BACKGROUND INFORMATION

For the past eighteen years the Blessed Mother and Our Lord have been appearing to a wife and mother of five children, Veronica Lueken, at regularly held Rosary Vigils at Flushing Meadows Park in Flushing, Queens, New York.

The Blessed Mother and Our Lord have said that unless mankind makes a complete reversal of its sinful ways through prayer and atonement to God, the U.S. and all nations of the world will be cleansed and purified by means of great tribulations and a great chastisement: a worldwide nuclear war (World War III), and a fiery Ball of Redemption in the form of a celestial comet. Many nations will disappear from the face of the earth, and three-fourths of mankind will be destroyed.

"Who could number the benefits we've received from attending Our Lady of the Roses prayer Vigils on these precious grounds! We have never been denied an answer to any of our petitions. It was Our Lady of the Roses that heard our prayers for a suitable partner to marry and raise a family with. In fact, as if to testify to Her Heavenly intercession on our behalf, our third child is due on Her anniversary day: June 18th!

Mary Bauer, 28, mother and housewife, Cape Cod, MA*

"The Blessed Virgin Mary's messages and prayer Vigils in New York have given me great solace and encouragement in these trying times.... Without them I would be lost."

Dan Braun, 36, engineer, Richland, WA

"There are so many graces to be gained by attending these Vigils of Prayer, and we will always have the fondest memory of the June 18th Vigil, 1984, when we took our whole family on that wonderful pilgrimage."

*Chris Isley, 38, painting contractor
Linda Isley, 41, mother and housewife, Los Angeles, CA*

"Our Lady of the Roses has truly interceded to God for us.... This year we will have our 9th annual pilgrimage on the 18th of June, with people from five western states."
