up directly through the sky over Our Lady's statue. Coming through this light I can see Our Lady. She looks small in appearance, but as She's coming forward I can see Her much clearer.

Our Lady is wearing a white gown, a very long, billowing gown, and a mantle that covers Her head and reaches down to Her feet. Now Our Lady has a blue wide scarf-like belting around Her waist. And from Her right side of the belting there's the large Rosary, Our Lady's large Rosary, hanging from the belting. She looks very beautiful!

On Her head Our Lady has a decoration or a - it's like a crown, but it's made of, strictly of leaves, green leaves. It's a very deep green. It fits Our Lady very heavily. The leaves - I don't know what kind of a bush it comes from, but the leaves are quite large, almost pointed. They are like rounded on either side and coming to a point, a very solid, leaf-like type of leaf, on these, and many of them all together. And Our Lady is wearing this crown of leaves, and they're so full - the crown is so full; it almost covers Her whole head from Her forehead just above Her brow to the top of Her head.

Our Lady is looking all about Her. She looks very, very disquieted, sad about something. Now Our Lady is taking Her Rosary from about Her waist, and She's taking the Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is holding the Rosary in it - She's placing it into Her left hand, and She's reaching beneath Her mantle and extending a Scapular, a very dark brown cloth Scapular - square piece of cloth on a long brown string. Our Lady now is placing the Scapular in Her left hand and the Rosary in Her right hand, and placing them both out in front of Her like this. Now Our Lady is kissing the crucifix of Her Rosary. And Our Lady now is holding the Scapular in Her left hand, but She's touching Her lips with Her first finger.

Our Lady - "My child and My children, I extend to you these sacramentals. They will be worn by all in these crucial times. My children, do not take them from about your person, your neck, because the enemies of your God, loosed in your world now, will seek to destroy you by taking from you the armor, the special grace extended to mankind to outwit, in this battle of spirits, the prince of darkness and his agents. You must understand, My children, there is a world unseen to the human eye. And I say unseen because it is a world of the spirit that is not akin to the world of man, the human race.

"The Messages from Heaven, My child and My children, are given for all mankind. Much emphasis has been placed through time on the message to the clergy in My Son's House for reason. They are being deluded and misled by satan.

"This has come about only because arrogance and pride has entered upon them. They no longer pray but have succumbed to the errors of humanism and modernism. Holiness must be returned to the vocation. And this can only be acquired by restoring prayer in My Son's House and especially the prayer life that is so lacking now in the clergy.

"In your well-meaning actions of opening My Son's Church to all without conversion, you have allowed yourself to associate with heretics and unbelievers. In this manner you are compromising your Faith. My children, recognize what is happening now in My Son's Church.

"The sin of mankind has not stopped at the doors of My Son's Church, but has entered. Many of the high clergy, the hierarchy, have succumbed to the riches of the world, for many are selling their souls to get to the head. Unless they repent of their actions and seek to restore My Son's Church to its former glory, many mitres shall fall into hell! All who cry 'Lord, Lord!' shall not enter into the Kingdom of Heaven.

"The Eternal Father looks into the hearts of everyone, My children. No man can keep a secret from Him.

MANY FALSE CHRISTS

"There are many now false christs upon earth. There are many lying teachers, false teachers. All this is but the surface indications for all to see of the state of the world in spiritual darkness.

"My children, I beg you as your Mother to listen to Me. I come to you with a warning, a warning for all mankind, to turn back now from your sin. You must read your Bible, the Book of life. Do not conform to the world or its lying teachers. For the word from the Eternal Father is this: Conform, O clergy, and you will die on the vine! Conform, man of the world, and you will die on the vine!

"You cannot now bargain with satan, for his power is too great. As a former high angel of the eternal Kingdom of your God, he too said, 'I will not obey, for I am a god in myself.' My children, are there not voices now going throughout the world saying 'I am God!' Do they not seek to play the part, the role of a god now, as they seek to create life? It is an abomination in the eyes of God for man in his arrogance and pride to seek to create the living being. What he is creating is a soulless monster, a being of destruction for all that it will meet. I say 'it,' for it is not truly a human being but a 'thing,' My children, a 'thing'!

TEST-TUBE BABY NOT A CHILD

"Did I not warn you when I first entered upon the grounds at Saint Robert Bellarmine Church? Did I not warn you with a photograph? The woman standing at the right high in pregnancy, and upon her person a test tube with a being inside that resembled a child but is not a child! My children, if you continue, O scientist of the world, in this pursuit, your punishment shall be great!

"My child, I realize the great strain, the emotional and physical strain you must endure in bringing this message to the world. You must understand, My child and My children, that satan now has gathered the store of world's riches to give to his agents to promote his cause.

"Money has often, My children, been called the root of all evil, and money shall be the god for many as they bargain with their souls. I repeat again: what do you gain if you gather all of the world's riches and power and come across the veil - as you do, will do, sooner or later? What good will it be for you to come without any graces stored in Heaven? You seek then immediate condemnation in judgment from the Eternal Father. You will be banished, forever lost, to the city of the damned with satan!

"O My children, I could give you countless sins, errors in teaching, naming them, listing them hour by hour, so great have they multiplied since My first visit among you. Needless to say, all are being marked with the sign of the cross or the sign of the beast. As time goes on, My children of light, you will be able to recognize with your human eyes, through insight from the Eternal Father in the Spirit, those who are marked with the sign of the cross or the beast.

"Many prodigies, many miracles shall be performed upon earth; but watch well, My children, and pray upon them, for there are now many false prophets loosed upon earth. There will be many manifestations in the air and on land, but many of these shall come from the prince of darkness in the power he now retains. Test the spirits well and pray.

ALL DESCENDED FROM ADAM AND EVE

"And shout it from the rooftops that man of science is wasting his time seeking life on another planet. There is no life! Were it not so, the Eternal Father would have given you prophets to write down and discourse with you upon this life. The first man and woman created were Adam and Eve, and all descended from them.

"My children, all who give themselves over to pursuits of the world and pleasure shall lose contact with the light and fall into darkness. The ways of the world will bring sins of the flesh that will condemn many to hell.

"Parents must protect their children now. Do not depend even upon your clergy to safeguard your children's souls. Satan now is doing great battle in My Son's House upon earth. He shall not be victorious. However, it is a test now for all mankind. You will be guided by reading the Bible, the Book of life. And I repeat again for all mankind to hear: Conform to the world and its sin and you will die on the vine!

"My child, you will continue to send the Message from Heaven out to all mankind. Do not slacken in your pace. As you know, as I have told you (which must remain secret until it is profitable to be told, and I will tell you, My child), there is little time left before the Warning. Pray always - daily, morning, noon, and night. Keep your hearts tuned into the Spirit of light, My children. Do not bury yourselves in the world, for the world is now a battleground with satan."

Veronica - Our Lady now is taking Her Rosary like this, and extending the crucifix and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now directly over on the right side Michael is coming down, and he's being followed by many, many angels. Oh, they're beautiful! They look like children; they're all sizes, and they appear to be children. They're small, and their clothing I can judge mostly; I never see their faces. There is a tremendous light coming out from beneath the garlands they have on their heads. They have these rose garlands about their heads.

And they're carrying also - there are four little angels. They look - I don't know if they're girls or boys; I can barely tell - but they're holding this garland that's similar to the garland that was on Our Lady's head, that made the wreath about Her head, the green leaves again. It's a very heavy garland, very fresh looking, and there's almost an aroma of wetness coming from it. I don't understand. It's a deep green, a growing plant. It's definitely a growing plant type of garland. And the four angels are holding the green leaf now. I never saw one like this. Oh, it's very, very beautiful!

Now Our Lady is going across the sky. She's passing - She's just floating. She doesn't walk, She seems to just be carried across the sky in the wind. And She's cutting over now to our left side. She's just reaching the tall tree over on the left. Our Lady now is leaning down and extending Her Rosary out with the crucifix, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is going across the sky. Now She's returning to Her original position over Her statue. And Michael continues to stand at the right side, but his wingspread now - he has his wings open. I can't explain that, just the most magnificent thing I have ever seen. They cover the whole sky. He is immense!

Our Lady is nodding now.

Our Lady - "Be seated, My child."

Veronica - Our Lady wants it understood about death.

FULL CONSCIOUSNESS AT DEATH

Our Lady - "There is no death, just a leaving of the spirit. There will be at death a feeling of faintness and passing out. There will be a full consciousness. There will be a pulling out of the body, a force very great. There will be a tremendous light pulling forcefully you out of your body casing, and you will be carried forward a great distance into and over the veil.

"It must be known to all mankind that life upon earth is but a temporary existence, but life off the earth in the spiritual world is forever, a realm of complete consciousness and knowing. All emotion shall be governed by the Eternal Father, with peace and joy in knowing. This beautiful world of consciousness, eternal, must be gained in merit upon earth by following completely the directions from Heaven given through time upon earth. As pilgrims upon earth, My children, you must follow the rules given by the Eternal Father for your salvation, the Commandments of your God.

"The clergy upon earth, in all denominations, cannot give themselves over for experimentation, change with errors. For many souls shall be lost to Heaven. Clergy in My Son's House in Rome, under the direction of the Seat of Peter, you must recognize that the world is closing in upon you, and you will die on the vine if you conform with it.

"Convert the unbeliever. All Heaven cries for conversion. Do not go forward with the delusion any longer that you will bring souls into My Son's House, His Church, by change. You will find you will lose souls, for a Church in darkness wears a band of death about it.

"Go forward for the redemption of mankind out of this present world of sin. Prayer, atonement, and sacrifice We ask for all mankind now. Your future is now. What the Eternal Father had planned originally for your future shall be now. The decision is now with mankind. A great Chastisement approaches upon you.

STORMS, ROTTING CROPS, FAMINE

"Storms shall ravage the shores; crops will rot in the ground - famine. Insanity from sin, in the minds of the young. Murders. Who shall govern your fine country, My children, in the future, as the pollution is bending the stalks? Repent now of your sin, for the hand of just punishment is being lowered upon you.

"I as your Mother will continue to come and guide you through the great test ahead. No man shall be lost unless he does, chooses his path, of his own free will."

Veronica - Our Lady now is going high into the sky. It's as though a light is carrying Her backwards; She's just floating. She looks very beautiful! Very beautiful!

Our Lady - "Continue now, My children and My child, with your prayers of atonement."

[Pause]

Veronica - There are two long rays of light coming through the sky directly over Our Lady's statue. And I can see now Jesus. He's coming forward. The sky is opening up. Oh, it's just beautiful! There seems to be all around Jesus a huge round, circular light. It covers the whole sky now like a huge host.

Now Jesus is coming forward, and the light, the two streams of light are coming from His hands, which He has out like this. His two hands are placed in front of Him like this, and there are streams of light coming from the fingers.

It's quite windy. I can see that Jesus' hair is blowing. But His feet are bare; He has nothing upon His feet. His gown is very long. It's a beige color, but a dark beige, sort of an off-white. It's very loose and flowing. Jesus' cape, He has it knotted at His neck by a piece of cording. His cape is a deep burgundy color, not of red. I can't explain it - sort of a . . . well, I called it burgundy; it's like a, not a plumish coloring, but like a red, a deep red.

Now Jesus is coming forward. I can see Him very clearly now. He looks very beautiful. He has very piercing eyes. I can't explain it, but He has very beautiful eyes. Now He is placing His first finger to His mouth.

Jesus - "My child, in the days ahead you will not understand fully the direction given to you, but for your safety and the well-being of the mission you will accept this direction without question. In time it will be made known to you.

"My children of light, My Mother will continue to be with you in the days ahead. Yes, Her voice has cried out in supplication to the Eternal Father for a continued reprieve for mankind from the Warning and the great Chastisement. However, many warnings have been given in the past to awaken mankind from its slumber, as man is plunging fast to his own destruction.

"Sin in your country and in many countries throughout the world has become a way of life. In the history of a fallen nation you will always find it is preceded by a fall into immorality and sin. For a nation that has been given plenty, it has been used now, this excess in luxury, to destroy souls.

"The Faith is being attacked in My House upon earth, My Church, and many of My clergy are falling into the plan with the octopus, the great world powers that seek to gather all nations into a rule of a one-world government and a one-world religion based on humanism and modernism. However, this shall not be set in motion to a conclusion with the loss of souls. This shall not be set in motion because the Eternal Father will send a Warning to mankind, a great Warning of such magnitude that very few will doubt that it comes from the Eternal Father and is not man-made.

"Your scientists are rising, seeking to go above all creation, seeking knowledge that will bring men down from their peak. And they will fall fast into hell, the abyss, eternal damnation.

"The human nature of man is corruptible, and when this corruption flows into the soul, the spirit, then what shall a man do but become a stooge, an agent of hell. Many, for the love of power and money, have given themselves over to being Judases in My Church, My House. No man is hidden from the eyes of the Eternal Father, for He has counted each hair on your head.

"My children of the world, all mankind now is in great distress and suffering. A spiritual war is being waged upon earth now. The human body shall suffer, but woe, woe to the world when the spirit becomes darkened.

"My children, pray a constant vigilance of prayer now in your homes, in the countries throughout earth. For I say unto you now: a great Warning is approaching mankind.

"My children, continue to follow the counsel of My Mother. All of the saints and the angels of Heaven shall come with you to aid you in this war of the spirits. Soon My clergy must make a decision: shall they build now a church of man and replace My House upon earth? No angels are guiding their movements. No angels shall rescue them from the pits of hell. Awaken, My clergy, for your heads are in the clouds!

"Where have the hearts from your vocation gone? You have sold your souls to get to the head! For what? Each and every one of you must answer for your time upon earth. Many of you will come over the veil in a short time. Shall you be ready? Have you prepared My sheep, My children?

"Woe, woe, woe to the inhabitants of the earth if they have not listened to the counsel from Heaven! There will be much gnashing of teeth and woe set upon the earth by the evil one.

CONDUCT OF CLERGY IS POOR

"Wear your sacramentals. Remain with Me at the tabernacles of My Church throughout the world. I am with you. Do not accept the challenge of satan by listening with itching ears to his new doctrines of demons. I am with you. Though the conduct of My clergy is poor, the doors are not closed to you yet! Join with Me at the tabernacles of your Church. Do not abandon this grace. You will need every vestige of grace given to you in the days ahead, for many shall fall in the battle.

"Pray, My children, for your clergy. They are prisoners of the world, shackled to the love of the world. They have placed, many of them, the world before the Eternal Father and the plan in their vocation.

"Parents must safeguard the lives, the souls of their children. And I say unto you, parents, as well as My clergy: if you conform now to the world that has been given to satan, you will all die on the vine! And I am the vinedresser. The tree is the tree of life, eternal life for all. Conform to the world and you will die on the vine!

"My Mother is rising up many armies throughout the world, candles in a dark world. Continue to unite all for the salvation and redemption of mankind. Pray now. Pray for your brothers and sisters. Be the soul of charity to all."

Veronica - Jesus is now placing His hand forward like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is starting to cross the sky to the left side. He's turning back. He's turning and facing us, and He's touching His lips.

Jesus - "My child, you will be afflicted with great physical suffering for the rest of your time upon earth. Accept it, My child."

Veronica - Now Jesus is turning to the left. He's continuing across the sky. And He's now bending over and placing His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is turning over to His left. He's coming across the sky. He's just floating. He doesn't walk; He's just weightless and carried clear across the sky. Now He's coming across.

Now Our Lady is coming down from - I don't know where She came from; I didn't see Her over there on the left side. But She's coming through the sky now, and Michael's behind Her with all of the angels. Oh, they look just beautiful! They're carrying those long green garlands of - I don't know what they are - like leaves all pressed together into a long garland.

Now Our Lady has gone up behind Jesus. Jesus is now cutting across the sky to our right side. He's standing now and looking down, just by the tall tree. He's just in front of the tall tree, and bending down now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is nodding to Jesus. They're conversing but I can't hear Them. I can't hear what They're saying. Now Our Lady is turning, and She's going across the sky. And now She's just over Her statue, and She's backing up, just floating back. And there seems to be a tremendous light coming about Our Lady that's carrying Her back now into the sky. She's quite a distance now, up in the sky. Jesus is cutting across the sky. Now He's directly over Our Lady's statue, and He's extending His hand out like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Continue now, My children, with your prayers of atonement. They are sorely needed."

August 5, 1978

Eve of the Transfiguration of Our Lord

Veronica - The sky directly over the statue is opening up. Our Lady is coming forward, but She's dressed in a very strange garment. Our Lady's gown is a white, a brilliant white, but She has upon Her a mantle that covers Her head down to Her feet, but the mantle is a black. I have never seen Our Lady with a full black mantle on. It's like you feel an "ominence" of warning. It's a feeling of sadness about Our Lady.

Now She's looking over to the right. But now Our Lady is turning, and I can see a child in Our Lady's arms, a very young child. I would say it looks almost like a newborn baby. Our Lady is extending the child like this and saying:

Our Lady - "My child, repeat after Me.

"See the carnage that man has wrought upon earth, and understand why, measure for measure, the world will be cleansed by trial.

CREATION OF MAN, CREATION OF SATAN

"Man is creating now an abominable situation upon earth as he seeks to fly high to the realms of Heaven by seeking to create another being. I shall not, My children, venture to call this being 'human,' for it is the creation of man, coming forth without a soul. Satan, the master of deceit, has been the creator.

"My child and My children, I wear a garment of suffering and sorrow for all mankind, for this abomination shall increase. The world shall be given a just punishment, and the punishment, My children, shall come from man's hands.

"My child, I have asked you to flood your country now with the warning from Heaven that science and men of science must cease their striving to reach creation, for no man shall ever be able to create life. The shell shall be produced without life!

"My children and My child, I have counseled you in the past that, unless mankind receives the Gospel, the Scriptures, with open heart and lives the meaningful life of an apostle of My Son, Jesus Christ, he will walk in darkness otherwise. And as he walks in darkness he will become an agent of hell and an instrument of satan.

"All hell now is loosed upon earth. As I have warned you over and over again, you are battling now with Lucifer. Not just his minor agents in human form, but Lucifer walks the earth now himself, unchained from Heaven because of the extensive sin of mankind, because man did not follow the directions from Heaven given in the past from various places through various seers. Man did not listen and act upon past warnings, and now the punishment is at hand.

"Why is it a human frailty that mankind does not learn by past experience but will create an error over and over, perpetrate an error and continue it to his own destruction? The present state of souls, the lack of spirituality - many are empty bodies now, with dead souls.

"In these days, My children, many manifestations will take place. You will test the spirits, for you are living now in the days of the war of the spirits. Lucifer has great knowledge of the supernatural, so you will test the spirits.

"My child, We will continue to give you photographs of knowledge. You will give them to all who seek the truth.

"It is time now, My child, that you learn not to waste valuable time in trying to reason out the rejection of man. It is best that you go forward and find another. Each and every soul is important for Heaven.

"The world's people must listen now to My counsel. The Eternal Father is much distressed as the offenses to Him increase. The Eternal Father knows of the day and the hour for your chastisement. Because of His mercy, His all-knowing merciful heart, He has allowed Me to come to you as your Mother, the spiritual Mother of earth, to counsel you in this final period of your era.

"I counsel you, and even admonish you as your Mother, to retain the Faith as given from My Son to His Apostles in the Book of life, your Bible. This Book must not be changed in wording to please man, but man must change his way, the ways that offend His God, to please the Eternal Father in Heaven in the Trinity.

"My children, I could go on and on, repeating and adding to the offenses against your God that are being committed daily in your lifetimes. Needless to say, sin is insanity; and the world's peoples will look askance - I say, My children, many will look askance at the developments as time goes on. All who are living will soon envy the dead, for sin is truly insanity.

SHEEP NOT FED SPIRITUAL FOOD

"This sin has now encroached upon the clergy in My Son's House, His Church. A great measure of responsibility has been given to them to save and guide the sheep. The pastures are rich, but the sheep grow thin! They are not being fed spiritual food.

"The world must not reject the knowledge of the supernatural and the spirit. The world is of the flesh and the devil! My children, you must make your choice now: Will you be of the world, the flesh, and the devil, or can you live in the spirit for the short time given, left for mankind.

ANGEL OF DEATH

"I assure you, My children, it will be worth your while to take yourselves now from the world, earth, that has been given to satan for a short time. It is a testing ground now for all, be it laity or clergy, or unbelievers. All mankind must receive the Message from Heaven, for death, the angel of death will not be guided by race, color, creed, or religion. And I assure you, My children, you will soon understand the meaning of the angel of death in your country.

"You will all keep a constant vigilance of prayer going throughout your country and the world. Penance, atonement, and sacrifice, My children, I beg of you! Do this in faith. I extend to you My Immaculate Heart, a heart much torn in care for the conditions of the world.

"I beg of you as your Mother to listen to My words of counsel, for this counsel comes directly from the Eternal Father in Heaven. The hand of punishment is extended for mankind. It grows very heavy, My children. How long can I hold it from upon you?"

WEARING A BLACK MANTLE

Veronica - Our Lady now is going over to our left side - that's Her right side of the sky. I don't see the child any longer that She was holding; but now She has in Her right hand the Rosary, the beautiful Rosary. She looks very sad, and I tell you, the black mantle She's wearing makes Her look almost like She's been to a funeral or something. Very sad.

Our Lady now is taking the Rosary, Her beautiful white Rosary with the golden Our Father. She's extending it out and making the sign of the cross with the huge crucifix: In the name of the Father, and of the Son, and of the Holy Ghost. It's a beautiful golden crucifix that Our Lady is holding out.

Now She's turning over to the left, Her left - that's our right side - and Our Lady is now floating. She doesn't walk; She's just carried like She's weightless, across the sky. And She's stopping now directly over the banner and leaning forward, and with Her crucifix, the huge golden crucifix, She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is floating across. Now over on the left side of the sky, I can see a gathering of angels. I know they're angels from their garments, and they have wreaths about their heads. I don't know just if they're girls or boys, and it's very difficult to distinguish the angels. I can't see their faces too well, but they appear to have hair, in the light, the brilliant light; and they have garlands of roses on their heads. And they're following Our Lady now across the sky.

Our Lady is directly over the banner on the right side, our right side, and She's extending Her crucifix out: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is going back across the sky. She's standing directly in the center. Now She is placing the crucifix to Her lips. Now Our Lady is nodding to listen.

Our Lady - "My child, your experience was to give you wisdom. You must never sleep, My child, without your protection, your crucifix, about your neck. I have told you in the past that satan never sleeps.

"I realize why now you must be cautioned regularly, My child. Your household duties and your heavy mailing may make you forgetful. I will ask Tusazeri to guide you constantly. Remember, My child, you must never be without your crucifix."

Veronica - Now Our Lady is making the sign of the cross again: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "If you care to, My child, you may explain our conversation."

VERONICA'S EXPERIENCE

Veronica - Well, I had gone to bed last night, and I couldn't sleep. I, I was very tired; I should have been able to fall off to sleep.

I had washed myself and taken the cross from about my neck and laid it down on the table because I didn't want the water to perhaps rust the crucifix or soil it. I always have a habit, I thought, of placing it back on my neck. Instead I had fallen asleep without my crucifix about my neck. Well, all during last night I was pummeled from the shoulders and all through my back. Somebody was pounding me all night, and I didn't sleep a wink!

And shortly before that, Ann [Veronica's secretary] had taken a miraculous photograph. We had asked for it; quite a long story why I had to ask for the photograph, but in this photograph there was a sign for "P," for "pray," because 666, which is satan himself, was going to - had a plan against you. To pray

Well obviously I should have said another Rosary before retiring, or I wouldn't have forgotten my crucifix. So I know now the pounding on my back all night was satan trying to toss me out of the bed. It was something that you'd have to experience to understand; I could never explain it to you. I wasn't frightened; I was very annoyed. But it - still you see how powerful satan is: with all the pummeling and being up all night, it never dawned on me - my mind was clouded - that I didn't have my crucifix about my neck. And that - I believe this is only the second time that has ever happened in all the eight years with Our Lady's mission. So you see, satan never sleeps. So you have to wear your sacramentals, heavy sacramentals, even at night.

[Pause]

All about the trees there's a bright glow of a pink coloring. It's beautiful. I can't explain it. The pink is a very soft pastel shade of pink. It's nothing that I have seen in a sky coloring before on earth here. And over Our Lady's statue the sky is opening up like a - I can't explain it; it's like a mist being blown away. There are no clouds; it's an overcast night, but the mist is blowing now, and it's becoming very, very lighted, very warm and lighted.

And directly through the center of this brilliant, very brilliant light, I can see Jesus coming forward. His feet are very evident now. He has on sandals, brown sandals. I have never seen this styling of the sandals before on Him. It's a thong-like type of sandal with a piece that goes about His ankle. He still has the marks on His feet from the crucifixion. I should think that the thong would be hurting His instep because they're very bruised.

Oh, Jesus has a beige type of gown. It's very long; His feet just come out from under the gown. It's very full. And He has a belt-like cording about His waist. It's made of also a skin type of belting. I don't know what the material is. It looks like it might be some type of animal skin, a soft animal skin, and I can see where it's belted at Jesus' right side. It's hanging down in a couple of pieces.

Now Jesus has a mantle on. It's a very deep burgundy-colored mantle. The headpiece - I can see the gathering of the headpiece behind His neck, on His hair. It's like hanging down over His shoulders, and there's a piece of string-like cord at His neck that's holding it onto His shoulders about His neck.

Now Jesus is looking all about Him. He's smiling. He has a beautiful smile. Oh, His eyes are so beautiful! Oh, I can't explain them! I have never seen anyone with eyes so beautiful! They are, they look a gray-blue. Oh, and Jesus has like a beard, but it's very well taken care of, very well-trimmed and neat. He's smiling.

Oh, now Jesus is extending His hand out like this in front of Him with His, like three fingers extended, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is nodding, and He's placing His first finger to His mouth. That means to listen.

Jesus - "My child and My children, what more can I add to the counsel of My Mother that could bring to you the great sadness that has been set into the hearts of all Heaven. Though My Mother has wandered to and fro across your earth, counseling you and warning you, the evil continues to accelerate.

"My children, understand full well that no evil is ever triumphant, but the way of the Eternal Father cannot be known to mankind. His judgment cannot be explained to mankind, for it's beyond human reasoning. But I say unto you as your God that mankind is living in a cesspool of sin, and sin is death.

"My children, as you know, your world is receiving many minor warnings that have passed by unnoticed as such.

CHARITY WILL GROW COLD

"As you continue daily, the sins of the flesh are increasing. The offenses to morality are increasing. Man has taken his body, his human body which is the temple for his spirit, and is defiling his flesh, casting out the light until you will have living bodies with dead souls. My children, when this happens, will you call yourselves human, as murders will abound upon earth? Charity will grow cold. All sins of the flesh being committed and multiplied unto murder! I could go on, My children, listing again and again the aberrations to you, and for what?

"Do you go about now saying, "There is time! And where is this promise of His coming?" My children, believe Me when I say unto you: the day and the hour is known to Heaven. It will be a time when you least expect it. Will you be prepared? How well are you preparing yourself for your exit from earth? Can you stand there as a human creature, whether in the light or in darkness, and say that you will not pass over the veil?

"All human flesh must go into the dust sooner or later. However, your soul, your spirit, is immortal. That means it cannot die; it will not die. It continues to live, though known as dead souls upon earth. It is the state of the spirit on earth. If you allow the light to leave your body, you will succumb to Lucifer, satan; and when your pilgrimage is over upon earth, you will be given to Lucifer, satan. Is this what you want? You were placed upon earth to honor your God, to love Him and to serve Him. And now you serve Lucifer, His adversary. For what?

WHEN CHURCH AND WORLD UNITE

"Lucifer is the prince of darkness and the father of all heresy and liars. I say this with great anguish, for Lucifer has entered into My Church, My household. The battle is great upon earth, and when the battle reaches into My Church, it will be a testing ground for all of earth and the world. For when My Church and the world become one, know that the end is at hand.

"My children, My Mother will counsel you in your trials and the time of tribulation. She will not abandon you in your struggles. You must all pray more. Detach yourselves from your worldly living and pray. It is your contact with Heaven. You must all lead and live and practice more spiritual life. Worldliness and worldly pursuits are as nothing to you. There is not one worldly, materialistic thing or person that will be able to save you or give you necessary merit when you come over the veil for judgment.

"Every man, woman, and child of the age of conscience has his soul to save. What will it gain a man if he gathers all of the treasures of the world, sells his soul to get to the head?

"Have you not listened to My Mother's counsel about hell, the abode of the damned? Have you not listened to Her counsel about the place of purging, purgatory? Oh, no! With itching ears you listen to the adversary who seeks to disprove this knowledge.

"Accept the facts in truth, My children. I had it written all down for you in the Book of life, your Bible. What are you reading but filth and pornography! You will not save your soul in that manner. Your children will be lost to Heaven in that manner.

"As parents you must treasure your children's souls. Keep them shining in goodness and holiness and purity. Many children of tender age have been robbed of this purity. Woe to the man who scandalizes the young!

"My children, when My Mother warned you of the arrival of Lucifer upon earth, She prepared you for his advance upon mankind and his plan. You will review Her counsel and act upon it. And I say unto you all: prayer, penance, and atonement for all! For the time given in the Book of life, the Bible, is at hand. Read your Apocalypse, the words of Saint John written in script. Learn by it. Ask for guidance in the Holy Spirit to give you knowledge in reading.

NO NEW CHURCH OF MAN

"Do not try to set up a new church of man upon earth, for a church in darkness wears a band of death about it.

"My children, pray a constant vigilance of prayer in your country, in your homes, your schools. Pray, but act also, for prayers without action is like placing a mess of meat on a dead man's grave."

Veronica - Now Jesus is extending His hand forward, like this, and making the sign of the cross. Now Jesus is touching His finger to His lips.

Jesus - "My child, I must caution you: you must not forget your crucifix. Be well guarded when you leave your home.

"Yes, My child, you will give out the message, for there is no room for pride or self-concern in your mission. The great sacrifice is asked that you strip yourself of all worldly pride."

August 14, 1978

Eve of the Assumption of Our Lady & in honor of St. Joachim

Veronica - The sky all about the trees is lighted very brilliantly. The light is a pure white. And coming directly over from between the trees I can see the sky opening up. Our Lady is coming forward. Oh, Our Lady looks very sad, very sad.

She has a pure white, glistening material type of dress, and over Her shoulders and Her head there's the mantle. It's a very strange color. I have never seen Our Lady wearing a mantle in a pale lavender-like purple. It gives me a feeling of terrible suffering and anguish visited upon Heaven.

Our Lady, Her feet are bare. Our Lady is now bringing Her hands close up to Her chest, like this, and looking about Her. From Our Lady's hands are dangling the beautiful Rosary, Her Rosary with the golden Our Fathers and the white Hail Mary beads. Now Our Lady is extending both of Her hands out like this, and She has transferred the Rosary into Her right hand, and in Her left hand She is extending a Scapular, a deep brown Scapular. I can see no pictures upon the cloth. There are two brown pieces of cloth onto a long brown string.

Our Lady now is taking the crucifix of Her Rosary and kissing it. Our Lady now has paused to brush a tear from Her eye. Now Our Lady is placing Her Rosary onto the sash about Her waist. The sash is also the same color as Her mantle, a purple. It gives me a feeling of trial and mourning. Now Our Lady is placing Her first finger to Her hands - from Her hands to Her mouth.

WITHOUT PRAYERS, 666 ON SEAT OF PETER

Our Lady - "My child and My children, I come to you with great sadness of heart to counsel you, as your Mother, to pray a constant vigilance of prayer now in your country and in all the countries upon earth. I cannot at this time urge you enough, My children, to pray and pray again, that these prayers rising to the Eternal Father in Heaven may reverberate throughout the world and into the hearts of those who will place upon the Seat of Peter a new pope. And My children, unless you pray, upon the Seat of Peter will be placed 666, the agent of hell in human form.

"O My children, through countless earth-years I counseled you to prepare My Son's House, His Church upon earth, for this fight with Lucifer. From the beginning of man's creation by the Eternal Father, the day was to come for this battle of the spirits. The Eternal Father has a plan for all mankind. However, man must now do full battle with the supernatural world of satan, who is Lucifer and his agents.

"O My children, need I repeat over and over the long list of reasons for mankind to do penance and make atonement. Your country, the United States, and many countries throughout the world now have become cesspools of sin, and many are drowning and wallowing in sin.

"O My children, what will happen in Rome shall be meted to mankind for the darkness of spirit that has entered upon My Son's House, His Church, and into the heart of mankind.

WORLD WAR AND CHASTISING COMET

"I have counseled parents to guard their doors of their homes and make them strongholds for the children! It is the young now who have become the major source for the onslaught of satan to destroy the future of your country and many countries throughout the world. I say 'many,' My children, because as the days go on, the major disaster of the World War and the chastising celestial comet set upon mankind shall leave in its wake too few souls upon earth.

"The final count shall be in the few of those who are to be saved. My children, at this very moment of time upon earth, each and every person of conscionable age has been marked with the sign of the cross and the redemption, or they have accepted on free will the mark of the beast, eternal damnation!

"For all those, My children, who have been given the light, much is expected of them. Please, My children, hasten to go forward with the Message from Heaven. There is no time to lose. My Son will provide you with many arms to reach each and every soul before the great test, a crucible of suffering, shall be set upon mankind.

"My children, the time is running out! Why are you not listening to Me?

"I bring you the glad news, My child and My children; I give you this knowledge from the Eternal Father, that your Vicar this day is with Us in Heaven. I know, My child, it will spare you many tears. You will understand all in time. Now repeat, My child, the message given to you, for now at this time it will have more meaning to all mankind.

Dear Holy Father, worried and wan
Will struggle with Jesus to gather the sheep.
The pastures are rich but the sheep grow thin,
For the souls have succumbed to the sickness of sin.

You'll need reinforcements from heavenly shores,
So deep is the darkness of earth's shallow mores.
All hearts must ascend in true supplication
To avoid the sad fate of divine devastation.
Dear Holy Mother, your Mother of love,
Does beg you to heed these dire words from above:
His heart is torn by careless surrender
Of too many souls that don't try to remember
The Father, the Son, the Spirit of life -
Smite in the heart with the human knife
Of hate, greed, avarice, vanity:
All indications that sin is insanity.
What more must you do but place the full load
Of saving all souls on the few who are bold,
Who'll stand up and fight for all Heaven's glory
And meet with Pope Paul at the end of life's story.

"You see, My child, there is much that you could not know until this passage of time. You will read all photographs carefully, and I trust you, My child, not to give the full revelation until you receive a definite sign from Heaven."

Veronica - "Yes. I will. I didn't know! I will."

Our Lady - "I repeat, My child, to you: You will endure much physical suffering upon earth. Rest cures all, My child."

Veronica - "They must listen! They must!"

[Pause]

The sky about the trees is illuminating a pink light. It is as though the very trees were exuding this light. It's a beautiful pink color. It's very difficult to describe. It's a warm color. In fact, just looking at it gives you a tremendous emotional impact of beauty and warmth. It's a pastel shade of pink. I can't describe it in words.

Now directly over Our Lady's statue, the sky, which was quite a dark color this evening, is - now the center of the sky is opening up just as though there were a hidden door in the sky. And there's a tremendous white light now coming through the sky. The light is clear like water. I can't explain it. The light is like cut glass, shimmering, clear and crystal-like. Oh, it's just beautiful! So pure!

And directly in the center the light is opening up. It started like a pinpoint. And I can see now Jesus coming through. It's as though He had traveled quite a distance. Now He's coming closer, and I can see that He has no foot covering, no shoes. The wounds on His insteps look very sore, and they're red now this evening. They look like they've been recent wounds! Oh!

Jesus now is standing directly over Our Lady's statue, only a few feet up from the crown of Our Lady's statue. He's looking about Him. He has on a mantle. The mantle, the cloak, is a deep burgundy color, almost a red. Sort of a - I can't explain the color. It's a beautiful satiny type of material, very beautiful, very regal-looking! Jesus has it tied about His neck with a piece of cording that comes from like into a bow-like formation under His chin. It's very loose about His shoulders. His gown is a deep, oh, beige color, like an off-white, almost like a pale beige color. It's very loose. Jesus has a belting of the same cord-like material that's about His neck.

Now Jesus is extending His hand forward, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "My child and My children, this has been a time in history most crucial to the lives of mankind and the well-being of My House, My Church upon earth.

"I am not going to go through with you a repetition of My Mother's counsel to you. Suffice it to say now that all warnings given from Heaven that have been rejected must bring forth foul fruits. I say this unto you with good meaning that no firm tree shall bear bad fruits. The vine must be shaken, and all that is rotten must fall!

"I repeat unto you, O pastors in My House: you have scattered the sheep, and now you must pray and do penance and make atonement to the heart that has been injured by you, the heart of the Eternal Father that you have smite with the knife by your arrogance and pride.

POPE PAUL SACRIFICED

"My children, Our Vicar, your Holy Father upon earth, was sacrificed for you. I cannot describe to you with your limited knowledge of the supernatural, the manner of his sacrifice. Be it enough that I say unto you that in the days ahead there will be many martyrs, there will be many latter-day saints coming out of the conflagration.

"I have watched mankind progressing deeper into darkness of spirit. Yes, the Eternal Father will not destroy the earth as in the past, but there will be a gradual separation of the sheep from the goats by trial and test in suffering.

"My children, all that has been given you in counsel by My Mother must come to pass. What was to happen in the future shall be now!

"I have warned you time and time again that there is a balance now over mankind, a balance held by the angels. And I say unto you that these angels are being stationed at the four corners of the earth.

"I have counseled you in the past, and I say again, even if your hearts are hardened and your ears have become deaf through sin, I say unto you: you must now take the Book of life, your Bible, and read it over and over again. Detach yourselves from the world that has been given to satan - Lucifer and his agents, the forces of 666 that now are ready to enter upon the Seat of Peter.

"My children, unless you pray and do penance now, your world will go into such darkness of spirit that man shall become as an animal! Trials upon earth, both physical and spiritual, will bring about the time when man shall envy the dead! Charity will grow cold in the hearts of many, so great will be the evil.

WEAR BROWN SCAPULAR OR PERISH

"There have been sacramentals given to mankind for his protection. My Mother extended to you the pearls of prayer, the Rosary. My Mother extended to you the brown cloth, and you will wear it or perish!

"My children, you are as a man divided. Your spirit is darkened while your body and worldly inclinations capture you in a prison where you seek nothing but pleasures of the flesh and sensuality. You must now divest yourselves, strip yourselves of all worldly seeking or you will be lost! A house divided will fall! A Church divided will close its doors! Only a remnant will survive. Be it known that when I return, will I expect, may I expect to find even a small flicker of faith left upon earth?

"Pastors, cardinals, bishops in My House, My Church, what are you trying to rebuild, a church of man without angels to guide you? What are you trying to renew? Has not My Church, My House, withstood all of the trials of time? It will stand again, but My concern as your God is the number of souls that are being lost to Heaven in this trial! The Eternal Father does not want one sheep lost to Him! Each and every soul upon earth is precious to Him.

"Pastors, when you come before Me for judgment, shall you stand before Me and say that your teaching has been pure in My sight? I will cast you away from Me into the fires of eternal damnation for your laxity and for your consorting with evil! Many are selling their souls to get to the head, and what does it gain a man if he gather all of the world's treasures? Not one of them can he take with him over the veil! Store your treasures in Heaven for your reprieve. It will be your true passport to Heaven. Without it you are lost!

HEAVEN GAINED BY MERIT

"Heaven is gained by merit. It is a narrow road, and too few stay upon it, for the diversions and the pleasures of life lure them away. The road is narrow, but all who remain gain eternal life in the Kingdom of your God. All who fall away and don't return must spend endless years in purgatory. And others give themselves willfully, and I say 'willfully,' for no man is lost to satan, to Lucifer, unless he goes to him of his own free will. Today, in your generation, souls are falling into hell as numerous as the snowflakes that fall from the heavens!

CONSTANT VIGIL OF PRAYER UNTIL SEAT OF PETER IS FILLED

"Pray for your bishops; pray for your cardinals. And My children, you must keep a constant vigilance of prayer going until the Seat of Peter is filled. Woe to the man who rejects the counsel of My Mother! A Church in darkness wears a band of death about it."

Veronica - Now Jesus is extending His hand forward like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is turning to His right side - that's over on our left side - and He's floating across the sky.

Now Our Lady is coming forward. I didn't see Her standing over on the left side. She's coming forward, and She's crossing across the sky. She's standing at Jesus' right shoulder. Our Lady stands just a little below His shoulder. She looks very petite next to Jesus because Jesus appears quite tall. I would say He's at least six feet tall. And They're going across the sky now.

Now Jesus is pausing just about a few feet before the first tree, the extension of the first tree on the left, and He's bending over, like this, and extending His hand out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now through the sky I can see angels coming. Oh, they are so beautiful! Oh, there must be hundreds of them! The sky is just filled with angels. And Michael is coming forward now. And oh, he's carrying a most beautiful crown, a golden crown. It's delicate but it has jewels, the most beautiful jewels I have ever seen! The colors are exquisite. I can't explain it. It's a delicate-looking gold crown, but it has little points on the top, and they seem to be encrusted with diamonds. Just beautiful!

JESUS CROWNS OUR LADY

Now Jesus has touched Our Lady on the shoulder. Oh, He has His arm around Our Lady, like this, and He's leading Her over to Michael. And Our Lady now - Our Lady is going on Her knees before Jesus. She's kneeling like this with Her arms crossed. And now Michael has handed the crown to Jesus, and He's placing the crown upon Her head. Oh, it's so beautiful!

Our Lady has on now - she doesn't have the purple mantle, She has a beautiful white mantle on now, trimmed in gold about an inch around the outside. And Jesus has placed this beautiful crown on Our Lady's head, and now He's taken Her - both hands, and He's lifted Her up to Her feet. And Our Lady now is facing towards us, and She has Her hands together like this. Oh, She looks so beautiful! Oh, so beautiful! And as Our Lady is turning Her head, the color of the stones are just - oh, I can't explain it; they're so brilliant.

Now Our Lady is now going back a little, and Jesus is cutting across the sky. He's coming across to our right side, and Our Lady now is following Him. I notice that Our Lady has taken Her hands now, and She's holding the Rosary as She's following Jesus across the sky. They just float; They don't walk. I can't explain it. They seem to have absolutely no weight. They go beautifully right across the sky. Ah, that must be fun! Oh, that's beautiful, the way They glide.

And now Jesus is extending His hand out like this. He's between the two trees on the right. Oh, and He's placing His hand out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is nodding. He's placed His hands over His heart, and they're in a cross-like formation. I have never seen Jesus standing there - He has His hands now crossed across His chest, and He's nodding to Our Lady now. Our Lady is backing up, and Jesus is coming now back across the sky. And They're both standing now looking down, in the center right over the statue. Now Jesus is touching His first finger to His lips.

Jesus - "My child, you will all now continue with your prayers of atonement."

[Pause]

Veronica - Our Lady and Jesus have both said that everyone must pray now. The balance is held by prayer. We cannot well understand the ways of Heaven, how much is given in free will to mankind, Our Lady said. Therefore, we must pray that the Antichrist, the "impersonification" of 666, will not enter upon the Seat of Peter, for Jesus is our confidence.

August 19, 1978

Eve of the Immaculate Heart of Mary

Veronica - The sky all about the trees is becoming a very pale blue in color. Through the center of the sky I can see Our Lady coming forward. The light is so brilliant. And Our Lady has Her hands extended in front of Her like this, and the rays are coming out from Her fingers. It appears that way. It's lighting all the sky all about Our Lady. She looks so beautiful!

Our Lady has on a pale blue mantle this evening, and a gown - the whiteness is so brilliant in contrast to the pale blue. Our Lady has a blue scarf-like belting, a piece of material, a long piece, I would say, belted about Her waist. It's identical in color to Her mantle. Our Lady is now extending Her Rosary out, the golden crucifix of the Rosary, out like this and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is looking all about Her. It's quite windy, and the wind is catching Our Lady's skirts. I can see now Her feet. They look very delicate in the light. Our Lady has on a pair of sandals, and directly at Her instep there is a golden rose on each sandal. It looks very beautiful. Now Our Lady is taking Her Rosary, Her Rosary, and kissing the crucifix like this. Now Our Lady is placing Her hands in a posture of prayer, with the fingers together. Now She is placing the first finger of Her right hand to Her lips, which means to listen and repeat.

Our Lady - "My child and My children, I come to you with a message of great urgency to mankind. As fast as We accelerate the prayers upon earth, the prince of darkness gathers his forces to do great battle with all children of the light.

MANY MARIAN WORKERS NEEDED

"O My children, Our hearts are torn. We need now so many, many Marian workers to go forth in the world with candles of light in knowledge for those who have become misled and are straying into darkness.

"O My children, it appears that mankind has given himself over to perversion. The Eternal Father is much distressed by mankind - the scientific minds of man on earth seeking to create life. This cannot be done. The Eternal Father only has the key to life.

"My children, you do not know what you are doing. Scientists must stop at once their prying, their experimentation into a realm that has brought them in league and contact with the very forces of hell, Lucifer and his agents. Man has defiled his body in many ways, and man has darkened his spirit and has now contaminated the temple of his spirit, his human body.

"O My children, if I could only take you to the edge of the abyss and allow you to watch the souls that are falling daily into hell, forever damned by their sins committed in their lifetime upon earth.

"My children, My Son's Church is being fired upon by satan. As I warned you in the past, Lucifer has entered My Son's House, His Church, to do battle now, as he knows he has been given but a short time to work his will among mankind - as he is the prince of darkness and the prince of the world now. Each and every soul placed upon earth by the Eternal Father has been given a mission to fight Lucifer and his agents and return victorious to Heaven from whence the Eternal Father has created you.

MAN WILL NOT CREATE LIFE

"My children, no man upon earth, with all his knowledge, will be able to create and sustain life. What he is producing now is an empty shell, a soulless 'it,' a thing of abomination.

"My child and My children, Lucifer knows how to reach mankind, for man has given himself over to pride and arrogance. You must all pray constantly that you do not fall into error. My children, as parents now you have full responsibility for the salvation of your household. Your children are now at the mercy of those who are outside the doors of your home. Many demons are loosed upon earth now with Lucifer, and they shall enter into the bodies of mankind and work their will.

"I hear, My children, voices asking in supplication: 'And who shall be seated upon the Seat of Peter?' At the present time, My children, I give you this counsel: that an antipope is being deliberated upon. You must pray more now. Pray for your bishops, your cardinals. The delusion and the darkness is deepening in Rome."

Veronica - Now I see a picture, an image being formed in the sky as Our Lady now is moving over to the right side of the sky. She is hanging Her head down upon Her chest. She looks very sad. Our Lady now is pointing.

Our Lady - "Look, My child, at the dangers that exist now upon earth and in My Son's House."

Veronica - Directly over Our Lady's statue there is a great outline forming of Saint Peter's in Rome. I see a sword suspended over Saint Peter's, and I see over the sword the tiara of the papacy, the papal crown. And I see now flowing blood from a chalice beneath the crown, between the crown and the hand of the sword which is in the form of a cross. The blood is now

flowing over the sword and onto Saint Peter's, and as it is flowing down I see the very foundation being shaken and a division occurring, and many smaller divisions occurring.

Our Lady now is motioning to listen.

Our Lady - "My child and My children, you must all go forward now as disciples for My Son and warn the world that this division must not take place. A house divided shall fall.

"My Son has counseled you, and I repeat anew: if you conform to the world, you will die on the vine! My Son is the vine, and you are the branches. The Eternal Father directs all. A good tree will not promote bad fruit. My children, understand My counsel. By their fruits are they known. All that is rotten shall fall. Though they be few in number, My Son's Church shall stand, as My Son is the foundation.

"There are many who are being misled, led astray. Remember, My children, the road to hell is often paved by good intentions. You must not accomplish, or try to accomplish anything in relation to movements within My Son's Church now, without prayer and direct counsel from Heaven, for Lucifer is waiting to take over the Seat of Peter.

"Before the forming of the coming council, the conclave, you will all pray daily the beads of prayer, the Rosary, that the Seat of Peter shall not be covered in darkness.

"My children, I counsel you again to retain your sacramentals and wear them. You cannot be without your armor in this battle. The evil is accelerating. Lucifer will make a concerted effort to stop you. I am, as your Mother, preparing you for this battle by guidance from My Son in the Eternal Father and the Holy Spirit of light.

PEOPLE MUST NOW SAVE THE CHURCH

"There will be many manifestations given to those who have taken over the role as disciples of the latter days for My Son. The people must now save My Son's Church. This battle upon earth has been given now to the people, and through the people shall you bring back My Son's Church to its former position of holiness, piety, and numerous entrances into the vocations. Many holy priests are needed.

"I beg you, pastors in My Son's House, to wash your garments in suffering and prayer, for you have sullied them in your quest for worldly power and riches. You must divest yourself of all self-seeking, and return My Son's House and gather the sheep into one fold, but not gather them at the expense of Tradition.

"You cannot separate Tradition from your Faith, My children. The past leaders of My Son's Church, His House, the popes, had given you counsel to strengthen this House. You cannot cast this counsel aside for modernistic tendencies and modes. A Church in darkness wears a band of death about it!

"My children, you will continue now with your prayers of atonement. Pray constantly for your cardinals in Rome. The outcome of the council will be the deciding focal point for the coming of the Warning and great Chastisement to mankind."

Veronica - Now Our Lady is moving back to the center of the sky. She's standing now directly over Her statue high in the sky, and Our Lady is taking Her Rosary like this, with the crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, for My Son, the Eternal Father, in the Spirit of light. Continue now with your prayers. They are sorely needed."

[Pause]

Veronica - . . . a very deep pink coloring. I can't explain the color. It's a very warm color that has quite an impact on your emotions when you view it as it's rising, like it's coming from the trees itself, all about them. Directly over Our Lady's statue the sky is opening up. It's been very dark this evening; however, the sky seems to be folding out from a central point of light.

And coming through the light I can see Jesus coming forward. He has nothing upon His feet. They're bare, and I can see the marks of the crucifixion on His insteps. Jesus has on a beige gown. It's very loose-fitting, very full and loose-fitting. About His waist there is a belting made from a material, I believe it is, but it could be some type of animal skin. It's narrow, but it's a coarse type of material, the belting. And Jesus has on a cape. The cape is not a red; it looks almost like a purple, a plum color, this evening.

Jesus is looking about Him. Now He's raising His hand forward like this, with His three fingers extended: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus' hair is blowing very loosely about His shoulders, and He's looking over to His right. His eyes are very piercing. Now He's smiling, and He's touching His first finger to His lips.

Jesus - "My child, I do not wish to give you difficult days. However, Our direction to you is given for reason, My child. You must understand that Lucifer always seeks to remove you from your mission. Therefore, you will follow Our direction most carefully. Send out quickly the Message from Heaven. There is no time to lose.

"My child, you will be very busy before you leave on a mission.

NEWS FOR MANKIND

"The days coming will be days filled with news for mankind, and I say unto you as your God: It is in the will of the Eternal Father that the world of man upon earth must make a decided change for the better, or the world must come to a closing of the era.

"I do not have to repeat over and over the warnings given from Heaven through My Mother, Who has wandered from coast to coast, country to country, trying desperately to reach your hearts before it is too late. Through countless earth-years Her direction was given and cast aside. An apathy had set in to the hearts of many.

"My children, you have little time left to go about with your ears closed. You will listen to My Mother's counsel and act upon it. The sins of mankind are crying out for a just punishment, the Chastisement of the Ball of Redemption.

U.S. TO BE DIVIDED IN LAND BY DISASTER

"As in the time of Noe Heaven sent to mankind prophets, instruments for warning the world of a coming disaster, I say unto you now as your God: enough warnings have been given! My Mother has pleaded your cause well, or many more would have been removed from the earth in disasters. My children, your country, the United States, shall soon be divided in land by disaster. Many souls shall be lost to the world, and many souls shall be lost to Heaven.

"My children, all who have received the grace to hear and accept My Mother's Mission from Heaven must now go forward as disciples of these latter days. You must counsel all within hearing of the coming Chastisement. No man, woman, or child shall be lost unless it is of his wish, his will. We cannot force you into the Kingdom of Heaven. It must be a desire of the heart. However, many of good charity and love have offered their prayers and sacrifices for your repatriation. As such, many can enter Heaven, not on their own full merit but by the sacrifice of others who care.

DISTURBANCES OF NATURE TO INCREASE

"Earthquakes, disturbances of nature, shall now increase and claim many lives. I shall not give you a full accounting of the plan from Heaven to redeem your world. All I will tell you now is that you must pray a constant vigilance of prayer. Do penance, make atonement to the Eternal Father, Who is much offended by the sins of your generation.

"The world, the earth, the abode of the prince of darkness, has become a cesspool of sin reaching into each and every nation. No nation on earth now is free of this corruption. There are little pockets, sections of each nation, that is trying with diligence and prayer to restore the nation, My children. These little lights from Heaven shall keep the flicker of faith in the hearts of the few. I say 'the few,' because I cry out often, 'When I return in the final battle, shall I find even a flicker of faith burning in the hearts of man?' My pastors, shall I tearfully and with regret have to gather the faithful and true ones in one small section, and shall I have to banish others into the abyss of damnation? The final outcome for mankind lies within your domain!

NEW YORK, CITY OF SIN, TO FALL

"You are well aware of the city of sin, New York, the center, the cancer for evil, that has infected all nations of the world. As such this city shall fall! My children, do not be afeared of this message, for those who are to be saved shall be removed.

"You will all now keep a constant vigilance of prayer going throughout your country and the world. Pray for your bishops, your cardinals in Rome. The decision they are planning shall bring on a great catastrophe to My Church and to the peoples of the world, for many souls shall be lost unless they change this decision.

"My children, wear your sacramentals, I caution you anew. Pray always, morning, noon, and night, for you never know when the angel of death shall place his hand upon you."

Veronica - Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is pointing over to His right side, our left side of the sky, and there is forming a large ball-like, globe-like figure, and above it a very black cross. The light all about it seems to becoming darker and fading. The cross has become almost a somber black.

Now Jesus is going, crossing across the sky. He's going over to the right side, our right side of the sky, His left. Our Lady has come down from behind Him. I didn't see where She was standing before. And They're going across the sky to our

right side. Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning to the right, and They're crossing the sky now, and They're going right over past the tip of Our Lady's statue. I can see now the rustling of Jesus' gown and Our Lady's. They've come down very low, down to the exedra. And Our Lady now is looking about Her. She has Her Rosary, the beautiful large Rosary, in Her right hand, and She's holding the crucifix up. Now She's cutting across the sky, just floating. She's not walking, She's just floating behind Jesus. Now Jesus is bending over.

I can see now over on the right side, too, the sky is opening up, and there are many, many angelic-looking figures in long white robes coming down, and they're now grouping about Our Lady. And also some are now moving over towards Jesus. Now Jesus is bending down and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is nodding. He's saying something to Our Lady. I cannot hear. Our Lady is now - I can just see the movement of Her lips. I can't hear what She's saying. Now They're going across the sky, and They're both now standing together and nodding.

Jesus - "Continue now, My children, with your prayers of atonement."

September 7, 1978

Eve of the Nativity of the Blessed Virgin Mary

Veronica - The sky has become a beautiful deep blue. In a circular pattern overhead I can see - it looks almost like the outline of a framing of a medal, almost. There is a circular framing all about the sky and with a border of about an inch and a half of what appears to be crystal, diamond material - I guess they're diamonds - forming a whole circular pattern about the sky.

Directly in the center I can see Our Lady coming forward. She looks very beautiful! Our Lady has Her hands extended out like this, and She's holding the Rosary in Her right hand, and in Her left hand She has a long brown Scapular. Our Lady is dressed all in white, a most beautiful white, a clear white. I cannot express the color of the white, other than to say it looks like sugar, the white, the coloring of sugar. Our Lady has on a very full gown. And it's quite windy because Her skirts are blowing. There's a mantle all about Our Lady's head, and it cascades down to Her feet. On the border of the mantle there is about an inch of coloring. It's like a gold metallic trim all about the bordering of Our Lady's mantle.

Now Our Lady is taking Her Rosary and She's kissing the crucifix, like this, and extending the Rosary out with the crucifix and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Our Lady is looking all about Her now. She's placing the Rosary within the folds of Her belting, and Our Lady now is making a cross-like pattern of Her hands across Her chest, like this. She's crossing Her hands like this. I can still see the pattern, the outline of the Scapular held in Her left hand.

Now Our Lady is touching Her lips with Her first finger, which means to listen and repeat.

Our Lady - "My child, if you remember, I have counseled you in the past that all would remain secret until the proper moment. Now I give you this knowledge, My child, for all mankind to listen to and understand.

LUCIFER ENTERED ROME IN 1972

"In the city of Rome there will be great confusion and trial. Satan, Lucifer in human form, entered into Rome in the year 1972. He cut off the rule, the role of the Holy Father, Pope Paul VI. Lucifer has controlled Rome and continues this control now. And I tell you now, My children, unless you pray and make My counsel known to all of the ruling fathers of the Eternal City of Rome, My Son's Church, His House, would be forced into the catacombs. A great struggle lies ahead for mankind. The eventual outcome is for good of all, for this trial in My Son's Church will be a true proving ground for all the faithful. Many latter-day saints shall rise out of the tribulation.

TRADITION SAFEGUARD AGAINST SCHISM

"My child and My children, I need not repeat to you the necessity to retain tradition. It was like a valve, a safeguard from the eruption of My Son's Church, a schism, a division within My Son's House upon earth. I cry unto you, your Mother, as I hasten back and forth bringing you the message, the counsel from Heaven. You must recognize - bishops, cardinals, and pastors, you must recognize what is happening now in My Son's House. There is being rebuilt before your very eyes another religion, another church of man. No angels are helping in this building.

"My children, do not become discouraged. When you meet with trial, you will say, My Jesus, my confidence! I wish all of you to go forward as saints of the latter days, disciples of My Son, and bring the Message from Heaven to all. Do not become discouraged along the way by those who scoff at you or reject this message. Believe Me, My children, when I say to you that My own will know Me.

"Your mission now, My children, is to give each and every one you meet with this message, regardless of race, color, or creed. The message I bring from Heaven is for all mankind. Terrible judgments shall be set upon your world. These judgments will not consider race, creed, or religion.

ROMAN CATHOLIC CHURCH THE ONLY TRUE RELIGION

"O My children, I will not go into a long discourse now with you about charity and love for your neighbor, but you must understand: you cannot judge your neighbor. You must pray for them. However, you cannot become weak and permissive. You must stand forth as bearers of the light, carriers of the truth. You have been given by your baptism entrance into the only true religion upon earth, the Roman Catholic Church under My Son, Jesus. Though man in his arrogance and pride has forgotten His role and His rule, you must carry it forward. Retain the Faith and the truth in the hearts of mankind.

"Yes, My children, I cannot bring you erroneous discourse with words of happiness and cheer at this time. I can only give you the facts of what has taken place. The present conditions in the world, in My Son's Church, and in Rome, have been well promoted by Lucifer and his agents. His power is great, but you can always break his rule with prayer and penance.

EPIDEMIC OF GREAT PROPORTION

"My children, prayer, atonement, and sacrifice I beg of you, for many shall die upon earth. Death shall become commonplace. Already there will be loosed upon you an epidemic of great proportion, taking many lives.

"Will you not wake up from your slumber and understand that the Eternal Father gives you warning upon warning. Have you hardened your hearts to the existence of your God? No man shall place himself above the Eternal Father, his God. No man shall control life and death, though there are murderers among you. Much is permitted by the Eternal Father, but no evil is ever triumphant.

"My children, you do not learn from your errors. Do you not see what you are doing in your quest for peace and security? You are stockpiling armaments for the world's destruction. You are gathering riches for security, but they are materialistic riches. Nothing spiritual is going in for your welfare.

"Many of you, and many who now hear My counsel will be removed from the earth soon. Death shall be commonplace in your streets.

"My children, I do not come to you or send among you prophets of doom, but I send among you prophets with truth of what is to be. So come out of your slumber, pastors. You have the greatest responsibility, as leaders of My Son's sheep, to save them! Save their souls and you will also save their bodies. Destroy their souls and their body shall also die. Think and ponder upon this counsel, O pastors. The time is growing short for your reprieve.

"My child, you will continue sending the mission on its way. You will receive much help in the future. I cannot promise you physical health, My child, but I can promise you a great reward from the Eternal Father if you persevere upon your mission."

Veronica - Now Our Lady is taking Her Rosary from about Her waist and extending the beautiful golden crucifix in front of Her, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now the sky is opening up, and I can see another couple, a lady and a man, coming down from the back of the sky. Oh, I know who they are! He's dressed all in brown, the man. I know Saint Joseph. Saint Joseph is there! Oh, and there's the Blessed Mother's mother. Oh, look! Oh, isn't that beautiful! Oh, they look so loving. It's so wonderful to see them together. Oh!

Now they're looking about, and I can see Saint Joseph now. He's moving over to the right, and he has - the first time I've noticed that he has a long staff in his hand. He's placing it in his left hand now, and he's pointing up to the sky. And written in the sky is "666," and under it a moon. But it's, it's not quite a half-moon; it looks like a quarter-moon. But it is a moon, definitely a moon, shaded in darkness until it makes like a quarter-moon. And the "666" is blazing red in the sky, very, very heavy red. Oh, my! Oh, my! My, it's very - I don't know whether to feel frightened.

Now the "666" is beginning to fade out. Oh, and Saint Joseph now is putting his staff into his right hand now, and he's floating over. He doesn't walk; he also floats like Our Lady and Jesus do. He's floating over now to Our Lady and Her mother - oh, Anne.

Now they're looking over to the left side of the sky - that would be their right side, and they're pointing upward. And - oh, my goodness! They're pointing up in the sky, and there's a very large cross up there, a crucifix, and - oh, my! I can see Jesus on the cross, as living! Oh, but He's suffering terribly. I can see His head covered with the crown of thorns. I mean covered! It goes down to His forehead and covers His whole head. And there's blood running down His face, and He's in terrible pain.

PASSION OF THE MYSTICAL BODY OF CHRIST

But now rising above the cross is a bishop's mitre, a large bishop's mitre. And now I hear a voice coming from the right. Saint Joseph is saying:

St. Joseph - "The mystical body of Christ is now passing through its passion. The mystical body of Christ is now passing through its passion."

Veronica - Now it's like there's an evaporation of the whole scene. I can't see the cross with Jesus on it now. It's as though the sky has closed in. Oh!

And now Our Lady is standing there with Her mother and father, and She's smiling. And now She's motioning for me to be seated.

Our Lady - "You will take an additional photograph, My child."

[Pause]

Veronica - The sky all about the trees has become a very deep pink in color. It's a beautiful warm color. I can't explain it. I haven't seen this color, this pink, anywhere on earth. It's so beautiful, it gives you such a wonderful glow just to be looking

into it. Now over a little - not to the center but over on the right side of the sky I can see a tremendous pinpoint of light coming through the sky. And the sky is opening up now just as though some type of light has penetrated and opened the sky clear up.

Jesus is coming forward. I can see Him very clearly now. He's a small figure. He's traveled quite a distance, it appears, but I can see Jesus now. He's coming through the light. It's becoming circular now, the light, and it seems to be like pushing the clouds back in the sky. Oh, it's magnificent to see! He's blowing forward. He's not walking - just stands still and He's carried forward.

And Jesus has on a beige type of gown. It's very loose, and it has a belting of - looks like a tan type of skin. It's lighter this time than I saw Him in the last time, the belting about His gown. He has a burgundy-colored cape on, and now I notice that the cord is a gold color that ties just under His neck, under His chest. His beard - He has a very short beard, Jesus. It covers the cording a little as He's looking down. His hair is blowing very freely. In the light now it appears that Jesus has reddish brown hair. It could be sort of a medium brown, but I don't know if it's the reflection from the cape or the light, the beautiful light that comes out from within Jesus, too. I can't explain it. It seems to come from inside of Him out, just glowing.

And now Jesus is extending - He's coming over now across the sky and standing directly over Our Lady's statue. Now He's pulling His robe about Him. It's quite windy. And He's extending His three fingers out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is looking about, and He's touching now His first finger to His lips.

Jesus - "My child and My children, I was greatly amused, My child, at your not recognizing Joachim. However, We try to give you a good example of true family life. The husband, the wife, the mother, the father. I say this because We are in great sorrow over the number of families that have been torn apart with discord. Much of this suffering within the homes has come because of sin in the hearts of the family.

"My child and My children, make it known to all that the road to Heaven was never easy, but you can make it much easier upon yourselves and your families if you follow the rules, if you follow the Commandments from the Eternal Father. The changes that We see taking place in My House and upon earth are not good, for many, many souls are falling into hell. And a great measure of responsibility now is with those who have been called to the holy orders, who have given themselves to represent Me upon earth. Shall I say that I have found many Judases now within My House? Cannot this situation be changed?

"There is only one way that this can be stopped, this evil that has seeped into My House and into the hearts of all mankind. You must stop now your seeking for change and novelty. You must restore My Church to its former glory. Admit your error. Do not conceal this with pride and arrogance.

"Remember there was the time when it was necessary to cast Luciel and his followers from Heaven - Lucifer, who now goads you on to hell with him, upon earth. He had to be cast from Heaven because he, too, became prideful and arrogant, seeking to make himself another living god. This cannot be done. You cannot be above your Creator.

"No man can live forever in the body upon earth. And when he comes before Us in the spirit, he will be judged for the time he has spent upon earth. If he has not worked for the salvation of his soul and for the glory of Heaven, he will be condemned to hell! Many mitres, bishops, are leaving the narrow road and turning off onto a wide road that is leading them to hell. They start with all good intentions and then they lose the road.

"I gave you a simple plan with the construction of My House, My Church upon earth. But now you want to reform it, until you will split My House asunder with many denominations, many new denominations. I ask that My Church be universal, apostolic, and the savior of souls. However, there are rules to be followed, doctrines to remain unchanged. Tradition to be withheld.

"My children, you must now stop these innovations. You have become purveyors of error. You are not bringing the gospels and the truth to My children, My sheep. Tradition must be held! It is the strongest factor within the building of My Church. I am the foundation, but Tradition must be continued. The rules, the Tradition, were given for reason. You were given a plan to follow. You know the truth; you are withholding the truth from My sheep. You are changing the truth for your own reasons, and this reasoning is not guided by the light but by the spirit of darkness.

"Pastors, when you stand before Me will you say, will you be able to say that your teaching has been pure in My sight? I shall say: 'Remove yourselves from Me, O vermin, because as teachers you have used and misused your role to destroy the sheep and scatter the sheep!'

"I give, as your God, a warning to all bishops and cardinals to stop! Hasten to review the past. The fruits have been rotten, and I am about to shake you from the vine! Do not starve My sheep! There are many sheep to gather. The pastures are rich but the sheep grow thin. They are starving for the spirit of light.

"My children, My little ones - and I say 'little ones' not because of your size or your stature but because you have listened to the counsel from Heaven and become one of the drops in the ocean that shall spread out and assimilate into the hearts of mankind to prevent the full capitulation, fall of Rome to the Antichrist.

BLUE BERETS

"There is now formed in your country a legion of My Mother, the Blue Berets. You will understand fully in time why this was developed in your country.

"My children, you will keep a constant vigilance of prayer going throughout your world. Your countries, your nations are in grave danger.

"Do not become complacent or lethargic, My children. There is no time to cast aside the truth, covering it with all optimism. My Mother did not come to you as a prophet of doom, but She came to you from Heaven with a message of reality and what is to take place upon the earth. You will listen to Her, for I assure you, My children, very soon there will be much gnashing of teeth and woe set upon the earth.

"Pray a constant vigilance of prayers in your homes. Caution your children and your family members to wear their sacramentals. They must not be without a sacramental about their necks. In time you will understand fully the reason for this."

Veronica - Now Jesus is extending the hand like this, with His three fingers extended, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady and Saint Joseph and Joachim and Anne are coming down from the right side of the sky. I didn't see them standing over there, but they - they look so wonderful, so happy. And there's a feeling of unison. I can't understand - I can't describe it in words - such a beauty of being together. And they're very close-knitted as a family.

And they're coming over across the sky now, and they're nodding to Jesus, and He's smiling very beautifully at them. Now they're floating over. They don't walk either, they just float across the sky. And they're standing next to Jesus. Now they're all going across the sky to the left, and they're looking down.

Oh, now I just noticed something. Our Lady has a beautiful gold crown on Her head now, a small circlet of what appears to be diamonds and rubies. They're red and white and green. I guess they're emeralds. A beautiful crown on Our Lady's head, a very narrow circlet about Her head, over Her - you know, mantle. Oh, it's just beautiful! I believe it's gold. It looks like it's gold, the crown.

Now Jesus and Our Lady and Joachim and Anne and Saint Joseph, they're going across over to the left side - our left side, their right - and now Jesus is bending down. It's quite windy, because their skirts are blowing. Jesus is extending His hand and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, for the Eternal Father in the Spirit of light. Continue now with your prayers of atonement. They are sorely needed."

Veronica - I have to comment on seeing Our Lady and Jesus, Joachim and Anne and Saint Joseph. You know, the odd thing about them is that, of everyone that I've seen from Heaven, they look very solid. Saint Joseph and Joachim and Anne and Our Lady and Jesus, they look as solid and human as you and I. There must be a reason for it.

When I saw Padre Pio he was kind of transparent, like looking through a negative. It's the only way I can explain it. And Saint Theresa also, she was very - except in 1968 when I first saw her, she looked just as human - only her face, though. I could only see her face in 1968; the rest was kind of in darkness but it wasn't out of place. It just felt that that's all you could see was her face when she first appeared. But - and she looked solid then, her face. But when she has appeared with her sisters and Our Lady and Jesus, she looked kind of "willopy," like smoky-looking. But Our Lady and Jesus, and Saint Joseph, and Joachim and Anne, they're the only ones that I can remember that looked really like solid, like you know, really human-like.

September 13, 1978

Eve of the Exaltation of the Holy Cross

Veronica - The sky this evening is a very dark, ominous-looking color. It's a shade of blue, but almost a black all about the trees. And directly over Our Lady's statue there is a big letter "W". That always means warning. Now the "W" seems to be the border of the black outline from about the trees in a circular pattern. Directly over Our Lady's statue beyond the black border of the "W", the warning, the sky is becoming a very clear blue. It takes away that feeling of . . . oh, not terror - something being ominous, a warning.

Now the sky is opening up. It's a pale, very pale blue now. And the sky is opening up in a circular pattern, and it's dispelling the blackness all about the trees. Now gradually the dark coloring is leaving, and the sky now all about the trees is becoming a beautiful light blue. High in the sky I can see Our Lady coming forward. She's floating in. That's the only way I can explain it. Our Lady doesn't walk; She's gliding as though She's carried right on the air.

Oh, Our Lady is dressed in a beautiful white gown. She has nothing upon Her feet. They're bare. I can see a deep blue sash about Her waist. It's tied in a bow at Her right side - not a bow, sort of just crossed over and belted. And the two strands of the belting are hanging down across Her hip.

Our Lady now is pulling tighter Her mantle. It's quite windy. Now Our Lady has on a white mantle, a beautiful, true white. It's a very glowing white, because it has an effect upon you, in which there's a light. The light seems to be coming from beneath Her mantle, right from Our Lady Herself. The mantle has a trim of about a half inch of gold braiding all about the outside. It's very beautiful!

Now Our Lady is coming down, and She has both of Her hands together like this in a prayerful position. And I can see that Her Rosary is dangling through Her fingers and hanging down in front of Her. Now our Lady is taking the crucifix, the beautiful golden crucifix, and holding it in front of Her like this and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Our Lady is looking all about Her. She has a very sad, pensive look. She's studying the people. Now Our Lady is taking Her Rosary into Her left hand, and She's taking Her first finger and placing it to Her lips, which is to gain my attention, and listen.

Our Lady - "My child and My children, if I could take you with Me to the city of Rome and open the doors for you to see what is taking place, perhaps this knowledge could forestall the advance of 666 and his agents in Rome.

"As a nucleus for religion, the eyes of the world focus upon the Holy City, which is now becoming steeped in darkness. The light has not passed that way.

MANY ENTERED CHURCH TO DO HARM

"My children and My child, in past counsel to you I hastened with great urgency to warn you that My Son shall be recrucified by His own. In the Holy City of Rome many Red Hats have now become the Judases in the hierarchy. As men of the cross they have now won for themselves the title of evil men of the cross. Many have entered My Son's House, His Church upon earth, to do harm. I warned you, O pastors, bishops, cardinals, that you have been infiltrated. Your actions now have brought a reverberation from about the world, and it has been in wake of a coming cataclysm and tribulation to mankind.

"Know ye all who hear My voice, as a Mother of great sorrow for Her children, that mankind has turned away from the light and sin has become a way of life. The multitudes are hastening to the cities for wealth, riches, and power. The great cities shall fall from tribulation. The great powers of the world shall be defeated slowly, until the ultimate victory over evil comes with My Son and the angels from Heaven.

"My children, there is now raging upon earth a battle of the spirits. Every man, woman, and child shall be affected by this war of the spirits. You must go forward now as disciples of My Son, and many saints shall come forth from the great tribulation.

"How many times in My past travels upon earth did I counsel you to avoid the pitfalls that would bring what was to happen in the future upon your present generation? How many listened to My counsel and acted upon it? Too few, My children, too few!

DO NOT DESPISE PROPHECY

"My children, do not despise prophecy. The Eternal Father has found it necessary to set among you many prophets. They are not prophets of doom nor false prophets. They are prophets appointed by Heaven to guide you in these desperate days. I say unto you, look for the false prophets in My Son's House, those who bring you doctrines of demons. So powerful are they under Lucifer that many of the hierarchy now go forth with itching ears, searching for a new religion, deluded by satan and his agents.

"It is not without reason that all of the past descendants of Peter guided you well against the false precepts of modernism and humanism in My Son's Church and the world. And now, My children, it is of a fact: by their fruits will they be known. And what have been the fruits of this humanistic and modernistic approach but discord, disunity, and a loss of souls to Heaven.

"I say unto you: unless you turn back now, bishops and cardinals, and restore My Son's House Do not be prideful; it is too late for false pride! You must admit your errors. Turn back and start over! You were given a simple rule to follow. These rules were given to you and written for you in the Book of life, your Bible. You have chosen in your arrogance and pride to cast aside these teachings and to build another church upon earth, a church of man. You are building it without the help of the angels.

"My children, I come to you as your Mother, as a Mediatrix from God to man, chosen by the Eternal Father, with this plan to save you. Will you not listen to Me now? There is so little time left.

"There are many 'isms' in the world now, corrupting the sheep.

"My children, you must pray always now. The more you give to yourself of the world, the more you seek the riches, the pleasures of the world, the more you will dim the light in your soul. There is now a point in the nature of man that he can choose between Heaven or the flesh. Many souls are falling fast into hell because of sins of the flesh.

"My children, guard the youth. Protect your family now, and you will not have your heart torn in the near future. There is much discord now, My children. We observe in family life a disunity which is not good. There must be discipline by the father and the mother. Faith shall be your beacon. Faith shall make you victorious. Believe, and you will be given the way.

"All of your years now have been given to worldly pursuits, but you must now cast that all aside and spend the remaining time doing penance, making atonement for a God, to a God Who has already been too much offended.

"Pray, My children. A constant vigilance of prayer must be kept throughout your country and the world. Do not abandon My Son in His Church. Do not be deluded by those who call the Mass invalid. My Son is there. He does not want the doors to close in His houses, His Church, for He is the door. Though robbers and thieves often enter, He is still the door. Come and seek Him in His House. You will not be abandoned, My children. Only the man of sin shall be given over to a reprobate sense.

STEPS FOR HOLY ORDERS MUST BE FOLLOWED

"You must keep in your hearts the knowledge of the true priesthood of My Son. The steps for obtaining Holy Orders must be followed. They have been developed through heavenly guidance for reason. No women must enter onto the holy place of the sacrifice.

"My children, much of the external symptoms of degradation and decadence are evident. They are not to be overlooked as being meaningless. As a drop in the bucket they will add up. Everything upon earth has meaning in the eyes of God, be it good or bad, or for good and for bad.

"My children, the Eternal Father has a plan for each and every life upon earth. Sin must not be condoned. We ask you not to judge your sisters or your brothers, but neither will you condone sin with permissiveness or compromise.

"My children, you must not discard your sacramentals. They are your armor now in this war of the spirits. Be sure, My children, that your little ones wear a sacramental day and night for their protection."

Veronica - Now Our Lady is taking Her Rosary and extending it out like this and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Over on the right side of the sky I can see Saint Michael. Michael has the balance - you know, the golden balance in his right hand, and there's a tremendous large spear held in his left hand. Standing there Michael appears to be like - it gives you a feeling that he's getting ready for a battle.

Our Lady now is pointing up to the left side of the sky, and over on the left side I can see two cardinals. They are walking toward each other. Each has the key, a very large golden key in his hand, like this. Now they're standing in front of each other, and they're crossing the keys like this. Two cardinals. Now they're pointing now with the keys over to the right of them, and over on the right there is the building, a very large building. It appears to be St. Peter's. Yes, it's a domed building. It is St. Peter's, the Vatican.

Now they're pointing upward with the keys, high over their heads. And in the sky over the keys I can see the numbers "666" forming. The letterings are black, tinged in red on the outside, "666." Now it's beginning to fade away, the whole scene, as though it's like blowing, evaporating. It's completely, almost completely gone now.

Our Lady is motioning now to listen.

PRAY FOR YOUR NEW VICAR

Our Lady - "My child, you will understand soon the meaning of this message. You must pray now for your new Vicar. There is a foul plan afoot against him."

[Pause]

Veronica - All about the trees there is a deep pink glow. It is always the signal to be ready for Jesus' coming. Directly over Our Lady's statue there is a round circular light coming through the sky. It's like - almost, you'd say like a round rainbow. I can't explain it. The light is coming right out through the sky, and in the center of it, just like - well, the light's just like a giant host. It's forming the outline of a giant host right over Our Lady's statue.

Directly in the center I can see Jesus. He's like coming forward. I just don't know how that's done. It's beautiful. He's floating forward, He is not walking like you or I do. He just floats forward like He has no weight. Jesus has a long gown on. It's not white. I haven't seen Jesus in the white coloring that Our Lady has. It's a beige-colored gown, very, very full, almost like - oh, I don't know - a rough type of material that He has on. I can see the material now; He's coming very close.

Jesus also is in His bare feet. He has no sandals upon His feet. And about His waist there is a girding with a material that looks like skin, a brown, leather-like skin. I can't explain it. I don't know what kind of skin it is, but it does look like a piece of skin tied about His waist to take in the fullness of the gown. It appears to be one piece, His gown, from what I can see.

Now Jesus has a cape about His shoulders. His hair is very full and down His back, and some is coming across His shoulders on the right side. Now Jesus is placing His hand like this to His chest. It's over His heart. Now Jesus is extending His hand forward like this, with the three fingers extended like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now it's quite windy. I can see a light forming all about the trees. Oh, and coming forward through the light about the trees I can see figures of angels. They're just beautiful! They're making a circular pattern, right - on the right and the left. Jesus is standing high above them, looking down. He's just beautiful! Now Jesus is placing His first finger to His lips, like this.

Jesus - "My child and My children, I am not intending to repeat over and over the counsel of My Mother. I can only say that, unless mankind has absorbed even a small measure of the counsel given by My Mother and acted upon it, mankind will go through a great tribulation. I say 'unless' because Heaven is not seeking to prevent in any way the access to mankind of Heaven.

THE ONE SHEPHERD YOU SEEK SHALL NOT BE MAN

"I warn all bishops and cardinals that they are deluded in their efforts to bring about a one rule under one shepherd. The one shepherd you seek shall not be man. My Church, My House upon earth, is being torn asunder by the countless antics of man in rule in Rome.

"The use of the hierarchy, their rank being used to set My sheep upon a path of damnation, shall not be accepted without a spiritual fight upon earth.

"Through My Mother there has been set up by Heaven an army of souls for Heaven in this battle, this war with Lucifer. Because the sins of man have become so great and offensive to the Eternal Father, it has been necessary to bring to the present what was to be in the future. My child and My children, it is up to you now. If you are of good heart you will work diligently to reach all mankind with this warning from Heaven.

"A plan is being set in motion by the Eternal Father for a most terrible chastisement upon mankind. My Mother, as a Mediatrix, has counseled you with many tears, through countless earth-years of pilgrimage, counseled you to prepare your household, to make ready the Day of the Lord.

"My children, I repeat: what was to happen in the future shall be now! It is for you to help change this by getting out the message in great haste.

"I gave you, with the consent of the Eternal Father, a photograph of great knowledge written from the hand of a child, and you did not listen. In your blindness you cast it aside. And I say unto you again: consider this picture, this photograph as a puzzle for the human race to figure out. If not solved in time, in due time, I will set the answer upon the world Myself. It will be a heavy hand upon mankind.

OUR LADY SHALL DIRECT THE BATTLE

"I do not intend to act as a hammer upon the heretics who have entered My Church, the deceivers, those not of the Faith who entered to destroy. My Mother shall direct this battle. Lucifer and his agents are in Rome now. Do you not know what this means? Are you so blinded that you do not know of the power of Lucifer? My children, My pastors, awaken from your slumber! While you sleep the sheep have run away. Awaken and save your own souls, for you have brought scandal into My Church.

"My children, I repeat for all Heaven: keep a constant vigilance of prayer going throughout your world. There will be much confusion set upon the earth, and much woe, by the agents of 666. Wear your sacramentals. Receive of My Body often, for it is truly the Bread of life and light. I am the light of the world, My children. You will not be in darkness if you believe, for you will be given the way."

Veronica - Now Jesus is looking about Him. He has a sad smile on His face. He looks, though, so very beautiful. I've noticed now: on His chin He has a beard, a very short beard. It seems to be kind of well cared for. I don't see too many beards, but it looks very, very nice. It's very short and very nice, but it doesn't have like a cleft in the center. It's all like in one piece. His hair does look like a reddish brown, but I can't tell too much because of the light shining on His cape. It might be a reflection, but His hair does look like reddish brown, a dark brown with reddish tint, sort of auburn?

Now directly over to the right, Jesus is pointing. And Our Lady is coming over, and behind Her now are a gathering of beautiful angels. Oh, they are so beautiful! I can never see their faces. I only see the outlines of their heads. And they have on like garlands, but they're not flowers. They're like leaves upon their heads, garlands of leaves. And they're following Our Lady and they're holding these garlands, almost making a circular pattern, half a circle about Our Lady, with the garlands. And they're now all going across the sky, and they're standing now at Jesus' left side. Now Jesus is placing His hand out like this and making the sign of the cross again: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "My child and My children, I repeat again and again that you must not omit penance daily. Acts of sacrifice are needed for the repatriation of souls."

September 28, 1978

Eve of the Dedication of St. Michael the Archangel

Veronica - All about the trees I can see . . . they almost look like miniature blue lights, flickering back and forth like a signal. There is a very pale blue shading all about the trees now directly around Our Lady's statue. High up in the sky there's a circlet of light directly over Our Lady's statue, and it's opening up as though there's a light from within that is parting the darkness of the sky. Directly in the center of this light - it's become very circular now - I can see Our Lady coming forward. She's being carried forward.

She looks very beautiful. Oh, Our Lady has on the most beautiful garments! Her gown now does not have the stark white appearance that She normally did have. It's more, almost like a silk, a very fine, very fragile-looking white. And Our Lady has a belting, a gold belting, a very narrow gold belting. And also there is a most beautiful shade of blue mantle, cape, about Our Lady's shoulders, and it covers - the mantle has a head covering that's a little tighter than I have normally seen on Our Lady. And it's held in place, Her mantle. I can see just a wisp of hair, of Our Lady's hair, very - not much, just a wisp.

And Our Lady has on now a small circlet crown. It comes quite a bit down on Her forehead. It's a very narrow band of gold with what appears to be diamonds with little crown points on the top. There are like star-shaped points on the top of the gold crown, but it's more like a circlet. It's not a very heavy crown; it's like a band around Our Lady's forehead, high up on Her forehead.

But as She's bending now, looking down, I can see the edge of Her mantle and the wisp of hair, not much. I can't tell even the color, the light is so brilliant! Oh, Our Lady looks absolutely beautiful! The mantle is, also has more of a satiny look than I have seen before.

Our Lady now is pointing up. She has Her Rosary. As She's moving I can see Her Rosary at Her right side, the beautiful Rosary with the large golden Our Father bead and the beautiful Hail Marys. They're white but they almost look pink. It's hard to describe. They have colors like the rainbow in them.

Our Lady now is pointing up to the right side of Her, and the sky is opening up, and there are - oh, there are many, many angels coming down. I know they're angels. I know; I can't explain how, except by their appearance. I cannot see their faces, but they have almost a human form except for their wings. I can see, some of them are turning. They're dressed all in white.

Now I notice they're standing back. I don't know their age, if they have an age. They're standing back, and coming down high from the sky are three massive-looking angels. They're coming closer now. Oh, I recognize Michael. He is larger than the other two. I know they are Gabriel and Raphael. Oh, my! Oh, my! Oh, my! Yes, Raphael, right! Oh, my! Oh, my! So beautiful!

Our Lady is smiling, and Michael now is standing just a little to Our Lady's right, covering the whole sky. The light is so brilliant, I can barely see Our Lady. There is something so wonderful, as though there's been a party in Heaven, a celebration.

Michael has on a most magnificent gown this evening. It's all white, and it has a border of gold around the bottom of the robe. And I do notice also that Michael has on a breastplate, though, on his gown. No, it's long and shimmering. He has a very - what appears to be not silver but a pale golden plate, like - I don't know if it's protection, armor.

And Michael does have this golden balance, which is a little darker in color to his breastplate, in his right hand. He's now turning towards Our Lady. Our Lady looks very petite, very fragile next to Michael and the other two big warriors of Heaven. That's the only way I can explain them because of their size.

Now Our Lady is coming forward. She's just drifting forward. I can't explain it. She's not moving; She's drifting. And She's taking now Her Rosary from Her waist, extending the huge, beautiful golden crucifix and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is placing the crucifix like this, next to Her lips, and She's kissing the body of Christ. Now Our Lady is looking about Her. Now She's placed Her Rosary in Her left hand, and She's motioning like this with her finger to me, and placing it to Her lips, which means to listen.

Our Lady - "My child and My children, We would like to expound joy to all. What is taking place upon earth has saddened all of the hearts of Heaven. However, I give you hope in the knowledge that the eventual victory, after the great battle of the spirits, will be with Heaven.

HOPE LIES IN PRAYER, PENANCE, ATONEMENT

"My children, I hear all of the cries for messages of cheer and good will. I cannot come to you as your Mother with any false message of present hope. Hope lies now in the battle for the retention of your Faith. Hope lies in prayer, penance, and atonement.

"My children, there is much work to be done to save souls. You must now go on foot throughout your country. There are others, many false prophets, on foot, My children. You must now follow them and restore the souls of those whom they have

contaminated. I say this, My children, now because they have taken what you may call your lukewarm Catholic brothers and sisters and carried them off to the portals of purgatory and hell.

"My children, do you who have left the road and entered into apostate religions, do you not realize that you have renounced your chance to enter into the Kingdom of your God, Heaven? My children, all who are baptized by the waters of life must remain within the fold!

"I understand as your Mother how little the faith, the light of faith, is upon earth now in the hearts of My children. Therefore, We ask the little ones, those not of great knowledge, not of great scientific mind, but of pure heart and reasoning guided by the holy light from Heaven, to go forth now as disciples of your God, My Son. Bring this light with you to all mankind.

GO DOOR TO DOOR ON FOOT

"It will take those of strong will and strong spirit to knock upon the doors and receive rebuke. But every rebuke shall be a rose. It is only your personal pride, your human frailty that will make you susceptible to hurt. You must understand, My children, that My Son and those I housed with Me in the beginning were on foot, and on foot now you must be.

"My children, you must make it known that many are rejecting the Message from Heaven. I come to you through the will of the Eternal Father to bring your plan for redemption. I come as a Mediatrix between God and man. It is not My will but the Eternal Father's in Heaven.

GENESIS, CHAPTER 3 THE ORIGIN OF MANKIND

"My children, I - My heart is greatly saddened at the distortion of doctrine in My Son's Church. I understand that man can be misled, for I have often counseled you that the road to hell is often paved with good intentions. You must examine your Bible, the Book of life. Genesis, chapter 3. There must be no changes in the story of the origin of mankind. 'She' must remain. 'He' must not replace it in the story of the serpent's attack upon Eve.

"The Eternal Father has stated that the serpent shall crawl on his belly, stomach, My children. I use several words to illustrate the manner in which man is describing this time. He will crawl, the serpent, as the lowest animal among the beasts because he has deceived Eve. But the Eternal Father in His mercy has stated that He will place enmities between the serpent and the woman, between, enmities between the serpent's seed and the woman's seed; and the serpent shall have his head crushed by the woman and the serpent shall lie in wait for her heel.

"Be it known that the Eternal Father has deemed that man shall not change the words to 'he' and 'he.' I say this not to bring any false notions in your mind, My children, that I repeat this in pride. Far be it from Me, for I have not sought, neither on Heaven or earth, to be prideful; but, My children, I must bring to you the words of truth. Many are changing the words to suit their own interpretations of the Book of life, and these interpretations are based upon man's own seeking.

"My children, you must read your Bible. I have asked you to read. You have forgotten the graces you may receive from it, indulgences that have been cast aside. Read your Bible, My children, and you will understand what is happening in your present generation.

"The Apocalypse, the writings of Saint John, must be read several times. Before you commence, you will pray to the Holy Spirit of life, the Holy Ghost, to enlighten you that your mind may absorb and understand the writings from Heaven.

REJECT MODERNIST INTERPRETATION OF BIBLE

"Inspiration was given to prophets of old through personal visitations and visions. Do not go along with your present generation of modernists, who ask that you read the Bible, the Book of life, with only a literal interpretation. It was not without reason that all of the heads of My Son's Church, the Vicars, the Holy Fathers in Rome, counseled you well to read and understand and to gather the truth before it is taken from you.

"Do not forget that Saint Michael has been removed from your churches for reason. Michael is the guardian of the Faith. He must be returned to My Son's Church for protection.

"Be it known now, I bring you a message of dire consequence: Antichrist, the forces of 666, are in Rome. Antichrist, the forces of 666, are throughout the world now, and Lucifer walks the earth in the body of a human being. I cannot expect you in your human nature to fully understand this meaning, but as you go forth in this battle, this battle of the latter days, you will understand this meaning, for Lucifer will promote false miracles; false prophets shall abound upon the earth, and they will bring discredit to true prophets.

"My children, I would counsel you, I would advise you as your Mother to remain within your own groupings. I am here with you in the United States of America. As such I ask all of My children to be here with Me."

Veronica - Now Our Lady is taking Her Rosary and raising it, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is moving over to Her right side, our left side, and She's looking down. Michael and Gabriel and Raphael are all up there grouping around Our Lady. I can't see their faces. I have never

been able to describe their faces, but Michael's hair is such a deep golden metallic look that I can't ever not recognize him because he has a very strange type of short cropped hair, very metallic-looking, golden, sort of. It's hard to explain.

Our Lady now is leaning over, and She's making the sign of the cross with Her crucifix: In the name of the Father, and of the Son, and of the Holy Ghost. Our Lady is turning to Her left, and She's going, gliding across the sky. Now She's moving quite fast. And She's standing now just directly over the first trees, looking down, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Michael is moving up; he's going back farther into the sky. Our Lady now also - She hasn't turned around, but She's floating back, and now they're all standing grouped together. And I see now that many, many more angels have come down. They all look so beautiful! Now I can see that they have different colored gowns: light pinks - I can't call them purple; they're not somber-looking, but they have sort of a beautiful shading in their gowns. They're all fully gowned, clothed down to - if there are feet, I've never seen their feet. The gowns are always very long and billowing. But as they turn, I notice these very - I can't explain the wings. They're like gossamer, very, very light colored, very fine and - I can't - like a downy look about them. I can't explain their wings.

Now over on the left side I can see now a great cross forming directly . . . it seems the angels, the small angels are moving back, and there's a great dark cross forming in the sky. And now underneath the cross there's a huge ball forming. It seems that there is a great cross upon the world.

Now Our Lady - it's very somber-looking with the black cross over, directly over the globe. Now Our Lady is moving over, directly above Her statue now, and She's touching Her lips with Her fingers.

Our Lady - "My child and My children, continue now with your prayers of atonement. They are sorely needed."

[Pause]

Veronica - The sky about the trees is becoming a very light colored pink. It's a beautiful shade; I have never seen this shade of pink in any paintings or drawings on earth. It's very warm and gives you a complete feeling of peace and joy. I can't explain it, the emotional impact the coloring and the way the sky is lighting up now has upon you. All about us in a circular pattern the lights are starting to come out of the sky. Oh, it is so brilliant, it's almost like a circlet of diamonds, like the sky is just moving and the stars are coming down. This is what it appears now.

Ah, and directly in the center of the circlet I can see Jesus coming forward. Oh, He has nothing upon His feet. The wounds on His insteps, oh, are very pronounced. Jesus has on a beige, long robe-like gown, very loose, and belted with what appears to be a cord of like some skin-like material, a light sort of a tan. I really don't know whether it's animal skin; it looks like it. And Jesus has a cape. It's very heavy, almost like a satin. It appears to be a satin cape. It's burgundy in color. And there's a gold belting about Jesus' neck that's holding the cape onto His shoulders. There's a hood attached to the cape, but it's lying down over His shoulders, like in the back.

Now Jesus' hair is blowing. It must be quite windy. Now He's down quite close. Jesus has come forward. He floats forward; He doesn't have to walk. He just seems to be carried on the wind. He's directly now over Our Lady's statue. I can't count the feet. It's quite a bit, a ways up. But I can see Jesus very well now. He has a very soft smile on His face. He's looking about Him. Now He's placing His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning to His right. He's looking about Him, and He's moving now across the sky to our left side, but His right side, and He's directly now between the statue and the first tall tree. He's quite a bit, He's moved quite a bit up farther, back up into the sky. But He's now bending over and looking down on the left side and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now I can see Our Lady coming down. I didn't notice She was standing over on the right side of the statue, but high over by the tree, the second tree on the right. Jesus is coming across the sky, and directly overhead Michael, Gabriel and Raphael are coming down from the sky, and they're joining Jesus. They're standing behind Him. Of course, Michael is difficult to place with them. He's so large that he remains always in the background to allow the others to come forward.

And Jesus is now standing directly over Our Lady's statue high in the sky. He's quite a ways up this evening. And Our Lady now is joining Him. She's going over to His right side and standing there, and They're looking about. Now Jesus is placing His hand now to His heart, like this, and making the sign of the cross again: In the name of the Father, and of the Son, and of the Holy Ghost. Now He's placing His hand down across His chest and He's nodding.

Jesus - "My child and My children, I am not intending to go through a long discourse with you on the present state of My Church in Rome. Suffice it to say that 666, Lucifer and his agents, will make a concerted effort to dethrone the present Vicar. In his plan, the plan of Lucifer, he seeks to unite My Church with the world, and this I shall not permit.

"I have asked through My Mother, My Mother Who has pleaded through countless earth-years, for an extension of time for mankind to come back to the fold. But for My Mother mankind would have been given a great chastisement already. I say

this, My children, that you may understand that the evil has accelerated upon earth. The Eternal Father has a plan to bring about the separation of the sheep from the goats. The war is on now, good and evil now, a war of the spirits.

"Being of free will in the image of the Eternal Father, mankind has refuted and refused his redemption. Mankind has returned civilization to its corrosive state of the past when it was necessary to destroy mankind in his sin in order to bring forth another flowering generation with promise for growth without the necessity for chastisement. However, the prayers of the few have held back the Warning and great Chastisement.

"My child, I have counseled you many times, and I must counsel you all again that what was to happen in the future shall be now. It is for you to help change this by getting out the message with great haste.

"My children, to be My disciples, disciples of the latter days, you must remain now out of the world as much as possible. I do not ask you to deny your livelihood, as you must earn your bread with labor. However, you do not have to sell your soul in this procedure.

"You must understand and set your values straight. I am the Bread of life eternal. You may fill yourselves up with the bread of the earth and the world. You may seek pleasures and riches and the destruction of your soul with the pleasures of the flesh, but can you say in all reality that you will have time to change or to make amends before you are struck down and come across the veil?

"My children, there will be a great loss of life with the great Chastisement that is fast coming upon mankind. The scoffers may laugh and turn away, but do not heed them in your discipleship, My children. Go forward with the truth. Make every effort to save your brothers and sisters. You may expect from them derision and laughter and scorn. This was My road upon earth. This was My Mother's road upon earth, but they stayed together, united in faith.

APPROACH THE HIERARCHY

"My children, you must also approach My hierarchy. Many have fallen asleep in their pride and arrogance. Many have given themselves over to worldly pursuits. They do not pray. They are not accepting the Spirit of light.

"My children, communication through prayer must be continuous in the life of every man and woman and child! You must transcend in prayer to the eternal Kingdom. The Eternal Father is much dismayed at the increasing sin of man.

"My Mother has directed you well and prepared you for these days. You must wear your sacramentals for protection. It will be the efforts of those who are with the prince of darkness to have you remove your sacramentals so that you can fall!

"I must give you the knowledge in truth and a sad fact that only a few will be saved in the final count. My children, do you not want to be counted in the few, those who will be saved? Prepare the way now for yourselves.

"Understand that Lucifer is walking the earth now, Lucifer who has great knowledge. He has intention for conversions to satanism. He is entering into the highest places of the hierarchy.

"I ask that My Church be restored to its former glory. You are destroying it with change.

SMOKE OF SATAN ENTERED THE CHURCH

"My children, those who in vocation have dedicated themselves to the priesthood, I ask you as your God to cast away your pride. Admit there has been error. Listen to your Vicar who stated that the smoke of satan had entered My Church. Did he have pride when he brought this knowledge to you? No! He asked for help. And what did you do? You turned away and widened the door for satan to enter!

"You are blinded, My hierarchy. You seek to bring all into My Church, but this must be by conversion. You are allowing all manner of heretics and the antichrist forces to enter among you. You are being deceived. Awaken from your slumber.

"A great battle is taking place now within My Church and in all corners of the earth and countries. If the evil accelerates farther, it will be necessary for divine intervention. Is this what you want, My children? Can you never learn from your past? Your nation, My children, the United States and Canada and many nations of the world - and I shall say now, most nations of the earth have given themselves over now to paganism and atheism and all manner of 'isms' that spell destruction for mankind.

"I hear 'peace, peace, love, and brotherhood' coming forth from the minds and the mouths of men, but what comes from the heart but death and destruction and wars and murders and robberies and adulteries and all manner of sin, punishable by death - not only death of the soul but death of the body! There will be many dead bodies upon earth if you do not turn back from your sin!

"My children, it is not that I come to you as a punishing God, as a stern God. I come as a loving Father, but you must understand: even a loving father must chastise his children.

"My Mother cries bitter tears of heartache as your Mother, for She knows what you are running blindly to. And She cries from this torn heart: Turn back now before it is too late!

"My children, you must be very careful now what you read in your news medias because your country is controlled. Most nations of your earth now are controlled by the forces of evil. Before you make any judgment, My children, in matters of faith and morals, you will read your good Bible. And do not accept any changes in the Book of life and love."

Veronica - Now Jesus is extending His hand out like this and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "My children, you will keep a constant vigil of prayer going throughout your country and the world."

[Pause]

Our Lady - "My child, make it known to all the workers of Heaven that We do not promise them riches, peace, or full tranquility upon earth, as they store their graces, their riches in Heaven. The greatest of glory and love shall be given to them over the veil.

"I cannot promise any worker that he or she will be free from suffering while they are upon the earth. When you learn the value of suffering, My children, you will find that you will look forward for this opportunity to gather graces for other souls. You will understand this in time.

"The children of God are being marked, My child."

Veronica - Yes.

Our Lady - "You will say, My child, to all strangers who enter or come to your door for entrance: 'If thou art thy disciple of satan, I am to tell you: In God's name, begone! For there is only one true God, the Lord high God in Heaven. And as for you, you will go back to satan and tell him these exact words that I have told you. In the name of the Father, and of the Son, and of the Holy Ghost.'

"Do not be deceived, My child. In the past years of your mission you can well understand that satan will send his agents, disguised as angels of light, to deceive, annoy, and seek the downfall of all Marian workers. It is truly a war of the spirits."

Veronica - "Yes. Yes. I understand."

Jesus - "The photographs will be of great importance, My child."

October 6, 1978

Eve of Our Lady of the Rosary

Veronica - The sky all about the trees is becoming like a photo of shimmering white. I have a sense of great urgency. I can't explain it. I can see now Our Lady coming directly through the sky over Her statue. She's coming forward quite fast. She's not walking. Our Lady looks so beautiful as She's gliding forward. And behind Her are several angels, four angels. They're all carrying - I thought they were bowls, or . . . let me see. They're bowls, yes, in their hands. And as Our Lady's coming forward they're throwing - I don't know what it is they're casting out of the bowls. It looks like dirt or something, not incense.

Now Our Lady is coming down quite close over Her statue. Oh, She's so beautiful! Our Lady has on a white, a pure white gown, very long and full, with a gold belting about Her waist. And She has a most beautiful mantle of a deep blue. It's a very deep blue with gold all about the outside trimming of about, I would say, an inch around the outside. Our Lady is smiling. Oh, She has Her beautiful large crown on Her head. Oh, how beautiful! The Fatima crown, the big one that's rounded on both sides. Oh, She looks so beautiful! It's coming down close on Her forehead to Her eyebrows. It's a very heavy crown, but made of gold and beautiful, inset with stones.

Our Lady now is taking Her Rosary from about Her waist like this. The sash on Our Lady's dress is a beautiful gold. It's like a belting. She has almost like a braiding about Her waist. And She's extending now the crucifix of Her beautiful Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking all about Her. She has a smile on Her face. It's a sad smile. I don't understand. The feeling, the emotion is very serious. I know Our Lady has some great heartache this evening. Now Our Lady is motioning to me. She is placing Her first finger to Her lips.

Our Lady - "My child and My children, I come to you with a heavy heart. I have been watching the acceleration of the evil upon earth, and I realize without a doubt that many have rejected, refused to accept the Message from Heaven. Unless they remove the blindness from their hearts and open their eyes to what is happening, I can no longer hold back the terrible Warning and Chastisement. One will follow the other. I cannot hold back this chastisement from mankind.

"My child and My children, you wonder now of the happenings in Rome. Much that has happened has taken place because too few have cared to pray and do penance for the priesthood. One day all will be made known to mankind.

"I have come to you as a Mediatrix between God and man, in the will of the Eternal Father, to warn you, O priests in My Son's Church, His House upon earth, that you must turn back and start again.

"Lucifer is in Rome. His army comes as 666 among you. He has been a murderer from the beginning. My children, man has fallen very low, without grace, even consorting to murder.

"My children, a conclave shall start, and without prayers you will receive one on the Seat of Peter, one with dark spirits, consorting with the devil.

"My child, I must caution you now, for your protection, to control the impulse to tell all. Much must remain now in your heart for your own protection.

U.S. INVOLVEMENT IN FOREIGN WARS

"My children, you must understand: your country, the United States, will become involved and be asked to send more young to be slaughtered in foreign lands. You must not follow that calling. It will be useless.

"My children, the end days shall become most difficult for many. So many souls are falling away from the Faith. My Mother's heart is torn. I ask all who have received the grace to hear the Message from Heaven to go forward as disciples of My Son in these latter days. Many graces shall be given to others in order to receive the light from Heaven for the world. We place a heavy burden upon the few, but carry this as My Son did His cross, and your reward shall be great in Heaven. Many victim souls shall be chosen from among the little ones, those who have pure hearts and belief.

"I have cautioned the priests, the hierarchy in My Son's Church, to remove their pride and arrogance from their beings and their hearts. Their way has become a way of the world, governed by man and not by his God. This new way will only lead to total destruction, of not only the souls but the body.

"The pages of John's writings, the Apocalypse, the Revelations, are turning faster and faster. Man controls the speed to his destruction. Your country, My child, the United States, and many countries of the world have become paganized. My Son's Church upon earth shall go through a great crucible of suffering with chaos.

THE GOOD SHALL BE CALLED BAD

"The good shall be called the bad, and the bad shall be glorified. It will not be easy, My children, to remain upon the narrow road. You have been given many graces to retain you. Wear your sacramentals, and protect your children. Your home must be a fortress against evil.

"My children, I ask that a constant vigil of prayer be conducted throughout your country and all of the nations of earth.

"The time is fast approaching when many nations shall disappear from the earth. War is a punishment for the sins of mankind. Man cannot live without his God, for he will die both spiritually and physically.

"You must read your Book of life and love, the Bible, and you will not be lost. You will understand the approach of the end days.

"I give you now, as I gave you in the past to all mankind, two sacramentals for your redemption: the beads of prayer, your Rosary, and the Scapular, the brown cloth of life everlasting. Wear them, My children. Protect your families and your children. The end for man shall come like a thief in the night, fast upon you without warning. However, as I said unto you in the past, I will repeat again: My children of light, those who accept and believe shall not be caught unprepared and without warning."

Veronica - Now Our Lady is taking Her Rosary from about Her waist, extending it out like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now I can see the sky. It seems to be opening up behind Our Lady, and there are many, many nuns and clerics coming forward. They're dressed in all different types of habits. The headpieces - I know they're nuns, but I don't recognize all the headpieces. They're quite different. Some are very large - look like white wings. That's the way they're out from the sides of their heads. And others have little bonnets, like sunbonnets, but they're all dressed in very dignified-looking habits. The women's gowns are completely to the ground. I can see black shoes on about five nuns standing by Our Lady on Her right side, our left side.

Now they're all taking from their waists large black Rosaries. The nuns have black Rosaries, and they're extending them out like this, with the crucifix in front of them. Now they're taking the crucifix and placing it to their lips, kissing the corpus. Our Lady is looking all about Her now, and She's extending the Rosary again, holding it out. Now Our Lady is kissing the beautiful golden crucifix of Her Rosary. Our Lady now is motioning with Her finger to listen.

NO VARIATIONS IN THE ROSARY

Our Lady - "My child and My children, I ask that no variations be made on the process of speaking and telling the beads. Saint Michael's, the Archangel, and the prayer given to the children will be sufficient. Neither add to nor detract from the beads."

Veronica - Now Our Lady is moving back, and She has the Rosary in both Her hands now and extending them out like this. The Rosary is dangling from both Her hands, and in Her right hand She also has a Scapular. It has brown cording and two big - I see no pictures on them. They're like two big squares of brown material. I don't know the consistency of it, but I can see it's a very deep brown, dark brown. Our Lady is smiling and nodding.

Our Lady - "Be seated now, My child."

[Pause]

Veronica - The sky all about the trees is becoming a deep pink, a beautiful warm pink. I can't describe the coloring of this. It's a color pink that I have never seen in anything on earth. It's absolutely beautiful! Now the rays, the pink coloring, are diffusing in slant-like formation towards the center of the sky as though they were being drawn right from the trees, brilliant rays of pink light.

Oh, and directly over Our Lady's statue, high in the sky, I can see Jesus coming forward. I believe He's alone. I don't see anyone behind Him. He's coming forward quite fast. As He approaches, He's becoming more - I can see Him better. Before, He looked like a little statue in the sky, when He first arrived. Now He's floating forward. Jesus doesn't walk, He floats. It's as though He has no weight, or He's just carried on the air or something. He's coming forward now.

Oh, Jesus has on a deep beige color - it's a little darker than I've seen before - gown. It's well belted with a cord-like sash made of, I believe it's some kind of animal skin. It looks like a rope made from animal skin. And His, He has a cape, a deep reddish burgundy color cape, and it's tied about His neck with a gold twisted, braided type of cord. And Jesus' hair is blowing very freely. Like I notice - I often wonder: His hair looks reddish brown, but I don't know, the light is so brilliant, if it's a reflection from His cape or whether that's the true color of His hair. Jesus is smiling. He thinks that's quite comical, I guess.

Oh, now He is reaching out now this - placing His hand in front of Him with His three fingers extended like this, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus is looking all about Him. He looks very serious this evening, though when He turns back, He smiles very beautifully and kind. But He looks upset. Now He is placing His first finger to His lips, which means to listen.

Jesus - "My child, I realize the great strain upon your physical body this past week. I do not intend to tax you any farther with a long discourse on the state and events of Rome. I must warn you, though, that you must listen and obey completely the directive of My Mother for silence in certain areas of the message. It is, My child, for your protection. You must not seek to question any of this directive. It is a great test of patience for you, My child, to be silent.

"I must admonish all bishops and cardinals that again, without prayer and determined efforts for penance, their minds will remain clouded. Their involvement in the world of satan will make them fair game for his plan, the plan of Lucifer to capture the Seat of Peter. Already the next one has been chosen.

MAN OF DARK SECRETS ON SEAT OF PETER

"Needless to say, My child and My children, your newspapers and medias of communication are controlled. Yes, a man of dark secrets and spirit will be placed upon the Seat of Peter. Those who have the light know a true Vicar, but those who are in darkness will work for Lucifer.

"Judases in My Church, My House, robbers within My House, selling out for thirty pieces again! I say unto you, you will be allowed your time. The Eternal Father in His merciful heart allows you time to change and come back. Have you not had enough indications and signs from the bad fruits you have produced?

"I must warn you now to tread carefully in the next days, for murderers are among you. And Lucifer has been a murderer from the beginning. O ye of little faith, pride and arrogance in worldly knowledge! But you have closed the door to My sheep! Scattered them, become traitors to the Seat of Peter! I say unto you: You cannot understand, with all of your knowledge and your pride, the ways of the Eternal Father! There is a plan for each and every one of you in Heaven. You shall receive a just punishment for your arrogance, your apostasy, and your destruction of souls.

"I repeat again: You will seek for the Seat of Peter a man of justice. Politics and money shall not guide you as it has in the past! You will seat in the Seat of Peter a man of piety, a man who has not extinguished the Faith, and a man who accepts the truth from the beginning, not seeking change!

"I say unto you, My pastors, hierarchy and priests of all nations: You will follow the rules as given through countless earth-years. My Church, My House has been set up upon earth. I gave the direction. It was a simple way. And you have entered upon the wide road to damnation. Many mitres shall fall into hell! But sadly they will take others with them.

"The justice of the Eternal Father has charity, gives hope. However, you cannot compromise the Faith. You cannot compromise with evil. There is no middle road between good and evil.

PASTORS DISOBEDIENT TO THE VICARS

"I have asked you in the past to refrain from rebuilding My Church into a church for man. I am the foundation! I have set down the rules. And of all the disobedient cries, of disobedience against My little ones, it is you who are disobedient to your God! It is you who have been disobedient to the Vicars I sent to you! And it is you who have murder in your heart!

"My children, My little ones, do not be afear'd by My words. I speak to My pastors. But pray for them.

"My children, Lucifer has set much woe upon the earth and in Rome, but I want you, My children, to understand that all will be good for those of well spirit. These days that are upon you were looked forward for in the hearts of many past saints now in Heaven with Us. But from this era many latter day saints shall come forth.

"My children, go forward in the days ahead with patience, with hope, with charity in your heart. Pray constantly. The prayers do not have to be typed nor read, but speak from your heart in the spirit.

"There is much confusion and chaos set upon the world by Lucifer, but if you understand - if you understand, My clergy, that Lucifer is now upon earth with his agents, you will understand why many have become blinded. The power of satan is great.

"You will use all measures to safeguard your souls and the souls of those you love. Sacramentals, the Eucharist - the doors have not been barred to you. Come to Me at the tabernacles of the world and I will refresh you!

"There is hope for mankind. My Mother brings you this hope. The warning She gives, She gives to you in love and charity, as only a Mother could express Her love in Her heart to you. Do not cast Her away. Do not turn from Her, but seek and you will be given the way. Believe, and you will understand what My Mother is saying.

"Do not be prideful, My hierarchy. Admit when you make a mistake. Admit and start again. You owe nothing to the world and man, but you will stand before the Eternal Father. He will chastise those He loves, but He wants you to be humble of heart. Admit your mistakes and start over.

"I cry to you. Tears of anguish fall upon mankind, for you do not know what you are doing. You are fast onto a road of damnation for many.

"There are many dead souls walking in living bodies now. Whatever shall become of My straying sheep?

"Pray now, My children, a constant vigilance of prayer. Do not become prideful in your mission upon earth, for much is expected of you now. For those who have many graces, much shall be expected of them."

Veronica - Now Jesus is looking all about Him. He looks very sad. Now He's pointing up to the sky on His right side. He's placing His hand out like this. And Our Lady is coming forward. She looks so fragile, almost like a little girl. So beautiful! Our Lady is coming forward, and She's extending with her right hand Her Rosary, the beautiful Rosary with the golden Our Fathers and the white Hail Mary beads. They're just beautiful!

Our Lady now is turning, and She's looking back over Her right shoulder. And coming forward I can see all the nuns and priests again. And I also see two - they must be popes, and large tiaras on their heads. And Our Lady is nodding, yes. Pius X, Pius XI. And now She's pointing over by Jesus among the angels, Pius XII.

Oh, they look just beautiful! They're all dressed in white with gold trim. They have white slippers on, too. I see them very clearly. Oh, I see Pius X. He's very happy. Oh! Oh, they're all now - their hands, I notice they're moving their hands now, and they're - oh, they're holding crosiers, you know, like a hooked cane, one of those long things with the hooks on the top - crosiers, the bishop's staff. And they're smiling. They're made of gold. Oh, they're so beautiful. I know they must be solid gold, the staffs.

Now they're all looking over to Our Lady and Jesus. Our Lady now has come over, and She's standing at Jesus' right side. Now Our Lady is nodding to Jesus. And Our Lady now is taking the crucifix from Her Rosary, and extending it out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is touching His lips.

Jesus - "Remember, My child, Our caution to you. Much must remain in secret for the time being."

November 20, 1978

Eve of the Presentation of the Blessed Virgin Mary

Veronica - The sky directly above Our Lady's statue is opening up. If you notice, Our Lady says, you'll see the whole area of blue, with indications of the heavenly stars.

As the sky now is being separated from the clouds, Our Lady is coming forward. The light is very, very brilliant. Oh, She looks absolutely exquisite! Our Lady looks very young this evening, very young. She has on a long white gown, and Her mantle is a brilliant white, the color of sugar. I have never found an earthly representative for the brightness of Our Lady's mantle. It's not earthly; it's supernatural, the brightness. All about Our Lady's mantle there's a trim of gold, a brilliant gold.

Now Our Lady has - oh, Our Lady has on a magnificent crown this evening. I've seen it; I know it's called the Fatima crown, the very large crown. Oh, Our Lady is smiling. She's standing with Her hands joined together like this. Her beads, the beautiful Rosary with the golden Our Fathers and the white Hail Marys, are dangling from between Her fingers down the front part of Her gown.

Our Lady is looking all about. She's smiling, but She's quite sad. Now Our Lady is taking Her hands and raising Her finger, indicating to me to listen, as She touches Her finger to Her lips.

HOUR OF DARKNESS AND SADNESS APPROACHES

Our Lady - "My child and My children, My heart is very sad that I must bring you this urgent but final Message from Heaven. The Eternal Father has sent Me as a Mediatrix from God to man all about your world, the earth, crying out warnings from Heaven to mankind, warnings that only a few have heeded. And now the hour is approaching, the hour of darkness and sadness. Many parents shall have tears of anguish brought into their homes by the coming events.

MANY CATASTROPHES BEFORE WARNING

"My children, please, as your Mother I ask you in all charity to go forward and warn your brothers and sisters to prepare for great persecution. There will be many catastrophes now befalling your earth until the great Warning, and then the final Chastisement. O My children, will you not listen to Me!

"The Eternal Father has sent many seers to you to bring you these warnings. And also upon earth, in competition to truth, there have been sent by Lucifer many false prophets and prophetesses. My children, you will recognize these false prophets, as they will preach a doctrine of man, neither recognizing the way of the cross or the power of the redemption from the Eternal Father.

"My children, you must guard your families. Watch your children. Because of the laxity of many of the men of God in My Son's Church, because of their laxity, because they have given themselves into all manners of sin, sins of the flesh, Our sheep have been left to stray, and the wolves have approached them. And many have already been lost to Us, lured away by promises of peace and joy and eternal happiness. There shall be no peace; there shall be no joy without the cross.

"Many false prophets now are in your country, the United States, and many countries throughout the world. They make a concerted attack upon the young because the parents have become lax, because the teachers have become corrupted, because the governments have become corrupted.

LUCIFER PLANS TO DESTROY PAPACY

"And majorly, the biggest fault of all to mankind, because man has turned now from his Creator - I must now make known to you, My children. As I told you in the past, Lucifer has been released from hell with many other demons in his legion of demons now loosed upon earth. Lucifer is in Rome and plans to destroy the papacy. My children, pray for your new Pope. He must be given the strength even unto the point of martyrdom, if necessary. He must not allow communism to control Rome.

MARTYRDOM MEANS IMMEDIATE ENTRANCE TO HEAVEN

"My children, are there so few who will suffer for the faith? Are My children lost to the need for suffering and martyrdom for the Faith? Do you not understand, My children, that martyrdom means immediate entrance into Heaven. Is this not worth fighting for?

No - O men of the cross, whatever has happened to you in your profession? You prefer the worldly life of riches and power. You partake of sins of the flesh. You mislead by teaching doctrines of demons. You do not exercise discipline among your own. Better that you have a few with quality than a quantity of nothingness! You will not build in Rome nor in the world a church of man given over to humanism and modernism.

"My children, I have told you in the past the meaning, the true meaning of 666, the meaning that has been lost through countless years of earth times by interpretations in the minds of men and written into numerous Bibles. However, 666 is Lucifer, with five powerful demons plus Lucifer is six; and the six days of terrible suffering from the Chastisement; and the six that will be punished - Lucifer and his hordes, his ogres, for their terrible atrocities upon mankind. Lucifer will go wherever darkness is.

"MAN OF PERDITION" A GENERAL TERM

"My children, listen to Me now as I explain to you. Your men, your theologians have lost one truth. It is not one man, as they refer scripturally, 'the man of perdition,' a man whose number will be known as 666. It is a general term. It refers to Lucifer in the body of a man.

"And listen well, My children, as I repeat to you this truth. Quoting from the scriptures, that 'He will sit in the temple of God and proclaim himself as God.' Antichrist will sit in the temple of God and proclaim himself as God.

"Now, My children, think and follow along with Me as I explain to you this. When you are baptized and become a member of the House of God upon earth, My Son's Church, and as a child of God, your body is the temple of the Holy Spirit. Therefore, this passage in the Bible does not mean a structural, brick and stone and mortar temple, but the body of a man. You must keep your body free of contamination, for it is the abode, the housing of the sacred species of the Host, My Son's Body, and also for reception in purity of the Holy Ghost within you.

LUCIFER, DEVIL INCARNATE, IS 666

"Now you will understand, My children, why man has lost through the ages the true meaning of 666. It is not one man, as your world's theologians go about watching for one man. It is Lucifer - Lucifer, the devil incarnate, who is 666! My children, you learn nothing, though you have produced in the past many pages of scripture, many pages of prophecy. But you do not believe what you read.

"As it has been told in the past, the time has come now for man to either make a quick - I say 'quick,' My children, for the months now are being counted and the years are counted in the few - I say, My children, to make a change quickly and avoid the Warning, avoid the Chastisement. And this can only be done when Lucifer is sent back into hell. And mankind will do it, though the Eternal Father, Jesus, and the Holy Spirit watch. It will be now given over to mankind to bring this about.

RETURN TO TRADITION OR YOU WILL FALL

"My children, pastors in My Son's Church upon earth, I implore you, I beg of you as your Mother, to return My Son's House, to return Our children to the fold! But not in the manner you seek to do it now: not by humanism or modernism. Return now to tradition or you will fall! Rome will fall! You will give yourselves over to the enemy.

"Russia has great plans for the capture of Rome. I beg unto you as your Mother to listen now while there is time. Bishops, cardinals in Rome, a plan is set afoot against you. Many have entered from the socialist - the Union of Socialist Republic, Russia, have entered the Church to destroy you! Recognize the path you are following. It is a well-made path. Avoid it!

"America, the United States, you, too, have become walking with your eyes blinded to the truth. You seek peace and happiness, but the more you cry 'peace,' the more in your foolishness you give yourself to being saviors of the world - the enemy is seeking your downfall.

"O My children of the United States, do you not understand what is ahead for you? Your country, the United States, has not known what it is to suffer through destructive forces. My children, you shall not escape the destruction that the Bear of communism has set upon many countries in Europe and the world. You cannot compromise your Faith to save what there is left, for everything upon earth shall fall as rubble with the Chastisement. A ball of fire, a chastisement, a baptism of fire, is heading for mankind. Can you not understand?

"Divest yourself, pastors in Rome, of your pride. Turn back and start anew. There is only a little time left.

"O My children - "

SICKLE WITH THE HAMMER

Veronica - Our Lady is pointing now up. She's pointing over now to Her left side, our right. And forming in the sky is the horrible emblem, the sickle with the hammer. And blazing all about it is a red, circular pattern of ugly, fiery-looking red about the hammer and the sickle.

And now an arrow is pointing over to the other side of the sky, far on the right. And the arrow is swinging now and heading across the sky like a comet, far to the left. And on the left a number is forming, a huge "6". And the "6" now sets like an angry arrow, like a shot onto the head, the crown of Peter.

I see . . . I see, I - oh, it's terrible! I see the crown of Peter melting, melting, melting! And I see on the right side a man laughing with glee as he melts all the treasures of the papacy.

Now it's growing very, very dark. Our Lady has moved over now, and She's pointing again. And written in the sky is C-O-M - it's being written like a finger's writing it - C-O-M-M-U-N-I-S-M: "COMMUNISM"; T-H-E: "THE"; S-C-O-U-R-G-E: "SCOURGE"; O-F: "OF"; M-A-N-K-I-N-D. "COMMUNISM, THE SCOURGE OF MANKIND."

Now the letters are blowing away like smoke, and Our Lady now is moving over until She's directly over us now. She's come back from the - She's moving from the center until She's directly over us now. And She's placing Her hands out like this, and there are tremendous rays of light radiating from Her fingers down all about the peoples without the circle. The rays are now heading over into the crowds of people in the rear. Our Lady is sending these graces to strengthen many who will receive great persecution for the Faith.

Now the lights are beginning to, just seem to be going back into Our Lady's fingers. I can't explain it. It's magnificent to see the lights. It's as though Our Lady is a tremendous person of light. I can't explain it. It's so beautiful!

Our Lady is standing there now. She looks very sad. It's a little windy. Her skirt is blowing, and She's looking now over to the right and left at the peoples. And now She is putting Her hand out like this, and She's throwing what appear to be roses! Yes, Our Lady is throwing very small little roses. They're floating down like they just weighed very little. They're just floating down onto the peoples. It's very beautiful.

Now Our Lady is touching Her lips.

Our Lady - "My child, you will work with great haste to warn My children. It is not a wrathful God Who wishes to destroy them nor to bring chastisement upon them. However, in the ways of God that could never be understand by the human mind, He must chastise many to bring them back.

GOOD WILL DIE WITH THE BAD

"My child, I know of your great concern and your anguish, but oftentimes the good must suffer with the bad. The good will also die with the bad.

"I repeat: the Chastisement will be great, but man must understand there is another chastisement. One will come from man, through the hands of man, a war so great that it will almost exterminate the earth but for the merciful heart of the Eternal Father, and the chastisement of the Ball of Redemption.

"My children, you must all pray a constant vigilance of prayer. Many victim souls are needed.

"My child, I have given you a secret message that must remain a secret, only given to those I have allotted this privilege. It is for their edification and a test to them in obedience.

"Now, My child, you will continue with your prayers of atonement, and Jesus will be with you shortly."

Veronica - Our Father, Who art in Heaven, hallowed be Thy name. Thy Kingdom come -

Now Our Lady is raising Her Rosary, the beautiful crucifix on Her Rosary, like this. Oh, it's beautiful! It's all made of pure gold. Oh, it's such a beautiful crucifix. And She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. She's turning to the right and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now She's turning over completely to Her left. And I can see now Michael and - oh, hordes of angels are in back of Our Lady now. I didn't notice them before, but I can see Michael now. He covers the whole sky. You can't miss him when you look back. He is beyond anything to explain. He is so big. And the other angels are beautiful. They're dressed in colors of the rainbow. Oh, they're all different colors.

And now Our Lady is going over to Her left side, and She's making the sign of the cross with Her beautiful crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, from the Eternal Father and the Spirit of light of My Son."

Veronica - Our Lady is nodding. We are to continue now with the prayers of atonement.

[Pause]

The sky is becoming a very beautiful pink color. It's very warming. The sky all about us, in fact, as far as I'm able to see, the sky is becoming lighted and pink. It's just beautiful! It's like a - I can't explain it; it's like being on a warm summer's day out walking in a field of flowers. That's the feeling I get as I look now into the beautiful pink formation of the sky.

And directly over Our Lady's statue high in the sky I see the pinpoint of light. It's opening up almost host-like now. It's a clear, brilliant, translucent light. I can't explain it in human words. It's like it's made of glass, the light. It's like - oh, it's beautiful!

And Jesus is coming forward. Oh, I can see Him now. He has nothing on His feet. His feet are bare. He has an ecru-colored gown. His gown doesn't look that brilliant white like Our Lady wore. His looks more like it's made of a different type of material. It's heavier, more cloth-looking. But He has a brown belting, sort of narrow belting - it might be made of skin, about His waist.

And He has on a cape. The cape - it's beautiful, burgundy-colored cape. Oh, it has a hood. It's the first time I've seen the hood so loose about His shoulders. And it's held together at, just under His chin. You know, not really under His chin, but down under the chin - at the end of His neck, I would say, is this piece of cording that's a gold color.

Jesus is smiling. His hair now is quite loose. The hood has slipped down, farther down onto His shoulders. Now Jesus is placing His hand out like this, in front of Him, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Oh, He's so beautiful! If only I could share with everyone, that Jesus would appear to - everyone see His beautiful eyes! He has the most beautiful, kind eyes. Now Jesus is touching His lips with His first finger, which means to listen and repeat.

Jesus - "My child and My children, the hour is upon mankind, the beginning of the end of time. My child and My children, you must now pray more and be ever alert to the signs that will be given to you in the days ahead.

"My Mother has been upon earth for many years trying to avert mankind from the major Chastisement, a chastisement that has been given in many writings and prophecies through countless earth-years. We have chosen upon earth many seers to go forth with this Message from Heaven.

"My children, I cannot impress you more with the urgency of going faster forward in the time that is left, forward to save your brothers and sisters. I ask you to approach My priesthood. Bishops and cardinals must now accept all of the Message from Heaven, even though it will bring about controversy among them. For it will be bishop against bishop and cardinal against cardinal. For all that is rotten will fall and must not be retained.

"I will not repeat over again the direction from Heaven, but I will say unto you: prepare now, for you will receive the Warning before many will die in the flame of the Ball of Redemption.

"We will ask for more victim souls upon earth. It is sad but a fact that only a few will be saved in the final count. It is sad but a fact that We must now depend upon the few who receive the grace to carry the light now through the darkness that becomes more deepened by man's sin of pride and obstinacy.

"I ask parents to restore discipline to their homes. I demand My pastors to restore discipline to My Church upon earth. You will not convert the masses, but you will set yourselves to be destroyed by the enemies of God, because you do not pray, because you do not seek means of mortification. I say unto you as your God, in the name of your Creator, that as you sow, so shall you reap. And many of you are preparing to reap the whirlwind!

"Do not be affrighted, My child. For all who receive great graces, much is expected of them. There is a price, My child, to pay for Heaven. This price We ask of all is suffering, the way of the cross. No man shall ever be greater than his Master.

CHURCH OF NATURALISM AND FREE CONSCIENCE

"Yes, My child, as My Mother has told you in the past, man is endeavoring to build a new church upon earth, a church of naturalism and of free conscience, a church of satan.

"Yes, My child, this message will bring much persecution to you and My children of light, but you must remember: as it was in the past, so must it be now, that all children of light will be tested as metal in the fires. It is a short and narrow road to Heaven, and the road now will be shortened for many.

"My children, I shall not go now into long discourse about the many warnings given before the major Warning and Chastisement. This I will not discourse with you of, for they will be evident now in the days to come.

"My heart is torn. My children, My heart bleeds for you. But you did not listen, and the merciful heart of the Father intends to go forward now with His plan.

"You will all keep a constant vigilance of prayer going throughout your country and the world. Do not spend your time with trifles, My child. Many shall seek to stop the mission, but go forward and put your viewpoint, My child, in a new prospect - your viewpoint in relation to what is important and what is not important in your mission. You must not place any human being above the Creator's work.

PRICE TO PAY FOR SAINTHOOD

"Full dedication is the road to purity, sanctification, and sainthood, My child. There will be many latter-day saints created. But there is a price for it, My child. Remember this when the thorns are heavy and piercing."

Veronica - Now Jesus is placing His hand out like this. He's looking to the right, and extending His hand and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming down from the right side. I didn't see Her standing over there. She's joining Jesus now, and Michael is there now. He's like a protecting force. He really doesn't need anyone because he's huge! I think he would scare everyone half to death if they ever saw him, the size of him - so magnificent! I mean the enemies. But those who love him wouldn't be frightened because of his size. They would feel very well protected and happy.

Our Lady now is standing - She's going around Jesus to stand at His right side. And I can see now coming through the sky many peoples. And I do notice there are three Popes. I know they're Popes because they have on very high - you know, the beehive crowns, the papal tiaras. There are three of them. They're all in white, but they have on different colored slippers. This is strange. One has on red slippers, one has on white slippers, and the other one has on what looks like pale gold, like yellow slippers. I guess that indicates who they are, but it's a mystery. I don't recognize them, the light's so bright. But red, and the gold slippers. Wow! And the white slippers! That must mean something, which the good Lord will have to give me the meaning of.

But they are all - oh, they are all very happy and, sort of happy, but one is putting his hands up like this. He has white gloves on, and he's holding up two fingers. I don't know what that means. He's standing there. He has now a crosier in his left hand and he's holding two fingers up like this, in his glove. His gloves look a little big on his hands, you know, on his fingers. But the two fingers are being held up. And he's - I don't know. He's saying something with his head, because he's shaking it like this, which means yes. And now he's putting his hand up again with two fingers. He's the one with the white slippers on his feet. Wow!

Oh, Jesus is smiling. I guess He thinks it's funny. Our Lady is also smiling. Oh, now They're pointing over to Their left side of the sky, and there's a huge ball now. It looks like a globe forming. And on top of it is a cross. And now I see the letters forming. The ball is round, and the cross on top, and the letters are forming: "R" redemption, grace, and peace. "R G P": redemption first, grace, and peace.

Now the ball seems to be evaporating. I can't see it anymore. And now Our Lady is taking Her Rosary also from Her - She had it by Her, you know, on Her waistline - and She's removing it now and extending the crucifix out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And now Our Lady is also taking something from - oh, I see. It was by Her neck, and She's showing that She's wearing the Scapular. Oh, She has a Scapular. It's quite small. I didn't notice it before. The Scapular and the Rosary. Oh, Our Lady wants us to wear the Scapular and pray the Rosary more often.

Now Jesus is nodding. He's placing his hand out and He's making the sign of the cross like this. And now He's nodding and going like this to me.

Jesus - "Now, My child and My children, you will continue with the prayers of atonement."

Veronica - Our Lady now has placed Her hand like this.

Our Lady - "You will take the photographs, My child, and read them well."

November 25, 1978

Eve of Christ the King

Veronica - This is directly from Our Lady. I was given this letter just a short time before I started for the vigil grounds. This is an open letter to Pope John Paul II from Our Lady, Mary Immaculate, November 25, 1978.

OPEN LETTER TO POPE JOHN PAUL II

Dear Son, Our Vicar upon earth,

Remember always your heritage, even unto martyrdom, for of such trial are many led to sainthood. Accept as your strength Hyacinth and follow his lead, or the great Chastisement shall be set upon mankind. Will you not help Me again, My son? Convert Russia. Do not hasten to promote division in My Son's Church. Save the world from the great flames of the Ball of Redemption that fast approaches your world and mankind.

Our Lady asked also that this be read and to be written in the periodical Roses:

The date of August 17, St. Hyacinth, Confessor.

Hyacinth, the glorious Apostle of Poland and Russia, was born of noble parents in Poland about the year 1185. In 1218, being already Canon of Cracow, he accompanied his uncle, the Bishop of that place, to Rome. There he met St. Dominic whom Our Lady had recently given Her Rosary, and received the habit of the Friar Preachers from the Patriarch himself, St. Dominic, of whom he became a living copy. So wonderful was St. Hyacinth's progress in virtue that within a year Dominic sent him to preach and plant the order in Poland, where he founded two houses.

His apostolic journeys extended over numerous regions: Austria, Bohemia, Livonia, the shores of the Black Sea, Tartary and Northern China on the east, and Sweden and Norway to the west, were evangelized by him. And he is said to have visited Scotland. Everywhere multitudes were converted. Churches and convents were built. 120,000 pagans and infidels were baptized by his hands. He worked numerous miracles and at Cracow raised a dead youth to life.

He had inherited from St. Dominic a most filial confidence in the Mother of God. To Her he ascribed his success, and to Her aid he looked for his salvation.

When St. Hyacinth was in Kiev (that's Russia), the Tartars sacked the town, but it was only as he finished Mass that the saint heard of the danger. Without waiting to unvest, he took the ciborium in his hands and was leaving the church. As he passed by a statue of Mary a voice said: Hyacinth, My son, why dost thou leave Me behind? Take Me with thee, and leave Me not to Mine enemies. The statue was of heavy alabaster, but when Hyacinth took it in his arms it was light as a reed. With the Blessed Sacrament and the image of Mary he came to the river Dnieper and walked dry-shod over the surface of the waters.

On the eve of the Assumption Hyacinth was warned of his coming death. In spite of a wasting fever he celebrated Mass on the Feast and communicated as a dying man. He was anointed at the foot of the altar and died the same day A.D. 1257.

We must always reflect on this thought that Saint Hyacinth teaches us: to employ every effort in the service of God and to rely for success not on our own industry but on the prayer of His Immaculate Mother.

Our Lady requested that you also make known to the world the life of St. Dominic, whose feast day is August 4th.

St. Dominic was born in Spain in 1170. As a student he sold his books to feed the poor in a famine and offered himself in ransom for a slave. At the age of 25 he became superior of the Canons Regular of Osma, and accompanied his bishop to France. There his heart was well nigh broken by the ravages of the Albigensian heresy, and his life was henceforth devoted to the conversion of heretics and the defense of the Faith.

For this end he established his three-fold religious order. The convent for nuns was founded first to rescue young girls from heresy and crime. Then a company of apostolic men gathered around him and became the Order of Friar Preachers. Lastly came the Tertiaries: persons of both sexes, men and women living in the world. God blessed the new order and France, Italy, Spain, and England welcomed the preaching friars. Our Lady took them under Her special protection and whispered to St. Dominic as he preached.

It was in 1208 while St. Dominic knelt in the little chapel of Notre Dame de la Prouille, and implored the great Mother of God to save the Church, that Our Lady appeared to him and gave him the Rosary and bade him go forth and preach. Beads in hand he revived the courage of the Catholic troops, led them to victory against overwhelming numbers and finally crushed the heresy.

His nights were spent in prayer, and though pure as a virgin, thrice before morning broke he scourged himself to blood. His words rescued countless souls and three times raised the dead to life. At length, on August 6th 1221, at the age of 51, he gave up his soul to God.

We must all reflect on this truth. God has never, said St. Dominic, refused me what I have asked. And He has left us the Rosary that we may learn with Mary's help to pray easily and simply in the same and with the same holy trust.

Holy Mary, Mother of God, pray for us sinners, now and at the hour of our death. Amen.

[Pause]

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

All about the trees, if you look carefully, you may be able to see, with God's grace, the blue lights that are flickering all about the trees, and becoming more brilliant as the light seems to fan out from these twinkling star-like blue lights about the trees into the center of the sky directly over Our Lady's statue.

Our Lady is coming forward through the center of light. She's dressed in the most magnificent white gown. She has on very dainty slippers. They are closed slippers this evening, almost like a ballet slipper. And on each slipper there is a tiny small rosebud.

Our Lady looks very young - I would say about thirteen. She looks very childlike. She has Her hands together in prayer like this, with a beautiful Rosary dangling from Her fingers down across the front of Her gown.

Our Lady has on a mantle, pure white with a gold trim around the edge of the mantle. Upon Her head She is wearing the Fatima crown. I've named it the Fatima crown because it's outstanding among all of Our Lady's crowns that She has appeared in. It has a very round circular center. It sets on a heavy base forward onto Her forehead covering Her mantle completely. And it has on top of it a beautiful golden cross.

Our Lady's crown is set with all jewels. They're countless; I could not name them all, not being familiar with the names given to the stones. I can only enumerate them by their color. There are greens, and a pale purple color, and there are very startling white, like crystal-white cut; those I know would be diamonds. There are red, most likely rubies. The red stones almost look blood-red, like fire. Oh, it's a magnificent crown. The whole bottom is covered with jewels, and up through the centerpieces that form like a global round crown holding the cross, the jewels also run up in an upward pattern toward the cross. The cross is a deep gold and very brilliant. It has no decoration upon it, but the brilliancy of the gold is most magnificent to see.

Our Lady is looking about Her. And now She is putting the Rosary into Her left hand, and with Her first finger of Her right hand She is touching Her lips, which means to listen carefully and repeat.

Our Lady - "My child and My children, My heart as a Mother is greatly torn also at the death and destruction visited upon many in your world. My children, how much I have longed in the past years of My visitations upon earth to save you from these disasters. You must understand that all that I have told you in the past has come to be. You must read back the written Message from Heaven and you will understand all.

DATE FOR THE CHASTISEMENT

"My child, the picture Jacinta must be read now by all of earth's children. You will give them this direction, My child. If it is in the will of the Eternal Father that they be graced to receive the truth, they will observe carefully and examine the photograph miraculous Jacinta 1972. You will read the wording 'Jacinta' and search for lines and figures and numbers. Within the miraculous picture is given the date by God the Father for the chastisement of mankind. All will be conditional to the response of mankind.

"You must well remember the words of My Son to the world in relation to this miraculous picture: 'Consider this picture as a puzzle for the human race to figure out. If not solved in due time, I, Jesus, will set the answer upon the world Myself!' Within this picture, My children, is the date, the month, the year, the hour, of the Chastisement as planned by God the Father.

"I have asked that My words be given to your Vicar, the Holy Father in Rome, who must guide My Son's Church in these crucial days. Compromise must be avoided, even unto martyrdom.

"I have promised long ago, My children, peace to mankind since Fatima. I cried out to you at La Salette, and you did not listen. What will you do now, My children? Will you turn away now and suffer a terrible chastisement? Can you not well understand what is happening now in your country and many countries upon earth?

"I will now explain to you in simple language that you may understand the plan for Lucifer to take over your country and all of the nations upon earth. He uses, Lucifer, the body of any man, woman, or child for the promotion of his will.

THE ILLUMINATI

"There is a group in the United States and the world, a group that started many years ago, calling itself the Illuminati, coming from the word 'light bearer.' Naturally, My children, this light that they bear stands for Lucifer, and as such they have gone

through the world secretly known as Luciferians. They have brought into your country, the United States, and your neighbor Canada, a group of witchcraft practices. Well have they laid their plan to destroy your children with drugs, using your school systems, your medias of communication, your newspapers, your televisions, your radios: every means of communication has been infiltrated by the members and sub-members of the Illuminati, a conglomeration of individuals and powers and principalities throughout the world, and banking systems. As you well know, My children, money has always been the root of all evil, and many have sold their souls to get to the head.

A POWER CALLED WITCHCRAFT

"Parents, I ask you now to remove from your home all agents or significations relating to the agents and forces of hell - Lucifer and his demons now loosed upon earth. Because you are not accepting the graces given to you from Heaven, parents, you are not aware that your children are being brainwashed by Lucifer. He sends into your homes music. You accept these to make your children happy, but there is a power called witchcraft. Do not laugh as I tell you this. It is here, it is now, and it is powerful, even unto the death of a human being. It is a group that is using religion as a front, My children. There is only one religion that can save your country and all of the countries of the world: the religion of the cross and My Son's sacrifice upon that cross.

"O My children, if I could only enumerate more closely, concisely to you the takeover of your country and many nations, you would understand how foolish it was to seek materialism and money and power, for you did not understand that many of you were being bought by Lucifer.

ITALIAN HORN - LUCIFER'S HORN

"Even in My Son's churches I have watched My children approaching the Sacred Species, My Son's Body and Blood - His divinity being desecrated by young women, young men, and even middle-aged, wearing satan's emblems! How foolish you are not to recognize the cross and the sacramentals given by the institutionalized churches - the Roman Catholic Church of My Son - even though sadly I have often cried at the many denominations that came from the first Church of My Son. However, the cross is your salvation, and many of My children are wearing Lucifer's symbols. You wear a horn about your neck, and you say it is the Italian horn of plenty. It is not! It is the horn of Lucifer!

"Investigate, parents, what your children are wearing upon the temples of satan - and there are hundreds of them now, My children, in your country and in other nations. Secretly they work to destroy your country, to destroy your children. Openly they work under the names of socialism and communism, but secretly their members labor for Lucifer, for the destruction of souls, under the pain of death. Lucifer is the father of all liars. He was a murderer from the beginning and he brings death, only death to those who foolishly follow him.

"Many other emblems of satan are being sold even in these stores that are called Catholic, My children. Are you laughing at the existence of witchcraft? My children, how foolish you are! Lucifer is upon earth. The battle now rages between good and evil. You are either with God or you are against Him. When you are on the middle road, you will either fall to satan fast, or your brothers and sisters must rescue you in their charity and their abundance of graces.

UGLY HAND OF COMMUNISM

"You will alert, as followers of My Son, Jesus, those in His Church who have fallen asleep, the bishops and the cardinals. And sad to say, My children, the ugly hand of communism has reached in to desecrate the Body of My Son in His own Church. You must remember, as man goes about the world crying 'peace, love, and brotherhood,' he sets up governments liberalizing the masses, called socialism. And it does not operate under the true cross of My Son, Jesus, but is used as a front to entice like a spider with his web those unsuspecting souls who are looking for peace - peace of heart, peace of spirit, which they cannot find in their present world because the leaders have fallen asleep.

CHARISMATICS PROMOTED WITH EVIL REASONING

"My children have lost their way. Like sheep they wander to and fro looking for My Son. They do not have the Spirit. They cry out in groups called Charismatics, and that, too, has been promoted with an evil reasoning. My children, understand what is happening now. It is the work of Lucifer using human agents to remove all institutionalized churches from your world and unite all of mankind in the name of peace and brotherhood under one roof - and it will be a one-world religion and a one-world government. However, My Son has other plans to thwart this plan. The octopus shall not be successful. It will come to the point, My children, when you will think that it would be better to die, for such evil shall be set upon the world by the Illuminati and their agents that the living shall truly envy the dead!

RECORD COMPANIES CONTROLLED BY WICCA

"Listen well, My children, and understand that I ask you to remove all diabolical musical recordings from your homes. Your children are bringing demons into your homes because, at the time that these records were produced, called 'rock, hard rock' - they were produced in the temple of satan, consecrated to satan. You do not understand, My children, but many of your companies, your record companies, are under the control of Wicca, the international organization of witches and warlocks. Do not laugh! It is true! Lucifer has given them power over mankind. However, the power is allowed by God the Father in Heaven to test all of mankind.

RIVERS OF BLOOD SHALL FLOW

"And My children, listen to Me well as I warn all parents that you will shout soon, 'I beware of my children, for they seek to kill me.' Lucifer plans to turn father against son, mother against daughter, and shall direct them to kill within the home! You have not seen bloodshed: a little bit here and a little bit there, but rivers of blood shall flow in your streets as children will turn against their parents.

"You have been given, My children, these warnings in preparation for the plan of the Luciferians to take over fully your country and the world. You must act upon this. I have given your armor to you. You have prayer, you have My Son. Do not accept false messiahs going throughout the world. Do not reject the institutionalized Church of My Son, just because there are some who have lost the way, just because some have entered into My Son's Church to bring about discredit and destroy from within. Do not judge My Son's Church by the man and the men who run it, but remember My Son is always with you.

"Prepare, My children of light, for a great time of persecution. It will come about that all who follow My Son shall be labeled as 'crazy,' 'fanatical,' 'having hallucinations,' and all other manners to commit them and take them from society, a society that is ruled by Lucifer.

SATANISTS IN TIGHT CONTROL

"Satanists gather force in your country. You will find these satanists who belong to the church of satan in a tight control. They are peoples coming from the highest walks of life and the lowest, so many have they gathered within your country, the United States of America.

"My children, do not succumb to those blandishments of others who try to take you from the truth by saying that I give you words of fear and destruction. I give you no words of fear, but words of truth and salvation!

"As I told you in the past, My children, your world has been given now to Lucifer. He knows that his time is growing short. He goes about now as a ravaging wolf seeking to gather all to take with him to the abyss. No one shall go into hell unless of his and her own free will.

