June 18, 1990

Twentieth Anniversary of Our Lady's Apparitions at Bayside

Veronica: Oh, the blue lights are appearing all about Our Lady's trees now. You know, it is Her signal that She's coming.

Oh, there's a bright light - oh, like a ball of light, coming through the sky at the top. And I can see Our Lady is standing on the ball, just like She did twenty years ago! Oh, the ball seems to represent the earth. And Our Lady now is looking all about Her; She's coming very close. In fact, now She is drifting off of the ball, and the ball is going to our left. And Our Lady is coming down to the top of the tree directly behind Her statue. Our Lady is looking about Her.

Oh, She has on the most beautiful gown! It's white and luminous. And She has a mantle that extends all about Her head and down to Her feet. And now as I look at Our Lady's feet, I can see She has delicate petals of roses now coming from Her feet and coming down our way; they must be special graces.

Oh, Our Lady is so beautiful! I don't know - I want, I wish She would appear to everyone to see Her like She is. It's the most beautiful sight in the whole world!

I love you, Blessed Mother! Yes.

Now Our Lady is looking, and She's putting Her first finger to Her lips, like this. That means to listen and repeat.

Our Lady: My child and My children of the world, I am very elated at the response from which the workers for Our Lady of the Roses responded, and have brought in many new souls. Before the evening is over, you will understand what I am telling you, My child.

But first of all, I come also for this reason: there is much going on in the world now that is evil. As I tried to make you understand several years ago, that satan has entered now into My Son's Church upon earth, and satan has control now of all the medias. Therefore, it is up to the parents now to see that their children do not become polluted and lose their souls.

We're all aware in Heaven of the drug epidemics, the volcanoes erupting; but you see, it was to come about. Now I hear, I hear the prayers of many who call out for mercy because they have the disease called AIDS. My child, make it known to them, in writing, that this was a direct admonition by the Eternal Father for their performing terrible acts of indecency upon earth that destroys the young souls who follow them. I am talking, My child, about homosexuality. It is rampant all over the earth.

A CURE FOR AIDS

You have to understand, the Eternal Father is not a punishing God. However, He is most interested in the children; and it appears now that the sins of the parents are being placed upon the shoulders of the children. And O My children, if I could only show you the list that the Eternal Father has for Him to go through the world and bring these souls back. The sins of the parents shall be visited upon the children.

O My children, I hear your cries because of the AIDS epidemic in your country and the world. I plead for you to the Eternal Father, to remove this plague from among mankind. And I have great news for you this evening, My children. The Eternal Father and My Son have made it clear to Me that if man will repent of his ways that have given - been given to him by satan, **We will see that you do have a cure for AIDS.**

A certain length of time has been set about by the Eternal Father. It is the time for you to repent and do penance for the sins of the world. There are many who are willing to help Us now. We watch you all, My children, and We will guide you to an eventual victory. All who suffer upon earth because of satan's battle with them will know that through Our mercy not all will be lost.

I want you to stress, My child, the existence of hell and purgatory. It has been forgotten by many. Even the priests in My Son's churches have overlooked this essential knowledge. In fact, some now mock it as being untrue. My child and My children of the world, please believe Me. I have been through purgatory. I have been through hell. And I tell you all: please, do penance for your brothers and sisters who do not have the way.

The way to Heaven is really led by a scene of love. The Eternal Father is not One to punish you, for He wishes to save all mankind. He has created you. Even that, My child, is being discarded. I hear the voices that cry out that you were not created by the Holy Spirit. But I say unto you, men of the cloth, too, that you do not follow your religious beliefs. You've given them up, and you work among precepts for man.

Do not make My Son's Church a place just for man. It was, through the Eternal Father's plan, to be a place of honor and direction to set you on the road to Heaven and not lose your road and wind up in hell or purgatory. You see, the enemies of your God believe that if they can confuse you and make you believe errors, they will take over completely. But I know, My children, if you listen to Our direction, that will not happen.

I say again: if man will repent of his sin and discard the homosexual life they are living, I will give them a cure for AIDS.

Now also, My child and My children, there is another fact to be known to mankind, and shouted from the rooftops: the murders of the unborn will not be tolerated. You will read Job, chapter 33, verse 4: The Holy Spirit made me, and the breath of the Almighty gave me life. Do not listen to those disciples of satan that are trying to take this knowledge from you. All mankind has been created by the Eternal Father, in the Son and the Holy Ghost.

The existence of the Trinity, too, is being attacked. We are fully aware of what is going on. And I can tell you, My children, if there are not immediate changes, another plague shall be set upon your country and other countries of the world. Eventually the suffering will be so great, if man does not repent, that there will be few souls left on earth.

You are in great danger at this time, the United States of America. I tried to warn you some time ago that you allowed a two-legged demon to enter into your country. Do not believe an atheist, because they do not hold the truth.

O My children, I know that you had struggled through the years to bring this message from Heaven. And I know, My child, Veronica - I relieve you of one cross; but you cannot be free of all suffering, because it is needed. You will understand this, My child, when you enter through the golden doors.

Yes, My child. Yes.

Veronica: You don't want me to repeat it? Am I going that soon? Oh, yes. Yes. Yes.

Our Lady: Now, My child, one more message to mankind, and I will let you rest, because My Son wants to speak to you. He has grave concern of what is happening to the earth.

Veronica: Yes. You don't want me to repeat it? I understand. Yes. Yes, I will.

Now Our Lady is going over to Her left side, our right side, directly over the trees. Oh, She's so luminous, I'm sure everyone could see Her. She's so beautiful! And She, She is so loving that I can feel it; it's just like having another mother.

Now Our Lady is going over and making - taking Her Rosary, like this. She has the golden Our Fathers and the white, luminous Hail Marys, and She's making the Sign of the Cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking over, and She's saying:

Our Lady of the Roses® Mary Help of Mothers † P.O. Box 52, Bayside NY 11361 † (718) 961-8865 † www.OurLadyoftheRoses.org

Our Lady: Is that a nun I see over there? Where are her garments?

Veronica: I don't know, Blessed Mother.

Our Lady: My child, you will also make it known that We are not happy to see the world enter all of Our convents. They discard the habits; they're no longer maidens of purity. And I tell you, My children, that cannot be tolerated. Modernism must not be a way of life for Our dedicated. Our nuns have to have discipline, My children. Do not bring the world into the convents. I ask that the convents remain free of all television and radios, and return to their prayer life.

Also, My Son wants it known that He is fully aware of the prayer life, the lack of prayer life, in His dedicated. They have become men of the world, and no longer men of God. I know this shocks you, My child, but it cannot be avoided. There has to be a change.

Satan is working now throughout the world. 666 is upon mankind, and it cannot be denied. There will be murders abounding, and the abortions shall continue until mankind receives a just chastisement.

I have wandered throughout the world all these earth-years, trying to warn mankind that if they love My Son, they will honor Him. But now many are dishonoring Him. The Eternal Father will only put up with this for a short time, and man shall receive a just punishment.

Now, My child, you go forward now, and My Son will await you. But I wish that you enter by the circle, the infirm circle, because there are some asking Me now, and praying that you come over to them.

Yes, My child, you go, and My Son shall speak to you when you return.

Veronica: Now - oh, over the tree right there, Jesus is coming through the trees! I didn't notice that, I was so busy watching Our Lady and the ball rolling away.

He looks just beautiful! Jesus has on a red velvet gown, with gold trim all around the edging. And I can see His sandals, like He has brown sandals, but they are tinged in gold around the sides of the strap. And Jesus is looking all about Him. It's kind of windy up there, because His hair is blowing back and forth.

Our Lady now has motioned to Him, and She is pointing towards the infirm circle. Now Our Lady is saying - She has placed her fingers to Her lips - to listen and repeat.

Our Lady: My Son is going with you, My child, this evening.

Veronica: Oh!

Yes. Yes, I'll go there right away.

Oh! Oh! Oh! Oh, Jesus is following me; He's coming with me to the circle. That means that there's going to be cures.

[Pause]

Veronica: Now Jesus is standing directly over the tall tree by Her statue. He has been there quite awhile. I looked back a couple of times when I was by the infirm circle, and I noticed Him standing there very patiently. He had followed me over, but then returned to the center of the exedra.

Now Jesus is looking all about Him. He is extending His hand, like this, and making the Sign of the Cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Jesus is going over towards His left, our right. He's going farther over to the edge of the trees, and He's looking down. Now He's motioning over to the right side, and I see a map. There's a map forming in the sky; it looks like the East Coast of the United States. I can see Florida, I can even see Long Island. But then I see something very ominous. Looks like a big red bear, like in that bear picture. But you know - I know that country. It's in Cuba!

Our Lady of the Roses® Mary Help of Mothers † P.O. Box 52, Bayside NY 11361 † (718) 961-8865 † www.OurLadyoftheRoses.org

What is the bear doing in Cuba, Blessed Mother?

Now Our Lady is coming back. She was also watching at the infirm circle, although Jesus accompanied me over there. But now They're pointing up, and I see another country that goes across the other side of the world, it looks like. I don't know to - I'm not too familiar with the areas of the nations. But I believe it's U.S.S.R. - the Russians, you know. And Jesus is shaking His head yes. So in the meantime, He's placed His finger to His lips, like this, which means that He wants me to repeat.

Jesus: My child and My children, I have very little to say that could solace Me for the evil I see prevalent upon the earth. Your generation have become perverse and indoctrinated by satan, until the cults of satan now are well stacked in your country. Your children will be the victims.

Yes, My child and My children, I know it is difficult for you to understand, without having an actual meeting with these satanists, to see how vile they are, how they desecrate everything, and how they torment the souls of the children and those they have in their grasp.

Protect your children! All the mothers and fathers of the world, protect your children, or they will disappear from your homes forever. Even human sacrifice is taking place at this very hour that I am here with you. How can We do anything but beg with you to listen now, before it is too late!

There will come another great chastisement to the United States. Look, My child, and tell Me what you see.

Veronica: Oh, I don't, I don't know where it's at, but I see a lot of boats. Oh, they're submarines; they're just coming to the surface. And they look like they're off the coast. There is a map; Our Lady's pointing towards the map of the United States. Hmm. I live on Long Island, and that sure looks like they're coming off the Long Island area.

Now, as though they have been alerted to something, they're going now down into the water. But they are going now under - I can see; Jesus has me watching them - undersea, and they are going to Cuba. I know it's Cuba. Now what they're doing in Cuba I don't know, but it appears that the Soviets are arming them.

Jesus: Yes, My child, you have spoken well and directed it as I wanted you to. Now this has to be known.

My child and My children, make it known to your Senate and your President that the two-legged demon, as We address him, has entered upon your country; and they are not to be deceived, for he has a major plan against the United States.

Yes, My children, many prayers are being said at this time throughout the world. The nations are suffering. So therefore, We expect you to understand what may be a riddle, but easy to understand. The United States must not give up it's forces in Europe, or the other nations, for they will be disarmed and We will be attacked.

Veronica: Oh! Oh, that's terrible! Oh, yes, I see it - houses just coming down. It's awful! They're shooting! Oh, my goodness!

Jesus: My child, at this moment, because of the perversity of the world - the world's children - We see it necessary to stand back and watch a just punishment upon mankind.

I do not want you to think that We are a punishing God. We love Our children, but sometimes, with - the Eternal Father knows the hearts, and they have been hardened. Man has given himself over to pursuits of the flesh, and as such, he condemns his soul to hell or purgatory.

Pray, My children! Pray for the souls in purgatory. Many shall be there until the end of the world.

Veronica: Yes, I did see hell already, Jesus. Yes, Our Lady took me down. I really - yes. You want me to go down there again? If you want me to, I will.

Jesus: Well, don't be affrighted, My child; just look. I am holding your hand.

VISIT TO HELL

Veronica: Oh, my goodness! I see we're, we're drifting into a hole-like, it's like a large hole in the ground. And I hear, I hear people screaming - they're screaming at the top of their lungs! But I look down now; Jesus said to look down. I want to look up, the heat was so great, I don't want to look down. But I will. All right.

