Gather the Souls

Our Lord Jesus Christ and Our Blessed Mother's messages to the world through Veronica Lueken.

Time of Reparation Granted

St. Michael: "Harken and listen to the Queen of Heaven! Her counsel has been given to you and must be acted upon immediately! All that is rotten shall fall from the vine! The vinedresser from Heaven now is shaking the tree."
Sept. 7, 1977

Jesus - "I grant, through the Father, the time for reparation. I do not wish to bring suffering to the world. **What will happen will be of your decision and what will happen, My children, will be used to bring many souls back to Us.**"
June 8, 1972

Gathering the Sheep for Jesus

Veronica: "At this time, Our Lady was speaking with me, to tell you that all the warnings and the prophecies of what is to come have been given for your protection. Also that the greatest of hope should be in your hearts knowing that in the final outcome, Jesus and Our Lady will be triumphant. This is what you call the time of trial and testing. **It's a separation of the sheep and the goats.** Now during this time, Our Lady said even last evening that there will be many miracles of cure and conversions for the propagation of the reality and truth of Her coming - of Our Lady's coming to earth for the purpose of gathering the sheep for Jesus."
March 25, 1973

Battle of the Spirits

Veronica: "But our work now is to see that the message of Our Lady goes throughout the world so that all the souls could be gathered for Jesus before this terrible Chastisement. Because obviously satan has now taken the upper hand throughout the world, and Our Lady has formed Her little armies. But the battle is on now, as Our Lady refers to it, **the battle of the spirits.** And those who are so wrapped up in things of the world have no idea of what's going on. They think this is ordinary, and then sin becomes such a way of life that they follow the stream. Actually, they're all going on the road to hell. That's why Our Lady said only a few will be saved. But Heaven's count of a few is a lot more than we would think is few as human beings, like Our Lady said. But the sides are being lined up.

What Jesus is doing now, and Our Lady, is **They're gathering the sheep.** Because Our Lady said there'll be sheep and there will be goats. And that's Heaven's way of expressing the bad and the good. **And by the time this is all over and Jesus comes to renew the Church, there will be great trials.** I have seen them all. I know now what to expect. And during this trial much that is bad and rotten, even within holy Church, will fall and all will be cleansed."
March 24, 1973

"The people must now save My Son's Church."

Our Lady, August 8, 1978

Jesus: "Consider yourselves as **called by the Father, as apostles** of the Father and go forth with the truth."
March 24, 1973

Our Lady: "**Children of the light, light bearers, you must go forward now** with perseverance and confidence. Never slacken in your pace of sending the Message from Heaven throughout the world. When you become despondent or grieved, you will say, **My Jesus, my confidence! My Jesus, my confidence!**"
July 15, 1977

Jesus: "My children, as you go forward now, you are entering the **time of great sorrows.** Without enough prayers and acts of atonement to the Eternal Father, the nations shall rise against nation and there will be much bloodshed and gnashing of teeth among mankind. **The loss of charity of heart has taken full grip upon many.**"
July 15, 1977

Our Lady: "My children, We hear all manner of rationalizing of sin and error. **There shall not be an excuse of rationalization for sin** given as you stand, O shepherds, before My Son and He gives you your just reward."
July 15, 1977

Future Basilica of Our Lady of the Roses

Our Lady: "There will be established in your country a refuge, a sanctuary. You will be guided, My child and My children, to this sanctuary. **The basilica shall be built on the Sacred Grounds.** Patience and fortitude will win you your crowns.

You are all being tested and tried. Many will fall away from the cause, for they have not prayed enough. They have not made enough sacrifices to remain in the fold."
December 31, 1974

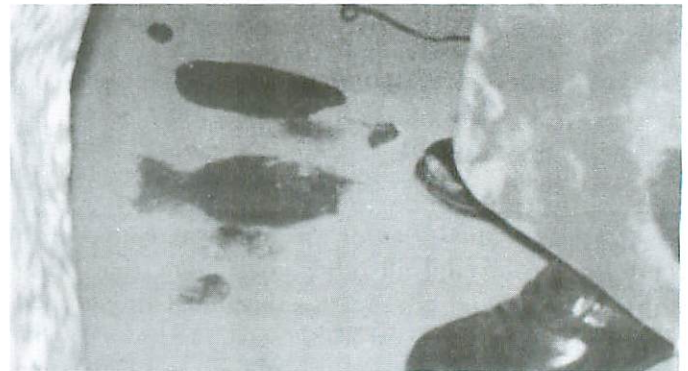

Photo taken during the Vigil at St. Robert Bellermino old Church in Bayside, NY. Veronica wrote: "The curative waters came through where Veronica was kneeling - St. Roberts site - Dec. 24, 1973. Note Miraculous Imprint, a Fish and Bread where Veronica knelt."