"My children, do not allow the enemies to give you a vision of utopia without suffering. My children, do not allow the enemies to take from you the knowledge of the existence of Heaven, hell, and purgatory. Your children are the major, now, the major martyrs - and I say martyrs. Be it not for the laxity of the parents, the schools, and many in My Son's Church, many of you parents would not be shedding this evening tears of remorse and grief at the loss of your children, knowing not whether they have been saved or lost forever. I say unto you, from the merciful heart of your Mother: Cry not, mother. The Eternal Father is most pitiful upon you. He has opened His heart to many of your children, not judging them by false leaders."

Veronica - Our Lady now is placing Her hand across Her eyes. She is weeping very, very softly.

Our Lady - "My children, understand well: you must all review the lives of your saints given in the Christian churches throughout the world. I ask My world's children, all Christians, to unite against the common enemy of your God: Lucifer!

"Do you not understand? Lucifer seeks to destroy Christianity. He seeks to destroy this by taking the word of God from among you, by substituting a way of life that is pure insanity. For sin is insanity! Will you allow this to happen to your children? Can you not understand that as your Mother I shall shout to you to My last breath: turn back, for you are falling into the abyss!

"You will all keep a constant vigilance of prayer going throughout your world. I have given you the way: prayer, atonement, and sacrifice. Pray your Rosary daily. Gather your children about you, your families, and pray. Do not be affrighted by the coming Warning. It will be of short duration. However, We hope that with this Warning many shall be turned back from their road that leads to perdition and death."

Veronica - Our Lady now is taking the crucifix from Her Rosary, the beautiful golden crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I come to you always, My children, as your Mother, as a Mediatrix between God and man. I bless you for the Father, and of the Son, and in the Holy Ghost. Continue now, My children, with your prayers of atonement."

[Pause]

Veronica - Just as Our Lady had finished Her message, and we were discussing some miraculous photographs here, written by the hand of God in the sky now - it's a cloudless night; the sky is beautifully dark but clear with the stars shining through. There isn't a cloud in the sky, yet over towards the left of Our Lady's statue, as we were discussing witchcraft and this photograph that Bernie Beyers had received with the number 13 on it. And there is a rabbit - well, I really hesitate to put on tape what that rabbit stands for: an involvement of some clergy in with the witches' covens, witchcraft. "13" usually represents the high people who are high in this coven.

Now you must understand that in freemasonry, there is a degree of freemasonry that means witchcraft. The person must become a Luciferian. In trying to remember - it's either the 13th degree or the 33rd degree. In the 33rd degree freemasonry - it's a very, very secret cult. The individual in the 33rd degree to make himself, prove himself worthy to be a true Luciferian, he must murder another person. And I would say, if the individual is 'squirmish,' he is still as guilty if he hires another to murder a human being. This is so evil.

You must understand that Lucifer has always been called the "murderer from the beginning." It is written in the Bible, and it is true. He was always a murderer. Therefore, to follow Lucifer, these Luciferians insist, to become a 33rd degree mason, you must follow through in this secret rite and ritual of witchcraft. And it is witchcraft.

And not only that: I have - not at my home, so any who think they should come to my home and try to obtain this book - I have hidden it away. I have absolute proof that these groups have entered into some very influential parts of the Roman Catholic Church and the [World] Council of Churches. And they all come as angels of light hidden with their real plan to try to destroy the churches, the Christian churches. Therefore, Our Lady asked that all Christians unite to prevent Lucifer from destroying Christianity.

I hope, in my anxiety to explain what happened tonight - Jesus performed an outright miracle. There is no way that this figure of the cloven hoof could have appeared in the sky like it did tonight.

As I said, the sky is very clear this evening with stars, not a cloud in the sky. Yet to the left of Our Lady's statue - it startled us all. There in white - how can I explain it? You would say a misty white, but stark white hand was the cloven hoof representing witchcraft! Now, if that won't tell the world, I only pray that somebody was here with a movie camera and took that as proof for the world.

[Pause]

. . . a cape about His shoulders. It's flung very loosely this evening, and I can't see the headpiece. It's a little windy, and Jesus' hair is blowing about His shoulders. He's looking to the right and left. And now He's extending His hand out like this and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's looking over His right shoulder, and Michael and many clergy - I can tell they're clergy by their habits - are coming forward. I can see among them three, four now. They must be Popes because they are wearing the beehive, papal tiaras, and they're all in white. Every one of them are in white. Now I notice now the three on the left - I can see their slippers. They're white this evening. They're all dressed in beautiful glowing white, and they have on gloves. They're all wearing mittens, gloves.

Now Jesus is signaling. He's touching His lips with His first finger.

Jesus - "My child and My children, I do not intend to enlarge upon My Mother's counsel to you. Suffice it for Me to say that My Mother has given you an overall description of the existing conditions upon your earth.

"There are forces, supernatural forces loosed now among you, and you must recognize the battle that lies ahead. You are no longer dealing or fighting with a seen - let Us say, an enemy that you can see, but you are fighting now the supernatural world, the world of demons known by man as the study of demonology. However, since it is evident that man has tried to cast aside the knowledge of the supernatural and the existence of the nether world - I will say, My children, it gives Lucifer great advantage, for he can go forward then in secret. He has great power, a power that the Eternal Father chose to allow him for a set time.

THE END OF OUR ERA

"You are in the end days. It will not be the end of the earth or the world, but it will be the end of your era, the end of time as you know it. There will be a great struggle ahead. And if man does not turn from his present course, there can only be great numbers of death and destruction set upon the world.

TEN MAJOR COMMANDMENTS

"You must understand that the merciful heart of the Father is always extended to you. You must pray more. You must read and act upon the Commandments of your God. They can neither be added to, nor modified, nor taken away. The Ten major Commandments must be followed. And I can see, My children, that you break many now, and ask for the hand of a wrathful God upon you. Thou shalt not kill! Thou shalt not steal! Thou shalt not worship false gods! Thou shalt not commit adultery! Thou shalt not covet thy neighbor's wife! Thou shalt not covet thy neighbor's goods!

"My children, on and on I could go on, enumerating the major sins of mankind. However, since you understand that sin is insanity, to those in the light, it will appear as though the world has become a snake pit. And I say 'snake,' for it well covers the work of Lucifer.

"Protect your children and your homes. Make a fortress of safety for your children. A great measure of responsibility will be given now to all parents. Prepare your home now, and you will not have to suffer the anguish of heart that many shall have in the future.

"There is hope, there is peace ahead in the future, but now man will be tested. And if he does not respond, it will be necessary for the Eternal Father to cleanse you with a baptism of fire. As it was in the beginning, and as through countless earth-years, the Eternal Father has had to place a heavy hand upon mankind. I assure you, My children, you have not learned from your past: you repeat your mistakes over and over, and you ask again the heavy hand of chastisement upon you.

"Pray a constant vigilance of prayer. Be in the world but not of the world, for your world has become now the kingdom of satan. He will hide himself using human beings, places, things all about you, a world that you cannot see with your human eyes. But they are as existing as you are human. They are supernatural.

"Atonement, prayer, and sacrifice. My Mother has directed you well through countless earth-years. Do not cast aside Her counsel, but listen and act upon it, My children, for the time is growing short."

Veronica - Now Jesus is extending His hand out like this and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is coming down now from the right side of the sky. I didn't see Her standing over, high by the trees. Now She's following, going across the sky and joining Jesus. She's going over to his right side. And over on the left side, I can see Michael spreading his wings now. He's covering, like a protective shield, the whole sky over Our Lady's statue. He surrounds the whole grounds here with his being. There is no human way to explain the immense size of Michael. He is truly a magnificent warrior of Heaven.

And also I can see now in the background, behind Our Lady and Jesus, many angels. I can see - not their faces. It's hard to describe the tremendous light. But the figures, they're clothed in white gowns. And Our Lady is touching Her lips and pointing up to many of them and saying:

Our Lady - "They are martyrs, My child, who have washed their robes clean in the Blood of the Lamb."

Veronica - Now Jesus is touching His lips with His first finger.

Jesus - "Continue now, My child and My children, with your prayers of atonement."

Veronica - Now Jesus is turning over to the left side. He's gone across the sky, over to our right side, His left side, and He's now bending over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's bringing His cape about Him, and He's going, floating across - They don't walk; They seem to be weightless, though just as solid as you and I, Our Lady and Jesus. And He's going across the sky now, just floating, and He's nodding to Our Lady. And They are both backing up high into the sky. They're standing there and looking about Them. Our Lady has a very - I don't know how to describe Her smile. She looks very sad, but She's trying to smile. And She's nodding, yes.

Our Lady - "Continue, My child, with your prayers of atonement."

December 7, 1978

Eve of the Immaculate Conception

Veronica - . . . blue. It makes you feel as though there's a radiation from a hidden sun. I would say it would be coming from the center of the sky over Our Lady's statue. The sky is opening up.

Our Lady is coming forward. She looks very fragile, very beautiful. Our Lady has on a long white gown. Upon Her feet are miniature slippers. She looks oh, almost like a young girl. So beautiful! Her slippers are a light gold color, and on each foot there is a tiny rosebud, a golden rosebud. It looks almost metallic, the little rose, because -

As Our Lady now is coming closer, She's extending Her hands out in front of Her, like this. In one hand, Her right hand, She is extending the Rosary, and in Her left hand She has the brown Scapular. Our Lady's mantle is a white, a beautiful stark white. The color has a purity that I can't explain: whiter than sugar, but very, very brilliant.

All about Our Lady I can see coming from out of the darkness, the sides of the sky, are emerging angels carrying wreaths. The wreaths are circular, and they seem like not a floral wreath, but a wreath made of green leaves, almost similar to the crown that Jesus wore at His crucifixion, although there do not seem to be the large thorns in them. Now the angels are floating. They don't walk. Like Our Lady, they float in the sky, and they're standing all about Our Lady.

Our Lady now is taking the crucifix from Her beautiful Rosary, extending it out like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is looking about Her. She has a smile. It is a sad smile upon Her face. Now Our Lady is placing about Her head, over Her head and down across Her chest, this large piece of brown cloth, the Scapular. It has no figures upon it; it's a plain piece of brown cloth held by the brown cording about Our Lady's neck. I only see the one square piece on Her chest. The other must be behind Her, over Her shoulders.

Now Our Lady is placing Her hands together in prayer, with Her head bent low in sorrow. I have never seen Our Lady looking so sorrowful. Now Our Lady, as though She has spoken a silent prayer which I have not been able to hear at this time - Our Lady now is looking up, and She's placing Her first finger to Her lips.

Our Lady - "My child, I would like you at this time to repeat for all mankind the exhortation given to you through Theresa some years ago. I ask that all mankind listen well and act upon this counsel, for it is one of the final exhortations to mankind to come back to the fold or perish.

Exhortation to mankind

Dear Holy Father, worried and wan
Had struggled with Jesus to gather the sheep.
The pastures were rich, but the sheep grew thin,
For the souls had succumbed to the sickness of sin.
You'll need reinforcements from Heavenly shores,
So deep is the darkness of earth's shallow mores.
All hearts must ascend in true supplication
To avoid the sad fate of divine devastation.
Dear Holy Mother, your Mother of love,
Does beg you to heed these dire words from above:
His heart is torn by careless surrender
Of too many souls who don't try to remember
The Father, the Son, the Spirit of life -
Smite in the heart with the human knife
Of hate, greed, avarice, vanity:
All indications that sin is insanity.
What more must you do but place the full load
Of saving your world on the few who are bold,
Who'll stand up and fight for all Heaven's glory
And meet with Pope Paul at the end of life's story.

"My child and My children, do not cast aside this message, for it is most urgent. The War, the great War, will soon come upon you, taking many from the earth.

"I have given to you, My child, a message for your Vicar, and he must act upon it. Should he proceed by following the ways of man, using humanism and modernism to the destruction of souls and My Son's Church, I cannot then any longer hold back the heavy hand of punishment from mankind.

"My children, I come to you as your Mother. I plead with you to listen now. Do not repeat your errors, for you will be given a great Chastisement.

"My child, you must not become emotional nor affected by the opinion of any man. In no way must it hinder your mission. There are many sheep to gather, My child. I will not ask of you more than you can give to Heaven for mankind.

"There are many voice-boxes now in your world, My children, but you must learn to recognize those who are false prophets. You will guide by the written word in the Book of life, your Bible.

"All of the destruction that is heading upon mankind is to be given for the cleansing of your world. Each and every soul shall be evaluated for entrance into the Kingdom of your God.

OBEDIENCE IS ALWAYS FIRST TO GOD

"My child, obedience is a word that has been distorted and used for a person's own evaluation, whereas you will understand, My child: obedience is always first and uppermost to your Eternal Father in Heaven.

"How many tears, My child and My children, have I shed as I wander to and fro upon your earth, warning you to prepare. For little warnings given through little people, little of heart, little of material gatherings - but however, they are big of heart in Heaven's eyes, and upon these little ones do We choose to send them forth. They enter into a den of wolves, many to be sacrificed in the battle. However, no greater glory can be given to man than to die for his Faith.

PRAY FOR YOUR NEW VICAR

"My children, you must all pray for your new Vicar. Yes, man no longer realizes the existence of a supernatural world. All about you now the very forces of hell are gathered to do battle. It is truly the battle of the two majesties, My children: good and evil, the Eternal Father in Heaven against Lucifer, the fallen one.

"My children, I cannot caution you more: you must always wear a sacramental! It is an armor against the supernatural forces of demons, and you must not listen to those who mock and tear down the nature of these sacramentals. Pray for your priests. Pray for your bishops, your cardinals. Many are destined to enter into hell without your prayers. Have you not the charity of heart, My children, to pray for your priests?

"O My children, My pastors, listen to Me as your Mother. I beg of you to turn back. You have been misled. A Church in darkness wears a band of death about it. This, My child, is what you see: In darkness will they seek the way? Will they turn back?

"It has always been from the merciful heart of the Eternal Father that man is given warnings, rising in crescendo until a final warning is given before a great chastisement. Will you continue upon earth neither recognizing nor caring for your Faith?

666 PREPARING REVOLUTION IN STREETS OF ROME

"My children, I have asked you all to make your homes a fortress against the evil. Lucifer now has control of your world. He has control of all of the world's governments. And sadly, he sits now in Rome under the name of 666, preparing to bring about a revolution in the streets of the Eternal City.

"My children, pray for your Vicar. There is a plot against him. He must not wander too far from the Eternal City.

"Yes, My child, Lucifer was always a murderer. Lucifer promotes the breaking of the rules and the Commandments of your God. That is why We always tell you, My children: Lucifer cannot remain hidden, even though he promotes in your world a cover of ignorance and a cover of darkness. And the cover that shall destroy many is by casting aside the reality of the existence of demons and the world beyond.

"My children and My child, I ask you to retain in your homes the prayers given for reason to mankind through My Son's priests. If necessary you will write them down, like in the ABCs of your children's learning. You will write the prayers and have them memorized by your children, to retain the Faith in their hearts. The Acts of Faith, Hope, and Charity were given for reason and must not be discarded. My child, I ask that you repeat these prayers.

Acts of Faith, Hope and Love

O My God, I firmly believe that Thou art one God in three divine Persons: the Father, the Son, and the Holy Ghost. I believe that Thy divine Son became Man and died for our sins and that He shall come to judge the living and the dead. I believe in the Holy Ghost, the Holy Catholic Church, the communion of saints, the forgiveness of sins, the resurrection of the body, and life everlasting. Amen.

O My God, relying on Thy infinite goodness and promises, I hope to obtain pardon of my sins with the help of Thy grace and life everlasting through the merits of Jesus Christ, My Lord and My Redeemer.

O My God, I love Thee above all things with my whole heart and soul because Thou art all good and deserving of all my love. I love my neighbor as myself for the love of Thee. I forgive all who have injured me and ask pardon of all whom I have injured.

"You see, My child, how well it eases My heart to hear you pray as others will pray. Prayer shall be now the greatest weapon in the days ahead.

"The books of the Apocalypse, the Revelation, the pages are turning fast, My child. You are fast coming now to the end."

Veronica - Our Lady now is raising Her hand to Her eyes. She's weeping very softly.
"Dear Mother, why do You weep like that? [Veronica also begins to weep.]

Our Lady - "My child, as a mother you will understand. I have a world of children, whom I am losing every day upon earth. I warn and I caution, and I cannot seem to save all. I shall wander to and fro, My child and My children, hoping that, as My voice goes through the voice-boxes upon earth, you will listen to Me. Even if I recover one of My children, My heart shall be eased. Pray with Me; weep with Me, My children. Extend charity to all."

Veronica - Our Lady is pointing over on the right side of our sky. It's Her left side.

Our Lady - "See, My child, how many times I have come to your earth. And who has listened to My counsel?"

LA SALETTE

Veronica - I see Our Lady sitting on a rock now. It's like She's showing me a portfolio of pictures. She's sitting on a rock.

Our Lady - "La Salette, My child. And who listened to My counsel?"

Veronica - Our Lady now is turning. She's placing Her hand out and the whole scene is disappearing from the sky. And it's becoming bright now, and a picture is forming in the sky. And Our Lady is standing there.

FATIMA - MAJOR PART OF MESSAGE KEPT HIDDEN

Our Lady - "Fatima, My child. And how many sought and acted upon My counsel . . . even keeping hidden the major part of My message. And now it has come about, for it will be bishop against bishop and cardinal against cardinal.

"My heart has been torn because of the rejection of many of the miraculous pictures I have given to My children. For the good have become complacent, and the bad have grown worse.

HUNGER IN AMERICA

"My children in the United States of America, must you go hungry? Many parts of your country shall suffer from want of food, for the winter will be cold. Many shall die in the coming year, My children. There will be accidents that are not accidents. Hunger shall be in the homes of many.

"My children, do not despair, for it will appear that satan has complete control of the world. But know that he is only being given a short time. In this time shall We be able to separate the sheep from the goats. It is truly a battle far greater than any battle that has been set upon mankind. These are the days before the coming of your Lord.

"My children, pray a constant vigilance of prayer, I beg you, for you do not know what is soon to come upon you. Pray for your bishops, My child. There is no place for anger in your heart, but there must be always charity and prayer.

"If you can understand with charity, My children, you will then have unveiled for you the secret of the pictures. Many are blinded and will not see, because it is a special grace to see. Yes, My child, many will look and not see. You will pray, when you give a photograph to another, that the Holy Spirit will enter upon them and open their eyes, for some now have become so blinded that nothing with the light can enter and pierce their hardness.

"My child, as it was in the days of Noe, you have your scoffers, you have those who will persecute Our voice-boxes. The good must suffer, for the thorns will be long, and they will become abundant in the days ahead. But always remember, My children: you must pass through these thorns to gather the roses. And I say unto you as your Mother, I send upon you a full garden of roses in graces.

"You will go forward in the days ahead, My child and My children, with great perseverance. Remain free from all worldly attachments or environments that are detrimental to the mission and your souls.

"My children, I understand the great discord in many homes. For you know it has been written that there will be discord, with father against son, mother against daughter. And charity will grow cold, because the evil has accelerated.

"The greatest armor now shall be your sacramentals. And of course, My children, My Son is your defense. Defend His House, My children, for satan, Lucifer and his army, are seeking now to destroy the Faith.

"I will send, My child, many to help in your mission. Your time upon earth is growing short, My child, but do not be concerned. I have set up an army from Heaven to assist you. You must all call upon your angels. Do not forget them. They are waiting for you to call.

"My child, you will tell many of your workers not to become affrighted, for Jesus plans to present them with many manifestations to strengthen them in the battle ahead."

Veronica - Now Our Lady is taking Her Rosary, the beautiful gold crucifix of Her Rosary, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as the Father sends His graces among you in the Spirit of light. My Son will be with you presently.

"We give you time to review the photographs, My child. Because the mission has reached a point where there is little time left and the forces of evil are accelerating, much must remain now in secret. It is truly, My child, a private communication with Heaven."

Veronica - Now Our Lady is looking over . . . She's going over to our left side of the sky, and the angels are following Her. They're carrying these wreaths. I just don't know, understand exactly why they all have a wreath in their hand. They're just holding them in their hands in front of them, but they're following Our Lady as though they were getting ready to place them on someone's head. There are about - I can't even count them. I would say there are over fifty angels gathered about Our Lady. They're just behind Her now, circling Her with the wreaths in their hands. Our Lady now, She's over on our left side, and She's extending Her Rosary out like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is cutting across the sky. She's going much slower now because She's looking about Her. Now Our Lady is just over on our right side above the first tree. She's looking down and extending Her beautiful golden crucifix and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is cutting back. She's going - She floats. Our Lady doesn't walk, She has a most beautiful way of floating as though She's weightless and carried on the wind. It's so beautiful. And Our Lady looks so, so young and . . . I can't ever explain how beautiful Our Lady looks. If only -

"Blessed Mother, if only others could see You!"

Now Our Lady is placing the crucifix next to Her heart.

Our Lady - "O My child, how heavy My heart is! You will understand, My child, very soon."

Veronica - Now Our Lady is standing there with Her head bowed. I don't think I have ever seen Her looking so sad!

Our Lady - "Pray, My child. Perform many acts of mortification. Pray for your Holy Vicar. Pray that he will have the strength to resist temptation and have the strength to fight for his Faith. Remind him to remember the path of Hyacinth.

"I bless you, My child. And call upon your guardians more often, My child. They will strengthen you."

Veronica - Our Lady is placing Her crucifix out now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Now, My child, I wish that you have taken three photographs, but not one word must be spoken of the contents. You will understand now why My heart is pierced."

[Pause]

Veronica - . . . The color is a very warming color. I don't think I have ever seen this color pink in any shade that man has painted or drawn upon earth. It's definitely a supernatural color. It's the only word I can think of to describe this color pink. I

use the word pink, but perhaps some day Our Lady will give me the proper name for the coloring. It's just, let's say, a heavenly color, a heavenly color. The sky is all aglow with this beautiful pink lighting that seems to be coming now in streams from the center of the sky. It seemed to settle about the trees like a mist, a haze of pink.

But directly from the center of the sky I can see Jesus coming forward. Oh, He's, He has nothing upon His feet. His feet are very bare. That's the first thing I noticed. Now He has on a long gown. It's a beige color, not a stark white like Our Lady's gown. This seems to be more like a linen. Jesus has on a brown belting. I believe it's a piece of, like some type of animal skin. It doesn't look like woolen cloth, but looks more like a skin-like piece of belting, like we would say, calfskin or something of that nature.

And Jesus' cloak is very loose over His shoulders. He's standing now with His hand upon His heart. I believe He is as grieved as Our Lady is, due to the message that Our Lady has given me in secret for the time being. But I hope that Heaven will allow me to give to the world, perhaps to change what is to take place. Now Jesus is coming forward, and He's looking all about Him. It's quite windy, because His hair is blowing. His hair looks - I believe it's from the cast off of the coloring from His robe. The robe is a deep burgundy color, and with the light shining it makes His hair look like a reddish brown.

Now Jesus is looking all about Him, and He's extending His hand out like this, with the three fingers, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

There's a very quiet stillness, and I seem to feel - it's the emotion. I can't explain it in words - just as though time has stood still and that Jesus is awaiting some type of a reaction from the world before He goes ahead with His plan - I would say, the permission given for the message that I can't reveal at this time to you.

Now Jesus is touching His lips with His first finger.

Jesus - "My child and My children, I do not have to repeat the counsel of My Mother. Through countless earth-years My Mother has tried to direct you away from your own destructive ways in order to prevent a major disaster falling upon mankind. The Eternal Father has deemed it necessary at times to chastise those He loves. O My children, you never learn from your past, but you repeat the same errors over and over. And like errant children, you must be chastised.

"I have given fair warning to the pastors in My House to restore My House to its former glory. It grieves all Heaven to see the loss of Our sheep and the sheep that are straying now without direction. Be it known to all mankind that sin has become a way of life among you, and sin has darkened your spirit until you must be cleansed.

"Your world shall not totally perish as in the past. The Eternal Father promises that there will be a gradual cleansing upon earth until the setting up of the Kingdom.

"My children, My Mother - Her heart is torn as She struggles with the little time left to gather Her children upon earth. Lucifer, the adversary, has his full armies now gathered, for he knows his time is growing short. You must read and reread the counsel of My Mother given in the past. Like a puzzle many of you seek the answer. All will fall into place in time.

TAIL OF FIRE DEVOURING ALL IN ITS PATH

"In the Book of life, your Bible, the pages are turning fast. The days of the Apocalypse are upon you. Many shall have visions. And a time will come to pass when a burning ball shall pass through you, and a tail of fire devouring all in its path. All who laugh, you scoffers upon earth, you will awaken from your blindness too late!

"It appears, My children, now, that My pastors have become blind, and the blind are leading the blind. Will there be even a flicker of faith left when I return upon earth? The numbers to be saved can be counted now in the few, My children. Every man, woman, and child of the age of conscience will have been tested, and many will be found wanting and unable to be saved.

"My children, you must gather with your brothers and sisters to retain the Faith even though it will become just a flicker in the darkness. Better that there are few with quality than quantity and nothingness.

"My children, My Mother has taken it upon Herself to act as a Mediatrix between God the Father and man. Her heart is torn constantly by the rejection She receives from mankind, for the good have become complacent, and the bad have become worse. And in between We find those who 'care less,' for they are neither hot nor warm, but lukewarm. And even the lukewarm shall be cast aside in the final count.

"My children, in your baptism upon earth you have received the road, you have received the keys to the Kingdom. But you do not recognize your priceless heritage, and you cast it aside for a few short years upon earth, gathering the world's treasures and power to yourselves. For what? Each and every one of you will leave upon earth with what you came in with - nothing! Nothing but the merits that you have stored to ransom your soul from purgatory. Nothing but the merits you have gathered to allow you to enter the Eternal Kingdom of happiness and light.

CHURCH BEING SOLD OUT FOR COINS

"Many are now selling their souls upon earth to get to the head. Like thirty pieces of silver I hear the clink of coins being tossed to sell out My Church. Remember, O pastors, the day shall come when you shall stand before Me in judgment, and shall

you say to Me that your teaching has been pure in My sight? I will say unto you: away from Me, you vipers! as I cast you into the flames.

"Our hearts are torn because many have been misled. We ask a great burden for many to accept: a burden of perseverance. And this is a burden when the opposition is great, a burden filled with eventual graces to accept martyrdom upon earth.

"My children, many graces shall be given, and for those who receive these graces much is expected of them. It is a narrow road to Heaven. Many start out but fall away.

"My children, persevere in the light. Retain the Faith in the hearts of your children, for there will be many tears shed, gnashing of teeth, and woe upon the earth soon. And how great a comfort it will be if you have retained the light in your hearts and in the hearts of your children when these hours of darkness approach and there is great misery and anguish set upon the earth.

"You will all pray a constant vigilance of prayer, a constant vigilance of prayer in your country and all of the countries upon the earth. You are approaching the time of the great cataclysm. Fear shall enter into the hearts of many and cause them to die. But, My children of light, remember fear can be a tool of the devil. So you must understand all who are of well spirit shall have nothing to fear. The Eternal Father is at the helm. He will guide you, My children, through turbulent seas. Trust and confidence in the Eternal Father.

"My children, I do not intend to continue a long discourse with you on what is to take place upon earth. I am certain that My Mother has made you well aware of the days ahead. No man can understand the ways of the Eternal Father. His mercy has been stretched to the breaking point now, My children. We ask many victim souls to give unto themselves for the repatriation of the souls of those who otherwise would be lost forever to Heaven.

"My children, guard your homes well, and you shall not cry for your children. But you must watch that the enemy does not enter into your home, even in the guise of an angel of light. It will be now the full responsibility of the parents to retain the Faith in the hearts of their children.

"Lucifer, 666, does full battle now to My children upon earth. This battle is allowed. It is the day that has been written of and spoken of in the past. The day is upon you, and the time of Armageddon at hand.

"My children, pray constantly. The prayers do not have to be - come from a book, but you will pray from your hearts. Lift up your hearts in belief. Believe and you will be given the way. I bless you all, My children, and I send you the grace of perseverance in the face of adversity and persecution. My children, pray constantly. I cannot counsel you enough, for prayer is one of the greatest parts of your armor."

Veronica - Jesus now is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is pointing up to the right side of the sky, and there is forming in the sky a large round ball. It's all wreathed in black. I can't explain it. The ball looks very ominous, and on top of it there is forming a huge cross.

Now that whole scene - I can't explain it. It's starting to float completely across the sky over to the right now. The ball - it's a very large ball - I believe it symbolizes the world. And there's a large cross upon it now, a very black-looking cross. And it's floating across the sky now, and heading over to our right. It appears that it's going to make a complete circle of the sky. I can hear Jesus now talking from afar.

Jesus - "The world shall feel the wrath of an angry God, My child. Sin is death."

Veronica - I can still see the ball going around across the sky. It's, it's outlined in black, and on top of it is a very dark black cross. I have never seen a figure like this in the sky. Now it seems to have circled the whole sky about us now. And it's beginning to - it's just directly over the tree on the left hand side, and it's beginning now to fade away. It's like evaporating.

Now there's a deep darkness settling about the sky on the left side. Now Jesus is coming forward. He must have gone over completely by the right side of the grounds, and He's stopping. He's just above the statue now, and He's stopping and placing His hand forward, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Continue now, My child and My children, with your prayers of atonement. they are sorely needed."
[Pause]

Veronica - The world must recognize the importance of the Jacinta 1972 picture. Our Lady asked that all read and examine the picture well. It is one of the greatest gifts given to mankind in these latter days, a manifestation from Heaven. All who are in the light will recognize and interpret the photograph Jacinta 1972, and they will not be taken unawares.

Eve of the Ascension of Our Lord

Veronica - . . . blue I have ever seen. But directly over Our Lady's statue, high in the sky, there is coming through the center of the light a tremendous large, dark-looking ball. It gives me a very sad feeling of - oh, I don't know. Would I say that it promotes a feeling of sadness to see this ball slowly coming through the sky. The very color actually has a feeling of doom to it.

Now above the ball there's forming a large cross. It's not a crucifix, but an ominous black cross. Now the cross itself is settling over the ball. The coloring of blue that came from about the trees is circling all about this ball, which resembles the world with a dark cross upon it.

Now the whole scene seems to be evaporating; it's just fading from view, like it had no materialism to it. It just seems to be evaporating right out of sight.

And directly over Our Lady's statue there is a light forming now, a very crystal clear, circular light. Oh, I can see Our Lady in the center of the light. She's coming forward now. She looks very tiny, as She's traveling in from a distance.

I can see Our Lady very clearly now. She has on a most beautiful white gown. Her delicate feet have tiny sandals, one-strapped sandals. But on the tip of the band, I can see a golden rosette type of rose, a tiny small golden rose on the instep of Our Lady's feet.

Her mantle is blowing about Her; it must be quite windy. Our Lady's mantle is a beautiful blue shade, a deep blue. Our Lady has about Her waist a deep blue sash. And now She's taking from about Her waist the beautiful Rosary with the golden Our Father beads and the crucifix of pure spun gold. It's absolutely beautiful! As Our Lady's turning now, She's extending the crucifix on Her Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is kissing Her crucifix now and placing Her hand out and touching Her lips with Her first finger of Her hand.

Our Lady - "My child and My children of the world, listen to Me carefully, for I have for you a message of great urgency. I weep many tears for what is taking place now upon your earth. In spite of the many warnings and direction I have sent to you in the past, you still continue onto the road of great destruction, despair, and sorrow.

A GREAT WAR

"Unknown to you and many, the leaders of the world's powers are gathering armaments to set them in motion for a great War. The news medias of the people do not carry the truth of this terrible crisis in your world.

"My children, I cannot in full detail now repeat Myself again, the warnings given to you to do penance now, to restore My Son's Church to its former glory, and to make amends for the sins of mankind that cry out to Heaven for a just punishment upon your world.

MANY CATASTROPHES

"Many warnings have been given in the past to mankind, that have been rejected as being a natural catastrophe. I assure you, My children, many have not been natural, but supernatural in origin. They have been coming from the Eternal Father to warn you that your time is growing short. You must cleanse your nation and all of the nations of the world of their sins of impurity. They must restore each nation under God.

"I have told you in the past, and I repeat over and over that sin is insanity, and with this insanity your peoples of the world have formed a feeling, a major feeling throughout your world, that sin may be condoned and promoted under the name of modernism, socialism, communism, atheism - which is all pure satanism.

"My child, We know of your great suffering. You will continue for a short time as a voice-box from Heaven. You are being moved, My child, for your safety.

"Do not be disillusioned, My child, by the reception or rejection - I will say by the rejection of the Message from Heaven by some. You will understand as time goes on that it is Heaven's plan for the separation of the sheep from the goats.

"I have warned you in the past that as man rejects the Commandments of his God, all manner of sin and evil shall fall upon mankind: murders, homosexuality, all aberrations of the flesh. The good shall be persecuted, and the bad lauded as saviors of the world. There shall enter many false prophets among you who preach and give out doctrines of demons.

READ ONLY THE BIBLE

"My children, remove from your households all secular writings. Read only your Bible, the Book of love and life. Your children are being exposed to mind control. Your children are being taught to sin, to hate, to murder the elderly and the aged. Father against son, mother against daughter - strife within the household, as satan seeks to claim the souls of the young.

"The Commandments of the Eternal Father were written in full; the construction of My Son's Church was directed in full. All will be found written by the founding Fathers of the Church in the Bible, your Book of life and love. Pastors in My Son's Church, whatever are you seeking to reform! You had the truth, you had the light, but with itching ears you are listening to demons.

"All who seek reform and change will not receive a sanctification from Heaven. Reform and you will die on the vine! My Son is the vinedresser; you are all His children as branches, but you will die on the vine if you conform to the world! O My children, have you had your minds so poisoned by Lucifer that you cannot recognize right from wrong? That you will condone murder? That you no longer know the value of suffering and sacrifice?

"Pray, My children, a constant vigilance of prayer for your priests, cardinals, bishops, your clergy, for a great test, a delusion has been set amongst them to test their valor, to test their holiness, to test their fidelity to My Son's Church! Oh sorrow of sorrows from your Mother's heart, that as We now go throughout your world, can We say that there are one hundred true priests left in My Son's House? Shall He return and find even a flicker of faith left among His sheep? The shepherds don't carry the light.

"My children, parents, protect your children. You must now assume a great responsibility for the salvation of your children's souls. Do not expect this to come from Rome, for Rome now is under great attack. 666, satan - Lucifer and his hordes of demons now are in control of Rome. Heaven will allow now the bishops, the cardinals to be tested. The kernels shall be taken from the chaff, and all that is rotten will fall.

THE GUARDIAN ANGEL PRAYER

"O My children, teach your children, all the young, about the angels, the angel guardians of Heaven. You must teach them in a simple way the prayers:

O angel of God, my guardian dear,
With whom God's love commits thee here;
Ever this day be at my side,
To light and guard, to rule and guide. Amen.

"Even at night, satan roams the earth. You will cry out when your children fall, and shall they die without absolution or repentance, My children? Shall a mother's heart be torn not knowing where the soul of the child now is?

GREAT DESTRUCTION UPON MANY CITIES

"Prepare your households that you may not weep at the great destruction that is coming upon many cities. Nightly as you close your eyes to sleep, you will say:

Now I lay me down to sleep,
I pray the Lord my soul to keep;
If I should die before I wake,
I pray the Lord my soul to take.

"The Act of Contrition will be repeated constantly, be ye that will fall without notice.

O my God, I am heartily sorry for having offended Thee, and I confess to all my sins because I dread the loss of Heaven and the pains of hell; but most of all because I love Thee, My God, Who are all good and deserving of all my love. I firmly resolve with the help of Thy grace, to confess my sins, to do penance, and to amend my life. Amen.

"My children, I repeat: you will keep a constant vigilance of prayer going throughout your country and all of the countries of the world. It will be in the knowledge of the Eternal Father that soon a great trial will be set upon your country, My child, the United States. Those who pray and try - I say it is a difficult time for all, My children, but those who will try and make an earnest effort for the salvation of their souls and the souls of all about them, will be rewarded by being shielded from the great catastrophe that will soon come upon you.

DESPISE SIN BUT LOVE THE SINNER

"You will pray, My child and My children, for your cardinals, your bishops, and all who are being misled or misleading others. Do not judge: you may despise the sin, but you must always love the sinner. Do not judge, for as you judge, so will the God in Heaven judge you. Therefore, I say, let no man out of malice judge another. But pray that this soul, this human being, My children and My child, that has fallen astray, will return to the narrow road that leads to the eternal Kingdom of Heaven."

Veronica - Our Lady now is taking the Rosary and She's extending Her crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is moving across the sky to our left; She's just between the second tree to the left. Our Lady is smiling now. She looks so beautiful. Our Lady now is extending the crucifix of Her beautiful Rosary forward, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now directly over Our Lady's statue, the sky is opening up. It's beautiful and clear. Oh, the light is like looking through a clear cut crystalline glass. And there are hundreds of angels coming forward. Some look like children. It's very difficult to describe them because they're all wearing long white gowns. But they have on - what appear to be children, they have the most beautiful crowns of roses on their heads. Oh, they are so beautiful!

Our Lady now is going across the sky; She's past the top of the trees and the statue. Our Lady is leaning over now like this - She's leaning forward and making the sign of the cross with Her Rosary, the crucifix on Her Rosary: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Lady - "I bless you all for My children of the world, I bless you and send among you graces: graces for cures, graces for conversions.

"Continue, My children, with your prayers of atonement. They are sorely needed."

[Pause]

Veronica - The all sky about the trees is becoming a deep pink, a most beautiful deep pink. Directly over our heads, the sky is opening up; it's like a diamond-shaped light coming through the sky, and the rays are just pouring out, down, down onto the ground. It's so beautiful!

Directly high in the sky, I can see Jesus. He's coming forward. Oh, He looks so beautiful! His feet are bare; there's nothing upon His feet. His mantle is a deep burgundy color. He has on a long, very loose-fitting gown. It's blowing about His feet. Oh, I can see the marks on poor Jesus' feet, on His insteps. They look very sore.

Jesus has a belting made of what appears to be like some kind of skin. I don't know - it's a very rough-looking belt. It's twisted like a piece of cord about His waist, and it's hanging down; it's quite long. Jesus has the headpiece of His cape, the cloak, just down behind His hair. I can see as He's turning now. He's looking all about Him to the right now, and He's moving over and looking over to the left. Now He's placing His hand in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is gathering His robe closer to Him; He's placing - it appears like His left hand is over His heart. He's gathering His cloak over, and now He's touching His lips with His first finger, which means to listen and repeat.

SECULARIZING THE CHURCH

Jesus - "My child and My children, I do not, My child, intend to drain your meager energies at this time with a long discourse enlarging upon the counsel of My Mother. However, it behooves Me at this time to say unto all of My clergy, cardinals, bishops, and those priests of the nations, that My heart is torn because of the manner that My trusted have taken upon themselves the rule and broken the rule to suit all manner of fancy. Man has been weakened in his spirit, because there are very few to lead them.

"My clergy, you must take yourselves out of the world. You are secularizing My Church, but you are also demonizing the sheep, subjecting them to falling into the abyss, because - though the mercy of the Eternal Father is all-knowing, and His heart is merciful, many of Our sheep are falling into the abyss because many of My priests are on the road to perdition and taking others with them.

"O My children, whatever shall become of you! It will take great strength of faith to remain true.

"I am the foundation of My Church. The foundation is solid, but the walls are cracking. Cardinals and bishops, shall you stand before Me and say that your teaching has been pure in My sight? I shall say unto you: many of you shall fall into the abyss, to be consumed by the fires in eternity.

SEARCHING FOR FAITHFUL AND TRUE PASTORS

"As We look and search the world for faithful and true pastors, We find that each and every cardinal and bishop has fallen into the modes of the world now, consisting of advancement in modernism, socialism, communism, and even satanism. We find there are those over the age of reason that have made a mockery of My name, of My Church, and in the name of satan, they go about as angels of light with ravenous hearts preaching doctrines of devils. You cannot escape a just punishment for your deeds.

"There shall be set upon mankind a great Warning, far greater than man has ever experienced upon earth; and woe to the man who has not repented before the Chastisement. There will be much gnashing of teeth and woe set upon the earth.

"My child and My children, I must caution you now to repent of your sin. The United States of America has fallen from grace. Your country, My child, and many countries of the world are paganized, giving themselves, their peoples, over to all manner of sin and evil that must be cleansed. It will be cleansed through penance or suffering - suffering that will bring not only death to the body, but death to many souls before they can recover with conversion.

"Do you not know, My children, that you must look for the light from Heaven to know the truth. The medias of the world are controlled now. You will know nothing of the actual factual truth. You will be given only what those in command wish you to know.

SECRET KEPT FROM WORLD BY BISHOPS AND CARDINALS

"I ask as your God that all who can read will daily read the Book of life and love, and you shall not be taken unawares when the Warning and the great Chastisement befalls mankind. The second part of this Chastisement shall be a War far greater than any war that has ever come upon your earth. And what did you do when My Mother warned you many years ago, bishops and cardinals in My House, My Church? What did you do to set a plan, to set in motion a plan for saving the children, the sheep - your children in My Church? Because of pride and arrogance you chose to keep this secret from the world. And now what will you do? A House in darkness wears a band of death about it.

"Remember this, O pastors in My Church, pride is a great barrier against sanctity. Pride shall destroy you! You must return by a simple rule. You must become humble, pious, seeking God and not the ways of man. You must return, My pastors, to a life of prayer.

DEACONS: YOU DO NOT NEED THIS PROCEDURE

"I am much concerned over your search for change in My Church. In the Book of life, the Bible, the full knowledge is given to you of the construction of My Church. Why are you now planning to take married men, making them what you call deacons, to give the sanctity and holiness, the grace in marriage to My sheep? What right have you to change the rules and the direction?

"Understand well: when I appointed the Apostles there were no names given as cardinals or bishops; but Peter was the first Pope, the leader, and would you say not that the Apostles were the first bishops? And after that they chose from out of multitudes, seven whom you call deacons and listed as deacons, but they were truly priests at that time. But you do not need the procedure now. If you are willing to ask the Eternal Father, and if you do not give yourselves over to doctrines of demons, you will have priests sufficient to carry out the ministry. But what do you do now? You will seek to make instant priests, against the will of the Eternal Father! You will delude others to think that your deacons can take the Sacraments and give them as in the priesthood! A priest, My children, is a chosen man of God. A true legally-ordained priest is far superior than any man, as he represents Me in the Godhead.

"I am your God, and I say unto you: continue to change My Church and you will fall! You will build a secular church, bringing in all - even heretics, even homosexuals. All aberrations condemned by the Eternal Father, you will permit in the name of humanism. Nay, no! I say unto you as your God: you will be given a short reign, for I consider you then an abomination, and as such, you will be removed.

"All will be tested like metals in the fire, and all that is rotten shall fall. Return, My clergy, to a life of prayer, holiness, and true purpose of your vocation."

Veronica - Now Jesus is placing His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Jesus is turning now to the right. He's going across the sky. He doesn't have to walk; it's so beautiful to watch. He's just floating across the sky on the right side and looking down now. He's smiling; I can see Him smiling so beautifully, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Jesus is smiling.

Jesus - "My child, you will tell all that they are being especially graced now: a baptism of purity, a baptism of sanctity, a baptism of fidelity and valor."

Veronica - Jesus is now crossing across the sky; He's turned to His left. He's going completely across the sky now, and He's looking down and smiling, and extending His hand out: In the name of the Father, and of the Son, and of the Holy Ghost.

Now the sky is opening up, and all of the beautiful angels are joining Jesus. They're proceeding over to the center of the sky. And Jesus is smiling. And above the statue and above Jesus' head, there is extended a huge white cross. Oh, it's so beautiful! And all about the cross now I can see words being written: "REDEMPTION, GRACE, PEACE IN THE CROSS." Redemption, grace, and peace.

Jesus - "My child, now you will sit back. You will not succumb to the elements."

May 26, 1979

Eve of the Queenship of Mary

Veronica - All about the trees and over Our Lady's statue there are - I call it as Our Lady has named it, the call lights. There are blue lights now coming through the sky. They're almost flashing like a signal. All about the trees there is a beautiful, light blue coloring, a hidden light, because I can't find the direction that the light is coming through the trees from.

But directly over Our Lady's statue, high in the sky, the sky is starting to open up, to absolutely fold away in a circular pattern. Our Lady is coming slowly through the sky. I can see Her now; She's a small figure coming from a great distance. Oh, She looks very fragile. It's windy up there because Our Lady's skirts are being carried by the wind.

Our Lady now is coming in quite fast. She's floating in, and She is now nodding Her head. Oh, Our Lady looks absolutely beautiful! She has on a long white, a pure white gown; it's very billowous. And about Her waist there is a blue sash, a deep blue sash. Our Lady's cape is also a stark white, a beautiful white, and it's trimmed in a gold trimming that seems to circle the whole outside border of Her mantle, Her cape. And the cape goes across Her head.

But setting on Our Lady's head is the most beautiful crown. Oh, She looks absolutely queenly, so gorgeous! The crown is round - round, like a bowl shape, and it has - it's made of gold. I can see that it has a golden cast to it, and a large cross on the top. But set into the crown are the most beautiful stones. I can see the colors now as Our Lady's turning Her head over to the right. They must be emeralds, green stones, and a light purple stone, and beautiful white - they look like diamonds. Oh, it's a beautiful crown, and it sets directly over Our Lady's mantle and down onto Her forehead.

Our Lady is now smiling. She's taking Her Rosary from about Her waist and extending the crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is placing Her hands together like this in prayer, with the Rosary hanging down from Her hands.

Our Lady - "My child, repeat with Me:

THE LORD'S PRAYER

Our Father, Who art in Heaven, hallowed be Thy name. Thy Kingdom come; Thy will be done on earth as it is in Heaven. Give us this day our daily bread. And forgive us our trespasses as we forgive those who trespass against us. Lead us not into temptation, but deliver us from all evil. Amen.

THE CHICAGO AIR CRASH?

"My child, My heart is torn anew, for though I have spent countless earth-years counseling you against the evils that have come upon mankind through his lack of prayer and his pursuit of worldly gain and power. Left to your own devices, you can bring nothing but destruction to your country, O man who has given himself to perdition. I have counseled you in the past that there will be accidents that are not accidents. O My children, you did not listen when I told you and begged you to prevent the murder of the young, for murder then would be accepted and promoted among you. Life has become very cheap, My children, and who will be next to die an untimely death?

"I have warned you to protect your households and your children from the evil forces that now have cast a dark shadow upon mankind and the world. There are doctrines of demons being expounded by human beings who knowingly or unknowingly have become tools of satan. The saddest knowledge that I have received is that My Son is being defamed even by His own, His own teachers, those who have given themselves over to the world and have allowed Our sheep to go straying.

"I have asked you all not to abandon My Son's Church, but to remain: set an example of prayer and holiness. There is too little holiness now in My Son's Church, and in other denominations upon the earth.

FALSE WITNESSES

"Those who have little knowledge of the Book of life and love, the Bible, will fall easy prey to false witnesses who go about the world now, deceiving even some of the elect. You must read your Bible so that you will not be deluded by the written word. The Bible cannot be taken as sectional or piece by piece, but you must know the whole, for satan has poisoned many minds. And satan, too, can expound the Scriptures.

"My child, you must not use the little strength you have to try to convert all upon earth. You will have to give this to the angels to do most of this work of conversion. Employ them now, My child, and you will find the road much easier for you.

"We are sending helpers to continue the mission. No, My child, do not be affrighted; We are not removing you from the mission, but you will have much help in the near future.

"The Message from Heaven continues to go throughout the world. Every man, woman, and child of conscionable age will either accept or reject the warnings from Heaven.

JESUS IS NOT ST. MICHAEL

"My child and My children, protect the young from false prophets, those who go about the world denying the divinity of My Son. They must understand that My Son is NOT Saint Michael. Saint Michael is a spirit. My Son rose from the grave, both body and soul, and ascended into the Kingdom of God. But He is God, and you shall not deny His divinity in the Godhead. All who do are deluded by satan and shall be called false prophets.

"Remember, My children, though you cannot understand the mystery of the Trinity: three Persons in one God, but all the same in the Godhead. You must understand that false prophets abound upon earth, and many bring doctrines of demons to your children; therefore, parents have a full measure of responsibility for giving the knowledge of the Faith to their children.

UPRISINGS OF HOMOSEXUALS

"My child and My children, prepare yourselves, for the demons are gathering to start uprisings in your country, the United States. These will be led by those who commit abominations upon their bodies. You will call them homosexuals, but they are dead souls in human bodies, possessed by Lucifer to do his will. Do not, My children, think that words are enough to retrieve these lost souls; you must do penance and make many sacrifices.

"My children, go to your bishops and tell them that all Heaven is disturbed, and Our hearts are torn by the laxity in attitude to pride and arrogance of the priesthood in My Son's Church. We ask for you to convert the unbelievers but not to join them, not to compromise My Son's Church. The reforms you are promoting will bring your destruction, for the sheep will leave.

"Repeat, My child, after Me:

The end is not as far as you can see;
Already there is apostasy.
Man cast his lot and gathered the coals
To stoke the fires that burn the souls.
The days are numbered, the hours are few;
So work and pray, and try to do
The work that's given in the light,
Until that sad time when all is night.

MANY SHALL DIE UNTIMELY DEATHS

"My children, the scepter of death has been set loose upon the world. There will be an increase in accidents that are not accidents. The elements shall spew forth fire, and many shall die untimely deaths. Shall they be prepared to go over the veil for judgment? O My children, already the Eternal Father knows how many will be lost to Him in the final count.

"Pray constantly a vigil of prayer, the Rosary. Wear your Scapular; wear your armaments, your sacramentals. Do not listen to those who mock you using terms of fanatic. Do not listen to them, for they are doing satan's work to remove your armor from you. As a man goes to battle prepared in earthly wars, you must go to battle prepared with the armor from Heaven.

"We ask that all bishops and cardinals refrain from promoting change and reform in My Son's Church. They must gather the peoples into the Church to do honor before the Eucharist. Unless you eat of the Body of My Son, and drink His Blood, you shall not have the light in you.

"It is truly, My children, a war of the spirits. Remember the angels. Cast them not aside because of the mockery of the ignorant and those who have given themselves to the ways and modes of the world and Lucifer. Is it not worth the sacrifice for the short time allowed to mankind before the great destruction? Is it not worth the sacrifice to receive the rejection of the world and gain eternal life in the Kingdom of Heaven?

"My children, nothing upon your earth shall remain; all is passing. And the pages of the Bible, the Book of life and love, turn faster and faster. Are you ready now, My children? I have wandered to and fro upon your earth for many years, crying out to you as your Mother, a Mother of love, a Mother of sorrow, in a desperate plea to all mankind to turn back because you are facing now a great destruction. Pray constantly a vigil of prayer. Make all acts of penance and sacrifice NOW! The time is growing short.

"My child, you will continue to send the Message from Heaven. Jesus has asked that I give you the knowledge that rest cures all. You will not be taxed beyond your strength, My child, so continue in good heart."

Veronica - Our Lady now is extending Her Rosary out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. The crucifix, the beautiful golden crucifix on Our Lady's Rosary is glinting so; it's

a tremendous brilliant crucifix. And Our Lady now is turning to Her right and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is going across the sky over to Her left, that's our right, and She's bending over now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And now behind Our Lady I see the sky - I don't know if they've been standing there; I didn't notice them before, but I can see the angels. And, of course, Michael sort of obliterates the little angels that are trying to go around him. He's such a tremendous size that he seems to block the whole sky behind Our Lady. He certainly is one of the greatest warriors from Heaven. Oh, my!

Now Our Lady is touching Her first finger to Her lips. She's returning over to the center of the sky above Her statue.

Our Lady - "Continue now, My child, with your prayers of atonement. They are sorely needed. You will read the photographs well."

[Pause]

Veronica - The sky all about the trees is becoming a very deep pink in color. It's a beautiful, warm color; it's very difficult to explain in words. But the pink coloring is lighting up the whole sky half way up, even beyond Our Lady's statue. Now directly over the statue, high in the sky, there is a circular light. It's a very clear, crystal clear light; it's not white. I can't explain it to you; it's like cut glass. There seems to be like an opening starting in the sky, and the circle of light is beginning to move outward, become very enlarged.

And now coming forward through the center of the circle, I can see Jesus. He's coming in very fast; They must come from quite a distance. Now Jesus is moving over beyond the circle of light. But these rays that are emanating from Him - I can't explain it. There are tremendous rays now that are coming from within His body and fanning out completely across the skies. Just beautiful! Now Jesus is placing His hand out like this, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus has on an ecru-colored - it's not a white gown, it looks more like a beige color. And it has - it's long and very flowing. Jesus has on sandals. I can see it has two straps on the sandals. They look like some type of animal skin, and they go about His ankle. Over His beige gown He has this burgundy color robe, like. It's very loose; it's much fuller than Our Lady wears. And His mantle - it does have a headpiece to it because I can see it beyond His hair as He's turning. And He has this caught on His neck with what appears to be a golden piece of tassel-like string. It's gold; I can see the coloring of it.

Now Jesus is moving over to His right side, our left side. And He's extending His hand out like this and making the sign of the cross with the three fingers extended like this, the thumb and the two fingers: In the name of the Father, and of the Son, and of the Holy Ghost.

Now I notice that Our Lady is standing over on the right side of the sky. And Michael is behind Her. He's covering just about all of the area around Our Lady and over to the left side of the sky. On the left side, also, there are many, many angels coming forward. I can't ever describe their age. Some of them do look small and young, but due to the tremendous array of colors, I really can't say if they're children or older angels, if such exist in Heaven. But they all have on pastel-colored gowns. They're just beautiful! Very spring and summery-looking with these - the angels up front have these garlands of roses on their heads. They look very, very beautiful!

And now they're moving across, and they're going across the sky, the angels, towards Our Lady. And Our Lady now is moving closer to the center of the sky. She's just beyond the first tree, and the angels are circling. Now they have in their hand a long - oh, sort of a garland. It looks like the garland made of green leaves and pink roses. They look very beautiful pink, very fresh. Oh, they're just beautiful! And they're circling Our Lady and standing all about Her, and I would say about four deep now they are. And they're rising up in like step-like formation behind Our Lady. They've made a semi-circle about Her. Our Lady is smiling. She has Her hands together in prayer, like this, and She's nodding Her head. She looks so beautiful. Now She's pointing over the gold cross.

And Jesus now has returned to the center of the sky directly over the statue. Now He's extending His hands out, and He's moving - He's turning now left - His left, our right. And He's making the sign of the cross with His three - the thumb and the two fingers, like this: In the name of the Father, and of the Son, and of the Holy Ghost. Now He's moving - He floats; Jesus and Our Lady don't walk. They seem to have no weight because They just float over to the center of the sky. Now Jesus is standing there, and He's placing His first finger to His lips, which means to listen.

Jesus - "My child and My children, how often must My Mother come to you over and over again, crying for you to do penance and make atonement to the Eternal Father for the sins of mankind. You never learn from your past. It behooves Me to say that man must suffer great tragedy before he makes any effort to return to his God.

AMERICA FALLEN TO PAGANISM AND SIN

"I hear all cries of peace, peace, and security, going throughout your world, My children. But there is no peace, there is no security. And your country, the United States of America, the great eagle has been plucked by satan and his agents. You see lying now before you a majestic eagle, the once proud symbol of America, fallen because of paganism and sin.

"It is known through history that once a country has given itself over to all manner of paganism and sin, it is not long before that country falls into a system of dictatorship, bringing great sorrow, even murder to the masses.

"I have asked the cardinals and bishops in My Church to spend more time in prayer and meditation and sacrifice of the senses to obtain the graces necessary for more conversions to My Church, My House upon earth. But My pleas and the counsel of My Mother have fallen upon ears that, because of pride and arrogance, have become hard in their hearts, callous in their ways, unsympathetic to the cries of My sheep. O My pastors, what great trials shall be set upon you, for I cry now from Heaven to you that a Church in darkness wears a band of death about it!

"I counsel all parents to protect the souls of their children by giving them a firm foundation of faith. You cannot now expect with confidence, as you did in the past, this knowledge to be given to your children through your schools, and even your churches upon earth. And I say unto you that this blight upon mankind has entered upon all of the religions of the earth.

"I have asked the pastors of My House not to compromise the Faith of My sheep, for you shall not bring converts into My House in that manner. You will scatter the sheep. You are fast engaging in an untimely death for My Church.

YOU CONSORT WITH ENEMIES OF GOD

"I am the foundation, and when I speak of death, I do not mean the extinction of My Church. For I say unto you now, all bishops and cardinals, all that is rotten will fall. You consort with the enemies of your God for money and power, and they are waiting to pick your bones clean. You will not bring about a conversion of those who are presently apostate by compromising your Faith or changing the construction of the exterior lines of My Church; and by that I mean the physical appearance and the manner in which you conduct the Holy Sacrifice of the Mass.

BLASPHEMY AND DEFAMING THE DIVINITY

"Many are giving My Body in a manner that can only be called blasphemy. Many are accepting My Body in the Eucharist in a manner that defames the Divinity, and also promotes unholiness, paganism, and impurity of heart and actions during the Holy Sacrifice of the Mass.

"Parents, have you lost your reasoning? You allow your children to disport themselves as pagans, even in My House, setting temptation to all by the manner of pagan dress and also disporting yourselves with equal depravity.

HELL SHALL BE FILLED WITH MITRES

"My children, I counsel you now as your God to turn back while there is time. The sands of the hourglass are falling through; the grains are few. How many of you have prepared yourselves? Too late will there be much weeping and gnashing of teeth. Too late, I say unto you! For you who have not heeded My Mother's counsel shall die a cruel death. And this death shall exist as you go as dead souls into hell. And I say unto you: hell shall be filled with mitres if you continue on your present course. Pray, My children, a constant vigilance of prayer throughout your country and all of the countries of the earth.

TRAGEDIES AND DISASTERS SHALL INCREASE

"Great elemental tragedies, disasters, man-made and God-sent upon mankind, shall increase in volume, shall increase in intensity and numbers. Remember, My children, you do not understand the supernatural, for there will be accidents that are not accidents.

"Retain all of the knowledge of your Faith in the hearts of your children. Do not be lax, parents, for you will cry bitter tears of anguish if you are. The angel of death will approach the homes of many. Are you prepared now? Have you set your house in order? Do not be caught unawares, My children. My Mother has been among you for many years preparing you for these times. Recognize the signs about you. Act upon them and you will not be lost."

Veronica - Now Jesus is extending His hand out, like this, again and making the sign of the cross. Now He's pointing up to His right side, high into the sky. And coming through the sky is that ominous black ball again. It has a terribly macabre, sinister look. And now forming over the black ball is a cross, not a crucifix, but a very heavy cross. And now I can see this ball with the cross floating behind Jesus across the sky, traveling from the left to the right side. Now it's going beyond the tree, like it's being carried in the wind.

Jesus now is touching His lips with His first finger.

Jesus - "Continue now, My child and My children, with your prayers of atonement. Keep a constant vigilance in your homes. Retain your statues, for those who keep the monuments in their homes will be saved."

June 2, 1979

Eve of Pentecost Sunday

Veronica - The lights are forming all about the trees. They're small, circular little pale blue lights that flash on and off. They are the call lights of Our Lady that says to be ready, for She approaches.

Now high above Our Lady's statue the sky is opening up. It's like a circular light coming from within the sky, and as it comes forward, it's spreading in dimension. Our Lady is directly in the center of the light. She's coming forward quite fast now. Our Lady doesn't walk, She's floating. Oh, She looks absolutely beautiful!

Our Lady has on a white gown, a pure white gown with a blue sash about Her waist. Her mantle is a very pale blue this evening. And all about the outside of the mantle, along the edge, there's about an inch and a half of gold braided trimming. Our Lady has on very dainty-looking sandals; they have one piece across Her instep. The coloring is a gold similar to the braid about Her mantle. Our Lady is looking all about Her. It's quite windy because Her mantle is even blowing.

Our Lady now is looking over to Her right, and She's removing from about Her waist Her beautiful Rosary, the Rosary with the large Our Father beads, golden, and the Hail Mary beads that seem to have all of the colors of the rainbow about them. Our Lady is moving about now. She's taking from Her hands and kissing the crucifix, like this. The crucifix is being extended by Our Lady now, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady has a smile, a soft, sad smile upon Her face this evening. There is something that must be touching Her heart very deeply because Our Lady is not smiling happily, though compassionately with some deep sorrow.

Our Lady is moving now over to Her left side, that would be our right side, and She's extending Her Rosary out now, the crucifix of Her Rosary - the beautiful, huge golden crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now directly behind Our Lady, the sky seems to be coming very illuminated with color. The coloring is a pale blue, like an afternoon sky - so clear, almost bordering on white.

And directly behind Our Lady there are many, many figures of angels coming through the sky. Michael now is directly high in the sky above the angels. I didn't notice him before because of the crowding in of the small angels upon Our Lady, but Michael is there. He covers the whole sky; he is a tremendous size, but not out of proportion.

Our Lady now is coming across the sky again, and She's standing directly over Her statue. She is kissing the crucifix, and then She is placing it about Her waist again, on Her sash, and placing Her hands up in prayer, like this. And with Her head bowed, She is saying an Act of firm Contrition:

O My God, I am heartily sorry for having offended Thee, and I confess to all my sins because I dread the loss of Heaven and the pains of hell; but most of all because I love Thee, my God, Who are all good and deserving of all my love. I firmly resolve with the help of Thy grace, to confess my sins, to do penance, and to amend my life. Amen.

Now Our Lady is looking about Her and touching Her first finger to Her lips, which means to listen and to repeat.

DIABOLICAL GATHERING TO CONTROL WORLD

Our Lady - "My child and My children, I do not have to give you a long discourse on the distress of your nation, the United States, and many nations throughout the world. How many years I have roamed across your earth, crying out to you from your Mother's heart to do penance and to stop the invasion of the hordes of hell upon the countries of the earth. There is gathering now in your world a diabolical gathering of those of high esteem in the knowledge of man to bring about the world of satan - a one-world government, with a one-world religion.

"O My children, you do not recognize the signs of your times. You do not understand the enslavement that is fast coming upon your nation and the world. Because of the love of money and power, many have sold their souls to get to the head. There are cries of peace and security going throughout all the nations of the world. As these cries go forth, farther away do you proceed from this peace and security, for there cannot be any security or peace without My Son as the leader, your God.

THEOLOGIANS BRINGING DOCTRINES OF DEMONS

"There are many theologians, even in My Son's House now, that are bringing to mankind doctrines of demons. They are teachings of man and not of God. Many have set themselves in their arrogance to change the wordings in the Book of love and life, the Bible. These changes were to seduce mankind into bondage of sin.

"My children, do you not recognize that the masses of the world are converging upon your nation, the United States? With money, they are entering and bringing with them all manner of sin and perversion - immorality and homosexuality. And who will come forward to fight these evils?

"In the knowledge from the Eternal Father, I understand full well that the time will come when My Son shall return among you! But there will be doubt as to the faith left upon earth, for when He comes shall He look upon you and find even a flicker of faith still left in your hearts?

"You are, as a nation, as are many nations throughout your earth, fast onto the road to self-destruction through perdition. My children, you do not learn from your past, but you go on making the same mistakes. In your human nature you are weak, but you do not pray enough! You do not do penance for your sins and the offenses you commit against your God. My children, you do not read your Bible. Instead, you pollute your minds with the writings of man. You have become a frivolous nation, condoning all manner of sin, immorality! Where shall you come to but a fast destruction.

HOMOSEXUALITY BEING CONDONED

"Your leaders, even the highest men in your courts, now condone homosexuality, an offense to your God and all mankind. And what are the fruits of this condoning of sin? Mur-r-rders!!! Murders of the young! Bands of roaming homosexuals going throughout all of the major cities in your United States of America, the once proud country.

U.S. ON BRINK OF DISASTER

"My children, you must understand that as a nation you are on now the brink of disaster. If you do not listen to My pleas, the counsel I have given you while coming to you upon earth, you will be destroyed as a nation. Countries from far off will stand on boats from your shores and weep out and cry: O whatever has happened to this beautiful country that had all the gold, the silver of the worlds, all the nations bowing to it. And now, within a few short hours, it is destr-r-royed!!!

"My child, do not be affrighted by this knowledge. As a voice-box, I must warn you that this will be a great strain on your human body. However, My child, We will give you the necessary strength to retain you in this struggle against the limitations of your human body.

"Yes, My child and My children, there are groups now throughout the world, men of power and wealth who are working as undercover peoples and agents to bring about a full control of the world.

"Pray for your Holy Father in Rome. He must conduct his mission with holiness and dignity. He will lose much if he seeks to compromise with the enemy. I repeat, children, My children: it is better that there are few with quality than quantity of nothingness with death and destruction.

"My child and My children, you will continue to send the message throughout the world. Do not be concerned of the rejection by many, for you must understand, My children, that many are called but few are chosen in the final count.

"As I counseled you in the past, I have come to you as a Mediatrix between God and man to warn you that the time is running out for mankind. A great Warning approaches. I beg you all, as your Mother of love, to listen to Me and act upon My counsel. The Eternal Father is much concerned now because it is almost inevitable that the destruction be sent upon you.

"My child, you will continue to read the photographs miraculous. Much must now be given in secret. I will direct you what is to be given publicly or retained.

"There will be many small groups of light, additional candles for the mission, going throughout the world. Do not be concerned, My child, that there will not be enough help to reach the masses of peoples left in the world. Many hands and help will be sent to you.

HOLY FATHER IN GRAVE DANGER

"You will send this message to John Paul II. He is in grave danger. I have asked him in the past to not make many trips away from his homeland - which is now the Seat of Peter in Rome.

"This, My child, you will retain in secret.

[Pause]

"The second photograph will be physical proof for the bishop when it is needed.

"You will pray for all of your cardinals and bishops. Because of a false sense of obedience, many go to destruction against their will. However, as man has been given a free choice in will, a man cannot use this as an excuse for his actions, for every man is responsible for the salvation of his immortal soul."

Veronica - Now Our Lady is placing Her Rosary out like this - the crucifix of Her Rosary, the beautiful golden crucifix. Oh, it's so beautiful. Our Lady is turning it about in Her hand, and She's looking very sadly on the corpus in the crucifix. Our Lady now is placing the crucifix out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is placing the Rosary now about Her waist - the band, the blue band, about Her waist. And She's placing Her hands here like this, together.

Our Lady - "Continue now, My child and My children, with your prayers of atonement."

[Pause]

Veronica - . . . opening up, and Jesus is coming through the center of the sky. Now He has on a deep beige-colored gown, and it's very full. And it must be windy because I can see His gown blowing about Him. Now Jesus has on a cape; it's a burgundy red color, a deep red, almost bordering on - I can't compare the colorings, but almost bordering on a, oh, burgundy - I can't explain it, the coloring. In fact, Jesus' cape has such a deep coloring that I don't think I have seen this, even in paintings.

Now Jesus is looking about Him. It's quite windy because His hair is blowing about His shoulders. It's quite long; it seems to settle right on His shoulders as He's turning.

I notice that His feet this evening are bare; He has nothing upon His feet. I can see the wounds on His instep of His feet. They seem to be open and oozing blood. Now Jesus is placing His hands out like this, in front of Him. Oh, and I can see the wounds in His hands. They are also very sore-looking; they must be very painful.

Now Jesus is coming closer, directly over Our Lady's statue. He's placing His hand over His heart now and looking about Him. And now He's taking His hand like this, with the three fingers - the thumb and the two fingers extended, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing His first finger to His lips, which means to listen and repeat.

Jesus - "My child and My children, My Mother has directed you well. And every man and woman and child with a conscience shall act upon Her direction, for there is fast coming upon your country, the United States, and many countries of the world, great tests.

THREE-QUARTERS OF MANKIND TO BE DESTROYED

"I have often warned you that unless you turn back from your present road, a road that means the destruction of souls and the eventual physical destruction of many nations upon your earth - unless you turn back now, what more can I say but to acknowledge the fact from the Eternal Father that a great Warning, preceded by minor warnings upon earth - a great Warning shall be set upon mankind. After this, unless you turn back and do great penance, make atonement to the Eternal Father for your offenses to Him, you will receive a great Chastisement. And in this Chastisement, approximately three-quarters of mankind shall be destroyed. My children, is this what you want?

"You cry peace and security. And you run about upon your earth in the name of the new modes of socialism, and communism, and satanism, and atheism; and all of these 'isms' come down to one major fact in knowledge: they have been devised by satan and can be called satanism.

"My children, your nation has become paganized because a delusion has been allowed upon mankind. A firm foundation of faith must be in the hearts of your children. As parents, you must give this foundation to your children. It is too late now to expect this knowledge to come from your pastors.

GREAT CATASTROPHE APPROACHES CITIES

"I ask that all unite in a crusade of prayer that the Almighty Father in Heaven will spare you and yours from the great catastrophe that will soon fall upon many. I have asked you - through the intercession of My Mother for you, I ask you as your God to listen well, for you must prepare your families for what is to soon fall upon you. The cities shall feel a great measure of the destruction. My children, My Mother has asked that you pray and retain the directions from Heaven.

SINS OF FLESH CAST MANY INTO HELL

"Mothers and women of the world, you must no longer offend your God. You must return your country and the world to a disciplined life of modesty in the hearts of women, chastity, and a firm family foundation among mankind. Many of you do not please the Eternal Father, and you have pierced My Mother's heart with your sins. The sins of the flesh shall have many cast into hell.

"Men shall not consort with men, women shall not consort with women, for it is an abomination in the eyes of all Heaven. The Eternal Father will destroy you for this! As it was in the time of Sodom and Gomorrah, so shall it be upon the cities. Your body is the temple of the Holy Ghost, and you must not defile it, for you seek perversion and you defame your human nature.

ALL WHO CONDONE HOMOSEXUALITY, ABORTION SHALL BE DESTROYED

"And I repeat again: all who become part of or condone homosexuality shall be destroyed! All who become part of or condone abortion, the murder of the young, shall be destroyed! All who seek to cast out the discipline given by the Eternal Father in the Commandments, the Ten Commandments from your God - they, too, shall be destroyed! All women who disport their bodies in nakedness, the flesh shall burn!

ACCIDENTS THAT ARE NOT ACCIDENTS

"My children, I do not approach you to bring fear to your hearts, but to counsel you as a just God, to warn you that there is a great Warning and Chastisement approaching, many accidents that are not accidents! As you sow, so shall you reap!

"You must not reject the Sacraments in My Church; you must not reject the teachings for new modes of modernism and socialism.

MANY PRIESTS ON ROAD TO PERDITION

"And I say this unto My pastors: you will not change the way to suit man, but you must change man to bring him to My way! This way has been given to you in the Book of life and love, your Bible. You will not change the wording or the meaning to please man! It is a narrow road to Heaven, and so few remain on this road. Many of My priests are on the road to perdition and taking many souls with them.

"Pray a constant vigilance of prayer in your country and all of the countries of the earth, for many shall die in the great flame of the Ball of Redemption! Is this what you want? The peoples of the world will make their own decision upon this.

ETERNAL FATHER WAITS FOR PENANCE

"The Eternal Father is most merciful, and He waits with patience for your penance and your atonement. The way has been given to you. You will stay and remain true, faithful and true! You will not go about seeking novelty and innovations upon My Church! A Church in darkness wears a band of death about it.

ROSARY AND SCAPULAR MAJOR SOURCES OF GRACE

"My child, you will continue to send out the Message from Heaven. Much hands and help - many will be sent to aid in this final endeavor to save souls. The Rosary, the Scapular given by My Mother are a major source of grace. Make this known to the world, My child."

Veronica - Now Jesus is looking about Him. He's going over now - I can see Our Lady coming from His left side, our right side. Our Lady is coming over across the sky. It's quite windy, and the angels are following Her, and Michael. Michael is covering the whole sky, though he is high, high up in the air. Oh, he is an immense size!

Oh, now Jesus is turning to His right, and he's starting to go across the sky. Now He's bending over and making the sign of the cross with His three fingers, the thumb and the two fingers: in the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning over to His left. He's motioning like this to His Mother. Our Lady now is coming across the sky, and she's going over by Jesus. And now She's going over to His right side, and She's standing there. They are looking about Them.

Now Jesus is going - now He's turning to His left, and He's cutting across the sky. He's going directly across the sky. Now He's way over on our right side. Our Lady is behind Him. And Michael and the other angels now, they're looking down. And Jesus is now grasping His cape with His left hand, and with His right hand He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning, and He's coming now to the center of the sky. He's nodding and looking about Him. And Our Lady now has Her hands up in prayer, like this. She has joined in the vigil of prayer.

And the angels - I can't see their hands, but in the impression it appears that their hands are also joined, those that are in the front row. I can't see, because of the light, beyond the front row. But the young angels, they look very young. They're all in different colors - gowns, all different colors of the rainbow. Just beautiful! They have their hands up in prayer like this, with the fingers pointed upward. And I do notice that their thumbs are crossed in a cross-like way, like this.

Now Jesus is touching His lips.

Jesus - "You will continue now, My child, with your prayers of atonement."

June 9, 1979

Eve of the Most Holy Trinity

Veronica - The sky all about the trees is becoming bright with a great brilliance that seems to come from within even the trees. It is so beautiful! Heading upward through the sky there are beams of light that form almost a glass, translucent pattern of light, crystal clear.

Directly pinpointing the center of the sky, coming through the center, I can see Our Lady advancing forward. Oh, She is dressed so beautifully! It must be windy because Our Lady's skirts now seem to be ruffling about Her feet.

Our Lady is dressed in the most beautiful white gown. It is so clear a white that it's brilliant and difficult to look into - onto, because of the glare. It's beautiful!

Our Lady now has come close enough; She's looking about Her. She has Her hands in prayer, like this, together. About Her waist I can see Her Rosary, the beautiful Rosary with the golden Our Father beads and the beautiful translucent multi-colored Hail Mary beads about Our Lady's waist. She also has a blue sash, a deep blue sash this evening; it's quite full, and as it's belted, the seaming seems to go right down to the edge of the dress in front of Her.

Our Lady has on very delicate sandals. They appear to be made of a gold-like material or thread. They have one band across the ankle. I can see Our Lady is turning now with Her hands raised in prayer, with the fingers upward. Her Rosary now is dangling and catching the gleam of the lights all about Our Lady. There is no way to explain how beautiful Our Lady is. The light itself now seems to be coming from within Her, as it's coming outward from - I can't explain it. There are no human words to explain that Our Lady seems to be all aglow this evening.

She has about Her head a beautiful dark blue cape. Her mantle is dark blue, and setting on top of Her head is the most delicately - like sculptured, crown, a beautiful golden crown, with points sort of curving upward from the gold. It's a pure spun gold, very delicately set on Our Lady's head.

Now Our Lady is taking Her Rosary from about Her waist, the Rosary with the beautiful golden Our Father and also the crucifix of pure spun gold. Our Lady is smiling with a sad smile upon Her face, and She's kissing the crucifix like this. Now Our Lady is taking the crucifix from Her beautiful Rosary, extending it out like this, forward, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is placing the Rosary back about Her waist. She has tied it into the belting on Her dress. And now Our Lady is touching Her lips with the first finger of Her hand.

Our Lady - "My child and My children, listen well. My child, Veronica, I have cautioned you in the past not to be concerned of other reported apparition sites.

"I understand your human nature, My child, and that you subject yourself to needless suffering in your emotions. Be not concerned about these apparition sites throughout the world, for I assure you, My child, it will take all of your continued energies to continue to send the Message from Heaven throughout the world.

"I know of the great distress among nations today. As your time on earth, My children, becomes shorter, you will find that there will be many tragedies set among you. These tragedies will come through sickness of the body and sickness of the soul. We can say that there are many bodies now walking throughout your earth with dead souls, for the Spirit, the light, has left them and their bodies now are shrouded in darkness.

"O My children, as I repeat Myself to you over and over again, I have gone constantly as your Mother walking upon your earth, guiding you out of the darkness. How often have I cried out to you to prepare your household, to safeguard your children, and to maintain the true knowledge of your Faith and My Son's Church in your homes and in the hearts of the young.

"My children, I beg of you as your Mother, as a Mother of love and understanding, that you in charity of heart pray for your bishops, pray for your cardinals and all clergy, who are under now attack by 666, satan and the forces of hell. Wherever there is darkness so will the agents of hell gather. Know by this, My children, the predominance of sin will give you a signal that onto this position and location have gathered the agents of hell.

"My children, if you would only try and pray, and I say search for knowledge of the truth, of the existence of the supernatural, you will avoid many pitfalls and save many souls. Because man now has rejected the truth and has turned away from the teachings of his God, he is left now to his own diversions, and he has found satan.

"My children, I have counseled you in the past that you are now passing through a period of trial and test. It is in this manner that the Eternal Father has planned to separate the sheep from the goats. Will you be lost to Heaven or will you stay with perseverance on the narrow road that leads to the Kingdom of Heaven, eternal joy, peace, and happiness?

"O My children, the nation's leaders upon earth are becoming confused and confounded. The cries of peace and brotherhood go throughout the world, and yet the world's leaders in secret plan destruction of their brothers.

RELIGION USED FOR SELF-GRATIFICATION AND GAIN

"I say unto you that there will be many false prophets going throughout the world. They have also come upon religion as a means for self-gratification and gain. As angels of light they approach many who are weak of faith, and as false witness they bring an untrue and diabolical witness to the teachings of the Book of life and love, the Bible. Protect your homes as they come knocking upon your doors. I do not ask you to be abrupt and uncharitable, but do not allow these false witnesses into your household to destroy the souls of your children. My children, I repeat again: there are many who will come to you as angels of light, but they are agents of hell. Many have become entrapped in this web of Lucifer because too few pray for them, and they themselves have given themselves over to worldly pursuits and no longer pray or do penance for themselves or others. In this manner then, they are lacking in grace and will not recognize the deceiver among them.

"Pray, My children, a constant vigilance of prayer for your children and all of the children of the nations of earth. The great Chastisement shall take the greatest part of mankind from the earth.

"Do not be affrighted, My child, at the knowledge that has been given to you in secret. You must have confidence in the salvation of souls through your brothers and sisters. There are many who are now willing to accept a heavy cross as victims to the Eternal Father for the salvation of souls.

"Many upon earth, My children, have given themselves over to lives of luxury and sinful pursuits. Unless they turn back while there is time they will lose all of the opportunity to recover the graces needed for their redemption. Redemption, grace, and peace.

"A cleansing, a gradual cleansing of the earth shall soon start. My children, are you ready now? Have you prepared your household? Do you safeguard your children with the sacramentals given to you? Or has the enemy come to you with derision, and calling you a fanatic, have you taken them from about you? Your protection then is gone and you can be lost!

"Do not be deluded by those agents of hell, or those who have been unwittingly and unsuspectingly become enmeshed with the agents of hell. They will come to you with all seeming good intentions. But remember, My children, that the road to hell is often paved with good intentions. I say unto you now as your Mother, as a Mediatrix between God and man, the Commandments of the Eternal Father must be followed. If you break one you break them all!

"My children, you will keep a constant vigilance of prayer going throughout your country and the world. You will seek all kinds of opportunity to do sacrifice and penance for the salvation of souls. For those who have been given in abundance, much is expected of them.

THE MEDAL OF SAINT BENEDICT

"You must use over and over a sacramental of great importance in these days, known to you as the medal of Saint Benedict. You are now in a war of the spirits: it is good against evil; it is the Eternal Father against satan! Which side have you chosen, My child and My children?

BATTLE SLOWLY COMING TO A CLOSE

"I know, Veronica, I know that you are in deep distress over the events of the past week in your country. However, I say to you all, you must all constantly pray, for the battle is coming slowly to a close, and Lucifer has now concurred devious ways to try to destroy all that remains upon the earth for the salvation of souls. And that, My child and My children, includes all manner of books and knowledge given throughout the ages of man.

"I do not have to engage you all, My children, in a long discourse on the present state of man in the world. I can say unto you all: look about you and you will recognize the signs of the times. Act upon them and you will be saved. Believe and you will be given the way.

"This, My child, I spoke of you often to the Eternal Father, asking that He strengthen you in the days ahead. Your human body is greatly taxed, but I assure you, My child, you will be given no greater a burden to carry than you are able.

"Yes, My child, all that was given to you in secret must come to pass. When it is time I shall permit you to make it known publicly.

"You will keep in the hearts of all true believers the knowledge of the existence of the saints, My children and My child. For they, too, passed through many crucibles of suffering upon earth. It was in this manner that they received their crowns."

Veronica - Our Lady is now taking Her crucifix from Her beautiful Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning over to the right, Her right side, and She's slowly going across the sky. Oh, and I can see behind Her now, Michael has appeared from beyond the trees. He's a tremendous figure of strength. Oh, he is tremendous!

And over behind Michael, I can see - oh, coming forward also are many angels. They're all dressed in multi-colored gowns that are very free and flowing. They're - oh, they're so beautiful. The light is so brilliant it's very difficult to try to perceive

their faces or the expressions. They are just covered with light. Now they're following Our Lady across the sky, and She's heading over now across the right side, Her right side of the sky, our left, and She's extending now Her crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is looking all about Her. Now She's placed Her hands together like this in prayer. Her Rosary is dangling from Her fingers. And now She's moving across the sky again to Her left, to our right, and She's coming forward across the sky. She's standing now directly over Her statue. Oh, Our Lady is so beautiful! She seems to be weightless, and yet looking at Her, She's seemed to be a full composition. But yet She moves across the sky as though She's carried on the air.

Now Our Lady is nodding. And the angels now have formed a circular pattern about Our Lady just in the rear of Her. And now Our Lady is touching Her lips with the first finger of Her right hand.

Our Lady - "Now, My child, you will continue with your prayers of atonement. They are sorely needed."

[Pause]

Veronica - The sky all about the trees is becoming a deep pink, a beautiful warm color of pink that gives you quite a comforting, emotional feeling I cannot describe in human words.

Directly over Our Lady's statue the coloring of pink seems to be forming like rays, now going from the trees clear up to the center of the sky.

Now high in the sky I can see Jesus coming forward. I can always recognize Him, because even from a distance His cape, His burgundy cape is very predominant in the sky.

He's coming closer now. Jesus has on an ecru-colored, beige - a dark beige-colored gown. It's very loose about His feet, very long. Jesus has on sandals. They're a brown, leather-like looking skin-like type of sandal, with one strap across His toes, and also a band about His ankle.

Jesus is now - as He's coming forward, He's beginning to gather the cape about His left arm. And He's extending His hand forward, like this, with a blessing. He has the two fingers, the three fingers extended - the two fingers and the thumb, like this, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing His hand across His heart, like this, and He's looking about Him. Now He's turning to His left, and Our Lady is coming over. She's standing, She was standing beyond the trees. I couldn't see over to the right side, because of the brilliant light. But Our Lady now is coming across the sky, and She's going now around Jesus and standing at His right side. She's smiling, a sad smile. But now She's looking up at Jesus. She's a little bit shorter, below His shoulder, to Jesus. Now Jesus is looking about Him, and He's placing His first finger to His lips.

Jesus - "My child and My children, needless to say I shall not engage in a long discourse on the present state of your world and mankind. My Mother has made it full known: the course that man has taken will lead him onto a road to his own destruction.

"When the Eternal Father placed mankind upon earth, He expected a great world of joy to Him. But instead man that He has created has brought great sorrow time and again to His merciful heart. In His divinity, no human could understand the ways of His accepting with a compassionate heart, these stabs that are given to His heart by an ungrateful generation.

"As it was in the past so it is this day upon earth, that man has now regressed back to an age of paganism, idolatry, and insanity from sin. Man has given himself over to all manner of abominations. And sad to say, this way of life that man proceeds on is not the way given from Heaven for the salvation of mankind, but a darkness along the way that enshrouds the whole world now. Many souls are fast heading into the abyss, lost forever in eternity of damnation. Remember, My children, that no man, woman, or child of conscionable age shall fall into hell unless he goes there of his own free God-given will!

"As in every walk of life there is the way. And the way for mankind was given through the Book of life and love, the Bible. And this way must be followed with discipline, tempered by love and understanding, but most of all built with tradition and faith. Many of My pastors now have fallen into the modes, the present modes of modernism and humanism, and are misleading Our sheep. Therefore, it will be necessary for the Eternal Father to set in motion the cleansing, the tribulation upon mankind. In this manner shall there fast come about the separation of the sheep from the goats.

"My child and My children, comfort yourself in the knowledge that all suffering shall be given over now for the salvation of souls. Learn the value of suffering. Do not waste a martyrdom that can be given over for the salvation of a soul. Accept the will of the Eternal Father, but always pray and test the spirits that come to you.

A GREAT MISSION

"My child and My children, a great mission has been given to you with My Mother as your guide. It is the will of all Heaven that this mission continue and the Message from Heaven reach all of mankind.

"You will persevere in the days ahead. Do not judge on the counsel of men, but accept only what has been written in the true Book of life and love, the Bible. Do not discourse with demons or those who come to you as angels of light.

YOU MUST NOT BREAK AWAY

"You must still in your human nature not become prideful or arrogant. You must accept the counsel of the true priests who are in My Church. You cannot and must not break away and form your own groups.

"I have given a procedure from the beginning of the Book of life and through to the end. You must follow fully the procedure. My Church will not be subdued, though it goes through great trial now.

"I do not want you to leave your parish churches. I want you and counsel you as your God to remain! If you have any dispute, I ask you for the preservation of your salvation upon earth, to not cast aside the role of the priesthood as given through the Apostles, My followers.

"Peter was My first Pope and your first Pope, and as all others who followed him, they must be accepted. Be they weak or noble, be they with sanctity or unholiness, they must be accepted and followed.

"My children, you must always remember: you may despise the sin, but you must love the sinner. For grace is a special gift from your God, and without it each and every one of you are capable to fall!

REMAIN UNITED WITH ROME

"I ask you not to judge another. You may counsel, you may give your viewpoints, but no violence must be used. And I do not want schism. I do not want any interference from separated brethren in My Church. They must be brought back. Convert the unbeliever! You must remain united with Rome.

"The gates of hell shall not prevail against My Church, for a cleansing will come about and all that is rotten will fall! And My Church shall be restored to its former glory!

"Retain the monuments, statues in your homes. Keep your sacramentals, your armor about you. And do not open your ears and have them become itching for false doctrines.

"All baptized Roman Catholics must die as baptized Roman Catholics, or they shall not enter the Kingdom of Heaven!"

Veronica - Now Jesus is extending His hand, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking about Him. And our Lady is, too. Our Lady is smiling, but it's a very, very sad smile. Jesus is - I don't, can never explain to you the expression upon Jesus' face. I've never seen Him so pained, so suffering, so disappointed or shocked. I have no words to explain the sorrow in His eyes.

Now He's turning to His left side, our right side of the sky there, and He's moving over just beyond the first tree. Now He's extending His hand out, like this, with His three fingers, the thumb and the two fingers, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's turning to His right. Our Lady remained in the center of the sky. Now He's moving back across the sky, His right side, our left. And Our Lady is moving over a bit. Now He's standing right next to Her. Our Lady has Her hands up now in prayer, like this. The Rosaries are still dangling from Her fingers. And Jesus is nodding His head.

Jesus - "Continue now, My child and My children, with your prayers of atonement. They are most sorely needed."

Veronica - Our Father, Who art in Heaven, hallowed be Thy name. Thy Kingdom come; Thy will be done, on earth as it is in Heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us. But lead us not into temptation, but deliver us from evil. Amen.

A PLAGUE

Veronica - All - Jesus said, "All My prayers must be retained."

There will be accidents that are not accidents. And there will be a plague, a plague that shall take many.

Jesus - "You will repeat, My child, if you wish. Remember your guardians, the angels. Call upon them often. Michael is the greatest warrior of Heaven. Call upon him often, My children.

"My child, in counseling others you must stress the immortality of the soul. There are many false witnesses who do not believe any longer in hell and purgatory.

"There is no death of the soul. There is life immediately after physical death - life beyond the veil, be it Heaven, the Kingdom of your God, purgatory, or banishment forever in hell, the abode of the damned.

"The false theory of the non-existence of life after death is only proposed to bring about the fall of man. For if man believes there is no life, he will disport himself in all manner of sin and abominations. There is discipline from the beginning of time asked, and there are rules to be followed, My children. It is the way of Heaven, but it is a simple way.

"Do not try to enlarge upon the counsel from Heaven, My children.

"You will understand also that changes must not be made in your Bible. They will distort, confuse, confound, and destroy. There must be no changes made now in the Book of life and love.

"Unless you all return to your Faith with the hearts of children, you will be destroyed. This destruction you will only answer to yourself for, My children. Remember, as you sow so shall you reap. And a church in darkness wears a band of death about it.

"You will continue now, My child, with your prayers."

Veronica - Saint Michael the Archangel, defend us in battle; be our protection against the wickedness and snares of the devil. May God rebuke him, we humbly pray. And do thou, O good king of the heavenly host, by the divine power of God, cast into hell satan and all evil spirits who wander throughout the world, seeking the ruin of souls.

Jesus - "Satan - My child, you will repeat: satan is alive and walking upon your earth!"

June 18, 1979

Ninth Anniversary of Our Lady's Apparitions at Bayside

Veronica - The call colors are now coming very profusely through the sky. They're the circular blue lights that always appear in preparation for Our Lady coming through the sky. Directly over Our Lady's statue the sky is becoming very lighted. It's going into a very deep blue coloring, but all about it there is a circular pattern of light now opening up, host-like in shape and formation. I cannot explain in human words the dimension of the light or the translucency of it. It is absolutely magnificent. There is a glass-like, silvery particles coming forward now. They seem to be cascading from the light.

Our Lady is coming through the center of the light and these crystalline - I realize they're the graces of Our Lady has often spoken of being dispersed among the people. They're falling now earthward. They appear to be tiny crystalline slivers of graces, glass-like in appearance to the human eye.

Our Lady is dressed in a beautiful, flowing white gown. About Her waist there is a deep blue sash. The sash is much darker than I have seen Her wear before. Our Lady's Rosary is caught onto the sash and hanging about Her waist on Her right side. The sash is quite long, falling almost to Our Lady's feet. Our Lady has on a beautiful mantle. The mantle is a very clear, sharp white. And all about the border of the mantle there is a golden outline - oh, approximately, I would say about an inch wide of spun gold outlining the whole outside edge nearest Our Lady, of the mantle.

Our Lady is looking about Her now. She's smiling in a very pensive, quiet, but sad smile. Now Our Lady is taking the Rosary from about Her waist, like this, and making the sign of the cross with Her Rosary, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now behind Our Lady I can see a great gathering of angels. They're dressed in all different colors of the rainbow. Oh, they are so beautiful! They're coming forward now. I don't know where they appeared from. I hadn't noticed them, as the light was so brilliant coming from Our Lady I couldn't see beyond the light. But now as Our Lady has come closer above Her statue I can see the gathering of the beautiful angels. They're dressed in pastel colors: yellows, pale blues, pale pinks, lavender, and a coloring mixture that I have never seen upon earth. Just so beautiful!

Their gowns also reach down past their feet - if they have feet. I have never seen any feet upon the angels; neither have I seen their hands. They seem to be encased all in this gown that is loosely hanging from their shoulders, down completely to their - where their feet would be. Now they are grouping in a circular pattern about Our Lady.

Our Lady is looking about Her. She is kissing the crucifix of Her beautiful Rosary, the Rosary that is so large and having the gold Our Fathers and the beautiful white Hail Marys that have the colors of the rainbow cascading from them as Our Lady is fingering the Rosary. Now Our Lady is turning to Her right and raising the crucifix again, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is turning to Her left, our right side, and going across the sky. She's moving quite swiftly. She doesn't walk, Our Lady is carried by the wind. She seems to be weightless. Now Our Lady is bending over, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning to Her right. I can see Michael appearing now from a distance, though he is coming in closer. He's directly behind the other angels. Oh, he's covering the whole sky. Michael is Our Lady's direct protection, as well as the guardian of the Faith. Our Lady now has reached over the center of the sky, and now She is placing Her Rosary about Her waist, like this, so that it hangs down from Her waist. And Our Lady now is bringing Her hands together like this, in prayer.

Our Lady - "My child, We will commence with a prayer, an Act of Contrition, to plead with the Eternal Father for an extension of the coming punishment."

O my God, I am heartily sorry for having offended Thee, and I confess to all my sins because I dread the loss of Heaven and the pains of hell; but most of all because I love Thee, my God, Who art all good and deserving of all my love. I firmly resolve with the help of Thy grace, to confess my sins, to do penance, and to amend my life. Amen.

Veronica - Now Our Lady is taking Her Rosary and She's placing it in Her right hand. And from Her belting She is bringing forth a very, very large Scapular.

SCAPULAR NEVER TO BE REMOVED FROM THE BODY

Our Lady - "I give you, My children of the world, your protection. I give you the sacramentals that are necessary for your protection in the days ahead: the Rosary of prayer, beads of prayer to Heaven, pearls of prayer to Heaven; the Scapular of faith to be worn constantly and never removed from your earthly body. I give you anew the Commandments of your God as given from the beginning of time from the Eternal Father in Heaven through His instruments, His holy instruments upon earth.

"These commandments cannot be changed, neither can they be subtracted from nor added to. They must be followed precisely, for if you break one commandment, you break them all in the eyes of your God, and restitution must be made for these offenses of disobedience to the Eternal Father in Heaven. These commandments were given to you to keep you safe from the assaults of Lucifer, who seeks to break all of the Commandments of your God.

"My children upon earth, you are complete descendants from the Eternal Father. You descended from the first created beings upon earth, known to you as Adam and Eve. As such you have been created in the image of your God, and as such you must go forth upon earth in your lifetime, being a credit to the Eternal Father.

"It brings great sorrow to My heart and the heart of My Son in the Eternal Father and the Spirit of light, that is being diminished in the hearts of many - it brings Me great sorrow to know as I watch My children upon earth proceeding farther into the darkness created by sin. Sin is insanity. It shall be recognized among you as you see and recognize the signs of your times.

"The time of great tribulation is approaching. Your leaders of the United States of America and many leaders throughout the world are seeking to stop the holocaust that will come upon mankind. This decision will be not in the will of man, but be in the will of the Eternal Father. As you sow, so shall ye reap.

"O My children, this great occasion is marked by sorrow to Me, an occasion of My being with you upon earth in your locale for nine long - upon earth, long arduous years of searching in the darkness for souls.

"I have been, My children, many times upon earth in various nations throughout the world: some gone by unnoticed, and others acclaimed. However, the time is growing short. There will be few and fewer voice-boxes to call out the Message from Heaven as the great destruction is set upon mankind.

"Your nation, My children, the United States of America, and many nations of the world, have doomed themselves because they have rejected the foundation of the world's faith in the Eternal Father.

"There are many false prophets now going throughout the world. They come to you as angels of light, but they are distorting the Book of life, the Bible. They are reprinting it to suit their own ideas, ideologies, and a new-found theology. You must not accept these modernistic printings, for they do not carry the truth nor the true word of God.

"Your children must be protected from the evils that abound in your school systems in your country and most nations throughout the world. They are being taught immorality and a loss of faith in the supernatural and the knowledge of their God. All manner of heresy has been indoctrinated into their youthful minds. It is a diabolical plan of Lucifer.

"I warned you time and time again that Lucifer is now walking upon earth. He is in darkness wherever darkness be. He will enter into the body of any man, woman, or child who has fallen out of grace and into sin. As such will you find roaming your world agents of hell, dead souls in human bodies. Recognize the faces of evil upon you.

"My children, when I asked you to make a fortress of your homes to protect your families, I did not ask you to flee and run away from your abode. I asked you to remain there.

REMAIN FIRM IN AREAS ALLOTTED FOR YOU

"My children, understand My words. The Eternal Father has allowed Me as a Mediatrix between God and man to set up an army from Heaven in various places throughout the world. Many of you who hear My voice now, know that you had already been marked with the cross to represent your area in sending out the Message from Heaven. I have given no direction for anyone to leave their immediate area or states, and I say this unto you as your Mother: it was for your protection that I asked you to remain firm in the areas allotted for you, as missionaries for the word. I did not give you, My child, centers, but these centers were there in Heaven's plan. In the most desperate areas of need We need true and dedicated disciples of My Son, for he who flees his post to save his body shall lose it.

WAIT WITH PATIENCE FOR DIRECT SIGN

"My child and My children, in these times of dire need for spiritual light, you must not exercise any decision through your own human frailties of mind. Prayer has one step to knowledge, but in the Mission from Heaven prayer cannot be enough: you must pray and wait with patience for a direct sign from Heaven.

TRUE AND LOYAL DISCIPLES

"We have great dependence on all disciples chosen in these latter days by the Eternal Father. None of you who have accepted this mission have come by accident, for you have been chosen from the multitudes. I have gathered Our children from coast to coast, from land to land, and as the war rages farther and farther and accelerates in evil, you will understand that there is an immense army from Heaven now upon earth. We have a desperate need for true and loyal disciples. The Message from Heaven must reach every corner of the earth before the end of the era.

"My children, you must make it known that there is life after death. You must find a means to write off the word called death, for it is inappropriate when given in mentioning your going over the veil. There is no death but the death of a fallen soul who is lost forever.

"When you, your body dies, your spirit, your soul remains living with full consciousness. I have told you this before and I repeat it for reason. There is no death over the veil. There is judgment, and this judgment cannot be understood in the minds of man, for the Eternal Father is all-knowing.

"Therefore, We ask you not to judge your brothers or sisters upon earth, but give them a good example. Try to teach them the truth of the Book of knowledge, the Bible. There are many false prophets, but they become taken in a web of deceit because of their lack of knowledge of the Bible.

"There are trained theologians in My Son's House. Many years of study must be made. Therefore, those who do not make an extensive study of the Bible have no right to set themselves up as prophets or to set themselves up as teachers of others. Hence go throughout your world false prophets bringing all manner of heresy.

"My child and My children, charity must be exercised at all times, but this charity does not mean that you must compromise the Faith or the doctrines of My Son's Church.

THE LAITY MUST GO FORWARD

"You will all pray for your Holy Father in Rome, Pope John Paul II. There is a devious and diabolical force now trying to tear asunder My Son's Church. The laity must now go forward and save My Son's Church.

"I am with you: as your Mother I will guide you through this battle. The final victory will be with My Son, but you will go forward in this battle of the spirits. It is your test of perseverance, sanctity, valor, and if you succeed in passing through this crisis without discarding your faith - as in test many may or will - you will then receive a well-earned and deserved crown in Heaven.

OBEDIENCE DISTORTED

"Pray for your clergy. Obedience has been distorted now to make them servants of those who are not true rulers.

"Pray a constant vigilance of prayer in your homes. A family that prays together will stay together! Without God in your home there will be separation and discord. A home in this fight with Lucifer cannot survive without prayer and dedication to your God.

SPEAK OUT

"Many homes shall be torn asunder by the fall of the children. Parents shall shed tears of anguish. Therefore, prevent this now while your children are at a young age. Give them a firm foundation of their faith. Be not afraid to speak out against heresy and abominations, even if you have to do this against your clergy. For many now have fallen in with the modernists, the socialists, the communists, and some the satanists. Therefore, My children, I make known to you the crisis that lies ahead.

"Keep a constant vigilance of prayer going throughout your nation and the world. Promote the reading of your Bible. Institute this in many of your churches. Knowledge is power: to fight the false prophets now roaming your world, you must have knowledge and a firm foundation of faith. Satan can also quote Scriptures; so, My children, you must read the Scriptures."

Veronica - Now Our Lady is taking Her Rosary from about Her waist, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Continue now, My child and My children, with your prayers of atonement. They are sorely needed.

"Be not concerned, My children, of where you will live or what you will eat, for you shall not be cast aside. Heaven watches over you and will provide for your needs."

[Pause]

Veronica - The sky all about the trees is becoming a deep pink in color. The pink seems to radiate from beyond the trees almost sending out like, oh, radiating points of a pink coloring. It's very difficult to describe in words. The coloring is coming through the sky from high, very high over Our Lady's statue.

Oh, now the sky is becoming a very pale blue, and the blue is fading and the sky now is clear, all white. And there's a tremendous light now forming all about the sky, and the light is extending far over our heads now - a circular light, just beautiful, as though the whole area now is marked out by a round circular light.

Now far in the distance I can see Jesus coming forward. He seems to be traveling from quite a distance, because I have to watch now as He's coming forward. Now He's coming in much faster. He's floating. There's no way to explain it; it's wonderful to watch the way Jesus just floats as though He is weightless.

Now He's coming down and - oh, He's heading over towards Our Lady's statue. And He's now high in the sky, but directly now over Our Lady's statue. Jesus is looking all about Him. It's very windy because His hair is blowing from His

shoulders. He has on a burgundy red cape, and He has these sandals. They look like they're made of skin. I can't see around His - in the back of His foot, but the strap goes about His ankle, and there's one strap, it's tied on like cord that goes forward to His toes.

Now Jesus is shifting His cape, and I can see He has on an ecru-colored gown. It's very coarse-looking; it's not a smooth material. And He has a belting that looks like it might be a form of hemp around His waist.

Now Jesus is looking over to His right, and He's smiling. He has very brilliant eyes. His eyes are very piercing. I can't explain it. The coloring - oh, I can see Jesus very clearly now - the coloring of His eyes appears to be a pale blue, a very light blue-gray. He's smiling and nodding His head. Yes, they are blue-gray. Oh, now Jesus is placing His hand out in front of Him like this, with His fingers extended, the two fingers and the thumb, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is coming forward. She was standing over, I just noticed, on the right side, on Jesus' left side, the right side of the tree, over beyond the statue, the first tree. Now Our Lady is coming across the sky, and She's moving over. Jesus is smiling and nodding, and She's standing now at Jesus' right shoulder.

And the angels are gathering now. I didn't see them coming through the sky. They're gathering all about Our Lady and Jesus. Now Jesus is nodding. He's taking His first finger and placing it to His lips.

Jesus - "My child and My children, I do not intend to start a long discourse to enlarge upon My Mother's direction. Needless to repeat, the warnings given in the past years of My Mother's appearing upon your earth must be acted upon now.

"I command you as your God to change your life for the better by rejecting all form of deviation and sin. The Eternal Father can no longer tolerate or wait for your repentance. There will be set upon your world a great trial. All who have rejected the Message from Heaven shall suffer, and many will be lost.

HERESY AND APOSTASY ABOUND

"Because of the arrogance and pride of My clergy, many of Our sheep, Our children, are lost to the Kingdom of Heaven. Many mitres are destined for the abyss. Heresy and apostasy abounds upon earth. My child, repeat the full story:

The end is not as far as you can see;
Already there is apostasy.
Man cast his lot and gathered the coals
To stoke the fire that burns the souls.
The days are numbered, the hours are few;
So work and pray and try to do
The mission that's given in the light,
Until that sad day when all becomes night.

"My child and My children, do not waste valuable time speculating on dates or the methods of the Eternal Father, but be prepared at all times, for the first great trial is coming upon you, and it will come when you least expect it. Do not become prideful in this knowledge, My children, for those who are given much - much, far much is expected of them. It truly rains tears from Heaven.

"The Message from Heaven will be given to all mankind. Convert the unbeliever. Do not compromise the Faith, but convert the unbeliever. Do not be joined unevenly; do not be unevenly yoked with unbelievers and heretics, for one bad apple may destroy the crate.

"My child and My children, keep your sacramentals, your monuments, your statues. Already the false prophets set out to desecrate the sacramentals and to remove them from you. As in any army you seek, the enemy will seek to set up a defense by removing your guards. G-U-A-R-D-S, My child, so that they who seek to misinterpret the Message from Heaven will not misunderstand. Your guards are your sacramentals, your armor.

"Keep a constant vigilance of prayer going throughout your world. Be a good example for those in your parish church. I ask you not to abandon My Church, but to stay and fight. We ask not for physical force, but for prayer and example.

"You cannot condone what is wrong, but you must act to correct it. Prayer is one of the greatest weapons now for mankind to use against the forces of darkness that cover now and enshroud the whole world.

"Man of science was ever seeking, but never coming to the truth. Man of science seeks to find other beings beyond the earth, but he will find nothing, for there exists no life beyond the earth.

NO EXTRA-TERRESTRIAL LIFE

"These theories of extra-terrestrial life, these theories have been developed by Lucifer, even unto the false miracles of the end days which you know as UFOs. They are from hell - transports of hell, supernatural transports. They are to deceive and

confound the populace. I repeat, they are of supernatural origin. There is no life beyond earth, only the life given by the Eternal Father as a gift to mankind, eternal life after the death of the body, in the Kingdom of Heaven.

"My child and My children, you must stress the reading of your Bible. Sit down nightly with your children and teach them. Read the Scriptures. You cannot allow them to go out of your homes without this knowledge or they will lose their faith.

"Your sacramentals will be retained. You will understand their value very shortly, My children. I ask you all to do great acts of penance. The Eternal Father holds the balance now. There will be a great trial set upon mankind. Pray a constant vigilance of prayer, My children."

Veronica - Now Jesus is looking about Him, and He's extending His hand out like this, with the fingers, with the two fingers and the thumb forward like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is touching His lips.

Jesus - "Remember, My children, the Trinity: the Father, the Son, the Holy Ghost - three Persons, but the same God; three Persons in one God."

[Pause]

Veronica - Now Michael is coming forward. He has in his hand a huge golden chalice.

VERONICA RECEIVES MYSTICAL COMMUNION

St. Michael - "You will kneel, my child. For you must eat of His Body and drink of His Blood." [Veronica kneels and with tongue extended receives Holy Communion mystically from St. Michael.]

[Pause]

St. Michael - "The tabernacles of the world must not be closed. The great War will destroy many of the churches, but they will be reconstructed with great valor and vigor and faith."

O my Jesus, forgive us our sins. Save us from the fires of hell. Lead all souls to Heaven, especially those who are in most need of Your mercy.

My God, I believe, I adore, I trust, and I love Thee. I beg pardon for all those who do not believe, do not adore, do not trust, and do not love Thee."

[Pause. Veronica prostrates herself to the ground like the angel at Fatima who taught this same prayer to the three children.]

St. Michael - "I, Michael, guardian of the Faith, guardian of the most high Heaven, ask that men do penance at this hour, for a great trial will come upon mankind and many shall die. Penance, atonement, and sacrifice. You will listen, all, to the Queen of Heaven, or you shall perish."

July 14, 1979

In honor of Our Lady of Mount Carmel

Veronica - The sky all about the trees is becoming very lighted. The light is so brilliant, it's so clear-cut that it gives you the impression that you're looking through glass. It's a sharp, deep light. There's no human way I can explain it nor put it into words.

Directly over Our Lady's statue the sky is beginning to open up in a circular pattern. And coming through the center of the host-like circle is Our Lady. Oh, Our Lady looks absolutely beautiful.

She has on a different colored outfit than I have seen Her with in the past. She has on a brown dress - very loose about Her, like a gown, a very full gown. And Her mantle is a light-colored tan.

Our Lady is carrying in Her left arm, oh, a Baby; it's Jesus. Our Lady is carrying Jesus in Her left arm. And She has extended in Her right hand a Scapular, a very large, dark brown Scapular. I can see no figures on it. It's a piece of cloth, and it's made with two strings.

Now Our Lady is holding Jesus very close to Her, and She's placing the Scapular now about Her head, so that one piece must be in the rear - I can't see behind Our Lady's cape - and one is coming down now onto Her chest.

Our Lady is looking all about and smiling. The light is very brilliant. Now Jesus - oh, He looks like He may be around a year and a half, a year and a half old. He has on also an ecru-colored gown. His feet are bare, but the gown is very full and loose, coming down to His fingers almost.

Now Jesus is reaching over to Our Lady, and from about Her belt He is bringing forth Our Lady's beautiful - oh, I would say as we on earth would do - our children would play with the beads. But Jesus is acting very grown-up, very mature. And He's holding the beads out in front of Him, the beautiful beads with the golden Our Fathers and the white Hail Marys.

But now Jesus is holding up the crucifix, like this - the Infant, and extending the crucifix far out, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is very pleased. Now She's placing both Her arms about the Infant and holding Him very close.

Now She's raising Her first finger to Her lips.

Our Lady - "My child and My children, as I look about you, My heart is lifted a bit from the great sadness that has torn apart My heart and the hearts of many who are in Heaven. As a child, I remember My Son Jesus, how He grew up with love and great care in spirituality.

"O My children, I have counseled you through many appearances upon your earth, in countless earth-years, to guard your homes, protect your children, and bring a firm foundation of their Faith to them, because when they leave your homes they enter now a world that is in now full control by Lucifer and his agents from hell. They form the group known as 666, the forces of evil.

"O My children and parents, I counsel you as your Mother, I come to you with dire forebodings for your children in My heart because many are now straying into the web created by Lucifer of false religions and the occult.

"You must understand that the forces of evil are cunning in their trickery. They will not expose themselves to you in their true light. They work behind a screen.

"My child and My children, I will explain this to you more simply. Do not be deceived by the mushrooming centers that house diabolical agents from hell that are now encased in a human body.

BLACK CANDLES-SIGNS OF LUCIFER

"The candles your children are spending your hard-earned money for - the black candles are signs of Lucifer and hell. They are used in the desecration of the true Sacrifice, the Holy Sacrifice of the Mass upon earth.

CHILDREN BEING SACRIFICED TO SATAN

"Do not laugh and think it has become a big myth in your nation and other nations of the world, that there is not murders being committed in the name of ritualistic sacrifices to satan. Many children and young have disappeared, never again to be seen, as they were disposed of after being used as sacrifice to satan, Lucifer.

"It did not happen overnight, My children. It took planning and years of planning. I warned you many years ago to pray, do penance, make sacrifices of atonement.

"My child, you did well to create and restore the grotto asked of you. In the future I will reveal to you the full plan for placing the children of Fatima in your yard.

AS YOU REJECTED ME AT LA SALETTE

"I have asked, I have pleaded, I have begged as your Mother that Our clergy do not fall prey to all modes of humanism and modernism. I have cried countless tears upon you, My children, as I watched, as I called out to you as your Mother, as you hardened your hearts and closed your ears to My pleadings. As you rejected Me at La Salette, so have you rejected Me now in America and many parts of the world.

"I have come to you as a Mediatrix between God and man. I have come to you because the Eternal Father in the Trinity has deemed that I come forward; because I, too, know the frailties of human nature, the obstacles on your road to Heaven, the temptations, and the sins of the flesh that are sending many now fast into hell.

"My children, the United States of America shall suffer a great calamity that will claim many lives. My heart is torn because I know now that many will not be saved.

WARS A PUNISHMENT FOR SINS

"I have cautioned, I have directed, I have appealed to all mankind to turn back from the road that is leading to a world destruction. While your leaders throughout your world are crying for peace and security, they prepare for war. False faces and fronts do they present in the news medias as they prepare for war. O My children, wars are a punishment for man's sins.

"There is little time left. Dates are not given, for what will a date produce but a temporary reversal from sin, and as soon as the danger passes, man will soon forget and go back onto the road to perdition. Man never learns from history or his past.

"As it was in the days of Noe, as it was in the days of Sodom and Gomorrah, so shall it be in the United States and all other nations of the world, unless you turn back now. Your greatest armor is prayer and faith. Believe in My Son and you will be given the way. Do not reject the sacramentals.

"You have become worldly, My children. You reject the sacramentals, but you are now purchasing all manner of worldly trinkets. You bedeck your home with sin and sinful caricatures, but you cast aside the saints.

"Clergy in My Son's House, His Church upon earth, will you not return for the children the statues, the monuments of faith? The children must have a firm foundation. Their minds are not matured enough to know, in feeling within the heart, the existence of peoples in Heaven. These statues, monuments, must be returned to My Son's churches.

"More honor must be given to the Eucharist.

LEADERS LAX AND CORRUPT

"Women have become immoral; men have debased their bodies. Homosexuality is rampant throughout your country and all the nations of the world. Your leaders are lax and corrupt. There are very few voices with authority crying out against the sins that shall bring destruction upon your nation and many nations of the world.

"The greatest responsibility for the salvation of your children shall now be with the parents.

"Many of your medias - I will say all of your medias now, My children - have been infiltrated and controlled.

"I have asked you to read the Book of love and life, the Bible. Read with your children. Many graces shall be given to all who read and study and learn.

"There are many false prophets now teaching doctrines of demons. You must protect your children from falling in with them - false prophets trying to build a church of man, and no angels to guide them. A church of secularism, humanism, socialism, communism, and satanism.

"The Eternal Father, My children, is most merciful. I stand before Him daily, pleading for your cause, asking for more time for penance to be done by many. But these many have become few.

KNEEL FOR HOLY COMMUNION

"My children, kneel before your God in the Eucharist. Do not stand like you stand in meeting halls, but kneel and give Him a just love and observance of honor.

BLACK CLOUD OVER AMERICA

"O My children, when My Son returns upon your earth, will He find even a flicker of faith left in the hearts of mankind? In the days of Sodom, so too were men giving themselves over to all the pleasures of the flesh: eating, drinking, marrying, giving in marriage. All manner of sinful lusts were being committed. Men shameful with men, women casting aside their role of motherhood and lusting after women. As it was in the days of Sodom, so now is this black cloud over America.

"The Eternal Father has a plan. But this plan shall bring great sorrow to the hearts of many. My children, how long can I hold back this terrible chastisement from upon mankind? It truly rains teardrops from Heaven!"

Veronica - Our Lady now - She's holding Jesus very, very tightly in Her left hand, arm. And now Jesus is passing Her the Rosary which He's been holding, and Our Lady is extending the golden crucifix, the beautiful, large golden crucifix on Her Rosary, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, in the name of the Eternal Father, the Son, and the Spirit of life. Continue now with your prayers of atonement. They are sorely needed.

"There will be many accidents that are not accidents, My children. Many young children shall be removed from the world in a plague.

[Pause]

"My child, I give you the choice of which parish to register in. At present, it would be more prudent if you return to the Infant Jesus parish. Later, I will direct you back to the parish in your area. Perhaps we can change some of the ways of the clergy that disturb My Son much.

CHURCH IS THE HOUSE OF GOD

"There cannot be a Church of My Son looking like a Quaker meeting place. It is the House of God, My children and My child; My Son's Church is a House of God, and all come to honor Him. They do not come to have a social gathering.

"There must be holiness returned to My Son's Church. This responsibility weighs heavily on the shoulders of the clergy, the hierarchy. I assure you, My clergy, unless you act immediately upon the counsel from Heaven, many mitres shall fall into hell."

[Pause]

Veronica - High above Our Lady's statue, I can see Jesus coming through the sky. He's wearing a very deep burgundy robe, and He has on a beige gown. I can see the marks on His feet and His hands. His hair is very loose, flowing about Him. Now He's looking about, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "My child and My children, I will not add upon My Mother's message. My child, I gave you the test to come to the grounds this evening. I will not tax you much farther, My child. My Mother's message shall be conclusive for this evening.

APOSTLES ON FOOT

"My child, as you are bedded, I ask that you pray constantly for the clergy. I do not promise to improve your health, My child. There are always thorns with the roses.

"I ask that all who assist you, My child, will continue to do so. They have been well tested by your previous absence. The Message from Heaven must go throughout the world, for the time is growing short. We expect now apostles on foot, delivering the Message from Heaven door to door.

"My child, I will not restore your health, for you have accepted in the past with the affirmative My question to you in relation to victim souls.

"You will pray constantly for the clergy, My child and My children.

"From your bedside, My child - you will soon be unable to go down to the grotto - you will extend your hands out in the sign of the cross and repeat: My God, I adore, I trust, I love, and I guide by You alone. I ask this not of all, but of you, My child.

"And raising your hands, you will say daily from your bed: O my Jesus, forgive us our sins, save us from the fires of hell. Lead all souls to Heaven, especially those who are in most need of Your mercy.

"An Act of Contrition will also be recited daily for the dying, My child: an Act of Contrition and three Hail Marys for the daily who will die each day."

Veronica - Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, with graces for your salvation: In the name of the Father, and of the Son, and of the Holy Ghost.

"Pray constantly, My child. You will have no fear. The time has not come."

July 25, 1979

Eve of Saint Anne

Veronica - . . . forming all about the trees. Now gradually there is a beautiful stream of light coming from the center - not one stream, but I should say streams of light coming from the center of the sky directly over Our Lady's statue. Now the sky is opening up. There's no way I can put it into human language or words to explain the way the sky just rolls back, as though it were a curtain or a veil, and it's just evaporating.

And directly over Our Lady's statue, high in the sky, I can see Our Lady coming through the sky. She's coming through quite fast because now I can see Her feet. Our Lady has on very dainty slippers. They're not slippers; I should really call them sandals because they are gold with two V-shaped inserts over Her ankles, and the gold band I can see about Her ankles that hold them on, I would suppose.

Our Lady is dressed all in white, and She has, though, a very wide blue sash about Her waist. All about Our Lady's mantle there is a trimming, an edge in gold, that I would say is approximately about an inch and a half wide. It goes all about Our Lady's mantle, around Her head and down to Her feet.

Our Lady has Her hands joined together in prayer, like this, and She has Her beautiful Rosary. They're very huge beads that have the golden Our Father and the white Hail Mary beads upon Her fingers. They're draped over Her closed hands, like this, pointing upward in prayer.

Now Our Lady is just about, I would say, three feet over Her statue. She has come in very, very close this evening. Our Lady now is taking Her Rosary, the Rosary with the beautiful golden crucifix, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is smiling very quietly. There is a deep peace, but yet a sadness about Our Lady this evening. She's looking about Her now, and She's now placing the crucifix in Her left hand and touching Her lips with the first finger of Her right hand, which means to listen.

CANDLES OF LIGHT

Our Lady - "My child and My children, I don't think it necessary for Me to go into a long discourse on the state of your world, the spiritual state. Needless to say, man now through his own volition has covered the whole world in deep spiritual darkness. In the plan of the Eternal Father there are candles of light, pockets of knowledge in the hearts of those chosen by the Eternal Father to maintain the truth of the Faith. This knowledge must include Tradition.

"I say unto you as your Mother that the Eternal Father is most displeased by the manner in which you conduct yourselves, O clergy, and also all laymen - the manner in which you conduct yourselves during the Holy Sacrifice of My Son. Less and less respect and honor is being given to the Eucharist.

"How much longer can My tears flow over you, My heart be torn again and again as I see My children progressing farther into spiritual darkness, giving themselves over to all manners of sin. Sins of the flesh are daily sending many souls into damnation - hell.

"Do not listen to the false prophets who go throughout your world now saying and printing and publicizing errors, stating there is no place of punishment. I assure you, My children, before a soul can enter Heaven, the Eternal Kingdom of light, that soul must be as pure as a snowflake before it enters into your world's atmosphere to become contaminated, as the human being living upon earth becomes contaminated of body and soul.

"My children, I have warned you in the past, and I counsel you now as your Mother to beware of those who come to you as angels of light. They are deceived or they are outright agents of hell. Protect your homes. Do not allow this evil to enter your homes to contaminate the souls of your children. Parents must give warning to their children to beware of other youths who approach them upon the streets.

"My children, the Book of life, your Bible, has been rewritten - written to suit the modes of modernism and humanism. Satan also can quote the Scriptures. And you must understand that satan will cover himself by deception by appearing through human beings as angels of light. In one hand they hold the Bible, but in the other a dagger akin to satanism.

MESSAGE OF HEAVEN REACHED ALL CORNERS OF EARTH

"My children, you must all pray a constant vigilance of prayer. I know that the Message from Heaven has reached all the corners of earth, and I ask that each and every one who hears My voice, who reads the Message from Heaven, to become a disciple of your God and go about, whether it be on foot or by pen.

"Do not become discouraged because of the actions of those who discredit their vocation. My children, yes, I have asked you to pray for your bishops, your cardinals, your priests. They are human beings, and they, too, can fall. They do not have a special passport to Heaven. Without your prayers they will fall, also."

Veronica - Now Our Lady is pointing over to Her right side, the left side of the sky. And I see a very large ball forming. It looks like a globe of the world; but strangely it has a, like a wick on the top.

And now coming out of the sky, I see a very comical-looking figure. I think he's comical; then again he's kind of frightening. His face is extremely fat, and his teeth are huge. But he looks like an Oriental of some kind. He's smiling in a very strange way. I notice he has - he's short and has like a stubby type of body. But he's grinning in a very evil-looking way. As he stands with his hands behind him, he's looking about now and it looks as though he's waiting for something. Oh, my goodness!

Now he's bringing out from behind his back what appears to be a long tapered candle. And he's reaching up now. The candle has a light on it; it looks like he's about to touch the wick on the bomb. It looks like a bomb, but it looks like the world with a wick sticking out of it. Oh, my goodness!

He's a very - I don't know who he is; I don't recognize him. But he's an Oriental and has very large teeth; and the grin, even, the way he's grinning makes his teeth very - kind of prominent. But he has - I must say he gives you a feeling of fright because his smile is very evil. Now I can't see him. It's as though a veil is being placed over the scene.

Now Our Lady is moving over closer to our left side, Her right side.

Our Lady - "My child and My children, I have given you now sight of what is to be soon. You will understand in the near future, My children. And you, My child, will not reveal the writing beneath it. Look now, remember, but do not repeat.

[Pause]

"Remember, My child: Look, remember, but do not repeat.

THE ORDER OF THE BENEDICTINES

"My child and My children, you must pray constantly. And I ask now a special, urgent concentration of the Order of the Benedictines to send out the message of Saint Benedict to all, including their medal cast by the thousands, for reasons that man cannot understand. This medal will be worn by all, for without it great calamity will fall upon an individual.

"There will be accidents that are not accidents, great catastrophes of nature. But I assure you, My children, as I counseled you in the past, you will wear your sacramentals, and you will keep the monuments, the statues, in your homes.

CONTINUE TO APPROACH CLERGY IN YOUR PARISH

"I ask you as your Mother, too, not to give in or give up in this struggle to retain a semblance of the Church of My Son upon earth. You will speak out and continue to approach the clergy in your parish. The monuments, the statues must remain.

MAN MUST KNEEL BEFORE JESUS IN THE EUCHARIST

"All honor must be given to My Son in the Eucharist. Man must kneel. My Son's House is the House of God and a house of prayer, and it must not be turned into a meeting hall.

"You shall not win souls and neither shall you enter Heaven when you use humanism and modernism and change as your approach. Heaven gave you a full plan for the redemption of souls. You will not change this plan to suit the basic carnal nature of man.

"The enemies of God have entered even upon My Son's Church. Will you not come forward as disciples of these last days and fight for My Son to retain His Church?

"Bishops! Cardinals! If you do not love My Son, have you no vestige of fear? Do you think you will stand before Him and say that your teaching has been pure in His sight? He shall cast you aside as the vipers you have become in the destruction of souls. He shall cast you into the abyss and eternal damnation. You fool no one. The Eternal Father has been most patient."

Veronica - Now Our Lady is taking Her Rosary and making the sign of the cross, like this, with Her golden crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, for the Eternal Father, My Son, and the Spirit of light. Continue with your prayers, My children. They are sorely needed. Could I take you with Me in My travels throughout your earth, you would constantly do your daily chores upon your knees.

"Victim souls are needed. There must be victim souls, for the balance is uneven, and when this balance falls heavily to the left there will be much gnashing of teeth and woe set upon the earth. The great woes are about to start, My children.

"Pray constantly. Wear your sacramentals, I repeat. Keep a firm foundation of faith in the hearts of your children, or your hearts will break.

"My child, you will continue to make contacts in your local area in the manner I have directed you.
"Yes, My child, We expect much of you. The strength will be given to you through the light."

[Pause]

Veronica - Now directly over Our Lady's statue, there is a tremendous cascading of color - pink, similar to the pink about the trees now. But they're coming in direct rays down onto the ground, directly from the center of the sky. The sky is opening up, too, in a very mysterious way. I can't put it into human language how the sky rolls away, like there's something just beyond what we can see.

And Jesus is coming forward. He has nothing upon His feet, not even sandals this evening. I can see the wounds on His insteps now as He's coming down. He's very close, too. He's approaching Our Lady's statue, close like Our Lady was this evening.

Jesus has on an ecru-colored - not exactly white, but sort of a beige gown, very, very loose and tied about the waist with a cord that looks like it might be a piece of like animal skin about an inch wide. It looks like, sort of like leather but a lighter color. And He has a cape; Jesus is wearing this burgundy-colored cape. His hair is streaming down loosely. And it's a little windy.

Jesus is turning now to the right, to His right and left, and He's smiling. His face is very brilliant. It's very difficult to look into Jesus' face because of the tremendous light that's coming out from Him, all about Him. It's a light that's so bright that I'm certain without the grace of the Eternal Father I would be blinded because the light is so brilliant.

Now Jesus is placing His hand out like this, with His two fingers forward and the thumb extended, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing His first finger to His lips, which means to listen and repeat.

Jesus - "My child and My desperate children, My heart bleeds for you, for I know full well the terrible trials that have beset many of you. Your pleas for understanding and help do not go by unanswered.

"My children, Our foremost request is that you concentrate not on the material but on the spiritual welfare of your eternal soul. Yes, We can send to you material gains, physical health, and other requests for happiness. But, My children, you must understand that first and above all you must request health of the spirit.

CHILDREN WILL CONTINUE TO RISE UP AGAINST THEIR PARENTS

"As the darkness deepens upon your earth, your world will appear to many like insanity has set upon it: murders will increase, accidents called 'freak of nature,' accidents that are not accidents. Children will continue to rise up against their parents, being encouraged by their schools, their teachers, their news medias, and all of the medias that have been well planned to seduce the souls of your children. And the master behind these medias is Lucifer and his agents from hell walking now in human form.

"My children, as long as you reject the existence of the supernatural, you cannot be saved. If you do not recognize the existence of a world beyond your human eyes to see, you will not be saved, for you cannot fight them. There are demons now loosed upon earth. All hell now is upon earth with Lucifer as their head, known as the army of satan, the prince of darkness. Lucifer was a murderer from the beginning, and he will be a murderer to his end.

"Many of you, even clergy in My Church, My House upon earth, are selling their souls to get to the head, and for what? There is not one human being upon earth that must not die, that will not die. Each and every living creature upon earth will die sooner or later. The body will die, but your spirit will not. Your spirit will live with full consciousness, passing over into judgment.

"I have requested many times that the word death be applied only to the human body. For man, as created in the image of his God, there is no death if he will accept the Commandments of his Creator and live his life upon earth as requested and directed by his Creator. Man with his free will can also reject the beckonings of Heaven and fall victim, willingly or unknowingly, to satan. Those who go into the web of Lucifer unknowingly can be brought out through the charity and prayers of another.

SOULS IN PURGATORY THIRSTING FOR PRAYERS

"My child and My children, can you not understand what has happened as man denies the existence of purgatory? There are souls now thirsting for your prayers to be released; but many years have been added on to their sentence of purging because there was no one to pray for them or do acts of penance for them, of reparation.

"Are there so few among you - and this I apply to My clergy: you have brothers in your vocation who have been forgotten. Are there so few among you that cannot bring the balm, the waters of charity from your heart, your prayers, to sprinkle upon the thirsting lips of those who suffer in purgatory? No! You prefer to cast this knowledge aside. You no longer recognize sin, for it has become a way of life upon earth.

"Unless you restore My House, My Church, to its former glory your doors will close, your clergy will be persecuted, and only a remnant shall be left. Is this what you want, you who consort and try to form a socialistic church upon earth? No angels are building it with you; they are demons.

"My children, you will all keep a constant vigilance of prayer in your homes, in your churches. The enemies of God are multiplying.

"In the past many saints were sent to you to prepare you and warn you of these present days that you live in. But who took heed of their counsel? And now My Mother wanders upon earth, and who takes heed of Her counsel? How long do you think I shall stand by and allow you to defame Her? I shall not much longer allow My Mother to be victimized by you.

AN ABOMINATION TO HAVE PORNOGRAPHY IN HOMES

"My children, I ask for victim souls. I ask as your God for penance and atonement. Avoid the occasions of sin. Protect your children. The time given in prayer and penance, the unity of the family will remain intact.

"Take from your homes diabolical literature. It's an abomination in the eyes of your God for parents to have pornography in their homes. They warp the minds of the young and shut the Kingdom of Heaven from them; the doors remain closed.

"Penance will be sent upon the world. In the mercy of the Eternal Father a heavy penance will be sent upon many.

"My children, before this battle of the spirits is over you will all recognize the value of suffering. If you do not bow your knees before your God, you shall be brought down forcefully to your knees. Clergy! Laymen! Forcefully to your knees!

THORNS ALWAYS WITH THE ROSES

"My Mother has been coming to you as a Mediatrix between God and man. She sends you and strews among you many roses. Many have thorns; the thorns are always with the roses. And you will always find, My child and My children, the cross beneath the roses. The road to Heaven is the way of the cross. Pick up your cross and follow Me. The way is narrow, and very few remain on it. Many are called, but few can be chosen.

"Remain constant, My children. Fidelity - remain faithful and true, and you will be saved."

Veronica - Now Jesus is placing His hand in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming down behind Jesus. I didn't notice that She was standing high up in the sky. And She's standing now - she's crossing over to Jesus' right side, and They're now going across the sky over to our left.

Jesus is smiling - very beautiful. The light is tremendous; it's tremendous trying to look into it. And Jesus is bending forward now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is smiling, and She's nodding to Jesus, and They're going across the sky.

Now I see behind that Michael - I didn't notice him before, for the light was so bright; I just couldn't see him standing across the sky. He covers the whole left side of the sky. His wings, now they're - for some reason they're outspread. And he does have wings; they're tremendous. I call them wings, but I haven't found a word more beautiful. They're very downy soft. There's no way I can explain it. The word "wings" does not explain what this is that Michael has on his back. They're just beautiful, downy soft, oh, like weightless. I can't explain it. Now he also has on - Michael has a long white gown. But boy, he's huge!

Now Our Lady and Jesus have reached our - Their left side, our right side, over the trees. And Jesus now is bending over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning to His right, and Our Lady is following behind Him. Now He's nodding. Now They're almost in the center of the sky. Now Jesus and Our Lady are standing there, and Jesus is looking over and nodding.

Jesus - "My child and My children, you will continue now with your prayers of atonement.

"Veronica, My child, My Mother will direct you from your home. You will not be leaving the house very often, My child. You must accept the cross We send upon you."

August 4, 1979

In honor of the Transfiguration of Our Lord

Veronica - . . . the most beautiful luminous light forming. It's a pale blue in color. However, there are streams of light also coming down from the center of the sky directly over Our Lady's statue.

The lights coming from the center of the sky are a - I can't describe the color. They're glass-like; they, they're not blue. They reflect the colors of the sky, which is opening up now and becoming a very, very pale blue, a beautiful color of blue like you would find in the afternoon skies - beautiful.

Our Lady is descending directly over Her statue. She's very high in the sky, but She's coming through very fast down towards us, directly over Her statue.

Our Lady is dressed in a most beautiful white long, flowing gown. About Her head She has a mantle. The mantle is a pure white, a very stark white coloring, like sugar. That's the only way I could explain the true whiteness of Her mantle. All about the outside edge there is a border of approximately an inch and a half of gold that goes all - from Her head right down to Her feet. The mantle extends very long, down to Our Lady's gown.

Our Lady's gown is caught at the waist by a blue sash. The sash is very wide. Our Lady has Her hands joined in prayer, like this; and about Her hands now, I notice - I hadn't noticed before - the Rosary, Our Lady's beautiful Rosary with the golden Our Father beads and the white Hail Mary beads.

Our Lady is taking now the crucifix of Her Rosary, and She is extending it forward. The crucifix is a very deep golden color, and it's very large. I can see the corpus as Our Lady now is turning and blessing: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is kissing the crucifix, and She's returning Her hands now into prayer, a prayer-like formation, with Her fingers extended upward, like this.

Now Our Lady is taking the first finger of Her right hand and touching Her lips, which means to listen and repeat.

Our Lady - "My child and My children of the world - and I call you My children of the world because I have repeated numerous times in the past that the messages from Heaven are for all mankind.

"My children, I could repeat Myself over and over with the directions and warnings given to you as I passed among you through countless earth-years, pleading with you, crying for you, and begging you as your Mother to listen to My counsel, for I have come to you as your Mother, the Mother of the world's peoples, to try to save you from a terrible destruction that is coming upon mankind.

APOSTLES OF THE LAST DAYS

"I ask all to become apostles of these last days because it will be necessary now for man to understand and acknowledge the supremacy of His God in Heaven. I ask that all who have been born into and baptized into the true Faith to go forward as apostles of light, disciples for Heaven in these latter days. The knowledge must be given to those who cannot comprehend, who have hardened their hearts and closed their ears - the knowledge must be given to them that My Son is the Messiah; My Son has been upon earth, and He shall return again as He ascended.

LACK OF PRAYER AND PENANCE IN THE CLERGY

"My children, as it was written in the Book of life and love, man now and the world of mankind is in great chaos. Not only has the leadership become poor in your lay world, but the leadership among the clergy is also poor.

"The lack of prayer, even within the hearts of the men of God, has caused Our children to go astray. Because of the lack of penance and prayer of Our clergy, many souls are falling daily into hell. I have cried tears of sorrow, wandering throughout your world, crying for penance and atonement. Instead, who has listened to My pleas and made an endeavor to act upon them? The Eternal Father in My Son has sent among you voices and voice-boxes to bring to you a message of warning. Your time is growing very, very short.

"Because of pride, which is a worse barrier to holiness, a more formidable barrier against holiness and piety, O clergy, because of your pride - because you did not lock your doors against the heretics as I have warned you; because you did not prepare for satan, whom I warned you years of earth's time before would enter into My Son's Church to do battle with His clergy - you did not prepare and guard yourselves for this onslaught. And now, what are the fruits of your labors: a loss of vocations, My children losing the knowledge of their Faith, all manner of sin, perversion, and abominations being committed upon earth, until all the saints in Heaven cry out to the merciful Father to put an end to these abominations. Less and less honor is being given to My Son.

"Lucifer has converted many into his army of ogres - satanists, and as such now they trample and recrucify My Son. Do you think that the Eternal Father will allow you to recrucify My Son? I say to you as your Mother to make amends, do penance, return to your knees, remove yourselves from your involvement in worldly pleasures and gain and power - political aspirations for the enslavement of mankind.

MANY NATIONS SHALL DISAPPEAR

"My children, there will be a great World War. Many nations shall disappear from the face of the earth. There will be much gnashing of teeth and woe set upon the earth.

"You look for the Antichrist among you. He who denies My Son as the Christ - it is he who is the Antichrist!

CLERGY MISLEADING CHILDREN OF GOD

"Measure for measure, the Eternal Father shall meter to you a just form of punishment. Many shall die in the great flame of the Ball of Redemption.

"There is no excuse accepted now by the Eternal Father among the clergy, who now offend the Eternal Father by misleading the children of God upon earth. The experimentation and changes must be stopped and reversed! There is no other course.

"Many upon your earth now have chosen to worship the adversary, satan.

"I have told you, counseled you in the past, that sin is insanity. Your world and its people are involved - they walk as on a treadmill, seeking power and money and material goods and pleasure. And they go round and about, never stopping as the world plunges faster to the abyss.

"I have asked you in the past to remain away from even the simplest forms of entertainment outside of your home because Lucifer will give you one thousand truths if he can bring in one error to you. Do not be deceived by your medias, because they are under the control now of the agents of hell.

"I ask you not to single out or judge another. But I ask you and counsel you as your Mother to avoid the occasions of sin.

"Pray for your brothers and sisters. Pray that you do not become victim to the governing powers of your world now. Lucifer, the prince of darkness, walks your earth, loosed from hell. He is gathering fast his armies. If you align yourself with him, you will be forever damned. He will buy your favors, for many now are selling their souls to get to the head.

"You will all keep a constant vigilance of prayer going throughout your world. Do not expect to receive from your hierarchy counsel to pray, counsel to do penance, counsel to make amends to your God. Because too few peoples in the light have prayed for your clergy, many of them have given themselves over to a life of worldly pursuits and pleasure.

"Theologians in My Son's churches and seminaries have implemented doctrines of demons in My Son's House - Church. Theologians have set many onto the path to hell.

"The Eternal Father, through His prophets upon earth, have given you in writing your Bible, a clear and simple plan for redemption. And it has been made known to you all by John the plan of the end days and Lucifer being loosed upon earth - the coming of the time of 666. 6 is for the six who are coming and are here now; 6 is for the six days of terrible suffering; and 6 is for the six who will be punished and rechained.

"My children, are you so blind that you do not recognize a supernatural force now, a diabolical force upon your earth prevailing among you? Are you so engrossed in your worldly pursuits that you cannot recognize the days you live in, the latter days?

"The catastrophes from the elements and accidents shall increase unto the time of the great Chastisement. Many parents shall shed tears of great sorrow but too late. Prepare your children now, O parents, that your hearts may not be torn in the near future.

"I ask all parents to retain the monuments, the statues, in their homes. I ask all parents, and counsel you with knowledge of what is to take place soon, that you retain upon your children a sacramental of protection. Do not be swayed by those, even in the clergy, who scoff at the knowledge or the existence of the supernatural. Pray for them, for they are truly a sad sight in the eyes - before the Eternal Father.

"My children, pray constantly. The Eternal Father has sent Me to you as a Mediatrix between God and man. I give you the pearls of prayer, the Rosary. I give you the Scapular of great grace, and I promise you as your Mother that he or she who wears this Scapular upon his person at the time of his death upon earth shall not suffer the fires of hell.

ALL MARKED BY THE CROSS OR MARK OF THE BEAST

"My children, all have been marked now by the cross or by the mark of the beast. My children, the Eternal Father now has tallied the score upon mankind.

"In the days ahead now left for the redemption of your world, great trial shall come upon mankind. Your values, your morals must be restored, restored in a manner pleasing to the Eternal Father, your God. He does not judge by the manner of mankind. The ways of the Eternal Father are far beyond the understanding of mankind.

"My children, the Commandments given to Moses for mankind must be followed, for when you break one, you break them all.

"I shall not go into a long discourse over the evils, over again and over again. I counsel you against the evils in the world now. These evils are so gross in debasity that only Lucifer could have conceived them. But I shall repeat as your Mother: there is no excuse - there is no rationalizing of sin.

HOMOSEXUALITY, LESBIANISM, BESTIALITY

"Homosexuality is a sin that condemns to hell! Lesbianism means eternal damnation and banishment! Bestiality is the most foul and heinous of crimes in the eyes of the Eternal Father. There shall be no scientific excuse given! For each and every one of you in mankind's reign shall stand before the Eternal Father to be judged when you die upon earth, when you leave your body. And what excuse will you give to Him if you do not repent now of your sin? Do penance! His heart is all forgiving if you will do penance!

"The words of the warnings from Heaven, the messages, are going throughout the world. When the end comes - and I do not mean the end of the world; I mean the great Chastisement - each and every man and woman of the age with conscience shall have heard the word and made his choice.

"My children of light, you will continue. Do not become prideful and slacken your pace or think that your work has been finished. You shall continue working ceaselessly until the great Chastisement. For those who have received great graces from Heaven much is expected of them. And O for the man who, through pride or covetness rejects these graces! I say unto him, he has lost the key to the Kingdom.

PRAY ON YOUR KNEES

"I say unto the clergy, My Son's priests and the clergy of the world: you have been blinded because of pride and arrogance. Your minds are confused with worldliness, humanism, and modernism. Pray on your knees! Take your heads out of the fog now while there is time, for your time is running out. Redeem yourselves in the eyes of the Eternal Father now.

"I shall be with you, My children. Do not be afearred of these warnings I give you. They are given not to bring fear to your heart, but to bring the truth of what is to take place upon earth and to prepare you and give you every opportunity to restore the state of your soul, that it be pleasing before the Eternal Father.

"O My children, I will continue to travel throughout your world, crying to you: Repent, for the hour grows short."

Veronica - Now Our Lady is coming back. She had moved over to the left side of the sky, and Our Lady is coming back now. She's moving over until She's directly over the center of the statue. Our Lady is coming down very, very close, and She's placing now Her Rosary about Her waist, like this, until it hangs down. And now Our Lady is pointing to the sky over on Her left side, that's our right side.

And there he is again, that terrible-looking man. I don't know who he is, but he has an Oriental appearance. I can see now what appears to be a globe, a globe of the world, but you could almost picture it as a bomb because it has a wick on the top of it.

Now over - standing next to it, gloatingly, with a most satanic-looking, evil smile on his face, a smile so big that his teeth are extended, and they look very large in his mouth, almost exaggerated - he is a short man, quite husky. He's in some kind of a uniform that I don't recognize. It's - looks like an olive green color.

And now he's standing there as though he's gloating over something, and he's taking his hand now from behind his back again and holding out his long tapered candle. He has a very thin, long tapered candle that's lighted, and now he's reaching over again to light the wick, as though - I do believe it must indicate starting perhaps a, a terrible war or something. I get that impression from his uniform and the fact he's lighting the wick upon the world.

Now the whole scene is evaporating; it's just blowing away like smoke. I can't see much now; the sky is closing in. But Our Lady now is motioning with Her hand up, like that, to me, and now She's touching Her lips with the first finger of Her right hand.

Oh, over - also, I notice there are many angels now. I didn't notice them before, but coming in on the left side I can see many angels. They're dressed in different-colored gowns. They look very beautiful, very spring-like-looking because the colors are all pastels. I can pick out the yellows, light blues, light pinks, light purples.

And they all have on their heads this evening - I can't see their faces; it's just - the light is so bright. But I can notice that they're wearing what appears to be like head wreaths of green leaves; they look like green leaves in a head wreath about their heads. And there must be - oh, more than twenty-five, thirty of them. I haven't counted them, but just generally they look like about twenty-five or thirty. Now they're, they're all milling about Our Lady, and Our Lady is smiling. Because of their size, they

almost look childlike, the angels. I can't see their feet; the gowns are very, very long. And I can't see any hands. But there's - they, the light is so brilliant that I'm almost certain that without the grace of God I would be blinded, it's so brilliant.

Now Our Lady is moving over now, and She's taking the Rosary from about Her waist again, and She's extending it out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is turning to Her right and extending Her crucifix out, the beautiful large golden crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now She's just looking straight forward and raising the cross again: In the name of the Father, and of the Son, and of the Holy Ghost. Our Lady is kissing the crucifix. And now She's holding Her hands in a prayer-like stance, like this. Now Our Lady is touching Her lips.

Our Lady - "My child and My children, you will continue with your prayers of atonement now.
"You will take the three photographs, My child, as I instructed you earlier."

[Pause]

Veronica - . . . can't quite put it in words. Now directly in the light, the light has expanded outward, almost circular, across the sky, and Jesus is coming forward. He has nothing upon His feet; His feet are bare. His gown is very long and very full. It covers right down to His ankles; I can barely see His ankles. However, now as He's coming closer, I can see the marks upon His insteps. They're very, very sore looking, very, very painful looking to - just to look at them. It looks like the skin hasn't healed.

Now Jesus is looking about Him. He has on an ecru - it isn't a white, its more like a beige-colored gown with a belting of some kind of animal skin. It's a very thin belting. And about His shoulders there is a cape.

The cape is a deep burgundy color. I can't call it red because it has more like a plum color in it. I can't explain the coloring, but I guess you'd call it burgundy. It's plain but very heavy. The material could - looks almost similar to our velvet that we use here on earth. I don't, I don't know. It's a - the material, it looks like its velvet. Now there is a cape, but Jesus has it down His back. I can see part of it on His right shoulder.

And His hair is flowing now. In the light His hair looks like a reddish brown, but I don't know if His hair really is. Sometimes it looks like it may be just a dark brown, and the color comes from perhaps the reflection of the light on the burgundy cape. It's difficult to say with the light so strong.

Now Jesus is coming forward. He's directly over Our Lady's statue, but quite a bit higher than Our Lady was standing. He's looking all about Him now, and He's raising His hands - His hand forward, like this, with the two first fingers and the thumb extended, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's also turning to His right and moving over a bit to His right and extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking all about Him. It's quite windy because His hair is blowing. Now He's moving across the sky beyond the statue. He's moving towards the - our right, His left. Now He's just a little above the tree, and He's extending His hand out again with a blessing, the two fingers and the thumb - I can see them very distinctly, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is moving, turning right and going back across the sky.

Oh, Our Lady is coming across the sky from the left. I didn't see Her over there. And the angels - they, they look like the same ones that were with Her before.

But now I see Michael in the background. He's coming into the sky, and he's like a protective shield, because - Michael is difficult to explain. You know he's certainly supernatural because he's tremendous in size, and he has a way of covering - his . . . I couldn't call it a body; the whole breadth of him goes across the sky, like a shield over Our Lady and Jesus now.

And the smaller angels, they appear child - very childlike in their colored gowns. They're standing by Our Lady. Now Our Lady is at Jesus' right side.

Now Jesus is placing His left hand like this, across His chest. And now He's taking His first finger and touching His lips. That means to listen and repeat.

Jesus - "My child and My children, a long discourse will not be given by Me, for I am certain My Mother has made it known to you quite distinctly and clearly, and understandably to My clergy in particular, that there must be a major reversal of the present trend for innovation, change, and experimentation in My Church.

MAKING THE CHURCH A MEETING PLACE

"My Father's House, His Church, is a house of prayer, meditation, and honor to man's God. Therefore, I object, as your God, to the manner in which you are seeking to change the plan from Heaven and making My House a meeting place, even including, in your quest for conversion, heretics, schismatics, and satanists. Clergy and the children of earth, I warn you as your

God that you will not make any conversions that will stand the test of time by compromising the laws, the rules, and the plan of Heaven given to you throughout the ages of earth's time.