Oh, my! Oh, I see - I know they're demons, hanging on the walls of the cave-like place where - that Jesus says is part one of hell. And all these souls - there must be thousands of them - are screaming! They're screaming and crying, and they're like burning embers! Their bodies are floating all around; they have no weight. It looks like bodies, and yet it looks like coals burning!

Oh, Blessed Mother and Jesus, please bring me out of here! Oh! Oh, it's terrible! Yes.

Jesus: **My child and My children, if I could show this to everyone, you would be on your knees every day.** I ask you now to pray for the souls in purgatory, and even pray for those who are in hell.* But of course, My children, unfortunately, hell is eternal.

Veronica: Yes.

Jesus: Now, My child, My Mother made it known to you about the AIDS epidemic. There will be a cure for mankind as soon as We see the legislative bodies and those politicians of the world, who are at this time causing the abortions with their moneys and their funding, especially in the United States - abortion is murder, and as such you shall all be condemned as murderers at the time of your death unless you repent now of your sin! The Eternal Father sends each and every soul upon earth.

Repeat again, My children, to those hardened hearts and deaf ears that will not listen, no matter what. They must be then attacked by prayer. They have to be - prayers so numerous that I would advise that the Rosary be upped in every home. Parents, your children - please, have them pray!

Veronica: Oh, yes. Oh, yes. Oh, yes. Jesus says the Eternal Father wants you to remember what His Mother said, that you will read **Job, chapter 33, verse 4**. And it says:

Jesus: Repeat it, My child.

Veronica: Yes. It says, **I am the Almighty. I am the Almighty.**

Jesus: **But first, the Spirit of life made me, and the breath of the Almighty gave me life.**

Veronica: Therefore, you shall not destroy a creation of the Eternal Father! Penance will be great upon mankind for anyone who condones these heinous acts! [Abortion – the slaughter of the holy innocent unborn children]

Jesus: Veronica, My child, I repeat again, though My Mother has been throughout your country for years now with Her messages: We ask that the priests take themselves out of this world. They are becoming men of the state, not men of God. I accept the degradation and the present confusion in My Church upon earth, but I want a change back to normal. **Man is building a church without the Eternal Father.**

Please, My children, pray much, for there will be another great chastisement upon mankind. My Mother had been able to hold it back, but I am sad to say that it is the will of the Eternal Father. During this chastisement, many souls will go into purgatory.

The road to Heaven is a narrow road. So many never go on it. They become seeped in the pleasures of the world, not thinking that one day they will come over the veil. There isn't a creation upon earth that doesn't have to appear before the Eternal Father at the end of his time.

Our Lady of the Roses® Mary Help of Mothers † P.O. Box 52, Bayside NY 11361 † (718) 961-8865 † www.OurLadyoftheRoses.org

Veronica: Yes. I'm to go back?

Jesus: Yes.

Veronica: On the, on the left side?

Jesus: Yes.

Veronica: Yes, I will.

Jesus wants me to go back on the left side. There is somebody over there that He wants to cure. I will do what He says. But He said to go to the left side, over there, and to continue blessing the infirm, because He has His reasons. There is going to be a cure there.

[Pause]

Veronica: - maybe around four or five feet high up there, and They're looking at everyone. Now Our Lady is taking Her Rosary, which was about Her waist, and She's making the Sign of the Cross: In the name of the Father, and of the Son, and of the Holy Ghost. Now Our Lady is nodding towards Jesus, and He's moving over to our right side. Now He's putting His hand out - let's see if I could do it - like this, and saying:

Jesus: In the name of the Father, and of the Son, and of the Holy Ghost.

Veronica: Now Our Lady is moving over towards Jesus, and there's whispering. It feels like - it sounds like the whispering of the trees. I can feel it, but I can't hear the words.

Oh, it wasn't meant to be. Oh! Oh, Our Lady - yes. Our Lady says:

Our Lady: You can expect much difference of opinion on Our Message this evening. However, you are to give it out exactly as I gave it to you.

We are not going to leave the grounds until the last soul has left, so don't be afraid. We're watching.

Veronica: Yes. Thank You.

Oh, Our Lady - that light is so brilliant about Her. I'm sure if it wasn't God's will it would blind me, it's so bright! And now Our Lady is going back up on the ball, and She's standing there. But all around Her head now - it looks like the stars have come out. There are stars! I almost feel like counting them, the way they're around Her head. One, two, three, four, five, six, seven, eight, nine, ten, eleven, twelve. Twelve stars around Her head. I never saw that before on Our Lady. And Our Lady is smiling.

Now She's pointing over to the infirm circle. Oh, my goodness! Do you know She's holding Her hands down like this - like this, but the rays are going over our head; they're going back over our head. I don't know what Our Lady is doing there, but She certainly has something very mystical going on because those rays are still radiating from Her fingers and going over our head. And now I can see part of them; they look like little slivers of glass - I can't explain it, little slivers of glass, like, coming from the rays. And they're, they're falling down all about us. Our Lady calls it 'Graces'. Oh!

Yes. Yes, I will. When? Oh, all right. Yes. Yes. Oh, all right. I won't mention it.

Hmm. My! Hmm. Our Lady is standing right there. She's going to remain with Jesus until the last soul leaves the grounds, you know. She looks so beautiful. She has on Her - you know, Her white gown. Oh! It, it is so beautiful, it almost makes my heart stop. It's such a wonderful feeling, you know, of love. Our Lady, Our Lady acts just like a Mother for everyone, you know. And yet She looks very young.

***Veronica explains the message on Hell given to her in locution:**

*In a series of locutions to Veronica, Our Lady, enlightened us on this matter. The following is a summation. The majority of the wording and terminology is that of Our Lady.

In the principal locution on Wednesday night, June 20 at 9:15 P.M., we were told to remember the Apostles Creed: I believe in God the Father Almighty - suffered under Pontius Pilate, was crucified, died, and was buried. He descended into hell: the third day He arose again from the dead - . When Our Lord descended into hell, He was releasing the penitent souls from purgatory, or part II of hell.

In the description above, Jesus explains to Veronica that she is in Part I of hell.

Part I of hell is the abode of the damned, **hell eternal**.

Part II of hell - what we on earth call **Purgatory**, and theologians often refer to as stage two - is the abode of the penitents. It is these souls, the souls of the purgatorians, that we are to pray for.

Our Lady lamented that there are too many false opinions on hell and purgatory coupled with mankind not even being interested in or preparing for eternal life.

In another locution on **June 21, 1990**, Our Lady reminded us again:

“There will be differences of opinion; however, you will be enlightened to combat them.”
She recalled, also, that many saints have been enlightened on this subject.
By repeating Himself in this sentence, Our Lord is emphasizing the reality that purgatory is in hell.

St. Thomas Aquinas, in his Summa Theologica:

Therefore the fire of purgatory is the same as the fire of hell, and hence they are in the same place. (App. 2 Q.1 Art. 2)

LOCUTION May 6, 1990

On Sunday night, May 6, 1990, the following was given to Veronica from Our Lady:

“The present world condition is the calm before the storm. More rosaries are needed.”

LOCUTION August 8, 1990

On Wednesday, August 8, at 9:50 a.m., Veronica received an urgent locution from Our Lady:

“Wars are a punishment for man's sins. Unless you pray more, your sons will die on foreign shores.”

About two weeks later, Our Lady told Veronica that if the boys should go to war their "bodies would be eaten by the buzzards."

LOCUTION September 11, 1990

On Tuesday, September 11, 1990, Our Lady revealed to Veronica that there would be a terrorist attack **“on the state building.”**

At the time, Veronica understood this to mean the Empire State Building, but as we see from the September 11, 2001 attacks, it meant the attack on the U.S. Pentagon in Washington D.C..
(see the message of October 2, 1988)

Our Lady of the Roses® Mary Help of Mothers † P.O. Box 52, Bayside NY 11361 † (718) 961-8865 † www.OurLadyoftheRoses.org

Vigil of October 2, 1990

The Guardian Angels and Eve of Saint Theresa

This morning at 10:12 a.m. the Blessed Virgin Mary, bathed in a bright, luminous light, appeared to Veronica in her bedroom.

Our Lady wore a very beautiful white dress, made of what appeared to be fine silk. The dress was so long Veronica couldn't see Our Lady's feet, and the sleeves reached down to Her wrist. In addition, Our Lady wore a blue sash around Her waist. Overall, the dress was loose-fitting and very billowing.

Our Lady's head covering was white. It fell below Her shoulders, and it matched the material of Her dress. Veronica saw only a little bit of Our Lady's hair, which was a light brown color.

Veronica noted Our Lady's modesty of dress and the similarity of Her attire as that shown in the famous and outstanding miraculous photograph: **OUR LADY IN THE SKY**.

Our Lady: Dear child, you will write just as you receive it from Me. You will be unable to go to the holy grounds this evening; hence you will disseminate this message to the world as soon as possible.

I, your Mother, and Protectress of the world's children, do beg you now to repent of your sins against the teachings of the Eternal Father - sins of the flesh and the intellect.

A great war will erupt suddenly, such as has not been seen from the beginning of creation. Countries shall disappear in moments from the face of the earth. Will you not listen to Me before it is too late? You all do not have much time left.

I come to you as a Protectress of peace. Unless you repent of your abortions, the murders of the unborn, and return to lives of prayer and contemplation of the mysteries of the Eternal Father, given by writings - the Bible, the Book of Life and love - I cannot save you from the conflagration that lies ahead.

Prayer, penance, and atonement.

My tears fall upon all mankind. Will you not solace Me, My children?

The Miraculous Photo of ‘Our Lady in the Sky’ - at Our Lady of the Roses Shrine, Vatican Pavilion site, Flushing

Meadows Park, Flushing, New York.

At the November 26, 1978, Sunday Holy Hour, Tom Bachor of Little Neck, N.Y., took a picture of John Miles (foreground) near the Vatican Pavilion, where Heaven has made their "home upon these grounds" (Jesus, June 18, 1991). Supernaturally, the Blessed Virgin Mary, the Mother of God, appears out of nowhere dominating the sky above Her Sacred grounds. In addition, the visage of Our Lord appears (facing you) halfway down the left side. Just above, Jesus' hand is pointing to His Mother, as if to say: "Behold thy Mother! Hail, full of grace. Come and journey to this Her sacred site, chosen from the beginning of time." The meaning is clear: Our Lady is always present on Her holy grounds, ready to generously dispense graces

and blessings of cure and conversion, peace and consolation to all who respond to Her invitation. Also, note the light bulb over Her left shoulder. Our Lady is the light of the world, the shining beacon, the most powerful intercessor between God and man.

LOCUTION ~ December 13, 1990

On Thursday, December 13, 1990, at approximately 10:30 a.m., Our Lady said:

“There are gross errors in the world. There will be a most disastrous war unless you now pray for peace at the Holy Hour and any free time you may have.”

War as described many times in the past by Our Lady to Veronica: “man’s inhumanity to man.”

Vigil of June 18, 1991

21st Anniversary of Our Lady's Appearances at Bayside

PROOFED TO AUDIO & CORRECTED PUNTIONATION NOV 2013

Veronica: All about the sky now, if you look far up beyond the trees, you can see the beautiful blue lights that always come before Our Lady and Jesus. Now the whole sky is opening up. There is a tremendous white light! Oh, it's so beautiful! There's no way to explain it. It's beyond anything I have ever seen in my life! It is so beautiful! Now at the center of the light, I can see Jesus and Our Lady. Oh, They're coming down together. They're very small figures now. I can't see the clothes that well, the light is so bright. But They seem to be stepping out from the circle of light and coming down through a clear sky. It's very clear, a light blue tinged in a, sort of red, a very beautiful, satiny red.

Now Our Lady and Jesus are floating. They don't walk, They're carried, like on the wind. There is no way to explain it. They are so beautiful!

