## Man Shall Not Seek to Create Life by Artificial Means

Our Lady and Our Lord's Messages to the World through the late seer Veronica Lueken

**"Stem Cell research is evil." Pope John Paul II  
(at a public Forum with President Bush present—August 2001)**

### DIABOLICAL SEARCH FOR LIFE

Jesus - "My child, there is also one thing I wish to discuss with you for the world, for all of the world's children to know, how Heaven feels about their diabolical search for life in a test tube. Yes, My child, I know this shocks you, but you are fully aware of what is going on. Your news medias seem to enjoy putting these evils before your eyes and your ears and your readings.

### SURROGATE MOTHERS FROWNED UPON

Yes, We frown upon surrogate mothers. We shall not tolerate the making of children from one to the other.

"The sacrament of Marriage was given for the union of man and woman in love and godliness. There is nothing godly about a man who sets himself up to play God and starts revolving innocent - I prefer to call My children innocent, because in that way I do not refuse them even penance for their sins - but they must know that you cannot bring life in a test tube. This will not be accepted by Heaven.

"These children are not conceived by the Holy Ghost, the spirit within them at the moment of conception, because their conception is from a test tube, and an instrument of a so-called doctor upon earth. He is a doctor, not of divinity, but of sin. Doctors now are profaning their profession; those who have given themselves over to destroying human life in abortions. Doctors also pretend, or hope to seek far above the Eternal Father just as the angels did many years ago. They sought to outshine the Eternal Father and they were cast forever out of Heaven, but they took many with them.

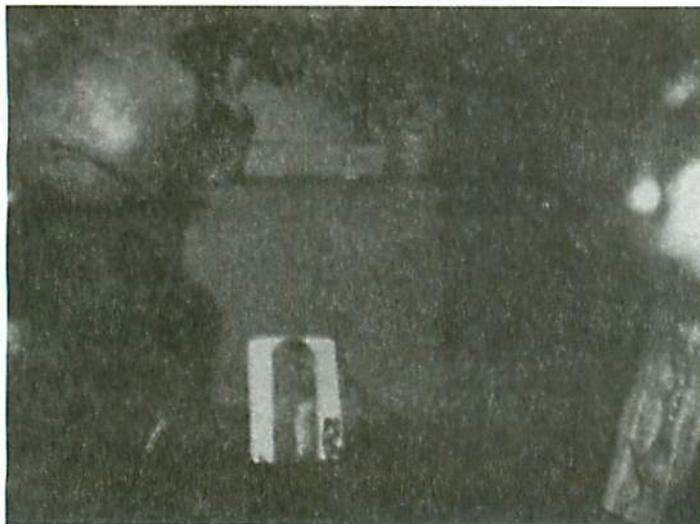

Therefore, My children, I must tell you this. There will be a major war between the right and the wrong side, the left and the right, over this issue.

"We will not have test-tube babies, for they are not born with a soul. They can only, then, be called a 'thing', a 'creature unknown'. Is this what you want, My children? Is this what you want of these children you bear for another? To give them as though you were machines, manufacturing them for another?"

June 6, 1987

Our Lady - "Did I not warn you when I first entered upon the grounds at St. Robert Bellarmine Church? Did I not warn you with a photograph? The woman standing at the right high in pregnancy and upon her person a test-tube with a being inside that resembled a child but is not a child! My children, if you continue - O scientist of the world -in this pursuit, your punishment shall be great!"

July 25, 1978

### SOULLESS BEING OF DESTRUCTION

Our Lady - "It is an abomination in the eyes of God for man in his arrogance and pride to seek to create the living being. What he is creating is a soulless monster, a being of destruction for all that it will meet. I say 'it,' for it is not truly a human being but 'a thing!' My children, a thing!"

July 25, 1978

### DEMONS ENTER BODIES

Jesus - "The demons possess many."

Sept. 13, 1974

"...they must possess the bodies of humans."

Sept. 7, 1976

Our Lady - "Satan cannot work upon his own and in his own image. He must enter into the body of another."

April 6, 1974

### SATAN GATHERING AN ARMY FOR BATTLE

Our Lady - "The very forces of hell are gathered to do battle....good and evil, the Eternal Father in Heaven against Lucifer, the fallen one."

December 7, 1978

"Satan, that is Lucifer and his agents.... go about now as an army from hell... They seek to destroy the youth of your country and the world."

February 10, 1978

### MUST CEASE STRIVING TO REACH CREATION

Our Lady - "My child, I have asked you to flood your country now with the warning from Heaven that science and men of science must cease their striving to reach creation, for no man shall ever be able to create life. The shell shall be produced without life!"

August 5, 1978

### DESTROY NATURE OF HUMANITY

Our Lady - "Man shall not seek to create life by artificial means; for you destroy the very nature of your humanity; and you shall receive for such actions a just punishment in chastisement from the Eternal Father."

October 6, 1979

Our Lady - "The Eternal Father only has the key to life."

August 19, 1978

### The Lord Slew Onan Who Spilled his Seed

Genesis 38: 7. And Her, the firstborn of Juda, was wicked in the sight of the Lord: and was slain by him. 8. Juda therefore said to Onan his son: Go in to thy brother's wife and marry her, that thou mayst raise seed to thy brother. 9. He knowing that the children should not be his, when he went in to his brother's wife, spilled his seed upon the ground, lest children should be born in his brother's name. 10. And therefore the Lord slew him, because he did a detestable thing.

### Test tube babies...

The road to hell is often paved with good intentions

On Aug. 5, 1971, during the apparitions on the site of St. Robert Bellarmine Church, a photo was taken with a Polaroid camera of a man placing a picture of St. Michael at the base of the Madonna statue.