THEOLOGIANS BLOATED WITH PRIDE AND ARROGANCE

"The way to Heaven has been written in the Book of life, your Bible. We do not expect you to change it to please man, for man must change his ways that offend his God to please his God; for man must strive to be as perfect as God the Father to enter - in order to enter the Kingdom of God the Father. Therefore, you will not change the doctrines or go about with itching ears listening to theologians who have become now bloated with pride and arrogance and now seek to make man a god in his own world. But remember: every man, woman, and child upon earth will leave his body sooner or later, for he must die and pass over the veil for judgment.

"There are many false prophets in the world now bringing you doctrines of demons, peppered for activity with humanism and modernism, socialism, and communism, and all of the 'isms' that come under one major heading of satanism, for they are all promoted by Lucifer for the eventual destruction and downfall of mankind.

"Clergy, you must pray now and do penance. Gather your graces. And these graces shall not be counted in the coffers of your collection plates. You will not carry a mark of esteem with the heading of the dollar sign, for you will sell your souls to get to the head. Do not spend your time building an empire of wealth and fame, for the Eternal Father will set judgment upon you, and neither counting your money nor your worldly fame, but the duty and the honor that you have extended to Him in your vocation and your life's work, and the manner in which you have brought His sheep to Him, or the way that you have been instrumental in leading them to their damnation and into the abode of the damned with Lucifer.

WOE TO THE CLERGY WHO REJECTS HIS VOCATION

"And woe to the clergy who has given himself over to worldliness and sin! Woe to the clergy who rejects his vocation and chooses a life upon earth after he has taken his vows! I say unto him: the judgment will fall great upon him.

"My children, parents of the world, protect your families and your children. Do not expect a firm foundation of faith now from the teachers of the world.

"As followers of your God in Heaven, you will be scorned by the world, for if you were part of the world, they will accept you; but as you do not become part of the world, they will reject you because you will not be of the world. You cannot be of the world and enter the Kingdom of Heaven at the same time! You may live in the world, but you cannot now become part of the world which has been given over to satan and his agents.

"Your life upon earth is but a short pilgrimage. You do not know the day nor the hour when you will be removed. What guarantee do you have now that you will be prepared, unless you live each day as if it was your last day upon earth. And for many that hear My voice through this Message from Heaven, it will be their last day.

"My children, keep a constant vigilance of prayer, penance, and atonement going throughout your country and the countries of the world. Pray for your priests, your bishops, your cardinals.

POPE UNDER GREAT ATTACK

"Pray for your Pope in Rome, the Bishop of Rome; he is under great attack. Unless you pray for your Pope, he will go the way of the others.

"My children, I shall not tax you at this time with a long discourse on the present condition of your government and My Church and all of the evangelical missions upon your earth. But let us suffice it to say at this time that I give you knowledge that the time is growing short.

RECEIVE THE EUCHARIST DAILY

"Prayer, atonement, and sacrifice must now be your guide through life. Wear your sacramentals. Receive the Eucharist daily. I come to you; I am with you. It is My Body and My Blood. He who nourishes himself with It shall live forever."

Veronica - Now Jesus is extending His hand out again, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is touching His lips.

Jesus - "My child, you will repair now to your home and guard your doors well. Participate in no form of outside entertainment. You will be bedded as directed at Our last meeting. You will understand, My child, that great penance is asked of all. Yes, My child, even Our seers upon earth must accept a heavy penance."

August 14, 1979

Eve of the Assumption of Our Lady & in honor of St. Joachim

Veronica - All about the trees there's a beautiful blue light. It's a pale blue light, but it gives you a great feeling of warmth. It's so beautiful. The colors that always come from Heaven are beyond human description. I don't think any painter on earth has been able to place these colors onto easels or even on crayon in any human means. I don't believe any human being could actually duplicate the colorings of the angels' gowns and the colors that cascade from the sky with Jesus and Our Lady's appearances.

Now all about the trees the lights are pointing upward. They're beginning to form like - I can't explain it; it's like slivers of glass, the light. The light is pointing as though it's coming out of the trees upward. And directly in the center of the light, the sky is opening up into a beautiful clear blue, with stars all in the sky. Just beautiful!

Oh, Our Lady is coming forward. She's coming right - from a great distance, right through the sky. And the stars now - it's the most amazing thing; the stars are now all joining together, coming out of place in the sky and forming about Our Lady's head. They're suspended like a crown above Her head. It is so beautiful!

Our Lady is coming forward. She has Her hands like this, in prayer. She has on the most beautiful pale blue mantle. Her dress, Her gown, is very full. And it's a pure white.

Now I notice She has a deep blue sash that matches the coloring of Her mantle. And all about the outside of Her mantle there is a beautiful border of gold. It looks like real, pure spun gold, about - oh, I would say about maybe a half an inch to three-quarters of an inch wide.

Our Lady has dangling - you know, hanging from Her hands, Her beautiful Rosary, the Rosary with the huge crucifix of gold and the golden Our Fathers - magnificent. The beads are unusually large, the Hail Mary beads now.

Our Lady is coming - oh, She is now approaching over Her statue. Our Lady has on sandals. They're very delicate, very narrow bands through Her feet. And they are a one-piece sandal with one - let's see, strap going from Her toes up to Her ankle; and there's a band of gold holding them in place. But I notice that down at the tip of Her sandal, on the band, there appears to be what is like a miniature golden rose on each of Her feet. Oh, it's very - Our Lady looks very petite. Oh, just beautiful!

She's looking about Her now, and She's smiling; Our Lady is smiling. It's a sad smile, though.

Now Our Lady is turning over to Her left side, which is our right side. And Our Lady now is taking Her hands apart, and now She's taking Her Rosary and extending the golden crucifix outward, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is kissing the crucifix. And Our Lady is coming closer now. She is now holding the crucifix like this, but She's placing Her first finger to Her mouth, which always means to listen, My child, and repeat.

Our Lady - "My child, you will extend to Me your crucifix with the medallion upon it."

Veronica - Our Lady now is taking Her Rosary and with the golden crucifix, extending it out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I will not announce publicly, My child or My children, My reason for placing this blessing upon the medallion. However, in time you will understand, and I will permit you, My child, to tell all.

ALL NATIONS IN DANGER OF DESTRUCTION

"My child and My children, listen well and give this counsel from Heaven to all mankind: That you are now on the road to destruction, spiritually and physically. I cannot look upon your nations and find one that is not in danger of being destroyed.

"You understand well, My children, that the major concern of the Eternal Father is for the salvation of the souls of all mankind. We look upon you now, and it grieves Our hearts in Heaven to find now brother against brother, sister against sister; murders abounding upon earth; atheism, communism, socialism, and all of the 'isms' that directly lead to the control of Lucifer and satanism. And what can you do now about the advance of this evil, My children? There is only one recourse now to save mankind. Your nation, My child and My children, and all of the nations upon earth have now been reduced to a state of moral decay. It is a major sign for the fall of a nation.

"My children, the Eternal Father allows you to pursue your course. There are many now, seers and voice-boxes upon earth, encouraged by graces from Heaven to go forth in the name of the Lord, the God Almighty, the Creator of all your universe and mankind. They are sent now among you to save mankind from hurtling fast into a world cataclysm of destruction. O My children, it truly rains teardrops from Heaven!

ONLY A REMNANT TO BE SAVED

"My child and My children, We had great faith that the United States - We were encouraged by the great Christian fortitude of the United States and many nations upon earth in their pursuits to bring the knowledge of true Faith as given by the Eternal Father, through My Son in the Holy Spirit, to earth. But now Lucifer - satan and his agents are gaining more ground in the battle for souls. I see only now a remnant left to be saved. Will you not in all charity reach out and try to save your brother with the little time that is left?

"Penance, atonement, and sacrifice, My children, I beg of you! The family is disintegrating; there is no discipline. I hear the word 'love' expounded throughout your earth in all medias. But love has been lost!

"We watch as many are selling their souls to get to the head, not caring about the day, the night, the hour when they must come across the veil and account for their actions upon earth: their sins of commission, their sins of omission.

"Parents, you have a major responsibility now to save your children. The young are the major victims now in a world that has been taken over by satan and his agents.

"My child and My children, do not be hindered in your mission by the scoffers. The knowledge of the supernatural has been cast aside and replaced with all manner of scientific theories and speculations. But it will lead them to nowhere but destruction. Man is ever seeking but never coming to the truth; for the truth lies in the knowledge of his God and following the plan given in the beginning for his salvation!

"Man now is setting up upon earth a one-world government and a one-world religion. But it means enslavement of the masses and the destruction of faith. I have told you over and over, counseled you in the past, to not be influenced by your medias, newspapers, and that infernal box, the television.

CHILDREN NO LONGER ARE CHILDREN

"Parents must guard their children, for their purity, their spirituality, is being taken from them at a tender young age. Childhood - in the manner now of the evil despots and the leaders of the governments of many nations, children no longer are children but are to be led like robots and slaves.

"Parents, I have asked you to pray, to keep the monuments, the statues in your homes, to retain the sacramentals upon your children. And now I must go on further and tell you this: That there is loosed now upon the world an absolute kingdom of darkness - the kingdom of the prince of darkness, the devil, Lucifer.

ETERNAL FATHER WILL NOT TOLERATE SIN

"As I go about your earth, it behooves Me to say that many now have set up altars to false idols, worshiping graven images, conducting themselves as in the days of Sodom with bestiality and homosexuality and sodomy. My children, you will be destroyed! You do not learn from your past. The Eternal Father will not tolerate sin!

"It will be necessary to remove many young from among you. Parents shall cry tears of bitter anguish, but you have been warned to protect your children!

"I have asked you to make it known to all mankind that a major force of evil, worshiping Lucifer, the prince of darkness, is loosed upon your earth. Great funds are supplied, monies to propagate this evil to bring about a revolution by fear. Murders abound in your land! Dishonesty in politicians, dishonesty in medias! Lucifer is the father of all liars.

OCCULT GROUPINGS ALL UNDER RULE OF SATAN

"My child and My children, you must warn your children, the young, who seek solace in a void in their spiritual life that they must not join occult groupings. There is no such group as a good witch or a bad witch. My children, they all are under the rule of satan!

"There are two major forces in your world today, only two: good and evil. In the battle between the spirits now upon earth, you will either go to the right or the left - good or evil. If you take a middle road, you will go nowhere but to the left and fall away from the road that leads to the Kingdom of eternal glory with your Father in Heaven.

SACRIFICES OF THE LIVING TO SATAN

"Practices and abominations abound now in every country of your earth, My children: secretly and openly, practices and rituals, sacrifice of the living. And scoff as you will, My children - is your child to be next upon the altar to satan? Is your child to be drained of blood?

"My child, I know you are affrighted by My discourse with you. Do not be affrighted, My child. There is no reason to fear, for you are under the protection and the guardianship of Michael.

"Yes, My children, understand well: Do not seek diversion or entertainment in the occult, seeking fortunetellers and sorcerers. You read all manner of literature to destroy your souls! Can you not open a few pages of your Bible and read that? No-o-o! Because you are not in the light. You are not seeking the truth because you have given yourselves to the world, seeking power over your brothers - false power!

DRUG INFILTRATION

"When Luciel, Lucifer, was cast out of the Kingdom of Heaven he retained many powers, My children. I will not go into a long discourse at this time about his powers. However, you must understand that he can promote false miracles. And now, since he has captured the souls of many who sought with pride and arrogance gain, fortune, monies, power, Lucifer has allowed a major plague - the drug infiltration upon your nation and the world. And now there are those who, through the plan of Lucifer, know and now control with mind-manipulation.

"My child, you will understand in due time, in full measure what is going on. I ask that you continue to send the messages from Heaven, never ceasing in your fortitude, perseverance. All of the necessary help will be given in this battle.

"Console your hearts, My children, in the time of trial and stress, knowing that the eventual victory is with Heaven and those who have joined Us in this crusade against sin.

"My child and My children, you must pray constantly, for there are many false prophets and angels of light now upon earth. They will deceive even the elect. You cannot now depend fully on your clergy.

"Parents must exercise full discipline over their children and bring a firm foundation of faith to their children. You cannot now expect this in your schools or even in My Son's houses, His Church upon earth. The agents of hell have a firm foot now in the door. My children, are you going to fight for My Son? Are you going to allow your country to fall?

PRAY FOR YOUR GOVERNMENT RULERS

"Pray for your government rulers. Pray, My children, that the Eternal Father will be more merciful and allow you time before a great catastrophe falls upon your nation, the United States.

"Remember, My children, always, that wars are a punishment for man's sins!

"Prayer, penance, and atonement, I beg of you from My Mother's heart. I come to you as your Mother, a Mediatrix from God to man. I come to you to console you, all parents who weep, all parents under trial. Come to Me, and above all, before Me, I say: Come to My Son Who you neglect. You no longer visit Him at the tabernacles of the world. You do not strengthen your bodies or your souls, for you do not nourish your soul with His Body.

"The cross, the symbol of life for all, is being trampled on; and even by many of His clergy, it is being trampled on. But only for a short time longer. The Eternal Father will not allow My Son to be recrucified by His own.

"You will all pray for your clergy, your cardinals, your bishops, Pope John Paul II. The forces of 666 are now in command even in the Eternal City of Rome. However, the Eternal Father knows the outcome.

"The pages are turning fast as written down by John. The Revelations are fast coming through the pages to the end of time as you know it. I do not say the end of the world, I say the end of time as you know it.

"O My children, it is of your free will that you put yourselves onto the road to perdition. Many clergy now are also on the road to perdition and taking many souls with them. My Son will ask for full accounting, measure for measure of His clergy.

THE BROWN SCAPULAR

"My children, you must all unite in prayer, link for link, using the sacramentals given to you from Heaven, the beads of prayer, your Rosary, the Scapular of life; for I promise you all who wear the brown Scapular shall never feel the fires of hell. Even the greatest of sinner will be converted and saved if he will wear the brown Scapular when he passes over the veil, when he leaves, My child and My children, his body at the moment you call upon earth death.

"But I say unto you as your Mother, for My Son and all Heaven, there is no death! For you continue to live with full consciousness when you leave your body. Then, My child and My children, what will be your reaction if you have not used every means possible to store graces for a quick entrance into the Kingdom of your God?

BEATIFIC VISION RESERVED FOR CATHOLICS

"Do not judge your brothers and sisters who have not been converted. For My Father's House, My Son has repeated over and over: remember always that My Father's House - there are many rooms in the Mansion, signifying faiths and creeds. However, the Eternal Father, the beatific vision, is reserved for the Roman Catholic following. This it has been deemed by the Eternal Father since the beginning of time.

"You are all descendants from the creation of the Eternal Father, Adam and Eve. And as such you face the trials, you face the punishments, as they did; for there is a reward for holiness and purity and piety and following the Commandments of

your God. And then, My children, there is also a deficit in reward by your banishment to the abyss, eternal damnation forever with Lucifer.

"I realize, My child and My children, My counsel is often stern. But can I not impress upon you in any way the urgency of this Message from Heaven, the coming great War upon you, and then the Ball of Redemption?"

"My child, you understand well in My discourse in private with you the great numbers of deaths that will occur in your country. Therefore, My child, I do not ask you to tax your heart. But I ask you to make the decision of your own that you will continue unto your rest, giving as a voice-box from Heaven the Message that comes to all mankind from the Trinity through your humble Mother and all of the angels in Heaven, and the saints who cry now out for a just punishment upon mankind, so long have they observed the abominations committed against My Son.

"Pray, My children. I repeat: Retain your sacramentals, make many sacrifices. Do not involve yourselves with worldly pleasures and pursuits, for the pleasures of the flesh have condemned many to hell."

Veronica - Now Our Lady is taking Her Rosary and taking the very large golden crucifix, like this, of Her Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, for the Eternal Father, My Son, and the Spirit of light.

"Please, My children, shout it from the rooftops; the time is very short. Reach as many of your brothers and sisters possible.

"Many manifestations shall be given to strengthen you in the few days ahead."

Veronica - Now Our Lady is raising, also - She is turning towards Her right, our left, and with Her crucifix She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning over to Her left and going across the sky. Now She's far over by the first tree with the tall branch.

Our Lady now is coming down a little closer. She's bending over, like this, and She's making the sign of the cross. She's quite far now over on our right side now, leaning down and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is going back across the sky. And I didn't notice it before - I saw the tremendous white light behind Our Lady, but Michael now is coming forward. He is tremendous! I'm always so happy to see him. He is the most magnificent being I have ever seen. He covers the whole sky. There's no human way to explain him or even to draw him. He doesn't look out of proportion. In fact, you have a most wonderful feeling, looking upon him, of protection.

Our Lady is smiling. Our Lady is touching Her fingers to Her lips.

Our Lady - "My child, he is the guardian of the Faith. Continue now, My child, with your prayers of atonement."

[Pause]

Veronica - The sky all about the trees is becoming a very deep pink. And directly over Our Lady's statue, the sky is opening up in a circular pattern of light. Oh, I wish everyone could see this light. It's - there's no human way to explain it. It's looking like - the only way I can explain it in my own words is to say that it's like looking through a pane of glass. But it's like slivers, and it's crystalline - beautiful, brilliant! In fact, I'm sure - the light is so bright that without Heaven's protection, I don't think I would even have eyes left or be able to see, it's so brilliant.

Jesus is coming forward, and behind Him I can see Michael now. Michael is standing directly behind Jesus, but he's covering the whole back of the sky. In fact, as far left and right as I can see, Michael is still covering the sky. There's no human way of measuring the dimensions of him. He's absolutely a warrior from Heaven; that's the only way I can explain it.

Jesus now has approached just a little above Our Lady's statue now. He has nothing upon His feet; I can see the wounds on His insteps.

Jesus has on a deep ecru-color gown. It's not a white; it's more like a beige color - very, very full. And His cape now - I have never seen yet . . . (He's smiling at that.) I never saw Jesus with His cape over His head - you know, the hood part. It's hanging down in the back. His hair is blowing freely. Jesus has His hair parted - I can see now, as He's looking down - His hair is parted directly in the center, and His short beard - He has a short beard; it's very nicely cut. You know, it's not long, it's very short.

And His cheeks - I don't know if it's a reflection from His cape, but His cheeks look very rosy, sort of. And He's smiling. He has very -

"Oh, describe Your eyes? Well, they're beautiful! They look - in the light I can't tell, Jesus, I can't tell, but they look gray-blue. Am I right?"

He nodded His head. Yes, they're gray-blue.

And He's now - is placing His hand out in front of Him, like this, and making the sign of the cross with His three fingers: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing His hand across His heart. Now directly over on our right side, Our Lady is coming over. I didn't notice that She was over, far over on the right side, that would be His left side. Now She's moving across the sky, and She's standing now - She's going past Jesus, and She's at - now at His right side. That would be our left side here.

Our Lady looks quite a bit shorter than Jesus. He looks - looks about, from here, six feet, about six feet tall. And Our Lady comes to His shoulder, little bit below His shoulder - cape; I can notice it. And Our Lady is smiling, and Michael is still standing like he's guarding. He's looking about him.

Now Michael has on a long gown, also. It's not as white as Our Lady's gown, but it's a true white color. And I can't see - like I say, I can't see any hands or feet on Michael. He's standing there.

Now I notice there is something coming up from behind Michael, like a wingspread. Oh, yes, it's his - I guess - I wish I had another word. They call them wings, but they - to me they don't look like wings; there's no human way to explain it. It's soft, downy something, coming out from behind his shoulders, and they extend right out, upward. So I can see them very well, and there's a tremendous span across the sky.

Now Jesus is touching His lips with His first finger. That means to listen and repeat.

Jesus - "My child and My children, I am certain that My Mother has given you complete counsel about the existing conditions upon earth.

"As your Mother and the Queen of Heaven, She has on countless missions gone throughout your world, trying to warn you of approaching disasters and calamities. She has cried until all of the saints say it's truly raining teardrops from Heaven. For She has cried as your Mother, asking you to listen to Her, warning you as Her children to do penance now, make atonement for your sins; for your sins now have risen to a degree that calls for immediate punishment.

FALSE MIRACLES SHALL ABOUND

"As you have been warned through prophets of the past, who placed on parchment the words and counsel from Heaven, you are living in the last days. There are forces now loosed upon earth far greater than have ever been seen in the history of mankind. They will bewilder the minds of scientists. False miracles shall abound upon earth. Satan and the armies of hell - all hell now is loosed to do battle with the children of God.

"My children, as an army, you must be prepared for the enemy. As an army from Heaven, you must wear your armor. Your sacramentals and the direction from the Queen of Heaven: that is your armor. And you must listen, or it will be too late for too many.

"There will be much woe and gnashing of teeth set upon the earth by the agents of 666, Lucifer. Because many minds have been poisoned by satan, scientists and men of power are deluded.

"Their minds have been clouded because they search not for the truth, but in greed and avarice they search for power and money, esteem, enslavement of their brothers. And for what? Each and every one of you must end your life upon earth at some time sooner or later. Tomorrow will be the end for many.

"The Eternal Father in Heaven knows the day and the hour for the coming great Chastisement. A partial part of this knowledge has been given now to a few voices upon earth who, like John, go forth crying out like voices in the wilderness: Get ready now, for the punishments are approaching!

"My children, if you cast aside the Commandments of the Eternal Father and set up a new rule to live by, you are lost. If you defy the Book of life and love, your Bible, and rewrite it to suit your own basic carnal human nature, you are lost! If you bring false doctrines upon earth, the doctrines of demons, worshiping false gods, worshiping Lucifer, you are lost!

"Pray for your children. Parents, do you really know your children? Have you taught them to pray? Have you given them the knowledge of their faith? No-o-o, I say unto you as your God! Your actions, your heart is not unknown to Me. The Eternal Father looks into your heart. You cannot hide your sin; it will be exposed! No evil is ever triumphant. The Eternal Father will turn all evil to good, so desperate is He that not even one soul be lost to Him.

PASTORS LIKE DUCKS TRAVELING DOWNSTREAM

"Awaken now, My pastors, from your slumber. You are like ducks traveling downstream, heading for a whirlpool that will take you deep down into the abyss. You are playing follow the leader, and who are your leaders but enemies of My Church! Open your eyes! Do not harden your hearts because you have become soft, My pastors. You care more for the pleasures of the world. You have become worldly. You have lost your way, and the sheep are astray. Shall you stand before Me and say that you have completed your mission in the light, in good sight before Me? O woe to the pastor who neglects his role, his vocation! O woe to the pastor who sells out My Church for silver and gold. I will say unto him: Begone from Me. Like a viper, you shall be destroyed in the abyss.

"The members, the agents of iniquity, abound upon earth. Every man, woman, and child with conscionable age has an accounting now before the Eternal Father. You have a free will. In the plan of the Eternal Father you are given this free will. We cannot force you to listen.

"The Eternal Father, His ways are unknown to mankind, could never be understood; for, in His all-knowing heart He uses persons, places, and things to try to recover each and every soul. But if you defy Him and you refuse His counsel and you refuse His grace, then you will be destroyed!

"I shall no longer stand by and watch the abominations and the defamation of the name of My Mother.

"My children, you will accept the counsel from Heaven or you will be lost! You cannot be influenced by another human, for when you come over the veil - and each and every one of you will be over the veil and must stand in judgment - no one can save you from a just judgment. Already you will have gathered or rejected the graces and stored them in Heaven or cast them aside for a few short years upon earth. Count, My children, and think; you are not young forever. You grow old and your years become shorter. Have you prepared now for your eternal life?

"There is life beyond the veil. Let no one take this knowledge from you. There is no death but of the body. For a temporary measure of the time your body will die, but you live in full consciousness after your body is placed in the ground; you live in full consciousness, and you will be eventually rejoined with a glorified body at the end of all time.

LUCIFER'S GREATEST ARMOR-NOT TO BE BELIEVED IN

"My children, do not accept all of the deception that satan now has placed upon your earth. His agents walk in human form, coming to you as angels of light. Be aware that Lucifer - his greatest armor is to be not believed in. His greatest defense is that you do not know he is there; for then, like the invisible agent of hell he is, he can then wreak havoc among you.

"And the souls are falling fast into hell now daily. My Mother's visits into purgatory bring out fewer and fewer now. And who has the responsibility for these souls in purgatory but you, My children. You do not pray for your relatives! You do not pray for your dead clergy. They have no special passport to Heaven. Many are in purgatory. Pray for your clergy, living and dead! Pray for your family, for many parents shall shed tears of anguish.

"I give you My heart, torn anew by My own. I give you My Mother, the gentlest of creatures, human and sublime. I give you My Mother Who will be with you through the battle until I return as I ascended into Heaven.

"My Mother remembers full well, as I do, Our years among you people upon earth. We know of your human frailties. In that manner can We - Our hearts bleed with anguish for you.

"You must, My children, not allow the disciples of hell to try to remove the truth from among you. As I repeat the counsel of My Mother: There are many false prophets upon earth. By their fruits you will know them. Satan cannot remain hidden long.

"Remember, My children, come to My Mother; for in Her memory of Her human days upon earth, She above all humans created - sinless, without the stigma of sin, a perfect life upon earth without sin, and assumed into Heaven, body and spirit - She above all can direct you because She is your Mother; She is the Queen of Heaven, and the Mother of every human being upon earth."

Veronica - Now Jesus is extending a hand - He has His hand out like this - and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning to His right, and He's saying something I can't hear to Our Lady. And now They're both going across the sky, our left side, on our left side but Their right side, and They're now a little above the limb of the tree, and They're bending over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now They are turning to Their left, and They're going across the sky. It's just wonderful to see the way They move. They don't move Their feet at all and walk like we do. They seem to be weightless, though They look as solid as you and I; but They just float across the sky.

And now behind Them there's forming a very large ball, like. The whole sky is becoming - there's a circle of light behind Them. Oh, it's so clear; I'm sure everyone can see it. Right behind Our Lady and Jesus there's a whole circle of light, and the stars are coming out so brightly in the circle. Oh, it's so beautiful!

Now Jesus and Our Lady are over on our right side. Now Jesus is bending over, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now They're cutting across the sky; They've turned to Their right. Our Lady and Jesus are standing there. And it's quite windy up there, too, because I notice that their skirts are rustling. And They're going across - they don't have to walk, They're just standing.

Now Jesus and Our Lady are turned towards us, and Jesus is holding His hand across His heart, like this. And Our Lady now is taking Her Rosary again and extending the crucifix - no, She's kissing it now. Our Lady is kissing the crucifix and extending it out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is touching His lips.

Jesus - "Continue, My child and My children, with your prayers of atonement.

"Veronica, My child, I wish that now you bar your doors to all but your immediate family and close workers. As I counseled you in the past, My child, you must now for your own protection remain in seclusion.

"If necessary, it will be more penance, My child, if you do not follow My counsel, for you will remain then partially in bed - paralyzed.

"Do not be affrighted, My child. I am giving you fair warning now to bar your doors."

Veronica - "Yes."

Jesus - "My child, you must understand that you are now like a sheep surrounded by wolves, and you will have to have protection. Your sacramentals are sufficient for your spirit, but We must for a time preserve your body, My child.

"You will repair home, My child, now, and remember now this dire counsel: you will bar your doors."

September 7, 1979

Eve of the Nativity of the Blessed Virgin Mary

Veronica - All about the trees there's a beautiful pale blue light forming. It's cascading upwards through the center of the sky directly over Our Lady's statue.

Now in the center of the sky there's an opening forming. It's like a circular - oh, coin-like - I've tried to express it in human words the way the sky parts as Our Lady is coming forward. Oh, She looks very, very beautiful, very beautiful!

Now directly behind Our Lady - oh, Jesus is also coming forward. And I can see now - I can't count them now, the numbers are so great - angels that are following. Our Lady is now almost directly above Her statue. And Jesus now is standing - Our Lady is moving over to His right side; Jesus and Our Lady are standing directly above the statue. Oh, there are, covering the sky now, the most beautiful formation of angels. Oh, it's a very, very special occasion in Heaven. And there are voices singing now, "Ave Maria. Hail to the Queen of Heaven! Glorious is Her reign forever, in the name of the Trinity."

Now Jesus is looking all about Him. Our Lady is smiling also. Now He's - Jesus is placing His hand out, like this, in front of Him: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking over to Our Lady and nodding His head. Our Lady has come forward a few feet in front of Jesus, and She's taking from about Her waist - Our Lady has on a beautiful white gown. Oh, the mantle hangs far down to Her feet. Oh, Her feet have sandals on; they're a golden color with little rosettes on each instep.

Our Lady's gown is a pure white, very full, with a large blue sash about Her waist. Our Lady is reaching over, and She's carefully taking from about Her waist Her Rosary. The Rosary is beautiful; it has a pure gold-spun crucifix, and the beads, especially the Hail Mary beads, are now brilliant with color as Our Lady turns about, looking about Her, with the crucifix in Her hand. The Our Father beads are a very, very beautifully spun golden color.

Our Lady now is raising the crucifix of Her Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking about Her, and She's placing Her first finger to Her lips.

Our Lady - "My child and My children, especially My child, Veronica, We have allowed you to experience now much of the suffering that is in the hearts now of many parents because of the loss of their children to Lucifer.

"Yes, My child, you acted well to feed the hungry, clothe the naked, comfort the afflicted, and you will visit the sick.

THE CORPORAL WORKS OF MERCY

"You understand now, My child, with your experience, why I cry bitter tears throughout your world, crying for the true meaning of love to be expressed by mankind. Love means the corporal works of mercy.

"Do you, My children, truly know the meaning of love and practice it in your daily life? Or have your lives been given over to luxury and seeking pleasures of the flesh? Selfishness abounding in the hearts of many, and even in the hearts of the clergy. The corporal acts of mercy must be practiced by the clergy in My Son's House.

"My Son has sent Me to you, through the Father and the Spirit of life, as a Mediatrix between God and man, to direct you and counsel you, that you may understand the knowledge given in the Book of love and life, your Bible. For many who read, they are just words, not to be practiced in the daily lives of many.

"My children, without charity you have nothing! Does holiness reign, and charity, in the hearts of the clergy in My Son's House? Or shall I give to you the measure of offenses by count as My Son suffers for these offenses by count? For when you do not clothe your brother in his nakedness, when you do not feed your brother in his hunger, when you do not comfort him in his affliction, you offend the Father in Heaven and the Trinity; for even the most humble and smallest among you, as human beings upon earth, are the children of your God, and each and every man, woman, and child has been created in the image of God. But now you have given yourselves over to seeking worldly pleasures; you have given yourselves over to the worship of Lucifer and false gods. And then you cry to Heaven: 'Where are my children? Why have my children turned against us?' Parents, leaders in the houses of religion upon earth, have you followed your vocation? What measure of responsibility shall you be counted for in the fall of your nation?

"My Son, the Eternal Father, and the Spirit of life gather in the knowledge that there will be sent upon mankind a great tribulation, a tribulation through which only a few will be saved. Satan has poisoned many minds. You must pray for all men of sin - charity and love for your neighbor.

SINS OF OMISSION

"Remember, mankind: You were created in the image of your God, and what you do for the least of your brethren, you do for Me! And what you do not do, in sins of omission, you commit this sin against all Heaven!"

BASKET-WEAVE CROWN OF THORNS

Veronica - Our Lady is turning now to Jesus. I see forming about His head a very, very heavy crown of thorns. Now over the crown of thorns, I see forming a basket-like weave, a head covering interwoven like a basket weaving. It's settling now over the thorns making a very heavy head covering. I can see the blood coming down His face.

Our Lady now has joined Her hands like this, in a prayerful position. There seems to be a moment of great sorrow in Their Immaculate Hearts. Our Lady now is raising Her head upward and touching Her lips.

Our Lady - "My child and My children, the cross of your Christ is being trampled upon. And who will take this cross and carry it in reparation for the sins of mankind? I beg unto you as your Mother: Pick up your cross and carry it for My Son. Can you not suffer for My Son? Can you not make reparation for the sins of man, to expect God the Father in Heaven may extend unto you a small measure of time to save your brothers?"

"There is now upon earth, as I have directed you and counseled you before to beware of, by wearing your sacramentals, to be prepared for the onslaughts of the agents of hell. I do not wish that you go about making hasty judgments against your brothers and sisters. The corporal works of mercy must always be followed."

Veronica - Now Jesus is looking about Him. He has the heavy crown of thorns upon His head. The blood is still coming down across His forehead. And now, as He's raising His hand out, like this, for blessing, I can see blood coming from His palms down onto His arms, onto His gown. And He's now extending the arm - and it must be very painfully - to make the sign of the cross in blessing upon all: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking about Him. The pain of the head covering must be almost unbearable, from the flow of blood onto His face. But He's turning now and looking directly over to the left side of Him, over to our right. Now He is placing His hand so covered with blood to His lips, and He is saying:

EXTERMINATION OF THREE-QUARTERS OF MANKIND

Jesus - "My children, you must all be defenders of your Faith. By your example and your practice of the corporal works of mercy among mankind, you can stem the tide of evil now that has engulfed all of the nations of your world and will soon bring about the extermination of three-quarters of mankind.

"O My children, how foolish you are to not heed the warnings given from Heaven through My Mother, Whose heart bleeds for you, for She well knows your near future. As your Mother, She has come to you begging you from a Mother's heart to do penance, make atonement and sacrifice, for the time is running out. Many will die in the great flame of the Ball of Redemption.

"Oh, the scoffers go about saying: 'And what time do You speak of?' I speak of the short time to come.

"My child and My children, the forces upon earth are gathered. It is a true battle of spirits now. Sadly, Lucifer has gathered many now; many souls upon earth have condemned themselves to the abyss.

"We call upon mankind for victim souls: those who are willing by human will and spiritual light to make restitution upon the cross. I say unto you, as your God, to pick up your cross and carry it. The road is narrow and filled with thorns. But there is only one road to Heaven, and once you go off of it, the way back becomes more difficult, and often to many, impossible. And why? Because too few pray for them.

CHAINED IN PURGATORY FOR LACK OF PRAYERS

"And where has your charity of heart gone now for your relations and friends passed on into purgatory? Were I to reveal to you how many are now chained by your lack of prayers in purgatory, would you be moved with pity for them if I could show you how they beg and thirst for you to release them?"

"My child and My children, the Message from Heaven must continue to be sent throughout your world. The words of the Gospel must be continued to be sent throughout the world, and then will come the end!

"Lucifer, the agent of hell, the master of deceit, his army, under the name of satan and his ogres, are fully loosed upon your world now. It is a testing ground for all mankind, the separation from the sheep and the goats.

"My children, your nation, the United States, and its neighbors have given themselves over now to a pagan way of life. Recognize the signs of your times. Protect your children; protect your household, for when the tribulation comes upon mankind, will you be prepared? For there will be much weeping and gnashing of teeth as more woe is set upon the earth by Lucifer and his agents.

"There are dark forces of evil now roaming the world. The armies of Lucifer are gathering. Do not expect them to appear to you in their human form. They even now will appear in the supernatural.

"My children, much will come about; spirits will abound upon earth. You must all test these spirits. Lucifer has great power, but he is not triumphant over good and the Eternal Father in Heaven. You are all being tested now. No one will fall into hell, an eternal damnation, unless he goes there of his own free will!

"Pray constantly, a constant vigil of prayer. You must give to all nations a barrier to protect them from capitulation to the evil forces. And what is this barrier? The knowledge of the Book of life, the Bible.

"My children, you are like candles going throughout the darkness, but you must persevere and look for your lost brethren. If you return even one of My lost children to the fold, there will be much joy and celebration in Heaven.

DO NOT ABANDON STATUES AND HOLY RELICS

"Pray constantly in your homes. Do not abandon the statues and holy relics for modernistic sculpture and pagan artifacts. Protect the innocence of your children. You must be most careful and monitor their training, both in religion and sectarian training.

"My children, I do not want a schism and division in My House upon earth, My Church. Convert the unbeliever. Do not compromise your Faith. Heresy, O mournful heresy - condoned and permitted in My House! Do you seek, O clergy, to recrucify Me?"

[Veronica in ecstasy extends her arms in the form of the cross as she views the agony of Jesus on the cross.]

Veronica - Oh, my! Oh, dear! Oh! I see now Jesus upon the cross! I - just as I saw it in 1971. Oh-h-h! Oh-h-h! I see Him upon the cross. His hands with the nails through His palms, and the skin-like ropes holding onto His wrist, onto the wood. [Veronica sighs plaintively as though in pain.] The blood is carrying through the na-a-ail! Ah-h-h! Ah-h-h! [Veronica undergoes excruciating pain, both emotionally and physically, as she joins Jesus in His sufferings.]

His feet are crossed on the wood, the right foot over the left. [Veronica sighs heavily again.] There's a big spike through His instep, through His feet onto the wood. Ah-h-h! [Veronica cries out in pain.] I can see His arms. Ah-h-h! His arms are straining. Oh-h-h!

Now He's putting His head upward, and He's saying, "Father, forgive them anew, for they do not know what they are doing!" [The emotional stress upon Veronica in seeing Our Beloved Savior upon the cross, crucified, is almost unbearable as she sighs and groans. Finally, exhausted from the strain, Veronica allows her arms to collapse and her head falls limp to one side. She has fainted from the ordeal. She is revived ten to fifteen minutes later.]

[Pause]

Jesus has on a beautiful red cape, and His gown - it's very full. Our Lady is now extending Her hand towards me. [Veronica once again sighs heavily.]

Our Lady - "Repeat, My child. Only by experience can any human being understand My Son's suffering. Many crosses are placed upon earth, barren of the corpus, to represent those who will be victims for the merciful love of the Eternal Father in Heaven and the repatriation of many souls.

"Remember always, Veronica and My children upon earth, that the eventual victory over satan shall be with My Son. You, My child, Veronica, will not be given a heavier cross than you can carry.

"There will be many hands reaching out for guidance from Heaven, many hearts being sent in pleading to Heaven.

"Make it known, My child and My children, to all mankind that all wars are a punishment for man's sins.

"Each and every man, woman, and child upon earth has now the hour, the day, and the month counted to leave the earth. Prepare your passage, My children, for the time is growing short for many. You, My child, will have to defend the Faith, neither caring for the opinion of mankind, nor the objections or consolation of any man or friend upon earth. The Mission from Heaven will always be first, and the Faith as given you through the countless years of earth's time must be not watered down nor changed to meet the needs of your so-called modern age of scientific advancement.

"The Eternal Father gave the plan in the redemption of mankind, and this plan must be followed, or your world, the earth, will have set upon it a great destruction.

"My child, you will take but one set of pictures and then repair home. You will continue to bar your doors to all but your immediate family and close workers. Remember, My child, that wisdom will come through experience. You must make now some decisions upon your own will, guided most necessarily by the direction in the messages."

Veronica - Now Our Lady is taking Her Rosary like this, with the beautiful golden crucifix upon it, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And Jesus now is looking over to the right, and He's raising his hand like this and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus and Our Lady are cutting across the sky. They don't walk, They're floating. And They're going over to the trees on the right, and now They're extending Their hands - well, Our Lady is extending Her Rosary like this, with the crucifix upon it, and Jesus is extending His hand like this and making the sign of the cross directly over on our right side, over the tall trees, downward - they're looking downward - and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now They're going back across the sky to Their right, that - over our left side, and now Jesus and Our Lady are standing directly over the statue now and nodding:

Jesus - "You will continue, My children, with your prayers of atonement."

September 14, 1979

The Exaltation of the Holy Cross & Eve of Our Lady of Sorrows

Veronica - The sky all about the trees is a beautiful pink, a very pale, but brilliant pink this evening. And now the coloring, it's pink - oh, Jesus is coming forward. Oh, my goodness! Jesus is coming forward, and He's being followed directly by Our Lady. Oh!

Now Jesus is coming through the sky. The sky is opening up magnificently in a circular pattern of light. He's coming forward. Jesus has nothing upon His feet. I can see His feet, the markings from the spikes through His insteps. They look, they look very sore this evening.

And Jesus has on an ecru-colored gown. It's very full and long, and He has a belting made of material similar to what I saw on His wrists last week. It looks like a skin-like type of cording about His waist, which is cinching, tying in the fullness of His gown. His gown looks more like, oh, a sackcloth or - I don't know what you'd call it. It looks very rough, the material. And Jesus has on a deep burgundy-red cloak. Now the cloak is loose about His shoulders because His hair is blowing. It must be quite windy.

Our Lady now has joined Jesus on His right side. Now Jesus is extending His hand forward, like this, with His three fingers in this position, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning to Our Lady, and He's placing His hand out, like this, to Her. Our Lady now is coming forward. She's stepping now forward, still at the right side of Jesus, and now She's taking from about Her waist Her Rosary with the beautiful golden crucifix. It has a tremendous brilliance to it. It's very difficult to look upon the crucifix because of the brilliance, the color of the gold, as Our Lady is moving about now. And She's extending the crucifix of Her Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady has on a very pure, brilliant white gown, and Her mantle is also white but trimmed all about it with about - oh, three-quarters of an inch, between a half inch and three-quarters of an inch of gold trim all about Her mantle.

Our Lady now is placing Her hands up in prayer, like this, as They look about. Jesus has now turned to His right and to His left. Now Our Lady is taking the first finger of Her right hand and touching Her lips, which means to listen and repeat.

Our Lady - "My child and My children, I have a message of great urgency for the world. I have passed throughout your world to and fro, as truly a Mother of Sorrow, trying to warn you, begging with you to do penance and make atonement to the Eternal Father for all of the offenses committed by mankind. And now, My children, the great trials are upon you.

"As I counseled you in the past, there will be sent to mankind a war of such great magnitude that it will set the world aflame. And also you will be planet struck.

"My child, you must endeavor in your weakened state now to pray more. Pray constantly for your bishops, all of the clergy, the cardinals in My Son's House. A great delusion has been set upon the world. It is a testing ground now for all of mankind.

LUCIFER SEEKS TO DESTROY THE WORLD

"Parents shall suffer greatly for any laxity in the rule of their children. As I warned you in the past, I repeat anew, to counsel you that Lucifer and his agents from hell - Lucifer walks the earth now seeking to take command of all governments of the world, to destroy the world. Lucifer seeks to take Our children's souls, the spirit of light from them, and take all with him into the abyss.

"Yes, you are all now being tested. Sadly, the young, the children, the youth of your world are the major victims now because of the greed of many who have given themselves over to humanistic seekings, joining with all manner of evil under the guise of humanism, communism, socialism, and satanism. As I warned you in the past, Lucifer and his agents must enter into the body of a fallen soul to work his will.

ROCK AND ROLL MUSIC

"My children and parents, listen to Me well. You must not allow your children to listen to recordings known as rock and roll. They have been specifically created by Lucifer and his agents to seduce your children. They are the major instrument for leading your children into the plague, the country-wide plague of drugs, the country-wide plague of atheism, the country-wide and world-wide plague of casting aside your God and substituting false gods and religions.

"My children, awaken from your slumber!

"Parents, do not expect your clergy to come forth from their pulpits and give counsel to your children. This responsibility lies alone with you now!

RECORDINGS OF LUCIFER PUT INTO YOUR CHILD A SPELL

"You must remove from your homes these diabolical agents of hell, the recordings of Lucifer, that will put into your child a spell, a hypnotism leading to promiscuity, deviant sex, homosexuality, drugs, murders, abortions, and all manner of foul deeds that could only be conceived in the mind of the prince of darkness, Lucifer himself. He knows his time grows short, and he now goes about the world deceiving even the elect.

"I have given you your armor through the direction of Heaven. You must wear your sacramentals. You must be sure that your children wear their sacramentals, for when they leave your homes, the safety and armament of your own home, they then set forth into the world that has been given now to satan.

"My child, you will not lose time in sending out the Message by engaging in trivial disputes with any of the workers. It is best that they follow the directions strictly as given in the Message from Heaven, and this you will confirm to them. There is very little time left, My child. You must now work faster. It is urgent that the Message from Heaven be given to all mankind.

"Pray for your bishops, My child and My children. Pray for your clergy. Many will sell their souls to get to the head."

Veronica - Now Our Lady is turning to Jesus. He was watching Her. Jesus has a very, very sad expression upon His face. And He's looking about Him.

Now Jesus and Our Lady are turning. Oh, Our Lady now is extending Her crucifix out in blessing again, the crucifix on Her beautiful Rosary, the Rosary that has the golden Our Fathers and the Hail Mary beads that have all the colors of the rainbow, as Our Lady is turning now. She's now moving slightly a bit to Her right, and She's extending Her crucifix out like this and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is nodding to Our Lady. And Our Lady is going across now; She's passing in front of Jesus. And Our Lady now is moving over to our right side, directly over the first tree, and She's looking down now and extending Her beautiful Rosary, the crucifix forward, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now behind Jesus and Our Lady, the sky is opening up. It's like a - I can't explain it; it's like a curtain rolling back. And coming forward, I can see - I couldn't even count them, but it does look like at least a hundred or more figures that I know are angels. They're beautiful! They look absolutely beautiful! They're making a circular ring about Jesus now.

And Our Lady now is coming across, and She's going over to Jesus' right side; Our Lady is cutting across the sky. Now She has just reached Jesus' side.

Our Lady looks very, very delicate this evening. Standing next to Jesus, She just comes to about His shoulder. Our Lady has on - oh, I didn't tell you before; Our Lady has on a beautiful crown. The crown sets onto Her forehead, over Her mantle. I can't see Our Lady's hair. But the crown is all spun gold with beautiful, beautiful jewels in the crown. And I can see that the crown has points like an upside-down "V". The points have knobs on the top. Each knob on the point seems to have a diamond, but the coloring - I believe it's a diamond, it's a beautiful stone - it's almost like a, a yellow. I don't know if it's yellow or white. As Our Lady's turning, sometimes it looked white, sometimes it looks yellow - beautiful stones in the points of the crown. It's a very delicate-looking crown, just setting on Our Lady's forehead and over Her mantle onto Her brow.

Now Jesus is motioning like this to me, and He's touching His fingers to His lips.

Jesus - "My child, I do not intend at this time to elaborate upon My Mother's message to the world. But needless to say, the world's people have received a long counsel from Heaven, preparing all mankind for the days now, the days with the approaching great tribulation in sight.

"My child and My children, for all who seek to enter the Kingdom of Heaven, much will be expected of them. The road to Heaven will have many thorns. The cross will grow heavy, but you will pick up your cross and follow Me on that road.

"The world shall be purged by suffering, for wars are always a punishment, a chastisement for man's sins.

"Parents, Our hearts are extended to you in pity, for your children shall bring great sorrow to your hearts. My Mother has come to mankind as a Mediatrix between God and man, and She alone is truly the Mother of great sorrows, knowing that through all of earth-years in Her travel, Her voice has cried out to you through numerous seers, through countless earth-years, to turn back and cast aside the evil way that you have adopted, that will lead mankind to a major disaster, world-wide disaster, and the eventual Chastisement from Heaven.

"My Mother and all Heaven watch the reaction of mankind to the Message from Heaven. Many hearts have hardened. Many refuse to accept this warning, and unless there are others who are willing to offer themselves as victim souls for their fallen brothers and sisters, these souls shall be lost forever to Heaven.

"My Mother has counseled you well to prepare your household. As parents, as human beings created by your God, you have become as a nation degenerate in your seekings and godless in your rule until the saints in Heaven cry out for all Heaven to stop the abominations being committed now upon earth.

U.S.A. FAST BECOMING RULED BY COMMUNIST STATE

"Your country is fast becoming ruled by a communist state. Is this what you will permit? Enslavement of your children? Every indication is given that you have become lax and blindly proceed onto your own destruction.

"Because of pride and arrogance, even the clergy in My Church upon earth refuse to listen to Me! Shall you stand before Me, O clergy, and say that your teaching has been pure in My sight? Many of you shall be cast into eternal damnation! You may fool the world in your human nature, but your spirits and your human nature are known to the Eternal Father! A full accounting for all mankind will soon be placed upon your earth.

"My child and My children, you must hasten to send the Message from Heaven throughout the world. What was to happen in the future shall be now!

"Satan has poisoned many minds. Pray for all men of sin. Satan now has his kingdom upon earth. If you join him, the road back is difficult. There are two forces only upon earth, good and evil. The forces of darkness now are fighting the forces of light. Which side are you on, My children? You cannot remain neutral, or you will fall into darkness!

"You have been given My heart. I have given you the way through the prophets sent among you countless years of earth's time. The Book of life, your Bible, must not be changed to suit the world; for when the world and My Church are united as one, you will know that the end is at hand.

LUCIFER AS AN ANGEL OF LIGHT QUOTING SCRIPTURES

"Lucifer will come to you as an angel of light, quoting Scriptures. Lucifer - in the knowledge of the Eternal Father, for His reasons, has allowed this prince of darkness and deceit, Lucifer, to retain great powers.

"Do not join the scoffers who have cast aside all knowledge of the supernatural for a scientific viewpoint and explanation, for they, too, will soon be in for a great surprise and awakening.

EAT OF MY BODY AND DRINK OF MY BLOOD

"My child and My children, wear your sacramentals as given from Heaven. You must eat of My Body and drink of My Blood in the Eucharist or you cannot have the light within you, for I am the light and the way. He who is not with Me is against Me! I am the light and the way! You cannot serve the world and serve God the Father, in the Son and the Holy Spirit. You cannot join the Trinity if you are trying to serve the world. For many are selling their souls to get to the head.

"Our world in the Eternal Kingdom of Heaven is of the spirit. It is not of the body. It is of the life that lives forever within you, even with the death of your human body - your spirit, the real you, that must sooner or later come over the veil and enter into your eternal reward. No man, woman, or child shall fall into hell unless he wills it of his own accord. Many spend countless years in purgatory because there are so few who are willing to do penance or pray for them.

WORLD NOW A CESSPOOL OF SIN

"Your world now is a cesspool of sin - every nation given over to abominations, sins of the flesh. All manner of abominations are being condoned with realistic and realism - viewpoints of scientists who have given themselves over to Lucifer.

THE DRINKING OF HUMAN BLOOD

"My child and My children, you must stress the fact that Lucifer will defile mankind and make them commit acts so abominable that no human mind could have conceived of the abomination, even unto the sacrifice to Lucifer himself, with the drinking of human blood. Scoffers, shall you allow this to happen within your country and other nations of the world? Shall satan, Lucifer, take full reign of your nation and your country?

"You all, as human beings, have been allowed by the Eternal Father a free will to make your way back to Us. The way to Heaven, the road is very narrow, so few enter it and remain on it. That is why My Mother has counseled you over and over again that only a few will be saved! Shall you be counted among those few or will you be lost? That decision, My children, remains with you.

"Pray constantly. A constant vigil of prayer must be kept going on, link to link, person to person throughout your country and all of the countries of the world. Your once proud nation, the United States, has fallen to satan.

"As My Mother counseled you in the past, sin is insanity, and you will see all manner of actions coming forth from the darkness within your children, even your neighbors.

"Watch, My children, and pray always. Keep your homes a fortress for your family and your children. I tell you this to counsel you as My Mother counsels you. I do not intend for you to be filled with fear, for fear can be a tool of the devil, of satan

himself. But I counsel you that you may learn wisdom, and I pray that as the Eternal Father directs you from Heaven in the light that you do not have to gather and learn your wisdom from sorrowful experiences.

ATTACK PLANNED AGAINST POPE JOHN PAUL II

"My child and My children, continue your prayers of atonement. Pray for your Vicar, Pope John Paul II. There is now being planned an attack upon him. Only prayers and your prayers and the prayers of your country can stop this diabolical plan."

Veronica - Now Jesus is placing His hand out, like this, the three fingers like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing His hand like this, to His heart.

Jesus - "I bless you all, My children, and send to you the necessary graces to proceed with perseverance and endurance in the days ahead.

"The great tribulation will soon be upon mankind. Those who pass through the tribulation shall come out cleansed, their robes cleansed with the Blood of the Lamb."

Veronica - Now Our Lady and Jesus are backing up; they're going a little farther up in the sky. And Our Lady now is joining Her hands together, like this, with Her Rosary over and about Her fingers, like this. Our Lady has the Rosary through Her fingers. And She has a very sorrowful - Our Lady has a very sorrowful expression, as though there's a knowledge - I know the knowledge that She's given me of what is to be, to the Eternal Father's plan for the redemption of mankind and the world.

Now Jesus is now touching His lips with His first finger:

Jesus - "You will listen, My child, but you will not repeat.

[Pause]

"That is all, My child. Now you will take three photographs and proceed home."

September 28, 1979

Eve of the Dedication of Saint Michael the Archangel

Veronica - All about the trees, there is a very fine translucent coloring coming out in the trees. There's no human way I can explain it; it's like an absolute supernatural glow. I don't think I have ever seen any type of electrical fixtures or anything upon earth that could explain in human words, or even demonstrate to you the tremendous light and the texture or coloring of the call lights of Our Lady that extend out from the trees.

Now over Our Lady's statue, directly over to the sky, the sky is opening up, and Our Lady is coming forward. But right behind Her, an immense figure in the sky, is Michael. He's carrying a sword in his right hand, and in his left hand he has the balance. I haven't seen Michael with the balance for quite some time. He's extending, Michael, now out the balance so I can see it. It's very unevenly measured. It seems to be balanced heavily to the left, which is not a good omen.

Our Lady now is coming forward, and I am very startled because Our Lady is wearing a very strange garment. She has on about Her head a purple mantle, a purple mantle. And Her gown now, Her gown is a yellow coloring. The gown has the colors noted by Heaven; the yellow means the papacy. Our Lady has a belting about Her gown, which is a pale yellow. I have never seen Our Lady in a pale yellow, almost a gold yellow color. And She has about Her waist a belting, a gold belting.

Our Lady is removing from the right side of Her waist the Rosary, the beautiful Rosary that has the golden crucifix and the golden Our Fathers. And Our Lady is extending out the Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is placing Her hands up in prayer, like this.

Our Lady - "I ask you all, My children, to pray much for your Vicar in the days ahead. A great penance will be placed upon the world very soon."

Veronica - Now Our Lady is bowing Her head, with a very somber bow of Her head. And Michael is coming forward now. He's placing now the spear in his left hand and holding the balance out in front of him again.

A PLAN TO CRUCIFY THE HOLY FATHER

St. Michael - "Watch, my child, as I send you a message of dire urgency from Heaven. What was to happen in the future shall be now! I, Michael, guardian of the Faith, trustee of Heaven, tell you now that you have received the final warning from Heaven, to bow down before your God, the Lord Jesus on high in the Trinity, and do penance; or you will have an empty chair to be filled by the Bear, the white Bear of Communism. Pray, my children of grace, a constant vigil of prayer for your Vicar, for the enemy has set forth a plan to crucify your Vicar.

"Rat-a-ta-ta-ta-ta-tat!"

[Pause]

Veronica - Oh, I hear, I hear a great commotion. I hear the stomping of feet, and I hear people screaming. And I hear "rat-a-ta-ta-ta-ta-tat!" Like . . . something, I don't know - it's like pellets or machine-gun fire. I hear screams, and the voice of a woman saying "Oh, no-o-oh!" Oh!

Now Michael is pointing upward, and I see a huge black cross in the sky, a huge black cross. And forming under it is a globe, a globe of the world, but the cross upon it is black. And now, over the cross in black and the world, there is forming a large question mark.

Our Lady is extending Her hand out to the right, and written up in the sky are the words: "IN THE WILL OF GOD, NOT MAN; IN THE WILL OF GOD, NOT MAN!"

Now the coloring, very somber coloring is beginning to evaporate, and Our Lady is coming forward. She still has on the strange colorings of purple with yellow. It's like - I feel a great sadness over the papacy.

A PLOT AGAINST THE POPE

Our Lady - "My child, at this moment there is a plot against your Vicar. You ask, My child, 'must this be?' There is a plan for all in Heaven, My child. You will not ask Me further, but you will continue the prayers for your Vicar.

"Remember, My children and My child, I have given fair warning to the world that if you refused the Message from Heaven, neither caring nor endeavoring to act upon the Message from Heaven, you would be put to great test. Michael, the guardian of My Son's Church upon earth, must be returned now to his rightful place in My Son's Church and in the hearts of all

mankind. The supernatural must not be rejected any longer. Disobedience to your Vicar will not be tolerated by the Eternal Father in matters of faith and morals.

PARISH MUST NOT BE DESERTED

"My children, I have asked you in the face of crisis to stand firm. You must not desert your parish, or the doors will close. My Son is still in the tabernacles of the world. Do not judge My Son's Church by the antics of man, for every human can be tempted and become weak and fall - only, though, because you have offered too few prayers for your bishops and your priests, and your beloved relations soon forgotten in purgatory. The value of penance for the repatriation of the souls in purgatory have been forgotten, are no longer taught to the children, creating a void in their lives, a void that is being filled by the occult and satanism!

"Your country, with the symbol of the eagle, the proud bald eagle so pure and white, has been plucked! It is but a skeleton of its former glory, slowly starved of the light.

"Lucifer, 666, working through the man of sin to destroy you in your human nature until your soul is bare to him and he may destroy that, too. Your bodies are the temple of your spirit, the abode of the light, unless you cast it out and accept the prince of darkness, who now seeks to be the master of your world. The majesty of darkness - is this what you want?

"My Son has accepted His cross. Are there so few who will not accept a cross to save your world now? To save your Vicar now? Woe to the inhabitants of the earth! Could I take you now and open to you into sight what is coming upon mankind, you would soon be groveling upon the dust, praying on your knees and walking on your knees, to avoid the terrible destruction that shall be wrought by the Ball of Redemption! Many will die in the great flame of the Ball of Redemption.

"Your world now is insane with sin. The distinction from the Eternal Father, the distinction between man and woman, is being cast aside. The homes of many now have no anchor, no faith, no love, no God. And as in My Son's Church, I have warned you that a House in darkness wears a band of death about it, so I say unto you as your Mother: each house in darkness wears a band of death about it."

Veronica - Now Our Lady is looking very sorrowfully to Her right, and She's also looking over, far over to the left. Now Our Lady is taking the crucifix of Her Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My child and My children, because of the gravity of the present time, you must all keep now a constant vigilance of prayer. A direct attack from Lucifer will be attempted against your Vicar.

"You cannot question, you cannot fully understand now, the war of the spirits raging not only in your country, but on all of the countries upon earth now; for you are approaching the closing days of the latter times. Have you all listened to My counsel? Have you acted upon it? Have you prepared your households well? Are you ready, My children, for what will soon be upon you?

"I ask that you retain upon your children, your fond and beloved relations, the sacramentals."

Veronica - Our Lady is extending out now a Scapular, a large brown Scapular. And then Our Lady now is placing the Scapular - it's very large with a very long double string, a brown - about Her head now, so that one piece falls down behind Her back and the other is falling over Her chest. And Our Lady is nodding in assent.

Our Lady - "The Scapular, My children - you will not see the fires of hell if you retain this badge of safety.

PRAY FOR YOUR PILGRIM POPE

"Pray for your pilgrim Pope. I repeat anew: pray for your pilgrim Pope now, before it is too late!"

Veronica - Our Lady now is taking Her Rosary. The Scapular is very large upon Her chest, and the brown is really outstanding on Our Lady's background of Her yellow gown. And Our Lady is extending Her crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My children, continue with your prayers of atonement. Michael is ever present here now. My Son will soon be with you and My child Veronica, to give you a message of dire urgency. You must all keep a constant vigilance of prayer now."

Veronica - Our Lady now is backing up. She's not walking, but She seems to be weightless. And Our Lady is floating back into the sky, and She's looking over now behind Her shoulder to Michael and nodding. And Michael now is still extending the balance. It has like a golden cast to the balance, but it's very heavily balanced to the left. And I can't see Michael's face; it's

very difficult to explain. The light is so brilliant that is coming from Our Lady and surrounding the whole area all about the trees. And Our Lady now is touching Her first finger to Her lips.

Our Lady - "My child, you will now await My Son in prayer."

[Pause]

ATTACK ON THE HOLY FATHER IN U.S.A. OR ROME

Our Lady - "If they are not successful in carrying forth their plan in the United States, it will be in Rome. That is why, My child, such grief."

Veronica - Our Lady is pointing up to a terrible cross in the sky.

Our Lady - "Sorrow is upon My heart. Can We, My child, you ask, prevent it? You cannot understand the Eternal Father in His ways, My child. The Eternal Father allows man to proceed upon his own course. No evil is ever triumphant. The Eternal Father will turn all evil to good.

"This is, My child, you must understand, the war of the spirits. As Lucifer and his agents - satan roams your world now, known as, through history, as 666. He will be allowed but a short time longer for his reign. But the Eternal Father will allow him to proceed as a manner to separate the sheep from the goats, and to cleanse My Son's Church. You will understand, My child, in a short time.

"Continue now, My child, with the prayers of atonement."

[Pause]

Veronica - "No more bloodshed! The blood will split the papacy. No more bloodshed! . . . Oh, how awful! . . . Oh!"

[Veronica sees a terrible secret vision concerning the papacy. Then she faints, but is soon revived.]

. . . is coming forward.

Jesus - "My child, you will not succumb at this time. But you will suffer much, My child. I ask you now to repeat in recovered strength the Message from Heaven, My child. You will pray a constant vigilance of prayer for your Vicar.

"My child, no greater burden will be given to you than you can carry. You understand, in the Mission from Heaven, My child, you are now at war with Lucifer, the prince of darkness. You will pray for your bishops and your cardinals, My child. You will do much penance, for the balance now stands for the life of your Vicar."

Veronica - Jesus is placing His hand out now, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "My child, I shall not extend the Message from Heaven. All that has to be said to mankind has been repeated over and over by My Mother, Who has come to earth as a Mediatrix between God and man, to be rejected by many. Therefore, your world shall receive a heavy penance. My children, you do not listen. Many have cast aside, without acting upon the Message from Heaven, and now you shall be chastised.

"Pray, My children, a constant vigilance of prayer. Reread the words of My Mother. For She has come many times to earth in the time of great urgency to warn you; and, as in the past, only few act upon Her counsel, and now it is almost too late for mankind. The Eternal Father has been most patient with you. You have become a degenerate generation, calling down for a great penance upon mankind.

"We do not seek to place fear in your heart, but to bring to you a message of warning and counsel. My Mother shall not reject you, even in your debasement. I shall not reject you, My children. The Eternal Father, in the Spirit of light, shall not reject you. But will you reject Us in Heaven now? You will be the loser. Reject the light, accept the darkness of sin, and you lose eternal life in Heaven."

Veronica - Now Jesus is pointing over to His right side, and - oh, my goodness! There's - if you can look, it's so clear - can't you see the cross? Look at the big heavy cross in the sky. Over on the left side. The cross, it's beginning to fall. It's falling over! It's falling over! The cross is falling. Oh!

Jesus - "Yes, My child, soon you will fully understand the meaning of the fallen cross.

"Great graces are still extended in this great time of spiritual darkness, My children: graces for cures and conversions, cures of the spirit, cures of the body; graces to bring from purgatory your beloved ones. Use every means now to save your souls, to save your beloved ones, while there is time. I repeat: Many shall die in the great flame of the Ball of Redemption. Many shall be taken before that, but many shall still die, My children."

Veronica - Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is coming down now. I didn't see Her standing over to the right side by the trees. Our Lady is coming over again, and She looks very, very translucent, very - the coloring is a . . . I just don't . . . can't explain to you seeing Our Lady in the purple, a very pale purple, not a blue but a purple mantle and with a yellow, golden yellow-colored gown. You know the gold belting, but it's so different than Our Lady has been wearing, almost somber.

Now Our Lady is coming over, and She's standing at Jesus' right side. And the sky now seems to be folding back, opening up; and there are hundreds of angels coming forward. And especially I can see two, not quite as large as Michael, but I can see Gabriel, Raphael over there. Oh, yes - yes, they're going over to the right side, our right side, and there are hundreds and hundreds of other angels. I know they're angels because you know, they have no faces. I can't explain it, the tremendous light. Yet they don't seem out of proportion. I can't see any arms or hands or feet like Jesus and Our Lady have, but they look absolutely beautiful. And Michael is behind them. Due to his size, it makes the other angels look like they're children - young, very, very fragile-looking, and beautiful. And the colors of their gowns - all pastel shades in their gowns. Oh, it's a beautiful sight!

Oh, and they're gathering about Our Lady. And now Michael is motioning, and - oh, oh! Oh, Jesus is going over to Our Lady now. Our Lady has joined Her hands like this, very solemnly in prayer, and Jesus is placing a crown upon Our Lady's head, a golden crown. It's very beautiful; it's very delicate, and it has like - oh, upside down V's is the only way I can explain it, formation in the crown, with sort of knobs on the top - little round miniature little balls, sort of, on the top of the crown - the points, I mean. And it - now it sets on Our Lady's head very delicately, just above Her eyebrows. But of course Our Lady's mantle is very low this evening. The mantle seems to be way down on Her forehead, just by Her eyebrows. It's very, very low. And the crown is setting almost as low down on Our Lady's brow, down on Her brow. And Jesus is nodding. Now Jesus is touching His first finger to His lips.

Jesus - "My child, you will continue now with your prayers of atonement. And then you will cautiously repair to your home, where you will remain in seclusion.

"Do not repeat this, My child.

[Pause]

"77 3"

"All you will repeat, My child, are the numbers '77 3,' '77 3,' '77 3.' Remember, My child, as Lucifer goes forward with his plan against the papacy watch for '77 3!'" [Seventy-seven three.]

Veronica - Now Jesus and Our Lady are backing up high into the sky. Oh, They're not walking, They seem to be floating. Although Jesus and Our Lady look as solid as we are, but They seem to be weightless. How They can move about there just like on the wind, there's no way to explain it. It's wonderful to walk - They don't walk, I can't explain. They like float Their way back. Oh, but Our Lady even with that very somber-looking gown and mantle, She looks still so very beautiful - very beautiful, but very sad. Our Lady is very sad. Jesus is nodding His head.

Jesus - "Continue now, My child, with those prayers of atonement. They are sorely needed. You understand, My child.

"Three photographs will be allowed, but then you must repair home immediately."

October 2, 1979

The Guardian Angels and Eve of Saint Theresa

Veronica - . . . all about the trees is becoming a beautiful blue. The coloring is a pastel shade; I cannot describe it in human words. It is a beautiful warm shade of blue that's now developing into pinpoints of light directly coming from the center of the sky, meeting with the outline of blue all about the trees. High in the sky, over Our Lady's statue, I can see Our Blessed Mother coming forward. Oh, She's dressed now all in white. She has a beautiful white mantle with a border of gold of about - oh, three-quarters of an inch all about Her mantle. And She has a beautiful snow white gown, and about Her waist there's a gold belting.

Our Lady has upon Her head the beautiful crown. It's round, like a ball, but all open. I do believe it is known as Her crown of Fatima. It has a cross upon the top, and it's all made of spun gold; it's just absolutely beautiful! It sets on Our Lady's head just - oh, almost, not on Her forehead like the others have, but just on top of Her head, held in place by the mantle.

Our Lady has Her hands up, like this, in prayer. Her Rosary, the beautiful Rosary, is dangling from Her hands. And now Our Lady is taking the Rosary, the crucifix, the beautiful golden crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking all about Her. It must be very windy because Our Lady's skirts, which are very full, are blowing about Her feet. Our Lady has on very delicate-looking sandals. It looks almost like a golden strap; and right at the toe part of the strap, She has what appears to be a tiny rose made of gold on each foot - just one rose. It's just so beautiful!

Now behind Our Lady I can see Saint Michael. He is now - I have noticed the brilliance before of the sky opening - but Saint Michael now is surrounding Our Lady. And I mean surrounding, because I can't even see where his wings extend, they go so far beyond the right side and our left side, that - and even the size of his head - I can't explain it to you - it is enormous, but not out of proportion. He's magnificent!

Our Lady now is kissing Her beautiful crucifix, like this. And now She is taking Her Rosary and placing it in the belting about Her waist. Now Our Lady is looking all about Her, and She's touching Her fingers, Her first fingers, to Her lips.

POPE REMAINS IN GREAT DANGER

Our Lady - "My child and My children, the crisis for Our Vicar has not passed. His life is in great danger as he remains in the United States of America. There are great forces of evil loosed now to endeavor to destroy him, or set in motion a manner of revolution that will bring a great multitude of deaths in his presence. I ask you all to continue your prayers of atonement, your sacrifices; and We ask major acts of penance from all."

Veronica - Our Lady is pointing up to the right side of the sky - our left side, Her right side - and I see a cross, a huge cross over Saint Peter's. But it's frightening, because the cross now is being covered like at Lent with a purple garment. It doesn't - it's very frightening looking. It's like at Lent when you are to do a heavy penance, the cross seems to be extinguished.

Our Lady - "Yes, My child, I have you look upon the crisis ahead. When the cross is extinguished, there will be great confusion. Murders will abound; man will proceed deeper into the darkness of spirit. Without due atonement, without penance and sacrifice of many, I cannot any longer hold back the punishing hand of My Son. The Eternal Father, through My Son and the Spirit of light, give fair warning to mankind, as in final warning to your generation, that you must now turn back and restore your earth so that it may be pleasing in the eyes of the Eternal Father in Heaven, or He shall be forced to destroy you.

NOT THE END OF THE WORLD

"My child and My children, do not be affrighted by My words. The world shall not come to an end. The Eternal Father has given His promise to mankind that the world shall never be made extinct again, as in the past with the time of the floods. However, your world shall be cleansed with a baptism of fire. Only a few, in the multitudes upon earth, shall be saved. You have been asked to make a choice between the cross and the serpent. And this choice has also been asked of the clergy in My Son's House, His Church upon earth.

"Cardinals and bishops, you run to and fro, experimenting with your own human reasoning, neither asking nor bending your knee for Divine guidance. For you have become blinded by the pleasures of the flesh, seeking worldly gain; and many are selling their souls to get to the head. Again I say unto you as your Mother - in the words of My Son I repeat to you: what does it gain a man if he gather all of the riches of the world and you - lose his place in the Eternal Kingdom of his God. You cannot have both!

"My child and My children, you will continue to send the Message from Heaven throughout the world. You must continue to pray for your clergy, your bishops, your cardinals, and especially My poor children, My poor wandering sheep. My Son's heart is torn for you, as the Eternal Father even weeps for the just punishment that will be soon sent upon you.

"O My children, what can I do now? If I could take My heart and offer it to the Eternal Father to save you, I would. My Son gave everything for you upon earth, and how soon have you forgotten! Even now, as I wander across your earth, visiting My children, I find that you are recrucifying My Son. For all the blood He shed for you, you defame His name. For the heart that bled for you, you despise Him anew. O My children, heap all upon Me the abuse that satisfies your addiction to sin, but do not defame the name of My Son. I ask you as your Mother to listen to Me, for I have come to try to save you - to save you even from yourselves, for you are blinded by sin.

EVEN CLERGY ADDICTED TO SIN

"Even the clergy in My Son's House have become addicted to sin. They have been allowed to become blind and deluded, because they have become lovers of the flesh, seeking pleasure and worldly power, and casting aside the knowledge of the supernatural. They removed, with their power, all of the guardians necessary for the protection of My Son's Church upon earth.

SAINT MICHAEL MUST BE BROUGHT BACK

"Saint Michael was, is, and always will be the guardian of the Faith in My Son's Church upon earth. You must now bring him back, in sight and in sound and in prayer. For as he remains outside the portals, the portals shall crumble, the doors shall close, persecution shall abound upon your earth.

"For sin is always a forerunner for war, My children: murders, persecutions, robberies, all manners of sins of the flesh, homosexuality, lesbianism, perversion, sodomy. Sodom and Gomorrah fell for less sins than you have committed now upon your earth. Noe took to the ark and the world was in a better state spiritually than your world now; for you have accepted a sophisticated manner of sin, based on man's reasoning and not God's truth.

"Truth, you must understand, is the guiding light; and the Truth is My Son, in the Eternal Father and the Spirit of light. You accept false gods that satisfy your fleshly desires. Pleasures of the flesh have condemned many to hell.

MODERNISM SHALL DESTROY THE WORLD AND THE CHURCH

"My children, it is a delusion for mankind to believe that a form and manner of humanism shall save the world. Modernism shall destroy the world and My Son's Church; but not the foundation, for My Son is the foundation. Though the walls may crumble, the pillars may shake, the foundation is solid; for it is My Son, and it shall be rebuilt, after the great Chastisement, to its former glory. The Eternal Father has full control over your world; though, in your free will now, He will allow you to follow your own course to destruction.

ONLY A FEW WILL BE SAVED

"Or else, My children, I will say anew: the other course leading to Heaven is a narrow road. Too few find it and remain on it. But only a few will be saved in the final count of the world's population. Are you ready, My children, to stand this test? Have you prepared your children and your families?

"You speak of love; I hear the word 'love' extended all throughout the world, and how many know the true meaning of love? How many practice the words they preach? So few! The Eternal Father looks into your hearts; you cannot deceive Him. Words are but coming from the mouth, but He demands and commands that what is of the spirit comes from the heart.

LUCIFER SEEKS TO REMOVE THE POPE

"You will all keep a constant vigil of prayer going throughout your country and the world. As I directed you before, Lucifer seeks to remove your Vicar, so that the Chair of Peter shall be empty. Confusion then will abound. And then, without your prayers and acts of penance, will come . . . the end!"

Veronica - Now Our Lady is taking Her Rosary from about Her waist. She's looking all about Her now, and She's extending Her beautiful golden Rosary out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is turning to Her right. Now over on the right side - on our right side, that would be Our Lady's - there are many figures coming down from the sky now. They're just absolutely beautiful. I know they're angels; I can tell from their outline. As I said before, they don't appear to have faces, yet they don't look out of proportion. They're absolutely beautiful-looking in all of the colors of the rainbow, even colors I can't describe. And I'm certain, I don't think anyone could combine colors to make similar to what God has placed in sight for us to see, with the grace, of these colorings that are on the garments of the angels. Oh, they're absolutely beautiful!

Now they're gathered about Our Lady as She's cutting across the sky. She's floating; She doesn't walk. She seems to be absolutely weightless, yet She looks as solid as you and I. Our Lady is going across the sky over to Her right, our left. Now She's extending Her Rosary down, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning to Her left. She's traveling faster now across the sky. Michael is watching Her. He stayed, remained in the center of the sky, with his wingspread covering all beyond us, as far as I could see on both sides.

Now Our Lady is going over to the first - the second tree. She's just now - She's lowering Herself down 'till She's standing over the tree; and She's bending over now like this, with Her crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is kissing the crucifix of Her beautiful Rosary, and She's placing Her hands together, like this, in prayer. Now Our Lady is coming across the sky. She looks absolutely beautiful. She looks very fragile tonight, very fragile. Now Our Lady is standing . . . now She's coming down closer to Her statue. She's coming very low above Her statue. Oh, it's just beautiful! Our Lady now is touching Her lips with Her first finger.

Our Lady - "My child, remember My visits to LaSalette and Fatima. Understand that you must accept the same rejection as I did; and as those who were voice-boxes persevered to the end, so you, My child, must also persevere in your mission. The graces necessary shall be given to you. I cannot promise you health or great happiness upon the earth, My child. For if you carry forth your mission, the promise made to you by Theresa shall be fulfilled.

"And now, My child, I have a great surprise for you."

Veronica - Oh! Oh, Our Lady is pointing up to the right side of the sky, and - oh, I know her, I know her now! Oh, Theresa is coming forward, Saint Theresa, and she has three other nuns with her. I recognize them. And - oh, Celine - ah, yes! Oh, they look very, very beautiful, and they have on long dark habits and those white - I don't know what you'd call them, but their headpieces have white, starchy-looking, wide white, like bands from the forehead up. Theresa has hers just above her eyebrows. And I notice that Theresa has a very, very large black Rosary dangling from the right side of her belting of her dress. And she's smiling now. Theresa is standing there now, with her hands similar to Our Lady's up in prayer, like this. Now Our Lady is beckoning to me, and She's touching Her first finger to Her lips.

Our Lady - "Listen, My child, and you shall hear a most pleasant message."

Veronica - Oh, Theresa now is placing her hand up like this, and she's now touching her fingers to her lips, and nodding to Our Lady.

St. Theresa - "My sister Veronica, I am happy that you have recognized me this evening, though my heart is also heavy, as the Queen of Heaven suffers much for the sins for mankind. The Eternal Father does plan a heavy penance upon mankind. O my sister, can you not join me in the quest for souls? Remember, I asked you many years ago to go fishing with me, and I said to you, my sister, that we will join and be fishermen for souls.

WOMEN REVOLT FROM THE PLAN OF GOD

"However, in your world now of confusion, this did not mean we shall join in the revolt of the women against the plan of God. You must tell all of the sisters in the convents, and all the women upon earth, that the Eternal Father has given them their role as children of God. They must not revolt against Him and be liberated from this role, for they have been then deluded by Lucifer.

"Your Bible must be studied well, and you will understand that the Eternal Father gave you truly a simple way to follow. It goes far beyond much human understanding, because without prayer and suffering and penance, you will not have the gift from the Eternal Father to understand even the Sacred Scriptures.

OFFENSES TO ETERNAL FATHER

"My sister, you must hasten to warn the world's peoples that a great Chastisement is coming upon mankind. There are so many lists of offenses to the Eternal Father in Heaven and offenses to our Blessed Mother, that I could go on and on and spend the evening, my sister, with you discussing how to correct these offenses. But there will be needed many sacrifices, many victim souls.

"Even my sisters in the convent must remain steadfast in their Faith and the rules. They must not give themselves over to modernism and humanism, for Lucifer has set this delusion upon them. Modesty and chastity - an example for all mankind, my children. That is what Our Lady has said to you in the past, and yet you have discarded Her counsel. And why? For such a short time that many will be upon earth, why do you discard this counsel?

"My heart is heavy for I know the future, because the Eternal Father has given me this knowledge for these latter times. Yes, my brothers and sisters, you are approaching the closing days of the latter times. Many shall die in the great flame of the Ball of Redemption.

LITTLE BABIES MURDERED

"Our Mother has traveled and grows tired. My heart is bleeding for Her, for She has suffered much for all of God's children upon earth, seeing coming over the veil all of the little babies, murdered before they complete testimony for their God, the Eternal Father. Life has become rejected because the light is dim upon your world: the light of sanctity, holiness, and piety. Chastity and charity have been cast aside.

NUNS HAVE BECOME FOOLISH MAIDENS

"O my sisters, you have become foolish maidens in the convents. You have chosen to cast aside your divine vocation to become women of the world. You cannot enter Heaven, my sisters in the convents. Listen and act upon this counsel, the counsel from Heaven, now; for there is little time left for you. You must return to your habits and return to the rules. You cannot be of the world. Though you live in it, you must not join the world, for your world now is in full control of Satan.

"Veronica, my child - I call you 'my child' because Our Lady calls you 'my child.' I am many earth-years older than you now, but I always will be even a child to the Eternal Father. Now remember - and I repeat again, the simplicity of childhood that is necessary for the entrance of all into Heaven. Unless you become simple of heart, simple of pursuits, and child-like in your acceptance of faith, you cannot enter the Kingdom of Heaven.

"And I repeat my little gift of prayer to all mankind:

Dear Jesus, all I can do is just love You,
For my riches are here in my heart.
They're not locked or chained against departing,
For they're always free to depart.

I offer this gift to You, Jesus;
Accept it with Your precious joy.
I'm Yours to hold there in Your Kingdom,
Accept me as Your little toy.

"You will remember, Veronica, spiritual childhood always."

Veronica - Now Theresa is turning, and I hear music! I hear a great deal of voices. They're beautiful. It's like a choir. I only wish I could sing it for you: "Hallelujah! Hallelujah! Hallelujah! Hallelujah!" [Veronica imitates the singing and the sounds of the music by the angels.] "Hallelujah! Hallelujah! Hallelujah! Hallelujah!"

And the voices - I can't pick them up anymore. It's beautiful! I can't . . . I've never heard anything like it.

Oh, and now the angels are all gathered about Our Lady. And they are holding about Our Lady a garland of roses - there must be at least twenty or thirty angels, small figures. I don't know if they're children, or if they have children, but they do look very young, and almost childlike. And they are surrounding Our Lady with this garland that's simply one long garland of roses . . . looks just beautiful.

Our Lady is looking about Her now, and now Our Lady is motioning to me and touching Her lips.

Our Lady - "Now, My child, you will continue with your prayers of atonement. The crisis has not passed. We know what is to take place, My child, yes - but it is for you now to continue in obedience with the plan ahead. You will not repeat, but listen.

[Pause]

"Now, My child, you will await My Son. Continue with your prayers of atonement."

[Veronica faints when she emerges from ecstasy due to the long message and her weakened physical state because of a heart condition. She is revived, and begins to describe Jesus' coming in a faint and halting tone of voice.]

Veronica - . . . the sky. Oh, He's beautiful! Jesus has on a burgundy cape and a cream-colored gown; it's like a beige color. And about His waist He has, He has a beautiful tie, and He - oh, He's extending His hands out to me, like this. And He's taking my hands.

Jesus - "Veronica, My child, you will not expire at this time. You will remain in seclusion, My child. You did not listen well to My Mother's direction. You must reserve all of your energies for the Mission. I have asked you, My child, to remain in seclusion.

SAVE THE POPE

"The Message from Heaven is going throughout the world, but the great urgency now is to save your Vicar, and Our Vicar! I repeat: you will all do penance, atonement, make sacrifices for your Vicar.

"Do not scoff at the direction of My Mother. She has directed you and counseled you well. As you sow, so shall you all reap!

"The sheep shall be separated from the goats, even in My Church. Bishops and cardinals, you will soon be called before Me, and shall you stand before Me and say that your teaching has been pure in My sight? Better that you turn now, while there is time, and restore My Church. For you have scattered the sheep, for as shepherds you have become truly lost in the world, a world now controlled by the forces of hell. By sins of omission shall many of you be forever damned!

FAITH AND CHURCH CANNOT BE COMPROMISED

"You cannot compromise the Faith. You cannot accept gratuities to compromise My Church. Where is your faith? When I return shall I find even a flicker of faith left in the hearts of My clergy? And even My sheep that have been scattered, My children upon earth?

"I shall not give you a long discourse on your offenses, but I give you fair warning now that the sand is about to pass through the hourglass, and your time is running out! Amen! Amen! I say to you, as your God: penance, atonement, and sacrifice now! Cleanse your souls by penance, or you shall be forced to your knees to do penance!

"The Eternal Father shall chastise those He loves. Shall you be counted among the sheep or the goats, bishops? Strip yourselves of your pride and your arrogance! For pride is a more formidable barrier against sanctity than even outright licentiousness! Pride comes before the fall, and all that is rotten shall fall!

"The kernels that survive in a storm often fall on rocks and don't bloom and bring forth and bear fruit. But now, as I look upon My House, My Church upon earth, I find you have opened the doors to thieves and robbers. All manner of heresy abounds now in the hearts of man. You have turned from your God, and you are forming false gods of worship based on a humanistic way of life.

CHURCH NOT TO BE MODERNIZED

"You shall not modernize My Church. For you shall not change My Church to suit man, but you must reverse the course of man to bring him to his God. For I have given you the grace in your vocations to gather My sheep, and you have chosen to scatter them!

"Many shall die in the great flame of the Ball of Redemption. Many mitres shall fall into hell. A heavy cross will soon be placed upon the world. Have you prepared My sheep for this test?

"Pray a constant vigilance of prayer now in your country. You who go about crying love and brotherhood for My Vicar - but how many of you pray for him? While you give him all the gifts of the world, how many of you pray for him? You cannot take Satan from his course by your gifts of money, your gifts of outward displays of 'love'! For it is by 'love and brotherhood' that you shall destroy yourselves. For as your world cries 'love and peace and brotherhood,' you go faster to your end!

"My child, I shall not burden you any further. The Eternal Father knows of your plight. You must understand, My child, that it is a narrow road and you will find it also difficult as long as you remain in your human body."

Veronica - Jesus is looking all about Him. Now Our Lady is coming towards Him. She was standing over - I just noticed She was over on our right side of the sky. And Michael is still standing beyond Jesus. He's tremendous in size! There's no human way I could explain him. But he doesn't look out of proportion. It's a feeling of tremendous strength when you look upon him. Oh, I always feel that this - that Michael is truly the greatest warrior in Heaven, 'cause of all the angels I have seen with Our Lady and Jesus, he is the most magnificent and the most - he has the strength . . . you feel it in looking upon him. That is why Our Lady always counsels me, and Jesus, to call upon Michael often. And Our Lady also has asked that Michael be returned to Her Son's Church, that's the Church upon earth, the Roman Catholic Church upon earth.

Now Jesus is nodding; He's smiling. Our Lady now is going over by Jesus' right side, that's over on our left side. Now Jesus is extending His hand out, like this, and making the sign of the cross. He has His fingers extended, the two fingers and the thumb, like this: in the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady and Jesus are going across the sky way over on our left side. They're just above the tree. And Our Lady is looking down. It's getting quite windy because Jesus' cape is also blowing up there, and Our Lady is smiling. She went across the sky with both Her hands joined, like this, together in prayer. But Jesus now has placed His hand out like this, and They're looking down. They're quite a distance over on our left side. And Jesus is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning; He's looking over to the left. Now He's coming quickly across the sky. He also floats, too; He's not walking. He seems to be weightless, yet He looks as solid as you and I, except He's all lit up. He's so brilliant! There's a tremendous light, that I'm certain that if Heaven didn't allow me, I would certainly have my eyes burned out. The light is tremendous! I can't explain it to you. It's brighter than any light bulb. I have never seen a light so brilliant. And it's different, it's really different. I guess that's why you call it supernatural, because it's certainly - there's no way to explain it. It's a tremendous brilliant light.

And now Jesus is turning over, and He's just about over on our right side by the first tree. Our Lady is directly following Him. She's just about a little under His shoulder. That's how far She's reaching - just about to His shoulder, but it's about maybe a couple of inches below.

I see the crown now. Our Lady is nodding Her head, and I - for awhile, I thought the crown was coming down on Her forehead. She nods Her head - no, it doesn't move at all. I'm watching it. Our Lady looks so beautiful! Now She still has Her hands like this, joined in prayer, and the Rosary now is dangling from Her hands. She looks very beautiful!

And Jesus now is, He's directly over the tall tree. He's gone quite a bit over on our left - our right side, His left. Now He's bending down, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is . . . I can't hear what She's saying, but They're talking together. I know I can't hear; I can hear just a slight sound. And now They're both turning and coming across the sky again. Jesus is leading, Our Lady is joining. And Michael's still standing directly over. Now - hmm! Michael, instead of the, that - you know, the gauge that he carries, that scale, He's got of all things, a bell! A very large bell. Now what does - he, he's carrying a bell. You know what it looks like? That bell that you see in Philadelphia. A bell. And he's ringing the bell, he's ringing the bell. It's very big. Oh, boy! How he can carry that bell, I don't know. It's big, and it's really made of iron. It's a huge bell. I think you can all - can't you see it? It's so clear, the bell, right over, directly over Our Lady's statue.

And Jesus and Our Lady have stopped on the right. And he's standing there, and instead of that scale he carries, he's got this huge bell in his hand, and he's ringing it. Oh, it's really - it must be very heavy, but not to him, but oh-h! It goes bong! Bong! Bong! Bong! Oh, it really hurts your ears. As I feel like I'm under it, it's making such a wild noise. And now the bell stopped. It's vibrating. Oh! Oh!

Now Jesus and Our Lady are coming directly over Her statue, and Jesus is extending His hands out again, like this, in blessing, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is placing His hand like this, next to His heart, and Our Lady still has Her hands in prayer.

Jesus - "Continue now, My child and My children, with your prayers of atonement. And remember your Vicar!"

Veronica - "Yes, I will. . . . Yes, I will."

October 6, 1979

Eve of Our Lady of the Rosary

Veronica - All about the trees the sky is becoming very brilliant with light. The color on the border of the trees is a pale blue. But now there seem to be streams of pure, glass-like light coming out of the trees themselves and fanning upward high into the sky directly over Our Lady's statue. Now the points are just like - I can't explain - like . . . I have never seen anything that could describe the way the lights are streaming in a circular pattern directly over Our Lady's statue, pinpointing an opening that's forming, oh, in the sky.

And now it seems as though the whole sky is parting. It's becoming all aglow with light, and Our Lady is coming forward. She must come a great distance, because as She approaches - I have to watch Her coming in, becoming a larger figure in the sky - She would look very, very tiny, as though She was quite a distance away.

Now Our Lady is approaching, directly over Her statue. Oh, She's very, very beautiful! Our Lady has on a pure white gown, with a gold belt about Her waist, a belting, a narrow belting. And Our Lady has Her hands joined in prayer, like this, with the Rosary - Her beautiful Rosary with the golden Our Fathers, and the Hail Mary beads that are - as Our Lady turns, they're catching all of the colors of the rainbow. Where from? It must be from the light, because the sky is a mixture of blue and white - just beautiful, about Our Lady, and all lighted. Our Lady has on a mantle, a long white mantle with a border of gold. The gold, I would say, is approximately - oh, about three-quarters of an inch wide.

Our Lady has on sandals. They only have one strap. They appear to be gold; the whole sandal looks golden. And at the tip of Her feet, there is on each sandal just one tiny, metallic-looking, golden rose - a very small baby rose, very tiny, on the - just the edge of Our Lady's sandals. Only one strap seems to be crossing from Our Lady's ankles, which I can barely see. I would assume that, because I can't see Our Lady's ankles, just Her shoes, Her sandals, as they're coming out from under Her gown.

Our Lady is dressed in a pure white, Her mantle and Her dress; and the mantle covers Her head right down to Her forehead. I can see no hair. But on top of Our Lady's head is a beautiful, large crown, dome-like in shape, and has a - it has a golden cross on the top. The whole crown is made of spun gold with the most beautiful stones. I don't recognize them all because of their colors. They range from a deep red to a deep green. And there are pink and white that look like diamonds - those I recognize, beautifully set in the crown. The crown is open. It seems to be not a solid crown, but open by tiers, like strips of metallic gold going all about the crown.

Our Lady is looking all about Her. Now She's taking Her crucifix, the beautiful golden crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is looking all about Her. And She's now placing Her hand up, so I would look upwards. And oh, there are so many angels coming forward now. They look absolutely beautiful! And they're carrying one singular garland of roses. The roses are a very, very pale pink in color. And they're circling Our Lady. Oh, there must be music. I can't seem to hear it very well, but I can hear music. I don't think I could even repeat it, the sound is so beautiful, so ethereal.

And they are circling Our Lady, and they're going now right behind Her and standing in a solid row - no, they're forming two rows behind Our Lady. There must be over two hundred angels. I won't even start to count them, but I would say at least two hundred now in the sky. In fact, now they're forming a third row about Our Lady, right behind Our Lady, and in a horseshoe-type of effect. It's very beautiful looking.

Now Our Lady is taking Her first finger and placing it to Her lips.

DANGER TO VICAR HAS NOT ABATED

Our Lady - "My child and My children, all Heaven is pleased, at the moment, with the manner in which you have chosen to help your Vicar and all of your brothers and sisters upon earth with your sacrifices, your prayers, and your penance. However, the danger to your Vicar has not abated. He must be escorted by prayer until he leaves your country, the United States. And with him must go along his journey, many prayers and acts of sacrifice; because 666, the agents of hell, will work in full powers of darkness to alleviate being recognized by the world in their sin, and the manner in which these demons from hell seek to destroy mankind, both physically and spiritually, and seek in like manner to destroy your Vicar. You must all keep a constant vigilance of prayer going throughout your country and the world for your Vicar.

"You cannot understand, My children, in your human nature the manner in which this battle of the spirits rage. You cannot fight them now with human means, but you must recognize and accept the fact that there exists now in your world an army of demons loosed from hell, led by Lucifer. Their intent is to darken the minds of the clergy and darken the souls of all mankind, that they may then lose the Kingdom of the Eternal Father in Heaven. And Lucifer will complete his plan, in the short time left to subdue mankind, and take with him into hell, his kingdom, all of the souls that have fallen away from the narrow road that leads to the Kingdom of happiness, the Kingdom of Heaven.

"No one - no man, woman, or child - shall fall into hell unless he goes there of his own free will.

THE POPE'S VISIT IS TIMELY

"Your Vicar has been graced at this time to understand the imminence of his visit being timely, for your country will undergo a great chastisement, unless you take the hardness from your heart, open your eyes to the truth, and follow the only course for your salvation given to you, taught by your Vicar.

"My children, clergy in My Son's House, His Church upon earth: I understand your bewilderment; I, as your Mother, understand your concern. But many of you have your heads and your hearts in the clouds, befogged by humanism, deluded by modernism and your scientific manner of thinking, with the reasoning of man, not the knowledge of God.

"Your country and all of the countries upon earth are in great crisis. As I have counseled you in the past, I warn you now, as your Mother. Being sent to you as a Mediatrix between God and man, I do not overshadow the Eternal Father or My Son. But I come to you as your Mother, pleading with the Eternal Father for your salvation - your redemption, pleading for your cause before Heaven, that you may be granted an extension of time to recover your senses, for you are blinded by sin!

MANY NOW REBEL AGAINST THE POPE

"Many clergy have given themselves over to pleasures of the flesh. Many have fallen into sin and heresy, and have cast aside the truth of their vocations. Many now rebel against their leader, their God-given leader, your Vicar. In matters of faith and morals, man must not change the God-given laws, coming from the Seat of Peter, and established through tradition upon earth through My Son's Church.

ABORTION IS MURDER

"I repeat the words of all Heaven, and those who are upon earth - voices crying out to you in the wilderness: Repent now, while there is time, for your time is running out. Abortion is murder! Adultery, promiscuousness, sexual aberrations shall neither be condoned nor reasoned as being right, when they are wrong! These abominations are condemned by all Heaven.

"Man shall not seek to create life by artificial means, for you destroy the very nature of your humanity. And you shall receive for such actions a just punishment, in chastisement from the Eternal Father.

HEAVEN PLEASED WITH RECEPTION GIVEN THE POPE

"Your country, My child, the United States of America - My child and My children, how light and gladdened were Our hearts at the reception given to your Vicar. But how saddened now are Our hearts to know that soon his words will be forgotten; and the confusion will reign anew, the disobedience shall accelerate. O My children, pray now! Pray always! Your life must be now a life of prayer and retirement from a world that has been given over to satan, to claim his own.

"Your children must be taught at home, given a firm foundation of the truth, the knowledge of their Faith. You must instill in their hearts the love of God before the love of any man. You must instill in their hearts the knowledge that they must work now to achieve their redemption and salvation by the plan of the Eternal Father, as written and espoused through many prophets through countless earth-years of time: written in the Bible, your Book of life and love.

"My children, as a Mother, My heart is torn for you. O mothers who come to Me, hearts bleeding in sorrow, I will comfort you, for I, too, know the suffering of loss. Come to Me, all you who sorrow and weep for your children, for I will place My mantle of love and comfort upon you. Come to Me, and I will lighten your burden.

"You must understand, My children of the world: you cannot cast aside the protection of the sacramentals given to you. All your armor must be used now, for Lucifer is gathering his armies for another onslaught far worse upon mankind. The plan is not unknown; the Eternal Father will turn all evil to good. However, the battle that rages, you will find that many will fall; and sadly, the souls have been falling into hell, counted as numerous as the snowflakes that will soon fall upon your earth.

"And who prays for these souls, Our straying sheep? Who will offer sacrifices? Have you forgotten so soon the value of suffering, the priceless treasure you have for your redemption?

HOMES FILLED WITH MIND DESTROYERS

"My children, your homes are not prepared well for your children, for you fill them with mind destroyers. Your children are being enticed and seduced through their mediums of entertainment. I have warned you over and over to clean your house out; cleanse your home before you weep! Many children shall turn against their parents, for their minds shall be poisoned by satan. Murders shall abound; there will be accidents that are not accidents. Sin is truly insanity.

"You have been given, My children, many graces through your sacramentals: graces for cures, graces for conversions. Many of you shall experience a supernatural manifestation for your edification and strength. But do not become prideful, for pride is a true barrier, a more formidable barrier against holiness and sanctity than even outright licentiousness!

"Remember always, My children: those who receive graces in abundance, much is expected of them. You cannot slacken in your mission, My child and My children, but you must continue to go forward as candles searching in the darkness for Our lost sheep. We ask you to be a true and fervent disciple of My Son's Church, His House upon earth.

"Do not abandon My Son's Church because of the antics - because of the personality of some or many of My Son's representatives in the priesthood. Do not judge My Son's House, His Church, by man's reasoning. But remember: you must remain in your parish churches, partaking of the Bread of life in the Eucharist. My Son is always with you in the Eucharist.

"You will receive many graces in these latter days. And those who fall away, having received these graces, will find it most difficult to return. My child, if a worker has been told the truth and he does not hasten to return, it is his own punishment that he has chosen. Pray for him, My child.

JACINTA 1972 PHOTOGRAPH

"I ask that the photograph given from Heaven, Jacinta 1972 be propagated, made known world-wide; for within this photograph lies the date, the month, the hour, the year of the coming Chastisement. Search it well, My children; for those who are given the grace will find the answer to the puzzle. Jacinta of Fatima-Jacinta 1972.

"My child, you will continue in your mission. The strength will be given for its completion. I ask you - and you must listen to My counsel, My child - to bar your doors to all but your close workers and your immediate family. For the souls of whom will knock upon your door are evil.

"You will proceed upon the second mission, which will soon be coming to its completion. My child, We understand the extreme drain this has had upon your human body. But you will not be given a heavier burden or cross than you can carry at this time. Yes, My child, your life has been from the beginning in the hands of the Eternal Father. It is no accident that you have been moved to your present location.

"Watch well, My child, and pray daily; for you will soon be approached by the 'Black Cape.' Do not be affrighted, My child. He fears you; you have nothing to fear from him. But watch carefully, and bar your doors. You will not go out unescorted.

"Remember, My child: he can inflict upon you physical, great physical injury - not to your soul, your spirit, but to your body. I ask you to bar your doors - and I repeat it, My child, for the crisis is approaching."

Veronica - Our Lady is looking all about Her. Now She's touching Her fingers to Her lips.

Our Lady - "Now, My child, you will take three photographs, and you will understand My present discourse with you. You will continue to pray in atonement until My Son comes to give you an additional measure of counsel in your mission, and words of preparation for the world."

Veronica - Our Lady is extending Her Rosary out again, with the beautiful golden crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

"Yes."

[Pause]

The sky all about the trees is becoming a beautiful pink hue. It's fanning upwards like streams of light, but they're all pink, a very pale pink, very beautiful. The sky high overhead, directly over Our Lady's statue, is opening up, and Jesus is coming forward. Oh, I can see He's coming very fast through the sky. He's not walking; He hasn't parted His feet, yet He's floating - I can't explain it - down towards us.

Now Jesus is directly over the branch of the fir tree behind Our Lady's statue. He's come down very, very close to us this evening. Now Jesus is extending His hands out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus is placing His hand over His heart, like this, and He's looking all about Him. It's quite windy, because I notice Jesus' gown is like fluttering, just rustling, like it's breezier up there than down here.

Jesus has on a robe. It's sort - not a red color - like a burgundy color, almost like a maroon. But it looks like it's velvet. I believe it's velvet; it appears to be. And He has on an ecru-colored gown. The gown is like an off-white color, like a beige. I

don't know exactly how to explain it, but it's darker and coarser material than Our Lady had on. And He has about His waist a belting of skin-like type of belting.

And His feet are bare. And I can see upon His insteps - they look very sore - the wounds. They're not closed; they seem to be open, on His feet. That was from the spike that went through His two feet.

And Jesus now is placing His hands out, like this, in front of Him, and I can see the wounds in the palms of His hands. Now Jesus is turning His hands over, like this, palms down, and raising them high above His head. And there are streams of light coming out from His hands - oh, it looks just beautiful! He's sending streams of light, but they're going over our heads down onto the grounds. I can see them going straight over our heads and going down onto the grounds. The light is beyond anything I can describe. It's - the only word I could use is 'supernatural.' It's not solid - I can't explain it to you. A tremendous, electrical-looking type of light. It's just beautiful! Just beautiful!

Now Jesus is withdrawing His hands like this, towards Him, and touching His heart now. And the lights have just like evaporated. I can't explain it to you - they just evaporated.

Now Jesus is motioning. Our Lady is coming towards Him. Our Lady has been standing over by the trees on our right side, and She's moving over now to Jesus. Jesus is waiting for Her approach, and He's smiling. It's so wonderful - I can't explain it. He has such beautiful eyes.

Now Our Lady is going at Jesus' right side. And now He's placing His hand over. And He's now touching His first finger to His lips, like this. Oh, Jesus is saying:

Jesus - "Behold your Mother!"

Veronica - And He's smiling. Our Lady looks very beautiful and radiant. And the angels now are gathering about Our Lady, and they have the garland of roses - just beautiful! - and they're circling Jesus and Our Lady.

And now Jesus is extending His hands out again. He's turning to the right, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking over to His left side - that would be our right side. I believe They are going - yes, They're going to go across the sky. And Jesus is leading first and Our Lady's following, and the angels. I can hear music, but very, very low. It's like many, many voices singing. I can't hear the words, but it sounds very beautiful, like a chorus of voices - beautiful!

And now Jesus has reached just about - He's standing almost directly opposite the tall tree on the right. Now He's bending over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning to His right side and coming across the sky back to the center. And They're directly over Our Lady's statue. Our Lady now is standing there with Her hands joined together in prayer. And Her beautiful Rosary - oh, it's very large, Our Lady's Rosary. It's dangling from Her fingers, like this. Oh, Our Lady - oh, if only I could have a picture of Our Lady this evening! She is absolutely beautiful!

Now Jesus is beckoning to me, and He's touching His lips with the first finger of His right hand.

DISOBEDIENCE TO THE HOLY FATHER

Jesus - "My child and My children, I will not give you a further discourse upon the state of the souls of mankind. Be it known to you at this time that all of Heaven has watched with eager hearts to see, perhaps if but for a short time, the rise of the flickering of candles of faith throughout your world. It is not unknown to Us that this great display will soon be abated and replaced by cynicism, doubts, confusion, and disobedience to Our Vicar.

"I ask you all to maintain him; sustain him with your prayers and acts of confidence at this time. The danger to him is great in his mission. He is also human and subject to slights. He is subject to human frailties and errors. However, in matters of faith and morals, he, too, shall pray for the guidance from Heaven to gather Our straying sheep.

TEARS OF OUR LADY UPON MANKIND

"My child and My children, another voice has been added to those who have chosen to go forward to save mankind from the just punishment and chastisement that will claim great lives. My Mother has counseled you. Her tears have fallen upon all of mankind, as She has wandered to and fro, begging for you to do penance and make many sacrifices, or your world will be placed under a great trial by fire - a cleansing with a baptism of fire.

"My children, you have been given every opportunity to act upon the warnings from Heaven and the counsel of My Mother. In Her mission to Her children, She has met with rejection, defamation, blasphemy, and every abuse that Lucifer could implant into the hearts and minds of man. As a great Mother of great sorrows, She has opened Her heart to all mankind, choosing of Her own free will to act as your Mother, the Mother of all nations, the Mother of all children of earth, to guide you back to the road to Heaven.

"Too many are already lost to Us, both young and old: forever damned, beyond help, beyond repatriation, in hell, the place of banishment.

"My child and My children, We do not seek to punish you. You will be allowed to make your own punishment. Unless you pray now for your Vicar, unless you pray now and learn the value of penance and suffering, you will all be cleansed by trial and suffering.

"Must you wait until you are pushed down to the ground before you will rise and honor the Eternal Father? Must you give yourselves over to all manner of sin and aberration and pleasures of the flesh, unto your destruction? Can you not realize - open your ears and your hearts to the truth that no life is forever to be lived upon your earth, but eternal life is over the veil? And you, by your own volition, by your own choice, shall choose your eternal life: be it with the Eternal Father in Heaven, or with Lucifer in hell, the abode of the damned.

USE THE SACRAMENTALS

"The prince of darkness, the creator of all evil and foulness upon earth, roams loose now. He has been given only a set time to take you to hell with him. You have been given by My Mother every direction for the protection of your spirit, your souls; and you must use your sacramentals, or you will not be able to stand the onslaughts of the enemies of your God.

"Lucifer walks your earth. He has an army of ogres. They come in different forms and shapes, but they will enter into the body of any man, woman, or child who has fallen out of grace, given over to sin.

"The greatest sadness in My heart is that I must make it known to you that many will sell their souls to get to the head; for money is the root of all evil and the corrupter of souls. The lust for power has brought many into the label 'damnation' as murderers of their brothers and sisters. Murder abounds upon your earth. Soon it will be - become commonplace in your lives, until sin, being a way of life, will be accepted and the light will become darkened.

"You will, My children, review the counsel from Heaven, given by My Mother through Her earth-years with you. She will guide you and be with you until the end of your era and the end of time. She has chosen of Her free will to accept Her place among you as your Mother, as the Mother of the world.

"Michael, Saint Michael is the guardian of My Church upon earth. And pastors, you must replace him! I say replace: take out your banners and your pagan symbols, and bring Michael back into My Church for your protection!

"I shall not at this time enumerate upon this message given by My Mother, but to warn you now that you must all listen to Her counsel and act upon it. My heart is extended to all of mankind, to be accepted or rejected.

"You must not compromise the Faith, My children. You are not upon earth to please man, but to please the Eternal Father, and bring to earth the knowledge of the existence of the supernatural, and the Kingdom of the Eternal Father - your future home: that is, if you will accept the grace and light given to you, to follow the road upon earth that leads to the eternal Kingdom of your God in Heaven.

ATTEMPTS UPON POPE'S LIFE WILL BE NUMEROUS

"The war of the spirits rages. The attempts upon your Vicar for his life will be numerous. The Eternal Father has a plan in the days ahead. Pray for your Vicar; pray for your bishops, your clergy. Lucifer has many attacks planned upon them.

"You must all understand and practice penance. You must understand the value of suffering; for each and every act of suffering, discomfort, can be offered for the sins of mankind. Even the smallest act of penance can save another.

"Pray constantly. Your hearts and minds must be with Heaven. Do not give yourselves over to the world which is controlled now by Lucifer and his agents. It is a narrow road to the Kingdom of Heaven, and too few remain upon it. Once you leave, it is most difficult to return. Prayer has the greatest strength of appeal in Heaven. Your prayers will not go unanswered. Ask, and you shall receive; seek and you shall find the way. Believe and you will be given the way.

"I am your God, and I am the Light, in the Eternal Father and the Spirit of life. And I say to you, as your God: God is, God was, God always will be."

Veronica - Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Now, My child, repeat the prayer message given to you in the past.

The end is not as far as you can see;
Already there is apostasy.
Man cast his lot and gathered the coals
To stoke the fire that burns the souls.
The days are numbered, the hours are few;
So work and pray and try to do
The mission that's given in the light,
Until that sad day when all is night!.

"I bless you all, My children, with the Spirit of light. Continue now with your prayers of atonement; they are sorely needed. Pray for your Vicar now, My children. Do not be taken with the cares of the world. Your prayers are sorely needed."

Veronica - "Yes. I will."

November 20, 1979

Eve of the Presentation of the Blessed Virgin Mary

Veronica - All about the trees there are forming crescents of light. I can't explain it to you, but the coloring, the blue coloring is not just bordering the trees; it's coming out of the trees just as though being illuminated from within the branches, outward in a "C" formation. But now they are joining to form a crescent-like formation, circular in pattern, all about the sky, directly over Our Lady's statue, and all about the grounds as far back as I can see, beyond - looking backwards from my seat.

The light is extending now directly vertically ahead, from the crescent outline to the center of the sky above us, directly over Our Lady's statue. The sky is becoming very lighted. It's a beautiful light; it's brilliant beyond any human explanation in words. It's clear, a light - that is, a clear light, glass-like in formation. I only wish there were human words to explain how beautiful this light is that's opening the sky.

I can see now Our Lady coming forward. Oh, She looks very fragile. Our Lady is dressed in a pure white gown, and upon Her feet She has very dainty sandals. I can see Her, Her feet. And the sandal has one strap. The sandals are gold in color; and upon the tip of the strap that extends from Her ankle to the center of Her toes, there are - there is on each foot a small golden rosette, a tiny, tiny baby rose.

Our Lady has also about Her waist a deep blue sash, a beautiful deep blue. Her mantle is very long and flowing. Our Lady's mantle is also a pure white, as white as sugar. I could say snow, but I think the coloring of sugar would best explain the beauty of Our Lady's mantle.

All about the edging, inside edging of Our Lady's mantle, there is a border of very fine gold. It looks like an actual metallic gold metal, shining in appearance. Our Lady has Her hands joined in prayer, like this, with Her Rosary extending through Her fingers.

Our Lady is smiling, but it's a sad smile. I do feel that She is upset, because she has a smile of love, but I can hear Our Lady sighing. [Veronica sighs heavily.] A sigh of distress.

Our Lady now has come forward, very close to Her statue. She's gone down in front of the tree, and She's standing just a few feet above Her statue. Now Our Lady is placing Her first finger to Her lips, like this, which means to listen.

Our Lady - "My child and My children - My child, Veronica, I have asked you to come to these grounds this evening, with your pain alleviated for this mission.

"I have not accepted fully the knowledge that mankind has so little time left to do penance, make amends to the Eternal Father for the offenses committed against Him, My Son, and the Spirit of light.

"I have warned you, My children, in numerous counsels, through many seers throughout your world, that unless you listened to My counsel and acted upon it, you would suffer a great Chastisement. How long can I hold back this terrible time of trial from mankind?"

U.S. SHALL SUFFER GREAT CRISIS

"Already the forces of evil have gathered; and your country, the United States, which has now proceeded into spiritual darkness, shall suffer a great crisis. The time for being optimistic has passed by. Your country, the United States of America, shall be chastised. My heart is bereaved by the knowledge of the loss of great life that will come about in this minor chastisement. Wars are a punishment for man's sins.

"Because the United States and many nations upon earth have given themselves over to all manner of pleasures of the flesh, materialistic viewpoints and procedures and pursuits, casting aside the love and knowledge of his Creator, his God; seeking to set up upon earth a rule of government that has no place for his Creator, his God; and ruling upon earth with the forces of darkness and Lucifer who has opened the abyss to hell. And all the forces from hell have proceeded now to engulf your world. All manner of sin is being rationalized and condoned. And who has sought to stem the tide of evil? Only those of humble heart and charity of heart have reached out with prayers, with works, and with true devotion to the Sacred Heart of My Son, to stem the tide of evil; in true charity to try and keep trying as a labor of love for all Heaven, to rescue your brothers and sisters in the little time that is left to you.

"This chastisement that will soon come upon your country can engulf all of the nations upon the earth, and in this involvement many nations shall disappear from the face of the earth."

Veronica - Our Lady is looking about Her. I see tears coursing down Her cheeks.

Our Lady - "My child and My children, I am truly a Mother of great sorrows. For I have wandered to and fro, calling to you as your Mother, allowed to come to you, acting as a Mediatrix between God and man, at the command of the Eternal Father, to give you every opportunity to save yourself and your families from extinction.

"The great Chastisement of the Ball of Redemption approaches also. Minor trials shall take place. My children, must you wait until all is destroyed before you will acknowledge that you have been wrong in your procedures, in your teachings, and in your seeking for scientific renovations and novelties, even in My Son's Church upon earth?

SPEAK OUT AGAINST EVIL

"I ask, as your Mother, all cardinals, all bishops, to come forth from your lethargy, to speak out against evil. Do not deny the existence of immortality. Do not deny the existence of life after death, and the realms of purgatory and hell, the abode of the damned.

"O My children, how My heart aches, and is torn over and over, as I watch the young being destroyed physically and morally. Teachers that have accepted doctrines of demons! My children, open your eyes! You have become blinded to the truth. Open your eyes! Can you not see that your country has become paganized - worshiping false idols and giving themselves over to the worship of the adversary, Lucifer. There are only two forces upon earth - good and evil. You are expected to make the right choice, the only choice: to follow My Son to the Kingdom of Heaven.

"Every single man, woman, and child must one day die in his human body. Is it worth renouncing your Faith, rejecting the light, and giving yourselves over to pleasures of the flesh, materialism, and all manner of political pursuits of communism and humanism. For what? For your own destruction.

"Life is eternal. Your body will die, but your living entity will continue over beyond the veil. My children, I repeat: there is no death; you live on. Once you leave your body, with full knowledge you live on, and come to Us for judgment.

NOT ENOUGH PRAYERS FOR CLERGY

"O My children, protect your families; pray constantly a constant vigil of prayer. Not enough prayers have been offered for your clergy. Many bishops proceed onto a road that will lead them to hell, but sadly they will take many others with them.

"There must be a complete cleansing of My Son's Church. What do you do, My children, when your house has been infested by rodents or vermin? You clean out your house. You do not abandon it, for it has taken much love and much labor to build the walls. You do not abandon it, but you work and pray, and use every means to clean out My Son's House, His Church.

DO NOT ABANDON THE CHURCH

"Do you understand Me, My children? I ask you not to abandon My Son's Church in the crisis of Faith now, but to keep the bark of Peter afloat. I ask you not to remain silent when you meet with wrongdoing, but to speak out and act to correct a situation that is offensive to your God and destructive to your soul. Speak once, and if not hastened or listened to, speak no more, but pray that the Eternal Father in Heaven will open up the ears of those who have closed their hearts and their ears to the truth.

EUTHANASIA IS MURDER

"And I repeat again to all clergy in My Son's House: you shall not rationalize sin. Abortion is murder, and murder condemns you to hell without repentance! Euthanasia is murder, and murder condemns you to hell without repentance! The Commandments of your God must be followed, and no changes will be made upon them to suit the basic fallen nature of mankind.

"The road to Heaven, My children, is a narrow one; too few stay upon it. For they are often carried away with the cares of the world, and the pleasures of the materialistic pursuits, and their gathering of money and prestige and power. For what? For the few short years allotted to each human upon earth. I ask you to ask yourself: is it worth it to lose your soul? Many will sell their souls to get to the head.

"As I have wandered through countless earth-years warning My children, I say to you as your Mother: have you prepared your household well? Protect your children. Do not abandon the sacramentals. Soon you all will understand the great treasures of comfort, safety, and spiritual holiness that have been given to you in these sacramentals.

"Do not become discouraged, My children, as you continue upon this Mission for Heaven. You will be a minority upon earth, subject to trial and derision from those who will be lost. As My Son was tormented, rejected, and abused physically, you must expect to carry your cross as He did.

MY JESUS, MY CONFIDENCE!

"When you find the need for comfort you will say from your heart: My Jesus, my confidence!

"Pray, My children, always. Pray for your poor brothers and sisters who are not of blood relationship; but as creations of your God, you are all brothers and sisters upon earth. In your charity extend to all love and understanding. Do not seek to harm others intentionally.

"I give you, as your Mother, good counsel, for you will find your Faith and your human needs tested in the days ahead."

Veronica - Our Lady now is extending Her Rosary with the beautiful, beautiful golden crucifix. Oh, it's so brilliant as Our Lady now is looking about Her, and extending the crucifix, like this, from the Rosary. She's making now the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning to Her right. The sky behind Our Lady is opening up, and I can see Saint Michael. Oh, he is tremendous! He's covering the whole sky. There's no way I can explain to you the tremendous size of Michael. But he is so beautiful. He gives you, just by looking at him, such a feeling of comfort and strength and - I can't even find the words to express it humanly - perseverance, trust, and all that is good.

Our Lady is now nodding Her - smiling and nodding, saying yes. And now She is going across the sky. Our Lady is going to Her right side, which is our left side, over - oh, and She's now bending over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now has turned to Her left, and She's going back across the sky; She's passing beyond Her statue now. Our Lady is over on our right side, just - She's almost standing now near the tip of the tall tree over on our right side beyond the exedra. Our Lady is now bending over, extending Her Rosary out, like this, with the crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is pointing over to the right side, Her right side, our left side of the sky. And directly over Our Lady's statue, just a little bit to the left, there is a huge chalice forming in the sky. It's a beautiful golden chalice. And I can see just a hand, a man's hand, with the Eucharist extended above the chalice. And I can see he's a priest, because of - near his wrist I can see the vestment. And he's now holding the Eucharist up, like this. Just beautiful! A huge white beautiful Host, circular Host. And now the light from the Host is streaming over to where Our Lady is standing, on the right side. And Our Lady is nodding, and She is saying:

Our Lady - "My child and My children, it is the will of My Son that only man - not woman - shall give His Body to the multitudes. Only a man, a priest, legally ordained, a true descendant of Peter, must bring My Son's Body to the multitudes."

Veronica - Now Our Lady is extending the crucifix out, and I can't see the chalice or the priest's hand any longer. And Our Lady is extending the crucifix out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Our Lady is taking Her crucifix now and kissing it, like this. And now She's joining Her hands together, like this, in prayer, and nodding:

Our Lady - "My child and My children, continue now with your prayers of atonement; they are sorely needed."

Veronica - My God, I believe, I adore, I trust, and I love Thee. I beg pardon for all those who do not believe, do not adore, do not trust, and do not love Thee.

O my Jesus, forgive us our sins, save us from the fires of hell; lead all souls to Heaven, especially those most in need of Your mercy.

Our Lady - "My child, I wish to discourse with you in private. You will not repeat.

[Pause]

"Many victim souls are needed, to do penance and accept suffering for the repatriation of souls.

LESS AND LESS HONOR GIVEN TO EUCHARIST

"Less and less honor is being given to My Son in the Eucharist. Will you not love Him? Express and act upon your love by comforting My Son in the tabernacles of the world. Visit Him more often, for He grows lonely in His House. Graces in abundance shall be given to all who seek My Son in the Eucharist.

"Hasten, repair to the tabernacles of the world, My children, while the doors of My Son's houses, His Church upon earth, are still open to you. Many countries shall be deprived of this source of great grace, and there shall be anguish of heart. Accept this elixir of love, My children - the Bread of life, the Eucharist.

NO SCHISMS MUST TAKE PLACE

"Do not abandon My Son any longer by rejecting His Church. Do not judge My Son's Church by man. The foundation is My Son, Jesus. And though the walls may develop cracks, the foundation is solid. Will you not remain and patch these cracks, My children? We do not wish that you break apart into small groups of discord. No schisms must take place in My Son's Church.

For all who are baptized a Roman Catholic must die Roman Catholics to enter Heaven. A rejection of the papacy, a rejection of the Faith because of human reasoning shall not be accepted by the Eternal Father in Heaven. Remain faithful and true forever unto the end.

"And you, My child, will be relieved for but a short time of your physical suffering. But in My discourse in silence with you, you understand why I say this, My child. You will continue now by taking three photographs, and these will be kept a secret."

[Pause]

Veronica - The sky all about the trees is becoming a very deep pink. Now directly over Our Lady's statue there are long beams of light extending high up into the center of the sky. The sky is opening up in a circular pattern of light, like a huge glass-like host. I can't explain it. And now it's widening, growing bigger.

And directly in the center I can see Jesus coming forward. He's coming in very fast. He's traveling from a distance, because He looked at first like a statue. But now I can see Him - here He comes; He's coming down now, directly above Our Lady's statue.

He has nothing on His feet at all. I can see the wounds on His insteps. He's standing now looking about Him. His head is uncovered. Jesus has on a burgundy colored cape, and it's tied at His neck by what appears to be like a gold braided cording. Jesus has on - it's not white, it's like a . . . oh, I don't know the material. It's heavy, like - not sackcloth; I don't know what you call it, but it, the coloring is like a beige. Jesus' gown, it's heavy and it's beige colored.

And He has - Jesus has a belting that appears to be like some type of skin. It's a dark brown, like some type of maybe calfskin or something. It doesn't look like rope - like I said, it looks like skin of some kind that has been braided, like leather; and it's cinched at His waist and hanging down. It has no decoration on it; it's very simple, but it's a belting. And now Jesus is extending His hand out like this, with the two fingers and the thumb extended, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus is looking about Him. I can see His hair. The reflection from the light and the burgundy cape makes Jesus' hair looks very, sort of reddish brown. It's quite long. As Jesus is turning now, looking about Him, I can see that His hair is extended down over His shoulders.

Now Jesus is smiling a very, sort of sad smile. And now He is - oh, Our Lady is joining Him. Our Lady has come from the left side of the sky. She must have been beyond the tree. Now Our Lady is coming over, and She's standing at Jesus' right side. She's just a short bit smaller than His shoulders. Our Lady doesn't extend quite to His shoulder. And now Our Lady is standing with Her hands in prayer. The Rosary beads are still about Her fingers. And Jesus has whispered something that I can't hear to Her. Now He's touching His lips with the first finger of His hand.

Jesus - "My child and My children, I do not intend to elaborate upon the counsel of My Mother. I only admonish you now to accept all of the direction from Heaven as given to you through My Mother. She has carried a very heavy burden for you all as your Mother. Many have rejected Her counsel; many have listened, and then were carried away by the cares of your world, and forgotten this counsel. Sadly, they will come to their senses soon, but it will be too late.

"My children of the world, you stand now upon a hill, a hill that you have built upon humanistic values and materialistic manners, as you sought to build a world of your own, cutting off the light, and building a utopia, built with humanism and socialism, and communism - all under the heading of love and brotherhood, but covered with a blanket of darkness of the spirit. For this, the Eternal Father has allowed you to pursue your own course. The awakening shall come in shock to many.

HOURGLASS TURNED OVER SEVERAL TIMES

"My Mother has counseled you well to prepare and protect your households. The hourglass has been turned over several times to give you more time to do penance and take the stigma of sin from your homes, and mankind in general. However, man has sought success and riches and science to console him, and instead, has found a void. And the children of these parents, who have lived without faith and morals, are the major victims. For as they wandered in a life that has been a void to them, they have sought what they did not know in their human reasoning. But the heart and the inborn conscience of God has sent them seeking, but without firm direction - and this direction not coming from not only the parents but the clergy in My House - they have found instead, these poor misguided, misled children, they have found death - death of the body, and death of the soul: death with drugs, death of the soul with pornography, immorality, and the worship of false idols and gods, even consorting with new religions based on humanism and satanism.

"O My children, how foolish you are to sell your souls for the few years that man has given himself upon earth. I say this, for man shall bring about his own destruction, and then the Eternal Father shall be forced to remove many from the earth with the Ball of Redemption.

"Have you all made a firm effort to prepare your households and protect your children? There will be much weeping and gnashing of teeth and woe set upon the earth by Lucifer and the forces of darkness, his agents from hell loosed upon the earth now in full under the title of 666.

"My children, keep a constant vigilance of prayer going throughout your country now. The balance now shall be held by the few, or death shall enter into many homes.

"My children, pray constantly, and in true charity, pray for your cardinals and your bishops. Many shall fall because of too few prayers and acts of sacrifice for them. They do not have a special passport to Heaven. But they, too, have a human nature that must be constantly on guard, and fighting Lucifer and his agents. Pray for them. Do not judge, but try to counsel in good faith and charity."

Veronica - Now Jesus is looking all about Him, and He's now extending His hand out, like this, and making the sign of the cross again: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "My child, you will repair immediately home. You will bar your doors to all but your immediate family and closest workers. You must at this time also rely upon the communication from Heaven given to you. You understand, My child. Use that measure.

STRUGGLE TO VANQUISH THE EVIL ONE

"The struggle to vanquish the evil one will be a battle of faith. Human wits can not be victorious in this battle. Only a supernatural form of manifestation shall remove him.

"Do not repeat, My child . . .

[Pause]

"The world, when it is renewed and restored, shall remember the battle fought by those who have worn the colors from Heaven. The armies from Heaven led by My Mother shall vanquish the head of the serpent.

"It is a test for all mankind; the good and the evil shall test all mankind as metals in the fire. The sheep shall be separated from the goats in the days ahead, My child. The road to Heaven is a narrow one, and it is a constant struggle with the cross to remain on it.

"Accept all trial and suffering, knowing that the road in this way will lead directly to the Kingdom of Heaven."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus and Our Lady are - They're backing up into the sky. They're standing there; Our Lady is nodding. And it's becoming very brilliant with light all about Our Lady and Jesus. Now Jesus is touching His lips:

Jesus - "Repair home, My child, immediately!"

November 24, 1979

Eve of Christ the King

Veronica - All about the trees there is a very luminous coloring of blue now covering the sky in the area of the trees. The color seems to be coming from within the trees and fanning outward high up into the sky. Directly over Our Lady's statue, high in the sky, there is an opening forming, circular - it's circular, and opening as though there is a beautiful force just pushing back the clouds that had covered the sky.

The opening of light now is huge. It's making a circular pattern directly over Our Lady's statue. Now in the center of the pattern of light I can see Our Lady coming forward. She's coming through the light very fast, and from Her size becoming bigger as She approaches, larger to view, it's obvious that Our Lady is coming quite a distance. Now She is very clear. The light - it was so brilliant that I could barely see Our Lady's face. But now She is standing directly over Her statue.

Our Lady is dressed in a beautiful white gown. It's a pure white. And about Her waist She has a deep blue sash. It's a darker blue this evening. Our Lady's mantle is white with a border of gold, approximately about - oh, about a half inch to three-quarters inch in thickness all about the outer edge of Our Lady's mantle.

Our Lady is looking about Her. She's now taking Her Rosary from about Her waist, and She's extending the crucifix, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Our Lady is placing the crucifix to Her lips, like this.

Now Our Lady is joining Her hands together in prayer, and She's looking about Her. She has a smile, a soft smile upon Her face, but it has a great deal of sadness, too. Now Our Lady is taking the first finger of Her right hand and placing it to Her lips.

Our Lady - "My child and My children, I cannot bring to you great news for the children of the world on My visit this evening to earth, but I can direct you in the days ahead, My children.

"I have asked you and pleaded with you to do penance. There will be a great crisis set upon your country, the United States. O My children, I cannot burden you now with a full revelation of the evildoings by many in your government and the governments of the world that has brought about the present state of affairs in your world.

"As it was told through countless earth-years by many prophets and voice-boxes from Heaven, you are now living in the days of the great sorrows. Evil abounds upon earth, and has entered into My Son's Church. Evil abounds upon earth, and has taken hold within the homes and livelihoods of Our children upon earth. What salvation is there for you but to follow the way of the cross.

"My children, you must pray now and do much penance. A great War is approaching mankind, a war in which nations shall vanish from the earth. There will be much weeping and gnashing of teeth. Woe to the inhabitants of the earth who have neither counseled the young nor sought to change the course of destruction that they have allowed to progress on. Because of their love of materialism and their love of what they call humanism, and their love of worldly gain in power, man has now been abandoned by the forces of light to seek his own way now, a way that he has chosen to be covered with errors and spiritual darkness.

MESSAGE FROM HEAVEN THE ONLY GUIDE

"My children, I beg of you as your Mother - I come to you from Heaven as a Mediatrix between God and man; you must listen to Me now. I warned you in the past that your medias of communication are controlled. The only guide you will have now are the messages from Heaven, given through various seers, and other miraculous manifestations from the Eternal Father to man.

"Many shall be martyred in the days ahead. Heaven can be gained through martyrdom.

U.S. TO KNOW PHYSICAL HUNGER AND WANT

"My children, do not be concerned of any worldly possession, for soon many shall know hunger. There is a spiritual hunger now in your world and in your hearts, but soon your country, the United States, will join other nations in knowing physical hunger and want.

"My children, can this be avoided? What price must you pay before you will listen and awaken from your lethargy and realize what has been happening to your country and many countries of the world, as you go along like ducks upon the waters following leaders who have become paganized in their lust for power.

"Pray, My children, for your governments, your government leaders; and pray always for your clergy, for many have become weak and have given themselves over to material gain, and also a lust for power through pride. Pride is truly a more formidable barrier against holiness and piety than even outright licentiousness. Pride is a sin, and shall keep many from entering into the Kingdom of Heaven.

"I ask you not to judge your brothers and sisters, but I also counsel you in all warmth of heart as your Mother, not to abandon them in their sin, but to offer charitable consolation in the knowledge of their Faith. A religious foundation must be given to all of the children, the young of the world. Without this foundation of religion, paganism takes over, and soon you will see a major increase in murders and all form of abominations.

"I shall not, My child, in your weakened state this evening, give you a long discourse on the major sins of the world: the sins that shall be held in abeyance, the sins that shall send mankind into a World War, a war far greater in destructive nature than mankind has ever experienced.

THE MESSAGE OF LA SALETTE

"I ask that My messages, the messages from Heaven, My voice of counsel, not be discarded. I ask that you remember My visit to LaSalette, and do not keep hidden the message I gave. If you still My voice, My children, you will be destroyed. Your country shall then feel a destruction both physical and spiritual.

"My children, the choice is yours. Are you trying, with the help of prayer and counsel from Heaven, to save your country, or are you going to allow the world powers controlled by Lucifer to destroy your country, as Lucifer has worked to destroy many nations already upon your earth. I say again, My children: the decision is yours!

"You must all keep a constant vigilance of prayer going throughout your country and the world. There is no time now for speculation on what is to be. The future shall be very short for many."

Veronica - Our Lady now is pointing up to the left part - Her right side of the sky, our left side, and I can see a huge red ball hurtling through the air. It's a very frightening sight. And Our Lady is now touching Her finger to Her lips.

Our Lady - "That, My child, is the second part of the Chastisement.

"You will receive, My child and My children, many manifestations from Heaven to guide you in the days ahead. You must always test the spirits first."

Veronica - Now Our Lady is extending Her Rosary out again, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Continue now, My child and My children, with your prayers of atonement. Veronica, My child, My Son will speak with you shortly. Retain your strength."

[Pause]

Veronica - The sky about the trees has the most beautiful warm pink glow, and the coloring is cascading not in direct rays - I can't explain it; it's like a film of beautiful pink coming from the trees and going upward high into the sky.

Now directly over Our Lady's statue, Jesus is coming through the clouds. There are clouds about Him, but they're becoming a beautiful pink. The color is so warm and beautiful that it gives you a feeling of such wonderful peace and happiness. The color itself - I haven't seen upon earth that color. Pink is the word I use, pink, but I have never seen the color upon any picture or anything. It's so beautiful.

Now Jesus is coming forward faster. He's standing directly above the middle tree. Now He has sandals on His feet this evening; they're brown. They look like a leather material, with one band of stripping that goes from His ankle to His toes. And His cape, His burgundy cape is flowing about His feet. It's very long, and it's tied at Jesus' neck by this gold braid material, like a cording. And there is a cape. There's a headpiece to the cape, because I can see it over Jesus' right shoulder.

Jesus' hair is blowing now in the wind. It looks a reddish brown, but the light is so brilliant I don't know for sure if it's reddish brown or dark brown, with just the coloring from the cape and the light about Him cascading from His hair. But it makes His hair look a beautiful sort of reddish brown.

Jesus is smiling. He has a short beard, but it seems very well trimmed. I don't know what you would call it - like sort of a goatee, or . . . it's trimmed very short. And Jesus is smiling, like He is amused. I know He's amused at the description I'm giving of Him. And He's now - His beautiful eyes! Jesus has the most beautiful eyes! With Our Lady when She talks - He wants you to know that Our Lady has a more human approach in talking; but Jesus talks with me, I would say, through His eyes. He doesn't have to move His lips the way Our Lady does. He just looks and you know exactly what He's saying! Now Jesus is extending His hand out, like this, and making the sign of the cross in blessing: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady - I didn't know She was standing over on the right side, but She's coming across the sky, and She's going now up to Jesus. And He's talking to Her. He's not whispering, but I, I can't hear what He's saying. Now Our Lady is passing behind Him, and She's going to stand over at His right side.

And also, just behind Our Lady and Jesus, I can see Michael. Saint Michael is there, and of course, with his tremendous size, there is no human way I can explain the effect he has on you. He doesn't look out of proportion, but he is tremendous in size! Just as Our Lady calls him - a warrior of Heaven.

Jesus and Our Lady are looking about Them. Our Lady now has placed Her hands up, like this, in prayer. Her beautiful Rosary is dangling from Her fingers down across the front part of Her gown. And Our Lady is looking about Her. Now Jesus is taking His first finger and placing it to His lips.

Jesus - "My child and My children, We are well aware of the confusion now in your world, the anxiety, the anguish of heart for many.

"O My children, you are truly My little children, for many times a child must be reprimanded and chastised. However, in your freedom of will, you have become self-willed in your pursuits, relying upon your men of science, who have taken you into spiritual darkness.

SEEKING TO RULE AS LITTLE GODS

"You believe you can cast aside the Commandments of the Eternal Father and exist in peace? No, My children, already your world has given full evidence of what happens when you become arrogant and prideful and seek to rule as little gods upon earth. You cast aside all religious foundation and build yourself new religions that are guided by false doctrines of humanism and modernism and satanism. O My children, you never learn from your past, because you are now in a state far worse than in the times of Noe and Sodom. And what then shall be your fate?

"My children, the Eternal Father has full knowledge of your present, your past, and your future. Much that was to happen was to take place in the future; but you, in your arrogance and turning away from the light, has made, has forced your future to be now. Madness evidenced in murders, immorality, the lack of piety, holiness, charity in the hearts of man, and even lacking in the hearts of many of My clergy, are full evidence of the fall of mankind now.

"My children, all Heaven is concerned of the souls of the young: how they may be taken from among you for their salvation.

HEDONISTIC TEACHINGS AND FALSE GODS

"O My children, My Mother has cried bitter tears of anguish, for She has been given full knowledge of what is to be. She has tried to prepare you, to guide you through countless earth-years of time, to counsel you upon the direction to Heaven; but you have chosen in your arrogance and pride to build new religions, even bringing in hedonistic teachings and false gods. For this, My children, you are abandoned to your folly, and as such, you will find that you will be brought to your knees, forced to turn back from the wide road that you have chosen of your own free will.

"As My Mother counseled you through many earth-years of visitations to you, that when a country gives itself over to Lucifer, discarding all knowledge of true faith and the Commandments of the Eternal Father, that country will be destroyed. The hand that will be set upon your country shall be heavy. My Mother has pleaded your cause to Heaven, but how many have listened to Her? How many have been willing to sacrifice their own selfish desires to save mankind? Too few, My children, I say too few! The balance is heavily to the left, leaving Heaven no recourse but to allow you to continue upon the road to your own destruction.

"My children of light, do not be distressed, for I shall be with you; and your confidence shall be in the words given to you through My Mother, in all of the messages from Heaven that will guide you when the road becomes filled with thorns and the cross grows heavy.

"Yes, My children, for those who have been given much, much will be expected of them, even unto martyrdom.

"Do not seek to be recognized by man, for if you, in your pride, seek this recognition, you have already received your reward. But do your - do good deeds for the Eternal Father Who watches you in secret, for He will reward you. However, if you give yourselves over to the world, seeking the plaudits of the world, you have already received your reward.

"My child, you will accept an additional cross for your mission. I ask that you return home and remain secluded. You will not repeat this counsel, My child. . . .

[Pause]

"Do you understand, My child? You will follow this counsel, My child, or you will not survive the illness.

"You will continue now, My child, by directing all to pray a constant vigilance of prayer for your clergy, for the Bishop of Rome, your Pope, and for all mankind, for all poor sinners whose minds have been poisoned by satan.

"Do not be concerned, My child, at the short delay in the messages that you will pass through. Our fond workers will continue and the Message from Heaven shall reach every corner of the earth."

Veronica - Now Jesus is placing His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now He's touching His first finger to His lips.

Jesus - "Remember, My child, I know the question in your mind. Remember, I could not promise you physical health. But do not be concerned. We know your labors, and We shall see that you be given the necessary strength to continue the mission as needed. You will repair home now."

December 24, 1979

Eve of the Nativity of Our Lord, Christmas Eve

Veronica - All about the trees there's a beautiful glow now, cascading out in an upward stream of light. The coloring is a pale blue, almost crystal in appearance. Human-wise, how many words I could use to describe this - I could, I would be unable to describe the translucency of the color, because it is not of this world, but supernatural. If you could see it as I do, you would understand that no human hand could create the pattern of light that is going up from within the trees outward to form almost a spiral, a circular pattern, high in the sky over Our Lady's statue.

It's becoming very warm. There's a beautiful glow now coming from the center of the sky. In a circle of light the sky is opening up, and it is so beautiful, the blue; it's like being under a sunny summer sky with the warmth coming through. And it gives you a complete feeling of relaxation and beauty.

Oh, coming - I can see Our Lady. Our Lady is coming forward. And - oh, Jesus is with Her. Oh, it - oh, it looks so beautiful . . . coming down together. And behind Them I can see many, many angels, beautiful angels dressed in various colors, almost like rainbow in their formation. They are circling, making a half-circle about Jesus and Our Lady.

The angels' gowns are beautiful in color, and they seem to sparkle this evening as though they had diamonds in the hemlines of their long dresses. The angels' gowns completely cover them. I don't see any hands or feet, but they're obviously human in appearance to sight. But they're not human, because of the translucency of what would be their faces. They're - the light is so tremendous I could not describe any human face.

Our Lady and Jesus are coming slowly down through the sky. They are now directly over Our Lady's statue. The wind is blowing, because Jesus' cape is going to His left - that would be our right. And He's now gathering it closer to Him.

Jesus has on a pair of slippers - no, they're sandals, because I can see His feet are quite bare. But He has on brown leather-like sandals.

Jesus' gown is an ecru color. It's not a white like Our Lady's, it's like a beige. And Jesus has a belting made of a cord-like, skin, though, consistency type of belt. It's tied about His waist and hanging down. It's a stiff piece of material, because after the belting on His right, I can see as the wind is taking Jesus' cape - the belt has a rigidity to it, so it must be made from some type of skin.

And Jesus' cloak is a burgundy color. And it's, it's kept on His shoulders by a gold braiding that is about His neck and then tied under His chin. Jesus' cape to the robe is over His shoulders.

And Our Lady now is motioning to the right. Our Lady is dressed in a most beautiful white gown. And She has on a white robe - cape over it. Her mantle is a most beautiful, striking white. And about the edging there's a trim of gold, approximately - I'm very poor at judging distance, but - and size - but it appears to be about three-quarters inches wide all about the outer edge of Our Lady's mantle.

Our Lady has in Her hands - She has Her hands now joined in prayer, like this - Our Lady has Her beautiful Rosary. Oh, the golden Our Father beads are so brilliant. The beads are extremely large for Our Lady's hands. And the Our Father beads are so glittering this evening. And the Hail Mary beads are a beautiful, very beautiful pale color. But they seem to be catching all of the colors of the rainbow. Oh, they are just beautiful! The crucifix on Our Lady's Rosary is extending down through Her fingers. It's a golden crucifix, quite heavy now in appearance, but beautiful.

Our Lady now is extending the crucifix out, like this, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is placing the crucifix to Her lips and kissing it. Our Lady now is looking over and smiling at Jesus, Who is standing at Her left side. And He's nodding. And Jesus is stepping forward a bit, and He's looking about Him. And Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is motioning to me and placing His first finger to His lips.

Jesus - "My child, Veronica, and My children of the earth, I have come to you with My Mother to bring you a message of great urgency. In the battle of the spirits now progressing upon earth, you must be guided by prayer and the direction of My Mother.

GREAT WAR FAST APPROACHING

"My children of the earth, you are fast approaching a great War. The gauge that measures the extent of a chastisement upon mankind is carried as a balance for the extremity or the lessening of this chastisement.

"My child, Veronica, and My children, you are already at war: a war of the spirits, the supernatural. However, because many have failed to listen to the counsel of My Mother, you are fast approaching a war far greater and more destructive than

mankind has ever experienced in the past. And without the counsel from Heaven being adhered to, the directions strictly followed, many will die upon earth, and nations shall disappear from the face of your earth.

"As a nation, your country, the United States, had been a beacon of light for the world, a guide for Christendom. However, your country, because of materialism, has cast aside the armor of light, the protection from Heaven; your country has given itself over to all manners of paganistic practices, pursuits, and debasement. Therefore, great trial shall be set upon your nation.

"My children, My Mother has wandered to and fro, as the loving nature of a mother would compel Her, to beg all Heaven for assistance to bring back mankind to the grace of the Eternal Father - a grace that is slowly disappearing from your earth - not only, My children, in the United States of America, but in most countries upon your earth.

SOUL-DESTROYING PLAGUES

"Many plagues have been visited upon your earth, but you do not recognize them, and you have not gained any knowledge by them. These plagues I speak of are not of the scientific type involving illness of the body, but of the soul-destroying plagues visited upon your homes and your children.

"My children, I have asked you through My Mother to pray, and keep a constant vigilance of prayer going throughout your nation and the world.

"Unless you make a complete reversal of your ways that have offended the Eternal Father and all Heaven much, you will find destruction and death upon your country. This will come to you in two major ways: by war, and then from the celestial heavens you will find descending upon your earth the Ball of Redemption.

"The sins of mankind cry out for immediate punishment. The saints stand and wonder at the mercy of the Eternal Father for a degenerate generation.

A FINAL WARNING

"My children, you are receiving from Me, your God, a final warning. Listen now, or great sorrow shall enter into the homes of many."

Veronica - Jesus is looking about Him. He's moving over now to the right side of the sky, His left side, and He's extending His hand out like this: the three fingers extended, the thumb and the two first fingers of His hand - the index finger and the next one - and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is just standing there. Our Lady looks quite sad. She has an expression upon Her face that I can't quite explain: it's a mixture of pity, love, sorrow; a sorrow, one of knowledge of what is to be. And as Our Lady is now motioning for me to listen, by placing the first finger of Her right hand to Her lips, I can see there are tears now coursing down Our Lady's cheeks.

Jesus has now gone behind Our Lady, and He's passing over to our left side. He's standing now - that would be by Our Lady's right side. He's going across the sky, and He's standing just above the tree on our left side. He's coming down very, very close to the tree. He's bending over now, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's looking all about Him. And He's going back to Our Lady. He's cutting across the sky. Jesus doesn't walk, He just floats. There's no way I can explain it. He's weightless, and He goes clear across the sky without even moving His feet. Oh!

Oh, and now there's a tremendous light that's covering Jesus and Our Lady. Oh, I'm certain without Heaven's grace, I would surely be blinded. It's brighter than the sun, the most beautiful light! Not red, but white. It's a pure white light. It's just beautiful!

Now Our Lady is stepping - well, She's not stepping, She's moving forward, as She's placing again Her first finger to Her lips.

Our Lady - "Veronica, My child, My tears are truly tears of pity, for I am truly a Mother of great sorrow. How I could discourse with you all evening upon what is to happen to mankind! But who will listen to My warnings? Who will accept My counsel and take it to the multitudes?"

"O My children, My children! How many shall be lost in the flames of the Ball of Redemption!"

"Why do you not listen? And you do not learn by your past! I have come to earth many times in the past, My children, to counsel you when you were in great danger. Some heeded this counsel and were saved; others turned away and were lost.

"O My children, how happy were the days when I could look down from Heaven upon you and find that America was so beautiful - a Christian nation, devout, pious, and following the road as given by the Eternal Father, through My Son and the Holy Spirit of light. And now the light has been darkened.

"O My children, what can I do to open your ears, to open your hearts and your intellect? Graces are given in abundance for the asking, but you must also use your God-given sense.

"Yes, My children, many times you must suffer, for in this manner will you learn wisdom. Some decisions that you make upon your own shall not bear good fruit.

"My Son, His heart is torn by the manner in which you have rejected His way - even reaching into the hearts of the clergy. He has been turned away by many of them, for they have given themselves over to pursuits and pleasures of the flesh, succumbing to the errors of modernism so prevalent now in your nation and throughout your world. The modernism has produced bad fruits.

A CHURCH TAKING IN HERETICS AND ANTICHRISTS

"O My children, you cannot build another church, a house upon earth, for you are building it without the assistance of the light and the angels. You are building a church that will take in all manner of heretics and antichrists.

"O My children, are you so prideful that you believe that you can allow bad fruit to come into your vineyard, and that you will nourish them with your human intellect and ripen this fruit so that it will stay upon the vine? I say unto you: This will not be! My Son is the vinedresser, and all that is rotten must fall!

"O My children, the road to Heaven is a difficult road. Lucifer, the master of deceit, the prince of darkness, uses every means available, both supernatural and on the human level to deceive you and take you from this road. Therefore, you must always be alert and watchful.

"The plan for your redemption is a simple one of child-like trust and faith. Unless you remain as little children, you cannot be saved! Many will die in the great flame of the Ball of Redemption.

"My children, pick up the cross given to you. No man has ever received a burden greater than he can carry. The Eternal Father knows full well the limits, the limitations of your human nature.

"You must understand, My children, that if you wish to enter Heaven, you will follow a road similar to My Son's.

MIND CONTROL

"Do not allow your children to be taken from you in spirit. The forces of evil, of darkness, are increasing in their intensity. You will find now that there has been developed in your scientific world a manner of mind control through scientific machinery and human mind-manipulation. In this manner will the governing bodies of many nations seek to control your children, and in that manner control the parent.

"My children, this is only a small counsel that I have given you on numerous visits to earth in the past. You must protect your children now from a most diabolical force: the agents of 666, Lucifer in human form, working with his ogres, his satanic agents, through the bodies of human beings. Being of a supernatural nature, they cannot work, but they must accept human bodies and minds to do the will of the prince of darkness, Lucifer.

"Contemplate well upon this counsel, and you will understand, My children, why I have asked you to protect yourselves, your families, your children, your friends, your nation, and your country by prayer and a constant vigilance against the forces of darkness.

"Because of the great strength that they have now gained upon mankind, they will come forward now often in their true form. I have told you in the past, My children, that many so-called miracles shall be prevalent upon the earth. But you must test the spirits, for this is as in, you will say, My child and My children, a game similar to chess. It is a game of the wits.