Now Jesus and Our Lady are close enough, I can see what They're wearing. Our Lady has on the most beautiful white luminous gown! It's shining! It's all made of light. And I can't see Our Lady's arms, though I can see Her fingers; they are covered with voluminous sleeves. And Our Lady's gown goes way beyond Her feet now. I cannot see any of Her feet - no sandals or anything yet. It's the way the gown is draped about Her feet.

Now Jesus is nodding, and He's motioning to Our Lady to go forward on His right side. Now Our Lady is coming down much closer to the ground than I have ever seen Her before, and She's nodding yes. She's standing there now, and her left hand is motioning up, like this, into the sky. And Jesus is following Her fingers of light; there's light protruding from all of Her fingers now as She holds them up. And Jesus is coming down; I can see Him very clearly now. He's almost standing on the tip of the highest tree there in front of us. If He goes any farther down He's going to stand right on top of the tree!

Oh, Jesus has on a most beautiful red velvet gown, tinged in gold all about the edging. And I can see Jesus' slippers; His are a tan. It looks like some type of an animal skin, but they're tan, and they're open. His feet are very evident in His slippers. And Jesus is nodding His head yes, and He's smiling.

Now He's motioning to Our Lady, and She is coming closer to Him. She's just drifting over, as though She's carried on a slight breeze. I can hear the rustling of Her gown. It is so beautiful! I feel that I can reach up and touch Our Lady, but that's not to be, just now. But Jesus now is looking at me, and He's placing His first finger to His lips, like this:

Jesus: Listen, My child, and repeat after Me, word for word what I have told you, you would be enlightened upon this evening. **I want you to know, My children of the world and My child, Veronica, that no evil is ever triumphant. I will turn all evil to good.**

Listen, My child, and repeat after Me:

The Brown Bear of communism, of red orientation, will seek to devour the Holy Father, your Vicar the Pope, by assassination, and place on the Seat of Peter a communist puppet known by all, as the White Bear.

My child and My children of the world, disaster lies ahead in Rome if this happens. Will you not, in your goodness of heart, go forward and give this message to the world? Approach your clergy. Write to Rome! Beg them to listen before it is too late. Your Holy Father, the Pope, is in great danger. They cannot outwit the Eternal

Father in Heaven. He knows their hearts and they will not succeed if you will act upon this and keep a constant vigilance of prayer going throughout the world, for your Pope, the Holy Vicar in Rome.

O My children, I have great news for you this evening, but it is not one to bring a smile to your face. The world has not progressed as the Eternal Father has asked. Man has become obsessed with sin. I tell you now, in the Trinity, that unless you listen now, your world will be planet struck.

I know, My child, this frightens you, but it cannot be held back much longer. The world has become polluted with all forms of 'ism's: communism, atheism, humanism - all destructors of the soul. Man has not progressed as the Eternal Father has deemed them to be. They are now agents of hell. Many have sold their souls to get to the head. Souls are falling into the abyss as fast as the snowflakes that come from the heavens.

Parents, I ask you now to get rid of the infernal machines in your homes! I warned you through many earth-years that this will be a point of destruction for your children. If you, at least - I ask at least, which is the least you can do, is to monitor what your children are seeing. **Satan has created the infernal tube. Heaven did not deem it to be in the homes of the just.**

My child and My children, you will keep a constant vigilance of prayer going throughout your world, because, I repeat again: near the throne of the Eternal Father, He views a ball so immense, so beyond all man's speculation, that it will destroy over three-quarters of the earth. It is in your atmosphere. It has been noticed by few, but the few seek not to bring fear to the hearts of mankind. They do not know that it is the Eternal Father Who now will guide that Ball.

As in Sodom and Gomorrah, mankind had gone down and given itself over to satan. I ask you now, My children, to turn back from your road to destruction, for you will be surely destroyed as was the time of Sodom and Gomorrah. **Homosexuality shall not be condoned. It is an abomination in the eyes of the Eternal Father,** and as such, is condemning many to hell.

Guard your children - mothers of the world - guard them, against the forces that are loosed upon earth. It is truly the final battle raging with Lucifer.

You ask Me, My child, why does this have to come about? I say with sadness - I say this for Myself and My Mother:

We have used every means possible to bring mankind back onto the right road, but he has chosen his own path, one built on pride, arrogance, and lust.

My child and My children, you must awaken now before it is too late.

Veronica: Now Jesus is looking over to Our Lady. Oh, She's crying. I never saw Our Lady cry before. She's crying.

What's the matter, Mother?

Our Lady: **My child, My tears fall upon you all.** If it weren't for My pleading constantly for you, before the throne of the Eternal Father, this would have come upon mankind sooner. But now I can tell you, that those who will be saved will be counted in the few. **Those who will be saved will be counted in the few.**

My child and My children, I come to you as a Mother of peace, a Mother of love. And above all, I want you to turn to My Son and have courage in the days ahead. Many will fall from the Ball of Redemption.

Now, My child, I know that this has been a time of great stress for you. It is urgent that the message from My Son be given to the world.

Veronica: Now Our Lady is taking the most beautiful crucifix from within Her gown. It's made of solid gold and She's holding it out like this. And She's making the Sign of the Cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Our Lady of the Roses® Mary Help of Mothers † P.O. Box 52, Bayside NY 11361 † (718) 961-8865 † www.OurLadyoftheRoses.org

A REFUGE IN OUR LADY'S HEART

Our Lady: I bless you all, My children. **I seek in My heart to find a refuge for you all.** I am not despairing at this time at the knowledge that was given to Me by the Eternal Father. **I have great hopes for rescuing most of My children.** But the Eternal Father makes it known, that the numbers saved will be counted in the few.

Veronica: Now Jesus is putting His hand out, and He's making the Sign of the Cross, like this: In the name of the Father, and of the Son, and of the Holy Ghost. Now Jesus is touching His lips, which means to listen and repeat.

Jesus -

The end is not as far as you can see;
Already there is apostasy.
Man cast his lot and gathered the coals
To stoke the fire that burns the souls.
The days are numbered, the hours are few;
So work and pray and try to do
The work that's given in the light,
Until that sad time when all is night.

Jesus: My child, I asked you once, for the knowledge of the world, to repeat what I now give you - the Exhortation:

Dear Holy Father, worried and wan
Will struggle with Jesus to gather the sheep.
The pastures are rich, but the sheep grow thin;
For the souls have succumbed to the sickness of sin.
You'll need reinforcements from Heavenly shores,
So deep is the darkness of earth's shallow mores.
All hearts must ascend in true supplication
To avoid the sad fate of divine devastation.
Dear Holy Mother, your Mother of love,
Does beg you to heed these dire words from above:
His heart is torn by careless surrender
Of too many souls that don't try to remember
The Father, the Son, the Spirit of life -
Smite in the heart with the human knife
Of hate, greed, avarice, vanity:
All indications that sin is insanity.
What more must you do, but place the full load,
Of saving all souls on the few who are bold,
Who'll stand up and fight for all Heaven's glory,
And meet with Pope Paul at the end of life's story.

Now, My child, you will sit back and remember what I have told you now. This cannot be revealed at this moment, but listen to Me carefully.

Veronica: Yes - . No - . Yes - . It's very frightful - . Yes - . I will. I can't stand it.

Jesus is looking all about Him at the people. Our Lady is wiping the tears from Her eyes. Now I can see Her much closer, and She's happy. I know how She felt. Our Lady cried the whole time that Jesus was talking. Our Lady still - though She's smiling She still looks very sad.

Our Lady: My child and My children, I will not elaborate on My Son's discourse with you tonight. **All I can say is, I stand before the Eternal Father and continuously plead your cause before Him. If this was not to be, you would have received the Ball of Redemption already.** I do not know, My children, how long I can hold the hand of the Eternal Father back. I can say at this time, that when the Ball of Redemption hits the earth, only a few will be saved.

Veronica: [Veronica speaks with gasping fear and distress.]

I see a - I see a - it's a huge ball! It's - covering the whole sky; it's going into the trees, too. It's huge! It's smothering! And there's fire, too. There's fire all around it. It is huge! As far as I can see! It's a whole mountain, like, falling on us - a rock, with fire. Ohh! Oh, noo!

Now it's becoming dark. The darkness is covering the horrible sky; it was all afire. It was huge!

Now Our Lady is coming forward. She's by Herself. I don't see Jesus, but Our Lady is standing now over the tree directly in front of us, and She's touching Her fingers to Her lips:

Our Lady: My child, We did not seek to make you affrighted. **However, it was necessary to bring to the world the dire consequences if man does not make an immediate reparation to the Eternal Father for his offenses against the Father.**

I could go on, My child, for hours of earth time, giving to you these offenses, for throughout the earth-years they have multiplied. Man has not progressed on the course that the Eternal Father placed him on earth to follow. Therefore, it's in due time, in time known to the Eternal Father, in His will - there will be sent upon mankind, a Ball of cleansing. I cannot remove His hand near the Ball, My child.

Pray for poor sinners who are falling into hell now as numerous as the raindrops or the snows fall upon earth. Hell is overflowing and hell is eternal. I weep for these poor souls, for they had too few who prayed for them.

AN ABOMINATION - THE SACRIFICE OF THE UNBORN

Mothers must exercise great care over those placed in their trust by the Eternal Father. **The abomination that hits the very heart of the Eternal Father, committed on the earth, is the murders of the unborn. At the time of conception, the Holy Spirit makes the child, and the breath of the Almighty gives it life.** Therefore, you shall not create a monstrous machine throughout your world! That is what it's become - a machine! No human could conceive, but satan, of this act of the sacrifice of the unborn! Murder! - in the eyes of the Eternal Father!

My child, I understand how this has made you ill. However, We depend on you and others to actually help during this crisis. One of the final warnings are being given throughout the world to mankind. I ask you here this evening, My child, because of the short time that is being given for mankind by the Eternal Father.

Veronica: Our Lady now is backing up into the sky, and She's pointing up with Her hand, like this. And over on the right side of the trees, I see Theresa! Ohh,! Theresa! Saint Theresa! Oh! She's smiling; She knows me. And now she's touching her fingers to her lips.

St. Theresa: You will try, my sister, to send the poem messages throughout the world. They will fall into the hands of those who are deemed to receive them.

Mankind has already been marked by the Cross of the Savior, or the Sign of the Horn. Yes, my sister, man has created a monster upon earth and the Eternal Father will seek to remove it.

As in the time of Sodom and Gomorrah, the Eternal Father was most merciful, until His mercy could no longer be contained. So will it be, for those who partake of the abominable acts of what you call upon earth, homosexuality. **It is an abomination in the eyes of the Eternal Father.**

Parents must guard their children, even from their teachers. Many are now direct agents of hell, though they walk in human bodies. Protect your children with their sacramentals. Teach them! My children, I ask you, please - I call you my children because I have looked down upon earth for many years and I feel that I have a firm attachment to the souls upon earth.

Please, I ask you mothers, monitor your children's lives. **Do not be an escapist, running from home and finding pleasures of the world. Bring a prayer life back to your children before it is too late.** You will be held accountable for the fall of the souls of the children. Therefore, I ask parents throughout the world - with love and good leadership, in the household, your children will not fall, as prey to satan.

Veronica: Now Theresa is backing up. I can see now her habit more fully. It was blowing behind the tree before. But she's smiling, she's still smiling. Now she's taking her hand and she's pointing over to the right side of the sky. Our Lady is standing there, and She's reaching out now - . I can feel Her fingers. They were so soft; so beautiful! But there's an electricity - I can't explain. It just comes from Her fingers and radiates right down your arm. It's so beautiful.

Now Our Lady is smiling, and She's pointing upwards. And I notice, I hadn't noticed that Theresa - I'm sorry, Jesus, I didn't notice You were standing over there between Our Lady - Jesus is between Our Lady and Theresa. And He's whispering something, but I can't hear. I guess I'm not supposed to hear it. He's saying something to Our Lady. And now He's turned to Theresa. Oh, I see. I think He's telling them to move farther back into the sky. Now, Jesus is touching His lips:

WE HAVE MADE OUR HOME UPON THESE GROUNDS

Jesus: We are not leaving, My children. **We have made Our home upon these Grounds.** Therefore, all who come here to be solaced - **I will be here. My Mother and I shall stay here even unto the conflagration.**

Now, My child, you will sit back and continue with the photographs. Three will be taken. The first will remain silent, and the others you may look into.

