Abortion-The Slaughter of the Holy Innocents

Life Begins at Conception

Our Lady: "At the time of conception, the Holy Spirit makes the child, and the breath of the Almighty gives it life."

Vigil of June 18, 1991

Our Lady: "The murders of the unborn will not be tolerated. You will read Job, chapter 33, verse 4: [Douay Rheims Bible]

'The Holy Spirit made me, and the breath of the Almighty gave me life.'

Do not listen to those disciples of satan that are trying to take this knowledge from you. All mankind has been created by the Eternal Father, in the Son and the Holy Ghost." *Vigil of June 18, 1990*

Our Lady: "Our Hearts are torn because of the wanton murder of the young by evil man. Abortion, My children, is murder, the most foulest of deeds, that is punishable by death! And what is worse than death of the soul? I say unto you, as your Mother, that any man or woman who performs or takes part of this abomination of the murder of the unborn shall be given a heavy penance upon earth, or if this penance is not given upon earth, that person found guilty in the eyes of his God shall suffer eternal damnation in the fires of hell!

O My children, there are countless souls being returned to the Father. And you ask, My child, what becomes of them? Limbo is overflowing with the rejected souls, the murders of the unborn. Pray a constant vigilance of prayer for the men of sin who perpetrate these atrocities."

Vigil of December 28, 1976

Our Lady: "I say this for this reason: the Eternal Father is much disturbed at the numbers of abortions being committed throughout your country and the world. These numbers go upwards **to fifty to sixty million in one year throughout the world.**"

Vigil of June 18, 1986

Our Lord Jesus: "The Eternal Father finds that children He had great plans for to bring the true Faith to the world and to save His Son's Church, they have been murdered in the womb." *Vigil of October 1, 1988*

Our Lord Jesus: "The souls you have sent back to My Father will be your score sheet for the destruction that will fall on you! These innocent angels have been untimely cut out of the plan on My Father. You are no longer sharing with My Father in creation, for you have chosen to be against My Father!"

Vigil of May 19, 1971

Our Lady: "One of the reasons the Eternal Father chose your city [New York City, NY] and your state for My appearance was because of abortion, the murder of the holy innocents. Your nation, without repentance, shall be the first struck."

Vigil of March 15, 1978

Jesus: "He [Lucifer] entered your city on January 21, 1971. He was in Albany * [the capital of New York] first to promote the murderous evil of the killing of the young."

Veronica explains: "in other words, Jesus was saying, if you will check back in history, that previous to - **January 21, 1971, he entered your city, which means he came to New York**, Lucifer himself in the body of a man, and his agents with him. He was in Albany first to prompt the murderous evil of the killing of the young [innocent unborn souls].

Therefore, abortion was legalized because of Lucifer and his agents showing up in Albany and taking over the bodies of influential individuals who are out of grace, without faith."

- Jesus, 1971 in 'Conversations with Jesus'

Abortion – The Slaughter of the Holy Innocents

Our Lady: “The Father sends the spirit, the soul, into the body. At the moment of conception a life is created. Therefore, all who murder the unborn have taken upon themselves the judgment over life and death of an individual, a living creation of God. And as such, he is guilty of breaking the Commandment of the Father: *'Thou shalt not kill!'* And all who do not make compensation, repent of their sin, are eternally condemned to the damnation and fires of hell! No excuses, no rationalization is accepted by the Father. He is the final judge. You cannot judge each other. However, you cannot shut your heart and your eyes and your ears to what goes on about you - **murder by the thousands!**

A state of life exists now far worse than it was in the time of Herod! The Holy Innocents were slaughtered, but your numbers now of children being slaughtered are counted in the millions. Damnation is the eventual judgment upon any man or woman who takes any measure in the slaughter of the unborn. Will you have the time to make restitution and renew your soul before you come to Us for judgment? **Turn back now and restore your country to its original dedication to the Father!** Remove this great evil from among you! *September 28, 1974*

Keep the Faith in the hearts of your children. Pray that they do not turn searching for the truth and find satan. For many now have set up their own way of dedication to this Prince of Darkness, giving themselves to all manner of degrading practices. Woe unto the man who has dedicated and given his soul to satan upon earth! He is claimed forever in the abyss! Now, My child, you will pray. Continue a constant vigilance of prayer. There is not a moment to lose.” *Vigil of September 28, 1974*

Our Lady: "Know, My child, this simple lesson, that in these days of the latter times, women will seek to cast off their role as mother and a woman. Women will cast it off under the direction of satan, and murder her children. Woe to the woman who does not repent of this vile abomination! She has walked the road to eternal damnation and hell. Repent, O woman, or forever be lost!"

Vigil of March 18, 1975

Our Lord Jesus: "Doctors now are profaning their profession, those who have given themselves over to destroying human life in abortions.”

Vigil of June 6, 1987

Our Lady: “Your country, the United States, has been given in the control of the forces of evil - 666! Death will become prevalent among your leaders. **There is no honor for life in your country and the countries of your world.** Therefore, My children, recognize the rampant evil!

When the value for life and the preservation of life has been removed, as it has been in the murder of the Holy Innocents, know that no man shall be free from death at the command of the leaders! I came to you, My children, and gave you, at the command of the Father, a name of the ‘*Roses*’. **The roses, My children, signify the souls, the preservation of life for eternity in the Kingdom of God.** [The red rose is the symbol NY state flower and the symbol of pro life

Vigil of January 31, 1976

*** New York was the first state in the United States to legalize abortion.**

The NY Bill passed and was signed April 11, 1970 by New York Governor Nelson Rockefeller and was effective on July 1, 1970. It permitted abortions up to the 24th week of pregnancy, repealing the 1832 New York statute that prohibited it. In the first year of the law, there were nearly 250,000 abortions in New York City later called the "*Abortion Capital*" of the nation.

On January 22, 1973 the US Supreme Court legalized abortion in the Roe v. Wade decision, striking down all state abortion restrictions.

Two US Justices dissented, calling it “*a new constitutional right for pregnant women without reason or authority for its action...the people and the legislatures of the 50 States are constitutionally disentitled to weigh the relative importance of the continued existence and development of the fetus...*”

Justice Byron White