HUMAN MIND PROBING THE SUPERNATURAL

"Now you have the human mind trying to probe into the realm of the supernatural. How, My child and My children, can they enter into the supernatural without becoming ensnared? No, My children, you must avoid the occasions of sin. And I say this for one reason: many of the young are accepting a religion so dangerous to their human natures and capabilities of understanding that the parents must alert their children to remain far from witchcraft and all manner of supernatural probings. The eventual attachment and association in occult-seeking is death: death of the soul and death of the body. Why do I stress this to you, My children? You will understand shortly.

"O My children, My heart is pierced with sorrow. In My Mother's pride of Her children, I had offered My suffering for your redemption to the Eternal Father. I have gathered the sacrifices of many victim souls as repatriation for your sins before the Eternal Father.

WARN POPE JOHN PAUL II

"Please, My children, pray for your Vicar. My Son's representatives upon earth are under great attack. And you must warn Our Vicar, Pope Paul, John Paul II, that there is a plan to remove him from the Seat of Peter. The Brown Bear shall try to manipulate the White Bear.

"My children, not all will understand these symbols. But for reason, those who are to know will understand. The Brown Bear will manipulate the White Bear. Therefore, you must not permit the White Bear to take over the Seat of Peter by the assassination of John Paul II.

"My child, for your safety and the safety of many of your workers, you will keep secret what I am now to give you."

Veronica - "Yes."

Our Lady - "All punishment upon mankind is conditional to the response of the multitudes.

"My children, the hour has come!

"Pray a constant vigilance of prayer now. Come forward with your beads of prayer, your Rosary. Extend the brown cloth for the salvation of many.

CALLED BY MY SON

"My children, it is not by accident that I speak to you and you hear Me. For no one has come and heard, except that they have been called by My Son.

"My child, you will continue to send the Message throughout the world.

"Yes, My child, I have told you in the past that We cannot give you great happiness or health of body upon the earth. For those who receive a great mission must also accept the cross that comes with it. You understand, My child. I speak to you in private. You will understand."

Veronica - "Yes."

Our Lady - "Now, My child, when I ask you, by making the sign of the cross, you will take three photographs and immediately leave the grounds, guarded well by your associates.

"Repair home, and bar your doors to all but your present companions. Remember, My child, repair home, and bar your doors well to all but your present companions! If necessary, My child, to protect you, We must allow greater physical disability to be visited upon you. It is for your protection, My child. And you also must accept your role in the world as a victim soul along with others who have given themselves for this mission."

Veronica - Our Lady now is taking Her Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is also - He was standing by Our Lady, directly over on Our Lady's left side, that - Our Lady is standing by Jesus' right side. She's just a bit below His shoulder. Jesus is quite tall. Oh, so beautiful! The light is becoming so, so - oh, piercing! And the lights are streaming down now from Jesus' fingers as He's making the sign of the cross: His fingers are extended like this, with the thumb and the two fingers extending forward and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady and Jesus - Our Lady has Her hands extended like this, in prayer, and I can still see the tears glistening upon Her face. She must have continued to cry, because they're - they're just heavily coming down Her face.

And the voices of the angels that are still standing by Our Lady, behind Her and Jesus, they formed a-almost like a half-moon formation all about Jesus and Our Lady. And I can hear them all; they're keeping repeating:

And so falls the nation,
By trial and tribulation.
The hand of God upon an errant nation.

And they're repeating it over and over. The voices are becoming very far, like in the distance, as though the voices are being repeated elsewhere, too.

AN ARABIAN SABRE

And I can see now Jesus and Our Lady are going high up into the sky, and there's forming directly over Our Lady's statue, high in the sky - it is a cross, a very large cross. The handle, though, of a . . . dagger - it looks like a dagger, a knife. It's a strange-looking dagger with a loop at the bottom, like. It's a symbol. And Jesus is nodding.

Jesus - "You will understand, My child, soon."

Veronica - Yes, it is a, like a sabre. Gee, it, it's a very strange-looking, dagger-like sabre, with a cross on a handle. Like - it's not the kind that you see - it looks almost like Arabian or something. I can't explain it - like a very strange-looking Arabic, or something. I don't know where I have seen that before, but it's a very odd-looking type of dagger-like sword, with a hook on the end of it, though. That's strange. Oh, now it's beginning to fade; I can't see it anymore.

And Our Lady is leaning forward.

Our Lady - "My child, take the three photographs now, and go immediately home."

Tenth Anniversary of Our Lady's Apparitions at Bayside

Veronica - There's a beautiful blue illumination coming out from beyond the trees. The illumination of blue is cascading, oh, like rays of beautiful sunshine from the trees high up into the sky. Our Lady is coming closer. She's traveling in very fast, coming from a great distance, because now Our Lady is coming down.

She's dressed in the most beautiful white gown. Oh, the brilliance and the brightness . . . so beautiful! Our Lady has on a white mantle. There is a trim of about a half inch of gold all about Her mantle. Our Lady has on Her head a most beautiful golden crown. It's not the Fatima crown. It has - it's very delicate in appearance, and gold. It has a - it's circular, setting down high on Our Lady's forehead. Our Lady has Her mantle - the mantle is coming halfway down over Her forehead, and the crown is just about on the edge of Her mantle.

Our Lady has Her hands joined in prayer, and about Her fingers the beautiful Rosary with the golden Our Fathers and the translucent Hail Marys are entwined about Our Lady's hands. Oh, She's so beautiful!

Our Lady is looking about Her. She's smiling. She has a soft, sad smile. It's quite windy. Our Lady's long gown is caught about Her feet. And now I can see that Our Lady has on a pair of the most beautiful sandals. They're gold. They're strapped with one strap about Her ankle. As the wind is blowing, I can see Her sandals; they go down to the edge of Her toes. And just on the edge is the most delicate golden rose on each foot.

Our Lady now is taking the crucifix from Her Rosary and extending it out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Our Lady is placing the crucifix to Her mouth and kissing Her Jesus. Now Our Lady is placing Her first finger to Her lips, which means to listen and repeat.

Our Lady - "My child and My children, and especially My child Veronica, do I speak to you now to console you for your past sufferings, and I must bring you additional news of salvation for many.

THE CROSS WILL NOT BE LIFTED

"My child, the cross will not be lifted from you. Your mission as a voice-box will be shortened; however, the Mission from Heaven will continue, as those whom We have called to assist in the Mission have, I assure you, My child and My children, adopted themselves well into their roles. Heaven finds them fully capable of now accepting the responsibility, as you will grow weaker and unable to come from your bed.

"Do not be saddened, My child, at this news; it is truly a great grace for mankind. There will be many victim souls throughout the world. Remember, My child, I told you many years ago that I could not promise you a life without suffering upon earth. Therefore, you will continue with great patience and understanding.

"There will be many sent to assist in the Mission from Heaven. Do not be concerned of the acceptance of mankind at this time. It is all in the plan of the Eternal Father in the salvation of souls during these days of the Antichrist.

"You must make it known to all that I, your Mother, as a Mediatrix between God and man, will continue to guide you in the remaining days ahead. The Eternal Father, My Son, and the Spirit of life shall guide you all in the remaining days ahead.

A VERY CRUCIAL PERIOD OF TRIBULATION

"You are entering now into a very crucial period of tribulation. Your world, your country, your nation, the United States, will find much suffering and death. My children and My child, how often have I wandered among you bringing you the warnings from Heaven, and how many have listened and acted upon My counsel?

"Yes, My child, there have been many years of suffering, demanding patience and perseverance for many in the Mission from Heaven. You will all continue to go forward, remembering always that there lies ahead a great chastisement for mankind, the Ball of Redemption. Many will die in the great flame of the Ball of Redemption. Only a few will be saved.

"Already the Eternal Father has marked His own, and the forces of evil under the title of 666 have marked their own. The war of the spirits accelerates. You will soon understand that the Eternal Father has now taken away all restraint, and you will all be now subjected to the great test.

"My child, in your weakened condition, I will not ask you to bring forth again the many minor chastisements, the great War, and the Ball of Redemption, for there is a time for your relief, and We are extending this for a short time. In your state of incapacity, My child, you will still accomplish much work. Pray constantly, My child. The test is great, but the reward will far exceed all earthly sufferings and tests.

WORDS FOR THOSE WHO WILL FALL AWAY

"You must make it known now to all of the workers in the Mission from Heaven these words. For those who will fall away and do not flourish in grace, I say unto you now, to all workers: If you lose your way and stop your mission, I repeat unto you the words of My Son: If the workers have been told the truth and they do not hasten to return, it is their own punishment that they have accepted. I repeat: If the workers have been told the truth and they do not hasten to return to the Mission, it will be their own punishment that they have chosen.

VERONICA OF THE CROSS

"My child, do not be concerned of your disability. Remember Theresa did not give you the knowledge of Our name for you, as We rightly called you 'Veronica of the Cross.'"

Veronica - Now Our Lady is taking Her Rosary and She's placing the crucifix out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, for the Eternal Father in My Son and the Spirit of light.

"Remember: do not become prideful, nor arrogant, nor be - let your guard down in conceit, for pride is a sin. Remember always that the closer you approach to Heaven, the greater the armies of Lucifer will come after you seeking to take you away from the road, the narrow road that leads to the Kingdom.

"Among you now, My children, as you hear My voice, two will be removed. However, do not be concerned; they are saved. Do not, My child, ask Me to give you any further information, for it cannot be made public knowledge at this time.

"You will continue to pray for your cardinals, your bishops, your priests, My Son's Church, His House upon earth. By your example many will be saved. By your prayers and example there is salvation for others. Continue now with your prayers of atonement. They are sorely needed, for the world is in great spiritual darkness. Satan has poisoned many minds.

"You will all now go forward as apostles of My Son, disciples of the latter days, under the banner of 'Our Lady of the Roses, Mary, Help of Mothers.' Many will come to join you. The Message from Heaven has now reached all corners of the earth. Many voices are sending out the news, the good news to mankind.

"It is just about time now, My child, for the world now to be tested. My Son's hand has now been withdrawn and the tribulation is coming upon mankind. Many will be taken and spared the terrible sorrows ahead.

DESTROY THE FAMILY AND YOU DESTROY YOUR COUNTRY

"Pray constantly your Rosary, your beads of prayer to Heaven. Remain unified in your family lives. The institution of your country - the great foundation is based on family life. Destroy the family and you destroy your country. The enemies - the enemy is already within your country. Watch and pray well, My children."

Veronica - Our Lady is now going back; She's rising higher into the sky. She's now taking Her crucifix and making the sign of the cross. She's turned to the right: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is directly standing over us high in the sky. She's going back into the sky, moving without Her feet moving. She's floating, actually being carried like on the wind. There's no way I can explain it to you. If only you could see it. Our Lady is just carried - though She is as solid as you and I, Our Lady is carried back as though She was weightless.

And now She's turning to the left, Her left side, and making the sign of the cross with Her Rosary: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is placing Her hands together in prayer, like this, and She's nodding.

Our Lady - "Continue now, My child and My children, with your prayers of atonement."

[Pause]

Veronica - It's amazing to watch the coloring developing as though it's coming from within the trees; and it's going upward high into the sky. Now from a great distance - I say a great distance - I recognize now Jesus coming forward; and He is coming from a great distance because He is - He's a small figure, almost statue-like in appearance, as He approaches. Now He's coming very fast.

The light is opening up all about Him. Jesus comes through the sky, which is dark, but there seems to be a white, glass-like translucent, very iridescent light that is separating the sky about Him, almost round, host-like in shape.

Now Jesus is coming through the sky, and the light about Him is so brilliant that I'm certain that, without the grace of God in the providence of the Eternal Father, I would surely be blinded, or perhaps die from the brilliance. It is beyond any

human words to explain this light. It's brighter than any flashing light or anything that I have seen upon earth, and it has a depth, though a glass-like translucency to it.

Jesus is coming down slowly now. He's coming very close down to Our Lady's statue; in fact, I have never seen Him descend so low by the trees there.

Jesus has on a burgundy cape, and His gown is an off-white, an ecru color, almost like - oh, I don't know exactly the color to call it. It's like a beige. The material seems to be rough-like, almost sack-like type of material; and the gown is very long and belted about His waist with a, a sash-like type of belting. It looks almost like it could be a piece of leather or skin. It's not material; it looks like some type of animal skin, like leather, but a light coloring, a light tan like, not a brown, not a deep brown, but a light tan. I can see the sash very clearly.

Jesus has on brown leather sandals. His feet are not bare. The sandals now cover - the strap covers the wounds on His feet. I can see a protrusion slightly from His feet - the wounds on His insteps. Now Jesus has the - about His neck, His cloak is held by a golden - it appears to be gold braiding. It's tied. And His cape is also blowing. It must be very windy.

Now Jesus' hair is down His back. I can see well now because He's turning to the right. Now He's turning back towards us and He's placing His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now He's placing His hand across His chest, like this, on His Heart. And Jesus is looking all about Him. Now He's placing His first finger to His lips, which means to listen and repeat.

Jesus - "My child and My children, I will not proceed with a long discourse, especially, My child, for your comfort. But the world has received countless warnings from Heaven. These warnings have been sent to every nation of the world.

"There is little time left now for mankind to restore itself, to be pleasurable and a joy to the heart of the Eternal Father. Instead, mankind, your generation, has become perverse, degenerate, self-seeking, proud, arrogant; and science - man of science now seeks to create life and fly above the Creator. You do not learn from the past, but over and over again you repeat yourselves.

"Remember the first trial in Heaven. Lucifer was cast out of the Kingdom of Heaven. Let this all be a lesson to mankind, who seeks to go above his God with the advance in knowledge - seeking to go above his Creator, caring more for the creature than the Creator. I say unto you, your God, that heavy trials now shall beset mankind.

"Your country, the United States, and most countries in your world have allowed satan to enter into the highest positions of your government, your medias of communication, and even to My House, My Church upon earth. Therefore, there is no other recourse left to Heaven but to cleanse you of your errors.

ONLY A FEW TO BE SAVED

"As in the past We sent to you voices crying in this wilderness of evil: Straighten yourselves out; make way for the Lord, for the hand of punishment shall come upon you! As in the past you all continue in your lives of pleasure, neither caring nor seeking the truth. Therefore, I say unto you as your God: many will die. Only a few will be saved.

"My Mother has set Herself to hold off a just chastisement upon mankind for many years, but your time has run out. Her warnings have gone by unaccepted, unnoticed, and rejected, even by My clergy! Her tears fall upon your generation. The saints in Heaven, sacrificed upon earth, have cried out now for reprisal upon this degenerate generation. 'How long, O Lord,' do they cry, 'shall You permit this perverse generation to exist?' And I say unto you now: your time is running out!

"Do not speculate on the dates, but be prepared. My Mother has spent countless years among you, preparing you. If you are not ready now, then you will never be ready! And it will come upon you at a time that you least expect. You have been given your armor, instructed well by My Mother. Therefore, you will follow the way of the Lord! You will listen to the counsel of My Mother or you will fall!

"Your nation, the United States of America, has been now - the proud eagle has been plucked by satan; and as such shall be cleansed by trial and suffering and war. Humanism and modernism have set you on the road to satanism. Your country and many countries of the world now have adopted the worship of false idols.

"Satan, the master of deceit, has poisoned many minds. Satan, the ruler of the world of darkness, has now entered into the highest places of governments, and even within My House, My Church upon earth. But I shall cleanse them, as I have cleansed them in the past.

TRIBULATION IS AT HAND

"My voice cries out to you all now to be prepared, for the tribulation is at hand. All who have listened to My Mother's counsel and are of well spirit - have no fear. My words to you are consolation. I do not seek to place fear into your hearts. I console you with the knowledge that you will be saved. Remember in the days ahead, remember My words of consolation to you all: you will say, My Jesus, my confidence!

THE DAY, THE HOUR OF TRIBULATION

"My children, you will read and reread the messages from Heaven given through My Mother to you. Read them well, for much has been overlooked in the past. You will receive great knowledge, and you will be able then to know the day, the hour of the tribulation.

"Continue the prayers of atonement, the Rosary. Wear your Scapular; it was given for great reason. One day you all will understand. Pray, My children; a constant vigilance of prayer must go throughout your country and the world. Prayer now is the only means with action for saving the souls in your country and your countrymen, for destruction is about to come upon you.

"Remember, My children, in the days ahead, your great comfort is the knowledge that there is no death. Life will continue beyond the veil for all. Many will be asked to sacrifice in the name of the Lord. But how great a sacrifice is this? Very little, in comparison to the great reward that lies for him over the veil.

"Pray, My children, for strength. It will take great courage to remain in the fold in the days ahead; but your courage shall be the cross and the knowledge of the truth.

"Remember, do not become a worshiper of the creature, but of the Creator; for the creature is the world, and the world is satan. The Creator is your God, and His world is the Kingdom of Paradise. This choice will be yours to make. Each and every one of you will have to make that choice soon. No man shall be lost unless he is lost of his own free will.

"Remember, My children, those who have been given graces, much is expected of them. You must continue to go forward. Do not slacken in your work, your mission. Do not become complacent nor content in your own salvation, for that will be pride, and pride can make you fall. Therefore, in all charity, reach out for your brothers and your sisters. Your lives must remain free from contamination of worldly pleasures and seeking, for the world has now been given to satan."

Veronica - Now Jesus is placing His hand out in front of Him now, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking all about Him, and He's now placing His first finger to His lips.

Jesus - "Veronica, My child, remember My Mother's counsel to you. You will not be cured, My child. The waters will not be for you. The cross cannot be lifted.

"You understand, My child, the words of My Mother to you several days ago. Remember them when you find the cross is heavy. It is the will of the Eternal Father that you must accept, My child. You will find great joy in the knowledge that suffering has merits far beyond what man can understand in the salvation of souls.

"Theresa has directed you well in the past, My child, and you will soon be seeing her again."

[Pause]

Veronica - I'm not afraid. I have no fear.

October 2, 1980

The Guardian Angels and Eve of St. Theresa

Veronica - The sky about the trees is becoming a very pink and blue combination of colors that I have never observed before. The colors are absolutely beautiful! And high over Our Lady's statue the sky is opening, and it's becoming a most beautiful clear day. There are no words to describe the beautiful brilliance of the light!

And coming forward as the light is opening wider and wider, directly above Our Lady's statue now - the cirlet of light is becoming so wide that it's now extending beyond our heads towards the rear. Directly in the center of the cirlet are Our Lady and Jesus. Oh, They are so beautiful!

Our Lady has on a white gown. The white is so brilliant. And also She has on Her waist a very beautiful blue sash. The color of it is a sky blue. And all about Our Lady's mantle, approximately a half inch wide, is a border of gold. I cannot see Our Lady's feet this evening because Her gown is quite long.

Jesus is standing at Our Lady's right side now. He's moving about and looking to the right and the left. If you will observe carefully now, Jesus is making the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady and Jesus are looking about Them. Our Lady is moving over to Her left side, that would be our right side, just slightly above the tallest limb of the tree. Our Lady now is taking from about Her waist Her beautiful Rosary, the Rosary with the golden Our Fathers and the translucent Hail Marys. Our Lady now is extending the crucifix, the beautiful crucifix. Oh, it is so brilliant that I am certain without Heaven's grace I would be blinded by the brilliance of the crucifix. And Our Lady now is extending it out to the people, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning to the right and nodding to Jesus, and They are both now returning over, directly overhead, above Our Lady's statue. Jesus is touching His lips with His first finger: that always means to listen.

Jesus - "My child and My children, this is a moment of trial for many throughout your earth, and a time of grace for many as they are tested in trial.

TRIBULATIONS HAVE STARTED

"Remember always as I repeat to you that God is, God was, God always will be. Yesterday, today, and tomorrow is forever. The tribulations of the world have started, and the course of mankind continues on the road to great trial because your generation has given itself over to all manner of sins of the flesh, that will condemn many to hell.

"There is only one way to restore your world to peace, and that is by following the way of My cross. You cannot change My words to bring them in line with mankind's own egotistical ways. You will find that humanism and modernism shall bring much suffering upon mankind.

"My Mother has directed you well through countless appearances upon earth, and how many have listened to Her counsel? And how many have acted upon it? I say unto you now: You have become a degenerate generation that asks for a just chastisement from the Eternal Father.

"Do not be affrighted, My children of the light. Know that My words are for those who have fallen into the web of Lucifer and his agents.

"Be known it to you that it has been written of and spoken of as 666, the masters of deceit. Satan has entered into the highest places of your government, of each nation of the world, to sow confusion, discontentment, atheism, communism, satanism, and all manner of evil.

JESUS SHALL DESTROY THE CHURCH OF MAN

"I give you a final warning from the Eternal Father. You will turn back and restore the earth. You will turn back and restore My Church upon earth. You shall not set up a new church of man, for I shall destroy it. You shall see nations disappear from the earth in seconds.

"O My children, you're My children. You must stand alone, just as you, My child, must continue to kneel alone, and stand alone in the world, as the agents of hell come forward to destroy you."

Veronica - Our Lady now is nodding to Jesus, and touching Her first finger to Her lips.

Our Lady - "My child, We have allowed you the test of great suffering. You cannot understand at this time the countless numbers of souls who have returned to the Faith. You cannot realize at this time the numbers of souls that will not fall

into the abyss because of the legions of light that the Eternal Father has gathered upon earth, in His heartfelt fatherly efforts, accounting with the free will of mankind, to restore the earth and mankind as it was in the beginning.

"What was to happen in the future shall be now. The merciful heart of the Eternal Father reaches out to all mankind, but unless you follow the directions from Heaven, you cannot be saved. And only a few then shall be counted as saved.

"My child, you have been given explicit instructions for the procedures. The world will understand in time the Mission from Heaven. To all who follow Our legions throughout the world, the legions of light, you will unite under a common banner called Faithful and True, and you'll then prove to the world what a true soul can do!

"My child and My children, because of the suffering that We watch, souls longing for relief, We shall not give you, My child, a long discourse this evening. But you will now go forward with the instructions given by My Son."

Veronica - Our Lady is now taking Her Rosary, the beautiful Rosary with the golden Our Fathers and the white Hail Marys . . . but as Our Lady is turning and looking about now, and extending Her crucifix, all of the colors of the rainbow radiate from them like pearls, the Hail Mary beads. They're absolutely beautiful! And Our Lady is extending now the crucifix on Her Rosary, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My child now, you will read few photographs this evening, but you will now start the plan as I have directed you. Begin, My child, with a firm Act of Contrition."

Veronica - O my God, I'm heartily sorry for having offended Thee. And I confess to all my sins, because I dread the loss of Heaven and the pains of hell; but most of all because I love Thee, my God, Who are all good and deserving of all my love. I firmly resolve, with the help of Thy grace, to confess my sins, to do penance, and to amend my life. Amen.

My God, I believe, I adore, I trust, and I love Thee. I beg pardon for all those (put me in the rain.*) who do not believe, do not adore, do not trust, and do not love Thee.

O My Jesus, forgive us our sins, save us from the fires of hell; lead all souls to Heaven, especially those who are in most need of Your mercy.

Over to the right side, directly over the tallest limb of the trees on the right side, Saint Michael is coming forward. And following him - oh, it's Theresa. Oh! Oh, Theresa is dressed in her Carmelite habit. And behind her, I recognize her - Saint Rita! Oh, Saint Rita of Cascia. Oh, I know her. Oh, and there are many saints coming forward.

Our Lady now is touching Her lips, as She goes forward to them nodding. The light is becoming so brilliant about them. Jesus now also is crossing over to the right side, directly over - They don't walk, They float. It's absolutely beautiful! They just float across the sky like They're weightless! Yet Our Lady and Jesus look as solid as you and I.

THERESA'S SHOWER OF ROSES

Oh, now they're - Theresa is taking roses, like this, and she's throwing the rose petals down, like this.

Our Lady is now crossing over with Jesus to the top, I would say - oh, about . . . I can't measure it in feet, but Our Lady and Jesus are rising a little higher, and They're being followed now by Saint Rita and Saint Theresa, and many other saints. And I can see now some popes coming forward. I can tell by their habits. They're beautiful! They're white and gold, with high mitres on their heads. And one I recognize because his hair is very white. That must be Saint Pius X. Yes, it is. He's nodding. Oh, they're so beautiful, the light is so brilliant! Our Lady now is touching Her first finger to Her lips.

Our Lady - "My child, now you will take three photographs and then continue with the procedure directed."

Veronica - Do not be concerned, Our Lady said, the waters will not make you ill. They are curative.

*Our Lady asked Veronica to remove the protection of the umbrella. As She explains above, the rain will not make the people ill.

October 6, 1980

Eve of Our Lady of the Rosary

Veronica - There are blue streams of light coming down from the sky, high above Our Lady's statue. Directly over Our Lady's statue, the sky is opening up. It makes it appear that it's a clear day. Oh, the sky is just beautiful! It's a pale blue. And it seems to be just evaporating away all the darkness. And directly in the center of the beautiful pale blue sky, I see Our Lady coming forward. She's a small figure now because She's traveling in from a distance.

Now as She's coming closer, I notice that Our Lady has upon Her feet very delicate slippers. They're not sandals, they're actually slippers, fully closed. And on each tip of the slipper there's a - what appears to be a golden rose, but so tiny I would call it a rosette.

Our Lady has on a brilliant - the light is very brilliant this evening. She has on a brilliant white skirt. Her gown is extremely long. And it must be windy, because the gown is being blown back and forth. And I can see the beautiful small rosettes on Her feet. Our Lady has a blue sash about Her waist, and Her mantle covers completely Her head, down halfway over Her forehead. The mantle is a beautiful white, as white as snow, and it's trimmed all about the edge in a narrow border of gold, approximately a half inch wide.

Our Lady now is taking from about Her waist Her beautiful Rosary, the Rosary with the golden Our Father beads. And the Hail Mary beads are white. But as Our Lady is turning now and looking about Her, they are taking on all the colors, or reflecting all the colors of the rainbow: pinks and blues, and a lavender; but they're pastel shades that I have never seen before upon earth. They're a coloring that is beyond description; and not being able to paint or draw, I'm certain I could never even place it upon a paper or easel.

Our Lady now is taking Her crucifix, the beautiful golden large crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is kissing the crucifix, like this. And She's turning now to the right, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning to Her left, our right, and She's going across the sky until She's directly now over the tall tree; and She's bending now down, and extending the crucifix out quite far from Her waist, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is returning to the center of the sky, and She says:

Our Lady - "Look backward, My child. See the numbers who have come with afflictions. You will not forget them, My child. But go forward now and bless them with the waters, the curative waters from the springs of the world."

[Pause]

Veronica - All about the trees, bordering the extension of the trees, you can see, if you look closely, a beautiful pale blue light extending upward past Our Lady's statue. Now it's joining with an opening in the sky that's becoming very bright, round and circular, host-like in shape. The host area is becoming now a clear white. There was an intermingling of a beautiful pink, sort of a pale fuchsia pink coloring, and a very light pale blue - not a sky blue, but a misty blue, but beautiful blue coloring intermingled with the pink. But that's now like evaporating. It's the only way I can explain it.

And coming down now from high in the sky - They're coming through very fast; Our Lady and Jesus are coming side by side now. They're almost down very, very low over Our Lady's statue.

Jesus has on a burgundy-colored - it's deep velvet; I can see it very clearly. Now He has on a deep velvet cape, and it's tied with a golden rope-like material into a bow, though, to hold the cape about His neck. Now the cape - as He's turning and looking at the people, I notice that the cape does have a - oh, a headpiece. Cowl? Our Lady is saying, "cowl," "cowl." Oh, I don't know what it means but Our Lady said a "cowl."

Now Our Lady is looking about Her, and She's touching - oh, She's looking towards Jesus, and He has nodded. And She's touching Her first finger to Her lips, which means to listen.

Our Lady - "My child and My children, I delayed a discourse with you, My child, Veronica, due to the urgency of the peoples in their infirmities. We behold them, and the merciful heart of the Father extends to them the graces: there will be cures, there will be conversions.

"My child and My children, your task is heavy, but remember: If the worker is laid low, he will be graced, for heavy is the work upon you. But if the worker is laid low, he will be graced.

THE GREAT BEAST OF HELL

"My child, it saddens Me to bring up anew a subject of great concern to Heaven. There is emerging again the great beast of hell onto earth. He has been present among you now, under his banner of 666, for quite a number of years, building his forces for this moment.

"I have asked you for the salvation of all souls. For mankind there will be no peace without prayer and penance and atonement.

"A great catastrophe is approaching your country, North America.

"My child, weep with Me, pray with Me. Have mercy in your heart for the sinner. No man is without sin, and therefore charity must not grow cold among mankind. You are the creation of the Eternal Father, and as such you are brothers and sisters upon earth, with a destiny similar to all mankind. Sooner or later, you will fulfill this destiny by coming over the veil. Sadly, many are coming to Us unprepared, and not warranting entrance into the eternal Kingdom of Paradise.

SIN OF OMISSION CONDEMNS MANY

"The sin of omission shall condemn many to hell, be they layman or hierarchy. I repeat: not the sin of commission, but the sin of omission will commit many to hell. Among them there will also be mitres.

"My child, because of your weakened condition, I cannot at this time take you upon an extended trip that I planned, down into the abyss to view and give to mankind the unholy sight of the abode of the damned. You will regain your strength, My child, in time, where you will be able to come out of the abyss with Me, without a fatality. My child, once in the past I took you by hand down into the abyss, and you viewed the creatures of darkness and the prince of darkness in his abode.

"We proceeded on, My child, in the past to purgatory. Oh, how My heart bleeds for the loss of the knowledge of the existence of purgatory and hell among the children! How many shall be saved? Only a few!

"O My child and My children, continue to send the urgent warning from Heaven throughout the world. You cannot slacken your pace, but must go forward with perseverance.

"You will have now, My child and My children, additional torment and irritation from the followers of 666 and the church of satan. There are many who come as angels of light among you. I have asked all of the immediate workers within the confines of the circle of light to confine themselves to their homes, allowing only the entrance of their immediate families and the close workers within the circle for reason! For the souls of whom knock upon your door will be evil. Do not test My words, My children, for the penance is heavy for disobedience to the Eternal Father.

SATANISTS SEEK SACRIFICES

"I will not describe the scenes of abomination witnessed by Heaven now going on at this very moment as I and My Son are among you. Those who have given themselves over to worship the prince of darkness prepare a great feast and seek now sacrifices for their altar.

"I ask parents to be prudent in allowing their children to be on the streets after dark without protection, for they shall disappear and not be seen again.

DESECRATION OF CHURCHES

"The world will soon learn that there exists now another unseen world of evil that is closing in now, for satan knows that his time is growing short. As I told you in the past, My child and My children, sin is insanity, and it is only now the beginning. Unless you pray and make atonement to the Eternal Father, you will see abominations and the desecration of churches, and murders will abound until those who remain upon earth will envy the dead.

"Do not scoff when I have given you, and do give you knowledge, My children, of the existence of a cult of satan. Sadly will you learn too late and seek out the interlopers in this world, as your children are found without blood.

"My child, your second mission will now be extended. You will find there is reason to rejoice, for his deception shall now be exposed. You will, My child, be most careful now. It is a great test.

"I have asked you, also, to bar your doors to all but your immediate family and the close workers of the circle. Allow no one within your home for reason. You are now on a list for extinction. Others I shall not outwardly name, My child, for I do not wish to hinder their mission or to place fear in their hearts. I do assure all who will be part of this mission that they will be guided, and they will confuse and confound the church of satan.

"Yes, My child, much is asked of you, but you will receive additional strength to continue. When you find a moment of discouragement, you will say, My Jesus, my confidence.

THERESA TO ASSIST IN THE MISSION

"Be careful, My child, that you do not leave your home for any reason alone; that you do not allow entrance to your home on ground level. And I will send forth from Heaven an army of angels. Tusazeri shall guide you, and I shall have, with the permission of the Eternal Father, Theresa to assist you in the Mission.

"I do not wish to use a name, My child, but Heaven sends among you in the circle of light graces: graces for perseverance and graces for miracles, miracles that will confuse and confound the enemy. Those who have heckled and doubted shall be put to shame and confusion. For nothing remains hidden in the darkness, but must come forward into the light to be exposed at a certain time. Now, My child, you will understand why you found the trial so long and so strenuous.

THE PAWS OF THE BEAR

"You will pray for your Holy Father, Pope Paul, in Rome, John Paul II. You will pray for all the clergy, the cardinals, the bishops; for without your prayers, many cannot escape the paws of the Bear. Sadly, many in the world will sell their souls to get to the head, and many will turn their backs on My tabernacle.

"I ask for victim souls for the merciful Father, to do penance as victim souls to repatriate those who, without their prayers, will wind up, My child, at the end of their lifetime in the abode of the damned. For the souls now are falling into hell as fast as the snowflakes fell during your winters, and as numerous as the rains will come.

INTERNAL STRIFE IN THE GOVERNMENT

"Your country, the United States, My child, shall have great trial - the winter and the wars. there shall be internal strife in your government, and your streets will become running with blood. It is not a sight, My child, not a pretty sight! Oh! Oh!

"That carnage, My child, that you view shall extend not only from the cities into the country, but from coast to coast in all of North America and the world.

"Man in his arrogance and his growth of knowledge has now the capacity to destroy himself in moments. The Eternal Father knows the future, and He knows the past and all beginning. And your future is now. What was to happen in the future, My children, shall be now."

Veronica - Now Our Lady is looking over to Jesus, and He is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

He's now bringing His cloak about Him; it's very windy. And He's touching His first finger to His lips:

Jesus - "My child, I will not add to the discourse of My Mother. Suffice it now to say that all fair warning has been given to mankind.

"You will continue to pray and make atonement to the Eternal Father: a life of full dedication to Heaven. For if you cast aside the Mission and go out into the world, you will be lost. And remember the admonition from Heaven to all in the Mission from Heaven: If the worker has been told the truth and he does not hasten to return, it is his own punishment that he has chosen.

"My child, I would advise you now to repair home, and go immediately to your home. Do not be concerned of an incident, for We are watching, and it will be diverted from you."

Veronica - Now Jesus is looking all about Him, and He's now motioning to His lips:

Jesus - "My final word, My children, is to warn all mankind at this time that they must guard their families well - the children, with sacramentals. For there are mysterious forces now and false miracles that will abound upon earth, even to deceive the elect. Therefore, to protect your children, they must use all the armor available from Heaven. We do not wish to see and watch future broken hearts of parents as they bury their dead children.

"My child, you will receive additional discourse at home from My Mother, but it will not be a public message at this time, for your safety and the benefit of all concerned and involved with the Mission from Heaven."

Veronica - "Yes. . . . I understand. Yes. . . . The children."

OLD CATHOLICS: SCHISMATIC ORGANIZATION

Jesus - "Beware of those who start a new church among you. A Roman Catholic Church must have a legally ordained Roman Catholic Bishop, and the Old Catholic Church is not with Rome. It is a schismatic organization, and all who join these interlopers shall gain immediate excommunication by Heaven and through the legal hierarchy of Rome. The Old Catholic Church

is schismatic, and is not, and shall not use the name Roman Catholic Church. Later, My child, when you gain your strength, We will extend this message to mankind. For many shall come as angels of light and deceive the elect.

"I ask you all not to abandon My Church. Do not judge My Church by the priest, for in his human nature he can err. But I assure you I am using him, as a legally ordained priest, to bring you My Body and Blood. Do not go seeking elsewhere, for you will lose your baptismal right, and you will no longer be accepted as a Roman Catholic, and you will not enter into the highest place of Heaven, the Kingdom of Paradise.

"My child and my children, you will understand, for My Mother will later give you full enlightenment upon this matter."

Veronica - Now Jesus is extending His hand out, like this, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, in the name of the Father, the Eternal Father in Heaven, and the Spirit of light. Go forward under the banner of Faithful and True."

May 30, 1981

Corpus Christi & Eve of the Queenship of Mary

Veronica - This message was originally given on March 23rd, 1970. For some reason - only Heaven knows - but I have suspicion of from conversations with Our Lady while I was ill, I am to read the vision of Zacharias five, chapter five - **the vision of Zacharias.**

"Then I turned and lifted up mine eyes, and looked, and beheld a flying roll (r-o-l-l). And He (the Lord) said unto me: What seest thou? And I announced: I see a flying roll. The length thereof is twenty cubits and the breadth thereof ten cubits."

The angel who is showing the vision is with him. The flying roll is approximately thirty-five to forty feet long. The width, half the length. (A cubit is the distance from the elbow to the finger tips.)

"Then he said to me (the Lord): This is the curse that goeth over the face of the whole earth. For everyone that sweareth shall be cut off on that side according to it."

And I should add: And everyone that breaks the commandments without repentance and doing - making atonement shall be cut off according to it.

"I, said the Lord, will bring it forth, sayeth the Lord of all Hosts. And it shall enter into the house of the thief and into the house of him that sweareth falsely by My name. And it shall remain in the midst of his house and consume it with the timber thereof, and the stones thereof."

The flying roll flies over the earth and kills people on both sides. This flying roll, as given in the Bible, described in the Bible, destroys their houses. The houses are burned and consumed.

Now the size of the flying roll would be about the size of the new multiple warhead ICBMs or orbital bombs, the ones that will carry ten H-bombs each.

Now that message is specifically one reason why Heaven allowed me to be here this evening: because of the urgency of the times and the necessity to pray for Pope John Paul II.

Veronica - The sky is shimmering with light. The light is a very pale blue, but very translucent, and in patterns of waves cutting through the sky, directly upwards, high in the sky over Our Lady's statue. There is a host-like circle of light now forming, and it is widening. Oh, it's so brilliant, my eyes are absolutely pierced by the light. And directly in the center of the light, Our Blessed Mother - oh, She's so beautiful! Oh, She's so beautiful! Our Lady is coming forward through the light. She's descending slowly, and She's looking about Her.

Our Lady has on a most brilliant white gown with a blue sash about the waist. Her Rosary is tied to the right side of the sash. Our Lady's mantle is a brilliant white, whiter than sugar, whiter than snow. And there is a light that is cascading from within Our Blessed Mother. There is no way I can describe it. But it seems to be coming from within Her, going right out through Her clothes. And actually Our Lady is now surrounded by a tremendous light! And She's coming forward much closer now down, descending directly above Her statue.

The trimming of gold about Our Lady's mantle is approximately - I can see Her very well now - about an inch and a half wide. It looks like pure spun gold. I would say that - I don't think I have ever seen pure spun gold, but I know it's pure spun gold. It is absolutely brilliant!

Now Our Lady is looking about Her. It's a little windy, because Our Lady's skirts are being caught in the slight draft.

Oh, Our Blessed Mother has on sandals. The sandals - I can't see Her ankles because Her gown is so long, but I can see that there are two straps upon Her sandals; they're golden. The sandals are open; I can see Our Lady's feet. But on the edge of the sandal, the one in the center, there are three straps. Now I can see as Our Lady's turning about a bit - She's looking in both directions - I can see that the sandal has three straps through the feet. And in the center there is a small - it looks like pure gold - rosette, a small rose upon Her feet. Our Lady is absolutely beautiful! She looks very, very young. Oh, I couldn't even tell you Her age.

But Our Lady now is taking from about Her waist Her Rosary, oh, the beautiful Rosary with the - oh, they're very - extremely large, the beads. Our Lady has - the Our Father bead is a gold; it must be pure gold. I never saw anything like that. And Her Hail Mary beads are white. But they're really not white, because as Our Lady's turning now - She's taking the beads in Her hands - they seem to be - have more colors, like all the colors of the rainbow are catching the light that seems to be cascading from - oh, all over about Our Lady . . . a tremendous stream of light, almost forming an oval pattern, almost like a medallion, a medal pattern about Our Lady.

And now Our Lady is taking the crucifix. The crucifix is a beautiful golden crucifix, pure gold. Oh, it's brilliant. It would really hurt your eyes to try to look at it but for the grace of God. And Our Lady now is extending out the crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now-oh, over to the right - oh, he's so big! He is so immense, Michael is. I didn't notice him because of the brilliant light; but I see now, beyond the tree, Michael covers the whole sky! He is immense! Our Lady looks almost, like childlike, with him behind Her. He's covering the whole sky.

And Our Blessed Mother now is cutting across, She's cutting across to our left side - that would be Her right side - and She's also extending the crucifix on Her beautiful Rosary, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is smiling - a very soft smile, but there's a great sadness upon Her face tonight. And Our Lady is looking down and nodding, yes. There are graces now falling from Heaven. Our Lady says there are graces now being given.

Now She's crossing the sky, and Our Blessed Mother is going quite fast now across to our right side. She's just above now - approaching the extension limb of the tree, and Our Lady is leaning over with Her beautiful crucifix and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is nodding again. And now She's turned, and She's coming across the sky, and She's pointing upward, though, with Her crucifix. She's pointing upward with the crucifix over to the left side of the sky. And I see forming there a large black cross. It's a very somber-looking black cross.

"I don't feel so very good, Blessed Mother. What is that?"

And now under the black cross there is a ball, a large ball forming, the world. But I see, I see flames now; there are flames. It seems like there's fire - oh, terribly, terrible fires all about the ball. The heat is so . . . stifling. Ah! Ah! Ah . . . ah . . . ah. Now Our Lady is nodding over to my right side, taking my eyes to the right.

And now I see Saint Peter's. I see everyone waiting. I, I, I, I see everyone waiting in Saint Peter's. They're all hushed. Something's happening.

"I don't know what's happening there. Blessed Mother."

Oh, there's a hush, some kind of an announcement being made. Oh, I don't know what it is. Now Our Lady - I can't see the . . . the square is fading away.

And Our Lady now is motioning that She is going now over above the statue, and I am to follow Her. Now Our Lady is placing Her Rosary like this, in Her hands, and She's touching now Her first finger to Her lips.

Our Lady - "My child and My children, especially My child, Veronica, I have, with permission of the Eternal Father, been unable to spare you from this scene, and have brought you here in your weakened condition that you may warn the world that they now have within their balance, the balance of life for Our Vicar, John Paul II.

"I come to you as your Mother, your Mother of hope, your Mother of perseverance, your Mother of love, your Mother of all nations. I ask you, I plead with you to listen to My counsel.

"Man of free will has cast doubt, looking for the answer with scientific minds and humans with theological knowledge, but man is forever seeking and never coming to the truth.

"Your world, My child and My children, has not progressed back to the Eternal Father. Should you receive now one chastisement so sorely due to you for your disobedience to Our Vicar? Do you as a nation, do you, all nations of the world, deserve the continuance of the struggle of Our Vicar for your salvation, or shall you, through your own actions, force the hand of the Eternal Father upon you by abandoning you to your sin? Your nation, the United States, and all nations of the earth - none shall escape the fires.

PRAYERS NEEDED TO SAVE THE POPE

"But, My child, as you well know in My discourse with you the past weeks, satan will seek to stop the prayers, the acts of atonement and sacrifice that will be needed to save your Vicar. A victim soul must take his place. My child, do not be affrighted; you cannot be this victim.

"Yes, My child and My children, there are many mysteries of faith that will be known to you when you come across the veil.

"As a nation, as a country - to all nations of the world, I say to you, as your Mother, that as you have sown so shall you reap. How many years have I traveled across your earth, crying with tears of pity and frustration, that the great Chastisement be withheld from mankind, because of the many souls that will be lost to Heaven. How many have listened to My counsel and prepared? Have you become so blinded by your lives of luxury and worldly pursuits that you can no longer recognize what is happening about you? Murders abound. Blood flows in the street. Hunger shall be set upon your country. Many shall die. And why? Because you have turned your back upon My Son, the only One now who can save you from what is fast coming upon you.

"My child, do not be affrighted. Through countless years have you seen this scene."

Veronica - Oh! Oh! [Veronica sighs heavily.] Oh . . . I, I don't know. The people are killing each other in the streets here! And I see such terrible blood . . . and the people have gone crazy. Oh, it's horrible!

"Blessed Mother, please!"

Our Lady - "My child, I have asked all to go forward in these final days before the great Chastisement as disciples of My Son, first and uppermost in their lives. For he who gives his life shall be saved. He who walks away and abandons himself to the world shall be lost.

"I told you, My child, to shout it from the rooftops that many will die in the great flame of the Ball of Redemption. Only a few will be saved. There will be nations disappear within a matter of ten minutes and less.

EARTHQUAKES, FAMINE, STARVATION

"Earthquakes in your country, the United States, extending up through Canada, earthquakes in places never before known to exist, or the possibility of. And they will know it comes but from the hand of God. Famine, starvation, your crops will rot. The heat will burn, the cattle will starve. And why? Because you refuse to turn back, complacent in your arrogance.

ALTAR RAILING TO BE RESTORED

"I have asked you to get down on your knees. Clergy in My Son's House, His Church, restore the altar railing, that man may be on his knees. For many shall crawl on their knees in desperation seeking to flee, but nowhere shall they escape the flames. Restore My Son's Church while there is time. Return the railings. Have the people make atonement upon their knees to their God.

"Why must you be like immature children, to be punished before you will be obedient to your God? Can you say, O clergy in My Son's House, and those who profess with mouths and barren hearts allegiance to Our Vicar in Rome - when he dies, you have killed him because of your disobedience.

"My child, I realize the great strain and responsibility placed upon you at this time, but you cannot make known what I am about to tell you. Only when this permission is given."

[Pause]

Veronica - Ah! Ah! [Veronica sighs heavily] "Yes, I understand. Prayer, atonement, and sacrifice. Yes, I understand."

Our Lady - "My child, you will instruct those about you to send out all of the messages from Heaven. And you must now gather the information given to compile the conversations with My Son. I ask as your Mother to continue upon the Mission. Do not abandon Me and My Son as We try to save you.

"The mores of the world are but vanity and foolishness, a temporal way of life. Beyond the veil is forever. Tomorrow could be forever for many.

AN EPIDEMIC UNCONTROLLABLE BY SCIENCE

"Pray always a constant vigilance of prayer. Protect your children. Tears shall be shed, for many children shall die in an epidemic uncontrollable by science.

"Man has reached to the stars for power. Self-gratification, glory, money - for what? They are but a shell that must one day be destroyed. And the spirit? What shall happen to your spirit? No consideration for your next life is given by Our errant children upon earth. One day may be too late. You must now live each day as though you were to go over the veil tomorrow, for so suddenly will many be taken from upon the earth.

SYRIA HAS THE KEY

"My child, one part only can be made known, given to you. Syria has the key to the solution of world peace or the Third World War. It will be the destruction of three-quarters of the world. A world aflame, with also the Ball of Redemption.

"Your country, the United States, and many nations of the world now are under the domination of a godless government. As such, without prayer, atonement, and sacrifice, I say unto you now, as your Mother, that you, too, proud and arrogant a nation that you be, the United States shall fall. Many shall suffer.

"My child and My children, I have always promised to protect you and all who call to Me. But the powers, the forces of evil have been allowed to enter even into My Son's Church. The smoke of darkness - darkness of the spirit - covers the world. Already many have reached the point of no return. Pray, My child and My children, a constant vigilance of prayer.

"My child, I shall not burden you now with a long discourse on the offenses of mankind that has now been played, the scene before the final curtain, before the eyes of the Eternal Father as He sets judgment upon mankind.

NOT THE END OF THE WORLD

"Continue, My child, as you have been, accepting for your Vicar now all manner of illness, sufferings of the heart, penance, and atonement. For unless We have others who will offer full dedication in that manner, giving their wills to the Eternal Father for the salvation of souls, your world will face within a short time the final destruction. Not the end of the world, My children or My child, but a destruction such as mankind has never experienced before, nor shall it ever again - so few will be left.

"Pray a constant vigilance of prayer. Protect your children. Guard their souls well. And do not cast off the sacramentals. Do not care more for the acceptance of mankind. Do not be guided, or misguided, by the derision of the multitudes against you. For remember My words again, My children: Only a few will be saved!

"For many earth-years I traveled about, and many received graces far beyond ever known in the history of mankind, in Our final effort to save man from his own self.

"My children, I bless you all."

Veronica - Our Lady is extending Her Rosary, with the crucifix like this.

Our Lady - "I bless you all: In the name of the Father, and of the Son, and of the Holy Ghost.

"Your homes will now be your fortress against evil. For once you go without your door, can you say that you'll live forevermore? Or shall you return to that door?

"The forces of evil are gathering to do final battle upon earth. He who has ears to listen must awaken now from his slumber, or be forever lost.

"My child, you must now take three photographs, and retain the knowledge in them. They will give you firm consolation and conviction in what I have spoken to you of, that must temporarily remain a secret."

[Pause]

Veronica - Pink, as you remember, is Jesus' color. Whenever He's approaching, the sky always lights up the most beautiful pink. I don't think I've seen much of that color pink. It's very pale, but it's a really - I guess you'd call it a true pink. I don't know the different shades, but it's just beautiful.

Now all about the trees, the sky is becoming - oh, can't you see it - it's such a deep pink now. And - oh, Jesus is coming through the sky. The sky is opening up. Oh, do you know the sky just seems to roll away, and it's so clear - it's so clear, right as Jesus is coming forward, behind Him. It's like looking through a glass. The sky is absolutely - I never saw the sky like that behind Jesus. It's like He's coming through a glass. It's really - I don't even think it's the sky behind Him. I don't know what it is, but it's not stars. And it's not like the sky about us, but there's like a glass, like a partition or something.

Jesus is coming now down much faster. Oh, and He's - oh, Our Lady now - I see Our Lady now; She is coming also. I don't know where They were before, because I didn't see about the sky - how They went back in. But Our Lady is coming forward now, and She's now coming closer to Jesus. Jesus is just above the tree behind Our Lady's statue there on the exedra. Oh, I can't measure distance, but He must be standing at least about eight feet above the tree.

And now Jesus has on a robe - you know, a robe with a - I can only see part now. He hasn't turned. Oh, He's turning now. He's looking over to the right. And it does have a hood on it; it's a cape. It has a gold tassel-like cording about the neck. And the cape looks like it may be like a velvet. It's very regal looking, the cape Jesus has on. And His gown is not a white; it's like a - oh, like a beige color.

And Jesus has, though, about His waist - the belting is a deep brown. It matches His sandals Jesus has on. They look like skin. I don't know what kind of skin, but they almost look like leather. They have also two - like straps that go across down through His feet. And I can see, as the wind is blowing, I can see Jesus' ankles now. Oh, do you know He still has those marks, because the upside down V-like formation of the straps to His ankle exposes His insteps, and He still has the wounds on His feet. I can see them through the, you know, the division of the straps. I can see them. They're very sore-looking. The right foot, His right foot especially, it looks very sore across the instep, and on His left foot, that looks very raw, too.

Now Jesus is holding up His hands. Oh, my goodness! His hands look just like when I saw them years ago: they're very raw and sore-like where the nails went through; the spikes - not nails, they were spikes. And He's holding them up now.

Now They're both looking about. Our Lady is smiling very softly, and She's saying something, but I can't hear what She's saying to Jesus. And He's nodded. And now They're coming back. They had moved over to our left side - that would be Their right side - but They're coming back now. They're just directly over the statue. And Jesus is saying something to Our Lady; I can't hear. Oh, He's now turning, and He's nodding. And He's placing His first finger to His lips; that means I must listen - repeat.

Jesus - "My child and children of the world - I refer to you as My children, for you are truly always in My heart. My Mother has asked that I refresh your memory in relation to the dire urgency of your times.

"As a generation that has given itself over to all sins of impurities of the flesh, seeking in an arrogant manner the plaudits of the world, and making others in servitude to him - I say unto you, as your God, that your world cannot exist in this condition.

"Many years My Mother has traveled in diverse places, among many tongues and nations, to caution you and counsel you. Her heart, the purest heart in all the women of the world, Our star of Heaven, your Mother, has tirelessly pursued Her urgent pleadings with mankind to turn back, as they slowly go forward, faster and faster, to their own destruction.

" 'How long,' the voices of those who are persecuted and must die, are saying - the voices rise to Heaven, join with the saints: 'How long, O Lord, shall you continue to find excuses upon excuses as these generations of degenerates have progressed into a spiritual darkness and depravity far worse than even during the time of Noe or Lot? How long, O Lord, shall many more martyrs shed their blood?'

"My children, voices cry out to Heaven to stop the carnage, the inhumanity of man to his brother. But I say unto you, as your God, that you have a free will to correct all the wrong or extend it until you destroy yourselves.

"My child and My children, the course ahead for all who will to stay in the light will not be easy. It will be one requiring sacrifice, full dedication, and placing GOD IS, in front of them always. For God is, God was, God always will be. First always - yesterday, today and tomorrow. This generation shall pass away, but My words shall not. For the end is fast coming upon mankind, the end of time as you know it, and your nation shall fall. All because of your rejection of your God. All because you choose to ignore in disobedience your God. All because you have given yourself to the mores of the world and satan, as I have cautioned you and warned you through countless years upon earth.

"Times - the time is here. The sand is running out. And what are you going to do now? Shall you all burn? My child and My children, those who remain in the light, those who pray a constant vigilance of prayer and remain free from the contamination of the world, protecting their homes which will be their fortress in the days ahead - this is no time to seek change or to go out into new pursuits. You will now spend your time being ready for what is to come upon you.

MURDERS WILL ABOUND

"The days are numbered for your country. Murders will abound. You will see insanity among mankind, for sin is insanity. Brother against brother, children against parents, slander and scandal, murders, abortion. What manner of sin can I not count and list for you that does not stand in lieu of judgment?

"My child, shout it from the rooftops unto your last breath, for as such will the gates of Heaven be open to all. The road to Heaven is not easy. It is a road of sacrifice. Too few stay on that road, because they do not understand the value of suffering.

HELL IS OVERFLOWING

"You are but pilgrims upon earth. You were placed here to do honor to your God. And now how many are honoring satan - Lucifer, the adversary. If I could open to you now and show you hell! It is overflowing. But no man shall enter hell, and be cast unto damnation unless he wills this of the free will given to him through the Eternal Father.

"Love, you cry, love and brotherhood - and who truly knows the meaning of love? What is love? Love is giving. Love is caring. Love is sacrifice. Love is believing. Believe and you will be given the way. Pray and the doors of Heaven will be opened to you. Ask and you shall receive.

"Seek man to answer your decision, give you the decision, answer your problems . . . you are lost. No man has the key to eternity. God has. No man shall come across with you and plead your cause over the veil. You will enter as you came in, with nothing but what you have merited upon earth.

"I have been discoursing with My Mother, My child, that We may not place upon you at this time additional strain. However, know that no heavier a burden will be placed upon your shoulders than you can bear.

"For to whom much is given, much is expected; and discipline and obedience means suffering and sacrifice. Unquestioning love, unquestioning obedience, that is the only way to Heaven. Accepting all suffering, and offering this for good cause. Too few know, My child. I know Theresa has given you the full discourse on the value of suffering, that one day you will release to the world when you complete your second book. That will be left for My Church.

"The sufferings now upon earth, My child and My children - all who are now disciples of the end days, remember one day your names will be written in Heaven. Is this not worth suffering for, persevering for, and waiting for, My children?

"Understand: there is a Heaven, there is a purgatory, and sadly, Lucifer's kingdom of hell. Man will take this from your minds. In that manner will you fall faster. Therefore, you will continue reading and rereading the counsel of My Mother in the many visits to you upon earth. For soon you will be reduced to praying, and prayers alone; and then your test of faith will come.

OBEDIENCE THE GREATEST TEST OF ALL

"My child, in relation to your great test of the past several months, know, My child, that every one was to be tested, and every one, My child, was you. And the greatest test of all was obedience, My child. But your mission in that respect is ended. You will not be given another trial again like that, My child. For the strength allowed you must now be given to compiling the conversations We had many years ago.

"My Mother will continue to direct you and all who now have joined the armies of the world. My Mother will continue, and I will continue to protect you. When you have doubts and lack of confidence, you will say, My Jesus, My confidence. Just call and I will listen. Believe and I will show you the way.

"Count not upon the frailties of human relationship, because they die and wither away. Whereas My Mother, in Her Immaculate Heart, will always be there to counsel you, to guide you; because no purer a love has ever been given to mankind than expressed when She submitted to My persecution upon earth, and saw that I was to leave. Knowing the will of the Father, She accepted this, and in that way became truly the Mother of the world.

"My child, you will continue now, My children, with your prayers of atonement. They are sorely needed. Pray for your Vicar. My child, you will keep the second part of the message secret at this time."

Veronica - Now Jesus is extending His hands out, like this, and He's making the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, for the Father, the Spirit of light, that you may continue your mission for the salvation of souls."

Veronica - Now Our Lady and Jesus are backing - They're just floating backwards. They don't walk, They just seem to be weightless. But Jesus and Our Lady look solid, not like those other people I saw. They look so solid that, that - as though human, Our Lady and Jesus, you know. And now They're going back. And Jesus is smiling. Oh, He's smiling. He's got His beard - it's very well cut. You know, sort of . . . [Veronica gestures with her hand to her chin to describe the appearance of His beard.] I guess He thinks that's funny - it's embarrassing. He's got a nice beard . . . and it's like this, you know, sort of . . .

And Jesus' hair is very long. His hair is coming down now to His shoulders, but it - the light from His robe makes His hair look like a reddish-brown - I guess reddish brown. Jesus is nodding.

Our Lady now is smiling. Oh, I notice Our Lady has changed Her crown. Now before - She's changed into Her crown - She only had Her mantle on before; but Our Lady has that Fatima crown on Her head now, the round one with the cross on the top. And Jesus is nodding.

Jesus - "You understand, My child, the reason. Remember about the secret."

Veronica - Our Lady is wearing the Fatima crown, that's all I can say, Jesus said. Oh, They're smiling.

Jesus - "Continue now, My child, and I counsel you to stop not on route home, but repair immediately to your home."

Veronica - One? I can take one more picture, one picture, Perry. One picture, Jesus said. Take one picture.

[Pause]

[In a child-like tone of voice] I don't like witches! Oh! . . . Oh, they do look human, but they sure act funny! . . . Oh, I'm not afraid of them, m-much. . . . Oh, that's why the altar railings have to come back. That way they don't get . . . that's right. That's terrible! They just carry them away. . . . They can't carry them away. Oh! Oh, if they got their hands up where the priest can watch them. The altar railings must come back.

June 13, 1981

Eve of Trinity Sunday

My Jesus, My Confidence

I dreamed I was walking along a beach with the Lord, and across the sky there flashed various scenes from my life. For each of the scenes I noticed two sets of footprints in the sand. One set belonged to me, and the other belonged to the Lord.

When the last scene of my life flashed before me, I looked back at the footprints in the sand. I noticed that many times along the path of my life, there was only one set of footprints. I noticed that it always seemed to happen at the very lowest and saddest periods in my life.

I turned to the Lord and asked Him about it: "Lord, You said that once I decided to follow You, You would walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints in the sand. I don't quite understand why, in the times when I needed You the most, You would leave me alone."

The Lord turned to me and replied: "My child, I would never leave you alone during your periods of trial and suffering. Whenever you look back and see only one set of footprints in the sand, it was at those times that I picked you up and carried you in My arms."

Veronica - The sky all about the trees is now becoming alight with a most beautiful blue cascading light. The light, at first appearance, seems to be coming from within the trees itself, lighting up the sky - but no, as it's growing brighter, I can well see now that the lights are cascading in a pattern combined with long streams of blue, pale blue light, and also circular, almost host-like balls, I would say, of light. They are floating across the sky directly above Our Lady's statue, host-like in formation.

Now directly - if you'll look high into the sky, Our Lady is coming through the sky. Oh, She is so beautiful! Our Lady is wearing a pure white gown, and She has on gold sandals.

And now Our Lady is coming in much faster. She's not walking, She's absolutely floating. So beautiful!

Her gown is a pure white - oh, as white as snow, as white as sugar. I have no explanation, human-wise, to tell you of the brightness of Our Lady's gown.

She has all about Her head a most beautiful mantle of white, going completely across Her head and down to the edge of Her gown at Her feet. And the mantle has a trim of about an inch and a half of gold. I really believe its real gold, because it certainly looks like pure spun gold.

Now Our Lady has Her hands up in prayer, like this. [Veronica folds her hands together in prayer.] And in Her hands, I just noticed, Our Lady has Her Rosary, the beautiful Rosary with the very huge beads - the golden Our Father beads and the white Hail Marys. And the crucifix is dangling quite low towards Our Lady's belting.

Our Lady, this evening, has on a gold belting. It's like a gold cloth with a tassel that comes down at Her waist. And Our Lady's hands are still in prayer, as She's coming closer in that position.

I see Our Lady now standing upon the world. There is a large globe; I know it's the world. I see outlines like you do on the globes you use in schools.

A HUGE GATHERING OF SHIPS

And Our Lady is looking all about Her. Now Our Lady is taking Her hands and She's pointing to the sky over to Her right, our left. And I see in the sky, on the left, a huge gathering of ships. I see the water. There's no land in sight, but there are many ships. And the sky is becoming very dark. It gives me a very ominous feeling. I can't explain it, but they're all ships . . . I - I'm trying to recognize them; I'm not familiar with ships, but they look like - they're not tankers, but they look like battleships.

Now - oh, oh! One of them has - it's flying a hammer and a sickle - a flag, a red flag with a hammer and a sickle. Oh! And now the scene, it's just evaporating, fading away.

And Our Lady is motioning over now to Her left side, which is our right side, and I see a map of Africa. And I see the Mediterranean, and I see ships going out - I can see them coming out of a channel. I recognize the Mediterranean. And they're heading down . . . I - oh, they seem to be cutting a pattern across the sky now over to those battleships. Now everything is becoming fading; I can't see any more on either side.

And Our Lady now is taking Her crucifix from the beautiful Rosary now, and extending it out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My child, it was urgent that I call you here this evening. And you will be given the strength to bring forth the message so necessary at this time.

THE FALL OF THE NATIONS

"As I had discoursed with you this week, My child, you understand now that there is an urgent call for prayers, for your world now stands before a precipice overlooking a fall - this fall being far beyond what man can ever anticipate. I speak, My child, not of the spiritual fall, because that has precipitated the present crisis of mankind, but I speak of the fall of the nations.

"I have traveled throughout your world for many earth-years pleading your cause before Heaven for an extension of time for Our errant children. I have prayed with you, I have interceded for you, and now I must come to you with a torn heart. See, My child, My heart filled with thorns. I accept the burden of My Son for a generation that has given itself over to satan."

Veronica - Oh! Oh, on Our Blessed Mother's chest, I see a heart, a human heart beating; I can feel it beating. But it is just filled with huge, oversized thorns. And I - I also see a dagger, like some type of a huge, sabre-like knife being thrust into it. And it's bleeding . . . it's bleeding; Her heart is bleeding. Oh!

Now Our Lady is motioning for me to look up. Oh!

Our Lady - "See, My child, the sufferings endured for the salvation of your generation. Were it not for the few who have given themselves to be victims to the Eternal Father for the salvation of mankind, your country, the United States, and most nations of the world - and I would tell at this time a fact, My child, that every nation of the world shall feel the catastrophe.

"I have asked you all to make atonement to the Eternal Father, to live a life of prayer. You must be in the world, but not of the world. My Son has asked much of many of you who hear My words and will read My counsel. But for those who have received much, much is expected of them. The test is great.

GREAT TEST OF LOVE AND OBEDIENCE

"To be a disciple for My Son, the test of love and obedience is great. No man or woman chosen for the path to Heaven shall go without test. You will be tested as metals in the fire. If you love your mother, your father, your sister, your brother, your wife, your husband, your children before, and place them between the border of spiritual salvation or destruction of the soul; if you place them first before My Son, you cannot be a disciple for Heaven, and your salvation shall be in the balance. The road to Heaven is a narrow one. The roses are given at the end of the road, My child and My children.

"I ask those who can now - are enabled to hear My voice, I plead with you, as your Mother, to listen to Me and follow this direction, or you will receive a great chastisement. You must now go down upon your knees and make atonement, sacrifice and do penance for your country, for your nation, and for the countries of the world. You are upon now the brink of great destruction. That is why, My child, I took you to the corner, the edge of the chasm, and showed you.

"You understand, My child and My children, that wars are a punishment for man's sins.

"Clergy in My Son's House, I, your Mother, I come to you as the Mother of the world, your Mother, known to you by many names - Mary Immaculate, of the Immaculate Conception - I have appeared to many, in all nations of the world, in order to save your world from destruction.

A GODLESS NATION

"Without My Son you are lost. A godless nation shall fall. A nation that has been eaten away and rotted by sin shall fall. A nation that has turned itself back and regressed to a state of animal living bordering on all sins of the flesh and impurity, given over to all manner of seeking things of the world: power, lust, envy, hate, murders, abortions, worship of false idols; loving money, power, and lacking the instinct of survival when survival can only be reached by pleading for them to the merciful heart of the Eternal Father.

"My child, you will continue with lessened energy to see that all of the messages of Heaven are dispersed as fast as possible.

"Minds have become clouded, as some will give themselves over to pursuits of the world, and their minds become clouded and do not understand the Message from Heaven. The danger, My child, to this, and My children, is that you can fall away and be forever lost.

"For I repeat again: What is there tomorrow for you? Will you see another day for you? Will you know another sigh for you? How do you count your time upon earth? Through science? Through your physicians of the world?

"O My children, how foolish you have become. Running hither and yon, gaining great knowledge, but you cannot stop the deaths that abound throughout your world. You cannot stop the increased murderings of your children: father against son, mother against daughter. And now all restraints gone for the protection of your children and your home life - the disintegration within the home because GOD IS does not have any place in your home today.

"It is always a great sorrow to My heart, My children, that you are truly like little children, never learning until you are punished. You are traveling the same road as in the past. You do not learn from your past.

"But, My children, I repeat again: Throughout the world's whole population, only a few will be saved. To be saved you must now withdraw from the world, which has been given to satan. You must earn your daily bread it is true; but the Bread of life is still My Son, first and foremost.

"In your pursuit of worldly living, have you sold your souls to get to the head? Corruption and dishonesty abound in your country, the United States, and many - most countries, nations of the world. This corruption will not go unpunished.

"Your country, My child, must turn back to God, because the time is running out. You cannot compromise with the enemies of your God, nor can you compromise with the enemies within My Son's House, His Church. Conform and you will die on the vine. I say unto you, all clergy, cardinals, bishops and lay people in My Son's House, His Church: conform and you will die on the vine!

"The Eternal Father in the Trinity, the giver of all life and the taker of life - however, satan now has great rule over your world. All will be tested.

THE COMING CATAclysm

"In the coming cataclysm - I do not refer, My child, to a minor warning, I refer to a great minor chastisement for your nation - many will die. The good - some will die also, but they will be martyred for their faith.

"My child and My children, much cannot be in discourse with you at this time. But I must stress the urgency of your remaining in My Son's Church regardless of the turmoil. I stress again this urgency for the salvation of your soul. You must not tear it asunder. You cannot run hither and yon setting up a new church, for to divide is to conquer, and that is the plan of satan against My Son.

"The adversary, the prince of darkness, knows that his time is growing short. He will do great battle now with the children of God. Prepare now, for you will see days ahead such as have never taken place within your country, My child. That is why I stress the urgency of this message. There will be much suffering. No class shall be excluded. Those who do not suffer shall be damned to hell. For they have sold their souls to get to the head.

"In time this puzzle will be explained to you fully, all who hear My voice and will read the Message from Heaven. For the future is now, and it will unfold before your very eyes.

"Life as you know it will have no value. Death shall be commonplace among you: murder, death by murder, in the name of mercy - death, murder.

"My child and My children, only you as an individual can save your soul now and the souls whom you love and whom you have the charity to reach out for. For those with great graces, they can be shared. You have a great obligation now to go forward as disciples of My Son.

"If you proceed ignoring My counsel and My direction, you will see many nations disappear from your world within moments. Hunger and starvation, famine, disease, pestilence.

"My children, how sad I am that too few have followed My counsel to read the Revelations of Saint John to the world, the Apocalypse. Read them, My children. Ask My Son, ask the Eternal Father and the Holy Spirit to enlighten you, and the pages will become clear to you. The pages will open up like the scroll, and you will have full understanding of the days ahead. What was hidden from mankind for many years is being revealed in order to save the world from its own destruction.

"Pray, My children, a constant vigilance of prayer. Pray for your Holy Father in Rome; pray for your bishops, pray for your priests; pray for your government leaders, for satan has clouded many minds.

"I do not come to place fear in your hearts, My children, but to prepare you for what is to take place. Know that the merciful heart of the Eternal Father is with you. He does not wish to see you destroy yourselves, because the destruction of many in their physical bodies means the destruction of their eternal souls. For many will then be taken in the plan of satan before they have time to come back, do penance, make atonement, and prepare for coming over the veil.

"Retain your sacramentals, My children. Feed on the Bread of life, My Son in the Eucharist. He will sustain you in the days ahead. Cast Him aside, and you will be lost.

NO DEAD BODY SHALL EVER BE RESTORED TO LIFE

"You cannot, in your scientific minds, and no man of science will ever have the secret for the restoration of the dead to the living. Life only goes over the veil; it begins a life anew. No dead body shall ever be restored to life until the final judgment at the end of all time. Unto that time, there is a Heaven; there is a purgatory, a place of purging - cleansing; and there is, sadly, a hell, the abode of the damned, the kingdom of Lucifer, the adversary to My Son. The battle rages now for souls, My children.

"Understand that you are living in the latter days. Do not have your minds clouded by those who are skeptic, those who will reason with all man's scientific intellectual knowledge, which is as nothing. For soon, as their minds seek a way out, without prayer, satan will come in, and many will die."

Veronica - Our Lady now is looking all about Her. She's looking all about Her, and now She's pointing up to Her right sky - that's to the left of us - high up in the sky, I see forming again two - they're two hearts. Oh, on - oh, on the right side, Her

right side, the heart is the same as Our Lady had on Her chest. It's a human heart, I know it. And it's all like thorns around it; and also, there's a knife through it. Oh, my goodness! And then there's a heart - it's almost like an entwining of rings, like - and there's another heart right next to it. Our Lady is saying, "the Sacred Heart of My Son." And that is covered completely with thorns. They're very sharp. I can reach out and touch them. They're very large. I don't know - I never saw a thorn so big, not even on a rose bush; they're not that big. Oh, I've cut my hand.

Now Our Lady - it's growing very dark, and I can't see them anymore. Our Lady now is nodding, and She's placing Her first finger to Her lips.

Our Lady - "My child, now you will continue with your prayers of atonement. You will be sustained for the arrival of My Son, but then you must repair to your home. You will not be able, My child, to leave your bed until My next visit with you on the anniversary.

"O My child, be consoled. I repeat again: For those who have received great graces, much is expected of them. And the value of suffering has been explained to you, My child.

"Continue now, My child, with your prayers of atonement."

[Pause]

Veronica - The sky all about the trees is a beautiful light pastel shade of pink. Of course, you must understand that pink is Jesus' color. So when the pink starts cascading above the trees, it's a signal from Heaven that Jesus is coming.

Now directly over Our Lady's statue, the sky is opening up. I - oh, it's amazing! Oh, I hope someone else can see this, it's so fantastic. The sky is opening up just like, it's like - oh, just a mist blowing away, and the sky is opening up into a circular pattern. And it's so clear above - Jesus is coming forward now. He just - the whole sky was closed, but it opened up, and - and He's coming right through as though He was stepping through a sheet of glass. I can't explain it, because the light is so brilliant. It's circular in pattern, like out - like actually spanning out from Jesus. The light is emanating, I believe, from within Jesus, because that's the way it looks now.

Now Jesus is coming forward. He has on a - oh, it's - I don't know what color it is, Jesus' gown. It's very long. He has it like tight about the waist, with a cord-like - made of some kind of skin. I don't know, it looks like leather, but lighter in color, like a very light brown. But I don't believe it's any type of cord. It looks like a piece of skin, tying like, cinching in His gown at the waist.

And it has a - I see it very clearly. . . . Jesus is smiling. He has a round neckline about the gown. It seems to be very simple in the way it's made. But His robe - Jesus' robe is a very deep, plush-looking, velvet type of burgundy color. It's burgundy, I believe that's the color. It's between a rose and a red. Oh, I can't explain it, but His robe looks like velvet - beautiful! And He has it tied at His - right under His chin, between His chin and the upper part of His gown, by a gold cording.

And it's very windy, because there is a - I think it's called a cowl. Does Jesus say a cowl? C-O-W-L? From the back of His neck . . . that's a hat, like the cape part of His - oh His long-like mantle, like Our Lady wears a mantle; but He has on like more of a heavy type of cloak.

And Jesus is looking all about Him. The light is very brilliant, but I can see His hair is quite long. Jesus' hair reaches down below His shoulders. And it always appears - I don't know if it's the reflection from the burgundy of His robe, but His hair looks like a reddish-brown. It's a beautiful shade of - it must be brown, but the light cascading from His robe makes it look like, sort of reddish-brown.

And Jesus' eyes are - oh, I can't explain His eyes. His eyes are beautiful.

See, with Our Lady, Our Lady talks, but it's like She's talking, like with Her lips moving. But Jesus looks - just looks at me, and there's not a movement of His face, and there's no way to explain it - He's talking right into me.

Now He's moving over, to be directly over Our Lady's statue, but beyond the first tree. And He's looking all about Him. Now He's placing His hand up, like this. And Our Lady is coming forward. I didn't notice where She was before. But She's coming forward from behind Jesus. And She's standing now - She's going over to Jesus' right side.

Our Lady has on now - over Her beautiful white mantle that extends to Her feet with the gold trim on it, She has the beautiful Fatima crown. I've learned to recognize it from the way it's rounded with the cross on the top. It's the Fatima crown, all of gold, Our Lady has on Her head.

And She's standing right next to Jesus with Her hands together, like this, in prayer, and the beautiful large Rosary beads just dangling from Her fingers.

Our Lady looks very much petite next to Jesus, because, you know, Jesus is quite tall. I would say He's about six feet tall. And Our Lady only comes up to His shoulder now as the way She's standing there. Our Lady is just motionless standing with Her hands in prayer, like this.

Now Jesus is turning, and He's moving back a little. He floats back. Our Lady and Jesus seem to be weightless, yet They look as solid as you and I, except for that brilliant light. The light is tremendous!

Now Jesus is placing His first finger to His lips, which means to listen and repeat.

Jesus - "My child and My children, My Mother goes untiringly throughout your world in these latter days counseling you to prepare you for the days ahead.

"My child, in the early part of your mission, I directed you in the path, to the path of recovery of souls. My words, My child, I repeat anew. What was to happen in the future shall be now. It was for you to try to prevent this by getting out the Message in great haste.

"My child, I am fully aware of the energies and the ceaseless work entailed upon you in your weakened condition. However, We understand, My child, and shall not place a more heavy a burden than you can carry at this time. The strength will be given you from Heaven.

"My child and My children, I will not, at this late date, continue with a lengthy discourse, giving you all countless reasons for the necessity for a just intervention from Heaven upon mankind for the salvation of souls. My Mother has prepared you well. You have been counseled to wear your sacramentals and to restore the Faith in the hearts of the multitudes.

ALL CLERGY SHALL BE ACCOUNTABLE

"All clergy, cardinals, bishops, parish priests, and laymen shall be accountable for the fall of all souls within their self-imposed dedication of protection, which has been cast aside, as many have been blinded by a life of too much luxury and ease.

"As I told you in the past, through prophets and the word, that it will be easier for a camel to go through a needle's eye than for a rich man to enter Heaven. For his richness has been directed from satan for the destruction of his soul.

"Charity is known to few. Charitable people are few, My child and My children. Blessed are the poor and the peacemakers, for they shall be truly called children of God.

FASTER THAN THE SNOWFLAKES

"The more you give yourselves to the world and the pursuits of the flesh, and the pleasures of the flesh, the farther you fall out of grace and lose the road. Souls are falling into hell faster than the snowflakes that cascaded upon you in the worst part of your winters.

"No, My child, have no despair or fear at this time. You shall not be making the trip into the abyss with My Mother at this time. But, My child, you know full well that even many mitres shall fall into hell unless there is a victim soul or victim souls willing to do penance and make atonement. Prayer, penance, and atonement by all for them.

"Your priests, priests in My House, My Church upon earth, do not have a special passport to Heaven. In their human nature they have the same struggle and must carry the cross. However, many are casting aside the simple way for a most complicated life, using man of science and intellectualism to destroy his own soul.

"The way to Heaven is a simple way. It cannot be compromised; it cannot be modernized; it cannot be cast aside or a new religion started. For your religion will be of man, of humanism, and modernism, and satanism, and all the 'isms' that destroy mankind in the end.

"My child and My children, you will all keep a constant vigilance of prayer going throughout your country and the world. Proceed with great haste to send the Message throughout the world. Hasten, harken, and listen, for I shall not warn you again. You are now in the edge, the edge of doom for many. For the end shall come upon many suddenly, without warning. Are you ready for this, My children?

"I do not come as a prophet of doom to you, and neither will the voices crying out with the truth come as prophets of doom. But they will be disciples of the end days, bearers of light and the truth. Listen and you will be saved. Believe and you will be given the way. Close your ears, harden your hearts and turn away, and you are lost.

"Protect your children and your homes, for many tears shall be shed by parents. Wear your sacramentals. Do not be influenced by those who have lost their way and seek to take others with them. You must be different in this world of satan. Receive his mark and you are lost. Receive the mark of the cross and you are saved.

"The test will soon be placed heavily upon many. You will pray a constant vigilance of prayer, and when you grow despondent or despairing, you will say, My Jesus, my confidence.

"My ears are never closed. Our Hearts are open to you. Believe and you will be given the way. Seek and you will find. The truth is a simple way, and you must live this simple way, and stay out of the world and its entanglements with satan."

Veronica - Now Jesus is placing His hand in front of Him, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning His head to Our Lady and is saying something. I just - I can't hear Him; it's like a - almost a whisper, like a rustle of the trees.

But They are now turning to the right, and Our Lady is leading the way. They're going across the sky. Now Our Lady is turning. She has Her hands up in prayer again, like this, and the Rosary is dangling from Her fingers now, quite down the front of Our Lady's gown. I can see the beads.

Now Jesus is over by the tree on the left side, and He's placing His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is nodding to Jesus, and They're turning over to - They're cutting across the sky now. They float just effortlessly; it's just beautiful to see. They go clear across the sky, but without even moving Their feet. Oh!

Now Jesus and Our Lady are over by the third tree from . . . from the flag. Now Jesus is bending over. He has to surmount the branches of the tree, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing His hand across His chest. Now They're turning over to Their right, and They're coming across the sky now. And now as Jesus and Our Lady are standing above the statue, They are both simultaneously, both together, They're pointing to Their right side, that would be the left side of the sky.

And I see a huge globe forming, a huge globe. It must be the world. And there's a big cross on the top of it, but there are flames all about the globe. There are flames. They just seem to be coming out of the globe. And the cross is becoming very dark, very black. Oh, now it's fading away; it just seems to evaporate, like the mist.

And Our Lady is - I can hear from here. Our Lady is heaving a very deep sigh. [Veronica sighs deeply.]

And Jesus now is touching His finger to His lips.

Jesus - "You see, My child, the great trial that is to come upon mankind. The second part of Our message to you must still remain a secret, My child; you understand that.

"Continue now with your prayers of atonement; they are sorely needed for all."

June 18, 1981

Eleventh Anniversary of Our Lady's Apparitions at Bayside

Veronica - In memory of the many years with Jesus and Our Lady and Saint Theresa, I would like to read at this time to you a poem-message from Saint Theresa that goes back many years. But, however, it applies all the way through the eleven years to our times:

It's Raining Teardrops from Heaven.

It's raining teardrops from Heaven;
The gates are opened anew
To show to Jesus and Mary
The souls that haven't been true.
Their heads are bent low in sorrow,
Their hearts are bleeding with care.
For They have asked us to love Them,
And send our hearts up in prayer.
I stroke His face with compassion,
I kiss the face wet with tears -
For time has not eased His heartache;
He's suffering more in our years.
His children turn from His pleadings,
For worldly cares mean forgetting
The One who begs us to love Him,
To save our souls from regretting.
He'll take a crumb of affection;
The smallest sign He does seek.
But why must we give rejection,
When sinful ways make us weak?
He puts His hand out in pity;
To touch us is all He can do.
For God gave man a born conscience
To choose to be faithful and true.
The pleasures are steeped more in evil;
The goodness inspired by God.
The road to satan is easy,
But Heaven is earned very hard.
The only ladder to Heaven is found
In our climbing in prayer.
Each step will be shorter and higher
If we just try a little to care.
We'll accept all the burdens and sorrows;
The joys will be just added graces.
We'll reserve our bright spot up in Heaven
By accepting here lowly places.

Veronica - And also to bring back all the wonderful years with Our Lady and Saint Theresa and Jesus - of course, Jesus first - this takes me back a good many years, but it has a meaning, a hidden meaning; but if you listen carefully you'll understand. And I think this will apply to every soul upon earth that receives this message, and also will hear it, perhaps, on the tape:

The Cross Beneath the Roses

Hidden from all eyes, but only known to Thee,
A treasure bought with suffering,
With sorrow and with glee -
Covered with the fragrance of heavenly perfume;

Nurtured with a confidence that Heaven would be soon;
Carried through the years along with care and grace;
Fostered by the memory of His beloved face.
Lighter than a cloud, softer than the flower,
The cross beneath the roses
Was surely Heaven's power!

JACINTA MARTO AND FATIMA

Veronica - Jacinta has appeared with Our Lady here at Bayside and at the Vatican site. And in reference to Jacinta, it's urgent, at this time, that I repeat to you the words of Jacinta Marto given by Our Lady. Though she was a child, Jacinta was given great graces and knowledge. Now Jacinta did say: "There is a secret of Heaven and another one of earth, and the latter is terrifying. It will seem as though it were already the end of the world. And in this cataclysm everything will be separated from the sky, which will turn white as snow."

Now in relation to the life of Jacinta, we did receive the JACINTA 1972 photograph in 1971. And there are many messages given from Heaven through the past eleven years that must be read in reference to this miraculous photograph and, also, the message given to the little seer at Fatima. I say this for reason, due to the urgency of our times.

Now in Our Lady's message throughout the years - it's covered through many years - and I have, of course, in front of me pages up to number six that will carry the dates of each individual message from Heaven in relation to Jacinta and the message of Fatima.

Now I cannot, at this time, until Our Lady permits me to give you the balance of the message at the last vigil - but that for the present has to remain a secret - but I give you this much knowledge because I don't believe that you'll have any difficulty in following what I am trying to tell you without actually having to speak the words, because Our Lady has said, "This will be kept a secret," verbally.

Veronica - The sky all about the trees is becoming alight with the most beautiful blue light that's pinpointing, it's not cascading . . . there are direct lights from the trees, line-like in pattern - that's the only way I can explain it - and they go straight up through the center of the sky, and as though they were almost like fingers pointing from the trees. But they're a pale blue. Now they're becoming deeper in blue. It's almost as though the lights, which I would say the streams of light are about a good - oh, four or five inches in thickness - they're separated like banners. Yes, I would say that as they're becoming deeper blue, deeper in color, they're like, not confetti - no, like banners, streams of banners coming down, cascading from the center of the sky.

Oh, now the sky is opening up in a round, circular pattern that - it's as though, beyond the sky, there is . . . well, we know there's another world. But it's absolutely beautiful!

Now as the sky is opening up, I can see that they weren't just lights, they're like banners, and they're held by beautiful cherubims, young angels.

Now there are no faces. They have on beautiful gowns. But they're very young angels. I know they are childlike in appearance. And they have on gowns of all pastel colors: pink predominating, with blue and white, and a lavender shade, but it's a beautiful light pale. They're all pastel colors. Oh, they are so beautiful!

What they are doing now, they're circling . . . they're - oh, they're circling Our Lady.

Our Lady is coming forward. She just came through the opening in the sky. It's a host-like opening. It's becoming wider and wider. Now it's covering the whole area, even now opening up over our heads.

Oh, it's just beautiful. It's as though the night has rolled away and there's the most beautiful clear blue sky. And there are over Our Lady's head, high in the sky, there are beautiful stars, thousands of twinkling stars. They are twinkling, because they are actually, not glowing, but they're glittering.

Oh, Our Lady is beautiful! Our Lady has on a white mantle, but oh! Oh, I notice now on Her white mantle She has the gold trim. But She has the most - oh, it's beautiful gold, spun gold . . . it's a round crown, a Fatima crown on Our Lady's head, but it seems as though the gold has diamonds set into it.

Our Lady is all aglow like the stars. Oh, She's so beautiful! And She - Our Blessed Mother has on the long gown. Oh, it's white as snow or sugar - so brilliantly white, I have no way to describe it in human language.

Our Blessed Mother has on the sandals - Her sandals are very delicate. Her feet look tiny from here. And the sandals are gold. They are a gold spun-like material. I don't know what they're made of, but they have these beautiful metallic - oh, they must be spun gold rosettes. I would call them rosettes because they're very, very tiny on the tip of Her sandal. It's not up near the ankle. I can't see Our Lady's ankles because Her gown is so long, but I can see Our Lady's very - Her feet look very small and tiny under the gown. And the sandal, being golden, is brilliant in the light.

And all about Our Lady, the angels now are waving, they are weaving and waving these banners that are a most beautiful blue color. I don't think I have ever seen this color blue here on earth. It is absolutely beautiful. I've never seen anything like this, except that, perhaps, like the old-fashioned maypole dances where the children would go with the banners. That's what it's so similar to: as though there was a celebration for Our Blessed Mother.

Now Our Lady is coming forward, and She's very, very close now. And the angels are separating. They're moving without moving their legs, but they're floating off to the side closest to the trees now. Our Lady is directly over Her statue and She's smiling. It's a sad smile. But Our Lady looks so beautiful, and so young! Oh!

Now Our Lady has about Her waist Her beautiful Rosary, the Rosary with the golden Our Fathers and the beautiful white Hail Mary beads. Oh! Now Our Lady is taking the crucifix of Her Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is taking the crucifix now and placing it to Her lips, like this, and then touching it to Her heart, like this. Then She's crossing Her hands across Her chest, like this. Shoulder to shoulder, the fingers are.

Now Our Lady is motioning, She's placing Her hand upward, to look up high. Oh! Oh, there's Michael. Oh, Saint Michael! Oh, he's tremendous. He's tremendous! Oh, but do you know what he's doing? He's got a chalice, a large golden chalice in his hand, and he's holding the chalice now and turning it down, and there's like blood pouring out of the chalice . . . blood! Oh, my goodness! Oh! Oh, my!

Now Our Lady is motioning to me, and She's touching Her lips with Her first finger, which means to listen.

Our Lady - "My child and My children, how heavy is My heart in the midst of a time when joy should be in the hearts of all mankind, but We find now increasing sorrow and suffering.

"O My children and My child, how My heart is torn as I look upon your nation and other nations of the world that are fast approaching their annihilation.

"O My child and My children, how many earth-years have I traveled to and fro, My voice relentlessly crying out to you to do penance, atonement, and make restitution to your God for the many offenses that you have committed against the Commandments, which the Almighty Father has handed down to you in order to guide you so that you will not lose your way and will come to Heaven. However, as it was in the past, so it is today in your generation, that you have learned nothing from your past and continue along the same path to your own destruction.

THE TRUE MEANING OF LOVE

"My child and My children, if I could take you with Me and give you the eyes to see and the ears to hear, you'll understand why I have cried out to you in the past to protect your souls, your children's souls, your families, and accept as a victim soul the graces given to you from Heaven to reach out with to save others. For charity and love of heart knows no bounds, no restrictions, but in giving does one really bring forth the true meaning of love.

"Your world which cries for peace, the words come from the mouths of those who are lying. For while they cry peace, they make provisions for destruction. Peace will not be restored to mankind until My Son in the Trinity is restored to your homes and the hearts of your families.

"Man upon earth has given himself over to perversion, for sin has become a way of life. And the children - O My child and My children, how I cry for your children. For would not it be better at this time, My child, for the second part of the secret to become a reality for the salvation of the young souls?

"Do not be affrighted, My child. I ask all to be long-suffering, as the Eternal Father has been long-suffering. For eternity is forever beyond the veil. The Eternal Father, the Creator of all mankind, will struggle to bring back one of His lost sheep, never wishing even one to be lost to Him.

"Therefore, My child and My children, how generous of heart is the Eternal Father that this reprieve had been given to you. But the Son, Who is My Son, the Son of the Eternal Father, your God, can no longer restrain mankind who has a free will.

EYES OF THE WORLD ON NORTH AMERICA

"Therefore, as errant children, who learn only by experience and punishment, shall a great chastisement be set upon your nation and many nations of the world. The eyes of the world are on North America, and the eyes of all creatures possessed by demons of hell are on North America. And should North America join them, North America shall fall.

"Little do your news medias enlighten you to the truth. I cannot, My child, give you in discourse a full and open knowledge for mankind of the deceit and the misdirection in your country by leaders who have cast away the knowledge of God and the supernatural in your country and throughout the nations of the world.

"O My child, years upon earth, and what has happened? What has happened among My children? Purgatory is overflowing. Satan, the adversary, the prince of darkness, has many now forever lost in hell. And who brings Our children to the knowledge of hell, of its existence?

"But I tell you now, as your Mother, that woe to the man who commits scandal and chooses of his own free will to cause the fall of a young soul. For better that he had died in his mother's womb or a millstone be put upon his head, about his neck and cast into the sea, before he brought scandal to the little ones.

PLAGUE AMONG THE CHILDREN

"My child and My children, I have counseled you on the approaching plague among the children. Because of the sin of man, this cannot be avoided, this cannot be held back, My child.

"I understand the great emotional strain this knowledge has brought to you, My child. But you will continue to shout it from the rooftops. The strength will be given you. Every message from Heaven must be duplicated and sent out in great haste. The time is growing short. The enemy is at your door!

"Yes, My child and My children, My voice has not weakened, but My heart is more torn. For how many years have I traveled throughout your world pleading with you, as a loving Mother, to listen to Me. And how many have listened to this counsel from Heaven? How many have hardened their hearts, closed their ears, so involved in worldly pursuits and pleasure.

"Pride, arrogance, lust, money, murders - all manner of corruption is set upon mankind because he will not listen. I will not say cannot listen - he will not listen. Therefore, he who will not listen must receive a just chastisement, so his ears will be forcefully opened, and he will bend his knee to his God.

BAR YOUR DOORS

"O My children, listen to Me now: your children, protect them. Bar your doors to all but your immediate family and your closest workers within the circle of light. I tell you again this for reason.

"Yes, My child, the trials of the past shall not be placed upon you again, but you understand now the full power that satan has been allowed in these latter times. It is a testing ground for all, and all will be tested like metals in the fire.

"I understand, My child, your grief at this knowledge. However, My child, you must accept the will of God, for it is for the eventual victory over satan.

THE WORLD IS YOUR FAMILY

"You must not become affected nor your mission slackened by concern over a human being, My child. The world is your family. There are thousands of sheep straying with no leadership, no knowledge, misdirection, misguidance, even in My Son's Church upon earth.

"We see all manner of confusion, experimentation. There is no unity now in spirit. For man in the clergy has taken upon himself to set up My Son's Church to his own pursuits, his own man-given knowledge of intellect, without the spirit. For much of this intellect is being directed by satan and not by God.

"Awaken from your slumber, clergy in My Son's Church, for you will also be counted among the least. In pride and arrogance you have refused My counsel from Heaven. You have turned away from Me. You have persecuted those I have sent to you. Your pride and arrogance shall make you fall. Many mitres shall fall into hell. Is this what you want?

"For ears that hear, for those who hear My counsel, learn by it, for the time is growing short. There will be many victim souls in these latter days, My child and My children. Persecution shall be great among the children of God, for the world will claim its own. And if you are not of this world, the earth, you will not be recognized. For the world you must live in is beyond the realm of human mankind. It is the world of the spirit, which all must enter sooner or later.

THE HEAVY RAINS

"The knowledge of the supernatural has been taken from mankind. Therefore, satan has full access to your souls. And many are falling into hell faster than the snowflakes in your cold winters and the heavy rains that destroy your towns.

"In the past the Eternal Father has sought to bring you back with minor chastisements, but to what avail? Now you ask and have brought upon yourself the time for greater chastisement. Many signs have been given from Heaven to guide you, and how few there were, My child and My children, who listened. Were it not so I would tell you. For were it not so, your world and the state of the souls within your world would not be in such darkness, were it not so.

"Yes, My child and My children, GOD IS shall be always before you, as God was, and God always will be.

"Man is no master of death. He can only inflict death upon the body. But with satan beside him, he can inflict death to your soul, your spirit, and you will be forever lost.

"Only you now, you, My children of reasoning, of the age of reasoning, must now make a full inventory of the graces you have gathered. For in an instant death will come upon your land, and many shall be claimed. Will you be ready? Have you prepared your children? Have you prepared your households? Many parents shall cry. Families shall be torn asunder. Blood shall be in the streets.

"O My children, and the nation of the United States that I have placed My mantle upon to protect you, a country of so greater in abundance materialistically, but now, sadly, My child and My children, falling fast to satan: immorality and all manner of licentious living, given over to murders, abortions, adultery, homosexuality, pagan worship. O My child, the list would grow longer and longer. In all justice to mankind and in all honor to your God, can you say that you do not warrant a just punishment?"

"My child and My children, you will all continue to keep a constant vigilance of prayer.

THE ENEMY IS AT YOUR DOOR

"My child, shout it from the rooftops to your last breath. The enemy is at your d-o-o-r! [Veronica sighs heavily.] Oh! . . . Yes.

"My child, I cannot take you into the abyss at this time. You must complete the listing of conversations with My Son. When this is completed, My child, you will understand.

"Many workers shall be sent to you. Therefore, I wish, My child, that you concentrate now on completing the gathering of the conversations with My Son."

Veronica - Now Our Lady is taking the crucifix from Her beautiful Rosary now, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is turning now to Her right, and She's holding - extending Her crucifix, like this, high over the trees.

Our Lady is now rising a little higher so that She can go over to our left side, Her right side, and She's blessing with the beautiful crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning. And it must be windy because Our Lady's skirts are being caught in the breeze. And Our Lady now is floating across the sky. She doesn't walk. Her feet don't move. She's just carried as though She's weightless. Yes, Our Lady looks just as solid as you and I, but She's carried weightless, but beautiful. The light is so brilliant about Her that it's absolutely gorgeous. Oh!

Now Our Lady is going over to our right side, Her left side, and now She's extending Her Rosary and the crucifix very, very far out in front of the trees, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning, and She's pointing up with the crucifix, like this, to the sky. And there is that large ball, a globe, again. I know it's the world; I just know it's the world. And there's a big black cross now over the world. And I see coming out of the globe the flames again - the flames.

And now the globe - in some portions of the globe, I don't recognize it. The, the globe seems to be spinning faster and faster. But as it's turning I can see there are sections that are black, absolutely black. Something's happened, something's happened.

And now the globe is spinning, it's turning very slowly. It's, it's one of those like - what do you call them - atlases, like where you could see the full impression of every country of the world. And some are absolutely blacked out. Oh . . . oh, they're blackened. It's, it's - it gives me a - I can't explain it - a very terrifying feeling to watch it.

Now it's fading; the whole sky is closing in over the ball, which is that huge globe of the world. And now I can't see it any longer.

And Our Lady is now nodding. As She's nodding - -

"Oh, that's so much better, Blessed Mother, to see the light. It was so dark over there with that world, so dark. And the cross is so black over it."

Our Lady - "The suffering, My child; that is the suffering that will be set upon the world."

Veronica - Oh, Our Lady has that most beautiful crown, as She's bending down now to talk. Her voice is coming in a very soft whisper now, and . . .

Our Lady - "Do not be affrighted, My child. All that is rotten must fall. The cleansing will be great to mankind. But all who have stayed in the light and gathered their graces shall be saved. That will give you great consolation, My children and My child, during the trials ahead. All who have gathered their graces and remained in the light will be saved.

"Now, My child, you will take one set of photographs, but you must not interpret them publicly, My child."

[Pause]

Veronica - All about the trees, the sky is becoming illuminated with a beautiful pastel pink light. It's a solid covering now of the sky. They're not cascading like rivulets, or as usually forms, but the sky is becoming lighted, absolutely lighted with a beautiful pastel pink.

And directly over Our Lady's statue, high in the sky, the coloring, the pink is a solid pink now.

Now Jesus - oh, Jesus is coming right through the sky, through the center of the pink lighting. And He's holding His hand now on His chest. And now He's taking His hand away, and I can see - oh my, He's got a real heart. I've never seen a human heart, but I know it's a human heart. And it's pulsating, it's pulsating.

And - oh, my! And Jesus - oh, I know it's His Sacred Heart. It's pulsating, though, and it's bleeding. Oh, His heart is bleeding. Oh, my!

And now as I'm watching, there are thorns now. It's like looking right inside of Him, through His, His garment. There are thorns all around His heart. Oh, my!

Now Jesus is looking about Him, and over to the right side; He's looking about everyone. The pink glow is fading now. The sky is becoming lighted behind Him.

Oh, Our Lady is coming forward. I don't know where She came out of; I didn't see Her behind Jesus. But now She's coming forward. And She's coming over on Her - His right side, that's our left side.

Our Lady is standing now, She's standing next to Jesus with Her hands joined together, like this. She's so beautiful. She's so beautiful. And Our Lady's Rosary is hanging, it's hanging directly from Her fingers.

Now Jesus is looking about. I can't see that heart now. It seems to have disappeared, slowly like. It's just like vanishing, like in a mist. Oh, my!

Now Jesus is turning to His left, and coming over directly above Our Lady's statue. And He's touching His lips with His first finger.

Jesus - "My child, My Mother has given you full discourse on the state of your country and the nations of the world. It will not be necessary for Me to set forth more details on what is to come upon your country and many nations of the world.

"Many reprieves have been given to mankind, but now the Eternal Father has deemed it most necessary to bring some of His straying sheep back to the fold forcefully - unhappily, My child, I say this - but forcibly, by a chastisement.

FINAL MOMENTS OF YOUR GENERATION

"You will all continue with a constant vigilance of prayer. Pray for your leaders, and the world's leaders in the governments in all of the universal nations of the world, and those men who have been given the power to govern lives or destroy them. Pray that the knowledge of your God will reach out among mankind in these few moments - I should say, My child and My children, these final moments of your generation.

"You cannot count time, My child and My children, for your earth-time is not akin to the counting of time in Heaven. So do not speculate on dates, but be prepared, for it will come upon you fast, without any knowledge to many. Do not be caught unawares.

"My Mother has counseled you well, and if you have not heeded Her warnings, Her counsel and direction, then you are fully accountable for your fall.

A KEEPER OF THE ETERNAL FLAME

"Prayer, the power of prayer cannot be understood fully by mankind. And prayer also commands sacrifice and atonement, and love. But so few know the true meaning of love. Love is in giving. Love is in caring. But love above all is God, your God. For no man knows the full meaning of love until he has reached out and become a man of God, a true child of the light; for then he will also be a keeper of the eternal flame, the Holy Spirit.

"I know, My child and My children, this discourse may be a mystery to you, but much cannot be understood by mankind due to the darkness and the clouding of the minds of many who have been entrusted with the vocational guidance of children, and have misused their positions to darken their souls and their intellect. However, know that no evil is ever triumphant. All evil will be turned to good. But what a great cost, My child and My children, for many will die in the great flame of the Ball of Redemption. Only a few will be saved.

"Man has the balance, man has been given in free will the balance for his own fall, or restoration of a nation to its former glory under God. Like rodents, the enemies of your God have eaten away at the foundations of the Faith. But in a short time they will be destroyed, and a new House will rise, a Church stronger in faith and sanctity and holiness. But this cannot, My children, take place until a great Chastisement is set upon mankind.

"You will all retain and wear your sacramentals for reason. Do not underestimate the power of prayer or the sacramentals. Do not be misguided or misled by the scoffers who have committed themselves to satan with derisive vocabularies of calling sanctity fanaticism, and holiness derangement.

"My child and My children, understand well that as I was persecuted upon earth, do not expect any less a lot. For the cross is always heavy, and unless you carry this cross you cannot reach Heaven. For the way of the cross is the true road to the Kingdom."

Veronica - Now Jesus is blessing - He's blessing the people now, like this. He's extending His hands, His two fingers together and the thumb up, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus - it's very windy - He's taking His cape, because His cape was blowing. It's a beautiful burgundy cape. I can see the gold trim about His neck. And Our Lady - and He's going over now to our left side, His right side, and Our Lady is following Him. And He's looking all about. His hair is blowing. His cape is down over His shoulders, and I can see His hair. It's being caught by the wind. And He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning to His left side, and He's going across the sky. He's going across the sky.

And now He's looking down, and down among the trees. He's coming very close to the - our right side, that's His left side, by the trees, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing His hand now upon His chest, like this.

Jesus - "My child and My children, continue with your prayers of atonement. They are sorely needed. Pray for your brothers, pray for your bishops and your cardinals, and your clergy. Pray for those who have no one to pray for them. By your example can you save many from purgatory and hell."

Veronica - Now Jesus is going across the sky. He's just floating, He doesn't walk. He just floats across the sky. Oh, it's so beautiful to watch, like He's weightless. And Our Lady is right beside Him; She's at His right side.

Now Jesus is facing us. And Our Lady is standing there; She's still holding Her hands together. She comes up to Jesus' shoulder. But She has Her hands together, like this, with the beads coming through Her fingers.

Now Jesus is extending His hand out: In the name of the Father, and of the Son, and of the Holy Ghost.

August 14, 1981

Eve of the Assumption of Our Lady & in Honor of St. Joachim

Veronica - This message in poetical form was given to me by Saint Theresa shortly before coming to the vigil. I was quite startled to have this phenomenon, as the world would call it, because of the fact that it has been many years since I have received from Theresa or Our Lady a pre-vigil message in poetical form, as those in 1968 and 1969. But this is now to be brought in with the eve of Our Lady's feast of the Assumption.

ATONEMENT-PRAYER-SACRIFICE

Remember to pray through '82
And never forget to wear your blue.
To guard your way and bless your home
When skies light up and oceans foam.
The nine line up on even course;
The flares emate with such great force,
The sun in turning will dance around
To panic souls upon the ground.
Floods, great heat - repeat anew:
The ones to be saved will be but a few.
He who defies the laws of God
Will find these tribulations hard.

Then Our Lady spoke to me, but I'm sure She wouldn't mind our putting this also with the message.

Our Lady -
"The six days of suffering are not for you,
For you are counted among the few."

Veronica - Now Theresa went on:

The heat of the sun will burn skin from the bones;
Then shed no light to brighten dark homes.
The moon will be covered in mourning haze;
Then give off a red cast in solid maze.
The seas will be empty, the ground found bare;
There will not be food for any to share.
Then many shall gnash their teeth in woe;
For now they have watched the seeds they did sow.

Veronica - The sky all about the trees is becoming a deep pink. And high above Our Lady's statue, the sky is opening up. Jesus is coming forward, and right behind Him Our Blessed Mother is following. They're coming down now slowly.

It's quite windy, and Jesus is - His robe is blowing in the wind, very softly. I see - now Jesus - He's coming down much faster now.

Our Lady is staying behind Him, and She's looking from the right to the left. Oh, She-Our Blessed Mother is dressed beautifully! Oh, now She's coming down and She's going over by Jesus' right side. Oh, She's dressed so beautifully! It's - She has on a white mantle, but the gold trim is much wider about - all about the edging of the mantle near Her gown and across Her head. Our Lady's mantle extends quite far down over Her forehead - I would say halfway between Her eyebrows and Her hairline.

And on Her head Our Lady has the beautiful Fatima crown, the one that's rounded like the world, with the cross on top of it. It's all of gold - I know it's spun gold. It is absolutely so brilliant.

Our Lady now has Her hands together, like this, in prayer, and Her beautiful Rosary is coming down, almost cascading, so gently are they folded over Her hands. And the wind is blowing. And the crucifix is now actually dangling from Our Lady's fingers. She's looking about Her, and She hasn't taken Her hands apart.

Oh, upon Our Lady's feet, She has the most beautiful sandals. They are absolutely made of gold, even the material, a metallic-type material of the strap across Our Lady's instep. It's actually across Her instep. And then in cross-like formation there's another strapping from Her - the edge of Her delicate sandals up to Her ankle. I can't see that far because Her gown covers over almost to the edge of the instep. But perched on the sandal, on the strap that goes directly down the center, there's a small golden rosette on each foot. I say rosette, because it's a very small rose. But it's not - I don't believe it's a real rose, living; it more - it looks more like a metallic spun gold rose. It's just beautiful, but very tiny on the tip of the sandal of Our Lady, on each sandal.

Now Jesus is looking about Him, too. And I do notice, I can't help but notice that They have a very sad, restrained look upon Their faces. And now Our Lady is leaning over to Jesus. I can't hear what She's saying. He has nodded, very slowly.

Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning towards Our Lady and He's nodding. Our Lady now is taking the beautiful golden crucifix from Her Rosary - Her hands are now enjoined, and She's making the sign of the cross with the crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is taking the crucifix, and She does have a very sad expression upon Her face. I can see Her very clearly this evening. And She's kissing the crucifix, like this, and now She's clutching it to Her breast, like this.

Now Jesus is looking away. He's gazing over everyone about here. Now Our Lady is coming closer. She had moved a bit over to the right, but She's coming closer now. And Jesus is nodding to Her. He's stepping back, and Our Lady is stepping forward, and He's nodding again. Our Lady now is placing Her first finger to Her lips, which means to listen and repeat.

Our Lady - "My child and My children, and especially My child Veronica, I have asked My Son to bring you here this evening with a disability, but it is urgent that you make known to the world that all warnings, all counsel given in the past will now take place.

"I have warned you as a Mother of sorrow. I have wandered throughout your earth, through countless earth-years, counseling you as your Mother, begging My Son to extend unto you the time to make amends for your offenses to the Eternal Father. My children, My tears fall upon you and your nation and all of the nations of the world. Because of your blindness you failed to see what is fast coming upon mankind.

"I will not at this time give you a long discourse of reasoning for the coming Chastisement to mankind. Many minor warnings have been given in the past, to go by unnoticed or rejected.

"O My children, it truly rains teardrops from Heaven. We listen to the voices of the saints as they cry out in anguish to Us: 'How long shall You patiently wait for a generation to make atonement? How long, O Lord, must this carnage go on, as Lucifer continues to gather his armies and take many from the earth into the abode of the damned?'

"My children, I cannot give you more urgent a message than to ask you, as your Mother, to go back and read all counseling, all messages given throughout the world by just seers.

"My children, I must warn you that you must test the spirits. When I gave you a message that there would be many seers throughout the world, I did not say that they would gather within one country. Understand this well, My children: it is the way of satan to delude and take from authentic visitations. You will recognize them because they cannot remain hidden. By their fruits will they be known.

OUR LADY COMES TO WARN, NOT TO PRAISE

"My child, you are draining your energies. As I have warned you in the past, you must not be concerned with the opinion of man. Understand, My child, were you speaking and giving to them, Our sons the clergy, a message that would feed their pride and build their arrogance, you would be accepted. But I do not come to earth to go about in praise. I come to warn of an urgency upon earth, and an action of the Eternal Father to restore the earth to its former glory.

"My Son's Church has been under, and is under heavy attack by the agents of hell. But hell shall not prevail against My Son's Church.

DO NOT ABANDON PARISH CHURCH

"I have asked you in the past, and I ask and continue to beg you, My children, not to abandon your Vicar in Rome, and not to abandon your parish church. You may have discord with your pastor, you may have discord with other priests in your parish, but you must remember this, My children, if it gives you any consolation in human nature, and for their human nature, you must understand: you must honor them for who they are, but not judge them for what they are or have become.

CHANGE CAUSES CONFUSION AND ERROR

"My Son's Church has been laid out, and the course to Heaven, the way to Heaven has been given by Him. Therefore, change causes confusion and error. When you have something beautiful, when you have a firm foundation, you don't start boring

holes in it, or you will weaken it. However, I would suggest that you say that the walls have cracked, My child and My children. For the foundation is My Son, and in parable and symbolism, I say, the foundation is solid. My Son is the Church. Man may build another church, but he shall not have the angels assist him.

A DIVISION BORDERING ON SCHISM

"My heart, My Son's heart has been grieved, as We go about the world and see the carnage taking place within His Church. We can see a division bordering on schism. My children, I have asked you in the past - We cannot have this division, for it is promoted by satan. The adage of old remains forever true: United you will stand but divided you will fall.

"Do not judge My Son's House, His Church, by the man. Though he is a representative - legal, a legal representative of My Son in His House, he is but a human in his nature. But during the time that My Son comes to you, this man will be used through the Holy Spirit, regardless of the state of his human nature, be it sin or a saint - be it a sinner or one who has led even those astray - at the time that My Son comes in the Consecration, He shall not turn aside from you, My Son. Therefore, you cannot say the Mass is invalid. This has brought great sorrow to Our hearts, for many have left the fold on this matter.

"My child and My children, I say again: test the spirits. For now there is a conspiracy of evil throughout the world, going to the extreme left of invoking satan in the worship of satan, a contrary mass to My Son. Sadly, darkness of spirit pervades among mankind. How long shall the Eternal Father permit this condition to exist?

"My children, I tell you now as your Mother that My tears fall upon you, for you do not know what you are doing. You are bringing upon you a great punishment.

"Are you so blind that you do not recognize the acceleration of sin among you? Murders abound, thievery, all manner of carnage, destruction of young souls, abortion, homosexuality, condemned from the beginning of time by the Eternal Father. Yet sin has become a way of life. Sin is condoned now, even unto the highest judges of your land and your lands throughout the world. As you have sown so shall you reap. Sin is death, not only of the spirit, but of the body. Wars are a punishment for man's sin, his greed, his avarice. Pride and arrogance is bringing down into hell mitres from My Son's House.

"O My children, how long must I travel far and wide throughout your world persevering because I love you as your Mother, and I want to save you from yourselves. For I cry out as My Son, 'Father, forgive them for they know not what they do.'

CHAOS IN MY SON'S CHURCH

"In the name of modernism, in the name of communism, in the name of humanism you have fallen into error and discord. Chaos in My Son's Church, the falling away of souls from the Eucharist, the Bread of life - My children, without the Bread of life within you, you cannot sustain yourselves long in your world now.

"The way to Heaven is not an easy way unless you remain on the narrow road. It has restrictions. I ask you now, My children, to avoid even what may appear to be pleasures of the world that may seem to you, as you become blinded by medias, by friends, by associations, blind to the fact that they are soul destroyers. You must limit yourselves now to seeking outside diversions from your home. For when you open your door, you go out now into a world that is now being guided through governments, and even through agents in My Son's Church, financial dynasties, national and international governments, heading fast to a collision.

"My children, do not forget in the years I have told you: you will be planet struck. My child, you must hasten to have sent out the message of Saint Benedict."

MESSAGE OF ST. BENEDICT

Veronica - Oh, my!

Our Lady - "I have come to warn you: you will set loose upon earth the heavens. You will be planet struck. Doctors must do good and cure honorably. Kingdoms, bishops, Rome must restore My Son's Church, or there will be great destruction in the Eternal City.

"Do not give way, My children, to the medias that have lulled and dulled your senses in repeating to you of the safety of your Vicar. I must warn you at this time that your Vicar is not safe. There will be another attempt upon his life in the city of Rome, brought on by the red forces. My child, grieve not because all is controlled and allowed by the Eternal Father.

BEWARE OF YOUR MEDIAS

"The second part of My last counsel with you, My child, must remain a secret. You will pray - you will all pray a constant vigilance of prayer for your Vicar, Pope John Paul II. You must beware of your medias, even those who have labeled themselves Catholic, Roman Catholic. Infiltration, My children, is everywhere now.

"You must pray for the light. Seek guidance only from Heaven. But above all console My Son at His tabernacles of the world.

"Remove your thoughts, your judgments from the man standing at the altar who represents My Son. See only in him as one who is My Son at the moment of Consecration, be he sinful or be he a saint. In time you will understand and accept this counsel.

"Be a good example to all in your parish church. Do not be deterred by the opinion of any man, whether he is of lay, or of a denomination of the religious. Remember, My children, when you come over the veil, there is no one to defend you. You will only bring with you love and prayers, and your own merits to bring to the Eternal Father for your judgment.

"So what does it benefit or gain a man if he gathers all the riches of the world and suffers the loss of his soul? Can any man who hears My counsel and My voice defy Me and tell Me that he will live forever upon earth? O My children, you seek eternal life upon earth. You seek to create life upon earth. You shall not create.

TRUTH IS TOO SIMPLE FOR MAN OF SCIENCE

"The Eternal Father has been deeply offended and hurt by the man of science who is ever seeking but never finding the truth, because the truth is too simple for him. In his arrogance, in his scientific searching and knowledge, he is ever seeking but never coming to the truth. Better that man seeks a simple way of life and he shall not pass into the web of satan.

"My child and My children, you will continue to send My counsel, My Son's counsel, throughout the world with great haste. Can you not recognize the accidents that are not accidents as they increase upon you? Think, My children, accidents that are not accidents. Satan has a great hand in dulling mankind's mind when he falls out of grace.

"My child, I had you deliver the message through Theresa for reason. Consider this, the first part of tonight's counsel, as a puzzle, another puzzle for the human race to figure out. It is not as difficult a puzzle as Jacinta was to mankind, My child. It is quite simple, if you ask and seek the answer. But I warn you now, My children, do not take the first part of this lightly."

Veronica - Our Lady is now reaching up to Her face. Oh, my! She is wiping the tears from Her eyes. I didn't realize that She had been crying.

Now Our Lady is turning to Her left, to Jesus. The light is now becoming very intense about Jesus. He's, you know - He's quite a bit taller than Our Lady. She only comes up to His shoulders. His shoulder? His right shoulder. Our Lady's standing on His right side, on our left side. But She's so beautiful. Oh, Our Blessed Mother, the light - cascading from Her as though the light is coming from within Her, outward, too. It's so brilliant, I'm certain without Heaven's grace, I would be blinded. It's a light that could never be caught in any manner upon earth. It's beyond anything but the supernatural. Jesus now is placing His first finger to His lips.

Jesus - "My child and My children, due to the urgency of your times, I allowed My Mother, Who will remain with you as I will through the coming tribulation, to be here tonight. And, My child Veronica, We brought you forward under human duress and stress, to bring you here for mankind.

"The world must now listen to the counsel from Heaven. The hourglass is coming now, My child and My children, to the end of its drippings. Watch, My child . . ."

THREE GRAINS OF SAND LEFT

Veronica - And Jesus is pointing up to the sky on the right side, and there's forming a glass hourglass. And it's in like a wooden base, on the top and bottom. But as I'm watching now there's pink sand in it, and it's now falling through. I would say there are only about three grains left - they're really grains. I can see three diamond-like grains left. I don't know the three - why there are three.

And Jesus is smiling. Now He's pointing now to His lips, which means I must listen.

Jesus - "Yes, My child, time is running out. But do not be affrighted by the message given to you, My child. Mankind has had many warnings, many years to make restitution to the Eternal Father.

"Pray for all men of sin. Go to your brothers and your sisters, those who are in the world without counsel. For those who have received many graces, much is expected of them.

"And when you go about the world, beware that no pride or arrogance comes in upon you, or you will lose your grace. Because when you do good among man and mankind, you do it for the Eternal Father, Who watches you in secret. Therefore, you will not let the left hand know what you're doing with your right hand.

YOU ARE NOW IN THE LATTER DAYS

"You understand, My children, I give this counsel to all who have joined in the Mission from Heaven to give the Message from Heaven to all mankind, as you are approaching - as you are now in - not approaching, My children, but in the latter days."

Veronica - Now Our Lady and Jesus - and now Our Lady is extending Her crucifix up, the beautiful golden crucifix, like this, and Jesus at the same time is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus and Our Lady - oh, They, They look so beautiful! The light is so beautiful!

Jesus - "Remember, My child, I cannot promise you happiness in this world. It has always been, My child, this way. You will continue now, My child and My children, with your prayers of atonement.

"My child, the strength will be given you, but you will not be able to spend full time from your bed. There is a reason for this, which you will soon understand.

"Continue now, My child, the prayers of atonement. They are sorely needed."

November 21, 1981

Message given to Veronica at home. 2:45 A.M.

Jesus and Our Lady appeared in Veronica's bedroom as she lay ill in bed at 2:45 A.M. and dictated a message to her, and left at 3:30 A.M.

Jesus was dressed in a beautiful - not a red, but a deep burgundy robe, like a rich, plush velvet, trimmed in gold braid, and similar to the gold trim Our Lady has on Her cape at the vigils, but somewhat narrower. It was unlike the cape that He usually wears at the vigils, which is tied at the neck. It was closed at the neck, and the undergarment, the gown, was not visible.

Our Lady had on a deep blue cape, a mantle, which came up over Her head, and a white gown, and She was wearing the Fatima crown on Her head.

In Her right hand She held Her large white Rosary, the one that She has when She comes to the vigils, that reflects the rainbow colors. In Her left hand She held a Scapular with no pictures on it, just the plain brown cloth. She was standing to Veronica's right, and Jesus was on her left.

Our Lady spoke first. Veronica was directed to write it down.

Our Lady - "You have joined the infirm, My child. Penance is humanly painful, but after all penance, there is a great joy. Accept all suffering as My Son partook of the final dregs of the chalice of suffering, to open unto all mankind the treasures to be found in the spiritual Kingdom. Your reward shall not be found on earth but in Paradise - the epitome of glory, with the angels. It is the only reward that man should strive for - all else is vanity, and passing."

Then Jesus spoke.

Jesus - "Write this for all the clergy:

"Hasten not the Chastisement by becoming involved in fruitless pursuits that are not constructive to your mission - for I am the Light of the World. PREACH My word!

"There is much hunger in your country, and the world. Feed My Sheep.

"I speak not of human hunger - only the starvation of the soul. Shall you stand before Me and say that your teaching has been pure in My sight!?"

"The human body is the temple of the Holy Ghost. Do not spoil the flesh (by sins of the flesh), for the vapors of rot shall pollute the spirit within, and the world shall be filled with dead souls in human bodies. You shall see eyes without light, and the blind shall lead the blind."

June 18, 1982

Twelfth Anniversary of Our Lady's Apparitions at Bayside
(Veronica is homebound due to illness)

Veronica - With fond recollections of Our Lady's appearing on the Bayside grounds, how much I miss being able to go to the ground, the Vatican site now, due to my illness, which has kept me in bed for so very long. But I accept all of the sufferings that Heaven allows me to have for all of the souls in purgatory, especially perhaps that one individual soul that has no one to pray for him or her. I always ask Our Lady and Jesus to allow one day's suffering - that would be the second day after the first suffering day - to allow every other day to be for a soul in purgatory. There are so many who have no one to pray for them, because others have forgotten them upon earth, or there just is no one living upon earth who knows or remembers them.

I'm going to now take the time to place the oxygen mask, the kind that goes through your nostrils, upon my face, because the air is very humid today, the humidity is very bad, and I find it very difficult to speak.

And I was told last evening - that would be Wednesday evening, today is Thursday evening - that I would have to give a message to the world, and that Our Blessed Mother and Jesus will be here to guide me. In preparation, I must hold the Shrine crucifix, my Rosary, and wear about my head the usual mantilla or scarf. I do not know what to expect at this time.

This is early in the morning, exactly - I'll give you the exact time - it's 10:45 a.m. So I will have to now prepare in prayer for the arrival of Our Lady and Jesus.

Because of my intense suffering and disability, and inability to walk, I do not believe that Heaven will allow me, in any way, to be physically present tomorrow on the feast day of the Twelfth . . . though I long so - I really hurt in my heart, it hurts me very much to be unable to be there. But I find that even walking from the bedroom to my bathroom - for circulatory purposes, the doctor said - finds me very debilitated; and even I would attempt to go outside and go in the car for just a ten or fifteen minute ride and find that it has exhausted me. The exhaustion and the constant pain twenty-four hours throughout my whole body is like living in the fires of purgatory. However, Heaven sustains me. And I know I surely am carried forth with this suffering, this intense suffering, because I know that this is what Heaven is permitting for a reason.

I will now turn off the tape and continue the rest of the day praying until I receive the call from Our Blessed Mother or Jesus, and then I will place the tape on, and forget that it is by me, at my side, and Heaven will give the further directions to me.

Oh, how long I have waited, but now Our Lady has told me that the message will be given, not this evening, the eve, but on the feast day, which is Friday, June 18th. So I will have to wait patiently.

Our Blessed Mother has appeared to me. Oh, She is so, so beautiful. She's dressed all in white. Now there is a light about Her. The light is white. But due to the crown Our Lady is wearing, which is magnificent this evening - She has on a crown of gold, but there's a lining inside. The lining is blue. There seems to be a blue velvet in the crown that casts - the light shining upon it casts a bluish-white light all about Our Lady. The light about Our Lady is white, but tinted with blue. There's no human way I could explain it. It's not two-toned in color, but it's blending white and blue.

And Our Lady - I can't see Her hair because the crown is a very large crown, like the Fatima crown we have. And the crown is placed on Our Lady's head and it covers down to the forehead. But, of course, the mantle also is down to the middle of Our Lady's forehead; I can't see Her hair. The mantle is a pure white with a gold trim all about it - oh, of about an inch wide.

And Our Lady is smiling. She has Her hands together in prayer with Her Rosary beads, the beautiful beads with the golden Our Fathers and the white Hail Marys that look like - oh, a million other colors that cascade from the Hail Marys.

And Our Blessed Mother, She is smiling, though - in fact, She is smiling much more than I have seen Her smile, even in the past - though I do notice there have been trickles of tears from the corner of Her eyes. But She's smiling now down at me.

I'm lying up at the top of my bed, my head near the bedpost, and Our Lady is standing at the foot of my bed. And now She's moving over to my right side. And oh - oh, I didn't notice through the brilliant light - Jesus is standing with Her. Now Jesus is at Our Lady's right side.

Now They're both standing, and I do wish I could see Our Lady's feet. I can't see the gown; my bed is interfering with the flooring. Oh, my goodness! They're both rising now up higher so I can see. Oh, Our Lady has on gold sandals. They're just beautiful, with tiny little gold rosettes at the tip of the middle of the toe area on the band that goes up to Our Lady's ankle - there's a tiny gold rosette. It looks metallic, it really does.

And Our Lady has on a white gown with a blue sash, and Her hands are still brought up in prayer.

And Jesus has on His red cape. The cape is a beautiful burgundy color. And His hair is flowing freely, but it's not blowing, because I know now that They sort of adjust to the climate here. Because there's very little air in my room - it's difficult for me to speak. But Jesus' hair is not blowing now.

And He has on - His gown looks like its made, sort of a linen, the cape. I guess He feels as warm as I do in this bedroom, because His cape is very loosely tied at the neck.

And Jesus is smiling. He has oh, such beautiful eyes. They look like gray-blue. But He's smiling, also. And now They are both nodding.

And Our Lady is now disengaging Her hands from Her beads, and She's telling me now to listen. And She's placing Her first finger of Her right hand to Her lips; that means to listen.

Oh, dear! They must have - oh, oh, Our Lady is saying yes, that there will be a message.

Now They're both floating downwardly, so that They remain at the foot of my bed. But all about Them now - I didn't notice it before because of the brilliant light - all about Them are the most beautiful angels. They're angels, and they have - they have like those wings that we spoke of. But they shouldn't be called wings, they're so downy, soft and beautiful. They shouldn't be called wings. If only there was another name, like gossamer, or - somehow the word "gossamer" comes to my mind, so downy and soft and beautiful.

I can't say what their faces look like. Their outlines are like human, but I just can't make out their features like I can with Our Lady and Jesus. And they look more transparent than Our Lady and Jesus. Our Lady and Jesus look very solid, but the angels look very transparent. But they're dressed, though, in gowns. The gowns are very, very filmy, too, like they're transparent. Though I see nothing, they look like human gowns. There's no way to put it into human language, but they're - they're all in different shades of the, pastel shades of the rainbow: blues and yellows, and pinks and whites - and the white is a really brilliant white - and gold, and sort of a rose color.

Oh, their, their age, I couldn't tell you whether they were male, female, or what age, because there is no way that I could tell you. There is something about the angels, and it's so different. They're spirits, so I guess there's no way I could explain to you just exactly what they look like. But for our own enlightenment, I realize that Heaven is allowing me to tell you about their figures, because of the fact that they appear almost like to us in human, for I guess I'd be scared to death if I saw them any other way.

Due to my illness, I never realized that I have now fallen asleep, put into a deep sleep, and so many hours have passed. My husband, Arthur, said that I had fallen now asleep. Oh, I know what it is now, and it is very, very late.

And I notice that - Arthur says that he has loosened my mantilla, a babushka - or he calls it a babushka - from about my neck as I slept. Finding me holding the crucifix and the Rosary, he was very startled - and the tape recorder lying by my side.

So now I notice the day is dawning, so this must be the beautiful day of the feast day of June 18th of Our Lady. Oh, oh, how wonderful it is, because it is just about the time - I can remember back in 1970, we were to start the vigils at 9 a.m. I knelt from 9 a.m. in the morning of June 18th until after 1 a.m. the following morning - that would be June 19th - and for three days I had to lie in bed, as I'm lying now, unable to walk, having knelt so many hours.

But at my side at that time - I don't know if it was ever known to many that Padre Pio sustained me. An individual from a Padre Pio, promoting a group, I believe it was Joey Lomangino at Garabandal, who had given a friend a crucifix, a small brown crucifix that I'll never forget. I wore that crucifix the whole time on June 18th, 1970. And every time I felt I was weakening (because there were times when I came out of that - oh, state of being out of myself, like in a coma or something, or - not a - I don't like to use the word "trance," because that sounds like something in the occult or something. But actually I was in a state of being absolutely unconscious. But when I came out of it, after a few hours, after the message was given, I felt like I was slumping. But I knew that I had to remain on my knees, because it was so important. Our Blessed Mother depended on me to remain on my knees. There was so much at stake, so many souls that had to have this penance, Our Lady said, that I would then clutch this crucifix about my neck, given to me - a small brown wooden crucifix - and I, immediately I noticed that I was renewed, and I felt vigorous and fresh, and I could go on and continue praying the Rosary until Our Lady then, or Jesus appeared, and then I had to blank out, sort of, again and repeat, as a voice-box, what Our Lady and Jesus had to say.

It's very difficult for me to talk at this time, because, today, June 18th, the humidity feels just as bad as it did - and I do remember in 1970, the first lady that we had, who came from Indiana, who was writing the notes, it was so bad, the heat, that she passed out writing the notes, and someone else had to take the lapboard, one of those lapboards you write on, from her and continue writing the message that Our Lady gave.

Now I notice here about my room - I should put down the time - I'm wholly conscious. I know I am to take up my crucifix. Arthur will be coming in, and I will have to tell him now he must remain outside the door, and lock the door. And he's wondering why I should have the scarf about my head, when it's so warm in my bedroom, but he will understand later. He trusts me when I tell him: please do not ask me any questions, that you'll understand later. And then I am to take my crucifix.

It's June 18th, 1982 - twelve years since Our Lady first started Her vigils of penance, prior to the coming of the Ball of Redemption. June 18, 1982 makes twelve long years of Our Lady pleading with everyone throughout the world to listen to Her Message and to try to hold off the Ball of Redemption.

I am waiting now, awaiting the call lights. I believe that they will be the same as at the vigil because I have a ceiling here that is taking on a very blue color, though the ceiling itself is white. So I know I will await the call lights for Jesus and Our Lady to appear.

The time, it is now 12:45, that would be in the afternoon, of June 18th, 1982. And, oh, this is the room - oh, I - even though I hurt so badly, the room is being cascaded with lights, blue lights, the most beautiful blue, round - there are circlets of blue lights coming now through the ceiling of my bedroom. Oh, they're the call lights of Our Lady. Oh, I'm so happy, I'm so happy!

Oh, Our Lady and Jesus are here again, just as last evening. Our Lady is dressed in the same beautiful outfit. She has this - I would rather call it a habit, as She refers to the nuns, which She - oh, the nuns whom She loves so dearly - all Her nuns and priests.

Oh, Our Lady has on the same habit - it's a - oh, She has a beautiful white gown with a blue sash about it, and Her white mantle with the gold trim about the outside, all around the edge - about, oh, I guess it's an inch wide of gold metallic material.

And She has also now - oh, no, it's not the same - She's covered Her own outfit, the blue, with a blue, a dark blue cape-like mantle all about on top of Her, Her white mantle. Oh! Oh, that's so beautiful. It's a beautiful deep blue velvet. It's a blue velvet. And on top of that - oh, Our Lady must be awfully warm, because it's very warm in my room; but Our Lady is smiling and shaking Her head: no, She's not warm. But She has on really heavy clothing, for my room is stifling here. I find it most difficult to breathe. I don't have an air conditioner. I do have two fans, but Our Lady has instructed, I am not to use the fans today in my room.

Oh, so - oh, Our Lady, though, is so beautiful that actually there's no picture that - I wish I was a painter, that I could paint for you; the description in words is insufficient to tell you how beautiful She looks. She has on the white mantle and the white gown, but then a blue, a beautiful deep blue mantle over that. And then She has a huge crown. I call it the Fatima crown, but it also has that same deep blue velvet-like material inside, that puffs out of the openings of the crown. And the crown is very bejeweled - you know, jewels all over it, all different colors. Oh, they look like diamonds. I don't know all the jewels, but they look like diamonds, and rubies, and those green stones - emeralds, and amethyst, and - oh, I don't even know the others. They're so beautiful!

And Jesus now is come - I didn't notice until I was so - the flashing lights from the jewels in the crown and the bright light about Our Lady - but I see Jesus now is at Her right side. And He also is wearing the same outfit He did last evening. And it is warm. But I notice He has His cape. It's a burgundy velvet cape. Now this cape, though, is trimmed also now in gold about the outside, just like Our Lady's white mantle that goes to Her feet and around Her head.

Now Jesus has His - the headpiece that would - I believe, like a cowl, like a hat - would be over it. He has it down, though, over His shoulders, whereas now I cannot see His hair. There's nothing blowing. There's hardly a movement in the room. And Arthur has been instructed not to come in, so that it's like a little bit of paradise here in the room. It's so beautiful.

I'm conscious of what is about me, but now Our Lady is raising Her hand now. She had Her hands up in prayer with the Rosary beads about them, but She is now touching Her lips.

They're standing, and - no, They're coming closer now around to the side of my bed. Jesus is at our right - at Our Lady's right side, but Our Lady is leaning over to me, and She's touching me on the forehead with Her beautiful Rosary. Oh! Oh, and She is handing me a rose.

"Oh, thank You!" [Veronica sobs.]

Now, now Our Lady and Jesus - Our Lady is smiling, and Jesus now is leaning over, and with His thumb - He's making the sign of the cross on my forehead with His thumb. And now He's smiling at me. Oh, He's so beautiful.

I can see Jesus' hair now; it's a reddish brown, a reddish brown. And now They are both now going back a little farther toward the foot of my bed. Now Jesus is raising His hands up, like this. And now He's standing at the foot of my bed at Our Lady's right side. And Our Lady's standing there now, and She's holding the Rosary up in Her right hand, and in the left hand She has the Scapular. And Jesus is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is now motioning. She looks towards Jesus, and He has nodded to Her. And Our Lady is touching Her first delicate - first finger to Her lips, which means to listen.

Our Lady - "My child, you will tell My children this evening that all this is for them. I wish all to know that, as I speak with you now, I speak to you all. I am there with you, as I am here with you, Veronica, My child.

"This is a time of great urgency, or We would not have taken these measures to come together in a manner that has never been approached before.

"My child, Veronica, you understand it is the will of the Eternal Father that you be among those who have been chosen as victims, victims for the repatriation of souls of the world.

"The world, your world, My child and My children, is steeped in deep darkness created by sin. There shall be a most terrible, heart-rending, crushing punishment, chastisement sent upon the world soon.

"I have come to you as your Mother: a Mother who loves you, a Mother who cares, a Mother who cries tears of pity for you, for you do not know what you are doing. I ask you, as your Mother, I appeal to you, as your Mother, to listen to Me. I have cried for you. I have wandered throughout your world, through countless earth-years, begging with you, begging you to listen, even to a small measure, of My message to the world, to turn now from the ways that are offensive to your God, the Eternal Father in Heaven; for you bring upon yourself a just punishment if you do not mend your ways now and turn from your sin.

"All manner of abominations are being committed in the world, and even has entered into the clergy. Many clergy shall stand before My Son and have to give account for what they have done, and what measure they have taken to destroy souls upon earth. Many are on the road to perdition and taking others with them.

WARS SHALL INCREASE

"How long, My children, do you think that the Eternal Father will stretch His pity to excuse, or make excuses for these abominations? No longer, My children. This I bring to you as the most urgent message from Heaven. Wars shall increase, and the great World War, the greatest of all, shall befall mankind, and shall make extinct three-quarters of the world's population. Is this what you want?

"My children, awaken from your slumber! You live in a dream world. You believe that this cannot happen to you. O My poor children in North America - Canada, the United States - you do not know what it is to see the blood flow in the streets, to see your loved ones torn - their arms, their legs missing, their bodies and their bowels spewing out upon the grounds. Is this what you want?

"O My children, please listen to Me. You shall not be free from this type of suffering. It is fast closing in. The enemy is all about you. You are slumbering. While the world cries peace, peace, and tranquility . . . We look for prosperity and peace. But where do you look? It appears, My children and My child, that most are looking for prosperity, and not true peace. For the only true peace shall be found through My Son, Jesus in the Blessed Sacrament, the Holy Eucharist, through the Father, the Son, and the Holy Ghost.

"The peace that you seek far eludes you, My child and My children, because of the fact that you do not recognize the power of the Bear. The Bear surrounds you. Those who are with the Bear laugh at you, for they do not seek peace. And you believe, in your purity of heart of many of the leaders - I say this for the United States, which has been always called a great Christian nation; I say this to the United States, because they do not understand the ways and means of an atheist. Behind the Bear are atheists.

"Now the Bear, the great Bear now that has clawed most of the world and nations, those behind the Bear, they know no reasoning for truth. For they believe that whatever happens in the end - their captures, their covering the world with their propaganda, and their eventual destruction of nations to bring them down to their knees - the means of doing this is justified by the ends. In other words, murder or lies, or anything which is in satan's realm - anything to justify their takeover.

BEAR BURROWED INTO CHURCH

"Now the United States, My children, is not free, for the enemy has burrowed from within, just as the enemy has even - the Bear has even burrowed into My Son's House, His Church. And oh, what a sad fact this is to Our hearts! My Mother's heart is torn, and My Son - what can I say for My dear Son? Shall He be recrucified anew? This is the greatest hurt to Our Immaculate Hearts, because We have trusted our children to carry forth the banner of Faithful and True through the years.

"And what has happened? The world now is in far worse a state than it was in the time of Sodom and Gomorrah, and that was destroyed. And what do We find now, My children? O My poor little ones, I repeat again, My heart is bleeding."

Veronica - Our Lady is showing me now a heart that was implanted on the front of Her gown. Her gown is just stained with blood now. It is bleeding. Oh, my goodness! It's bleeding onto my carpeting, too.

Our Lady - "My heart, My child, is torn and bleeding, because it is the children that I cry for now. They are being misled.

WORD OF GOD TAKEN OUT OF SCHOOLS

"The parents who depend on the schools to teach, in the schools the word of God has been taken out; in the schools, prayer has been forbidden by many. Therefore, the major responsibility for saving the souls of your children is in your homes now.

"Mothers and fathers, where are you? You are running to and fro making money, seeking pleasures. But you are not the only ones. You turn to your pastors, you turn to My Son's representative, the priest, and other ministers in the congregations of the world, and where are they? Their heads are in the sand. Their heads are in the clouds, clouds of darkness. They, too, are running to and fro seeking riches and pleasures. How many are holy, and how many are unholy? My children, they could be sorted very easily. There are so few who are holy. We do not say this to judge, My children, but We say this to bring it out as a fact. How many are holy? How many can stand before My Son and say that their teaching has been pure in His sight? What will become of these poor priests who have forgotten their mission, who have forgotten their vows? What will become of them? Many mitres shall fall into hell.

PRIEST-INFILTRATORS

"And My good children, you do not pray for your priests. You do not pay - I say the word 'pay,' for them - in other words, ransom them from purgatory. Ransom them even from hell. We do not wish to see Our priests be cast into purgatory or hell. But there are many now in purgatory, and you must do penance for them, and pray for them, for they are misled. They do not have courage, the courage of their own convictions to stand up and fight. They have lost the realization of the existence of the immortality of the soul. And there are many now who are going about, be they true, truly ordained priests, or are they infiltrators into My Son's House? Only you as a parent can find out. Seek, and you will find them out. By their fruits will they be known.

SIGNS OF FALSE PRIESTS

"If they tell you that the words of the Bible are only stories written down by men, you will know they are false. If they tell you that it is better to believe what the theologians are saying now in 1982 - in fact, saying in so little words that all the other theologians were stupid, know that they are not true. And that is a fact. The priest is not true.

"Now if he tells you that you do not have to worry about committing a sin because God will not punish, He's an all-loving God, and as an all-loving God, He will not punish you for your sin - if that be true, then why was Lucifer cast from Heaven? If we cannot sin, and God will not punish us for our sins, why were Sodom and Gomorrah destroyed?

"My children and My child, I hesitate to speak of such things as immorality and the morals of mankind. However, it is something that makes Me even blush, My child . . ."

Veronica - Our Lady is turning a very, very deep scarlet in Her face. I am almost embarrassed. Now Our Lady is really turning scarlet! I feel that way myself. But I will take a deep breath, as Our Lady says, because the words must be said.

Our Lady - ". . . that when a priest tells you that you do not have to speak up, out against homosexuality, because you are judging another person, and you should love your neighbor and therefore never set him up to be judged, you are not judging. If a person is doing wrong, and you tell him in a kind manner, a charitable manner, that they are committing a sin, and that they will lose their soul and go to purgatory, or even hell, that is not judging. You are helping and loving your neighbor. What is love?

"And any priest that tells you, My child or My children, as you have experienced - We have allowed you to experience this for the betterment of all mankind - any priest that tells you that you must love your neighbor first and God second, he is not a true man of God nor is he a true Roman Catholic priest, nor is he a true minister of any denomination. Because the first Commandment of God the Father is: 'I am the Lord thy God, thou shall not have strange gods before Me.' 'Thou shall not take the name of the Lord thy God in vain.'

MAN NOT A LITTLE GOD

"And if a priest, or a minister, even, has the dare to blaspheme himself and tell you that don't worry about sinning, because one day you will even be a god. And you say, 'a god?' If any of you have heard this, My children, you know it is true that many have become so arrogant that they feel that they are mini-gods, little gods. In no way will man be a little god. There is no justification to be called a little god, no matter what place he has in this world.

"There is only one God, the Lord high God in Heaven. No man is God, even though he places himself up as God now, even trying to create life, and even trying to restore life to the dead. He shall never restore life to the dead. He shall never create a life. What he shall create is a monster, a soulless being. We will not go into this, My child, as I see you are tiring. But We must warn the parents against the immodesty of the world. My heart is torn, as I have told you, My child."

Veronica - Oh, my goodness! The blood is gushing further. Now it's all over my bed. [At this point the sound of something crashing to the floor startles Veronica.]

Oh! And it's making everything fall. The lights are falling, everything . . . from the violence and the shaking that - I feel that Jesus is very angry at this. The whole light has fallen from my table. It came down with a crash. And everything is falling off my table, as Jesus is now banging the table, and He is saying:

PRIESTS WHO CONDONE HOMOSEXUALITY AND ABORTION

Jesus - "I will not stand for My priests who condone homosexuality and allow it in My priesthood! I will not stand for My priests who allow the murder of the unborn with their permissiveness! I will not stand by and allow My priesthood to be destroyed!"

Veronica - "Oh, I'm so frightened, Blessed Mother! You're not angry at me, are You, Jesus? You're not angry at me? Everything has fallen here. The lamps have fallen down."

Jesus - "My child, I did not mean to affrighten you. I was giving vent to the hurt of My heart. But I wish to bring across to mankind that I, too, can no longer allow these - the carnalities, the abominations that men are committing upon earth to continue. My hand is coming down and it will strike!"

Veronica - Our Blessed Mother has come over now to my side, and She's, She's rubbing my face. I am still very frightened at what happened when Jesus pounded the table. The light fell down, my light fell down. It brought me out of my unconscious state. And I can still, though, see Jesus and Our Lady - and Our Lady standing here. I am back from my unconscious state.

"I'm so frightened, Blessed Mother! So much is going to happen upon the world."

Our Lady - "My child, do not be affrighted. My Son is filled with anguish, and did not express Himself in a manner you expected. But it is not often that We have to come to you, My child, in this way. Were He on the grounds, there shall be thunder and lightening to emphasize His words.

"O My child, do not be affrighted. Your heart is fluttering. I want you to rest now, My child. But I have a message further for My children of the earth. We shall leave you for a short while and return. But you will have your dear husband, Arthur, straighten up the room and give you nourishment, and We will be back. Look, My child, at your wrist watch."

Veronica - "I, I, I have one o'clock on my wrist watch, Blessed Mother."

Our Lady - "You have 1 p.m., My child. We will be back at 3 p.m. and conclude Our message to the world. But during these two hours I wish that you will rest and sleep.

"I know your husband is at the door listening and is trying to now get in, because he heard the commotion. You will explain it to him, My child, by playing the tape.

"But be not affrighted. My Son has no - nothing against those who are of well spirit. But you see, you, My child, will understand further when He discusses with you what is going on.

BRIDES FOR CHRIST NEEDED

"My child, too, when He speaks of His ministers, His priests and the priesthood, He is also referring to the terrible abominations being committed by Our nuns. My child and My children, My heart is torn. I need so many brides for Christ, and so few are there who are willing to sacrifice their lives for Him. Oh, if they only knew the great reward."

Veronica - "I will be a bride of Christ, Blessed Mother, if You want me. I will be a bride of Christ."

Our Lady - "My child, you are a bride of Christ. Did you not know that? Do you not remember when you were given the ring, many years ago?"

Veronica - Oh, the ring, the ring with R-G-P: Redemption, Grace, and Peace inside the ring. The ring when I lived in Bayside at 226 - 226th St. in Bayside, off 69th Avenue and Springfield Boulevard. Oh, yes, Blessed Mother, I understand now. Redemption, Grace, and Peace ring. I am a bride of Christ."

Our Lady - "My child, that is why Theresa had you write 'Tomorrow My Bridegroom.' Do you remember nothing of it?"

Veronica - "Oh, Blessed Mother, yes."

I walk up through the garden
With roses in my hand,
And place my left hand out
To show you there's a band.
I've waited all these years
To see this dream come true;
I've watched and prayed,
And followed my heart
Until it came to You.

"Yes. Blessed Mother, I understand." [Veronica stammers.]

"I don't know where the tape recorder is."

Our Lady - "Well, I, My child, will shut it off, and you will now rest until 3 p.m, and I will return and give you the rest of the message."

[Pause]

Veronica - It is already past 3 p.m. And now the room is beginning to become lighted with that beautiful blue, translucent light that always announces Our Lady's coming. Our Lady is very prompt. It's only a few moments after 3. Therefore, my clock, my watch must be a little fast. I know Our Lady is very punctual.

Our Lady is coming closely. Now Jesus is with Her, and the angels. Our Lady is wearing the same habit, the white gown, as She did earlier this afternoon.

And it appears that Our Lady is spacing Her time. If only I could go back to the first day of June 18, 1970. You will find that Our Lady spoke throughout the whole afternoon, even in pouring rain.

Now Our Lady is touching Her first finger to Her lips, which means:

Our Lady - "My child, listen and repeat after Me.

"My child and My children, it is urgent that I warn you that the days are upon you, the days of wickedness and the emergence of the wicked ones upon the world.

MANY FALSE CHRISTS

"There will be many christs upon earth - those who call themselves Christ. But beware; do not listen to them. How often have I warned you in the past to beware of false prophets and those who will claim to be Christ. Only those who are ignorant and have no basic foundation of the Faith could fall prey to their beguileness.

"Because of the fact that too few are given - giving out the Message from Heaven to the peoples, My child, I wish you to open the Bible, the Book of life, and read what I point out to you."

Veronica - The Signs of the Last Days - Matthew.

Oh, I don't - Blessed Mother . . . the chapter? Oh, Matthew 24 - The Signs of the Last Days.

Verse 23 - "Then if anyone says to you, 'Behold, here is Christ,' or, 'There He is,' do not believe it. For false christs and false prophets will arise, and will show great signs and wonders, so as to lead astray, if possible, even the elect. Behold, I have told it to you beforehand. If, therefore, they say to you, 'Behold, he is in the desert,' go not forth; 'Behold, he is in the inner chambers,' do not believe it. For as the lightning comes forth from the east and shines even to the west, so also will the coming of the Son of Man be. Wherever the body is, there the eagles will be gathered together.

"But immediately after the tribulation of those days, the sun will be darkened, and the moon will not give her light, and the stars will fall from heaven, and the powers of heaven will be shaken. And then there will appear the sign of the Son of Man in heaven; and then will all tribes of the earth mourn, and they will see the Son of Man coming upon the clouds of heaven with great power and majesty. And He will send forth His angels with a trumpet and a great sound, and they will gather His elect from the four winds, and from one end of the heavens to the other."

Veronica - And we will repeat again in verse 5 of St. Matthew, Chapter 24.