Locution: October 3, 1991

Feast of St. Theresa of the Child Jesus

Early this afternoon at 12:12 p.m., as Veronica lay on her living room couch resting from her debilitating health problems that have plagued her for years, St. Theresa the Little Flower suddenly appeared to her.

The popular French Carmelite nun, who was declared a saint by the Roman Catholic Church in 1925, and whose feast day is traditionally celebrated today, revealed only her face to Veronica. She was bathed in a brilliant light, with a youthful, contented, yet serious appearance about her.

“Honor the Salutation at all times: Glory be to the Father, the Son, and the Holy Ghost. The peoples of the earth have not progressed satisfactorily in the plan for the salvation of their souls.

Prayer, penance, atonement we ask of all. The time grows short.

All honor and glory must be given to the Trinity.

Hasten, harken, and listen, for I shall not repeat this call again.”

Theresa of Lisieux

LOCUTION ~ August 20, 1991

On August 20, 1991, the following locution was given to Veronica of the Cross from Our Lord:

“There will be a format to include My Mother's messages to the world with My words of direction also: bi-weekly, in directives to Our clergy and laity.”

St Theresa, October 7, 1991 1:00 PM

"You shall carry this Secret, unveiled now, to all the world. It is not by chance that you were given this Mission.

"Remember *Action Saints' Renewal* " *

* *Veronica was directed to make an exclamation point using a bishop's mitre and a ball.*

Jesus of the Trinity, October 8, 1991

3:10 PM

"You have received now the facts in truth. Give this message to the world. It is already late for the redemption of mankind. Only those who carry the Banner of Faithful and True shall be saved!

"Will you be counted in the few?!"

"Prayer, penance, and atonement we ask of you!"

*A communication from God (often through angels and/or saints) to the ear or directly to the intellect.

**A poem given by St. Theresa through Veronica.

LOCUTION ~ November 23, 1991

In a locution to Veronica on Saturday, November 23, 1991, at 5:20 p.m., Our Lady said:

"The world is a debacle of sin."

LOCUTION ~ November 26, 1991

In a locution to Veronica on Tuesday, November 26, 1991, at 11 a.m., Our Lady said:

"Only repentance can save the world from what is fast approaching."

A little later, at 11:48 a.m., Veronica received another locution from Our Lady of grave importance:

"An attempt upon the life of your Vicar is planned: not in this year, but the next. Satan will seek to bury this knowledge. Pray for his well-being [the Pope]."

LOCUTION ~ December 4, 1991

On Wednesday, December 4, 1991 at approximately 11:10 a.m., St. Theresa of Lisieux appeared to Veronica and gave her these profound words:

"Love is the essence of the odeur * of Divinity."

Veronica understands this to mean that love is intrinsically the motivating and moving force in all of God's design. God, Who is the embodiment of love, reflects this in His creation and has ordained that our existence depends on love. We, as created beings made in the image and likeness of God, must honor the first two Commandments, first loving God the Father, our Creator and then secondly, our neighbor.

Immediately after finishing this write up, Our Lady, with St. Theresa smiling, appeared to Veronica at 7:26 p.m. Our Lady said: **"Well done. Profound."** The apparition startled Veronica, who was in her kitchen at the time.

*French for odor, fragrance

LOCUTION ~ December 18, 1991

On December 18, 1991, at 12:31 p.m., shortly after Veronica finished reading the articles in the daily newspaper pertaining to the demise of communism in the Soviet Union and the subsequent birth of the new Commonwealth of Independent States, Our Lady appeared clothed in all-white, looking very sad, in what Veronica perceived as a message expressed in desperation:

"Do not be deceived. Their father is the father of all liars: satan. Their master plan is in motion. Pray for the light. Minds are clouded. I repeat: it is a ruse.* Wake up America or you will suffer much."

[Ruse: an action intended to deceive someone; a trick.] *Also read the messages of June 18, 1992, June 18, 1990, & June 17, 1989.

Vigil of June 18, 1992

22nd Anniversary of Our Lady's Apparitions at Bayside

Veronica: - left side. Over on our left side, directly over the trees, there is the most beautiful flashing of lights. They're all colors of the rainbow. And a rainbow is forming across the sky, from the left to the right side. Oh, it's so beautiful! It's something that's not of this world. The colors are absolutely fantastic! And there now, within the rainbow, I see Our Lady coming forward.

Oh, Our Lady is so beautifully dressed! I've never seen anything so beautiful. And for the first time now in many years, I see that Our Lady has Her hair showing. Our Lady's hair is a dark brown - not black, like mine, but a dark brown. And Our Lady has on the most brilliant white gown, covering right down to Her fingers; I can barely see Her fingers. The gown is very long. It's two-piece, like a cape over a long gown that covers Her feet. I can see that Our Lady is wearing this evening, gold slippers. They're like a sandal - not a full slipper, but a sandal.

And Our Lady is smiling now. Oh, and do you know! Oh, Our Lady has on Her wonderful crown! The roses are forming all about now; there are roses falling all about the rainbow. And Our Lady has this beautiful crown. It's all gold, golden, and it sits so squarely on the top of Her head. You see, Her head is covered with a mantle on Her head, and the, the crown is set right on top of that.

But I notice now, I see two beautiful angels. One is standing now over - coming to Her right, our left side, and the other is now standing beside Her on Her left side, our right side. And high up into the sky Our Lady is pointing. And I see the most huge person! I think you'd call him a person. I know who it is by his size, but he's an angel. But he's tremendous! He's covering the whole sky. That is Michael! Oh. Oh, he's nodding his head. Oh, yes.

Now he's pointing down, now, to Our Lady, and he's moving across the sky without even a rustle. I hear no rustle about me; all has become very still.

Now there is a gathering of angels on the right side. They seem to be of all sizes. And they go up steps now. I see steps rising high into the sky. It's like an open portal to Heaven. They are - the steps are luminous. They are of a material that is not of this world. They're formed of a light formation, but solid. And they are going up these steps now and standing and watching Our Lady; they're watching Her there. I have never seen such a guardian of angels for Our Lady. I wonder.

Now Our Lady is smiling. She looks sad, but She's trying to smile. And now She's stepping off what must have been a pedestal. I didn't notice that before because of Her gown. But She's stepping off now and coming down and over to our left, right over the tall tree, the right side of Her statue. But up above the tree now, Our Lady is stopping; She's looking. Even in the sky it's windy, because Our Lady's cape is blowing to the right and to the left. Now Our Lady is smiling, but She has a look that's very pensive. And though She's trying to smile I can see that there is a heavy sadness hanging over Her. I can feel it.

Now Our Lady is coming forward. She's closer now to the top of the trees, and She's placing Her first finger to Her lips, like this, which means to listen and repeat.

Our Lady: My child and My children, I come to you with a Mother's sad heart this evening. And I brought you forth, Veronica, to make it known to the world that there are dire events heading towards your country and the world. As I tried to instruct you all in the past: that you must pray much for the leaders of your country and the

leaders of the nations of the world, because if you do not, this will bring on the most disastrous war to mankind. It is coming in steps, My children.

Now I want this known to all mankind: Man does not seem to learn from his past. He goes on still making the same mistakes to his own destruction.

As I counseled you all in the past, I said to you as quote: *'This is a ruse,'* I repeat again. This is the visit to your country, the once great and illustrious United States of the world, the nation, the United States of America, the illustrious country that now is leading into a path of darkness. This has been allowed because of the dire straits of your nation. The morality has now been cast aside. Darkness has fallen upon mankind.

Mothers and fathers, how often have I counseled you to protect your children in these days. You will find that many of those that you entrust to teach your children are bringing them into a world of unrealistic atheism. Already, My child, it saddens My heart to know that you are not, as a nation, allowed any longer to pray in your schools.

Do you know who is in your nation now? The man of sin. I counseled you in the past, and I will warn you all for the last time that you have allowed to come in upon your nation a man who is a counterpart, an identical figure to his past successors.

I tell you now, and I will not tell you again. This is the last time you will receive this counsel.

As in the past, Lenin; as in the past, Stalin; and Khrushchev; and many others had tried to deceive the United States. They all felt that by trying to ensnare you with delusions of casting aside their communistic aspirations, that they had become as you, a free nation for all.

I assure you, My children, there is no freedom in Russia. It is all a delusion.

They seek the monies of the world from the nations of the world. And why do you not learn a lesson? It happened in the time of Lenin; it happened in the time of Stalin. And there you are all on the same road, ready to give billions of monies that should be given to those of your nation and the free nations of the world.

Do not be deceived, My children, Russia is not free. It is a cosmetic act to delude you. Lenin and Stalin used the same tactics, My children. Why do you not learn from your errors?

Veronica: Our Lady now, Our Lady is crying. Now She is looking up, and She says:

Our Lady: **My tears fall on you, My children.** And I must give you also the conclusion to what I have spoken to you of. Lenin and Stalin are not with Us. They were cast off to meet with their god, the prince of darkness, satan.

It behooves Me to say, and it tears My heart in anguish, that they did not seek to be saved. For those who approached them, as they will approach you in your nation and try to convince you that their way of life without the Eternal Father was a way that should be adopted by all - no, My children!

I repeat again, because this will be My last discourse to the world on this subject: This man, these two men are of the same creed, color, spirituality - or should I say, My children, lack of spirituality. They have a father who is the father of all liars, so what does it make them, My children - **Lenin, Stalin, Khrushchev, Yeltsin, Gorbachev?**

That is the same old plan, My children, and those leaders of your nation are as blind as they were in the past. I tell you for your own good, My children of the United States of America, that once was a nation under God and indivisible, that you will fall! If you do not come out of your slumber now, you will fall!

For it is their plan to subdue you, once they get the billions that they need in aid, to bring up the economy and buy more armaments. They have not disposed of their armaments, My child and My children. They store them in other nations. They have the same goals as their forefathers.

Now, My child, I know it has distressed you much to hear this. It is not easy to have to tell you this, My child, because it places a great burden upon you.

And I must also warn you that you must be very cautious of how you guard your home in the future. Do not be affrighted, My child. I will be with you always. My Son will not abandon you.

Our Lady of the Roses® Mary Help of Mothers † P.O. Box 52, Bayside NY 11361 † (718) 961-8865 † www.OurLadyoftheRoses.org

But you must remember, My child, for all the suffering that is received, think and read your Book of Life and love, the Bible. Know that all who followed My Son had suffering, whether of mind, spirit, or body. It is not an easy road, My child, to Heaven. It will never be an easy road.

Veronica: Now Our Lady is pointing up to the sky, high into the sky. And I see, I don't know what it looks like; it's some kind of a bomb, or - no, no, it's not a bomb. It's a submarine.

Now Our Lady is coming. She had gone over to the right side by the trees, but She's coming over, and She's pointing again. She says:

Our Lady: My child, I'm showing this to you. Your country is not free of submarines. They're planning their attacks. They're guarding you, so that you do not receive the truth, as they will try to destroy you now, My child.

You will see that you keep a constant vigilance of prayer going throughout your nation and the free nations of the world. We say free nations, because they are the ones that are being planned to fall and capitulate to satan's consort. And I say it in plural: consorts, Yeltsin and Gorbachev.

Veronica: Now Our Lady is placing Her hand down on Her chest, and She's looking very upset. I don't think I have ever seen Our Lady so upset. And now She's touching Her lips, which means She wants to speak.

Our Lady: My child, I did not bring you here for an easy mission, as I tried to explain to you before you left. However, it had to be.

You see, My children, as long as there is someone praying the Rosary in your country, We will be here to guide you. But accept Our counsel now. Do not wait until it is too late. America the beautiful will fall!

Sit back, My child, and wait. My Son wants to counsel you on a very urgent matter.

