### *Colon Infection Gone*

January 25, 2006

Dear Our Lady of the Roses,

I've been a pilgrim at Our Lady of the Roses since Sept 1973 and have wonderful memories of the early days at the Shrine at St. Robert's when I lived in Bayside. I attended all the Shrine Vigils and Sunday Holy Hours regularly and was close to Veronica as all the pilgrims were able to talk to her in those days.

One Sunday, I saw the spinning of the sun during the Holy Hour right above St. Robert Bellarmine Church. Veronica said to everyone there during the prayers, "Look up, the sun is spinning!" Also, miraculous gold like plates the size of tea saucers came down like graces on everyone. My house was eight blocks away and when I got home I even saw the gold saucers in my yard.

This past week I was in the hospital five days for an infection in my colon. I felt very, very ill and could not walk and was in tremendous pain. A board of specialized physicians examined me. I could tell on the doctor's faces that my infection was quite serious. They were very concerned about my condition and were not sure if antibiotics would work on me, but they decided to take a chance and have me take them. **On the 5<sup>th</sup> day I was cured of the infection and released** and did not have to have a possible operation.

**The doctor told me the infection was gone** and to continue with the medication for 7 days. I had thought "I may die", but was not afraid because I knew Jesus and Blessed Mother Mary of Our Lady of the Roses was present. I put my trust in Jesus that I would succeed. I had my Rosary and brown Scapular close with me. **I give all my thanks to Our Lady of the Roses** as They saved me several times in the past.

### *Inspired by Shrine Work*

Hello!

January 6, 2006

We are on a very limited income, as I am disabled. I have been so inspired by your work! I've been spreading the "good words" and hope and cheer to all I can. Thank you for doing our Good Lord Jesus Christ's work!

Love, Sally - Upstate NY

### *Out of Coma & Recuperating*

December 2005

My daughter's best friend, Bonnie was so sad during the Christmas holidays. Her sister, Cindy D., in her 50s, was very ill, comatose twice with 'DNR,' (do not resuscitate) instructions in her Living Will. She was connected to tubes, machines and a lot of meds. No hope was given to the family. I gave Caroline the Brown Scapular I ordered from Our Lady of the Roses, to put it on Cindy the week before Christmas. Great News! **She came out of the coma**, needs only a small amount of pain medicine, recognizes everyone, and is in great spirits. She told Caroline she is pretty. (I believe that was a thank you.) And she treasures the Scapular. She said she used to go to church all the time before her illness that began in her 30s. She now requests to go to Mass at the Personal Care Home and tells everyone "I am Catholic."

We normally hear all the bad news, just wanted to thank you for all the blessings you bring to us in all that you do for Our Lady of the Roses. God Bless!

Carolyn - Pennsylvania

### *Family Petitions Answered*

2005

Thank you very much for helping us and for the blessings you have given us. My daughter Karen is now already cured of her insomnia.

My son-in-law Darwin is already regular in his work. My daughter Kharmela had passed her State board Exam given last December 3rd. Thank you very much for answering my petitions. We adore you Lord. Again thank you very, very much.

Mrs. K. - Philippines

### *Relieved from Neck and Back Pain*

January 5, 2006

Dear Our Lady's workers,

I am writing in thanksgiving to Our Blessed Mother for helping me to stop the pain on my neck and back I had for almost a week. I put the Rose Petal on my neck and back and I wore it for almost three days and the pain was gone. I didn't have to go to the doctor. Thank you Blessed Mother.

### *Our Lady Appears to a Child at the Shrine*

December 1, 2005

Dear Our Lady of the Roses,

I would like to share my 2 year old son's testimony with you all. I believe children are more readily to receive contact with Our Lady because their souls are so pure.

I brought my son Jonathan to the September 10 Shrine Vigil (In Honor of the Holy Name of Mary). It was Jonathan's first evening Vigil, although he went to the Sunday Holy Hour a couple of times in the past. In the beginning of the Vigil, Jonathan was asleep inside the mini-van. As soon as he woke up, he wanted to walk up to Our Lady's Shrine statue on the Vatican Pavilion. I was trying to hold him back, but I was too late. Jonathan ran straight up on to the Pavilion. I was scared that he would knock down the statues or other arrangements. All of sudden, Jonathan just stopped in front of the two 26" statues of Our Lady that pilgrims brought to be blessed placed at the feet of the large Shrine statue. **He gently kissed the top of each Statue's head.** Then he perched right in front of them like he was looking and listening to Our Lady. I asked Jonathan to come back down to the praying ground area, but he refused. Instead Jonathan said, *"the Virgin Mary is hiding"* (like peek-a-boo)." I asked him *"where is the Virgin Mary hiding."* **My son pointed to the Shrine Statue of Our Lady and said, "Over there! She was behind the Shrine Vigil Statue."**

At the end of the Vigil, Jonathan mentioned that the Virgin Mary was in my sister Angela's car. At that time I thought my son just meant the 26" statue of Our Lady of Roses because my sister put the statue in the front passenger seat. When I started driving away from the Shrine, I asked Jonathan more about the blessing. I asked him, *"where is the Virgin Mary?"* He said, *"the Virgin Mary flew away from Auntie Angela's car. Then She flew up to the tree like, an airplane."* I was amazed with his response. I never told him about the Virgin Mary flying up to the tree or anywhere. I still wonder whether the Virgin Mary had instructed Jonathan to kiss both of Her small Statues. Like through him, both of the statues were blessed by Her Kiss.

My son's testimony is pretty consistent with what his cousin Katie-Ann said at the Shrine Holy Hour, *"Our Lady flew up to the tree."* I am so glad that my son got to 'meet' Our Holy Mother. I hope all of us will be blessed by Our Lady of the Roses. Mrs. Ho-Bayside, NY

[Note: The Shrine Vigil Statue is the original, true miraculous Shrine Vigil statue used at the Vigils and Holy Hours since 1973 that Jesus and Our Lady appeared over and gave messages through Veronica of the Cross.]

### *Achilles Tendons Healed*

March 22, 2006

Last year I decided to improve my health, lose weight and get fit. I began exercising with fast walking and some sports. My Achilles tendons in both feet got extremely sore. The pain increased and by September the pain was so intense I could not stand on my toes. At my physical, I mentioned to my doctor that my Achilles were sore. She looked at them and as she reached to touch it I cringed in fear of pain. She was alarmed and recommended I go to a specialist as they may be ruptured. I could not get an appointment for a week. The pain increased daily and I had to walk on my heels to not use the tendon. A few days later the pain was unbearable so I called the specialist for a rush appointment. They could not get me in for 2 days. I was really distressed, but accepted it as God's will. The next day I picked up a small picture of Veronica of the Cross and touched it to each Achilles and cried to her saying *"Veronica if you want me to help with your mission you have to fix my feet. I need a cure now."* Never had I prayed so boldly, but I was desperate. Well the next day I woke up and slowly put my feet on the ground and felt an enormous improvement. **I did not have the debilitating, aching pain. I was able to move around, walk up the stairs normally, not one at a time, and stand on my toes without pain!** It was a huge miracle for me. I cancelled the specialist's appointment and earlier thought it was not meant for me to go. **The pain is gone and I can carry my weight and be active again.** Others have told me that this kind of injury is difficult, often needs surgery and can take a very long time to heal. I give my heartfelt thanks to Veronica of the Cross and Our Lady of the Roses for my miraculous healing. Thank you God the Father and Our Lady of the Roses for hearing my prayer.