"For many will come in My name, saying, 'I am the Christ,' and they will lead many astray. For you shall hear of wars and rumors of wars. Take care that you do not be alarmed, for these things must come to pass, but the end is not yet. For nation will rise against nation, and kingdom against kingdom; and there will be pestilences and famines and earthquakes in various places. But all these things are the beginnings of the sorrows.

"And many of them shall fall away, many will fall away and will betray one another, and will hate one another. And many false prophets will arise, and will lead many astray. And because iniquity will abound, [things will become so bad] the charity of many will grow cold. [One will in that way be afraid to even trust your neighbor or even trust anyone out on the street. That's how bad the evil will abound.] But whoever perseveres to the end, [trusting in Jesus] shall be saved. And this gospel of the Kingdom shall be preached in the whole world, for a witness to all the nations; and then will come the end."

Veronica - Our Lady is now motioning me to close the Book. I have a sensitivity of falling back to unconsciousness again, after reading the book. Although I did feel a very strange feeling of being semi-conscious while reading, however, I now - oh, Our Lady now - I feel very strange. There's no way to explain the feeling when Our Lady places Her hands out - She's placing Her hands out now, and these lights are streaming from Her fingers, and I feel very warm all over.

Our Lady - "My child, I wish you also to make note in your heart and the hearts of all mankind that I am much despaired, as Theresa, Our Little Flower, is much despaired at the lack of numbers in the nunneries. Vocations are needed for the priesthood, and also for the nunneries.

"Are there not any who care to come forward and dedicate their lives to save Our young children? Please, My children, surely among you, those who hear My voice or will read this written word, can you not give your life to win your reward forever

in Heaven? And perhaps also, those you love you can bring with you. So many little souls are crying. They thirst for the knowledge of Jesus and all of Heaven. Will you not solace them and comfort them in their loneliness? They are like sheep out in the wilderness, astray with no leaders. They are wandering. And what do they feast upon but weeds. No good nourishment is being given them. Will you not, My children, you who are children of the light, come forward and become nuns, nuns with good hearts, with a good foundation of the Faith and the truth, and nourish Our sheep?

"Remember, My children, that Jesus said, 'Unless you become as little children, you cannot enter in the Kingdom of Heaven.' Just as little Theresa once wrote, My child, will you kindly repeat. It brings great joy to My heart to know of the simple things that are so lost in your world today. The road to Heaven is simple, as a narrow road that so few stay on. But if you listen to the way little Theresa places it, it is really simple. Just open your heart to Jesus as a child, come to Him and He will solace you. When you speak to Him, speak to Him thusly, as Theresa did.

Dear Jesus, all I can do is just love You,
For my riches are here in my heart;
They're not locked or chained against stealing,
They're always free to depart.

I offer this gift to You, Jesus,
Accept it with Your precious joy.
I'm Yours to hold there in Your Kingdom;
Just treat me as Your little toy!

"Yes, My child, that is how Theresa found her way into the Kingdom of Heaven. She was a gentle child and a gentle adult. Therefore, you will follow her way, which is the way of Jesus, too.

"Remember, My children, I will always be with you. My Son will always be with you. The days ahead will be great trial for you. But you will suffer much for your Faith. And you must always wear your sacramentals. Do not abandon them to modernism and humanism.

"No matter how learned the scholar or priest or minister, you have the basic foundation of the Faith. And God never changes, and neither must you change to please man. But you must change always to please God.

"And obedience: there is false obedience, if you displease God just to please man. You know the truth; keep it in your heart.

"And always remember: keep the faith, My children; We depend on you, because you are Our little armies spread throughout the world - little in means, little in worldly goods, but great in faith and great in graces."

Veronica - Jesus is placing His hand forward, and making the sign of the cross.

Jesus - "I bless you all, My children: In the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - Jesus and Our Lady now are smiling and nodding. And the light is suddenly becoming dim. The room is beginning to darken. It's coming towards twilight time. So I just am sad to see Jesus and Our Lady - I'm becoming awakened now to my senses about me. And Jesus and Our Lady now are going forward. Now Our Lady is touching Her lips.

Our Lady - "My child, We are not leaving."

July 2, 1982

The Visitation of Mary

Veronica - This is Friday, July 2, 1982. At approximately 1:35 a.m. on Friday morning, July 2, Our Blessed Mother left a rose, a pink rose at my typing table in my bedroom, and came forth in a very hazy, mist-like light, that grew wider and wider as She came close to the table.

As I tried to sit up, being bedfast for so long, I hesitated at the feasibility of my trying to grasp the pink rose set on the table by Our Lady - a sign for me to use the typewriter, for clarity purposes, She said. That's what Our Lady said: the typewriter would be used for clarity purposes.

Our Blessed Mother is dressed in a beautiful, luminous white mantle, bordered by a small golden trim. Her gown is also a brilliant white color, and there's a blue sash about Her waist. She is truly the shining star of Heaven. Of course, this is Jesus' designation of His wonderful Mother, Mary. Our Blessed Mother is standing at my right shoulder. She says:

Our Lady - "Write now, My child, just as I tell it to you."

Veronica - I bent forward to reach the typewriter, wondering how I was going to do any of this with my hands in the condition they are, as well as my spine. But if Heaven wants me to do it, I knew I was going to be able to do it somehow. Our Lady repeated again:

Our Lady - "Write now, My child, just as I tell you."

Veronica - Our Lady had me type:

Our Lady -

Where do the eagles gather
To feast on decaying flesh?
For hell has opened wide
And set the demons' nest.
Why do you kill your brother,
O ye of little faith?
Have you no reason to shudder
When you think of your possible fate?
Have you lost your courage
To stand forth as faithful and true?
Or must you go farther forward in life,
Forgetting to wear your blue?
I am the Queen, your Mother,
On a mission so far and wide;
There's no reason to fear My Son,
But your sin you cannot hide.
Do penance, make atonement,
The time is so short;
For soon everything living
Will be treated as naught.
Give up your worldly pleasures
As well as your hoarded treasures;
For they, too, shall become as naught.

Veronica - Jesus has appeared, and startled me by standing by my chair on the right side of Our Lady. He leaned forward and said:

Jesus - "What does it benefit a man if he gains the whole world, but loses his soul? The flesh shall turn to dust, but you will retain full consciousness of your being truly alive. However, you are changed into an eternal state of being. Your spirit lives forever. And tomorrow is forever for many. Are you ready?"

"Do not take My Mother's counsel lightly. You are being warned, My poor children. Awaken from the darkness that you allow to enshroud your world, or it will be the end in time. Pray, pray."

Veronica - Our Blessed Mother has been weeping, and I cannot help weeping, too. So many souls are going to hell, and many to purgatory, every minute of earth's time. Pray, pray.

It is now 2:20 a.m. Jesus and Our Lady have left. It was like They passed right through the wall up into the sky, until only two small lights were visible in the sky as I ran to look out the window to see where They went to. Back to Heaven, of course.

They must grow terribly sad, even a wee bit angry at the goings on down here upon earth, as Saint John once said to us a short time ago. But now the Chastisement is fast approaching. Shout it from the rooftops! The Rosary, the Scapular, and above all daily Mass with the Holy Eucharist. A constant vigil of prayer, I beg of you. Amen.

1983

March 18, 1983

Eve of Saint Joseph

Veronica - All about the trees the sky is becoming filled with lights, beautiful lights of blue and white and yellow. Oh, it's so beautiful that it's actually - the colors are cascading off the ends of the branches.

And now up in the sky these blue balls - very translucent, weightless blue balls are floating upwards from the tree to the center of the sky over the statue.

Now the sky is opening up. Previously, we found the sky was coated with dark colors, very ominous-looking . . . hazy blue - not blue, but black, which was very foreboding, until Heaven chose to set the lights down upon the trees and, also, the good souls who are here this evening.

Now just up above the statue, about - oh, maybe ten to fifteen feet, Our Lady is coming forward. Oh, She's dressed in a beautiful white gown with a white mantle. And all along the edge of the mantle there's a small line of gold. I do believe it's metallic gold, real metal.

And Our Lady - the wind is blowing up there, too, because Our Lady's skirts are being caught upon Her feet. And I can see now Her sandals. They're beautiful. The sandals are made of spun gold, and there's a small rosette right in the middle of Her feet, on the band.

She's absolutely beautiful. Our Lady looks very delicate. And Her coloring is - there is no way I can explain Her coloring, human-wise; it's like porcelain. Our Lady's skin looks just like porcelain, but with light emanating from it. Oh, it's just absolutely beautiful!

Now Our Lady is touching Her first finger to Her lips and pointing upward over Her head.

Oh, over to Our Lady's right, that would be our left, and high in the sky, there's a pinpoint of light, but it's - no, as I'm talking it's becoming wider and fuller and opening up in a circular pattern.

And there - oh, Jesus is coming down now. He's coming through the circle of light above Our Lady's head, another, maybe ten or fifteen feet. And now He's coming down.

Oh, He looks absolutely beautiful. Jesus has on this burgundy cape. And this evening He has the headpiece - a cowl, Our Lady called it, a cowl, C-O-W-L. And it's now blowing about His head, and it's coming down upon His shoulders.

Now Jesus has drifted down, floating. They never walk, They just seem to float, Our Lady and Jesus, in the air. They've always seemed to float about as though They are weightless; yet They look as solid as you and I except for the light. The light is so brilliant that there is no human way I can explain it.

Now Jesus is going over to Our Lady's left side, that would place Our Lady standing on His right side. Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus now is hesitating. He's placed His hand up near His heart. And His robe, too, is also blowing gently in the wind. Though our winds are strong upon earth, it certainly must be very temperate up in Heaven.

Now Jesus is placing His first finger to His lips, which means to listen. And He's looking down now at Our Lady. Our Lady comes to just a little below His shoulder.

Now Our Lady is looking about Her, and She's taking from Her waist Her beautiful Rosary, the Rosary with the golden Our Father and the Hail Marys of white, which as Our Lady turns about now with the crucifix, the deep golden crucifix . . . Our Lady is now making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is turning now - She was turning to Her right, and She's turning now to the center. And They're moving a bit . . . Jesus is floating - He means to be walking, but He doesn't walk. He doesn't have to; He just floats right across the sky. And He's now moving farther over so that Our Lady can get just above Her statue, about - She's about ten to fifteen feet now above Her statue.

Now Our Lady is making the sign of the cross to Her left: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is placing Her finger to Her - to Her lips, which means to listen.

Our Lady - "My child and My children, and especially My child, you, Veronica, have been brought here to the sacred grounds this evening for reason. I did not mean to test you, My child, in such a manner, since you have been a victim soul for the world's sins.

"For those who receive much, much is expected of them. Therefore, My child, do not become depressed nor question any of the motives of Heaven. As you will observe, My child, having more time to rest and to meditate, the world has progressed farther back into darkness.

THE POPE SUFFERS MUCH

"I have wandered throughout the world crying to My children, and My tears fall upon you, for as I have cried for obedience to your Eternal Father in Heaven, and also to Our Pope, Our poor Vicar, who suffers much at the hands of the enemies of your God.

THE NEXT ASSASSINATION ATTEMPT

"You must pray for your bishops, you must pray for all the clergy, and especially you must stand behind your Vicar, Pope John Paul II, because there will be another attempt upon his life. My child, that is why, principally, that I brought you here this evening, so that this message must go out to the world. Already the vermin are gathering to plan the next assassination attempt upon your holy Vicar. You must pray for him, do much penance, make many sacrifices. That is the only gauge you have to save his earthly life."

Veronica - Now the sky - Our Lady is pointing, and the sky is opening up around Her. And I feel like I am being transported to a gathering. There's a very large gathering of people. I don't know - I don't believe it's Rome, because I cannot see any building that is in Italy, that I recognize. No, this is a foreign land. And I see the Holy Father - he's riding in a car, but this car has no protection.

Our Lady - "I have asked, My child, you to get word through the Eternal Father . . . prayer is not enough; you must write now, My child - write and write again, and tell him he must not venture outside of Rome until next year."

Veronica - I see a large gathering of people. And I see a man. He's dressed as a cleric, the clergy. He has in his left hand a knife. It's a long knife - no, it's like a sabre . . . I don't know . . . he's pulling it out of his pants. It seems to be in his pants leg near his belt. And it's very long. And he's pulling it out with his left hand and starting to raise it, and with his right hand he has a revolver, a small gun - not a shotgun, a small gun. And he's screaming, and everything has become silent about him with the screams, "Death to the Pope! Death to the Pope!"

And then people are frozen in shock. They don't jump on him. [Veronica raises her voice in anxiety, pleading for someone in the crowd to act in defense of the Pope]: "Jump on him! Get them! Stop him!"

But now it's becoming black, a somber blackness upon the sky, and I can't see the people anymore.

Our Lady - "Yes, My child, you have now received a most explicit picture of the actions being planned by the enemies of God.

BISHOPS HAVE NOT CONSECRATED RUSSIA TO IMMACULATE HEART

"O My child, I have often asked your bishops and all clergy to consecrate Russia to My Immaculate Heart. And have they done this to date? No, My child, they fear more - I say they fear more the rebuttal from the clergy."

Veronica - Now I see the same man. The sky is opening up and we're back again to the same place. And I see a man jumping forward and grabbing this man dressed as a cleric about his neck. And he turns, and he stabs this poor soul.

Our Lady now is touching Her lips.

Our Lady - "Repeat, My child, after Me:

"Unless you pray for your Vicar, Pope John Paul II, he will be removed from among you. And if this takes place, there will be far worse sacrilege committed in the city of Rome and the parishes throughout the world.

DIRECTIONS FROM ROME CAST SIDE

"Up to this time, My child and My children, you know full well that the wishes and the directives from Rome, from the Eternal Father in Heaven, through Pope John Paul II, they have been cast aside, each and every individual going his own way and making My Son's House a shambles."

Veronica - Now - oh, Our Lady is pointing to Her right, and high up in the sky, the sky is opening up. Oh, I recognize it now - I'm standing in the square in Rome. I can see St. Peter's. But now I see blood - blood running down St. Peter's and into the square there, and it's dividing - it's dividing the Church in half.

Our Lady - "That, My child, is symbolism of what is to be. When Pope John Paul II is removed, the Church shall be divided among itself. United it will stand, divided it will fall.

"My child, many times I have heard you calling to Me in supplication for your leaders of your country, and the leaders of all nations throughout the world. What can We say of them at this time? That very few have received the grace to turn back from their ways that have offended the Eternal Father, and We have now reached the point in history, the end days, and soon the great Chastisement will be set upon your country and every nation that has succumbed to satan.

"My child, there is much to be done before the Warning, and then the great Chastisement. In between this shall come forth the Third World War. You will see carnage, and killings, and blood running in your streets, My children.

"For a nation that has received much, this nation, the United States of America, has become depraved through its medias - the newspapers, the motion pictures, the televisions - all agents of hell and of satan.

"My Son's teachings have been removed from the schools. Only those that call themselves Catholic shall receive if but a glimmer of light of the true Faith.

"There are many nations now that promote the greatest of sacrileges. Through their medias and their permissiveness, they have brought forth satanism - the worship of satan, the adversary, to the debauchery of young children.

"O My child and My children, if I could take you step by step, you would die of fear and of horror if you could look behind the closed doors and see what is happening to your children. Many now are being trained as adults with a knowledge that cannot be absorbed into their young minds. Therefore, they become victims of their elders.

"How long shall this be permitted by the Eternal Father? My children, not very long.

"Veronica, My child, We have been forced to bring you back, though the plan was to have you join the legion of victim souls. However, it is time now to shout from the rooftops: your end is near at hand.

"I have often told you, My child, that only a few will be saved, and this has brought you great despair of heart. Do not despair, My child, the Eternal Father has a plan for all lives. You may continue to pray, for the enemy is at the door.

"O My child, My tears fall upon you all when I see all of the innocent little babies being slaughtered . . . cast into garbage pails like nothing but dirt and scum. They are living human beings! And all murderers shall get their just recompense.

"O My children, how blind you are to think that you will live forever. My Son's clergy must return to the knowledge of the existence of a hell and purgatory.

CLERGY THAT TRY TO TEACH ATHEISM

"Yes, My child, I know of your despair when meeting with clergy that have tried to teach you atheism. O My child, pray for them. Pray and pray more, for all that remains for your world is sacrifice and prayer and penance.

"And the United States of America shall fall to the enemy. They will not be surprised, they cannot be surprised, should this penance be placed upon you all, for they have been warned.

"O My child, how many years in earth's time have I gone about choosing from the world seems to be forth the Message from Heaven. I am tireless, My child, as I know you will be tireless, until the return of My Son.

WORSHIPPERS OF SATAN

"The agents of hell have gathered now. The satanism is accelerating, My child. You must all pray and act upon this knowledge that among you are those who are practicing the worship of satan. They have even become so imbued with the spirit of evilness that they murder in sacrifice another human being."

Veronica - Oh.

Our Lady - "Yes, My child, look upon the scene before you."

Veronica - Oh, I see what looks like a cave. I don't think that this is in the United States. I get the impression it's a cave similar to the ones that I saw - the one I saw when Jesus was being crucified, and they were scourging Him at the pillar in a cave, like built out of a hill.

I see a lot of people gathered there. Now I would say about fifteen, or maybe seventeen, I'm count . . . no, thirteen, there are thirteen people. Now they're all standing in a circle. And in the middle of that circle is a man. He's dressed with horns on his head, like satan, and he has a black cape which is red inside. And he's turning about and he's holding a spear in his hand. It has three prongs on it. And he's dipping these prongs now into a boiling big kettle. I believe it's water boiling, he's heating up. And now he's placing - after putting water, he dips his fork, this big fork, into the water, and then places it on top of the hot coals, and they sizzle. [Veronica gasps.] And now he's going over, and there's a man tied, just like Jesus was, to a post. [Veronica gasps again.] And he's taking this horrible, horrible thing in his hand and he's burning the skin of the man. I can hear his screams; the man is screaming. He's burning the prongs of the pitchfork on the man's back.

Now Our Lady knows that I am getting dreadfully ill. It's a horrible sight. Now - oh! Now one of the - there's a woman there; she - her eyes are glassy, like she's drugged or something - now she's going over to the man and she's taking a - it's a long knife, like a hunting knife, and cutting him in his back. And then - oh, my . . . oh, no! Then there's another woman-they're all dressed in black capes with red on the interior - there's another woman, she's going over, and - oh, no! They - she has - oh, she has a chalice in her hands and she's placing it underneath the drops of blood that are coming out of the gash she's made in the man's back. And they're all laughing, like they're hysterically insane. They're all laughing.

And now the woman is coming over and she's passing - it's a chalice, oh, it's a chalice, but she's passing it among them all and they're drinking the man's blood. Oh!

"Oh, I think I'm going to be sick, Blessed Mother!" [Veronica retches and sighs.] Oh!

[Pause]

Now it's growing very dark, very dark, pitch black, over the scene. I know it's a scene, but I've - I've bare . . .

"Oh, Blessed Mother, this is very, very horrible!"

Our Lady - "Yes, My child, the truth is not pretty a picture, but it is the only way that I can impress upon you, My child and My children, the horrible urgency of protecting your children and your families. Because as I told you before, when you go without your doors, your children then will go out into a world that has been taken over by satan.

"My child, do not be horrified at what you see. You must understand also that the Eternal Father will have the final say in all of this horrible carnage."

Veronica - Now Our Lady is turning . . . it's - oh, the scene is completely vanished. [Veronica in a very relieved tone of voice]:

"Thank God! Oh!"

Now Our Lady is turning to Her right and She's making the sign of the cross with Her Rosary: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is still standing above the statue. He's come down closer now. I'd say He's no more than six feet away from the statue now.

Oh, He looks so, absolutely so beautiful. But His cowl now is down - you know, His covering on His head is down. And the wind is catching His skirts.

Jesus has nothing on His feet; His feet are bare. But He has on a beige - a beige gown, and, of course, His burgundy cloak about Him. And it's quite windy up there, too.

Now Jesus is looking about Him, and He's placing out His hands, like this, Jesus, and there are all lights coming out of His hands. The lights are coming out of His hands and shining all down on the people. Now as He turns, the lights go with Him. They absolutely - they, they, they seem to just emanate from His fingers. There's no way to explain it. The light is beautiful. It's a pure white, glass-like light, and it's now coming down upon the people. And He's turning slowly, and it's making an arc above our heads and going back.

And Our Lady now is raising, also, Her crucifix in blessing. And Jesus now is turning completely to His right, and His hands are extended out, and these long streams of light are coming down upon the people. Now Jesus is taking His hands back, and the lights are slowly vanishing. They're very slowly, though, they're like evaporating right in the air.

Now Our Lady is, is nodding Her head. And I do notice, for the first time, that Our Lady has on the Fatima crown, the beautiful large circular type of crown that I've - I've always called it the Fatima crown.

Now Our Lady is touching Her lips, and She says:

Our Lady - "My child, it will be difficult, but you must take five photographs this evening. It will enlighten My children upon what I have showed you this evening. You must take five photographs, and I will converse with you after you do this, My child."

Veronica - You see the light, the light up in the trees there? Jesus is standing, still standing there, and some of the light has remained from His fingers onto the trees. If you look right directly over Our Lady's statue, there are lights coming down. And I do believe that Our Lady said these lights had been placed on pictures this evening.

[Pause]

All about the trees there's a beautiful pink light. If you study the trees closely, you can see that they - the light appears to be coming from the trees. But actually, it's a supernatural manifestation by Jesus to alert me and all those who can hear and read the message, that this is one sign that Jesus is calling. We call them the call lights, like the blue little balls in the sky, or the pink

lights cascading, and also those that are in a straight line to the trees. But this is a pink that's like a vapor, and it's all coming out from around the distance of the sky over the statue.

Now Jesus is coming forward, and Our Lady is right behind Him. They seem to have been just standing - I didn't take note of it before, but They seem to have been standing over by our right side, in the highest - near the highest limb of the tree.

Now Jesus is floating back over. He just is weightless. It's so beautiful to watch Jesus and Our Lady cross the sky. They're standing above the statue now, and both - They're looking about Them. And I can see that Jesus is smiling. He's very close now over the statue - I'd say no more than about seven feet directly above the statue.

Now Jesus is touching His lips with His first finger, which means that I must listen.

Jesus - "My child and My children, I shall not try at this time to enlarge upon My Mother's message to you all. I just want to add this fact, that there is little that I can say at this time but for you to all do penance, make reparation to the Eternal Father for the sins that man has committed that will condemn him eventually to death, an eternal life in the kingdom of the damned, hell.

RESTORE THE BIBLE TO ITS NATURAL BEING

"My child and My children, you must impress this upon the clergy in a kind and charitable manner: you will tell them that they must restore the good Book to its natural - to its natural being, which has given way to modernism and humanism. By this I mean, My child and My children, that the knowledge of hell and purgatory has been removed from among you. The children are growing up in a world that has been given to satan, and there is not much that you can do at this time other than pray, do penance, and guard your homes well. You will protect your children by indoctrinating them into the legion of good, purified souls who follow Jesus, My Jesus, with this prayer: 'My Jesus, my confidence!'

"You will always remember, My child and My children, that when the struggle to remain on the narrow path has 'taken all out of you,' as you say, you must remember that eventually you will all be held accountable for your soul. There is not one person who can follow you at the same time over the veil and stand up for you when you are being judged. For every man, woman, and child of conscionable age will be their own master towards their soul. In other words, My children, you must have your God-given conscience forward and placed before you always.

"Do not stifle this knowledge of your God by involving yourselves in all the pleasures of the materialistic world. You will have to return to the knowledge of the supernatural or you will fall. Your country and all the nations of the world shall undergo great test. By this, My children, you will understand in due time, because there will be earthquakes in diverse places that have never known earthquakes before. There will be floods and a great heat. Many shall die in the great flame of the Ball of Redemption.

JESUS TO RETURN WHEN HOURGLASS EMPTY

"My Mother has traveled throughout your earth constantly trying to remind you that time is growing short. The hourglass is almost empty, My children, and I know that you will know what this means. For when that glass is empty, it will be time for My return.

"My child and My children, you will continue to give out the Message throughout the world.

"My Mother will always be with you, and I will be with you. Even when your trials become so profuse that you feel that you cannot survive another day in your life - that you will accept as your penance.

"I could tell you the story of the true knowledge of suffering, but now, My child and My children, I ask that you pray; and another day I will come unto you with a far greater message than My Mother gave to you this evening. For there is now before you a time of trial and penance.

"We bless you all, My children: In the name of the Father, and of the Son, and of the Holy Ghost.

"Continue now with your prayers of reparation; they are sorely needed in your world today."

March 26, 1983

Eve of Palm Sunday

Veronica - I was startled to see the lights, the blue lights, coming out from among the trees. And there are two - you could explain them as being like ball in shape; it is very difficult - round. And these lights - in human language I would find it very difficult to explain to you the beauty of them and where they came from. Well, strictly from Heaven because it is a miracle in itself to see these lights - which have been caught on camera, too - coming from the sky and branching outward. Now that is the usual call mark for us to know that Jesus and Our Lady are approaching.

And now just above Our Lady's statue, about fifteen feet, there are these - a round circular light is opening up within the cloudless night we have here. But - oh, Our Lady now is coming. For a while it was just like looking at a pinpoint. She looked very tiny in the sky, but She's hurrying forward quite fast now. Our Lady now - that's why She's called Our Lady of the Light, because the light in a - just like framing Our Lady in a circle, is - seems to be following Her as She's moving forward. Our Lady is about sixteen feet, I would say sixteen feet above Her statue.

Now also the trees all about us, the tips of them are now coming out with a most beautiful pink. But these pink . . . are not lights. There are actually cascading lines, like beams of light, coming from above Our Lady because now Jesus is coming in very fast compared to Our Lady's slow movement down, up on the base of Her statue there.

Our Lady is looking about Her. Oh, She's dressed - She has on the most beautiful gown. It's white, so brilliant. If you look at your sugar, your normal sugar bowls, you see the white - that's the only place I have found the color that describes Our Lady's gown and Her mantle. Our Lady's mantle is being caught in the wind very slightly, but it must be a little windy up there. Our Lady's mantle has a golden border of about - oh, I would say about an inch and a half that goes all around the mantle and cascades down to Our Lady's feet. The gold looks like a real metallic gold. It doesn't look like a thread; it looks like actually spun gold.

Now Our Lady is taking Her Rosary, which has been attached to Her belting - the belting is blue. And Our Lady is taking out Her Rosary, and She's going to make the sign of the cross. She's extending it forward, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is moving over. She had floated, She's not walking. Jesus and Our Lady both float. It's a most wonderful thing to see, because I always think that that must be what Heaven has in store for us if we deserve it. If we really make acts of reparation and do penance as Heaven has asked, we'll all, I would imagine, float - you know, float about like that, joining Our Lady and Jesus, even if it's just in Heaven. But some place between Heaven and earth, many times to other seers, I know that they have seen Them, and some of their beautifully departed souls of friends and their relatives.

Now Our Lady is moving over to Her statue and looking to Her left, that would be our right side, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is kissing Her crucifix. It's a beautiful golden crucifix. And She - Our Lady is now holding the Rosary in Her hands, like this: they're just going down through Her fingers, the beads. And Our Lady is putting on a very mournful look on Her face. It really is sad to see Our Lady feeling that bad. Now She's touching Her finger to Her lips.

Our Lady - "My child and My children, I have given you many warnings of the presence of satan upon your earth. Already he seeks to infiltrate upon the Mission from Heaven. You must pray more and not be divided by minor casual offenses, or differences of opinions, or even outright judgment - wrong judgment. I would advise you, My child, to pray on the matter that has disturbed you this week. You will understand what I am talking about. There will be no decisions made at this time."

Veronica - Now Jesus is coming down, and He's standing at Our Lady's left side. Our Lady's now by His right side, and Our Lady is looking up. And Jesus now is looking all about Him. He has on His burgundy cape, and it's down from His back - I can see Jesus' hair. And the cape is extending down to His footsteps, down to His feet.

Now Jesus is now taking His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus also is turning to His left, our right side, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's moved over. He's floated over a bit to the uppermost branch on our right side of the trees. And now He's turning and going back to standing next to Our Lady - oh, about - now They're about - I can't judge the distance through the sky, but I would say They're standing about sixteen feet above Our Lady's statue.

Now Jesus is taking His first finger and placing it to His mouth; that means to listen and repeat.

Jesus - "My child, I will not continue the discourse at this time over the matter of obedience, charity, and other virtues that have dimmed the working force within the circle. You must pray more. And do not allow yourselves to falter in bringing out the Message to the world because of slight differences of opinion and others that send you like rabbits scurrying here and there, and bringing nothing back.

"My child and My children, as I told you in My last visit among you, there was a very crucial message to be given to the world. My child, Veronica, We brought you here this evening for the facts that must be given to mankind. Perhaps in this manner, many more will seek to hold off this terrible minor chastisement that is coming fast upon you."

Veronica - Now Jesus is pointing His hand up to the sky, like that, and He's now telling me to listen. He has placed His first finger over His mouth, like this, to His lips, and that means to listen and repeat well what you see.

Jesus - "You will listen, My child, but you will also describe what you see now."

Veronica - The sky is opening up, and I seem to be looking at a body of water. I'm standing over on a hill and looking out, and to my shock, I see something coming out of the water. Oh, it's a submarine! It's a submarine! Now as I said that, it seemed to dive down very fast into the sea.

Now Jesus is pointing over, and I'm looking at the skyline of New York as you're coming in from Long Island. I'm looking at the skyline, and there just in front of me is that submarine. Now it's diving, and it's going about - I don't know, it's - I don't know where it's heading, but it's very deep. But I noticed the submarine is off the New York skyline, the New York side of the United States.

Now Jesus is going like this, and the scene is fading away; it's disintegrating just like it was made of smoke. And the sky has returned to its closed state of darkness.

And Jesus is now telling me to look down. I'm looking down, and it appears to be a subway station, but there's no one. I know, I recognize tracks going into a tunnel. There's no one about in this tunnel. I seem to feel that it has been discarded as a major network for the trains. Now Our Lady and Jesus now are standing at my side. I'm standing with Them on the platform. And Jesus says:

Jesus - "Look, My child, what is coming in."

WARHEAD IN SUBWAY STATION

Veronica - And there on the tracks - it's made of wheels - there's a carting, some type of a carting - train-like board. And on this - I know, I know it's a bomb, a very large bomb, and it has a point, like a V-shape upside down, pointed type of nozzle, or whatever you'd call it. I don't know the mechanics of bombs or anything, but I know it's a bomb.

And then Jesus touched His lips. He said: "Warhead! A warhead!"

It's an underground tunnel that's not being used for transporting the passengers at this time. It's been abandoned. But it has made, said Jesus, an ideal parking place for a major destructive force that man has created - a missile.

Our Lady - "My child and My children, there is one fact that must be brought forward to all mankind. I know that many have tried to make up for the void that the bishops of your country and the world have created when they will not go about and consecrate the major offender in this world now, Russia - will not consecrate Russia to the - both the Immaculate Hearts. My Son and I, We wish to save you from this destruction. And there is only one way that you can: that's through penance and prayer. Your future, which is coming to a point of what you call the end of an era, your future is upon you.

"The United States of America shall not escape this time the punishments and the desolation of the nation that has gone now throughout the world, with Russia as the main force for this evil.

MAJOR INVASION OF U.S. AND CANADA

"Man was created to live peacefully. Man was created to know his God, and in this manner to have a world that is not a paradise, but one in which man could live in peace and security. But now all of the leaders of the world run about and they say it is peace, it is security. Their words are like two prongs from the mouth: they say those words, but then they turn their backs and they are busy getting ready for a major invasion of the United States and Canada.

"Yes, My child, all who read and listen to the Message must know that there is a plan now for Russia, a plan against the United States and Canada. Your nation and Canada are surrounded!"

CUBA - ONE OFFENDER

Veronica - Oh, oh. Now Jesus is pointing over towards Cuba. I see a whole map of the United States, and Jesus is pointing to Cuba.

Jesus - "One offender . . ."

Veronica - He says,

Jesus - ". . . One offender among many, stockpiling all manner of destruction for another, their brothers and their sisters.

"This is permitted, My child and My children, for one reason: Wars are a punishment for man's sins.

"Many warnings have been given to mankind, minor chastisements, and they go about like their ears are deafened, their eyes are blind, and they cannot see what is fast coming upon them.

PACIFYING THE ENEMY

"You must pray for all of the heads of states. You must pray for the teachers who have been fast defiling the innocence of young children.

"This aura of modernism, pacifism, pacifying the enemy - for what? The enemy has come into your country, the United States, while you were asleep. They do not seek to take over by human methods of men. They have taken over by coming through the back door while your leaders were asleep, or their spirits had flown and they were ripe for the infiltration of satan.

"My child, the last time We spoke to you, We told you that there was a far greater message to be given to mankind. This is the message: **THAT RUSSIA PLANS TO INVADE THE UNITED STATES WITH MISSILES!**

"There is much that you don't know, My poor children, or perhaps some think it best that you don't know what is happening within your governments. Many of the newspapers and other means of relaying this to you have been silenced.

"But I, as your Mother, beg intercession through Jesus to the Eternal Father and the Holy Ghost to spare you these terrible punishments. If there is a need for more victim souls, let them be satisfied to know that they have been warned.

"My child, I know this has been a complete shock to you, but this message must go throughout the world. Awaken those who sleep before it is too late.

"My child, you will take now three photographs. But not one word must be said of these photographs. You may look at them, but speak not of their content."

[Pause]

BLACKENED BODIES

Veronica - I see a road. The road looks very familiar. It's - oh, it's Long Island. And I see everyone running. I feel like I'm on the road with them, too, running. And I'm saying to a woman who passes, "What's the matter? What's the matter?" And she says, "Warheads! Warheads! Look!" And I looked back as I was running with her to see what she was looking at, and - oh, my God! I never saw blackened bodies before. [Veronica gasps and speaks haltingly.] It, it - the skin is just - I can't even tell if they're girls or men or anything; the skin's been blackened, and there's a great part of this body . . . has melted from the heat.

Our Lady-"Terror shall grip the nation. I have tried to warn you, My children, that the United States is as like the eagle plucked bare by its enemies, plucked bare by misrepresentation, plucked bare by sin. Your country is very sick, My children.

"You ask Me, My child, why this cannot be stopped? You must now trust in My Son, Jesus. And when you become affrighted, you will say: My Jesus, my confidence!

"Yes, My child, no war has ever made a pretty picture.

"We do not stress anything that could be called political, My child and My children. By no means is this as it is meant to be. By no means! I wish to alert you all to what is coming upon you. And when it happens you will know that too few cared; too few failed to learn a lesson from their past; too few do not give offerings of atonement to the Eternal Father.

"There is a balance now being held above you. It falls - the balance falls heavily to the left. But when that is evened out, you will know and understand this message.

"My child, continue now with your prayers of atonement. I have much to discourse with you, but that will be later.

"You will take now three photographs and read them well, but do not speak outwardly about them."

[Pause]

Veronica - All about the trees there is a deep, hazy but beautiful pink glow. Now directly up above Our Lady's statue, Jesus is coming forward. He's by Himself now; I don't know where Our Blessed Mother went to. But Jesus is coming forward, and He's standing about - oh, sixteen feet above Our Lady's statue. He has a very - it's not a serene look, but a very hurt and serious look on His countenance, as Our Lady would say, on His countenance.

Now Jesus is looking about. And He's come now quite a distance down over Our Lady's statue, and He's touching the first finger to His lips.

Jesus - "My child and My children, I realize that this has been a great shock to you all to know what is happening and what is fast coming upon you. If We could We would spare you in this emotional crisis and suffering when you hear this message. However, it is a fact that you cannot remain in the darkness and not knowing the seriousness of Our messages to you. If you had accepted the Message from Heaven as given from My Mother to many other seers in the world, you would not have reached this point in the history of your country.

"Yes, My child and My children, the world now is being prepared by the Bear and will face a crucible of suffering. As My Mother has told you before, I will repeat again: There will be minor chastisements, and then will come the great Warning and the greatest of chastisement, a Chastisement such as has never been seen before in your nation or the nations of the world and We pray will never then be seen again. However, only a few will be left.

"You, My child, will continue to see that the message goes out to all mankind. I ask you to put aside all your differences among you, for to unite is to stand, to divide is to fall. Therefore, you will have to not widen the wedge but close it up. You may ponder upon that, My child, and I am certain that you will understand as I speak to you what you are to do. You will make your own judgment of which is most important: to pull through one soul who does not have the grace at this time to come in on his own, or to cast aside and start chasing like rabbits, as My Mother said to you, things that are immaterial and unnecessary within the circle of light.

"My child and My children, there will be a great Chastisement, but this will coincide with the arrival of the Ball of Redemption and the Third World War.

RUSSIA TO USE MANPOWER OF CHINA

"Russia will also utilize the manpower of China as they make their thrust forward.

"I realize, My child, that this message has a great emotional impact upon you. Do not be afeared.

"666 - the days of suffering - are at hand: 6 is for the six who are coming; 6 is for the six days of suffering; and 6 is for those who will be sent back to hell - 666, the major forces from hell led by satan.

"My child, you will take one more set of photographs, and this will put in print for you an additional bit of knowledge which cannot be given publicly at this time. Guard it well, My child, and do not succumb to your nature of never revealing a secret, which is soon revealed. You must be very careful, for you do not understand the danger about you now that you have received this message.

"Pray, My child and My children, often. Pray for those who do not have the light, and they also will receive the light because of the graces that you have gathered for them."

Veronica - Jesus is now extending His hand, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, and all of those known as Marian workers throughout the world. It will be through My Mother's intercession for you all that only a few will die. And only a few will be saved. But then, My child and My children, will you know and have the answer for all mankind."

Veronica - I see now the sky is becoming quite lighted. On our right side, there's a huge ball. It looks like the type of a ball that has printing on it, something that you'd use in school. [Veronica chuckles.] But no, Our Lady said it's a whimsical ball; however, the story it tells is not to make you glad but sad, My child.

There is a crucifix, a cross - no, not a crucifix, a cross above the ball. And now I see flames shooting out from under the ball. Oh, flames are shooting higher and higher. It looks like a world on fire. I can hear people running. They're screaming. Something terrible has happened. The world will be aflame.

Jesus - "Continue now, My child and My children, with your prayers of atonement. They are sorely needed."

May 21, 1983

Eve of Pentecost Sunday

Veronica - All about the trees there are beautiful - I feel like calling them prisms, prisms - like the teardrops you find on lamps. And the - it actually looks like there's cascading tears, like teardrops. As the area above Our Lady's statue is opening up, there are lights now coming from within the circle of light high over Our Lady's head. I believe it would be about sixteen feet. Oh, Our Lady is coming down now. I hadn't noticed, I was concentrating on the prisms of light, but Our Lady is coming down now. She's floating forward. She doesn't walk, but She floats. Oh, She's so beautiful!

Our Lady is standing on a ball now. That's what that big circular light - in the light I could barely see . . . look through it as the light kept cascading down to the grounds here. Now Our Lady is standing on a very large ball. I would say it's the world, in the shape of the world here.

And Our Lady has a long white mantle, and the gold trimming on it - there's a border about the mantle, of gold, about - I would say about three-quarters of an inch on the outer part of the mantle.

Now Our Lady has also a beautiful beige gown. I say "gown" because it's very full. And Our Lady has it belted about Her waist with a - quite a large blue sash.

Our Lady has Her Rosary, not pinned - I know it's rolled over, as Our Lady has taught me to do, about Her waist, and She's taking out Her Rosary now, the beautiful Rosary that's so tremendously big compared to an earthen Rosary that we use. It has the gold Our Father bead and also the beautiful white Hail Mary beads that . . . as Our Lady is turning now and raising the crucifix, the golden crucifix in Her right hand, She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is looking about Her. The ball isn't moving any longer. Our Lady is standing about sixteen feet above Her statue. Now Our Lady is looking about Her, and She's pointing up to the sky, with Her crucifix still held tightly in Her hands.

And over on Our Lady's left - right side, our left side - I see a very dark cross forming; it's very somber-looking. In fact, it's quite frightening, and I feel that I'm going to get goose pimples up and down my back. It's really frightening. There's something death-like about this black cross. Now it's beginning to fade away just like it was dust. It's fading away, the cross.

And Our Lady is now motioning. She's placing Her first finger to Her lips, like this. And Our Lady now is kissing the golden crucifix. And She's placing the Rosary into Her left hand, like this, and directing me to listen, because She is pointing now Her first finger to Her lips.

Our Lady - "O My child and My children, how sad and filled with grief is all Heaven because of what is fast coming upon mankind. In the will of the Eternal Father He has allowed man free rein on their destiny. It is only in this manner, My children and My child, that the world can be cleansed and your redemption finished.

"There are many enemies of God and those who have infiltrated into the papacy with one purpose: to set forth a plan to eliminate Our dear Vicar, Pope John Paul II. As I told you before, My children, in My discourse with you, you must pray for your Holy Father or he will be removed from among you, and then there would be more chaos in Rome.

"Yes, My child, I know of your news broadcast. I know also that this is a warning that must be noticed by your Vicar.

DEATH BY DRINKING FROM A GLASS

"We will go back, My child, in history, a short history, and remember well what had happened in Rome to John, Pope John, whose reign lasted thirty-three days. O My child, it is history now, but it is placed in the book that lists the disasters to mankind. He received the horror and martyrdom by drinking from a glass. It was a champagne glass given to him by a now deceased member of the clergy and the secretariat of the state.

"My child and My children, these messages must be strong because they are in truth. And one cannot turn his or her back upon the truth, or they will be led into more gross errors.

"Man has become a depraved creature living not by his knowledge of his Creator, his God, but living through the pleasures of the flesh, neither caring nor wanting to know and understand what is happening at this time to all mankind.

"My child and My children, I beg you, as your Mother and as a beacon of light to all, to pray and make atonement to the Eternal Father, or you will be chastised much more heavily, My child and children.

"As I said before in countless visits to your earth that there is a plan in Heaven for each and every life. However, man has a free will and can turn back away from the truth, becoming blinded to the truth, for man has made life most complicated.

"All Heaven is joining in a major force to try to avoid in your generation the terrible floods, the great heat, and the plague. Yes, My child and My children, the crops will rot; babies shall cry, as there will be no food to feed the hungry mouths.

THE ELEMENTS COMING DOWN IN FURY

"Disaster is coming upon mankind far greater than what has been experienced in this past year. As you will recognize, the scientists and men of knowledge all comment on this past year being a frightful one. The elements seemed to get loosened and come down in fury upon mankind. Remember, My children and My child, I have always told you that satan can control the elements.

"Man, if he falls, he falls of his own accord, because he could not give up his riches, his life of pleasure, and seek for a far simpler way to Heaven that can be found in a spiritual childhood and a spiritual adulthood. Man in his seeking for knowledge is ever seeking but never coming to the truth.

POPE MUST LISTEN OR DIE

"My child, letters have been sent to your Vicar; and Our child - though he be a Pope, he is Our child also, and he must listen and act upon the message given to him or he will die.

U.S. SURROUNDED WITH SUBMARINES

"Many warnings are being given to mankind and these will increase in nature. Horrible life-taking forces of nature shall be allowed to come upon you. All this is to take place while the enemy of God and your nation is surrounding you with submarines and planning a missile attack.

"Yes, My child, now you can understand why it was most important that you come to this Vigil of prayer this evening. We allot you the time to complete this week's work, My child, because after this week there will be much need for more prayer, more sacrifices, and more penance to make atonement to your God, the Eternal Father in Heaven, for the blasphemies and the atheistic meanderings of Our children.

"My child, My Son will be here shortly, and He must speak to you. It is very urgent that you keep your attention here.

"You will take now, My child, three photographs. Much shall be given in them. You are free to distribute this knowledge."

[Pause]

Veronica - All about the trees there is a beautiful pink glow coming from within the trees, surrounding above Our Lady's statue and surrounding the whole circle of light here on the grounds. Now directly over Our Lady's statue, high in the sky, much more than the fifteen feet when Our Lady came, I can see Jesus coming through this opening in the sky. It's beautiful.

We're having rain here this evening, but it's stopped raining now, and the sky is opening up, just all - like every bit of darkness being blown aside. And in a circular formation there's a tremendous beautiful blue sky with stars above us.

And Jesus is coming forward; He's floating. He also floats like Our Lady does because there's no need for Him to walk. He absolutely has control of the elements up there - and . . . just coming down. And nothing is impossible to God, so we can expect Our Lady and Jesus to do many things that are astounding to mankind.

Now Jesus is looking about Him. It's a little windy up there. He has on His burgundy cape. The cape looks like it may be velvet. It's a beautiful soft color, almost a plum color, but burgundy. I can't explain the colors.

Now Jesus has a pair of sandals on His feet. They're just made up like thongs almost, that we have here on earth. I would say thongs, but His is more of a slipper. And Jesus has a beige gown on. It's very long. In fact, it would cover - if it wasn't for the wind, it would cover His feet completely. And there is about His waist a belting. The belting is made of a skin-like material, sort of a light tan. But I - while observing it, Jesus has come down quite a bit closer over Our Lady's statue.

And oh - and Our Lady now is coming from behind Him, coming right out, emerging from the statue. I didn't see Her before now. I guess it's because the sky is so aglow with beautiful lights that it's almost impossible to humanly explain this description so that it would be easier to understand. It's supernatural, and that would make it sometimes very difficult to understand.

But Jesus and Our Lady now are standing together. Our Lady is at Jesus' right side. And as I said before, Our Lady looks very fragile, and She comes up to about a little below Jesus' shoulder. Now Jesus - I would say He's at least six feet tall because Our Lady just comes to His shoulder.

Now Our Lady, I noticed, has on now the Fatima crown, the round one that has a ball-like formation, which we referred to as the Fatima crown. And Our Lady is standing like this, with Her hands in prayer and the Rosary wrapped around Her hands. Now Our Lady is sad, and I do see actually tears coming down from Her eyes. She's so sad. [In a child-like, compassionate manner, Veronica says:] "Well, Blessed Mother, I'm sorry You have to suffer so much."

Now Our Lady is looking up at Jesus, and He's nodding His head to Her. I can't hear the conversation that They're holding. But Jesus now is placing His first finger to His lips. That means to listen and repeat.

Jesus - "My child, you will repeat all that I say to you as clearly and perfectly as you can.

"It is urgent that mankind now take stock of what he is pursuing. I say unto you as your God, that your pursuits are making you run in circles while everyone is crying peace, peace, peace and happiness. Where is the peace? There certainly is no evidence of this upon your earth at this time.

"O My child and My children, how many disasters must come upon your country and the countries of the world before the peoples will become awakened to the reality of a very angry God?

"Yes, My child, I know at one time that you did meet up with one of Our priests who tried to disclaim the evidence about you of sin, and mankind's sinning and abandoning himself to all the pleasures of the world, leading to all measures of degraded life.

"My child and My children, I say unto you again, that man must make a complete reversal from his present way of life. While the body lives, the soul is dying within. That, My child and My children, explicitly explains to you the condition of mankind in this generation, which cries out to Heaven for the stopping of this generation, the cleansing. Is this what you want? Have you no fear of your God? If you cannot express a love to your God, better that you at least know fear and that many of you will be taken from this earth in the next year. Are you ready to go? Have you forgotten the reality of the places you can go to when you leave your body?

"There is a Heaven - yes, you know that. But there is also a hell and a purgatory. And at this moment, this very moment throughout your world, there are many souls that are being taken now into hell, the abode of the damned, forever lost.

"O My children, I have asked you to pray for your pastors, pray for Our priests. Pray for your bishops, and especially for the life of your Vicar, Pope John Paul II.

"Yes, My child, it is not the first time that murder has been and will be committed around the city of Rome in Italy.

PRAYER CAN SAVE POPE

"I can only assure you, My child and My children, that prayers can move mountains, and, therefore, prayer can stay the execution of your Vicar. Pray a constant vigil of prayer. Keep these prayers going as link to link, bead to bead, throughout the world for your Vicar.

"I shall not at this time tire you, My child, by repeating part of the message of February 1971. Now that message was addressed to all the priests of the earth about their pride and their arrogance in these times when all men and clergy are being tested.

"Pride is a sin, and a more formidable barrier against sanctity and holiness. And that title, My children and My child, has been accepted by many of your bishops, not just in the United States, not just in Canada, but throughout the whole world.

"Man will fall from pride and arrogance, and fall into the clutches of satan. Is this what you want? Please, My children, have pity on your brothers and pray for them.

"All Heaven is alerted to the days ahead. 666 is among you in full force, so you must wear your sacramentals and protect your children from the forces of evil when they leave your homes. You must teach them at home the truth of your Bible and the prayers that are being lost to mankind.

"Graces shall be given in abundance if you ask for them. Have a true heart, a pure heart, My children, and trust - just trust even the littlest bit if you cannot accept the truth, but trust in the Immaculate Heart of My Mother and My sorrowing Heart for you all.

"Continue now with your prayers of atonement.

"My child, I would advise you to be sure that you have locked the doors at your home because the enemy is about you. Do not be afear'd, My child. I did not wish to give you a message that was frightful, but I can impress you in this manner enough to protect your life, My child."

Veronica - Now Jesus is putting His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady and Jesus are floating upward. And Jesus is now placing His hand out again, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children, through the Eternal Father and the Spirit of life. Continue now with your prayers of atonement."

May 28, 1983

In honor of the Queenship of Mary and Eve of the Most Holy Trinity

Veronica - All about the trees there are cascading shafts of light, beautiful pale, pale blue lights coming from the edge of the trees over Our Lady's statue. The area all about the trees is now become quite lighted up because it's, it's going centrally to the area above Our Lady's statue. But it's so beautiful. And these rays now are coming out of Our Lady's hands as She places them in front of Her, like this.

Our Lady has come down suddenly, and I do sense - have a sense of urgency because of the way Our Lady is descending so fast. I could see Her . . . while I made the description of the trees, Our Lady was slowly coming forward, and I could not cast my eyes further upward in order to see Our Lady. The lights were so brilliant and beautiful that my full attention was on the lights. But Our Lady now has come down. As I told you before, She doesn't walk like we do; She has a beautiful way of floating, though Her gown now is, is blowing about Her feet. It's very long, Her gown.

Our Lady's gown is a pure, pure white, and Her mantle is also white but with a border of approximately one and a half inches about the mantle. Our Lady is wearing very delicate-looking golden sandals. They consist of one part of the material across Her instep and a more shoe-like affair at the tip of Her feet. But each sandal has a rosette, a small rose centrally located right on the instep of Our Lady's shoes. They're really more of a shoe-like - I can't explain it - but I believe the first explanation was better, that it's a sandal, because the only closed part of the shoe is at Our Lady's toes. So you can see the - you concentrate more on the goldness of the band about Our Lady's leg, because I never saw the rose placed at that level.

Now Our Lady is taking Her Rosary from about Her sash. She had it tied to Her sash, and - the beautiful Rosary with the golden Our Fathers and the translucent Hail Marys that are white, but as we pray upon them they turn, Our Lady had said, they turn, and all colors of the rainbow come from the beads themselves.

Now Our Lady is floating upward a bit to move out of the range of the trees so that all can see Her if They are willing to - if Heaven permits it. Anyone who is given the grace to see Our Lady will certainly be surprised to see how human She looks this evening. I can fully see Our Lady's face now. She's just as She was on earth. And She says now, Our Lady is saying:

Our Lady - "Just a little more tired, My child. Just a little more tired."

Veronica - Now Our Lady is taking the crucifix, the beautiful golden crucifix, and She's going - moving over, floating over to our left side, which is Her right side, and Our Lady is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is looking about Her. It's a little windy up there because Our Lady is trying to control Her mantle, as it went a little bit askew, as Our Lady would say, from the wind this evening. Now Our Lady is floating back over Her statue and extending the beautiful crucifix again and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is still looking about Her. She looks sad this evening, very sad, and I can see a tricklet of a tear coming down Her face. It's very sad. But Our Lady is nodding yes, affirming that it's true, She is sad. But Our Lady now is turning to Her left, our right, and She's moving slowly, floating up to the top of the second tree from the right. Our Lady is standing just above the branches, and She's looking down now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is cutting across the sky - She's floating, and returning back to Her place above Her statue. Now Our Lady is looking all about Her. And now She's placing the Rosary about Her waist with Her blue sash. And now She's placing Her hands up, like this, and taking the Rosary back from the sash into Her hands, like this. Now Our Lady is placing the first finger of Her right hand to Her lips, which means to listen well and repeat.

Our Lady - "My child and My children, the urgency for prayer and reparation needs immediate fruits, good fruits that will have seeds that can go throughout the world to promote peace.

"O My children, I have often cautioned you about the sins that you commit willingly or unwillingly, which is for the Father to judge. However, man is fast going to his own devastating future now. Man has become so corrupt and so evil. This evil extends not among many, but the source of the evil has been placed, the responsibility for this evil has been placed upon the shoulders of your government, both federal and immediate governing bodies.

SYRIA HOLDS KEY TO PEACE

"Wars are a punishment for man's sins. Syria holds the key to peace at this time. However, I place in front of you, My children, a graphic picture for you to understand. It will be a parable for some, and some will turn away not willing to hear what Heaven has to say in these desperate times."

Veronica - Our Lady is pointing up with Her finger, like this, to Her right side, and high above Her the sky is opening up - all the clouds are floating away and the sky is opening up, and I see a map of the Mideast. And then Our Lady is pointing up farther and that's another map of China and Russia. Our Lady is turning back now; She was looking upward also.

Our Lady - "My child and My children, there are scoffers who will say there shall not be a Third World War. They do not know and cannot conceive of the plan of the Eternal Father. Be it known now that the Father has great heart for all His children, but when the sin reaches a peak only known to the Father, the amount of sin among mankind, then the Father will take action. He will allow you to go upon your reprobate way until there will be few souls to save upon earth, for the others will have died in battle and also at the hands of a corrupt generation of the young.

DEATH AT HANDS OF YOUNG

"Fathers will be attacked by their sons; mothers shall find death at the hands of their children. This has been told to you many years ago, but too few listen until the evil comes into their homes. Then it is too late. Protect your children from the evil that is fast accelerating throughout the world. Your country, the United States of America, and Canada shall not be free from invasion. That is why you must pray a constant vigil of prayer going throughout the whole world, and you must turn back from your sin or you will die!

"My child and My children, I wish in My heart that I could bring to you a more bright and cheerful message, but that would not be true, for there is at this time too many souls falling into hell - souls that listened, but somehow turned back onto the wide road, the road to perdition.

OUR LADY WEEPS FOR HIERARCHY

"O My children, speak to your pastors, speak to the bishops, the hierarchy, and let them know that their Mother is weeping for them. They do not know what they are doing, or they do not care of the consequences because they have lost their faith and no longer have they received graces to keep them from the abyss. I repeat again: man shall be left to himself, because the Spirit will not remain within him if he becomes a purveyor of such evil and sin as the corruption of the children. Pornography and other - all vile natures of mankind - this hits, My children, to the very core of children on earth, their being. We place upon the parents a far greater measure and responsibility toward their children than We can place on the schools or the government. No, parents must now guard their children or they will weep when it is too late.

YOUR SONS BEING SENT TO MIDEAST

"Wars are a punishment for man's sins. Already your sons are being sent to be there with the invasion in the Mideast. Is this what you want, My children? Can you not give your prayers and acts of reparation for those who have no one to pray for them? They are all Our sheep, and We wish that they would be gathered into a holy land. The word 'holy' strikes a chord of misery, My child; I have no way to explain but to tell you, misery.

"Yes, My child, you have never seen but on the screen of your box, war. You have never felt the loss of one in war, though, My child, forgive Me if I brought a bit of sadness to your heart. Your son was removed for his own salvation. Other parents will have to face a similar occurrence in their homes. But should they have the knowledge and the truth in the supernatural they will understand that Heaven has chosen them to leave this vale of tears and return to Heaven from whence they first came.

THERE WILL BE A THIRD WORLD WAR

"My child, you will see that the message goes throughout the world. Do not be slowed down in your endeavors by scoffers, those who say there will not be a Third World War. Are they God? Oh no, they will know what it is to see blackened bodies along the roadside, their children, stomachs distended with starvation. 'This cannot happen here in the United States,' I hear voices saying. O My children, it will! Your crops will rot. Your children will be barred from their own homes because they have become a source of murder.

"Please, My children, listen to your Mother. It is urgent that you pray and protect your children. You must see that they wear the brown Scapular, and also any medals that will keep satan from their door.

GIVE OUT ST. BENEDICT MEDAL

"My child, you will continue to give out the medals of Saint Benedict. Yes, My child, I know you are doing this, but we must accelerate also the dispersal of the medals.

"I tell you now, My child, because the road has been filled with thorns, that Heaven, all Heaven is greatly of heart for you and those who came with you from Heaven's direction to build up an apostleship that shall be forever written in the annals of the Church. This surprises you, My child; I understand you are quite shocked, but pleasantly so, I hope.

"Now, My child, you will take three photographs and continue with the prayers of reparation; they are sorely needed. Remember, My child and My children, the Third World War is approaching."

Veronica - Now Our Lady is taking Her Rosary in Her hands, like this, holding up the crucifix and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is placing the crucifix about Her hands, like this.

ABORTION NEVER CONDONED

Our Lady - "You will remember, My children and My child, to guard the young. Your clergy have fallen into darkness. Abortion will never be condoned. But We must have others who fervently will go forward and bring out to the minds of those who have actually seduced the country and the children - bring them the knowledge of Heaven, hell, and purgatory. Then they will not have free license to sin."

[Pause]

Veronica-There are lights coming out from the trees, the upward part of the trees; the light is fanning out upwards. It's pink in color, a very pale translucent pink, almost smoky-looking in appearance. Now as I'm watching, just above the trees you can see these lights, these fabulous colored lights coming down from the sky. Now I can't perceive whether they're coming from the trees upward or downward to the trees because the lights now are fully up in the top part of the sky.

Now as I'm trying to describe what Jesus is doing there . . . see, He's coming forward now in the light. It's a beautiful pink translucent light. And I would say it's made of glass, but I have a feeling it's not glass. It's supernatural; the light is supernatural that comes out from within Their bodies. Now Jesus is floating downward. It has become now a circlet of light. And Jesus is moving over to His right side, our left side.

He has a mantle now on, but He has now taken it and put it down on His shoulders because it was windy. The mantle is a beautiful - more like a robe really, not a mantle. Our Lady - I reserve that, for Our Lady it's a mantle, but Jesus has a robe. It's - the color is like burgundy. It's not a pink and it's not a red, but it's a very beautiful - let's see, the material looks like it may be saten because it has brilliance and light to it, and color. But it also could be like a velvet, a velveteen-type of pale burgundy and - a mixture of burgundy, the coloring, and - oh, maybe a plum shade. I can't describe it, the robe that Jesus has. It is burgundy, but with sort of a - with a background of another color that makes it very translucent, the robe Jesus has on.

Now He's looking about. And He's just tied His - He has a cord-like belting about His waist, which He has now tightened because of the wind. And Jesus has on a very long gown. Now His does not look like white, like Our Lady's; it's more like a beige color. Now Jesus - in the light His hair looks like a beautiful auburn, light auburn and brown mixed.

And I know many people will ask, 'How old does He look?' or . . . And I will tell you, I would say He looks like in His early thirties, Jesus does. And He's smiling now, and He's shaking His head, yes. Now He's touching His first finger to His lips, and that means to watch and wait and listen.

Now Jesus is taking out a Rosary, which He has also tied about His waist, like Our Lady does - He's taking it out. And the Rosary is similar to Our Lady's in the respect of the golden Our Father, but the Hail Mary beads are all bright red. Oh, yes. Yes, see there's a golden Our Father and the Hail Mary beads are a brilliant red. They're just beautiful.

Now Jesus is turning to His left side, that would be our right side, and He's coming across now swiftly, across the sky. And He's now standing above Our Lady's statue, I would say about fifteen feet or so; I'm not good at trying to describe the length of something without a ruler, but I would judge to say it's about fifteen feet.

Now Jesus is taking His hand, like this - the Rosary, I don't know what He did with it . . . it's about His waist, I see. And He's taking His hand, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is tightening the Rosary about His belting. Jesus has His belt on that looks like it's calf-skin or something, animal skin; it's not like a rope. It's an absolute, very thin type of - I, it looks like - I saw that before, and I believe I've seen it in handbags, too. It's like a hide of some kind of an animal, but very thinly cut so it could go about as a waistband.

And Jesus is now - as He's coming above Our Lady, I do notice that He has sandals on. They look like leather sandals. I don't know exactly, but they do look like leather sandals.

And now Jesus is taking His finger, like this, and placing it upon His lips, which means to listen and repeat.

Jesus - "My child and My children, My Mother has given you a synopsis of all that is taking place upon your earth. The voices of the young and dying, and the voices of the saints in Heaven are gathering to cry in supplication to the Eternal Father to forewarn the earth and the earth's peoples, their sisters and brothers in the eyes of God - to forewarn them that they now are on the edge of a terrible catastrophic occurrence which will lead, without your prayers and acts of atonement for your sins, it will lead you straight into the devastating knowledge that you, the United States of America, and Canada, will be invaded. You ask, My child, in shock, 'What can be done?' I repeat again, My child, that wars are always a punishment for man's sins. When they reach the point of having to be judged as reprobate, then it is too late for that grouping.

"My child and My children, already those who are involved in conflict - and many souls coming out of this conflict cast into hell and purgatory - it is then time for Us to say: The hour approaches and you will be too late.

"I do not wish to drain your meager energies, My child, but it is necessary at this time to warn My sheep that they are on now the pinnacle of self-destruction. I will not, this evening, continue or converse on the sins that offend the Eternal Father and the Spirit of life, the sins of a nation that cry out to Heaven for punishment.

"My Mother begs for a stay of execution within the world. How well My children will follow the course of Heaven to Heaven, given through the many visits of My Mother to you - how well you will find this course, and others will not find this course - so, My children, as you have received the grace, and many graces, much now is expected of you and all who have heard the messages from Heaven. I beg you, as your Mother, to keep a constant vigilance of prayer going throughout your country and the world. Have pity on your brothers and sisters, O My children of the light. Have pity on them and pray for them; many have no others to help them to come back from the abyss.

"Yes, My child, as I explained to you in numerous years and apparitions that the world may not accept and cannot understand, I have told you that many souls are falling into hell as fast as the snow falls upon your earth, as fast as the drops fall from the rain. That, My child, is symbolical indeed of the state of your country and the world.

"We are not bargaining now to save the human skin, My child and My children, the bodies. We are here to reclaim the souls. Life goes on beyond the veil, and all of you - who among you can say that one day or night you will not be here on earth, but must be taken from the world? And taken does not mean the body, it means the spirit, the soul - the everlasting miracle of life that the Eternal Father extended to you all after the tumultuous time when Adam and Eve were created. As they walked over the garden given to them, often called the Garden of Eden, sin then became a way of life. It matters not whether you have committed one sin or many, your punishment shall be meted accordingly.

"My child and My children, My Mother has cried endlessly, hoping that Her children would only offer Her a small measure of satisfaction that Her work is being with good fruits - producing good fruits, My child.

THE SIN OF ADAM AND EVE

"Yes, My child and My children, My Mother has meant to preserve you upon earth without hurt, without suffering, but this cannot be. The sin of Adam and Eve was so great that it has placed man upon the earth to suffer. But once you have learned, My child and My children, the true value of suffering you will understand that through this suffering, accepted in good spirit and with firm meaning as reparation for the souls in purgatory, the Eternal Father shall bless anew those who have given themselves as victims, victims offered to the Immaculate Heart of My Mother.

"Now, My child and My children, you will firmly now go forward without any hesitation. You must get the Message from Heaven out as fast as humanly possible, for your time is growing short. Remember, without prayers and atonement, the world will become devastated. The Third World War will leave no earth upon the land. There will be no earth, there will be no human beings; but a grouping would have been taken up into Heaven, My child and My children, to await the terrible devastation that falls upon mankind.

"Yes, My child, numerous earth-years ago I told you that some will be removed before the great cataclyst. All who are of well spirit need not give their lives to the Father in fear, but all who are of good spirit will receive many graces to save their families and themselves.

"Continue now, My child and My children, with your prayers of atonement. They are sorely needed.

"My child, Veronica, there is a very urgent message that I must give you, but you will not repeat it at this time. Do you understand Me, My child?"

Veronica - "Yes, I understand."

[Pause]

Jesus - "Continue, My child, with your prayers of atonement; they are sorely needed.

"Remember also, My children, to pray for your Vicar, Pope John Paul II. And I repeat again: unless this plan has been pursued and all has been done to alert the Eternal Father's message, to alert the Pope, My child, the Eternal Father will make this less complicated and more evilly (easily?) . . ."

Veronica - [In an astonished voice] "It does? It does?"

Jesus - "The message must go throughout the world because satan evilly will set out to halt the message. You will understand in time, My child. You must not mention what I have told you; remember that now, My child.

"I'm going to repeat it, My child, once more so that you will have every detail, but you will not give this as a public message. I repeat again . . ."

[Pause]

Veronica - "It's very upsetting. . . . It's awful!"

June 18, 1983

13th Anniversary of Our Lady's Apparitions at Bayside

Veronica - There are the most beautiful white and blue lights coming from within the trees. They are going upwards high over Our Lady's statue's head; I would say that the lights range at least twenty feet above Our Lady, coming from the tips of the trees. Now directly over Our Lady's statue the sky is opening up, and it's a most beautiful color of blue. And directly in the center of the blue circular light, I can see Our Lady coming down. She's hurrying, She's coming fast - most swiftly.

Our Lady is looking all about Her. She is so beautiful tonight! She's always beautiful, but Our Lady is really something to explain - in human language it would be almost impossible.

But She has on a pure white gown. And it's a little breezy up there because the gown is rustling back and forth with the wind. Our Lady has on sandals. They're golden sandals. And on each foot I can see a small gold rose - a rosette, a tiny rose. And Our Lady has on a mantle, pure white, with gold trim around the outside edging about - the trim is about a good three-quarters of a - not a yard, three-quarters of one ounce gold, Our Lady is trying to tell me now. I often wondered if Her trimming was really gold or just something sewed on to simulate gold.

No, Our Lady says.

Our Lady - "My child, this is pure gold. I say this not with pride, but to allow you to know the secrets of Heaven."

Veronica - Now Our Lady is looking all about Her. She's taking from Her waist - when She came down Our Lady had Her hands folded, like this, together - and now She's taking from about Her waist - there's a sash, a deep blue, a beautiful blue, - and Our Lady's taking Her Rosary from about Her waist. Now the Rosary has the golden Our Fathers and the most beautiful white Hail Marys that, as Our Lady turns back and forth, all the colors of Heaven - most beautiful that even an artist couldn't paint on earth, the colorings and the colors that Our Lady is setting forth by taking Her Rosary and holding it out, like this.

Now Our Lady is taking the golden crucifix - a most beautiful gold - and Our Lady is turning to Her right, our left, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is looking all about Her with a smile. She has a very soft, sweet smile. Oh, it's so beautiful. And Our Lady is floating over. As I told you, They don't walk; They're just carried like on the wind. They just float. They're weightless. That must explain it. It's one of the mysteries of Heaven. They're weightless.

And as Our Lady's going across now, She stops directly above Her statue - oh, about fifteen feet, and She's now looking about Her and raising the crucifix again, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking over completely to Her left. But now She's moving. Our Lady has gone now above Her statue, far above our statue, and cutting across until She's standing just on the tips of the trees to the right side where the dense trees are, and just above the Vatican flag. Now Our Lady is looking all about Her. And the wind is catching Her mantle. Now She's coming over again back to Her place above Her statue.

Now Our Lady is putting the Rosary back into Her sash, so I'll always remember how to tie it. Our Lady is putting it back onto Her sash. And now Our Lady has placed Her hands together in prayer, like this, and She's now motioning with Her finger. She has a very dainty finger, and just every piece of Our Lady, every bit of Her, is perfection. Heaven has created a most beautiful mystical perfection. That is what Jesus called it one time: a beautiful mystical perfection of Our Lady. Now Our Lady is placing Her first finger to Her lips.

Our Lady - "My child and My children, Our hearts are lifted to a great degree by the show of love and humanity here this evening.

A PLAN THIS EVENING ON POPE'S LIFE

"My child, We have started a little late on your calendar to start giving out all messages that pertain to the future of Rome. I know you are all wondering of the safety of John Paul II while he travels about to gather the sheep. I assure you, My children, We are gathering all the prayers for your Vicar, and there is a balance above him. This will be in your hands, My children, to keep this balance even, that it does not completely go over to the left side and you will lose your Vicar, Our child, John Paul II. He has many enemies, as you, My child, know full well that in any mission from Heaven there will be enemies of God. I ask you, My children, to pray for your Vicar. Pray for him, and in your acts of charity, give all to your Vicar that he may remain upon this earth. There is a plan, a terrible plan, My child, being developed this evening to remove the Pope, Our child, Pope John Paul II, from among you. Pray, My children, a constant vigilance of prayer. Have these prayers going from end - to one part of your country to the other. Have these prayers lift to Heaven. All acts of mercy for the Eternal Father shall be gathered also for His reparation.

"O My children, if only you could understand My grieving heart. I have heard words of 'Immaculate Heart' as it is passed among My children. I accept all that the Father would give Me in suffering for the repatriation of souls upon earth.

DANGER AHEAD FOR INVASION

"I have come this evening, My children and My child, specifically to warn you of the vast danger that the United States of America and Canada are approaching. The enemies now are gathered from within. I say also, My children, that this also will caution those who live near the waters of the great seas. There is danger ahead for invasion. O My children, pray - pray a constant vigilance of prayer. Wars are a punishment for man's sin."

Veronica - Oh, I see Our Lady is pointing to the sky on Her right, our left, and there is forming a cross, a crucifix. It's iron, an iron cross. Oh, I don't know - it has a very dominating, serious aspect to that cross. I never saw one like it before. But now the cross is fading away, and then there is a chalice. This is at - the statue of Our Lady. If you look up perhaps you can see it. Over to the left, beyond the first tree, there's a chalice. It looks like it's made of pure gold. And this chalice now is dripping. Oh, my! Oh, what's coming forth from the chalice is blood. Our Lady knows that this has given me a terrible inner shock. Our Lady places now Her fingers, first finger to Her lips.

Our Lady - "My child, you will understand it is the blood of the victims, the victim souls who will give all for their Pope, John Paul II.

MOST MEN REMOVED FROM DEVASTATED EARTH

"I repeat for the third time this evening that you must pray a constant vigilance of prayer that the enemy does not cause your country and the other nations of the world destruction such as has never been seen from the beginning of creation and never will come forth and be practiced again, when most men are removed from an earth that has been devastated from the hands of mankind. Mankind goes about now gathering all measures for warfare, gathering all instruments of war, for warfare.

"O My child and My children, do you not understand why I have come here for countless years upon earth trying to counsel and warn you that the end is near at hand?

"My child, I gave you at Our last meeting the second secret. Now the third I will give unto you. You will listen well but not speak of it. You will obtain six photographs. Read them well, but you must not speak one word of what you see.

"O My child, there is so much that I want to tell you to pass on to Our children of the world, but there will be a great message given to you all from My Son, Jesus, and the Eternal Father in the Spirit of light - the Holy Ghost, My child.

"You will now sit back, My child, and contemplate on the mysteries within the photographs, and I will be back again with My Son."

Veronica - There are blue lights tinged in a - they're like, almost like a chandelier is made, these lights this evening; they're almost like the prisms I spoke of the last time Our Lady came to us. And actually they're cascading upward. It's beautiful. It's a whole sky of light, but the light is beyond anything that I could put into words. The light is crystal clear, beautiful, bright - brilliant, that if you looked into it too long, without Heaven's grace given to you, I'm certain it would burn your eyes. It's so intense.

But now the trees are starting to burst forth with a color of pink. It's a pink color, the most gorgeous pink. There's no way - I don't think anyone has been able to put down in color the beautiful colors that Jesus has assumed to let us know when He's coming.

Now just above the trees, I see the sky is opening up now. It's a beautiful color blue. And - oh, Jesus is coming down now. He's floating quite fast. He doesn't walk, He floats. And He's standing now just above the statue, about - oh, I think about sixteen or twenty feet, and He's looking all about Him.

Now Our Lady is coming down also from the same circle of light, and She's coming over to Jesus' right side. Now Our Lady looks very petite, and I do notice now - when She first came this evening, She didn't have on the crown, but now Our Lady has on the beautiful Fatima crown. It comes over Her mantle. The mantle is blowing in the wind now. And Our Lady is looking all about Her with a smile; She seems to be pleased. And yet in Our Lady's face there is a picture of - I could only explain it, of sadness, a sadness that She has absorbed, and a beauty that She is trying to give out to mankind even though She knows from Jesus all that is transpiring upon earth.

Now Jesus is motioning - He's nodding to Our Blessed Mother, and She's just standing there now with Her hands together, like this; and the prayer beads, Her beautiful Rosary, is strung in Her fingers. And Our Lady is standing there. She almost looks like a statue now. And She has motioned - nodded with Her head to Jesus, and He's looking all about Him. Now Jesus and Our Lady are moving over to our left side above the trees, that would be Their right side, and Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning to His left and He's floating above the statue and over to our right side, His left side. Our Lady is right behind Him. They don't walk. There's no way I can explain it. They're weightless up there. It's really something that makes you think, you know, how we're all going to assume a similar type of spirit as Our Lady and Jesus, when we're taken from the earth. Of course, we'll never be in the - I'd say the stage of beauty that Our Lady has and also that Jesus has; it flows from Them, the love and feeling of such warmth when you see Them that actually there's no fear or dread of going over the veil. It's something that is a part of life of all of us human beings, Our Lady has said. We will all go over the veil and feel just as Our Lady feels at this moment, She said, when we see the Beatific Father, and - or if we're not that fortunate, perhaps we will actually meet Jesus, the Second Person of the Blessed Trinity.

Now Jesus is touching His first finger to His lips; that means to be quiet and wait now for His instructions. Now Jesus is nodding, because He said:

Jesus - "You accept this well, My child."

Veronica - And He now is turning to His left side and floating over by the trees, and He's extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is coming back slowly across the sky. He's looking all about Him. He looks very tranquil. You know, like Our Lady and I, we both get very excited, but Jesus has a tranquility about Him. And, also, I think you would like to know, when Our Lady speaks through me Her lips are moving, but when Jesus speaks it seems to come from within Him with no need to move His lips. It just comes from within and comes inside of you. I can't explain it any other way.

Now Jesus is stopping again just over the statue, about fifteen feet above, with Our Lady at His right side, and He's extending His hand out, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's touching His lips.

Jesus - "My child and My children, many have accepted the Message from Heaven at this time, but there are many more of My sheep who have not received the knowledge of Our coming here to the sacred grounds. You will all be sure to keep the Message going out as fast as is humanly possible and within your means from prayer and dedication.

"My child and My children, your country is now in a terrible state. As I gave you the photograph with the plucked eagle, you can well imagine that the eagle, representing the United States, looks like it has drawn its last breath.

"O My child and My children, how often I have had to use symbolism to approach you, but I give you the reason now. Much was to remain in secret until told to come forth. At the present time? No, My child, those pictures I gave you they are to be deciphered and not made known until My Mother or I tell you to. You understand that, My child."

Veronica - "Yes."

Jesus - "If you do release what is in those photographs, My child, you will bring much unnecessary torment to yourself."

GREAT HEAT TO COME SOON

"My Mother has directed you well through this stage of man's progressing towards sanctity. However, you must remember this: words were given, and actions have taken place. Our Lady told you several years ago that there would be great floods, and there were great floods; that there would be a great heat, and that will come soon; and after that there will be a great plague. You had a plague now, My children - two diseases, unknown in cure for mankind. Did not My Mother pass along to you that knowledge that there would be diseases that your scientists will not be able to explain nor stop? They will find no cure for it.

"Now, My children, I tell you this: I do not wish to come to you as a visitor with dire warnings, but the object of My coming is to warn you that you may do something and correct the evil that has been perpetrated by the few."

DEVASTATING PLAGUE WITHIN SIX MONTHS

"There will be one more most devastating plague upon you. That will come within the next six months, My children. You ask, My child, why is this allowed? My child, you have forgotten the real reason for all this: man will benefit from it in the end. For I once said to you many years ago that penance is difficult, but after penance there is a great joy.

"There are many things that cannot be understood because of a man's human nature, but that you must trust in God the Father, and listen to the words My Mother brings to you and the dire warnings of what is to come upon mankind. Do not accept it lightly, or with derision. For the answer will be given to you, and you will still not know that this has come to you from the Eternal Father as a measure of penance."

"All mankind will be tested before the great day of My return. There will be floods taking many lives; there will be famine and many will die; and there will be the great heat and many will die. My child, I know you are affrighted at My words, but Our purpose is to save you.

ONE GRAIN IN HOURGLASS

"Many are not listening, and others have not received the Message from Heaven. Therefore, we will be living, My children and My child, by a time clock, and there is only one grain remaining to go through the hourglass.

"My child and My children, I beg of you, through the Trinity - the Father, the Son, and the Holy Ghost; and I am in God, I was in God, and I always will be in God - even those children who cast aside My warnings and laugh in derision, they will learn too late to save their souls.

"All who have come to the sacred grounds have come with reason. The Eternal Father has a plan, and everyone who comes to the sacred grounds has been called there by the Father.

SLIGHT PLAGUE OF RATS

"I also must tell you, My child, to tell the world of the coming second part of the plague; the first you must remain secret with for a while, My child. I will tell you there will be a slight plague of rats. Do not be affrighted, My child, this plague will be kept within only the eastern area.

"O My child and My children, the response this evening is greatly appreciated and loved by Heaven. As long as there is one man who will come forth and tell the world of the Mission from Heaven, the world can be saved from complete extinction.

"Armaments are being made to destroy mankind. The more armaments that are made, the less chance there will be for salvation - not the salvation of the soul, but the salvation, the keeping of the bodies. For bodies will be burned upon earth, burned to a crisp. Many shall see death as they have never seen it before. Is this what you want, My children? Your brothers and sisters of good will hold forth their hearts to you; do not slam the door in their faces, for you will cry bitter tears if you lose this chance to be among those who call themselves Faithful and True.

"My child and My children, continue your prayers of atonement. There is much more that must be said soon, My child, but the three photographs will remain hidden, the meanings, just for this time being, My child. You will speak of it to no one."

Veronica - Now Jesus is placing His hand out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Oh, Jesus is touching His cape. I don't believe that I described His cape, and Jesus does wish that everything be made open to mankind - the knowledge of Heaven. Jesus has on a beige gown; it's very long and very loose. And He has like a leather-type of band about His waist.

And Jesus has on brown - they look like leather sandals. I don't know what they used in Jesus' time, but they look like they were made from some kind of a skin. They're like a thong - type of shoe. They're brown.

And now Jesus has on a - not a mantle, it's a cape - it's not like Our Lady's mantle. It's a cape tied at the neck with a golden piece of cording He has. And then there's also a headpiece like the monks wear, but Jesus has that down now. It's just falling on His back and held there by the gold pieces of cording.

And Jesus is nodding, "yes."

I've often heard - people have asked, "What does Jesus look like?" Well, there's no words I could use to explain what Jesus looks like. He's got the most beautiful face. That's what joins me with Him in the knowledge that Our Lady has given to me, that through - I mean through Our Lady, with Jesus' knowing - that He has on a very silky type of cape this evening. And it's blowing in the wind, so it's much lighter than the burgundy cape He had been wearing in the past months. I would think it would be to assume the seasons, in His clothing.

That makes me feel also the human nature of Jesus is so like our own that it really makes it easier for you to approach and talk with Him, because He is human as can be. Whereas Saint Theresa and Padre Pio and all others who came to us in the past years, they had a fragile look about them where you could almost see they were transparent. But Jesus and Our Lady have never been transparent; They're as solid as you and I, and nothing but true humans. That's the only way I can explain it. And, of course, that makes you feel very good in your heart, because you know you can speak to Them, because They're not beyond your reach. All you have to do, Our Lady says, is to lift your eyes to Heaven and ask and you shall receive; pray and you're heard. You are heard.

If you ever wonder why your wish was not granted you must understand that Heaven, Our Lady says, knows just what is in store for your future. And if you don't get what you want, you'll find at the end of a certain period in your life that it would have been the worst thing that could have happened to you. For Jesus and Our Lady are guiding you, every one of you, as long as you stay within the light.

Our Lady now is pointing to Her lips.

Our Lady - "I have one thing to say, My child. I grieve in My Mother's heart for My Son, for they are defiling the Eucharist. My child, make this known to mankind, that there are so many offenses to My Son's Immaculate Heart that I, as a Mother, grieve, too, for Him.

"Now, My child and My children, you will continue with your prayers of atonement; they are most sorely needed."

October 1, 1983

In honor of St. Theresa

Veronica - All about the trees there are the translucent blue lights that always announce the coming of Our Lady, and that means to get ready. There is a beautiful white light now opening up in a circular pattern high above the trees in the sky. And directly in the center of the light, I can see Our Lady, Our Blessed Mother. She's coming forward very fast. And right behind Her I notice there has been a cast of pink also, pink lights all about the trees. And right behind Her I can see Jesus coming forward. They are coming forward very fast.

Now Our Lady is moving over to the right. She has on a beautiful white gown, and the light about Our Lady brings out the vividness of Her gown, so that it looks absolutely brilliant. Our Lady has on a white long gown. And also Her mantle, which reaches from Her head to Her feet, is also white but trimmed with a border of gold all around the edging of Her mantle.

Our Lady has on Her head the most beautiful crown. It's Her Fatima crown. Our Lady has worn it on several occasions before, and it's an absolutely gorgeous crown.

Our Lady has Her hands together, like this. And about Her fingers She has the beautiful Rosary, the Rosary with the golden Our Fathers and the white Hail Marys.

Our Lady is looking upward, and She's motioning now with Her hand. Oh, and Jesus is coming forward. He's dressed also in a very brilliant cape. Now it's burgundy color, but the light all about Jesus makes Him very translucent and brilliant.

And Jesus' hair is blowing very softly about His shoulders. It must be quite windy up there this evening. Now Jesus has nothing on His feet. He has no sandals.

And Our Lady has on Her golden sandals that have at the tips of the toes - across one bracket of Her sandal, She has the little gold rosettes on each foot.

Now Our Lady is looking up and smiling towards Jesus, and He's nodding. Our Lady now is looking all about Her, and She's taking Her beautiful Rosary with the large golden crucifix and placing it out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. She's blessing the people.

Now Our Lady is looking up towards Jesus, and He now is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is pointing up to the sky on our right side, His left side, and high up in the sky there is forming a ball with a cross on the top, but the ball is all black. And underneath it - there are flames forming under the ball. It's very awful, horrible-looking. It's frightening that these flames are now reaching up to the ball.

Now Our Lady is motioning to me, and She's placing Her first finger to Her lips, which means to listen and repeat.

Our Lady - "My child and My children, and My child, Veronica, We hasten to bring you here this evening in your ill state because of the urgency of what is to take place within your world.

PENANCE AND PRAYER TO HOLD BACK THE FLAMES

"There is only one recourse to hold back the flames, My child, that you have viewed: that is an outpouring to Heaven of penance and prayer, and sacrifice. Your world is heading towards a cataclysm of massive proportion. Many parents shall lose their sons and shall cry to Heaven, 'Why, oh why, has this come upon our world?'

"O My children, how often have I appealed to you to listen to My words of caution and warning. I have tried through countless earth-years to guide you away from this cataclysm; but no, so many have chosen to ignore My warnings. These warnings came from all Heaven - the Eternal Father Who watches and knows all that has taken place, that will take place, and that has been taking place.

"O My children, so much is in store for you in Heaven, and yet so many shall not see these pearls.

"My child, you must hasten to get all of the messages out as quickly as possible.

"Your country, My child and My children, will lose a great statesman. You must pray for all of the leaders of the nations of the world, and pray for your country, the United States, and Canada.

"You understand, My child, that there are instruments of destruction now created from the mind of satan, using the fallen nature of mankind to prey upon the weak, and to use them to bring forward missiles of destruction.

"O My child, I realize your debilitated state this evening, but you must understand, My child, that for the great graces extended to you, much is expected of you, and you will suffer much, My child, even in the future.

"You will now take three photographs, but they must be kept secret. I must caution you again, My child, for I realize that it is difficult for you to keep a secret, but not one word must be spoken of these photographs, My child. We trust you."

[Pause]

Veronica - The sky is turning pink all about the bushes. And high up in the sky there is an opening, which is starting about the size of a dime - that's the only way I can explain it - and it's opening up now, and it's a brilliant white light coming from like a pinpoint in the center of the circle. It's circular. And now it's opening up and covering just about all of the sky up above Our Lady's statue.

Now coming through the center of the circle is Jesus. He's alone now; I don't see Our Lady. And He's coming forward. He has on His burgundy cape and His gown which He had on before. But I don't believe I did mention that His gown is a beige color. It's not a white like Our Lady's but a beige color, and like, almost like - I saw material similar to it before, but it's like - oh, I don't know; I just can't explain it.

Well, anyway - oh, Jesus is now - He's hastening like this with His hand - oh, He's now taking His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking over to the right and to the left, and He's smiling. He seems to be very pleased. Oh, He's smiling. Now Jesus is coming forward, He's floating forward. He's just above Our Lady's statue, and He's placing now His first finger to His lips.

WORLD IN DANGER OF GIANT DESTRUCTION

Jesus - "My child, I will not enlarge upon My Mother's counsel to you this evening. However, I must repeat this: that your country and the nations of the world are in dire distress and in danger of a giant, terrible crisis - a giant destruction upon you and all mankind. I say this in comparison to size. I use the word 'giant' for one reason: that others who have heard My counsel and did not listen - perhaps could not understand My wording - therefore, I say, like a giant walking among mankind, there shall be this conflagration.

"Many parents shall weep tears of great sorrow at the loss of their sons. I have warned you that you were fast approaching a War of giant proportions, My children. And I warn you again that unless there is restitution made for the sins of mankind to the Eternal Father, We will not - We will not turn Our backs, but We will not stop the advance of country upon country and nation upon nation, until the whole world shall be engrossed in a major World War.

"O My children, you have deafened your ears, deadened your hearts. You are like bodies, living bodies in dead souls. O My children, how many words must go out to you from seers throughout countless nations in the world before you will listen?

STATESMAN TO BE REMOVED

"I repeat what My Mother has said to you: a statesman will be removed from among you. And then what will happen?

"My child, you will continue to hasten the sending out, the dispersal of the Message throughout the world. Do not slacken in your pace, because there is little time left.

"The world must now give itself over to penance, great penance. But this penance shall go much farther than We would have wished to see upon Our children. That is why, My child, you were called here this evening. I know of your weakened condition, but it was necessary that you warn the world now that there is little time left.

"My children, We have in Heaven beauties beyond all human knowledge. We have in Heaven the ultimate joy and the ultimate expectation of anything man could conceive in his human mind. Are you going to cast this all aside for a few short years upon earth? Is this worth casting aside for? Think, My children, before it is too late. Many of you who hear My words will not be ready. I say, not be ready! Unless you protect yourselves by a constant vigilance of prayer, you will not be ready when you are called unexpectedly. Many shall be removed from the earth very soon, and many will not be ready.

"My child and My children, you cannot, and I shall not burden your minds with the manner in which Heaven deems it necessary to allow the world to continue.

"You understand, My child and My children, that no one, no one will fall into hell, unless it is of his own free will. I assure you, also, that no one will go to hell unless they lead themselves there, and have preferred the pleasures of this world, your earth, and not counting their blessings on the road to Heaven, but following all the pleasures that lead to damnation in this world, your earth.

"Remember, My children, love is the outstanding word being used in your world today, but so few know the true meaning of love. So few have practiced the true meaning of love, for much of this in your world, My children, is based on self-love.

VERY LITTLE TIME LEFT

"You will all continue a constant vigilance of prayer: bead to bead, Rosary to Rosary going throughout the world, nation to nation. And with the cooperation of all good souls, there is still time - although very little time is left - there is still time to hold back the destruction.

"My child and My children, because We love you, and My Mother loves you, We do not wish to see you destroyed. We do not wish to see you lose your chance to enter Heaven. Heaven was made for all mankind, but only if they follow the

road, the simple road, the narrow road. It's only when you become engrossed in the world's pleasures, and seeking treasures that are not the type or the kind that will take you to Heaven but take you on the road to damnation, then you have lost the way.

"Come, My children, follow Me, for I love you, My Father loves you, and I am your God, in the Father, the Son, and the Holy Ghost. I always was, I am, and I always will be.

"My child and My children, continue now with your vigil of prayer. You cannot know the value you have for the salvation of your brothers and sisters."

Veronica - Now Jesus is taking His hand - He's moving over now to the left side of the trees, and He's looking over, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now - oh, Our Lady is coming down now. Oh, Our Lady is coming down from high in the sky. I didn't see Her; She was beyond the treetops. And She has still on that beautiful gold Fatima crown. And Our Lady has Her hands together, like this, with the Rosary draped on Her fingers. And She's coming now and moving around to Jesus' right side. And - oh, Jesus is giving Her such a warm, beautiful smile, and Our Lady is looking up at Him.

Now Our Lady is taking Her Rosary, Her specially-graced Rosary, and with the golden crucifix, She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is moving to His left side, which is our right side, and He's just over Our Lady's statue now, and He's extending His hand out, like this, with - and Our Lady now is joining Him at the same time - I never saw Our Lady do that before - now She's extending Her crucifix out, as Jesus extends His hands, and They're making the sign of the cross, and going high above Their heads with Their fingers, too: In the name of the Father, and of the Son, and of the Holy Ghost - like They were marking the very place here. The crucifix that Our Lady used has left an impression in the sky, of a cross in the sky, right over Our Lady's statue.

Now Jesus is going far over to our right side, which is His left side, and He's now extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is following Him. She's right behind Him. Now She's caught up with Him there, and She's extending Her Rosary out with the golden crucifix - it's a very large crucifix, and Our Lady is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning. And it's quite windy because the wind is catching His skirts, and also Our Lady's. And They're coming across the sky, like, you know - They don't walk, They float; They're carried like They're weightless across the sky. Yet Jesus and Our Lady look just as solid as you and I. But yet They seem to be weightless when They go across the sky.

Now They are both above Our Lady's statue. Oh, They look so beautiful. The light is very brilliant, and I can see Their faces very clearly now, though I don't see any hair. I've never seen Our Lady's hair. Oh!

Now Jesus is touching His lips.

Jesus - "My child, you will listen to what My Mother has to say, but you must not repeat it."

[Pause]

Veronica - Now Jesus and Our Lady are moving back into the sky, but They're not moving out of the range so we can see Them. Our Lady is touching Her lips.

Our Lady - "My child, I am not leaving; I will be here the rest of the evening, and I will be here always."

Veronica - And Jesus is also standing off to the right. They've taken now - Our Lady is on the left side by the trees and Jesus is over on the right. Oh, and They're looking about Them.

Now the pink glow that's coming out of the trees and the blue signal lights seem to be fading back into the sky, like this. And I notice now Jesus is moving up and Our Lady is moving up. Now They are just above the trees on either side. Now They're coming together across the sky, and They're standing together looking down.

Our Lady - "My child, you will take three more photographs and repair home."

Veronica - Yes.

April 14, 1984

Eve of Palm Sunday

Veronica - All about the trees there's a beautiful blue light. The light is running in streams of lighting up to the center of the sky, directly above Our Lady's statue. It is so beautiful and warm that - there's no feeling of coldness or rain that - I know that it is something beyond all human words to describe, the light. It is warming. Many times the light has come upon us while we are in different positions about the Shrine. And it is a warming light, directly supernatural. But it's so beautiful now. The light is cascading about, which means that I must be ready.

And now, directly over Our Lady's statue, high into the sky, there is a beautiful circular white light. It's almost glass-like because of the way it takes like a diamond shape, a diamond-shaped, glass-like partition. I say 'partition' because the sky is being now lighted in a most unusual way.

Our Lady now is coming down in the center of the diamond-like light. It's as though She was a statue transferred onto a medal. It's just beautiful.

Our Lady is dressed in a white gown that reaches down to Her feet. But I can see that Our Lady has on the most beautiful sandals. They're made, I would think, of pure gold. They are absolutely beautiful. In the center of Our Lady's instep, by the strap - the strap goes in a T formation on both Her feet - there is a little rosette. Oh, it's so beautiful.

Our Lady has on Her white mantle, and all about the mantle there is a trim of about, I would say a half an inch of pure spun gold. It is all about the outside of the mantle and down by Our Lady's feet. The cape of the mantle has the gold trimming on its outer edge. It's absolutely beautiful.

Our Lady is pointing up now to the sky, and over on our left side above the statue, there is a large globe forming. But it is a globe of the world. I can see that immediately because of the outlines of the various parts of the world and the hemispheres.

Our Lady now is taking Her Rosary from Her waist, and She's extending out the beautiful large golden crucifix on the edge of Our Lady's Rosary that has the gold Our Fathers and the white Hail Marys that take all the colors about us and make them into one. There's no way of explaining the colors that cascade from Our Lady's Rosary, the Hail Mary beads, as She turns to and fro. She's looking in both directions now, right and left, but She's extending out now Her Rosary, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is smiling very softly. But I notice now Our Lady is taking the time to wipe the tears from Her eyes. Her tears are just flowing down Her face.

Now Our Lady is taking Her Rosary and placing it back onto Her belting where She had it originally and then took it off in order to bless us. Now Our Lady is placing the Rosary down about Her waist, like this. And now She's taking Her right hand, the index finger, and placing it upon Her lips; that means to listen and repeat.

Our Lady - "My child and My children, My dear, dear children of the world, My tears fall upon you. I send My heart and My love to all who have taken up My Son's cross as a way of life to follow Him.

"There is so much confusion now, My children, in your world that, Veronica, My child, We brought you here this evening because of the crisis that is fast heading to your country.

"Do not take lightly the reports of ships out on the sea and submarines. They are there, My child and My children, and they are not out for a joy ride. It is all part of the master plan for the takeover of the United States and Canada.

NOT LONG TO EXIST AS A FREE NATION

"I know, I heard the voice also, My child, that said that the United States shall be taken over without a shot to ring out. That is not true, My children. Should they advance upon you as they plan, there will be bloodshed in the streets, blood flowing and mother's hearts breaking in sorrow. Oh, how they will gnash their teeth and cry bitter tears of regret that they did not foresee or listen to the voices from Heaven crying out: Prepare now, for you do not have much longer to exist as a free nation.

"My child and My children, I could go back through the years and remember how many times I came upon earth to try to warn you. Those nations that listened were free from harm. But they had to pray the Rosary - the Rosary and the Scapular.

"I hastened to and from the corners of your earth, begging you as your Mother to listen now, for the time is growing short.

MANEUVERS NOT A JOY RIDE

"The maneuvers about your country are not a joy ride. They are there with precise decisions in their mind.

"O My child, how My heart aches, for I have been with you here for so many years, and how many have We gathered? There are thousands of souls who have heard the Message from Heaven and they have turned their backs, so hardened are their

hearts, and have deafened their ears to the call from Heaven. They will come down upon their knees and beg in repentance, but it will be too late for them. Is this what you want, My children? Must you be punished to be brought back to the fold?

CONSECRATE RUSSIA OR DIE

"O Our wandering sheep are going without true leaders. My priests of the world, I say to you now: you must listen to My voice from Heaven. You must consecrate Russia to My Immaculate Heart or you will die.

"O My children, I hear the pleas of mothers with children that have vanished, it seems, from the face of your earth. So big and so numerous are the catastrophes to a home that you would think, My child and My children, that they would understand and accept the truth that satan is loosed upon your earth, satan and his whole legion of devils. Satan and his legion are known to you as 666.

ILLNESSES WITHOUT CURE

"Do not cast aside the knowledge I give to you, My chosen few, the knowledge that 666 is satan and his legion of demons. Do not fall victim to those who are going about the earth discrediting the actual knowledge of the supernatural. They, in their theology and their new mode of living for mankind, what do they expect to happen when there comes upon them illnesses without cure, illnesses without the knowledge of how it developed and where it came from. All this and much more shall be sent upon your nation and the world as a last resort to bring you back to the fold.

"My child and My children, the Eternal Father does not wish to lose one of His children. And what can He do with all of the murders of the unborn taking place? For that one reason among many, the United States will suffer unless there is placed into your government a group that fears the Lord if they cannot love the Lord. They will fear Him and find measures to stop the slaughter of the unborn. You are taking these babies, these children, from the world before their mission has been performed. Each and every unborn child has been sent upon the earth with a mission to fight satan. Remove them without the knowledge of God, remove them and it is truly said with great sorrow that satan now rules your governments and the world.

A MOST TERRIBLE CATAclySM

"Who but you, My children that hear My voice and My pleas, only you will be saved. Those that are saved shall be counted in the few. There will be a most terrible cataclysm and destruction."

Veronica - Now Our Lady is pointing up to our right side, Her left side, and there's a ball now glowing in the sky, directly over on the statue's left side, our right side. And the globe now is one of the world, but there are flames on one side. I am almost looking now into the area. There are flames, and there's a big hole. Oh, it covers half of the globe, the hole. It's like burned out, as though it's been hit by a tremendous big ball of fire. Oh, it's terrible. I can feel the heat.

Now I notice that there is a tremendous ball now setting out in the sky by the sun. It's like two giant suns in the sky. But the ball on the right has a tail, and it's starting to move now around the sun. And as it goes it's bouncing crazily, as though it's going off course in some manner, this ball. And it's heading now over towards the earth again. It's hit it once, and something happened. And now it's heading for another part of the globe. It's turned its course completely around and is striking the globe; I can see now the whole underside of the globe in flames.

Our Lady now is placing Her first finger to Her lip and She's placing Her hand out, like this, and the sky now seems to be - the, the balls and the picture seem to be evaporating because they're blowing away like a mist.

And Our Lady is crying now. Our Lady has moved over to the left side of the sky. And - oh, She's sitting down now on a huge rock; Our Lady is sitting down on a huge rock. And She has now upon Her head . . . before when She first appeared, Our Lady had on the Fatima crown, but now I notice She has changed into a different gown. I don't see the gold about the trim of Her gown. But She's sitting there very dejectedly. But She has - Our Lady has on Her head a crown that's made of, like spokes, spires of gold. The crown is all gold, but it seems to be all circled about with spires on it.

And Our Lady is crying. Now She's looking up, and She's saying:

MY VISIT AT LA SALETTE

Our Lady - "See, My child, how I sorrowed in the days gone by. Do you not recognize My crown, My child? I heard you mention that in the discourse. It is, My child, the crown of La Salette. I mention this to you, My child and My children, because there was a lesson to be learned. Those who listened did not lose their crops or be subjected to the other means chosen by the Father to bring them to the fold. You, My child, will obtain more knowledge if you will find a copy of some instrument that will tell you of My visit at La Salette."

Veronica - Now Our Lady - She's going back into the sky a bit on the left hand side. And the sky - now She's pointing upward. Now the sky is turning very pink, a beautiful pink color. It feels very warm. In fact, it's - the breeze is blowing, and I can smell flowers, beautiful flowers. It's like a bright, sunny May day. Oh!

Now there, high over the statue in the sky, I see a circular opening now. It's as though this beautiful light is enlarging upon itself as it's coming forward. The light is coming forward, and I can see Jesus now. He's in the center of the light. And it's like a ball of light. It's much different than what I saw Him come through before. This is a round, circular ball of light, and it's just as though He's riding within that ball of light, and it's carrying Him down, down, down to . . . He's now standing over Our Lady's statue. He's looking all about.

Our Lady now has returned to wearing Her white gown with the mantle with the gold trim on it. And oh, She has now on Her Fatima crown.

Now Our Lady is joining Jesus. He's come just above the tree beyond the statue, and He's standing there now looking all about Him.

Jesus has on a linen-like - it looks like linen, the gown. And He has on brown skin-like - made, they look like they're made from some kind of skin - sandals on His feet. And Jesus is wearing this linen-like looking gown with a belting about it of the same material as in His slippers, like an animal skin.

And Jesus has this cape about His neck. It's a burgundy color. It's a beautiful cape with a golden attachment, a roping at His neck to hold the cape closed.

Now Our Lady is standing on Jesus' right now. And Jesus is whispering to Our Lady. I'm not able to hear what - oh, Our Lady is now touching Her lips, which means I must listen.

And Jesus is now making the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus is looking about Him. His cowl, that hat piece He wears, has fallen down so that His hair now is blowing in the wind. And He's looking all about. Now He's going over with Our Lady - Our Lady is remaining on His right - but They are floating over to our left side, but Their right side, just beyond the trees, and Jesus is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now As Jesus looks around, He's motioning to Our Lady, and They are going across the sky now. Our Lady now has gone ahead of Jesus. He motioned, and I would believe He told Her to go ahead first. And She's going across the sky and standing directly over the trees on our right side. Now Jesus is coming over, and now He's touching His lips, like this.

Jesus - "My child and My children, I send to all who come to this sacred ground the grace of perseverance in the days ahead. I want you to remember, My children, always, that when the thorns come among the roses you will say, My Jesus, my confidence!"

Veronica - Now Jesus is turning to His right side and He's starting to float. That's the only way you can explain it. He floats across the sky like He's weightless. Yet Jesus and Our Lady look as real as you and I. Others have come to the Shrine with Our Lady and Jesus, but they look different. They were sort of transparent, like Saint Theresa and Pope John, and all of them. They looked transparent, but Jesus and Our Lady are just as solid and human-like as you and I.

Now Jesus is motioning to Our Lady and They're going across the sky now, and They're coming up just over the statue, high in the sky. They're moving up, a little farther up over, so They're a little higher in the sky now, almost equal, I would say, to the last limb of the tree that's on our right side, the pine tree.

Now Our Lady is looking up, and Jesus whispered something to Her; I couldn't hear it. Now He's placing His first finger to His mouth.

Jesus - "My child and My children, it is most urgent that you read and live the messages given by My Mother from the Eternal Father in the Holy Ghost, and from Me, Her Son.

"She gave to you Her heart for all the past years of earth's time. I want you now, My children, to understand and listen to My words, for soon they will be few, and actions will start.

"There will be much gnashing of teeth and woe set upon your country and the nations of the world by satan. Some say, My children, that he controls the world now. From looking in as a bystander, others may say there is time, there is much time. But no, My children, that is a delusion. You do not have much time. One grain remains now in the hourglass. Your time is growing short.

"I must say to you now, from the Eternal Father and the Holy Ghost, that We will not accept excuses coming from the human mentality of Our priests, Our bishops, and Our cardinals. They look about askance at the Message from Heaven. Would they have accepted it better if We patted them on the backs and just went about lackadaisical, figuring that perhaps they will figure out what this Message means in time? But they do not have this time! That is why, My child, We brought you tonight from your home and your bed, because the time is growing very short.

CHILDREN ENSNARED WITH EVIL IN SCHOOLS

"I could repeat over and over the Message from Heaven of the past years. But I say to you: murders abound, immorality abounds, all the immunisms of humanism, lesbianism . . . homosexuals roaming. Children! The dear children, what will become of them? What kind of an example is being set in their homes? Parents who lack the light, how can they guide their children? Send them to schools? That will be no escape, for the children will be ensnared with evil.

"Oh, My Mother told you many years ago you were to bar your doors, for when your children left their homes they would enter into a world that is now being guided by satan to destroy your children. The only reason that this is taking place is because you could not understand, as a human being, the ways of Heaven. They are not the earth's ways or human ways.

"The Eternal Father has a plan for each life; however, in His merciful heart and His goodness, He gave you a free will to make your choice. When He placed satan, the fallen angel, upon earth, and the others who fought with him to dethrone the Eternal Father, they left him upon earth. And with good heart and love, the Eternal Father created man and all his descendants upon earth to fight this evil one who sought to dethrone the Eternal Father.

"But what has happened now? Many have turned against Me."

Veronica - Our Lady is crying. Our Lady is crying very hard now. It's, it's almost too heartbreaking to watch it. Now Jesus is touching His lips.

Jesus - "My child, I know how this touches the hearts of Our loyal children, but I must warn the world, My child and My children, because only a few will be saved. But those few have just about been chosen, My children. I want you to know that no one - no man, woman or child of conscionable age - will be lost unless he follows the path of satan, willingly, with his eyes wide open but blind; his ears well and healthy, but deafened in a spiritual way.

"My child and My children, there are all manners of perversions now going on throughout your land and all the nations of the world. And why? Because too few pray enough, too few are willing to make amends to the Eternal Father as victim souls. Too few care enough, thinking that life will go on eternal upon earth. Just remember, My children: each and every one of you has already had your name placed with all the members of Heaven. We know what your fate will be and We try to caution you.

"My child, suffering will be great upon the earth. Many shall be removed before the cataclysm.

SAVE THE CLERGY

"You must all pray for your bishops, your cardinals, and your pastors. It is like an illness among them now going from one to the other. They will have to accept their fate . . . not to take themselves away from the Church, My Church, My children. We do not want satan to close the doors. You must remain in your parish and stand there as an example as you speak with the priests and the cardinals and the bishops. You must keep your courage up and bring forth as witnesses, disciples of the latter days - you must go forward and try to save your brothers, those in the clergy. So few do pray for the clergy. The general idea, My child, is that they have a special passport to Heaven. But that is not true. Their temptations are far greater than yours. Therefore, they are to be pitied. For hell opened up would show unto you the numbers of mitres that have fallen in the past earth-years.

"Pray, My children, a constant vigilance of prayer. Pray that the murders cease - the murder of the unborn. Pray that Heaven will accept all of your prayers and your penances done with great heart for your priests, the clergy. Pray a constant vigilance of prayer, like a worldwide chain of prayers. You will take your Rosary and make it the leading point of your life. He who does not pray the Rosary once, at least once, in their homes, he who refuses to accept penance when given to them by the Eternal Father, not knowing perhaps the value of penance, he you must pray for. There are so many prayers to be given, but We do not have enough, My children, to pray.

"The peoples, many are lukewarm. They come with great heart. They've heard the messages from Heaven, but what do they do? They get carried away with earth's pleasures and the pleasures of the flesh. I want you to know now that that is what satan relies on. They watch and they wait while you fall to sin, and sin is the pleasure of the flesh. And man has this battle to win. It is a stomping ground now for satan, My children.

"You must always be on your guard. Let them call you fanatics. Let them try to break you down. There's only one thing to say to them: I have my eyes on Heaven. Where do you cast yours?"

AT LEAST ONE ROSARY A DAY

"Now, My children, you will continue with your prayers of atonement. Remember: one Rosary a day, at least - at least, I say, must be prayed in the home that is to be spared."

Veronica - Now Jesus is making the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is nodding.

Jesus - "Continue, My children, with your prayers of atonement; they are sorely needed."

June 18, 1984

14th Anniversary of Our Lady's Apparitions at Bayside

Veronica - Beyond Our Lady's statue there are lights emanating from the branches of the trees. The lights are blue and pink. I never saw this combination before at one time, blue and pink. That means that Our Lady and Jesus will be appearing. Now high over Our Lady's statue, there is a circular light, a light that seems to be growing closer and also wider in appearance.

Oh! Oh, directly over Our Lady's statue, I can see now - the light has dimmed a bit, and I can see Our Blessed Mother coming forward. She has on a most beautiful white gown; it's pure white, like sugar. And all about Her there is a cape that's swirling in the massive winds tonight. The cape that Our Lady is wearing has gold trimming about three-quarters of an inch around the outside of the mantle. Our Lady has on very dainty slippers. They are closed, but on each foot of the slipper there is a small golden rosette. Our Lady looks absolutely beautiful.

Now I hadn't noticed since my full concentration was on Our Blessed Mother . . . I looked up, and there's Jesus now coming through the clouds. There are white clouds all surrounding Him. And He's coming forward now. He's very - He's not walking, He's floating. Our Blessed Mother and Jesus don't walk like we do, They float, like They're weightless; yet Jesus and Our Lady both look as solid as you and I.

Our Lady is looking now over Her left shoulder, and She sees Jesus coming down . . . now getting closer to Her over the statue, and She's smiling; Our Lady is smiling. Now They're standing both together: Our Lady is on Jesus' right side, and now They're standing in perfect unity above the statue, I would say at least maybe fifteen or twenty feet now above the statue. Now Our Lady is looking around, and She's taking from about Her waist Her Rosary, the Rosary with the golden Our Fathers and what appear to be the rainbow colors of the Hail Marys on Our Lady's beads. I do believe that the beads change color as Our Lady turns in each direction.

Now Our Lady is looking up to Jesus. He's standing there. Jesus has nothing on His head now, no cowl. He has on a cape, a beautiful red velvet cape, which is held together - fastened by a bow made of like gold silk cord, about His neck. Jesus' hair is blowing slightly in the wind. Now He's looking over to His Mother and nodding with a smile.

Our Lady now is taking out Her Rosary from about Her waist and She's blessing the people on Her right, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now as Jesus is watching and He's nodding, Our Lady now returns over above the statue. And Jesus is over Her now - He's not standing beside Her, but He seems to be higher in the sky. Our Lady is nodding with a smile and taking Her crucifix, Her golden crucifix on Her beautiful Rosary, and holding it up, like this, and blessing the people: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning to Her left, that would be our right, and starting to move towards the right side of the field here above the trees. Now Jesus is following, and Our Lady now is for the third time extending Her crucifix from Her Rosary out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning to Her right and She's now floating across the sky to join Jesus, Who's standing about fifteen to twenty feet above Our Lady's statue. Now They are both together: Our Lady is at Jesus' right side. Now Jesus is looking at Our Lady and nodding His head, and the Blessed Mother has touched now Her lips with Her first forefinger, which indicates directly that one must listen now and repeat.

Our Lady - "My child and My children, Our hearts are surely gladdened by all who have come here to the sacred grounds to be with Me and My Son on this wonderful occasion.

"It was many years ago that I came unto you, My child, Veronica, for a reason - and this reason has been accomplished by the mere fact that the words from Heaven have reached every major nation in the world, and the United States and Canada. The European market for the Message has been plentiful and fruitful.

"Know, My children, that nothing has been wasted - no act of charity has been wasted, and none shall say that they didn't try; because that is also the secret of success into the Kingdom of God, is that you will try to follow in My Son's steps."

Veronica - Now Our Lady is turning over and looking at Jesus, and motioning. Now Jesus - He's not moving His lips the way Our Lady does; He is actually - the only human way I could say is that He transfers His Being, the Holy Spirit, within you, to kind of, like take you over so that you could be a voice-box for Heaven. Now Jesus is nodding, and He's now touching His first fingers to His lips, like this.

Jesus - "My child and My children, We come with a joyful heart for all who have come to these sacred grounds. But Our hearts are heavily laden with grief because so many are still on the road to perdition. Ignorance may give them a short reprieve.

"In Portugal, My children - there's something I must tell you - In Portugal, I have made an appearance there, and I was among those who did not know Me because of the states' appointments - states, S-T-A-T-E-S appointment.

FLOODS SHALL INCREASE

"My child and My children, you do not recognize the floods that have been set upon you. These floods shall increase, and many will die; and these floods shall be in diverse places, places not known before to have had such an occurrence. Many mothers' hearts will be saddened.

"Also, My children, I have tried to warn you through My Mother and countless other personages from Heaven to prepare, for you are fast heading for a war - the Third World War, the war that shall make mankind extinct but for the few who are chosen to keep up the Faithful and True banner before mankind - the Faithful and True banner that states, 'This is my Jesus.'"

Veronica - Now Jesus is going over slowly towards the top of the statue. He's standing there now and looking all about Him. There seems to be something very serious happening because He can barely talk. Jesus' voice is choked with emotion.

Jesus - "My child and My children, you must keep the Message from Heaven going throughout the world with haste, great haste, for no one knows the day or the hour. But We have recognized the signs and have given these to you, My children.

"The Eternal Father knows all and sees all, and knows every heart that has been placed upon earth. However, the Eternal Father has said there will be a great destruction upon mankind very soon, because of their lack of listening to the cautions of My Mother and Our appearances throughout the world. War is a punishment for man's sins. There will be wars and more wars, and yet their hearts are hardened, and their ears have deafened to the fact that this can happen in the United States, Canada, and any part of the world that the enemy has infiltrated into.

"My child, this is not a lesson in politics. This is but a lesson of reality, what will happen if you do not accept the messages from Heaven and pray, do penance; do much to help My Mother in Her mission, for so many are needed, so many prayers are needed for those poor souls who have no one to pray for them.

"You ask, My child, countless times, in the power of God, why do you not just take them from the earth and cure them of their illness, the illness of ignorance and the illness of avarice. My child, there is one thing you must understand: man has a free will and shall not be forced through the gates of Heaven. He must come of his own free will.

"Many prayers and penances that have taken place throughout the world, and given to those souls who need them most, have saved many from purgatory. The day will come when all of you will understand fully the Message from Heaven, and the existence of hell, purgatory, and Heaven.

PLAN AFOOT AGAINST VICAR

"Do not let those who preach heresy change your hearts and take you away from My Church. Your Vicar is in great danger. Once more, there is a plot now afoot against him. He has many enemies. Though he has a loving heart, he has many enemies, as so did I upon the cross.

15 DECADES A DAY

"My children, you will all pray your Rosary daily, even if it means to stop the work you are doing. You will excuse yourself and retire to a quiet place in your office threshold. The Rosary must be said at least once a day, the fifteen decades. All who pray the Rosary and wear My Scapular shall be saved. All who place the crucifix upon their front doors shall be saved like the passing of the lamb.

"My child and My children, I do not have to stress to you the numbers of young souls that are being destroyed in wars that are going on now throughout your world. Do not become complacent, My children; do not think that this cannot happen here and there is no danger. The greatest danger for the United States and Canada comes from infiltration into every manner of business, and even the holy Church of God.

"Satan has entered upon the world some time ago, as My Mother expressed to you, and he roams now like a ravenous wolf; and if you do not keep your sacramentals about your neck, the chances are ninety-nine percent, My children, that you will fall. If you understand the necessity of the brown Scapular, you will understand also the necessity of keeping yourselves in the world, but not of the world. You must work for Heaven with a fervor that comes from the heart. And do not go about with lip service. There must be acts of charity among your people.

"My child, I request that all will relearn the Acts of Faith, Hope, and Charity. Now, My child, you will repeat:

I believe in God, the Father Almighty, Creator of Heaven and earth; and in Jesus Christ, His only Son, Our Lord; Who was conceived by the Holy Ghost, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, died, and was buried. He descended into hell; the third day He arose again from the dead; He ascended into Heaven, sitteth at the right hand of God,

the Father Almighty; from thence He shall come to judge the living and the dead. I believe in the Holy Ghost, the Holy Catholic Church, the communion of saints, the forgiveness of sins, the resurrection of the life, and life everlasting. Amen."

Veronica - Jesus is now going over to His Mother. He has placed His hand protectively upon Her shoulder. And Our Lady is smiling, but there are tears coming down Her face; I can see the tears. Our Lady is crying. Now Our Lady is trying to compose Herself. And She's leaning over now and looking at everyone, and then She nods to Jesus. And Jesus is standing over Our Lady's area now. He's not above the statue, He's slightly to the right of the trees.

Now He's extending His hands out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning. Our Lady had remained above Her statue silently with Her hands crossed, like this, across Her chest, with Her Rosary dangling in Her right hand. She has Her hands crossed about Her chest. And Jesus is coming over now, and Our Lady is taking Her Rosary, which was about Her waist, and holding it in Her hand. And the golden crucifix that Our Lady has on Her beads, it's shimmering so brilliantly that it's very difficult to look into Our Lady's facial area, because of the way the Rosary is shining all about Her.

Now Jesus has come over, and He's touched His fingers to His lips as Our Lady does. Our Lady has a very sad smile. She's trying desperately to smile, but the tears are just pouring down Her face. Now Jesus is extending His hand out like this, again, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is starting to float with Our Lady. They don't walk, They're-it looks like They're weightless. It's very difficult to put into human language the way They are able to maneuver in the air - on the air.

Now Jesus and Our Lady are both moving over to our left side, beyond the statue between the trees. And Jesus is looking down now, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is nodding. And She has on now, on Her head - I did not notice it before, but Our Lady has the Fatima crown, the large Fatima crown, upon Her head. And now She's got Her hands together, like this. And Our Lady looks so regal - every, every inch a queen. Her beauty is perfection. There is no human way to describe this. And the light that emanates from Them, there is no human words to describe this either. It's a phenomenon that's beyond human understanding, but not beyond the power of God.

Now Our Lady is taking out Her crucifix and extending it for everyone to be blessed again with the Rosary: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is kissing the crucifix of Her Rosary, and She's placing it back now in Her belting.

Now Jesus is - He looks a little stern. Now Jesus is touching His fingers to His lips, which means to listen carefully and repeat.

ON BRINK OF WORLD WAR III

Jesus - "My child and My children, you do not understand how close you are on the brink of the Third World War, which could break out any day now. All who are ready will not suffer the great cataclysm brought on by evil minds. You must all work and pray and do penance for peace among all nations; for We love Our children and We do not want to see them die, for many are unprepared and they come without Baptism.

"My child and My children, there must be many missionaries throughout the world that must help these lost souls, these ignorant souls. It is your duty as a Catholic, a Roman Catholic, to spread the Message of God and save some of these poor souls, for each one is a blossom upon the rosebush, and we cannot let them be trampled on. Love your neighbors as you would love your children, your family. Love them also as part of your family of Christian souls upon earth."

Veronica - Now Jesus is floating over towards the left side of the exedra. And He's extending His hand out, like this, again: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is touching His first finger to His lips, which means to listen.

Jesus - "My child and My children, and especially My children of the United States of America, you are surrounded now by reconnaissance planes and, also, you are surrounded by missiles. Know that your world is not safe any longer. This must be told to you, My children, to try to waken you up to the fact that now is the time to pray, that now is the time to do penance. Do not put it off for another day, for many of you shall not see the dawn of that day.

ST. MICHAEL EXORCISM

"I admonish you all, My children, as the Father in Heaven admonishes you in the Holy Spirit, to do what you can, with your heart and your love of charity, to help others and help them back onto the narrow road. So many have lost their way and are traveling the wide road that leads to hell. Lucifer is upon earth; you understand that his powers are great. That is why you must always test the spirits and say the Saint Michael Exorcism when it is possible. When it is not possible, you will say:

Saint Michael the Archangel, defend us in battle. Be our protection against the wickedness and snares of the devil. May God rebuke him, we humbly pray. And do thou, O prince of the heavenly host, by the power of God, cast into hell satan and all evil spirits who roam now throughout the world seeking the ruin of souls.

"You will remain seated, My child, and receive further instructions. But We wish now, through our media of the camera, that you take three photographs and read them carefully."

Veronica - Now the light is growing very dim above Our Lady's statue. And there's a quietness that is so difficult to explain, as though They've gone beyond - the only way I can explain it is like going through a looking-glass without shattering it. They - Our Lady and Jesus are now rising above Our Lady's statue, and Our Lady is smiling and She's placing Her finger now to Her lips.

Our Lady - "Do not be affrighted, My children and My child. We are not leaving. We will be here with you until the end of this struggle for the power of God to replace the heresy of the world."

[Pause]

ROSARY BEADS SHALL TURN COLOR

Our Lady - "With the extension of the Rosary, many shall now receive the power through the Holy Spirit, the Holy Ghost, to bring health of body and health of spirit to each soul. You will find that your Rosary beads shall turn color again. The stems will become pure gold. So do not cast aside your Rosary, thinking falsely, as satan would whisper into your ear that they're not good anymore and must be thrown away. That you will understand, that every Rosary that has been blessed by the presence of the Mother of God, Jesus, and the Eternal Father in the Holy Ghost, know that these Rosaries are very powerful. So you will keep them with you always, for they will have the power for cure and for conversion - cure of the ailing body and conversion of the sickened soul.

"My child and My children, you will continue to spread the Message throughout the world in great haste. And you, My child, shall not count the cost of keeping the Mission going, for all will be supplied with your needs."

[Pause]

Veronica - Now there will be three - three photographs taken, Our Lady said.

June 30, 1984

Eve of the Most Precious Blood and
In honor of the Visitation of Mary

Veronica - All about the trees now there are beautiful cascading lights, pink and blue. This always summons us to the knowledge, and gives us the knowledge that Our Lady and Jesus are approaching within range of our seeing.

Now all about the trees there's a beautiful light forming, and it's cascading, the light, upwards, high into the sky over Our Lady's statue. Oh, it's just so beautiful, the light. I can't explain it in human words; there are no words that can fit the beauty of the light that is emanating all about the trees and high now into the heavens. Now directly over Our Lady's statue, the sky is opening up in a circular pattern of light. It appears that we are having the most beautiful evening. The stars are shining, the sky is clear.

And Our Lady and Jesus now - I can see Them; They are coming from quite a distance, but They're both coming down together. Our Lady now . . . I can notice the shining crown upon Her head. And Jesus now has tapped Her on the shoulder and He is pointing all about Him, bringing attention to Our Lady of all of the wonderful peoples who are here to greet Them this evening. Now Jesus and Our Lady are coming now slowly through the sky downward. I would say now that Jesus and Our Lady are about fifteen feet above the statue.

Our Lady has on the most beautiful white gown. It has a border of gold of about - oh, about an inch all about the mantle, the cape. And on Her head She has the most beautiful crown. I've always referred to it as the Fatima crown, because that's exactly what it looks like.

Now Our Lady is looking about. And it's a little windy up there because even Jesus' cape is being caught in the wind. Jesus has on a burgundy-colored cape, and His gown is an off-white, like a beige. And Jesus has a tie about His neck. It's made of gold. It's a cord-like tie, and that's holding the mantle, Jesus' robe, on His shoulders.

He has on a pair of slippers that are sandals. I believe they're made of some type of animal skin because the sandals are open, and Jesus would be barefooted but for the sandals.

Looking over to Our Lady, I notice Our Lady has on very dainty slippers. They're white, but in the center of each instep there is a little rosette, a beautiful little golden rosette.

Now Our Lady and Jesus are coming closer to us now. Jesus is raising His hand, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now has taken the Rosary from about Her waist. Our Lady has Her Rosary wrapped about the cording around Her waist, and She's taking it out now and She's making the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady and Jesus are standing there. Our Lady has placed Her hands together, like this, in a prayerful stance, and I notice that Her Rosary, Our Lady's Rosary is dangling from Her fingers. She has the crucifix in the palms of Her hands, and the rest of the Rosary is dangling. And as it is going to and fro from the motion of Our Lady's hands coming upward, all the colors of the rainbow appear to be cascading from the Hail Marys of Her Rosary.

Now Jesus has tapped Our Lady on the shoulder, and He's motioning with His finger to His lips; that means that Our Lady now would like to converse with me privately.

[Pause]

"Yes."

Now Our Lady is touching Her lips again with Her two fingers, which means that I will listen and repeat.

Our Lady - "My child and My children, Our hearts are heavy this evening because the evils that We have warned you of have accelerated throughout the world.

MASS CELEBRATED WITHOUT HONOR OR SACRIFICE

"My Son's heart is bleeding because of the manner in which His Mass is being celebrated, with neither honor nor sacrifice. My Son is not pleased with the manner in which His Body and Blood is being given to all of the humans upon earth. Communion in the hand has not been, and will not be accepted by Heaven. This is a sacrilege in the eyes of the Eternal Father, and must not be continued, for you only add to your punishment when you continue on in the ways that have been found to be unpleasing to the Eternal Father.

GROSS CULT TAKING CHILDREN

"Your children have become innocent victims of their elders. Many parents are crying because their children have been taken from them, never to be seen again. I want you to know at this time, My child and My children, that there is a gross cult, a cult in your country now that is taking children from their homes to be grown up in an atmosphere of debauchery. O My children, whatever shall become of you?"

"I have traveled throughout your world through countless earth-years warning you that you are approaching a most terrible punishment. And how can we stop this now? It has progressed and is too late to be stopped.

"O My children, I know there are many that cry with Me. I go about the world now with tears constantly flowing upon My children. My tears shall not stop, for I know now that all of the cataclysms, and all of the floods, and all of the droughts shall continue. Mankind must be awakened from their slumbers, for they shall be punished in a way far worse than the human mind could comprehend.

"I tried to warn you, My children, that there is great talk, talk, and action going on now throughout your country, but the talks will get you nowhere, for they do not talk of the Eternal Father. They talk of peace, peace upon earth where there is no peace. There shall never be peace without your God. No man is a god, and as such he shall not make himself a god in the eyes of others.

"O My children, I beg you, as your Mother, to listen to Me. My voice grows weak. I have raised up other voice-boxes throughout the world now to try to reach those who have not deafened their ears to Our pleas. We ask you all to keep a constant vigilance of prayer going throughout your country and the world.

PLAN IN MOTION FOR INVASION

"Your country, the United States of America, is in great danger for invasion. Already the plan is in motion. I warn you again: The United States of America is in great danger of invasion. You are surrounded now by the enemy.

"Do not be misled by your news medias. They are not telling you the full truth. There is much going on that is kept hidden from you. Your country, the United States of America, and also Canada, has been invaded from within. The enemy has worked their way in well. It has taken years - years in which I came to you, as your Mother, and begged you to listen while there was time. But who cared enough to listen? Only those few who We now depend on to go forth and bring the Message to the world.

A MYSTERIOUS DISEASE

"The children, the innocent children, are victims of debauchery. The children - many of them shall die. We shall set upon your nation and other nations of the world a mysterious disease. But be it known now: It will not be a mysterious disease, but the hand of the Eternal Father placed down to remove these innocent souls before they are sent into debauchery. O My children, the missing children in your countries are not just missing because they want to be adopted, or others wished to take them into their homes as children to be loved. They are being taken to be used in all foul manners.

"O My children, I beg you, as your Mother, listen to Me. I shall never give up hope that you will listen to Me as My tears flow upon you."

Veronica - Our Lady now is crying. The tears are just - it's like raining from Heaven; the tears are falling down now upon us. I can feel them washing my face.

"But, Blessed Mother, I wish that I could help You in some manner of more sacrifice . . ."

Now Jesus is looking down at His Mother. She's turned Her head away to wipe the tears from Her face. And Jesus now is turning towards me, and He's placing His first finger to His lips.

BLOOD IN NEW YORK STREETS

Jesus - "My child and My children, My Mother - My Mother, My dear Mother, Her tears are falling upon the nations, for She knows as I do what has befallen mankind and what the future holds. I warn you all now: You are approaching a terrible crisis, a crisis that will involve death. Blood shall flow from the streets of New York soon.

"My children, that does not mean that you will flee, for you will find it will be of no use to flee the carnage, for you will not be safe anywhere but under the mantle of My Mother. And all who wear their Scapulars and the Rosary will be saved. But all those who cast them aside as superstition shall be lost.

"My children, you must wear your armor and protect your homes. I have asked you many times to bar your homes to all but your immediate family and close Shrine workers, for those who knock upon your doors will be evil, and will be sent there to invade you.

"O My children, what a world We are looking upon! Never has sin been so sophisticated and accepted as normal. No sin shall go unpunished. I want you to know now: there is a Heaven, there is a hell, and there is purgatory. And you, My children, of your own free will, will choose where you will go. No man shall go to hell unless he wants this and accepts it, and has turned to satan as his leader.

MANY SATANIC CULTS

"There are many satanic cults, My child, in your country, in Canada, and in all the nations of the world. Satan has done his work well, but he knows that his time is limited. Therefore, he will now gather more disciples to be among you. You will be given the knowledge, My children, when you wear your Scapular and keep your Rosary with you - you would be given the knowledge to recognize the face of evil. Though they wear the bodies of men, they are demons in human form.

"I warn you now: All of those - what they call flying saucers, My children, they are not flying saucers. They are vehicles from hell transporting demons from place to place. Though they be spirits, there is a mystery of the living dead that you do not know. They must be transported; they cannot go upon their own. This is a mystery that I shall, perhaps in the future, give you the knowledge of.

"My child and My children, you must pray constantly. The sound of prayer is like cymbals clanging through their ears, and they must turn and flee from you. So you must keep a constant vigilance of prayer going throughout your life. Your station in life means nothing. You must pray, for you will lose everything - your station, your home, your children, your lives.

"O My child, if only I could come with words of cheer. But can I deceive you? I am not the deceiver; I must tell you the truth. And the only way you can protect yourselves and your family is by knowing the truth.

GRAIN STARTING TO GO THROUGH

"Keep a constant vigilance of prayer going throughout your world, your country, your home, and you will be saved. There is still time to turn back. How much time is given to you? The one grain is beginning to now go through the hourglass. That will tell you, My child and My children, how serious a situation now is upon us.

"Look up into the sky, My child - "

Veronica - Directly over Our Lady's statue there's a large globe, but it's very black-looking and dark. But I know it's a globe of the world with a huge cross on it. But now flames, flames are leaping out from each side of the ball. It looks like the world's afire. It's a frightening thing, the most frightening thing! Oh, God have mercy upon us all! Mercy!

Now Our Lady is coming forward. And the burning world is now evaporating, and Our Lady is touching Her first finger to Her lips. She's still crying; the tears are coming down from Her eyes onto us. And I know these tears are falling on many, because I can feel them now on my face.

Our Lady - "I cry, My tears fall upon you, My children. O how blind many are! I love each and every child that has been placed upon earth, but My heart is burdened by those who have been aborted. The Eternal Father sent the little ones upon your earth for a reason, and they were murdered! This shall not be allowed. They were murdered! Any country that allows the murders of the young and the unborn shall be destroyed. Any country that allows homosexuals to roam and to seduce the young shall be destroyed. Any country that has defamed My Son in the Holy Sacrifice of the Mass will be destroyed.

"My child and My children, I know how concerned you are with the sternness of the message, but you must understand the truth must be told. It is only by truth that you can be saved."

Veronica - Our Lady is pointing over now to Her left side, that would be our right side, and over - I can see a map, and I know it's a map of Europe, Western Europe. There's something going on there.

WAR IN WEST GERMANY

Our Lady - "It has not started, My child, but there will be great confusion, and war shall break out in the western part of Germany."

Veronica - Now Our Lady is pointing over to Her right side, our left side, and there's another map. And I see Israel, and countries about it; they're all aflame. And the way it's circular, it looks like part of the flames that I saw coming out from within the ball before.

Our Lady - "Wars, My children, are a punishment for man's sins. The wars shall increase, and the carnage shall increase, and those who are living will often envy the dead, so great will be the suffering of mankind. All of this suffering, My children, mankind has brought upon himself. When he left the Eternal Father he turned to satan, and this is his reward.

MASSES AND SACRIFICES TO SAVE POPE

"O My children, pray, pray! Pray for your Vicar. There will be another attempt upon his life. Pray for your Vicar. Do not judge him by the medias, for he is a good man, with a heart that is soft, and often he can be misled. However, he is a good man, and he is one who I keep now under My mantle for his protection. But We need your prayers, My children, your Masses and your sacrifices, if you want him to remain among you. As I say, I will repeat again: There will be another attempt upon his life, and this one, My child, shall be serious."

Veronica - Now Our Lady is going over to our right side, that would be Her left side, and She's lifting Her Rosary - the beautiful golden crucifix, with the beads of all colors - and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is kissing Her crucifix, and She is also touching Her first finger to Her lips.

Our Lady - "My child, you must make it known to all that all of the Rosaries blessed this evening, and all of the sacramentals, shall be used in the future for cures and conversions - cures of the body and the spirit, conversions of the soul, conversions of unbelievers."

Jesus - "This We give to you from Our hearts that are filled with love for Our children, even those who have turned away from Us. We love you all, My children, and We want to save you. That is why My Mother has constantly appeared upon earth: because We don't want satan to have one of Our children. Pray for your brothers and sisters; do not judge them, but pray for them that they have the strength to come from within and out of satan's grasp."

Veronica - Now Our Lady is making the sign of the cross again: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is coming - Jesus was standing by the tree over on our right side, and He's coming over to Our Lady, and He's placing His arm about Her shoulders. Our Lady is crying. It's been many years since I have seen Our Lady cry so much and so hard.

And now Our Lady is holding up in Her hand a heart. It is actually a pulsating heart, but it's got all knives in it - wounds.

Our Lady - "See My heart, My child, torn with grief due to the abuses to My Son. I love My Son, and I want you all to love My Son, as He loves you all, in the Father, the Son, and the Holy Ghost. We bring these words to you and these words of caution from the Eternal Father. For satan is loosed upon your earth, and many have already been taken captive by him."

CRUCIFIX ON FRONT AND BACK DOOR

Jesus - "Pray and wear your sacramentals. And also, My children, I ask you again to place a crucifix upon your door. Both front and back doors must have a crucifix. I say this to you because there will be carnage within your areas, and this will pass you by if you keep your crucifix upon your doors.

"My child, Veronica, you will not become duly concerned about finances. As I told you once before, I will see that the needs for My Mother's Shrine are filled."

[Pause]

Veronica - Now Our Lady and Jesus are rising high into the sky. They're not leaving, They're going to stand there. Our Lady is saying something to Jesus; I can't hear from here. Oh! Oh, Our Lady said They are not leaving; They will be here. And you must continue with your prayers of atonement.

Hail Mary, full of grace, the Lord is with Thee. Blessed art Thou among women and blessed is the fruit of Thy womb, Jesus. Holy Mary, Mother of God, pray for us sinners, now and at the hour of our death. Amen.

YEAR 1994 - Final Vigil Message through Veronica

6/18/94

July 1, 1985

The Most Precious Blood & Eve of the Presentation of Mary

Veronica - There are blue lights cascading all about the outside of the trees, directly over Our Lady's statue. Now high overhead - I can't actually figure in lengths of miles - I see Our Lady's beautiful white light. It's coming through like a ball. Oh, it is, it is a ball. And Our Lady is standing on top of it, but She's so luminous it's very difficult for me to look through the light until She comes down farther from the sky.

Now Our Lady is riding this ball very fast, and She's now directly above, on the ball, above the tree that's above Our Lady's statue here. Now Our Lady is stepping off. The ball is suspended in mid-air. It looks like a ball, yet I can't make out the figures on it. Yes. Oh, it isn't a ball, it's actually a globe of the world, because the figures I can't make out are in all directions, and some of them are blackened, some of them are in red, and some in white.

Now Our Lady is motioning to me. She's holding Her Rosary like this, while the ball is suspended, our earth, at Her left side. Our Lady is going over to our left side, just beyond the first large tree towards the statue, and She's extending Her beautiful crucifix on Her Rosary, the Rosary with the golden Our Fathers and the white Hail Marys, that cascade all colors as She's turning. Our Lady is blessing everyone: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking about. Her beautiful white gown - She has on the beautiful white gown, and also a mantle. The mantle is pure white. Now I can see above Our Lady's waist, just a little above the narrow part of the waist, She has on a gold chain-like, corded belt, like, to hold Her gown. Now Our Lady has Her mantle completely about Her head and Her shoulders; I cannot see Her hair. The mantle is a pure white, that's actually luminous and glistening. And about Our Lady's mantle there's a small border of about a half an inch of gold all about Our Lady's mantle.

Now Our Lady is taking the crucifix of Her Rosary and kissing it, like this. And now She's going over - and the globe is remaining stationary, though it had moved while I was watching Our Lady on the left side. The globe has obviously moved farther over to our right side now. And Our Lady now is approaching the first tree, the very tall tree over Her statue.

Now Our Lady is taking Her finger, like this, and motioning to Her lips, which means to listen, My child, and repeat. Our Lady is bowing Her head, yes. She's holding Her Rosary, as though to give Her strength for some very urgent Message to the world.

Our Lady - "My child and My children of the world, I come to you with great news, not one, though, of joy, but of pity and sorrow. I say sorrow, because for many earth-years I have wandered among you, from place to place and country to country, trying to warn you to avert this coming Chastisement, which is fast approaching mankind. Many shall die in the great flame of the Ball of Redemption.

"All scoffers will learn too late that the Mission from Heaven was urgent and sorely needed, for the numbers of sin, those children in sin, are counted now not in the few but in the multitudes, falling fast into hell."

Veronica - Now Our Lady is looking up and pointing towards the heavens. And as I watch Her, She's going over and She's now, though, directly by the ball, and She's showing sections of the ball to me with Her finger.

Our Lady - "There it will burst into flames, My child."

Veronica - Now that's - I can see from the ball that it's an actual globe of the world, like we have on our desk in school. And the first place to burst into flames is Africa. Now Our Lady is pointing farther up on the globe, and She's saying now:

Our Lady - "Listen, My child, and repeat this well.

"The United States of America is fast approaching on the start of the Third World War. My children, your newspapers and your medias give no account of these secret missions. There are men going from the State's Department back and forth, hinder and yon looking for peace, peace, where there is no peace, and peace where there shall be no peace unless they follow the directions of the Eternal Father and the messages given from Heaven in the past years - not alone on these grounds, My children, of Bayside and Flushing Meadows, but also to various seers, young and old, about the world. The world is crying, peace, peace, and there will be no peace unless the world will recognize My warnings of caution from years ago in earth's time, and they do something about it.

"I have promised you peace, My children, if you will go forth with your Rosary in one hand and the brown Scapular about your neck. How many have cast aside their armor because they fear or they are afraid of the mockery of those who have already hardened their hearts to the truth. And their eyes and hearts are eternally blinded, for many of them shall fall into hell, and many of them shall be wearing their red birettas.

CLERICS PLANNING DEATH OF POPE

"My child, I say this, for satan has entered into the highest realms of the hierarchy now. And this I say unto you: Stop them now while there is time. Approach your priests, for they are planning the extermination of Pope John Paul II before the Synod.

"What can I do, My child, you say to yourself, as this goes through your head with fear. There is nothing to fear, My child; I have given you the course. You will pray the Rosary daily, My children, link to link, bead to bead, going throughout the whole world. For I repeat, your time is about up: any day, any hour, you will face the major part of the Chastisement.

"My children, I caution you now, and I wish that you remember these instructions from several years ago in earth's time that I gave to you, to keep in your homes a good supply of canned goods. They have shelf value, My children, they will not spoil. But better that you keep them and they spoil than to have come upon you the great Chastisement. It will be a ball of fire which will ignite many of the chemicals that are being stored up for the destruction of the nations.

"My children, I repeat anew: Why has Rome and Our Vicar given up the course that the Eternal Father gave to Me to pass on to you children? Why are they opening the doors for another attempt at assassination to your Pope, Our son, John Paul II?

STORE CANNED GOODS, WATER, BLANKETS

"My children, not only with the canned foods will you store just food, but you must also make known to your families and your friends that they had best keep blankets and water in tight containers; for there will be on the onset of the Chastisement, there will be nothing you can buy due to contamination.

"Your homes are protected by a supernatural being, with Saint Michael, the head of the armies from Heaven. Just as in the days of old, so will it be, My children, that there will be sent to you an angel of death, but in human form.

"While the world cries peace, peace and salvation, they do not look in the right direction. They are depending on the scientists of the world, who are ever seeking but never coming to the truth. These scientists have created now arsenals of ammunition, and warheads and missiles, in which they seek to gain control of the world.

NATIONS TO DISAPPEAR IN 3 TO 5 MINUTES

"And, My children, it does not take much knowledge or a learned being to understand that Heaven alerts you now to the dangers of the onslaught of Communism. Satan, being at the controls, will soon have one who is possessed, and of, also, a major rank in the world today, to press that one little technical, technological wizard, not in human form but in mechanical form. Like a robot, this will go forth among the nations, and nations shall disappear from the earth in the short time of three to five minutes."

Veronica - Oh! Oh! [Veronica sighs heavily.]

Our Lady - "My child, I cry tears of great pity for you. Do not be afear'd, My child; I have made a promise to you that if you do My Mission, using every ounce of the energy that you can in a broken down body, you will save many souls, My child. For a reward, I say unto you: your children will be saved.

"The world may call it the onslaught of holocaust, but not many will have the opportunity to try to figure what has happened about them, as they run back and forth and try to flee before the Chastisement. Don't look back, My children, as you find the bodies - black, dead bodies, lying among your roads. Do not touch them, or you will die, also.

RUSSIA HAS NOT BEEN CONVERTED

"This will tell you, My child and My children, that the major Chastisement shall be a Third World War, which is in the planning now. Russia has not been converted. And why? Because the Message I gave many years ago to the little children, and to those who had the heart to seek for the truth, I told them that unless they prayed the Rosary and wore their brown Scapulars, death shall be a place among the living: death such as no man could perceive in his human mind, to see the destruction of missiles and other contemptible, technological implements, made strictly from the knowledge of satan.

"In the Church, My child, cry with Me. My tears fall upon you and your children, and all of the children of the world, because of the fact that many shall die in the great flames of the Ball of Redemption; and also, the technological weapons of the enemy, Russia. All of these munitions are being sent throughout the world. They are building up armaments beyond what man could conceive. This you must know because only you, My children, who hear My words and act upon them, shall be saved.

"Your children - I cry for you, poor mothers. Know that My Mother's heart is solaced only by the knowledge that these children shall not be lost to Heaven. But your young children have been disappearing from your homes. And where are they, as you go to and fro looking for your children, and My Mother's tears fall upon you? Many shall be found dead, but others shall never be found, for they are disposed of in a most despicable way by a group known as the satanist.

TWELVE MAJOR COVENS ON LONG ISLAND

"These groups, My child and My children, are increasing. Even on your island of Long Island, there are at least twelve major covens, and they are using human sacrifice. These bodies, My children, cannot be found by the police or other authorities who seek to help and to solace the hearts of the family members of the lost child.

"But I tell you this now, why we have the abomination of murders of children, for they are possessed by satan, those who will set into motion laws, laws that are against God. Your country, My child, the United States, shall feel war as never have they conceived in their minds that this could enter upon the glorious nation of the United States and Canada. No, My children, you cannot escape this. Your time is running out.

BOIL WATER FOR HOME USE

"My child, I wish that you boil the water in your home. I will tell you now, My children, if you are receiving waters for your use in your homes, it must be boiled, because the contamination of chemicals and waste matter - nuclear waste matter - is driving down into the soils of the nation and polluting these waters, which will bring imminent death to many.

"My child, you are affrighted at much I have to say, but that is the reason, My child, We took you out of your sickbed and brought you, through the grace of the Father, to these grounds tonight.

"It was imminent that on the 18th you listen and follow My directions, My child, and you did well, for you have saved a soul from hell. Yes, My child, I know you are shivering when you think of hell. And when I took you down to see hell and purgatory, My children and My child - My child, especially you, Veronica - you know that My words cannot be taken lightly, for you lived them. You lived the consequences of such evil when you could not attend on the 18th. Pray, My children, a constant vigilance of prayer.

"And also at this time, I wish to extend My Mother's heart of comfort to Father S. It was the Eternal Father's will that he come unto you. But, naturally, as he joined the flock from Heaven, the wolves were after him and dispersed him from among the flock. His heart is known to Me, My children, so do not seek to find reasons for his present conduct. He will come back, but he will have a heavy cross to carry when he returns. We are proud of Our son that he did much to spread the Message from Heaven.

"My child and My children, pray for those poor mothers who had the missing children, There will be great punishments before this major Chastisement, My child. There will be many punishments; many tears shall flow from the mothers' eyes, and their hearts shall be opened for mercy, begging for mercy.

"My child, I wish at this time that you will take three pictures. They are very important, because as I have made known to you before, and you will repeat again: satan has entered into the highest realms of the hierarchy. A Church in darkness wears a band of death about it. Better that there be a few with quality than nothingness. For without the light of God truly shining within My Son's churches on earth, they will become darkened, as they take with them onto the road to perdition many souls. Do not judge them, My children, when you come upon these lost souls, but pray for their salvation, for many have been misled.

"As I said before, My Son's Church is in great crisis. The enemies of God, with Russia as the head, now seek to destroy the knowledge of the Eternal Father in the Trinity. My Son, they seek to take My Son from history and try to defame Him for their own gains.

"And, My children, warn others throughout the world that they must not use My Son's name in profanity and anger. My Son's name is being abused to the point now where the Eternal Father has His heavy hand near the Ball that sets at the foot of His throne."

Veronica - Our Lady, Our Lady is pointing over now - She's standing directly over the statue in the center of the pavilion. Our Lady is pointing over, and She says to listen, My child.

Our Lady - "See that picture, My child. There is silver, much silver being placed upon a table, and hungry eyes look at it until, like the magic of satanism, their minds are clouded. And I see among them many clerics; they are Roman Catholic clerics. They are among those . . ."

Veronica - Oh! [Veronica sighs with much distress.]

Our Lady - ". . . who are plotting the assassination of Pope John Paul II. May God, My children, have mercy on their souls, and stop them before it is too late. They cannot hide their guilt from the Eternal Father. And as they mislead the flock, and even stoop to murder to get their way, they are nothing but agents of hell.

"My child, take three photographs, and then I will speak again."

Veronica - Our Lady is pointing up to the sky, and high up in the sky, I see St. Peter's in Rome. Our Lady is now over the dome of St. Peter's and She is taking Her mantle, and it opens very wide. Our Lady is spreading it over St. Peter's Basilica.

Now Our Lady is touching Her lips, which means to listen well.

Our Lady - "My child, I shall send many agents from Heaven, angels to protect the Holy Father. But you who are on earth must do your part, for in no way must you have a measure, in the end, of responsibility for your lack of cooperation with the instructions from Heaven to save your Holy Father, the Vicar on earth, John Paul II.

"My child, immediately take the three pictures, and remain within yourself until I speak to you again."

[Pause]

Veronica - "I can repeat?"

Our Lady - "Yes, My child, you may repeat. The pictures will bear this out. Do not be affrighted of retaliation. Never be affrighted, My child, for you are following the directions from Heaven well, and must continue to do so."