Veronica: Now Our Lady is going over to our right side, that's Her left side. And She's going high up into the sky now, and standing over on the side. I can barely see Her because of the trees. I can see through the trees that She's standing over on our right side, and She's pointing over now to our left side. Oh! Oh, there - Jesus is now coming through the sky. He's moving very fast across the sky, over to Our Lady. Now He's reached Her side, and He's whispering something to Her. I can't hear it.

Now Our Lady is touching Her lips; She means for me to listen. And Jesus has moved over, outside the tree range. Our Lady is now between the trees and the sky, but Jesus is outside of the range of the trees. And He's now touching His lips.

Jesus has on a beautiful red cape. Oh, it looks like it's made of velvet. It's a velvet cape and a beige gown underneath. And His feet look quite bare, except that I can see the two straps of a sandal, a beige-colored sandal. It looks like some kind of animal skin. I can see Him very clearly. Now He has no covering on His head. And Jesus' hair is quite long, quite long, and it's quite caught up in the wind now, blowing back and forth. Now Jesus is smiling, and He's now touching His lips, which means to listen.

Jesus: My child and My children of the world, as My Mother counseled you in the past, We will not abandon you. We will be with you as long as there is a Rosary recited in your country. I say now, My children, these Rosaries must reach throughout your country and the world, for the world is fast hurtling towards a great catastrophe for mankind.

I assure you, My children, that those minds that have reached beyond the clouds seeking the impossible have now grasped the atoms from the heavens, that were once given to the Eternal Father. They were His possession, and now they are using them to destroy the earth.

In time, My child and My children, you will understand what I mean, if We cannot turn Our beloved children of the earth. And I say, no matter how dark the souls now, you, My children of the earth, are beloved to Us, and We do not want to lose one to satan.

My child Veronica, you have seen many photographs miraculous taken on the grounds, the Sacred Grounds. They may guide you in what I have to say.

Our Lady of the Roses® Mary Help of Mothers † P.O. Box 52, Bayside NY 11361 † (718) 961-8865 † www.OurLadyoftheRoses.org

As I discoursed with you in the past, I told you that satan and his legion of demons are loosed upon the earth. If you go up to your stratosphere now, there is hardly an inch that is not covered by the demons.

Do not look for land, do not look on another planet for life, for there is none. Only those who delude you tell you this. What you saw, My child, in the past, called a flying saucer by mankind, We have allowed many to see this. They are transports from hell. However, We have never seen a demon, My child, who has taken on a human form, except through the spirit.

No, My child, We did not allow you to see any formation of any nature on this celestial object that you saw many years ago by the doors of St. Robert Bellarmine church. Therefore, do not be deluded that there are beings coming from other planets. This is not true, My children.

What you have now, because of the sins of mankind, all hell is loosed upon earth. Satan now knows that his time is growing short. That is the truth, My children. I tell you all: your time is growing short.

All that is written in the Apocalypse of St. John - the Apocalypse must be read by everyone who is knowledgeable enough to understand.

And as for your children, I say this as your God: every parent that does not take the responsibility of teaching and raising his children, and giving them to others who are possessed by these demons that are loosed now upon your earth - I say possessed, and that is only a kind word. I could discourse with you much farther, but I'm afraid, My child, your heart would not be able to accept this.

Veronica: Now Jesus is telling me something, but He doesn't want me to repeat it.

Yes. I will. I will.

Now Our Lady is coming over to Jesus, and She's standing there and looking all about Her. Now there's an angel coming over to Our Lady, a beautiful angel. I don't think it's Saint Michael. This angel is not as large as Michael, but the angel has a huge bouquet of red roses in its arms. It looks quite human in a gown. I don't know its substance, because I can't see any feet and whatever it's holding the roses by. Its arms are just filled with red roses.

And now Our Lady is motioning to the angel, and he's coming right over the trees here, and he's throwing these red roses all about the Shrine, all about, and to the left, and to the right. Now he's being joined by another grouping of angels high above Our Lady's head, and they have an assortment of yellow roses! And now they are starting to throw them down on us. I can feel them on my head.

Oh! And now the beautiful whites are showing up, and they look like little children. These angels look like little children. They're very, very tiny; they look like infants. And they also are throwing the roses. And for their strength they're throwing them very far! Oh, they're falling all the way down outside the circle. Oh, it's beautiful! They look like cascading stars. That's the only the way I can explain it. I have never seen anything so beautiful in my life! And if that is Heaven - is what Heaven is like, that's for me and for everyone.

Our Lady is smiling. And now She says to continue with the Rosary.

Our Lady: And I will speak to you once more this evening, My child. It's more in counsel to mothers.

Now sit back and join the prayers. We're not leaving, We're going to stand right there. If you look up, you will see Us.

Veronica: Our Lady wants the Rosary said. Join the Rosary.

[Pause]

Our Lady is coming back over the trees.

I'm sorry, Our Lady. I had almost forgotten that You were coming back. I was so engrossed with the people in the infirm circle. However, I know that You're not crying so badly now. There's much more - pleasant. I was very upset seeing how badly You felt before.

Our Lady of the Roses® Mary Help of Mothers † P.O. Box 52, Bayside NY 11361 † (718) 961-8865 † www.OurLadyoftheRoses.org

But Our Lady now is touching Her lips, to listen and repeat.

Our Lady: My child and My children, We are very pleased at the manner in which you are getting out the Directives from Heaven. Do not slacken your pace. There are many souls to be reached. They must understand the signs of the times.

The biggest threshold for the United States and other countries of the world is if they are willing to go forth and overcome the evil within their own countries. The morality has fallen in most nations of the world now, and this cries to Heaven for either repentance or punishment.

Know, My children, that We do not wish to see disaster come upon mankind, but the Eternal Father wills and operates sometimes, My child, in most mysterious manners.

However, I say at this time that all parents will be held responsible for the fall of their children's souls. Do not expect them to leave your homes and to be taught in light and truth, for the demons are raging now all about you. All hell is opened wide now, and you know that that means that the onslaught is at hand.

Therefore, We ask all parents to keep a steady hand on their children. Bar them from all the insensitive acts being committed on the diabolical tube of satan, your television. I ask if you cannot monitor your set, to remove it immediately from your home, for your children will even resort to murder if they continue to watch the programming.

I, as your Mother, understand the difficulties of the world. You must remember, My children, I was also among you and one of you, and I understand all that is going on.

And through the countless years that I've overlooked everyone from Heaven with My Son, this is not unusual to find a country in the state such as yours is, My child.

For We have great hope that if the peoples of the world and the United States will say the Rosary in their homes, and also to reach out to their brothers and bring them the light in truth of the nature of God the Father in the Trinity - that is, the Father, the Son, and the Holy Spirit, also known as the Holy Ghost.

My child and My children, you understand it is a known fact that when the morals of a country fall, that country will be destroyed in one way or another. Wars are always a punishment for man's sins.

So I ask you, My children, to keep a constant vigilance of prayer going throughout your world and through your churches, and even if you have to approach your pastors. Many pastors have fallen away from the truth, and they are like black sheep now among the white sheep. However, I say to you, prayer can overrule all evil. Keep a constant vigilance of prayer going throughout your country and the world. It is the only resort now that you have against the evil.

Do not remember these things that happen that will drive you to absolute despair in your world. Think over this, My children, and know that things are allowed upon earth by the Eternal Father for a reason, for the eventual good of all. I know you cannot understand this fully, My child, but you will in time. Therefore, when you despair, say:

*O My Jesus, forgive us our sins,
Save us from the fires of hell,
Lead all souls to Heaven,
Especially those most in need of Your mercy.*

Now, My child, you will all continue with the prayers of atonement. I will be with you always, as will My Son.

Veronica: Now it's growing very cloudy, and it seems like Jesus and Our Lady - Jesus was standing there while Our Lady was talking, and I didn't have the opportunity to tell you this, but They're both carried now back up into the sky in a series of clouds, beautiful white clouds. Now I can't see Them anymore, though I can see the clouds in a distance.

LOCUTION January 31, 1992

Veronica relates the following locution which occurred today at 1:31 p.m.

Veronica--I was alone at home in my living room sitting on the couch when I was suddenly aware that a brilliant white ball of light was coming through the window area and advancing towards me, and opening up until the whole room about me was bathed in light. I was startled at first, when a kind, gentle voice said, "Veronica, do not be afraid. It is I." I knew instantly that it was the voice of Our Blessed Lady! She then said:

"Hasten, hearken, and listen, for I have great news for all mankind. Listen and write.

"I do not come to bring fear to the hearts of man, but to help you all to understand and recognize the signs of your times, and what is to be unless man turns away from his course of soul and self destruction.

"Prayer, penance, and atonement, I beseech of you. Honor My Son at the tabernacles of the world. He waits for you. Accept his love, which He wishes to share with all.

"We will be with you always."

Veronica--The light started to move like a funnel, growing round and then dimmer, closing inward until it disappeared entirely.

I read what Our Lady said, and I will always remember her sweet, soft, but sad voice.

We must pray more and comfort Jesus in the Eucharist. He is so lonely.

Also, Veronica was told a secret which cannot be revealed at this time.

LOCUTION August 15, 1992 10:30 a.m.

"Unless the world's peoples make a fast turnaround from their present path of destruction, they will receive a despot."

Our Lady to Veronica

*A communication from God (often through angels and/or saints) to the ear or directly to the intellect.

December 16, 1992

On Wednesday, December 9, 1992 Veronica received the following locution from Jesus:

"Tell the world's peoples that they will be tested as metals in the fire."

Two days later, on Friday December 11, much of the East Coast, including New York, was bombarded with a massive storm of snow, rain, and high winds, resulting in widespread flooding.

Vigil of October 6, 1992

Eve of Our Lady of the Rosary

Veronica: - directly over Our Lady's statue, up to the tree on the right. The branch is extending out. I can see Our Lady coming through the sky. Oh, She's just beautiful! There is no way I can explain the brilliance and the beauty of our Blessed Mother. And She - I, I was quite weak when I arrived here, but I feel stronger already. I feel that Our Lady - oh, Our Lady is smiling now, and She's nodding Her head. She's looking all about Her, and She's pointing down to the crucifix.

Now Our Lady said to extend the crucifix high up into the air, that She is going to place upon this crucifix the power of cures and conversions: cures of the body and cures of the spirit. Now Our Lady is extending Her hands out, like this. I can see Her very clearly.

People have asked me in the past how young or how old does our Blessed Mother look. She looks really young, and I, I couldn't put an age upon Her.

The light is touching my left hand for some reason, the light from Our Lady's fingers. They're coming down through my fingers now, and I can feel the rays now from Her left hand - that's on our right side - coming down now onto the grounds. But they seem to go beyond us here over into the rope. I can see - though my back is to it, I can see, Our Lady is showing me the rope behind us. I do believe it's the infirm circle.

Yes. Our Lady is nodding, yes.

Now Our Lady is looking all about Her. And She's extending Her hands out, and She's saying:

Our Lady: Pray a firm Act of Contrition, one Our Father, and one Hail Mary.* And you will look up again, My child, as I will stay here. This is for reason.

Veronica: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Our Father Who art in Heaven, hallowed be Thy name; Thy Kingdom come; Thy will be done on earth as it is in Heaven. Give us this day our daily bread; and forgive us our trespasses as we forgive those who trespass against us. Lead us not into temptation, but deliver us from all evil. Amen.

A firm Act of Contrition:

O my God, I am heartily sorry for having offended Thee, and I confess to all my sins, because I dread the loss of Heaven and the pains of hell, but most of all because I love Thee, my God, Who art all good and deserving of all my love. I firmly resolve, with the help of Thy grace, to confess my sins, to do penance, and to amend my life. Amen.

O Mary, conceived without sin, pray for us who have recourse to Thee.

O Mary, conceived without sin, pray for us who have recourse to Thee.

O Mary, conceived without sin, pray for us who have recourse to Thee.

