***PRESIDENT EISENHOWER***

Theresa told me many things that were to happen, and that were happening. Like Mrs. Eisenhower, she has the letters I wrote to her when Ike was dying.

See, when Ike was dying back in August 1968, I wrote to Mamie and told her just as Theresa told me to. The letter went something like this: Dear Mamie, I know you'll never be able to believe this, but Saint Theresa is here with me now, and she told me to tell you have heart, that Ike would not die. (Now I knew when Ike was going to die, but I certainly didn't want to tell her. But anyway, he wasn't going to die then.) And the papers said he had a miraculous recovery.

Ike didn't have to die that Saturday he died, because I was at Holy Communion at St. Robert's on a Thursday morning and Jesus said to me in voice [locution],

**"If Ike will drink of the waters of Fatima, I will save him."**

Oh, I was so happy! So I ran into Father after Mass [and told him.] He kind of pushed me aside, so I sent a telegram to Cardinal Cushing. I also called [another priest.] Then I sent air mail special delivery [a bottle of Fatima water] and Rosary beads to Mamie.

I also got the telephone busy and ran up a nice bill. I called the hospital - Walter Reed, I think it was. I got first a doctor and an orderly, and I explained to them. I said, "I have to tell you that I know what I heard at St. Robert's during Communion, and Ike could be saved. Could you please look around on your shelves. The water should be there by now, and please give him the Fatima water." "Oh," he said, "I'll do my best." Well, I saw the hours were ticking o

n, and the reports were awful on the radio. One of them succeeded in getting a Catholic priest to talk to me, but this was at about twenty after twelve. I'll never forget it. While he was talking to me, I then heard that Ike had died. I cried for days. It was so unnecessary!

Well, about two weeks later - I have it here to show you - I received a letter from Mamie, and in it she said that she received the Fatima water and the Rosary after Ike had died. Oh, did I cry! I felt so bad, because I knew what Jesus said. But no one cared enough to understand, and no one had faith enough - see, when you try to bring this to someone they think you're insane, or a lunatic, or a religious fanatic, or something else, but you are telling the truth!

***MRS. ETHEL KENNEDY, Spouse of Robert Francis Kennedy***

*Senator of New York, Presidential Candidate*

*Assassinated June 6, 1968*

Another thing happened: I was to get in touch with Mrs. Ethel Kennedy and tell her that she would have a baby girl, which I did. She had the letters. Then also, I had asked her if she would name this baby Mary Theresa, in honor of our Mother and Theresa. You see, I felt such a close affiliation with that whole - since Bobby and Theresa were together, you know, when he passed on. That's what I know happened, though to try to tell that to anyone, it's so far-fetched. I saw that - I know Bobby went to Heaven.

[Veronica first smelled Roses June 5, 1968 when Bobby got shot and she prayed the Rosary for him. It was the beginning of her mission with Our Lady of the Roses. St. Theresa wrote a poem through Veronica in 1968 with the last line saying... "and Bobby kissed Mary and Moses." See Occulations book]