Veronica - Our Lady is holding up a parchment of paper.

Our Lady - "Look, My child, what has been written down. From where and whence did this parchment of reconciliation with Russia originate, signed by many cardinals? O My child, My heart is bleeding."

Veronica - Oh! [Veronica sighs.] Our Lady's mantle has set apart a bit, and I see a heart, Her heart, and there are knives and thorns, a whole cluster of thorns, just like they put on Jesus' head before He died. Oh!

[Veronica sighs heavily.]

Our Lady - "Take the pictures now, My child, and I shall ponder whence to give you the last of the Message."

[Pause]

Our Lady - "Among those who went forth to harm the Church of Rome, there was Cardinal Jean Villot. He has received his just penance.

RESCIND VATICAN - RUSSIA TREATY

"The parchment of paper contains the words that made a treaty between the Vatican and Russia. That treaty must be rescinded. There are, My child, still living . . . three living upon earth who were members of the drafting of this treaty.

"Now, My child, you will read the photographs."

Veronica - All about the trees and back of Our Lady's statue, there are pink lights coming down in streamers from the heavens. And directly over Our Lady's statue, high in the sky, there's a circlet of light. I always feel since seeing that with Saint Theresa and other personages that are in Heaven, that it had something very, very special about that circlet of light, that some day Our Lady may reveal to us; it's something supernatural.

But Jesus is coming forward now. He's hearing me. He's smiling and He - the light is dimming quite a bit as He's coming down now. He's standing directly over Our Lady's statue. I can't count in feet, but I would say He's at least seven feet over the statue. Now Jesus is looking all about Him, and it's quite windy because His cape is blowing out from Him as He's looking back and forth with a smile.

Now His hair is down - He has no cowl on the back of His robe. Now the robe is a burgundy color. And this evening - I don't know if I saw it with gold on it - it has gold all about the outside, about a half an inch of gold trimming all throughout the cape.

Now Jesus, His gown underneath is not that long, that I can see His feet. He's wearing sandals, but they look like they were made from some kind of brown skin, skin-like material, animal skin.

Now Jesus is looking about Him. Now He's moving over to our left side, that would be people in the other direction, their right side. But from where we are, He's moving over to His right side, our left side.

And now He's raising His hand, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking over to our right side, and He's moving very slowly. He's looking all about Him. And He's now directly over again Our Lady's statue. He had wandered over, and then seemed to hesitate for some reason, and come back to the center.

Now He's extending His hands and His arms, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's making a fast turn to His left, our right, and He's going across the sky, and He's standing now about two feet above the bushes, the trees, about two feet above.

Now Jesus is looking about, and He's raising His hands very high: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's doing something very, very strange. He's extending His hands out, like this, in front of Him, and there are all rays coming from His arms and His hands. The rays are extending high over our heads. They go beyond to a place back here. [Veronica points to her right.] I believe there is someone, Jesus says, that is very ill, but he will be cured this evening. Right over in this section, over there.

Now Jesus is looking. He shook His head yes, I understood well.

Now He is going, He's turning fast to His right, and He's coming above Our Lady's statue now, again. He's looking about Him, and now He does this, like Our Lady does, which means to listen and repeat.

Jesus - "My children of the earth, how happy I am to know that there are those among you who are willing to dedicate and sacrifice their lives for the entrance into Heaven through the salvation of many souls upon earth.

"You must all make it known to mankind that there is a hell, there is a purgatory, and, of course, the Kingdom of Heaven. The road to hell is swift and wide. The road to Heaven is narrow, and too few are not finding it.

"My child and My children, you must do your utmost to bring back into My House, My Church upon earth, the Faith. I often cried through My Mother's tears. Her tears and Mine abounded over the earth, because through the Eternal Father, man was given a conscience and a free will, to either accept Heaven by sacrifice and penance, and having to face the rebuke of a darkened world.

"I want everyone upon earth to know that the great Chastisement and the punishments of droughts, earthquakes, hurricanes, tornadoes, are but minor compared to the number of lives that will be lost with the great Chastisement.

THE ABOMINATION OF HOMOSEXUALITY

"I hold your country, My child, at fault because too few who are in power in the government and the teachers from My Church on earth, too few are willing to fight against the abomination of the homosexuality that is raging throughout the United States, Canada, and the world. In no way will homosexuality be accepted, for it means damnation and destruction. And I say this to you, once fair maidens in the convents of the world, who have chosen to cast aside your profession and your oaths of allegiance to your God to seek a more pleasurable life upon earth without your habits, without your convents, and living the life of a lay person.

"All who have received Holy Orders, legally, shall be held accountable for their casting aside their profession, for they are weakening the structure of My House.

"Many, because of the mistakes made issuing forth from the good hearts of John XXIII, Pope Paul VI - many have taken the messages and the directions given at the Vatican Council and twisted them to suit themselves, reading in the Bible words of their own, or finding excuses for their sinning, through the Bible.

"My child and My children, the murders of the unborn will bring great chastisement upon the United States, Canada, and the nations of the world, that are now contributing not only to the delinquency of your children and the world's children, but are condoning murder and euthanasia. Euthanasia, My child and My children, is murder!

"We have been very patient. The Eternal Father has voiced His decision within My hearing, and I tell you, My children, your chastisement is just at hand.

"We expect all of you to read and re-read My Mother's directives, for they are My directives in the Eternal Father and the Holy Ghost.

"No man shall fall into hell unless he wishes it. For his heart and his eyes are blinded. His heart is hardened, and the pleasures of the world, and the popularity of a generation that has gone insane with sin - for these he will give up his eternal soul.

"And especially, My children, I repeat anew the words of My Mother when She said to you some time ago, that anyone who has even a small measure, responsibility for the deaths of the unborn, shall be judged as a murderer. No nation that has become so corrupt that their legal rules and regulations are changed for those who are in sin, shall not stand. They will burn in the embers, as the bodies will burn upon the roads and the streets.

"My children, I have great compassion for all of My children of the earth. But I say unto you, you have a free will. My Mother has accepted Her role as a Mediatrix between God and man. If you listen to My Mother's counsel you will be saved, and you will also share in the struggle to right the wrong that has been done against the Eternal Father and all the personages of Heaven.

"Theresa wished to be with Us this evening, but due to the time and the condition of your physical body, My child, I send you her words, though she chose at first to appear herself. I send you her words: 'My sisters, what have you done to yourselves? I can see, through the Eternal Father, what has happened within the convents. I can only beg you to open your eyes and ask the Holy Spirit to guide you. Accept not the counsel of man, for satan now and all hell has opened up and the demons are upon earth. This is the final struggle for souls.'

"My Mother told you some time ago that soon Her words will be few, and this soon has now covered a year's time. But you must know that as a voice-box We had to seek and bring you, My child, back to the grounds so that We can go forth, and together try - I say try - to save the world from its own destruction.

"Satan has poisoned their minds, and your great scientists now seek only one thing - to please the Bear. For money. And what is money? You cannot take it beyond the veil. You will go out as you came in, but you will be judged when you go out.

"My child and My children, I stress anew for My Mother that you keep a vigil of prayer going throughout your countries and the world. It will be through My Mother's brown Scapular and the beads of prayer that many souls can be saved, and there will be a lessening of the Judgment against mankind, where he will lose his body as he becomes an ember, so great will be the flames.

"My child, do not be affrighted. I will show you a picture now. Now you hold onto your crucifix and do not be affrighted."

[Pause]

Veronica - "It's horrible! Who are they?"

Jesus - "The good and the bad shall die together, My child. Yes, you may describe if you wish, My child, what I have just shown you."

Veronica - I see a road. I see people fleeing, their clothes are ragged. It seems as though they had been hit by some kind of shrapnel, or something that's tearing the clothes off their bodies. But the worst part of all is that beyond the roads I see bodies, dead bodies strewn all over - in the streets, through the houses, in the lots. And I see the waters aflame. And I see waters churning and churning, and rising higher and higher, as they wash onto the shores that border the seas.

Jesus - "Yes, My child, in the great Chastisement a ball of fire shall fall into the waters killing all that is living in the seas. And also, unfortunately, because they could not listen and change their ways, many will die also from the flames and also from the waters. Those living along the coastlines, We caution them to keep a sacramental and a crucifix upon their doors, for the angel of death shall not enter your home.

"Now, My child, because of the long term of rest and illness, you will take three more photographs. They will stress what I have just given you in words, that sometimes, My child, one photograph can convert many, because seeing to some is believing. Blessed are they who do not have to see to believe. But if they must believe by some physical sign, We send all of this to you, My children: conversions, cures, photographs. Surely you cannot turn away from the pleas of My Mother.

"Now, My child, you will take the photographs, and I will put explicitly in them what I have told you. Sit back, My child, and rest."

[Pause]

OLD MASS MUST BE RETURNED

Veronica - Jesus is not pleased with the manner in which His clergy are carrying out their vocations, and also, the Mass. Jesus wishes that the old Mass be returned to wipe out many of the errors that have crept in since the new Mass has started.

Jesus - "And I must repeat again, My child, for the consolation of mothers. They must watch over their children carefully, for there will be thousands upon thousands that will vanish without a trace. The satanist cults are turning into armies, My child. They have already tried to attack you through the powers that they retain from satan. Do not be affrighted, but you must be more careful, My child, whom you let into your house. For the souls of those who knock upon your door are, knowingly or unknowingly to themselves, sinful and on the road to destruction, and trying to take others with them.

"It will take courage, My children, to carry this Mission forth. But you will be guided by Our Blessed Mother. My Mother has accepted Her role and She promises you, as I do, also, that We will be with you until the end of time, and the beginning of a giant, great renewal. That, My child, shall be given in time to all mankind.

"You will take the photographs now, My child; it is most important."

July 25, 1985

Eve of Saint Anne

Veronica - All about the trees - it's beautiful; there are blue lights. They're the calling lights for Our Lady. And just up above the statue, high in the sky, I can't judge by feet or distance, Our Lady is coming down very fast. Oh, She must be very agitated about something. I notice Our Lady is not coming down slowly, but She's descending very, very fast.

And oh, Our Lady looks so, absolutely so beautiful. The white light that seems to come from within Her and shine out makes it very difficult at this time to see Our Lady's clothing.

But now She's coming down, and She's going a little to the right. Now She's just over Our Lady's statue, right about, I would say about maybe four feet from Our Lady's statue, upward.

Now I can see Our Lady very clearly now; She's smiling. She has on the most beautiful white gown. The white gown has a border of gold, I would say about a half inch of gold all about the inner rim and down by Our Lady's feet. Our Lady has on sandals; they're very beautiful. They have a strap, a gold strap, that may be material - it looks like material. But at Our Lady's tongue section She has the most delicate rose, but the rose is gilded, like in gold. And Our Lady is nodding and saying yes. And now also I notice that Our Lady has changed Her color, and She has about Her waist - instead of the gold buckling, She has a blue scarf. I would say it's a scarf because the ends are now coming forward in the wind from Our Lady's cape.

Now Our Lady is coming down closer, and She's motioning like this, to listen and repeat after Her.

Our Lady - "My child and My children, especially My child Veronica, I knew of your suffering, and I knew that you would not turn your back on My pleas to come to the grounds this evening. I will not tax you, My child, with too long a Message for the world this evening. But most of all, I come to say, My children, that your time has been shortened. The cataclysm, the day of sorrow, and the dark, long days are coming upon you.

HEAVEN SEARCHED YEARS FOR A VERONICA

"I have gone throughout the world for many earth-years, searching and seeking out those who would give their lives to Heaven for the salvation of their brothers and sisters. The calling, My child and My children, did not go as you would expect. By the time We had reached you in Bayside, in your home, My child, We had looked with Theresa a long time for a Veronica. I know this does boggle your mind, My child, but what I mean to say to you is that, yes, even though the highest - the hierarchy of Heaven you would call it - the highest in Heaven approach many souls to be messengers, voice-boxes for the Eternal Father, through My Son and the Holy Ghost, but sorrowfully, My child, they turned Him down. I know this shocks you, My child, but you understand in a man's human nature he is given the choice to go on the long road or to search and work for entrance to Heaven by the narrow road.

"My child and My children, I have cried great tears, My child, since I last saw you, for the fathers and mothers, the poor mothers - they do not know what lies ahead for their children, their children of all ages. Satan and his legion of demons and devils are loosed now upon earth in full force. They are doing very well, My children.

"And I sorrow and cry bitter tears because many of you who have heard My voice through the years have taken on a firm, undisciplined attitude of, 'Oh well, nothing's happened now; it shall not happen soon, for everything remains as it was when the Father started it.' My child and My children, that is not an attitude that should be taken by anyone. The Eternal Father, with My Son and the Holy Ghost, are all-merciful, but you do not even recognize the Eternal Father, My children. You cast Him aside as a myth or a story. But there is definite proof, My children, in the Book of life and love, the Bible. But how many have taken the time to even check through the Bible?

INDULGENCES FOR READING THE BIBLE

"I say now, My children, that you must understand there are great graces given for reading the Bible, even a short time of fifteen minutes; you will be graced by indulgences. Have you forgotten, My children, in the modernization of My Son's Church, have you forgotten the meaning of indulgences? They are applicable to the time you may have to put in purgatory, My children.

"I cannot lie to you or try to fashion My words to suit the widened area of the world that through their seeking of riches and positions of high nature and powers beyond what is needed for their soul, they seek to discard all of the knowledge of sacramentals, penance, and all other means that Heaven has given you through the Book, the Bible.

"My children, I say again: If you will just read for fifteen minutes, first giving yourselves over to the Holy Ghost, and employing the Holy Ghost to help you to open your hearts and clear your eyes that are clouded by the world's goods . . . I say goods because, My children, many have sold their souls to get to the head. They place more value on their coins. No coins shall jiggle on their person when they come for judgment. One day there will be a great General Judgment, and all mankind then will

be forced to accept what he has sown. Many are throwing away the time allotted to them to right the wrong, to restore My Son's Church to its former glory, to bring your children out of the darkness and into the light.

"O My child, I am crying tears; My heart is torn when I think of the children of earth. The parents - they look away as they are in pursuit of riches and material things of the world. None of this can be brought into Heaven to buy your salvation. No, My children, My Son has often said that it will be easier for a camel to go through a needle's eye than a rich man to enter Heaven."

Veronica - Our Lady is looking about Her now, and She's wiping the tears from Her eyes.

"Don't cry, Blessed Mother." [Veronica speaks with heartfelt compassion.]

Now Our Lady is going over to our left side. She's just above the high tree, the highest on the left side, the right side of Our Lady's statue.

Our Lady now is taking Her Rosary which She had about Her waist, like this, and She's holding it up now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking all about Her. She's moving now towards our right side, that would be between - She's just about between the tree and the statue now. And Our Lady is coming quite a bit lower now. I would say as She goes to the right, She'll soon be standing on Her statue's head. Our Lady smiled, and She's rising higher. And now Our Lady is directly above the statue, and She's holding Her crucifix, the beautiful golden crucifix on Her Rosary out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is motioning:

Our Lady - "Come with Me, My child. Watch now."

Veronica - And Our Lady is going over to the right side of the statue, that's our left side, not right side; but to the others on the other side it might be confusing, but Our Lady always follows the same type of pattern of going from left to right.

Now Our Lady is extending Her crucifix out quite a bit in front of Her, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is doing something different. She is placing Her Rosary, the beautiful Rosary with the golden Our Fathers and the white Hail Marys that cascade like the colors of the rainbow as She turns. And Our Lady now is holding Her Rosary just on Her arm, and She's extending Her hands out, like this, and out from the fingers, down over the crowds - they go beyond, but I can see - Our Lady has radiating lights coming from Her fingers, going directly over in that direction [Veronica points behind herself to the right], that would be our right side. The lights are tremendous; they're piercing. Our Lady now is motioning now to me - Her head; She had not taken Her hands away because the lights are still there.

MAN IN WHEELCHAIR CURED

Our Lady - "You will see, My child, and know soon, why the light of Heaven has fallen upon two individuals who, as of this moment upon earth, are now cured. Get up and walk, My son."

Veronica - Now the lights are, like vanishing; they're like smoke. I cannot explain it in human language. They weren't drawn back, but the light is, like dissimilating into a smoky pattern and gradually fading away.

Now Our Lady is going backwards. She came down quite far to get to the individuals who are somewhere over here on the right. [Veronica again points behind herself to the right.] And the lights were so far - I would say that they are beyond the point of half of the crowd, out to the street and beyond that point. The man - Our Lady said the man is sitting in a wheel chair. The man is sitting in a wheel chair, Our Lady said. And the other, a lady, is now rubbing her arms.

Now Our Lady is turning. She's looking over to the right side now, and gradually She's going over above Her statue. Our Lady does not have to walk, She floats. There's no human way to describe it; it's beautiful to see. It's as though She has no weight at all; She is floating over. It's so beautiful. And Her cape is catching with the wind and going out behind Her. And I tried to look to see if I can see Our Lady's hair, but somehow She always has Her hair covered, to me.

Now Our Lady is smiling, and She's standing over the statue. Now She's taking Her Rosary again, like this, and kissing the crucifix, like this. Now Our Lady is placing Her Rosary about Her waist, like this, and She's touching Her lips now. That means to be silent and listen.

Our Lady - "My child, it lifted My heavy heart to be able to bring from the Father these gifts of conversion and cure for the crowd."

Veronica - Oh-h!

Our Lady - "There will be two others on Our left side; they have not been forgotten. One will be conversion, the other will be cures.

"My child, I have much to say to you this evening, but it is best at this time if you sit back and take three photographs, and I will be talking with you as soon as you are able to regain your strength, My child. I feel it ebbing."

Veronica - Now Our Lady is standing very patiently; She's just about four feet over Her statue's head there. Our Lady is looking about Her. And it's quite windy because Her mantle is being blown to and fro - not too badly, the wind isn't too strong. And Our Lady is smiling. Now She's touching Her finger to Her lips, like this, which means to listen and repeat.

REMAIN AWAY FROM OTHER APPARITION SITES

Our Lady - "My child, since others wish to know how I personally feel for the episode that went on here on the sacred grounds only a short time ago, it made Me much unhappy for two major reasons, My child. As I told you in countless earth-years of visitations with you, that you must always test the spirits, and also to remain away from other so-called apparition sites or other seers. I say this to you, My children, because in your anxiety or your anxiousness to find the supernatural, you run to and fro seeking something that you would never find; for there is much evil upon earth now, and even the good will be deceived by satan and his legion of demons. Yes, My child, I tell you that it was dutifully done to remove a sad situation from the sacred grounds. I want you to remember, as I tell you tonight, that soon you will be confronted with two children. They are young, but they are true seers of Chile. They live, My child, since you ask, outside, in the meadows beyond the city of . . ."

Veronica - "Saint Angelo?"

Our Lady - "No. Santiago, My child, Santiago."

Veronica - Now Our Lady is rising higher, and She's pointing up now with Her Rosary, like this, to the sky; and directly over Our Lady's head, the sky is opening up. Oh, it's beautiful. It's a round circle of light, like - I'd say it shines like the prisms; I think you call them prisms - Our Lady is bowing Her head yes - on your lamps or that you have in your chandeliers . . . the glass-like prisms of the light shining from over Our Lady's head. And directly in the center of the light that's opening very wide, encompassing Our Lady now, too, Jesus is coming forward.

Oh, He's wearing His burgundy cape. And He has a head attachment for it, a cowl, I believe Our Lady said, a cowl. And He has on sandals. They're made of a skin-like material; they're brown. And Jesus has no socks on. Our Lady thinks that's funny; She's smiling. But He has no socks on.

Now Our Lady is moving over to our left side beyond the statue. She's coming down quite close to the trees.

And Jesus is coming forward. Oh, He looks absolutely beautiful in the light. His hair looks sort - many people would like to know what Jesus' hair looks like. It's so beautiful. It has a tint of, sort of, not red - oh, I can't - rust color . . . but no way to explain it, I cannot explain it. It must be His hair is containing the light that was opening the sky, and that makes it difficult to explain the coloring. But He wears it quite long; it would come to about His shoulder now.

Jesus is looking over to the right side, and He's smiling. Oh! Oh, yes. Now Our Lady is moving up, and Jesus is coming back. He was taking a good look over on the right side. I think He's looking for the man in the wheel chair. Oh, now Jesus is smiling. Now He's coming over to Our Lady. Our Lady is at Jesus' right side now. And Jesus is standing about two feet over the statue, just about two feet. It's very low compared to where Our Lady usually stands.

Now Our Lady is nodding Her head, and Jesus is looking about Him. Now He's touching Our Lady on the shoulder and pointing over to the left hand side. Now Our Lady nods yes, and Jesus is now going up higher. He floats, too; it's just beautiful to see. He's going up higher and coming down now, straight down, and He's touching just the tip of that tree over there. And Our Lady is following Him now. She'll be at Jesus' left side. Now He's taking His hand, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's turned a little bit to the right, and He's extending His arm out, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He is whispering to Our Lady. I can't hear it, but They're both turning now, and They're going over to the center of the statue. And now Jesus - Our Lady is now holding up Her crucifix, like this, the crucifix on Her long Rosary, the beautiful Rosary. She's holding the crucifix, while Jesus now is extending His hand out, like this - directly in front He is now, over Our Lady's statue directly in the middle, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's moving, He's motioning to Our Lady to follow, and He's going over to our right side directly about the middle. Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning, and They're both going over; Jesus is a slight ways behind Our Lady. And They're both floating over. They don't walk, They just float. It's beautiful to see.

Our Lady - "My child . . ."

Veronica - Our Lady is saying:

Our Lady - ". . . you ask will everyone float like that when they come to Heaven? I assure you, My child, they will."

Veronica - Now Our Lady and Jesus have reached back - They're back over Our Lady's statue. Our Lady is standing at Jesus' right side. She's quite a bit shorter than Jesus; He's quite tall. I would say Jesus is about at least six feet tall, six foot one or two, even, because Our Lady only comes to His shoulder, here.

Now Jesus is making the sign of the cross again. Now He's placed His hands like this, and He's touching His lips.

Jesus - "My child, Veronica, and My children of the world . . . I say My children, because you are Our children; and Our tears and Our smiles are for you all. My children, I could wish to say at this time that I bring you great news of joyousness, but I cannot. I must tell you now that my Mother has gone throughout the world, through time and time again, to turn you back from your course of destruction.

"My child, I wish you to view one scene. You will hold your crucifix and you will not, My child, pass out."

Veronica - Over on the left hand side, I see . . . I know it's Africa. It's all in flames. I've seen the flames before, but this is horrible. They're going wild; they all look dark-skinned, yet they're killing each other.

Jesus - "My child, you see war, the beginning of a war. It will be father against son, mother against daughter, and satan will be in their midst. Those who have the power are exercising it now in the wrong direction, My children. Better that they take the monies coming to them from out of the world, better that they try to construct a country with joy and happiness and peace among the brothers.

TRUE MEANING OF LOVE

"Thou shalt not kill, and yet you kill. Thou shalt not bear witness, and yet you condemn others to death with your testimony. Where is your love that you call out for? Love, My children, how many of you know the true meaning of love? Love is in giving, love is kindness; love is not murder, love is not selling your soul to the devil for power. Many of the rulers throughout the world are doing this now.

"Nuclear warheads, missiles, all manner of contraptions; what dignified name can I give to them, My children? They are destruction to all mankind. I repeat again: If you permit this to come upon you, there will soon be no flesh left. My child and My children, and those who hear Our pleadings, Our hearts are extended to you to help Us to save mankind from his own course of destruction. You have very little time to do this in, My children. I assure you, your time is running out.

"My Mother, for many earth-years, has acted with Her heart to protect you. How many times the heavy hand of the Eternal Father reached down to start out the calamities with the Ball, and how many times did Our Lady rush forward. How many times did My Mother rush forward to save you? The world knows My Mother, but they cast Her aside. And those who are agents of hell now, demons in human form, they cannot be retrieved; their abode will be hell. But sad to say, it hurts My heart to know that I cannot be rid of these thorns that I am forced to accept for your salvation."

Veronica - Now Jesus is taking His right hand, and He's pointing it upward, like this.

Jesus - "See, My child, what mankind shall suffer."

U.S., CANADA COASTLINES WASHED AWAY

Veronica - I see the United States, I see Canada, but I see part of the coastlines being worn away. There are waves, high waves, washing over the land. People are running, but they waited too late; they didn't listen, and they're being carried out to sea . . . dead bodies.

RACE WAR COVERS U.S.

Now in the United States I see people running, but this is a race war. I see a whole group - it looked like the whole continent - running, but they're dark-skinned, they're black-skinned. And they have all types of instruments. I think one is a machine gun that shoots many bullets, and he's - tat-tat-tat-tat-tat-tat-tat-tat-tat. Oh-h. [Veronica sighs heavily.] And they're lying on the ground, dead. Ugh, oh, and it's terrible. [Veronica sighs heavily again.]

Now I see Jesus is pointing upward.

Jesus - "Look high into the sky, My child, look high. Raise your head."

Veronica - I see a ball of fire; it's coming fast through the sky, and it has a long red tail. It's red, it's fire! And now it's coming down to what looks like a ball, but no, it's the earth. And oh, oh, it has hit through the water; it's brushed through the water. And there are waves rising higher, higher than anything possible I could have seen. The waves are terrible. They're washing half of the continent out to sea.

Now the sky is growing very dark. Jesus is pointing to Our Lady, and They're coming down from the sky. They had moved up so I could see. Our Lady is touching Her lips.

Our Lady - "Do not be affrighted, My child. It is best that you bring forth what is to be. Perhaps, with your prayers and your penances, you can reach some of these souls in darkness before their time runs out.

"My child, this is only one part of the world. There are many now. You will see nations rise up against nations, obliterating one or the other within the time of three to five minutes. There shall be a World War, the Third World War, more grievous in suffering, more debauched."

RUSSIA WILL USE RAY GUNS

Veronica - Oh, and I see that - Our Lady is showing me now - there are some kind of implements they're using that . . . it doesn't look like a gun, it looks like a flashlight, but I know it's not a flashlight. It's some object of some kind of a ray they've got. And then - now he's lifting - I see a man in a very odd-looking uniform; I don't recognize the uniform. But he's raising high, like this, this ray gun. That's what it is, it's a ray gun. And he's now pushing the trigger, and I see . . . it looks like long streams of light, but everything it hits just disintegrates and melts. [Veronica groans.]

Our Lady - "Russia, My children, has this implement of destruction. While the United States and Canada and most of the world go about crying for peace, tranquility, love, they are not aware of the fact that Russia has every mind to take them over, be it good or bad. And if they have to annihilate the whole land of its people, they want that land, and they will use any means to get it.

"You understand, My child and My children, when a man is not with his God, his god then becomes Lucifer. He is then taken over to be an agent of hell. And he has many helpers, for all hell now is opened wide in these last days. All the demons of hell are loosed.

"And do not become smug, My children, and think that you will be saved. Do not take this lightly. They are very powerful and cajoling. Yes, My child, you have every reason to be affrighted.

"I do not say, My children and My child, that the situation is a hundred percent hopeless. I say that each and every child upon earth is wanted back, as the man whose sheep has scattered, and he will await that one lost sheep to return. And much joy should be had over that one lost sheep than if the whole fold had returned.

"My child and My children . . ."

Veronica - Now Jesus is turning about. He's whispering to Our Lady; She's nodding. And They're going across now in the center of the trees above Our Lady's statue about, oh, three feet, I think, three feet. Jesus nods.

Jesus - "Now, My child, I must tell you, since much of your penance for the priesthood has been accepted, My child, I at first chose not to mention the sorrow We have because of the manner in which My House upon earth is being continued - a House - because of modernism, satanism, and seeking the profound, not in the history of My House, but in the new modern way of doing things. This new modern way has been promoted by satan.

SATAN TOOK OVER VATICAN II

"Yes, My child, even with Vatican II, it started out with the best resolves, but then satan took over the scene. And with his agents he reached into the highest professions, the highest league of the hierarchy, until it saddens Me to say that many priests now are on the road to perdition and taking many others with them."

Veronica - Our Lady is starting to cry. Jesus has taken His hand, and He's patting Her on the shoulder.

Jesus - "My child and My children, My Mother is crushed, because you know that She has given Herself over to being your protectorate, and now She sees an almost hopeless road ahead for the world. The time is very short, My children.

DISCUSS ACTIONS WITH YOUR ANGELS

"I gave you photographs, photographs not only of what My Mother has brought to you this evening in words, in figures, in actions . . . but My Mother has sought now to console those in Heaven who stand by, the angels. Oh, My children, the world would not be in such a sorry state if man hadn't forgotten the angels in Heaven. Each and every soul upon earth has an angel guardian. If there is any question or any doubt in your actions, your earthly actions, that you need to discuss, discuss this, My children, with your angels; they are always there. I know, My children, in My House upon earth they have thrown out the angels, the statues, calling them irreverent, calling them objects of worship. We know that is not true. But they have adopted that attitude, and that is why I say that even many wearing the highest rank in the hierarchy are like rats burrowing into the foundation of My Church. They, too, shall be judged.

"My child, there will be very many victims upon earth: those who are willing to sacrifice their own pleasures, their own human pursuits, to give them over to the salvation of souls, their brothers and sisters, who are marked with the mark of satan and are seeking to take it away. There is only one way: conversion, and then cure of the sick soul.

ST. BENEDICT MEDAL-HIGHEST INDULGENCED

"My children, now that the time has grown shorter, the attacks shall be greater upon mankind. There will be accidents that are not accidents. Satan has a plan to eliminate the good. Do not be affrighted, My child or My children. You will wear your sacramentals. Specifically, We have asked you, and My Mother has asked you to wear the brown Scapular, and also a crucifix, and with that the highest indulgenced medal in the Church."

Veronica - And now Jesus is pointing up to the sky. And out in the sky there's a huge St. Benedict medal, a huge one. Oh, it's so plain. Oh!

Jesus - "My child . . ."

Veronica - Yes.

Jesus - ". . . remember the St. Benedict medal. Many years ago, We gave unto you through long searching the second hidden meaning of the St. Benedict medal. You will bring that out again, My child, in publication for the salvation of souls."

Veronica - Now Jesus is turning to Our Lady, and They're both going over to the left side of the statue, our left side, and Jesus is looking down. He's talking to Our Lady about something; I can't hear it all. But Our Lady and Jesus are discussing someone upon the grounds.

Our Lady - "My child . . ."

Veronica - It's Our Lady.

Our Lady - ". . . We cannot give you the name at this time, but you will know when you read the pictures."

Veronica - Now Jesus and Our Lady are going over. They're just above the statue now, and They're rising above the branch of the tree out of our right side. They look very beautiful. Now Jesus is making the sign of the cross again: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady has taken Her Rosary from about Her belting, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "Continue, My children, now with your prayers of atonement. Many are needed, for there are still souls to save before the catastrophe."

Veronica - Three. Three pictures?

Our Lady - "Three more photographs, and remember you cannot discuss what you have seen.

"No, My child, you cannot discuss this at this time. You will please keep it confidential for the time being."

August 21, 1985

Eve of the Immaculate Heart of Mary

Veronica - There are the call lights of Our Lady . . . blue round balls, very dark in color. I would say that they are like a - not a baby blue, a beautiful blue coloring, similar to, bordering on the purple - which must indicate the suffering that the world is now going through, and also what Our Lady is trying to stop, in Her pursuits all over the world.

Now high above the statue - oh, a distance - more than a mile, I would say, in distance, there is a beautiful stream of light. They're coming down and they're ricocheting off the trees now, the lights; they're very brilliant, they're like clear water. I have no human words that could describe the lights; they're clear as crystal. They're beautiful.

Now as the circle of light above us is opening up, I see Our Lady now coming through the circlet of light. Oh, She is absolutely beautiful. She has on a white gown, a very brilliant white gown that catches all of the movements of the trees, and all about Her. I feel that this is Her glorious attachment in Her earthen life, when She was on earth, to everything about us, which She's very familiar with.

Now Our Lady is coming down slowly. It's quite windy, and Her gown is blowing about Her, Her ankles. The gown is very long; it goes also past Her shoe instead. Now, as the air has now appeased a little, Our Lady is looking about Her. She has on a mantle, a beautiful white mantle, but all about the mantle there is about a half inch, it would be - yes, about a half inch of gold all around Her mantle. I cannot see Her hair; Our Lady has never allowed me to see Her without Her covering on Her head.

Now Our Lady is looking about Her and smiling. She's just now about a foot above the statue, just a foot, directly in the center.

Now Our Lady is taking Her beads from about Her waist. She has on a gold-type of braided waist-piece. It doesn't seem to be like a belt; it seems to be sewed into the waist of the gown. And Our Lady now is taking Her Rosary, the beautiful Rosary with the golden Our Fathers and the Hail Marys in white, but that actually are gathering all the colors of the rainbow. . . . And they're very, very difficult to explain, the effect on your eyes, because you're looking through clear diamonds . . . the most gorgeous sight I have ever seen in my life. It's absolutely beautiful!

And Our Lady is coming a little closer now. She's looking about Herself. And She's looking back and pointing up to the sky. And there above Our Lady, I can see the sky opening up again. The clouds have drifted apart, and Jesus is coming through the clouds now. They're drifting apart from Him so that He is almost in the oval circlet of light. Now Jesus is coming down, and He's now approaching Our Blessed Mother. She's looked back now and smiled. And He's nodding - I know He's telling Her to go ahead.

Now Jesus is moving slowly, to be on Our Lady's right side. But Our Lady now is going over to our left side, just above the large tree, and She's extending the crucifix of Her Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking and smiling. And She's drifting now; She just floats. She doesn't walk the way we do, She just floats so beautifully. Now She's above Her statue. And Jesus now has followed Her over; He's standing still now at Her right side. And Our Lady is looking over to Her left side, which would be our right, and She's holding the crucifix up, like this, very high, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming over, with Jesus following Her, and They're standing just above Our Lady's statue. Now Jesus has touched His first finger to His lips. Now Our Lady is also nodding, and She is touching with Her crucifix, She's kissing the crucifix on Her Rosary, like that. And Our Lady now is touching Her finger to Her lips.

Our Lady - "My child, will you not succor Our son in Rome, Pope John Paul II, My child, by repeating to all the world one of the prayers so close to My Son, the Eternal Father, and the Spirit of life. You will repeat this, My child:

O my God! I am heartily sorry for having offended Thee, and I confess to all my sins, because I dread the loss of Heaven and the pains of hell; but most of all because I love Thee, my God, Who are all good, and deserving of all my love. I firmly resolve, with the help of Thy grace, to confess my sins, to do penance, and to amend my life. Amen.

"My child, you must know in your own area and throughout the world about Catholic nations: they have forfeited another key to Heaven when they discard the prayers that Heaven has given to them to guard their souls and the souls of their families and their children. These are all parts of the armor of Heaven in the fight with the antichrist forces. My child and My children, I must constantly warn you and repeat over and over the necessity for wearing the brown Scapular and also praying My beads of prayer, the Rosary. You must keep the Rosary going link to link, prayer to prayer, throughout your country, Canada, and the world, My child.

"There is one grain left only in the hourglass. I know this bereaves you, My child, for Me to have to bring such dire tidings, but My heart is also heavy; for there are many who are coming to Us over the veil, and what can We do with them, as Our tears fall with their pleadings? However, as has been ordained by the Eternal Father, where there has been no repentance upon earth, that soul must be rejected. Or will there be mercy for that soul, My child and My children, through your prayers for the dead, that they be given a short or long term in purgatory?

"My child and My children, I do not have to tell you that the knowledge of hell and purgatory has been slowly corrupted, cut apart, and cut asunder from the Church. My child and My children, you are all My children. I judge you not by color or race, and I do not judge you by your creed; however, should the knowledge of the One True Church be given to you, and the way to Heaven along the narrow road be given to you, you will follow it or you will be rejected. There are, My children, so many poor souls now that are languishing in purgatory. Some will be there till the end of time. Will you not succor them, My children; will you not pray for them and shorten their time in this place of dark suffering?

"You ask, My child, for those who are in hell. Remember, My children and My child, that if they are in hell it is because they willed it so, preferring to have the materials and power of the world, even power over mankind, which they did not exercise for the glory of God, but for their own selfish, human gains.

LOST CHILDREN-CAPTIVES OF SATANISTS

"My child and My children, there is an evil plan now in your country, the United States of America, and also, the boughs are reaching like an evil tree into the land of Canada. Children are disappearing from the earth. My child and My children, I feel it necessary that I repeat to you again that you do not be bored at the repetition of the Message, for it is urgent. Will your child be next? Many mothers' hearts are torn asunder, but they have found not the whereabouts of their children; but many have found the possibility of the whereabouts of their children, held as captives for the whim and humor of the satanist. They are increasing in your country, My child, and all of the countries of the world. It is satan and his armies now, knowing the time is short to battle with the children of God.

"You, My child, must accept your suffering for the priesthood. It is a great gift of grace, though you cannot escape the torments of the body, My child; you cannot escape the suffering, for the suffering is the balm, b-a-l-m, My child, the balm for those who are waiting to enter over the veil.

ARMAMENTS GATHERED THROUGHOUT RUSSIA

"Day by day man is killing now. Many countries shall be embroiled in wars, until we have the greatest war ever seen, nor shall ever be seen again, the Third World War, which shall engulf the nations. And many nations shall disappear from the force of the armaments being gathered now throughout Russia.

"Yes, My child, no matter how the world reacts to the truth, you will shout it from the rooftops that Russia has not accepted any overtures from Rome. Unless Russia can be dedicated to the Immaculate Heart of Jesus and Mary, unless they will recognize the truth, they will continue to go throughout the world sowing seeds of discord, discontentment, and war. You know, My children, that war is a punishment for man's sins, but also, war is an indication of the loss of the knowledge of God.

"My children, I cannot enforce Myself upon you. I can only plead with you as a Mother of mercy to turn back now while there is still a little time. Your time is growing short. I repeat again: there is only one grain left in the hourglass.

"My child and My children, do not be affrighted. Were it to be that I can come to you as a Mother of glad tidings, I should be the first to come to you and throw My arms about you, and solace you with the great knowledge that you have received a time permitted only by the Eternal Father to settle your estates, and your way of life to change it, to be on the narrow road to Heaven. Do not forfeit your life, your eternal life, by wishing or coveting material gains of this world, for none shall follow you over the veil to plead your cause.

"The enemies of God are all about you. Russia has planned these days, My child and My children. And how I have begged for years of earth's time that Russia be consecrated to My Immaculate Heart. When she is consecrated she will be converted, My children, and then you shall see the world of joy again. Tears shall be banished, and mothers shall not sorrow until they die of grief for the loss of their children and their sons.

"My child and My children, I want you to understand that We have been patient with only the patience that God the Eternal Father in the Holy Ghost could manifest to you. No human being can understand the suffering that We have resolved Ourselves to for your salvation and the salvation of all of the souls upon earth.

"My children, you are all My children. Do not allow Me any longer to see the great evil that you are developing upon earth. You are giving yourselves over to seeking armaments to kill. And for what, My children? The Eternal Father shouts from the rooftops: Thou shalt not kill thy brother!

"My child and My children, I wish now that there be taken three photographs. I say three, because within these photographs, My child, you, and you alone, will find the date of the Third World War. Sit back, My child, now; awaken, and take three pictures. You understand what I said to you, My child."

Veronica - Three pictures.

[Pause]

Veronica . . . side. She is atop, on the top of the tallest tree limb, on the right side of the statue, but our left side. Now Our Lady is pointing up with Her finger, like this, to Her left side, and - oh, over by the tall limb, above Our Lady's statue on the right side, Jesus is coming slowly down now. He has been standing just above - I'm fascinated at the way He's coming down, because He doesn't walk the way we do; He absolutely floats, as though He's weightless. It's so beautiful to see.

Jesus is smiling now. He has on a burgundy cape. And there is a trim of gold, also, about His cape on - around the outside edge, I would say about - oh, about an inch. And Jesus is now - He is tugging at the top of His clothing, like this, and I notice that He's loosening the gold tassel-like fringe that He has about His - top of His cloak. And in the back of Jesus' cloak there's a cowl - Our Lady calls it a cowl - also the same color; it looks like a burgundy plush color, almost like a velvet.

Now Jesus is smiling. I can see His hair. Everyone asks what does Jesus' hair look like? Well, I believe His hair is sort of a light brown, but with the coloring of His cape, His cloak, there is a resolute and a feeling of light coming from about Him outside the cloak, which seems to give you the impression that He's all aglow in light.

Now Jesus is taking His finger and placing it to His lips, like this.

Jesus - "That means to listen, My child, and repeat.

"We have wandered throughout the earth, My child and My children - for many earth-years have I accompanied My Mother, through the will of the Eternal Father and the Holy Ghost, to reach you, My children, before the dire catastrophes are upon you.

LEGIONNAIRES', HERPES, AND AIDS

"Little did the world recognize the three plagues which originated from the mind of the Eternal Father. These plagues were called the Legionnaires' Disease, Herpes, and AIDS. But, My children, as I told you in the past, many years ago, My child and My children, the bad shall be glorified and the good shall suffer. However, these diseases that came upon mankind originated through the merciful heart of the Eternal Father. Sufferings were brought upon those who must cleanse their souls to avoid hell.

"You ask, My child and My children, why must also the good suffer? As it was in the beginning of time, so it will be now, that no one shall be above the crucifixion or beyond it. In order to reach the eternal life of Heaven, you must take up your cross and follow My path.

HOMOSEXUALITY NEVER TO BE ACCEPTED

"My children, I shall not allow the scientific world to find a cure for AIDS, because of the horrible nature of what brings on this disease called AIDS. It is being flaunted now as though the good were to be stomped upon, and the bad shall receive the glory.

"My child, I know to speak again upon this subject of homosexuality shall bring much mail of a dire nature to you, again. But man must know that the Eternal Father perseveres to the end of His nature, for there is a point in everything in the creation of the Eternal Father that must come to an end when it is become the means for satan taking souls fast into hell.

"Homosexuality shall never be accepted. In the writings of the good Fathers, My child and My children, you were made fully aware in the Old and the New Testament of the Book of life and love, the Bible - you had been made full aware of the dastardly acts of mankind, as men consort with men. This shall not be accepted nor condoned by the Eternal Father even if He has to send another plague upon you. No, My children, they shall not, not be given the cure.

[EDITOR'S NOTE: On June 18, 1990, Our Lady said: "The Eternal Father and My Son have made it clear to Me that if man will repent of his ways that have given - been given to him by satan, We will see that you do have a cure for AIDS." I say again: **if man will repent of his sin and discard the homosexual life they are living, I will give them a cure for AIDS.**"]

"I see and understand, My child, your feelings in this matter. I know you have pity for all. Many are fast on the road to perdition. Many are to be pitied as they follow this road; especially, My children, by advancing farther into the mores of satan in practicing illegal, immoral acts.

"One of the Fathers of your Church, Saint Paul, made it known to you quite licitly, that men shall not consort with men; and neither shall men dress as women. These are all abomination in the eyes of the Eternal Father, Whose hand steadily rocks back and forth the comet; Whose hand steadily seeks to raise and throw upon you, so that you will be planet struck with the comet.

"My child and My children, pray constantly a vigil of prayer going throughout your world and the earth, for the little time that is being allotted to mankind.

"If I told you, My children, now, in clear sound when your end is coming, you would hasten forth, running here and there, to and fro, trying to warn mankind. However, only a few will be saved. I say this, My child and My children, as you count the millions of souls upon earth, only a few will be saved.

"I also must give to you at this time another fact of your lives upon earth. You as parents - mothers, fathers must guard your doors well and rule; take discipline in the lives of your children, for they will bring much sorrow to your hearts as they grow

- they grow in a world that has been given to satan. When your child opens his home, the door, he will face the agents of hell loosed upon earth to reclaim his soul. Protect your children, My children; be sure that as a parent you do not fall down in your duties to teach your children, for many are now receiving schooling that is based on atheism. Their books and manuals you do not read, My children. You must as parents be a safeguard, a home of holiness for your children, or they will perish; and your parent's tears shall flow upon the world, crying, too late, too late.

"My child and My children, you will also pray for John Paul II, for his time is growing short. There will be an attack upon him - I say 'will be.' The outcome I cannot give you now, for only you, and you alone, My children of the earth, can save your Vicar, John Paul II.

THREE CLOSE TO POPE PLANNING HIS FATE

"Yes, My child, it is sad to have to report to you that those who are close to him - three figures in your photographs, My children - three figures with great power, who are planning the fate of your Vicar. You must warn him to be clear of those about him. When he reads their writings he will understand. However, We also ask that he spend less time in going to and fro across the nations, for he makes it doubly difficult for Us to protect him.

"Pray a constant vigilance of prayer. You have a good and holy Father now in Rome, but should he be removed there will come disaster."

VERONICA-VICTIM FOR POPE AND CHURCH

Our Lady - "My child, I want to tell you at this time that We are not unaware of your physical suffering. It has been given to you, My child, because those who have received great graces, much is expected of them. And We accept you, My child, as a victim soul with other victim souls to save your Vicar and My Son's Church upon earth."

Veronica - Our Lady has placed Her hand upon the shoulder of Jesus; there are tears in Her eyes. She spoke up and wishes you to know that Her heart is truly bleeding. She suffers many thorns because of what is going on now in Her Son's churches upon earth.

Our Lady is now going around Jesus. Jesus is standing right over Our Lady's statue. And Our Lady is going just around - Jesus is going just about Our Lady. They're both moving over towards our right side, Their left side. Jesus now is taking His hands, like this, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is murmuring to Jesus. I cannot hear what She is saying, just a murmur. But They are pointing. They're going over further to Their left side. Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is motioning, like this. Oh, They're going - They're coming across the sky. Oh, They look so beautiful, because They're, They're weightless. I see now Our Lady's slippers. She has on very delicate golden slippers, with . . . I call them rosettes; they're little golden roses on the instep of Her sandal, like a slipper.

Now Our Lady is going over, and She's pulling Her cloak about Her. And Jesus is following. And He's looking about Him now, and He's placing His first finger to His mouth. He's standing now over the blue banner. And Our Lady is still proceeding to get closer to Her statue, above Her statue. Our Lady is standing about six feet above Her statue, And Jesus is now right next to Her, but He's over the blue flag, about six feet. Jesus is much taller than Our Lady; She only comes up to about His shoulder. But now Jesus is looking, and He's extending His hand now in the center: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is turning to Her right now, and They're floating over to the left side, our left side, just above the statue. And now They're following across the trees; They're going as far as They can to the trees there. And now Jesus is leaning over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady, too, is extending Her Rosary with the beautiful crucifix, golden, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking all about. He seems to be very pleased. He's smiling very softly. And Our Lady now - Jesus is turning to His left, and He's now floating back across the sky over Our Lady's statue, and He's standing now just above the blue banner. And Our Lady has followed Him. She's coming straight across very slowly, but She's carried on the wind as though She's weightless - just beautiful! And the light is still cascading all about Her. She seems to be, like Ray [Veronica's son who died in 1974] once said, all lit up. There's no way to explain it; She looks beautiful. Now Our Lady is looking over, and Jesus is touching His lips.

RESTORE STATUES, MAIN ALTAR, AND RAILINGS

Jesus - "My child and My children, be it known now that We have looked into the churches about the world, and We are much confused and perhaps cannot understand the nature of humans who can in such little time do so much to destroy My

Church, My House upon earth. You must restore My houses to their original condition. We ask that you return the statues to My churches, that you restore the main altar, that you replace the gating so that others may kneel in adoration to their God. This is only the beginning; there is much else that you, My pastors, can do, and those who wear the mitres shall do, or they shall find themselves quickly in hell.

"My child, you will see and continue with the work for Heaven. It will become more difficult, as the end is coming near and satan will gather and concert his enemies all about the world. He will send forth demons in human form. That startles you, My child, but you cannot fully understand in your human nature the power of satan. It will be as though dead bodies had come to life, but they shall be demons within the bodies for but a short time.

"I cannot accept the world's reasoning for all of those changes that We hear of and We reach in prayers for. My child and My children, make it known to the world that there is not much time left for those upon earth to readjust their lives and turn back and restore their souls to a pleasing manner for God your Father, the Eternal Father in Heaven, and the Son, and the Holy Ghost. I speak to you as for Myself, My children, for as I am one, so am I in the Father and the Holy Ghost; as the Father is in Me, and the Holy Ghost. This is not complicated, My child, if you will remember the Trinity."

Veronica - Now Jesus is extending Himself - He's got now, He's brought forth, Jesus has brought forth from His cape a Rosary. Oh! And He's now taking the crucifix of the Rosary . . . Jesus is holding a beautiful Rosary. It's not the same color as Our Lady's; it's all red, like suffering. I get the feeling of tremendous suffering, as I look at this Rosary that Jesus is now holding up and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "This, My child, is a prayerful means of suffering. We wish that the blood of Christ be upon mankind, and not the blood of his brothers.

"You will now, My child, sit forward, and take three photographs. Only one will you make known at this time."

[Pause]

Veronica - The sky is filled, it's just filled with the most beautiful angels. Oh, all about the trees and all above our heads - I can't count them all. They're just absolutely beautiful! They look sort of like young children. They don't have faces, though you don't feel that their faces are missing. They're so beautiful that I would say, in my human language, that some of them are young. They look like children; or perhaps it's their spirit of being so child-like that they look like children when they appear to us. They are wearing gowns of pastel shades, the most beautiful . . .

Now one of the angels has gathered - by placing his hands out like this, he's gathered a whole handful of roses, roses from a bush. I don't know where they gathered the roses, but he now has a whole handful of roses, and he's taking them over to Our Lady. Our Lady is smiling. And now as he gives Her the roses they seem to multiply, and Our Lady is holding now, it looks like dozens of roses. And they're all red, bright red roses in Her hands.

Now Our Lady is taking them - oh, She's going to throw them the way we do! Our Lady is taking the roses now and She's throwing them, like that! But they're going way beyond us, because Our Lady is heaving them this way - one, two, three, four. And Our Lady is turning - I'm counting the roses as they go by; they're going completely over our heads. Look at that! One, two, three, four, five, six, seven. Now it looks like Our Lady has given much more than I counted - seven - many more, because She has only about three now roses left in Her hands.

Now She's going over very fast. She's floating over to Her statue now, and Our Lady is placing the three roses on the statue, right at Our Lady's cape. She's placing them, She's putting the ends of the roses into the cape of Our Lady, and two on the statue's right side, and one is on Her left side. They're just beautiful roses. And Our Lady said, now you shall take a picture of the statue.

September 7, 1985

Eve of the Nativity of the Blessed Virgin Mary

Veronica - All about the trees there are columns of light. I say columns because they're like long streamers coming from high in the sky. Now directly over Our Lady's statue, many feet in the air, I can barely see the coloration of the light that is slowly coming through the clouds, the sky. Now the light is becoming round, circular - not cascading down as originally, onto the trees below.

And I can see Our Lady; Our Lady is smiling. She is coming fast down to the trees. Now Our Lady is looking all about Herself; She's looking to and fro. And also, She is going over slightly to our left side, which would be Her right side. And Our Lady is now taking out Her Rosary. It was about Her waist. And Our Lady is wiping tears from Her eyes. I don't know why, at this time, Our Lady is crying.

But for the first time I see a wisp of hair on Her mantle. Never in all the apparitions of Our Lady have I ever seen even a wisp of hair. But I can only tell you - in the light it's difficult to describe, but Her hair is not black; Her hair is a dark brown. Now Our Lady is smiling, and She is taking the Rosary which She had about Her belt, out, like this; and She is taking the crucifix, the beautiful large crucifix, which cascades its golden contents onto the Our Fathers and the Hail Mary beads of Her Rosary, Our Lady is taking the crucifix now and blessing all at Her right side, which would be our left side: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is looking about Her, and She's slowly turning to the left. Now as I watch, I can see coming down from Heaven, two angels. I know they're angels because of the way they float, and the angelic goodness that seems to stem into your very emotions. There is no human way to explain the approach of these two angels. They are carrying between them a pillow, a beautiful blue velvet pillow. And setting on the pillow is a crown, a beautiful golden crown, set with all of the colors of the rainbow stones. I know they are precious stones.

And they are going to Our Lady now. Our Lady is coming over, directly above Her statue. Now each angel is holding - and before Our Lady, they have now come over in front of Her, and they're holding up this pillow. And I see an invisible force - there are no hands lifting it, but the crown upon the pillow is rising slowly now, and it's rising and coming right onto Our Lady's head. It is a fantastic view. I wish that everyone could see this. The crown is just beautiful. But the crown is similar to what we have come to know as the Fatima crown.

Now Our Lady is smiling. Her Rosary beads have been placed about Her waist again, and Our Lady is standing like this.

Our Lady - "My child, I wish for prayers of atonement, especially for the protection of the Holy Father in Rome. As I have warned you, the time is growing short, and the enemies of My Son's Church are accelerating in their plan to do away with your Vicar, your Vicar who has been sent to you by God the Father to save the whole institution of religion in the world, and not have it fall into the hands of the egomaniacs that reside in the land called Russia.

"My child and My children, I speak to you and I come to you as your Mother, a Mother of love. If only you could be as one with Me and My Son. How grateful We are for those who have chosen to dedicate their lives and give up all of the attachments that bore into the human spirit and destroy it. Material things, My children, shall not be judged as making you worthy to enter the Kingdom of Heaven. The Kingdom of Heaven, I repeat, is a narrow road and so few today are finding it, because they have hardened their hearts and closed their ears to all that We say to them, that We cry for them in Heaven.

"My child, I wish that you would exercise more caution in going out of your home. You must not venture alone. I have sent to you your daughter and another to help you in this trying time.

"My child and My children, I speak to you all as one voice from Heaven, one among many, telling you that the time is short. The grain in the hourglass is beginning to filter through. Look, My child, and see what is ahead for mankind."

Veronica - Our Lady now is standing directly above Her statue, and She's pointing high into the sky. And I see a whole globe of the world. I know it's a globe, but it's frightening because all points that are pinpointed with a black dot are now in flames. Our Lady is touching Her lips now, as She stands with Her face - and tears streaking down Her face onto us all. Our Lady is looking about Her, and She is touching Her lips. I must listen carefully and repeat.

SAVE THE POPE

Our Lady - "My child and My children, this could be an occasion of great joy, My coming to you. But the fate of humanity and the world lies in the hands and the hearts of the faithful. Without your prayers and your acts of penance, you cannot save your Pope, and Our son, your Vicar. I will say, in My Mother's heart, from My Mother's heart to you, that your Vicar will soon meet with an enemy who comes as an angel of light to him, but is an enemy of My Son's Church, and all of My Son's churches throughout the world. We choose, My child, to call them the House of God, because it is a home, a refuge for all of Our

children who suffer and are brought to naught by modern science. In this way We hope that modern science will accept the supernatural, but they rather would cast it aside, My child and My children.

"I have warned you all to protect your children. I come to you as a Mother. So few can understand My role throughout life on earth. I, too, know, My children, all of your hardships, your sorrows, and the temptations from satan. For I, too, was upon your earth, My children; this you have forgotten. I am not unapproachable, as some think, because I was as one of you until the Eternal Father lifted Me up into Heaven.

"My child and My children, I shall continue to beg the Eternal Father to hold His heavy hand from coming upon you. Your peace and joy that words are spoken of - peace and joy when there is no peace and no joy. How can there be joy when others have assumed a power which they expect to transcend to Heaven with by bringing back the dead? No, My children. I know of your modern science and how they are trying to now resurrect the dead. This shall never be.

AIDS SENT BECAUSE OF SIN

"And I repeat to you, My children; listen well. The disease you call a modern disease, I call it a disease of satan. That disease, known as AIDS, shall have no cure. It has been sent upon mankind because of their sin.

"Wars are a punishment for sins, and the wars will accelerate, until all of the world is engulfed in one fire. Only My Son can ask the Father for a reprieve from what is coming upon you. However, there is a balance carried by Michael. Look, My child, and see . . ."

Veronica - High up in the sky, over on the right side, I can see Michael. Oh, he's absolutely beautiful. He's not wearing a short skirt like they depict here upon earth; he has on a long white gown. But he's magnificent. His size is, in human language, five times larger than any of the angels I have seen. He is a magnificent warrior of Heaven. But he's carrying in his right hand a scale, and I see it loaded, actually loaded - it's the only way I can explain this - with what appears to be ingots, or blocks of gold. And on the other side, I see miniature figures of people, and it seems that the gold is winning out and forcing these people to slide from the scale, the balance.

St. Michael - "The world, my children . . ."

Veronica - That is Saint Michael; his voice is booming.

St. Michael - "The world, my children, I repeat, is sorrily on the path to its own destruction. The balance is far to the left."

RUSSIAN PLAN OF ATTACK FINALIZED

Our Lady - "My child and My children, and especially you, My child, Veronica, We have brought you to this site this evening to give a dire Message of warning to all mankind. At this very hour, on this very day, a plan has been built now in Russia to attack the United States and Canada.

"My child, I understand that your government has been greatly deluded by their visitors. They come to see and remember what they have seen, to advance their unspiritual and diabolical coercion with satan.

"My child and My children, I wish you to know at this time that We want to protect you, and We warn you constantly. How many times can you count on your fingers the warnings from Heaven given through various seers upon earth?"

MASSIVE WORLD MONETARY DEPRESSION

"My child and My children, the days will grow darker, and there will be hunger in your land. Yes, My child, what I brought you here for this evening is to tell the world that there will be a crash in the monetary doings of your government - an absolute crash that will affect every man, woman, and child in the United States and Canada, and then, like a serpent, creep all over Europe, until the world sees one big, massive depression. I can illustrate to you, My children, what I mean by this monetary depression.

"Should you go and wish to buy a small instrument, even a guitar, that We hear plucking away at the deviously, and devilry of what is called the musical Mass, strung by guitars and other creations of satan - My child, I go on to tell you, you will say that the guitar is not a costly item, but in order to buy this guitar you will carry an actual satchel, an overnight bag-size, My child - let Us put it that way clearly - of notes, your currency. It will take a whole suitcase of paper - paper money that no longer has a value. You will soon be reduced to bartering for your food.

SUBS OFFSHORE IN CONTACT WITH KGB

"My child, how can you stop this? Are you going to sit back and allow them to ravage your land, as they go about in the outer waters, sailing and diving and watching and coming into your land, keeping with them contact with an organization called the KGB.

"My child, I know you are affrighted at this knowledge, for I have given you others - other means of avoiding this in your country by spreading the words from the Eternal Father throughout the world. Yes, My child, the whole world must listen now, or they will be engulfed in a total World War. This war will be like no other war that man has ever suffered or seen. It will be the end of the world.

"My child, I know you are affrighted at this word 'war'; 'death,' turmoil,' 'depression,' but what can I do but tell you the truth. I cannot smooth over it, for I would be accepted like those upon earth who, like ostriches, they walk about, proud in their scientific knowledge. However, they are fooled by satan, for satan has made it known - and We here, My children, as defenders of the Faith, defenders of My Son's House upon earth, We also know the truth - that satan is loosed upon earth. All hell is opened up wide. Every major and minor demon - called the devils by others - only they remain upon earth now. Those who perish now in the name of their Faith shall be held in abeyance to meet with My Son in His second descent onto the earth.

"Yes, My children and My child, you cannot look back and say, 'Well, this may be happening to my neighbors in Africa, in Europe, but why should we care? For we can go on marrying, and singing, and being materialistic in our modes.' But where is your soul, My children and My child? I ask you this because if one parent refuses, and has conscionable knowledge of his refusal being offensive to his God - if one parent cast aside his child, no matter what age that child is, and even into womanhood and manhood That parent has a responsibility to the children, his and her children, to see that they learn fast of the knowledge of God and what is coming upon them.

"Fear shall be struck into the hearts of most; but as you know, My child and My children, I, as your Mother, will be with you throughout all of the conflagrations of the world, to see that those who have lived in justice, those who have shed their blood for the salvation of souls, and those who have accepted their roles as a person would on your earth, before all of Heaven There are many who have accepted the role as victim souls.

"My child, I wish that you at this time take three photographs; it is urgent. The one you will explore and not read out. The second you may read, but the major message you must leave out. And the third you can explain, but the third part must be a remaining secret until We find it best for the world to know.

"You see, My child, the enemy is very cagey. He has it all planned that man shall capitulate to save his body, to save his material goods, to save his money; as money has become the god for many. Money and power - this, My child and My children, is what brings upon the wars, and the killings, and the murders.

RUSSIA LINING UP MAJOR STRIKES

"Your country, the United States, and Canada, and most of the nations of the world now, are being lined up by Russia for major strikes.

"I tell you this because I cry tears of pity upon you all. How many years, My children - count back; how many years have I come to you as your Mother, and made known to you the plans of the enemy? And what have you done to help out your brothers and your sisters? Do you sit there smugly, confidential in your own arrogance, and say that this shall not happen to me, this is for someone else. I assure you, My children, this will happen to you, and it will not be the 'someone else,' for it will be you. For as two men are working at the till, one will be taken and one will remain; as two women are working at the fields, one will be taken, one will remain.

"My child, it will remain a mystery for you but for the second photograph. You will read these photographs, My children, and await My Son, for His Message is far more dire than that which I have given to you this evening. Sit back, My child, and read the photographs, and be very, very careful that you do not forget My directions to you."

Veronica - All about the trees there are cascading long lights. I call them "lights," because I can't know of any way that I could judge them, be it physical or supernatural. The lights are like slivers of glass - sharp, and coming from a point directly over Our Lady's statue, in the center of the sky. All about us there are graces being given; they're coming down as slivers of light all about our heads, and they're shining down onto the trees. And they're falling like - the only way I can explain it is that they're falling like slivers of . . . material type of - I don't know what you would call them.

Our Lady - "Instruments from God, My child, instruments."

Veronica - Yes, instruments from God, Our Lady said. Now Jesus is coming forward. He's dressed in a beige smock, I believe you call it - a gown. And He has on His burgundy cape, the one I am so used to seeing Him in. I love that burgundy cape. And Jesus knows it, and He wears it. And He has about a half inch trimming of gold upon His cape. And I do believe that there's a cowl, a headpiece, but it's now down. Jesus' hair is blowing in the wind slightly. It's not too windy tonight because I can see Jesus' feet. He has on sandals. They're made of a leather-like material, and they have a band about His ankle.

And now Jesus is looking all about Him, and He's placing His finger, His first finger, to His lips. That means to listen and repeat. Now Jesus is taking a Rosary, which He had in His hand. I didn't notice that, but He's taken out of His left hand a Rosary in particular, and He's raising the Rosary, the crucifix on it, high above our heads, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus is speaking now.

Jesus - "My child and My children, I use My Mother's Rosary in order to enlighten you upon this day of, I should say the formation this day of an interlude in your life. I say 'interlude' because no words will be able to contain the exact knowledge that We give you this evening, whether by parable, of symboliness, or anything that you may call scientific. This, My child and My children, is a direct Message from Heaven.

"And I come, allowing My Mother first to precede Me, because it is Her day of birth upon earth, and I have great love for My Mother. But I waited with My heart aching for you all, for if you could only see with the eyes, your human eyes - which, of course, My children, is not possible at this time - you will see what is going to happen to all of your relatives and neighbors and friends, and others throughout the world, as the plans continue in Russia to destroy the world. They shall never take over the world completely, but they will use the power of money and instruments of war to make the nations rise up against each other. This is happening slowly, but due to the state of man's souls upon earth it will now accelerate very fast, My child and My children.

"I wish to have this evening with you a time of great rejoicing for My Mother, but She wills that We not rejoice on Her day of birth, for there are far greater things to rejoice for."

Our Lady - "My Son . . ."

Veronica - Our Lady is speaking now. She's been crying. I don't know how I could actually sit here and hear Our Lady cry, the way She has been crying. [Veronica speaks with emotion.]

Now Jesus is going over to Our Lady. All this time He was talking, Our Lady has been standing over on our left side. She has both of Her hands together, with the Rosary between Her fingers. But Her eyes are cast down, and the tears, they're glistening in the light of all of the transcending back and forth - these rays that are coming from Jesus onto the trees and down among us. There are glitters of graces all about Our Lady. But Our Lady stands motionless and watching Jesus, nodding Her head.

Now Jesus is looking all about Him. Now He's going over to Our Lady, and going on to Her right side - that would be our left side - and He's making the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning to His left side - that would be our right side - and He's coming just above the statue. He's standing there and looking about. He has - Jesus, I can see Him so closely now that I feel as though He's standing right before me. He's very tall, you know, so it's difficult to see in the sky how magnificently Heaven has structured Him, that He must be at least six-foot-two tall, if not a little taller.

But now He's smiling, but His smile, too, is of sadness; there's no way to explain it. It sort of wrenches at your heart, and you feel that there must be something that can be done to have everyone in Heaven happy. But Jesus and Our Lady say together:

Jesus and Our Lady - "There cannot be happiness where there is sin and destruction."

Veronica - It was like in one voice. Our Lady and Jesus are repeating it again:

Jesus and Our Lady - "There can be no happiness upon earth . . ."

Jesus - "And I shall enlarge upon it, My children, at this time."

Veronica - Jesus is placing His hand up and making the sign of the cross. Now Jesus is looking down at me, and He's putting His first finger to His lips.

Jesus - "My child and My children, how long do you think We will be able to go across the nations and warn them that war is in preparation. How long can We wait for those who do not wish to be saved, because they have lost the Faith. They have accepted all the beguilement of satan and given themselves over to lives of eating, and drinking, and marrying, and making all manner of aversions, which are nothing but insults into the heart of My Mother.

"Do not think, My children, that I am not aware of what is going on upon earth. For I have counted every hair on the head of every single living creature upon earth, human-wise. We see you all, My children, and I could only say to you at this time that I find you lacking, and in dire need of something to straighten you out fast.

"Since the world has given itself over to murders, murders of the unborn, father against son, daughters against mothers, all manner of carnage - also being perpetrated in My House, My Church upon earth. How long do you think I shall stand by and

watch the destruction of the young, because of parents who should not accept the role or the name of parents, for they are destroying their children's souls by their example.

SACRED HEART IN ALL HOMES

"Too few now even carry in their home a visage of Mine, My children. I ask that that visage of the Sacred Heart be placed in all homes as protection against satan. Already they are being discarded and thrown in the wastebaskets, My children, so little is the Faith.

"I could go on and on, My child and My children, stating to you and writing out a great discourse on what is to happen to the world, and shall come upon you suddenly.

"Do not follow the scoffers who continue to say, 'His promise has not and will not come true, to return in the Second Coming.' I assure you I shall come to you all as a thief in the night. Little will you be prepared unless you listen to My Mother's counsel and keep your heart open for the truth. The more you seek riches in this life, the less you will have in Heaven, for they do not coincide, My child and My children. You cannot have a god, symbolized by money, before you, for you will love one and hate the other. And whom will you hate, My children, but Me?"

Veronica - Jesus is looking all about Him now, and He's turning very fast, but He's motioning Our Lady to come with Him. They're crossing over until They're about at the top of the first bough on our right side, the very thick tree, on the first bough. Now Jesus and Our Lady are looking about everyone, and Jesus now is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking and He's placing His hands out, like this, in front of Him, and all from His fingers there are rays of beautiful light. Oh, there's no way I can humanly tell you what this light is like. It's beautiful! I feel if it came my way now, I should perish with joy. The light is so beautiful. But it is falling now upon others on our right side - in the infirm and the ill, and those who are sick of mind or body - these lights are now cascading down. I almost touched one of them, but there was something so supernatural that I knew I had to withdraw my hand, or I would die. I knew it.

Now the lights are beginning to dim. They were straight lights. They were similar to the lights that were in one of the photographs taken on the site here, all cascading down onto the exedra; only they are the lights over by the trees, cascading down onto the sick and the infirm.

Now Jesus is moving fast. The wind is catching His gown and His robe. And Our Lady looks - I can't explain how Our Lady looks . . . She looks crushed. The only thing I can say, I did not expect Her to be so sorrowful. We wish to make this a happy birthday for Our Lady, but Her heart is too torn. She says this:

Our Lady - "The best present, My child, that man could give to Me is to turn back from his ways, which are displeasing to My Son, and the Father, and the Holy Spirit - the Spirit of life, the Holy Ghost, My child."

Veronica - So now Our Lady is - She's ahead of Jesus now. While He talked, Our Lady went ahead. I could see Her skirt blowing in the wind. Oh, Our Lady has on a beautiful pair of slippers. They're gold. I know they must be real gold. They're beautiful, the slippers. And on the tips of the slipper there is a single - on each one, the right and the left foot - a single little gold rosette. Our Lady calls it a rosette. It's very small, but it's a beautiful golden rose.

Now Our Lady is wiping Her eyes with Her hands. And I know She's bravely trying to stand upright, but She's now standing at our left side with Her head down. I know She's crying; I can hear Her softly crying. Now Jesus is going over there by Our Lady; He's come from our right side and is going over to the left, and He's placed His arm now about Our Lady, and He's patting Her back. He feels very bad that this Message had to be given on Her birthday. But Our Lady says this:

Our Lady - "Do not be sorrowful, My child and My children; there will be times of great joy for all of us. This will not be a permanent state upon earth, earth that is covered with sin and defilement: children against their parents, murders in every street, killing of the unborn, and much more - much more that, My child, I would wish you to know; but I cannot, for the purity of heart, instruct you on the vile deeds of the satanist."

Veronica - Now Our Lady is rising high over into the sky, and She's pointing now out towards Her left side. She's standing on our right side, over the statue, and She's pointing out over to our right side, and She's now touching Her lips fast.

Our Lady - "Look, My child, and see man scurrying to and fro, and where is he going but to damnation! Man has given himself over to satan, as satan roams the world. And if you had only listened to Me many years ago. I warned you that satan would be loosed upon earth with every demon out of the abyss. What chance do you have, My children, if you are so proud and arrogant that you think that you can consort with satan and come out the winner. No, My child, his powers are too great. I cannot explain to you at this time why this is allowed. It is a mystical feat against satan."

Jesus - "My child and My children, My Mother wishes that you know that regardless of the state of your souls, that are so darkened by the manner in which you are constructing, but destructing your lives - My Mother has promised you, and She shall not fail in this promise, that She shall remain with you until the end of time."

Our Lady - "My children - "

Veronica - Jesus is looking about.

Our Lady - "And I say, My poor children, remember My words: When you become ill, be it physical, mental, or sorrowfully in your heart, you will say, My Jesus, my confidence! And I will truly succor you. I use that word, My child, 'succor,' because it was a favorite word of one of Our sons of My Son's House. Yes, you know, and all know who this was, though he met an untimely death, as did the other who came after him."

Jesus - "My child and My children, I must also warn you that My Mother was not light, or can be taken lightly, in what she has just given to you as knowledge of the KGB. They are now holding the major stations in your government. They come as angels of light to your leader; and though he has a good heart, he has not the knowledge to understand, nor look for, the very evil that is about him, that can lead this country directly into a confrontation with Russia.

RUSSIA PLANNING TAKEOVER WITHOUT A SHOT

"It is true, My child, that one of the KGB agents who rose to power was allowed to appear in the Senate and slam his shoe upon the table and say, 'We will take the United States without firing a shot!' Do not take this lightly, My children, for that is exactly what they are doing."

Our Lady - "Do not be affrighted, My child. You will meet with much controversy over this message, but the truth must be made known. And also, My child, I prepare you well now; you listen to Me and remember, your life will not be easy, for these agents will seek to destroy you. Do not be affrighted, My child; I have promised to protect your family. Do not ever feel that I would turn My back from you, no matter how grave the times.

"You will be very careful, My child, to keep your doors barred to all but your immediate family and the close Shrine workers. None others must enter your house. You must instruct your husband to seek only those from the Shrine to help him in any major repairs in your home, for he will enter, and you will die!

"Yes, My child, I brought you here this evening so that you will understand that your time has come. Before it was a war of nerves upon you, but now there shall be physical war, My child, and you must prepare for it. The world will not take this Message lightly. Those in the know will understand; the others will seek to hate you.

"I say unto you, all who wish to be saved must at this time be apart from the world. They can live in the world, but they cannot be a part of it. That you will ponder over, My children, and you will understand. Sometimes, I understand that you have difficulty in understanding the symbolism, and the manner in which My Son brings His message to you. But just remember, nothing is hidden from you. All you will do when you become befuddled, My children, all you will do is pray to the Holy Spirit, the Holy Ghost; or pray directly to the Eternal Father, and ask Him to enlighten you as to the day's woes that come upon you.

"You are not abandoned, for you all have been given an angel of protection. Yours, My child, is Tomdarius. No, not Tomdarius, My child; that was Ben, who has chosen to remain away from the graces given him. They cannot be continued unless he returns to the Shrine. He cannot enter into the circle, but he must still remember his role as a pilgrim for Christ in the world. He is giving himself over to worldly pursuits, and this takes him farther from the road to Heaven.

"My child and My children, every Message that is given is as from Me a personal Message to each and every one of you, to prepare you for what lies ahead. It will not be easy to accept the judgment of mankind against you, for only a few will be saved, My children; and I am sure, as your Mother, that you will wish to be among those who are saved.

"Remember, keep a constant vigilance of prayer going about your country and the world. Wear your Scapular. Wear any crucifix that you can find. It does not have to be big or small, but an image of My Son."

Veronica - Now Our Lady and Jesus are both - Our Lady is raising the crucifix, the beautiful golden crucifix on Her Rosary, like this.

[Pause]

Oh, Our Lady said:

Our Lady - "Up high."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you with the shield of the Immaculate Conception: In the name of the Father, and of the Son, and of the Holy Ghost. May you be protected by the shield of the Immaculate Conception."

Veronica - Now Our Lady is touching Her lips.

Jesus - "My child, We will be here for the rest of the evening prayers. My Mother must then go on to Lourdes.

"Yes, My child, you cannot understand the humanism that lies even in Our hearts, though everything has become a spirit for the Father. In Our human nature upon earth, We have not forgotten. Yes, My Mother is traveling on to Lourdes. But She returns as soon as possible. She has the world now to try to awaken them before it is too late. My Mother does not rest, but has gone endlessly, timelessly, on to all the nations of the world, appearing personally to implore everyone to stop the carnage that is fast coming upon the world. She does not want to see the world destroyed.

"Now, My children, remember: wear your armor, the Scapular, the Rosary. I say the Rosary; I do not mean that you will wear it as a decoration. You will wear it about your neck, though hidden from the view of others, just in case you are one of the many who will flee with what is on their backs. You will have no time to turn back, you will have no time to ride; all will depend upon your own years of preparation, through learning the only true way to save your souls is by following the Message from Heaven.

NOT TO BE INVOLVED WITH OTHER APPARITIONS

"There are false prophets throughout the world, many who are also coming as angels of light to deceive you in the end. Remember, My child, I ask you not to become involved with any other apparitions in the world, because sorrowfully, My children, I must tell you, many of them are not true. So you see, My child, were it not so, I would tell you; but many of them have come forward for gratification in their human natures.

"Now, My child, remember that I warn you to bar your doors, and do not venture without your house unless there is someone with you. Yes, My child, I sent Grace back. I sent her back to make sure that you do not forget Our warnings to you.

"Now, My child, you will sit back and continue with the prayers of atonement. Keep the Rosary about you, My child, too. I say - what I say to you I say to the world. But do not cut yourself out, My child, in your reasoning. Many of the messages are for you and the world."

Veronica - Now Our Lady is motioning to Jesus, and He's raising His hand. They're both directly over Her statue now, and He's raising His hand, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking towards Our Lady; Our Lady is on our left side. And He's motioning, like this, and She's saying, yes.

Now Jesus is motioning, like this, to me.

Jesus - "Continue now, My children, with your prayers of atonement."

Veronica - Our Lady is still very sad. It's not a very happy birthday to Her tonight. The news is too grave, Our Lady said; the news is much too grave.

September 14, 1985

The Exaltation of the Holy Cross and Eve of Our Lady of Sorrows

Veronica - All about the trees, there are golden and yellow - symbolizing the papacy - and next to these golden and yellow cascading lights that are coming from high in the sky, downward, like banners - I know that the yellow and the gold does refer to the papacy. And next to it, I see the Pope, John Paul II, standing there. He's looking all about. And he's stretching out his arms, like this, and saying:

Pope John Paul II - "My children of the world, pray for me."

Veronica - Now as he looks over to his left, our right, I can see a figure high in the sky, but he's like a picture of death. He's got the face of a masked man. I cannot understand why I cannot see his full face, this masked man. But he's dressed, though, with a cassock, and also the clothing of a priest, the collar and all. However, from his neck up, he looks like something so horrible that . . . I know I'm getting a horrible reaction from looking at him. Now he carries with him a scythe for cutting down fast, people. I know he's not out to cut grass, but he's out to cut down our Holy Father.

Now it's growing very dark, and that figure is now disintegrating into a huge black cross. And forming under the cross is a large globe of the world. And then I see a darkness starting from the blackened cross, moving downward slowly over the whole world, until there isn't a light on the earth.

Now the sky is beginning to grow a little more brighter. And I can see now that the figure is disappearing as in a mist. And high above Our Lady's statue, about maybe twelve to sixteen feet, I see Our Lady. I didn't notice Her approach; I was so startled at the figure of death standing right before us, that I did not look forward, upward.

Our Lady is coming down very slowly. The sky has opened up about Her, and the evening is one of tranquility and joy, because I can hear the voices of angels singing. I cannot make out what they're singing, but the humming and the droning of the song sound like a Gregorian chant.

Now Our Lady is coming slowly forward. I can see now Her tiny sandals. Our Lady has on golden sandals with the little gold rosettes at the tippy-toe. Our Lady always refers to that section as the tippy-toe.

Now Our Lady is looking all about Her. She is now descending, and I would say She's around nine feet above Her statue.

Now Our Lady has on Her mantle, which is blowing in the wind. Her mantle is a beautiful white color - so beautiful, I often wonder what the material is that could be so shining and translucent and beautiful. And all about the mantle Our Lady has a fine - about a half an inch of gold thread going all about the outer parts of Her mantle.

Now Our Lady has on a white gown, a pure white, translucent gown. I say translucent - you cannot see through it, but it gives you the feeling of, as though you could almost walk right up, and walk through Our Lady.

I know that this is a feeling experienced once when I was in a locution with Our Lady, and She took me by the hand and I moved forward. I felt like I moved forward through something impenetrable normally, but it was light as a feather, and I walked through a mist, not knowing that Our Lady was taking me down to see purgatory.

Now Our Lady is looking all about Her, and She's now taking Her Rosary from about Her waist. Our Lady has a golden sash about Her waist this evening. She looks so beautiful! And the shining of the gold, upward, seems to be so mystical that I have no words to explain it. It's so beautiful that it actually takes every bit of feeling and emotion to explain the beauty of Our Lady standing there.

Now Our Lady has Her Rosary in Her hands, the beautiful Rosary with the golden Our Fathers and the white Hail Marys, that as Our Lady is turning, they're cascading in all colors of the rainbow. Now Our Lady is moving to our left, Her right, and She's extending Her Rosary out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking over to Her left, our right, and She's slowly moving upward and going to the left, Her left, until She's directly over Her statue. Now Our Lady is now raising the golden crucifix on Her Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now is looking all about Her. I notice now that She has in Her hand a Scapular, which She must have taken from about Her waist to give to mankind the message of the Scapular. Now Our Lady is walking over, though, first - She's walking, but She's really floating. I use the words on earth here of walking, but Our Lady never walks; She absolutely floats, so beautifully.

Now Our Lady is moving over to our right side, Her left, and She's extending the crucifix on Her Rosary high, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking all about Her, and She's pointing upward with Her hand, to the sky. And coming through the sky - I didn't notice that the sky has opened up into a crystal-like atmosphere, round in circumference, but crystal-like. And

directly in the center of this crystalline ball - that's what it appears to be, a crystalline ball - and Our Lady is still pointing upward; She hasn't moved Her hand. And Jesus now is emerging from the light. He's coming down very slowly. His hair is blowing in the wind. It must be quite windy above us. Jesus' hair is quite long. It goes down to His back - I don't know how far, because I've had few chances to look in back of Him, since He's always facing us, and floats that way.

Now Jesus has come down, until He's only about four feet above Our Lady's statue. Now Our Lady is coming across the sky slowly. She's floating, and She's joining Jesus over the statue. Now Jesus is looking all about Him, and He's placing His hands like this before Him, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus is smiling. He has a smile that is a composite of heartache and joy, gladness and sorrow; I don't know where the balance is, so heavy are the trials of the world upon Jesus. These trials, though, are produced from sin, sin of mankind.

Now Jesus is nodding, and He's going with Our Lady. Our Lady is following Him. She's on Jesus' left side, that would be our right side. And Jesus is going over to the left side, almost to the top tree, the one - yes, right directly to the left of the banners. Now Jesus is extending His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's looking about Him, and He's now floating over - Our Lady knows where He's heading, because She is going on, and He's floating behind Her. And Our Lady is floating over to our right side. She's not stopping over the statue, but going over between the banner and the banner of the papacy. Now Our Lady is looking down at the papacy flag, and She's nodding. She's nodding.

Now Our Lady is touching Her lips with Her finger; that means to listen and repeat. Jesus now has become very quiet. He's nodding, which means that I am to listen to His Mother and repeat.

Our Lady - "My child and My children, and you, My child, Veronica, I caution you again to be extremely wary when you go outside your home. I have told you before, My child, that you must not venture forth alone, or you will disappear from the face of the earth.

"Do not be affrighted, My child. I speak to you not to place fear in your heart, but to protect you and your family from any harm."

Veronica - Now Our Lady is looking towards Jesus, and He's nodding. And now She's turning - Our Lady is turning, as She plans to go back over Her statue. I can see Her heading for Her statue. And Jesus is standing just above the statue. While Our Lady spoke with me, He moved over, just above the statue. Now He's making room for Our Lady to stand above the statue. Now Our Lady is touching Her finger to Her lips.

SCAPULAR-RULES AND REGULATIONS

Our Lady - "My child and My children, I speak with you this evening to caution you, and not - to not fall into despair because there is a conflict over My brown Scapular.

"You will know, My children, that there are always rules and regulations for everything that man holds sacred. Therefore, because so few priests in My Son's Church are willing to intercede with the Scapular, and enthrone those who wish it, it has become necessary to give a Scapular to every child upon earth; and he or she of reasonable age shall go forth and find a kind-hearted and true, holy priest to enroll them. It will take, My children, much doing to find these priests; there are not many left.

"O My children, how difficult you are making it for Me, especially the priests in My Son's House upon earth, His Church. I cry tears endlessly when I know that every day My Son is confronted by numerous souls who have lost their way, and refused the redemption that will come to him through wearing the brown Scapular.

"My child, do not be stopped in your efforts to give out these Scapulars. I directed you well, My children, in several instances throughout your lifetime. Think back, My child and My children, think back to the days when you were enrolled in the brown Scapular.

"I tell you now that should you wish to be enrolled, I can only suggest - though the outcome may not be as you wish - I could only suggest that you approach a Franciscan priest, a Carmelite priest, or a Dominican priest. The others have fallen away to a certainty, and your chances of meeting up with success would be very little, My child, among the others.

NEVER SEE THE FIRES OF HELL

"I promise you all, when you wear My brown Scapular, you shall not be condemned to hell. I repeat: If you pass on over the veil and are wearing the brown Scapular, you shall not see the fires of hell.

"My child and My children, it will take great courage for you to fight, for the others in your parish, and those who are your friends, who do not have the courage of their convictions - courage to go forth and promote the brown Scapular. I do not go back on My words to mankind: I have often said to the world that if you wear My Scapular, you will be saved.

"To understand this better, My child, I will converse further with you. Now this be it known: that the Scapular cannot keep you from purgatory. I purposely gave this knowledge to Saint Simon Stock, the knowledge of the existence of a sacramental so powerful that a man who would fall fast into hell shall escape, through the mercy of his God, and the existence of a shadow of faith that he may have.

"My child, you will watch the Scapulars carefully as they come in. To be of perfection you cannot make a substitution, or you lose the graces, My children. It is a simple cloth, and can be obtained in many nations. And those that do not have the means to make these cloths shall use the only passage known to man - to approach another who can help him or her to obtain this perfection in cloth.

"My child and My children, I have wandered for years throughout your land, with tears streaming from My broken heart, warning you that the hourglass is almost empty. Like a thief in the night, the Chastisement shall come upon you. Are you ready, My children? Have you read and reread the messages from Heaven given from the years that go back to 1970? Those prior to 1970 are also most urgent to be given to the world.

"My child, I notice that you have completed one side of the book. Yes, the messages were taken from the tapes. As soon as Heaven deems you ready, you will receive the lost book of messages, and you will also place them on tape. Conversations with Jesus must now go out at a fast pace. There is little time left.

"Look up, My child, to the sky; look high into the sky."

Veronica - I see a ball. It's a horrible ball. It's red and white, and it's traveling very fast through the atmosphere. I have such a feeling of fright that I think I shall fall over. [Veronica speaks with trepidation.] It's frightening. It has a long tail. And this is huge, this ball is huge. It's starting to cover the whole sky. It's orange and it's white, and there is something - Our Lady is pointing. She's letting me know that She's there by the trees, not to be affrighted at what I see. But there are streams of molten lava coming out of this ball and sending what appears to be meteors down into the waters and the seas. And I see the seas and the waters burning - burning! . . . the actual burning!

"Water burning, this is almost impossible, Our Lady!"

Our Lady - "No, My child, you do not know the force of these meteors. They shall burn until they hit the land."

Veronica - Now it's growing very dark, very dark. And I see, high in the sky, a building becoming evident. It is in Rome. I see a large basilica, St. Peter's Basilica. And I see a black flag draped over the doors and the windows. Oh, it's so frightening.

And I see Our Lady now. She has moved from beyond the trees, where She was talking with me, and She's going forward and fast, up high into the sky. She has emerged now out of the sky, and is standing directly above the Basilica. Our Lady now is desperately trying to take Her mantle from both sides and stand on the Basilica. All about Her, I see faces, hundreds of faces, shocked faces . . . tears crying and falling upon the multitudes.

"What is this, Blessed Mother?"

POPE PAUL VI: SMOKE OF SATAN IN VATICAN

Our Lady - "My child, you are looking into Rome on that horrendous day when the Holy Father shall leave you. I say 'shall' because the message is being rejected in Rome. The previous messages about this carnage to the Holy See and the Holy Father has been taken with a manner of laughter. Too late will they laugh and refer to My visitation in New York as being absurd. My child and My children, that is satan. And as a holy Pope once told you before he died, he knew that the smoke of satan had entered into Rome and the Vatican. Well did he understand My visit to him, My child. The world has never known how close I was to your Vicar at that time, Pope Paul VI. Yes, My child, he was removed from the earth, also, with his impostor."

Veronica - Now Our Lady is passing Her hand over Her eyes, like this. Her tears have now come down upon Her face, and the light that is shining so brightly has almost obliterated Her face from my view, so much is Her sorrow.

Now Jesus is touching His lips.

Jesus - "My child, you cannot see My Mother's face at this time, because Her sorrow would bring you to Our door; for this sorrow of My Mother's cannot be accepted in the human heart, so powerful is Her grief."

Our Lady - "You, My child, must continue to see that the messages from Heaven are going throughout the world.

"The Rosary must be recited daily, and twice a day, if possible. All others We leave to you to say for added graces. In your world of corruption and evil, My children, you cannot gather enough graces. For those that you will not need when you come over the veil to eternity will be given to those whom you love, or those who you have fought to save, and yet you felt

unsuccessful. All the children of the world shall be counted in those who will see the ultimate Chastisement. Many will die in the great flame of the Ball of Redemption.

"My child and My children, there are many sins among mankind, but none have been more vile than the abortions, the taking of human life before birth.

"My child and My children, We cannot accept the political and the rational views - I say 'rational,' because they do not use the supernatural, but they curry - c-u-r-r-y, My children - they curry on those who do not have the Faith, to understand their so-called 'enlightened' messages to the world. This I speak of, My children, for I know the influence of the clerics over the laity.

"You cannot judge your brothers and sisters, for you do not know their hearts. However, should you see them going on the wrong path and fast falling from the narrow road to Heaven, you will do your utmost to convince them of their folly. For in the end, it is they who will suffer, because no man knows the day or the hour in which he will depart from the earth. No man can say he is a master of his own life, and therefore, will not die.

"In the Book of love and life, My children, every name has been counted, and every name has a date. Yes, My child and My children, the Eternal Father has looked far into the future, and the book is already made up - those who are to be saved, the sheep; those who are to be lost, the goats.

"My child and My children, I wish that you all keep a constant vigilance of prayer going throughout the world, your country, the United States, and Canada. I warn you again that Russia plans an attack upon the United States.

RUSSIA SECRETLY SUPPLYING FIREARMS AND MISSILES

"You must remember, My children, when you accept the talkings and the words of an atheist: there is no honor in the atheist. There is no truth in the atheist. They will cajole you, and buy you, until you no longer are what is called a 'free nation,' but you will be enslaved - if they do not kill the multitudes before, My child. I say 'if,' because it is their plan to destroy your nation and rebuild it by themselves. The cost of life means nothing to them, as you can recognize in all of the countries around your world that have been invaded by Russia, or Russia is the secret agent giving over the firearms and the destructive missiles to destroy the United States and Canada.

"My child and My children, you cry for peace. I come to you as a Mother of peace. My messages to you are not to frighten you, but they are to reveal to you what will happen if you do not act now upon My counsel, My Mother's counsel to you. I expect you to think of this, and consider what is more important to you: to have a life filled with glory, and money, and materialistic things? Do you think, My children, that you will take them with you? You will come from your world, the earth, with nothing, just as you arrived in it.

COMMUNIST'S ONE GOAL: WORLD DOMINATION

"My child and My children, since the world no longer considers the tiny little babies as being important to life, they no longer will consider the necessity to have the elderly and infirm among us. That is communism, My children! They will destroy the elderly; they will destroy the newborn, and they will destroy anyone who gets in their way. They have one object: that is to conquer the United States and all of the nations, until, like a fan, it will open up and will border upon all the nations of the world.

"I asked you many years ago, My children, I asked you, with a Mother's heart, to follow My rules. I appeared in Fatima. My child, how many actually know the story of My visitations to Fatima, to Lourdes, to Bayside, and others which I will not name at this time, because others, My child, have fallen into serious errors.

"Now, My children, I wish you to continue your prayers of atonement. Only a few - I count you, My children, upon these grounds this evening, as counted in the few - through the millions of peoples on the earth now, only a few are staying on the narrow road.

"Remember, My children, you know not the day nor the hour; therefore, you must be prepared to leave this earth at any time. There is so much, My children - "

Veronica - Now Jesus looked over, and He looked at His Mother, and Our Lady has been crying. Our Lady is crying very hard. Our Lady now is just extending Her arms out, like this, very pitifully, and saying:

Our Lady - "My child and My children, I have come to you under many names in the past, but I want you to acknowledge Me as the Mother of Grace. Because that is why I come to you now, My children: to give you the graces necessary to remain upon earth in a state of purity and perseverance, and knowledgeable to the truth that will lead you and keep you on the narrow road to Heaven.

"My child and My children, many miraculous photographs have been given to you to try to make you understand how futile it is to go about seeking to buy happiness in a world that is materialistic. You cannot buy happiness, for that is one thing I instilled in mankind: the knowledge that the spirit within him is to be guarded and nourished with the fruits of true life - the knowledge of the Bible, past and present and future.

"My child and My children, you may ask your priests for knowledge of the stories coming from the old, elderly fathers of My Son's Church, but can they tell you the truth now that their seminaries have become polluted with errors? Mothers cry to Me; I hear all their prayers, prayers to Heaven to save their children. And where can they find the knowledge of the truth to teach them? That will depend now upon an earnest mother and father, and discipline. Children are like soft flowers that must be nourished so that their stalks will grow; and their faces, the purity of their faces, shall rise toward Heaven and be nourished with the fruits of life.

"My child and My children, there must not be any allowances made for the sacrilegious acts of those who call themselves humanists, and also those who promote homosexuality in the name of freedom - freedom of religion, freedom of what you want to do: do anything you want, as long as it offends your God. That is what We hear coming up to Us from Heaven. That is what We hear coming up to Us. High into the heavens, I hear - I hear the saints crying, 'How long, O Lord, will You accept this carnage upon earth? When shall we restore it to its former beauty and purity?' "

Veronica - And Jesus has replied now to . . . I see the sky opening. I see hundreds, maybe thousands of people. They have, though, one thing in common; they all look like clerics, and they have on their habits. Some are brown, some look black, and others are all pure white. The ladies - they're nuns - are dressed in the all pure whites, and the others are men.

Our Lady - "My children, you see before you the saints who have gone by, having sacrificed their lives upon earth for the courage that they needed to go forth and bring to the world the truth of the living God.

"My child and My children, I wish that you continue now your prayers of atonement. And you, My child, Veronica, will take three pictures. One you can acknowledge, and two you must keep a secret at this time."

[Pause]

Our Lady - "My child, do not be affrighted. I took you on this journey once before. But I understand, My child: the unknown is often questionable and often disregarded. But you, My child, have been given this knowledge to perpetuate the truth throughout the world.

"Now take the three pictures, My child. Remember: one you may reveal, but the other two must be kept secret at this time."

[Pause]

". . . and the other two must remain a secret for this time."

[Pause]

Veronica - Our Lady looks very sad. It actually breaks your heart to see how sad She is. And there's no way other than sacrificing our lives and ourselves to succor Her. Always Jesus and Our Lady want to use the word "succor," because They know of the visit of Padre Pio to my home many years ago, and often he mentioned Pope Paul VI: he's crying now, "Succor, my children! Succor!" And also, Padre Pio repeated, "Succor, my little children! Help! Help!"

[Pause]

Veronica - . . . They're standing by the trees, but I didn't expect for Them to come forward. They have been standing by the trees all this time. Now Jesus is moving away from Our Lady, because Our Lady is standing over the trees on our left side. Now She's looking over at Jesus, and motioning Him, yes. They've been conversing, but I couldn't hear what They were saying.

Now Jesus is coming forward. He's on Our Lady's statue, almost - almost standing above Her head, on the point. And now He's looking about Himself. He's looking to the right and left, and I don't understand the look on His face; it's one of puzzlement and not happiness. There's no words to describe it. Now Jesus is going to touch His finger to His lips.

Jesus - "My child, this evening there is one more subject that must be resolved and dismissed quickly. All over your country and the world, there are groups forming that have alienated themselves from their hierarchy. I have asked you many times to not form another church. I have asked you to remain and suffer for all of the souls upon earth - suffer, even though you know that the Eternal Father watches what is going on. We do not want a schism. We do not wish that new churches be formed. Though the meaning is well, they can lead to nothing but destruction and schism.

TRADITIONALISTS BEING LED ASTRAY

"We hear all names coming forward to Our ears of churches being born anew, called the Traditional Roman Catholic Church. My child and My children, We need no more Traditionalists running around and creating new churches. We have to remain steadfast and firm in our convictions that with enough prayer, and also the firm example of holiness among many, this will not happen.

"We do not condemn those who make these side churches, the Traditional Roman Catholic churches; they mean well, but they are being led astray. There will be eventually an American Catholic Church if this continues. This is not approved by Heaven. Man's judgment can always err, especially when he discounts the knowledge of the supernatural.

BREAKING AWAY MUST STOP

"Remember, My children, I have asked you to remain steadfast in your parish churches, even though it will be a crucifixion to you. We cannot have schism in the United States and Canada. For those who are united shall stand, and those who divide themselves shall fall. My child and My children, do not discount this part of the Message from Heaven. It is most urgent that this breaking away stop now before it evolves into a major schism.

"My child, you will continue with the prayers of atonement. There is much that We wish to discourse with you at this time, but I understand, My child, the weakness of your human body. We do not expect you to give in to all of your wishes to do as much as you can in short a time. You must also exercise good common sense, My child, and not wear yourself thin. For you will not be able to do your mission well. Take each day as it comes, My child, for tomorrow is another day. I also want you to remember this, My child: to allow yourself to go without sleep gains nothing. There are seven days of the week. There are six days in which to do your work, a seventh shall be a day of rest and prayer. Remember, My children, that the moon has come and the sun has gone, it is time for all children, good or evil, to rest. For the moon has come and the sun has gone, I repeat: it is time for all children to rest. That, My child, will now end the discourse with you this evening.

"But I assure you, We shall not put you through the strain again that forces you to miss My Mother's vigils here at the Vatican site. Yes, My child, you will not be free from suffering, for you have accepted once those sufferings sent upon you, and in this manner will you keep yourself in the state of grace so necessary for the deliverance of Our Message to the world."

Veronica - Now I can see the sky closing up. Our Lady and Jesus are moving slowly up, up, up. Now They've stopped. They're going over to our right side, and They're standing there now, and looking down. And Jesus is extending His hand again, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady has turned, and She seems to be scurrying . . . I've seen movement now. She is very anxious to get above Her statue, with Jesus following Her. And Our Lady now has taken Her Rosary, the beautiful Rosary with the golden Our Fathers and the Hail Mary beads that are just like each bead is a rainbow - it's just beautiful - and Our Lady is blessing everyone: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is just behind Our Lady. And She's moving farther over to our left now. And now Jesus has approached Her, and He's standing there. Our Lady is looking up to Him. Like I told you once before, Jesus must be at least six-foot-two tall or more, because Our Lady just comes up barely below His shoulder.

Now Jesus is smiling, and He places His hand out, like this, and makes the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Now, My children, We are not leaving. We wish to hear the prayers of atonement, for it is like music to Our hearts. The Rosary has always been music to Our hearts.

[Pause]

"There will be three more photographs. These can be interpreted, My child, but they must be kept. You'll understand why at a future date."

October 5, 1985

In honor of Our Lady of the Rosary

Veronica - High in the sky, directly over Our Lady's statue, there is the most beautiful shadings of blue and pink intermingled. And now these colorings, which only bordered - when I first noticed them, the hue of them, they were only bordering the outside of the trees that lead from the left to the right side of the exedra. But high up in the sky, I see beautiful cascading of banners: they are beautiful banners of blue and yellow, a golden yellow color, and also pink. I know that the blue and pink coloring will signify the arrival of Jesus and Our Lady.

Yes, now did you look high into the sky? There will be several others who will see. High in the sky, oh, about a good twenty feet over Our Lady's statue, the sky is opening up. It's absolutely beautiful! And I see, as it grows wider in circumference, the light is like looking through a pane of glass that has diamonds set in somewhere within the glass to radiate outwards. And these radiating, star-like diamonds are beginning to now disintegrate from the circle and are coming out in a million pieces each, it looks like. That's the only way I can explain the explosion of these beautiful star-like diamonds, coming from the circle. It seems as though Heaven is saying, now this is an occasion of great joy.

Our Lady now is coming forward first. Jesus has stopped; He was coming down, as I was directed to tell you what there is about us this evening. Now Jesus is coming down in back of Our Lady. Our Lady has descended first. And She's looking up now and pointing toward the sky. And Jesus also has taken His right hand and is pointing up to the sky on the left side.

High up in the sky, I see a very large globe. It's a globe of the world. It's becoming very illuminated. And as Our Lady turns, frantically She is waving to a side of the globe. And She's going over, with approval from Jesus - She had asked Him - I couldn't hear what She was saying, but I could hear the drone-like of Her voice. And Jesus is nodding, yes, to go over. Our Lady is approaching the globe of the earth. It is an actual globe, as though taken from space, that only Heaven could present to us this evening. Our Lady is pointing to Africa. I see Africa with a blackness, starting in the southern part, and going up and up.

AFRICA-WAR, FAMINE, AND DROUGHTS

Jesus - "And there will be, also, great warfare in Africa - famine and warfare, droughts. O My children, all of these, with wars included, are allowed to come upon you so that you may understand and learn the hard way that there is a God - One who could stop the massacres, One who could stop all the suffering upon earth. However, it is a test for all mankind; for by this test, many shall be cleansed. O My children, My desperate children, I hear your voices coming up to Us, and My Mother sheds tears of pity for you.

"Look, My children, beyond where My Mother is standing; look carefully, and you will see the globe of the world, as it starts to turn."

RUSSIA ON THE MARCH

Veronica - And now it stops on a massive nation. I see men in uniform, doing what appears to be a goose step - that is the only way I can explain it. And now I see them marching, six abreast, row after row, across nations and countries.

Now Our Lady is motioning to me, and touching Her lips. Our Lady is saying:

Our Lady - "This, My child, is reason for a dirge. For this nation of Russia shall bring much sorrow to the world. In many years past, I begged of you to convert Russia, but instead, there is a fear of Russia that should not be. There is only one individual to fear in your world, and that could be, My child and My children, the fear of an angry God.

"My children, understand Us: We do not come with messages to upset you or to make you afear of Us. That is not necessary. All you have to do is think, and use your hearts, not just your head; I say not just your head, for the scientist and those who are in charge of the souls of your children are implanting in these souls dark seeds of hate, and envy, and the need for materialism. O My children, I could repeat over and over again the sins that make it a world of destruction for those who are trying to stay on the narrow road to Heaven, while all obstacles are placed in his way."

Veronica - Now Our Lady is looking up, and I can see - I can see missiles; I know they're missiles. They're frightening! I see part of the world now beginning to light up again. Our Lady is motioning, and the ball is floating closer to Her as She points. And She is pointing at the United States and Canada.

Our Lady - "My child, I point for this reason: though, My child, it is a most difficult message to bring to the world, you must not be afear; but you must shout it from the rooftops: Russia has the upper hand now at this time in world peace or world destruction. You must understand, the heart of the atheist is closed to mercy and goodness. A darkened soul has shut out the

light. And they seek nothing but the destruction of any man, woman, or child who stands in their way, to assume and gain through hatred and deception among families, and also the ruination of the lives of the children of all families.

"My child and My children, I ask you as a Mother of grace, to please, in your darkest hours which are descending upon you - please turn to Me, My children, and I will help you. Your hearts have hardened against My Son and the Eternal Father in the Spirit of light. Do not seek your knowledge from a mortal being at this time, but find yourself a place where you may be even a recluse, a place where you can open your heart to Us, and We will speak to you.

"Yes, My child and My children, as a Mother of grace I have been given many powers through My Son, in the Eternal Father, and the Holy Spirit - many powers to recover souls that are on the way to their destruction and ultimate death in hell. I say 'death,' My children - I do not wish that you misunderstand Me: you yourself know that your soul is immortal. There is no death as you know it - only to the body, which in time the good Lord, the Father in Heaven, in His mercy, will return that body and soul and make it one again at the end of time. That will be the resurrection of the body and the soul.

"My child, you must comfort those who cry and weep for their lost children. There will be many other mothers who shall suffer the horrible crimes against their children. All is coming to pass because of the sins of the older generation. Those who should know better are so enshrined in their own love of the material that they cannot even visualize what they are doing to their children. In order for your children to be saved, My parents, you must keep a constant vigilance of prayer going throughout your home, and those homes of your immediate families. One good example can save a dozen, My children.

"Today, and this evening, I am happy at heart because there are so many enlightened souls who have come to do honor to the gift from Heaven of the Rosary.

"My children, I know if you will only place your confidence in Me, that with the Rosary and the brown Scapular, we can turn this all about. But it must take the efforts in grace of all mankind. And there, My children, is little time for you to turn about.

BLASPHEMOUS MOVIE "HAIL MARY"

"O My children, My Mother's heart is now torn asunder. I hear those words that are making a mockery of My self, My children. Yes, My child Veronica, I am referring to the pornographic movie called, 'The Hail Mary.'

"My Son has wanted and wished that direct action be taken against those who have had even a small measure in partnership with those who have sought to blaspheme My name, and also, to cut My heart asunder.

ANOTHER PLAGUE TO COME

"My Son has asked that I report to you that there shall be another plague upon mankind. Yes, My child and My children, another plague. For AIDS is a plague, and other illnesses that have gone by without any scientific recognition, are plagues from Heaven. They are allowed for the individual to retain a measure of love for his God. As long as he knows, as his time grows near to death, that it was because of his misconduct that he died a most unhurried and unscrupulously recognized death. Yes, My children, there is much now in the world that you must protect yourselves against."

COMING TRIBULATION IN AUSTRALIA

Veronica - Our Lady now is pointing upwards, and I see now the world is stopping now, the ball of the world is stopping at Australia. Our Lady now is nodding and She's placing Her first finger to Her lips.

Our Lady - "My child, this you can make known to mankind, that there shall be now a next tribulation in Australia. There will be many deaths, My children. That is why We do hope that the world will recognize two seers in Australia. The one who has presently come forth must be placed aside. There are two legitimate seers which shall come forward from Australia.

"Now, My child, I wish that you take now the time to have three photographs made. The first you may discuss to others, and the next two must be kept hidden for a time at least, My child."

Veronica - Three pictures, three pictures, please.

[Pause]

Veronica - The lights that had dimmed and then like a smoky atmosphere had suddenly cleared away, the lights are returning. Now I didn't realize, as I examined the photographs, that Jesus had moved from His original position over Our Lady's statue. Now Our Lady and Jesus - Our Lady is following Jesus. He's turned towards His left, that would be our right, and He's moving over, over beyond the flags, and He's standing just above the high tree to our right. And Our Lady has come up, and She's standing next to Him. Now Jesus is nodding to Our Lady.

And Our Lady is taking Her Rosary, which She had in Her hands, the beautiful Rosary with the golden Our Father and the white Hail Marys that cascade with beautiful illumination of lights all about Her, Our Lady is taking the crucifix on Her Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is turning to Her right now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is moving over, and She's nodding to Jesus; and He's now turned. It's quite windy up there. I can see that the cape on Jesus' back is blowing. He has on, I notice now, it looks like a weave that I'm not familiar with, but like linen - linen-like cloth, gown, that's very long and it's covering His feet this evening. Jesus has on a belting at His waist. It's made of a skin-like material, like brown in color, but I know it's a skin, an animal skin-like material. And also, His sandals seem to be made from the same material because they're brown in color and open. Now Jesus is nodding.

And Our Lady is floating over, over to our left side. She's just above the statue now. And oh, Our Lady looks absolutely beautiful. She has on a white gown that goes all the way past Her ankles. And I can see that She's wearing golden sandals. They're made with three straps, and one about the ankle; and at the center, near the tip of the toes, I can see a beautiful little rose, made of gold. I don't know if it's gold metal, or material, but it is absolutely beautiful. And Our Lady also is wearing Her mantle, Her white mantle with the trimming of gold about the outside. The gold trimming is about a half an inch in size, and it goes all about Our Lady's cape.

Now Our Lady - as She asked me to describe what is going on, She was standing still; but now Our Lady is going to Her right side, that's our left side. She's floating over. And Jesus is also - He's behind Her now. And Our Lady has turned, and Jesus had nodded yes to Her. Now They are just beyond the tree. They've gone over quite a bit to Their left side, and They're leaning down now. Our Lady - Jesus looked over to Our Lady, and He spoke to Her.

And Our Lady now is taking out Her Rosary again. I didn't notice it, but She had placed it about Her waist and kept Her hands together, like this. Now Our Lady is taking the Rosary out from Her belting and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking up to Jesus, and He's coming forward now, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is whispering to Our Lady, and Our Lady smiled; She was saying yes. I couldn't hear what Jesus was saying to Our Lady, but They are both turning now, and Our Lady is following Jesus as He slowly goes across the sky. He's floating. It's so beautiful to watch. They're like weightless, yet They're as solid as you and I. The other saints that appeared seemed to be different. They're always sort of translucent, but Jesus and Our Lady are solid, just like you and I. It's so wonderful to see Them floating across the sky. Now They've reached the top of the tree on our right side. And Jesus now is bending over, like this, with His hand, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is motioning to Our Lady to return back towards the statue area. Now Our Lady is moving quite fast; She's floating quite fast. I don't see any action of Her slippers; She's just being carried over. And Our Lady is now standing up above Her statue, about maybe twelve feet; She's quite close to the statue at twelve feet. And Jesus now is joining Her. He's standing now - He's moving about, and He's coming over into the center of the statue. And Our Lady is moving over. And Jesus is standing there now close to Our Blessed Mother, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking up to Jesus. He just conversed with Her, but I could only hear - I could only hear like the rustle of trees, and also the murmur of His voice, but no words. Our Lady is smiling. Now Jesus is placing His first finger to His lips, which means to listen and repeat.

Jesus - "My child and My children, it has come to Us in Heaven that so few are reading their Bible. How, My children, if you do not seek the truth, shall you find it? From others? No, this cannot be. We have left with you all a testimony of truth, the Bible of life and love. Mankind must read his Bible, or he shall be lost in the world. He shall go to and fro, hinder and yon, seeking peace and tranquility, but never finding it.

"I could bring to you a truth, My children, a truth that goes by unnoticed: that you cannot have Heaven on earth, or you could not share in Heaven in Heaven, My child. I offer you a key to the Kingdom, My child and My children. All you have to do is seek and you shall find the truth. I ask that all who hear My voice will take their Bibles, and if they do not have one, search, but find the right Bible, those printed not after 1965, My children. There is reason for that, which I shall not go into this evening.

"Our hearts are torn asunder here in Heaven. The saints cry out, 'When will justice be meted to mankind? How long, O Lord of Lords, must we wait for the return of the good souls to Heaven? Seeing them crucified on earth makes our hearts grow heavy. How long, O Lord,' the saints cry, 'shall this carnage be permitted?' My child and My children, by now if you have only read a portion of My Mother's travels and Her words to the world, you will have an idea how much time is left.

"My child and My children, I bring you sad news, but it is the news that can cleanse many of their present sins if they listen and learn by it. Death now is becoming prevalent with wars, with droughts, with personal murders: murders of the unborn, father against son, mother against daughter, all manner of carnage being treated in the homes, and being conducted in the homes of children - children who cannot longer be children because by their viewing of the diabolical box, they are learning to act as adults with the hearts but not with their heads.

"I hold all parents responsible for the fall of their children's souls. Remember, My child and My children, I have warned you often that once you open your door and you go out into the world, you will enter into the kingdom of satan. You ask, My child and My children, why is this allowed? That you must trust to the goodness and in the goodness of the heart of the Eternal Father. You cannot, as a human being, understand His ways. But know this, My children, that no evil can come upon mankind if he watches and waits. And We offer you three sacramentals in your wait for the future.

"I promise you, My children, one day you will see Me, as you, Veronica, see Me now. All will see Me, but many have fled already, in fear of what is to come upon mankind. But think, My child and My children, how disastrous it will be when many flee at the thought of My coming, but they will have no place to hide. Though they flee to the mountains, they will be found out. Yes, My child and My children. I know, My child, it frightens you. I do not seek to put fear in your heart, but as a voice-box, you have no recourse but to speak what is given to you, known as the truth in your God, and from the Eternal Father.

HURRICANE GLORIA

"My child, We specifically brought you here this evening after the last trial of the past week. This was allowed to come upon you with no destruction to your home. However, you knew the fear of fleeing to the mountains. We directed you, My child, and you did well. And you escaped having to suffer the hours of darkness, and the sound of the howling of the winds, and the rise of the waters. But, My child and My children, it will happen again, but this time it will claim lives.

"Do not be affrighted, My child; I did not say that this will happen to your home on Long Island again. You suffered not the moments of terror. We did not wish for you to succumb from sorrow at that time, My child, so We sent you to the mountains; and you returned once the winds had died down to find a home still intact.

CRUCIFIX TO GUARD ENTRANCES TO HOME

"I must reveal, My children, to the world again, that you are to keep a crucifix on your front door and your back door. All entrances to your home must be guarded by the crucifix. There has not been one home on Long Island that had a crucifix on its door that did fall to any evil. I do not speak of the trees, My child; I speak of mankind. You did not know a major disaster as has happened, My children, in Mexico. You see, My child, I set you down in that area to bring the word to mankind, and it was through these words that many listened and they passed through the horrible experience of a hurricane.

EARTHQUAKE IN NEW YORK AND CALIFORNIA

"My child, the earthquakes will increase now. There will be one in New York. Now, My child, I tell you this to prepare. You are allowed, My child, to experience all that mankind can suffer. How well you listened to Us when We told you to place on your shelves cans of food, jars of water, blankets. You found it very cold, My child, without heat and without light, and without any form of recreation other than to pray. And that was God's way of letting the world know that they will be on their knees; and one of these days they will be praying, for many the first time in many years. But why, My children, must We allow all these disasters to happen to you, and have to bring you to your knees in prayer? Can you not listen, and can you not seek for the truth, all who call themselves atheists, and those who have half-hearted interest in religion at all? They call it a thing of the past. It is not a thing of the past, but it is a means for your salvation. Accept it and you will be saved; reject it and you will be lost.

"I repeat again, the earthquakes will increase in volume. California shall be struck. New York shall be struck. As I told you once before, there will be earthquakes in places that have never known a quake. It will startle them and frighten them, but will they come to their knees? Few will, My child, because I can tell you this: they will not have the time to make amends. That is the sad part, My child and My children.

"I tell you as a messenger from Heaven, I, too, My child, was just an innocent child growing up in a family enlightened by God. I knew My position upon earth, and I went forth to try to save you, My children; and in My sacrifice there was salvation. I am asking you all now, for the little time left to your country and the world, to pray a constant vigilance of prayer going throughout your world, link to link, Father to Father. And the Hail Marys shall be one of glory to My Mother, and not will Her name be disturbed again, as though it were a tombstone laid to rest.

"My child, all those who promote that moving picture shall be destroyed.

"I know there are many who shall parade against this horror, My child, but let them know that by example others may come to their senses and seek the blessings of a God Who has given them more than enough time to make amends.

"My child and My children, I ask you all to come forth as citizens of Heaven . . . (That makes you happy, My child, does it not? Well, My child, you shall be citizens of Heaven one day.) I ask you now to do whatever is within your human nature, and directed by the Holy Spirit, to oust these interlopers with their blasphemous movie.

GREAT ACTION AGAINST THEATERS SHOWING "HAIL MARY"

"I shall not stand by and allow My Mother to be debauched and defamed. I will take action, great action, against the theater where this picture shall be shown.

"My child, I brought you here this evening, for I know, regardless of your physical illness, you would be here if We ask. And you waited and waited, My child, for hopefully, in your heart, you knew that by the time you were to come, you would be stable enough on your legs to get there. Yes, My child, We called you because We needed you, My child, as We need all the seers of the world to gather now and stop the coming Chastisement. The Eternal Father now has taken into His hand a most luminous ball. It is a red ball of fire. It is growing very heavy in His hand. It no longer sets at the base of His throne, and He shall poise now to throw this. It will be thrown, My child, at the world - a ball of fire.

SUDDEN GREAT COLD TO COME

"Do not be afeared, My child; retain your crucifix on your doors. And keep your supply of earthly goods, though they are needed for your human body: the canned food, the candles, the water, and the blankets. A sudden cold shall come upon mankind, and many shall die from the cold.

"Now, My child, you will continue with three more photographs. These are taken for great reason. One day they will be given to the Bishop to examine.

"Yes, My child, I am speaking to you now, but I seal your lips, for I do not wish that you repeat what I tell you."

[Pause]

PRAYERS TO RETURN TO SCHOOLS

"I have but one more discourse with you, My child - that is that you must go forward and demand that the prayers be returned to the schools. In that manner, We can approach the children and return them to their rightful place in the reign of God.

"Now, My child, you will sit back and receive three photographs. The first you may repeat, and the other two must be kept secret for the time being. The time being, My child, means until We allow you by contacting you, whether it be at your home or in the circle, to make known what is in these pictures."

[Pause]

Veronica - Our Lady is putting Her finger to Her lips, like this.

Our Lady - "My child, I did not wish to tax you with a long discourse this evening. However, as the time grows so short, We have no choice but for you to help Us, My child.

AIDS RECEIVED THROUGH INHUMAN RELATIONSHIPS

"You will tell mankind that the sins of the flesh shall send many souls to hell. My child, the need for materialism is wrong. And the need for modernizing the world and My Son's Church is wrong. And passing over the grievous sin of immorality and also pornography, and all the other evils, are placed under the heading of humanism - even accepting without a frown, or proper attention to a sin, in accepting the aftermath of AIDS, received through inhuman relationships. I say 'inhuman' because those relationships are not from God, My children, but they are from satan. Homosexuality shall always be condemned, because it is against the nature of man; and **it is a violation of all human morality**, and shall not be tolerated by the Eternal Father in the Trinity.

[EDITOR'S NOTE: On June 18, 1990, Our Lady said: "The Eternal Father and My Son have made it clear to Me that if man will repent of his ways that have given - been given to him by satan, We will see that you do have a cure for AIDS." I say again: **if man will repent of his sin and discard the homosexual life they are living, I will give them a cure for AIDS.**"]

"My child, I want you to do all you can to foster the return of mortality and morality to the medias, and also to those you love - your neighbors, your children. And do not be affrighted or flee from the sinner, for he, too, can be saved by your efforts and your prayers. As this child was born, so he must return: a simple child, to the Eternal Father. If you remember, My child, the lessons from Theresa - yes, Saint Theresa, you will remember that it is a simple way to Heaven: if you accept the Eternal Father into your heart, you will always be His children of love.

"My child, We will strengthen you in time, so that you will be able to conduct your mission without missing the vigils. However, the last one was for reason. Know, My children, that whenever you find yourself being taken from a vigil, and you see the worldly reason or the godly reason, you must judge which is most important for your salvation.

"I wish, My children, that you learn a little by example when We take those from among you to be seers for Heaven. They are voice-boxes and suffer much for this reason: the fact that the supernatural is always working with the natural, mortal human being. I say this to you, My child: you may not understand as I talk to you, but as you repeat it, and you will hear it again, you will understand.

"Remember, My children, you cannot condone immorality.

"I ask that the world continues to make Rosaries, and send the prayers, link to link throughout the world. For I still promise that if you will listen to My directions, given through My Son, in the Father and the Holy Spirit - I promise to do all that I can, My children, to save your lives upon earth; and also, if you must come across the veil, to save you from eternal damnation through the Scapular and the Rosary. Pray, My children, all, a constant vigilance of prayer: that is all you have now, for the enemy has been allowed to come into your homes.

"You ask Me, My child, why We don't just put the heavy hand down on mankind, and that would be the end of the sinning. No, My child, the Eternal Father knew that once satan came into the world and was released from hell with all his demons, He expected many to fall to his cajoleries. However, though they fall, they must pick themselves up and walk a rough road, the road of the cross, back to Heaven. It will be a road of sacrifice and deprivation; however, in this way, My children, can you be purified for an entrance into Heaven."

Veronica - Now Our Lady is taking Her Rosary, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is touching Her lips.

Our Lady - "I bless you all, My children: In the name of the Father, and of the Son, and of the Holy Ghost.

"I bless you, My Son blesses you, and the Eternal Father seeks your love in the Holy Spirit.

"My child, you will now sit back and continue the prayers of atonement. Then you will repair home. And be most careful because you will be followed this evening.

"My child, listen now. My Son has been waiting for us to finish this discourse. However, you will look straight ahead - there He is."

Veronica - Oh, Jesus is standing over the statue. He's quite high in the sky. Now He's giving me a direction.

Jesus - "When We leave, you will be followed by your normal escorts, who will then when they are given a sign, will turn off. You will proceed then, My child, to go to - "

Veronica - I cannot repeat it.

Jesus - "And you will be most careful now in the next week to have someone with you at all times."

Veronica - Now Jesus is taking His hand out; He's standing just directly above the statue, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children: In the name of the Father, and the Holy Ghost, and in My Spirit of one with God."

[Pause]

CHILDREN TO BE TAUGHT THE TRINITY

Veronica - Oh, Our Lady is mentioning here, and I think I will repeat it, that the children must be explained, in a simple manner as possible to the children, the meaning of the Trinity, because, Our Lady says, it is most misunderstood. However, if a parent will take the time they can make it known to their children. They shall not be taught the truth in the schools.

Our Lady - "That is all, My child."

November 1, 1985

All Saints' Day and Eve of All Souls' Day

Veronica - All about the trees - I happened to glance up and see beautiful blue lights cascading from high in the heavens, down onto the boughs of the trees. The blue is a most beautiful blue color. I don't know exactly what earthly name to give the coloring, whether it should be a satellite blue, or sky blue - no, that's too light - or . . . they have different colors, stardust blue and royal blue. I believe that the coloring is more similar to a royal blue - between a royal and an aquamarine, because there are tinges; if I look closely, I can see there are tinges of, also, light green all about the blue.

Now high in the heavens I can see a light now. The lights are dimming on the trees; however, they are going - pointing upward. They're becoming very long, elongated and lighted, in a color now that is hard to explain. It's a mixture of a blue, a green, and a pink. They are all the colors of - Jesus is pink, blue is Our Lady, and the green is Saint Michael.

Now over on our right side the sky is opening up, and - [Veronica gasps] oh, my goodness! I haven't seen Saint Michael for a long time; I've forgotten how huge he is! He is tremendous! He's covering the whole sky. His head is a size - I couldn't put a human size to his head. But he looks so beautiful. He's dressed in a long gown, a white gown with a gold belting about it. Now I notice that - I can't see his feet because he's now coming across the sky. Although, by his crossing the sky - he's almost on top of the bushes on our left side, that's how big he is. He covers the whole sky now. I have to go backwards in order to see his hair. His hair is a golden color. I know for many years, Our Lady has referred to him as "Our Golden Boy."

Now Michael is holding in his right hand a balance. It's made of pure spun gold. I know because it's glistening, and every time Michael just turns a bit, the glistening actually would damage your eyes it's so powerful. But I notice that Michael is placing ingots, or something on the balance because it's becoming very uneven now.

And now Michael is doing what Our Lady and Jesus do - he is placing his first finger to his mouth, and saying:

St. Michael - "Veronica, my child, announce to the world that the end approaches for your most illustrious President of the United States, and also, your Pope, John Paul II.

"I know, my child Veronica, that this has affrighted you, but it is most frightening to know that We cannot get enough peoples upon earth to pray and assist the Holy Father in his day of suffering. Yes, my child and my children, tell the world immediately that the Holy Father suffers greatly, for he, too, has been given insights in visions to know what lies ahead for him. But he is willing to suffer all for the salvation of souls and the good of the Holy Church.

WARN THE PRESIDENT

"Your President must be warned to stay out of his gardens. He must not go there without due guardians.

"My child and my children, your world is heading for a great catastrophe. Earthquakes will increase. Floods will increase. There will be much weeping and gnashing of teeth throughout the world as calamity upon calamity befalls mankind. And why? Because you do not listen to the Queen of Heaven, Who has come to you as a Queen of Peace to bring the world back from the cataclysm it is facing.

"I give you now, my children, the Queen of Peace; for I shall back away and open the heavens and bring forth to you your Mother, Who has been awaiting this moment with you.

"Look up, my child, and tell what you see."

Veronica - Now Michael is pointing up high into the sky, and I see what appears to be a comet. There's a large comet. It has colorings of red and white and yellow. And the tail behind it is streaming red and yellow and white, and smoke. Now I see a huge hand, a human-like looking hand being raised now. And as it is raised like that, it holds back the comet. Now Michael has now placed his face over and obliterated the sky. And he is now touching his first finger to his lips.

St. Michael - "My child, listen and repeat after me.

"The Queen of Heaven shall give you a history that must be written down and recorded for all mankind."

Veronica - Now Michael is beginning to - I can't explain it. He seems to be fading out, like he - like, almost like a smoky figure fading out. And he's touching his lips.

St. Michael - "No, my child, I am not fading out; I am only going to place myself so the glory of all, and the attention of all shall be given to the Queen of Heaven and earth."

Veronica - Now he's pointing up. He still has the balance in his left hand, and he's pointing up high into the sky. Now the sky is opening up, and it's beautiful. It is like a clear day in spring, or the clearest day of fall, neither hot nor cold. I feel that

it's one of the most beautiful days I have ever seen. Now coming through this great light, this great light that has no human words to explain . . . It's like going through a tunnel and then looking at a light that is so bright that it comes over you like an emotion, an emotion of peace and joy so great that were I just a mere mortal without Heaven guiding me, I am certain I should pass on from the glory of that beautiful light.

Now through the light, Our Lady is coming forward. She is dressed beautifully in Her whole Fatima habit. I've always called it Her Fatima habit when She wears the Fatima crown upon Her head. Our Lady has the Fatima crown, and She also has under it Her mantle, the beautiful white mantle with the golden edging. The edging is so fantastically golden that I'm sure it must be spun gold, pure spun gold. Our Lady has on Her a beautiful gown that comes high up upon Her neck, and it is also lined with a border of I would say about a half an inch of gold about Her neck. And Our Lady's gown is white, pure white. Now Our Lady has a belting, a gold corded belting now which cinches in, sort of, Her gown.

And Our Lady is taking from Her gown Her Rosary, the beautiful Rosary with the golden Our Fathers and the white Hail Marys that are cascading in the light and assuming all the colors of the rainbow. Our Lady now is extending out Her Rosary, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady now has turned to Her right, which is our left, and She's going slowly over across the sky. She has a very slight smile on Her face. It's a smile that covers so much to explain. It has neither full gaiety nor full sorrow. It's a smile of tenderness, of love, of compassion, but also of great sorrow, as Her eyes and Her heart knows the future of mankind. Our Lady is extending out now Her Rosary, the golden crucifix, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is smiling quite sadly, and She's looking all about Her. Now She's turning to the left and She's floating over. Our Lady doesn't walk, She always floats, which is so beautiful. Our Lady is floating over now to our right side, Her left side. Now She's just above the first tall tree, and She's holding out Her Rosary, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is making a farther trip over. I have to follow Her beyond the trees, She said, because She does not want anyone to be forgotten. Now Our Lady is quite far over on our right side. I can only see Her back now as She's extending the Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now St. Michael has appeared. The whole sky is all lighted up now. And he's placing his hand out, like this. And Our Lady has been floating over. I think I've told it many times that in heaven and on earth, when Our Lady and Jesus appear, They float; They don't walk like you or I. It's the most beautiful thing to see. It's like They're weightless, yet They look as solid as you and I. And Our Lady is coming across now. Michael has extended his hand. Our Lady has taken his hand, and he's guiding Her over to the statue. Now Our Lady is standing above the statue. She's looking about Her and placing Her first finger to her lips, like this.

Our Lady - "My child and My children, especially, My child, Veronica, We had to bring you this evening from your sickbed, knowing that what We asked of you would not be denied. It was urgent, My child, for you to be here this evening, though satan sent his cohorts to try to stop you and thwart you at every step and turn.

"My child, you must shout it from the rooftops: The enemies of your God have now held a meeting, and they have listed on parchment - a paper, which I will show you, My child. The first two names you will reveal, and the other three must be held for another time."

Veronica - Our Lady is pointing up now to the sky, and I see a large parchment of paper. I call it parchment because it doesn't look like the paper we use; it looks like something that has had like oil on it. And it's heavy, and the writing is very heavy. And I see numbered up to the number five. I see number one: it says RONALD REAGAN. I see number two: JOHN PAUL II. I see number three: VERONICA LUEKEN.

Our Lady - "My child, do not be affrighted. You must understand that nothing will come to you and harm you unless it is in the plan of the Father for the good of all mankind. Your heart is pounding, My child; I repeat again: Do not be affrighted but pray for your President, and pray for your Holy Father, Pope John Paul II.

"My child, you have had much discord this week in your household because of the prayers to satan of those on your island who belong to the church of satan. They know where you live, My child, and they pass many times in vehicles before your home.

"You ask Me, My child, what can they do. They can do nothing, My child, while there is a crucifix upon your doors. I would suggest also, My child, that you go back to your previous habit and plan to keep a St. Benedict medal on each windowsill of your home. A St. Benedict medal, My child; then you will not be tormented at night by their weird chantings that have kept you awake many nights.

"Yes, My child, there were twelve groups of satan in your community. I say 'community,' because the island of Long Island, within a sixty mile radius, has thirteen covens now.

INNOCENT BABIES SACRIFICED

"Yes, My child, they are the worst of the worst, for they sacrifice the innocent babies, and they also are using animals again. Many dead carcasses shall be found on the beaches and in the woods.

"I know that this knowledge makes you very ill, My child. that would also affect anyone with a heart, a human heart of goodness. For how can man be so cruel to his fellow man, to slay him, to give him over to satan in rituals.

"Yes, My child, you had to know that they are very close. They walk at daylight through the streets as common citizens, unknown to others for what their true nature is. They are agents of hell.

NO VEHICLES FROM OTHER PLANETS

"While We speak of agents of hell, My child, I also wish that you make it known that there are no vehicles coming from other planets - extraterrestrial vehicles. No, My child and My children; they are agents of hell in transport. Now you may ask, why must they be transported if they are spirits? Ah, My child, this you may not understand. These are not ordinary spirits; these are the demons from hell: satan's cohorts, and satan himself. He is also on one of the transports.

"There is a reason they must use the transports. I will not go into it at this time, for I am sure it would befog the mind of any scientist should I give this knowledge to them before they are ready for it. They must find out something for themselves, My child, before We will help them to the ending of this great sorrow upon earth. Anything that results in murder and death is sorrow upon earth, My child, just as the great wars that are prevailing.

"Look over, My child, to your left. Yes, that is true: you are looking at Africa now, My child, another map. And what do you see, My child?"

Veronica - I see all flames. And I see many people who are hungry. I see babies with their stomachs all swelled up, and babies with their bones sticking out of their skins, And to think . . .

Our Blessed Mother is crying. She's touching Her lips now.

Our Lady - "My child, and to think how much food is being wasted in your country and the affluent countries of the world. One little morsel could keep a child from starving to death.

"If you think that this could not happen to your country, you are mistaken, My child. If you think this cannot happen, I must tell you now that there are still many who are hungry in your country this evening. You see, My child, man is always self-seeking, and cannot see what lies ahead of him.

DESTRUCTION OF WORLD MONETARY SYSTEMS

"You will understand and broadcast the message to the world that there will be a great destruction in the monetary systems of the world. It will affect both the United States and Canada, and all the great powers of the world. And I repeat again: You will go to your stores to do your shopping carrying papers which may as well be newspapers, for the value they will have to purchase even food will be nil.

"How can a great country like the United States fall, you say, My child? You ask Me in your heart. I read your heart. I will tell you why. Because they have given themselves over to satan. When a country has lost its morality and seeks the pleasures of the flesh, giving over, themselves over to all manner of abominations, like homosexuality, and condoning this up to the highest courts of the land, then that country shall fall.

"It is the will of the Father that all men be saved. But you must understand this, My child and My children: You have all been given a free will. I repeat: The road to Heaven is narrow, and so few are finding it. The road to hell is wide, and thousands are falling into hell every day. The road to purgatory is also narrow, and there are many who have been there since the beginning of creation, because they have no one to pray for them.

"You must remember, My children, the souls in purgatory. I also tell you this, My children: On one Saturday of the month, I shall take out of purgatory many souls, if you will save them.

"I see, My child, that that gives you a great lifting to your heart, which has been bowed with sorrow from the beginning of this day.

"Yes, My child, there is a hell, there is a Heaven, and there is a purgatory. Most, lately, My child, have been going to purgatory and hell. It is not impossible to immediately go to Heaven, My child, but it will be some time before the Beatific Vision can be met. It is reserved for the few.

"I want you, My children, to wear the brown Scapular. You must wear the brown Scapular. The time of times is approaching. The great Chastisement is approaching. The hours upon earth should be counted in the few. These are truly, My children, your latter days. You cannot escape the oncoming fury.

"Now I want it known to you that the very ones who plan the extinction of Ronald Reagan and Pope John Paul II are sitting at this time at a table in Russia. They do not do their own murdering, My child; they have others do it for money.

"I know this makes you affrighted, My child, that there is so little value for life, but did not I tell you many years ago that if they started to murder the unborn, they will murder the living, even the adults. They may murder the children, but then they will also murder the elderly.

COMMON-LAW MARRIAGES NOT TOLERATED

"O My child and My children, never have We seen from the beginning of time a world in such chaos. And also, I shall not speak with words that affright your heart, my child, but I wish it known that this new modern role of what they call 'marriage without marriage'-which means living as 'common-law,' I understand, My children - shall not be tolerated in Heaven. It was never the plan of the Eternal Father that man and woman shall live as animals.

"Fornication shall never be accepted. There is no excuse for fornication. If you cannot remain celibate, better then that you must then be married. It is better, My child and My children, to be married than to burn in hell.

THE TEN COMMANDMENTS

"I also ask that all of My children of the world review the Ten Commandments.

"In your tabloid, My child, I wish that the Ten Commandments be printed in large letters for everyone to see. I wish that they be printed in a manner that is like the tablets given to Moses. Remember, My child, the tabloid must have the Ten Commandments.

"And also remember, My children, when you break one commandment, you break them all. So better that you follow them through, and when you are ready to pass over the veil you will not have to be gripped with fear if you cannot have a priest on hand in your last moments upon earth. You see, My child and My children, not everyone is taken from the earth with the final blessing from the priesthood. That is a special grace.

"Now, My child and My children, you will continue to pray the Rosary, and remember to wear your Scapular about your neck. And keep Our Lady of the Roses, Mary Help of Mothers - that medal must also be about your neck with the St. Benedict medal."

Veronica - Now Our Lady is taking the crucifix from Her Rosary, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady is turning to Her right, our left side, and making the sign of the cross with Her crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning to Her left, our right, as She's moving slowly across the sky now. Now She's bending over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "I bless you all, My children, as the Eternal Father blesses you in the Son and the Holy Ghost. Remember, My children, the Trinity. Always try to understand the power of God in the Trinity.

"Now, My child, you will take three photographs: one you may speak of, but two you cannot at this time.

"I will remain here because My Son will soon be down to speak with you, My child and My children."

[Pause]

Veronica - All about the trees now there is a beautiful color of pink. It's a very pale pink, and it's cascading also upward, high into the sky. They're like ribbons, almost, around - they remind me of when I was a child and I went to a Maypole, one time - dance, for the month of May and the Blessed Mother; and they had a Maypole dance, with all streamers coming from the top and leading down. Well, this is what it reminds me of, though it's not paper; it's a supernatural light, a beautiful pink light. And there must be at least fifty to sixty of these lights going up high into the sky. Now as the points of the lights gather together, I see a host-like opening in the sky. I say host-like, because it's not the clear glass gleaming light that I'm used to seeing as the sky opens, but it is a milky white, almost like the color that you see in the milk glasses on flowers and flower pots.

Now over on our right side, I see letters forming in the sky; and they're in black and they say "WAR": W-A-R, on the right side. Then over on the left side, my attention is drawn to the left side, where there are letters in white, block letters that say "PEACE": P-E-A-C-E.

Now directly in the center over Our Lady's statue, of maybe about forty or fifty feet into the air, Jesus is coming forward. I can see His burgundy cape. And He's coming forward very fast. Our Lady has been standing over by our right side by the trees, and She's coming also over across the sky to stand by Her statue. But She's looking upward, as Jesus is coming down.

He has on His burgundy cape. It's a beautiful burgundy color. And I notice that this evening it's also trimmed in gold around the outside of the cape; I would say it is about a half an inch of gold. It's very beautiful. And Jesus' cape is made of a

velvet-like material. I can't explain it, because I never saw this kind of material on earth. It's sort of a cross between a sateen and, oh, velvet.

Now Jesus has on sandals. I can tell because the wind is blowing heavily now above the statue, and the trees are bending a little; and I can see that Jesus has on a pair of sandals. They're made of some type of animal skin, because they're not - they don't look like a material, like of cloth; they look of, actually of animal skin. They're made like a sandal with two pieces going up towards the ankle, and held in place by - that was from the toes - and held in place by a band across His ankle.

Now Jesus has His cowl of His cape down across His shoulders. His hair is quite long. And like, I repeat, as in the past, His hair is very difficult to describe because of the light; but from here it looks like a reddish blonde. It's a very beautiful color, and very shining. And the illumination from Jesus that seems to emanate from within Him, going outward, makes everything so gorgeously beautiful that I'm sure, without supernatural help, I would certainly pass out in sheer shock. It's so beautiful.

Now Jesus has been coming down slowly. He's increasing His pace now. And now He's standing right next to Our Lady. Our Lady is smiling at Him, but tonight, I repeat, Our Lady has on a very sad, sad smile. Now Jesus is looking about Him, and He's now going over to our left side, His right side of the trees, and He's extending His hand, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady has turned to Her left side, and She's floating over to the center of the statue, and Jesus is following Her. He is also floating, too; He's right behind Our Lady. Now They are both turning our way, and Jesus is extending His hand out and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady has been watching Jesus, and He's nodded to Her, yes. And now She is leading over to our right side; She's leading to the very tall tree over on our right side. And Our Lady now is looking down and smiling very sadly, but Jesus is extending His hand out now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is now facing towards Her right side and making Her way slowly across the sky, as She looks about Her. Our Lady is being followed by Jesus now, and They will both be soon over the statue. Yes, Our Lady has reached the statue now, and Jesus is standing right next to Her. Our Lady is looking up at Jesus; She is saying something. I can hear Her voice, like the rustling of the leaves. There's no way I can explain it. I can't hear in my intellect what She is saying to Jesus, but I can hear Her voice. It's soft like the rustling of trees, a beautiful, whispering softness. Now Jesus has said yes. I can say that because I've noticed He's nodded, yes, to Our Lady.

Now Jesus is turning and facing us. Now Jesus is placing His first finger to His lips, like this, which means to listen and repeat.

Jesus - "My child and My children, I shall not give a long, dissentive discord with you this evening because My heart has been torn at the necessity of having My Mother repeat over and over the warnings from Heaven. However, this She has chosen to do; for, as a loving Mother, a Mother of great heart, She wishes that no one be lost to Heaven. Her heart is torn every time a soul descends into hell and purgatory. My Mother is truly the Mother of the world. And at this time, only She can save the world, for She has come to you as a Mediatrix between God and man. And as such unto the time that no flesh shall seem to remain upon earth, My Mother will be with you, and I, also.

CANNIBALISM

"My child and My children, need I repeat to you all of the abominations being committed upon the earth now? I can also repeat to you that in some of these horrible, excruciatingly painful cults that are growing up fast in your country and other countries about the world, they have even gone so far as to dab now in cannibalism, the eating of human flesh as a sacrifice to satan. That is why, My children, so many cannot be found who are missing - mostly, My children, young children. Mothers have cried, their hearts torn with anguish when their children disappear from the streets. Your police do not investigate fully. Sending out photographs of the missing children, this is of little help when they fall into the clutches of the satanists, for they do not remain about long. Their bodies are often cremated on pyres to satan.

"I know, My child, this gives you a great twinge of heart when I tell you of these satanists, for you have not lost your fear of them yet. I understand, My child, how you feel. You must not let this affect your work in any manner, for that is what they plan to do: to fill you with such fear that you will not move from without your house.

"I tell you, My child, if you follow Our directions to the full, you will have no problems with the satanists.

SACRAMENTALS AS PROTECTION AGAINST SATANISTS

"There are many armors worn by My children that will protect them from these satanists. I know that those who are satirists - I call the satirists, My child - they will laugh and scorn you when you wear, altogether, your Scapular, your Rosary, your medals, and your crucifix. Let them call you what they may, for one day they will call upon their God to have mercy, and He will

find them lacking, with no seal of armor, and they cannot be accepted; they will be rejected from Heaven. All of this armor was given to you throughout the years of mankind. And it was given for reason, for this very day now that is approaching.

"You are living in the times of the coming of the great Tribulation. And were it not I to return - I will tell you also, My children - were not I to return, there would be no flesh left.

"But I wish to also caution you, there are many christs now appearing upon earth. Do not listen to them, or their discourse. For as I ascended into Heaven, that is the way I will return, with the angels of Heaven and the saints behind Me. Do not go out if they say: 'He is in the barn,' for I shall not be there. Do not go out to the woods when they say: 'He is teaching and walking through the woods,' for I will not be there.

"I repeat again: When I return to earth, I shall return the way I left. I ascended, and I shall then descend, with the armies of Heaven. You will see a banner that shall be raised at that time called Faithful and True, and in that way you will know Me. My Mother will also descend during the time of tribulation. Now do not become confused. That does not mean that My Mother has left you, or is leaving you. My Mother has promised that She shall be with you until the end of time, and she will.

"Now I speak to the parents. Parents of all young children, are you earnestly making an effort to protect your children from a world that has been given over to satan? What do you do when the teachers in your schools teach your children sexual conduct, taking from your young children the purity of heart and the innocence of the youth? What do you do? Just let them take over? Parents, you say it will not affect your child? Look what is happening to the children of the world, young of age, three years old and upward, even younger than three.

"I cannot upon these holy grounds use the words given in print for all of these abominations being committed to the young child. But, My children, I tell you: it is happening. To those who do have good heart and a right mind, they feel as though the world has gone - shall I use the word, My child, 'crazy'? Yes, I will use the word 'crazy,' My child, insanity, too. My Mother has always told you that sin is insanity.

HOMOSEXUALITY MUST BE STOPPED

"And the great issue now of homosexuality in your country, that shall be on the balance that Michael holds. Unless this balance is evened by removing this evil from your country and bringing in just laws to prevent the spread of homosexuality, you cannot be saved. Your country cannot be saved. Because I repeat again, as I have repeated in the past: When a country has given itself over to immorality and all pleasures of the flesh, and abominations of the flesh, then that country will fall! If you do not believe Me, My children, I say: You will read your history books, and you will find out that there was a Sodom and Gomorrah. And what did We do to that abominable city, Sodom? We destroyed it! And what did We do to Gomorrah? We destroyed it! And We destroyed all who did not follow the plan for their redemption.

"My child and My children, do not become as Lot's wife, who had to look back and be turned to a pillar of stone - salt it was, My child, not stone; it was salt. But I tell you this, that this will happen again many times.

"You will see all these things come to pass that We have warned you of for years. My Mother has been speaking to you for now fifteen earth-years, over and over repeating what you must know to save your family and your own soul, and your children's souls. And what do you know? Modernism! That's what stymies mankind, modernism! Nothing was ever good enough; God the Father was not good enough. They're seeking other beings on other planets. For what?

"There are no beings on other planets. We've explained to you about the vehicles from hell. So if you keep on wasting your country's money by looking for life on other planets, you will have more starving in your nation. And your country shall go down the drain, so to speak - economically, morally, and actually, factually destroyed.

"I realize, My children, that your country, the United States, has always been under the protection of My Mother. But now many have cast Her aside.

"I wish at this time to extend to one among you, Vincent, Our greatest heart of approval, and We wish to say to you: We in Heaven thank you for the fact that you went forward with others to right the wrong to My Mother when they produced that abominable motion picture called 'Hail Mary.'

HAIL MARY PROMOTED FOR MONEY

"Even though the Pope, himself, wished this movie to be stopped, yet for the sake of money they sold out the Eternal Father. They sold Him out like they did to Me, many years ago, for pieces of silver. Yes, My children, that is all it amounts to - money! That is the reason for the showing of that picture. But how many could stay there without vomiting for what came forward from that screen.

GET FILM OUT OF U.S. AND CANADA

"I say again: I extend Our hearts to all who made such a great effort of show to stop the abomination from being committed in the theaters of New York. Surely, My children, if they could get it out of Italy, you can get it out of the United States, and Canada, which it is approaching.

"My child and My children, and especially you, My child, Veronica, I do not wish to tax you with a long discourse because I know how difficult it was for you to remove yourself from your bed this morning. But know this, My child, you will be here with Us as We need you, for I know that you will come if you have to come by hand and by cart.

"You will all keep a constant vigilance of prayer going throughout your world and all the nations of the earth. Because if you do not, all the nations of the world shall cry. You have been given minor warnings with hurricanes, and all kinds of earth disturbances, with droughts, with everything, My child, that should have alerted mankind, but did not. What are they waiting for? The Ball of Redemption?

DO NOT BE CAUGHT SHORT OF PROVISIONS

"The Eternal Father has the Ball poised in His hand; your end can come by day. It will come upon you quickly, and how many shall be prepared? Do you have your candles? Do you have your water, your canned food, and your blankets? It will become an extremely cold day with the start of the Tribulation, and you will welcome having these on hand, My children. Do not take this lightly, but abide by Our direction and you shall not be caught short of provisions.

"I bless you now, My children, as the Father blesses you: In the name of the Father, and of the Son, and of the Holy Ghost.

"You will continue now with your prayers of atonement; they are sorely needed.

"And remember, My children, no sin shall ever be condoned or rationalized upon, for sin means hell, or purgatory. No matter how much man has cast aside his knowledge of the existence of hell and purgatory, remember, My children, one day in your heart, you will meet one - it is inevitable in every life that you meet one who is approaching his end, and he will scream for mercy. In pity, will you pray for his soul because you do not wish to see him in hell, as Our Lady does not wish to see him in hell.

"Keep a constant vigilance of prayer going throughout your world, and also your immediate nations. I say this in particular because there is another trial approaching mankind in the United States, and this can also extend up to Canada.

TRIBULATION OF AN EARTH FORCE

"You will pray constantly, My children. The prayers can reach Heaven in short time, and perhaps can stop the next tribulation. This is called a tribulation what will come upon you next. It will be of an earth force again. However, with your prayers, and your guarding of your homes, as We have always told you to, with the crucifixes, you can escape with little damage, or none at all. It will be as though the angel of death has passed by your home. To some it will seem like a miracle, but to others it's just an accepted part of life. For they will repeat: We are doing as the Eternal Father has told us, and we are following the directions of Our Blessed Mother, as She stood before us so many times and said, 'I am Mary, Help of Mothers. I love all My children, and as such, I will stand beside them, not wishing that one shall fall into hell.'