Our Lady is smiling. Oh, I only wish we could get a portrait of Our Lady as She's smiling now. You feel - the feeling is beyond human words to describe. She's so beautiful and you feel so relaxed, as though you don't have a problem in the world. Our Lady has an aura about her, and I'm certain that this aura is also encircling many upon the grounds.

Now Our Lady is looking about Her, and She's touching Her fingers to Her lips like this, which means to listen and repeat.

Our Lady: My child and My children, and especially you, My child, Veronica, I brought you here this evening because I have a dire and urgent message for the world at this time. The Eternal Father, His hand is now getting ready for a chastisement upon mankind. I say this to you all: do not be afeared, for all who have remained faithful and true shall escape this punishment.

My child and My children, as it was in the past, so it shall be. There are many now foul deeds being committed upon the earth that cry to Heaven for retribution. The leaders of your country have lost their way, My child and My children. They are now making sin a way of life.

RECRUCIFIED

In My past, My own experiences, My child and My children, I went through great sorrow, and saw this persecution set upon My Son by the world. Now He is made to suffer anew, and I join Him on His new cross.

Yes, My child and My children, **mankind is recrucifying My Son.** They have forgotten; they have lost their way.

My child and My children, the pages are turning fast in the Apocalypse. Have you listened to My counsel in the past, My children? Are you making an effort to study the Book of Life and love, your Bible?

There is not much time left. Many will be taken from the earth. I will not at this time, My child and My children, go into full detail. However, I want you to stress the knowledge of Sodom and Gomorrah. You saw in the story of **Sodom and Gomorrah, its obliteration by fire and brimstone.** Can you expect less of a trial? My children, you do not listen; you do not learn from your past. You are on the same road to perdition!

The Eternal Father has watched with hope. And with His convictions now coming to the point of great knowledge to Him, He finds that at this time many must be taken from the earth.

Your word of homosexuality can be explained by the story of Sodom and Gomorrah. Read in your Bibles or consult your clergy. Find yourselves, My children, a humble, pious clergy. Many have fallen away from the Faith. Many have sold their souls to get to the head. And this, My children, I say of all denominations!

Veronica: Our Lady is looking about Her, and now She's taking - I, it's very sad. She's taking the coverlet around Her shoulders, the cape, and She's wiping Her eyes. Now I can see Our Lady is struggling very hard for composure. This is very hard upon Her. Now She's looking at me, and Her eyes are boring right into my eyes.

Our Lady: My child, you must bring all past messages to the fore. Soon you will be unable to deliver them upon the grounds. Therefore, I ask that not one shred of paper be discarded, for it will be needed.

My child and My children, your children are leading lives without direction or knowledge of eternal life in Heaven. Sin has become a way of life in your country and many countries of the world, little children led astray by their elders.

PLAN TO PLACE A DESPOT ON THE SEAT OF PETER

My child and My children, you will continue to pray for your Vicar in Rome, Pope John Paul II. At this very moment, there is now being held a conference in secret to the world for his extermination, and to place upon the Seat of Peter the despot.

Yes, My child, you've heard that word before, the 'despot.' I say it for reason.

You will continue to pray a vigil of prayer for the clergy of the world. Darkness has descended upon My Son's churches upon earth. Whatever shall become of you all in the chaos that is fast coming to your country and

other nations of the world! There will soon enter upon your world a despot. Number two, I call him. But many have named him, and the Book of Life refers to him as the Antichrist.

Yes, My children, you will recognize him by his deeds. Many will sell their souls to him to get to the head, but all that is rotten will fall eventually. No matter what the struggles to keep the light in your country and the world, you will go forward as soldiers of light, carrying your banner Faithful and True, in the face of adversity.

My child and My children, I had promised you relief from the suffering now being inflicted even on little children, of AIDS. This will come in due time. This is actually based, My child and My children, on the acceptance of mankind of the Eternal Father and My Son as their leaders.

You must all obtain a copy of the Book of Life and love, the Bible. Do not accept the new mods. Try to find in your bookstores the old Bibles, My children, for many are being changed to suit the carnal nature of man. I repeat, sin has become a way of life.

My child and My children, if I could open up the sky above Me and show you a picture of the tears that fall upon you! It's truly raining teardrops from Heaven. For many of you are blind to what lies ahead. There will be a time of great tribulation upon mankind. Will you be able to persevere during this time?

My child and My children, I have given you - I should say My Son and the Eternal Father have given you your armor. You must keep about you at all times - at no cost must you remove from your bodies your crucifix, the St. Benedict medal, and your Scapular. I say this for reason.

Now, My child, this week you were placed in great trial. I want you at this time to explain to others just what transpired when you removed your protection.

Veronica: I do? It's embarrassing.

Our Lady: Yes, My child, reach out to the world. You were allowed to go through this crucible for a reason.

VERONICA TALKS OF A LESSON LEARNED

Veronica: Well, last week on Monday, I had to go to St. Charles Hospital for tests, seven different tests. Blood tests, EKG, everything you could think of, I went through there.

However, when I first arrived, they said to me, Take off your medals and your Scapular. The lady seemed to know the Scapular. I said to her, I really don't want to take off my protection. She said: "We're here to protect you. Here, let me have them and I'll put them in your bag."

So off she took them. Now I was at a terrible position of either losing my test and giving her an argument because she was a very stern individual. So I said nothing at that time, and she went forward and made her tests.

All right. Now I was there quite a while in the hospital, as you understand when you go through those tests and wait, and wait, and wait. Now at that time then, when I was finished, I was quite hungry, and so was Arthur. So we took off for a McDonald's along the highway for breakfast.

Well fortunately, Our Lady and Jesus held back what was to happen until we at least had finished our breakfast. But unfortunately for the others who had just arrived, they were at a disadvantage. Because as we finished the cup of coffee, a man ran to us and said, "Leave here in an instant. The place is going to blow up!" I said, What? And then I smelled gas. I knew there was something wrong.

Well, everyone started running, and I mean they ran out of that building with me fast ahead, and Arthur, and my bag, and we jumped in the car and took off. Because you could smell the gas exuding out of that pipe.

Well, I found out later - but this was only the beginning - I found out later that these men who had a big crane had chopped up the gas pipe and out came the fumes. And if somebody had lit a match in that place, because the fumes were all around us, we would have went boom! So I got outside in the car and I said, oh, thank you Jesus, Blessed Mother.

Well, I guess the old boy figured I'll still get her, so I arrived home thinking now I'm safe. Oh, yeah?

Our Lady of the Roses® Mary Help of Mothers † P.O. Box 52, Bayside NY 11361 † (718) 961-8865 † www.OurLadyoftheRoses.org

I noticed that my dog had been eating a lot of bones and things and left little slivers on the floor. But they were only tiny little slivers. I say this for a reason. But my dog liked these milk bones. They were a sort of a pinkish brown color, if you know your dog. He's a poodle and he loves milk bones. So he gets those.

However, I was sweeping up the floor, with some popcorn that Arthur had dropped, when all of a sudden I said, Gee, what in the world am I eating? What am I eating? But in the beginning, I had the feeling I was going to choke, so I opened my mouth. There - what was in my mouth, what was in my mouth but two large chunks of dog biscuit! Now, I'm not eating dog biscuits. So I said, Ah-hah! He's still after me. And I said, And I know what it is.

Because you see, Our Lady let me go through this so I'd learn a stern lesson. And She wants everyone to know about this. And anyone that doubts this, I'll prove it to them.

Because my husband came running in, and I said, They're trying to choke me or something. So what is it? says Arthur. I said, Dog biscuits in my mouth, big pieces! How did they get there? I don't know, I said, but then I think I know.

So I ran right in, got my St. Benedict medal out of my purse that I had forgotten to put on in all the excitement, and also the Scapular. And I assure you I don't care if they have to tack it to my nose the next time! I'm not taking off my Scapular and my St. Benedict medal for anyone, including your crucifix also.

So you can see Our Lady allowed this for a reason. And I feel that - you know it was a little embarrassing to come forward, but Our Lady said She wants others to know this because there will be others who will have this experience if they are not protected with their Scapular, the St. Benedict medal, and a crucifix.

Now Our Lady is smiling.

Our Lady: You see, My child, the world would have nothing if man was not free to speak out.

Veronica: Now Our Lady is looking about Her, and She said to listen carefully.

Our Lady: My child, you understand the Eternal Father is most merciful, and My Son does not want the world to be destroyed. However, great tribulations shall be set upon mankind. Sodom and Gomorrah were destroyed, destroyed by fire and brimstone.

What can you expect upon your country which allows homosexuality to flourish and become the way of life which now your leaders under a banner of truthfulness and faithfulness to his God, have now torn down that banner and is going in the direction of satan.

Laws are being made now to protect the offenders of God - the homosexuals. Mankind will have a banner ahead. There will be tribulations set upon the world before My Son returns to gather His own. Yes, in time many will be removed from the earth. However, there will be a tribulation before that moment.

My child and My children, keep a constant vigilance of prayer going throughout your country and the world.

And My children of the earth and the once-beautiful United States of America, do not sell your souls to get to the head! Money has been called the root of all evil. Already the young are being tarnished, their souls corrupted by their elders.

What, O what, My children, can you expect from the Eternal Father? My Son constantly pleads your cause before the Eternal Father. However, the time is growing short. That's why, My child, I brought you here this evening in your debilitated state, as an act of mercy to the world, to turn from their path of destruction. Your nation, the United States, shall fall to the despot, and you will be all enslaved by him!

I know, My children, many of you who hear My voice or My words will say, 'How can this happen to us?' But We heard that, the Eternal Father has said Himself that He heard that many years ago when He sent prophets to warn Sodom and Gomorrah, and they, too, did not listen.

So now, My children, you will go forth as Soldiers for Christ, My Son. If you swerve in your course of dedication, you can lose your eternal soul. Is this not worth fighting for, My children? Go out as soldiers of Christ! Carry the banner called Faithful and True!

Our Lady of the Roses® Mary Help of Mothers † P.O. Box 52, Bayside NY 11361 † (718) 961-8865 † www.OurLadyoftheRoses.org

And do not be swerved by the works of mankind. Because what is coming out in your press is controlled, My children, throughout your country and the world. You must pray to be enlightened, so that you will not be deluded by the forces of evil loosed in your country and other nations of the world.

Now, My child, you will sit back, and I want you to take several photographs of light.

Veronica: May I decipher them publicly?

Our Lady: Yes, My child, you may. It will save time.

Veronica: - is going back into the sky. Oh, She looks so beautiful. Our Lady is smiling, She's looking all about Her. It must be quite windy up there, because Her cape - I didn't tell you, She has on a beautiful blue cape. I guess you'd call it a cape; it goes all around Her head and down the sides. And She has a cream-colored gown on with a blue sash. I don't think I have ever seen Our Lady in a blue, a light blue cape before, but it looks just beautiful.

Now Our Lady is touching Her lips.

Our Lady: I am not leaving, My child; I will stay here. And if I interrupt you, you will understand that there is a mistake in the deciphering. If I do not interrupt you, you will go ahead.

1993

June 18, 1993

23rd Anniversary of Our Lady's Apparitions at Bayside

Veronica: Oh, I can see the Blessed Mother coming through the sky. Her figure looks very dark, as though She's coming through a great darkness. I have a sensitivity about the darkness around us - are we really surrounded, as a globe, in darkness now?

Our Lady is coming forward. And I saw Jesus, but He has sort of gone back into the dark clouds there to remain, for reason. Now Our Lady is coming forward. Oh, She is so beautiful! Oh, She absolutely sparkles tonight. She's looking about Her.

And Our Lady has on a beautiful white cape; it's bordered in gold. I never saw that before. It's very beautiful. And of course, Our Lady has on Her long cream colored gown. Oh, She looks absolutely beautiful! Our Lady appears to be very tall tonight. Maybe it's the way She's standing. And I can't see Jesus anymore. He seems to be like in a haze on Her left side, our right side.

Our Lady is looking all about Her, and Her mantle on Her head has slipped a little back where I can see Her hair. Her hair appears to be quite dark. And Our Lady is smiling now, and placing Her finger to Her lips, which means to listen and repeat.