Prayer, Vigils, Atonement

Jesus: "I cry bitter tears of sadness for your country, America the beautiful that shall now be visited by the angel of death. My children, **prayer is the only measure now left.**

"We appealed through My Mother and other visitations to your country leaders, to your medias, to your schools. And We have placed upon earth individuals who were mediators between God and man. **My Mother was a Mediatrix between God and man, and I assure you the response has been poor.**" August 13, 1977

Our Lady: "**You will keep the Rosary, the beads of prayer, going throughout the world, bead for bead. For every bead, there shall be a soul. That is how important the Rosary is to the world today... it is urgent that the world make this final atonement.**" June 18, 1986

Our Lady: "**The Vigils of atonement and prayer meeting must not be discontinued upon these grounds.**"

Our Lady, May 28, 1977

"I ask many to **make unscheduled vigils** here on My Sacred Grounds." March 24, 1973

Value of Prayer

St. Paul - "Yes, my children, **you have not learned the value of prayer.** You disport yourselves among worldly pleasures. Man has slowly gone back to the animal stage. His desires are not of God. His passions are of satan."

July 1, 1973

Our Lady - "My child and My children, **now continue with your prayers of atonement.** We are not leaving; My Son and I will be upon the grounds until the last person leaves. And should anyone come here to pray during the weekdays, before the vigils or the Holy Hours, We will come."

Sept. 27, 1986

Obedience to the Message

Our Lady: "You must keep a **constant vigilance of prayer** going throughout your world. You will meet with **great opposition** in this struggle; the Message from Heaven will meet with great opposition. My children, We ask of you **obedience to your God; We ask of you obedience to the Message from Heaven.**" May 30, 1977

Jesus - "All messages must be dispersed with **great haste.**" June 8, 1972

'Sorrow to My Mother's Heart'

Jesus: "We warned you over and over again, through years of visitations upon earth, My Mother going to and fro to warn you that those who have given themselves over to debasement by the **practice of homosexuality, birth control, abortion and all other aberrations that bring sorrow to My Mother's heart - this must be stopped now.** There shall be no excuse accepted in Heaven by the saints, nor by My Mother and I, or the Eternal Father and the Holy Ghost, for what you are doing upon earth now."

June 6, 1987

Wars a Punishment for Man's Sin

Our Lady: "**I beg, as your Mother, for you to listen to My warnings.** My urgent plea is of major concern to your world now. For if you do not listen to Me now, you will set fast into a major World War. **Wars are a punishment for man's sins.**" March 18, 1975

The Mercy of God at Its Limit

Our Lady: "I repeat once more for your edification: **your country will meet with great disaster. Floods, great heat, and the plague.** The mercy of the Father has been extended to its limit. **Only a complete reversal in your evil ways will avert the Chastisement** planned by the Father for your country and the world." Sept. 7, 1973

Guard Your Families

"Parents must guard their children, for their purity, their spirituality, is being taken from them at a tender young age." August 14, 1979

Our Lady: "My children, you must guard your families. **Watch your children.**" Nov. 20, 1978

A Task Force Requested

Our Lady: "I ask that a task force be set upon the world to **eliminate the products of the forces of evil that seek to debase, destroy the souls of your children.** Remove from your homes the corrupters of souls: the pornography, the infernal box - your television - and the destructor of souls, modesty and purity - the nakedness of the body."

August 21, 1975

Hope in My Son to Overcome Evils

Our Lady: My children, pastors in My Son's House, **you must not compromise your Faith!** What manner of church are you creating? Who has yielded My Son into the hands of the enemies of God?

My children, the time is growing short. There are many victim souls now in your world who have carried the balance, the balance that grows heavily to the left. **When the peak of iniquity is reached, know that the final cleansing of mankind shall be at hand!**

My children, I cannot, as your Mother, refrain from bringing to you the facts. **I give you hope in My Son. Remain with Him at the tabernacles** in your world. I bring you confidence from My Son, that if **you persevere you will overcome all of the evils now rampant in your world.**" December 28, 1976