When the photo was developed (on the spot), there was standing to the side a woman, high in pregnancy. But to the astonishment of all, there was miraculously placed on her stomach a large test tube and inside the glass the obvious form of a baby.

Our Lady: "This will be not a human, but a soulless 'thing'-an 'it'. All who participate in such abomination-seeking to play the role of God in creation- shall perish by the sword."

## TESTIMONIALS LETTERS

**"Cures and conversions will come about as I have promised to propagate the work and mission on earth of raising in your country the Shrine." Our Lady, December 30, 1972**

### ***Return to the Sacraments***

March 23, 2001

Thanks be to God Almighty for the dedicated workers who stand strong at the original 'Our Lady of the Roses, Mary Help of Mothers Shrine'.

Thank you dear Blessed Mother for all that you do to help us to get to heaven with You. Many thanks for the return to the sacraments for my husband. I humbly implore your help of the same for my sister Mary who left the Catholic Church over 50 years ago. Thank you Jesus for permitting your loving Mother to come to us and help us.

Ms. W. - Miami, Florida

July 16, 2001

In thanksgiving for my son's return to the Sacraments.

### ***No Infection After Operation***

Our Lady's Workers

April 24, 2001

Thank you for all the prayers for my eye operation. It turned out fine and I usually get some infection after any operation. And in this case it would have been devastating. Yours in Christ,

Ms. K. - Minnesota

### ***Condition Began to Improve***

Dear Friends of Our Lady,

June 20, 2001

One year ago a friend and co-worker of mine suddenly became very ill and was diagnosed with multiple myeloma, a terminal cancer. She was given chemotherapy and other medical treatments, but her condition grew worse. She was bedridden much of the time. In March of this year she collapsed and it was attributed to an allergic reaction to one of her medications. Right after that episode I thought to send her a blessed rose petal, although I did not know what her religious beliefs were. She called and thanked me and I took the opportunity to tell her about the many cures at Bayside.

Her condition began to improve from that time. She was able to drive her car again and tend to her family. She continued with the chemotherapy, but her condition has improved so drastically and in such a short time, everyone is amazed. Her cancer cell test showed a drop from 97% to 50% one week ago. Her family is overjoyed and her doctor now feels she can safely have a bone marrow transplant. I believe the *Rose Petal* has caused a miracle in her life and I am hoping that the next test will show no trace of cancer. She is aware that the drastic change in her condition in such a short amount of time is nothing short of a miracle. I hope this will encourage others who suffer with a serious illness. We have given another blessed *Rose Petal* to a young woman with children who also has cancer and has been given one year to live. Please pray for her. Thank you for your continuing service to Our Lady.

Ms. A. - California

### ***Aunt's Infection Stopped***

April 8, 2001

My aunt who is in a nursing home developed a urinary infection and was bleeding for several days. I asked Our Lady of the Roses for a miracle. When I visited my aunt the next day, the bleeding had stopped completely. Thank you my beautiful Lady of the Roses.

Ms. G. - El Paso, Texas

### ***No Pain in Final Days***

June 30, 2001

Years ago, I received a rose petal. When my brother's mother-in-law was diagnosed with advanced terminal cancer, she became extremely depressed. On her last days, she was administered morphine to ease the pain. Several days before her death, the morphine was stopped because it was no longer helping her. I took her the Rose Petal I had and gave it to her. She held it in her hand all the time until she exhaled her last breath. Amazingly, however, she felt no pain during these few days that she held on to the Rose Petal. I know several persons that are seriously ill and I would like to provide them with the Rose Petal.

Mr. L. - Corpus Christi, Texas

### ***Our Lady Answered***

March 2, 2001

I received this letter in the mail when I was wondering how to get more rose petals. Our Lady answered me by coming with your letter. Please put a note of gratitude and thanksgiving at Our Lady's feet for all we have and for sustaining us in our lives. Sincerely,

Mr. C. - PA

### ***Great Blessings for Family***

July 21, 2001

You have been a great blessing in my life I'm sure, and I have found that when I pray, good things keep happening to me and my family, namely my children.....

Ms. A. - Minnesota

### ***Mother Saved in Car Crash***

Dear Arthur,

March 1, 2001

I hope this note finds you and yours in the best of health and spirits. Could you please include my whole family in your combined prayers at Bayside? ....

I need a strong army to pray for my parents 82 and 84 years old. They are in poor health. My mother was recently in a severe car crash that totaled her car. A piece of flying wood broke the windshield and shattered it. They said if that was four inches lower she'd be dead. We believe her sacramentals and Heaven saved her. The air bag let go at 200 miles an hour and hurt her face and chest. ....My father is an invalid and takes much care. We are a family of seven children and all are helping as much as we can.....Thank you for your help.

Ms. G. - Massachusetts

Veronica, October 2, 1972

**Our Lady of the Roses, Mary Help of Mothers Shrine, [the 'Lourdes of America'] is an apparition site of Our Lady and Jesus' appearances to Veronica Lueken, ('Veronica of the Cross') from 1970 to 1995. Our Lady requested Rosary Vigils of atonement on the Eve of the Feast Days, 7:30pm and every Sunday at 10:30am held at the Vatican Pavilion Site in Flushing Meadows Park, Queens NY. (Located just beyond the Queens Theatre - look for 'Our Lady of the Roses' banner) Our Lady promised that a miraculous spring of curative waters will erupt at the old St. Robert Bellarmine Church in Bayside, the original Sacred Grounds. Our Lady asked that Her Clergy build a Basilica at this Her chosen site to be called 'Our Lady of the Roses, Mary Help of Mothers.' Our Lady promised to appear over the old St. Robert Church as an undeniable sign for the Bishop. We await a full Church canonical investigation. Countless miraculous photos and cures and conversions have been received through Our Lady. Join us for the Rosary. Send your petitions to be placed at the Shrine.