Our Lady: My child and My children, I come to you as a Mother of Grace; and as a mother, I cannot evade the truth with you. I must give it to you for your own protection!

The Eternal Father - I have had to go before Him and plead your cause time and again, for He wishes to bring the great Ball upon mankind. In His reasoning, His all-knowing reasoning, He feels that too many souls are now falling into hell, driven there even by some of the clergy.

My child and My children, I have often admonished you to **guard your children in this world of darkness**. You are responsible for your children's souls! As such, if you neglect them in this lifetime, you cannot enter the Kingdom of Heaven, but could spend an eternity in hell or a long session in the other place of banishment, purgatory.

Do not laugh, O you who cannot understand the truth nor seek the truth. I say now that if you will look, My child, for Me, look into what I show you - **the realm of the suffering**.

VISION OF PURGATORY

Veronica: Purgatory?

Our Lady: Yes, purgatory.

Veronica: Oh, my goodness! I have never heard such a din - the screaming and the wailing. And I see people; they're clothed, but they're floating. I don't know, it seems to be endless. They're being tossed back and forth, and all I can hear is screams and moans. Oh, my goodness! Oh, Blessed Mother, don't make me look. My heart will stop, it's so frightening!

Our Lady: My child, come closer to Me. You understand there are three realms: **Heaven, purgatory, and hell.** I allowed you to look upon purgatory, and I understand your shock. Because - tell, My child, fully what you have seen.

Veronica: I have seen mitres, bishops, and even several cardinals. And then I see a whole score of priests with their cassocks - they're still dressed in their garments - that they are moaning and pleading!

Now Our Lady is placing Her hand before my eyes. It is frightening. It's one of the most frightening things I have ever witnessed.

Our Lady is touching Her lips, which means to repeat.

Our Lady: My child, I want you to understand and bring to the world the absolute truth and reality of this realm. There are mitres and there are cassocks there. **I want you to tell the world that there are clergy who are now falling into purgatory, if not some in hell, because they are misguiding the sheep!**

The Eternal Father wants to set upon the world the Ball of Redemption. How long, My children of the world, can I beg for your reprieve!? Why don't you listen to My voice!? I have traveled throughout your world through many earth-years, pleading with you, to turn back from your ways of destruction.

Clergy in My Son's houses, you must show more honor to My Son. There are some who are a disgrace to their profession, leading others into ways of sin.

O ye of little faith, why do you debase the young? You who have given themselves over to worldly pleasures and defamed their profession, shall not enter the Kingdom of Heaven.

My child and My children, We have asked you on numerous occasions to pray for the clergy. They do not have a special passport from Heaven. They fight the influence of satan and his agents upon earth, but they need your prayers! You have forgotten them. They need your prayers! I ask of you all to pray for your parish priests. Temptation is great upon them; however, they are being put to the test by the Eternal Father, and all who are rotten will fall.

Veronica: Our Lady is placing Her hands upon Her eyes, and She's pointing over to the left side, Her right side.

I see the inside of a church. There is service going on. But however, what are they doing? They are skipping, like frolicking down the aisle. As I watch I see - it is the priest, I believe, behind the altar. He's motioning to two children to come out of the pews and go to the rear of the church. The children are hastily - almost running to the back of the church, and I see they are picking up something. Oh, it is the ciborium and the plate. Ohh!

Our Lady: Now what are they doing, My child?

Veronica: They are taking it up to the altar! Now the priest and the other man -

Our Lady: The deacon he is called, My child, the deacon.

Veronica: They are giving these over to them, and the priest is now going back to his station behind the altar. Now all of a sudden he raises his hand, and a young - ohhh, - a young woman is coming out of the pew. But oh, my goodness me! She has on a pair of shorts! And she's heading for the altar. Now Our Lady is pointing. The woman starts to sing. **Her music is not one of the Church, or those accepted by God.** And as she sings, the priest stands behind the altar. And in his eyes - Is he admiring her or admonishing her?

Our Lady: It looks, My child, like he is admiring her.

Veronica: The shorts she is wearing is most revealing and immodest, Our Lady said. Now that woman is now going to sit at the side of the altar, and as she crosses her legs it is a most horrible infringement on the Sacred Rites, for it -

It is almost embarrassing, Blessed Mother, for me to look. Must I see it?

Our Lady: Yes.

Veronica: The shorts are no longer shorts. They're almost gone! And, and I can see the expression on the priest's face as he's observing this. Now also, there are two young girls about fourteen years of age sitting at the side of the altar, as the priest goes forward to consecrate the host -

Our Lady: My Son's Body.

Veronica: Now as I watch I notice now after the consecration that the priest is now taking his place on the right side in the altar at the last pew over to the right, and the deacon is going over to the left. And now - I don't believe it!!

Oh, I see it, Blessed Mother! There are two young girls. Our Lady, how old are they?

Our Lady: Fourteen years old.

Veronica: And Our Lady is saying:

Our Lady: Veronica, don't close your eyes. Open them and tell Me what you see.

Veronica: I see people streaming forward from the pews, and they're now being given the Host by the two young girls. Now the woman who's standing off to the side, very friendly, but immodest, [Our Lady said, immodest you must say] is observing all this with a smile on her face.

Now I see a man sitting in the aisle. He's crying. He has his Rosary beads in his right hand, and he's crying.

I know, Blessed Mother, how he feels. He's not of this generation which has fallen to satan. I know just how he feels. The only thing that he has to hold onto is the Rosary.

Our Lady is looking all about Her, and as I watch She's taking Her hand and She's placing it over Her eyes. I think She's been crying.

Our Lady: My child -

Veronica: Our Lady, I can hear Her gasping.

Our Lady: You see what is going on. **Less and less honor is given to My Son.** Whatever shall become of My children upon earth? I have wandered through earth - through timeless earth-years, trying to warn My children, of the coming punishment to mankind.

Now also, **We give fair warning to all clergy. Should you not turn from your path of self-seeking riches and think of the souls that you have in your care to bring to Heaven, you, too, shall vanish with the fires of the Ball of Redemption.**

Veronica: Now I see coming across the sky a huge ball of some kind, but it's shooting out flames. It looks huge! I've never seen anything so big. And, I see what looks like a globe, on the left hand side of the world. And this globe is heading for us, and as it gets closer it appears that this ball is larger than the earth! I don't think this has ever been seen before. I've never seen anything so large!

Now as I'm watching, it's getting very dark up there. But the light is very bright about Our Blessed Mother. She's standing there now, and She has in Her hands a large crucifix. And She's holding it up now. It's a crucifix without the body of Christ on it for some reason. And She's making the Sign of the Cross: In the name of the Father, and of the Son, and of the Holy Ghost.

Now Our Lady is looking to the right and looking to the left, and I have the feeling that She can see just about every soul that's standing on the grounds. Now She's turning, and with the cross - I know when I originally saw it, it had a corpus on it, the body of Christ. But now She has turned. When She first came closer, it had disappeared and just was a cross.

Now Our Lady is turning to Her right side, and She is extending the cross up again and making the Sign of the Cross: In the name of the Father, and of the Son, and of the Holy Ghost. She's repeating it, Our Lady, in sort of a singing manner - almost like being in church.

Now Our Lady is crossing over to Her left side, our right side, and She's pausing and looking about Her. It's quite windy up there. I don't know if I told you that Our Lady has a white cape on, like a mantilla. But it looks like it may be woolen; it looks heavy. She has that over Her head. Now She's extending the cross and making the Sign of the Cross: In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Now Our Lady is still terribly upset. I can see it in the expression on Her face. And She's moving back to be between the trees directly above us. Now She's touching Her lips, which means to listen and repeat.

Our Lady: My children, is it almost too late to reach the multitudes. My Heart is torn by the knowledge that many will die in the flame of the Ball of Redemption. Many will not be prepared. I have come to you through many earth-years - and how many have listened to My counsel? **How many have tried to mend their ways that offend their God?**

My child and My children, especially you, Veronica, My child, make it known that your country will soon receive a just punishment for the slaughter of the young, for the abominations to their God-given bodies - will receive a just punishment. I repeat, I repeat this three times in warning to you all who are the ones, the culprits of the world now, who have been instrumental in the destruction of the young.

Cardinals, bishops, priests of the Order of God, if you are guilty, turn from your ways.

I make no accusations by name, though the list is growing long to the Eternal Father. You who were given the God-given grace to be leaders of the flock have now scattered Our sheep!!

Bishops, what has become of your vocation!?! You are becoming despoilers of the human race! You cannot hide your sin from the Eternal Father. Turn back while there is time!

Veronica: Now Our Lady is touching Her lips and She is going like this, which means to listen but don't repeat.

Veronica: Ohh, no!! - Mercy! Mercy! - Yes - . I understand. But I can't repeat it. No. No, I won't. Oh, my goodness!

Our Lady: Now, My child, you will sit back and wait for My Son.

[Pause]

Veronica: I see a huge ball now coming through the sky. It looks like a globe of the earth. But like pin points, I see fires springing up. I don't understand it. It looks like the globe is on fire. And now I hear a voice saying:

Angelic voice - The owl has eyes fore and aft, ever watching the eagle. When the world cries peace, then shall he strike. [Veronica understood it to be angelic.]

Our Lady: Do you understand what I am trying to tell you, My child?

Veronica: Yes. How much of this can I repeat?

In 1968 and '69, Our Lady talked to me about a great chastisement to the United States as the leader of the world. The eyes of the world have been upon the United States, so Heaven holds the United States under bondage, in a way, for leading the world onto the path of destruction of the soul.

Yes . Must I? All right, if you say so, Blessed Mother., but I'm scar - I'm afraid.

Our Lady: I want you to look, My child, and tell Me what you see.

VISION OF HELL

Veronica: I see a hole. It's very deep, and there seems to be fire all over. But in this fire I see bodies floating up and down, and they seem, they seem to be alive! In fact, I can see some men and some women. I don't see little children, but I see many men and women. And they're floating like they have no weight, yet I can see the outlines of their figures. And the fire, it burns and burns, but doesn't consume them. They seem to float up and down - up and down. But there's a din of noise that's hurting my ears - the screaming, the pleading!. But it's like they're in a huge hole, some place beyond where I've seen on earth.

Blessed Mother, please take me out of here. It's terrible.

Now I hear the voices pleading for mercy, But a loud voice booms back:

Voice from Heaven: *Too late, too late. You had your chance!*

Veronica: Now Our Lady is touching Her lips and it's growing darker. I don't have to look there anymore.

Our Lady said to touch Her lip - - - .. Your lip, and repeat.

Our Lady: What you have just seen, My child, is hell. Many have taken away the knowledge of the existence of this abode.

Remember, My children, the truth in fact that there is purgatory and hell - perpetual torment in hell!

Our Lady of the Roses® Mary Help of Mothers † P.O. Box 52, Bayside NY 11361 † (718) 961-8865 † www.OurLadyoftheRoses.org

Veronica: Now Our Lady is looking up to Her left and I see, I only see wings and two angels there coming down by Her. They don't seem to have a body. I see like beautiful children's faces - what they look like, sort of like cheruby, very pleasant looking! And I do see wings behind them, but no body. They're coming now up beside Our Blessed Mother. Now Our Blessed Mother is touching Her lips.

Our Lady: You will sit back, My child, and wait for My Son. He has an urgent message for mankind.

Veronica: Now it's growing quite hazy. I can still see Our Blessed Mother up there, but the darkness is closing in. Although I see a pinpoint of light on Her left side - that's our right side - and I'm going to watch the light. Now I can hear Our Lady's voice still, Her sweet voice, and She's saying:

Our Lady: Sit back, My child, and rest.

Veronica: The light has become stationary now. It doesn't seem to be moving forward. It seems to have stopped for a reason. Now the light is moving to the center of the sky, and it's opening up. Ohh! It's getting very large now, very fast.

Oh, and I can see Jesus. I recognize Him now; I can see now. I haven't - it hasn't opened up enough, the light, to show me His chest or His face, but I can see His feet - He has sandals on - and His gown, which is a golden cream color. And He has on a beautiful red robe with all gold trim around the outside.