"Pray for your clergy, for the bishops are misguided. Pray for your cardinals, for some will fall into hell. Pray for all mankind, for prayers are never wasted. If you have any prayers left, My children, in your full day of praying, give some to those in purgatory. There is such dire need for prayers for those in purgatory who have no one on earth to pray for them.

"Now I will bless you, My children."

Veronica - And Our Lady is also extending Her Rosary, the crucifix on Her Rosary.

Jesus - "I bless you: In the name of the Father, and of the Son, and of the Holy Ghost.

"May you be protected by the shield of the Immaculate Conception: In the name of the Father, and of the Son, and of the Holy Ghost.

"Continue now, My child and My children, with your prayers of atonement."

May 17, 1986

Eve of Pentecost Sunday

Veronica - All about the trees Our Lady's blue lights are beginning to cascade back and forth. And they are traveling at a very high speed, which makes it urgent that Our Lady appear this evening; because She has something to tell the world that is so urgent that I know satan did everything to keep me from coming this evening. I don't feel very well, but I know as soon as I see Our Lady, She will give me the strength to carry on.

The lights are growing brighter now. Now high up in the sky, over our heads, I see now a circlet of light, but it's bordered by a golden circlet. It's small now, but it's opening up and growing larger. Oh, how beautiful!

Through the circle of light I see Our Lady; Our Lady is coming down. Oh, I feel better already. Oh, Our Lady looks absolutely beautiful. Oh, She has on a white gown, pure white gown, and a white mantle. And all about the mantle there is a narrow border of gold. The gold is brilliant; it's flashing now as Our Lady looks to the right and left.

Now behind Our Lady there is a large golden globe. And I see that it's turning into a white globe - no, it's not a globe now. I know it represents a host. Our Lady has now, right behind Her, a huge host.

Now Our Lady is pointing up for me to look over to the right side, Her left side. Oh! Oh, I know who it is; it's Michael coming through the clouds. There are clouds there, all about the trees. But Michael is coming forward. And he doesn't have the balance this evening. He has something golden in his hands. As soon as he gets a little closer . . . I can see what it is. It's become enlarged for my sight. Oh, Saint Michael is carrying a chalice. It's a very large golden, beautiful chalice. And Michael is now nodding, yes.

He's looking over to Our Lady. Our Lady is standing at Michael's right side. Now Michael is very difficult to describe. He is so huge - a real warrior of Heaven! But I cannot see his features; there's something about Michael that his features are unexplainable, like the spirit. But he does look gorgeous. His hair I do see. His hair is a golden color. That is why Our Lady named him 'Golden Boy.'

Now Our Lady is whispering something to Michael; Michael has come over to Her. And She's pointing now down to me, and Michael is nodding his head. Now Our Lady is turning to me, and She says:

Our Lady - "Pause one moment, My child. I have a very important mission for you. That is why I brought you here this evening. But first I must bless these multitudes of wonderful souls that have come this evening to honor My Son in the Pentecost, in the Father, and the Holy Ghost."

Veronica - Now Our Lady is moving over to Her right, that's our left side, and She's taking Her Rosary from about Her waist; Our Lady had it on Her belting about Her waist, and She's taking the Rosary now and She's holding the crucifix up, like this. She's over, directly over on our left side, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking over to Her left side, and She's moving very daintily. I just noticed Our Lady has on beautiful slippers. They look like golden threads, but on the edges of each toe, by Her toes, Her dainty feet, there are rosettes, golden rosettes.

Now Our Lady is moving over to above Her statue, and She's raising the crucifix on Her Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Michael is standing there. He looks quite stern. I don't know just what is passing between them, but he is waiting for Our Lady's signal. Our Lady said to Michael - I heard Her say,

Our Lady - "In one moment. Your anxiety, Michael, I can well understand."

Veronica - Now Our Lady is going over to our right side, which would be Her left side, by the trees, and She's looking down now and She's smiling beautifully. Oh, I can see Our Lady very clearly now. And I don't hurt anymore the way I did when I first came and arrived here. I feel well again. Our Lady is making me feel much stronger.

"Thank you, Blessed Mother."

In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is nodding to Michael. But She's crossing across the sky now, until She's directly over Her statue. Now She is placing Her first finger to Her lips.

Our Lady - "My child, I know you are in wonderment of why Michael is holding the chalice with anxiety. I must tell you: within the chalice in Michael's hands are the Hosts collected from throughout the world that had been discarded by the

faithless. I have asked that My Son's Body be protected upon earth. But many clergy now have cast aside My warnings from Heaven, and His Body has been placed and thrown on the floors, and into the water fonts of many of My Son's churches throughout the world.

VERONICA RECEIVES HOLY COMMUNION

"My child, I ask this of you this evening - that is why I requested that you do not eat - I ask that you accept My Son. You will do heavy penance for the world in the coming months, My child. But you will accept My Son for the world. I want you, My child, to raise your heart to Heaven now, and beg forgiveness to mankind from the Eternal Father. My child, you will now receive one of the Hosts taken from the water fonts."

[Veronica is helped from her chair, drops to her knees, extends her tongue and receives Holy Communion invisibly from St. Michael. Then she recites the following Act of Contrition.]

O my God, I'm heartily sorry for having offended Thee; and I confess with all my sins, because I dread the loss of Heaven and the pains of hell; but most of all because I love Thee, my God, Who are all good and deserving of all my love. I firmly resolve, with the help of Thy grace, to confess my sins, to do penance, and to amend my life. Amen.

I beg pardon for all those priests within Jesus' Church who have cast aside their major roles as saver of souls. I ask God to forgive them and give them another chance through the messages given by His Mother, Jesus' Mother, Mary, going throughout the world at this time. I beg that Her pleadings with mankind can actually, factually, turn them back to the Eternal Father, and use His plan, His method for salvation. Amen.

In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "You will be seated now, My child. I wish that you would take now three photographs."

[After a short pause, Veronica responds to specific instructions.]

Veronica - "Yes. Yes."

Our Lady - "Three photographs, My child. You will read them, but do not give the meaning to a soul; not one soul must know. It is most urgent."

[Pause]

Our Lady - "My child, now we must continue. Even in your debilitated state, we must continue with an urgent message to the world.

A NUCLEAR DISASTER

"In the past few months, My child and My children, much has happened within your country and other countries of the world. There have been earthquakes, floods, and also a nuclear disaster. Know now, My children and My child, that this is not the end of suffering for mankind. Because of the fact that My Message has reached many but not all at this time, there is evil now brewing within the world that is heading for the Third World War. In My desperation, My child, I have even entered upon other countries to try to stop the evil among man - the evil of murder: murder whether planned or accidental, in accidents that are not accidents.

OUR LADY APPEARS AGAIN IN EGYPT

"Now, My child, you have been much concerned about My appearance in another country, Egypt. Yes, My child, you do not understand all. Saint Demyana is a Coptic Orthodox Church, My child, and I must say: though My heart grieves because they are not with Rome at this time, they will join in the future. But at this time the only thing that eases My heart is the knowledge that they have kept the Faith as they know it. In that Church, My child, the Coptics - which are few in Egypt - they are devout. They do not rush through the service of the Holy Sacrifice of the Mass, where My Son daily gives Himself to you. They are few in number but devout.

"I must tell you, My child and My children, that they have suffered persecution throughout the years. I came there this time, My child, to try to draw together those about them who seek to persecute them: the Moslems, and others, the Arabs. This is going on throughout the world.

"You see, My children, satan always says: to divide is to conquer. But I do not want to see the world in chaos, and a Third World War. That is why, My child, I brought you here this evening, though I knew that your strength was waning by this afternoon. There is only one recourse for mankind now to avoid a Third World War - that is more prayer, more penance, and more sacrifice for sinners. Those who are keeping the laws of the Eternal Father must remember that they have been given a special grace from the Father, and have an obligation to seek out the souls who have not received this grace. Bring them the light; show them the way. For they are wandering, and they can be seduced in nature by others who are not in the light. Your example, My children, is very important.

STATE OF MARRIAGE BECOMING NULLIFIED

"This I can tell you - because We are much grieved as We look into the hearts of the mothers and fathers throughout the world - not many are in the light. Families are disintegrating; the state of marriage is becoming nullified. Now it is fashionable in the United States, and many nations of the world, to discard the Sacrament of Marriage and to live together in sin. This, My child and My children, cannot be tolerated. Man must come back to the laws of his God, or he will be destroyed.

"There will be in your country, the United States of America, a similar disaster as in Russia. Know that this can be avoided if you pray more for your leaders. For in their haste to build up armaments, they deceive the world in saying that these armaments are being really cut down or discarded. No, My children, they are being stored, and added to day by day.

"You see, My child and My children, We allowed the disaster in Russia. It was to try to awaken Russia into coming back to the fold. They are creating much chaos throughout the world, and for this reason We must bring them to their knees.

"You must pray for your Holy Father, the Pope. There will be another attempt upon his life.

"Yes, My child, though he means well, it would be best if he discards his habit of going to and fro. For it is upon one of these journeys that he will be destroyed.

"You will keep a constant vigilance of prayer going throughout your nation and the world. So few now are reading Our Messages from Heaven. They think that they have found the solution, but they must remember this, that satan is loosed upon earth now with all the demons of hell. And they will do everything within their power to fight the plan of Heaven for the redemption of mankind. Redemption, grace, and peace will only come to man when he returns to his God.

ABORTION: THE FOULEST OF SACRILEGES

"My child and My children, children, I wish that you make it known to your countrymen in the United States and Canada, and all the nations of the world, that We cannot tolerate the murders of the unborn. This is a sacrilege of the most foulest manner in the eyes of the Eternal Father, and shall be punishable by death.

"My children, more young souls sent upon earth by the Eternal Father have been destroyed in the past years - since the passing of lax laws by your government, more young souls have been destroyed than in many World Wars. Therefore, We say unto you now, and I plead with you, as your Mother, to turn back from your life of sin. Sin has truly, My children, become a way of life in your nation and the world. And the Eternal Father says He shall not allow this to continue much longer. The hourglass now is beginning to run."

Veronica - I see now a huge hourglass. And there's only one grain of sand, but it's beginning to pass through. I see Michael now with his chalice, and his hand raised over the hourglass. And it seems to be suspended in midair.

Our Lady now is motioning with Her hand to Her lips, to listen.

RESTORE ST. MICHAEL AS GUARDIAN OF CHURCH

Our Lady - "My child, I want the world to know that Michael is the guardian of the highest Heaven. You must also tell the priests within My Son's Church that they must return Michael to his rightful place as guardian of the Church, or they will be subjected to terrible trials. What has happened to nations throughout the world, through Russia, shall happen to the United States and Canada. Russia, My children, is not entering where you can see them. They are infiltrating now into every side of your nation: north, south, east, and west - on the outer fringes and the inner fringes.

"My children, much of the evil now that is spreading in the United States and Canada was promoted by these men and women of satan, known as Communists, who have been allowed to enter not only into your country and the countries of the world, but also into My Son's Church upon earth.

SEMINARIES INFILTRATED

"Yes, My child, I want you to let the world know that Our seminaries were not pure. Many had entered for this very day to try to destroy the Faith and the Church of My Son. You must know that the Eternal Father will not permit this.

"The world is fast hurtling to a baptism of fire. My child and My children, can you not go back and read and reread the Messages from Heaven given to you throughout the years. I, as your Mother, have traveled to and fro, hinder and yon, seeking to bring My children back to the fold. For every soul that is lost I pine and I sigh and I cry, and My tears fall upon you, My children; My tears fall upon you."

Veronica - Our Lady now is crying, and Her tears are falling upon us.

Now Our Lady is pointing up, and high in the sky over Her head, there's a large ball with a black cross on it. That means suffering; I know that means suffering for the world. We are in for additional chastisement. Our Lady is now nodding Her head, yes.

Our Lady - "My child and My children, if you could receive the knowledge from the Eternal Father of what is fast coming upon you, you would spend your days and your nights on your knees. All who have been given the grace to be a part of the legions of Heaven must go forward in these latter days, and do everything they can to bring the world back to the Eternal Father.

OUR LADY TO APPEAR OVER ST. ROBERT'S

"Yes, My child, I am going about the world appearing in various places, and I have reason for all. One day, My child, the waters will come up at Bayside, and I will appear over the old church building. Your Bishop then cannot deny My appearances.

"I realize, My child, that it is almost sixteen years since you accepted Our request to go forth as a beacon of light in the darkness. Now I know that your heart is lightened that the Eternal Father has sent through the years many other beacons of light. It has made your road easier. I know, My child, you thank Him every day for this blessing; but it is the plan of the Eternal Father. Many graces shall be given and increased in the days ahead. The world shall know the power of the Eternal Father.

"Satan is loosed upon earth, but he knows that his time is growing short. Therefore, he will make a concerted effort to destroy those who are not in the state of grace, so that he can take them into hell. That is why, My children, you must always wear a medal, your armor about your neck. And the best armor of all is the Scapular, the Rosary, the St. Benedict medal, and also your newest armor: Our Lady of the Roses, Mary Help of Mothers. My child and My children, I tell you this because you cannot do without any of them. At this time, all armor is needed for the fight ahead.

"As I told you before, My child, you cannot understand the ways of the Eternal Father. So many deaths in the Mexican earthquakes, so many in the floods; starvation, sorrow, murders - all this was known and burdened the heart of the Eternal Father for years. He knows what lies ahead; but We also know through His words, through the Holy Ghost, and Jesus, His Son, that one day He will return and restore this earth. However, many saints shall come out from this conflagration, saints who have washed their robes in the blood of the Lamb. Many shall die in the great flame of the Ball of Redemption.

"I cannot, My child, give you your request of last week of the date. But you will keep those photographs that I gave you, and you will know the date. But you must promise Me now that you will not reveal this either by mouth or by writing."

Veronica - "I promise, Blessed Mother, I won't reveal it."

Our Lady - "You see, My child, if you give dates, others will run to come back to the fold, but as soon as the danger passes they will go back to their old ways. We must have a complete redemption, not just a temporary state of goodness. For it is a selfish reason that does not reach out and give to the Eternal Father what He asks: your love, your compassion, and your willingness to help Him in this crisis.

"I will continue, My children, to go throughout the world. The Eternal Father is much pleased with the manner in which you have given out the messages to the world. Know that We do not expect you, because of this compliment, My children, to slacken your pace; for it must increase, because the time is growing short.

"Pray for all sinners. Pray for those who run the governments of the world. And above all, remember to pray for the Holy Father, Pope John Paul II, in Rome, for his time is growing short.

"Now, My child, you will take more photographs, and My Son shall join Me. He has a most urgent plea to the world."

[Pause]

Veronica - There is pink coloring all about the trees just above Our Lady's statue. Oh, the color is beautiful. I call it 'pink,' but no human words could describe the colors from Heaven; even a paintbrush could never pick them out.

But just in the center of the sky, I see a round circular ball, and it's coming towards us. It's turning bright red. I know it's a globe of the world, and it looks like it's all on fire. It's a - it's a horrible thing. [Veronica gasps.] I can feel the heat, and I can taste the smoke. It's a horrible thing to see coming through the sky. It's a large ball. Oh! Oh, I think - I can't stand the heat. Oh, it's scorching. [Veronica gasps heavily again.] Oh, now it's going back into the sky. Oh, it was most frightening!

Oh, now there over by the trees on the right side, Jesus has been standing. The ball was so luminous and so frightening, I didn't see Him coming through the clouds. There are many clouds above us. It's like dense smoke, still the smoke from that large ball. That must be the Ball of Redemption that Our Lady always speaks of. Even at home She tells me of the Ball of Redemption coming closer.

Now Jesus is looking all about Him. He's coming over now; He was standing by the trees. The pink lights are now glowing again. They give a beautiful cast to His face, and also His garments. Now Jesus is moving across from our right side, and He's coming directly across above the statue. He's looking all about Him, and nodding.

Jesus has on a burgundy cape. And His tunic, His gown, looks like it's made of some kind of hemp. I can't explain the material, but it's something - I don't think I saw that type of material before. But it's a beige color, kind of rough-looking type of material. And Jesus has about His waist a belting made from some kind of skin-like material - like leather, almost like leather. I don't know if it's leather, but it looks like some type of animal-skin belting.

And now as the wind is blowing, I can see that Jesus is wearing sandals, brown sandals. They're open at the toes. They're two straps across the foot, the bottom of the foot, and one strap by the ankle. Jesus is raising His foot a bit. He's smiling. He's very amused at the way I'm describing His clothes.

Now Jesus is looking all about Him. He's moving over now to His right side, high across the sky - no, He's coming down now. Jesus is coming down near the trees. Now He's raising His hand, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is turning towards His left, and He's slowly floating; He doesn't walk like we do. He just seems weightless, and He's carried like on the wind. He's going slowly across the sky, and looking about Him. Now He's turning; He's just above the statue, and He's turning towards the people. And He's raising His hand out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking over to our right side, which is His left side, and He's moving over slowly. He's looking all about the grounds and over the heads of the people. Now He's raising His hand out very much in front of Him, as though to reach over the whole crowd, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

THE FOUR EVANGELISTS

Now I notice Jesus is starting to move back towards the center of the sky here, the opening in the sky. I say 'opening,' because as Jesus was blessing the multitudes here, the sky started to open, and coming through are people. I think they're angels; I'm not sure yet. They're dressed in white gowns. No, they're human beings: Mark, Luke, John, and Matthew. Oh, yes, Jesus said they are Saint Mark, Saint Luke, Saint John, and Saint Matthew. And Jesus is nodding, yes. Now He's coming across the sky, and He's standing; He's nodded to them. They're coming down closer. I do notice they have a similarity: they all have beards, and they have long gowns on. And Jesus is now touching His first finger to His lips, which means to listen and repeat.

Jesus - "My child and My children: yes, they are some of the few who have washed their robes clean in the blood of the Lamb, through suffering upon earth. You know, of course, My children, that to follow the road to Heaven, they had to be martyred. But they left upon the earth a legacy for all, the Book of life and love, the Bible.

"I wish that all homes have a Bible within their doors. I say within their doors, because these children that they are raising must go out into a world that has been given over to satan. The Bible must be ever before them, for it is their true guide to redemption.

"My child and My children, many punishments have gone by unnoticed, and many more shall be given. I say this with a heavy heart, because daily the prayers of the multitudes reach Us, asking forgiveness for those who have sinned. My child and My children, I must tell you that they have a free will and conscience.

"I know that all who hear My voice now and read this Message are doing all they can to restore the earth to what the Eternal Father calls a bit of normalcy. For the world has gone crazy with sin. Is that not true, My child? Sin has become a way of life among many. Now I ask you, as children of God, all who hear My voice, to continue a constant vigilance of prayer, penance, and sacrifice. Many more disasters are heading for your country, the United States, and the world.

RUSSIA SEEKS TO CAPTURE WHOLE WORLD

"Russia, being an atheistic country, My children - Russia, you cannot believe what they tell you, nor what they print in their tabloids. Russia has but one plan: to capture the whole world. They will do this without heart or conscience. Therefore, know that I ask you again, as your God in the Trinity, I ask you to contact the Holy Father - through pen or prose, or the written script - to contact the Holy Father and beg him to consecrate Russia to the Immaculate Heart of My Mother. This has not been

done, My children. That is why as time goes on, until that grain goes through the hourglass forever, that is why you will undergo great suffering.

"My child, you have to understand that the human body is frail; but you will suffer no more, no less than the Father expects of you. We have asked for very many victim souls in the world. They are necessary in the plan for man's redemption. I would not question, My child, the reasoning of the Eternal Father, for He is your God, and knows all, sees all, and will do what is best for you and mankind."

Veronica - Now Jesus is looking all about Him. He's looking over to Saint Mark, Saint Luke, and Saint Matthew, and Saint John, there. And He's whispering something to them, but I can't hear it. I guess I'm not supposed to hear it; I can't hear it. It sounds like the rustling of the wind, but He's talking to them. Oh, I see now. They're holding up what looks like pens. They're very strange-looking pens; they look like a feather with just a point on the end. And they're writing - each one of them has a book, and they're writing in the books. Now Jesus is nodding.

THE BIBLE-CORNERSTONE OF CHURCH

Jesus - "You have taken that correctly, My child. That is the manner in which the Book of life and love was written for you. I say for you, because it was to be established as the cornerstone of My Church - let us say that, My child, the cornerstone of My Church is the Book of life and love, that you call the Bible.

"You will now, My child and My children, continue with your prayers of atonement. And you, My child, shall take more photographs, because there is much that cannot be revealed at this time. And I will call upon you again to return to these grounds.

"You will be given the stamina, My child. And I assure you, once you reach the grounds, you will be able to continue your mission from Heaven."

Veronica - Now Jesus is raising His hand, like this again, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "Continue, My children, now."

Veronica - Now it's growing dark in the sky. It was so lighted before. It's difficult to explain the brilliance of the light, even coming out of the saints - the glow, the light. Without Heaven's intervention, I'm certain that my natural, human eyes would be destroyed from the light. But this is something that's beyond words to explain . . . that the light is more brilliant than a hundred suns. And yet the beauty of it holds you transfixed, where you don't actually feel it. I'm certain, without Heaven's intervention, I would have no eyes, because it was like looking into another world. But so beautiful. And I notice now, and I wish to be known to all, that this light also emanates from Jesus and Our Lady whenever They appear here. And I'm sure that should we all be graced to enter Heaven without much suffering, even if we have to go to purgatory perhaps awhile - God forbid that we should go elsewhere! But should we go to purgatory, we could always think of the day when we, too, shall enter beyond the veil into that beautiful light.

Now it's growing dark. And do you know, the circle of light is closing up, just as though it's becoming smaller and smaller. And I can't see now the saints anymore; they are behind now the curtain, like a curtain that has been drawn over them.

And now Our Lady - oh, Our Lady is coming forward again. She's touching Her lips.

SOME WILL SEE JESUS AND OUR LADY

Our Lady - "My child, We are not leaving. We remain here all evening. Until the last soul has left the grounds, My Son and I are here. Some will see Us, and some will not. The day will come when all will see Us.

"Continue, My child, now with the prayers of atonement; you must join them."

June 18, 1986

16th Anniversary of Our Lady's apparitions at Bayside

Veronica - All about the trees there are immense lights. Now these are not the round blue balls that normally cascade across the sky at Our Lady's arrival. They are like long sheets of light coming from the tips of the trees, and going upward, high up into the heavens. Oh, it's a beautiful light. It's lighting up the whole sky. And directly over Our Lady's statue, if you go up about perhaps, I would say around sixteen feet, you can see Our Lady now coming through the clouds. There is a cloud-like formation, as though Our Lady has just passed through some type of an ordeal, some type of a catastrophe. Because the clouds don't look like the clouds of our sky, but the clouds are coming up smoke-like from some type of a chasm, a deep well or something.

Now Our Lady is coming down closer to the top of Her statue. She's come down quite fast. Now Our Lady is wearing the most beautiful gown. She has on a white gown with a blue sash about Her waist. And Her Rosary beads are dangling from this sash, the Rosary with the golden Our Fathers and the white Hail Marys that actually become all the colors of the rainbow, as Our Lady turns. Now I can see - I can never see Our Lady's hair; Her head is well covered by Her mantle this evening. Her mantle is a beautiful white, a beautiful white. And it has a trim of about - oh, a half an inch of gold all about the outside.

Our Lady is smiling. It's a sad smile, but Our Lady does look like She is happy. Now Our Lady is nodding, and She's placing Her first finger to her lips, which means to listen and repeat.

Our Lady - "My child and My children, My heart is so lightened with joy at the numbers of wonderful souls who have come here this evening to honor the Eternal Father when He sent Me sixteen earth-years ago down upon earth, to try to stop the crisis in the Church and the chaos that is going throughout all the countries of the world.

EXPLOSION ABOUT TO TAKE PLACE

"My child and My children, I came to you many years ago at Fatima, with a plan for the salvation of mankind. And I must say to you this evening, as your Mother, that none of My words must be kept hidden any longer, for it is urgent that the world make this final atonement. The hourglass now is almost empty; days can be counted by hours. For at this very moment We see a most terrible explosion, with the loss of many lives about to take place.

"O My children, you do not understand what I have given to other seers upon earth to bring to you. Not only words of consolation but words of truth. The truth sometimes does hurt, My children; but I, as your Mother, must treat you at this time as adults, being able to reason with the God-given reasoning that Heaven gave unto you when you were conceived by the Holy Ghost. I say this for this reason: the Eternal Father is much disturbed at the numbers of abortions being committed throughout your country and the world. These numbers go upwards to fifty to sixty million in one year throughout the world. And this is too much for the Eternal Father, and also for the souls who are now victim souls - victims to try to save their brothers and sisters who have gone astray from gaining their rightful deserts of destruction and death. These victim souls, that have become victims of their own accord and their own placement, they are the ones who have kept the just punishment from coming upon you and mankind.

THE THIRD SECRET WORD FOR WORD

"I wish at this time, My children, to repeat again the need to write, to speak, to meet with the Holy Father in Rome, and plead with him to have Lucy come forward and tell the Third Secret word for word, as I give to you each evening on My appearances upon the grounds of Bayside, and Flushing Meadows.

"O My children, if you knew what was in store for you in the near future - and that means, My child and My children, this year - you would understand why I feel, and why I cry tears that fall upon you. If I could, I would as your Mother, make all atonement for you, but it is the will of the Eternal Father that you come forward now and stand up to protect your own souls, and also the souls of your children and your families.

"Mothers, and fathers too, have gone astray in these dark days. Materialism has replaced spiritualism, and that is why the many catastrophes are being allowed upon your earth. There will be more floods with death, more volcano eruptions with death, more accidents that are not accidents, until you will surely come to your senses and realize that there is a higher power working at this time to bring you to your knees.

ATONEMENT ON FIRST SATURDAYS

"My child and My children, I have asked in the past for certain days of atonement: the first Saturdays, the first Saturday of each month. Can you not give this to Me, My children, in order to place it before the Eternal Father? For you must pray for sinners. I beg you, My children, as your Mother, your loving Mother Who cries tears of sorrow upon you all, please remember this: The time is growing short. I have wandered throughout earth trying to warn you, My children, depending on a small handful of loyal souls to bring these messages to you. Upon these grounds, My child, We chose you to come forth, in illness and in health, in order to save your brothers and sisters.

"As a victim soul, My child, We cannot promise you happiness upon this earth. But We will give you - if you remain steadfast and true, My child, in your own free will - We will give you a reward that far surpasses all of your imagination, your inclinations, and anything that is beyond the human mind to understand now, you will be given in return for yourself. Do you understand this, My child?

"You will continue, My child, to send the messages throughout the world with great haste. Satan has come with his agents to try to stop you. They are now planning a measure of retaliation. Be prepared, My child; when it happens you will know that it is straight from satan.

"I ask you now to give the warning in poetical form, given to the world some years ago. It must be applied now.

The end is not as far as you can see;
Already there is apostasy.
Man cast his lot and gathered the coals
To stoke the fires that burn the souls.
The days are numbered, the hours are few;
So work and pray, and try to do
The work that's given in the light,
Until that sad time when all is night.

"My child, you said that well. It is a riddle, as the Father gives many riddles; but those who have the grace will understand and act upon it.

"Now, My child, for reasons that you are not to give out, I wish at this time that you take three photographs. They are very, very important, My child. They will contain a date for the next catastrophe. You must know for reason because you must move from your house at that time. You will take the pictures now, My child, and I will be with you again."

Veronica - Oh, the trees now are turning pink at the tips. It's a beautiful colored pink. It's nothing frightening, though I had a great fear in my heart that the trees were going to go on fire for a moment, because it's a startling pink. Now there are long rivulets of light going from the tips of the trees, high up into the sky. And there, directly over Our Lady's statue, about maybe - oh, I would say about forty or fifty feet, Jesus is coming down through the sky. The sky was dark, but it's become now a very bright white, translucent type of light all about Jesus. And it makes Him shine very clearly, and stand forth very clearly.

Jesus has on a burgundy cape, and it has a headpiece, but He's not wearing it this evening. I can see it over His shoulders because there is a belting-like, tied at His neck. It's made of a gold-like material, the tie. And Jesus has on a gown. It's made of a hemp-like material. It doesn't look like a soft material; it looks very stiff. And I can see Jesus' feet now as He's coming down closer. He has on sandals. They're made of some kind of animal skin. They're a brown color, but they just have two straps: one across near the toes, and one across the ankle area - two straps. I don't know how they stay on.

But Jesus now is floating down. He doesn't walk; He does what Our Lady does - She floats, also, downward. And now Jesus is looking all about Him. It's a little windy up there because His hair is blowing. His hair comes down by His shoulders, where His cape comes to the end near His neck.

And Jesus now is looking, and He's smiling - over to the right and over to the left. Now I can see over on the right side, there was a light by the trees; and I notice that Our Lady is standing there. Our Lady has moved over to the right. I didn't know where She had gone to, after I saw Her and took the photographs. But Our Lady is standing over by our right side. And Jesus is directly now over Her statue. He's looking about Him. Now He's taking His hands like this, Jesus, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking over to His right side, that would be our left side, and He's moving over now. He's going over slowly, as He looks about Him. Now He's turning straight to face us, and He's directly over, near the tall tree. And He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking over towards Our Lady, and Our Lady has a slight smile on Her face. She's so brightly lighted this evening that I can see Her face very clearly now. Our Lady is smiling. She has delicate features. Our Lady, I would say - I never asked Them about Their heights or anything like that; that would be embarrassing to do - but I would say Our Lady must be around-oh, five foot five tall. And Jesus, I know, is about six foot one. That's why She always seems to come over to His shoulder when They come together. Now Our Lady is smiling and shaking Her head, yes.

Now Jesus has moved over in the meantime. He's come over above Our Lady's statue, and He's leaning down again and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus has a look on His face; I can't explain it. It is both of great sorrow and of joy. I know that He's very happy this evening for all the numbers of peoples and souls that have come here to honor His Mother, and Her appearances here with Him.

Now Jesus is placing His hand out, like this, and He's calling to His Mother. Oh, Our Lady is coming over to Him; Our Lady is coming across the sky quite fast. Now She's come over and She's standing by Jesus' left side, and He's motioning for Her to come about on His right side. Now Our Lady is standing at the right side of Jesus, and He's whispering to Her. I can't hear what He's saying, but it's just like the murmuring of a tree. I can't explain it. It's the only sound I can hear. I can't make out the words, but Jesus is smiling assuringly. And now He's turning towards His left side, and He's said something to His Mother, and She nodded. I think She's going to remain there. Yes, He's moving.

Jesus is going now over to our right side. He's moving quite slowly. He's just floating. He doesn't walk the way we do; He seems to float as though He's weightless, yet He looks as solid as you and I. And Jesus is now looking down, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is doing something very strange. He's going up higher and higher, and He's going to the top, the tippy-top of the highest tree here in the park; and He's bending over now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing both of His hands out in front of Him, like this, and there are long rays of light going from His fingers, out towards - way behind us in the back. I feel that He's trying to reach people way back behind us. We're quite up front, but Jesus is now purposely motioning to His Mother, and She's coming over. Our Lady is now crossing the sky to Jesus, and She's taking Her Rosary, the Rosary with the golden Our Fathers and the white Hail Marys, that are luminous in color when She's turning about as She's doing now. And Jesus has mentioned something to Her about blessing - that I heard . . . it was blessing. And oh, Our Lady is now raising the crucifix on Her Rosary and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now They are both turning towards Their right, our left side, and They're coming across the sky very slowly, and They're looking about. Now They're approaching the statue area. They're very high in the sky. Now Jesus is murmuring to Our Lady, and Our Lady is nodding. She's standing there. And now Jesus has placed His first finger to His lips.

Jesus - "My child and My children, I do not wish to elaborate nor add to My Mother's statements to you this evening of facts and what is to be. But there is one incident that has appalled us all in Heaven that must be made known to mankind, because I feel in My heart for My Mother, Her great hurt and sorrow that Her Message at Fatima was not completely given to mankind. This evening I speak to you, My child Veronica, for you to tell the world that to hide a fact is often destructive. And this fact will be made known now, with or without Lucy, or others, who cannot speak out because they are under obedience to their elders. You will repeat this, My child, though it may shock you.

SATAN SAT IN ON VATICAN II

"I say this evening, as your God, that on that date, as promised at Fatima, satan entered My Church upon earth. He brought with him his agents - and satan himself, the deceiver of all mankind, sat in on Vatican II and maneuvered all the outsiders to come in and distort My doctrines and distort the truth.

"At Fatima, My Mother tried to warn of this coming event, but who cared to listen? Who was interested in listening? Not those who were years - earth-years away. All Heaven was crying in that time, for the Eternal Father had made it known how His message would be received. To this day, to your earth-year of 1986, you have not been given, My children, the full secrets as given to the children at Fatima.

"Therefore, I must make it known at this time to you. If you are perceiving and interested in My Church upon earth, I do not have to explain Myself too fully; for you will already know of the chaos that satan has wrought when he entered My Church. And why did he enter, you say? This I want it made known, My child, and you will not be affrighted as you are now. And you will speak out for Me and My Mother and the Eternal Father in the Holy Spirit; you will speak out and say that satan is in the Church, My Church upon earth. He knows his time is growing short.

"And if you think you have seen carnage now already in the Church, the worst is yet to come, unless you follow the rules given by My Mother many years ago, of prayer, atonement, and sacrifice. By your example you may be able to save others. For soon there will come upon you the great Chastisement. It comes in two parts, My child and My children: the Third World War, and also the Ball of Redemption. These can no longer be delayed. For the good seem to go about their way, perhaps pridefully. We do not seek to accuse or place a stigma on any, but some may pridefully sit back and let others go forth and make these sacrifices and prayers and penance. Because they have become smug, or because they have not the grace to understand that once you receive this grace much is expected of you. You must even work harder to save your brothers and sisters.

LUCY HAS BEEN SILENCED

"My child and My children, this message will not be greeted gleefully by your clergy. But since Lucy has been silenced, it is necessary that the world knows the truth. I will also send this message out through one more seer in the world, and if it is not abided by, I have nothing to do but to allow the Chastisement to fall upon mankind.

"Your world has become steeped in debauchery. The killings of the unborn shall not go by without reprisals. And anyone who has any measure of incidence in the killing of the unborn shall be destroyed.

"My child and My children, do not take My words lightly. I do not speak to frighten you but to try to jar you from your complacency. There will be many minor warnings given to the world: more floods, accidents that are not accidents. There will be more murders upon earth, father against son, mother against daughter, homes torn asunder, for satan is loosed upon the earth. He has been given a time, a short time now for him to gather his souls.

"But I assure you, My children, We in Heaven have great faith that you, Our children who hear Our words, will act upon them and help to recover as many of your brothers and sisters as you can throughout the world. You will keep the Rosary, the beads of prayer, going throughout the world, bead for bead. For every bead, there shall be a soul. That is how important the Rosary is to the world today.

"My child and My children, you will now go on with your prayers of atonement. They are sorely needed. We need more who are willing to become victim souls. They are not easy to find, My child. The choice is always given.

"You, My child, now will take three more photographs, but these you must be most silent on. I understand how you like to show them, My child, but I know that these are some that it's best that you keep to yourself for the time being.

"I will be speaking to you, My child, a little later on a very, very important matter. Now you will take the three photographs."

[Pause]

Veronica - Just about the trees those beautiful lights, those pink lights are glowing again. But now they are not cascading upwards, like streams of light, but they're just stationary. And coming down, I can see Jesus. Oh, He's in a brilliant white light. It's almost like looking through a pane of glass, pure, clear crystalline type of glass.

Now Jesus is coming forward - oh, very fast; He seems to be in quite a hurry. Our Lady now - I can't see Our Lady, but I know that She's standing somewhere near the bushes there; but there's a cloud, there's a large cloud up there that seems to be covering Our Lady. I can see it now - the hem of Her gown, so I know She's standing on our right side. But Jesus is now coming down, and He is about - about seven feet above Our Lady's statue. Now He's looking about Him, and He is blessing us again: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He's motioning to me, and placing His first finger to His lips, which means to listen and repeat.

CLERGY DRIVING AWAY VOCATIONS

Jesus - "My child and My children, I come once more with an urgent and pleading message to the hierarchy in the Church, My Church upon earth. I want you to know now that We look upon you and find many that do not fall into grace. They are falling out of grace and misleading many of Our sheep.

"Therefore, I warn you now as your God: You will stop your intricacies within My Church. You will stop experimenting. I gave you the rules to follow many years ago, two thousand years approximately. And why now, two thousand years later, do you deem it necessary to change My Church upon earth? I, your God, say to you, you will be judged accordingly. You will return My Church to its former glory, and in that manner you will have more vocations and more entering the seminaries, and not fleeing from them as they hear the heresies and all other innovations that are going on within My Church. This is My last and final word to My clergy: Change now or suffer a just punishment and banishment.

"My child, that message must go out strictly without change. You must not be worried nor affrighted by any of the message because it is a dire necessity. I can no longer stand by and watch, day by day without change, what is happening in My Father's palace upon earth. I say it in glory to the Father and the Holy Spirit: it is His Church on earth.

"Now, My child, you will retire, and I will be speaking with you tomorrow in the a.m., but it will be very privately in your home. Ah, don't be excited now, My child; you will know by tomorrow."

Veronica - Now it's growing very dark in the sky. The light seems to be closing in about Jesus, but He's now touching His lips. He says:

Jesus - "I am not leaving the grounds, My child. My Mother and I will stay here as long as one soul remains upon it, or comes here."

Veronica - And now Our Lady - I happen to notice now Our Lady is coming across the sky from where She was standing by the trees. And They're standing directly over the statue. Now They're going much higher in the sky, very much higher. In fact, now They appear as small - as small figurines; They look almost like figurines in the sky. But I can see that They are both smiling. Now Jesus is touching His lips, like this, and He' saying:

Jesus - "Remember what I said, My child, tomorrow in the a.m."

September 27, 1986

In honor of the Dedication of St. Michael the Archangel

Veronica - All about the trees there are beautiful cascading colors of pink and blue. Oh, they're so beautiful that I feel strong already. I didn't think I would be here this evening, but Heaven said you must. It is urgent because I have, Our Lady said, a most urgent message for the world. Well now, the - oh, the lights are cascading. They're not rounded blue as usual, but they are streaming, just like streamers, down from the top of the sky, up high above Our Lady's statue.

I can't judge the distance in height, but They're coming slowly down; Our Lady and Jesus are together. Oh, They look so beautiful! Our Lady is extending Her Rosary. She has Her beautiful Rosary with the golden Our Father and the white Hail Marys that cascade off the lights. The streamers of light are still going up. They seem to originate from the trees, but I can't be sure because - I notice now, I'm looking at Jesus' hands, and I never saw anything so beautiful. He has these streaming lights of pink, a delicate pastel pink, coming down and parting. And not only that, they seem to be coming in this direction. And I can feel them all about us, and I can feel them on my chest. I feel much better already.

Oh, Our Lady is so beautiful! But oh, look what She's standing on! Our Lady is coming forward, but She's riding on the ball. It's the same ball I saw in 1970. Our Lady is smiling. She has Her Rosary extended, like this, in Her hands in front of Her, and She's smiling. But there is a sad smile. Jesus is whispering something to Our Lady. I can't hear Him; I imagine I'm not supposed to hear Him. But He's whispering. And He's standing now in place. He's quite high above the statue. But Our Lady is coming down. She is standing on top of the ball. Now She's taking Her crucifix of Her Rosary, and making the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking all about Her. She has on Her beautiful white mantle with the trimming of gold. The gold is about a half an inch all about the outside of Her mantle. Now the strange thing this evening is Our Lady does not have sandals on Her feet; they're quite bare, as She stands on top of the ball. But I notice at Her feet, though, there are all roses. They look like fresh, fragrant roses all about Her feet. Oh, and Our Lady is so beautiful! She has on a pure white gown, and it's belted with a gold belting, that - Our Lady usually takes Her Rosary and attaches it to Her belting.

Now She is looking up at Jesus, and Jesus is nodding. Now Our Lady . . . the ball is moving over, and I think Our Lady is nodding that She wants to come from the ball. Now Our Lady is stepping out . . . and She has actual balance, but yet, to us it would seem that She's suspended in midair. But She has actual balance. And the ball is now passing over on our left side into the trees. And Our Lady now is standing there. She's coming slowly down over Her statue. She's about now, I would say, about ten feet above the statue's crown.

Oh, Our Lady is so beautiful that . . . just the feeling of joy and peace and happiness that She gives to you when She smiles! Our Lady is smiling, but She has a very sad smile. Now She's looking up to Jesus and motioning, and He's coming forward. And He's standing now, He's going over to Our Lady's right side. Now Our Lady is taking up Her crucifix again from the Rosary, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is nodding, and Our Lady now is placing Her first finger to Her lips, like this, which means to listen and repeat.

Our Lady-"My child and My children, and especially Veronica, My child, I brought you here this evening because it was urgent that you come from your sickbed and be here this evening. No matter what the struggle, I will sustain you.

"Tell the world, My child, in great haste that the Red Bear is planning to kill Our Holy Father, your Vicar on earth, John Paul II, when he meets with the nations in common prayer. You will not fully understand what I say to you, My child, but I repeat it again: Shout! Shout from the rooftops, until your words, the words from Heaven, reach the Holy Father in Rome. The Red Bear is planning to kill your Vicar, your Holy Father upon earth, John Paul II, when he meets with the nations in common prayer.

"Yes, My child, the evil is accelerating. In fact, I understand, from hearing My children in their prayers, that it boggles their minds how the evil continues to accelerate, as we pray and do penance and seek for the repatriation of souls upon earth. We have extended the time far beyond what the Eternal Father wishes, My children. But it is those who are good that must not slacken in their pace to save their brothers and sisters.

"Many of the good have become complacent. They have now brought themselves down from a pinnacle to wallow, we will say, in their self-exaltation of being saved. However, I repeat again to all My children, that to those who have received much, much is expected of them. They cannot sit back and with a smile not consider what goes on beyond their sight. They must work in the world and not retire from it, self-satisfied with their own salvation. They must go out among the nations, because, My children, everyone now cries for peace and security where there is no peace and security. There are more murders: the abortions continue, accelerating at a higher rate.

TERRORISM TO COME TO NORTH AMERICA

"And your country, My child, the United States, and Canada also, will receive the heavy hand of the Father soon upon them. We can no longer protect them from what is to come about within the next several months. Yes, My child, there will be blood flowing in the streets of the United States. There will be carnage such as has never been seen before in the United States and Canada. Do not take lightly the threats of those murderers in the European states that have felt this carnage. They are now setting up their plans to bring destruction to the heart of the Americas.

"My child and My children, how long can I go about your earth going from place to place, hinder and you, as your Mother, praying with you, solacing the nations that suffer from their own laxity. We ask for prayer, atonement, and sacrifice. And what do We get? We have theologians who now consider themselves as gods upon earth. They are setting up a new world religion, a one-world religion based on humanism and modernism. This will not continue much longer, My children. It has taken many earth-years to develop these theories. And those who have their heads in the clouds, though they wear the purple hats and the red hats, those who have become blinded from the excessive love of luxury and materialism, shall be lost in the chaos.

ANNULMENTS WITHOUT DUE CAUSE

"Each and every soul shall be held accountable for his soul and the souls of those about him. Families are disintegrating. I must tell you now, My children, the family must be returned to the holy state it was constructed for. We shall never approve nor accept marriage and cohabitation without marriage. We shall not accept the annulments that are being given now to so many without due cause.

"It has become a most distressing situation for the Eternal Father. Many He would remove from the See of Peter, but it seems, My children, that the only way they can be removed is from force; for they do not harken to the threats, nor even the advice and counsel of the Holy Father in Rome.

POPE WELL CHOSEN FOR TASK

"Your successor to Peter has been chosen well. We sat him upon the throne of Peter for the principal reason to return My Son's Church to its original state. Understand well, My children, that he is also a human being subject to error. But this does not mean that he is to be subjected to derision and hate, until you build up a fire within the hearts of those who are seeking to destroy him. Better that you pray for the Holy Father than to deride him. Do not question him at this time, because I assure you, My children - as he will tell you in due time - I, too, have appeared to the Holy Father.

"Yes, My child, there is much that I have not told you or the world. But there are other seers throughout the world at this time. And I promise you, My child, through all the excessive suffering that you are doing, and as you offer it up to the priesthood, you are gathering some souls for Heaven. Remember, My child, and you will find your suffering much easier to take if you will remember that each pain and each sorrow means that you will offer it up for the priesthood. The prayers that you have conducted for the priesthood on the Sundays of your years upon earth shall be counted at the time when all of you shall go over the veil. Then you will rejoice with all Heaven for the number of priestly souls that you have brought back to the fold.

"We do not want division within the Church. That will solve nothing. You cannot separate yourself from the Holy Father in Rome. And once you are baptized as a Roman Catholic, you must die within the fold; you cannot reject it. There are many false prophets going throughout the world now seeking to take your soul to satan. They come as angels of light.

JEHOVAH'S WITNESSES: FALSE PROPHETS

"And now, My child, it has not been My policy to put down in strict perfect order those who are going throughout the world as deceivers, but I warn you now to beware and protect your children from the groups that are forming that are false prophets and

will take you from the true religions. One must be named now, and it is called the Jehovah Witnesses. My children, they are not a church. They were not founded in the time of My Son's placement upon earth. They were founded approximately fifty-five years ago by a group of so-called learned seminarians, not of the true Christian Faith, but seeking to rewrite the Bible of God to suit their own human frailties and needs. It took a great deal of courage to come away from the true Faith and establish themselves, but this courage will be brought to naught. Except, My children, that there are many now souls that come also from the fold of the Eternal Father, the Roman Catholics, that are being taken in by this group of false prophets.

"I do not wish to seek merriment on this, My child, but We, too, in Heaven must smile as they go about the world saying that Jesus was not upon earth as a Savior, nor is He the Son of God; no, He is Saint Michael the Archangel! My child, I see this brings a smile to your lips."

Veronica - "Oh, yes, Blessed Mother, that sounds very funny!"

Our Lady - "Yes, My child, to the ordinary human being, or those at least that have a little light of the Holy Spirit with them, they could not actually fall into the web of this organization. So you must do what you can, My child, to enlighten these

poor souls. They are gathering the Roman Catholics who have not been attending Mass, or getting the light from Heaven by receiving Holy Communion daily, or at least, My child, on Sunday.

"Now I want you to listen to Me as I repeat for you one of the long discourses you had with Saint Theresa. And I do it for a reason, that it goes to the world because this dear Holy Father is the one in Rome who is suffering now at the hands of his own. His bishops will fight bishop against bishop; there will be cardinals against cardinals; and satan has set himself in the midst. But you will all remember the 'Exhortation' and recite it well to those who wish to affront you. Repeat, My child:

Dear Holy Father, worried and wan
Will struggle with Jesus to gather the sheep.
The pastures are rich, but the sheep grow thin,
For the souls have succumbed to the sickness of sin.
You'll need reinforcements from heavenly shores,
So deep is the darkness of earth's shallow mores.
All hearts must ascend in true supplication
To avoid the sad fate of divine devastation.
Dear Holy Mother, your Mother of love,
Does beg you to heed these dire words from above:
His heart is torn by careless surrender
Of too many souls who don't try to remember
The Father, the Son, the Spirit of life -
Smite in the heart with the human knife
Of hate, greed, avarice, vanity:
All indications that sin is insanity.
What more must you do but place the full load
Of saving all souls on the few who are bold,
Who'll stand up and fight for all Heaven's glory
And meet with Pope Paul at the end of life's story.

"My child, you must never forget those words and pray on them daily, for they have true meaning for the world.

"Now, My child, I wish that you will say a full Act of Contrition, for it has been forgotten in many of My Son's churches, His House upon earth."

THE ACT OF CONTRITION

Veronica - O my God, I'm heartily sorry for having offended Thee. And I confess to all my sins, because I dread the loss of Heaven and the pains of hell. But most of all, because I love Thee, my God, Who art all good and deserving of all my love. I firmly resolve, with the help of Thy grace, to confess my sins, to do penance, and to amend my life. Amen.

Our Lady - "My child Veronica, it does Our hearts well, and We feel very comforted to know that that has not been lost upon earth. We have watched now the teachings of the children in most of the houses upon earth of My Son, and I must say: I shed tears of pity for the parents. For it is best now if the parents look well into the teaching of their children in the schools, the Catholic schools of the world, because they will find that the theologians have crept in now with modernism and humanism. And your children must be protected.

SEX EDUCATION IN SCHOOLS

"A foul situation has come about in the schools, both public and private. They are now teaching sex education, My children. And this is a debauchery of your young souls. Parents, are you so blind that you do not investigate, or ask your children what has happened in their classes today at school? Show you no interest as you go about the world gathering materialism, and seeking to break your home apart by husband and wife going in both directions; neither do they work together to hold the home together, but they work apart, many leaving the children astray by not having counsel over them.

"My child and My children, I tell you now: All that I have told you in the past will come to pass. There will be great punishments set upon earth. The United States and Canada shall not escape. They have been actually sentenced by the Eternal Father to many calamities that will befall them very shortly. The Father in Heaven feels in this manner shall they bring many back to the fold. It is not an angry God Who speaks to you, My children, but a sorrowful One. All of our hearts in Heaven, and the hearts of the saints, are saddened at what is to come upon mankind.

"Have you forgotten My counsel of all of the years of My appearances upon earth? I have gone to little children and big children, but they are all little children in Our eyes. There is no age counted in Heaven. You are all the children of God, and as such, you must be a pride and a joy to Him. And when you hurt Him, He is hurt most deeply. And therefore, He allows satan to go about in his reign. Satan knows that his time is growing short; therefore, he is acting in full fury.

"You will watch as the days go by - I say not years, because this will all happen in days, My child and My children - you will watch as the days go by, the unfolding of the messages, dating from 1970. That is why I have asked you to publish them, My children, again, right from the beginning. In your closet you will find the 1970 messages, the missing ones without the tapes.

"You will see, My child, that all of these messages are renewed. They must be read over because much has been missed and forgotten. But soon, like the steps of a ladder, you will find each prophecy come true. And it will accelerate as we hit the end of time, My children.

"You cannot count your earth-years as being long any longer. If only I could show you, the prideful and boastful United States and Canada - if I could show you what the enemy has in store for you now, you would grovel on your knees to make restitution to the Eternal Father. But now this must be taught to you in a most sorrowful way.

U.S.: ANOTHER TREMENDOUS EARTHQUAKE

"Your country, My child, the United States, shall know of another tremendous earthquake. I know this grips your heart with fear, My child, but you will see and understand. There will be more floods, more famine, more blood in the streets. The enemy will come from foreign nations now to try to shed this blood. Do not take their words to you lightly. They will enter the United States for one purpose - to destroy the morale.

"Your country and Canada has been surrounded by the Red Bear for many years. They fear the finger upon the first missile, because they know that it will be the end for the human race. But, My children, do not misunderstand, and do not discalculate the power of satan. Because if he is allowed to by the Eternal Father, he will see that someone does put their hand on the wrong button.

"My child and My children, and especially you, My child, Veronica, I know you felt that We were asking the impossible of you, to come to the grounds this evening, having spent your life bedridden and in torturous suffering. My child, I cry for you because I experience your pain as your Mother, and I know that the cross one day will be lightened for you. But do this for Us, My children; you will do this for My Son and I, will you not, My child?"

Veronica - "Yes, Mother."

Our Lady - "Remember, My child, life is not eternal upon earth. One day you will all have your rest. I know, My child, you do not have much rest, but one day you will come over the veil. It will not be much longer, My child, but We ask you to continue to be a voice-box for My Son and Myself.

"Now My Son has a few words to speak to you, My child."

Veronica - Now Jesus is coming forward. He looks so beautiful! Oh, He has on a burgundy cape, and there is also about a half an inch of gold all about the burgundy cape. Now He has it tied at His neck by a golden belting, sort of. He looks so beautiful. Jesus' hair is blowing a little. And I think it's from the reflection of the light from His robe, but His hair looks like a reddish brown.

OUR LORD'S CROWN OF THORNS

And now He's tapping His forehead. Oh, He wants me to tell you, as He told me this afternoon, that I must tell the world that when He was crucified . . . they have a false notion about His crown of thorns. The crown of thorns were placed in a basket-weave cap and then placed on His head, and He was pummeled and hammered with sticks and a sledge hammer to get it down on His head; and that drove the terrible spikes of the thorns into His head. It seems that His murderers could not find gloves at the time to handle the thorns. So they thought to take their implements and place these terrible thorn weeds inside of the basket-weave hat. And that is what Jesus wore when He was crucified.

Jesus - "My child, I had you repeat that because you have difficulties in finding the photograph, the picture that I had you draw in 1969. But you will find it if you go out to your garage and in the middle you will find boxes; empty the boxes and you will find the photograph.

"Now, My child, you will continue with your prayers of atonement. I did not wish to bring you here in your terrible suffering, but I assure you, My child, the rewards that you will know of at the end of time will make full payment upon your suffering, My child. There is only one way that I can explain it. What you suffer on earth is not important. It's how you are laying up your merits to enter into the Kingdom.

"And I repeat again, My child, as I say to you, that it will be easier for a camel to go through a needle's eye than it will be for a rich man to enter Heaven. I say this for a reason, and to those to whom it is directed, they will fully understand. What does it profit a man if he goes about the world gathering all the riches of the world and loses his soul? Think of that well, O men of the Kingdom of God, who have lost their way while they seek the riches. Think of it well, for many of you shall be passing over the veil within a few short months.

"Now, My children and My child, I wish that you all continue with the prayers of atonement that are necessary for the repatriation of the many souls in the world."

Veronica - Now Jesus is moving over to the trees. He's standing above the highest tree on our right side, and He's extending His hands, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady has remained above the statue and She's softly smiling, but I notice that She is wiping Her eyes. She's very sad.

Now Jesus is coming across back from the trees. He's coming over to our left side, that would be His right side, and He's almost next to Our Lady. And He's standing out now and placing His hand like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now both Our Lady and Jesus are looking over to Their right, our left, and They're moving now. I have to follow Them above the sky there; They are high above the trees. Now Jesus is bending over, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking about Her. She had placed Her Rosary beads back in Her belting, but now She's taking it out and She's extending the crucifix, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady - "My child and My children, now continue with your prayers of atonement. We are not leaving; My Son and I will be upon the grounds until the last person leaves. And should anyone come here to pray during the weekdays, before the vigils or the Holy Hours, We will come."

Veronica - Oh!

Our Lady - "Yes, My child, one day these grounds, also, will be renown. These grounds shall be a holy place of visitation, as shall also be the Shrine at Bayside.

"Now, My child, you will take three photographs, and these you will not divulge the contents. But take three photographs and read them well, but not a word must be said, My child."

1987

June 6, 1987

Eve of Pentecost Sunday

Veronica - All about the trees now there are cascading the most beautiful blue lights. They're the call lights of Our Lady. And directly above the trees there is a cirlet of light that's opening up. It almost started like a pinpoint . . . and then it's opening up until - I would say it's about the size of a quarter now. But it's in a great distance away. And while I'm watching this, I notice that the trees are beginning to also be tinged with pink about them. Oh, that would mean - that is Jesus' color.

Oh, now I see Our Lady - out of the cirlet of light, which has grown very large up above the trees, Our Lady is coming forward. Oh, She's dressed so beautifully this evening. She has on Her white gown, but it's very iridescent, very brilliant and difficult to watch; because it seems to set your eyes in such a way that there are no human words to describe the way . . . the colors of Our Lady's gown. There are two major colors - gold and white.

All about Our Lady's mantle She has this border of gold. It's about, about a half inch, I would say, wide. And Our Lady has on this evening Her golden slippers with the tiny rosettes right at the toe. Oh, She looks so beautiful and fragile.

Our Lady has Her hands together, like this, with Her Rosary about Her fingers. And She's coming forward very slowly. And now She's coming down. And all of a sudden, there are lights, pink lights glowing all about Our Lady. It's not the shimmering type of long vertical lights that I'm so used to seeing, but these are pink glowing lights, similar to the blue ones.

And there is Jesus. Oh, He looks so powerful and strong. The feeling you get is beyond any human intelligence to understand, unless you experience it yourself. Jesus is wearing His rose-colored gown. And He is placing His hand out, like this, and rays are coming forward. And as I am looking up, I can feel them. I am beginning to feel something radiating right through me. And now Jesus has approached Our Lady, and He is talking to Her very softly. I can't hear. It's almost like the murmur of the trees. And He is nodding yes, to Our Lady.

Now Our Lady is coming forward, and She is taking Her crucifix, the golden crucifix on Her Rosary beads, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And now Jesus is looking over. And Our Lady is turning to Her right, which would be our left side, and She is going over closer to the trees on the left. Our Lady now is standing forth with Her Rosary in Her hands, and the golden crucifix in Her right hand. And it seems to have enlarged since I've been looking at it, the crucifix. It's beautiful, a golden crucifix. Our Lady is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is taking His hand - oh, He is over next to Our Lady, on Her left side; that would be directly over the large tree on our left side, by the statue. And Jesus is putting His hands out, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is murmuring to Our Lady, and They are both floating over. They don't walk; They're like weightless. And yet They look so solid - not transparent like some of the saints that I've seen, but so solid, like you and I, that you feel that you have something very close in tie to Him and Our Lady. And They are coming over now, above the statue, and They are both looking all about. And Jesus is murmuring to Our Lady - I say murmuring, because I cannot catch His words. And Our Lady is smiling. Now She is motioning to me, and putting Her first finger to Her lips, which means to listen and repeat.

Our Lady - "My child and My children, how happy and joyful I am this day for the many Rosaries that have ascended to Heaven from among you. I know that all hearts rose also with the prayers. How many shall be used to save those in purgatory, you will find out in due time.

ABROGATE UNION OF ROME WITH RUSSIA

"For peace, My child . . . there is much asked for peace upon earth. I must tell you this: There will be no peace, My children, until what has happened in the past with My visit to Fatima is consummated. Now this has to be done, My children: I repeat this anew, as I have repeated it, as I have gone hinder and yon across the earth to try to enlighten My children as to the road to true peace - you must now cast aside, abrogate the union of Rome with Russia. For Russia must be consecrated to My Immaculate Heart for a true peace.

"My child, Veronica, your road has not been easy. You will have much more suffering, My child; but know that your seclusion and your suffering has been for a great reason. I asked you in the past, and you said yes, My child; will you continue to do what I have asked of you?"

Veronica - "Yes, dear Mother, I will."

Our Lady - "My child, do you wish to repeat what we had between us of your mission?"

Veronica - "If it will save souls, I will."

Our Lady - "Well then, My child, repeat what I have asked of you."

Veronica - "I must accept my sufferings and offer it for the priesthood. There are not many prayers rising to Heaven for the priesthood, for many believe that the priesthood has a special passport to Heaven."

Our Lady - "My child, I have to tell you in all truth, that there are many priests who have gone to hell because too few prayed for them; and they did not accept the road to penance, dedication, and truth.

"I know, My child, this comes as great shock to you, but you must understand that We did caution the world, and the pastors, to mend their ways now. For even many mitres have fallen into hell. Do not be shocked, My child. I know this puts great strain on your weakened heart, but you must make it known to the world that many must offer themselves in compensation, we will say, for those who have not received the grace to enter even into purgatory. Perhaps at the end of time, My children, when the world meets with the great Chastisement, and the gates of hell then are opened for all to see, and the gates of purgatory opened for all to come out - then you will understand what has happened in the past, and what is coming in the future, as you ponder My words tonight.

"My child, I want you now, for it is greatly urgent for your country, that you take three photographs; but they must remain a great secret, that will be given to the Pope in due time. Not one word must be uttered when these pictures are given, My child; for they will give you the road of mankind."

[Veronica then sees a vision of the destruction that is to come upon us. She coughs deeply from the inhalation of smoke from the fires.]

Veronica - "Oh, Mother, I see the fires. I see the fires. I'm choked by the smoke! It's terrible! Save us! Don't have this come upon us, dear Mother, please! [Veronica sighs.] It's terrible." [Veronica sighs heavily.]

GREATER LOSS OF LIFE IN PERSIAN GULF

Our Lady - "My child, the road to peace has been given to the world. You must write and implore your Holy Father in Rome to make known the full message of Fatima. There is no time to be wasted! Your country, My child, is in great distress, though your medias have camouflaged this from you. Your country will meet with a greater distress and loss of life in the Gulf, the Persian Gulf. No, My child, you cannot accept as full knowledge all that the media impart to you; for they, too, are under control.

"Now, My child, take those three photographs, and you must be silent."

[Pause]

Veronica - Jesus and Our Lady are still standing, about, I would say, about twelve feet above the statue. They've been there the whole time. Jesus directed His pink lights onto me, for I would surely have perished from the sight of seeing the great destruction that is ahead for mankind. It would have taken my very heart from out of my chest, the fright was so bad.

Now Jesus is standing there. It's quite windy, because His cape is blowing back and forth - very slowly, though. It's a mild wind. And the cape that Jesus wears is beautiful. It's a burgundy color. And it has a gold tie at the neck, where He has it tied in loop-like shape. And Jesus has nothing on His feet this evening. Nothing. He's barefooted. I can see beyond His gown. Now His gown is a linen-like quality. It's made like a very coarse weave. And it's quite full, and belted by a piece of - it looks like brownish hide of some animal. It's very belted about His waist.

Now Jesus is touching His lips with His finger, like this. I feel, as I place my finger out, that Jesus has come down now, and with some way, I felt a kiss upon my finger. It's so difficult to explain. I feel that He's kissed this finger that has often pointed to Our Lady. I feel much stronger now. Now Jesus has touched His lips for the second time, and nodded His head downward.

Jesus - "Veronica, My child, and all the children of the world, I do not this evening intend to go through a long discourse on all of the sins that are rising to Heaven, with the saints crying out for retribution because of them. They cry out, 'When, O when, dear Lord, shall You give fair retribution to mankind upon earth, who put the saints to death?'

"My child, you do not understand the full meaning of that message, but in due time I will make it known to you.

NO RELIEF FOR THOSE WITH AIDS

"I want you, My child, to tell the world that, as your God, there shall be great suffering placed upon mankind in the near future - more so than the plague that was allowed to be sent down upon you, AIDS. We warned you over and over again,

through years of visitations upon earth, My Mother going to and fro to warn you that those who have given themselves over to debasement by the practice of homosexuality, birth control, abortion and all other aberrations that bring sorrow to My Mother's heart - this must be stopped now. There shall be no excuse accepted in Heaven by the saints, nor by My Mother and I, or the Eternal Father and the Holy Ghost, for what you are doing upon earth now.

"AIDS was a plague, and is a plague, and shall continue to be a plague, as long as you will not change your course of destruction. What else must We allow to come upon you? No, My children, there will be no relief for those suffering from AIDS; for it is a penance from a just God. For their punishment will be greater, the suffering that they incur will save many from hell, and give them the chance to enter upon a penance in purgatory.

EDITOR'S NOTE: On June 18, 1990, Our Lady said: "The Eternal Father and My Son have made it clear to Me that if man will repent of his ways that have given - been given to him by satan, We will see that you do have a cure for AIDS." I say again: **if man will repent of his sin and discard the homosexual life they are living, I will give them a cure for AIDS.**"]

NO SEX EDUCATION IN SCHOOLS

"My child, I know much of this discourse distresses your heart, but you can imagine well - and I know you do, My child Veronica - the sorrow My Mother feels now that sex education has entered upon the school system. We say unto you, and I say to you as your God, My children: Mothers and fathers of the world, you will not give over your children to be taught by demons! Satan has many loosed upon earth now. They enter into the bodies of any man, woman, or child who has fallen out of grace; and they enter into the bodies of those who teach your children error.

"It is the place and the will of the Eternal Father that the home shall be the safeguard for the children's souls - the mother, the father. But what can We expect, My children, when even the state of marriage, the Sacrament of Marriage, is being destroyed slowly? We know all that is going on upon earth - living together without unions under God. No, My children, that shall also be destroyed in time; if not by sickness and death of the body, it will also be by sickness and death of the soul.

"My children, it was never deemed by Heaven, nor the Eternal Father - as written in the good Book of life and love, your Bible, that man shall not cohort with man; man shall not cohabit with man; and man shall not seek diversion from his home by setting out to seduce another.

"My child and My children, are there many strong homes left in the United States, Canada, and many homes of the world? No, My children, the standards have been lowered. And when the standards are lowered, satan takes over.

FAR WORSE PLAGUE TO COME

"You have your chance now, as My Mother pleads for your cause, to stop what you are doing now that displeases the Eternal Father, or you shall be sent, within the next year, a far worse plague upon mankind, if the great Chastisement hasn't already overcome you.

"Yes, My child, as I told you before you left for the grounds, this would not be a message of great solace but of truth. We expect you, My child, to get this message also to the Holy Father, Pope John Paul II in Rome, that he must put aside the Treaty he has accepted from others, to keep from giving My Mother the necessary ammunition, We will say, My child - I will use your term as used upon earth - to fight satan. You must consecrate Russia to the Immaculate Heart of My Mother, or there will be no peace, if but for a time.

"My child and My children, look all about you. Do not become blinded by the things of your world. They are only material, and all that is material shall pass. All is passing, My children. Look back and count: how many do you know that are still upon earth who have passed over the veil? One day you, too, will be heading down that road - and We don't want to say down, We want to say up, My children!

"Yes, My child, We do have humor in Heaven, but so little in these dire times.

"I want you now to take three more pictures. The other three must be retained for your examination; but three more you are free to give to those about you.

BESIEGE POPE WITH LETTERS

"Remember, My child, the Pope, John Paul II in Rome, he must be besieged by letters to stop now the carnage going throughout the world, or Russia shall enter upon your nation and Canada.

"You are surrounded, My children, as My Mother has told you for years, with submarines. They come closer to your shores by countries, one after another - boots stomping forward, killing, death, licentiousness; father against son, mother against daughter, cousin against cousin - nothing but murders and abominations. Is this what you want within your country, My children?

"You must now - not later, but now before it is too late - you must gather the armor about you that Heaven has given you. Make it known to the world that they must all, every single individual on earth must at this time wear a sacramental: the St.

Benedict medal, the brown Scapular, a crucifix, blessed by a holy priest. And I say holy, My children, for I'm certain I do not have to go into further detail on the other kind. By their fruits will you know them.

"My child, do not be despaired. One day all the world will be restored anew, but there will be few left upon earth to start this. That is why you must all desire in your hearts, and put to work the knowledge given to you by Heaven, to save your soul and the souls of those all about you. Time is growing very short.

YOUR SONS TO DIE ON FOREIGN SHORES?

"Remember, My child, I have already told you, as My Mother did some time ago, that the enemy is closing in fast upon you. You are being tempted now to bring your sons to the foreign shores of foreign nations to fight and lose their lives. Is this what you want? How many hearts of parents will be torn by the carnage of receiving the greetings from the United States or Canada, from the Army, the Navy, the Marines, saying: 'Your son is dead or missing in action.'

"Is this what you want? Cannot you do a slight penance for your God, for your neighbors? Love your neighbors, even if they malign you, even if they make fun of you. Remember, you hold the truth in your hearts and in your hands, for you carry the Rosary, you carry your Scapular about your necks, and you also wear the St. Benedict medal. Satan must run at the sight of the St. Benedict medal, as well as he will when you cast the waters of truth upon him - your holy waters, gathered from the many holy churches left upon earth. Use them all, My children. All! Your armor cannot be strong enough; that is how strong the enemy has become in your country and many nations of the world.

"Now, My child, you will - I hear these anxious voices saying, when are we going to get the three photographs? Now, My child, you will take the time to read the three photographs when you take them. We're not leaving, We have something else to tell you, My child; but bear with Us while you take the photographs."

[Pause]

Veronica - There are pink lights all about the green trees. That means that Jesus is stepping forward. Oh, He was over Our Lady's statue, directly over . . . but now He stepped down, and He is down almost on the tip of the tree, the pine tree. I guess it's a pine tree. I don't know my trees too well, but it looks like a pine tree. And Jesus is just above it, about a foot. Now Our Lady has remained over by, directly over the statue, high in the sky. But Jesus came down while I was talking to you. And now He must have, because He got here awfully fast, down to the tree on the right side there. And now He is - oh, He is going to give us a blessing first: In the name of the Father, and of the Son, and of the Holy Ghost. Amen. Now Jesus is touching His finger to His lips.

SURROGATE MOTHERHOOD NOT TO BE TOLERATED

Jesus - "My child, there is also one thing I wish to discuss with you for the world, for all of the world's children to know, how Heaven feels about their diabolical search for life in a test tube. Yes, My child, I know this shocks you, but you are fully aware of what is going on. Your news medias seem to enjoy putting these evils before your eyes and your ears and your readings. Yes, We frown upon surrogate mothers. We shall not tolerate the making of children from one to the other.

"The Sacrament of Marriage was given for the union of man and woman in love and godliness. There is nothing godly about a man who sets himself up to play God and starts revolving innocent - I prefer to call My children innocent, because in that way I do not refuse them even penance for their sins - but they must know that you cannot bring life in a test tube. This will not be accepted by Heaven.

"These children are not conceived by the Holy Ghost, the spirit within them at the moment of conception, because their conception is from a test tube, and an instrument of a so-called doctor upon earth. He is a doctor, not of divinity, but of sin.

"Doctors now are profaning their profession, those who have given themselves over to destroying human life in abortions. Doctors also pretend, or hope to seek far above the Eternal Father. Just as the angels did, many years ago - they sought to outshine the Eternal Father, and they were cast forever out of Heaven. But they took many with them.

TEST-TUBE BABIES BORN WITHOUT SOUL

"Therefore, My children, I must tell you this, there will be a major war between the right and the wrong side, the left and the right, over this issue. We will not have test-tube babies, for they are not born with a soul. They can only, then, be called a 'thing,' a 'creature' unknown. Is this what you want, My children? Is this what you want of these children you bear for another? To give them as though you were machines, manufacturing them for another?

"My children, you grieve all Heaven, because your sin is becoming more perverse upon earth, crying out to Heaven for retribution. If it were not for My Mother, you would have received the Ball of Redemption last year, My children. That is the knowledge that you have kept, My child, within your heart all this time, but the reprieve was given because of those who offered themselves up in sacrifice for their errant brothers and sisters.

"Now, My children, you will all continue with your prayers of atonement. They are sorely needed. We find great happiness in the millions, the thousands, the hundreds - any number of prayers that were said today by all of those throughout the world. Link to link the Rosary went, which makes Our hearts light. However, shall this be a permanent thing, or shall it pass, as all things of Heaven have, into a darkness?

"My child and My children, remember now, I have asked you to contact Pope John Paul II, and tell him he must rescind the Treaty, the Pact made with Russia; for only in that way shall you have a true peace.

"Now, My child, I called you quickly. You have not had the opportunity to read the three photographs taken for the fellows who are in the center. I call them fellows, though you may call that a common term; but they are in a fellowship with God, and they will also know that their time upon earth has been used in the best cause of all: to save souls and to bring God to mankind.

"I bless you all, My children, those within the circle, and those without; for you have come here this evening at a time when Our hearts have been lifted for a short period of time, and We wish to spread among you graces, graces by the thousands. All of this will be known to you in time, My children. All will come through the mailing system. You will know the results of these prayers today, and the prayers that continue in the hearts and upon the fingers of the Rosary chains going throughout the world. In the name of the Father, and of the Son, and of the Holy Ghost.

"Now continue, My child, with the photographs. We are not leaving; We do not leave until the last person has left the area.

"Remember always, My child, that these are sacred grounds, and in no way must anyone profane them by coming here with ulterior purposes.

"I must tell you this, My child, too. I do not want you to in any way, or any manner or measure, to be together with one who has come from Australia* ; for you shall not unite with him. There is good reason for this. We sit not in judgment of him at this time; however, time will bear witness to what he has been up to, My children.

"Now, My child, you will read the photographs."

* [False seer in Australia - called the 'Little Pebble']

June 18, 1987

17th Anniversary of Our Lady's Apparitions at Bayside

Veronica - Now just about the trees there are the most beautiful blue lights. I thought before, when I saw them in the past, that they were beautiful, but tonight they're sparkling and radiant. And now the lights, which were circular in form, are starting to shrink, and they're becoming beams of light going high up into the sky, over above the statue. I couldn't even judge the number of feet over the statue.

But there is Our Lady. Oh, I'm sure that the people must see Her. She is so beautiful, and so lifelike, like . . . whereas other times when I saw the people from Heaven, like Saint Theresa, she was quite transparent, and so was Padre Pio. But Our Lady is as solid as you and I, yet She is so beautiful. She's coming down slowly. And now there is a cloud-like formation up there in front of Her so that She's covered, I think, temporarily, because I see something coming out where Her feet should be.

Oh, Our Lady now . . . the cloud-like formation is turning into rainbow colors. It's so beautiful. And they're separating like wings on both sides of Our Lady. And She's coming down now slowly. Oh, the reason She looks so high into the clouds is because She is riding on a ball, a round ball, like I saw Her many years ago. And Our Lady now is descending very slowly, but She is quite near now to the top of Her statue, just above the trees. Now the ball has stopped, and I can see Our Lady very clearly this evening, just as in 1970. It's so clear.

"Oh, I'm so happy to see you!"

Oh! Oh, She is so beautiful. Our Lady has on a sparkling white gown. Oh, it's even more sparkling than Her past gowns. It's as though it was very festive. And She has a border of about, I would say about three-quarters of an inch of gold around Her gown, even at the border near Her feet, and also the mantle. The mantle still covers Our Lady's hair. I cannot see Her hair, but Her mantle is down on Her forehead. And Our Lady is looking about Her now. And She has on the golden slippers. They're like sandals, with the little golden rosettes on them. Oh, She is so beautiful. Now Our Lady - Her face is very radiant, so radiant that I can actually see Her eyes this evening. They are a blue, a very deep blue. And now Our Lady is taking from about Her belting Her Rosary, the beautiful Rosary with the large crucifix, made, I know, of solid gold; and also the golden Our Fathers and the translucent white Hail Marys that, as Our Lady is turning, they sparkle and become all the colors of the rainbow.

Now Our Lady is stepping down from the ball. This time I saw Her foot go out, which surprised me because I never saw Her move Her feet, really, up or down, in any direction in the past several years. But She stepped down, actually, from the ball, and the ball is floating away now and going behind a cloud that is just at our right side, over the top of the first tall tree. Now Our Lady is floating. She's not walking; She is carried by the wind, it seems. It's so beautiful to watch. She seems absolutely weightless. Now Our Lady is floating over to Her right side, which is our left side, and She is making the sign of the cross, like this, with Her crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is smiling . . . so wonderfully warm and heart-rending. I can't explain it to you. You have to see it with your own eyes. There is nothing so beautiful - not even the rose, the flower, as Our Lady when She smiles.

Our Lady now is turning over towards Her left side, that's our right side, and She is going back, floating very, very easily, over the statue. Now Our Lady is standing only about, maybe four feet over Her statue, and She is making the sign of the cross with Her crucifix: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking over towards Her left side, our right side, and She is floating over now between the trees, and She is making the sign of the cross to the people down below: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady wants to get closer - I can see Her motioning; she is making a sign to me - closer to the trees over there. There must be many people over on the right side of the grounds. And Our Lady is now extending quite a bit over, almost bent over in two, to go past the trees and make the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is motioning that She's returning - I know She means She's going to return now to the statue's area, because Our Lady is saying very quietly:

Our Lady - "There is a most urgent message for this evening, My child."

Veronica - Now Our Lady is floating back, and She is looking all about Her. She has both a smile now - it's cheerful, but there's sadness behind Her face now, too. It must have something to do with the message, because She looks awfully sad now.

Our Lady is going over and She is standing now just about six feet above the statue. Now Our Lady is putting Her Rosary into Her left hand, like this, and motioning to Her lips. That means that I am to listen very carefully and repeat:

Our Lady - "My child and My children, how wonderful it is to see you all here this evening. It lightens My heavy heart. I cannot say this evening that My tears fall on you as I did in 1970, because with your persistence in coming this evening - and I know that many of My children had to sacrifice to come here this evening - with your persistence you have lightened Our

hearts; and with your prayers and acts of atonement, you have also lightened the hearts of those in purgatory. For I promise on My next visit to purgatory, I will be taking out one thousand five hundred souls whom you have saved, My children. Just the people I am looking at now, all throughout the grounds - your prayers have saved that many souls this evening.

"My child, there is a message I have for you of great urgency. You understand that I have gone throughout the world with the same message - the one about the Treaty of Russia and the Vatican. I have asked that this be put aside by Pope John Paul II.

WRITE TO CARDINAL [the late Agostino Casaroli; (1914-1998) former Vatican Secretary of State]

"And now, My child, I must ask that you write, that you all write to Cardinal Casaroli, who is influencing the Holy Father to not listen to this message. His influence shall bring great penance to his soul if he does not come from his course of appeasement, which shall lead to enslavement for many.

"My child and My children, I do not have to go into a long discourse to tell you of the evils of Communism. The world and it's condition speaks for itself.

INVASION FROM NICARAGUA THROUGH MEXICO

"My child, let the world know that Nicaragua is a center point for the capitulation of the United States of America and Canada. Already there are plans afoot, and in the making, with missiles and all dire instruments of destruction. These plans are being formulated from Nicaragua, to go into Mexico, and thereupon into the United States.

"You see, My child and My children, I am sure that with My attempts to approach your president of the United States Yes, My child, though he is not of the Faith, I have approached him. He heard My voice. He heard My voice but cannot speak of it. He does not understand the fully supernatural.

SUPPLIES NOT TO BE CUT OFF IN PERSIAN GULF

"I asked him to be sure that he does not let the evil go from the shores of Nicaragua, and also cut off all the supplies in the Persian Gulf.

"You understand, My children, that what you read in your newspapers are not fully the truth. They are, also, guarded well by a group named the Illuminati. They are active, My children, in the United States and all the nations of the world, especially in France.

CHILDREN BRUTALIZED BY SATANIC CULTS

"Now, My child, I have one more thing to tell you. There has been much publicity afoot in your country and the world about the existence of satanic cults. I must tell you they do exist. They worship satan, and they are the opposite of all Christianity. They will do the opposite of what is asked in the Bible. Therefore, they kill with no remorse. They steal your children and brutalize them.

"How can they do this, My child, you ask Me? How can they be so hard, so cruel, so merciless? Well, My child, the enemies of your country and the world have done their work good. They are using an infiltration with drugs. Your children are being educated for the use of these drugs.

"My dear parents, please! Listen to your Mother. Listen to what I have to say to you, for I tell you the truth. The Eternal Father sees all, and makes us knowledgeable as to what is happening upon earth that will bring its eventual destruction. Your children are being educated in the schools to take all Christianity from their lives, and believe not in the supernatural things of God, but the diabolical processes of satan, in cults.

NINE THOUSAND SATANIC CULTS

"My child and My children, at this time in the United States of America and Canada, there can be counted at least nine thousand satanic cults.

"My child, I see you are shivering. You are frightened. Yes, you have reason to be, My child. But do not be affrighted, My child; they will not harm you. They will not harm you, My child. Remember that. You must remain calm in the face of adversity.

"I ask you to be retired from the world, for they will come as angels of light and try to approach you, also. Bar your doors to all but your immediate family and your closest Shrine workers. That you will do. The one whom you have met now, My child, will be sufficient. She will help you where there is need.

WRITE TO POPE: STOP POLICY OF APPEASEMENT

"Now, My child, I ask for the good of all humanity, that they approach Pope Paul by letter, by ear, by mail - any way possible, by human means and supernatural means of prayer, to turn back from the present course of appeasement with Russia. For Russia has one thing in mind: that is to take over the United States, Canada, and all nations of the world.

"My child, you can well understand that they have been doing well lately. That is because, though We cry for prayers, atonement, and sacrifice, and the First Saturdays - which I've asked of you since Fatima - they have not been acceded to.

"O My child, how heavy is My heart! See the heart that is pierced by daggers of hate and remorse. And then I must tell you, My child, I can weep now."

Veronica - Our Lady is crying. Our Lady is crying. And the tears are coming down Her face. And I feel that they are so large, and with so much power, supernatural power, that these are falling upon us now. I can feel them.

Our Lady - "I cry, My child, because upon earth, your people and all the peoples of the world, in their various languages, they cannot talk without abusing My Son's name. They must curse and rebel against My Son. Why must this be so, My child? My Son is all goodness and purity. Why must His name be defiled, just as it is being defiled - His body - in the tabernacles throughout the world.

"I do not, at this time, intend to point out any individual, but My voice goes out to you, as My Mother; you know if you are guilty of any sins against the Sacraments.

"There are seven Sacraments commanded of you by Heaven, My children, and you will keep them. You shall not take them apart by using rationality, and modernism, and humanism. This cannot be.

"My children, I do not come this evening to be a bearer of ill tidings, but I must caution you because each day the carnage grows worse. If it continues, My children, you will see your children disappearing from the streets again.

"There is now a plan in the national and international seat of satan It is a group, My child, that is united with other groups throughout the world. They have one plan in mind: to bring about the fall of all nations and the introduction of Communism to all nations, by destroying the young with drugs and all manners of debasity.

"All the holiness of marriage has been cast aside. We see now children growing up into sin, as they go forth into life unprepared by their parents.

"O My children, how many parents shall be held accountable for the fall of their children's souls!"

Veronica - Our Lady now is wiping the tears from Her eyes. It is so sad that I cannot help but cry for Her.

Our Lady - "My child, I wish as penance for the world now, that you ask them to daily repeat the Acts of Faith, Hope, and Charity. I ask that all pray with you at this time the Acts of Faith, Hope, and Charity."

Veronica - O my God, I firmly believe that Thou art one God in three Divine Persons: the Father, the Son, and the Holy Ghost. I believe that Thy Divine Son became man and died for our sins, and that He shall come to judge the living and the dead. I believe in the Holy Ghost, the Holy Catholic Church, the Communion of Saints, the forgiveness of sins, the resurrection of the life, and--the resurrection of the body, and life everlasting. Amen.

"Thank you, Blessed Mother." [Veronica gratefully acknowledges Our Lady's correcting her in the ending of this prayer.]

The Act of Hope: O my God, relying on Thy infinite goodness and promises, I hope to obtain pardon of my sins, with the help of Thy grace, and life everlasting, through the merits of Jesus Christ, our Lord and our Redeemer.

Charity: O my God, I love Thee above all, with my whole heart and soul, because Thou art all-good and deserving of all my love. I love my neighbor as myself for the love of Thee. I forgive all who have injured me, and ask pardon of all whom I have injured.

Our Lady - "My child, now you will proceed to take three photographs. You will find that two of them are most frightening. And should you choose to make them known, I give you My permission, My child. I realize the ones at your last visit with Me I gave you, made terror strike your heart. But these you must have, My children. But remember: I do not wish that you get embroiled in any satanic case that comes along, even if they contact you by telephone.

"I want you, My child, to read them now very carefully, and I will be speaking with you again. I am not leaving; I shall remain right here. In fact, My child, I shall move over to My right side for the present, for My Son shall be coming very shortly."

[Pause]

Veronica - Now about the trees there is a beautiful pink glow. I'm sure if all of you will look at it carefully, you just cannot miss this. It is such a beautiful shade of pink that I don't believe it has ever been matched on any type of pastel color that we have in our world today. It is just created from Heaven for Jesus, I know, because it is beautiful.

Now the lights, the pink lights, are beginning to go upwards into the sky, high up over Our Lady's statue. And now the sky . . . there is a circle of light, a pinpoint of light that's growing larger and larger. Now it's about the size of a dime. And it's - oh, I can see now, there is a figure in the light. Oh, now I recognize it; it's Jesus. He's coming forward, and the light is now opening very fast. It looks like a circle now, all around us. Now it's opening so fast, the light, that it's going even behind us with its volume. It is beautiful! It's a clear white, translucent light, like - not looking through a painted glass . . . there is no way to explain it, not even a magnifying glass. There's an illusion about it. There is no way to explain in human language. You would have to see this for yourself.

Now Jesus is coming forward slowly. He is now looking over to Our Lady and nodding, and Our Lady nodded back. And Our Lady is coming closer to the - our left side of the statue; that would be our left side, and Her right side. Now Our Lady is going to stand with Her - She's standing now with Her left side to the statue. And Jesus is coming over now, and He's taking His place right at the other side of the statue.

Now He's standing about - Our Lady is rising a little higher - He's standing, I would say, about six and a half to seven feet over the statue. And now Jesus is looking about, and He's whispering something to Our Lady. I don't believe I'm supposed to hear it, because it's like the rustling of the leaves in the trees. I can't understand what He's saying. But Our Lady is nodding, and They're both turning now to Their right, our left side. And now They're going over to the center, between the statue and the trees.

Now Jesus is extending His hand out, like this, with three fingers like this - I'm trying to do it exactly as He has it, because it's something I never saw so beautifully done. Jesus goes like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady and Jesus are turning toward Their left side, our right side, and They're floating now. Our Lady has to go behind the statue to come up to Jesus, and They're both floating over very slowly to our right side. Now They're stopping now, and looking about Them. They're between the statue and the first long leaf from the tree. And Jesus now is extending His hand out again and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now They're both turning to the right, and They're moving slowly over towards the statue. Now Our Lady is moving faster. They float; They don't just walk. It's really something so fantastic, to see the way They move about there, as though They are weightless. Yet They look as solid as you and I.

So They're going across now . . . and Jesus is now standing alone, by Himself. Our Lady has gone between the statue and the trees over there, on the left side. And She is just - now She has turned to Her left side so She can watch Jesus. Now He's looking about Him. And it's a little windy up there this evening, because I can see Jesus' feet now. He does have on sandals. They're made of a brown leather-like quality. I can't explain it. It looks almost like a thong, just one piece of strapping down through His toes, and one across His instep. And His feet are bare. He has no socks on, or anything. His feet are really bare. But . . . He is smiling; He thinks this is funny.

But Jesus is smiling now, and He's getting my attention because He is putting His first finger to His lips. That means to listen and repeat.

Jesus - "My child and My children, I greet you all tonight in the name of My Mother, and the Eternal Father, and the Holy Ghost.

"I ask all to listen to My Mother. She has gone throughout the world through countless earthly - countless years of earth suffering. Why? Because of Her children who do not listen to Her counsel.

FALSE SEERS CONFUSING THE DEVOUT

"There are a few seers upon earth, My child and My children. I am saying this at this time, because We are much disturbed at what is taking place. There is confusion among the realms of the devout, because there are false seers among you. I shall not go into detail at this time, because by their fruits will they be known.

"You understand, My child, that in countless earth-years My Mother has wandered; and never has She come upon the evil that is taking place now throughout the world. It has accelerated since She first came to you, My child, in 1970. That is why it was most urgent that you be here this evening, even with your illness.

"Now, My children, My Mother has given you the way to peace. It is a way of prayer, atonement, and sacrifice. You must love your brothers. It is a faction to say that you must hate the sin, but love the sinner. I have heard that, My children from many lips upon earth, but they really don't understand the meaning of love. We hear the word 'love,' 'love' being expounded throughout the world, and as they cry for love and peace and happiness, it evades them. And why? Because they have taken a wide road and made it wider, as they ran from the truth, as expressed by My Mother to them.

"It is not only here in New York, My child, that My Mother has appeared. She has tried to make Her presence known in other places, but has been rejected. I cannot say how this hurts My heart; for I love My Mother as the Queen of Heaven - that

She is, and also the Queen of all hearts. And most of all, She wishes to have the hearts of Her children upon earth, each and every one of them. For all that is lost, She cries constantly. Were it not for My Mother and your Mother, you would have received the Ball of Redemption much sooner than you expected. But My Mother held My heavy hand back, as the Eternal Father listened to the saints crying out from Heaven: 'When, O when, my Lord, shall a just punishment come upon the evil ones upon earth, who are sacrificing the saints?'

"My children, this may be a riddle to you, but I warn you all: I have asked you all to retire from a world that has been given over to satan for a short time. You must bar your doors to all but your immediate family and closest associates, for the souls of whom come to knock upon your doors are most likely evil. And you cannot say, in pride, that you have the grace to immediately convert them. Many times, My child and My children, We have seen others who only had a weak grace to sustain them, fall into the clutches of the unknown monster roaming about the earth, taking away My Catholic children.

THE EVIL SECT OF JEHOVAH'S WITNESSES

"I say the true Church upon earth - My Church, My children - which has been defamed, even by some of My clergy. They have been taken away by crude - and zealots - people who go about posing as witnesses to God. You understand, My children, I am talking to you now about the Jehovah Witnesses. They must be cast aside, for they are false prophets in these end days. But many - how many tears My Mother has shed upon the earth, as She sees how many have been . . . capitulated to this evil sect.

"My child and My children, My Mother many years ago came to Fatima. Her story has not changed much through the years. She repeats the same message to all, for it has not been fulfilled.

"I will repeat again for My Mother, that We wish that you all write to Cardinal Casaroli* in Rome and beg him, if necessary, to put aside his false pride and not mislead Pope John Paul II any longer. If necessary, if he does not listen to this counsel, We will be forced to remove him.

"My child and My children, We ask of all of you prayer, atonement, and sacrifice. Is this too much to ask for the salvation of your soul and of all the souls in your family?

"I say families must be strong in this age of sorrow, this age of darkness. It is the family, within the family, that the children must be taught. Do not depend upon your schools, for they have been infiltrated with evil. Do not depend upon your neighbors, for they are often caught up in the world of satan.

"You will all keep a constant vigilance of prayer going throughout your nation and the world. Pray that the world does not descend upon you in the form of the Bear. For he is roaming throughout the world, and gradually the nations are falling. He has a plan for the capitulation of the United States and Canada. A bit of this, My child and My children, was given to you by My Mother. The rest shall be told to you in due time.

*[the late Agostino Casaroli; (1914-1998) former Vatican Secretary of State]

ILLUMINATI CONTROL MUCH OF MEDIA

"I ask that you keep abreast of your times by your radios, and also your newspapers. But remember, My children: keep abreast of your times with an open heart and eyes, because much is kept from you. It is the way of the medias today. They are controlled, My children. Yes, they are. There is in your country an institution rising, called the Illuminati. They will control much of the media. So, My children, you will have to depend on the graces received from Heaven.

"I ask that you all read and reread the messages given from Heaven from 1970 up. It is important, My children, because I do not wish to put stress on My Mother to constantly repeat to you the same message over and over, while you, like indulgent children, go about with your own cares and life upon earth, neither caring nor wishing to hear the Message from Heaven.

"Many of you will wait until it is too late, and then what will you say, as in Noe's time, the Ark was closed and the waters descended upon the earth? So it will be in the end days, My children: the Ark of graces, the Ark of knowledge, the Ark of your God, will close upon those who will be saved, but others will be destroyed by the Ball of Redemption.

WEAR YOUR SACRAMENTALS

"Keep a constant vigilance of prayer, I beg of you, My children; for you have now an escalating evil upon earth, and without it, without the grace that My Mother gives to you, through Her appearances here upon your earth, you will not be able to keep from the clutches of satan, I assure you. Wear your sacramentals. Do not go out without them, or you will fall.

"I know, My child, this disturbs you greatly, because you have only so many sacramentals to give to the multitudes. But the words must be heard throughout the world. And the other people, My children and My child, must make haste to obtain their sacramentals. They will find them. There is enough upon earth for all who want them, My children.

"Remember, keep your sacramentals constantly upon you: your brown Scapular, your St. Benedict medal, the Miraculous Medal, and also the medal of Our Lady of the Roses. You must keep them upon you, with a crucifix. We demand a crucifix, because demons - many of the highest ones in the realms of hell cannot stand the sight of a crucifix. They will not approach your door. I give you this knowledge, My children, though it is not common knowledge upon earth, that the crucifix has great power against satan.

"Now, My children, I want you all to make a firm Act of Contrition for those who die now in the outer world about you. An Act of Contrition for all those who are unable to say it for themselves."

Veronica - O my God, I am heartily sorry for having offended Thee, and I confess to all my sins, because I dread the loss of Heaven and the pains of hell; but most of all because I love Thee, my God, who art all good and deserving of all my love. I firmly resolve, with the help of Thy grace, to confess my sins, to do penance, and to amend my life. Amen.

Jesus - "Now, My child, you will take more photographs. These I would be most careful about deciphering to others. I leave that at your discretion when you view them. You will sit back now, My child.

"And I caution you again: Do not be affrighted by what My Mother told you this evening about the Illuminati and its rise of satanism. You will not be accosted by the ungraced again, My child, to go through what you did several years ago.

"Now you will sit back, My children, and you will take the time to read very carefully, the photographs."

October 2, 1987

Vigil of St. Theresa & Feast of the Guardian Angels

Veronica - There are blue lights cascading from the trees, all about the trees, high up into the sky until they become like slivers of light. There is no human way I can express the way these lights are cascading through the trees and up into the sky, high - high up into the sky. Now over the first tree that's behind Our Lady's statue, if you'll look closely, it's so brilliant you can see the blue light that is shining up to the center of the sky directly over Our Lady's statue.

Now the sky is becoming a very pale blue. The night was dark, but yet the sky is a beautiful pale blue, and it's opening up in a circular motion. And now in the center of the blue sky, the beautiful pale blue sky, I see a pinpoint of light. It's circling and it's even twirling now. I can't understand why the light is twirling. But now it's stopped the turning, and it's getting larger as it comes towards us. And oh! I see now coming out of the sky, Our Lady is directly descending on top of what appears to be a very large white ball. Now Our Lady is standing on the ball, and it's coming down very slowly over Her statue. The ball is very large. I know it stands for the outline of the world, because I have seen that ball before with Our Lady standing on it, back in 1970.

Now Our Lady is dressed all in white. She looks so beautiful. And all about Her cape is the most beautiful golden type of lace work. Our Lady has no - nothing on Her feet tonight as She's standing on the ball; but then again, though I can't see sandals and Her gown is quite long, I can see between Her two toes, on both feet, little rosettes, golden rosettes. Our Lady has on Her white cape, the one She usually does appear in here; however, at this time Our Lady has on that beautiful crown that I've always known to be the Fatima crown. Our Lady is smiling now. She has been coming down with hands drawn together, like this in prayer, with Her beads folded over Her fingers.

And now Our Lady is standing . . . The ball has stopped turning now. It was turning slightly from the right to the left on Her feet, and I was so afraid perhaps Our Lady would fall off the ball; however She's suspended there now. The ball is being - wafted is the only way I can explain it to you, turned over towards the left and it's going beyond the trees. It looks like the type of globe we would find in the homes where they have the countries on - a globe, like of the world. Now Our Lady is coming down closer to Her statue, and She's just about, I would say, about sixteen feet above Her statue. Our Lady has on the Fatima crown. And She looks very upset about something this evening. That is why I was brought here, I know; because at home Our Lady did say that I must appear because it is very urgent, that I will be taken care of, with the inflammation in my chest.

Now Our Lady is taking out Her Rosary, Her beautiful Rosary with the golden Our Fathers and the white Hail Marys, and She's making the sign of the cross blessing everyone: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is turning towards Her right and making the blessing to the people: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is looking over to Her left, that would be our right, and She's extending Her crucifix again: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is placing Her hands together, but She's doing pitifully like this, as though She has a grave concern over something; She's holding Her hands like this, with the Rosary enclosed in them. Now Our Lady has taken the time to place Her finger over Her lips, which means that I must listen and repeat.

Our Lady - "My child and My children, I welcome you all on this great feast day for one little soul who has become a huge soul throughout the world, My children. I say this as a Mother, because she was once upon earth with you and her example should be followed by all. Though she had a hidden life, she has been known to the world."

Veronica - Our Lady is pointing up now to Her right side, high in the sky, and directly at Her right side I see coming through the sky - I know who it is from her habit. It's Saint Theresa, the Little Flower. Now she's carrying . . . this is wonderful - oh, she's carrying in her arms all roses: different colored roses, pink and red and yellow and white. And now she's taking her hands like this, and she's throwing the roses out, like we do here. She is throwing the roses out to the people. Our Lady is smiling; She's very pleased at this, and She's motioning for Theresa to come closer to Her at the right side, Her right side.

Now Theresa looks different than Our Lady. Our Lady looks very solid, just as solid as you and I; but Theresa has a misty look about her. The light is tremendous around what would be her face. I can't see her face too clearly because the light is so great, but I know she is smiling. I sense the smile on her face. And also it must be quite windy there too, because she does have on a cape, a cream-colored cape, and a brown gown underneath it.

Now Theresa is pointing up to the sky, high up to the sky, and I see the sky is opening up again. And oh, coming forward this evening, oh so soon! I see now the rays coming from His hands. Jesus is coming forward to be with Our Lady and Theresa. Jesus is coming forward now, and He's coming down very slowly . . . but He's standing now at Our Lady's left side. And Our Lady is whispering to Him. I can't hear what They're saying; it's almost like the rustling of the leaves. I can't make out what They're saying. But Our Lady now nods Her head, yes, to Jesus, and He stands there. Now Theresa is going back into what appears to be a cloud-like formation in the sky on the left hand side. These clouds are very heavy, and they seem to be carrying her back into the sky. And Our Lady now is touching Her fingers to Her lips, like this; that means that you must listen and repeat what She has to say.

Our Lady - "My child and My children, and especially you, My child Veronica, I brought you here this evening because your country is in great strain; it is as though there was just a single vote that is keeping your country from plunging into a war with Iran.

"Now, My child, I want you carefully to listen to what I am about to tell you. It is urgent and the reason I took you from your sickbed to be here this evening. Many years ago in Fatima, My child and My children, I gave a message to the children. Lucy still remains upon earth. She will be here but for a short while longer. Therefore, it is urgent that you help her now, for she also is as greatly concerned about what has been omitted as We are in Heaven about it.

CONSECRATE RUSSIA, NOT WORLD

"When I came to Fatima many years ago, I knew that communism would go throughout the world destroying many nations and attacking My Son's Church. Therefore, I made a promise that if the Pope, the Pope of those days and the Pope today, would unite with all the bishops of the world, all together on one day - not the world - but the bishops and the Pope will unite and pray for the consecration of Russia. I do not mean the world, My children; I mean Russia - Russia, the scourge of mankind. You will pray for Russia. One day must be allotted in which Pope John Paul II and also, all the bishops of the world must unite on one day, I repeat, and pray for Russia; or Russia will continue to be the scourge from God. Russia will continue to go throughout the world annihilating people and places and countries.

"My child and My children, do you not know that death is very close upon many. You are all afraid of going across the veil if you do not have the Faith. However, I am telling you this now as your Mother: you must listen to Me. There is another force rampant in your country, the United States of America: it is a satanic cult that has taken precedence over all cults in the world. The major institution for satan is right here in the United States, with its subsidiary in Canada.

GUARD YOUR CHILDREN

"My child and My children, can you not understand what I am trying to tell you as your Mother: you must guard your children. Warn them against strangers. Don't be taken up with things of the world, so that your children must go and find their pleasures elsewhere; for they will fall into the hands of the walking demons. They prowl the highways. They go through the streets of the cities, looking for the young and the gullible, and those who have no homes. Your country, the United States, has been graced with much prosperity, My children. Therefore, you must take it upon yourselves to guard your children by having proper education for them, and also homes for those without a proper home. There is much money in your country and Canada that can be usefully used for the salvation of these children.

"O My children, how I wanted to caress you and tell you good news, for I am not the bearer of bad news always. I am your Mother and must tell you the truth. I repeat again. My child Veronica, you repeat now in your weakened state, again: the Pope, John Paul II, and all the bishops of the world must allot one day on which they will pray for the conversion of Russia. Not one day for the world, but one day for Russia; or else, I tell you now, Russia will go about and annihilate, destroy many countries. Nations shall disappear from the face of the earth in the twinkling of an eye. That is how desperate the situation is now throughout your world, My children.

COMMUNISM FROM BOWELS OF HELL

"The word of Russia is not good, for what communism means is liars, and murderers, deceivers straight from the bowels of hell.

"My child and My children, listen to Me carefully. Guard your children and those in your family with your sacramentals: the Rosary, if you have no other sacramental; until you receive a brown scapular and a crucifix, place a Rosary about your children's necks. They must be guarded in these dire times. How urgent is it? All you have to do, My children, is hear the daily news and you know of the murders of the young and innocent that are being perpetrated by the agents of satan.

"My child and My children, prayer has not become a way of life for many. That is why communism has got such a foothold in your country and in other countries of the world. The prayers given to you in your childhood will be remembered always, I know, My children; but there are those who have not received these prayers in their schools, for prayer has been outlawed in many areas of your country and the world. It took but a few without faith to bring down the flag, for even your country's flag is being defiled, My children. I speak both of the United States and Canada, for when the great tribulation falls upon them, they will have to hold each other up; for they cannot escape through the waters to get help. They will not escape through the skies, but the number of dead will be counted in the millions.

"Must I go any farther, My child and My children, to bring this urgent message to you? Satan did everything he could to keep you from coming, My child. Everything he could because he knew that this message had to go out.

THE BRUTALITY OF COMMUNISM

"You do not know, My poor children, what Our eyes have seen as We looked into the dungeons of the communist organizations: the beatings, the scaldings, the torturings. It is beyond all human reasoning that a human being could try to destroy the whole faith of an individual by beatings, by torturings, even by cutting out the tongues of those who had dared to speak against them. And who are these people, My children, who are doing these vile things? In those days when communism enters your country, it will be your own family and your neighbors.

"Yes, My child, I know you are shocked at this, but this is what is going to happen unless the bishops and Pope John Paul II listen to My plea. We have approached them many times; however, I do not understand their fear of Russia. There is nothing to fear but fear itself, for fear is a tool of the devil.

"We know what is right under your God. The Eternal Father has given you the way to Heaven. It is not an easy road; it is a narrow road, long and narrow for many. Others have reached it early through the grace of their God. I know the removal of children from the earth at early ages brings great sorrow to a parent's heart; however, when they are removed, they go into Heaven.

"And what, My children, are We going to do with all the aborted babies? O My child, I know you feel as I do, for I can see the great distress on your face. What are We going to do, My child? Do you understand when they come to Us, they must go to limbo? They are in Heaven, a happy place, but they cannot see God. I know you cannot understand fully this, My child, and I know it hurts you to the heart; but it is the ways of the Eternal Father to know just how a soul shall ascend or descend.

BUTCHERY OF MILLIONS OF BABIES

"The murders must be stopped in your country. That is another reason why communism is getting a foothold in your government and all the governments of the world: because they have given themselves over to sin. Murders and butchery. Millions of babies have been aborted in the United States of America and Canada, and millions more throughout the world. This is murder, and no different than what the communists do to those who dissent from them.

RUSSIA SIX TIMES THE ARMAMENTS

"My child and My children, keep a constant vigilance of prayer going throughout your nation and the nations of the world. You do not know how close you are to being one of the nations to be annihilated. I speak this of the United States of America, because they are being deluded by Russia. Russia has in armaments six times the number of missiles that we store. While they say they deploy them, and take them out of existence that is not true. They are increasing and increasing; for they have only one thought in mind - that is to take over the whole world.

GET IN TOUCH WITH HOLY FATHER

"My child and My children, do not be affrighted by this, for there is still time to stop them. But you must do that now! You must get first in touch with the Holy Father, Pope John Paul II. Now this will be most difficult, because he has many agents who work with him that are not in the light. They are in his Secretarial Department - the Secretariat. They do not tell him of his messages. It is difficult - unless you can place it straight into the hands of the Holy Father - it is difficult for him to receive a message. But he must, I repeat again, receive this message.

"He must take one day of this year - this year, not next year, this year - one day, and with all the bishops of the world, he must consecrate Russia to My Immaculate Heart.

"It can be done, My children, with your prayers and your efforts. Your Pope, he is a good man, but he is weak also, having human frailties; and he has great undue pressures upon him. Help him, My children, by writing, by trying to send through the blockade that they have set up in front of him in Rome: send a message of grace from Heaven to Holy Father Pope John Paul II. He must consecrate Russia to My Immaculate Heart or else Russia shall go throughout the whole world, destroying nation upon nation, even the United States and Canada.

"I leave you now, My children, to pray. And Veronica, you will take three photographs, but you must not allow any reading of them publicly for the time being. It is most urgent. Take three photographs, but be very quiet, My child."

Veronica - Now Our Lady is making the sign of the cross again, with Her crucifix: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Lady - "Three photographs, My child, and Jesus will speak with you shortly."

Veronica - All about the trees there are cascading pink lights, and there - oh, is Jesus. He must have gone beyond the trees, looking down at the crowds of people gathered this evening, because He is coming slowly over from our right side, above the trees. He was over in the infirm area, I believe that is over that way. And now He is coming across the sky, and Our Lady now is standing up . . . She's still there; She's never left. Our Lady has been standing at the left side of the statue, up about sixteen feet. And it's a little windy up there too, because Her gown is blowing. Our Lady has on a beautiful white gown, and Her mantle is covered with the - as I told you before, with the beautiful golden trim. And Our Lady looks so delicate, but very sorrowful. She's terribly upset.

Now Our Lady is pointing over, like this, with Her hand to Jesus, and now He is touching with His first finger to His lips.

Jesus - "My child, I shall not repeat the urgent message of My Mother again. You will hear, and read over and over, until you receive the full import of this message from Heaven. And you must act upon it. Each and every individual who knows of this message must act upon it for all Heaven, for there will be a great measure of responsibility given to those who do not make any action to help My Mother.

"My Mother has gone throughout the world to try to stop the carnage that man is making upon other nations. Brother against brother, sister against sister. For what? What is there to gain if you lose your soul? Murder is a sin that is not condoned in Heaven nor upon earth; therefore, why must you murder and kill your brothers? For what? For money? For social standing? For gain? And what is that but a passing fancy. For this is a world where man passes through but for a short duration. Your real life is over the veil. That is when your life begins. You are all pilgrims upon earth, going forward to honor your God and I should say that many dishonor Him now, even in His own Church upon earth.

NO WOMEN ON ALTAR

"I ask this of you as your God: in the Holy Sacrifice that I left with you, I did not ask for women to be upon the altar, nor try to be a high priestess. They carry this on in the churches of satan; therefore, it shall not be carried on in My Church.

"When I had the Last Supper with the Apostles, My Mother was not present. If I had it in My power from the Eternal Father to make a priestess, I would surely have chosen My Mother; but, no, there were no women present at the first Dedication.

"My child and My children, I do not have to go through the long list of carnage that is taking place in My Church upon earth. It will suffer a great chastisement soon - very soon, for the communism that is spreading throughout your country, the United States, is entering upon the churches. You can see what they have already did, My child, to your church, and understand why We are so desperately in need of those who are willing to sacrifice their lives for the hereafter. I say the hereafter, for the reward in Heaven shall be great for those who will be willing to stand up and fight for the truth, for their God, to keep the Church as I asked it to be: One, Holy and Apostolic.

"I cannot say that in My visits upon earth, I cannot say that I find much holiness left within the portals of My churches, My children. This has to be regained. There is a force restraining you in these efforts. That is satan. He does not wish to see My Church come back to its true standards. He wishes to demolish it, and to stand and stomp on it with his feet.

"Yes, My child and My children, there is an evil force loosed in the world today. Satan knows that his time is growing short; therefore, he will do all he can to capture each and every soul. His bait is very appetizing to some, but they find later on that they throw up at the results. This may be a puzzle to you, My children, but think it over, and you'll understand what I mean.

JESUS ONLY CHILD OF MARY

"I come to you as your God, and I also want to make this clear: I did not have any brothers or sisters in My family. My Mother was Mary Ever Virgin. This was a supernatural manifestation from Heaven; and only those who are in the light, they fully understand the existence of My Mother and the role She played in establishing the one, true Church upon earth.

"My child and My children, and My child Veronica, I do not wish to strain your overly burdened heart now, but in that picture one of which I gave was for you; I want you to know the second picture is for you, My child, and you will be guided by it.

"Now I bless you all, My children, with a special grace from Heaven."

Veronica - Now Jesus is taking His hands - and He wants me to take my crucifix and hold it just the way He is, with His fingers - Jesus is blessing with His fingers, but I must do it with my crucifix.

Jesus - "I bless you in the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - Now Jesus is going over to His right side, our left side, and He is making now the sign of the cross, like this; He said to emulate Him: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is looking over towards His left side, and He is coming across the clouds. It is beginning to cloud again, and the clouds are covering Our Lady; and I can see the hem of Saint Theresa's gown still up there. But now Jesus is coming over to

the right side, and He is standing just by the top of the limb, the highest limb on the tree over on our right side. Now He is looking down at the people, and He is making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He is coming over. It's very windy. Jesus has on His beautiful burgundy colored cape, and it does have like - I think He called it once a cowl; C-O-W-L, I believe it's spelled. It's like a hat, a headpiece that comes with His cloak. And He has on a gown, and nothing on His feet. Jesus has nothing on His feet, like Our Lady but the rosettes, Our Lady has. But Jesus has nothing on His feet. And He is going across the sky now, and He's motioning towards Our Lady. Our Lady is going up into the clouds. Now Jesus is turning back and He's touching His lips.

SEX EDUCATION-OBLIGATION OF PARENTS

Jesus - "My child, I do not wish to burden you any longer with the miseries upon earth. I wish to talk only a while, a little bit, about the children of earth, the young children. The parents must be very careful, My children, who you send your children to be taught from. Much evil is being developed in the schools in the name of sexuality. Why cannot we have our children pure of thought and mind? How can we, My children, when the teachers there are being taught to bring in sex education to your children? This belongs not in the schools, but in the homes. This is an obligation of the parents. It will only lead to much greater disaster by having this sex education in the school system.

"I know, My children, you are all heartbroken, but there are - many families are heartbroken because of the entrance of AIDS upon the world. Can I not say that you were not warned of this, My children?"

"I tell you this now, there will come within a short time a greater plague. Yes, My child, I know that you have feelings of shivering, but it must be.

EARTHQUAKE ONLY THE BEGINNING

"And also, I wish to tell you, as your God, that that was only the beginning - the earthquake in California, only the beginning.

"Do not try, My child, to understand all that is given to you this evening. You cannot fully understand the ways of the Eternal Father. He is most merciful, but there are times when errant children must be shook up to take them back to the fold."

Veronica - Now Jesus is making the sign of the cross again: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "I bless you all, My children. Now continue with your prayers of atonement. They are sorely needed.

"I will not be dismissed from the grounds. I will not be by individuals who have come to mock Me, as I see two standing over to the right. No, My child, it's no use trying to throw them off the grounds. They will come back. They bounce like a bad ball. Yes, My children, they have caused much discord within your circle, also; but they will not be back. I think, My child, you are beginning to understand whom one is.

"Now, My children, continue with your prayers. All the others cannot count but your prayers this evening. And remember the Pope - as My Mother sought to put in your mind, as though She was branding it in your conscience, to get in touch with Pope John Paul II and ask him - plead with him! - to please do what My Mother asked back at Fatima. Do what She asked; otherwise, the world will find itself ablaze."

Veronica - Now Jesus is rising up high in the sky. He is pulling His cape about Him, and He is standing there. He's nodding; He means that He's not leaving. He stays every evening until the last soul has left the grounds, and so does Our Lady and Theresa.

And this evening there will be those who have taken photographs, and they have been able to capture on photograph Jesus and Our Lady, and possibly the hemline of Saint Theresa. That is what Jesus said. The pictures were taken this evening.

1988

June 18, 1988

18th Anniversary of Our Lady's Apparitions at Bayside

"Two massive cures this evening"

INVALID WALKS OUT OF WHEELCHAIR

Veronica - All about the trees the lights are flickering off and on. That's the most urgent indication that Our Lady is hurrying here. I remember Our Lady said that She would be here for two specific reasons this evening, and I had to be here no matter how ill I am. I feel very weak, but I'm certain with Heaven's grace, and Our Lady helping me, I will be able to bring Her message to the world.

Over on the left side now, Our Lady is appearing. There are blue lights all cascading around Her. She is so beautiful! Oh, Our Blessed Mother is dressed in the most beautiful white robe, with gold trim on Her mantle. And now She is turning to the right and to the left, looking at people. And Our Lady is taking the Rosary from about Her waist, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is pointing upwards to the sky, and directly above our heads there is a large circle of light over the whole circle here that we are in. And there are cascading lights coming from beyond the trees straight ahead, down upon us. I can almost feel the electrical impulse, it feels like; it's the only way I can explain it, of Jesus and Our Lady now, with the light pouring down. I feel much stronger, though when I came I felt that I couldn't make it to the chair. But I feel much stronger.

And Our Lady now is smiling. I noticed as She's floating gently across the sky - I say gently, because They don't walk as we do; They seem to glide, just glide along on the air. It must be just wonderful to be in Heaven, or come from Heaven. Our Lady is shaking Her head, yes. Now Our Lady is taking Her crucifix and She's kissing it, like this, on Her Rosary; and She's extending it out now to make the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus had wandered over by the tree on our right side. I saw His lights as He went over, cascading from the sky - beams of long, very pale pink lights. Beautiful! I don't think I have seen upon earth any color like this color that Jesus has coming from His hands now.

Jesus is extending His hands out, like this, in front of Him; and He's moving over towards Our Lady Who has been standing and holding Her Rosary at the left side of the statue, at about, I would say, at about sixteen to eighteen feet up in the sky.

Now Jesus and Our Lady are coming together, and Our Lady is still holding Her Rosary, the beautiful Rosary with the golden Our Fathers and the white Hail Marys. And Our Lady now is specially coming over to the center of Her statue. Now She is coming down much closer, and Jesus, Who has been standing over by the trees, is coming over to Her. Very slowly He is looking about at the crowds.

Now Our Lady is taking Her finger and going like this:

Our Lady - "Look up, My child, straight up to the sky!"

Veronica - Oh, up in the sky over us there are roses, beautiful roses are held by the angels. I notice they're the three major angels in Heaven: Michael, Raphael, and the third angel. But Michael - oh, Michael is coming through the trees on the left side. Oh, he's massive! His head looks quite big, too; he covers the whole sky. He's truly a warrior of Heaven.

And Our Lady now is coming over. Now She is going towards the trees, and She is now touching Her finger to Her lips again:

Our Lady - "My child, listen to what I have to say, and carefully give it to Our wandering sheep.

"I, as your Mother, I am terribly depressed in knowing what is fast coming upon mankind. I see beyond Me a ball, a large ball. Were it placed next to the sun, this ball would be like two suns in the sky. But it is a ball of destruction, and I tell you, My children, We have been attempting to hold this back with all manner of graces and fasting and suffering. But the Eternal Father says, 'Look up, My child'; He said to look far up into the sky. Your human eyes cannot perceive yet what is up there, but there is a ball to mankind known as 'unknown origin.' But it is not unknown: it is the Ball of Redemption.

COMET WITHIN THIS CENTURY

"Do not be affrighted, My child; you must see this, for it is important. Within this century this Ball will be sent upon mankind.

"My child, I took you from your bed of pain and illness to bring you here to tell the world to prepare now. It is almost too late. We have asked also, urgently, and have had great cooperation from the earth's masses of people - to Rome to tell them, 'Look up, and see what lies beyond your windows: a Ball that is fast hurtling towards earth! It will be here within this century, if not sooner.' For even the scientists have failed to recognize the speed of this Ball."

Veronica - I see a terrible globe; it looks like a globe of fire. It's frightening! It's now bouncing around, like it has no control, as though it's not in a general place to be. It has bounced off another, what looks like a comet, and has actually destroyed the comet to the left.

Our Lady - "This one will not be destroyed; for mankind has listened but has not followed a schedule, as We would say, placed upon mankind by Heaven, a schedule for prayers and repentance. This has not been done to the satisfaction of the Eternal Father. All must get down on their knees, and beg for repentance of mankind. It is mankind's balance.

Veronica - And I see now, over on the right side, there's Michael; and he is holding a balance in his hands. He has on one of the balances, there seems to be gold and silver; but on the other, it seems to be heaped with rocks!

And Our Lady is now touching Her lips again, like this, with Her crucifix and then Her finger, like this:

Our Lady - "My child, I also have to tell you: look up and see, and repeat what you see."

Veronica - I see a large crowd of people in Rome. No, it's not Rome, because I can't see the . . . I know the city. Looks like it may be in Russia.

"I'm not familiar, Blessed Mother, with Russia or the buildings."

DISSIDENT PLANS TO KILL POPE

Our Lady - "You will understand, My child, because at this very moment there is a dissident under the number five of communism that is planning to kill the Pope. His words We hear are, 'This time we will not fail to destroy him!'

"Please, My children, pray for your Holy Father, the Pope. You must not lose him, for the one who comes after him will destroy if he can - he will attempt to destroy, I should say, My child and My children; he will attempt to destroy Pope John Paul II.

"I know, My child, how this has both affrightened you, and also made you feel weak from terror. I did not want to bring you here at first, My child, as I know how weak and ill you have become, but you see, you must help Our children upon earth.

"Also, they are so lacking in interest in many places. Children are disappearing by the thousands, and where do they go? They go straight to the pits of hell, as they become pawns in the hands of the satanists.

"Yes, My child and My children - and My child, Veronica - you must be very careful. I have warned you not to go out alone, not even to your roadway; for you heard the music, My child. They were gathered beneath your window sill.

"I know, My child, I kept this from you at our last meeting, but it is urgent that you must know this. They are also going to try to murder you on your stoop. Do not be afraid, My child; your destiny is with Jesus and the Father.

"Now, My child, I want you to look up, and look far into the sky. What do you see?"

Veronica - I see a group of people, talking outside a building. The building looks like it may be in Russia. That's the only place I saw spires like they have there. Now coming out of this building are two sinister-looking men. They're looking at shotguns. And they're also whispering. I can't hear what they're saying, but they are mentioning the Pope. They keep repeating, 'the Pope.' Now both of them are laughing, like they had accomplished something bad; but they are laughing because they are demons!

Our Lady - "My child, when We talk of demons, I also mention to you that you must be very careful and warn all, that satan was trying, and accomplished his mission, to go into the workrooms of the White Berets and the Blue Berets.

"What is he going to do? He will bring discord and dissatisfaction. And what are you going to do, My child? You are going to pray more, and make a decision; for We are not allowing you to be alone. But you must gain wisdom by making a decision.

"I leave that up to you, My child, as you will follow the rules of charity, holiness, and, also, faith. The greatest is faith. Faith in your fellow man, not only accepting the sorrows of earth . . .

MARKET CRASH WITHIN TWO YEARS

"But do not search, My children, for wealth. Within two years or less, there will be a great crash of the market. The whole world's monetary systems will be paralyzed. That, My child, is why you had to come this evening to the grounds. I know

you find it difficult to sit up, or stand up; but I will be right next to you, My child, while you do what I asked you to do two days ago."

Veronica - "You mean, Blessed Mother, to give out the roses to the infirm?"

Our Lady - "Yes, My child."

Veronica - "And the Rosaries?"

Our Lady - "Yes, My child."

TWO MASSIVE CURES

"You are going to witness two massive cures this evening, after you have given the roses and the Rosaries to the infirm, the suffering.

"My child, since you came late in earth's time, We must now try to put into the time left, the path for all mankind to follow in these dangerous days ahead. Many will die in the great flame of the Ball of Redemption! I have told you that for years, My children, but so many of you will not be ready!

"Keep your waters clean in your bottles.

"Do not accept strangers into your homes at this time, for the souls who knock upon your doors will be found to be evil; and they can also destroy the souls of the young.

"There are many groups formed upon earth now that do not bring the words of My Son, but have built among themselves what they call a `church.' We have many churches, My children and My child. Look up and tell me what you see."

Veronica - I see a church. It's white clapboard. It looks like a church. Yes, it is, and it has a bell. It looks quite old-fashioned, like it's been there for years. But I see coming from the back . . . oh, my goodness! There are people; they look terrible. They're in hoods and cloaks, red on the inside, black on the white. And there's a man behind them.

Our Lady - "This is the leader of the satanic cult which is on Long Island!"

Veronica - Oh, my goodness! This satanic master, or what he calls himself, has two horns! They look like they're coming out of his head - not a costume, but actually out of his head! And he's laughing!

"Blessed Mother, he's so evil! Must I look at him?"

MISSING CHILDREN-PAWNS OF SATANIC CULTS

Our Lady - "Do not be affrighted, My child; I placed a veil between him and you at the time. But they are conducting their services this evening, so the prayers that you will say, My child, when you return home tomorrow, you will say it for this group. There are children among them that have been missing now for months, for years. They are all pawns of the satanic cults!

"You ask, My child, what can be done about them. First, you must go to the supernatural. You must also read your Bible and place before these obnoxious, self-satisfied demons from hell, that have entered into the bodies of these individuals . . . They have been under full control; therefore, they have no conscience. They have no holiness. They are everything the opposite to Christianity, and their goal is to take the Catholic children of the world, through nationwide cults. Already, there are five thousand or more now in the United States and Canada, and people ask: `Where have my children disappeared to?'"

Veronica - Jesus is nodding His head. He's next to Our Lady. He's nodding His head, and He's touching His lips:

Jesus - "My child, Veronica, listen well to Me. I know there is discord, great discord among the workers. I say this to you now: no decision shall be given at this time."

Our Lady - "Veronica, My child, you will pray, and pray more often to the Infant Jesus."

Veronica - "Yes, I do love the Infant Jesus. That I have a big Infant Jesus, Blessed Mother, right in my home."

Our Lady - "I know that, My child. I know because I have been in your home many times. No, you do not always see Me, but you do hear Me."

Veronica - "Oh, Blessed Mother, I'm so thankful. Now I do not have to be afraid to go to sleep at night, and hear the terrible goings on at my windows, going below the windows They're most frightening. I have to spend half of the night praying, and I get very little sleep. They think they are going to destroy me with the chanting and the terrible noises coming up. And yet the neighbors are so far apart that no one seems to note these goings on. I don't know, Blessed Mother . . ."

Our Lady - "You will pray, My child. It will be the most difficult task that you have ever had, for they will not be victorious. You will destroy that coven in the end, My child."

Veronica - Now Jesus is coming down closer. He's coming down, down to the top of the statue; and He's taking His hands out, like this, and the rays of light are coming down, right on us! Oh, I feel so much stronger now. There's something in the beautiful lights. Oh!

Our Lady - "You see, My child, graces are given in abundance when asked for. I know, My child, that you do not ask for much, but I did ask you several years ago, with earth's time, if you would be willing to suffer for your Pope, and for the mission, and you did say yes, My child, didn't you?"

Veronica - "Yes, Blessed Mother, I did."

Our Lady - "Well, My child, what We ask of you is not easy, but you will continue; and when there is an urgent message, I will be here. You may call Me at any time, My child, and I will come to you.

"You do not have to weep at night for all the sinners of the world. Many have been saved because of the prayers, My children. There were many in purgatory that had no way to get out of purgatory without your prayers. When you do this, My children, you gain many graces also for yourselves.

"Always remember, call Me, My children. I am your Mother, your Mother of peace, your Mother of grace. I am always your Mother, now and in the hereafter. When you come across the veil, My children, you will fully understand how your works of mercy and caring have brought you across the veil to Heaven."

Jesus - "My child and My children, offer this lesson, My child. You, I repeat from My Mother just told you: you will have to make some decisions yourself, because on that way of testing, My child - We must test you at all times to help you should you fall out of grace in anger. Anything that is being said with anger shall never be accepted in Heaven.

"I know, My child. You take now - you did not bring the canister that I told you to bring along. Now I want you to take a deep breath."

[Veronica inhales deeply]

Veronica - "I can't breathe out!"

Jesus - "Yes, you will, My child. Push."

[Veronica exhales deeply and coughs]

INVALID TO WALK OUT OF WHEELCHAIR

Jesus - "All right, My child, now: you sit back and I will talk to you when you do what you said. You promised Us that you would take the Rosaries and the rose petals to the ill and infirm. They come, My child, with great heart, knowing in their hearts that some will be cured miraculously this evening. And shall We find the individual in the wheelchair, that person is going to walk out of his or her wheelchair. So be sure that someone follows you about. We are going to stand, My child and My children, directly over the statue."

Veronica - They're about fifteen feet, I guess - I'm not good at counting feet, or how high, but I would say about fifteen feet from the statue. And Jesus and Our Lady - it's a little windy; Their capes are blowing, Our Lady's mantle. Our Lady is smiling. She has such a beautiful, soft smile, so compassionate and loving.

Our Lady - "My child now, you will gather the rose petals, and the Rosaries that are at hand, and take them now while they are fresh, to the ill and infirm."

[Pause]

Veronica - Oh, now all about the trees, you can see the pink lights. They're cascading down, not in rivulets like Our Lady's used to come down, but like straight lines, actually very powerful lines. And they look like the lines that Jesus sends out to contact the ill and infirm, because the lights are going directly over to the area of the ill and infirm.

Now Jesus is looking down. He has on His burgundy-colored cape, with the tie, a golden tie, on it. But He has on the slippers. I'm trying to look at them. They're made of an animal-type of skin. Yes, that's what they are. Jesus nodded His head. They're made like a leather, a leather.

Now Jesus is pointing over, that way! And He's going like this now:

Jesus - "My child and My children, I wish to stress this evening . . . Look up, My child, and see what this will be about, as you receive a clearer picture."

Veronica - I see what looks to be a school of some kind; and it's a boy's school, and it has them all sitting at desks. But who is the teacher? Oh! I can see that. Oh, it's Frank! Yes! Now Jesus is touching His lips:

Jesus - "My child, there are lessons to be learned from that picture. I am going to ask you to seek the wisdom that is necessary for the present crisis. Now I want you to know, My child, that this has not been solved yet. We will depend on you to do what is necessary."

Veronica - Yes. Jesus said that He does not want me to repeat what He is telling me at this moment.

[Pause]

"Right. Yes."

Oh, now I may speak. What Jesus is stressing -

"Is that right, Jesus? Yes. Do you want me to speak? All right."

Jesus will say it Himself, He said. I don't have to. Just repeat.

Jesus - "My child and My children, We have a great crisis going on in the world, and even among ourselves. This will be solved with humility, charity, prayer, and graces. That is all that I will say at this time, but think upon that, and pray upon that; and I assure you, My child, things will not be that chaotic.

"Now you will continue, My child; look forward and find the other wheelchair, My child. It seems to be hidden. It is very necessary that you find that invalid, because we must have their name and address."

Veronica - Yes.

Jesus - "Look up!"

Veronica - That individual is in a wheelchair. He has no legs. Oh, no, they're covered by a shawl. I assumed Jesus said that he had no legs; the legs are there, but he is paralyzed.

Jesus - "Now find that individual and place the rose petals about his head and his legs. Can you do that, My child?"

Veronica - Oh, yes, Jesus, I will.

Jesus - "Thank you!"

Veronica - Now Jesus is going back into the sky. He's not very far up. Oh, there's Our Lady on the left hand side. Now Jesus is extending His hand, like this - like He does all the time, like this. It's so wonderful to watch Him. It's just so beautiful! The lights are coming out from His hands, and He's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And now He's over on our left side, that would be His right side, and He's making the sign of the cross again: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is touching His lips:

Yes?

Now, He is going across the sky now. He changed his mind about something; He had stopped short and was looking down this way, and then He just turned over to the left, and said: "Follow Me!"

Now Jesus is over by the tree, over there. And - yes, it's quite windy up there. We're not getting that much air tonight ourselves, but it's quite windy up there, and comfortable-looking for Jesus and Our Lady.

Now Jesus is bending over and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. It's so beautiful!

Now Jesus is placing out both of His hands, like this, and all of these beautiful - oh, Heaven must be so beautiful, beyond anything we could ever conceive of! Those lights, those beautiful, brilliant lights! And they're coming from Jesus' hands. They're just radiating down, over there. Oh, and He is smiling. He says to go over there.

"Yes, Jesus."

We need the roses.

Jesus - "We're standing here, My children, We're not leaving you; but We do want you to find the person for Us this evening. It will make it much easier when they write out their cure."

October 1, 1988

Eve of the Guardian Angels & in Honor of Saint Theresa

Veronica - There are blue lights now coming down from the sky, high overhead. Oh, the lights are so beautiful! Oh, I've seen lights before, but there is something different about these lights. They're magnificent. They're blue. And also, now beyond the blue, on the right side of each rivulet of blue, there are pink cascading lights coming down now. They're actually lights because they flow out from the blue. I never saw anything like it before.

And - oh, there they are: all about the lights now are coming out - I know they're angels. They're all different ages and different sizes, but I do believe it registers their age. These are all, I know, guardian angels. They are dressed in the most beautiful pastel shades of blue and pink and white. And I feel that the blue stands for the masculine angel, if there is such a thing; and the pink also for the feminine angels; and the whites are for babies. They are - there are hundreds of them all about the trees. Oh, I'm sure you must see them. They are so clear, they're almost human-like in appearance, except for the translucency of their faces. They are so beautiful.

Now high up into the sky - oh, about maybe 20 feet beyond the statue up into the sky, there is now a very white light. The light is opening up; it's as though it's piercing the sky, and there coming through the light is Jesus. Oh, He's just beautiful! He has on the most magnificent robe. It's cut quite differently than He wore the last apparition time. But it is a beautiful robe, all of a classic type of weave. It's - it almost looks like it comes from a foreign country, the robe. But it is so beautiful.

Now - oh, right behind Him now, as the light is opening up, I can see Our Lady coming with someone else. Oh! It's Saint Theresa! I'd know her anywhere, since she's been practically living with me in 1968 and '69. She has on a habit now. It's white and black. However, she has a cape; the cape is a cream color.

Now they're all together, side by side. Jesus is on our right side; Our Lady is right next to Him on His right side, and Saint Theresa is also standing on Our Lady's right side.

Now Jesus is touching His lips, which means He's going to talk. Oh no, He's pointing over to Saint Theresa; she's going to talk. But I can't speak French!

Jesus - "You will understand, My child."

Veronica - Oh, Jesus said that I will understand.

St. Theresa - "My sister, my dear sister Veronica, how happy I am to see you again after all these years. I have been around, but not permitted by the Eternal Father to appear before you as I did in the early years. But I have been guiding you. I wish at this time that you will recite for me, Veronica, the poem-message. This is for our dear Jesus here."

Veronica - And she is pointing over, and Jesus is smiling. He has such a beautiful warm smile. Oh, it's just beautiful. Now He's touching His lips, and He's saying:

Jesus - "Repeat what Theresa has asked."

Veronica - Oh!

Spiritual Childhood

Dear Jesus, all I can do is just love You,
For my riches are here in my heart;
They're not locked or chained against stealing,
They're always free to depart!
I offer this gift to you, Jesus;
Accept it with Your precious joy.
I'm there to hold in Your Kingdom:
Just treat me as Your little toy!

Now Theresa is pointing over, she's pointing over to all the angels that are in the sky.

St. Theresa - "You know, my sister, many of the names. Will you give some this evening to others?"

Veronica - Yes. There's Tomdarius, Tusazeri . . . He is my guardian angel, but he's quite a clown. He likes to circle around. And right now he's turning and spinning again. He always does that when he sees me; he turns and spins. And now also, there's Razene, and Nadina, and many others.

St. Theresa - "Yes, my sister, that is the happy message for this evening, but I must also come to you as a voice-box from Heaven. Many will deride you, my child, at these messages."

Veronica - Now Jesus is touching His lips.

Jesus - "My child, I want you to know that you must not be affected by the derision and writings of those who are non-believers. Remember, in My time I also suffered the same for the cause, My child. The Eternal Father had Me within His arms always, and I tell you, My child Veronica, that you are always in My arms. I allow many things to happen to you.

"Look up, My child; I want you to look high into the sky and you will understand why you are being persecuted."

NUNS DANCING IN LEOTARDS

Veronica - I'm looking into what appears to be a convent, but - oh, my goodness! - this is a convent? There's a room there now off the chapel, and I know they're nuns; but what are they doing? They're dancing. And they're dressed, not like nuns, but in leotards! What are they doing?

Now Jesus is pointing over, and I see in the distance - looking far up into the sky, I see in the distance a steeple. The steeple looks like the type you would find on most churches in the United States, with the crucifix - the cross, not a crucifix, but the cross on the top. Now Jesus is pointing down, and I see coming out of the door three or four men.

Jesus - "They, My child, are priests!"

Veronica - "Well . . . they are? Dear Jesus, I don't understand. What are they doing? They don't look like priests."

NUNS HAVING ABORTIONS

Jesus - "That is what makes My heart ache, My child. That is one of the reasons Theresa is crying constantly when she looks into the convents and sees what is going on. Many now believe in abortion, the murders of the children; and many have committed this act upon themselves.

"You ask, My child, how could this happen to those with a vocation? How can they ever seek an abortion, no matter what the cause? I will tell you, My child: it is because they have given themselves over to immodesty. They have also given up their lives of prayer. They seek the pleasures of the world. They cannot be condemned at this time, My child, because there are too few that pray for the clergy and the nuns. They need your prayers, all the Rosaries that can be said for their repatriation.

"My child, I wish that you will now take three photographs. They are most important, but this I must warn you: I will tell you part of the message when you receive the photographs; but the first part with the date - a very important date, My child - you will hold that to yourself and keep that within yourself.

"Theresa has the permission of the Eternal Father to remain here for the rest of the evening. She will also move about and look upon the ill and infirm, because on her feast day and the feast day of the guardian angels there will be many cures.

"My child, you will question those about you and see if all of the rose petals have been distributed as I asked of you early this morning. If not, they must go out immediately. All Rosaries that can be spared shall be given to the ill and infirm. And should there be others left over, My children, you will please pass them out to all visiting souls. You are in the most dangerous times now."

Veronica - And Jesus seems to be putting His hand, like this, to His brow, as though He's been through some terrible times. It is so pathetic to see Jesus with tears in His eyes.

"I understand . . . I understand, Jesus. I will . . . I will. No, I won't reveal the three pictures, but I understand . . . "

Jesus - "Now, My child, you will sit back and take three photographs or more; whatever you can. But we must have at least three. You will read them in the order in which they are taken; and do not be upset, My child, at what you see. There is much that must be told to the world, as the time is growing very short.

"The Warning will soon be upon mankind. You ask Me, My child, can it be stopped? Only by prayers and sacrifice shall it be held back, but the time is long overdue. If it was not for My Mother Who steadily holds Her hand upon Mine in sorrow, I would let My hand fall and the Warning come upon mankind. It is not to be asked for, because you know it is coming, My children. It is to be prayed against, for there will be those who will die in this Warning.

"Now, My child, take the three photographs."

[Pause]

Veronica - Jesus is making the sign of the cross, and He's standing there right above the trees, about - oh, about, I would say, twenty or thirty feet above the trees. Now Jesus is touching His fingers to His lips.

EARTHQUAKE BECAUSE OF ABORTIONS

Jesus - "My child and My children, I refer to you always as My children because every single soul that is upon the earth today alive, and those who have also been aborted, were brought into the world through the intercession of the Holy Spirit; therefore, they are creations of your God, and as such, for the United States, a measure of punishment: there will be a great earthquake. This earthquake will be in a most unusual place, My child; but when it happens they will know that they are facing now an angry God.

"My child and My children, We have gone throughout the world, in various places for many earth-years, trying to warn mankind that unless he changed his ways great chastisement shall fall upon all mankind. There have been wars and rumors of war going now throughout the world. There will be a great War, but first you will receive the Warning, the great Warning. Many hearts shall stop with fear.

"Those who do not listen to Our pleading voices now throughout the world, your time is growing short. We say that to all. For those with the grace and knowledge of what is going to transpass - trespass I should say, because, My child, in My mind I hear all of the trespasses of mankind against the laws of his God That is why I cannot hold My Father's hand nor Mine back any longer.

"I know, My child, this frightens you, but I want you to look high into the sky and describe the scene that you see."

Veronica - I see a road. It looks like a normal country road, but it leads to a city, a great city. I would say from the buildings that the city looks like New York. But I see there are very sinister-looking characters walking down the road nonchalantly but carrying bags. Within those bags there are submachine guns.

Jesus - "Yes, My child."

Veronica - Jesus is pointing in anger at what He sees.

MANY IN NEW YORK TO BE MOWED DOWN

Jesus - "I see murder ahead now, My child, in your city of New York. Many shall be mowed down. It is an attack by a communist nation.

"No, My child, you do not need to know at this time the name of this nation, for it will soon be known when the captors are picked up. The Federal Bureau of Investigation will hear of this, My child, and they will try to stop them.

BOMBS IN STRATEGIC PLACES

"These interlopers upon the serenity of the United States have dark skins. They are not from this nation, but they come from a presently warring nation. It is their object to destroy all and cause chaos in the city of New York. With their plans there will be bombs placed in strategic places and many shall die at the hands of these ruffians.

"My child and My children, and My child Veronica, I brought you here this evening and relieved you of your major suffering the last few days in order for you to be upon your feet. There is much that has to be said. One big reason for permitting this disaster in New York would be the abortion mills throughout the city and the country.

ILLUMINATI FINANCING ANOTHER WAR

"Much of your money from the world's capitals arrives in New York. These monies are being gathered to start another war. There is a group in your nation called the Illuminati. They are made up of the major money holders, and for money they have sold their souls and the souls of thousands.

A PLANNED GREAT DEPRESSION

"My child and My children, pray a constant vigilance of prayer. Keep this going throughout the United States and all of the nations of the world, for there is little time left. Soon, in the plans of the Eternal Father, He shall set forth and allow to come upon mankind a great money disaster. In this way it will prove to you that the disaster back in the 1920's, My children,

was as nothing compared to what will happen now. I talk of a great depression coming upon mankind. This is well planned by those in control and should hit your country, the United States, and Canada within the next two years.

"Can this be stopped, My child? Anything can be if we can reach the people in time. However, I am not optimistic, My child, at the murders and the two men in particular that are now over here in the United States and using expressions like 'casing the places.' That, My child, means to look and see and report."

Veronica - Oh!

Jesus - "Look up there, My child. You have to look. Look closely, and repeat what you see."

Veronica - Well, I see two men. I don't know if they're Moslems. They have a different-colored skin, but they're not exactly black. Now they are walking through a building, and they're carrying with them, now, bags; but the bags are extra large, which makes it most suspicious. In those bags they are carrying all of the implements of destruction. Oh, I can see now; they're pointing across the street, and I recognize the Empire State Building. Oh no!

ONE TARGET: EMPIRE STATE BLDG.

Jesus - "My child, they will choose the Empire State Building to bring more notoriety to the world.

"We have other things to discuss, My child, before the evening is over. I want the world to know now that We will no longer tolerate the murders of the unborn. The Eternal Father finds that children He had great plans for to bring the true Faith to the world and to save His Son's Church, they have been murdered in the womb. Satan is the father of all liars, and many reasons are given for abortion. And even now in Our convents, they are going about consoling women who are about to have abortions; whereas they do not tell them the truth that they are murderers, and they are mothers who will murder their own children.

WOMEN TO BE WITH HEAD OF HOUSEHOLD

"The Eternal Father set up women not to be priests and not to be murderers, but to be with the head of the household a guiding light for their children. Each child to the Eternal Father is a pure blessing upon mankind, but all this has been lost in the name of modernism. Immodesty reigns in your country. There are many reasons why the Eternal Father feels that it is now time to do something about all of these abnormalities.

"My child and My children, you will keep a constant vigilance of prayer going throughout your country, and Canada, and the world; for soon you will understand that at the helm of all this disaster shall stand the Eternal Father. Warning and warning, sending throughout the world warnings for many years and what good did it do? But a handful - according to Heaven's estimate only a handful have accepted the messages from Heaven.

"My child and My children, My Mother has been going throughout the world. She is crying tears of pity upon mankind, for She knows the whole program ahead.

MANY TO FLEE THEIR HOMES

"You, My child Veronica, will continue to gain strength, and you will be here at the next Vigil; because at that time you are going to have many fleeing from their homes. The Eternal Father feels that it is only in this way that He can save the souls of the children and the unborn.

"Now, My child, you will sit back and take three more photographs. These you can reveal."

[Pause]

Veronica - While we gave out the Rosaries and the rose petals, Our Lady and Jesus and Saint Theresa were standing by the trees all this time. I noted them as we were talking here and examining the pictures. But Our Lady now is - I must say that Our Lady is beautiful this evening, too. Among all the beauties that we've seen this evening, Our Lady's gown is just exquisite. And Our Lady - many people ask, you know, what does She look like. How can I describe Her? She has features that are - are just not of this world. The beauty and the light that comes from Her face and Her eyes, and the light that seems to just exude from Her body all throughout the sky, it lights up the sky over us for - oh, a large area of, I would say at least 20 feet extending way behind us there.

Now Our Lady is pointing up. Now She's coming closer to the trees now, and Our Lady - and I see Jesus. He's standing over there still by the trees on our right side, and Saint Theresa is directly over the statue. Saint Theresa is standing there. And her gown, she has a long gown on; it goes beyond Her shoes. I can't see her shoes. Her gown is very modest, and she has on a beautiful cream-colored cape. And it's quite windy. And they actually are floating. Now Our Lady is floating over next to Theresa, and She's touching now Her finger to Her lips.

Our Lady - "My child and My children, I must ask you this evening to remember that there are many messages that have not been read by all. It has been eighteen earth-years since I first appeared here, and much has been given and much has been forgotten. Therefore, We ask all of Our children to obtain copies of the back messages from Heaven, because we are now in repetition. Because what can We say, My children and My child? If I could show you what is in store for mankind, you, too, would be shedding tears of sorrow."

Veronica - Our Lady is crying; it must be very serious. Our Lady is crying. And Saint Theresa now is, is going over and placing Her hand upon Our Lady's shoulder. And Theresa is crying, too. Now Theresa is turning and touching Her finger to Her lips.

St. Theresa - Veronica, we will be here for the rest of the evening, until the last person leaves the grounds. There is no time in Heaven as you calculate it upon earth; therefore, everyone who has come this evening shall leave with grace. There will be many cures this evening."

Our Lady - "I understand, My child, what you are thinking, of the complications you fall into when trying to prove to the world the truth. Those who do not have the courage to keep their grace - for graces are given and graces can be taken back - therefore, it is most important, My child, that you will pray for the two individuals that have made it most difficult to get their cures together.

"Right now, My child, I ask you now to hasten back to where you came from because We had much work to do to prepare the grounds for your safe arrival, My child. As I told you at home, you had no doubts that you would be protected; I knew that, but you also had to be warned of what to avoid.

"Yes, My child, there will always be others who will try to destroy you; but they cannot destroy the eighteen years of messages from Heaven, for they will go throughout the world, My child, far after you have been taken from the earth. Do not be alarmed; I am not saying that you are leaving the earth now. Oh no, My child, you will not be given much rest; but there is much that you have to do. I will keep you informed Myself, My child. As I repeat: you do not see Me always, but you will always hear My voice."

Veronica - Now Jesus is coming over and He's extending His hand, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is taking Her beautiful Rosary from about Her waist and She's making the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Now She's going over . . . Our Lady, Jesus and Theresa now - Theresa has come from behind the tree. She's standing next to Our Lady, and they're all going over to our left side. And now both in unison, Jesus and Our Lady are making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is placing His first finger to His lips.

Jesus - "Now, My child, you will continue with the prayers of atonement; they are sorely needed. You will not be affrighted at the message this evening, for it must be told to the world, My children. Many will die unless they listen to Us now and follow Our directions.

"Yes, My child, now you will sit back and take two more photographs; three if possible but most likely two. And as We said, We will not leave the grounds until the last child has left the grounds."

October 6, 1988

Eve of the Feast of Our Lady of the Rosary

Veronica - All about the trees now there are blue lights and pink lights. This is most unusual, because usually the blue lights either show or the pink lights, but here we have them both cascading together all about the trees. I'm certain if you look very closely you can't miss the effect they have on the statue, and everything that is so beautiful on the exedra. They cascade right down onto the exedra. They are so beautiful.

Now high up in the sky - I can't judge by feet - there's a light, a most beautiful light. Now it's opening up. It started about the size of, I would say, a quarter; but now it's opening up and becoming much larger about.

Now as I'm watching, I hear voices in the background, and they're singing: Alleluia! Alleluia! Alleluia! Alleluia! They sound like angels, hundreds of angels now. And there, coming forward through the light, is Jesus. Oh, He looks magnificent. Oh, the lights are coming down all about Him now. They're blue and they're pink. And He's smiling; I can see the smile upon His face. It is so soothing and so invigorating. There is no way I can humanly explain it.

Now if you look high up into the sky, Jesus now has moved over to His left side, over in that direction. Now He's pointing up to the sky, that I should look farther up into the sky. Now there, high over our heads, is another light. Now this looks about the size of a fifty-cent piece, but it's getting larger and larger around as it's coming forward. Now within the light I can see Our Lady.

Oh, She is so beautiful. She is just so beautiful! Words cannot describe Her beauty. All I can say is, this is something that is not earthly; it's the most heavenly sight that anyone could see. Our Lady has on Her white gown, with the gold trim all about the edge. And She has the mantle over Her head. I very seldom have even seen a wisp of Our Lady's hair. It is so beautiful.

Now Our Lady is coming down. She's floating now. And She seems to be standing on the light now. It's created a ball-like effect under Her feet. And it's floating Her over to Jesus' right side; now that would be our left side.

Now as I'm looking over, I notice that Jesus is in deep conversation with Our Lady. I cannot hear it, just what it is They are saying at this time. It must be confidential. But I will say this, that over on one side I see a most beautiful light, and in that light there comes forward a book - a book, a very large book. But it is a Bible.

Now Jesus is touching His finger, His first finger to His lips, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Amen. And as I'm watching, I notice the pages are turning in the Bible. And Jesus has nodded yes; that is in observing the Bible.