Now Jesus is coming forward. I can see Him fully now. He's coming to the middle tree. There are three trees right before us. In the middle Jesus is standing over it, up in the sky, high in the sky. Now he's looking about Him. And it seems to be quite windy up there, because his hair is moving.

Now there's a brilliance about Him I can't explain. He absolutely shines in the sky. It's so dark up there, but He lights up the whole sky. Now I can notice that He's looking down, and now He is touching His fingers to His lips.

Jesus: My child and My children, what more can I add to My Mother's discourse with you? She has said it all at this time. She has spent many earth-years going throughout your world trying to warn mankind of the coming Chastisements.

There have been many miracles set forth upon the earth by My Mother. This We have allowed as a grace to mankind, but many have been forgotten and rejected. My Mother has at this time gone throughout all corners of the world, seeking salvation for mankind. How many have listened to Her counsel?

The prayer life of the clergy has fallen. Unless they return to prayer and sacrifice, give up the worldly cravings of mankind, and agree to a life of piety and dedication and fortitude, even while under attack. You will get nowhere, My clergy, by following the modes of the world! You must lead a disciplined life! - and give to Our children of the earth the knowledge of Heaven, hell, and purgatory. Man can defame Me very easily, but I will not allow him to defame My Mother!!

Veronica: Jesus looks very upset. Very upset.

Jesus: My child, Veronica, I do not mean to frighten you. But I am in dire suffering for the abuse to My Mother. I will not accept this much longer. Unless man makes a complete change from his ways that offend the Eternal Father, We will no longer try to keep His heavy hand from upon you.

Your country, the United States, has been graced; but your country has fallen from the pedestal that she had been placed on by mankind. Spirituality has been cast aside! Prayer life has fallen, even in the convents.

How can you, My clergy, lead others when you have adopted a mode of humanism catering to mankind? You do not feed the spirits of My children upon earth! As such, you cannot enter the Kingdom! The Eternal Father never changes, My children.

You cannot build a paradise upon earth. That point shall never be reached, because you are doing this without your God.

My child and My children, I ask you all from the mercy of your hearts to pray for your clergy. They are human and as such, they can fall into error and sin. Unless you pray for them, many more shall be in the hell you have seen, My child.

Veronica, I feel your weakness. You will sit back now, and My Mother is not leaving. She will stay over on My right side.

LOCUTION August 14, 1993

On Saturday, August 14, Veronica heard a booming voice say:

**"Our Lady came for him. Glory be to God in the highest.
Behold the advent of a sinner."**

This is referring to the personal, prayer intention of the father of Michael Zeromski, Jr., a repentant homosexual who had died. Veronica had commented in writing that she thought he was saved.

Editor's Note 2007:

Holy Church teaches us that homosexuality is a grave, mortal sin, (God destroyed the city of Sodom), however, our prayers can help to reach out and rescue another soul with the graces needed for their contrition and repatriation. Holy Church teaches us that God's mercy is infinite and any stain of sin forgiven can be cleansed in the fires of Purgatory (a temporary place of purging) before being brought into Heaven with God.

Vigil of June 18, 1994

The 24th Anniversary of Our Lady's Apparitions at Bayside

Veronica: The sky above us is becoming very lighted. Oh, it's in the - the light is very, very mysterious. And as it's coming forward, it's forming a huge, brilliant, diamond, glowing star, a beautiful star. Now the star itself is opening up and there, as though coming from a picture portrait - I can't place it in words exactly, how to describe this to you - a tremendous star. And right in the center of it - it's covering now the whole sky above us, over our heads, and I would also say to the rear of our heads. Oh, and Our Lady is coming directly through that star. She's stepping down as though She was held up on a pedestal there. Our Lady is stepping down and She's looking all about Her. It's not still up there; there seems to be a wind because it's blowing Her skirt back and forth.

Our Lady looks so fragile and so beautiful. And there's a light emanating from Her. There's a light shining that makes Her look so beautiful that there are no human words to describe. Now Our Lady is looking up and smiling. I, I understand She is looking at what just went overhead and making quite a bit of noise [an airplane]. Now Our Lady is smiling, and She's coming down to almost now - very close to us. And Our Lady touches Her finger to Her mouth.

Our Lady: My child, I am coming this close because of the multitudes. I do not in any way wish to be disturbed by their seeing me en masse, My child. I know you have often asked Me to appear to others to make your mission shorter. However, My child, I must go under the direction of the Eternal Father, and He wills it at this time that no more than five be given this sighting. You will explain everything that I tell you, My child, of this visit.

Veronica: Now Our Lady is turning to Her right and looking over. And now I see something that Our Lady has in Her hand that I never noticed before during all the years of the apparition. She has a crucifix - no, not exactly a crucifix, but a cross like mine. But there's no corpus on the cross. Our Lady is smiling. Now She is placing the cross right next to Her, and the strange thing about it, I don't see the cross setting on anything like a table. It's just suspended next to Our Lady by the air. That's the only way I can explain it. Our Lady is shaking Her head, yes. Now Our Lady is placing Her fingers to Her lips.

Our Lady: My child and My children, and especially you, My child Veronica, I wish to explain to you the urgency of calling you upon the grounds this evening. Your strength is not as proficient for you as in the past, My child. I would advise you to not try to do too much at one time. I know, My child, what you are saying interiorly to Me, that I do not feel that I am losing any strength. That is because what you will and what you can suffer do not coincide, My child. I will ask you in your own language to take it a bit easy. We do wish to keep you upon the earth for some time.

Now, My child, you will tell mankind that there is a terrible punishment scheduled for the earth. If you, My child and My children, all who hear My words, will go forward as soldiers of peace this time, because - I say peace, because your country will soon be embroiled in another war. Your prayers must rise to Heaven, and I will accompany them before the Eternal Father. Perhaps, My child and My children, there is hope for mankind. The next war will embroil many nations. It will be a war to the finish. Man has gained much knowledge, not to prevent destruction, but to maintain it for their own gluttony, their own loss of face, and for the belittlement of his fellow man.

Know, My children, the Eternal Father watches, and We in Heaven are all knowledgeable of what is in store for mankind. The Ball of Redemption hovers now in your atmosphere. It is through the will of the Eternal Father that I come to you this evening to warn you that the Eternal Father grows weary of your reasoning, of your lack of faith, of the despoiling of your children.

Parents, your children will one day scorn you if you do not show them a true expression of love and give them the seeds of the Faith. Without these seeds, they will be lost to mankind and to Heaven.

My child and My children, do not be afearred at My words. I do not come to punish nor to make you grieve. I come as a Mother of truth. Heaven cannot allow the despoilment of the young souls. All parents who do not guard their children's souls as well as their bodies shall be held accountable in their last days.

My child and My children, I often cry in My time and My trip throughout the world. I know what is in store for mankind. Several years ago I brought to you the knowledge of the Ball of Redemption. Though you cannot see it now, it still hovers over the world. I ask you now, can you not turn from your ways of despoilment? Your children are suffering as they are left to roam, to make their own decisions without the guidance of the family.

My child and My children, please, the Ball of Redemption shall be sent upon mankind if he does not heed the measures that I have given you tonight to save your country and other countries of the world. Little children are left to roam, to make their own decisions while the parents go merrily on their way, not thinking of the souls that they had to guide. Many parents have now lost their way. They have become embroiled with mankind and not God.

Parents, teach your children the words of the Bible. Make the Bible a necessary book in your home, not something that may be given to you as a gift by mankind, but as a gift from the Eternal Father. Read this book to your children. They are thirsting for the knowledge from God. Only you as parents can save them.

Do not feel, parents, that you are doing unjustment to your children when you reprimand them when they do wrong. You must keep a stern attitude also toward the rearment of your children. Many will die in the great flame of the Ball of Redemption. How many will be saved, the count is only known by the Eternal Father. My child and My children, please, I ask - I'm willing to beg you as your Mother to save your children and also in the end, save your own souls.

My child, you will sit back and wait, because I have a great surprise for you in a short while, but I am now stepping back as I have a conversation with someone, My child, who you know.

Veronica: - Oh, over on Our Lady's side, on Her left side, I see the sky opening up and - oh, it's Jesus! He's standing right next to Our Lady on Her left side. And He's wearing a long, sort of an ecru-colored gown and sandals. I can see His feet from down here. He has on brown sandals. They look like leather; I think they're leather. And He has on a cape, an ecru, almost white-colored cape over His gown. It's quite, it's quite a bit chilly over here. That is why I would assume that Jesus is wearing His cape.

Now Our Lady is placing Her first finger to Her lips.

Our Lady: My child, sit back and rest. I am not finished with the discourse with you, but now you must read some very important photographs.

[Pause]

Veronica: Oh, right now I see a large star up above the tall tree at the right side of the banner. Now this star is growing very large, an exaggerated form of the star. But oh, I can see why because the star now is covering the whole area of the trees, beyond the trees and down towards us; it seems to be increasing in velocity or whatever you want to call it, this expansion of the star. Now oh, right in the center I can see Him now - I know who it is because He did say He would come late this evening. I know it's Jesus.

Now He's coming closer, He's coming closer now. I can see Him very clearly now. He has a beautiful golden-tinged robe about Him now. It's pulled very tight, I don't know if it's because of the wind or what, but He's pulling the gown about Him to prevent it from flying up, I guess. It looks very windy there. And the robe over His gown has - it's tinged in some kind of a fur, but it's sort of scintillating, or sort of shining. I never saw anything like that, as though there were some fragments of diamonds in the fur. I never saw anything like that on earth.

Our Lady of the Roses® Mary Help of Mothers † P.O. Box 52, Bayside NY 11361 † (718) 961-8865 † www.OurLadyoftheRoses.org

Now Jesus has come over by the tallest tree, directly in front of us there. Jesus is standing there. I can see He does have shoes on, some kind of slippers. Now He's looking all about Him, and He appears to be smiling. That, of course, makes me feel very relieved. I didn't know why He came so late tonight, but He's smiling. And now He's placing His fingers to His lips, like this, which means to listen and repeat.

Jesus: My child and My children, My Mother had an urgent message for you, and I come now at this late evening not to enlarge upon it in full. All I can say to you is you must all pray more now, if not for your immediate families, but for those you know who are not in the grace.

My child and My children, I do not come for a lecture to Our children upon earth. All I can say is I want and I wish that all of you would pray more and by good example bring others to Us. I call all of Our children here this evening the circle of light. There will come upon the earth a great trial soon. Many will be lost. I will not enlarge upon this because you, Veronica, I have told you countless times not to discourse on the punishment.

Now I want you to listen to Me quietly, My child. I have something to tell you. You will not repeat it until I tell you.

Veronica: Yes. . . . No. Real - Oh, no - I don't know. . . . Does it, does it have to happen? . . . I understand. It is something so horrible that it can't be spoken of.

Jesus said that I must repeat that many have forgotten the warning given through countless earth-years of the coming of the Ball of Redemption. Many will die in the great flame of this Ball of Redemption. Only the prayers of those who cared for their fellow men have prevented this from coming sooner.

Jesus: My child and My children, I come as an emissary from God the Father, My Father and the Father of all mankind upon earth. I wish at this time to stress anew to you that many must go forth now as angels of light - angels certainly, My children, without wings, but no less an angel.

Veronica: Now Jesus is looking all about Him. He looks very calm; He doesn't seem angry or anything, just very calmly looking about. He said:

Jesus: You will continue, My children, with the prayers of atonement. And I must tell you the time is, in earth time, growing short. There will be a great Chastisement set upon mankind. You will recognize this when you find out in the atmosphere a huge, immense ball of light. Do not be affrighted, My child. Your scientists will be bewildered.

It is the little people who will know the truth.

Now, My child, you will sit back and rest. But remember, the message to the world is urgent. I do not want to place upon you, My child, the burden of knowing the full results.

Final Message. Veronica entered eternity at the end of her mission from Heaven – Aug. 3, 1995.