Now Jesus is coming forward. He's about sixteen to twenty feet over the statue. He's looking down all about Him. He seems very pleased this evening. And now He is touching His lips.

Jesus - "Veronica My child, look up and see, and tell Me what you see; and tell the world what you see, high above your head."

THE ETERNAL FATHER

Veronica - Oh, I see a most beautiful Being, but He's all of light. I know it's the Eternal Father; but I cannot see Him in form as Jesus and Our Lady are appearing. He seems to be a beam of all light, but the light itself is so beautiful. It gives you a great feeling of warmth and also a feeling of comfort.

Now Jesus is asking me to come down now with Him closer to the crowds about, and look about Him.

"Yes, I can see it, Jesus. Yes, we do have many infirm this evening."

Jesus - "You will cure two."

Veronica - Oh, that is just wonderful! I know they'll be very happy.

Now Jesus is pointing back up to the circle of light, and He's saying:

Jesus - "Repeat after Me, My child, the words given on the Mount. This is the way you must pray to the Eternal Father:

Our Father, Who art in Heaven,
Hallowed be Thy name;
Thy Kingdom come, Thy will be done,
On earth as it is in Heaven.
Give us this day our daily bread,
And forgive us our trespasses,

As we forgive those who trespass against us;
And lead us not into temptation,
But deliver us from all evil. Amen.

"My child, I had you repeat this even though I know you are having difficulties with your throat this evening. You will be taken care of, My child. Do not be concerned.

MODERNISTS SEEK TO REMOVE THE OUR FATHER

"Now I asked you to say that prayer because it soon will be forgotten upon earth. The modernists seek to remove it now from the books in the schools. You, My child, will see that this prayer to the Eternal Father is printed up, and given out to all the children within your means.

"Mothers must now take full precedence for their children. In other words, My child, they must be the teachers now; for those who were teachers have given themselves over now to all forms of modernism, and pacifying those that are evil in their teachings. They do not stand on their two feet solidly before their bishops, who are doing wrong in the teaching of their children. It will be up to the parents at this time to go forward and be a true parent in the eyes of God by teaching their children at home.

"And one more prayer must not be forgotten. But our modernists are casting it aside. Repeat this, My child: an Act of Contrition.

O, my God,
I am heartily sorry for having offended Thee,
And I confess to all my sins,
Because I dread the loss of Heaven and the pains of hell;
But most of all because I love Thee, my God,
Who are all good and deserving of all my love.
I firmly resolve, with the help of Thy grace,
To confess my sins,
To do penance,
And to amend my life. Amen.

"You see, My child, that also will be cast from the books this coming year. The children are being taught unity, but world unity. The world is striving and fast heading for a one-world religion, and also a one-world government. But this will not be a godly government; it will be one of communistic nature.

"My child and My children, listen to Me now. I brought forth Veronica to you this evening even though she is not well. I tell you, My child, it is urgent to make this sacrifice for mankind. As you well understand from what has transpired the past two days that We were not talking idly in the past message through you.

"We want the world to know again that there was a locution given to My child, Veronica, and it talks of this: Sodom and Gomorrah. Does this seem similar to you, My children: are you not living now among the realms of Sodom and Gomorrah? And what happened to that adulterous city? It was destroyed, just as Babylon the Great shall be destroyed, also.

TWO WILL BE CURED THIS EVENING

"Now, My child, there are two who will be cured this evening. To avoid all confusion, I will lead you directly to those whom I wish that you will bless with the crucifix of the Shrine of Our Blessed Mother.

"Pray, My child and My children, a constant vigilance of prayer. The world is in its most dire time, and subject to bad punishments, My children. I say 'bad' because many will die in the great flame of the Ball of Redemption. And many will also die when they see what lies ahead of them, as fear will grip their hearts as they run to and fro from their homes looking for a place of solace - a human word that will give them the courage to face what lies ahead. And that will often be death of the body.

"My child and My children, accept the words of My Mother and My counsel to you throughout the past years. Everything that has been given to you has been given for a reason and will come true. Were it not so I would tell you this now.

"Remember, My children, a constant vigilance of prayer. Use no excuses to relieve your family of this obligation to the Eternal Father. And remember again, My children, the two prayers that makes the heart rise to Heaven. Teach your children, for they will not be taught any longer in the schools.

"Now, My child, I wish that you take any rose petals available and go to the infirm circle and give out also any available Rosaries. My Mother and I will stand to the side while you do this. It will be necessary for the cures, My child."

[Pause]

Veronica - Now all about the trees there are great lights. These are all light lights, summoning the fact that Jesus and Our Lady have been standing over the trees waiting for us to finish with the infirm circle.

Now Our Lady is pointing over to the sky, and as I look over to where She's pointing, I see great multitudes of people; but they're fighting. I know it's some kind of a war going on. Now their skin is darker, though not black like in Africa. But they are actually killing each other. And I hear a voice from beyond the sky, saying:

Eternal Father - "Father against son, mother against daughter. It will be one of the greatest catastrophes that the world has ever seen."

Veronica - That voice came far beyond the sky, as though it was coming from the Eternal Father Himself. Jesus is nodding, yes. And Our Lady is coming over to Him. She looks very sad at this time; something must have happened drastically this evening, which we will probably find out about in time.

Now Our Lady is placing Her fingers to Her lips, like this.

Our Lady - "My child and My children, there is not much more that I can say to you. My words have gone throughout the world, and how many have acted upon them? I come to you as a Mother of peace, a Mother of love. My tears have been shed upon you all. I will not give up the incentive to want to save every child upon earth. I shall wander to and fro wherever My voice can be heard, and bring to the world the final message before the end of the age.

"My Son has made it known to you about the reason the world shall suffer. But, My child and My children, if you will go back to all the past messages I am certain you will find due reasons for the world's suffering.

"I tell you now that there shall not be a cure found for the disease of AIDS. It is a punishment from the Eternal Father. Unfortunately, My children, there are many young innocents and those that are older who have come in with the plan of God for the salvation of their souls, but they, too, have fell victim to the AIDS plague. It is a plague, My child, as other plagues shall also follow this one.

BLOOD SUPPLY GROSSLY CONTAMINATED BY AIDS

"Do not be affrighted, My child; I realize that this has given you a feeling of terror, for the AIDS plague has hit many: all the known and unknown, and children as well. I would suggest, My children, that you guard yourselves well against this plague. If you must have a form of operation requiring transfusions, I would suggest that you have a member of your family donate this blood; for the other has been grossly - I say grossly - contaminated and will cause many deaths.

"My child and My children, I repeat as My Son has just said to you, that you must keep a constant vigilance of prayer going throughout the world and your nation. Your nation - all the eyes of the world are upon your nation - but We also watch as they try to fly high into the heavens. Were as much effort put into bringing God the Father to the world, I am sure, My children, much of the evil of the world would disappear. This, of course, is beyond doing, for man has now a proud status - one in which he finds himself king of the world. And for honor and glory and money, man will sell his soul. Many have sold their souls to get to the head.

"My child and My children, listen to this well: guard your children. Do not let them be influenced by their teachers today, for modernism has set in, and also immodesty. There are many teachers whose example are poor to the children; therefore, it is now the duty of each parent to guard their children's souls. Otherwise, the day will come when they will shed great tears of sorrow, not knowing in what realm their children lie, now that they have passed over the veil.

"My child and My children, I call to you now and say again: a constant vigilance of prayer must be made throughout the world - not just the United States and Canada, but throughout the world. And this can only be done and done rightly if you follow the directions from Heaven given to you in the past years.

READ ALL THE PAST MESSAGES OR PERISH

"That is why I say, and I say again: you must read all of the messages given from Heaven through the past years, or you will not be saved. Much is being overlooked due to the quantity of messages. Therefore, you will start from the beginning and go forward up to the present date. This will also be in the printing, My children. You will start from the beginning and go forward up to the present date."

Veronica - Now Our Lady is taking the beautiful crucifix on Her Rosary - She's taking it from about Her waist, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming forward closer to Her statue, going over on Jesus' right side. Jesus has moved while Our Lady was speaking; He went over closer to the trees on our right side. And now Jesus is extending His hands like this and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is touching His lips, and He's saying:

Jesus - "My child, I want you at this time to take three photographs. They may be interpreted upon the grounds."

March 18, 1989

Eve of Palm Sunday

Veronica - . . . all of the trees about the exedra. They are the most beautiful blue that you could ever see upon this earth. The lights now are becoming like streamers, going high up into the sky. There is no way to explain the translucency of them and the manner in which they are penetrating the sky above us.

Now directly in the center of the streamers I see an opening in the sky. And as I watch, it's becoming round in shape and quite large. I can't see if Our Lady is coming forward. I know it's Our Lady's light because the blue cascading lights are always the symbol for Our Blessed Mother.

Now - yes, now there She is. Oh, Our Blessed Mother is coming now through the sky. She seems to be hurrying; She is most anxious to give Her message to the world. I know that from the conversation I had with Her this morning in my home.

Our Blessed Mother now is coming down. And I see now coming from the right side of us a large ball; it's globe-like in circumference, almost like the ball of the world.

Now Our Lady is watching, and She has a smile on Her face. It's a sad smile, but one that makes you feel like it's just wrenching your heart to look at Her. I know that She is most distressed this evening because of what was told to me this morning at home. Our Lady now is floating over - She's not walking, She's floating over, directly over our heads now. The ball is joining Her, and Our Lady is floating onto the top of the ball.

Now high up in the sky - I can't judge the difference - it's hard to describe Our Lady on the ball; She's a picture of such beauty that it's not earthly. Our Lady - Her face is very radiant, but I do see tears upon Her cheeks. Our Lady has been sobbing, so that as She came through the sky I could hear the gasps of Our Lady as She was sobbing. I can't understand why, except perhaps it has something to do with the message this morning, which at this time I cannot reveal to the world. However, I know that Our Lady will tell you most of this Herself in Her own words.

Now Our Lady is taking Her crucifix from Her Rosary. As I was describing Her appearance, Our Lady was taking Her Rosary from about Her waist; and She's taking the crucifix now and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Our Lady is looking all about Her, and She's smiling.

Now the ball is coming closer down to the tree areas. And now there is a cascading of light up into the sky, and these lights now are turning from the blue to a pink. And I know that signifies that Jesus will be coming through to join Our Lady this evening. Now the lights are becoming dimmer, and the sky is opening up. And I can see Jesus now; He's coming forward. He has on a beautiful burgundy cape, and He has sandal-like slippers. They're made of a skin, an animal skin.

Now Our Lady and the ball are moving farther over our heads. And Our Lady now is motioning with Her hand to Jesus, and He's joining Her on Her left side, our right side. Now Jesus is nodding to Our Lady. And Our Lady now is placing Her first finger to Her lips, which means to listen and repeat.

Our Lady - "My child and My children, I have a most desperate message for you tonight, one which will affect most of the world. But I say now, as your Mother of light, that there is great darkness upon the world. And as this has been allowed to continue, regardless of all the messages from Heaven through various seers throughout the world from the beginning of time, you constantly ignored Our counsel to you, and now the fruits of your evil ways have come to pass. Already you have been found wanting of all the graces necessary to prevent what I am to tell you will happen now in the near future.

EARTHQUAKE

"My child, as I told you this morning, there will be a great earthquake in the area of New York. When I give you the dates, you will not venture from the island, or you, too, will be caught up in the chaos. There will be much flooding of the highways, so do not try to make your way forth into the areas. Your son, in his work, My child, shall escape the carnage. There will be great fear in the hearts of men, but it will be too late to do anything about this, for the Eternal Father has waited many years.

"My counsel to the world and My Son's word to you have gone throughout the world now for over nineteen years. Now that may seem a long time to you, My children, but nineteen years in Heaven is as a day.

"We do not sleep in Heaven. We must go forth now to plead with Our children upon earth to forsake their evil ways. They now are being guided by satan throughout the world. This cannot be accepted by Heaven. There is only one thing that you can do with an errant child when they do not listen, and that is to shake them up, My child. I realize this is not something for jest; it is but a reality that is coming upon mankind.

Another area that shall be shaken will be California, My child. There is a great split in the earth that is widening. This is not generally being given to you in your news tabloids. They are trying to lull you to complacency. We have given you the road away from these disasters; and that road is only guided by prayers, penance, and atonement.

"We have asked you to pray for sinners; for you who have been given the grace to come upon these sacred grounds, you must go forward and try to save your brothers and sisters. I say brothers and sisters, My child and My children, because you are all brothers and sisters as you were created by the Eternal Father. Due to man's humility in the beginning - except, My child, for the sin of Adam and Eve - the world was not in such great chaos. Life was far simpler. As man goes forward and tries to seek all of the earth's paradise by way of fortunes and gold and silver, they have sold their souls to get to the head.

A HOTBED OF FIGHTING

"My child and My children, you must listen well, as I say this also unto you: Latin America shall be a hotbed of fighting, and the United States shall be the prime candidate to enter and have their sons slaughtered upon the lands there. I beg you, as your Mother, to listen to Me. You must not go into Latin America! That is what the plan from Russia is: for you to enter into Latin America.

"My child and My children, listen well while I have My child Veronica repeat to you:

The end is not as far as you can see;
Already there is apostasy.
Man cast his lot and gathered the coals
To stoke the fires that burn the souls.
The days are numbered, your hours are few;
So work and pray and try to do
The work that's given in the light,
Until that sad time when all is night.

THE AURORA BOREALIS

"My children, I wish you to know that you ignored a sign of a short few days ago. We sent from the heavens the Aurora Borealis to shine unto men and let them know that when this happened before, there was a war.

"My child and My children, the United States of America now is in dire conflict with its conscience. But you must remember: Without My Son they cannot succeed. Slowly but surely, against all the counsel from Heaven of the past nineteen years, man has become more scurrilous and more antagonistic towards My Son until he has even entered My Son's Church, seeking to cast aside all tradition and all knowledge of the supernatural, bringing a mode of modernism and humanism into My Son's Church. This has forced many a good soul to lose his way and leave the Church.

"My children, I beg of you, as your Mother, do not leave My Son's Church. Do not allow the rodents to come in and burrow and underground My Son's Church. You can save it if you will only pray more. Pray for sinners, that they will seek the light and be given the knowledge of the errors of their ways, so that they can turn back before it is too late.

IGNORE OTHER APPARITIONS

"My child and My children, I want to tell you also at this time: You are not to concern yourself with other words and writings of apparitions in various places. I can tell you, My children, unfortunately there are those who are caught up in the excitement of the times and My appearance at your site. However, you cannot become involved, My child or My children, with any of these apparitions. It is best to ignore them.

TWO STUPENDOUS CURES

"Now, My child, I wish that you go at this time, after three pictures are taken - I wish that you go among the sick and the elderly and give out the blessed rose petals and Rosaries, for there will be two very stupendous cures this evening. It is not necessary at this time, My child, to be told the full details, because before the evening is over, you will have them from the mouth of those that are cured.

"Now, My child, Jesus will speak to you - He is not leaving the grounds - when you return from this mission. First, you will take three photographs, and then proceed to the infirm circle.

A CORRECT DECISION

"My child, there is much that I told you this morning, but I say at this time: You will stop being concerned of the situation in California. You made a correct decision, guided by My instinct to you. Therefore, you will no longer be concerned with the person. I do not say the name, because I do not, My child, wish him to be ostracized; however, he must listen to Our

counsel and proceed to Canada, or he will suffer a dire punishment. He will bring this punishment on upon himself in human ways. It is not the hand of God that will strike him down; it will be his own foolishness and pride.

"You will understand, My child, what I am talking about in time, but this is a semi-private message that can go out to the world. They will ask questions of this message; however, it is not for all to know. You understand that, My child.

"Now take three photographs, and then proceed to the infirm circle."

Veronica - Jesus is standing over by the right side of the statue, high up into the sky. And now before I leave, He is making the sign of the cross with His hands, like this: In the name of the Father, and of the Son, and of the Holy Ghost. Now He's nodding yes, He wants me to proceed.

[Pause]

Veronica - The sky is becoming a very bright pink. I'm sure if you could look beyond the trees you can't miss it. Pink is Jesus' color. And I know we spent quite a bit of time with the infirm circle, but now the sky is starting to open up above Our Lady's statue, maybe about forty feet in the air, and it's just beautiful! It feels - looking at the lights you feel so warm inside and so peaceful. I could sit here and just watch this light all day and I'm sure that I would be as buoyant later, after, after seeing such a beautiful sight.

And Jesus now is coming through the light. Oh, He has on His burgundy cape. And He is very patient while we were at the infirm circle. He's smiling; He thought that was kind of funny.

Now Jesus is placing His first finger to His lips.

Jesus - "My child and My children, there is one thing I wish to bring to you this evening: that is the word of Russia. You do not understand the great threat she is to the world. I say 'she' because We have nothing else that exemplative of explaining the necessity to convert Russia. Now My Mother in the past has told you through countless earth-years of visits upon earth how to do this. I repeat from My Mother Her words to the world some time ago - and I believe, My child, you have been a voice-box before and a means for Heaven to transport this message to the world - that is, that the Holy Father in Rome, in unison with all of the bishops of the world, must consecrate Russia to the Immaculate Heart of My Mother.

RUSSIA PLANS TO TAKE OVER SWEDEN

"You do not understand, My children. Already Russia has plans to take over Sweden. I know this shocks you, My child, but it is the truth. Russia now plans to take over Sweden, and they are surveilling the place constantly. You will tell this to the world as an example, that if they could do that to Sweden, it can happen anywhere, My child. Yes, We tell you this because We have great hope that they will not be successful.

WHEEL OF MISFORTUNE

"Now, My children, I speak to the mothers of the world: You must make a firm effort to be a righteous mother and a godly mother, following the rules from Heaven. For eventually every one of you will come over the veil, and you must make an accounting for your actions upon earth. We find that you are all lacking at this time, because as parents, you have been caught up in the wheel of misfortune for your children. They are being ignored, and also, their religious upbringing is nil.

TV TEACHING CHILDREN TO KILL

"My parents of the world, I say unto you, as your God: This will not be tolerated much longer. For if you parents will not raise your children in the light, you will raise them in darkness, and they will eventually rise up and even kill you. There are many satanic institutions throughout the world now that are waiting for your children. Are you going to allow them to fall into their hands because you are too busy elsewhere to watch your children? Are you turning them over to the satanic tube, the television? Yes, My children, they are learning to kill by the television. They are learning disrespect for the parents. They laugh at you when you are not watching. That, My children of the world - parents, your children are to be lost."

Veronica - Now I see a picture forming in the sky. It shows a terrible scene on a television. It shows a young child butchering a cat. The child watching this goes to the kitchen, takes out a large bread knife, and - oh, my God! He's plunging it into the back of his mother! Now the scene is becoming very dark; I don't see anything else. It's ghastly!

Jesus - "That, My child, is what is happening now throughout the world. The children are taken over by satan through this instrument of satan. Much good could be gained if many will monitor their television sets, for their children's minds are being seduced by satan. I repeat again: Your own children will rise up against you and destroy your household. Murders are abounding.

"And also, I say at this time, My children, I will not tolerate much longer the infamous actions of some of My representatives upon earth. Yes, My child and My children, much has happened that has saddened the hearts of all in Heaven. We watch, and We asked you to pray for your brethren, to pray for your priests upon earth, for they, too, are human and are susceptible to attacks from satan.

STAY IN YOUR PARISH CHURCH

"Already there is much discord in My Church upon earth. It saddens everyone in Heaven. And We are out in force now, going throughout the world seeking to set up armies of good children who will fight, to the bitter end if necessary, to save My Church upon earth. It is being destroyed. Just as rodents will burrow into a house, those who have evil natures are burrowing into My Church. We find it almost unrecognizable, My children. However, I will say this: I asked you to remain in your parish churches, not to judge by the actions of man.

"The institution itself, as set up by Me, remains to be true; however, the cavorting and the banjos and the guitars and the musical interludes and the dancing are all created by satan. So you can understand that satan has entered now with his armies in full regalia, appearing as humans. However, they are demons in disguise, and they have one ultimate aim: to try to destroy My Church, the Roman Catholic Church, with the Seat of Peter as the head.

POPE TO DIE?

"You will all pray for your Holy Father, Pope [John] Paul, for there will be very soon another attempt upon his life. Only you can save him now, because, My children, in all factuality, We tell you: Without your prayers you will lose him within the next year.

"I know this frightens you, My child, but you, too, must make many acts of reparation. You will suffer much in the days ahead. This We ask of you because We cannot promise you everything upon earth, for your reward will be great in the afterlife, My child. Accept your suffering, and offer it always for the priesthood.

"Now, My child, you will continue with the prayers of atonement. The Rosary must be kept going throughout the world, even if you have to go about knocking on doors."

Veronica - Now Jesus is stand - placing His hands out like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now He - Our Lady is coming down from Jesus' right side. I didn't see Her over by the tree, but She's coming over slowly, and She's joining Jesus on His right side, our left side. And They are both going over now to the top of the first tree on the right there, and They're making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning to the right, and They're floating over. There is no way to explain it. They don't walk, They just glide. It's as though They were weightless, yet They look as human and as solid as you and I, going across the sky.

Now They're over on our left side, and Jesus is extending His hand out again, with His fingers like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is nodding, and He's touching His lips with His hand:

Jesus - "Continue now with your prayers of atonement."

June 17, 1989

19th Anniversary of Our Lady's Apparitions at Bayside

Veronica - . . . about the trees now, streamers of pink light, going from the trees high into the sky. And directly overhead in the sky I see an opening of light; the light is circular. And coming through the opening - oh, I recognized Him right away from the distance, even, because of His cloak. Jesus is coming through the opening, and He seems to be hurrying down fast because He's moving at a great speed forward. I can see Him very clearly now. He looks so beautiful! He has long flowing hair. His hair looks much longer now - it could be the cape that He has on. The cape is quite shallow around His shoulders; it doesn't have like a cuff, like His last cape that I saw.

Now Jesus is looking all about Him and smiling, and He's pointing high up into the sky. Oh! There - Our Lady is coming! She's directly over Jesus, but to His - to the front of His vision; and He's pointing. And Our Lady is coming forward now. But She's not traveling alone; She has a ball under Her feet. It looks like a globe of the world. And She's coming down slowly.

Oh! And now I can see Jesus; He's smiling. His cape is blowing a bit in the wind up there. And I don't know if it's raining, but it looks so glistening, His cape. And He has a border of gold around the cape now, the mantle part, and down to His feet. And I can see Jesus' feet very closely. He's quite close to us this evening, near the upper tree, directly over Our Lady's statue. And He has on brown, leather-like slippers - sandals really.

And Jesus is pointing now with His hand, like this, to the Blessed Mother, Who is now directly at His right side. That would be Her left side Jesus is standing, but it's Jesus' right side. And now Our Lady is placing Her fingers to Her lips, like this, which means to listen and repeat.

Our Lady - "My dear child, Veronica, it was most urgent that you be here this evening because the evil in your world has accelerated greatly since you were here some time ago.

"My child and My children of the world, I want you to know this: for the perseverance in the fight ahead to stop the satanists in their quest to take your children from your homes, I ask all parents at this time to be a steady guardian of their children and not to become obsessed with the things of this world, the pleasures and the monetary gain.

"I wish that all parents who hear My voice tonight be alerted to the fact that there are over 10,000, now, cults in the United States and Canada alone. Many children have been slain by them in sacrifice to satan. Is this what you want, My children?

"Parents, keep a close watch on your children. Be sure that they do not leave your home without your knowing where they are going, for many will not return.

"This adulation of satanism shall not be prevalent when the Eternal Father gives us the means to reach all humanity with this plea from Heaven to save your children from the satanists."

Veronica - Now Our Lady is moving over, and She's going to Jesus' right side - that would be Her left side. The ball has disappeared, and She's now whispering something I cannot hear to Jesus.

And Jesus now is looking straight down at me. His eyes are very beautiful, but boring. They seem to be a light that goes right through you; there's no way to explain it. But I feel so much better now. Yes, Jesus, I do feel much stronger and better now. I was certain I would not be able to be on the grounds this evening; but I knew that You wanted me here, and Our Lady, for reason; and I knew that You would get me here.

Now Jesus is touching His lips again, like this, and He is making the sign of the cross with His hand, like this: In the name of the Father, and of the Son, and of the Holy Ghost.

Jesus - "My child, Veronica, I have a mission for you that may not be pleasant. You can reject it when you hear Me out, or you can answer yes. What I want you to do, My child, is to reach your bishop. And you will write to him, if not a personal visit - that I will leave up to you, My child. But you will tell your bishop that We in Heaven are much distressed by his current action of allowing the Lutheran groups to enter upon the Cathedral, My Church upon earth, the Cathedral of Saint Agnes [Diocese of Rockville Centre, Long Island, NY]. You will tell him that all Heaven is distressed by his mistake.
[see editor's commentary below on page 1320]

St. Agnes Cathedral

"You, My child, will pray much for your bishop and all of the bishops of the world.

"There are so many errors now abounding that it seems almost hopeless to recover those who have lost their faith. Many have left My Church upon earth, and this disagrees with the heavenly plan to save all mankind.

PRAYER LIFE OF CLERGY ALMOST NIL

"I become agitated, My child, when speaking of this, because the fault lies mainly with My clergy. The sheep are wandering now, and so few have taken to prayer to save them. The prayer life of the clergy has almost become nil. That means, My child, that they must return to meditation and constant prayer, or much more shall happen to the earth.

GREAT EARTHQUAKE IN L.A. AND NEW YORK

"There will be pestilence anew. There will be earthquakes in many places. The present ones have been nothing compared to what will happen next. There will be a great earthquake in the Los Angeles area, and also New York. I told you this before, My children and My child, but I must repeat to you: many prayers are needed now, for the balance is most uneasy.

"Look up, My child, and tell Me what you see over the farthest tree."

Veronica - Oh, I see Saint Michael! I'd know him any place, but oh, he is so large he covers the whole sky. He has a balance in his hand. It looks like there are gold bars on the right side of the balance, and over on the left it looks like nothing. And yet with that nothing, the balance is heavily to the left.

Jesus - "Yes, My child."

Veronica - Jesus is pointing.

Jesus - "Look up and you will see why."

Veronica - "I look high into the sky and I see all kinds of merriment - dancing and drinking and carrying on, and I see things that cannot be holy because it offends God very much. I cannot repeat them, but I see scenes of carnage.

Jesus - "My child, you are only looking upon earth. Should I show you much more that is taking place at his very hour, you would most certainly pass out from the shock. Because, My child, through the years I have given you knowledge of the evils of the world, but to experience them would be too much for your weak heart.

"My child and My children, there is another matter that I brought you here this evening for, My child, Veronica. I want you to tell the world again, and remind them that they must all make it an issue among their cardinals and their bishops that in order to save the world from communism and its fast gallop of the war-like Mongols down after those who are innocent of heart - the fast trot of these hoofs come from, My child, the Apocalypse!

RED HORSE

"The red horse is war! And war is in the balance next, My child. And what can you do about this? This is My direction from Heaven - and We hope, My children, that you will get this out to the world: Unless the bishops and the Holy Father in unity with all the bishops of the world, unless they consecrate Russia to My Mother's Immaculate Heart, the world will be doomed! Because Russia will continue to spread her errors throughout the world, rising up wars and carnage and pestilence and famine. Is this what you want, My children?

BESIEGE THE HOLY FATHER AND BISHOPS FOR CONSECRATION

"Every single soul upon earth that hears My voice this evening has an obligation, for the sanctification of their own souls and the souls of those they love, to listen to Me and follow the direction. I wish that all who hear My words this evening will go forward and besiege, if necessary, the Holy Father and the bishops with a request for this consecration of Russia. We do not mean the world, My children, We mean Russia!

TWO-LEGGED DEMON

"Now also the United States of America, that allowed a two-legged demon to walk through this nation with smiles upon his face, as he counted the next victim - yes, My children, his visit to you was not one of solidarity or ecumenism or anything else. Be they not mortals, I would say that they are demons in human form. Do not listen to them, My children, because Russia has not been converted. As I told you before, Russia is planning to take over Sweden.

"Yes, My child, I know this disturbed you, but the truth must be made known.

"You will receive much aggravation and also much discord from some clergy because of the message I give to you this evening, My child, but I know that you in your heart will do as We have directed you."

Veronica - Yes.

JESUS TO HELP MANY INFIRM

Jesus - "That, My child, is the answer We expected. Now, My child, there are others outside who are waiting to see you with the blessed cross, the crucifix of My Mother. Will you not go to them in your weakened state? I will support you. Will you not go to them and bless them? For many have traveled many miles to reach here this evening, and I will help many of them."

Veronica - Now Our Lady is looking at Jesus. And Jesus is placing His hands out again, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is turning to Her right - that's our left. And Jesus and Our Lady are both going over to Jesus' right side - that would be our left side of the trees - and He's extending His hands and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is pointing over to Her left, and They're coming across the sky. They're not stopping over the statue, but They're continuing on to the first tall tree, and They're bending over now, and Jesus is making the sign of the cross again: In the name of the Father, and of the Son, and of the Holy Ghost.

As They're moving back, I can see Our Lady so closely now. She has on Her beautiful white mantle with the gold trim all around the edging, and Her belting is golden. And on Her delicate feet - oh, She's so beautiful that it absolutely takes my breath away - on Her feet are golden rosettes. They look like pure spun gold, and little rosettes to the right of them. I'm counting one, two, three, four, five rosettes - how beautiful! Our Lady has them on a slipper. She has on white slippers with the rosettes, made almost like a sandal, but with more of a closed toe.

Now Our Lady is touching Her lips.

Our Lady - "My child, you will go immediately to the infirm and the ill, and bring them the Rosaries and the rose petals as I directed you."

[Pause]

Veronica - . . . looking down, and Jesus is over on the right side. He's standing over the tall limb there on the right side - the tall limb. He's higher up in the sky than Our Lady, and He's watching everything that's going on.

Oh, Jesus is putting His hand to His mouth. Oh, and He's shaking yes, I know what He means. He's coming over now; Jesus is coming over.

Jesus - "My child, I did not wish to weaken your condition any more before - than necessary, before the blessing of the infirm and the ill. However, I feel that at this time you must include the prayers and the admonitions given by Heaven throughout the years for those who do not choose to read but to listen:

The end is not as far as you can see;
Already there is apostasy.
Man cast his lot and gathered the coals
To stoke the fires that burn the souls.
The days are numbered, the hours are few;
So work and pray and try to do
The work that's given in the light,
Until that sad time when all is night."

Veronica - Jesus is saying:

Jesus - "For Our dear Holy Father, Pope John Paul II, you will repeat:

Dear Holy Father, John Paul II,

Dear Holy Father, worried and wan,
Will struggle with Jesus to gather the sheep.
The pastures are rich, but the sheep grow thin,
For the souls have succumbed to the sickness of sin.
You'll need reinforcements from heavenly shores,
So deep is the darkness of earth's shallow mores.
All hearts must ascend in true supplication
To avoid the sad fate of divine devastation.
Dear Holy Mother, your Mother of love,
Does beg you to heed these dire words from above:
His heart -

Veronica - And She's motioning over with Her face towards Jesus and Her hands pointing.

Jesus -

His heart is torn by careless surrender
Of too many souls that don't try to remember
The Father, the Son, the Spirit of life -
Cast upon the earth a world of strife.
What more must you do now but place the full load
Of saving all souls on the few who are bold,
Who'll stand up and fight for all Heaven's glory
And meet with John Paul II at the end, the end of
life's story.

Veronica - Now Jesus is mentioning "Yes." Oh, yes. Jesus says repeat:

Jesus - "I wish that all mothers and fathers bring this simple prayer to the hearts of their children. For in the future, with the raging wars and pestilence and famine that will come upon mankind, many will pass over the veil at a young age. You must teach them, parents, to say this simple prayer to Heaven:

Now I lay me down to sleep,
I pray the Lord my soul to keep.
If I should die before I wake,
I pray the Lord my soul to take.

Veronica - Now Jesus is nodding, and - yes. Oh, I can't repeat it.
Yes. When? [Veronica gasps.] Really? Oh. Yes, I do. I understand. Right.

Jesus and Our Lady are still standing there. Jesus has His head down low; He looks like He's very upset. I know why. And He's pointing over to Our Lady, and Our Lady is crying. It's like a repetition of many years ago when She said, "My tears fall upon you." And I know in 1970 She cried and cried, just as She is doing tonight. And I know from a discourse with Our Lady earlier that these tears are caused by the abominations that are taking place in the world against Her Son, Jesus. Our Lady feels that for all He did for us upon earth that we could never turn in such violence against Him and His Church.

Our Lady is touching Her lips now.

STAY IN YOUR PARISH CHURCH

Our Lady - "Remember, My child and My children, no matter how rough the road gets, you will stay within your parish church. And by good example and many prayers you will bring the priesthood back into the light. Many have lost their way because there are so few who pray for them. Remember, My children, to pray for your clergy, for they are human also and subject to error, mistakes, influence, and sometimes, pure evil. Pray for your priests daily, My children.

"Now you will sit back, My child, or proceed into the infirm circle again."

[Pause]

Veronica - . . .statue head, over, over by the trees on the left-hand side. And Jesus is standing, and Our Lady is extending - oh, Our Lady is extending Her Rosary which She has taken from around Her belting, and She's making the sign of the

cross upon the people: In the name of the Father, and of the Son, and of the Holy Ghost. And She's looking over, and She's nodding and turning to Her left, which gives Her more room to come over on our right side. Our Lady is floating quite close now to where Jesus is standing, and She is still extending Her Rosary, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Oh, there are many blessings here tonight, many. And Our Lady just said that - just said there are many blessings here tonight. Oh, it's wonderful!

Now Jesus is extending His hands, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

And They're both smiling, you know, and They're just standing there now looking at everyone.

Our Lady is looking to Her right and to Her left. She's looking over the whole grounds. And Jesus seems to be following Her, because He's also looking, and it's making His hair come across His shoulders, you know. It's quite long, His hair. And - oh, there's something that He wants to say. Jesus is pointing to His lips. Jesus says this:

CRUCIFIED THROUGH PALMS-WRISTS TIED

Jesus - "I want the people to know that when I was crucified the nails were placed through My palms, but I was also tied by skin-like rope about My wrists to the cross. And as I walked to My death, I carried not the full cross but only a cross-beam across My shoulders, and I found at the edge of town on a high hill the other part of what was to be My crucifixion plank."

Veronica - That is what He was told by the people in the shop that were making the spikes that were going through His hands. So Jesus wants that known that He was not only tied but He was nailed through the palms of His hands. The palms - right here, and

right here. No, he was tied by the wrists. And also in His feet there was one large, spike-like nail. It was a spike that went through both His ankles. But He also, at the feet, at His instep, He was tied also by this skin-like rope that was made from animal skin - that was their rope. He wants everyone to know this, because through history, He often says that, you know, the truth has been lost. But He wants everyone to know just how He went to His crucifixion.

Now Jesus and Our Lady - They look like They are getting ready to just - to now stay Our Lady has gone over to our left side, and She's standing by the upper branch of the fir tree. And Jesus is still over on the right hand side, and He's standing over the small branches now. He's come down, because if you look there and you can see - past Our Lady's statue, you can see Him just standing there with one of the boughs of the fir tree almost on His shoulder. And They're just smiling now; They're remaining there.

You see - I don't know if Jesus ever mentioned it before, that when They come during the evening They stay until the last person leaves. They always stay.

October 2, 1989

Feast of the Guardian Angels and Eve of St. Theresa

Veronica - . . . all about the trees now. Oh, they are so beautiful! They're cascading. I'm certain if you look up at the top of the leaves section on the trees, you can't help but notice the beautiful blue lights of Our Lady. Now there are also streamers of pink coming forward from the top of the sky. That means that Jesus and Our Lady are both going to come together.

Oh, the sky is opening up. It is so beautiful! It's like a clear summer's night with all the stars shining. And I hear voices in the background, of music; I know they're angelical voices. It is absolutely beautiful! I feel suspended in such beauty - it's not of this earth; it is obviously not of this earth, but from Heaven.

Now Our Lady and Jesus are coming down together. Our Lady is smiling very sweetly, and Jesus is motioning to His lips, like this, now. They're still coming down, but He's telling me to be ready to repeat.

Now Jesus and Our Lady are stopping over the first streamer of light there. The lights are now cascading from Their feet downward into the trees. Our Lady and Jesus are standing there.

Oh, Our Lady looks so beautiful! She has on a pure white mantle and a white gown, and about Her waist there is a gold cinch. Our Lady calls it a "cinch" for a reason. But it looks like - I would call it a belt. And Our Lady has on Her feet the most beautiful slippers - golden, and there are two small rosettes on Her feet. Oh, Our Lady has such delicate feet. This evening, too - I can see Our Lady's face very clearly this evening, and I would say She doesn't look over more than twenty years old. Our Lady looks so young and radiant.

Now Our Lady is turning towards Jesus. And Jesus is nodding, and He is placing His first fingers to His lips, like this, which means to repeat.

Jesus - "My child and My children, and especially you, My child, Veronica, I called you here this evening, though I am fully aware of your disabilities. However, it will be not necessary to hear all about you, My child. Be it sufficient that you can bring My message to the world. [Veronica has been suffering from tinnitus, which impairs her hearing.]

"Now this, My child, will bring much consternation from the clergy. Look upward, My child, and tell the world what you see."

Veronica - I see the picture of Jacinta 1972.

Jesus - "And what is in this picture, My child? Repeat."

ANTICHRIST INTO MITRES

Veronica - I see the letters very heavily penciled over by Jacinta when she wrote this message. It says - one part of the message - there are five parts to the Jacinta 1972 picture, but one part says: "A-C into, I-N-T-O, mitres 1972."

Jesus - "Repeat that well, My child."

Veronica - "Antichrist into mitres 1972."

Jesus - "That, My child - I know you were much affrighted at that message when you first received it from Jacinta several years ago. But nothing that We give you is to remain hidden. It is necessary for the battle ahead.

"Be it known to all men upon earth that the Antichrist has entered now among you. Be it known to Our bishops and cardinals: (I do not include Pope John Paul II at this time, because he is under the domination of his bishops and cardinals.) I look upon My Church at this time and I find gross errors. I tell you now, all bishops and cardinals of the world: My Church shall not be defaced. You shall not defame My name. I will allow this to continue but for a short time. If you do not acknowledge Me properly before the world, I assure you I will not acknowledge you before the Father; and you will not have eternal rest with My Father in Heaven.

DISCIPLES OF THE LATTER DAYS

"My child and My children, We have looked upon the world now and find that We are fast approaching the latter days. This will be a time of toil for all. Those who will work with Me shall be called now disciples of the latter days. Already, My children, you have gathered for some time. You all know who I am speaking to at this time. I say again, all those who have been picked from among Our vineyard of souls upon earth to come forward as disciples in the latter days to defend the Faith, to remain faithful and true under siege, shall gain Heaven and immortal life. You will find life everlasting with the Father.

"However, I acknowledge the fact that, My child, I have taken you from your home in a weak state; but you know how urgent it was from Our discourse with you all day today, My child, that you get here this evening. For the evil is accelerating in the world. We cannot hold back the Chastisement much longer. The Father has at the foot of His throne the Ball of Redemption. Look up and describe what you see, My child."

ETERNAL FATHER-BALL AT HIS FEET

Veronica - I see a very wonderful Man. He is so grandfatherly, with a long white beard. And He is sitting with the most beautiful cape on Him; He looks like a regal King. He's smiling. There is no way to explain Him. And He is so translucent and shining. I know It is the Eternal Father. But He has at the foot of His throne a large ball; it's like a ball of fire. I know quite a number of years ago I saw this ball in a photograph taken by the people from Canada. I did not know what it meant then, but now I understand the photograph.

Now Jesus is motioning to His Mother, at His side. Our Lady is standing at the right side of Jesus. I see that She is brushing the tears from Her eyes. Now Jesus is backing up; He's backing up and going higher into the sky. And Our Lady hasn't moved. She is looking all about Her. She looks so very sad. And now She's placing Her fingers to Her lips, like this.

Our Lady - "My child, I implore you to love your brothers, even those that will persecute you. Love them as My Son loved those who even crucified Him. That is the only way you can reach eternity in Heaven.

"My child and My children, I, too, have watched - the Eternal Father made it known that I must see what is going on in the world today. And I, as your Mother, have given My decision to the Eternal Father to go forward throughout the world, appearing in numerous places now, to awaken the world to the reality of everlasting life.

"How many have sold their souls to satan to get to the head for a temporary time upon earth? My children, do you not realize that you are only a short distance from paradise? Your years upon earth are so few. Isn't it futile, My children, to soil your souls and avoid following the road to Heaven?

"All those who think that life is forever upon earth are making a serious error, and they are defeating the reasons they were placed upon earth. There is no way other than straight through to Heaven, hell, or purgatory. There isn't a soul upon earth that can say, 'I will be here forever.' For the only place that exists, My children, forever is Heaven, hell, or purgatory.* When My Son returns to earth - when the persecution to the enlightened grows stronger, when all the world is fighting, that My Son shall deem it necessary to return.

SATAN ENTERED INTO MY SON'S CHURCH

"My child and My children, I ask you in the name of the Father, and My Son, and the Holy Ghost, to listen to Me now: the course you are on is a course to destruction. Satan has entered into My Son's Church. You remember, My children, Pope Paul VI, Our good Vicar, said to the world, 'I know that the smoke of satan has entered into the Church.' But who listens to him, and who did listen to him? But they laid him low, and put another in his place.

"I know, My child, the derision and the scoffing that comes your way because of this message. But you will go forward, My child, and not listening to the scoffers, you will succeed one day in bringing forward to Us many wandering sheep.

"There are many souls upon earth that shall not be held accountable for their sins, for they have been led and misled by their elders.

"I say unto the cardinals and bishops in My Son's Church: I am much grieved at your conduct. You will be accountable to the Eternal Father for the destruction of souls. And the abuses that go forward against My Son cannot be tolerated by the Eternal Father. My Son suffers greatly upon earth. Have you forgotten so soon how He sacrificed His very Being for you all? And what are you doing in return?

"O My children, I close My ears. I cannot listen to these painful episodes upon your earth. It appears that there are those who cannot talk without defaming the name of My Son. They use it with cursing and abuse. This is not to be in the eyes of the Eternal Father. This will not be tolerated.

"Do not recrucify My Son upon earth, because you will all be held accountable. None shall come to the Father except from My Son. For My Son is in the Father, and the Father is in My Son, and the Holy Ghost. I know full well that it is not understandable to many the existence of a Father, the Son, and the Holy Ghost. They are all one, in one God. I repeat again: God the Father, God the Son, and God the Holy Ghost.

UNBELIEVABLE: SATANIC CULTS

"My child and My children, I implore you to go forward and bring the knowledge of the existence of these terrible satanic cults in your country. There are so many now, My children, that you would find it unbelievable if I could take you and show you throughout your country what is going on this very night while you are here.

"We also are distressed because of Theresa. She has been watching the carnage in the convents. And as such, she finds that her mission upon earth was not fulfilled to the fullest, that so much evil can now be corrupting the convents.

"My child and My children, I promise you after, My child, you bless the ill and infirm I will bring Theresa to you; because I know she made a promise to you to appear here this evening. That will be, My child, after you bless the ill and infirm. There are many who have come a long way to be here this evening.

"And, My child, I wish that you bring a message to D.M. of California, that We accept him in these latter days as a new disciple. That, My child, is all We will say at this moment.

"We wish that you take three photographs, which you can divulge the contents of to the workers, and then you will proceed to the ill and infirm. And after you visit them, you will meet with Theresa."

[Pause]

Veronica - Oh, Our Lady hadn't left at all. She's coming from behind one of the boughs of the tall fir tree there in front of us, directly over to Her statue on the right side. And right behind Her, I see her - it's Theresa; I'd know her anywhere. Oh, now Theresa is floating over to Our Lady's right side. She was standing behind Her. I don't know why she was standing behind Our Lady. And Our Lady is whispering something to her, but I can't hear them. Now just as I'm looking, Saint Theresa is smiling; and she's placing her first finger to her lips, like this.

St. Theresa - "My sister, Veronica, I know that you are much surprised to see me this evening, as I have not made many appearances on your Shrine grounds. However, due to the urgency of the times, and what is happening upon the earth, I come this evening to bring to you a word of good news that the road to Heaven is very simple. All you have to do is be like a young child in your love of Jesus, never questioning, never casting aside, but loving Him fully with your heart.

"My life upon earth was not always easy, my sister, just as all of my sisters and brothers upon earth realize this as time goes on. However, I do say I am disquieted of spirit by what I see taking place in many of the convents today. My life was always a life of solitude and prayer; therefore, I never lost contact with the Holy Spirit. Now my sisters in the convents are enjoying - as they think they are enjoying - all of the modern diversions that take them away from meditation and prayer.

NO TV SHOULD BE IN A HOLY PLACE

"I come this evening to ask my sisters who hear my message not to be taken over by worldly pursuits. I agree fully with the nuns in the convents that object to the television. No television should be in a holy place.

"Yes, my sister, there is much evil in the world. I always promised when I was upon earth that I would never be lackadaisical or disquiet of spirit while I was in Heaven. I will go forward to the very end of time bringing my roses to you along with Our Lady - graces in abundance for the asking. All you have to do is say, 'Jesus, I love You. Save souls, save the consecrated.' That is very important.

"We are made fully aware in these latter days of all the tribulations of the world, and the convents especially. I make note of the convents, my sister, because it was my home for so many years.

THE VALUE OF SUFFERING

"Also, you will understand fully when I tell you the value of suffering. You can always offer this for the souls that need the repatriation. Yes, my sister, no suffering is ever wasted. For you must accept it in the right light, knowing that even our dear

Jesus suffered upon earth at the hands of those He loved. But one thing you know now is He never gave up loving them, even as they recrucified Him.

"And even now, my sister, there is much grief in Heaven. And I know that our Blessed Mother sheds many tears daily upon the world because of the present abominable conditions. Man is fast heading for a cataclysm. Soon - we all know of the coming of the Ball of Redemption upon mankind, and it is now heading fast in.

HEAVEN: WORK MUCH HARDER

"It is the will of the Eternal Father that the sheep be gathered by those who have become disciples in the latter days. The sheep must be gathered and separated from the wolves that are roaming now. Therefore, we ask you to even work much harder at your apostleship. All will be on the side of the Eternal Father in the end. But He will allow these persecutions to come upon you. Accept all as Jesus did when He was upon earth."

Veronica - Now I see Theresa is moving over, and she's whispering to Our Lady. I can't understand what she's saying, but she's whispering. And Our Lady is pointing high up into the sky.

Oh, Jesus is coming down now, again. Oh, He's coming up now, and He is going to be at Our Lady's left side. He's raising His hand now, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is mentioning - I can't hear it; it's like the rustling of the wind. But Jesus is still extending His hand, and He's going over now to Our Lady's right side.

And Theresa has moved back into the sky. I don't know - she seems to have left the circle of light, and she seems to be moving back into the clouds. I do want to tell you at this time that, as I can see her, Theresa has on a brown gown and a cream-colored cape, and she has a black mantle around the top of her head. Theresa is smiling. I know that I must have described her that she is - as I can see her here. She's very clear. She's stopped now moving, and she's standing there behind Jesus and Our Lady.

Now Jesus has hesitated while I was talking about Theresa, and He's going over now to our left side. He's moving very slowly, and looking down all about Him. Now He's extending out His hand and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is coming over, and She's taking the Rosary from about Her waist, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. And Our Lady now is touching the crucifix to Her lips. And She says - She's asking me to repeat.

PRAY FOR CLERGY

Our Lady - "Many prayers are needed for the clergy. Won't you, My children, help them? For many are lost; they are on the road to perdition. Please help them. I ask you as your Mother, in your merciful hearts, for My Son and the good of His Church, pray for your priests, your cardinals, and bishops."

Veronica - "We will."

Now Jesus and Our Lady are moving back into the sky. Theresa has gone into the sky; I can't see her anymore. And Our Lady and Jesus now are moving over to our right side, at the uppermost limb of the fir tree on the right side. And They are standing there and nodding. Our Lady is saying:

Our Lady - "We will be here the rest of the evening, until the last soul has left."

Veronica - Yes. . . . Yes.

Our Lady - "Continue, My child, to read the Bible well. Man is casting it aside or rewriting one to fit his own carnal nature. You must not, My children, rewrite the Bible, for it will be a bible of man and not of God.

"Sit back now, My child, and rest."

Veronica - His gown is a beige color, very rugged; it looks like very rough material. I don't know what it is. I hope it isn't what they call "sackcloth." That's what Our Lady once said that They use when They are doing penance for people. Sackcloth and ashes, or something like that. And that's just what it looks like, that's the only way I can explain what Jesus is wearing there.

* **On October 8, 1989, in a locution,** Our Lady directed Veronica to write in her own words a clarification, which follows:

When Our Lady spoke about Heaven, hell, and purgatory in the message, She was especially addressing the clergy, as some have lost the reality of the existence of hell. But they have especially lost the reality of the existence of purgatory. Thus She chose to use the word "forever," as this is earth's time, meaning till the end of time, or till the day of the final judgment. The intention being to impress upon the clergy the fact that purgatory does exist, and there are souls who will be in purgatory till the end of time. Naturally, at the end of the world there will no longer be a need for purgatory, and it will cease to exist. "Heaven and hell are forever" in the sense of the eternal, so naturally, they shall exist without end.

1990

June 18, 1990

Twentieth Anniversary of Our Lady's Apparitions at Bayside

Veronica - Oh, the blue lights are appearing all about Our Lady's trees now. You know, it is Her signal that She's coming.

Oh, there's a bright light - oh, like a ball of light, coming through the sky at the top. And I can see Our Lady is standing on the ball, just like She did twenty years ago! Oh, the ball seems to represent the earth. And Our Lady now is looking all about Her; She's coming very close. In fact, now She is drifting off of the ball, and the ball is going to our left. And Our Lady is coming down to the top of the tree directly behind Her statue. Our Lady is looking about Her.

Oh, She has on the most beautiful gown! It's white and luminous. And She has a mantle that extends all about Her head and down to Her feet. And now as I look at Our Lady's feet, I can see She has delicate petals of roses now coming from Her feet and coming down our way; they must be special graces.

Oh, Our Lady is so beautiful! I don't know - I want, I wish She would appear to everyone to see Her like She is. It's the most beautiful sight in the whole world!

"I love you, Blessed Mother! Yes."

Now Our Lady is looking, and She's putting Her first finger to Her lips, like this. That means to listen and repeat.

Our Lady - "My child and My children of the world, I am very elated at the response from which the workers for Our Lady of the Roses responded, and have brought in many new souls. Before the evening is over, you will understand what I am telling you, My child.

"But first of all, I come also for this reason: there is much going on in the world now that is evil. As I tried to make you understand several years ago, that satan has entered now into My Son's Church upon earth, and satan has control now of all the medias. Therefore, it is up to the parents now to see that their children do not become polluted and lose their souls.

"We're all aware in Heaven of the drug epidemics, the volcanoes erupting; but you see, it was to come about. Now I hear, I hear the prayers of many who call out for mercy because they have the disease called AIDS. My child, make it known to them, in writing, that this was a direct admonition by the Eternal Father for their performing terrible acts of indecency upon earth that destroys the young souls who follow them. I am talking, My child, about homosexuality. It is rampant all over the earth.

A CURE FOR AIDS

"You have to understand, the Eternal Father is not a punishing God. However, He is most interested in the children; and it appears now that the sins of the parents are being placed upon the shoulders of the children. And O My children, if I could only show you the list that the Eternal Father has for Him to go through the world and bring these souls back. The sins of the parents shall be visited upon the children.

"O My children, I hear your cries because of the AIDS epidemic in your country and the world. I plead for you to the Eternal Father, to remove this plague from among mankind. And I have great news for you this evening, My children. The Eternal Father and My Son have made it clear to Me that if man will repent of his ways that have given - been given to him by satan, **We will see that you do have a cure for AIDS.**

"A certain length of time has been set about by the Eternal Father. It is the time for you to repent and do penance for the sins of the world. There are many who are willing to help Us now. We watch you all, My children, and We will guide you to an eventual victory. All who suffer upon earth because of satan's battle with them will know that through Our mercy not all will be lost.

"I want you to stress, My child, the existence of hell and purgatory. It has been forgotten by many. Even the priests in My Son's churches have overlooked this essential knowledge. In fact, some now mock it as being untrue. My child and My children of the world, please believe Me. I have been through purgatory. I have been through hell. And I tell you all: please, do penance for your brothers and sisters who do not have the way.

MAN CREATED BY THE HOLY SPIRIT

"The way to Heaven is really led by a scene of love. The Eternal Father is not One to punish you, for He wishes to save all mankind. He has created you. Even that, My child, is being discarded. I hear the voices that cry out that you were not created by the Holy Spirit. But I say unto you, men of the cloth, too, that you do not follow your religious beliefs. You've given them up, and you work among precepts for man.

"Do not make My Son's Church a place just for man. It was, through the Eternal Father's plan, to be a place of honor and direction to set you on the road to Heaven and not lose your road and wind up in hell or purgatory. You see, the enemies of your

God believe that if they can confuse you and make you believe errors, they will take over completely. But I know, My children, if you listen to Our direction, that will not happen.

"I say again: if man will repent of his sin and discard the homosexual life they are living, I will give them a cure for AIDS.

"Now also, My child and My children, there is another fact to be known to mankind, and shouted from the rooftops: the murders of the unborn will not be tolerated. You will read Job, chapter 33, verse 4: The Holy Spirit made me, and the breath of the Almighty gave me life. Do not listen to those disciples of satan that are trying to take this knowledge from you. All mankind has been created by the Eternal Father, in the Son and the Holy Ghost.

CHANGE NOW OR SUFFER ANOTHER PLAGUE

"The existence of the Trinity, too, is being attacked. We are fully aware of what is going on. And I can tell you, My children, if there are not immediate changes, another plague shall be set upon your country and other countries of the world. Eventually the suffering will be so great, if man does not repent, that there will be few souls left on earth.

"You are in great danger at this time, the United States of America. I tried to warn you some time ago that you allowed a two-legged demon to enter into your country. Do not believe an atheist, because they do not hold the truth.

"O My children, I know that you had struggled through the years to bring this message from Heaven. And I know, My child, Veronica - I relieve you of one cross; but you cannot be free of all suffering, because it is needed. You will understand this, My child, when you enter through the golden doors.

"Yes, My child. Yes."

Veronica - "You don't want me to repeat it? Am I going that soon? Oh, yes. Yes. Yes."

Our Lady - "Now, My child, one more message to mankind, and I will let you rest, because My Son wants to speak to you. He has grave concern of what is happening to the earth."

Veronica - "Yes. You don't want me to repeat it? I understand. Yes. Yes, I will."

Now Our Lady is going over to Her left side, our right side, directly over the trees. Oh, She's so luminous, I'm sure everyone could see Her. She's so beautiful! And She, She is so loving that I can feel it; it's just like having another mother.

Now Our Lady is going over and making - taking Her Rosary, like this. She has the golden Our Fathers and the white, luminous Hail Marys, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking over, and She's saying:

Our Lady - "Is that a nun I see over there? Where are her garments?"

Veronica - "I don't know, Blessed Mother."

CONVENTS MUST BE FREE OF TV/RADIOS

Our Lady - "My child, you will also make it known that We are not happy to see the world enter all of Our convents. They discard the habits; they're no longer maidens of purity. And I tell you, My children, that cannot be tolerated. Modernism must not be a way of life for Our dedicated. Our nuns have to have discipline, My children. Do not bring the world into the convents. I ask that the convents remain free of all television and radios, and return to their prayer life.

"Also, My Son wants it known that He is fully aware of the prayer life, the lack of prayer life, in His dedicated. They have become men of the world, and no longer men of God. I know this shocks you, My child, but it cannot be avoided. There has to be a change.

"Satan is working now throughout the world. 666 is upon mankind, and it cannot be denied. There will be murders abounding, and the abortions shall continue until mankind receives a just chastisement.

"I have wandered throughout the world all these earth-years, trying to warn mankind that if they love My Son, they will honor Him. But now many are dishonoring Him. The Eternal Father will only put up with this for a short time, and man shall receive a just punishment.

"Now, My child, you go forward now, and My Son will await you. But I wish that you enter by the circle, the infirm circle, because there are some asking Me now, and praying that you come over to them.

"Yes, My child, you go, and My Son shall speak to you when you return."

Veronica - Now - oh, over the tree right there, Jesus is coming through the trees! I didn't notice that, I was so busy watching Our Lady and the ball rolling away.

He looks just beautiful! Jesus has on a red velvet gown, with gold trim all around the edging. And I can see His sandals, like He has brown sandals, but they are tinged in gold around the sides of the strap. And Jesus is looking all about Him. It's kind of windy up there, because His hair is blowing back and forth.

Our Lady now has motioned to Him, and She is pointing towards the infirm circle. Now Our Lady is saying - She has placed her fingers to Her lips - to listen and repeat.

Our Lady - "My Son is going with you, My child, this evening."

Veronica - Oh!

"Yes. Yes, I'll go there right away."

Oh! Oh! Oh! Oh, Jesus is following me; He's coming with me to the circle. That means that there's going to be cures.

[Pause]

Veronica - Now Jesus is standing directly over the tall tree by Her statue. He has been there quite awhile. I looked back a couple of times when I was by the infirm circle, and I noticed Him standing there very patiently. He had followed me over, but then returned to the center of the exedra.

Now Jesus is looking all about Him. He is extending His hand, like this, and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over towards His left, our right. He's going farther over to the edge of the trees, and He's looking down. Now He's motioning over to the right side, and I see a map. There's a map forming in the sky; it looks like the East Coast of the United States. I can see Florida, I can even see Long Island. But then I see something very ominous. Looks like a big red bear, like in that bear picture. But you know - I know that country. It's in Cuba!

"What is the bear doing in Cuba, Blessed Mother?"

Now Our Lady is coming back. She was also watching at the infirm circle, although Jesus accompanied me over there. But now They're pointing up, and I see another country that goes across the other side of the world, it looks like. I don't know to - I'm not too familiar with the areas of the nations. But I believe it's U.S.S.R. - the Russians, you know. And Jesus is shaking His head yes. So in the meantime, He's placed His finger to His lips, like this, which means that He wants me to repeat.

Jesus - "My child and My children, I have very little to say that could solace Me for the evil I see prevalent upon the earth. Your generation have become perverse and indoctrinated by satan, until the cults of satan now are well stacked in your country. Your children will be the victims.

"Yes, My child and My children, I know it is difficult for you to understand, without having an actual meeting with these satanists, to see how vile they are, how they desecrate everything, and how they torment the souls of the children and those they have in their grasp.

"Protect your children! All the mothers and fathers of the world, protect your children, or they will disappear from your homes forever. Even human sacrifice is taking place at this very hour that I am here with you. How can We do anything but beg with you to listen now, before it is too late!

"There will come another great chastisement to the United States. Look, My child, and tell Me what you see."

SOVIET SUBS GOING TO CUBA

Veronica - Oh, I don't, I don't know where it's at, but I see a lot of boats. Oh, they're submarines; they're just coming to the surface. And they look like they're off the coast. There is a map; Our Lady's pointing towards the map of the United States. Hmm. I live on Long Island, and that sure looks like they're coming off the Long Island area.

Now, as though they have been alerted to something, they're going now down into the water. But they are going now under - I can see; Jesus has me watching them - undersea, and they are going to Cuba. I know it's Cuba. Now what they're doing in Cuba I don't know, but it appears that the Soviets are arming them.

Jesus - "Yes, My child, you have spoken well and directed it as I wanted you to. Now this has to be known.

WARN PRESIDENT OF TWO-LEGGED DEMON

"My child and My children, make it known to your Senate and your President that the two-legged demon, as We address him, has entered upon your country; and they are not to be deceived, for he has a major plan against the United States.

"Yes, My children, many prayers are being said at this time throughout the world. The nations are suffering. So therefore, We expect you to understand what may be a riddle, but easy to understand. The United States must not give up it's forces in Europe, or the other nations, for they will be disarmed and We will be attacked."

Veronica - Oh! Oh, that's terrible! Oh, yes, I see it - houses just coming down. It's awful! They're shooting! Oh, my goodness!

Jesus - "My child, at this moment, because of the perversity of the world - the world's children - We see it necessary to stand back and watch a just punishment upon mankind.

"I do not want you to think that We are a punishing God. We love Our children, but sometimes, with - the Eternal Father knows the hearts, and they have been hardened. Man has given himself over to pursuits of the flesh, and as such, he condemns his soul to hell or purgatory.

"Pray, My children! Pray for the souls in purgatory. Many shall be there until the end of the world."

Veronica - "Yes, I did see hell already, Jesus. Yes, Our Lady took me down. I really - yes. You want me to go down there again? If you want me to, I will."

Jesus - "Well, don't be affrighted, My child; just look. I am holding your hand."

JESUS AND VERONICA VISIT HELL

Veronica - Oh, my goodness! I see we're, we're drifting into a hole-like, it's like a large hole in the ground. And I hear, I hear people screaming - they're screaming at the top of their lungs! But I look down now; Jesus said to look down. I want to look up, the heat was so great, I don't want to look down. But I will. All right.

Oh, my! Oh, I see - I know they're demons, hanging on the walls of the cave-like place where - that Jesus says is part one of hell. And all these souls - there must be thousands of them - are screaming! They're screaming and crying, and they're like burning embers! Their bodies are floating all around; they have no weight. It looks like bodies, and yet it looks like coals burning!

"Oh, Blessed Mother and Jesus, please bring me out of here!" Oh! Oh, it's terrible!

"Yes."

Jesus - "My child and My children, if I could show this to everyone, you would be on your knees every day. I ask you now to pray for the souls in purgatory, and even pray for those who are in hell.* But of course, My children, unfortunately, hell is eternal."

Veronica - Yes.

Jesus - "Now, My child, My Mother made it known to you about the AIDS epidemic. There will be a cure for mankind as soon as We see the legislative bodies and those politicians of the world, who are at this time causing the abortions with their moneys and their funding, especially in the United States - abortion is murder, and as such you shall all be condemned as murderers at the time of your death unless you repent now of your sin! The Eternal Father sends each and every soul upon earth.

INCREASE YOUR ROSARIES

"Repeat again, My children, to those hardened hearts and deaf ears that will not listen, no matter what. They must be then attacked by prayer. They have to be - prayers so numerous that I would advise that the Rosary be upped in every home. Parents, your children - please, have them pray!"

Veronica - "Oh, yes. Oh, yes. Oh, yes."

Jesus says the Eternal Father wants you to remember what His Mother said, that you will read Job, chapter 33, verse 4. And it says:

Jesus - "Repeat it, My child."

Veronica - Yes. It says, I am the Almighty. I am the Almighty.

Jesus - "But first, the Spirit of life made me, and the breath of the Almighty gave me life."

Veronica - "Therefore, you shall not destroy a creation of the Eternal Father! Penance will be great upon mankind for anyone who condones these heinous acts! [Abortion]

PRIEST BECOMING MEN OF THE STATE, NOT MEN OF GOD

Jesus - "Veronica, My child, I repeat again, though My Mother has been throughout your country for years now with Her messages: We ask that the priests take themselves out of this world. They are becoming men of the state, not men of God. I accept the degradation and the present confusion in My Church upon earth, but I want a change back to normal. Man is building a church without the Eternal Father.

"Please, My children, pray much, for there will be another great chastisement upon mankind. My Mother had been able to hold it back, but I am sad to say that it is the will of the Eternal Father. During this chastisement, many souls will go into purgatory.

"The road to Heaven is a narrow road. So many never go on it. They become seeped in the pleasures of the world, not thinking that one day they will come over the veil. There isn't a creation upon earth that doesn't have to appear before the Eternal Father at the end of his time."

Veronica - "Yes. I'm to go back?"

Jesus - "Yes."

Veronica - "On the, on the left side?"

Jesus - "Yes."

Veronica - "Yes, I will."

Jesus wants me to go back on the left side. There is somebody over there that He wants to cure. I will do what He says. But He said to go to the left side, over there, and to continue blessing the infirm, because He has His reasons. There is going to be a cure there.

[Pause]

Veronica - . . . maybe around four or five feet high up there, and They're looking at everyone. Now Our Lady is taking Her Rosary, which was about Her waist, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is nodding towards Jesus, and He's moving over to our right side. Now He's putting His hand out - let's see if I could do it - like this, and saying:

Jesus - "In the name of the Father, and of the Son, and of the Holy Ghost."

Veronica - Now Our Lady is moving over towards Jesus, and there's whispering. It feels like - it sounds like the whispering of the trees. I can feel it, but I can't hear the words.

Oh, it wasn't meant to be. Oh! Oh, Our Lady - yes. Our Lady says:

Our Lady - "You can expect much difference of opinion on Our Message this evening. However, you are to give it out exactly as I gave it to you.

"We are not going to leave the grounds until the last soul has left, so don't be afraid. We're watching."

Veronica - "Yes. Thank You."

Oh, Our Lady - that light is so brilliant about Her. I'm sure if it wasn't God's will it would blind me, it's so bright! And now Our Lady is going back up on the ball, and She's standing there. But all around Her head now - it looks like the stars have come out. There are stars! I almost feel like counting them, the way they're around Her head. One, two, three, four, five, six, seven, eight, nine, ten, eleven, twelve. Twelve stars around Her head. I never saw that before on Our Lady. And Our Lady is smiling.

Now She's pointing over to the infirm circle. Oh, my goodness! Do you know She's holding Her hands down like this - like this, but the rays are going over our head; they're going back over our head. I don't know what Our Lady is doing there, but She certainly has something very mystical going on because those rays are still radiating from Her fingers and going over our head. And now I can see part of them; they look like little slivers of glass - I can't explain it, little slivers of glass, like, coming from the rays. And they're, they're falling down all about us. Our Lady calls it "graces." Oh!

"Yes. Yes, I will. When? Oh, all right. Yes. Yes. Oh, all right. I won't mention it."

Hmm. My! Hmm. Our Lady is standing right there. She's going to remain with Jesus until the last soul leaves the grounds, you know. She looks so beautiful. She has on Her - you know, Her white gown. Oh! It, it is so beautiful, it almost makes my heart stop. It's such a wonderful feeling, you know, of love. Our Lady, Our Lady acts just like a Mother for everyone, you know. And yet She looks very young.

Note:

Locution Message to Veronica

*In a series of locutions to Veronica, Our Lady, enlightened us on this matter. The following is a summation. The majority of the wording and terminology is that of Our Lady.

In the principal locution on Wednesday night, June 20 at 9:15 P.M., we were told to remember the Apostles Creed: I believe in God the Father Almighty . . . suffered under Pontius Pilate, was crucified, died, and was buried. He descended into hell: the third day He arose again from the dead When Our Lord descended into hell, He was releasing the penitent souls from purgatory, or part II of hell.

In the description above, Jesus explains to Veronica that she is in Part I of hell.

Part I of hell is the abode of the damned, **hell eternal**.

Part II of hell - what we on earth call **Purgatory**, and theologians often refer to as stage two - is the abode of the penitents. It is these souls, the souls of the purgatorians, that we are to pray for.

Our Lady lamented that there are too many false opinions on hell and purgatory coupled with mankind not even being interested in or preparing for eternal life.

In another locution on **June 21, 1990**, Our Lady reminded us again:

"There will be differences of opinion; however, you will be enlightened to combat them."

She recalled, also, that many saints have been enlightened on this subject. By repeating Himself in this sentence, Our Lord is emphasizing, underscoring the fact that purgatory is in hell.

St. Thomas Aquinas, in his Summa Theologica, actually articulates the same truth:

"Therefore the fire of purgatory is the same as the fire of hell, and hence they are in the same place." (App. 2 Q.1 Art. 2)

October 2, 1990

The Guardian Angels and Eve of Saint Theresa

This morning at 10:12 a.m. the Virgin Mary, bathed in a bright, luminous light, appeared to Veronica in her bedroom.

Our Lady wore a very beautiful white dress, made of what appeared to be fine silk. The dress was so long Veronica couldn't see Our Lady's feet, and the sleeves reached down to Her wrist. In addition, Our Lady wore a blue sash around Her waist. Overall, the dress was loose-fitting and very billowing.

Our Lady's head covering was white. It fell below Her shoulders, and it matched the material of Her dress. Veronica saw only a little bit of Our Lady's hair, which was a light brown color.

Veronica noted Our Lady's extreme modesty of dress and the similarity of Her attire as that shown in the famous and outstanding miraculous photograph: OUR LADY IN THE SKY.

Our Lady - "Dear child, you will write just as you receive it from Me. You will be unable to go to the holy grounds this evening; hence you will disseminate this message to the world as soon as possible.

"I, your Mother, and Protectress of the world's children, do beg you now to repent of your sins against the teachings of the Eternal Father - sins of the flesh and the intellect.

"A great war will erupt suddenly, such as has not been seen from the beginning of creation. Countries shall disappear in moments from the face of the earth. Will you not listen to Me before it is too late? You all do not have much time left.

"I come to you as a Protectress of peace. Unless you repent of your abortions, the murders of the unborn, and return to lives of prayer and contemplation of the mysteries of the Eternal Father, given by writings - the Bible, the Book of life and love - I cannot save you from the conflagration that lies ahead.

"Prayer, penance, and atonement.

"My tears fall upon all mankind. Will you not solace Me, My children?"

June 18, 1991

21st Anniversary of Our Lady's Appearances at Bayside

Veronica - All about the sky now, if you look far up beyond the trees, you can see the beautiful blue lights that always come before Our Lady and Jesus. Now the whole sky is opening up. There is a tremendous white light. Oh, it's so beautiful! There's no way to explain it. It's beyond anything I have ever seen in my life. It is so beautiful! Now at the center of the light I can see Jesus and Our Lady. Oh, They're coming down together.

They're very small figures now. I can't see the clothes that well, the light is so bright. But They seem to be stepping out from the circle of light, and coming down through a clear sky. It's very clear, a light blue tinged in a, sort of red, a very beautiful, satiny red. Now Our Lady and Jesus are floating. They don't walk, They're carried, like on the wind. There is no way to explain it. They are so beautiful.

Now Jesus and Our Lady are close enough, I can see what They're wearing. Our Lady has on the most beautiful white luminous gown. It's shining! It's all made of light. And I can't see Our Lady's arms, though I can see Her fingers; they are covered with voluminous sleeves. And Our Lady's gown goes way beyond Her feet now. I cannot see any of Her feet, no sandals or anything yet. It's the way the gown is draped about Her feet.

Now Jesus is nodding, and He's motioning to Our Lady to go forward on His right side. Now Our Lady is coming down much closer to the ground than I have ever seen Her before, and She's nodding yes. She's standing there now, and her left hand is motioning up, like this, into the sky. And Jesus is following Her fingers of light; there's light protruding from all of Her fingers now as She holds them up. And Jesus is coming down; I can see Him very clearly now. He's almost standing on the tip of the highest tree there in front of us. If He goes any farther down He's going to stand right on top of the tree!

Oh, Jesus has on a most beautiful red velvet gown, tinged in gold all about the edging. And I can see Jesus' slippers; His are a tan. It looks like some type of an animal skin, but they're tan, and they're open. His feet are very evident in His slippers. And Jesus is nodding His head yes, and He's smiling.

Now He's motioning to Our Lady, and She is coming closer to Him. She's just drifting over, as though She's carried on a slight breeze. I can hear the rustling of Her gown. It is so beautiful. I feel that I can reach up and touch Our Lady, but that's not to be, just now.

But Jesus now is looking at me, and He's placing His first finger to His lips, like this:

Jesus - "Listen, My child, and repeat after Me, word for word what I have told you, you would be enlightened upon this evening. I want you to know, My children of the world and My child, Veronica, that no evil is ever triumphant; I will turn all evil to good.

COMMUNISTS SEEK TO ASSASSINATE POPE

"Listen, My child, and repeat after Me: the Brown Bear of communism, of red orientation, will seek to devour the Holy Father, your Vicar the Pope, by assassination, and place on the Seat of Peter a communist puppet known by all as the White Bear.

"My child and My children of the world, disaster lies ahead in Rome if this happens. Will you not, in your goodness of heart, go forward and give this message to the world. Approach your clergy. Write to Rome! Beg them to listen before it is too late. Your Holy Father, the Pope, is in great danger. They cannot outwit the Eternal Father in Heaven. He knows their hearts, and they will not succeed if you will act upon this and keep a constant vigilance of prayer going throughout the world for your Pope, the Holy Vicar in Rome.

MAN HAS BECOME OBSESSED WITH SIN

"O My children, I have great news for you this evening, but it is not one to bring a smile to your face. The world has not progressed as the Eternal Father has asked. Man has become obsessed with sin. I tell you now, in the Trinity, that unless you listen now, your world will be planet struck.

"I know, My child, this frightens you, but it cannot be held back much longer. The world has become polluted with all forms of 'ism': communism, atheism, humanism, all destructors of the soul. Man has not progressed as the Eternal Father has deemed them to be. They are now agents of hell. Many have sold their souls to get to the head. Souls are falling into the abyss as fast as the snowflakes that come from the heavens.

TV NOT TO BE IN HOMES OF THE JUST

"Parents, I ask you now to get rid of the infernal machines in your homes! I warned you through many earth-years that this will be a point of destruction for your children. If you, at least - I ask at least, which is the least you can do, is to monitor what your children are seeing. Satan has created the infernal tube. Heaven did not deem it to be in the homes of the just.

COMET IN OUR ATMOSPHERE

"My child and My children, you will keep a constant vigilance of prayer going throughout your world, because, I repeat again, near the throne of the Eternal Father, He views a ball so immense, so beyond all man's speculation, that it will destroy over three-quarters of the earth. It is in your atmosphere. It has been noticed by few, but the few seek not to bring fear to the hearts of mankind. They do not know that it is the Eternal Father Who now will guide that Ball.

"As in Sodom and Gomorrah, mankind had gone down and given itself over to satan. I ask you now, My children, to turn back from your road to destruction, for you will be surely destroyed as was the time of Sodom and Gomorrah. Homosexuality shall not be condoned. It is an abomination in the eyes of the Eternal Father, and as such, is condemning many to hell.

"Guard your children, mothers of the world, guard them against the forces that are loosed upon earth. It is truly the final battle raging with Lucifer.

"You ask Me, My child, why does this have to come about? I say with sadness - I say this for Myself and My Mother: We have used every means possible to bring mankind back onto the right road, but he has chosen his own path, one built on pride, arrogance, and lust.

"My child and My children, you must awaken now before it is too late."

Veronica - Now Jesus is looking over to Our Lady. Oh, She's crying. I never saw Our Lady cry before. She's crying.

"What's the matter, Mother?"

Our Lady - "My child, My tears fall upon you all. If it weren't for My pleading constantly for you before the throne of the Eternal Father, this would have come upon mankind sooner. But now I can tell you that those who will be saved will be counted in the few. Those who will be saved will be counted in the few.

I COME TO YOU AS A MOTHER OF PEACE

"My child and My children, I come to you as a Mother of peace, a Mother of love. And above all, I want you to turn to My Son and have courage in the days ahead. Many will fall from the Ball of Redemption.

"Now, My child, I know that this has been a time of great stress for you. It is urgent that the message from My Son be given to the world."

Veronica - Now Our Lady is taking the most beautiful crucifix from within Her gown. It's made of solid gold, and She's holding it out like this, and She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

A REFUGE IN OUR LADY'S HEART

Our Lady - "I bless you all, My children. I seek in My heart to find a refuge for you all. I am not despairing at this time at the knowledge that was given to Me by the Eternal Father. I have great hopes for rescuing most of My children. But the Eternal Father makes it known that the numbers saved will be counted in the few."

Veronica - Now Jesus is putting His hand out, and He's making the sign of the cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is touching His lips, which means to listen and repeat.

Jesus -

The end is not as far as you can see;
Already there is apostasy.

Man cast his lot and gathered the coals
To stoke the fire that burns the souls.
The days are numbered, the hours are few;
So work and pray and try to do
The work that's given in the light,

Until that sad time when all is night.

"My child, I asked you once, for the knowledge of the world, to repeat what I now give you, the Exhortation:

Dear Holy Father, worried and wan
Will struggle with Jesus to gather the sheep.
The pastures are rich, but the sheep grow thin;
For the souls have succumbed to the sickness of sin.
You'll need reinforcements from Heavenly shores,
So deep is the darkness of earth's shallow mores.
All hearts must ascend in true supplication
To avoid the sad fate of divine devastation.
Dear Holy Mother, your Mother of love,
Does beg you to heed these dire words from above:
His heart is torn by careless surrender
Of too many souls that don't try to remember
The Father, the Son, the Spirit of life -
Smite in the heart with the human knife
Of hate, greed, avarice, vanity:
All indications that sin is insanity.
What more must you do but place the full load
Of saving all souls on the few who are bold,
Who'll stand up and fight for all Heaven's glory,
And meet with Pope Paul at the end of life's story.

"Now, My child, you will sit back and remember what I have told you now. This cannot be revealed at this moment, but listen to Me carefully."

Veronica - "Yes. . . . No. . . . Yes. . . . It's very frightful. . . . Yes. . . . I will. I can't stand it."

Jesus is looking all about Him at the people. Our Lady is wiping the tears from Her eyes. Now I can see Her much closer, and She's happy. I know how She felt. Our Lady cried the whole time that Jesus was talking. Our Lady still - though She's smiling She still looks very sad.

Our Lady - "My child and My children, I will not elaborate on My Son's discourse with you tonight. All I can say is I stand before the Eternal Father and continuously plead your cause before Him. If this was not to be, you would have received the Ball of Redemption already. I do not know, My children, how long I can hold the hand of the Eternal Father back. I can say at this time, that when the Ball of Redemption hits the earth, only a few will be saved."

Veronica - I see a . . . I see a - it's a huge ball. [Veronica speaks with great distress.] It's covering the whole sky; it's going into the trees, too. It's huge, it's smothering! And there's fire, too, there's fire all around it. It is huge! As far as I can see, it's a whole mountain, like, falling on us - a rock, with fire. Oh! Oh, no!

Now it's becoming dark. The darkness is covering the horrible sky; it was all afire. It was huge!

Now Our Lady is coming forward. She's by Herself. I don't see Jesus, but Our Lady is standing now over the tree directly in front of us, and She's touching Her fingers to Her lips:

Our Lady - "My child, We did not seek to make you affrighted. However, it was necessary to bring to the world the dire consequences if man does not make an immediate reparation to the Eternal Father for his offenses against the Father. I could go on, My child, for hours of earth time, giving to you these offenses, for throughout the earth-years they have multiplied.

"Man has not progressed on the course that the Eternal Father placed him on earth to follow. Therefore, it's in due time, in time known to the Eternal Father in His will, there will be sent upon mankind a Ball of cleansing. I cannot remove His hand near the Ball, My child.

PRAY FOR POOR SINNERS

"Pray for poor sinners who are falling into hell now as numerous as the raindrops or the snow fall upon earth. Hell is overflowing, and hell is eternal. I weep for these poor souls, for they had too few who prayed for them.

A MONSTROUS MACHINE

"Mothers must exercise great care over those placed in their trust by the Eternal Father. The abomination that hits the very heart of the Eternal Father committed on the earth is the murders of the unborn. At the time of conception, the Holy Spirit makes the child, and the breath of the Almighty gives it life. Therefore, you shall not create a monstrous machine throughout your world! That is what it's become: a machine! No human could conceive, but satan, of this act of the sacrifice of the unborn! Murder in the eyes of the Eternal Father!

"My child, I understand how this has made you ill. However, We depend on you and others to actually help during this crisis. One of the final warnings are being given throughout the world to mankind. I ask you here this evening, My child, because of the short time that is being given for mankind by the Eternal Father."

Veronica - Our Lady now is backing up into the sky, and She's pointing up with Her hand, like this. And over on the right side of the trees, I see Theresa! Oh, Theresa! Saint Theresa! Oh, she's smiling; she knows me. And now she's touching her fingers to her lips.

St. Theresa - "You will try, my sister, to send the poem messages throughout the world. They will fall into the hands of those who are deemed to receive them.

"Mankind has already been marked by the cross of the Savior, or the sign of the horn. Yes, my sister, man has created a monster upon earth, and the Eternal Father will seek to remove it.

HOMOSEXUALITY AN ABOMINATION

"As in the time of Sodom and Gomorrah, the Eternal Father was most merciful until His mercy could no longer be contained. So will it be for those who partake of the abominable acts of what you call upon earth homosexuality. It is an abomination in the eyes of the Eternal Father.

"Parents must guard their children, even from their teachers. Many are now direct agents of hell, though they walk in human bodies. Protect your children with their sacramentals. Teach them!

"My children, I ask you, please - I call you my children because I have looked down upon earth for many years, and I feel that I have a firm attachment to the souls upon earth.

PARENTS TO BE HELD ACCOUNTABLE

"Please, I ask you mothers, monitor your children's lives. Do not be an escapist, running from home and finding pleasures of the world. Bring a prayer life back to your children before it is too late. You will be held accountable for the fall of the souls of the children. Therefore, I ask parents throughout the world - with love and good leadership in the household, your children will not fall as prey to satan."

Veronica - Now Theresa is backing up. I can see now her habit more fully. It was blowing behind the tree before. But she's smiling, she's still smiling. Now she's taking her hand and she's pointing over to the right side of the sky. Our Lady is standing there, and She's reaching out now. . . . I can feel Her fingers. They were so soft, so beautiful. But there's an electricity - I can't explain. It just comes from Her fingers and radiates right down your arm. It's so beautiful.

Now Our Lady is smiling, and She's pointing upwards. And I notice, I hadn't noticed that Theresa - I'm sorry, Jesus, I didn't notice You were standing over there between Our Lady - Jesus is between Our Lady and Theresa. And He's whispering something, but I can't hear; I guess I'm not supposed to hear it. He's saying something to Our Lady. And now He's turned to Theresa. Oh, I see. I think He's telling them to move farther back into the sky.

Now Jesus is touching His lips:

WE HAVE MADE OUR HOME UPON THESE GROUNDS

Jesus - "We are not leaving, My children. We have made Our home upon these grounds. Therefore, all who come here to be solaced, I will be here. My Mother and I shall stay here even unto the conflagration.

"Now, My child, you will sit back and continue with the photographs. Three will be taken. The first will remain silent, and the others you may look into."

October 3, 1991

Feast of St. Theresa of the Child Jesus

Early this afternoon at 12:12 p.m., as Veronica lay on her living room couch resting from her debilitating health problems that have plagued her for years, St. Theresa the Little Flower suddenly appeared to her.

The popular French Carmelite nun, who was declared a saint by the Roman Catholic Church in 1925, and whose feast day is traditionally celebrated today, revealed only her face to Veronica. She was bathed in a brilliant light, with a youthful, contented, yet serious appearance about her.

"Honor the Salutation at all times: Glory be to the Father, the Son, and the Holy Ghost.

"The peoples of the earth have not progressed satisfactorily in the plan for the salvation of their souls. Prayer, penance, atonement we ask of all. The time grows short.

"All honor and glory must be given to the Trinity.

Hasten, harken, and listen, for I shall not repeat this call again."

Theresa of Lisieux

St. Theresa then proceeded to reveal a great secret to Veronica.

Written by the Shrine office as explained to Veronica from St. Theresa.

Now as we are in the latter days, when many things hidden are to be revealed, St. Theresa has made known through Veronica an astonishing revelation: little Jacinta actually confided the famous Third Secret of Fatima to Mother Godinho, a pious lady who was caring for her during her final illness. Mother Godinho was instructed by Jacinta to pass a message on to a certain priest designated by Our Lady, but tragically failed in the mission entrusted to her for reasons disclosed by St. Theresa to Veronica. (Actually, Veronica is not permitted to release all that St. Theresa revealed to her, but the report below represents a significant portion.)

Two nights later, restless and unable to sleep, Veronica was pondering the startling facts which St. Theresa had brought to light, when she was inspired to seek out Brother Michael of the Holy Trinity's monumental and authoritative work on Fatima, *The Whole Truth About Fatima*.

CANON FORMIGAO

Volume II contains a detailed account of the little seer's painful illness and her death. Much of the information that follows is taken from this source.

In Appendix II of Chapter IV is the text of a message given to Canon Manuel Formigao by Mother Godinho at Jacinta's request. Canon Formigao was Jacinta's confessor, a very holy priest, and he believed wholeheartedly in the apparitions.

Appendix III lists what the author calls an "apocryphal message," one which he and other Fatima experts believe may not be authentic. It is in the form of a letter sent by Mother Godinho to Pope Pius XII in 1954. The letter does exist, and was actually sent to the Holy Father, but Brother Michael in his commentary lists several reasons for doubting the truth of the message.

ST. THERESA SHEDS NEW LIGHT

The clarification given by St. Theresa sheds new light on both of these messages from Mother Godinho, and shows that instead of two separate messages, there was really only one message and it was to have been given in its entirety to Canon Formigao, who would then pass it on to the Holy Father.

Maria of the Purification Godinho was the directress and foundress - hence referred to as Mother - of the orphanage of Our Lady of Miracles in Lisbon, where Jacinta stayed for some time during her final illness prior to entering the hospital for surgery. Mother Godinho had gathered a community of women around her who lived as religious but without the habit and without official recognition.

MOTHER GODINHO'S DREAM

She had hoped to found an order of nuns, a dream she clung to with tenacity all her life, despite the fact that her bishop repeatedly refused to grant her the necessary authorization. Apparently, he felt that despite her obvious good intentions, she did not possess the qualities needed to carry out such an undertaking.

Shortly before her death, Jacinta had asked repeatedly that Canon Formigao be called to her bedside, explaining that Our Lady had appeared to her and given a message to be related to him. Unfortunately, the good priest was unable to come at once, and arrived a few days after her death.

Meanwhile, Jacinta, knowing she was to die, gave the message to Mother Godinho, asking her to relate it to the Canon.

Upon the arrival of Canon Formigao, Mother Godinho met with him and repeated to him the first part of little Jacinta's message. It concerned a chastisement predicted for Portugal, especially the city of Lisbon, in punishment for the sins and crimes committed in that country.

As Mother Godinho later testified, Jacinta explained that the prophecy of the Blessed Mother was conditional: "If there were souls who would do penance and make reparation for the offenses done to God, and works of reparation were instituted to make satisfaction for crimes, the chastisement would be prevented."

BURNING AMBITION

How these words must have rung in her ears, and fueled her burning ambition to found a religious order! There would be no problem with Mother Godinho in relaying the first part, as it fit neatly into her plans. However, the remaining part of the message would be a different story. She kept that part as her own secret, seeking all the while her bishop's approval.

Finally, in 1954, at the age of seventy-six, she wrote to the Holy Father, Pope Pius XII, daring to present her proposed order of Franciscan nuns as the express wish of the Blessed Virgin Mary, tailoring the remainder of the secret message to fit her dreams.

The first two paragraphs of her letter were devoted as an ardent appeal to the Holy Father for the authorization she so anxiously sought. When we omit all of the many references to herself and her proposed religious order, what remains - from what we have learned now - is a distorted message undoubtedly mingled with truths, but definitely devoid of the heart of the Third Secret.

A CRITICAL OMISSION

We know that the little seers of Fatima were subjected to all sorts of ridicule and disbelief, as well as endless questioning from the authorities. Mother Godinho realized this and knew to make public all of the very startling message Our Lady gave to Jacinta might make her the object of similar scrutiny, jeopardizing her goal of founding an order of nuns. Therefore, according to St. Theresa, she omitted the most crucial part of the message.

We all know that the famous Third Secret of Fatima was supposed to be publicly revealed in 1960, but to this day lies buried in the Vatican archives. Unknown until now is the fact that it was also buried in the ground in 1960 when Mother Godinho went to her grave!

Yes, according to the revelation of St. Theresa, the Third Secret was an integral part of the final message Our Lady gave to Jacinta for Canon Formigao. Knowing she would die soon, Jacinta revealed it to Mother Godinho to pass on to Canon Formigao.

Mother Godinho was only an intermediary; the message was not intended for her at all. However, grasping at a chance to further her own ambitions, she gave the good priest only the part concerning Portugal and kept the rest to herself.

THE ANTICHRIST

For Our Lady once more revealed to Jacinta, shortly before her death in February 1920, what is really the essence of the Third Secret of Fatima: that 666, satan, the forces of antichrist, would enter the highest realms of the hierarchy in Rome beginning in the year 1972!

Given human weakness and Mother Godinho's obsession, it would seem that this prediction of an event which would unlikely be fulfilled in her lifetime actually served to increase her delusion. Of course, she never did get her order.

Our Lady told Veronica that for this infidelity Mother Godinho suffered in purgatory for eight years, until the year 1968.

POPE PAUL VI, A PRISONER

Now we know from Our Lady's messages that beginning in 1972, Pope Paul VI was kept a virtual prisoner in the Vatican. Some ecclesiastics in the highest positions of the hierarchy, being infiltrators or having fallen from grace, drugged the good Pope, censored his mail, forged his documents, and finally staged an impostor to complete their sinister plan.

Pope Paul himself gave the world an indication of this terrible situation on June 29, 1972, when he said: "From some fissure the smoke of satan entered into the Temple of God." Though it was generally unknown at the

time, he truly had much to suffer. While Fatima watchers were waiting to see a great catastrophe in the world in the year 1972, as predicted in Mother Godinho's letter, Pope Paul was beginning his silent, heroic martyrdom as he watched Jesus' beloved Church being demolished from within.

MORE PRAYERS FOR PRIESTS

It is precisely a horrible situation like this that underscores the importance and necessity of prayer and more prayer for cardinals, bishops, and clergy of all ranks. And so it is since September 1972 - not coincidentally - we have conducted a Holy Hour for priests every Sunday (see box on page 2).

In conclusion, one can only wonder what the scenario would be today if only Mother Godinho had followed through correctly. Would the Third Secret have been publicly released by now? Would this knowledge have thwarted or at least hampered the evil designs of those who sought to destroy the Church - a Church today which lies in shambles? Would the Second Vatican Council been even considered, much less convened? Or if it was, with a different agenda?

Written by the Shrine office as explained to Veronica from St. Theresa.

June 18, 1992

22nd Anniversary of Our Lady's Apparitions at Bayside

Veronica - . . . left side. Over on our left side, directly over the trees, there is the most beautiful flashing of lights. They're all colors of the rainbow. And a rainbow is forming across the sky, from the left to the right side. Oh, it's so beautiful! It's something that's not of this world. The colors are absolutely fantastic! And there now, within the rainbow, I see Our Lady coming forward.

Oh, Our Lady is so beautifully dressed! I've never seen anything so beautiful. And for the first time now in many years, I see that Our Lady has Her hair showing. Our Lady's hair is a dark brown - not black, like mine, but a dark brown. And Our Lady has on the most brilliant white gown, covering right down to Her fingers; I can barely see Her fingers. The gown is very long. It's two-piece, like a cape over a long gown that covers Her feet. I can see that Our Lady is wearing this evening, gold slippers. They're like a sandal - not a full slipper, but a sandal.

And Our Lady is smiling now. Oh, and do you know! Oh, Our Lady has on Her wonderful crown! The roses are forming all about now; there are roses falling all about the rainbow. And Our Lady has this beautiful crown. It's all gold, golden, and it sits so squarely on the top of Her head. You see, Her head is covered with a mantle on Her head, and the, the crown is set right on top of that.

But I notice now, I see two beautiful angels. One is standing now over - coming to Her right, our left side, and the other is now standing beside Her on Her left side, our right side. And high up into the sky Our Lady is pointing. And I see the most huge person! I think you'd call him a person. I know who it is by his size, but he's an angel. But he's tremendous! He's covering the whole sky. That is Michael! Oh. Oh, he's nodding his head. Oh, yes.

Now he's pointing down, now, to Our Lady, and he's moving across the sky without even a rustle. I hear no rustle about me; all has become very still.

Now there is a gathering of angels on the right side. They seem to be of all sizes. And they go up steps now. I see steps rising high into the sky. It's like an open portal to Heaven. They are - the steps are luminous. They are of a material that is not of this world. They're formed of a light formation, but solid. And they are going up these steps now and standing and watching Our Lady; they're watching Her there. I have never seen such a guardian of angels for Our Lady. I wonder.

Now Our Lady is smiling. She looks sad, but She's trying to smile. And now She's stepping off what must have been a pedestal. I didn't notice that before because of Her gown. But She's stepping off now and coming down and over to our left, right over the tall tree, the right side of Her statue. But up above the tree now, Our Lady is stopping; She's looking. Even in the sky it's windy, because Our Lady's cape is blowing to the right and to the left. Now Our Lady is smiling, but She has a look that's very pensive. And though She's trying to smile I can see that there is a heavy sadness hanging over Her. I can feel it.

Now Our Lady is coming forward. She's closer now to the top of the trees, and She's placing Her first finger to Her lips, like this, which means to listen and repeat.

Our Lady - "My child and My children, I come to you with a Mother's sad heart this evening. And I brought you forth, Veronica, to make it known to the world that there are dire events heading towards your country and the world. As I tried to instruct you all in the past: that you must pray much for the leaders of your country and the leaders of the nations of the world, because if you do not, this will bring on the most disastrous war to mankind. It is coming in steps, My children.

"Now I want this known to all mankind: Man does not seem to learn from his past. He goes on still making the same mistakes to his own destruction.

THIS IS A RUSE

"As I counseled you all in the past, I said to you as quote: 'This is a ruse,' I repeat again. This is the visit to your country, the once great and illustrious United States of the world, the nation, the United States of America, the illustrious country that now is leading into a path of darkness. This has been allowed because of the dire straits of your nation. The morality has now been cast aside. Darkness has fallen upon mankind.

"Mothers and fathers, how often have I counseled you to protect your children in these days. You will find that many of those that you entrust to teach your children are bringing them into a world of unrealistic atheism. Already, My child, it saddens My heart to know that you are not, as a nation, allowed any longer to pray in your schools.

YELTSIN: THE MAN OF SIN

"Do you know who is in your nation now? The man of sin. I counseled you in the past, and I will warn you all for the last time that you have allowed to come in upon your nation a man who is a counterpart, an identical figure to his past successors.

"I tell you now, and I will not tell you again. This is the last time you will receive this counsel.

"As in the past, Lenin; as in the past, Stalin; and Khrushchev; and many others had tried to deceive the United States. They all felt that by trying to ensnare you with delusions of casting aside their communistic aspirations, that they had become as you, a free nation for all.

"I assure you, My children, there is no freedom in Russia. It is all a delusion.

"They seek the monies of the world from the nations of the world. And why do you not learn a lesson? It happened in the time of Lenin; it happened in the time of Stalin. And there you are all on the same road, ready to give billions of monies that should be given to those of your nation and the free nations of the world.

"Do not be deceived, My children, Russia is not free. It is a cosmetic act to delude you. Lenin and Stalin used the same tactics, My children. Why do you not learn from your errors?"

Veronica - Our Lady now, Our Lady is crying. Now She is looking up, and She says:

LENIN AND STALIN IN HELL

Our Lady - "My tears fall on you, My children. And I must give you also the conclusion to what I have spoken to you of. Lenin and Stalin are not with Us. They were cast off to meet with their god, the prince of darkness, satan.

"It behooves Me to say, and it tears My heart in anguish, that they did not seek to be saved. For those who approached them, as they will approach you in your nation and try to convince you that their way of life without the Eternal Father was a way that should be adopted by all - no, My children!

"I repeat again, because this will be My last discourse to the world on this subject: This man, these two men are of the same creed, color, spirituality - or should I say, My children, lack of spirituality. They have a father who is the father of all liars, so what does it make them, My children - Lenin, Stalin, Khrushchev, Yeltsin, Gorbachev?

"That is the same old plan, My children, and those leaders of your nation are as blind as they were in the past. I tell you for your own good, My children of the United States of America, that once was a nation under God and indivisible, that you will fall! If you do not come out of your slumber now, you will fall!

STORING ARMAMENTS IN OTHER NATIONS

"For it is their plan to subdue you, once they get the billions that they need in aid, to bring up the economy and buy more armaments. They have not disposed of their armaments, My child and My children. They store them in other nations. They have the same goals as their forefathers.

"Now, My child, I know it has distressed you much to hear this. It is not easy to have to tell you this, My child, because it places a great burden upon you.

"And I must also warn you that you must be very cautious of how you guard your home in the future. Do not be affrighted, My child. I will be with you always. My Son will not abandon you.

"But you must remember, My child, for all the suffering that is received, think and read your Book of life and love, the Bible. Know that all who followed My Son had suffering, whether of mind, spirit, or body. It is not an easy road, My child, to Heaven. It will never be an easy road."

Veronica - Now Our Lady is pointing up to the sky, high into the sky. And I see, I don't know what it looks like; it's some kind of a bomb, or - no, no, it's not a bomb. It's a submarine.

Now Our Lady is coming. She had gone over to the right side by the trees, but She's coming over, and She's pointing again. She says:

Our Lady - "My child, I'm showing this to you. Your country is not free of submarines. They're planning their attacks. They're guarding you, so that you do not receive the truth, as they will try to destroy you now, My child.

YELTSIN AND GORBACHEV: AGENTS OF SATAN

"You will see that you keep a constant vigilance of prayer going throughout your nation and the free nations of the world. We say free nations, because they are the ones that are being planned to fall and capitulate to satan's consort. And I say it in plural: consorts, Yeltsin and Gorbachev."

Veronica - Now Our Lady is placing Her hand down on Her chest, and She's looking very upset. I don't think I have ever seen Our Lady so upset. And now She's touching Her lips, which means She wants to speak.

Our Lady - "My child, I did not bring you here for an easy mission, as I tried to explain to you before you left. However, it had to be.

"You see, My children, as long as there is someone praying the Rosary in your country, We will be here to guide you. But accept Our counsel now. Do not wait until it is too late. America the beautiful will fall!

"Sit back, My child, and wait. My Son wants to counsel you on a very urgent matter."

Veronica - Now Our Lady is going over to our right side, that's Her left side. And She's going high up into the sky now, and standing over on the side. I can barely see Her because of the trees. I can see through the trees that She's standing over on our right side, and She's pointing over now to our left side. Oh! Oh, there - Jesus is now coming through the sky. He's moving very fast across the sky, over to Our Lady. Now He's reached Her side, and He's whispering something to Her. I can't hear it.

Now Our Lady is touching Her lips; She means for me to listen. And Jesus has moved over, outside the tree range. Our Lady is now between the trees and the sky, but Jesus is outside of the range of the trees. And He's now touching His lips.

Jesus has on a beautiful red cape. Oh, it looks like it's made of velvet. It's a velvet cape and a beige gown underneath. And His feet look quite bare, except that I can see the two straps of a sandal, a beige-colored sandal. It looks like some kind of animal skin. I can see Him very clearly. Now He has no covering on His head. And Jesus' hair is quite long, quite long, and it's quite caught up in the wind now, blowing back and forth. Now Jesus is smiling, and He's now touching His lips, which means to listen.

Jesus - "My child and My children of the world, as My Mother counseled you in the past, We will not abandon you. We will be with you as long as there is a Rosary recited in your country. I say now, My children, these Rosaries must reach throughout your country and the world, for the world is fast hurtling towards a great catastrophe for mankind.

"I assure you, My children, that those minds that have reached beyond the clouds seeking the impossible have now grasped the atoms from the heavens, that were once given to the Eternal Father. They were His possession, and now they are using them to destroy the earth.

"In time, My child and My children, you will understand what I mean, if We cannot turn Our beloved children of the earth. And I say, no matter how dark the souls now, you, My children of the earth, are beloved to Us, and We do not want to lose one to satan.

"My child Veronica, you have seen many photographs miraculous taken on the grounds, the sacred grounds. They may guide you in what I have to say.

STRATOSPHERE COVERED BY DEMONS

"As I discoursed with you in the past, I told you that satan and his legion of demons are loosed upon the earth. If you go up to your stratosphere now, there is hardly an inch that is not covered by the demons.

NO LIFE ON OTHER PLANETS

"Do not look for land, do not look on another planet for life, for there is none. Only those who delude you tell you this. What you saw, My child, in the past, called a flying saucer by mankind, We have allowed many to see this. They are transports from hell. However, We have never seen a demon, My child, who has taken on a human form, except through the spirit.

"No, My child, We did not allow you to see any formation of any nature on this celestial object that you saw many years ago by the doors of St. Robert Bellarmine church. Therefore, do not be deluded that there are beings coming from other planets. This is not true, My children.

"What you have now, because of the sins of mankind, all hell is loosed upon earth. Satan now knows that his time is growing short. That is the truth, My children. I tell you all: your time is growing short.

"All that is written in the Apocalypse of St. John - the Apocalypse must be read by everyone who is knowledgeable enough to understand.

PARENTS MUST TAKE RESPONSIBILITY

"And as for your children, I say this as your God: every parent that does not take the responsibility of teaching and raising his children, and giving them to others who are possessed by these demons that are loosed now upon your earth - I say possessed, and that is only a kind word. I could discourse with you much farther, but I'm afraid, My child, your heart would not be able to accept this."

Veronica - Now Jesus is telling me something, but He doesn't want me to repeat it.

"Yes. I will. I will."

Now Our Lady is coming over to Jesus, and She's standing there and looking all about Her. Now there's an angel coming over to Our Lady, a beautiful angel. I don't think it's Saint Michael. This angel is not as large as Michael, but the angel has a huge bouquet of red roses in its arms. It looks quite human in a gown. I don't know its substance, because I can't see any feet and whatever it's holding the roses by. Its arms are just filled with red roses.

And now Our Lady is motioning to the angel, and he's coming right over the trees here, and he's throwing these red roses all about the Shrine, all about, and to the left, and to the right. Now he's being joined by another grouping of angels high above Our Lady's head, and they have an assortment of yellow roses! And now they are starting to throw them down on us. I can feel them on my head.

Oh! And now the beautiful whites are showing up, and they look like little children. These angels look like little children. They're very, very tiny; they look like infants. And they also are throwing the roses. And for their strength they're throwing them very far! Oh, they're falling all the way down outside the circle. Oh, it's beautiful! They look like cascading stars. That's the only the way I can explain it. I have never seen anything so beautiful in my life! And if that is Heaven - is what Heaven is like, that's for me and for everyone.

Our Lady is smiling. And now She says to continue with the Rosary.

Our Lady - "And I will speak to you once more this evening, My child. It's more in counsel to mothers.

"Now sit back and join the prayers. We're not leaving, We're going to stand right there. If you look up, you will see Us."

Veronica - Our Lady wants the Rosary said. Join the Rosary.

[Pause]

Our Lady is coming back over the trees.

"I'm sorry, Our Lady. I had almost forgotten that You were coming back. I was so engrossed with the people in the infirm circle. However, I know that You're not crying so badly now. There's much more - pleasant. I was very upset seeing how badly You felt before."

But Our Lady now is touching Her lips, to listen and repeat.

DIRECTIVES FROM HEAVEN

Our Lady - "My child and My children, We are very pleased at the manner in which you are getting out the Directives from Heaven. Do not slacken your pace. There are many souls to be reached. They must understand the signs of the times.

"The biggest threshold for the United States and other countries of the world is if they are willing to go forth and overcome the evil within their own countries. The morality has fallen in most nations of the world now, and this cries to Heaven for either repentance or punishment.

"Know, My children, that We do not wish to see disaster come upon mankind, but the Eternal Father wills and operates sometimes, My child, in most mysterious manners.

"However, I say at this time that all parents will be held responsible for the fall of their children's souls. Do not expect them to leave your homes and to be taught in light and truth, for the demons are raging now all about you. All hell is opened wide now, and you know that that means that the onslaught is at hand.

"Therefore, We ask all parents to keep a steady hand on their children. Bar them from all the insensitive acts being committed on the diabolical tube of satan, your television. I ask if you cannot monitor your set, to remove it immediately from your home, for your children will even resort to murder if they continue to watch the programming.

"I, as your Mother, understand the difficulties of the world. You must remember, My children, I was also among you and one of you, and I understand all that is going on.

"And through the countless years that I've overlooked everyone from Heaven with My Son, this is not unusual to find a country in the state such as yours is, My child.

PRAY THE ROSARY ALWAYS

"For We have great hope that if the peoples of the world and the United States will say the Rosary in their homes, and also to reach out to their brothers and bring them the light in truth of the nature of God the Father in the Trinity - that is, the Father, the Son, and the Holy Spirit, also known as the Holy Ghost.

"My child and My children, you understand it is a known fact that when the morals of a country fall, that country will be destroyed in one way or another. Wars are always a punishment for man's sins.

"So I ask you, My children, to keep a constant vigilance of prayer going throughout your world and through your churches, and even if you have to approach your pastors. Many pastors have fallen away from the truth, and they are like black sheep now among the white sheep. However, I say to you, prayer can overrule all evil. Keep a constant vigilance of prayer going throughout your country and the world. It is the only resort now that you have against the evil.

"Do not remember these things that happen that will drive you to absolute despair in your world. Think over this, My children, and know that things are allowed upon earth by the Eternal Father for a reason, for the eventual good of all. I know you cannot understand this fully, My child, but you will in time. Therefore, when you despair, say:

O My Jesus, forgive us our sins,
Save us from the fires of hell,
Lead all souls to Heaven,
Especially those most in need of Your mercy.

"Now, My child, you will all continue with the prayers of atonement. I will be with you always, as will My Son."

Veronica - Now it's growing very cloudy, and it seems like Jesus and Our Lady - Jesus was standing there while Our Lady was talking, and I didn't have the opportunity to tell you this, but They're both carried now back up into the sky in a series of clouds, beautiful white clouds. Now I can't see Them anymore, though I can see the clouds in a distance.

October 6, 1992

Eve of Our Lady of the Rosary

Veronica - . . . directly over Our Lady's statue, up to the tree on the right. The branch is extending out. I can see Our Lady coming through the sky. Oh, She's just beautiful! There is no way I can explain the brilliance and the beauty of our Blessed Mother. And She - I, I was quite weak when I arrived here, but I feel stronger already. I feel that Our Lady - oh, Our Lady is smiling now, and She's nodding Her head. She's looking all about Her, and She's pointing down to the crucifix.

Now Our Lady said to extend the crucifix high up into the air, that She is going to place upon this crucifix the power of cures and conversions: cures of the body and cures of the spirit. Now Our Lady is extending Her hands out, like this. I can see Her very clearly.

People have asked me in the past how young or how old does our Blessed Mother look. She looks really young, and I, I couldn't put an age upon Her.

The light is touching my left hand for some reason, the light from Our Lady's fingers. They're coming down through my fingers now, and I can feel the rays now from Her left hand - that's on our right side - coming down now onto the grounds. But they seem to go beyond us here over into the rope. I can see - though my back is to it, I can see, Our Lady is showing me the rope behind us. I do believe it's the infirm circle.

Yes. Our Lady is nodding, yes.

Now Our Lady is looking all about Her. And She's extending Her hands out, and She's saying:

Our Lady - "Pray a firm Act of Contrition, one Our Father, and one Hail Mary.* And you will look up again, My child, as I will stay here. This is for reason."

Veronica - In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Father Who art in Heaven, hallowed be Thy name; Thy Kingdom come; Thy will be done on earth as it is in Heaven. Give us this day our daily bread; and forgive us our trespasses as we forgive those who trespass against us. Lead us not into temptation, but deliver us from all evil. Amen.

A firm Act of Contrition:

O my God, I am heartily sorry for having offended Thee, and I confess to all my sins, because I dread the loss of Heaven and the pains of hell, but most of all because I love Thee, my God, Who art all good and deserving of all my love. I firmly resolve, with the help of Thy grace, to confess my sins, to do penance, and to amend my life. Amen.

O Mary, conceived without sin, pray for us who have recourse to Thee.

O Mary, conceived without sin, pray for us who have recourse to Thee.

O Mary, conceived without sin, pray for us who have recourse to Thee.

Our Lady is smiling. Oh, I only wish we could get a portrait of Our Lady as She's smiling now. You feel - the feeling is beyond human words to describe. She's so beautiful and you feel so relaxed, as though you don't have a problem in the world. Our Lady has an aura about her, and I'm certain that this aura is also encircling many upon the grounds.

Now Our Lady is looking about Her, and She's touching Her fingers to Her lips like this, which means to listen and repeat.

Our Lady - "My child and My children, and especially you, My child, Veronica, I brought you here this evening because I have a dire and urgent message for the world at this time. The Eternal Father, His hand is now getting ready for a chastisement upon mankind. I say this to you all: do not be afeared, for all who have remained faithful and true shall escape this punishment.

"My child and My children, as it was in the past, so it shall be. There are many now foul deeds being committed upon the earth that cry to Heaven for retribution. The leaders of your country have lost their way, My child and My children. They are now making sin a way of life.

"In My past, My own experiences, My child and My children, I went through great sorrow, and saw this persecution set upon My Son by the world. Now He is made to suffer anew, and I join Him on His new cross.

"Yes, My child and My children, mankind is recrucifying My Son. They have forgotten; they have lost their way.

STUDY YOUR BIBLE

"My child and My children, the pages are turning fast in the Apocalypse. Have you listened to My counsel in the past, My children? Are you making an effort to study the Book of life and love, your Bible?"

SODOM AND GOMORRHA DESTROYED BY FIRE

"There is not much time left. Many will be taken from the earth. I will not at this time, My child and My children, go into full detail. However, I want you to stress the knowledge of Sodom and Gomorrah. You saw in the story of Sodom and Gomorrah, its obliteration by fire and brimstone. Can you expect less of a trial? My children, you do not listen; you do not learn from your past. You are on the same road to perdition!"

"The Eternal Father has watched with hope. And with His convictions now coming to the point of great knowledge to Him, He finds that at this time many must be taken from the earth.

"Your word of homosexuality can be explained by the story of Sodom and Gomorrah. Read in your Bibles or consult your clergy. Find yourselves, My children, a humble, pious clergy. Many have fallen away from the Faith. Many have sold their souls to get to the head. And this, My children, I say of all denominations!"

Veronica - Our Lady is looking about Her, and now She's taking . . . I, it's very sad. She's taking the coverlet around Her shoulders, the cape, and She's wiping Her eyes. Now I can see Our Lady is struggling very hard for composure. This is very hard upon Her. Now She's looking at me, and Her eyes are boring right into my eyes.

NOT ONE SHRED OF PAPER

Our Lady - "My child, you must bring all past messages to the fore. Soon you will be unable to deliver them upon the grounds. Therefore, I ask that not one shred of paper be discarded, for it will be needed.

"My child and My children, your children are leading lives without direction or knowledge of eternal life in Heaven. Sin has become a way of life in your country and many countries of the world, little children led astray by their elders.

SECRET CONFERENCE BEING HELD TO EXTERMINATE POPE

"My child and My children, you will continue to pray for your Vicar in Rome, Pope John Paul II. At this very moment, there is now being held a conference in secret to the world for his extermination, and to place upon the Seat of Peter the despot.

"Yes, My child, you've heard that word before, the 'despot.' I say it for reason.

THE ANTICHRIST

"You will continue to pray a vigil of prayer for the clergy of the world. Darkness has descended upon My Son's churches upon earth. Whatever shall become of you all in the chaos that is fast coming to your country and other nations of the world! There will soon enter upon your world a despot. Number two, I call him. But many have named him, and the Book of life refers to him as the Antichrist.

"Yes, My children, you will recognize him by his deeds. Many will sell their souls to him to get to the head, but all that is rotten will fall eventually. No matter what the struggles to keep the light in your country and the world, you will go forward as soldiers of light, carrying your banner Faithful and True, in the face of adversity.

"My child and My children, I had promised you relief from the suffering now being inflicted even on little children, of AIDS. This will come in due time. This is actually based, My child and My children, on the acceptance of mankind of the Eternal Father and My Son as their leaders.

FIND BIBLES PUBLISHED BEFORE '64

"You must all obtain a copy of the Book of life and love, the Bible. Do not accept the new mods. Try to find in your bookstores the old Bibles, My children, for many are being changed to suit the carnal nature of man. I repeat, sin has become a way of life.

"My child and My children, if I could open up the sky above Me and show you a picture of the tears that fall upon you! It's truly raining teardrops from Heaven. For many of you are blind to what lies ahead. There will be a time of great tribulation upon mankind. Will you be able to persevere during this time?"

SACRAMENTALS NEVER TO BE REMOVED

"My child and My children, I have given you - I should say My Son and the Eternal Father have given you your armor. You must keep about you at all times - at no cost must you remove from your bodies your crucifix, the St. Benedict medal, and your Scapular. I say this for reason.

"Now, My child, this week you were placed in great trial. I want you at this time to explain to others just what transpired when you removed your protection."

Veronica - "I do? It's embarrassing."

Our Lady - "Yes, My child, reach out to the world. You were allowed to go through this crucible for a reason."

A LESSON LEARNED

Veronica - Well, last week on Monday, I had to go to St. Charles Hospital for tests, seven different tests. Blood tests, EKG, everything you could think of, I went through there.

However, when I first arrived, they said to me, "Take off your medals and your Scapular." The lady seemed to know the Scapular. I said to her, "I really don't want to take off my protection." She said, "We're here to protect you. Here, let me have them and I'll put them in your bag." So off she took them.

Now I was at a terrible position of either losing my test and giving her an argument because she was a very stern individual. So I said nothing at that time, and she went forward and made her tests.

"All right. Now I was there quite a while in the hospital, as you understand when you go through those tests and wait, and wait, and wait. Now at that time then, when I was finished, I was quite hungry, and so was Arthur. So we took off for a McDonald's along the highway for breakfast.

Well fortunately, Our Lady and Jesus held back what was to happen until we at least had finished our breakfast. But unfortunately for the others who had just arrived, they were at a disadvantage. Because as we finished the cup of coffee, a man ran to us and said, "Leave here in an instant. The place is going to blow up!" I said, "What?" And then I smelled gas. I knew there was something wrong.

Well, everyone started running, and I mean they ran out of that building with me fast ahead, and Arthur, and my bag, and we jumped in the car and took off. Because you could smell the gas exuding out of that pipe.

Well, I found out later - but this was only the beginning - I found out later that these men who had a big crane had chopped up the gas pipe and out came the fumes. And if somebody had lit a match in that place, because the fumes were all around us, we would have went Boom! So I got outside in the car and I said, "Oh, thank you Jesus, Blessed Mother."

Well, I guess the old boy figured I'll still get her, so I arrived home thinking now I'm safe. Oh, yeah?

I noticed that my dog had been eating a lot of bones and things and left little slivers on the floor. But they were only tiny little slivers. I say this for a reason. But my dog liked these milk bones. They were a sort of a pinkish brown color, if you know your dog. He's a poodle and he loves milk bones. So he gets those.

However, I was sweeping up the floor, with some popcorn that Arthur had dropped, when all of a sudden I said, "Gee, what in the world am I eating? What am I eating?" But in the beginning, I had the feeling I was going to choke, so I opened my mouth. There - what was in my mouth, what was in my mouth but two large chunks of dog biscuit! Now, I'm not eating dog biscuits. So I said, "Ah-hah! He's still after me." And I said, "And I know what it is."

Because you see, Our Lady let me go through this so I'd learn a stern lesson. And She wants everyone to know about this. And anyone that doubts this, I'll prove it to them.

Because my husband came running in, and I said, "They're trying to choke me or something." "So what is it?" says Arthur. I said, "Dog biscuits in my mouth, big pieces!" "How did they get there?" "I don't know," I said, "but then I think I know."

So I ran right in, got my St. Benedict medal out of my purse that I had forgotten to put on in all the excitement, and also the Scapular. And I assure you I don't care if they have to tack it to my nose the next time! I'm not taking off my Scapular and my St. Benedict medal for anyone, including your crucifix also.

So you can see Our Lady allowed this for a reason. And I feel that - you know it was a little embarrassing to come forward, but Our Lady said She wants others to know this because there will be others who will have this experience if they are not protected with their Scapular, the St. Benedict medal, and a crucifix.

Now Our Lady is smiling.

Our Lady - "You see, My child, the world would have nothing if man was not free to speak out."

Veronica - Now Our Lady is looking about Her, and She said to listen carefully.

Our Lady - "My child, you understand the Eternal Father is most merciful, and My Son does not want the world to be destroyed. However, great tribulations shall be set upon mankind. Sodom and Gomorrah were destroyed, destroyed by fire and brimstone.

LEADERS GOING DIRECTION OF SATAN

"What can you expect upon your country which allows homosexuality to flourish and become the way of life which now your leaders under a banner of truthfulness and faithfulness to his God, have now torn down that banner and is going in the direction of satan.

"Laws are being made now to protect the offenders of God, the homosexuals. Mankind will have a banner ahead. There will be tribulations set upon the world before My Son returns to gather His own. Yes, in time many will be removed from the earth. However, there will be a tribulation before that moment.

"My child and My children, keep a constant vigilance of prayer going throughout your country and the world.

And My children of the earth and the once-beautiful United States of America, do not sell your souls to get to the head! Money has been called the root of all evil. Already the young are being tarnished, their souls corrupted by their elders.

ENSLAVED BY DESPOT

"What, O what, My children, can you expect from the Eternal Father? My Son constantly pleads your cause before the Eternal Father. However, the time is growing short. That's why, My child, I brought you here this evening in your debilitated state, as an act of mercy to the world, to turn from their path of destruction. Your nation, the United States, shall fall to the despot, and you will be all enslaved by him!

"I know, My children, many of you who hear My voice or My words will say, 'How can this happen to us?' But We heard that, the Eternal Father has said Himself that He heard that many years ago when He sent prophets to warn Sodom and Gomorrah, and they, too, did not listen.

IF YOU SWERVE . . .

"So now, My children, you will go forth as soldiers for Christ, My Son. If you swerve in your course of dedication, you can lose your eternal soul. Is this not worth fighting for, My children? Go out as soldiers of Christ! Carry the banner called Faithful and True!

"And do not be swerved by the works of mankind. Because what is coming out in your press is controlled, My children, throughout your country and the world. You must pray to be enlightened, so that you will not be deluded by the forces of evil loosed in your country and other nations of the world.

"Now, My child, you will sit back, and I want you to take several photographs of light."

Veronica - "May I decipher them publicly?"

Our Lady - "Yes, My child, you may. It will save time."

Veronica - . . . is going back into the sky. Oh, She looks so beautiful. Our Lady is smiling, She's looking all about Her. It must be quite windy up there, because Her cape - I didn't tell you, She has on a beautiful blue cape. I guess you'd call it a cape; it goes all around Her head and down the sides. And She has a cream-colored gown on with a blue sash. I don't think I have ever seen Our Lady in a blue, a light blue cape before, but it looks just beautiful.

Now Our Lady is touching Her lips.

Our Lady - "I am not leaving, My child; I will stay here. And if I interrupt you, you will understand that there is a mistake in the deciphering. If I do not interrupt you, you will go ahead."

1993

June 18, 1993

23rd Anniversary of Our Lady's Apparitions at Bayside

Veronica - Oh, I can see the Blessed Mother coming through the sky. Her figure looks very dark, as though She's coming through a great darkness. I have a sensitivity about the darkness around us - are we really surrounded, as a globe, in darkness now?

Our Lady is coming forward. And I saw Jesus, but He has sort of gone back into the dark clouds there to remain, for reason. Now Our Lady is coming forward. Oh, She is so beautiful! Oh, She absolutely sparkles tonight. She's looking about Her.

And Our Lady has on a beautiful white cape; it's bordered in gold. I never saw that before. It's very beautiful. And of course, Our Lady has on Her long cream colored gown. Oh, She looks absolutely beautiful! Our Lady appears to be very tall tonight. Maybe it's the way She's standing. And I can't see Jesus anymore. He seems to be like in a haze on Her left side, our right side.

Our Lady is looking all about Her, and Her mantle on Her head has slipped a little back where I can see Her hair. Her hair appears to be quite dark. And Our Lady is smiling now, and placing Her finger to Her lips, which means to listen and repeat.

Our Lady - "My child and My children, I come to you as a Mother of Grace; and as a mother, I cannot evade the truth with you. I must give it to you for your own protection.

"The Eternal Father - I have had to go before Him and plead your cause time and again, for He wishes to bring the great Ball upon mankind. In His reasoning, His all-knowing reasoning, He feels that too many souls are now falling into hell, driven there even by some of the clergy.

IF YOU NEGLECT YOUR CHILDREN . . .

"My child and My children, I have often admonished you to guard your children in this world of darkness. You are responsible for your children's souls. As such, if you neglect them in this lifetime, you cannot enter the Kingdom of Heaven, but could spend an eternity in hell or a long session in the other place of banishment, purgatory.

"Do not laugh, O you who cannot understand the truth nor seek the truth. I say now that if you will look, My child, for Me, look into what I show you - the realm of the suffering."

Veronica-"Purgatory?"

Our Lady - "Yes, purgatory."

VISION OF PURGATORY

Veronica - Oh, my goodness! I have never heard such a din - the screaming and the wailing. And I see people; they're clothed, but they're floating. I don't know, it seems to be endless. They're being tossed back and forth, and all I can hear is screams and moans. Oh, my goodness!

"Oh, Blessed Mother, don't make me look. My heart will stop, it's so frightening!"

Our Lady - "My child, come closer to Me. You understand there are three realms: Heaven, purgatory, and hell. I allowed you to look upon purgatory, and I understand your shock. Because - tell, My child, fully what you have seen."

Veronica - I have seen mitres: bishops, and even several cardinals. And then I see a whole score of priests with their cassocks - they're still dressed in their garments - that they are moaning and pleading. Now Our Lady is placing Her hand before my eyes. It is frightening. It's one of the most frightening things I have ever witnessed.

Our Lady is touching Her lips, which means to repeat.

BISHOPS AND PRIESTS IN PURGATORY, HELL

Our Lady - "My child, I want you to understand and bring to the world the absolute truth and reality of this realm. There are mitres and there are cassocks there. I want you to tell the world that there are clergy who are now falling into purgatory, if not some in hell, because they are misguiding the sheep.

"The Eternal Father wants to set upon the world the Ball of Redemption. How long, My children of the world, can I beg for your reprieve? Why don't you listen to My voice? I have traveled throughout your world through many earth-years, pleading with you to turn back from your ways of destruction.

"Clergy in My Son's houses, you must show more honor to My Son. There are some who are a disgrace to their profession, leading others into ways of sin. O ye of little faith, why do you debase the young? You who have given themselves over to worldly pleasures and defamed their profession shall not enter the Kingdom of Heaven.

NO SPECIAL PASSPORT

"My child and My children, We have asked you on numerous occasions to pray for the clergy. They do not have a special passport from Heaven. They fight the influence of satan and his agents upon earth, but they need your prayers. You have forgotten them. They need your prayers. I ask of you all to pray for your parish priests. Temptation is great upon them; however, they are being put to the test by the Eternal Father, and all who are rotten will fall."

FROLICKING DOWN THE AISLE

Veronica - Our Lady is placing Her hands upon Her eyes, and She's pointing over to the left side, Her right side. I see the inside of a church. There is service going on. But however, what are they doing? They are skipping, like frolicking down the aisle. As I watch I see - it is the priest, I believe, behind the altar. He's motioning to two children to come out of the pews and go to the rear of the church. The children are hastily - almost running to the back of the church, and I see they are picking up something. Oh, it is the ciborium and the plate. Oh!

Our Lady - "Now what are they doing, My child?"

Veronica - They are taking it up to the altar. Now the priest and the other man -

Our Lady - "The deacon, he is called, My child, the deacon."

WEARING SHORTS AT MASS

Veronica - They are giving these over to them, and the priest is now going back to his station behind the altar. Now all of a sudden he raises his hand, and a young - oh, a young woman is coming out of the pew. But oh, my goodness me! She has on a pair of shorts, and she's heading for the altar. Now Our Lady is pointing. The woman starts to sing. Her music is not one of the Church, or those accepted by God. And as she sings, the priest stands behind the altar. And in his eyes -

"Is he admiring her or admonishing her?"

Our Lady - "It looks, My child, like he is admiring her."

Veronica - The shorts she is wearing is most revealing and immodest, Our Lady said. Now that woman is now going to sit at the side of the altar, and as she crosses her legs it is a most horrible infringement on the sacred rites, for it -

"It is almost embarrassing, Blessed Mother, for me to look. Must I see it?"

Our Lady - "Yes."

Veronica - The shorts are no longer shorts. They're almost gone! And, and I can see the expression on the priest's face as he's observing this. Now also, there are two young girls about fourteen years of age sitting at the side of the altar as the priest goes forward to consecrate the host -

Our Lady - "My Son's Body."

Veronica - Now as I watch I notice now after the consecration that the priest is now taking his place on the right side in the altar at the last pew over to the right, and the deacon is going over to the left. And now - I don't believe it!

"Oh, I see it, Blessed Mother! There are two young girls. Our Lady, how old are they?"

Our Lady - "Fourteen years old."

Veronica - And Our Lady is saying:

Our Lady - "Veronica, don't close your eyes. Open them and tell Me what you see."

TWO YOUNG GIRLS DISTRIBUTING COMMUNION

Veronica - I see people streaming forward from the pews, and they're now being given the Host by the two young girls. Now the woman who's standing off to the side, very friendly but immodest, Our Lady said, immodest you must say, is observing all this with a smile on her face.

Now I see a man sitting in the aisle. He's crying. He has his Rosary beads in his right hand, and he's crying.

"I know, Blessed Mother, how he feels. He's not of this generation which has fallen to satan. I know just how he feels. The only thing that he has to hold onto is the Rosary."

Our Lady is looking all about Her, and as I watch She's taking Her hand and She's placing it over Her eyes. I think She's been crying.

Our Lady - "My child - "

Veronica - Our Lady, I can hear Her gasping.

Our Lady - "You see what is going on. Less and less honor is given to My Son. Whatever shall become of My children upon earth? I have wandered through earth - through timeless earth-years trying to warn My children of the coming punishment to mankind.

"Now also, We give fair warning to all clergy. Should you not turn from your path of self-seeking riches and think of the souls that you have in your care to bring to Heaven, you, too, shall vanish with the fires of the Ball of Redemption."

Veronica - Now I see coming across the sky a huge ball of some kind, but it's shooting out flames. It looks huge! I've never seen anything so big. And I see what looks like a globe on the left hand side of the world. And this globe is heading for us, and as it gets closer it appears that this ball is larger than the earth. I don't think this has ever been seen before. I've never seen anything so large.

Now as I'm watching it's getting very dark up there. But the light is very bright about Our Blessed Mother. She's standing there now, and She has in Her hands a large crucifix. And She's holding it up now. It's a crucifix without the body of Christ on it for some reason. And She's making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking to the right and looking to the left, and I have the feeling that She can see just about every soul that's standing on the grounds. Now She's turning, and with the cross - I know when I originally saw it, it had a corpus on it, the body of Christ. But now She has turned. When She first came closer, it had disappeared and just was a cross.

Now Our Lady is turning to Her right side, and She is extending the cross up again and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. She's repeating it, Our Lady, in sort of a singing manner - almost like being in church.

Now Our Lady is crossing over to Her left side, our right side, and She's pausing and looking about Her. It's quite windy up there. I don't know if I told you that Our Lady has a white cape on, like a mantilla. But it looks like it may be woolen; it looks heavy. She has that over Her head. Now She's extending the cross and making the sign of the cross: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now Our Lady is still terribly upset. I can see it in the expression on Her face. And She's moving back to be between the trees directly above us. Now She's touching Her lips, which means to listen and repeat.

Our Lady - "My children, is it almost too late to reach the multitudes. My heart is torn by the knowledge that many will die in the flame of the Ball of Redemption. Many will not be prepared. I have come to you through many earth-years, and how many have listened to My counsel? How many have tried to mend their ways that offend their God?"

"My child and My children, especially you, Veronica, My child, make it known that your country will soon receive a just punishment for the slaughter of the young, for the abominations to their God-given bodies - will receive a just punishment. I repeat, I repeat this three times in warning to you all who are the ones, the culprits of the world now who have been instrumental in the destruction of the young.

BISHOPS: DESPOILERS OF THE HUMAN RACE

"Cardinals, bishops, priests of the order of God, if you are guilty, turn from your ways. I make no accusations by name, though the list is growing long, to the Eternal Father. You who were given the God-given grace to be leaders of the flock have now scattered Our sheep! Bishops, what has become of your vocation? You are becoming despoilers of the human race. You cannot hide your sin from the Eternal Father. Turn back while there is time!"

Veronica - Now Our Lady is touching Her lips and She is going like this, which means to listen but don't repeat.

[Pause]

"Oh, no! . . . Mercy! Mercy! . . . Yes. . . . I understand. But I can't repeat it? No. No, I won't. Oh, my goodness!"

Our Lady - "Now, My child, you will sit back and wait for My Son."

[Pause]

Veronica - I see a huge ball now coming through the sky. It looks like a globe of the earth. But like pin points, I see fires springing up. I don't understand it. It looks like the globe is on fire. And now I hear a voice saying:

Angelic voice - "The owl has eyes fore and aft, ever watching the eagle. When the world cries peace, then shall he strike." [Veronica understood it to be angelic.]

Our Lady - "Do you understand what I am trying to tell you, My child?"

Veronica - "Yes. How much of this can I repeat?"

In 1968 and '69 Our Lady talked to me about a great chastisement to the United States as the leader of the world. The eyes of the world have been upon the United States, so Heaven holds the United States under bondage, in a way, for leading the world onto the path of destruction of the soul.

"Yes . . . Must I? . . . All right. If you say so, Blessed Mother. But I'm scar - I'm afraid."

Our Lady - "I want you to look, My child, and tell Me what you see."

VISION OF HELL

Veronica - I see a hole. It's very deep, and there seems to be fire all over. But in this fire I see bodies floating up and down, and they seem, they seem to be alive. In fact, I can see some men and some women. I don't see little children, but I see many men and women. And they're floating like they have no weight, yet I can see the outlines of their figures. And the fire, it burns and burns but doesn't consume them. They seem to float up and down, up and down, but there's a din of noise that's hurting my ears - the screaming, the pleading. But it's like they're in a huge hole some place beyond where I've seen on earth.

"Blessed Mother, please take me out of here. It's terrible."

Now I hear the voices pleading for mercy, but a loud voice booms back: "Too late, too late. You had your chance!"

Now Our Lady is touching Her lips and it's growing darker. I don't have to look there anymore. Our Lady said to touch Her lip -

Our Lady - "Your lip, and repeat.

"What you have just seen, My child, is hell. Many have taken away the knowledge of the existence of this abode. Remember, My children, the truth in fact that there is purgatory and hell, perpetual torment in hell."

Veronica - Now Our Lady is looking up to Her left and I see, I only see wings and two angels there coming down by Her. They don't seem to have a body. I see like beautiful children's faces - what they look like, sort of like cheruby, very pleasant looking. And I do see wings behind them but no body. They're coming now up beside Our Blessed Mother. Now Our Blessed Mother is touching Her lips.

Our Lady - "You will sit back, My child, and wait for My Son. He has an urgent message for mankind."

Veronica - Now it's growing quite hazy. I can still see Our Blessed Mother up there, but the darkness is closing in. Although I see a pinpoint of light on Her left side - that's our right side - and I'm going to watch the light. Now I can hear Our Lady's voice still, Her sweet voice, and She's saying:

Our Lady - "Sit back, My child, and rest."

Veronica - The light has become stationary now. It doesn't seem to be moving forward. It seems to have stopped for a reason. Now the light is moving to the center of the sky, and it's opening up. Oh, it's getting very large now very fast.

Oh, and I can see Jesus. I recognize Him now; I can see now. I haven't - it hasn't opened up enough, the light, to show me His chest or His face, but I can see His feet - He has sandals on - and His gown, which is a golden cream color, and He has on a beautiful red robe with all gold trim around the outside.

Now Jesus is coming forward. I can see Him fully now. He's coming to the middle tree. There are three trees right before us. In the middle Jesus is standing over it, up in the sky, high in the sky. Now he's looking about Him. And it seems to be quite windy up there, because his hair is moving.

Now there's a brilliance about Him I can't explain. He absolutely shines in the sky. It's so dark up there, but He lights up the whole sky. Now I can notice that He's looking down, and now He is touching His fingers to His lips.

Jesus - "My child and My children, what more can I add to My Mother's discourse with you? She has said it all at this time. She has spent many earth-years going throughout your world trying to warn mankind of the coming Chastisement.

"There have been many miracles set forth upon the earth by My Mother. This We have allowed as a grace to mankind, but many have been forgotten and rejected. My Mother has at this time gone throughout all corners of the world seeking salvation for mankind. How many have listened to Her counsel?"

CLERGY MUST GIVE KNOWLEDGE OF HELL, PURGATORY

"The prayer life of the clergy has fallen. Unless they return to prayer and sacrifice, give up the worldly cravings of mankind, and agree to a life of piety and dedication and fortitude, even while under attack - you will get nowhere, My clergy, by following the modes of the world. You must lead a disciplined life and give to Our children of the earth the knowledge of Heaven, hell, and purgatory.

"Man can defame Me very easily, but I will not allow him to defame My Mother!"

Veronica - Jesus looks very upset, very upset.

Jesus - "My child, Veronica, I do not mean to frighten you. But I am in dire suffering for the abuse to My Mother. I will not accept this much longer. Unless man makes a complete change from his ways that offend the Eternal Father, We will no longer try to keep His heavy hand from upon you. Your country, the United States, has been graced; but your country has fallen from the pedestal that she had been placed on by mankind. Spirituality has been cast aside. Prayer life has fallen, even in the convents. How can you, My clergy, lead others when you have adopted a mode of humanism catering to mankind? You do not feed the spirits of My children upon earth. As such, you cannot enter the Kingdom!

"The Eternal Father never changes, My children. You cannot build a paradise upon earth. That point shall never be reached, because you are doing this without your God.

"My child and My children, I ask you all from the mercy of your hearts to pray for your clergy. They are human and as such, they can fall into error and sin. Unless you pray for them many more shall be in the hell you have seen, My child.

"Veronica, I feel your weakness. You will sit back now. And My Mother is not leaving. She'll stay over on My right side."

1994

June 18, 1994

24th Anniversary of Our Lady's Apparitions at Bayside

Veronica - The sky above us is becoming very lighted. Oh, it's in the - the light is very, very mysterious. And as it's coming forward, it's forming a huge, brilliant, diamond, glowing star, a beautiful star. Now the star itself is opening up and there, as though coming from a picture portrait - I can't place it in words exactly, how to describe this to you - a tremendous star. And right in the center of it - it's covering now the whole sky above us, over our heads, and I would also say to the rear of our heads. Oh, and Our Lady is coming directly through that star. She's stepping down as though She was held up on a pedestal there. Our Lady is stepping down and She's looking all about Her. It's not still up there; there seems to be a wind because it's blowing Her skirt back and forth.

Our Lady looks so fragile and so beautiful. And there's a light emanating from Her. There's a light shining that makes Her look so beautiful that there are no human words to describe. Now Our Lady is looking up and smiling. I, I understand She is looking at what just went overhead and making quite a bit of noise [an airplane]. Now Our Lady is smiling, and She's coming down to almost now - very close to us. And Our Lady touches Her finger to Her mouth.

Our Lady - "My child, I am coming this close because of the multitudes. I do not in any way wish to be disturbed by their seeing me en masse, My child. I know you have often asked Me to appear to others to make your mission shorter. However, My child, I must go under the direction of the Eternal Father, and He wills it at this time that no more than five be given this sighting. You will explain everything that I tell you, My child, of this visit."

Veronica - Now Our Lady is turning to Her right and looking over. And now I see something that Our Lady has in Her hand that I never noticed before during all the years of the apparition. She has a crucifix - no, not exactly a crucifix, but a cross like mine. But there's no corpus on the cross. Our Lady is smiling. Now She is placing the cross right next to Her, and the strange thing about it, I don't see the cross setting on anything like a table. It's just suspended next to Our Lady by the air. That's the only way I can explain it. Our Lady is shaking Her head, yes. Now Our Lady is placing Her fingers to Her lips.

Our Lady - "My child and My children, and especially you, My child Veronica, I wish to explain to you the urgency of calling you upon the grounds this evening. Your strength is not as proficient for you as in the past, My child. I would advise you to not try to do too much at one time. I know, My child, what you are saying interiorly to Me, that I do not feel that I am losing any strength. That is because what you will and what you can suffer do not coincide, My child. I will ask you in your own language to take it a bit easy. We do wish to keep you upon the earth for some time.

"Now, My child, you will tell mankind that there is a terrible punishment scheduled for the earth. If you, My child and My children, all who hear My words, will go forward as soldiers of peace this time, because - I say peace, because your country will soon be embroiled in another war. Your prayers must rise to Heaven, and I will accompany them before the Eternal Father. Perhaps, My child and My children, there is hope for mankind. The next war will embroil many nations. It will be a war to the finish. Man has gained much knowledge, not to prevent destruction, but to maintain it for their own gluttony, their own loss of face, and for the belittlement of his fellow man.

"Know, My children, the Eternal Father watches, and We in Heaven are all knowledgeable of what is in store for mankind. The Ball of Redemption hovers now in your atmosphere. It is through the will of the Eternal Father that I come to you this evening to warn you that the Eternal Father grows weary of your reasoning, of your lack of faith, of the despoiling of your children.

"Parents, your children will one day scorn you if you do not show them a true expression of love and give them the seeds of the Faith. Without these seeds, they will be lost to mankind and to Heaven.

"My child and My children, do not be afeared at My words. I do not come to punish nor to make you grieve. I come as a Mother of truth. Heaven cannot allow the despoilment of the young souls. All parents who do not guard their children's souls as well as their bodies shall be held accountable in their last days.

"My child and My children, I often cry in My time and My trip throughout the world. I know what is in store for mankind. Several years ago I brought to you the knowledge of the Ball of Redemption. Though you cannot see it now, it still hovers over the world. I ask you now, can you not turn from your ways of despoilment? Your children are suffering as they are left to roam, to make their own decisions without the guidance of the family.

"My child and My children, please, the Ball of Redemption shall be sent upon mankind if he does not heed the measures that I have given you tonight to save your country and other countries of the world. Little children are left to roam, to make their own decisions while the parents go merrily on their way, not thinking of the souls that they had to guide. Many parents have now lost their way. They have become embroiled with mankind and not God.

"Parents, teach your children the words of the Bible. Make the Bible a necessary book in your home, not something that may be given to you as a gift by mankind, but as a gift from the Eternal Father. Read this book to your children. They are thirsting for the knowledge from God. Only you as parents can save them.

"Do not feel, parents, that you are doing unjustment to your children when you reprimand them when they do wrong. You must keep a stern attitude also toward the rearmment of your children. Many will die in the great flame of the Ball of Redemption. How many will be saved, the count is only known by the Eternal Father. My child and My children, please, I ask - I'm willing to beg you as your Mother to save your children and also in the end, save your own souls.

"My child, you will sit back and wait, because I have a great surprise for you in a short while, but I am now stepping back as I have a conversation with someone, My child, who you know."

Veronica - Oh, over on Our Lady's side, on Her left side, I see the sky opening up and - oh, it's Jesus! He's standing right next to Our Lady on Her left side. And He's wearing a long, sort of an ecru-colored gown and sandals. I can see His feet from down here. He has on brown sandals. They look like leather; I think they're leather. And He has on a cape, an ecru, almost white-colored cape over His gown. It's quite, it's quite a bit chilly over here. That is why I would assume that Jesus is wearing His cape.

Now Our Lady is placing Her first finger to Her lips.

Our Lady - "My child, sit back and rest. I am not finished with the discourse with you, but now you must read some very important photographs."

[Pause]

Veronica - Oh, right now I see a large star up above the tall tree at the right side of the banner. Now this star is growing very large, an exaggerated form of the star. But oh, I can see why because the star now is covering the whole area of the trees, beyond the trees and down towards us; it seems to be increasing in velocity or whatever you want to call it, this expansion of the star. Now oh, right in the center I can see Him now - I know who it is because He did say He would come late this evening. I know it's Jesus.

Now He's coming closer, He's coming closer now. I can see Him very clearly now. He has a beautiful golden-tinged robe about Him now. It's pulled very tight, I don't know if it's because of the wind or what, but He's pulling the gown about Him to prevent it from flying up, I guess. It looks very windy there. And the robe over His gown has - it's tinged in some kind of a fur, but it's sort of scintillating, or sort of shining. I never saw anything like that, as though there were some fragments of diamonds in the fur. I never saw anything like that on earth.

Now Jesus has come over by the tallest tree, directly in front of us there. Jesus is standing there. I can see He does have shoes on, some kind of slippers. Now He's looking all about Him, and He appears to be smiling. That, of course, makes me feel very relieved. I didn't know why He came so late tonight, but He's smiling. And now He's placing His fingers to His lips, like this, which means to listen and repeat.

Jesus - "My child and My children, My Mother had an urgent message for you, and I come now at this late evening not to enlarge upon it in full. All I can say to you is you must all pray more now, if not for your immediate families, but for those you know who are not in the grace.

"My child and My children, I do not come for a lecture to Our children upon earth. All I can say is I want and I wish that all of you would pray more and by good example bring others to Us. I call all of Our children here this evening the circle of light. There will come upon the earth a great trial soon. Many will be lost. I will not enlarge upon this because you, Veronica, I have told you countless times not to discourse on the punishment.

"Now I want you to listen to Me quietly, My child. I have something to tell you. You will not repeat it until I tell you."

Veronica - "Yes. . . . No. Real - Oh, no - I don't know. . . . Does it, does it have to happen? . . . I understand. It is something so horrible that it can't be spoken of."

Jesus said that I must repeat that many have forgotten the warning given through countless earth-years of the coming of the Ball of Redemption. Many will die in the great flame of this Ball of Redemption. Only the prayers of those who cared for their fellow men have prevented this from coming sooner.

Jesus - "My child and My children, I come as an emissary from God the Father, My Father and the Father of all mankind upon earth. I wish at this time to stress anew to you that many must go forth now as angels of light - angels certainly, My children, without wings, but no less an angel."

Veronica - Now Jesus is looking all about Him. He looks very calm; He doesn't seem angry or anything, just very calmly looking about. He said:

Jesus - "You will continue, My children, with the prayers of atonement. And I must tell you the time is, in earth time, growing short. There will be a great Chastisement set upon mankind. You will recognize this when you find out in the atmosphere a huge, immense ball of light. Do not be affrighted, My child. Your scientists will be bewildered.

It is the little people who will know the truth.

"Now, My child, you will sit back and rest. But remember, the message to the world is urgent. I do not want to place upon you, My child, the burden of knowing the full results."

*The most important photo for the world
explained in the messages:*

The 'Jacinta Photo'

One of the most important photos of this era.

'A C INTO [mitres] 1972 --- 'Anti-Christ into Mitres 1972
Explanatory drawing to clarify the Jacinta photo.
Part of the third secret of Fatima revealed again by heaven.
See the messages of October 6, 1979 and October 2, 1989.

The "Jacinta 1972" Polaroid photo taken by Robert F. on September 14, 1971.
Jacinta explains to Veronica that she wrote on the picture giving the third secret of
Fatima again to the world.

Jacinta Marto of Fatima, the child seer of Our Lady of Fatima

Commentary on the June 17, 1989 Vigil Message

Jesus - "My child, Veronica, I have a mission for you that may not be pleasant. You can reject it when you hear Me out, or you can answer yes. What I want you to do, My child, is to reach your bishop. And you will write to him, if not a personal visit - that I will leave up to you, My child. But you will tell your bishop that We in Heaven are much distressed by his current action of allowing the Lutheran groups to enter upon the Cathedral, My Church upon earth, the Cathedral of Saint Agnes [Diocese of Rockville Centre). You will tell him that all Heaven is distressed by his mistake.

"You, My child, will pray much for your bishop and all of the bishops of the world.

(Veronica was a parishioner of Infant Jesus Church, Port Jefferson Long Island NY, Diocese of Rockville Centre)

St. Agnes Cathedral

LUTHERAN "ORDINATION" IN CATHOLIC CATHEDRAL

On June 8, 1989, the Most Reverend John R. McGann, (now deceased), the former Bishop of the Roman Catholic Diocese of Rockville Centre, on Long Island, New York, permitted the use of Saint Agnes Cathedral in Rockville Centre, for a Lutheran ordination ceremony. This non-Catholic event in the Roman Catholic Diocesan Cathedral evoked a strong remark and request for action by Our Lord, Himself, to the seer, Veronica Lueken.

About 1,000 Lutherans gathered for the six ordinations of four men and two women to the Lutheran ministry by the two Lutheran Bishops. In the June 15, 1989 issue, the *Long Island Catholic* reported that "four people present expressed anger and described allowing the service and ordinations as 'heresy.'" Father Donald Hansen, Vice Chancellor of the diocese, said the bishop's office had received complaints about the service.

Lutheranism is the oldest Protestant religion founded by Martin Luther on October 31, 1517. (Luther, ordained an Augustinian Catholic priest, was excommunicated in 1520.) Some of their religious beliefs which include, Scripture as the sole authority, justification by faith alone, and the doctrine of consubstantiation in connection with the Eucharist are clearly heretical and not in harmony with the pure doctrine of the one true Church as founded by Jesus Christ--the Roman Catholic Church.

Loyalty to Christ and His Church forbids the sanctioning in any way a false religion, and allowing the Lutheran service on the altar of St. Agnes could be construed by the faithful that one religion is as good as the other, and as a result, a cause of great scandal to many.

Traditionally, a Lutheran ceremony in a Catholic Church would be considered an act of desecration!

A procedure known as the rites of reconciliation would then be implemented by the local Ordinary to purify the desecrated church.

Truly one can see why all of Heaven is much distressed.
